FILE/DIRECTION/ORDER

Judges Endorsment Continued

No motion is before me and the Reeps have yet to bring the motion. In my view, I do not have the jurisdiction to deny the Reeps the right to bring a motion to lift the stay and prevent them from having their day in Court. Counsel did not have any jurisprudence to support this argument.

I have scheduled the motion for Feb, 26/18 for 2 hours. The return date is prior to the date when marketing efforts will begin. Further, counsel for the Reeps (227 LP/Out Inc) concedes that if the motion fails (if brought) the Reeps will ^{be} ⁱⁿ thereafter have to participate like any other bidder with no further attempts.
