

Brampton scheduling does not accommodate
orders I made in the receivership
process by ~~BCU~~^{BCU}. Justice Brown
encouraged the parties (and they agree)
to see if the CL can help. We
can. ~~The~~^{Mr. DeM} motion to set aside the
Meeva and the motion for S.J. by T.C.
against Mr. DeM shall proceed
before me on March 29, 2019 for
1 day.

My prior order staying the BCU
receivership is extended to March
29, 2019.
