**FIFTH REPORT OF KSV RESTRUCTURING INC. AS PROPOSAL TRUSTEE OF
2505243 ONTARIO LIMITED**

FEBRUARY 25, 2021

1.0 Introduction

1. This report (the “Report”) is filed by KSV Restructuring Inc. (“KSV”) in its capacity as proposal trustee (the “Proposal Trustee”) in connection with a Notice of Intention to Make a Proposal (“NOI”) filed by 2505243 Ontario Limited (the “Company”) on September 24, 2020 pursuant to Section 50.4(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the “BIA”).
2. The Company commenced these proceedings in response to a bankruptcy application (the “Bankruptcy Application”) filed against the Company by Princes Gates GP Inc., the general partner of Princes Gates Hotel Limited Partnership (collectively, “PGH”) and certain other creditors. Pursuant to an order issued by Mr. Justice Koehnen of the Ontario Superior Court of Justice (Commercial List) (the “Court”) dated October 9, 2020 (the “October 9th Order”) the Bankruptcy Application was stayed.
3. The principal purposes of these restructuring proceedings are to provide the Company the opportunity to: (a) advance its litigation against PGH within the timelines of these proceedings; and (b) formulate and make a proposal to its creditors.
4. On November 10, 2020, Mr. Justice Koehnen issued an endorsement (the “November 10th Endorsement”) establishing a litigation timetable (the “Litigation Timetable”). On December 22, 2020, Mr. Justice Koehnen issued a further endorsement (the “December 22nd Endorsement”) revising the Litigation Timetable. Copies of the November 10th Endorsement and the December 22nd Endorsement are provided in Appendix “A”.
5. On January 22, 2021, the Court issued an order (the “January 22nd Order”), *inter alia*, increasing the maximum available borrowings under the debtor-in-possession financing facility (the “DIP Facility”) provided by Peter and Paul’s Gifts Limited (the “DIP Lender”) and extending the stay of proceedings to March 8, 2021. A copy of the January 22nd Order is attached as Appendix “B”.

1.1 Purposes of this Report

1. The purposes of this Report are to:
 - a) provide background information about the Company and these proceedings;
 - b) discuss the Company's request for an extension of the stay of proceedings from March 8, 2021 to the date which falls fifteen business days after the day on which the Court releases its trial decision with respect to the Company's litigation against PGH (the "Proposed Extension Date");
 - c) report on the Company's weekly cash flow projections for the period February 22, 2021 to April 30, 2021 – for the purpose of preparing the statutory cash flow forecast, the Proposal Trustee has used April 30, 2021 as the outside date to file a proposal (the "Cash Flow Forecast")¹;
 - d) discuss the Company's need for an increase in the DIP Facility;
 - e) summarize the Proposal Trustee's activities since January 19, 2021, the date of the Proposal Trustee's Fourth Report to Court (the "Fourth Report"); and
 - f) recommend that the Court make an order:
 - granting the Company's request for an extension of the time to file a proposal from March 8, 2021 to the Proposed Extension Date;
 - authorizing a \$600,000 increase in the DIP Facility on the terms set out in the Third DIP Amendment (as defined below); and
 - approving this Report and the activities of the Proposal Trustee, as described herein.

1.2 Restrictions

1. In preparing this Report, the Proposal Trustee has relied upon unaudited financial information prepared by the Company, the Company's books and records and discussions with the Company's management. The Proposal Trustee has not audited, reviewed or otherwise verified the accuracy or completeness of the information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the *Chartered Professional Accountants of Canada Handbook*.
2. The Proposal Trustee expresses no opinion or other level of assurance with respect to the financial information presented in this Report or relied upon by the Proposal Trustee in preparing this Report. Any party wishing to place reliance on the Company's financial information should perform its own due diligence and any reliance placed by any party on the information presented herein shall not be considered sufficient for any purpose whatsoever.

¹ A supplemental cash flow forecast will be filed by the Company if the stay extension period sought by the Company extends beyond April 30, 2021.

3. An examination of the Cash Flow Forecast as outlined in the *Chartered Professional Accountants of Canada Handbook* has not been performed. Future oriented financial information relied upon in this Report is based upon the Company's assumptions regarding future events; actual results achieved may vary from this information and these variations may be material.

1.3 Court Materials

1. Court materials filed in these proceedings can be found on the Proposal Trustee's website at <https://www.ksvadvisory.com/insolvency-cases/case/2505243-ontario-limited>.

2.0 Background

1. The Company is part of a hospitality services group (the "Group") that operates under the business name "byPeterandPauls.com". The Group is privately owned and has operated in the local hospitality industry for close to forty years. The Group operates several restaurants across Ontario, including Eaton Hall, The Savoy, Vue, The Clubhouse, Bellagio, Paramount, Universal, The Manor, The Kortright Centre, Black Creek Pioneer Village, Mennagio Restaurant, David Duncan House and PeterandPaulsEventCatering.
2. In 2017, the Company was contracted by PGH to provide food, beverage and catering services at Hotel X, which is located on the Exhibition Grounds in downtown Toronto ("Hotel X").
3. The agreements between the Company and PGH include two leases in relation to the restaurants at Hotel X (Maxx's Kitchen ("Maxx's") and Petros 82 ("Petros")) and a food and beverage agreement for the Company to operate and provide services to Hotel X's banquet facilities, conference halls, a roof top patio and other facilities.
4. The Proposal Trustee has been advised that the Company invested millions of dollars in leasehold improvements at Hotel X, including in Maxx's and Petros. The restaurants opened in March and September 2019, respectively. On March 23, 2020, Hotel X and both restaurants were required to close due to the Covid-19 pandemic crisis.
5. On July 2, 2020, PGH terminated the agreements between PGH and the Company. The terminations coincided with PGH's announcement of its plans to host National Hockey League players who were booked to stay at Hotel X when the 2019/2020 NHL season resumed. PGH contracted with Harlo Entertainment to provide the food and beverage services at Hotel X that were formerly provided by the Company.
6. On July 20, 2020, the Company filed a Statement of Claim against PGH seeking over \$60 million in damages and costs.
7. On September 9, 2020, PGH and a small number of other creditors filed the Bankruptcy Application and on September 24, 2020, the Company filed the NOI.
8. Pursuant to the October 9th Order, the Bankruptcy Application was stayed.
9. Pursuant to an order of the Court issued on October 20, 2020, the DIP Facility and the DIP Lender's charge were approved.

10. Pursuant to the November 10th Endorsement, the following Litigation Timetable was established²:
 - motions for security for costs and certificate of pending litigation were scheduled to be heard on December 4, 2020³;
 - the pre-trial settlement conference was scheduled to be heard on February 9, 2021;
 - the trial management conference was scheduled to be heard on February 19, 2021; and
 - a seven-day trial is scheduled to commence on March 1, 2021.
11. Pursuant to the December 22nd Endorsement, the initial Litigation Timetable was revised as follows:
 - the dates for examinations for discovery were January 22, 25 and 26, 2021;
 - the date for delivery of expert reports was February 5, 2021; and
 - the date for answers to undertakings was February 8, 2021.
12. The Company and PGH agreed to a mediation and retained the Honourable Justice Warren Winkler to act as mediator. The mediation took place on November 27, 2020; however, the mediation did not resolve the disputes between the Company and PGH. No further mediation sessions were conducted.
13. The Company and PGH also participated in a case conference that was convened on February 9, 2021 with the Honourable Justice Glenn Hainey; however, the case conference was also unsuccessful in advancing settlement discussions.

3.0 Company's Request for an Extension

1. The Company is seeking an extension of the time to file a proposal from March 8, 2021 to the Proposed Extension Date which will fall outside of the six-month period since the commencement of the NOI Proceedings.
2. The Company advises that an extension of the stay extension is required so that it may complete its litigation with PGH and provide the Court with adequate time to issue its decision. The Company is seeking such an extension so that it has time to draft and file a proposal if it is successful at trial. The Company's ability to file a proposal is contingent on recovery in its litigation claim against PGH. If the Company is successful at trial, it intends to prepare a proposal for filing as soon as possible after receiving the decision.

² On November 15, 2020, the Court made revisions to the Litigation Timetable, including changing the scheduled date of the trial management conference from February 22, 2021 to February 19, 2021.

³ The Proposal Trustee understands that the Company did not bring the motion for certificate of pending litigation.

3. It is unusual but not unprecedented for the Court to issue a stay of proceedings in NOI proceedings that extend beyond six months from the commencement of the NOI proceedings. In the Proposal Trustee's view, this is justifiable as the ability to file a proposal is tied to the outcome of the litigation, and the timelines for the trial were negotiated by the parties with the assistance of the Court. As a result, the Proposal Trustee thinks a further extension is warranted as no creditor is prejudiced by the extension, particularly as the alternative is bankruptcy.
4. The Proposal Trustee supports the Company's request for the following reasons:
 - a) the Company is acting in good faith and with due diligence;
 - b) creditors will not receive any recovery in a bankruptcy whereas continuing the NOI proceedings provides an opportunity for recoveries that would be funded through a proposal if the Company's litigation is successful; and
 - c) no creditor would be materially prejudiced if the extension is granted. The Company's only material asset is its litigation. Other than the litigation, the Company has essentially no assets that can be realized upon that would generate recoveries for creditors.

4.0 Cash Flow Forecast

1. The Company is required to prepare a cash flow forecast for the stay extension period. The Company's Cash Flow Forecast for the period February 22, 2021 to April 30, 2021 (the "Period"), together with Management's Report on the Cash Flow Statement as required by Section 50.4(2)(c) of the BIA, is provided in Appendix "C".
2. The Company is not presently operating. The Company has a small number of employees. All disbursements other than professional costs relate to payroll. The Company's only projected receipts during the Period are anticipated to be from the collection of wage subsidies under a Government of Canada program enacted in response to the Covid-19 Pandemic. Minimal contingent payments are also projected.
3. The Company shares head office space and administrative support services with related companies. The Company is not charged for the use of the shared services or office space. Accordingly, there are no such costs presented in the Cash Flow Forecast.
4. Based on the Proposal Trustee's review of the Cash Flow Forecast, there are no material assumptions which seem unreasonable. The Proposal Trustee's Report on the Company's Cash Flow Statement as required by Section 50.4(2)(b) of the BIA is attached as Appendix "D".

4.1 Increase in the DIP Facility⁴

1. Pursuant to a DIP term sheet dated October 16, 2020 (the “DIP Term Sheet”), the original borrowing limit under the DIP Facility was \$300,000 (the “Original DIP Amount”). Pursuant to an amendment to the DIP Term Sheet dated November 30, 2020, the maximum amount that can be borrowed under the DIP Facility was increased to \$460,000 (the “First DIP Amendment”). Pursuant to a second amendment to the DIP Term Sheet dated January 18, 2021, the maximum amount that can be borrowed under the DIP Facility was increased to \$900,000 (the “Second DIP Amendment”). As at the date of this Report, the Company has borrowed approximately \$457,000 under the DIP Facility; however, by the return of this motion or shortly thereafter, substantially the full amount of the DIP Facility is expected to be drawn.
2. Based on the Cash Flow Forecast, the Company will require an increase of \$600,000 (the “DIP Limit Increase”) to the maximum amount that it can borrow under the DIP Facility, bringing the maximum amount available to be borrowed under the DIP Facility to \$1.5 million. The DIP Limit Increase is required to fund the costs of these proceedings and the litigation.
3. The DIP Lender has agreed to the DIP Limit Increase pursuant to a third amendment to the DIP Term Sheet dated February 24, 2021 (the “Third DIP Amendment”).
4. Pursuant to the Third DIP Amendment, the DIP Limit Increase (\$600,000) will continue to accrue interest at 7%, which is consistent with interest charges accruing on advances made pursuant to the Second DIP Amendment. A copy of the Third DIP Amendment is attached as Appendix “E” to this Report.

4.2 Third DIP Amendment Recommendation

1. The Proposal Trustee has considered the factors set out in Section 50.6(5) of the BIA with respect to the granting of a Court order for interim financing and a charge related thereto. The Proposal Trustee believes that the Third DIP Amendment is reasonable for the following reasons:
 - a) the increased maximum borrowings under the DIP Facility enhance the prospects of a successful restructuring;
 - b) the rate of interest on borrowings under the Third DIP Amendment (7%) is consistent with the rate of interest on borrowings under the Second DIP Amendment, which was approved by the Court at the last extension motion;
 - c) the interest rate on the DIP Facility is below market for such facilities;
 - d) absent an increase in the DIP Facility, the Company will be without the liquidity to fund these proceedings and its litigation;

⁴ Terms not defined in this section have the meaning provided to them in the DIP Term Sheet, as amended, unless otherwise defined herein.

- e) no creditor will be materially prejudiced by an increase in the maximum borrowings under the DIP Facility. If the Company is liquidated at this time, creditors will not have any recovery;
- f) aside from the increase in the maximum borrowings under the DIP Facility, all other terms of the DIP Facility remain unchanged; and
- g) in the Proposal Trustee's view, these proceedings cannot advance without an increase in the DIP Facility.

5.0 Overview of the Company's Activities

1. The Company's activities since January 19, 2021, the date of the Fourth Report, have included, *inter alia*:
 - a) working extensively with its counsel, Norton Rose Fulbright Canada LLP ("Norton Rose"), concerning the Company's litigation against PGH;
 - b) posting security for costs in the amount of \$500,000 pursuant to the Endorsement of the Honourable Justice Cavanagh dated December 7, 2020;
 - c) reviewing decisions released by the Ministry of Labour, Training and Skills Development ("MOL") in respect of complaints filed by certain of the Company's former employees ("Former Employees"). The MOL's decisions, in favour of the Former Employees, order the Company to pay the Former Employees certain amounts pursuant to the *Employment Standards Act*, 2000, S.O. 2000, c. 41;
 - d) reviewing notices from the MOL notifying Former Employees of the MOL's intention to rescind orders in respect of the MOL's prior decisions in favour of Former Employees⁵;
 - e) negotiating with PGH in respect of a settlement agreement; and
 - f) assisting the Proposal Trustee to prepare the Company's statutory cash flow forecasts.

6.0 Overview of the Proposal Trustee's Activities

1. The Proposal Trustee's activities since January 19, 2021, the date of the Fourth Report, have included:
 - a) preparing the Company's statutory cash flow forecasts, Management's Reports on the Cash Flow Statements and the Proposal Trustee's Reports on the Cash Flow Statements;
 - b) filing materials with the Office of the Superintendent of Bankruptcy, as required pursuant to the BIA;

⁵ The MOL's basis for rescinding the orders is that they were issued against the Company after the Company had already filed its NOI.

- c) drafting this Report;
- d) attending at Court, as required;
- e) corresponding with its counsel, Paliare Roland Rosenberg Rothstein LLP ("Paliare Roland"), and with Norton Rose;
- f) corresponding with counsel to PGH;
- g) corresponding with Paliare Roland regarding settlement negotiations between the Company and PGH;
- h) reviewing the Company's capital asset acquisition schedules in the context of potential settlement negotiations;
- i) corresponding with creditors;
- j) reviewing the Third DIP Amendment;
- k) corresponding with the Company regarding its actual receipts and disbursements during these proceedings and assisting the Company to prepare funding requests under the DIP Facility;
- l) reviewing the MOL's decisions, considering the impact that these decisions may have on the Former Employees and corresponding with Paliare Roland and Norton Rose regarding same;
- m) reviewing the MOL's decision to rescind their prior orders;
- n) responding to inquiries from Former Employees concerning the MOL's decision letters and the rescission of same;
- o) posting materials filed with the Court on the Proposal Trustee's website established for these proceedings; and
- p) maintaining the service list.

7.0 Conclusion and Recommendation

1. Based on the foregoing, the Proposal Trustee respectfully recommends that this Honourable Court make an order granting the relief detailed in Section 1.1(1)(f) of this Report.

**Trustee's Report on Cash-flow Statement
(Paragraphs 50(6)(b) and 50.4(2)(b) of the Act)**

The attached statement of projected cash-flow of 2505243 Ontario Limited, as of the 24th day of February 2021, consisting of a monthly Cash Flow Statement for the period February 22, 2021 to April 30, 2021, has been prepared by the management of the insolvent person for the purpose described in Note 1, using the probable and hypothetical assumptions set out in Notes 2-7.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied to us by the management and employees of the insolvent person. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by management for the probable assumptions and the preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects:

- (a) the hypothetical assumptions are not consistent with the purpose of the projection;
- (b) as at the date of this report, the probable assumptions developed by management are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or
- (c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in Note 1 and readers are cautioned that it may not be appropriate for other purposes.
