IN THE MATTER OF AN APPLICATION UNDER SUBSECTION 243(1) OF THE

SECTION 101 OF THE *COURTS OF JUSTICE ACT*, R.S.O. 1990, c. C.43, AS AMENDED

THIRD REPORT OF  
KSV RESTRUCTURING INC.  
AS RECEIVER AND MANAGER

MAY 28, 2026

## 1.0 Introduction

1. On October 12, 2023, the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) issued an order (the “**Receivership Order**”) appointing KSV Restructuring Inc. (“**KSV**”) as the receiver and manager (the “**Receiver**”), without security, of all of the property, assets and undertaking (the “**Property**”) of 1333 Weber Street Kitchener LP (“**1333 Weber LP**”) and its general partner, 1776411 Ontario Limited (“**177 Ontario**”, and together with 1333 Weber LP, the “**Partnership**”). At the commencement of these receivership proceedings, the principal asset of the Partnership was the real property located at 1333 Weber Street East, City of Kitchener (the “**Real Property**”), and the phased four-tower residential condominium project on the Real Property (the “**Project**”).
2. A copy of the Receivership Order and the related Endorsement of Justice Cavanagh is provided in **Appendix “A”**.
3. The application to appoint KSV as Receiver was made by Genesis Mortgage Investment Corp. (“**GMIC**”), a secured creditor of the Partnership. GMIC was the second largest secured creditor of the Partnership, as more fully described below.
4. A principal purpose of this receivership proceeding was to provide the stability and supervision required to preserve the value of the Project, with a view to effecting the sale of the Project either on a completed or an “as is” basis.

5. The Receiver executed an agreement of purchase and sale for the Project with GMIC, Elm Acquisitions Corp. and Dorr Capital Corporation (collectively, the “**Purchaser**”) on March 4, 2024, with several amendments thereafter (the “**Project APS**”). The Purchaser assigned the Project APS to GFD 1333W Limited Partnership (the “**Assignee**” or “**GFD LP**”), and the Real Property vested in 1333W Lands Ltd. The Project APS closed on October 29, 2024, following Court approval. A copy of the Project APS, including amendments and extensions, is provided at **Appendix “B”**.
6. On October 8, 2024, the Court issued the following Orders:
  - i. an Approval and Vesting Order (the “**AVO**”) which, among other things:
    - approved the Project APS and authorized the Receiver to complete the transaction for the sale of the Real Property (the “**Transaction**”);
    - authorized the Receiver, on or following closing of the Transaction, to terminate and disclaim all the existing pre-construction agreements of purchase and sale (the “**Pre-Construction Unit APSs**”) related to Tower B (as defined below);
    - authorized the Receiver, following closing of the Transaction, with notice to be provided by the Assignee to the Receiver within 120 days of the closing of the Transaction (the “**Notice Period**”), to terminate and disclaim the Pre-Construction Unit APSs related to Tower A (as defined below) not being assumed by the Assignee; and
    - approved a protocol (the “**Deposit Return Protocol**”) permitting condominium unit purchasers (“**Condo Purchasers**”), whose Pre-Construction Unit APSs were terminated, to submit claims for the return of deposits that were paid pursuant to the Pre-Construction Unit APSs;
  - ii. an Ancillary Order which, among other things:
    - approved distributions totalling \$2,835,722 to 13 lien claimants (the “**Lien Claimants**”), in full and final satisfaction of their priority claims that ranked in priority to the First Mortgagees (as defined below);
    - approved a distribution to the First Mortgagees up to the balance owing to them by the Partnership at the time;
    - increased the Receiver’s borrowing limit to \$2.5 million;
    - approved the Receiver’s Second Report to Court dated September 27, 2024 (the “**Second Report**”), and the Receiver’s activities as set out in the Second Report; and
    - approved the fees of the Receiver and the Receiver’s counsel, Blaney McMurtry LLP (“**Blaney**”), from the commencement of these receivership proceedings to August 31, 2024.
7. The AVO and Ancillary Order are attached as **Appendices “C” and “D”**, respectively.

8. On February 20, 2025, GFD LP brought a motion seeking to amend the Notice Period set out in the AVO to June 30, 2025. Subsequently, on June 26, 2025, GFD LP brought a further motion to extend the Notice Period to August 19, 2025. On both occasions, the Court granted an Order approving the requested extensions (the “**AVO Amendment Orders**”). The AVO Amendment Orders are attached as **Appendix “E”**.
9. On June 17, 2025, GFD LP brought a motion in respect of irrevocable directions signed by Tower A Condo Purchasers whose Pre-Construction Unit APSs were disclaimed and who had entered into new agreements with GFD LP for units in Tower A (each a “**New Tower A Unit APS**”), authorizing GFD LP or its representatives to deliver irrevocable directions to Aviva Insurance Company of Canada (“**Aviva**”) and MNP Ltd. (“**MNP**”), the deposit insurer and its financial advisor, respectively, regarding payments under the Deposit Return Protocol (the “**Irrevocable Directions**”), and requiring Aviva and MNP to abide by and act on the terms of the Irrevocable Directions (the “**Direction of Proceeds Motion**”), even if these Tower A Condo Purchasers then issued a direction for payment pursuant to the Deposit Return Protocol that was different from the Irrevocable Directions. Pursuant to the Endorsement of Justice Kimmel dated June 17, 2025, the Direction of Proceeds Motion was adjourned *sine die*. Justice Kimmel’s June 17, 2025 Endorsement is attached as **Appendix “F”**.
10. Counsel to GFD LP has advised the Receiver that it does not intend to bring the Direction of Proceeds Motion back on for a hearing.
11. This third report (the “**Third Report**”) is filed by KSV in its capacity as Receiver.

## 1.1 Purposes of this Third Report

1. The purposes of this Third Report are to:
  - a) provide background information about this proceeding;
  - b) provide an update on the Deposit Return Protocol;
  - c) summarize the Receiver’s activities since the date of its Second Report;
  - d) summarize the fees of the Receiver from September 1, 2024 to April 30, 2026 and Blaney from September 1, 2024 to March 31, 2026;
  - e) set out the rationale for the Receiver to be authorized to assign 1333 Weber LP and 177 Ontario into bankruptcy;
  - f) recommend that this Court issue Orders authorizing the Receiver to assign both 1333 Weber LP and 177 Ontario into bankruptcy, and naming KSV or another licensed insolvency trustee as trustee to administer each of the bankruptcies (the “**Bankruptcy Orders**”); and
  - g) recommend that this Court issue an Order (the “**Discharge Order**”):
    - approving the Supplement to the Second Report dated October 4, 2025 (the “**Supplementary Second Report**”), this Third Report, the R&D (as defined below) and the Receiver’s activities, as set out in the Supplementary Second Report and in this Third Report;

- approving the fees of the Receiver and Blaney, including an accrual of \$100,000 plus disbursements and HST to the completion of this mandate (the “**Fee Accrual**”), as set out in Section 7 of this Third Report;
- subject to the Fee Accrual, authorizing and directing the Receiver to pay to Bennett Jones, in trust (lawyers for GFD LP), any remaining surplus proceeds from any funds the Receiver has received or may receive in respect of the receivership administration (the “**Surplus Distribution**”); and
- discharging the Receiver upon filing a certificate with the Court confirming that all receivership matters have been completed (the “**Discharge Certificate**”).

## 1.2 Restrictions

1. In preparing this Third Report, the Receiver has relied upon: (i) discussions with various stakeholders in these proceedings, including the First Mortgagees; (ii) discussions with MNP, the firm engaged by Tarion Warranty Corporation (“**Tarion**”), and Aviva to administer the Deposit Return Protocol; and (iii) the Receivership Application materials and other documentation provided by the First Mortgagees, (collectively, the “**Information**”).
2. The Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that complies with Canadian Auditing Standards (“**CAS**”) pursuant to the Chartered Professional Accountants of Canada Handbook. Accordingly, the Receiver expresses no opinion or other form of assurance as contemplated under the CAS in respect of the Information. Any party wishing to place reliance on the Information is required to perform its own diligence.

## 2.0 Background

1. The Partnership intended to develop the Project, which was marketed as “Elevate”. At the time the Receivership Order was issued, the first phase of the four-phase Project was a 177-unit residential building (“**Tower A**”) that had been estimated to be 80% complete at the time the Receivership Order was granted. The second and third phases of the site consisted of a large open pit with a partially completed foundation and underground parking area (“**Tower B**” and “**Tower C**”, respectively, and collectively “**Towers B and C**”). The fourth phase was raw land (“**Tower D**”).
2. Prior to the commencement of these receivership proceedings, all 177 units of Tower A and 325 units of Towers B and C were sold pursuant to Pre-Construction Unit APSS. Pursuant to a letter dated October 25, 2023, the Receiver advised the Condo Purchasers of the receivership proceeding and the status of their condominium transactions. The Receiver sent a further letter to the Condo Purchasers on September 27, 2024 (the “**Condo Purchaser Letter**”) providing an update on the Transaction and explaining the Deposit Return Protocol. A copy of the Condo Purchaser Letter is provided as **Appendix “G”**.
3. As of the date of the Receivership Order, the Partnership had under \$300 in its bank accounts. Accordingly, all funding in respect of this mandate was provided by one of the First Mortgagees pursuant to Receiver Certificates up until closing of the Transaction.

4. Background information regarding the Partnership and the reasons for which GMIC sought the appointment of the Receiver is set out in the affidavit of Michael Yeung, an officer of GMIC, sworn on October 2, 2023 (the “**Yeung Affidavit**”), in support of GMIC’s Notice of Application issued September 26, 2023. A copy of the Yeung Affidavit and other Court materials filed to-date in these proceedings are available on the Receiver’s website at: <https://www.ksvadvisory.com/experience/case/Elev8>.

## 2.1 Secured Creditors

1. The following summarizes the creditors that had registrations against the Real Property and their outstanding balances prior to the Transaction:
  - a) GMIC was a junior secured lender in a syndicate of lenders consisting of itself and two senior secured lenders (the “**Senior Secured Lenders**”). The loan facilities were secured by a first mortgage in the principal amount of \$82 million granted by 177 Ontario and registered against title to the Real Property on August 17, 2021, as Instrument No. WR1367209, in favour of GMIC, and in favour of CMLS and Computershare Trust Company of Canada (“**Computershare**”, and together with GMIC and CMLS, the “**First Mortgagees**”);
  - b) Westmount Guarantee Services Inc. (“**Westmount**”), the servicer for Aviva, which provides condominium purchaser deposit insurance, registered a charge against the Real Property securing \$50 million in connection with deposits paid by the Condo Purchasers (the “**Westmount Second Mortgage**”). Approximately \$17 million was owing to Westmount/Aviva, representing the deposits released from escrow regarding phases one and two of the Project. The Westmount Second Mortgage was the second ranking mortgage over the Real Property;
  - c) CORFinancial Corp. (“**COR**”), a financial advisor that had been engaged by the Partnership in or about December 2022, registered a charge against the Real Property on May 8, 2023 in the principal amount of \$3.5 million in connection with a transaction whereby: (i) the Partnership and COR entered into a Commitment Letter wherein COR agreed to pay certain outstanding construction costs owing by the Partnership to the Partnership’s construction manager on the Project, Gillam Urban Contractor Inc. (“**Gillam**”), and (ii) COR provided Gillam with a promissory note for approximately \$2.9 million regarding certain of Gillam’s outstanding construction costs. While COR received a fee of \$300,000 in respect of the Commitment Letter (paid by CMLS), the Receiver understands that COR did not advance any funds to Gillam in connection with this transaction; and
  - d) In addition to the three mortgages over the Real Property, 15 suppliers registered 22 separate construction liens against the Real Property totalling approximately \$17.7 million.
2. A discussion of the lien claims and the legal opinion on the validity of the security held by the First Mortgagees is included in the Second Report, a copy of which is provided, without appendices (save for the Receiver’s lien analysis at Appendix K to the Second Report), as **Appendix “H”**.

## 2.2 Transaction and Distributions

1. As discussed above, the Transaction closed on October 29, 2024 (the “**Closing Date**”). The Transaction is more fully summarized in the Second Report and is not repeated herein.
2. Upon the closing of the Transaction, and pursuant to the Ancillary Order, two of the fifteen lien claims were declared invalid, and the Receiver made the following distributions:
  - a) \$2,835,722 to thirteen Lien Claimants (incl. HST); and
  - b) \$66,824,699 to the First Mortgagees, which represented the full amount owing under the First Mortgage Charge as of the Closing Date.
3. Of the thirteen Lien Claimants who received distributions pursuant to the Ancillary Order, one lien was deemed to be fully satisfied following the distributions. The distributions to the remaining twelve Lien Claimants were in full satisfaction of those Lien Claimants’ priority claims for holdback, including their priority claims pursuant to section 78 of the *Construction Act*, but not in satisfaction of their non-priority lien claims.
4. The following chart sets out the remaining balance of each Lien Claimant’s claim, and whether the claim is in respect of a secured (but non-priority) claim for lien, or, if applicable, an unsecured claim:

No.	Lien Claimant	Registered Lien Amount(s)	Distribution Paid	Remaining Lien Claim – Secured (but no priority)	Remaining Unsecured Claim
1.	Classic Tile Contractors Limited	\$591,923	\$0		\$591,923
2.	2868791 Ontario Corp. o/a HGL Electrical	\$3,123,088	\$0		\$3,123,088
3.	ABA Architects Inc.	\$432,315	\$43,231.50	\$389,083.50	
4.	Aluminum Window Designs Ltd.	\$1,662,600	\$245,111.48	\$1,417,488.52	
5.	Conestoga Roofing & Sheet Metal Ltd.	\$311,562	\$60,787.01	\$250,774.99	
6.	Dean Lane Contractors Inc.	\$2,157,415	\$549,251.98	\$1,608,163.02	
7.	Gillam Urban Constructors Inc.	\$5,089,130	\$480,495.51	\$4,580,216.86 <sup>1</sup>	
8.	Matthews Equipment Limited o/s Herc Rentals	\$85,018.08	\$28,417.63	\$0 <sup>2</sup>	

<sup>1</sup> The payment for \$28,417.63 to Matthews Equipment was deemed to have been a payment in respect of Gillam’s holdback, per para 3(a) of the Ancillary Order. Accordingly, Gillam’s lien was reduced by \$508,913.14.

<sup>2</sup> A partial payment had been made by Gillam to Matthews Equipment prior to the Ancillary Order. Matthews Equipment’s lien was deemed fully satisfied pursuant to paragraph 4 of the Ancillary Order.

9.	Gold Star Drywall Services Inc.	\$787,259	\$165,642.13	\$621,616.87	
10.	Greentech Sealants Inc.	\$220,190	\$48,960.02	\$171,229.98	
11.	O'Connor Electric Ltd.	\$357,510	\$34,495.53	\$323,014.47	
12.	Oxford Builders Supplies Inc.	\$755,948	\$75,595.93	\$680,352.07	
13.	Pearson Metal Inc.	\$647,217	\$103,811.87	\$57,022.98	\$486,382.15 <sup>3</sup>
14.	Stubbe's Precast Inc.	\$1,374,127	\$936,001.85	\$438,125.15	
15.	Troy Life & Fire Safety Ltd.	\$184,715	\$63,919.39	\$120,795.61	
	<b>TOTAL</b>	\$17,780,017.08	\$2,835,721.83	\$10,657,884.02	\$4,201,393.15

5. Pursuant to subsection 4.5(4) of the Project APS, any excess funds remaining in the Receiver's trust account are to be distributed to the Purchaser and treated as an adjustment to the Transaction's purchase price:

(4) Notwithstanding anything to the contrary contained in this Article 4, all monies held by the Receiver at the end of the receivership, which for greater certainty shall be net of any funds required by the Receiver for receivership costs, shall be held in trust for the Purchaser, endorsed (without recourse) in favour of the Purchaser and the Receiver is hereby irrevocably directed to pay any such amount, when determined, to Bennett Jones LLP, the Purchaser's solicitor, in trust, in accordance with the wire instructions attached hereto as Schedule "D".

6. Accordingly, while 12 of the Lien Claimants have secured claims totalling more than \$10.6 million, there are no funds or property which could attach to their security. In the circumstances, the total of the Lien Claimants' claims, being approximately \$14.9 million, is unsecured.
7. As of the date of this Third Report, the Receiver has \$730,428 in its trust account as reflected in the statement of receipts and disbursements (the "R&D") provided as **Appendix "I"**.

## 3.0 Deposit Return Protocol

### 3.1 Tower A

1. As discussed above, the AVO Amendment Orders provided a deadline of August 19, 2025, by which GFD LP was required to notify the Receiver which Tower A Pre-Construction Unit APSs it was not assuming. GFD LP provided such notice to the Receiver on August 8, 2025, confirming that 24 of the 177 Tower A Pre-Construction Unit APSs were to be disclaimed and terminated. The Receiver understands that these 24 Condo Purchasers entered into New Tower A Unit APSs with GFD LP, which included the Irrevocable Directions that instructed and directed Aviva and MNP ( the deposit insurer and its financial advisor), to direct the deposits from their Tower A Pre-

<sup>3</sup> Only a portion of this lien was valid, per the Receiver's lien analysis at Exhibit K to the Second Report.

Construction Unit APSs to Garfinkle Biderman LLP (“**Garfinkle**”), GFD LP’s condominium legal counsel.

2. On August 22, 2025, the Receiver sent a notice (the “**Notice of Termination and Disclaimer**”) to the 24 Condo Purchasers whose Pre-Construction Unit APSs were not being assumed by GFD LP which formally terminated and disclaimed their Pre-Construction Unit APSs. A sample Notice of Termination and Disclaimer, redacted to remove personally identifying information, is attached as **Appendix “J”**.
3. Through discussions with MNP, as of the date of this Third Report, the Receiver understands that all Tower A Condo Purchasers whose Pre-Construction Unit APSs were terminated and disclaimed have submitted the required documents under the Deposit Return Protocol. The Receiver also understands that MNP has transferred the deposits from the 24 Tower A Pre-Construction Unit APSs to Garfinkle in accordance with the Directions.

### 3.2 Tower B

1. Pursuant to the Transaction, all Tower B Pre-Construction Unit APSs were terminated and disclaimed. Through discussions with MNP, the Receiver understands that all, but one Tower B Condo Purchaser, have submitted the required documents under the Deposit Return Protocol, and that deposits from the Tower B Pre-Construction Unit APS’s have been returned to all Tower B Condo Purchasers other than that one.
2. In accordance with the Deposit Return Protocol, once the remaining Tower B Condo Purchaser submits the required documents to MNP, the Receiver will execute a Release and Termination Agreement, after which the deposit will be returned. Both the Receiver and MNP have advised the remaining Tower B Condo Purchaser of its requirement to complete the required documents several times. The Receiver intends to send a final notice to this party and advise that if the documentation is not provided with 10 days from the date of the final notice, the Release and Termination Agreement will be completed and this party may forfeit its right to the deposit.

### 3.3 Tower C

1. Pursuant to the Transaction, all Tower C Pre-Construction Unit APSs were assumed by the Purchaser. Accordingly, the Deposit Return Protocol did not include Tower C Condo Purchasers.

## 4.0 Litigation, Case Management, and Enrolment Fee Motion

### 4.1 Transfer and Case Management of Project Proceedings

1. At the Receiver’s request, a case conference took place before Justice Kimmel on April 14, 2026 (the “**April 2026 Case Conference**”), to address the prosecution and procedural management of four outstanding proceedings related to the Project (the “**Four Project Proceedings**”), with two issued before the Receivership Order was made, and two issued afterwards in April 2025 and November 2025.

2. In Her Honour's Endorsement dated April 14, 2026 (the "**April 2026 Endorsement**"), Justice Kimmel directed that three of the Four Project Proceedings be transferred and be informally managed by a Judge sitting on the Commercial List in Toronto (the "**Case Management Direction**"). The April 2026 Endorsement is attached as **Appendix "K"**.
3. Subsequent to the April 2026 Case Conference and the release of Justice Kimmel's April 2026 Endorsement, a fifth proceeding related to the Project was issued on May 8, 2026, being a Third Party Claim by the defendants in one of the Four Project Proceedings, who are also the guarantors of the Partnership's indebtedness to the First Mortgagees (the "**Guarantors**"), and who are now also claiming over against the First Mortgagees in respect of an action against these Guarantors by the deposit sureties issued on November 25, 2025. The pleadings in the deposit sureties' proceeding are attached as **Appendix "L"**.
4. Counsel for these Guarantors attended the April 2026 Case Conference and did not raise the possibility of their Third Party Claim at that time, even though the Guarantors had also previously issued on April 28, 2025, a similar proceeding against the First Mortgagees that was one of the Four Project Proceedings, and which is attached as **Appendix "M"**.

#### 4.2 Enrolment Fee Motion

1. Justice Kimmel's April 2026 Endorsement also scheduled for June 2, 2026, a motion (the "**Enrolment Fee Motion**") brought by GFD LP seeking a refund of the fees paid by the Partnership to Tarion in respect of the enrolment of Tower B (the "**Tower B Enrolment Fees**") in the *Ontario New Home Warranties Plan Act* ("**ONHWPA**").
2. The Receiver understands that the Tower B Enrolment Fees total approximately \$168,000, and that motion is being opposed by the Guarantors.
3. Among other things, GFD LP's position on the Enrolment Fee Motion is that the Tower B Enrolment Fees constitute "Levies" that had been paid pre-Receivership to Tarion as a "Governmental Authority", as those terms are defined in the Project APS. GFD LP's position further appears to be that Tarion is a regulatory authority, and the Tower B Enrolment Fees constitute Levies because they had to be paid to Tarion before Tarion would enroll Tower B in ONHWPA (with enrolment in ONHWPA being a precondition to any building permits being issued for that tower). Levies are included in the definition of Purchased Assets, and GFD LP's position is that it is entitled to any refund of the Levies, as the Levies are its property.
4. The Receiver understands that Tarion's position is that it will issue a refund of the Tower B Enrolment Fees pursuant to a Court Order that it do so.
5. The Receiver supports GFD LP's position on the Enrolment Fee Motion and its interpretation.

## 5.0 Proposed Bankruptcy

1. Pursuant to subsection 4.5(4) of the Project APS, there is no security against which the Lien Claimants' secured claims can attach, and following the proposed distributions sought by the Receiver, the Lien Claimants will have unsecured claims against the Partnership in the amount exceeding \$14.8 million.
2. The sureties' claim in respect of the Project deposits is for \$12,561,718, and while it is only against the Guarantors, it is an indemnity claim in respect of obligations of the Partnership and is secured by the Westmount Second Mortgage. There were insufficient proceeds of sale from the Transaction to make a payment under the Westmount Second Mortgage, and accordingly, Aviva has an unsecured claim against the Partnership in the amount of \$12,561,718.
3. Following its appointment, the Receiver prepared a preliminary list of creditors as of October 12, 2023, a copy of which is attached at **Appendix "N"**. The creditors highlighted in the list of creditors are the Lien Claimants whose revised and updated claims are set out in the chart at paragraph 2.24, above. While the list of creditors sets out amounts owing to the First Mortgagees, and an unknown amount owing to Westmount/Aviva, the indebtedness to the First Mortgagees on closing was paid out (as set out in paragraph 2.2.2, above), and Westmount/Aviva's claim is \$12,561,718 (Appendix "L"). In addition, the Partnership owes approximately \$5.266 million to its remaining unsecured creditors (over and above the indebtedness to Westmount/Aviva and the Lien Claimants).
4. In the April 2026 Endorsement, Justice Kimmel also included a timetable as per below for the Senior Secured Lenders to advise counsel for the guarantors of their positions on: (i) a bankruptcy of the Partnership; and (ii) the guarantees in respect of the Partnership's indebtedness to the Senior Secured Lenders:
  - a. The secured lenders agreed to confirm within 30 days whether they intend to bring a bankruptcy application in respect of any of the respondents or to seek a bankruptcy order in connection with the discharge of the Receiver.
  - b. The secured lenders also agreed to provide their respective positions within 30 days regarding whether they have any claims that remain subject to the guarantees.
5. The Senior Secured Lenders complied with the timetable by way of emails dated April 14, 2026, setting out their position on the guarantees, and advising that while they would not be bringing a bankruptcy application, they supported the Receiver seeking authorization to assign the Partnership into bankruptcy. The emails from counsel for the Senior Secured Lenders to the Guarantors' counsel are attached as **Appendix "O"**.
6. In emails between the Receiver's counsel and the Guarantors' counsel between April 15, 2026, and May 26, 2026, the Receiver advised the Guarantors' counsel of the basis for Receiver's motion for the bankruptcy relief. The emails between the Receiver's counsel and the Guarantors' counsel are attached as **Appendix "P"**.

7. For the reasons set out in the Blaney email dated May 26, 2026 (Appendix “P”), the Receiver recommends that the Court authorize it to assign 1333 Weber LP and 177 Ontario into bankruptcy.

## 6.0 Receiver’s Activities

1. In addition to the activities described above, the Receiver’s activities since the date of its Second Report have included, among other things, the following:
  - a) corresponding with CBRE Limited, the listing brokerage for the Project, regarding the closing of the Transaction;
  - b) corresponding with the Partnership’s insurance agents to cancel coverage;
  - c) corresponding with Borden Ladner Gervais LLP, counsel to Westmount, and Torys LLP, counsel to Tarion, regarding the Deposit Return Protocol;
  - d) corresponding with MNP regarding the administration of the Deposit Return Protocol;
  - e) responding to inquiries from Condo Purchasers regarding their deposits and the Transaction;
  - f) filing the Partnership’s HST returns with Canada Revenue Agency;
  - g) responding to inquiries from the Partnership’s creditors;
  - h) dealing with counsel to the Senior Secured Lenders regarding the Enrollment Fee Motion;

## 7.0 Fee Approval

1. The fees of the Receiver from September 1, 2024 to April 30, 2026 total \$204,417.25 and the fees of Blaney from September 1, 2024 to March 31, 2026 total \$335,890.50, excluding disbursements and HST. Fee affidavits and accompanying invoices for the Receiver and Blaney are provided as **Appendices “Q”** and **“R”**, respectively.
2. The activities of the Receiver are detailed in the Receiver’s invoices, the Supplementary Second Report, and this Third Report.
3. The average hourly rate for the Receiver and Blaney for the referenced billing period was \$609.12 and \$670.57, respectively.
4. The Receiver is of the view that the hourly rates charged by Blaney are consistent with rates charged by law firms practising in restructuring and insolvency in the downtown Toronto market, and that the fees charged are reasonable and appropriate in the circumstances.

5. The Receiver also believes that the Fee Accrual is reasonable in the circumstances and will allow the Receiver and Blaney to conduct the incidental duties required (as discussed below) prior to the termination of these receivership proceedings.

## 8.0 Receiver's Discharge

1. The Receiver believes it is appropriate for it to be discharged, as there are no known outstanding matters that would require the receivership proceedings to continue.
2. In addition to making the Surplus Distribution, the Receiver intends to:
  - a) pay any outstanding professional fees in these proceedings;
  - b) prepare and file the Receiver's final report pursuant to Section 246 of the *Bankruptcy and Insolvency Act*; and
  - c) deal with any sundry issues not specified above (collectively, the "**Remaining Duties**").
3. Once the Receiver has completed its Remaining Duties, and subject to Court approval, the Receiver intends to file the Discharge Certificate.

## 9.0 Conclusion

1. Based on the foregoing, the Receiver respectfully recommends that this Honourable Court make an order granting the relief detailed in Section 1.1(1)(f) and (g) of this Third Report.

### **ENDORSEMENT OF JUSTICE:**

Genesis Mortgage Investment Corporation (“GMIC”) seeks an order pursuant to subsection 243 (1) of the bankruptcy and insolvency Act and section 101 of the Courts of Justice Act appointing KSV Restructuring Inc. as receiver and manager (the “Receiver”) of certain real and personal property of the Respondents. The application is not opposed.

1776411 Ontario Ltd. (“177”) is the general partner of 1333 Weber Street Kitchener LP (together, the “Debtor”). The Debtor is the developer of a phased four-tower residential condominium development known as “Elevated Condominiums” (the “Project”), which is under construction on the real property legally described in Schedule “A” to the proposed receivership order (the “Real Property”). The real property is owned by 177 and consists of the lands located at 1333 Weber Street East, Kitchener, Ontario. The first phase of the four-phase Project is a 15-story, 177-unit residential development condominium tower (“Phase I”), which is approximately 80% complete.

GMIC is the junior secured lender in a syndicate of secured lenders consisting of itself and two senior secured lenders. As of September 13, 2023, there was approximately \$42,055,404.91 outstanding in respect of the Senior Secured Loan Facility (as defined in the materials), and approximately \$19,598,404.91 outstanding in respect of the Junior Secure Loan Facility (as defined in the materials). In addition, \$2,698,140.29 is outstanding in respect of a letter of credit facility provided by the Senior lenders.

GMIC has the contractual right to appoint a receiver pursuant to the security documents. The senior lenders do not oppose the relief sought.

I have reviewed the application materials and I am satisfied that the requested receivership order should be made. The evidence shows that, at present, the Project is stalled. Trade contractors have left the site. It is unclear if the site is secured. While Phase I of the project is approximately 80% complete, the roof is not watertight, which could lead to significant damage to the Project with winter fast approaching. Insurance for the Project continues to be in place but has not been paid since February 2023. In the circumstances, I am satisfied that is just and convenient to appoint the Receiver.

The evidence shows that an action was commenced by Corfinancial Corp. as plaintiff against CMLS Financial Ltd., Computershare Trust Company of Canada, and GMIC by statement of claim issued on September 28, 2023.

GMIC contends that the action would be stayed under the language in the Model Order given that it is in respect of the Debtor and/or the Property. Counsel for Corfinancial does not agree. Corfinancial does not consent to the addition of language to clarify that the action is stayed.

Counsel will confer about how the action should be treated during the receivership. If necessary, a motion will be brought to determine this issue. Counsel will arrange for a scheduling appointment, if necessary, for approval of a timetable for this motion and to obtain a hearing date.

Order to issue in form of Order signed by me.

- (1) The Purchaser shall pay to the Receiver a deposit of Five Million Dollars (\$5,000,000) (the “**Deposit**”) immediately upon execution of this Agreement, by wire transfer, which Deposit shall be held in accordance with the provisions of this Agreement pending completion of the Transaction or other termination of this Agreement.
- (2) Upon the Waiver Notice being delivered by the Purchaser, the Deposit shall become non-refundable, subject to Section 13.2 and provided that the Deposit shall be refundable if this Agreement is terminated prior to the Approval and Vesting Order being obtained in accordance with Sections 7.2, 7.4, 7.6, 11.3 or 13.1.
- (3) The Parties agree that the Receiver shall cause the Deposit to be placed in an interest bearing account agreeable to the Purchaser, acting reasonably, and shall be, subject to the provisions of this Agreement, applied against and towards the Purchase Price due on completion of the Transaction on the Closing Date.

##### **4.3 Satisfaction of Purchase Price.**

The Purchaser shall indefeasibly pay and satisfy the Purchase Price as follows:

- (a) the Deposit shall be applied against the Purchase Price; and
- (b) the remainder of the Purchase Price, being the net amount owing after deducting the Deposit and after any adjustments provided for herein, shall be paid by the Purchaser to the Receiver on Closing by wire transfer.

#### **4.4 Allocation of Purchase Price.**

The Parties, acting reasonably and in good faith, covenant to use best efforts to agree to allocate the Purchase Price amongst the Purchased Assets in a mutually agreeable manner on or prior to the Closing Time, provided that failure of the Parties to agree upon an allocation shall not result in the termination of this Agreement but rather shall result in the nullity of the application of this Section 4.4, such that each Party shall be free to make its own reasonable allocation.

#### **4.5 Adjustment of Purchase Price.**

- (1) The Purchase Price shall be adjusted as of 11:59 p.m. on the day prior to the Closing Date, in a manner and amount to be agreed upon by the Parties, acting reasonably, for any property Taxes (including interest thereon), utilities and any other items which are usually adjusted in purchase transactions involving assets similar to the Purchased Assets in the context of a receivership sale, including, without limitation, (i) all receivership costs and (ii) all construction liens and all other amounts that have priority to the First Mortgage Charge. For greater certainty, and notwithstanding any provision to the contrary in this Agreement, the Purchaser shall be solely responsible for (a) all receivership costs and all construction liens and all other amounts that have priority to the First Mortgage Charge notwithstanding that such amounts arose prior to 11:59 p.m. on the day prior to the Closing Date, and (b) any and all property Taxes that are added to the tax roll on or after the Closing Date, regardless of the period to which such property Taxes apply. The Receiver shall prepare a statement of adjustments and deliver same with all supporting documentation to the Purchaser for its approval by no later than three Business Days prior to the Closing Date. If any item that is subject to adjustment cannot be determined, or agreed upon between the Purchaser and the Receiver, on Closing, an estimate shall be made by the Receiver for the purposes of Closing and a final adjustment shall be made when the particular item can be determined. All claims for readjustments must be made on or before that date which is six (6) months after Closing. After the expiry of such period, the adjustments made by the parties shall be final and binding.
- (2) Notwithstanding anything else contained in this Agreement, there shall be no adjustment in either Party's favour in respect of any Levies unless the Parties agree otherwise in writing.
- (3) Other than as provided for in this Section 4.5, there shall be no adjustments to the Purchase Price.

#### **4.6 Property Tax Refunds and Rebates**

Any refund or rebate of realty tax relating to the Property in respect of the period before the Closing Date (each, a “**Property Tax Refund**”) will remain the property of the Receiver. To the extent the Purchaser receives payment or credit on account of any Property Tax Refund, the Purchaser shall hold such amount in trust for the Receiver, endorse such amount (without recourse) in favour of the Receiver and immediately deliver such amounts to the Receiver. Any refund or rebate of realty tax relating to the Property in respect of the period after the Closing Date will be the property of the Purchaser. To the extent the Receiver receives payment of any such amount, the Receiver shall hold such amount in trust for the Purchaser, endorse such payment (without recourse) in favour of the Purchaser and immediately deliver such payments to the Purchaser.

## 6.5 Replacement Security

- (1) On Closing, the Purchaser shall, subject to Section 6.5(2), deliver to the beneficiaries thereof replacement performance bonds, letters of credit and/or security deposits on the terms and conditions required by the agreements pursuant to which the Existing Security was issued (collectively, "**Replacement Security**") for all Existing Security such that the Existing Security may be returned, undrawn, for cancellation, provided that if any of the Existing Security may be returned undrawn for cancellation without replacement thereof by the Purchaser then the Purchaser shall not be obligated to deliver the Replacement Security.
- (2) Notwithstanding the foregoing, if the obligations that the Existing Security secures have been fully or partially performed such that the quantum of any Existing Security may, pursuant to the applicable agreements, be reduced or eliminated, then the obligation of the Purchaser shall be to provide replacement letters of credit or other security acceptable to the beneficiary thereof in such lesser amount as is required and confirmed by the beneficiaries thereof in order to secure the release and return of the Existing Security. If the beneficiary of any such Existing Security has not acknowledged and agreed to a reduction in the amount of the Replacement Security in exchange for the Existing Security, the Purchaser shall provide Replacement Security in the same amount as the Existing Security.
- (3) The Receiver will use commercially reasonable efforts to arrange to have the Existing Security delivered in escrow prior to Closing. The Receiver and Purchaser shall act in good faith to coordinate the exchange, in escrow (with the Receiver's Solicitors as escrow agent), of the Existing Security for the Replacement Security with the beneficiaries thereof and the Purchaser shall continue to cooperate with

the Receiver and the Existing Security Creditors in connection with the Existing Security until such time as the Existing Security has been returned, undrawn, in accordance with this Section 6.5. The Purchaser shall use commercially reasonable efforts to deliver to the Receiver (or the prospective beneficiaries thereof) drafts of the Replacement Security at least fourteen (14) days prior to Closing. For greater certainty, the return of the Existing Security is not a condition of Closing; furthermore, the failure for such return to be completed at Closing shall not constitute a default on the part of the Purchaser, nor shall it entitle the Purchaser or Receiver to terminate this Agreement. This provision shall survive Closing.

- (4) Where the beneficiaries thereof have not returned the Existing Security in escrow on Closing, the Purchaser (or if the Purchaser at Closing is a nominee for a beneficial owner, such beneficial owner) shall, on Closing, indemnify the Receiver and the Existing Security Creditors (as applicable) in respect of all costs, damages, losses or expenses incurred by such indemnified parties solely in connection with any draw on funds under the Existing Security made by the beneficiary to whom the Existing Security was issued. The Receiver shall continue to use commercially reasonable efforts, and shall use commercially reasonable efforts to cause the Existing Security Creditors (as applicable), to have the Existing Security returned for cancellation and shall provide monthly updates to the Purchaser with evidence of same. This indemnity shall terminate automatically in respect of any Existing Security which is returned to the applicable indemnified party undrawn. This indemnity shall be limited in respect of each item of Existing Security to the respective amounts thereof outstanding on the date hereof. In no event shall this indemnity constitute indemnification for any of the costs, damages, losses or expenses incurred by such indemnified parties in their attempts to have the Existing Security returned for cancellation, all of which shall be for the sole account of such indemnified parties.
- (5) For greater certainty, nothing in this Agreement requires the Purchaser to issue Replacement Security for anything other than the Existing Security, and nothing in this Agreement requires that the Purchaser use Westmount to supply the Replacement Security for the performance bond or letter of credit referred to in the definition of Existing Security.

## **6.6 Receiver's Certificate.**

Upon receipt of written confirmation from the Purchaser that all of the conditions contained in Section 7.3 have been satisfied or waived by the Purchaser, and upon satisfaction or waiver by the Receiver of all of the conditions contained in Section 7.1, the Receiver shall forthwith deliver to the Purchaser the Receiver's Certificate comprising Schedule "A" of the Approval and Vesting Order, and shall file same with the Court.

- (2) the delivery and exchange of documents and funds and the release thereof to the Receiver and the Purchaser, as the case may be:
  - (i) shall not occur contemporaneously with the registration of the transfer; and

The Purchaser shall assume, fulfill, perform and be responsible for all liabilities and obligations of any kind relating to the Purchased Assets in respect of the period from and after the Time of Closing, including without limitation, all liabilities and obligations under the Contracts

(save and except those which are Excluded Assets in accordance with clause (e) of the definition of Excluded Assets) that are assumed by the Purchaser under this Agreement, and the Purchaser shall indemnify and save harmless the Receiver and its directors, officers, servants, agents and employees in respect of all Claims which may be brought against or suffered by the Receiver, its directors, officers, servants, agents or employees or which any of them may suffer, sustain, pay or incur as a result of any matter or thing arising out of, or resulting from, attributable to or connected with or relating to the Purchased Assets, including without limitation all liabilities and obligations under the Leases and Contracts (save and except those which are Excluded Assets in accordance with clause (e) of the definition of Excluded Assets), in respect of the period from and after the Time of Closing. The covenants and agreements to indemnify made by the Purchaser in this Section 12.2 shall survive Closing and not be subject to any limitation periods.

### **ARTICLE 13 TERMINATION**

#### **13.1 Termination of this Agreement.**

This Agreement may be validly terminated:

- (1) upon the mutual written agreement of the Parties;
- (2) pursuant to Section 7.2 or Section 13.1 by the Receiver;
- (3) pursuant to Section 7.4 by the Purchaser;
- (4) pursuant to Section 7.6 or Section 11.3;
- (5) by either of the Parties, in writing to the other, if the Approval and Vesting Order is not issued by the Court on or before May 15, 2024; or
- (6) automatically, should Closing have not occurred prior to the discharge of the Receiver as the receiver of the Purchased Assets, unless the Receiver's interest in this Agreement has been assigned prior to (or as part of) the Receiver's discharge.

#### **13.2 Remedies for Breach of Agreement.**

If this Agreement is terminated as a result of any breach of a representation, warranty, covenant or obligation of the Receiver under this Agreement, then the Deposit with any and all accrued interest, without deduction, shall be returned to the Purchaser forthwith and in any event within 2 Business Days after such termination (and, for greater certainty, and notwithstanding any other provision in this Agreement, this shall be the Purchaser's sole right and remedy as a result of the Receiver's breach). If this Agreement is terminated as a result of any breach of a representation, warranty, covenant or obligation of the Purchaser under this Agreement, then the Deposit shall be forfeited to the Receiver as liquidated damages and not as a penalty, which Deposit the Parties agree is a genuine estimate of the liquidated damages that the Receiver would suffer in such circumstances (and, for greater certainty, and notwithstanding any other provision in this Agreement, this shall be the Receiver's sole right and remedy as a result of the Purchaser's breach).

### **13.3 Termination If No Breach of Agreement.**

If this Agreement is terminated other than as a result of a breach of a representation, warranty, covenant or obligation of a Party, including, without limitation, as a result of Section 7.6, then:

- (1) the Purchaser shall return to the Receiver all documents, work papers and other material of the Receiver relating to the Transaction, whether obtained before or after the execution hereof;
- (2) all obligations of each of the Receiver and the Purchaser hereunder shall end completely, except those that survive the termination of this Agreement;
- (3) subject to Section 4.2(2), the Deposit with any and all accrued interest, without deduction, shall be returned to the Purchaser forthwith and in any event within 2 Business Days after such termination; and
- (4) neither Party shall have any right to specific performance, to recover damages or expenses or to any other remedy (legal or equitable) or relief.

## **ARTICLE 14 GENERAL CONTRACT PROVISIONS**

### **14.1 Further Assurances.**

From time to time after Closing, each of the Parties shall execute and deliver such further documents and instruments and do such further acts and things as may be required to carry out the intent and purpose of this Agreement and which are not inconsistent with the terms hereof.

### **14.2 Survival Following Completion.**

Notwithstanding any other provision of this Agreement, Section 4.5, Section 13.2 and Section 13.3 shall survive the termination of this Agreement and the completion of the Transaction, provided, however, that upon the discharge of KSV as the Receiver, the Parties' respective obligations by reason of this Agreement shall end completely and they shall have no further or continuing obligations by reason thereof.

- a. approved the transaction contemplated by the Sale Agreement (the "Transaction");
  - b. upon closing of the Transaction, vested in 1333W Lands Ltd. (the "Assignee"), the nominee of GFD LP's general partner, the Respondents' right, title and interest in and to the Purchased Assets (as defined in the Sale Agreement);
  - c. authorized the Receiver to terminate and disclaim the APSs within Tower B in the Project on or following closing of the Transaction, and within Tower A in the Project following closing of the Transaction, with notice to be provided by the Assignee to the Receiver within 120 days of the closing of the Transaction as to which APSs are not being assumed by the Assignee; and
  - d. approved a deposit return protocol (the "Deposit Return Protocol") pursuant to which deposits would be returned to the purchasers of units that were disclaimed by the Receiver in accordance with the AVO.
- [3] GFD LP subsequently brought a motion for an Order, among other things, amending the AVO (the "AVO Amendment Order") to extend the period for the Assignee to provide notice to the Receiver of the APSs to be disclaimed such that notice must be provided by no later than August 31, 2025. That motion was adjourned - GFD LP ultimately returned to Court on February 20, 2025 and obtained a revised form of AVO Amendment Order, among other things, extending the deadline to provide notice to the Receiver of the APSs to be disclaimed to June 30, 2025. GFD LP advised the court at today's hearing that it

anticipates bringing a motion to further extend the disclaimer deadline beyond June 30, 2025, on a date that it is in the process of scheduling through the Commercial List Scheduling Office.

- [4] The order sought by the motion before the court today seeks certain authorizations and directions regarding the Schedule Y Directions to be provided to Aviva Insurance Company of Canada (“Aviva”) and MNP Ltd. that are expected to be appended to new agreements of purchase and sale that may be entered into by unit purchasers whose original Tower A condominium APSs are disclaimed.
- [5] After hearing the submissions of counsel for GFD LP, Aviva and the Receiver, and from Tower A unit purchasers who appeared in court and asked to speak, the court determined that this motion is premature. Since the disclaimer deadline has not passed, and may now be extended if the court grants the anticipated request for such, Tower A unit purchasers do not all yet know whether their APSs will be disclaimed or not. Other concerns were raised today as well, although those may not directly relate to this motion. That said, there is no urgency to this motion as the relief contemplated can be sought after the disclaimers have been made and the Tower A unit purchasers whose APSs are disclaimed have decided whether they want to sign new purchase agreements (which will include the Schedule Y Directions).
- [6] The stated purpose of this motion is to streamline matters and knowing precisely which unit purchasers are affected by that will serve that objective.
- [7] Accordingly, this motion is adjourned to a date to be scheduled by GFD LP through the Commercial List Office after the disclaimer deadline has passed and the contemplated report to unit purchasers regarding disclaimers has been delivered, so that the affected unit purchasers know who they are.

**SECOND REPORT OF  
KSV RESTRUCTURING INC.  
AS RECEIVER AND MANAGER**

**SEPTEMBER 27, 2024**

## **1.0 Introduction**

1. On October 12, 2023, the Ontario Superior Court of Justice (Commercial List) (the “Court”) issued an order (the “Receivership Order”) appointing KSV Restructuring Inc. (“KSV”) as the receiver and manager (the “Receiver”), without security, of all of the property, assets and undertaking (the “Property”) of 1333 Weber Street Kitchener LP (“1333 Weber LP”) and its general partner, 1776411 Ontario Limited (“177 Ontario”, and with 1333 Weber LP, the “Partnership”). The principal asset of the Partnership is the real property located at 1333 Weber Street East, City of Kitchener (the “Real Property”) and the phased four-tower residential condominium project on the Real Property (the “Project”).
2. A copy of the Receivership Order and the related Endorsement of Justice Cavanagh is provided in Appendix “A”.
3. The application to appoint KSV as Receiver was made by Genesis Mortgage Investment Corp. (“GMIC”), a secured creditor of the Partnership. GMIC is the second largest secured creditor of the Partnership, as more fully described below.
4. A principal purpose of this receivership proceeding was to provide the stability and supervision required to preserve the value of the Project, with a view to effect the sale of the Project either on a completed or an “as is” basis.
5. This second report (the “Second Report”) is filed by KSV in its capacity as Receiver.

## 1.1 Purposes of this Second Report

1. The purposes of this Second Report are to:
  - a) provide background information about this proceeding;
  - b) summarize the results of the sale process for the Project (the “Sale Process”);
  - c) summarize a recommended sale (the “Transaction”) by the Receiver to GMIC, Elm Acquisitions Corp. (“Elm Acquisitions”) and Dorr Capital Corporation (“Dorr”), or one or more of their designees or nominees as purchasers (collectively, the “Purchasers”) for the Project pursuant to an agreement of purchase and sale dated March 4, 2024, as amended (the “Elevate APS”);
  - d) provide the rationale for sealing the Offer Summary, as defined in Section 3 below;
  - e) provide an opinion on the security granted by the Partnership in favour of GMIC, CMLS Financial Ltd. (“CMLS”) and Computershare Trust Company of Canada (“Computershare”, and together with GMIC and CMLS, the “First Mortgagees”);
  - f) summarize: i) the Receiver’s views regarding various lien claims registered on title to the Real Property; and ii) a Statement of Claim issued against the First Mortgagees by a corporation that has registered a third mortgage over the Real Property, and a Statement of Claim issued against the Partnership and its registered mortgagees by a construction lien claimant;
  - g) set out the basis for an increase in the Receiver’s borrowing limit from \$2 million to \$2.5 million;
  - h) summarize the Receiver’s activities since the date of its First Report to Court dated December 4, 2023 (the “First Report”);
  - i) summarize the fees of the Receiver and Blaney McMurtry LLP (“Blaney”), the Receiver’s counsel, from the commencement of this mandate to August 31, 2024;
  - j) recommend that this Court issue the following Orders:
    - i. an Approval and Vesting Order (the “AVO”):
      - approving the Elevate APS and authorizing the Receiver to complete the Transaction;
      - vesting the Property (as defined in the AVO) in the Purchasers or their nominee, free and clear of encumbrances other than the Permitted Encumbrances (as defined in the AVO), upon execution and delivery of a certificate by the Receiver confirming completion of the Transaction;
      - declaring that the existing pre-construction agreements of purchase and sale related to the Project (the “Pre-construction Unit APSs”) not being assumed by the Purchasers are terminated or directing the Receiver to repudiate such agreements, forthwith following closing of the Transaction;

- ii. an Ancillary Order (the “Ancillary Order”):
  - sealing the confidential appendix to this Second Report;
  - authorizing the Receiver to repudiate the Rego Brokerage Agreement (as defined below);
  - approving a Deposit Return Protocol (as defined below) for the pre-construction deposits paid by the purchasers of the Project’s condominium units (the “Condo Purchaser Deposits”);
  - declaring the liens of Classic Tile and of HGL Electric to be invalid, and declaring the lien of Pearson Metal to be reduced by \$486,382.16 (all as defined below);
  - approving distributions totalling \$2,835,721.83 to or on behalf of 13 lien claimants on the basis set out in Section 3.5 of this Second Report, in full and final satisfaction of their priority claims that rank in priority to the First Mortgagees;
  - approving a distribution to the First Mortgagees up to the balance owing to them by the Partnership;
  - increasing the Receiver’s borrowing limit to \$2.5 million;
  - approving this Second Report and the Receiver’s activities, as set out in this Second Report; and
  - approving the fees of the Receiver and Blaney as set out in Section 8 of this Second Report.
  
2. On September 25, 2024, Justice Osborne issued an Endorsement scheduling a virtual hearing for October 8, 2024 at 11:00 am of the AVO motion and the remainder of the relief set out above. The Endorsement of Justice Osborne made September 25, 2024 is provided as Appendix “B”.

## 1.2 Restrictions

1. In preparing this Second Report, the Receiver has relied upon: (i) discussions with the Partnership’s legal counsel; (ii) discussions with various stakeholders in these proceedings, including the First Mortgagees and certain parties involved in construction activities at the Real Property (as well as their legal representatives); and (iii) the Receivership Application materials and other documentation provided by the First Mortgagees, (collectively, the “Information”).
  
2. The Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that complies with Canadian Auditing Standards (“CAS”) pursuant to the Chartered Professional Accountants of Canada Handbook. Accordingly, the Receiver expresses no opinion or other form of assurance as contemplated under the CAS in respect of the Information. Any party wishing to place reliance on the Information is required to perform its own diligence.

## 2.0 Background

1. The Partnership intended to develop the Project, which was marketed as “Elevate”. The first phase of the four-phase project is a 177-unit residential building (“Tower A”) that had been estimated to be 80% complete at the time the Receivership Order was granted; however, that estimate appears to have been optimistic based on reviews completed by a cost consultant engaged by the Receiver and parties who participated in the Sale Process. The second and third phases of the site consist of a large open pit with a partially completed foundation and underground parking area (“Tower B” and “Tower C”, respectively, and collectively “Towers B and C”). The fourth phase is currently raw land (“Tower D”).
2. The Receiver understands that all 177 units of Tower A and 325 units of Towers B and C have been sold pursuant to Pre-construction APSs. Pursuant to a letter dated October 25, 2023 (the “Condo Purchaser Letter”), the Receiver advised the condominium unit purchasers (the “Condo Purchasers”) of the receivership proceeding and the status of their condominium transactions. The Condo Purchasers have followed up regularly with the Receiver regarding, among other things, the status of their Pre-construction Unit APSs, their deposits and the continued development of the Project. A copy of the Condo Purchaser Letter is provided as Appendix “C”.
3. The Receiver understands that as of the date of the Receivership Order, the Partnership had no employees.
4. As of the date of the Receivership Order, the Partnership had under \$300 in its bank accounts. Accordingly, all funding in respect of this mandate has been by one of the First Mortgagees pursuant to Receiver Certificates.
5. Background information regarding the Partnership, and the reasons for which GMIC sought the appointment of the Receiver, is set out in the affidavit of Michael Yeung, an officer of GMIC, sworn on October 2, 2023 (the “Yeung Affidavit”), in support of GMIC’s Notice of Application herein issued September 26, 2023. A copy of the Yeung Affidavit and other Court materials filed to-date in these proceedings are available on the Receiver’s website at: <https://www.ksvadvisory.com/experience/case/Elev8>.

## 2.1 Secured Creditors

1. The following summarizes the creditors with registrations against the Real Property and their outstanding balances (if known) as of the date of the Receivership Order:
  - a) GMIC is a junior secured lender in a syndicate of lenders consisting of itself and two senior secured lenders (the “Senior Secured Lenders”). The loan facilities are secured by a first mortgage in the principal amount of \$82 million granted by 177 Ontario and registered against title to the Real Property on August 17, 2021, as Instrument No. WR1367209, in favour of GMIC, and in favour of CMLS and Computershare which hold title to the mortgage for the two senior secured lenders (the “First Mortgage”).
  - b) The Partnership also granted the First Mortgagees additional security in the form of a general assignment of rents and leases and a general security agreement dated August 17, 2021, and August 13, 2021, respectively.

As discussed further below, the Partnership is projected to owe CMLS/Computershare approximately \$43.6 million as of October 1, 2024, with interest and costs continuing to accrue, and approximately \$23.6 million as of October 1, 2024 to GMIC (exclusive of costs and with interest continuing to accrue).

- c) Westmount Guarantee Services Inc. (“Westmount”), which provides condominium purchaser deposit insurance, registered a charge against the Real Property securing \$50 million in connection with deposits paid by the Condo Purchasers (the “Westmount Mortgage”). The Receiver understands that approximately \$17 million is presently owing to Westmount, representing the deposits released from escrow regarding phases one and two of the Project (Towers A and B). The Westmount Mortgage is the second ranking mortgage over the Real Property;
  - d) CORFinancial Corp. (“COR”), a financial advisor that had been engaged by the Partnership in or about December, 2022, registered a charge against the Real Property on May 8, 2023 in the principal amount of \$3.5 million in connection with a transaction whereby: (i) the Partnership and COR entered into a Commitment Letter wherein COR agreed to pay certain outstanding construction costs owing by the Partnership to the Partnership’s construction manager on the Project, Gillam Urban Contractor Inc. (“Gillam”), and (ii) COR provided Gillam with a promissory note for approximately \$2.9 million regarding certain of Gillam’s outstanding construction costs (the “COR Mortgage”). While COR received a fee of \$300,000 in respect of the Commitment Letter (paid by CMLS), the Receiver understands that COR did not advance any funds to Gillam related to this transaction; and
  - e) In addition to the three mortgages over the Real Property, 15 suppliers and trade contractors have registered 22 separate construction liens against the Real Property totalling approximately \$17.7 million.
2. The Receiver’s views on the priority of these charges are summarized below in Section 3.4.

## 2.2 Status of the Project

1. As mentioned above, the Elevate development is partially complete. Construction activity at the Project stalled in early August, 2023, when the Receiver understands that the trade contractors abandoned the site due to liquidity challenges experienced by the Partnership. Work stopped without, among other things: installing a roof on top of Tower A or on the fifth-floor podium of Tower A; completing the installation of windows in certain of the upper floors of Tower A; sealing the building envelope of Tower A for winterization purposes; grading the site to limit erosion; and securing the site to prevent vandalism and theft.
2. As discussed in the First Report, a copy of which is provided, without appendices, as Appendix “D”, upon its appointment, the Receiver and Blaney corresponded with representatives of the Partnership and the First Mortgagees to obtain architectural drawings, engineering reports, cost consultant progress reports and other available documentation to identify potential steps to secure the Project, stabilize it and implement protective measures to winterize the site.

3. Following the Receiver's receipt and review of this information and documentation, the Receiver retained Elm Developments Corp. ("Elm"), a construction manager and an affiliate of Elm Acquisitions (one of the Purchasers), to implement and oversee a winterization and stabilization plan to, among things:
  - I. close in the existing Tower A structure to protect it from the elements using plywood, tarps, Blueskin, foam and other materials;
  - II. install safety railings, where required, to secure the balcony doors and review other safety hazards;
  - III. install temporary roofing on the high-rise section and at the fifth-floor podium of Tower A;
  - IV. review and repair the existing plumbing, electrical work, drywall and boarding work on the third and fourth floors;
  - V. attend to all aspects of the grading and drainage management of exposed soils, protect and insulate the exposed footing and exposed parking garage, and protect the partially poured raft slab in the exposed excavation pit (a raft slab is a reinforced concrete slab on ground that is strengthened with integral concrete beam in both directions);
  - VI. caulk the windows to limit water infiltration;
  - VII. install weep holes in the existing hollow-core concrete slabs to mitigate damage resulting from water infiltration; and
  - VIII. mitigate erosion of the portion of the excavation pit not protected by shoring.
4. In addition to the above, the Receiver retained Finnegan-Marshall Inc. to: a) oversee the activities performed by Elm and its subtrades; b) review Elm's invoices before the Receiver processed them; and c) estimate the cost to complete Tower A, and retained ABA Architects Inc. (the Project architect) to ensure that the stabilization work performed by Elm and its subtrades was done in accordance with the Project drawings. The Receiver also arranged for on-site nightly security and 24/7 remote video monitoring.

### 3.0 Sale Process

1. Pursuant to an Order dated December 12, 2023 (the "Sale Process Order"), the Court approved a sale process for the Project, including the retention of CBRE Limited ("CBRE") as listing agent. A copy of the Sale Process Order and the related Endorsement is provided as Appendix "E"
2. The Project was marketed for sale by CBRE in accordance with the Sale Process Order. CBRE prepared an offering summary (the "Offering Summary"), a copy of which is provided as Appendix "F". CBRE distributed the Offering Summary on December 14, 2023, to an extensive list of over 3,000 prospective purchasers, including local and national builders, developers and investors.
3. The acquisition opportunity was also listed on the Multiple Listing Service, and CBRE directly contacted parties that it believed would be interested in the opportunity.

4. Attached to the Offering Summary was the form of confidentiality agreement (“CA”) that interested parties were required to sign to access a virtual data room (the “VDR”). The VDR included information provided to the Receiver by a representative of the Partnership, the First Mortgagees and certain parties that had provided construction services to the Partnership. The VDR also included a form of asset purchase agreement (the “Template APS”).
5. The Receiver recommended that prospective purchasers submit offers in the form of the Template APS, together with a blacklined version of their offer. The form of Template APS allowed the prospective purchasers the opportunity to either assume or exclude existing Pre-construction Unit APSs.
6. Based on market feedback, CBRE set January 30, 2024, as the bid deadline (the “Deadline”).
7. As of the Deadline:
  - 37 interested parties signed CAs and were given access to the VDR;
  - 9 interested parties attended site tours; and,
  - 7 interested parties submitted an offer for the Project.
8. CBRE’s marketing report regarding its listing of the Project is provided as Appendix “G” and a summary of the offers (the “Offer Summary”), including those from a second round of bidding, is provided as Confidential Appendix “1”.
9. The Receiver reviewed the offers with CBRE and the First Mortgagees. Following their review of the offers, the First Mortgagees advised the Receiver that they did not support a transaction based on any of the offers as the values were below the amount owing to the First Mortgagees and, in the view of the First Mortgagees, below the value of the Project. Accordingly, GMIC, being one of the First Mortgagees, advised the Receiver that it would be submitting a bid for the Project.
10. GMIC discussed its interest in the Project with builders and developers which ultimately led to the Purchasers submitting an agreement of purchase and sale on or about March 4, 2024, which is described below. The Elevate APS was conditional on diligence. Following several extensions, the condition was waived on September 23, 2024 and certain amendments were made, including as to the treatment of the Pre-construction Unit APSs.
11. Since the Elevate APS was submitted, no other party has submitted an offer for the Project. One party who was purportedly associated with one of the Partnership’s principals, and more recently is purportedly associated with the Partnership’s former construction manager, expressed an intention to submit an offer but has not done so as at the date of this Second Report. This party has also not signed a CA, and as a result not been given access to the VDR, so the extent of its diligence, if any, is unknown.

### 3.1 The Transaction

1. A copy of the Elevate APS, including amendments and extensions, is provided at Appendix “H”. A summary of the Elevate APS is as follows<sup>1</sup>:
  - a) Purchasers: GMIC, Elm Acquisitions and Dorr, each of which is arm’s length to the Partnership.
  - b) Property: All of the Partnership’s right, title and interest in the Project and certain contracts and permits specified in the Elevate APS.
  - c) Purchase price: The full amount owing under the First Mortgage Charge on the closing date of the Transaction (“Closing Date”), including without limitation, principal, interest, protective disbursements, legal expenses, and other costs and expenses. The purchase price is to be adjusted on Closing for adjustments standard for a real estate transaction, including property taxes. The Elevate APS provides that the Purchasers shall be solely responsible for: a) all receivership costs and all construction liens and all other amounts that have priority to the First Mortgage Charge notwithstanding that such amounts arose prior to 11:59 p.m. on the day prior to the Closing Date (plus the Receiver’s costs after that date) and b) any and all property Taxes that are added to the tax roll on or after the Closing Date, regardless of the period to which such property Taxes apply.
  - d) Deposit: \$5 million, which has been paid.
  - e) Pre-construction Unit APSs: The Elevate APS provides for the following to be Excluded Assets:
    - i. Tower A: any Pre-construction Unit APSs specifically identified by the Purchasers and disclosed to the Receiver within the 4-month period following Closing, and any monies paid to the Partnership or on its behalf as a deposit or on account of a purchase of a condominium unit relating to any such Pre-construction APSs;
    - ii. Tower B: the existing Pre-construction APSs, and any monies paid to the Partnership or on its behalf as a deposit or on account of a purchase of a condominium unit to be constructed in Tower B.

When it serves its motion record for the AVO, the Receiver will be including by email the letters, copies of which are provided as Appendix “I”, to each of the Condo Purchasers where the Receiver advises them of, among other things, the Purchasers’ intentions with respect to the Pre-Construction Unit APSs:

- Tower A: the Receiver will be seeking Court approval of the Transaction and, for those Pre-construction APSs that the Purchasers do not wish to assume, either a declaration that their Pre-construction APSs are terminated or a direction to the Receiver that it repudiate such agreements. The basis for the Purchasers’ decision to assume Pre-construction APSs for Tower A is set out in Schedule “B” to the Waiver and Eighth Amendment to the Agreement of Purchase and Sale dated

---

<sup>1</sup> Capitalized terms not otherwise defined are defined in the Elevate APS.

September 23, 2024 which is provided as Appendix “J”. It provides, among other things, that “All existing Tower A purchasers will be offered to keep their units with a 24% purchase price increase” as the market pricing for these units has changed since the Pre-construction APSs were signed;

- Tower B that it would be seeking Court approval of the Transaction and either a declaration that their Pre-construction APSs are terminated following closing of the Transaction or a direction to the Receiver that it repudiate such agreements; and
  - Tower C that their Pre-construction APSs are to be assumed on Closing.
- f) Excluded Assets: Other than the Pre-construction Unit APSs described above, the Excluded Assets include:
- i. cash or cash equivalents;
  - ii. accounts receivable;
  - iii. the benefit of any refundable Taxes payable or paid by any of the two partners in the Partnership or paid by the Receiver in respect of the Purchased Assets and applicable to the period prior to the Closing Date net of any amounts withheld by any taxing authority, and any claim or right of any of the Partnership or the Receiver to any refund, rebate, or credit of Taxes for the period prior to the Closing Date. This does not include input tax credits relating to any component of the Purchase Price paid on Closing, as the Receiver is required to hold any such amount in trust for the Purchaser, endorse such amount (without recourse) in favour of the Purchaser and pay any such amount to the Purchasers’ counsel; and
  - iv. all Contracts identified by the Purchasers and disclosed to the Receiver prior to the Due Diligence Date.
- g) Closing date: On or before October 30, 2024, or such earlier date as the Receiver and the Purchasers agree.
- h) Material condition: the Receiver shall have obtained the AVO and the AVO shall not be stayed.

### 3.2 Recommendation

1. The Receiver recommends that the Court approve the Transaction for the following reasons:
  - a) in the Receiver’s view, the sale process undertaken by the Receiver was commercially reasonable and conducted in accordance with the terms of the Sale Process Order and as set out in the First Report;
  - b) the Receiver and CBRE are of the view the Transaction is the best available in the circumstances;

- c) CBRE has extensive experience selling commercial properties in and around the Kitchener area and widely canvassed the market for prospective purchasers;
- d) the Elevate APS maximizes recoveries for the Project in the circumstances;
- e) the Receiver does not believe that further time spent marketing the Project will result in a superior transaction;
- f) interest and costs continue to accrue on the balance owing to the First Mortgagees, with interest on the first tranche in excess of \$300,000 per month. The First Mortgagees have advised the Receiver that they are not prepared to continue to fund a further sale process or incremental construction costs that would result if the Project is not sold before the winter months;
- g) the Receiver has been advised by Elm Acquisitions (a party related to Elm Acquisitions is intended to be the construction manager following closing of the Transaction) that if the Elevate APS does not close in early October, 2024, the Purchasers' window to complete planned winterization and below-grade work (including obtaining permits and other required authorizations for this work) will have been missed, and the Purchasers may no longer be in a position to proceed with the Elevate APS on its current terms and conditions. Accordingly, there is urgency to complete this Transaction; and
- h) the transaction is unconditional except for Court approval.

### 3.3 Registrations on Title

1. As set out above, the Real Property is subject to the following charges/instruments registered against title (excluding the super-priority Court-ordered charges granted by the Receivership Order):
  - a) the First Mortgage;
  - b) the second ranking Westmount Mortgage;
  - c) the COR Mortgage registered in third place behind the First Mortgage and the Westmount Mortgage; and
  - d) 22 construction liens in favour of 15 parties in the aggregate amount of approximately \$17.78 million.
2. Blaney provided an opinion that, subject to the standard assumptions and qualifications contained therein, the real property and personal property security granted by the Partnership to the First Mortgagees is valid and enforceable<sup>2</sup>.

---

<sup>2</sup> A copy of this opinion can be provided to the Court on request.

### 3.4 Deposit Return Protocol - Condo Purchaser Deposits

1. At the AVO hearing on October 8, 2024, the Receiver will be seeking Court approval of a protocol (the "Deposit Return Protocol") that will allow Condo Purchasers whose Pre-Construction Unit APSs are terminated to make claims for the return of the deposits that they paid pursuant to the Pre-Construction Unit APSs.
2. The Deposit Return Protocol will be filed with the Court prior to the return of the Receiver's motion and be posted on the Receiver's website. The Deposit Return Protocol will set out in detail the steps that Condo Purchasers will have to take in order to claim the return of their deposits if their Pre-Construction Unit APSs are terminated and will be substantially the same as other deposit return protocols used in similar situations.

### 3.5 Lien Analysis

1. As set out in the chart below, there are fifteen lien claimants (the "Lien Claimants").
2. Blaney reviewed the Claims for Lien, Statements of Claim and Certificates of Action filed by certain of the Lien Claimants, and contracts, invoices and other materials provided by the Lien Claimants. Blaney concluded that, pursuant to section 78 of the *Construction Act*, R.S.O. 1990, c. C.30 (the "*Construction Act*"), thirteen of the fifteen Lien Claimants in the chart below have priority over the First Mortgage to the extent of any deficiency in the holdbacks required to be retained by the owner of the Real Property under the *Construction Act*. The Receiver's analysis in respect of each individual valid Lien Claimant's lien(s) is provided at Appendix "K":

No.	Lien Claimant	Registered Lien Amount(s)	Receiver's Analysis: Max Holdback / Priority Claim (inclusive of tax)
1.	Classic Tile	\$591,923	\$0
2.	HGL Electrical	\$3,123,088	\$0
3.	ABA Architects	\$432,315	\$43,231.50
4.	Aluminum Window	\$1,662,600	\$245,111.48
5.	Conestoga Roofing	\$311,562	\$60,787.01
6.	Dean Lane	\$2,157,415	\$549,251.98
7.	Gillam	\$5,089,130	\$508,913.14
8.	Matthews Equipment	\$85,018.08	\$0 (\$26,417.63 paid out of Gillam holdback)
9.	Gold Star Drywall	\$787,259	\$165,642.13
10.	Greentech Sealants	\$220,190	\$48,960.02
11.	O'Connor Electric	\$357,510	\$34,495.53
12.	Oxford	\$755,948	\$75,595.93
13.	Pearson Metals	\$647,217	\$103,811.87
14.	Stubbe's Precast	\$1,374,127	\$936,001.85
15.	Troy Life	\$184,715	\$63,919.39
	<b>TOTAL</b>	<b>\$17,780,017</b>	<b>\$2,835,721.83</b>

3. Based on the material produced to the Receiver to date by the Lien Claimants, the Lien Claimants' priority claims vis-à-vis the First Mortgage is limited to the deficiency in the holdback that was required to be maintained by the Partnership. The Receiver has not been advised as to any other basis for any of the Lien Claimants' priority claims.
4. The Receiver's analysis of the lien claims is based on the information and documentation that has been provided to it. Accordingly, the Receiver's analysis provided at Appendix "K" sets out the maximum holdback that, in the Receiver's opinion, can be claimed by each of the lien claimants
5. Save and except for one Lien Claimant (Matthews Equipment), each one of the Lien Claimants had its own contract(s) with the owner of the Real Property, meaning there is a separate holdback calculation applicable to each of the Lien Claimants' claims. Regarding timing for registration of the liens, with the exception of Matthews Equipment, the Lien Claimants each had (per section 31(2) of the *Construction Act*) 60 days to register (preserve) their respective claims for lien from the earlier of the date on which a copy of the certificate or declaration of the substantial performance of the contract was published (which is not relevant to the liens on this Project, as there have been no certificates published), and the date the contract was completed, abandoned or terminated. There is no evidence of any contract being completed, abandoned or terminated more than 60 days from the date each respective lien was registered.
6. The Lien Claimants each also had a further 90 days from the date they could have preserved their lien in order to perfect pursuant to section 36(2) of the *Construction Act*. However, perfection is not an issue for any of the Lien Claimants, as Stubbe's Precast Inc. ("Stubbe's Precast"), one of the Lien Claimants, perfected its lien on September 7, 2023, and is therefore available to shelter all of the other preserved liens pursuant to section 36(4) of the *Construction Act*.
7. Each individual Lien Claimant's lien (or liens, where a lien claimant has registered more than one) is discussed separately in Appendix "K".

### 3.5.1 Invalid Liens

#### ***Classic Tile Contractors Limited ("Classic Tile")***

1. The Receiver's position is that this lien is invalid.
2. Classic Tile registered its claim for lien in the amount of \$591,923 on July 21, 2023, as instrument no. WR1521825 (the "Classic Tile Claim for Lien"). Classic Tile registered a Certificate of Action on September 29, 2023, as instrument no. WR1536918.
3. The Partnership retained Classic Tile pursuant to a CCDC 17 contract dated April 28, 2021 (the "Classic Tile Contract"). The Classic Tile Contract was to supply flooring at Tower A. The total contract price was \$1,115,310.00, (all amounts inclusive of HST, unless otherwise indicated). By way of change order dated October 6, 2022, the contract price was increased by \$56,712.44.

4. Classic Tile initially produced an invoice dated April 26, 2023, in the amount of \$505,320.11 (exclusive of holdback). In its invoice, Classic Tile indicates it completed 50% of its work, and calculates its holdback as \$49,687.33, exclusive of tax. With tax added in, the holdback is \$56,146.68.
5. Following the Receiver's inquiry into the quantum of its invoices, Classic Tile provided an unsigned storage agreement that purports to have been negotiated between the Partnership, Gillam as "Contractor" and Classic Tile as "Subcontractor". This does not accord with the existing contractual relationship under the Classic Tile Contract, in which Classic Tile was the contractor. The storage agreement is not signed and Classic Tile's productions include a bill of sale that properly refers to Classic Tile as the contractor.
6. In any event, Classic Tile's lien fails, as it did not supply lienable services or material to the Project. In fact, the material that purports to be the subject of Classic Tile's lien remains in storage at its facility at 1126 Northside Road, Burlington.
7. Classic Tile's "supply" to an offsite storage facility does not satisfy the test for supply under s.1(2) of the *Construction Act*, which states that materials are supplied to an improvement when they are: (a) placed on the land on which the improvement is being made; (b) placed upon land designated by the owner or an agent of the owner that is in the immediate vicinity of the premises, but placing materials on the land so designated does not, of itself, make that land subject to a lien; or (c) in any event, incorporated into or used in making or facilitating directly the making of the improvement.
8. The relevant caselaw interpreting s.1(2) of the *Construction Act*, including [Melloul-Blamey v Schleiss Development](#), (2001) 15 C.L.R. (3d) 10 (Ont. S.C.J. – Justice Scott), and [1508270 Ontario Ltd. v. Laudervest Developments](#) [2007] O.J. No. 5434 (Ont. S.C.J. – Master Albert) (collectively, the "Supply Caselaw"), confirms that material that is stored at a suppliers' warehouse, even if done at the direction of the owner, does not entitle the supplier to a lien for the material.

**2866791 Ontario Corp o/a HGL Electrical ("HGL Electrical")**

1. The Receiver's position is that this lien is invalid.
2. HGL Electrical registered its claim for lien in the amount of \$3,123,088 on August 9, 2023, as instrument no. WR1525921 (the "HGL Electrical Claim for Lien"). The lien was not perfected, though it is sheltering under the Certificate of Action issued and registered by Stubbe's.
3. The Partnership retained HGL Electrical pursuant to two CCDC 17 contracts to supply electrical services and material to Towers B and C. HGL Electrical was not retained to supply the electrical scope of work to Tower A.
4. HGL Electrical has produced three invoices for the HGL Electrical Tower B Contract totaling \$1,786,598.23, inclusive of tax but exclusive of holdback. Based on the holdback amounts in each invoice, the holdback claim in respect of the HGL Electrical Tower B Contract is \$175,673.37, plus tax, for a total of \$198,510.91.

5. HGL Electrical has also produced three invoices for the HGL Electrical Tower C Contract totaling \$1,335,353.22, inclusive of tax but exclusive of holdback. Based on the holdback amounts in each invoice, the holdback claim in respect of the HGL Electrical Tower C Contract is \$131,303.17, plus tax, for a total of \$148,372.58.
6. Accordingly, the total holdback claim that HGL Electrical could advance is \$346,883.49, inclusive of tax.
7. Based on its billings to date, HGL's position is that it has performed approximately 55% of each of the HGL Electrical Tower B Contract and the HGL Electrical Tower C Contract. This does not accord with the status of the Tower B and Tower C (which have not progressed beyond the excavation stage). HGL Electrical's counsel has confirmed that the invoicing is not in respect of services and materials supplied, but rather is in respect of up-front payments to subtrades and materials suppliers. HGL Electrical has provided no evidence of material supplied to site, nor of the services that are purportedly included in its invoicing.
8. Based on the Supply Caselaw referenced above, HGL Electrical cannot maintain a lien for the work set out in its invoices.

### **3.5.2 Valid Liens (Including Partially Valid)**

1. As set out above, the Receiver's views on these valid (and partially valid) liens to support the amounts set out in the table in Section 3.5 are summarized in Appendix "K".

### **3.6 Proposed Distributions on the Project**

1. Upon closing of the Transaction, the Receiver recommends that it be authorized and directed to make the following distributions from the Transaction sale proceeds:
  - a) Up to \$2,835,722 to the thirteen Lien Claimants; and
  - b) Up to the balance owing to the First Mortgagees.
2. The Receiver is not aware of any other secured creditors or any other claims that rank, or may rank, in priority to the claims of the First Mortgagees, other than:
  - a) property taxes, which will be satisfied on closing of the Transaction;
  - b) a commission of \$250,000 plus HST payable to CBRE pursuant to its listing agreement; and
  - c) the Receiver's Charge, for which the Receiver will retain a reserve for its present and future fees and expenses, and those of Blaney.

### **3.7 Rego Realty**

1. The Receiver understands that 177 Ontario had an exclusive listing arrangement with Rego Realty Inc. ("Rego") pursuant to an agreement dated March 22, 2019 (the "Rego Brokerage Agreement"). The Condo Purchasers are not parties to the Rego Brokerage Agreement. A copy of the Rego Brokerage Agreement is provided as Appendix "L".

2. The Purchasers have advised the Receiver that they do not intend to assume the Rego Brokerage Agreement. Accordingly, on closing of the Transaction, the Receiver recommends that the Rego Brokerage Agreement be disclaimed. Any fees or commissions Rego and any co-operating brokers may be owed in respect of Pre-construction Unit APSs represent an unsecured claim against 177 Ontario and Rego (and any co-operating brokers) has no recourse against the Purchasers or Condo Purchasers.

## 4.0 Sealing

1. The Receiver is recommending that the Offer Summary be sealed. If the Transaction is terminated for any reason, another sale process could be required. If the Offer Summary is not sealed, future bidders would have access to offer details, which could prejudice the Partnership's stakeholders and negatively impact recoveries. The Receiver proposes that the Offer Summary be sealed until the earlier of: (a) 30 days following closing of the Transaction; and (b) further order of the Court.
2. The Receiver believes that no party will be prejudiced if Confidential Appendix "1" is sealed.
3. The salutary effects of sealing such information from the public record greatly outweigh the deleterious effects of doing so under the circumstances. The Receiver is of the view that the sealing of Confidential Appendix "1" is consistent with the decision in [Sherman Estate v. Donovan, 2021 SCC 25](#). Accordingly, the Receiver believes the proposed sealing order is appropriate in the circumstances.

## 5.0 Litigation and Stay Order

1. The plaintiffs in two separate actions commenced prior to the date of the Receivership Order initially took the position that their actions were not subject to the stay of proceedings provision in the Receivership Order, or in the alternative that they should not be subject to the stay and that lift stay motions should be scheduled, if required. The first action names the Partnership, the First Mortgagees, Westmount and COR as defendants (among others). The second action, issued the day after the first, is related to the first action, and while it does not include the Partnership as a defendant, it names all the First Mortgagees as defendants.
2. The actions are described further below. The plaintiffs in these actions, Dean Lane and COR, sought to schedule a lift stay motion for their proceedings. In the Endorsement related to the Sale Process Order (Appendix "E"), Justice Kavanagh adjourned that scheduling request to a Chambers attendance on February 15, 2024. The day before that rescheduled attendance was returnable, COR agreed to cancel it and re-schedule it for mutually convenient date for the relevant stakeholders after the Receiver advised of the asset purchase agreement being put forward for the AVO. In the interim, Dean Lane and COR have taken no steps to move their litigation forward.

### 5.1 Dean-Lane

1. As noted above under section 3.4, Dean-Lane issued a Statement of Claim to perfect its lien. This Statement of Claim was issued September 27, 2023, bearing Kitchener court file no. CV-23-00001279-0000 (the "Dean-Lane Claim"). A copy of the Dean-Lane Claim is attached at Appendix "M".

2. Among other things, the Dean-Lane Claim makes typical claims in support of the Dean Lane Claim for Lien.
3. The Dean-Lane Claim further seeks damages as against the Partnership in respect of a “Loss of Profit Claim” in the amount of \$3,006,160, which appears to be calculated as the profit that Dean-Lane would have realized on its work had the Partnership completed the Project. In addition, the Dean-Lane Claim seeks \$636,585 against the Partnership in respect of “Supplier Equipment Costs”, which appear to be costs of equipment ordered by Dean-Lane, but not yet supplied to the Project.
4. Neither the work under the loss of profit claim, nor the equipment under the supplier equipment costs claim were actually supplied to the Project, and thus not capable of being the basis for a lien over the Real Property. In fact, Dean Lane has not registered a lien in respect of these claims.
5. The Dean-Lane Claim also makes a claim against CMLS in the amount of \$2,157,416 for breach of a purported agreement dated May 5, 2023, among Dean-Lane, CMLS and the Partnership (the “May 5 Agreement”), pursuant to which it is alleged that, among other things, Dean-Lane agreed to defer payment of approximately \$1,000,000 that was owing to it by the Partnership at that time. This \$2,157,416 is the same amount of the Dean Lane claim for lien set out and analyzed in Section 3.4 above.
6. Finally, the Dean-Lane Claim also makes a claim against COR in the amount of \$1,050,000 for breach of the “CorFinancial Undertaking” whereby Dean-Lane alleges that COR undertook to pay \$1,000,000 to Dean-Lane if certain payments were not made to Dean-Lane by the Partnership by May 26, 2023, and a further \$50,000 “Developer Accommodation Fee”.

## 5.2 COR Claim

1. On September 28, 2023, being the day after the Dean-Lane Claim was issued, COR issued a separate claim against the First Mortgagees bearing Toronto court file no. CV-23-00706796-0000 (the “COR Claim”). A copy of the COR Claim is attached at Appendix “N”.
2. In the COR Claim, COR seeks general damages of \$1,000,000, and special and aggravated damages of \$100,000. The COR Claim appears to arise out of the same set of facts alleged by Dean-Lane. Among other things, the COR Claim references the May 5 Agreement, which is the basis for Dean-Lane’s claim against CMLS for \$2,157,416, and an undertaking from COR to Dean-Lane whereby COR agreed to pay \$1,000,000 to Dean-Lane if not paid by May 28, 2023, along with a \$50,000 “accommodation fee”.
3. It is the Receiver’s view that neither the Dean Lane Claim nor the COR Claim has any impact on the AVO being sought, or the closing of the Transaction. Once the stay of proceedings is lifted (following the discharge of the Receiver, or prior to then if an Order lifting the stay is granted), those two claims can proceed based on scheduling that the parties agree or as the Court directs.

## 6.0 Borrowing Limit

1. As part of the Sale Process Order dated December 12, 2023, the Court increased the Receiver's borrowing limit pursuant to paragraph 21 of the Receivership Order from \$500,000 to \$2 million.
2. As reflected in the Receiver's Statement of Receipts and Disbursements as of September 12, 2024 attached as Appendix "O", the Receiver has borrowed up to the present limit in order to fund the expenses associated with the Project, such as the stabilization, winterization and security measures referenced in Section 2, insurance, utilities, advisors and professional costs.
3. The Receiver currently has \$105,401 in its account and accrued expenses of approximately \$330,000. As expenses continue to be incurred, the Receiver recommends that the borrowing limit be increased to \$2.5 million to allow for additional costs and contingencies.

## 7.0 Receiver's Activities

1. In addition to the activities described above, the Receiver's activities since the date of its First Report have included, among other things, the following:
  - a) corresponding with the Partnership's counsel regarding the Receiver's information requests;
  - b) corresponding with the Partnership's insurance agents and certain of its insurers to renew and/or extend coverage;
  - c) dealing with security incidents at the Project and continuing to arrange for remote monitoring and nightly guard services;
  - d) reviewing various liens registered against the Real Property;
  - e) corresponding with Elm and several other contractors regarding the ongoing activities at the Project;
  - f) corresponding with Tarion regarding its interest in the Project;
  - g) corresponding with representatives of Westmount and its counsel;
  - h) responding to inquiries from Condo Purchasers regarding their deposits and the status of the Project;
  - i) corresponding with Canada Revenue Agency regarding the Partnership's HST returns filed by the Receiver;
  - j) responding to inquiries from the Partnership's creditors;
  - k) attending regular status update calls with the First Mortgagees; and
  - l) preparing an Interim Report of the Receiver pursuant to Subsection 246(2) of the BIA; and
  - m) preparing this Second Report.

## 8.0 Fee Approval

1. The fees of the Receiver and Blaney from commencement of this mandate to August 31, 2024 total \$298,176 and \$280,185, respectively, excluding disbursements and HST. Fee affidavits and accompanying invoices for the Receiver and Blaney are provided as Appendices “P” and “Q”, respectively.
2. The activities of the Receiver are detailed in the Receiver’s invoices, in this Second Report and in the First Report.
3. The average hourly rate for the Receiver and Blaney for the referenced billing period was \$620 and \$679, respectively.
4. The Receiver is of the view that the hourly rates charged by Blaney are consistent with rates charged by law firms practising in restructuring and insolvency in the downtown Toronto market, and that the fees charged are reasonable and appropriate in the circumstances.

## 9.0 Conclusion

1. Based on the foregoing, the Receiver respectfully recommends that this Honourable Court make an order granting the relief detailed in Section 1.1(1)(j) of this Second Report.

# APPENDIX “K”

***ABA Architects Inc. (“ABA Architects”)***

1. ABA Architects registered its claim for lien in the amount of \$432,315 on August 29, 2023, as instrument no. WR1530052 (the “ABA Architects Claim for Lien”). The lien was perfected by registering a Certificate of Action on October 10, 2023, as instrument no. WR1538280.
2. The Partnership retained ABA Architects to perform architectural services for the design and construction of all four planned towers at the Real Property pursuant to a contract dated February 22, 2019 (the “ABA Architectural Contract”). The fee estimate in the ABA Architectural Contract was \$2,198,500, plus tax. The Partnership also retained ABA Architects to perform interior design services for the Project’s four towers pursuant to a contract dated October 16, 2019 (the “ABA Design Contract”).
3. ABA Architects produced copies of 57 invoices, and an account statement summarizing the balances outstanding. The invoices reference work additional to the original contracts, including a change to the specifications for the heat pumps, the design of an overhead door at the base of the parking garage ramp, and changes to certain balconies to address hydro clearance issues. The 57 invoices are all unpaid, and total \$432,315.03, inclusive of tax and without deduction for holdback. Counsel for ABA Architects confirmed that no other holdback is owing for any other invoices issued by ABA (that is, for prior invoices that were paid). Accordingly, ABA’s maximum holdback claim is \$43,231.50, inclusive of tax.

***Aluminum Window Designs Ltd. (“Aluminum Window”)***

1. Aluminum Window registered its claim for lien in the amount of \$1,662,600 on July 19, 2023, as instrument no. WR1521083 (the “Aluminium Window Claim for Lien”). The lien was perfected by registering a Certificate of Action on October 5, 2023, as instrument no. WR1537806.
2. The Partnership retained Aluminum Window pursuant to a CCDC 17 contract dated May 19, 2021 (the “Aluminum Window Contract”). The Aluminum Window Contract was to supply windows, doors and exterior glazing at Tower A. The total contract price was \$2,596,740.00 (tax included). Pursuant to a series of four change orders, the contract price was increased to \$2,640,900.40 (tax included).
3. Aluminum Window initially sent only three invoices for work done under the Aluminum Window Contract dated April 25, 2023 (\$413,354.06, inclusive of tax but not including holdback of \$40,644.45 plus tax), May 24, 2023 (\$213,484.57, inclusive of tax but not including holdback of \$20,991.60 plus tax), and June 22, 203 (\$210,216.95, inclusive of tax but not including holdback of \$20,670.30 plus tax), and three invoices for the extra work; two dated May 30, 2023 (\$17,105.94, inclusive of tax not including holdback of \$1,682.00 plus tax, and \$13,912.56, inclusive of tax but not including holdback of \$1,368.00 plus tax), and one dated June 27, 2023 (\$6,508.80, inclusive of tax but not including holdback of \$640.00, plus tax).

4. The six Aluminum Window invoices total \$874,582.88, inclusive of tax but exclusive of holdback. The total holdback in the six invoices is \$97,175.88, inclusive of tax; however, the Aluminum Window Claim for lien was registered in the amount \$1,662,600.29.
5. The difference is set out in an accounting of all invoices issued and payments received by Aluminum Window since the inception of the Project. Aluminum Window's accounting sets out invoices totaling \$2,206,003.17, inclusive of tax, but exclusive of holdback, and payments received of \$788,514.35. Based on the accounting, Aluminum Window's maximum holdback claim is \$245,111.48, inclusive of tax.

***Conestoga Roofing & Sheet Metal Ltd. ("Conestoga Roofing")***

1. Conestoga Roofing registered its claim for lien in the amount of \$311,562 on July 10, 2023, as instrument no. WR1519072 (the "Conestoga Roofing Claim for Lien"). The lien was perfected by registered a Certificate of Action on October 5, 2023, as instrument no. WR1537739.
2. The Partnership retained Conestoga Roofing pursuant to a CCDC 17 contract dated April 30, 2021 (the "Conestoga Roofing Contract"). The Conestoga Roofing Contract was to supply roofing, waterproofing and related sheet metal work at Tower A. The total contract price was \$924,340.00, inclusive of tax. Pursuant to a change order dated July 5, 2022, the contract price was increased to \$950,753.75.
3. Conestoga Roofing provided an invoice summary and all of the invoices referenced therein. The summary lists 16 invoices from June 25, 2021, to December 31, 2022, totaling \$296,307.19 inclusive of tax but exclusive of holdback. The summary also states that payments were received totaling \$296,307.19. The summary also lists a 17<sup>th</sup> invoice in the amount of \$250,775.93 and holdback owing on all 17 invoices in the amount of \$60,787.01. The "total owing" in this summary is \$311,562.94.
4. Conestoga Roofing's accounting confirms that it has invoiced a total of \$607,870.13, inclusive of tax and without deduction for holdback, and although the first 16 invoices were paid, the holdback portion was not (and invoice 17 remains outstanding in full). Accordingly, Conestoga Roofing's maximum holdback claim is \$60,787.01, inclusive of tax.

***Dean-Lane Contractors Inc. ("Dean Lane")***

1. Dean Lane registered its claim for lien in the amount of \$2,157,415 on July 7, 2023, as instrument no. WR1518912 (the "Dean Lane Claim for Lien"). The lien was perfected by registering a Certificate of Action on September 27, 2023, as instrument no. WR1535931.
2. The Partnership retained Dean Lane pursuant to two CCDC 17 contracts. The first was dated January 18, 2021, to supply mechanical scope of work at Tower A (the "Dean Lane Tower A Contract"), with a total contract price of \$6,064,710.00. The second was dated June 14, 2022, to supply mechanical scope of work to Tower B (the "Dean Lane Tower B Contract"), with a total contract price of \$7,679,240.44.

3. Dean Lane's Statement of Claim issued in support of its lien claim includes not only a claim in respect of its lien, but also (among other things) a claim related to an alleged breach of a Forbearance Agreement dated April 27, 2023 (the "Forbearance Agreement"), which is described in more detail below in Section 5.0 under the heading "Litigation and Stay Order").
4. Among other things, Dean Lane states that it ought to have received \$2,173,426.30 in respect of its unpaid invoices outstanding as of that date. In fact, it received \$1,173,426.30.
5. Dean Lane's lien consists of the \$1,000,000 that it says was not paid to it in 2023 following the Forbearance Agreement, unpaid invoices for work performed after the Forbearance Agreement totaling \$608,163.96, exclusive of holdback, and three separate holdback invoices totaling \$549,251.98, inclusive of tax.
6. Dean Lane has provided backup invoices in the amount of \$5,602,196.89, inclusive of tax, which is the complete Dean Lane invoicing for the two contracts back to their inception. It has also confirmed payments received of \$3,444,050.94. All of Dean Lane's invoices deducted the applicable holdback, save for one in the amount of \$98,970.00, which was in respect of reimbursement for a bonding facility. In the circumstances, Dean Lane's maximum holdback claim is \$549,251.98, inclusive of tax.

***Gillam Urban Constructors Inc. ("Gillam")***

1. Gillam registered its initial claim for lien in the amount of \$1,748,531 on September 6, 2023, as instrument no. WR1532157. On October 3, 2023, Gillam registered additional claims for lien in the amount of \$2,467,563 and \$873,036 as instrument nos. WR1537429 and WR1537430, respectively (collectively with WR1532157, the "Gillam Claims for Lien"). Gillam's liens were perfected by registering three Certificates of Action on October 12, 2023, as instrument nos. WR1538821, WR1538822 and WR1538823.
2. Gillam's three separate liens relate to three separate contracts it had with the Partnership: one in respect of Tower A (the "Gillam Tower A Contract"); one in respect of Tower B (the "Gillam Tower B Contract"); and one in respect of Tower C (the "Gillam Tower C Contract").
3. Gillam's claim for lien in respect of the Gillam Tower A Contract was registered in the amount of \$1,748,531.95 (registered as instrument no. WR1532157 on September 6, 2023, the "Gillam Tower A Lien"). The Gillam Tower A Lien indicates a total contract price of \$10,318,493.80.
4. Gillam's accounting indicates that the total contract work performed/invoiced was \$7,205,481.56, inclusive of tax, and that it was paid \$5,456,949.61.
5. Based on Gillam's accounting for Tower A, and on the quantum of the outstanding invoices, Gillam was paid in full on its invoices prior to February, 2023. There was no holdback maintained on these payments.

6. Gillam has provided copies of five invoices dated from March 25, 2023, to July 25, 2023, which are all outstanding, and a copy of an invoice dated February 25, 2023, which is partially outstanding. In total, the amount Gillam claims as outstanding under these invoices is \$1,748,531.95, inclusive of tax and holdback.
7. Gillam's total holdback in respect of the Gillam Tower A Lien is \$174,853.20.
8. Gillam's claim for lien in respect of the Gillam Tower B Contract was registered in the amount of \$2,467,563.37 (registered as instrument no. WR1537429 on October 3, 2023, the "Gillam Tower B Lien"). The Gillam Tower B Lien indicates a total contract price of \$9,324,745.40. Gillam received no payment in respect of the Gillam Tower B Contract. Accordingly, the holdback portion of the Gillam Tower B Lien is \$246,756.33.
9. Gillam's claim for lien in respect of the Gillam Tower C Contract was registered in the amount of \$873,036.05 (registered as instrument no. WR1537430 on October 3, 2023, the "Gillam Tower C Lien"). The Gillam Tower C Lien indicates a total contract price of \$9,364,348.69. Gillam received no payment in respect of the Gillam Tower C Contract. Accordingly, the holdback portion of the Gillam Tower B Lien is \$87,303.61.
10. In the aggregate, Gillam's maximum holdback claim is \$508,913.14, inclusive of tax. Gillam's entitlement to be paid its holdback is subject to the claim of its subtrade Matthews Equipment, discussed below.

***Matthews Equipment Limited o/a Herc Rentals ("Matthews Equipment")***

1. Matthews Equipment registered its claim for lien in the amount of \$85,018.08 (instrument no. WR1527801 on August 17, 2023, the "Matthews Equipment Claim for Lien"). The Matthews Equipment Claim for Lien alleges a total contract amount of \$85,018.08, inclusive of tax and holdback. Matthews Equipment did not register its own Certificate of Action.
2. In the Matthews Equipment Claim for Lien, Matthews Equipment alleges its contract was with Gillam, not with the owner directly. Matthews Equipment's invoicing confirms this contractual arrangement, and Matthews Equipment advised that on or about December 22, 2023, it received a partial payment of \$58,600.45 from Gillam. Accordingly, Matthews Equipment's claim is reduced to \$26,417.63. The balance of Matthews Equipment's lien ought to be paid out in full from the holdback to which Gillam is entitled.
3. The Receiver's position is that this lien does not entitle Matthews Equipment to a separate holdback priority claim, but rather its claim is subsumed in Gillam's lien. Accordingly, Matthews is entitled to payment out of the holdback otherwise payable to Gillam.

***Gold Star Drywall Services Inc. ("Gold Star Drywall")***

1. Gold Star Drywall registered its claim for lien in the amount of \$787,259 on July 6, 2023, as instrument no. WR1518428 (the "Gold Star Drywall Claim for Lien"). The

lien was perfected by registering a Certificate of Action on October 12, 2023, as instrument no. WR1538754.

2. The Partnership retained Gold Star Drywall pursuant to a CCDC 17 contract dated April 1, 2021 (the "Gold Star Drywall Contract"). The Gold Star Drywall Contract was to supply drywall services at Tower A. The total contract price was \$3,699,281.00.
3. Gold Star Drywall has produced five invoices that were paid (save for holdback), dated from September 13, 2022, to January 20, 2023. The holdback in these paid invoices is \$93,629.88, inclusive of tax. Gold Star has then produced six invoices it says were unpaid, dated from February 24, 2023, to July 4, 2023. The invoices total \$621,617.52, exclusive of holdback, but inclusive of tax. The holdback in these six invoices totals \$69,068.63 (inclusive of tax).
4. Gold Star Drywall then issued a final holdback invoice dated July 6, 2023, seeking holdback of \$165,642.13, inclusive of tax. However, the total holdback in the earlier invoices it produced is only \$162,697.51, inclusive of tax. The difference between the holdback claimed in the holdback invoice, and the total of the holdback in the various invoices, relates to approximately \$26,050.00 worth of work that was done and should have been billed in July, 2023, but was not due to inadvertence. Gold Star Drywall's maximum holdback claim is \$165,642.13, inclusive of tax.

***Greentech Sealants Inc. ("Greentech Sealants")***

1. Greentech Sealants registered its claim for lien in the amount of \$220,190 on July 20, 2023, as instrument no. WR1521506 (the "Greentech Sealants Claim for Lien"). Greentech Sealants did not issue its own Statement of Claim or Certificate of Action.
2. The Partnership retained Greentech Sealants pursuant to a CCDC 17 contract dated April 21, 2022 (the "Greentech Sealants Contract"). The Greentech Sealants Contract was to supply firestopping and sealant applications at Tower A. The total contract price was \$465,323.54.
3. Greentech Sealants has produced nine invoices dated from November 1, 2022, to March 23, 2023, totaling \$440,640.22 inclusive of tax, but exclusive of holdback. It has also produced an accounting showing that four of the nine invoices were paid (total payment of \$220,449.83).
4. The holdback on the nine invoices totals \$43,327.45, exclusive of tax. With tax added in, Greentech Sealants' maximum holdback claim is \$48,960.02.

***O'Connor Electric Ltd. ("O'Connor Electric")***

1. O'Connor Electric registered an initial claim for lien in the amount of \$344,955 on July 25, 2023, as instrument no. WR1522297. On September 12, 2023, O'Connor Electric registered a second claim for lien in the amount of \$12,555 as instrument no. WR1533262 (collectively, the "O'Connor Electric Claims for Lien"). The liens were perfected by registering a Certificate of Action on September 27, 2023, as instrument no. WR1536124.

2. The Partnership retained O'Connor Electric pursuant to a CCDC 17 contract dated January 18, 2021 (the "O'Connor Electric Contract"). The O'Connor Electric Contract was to supply all electrical work at Tower A. The total contract price was \$2,813,700.00.
3. O'Connor Electric has produced 19 unpaid invoices variously dated from March 31, 2023, to July 31, 2023, and totaling \$344,955.55, inclusive of tax and holdback. The holdback is in the amount of \$34,495.53.
4. O'Connor Electric also alleges it is owed a separate amount for the supply of temporary power to the Project. It issued two invoices dated September 12, 2023, in the total amount of \$12,555.54, inclusive of tax and holdback. The holdback on these invoices is \$1,255.55.
5. O'Connor Electric does not appear to be entitled to a separate lien for the supply of temporary power. The O'Connor Electric Contract requires O'Connor Electric to supply temporary power as part of its scope of work and contract price. Based on the material provided to the Receiver, here is no separate agreement with the Partnership for the supply of temporary power. The lien (and thus the holdback claim) for temporary power would be subsumed in its first lien, and cannot be claimed separately. Accordingly, O'Connor Electric's maximum holdback claim is \$34,495.53.

***Oxford Builders Supplies Inc. ("Oxford")***

1. Oxford registered three claims for lien in the amounts of \$135,600, \$66,912 and \$364,425 on August 3, 2023, as instrument nos. WR1525011, WR1525014 and WR152022, respectively (the "Initial Oxford Claims for Lien"). Additionally, on August 29, 2023, Oxford registered two additional claims for lien in the amounts of \$45,878 and \$143,133 as instrument nos. WR1530175 and WR1530179 (collectively with the Initial Oxford Claims for Lien, the "Oxford Claims for Lien"). The liens were perfected by registering a Certificate of Action on October 4, 2023, as instrument no. WR1537590.
2. The Partnership rented two tower cranes and a hoist from Oxford. The first tower crane lease was dated September 9, 2021, and the second was dated January 16, 2022. Based on their dates, the first lease was in respect of Tower A (the "Oxford Tower A Crane Lease"), and the second in respect of Tower B (the "Oxford Tower B Crane Lease"). The hoist lease is dated March 25, 2022, and is in respect of the exterior elevating device on Tower A (the "Oxford Hoist Lease").
3. The five Oxford Claims for Lien consist of two liens for the Oxford Tower A Crane Lease, two liens for the Oxford Hoist Lease, and one lien for the Oxford Tower B Crane Lease. For the Oxford Tower A Crane Lease and Oxford Hoist Lease, the first lien for each piece of equipment is in respect of lease payments due (but not paid) up until mid-July, 2023, and the second lien is in respect of the demobilization and removal costs. The lien for the Oxford Tower B Crane Lease combines the rental costs with the demobilization and removal costs.

4. Eight invoices were issued from March 1, 2023, to August 25, 2023, in respect of the Oxford Tower A Crane Lease totaling \$278,733.34. 11 invoices were issued from February 28, 2023, to August 25, 2023, in respect of the Oxford Hoist Lease totaling \$112,790.95. Seven invoices were issued from March 1, 2023, to July 11, 2023, in respect of the Oxford Tower B Crane Lease totaling \$364,435.00.
5. No holdback is deducted from the invoices in respect of any of the leases, and the invoices issued and paid prior to February, 2023 were paid in full, without deduction for holdback. In the circumstances, Oxford's maximum holdback claim is \$75,595.93, inclusive of tax, being \$27,873.33 for the Oxford Tower A Crane Lease invoices, \$11,279.10 for the Oxford Hoist Lease invoices, and \$36,443.50 for the Oxford Tower B Crane lease invoices.

***Pearson Metal Inc. ("Pearson Metal")***

1. The Receiver's position is that only part of Pearson Metal's lien is valid.
2. Pearson Metal registered its claim for lien in the amount of \$647,217 on August 9, 2023, as instrument no. WR1525872 (the "Pearson Metal Claim for Lien"). The Lien was perfected by registering a Certificate of Action on September 20, 2024, as instrument no. WR1534716.
3. The Partnership retained Pearson Metal pursuant to a CCDC 17 contract dated October 5, 2021 (the "Pearson Metal Tower A Contract") to supply and install metal at Tower A. The total amount of that contract was \$870,103.39 (inclusive of tax).
4. With respect to the Pearson Metal Tower A Contract, Pearson Metal has produced a holdback summary setting out the 14 invoices it issued related to Tower A dated from October 25, 2021, to June 25, 2023, and which indicates the total holdback for the Pearson Metal Tower A Contract is \$91,868.91. Pearson Metal has also produced the invoices themselves, which confirm that the holdback number is exclusive of tax. With tax added in, the total holdback claim for the Pearson Metal Tower A Contract is \$103,811.87.
5. Pearson Metal has also produced an invoice for interest (dated April 25, 2023, in the amount of \$65,567.12), but interest is not properly the subject of a lien claim.
6. Pearson Metal produced its contract for Tower B dated July 5, 2022 (the "Pearson Metal Tower B Contract"), and its contract for Tower C dated July 5, 2022 (the "Pearson Metal Tower C Contract").
7. Pearson Metal has also produced invoices for Tower B (#1463 dated October 19, 2022 in the amount of \$220,627.53, which includes taxes, but has no deduction for holdback) and Tower C (#1464 also dated October 19, 2022 in the amount of \$200,187.51, and also includes taxes but has no deduction for holdback). However, both invoices indicate they are in respect of the supply and installation of, among other things, metal canopies, an elevator hoist, divider beams, pit latter, framing for interior stairs and platforms, handrails and guardrails.

8. This purported supply does not accord with the status of construction of Towers B and C, neither of which progressed beyond excavation and installation of a concrete slab. The relevant caselaw interpreting s.1(2) of the *Construction Act*, including [Melloul-Blamey v Schleiss Development](#), (2001) 15 C.L.R. (3d) 10 (Ont. S.C.J. – Justice Scott), and [1508270 Ontario Ltd. v. Laudervest Developments](#) [2007] O.J. No. 5434 (Ont. S.C.J. – Master Albert), confirms that material not supplied to site cannot be the basis for a claim for lien. Accordingly, Pearson Metal cannot maintain a lien for the work set out in its invoices in respect of Tower B and Tower C.
9. In the circumstances, Pearson Metal’s lien claim must be reduced from \$647,217 to \$160,834.85, and its maximum holdback claim is \$103,811.87, inclusive of tax.

***Stubbe’s Precast Inc. (“Stubbe’s Precast”)***

1. Stubbe’s Precast registered its claim for lien in the amount of \$1,374,127 on July 25, 2023, as instrument no. WR1522293 (the “Stubbe’s Precast Claim for Lien”). The lien was perfected by registering a Certificate of Action on September 7, 2023, as instrument no. WR1532406.
2. The Partnership retained Stubbe’s Precast pursuant to a CCDC 17 contract dated February 14, 2021 (the “Stubbe’s Precast Contract”). The Stubbe’s Precast Contract was to supply precast concrete (including engineering and design) at Tower A. The total contract price was \$10,901,110.00.
3. Stubbe’s Precast has produced 34 invoices, dated from February 9, 2020, to August 15, 2023 (the invoices up to mid-February, 2021, the date the Stubbe’s Precast Contract was signed, all reference engineering services supplied by Stubbe’s Precast). The 29 invoices up to and including February 21, 2023, in the total amount of \$9,002,890.61 (inclusive of tax, exclusive of holdback) were paid in full (save for the holdback). The five subsequent invoices in the amount of \$438,126.01, inclusive of tax but exclusive of holdback, were not paid.
4. Stubbe’s Precast’s maximum holdback claim is therefore \$936,001.85, inclusive of tax.

***Troy Life & Fire Safety Ltd. (“Troy Life”)***

5. Troy Life registered its claim for lien in the amount of \$184,715 on December 15, 2023 as instrument no. WR1551094 (the “Troy Life Claim for Lien”). The lien was perfected by registering a Certificate of Action on March 13, 2024, as instrument no. WR1562497.
6. The Partnership retained Troy Life pursuant to a CCDC 17 contract dated March 16, 2021 (the “Troy Life Contract”). The Troy Life Contract was to supply the fire protection at Tower A. The total contract price was \$868,851.35.
7. Troy Life produced an “open invoice statement” for the Troy Life Contract setting out four unpaid invoices variously dated from February 21, 2023, to July 17, 2023 in the total amount of \$121,704.78 (exclusive of holdback), plus a holdback invoice dated

November 22, 2023, in the amount of \$63,010.39. To quantify its holdback claim, Troy Life produced copies of the eight paid and partially paid invoices dated from November 30, 2021, to February 21, 2023 (the February 21, 2023 invoice was partially paid).

8. Troy Life's invoicing and accounting confirm its maximum holdback claim is \$63,919.39, inclusive of tax.

**ENDORSEMENT OF JUSTICE KIMMEL:**

- [1] The Receiver of Genesis Mortgage Investment Corporation ("Gentai") scheduled this case conference to seek directions from the court about the prosecution and procedural management of four outstanding proceedings that relate to the Project that is under receivership. There are two such actions in Kitchener and two on the general civil list in Toronto issued by four different plaintiffs (two were issued before the Receivership Order was made, and the two others were issued in April and November of 2025).
- [2] The Project under receivership was in Kitchener. It was recently sold under a credit bid to affiliates of some of the secured lenders, in a transaction that closed after the Receiver obtained an approval and vesting order of this court ("AVI").
- [3] The parties to these four actions appeared at this case conference and filed briefs in advance. The four actions are:
- (a) Court File No. CV-23-00001279-0000 - Dean Lane Contractors Inc. v. 1776411 Ontario Ltd. et al, commenced as a lien action in Kitchener. The lien claims have been paid out and this action is now limited to claims against one of the secured lenders, CORFinancial (the "Lien Claimant's Action").
  - (b) Court File No. CV-23-00706796-0000 - CORFinancial Corp. v. CMLS Financial Ltd. et al., an action commenced on the general civil list in Toronto against Computershare, CMLS and Gentai, in respect of claims that overlap with the claims asserted in the Lien Claimant's Action against CORFinancial (the "CORFinancial Action").

- (c) Court File No. CV-25-00000716-0000 - Werner Leuschner et al v. CMLS Financial Ltd. et al, a claim commenced in Kitchener by the guarantors against the secured lenders (the “Guarantors’ Action”).
- (d) Court File No. CV 25-00756158-0000 - Aviva Insurance Company of Canada et al v. the Guarantors, in respect of their guarantees of the deposit amounts paid by the surety (Aviva) on the hundreds of residential condominium units sold by the respondents (the “Surety Action”).
- [4] The case conference covered a lot of ground over almost 90 minutes.
- [5] The Receiver asked for the court’s guidance and directions about whether: a) there should be a timetable in place for each of the four proceedings; b) all four proceedings should be transferred to, and case managed by a single judge on, the Commercial List; and c) when and whether the Receiver may apply for its discharge to extricate itself from the litigation.
- [6] The applicant (one of the secured creditors, supported by the other secured creditors) maintains that each action is, at its core, a dispute arising from the collapse of the same construction project and the same financing arrangements that gave rise to these receivership proceedings. Each of the claims directly involve the Loan, mortgage, and the related Forbearance Agreement. There is some overlap in the parties across all the Related Actions. The secured lenders are named parties in all of the actions except the Surety Action.
- [7] The secured lenders agree that moving forward in a coordinated manner rather than in isolation across different venues would serve the interests of justice and provide for an efficient use of judicial resources. Given their connection to the receivership proceedings, their complexity, the nature of the underlying transactions, and the significant amounts at issue, the secured lenders request that all four of these other actions be transferred to, and be case managed on, the Commercial List.
- [8] The Receiver supports this position, but its main objective is to have some certainty around the plan for how these proceedings will move forward once the receivership is terminated, as it intends to seek a discharge order in the foreseeable future.
- [9] The Lien Claimant takes no position on whether its action should move to the Commercial List or continue in Kitchener, it just does not want its action to be delayed or complicated by the other proceedings, since the issues have been narrowed. CORFinancial is in favour of its action being transferred to the Commercial List as long as the Lien Claimant’s Action also is transferred (one is derivative of the other).
- [10] The guarantors want to proceed with their Guarantors’ Action in Kitchener. Aviva wants to proceed with its Surety Action on the regular civil list in Toronto.
- [11] After considering the written briefs and oral submissions of counsel for the parties in these various proceedings, the court directed that three of the four other actions be transferred and be informally case managed by a judge sitting on the Commercial List in Toronto. This direction does not apply to the Surety Action, which is sufficiently distinct that it may continue on the regular civil list in Toronto. I have signed three orders today all dated April 14, 2026, transferring the Lien Claimant’s Action, the CORFinancial Action and the Guarantors’ Action to the Commercial List.
- [12] This is not a consolidation motion and no order or direction consolidating or for hearing together has been made. There is sufficient overlap between the remaining three actions, all relating to the Project that is in receivership, and the loan, guarantees, mortgage, forbearance agreement, and the events preceding the appointment of the Receiver and potentially affected by the fallout of the receivership, that it makes sense for the three other actions to be on the Commercial List, where the receivership proceeding currently is and where any future contested bankruptcy application will likely end up, so that they can be informally case managed together under the supervision, oversight and direction of an experienced Commercial List judge.

Directions can be provided regarding procedural steps and sequencing to streamline these proceedings, which will be in the interests of all parties. The parties may schedule a case conference in all of the related proceedings in due course to seek further procedural directions. It likely will make sense for this to occur after or at the same time as the Tarion Motion (discussed below).

- [13] In the course of this case conference, various questions were raised regarding the application of the existing stay of proceedings to any of these ongoing actions, and also regarding the possibility that there might be an application brought for a bankruptcy order (that would impose a stay) in conjunction with, or after, the discharge of the Receiver. The scope of the stay imposed under the order appointing the Receiver is essentially moot at this point given the Receiver's stated intention to seek a discharge order. The secured lenders agreed to confirm within 30 days whether or not they intend to bring a bankruptcy application in respect of any of the respondents or to seek a bankruptcy order in connection with the discharge of the Receiver. If there is a question about the scope of any stay that arises in connection with any future bankruptcy order, that can be addressed at a later time, if necessary.
- [14] There was also some discussion at the case conference about whether the guarantees have been released by virtue of the AVO and satisfaction of indebtedness arising from the sale proceeds (e.g., whether they have any remaining shortfalls or obligations to be satisfied that are subject to the guarantees). The secured lenders have also agreed to provide their respective positions within 30 days regarding whether they have any claims that remain subject to the guarantees. This could have implications for the continuing Guarantors' Action.
- [15] In addition to the directions sought by the Receiver in connection with the other actions (above), in this receivership proceeding, the Receiver:
- (a) Seeks to schedule a motion to have the court determine competing claims to entitlement to enrolment fees currently held by Tarion Warranty Corporation ("Tarion") pursuant to the terms of the AVO (the "Tarion Motion"). Tarion requires a court order before releasing these funds, although it is not expected to take a position on this motion.
  - (b) Seeks to schedule a motion for the Receiver's discharge and various ancillary relief (the "Discharge Motion").
- [16] The Tarion Motion has been scheduled for a half-day in-person hearing on June 2, 2026, commencing at 10:00 a.m. The parties participating in this motion (expected to be the Guarantors and the purchaser under the AVO, with the Receiver's support) shall agree upon a time table for all pre-hearing steps for this motion that will ensure that all materials (including a reply factum for the moving party if appropriate under the Commercial List Practice Direction) shall have been served, filed and uploaded into the appropriate hearing bundle in Case Center by no later than May 29, 2026 at 4:30 p.m. As noted earlier, it is not anticipated that Tarion will take a position on this motion. Its counsel was not in attendance at this case conference. They shall be advised of the motion date. If the date is problematic for Tarion and it wishes to appear, participating counsel may attend a further scheduling conference so that a new date can be booked.
- [17] The Receiver will consider whether it makes sense, and if there is sufficient time, to bring its motion for discharge on June 2, 2026 or at a later time. It shall only bring the motion on that date if it is in a position to serve it sufficiently in advance of June 2 that all stakeholders will have a chance to respond, if so advised.
- [18] This endorsement and the directions contained in it shall have the immediate effect of a court order.

## THE PARTIES

2. The Plaintiffs are corporations incorporated pursuant to the laws of Canada which are licensed to carry on business as a surety in the Province of Ontario and elsewhere.

3. The Defendants, Werner Leuschner (“**Leuschner**”) and Kamal Patel (“**Patel**”), are individuals who executed the Indemnity Agreement in favour of the Surety and who reside in the Province of Ontario.

4. The Defendant, 1639993 Ontario Ltd. (“**1639993**”), is a corporation incorporated pursuant to the laws of the Province of Ontario and executed the Indemnity Agreement in favour of the Surety.

5. The Defendant, Jaykam Developers Limited (“**Jaykam**”), is a corporation incorporated pursuant to the laws of the Province of Ontario and executed the Indemnity Agreement in favour of the Surety.

6. 1776411 Ontario Ltd. (“**1776411**”) is a corporation incorporated under the laws of the Province Ontario.

7. On October 12, 2023, an Order (the “**Receivership Order**”) was made appointing KSV Restructuring Inc. (the “**Receiver**”) as receiver and manager of all the assets, undertakings and properties of 1776411 (the “**Receivership Proceedings**”).

8. The Defendants, Werner Leuschner and Kamal Patel were, at all material times, officers, directors, employees, agents and/or persons with effective control over 1776411 or its relevant activities.

## THE INDEMNITY AGREEMENT

9. On or about July 29, 2021, the Defendants, Leuschner, Patel, 1639993 and Jaykam (collectively, the “**Indemnitors**”), executed an Indemnity Agreement (the “**Indemnity Agreement**”), in favour of the Surety, in which the Indemnitors jointly and severally agreed, among other things, to indemnify the Surety for any and all losses, charges, damages expenses, costs, claims, demands and liabilities that the Surety may suffer by reason of:

- (a) having issued one or several Bonds and/or Policies;
- (b) any claims being made;
- (c) the Surety undertaking its obligations under the Bond and/or the Policies;
- (d) any default by the Indemnitors under the Indemnity Agreement; or
- (e) in enforcing any of the covenants of the Indemnity Agreement.

10. The Surety states that the Indemnity Agreement provides that the liability of the Indemnitors shall extend to and include, without limitation, the obligation of the Indemnitors to reimburse to the Surety all sums which the Surety may be called upon to pay:

- (a) as a result of a judgment, arbitration award or settlement;
- (b) as damages of any nature, including punitive and exemplary damages, as the case may be;
- (c) in respect of any claim, liability or loss;
- (d) as expenditure, costs or fees that it may incur, including the cost of internal or external adjusters, lawyers and consultants;
- (e) in satisfaction of judicial and extra-judicial fees and disbursements of the Surety's counsel on a substantial indemnity scale and legal fees of claimants' counsel; and
- (f) as administration costs related to claims under Bonds and/or Policies and under the Indemnity Agreement.

11. The Indemnity Agreement provides that the Indemnitors acknowledge that the Surety has the right, in its sole and entire discretion, to decide whether to pay, settle or contest any claim under a bond, without any obligation to consult or advise the Indemnitors in advance of so doing.

12. The Indemnity Agreement further provides that the Indemnitors acknowledge their obligation to indemnify the Surety upon presentation by the Surety of a release, a copy of a cheque or any other proof of payment, which will be deemed to be complete proof of the amount paid and

of the Surety's right to make such payment as a result of the issue of a Bond and/or Policies and, consequently, the Surety's right to demand reimbursement from the Indemnitors under the terms of the Indemnity Agreement.

13. The Surety states that the Indemnity Agreement also provides that in order to permit the Surety to meet its obligations under a bond, the Indemnitors undertake to advance to the Surety, upon demand, funds or satisfactory guarantees sufficient to allow the Surety to perform any or all of its obligations under the Bonds and/or Policies, even before any payment has been made by the Surety to a third party. This obligation is referred to herein as "exoneration".

### **THE BONDS & POLICIES**

14. In or around May 2020, 1776411 purchased a property located at 1333 Weber Street in the City of Kitchener (the "**Property**") with the intention of developing a multi-phase condominium project known as "Elevate Condos at 1333 Weber Street" (the "**Project**") thereon.

15. The Surety states that, at the request of the Indemnitors and in reliance upon the provisions of the Indemnity Agreement and in consideration thereof, the Surety executed and delivered the following Tarion Warranty Corporation Bonds and Master Deposit Insurance Policies in accordance with the *Ontario New Home Warranties Plan Act*, R.S.O. 1990, c O.31, as amended, and the *Condominium Act*, 1998, S.O. 1998, c. 19, as amended (collectively, "the **Bonds**"):

<b>Project</b>	<b>Bond No.</b>	<b>Policy No.</b>
Phase 1 of Elevate Condos at 1333 Weber Street ( <b>"Tower A"</b> )	201020002	202310059
Phase 2 of Elevate Condos at 1333 Weber Street ( <b>"Tower B"</b> )	201020055	232310003
Phase 2 of Elevate Condos at 1333 Weber Street ( <b>"Tower C"</b> )	221020006	N/A

### **THE PROJECT IS SOLD**

16. Pursuant to an agreement of purchase and sale with the Receiver dated March 4, 2024 (the "**Sale Agreement**") Genesis Mortgage Investment Corporation, Elm Acquisitions Corp. and Dorr

Capital Corporation (collectively, the “**Purchasers**”) agreed to purchase the Project. On October 7, 2024, the Purchasers’ interest in the Sale Agreement was assigned to GFD 1333W Limited Partnership and vested in 1333W Lands Ltd. (collectively, the “**New Owner**”).

17. On October 8, 2024, the Court granted an approval and vesting order (the “**AVO**”) in the Receivership Proceedings, which, among other things, approved the transaction contemplated in the Sale Agreement (the “**Transaction**”) and authorized the Receiver on or following closing of the Transaction to terminate and disclaim all of the existing agreements of purchase and sale for units Tower B of the Project. The AVO further authorized the Receiver, following the closing of the Transaction, with notice to be provided by the New Owner to the Receiver within 120 days of the closing of the Transaction to terminate and disclaim the existing agreements of purchase and sale for units in Tower A of the Project that are not assumed by the New Owner. The 120 day deadline for terminating and disclaiming agreements of purchase and sale for units in Tower A of the Project was subsequently extended. The existing agreements of purchase and sale for units in Tower C were assumed by the New Owner.

18. The Receiver terminated and disclaimed all of the agreements of purchase and sale in respect of units in Tower B of the Project immediately following the closing of the Transaction. The Surety therefore received and was required to pay the Tower B unit purchasers’ claims for the return of the deposits that they paid under those agreements of purchase and sale, together with interest thereon in accordance with the provisions of the *Condominium Act*, 1998, S.O. 1998, c. 19, as amended, resulting in significant losses.

19. The Receiver has also terminated and disclaimed twenty-six (26) agreements of purchase and sale in respect of units in Tower A of the Project, with the result that the Surety has received and paid claims for the return of certain of the deposits paid by the unit purchasers under those agreements of purchase and sale. As set out above, under the AVO, the New Owner had the right to notify the Receiver to terminate and disclaim all of the remaining agreements of purchase and sale for units in Tower A of the Project, which would have resulted in the Surety incurring in excess of \$10 million in additional losses. In order to mitigate such losses, the Surety entered into an agreement with the New Owner pursuant to which the New Owner agreed not to terminate and disclaim any additional agreements of purchase and sale for units in Tower A of the Project in

exchange for which the Surety agreed to make a payment in the amount of \$4,780,000 to the New Owner, resulting in substantial loss mitigation (the “**Mitigation Payment**”).

#### **CLAIMS FOR INDEMNIFICATION AND EXONERATION**

20. The Surety states that, as a result of the issuance of the Receivership Order, 1776411’s failure to complete the Project, the Receiver terminating and disclaiming numerous agreements of purchase and sale, the Surety having to pay claims under the Bonds, and the agreement to make the Mitigation Payment in order to avoid paying further claims, the Surety has received and paid the numerous claims for the return of deposits under the Bonds, including interest thereon. The amounts paid by the Surety after applying the deposit amounts held in escrow in respect of the agreements of purchase sale total as follows:

<b>Project</b>	<b>Amount Paid</b>
Tower A	\$1,822,198.37
Tower B	\$5,206,519.15
<b>Total:</b>	<b>\$7,028,717.52</b>

21. The Surety has also incurred expenses in the amount of \$463,000.67 as a result of issuing the Bonds.

22. Pursuant to the terms of the Indemnity Agreement, the Surety is entitled to indemnification from the Indemnitors for the amounts paid to date in respect of the claims made under the Bonds (\$7,028,717.52) and the expenses incurred as a result of issuing the same (\$463,000.67) in the total amount of \$7,491,718.19, plus such further losses and expenses that may be incurred by the Surety to the date of judgment.

23. In addition, pursuant to the terms of the Indemnity Agreement, the Surety is entitled to exoneration from the Indemnitors in respect of the further anticipated claims and expenses under the Bonds and the Mitigation Payment, as follows:

- |     |  |                |
|-----|--|----------------|
| (a) | The Mitigation Payment to the New Owner:               | \$4,780,000.00 |
| (b) | Legal expenses in respect of Bond claims and recovery: | \$250,000.00   |
| (c) | Adjusting and consulting expenses:                     | \$40,000.00    |

24. The Surety specifically reserves the right to make further claims for indemnification and exoneration against the Indemnitors if and when Aviva makes additional payments in respect of any losses, charges, damages expenses, costs, claims, demands and liabilities, or receives any additional claims or demands under the Bonds.

25. The Surety hereby demands from the Indemnitors indemnification and exoneration in order for them to comply with their obligations under the Indemnity Agreement.

26. The Surety therefore requests judgment as against the Indemnitors in accordance with paragraph 1 above.

27. The Surety proposes that the trial of this action take place in the City of Toronto, Ontario.

## OVERVIEW

5. This Third-Party Claim seeks contribution, indemnity from the Lending Syndicate for losses the Defendants may be determined to owe to the Plaintiffs in the main action. Any losses were caused by the Lending Syndicate's breaches of the parties' Forbearance Agreement (as defined below), dishonest and/or bad faith performance, fraudulent or negligent misrepresentations, and a scheme designed to manufacture a default to enable GMIC to place 177 Ontario into receivership for the specific purpose of acquiring the Project at under-value together with other related purchasers, thereby magnifying the Plaintiffs' bond losses and the Defendants' exposure in the main action.

## THE ELEVATE PROJECT

6. As noted above, this action concerns a multi-phase, four-tower condominium development project known as "Elevate" at the Real Property. The development commenced on or about July 26, 2018.

7. The Project was developed by limited partnership, 1333 Weber Street Kitchener LP (the "**Partnership**"). Legal title to the Real Property was held by the Partnership's general partner, 1776411 Ontario Ltd. ("**177 Ontario**").

## THE CREDIT FACILITIES

8. On June 28, 2021, CMLS agreed to extend certain construction loan credit facilities to 177 Ontario to develop the Project pursuant to two commitment letters, as amended (the "**Commitment Letters**");

- (a) a construction financing facility in the principal amount of \$52,800,000.00 and a letter of credit facility in the principal amount of \$2,700,000.00 (the “**Senior Commitment**”); and
- (b) a construction financing facility in the principal amount of \$13,000,000.00 (the “**Junior Commitment**”).

9. The credit facilities totalling approximately \$71.5 million were secured by, among other things, a first mortgage<sup>4</sup> (the “**First Mortgage**”), assignment of rents<sup>5</sup>, GSA<sup>6</sup>, and guarantees<sup>7</sup> by the Defendants.

10. The Commitment Letters provided for construction loan facilities up to the principal amount of \$71,500,000.00 (the “**Loans**”), to be funded by Equitable Bank, Concentra Bank and Gentai. CMLS acted as the administrator of the Loans on behalf of lenders, Equitable Bank, Concentra Bank, and Gentai.

11. Westmount Guarantee Services Inc. (“**Westmount**”) registered a second mortgage (the “**Second Mortgage**”) as Instrument No. WR1233640 in the principal

---

<sup>4</sup> **First Mortgage.** 177 Ontario granted a first mortgage/charge in the amount of \$82,000,000 registered on August 17, 2021 as instrument no. WR1367209 on title to the Real Property in the Land Titles Division of Kitchener (No. 59).

<sup>5</sup> **General Assignment of Rents over the Real Property.** Registered on title on August 17, 2021 as instrument no. WR1367209 in the Land Titles Division of Kitchener (No. 59)

<sup>6</sup> **General Security Agreement** in favour of the Mortgagees granted by 177 Ontario dated August 13, 2021 (the “**GSA**”), in first ranking position over the assets and undertaking of 177 Ontario, subject only to a registration by Westmount Guarantee Service Inc. (“**Westmount**”) and any priorities agreement between and the CMLS and the other parties in the Lending Syndicate

<sup>7</sup> an unlimited guarantee in favour of the Plaintiffs dated August 13, 2021, which guaranteed the debts and liabilities of 177 Ontario

amount of \$20,000,000.00 to secure deposits paid by the purchasers of condominium units.

## **ALLEGED DEFAULTS AND FORBEARANCE AGREEMENT**

12. Starting in May 2022, issues began to surface concerning alleged defaults under the Commitment Letters. The Lending Syndicate instructed 177 Ontario to cease all construction. 177 Ontario complied.

13. On April 27, 2023, 177 Ontario, the Defendants and CMLS entered into a forbearance agreement (the "**Forbearance Agreement**") providing for workout arrangements, pursuant to which, *inter alia*:

- (a) CMLS agreed not to enforce its rights and remedies against 177 Ontario or the Defendants until the earlier of March 1, 2024 or the occurrence of default under the Loans, the Commitment Letters, or the related security;
- (b) CMLS agreed to advance an increase of no more than \$5,000,000.00 in funding towards the Loans, with principal amount of the Senior Commitment being increased by \$2,000,000.00 and the Junior Commitment being increased by \$3,000,000.00, to be allocated to various to various entities, such as trades who had placed liens on title to the Real Property, and to be provided to 177 Ontario by monthly draws requested by 177 Ontario (the "**Forbearance Payments**"); and
- (c) 177 Ontario consented to the appointment of a receiver upon default of the Forbearance agreement.

**BREACH OF THE FORBEARANCE AGREEMENT**

14. On or about May 5, 2023, after the terms of the Forbearance Agreement were settled and signed but before CMLS advanced the first draw under the Forbearance Agreement, CMLS advised the Defendants that:

- (a) the Lending Syndicate had made a calculation error when calculating the amount of the Forbearance Payment. The effect of this error was that the amount to be advanced under the Forbearance Payment was \$714,979.27 less than previously agreed to (the “**Shortfall**”); and
- (b) the Lending Syndicate was running out of funds and would not be able to make the advances it had promised to make under the terms of the Forbearance Agreement.

15. Notwithstanding that the Shortfall was caused by the Lending Syndicate’s own error, CMLS refused to advance the Forbearance Payment until the “mistake” was corrected and CMLS obtained additional funds from the other parties of the Lending Syndicate, excluding Equitable Bank, to cover the Shortfall.

16. To avoid further delays in paying certain lien claimants, the Defendants proposed, and CMLS agreed, on behalf of the Lending Syndicate, to a separate side agreement with CORFinancial Corp. (“**CORFinancial**”) to remedy the Shortfall (the “**Shortfall Agreement**”) whereby:

- (a) CorFinancial would obtain an agreement from one of the lien claimants, Dean-Lane Contracting Inc. (hereinafter “**Dean-Lane**”), pursuant to which Dean-Lane would agree to receiving a deferred payment of \$1,000,000.00 (the “**Deferred Amount**”) of the \$2,173,426.30 it was owed;
- (b) On receiving this concession from Dean-Lane, CMLS would proceed to close the Forbearance Agreement and pay Dean-Lane \$1,173,426.30 as part of the Forbearance Payment, being the portion of Dean-Lane’s outstanding invoices which were not being deferred;
- (c) CMLS further agreed to pay Dean-Lane the Deferred Amount after the Forbearance Agreement closed, and at or around the same time that they paid the first draw under the Facility post-closing;

17. In consideration of Dean-Lane agreeing to the Deferred Amount from CMLS, CORFinancial agreed to give Dean-Lane a written undertaking to pay them an accommodation fee \$50,000.00, and, at Dean-Lane’s sole option, to pay them the Deferred Amount and take an assignment of their remaining unpaid invoices should CMLS fail to pay them the Deferred Amount on or before May 28, 2023.

18. On or about May 5, 2023, Dean-Lane agreed to the terms proposed by CORFinancial and CORFinancial delivered a written undertaking to Dean-Lane on the terms set out above.

19. With Dean-Lane agreeing to defer payment of the Deferred Amount, CMLS was able to close the Forbearance Agreement on or about May 8, 2023.

20. However, despite the Defendants repeated demands, CMLS failed or otherwise refused to pay the Shortfall or Deferred Amount to Dean-Lane.

21. It was an express or implied term of the Forbearance Agreement that the Plaintiffs would provide the draws agreed to finance construction of the Project.

22. By failing to pay the Shortfall, the Deferred Amounts to Dean-Lane, and the March draw as required under the terms of the Forbearance Agreement, the Lending Syndicate breached the terms of the Forbearance Agreement and the Shortfall Agreement, acted in bad faith and dishonestly.

23. The Lending Syndicate intentionally refused to advance payment of the Shortfall, the Deferred Amounts to Dean-Lane and the March Draw, knowing that it would directly result in the default of the Forbearance Agreement, and provide the grounds for the appointment of a receiver over the Real Property of 177 Ontario, as more particularly described below.

## CLAIMS FOR INDEMNITY BY LENDING SYNDICATE

24. The Lending Syndicate - specifically through Andrea Cali (for CMLS) and James Kim (for GMIC and Gentai), represented to the Defendants that it would advance the full amounts stipulated in the Forbearance Agreement and fund all required draws.

25. The Lending Syndicate knew, or ought to have known, that these representations were false and that the Defendants would rely upon them to their significant detriment. The Defendants did in fact rely upon these representations.

26. The Lending Syndicate conspired and agreed among themselves to withhold the March and April 2023 draws under the manufactured pretext of being unable to "reconcile" cost overruns. The predominant purpose of this conspiracy was to engineer a default under the Forbearance Agreement.

27. The manufactured default provided the grounds for GMIC to appoint a receiver and implement a sales process designed to allow GMIC and its partners, Elm Acquisitions Corp. ("**Elm Acquisitions**") and Dorr Capital Corporation ("**Dorr**") (collectively the "**Purchasers**") to purchase the Project and Real Property, notwithstanding the Defendants' proposal to inject a further \$27,000,000.00 in DIP financing to complete Tower A.

28. The Lending Syndicate failed to mitigate its losses and unnecessarily increased the Surety's liability by imposing a unilateral 24% price increase on purchasers who had already entered into binding agreements of purchase and sale for units in Tower A. The unreasonable and unwarranted increase led to mass terminations of 26 agreements of

purchase and sale and deposit claims of condo units that had already been sold in Tower A.

29. If the Plaintiffs incurred any losses, which is not admitted but expressly denied, by its acts and omissions as described above, the Lending Syndicate is solely or contributorily responsible for the Plaintiffs' losses and are liable to indemnify the Defendants in full for any amounts this Honourable Court finds the Defendants liable to the Plaintiffs.

30. The Defendants request that this Third-Party Claim be tried together with or immediately after the main action in the City of Toronto.

## The Parties

2. The Plaintiffs are guarantors of certain loan obligations as more particularly described below.
3. The defendant, CMLS Financial Ltd. (“CMLS”), is a corporation incorporated pursuant to the laws of the province of British Columbia. CMLS carries on business in the province of Ontario as, *inter alia*, a mortgage lender, administrator, servicer and provider of mortgage syndication services. Since August 17, 2021, CMLS held an interest in the First Mortgage, as more particularly described below, in trust for Concentra Bank, a Schedule I bank incorporated under the *Bank Act* (Canada).
4. The defendant, Computershare Trust Company (“Computershare”), is a trust company duly incorporated under the *Trust and Loan Companies Act* (Canada). Computershare carries on business as, *inter alia*, a provider of mortgage servicing and related trust services in the province of Ontario. At all material times, Computershare was a mortgagee under the First Mortgage, more particularly described below, and held its interest in trust for the defendant, Equitable Bank, a Schedule I bank incorporated under the *Bank Act* (Canada), a wholly owned subsidiary of EQB Inc. (Equitable Bank and EQB Inc. are collectively referred to hereinafter as “**Equitable Bank**”; Computershare and Equitable Bank are collectively referred to as the “**Computershare Defendants**”).

5. The defendant, Genesis Mortgage Investment Corp. (“**GMIC**”) is a corporation duly incorporated pursuant to the laws of the province of British Columbia, carrying on business as, *inter alia*, a non-banking mortgage lender in the province of Ontario. GMIC is managed by the defendant, Gentai Capital Corporation (“**Gentai**”) (GMIC and Gentai are collectively the “**Gentai Defendants**”)

#### Overview

6. This action arises out of the parties’ involvement in the development of a four-tower condominium project (the “**Project**”) at the real property municipally known as 1333 Weber Street East, Kitchener (the “**Real Property**”).
7. Title to the Real Property is held by 1776411 Ontario Limited (“**177 Ont Ltd**”) (1333 Weber Street Kitchener LP and 177 Ont Ltd are collectively referred to as the “**Partnership**”).
8. The defendants, CMLS, Computershare (on behalf of the Equitable Bank Defendants) and GMIC (on behalf of Gentai) (collectively the “**Lending Syndicate**”) provided certain construction loan credit facilities<sup>1</sup> to the Partnership (collectively the “**Loan Agreements**”), secured by a first mortgage registered on title to the Real Property on August 16, 2021 as Instrument No. WR1367209 (the “**First Mortgage**”).

---

<sup>1</sup> Pursuant to a mortgage loan commitment dated June 28, 2021, as amended on July 21, 2021, and bearing loan number 50715, CMLS made available a construction financing facility in the principal amount of \$52,800,000.00 and a letter of credit facility in the principal amount of \$2,700,000.00. Pursuant to a second mortgage loan commitment dated June 28, 2021, bearing loan number 50716, as amended on July 21, 2021, and on May 3, 2022, CMLS made available to the Plaintiffs a construction loan financing facility in the principal amount of \$16,000,000.00.

9. CMLS and Computershare are senior secured lenders and Gentai is the junior secured lender under the terms of the First Mortgage.
10. The Plaintiffs guaranteed the Partnership's obligations under the Loan Agreements to the Lending Syndicate.
11. In this action, the Plaintiffs allege, *inter alia*, that the Defendants:
  - (a) Breached the terms of the Forbearance Agreement by failing, refusing or neglecting to advance draws for March and April 2023, as the defendants were contractually obligated to do under the terms of the Forbearance Agreement;
  - (b) Induced the plaintiffs to breach the Forbearance Agreement for the purpose of enforcing on the First Mortgage and security granted thereunder, including the appointment of a receiver;
  - (c) Failed, refused and/or neglected to disclose until the eve of the closing date to sign the Forbearance Agreement that CMLS had made a "computational error" which would result in a shortfall of \$714,979.27 in the amounts to be advanced under the Forbearance Agreement;
  - (d) Induced the plaintiffs into executing the Forbearance Agreement and Releases under the false pretence that the Lending Syndicate would advance construction draws for March and April 2023 as a term of the Forbearance Agreement;
  - (e) Acted dishonestly and in bad faith in the performance of their obligations under the Forbearance Agreement;

(f) Made honest, negligent and/or fraudulent representations to the plaintiffs, including *inter alia*, that:

(i) representations by Andrea Cali on behalf of CMLS, the mortgage administrator, manager and syndicator, from about March to August 2022, that the Lending Syndicate would fund construction financing for Towers 2 and 3 of the Project;

(ii) Representations by Andrea Cali from November 2022 to December 2022 that the Lending Syndicate would advance the total amount agreed upon in the Forbearance Agreement, including the Shortfall;

(iii) representations by Andrea Cali from December 2022 to January 2023 that the Lending Syndicate would advance March and April 2023 draws in accordance with the terms of the Forbearance Agreement; and

(iv) Such further and other representations as shall be particularized in the Statement of Claim.

(collectively the “**Representations**”), which Representations were false; the defendants knew or ought to have known were false; were intended to be relied upon by the plaintiffs; the plaintiffs did in fact rely upon the Representations to their detriment and which caused the plaintiffs losses.

(g) Conspired to deprive the plaintiffs of the Real Property and Project. The elements of the conspiracy include but are not limited to the following:

- (i) the defendants agreed as between each other that they would not advance the March and April 2023 draws due under the Forbearance Agreement under the false pretence that they could not “reconcile” the cost overruns on the project;
  - (ii) the defendants knew that withholding the draws would cause the Partnership to default on the terms of the Forbearance Agreement, pursuant to which the Partnership and plaintiffs had consented to the appointment of a receiver upon an event of default under the Forbearance Agreement;
  - (iii) the defendants acts were calculated in furtherance of their agreement to injure the plaintiffs;
  - (iv) the plaintiffs suffered damages as a result of the defendants’ conduct.
- (h) Were unjustly enriched, the plaintiffs suffered a corresponding deprivation, for which no juristic reason exists; and
- (i) Converted the Real Property and personal property of the Partnership and plaintiffs for their own use.
12. Further particulars of the material facts underlying the claims and causes of action pled in this Notice of Action shall be provided in the Statement of Claim.

13. The Plaintiffs propose that the trial of this action be heard in Kitchener, Ontario.

Computershare carries on business as, *inter alia*, a provider of mortgage servicing and related trust services in the Province of Ontario. At all material times, Computershare was a mortgagee under the First Mortgage and held its interest for the defendant, Equitable Bank.

8. The defendant, Equitable Bank is a Schedule I Bank incorporated under the *Bank Act* (Canada), a wholly owned subsidiary of EQB Inc.
9. The defendant GMIC is a corporation duly incorporated pursuant to the laws of the Province of British Columbia, carrying on business as, *inter alia*, a non-banking mortgage lender in the Province of Ontario. GMIC is managed by the defendant, Gentai.

### **The Elevate Project**

10. On or about July 26, 2018, the Plaintiffs began the development of a four-tower condominium project named 'Elevate' (the "**Project**") at the address municipally known as 1333 Weber Street East, Kitchener, Ontario (the "**Real Property**").
11. The Real Property was previously owned Pamata Hospitality Inc. ("**Pamata**"), of which Patel was a 51% shareholder and 49% was owned by Ashvin Patel. Prior to the Project, Pamata operated a Howard Johnson hotel at the Real Property.
12. The project was developed by 1333 Weber Street Kitchener LP ("**1333 Weber LP**" or the "**Partnership**"), a limited partnership established under the Ontario *Limited Partnerships Act*. The Partnership's registered principal place of business is 258 Edgewater Crescent, Unit 8, in Kitchener, Ontario.
13. The general partner of the Partnership was 1776411 Ontario Ltd. ("**177 Ontario**"), incorporated pursuant to the laws of Ontario, with its registered head office located 258 Edgewater Crescent, Unit 8, in Kitchener, Ontario. Leuschner is the sole officer and director of 177 Ontario. 177 Ontario is the General Partner on behalf of 1333 Weber Street Kitchener LP.

14. There are four limited partners in the Partnership:
  - a) 177 Ontario and 163 Ontario, separately, are unit-holders (both are 100 per cent controlled and owned by Leuschner);
  - b) Jaykam is the third unit-holder; and
  - c) Pamata.
15. Legal title to the Real Property was held by 177 Ontario.
16. The Project was 177 Ontario's sole asset.

#### **The Loan Facilities and Security**

17. CMLS, Computershare (on behalf of Equitable Bank), and GMIC (on behalf of Gentai) (collectively, the "**Lending Syndicate**") provided certain construction loan credit facilities to the Partnership (the "**Loan Agreements**") which were to be secured on title to the Real Property, to be described in greater detail below.
18. On June 28, 2021, CMLS agreed to finance the Project pursuant to two commitment letters, as amended (the "**Commitment Letters**"):
  - a) a construction financing facility in the principal amount of \$52,800,000.00 and a letter of credit facility in the principal amount of \$2,700,000.00 (the "**Senior Commitment**"); and
  - b) a construction financing facility in the principal amount of \$13,000,000.00 (the "**Junior Commitment**").

19. The Commitment Letters provided for construction loan facilities in the maximum principal amount of \$71,500,000.00 (the “**Loans**”). Equitable Bank, Concentra Bank, and Gentai provided funding for the Loans. CMLS is the administrator of the Loans on behalf of Equitable Bank, Concentra Bank, and Gentai.
20. To secure 177 Ontario’s obligations under the Commitment Letters, 177 Ontario granted the following security:
  - a) On or about August 17, 2021, 177 Ontario granted a mortgage/charge in the amount of \$82,000,000 registered the mortgage/charge as instrument no. WR1367209 on title to the Real Property in the Land Titles Division of Kitchener (No. 59) (the “**Construction Mortgage**”);
  - b) a General Assignment of Rents over the Real Property, registered on title on August 17, 2021 as instrument no. WR1367209 in the Land Titles Division of Kitchener (No. 59) (the “**GAR**”);
  - c) a General Security Agreement in favour of the Mortgagees granted by 177 Ontario dated August 13, 2021 (the “**GSA**”), in first ranking position over the assets and undertaking of 177 Ontario, subject only to a registration by Westmount Guarantee Service Inc. (“**Westmount**”) and any priorities agreement between and the CMLS and the other parties in the Lending Syndicate; and
  - d) an unlimited guarantee in favour of the Defendants dated August 13, 2021, which guaranteed the debts and liabilities of 177 Ontario.

### **The Defaults and Forbearance Agreement**

21. Starting in May 2022, the Plaintiffs began encountering issues which resulted in defaults under the terms of the Commitment Letters (the “**Defaults**”).
22. As a result of the Defaults, CMLS made demand for repayment of the Loans.
23. On April 27, 2023, 177 Ontario, the Plaintiffs, and the CMLS entered into a forbearance agreement (the “**Forbearance Agreement**”), pursuant to which:
  - a) CMLS agreed not to enforce its rights and remedies against 177 Ontario and the Plaintiffs until the earlier of March 1, 2024 or the occurrence of default under the Loans, the Commitment Letters, or the related security;
  - b) CMLS agreed to advance an increase of no more than \$5,000,000.00 in funding towards the Loans, with principal amount of the Senior Commitment being increased by \$2,000,000.00 and the Junior Commitment being increased by \$3,000,000.00, to be allocated to various to various entities, such as trades who had placed liens on title to the Real Property, and to be provided to 177 Ontario by monthly draws requested by 177 Ontario (the “**Forbearance Payment**”); and
  - c) 177 Ontario consented to the appointment of a receiver upon default of the Forbearance agreement.

### **Breach of the Forbearance Agreement**

24. On or about May 5, 2023, after the terms of the Forbearance Agreement were settled and signed but before CMLS advanced the first draw under the Forbearance Agreement, CMLS advised the Plaintiffs that:
- a) the Lending Syndicate had made a calculation error when calculating the amount of the Forbearance Payment. The effect of this error was that the amount to be advanced under the Forbearance Payment was \$714,979.27 less than previously agreed to (the “**Shortfall**”); and
  - b) the Lending Syndicate was running out of funds and would not be able to make the advances it had promised to make under the terms of the Forbearance Agreement.
25. Notwithstanding that the Shortfall was caused by the Lending Syndicate’s own error, CMLS advised the Plaintiffs that the Forbearance Payment would not be advanced until the mistake was corrected and CMLS obtained additional funds from the other parties of the Lending Syndicate, excluding Equitable Bank, to cover the Shortfall.
26. To avoid further delays in paying the trades (the “**Trades**”) who were constructing the Project, the Plaintiffs proposed, and CMLS agreed, on behalf of the Lending Syndicate, to a separate side agreement with CorFinancial Corp. (“**CorFinancial**”) to remedy the Shortfall (the “**Shortfall Agreement**”) whereby:

- a) CorFinancial would obtain an agreement from one of the Trades, Dean-Lane Contracting Inc. (hereinafter “**Dean-Lane**”), pursuant to which Dean-Lane would allow CMLS to defer paying \$1,000,000.00 (the “**Deferred Amount**”) of the \$2,173,426.30 which it agreed to pay to Dean-Lane;
  - b) On receiving this concession from Dean-Lane, CMLS would proceed to close the Forbearance Agreement and pay Dean-Lane \$1,173,426.30 as part of the Forbearance Payment, being the portion of Dean-Lane’s outstanding invoices which were not being deferred;
  - c) CMLS further agreed to pay Dean-Lane the Deferred Amount after the Forbearance Agreement closed, and at or around the same time that they paid the first draw under the Facility post-closing;
  - d) In consideration of Dean-Lane allowing CMLS to defer payment of the Deferred Amount, CORFinancial agreed to give Dean-Lane a written undertaking to pay them an accommodation fee \$50,000.00, and, at Dean-Lane’s sole option, to pay them the Deferred Amount and take an assignment of their remaining unpaid invoices should CMLS fail to pay them the Deferred Amount on or before May 28, 2023.
27. On or about May 5, 2023, Dean-Lane agreed to the terms proposed by CorFinancial and CorFinancial delivered a written undertaking to Dean-Lane on the terms set out above.
28. With Dean-Lane agreeing to defer payment of the Deferred Amount, CMLS was able to close the Forbearance Agreement on or about May 8, 2023.

29. However, despite the Plaintiffs repeated demands, CMLS failed or otherwise refused to pay the Shortfall or Deferred Amount to Dean-Lane.
30. It was an express or implied term of the Forbearance Agreement that the Defendants would provide the draws to further the Plaintiff's construction of the Project.
31. By failing to pay the Shortfall, the Deferred Amounts to Dean-Lane, and the March draw pursuant to the terms of the Forbearance Agreement, the Lending Syndicate breached the terms of the Forbearance Agreement and the Shortfall Agreement, acted in bad faith and dishonestly.
32. The Defendants intentionally refused to advance payment of the Shortfall, the Deferred Amounts to Dean-Lane and the March Draw, knowing that it would directly result in the default of the Forbearance Agreement, and provide the grounds for the appointment of a receiver over the Real Property of 177 Ontario.

### **Fraudulent Misrepresentations**

33. The Defendants made the following representations to the Plaintiffs:
  - a) representations by Andrea Cali on behalf of CMLS, the mortgage administrator, manager and syndicator, from about March to August 2022, that the Lending Syndicate would fund construction financing for Towers 2 and 3 of the Project;

- b) Representations by Andrea Cali from November 2022 to December 2022 that the Lending Syndicate would advance the total amount agreed upon in the Forbearance Agreement, including the Shortfall;
- c) representations by Andrea Cali from December 2022 to January 2023 that the Lending Syndicate would advance March and April 2023 draws in accordance with the terms of the Forbearance Agreement;
- d) representations by James Kim on behalf of GMIC and Gentai that Gentai would fund the advances required under the terms of the Forbearance Agreement; and
- e) such further representations the particulars of which shall be furnished prior to trial.

(collectively the “**Misrepresentations**”).

- 34. The Defendants knew or ought to have known that the Misrepresentations were false and that the Plaintiffs would rely upon the Misrepresentations.
- 35. The Plaintiffs did in fact rely upon the Misrepresentations to their detriment, which has caused the Plaintiffs’ losses and damages as described herein.
- 36. The Defendants are liable to the Plaintiffs on the basis of fraudulent, negligent or honest misrepresentation.

## Conspiracy

37. As detailed above, beginning at a time known to the Plaintiffs, the Defendants conspired to deprive the Plaintiffs of the March and April 2023 construction draws. The elements of the conspiracy include but are not limited to the following:

- a) the Defendants agreed as between each other that they would not advance the March and April 2023 draws due under the Forbearance Agreement under the false pretence that they could not “reconcile” the cost overruns on the project; and
- b) the Defendants intentionally withheld the March and April 2023 draws to cause the Partnership to default on the terms of the Forbearance Agreement, pursuant to which the Partnership and Plaintiffs had consented to the appointment of a receiver upon an event of default under the Forbearance Agreement.

38. The Defendants’ acts were calculated to trigger the appointment of the receiver, were made in bad faith, and dishonestly. The object of the conspiracy was to force the Defendants to default on the terms of the Forbearance Agreement, thereby providing grounds for the Defendants to appoint a receiver, engage in a sales process, which ultimately pave the pathy for the Receiver’s sale of the Project to the defendant, GMIC, along with Elm Acquisitions Corp. and Dorr Capital Corporation (collectively the “**Proposed Purchasers**”).

**Conversion**

39. The Defendants wrongfully converted the Plaintiffs' Real Property and personal property through unlawful, fraudulent means, which has caused the Plaintiffs' damages. The Defendants acted with the intention of denying the Plaintiffs' right to their property and in such a manner that is inconsistent with the Plaintiffs' right of possession.
40. The Defendants' attempted to conceal the fraud, including by providing the Plaintiffs with false confirmations regarding the costs of the Project.

**Unjust Enrichment**

41. As a result of the fraud described herein, the Defendants have been unjustly enriched by at least \$110,000,000.00, which amount the Plaintiffs have been deprived of. There is no juristic reason for the Defendants' enrichment.
42. The Defendants have retained and benefited from these losses suffered by the Plaintiffs by fraudulently misrepresenting to the Plaintiffs that they would receive the construction draws in accordance of the Forbearance Agreement and then depriving the Plaintiffs of the draws, thereby causing an "Event of Default" under the terms of the Forbearance Agreement.

**Damages**

43. To date, the Plaintiffs are aware that the Defendants have misappropriated \$110,000,000.00 worth of real and personal property.

44. The Plaintiffs continue to investigate their accounts, transactions, and other related financial matters and will amend the Statement of Claim if and when further fraudulent conduct is discovered.

45. The Plaintiffs have made efforts to mitigate their damages by attempting to resolve the matter directly with the Defendants.

46. The Defendants are jointly and severally liable for the Plaintiffs' damages.

**Aggravated, Punitive and/or Exemplary Damages**

47. An award of the aggravated and punitive damage is justified in this case having regard to the Defendants' high-handed, egregious, and reprehensible conduct. Their actions demonstrate a wanton, wilful, and reckless disregard for the Plaintiffs' legal rights. The Defendant's conduct is independently actionable and worthy of denunciation. An award of aggravated and punitive damages to deter others from similar conduct.

48. The Plaintiffs rely on the following statutes and regulations:

- *Rules of Civil Procedure*, R.R.O. 1990, Reg. 194; and
- *Courts of Justice Act*, R.S.O. 1990, c. C.43, as amended.

49. The Plaintiffs request that this action be tried in Kitchener, Ontario.

**Subject:** Elevate | Secured Lender Position on Guarantee

Trung,

This statement is delivered on behalf of Genesis Mortgage Investment Corp. ("Genesis") pursuant to the direction of the Honourable Justice Kimmel, as set out in her endorsement of April 15, 2026. In accordance with Her Honour's direction, below we set out the current position of Genesis, as one of the secured lenders under the Guarantee and Postponement of Claims dated as of August 2021 (the "Guarantee") given by 1639993 Ontario Ltd., Jaykam Developers Limited, Werner Leuschner and Kamal Patel (collectively, the "Guarantors") in respect of the obligations of 1776411 Ontario Ltd., as general partner on behalf of 1333 Weber Street Kitchener LP (the "Borrower"), under the charge/mortgage dated August 17, 2021 over the lands municipally known as 1333 Weber Street East, Kitchener, Ontario (the "Mortgage"), and the related loan and security documents.

The "Obligations" guaranteed under the Guarantee track everything the Borrower owes or must perform under the Mortgage, and the Mortgage secures not only principal and interest but also the "Indebtedness" more broadly, including "all Costs" of and incidental to enforcement, receivership and other realization proceedings, including "all legal costs incurred by the Chargee on a substantial indemnity basis". Although Genesis credit bid its debt, it takes the position that the Guarantors may remain liable on a joint and several, absolute and unconditional basis (including under the independent indemnity in Section 1.2 and the primary obligor covenant in Section 1.3 of the Guarantee) for certain claims, including for, among other things, legal costs and other enforcement-related costs incurred by Genesis in connection with the receivership of the Borrower and the defence of claims made against Genesis arising out of same and the lending relationship more generally.

While no claims have been made by Genesis against the Guarantors under or pursuant to the Guarantees, Genesis reserves all of its rights and remedies. Nothing in this statement,

and no act or omission of Genesis (including any credit bid, realization on security, forbearance or other step taken in connection with the receivership or the defence of any such claims), constitutes a release, waiver, discharge, election of remedies or estoppel of any of Genesis's rights or remedies as against the Guarantors, the Borrower or any other person under the Guarantee, the Mortgage, the other loan and security documents, at law or in equity, all of which rights and remedies (including the right to pursue the Guarantors under the Guarantee) are expressly reserved and preserved.

Yours truly,

**Joseph Blinick**

**Subject:** RE: Elevate | Secured Lender Position on Guarantee/Bankruptcy Applications./Surety Claim and Third Party Claim

Trung,

1. My recollection is very different from yours regarding Justice Kimmel's questioning on the Case Conference on April 14, 2026, as Her Honour asked point blank if there was any reason the sureties' Statement of Claim could not stand alone independently of the other three claims in a different court (your firm had issued on behalf of your guarantor clients one of these three claims against the first secured lenders, and the third party claim your firm delivered in the Surety action following the case conference mirrors that guarantors' claim). However, that is an issue for counsel for the sureties and counsel for the first secured lenders to deal with on June 2 if they wish to do so. The Receiver brought the outstanding litigation proceedings before the Court for the reasons previously set out at the case conference, and is now proceeding with its discharge and the bankruptcy applications.
2. The receivership respondents, the limited partnership ("LP") and the LP's general partner ("GP") owe the sureties about \$12M and still owe the lien claimants another \$14M. That's \$26M excluding the remaining unsecured creditors. The Receiver assumes there is no prospect of the two entities ever resuming operations.
3. I note that that the guarantors of the receivership respondents' debt to the first secured lenders are opposing the Purchaser's motion for payment of the Tarion Enrollment Fees to be heard on June 2. The guarantors have no standing to do so, and such opposition is improper. If the Tarion Enrollment Fees had been not included as a purchased asset in the APA with the Purchaser, they would be an estate asset, and the proceeds therefrom would be for the general benefit of estate creditors.
4. Are there other GP or LP estate assets that your clients are aware of and have not previously disclosed to the Receiver?
5. Similarly, as per above the guarantors have initiated litigation against the first secured lenders. However, the guarantors are asserting a cause of action that belongs to the receivership respondents. The guarantors have no standing to do so. If the guarantors wish to purchase it, they can attempt do so either from the Receiver or in a bankruptcy (by way of s. 38 of the BIA, or fund the trustee to pursue it).

6. A bankruptcy of the receivership respondents will allow the trustee to maximize recovery for the creditors of the GP and the LP, to the extent any assets remain, and provide for an orderly wind up of the borrowers.
7. Finally, in the Endorsement of Justice Kimmel made April 14, 2026, following the Case Conference, Her Honour imposed the following deadlines for the first secured lenders to advise of their positions on bankruptcy of the GP and LP, and the guarantees of the indebtedness of the GP and LP to the first secured lenders:
  - a. The secured lenders agreed to confirm within 30 days whether or not they intend to bring a bankruptcy application in respect of any of the respondents or to seek a bankruptcy order in connection with the discharge of the Receiver.
  - b. The secured lenders have also agreed to provide their respective positions within 30 days regarding whether they have any claims that remain subject to the guarantees.

These deadlines were complied with as per the attached email chain. The first secured lenders support a motion by the Receiver for authorization to assign the GP and the LP into bankruptcy. The material will be served prior to the June 2 hearing so that the bankruptcy motions and the discharge hearing can be timetabled on June 2.

**Subject:** RE: Elevate | Secured Lender Position on Guarantee/Bankruptcy Applications./Surety Claim and Third Party Claim

Hi Eric,

In response to your email below:

1. I will reserve comment until I receive the Receiver's updated Statement of Creditors.

2. I do not recall Justice Kimmel asking counsel the questions you've referenced. Justice Kimmel asked if anyone was requesting that the Surety Action be transferred to the Commercial List. The Guarantors did not take a position on the Surety Action being transferred to the CL because its position at all times has been that both the Guarantors' Action and the Surety Action were commenced in the proper Court. Frankly, at the Case Conference, the Third-Party Claim for indemnity in the Surety Action had not been contemplated yet. I had not discussed it with my clients or received instructions, which is why it was not raised.

I note at the Case Conference, you advised Justice Kimmel that the secured creditors were considering bringing an application to assign the companies that are currently in receivership into bankruptcy (para 14 of endorsement of April 14, 2026). You did not advise Her Honour of the Receivers' intention to bring bankruptcy applications. Instead, you advised that the Receiver intended to schedule its discharge motion [para 15(b)]. At all times prior to the Case Conference, the Receiver's advice was that it intended to seek discharge imminently. We did not learn of the Receiver's intention to bring the bankruptcy applications until Ms. Shore's (CMLS's lawyer) email of May 14, 2026 below.

Can you please advise why the Receiver did not raise its intention to bring the bankruptcy applications at the Case Conference?

Thank you,

Trung Nguyen

**Subject:** RE: Elevate | Secured Lender Position on Guarantee/Bankruptcy Applications./Surety Claim and Third Party Claim

Hi Trung,

1. In response to your question, that will be set out in the motion material the Receiver will serve prior to the next hearing date on June 2, 2026. However, FYI I in case you do not have it, I've attached the Receiver's Statement of Creditors as of Oct. 2023, that we are in the process of

updating to take account of the EQB payout, the purchaser group cash-credit bid (which resulted in the EQB payout and Gentai bidding its outstanding credit *at the time*), the indebtedness to the surety and the construction lien holdback distributions.

2. On what basis did you stay silent on the last case conference on April 14, 2026, when Justice Kimmel asked counsel attending if there was any reason the attached Surety statement of claim could not stand alone, and without any connection to the remaining proceedings that were then ordered transferred to the CL? I've been provided with your clients' attached third party claim issued May 8, 2026. The intention to issue that third party claim, or even the fact that it was a possibility being contemplated, should have been disclosed by you and your clients to Her Honour at the last case conference (and should also have been referenced in your Aide Memoire).
3. I have added Denise Bambrough at BLG back to this email distribution list, since she is counsel to the Surety and she obviously had no knowledge at all of your clients' third-party claim at the relevant times, let alone one repeating the allegations in the Guarantors' claim against the lenders (which action was transferred to the CL).
