- 2.1 **Recitals.** The parties hereto acknowledge and agree that each of the foregoing recitals is true and accurate both in substance and in fact.
- 2.2 **Indebtedness.** The Credit Parties acknowledge that as of May 11, 2023, the amount owing to NE SPC II under the Loan Agreement and secured by the Security is the sum of \$13,278,547.01 for principal, interest and fees (net of legal fees and the Amendment Fee), including \$1,117,233.51 under the Revolving Facility, \$11,971,313.50 under the Term Facility and the \$190,000 facility fee (collectively, the "**Indebtedness**"). RECITALS:

- A. Pursuant to a Loan Agreement dated as of December 24, 2021, as amended by agreements dated March 28, 2022 and June 17, 2022 (collectively, the "**Loan Agreement**"), NE SPC II made the Loan available to the Borrowers.
- B. The Borrowers and the Guarantors (collectively, the "**Credit Parties**", and individually, a "**Credit Party**") executed and delivered to NE SPC II various agreements as security for the indebtedness and other obligations and liabilities owed by the Borrowers to NE SPC II (collectively, the "**Security**").

At the request of the Credit Parties, NE SPC II has agreed to (i) provide various accommodations to the Borrowers; and (ii) forbear from enforcing the Security Documents to provide the Borrowers additional time to repay their indebtedness to NE SPC II, subject to and in accordance with the terms of this Accommodation Agreement (the "**Agreement**").

NOW THEREFORE THIS AGREEMENT WITNESSETH that for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by each of the parties hereto, the parties agree as follows:

ARTICLE 1 - INTERPRETATION

- 1.1 **Definitions.** In this Agreement, unless the context otherwise requires, all capitalized terms defined in the Loan Agreement and the Security and not otherwise defined herein shall have the meanings ascribed to such terms in the Loan Agreement and the Security, as applicable.
- 1.2 **Gender and Number.** Words importing the singular include the plural and vice versa and words importing gender include all genders.
- 1.3 **Time.** Time is of the essence in the performance of the Credit Parties' obligations.
- 1.4 **Severability.** Each of the provisions contained in this Agreement is distinct and severable, and a declaration of invalidity, illegality, or unenforceability of any such provision or part thereof by a

court of competent jurisdiction shall not affect the validity or enforceability of any other provision of this Agreement.

- 1.5 **Headings.** The division of this Agreement into articles, sections and clauses, and the insertion of headings are for convenience of reference only and shall not affect the construction or interpretation of this Agreement.
- 1.6 **Entire Agreement.** This Agreement, the Loan Agreement and the Security together with the agreements and other documents required to be delivered pursuant to this Agreement, constitute the entire agreement between the parties and set out all the covenants, promises, warranties, representations, conditions, understandings and agreements between the parties pertaining to the subject matter of this Agreement and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written. There are no covenants, promises, warranties, representations, conditions, understanding or other agreements, oral or written, express, implied, or collateral between the parties in connection with the subject matter of this Agreement except as specifically set forth in this Agreement and any document required to be delivered pursuant to this Agreement.
- 1.7 **Governing Law.** This Agreement shall be construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.
- 1.8 **Conflicts.** If there is any inconsistency or conflict between the terms of this Agreement and the terms of the Loan Agreement and the Security or any other agreement executed in connection therewith or herewith, the provisions of this Agreement shall prevail to the extent of the inconsistency.

ARTICLE 2 - ACKNOWLEDGEMENTS

- 2.1 **Recitals.** The parties hereto acknowledge and agree that each of the foregoing recitals is true and accurate both in substance and in fact.
- 2.2 **Indebtedness.** The Credit Parties acknowledge that as of April 20, 2023, the amount owing to NE SPC II under the Loan Agreement and secured by the Security is the sum of \$13,367,940.25 for principal, interest and fees (net of legal fees and the Amendment Fee), including \$1,206,626.75 under the Revolving Facility, \$11,971,313.50 under the Term Facility and the \$190,000 facility fee (collectively, the “**Indebtedness**”). The Credit Parties confirm that the Indebtedness is unconditionally owing to NE SPC II, they do not dispute that they are liable to pay the Indebtedness to NE SPC II on any ground whatsoever, they have no claim, demand, setoff, or counterclaim against NE SPC II on any basis whatsoever, and there is no matter, fact or thing which may be asserted by any of them in extinction or diminution of the Indebtedness or result in any bar to or delay in the recovery thereof. If there are any claims for setoff, counterclaim, or damages, they are hereby expressly released and discharged.
- 2.3 **The Borrowers.** The Borrowers acknowledge and agree that the Loan Agreement and the Security now held by NE SPC II for payment and performance of the Indebtedness have not been released, waived, or varied, and is valid, binding, and enforceable against them in accordance with its written terms.
- 2.4 **Guarantees.** The Guarantors confirm that they have guaranteed the payment and performance of the Indebtedness and obligations owing by the Borrowers to NE SPC II, in accordance with terms of the guarantees delivered to NE SPC II (collectively, the “**Guarantees**”) and secured their obligation under the applicable Security. The Guarantors do not dispute their liability to NE SPC II under the applicable Guarantees and Security on any basis whatsoever and confirm that they have

no claim for setoff, counterclaim, or damages on any basis whatsoever against NE SPC II. If there are any claims, they are hereby expressly released and discharged. The Guarantors confirm that the applicable Guarantees and Security have not been released, waived, or varied, that they are binding upon them and that they are valid and enforceable against them in accordance with their written terms.

- 2.5 **NE SPC II Rights.** Each of the Credit Parties acknowledges and agrees NE SPC II is currently entitled to take any and all enforcement action it deems necessary in its sole discretion in connection with the enforcement of its rights at law and under the Loan Agreement, the Guarantees and the Security. Each of the Credit Parties further acknowledges and agrees that except as provided in this Agreement, NE SPC II (by itself or through its employees or agents) has not made any promises, or taken any action or omitted to take any action which would constitute a waiver of its right to take any enforcement action in connection with the enforcement of the Loan Agreement, the Guarantees and the Security, or which would estop it from so doing and that no statement, representation, promise, act or omission by NE SPC II or its employees or agents shall create such a waiver or estoppel. Each of the Credit Parties acknowledges and agrees that by entering into this Agreement, NE SPC II, except as provided in this Agreement, has not waived any of its rights under any of the Loan Agreement, the Guarantees and the Security, including without limitation NE SPC II's right to take any enforcement action in connection with the enforcement of the Loan Agreement, the Guarantees and the Security.

- 3.2 NE SPC II agrees to forbear and not take any steps to enforce the Loan Agreement, the Guarantees and the Security until the earliest of:

ARTICLE 4 - AMENDMENT FEE

- 4.1 **Amendment Fee.** In consideration for NE SPC II's forbearance and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Credit Parties shall pay to NE SPC II a non-refundable amendment fee of [\$30,000] (the "**Amendment Fee**"), which shall be fully earned on execution of this Agreement. Attention: Matthew Sale

Dear Mr. Sale:

Re: NE SPC II LP (the “**Lender**”) credit facilities in favour of Aleafia Health Inc., Emblem Cannabis Corporation and Aleafia Farms Inc. (collectively, the “**Borrower**”) pursuant to a credit agreement dated December 24, 2021, as amended by agreement dated as of March 28, 2022 (collectively, the “**Credit Agreement**”)

Reference is made to the Credit Agreement and all capitalized terms not otherwise defined herein shall have the meaning ascribed thereto in the Credit Agreement.

Pursuant to section 5.1(x) of the Credit Agreement, the Borrower covenanted in favour of the Lender to maintain a Current Ratio of not less than \$12,000,000 for Aleafia Health. As you are aware, based on the reporting for the periods February and March 2022 provided by the Borrower to the Lender, the Current Ratio of Aleafia Health for the period ended March 2022 is (\$571,194) and the Borrower is in breach of this covenant and anticipates to remain in breach of this covenant. Further, pursuant to section 3(b)(i) of the amending agreement dated as of March 28, 2022 (the “**First Amendment**”), the Borrower covenanted to satisfy the Revolving Facility Conditions within 30 days of March 28, 2022. As you are aware, the Borrower has failed to satisfy such Revolving Facility Conditions and is in breach of this covenant and anticipates to remain in breach of this covenant. In addition, the Material Adverse Effect detailed in the First Amendment is in continuance as of the date hereof and is anticipated to continue following the date of this Agreement. Although each of the forgoing breaches are not being waived by the Lender, the Lender does not intend to take any action at this time. Notwithstanding the foregoing, the Lender reserves all of its rights in respect of these breaches and in respect of any other breach or default under the Credit Agreement or any other documents executed and delivered in connection therewith to and in favour of the Lender.

Further to our recent conversations, we confirm that you have asked the Lender to amend the Current Ratio covenant, to continue to make Advances available under the Revolving Facility up to \$1,850,000 and to make Advances under the Revolving Facility available up to the Revolving Facility Maximum Amount notwithstanding the breaches and the Borrower’s failure to satisfy certain conditions precedent under the Credit Agreement. In this regard, we confirm that the Lender has agreed to amend the terms and conditions of the Credit Agreement as follows:

1. From and after the date hereof, Section 2.1(a) of the Credit Agreement shall be deleted and replaced by the following:

“(a) The Revolving Facility is payable on the earlier of demand and the second (2nd) anniversary of the date of the Term Facility Advance. Prior to demand, monthly payments of interest only shall be made on the last business day of each and every month. Notwithstanding any other payment dates specified herein or any other provision hereof, the outstanding Loan Amount under the Revolving Facility is due and payable on demand and the right of the Lender to make partial or full demands hereunder is absolute and unconditional notwithstanding the inclusion of covenants, representations, warranties and any Event of Default. Subject to the Lender's right to make a demand for payment at any time, the Revolving Facility shall be a revolving twenty four (24) month facility from the date of the Term Facility Advance.”

2. From and after the date hereof, Section 5.1(x) of the Credit Agreement shall be deleted and replaced by the following:

“(x) Current Ratio: Aleafia Health will maintain a Current Ratio of not less than:

- (i) (\$571,194) as tested March 30, 2022 for the period to the closing of the Equity Investment (the “**Equity Investment Date**”), which date shall be not be later than June 27, 2022,
- (ii) \$2,000,000 for the period between the Equity Investment Date and December 31, 2022,
- (iii) \$12,000,000 from January 31, 2023 and thereafter,

to be tested immediately prior to any Advance and on a monthly basis based on the most recently available financial statements of Aleafia Health, being its management prepared monthly financial statements or its quarterly or year-end audited financial statements.”

3. From and after March 28, 2022, references to “\$500,000” in Section 3 of the First Amendment shall be deleted and replaced with “\$1,850,000”.

4. From and after the date hereof, Section 3(b)(i)(C) of the First Amendment shall be deleted and replaced with the following:

“(C) Aleafia Health and each of its Subsidiaries have provided the Lender with unfettered online read-only access to all of their bank accounts; and”

5. From and after the date hereof, Section 3(b)(ii) of the First Amendment shall be deleted.

6. From and after the date hereof, Section 3(c) of the First Amendment shall be deleted and replaced with the following:

“(c) It shall be an Event of Default under the Credit Agreement if the Borrower fails to satisfy the Revolving Facility Conditions to the Lender within 30 days of the date hereof.”

7. From and after the date hereof, Section 3(d) of the First Amendment shall be deleted.

8. Notwithstanding the breaches and the Borrower’s failure to satisfy the conditions precedent in Sections 2.8(j), (k) and (l) of the Credit Agreement and without in any way derogating from the

rights of the Lender under the Credit Agreement (including, without limitation, the Lender's right, in its sole unfettered discretion, to demand), the Lender has agreed to make Advances under the Revolving Facility available up to the Revolving Facility Maximum Amount in accordance with the Credit Agreement, upon satisfaction of the following conditions (collectively, the "**Revised Revolving Facility Conditions**"):

 - (C) The Borrower is continuing diligently in good faith, using its best efforts to arrange for the Blocked Account to be established and operational and the blocked account agreement to be delivered as soon as possible following June 27, 2022; and

- (v) the Lender and the Convertible Debenture Holders have entered into a subordination, postponement and standstill agreement satisfactory to the Lender in its sole discretion.
9. From and after the date hereof, Section 5.2(k)(iii) of the Credit Agreement is deleted.
10. It shall be an Event of Default under the Credit Agreement if the Borrower fails to satisfy the Revised Revolving Facility Conditions.
11. An amendment fee of \$10,000 is payable by the Borrower to the Lender, which fee is fully earned as of the date hereof and shall be added to the Loan with interest accruing at the rates set out at Section 2.2 and Section 2.1(m) of the Credit Agreement and secured under the Security Documents.

Attention: Matthew Sale

Dear Mr. Sale:

Re: NE SPC II LP (the “**Lender**”) credit facilities in favour of Aleafia Health Inc.,
Emblem Cannabis Corporation and Aleafia Farms Inc. (collectively, the “**Borrower**”) pursuant to a credit agreement dated December 24, 2021 (the “**Credit Agreement**”)

Reference is made to the Credit Agreement and all capitalized terms not otherwise defined herein shall have the meaning ascribed thereto in the Credit Agreement.

Pursuant to section 5.1(x) of the Credit Agreement, the Borrower covenanted in favour of the Lender to maintain a Current Ratio of not less than \$15,000,000 for Aleafia Health. As you are aware, based on the reporting for the periods December and January provided by the Borrower to the Lender, the Current Ratio of Aleafia Health for the period ended January 2022 is (\$3,017,000) and the Borrower is in breach of this covenant and anticipates to remain in breach of this covenant. In addition, based on the information provided by the Borrower to the Lender in respect of the inventory write-down, crop volumes, delivery issues, GM pressure and timing of equity injection, the Lender has determined that each of these changes individually, and also in the aggregate, constitute a material adverse change resulting in a Material Adverse Effect, which is an Event of Default. Although each of the forgoing breaches are not being waived by the Lender, the Lender does not intend to take any action at this time. Notwithstanding the foregoing, the Lender reserves all of its rights in respect of these breaches and in respect of any other breach or default under the Credit Agreement or any other documents executed and delivered in connection therewith to and in favour of the Lender.

Further to our recent conversations, we confirm that you have asked the Lender to amend the Current Ratio covenant and to make an advance of \$500,000 under the Revolving Facility notwithstanding the breaches and the Borrower’s failure to satisfy certain conditions precedent under the Credit Agreement. In this regard, we confirm that the Lender has agreed to amend the terms and conditions of the Credit Agreement as follows:

1. From April 30, 2022 and thereafter, the definition of “Current Assets” in Section 1.1(y) of the Credit Agreement shall be deleted and replaced with the following:

“(y) “Current Assets” means all cash and cash equivalents, marketable securities, trade and other receivables, tax receivables, inventory and biological assets and prepaid expenses of Aleafia Health on a consolidated basis;”
2. For the period between April 30, 2022 to June 29, 2022 (inclusive) only, Section 5.1(x) of the Credit Agreement shall be as follows:

“(x) Current Ratio: Aleafia Health will maintain a Current Ratio of not less than \$12,000,000, to be tested monthly.”

3. Notwithstanding the breaches and the Borrower’s failure to satisfy the conditions precedent in Sections 2.8(d), (j), (k) (l) and (v) of the Credit Agreement, the Lender has agreed to make up to \$500,000 available under the Revolving Facility for 30 days commencing from the date hereof, subject to the following conditions:

(a) Each Borrowing Notice received by the Lender supports an availability of up to \$500,000.

(b) The availability of up to \$500,000 under the Revolving Facility shall be terminated forthwith without further notice by the Lender and the Lender shall not be obligated to make any further Advances under the Revolving Facility to the Borrower if the Borrower fails to deliver the following to the Lender:

(i) within 30 days of the date hereof:

(A) evidence of investment of not less than \$8,000,000 in Aleafia Health satisfactory to the Lender in its sole discretion;

(B) compliance with Current Ratio as of April 30, 2022;

(C) the Blocked Account satisfying the condition precedent in Section 2.8(d) is established and operational; and

(ii) within 60 days of the date hereof, an agreement with the holders of the Subordinated Indebtedness amending the terms of the Subordinated Indebtedness satisfactory to the Lender in its sole discretion, and, without limiting the discretion of the Lender, such agreement shall include no payments of principal or interest other than payment of PIK interest so long as any obligations to the Lender are outstanding, extension of the maturity date beyond the maturity date of the facilities extended under the Credit Agreement, no amendment of the amended terms without the prior written consent of the Lender and simultaneous delivery of notices of default to the Lender;

collectively, the “**Revolving Facility Conditions**”.

(c) It shall be an Event of Default if the Borrower fails to satisfy the Revolving Facility Conditions to the Lender within 30 days or 60 days of the date hereof, as the case may be.

(d) Upon satisfaction of the Revolving Facility Conditions and subject to satisfaction of the conditions in Section 2.9 of the Credit Agreement (save and except Section 2.9(f)), and subject further to there being no further change or changes, individually, or in the aggregate, constituting a material adverse change resulting in a Material Adverse Effect, the Lender shall make the full amount of the Revolving Facility Borrowing Limit available to the Borrower.

4. An amendment fee of \$60,000 is payable by the Borrower to the Lender, which fee is fully earned as of the date hereof and shall be added to the Loan with interest accruing at the rates set out at

Section 2.2 and Section 2.1(m) of the Credit Agreement and secured under the Security Documents.

5. The Borrower shall be responsible for all legal fees and disbursements incurred by the Lender in connection with the preparation and negotiation of this Agreement.
6. This Agreement is supplemental to and shall be read with and be deemed to be part of the Credit Agreement, which shall be deemed to be amended *mutatis mutandis* as herein provided. Any reference to the Credit Agreement and any agreements or documents entered into in connection with the Credit Agreement shall mean the Credit Agreement as amended hereby and all such agreements and documents are also hereby amended *pro tanto* to give effect to this Agreement.
7. All the terms and conditions of the Credit Agreement, except insofar as the same are amended by the express provisions of this Agreement, are confirmed and ratified in all respects, shall survive and shall not merge with or be extinguished by the execution and delivery of this Agreement and shall hereafter continue in full force and effect, as amended.
8. This Agreement may be executed in any number of separate counterparts by any one or more of the parties thereto, and all of said counterparts taken together shall constitute one and the same instrument. Delivery of an executed counterpart of this Agreement by telecopier, PDF or by other electronic means shall be as effective as delivery of a manually executed counterparts.
9. The Borrower and the Guarantor agree that they will execute such further assurances with respect to this Agreement and the Credit Agreement as may be required to evidence the true intent and meaning of this Agreement.
10. This Agreement shall be binding upon and enure to the benefit of the parties hereto and their respective successors and permitted assigns.
11. This Agreement shall be construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable herein.

Provided that the foregoing meets with your approval, please acknowledge the foregoing by executing where indicated below and returning a PDF copy of this Agreement to the Lender which shall be as effective as delivery of a manually original executed counterpart.

2.1 Revolving Facility and Term Facility Established:

In reliance upon the representations, warranties and covenants of the Borrower herein contained and subject to the terms and conditions herein set forth, the Lender hereby establishes in favour of the Borrower to refinance certain existing indebtedness, to pay fees and expenses incurred in connection with this Agreement and for ongoing working capital and other general corporate purposes: (a) a demand loan facility (the “**Revolving Facility**”) up to a maximum amount of Seven Million (\$7,000,000) Dollars (the “**Revolving Facility Maximum Amount**”); and (b) a non-revolving term loan facility (the “**Term Facility**”) up to a maximum amount of Twelve Million (\$12,000,000) Dollars (the “**Term Facility Maximum Amount**”), on the following terms:

- (a) The Revolving Facility is payable on the earlier of demand and the second (2nd) anniversary of the first Advance Date. Prior to demand, monthly payments of interest only shall be made on the last business day of each and every month. Notwithstanding any other payment dates specified herein or any other provision hereof, the outstanding Loan Amount under the Revolving Facility is due and payable on demand and the right of the Lender to make partial or full demands hereunder is absolute and unconditional notwithstanding the inclusion of covenants, representations, warranties and any Event of Default. Subject to the Lender's right to make a demand for payment at any time, the Revolving Facility shall be a revolving twenty four (24) month facility.
- (b) The amounts outstanding under the Revolving Facility may be repaid and re-borrowed from time to time, subject to the provisions of this Agreement. Amounts borrowed shall be made by way of draw-downs of Revolving Facility Advances (in the minimum amount of Fifty Thousand (\$50,000) Dollars each) and no more than weekly. No further draw-downs will be permitted under the Revolving Facility after a demand for payment is made by the Lender. All amounts outstanding may be repaid in accordance with the provisions of Section 2.1(a) hereof.
- (c) Each request by the Borrower for an Advance (including, unless otherwise agreed, for the initial Advance) under the Revolving Facility shall be made by the delivery to the Lender of a duly completed and executed borrowing notice in the form of Schedule “6” (each, a “**Borrowing Notice**”).
- (d) The “**Lending Margin**” shall be calculated as 75% of the Eligible Accounts, less reserves for Priority Payables of **each Borrowing Base Party** as determined by the Lender in its sole discretion.
- (e) The outstanding Loan Amount under the Revolving Facility shall not at any time exceed the lesser of (i) the Revolving Facility Maximum Amount and the Lending Margin (the “**Revolving Facility Borrowing Limit**”). No draw-down of a Revolving Facility Advance shall be permitted if, after the Advance, the outstanding Loan Amount under the Revolving Facility would exceed the Revolving Facility Borrowing Limit.
- (f) The Term Facility shall be advanced in one Advance. The amount of the Advance shall be Twelve Million (\$12,000,000) Dollars.
- (g) The Loan Amount under the Term Facility shall not exceed the lesser of (i) the Term Facility Maximum Amount and (ii) 65% of the appraisal of the Real Property and the Equipment (the “**Term Facility Borrowing Limit**”), such appraisal to be completed by a third party appraiser satisfactory to the Lender in its sole discretion. All values attributed to the Real Property and the Equipment shall be in the sole discretion of the Lender. At no time shall the Term Facility exceed the Term Facility Borrowing Limit.
- (h) The Term Facility shall be repayable on the earlier of demand and the second (2nd) anniversary of the first Advance Date. Prior to demand, the Term Facility shall be repayable as follows:

- (i) monthly payments of interest only shall be made on the last business day of each and every month on the principal amount outstanding under the Term Facility; provided that, for the six (6) month period following the first Advance Date, interest on the Term Facility and such amount shall accrue and be added to the principal outstanding under the Term Facility;
 - (ii) on the earlier of demand and the second anniversary (2nd) of the Advance Date, the Borrower shall pay the outstanding balance of the Term Facility with all interest accrued but unpaid thereon, together with any other amounts outstanding or payable hereunder; and
 - (iii) if, in any given month, the regular payment date is not a Business Day, then the payment shall be made prior to 1:00 p.m. (Toronto time) on the close of Business Day prior to such regular payment date.
- (i) Provided the Lender has not made a demand hereunder and there shall not have occurred any Event of Default hereunder, the Borrower shall have the privilege of prepaying the Loan in whole:
- (i) prior to the first anniversary of the first Advance Date of the Loan, on payment of an amount equal to one percent (1.0%) of the Loan Amount; or
 - (ii) on or following the first anniversary of the first Advance Date of the Loan, without penalty on ninety (90) days' prior written notice to the Lender, or payment of ninety (90) days' interest on the Loan Amount in lieu of such notice;

together with all accrued and unpaid interest thereon to the date of the prepayment together with any other amounts outstanding or payable hereunder.

- (j) Any payment of principal or interest hereunder shall be made payable to or to the order of the Lender or to such Person or Persons as the Lender may from time to time in writing direct.
- (k) Notwithstanding anything to the contrary herein, any partial or late payments shall be applied against any part of the indebtedness owing hereunder by the Borrower to the Lender as the Lender may see fit in its sole and absolute discretion and the Lender shall at all times and from time to time have the right to change any application of any late or partial payment received by it and to re-apply the same on any part or parts of such indebtedness as the Lender may see fit in its sole and absolute discretion, notwithstanding any previous application.
- (l) All payments hereunder shall be made at the Lender's office in Toronto, Ontario as set out in Section 9.1 hereof prior to 1:00 p.m. (Toronto time). Any payments received by the Lender after 1:00 p.m. (Toronto time) on the day payable shall be deemed to have been made and to have been received by the Lender on the next Business Day.
- (m) Interest on overdue interest shall be calculated in respect of the daily balance outstanding at the rate of interest set out in Section 2.2 hereof plus five percent (5%) per annum, determined daily and calculated and payable monthly, based on the actual number of days elapsed divided by 365.
- (n) In the event that any provision of this Agreement would oblige Borrower to make any payment of interest or any other payment that is construed by a court of competent jurisdiction to be interest in an amount or calculated at a rate that would be prohibited by law or would result in a receipt by Lender of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)), then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted *nunc pro tunc* to the Revolving Facility Maximum Amount, the Term Facility Maximum Amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by the Lender of interest at a criminal rate, such adjustment to be effected, to the extent necessary, (i) firstly, by reducing the amount or rate of interest otherwise required to be paid under Sections 2.1(n) and 2.2 and (ii) thereafter, by reducing any fees, commissions, premiums and other amounts that would constitute interest for the purposes of section 347 of the Criminal Code (Canada). If,

notwithstanding the provisions of this Section 2.1(o) and after giving effect to all adjustments contemplated thereby, the Lender shall have received an amount in excess of the maximum permitted by the *Criminal Code* (Canada), then such excess shall be applied by the Lender to the reduction of the principal balance of the Loan outstanding and not to the payment of interest or if such excessive interest exceeds such principal balance, such excess shall be refunded to Borrower. Any amount or rate of interest referred to in this Section 2.1(o) shall be determined in accordance with generally accepted actuarial practices and principles at an effective annual rate of interest over the term of this Agreement on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the *Criminal Code* (Canada)) shall, if they relate to a specific period of time, be prorated over that period of time and otherwise be prorated over the terms of this Agreement and, in the event of dispute, a certificate of a Fellow of the Canadian Institute of Actuaries appointed by the Lender shall be conclusive for the purposes of such determination.

- (o) Unless otherwise stated, wherever in this Agreement reference is made to a rate of interest "per annum" or a similar expression is used, such interest will be calculated on the basis of a calendar year of 365 days or 366 days, as the case may be, and using the nominal rate method of calculation, and will not be calculated using the effective rate method of calculation or on any other basis that gives effect to the principle of deemed re-investment of interest.
- (p) For the purposes of the *Interest Act* (Canada) and disclosure under such act, whenever interest to be paid under this Agreement is to be calculated on the basis of a year of 365 or 366 days or any other period of time that is less than a calendar year, the yearly rate of interest to which the rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 365 or 366 or such other period of time, as the case may be.

2.2 Interest:

Interest shall be calculated at the rate of the National Bank of Canada prime rate plus nine percent (9.0%) per annum on the daily balance outstanding under the Revolving Facility and the Term Facility and payable monthly in arrears during the term of the Term Facility commencing on the last business day of the month in which the first Advance Date under the Revolving Facility and the Advance Date under the Term Facility fall, provided that the National Bank of Canada prime rate shall be deemed at all times to be the greater of then current National Bank of Canada prime rate and three point four five percent (3.45%) per annum. Interest shall be calculated monthly in arrears, before and after maturity, default or judgment, with interest on overdue interest calculated in the same manner at any time on the daily balance outstanding at the same rate based on the actual number of days lapsed divided by 365.

2.3 Legal Fees:

All reasonable legal, financial and other advisory fees and disbursements (on a full indemnity basis) of the Lender in connection with the completion of the transactions contemplated herein and includes, without limitation, the drafting, preparation and negotiation of the agreements and other documents governing this transaction, advising the Lender thereon and closing and reporting upon the completion of the transaction, shall be borne by the Borrower and shall be payable on the earlier of the first Advance Date under the Revolving Facility and the first Advance Date under the Term Facility. Such fees and disbursements are payable whether or not the Revolving Facility or the Term Facility are completed or funds are advanced in connection therewith and shall be secured by the Security Documents.

2.4 Commitment Fee:

In connection with the Revolving Facility and the Term Facility, the Borrower shall pay to the Lender a commitment fee equal to one percent (1.0%) of the Maximum Amount. The commitment fee is fully earned and is due and payable on the first Advance Date under the Revolving Facility and the Term Facility.

2.5 Facility Fee:

In connection with the Revolving Facility and the Term Facility, the Borrower shall pay to the Lender a facility fee equal to one percent (1.0%) of the Maximum Amount. The facility fee is fully earned and is due and payable on the first Advance Date under the Revolving Facility and the Term Facility and on each anniversary of the first Advance Date thereafter, including renewals, if any, of the Loan.

2.6 Real Property Appraisal Fee:

In connection with the Term Facility, the Borrower shall pay to the Lender on demand all out of pocket expenses incurred by the Lender in connection with the appraisals of the Real Property and the Equipment conducted for the Lender by a third party appraiser satisfactory to the Lender in its sole discretion; provided, however, that so long as no Default has occurred, the Borrower shall not be required to reimburse the cost of more than one such appraisal in each year the Loan remaining outstanding and any appraisal is conducted at least 90 days prior to anniversary of the first Advance Date. If such amount is not paid within five (5) days of demand, such amount shall be a request for an advance under the Revolving Facility and shall constitute a Loan and a Revolving Facility Advance.

2.7 Proof of Loan Amount:

The Borrower acknowledges that the recording by the Lender of the Advances and any principal, interest, fees, payments or other amounts owing or received under this Agreement in an account opened and maintained by the Lender in respect thereof shall constitute, in the absence of manifest error, conclusive evidence of the Borrower's indebtedness and liability at any time and from time to time under this Agreement; provided that the failure of the Lender to record any amount in such account shall not affect the obligation of the Borrower to pay or repay such indebtedness and liability in accordance with the terms of this Agreement.

2.8 Pre-Conditions to the First Advance:

The Lender shall not be obliged to make the first Advance under the Revolving Facility and the Term Facility unless and until each of the following conditions has been fulfilled, satisfied and performed in a manner completely satisfactory to the Lender and its counsel in all respects:

- (a) the Lender shall have obtained approval for the Loan from its Credit Committee;
- (b) all of the Security Documents, each in form and substance satisfactory to and approved by the Lender and the Lender's Counsel, shall have been executed by such Persons as are duly authorized to execute such documents and the Lender shall be satisfied that such Persons have been so duly authorized and such documents shall have been delivered to the Lender's Counsel and filed and registered as the Lender's Counsel may consider necessary or advisable;

LITIGATION

Certain of Emblem Corp.'s former executives have been named in a claim commenced March 20, 2015 in the Ontario Superior Court of Justice that also identifies Emblem Corp. and Emblem in relation to certain services provided to the Emblem Corp. parties by an individual. The plaintiff has claimed \$10 million in damages. The claim is being contested and the action is currently at the discovery stage. The outcome of this legal matter is subject to negotiations by the officers of the Borrower and the Borrower believes its is unlikely to be impacted and accordingly, no amount has been provided for. A separate claim was also initiated by Tayts on March 22, 2019 in the Ontario Superior Court of Justice against Emblem and Emblem Corp. arising out of the same facts and seeking the same damages. The claim is contested but pleadings have not yet concluded. On June 16, 2020, a class-action lawsuit was issued in Calgary, Alberta by Lisa Marie Langevin as the proposed representative plaintiff. The claim has been filed against most of the cannabis manufacturers in Canada and includes, among the many defendants, Emblem Corp. and Aleafia Health. The claim alleges that the THC and CBD levels in the products manufactured and/or sold by the defendants differed from what was represented on packaging, specifically alleging that THC and CBD levels were found to be significantly higher than indicated in some products while others may have had significantly lower levels. The action is seeking \$500 million (or such other amount as may be proven at trial) for all Canadians who purchased medicinal cannabis products on or after June 16, 2010 as well as Canadians who legally purchased cannabis for recreational purposes on or after October 17, 2018. The claim also seeks \$5,000,000 in punitive damages. Ms. Langevin has not alleged that she ever purchased product from Emblem or Aleafia Health. The case is at its earliest stages and has not been certified as a class proceeding. The Borrower believes it has good defences to the claim and intends to vigorously defend the claim. Accordingly, at this stage no contingency has been provided for in respect of this claim.

"Money" has the meaning given to it in the PPSA or, if there is no such meaning given in the PPSA, means a medium of exchange authorized or adopted by the Parliament of Canada as part of the currency of Canada, or by a foreign government as part of its currency.

"PPSA" means the Personal Property Security Act of the province referred to in the "Governing Law" section of this Agreement, as such legislation may be amended, renamed or replaced from time to time (and includes all regulations from time to time made under such legislation).

"Permits" means all permits, licences, authorizations, approvals, franchises, rights-of-way, easements and entitlements that the Debtor has, requires or is required to have, to own, possess or operate any of its property or to operate and carry on any part of its business.

"Personal Property" means personal property and includes Accounts, Books and Records, Chattel Paper, Contracts, Documents of Title, Equipment, Goods, Instruments, Intangibles (including Intellectual Property Rights and Permits), Inventory, Money and Investment Property.

"Receiver" means a receiver, a manager or a receiver and manager.

"Security Interest" means any mortgage, charge, pledge, hypothecation, lien (statutory or otherwise), assignment, finance lease, title retention agreement or arrangement, security interest or other encumbrance or adverse claim of any nature, or any other security agreement or arrangement creating in favour of any creditor a right in respect of a particular property.

2. Grant of Security Interest. As general and continuing collateral security for the due payment and performance of the Liabilities, the Debtor mortgages, charges and assigns (by way of security) to the Creditor, and grants to the Creditor a security interest in, the Collateral.

3. Limitations on Grant of Security Interest. If the grant of any Security Interest in respect of any Contract, Intellectual Property Right or Permit under Section 2 would result in the termination or breach of such Contract, Intellectual Property Right or Permit, then the applicable Contract, Intellectual Property Right or Permit will not be subject to any Security Interest under Section 2 but will be held in trust by the Debtor for the benefit of the Creditor and, on exercise by

the Creditor of any of its rights under this Agreement following Default, assigned by the Debtor as directed by the Creditor. In addition, the Security Interests created by this Agreement do not attach to Consumer Goods or extend to the last day of the term of any lease or agreement for lease of real property. Such last day will be held by the Debtor in trust for the Creditor and, on the exercise by the Creditor of any of its rights under this Agreement following Default, will be assigned by the Debtor as directed by the Creditor.

4. Attachment; No Obligation to Advance. The Debtor confirms that value has been given by the Creditor to the Debtor, that the Debtor has rights in the Collateral (other than after-acquired property) and that the Debtor and the Creditor have not agreed to postpone the time for attachment of the Security Interests created by this Agreement to any of the Collateral. The Security Interests created by this Agreement will have effect and be deemed to be effective whether or not the Liabilities or any part thereof are owing or in existence before or after or upon the date of this Agreement. Neither the execution of this Agreement nor any advance of funds shall oblige the Creditor to advance any funds or any additional funds.

5. Representations and Warranties. The Debtor represents and warrants to the Creditor that, as of the date of this Agreement:

(a) Places of Business, Name, Location of Collateral. The Debtor's principal place of business and chief executive office, and the place where it keeps its Books and Records, is at the address specified on the signature page of this Agreement, and its full legal name, and any other name under which it conducts its business, is specified on the signature page of this Agreement. The location of all other existing places where the Debtor carries on business or keeps tangible Personal Property, the location of all jurisdictions in which account debtors of the Debtor are located, and the location of all real property owned by the Debtor, are set out in Schedule A to this Agreement.

(b) Title; No Other Security Interests. Except for Permitted Encumbrances, the Debtor owns (or, with respect to any leased or licensed property forming part of the Collateral, holds a valid leasehold or licensed interest in) the Collateral free and clear of any Security Interests. No security agreement, financing statement or other notice with respect to any or all of the Collateral is on file or on record in any public office, except for filings with respect to Permitted Encumbrances.

(c) Amount of Accounts. The amount represented by the Debtor to the Creditor from time to time as owing by each account debtor or by all account debtors in respect of the Accounts will at such time be the correct amount so owing by such account debtor or debtors and, unless disclosed in writing by the Debtor to the Creditor at that time, will be owed free of any dispute, set-off or counterclaim.

(d) Authority; Consents. The Debtor has full power and authority to grant to the Creditor the Security Interests created by this Agreement and to execute, deliver and perform its obligations under this Agreement, and such execution, delivery and performance does not contravene any of the Debtor's constating documents or by-laws or any agreement, instrument or restriction to which the Debtor is a party or by which the Debtor or any of the Collateral is bound. Except for any consent that has been obtained and is in full force and effect, no consent of any party (other than the Debtor) to any Contract or any obligor in respect of any Account is required, or purports to be required, for the execution, delivery and performance of this Agreement. Except as disclosed in writing by the Debtor to the Creditor, neither the Debtor nor (to the best of the Debtor's knowledge) any other party to any Account or Contract is in default or is likely to become in default in the performance or observance of any of the terms of such Account or Contract.

(e) Execution and Delivery; Enforceability. This Agreement has been duly authorized, executed and delivered by the Debtor and is a valid and binding obligation of the Debtor enforceable against the Debtor in accordance with its terms, subject only to bankruptcy, insolvency, liquidation, reorganization, moratorium and other similar laws generally affecting the enforcement of creditors' rights, and to the fact that equitable remedies (such as specific performance and injunction) are discretionary remedies.

(f) Motor Vehicles. A description of all motor vehicles and other "serial number" goods (i.e. trailers, mobile homes, aircraft, aircraft engines and vessels) (including vehicle identification numbers) presently owned by the Debtor, classified as Equipment and are included in calculating the Term Facility Borrowing Limited as set out in the Loan Agreement, is set out in Schedule A to this Agreement.

(g) No Consumer Goods. The Debtor does not own any Consumer Goods which are material in value or which are material to the business, operations, property, condition or prospects (financial or otherwise) of the Debtor.

(h) Intellectual Property Rights. All registrations and applications for registration pertaining to Intellectual Property Rights owned by the Debtor, and all other Intellectual Property Rights of the Debtor, are described in Schedule A to this Agreement. To the best of the Debtor's knowledge, each such Intellectual Property Right is valid, subsisting, unexpired, enforceable and has not been abandoned. Except as set out in such Schedule, none of such Intellectual Property Rights has been licensed or franchised by the Debtor to any Person.

6. Survival of Representations and Warranties. All agreements, representations, warranties and covenants made by the Debtor in this Agreement are material, will be considered to have been relied on by the Creditor and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Creditor and any disposition or payment of the Liabilities until repayment and performance in full of the Liabilities and termination of all rights of the Debtor that, if exercised, would result in the existence of Liabilities.

7. Covenants. The Debtor covenants and agrees with the Creditor that:

(a) Further Documentation. The Debtor will from time to time, at the expense of the Debtor, promptly and duly authorize, execute and deliver such further instruments and documents, and take such further action, as the Creditor may request for the purpose of obtaining or preserving the full benefits of, and the rights and powers granted by, this Agreement (including the filing of any financing statements or financing change statements under any applicable legislation with respect to the Security Interests created by this Agreement). The Debtor acknowledges that this Agreement has been prepared based on the existing laws in the province referred to in the "Governing Law" section of this Agreement and that a change in such laws, or the laws of other jurisdictions, may require the execution and delivery of different forms of security documentation. Accordingly, the Debtor agrees that the Creditor will have the right to require that this Agreement be amended, supplemented or replaced, and that the Debtor will immediately on request by the Creditor authorize, execute and deliver any such amendment, supplement or replacement (i) to reflect any changes in such laws, whether arising as a result of statutory amendments, court decisions or otherwise, (ii) to facilitate the creation and registration of appropriate security in all appropriate jurisdictions, or (iii) if the Debtor merges or amalgamates with any other Person or enters into any corporate reorganization, in each case in order to confer on the Creditor Security Interests similar to, and having the same effect as, the Security Interests created by this Agreement.

(b) Delivery of Certain Collateral. Promptly upon request from time to time by the Creditor, the Debtor will deliver (or cause to be delivered) to the Creditor, endorsed and/or accompanied by such instruments of assignment and transfer in such form and substance as the Creditor may reasonably request, any and all Instruments, Investment Property, Documents of Title and Chattel Paper included in or relating to the Collateral as the Creditor may specify in its request.

(c) Payment of Expenses; Indemnification. The Debtor will pay on demand, and will indemnify and save the Creditor harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (i) incurred by the Creditor in the preparation, registration, administration or enforcement of this Agreement, (ii) with respect to, or resulting from, any failure or delay by the Debtor in performing or observing any of its obligations under this Agreement, or (iii) incurred by the Creditor in performing or observing any of the other covenants of the Debtor under this Agreement.

(d) Maintenance of Records. The Debtor will keep and maintain accurate and complete records of the Collateral, including a record of all payments received and all credits granted with respect to the Accounts and Contracts. At the written request of the Creditor, the Debtor will mark any Collateral specified by the Creditor to evidence the existence of the Security Interests created by this Agreement.

(e) Right of Inspection. The Creditor may, at all times during normal business hours, without charge, examine and make copies of all Books and Records, and may discuss the affairs, finances and accounts of the Debtor with its officers and accountants. The Creditor may also, without charge, enter the premises of the Debtor where any of the Collateral is located for the purpose of inspecting the Collateral, observing its use or otherwise protecting its interests in the Collateral. The Debtor, at its expense, will provide the Creditor with such clerical and other assistance as may be reasonably requested by the Creditor to exercise any of its rights under this paragraph.

(f) Limitations on Other Security Interests. The Debtor will not create, incur or permit to exist, and will defend the Collateral against, and will take such other action as is necessary to remove, any and all Security Interests in and other claims affecting the Collateral, other than the Security Interests created by this Agreement or as permitted in writing by the Creditor, and the Debtor will defend the right, title and interest of the Creditor in and to the Collateral against the claims and demands of all Persons.

(g) Limitations on Dispositions of Collateral. The Debtor will not, without the Creditor's prior written consent, sell, lease or otherwise dispose of any of the Collateral, except that Inventory may be sold, leased or otherwise disposed of, and subject to Section 17, Accounts may be collected, in the ordinary course of the Debtor's business. Following Default, all Proceeds of the Collateral (including all amounts received in respect of Accounts) received by or on behalf of the Debtor, whether or not arising in the ordinary course of the Debtor's business, will be received by the Debtor as trustee for the Creditor, remain segregated from the property of the Debtor or any other Person and will be immediately paid to the Creditor.

(h) Limitations on Modifications, Waivers, Extensions. Other than as permitted by paragraph (i) below, the Debtor will not (i) amend, modify, terminate or waive any provision of any Permit, Contract or any document giving rise to an Account in any manner which is or could reasonably be expected to be materially adverse to the Debtor or the Creditor, or (ii) fail to

exercise promptly and diligently its rights under each Contract and each document giving rise to an Account if such failure is or could reasonably be expected to be materially adverse to the Debtor or the Creditor.

(i) Limitations on Discounts, Compromises, Extensions of Accounts. Other than in the ordinary course of business of the Debtor consistent with previous practices, the Debtor will not (i) grant any extension of the time for payment of any Account, (ii) compromise, compound or settle any Account for less than its full amount, (iii) release, wholly or partially, any Person liable for the payment of any Account, or (iv) allow any credit or discount of any Account.

(j) Maintenance of Collateral. The Debtor will maintain all tangible Collateral in good operating condition, ordinary wear and tear excepted, and the Debtor will provide all maintenance, service and repairs necessary for such purpose.

(k) Insurance. The Debtor will keep the Collateral insured with financially sound and reputable companies to its full insurable value against loss or damage by fire, explosion, theft and such other risks as are customarily insured against by Persons carrying on similar businesses or owning similar property within the vicinity in which the Debtor's applicable business or property is located. The applicable insurance policies will be in form and substance satisfactory to the Creditor and will (i) contain a breach of warranty clause in favour of the Creditor, (ii) provide that no cancellation, material reduction in amount or material change in coverage will be effective until at least 30 days after receipt of written notice thereof by the Creditor, (iii) contain by way of endorsement a mortgagee clause in form and substance satisfactory to the Creditor, and (iv) name the Creditor as loss payee as its interest may appear. The Debtor will, from time to time at the Creditor's request, deliver the applicable insurance policies (or satisfactory evidence of such policies) to the Creditor. If the Debtor does not obtain or maintain such insurance, the Creditor may, but need not, do so, in which event the Debtor will immediately on demand reimburse the Creditor for all payments made by the Creditor in connection with obtaining and maintaining such insurance, and until reimbursed any such payment will form part of the Liabilities and will be secured by the Security Interests created by this Agreement. Neither the Creditor nor its correspondents or its agents will be responsible for the character, adequacy, validity or genuineness of any insurance, the solvency of any insurer, or any other risk connected with insurance.

(l) Further Identification of Collateral. The Debtor will promptly furnish to the Creditor such statements, schedules, permits and licenses further identifying and describing the Collateral, and such other reports in connection with the Collateral, as the Creditor may from time to time reasonably request, including an updated list of any motor vehicles or other "serial number" goods owned by the Debtor and classified as Equipment, including vehicle identification numbers.

(m) Notices. The Debtor will advise the Creditor promptly, in reasonable detail, of (i) any Security Interest (other than the Security Interests created by this Agreement and any Security Interest permitted in writing by the Creditor) on, or claim asserted against, any of the Collateral, (ii) the occurrence of any event, claim or occurrence that could reasonably be expected to have a material adverse effect on the value of the Collateral or on the Security Interests created by this Agreement, (iii) any change in the location of any place of business (including additional locations) or the chief executive office of the Debtor, (iv) any change in the location of any of the tangible Collateral (including additional locations), (v) any acquisition of real property by the Debtor, (vi) any change in the name of the Debtor, (vii) any merger or amalgamation of the Debtor with any other Person, (viii) any additional jurisdiction in which material accounts debtors of the Debtor are located, and (ix) any material loss of or damage to any of the Collateral. The Debtor agrees not to effect or permit any of the changes referred to in clauses (iii) to (viii) above unless

all filings have been made and all other actions taken that are required in order for the Creditor to continue at all times following such change to have a valid and perfected Security Interest in respect of all of the Collateral.

(n) Delivery of Agreements re Intellectual Property Rights. The Debtor will promptly, following demand from time to time by the Creditor, authorize, execute and deliver any and all agreements, instruments, documents and papers that the Creditor may request to evidence the Creditor's Security Interests in any Intellectual Property Rights and, where applicable, the goodwill of the business of the Debtor connected with the use of, and symbolized by, any such Intellectual Property Rights.

8. Rights on Default. On Default, all of the Liabilities will, at the option of the Creditor, become immediately due and payable and the security constituted by this Agreement will become enforceable, and the Creditor may, personally or by agent, at such time or times as the Creditor in its sole discretion may determine, do any one or more of the following:

(a) Rights under PPSA, etc. Exercise all of the rights and remedies granted to secured parties under the PPSA and any other applicable statute, or otherwise available to the Creditor at law or in equity.

(b) Demand Possession. (c) Take Possession. Enter on any premises where any Collateral is located and take possession of, disable or remove such Collateral.

(d) Deal with Collateral. Hold, store and keep idle, or operate, lease or otherwise use or permit the use of, any or all of the Collateral for such time and on such terms as the Creditor may determine, and demand, collect and retain all earnings and other sums due or to become due from any Person in respect of any of the Collateral.

(e) Carry on Business. Carry on, or concur in the carrying on of, any or all of the business or undertaking of the Debtor and enter on, occupy and use (without charge by the Debtor) any of the premises, buildings, plant and undertaking of, or occupied or used by, the Debtor.

(f) Enforce Collateral. Seize, collect, receive, enforce or otherwise deal with any Collateral in such manner, on such terms and conditions and at such times as the Creditor deems advisable.

(g) Dispose of Collateral. Realize on any or all of the Collateral and sell, lease, assign, give options to purchase, or otherwise dispose of and deliver any or all of the Collateral (or contract to do any of the above), in one or more parcels at any public or private sale, at any exchange, broker's board or office of the Creditor or elsewhere, on such terms and conditions as the Creditor may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery. The Debtor shall only be entitled to credit against the liability for money actually received by the Creditor, less the Creditor's costs and expenses of disposition. In no event shall the Debtor be entitled to credit for any deferred payment in respect of collateral realized by the Creditor.

(h) Court-Approved Disposition of Collateral. Apply to a court of competent jurisdiction for the sale or foreclosure of any or all of the Collateral.

(i) Purchase by Creditor. At any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Collateral offered for sale and, upon compliance with the terms of such sale, hold, retain and dispose of such Collateral without any further accountability to the Debtor or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Creditor, the Creditor may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Liabilities then due and payable to it as a credit against the purchase price.

(j) Collect Accounts. Notify the account debtors or obligors under any Accounts of the assignment of such Accounts to the Creditor and direct such account debtors or obligors to make payment of all amounts due or to become due to the Debtor in respect of such Accounts directly to the Creditor and, upon such notification and at the expense of the Debtor, enforce collection of any such Accounts, and adjust, settle or compromise the amount or payment of such Accounts, in such manner and to such extent as the Creditor deems appropriate in the circumstances. The Debtor shall give the Creditor any assistance requested by the Creditor with respect to such accounts as may be required to assess its value.

(k) Transfer of Investment Property. Transfer any Investment Property forming part of the Collateral into the name of the Creditor or its nominee, with or without disclosing that the Investment Property is subject to the Security Interests arising under this Agreement.

(l) Exercise of Rights. Exercise any and all rights, privileges, entitlements and options pertaining to any Investment Property forming part of the Collateral as if the Creditor were the absolute owner of such Investment Property.

(m) Payment of Liabilities. Pay any liability secured by any Security Interest against any Collateral. The Debtor will immediately on demand reimburse the Creditor for all such payments.

(n) Borrow and Grant Security Interests. Borrow money for the maintenance, preservation or protection of any Collateral or for carrying on any of the business or undertaking of the Debtor and grant Security Interests on any Collateral (in priority to the Security Interests created by this Agreement or otherwise) as security for the money so borrowed. The Debtor will immediately on demand reimburse the Creditor for all such borrowings.

(o) Appoint Receiver. Appoint by instrument in writing one or more Receivers of the Debtor or any or all of the Collateral with such rights, powers and authority (including any or all of the rights, powers and authority of the Creditor under this Agreement) as may be provided for in the instrument of appointment or any supplemental instrument, and remove and replace any such Receiver from time to time. To the extent permitted by applicable law, any Receiver appointed by the Creditor will (for purposes relating to responsibility for the Receiver's acts or omissions) be considered to be the agent of the Debtor and not of the Creditor.

(p) Court-Appointed Receiver. Apply to a court of competent jurisdiction for the appointment of a Receiver of the Debtor or of any or all of the Collateral.

(q) Consultants. Require the Debtor to engage a consultant of the Creditor's choice, or engage a consultant on its own behalf, such consultant to receive the full cooperation and support of the Debtor and its employees, including unrestricted access to the premises, books and records of the Debtor; all reasonable fees and expenses of such consultant shall be for the

account of the Debtor and the Debtor hereby authorizes any such consultant to report directly to the Creditor and to disclose to the Creditor any and all information obtained in the course of such consultant's employment.

The Creditor may exercise any or all of the foregoing rights and remedies without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except as required by applicable law) to or on the Debtor or any other Person, and the Debtor by this Agreement waives each such demand, presentment, protest, advertisement and notice to the extent permitted by applicable law. None of the above rights or remedies will be exclusive of or dependent on or merge in any other right or remedy, and one or more of such rights and remedies may be exercised independently or in combination from time to time. Without prejudice to the ability of the Creditor to dispose of the Collateral in any manner which is commercially reasonable, the Debtor acknowledges that a disposition of Collateral by the Creditor which takes place substantially in accordance with the following provisions will be deemed to be commercially reasonable:

- (i) Collateral may be disposed of in whole or in part;
- (ii) Collateral may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (iii) any purchaser or lessee of Collateral may be a customer of the Creditor;
- (iv) a disposition of Collateral may be on such terms and conditions as to credit or otherwise as the Creditor, in its sole discretion, may deem advantageous; and
- (v) the Creditor may establish an upset or reserve bid or price in respect of Collateral.

9. Grant of Licence. For the purpose of enabling the Creditor to exercise its rights and remedies under Section 8 when the Creditor is entitled to exercise such rights and remedies, and for no other purpose, the Debtor grants to the Creditor an irrevocable, non-exclusive licence (exercisable without payment of royalty or other compensation to the Debtor) to use, assign or sublicense any or all of the Intellectual Property Rights, including in such licence reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout of the same.

10. Sale of Investment Property. The Creditor is authorized, in connection with any offer or sale of any Investment Property forming part of the Collateral, to comply with any limitation or restriction as it may be advised by counsel is necessary to comply with applicable law, including compliance with procedures that may restrict the number of prospective bidders and purchasers, requiring that prospective bidders and purchasers have certain qualifications, and restricting prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account or investment and not with a view to the distribution or resale of such Investment Property. The Debtor further agrees that compliance with any such limitation or restriction will not result in a sale being considered or deemed not to have been made in a commercially reasonable manner, and the Creditor will not be liable or accountable to the Debtor for any discount allowed by reason of the fact that such Investment Property are sold in compliance with any such limitation or restriction.

11. Application of Proceeds. All Proceeds of Collateral received by the Creditor or a Receiver may be applied to discharge or satisfy any expenses (including the Receiver's remuneration and other expenses of enforcing the Creditor's rights under this Agreement), Security Interests in favour of Persons other than the Creditor, borrowings, taxes and other

outgoings affecting the Collateral or which are considered advisable by the Creditor or the Receiver to protect, preserve, repair, process, maintain or enhance the Collateral or prepare it for sale, lease or other disposition, or to keep in good standing any Security Interests on the Collateral ranking in priority to any of the Security Interests created by this Agreement, or to sell, lease or otherwise dispose of the Collateral. The balance of such Proceeds may, at the sole discretion of the Creditor, be held as collateral security for the Liabilities or be applied to such of the Liabilities (whether or not the same are due and payable) in such manner and at such times as the Creditor considers appropriate and thereafter will be accounted for as required by law.

12. Continuing Liability of Debtor. The Debtor will remain liable for any Liabilities that are outstanding following realization of all or any part of the Collateral and the application of the Proceeds thereof.

13. Creditor's Appointment as Attorney-in-Fact. The Debtor constitutes and appoints the Creditor and any officer or agent of the Creditor, with full power of substitution, as the Debtor's true and lawful attorney-in-fact with full power and authority in the place of the Debtor and in the name of the Debtor or in its own name, from time to time in the Creditor's discretion to take any and all appropriate action and to execute any and all documents and instruments as, in the opinion of such attorney acting reasonably, may be necessary or desirable to accomplish the purposes of this Agreement. These powers are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created by this Agreement are released. Nothing in this Section affects the right of the Creditor as secured party or any other Person on the Creditor's behalf, to sign and file or deliver (as applicable) all such financing statements, financing change statements, notices, verification statements and other documents relating to the Collateral and this Agreement as the Creditor or such other Person considers appropriate.

14. Performance by Creditor of Debtor's Obligations. If the Debtor fails to perform or comply with any of the obligations of the Debtor under this Agreement, the Creditor may, but need not, perform or otherwise cause the performance or compliance of such obligation, provided that such performance or compliance will not constitute a waiver, remedy or satisfaction of such failure. The expenses of the Creditor incurred in connection with any such performance or compliance will be payable by the Debtor to the Creditor immediately on demand, and until paid, any such expenses will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

15. Interest. If any amount payable to the Creditor under this Agreement is not paid when due, the Debtor will pay to the Creditor, immediately on demand, interest on such amount from the date due until paid, at the highest annual rate applicable to the Liabilities from time to time, including default rates. All amounts payable by the Debtor to the Creditor under this Agreement, and all interest on all such amounts, compounded monthly on the last Business Day of each month, will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

16. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

17. Rights of Creditor; Limitations on Creditor's Obligations.

(a) Limitations on Creditor's Liability. The Creditor will not be liable to the Debtor or any other Person for any failure or delay in exercising any of the rights of the Debtor under this

Agreement (including any failure to take possession of, collect, sell, lease or otherwise dispose of any Collateral, or to preserve rights against prior parties). Neither the Creditor, a Receiver nor any agent of the Creditor (including, in Alberta or British Columbia, any sheriff) is required to take, or will have any liability for any failure to take or delay in taking, any steps necessary or advisable to preserve rights against other Persons in respect of any Collateral. Neither the Creditor nor any Receiver will be liable for any, and the Debtor will bear the full risk of all, loss or damage to any and all of the Collateral (including any Collateral in the possession of the Creditor or any Receiver) caused for any reason other than the gross negligence or wilful misconduct of the Creditor or such Receiver.

(b) Debtor Remains Liable under Accounts and Contracts. Notwithstanding any provision of this Agreement, the Debtor will remain liable under each of the documents giving rise to the Accounts and under each of the Contracts to observe and perform all the conditions and obligations to be observed and performed by the Debtor thereunder, all in accordance with the terms of each such document and Contract. The Creditor will have no obligation or liability under any Account (or any document giving rise thereto) or Contract by reason of or arising out of this Agreement or the receipt by the Creditor of any payment relating to such Account or Contract pursuant hereto, and in particular (but without limitation), the Creditor will not be obligated in any manner to perform any of the obligations of the Debtor under or pursuant to any Account (or any document giving rise thereto) or under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Account (or any document giving rise thereto) or under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time.

(c) Collections on Accounts and Contracts. The Creditor hereby authorizes the Debtor to collect the Accounts and payments under the Contracts in the normal course of the business of the Debtor and for the purpose of carrying on the same. If required by the Creditor at any time, any payments of Accounts or under Contracts, when collected by the Debtor, will be forthwith (and, in any event, within two Business Days) deposited by the Debtor in the exact form received, duly endorsed by the Debtor to the Creditor if required, in a special collateral account maintained by the Creditor, and until so deposited, will be held by the Debtor in trust for the Creditor, segregated from other funds of the Debtor or any other Person. All such amounts while held by the Creditor (or by the Debtor in trust for the Creditor) and all income in respect thereof will continue to be collateral security for the Liabilities and will not constitute payment thereof until applied as hereinafter provided. If a Default has occurred, the Creditor may apply all or any part of the amounts on deposit in said special collateral account on account of the Liabilities in such order as the Creditor may elect. At the Creditor's request, the Debtor will deliver to the Creditor any documents evidencing and relating to the agreements and transactions which gave rise to the Accounts and Contracts, including all original orders, invoices and shipping receipts.

(d) Analysis of Accounts. The Creditor will have the right to analyze and verify the Accounts in any manner and through any medium that it reasonably considers advisable, and the Debtor will furnish all such assistance and information as the Creditor may require in connection therewith. The Creditor may in its own name or in the name of others (including the Debtor) communicate with account debtors on the Accounts and parties to the Contracts to verify with them to its satisfaction the existence, status, amount and terms of any Account or any Contract. At any time and from time to time, upon the Creditor's reasonable request and at the expense of the Debtor, the Debtor will furnish to the Creditor reports showing reconciliations, aging and test verifications of, and trial balances for, the Accounts.

18. Dealings by Creditor. The Creditor will not be obliged to exhaust its recourse against the Debtor or any other Person or against any other security it may hold in respect of the Liabilities before realizing upon or otherwise dealing with the Collateral in such manner as the Creditor may consider desirable. The Creditor may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Debtor and any other Person, and with any or all of the Collateral, and with other security and sureties, as the Creditor may see fit, all without prejudice to the Liabilities or to the rights and remedies of the Creditor under this Agreement. The powers conferred on the Creditor under this Agreement are solely to protect the interests of the Creditor in the Collateral and will not impose any duty upon the Creditor to exercise any such powers.

19. Communication. Any notice or other communication required or permitted to be given under this Agreement will be made in accordance with the terms of the Loan Agreement.

20. Release of Information. The Debtor authorizes the Creditor to provide a copy of this Agreement and such other information as may be requested of the Creditor by Persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtor.

21. Waiver. To the extent permitted by applicable law, the Debtor unconditionally and irrevocably waives (i) all claims, damages and demands it may acquire against the Creditor, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of the exercise by the Creditor of any Receiver of any rights or remedies under this Agreement, and (ii) all of the rights, benefits and protections given by any present or future statute that imposes limitations on the rights, powers or remedies of a secured party or on the methods of, or procedures for, realization of security, including any "seize or sue" or "anti-deficiency" statute or any similar provision of any other statute.

22. Alteration or Waiver and Indemnity. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Creditor. The Creditor will not, by any act or delay, be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Creditor, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Creditor of any right or remedy hereunder on any one occasion will not be construed as a bar to any right or remedy which the Creditor would otherwise have on any future occasion. Neither the taking of any judgment nor the exercise of any power of seizure or sale will extinguish the liability of the Debtor to pay the Liabilities, nor will the same operate as a merger of any covenant contained in this Agreement or of any other liability, nor will the acceptance of any payment or other security constitute or create any novation. The Debtor agrees to indemnify the Creditor from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (except by reason of the gross negligence or wilful misconduct of the Creditor or any of its agents or employees) which may be imposed on, incurred by, or asserted against the Creditor and arising by reason of any action (including any action referred to in this Agreement) or inaction or omission to do any act legally required by the Debtor. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement

23. Environmental License and Indemnity. The Debtor hereby grants to the Creditor and its employees and agents an irrevocable and non-exclusive license, subject to the

rights of tenants, if any, to enter any of the premises of the Debtor to conduct audits, testing and monitoring with respect to hazardous substances and to remove and analyze any hazardous substance at the cost and expense of the Debtor (which cost and expense will form part of the Liabilities and will be payable immediately on demand and secured by the Security Interests created by this Agreement). The Debtor will indemnify the Creditor and hold the Creditor harmless against and from all losses, costs, damages and expenses which the Creditor may sustain, incur or be or become liable at any time whatsoever for by reason of or arising from the past, present or future existence, clean-up, removal or disposal of any hazardous substance on or about any property owned or occupied by the Debtor or compliance with environmental laws or environmental orders relating thereto, including any clean-up, decommissioning, restoration or remediation of any premises owned or occupied by the Debtor or other affected lands or property. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement.

24. Amalgamation. If the Debtor is a corporation, the Debtor acknowledges that if it amalgamates with any other corporation or corporations, then (i) the Collateral and the Security Interests created by this Agreement will extend to and include all the property and assets of the amalgamated corporation and to any property or assets of the amalgamated corporation thereafter owned or acquired, (ii) the term "Debtor", where used in this Agreement, will extend to and include the amalgamated corporation, and (iii) the term "Liabilities", where used in this Agreement, will extend to and include the Liabilities of the amalgamated corporation.

25. Governing Law; Attornment. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. Without prejudice to the ability of the Creditor to enforce this Agreement in any other proper jurisdiction, the Debtor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by applicable law, the Debtor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Agreement in the courts of such province.

26. Interpretation. Unless otherwise expressly provided in this Agreement, if any matter in this Agreement is subject to the consent or approval of the Creditor or is to be acceptable to the Creditor, such consent, approval or determination of acceptability will be in the sole discretion of the Creditor. If any provision in this Agreement refers to any action taken or to be taken by the Debtor, or which the Debtor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Agreement into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Agreement. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Agreement, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Agreement to a "Section" means the relevant Section of this Agreement. If more than one Debtor executes this Agreement, their obligations under this Agreement are joint and several.

27. Paramourcy. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the Loan Agreement then, notwithstanding anything contained in this Agreement, the provisions contained in the Loan Agreement shall prevail to the extent of such conflict or inconsistency and the provisions of this Agreement shall be deemed to be amended to the extent necessary to eliminate such conflict or inconsistency. If there is a representation, warranty, covenant, agreement or event of default contained in this Agreement,

which is not contained in the Loan Agreement, or vice versa, such additional provision shall not constitute a conflict but shall be valid and enforceable in accordance with its terms.

28. Successors and Assigns. This Agreement will enure to the benefit of, and be binding on, the Debtor and its successors and permitted assigns, and will enure to the benefit of, and be binding on, the Creditor and its successors and assigns. The Debtor may not assign this Agreement, or any of its rights or obligations under this Agreement, without the prior written consent of the Creditor. If the Debtor or the Creditor is an individual, then the term "Debtor" or "Creditor", as applicable, will also include his or her heirs, administrators and executors.

29. Acknowledgment of Receipt/Waiver. The Debtor acknowledges receipt of an executed copy of this Agreement and, to the extent permitted by applicable law, waives the right to receive a copy of any financing statement, financing change statement or verification statement in respect of any registered financing statement or financing change statement prepared, registered or issued in connection with this Agreement.

30. Counterparts. This Agreement may be signed in counterparts and by electronic transmission, each of which shall for all purposes be deemed to be an original, and all such separate counterparts shall together constitute one and the same instrument.

RECITALS:

A. Emblem Cannabis Corporation (the "**Debtor**") is, or may become, indebted or liable to NE SPC II LP (the "**Creditor**") pursuant to the terms of a loan agreement dated as of December 24, 2021 (as amended, supplemented, restated or replaced from time to time, the "**Loan Agreement**") among, *inter alia*, the Debtor and the Creditor.

B. To secure the payment and performance of the Liabilities (as hereinafter defined), the Debtor has agreed to grant to the Creditor security interests in respect of the Collateral in accordance with the terms of this Agreement.

NOW THEREFORE for good and valuable consideration, the receipt and adequacy of which are acknowledged by the Debtor, the Debtor agrees with and in favour of the Creditor as follows:

1. **Definitions.** In this Agreement, capitalized terms used but not otherwise defined in this Agreement shall have the meanings given to them in the Loan Agreement, and the following terms have the following meanings:

"Accessions", "Account", "Chattel Paper", "Consumer Goods", "Document of Title", "Equipment", "Goods", "Instrument", "Intangible", "Inventory", "Investment Property" and "Proceeds" have the meanings given to them in the PPSA.

"Books and Records" means all books, records, files, papers, disks, documents and other repositories of data recording in any form or medium, evidencing or relating to the Collateral which are at any time owned by the Debtor or to which the Debtor (or any Person on the Debtor's behalf) has access.

"Business Day" means any day other than a Saturday, Sunday or statutory holiday in the province referred to in the "Governing Law" section of this Agreement.

"Collateral" means all of the present and future undertaking and Personal Property (and specifically including any Personal Property that may be described in any Schedule to this Agreement or any schedules, documents or listings that the Debtor may from time to time sign and provide to the Creditor in connection with this Agreement) of the Debtor (including all such property at any time owned, leased or licensed by the Debtor, or in which the Debtor at any time has any interest or to which the Debtor is or may at any time become entitled) and all Proceeds thereof, wherever located.

"Contracts" means all contracts, licences and agreements to which the Debtor is at any time a party or pursuant to which the Debtor has at any time acquired rights, and includes (i) all rights of the Debtor to receive money due and to become due to it in connection with a contract, licence or agreement, (ii) all rights of the Debtor to damages arising out of, or for breach or default in respect of, a contract, licence or agreement, and (iii) all rights of the Debtor to perform and exercise all remedies in connection with a contract, licence or agreement.

"Default" means any "Event of Default" as defined in the Loan Agreement.

"Intellectual Property Rights" means all industrial and intellectual property rights, including copyrights, patents, trade-marks, industrial designs, know how and trade secrets and all Contracts related to any such industrial and intellectual property rights.

"Liabilities" means all present and future indebtedness, liabilities and obligations of every kind, nature and description (whether direct or indirect, joint or several, absolute or contingent, matured or not) of the Debtor to the Creditor, under, in connection with or with respect to the Loan Agreement and the other Loan Documents, and any unpaid balance thereof.

"Money" has the meaning given to it in the PPSA or, if there is no such meaning given in the PPSA, means a medium of exchange authorized or adopted by the Parliament of Canada as part of the currency of Canada, or by a foreign government as part of its currency.

"PPSA" means the Personal Property Security Act of the province referred to in the "Governing Law" section of this Agreement, as such legislation may be amended, renamed or replaced from time to time (and includes all regulations from time to time made under such legislation).

"Permits" means all permits, licences, authorizations, approvals, franchises, rights-of-way, easements and entitlements that the Debtor has, requires or is required to have, to own, possess or operate any of its property or to operate and carry on any part of its business.

"Personal Property" means personal property and includes Accounts, Books and Records, Chattel Paper, Contracts, Documents of Title, Equipment, Goods, Instruments, Intangibles (including Intellectual Property Rights and Permits), Inventory, Money and Investment Property.

"Receiver" means a receiver, a manager or a receiver and manager.

"Security Interest" means any mortgage, charge, pledge, hypothecation, lien (statutory or otherwise), assignment, finance lease, title retention agreement or arrangement, security interest or other encumbrance or adverse claim of any nature, or any other security agreement or arrangement creating in favour of any creditor a right in respect of a particular property.

2. Grant of Security Interest. As general and continuing collateral security for the due payment and performance of the Liabilities, the Debtor mortgages, charges and assigns (by way of security) to the Creditor, and grants to the Creditor a security interest in, the Collateral.

3. Limitations on Grant of Security Interest. If the grant of any Security Interest in respect of any Contract, Intellectual Property Right or Permit under Section 2 would result in the termination or breach of such Contract, Intellectual Property Right or Permit, then the applicable Contract, Intellectual Property Right or Permit will not be subject to any Security Interest under Section 2 but will be held in trust by the Debtor for the benefit of the Creditor and, on exercise by

the Creditor of any of its rights under this Agreement following Default, assigned by the Debtor as directed by the Creditor. In addition, the Security Interests created by this Agreement do not attach to Consumer Goods or extend to the last day of the term of any lease or agreement for lease of real property. Such last day will be held by the Debtor in trust for the Creditor and, on the exercise by the Creditor of any of its rights under this Agreement following Default, will be assigned by the Debtor as directed by the Creditor.

4. Attachment; No Obligation to Advance. The Debtor confirms that value has been given by the Creditor to the Debtor, that the Debtor has rights in the Collateral (other than after-acquired property) and that the Debtor and the Creditor have not agreed to postpone the time for attachment of the Security Interests created by this Agreement to any of the Collateral. The Security Interests created by this Agreement will have effect and be deemed to be effective whether or not the Liabilities or any part thereof are owing or in existence before or after or upon the date of this Agreement. Neither the execution of this Agreement nor any advance of funds shall oblige the Creditor to advance any funds or any additional funds.

5. Representations and Warranties. The Debtor represents and warrants to the Creditor that, as of the date of this Agreement:

(a) Places of Business, Name, Location of Collateral. The Debtor's principal place of business and chief executive office, and the place where it keeps its Books and Records, is at the address specified on the signature page of this Agreement, and its full legal name, and any other name under which it conducts its business, is specified on the signature page of this Agreement. The location of all other existing places where the Debtor carries on business or keeps tangible Personal Property, the location of all jurisdictions in which account debtors of the Debtor are located, and the location of all real property owned by the Debtor, are set out in Schedule A to this Agreement.

(b) Title; No Other Security Interests. Except for Permitted Encumbrances, the Debtor owns (or, with respect to any leased or licensed property forming part of the Collateral, holds a valid leasehold or licensed interest in) the Collateral free and clear of any Security Interests. No security agreement, financing statement or other notice with respect to any or all of the Collateral is on file or on record in any public office, except for filings with respect to Permitted Encumbrances.

(c) Amount of Accounts. The amount represented by the Debtor to the Creditor from time to time as owing by each account debtor or by all account debtors in respect of the Accounts will at such time be the correct amount so owing by such account debtor or debtors and, unless disclosed in writing by the Debtor to the Creditor at that time, will be owed free of any dispute, set-off or counterclaim.

(d) Authority; Consents. The Debtor has full power and authority to grant to the Creditor the Security Interests created by this Agreement and to execute, deliver and perform its obligations under this Agreement, and such execution, delivery and performance does not contravene any of the Debtor's constating documents or by-laws or any agreement, instrument or restriction to which the Debtor is a party or by which the Debtor or any of the Collateral is bound. Except for any consent that has been obtained and is in full force and effect, no consent of any party (other than the Debtor) to any Contract or any obligor in respect of any Account is required, or purports to be required, for the execution, delivery and performance of this Agreement. Except as disclosed in writing by the Debtor to the Creditor, neither the Debtor nor (to the best of the Debtor's knowledge) any other party to any Account or Contract is in default or is likely to become in default in the performance or observance of any of the terms of such Account or Contract.

(e) Execution and Delivery; Enforceability. This Agreement has been duly authorized, executed and delivered by the Debtor and is a valid and binding obligation of the Debtor enforceable against the Debtor in accordance with its terms, subject only to bankruptcy, insolvency, liquidation, reorganization, moratorium and other similar laws generally affecting the enforcement of creditors' rights, and to the fact that equitable remedies (such as specific performance and injunction) are discretionary remedies.

(f) Motor Vehicles. A description of all motor vehicles and other "serial number" goods (i.e. trailers, mobile homes, aircraft, aircraft engines and vessels) (including vehicle identification numbers) presently owned by the Debtor, classified as Equipment and are included in calculating the Term Facility Borrowing Limited as set out in the Loan Agreement, is set out in Schedule A to this Agreement.

(g) No Consumer Goods. The Debtor does not own any Consumer Goods which are material in value or which are material to the business, operations, property, condition or prospects (financial or otherwise) of the Debtor.

(h) Intellectual Property Rights. All registrations and applications for registration pertaining to Intellectual Property Rights owned by the Debtor, and all other Intellectual Property Rights of the Debtor, are described in Schedule A to this Agreement. To the best of the Debtor's knowledge, each such Intellectual Property Right is valid, subsisting, unexpired, enforceable and has not been abandoned. Except as set out in such Schedule, none of such Intellectual Property Rights has been licensed or franchised by the Debtor to any Person.

6. Survival of Representations and Warranties. All agreements, representations, warranties and covenants made by the Debtor in this Agreement are material, will be considered to have been relied on by the Creditor and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Creditor and any disposition or payment of the Liabilities until repayment and performance in full of the Liabilities and termination of all rights of the Debtor that, if exercised, would result in the existence of Liabilities.

7. Covenants. The Debtor covenants and agrees with the Creditor that:

(a) Further Documentation. The Debtor will from time to time, at the expense of the Debtor, promptly and duly authorize, execute and deliver such further instruments and documents, and take such further action, as the Creditor may request for the purpose of obtaining or preserving the full benefits of, and the rights and powers granted by, this Agreement (including the filing of any financing statements or financing change statements under any applicable legislation with respect to the Security Interests created by this Agreement). The Debtor acknowledges that this Agreement has been prepared based on the existing laws in the province referred to in the "Governing Law" section of this Agreement and that a change in such laws, or the laws of other jurisdictions, may require the execution and delivery of different forms of security documentation. Accordingly, the Debtor agrees that the Creditor will have the right to require that this Agreement be amended, supplemented or replaced, and that the Debtor will immediately on request by the Creditor authorize, execute and deliver any such amendment, supplement or replacement (i) to reflect any changes in such laws, whether arising as a result of statutory amendments, court decisions or otherwise, (ii) to facilitate the creation and registration of appropriate security in all appropriate jurisdictions, or (iii) if the Debtor merges or amalgamates with any other Person or enters into any corporate reorganization, in each case in order to confer on the Creditor Security Interests similar to, and having the same effect as, the Security Interests created by this Agreement.

(b) Delivery of Certain Collateral. Promptly upon request from time to time by the Creditor, the Debtor will deliver (or cause to be delivered) to the Creditor, endorsed and/or accompanied by such instruments of assignment and transfer in such form and substance as the Creditor may reasonably request, any and all Instruments, Investment Property, Documents of Title and Chattel Paper included in or relating to the Collateral as the Creditor may specify in its request.

(c) Payment of Expenses; Indemnification. The Debtor will pay on demand, and will indemnify and save the Creditor harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (i) incurred by the Creditor in the preparation, registration, administration or enforcement of this Agreement, (ii) with respect to, or resulting from, any failure or delay by the Debtor in performing or observing any of its obligations under this Agreement, or (iii) incurred by the Creditor in performing or observing any of the other covenants of the Debtor under this Agreement.

(d) Maintenance of Records. The Debtor will keep and maintain accurate and complete records of the Collateral, including a record of all payments received and all credits granted with respect to the Accounts and Contracts. At the written request of the Creditor, the Debtor will mark any Collateral specified by the Creditor to evidence the existence of the Security Interests created by this Agreement.

(e) Right of Inspection. The Creditor may, at all times during normal business hours, without charge, examine and make copies of all Books and Records, and may discuss the affairs, finances and accounts of the Debtor with its officers and accountants. The Creditor may also, without charge, enter the premises of the Debtor where any of the Collateral is located for the purpose of inspecting the Collateral, observing its use or otherwise protecting its interests in the Collateral. The Debtor, at its expense, will provide the Creditor with such clerical and other assistance as may be reasonably requested by the Creditor to exercise any of its rights under this paragraph.

(f) Limitations on Other Security Interests. The Debtor will not create, incur or permit to exist, and will defend the Collateral against, and will take such other action as is necessary to remove, any and all Security Interests in and other claims affecting the Collateral, other than the Security Interests created by this Agreement or as permitted in writing by the Creditor, and the Debtor will defend the right, title and interest of the Creditor in and to the Collateral against the claims and demands of all Persons.

(g) Limitations on Dispositions of Collateral. The Debtor will not, without the Creditor's prior written consent, sell, lease or otherwise dispose of any of the Collateral, except that Inventory may be sold, leased or otherwise disposed of, and subject to Section 17, Accounts may be collected, in the ordinary course of the Debtor's business. Following Default, all Proceeds of the Collateral (including all amounts received in respect of Accounts) received by or on behalf of the Debtor, whether or not arising in the ordinary course of the Debtor's business, will be received by the Debtor as trustee for the Creditor, remain segregated from the property of the Debtor or any other Person and will be immediately paid to the Creditor.

(h) Limitations on Modifications, Waivers, Extensions. Other than as permitted by paragraph (i) below, the Debtor will not (i) amend, modify, terminate or waive any provision of any Permit, Contract or any document giving rise to an Account in any manner which is or could reasonably be expected to be materially adverse to the Debtor or the Creditor, or (ii) fail to

exercise promptly and diligently its rights under each Contract and each document giving rise to an Account if such failure is or could reasonably be expected to be materially adverse to the Debtor or the Creditor.

(i) Limitations on Discounts, Compromises, Extensions of Accounts. Other than in the ordinary course of business of the Debtor consistent with previous practices, the Debtor will not (i) grant any extension of the time for payment of any Account, (ii) compromise, compound or settle any Account for less than its full amount, (iii) release, wholly or partially, any Person liable for the payment of any Account, or (iv) allow any credit or discount of any Account.

(j) Maintenance of Collateral. The Debtor will maintain all tangible Collateral in good operating condition, ordinary wear and tear excepted, and the Debtor will provide all maintenance, service and repairs necessary for such purpose.

(k) Insurance. The Debtor will keep the Collateral insured with financially sound and reputable companies to its full insurable value against loss or damage by fire, explosion, theft and such other risks as are customarily insured against by Persons carrying on similar businesses or owning similar property within the vicinity in which the Debtor's applicable business or property is located. The applicable insurance policies will be in form and substance satisfactory to the Creditor and will (i) contain a breach of warranty clause in favour of the Creditor, (ii) provide that no cancellation, material reduction in amount or material change in coverage will be effective until at least 30 days after receipt of written notice thereof by the Creditor, (iii) contain by way of endorsement a mortgagee clause in form and substance satisfactory to the Creditor, and (iv) name the Creditor as loss payee as its interest may appear. The Debtor will, from time to time at the Creditor's request, deliver the applicable insurance policies (or satisfactory evidence of such policies) to the Creditor. If the Debtor does not obtain or maintain such insurance, the Creditor may, but need not, do so, in which event the Debtor will immediately on demand reimburse the Creditor for all payments made by the Creditor in connection with obtaining and maintaining such insurance, and until reimbursed any such payment will form part of the Liabilities and will be secured by the Security Interests created by this Agreement. Neither the Creditor nor its correspondents or its agents will be responsible for the character, adequacy, validity or genuineness of any insurance, the solvency of any insurer, or any other risk connected with insurance.

(l) Further Identification of Collateral. The Debtor will promptly furnish to the Creditor such statements, schedules, permits and licenses further identifying and describing the Collateral, and such other reports in connection with the Collateral, as the Creditor may from time to time reasonably request, including an updated list of any motor vehicles or other "serial number" goods owned by the Debtor and classified as Equipment, including vehicle identification numbers.

(m) Notices. The Debtor will advise the Creditor promptly, in reasonable detail, of (i) any Security Interest (other than the Security Interests created by this Agreement and any Security Interest permitted in writing by the Creditor) on, or claim asserted against, any of the Collateral, (ii) the occurrence of any event, claim or occurrence that could reasonably be expected to have a material adverse effect on the value of the Collateral or on the Security Interests created by this Agreement, (iii) any change in the location of any place of business (including additional locations) or the chief executive office of the Debtor, (iv) any change in the location of any of the tangible Collateral (including additional locations), (v) any acquisition of real property by the Debtor, (vi) any change in the name of the Debtor, (vii) any merger or amalgamation of the Debtor with any other Person, (viii) any additional jurisdiction in which material accounts debtors of the Debtor are located, and (ix) any material loss of or damage to any of the Collateral. The Debtor agrees not to effect or permit any of the changes referred to in clauses (iii) to (viii) above unless

all filings have been made and all other actions taken that are required in order for the Creditor to continue at all times following such change to have a valid and perfected Security Interest in respect of all of the Collateral.

(n) Delivery of Agreements re Intellectual Property Rights. The Debtor will promptly, following demand from time to time by the Creditor, authorize, execute and deliver any and all agreements, instruments, documents and papers that the Creditor may request to evidence the Creditor's Security Interests in any Intellectual Property Rights and, where applicable, the goodwill of the business of the Debtor connected with the use of, and symbolized by, any such Intellectual Property Rights.

8. Rights on Default. On Default, all of the Liabilities will, at the option of the Creditor, become immediately due and payable and the security constituted by this Agreement will become enforceable, and the Creditor may, personally or by agent, at such time or times as the Creditor in its sole discretion may determine, do any one or more of the following:

(a) Rights under PPSA, etc. Exercise all of the rights and remedies granted to secured parties under the PPSA and any other applicable statute, or otherwise available to the Creditor at law or in equity.

(b) Demand Possession. Demand possession of any or all of the Collateral, in which event the Debtor will, at the expense of the Debtor, immediately cause the Collateral designated by the Creditor to be assembled and made available and/or delivered to the Creditor at any place designated by the Creditor.

(c) Take Possession. Enter on any premises where any Collateral is located and take possession of, disable or remove such Collateral.

(d) Deal with Collateral. Hold, store and keep idle, or operate, lease or otherwise use or permit the use of, any or all of the Collateral for such time and on such terms as the Creditor may determine, and demand, collect and retain all earnings and other sums due or to become due from any Person in respect of any of the Collateral.

(e) Carry on Business. Carry on, or concur in the carrying on of, any or all of the business or undertaking of the Debtor and enter on, occupy and use (without charge by the Debtor) any of the premises, buildings, plant and undertaking of, or occupied or used by, the Debtor.

(f) Enforce Collateral. Seize, collect, receive, enforce or otherwise deal with any Collateral in such manner, on such terms and conditions and at such times as the Creditor deems advisable.

(g) Dispose of Collateral. Realize on any or all of the Collateral and sell, lease, assign, give options to purchase, or otherwise dispose of and deliver any or all of the Collateral (or contract to do any of the above), in one or more parcels at any public or private sale, at any exchange, broker's board or office of the Creditor or elsewhere, on such terms and conditions as the Creditor may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery. The Debtor shall only be entitled to credit against the liability for money actually received by the Creditor, less the Creditor's costs and expenses of disposition. In no event shall the Debtor be entitled to credit for any deferred payment in respect of collateral realized by the Creditor.

(h) Court-Approved Disposition of Collateral. Apply to a court of competent jurisdiction for the sale or foreclosure of any or all of the Collateral.

(i) Purchase by Creditor. At any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Collateral offered for sale and, upon compliance with the terms of such sale, hold, retain and dispose of such Collateral without any further accountability to the Debtor or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Creditor, the Creditor may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Liabilities then due and payable to it as a credit against the purchase price.

(j) Collect Accounts. Notify the account debtors or obligors under any Accounts of the assignment of such Accounts to the Creditor and direct such account debtors or obligors to make payment of all amounts due or to become due to the Debtor in respect of such Accounts directly to the Creditor and, upon such notification and at the expense of the Debtor, enforce collection of any such Accounts, and adjust, settle or compromise the amount or payment of such Accounts, in such manner and to such extent as the Creditor deems appropriate in the circumstances. The Debtor shall give the Creditor any assistance requested by the Creditor with respect to such accounts as may be required to assess its value.

(k) Transfer of Investment Property. Transfer any Investment Property forming part of the Collateral into the name of the Creditor or its nominee, with or without disclosing that the Investment Property is subject to the Security Interests arising under this Agreement.

(l) Exercise of Rights. Exercise any and all rights, privileges, entitlements and options pertaining to any Investment Property forming part of the Collateral as if the Creditor were the absolute owner of such Investment Property.

(m) Payment of Liabilities. Pay any liability secured by any Security Interest against any Collateral. The Debtor will immediately on demand reimburse the Creditor for all such payments.

(n) Borrow and Grant Security Interests. Borrow money for the maintenance, preservation or protection of any Collateral or for carrying on any of the business or undertaking of the Debtor and grant Security Interests on any Collateral (in priority to the Security Interests created by this Agreement or otherwise) as security for the money so borrowed. The Debtor will immediately on demand reimburse the Creditor for all such borrowings.

(o) Appoint Receiver. Appoint by instrument in writing one or more Receivers of the Debtor or any or all of the Collateral with such rights, powers and authority (including any or all of the rights, powers and authority of the Creditor under this Agreement) as may be provided for in the instrument of appointment or any supplemental instrument, and remove and replace any such Receiver from time to time. To the extent permitted by applicable law, any Receiver appointed by the Creditor will (for purposes relating to responsibility for the Receiver's acts or omissions) be considered to be the agent of the Debtor and not of the Creditor.

(p) Court-Appointed Receiver. Apply to a court of competent jurisdiction for the appointment of a Receiver of the Debtor or of any or all of the Collateral.

(q) Consultants. Require the Debtor to engage a consultant of the Creditor's choice, or engage a consultant on its own behalf, such consultant to receive the full cooperation and support of the Debtor and its employees, including unrestricted access to the premises, books and records of the Debtor; all reasonable fees and expenses of such consultant shall be for the

account of the Debtor and the Debtor hereby authorizes any such consultant to report directly to the Creditor and to disclose to the Creditor any and all information obtained in the course of such consultant's employment.

The Creditor may exercise any or all of the foregoing rights and remedies without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except as required by applicable law) to or on the Debtor or any other Person, and the Debtor by this Agreement waives each such demand, presentment, protest, advertisement and notice to the extent permitted by applicable law. None of the above rights or remedies will be exclusive of or dependent on or merge in any other right or remedy, and one or more of such rights and remedies may be exercised independently or in combination from time to time. Without prejudice to the ability of the Creditor to dispose of the Collateral in any manner which is commercially reasonable, the Debtor acknowledges that a disposition of Collateral by the Creditor which takes place substantially in accordance with the following provisions will be deemed to be commercially reasonable:

- (i) Collateral may be disposed of in whole or in part;
- (ii) Collateral may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (iii) any purchaser or lessee of Collateral may be a customer of the Creditor;
- (iv) a disposition of Collateral may be on such terms and conditions as to credit or otherwise as the Creditor, in its sole discretion, may deem advantageous; and
- (v) the Creditor may establish an upset or reserve bid or price in respect of Collateral.

9. Grant of Licence. For the purpose of enabling the Creditor to exercise its rights and remedies under Section 8 when the Creditor is entitled to exercise such rights and remedies, and for no other purpose, the Debtor grants to the Creditor an irrevocable, non-exclusive licence (exercisable without payment of royalty or other compensation to the Debtor) to use, assign or sublicense any or all of the Intellectual Property Rights, including in such licence reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout of the same.

10. Sale of Investment Property. The Creditor is authorized, in connection with any offer or sale of any Investment Property forming part of the Collateral, to comply with any limitation or restriction as it may be advised by counsel is necessary to comply with applicable law, including compliance with procedures that may restrict the number of prospective bidders and purchasers, requiring that prospective bidders and purchasers have certain qualifications, and restricting prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account or investment and not with a view to the distribution or resale of such Investment Property. The Debtor further agrees that compliance with any such limitation or restriction will not result in a sale being considered or deemed not to have been made in a commercially reasonable manner, and the Creditor will not be liable or accountable to the Debtor for any discount allowed by reason of the fact that such Investment Property are sold in compliance with any such limitation or restriction.

11. Application of Proceeds. All Proceeds of Collateral received by the Creditor or a Receiver may be applied to discharge or satisfy any expenses (including the Receiver's remuneration and other expenses of enforcing the Creditor's rights under this Agreement), Security Interests in favour of Persons other than the Creditor, borrowings, taxes and other

outgoings affecting the Collateral or which are considered advisable by the Creditor or the Receiver to protect, preserve, repair, process, maintain or enhance the Collateral or prepare it for sale, lease or other disposition, or to keep in good standing any Security Interests on the Collateral ranking in priority to any of the Security Interests created by this Agreement, or to sell, lease or otherwise dispose of the Collateral. The balance of such Proceeds may, at the sole discretion of the Creditor, be held as collateral security for the Liabilities or be applied to such of the Liabilities (whether or not the same are due and payable) in such manner and at such times as the Creditor considers appropriate and thereafter will be accounted for as required by law.

12. Continuing Liability of Debtor. The Debtor will remain liable for any Liabilities that are outstanding following realization of all or any part of the Collateral and the application of the Proceeds thereof.

13. Creditor's Appointment as Attorney-in-Fact. The Debtor constitutes and appoints the Creditor and any officer or agent of the Creditor, with full power of substitution, as the Debtor's true and lawful attorney-in-fact with full power and authority in the place of the Debtor and in the name of the Debtor or in its own name, from time to time in the Creditor's discretion to take any and all appropriate action and to execute any and all documents and instruments as, in the opinion of such attorney acting reasonably, may be necessary or desirable to accomplish the purposes of this Agreement. These powers are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created by this Agreement are released. Nothing in this Section affects the right of the Creditor as secured party or any other Person on the Creditor's behalf, to sign and file or deliver (as applicable) all such financing statements, financing change statements, notices, verification statements and other documents relating to the Collateral and this Agreement as the Creditor or such other Person considers appropriate.

14. Performance by Creditor of Debtor's Obligations. If the Debtor fails to perform or comply with any of the obligations of the Debtor under this Agreement, the Creditor may, but need not, perform or otherwise cause the performance or compliance of such obligation, provided that such performance or compliance will not constitute a waiver, remedy or satisfaction of such failure. The expenses of the Creditor incurred in connection with any such performance or compliance will be payable by the Debtor to the Creditor immediately on demand, and until paid, any such expenses will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

15. Interest. If any amount payable to the Creditor under this Agreement is not paid when due, the Debtor will pay to the Creditor, immediately on demand, interest on such amount from the date due until paid, at the highest annual rate applicable to the Liabilities from time to time, including default rates. All amounts payable by the Debtor to the Creditor under this Agreement, and all interest on all such amounts, compounded monthly on the last Business Day of each month, will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

16. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

17. Rights of Creditor; Limitations on Creditor's Obligations.

(a) Limitations on Creditor's Liability. The Creditor will not be liable to the Debtor or any other Person for any failure or delay in exercising any of the rights of the Debtor under this

Agreement (including any failure to take possession of, collect, sell, lease or otherwise dispose of any Collateral, or to preserve rights against prior parties). Neither the Creditor, a Receiver nor any agent of the Creditor (including, in Alberta or British Columbia, any sheriff) is required to take, or will have any liability for any failure to take or delay in taking, any steps necessary or advisable to preserve rights against other Persons in respect of any Collateral. Neither the Creditor nor any Receiver will be liable for any, and the Debtor will bear the full risk of all, loss or damage to any and all of the Collateral (including any Collateral in the possession of the Creditor or any Receiver) caused for any reason other than the gross negligence or wilful misconduct of the Creditor or such Receiver.

(b) Debtor Remains Liable under Accounts and Contracts. Notwithstanding any provision of this Agreement, the Debtor will remain liable under each of the documents giving rise to the Accounts and under each of the Contracts to observe and perform all the conditions and obligations to be observed and performed by the Debtor thereunder, all in accordance with the terms of each such document and Contract. The Creditor will have no obligation or liability under any Account (or any document giving rise thereto) or Contract by reason of or arising out of this Agreement or the receipt by the Creditor of any payment relating to such Account or Contract pursuant hereto, and in particular (but without limitation), the Creditor will not be obligated in any manner to perform any of the obligations of the Debtor under or pursuant to any Account (or any document giving rise thereto) or under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Account (or any document giving rise thereto) or under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time.

(c) Collections on Accounts and Contracts. The Creditor hereby authorizes the Debtor to collect the Accounts and payments under the Contracts in the normal course of the business of the Debtor and for the purpose of carrying on the same. If required by the Creditor at any time, any payments of Accounts or under Contracts, when collected by the Debtor, will be forthwith (and, in any event, within two Business Days) deposited by the Debtor in the exact form received, duly endorsed by the Debtor to the Creditor if required, in a special collateral account maintained by the Creditor, and until so deposited, will be held by the Debtor in trust for the Creditor, segregated from other funds of the Debtor or any other Person. All such amounts while held by the Creditor (or by the Debtor in trust for the Creditor) and all income in respect thereof will continue to be collateral security for the Liabilities and will not constitute payment thereof until applied as hereinafter provided. If a Default has occurred, the Creditor may apply all or any part of the amounts on deposit in said special collateral account on account of the Liabilities in such order as the Creditor may elect. At the Creditor's request, the Debtor will deliver to the Creditor any documents evidencing and relating to the agreements and transactions which gave rise to the Accounts and Contracts, including all original orders, invoices and shipping receipts.

(d) Analysis of Accounts. The Creditor will have the right to analyze and verify the Accounts in any manner and through any medium that it reasonably considers advisable, and the Debtor will furnish all such assistance and information as the Creditor may require in connection therewith. The Creditor may in its own name or in the name of others (including the Debtor) communicate with account debtors on the Accounts and parties to the Contracts to verify with them to its satisfaction the existence, status, amount and terms of any Account or any Contract. At any time and from time to time, upon the Creditor's reasonable request and at the expense of the Debtor, the Debtor will furnish to the Creditor reports showing reconciliations, aging and test verifications of, and trial balances for, the Accounts.

18. Dealings by Creditor. The Creditor will not be obliged to exhaust its recourse against the Debtor or any other Person or against any other security it may hold in respect of the Liabilities before realizing upon or otherwise dealing with the Collateral in such manner as the Creditor may consider desirable. The Creditor may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Debtor and any other Person, and with any or all of the Collateral, and with other security and sureties, as the Creditor may see fit, all without prejudice to the Liabilities or to the rights and remedies of the Creditor under this Agreement. The powers conferred on the Creditor under this Agreement are solely to protect the interests of the Creditor in the Collateral and will not impose any duty upon the Creditor to exercise any such powers.

19. Communication. Any notice or other communication required or permitted to be given under this Agreement will be made in accordance with the terms of the Loan Agreement.

20. Release of Information. The Debtor authorizes the Creditor to provide a copy of this Agreement and such other information as may be requested of the Creditor by Persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtor.

21. Waiver. To the extent permitted by applicable law, the Debtor unconditionally and irrevocably waives (i) all claims, damages and demands it may acquire against the Creditor, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of the exercise by the Creditor of any Receiver of any rights or remedies under this Agreement, and (ii) all of the rights, benefits and protections given by any present or future statute that imposes limitations on the rights, powers or remedies of a secured party or on the methods of, or procedures for, realization of security, including any "seize or sue" or "anti-deficiency" statute or any similar provision of any other statute.

22. Alteration or Waiver and Indemnity. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Creditor. The Creditor will not, by any act or delay, be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Creditor, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Creditor of any right or remedy hereunder on any one occasion will not be construed as a bar to any right or remedy which the Creditor would otherwise have on any future occasion. Neither the taking of any judgment nor the exercise of any power of seizure or sale will extinguish the liability of the Debtor to pay the Liabilities, nor will the same operate as a merger of any covenant contained in this Agreement or of any other liability, nor will the acceptance of any payment or other security constitute or create any novation. The Debtor agrees to indemnify the Creditor from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (except by reason of the gross negligence or wilful misconduct of the Creditor or any of its agents or employees) which may be imposed on, incurred by, or asserted against the Creditor and arising by reason of any action (including any action referred to in this Agreement) or inaction or omission to do any act legally required by the Debtor. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement

23. Environmental License and Indemnity. The Debtor hereby grants to the Creditor and its employees and agents an irrevocable and non-exclusive license, subject to the

rights of tenants, if any, to enter any of the premises of the Debtor to conduct audits, testing and monitoring with respect to hazardous substances and to remove and analyze any hazardous substance at the cost and expense of the Debtor (which cost and expense will form part of the Liabilities and will be payable immediately on demand and secured by the Security Interests created by this Agreement). The Debtor will indemnify the Creditor and hold the Creditor harmless against and from all losses, costs, damages and expenses which the Creditor may sustain, incur or be or become liable at any time whatsoever for by reason of or arising from the past, present or future existence, clean-up, removal or disposal of any hazardous substance on or about any property owned or occupied by the Debtor or compliance with environmental laws or environmental orders relating thereto, including any clean-up, decommissioning, restoration or remediation of any premises owned or occupied by the Debtor or other affected lands or property. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement.

24. Amalgamation. If the Debtor is a corporation, the Debtor acknowledges that if it amalgamates with any other corporation or corporations, then (i) the Collateral and the Security Interests created by this Agreement will extend to and include all the property and assets of the amalgamated corporation and to any property or assets of the amalgamated corporation thereafter owned or acquired, (ii) the term "Debtor", where used in this Agreement, will extend to and include the amalgamated corporation, and (iii) the term "Liabilities", where used in this Agreement, will extend to and include the Liabilities of the amalgamated corporation.

25. Governing Law; Attornment. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. Without prejudice to the ability of the Creditor to enforce this Agreement in any other proper jurisdiction, the Debtor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by applicable law, the Debtor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Agreement in the courts of such province.

26. Interpretation. Unless otherwise expressly provided in this Agreement, if any matter in this Agreement is subject to the consent or approval of the Creditor or is to be acceptable to the Creditor, such consent, approval or determination of acceptability will be in the sole discretion of the Creditor. If any provision in this Agreement refers to any action taken or to be taken by the Debtor, or which the Debtor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Agreement into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Agreement. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Agreement, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Agreement to a "Section" means the relevant Section of this Agreement. If more than one Debtor executes this Agreement, their obligations under this Agreement are joint and several.

27. Paramourcy. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the Loan Agreement then, notwithstanding anything contained in this Agreement, the provisions contained in the Loan Agreement shall prevail to the extent of such conflict or inconsistency and the provisions of this Agreement shall be deemed to be amended to the extent necessary to eliminate such conflict or inconsistency. If there is a representation, warranty, covenant, agreement or event of default contained in this Agreement,

which is not contained in the Loan Agreement, or vice versa, such additional provision shall not constitute a conflict but shall be valid and enforceable in accordance with its terms.

28. Successors and Assigns. This Agreement will enure to the benefit of, and be binding on, the Debtor and its successors and permitted assigns, and will enure to the benefit of, and be binding on, the Creditor and its successors and assigns. The Debtor may not assign this Agreement, or any of its rights or obligations under this Agreement, without the prior written consent of the Creditor. If the Debtor or the Creditor is an individual, then the term "Debtor" or "Creditor", as applicable, will also include his or her heirs, administrators and executors.

29. Acknowledgment of Receipt/Waiver. The Debtor acknowledges receipt of an executed copy of this Agreement and, to the extent permitted by applicable law, waives the right to receive a copy of any financing statement, financing change statement or verification statement in respect of any registered financing statement or financing change statement prepared, registered or issued in connection with this Agreement.

30. Counterparts. This Agreement may be signed in counterparts and by electronic transmission, each of which shall for all purposes be deemed to be an original, and all such separate counterparts shall together constitute one and the same instrument.

RECITALS:

A. Canabo Medical Corporation (the "**Debtor**") is, or may become, indebted or liable to NE SPC II LP (the "**Creditor**") pursuant to the terms of a loan agreement dated as of December 24, 2021 (as amended, supplemented, restated or replaced from time to time, the "**Loan Agreement**") among, *inter alia*, the Debtor and the Creditor.

B. To secure the payment and performance of the Liabilities (as hereinafter defined), the Debtor has agreed to grant to the Creditor security interests in respect of the Collateral in accordance with the terms of this Agreement.

NOW THEREFORE for good and valuable consideration, the receipt and adequacy of which are acknowledged by the Debtor, the Debtor agrees with and in favour of the Creditor as follows:

1. **Definitions.** In this Agreement, capitalized terms used but not otherwise defined in this Agreement shall have the meanings given to them in the Loan Agreement, and the following terms have the following meanings:

"Accessions", "Account", "Chattel Paper", "Consumer Goods", "Document of Title", "Equipment", "Goods", "Instrument", "Intangible", "Inventory", "Investment Property" and "Proceeds" have the meanings given to them in the PPSA.

"Books and Records" means all books, records, files, papers, disks, documents and other repositories of data recording in any form or medium, evidencing or relating to the Collateral which are at any time owned by the Debtor or to which the Debtor (or any Person on the Debtor's behalf) has access.

"Business Day" means any day other than a Saturday, Sunday or statutory holiday in the province referred to in the "Governing Law" section of this Agreement.

"Collateral" means all of the present and future undertaking and Personal Property (and specifically including any Personal Property that may be described in any Schedule to this Agreement or any schedules, documents or listings that the Debtor may from time to time sign and provide to the Creditor in connection with this Agreement) of the Debtor (including all such property at any time owned, leased or licensed by the Debtor, or in which the Debtor at any time has any interest or to which the Debtor is or may at any time become entitled) and all Proceeds thereof, wherever located.

"Contracts" means all contracts, licences and agreements to which the Debtor is at any time a party or pursuant to which the Debtor has at any time acquired rights, and includes (i) all rights of the Debtor to receive money due and to become due to it in connection with a contract, licence or agreement, (ii) all rights of the Debtor to damages arising out of, or for breach or default in respect of, a contract, licence or agreement, and (iii) all rights of the Debtor to perform and exercise all remedies in connection with a contract, licence or agreement.

"Default" means any "Event of Default" as defined in the Loan Agreement.

"Intellectual Property Rights" means all industrial and intellectual property rights, including copyrights, patents, trade-marks, industrial designs, know how and trade secrets and all Contracts related to any such industrial and intellectual property rights.

"Liabilities" means all present and future indebtedness, liabilities and obligations of every kind, nature and description (whether direct or indirect, joint or several, absolute or contingent, matured or not) of the Debtor to the Creditor, under, in connection with or with respect to the Loan Agreement and the other Loan Documents, and any unpaid balance thereof.

"Money" has the meaning given to it in the PPSA or, if there is no such meaning given in the PPSA, means a medium of exchange authorized or adopted by the Parliament of Canada as part of the currency of Canada, or by a foreign government as part of its currency.

"PPSA" means the Personal Property Security Act of the province referred to in the "Governing Law" section of this Agreement, as such legislation may be amended, renamed or replaced from time to time (and includes all regulations from time to time made under such legislation).

"Permits" means all permits, licences, authorizations, approvals, franchises, rights-of-way, easements and entitlements that the Debtor has, requires or is required to have, to own, possess or operate any of its property or to operate and carry on any part of its business.

"Personal Property" means personal property and includes Accounts, Books and Records, Chattel Paper, Contracts, Documents of Title, Equipment, Goods, Instruments, Intangibles (including Intellectual Property Rights and Permits), Inventory, Money and Investment Property.

"Receiver" means a receiver, a manager or a receiver and manager.

"Security Interest" means any mortgage, charge, pledge, hypothecation, lien (statutory or otherwise), assignment, finance lease, title retention agreement or arrangement, security interest or other encumbrance or adverse claim of any nature, or any other security agreement or arrangement creating in favour of any creditor a right in respect of a particular property.

2. Grant of Security Interest. As general and continuing collateral security for the due payment and performance of the Liabilities, the Debtor mortgages, charges and assigns (by way of security) to the Creditor, and grants to the Creditor a security interest in, the Collateral.

3. Limitations on Grant of Security Interest. If the grant of any Security Interest in respect of any Contract, Intellectual Property Right or Permit under Section 2 would result in the termination or breach of such Contract, Intellectual Property Right or Permit, then the applicable Contract, Intellectual Property Right or Permit will not be subject to any Security Interest under Section 2 but will be held in trust by the Debtor for the benefit of the Creditor and, on exercise by

the Creditor of any of its rights under this Agreement following Default, assigned by the Debtor as directed by the Creditor. In addition, the Security Interests created by this Agreement do not attach to Consumer Goods or extend to the last day of the term of any lease or agreement for lease of real property. Such last day will be held by the Debtor in trust for the Creditor and, on the exercise by the Creditor of any of its rights under this Agreement following Default, will be assigned by the Debtor as directed by the Creditor.

4. Attachment; No Obligation to Advance. The Debtor confirms that value has been given by the Creditor to the Debtor, that the Debtor has rights in the Collateral (other than after-acquired property) and that the Debtor and the Creditor have not agreed to postpone the time for attachment of the Security Interests created by this Agreement to any of the Collateral. The Security Interests created by this Agreement will have effect and be deemed to be effective whether or not the Liabilities or any part thereof are owing or in existence before or after or upon the date of this Agreement. Neither the execution of this Agreement nor any advance of funds shall oblige the Creditor to advance any funds or any additional funds.

5. Representations and Warranties. The Debtor represents and warrants to the Creditor that, as of the date of this Agreement:

(a) Places of Business, Name, Location of Collateral. The Debtor's principal place of business and chief executive office, and the place where it keeps its Books and Records, is at the address specified on the signature page of this Agreement, and its full legal name, and any other name under which it conducts its business, is specified on the signature page of this Agreement. The location of all other existing places where the Debtor carries on business or keeps tangible Personal Property, the location of all jurisdictions in which account debtors of the Debtor are located, and the location of all real property owned by the Debtor, are set out in Schedule A to this Agreement.

(b) Title; No Other Security Interests. Except for Permitted Encumbrances, the Debtor owns (or, with respect to any leased or licensed property forming part of the Collateral, holds a valid leasehold or licensed interest in) the Collateral free and clear of any Security Interests. No security agreement, financing statement or other notice with respect to any or all of the Collateral is on file or on record in any public office, except for filings with respect to Permitted Encumbrances.

(c) Amount of Accounts. The amount represented by the Debtor to the Creditor from time to time as owing by each account debtor or by all account debtors in respect of the Accounts will at such time be the correct amount so owing by such account debtor or debtors and, unless disclosed in writing by the Debtor to the Creditor at that time, will be owed free of any dispute, set-off or counterclaim.

(d) Authority; Consents. The Debtor has full power and authority to grant to the Creditor the Security Interests created by this Agreement and to execute, deliver and perform its obligations under this Agreement, and such execution, delivery and performance does not contravene any of the Debtor's constating documents or by-laws or any agreement, instrument or restriction to which the Debtor is a party or by which the Debtor or any of the Collateral is bound. Except for any consent that has been obtained and is in full force and effect, no consent of any party (other than the Debtor) to any Contract or any obligor in respect of any Account is required, or purports to be required, for the execution, delivery and performance of this Agreement. Except as disclosed in writing by the Debtor to the Creditor, neither the Debtor nor (to the best of the Debtor's knowledge) any other party to any Account or Contract is in default or is likely to become in default in the performance or observance of any of the terms of such Account or Contract.

(e) Execution and Delivery; Enforceability. This Agreement has been duly authorized, executed and delivered by the Debtor and is a valid and binding obligation of the Debtor enforceable against the Debtor in accordance with its terms, subject only to bankruptcy, insolvency, liquidation, reorganization, moratorium and other similar laws generally affecting the enforcement of creditors' rights, and to the fact that equitable remedies (such as specific performance and injunction) are discretionary remedies.

(f) Motor Vehicles. A description of all motor vehicles and other "serial number" goods (i.e. trailers, mobile homes, aircraft, aircraft engines and vessels) (including vehicle identification numbers) presently owned by the Debtor, classified as Equipment and are included in calculating the Term Facility Borrowing Limited as set out in the Loan Agreement, is set out in Schedule A to this Agreement.

(g) No Consumer Goods. The Debtor does not own any Consumer Goods which are material in value or which are material to the business, operations, property, condition or prospects (financial or otherwise) of the Debtor.

(h) Intellectual Property Rights. All registrations and applications for registration pertaining to Intellectual Property Rights owned by the Debtor, and all other Intellectual Property Rights of the Debtor, are described in Schedule A to this Agreement. To the best of the Debtor's knowledge, each such Intellectual Property Right is valid, subsisting, unexpired, enforceable and has not been abandoned. Except as set out in such Schedule, none of such Intellectual Property Rights has been licensed or franchised by the Debtor to any Person.

6. Survival of Representations and Warranties. All agreements, representations, warranties and covenants made by the Debtor in this Agreement are material, will be considered to have been relied on by the Creditor and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Creditor and any disposition or payment of the Liabilities until repayment and performance in full of the Liabilities and termination of all rights of the Debtor that, if exercised, would result in the existence of Liabilities.

7. Covenants. The Debtor covenants and agrees with the Creditor that:

(a) Further Documentation. The Debtor will from time to time, at the expense of the Debtor, promptly and duly authorize, execute and deliver such further instruments and documents, and take such further action, as the Creditor may request for the purpose of obtaining or preserving the full benefits of, and the rights and powers granted by, this Agreement (including the filing of any financing statements or financing change statements under any applicable legislation with respect to the Security Interests created by this Agreement). The Debtor acknowledges that this Agreement has been prepared based on the existing laws in the province referred to in the "Governing Law" section of this Agreement and that a change in such laws, or the laws of other jurisdictions, may require the execution and delivery of different forms of security documentation. Accordingly, the Debtor agrees that the Creditor will have the right to require that this Agreement be amended, supplemented or replaced, and that the Debtor will immediately on request by the Creditor authorize, execute and deliver any such amendment, supplement or replacement (i) to reflect any changes in such laws, whether arising as a result of statutory amendments, court decisions or otherwise, (ii) to facilitate the creation and registration of appropriate security in all appropriate jurisdictions, or (iii) if the Debtor merges or amalgamates with any other Person or enters into any corporate reorganization, in each case in order to confer on the Creditor Security Interests similar to, and having the same effect as, the Security Interests created by this Agreement.

(b) Delivery of Certain Collateral. Promptly upon request from time to time by the Creditor, the Debtor will deliver (or cause to be delivered) to the Creditor, endorsed and/or accompanied by such instruments of assignment and transfer in such form and substance as the Creditor may reasonably request, any and all Instruments, Investment Property, Documents of Title and Chattel Paper included in or relating to the Collateral as the Creditor may specify in its request.

(c) Payment of Expenses; Indemnification. The Debtor will pay on demand, and will indemnify and save the Creditor harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (i) incurred by the Creditor in the preparation, registration, administration or enforcement of this Agreement, (ii) with respect to, or resulting from, any failure or delay by the Debtor in performing or observing any of its obligations under this Agreement, or (iii) incurred by the Creditor in performing or observing any of the other covenants of the Debtor under this Agreement.

(d) Maintenance of Records. The Debtor will keep and maintain accurate and complete records of the Collateral, including a record of all payments received and all credits granted with respect to the Accounts and Contracts. At the written request of the Creditor, the Debtor will mark any Collateral specified by the Creditor to evidence the existence of the Security Interests created by this Agreement.

(e) Right of Inspection. The Creditor may, at all times during normal business hours, without charge, examine and make copies of all Books and Records, and may discuss the affairs, finances and accounts of the Debtor with its officers and accountants. The Creditor may also, without charge, enter the premises of the Debtor where any of the Collateral is located for the purpose of inspecting the Collateral, observing its use or otherwise protecting its interests in the Collateral. The Debtor, at its expense, will provide the Creditor with such clerical and other assistance as may be reasonably requested by the Creditor to exercise any of its rights under this paragraph.

(f) Limitations on Other Security Interests. The Debtor will not create, incur or permit to exist, and will defend the Collateral against, and will take such other action as is necessary to remove, any and all Security Interests in and other claims affecting the Collateral, other than the Security Interests created by this Agreement or as permitted in writing by the Creditor, and the Debtor will defend the right, title and interest of the Creditor in and to the Collateral against the claims and demands of all Persons.

(g) Limitations on Dispositions of Collateral. The Debtor will not, without the Creditor's prior written consent, sell, lease or otherwise dispose of any of the Collateral, except that Inventory may be sold, leased or otherwise disposed of, and subject to Section 17, Accounts may be collected, in the ordinary course of the Debtor's business. Following Default, all Proceeds of the Collateral (including all amounts received in respect of Accounts) received by or on behalf of the Debtor, whether or not arising in the ordinary course of the Debtor's business, will be received by the Debtor as trustee for the Creditor, remain segregated from the property of the Debtor or any other Person and will be immediately paid to the Creditor.

(h) Limitations on Modifications, Waivers, Extensions. Other than as permitted by paragraph (i) below, the Debtor will not (i) amend, modify, terminate or waive any provision of any Permit, Contract or any document giving rise to an Account in any manner which is or could reasonably be expected to be materially adverse to the Debtor or the Creditor, or (ii) fail to

exercise promptly and diligently its rights under each Contract and each document giving rise to an Account if such failure is or could reasonably be expected to be materially adverse to the Debtor or the Creditor.

(i) Limitations on Discounts, Compromises, Extensions of Accounts. Other than in the ordinary course of business of the Debtor consistent with previous practices, the Debtor will not (i) grant any extension of the time for payment of any Account, (ii) compromise, compound or settle any Account for less than its full amount, (iii) release, wholly or partially, any Person liable for the payment of any Account, or (iv) allow any credit or discount of any Account.

(j) Maintenance of Collateral. The Debtor will maintain all tangible Collateral in good operating condition, ordinary wear and tear excepted, and the Debtor will provide all maintenance, service and repairs necessary for such purpose.

(k) Insurance. The Debtor will keep the Collateral insured with financially sound and reputable companies to its full insurable value against loss or damage by fire, explosion, theft and such other risks as are customarily insured against by Persons carrying on similar businesses or owning similar property within the vicinity in which the Debtor's applicable business or property is located. The applicable insurance policies will be in form and substance satisfactory to the Creditor and will (i) contain a breach of warranty clause in favour of the Creditor, (ii) provide that no cancellation, material reduction in amount or material change in coverage will be effective until at least 30 days after receipt of written notice thereof by the Creditor, (iii) contain by way of endorsement a mortgagee clause in form and substance satisfactory to the Creditor, and (iv) name the Creditor as loss payee as its interest may appear. The Debtor will, from time to time at the Creditor's request, deliver the applicable insurance policies (or satisfactory evidence of such policies) to the Creditor. If the Debtor does not obtain or maintain such insurance, the Creditor may, but need not, do so, in which event the Debtor will immediately on demand reimburse the Creditor for all payments made by the Creditor in connection with obtaining and maintaining such insurance, and until reimbursed any such payment will form part of the Liabilities and will be secured by the Security Interests created by this Agreement. Neither the Creditor nor its correspondents or its agents will be responsible for the character, adequacy, validity or genuineness of any insurance, the solvency of any insurer, or any other risk connected with insurance.

(l) Further Identification of Collateral. The Debtor will promptly furnish to the Creditor such statements, schedules, permits and licenses further identifying and describing the Collateral, and such other reports in connection with the Collateral, as the Creditor may from time to time reasonably request, including an updated list of any motor vehicles or other "serial number" goods owned by the Debtor and classified as Equipment, including vehicle identification numbers.

(m) Notices. The Debtor will advise the Creditor promptly, in reasonable detail, of (i) any Security Interest (other than the Security Interests created by this Agreement and any Security Interest permitted in writing by the Creditor) on, or claim asserted against, any of the Collateral, (ii) the occurrence of any event, claim or occurrence that could reasonably be expected to have a material adverse effect on the value of the Collateral or on the Security Interests created by this Agreement, (iii) any change in the location of any place of business (including additional locations) or the chief executive office of the Debtor, (iv) any change in the location of any of the tangible Collateral (including additional locations), (v) any acquisition of real property by the Debtor, (vi) any change in the name of the Debtor, (vii) any merger or amalgamation of the Debtor with any other Person, (viii) any additional jurisdiction in which material accounts debtors of the Debtor are located, and (ix) any material loss of or damage to any of the Collateral. The Debtor agrees not to effect or permit any of the changes referred to in clauses (iii) to (viii) above unless

all filings have been made and all other actions taken that are required in order for the Creditor to continue at all times following such change to have a valid and perfected Security Interest in respect of all of the Collateral.

(n) Delivery of Agreements re Intellectual Property Rights. The Debtor will promptly, following demand from time to time by the Creditor, authorize, execute and deliver any and all agreements, instruments, documents and papers that the Creditor may request to evidence the Creditor's Security Interests in any Intellectual Property Rights and, where applicable, the goodwill of the business of the Debtor connected with the use of, and symbolized by, any such Intellectual Property Rights.

8. Rights on Default. On Default, all of the Liabilities will, at the option of the Creditor, become immediately due and payable and the security constituted by this Agreement will become enforceable, and the Creditor may, personally or by agent, at such time or times as the Creditor in its sole discretion may determine, do any one or more of the following:

(a) Rights under PPSA, etc. Exercise all of the rights and remedies granted to secured parties under the PPSA and any other applicable statute, or otherwise available to the Creditor at law or in equity.

(b) Demand Possession. (c) Take Possession. Enter on any premises where any Collateral is located and take possession of, disable or remove such Collateral.

(d) Deal with Collateral. Hold, store and keep idle, or operate, lease or otherwise use or permit the use of, any or all of the Collateral for such time and on such terms as the Creditor may determine, and demand, collect and retain all earnings and other sums due or to become due from any Person in respect of any of the Collateral.

(e) Carry on Business. Carry on, or concur in the carrying on of, any or all of the business or undertaking of the Debtor and enter on, occupy and use (without charge by the Debtor) any of the premises, buildings, plant and undertaking of, or occupied or used by, the Debtor.

(f) Enforce Collateral. Seize, collect, receive, enforce or otherwise deal with any Collateral in such manner, on such terms and conditions and at such times as the Creditor deems advisable.

Realize on any or all of the Collateral and sell, lease, assign, give options to purchase, or otherwise dispose of and deliver any or all of the Collateral (or contract to do any of the above), in one or more parcels at any public or private sale, at any exchange, broker's board or office of the Creditor or elsewhere, on such terms and conditions as the Creditor may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery. The Debtor shall only be entitled to credit against the liability for money actually received by the Creditor, less the Creditor's costs and expenses of disposition. In no event shall the Debtor be entitled to credit for any deferred payment in respect of collateral realized by the Creditor.

(h) Court-Approved Disposition of Collateral. Apply to a court of competent jurisdiction for the sale or foreclosure of any or all of the Collateral.

(i) Purchase by Creditor. At any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Collateral offered for sale and, upon compliance with the terms of such sale, hold, retain and dispose of such Collateral without any further accountability to the Debtor or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Creditor, the Creditor may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Liabilities then due and payable to it as a credit against the purchase price.

(j) Collect Accounts. Notify the account debtors or obligors under any Accounts of the assignment of such Accounts to the Creditor and direct such account debtors or obligors to make payment of all amounts due or to become due to the Debtor in respect of such Accounts directly to the Creditor and, upon such notification and at the expense of the Debtor, enforce collection of any such Accounts, and adjust, settle or compromise the amount or payment of such Accounts, in such manner and to such extent as the Creditor deems appropriate in the circumstances. The Debtor shall give the Creditor any assistance requested by the Creditor with respect to such accounts as may be required to assess its value.

(k) Transfer of Investment Property. Transfer any Investment Property forming part of the Collateral into the name of the Creditor or its nominee, with or without disclosing that the Investment Property is subject to the Security Interests arising under this Agreement.

(l) Exercise of Rights. Exercise any and all rights, privileges, entitlements and options pertaining to any Investment Property forming part of the Collateral as if the Creditor were the absolute owner of such Investment Property.

To the extent permitted by applicable law, any Receiver appointed by the Creditor will (for purposes relating to responsibility for the Receiver's acts or omissions) be considered to be the agent of the Debtor and not of the Creditor.

(p) Court-Appointed Receiver. Apply to a court of competent jurisdiction for the appointment of a Receiver of the Debtor or of any or all of the Collateral.

(q) Consultants. Require the Debtor to engage a consultant of the Creditor's choice, or engage a consultant on its own behalf, such consultant to receive the full cooperation and support of the Debtor and its employees, including unrestricted access to the premises, books and records of the Debtor; all reasonable fees and expenses of such consultant shall be for the

account of the Debtor and the Debtor hereby authorizes any such consultant to report directly to the Creditor and to disclose to the Creditor any and all information obtained in the course of such consultant's employment.

The Creditor may exercise any or all of the foregoing rights and remedies without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except as required by applicable law) to or on the Debtor or any other Person, and the Debtor by this Agreement waives each such demand, presentment, protest, advertisement and notice to the extent permitted by applicable law. None of the above rights or remedies will be exclusive of or dependent on or merge in any other right or remedy, and one or more of such rights and remedies may be exercised independently or in combination from time to time. Without prejudice to the ability of the Creditor to dispose of the Collateral in any manner which is commercially reasonable, the Debtor acknowledges that a disposition of Collateral by the Creditor which takes place substantially in accordance with the following provisions will be deemed to be commercially reasonable:

- (i) Collateral may be disposed of in whole or in part;
- (ii) Collateral may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (iii) any purchaser or lessee of Collateral may be a customer of the Creditor;
- (iv) a disposition of Collateral may be on such terms and conditions as to credit or otherwise as the Creditor, in its sole discretion, may deem advantageous; and
- (v) the Creditor may establish an upset or reserve bid or price in respect of Collateral.

9. Grant of Licence. For the purpose of enabling the Creditor to exercise its rights and remedies under Section 8 when the Creditor is entitled to exercise such rights and remedies, and for no other purpose, the Debtor grants to the Creditor an irrevocable, non-exclusive licence (exercisable without payment of royalty or other compensation to the Debtor) to use, assign or sublicense any or all of the Intellectual Property Rights, including in such licence reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout of the same.

10. Sale of Investment Property. The Creditor is authorized, in connection with any offer or sale of any Investment Property forming part of the Collateral, to comply with any limitation or restriction as it may be advised by counsel is necessary to comply with applicable law, including compliance with procedures that may restrict the number of prospective bidders and purchasers, requiring that prospective bidders and purchasers have certain qualifications, and restricting prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account or investment and not with a view to the distribution or resale of such Investment Property. The Debtor further agrees that compliance with any such limitation or restriction will not result in a sale being considered or deemed not to have been made in a commercially reasonable manner, and the Creditor will not be liable or accountable to the Debtor for any discount allowed by reason of the fact that such Investment Property are sold in compliance with any such limitation or restriction.

11. Application of Proceeds. All Proceeds of Collateral received by the Creditor or a Receiver may be applied to discharge or satisfy any expenses (including the Receiver's remuneration and other expenses of enforcing the Creditor's rights under this Agreement), Security Interests in favour of Persons other than the Creditor, borrowings, taxes and other

outgoings affecting the Collateral or which are considered advisable by the Creditor or the Receiver to protect, preserve, repair, process, maintain or enhance the Collateral or prepare it for sale, lease or other disposition, or to keep in good standing any Security Interests on the Collateral ranking in priority to any of the Security Interests created by this Agreement, or to sell, lease or otherwise dispose of the Collateral. The balance of such Proceeds may, at the sole discretion of the Creditor, be held as collateral security for the Liabilities or be applied to such of the Liabilities (whether or not the same are due and payable) in such manner and at such times as the Creditor considers appropriate and thereafter will be accounted for as required by law.

12. Continuing Liability of Debtor. The Debtor will remain liable for any Liabilities that are outstanding following realization of all or any part of the Collateral and the application of the Proceeds thereof.

13. Creditor's Appointment as Attorney-in-Fact. The Debtor constitutes and appoints the Creditor and any officer or agent of the Creditor, with full power of substitution, as the Debtor's true and lawful attorney-in-fact with full power and authority in the place of the Debtor and in the name of the Debtor or in its own name, from time to time in the Creditor's discretion to take any and all appropriate action and to execute any and all documents and instruments as, in the opinion of such attorney acting reasonably, may be necessary or desirable to accomplish the purposes of this Agreement. These powers are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created by this Agreement are released. Nothing in this Section affects the right of the Creditor as secured party or any other Person on the Creditor's behalf, to sign and file or deliver (as applicable) all such financing statements, financing change statements, notices, verification statements and other documents relating to the Collateral and this Agreement as the Creditor or such other Person considers appropriate.

14. Performance by Creditor of Debtor's Obligations. If the Debtor fails to perform or comply with any of the obligations of the Debtor under this Agreement, the Creditor may, but need not, perform or otherwise cause the performance or compliance of such obligation, provided that such performance or compliance will not constitute a waiver, remedy or satisfaction of such failure. The expenses of the Creditor incurred in connection with any such performance or compliance will be payable by the Debtor to the Creditor immediately on demand, and until paid, any such expenses will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

15. Interest. If any amount payable to the Creditor under this Agreement is not paid when due, the Debtor will pay to the Creditor, immediately on demand, interest on such amount from the date due until paid, at the highest annual rate applicable to the Liabilities from time to time, including default rates. All amounts payable by the Debtor to the Creditor under this Agreement, and all interest on all such amounts, compounded monthly on the last Business Day of each month, will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

16. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

17. Rights of Creditor; Limitations on Creditor's Obligations.

(a) Limitations on Creditor's Liability. The Creditor will not be liable to the Debtor or any other Person for any failure or delay in exercising any of the rights of the Debtor under this

Agreement (including any failure to take possession of, collect, sell, lease or otherwise dispose of any Collateral, or to preserve rights against prior parties). Neither the Creditor, a Receiver nor any agent of the Creditor (including, in Alberta or British Columbia, any sheriff) is required to take, or will have any liability for any failure to take or delay in taking, any steps necessary or advisable to preserve rights against other Persons in respect of any Collateral. Neither the Creditor nor any Receiver will be liable for any, and the Debtor will bear the full risk of all, loss or damage to any and all of the Collateral (including any Collateral in the possession of the Creditor or any Receiver) caused for any reason other than the gross negligence or wilful misconduct of the Creditor or such Receiver.

(b) Debtor Remains Liable under Accounts and Contracts. Notwithstanding any provision of this Agreement, the Debtor will remain liable under each of the documents giving rise to the Accounts and under each of the Contracts to observe and perform all the conditions and obligations to be observed and performed by the Debtor thereunder, all in accordance with the terms of each such document and Contract. The Creditor will have no obligation or liability under any Account (or any document giving rise thereto) or Contract by reason of or arising out of this Agreement or the receipt by the Creditor of any payment relating to such Account or Contract pursuant hereto, and in particular (but without limitation), the Creditor will not be obligated in any manner to perform any of the obligations of the Debtor under or pursuant to any Account (or any document giving rise thereto) or under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Account (or any document giving rise thereto) or under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time.

(c) Collections on Accounts and Contracts. The Creditor hereby authorizes the Debtor to collect the Accounts and payments under the Contracts in the normal course of the business of the Debtor and for the purpose of carrying on the same. If required by the Creditor at any time, any payments of Accounts or under Contracts, when collected by the Debtor, will be forthwith (and, in any event, within two Business Days) deposited by the Debtor in the exact form received, duly endorsed by the Debtor to the Creditor if required, in a special collateral account maintained by the Creditor, and until so deposited, will be held by the Debtor in trust for the Creditor, segregated from other funds of the Debtor or any other Person. All such amounts while held by the Creditor (or by the Debtor in trust for the Creditor) and all income in respect thereof will continue to be collateral security for the Liabilities and will not constitute payment thereof until applied as hereinafter provided. If a Default has occurred, the Creditor may apply all or any part of the amounts on deposit in said special collateral account on account of the Liabilities in such order as the Creditor may elect. At the Creditor's request, the Debtor will deliver to the Creditor any documents evidencing and relating to the agreements and transactions which gave rise to the Accounts and Contracts, including all original orders, invoices and shipping receipts.

(d) Analysis of Accounts. The Creditor will have the right to analyze and verify the Accounts in any manner and through any medium that it reasonably considers advisable, and the Debtor will furnish all such assistance and information as the Creditor may require in connection therewith. The Creditor may in its own name or in the name of others (including the Debtor) communicate with account debtors on the Accounts and parties to the Contracts to verify with them to its satisfaction the existence, status, amount and terms of any Account or any Contract. At any time and from time to time, upon the Creditor's reasonable request and at the expense of the Debtor, the Debtor will furnish to the Creditor reports showing reconciliations, aging and test verifications of, and trial balances for, the Accounts.

18. Dealings by Creditor. The Creditor will not be obliged to exhaust its recourse against the Debtor or any other Person or against any other security it may hold in respect of the Liabilities before realizing upon or otherwise dealing with the Collateral in such manner as the Creditor may consider desirable. The Creditor may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Debtor and any other Person, and with any or all of the Collateral, and with other security and sureties, as the Creditor may see fit, all without prejudice to the Liabilities or to the rights and remedies of the Creditor under this Agreement. The powers conferred on the Creditor under this Agreement are solely to protect the interests of the Creditor in the Collateral and will not impose any duty upon the Creditor to exercise any such powers.

19. Communication. Any notice or other communication required or permitted to be given under this Agreement will be made in accordance with the terms of the Loan Agreement.

20. Release of Information. The Debtor authorizes the Creditor to provide a copy of this Agreement and such other information as may be requested of the Creditor by Persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtor.

21. Waiver. To the extent permitted by applicable law, the Debtor unconditionally and irrevocably waives (i) all claims, damages and demands it may acquire against the Creditor, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of the exercise by the Creditor of any Receiver of any rights or remedies under this Agreement, and (ii) all of the rights, benefits and protections given by any present or future statute that imposes limitations on the rights, powers or remedies of a secured party or on the methods of, or procedures for, realization of security, including any "seize or sue" or "anti-deficiency" statute or any similar provision of any other statute.

22. Alteration or Waiver and Indemnity. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Creditor. The Creditor will not, by any act or delay, be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Creditor, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Creditor of any right or remedy hereunder on any one occasion will not be construed as a bar to any right or remedy which the Creditor would otherwise have on any future occasion. Neither the taking of any judgment nor the exercise of any power of seizure or sale will extinguish the liability of the Debtor to pay the Liabilities, nor will the same operate as a merger of any covenant contained in this Agreement or of any other liability, nor will the acceptance of any payment or other security constitute or create any novation. The Debtor agrees to indemnify the Creditor from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (except by reason of the gross negligence or wilful misconduct of the Creditor or any of its agents or employees) which may be imposed on, incurred by, or asserted against the Creditor and arising by reason of any action (including any action referred to in this Agreement) or inaction or omission to do any act legally required by the Debtor. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement

23. Environmental License and Indemnity. The Debtor hereby grants to the Creditor and its employees and agents an irrevocable and non-exclusive license, subject to the

rights of tenants, if any, to enter any of the premises of the Debtor to conduct audits, testing and monitoring with respect to hazardous substances and to remove and analyze any hazardous substance at the cost and expense of the Debtor (which cost and expense will form part of the Liabilities and will be payable immediately on demand and secured by the Security Interests created by this Agreement). The Debtor will indemnify the Creditor and hold the Creditor harmless against and from all losses, costs, damages and expenses which the Creditor may sustain, incur or be or become liable at any time whatsoever for by reason of or arising from the past, present or future existence, clean-up, removal or disposal of any hazardous substance on or about any property owned or occupied by the Debtor or compliance with environmental laws or environmental orders relating thereto, including any clean-up, decommissioning, restoration or remediation of any premises owned or occupied by the Debtor or other affected lands or property. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement.

24. Amalgamation. If the Debtor is a corporation, the Debtor acknowledges that if it amalgamates with any other corporation or corporations, then (i) the Collateral and the Security Interests created by this Agreement will extend to and include all the property and assets of the amalgamated corporation and to any property or assets of the amalgamated corporation thereafter owned or acquired, (ii) the term "Debtor", where used in this Agreement, will extend to and include the amalgamated corporation, and (iii) the term "Liabilities", where used in this Agreement, will extend to and include the Liabilities of the amalgamated corporation.

25. Governing Law; Attornment. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. Without prejudice to the ability of the Creditor to enforce this Agreement in any other proper jurisdiction, the Debtor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by applicable law, the Debtor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Agreement in the courts of such province.

26. Interpretation. Unless otherwise expressly provided in this Agreement, if any matter in this Agreement is subject to the consent or approval of the Creditor or is to be acceptable to the Creditor, such consent, approval or determination of acceptability will be in the sole discretion of the Creditor. If any provision in this Agreement refers to any action taken or to be taken by the Debtor, or which the Debtor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Agreement into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Agreement. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Agreement, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Agreement to a "Section" means the relevant Section of this Agreement. If more than one Debtor executes this Agreement, their obligations under this Agreement are joint and several.

27. Paramourcy. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the Loan Agreement then, notwithstanding anything contained in this Agreement, the provisions contained in the Loan Agreement shall prevail to the extent of such conflict or inconsistency and the provisions of this Agreement shall be deemed to be amended to the extent necessary to eliminate such conflict or inconsistency. If there is a representation, warranty, covenant, agreement or event of default contained in this Agreement,

which is not contained in the Loan Agreement, or vice versa, such additional provision shall not constitute a conflict but shall be valid and enforceable in accordance with its terms.

28. Successors and Assigns. This Agreement will enure to the benefit of, and be binding on, the Debtor and its successors and permitted assigns, and will enure to the benefit of, and be binding on, the Creditor and its successors and assigns. The Debtor may not assign this Agreement, or any of its rights or obligations under this Agreement, without the prior written consent of the Creditor. If the Debtor or the Creditor is an individual, then the term "Debtor" or "Creditor", as applicable, will also include his or her heirs, administrators and executors.

29. Acknowledgment of Receipt/Waiver. The Debtor acknowledges receipt of an executed copy of this Agreement and, to the extent permitted by applicable law, waives the right to receive a copy of any financing statement, financing change statement or verification statement in respect of any registered financing statement or financing change statement prepared, registered or issued in connection with this Agreement.

30. Counterparts. This Agreement may be signed in counterparts and by electronic transmission, each of which shall for all purposes be deemed to be an original, and all such separate counterparts shall together constitute one and the same instrument.

2. Grant of Security Interest. As general and continuing collateral security for the due payment and performance of the Liabilities, the Debtor mortgages, charges and assigns (by way of security) to the Creditor, and grants to the Creditor a security interest in, the Collateral.

3. Limitations on Grant of Security Interest. If the grant of any Security Interest in respect of any Contract, Intellectual Property Right or Permit under Section 2 would result in the

termination or breach of such Contract, Intellectual Property Right or Permit, then the applicable Contract, Intellectual Property Right or Permit will not be subject to any Security Interest under Section 2 but will be held in trust by the Debtor for the benefit of the Creditor and, on exercise by the Creditor of any of its rights under this Agreement following Default, assigned by the Debtor as directed by the Creditor. In addition, the Security Interests created by this Agreement do not attach to Consumer Goods or extend to the last day of the term of any lease or agreement for lease of real property. Such last day will be held by the Debtor in trust for the Creditor and, on the exercise by the Creditor of any of its rights under this Agreement following Default, will be assigned by the Debtor as directed by the Creditor.

4. Attachment; No Obligation to Advance. The Debtor confirms that value has been given by the Creditor to the Debtor, that the Debtor has rights in the Collateral (other than after-acquired property) and that the Debtor and the Creditor have not agreed to postpone the time for attachment of the Security Interests created by this Agreement to any of the Collateral. The Security Interests created by this Agreement will have effect and be deemed to be effective whether or not the Liabilities or any part thereof are owing or in existence before or after or upon the date of this Agreement. Neither the execution of this Agreement nor any advance of funds shall oblige the Creditor to advance any funds or any additional funds.

5. Representations and Warranties. The Debtor represents and warrants to the Creditor that, as of the date of this Agreement:

(a) Places of Business, Name, Location of Collateral. The Debtor's principal place of business and chief executive office, and the place where it keeps its Books and Records, is at the address specified on the signature page of this Agreement, and its full legal name, and any other name under which it conducts its business, is specified on the signature page of this Agreement. The location of all other existing places where the Debtor carries on business or keeps tangible Personal Property, the location of all jurisdictions in which account debtors of the Debtor are located, and the location of all real property owned by the Debtor, are set out in Schedule A to this Agreement.

(b) Title; No Other Security Interests. Except for Permitted Encumbrances, the Debtor owns (or, with respect to any leased or licensed property forming part of the Collateral, holds a valid leasehold or licensed interest in) the Collateral free and clear of any Security Interests. No security agreement, financing statement or other notice with respect to any or all of the Collateral is on file or on record in any public office, except for filings with respect to Permitted Encumbrances.

(c) Amount of Accounts. The amount represented by the Debtor to the Creditor from time to time as owing by each account debtor or by all account debtors in respect of the Accounts will at such time be the correct amount so owing by such account debtor or debtors and, unless disclosed in writing by the Debtor to the Creditor at that time, will be owed free of any dispute, set-off or counterclaim.

(d) Authority; Consents. The Debtor has full power and authority to grant to the Creditor the Security Interests created by this Agreement and to execute, deliver and perform its obligations under this Agreement, and such execution, delivery and performance does not contravene any of the Debtor's constating documents or by-laws or any agreement, instrument or restriction to which the Debtor is a party or by which the Debtor or any of the Collateral is bound. Except for any consent that has been obtained and is in full force and effect, no consent of any party (other than the Debtor) to any Contract or any obligor in respect of any Account is required, or purports to be required, for the execution, delivery and performance of this Agreement. Except

as disclosed in writing by the Debtor to the Creditor, neither the Debtor nor (to the best of the Debtor's knowledge) any other party to any Account or Contract is in default or is likely to become in default in the performance or observance of any of the terms of such Account or Contract.

(e) Execution and Delivery; Enforceability. This Agreement has been duly authorized, executed and delivered by the Debtor and is a valid and binding obligation of the Debtor enforceable against the Debtor in accordance with its terms, subject only to bankruptcy, insolvency, liquidation, reorganization, moratorium and other similar laws generally affecting the enforcement of creditors' rights, and to the fact that equitable remedies (such as specific performance and injunction) are discretionary remedies.

(f) Motor Vehicles. A description of all motor vehicles and other "serial number" goods (i.e. trailers, mobile homes, aircraft, aircraft engines and vessels) (including vehicle identification numbers) presently owned by the Debtor, classified as Equipment and are included in calculating the Term Facility Borrowing Limited as set out in the Loan Agreement, is set out in Schedule A to this Agreement.

(g) No Consumer Goods. The Debtor does not own any Consumer Goods which are material in value or which are material to the business, operations, property, condition or prospects (financial or otherwise) of the Debtor.

(h) Intellectual Property Rights. All registrations and applications for registration pertaining to Intellectual Property Rights owned by the Debtor, and all other Intellectual Property Rights of the Debtor, are described in Schedule A to this Agreement. To the best of the Debtor's knowledge, each such Intellectual Property Right is valid, subsisting, unexpired, enforceable and has not been abandoned. Except as set out in such Schedule, none of such Intellectual Property Rights has been licensed or franchised by the Debtor to any Person.

6. Survival of Representations and Warranties. All agreements, representations, warranties and covenants made by the Debtor in this Agreement are material, will be considered to have been relied on by the Creditor and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Creditor and any disposition or payment of the Liabilities until repayment and performance in full of the Liabilities and termination of all rights of the Debtor that, if exercised, would result in the existence of Liabilities.

7. Covenants. The Debtor covenants and agrees with the Creditor that:

(a) Further Documentation. The Debtor will from time to time, at the expense of the Debtor, promptly and duly authorize, execute and deliver such further instruments and documents, and take such further action, as the Creditor may request for the purpose of obtaining or preserving the full benefits of, and the rights and powers granted by, this Agreement (including the filing of any financing statements or financing change statements under any applicable legislation with respect to the Security Interests created by this Agreement). The Debtor acknowledges that this Agreement has been prepared based on the existing laws in the province referred to in the "Governing Law" section of this Agreement and that a change in such laws, or the laws of other jurisdictions, may require the execution and delivery of different forms of security documentation. Accordingly, the Debtor agrees that the Creditor will have the right to require that this Agreement be amended, supplemented or replaced, and that the Debtor will immediately on request by the Creditor authorize, execute and deliver any such amendment, supplement or replacement (i) to reflect any changes in such laws, whether arising as a result of statutory amendments, court decisions or otherwise, (ii) to facilitate the creation and registration of

appropriate security in all appropriate jurisdictions, or (iii) if the Debtor merges or amalgamates with any other Person or enters into any corporate reorganization, in each case in order to confer on the Creditor Security Interests similar to, and having the same effect as, the Security Interests created by this Agreement.

(b) Delivery of Certain Collateral. Promptly upon request from time to time by the Creditor, the Debtor will deliver (or cause to be delivered) to the Creditor, endorsed and/or accompanied by such instruments of assignment and transfer in such form and substance as the Creditor may reasonably request, any and all Instruments, Investment Property, Documents of Title and Chattel Paper included in or relating to the Collateral as the Creditor may specify in its request.

(c) Payment of Expenses; Indemnification. The Debtor will pay on demand, and will indemnify and save the Creditor harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (i) incurred by the Creditor in the preparation, registration, administration or enforcement of this Agreement, (ii) with respect to, or resulting from, any failure or delay by the Debtor in performing or observing any of its obligations under this Agreement, or (iii) incurred by the Creditor in performing or observing any of the other covenants of the Debtor under this Agreement.

(d) Maintenance of Records. The Debtor will keep and maintain accurate and complete records of the Collateral, including a record of all payments received and all credits granted with respect to the Accounts and Contracts. At the written request of the Creditor, the Debtor will mark any Collateral specified by the Creditor to evidence the existence of the Security Interests created by this Agreement.

(e) Right of Inspection. The Creditor may, at all times during normal business hours, without charge, examine and make copies of all Books and Records, and may discuss the affairs, finances and accounts of the Debtor with its officers and accountants. The Creditor may also, without charge, enter the premises of the Debtor where any of the Collateral is located for the purpose of inspecting the Collateral, observing its use or otherwise protecting its interests in the Collateral. The Debtor, at its expense, will provide the Creditor with such clerical and other assistance as may be reasonably requested by the Creditor to exercise any of its rights under this paragraph.

(f) Limitations on Other Security Interests. The Debtor will not create, incur or permit to exist, and will defend the Collateral against, and will take such other action as is necessary to remove, any and all Security Interests in and other claims affecting the Collateral, other than the Security Interests created by this Agreement or as permitted in writing by the Creditor, and the Debtor will defend the right, title and interest of the Creditor in and to the Collateral against the claims and demands of all Persons.

(g) Limitations on Dispositions of Collateral. The Debtor will not, without the Creditor's prior written consent, sell, lease or otherwise dispose of any of the Collateral, except that Inventory may be sold, leased or otherwise disposed of, and subject to Section 17, Accounts may be collected, in the ordinary course of the Debtor's business. Following Default, all Proceeds of the Collateral (including all amounts received in respect of Accounts) received by or on behalf of the Debtor, whether or not arising in the ordinary course of the Debtor's business, will be received by the Debtor as trustee for the Creditor, remain segregated from the property of the Debtor or any other Person and will be immediately paid to the Creditor.

(h) Limitations on Modifications, Waivers, Extensions. Other than as permitted by paragraph (i) below, the Debtor will not (i) amend, modify, terminate or waive any provision of any Permit, Contract or any document giving rise to an Account in any manner which is or could reasonably be expected to be materially adverse to the Debtor or the Creditor, or (ii) fail to exercise promptly and diligently its rights under each Contract and each document giving rise to an Account if such failure is or could reasonably be expected to be materially adverse to the Debtor or the Creditor.

(i) Limitations on Discounts, Compromises, Extensions of Accounts. Other than in the ordinary course of business of the Debtor consistent with previous practices, the Debtor will not (i) grant any extension of the time for payment of any Account, (ii) compromise, compound or settle any Account for less than its full amount, (iii) release, wholly or partially, any Person liable for the payment of any Account, or (iv) allow any credit or discount of any Account.

(j) Maintenance of Collateral. The Debtor will maintain all tangible Collateral in good operating condition, ordinary wear and tear excepted, and the Debtor will provide all maintenance, service and repairs necessary for such purpose.

(k) Insurance. The Debtor will keep the Collateral insured with financially sound and reputable companies to its full insurable value against loss or damage by fire, explosion, theft and such other risks as are customarily insured against by Persons carrying on similar businesses or owning similar property within the vicinity in which the Debtor's applicable business or property is located. The applicable insurance policies will be in form and substance satisfactory to the Creditor and will (i) contain a breach of warranty clause in favour of the Creditor, (ii) provide that no cancellation, material reduction in amount or material change in coverage will be effective until at least 30 days after receipt of written notice thereof by the Creditor, (iii) contain by way of endorsement a mortgagee clause in form and substance satisfactory to the Creditor, and (iv) name the Creditor as loss payee as its interest may appear. The Debtor will, from time to time at the Creditor's request, deliver the applicable insurance policies (or satisfactory evidence of such policies) to the Creditor. If the Debtor does not obtain or maintain such insurance, the Creditor may, but need not, do so, in which event the Debtor will immediately on demand reimburse the Creditor for all payments made by the Creditor in connection with obtaining and maintaining such insurance, and until reimbursed any such payment will form part of the Liabilities and will be secured by the Security Interests created by this Agreement. Neither the Creditor nor its correspondents or its agents will be responsible for the character, adequacy, validity or genuineness of any insurance, the solvency of any insurer, or any other risk connected with insurance.

(l) Further Identification of Collateral. The Debtor will promptly furnish to the Creditor such statements, schedules, permits and licenses further identifying and describing the Collateral, and such other reports in connection with the Collateral, as the Creditor may from time to time reasonably request, including an updated list of any motor vehicles or other "serial number" goods owned by the Debtor and classified as Equipment, including vehicle identification numbers.

(m) Notices. The Debtor will advise the Creditor promptly, in reasonable detail, of (i) any Security Interest (other than the Security Interests created by this Agreement and any Security Interest permitted in writing by the Creditor) on, or claim asserted against, any of the Collateral, (ii) the occurrence of any event, claim or occurrence that could reasonably be expected to have a material adverse effect on the value of the Collateral or on the Security Interests created by this Agreement, (iii) any change in the location of any place of business (including additional locations) or the chief executive office of the Debtor, (iv) any change in the location of any of the tangible Collateral (including additional locations), (v) any acquisition of real property by the

Debtor, (vi) any change in the name of the Debtor, (vii) any merger or amalgamation of the Debtor with any other Person, (viii) any additional jurisdiction in which material accounts debtors of the Debtor are located, and (ix) any material loss of or damage to any of the Collateral. The Debtor agrees not to effect or permit any of the changes referred to in clauses (iii) to (viii) above unless all filings have been made and all other actions taken that are required in order for the Creditor to continue at all times following such change to have a valid and perfected Security Interest in respect of all of the Collateral.

(n) Delivery of Agreements re Intellectual Property Rights. The Debtor will promptly, following demand from time to time by the Creditor, authorize, execute and deliver any and all agreements, instruments, documents and papers that the Creditor may request to evidence the Creditor's Security Interests in any Intellectual Property Rights and, where applicable, the goodwill of the business of the Debtor connected with the use of, and symbolized by, any such Intellectual Property Rights.

8. Rights on Default. On Default, all of the Liabilities will, at the option of the Creditor, become immediately due and payable and the security constituted by this Agreement will become enforceable, and the Creditor may, personally or by agent, at such time or times as the Creditor in its sole discretion may determine, do any one or more of the following:

(e) Carry on Business. Carry on, or concur in the carrying on of, any or all of the business or undertaking of the Debtor and enter on, occupy and use (without charge by the Debtor) any of the premises, buildings, plant and undertaking of, or occupied or used by, the Debtor.

The Debtor shall only be entitled to credit against the liability for money actually received by the Creditor, less the Creditor's costs and expenses of disposition. In no event shall

the Debtor be entitled to credit for any deferred payment in respect of collateral realized by the Creditor.

(h) Court-Approved Disposition of Collateral. Apply to a court of competent jurisdiction for the sale or foreclosure of any or all of the Collateral.

In any such sale to the Creditor, the Creditor may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Liabilities then due and payable to it as a credit against the purchase price.

(j) Collect Accounts. Notify the account debtors or obligors under any Accounts of the assignment of such Accounts to the Creditor and direct such account debtors or obligors to make payment of all amounts due or to become due to the Debtor in respect of such Accounts directly to the Creditor and, upon such notification and at the expense of the Debtor, enforce collection of any such Accounts, and adjust, settle or compromise the amount or payment of such Accounts, in such manner and to such extent as the Creditor deems appropriate in the circumstances. To the extent permitted by applicable law, any Receiver appointed by the Creditor will (for purposes relating to responsibility for the Receiver's acts or omissions) be considered to be the agent of the Debtor and not of the Creditor.

(p) Court-Appointed Receiver. Apply to a court of competent jurisdiction for the appointment of a Receiver of the Debtor or of any or all of the Collateral.

(q) **Consultants.** Require the Debtor to engage a consultant of the Creditor's choice, or engage a consultant on its own behalf, such consultant to receive the full cooperation and support of the Debtor and its employees, including unrestricted access to the premises, books and records of the Debtor; all reasonable fees and expenses of such consultant shall be for the account of the Debtor and the Debtor hereby authorizes any such consultant to report directly to the Creditor and to disclose to the Creditor any and all information obtained in the course of such consultant's employment.

The Creditor may exercise any or all of the foregoing rights and remedies without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except as required by applicable law) to or on the Debtor or any other Person, and the Debtor by this Agreement waives each such demand, presentment, protest, advertisement and notice to the extent permitted by applicable law. None of the above rights or remedies will be exclusive of or dependent on or merge in any other right or remedy, and one or more of such rights and remedies may be exercised independently or in combination from time to time. Without prejudice to the ability of the Creditor to dispose of the Collateral in any manner which is commercially reasonable, the Debtor acknowledges that a disposition of Collateral by the Creditor which takes place substantially in accordance with the following provisions will be deemed to be commercially reasonable:

11. Application of Proceeds. The balance of such Proceeds may, at the sole discretion of the Creditor, be held as collateral security for the Liabilities or be applied to such of the Liabilities (whether or not the same are due and payable) in such manner and at such times as the Creditor considers appropriate and thereafter will be accounted for as required by law.

These powers are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created by this Agreement are released. Nothing in this Section affects the right of the Creditor as secured party or any other Person on the Creditor's behalf, to sign and file or deliver (as applicable) all such financing statements, financing change statements, notices, verification statements and other documents relating to the Collateral and this Agreement as the Creditor or such other Person considers appropriate.

14. Performance by Creditor of Debtor's Obligations. If the Debtor fails to perform or comply with any of the obligations of the Debtor under this Agreement, the Creditor may, but need not, perform or otherwise cause the performance or compliance of such obligation, provided that such performance or compliance will not constitute a waiver, remedy or satisfaction of such failure. The expenses of the Creditor incurred in connection with any such performance or compliance will be payable by the Debtor to the Creditor immediately on demand, and until paid, any such expenses will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

15. Interest. If any amount payable to the Creditor under this Agreement is not paid when due, the Debtor will pay to the Creditor, immediately on demand, interest on such amount from the date due until paid, at the highest annual rate applicable to the Liabilities from time to time, including default rates. All amounts payable by the Debtor to the Creditor under this Agreement, and all interest on all such amounts, compounded monthly on the last Business Day of each month, will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

16. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

17. Rights of Creditor; Limitations on Creditor's Obligations.

(a) Limitations on Creditor's Liability. The Creditor will not be liable to the Debtor or any other Person for any failure or delay in exercising any of the rights of the Debtor under this Agreement (including any failure to take possession of, collect, sell, lease or otherwise dispose of any Collateral, or to preserve rights against prior parties). Neither the Creditor, a Receiver nor any agent of the Creditor (including, in Alberta or British Columbia, any sheriff) is required to take, or will have any liability for any failure to take or delay in taking, any steps necessary or advisable to preserve rights against other Persons in respect of any Collateral. The Creditor will have no obligation or liability under any Account (or any document giving rise thereto) or Contract by reason of or arising out of this Agreement or the receipt by the Creditor of any payment relating to such Account or Contract pursuant hereto, and in particular (but without limitation), the Creditor will not be obligated in any manner to perform any of the obligations of the Debtor under or pursuant to any Account (or any document giving rise thereto) or under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Account (or any document giving rise thereto) or under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time.

(c) Collections on Accounts and Contracts. The Creditor hereby authorizes the Debtor to collect the Accounts and payments under the Contracts in the normal course of the business of the Debtor and for the purpose of carrying on the same. If required by the Creditor at any time, any payments of Accounts or under Contracts, when collected by the Debtor, will be forthwith (and, in any event, within two Business Days) deposited by the Debtor in the exact form received, duly endorsed by the Debtor to the Creditor if required, in a special collateral account maintained by the Creditor, and until so deposited, will be held by the Debtor in trust for the Creditor, segregated from other funds of the Debtor or any other Person. All such amounts while held by the Creditor (or by the Debtor in trust for the Creditor) and all income in respect thereof will continue to be collateral security for the Liabilities and will not constitute payment thereof until applied as hereinafter provided. If a Default has occurred, the Creditor may apply all or any part of the amounts on deposit in said special collateral account on account of the Liabilities in such order as the Creditor may elect. At the Creditor's request, the Debtor will deliver to the Creditor any documents evidencing and relating to the agreements and transactions which gave rise to the Accounts and Contracts, including all original orders, invoices and shipping receipts.

(d) Analysis of Accounts. The Creditor will have the right to analyze and verify the Accounts in any manner and through any medium that it reasonably considers advisable, and the Debtor will furnish all such assistance and information as the Creditor may require in connection therewith. The Creditor may in its own name or in the name of others (including the Debtor) communicate with account debtors on the Accounts and parties to the Contracts to verify with them to its satisfaction the existence, status, amount and terms of any Account or any Contract.

At any time and from time to time, upon the Creditor's reasonable request and at the expense of the Debtor, the Debtor will furnish to the Creditor reports showing reconciliations, aging and test verifications of, and trial balances for, the Accounts.

18. Dealings by Creditor. The Creditor will not be obliged to exhaust its recourse against the Debtor or any other Person or against any other security it may hold in respect of the Liabilities before realizing upon or otherwise dealing with the Collateral in such manner as the Creditor may consider desirable. The Creditor may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Debtor and any other Person, and with any or all of the Collateral, and with other security and sureties, as the Creditor may see fit, all without prejudice to the Liabilities or to the rights and remedies of the Creditor under this Agreement. The powers conferred on the Creditor under this Agreement are solely to protect the interests of the Creditor in the Collateral and will not impose any duty upon the Creditor to exercise any such powers.

19. Communication. Any notice or other communication required or permitted to be given under this Agreement will be made in accordance with the terms of the Loan Agreement.

20. Release of Information. The Debtor authorizes the Creditor to provide a copy of this Agreement and such other information as may be requested of the Creditor by Persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtor.

21. Waiver. To the extent permitted by applicable law, the Debtor unconditionally and irrevocably waives (i) all claims, damages and demands it may acquire against the Creditor, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of the exercise by the Creditor of any Receiver of any rights or remedies under this Agreement, and (ii) all of the rights, benefits and protections given by any present or future statute that imposes limitations on the rights, powers or remedies of a secured party or on the methods of, or procedures for, realization of security, including any "seize or sue" or "anti-deficiency" statute or any similar provision of any other statute.

22. Alteration or Waiver and Indemnity. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Creditor. The Creditor will not, by any act or delay, be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Creditor, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Creditor of any right or remedy hereunder on any one occasion will not be construed as a bar to any right or remedy which the Creditor would otherwise have on any future occasion. Neither the taking of any judgment nor the exercise of any power of seizure or sale will extinguish the liability of the Debtor to pay the Liabilities, nor will the same operate as a merger of any covenant contained in this Agreement or of any other liability, nor will the acceptance of any payment or other security constitute or create any novation. The Debtor agrees to indemnify the Creditor from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (except by reason of the gross negligence or wilful misconduct of the Creditor or any of its agents or employees) which may be imposed on, incurred by, or asserted against the Creditor and arising by reason of any action (including any action referred to in this Agreement) or inaction or omission

to do any act legally required by the Debtor. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement

23. Environmental License and Indemnity. The Debtor hereby grants to the Creditor and its employees and agents an irrevocable and non-exclusive license, subject to the rights of tenants, if any, to enter any of the premises of the Debtor to conduct audits, testing and monitoring with respect to hazardous substances and to remove and analyze any hazardous substance at the cost and expense of the Debtor (which cost and expense will form part of the Liabilities and will be payable immediately on demand and secured by the Security Interests created by this Agreement). The Debtor will indemnify the Creditor and hold the Creditor harmless against and from all losses, costs, damages and expenses which the Creditor may sustain, incur or be or become liable at any time whatsoever for by reason of or arising from the past, present or future existence, clean-up, removal or disposal of any hazardous substance on or about any property owned or occupied by the Debtor or compliance with environmental laws or environmental orders relating thereto, including any clean-up, decommissioning, restoration or remediation of any premises owned or occupied by the Debtor or other affected lands or property. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement.

24. Amalgamation. If the Debtor is a corporation, the Debtor acknowledges that if it amalgamates with any other corporation or corporations, then (i) the Collateral and the Security Interests created by this Agreement will extend to and include all the property and assets of the amalgamated corporation and to any property or assets of the amalgamated corporation thereafter owned or acquired, (ii) the term "Debtor", where used in this Agreement, will extend to and include the amalgamated corporation, and (iii) the term "Liabilities", where used in this Agreement, will extend to and include the Liabilities of the amalgamated corporation.

25. Governing Law; Attornment. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. Without prejudice to the ability of the Creditor to enforce this Agreement in any other proper jurisdiction, the Debtor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by applicable law, the Debtor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Agreement in the courts of such province.

26. Interpretation. Unless otherwise expressly provided in this Agreement, if any matter in this Agreement is subject to the consent or approval of the Creditor or is to be acceptable to the Creditor, such consent, approval or determination of acceptability will be in the sole discretion of the Creditor. If any provision in this Agreement refers to any action taken or to be taken by the Debtor, or which the Debtor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Agreement into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Agreement. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Agreement, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Agreement to a "Section" means the relevant Section of this Agreement. If more than one Debtor executes this Agreement, their obligations under this Agreement are joint and several.

27. Paramountcy. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the Loan Agreement then, notwithstanding anything

contained in this Agreement, the provisions contained in the Loan Agreement shall prevail to the extent of such conflict or inconsistency and the provisions of this Agreement shall be deemed to be amended to the extent necessary to eliminate such conflict or inconsistency. If there is a representation, warranty, covenant, agreement or event of default contained in this Agreement, which is not contained in the Loan Agreement, or vice versa, such additional provision shall not constitute a conflict but shall be valid and enforceable in accordance with its terms.

28. Successors and Assigns. This Agreement will enure to the benefit of, and be binding on, the Debtor and its successors and permitted assigns, and will enure to the benefit of, and be binding on, the Creditor and its successors and assigns. The Debtor may not assign this Agreement, or any of its rights or obligations under this Agreement, without the prior written consent of the Creditor. If the Debtor or the Creditor is an individual, then the term "Debtor" or "Creditor", as applicable, will also include his or her heirs, administrators and executors.

29. Acknowledgment of Receipt/Waiver. The Debtor acknowledges receipt of an executed copy of this Agreement and, to the extent permitted by applicable law, waives the right to receive a copy of any financing statement, financing change statement or verification statement in respect of any registered financing statement or financing change statement prepared, registered or issued in connection with this Agreement.

30. Counterparts. This Agreement may be signed in counterparts and by electronic transmission, each of which shall for all purposes be deemed to be an original, and all such separate counterparts shall together constitute one and the same instrument.

2. Grant of Security Interest. As general and continuing collateral security for the due payment and performance of the Liabilities, the Debtor mortgages, charges and assigns (by way of security) to the Creditor, and grants to the Creditor a security interest in, the Collateral.

3. Limitations on Grant of Security Interest. If the grant of any Security Interest in respect of any Contract, Intellectual Property Right or Permit under Section 2 would result in the termination or breach of such Contract, Intellectual Property Right or Permit, then the applicable Contract, Intellectual Property Right or Permit will not be subject to any Security Interest under Section 2 but will be held in trust by the Debtor for the benefit of the Creditor and, on exercise by

the Creditor of any of its rights under this Agreement following Default, assigned by the Debtor as directed by the Creditor. In addition, the Security Interests created by this Agreement do not attach to Consumer Goods or extend to the last day of the term of any lease or agreement for lease of real property. Such last day will be held by the Debtor in trust for the Creditor and, on the exercise by the Creditor of any of its rights under this Agreement following Default, will be assigned by the Debtor as directed by the Creditor.

4. Attachment; No Obligation to Advance. The Debtor confirms that value has been given by the Creditor to the Debtor, that the Debtor has rights in the Collateral (other than after-acquired property) and that the Debtor and the Creditor have not agreed to postpone the time for attachment of the Security Interests created by this Agreement to any of the Collateral. The Security Interests created by this Agreement will have effect and be deemed to be effective whether or not the Liabilities or any part thereof are owing or in existence before or after or upon the date of this Agreement. Neither the execution of this Agreement nor any advance of funds shall oblige the Creditor to advance any funds or any additional funds.

5. Representations and Warranties. The Debtor represents and warrants to the Creditor that, as of the date of this Agreement:

(a) Places of Business, Name, Location of Collateral. The Debtor's principal place of business and chief executive office, and the place where it keeps its Books and Records, is at the address specified on the signature page of this Agreement, and its full legal name, and any other name under which it conducts its business, is specified on the signature page of this Agreement. The location of all other existing places where the Debtor carries on business or keeps tangible Personal Property, the location of all jurisdictions in which account debtors of the Debtor are located, and the location of all real property owned by the Debtor, are set out in Schedule A to this Agreement.

(b) Title; No Other Security Interests. Except for Permitted Encumbrances, the Debtor owns (or, with respect to any leased or licensed property forming part of the Collateral, holds a valid leasehold or licensed interest in) the Collateral free and clear of any Security Interests. No security agreement, financing statement or other notice with respect to any or all of the Collateral is on file or on record in any public office, except for filings with respect to Permitted Encumbrances.

(c) Amount of Accounts. The amount represented by the Debtor to the Creditor from time to time as owing by each account debtor or by all account debtors in respect of the Accounts will at such time be the correct amount so owing by such account debtor or debtors and, unless disclosed in writing by the Debtor to the Creditor at that time, will be owed free of any dispute, set-off or counterclaim.

(d) Authority; Consents. The Debtor has full power and authority to grant to the Creditor the Security Interests created by this Agreement and to execute, deliver and perform its obligations under this Agreement, and such execution, delivery and performance does not contravene any of the Debtor's constating documents or by-laws or any agreement, instrument or restriction to which the Debtor is a party or by which the Debtor or any of the Collateral is bound. Except for any consent that has been obtained and is in full force and effect, no consent of any party (other than the Debtor) to any Contract or any obligor in respect of any Account is required, or purports to be required, for the execution, delivery and performance of this Agreement. Except as disclosed in writing by the Debtor to the Creditor, neither the Debtor nor (to the best of the Debtor's knowledge) any other party to any Account or Contract is in default or is likely to become in default in the performance or observance of any of the terms of such Account or Contract.

(e) Execution and Delivery; Enforceability. This Agreement has been duly authorized, executed and delivered by the Debtor and is a valid and binding obligation of the Debtor enforceable against the Debtor in accordance with its terms, subject only to bankruptcy, insolvency, liquidation, reorganization, moratorium and other similar laws generally affecting the enforcement of creditors' rights, and to the fact that equitable remedies (such as specific performance and injunction) are discretionary remedies.

(f) Motor Vehicles. A description of all motor vehicles and other "serial number" goods (i.e. trailers, mobile homes, aircraft, aircraft engines and vessels) (including vehicle identification numbers) presently owned by the Debtor, classified as Equipment and are included in calculating the Term Facility Borrowing Limited as set out in the Loan Agreement, is set out in Schedule A to this Agreement.

(g) No Consumer Goods. The Debtor does not own any Consumer Goods which are material in value or which are material to the business, operations, property, condition or prospects (financial or otherwise) of the Debtor.

(h) Intellectual Property Rights. All registrations and applications for registration pertaining to Intellectual Property Rights owned by the Debtor, and all other Intellectual Property Rights of the Debtor, are described in Schedule A to this Agreement. To the best of the Debtor's knowledge, each such Intellectual Property Right is valid, subsisting, unexpired, enforceable and has not been abandoned. Except as set out in such Schedule, none of such Intellectual Property Rights has been licensed or franchised by the Debtor to any Person.

6. Survival of Representations and Warranties. All agreements, representations, warranties and covenants made by the Debtor in this Agreement are material, will be considered to have been relied on by the Creditor and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Creditor and any disposition or payment of the Liabilities until repayment and performance in full of the Liabilities and termination of all rights of the Debtor that, if exercised, would result in the existence of Liabilities.

7. Covenants. The Debtor covenants and agrees with the Creditor that:

(a) Further Documentation. The Debtor will from time to time, at the expense of the Debtor, promptly and duly authorize, execute and deliver such further instruments and documents, and take such further action, as the Creditor may request for the purpose of obtaining or preserving the full benefits of, and the rights and powers granted by, this Agreement (including the filing of any financing statements or financing change statements under any applicable legislation with respect to the Security Interests created by this Agreement). The Debtor acknowledges that this Agreement has been prepared based on the existing laws in the province referred to in the "Governing Law" section of this Agreement and that a change in such laws, or the laws of other jurisdictions, may require the execution and delivery of different forms of security documentation. Accordingly, the Debtor agrees that the Creditor will have the right to require that this Agreement be amended, supplemented or replaced, and that the Debtor will immediately on request by the Creditor authorize, execute and deliver any such amendment, supplement or replacement (i) to reflect any changes in such laws, whether arising as a result of statutory amendments, court decisions or otherwise, (ii) to facilitate the creation and registration of appropriate security in all appropriate jurisdictions, or (iii) if the Debtor merges or amalgamates with any other Person or enters into any corporate reorganization, in each case in order to confer on the Creditor Security Interests similar to, and having the same effect as, the Security Interests created by this Agreement.

(b) Delivery of Certain Collateral. Promptly upon request from time to time by the Creditor, the Debtor will deliver (or cause to be delivered) to the Creditor, endorsed and/or accompanied by such instruments of assignment and transfer in such form and substance as the Creditor may reasonably request, any and all Instruments, Investment Property, Documents of Title and Chattel Paper included in or relating to the Collateral as the Creditor may specify in its request.

(c) Payment of Expenses; Indemnification. The Debtor will pay on demand, and will indemnify and save the Creditor harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (i) incurred by the Creditor in the preparation, registration, administration or enforcement of this Agreement, (ii) with respect to, or resulting from, any failure or delay by the Debtor in performing or observing any of its obligations under this Agreement, or (iii) incurred by the Creditor in performing or observing any of the other covenants of the Debtor under this Agreement.

(d) Maintenance of Records. The Debtor will keep and maintain accurate and complete records of the Collateral, including a record of all payments received and all credits granted with respect to the Accounts and Contracts. At the written request of the Creditor, the Debtor will mark any Collateral specified by the Creditor to evidence the existence of the Security Interests created by this Agreement.

(e) Right of Inspection. The Creditor may, at all times during normal business hours, without charge, examine and make copies of all Books and Records, and may discuss the affairs, finances and accounts of the Debtor with its officers and accountants. The Creditor may also, without charge, enter the premises of the Debtor where any of the Collateral is located for the purpose of inspecting the Collateral, observing its use or otherwise protecting its interests in the Collateral. The Debtor, at its expense, will provide the Creditor with such clerical and other assistance as may be reasonably requested by the Creditor to exercise any of its rights under this paragraph.

(f) Limitations on Other Security Interests. The Debtor will not create, incur or permit to exist, and will defend the Collateral against, and will take such other action as is necessary to remove, any and all Security Interests in and other claims affecting the Collateral, other than the Security Interests created by this Agreement or as permitted in writing by the Creditor, and the Debtor will defend the right, title and interest of the Creditor in and to the Collateral against the claims and demands of all Persons.

(g) Limitations on Dispositions of Collateral. The Debtor will not, without the Creditor's prior written consent, sell, lease or otherwise dispose of any of the Collateral, except that Inventory may be sold, leased or otherwise disposed of, and subject to Section 17, Accounts may be collected, in the ordinary course of the Debtor's business. Following Default, all Proceeds of the Collateral (including all amounts received in respect of Accounts) received by or on behalf of the Debtor, whether or not arising in the ordinary course of the Debtor's business, will be received by the Debtor as trustee for the Creditor, remain segregated from the property of the Debtor or any other Person and will be immediately paid to the Creditor.

(h) Limitations on Modifications, Waivers, Extensions. Other than as permitted by paragraph (i) below, the Debtor will not (i) amend, modify, terminate or waive any provision of any Permit, Contract or any document giving rise to an Account in any manner which is or could reasonably be expected to be materially adverse to the Debtor or the Creditor, or (ii) fail to

exercise promptly and diligently its rights under each Contract and each document giving rise to an Account if such failure is or could reasonably be expected to be materially adverse to the Debtor or the Creditor.

(i) Limitations on Discounts, Compromises, Extensions of Accounts. Other than in the ordinary course of business of the Debtor consistent with previous practices, the Debtor will not (i) grant any extension of the time for payment of any Account, (ii) compromise, compound or settle any Account for less than its full amount, (iii) release, wholly or partially, any Person liable for the payment of any Account, or (iv) allow any credit or discount of any Account.

(j) Maintenance of Collateral. The Debtor will maintain all tangible Collateral in good operating condition, ordinary wear and tear excepted, and the Debtor will provide all maintenance, service and repairs necessary for such purpose.

(k) Insurance. The Debtor will keep the Collateral insured with financially sound and reputable companies to its full insurable value against loss or damage by fire, explosion, theft and such other risks as are customarily insured against by Persons carrying on similar businesses or owning similar property within the vicinity in which the Debtor's applicable business or property is located. The applicable insurance policies will be in form and substance satisfactory to the Creditor and will (i) contain a breach of warranty clause in favour of the Creditor, (ii) provide that no cancellation, material reduction in amount or material change in coverage will be effective until at least 30 days after receipt of written notice thereof by the Creditor, (iii) contain by way of endorsement a mortgagee clause in form and substance satisfactory to the Creditor, and (iv) name the Creditor as loss payee as its interest may appear. The Debtor will, from time to time at the Creditor's request, deliver the applicable insurance policies (or satisfactory evidence of such policies) to the Creditor. If the Debtor does not obtain or maintain such insurance, the Creditor may, but need not, do so, in which event the Debtor will immediately on demand reimburse the Creditor for all payments made by the Creditor in connection with obtaining and maintaining such insurance, and until reimbursed any such payment will form part of the Liabilities and will be secured by the Security Interests created by this Agreement. Neither the Creditor nor its correspondents or its agents will be responsible for the character, adequacy, validity or genuineness of any insurance, the solvency of any insurer, or any other risk connected with insurance.

(l) Further Identification of Collateral. The Debtor will promptly furnish to the Creditor such statements, schedules, permits and licenses further identifying and describing the Collateral, and such other reports in connection with the Collateral, as the Creditor may from time to time reasonably request, including an updated list of any motor vehicles or other "serial number" goods owned by the Debtor and classified as Equipment, including vehicle identification numbers.

(m) Notices. The Debtor will advise the Creditor promptly, in reasonable detail, of (i) any Security Interest (other than the Security Interests created by this Agreement and any Security Interest permitted in writing by the Creditor) on, or claim asserted against, any of the Collateral, (ii) the occurrence of any event, claim or occurrence that could reasonably be expected to have a material adverse effect on the value of the Collateral or on the Security Interests created by this Agreement, (iii) any change in the location of any place of business (including additional locations) or the chief executive office of the Debtor, (iv) any change in the location of any of the tangible Collateral (including additional locations), (v) any acquisition of real property by the Debtor, (vi) any change in the name of the Debtor, (vii) any merger or amalgamation of the Debtor with any other Person, (viii) any additional jurisdiction in which material accounts debtors of the Debtor are located, and (ix) any material loss of or damage to any of the Collateral. The Debtor agrees not to effect or permit any of the changes referred to in clauses (iii) to (viii) above unless

all filings have been made and all other actions taken that are required in order for the Creditor to continue at all times following such change to have a valid and perfected Security Interest in respect of all of the Collateral.

(n) Delivery of Agreements re Intellectual Property Rights. The Debtor will promptly, following demand from time to time by the Creditor, authorize, execute and deliver any and all agreements, instruments, documents and papers that the Creditor may request to evidence the Creditor's Security Interests in any Intellectual Property Rights and, where applicable, the goodwill of the business of the Debtor connected with the use of, and symbolized by, any such Intellectual Property Rights.

8. Rights on Default. On Default, all of the Liabilities will, at the option of the Creditor, become immediately due and payable and the security constituted by this Agreement will become enforceable, and the Creditor may, personally or by agent, at such time or times as the Creditor in its sole discretion may determine, do any one or more of the following:

(a) Rights under PPSA, etc. Exercise all of the rights and remedies granted to secured parties under the PPSA and any other applicable statute, or otherwise available to the Creditor at law or in equity.

(b) Demand Possession. (c) Take Possession. Enter on any premises where any Collateral is located and take possession of, disable or remove such Collateral.

(d) Deal with Collateral. Hold, store and keep idle, or operate, lease or otherwise use or permit the use of, any or all of the Collateral for such time and on such terms as the Creditor may determine, and demand, collect and retain all earnings and other sums due or to become due from any Person in respect of any of the Collateral.

(e) Carry on Business. Carry on, or concur in the carrying on of, any or all of the business or undertaking of the Debtor and enter on, occupy and use (without charge by the Debtor) any of the premises, buildings, plant and undertaking of, or occupied or used by, the Debtor.

(f) Enforce Collateral. Seize, collect, receive, enforce or otherwise deal with any Collateral in such manner, on such terms and conditions and at such times as the Creditor deems advisable.

The Debtor shall only be entitled to credit against the liability for money actually received by the Creditor, less the Creditor's costs and expenses of disposition. In no event shall the Debtor be entitled to credit for any deferred payment in respect of collateral realized by the Creditor.

(h) Court-Approved Disposition of Collateral. Apply to a court of competent jurisdiction for the sale or foreclosure of any or all of the Collateral.

(i) Purchase by Creditor. At any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Collateral offered for sale and, upon compliance with the terms of such sale, hold, retain and dispose of such Collateral without any further accountability to the Debtor or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Creditor, the Creditor may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Liabilities then due and payable to it as a credit against the purchase price.

(j) Collect Accounts. Notify the account debtors or obligors under any Accounts of the assignment of such Accounts to the Creditor and direct such account debtors or obligors to make payment of all amounts due or to become due to the Debtor in respect of such Accounts directly to the Creditor and, upon such notification and at the expense of the Debtor, enforce collection of any such Accounts, and adjust, settle or compromise the amount or payment of such Accounts, in such manner and to such extent as the Creditor deems appropriate in the circumstances. The Debtor shall give the Creditor any assistance requested by the Creditor with respect to such accounts as may be required to assess its value.

To the extent permitted by applicable law, any Receiver appointed by the Creditor will (for purposes relating to responsibility for the Receiver's acts or omissions) be considered to be the agent of the Debtor and not of the Creditor.

(p) Court-Appointed Receiver. Apply to a court of competent jurisdiction for the appointment of a Receiver of the Debtor or of any or all of the Collateral.

(q) Consultants. Require the Debtor to engage a consultant of the Creditor's choice, or engage a consultant on its own behalf, such consultant to receive the full cooperation and support of the Debtor and its employees, including unrestricted access to the premises, books and records of the Debtor; all reasonable fees and expenses of such consultant shall be for the

account of the Debtor and the Debtor hereby authorizes any such consultant to report directly to the Creditor and to disclose to the Creditor any and all information obtained in the course of such consultant's employment.

The Creditor may exercise any or all of the foregoing rights and remedies without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except as required by applicable law) to or on the Debtor or any other Person, and the Debtor by this Agreement waives each such demand, presentment, protest, advertisement and notice to the extent permitted by applicable law. None of the above rights or remedies will be exclusive of or dependent on or merge in any other right or remedy, and one or more of such rights and remedies may be exercised independently or in combination from time to time. Without prejudice to the ability of the Creditor to dispose of the Collateral in any manner which is commercially reasonable, the Debtor acknowledges that a disposition of Collateral by the Creditor which takes place substantially in accordance with the following provisions will be deemed to be commercially reasonable:

- (i) Collateral may be disposed of in whole or in part;
- (ii) Collateral may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (iii) any purchaser or lessee of Collateral may be a customer of the Creditor;

9. Grant of Licence. For the purpose of enabling the Creditor to exercise its rights and remedies under Section 8 when the Creditor is entitled to exercise such rights and remedies, and for no other purpose, the Debtor grants to the Creditor an irrevocable, non-exclusive licence (exercisable without payment of royalty or other compensation to the Debtor) to use, assign or sublicense any or all of the Intellectual Property Rights, including in such licence reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout of the same.

The Debtor further agrees that compliance with any such limitation or restriction will not result in a sale being considered or deemed not to have been made in a commercially reasonable manner, and the Creditor will not be liable or accountable to the Debtor for any discount allowed by reason of the fact that such Investment Property are sold in compliance with any such limitation or restriction.

11. Application of Proceeds. All Proceeds of Collateral received by the Creditor or a Receiver may be applied to discharge or satisfy any expenses (including the Receiver's remuneration and other expenses of enforcing the Creditor's rights under this Agreement), Security Interests in favour of Persons other than the Creditor, borrowings, taxes and other

outgoings affecting the Collateral or which are considered advisable by the Creditor or the Receiver to protect, preserve, repair, process, maintain or enhance the Collateral or prepare it for sale, lease or other disposition, or to keep in good standing any Security Interests on the Collateral ranking in priority to any of the Security Interests created by this Agreement, or to sell, lease or otherwise dispose of the Collateral. The balance of such Proceeds may, at the sole discretion of the Creditor, be held as collateral security for the Liabilities or be applied to such of the Liabilities (whether or not the same are due and payable) in such manner and at such times as the Creditor considers appropriate and thereafter will be accounted for as required by law.

12. Continuing Liability of Debtor. The Debtor will remain liable for any Liabilities that are outstanding following realization of all or any part of the Collateral and the application of the Proceeds thereof.

13. Creditor's Appointment as Attorney-in-Fact. The Debtor constitutes and appoints the Creditor and any officer or agent of the Creditor, with full power of substitution, as the Debtor's true and lawful attorney-in-fact with full power and authority in the place of the Debtor and in the name of the Debtor or in its own name, from time to time in the Creditor's discretion to take any and all appropriate action and to execute any and all documents and instruments as, in the opinion of such attorney acting reasonably, may be necessary or desirable to accomplish the purposes of this Agreement. These powers are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created by this Agreement are released. Nothing in this Section affects the right of the Creditor as secured party or any other Person on the Creditor's behalf, to sign and file or deliver (as applicable) all such financing statements, financing change statements, notices, verification statements and other documents relating to the Collateral and this Agreement as the Creditor or such other Person considers appropriate.

14. Performance by Creditor of Debtor's Obligations. If the Debtor fails to perform or comply with any of the obligations of the Debtor under this Agreement, the Creditor may, but need not, perform or otherwise cause the performance or compliance of such obligation, provided that such performance or compliance will not constitute a waiver, remedy or satisfaction of such failure. The expenses of the Creditor incurred in connection with any such performance or compliance will be payable by the Debtor to the Creditor immediately on demand, and until paid, any such expenses will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

15. Interest. If any amount payable to the Creditor under this Agreement is not paid when due, the Debtor will pay to the Creditor, immediately on demand, interest on such amount from the date due until paid, at the highest annual rate applicable to the Liabilities from time to time, including default rates. All amounts payable by the Debtor to the Creditor under this Agreement, and all interest on all such amounts, compounded monthly on the last Business Day of each month, will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

16. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

17. Rights of Creditor; Limitations on Creditor's Obligations.

(a) Limitations on Creditor's Liability. The Creditor will not be liable to the Debtor or any other Person for any failure or delay in exercising any of the rights of the Debtor under this

Agreement (including any failure to take possession of, collect, sell, lease or otherwise dispose of any Collateral, or to preserve rights against prior parties). Neither the Creditor, a Receiver nor any agent of the Creditor (including, in Alberta or British Columbia, any sheriff) is required to take, or will have any liability for any failure to take or delay in taking, any steps necessary or advisable to preserve rights against other Persons in respect of any Collateral. Neither the Creditor nor any Receiver will be liable for any, and the Debtor will bear the full risk of all, loss or damage to any and all of the Collateral (including any Collateral in the possession of the Creditor or any Receiver) caused for any reason other than the gross negligence or wilful misconduct of the Creditor or such Receiver.

(b) Debtor Remains Liable under Accounts and Contracts. Notwithstanding any provision of this Agreement, the Debtor will remain liable under each of the documents giving rise to the Accounts and under each of the Contracts to observe and perform all the conditions and obligations to be observed and performed by the Debtor thereunder, all in accordance with the terms of each such document and Contract. The Creditor will have no obligation or liability under any Account (or any document giving rise thereto) or Contract by reason of or arising out of this Agreement or the receipt by the Creditor of any payment relating to such Account or Contract pursuant hereto, and in particular (but without limitation), the Creditor will not be obligated in any manner to perform any of the obligations of the Debtor under or pursuant to any Account (or any document giving rise thereto) or under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Account (or any document giving rise thereto) or under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time.

(c) Collections on Accounts and Contracts. The Creditor hereby authorizes the Debtor to collect the Accounts and payments under the Contracts in the normal course of the business of the Debtor and for the purpose of carrying on the same. If required by the Creditor at any time, any payments of Accounts or under Contracts, when collected by the Debtor, will be forthwith (and, in any event, within two Business Days) deposited by the Debtor in the exact form received, duly endorsed by the Debtor to the Creditor if required, in a special collateral account maintained by the Creditor, and until so deposited, will be held by the Debtor in trust for the Creditor, segregated from other funds of the Debtor or any other Person. All such amounts while held by the Creditor (or by the Debtor in trust for the Creditor) and all income in respect thereof will continue to be collateral security for the Liabilities and will not constitute payment thereof until applied as hereinafter provided. If a Default has occurred, the Creditor may apply all or any part of the amounts on deposit in said special collateral account on account of the Liabilities in such order as the Creditor may elect. At the Creditor's request, the Debtor will deliver to the Creditor any documents evidencing and relating to the agreements and transactions which gave rise to the Accounts and Contracts, including all original orders, invoices and shipping receipts.

(d) Analysis of Accounts. The Creditor will have the right to analyze and verify the Accounts in any manner and through any medium that it reasonably considers advisable, and the Debtor will furnish all such assistance and information as the Creditor may require in connection therewith. The Creditor may in its own name or in the name of others (including the Debtor) communicate with account debtors on the Accounts and parties to the Contracts to verify with them to its satisfaction the existence, status, amount and terms of any Account or any Contract. At any time and from time to time, upon the Creditor's reasonable request and at the expense of the Debtor, the Debtor will furnish to the Creditor reports showing reconciliations, aging and test verifications of, and trial balances for, the Accounts.

18. Dealings by Creditor. The Creditor will not be obliged to exhaust its recourse against the Debtor or any other Person or against any other security it may hold in respect of the Liabilities before realizing upon or otherwise dealing with the Collateral in such manner as the Creditor may consider desirable. The Creditor may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Debtor and any other Person, and with any or all of the Collateral, and with other security and sureties, as the Creditor may see fit, all without prejudice to the Liabilities or to the rights and remedies of the Creditor under this Agreement. The powers conferred on the Creditor under this Agreement are solely to protect the interests of the Creditor in the Collateral and will not impose any duty upon the Creditor to exercise any such powers.

19. Communication. Any notice or other communication required or permitted to be given under this Agreement will be made in accordance with the terms of the Loan Agreement.

20. Release of Information. The Debtor authorizes the Creditor to provide a copy of this Agreement and such other information as may be requested of the Creditor by Persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtor.

21. Waiver. To the extent permitted by applicable law, the Debtor unconditionally and irrevocably waives (i) all claims, damages and demands it may acquire against the Creditor, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of the exercise by the Creditor of any Receiver of any rights or remedies under this Agreement, and (ii) all of the rights, benefits and protections given by any present or future statute that imposes limitations on the rights, powers or remedies of a secured party or on the methods of, or procedures for, realization of security, including any "seize or sue" or "anti-deficiency" statute or any similar provision of any other statute.

22. Alteration or Waiver and Indemnity. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Creditor. The Creditor will not, by any act or delay, be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Creditor, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Creditor of any right or remedy hereunder on any one occasion will not be construed as a bar to any right or remedy which the Creditor would otherwise have on any future occasion. Neither the taking of any judgment nor the exercise of any power of seizure or sale will extinguish the liability of the Debtor to pay the Liabilities, nor will the same operate as a merger of any covenant contained in this Agreement or of any other liability, nor will the acceptance of any payment or other security constitute or create any novation. The Debtor agrees to indemnify the Creditor from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (except by reason of the gross negligence or wilful misconduct of the Creditor or any of its agents or employees) which may be imposed on, incurred by, or asserted against the Creditor and arising by reason of any action (including any action referred to in this Agreement) or inaction or omission to do any act legally required by the Debtor. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement

23. Environmental License and Indemnity. The Debtor hereby grants to the Creditor and its employees and agents an irrevocable and non-exclusive license, subject to the

rights of tenants, if any, to enter any of the premises of the Debtor to conduct audits, testing and monitoring with respect to hazardous substances and to remove and analyze any hazardous substance at the cost and expense of the Debtor (which cost and expense will form part of the Liabilities and will be payable immediately on demand and secured by the Security Interests created by this Agreement). The Debtor will indemnify the Creditor and hold the Creditor harmless against and from all losses, costs, damages and expenses which the Creditor may sustain, incur or be or become liable at any time whatsoever for by reason of or arising from the past, present or future existence, clean-up, removal or disposal of any hazardous substance on or about any property owned or occupied by the Debtor or compliance with environmental laws or environmental orders relating thereto, including any clean-up, decommissioning, restoration or remediation of any premises owned or occupied by the Debtor or other affected lands or property. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement.

24. Amalgamation. If the Debtor is a corporation, the Debtor acknowledges that if it amalgamates with any other corporation or corporations, then (i) the Collateral and the Security Interests created by this Agreement will extend to and include all the property and assets of the amalgamated corporation and to any property or assets of the amalgamated corporation thereafter owned or acquired, (ii) the term "Debtor", where used in this Agreement, will extend to and include the amalgamated corporation, and (iii) the term "Liabilities", where used in this Agreement, will extend to and include the Liabilities of the amalgamated corporation.

25. Governing Law; Attornment. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. Without prejudice to the ability of the Creditor to enforce this Agreement in any other proper jurisdiction, the Debtor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by applicable law, the Debtor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Agreement in the courts of such province.

26. Interpretation. Unless otherwise expressly provided in this Agreement, if any matter in this Agreement is subject to the consent or approval of the Creditor or is to be acceptable to the Creditor, such consent, approval or determination of acceptability will be in the sole discretion of the Creditor. If any provision in this Agreement refers to any action taken or to be taken by the Debtor, or which the Debtor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Agreement into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Agreement. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Agreement, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Agreement to a "Section" means the relevant Section of this Agreement. If more than one Debtor executes this Agreement, their obligations under this Agreement are joint and several.

27. Paramourcy. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the Loan Agreement then, notwithstanding anything contained in this Agreement, the provisions contained in the Loan Agreement shall prevail to the extent of such conflict or inconsistency and the provisions of this Agreement shall be deemed to be amended to the extent necessary to eliminate such conflict or inconsistency. If there is a representation, warranty, covenant, agreement or event of default contained in this Agreement,

which is not contained in the Loan Agreement, or vice versa, such additional provision shall not constitute a conflict but shall be valid and enforceable in accordance with its terms.

28. Successors and Assigns. This Agreement will enure to the benefit of, and be binding on, the Debtor and its successors and permitted assigns, and will enure to the benefit of, and be binding on, the Creditor and its successors and assigns. The Debtor may not assign this Agreement, or any of its rights or obligations under this Agreement, without the prior written consent of the Creditor. If the Debtor or the Creditor is an individual, then the term "Debtor" or "Creditor", as applicable, will also include his or her heirs, administrators and executors.

29. Acknowledgment of Receipt/Waiver. The Debtor acknowledges receipt of an executed copy of this Agreement and, to the extent permitted by applicable law, waives the right to receive a copy of any financing statement, financing change statement or verification statement in respect of any registered financing statement or financing change statement prepared, registered or issued in connection with this Agreement.

30. Counterparts. This Agreement may be signed in counterparts and by electronic transmission, each of which shall for all purposes be deemed to be an original, and all such separate counterparts shall together constitute one and the same instrument.

RECITALS:

A. Aleafia Health Inc. (the "**Debtor**") is, or may become, indebted or liable to NE SPC II LP (the "**Creditor**") pursuant to the terms of a loan agreement dated as of December 24, 2021 (as amended, supplemented, restated or replaced from time to time, the "**Loan Agreement**") among, *inter alia*, the Debtor and the Creditor.

B. To secure the payment and performance of the Liabilities (as hereinafter defined), the Debtor has agreed to grant to the Creditor security interests in respect of the Collateral in accordance with the terms of this Agreement.

NOW THEREFORE for good and valuable consideration, the receipt and adequacy of which are acknowledged by the Debtor, the Debtor agrees with and in favour of the Creditor as follows:

1. **Definitions.** In this Agreement, capitalized terms used but not otherwise defined in this Agreement shall have the meanings given to them in the Loan Agreement, and the following terms have the following meanings:

"Accessions", "Account", "Chattel Paper", "Consumer Goods", "Document of Title", "Equipment", "Goods", "Instrument", "Intangible", "Inventory", "Investment Property" and "Proceeds" have the meanings given to them in the PPSA.

"Books and Records" means all books, records, files, papers, disks, documents and other repositories of data recording in any form or medium, evidencing or relating to the Collateral which are at any time owned by the Debtor or to which the Debtor (or any Person on the Debtor's behalf) has access.

"Business Day" means any day other than a Saturday, Sunday or statutory holiday in the province referred to in the "Governing Law" section of this Agreement.

"Collateral" means all of the present and future undertaking and Personal Property (and specifically including any Personal Property that may be described in any Schedule to this Agreement or any schedules, documents or listings that the Debtor may from time to time sign and provide to the Creditor in connection with this Agreement) of the Debtor (including all such property at any time owned, leased or licensed by the Debtor, or in which the Debtor at any time has any interest or to which the Debtor is or may at any time become entitled) and all Proceeds thereof, wherever located.

"Contracts" means all contracts, licences and agreements to which the Debtor is at any time a party or pursuant to which the Debtor has at any time acquired rights, and includes (i) all rights of the Debtor to receive money due and to become due to it in connection with a contract, licence or agreement, (ii) all rights of the Debtor to damages arising out of, or for breach or default in respect of, a contract, licence or agreement, and (iii) all rights of the Debtor to perform and exercise all remedies in connection with a contract, licence or agreement.

"Default" means any "Event of Default" as defined in the Loan Agreement.

"Intellectual Property Rights" means all industrial and intellectual property rights, including copyrights, patents, trade-marks, industrial designs, know how and trade secrets and all Contracts related to any such industrial and intellectual property rights.

"Liabilities" means all present and future indebtedness, liabilities and obligations of every kind, nature and description (whether direct or indirect, joint or several, absolute or contingent, matured or not) of the Debtor to the Creditor, under, in connection with or with respect to the Loan Agreement and the other Loan Documents, and any unpaid balance thereof.

"Money" has the meaning given to it in the PPSA or, if there is no such meaning given in the PPSA, means a medium of exchange authorized or adopted by the Parliament of Canada as part of the currency of Canada, or by a foreign government as part of its currency.

"PPSA" means the Personal Property Security Act of the province referred to in the "Governing Law" section of this Agreement, as such legislation may be amended, renamed or replaced from time to time (and includes all regulations from time to time made under such legislation).

"Permits" means all permits, licences, authorizations, approvals, franchises, rights-of-way, easements and entitlements that the Debtor has, requires or is required to have, to own, possess or operate any of its property or to operate and carry on any part of its business.

"Personal Property" means personal property and includes Accounts, Books and Records, Chattel Paper, Contracts, Documents of Title, Equipment, Goods, Instruments, Intangibles (including Intellectual Property Rights and Permits), Inventory, Money and Investment Property.

"Receiver" means a receiver, a manager or a receiver and manager.

"Security Interest" means any mortgage, charge, pledge, hypothecation, lien (statutory or otherwise), assignment, finance lease, title retention agreement or arrangement, security interest or other encumbrance or adverse claim of any nature, or any other security agreement or arrangement creating in favour of any creditor a right in respect of a particular property.

2. Grant of Security Interest. As general and continuing collateral security for the due payment and performance of the Liabilities, the Debtor mortgages, charges and assigns (by way of security) to the Creditor, and grants to the Creditor a security interest in, the Collateral.

3. Limitations on Grant of Security Interest. If the grant of any Security Interest in respect of any Contract, Intellectual Property Right or Permit under Section 2 would result in the termination or breach of such Contract, Intellectual Property Right or Permit, then the applicable Contract, Intellectual Property Right or Permit will not be subject to any Security Interest under Section 2 but will be held in trust by the Debtor for the benefit of the Creditor and, on exercise by

the Creditor of any of its rights under this Agreement following Default, assigned by the Debtor as directed by the Creditor. In addition, the Security Interests created by this Agreement do not attach to Consumer Goods or extend to the last day of the term of any lease or agreement for lease of real property. Such last day will be held by the Debtor in trust for the Creditor and, on the exercise by the Creditor of any of its rights under this Agreement following Default, will be assigned by the Debtor as directed by the Creditor.

4. Attachment; No Obligation to Advance. The Debtor confirms that value has been given by the Creditor to the Debtor, that the Debtor has rights in the Collateral (other than after-acquired property) and that the Debtor and the Creditor have not agreed to postpone the time for attachment of the Security Interests created by this Agreement to any of the Collateral. The Security Interests created by this Agreement will have effect and be deemed to be effective whether or not the Liabilities or any part thereof are owing or in existence before or after or upon the date of this Agreement. Neither the execution of this Agreement nor any advance of funds shall oblige the Creditor to advance any funds or any additional funds.

5. Representations and Warranties. The Debtor represents and warrants to the Creditor that, as of the date of this Agreement:

(a) Places of Business, Name, Location of Collateral. The Debtor's principal place of business and chief executive office, and the place where it keeps its Books and Records, is at the address specified on the signature page of this Agreement, and its full legal name, and any other name under which it conducts its business, is specified on the signature page of this Agreement. The location of all other existing places where the Debtor carries on business or keeps tangible Personal Property, the location of all jurisdictions in which account debtors of the Debtor are located, and the location of all real property owned by the Debtor, are set out in Schedule A to this Agreement.

(b) Title; No Other Security Interests. Except for Permitted Encumbrances, the Debtor owns (or, with respect to any leased or licensed property forming part of the Collateral, holds a valid leasehold or licensed interest in) the Collateral free and clear of any Security Interests. No security agreement, financing statement or other notice with respect to any or all of the Collateral is on file or on record in any public office, except for filings with respect to Permitted Encumbrances.

(c) Amount of Accounts. The amount represented by the Debtor to the Creditor from time to time as owing by each account debtor or by all account debtors in respect of the Accounts will at such time be the correct amount so owing by such account debtor or debtors and, unless disclosed in writing by the Debtor to the Creditor at that time, will be owed free of any dispute, set-off or counterclaim.

(d) Authority; Consents. The Debtor has full power and authority to grant to the Creditor the Security Interests created by this Agreement and to execute, deliver and perform its obligations under this Agreement, and such execution, delivery and performance does not contravene any of the Debtor's constating documents or by-laws or any agreement, instrument or restriction to which the Debtor is a party or by which the Debtor or any of the Collateral is bound. Except for any consent that has been obtained and is in full force and effect, no consent of any party (other than the Debtor) to any Contract or any obligor in respect of any Account is required, or purports to be required, for the execution, delivery and performance of this Agreement. Except as disclosed in writing by the Debtor to the Creditor, neither the Debtor nor (to the best of the Debtor's knowledge) any other party to any Account or Contract is in default or is likely to become in default in the performance or observance of any of the terms of such Account or Contract.

(e) Execution and Delivery; Enforceability. This Agreement has been duly authorized, executed and delivered by the Debtor and is a valid and binding obligation of the Debtor enforceable against the Debtor in accordance with its terms, subject only to bankruptcy, insolvency, liquidation, reorganization, moratorium and other similar laws generally affecting the enforcement of creditors' rights, and to the fact that equitable remedies (such as specific performance and injunction) are discretionary remedies.

(f) Motor Vehicles. A description of all motor vehicles and other "serial number" goods (i.e. trailers, mobile homes, aircraft, aircraft engines and vessels) (including vehicle identification numbers) presently owned by the Debtor, classified as Equipment and are included in calculating the Term Facility Borrowing Limited as set out in the Loan Agreement, is set out in Schedule A to this Agreement.

(g) No Consumer Goods. The Debtor does not own any Consumer Goods which are material in value or which are material to the business, operations, property, condition or prospects (financial or otherwise) of the Debtor.

(h) Intellectual Property Rights. All registrations and applications for registration pertaining to Intellectual Property Rights owned by the Debtor, and all other Intellectual Property Rights of the Debtor, are described in Schedule A to this Agreement. To the best of the Debtor's knowledge, each such Intellectual Property Right is valid, subsisting, unexpired, enforceable and has not been abandoned. Except as set out in such Schedule, none of such Intellectual Property Rights has been licensed or franchised by the Debtor to any Person.

6. Survival of Representations and Warranties. All agreements, representations, warranties and covenants made by the Debtor in this Agreement are material, will be considered to have been relied on by the Creditor and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Creditor and any disposition or payment of the Liabilities until repayment and performance in full of the Liabilities and termination of all rights of the Debtor that, if exercised, would result in the existence of Liabilities.

7. Covenants. The Debtor covenants and agrees with the Creditor that:

(a) Further Documentation. The Debtor will from time to time, at the expense of the Debtor, promptly and duly authorize, execute and deliver such further instruments and documents, and take such further action, as the Creditor may request for the purpose of obtaining or preserving the full benefits of, and the rights and powers granted by, this Agreement (including the filing of any financing statements or financing change statements under any applicable legislation with respect to the Security Interests created by this Agreement). The Debtor acknowledges that this Agreement has been prepared based on the existing laws in the province referred to in the "Governing Law" section of this Agreement and that a change in such laws, or the laws of other jurisdictions, may require the execution and delivery of different forms of security documentation. Accordingly, the Debtor agrees that the Creditor will have the right to require that this Agreement be amended, supplemented or replaced, and that the Debtor will immediately on request by the Creditor authorize, execute and deliver any such amendment, supplement or replacement (i) to reflect any changes in such laws, whether arising as a result of statutory amendments, court decisions or otherwise, (ii) to facilitate the creation and registration of appropriate security in all appropriate jurisdictions, or (iii) if the Debtor merges or amalgamates with any other Person or enters into any corporate reorganization, in each case in order to confer on the Creditor Security Interests similar to, and having the same effect as, the Security Interests created by this Agreement.

(b) Delivery of Certain Collateral. Promptly upon request from time to time by the Creditor, the Debtor will deliver (or cause to be delivered) to the Creditor, endorsed and/or accompanied by such instruments of assignment and transfer in such form and substance as the Creditor may reasonably request, any and all Instruments, Investment Property, Documents of Title and Chattel Paper included in or relating to the Collateral as the Creditor may specify in its request.

(c) Payment of Expenses; Indemnification. The Debtor will pay on demand, and will indemnify and save the Creditor harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (i) incurred by the Creditor in the preparation, registration, administration or enforcement of this Agreement, (ii) with respect to, or resulting from, any failure or delay by the Debtor in performing or observing any of its obligations under this Agreement, or (iii) incurred by the Creditor in performing or observing any of the other covenants of the Debtor under this Agreement.

(d) Maintenance of Records. The Debtor will keep and maintain accurate and complete records of the Collateral, including a record of all payments received and all credits granted with respect to the Accounts and Contracts. At the written request of the Creditor, the Debtor will mark any Collateral specified by the Creditor to evidence the existence of the Security Interests created by this Agreement.

(e) Right of Inspection. The Creditor may, at all times during normal business hours, without charge, examine and make copies of all Books and Records, and may discuss the affairs, finances and accounts of the Debtor with its officers and accountants. The Creditor may also, without charge, enter the premises of the Debtor where any of the Collateral is located for the purpose of inspecting the Collateral, observing its use or otherwise protecting its interests in the Collateral. The Debtor, at its expense, will provide the Creditor with such clerical and other assistance as may be reasonably requested by the Creditor to exercise any of its rights under this paragraph.

(f) Limitations on Other Security Interests. The Debtor will not create, incur or permit to exist, and will defend the Collateral against, and will take such other action as is necessary to remove, any and all Security Interests in and other claims affecting the Collateral, other than the Security Interests created by this Agreement or as permitted in writing by the Creditor, and the Debtor will defend the right, title and interest of the Creditor in and to the Collateral against the claims and demands of all Persons.

(g) Limitations on Dispositions of Collateral. The Debtor will not, without the Creditor's prior written consent, sell, lease or otherwise dispose of any of the Collateral, except that Inventory may be sold, leased or otherwise disposed of, and subject to Section 17, Accounts may be collected, in the ordinary course of the Debtor's business. Following Default, all Proceeds of the Collateral (including all amounts received in respect of Accounts) received by or on behalf of the Debtor, whether or not arising in the ordinary course of the Debtor's business, will be received by the Debtor as trustee for the Creditor, remain segregated from the property of the Debtor or any other Person and will be immediately paid to the Creditor.

(h) Limitations on Modifications, Waivers, Extensions. Other than as permitted by paragraph (i) below, the Debtor will not (i) amend, modify, terminate or waive any provision of any Permit, Contract or any document giving rise to an Account in any manner which is or could reasonably be expected to be materially adverse to the Debtor or the Creditor, or (ii) fail to

exercise promptly and diligently its rights under each Contract and each document giving rise to an Account if such failure is or could reasonably be expected to be materially adverse to the Debtor or the Creditor.

(i) Limitations on Discounts, Compromises, Extensions of Accounts. Other than in the ordinary course of business of the Debtor consistent with previous practices, the Debtor will not (i) grant any extension of the time for payment of any Account, (ii) compromise, compound or settle any Account for less than its full amount, (iii) release, wholly or partially, any Person liable for the payment of any Account, or (iv) allow any credit or discount of any Account.

(j) Maintenance of Collateral. The Debtor will maintain all tangible Collateral in good operating condition, ordinary wear and tear excepted, and the Debtor will provide all maintenance, service and repairs necessary for such purpose.

(k) Insurance. The Debtor will keep the Collateral insured with financially sound and reputable companies to its full insurable value against loss or damage by fire, explosion, theft and such other risks as are customarily insured against by Persons carrying on similar businesses or owning similar property within the vicinity in which the Debtor's applicable business or property is located. The applicable insurance policies will be in form and substance satisfactory to the Creditor and will (i) contain a breach of warranty clause in favour of the Creditor, (ii) provide that no cancellation, material reduction in amount or material change in coverage will be effective until at least 30 days after receipt of written notice thereof by the Creditor, (iii) contain by way of endorsement a mortgagee clause in form and substance satisfactory to the Creditor, and (iv) name the Creditor as loss payee as its interest may appear. The Debtor will, from time to time at the Creditor's request, deliver the applicable insurance policies (or satisfactory evidence of such policies) to the Creditor. If the Debtor does not obtain or maintain such insurance, the Creditor may, but need not, do so, in which event the Debtor will immediately on demand reimburse the Creditor for all payments made by the Creditor in connection with obtaining and maintaining such insurance, and until reimbursed any such payment will form part of the Liabilities and will be secured by the Security Interests created by this Agreement. Neither the Creditor nor its correspondents or its agents will be responsible for the character, adequacy, validity or genuineness of any insurance, the solvency of any insurer, or any other risk connected with insurance.

(l) Further Identification of Collateral. The Debtor will promptly furnish to the Creditor such statements, schedules, permits and licenses further identifying and describing the Collateral, and such other reports in connection with the Collateral, as the Creditor may from time to time reasonably request, including an updated list of any motor vehicles or other "serial number" goods owned by the Debtor and classified as Equipment, including vehicle identification numbers.

(m) Notices. The Debtor will advise the Creditor promptly, in reasonable detail, of (i) any Security Interest (other than the Security Interests created by this Agreement and any Security Interest permitted in writing by the Creditor) on, or claim asserted against, any of the Collateral, (ii) the occurrence of any event, claim or occurrence that could reasonably be expected to have a material adverse effect on the value of the Collateral or on the Security Interests created by this Agreement, (iii) any change in the location of any place of business (including additional locations) or the chief executive office of the Debtor, (iv) any change in the location of any of the tangible Collateral (including additional locations), (v) any acquisition of real property by the Debtor, (vi) any change in the name of the Debtor, (vii) any merger or amalgamation of the Debtor with any other Person, (viii) any additional jurisdiction in which material accounts debtors of the Debtor are located, and (ix) any material loss of or damage to any of the Collateral. The Debtor agrees not to effect or permit any of the changes referred to in clauses (iii) to (viii) above unless

all filings have been made and all other actions taken that are required in order for the Creditor to continue at all times following such change to have a valid and perfected Security Interest in respect of all of the Collateral.

(n) Delivery of Agreements re Intellectual Property Rights. The Debtor will promptly, following demand from time to time by the Creditor, authorize, execute and deliver any and all agreements, instruments, documents and papers that the Creditor may request to evidence the Creditor's Security Interests in any Intellectual Property Rights and, where applicable, the goodwill of the business of the Debtor connected with the use of, and symbolized by, any such Intellectual Property Rights.

8. Rights on Default. On Default, all of the Liabilities will, at the option of the Creditor, become immediately due and payable and the security constituted by this Agreement will become enforceable, and the Creditor may, personally or by agent, at such time or times as the Creditor in its sole discretion may determine, do any one or more of the following:

(a) Rights under PPSA, etc. Exercise all of the rights and remedies granted to secured parties under the PPSA and any other applicable statute, or otherwise available to the Creditor at law or in equity.

(b) Demand Possession. Demand possession of any or all of the Collateral, in which event the Debtor will, at the expense of the Debtor, immediately cause the Collateral designated by the Creditor to be assembled and made available and/or delivered to the Creditor at any place designated by the Creditor.

(c) Take Possession. Enter on any premises where any Collateral is located and take possession of, disable or remove such Collateral.

(d) Deal with Collateral. Hold, store and keep idle, or operate, lease or otherwise use or permit the use of, any or all of the Collateral for such time and on such terms as the Creditor may determine, and demand, collect and retain all earnings and other sums due or to become due from any Person in respect of any of the Collateral.

(e) Carry on Business. Carry on, or concur in the carrying on of, any or all of the business or undertaking of the Debtor and enter on, occupy and use (without charge by the Debtor) any of the premises, buildings, plant and undertaking of, or occupied or used by, the Debtor.

(f) Enforce Collateral. Seize, collect, receive, enforce or otherwise deal with any Collateral in such manner, on such terms and conditions and at such times as the Creditor deems advisable.

(g) Dispose of Collateral. Realize on any or all of the Collateral and sell, lease, assign, give options to purchase, or otherwise dispose of and deliver any or all of the Collateral (or contract to do any of the above), in one or more parcels at any public or private sale, at any exchange, broker's board or office of the Creditor or elsewhere, on such terms and conditions as the Creditor may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery. The Debtor shall only be entitled to credit against the liability for money actually received by the Creditor, less the Creditor's costs and expenses of disposition. In no event shall the Debtor be entitled to credit for any deferred payment in respect of collateral realized by the Creditor.

(h) Court-Approved Disposition of Collateral. Apply to a court of competent jurisdiction for the sale or foreclosure of any or all of the Collateral.

(i) Purchase by Creditor. At any public sale, and to the extent permitted by law on any private sale, bid for and purchase any or all of the Collateral offered for sale and, upon compliance with the terms of such sale, hold, retain and dispose of such Collateral without any further accountability to the Debtor or any other Person with respect to such holding, retention or disposition, except as required by law. In any such sale to the Creditor, the Creditor may, for the purpose of making payment for all or any part of the Collateral so purchased, use any claim for Liabilities then due and payable to it as a credit against the purchase price.

(j) Collect Accounts. Notify the account debtors or obligors under any Accounts of the assignment of such Accounts to the Creditor and direct such account debtors or obligors to make payment of all amounts due or to become due to the Debtor in respect of such Accounts directly to the Creditor and, upon such notification and at the expense of the Debtor, enforce collection of any such Accounts, and adjust, settle or compromise the amount or payment of such Accounts, in such manner and to such extent as the Creditor deems appropriate in the circumstances. The Debtor shall give the Creditor any assistance requested by the Creditor with respect to such accounts as may be required to assess its value.

(k) Transfer of Investment Property. Transfer any Investment Property forming part of the Collateral into the name of the Creditor or its nominee, with or without disclosing that the Investment Property is subject to the Security Interests arising under this Agreement.

(l) Exercise of Rights. Exercise any and all rights, privileges, entitlements and options pertaining to any Investment Property forming part of the Collateral as if the Creditor were the absolute owner of such Investment Property.

(m) Payment of Liabilities. Pay any liability secured by any Security Interest against any Collateral. The Debtor will immediately on demand reimburse the Creditor for all such payments.

(n) Borrow and Grant Security Interests. Borrow money for the maintenance, preservation or protection of any Collateral or for carrying on any of the business or undertaking of the Debtor and grant Security Interests on any Collateral (in priority to the Security Interests created by this Agreement or otherwise) as security for the money so borrowed. The Debtor will immediately on demand reimburse the Creditor for all such borrowings.

(o) Appoint Receiver. Appoint by instrument in writing one or more Receivers of the Debtor or any or all of the Collateral with such rights, powers and authority (including any or all of the rights, powers and authority of the Creditor under this Agreement) as may be provided for in the instrument of appointment or any supplemental instrument, and remove and replace any such Receiver from time to time. To the extent permitted by applicable law, any Receiver appointed by the Creditor will (for purposes relating to responsibility for the Receiver's acts or omissions) be considered to be the agent of the Debtor and not of the Creditor.

(p) Court-Appointed Receiver. Apply to a court of competent jurisdiction for the appointment of a Receiver of the Debtor or of any or all of the Collateral.

(q) Consultants. Require the Debtor to engage a consultant of the Creditor's choice, or engage a consultant on its own behalf, such consultant to receive the full cooperation and support of the Debtor and its employees, including unrestricted access to the premises, books and records of the Debtor; all reasonable fees and expenses of such consultant shall be for the

account of the Debtor and the Debtor hereby authorizes any such consultant to report directly to the Creditor and to disclose to the Creditor any and all information obtained in the course of such consultant's employment.

The Creditor may exercise any or all of the foregoing rights and remedies without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except as required by applicable law) to or on the Debtor or any other Person, and the Debtor by this Agreement waives each such demand, presentment, protest, advertisement and notice to the extent permitted by applicable law. None of the above rights or remedies will be exclusive of or dependent on or merge in any other right or remedy, and one or more of such rights and remedies may be exercised independently or in combination from time to time. Without prejudice to the ability of the Creditor to dispose of the Collateral in any manner which is commercially reasonable, the Debtor acknowledges that a disposition of Collateral by the Creditor which takes place substantially in accordance with the following provisions will be deemed to be commercially reasonable:

- (i) Collateral may be disposed of in whole or in part;
- (ii) Collateral may be disposed of by public auction, public tender or private contract, with or without advertising and without any other formality;
- (iii) any purchaser or lessee of Collateral may be a customer of the Creditor;
- (iv) a disposition of Collateral may be on such terms and conditions as to credit or otherwise as the Creditor, in its sole discretion, may deem advantageous; and
- (v) the Creditor may establish an upset or reserve bid or price in respect of Collateral.

9. Grant of Licence. For the purpose of enabling the Creditor to exercise its rights and remedies under Section 8 when the Creditor is entitled to exercise such rights and remedies, and for no other purpose, the Debtor grants to the Creditor an irrevocable, non-exclusive licence (exercisable without payment of royalty or other compensation to the Debtor) to use, assign or sublicense any or all of the Intellectual Property Rights, including in such licence reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout of the same.

10. Sale of Investment Property. The Creditor is authorized, in connection with any offer or sale of any Investment Property forming part of the Collateral, to comply with any limitation or restriction as it may be advised by counsel is necessary to comply with applicable law, including compliance with procedures that may restrict the number of prospective bidders and purchasers, requiring that prospective bidders and purchasers have certain qualifications, and restricting prospective bidders and purchasers to Persons who will represent and agree that they are purchasing for their own account or investment and not with a view to the distribution or resale of such Investment Property. The Debtor further agrees that compliance with any such limitation or restriction will not result in a sale being considered or deemed not to have been made in a commercially reasonable manner, and the Creditor will not be liable or accountable to the Debtor for any discount allowed by reason of the fact that such Investment Property are sold in compliance with any such limitation or restriction.

11. Application of Proceeds. All Proceeds of Collateral received by the Creditor or a Receiver may be applied to discharge or satisfy any expenses (including the Receiver's remuneration and other expenses of enforcing the Creditor's rights under this Agreement), Security Interests in favour of Persons other than the Creditor, borrowings, taxes and other

outgoings affecting the Collateral or which are considered advisable by the Creditor or the Receiver to protect, preserve, repair, process, maintain or enhance the Collateral or prepare it for sale, lease or other disposition, or to keep in good standing any Security Interests on the Collateral ranking in priority to any of the Security Interests created by this Agreement, or to sell, lease or otherwise dispose of the Collateral. The balance of such Proceeds may, at the sole discretion of the Creditor, be held as collateral security for the Liabilities or be applied to such of the Liabilities (whether or not the same are due and payable) in such manner and at such times as the Creditor considers appropriate and thereafter will be accounted for as required by law.

12. Continuing Liability of Debtor. The Debtor will remain liable for any Liabilities that are outstanding following realization of all or any part of the Collateral and the application of the Proceeds thereof.

13. Creditor's Appointment as Attorney-in-Fact. The Debtor constitutes and appoints the Creditor and any officer or agent of the Creditor, with full power of substitution, as the Debtor's true and lawful attorney-in-fact with full power and authority in the place of the Debtor and in the name of the Debtor or in its own name, from time to time in the Creditor's discretion to take any and all appropriate action and to execute any and all documents and instruments as, in the opinion of such attorney acting reasonably, may be necessary or desirable to accomplish the purposes of this Agreement. These powers are coupled with an interest and are irrevocable until this Agreement is terminated and the Security Interests created by this Agreement are released. Nothing in this Section affects the right of the Creditor as secured party or any other Person on the Creditor's behalf, to sign and file or deliver (as applicable) all such financing statements, financing change statements, notices, verification statements and other documents relating to the Collateral and this Agreement as the Creditor or such other Person considers appropriate.

14. Performance by Creditor of Debtor's Obligations. If the Debtor fails to perform or comply with any of the obligations of the Debtor under this Agreement, the Creditor may, but need not, perform or otherwise cause the performance or compliance of such obligation, provided that such performance or compliance will not constitute a waiver, remedy or satisfaction of such failure. The expenses of the Creditor incurred in connection with any such performance or compliance will be payable by the Debtor to the Creditor immediately on demand, and until paid, any such expenses will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

15. Interest. If any amount payable to the Creditor under this Agreement is not paid when due, the Debtor will pay to the Creditor, immediately on demand, interest on such amount from the date due until paid, at the highest annual rate applicable to the Liabilities from time to time, including default rates. All amounts payable by the Debtor to the Creditor under this Agreement, and all interest on all such amounts, compounded monthly on the last Business Day of each month, will form part of the Liabilities and will be secured by the Security Interests created by this Agreement.

16. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction will, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and will be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

17. Rights of Creditor; Limitations on Creditor's Obligations.

(a) Limitations on Creditor's Liability. The Creditor will not be liable to the Debtor or any other Person for any failure or delay in exercising any of the rights of the Debtor under this Agreement (including any failure to take possession of, collect, sell, lease or otherwise dispose of any Collateral, or to preserve rights against prior parties). Neither the Creditor, a Receiver nor any agent of the Creditor (including, in Alberta or British Columbia, any sheriff) is required to take, or will have any liability for any failure to take or delay in taking, any steps necessary or advisable to preserve rights against other Persons in respect of any Collateral. Neither the Creditor nor any Receiver will be liable for any, and the Debtor will bear the full risk of all, loss or damage to any and all of the Collateral (including any Collateral in the possession of the Creditor or any Receiver) caused for any reason other than the gross negligence or wilful misconduct of the Creditor or such Receiver.

(b) Debtor Remains Liable under Accounts and Contracts. Notwithstanding any provision of this Agreement, the Debtor will remain liable under each of the documents giving rise to the Accounts and under each of the Contracts to observe and perform all the conditions and obligations to be observed and performed by the Debtor thereunder, all in accordance with the terms of each such document and Contract. The Creditor will have no obligation or liability under any Account (or any document giving rise thereto) or Contract by reason of or arising out of this Agreement or the receipt by the Creditor of any payment relating to such Account or Contract pursuant hereto, and in particular (but without limitation), the Creditor will not be obligated in any manner to perform any of the obligations of the Debtor under or pursuant to any Account (or any document giving rise thereto) or under or pursuant to any Contract, to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Account (or any document giving rise thereto) or under any Contract, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been assigned to it or to which it may be entitled at any time.

(c) Collections on Accounts and Contracts. The Creditor hereby authorizes the Debtor to collect the Accounts and payments under the Contracts in the normal course of the business of the Debtor and for the purpose of carrying on the same. If required by the Creditor at any time, any payments of Accounts or under Contracts, when collected by the Debtor, will be forthwith (and, in any event, within two Business Days) deposited by the Debtor in the exact form received, duly endorsed by the Debtor to the Creditor if required, in a special collateral account maintained by the Creditor, and until so deposited, will be held by the Debtor in trust for the Creditor, segregated from other funds of the Debtor or any other Person. All such amounts while held by the Creditor (or by the Debtor in trust for the Creditor) and all income in respect thereof will continue to be collateral security for the Liabilities and will not constitute payment thereof until applied as hereinafter provided. If a Default has occurred, the Creditor may apply all or any part of the amounts on deposit in said special collateral account on account of the Liabilities in such order as the Creditor may elect. At the Creditor's request, the Debtor will deliver to the Creditor any documents evidencing and relating to the agreements and transactions which gave rise to the Accounts and Contracts, including all original orders, invoices and shipping receipts.

(d) Analysis of Accounts. The Creditor will have the right to analyze and verify the Accounts in any manner and through any medium that it reasonably considers advisable, and the Debtor will furnish all such assistance and information as the Creditor may require in connection therewith. The Creditor may in its own name or in the name of others (including the Debtor) communicate with account debtors on the Accounts and parties to the Contracts to verify with them to its satisfaction the existence, status, amount and terms of any Account or any Contract.

At any time and from time to time, upon the Creditor's reasonable request and at the expense of the Debtor, the Debtor will furnish to the Creditor reports showing reconciliations, aging and test verifications of, and trial balances for, the Accounts.

18. Dealings by Creditor. The Creditor will not be obliged to exhaust its recourse against the Debtor or any other Person or against any other security it may hold in respect of the Liabilities before realizing upon or otherwise dealing with the Collateral in such manner as the Creditor may consider desirable. The Creditor may grant extensions of time and other indulgences, take and give up security, accept compositions, grant releases and discharges and otherwise deal with the Debtor and any other Person, and with any or all of the Collateral, and with other security and sureties, as the Creditor may see fit, all without prejudice to the Liabilities or to the rights and remedies of the Creditor under this Agreement. The powers conferred on the Creditor under this Agreement are solely to protect the interests of the Creditor in the Collateral and will not impose any duty upon the Creditor to exercise any such powers.

19. Communication. Any notice or other communication required or permitted to be given under this Agreement will be made in accordance with the terms of the Loan Agreement.

20. Release of Information. The Debtor authorizes the Creditor to provide a copy of this Agreement and such other information as may be requested of the Creditor by Persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtor.

21. Waiver. To the extent permitted by applicable law, the Debtor unconditionally and irrevocably waives (i) all claims, damages and demands it may acquire against the Creditor, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of the exercise by the Creditor of any Receiver of any rights or remedies under this Agreement, and (ii) all of the rights, benefits and protections given by any present or future statute that imposes limitations on the rights, powers or remedies of a secured party or on the methods of, or procedures for, realization of security, including any "seize or sue" or "anti-deficiency" statute or any similar provision of any other statute.

22. Alteration or Waiver and Indemnity. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except by a written instrument executed by the Creditor. The Creditor will not, by any act or delay, be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or in any breach of any of the terms and conditions hereof. No failure to exercise, nor any delay in exercising, on the part of the Creditor, any right, power or privilege hereunder shall operate as a waiver thereof. No single or partial exercise of any right, power or privilege hereunder will preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Creditor of any right or remedy hereunder on any one occasion will not be construed as a bar to any right or remedy which the Creditor would otherwise have on any future occasion. Neither the taking of any judgment nor the exercise of any power of seizure or sale will extinguish the liability of the Debtor to pay the Liabilities, nor will the same operate as a merger of any covenant contained in this Agreement or of any other liability, nor will the acceptance of any payment or other security constitute or create any novation. The Debtor agrees to indemnify the Creditor from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever (except by reason of the gross negligence or wilful misconduct of the Creditor or any of its agents or employees) which may be imposed on, incurred by, or asserted against the Creditor and arising by reason of any action (including any action referred to in this Agreement) or inaction or omission

to do any act legally required by the Debtor. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement

23. Environmental License and Indemnity. The Debtor hereby grants to the Creditor and its employees and agents an irrevocable and non-exclusive license, subject to the rights of tenants, if any, to enter any of the premises of the Debtor to conduct audits, testing and monitoring with respect to hazardous substances and to remove and analyze any hazardous substance at the cost and expense of the Debtor (which cost and expense will form part of the Liabilities and will be payable immediately on demand and secured by the Security Interests created by this Agreement). The Debtor will indemnify the Creditor and hold the Creditor harmless against and from all losses, costs, damages and expenses which the Creditor may sustain, incur or be or become liable at any time whatsoever for by reason of or arising from the past, present or future existence, clean-up, removal or disposal of any hazardous substance on or about any property owned or occupied by the Debtor or compliance with environmental laws or environmental orders relating thereto, including any clean-up, decommissioning, restoration or remediation of any premises owned or occupied by the Debtor or other affected lands or property. This indemnification will survive the satisfaction, release or extinguishment of the Liabilities and the Security Interests created by this Agreement.

24. Amalgamation. If the Debtor is a corporation, the Debtor acknowledges that if it amalgamates with any other corporation or corporations, then (i) the Collateral and the Security Interests created by this Agreement will extend to and include all the property and assets of the amalgamated corporation and to any property or assets of the amalgamated corporation thereafter owned or acquired, (ii) the term "Debtor", where used in this Agreement, will extend to and include the amalgamated corporation, and (iii) the term "Liabilities", where used in this Agreement, will extend to and include the Liabilities of the amalgamated corporation.

25. Governing Law; Attornment. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. Without prejudice to the ability of the Creditor to enforce this Agreement in any other proper jurisdiction, the Debtor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by applicable law, the Debtor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Agreement in the courts of such province.

26. Interpretation. Unless otherwise expressly provided in this Agreement, if any matter in this Agreement is subject to the consent or approval of the Creditor or is to be acceptable to the Creditor, such consent, approval or determination of acceptability will be in the sole discretion of the Creditor. If any provision in this Agreement refers to any action taken or to be taken by the Debtor, or which the Debtor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Agreement into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Agreement. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Agreement, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Agreement to a "Section" means the relevant Section of this Agreement. If more than one Debtor executes this Agreement, their obligations under this Agreement are joint and several.

27. Paramountcy. In the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the Loan Agreement then, notwithstanding anything

contained in this Agreement, the provisions contained in the Loan Agreement shall prevail to the extent of such conflict or inconsistency and the provisions of this Agreement shall be deemed to be amended to the extent necessary to eliminate such conflict or inconsistency. If there is a representation, warranty, covenant, agreement or event of default contained in this Agreement, which is not contained in the Loan Agreement, or vice versa, such additional provision shall not constitute a conflict but shall be valid and enforceable in accordance with its terms.

28. Successors and Assigns. This Agreement will enure to the benefit of, and be binding on, the Debtor and its successors and permitted assigns, and will enure to the benefit of, and be binding on, the Creditor and its successors and assigns. The Debtor may not assign this Agreement, or any of its rights or obligations under this Agreement, without the prior written consent of the Creditor. If the Debtor or the Creditor is an individual, then the term "Debtor" or "Creditor", as applicable, will also include his or her heirs, administrators and executors.

29. Acknowledgment of Receipt/Waiver. The Debtor acknowledges receipt of an executed copy of this Agreement and, to the extent permitted by applicable law, waives the right to receive a copy of any financing statement, financing change statement or verification statement in respect of any registered financing statement or financing change statement prepared, registered or issued in connection with this Agreement.

30. Counterparts. This Agreement may be signed in counterparts and by electronic transmission, each of which shall for all purposes be deemed to be an original, and all such separate counterparts shall together constitute one and the same instrument.

RECITALS:

A. Aleafia Health Inc., Emblem Cannabis Corporation and Aleafia Farms Inc. (collectively, the "**Debtors**", and individually, a "**Debtor**"), **Aleafia Inc.** (the "**Guarantor**") and the other guarantors party thereto, and **NE SPC II LP** (the "**Creditor**") are parties to a loan agreement dated as of the date hereof (as amended, supplemented, restated or replaced from time to time, the "**Loan Agreement**").

B. It is in the interests of the Guarantor that the Creditor extend credit (or continue to extend credit) to the Debtors and therefore the Guarantor is prepared to issue this Guarantee to the Creditor;

For valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged by the Guarantor, the Guarantor hereby agrees in favour of the Creditor as follows:

1. GUARANTEE. The Guarantor hereby unconditionally and irrevocably guarantees, jointly and severally, as a primary obligor and not merely as a surety, the prompt payment and performance to the Creditor, forthwith upon demand by the Creditor, of all present and future indebtedness, liabilities and obligations of any kind whatsoever (whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) of the Debtors to the Creditor under, in connection with or with respect to the Loan Agreement and the other Loan Documents (as defined in the Loan Agreement) (collectively, the "**Obligations**"). All amounts payable by the Guarantor hereunder will be paid to the Creditor at the address of the Creditor shown above or as otherwise directed in writing by the Creditor. Any amounts payable by the Guarantor under this Guarantee which are not paid forthwith upon demand therefor by the Creditor will bear interest from the date of such demand at the rate or rates applicable to the corresponding Obligations.

2. GUARANTEE UNCONDITIONAL. The obligations of the Guarantor under this Guarantee are continuing, unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged, diminished, limited or otherwise affected by (and the Guarantor hereby waives, to the fullest extent permitted by applicable law): (a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Obligation, security, person or otherwise; (b) any modification or amendment of or supplement to the Obligations, including any increase or decrease in the principal, the rates of interest or other amounts payable thereunder; (c) any release, non-perfection or invalidity of any direct or indirect security for any Obligation; (d) any change in the existence, structure, constitution, name, objects, powers, business, control or ownership of any Debtor or any other person, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Debtor or any other person or its assets; (e) the existence of any claim, set-off or other rights which the Guarantor may have at any time against any Debtor, the Creditor, or any other person, whether in connection herewith or any unrelated transactions; (f) any invalidity, illegality or unenforceability relating

to or against any Debtor or any provision of applicable law or regulation purporting to prohibit the payment by the Debtors of the principal or interest under the Obligations; (g) any limitation, postponement, prohibition, subordination or other restriction on the rights of the Creditor to payment of the Obligations; (h) any release, substitution or addition of any cosigner, endorser or other guarantor of the Obligations; (i) any defence arising by reason of any failure of the Creditor to make any presentment, demand for performance, notice of non-performance, protest, and any other notice, including notice of all of the following: acceptance of this Guarantee, partial payment or non-payment of all or any part of the Obligations and the existence, creation, or incurring of new or additional Obligations; (j) any defence arising by reason of any failure of the Creditor to proceed against any Debtor or any other person, to proceed against, apply or exhaust any security held from any Debtor or any other person for the Obligations, to proceed against, apply or exhaust any security held from the Guarantor or any other person for this Guarantee or to pursue any other remedy in the power of the Creditor whatsoever; (k) any law which provides that the obligation of a guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal obligation or which reduces a guarantor's obligation in proportion to the principal obligation; (l) any defence arising by reason of any incapacity, lack of authority, or other defence of any Debtor or any other person, or by reason of any limitation, postponement, prohibition on the Creditor's right to payment of the Obligations or any part thereof, or by reason of the cessation from any cause whatsoever of the liability of any Debtor or any other person with respect to all or any part of the Obligations, or by reason of any act or omission of the Creditor or others which directly or indirectly results in the discharge or release of any Debtor or any other person or all or any part of the Obligations or any security or guarantee therefor, whether by contract, operation of law or otherwise; (m) any defence arising by reason of any failure by the Creditor to obtain, perfect or maintain a perfected or prior (or any) security interest in or lien or encumbrance upon any property of any Debtor or any other person, or by reason of any interest of the Creditor in any property, whether as owner thereof or the holder of a security interest therein or lien or encumbrance thereon, being invalidated, voided, declared fraudulent or preferential or otherwise set aside, or by reason of any impairment by the Creditor of any right to recourse or collateral; (n) any defence arising by reason of the failure of the Creditor to marshal any assets; (o) any defence based upon any failure of the Creditor to give to the Debtors or the Guarantor notice of any sale or other disposition of any property securing any or all of the Obligations or any guarantee thereof, or any defect in any notice that may be given in connection with any sale or other disposition of any such property, or any failure of the Creditor to comply with any provision of applicable law in enforcing any security interest in or lien upon any such property, including any failure by the Creditor to dispose of any such property in a commercially reasonable manner; (p) any dealing whatsoever with any Debtor or other person or any security, whether negligently or not, or any failure to do so; (q) any defence based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against any Debtor or any other person, including any discharge of, or bar against collecting, any of the Obligations, in or as a result of any such proceeding; or (r) any other act or omission to act or delay of any kind by any Debtor, the Creditor, or any other person or any other circumstance whatsoever, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 2, constitute a legal or equitable discharge, limitation or reduction of the Guarantor's obligations hereunder (other than the payment or extinguishment in full of all of the Obligations). The foregoing provisions apply (and the foregoing waivers will be effective) even if the effect of any action (or failure to take action) by the Creditor is to destroy or diminish the Guarantor's subrogation rights, the Guarantor's right to proceed against the Debtors for reimbursement, the Guarantor's right to recover contribution from any other guarantor or any other right or remedy.

3. RELIANCE ON AGENTS. The Creditor is entitled to assume, notwithstanding any investigation by or on behalf of the Creditor, the power of the Debtors and the Guarantor and the authority of the

officers, directors or agents acting or purporting to act on behalf of the Debtors or the Guarantor, and any Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.

4. RECOURSE AGAINST DEBTOR. The Creditor is not required to exhaust its recourse against the Debtors or others or under any other security or guarantee before being entitled to payment from the Guarantor under this Guarantee.

5. SETTLEMENT OF ACCOUNTS. Any account settled or stated between the Creditor and the Debtors will be accepted by the Guarantor as *prima facie* evidence that the amount thereby appearing due by the Debtors to the Creditor is so due.

6. NO WAIVER. No delay on the part of the Creditor in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of its rights hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Creditor unless the same will be in writing, duly signed on behalf of the Creditor, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Creditor or the liabilities of the Guarantor to the Creditor in any other respect at any other time.

7. GUARANTEE OF ALL MONEYS BORROWED. All moneys and credits in fact borrowed or obtained by the Debtors from the Creditor, will be deemed to form part of the Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of any Debtor or of the directors, officers, employees, partners or agents thereof, or that any Debtor may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. Any amount which may not be recoverable from the Guarantor by the Creditor on the basis of a guarantee will be recoverable by the Creditor from the Guarantor as principal debtor in respect thereof and will be paid to the Creditor forthwith after demand therefor as herein provided.

8. STAY OF ACCELERATION. If acceleration of the time for payment of any amount payable by the Debtors in respect of the Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Debtor or any moratorium affecting the payment of the Obligations, all such amounts otherwise subject to acceleration will nonetheless be payable by the Guarantor hereunder forthwith on demand by the Creditor.

9. REINSTATEMENT. If, at any time, all or any part of any payment previously applied by the Creditor to any Obligation is or must be rescinded or returned by the Creditor for any reason whatsoever (including, without limitation, the insolvency, bankruptcy, or reorganization of the Debtors), such Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Creditor, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Obligation, all as though such application by the Creditor had not been made.

10. NO SUBROGATION. Notwithstanding any payment made by the Guarantor under this Guarantee or any setoff or application of funds of the Guarantor by the Creditor, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by law, any right to enforce any remedy which the Creditor now has or may hereafter have against the Debtors, until all of the Obligations have been indefeasibly paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Creditor for the Obligations.

11. ASSIGNMENT AND POSTPONEMENT. All present and future indebtedness and liability of the Debtors to the Guarantor is hereby assigned by the Guarantor to the Creditor and postponed to the Obligations and all moneys received by the Guarantor in respect thereof will be received in trust for and, unless prior written authorization from the Creditor to the contrary will have been obtained by the Guarantor, will be paid over to the Creditor upon demand by the Creditor. If the Creditor receives from the Guarantor a payment or payments in full or on account of the liability of the Guarantor hereunder, the Guarantor will not be entitled to claim repayment against any Debtor until the Creditor's claims against the Debtors have been paid in full. In case of liquidation, winding up or bankruptcy of any Debtor (whether voluntary or involuntary) or if any Debtor will make a bulk sale of any of its assets within the bulk transfer provisions of any applicable legislation or any composition with creditors or scheme of arrangement, the Creditor will have the right to rank for its full claims and receive all dividends or other payments in respect thereof in priority to the Guarantor until the claims of the Creditor have been paid in full, and the Guarantor will continue liable hereunder for any balance which may be owing to the Creditor by the Debtors. In the event of the valuation by the Creditor of any of its security and/or the retention thereof by the Creditor, such valuation and/or retention will not, as between the Creditor and the Guarantor, be considered as a purchase of such security, or as payment or satisfaction or reduction of the Obligations or any part thereof. The foregoing provisions of this Section 11 will not in any way limit or lessen the liability of the Guarantor under any other Section of this Guarantee.

12. FOREIGN CURRENCY OBLIGATIONS. The Guarantor will make payment relative to each Obligation in the currency (the "**Original Currency**") in which the Debtors are required to pay such Obligation. If the Guarantor makes payment relative to any Obligation to the Creditor in a currency other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Obligation only to the extent of the amount of the Original Currency which the Creditor is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Creditor is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Obligation, the Guarantor will indemnify and save the Creditor harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Creditor and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.

13. TAXES AND SET-OFF BY GUARANTOR. All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any applicable law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Creditor receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

14. PAYMENT OF EXPENSES; INDEMNIFICATION. The Guarantor will pay on demand, and will indemnify and save the Creditor harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (a) incurred by the Creditor in the preparation, registration, administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any

of its obligations under this Guarantee, or (c) incurred by the Creditor in performing or observing any of the other covenants of the Guarantor under this Guarantee.

15. ADDITIONAL SECURITY. This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by the Creditor and any other rights or remedies that the Creditor might have.

16. SET-OFF BY CREDITOR. The Creditor may, to the fullest extent permitted by law, set-off and apply any and all deposits at any time held by the Creditor and any other indebtedness at any time owing by the Creditor to or for the credit or for the account of the Guarantor against any and all of the Obligations of the Guarantor now or hereafter existing under this Guarantee even if (a) the Creditor has not made any demand hereunder, (b) Obligations are contingent or unmatured, or (c) the Obligations are not in the same currency as the offsetting deposits or indebtedness which may be owing by the Creditor.

17. [RESERVED].

18. RELEASE OF INFORMATION. The Guarantor authorizes the Creditor to provide a copy of this Guarantee and such other information as may be requested of the Creditor by persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtors.

19. GOVERNING LAW; ATTORNMENT. This Guarantee will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable herein. Without prejudice to the ability of the Creditor to enforce this Guarantee in any other proper jurisdiction, the Guarantor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by applicable law, the Guarantor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Guarantee in the courts of such Province.

20. SUCCESSORS AND ASSIGNS. This Guarantee will extend and enure to the benefit of the Creditor and its successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Creditor may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Obligations or any interest therein; and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Obligation or part thereof so transferred or assigned will remain an "Obligation" for the purposes of this Guarantee and any immediate and successive assignee or transferee of any Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee to the same extent as if such person were the Creditor.

21. TIME. Time is of the essence with respect to this Guarantee and the time for performance of the obligations of the Guarantor under this Guarantee may be strictly enforced by the Creditor.

22. SEVERABILITY. If any provision of this Guarantee is determined to be illegal, unconscionable or unenforceable, all other terms and provisions hereof will nevertheless remain effective and will be enforced to the fullest extent permitted by law.

23. COMMUNICATION. Any notice or other communication required or permitted to be given under this Agreement shall be made in accordance with the terms of the Loan Agreement.

24. REPRESENTATIONS AND WARRANTIES. The Guarantor represents and warrants to the Creditor, upon each of which representations and warranties the Creditor specifically relies, as follows:

(1) Litigation. There is no litigation or governmental proceeding pending or, to its knowledge, threatened against the Guarantor which, if adversely determined, would materially adversely affect the financial condition of the Guarantor.

(2) Burdensome Provisions, etc. The Guarantor is not a party to any agreement or instrument, or subject to any corporate restriction or any judgment, order, writ, injunction, decree, award, rule or regulation, which materially adversely affects or, to its knowledge, in the future is likely to materially and adversely affect, its ability to issue the Guarantee or to perform its obligations under this Guarantee.

(3) Contingent Liabilities and Debt. The Guarantor has no contingent liabilities which are not disclosed on or referred to in the financial statements most recently delivered to the Creditor which would have a material adverse effect on its business or prospects.

(4) Full Disclosure. Neither the financial statements most recently delivered to the Creditor nor any other written statement furnished by or on behalf of and at the direction of the Guarantor to the Creditor in connection with the negotiation or consummation of the transactions as contemplated hereby contain, as of the time such statements were so furnished, any untrue statement of a material fact or omitted as of such time, a material fact necessary to make the statements contained therein not misleading, and all such statements, taken as a whole, together with this Guarantee, do not contain any untrue statement of a material fact or omit a material fact necessary to make the statements contained herein or therein not misleading.

(5) Material Adverse Change. Since the date of the most recent financial statements delivered to the Creditor and except as otherwise disclosed to the Creditor in writing (i) there has been no material adverse change in the financial condition of the Guarantor as shown on its balance sheet as at that date; and (ii) the business, operations, properties, condition, financial or otherwise, or prospects of the Guarantor have not, so far as the Guarantor can reasonably foresee, been materially and adversely affected as a result of any act or event including, without limitation, fire, accident, strike, expropriation or act of any government in Canada or elsewhere.

(6) Consents. No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action, in respect of, any Person, governmental authority or agency is required on the part of the Guarantor in connection with the execution and delivery and enforcement of this Guarantee.

(7) Due Execution, etc. This Guarantee has been duly executed and delivered by or on behalf of the Guarantor and constitutes a valid and binding obligation of the Guarantor enforceable in accordance with its terms, except as enforceability may be limited by any bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(8) No Default, etc. Neither the execution nor the delivery of this Guarantee, the consummation of the transactions herein contemplated, nor compliance with the terms, conditions and provisions hereof conflicts with or will conflict with, or results or will result in, any breach of, or constitutes a default under any of the provisions of any agreement or instrument to which the Guarantor is a party or by which the Guarantor, or any of its property or assets are bound or (except as contemplated by this Guarantee) results or will result in the creation or imposition of any encumbrance upon any of the properties or assets of the Guarantor or results or will result in the contravention of any law or rule or regulation to which the Guarantor or its property or assets are subject and as a consequence of which the ability of the Guarantor to perform its obligations under this Guarantee is or would likely be adversely affected.

(9) Tax Returns. The Guarantor has filed all tax returns which are required to be filed and has paid all taxes which have become due as shown on such returns or any assessments received by the Guarantor where failure to do so would have a material adverse effect on the business, operations or financial condition of the Guarantor or its ability to perform its obligations under this Guarantee, except such taxes (if any) as are being contested in good faith by appropriate proceedings and for which a reserve reasonably satisfactory to the Creditor is provided; and the Guarantor is not aware of any proposed additional tax assessment against it.

25. [RESERVED].

26. DEBTOR'S FINANCIAL CONDITION. The Guarantor is fully aware of the financial condition of the Debtors.

27. INTERPRETATION. Unless otherwise expressly provided in this Guarantee, if any matter in this Guarantee is subject to the consent or approval of the Creditor or is to be acceptable to the Creditor, such consent, approval or determination of acceptability will be in the sole discretion of the Creditor. If any provision in this Guarantee refers to any action taken or to be taken by the Guarantor, or which the Guarantor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Guarantee into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Guarantee. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Guarantee, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Guarantee to a "Section" means the relevant Section of this Guarantee. If more than one person executes this Guarantee, their obligations under this Guarantee are joint and several. Any reference in this Guarantee to a "person" will be deemed to include an individual, corporation, partnership, trust, unincorporated organization, government and the heirs, executors, administrators or other legal representatives of an individual.

28. COUNTERPARTS. This Guarantee may be signed in counterparts and by electronic transmission, each of which shall for all purposes be deemed to be an original, and all such separate counterparts shall together constitute one and the same instrument.

29. COPY OF GUARANTEE. The Guarantor acknowledges receipt of an executed copy of this Guarantee.

RECITALS:

A. Aleafia Health Inc., Emblem Cannabis Corporation and Aleafia Farms Inc. (collectively, the "**Debtors**", and individually, a "**Debtor**"), **Emblem Corp.** (the "**Guarantor**") and the other guarantors party thereto, and **NE SPC II LP** (the "**Creditor**") are parties to a loan agreement dated as of the date hereof (as amended, supplemented, restated or replaced from time to time, the "**Loan Agreement**").

B. It is in the interests of the Guarantor that the Creditor extend credit (or continue to extend credit) to the Debtors and therefore the Guarantor is prepared to issue this Guarantee to the Creditor;

For valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged by the Guarantor, the Guarantor hereby agrees in favour of the Creditor as follows:

1. GUARANTEE. The Guarantor hereby unconditionally and irrevocably guarantees, jointly and severally, as a primary obligor and not merely as a surety, the prompt payment and performance to the Creditor, forthwith upon demand by the Creditor, of all present and future indebtedness, liabilities and obligations of any kind whatsoever (whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) of the Debtors to the Creditor under, in connection with or with respect to the Loan Agreement and the other Loan Documents (as defined in the Loan Agreement) (collectively, the "**Obligations**"). All amounts payable by the Guarantor hereunder will be paid to the Creditor at the address of the Creditor shown above or as otherwise directed in writing by the Creditor. Any amounts payable by the Guarantor under this Guarantee which are not paid forthwith upon demand therefor by the Creditor will bear interest from the date of such demand at the rate or rates applicable to the corresponding Obligations.

2. GUARANTEE UNCONDITIONAL. The obligations of the Guarantor under this Guarantee are continuing, unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged, diminished, limited or otherwise affected by (and the Guarantor hereby waives, to the fullest extent permitted by applicable law): (a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Obligation, security, person or otherwise; (b) any modification or amendment of or supplement to the Obligations, including any increase or decrease in the principal, the rates of interest or other amounts payable thereunder; (c) any release, non-perfection or invalidity of any direct or indirect security for any Obligation; (d) any change in the existence, structure, constitution, name, objects, powers, business, control or ownership of any Debtor or any other person, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Debtor or any other person or its assets; (e) the existence of any claim, set-off or other rights which the Guarantor may have at any time against any Debtor, the Creditor, or any other person, whether in connection herewith or any unrelated transactions; (f) any invalidity, illegality or unenforceability relating

to or against any Debtor or any provision of applicable law or regulation purporting to prohibit the payment by the Debtors of the principal or interest under the Obligations; (g) any limitation, postponement, prohibition, subordination or other restriction on the rights of the Creditor to payment of the Obligations; (h) any release, substitution or addition of any cosigner, endorser or other guarantor of the Obligations; (i) any defence arising by reason of any failure of the Creditor to make any presentment, demand for performance, notice of non-performance, protest, and any other notice, including notice of all of the following: acceptance of this Guarantee, partial payment or non-payment of all or any part of the Obligations and the existence, creation, or incurring of new or additional Obligations; (j) any defence arising by reason of any failure of the Creditor to proceed against any Debtor or any other person, to proceed against, apply or exhaust any security held from any Debtor or any other person for the Obligations, to proceed against, apply or exhaust any security held from the Guarantor or any other person for this Guarantee or to pursue any other remedy in the power of the Creditor whatsoever; (k) any law which provides that the obligation of a guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal obligation or which reduces a guarantor's obligation in proportion to the principal obligation; (l) any defence arising by reason of any incapacity, lack of authority, or other defence of any Debtor or any other person, or by reason of any limitation, postponement, prohibition on the Creditor's right to payment of the Obligations or any part thereof, or by reason of the cessation from any cause whatsoever of the liability of any Debtor or any other person with respect to all or any part of the Obligations, or by reason of any act or omission of the Creditor or others which directly or indirectly results in the discharge or release of any Debtor or any other person or all or any part of the Obligations or any security or guarantee therefor, whether by contract, operation of law or otherwise; (m) any defence arising by reason of any failure by the Creditor to obtain, perfect or maintain a perfected or prior (or any) security interest in or lien or encumbrance upon any property of any Debtor or any other person, or by reason of any interest of the Creditor in any property, whether as owner thereof or the holder of a security interest therein or lien or encumbrance thereon, being invalidated, voided, declared fraudulent or preferential or otherwise set aside, or by reason of any impairment by the Creditor of any right to recourse or collateral; (n) any defence arising by reason of the failure of the Creditor to marshal any assets; (o) any defence based upon any failure of the Creditor to give to the Debtors or the Guarantor notice of any sale or other disposition of any property securing any or all of the Obligations or any guarantee thereof, or any defect in any notice that may be given in connection with any sale or other disposition of any such property, or any failure of the Creditor to comply with any provision of applicable law in enforcing any security interest in or lien upon any such property, including any failure by the Creditor to dispose of any such property in a commercially reasonable manner; (p) any dealing whatsoever with any Debtor or other person or any security, whether negligently or not, or any failure to do so; (q) any defence based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against any Debtor or any other person, including any discharge of, or bar against collecting, any of the Obligations, in or as a result of any such proceeding; or (r) any other act or omission to act or delay of any kind by any Debtor, the Creditor, or any other person or any other circumstance whatsoever, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 2, constitute a legal or equitable discharge, limitation or reduction of the Guarantor's obligations hereunder (other than the payment or extinguishment in full of all of the Obligations). The foregoing provisions apply (and the foregoing waivers will be effective) even if the effect of any action (or failure to take action) by the Creditor is to destroy or diminish the Guarantor's subrogation rights, the Guarantor's right to proceed against the Debtors for reimbursement, the Guarantor's right to recover contribution from any other guarantor or any other right or remedy.

3. RELIANCE ON AGENTS. The Creditor is entitled to assume, notwithstanding any investigation by or on behalf of the Creditor, the power of the Debtors and the Guarantor and the authority of the

officers, directors or agents acting or purporting to act on behalf of the Debtors or the Guarantor, and any Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.

4. RECOURSE AGAINST DEBTOR. The Creditor is not required to exhaust its recourse against the Debtors or others or under any other security or guarantee before being entitled to payment from the Guarantor under this Guarantee.

5. SETTLEMENT OF ACCOUNTS. Any account settled or stated between the Creditor and the Debtors will be accepted by the Guarantor as *prima facie* evidence that the amount thereby appearing due by the Debtors to the Creditor is so due.

6. NO WAIVER. No delay on the part of the Creditor in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of its rights hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Creditor unless the same will be in writing, duly signed on behalf of the Creditor, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Creditor or the liabilities of the Guarantor to the Creditor in any other respect at any other time.

7. GUARANTEE OF ALL MONEYS BORROWED. All moneys and credits in fact borrowed or obtained by the Debtors from the Creditor, will be deemed to form part of the Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of any Debtor or of the directors, officers, employees, partners or agents thereof, or that any Debtor may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. Any amount which may not be recoverable from the Guarantor by the Creditor on the basis of a guarantee will be recoverable by the Creditor from the Guarantor as principal debtor in respect thereof and will be paid to the Creditor forthwith after demand therefor as herein provided.

8. STAY OF ACCELERATION. If acceleration of the time for payment of any amount payable by the Debtors in respect of the Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Debtor or any moratorium affecting the payment of the Obligations, all such amounts otherwise subject to acceleration will nonetheless be payable by the Guarantor hereunder forthwith on demand by the Creditor.

9. REINSTATEMENT. If, at any time, all or any part of any payment previously applied by the Creditor to any Obligation is or must be rescinded or returned by the Creditor for any reason whatsoever (including, without limitation, the insolvency, bankruptcy, or reorganization of the Debtors), such Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Creditor, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Obligation, all as though such application by the Creditor had not been made.

10. NO SUBROGATION. Notwithstanding any payment made by the Guarantor under this Guarantee or any setoff or application of funds of the Guarantor by the Creditor, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by law, any right to enforce any remedy which the Creditor now has or may hereafter have against the Debtors, until all of the Obligations have been indefeasibly paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Creditor for the Obligations.

11. ASSIGNMENT AND POSTPONEMENT. All present and future indebtedness and liability of the Debtors to the Guarantor is hereby assigned by the Guarantor to the Creditor and postponed to the Obligations and all moneys received by the Guarantor in respect thereof will be received in trust for and, unless prior written authorization from the Creditor to the contrary will have been obtained by the Guarantor, will be paid over to the Creditor upon demand by the Creditor. If the Creditor receives from the Guarantor a payment or payments in full or on account of the liability of the Guarantor hereunder, the Guarantor will not be entitled to claim repayment against any Debtor until the Creditor's claims against the Debtors have been paid in full. In case of liquidation, winding up or bankruptcy of any Debtor (whether voluntary or involuntary) or if any Debtor will make a bulk sale of any of its assets within the bulk transfer provisions of any applicable legislation or any composition with creditors or scheme of arrangement, the Creditor will have the right to rank for its full claims and receive all dividends or other payments in respect thereof in priority to the Guarantor until the claims of the Creditor have been paid in full, and the Guarantor will continue liable hereunder for any balance which may be owing to the Creditor by the Debtors. In the event of the valuation by the Creditor of any of its security and/or the retention thereof by the Creditor, such valuation and/or retention will not, as between the Creditor and the Guarantor, be considered as a purchase of such security, or as payment or satisfaction or reduction of the Obligations or any part thereof. The foregoing provisions of this Section 11 will not in any way limit or lessen the liability of the Guarantor under any other Section of this Guarantee.

12. FOREIGN CURRENCY OBLIGATIONS. The Guarantor will make payment relative to each Obligation in the currency (the "**Original Currency**") in which the Debtors are required to pay such Obligation. If the Guarantor makes payment relative to any Obligation to the Creditor in a currency other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Obligation only to the extent of the amount of the Original Currency which the Creditor is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Creditor is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Obligation, the Guarantor will indemnify and save the Creditor harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Creditor and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.

13. TAXES AND SET-OFF BY GUARANTOR. All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any applicable law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Creditor receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

14. PAYMENT OF EXPENSES; INDEMNIFICATION. The Guarantor will pay on demand, and will indemnify and save the Creditor harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (a) incurred by the Creditor in the preparation, registration, administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any

of its obligations under this Guarantee, or (c) incurred by the Creditor in performing or observing any of the other covenants of the Guarantor under this Guarantee.

15. ADDITIONAL SECURITY. This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by the Creditor and any other rights or remedies that the Creditor might have.

16. SET-OFF BY CREDITOR. The Creditor may, to the fullest extent permitted by law, set-off and apply any and all deposits at any time held by the Creditor and any other indebtedness at any time owing by the Creditor to or for the credit or for the account of the Guarantor against any and all of the Obligations of the Guarantor now or hereafter existing under this Guarantee even if (a) the Creditor has not made any demand hereunder, (b) Obligations are contingent or unmatured, or (c) the Obligations are not in the same currency as the offsetting deposits or indebtedness which may be owing by the Creditor.

17. [RESERVED].

18. RELEASE OF INFORMATION. The Guarantor authorizes the Creditor to provide a copy of this Guarantee and such other information as may be requested of the Creditor by persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtors.

19. GOVERNING LAW; ATTORNMENT. This Guarantee will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable herein. Without prejudice to the ability of the Creditor to enforce this Guarantee in any other proper jurisdiction, the Guarantor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by applicable law, the Guarantor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Guarantee in the courts of such Province.

20. SUCCESSORS AND ASSIGNS. This Guarantee will extend and enure to the benefit of the Creditor and its successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Creditor may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Obligations or any interest therein; and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Obligation or part thereof so transferred or assigned will remain an "Obligation" for the purposes of this Guarantee and any immediate and successive assignee or transferee of any Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee to the same extent as if such person were the Creditor.

21. TIME. Time is of the essence with respect to this Guarantee and the time for performance of the obligations of the Guarantor under this Guarantee may be strictly enforced by the Creditor.

22. SEVERABILITY. If any provision of this Guarantee is determined to be illegal, unconscionable or unenforceable, all other terms and provisions hereof will nevertheless remain effective and will be enforced to the fullest extent permitted by law.

23. COMMUNICATION. Any notice or other communication required or permitted to be given under this Agreement shall be made in accordance with the terms of the Loan Agreement.

24. REPRESENTATIONS AND WARRANTIES. The Guarantor represents and warrants to the Creditor, upon each of which representations and warranties the Creditor specifically relies, as follows:

(1) Litigation. There is no litigation or governmental proceeding pending or, to its knowledge, threatened against the Guarantor which, if adversely determined, would materially adversely affect the financial condition of the Guarantor.

(2) Burdensome Provisions, etc. The Guarantor is not a party to any agreement or instrument, or subject to any corporate restriction or any judgment, order, writ, injunction, decree, award, rule or regulation, which materially adversely affects or, to its knowledge, in the future is likely to materially and adversely affect, its ability to issue the Guarantee or to perform its obligations under this Guarantee.

(3) Contingent Liabilities and Debt. The Guarantor has no contingent liabilities which are not disclosed on or referred to in the financial statements most recently delivered to the Creditor which would have a material adverse effect on its business or prospects.

(4) Full Disclosure. Neither the financial statements most recently delivered to the Creditor nor any other written statement furnished by or on behalf of and at the direction of the Guarantor to the Creditor in connection with the negotiation or consummation of the transactions as contemplated hereby contain, as of the time such statements were so furnished, any untrue statement of a material fact or omitted as of such time, a material fact necessary to make the statements contained therein not misleading, and all such statements, taken as a whole, together with this Guarantee, do not contain any untrue statement of a material fact or omit a material fact necessary to make the statements contained herein or therein not misleading.

(5) Material Adverse Change. Since the date of the most recent financial statements delivered to the Creditor and except as otherwise disclosed to the Creditor in writing (i) there has been no material adverse change in the financial condition of the Guarantor as shown on its balance sheet as at that date; and (ii) the business, operations, properties, condition, financial or otherwise, or prospects of the Guarantor have not, so far as the Guarantor can reasonably foresee, been materially and adversely affected as a result of any act or event including, without limitation, fire, accident, strike, expropriation or act of any government in Canada or elsewhere.

(6) Consents. No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action, in respect of, any Person, governmental authority or agency is required on the part of the Guarantor in connection with the execution and delivery and enforcement of this Guarantee.

(7) Due Execution, etc. This Guarantee has been duly executed and delivered by or on behalf of the Guarantor and constitutes a valid and binding obligation of the Guarantor enforceable in accordance with its terms, except as enforceability may be limited by any bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(8) No Default, etc. Neither the execution nor the delivery of this Guarantee, the consummation of the transactions herein contemplated, nor compliance with the terms, conditions and provisions hereof conflicts with or will conflict with, or results or will result in, any breach of, or constitutes a default under any of the provisions of any agreement or instrument to which the Guarantor is a party or by which the Guarantor, or any of its property or assets are bound or (except as contemplated by this Guarantee) results or will result in the creation or imposition of any encumbrance upon any of the properties or assets of the Guarantor or results or will result in the contravention of any law or rule or regulation to which the Guarantor or its property or assets are subject and as a consequence of which the ability of the Guarantor to perform its obligations under this Guarantee is or would likely be adversely affected.

(9) Tax Returns. The Guarantor has filed all tax returns which are required to be filed and has paid all taxes which have become due as shown on such returns or any assessments received by the Guarantor where failure to do so would have a material adverse effect on the business, operations or financial condition of the Guarantor or its ability to perform its obligations under this Guarantee, except such taxes (if any) as are being contested in good faith by appropriate proceedings and for which a reserve reasonably satisfactory to the Creditor is provided; and the Guarantor is not aware of any proposed additional tax assessment against it.

25. [RESERVED].

26. DEBTOR'S FINANCIAL CONDITION. The Guarantor is fully aware of the financial condition of the Debtors.

27. INTERPRETATION. Unless otherwise expressly provided in this Guarantee, if any matter in this Guarantee is subject to the consent or approval of the Creditor or is to be acceptable to the Creditor, such consent, approval or determination of acceptability will be in the sole discretion of the Creditor. If any provision in this Guarantee refers to any action taken or to be taken by the Guarantor, or which the Guarantor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Guarantee into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Guarantee. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Guarantee, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Guarantee to a "Section" means the relevant Section of this Guarantee. If more than one person executes this Guarantee, their obligations under this Guarantee are joint and several. Any reference in this Guarantee to a "person" will be deemed to include an individual, corporation, partnership, trust, unincorporated organization, government and the heirs, executors, administrators or other legal representatives of an individual.

28. COUNTERPARTS. This Guarantee may be signed in counterparts and by electronic transmission, each of which shall for all purposes be deemed to be an original, and all such separate counterparts shall together constitute one and the same instrument.

29. COPY OF GUARANTEE. The Guarantor acknowledges receipt of an executed copy of this Guarantee.

RECITALS:

A. Aleafia Health Inc., Emblem Cannabis Corporation and Aleafia Farms Inc. (collectively, the "**Debtors**", and individually, a "**Debtor**"), **Canabo Medical Corporation** (the "**Guarantor**") and the other guarantors party thereto, and **NE SPC II LP** (the "**Creditor**") are parties to a loan agreement dated as of the date hereof (as amended, supplemented, restated or replaced from time to time, the "**Loan Agreement**").

B. It is in the interests of the Guarantor that the Creditor extend credit (or continue to extend credit) to the Debtors and therefore the Guarantor is prepared to issue this Guarantee to the Creditor;

For valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged by the Guarantor, the Guarantor hereby agrees in favour of the Creditor as follows:

1. GUARANTEE. The Guarantor hereby unconditionally and irrevocably guarantees, jointly and severally, as a primary obligor and not merely as a surety, the prompt payment and performance to the Creditor, forthwith upon demand by the Creditor, of all present and future indebtedness, liabilities and obligations of any kind whatsoever (whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) of the Debtors to the Creditor under, in connection with or with respect to the Loan Agreement and the other Loan Documents (as defined in the Loan Agreement) (collectively, the "**Obligations**"). All amounts payable by the Guarantor hereunder will be paid to the Creditor at the address of the Creditor shown above or as otherwise directed in writing by the Creditor. Any amounts payable by the Guarantor under this Guarantee which are not paid forthwith upon demand therefor by the Creditor will bear interest from the date of such demand at the rate or rates applicable to the corresponding Obligations.

2. GUARANTEE UNCONDITIONAL. The obligations of the Guarantor under this Guarantee are continuing, unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged, diminished, limited or otherwise affected by (and the Guarantor hereby waives, to the fullest extent permitted by applicable law): (a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Obligation, security, person or otherwise; (b) any modification or amendment of or supplement to the Obligations, including any increase or decrease in the principal, the rates of interest or other amounts payable thereunder; (c) any release, non-perfection or invalidity of any direct or indirect security for any Obligation; (d) any change in the existence, structure, constitution, name, objects, powers, business, control or ownership of any Debtor or any other person, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Debtor or any other person or its assets; (e) the existence of any claim, set-off or other rights which the Guarantor may have at any time against any Debtor, the Creditor, or any other person, whether in

connection herewith or any unrelated transactions; (f) any invalidity, illegality or unenforceability relating to or against any Debtor or any provision of applicable law or regulation purporting to prohibit the payment by the Debtors of the principal or interest under the Obligations; (g) any limitation, postponement, prohibition, subordination or other restriction on the rights of the Creditor to payment of the Obligations; (h) any release, substitution or addition of any cosigner, endorser or other guarantor of the Obligations; (i) any defence arising by reason of any failure of the Creditor to make any presentment, demand for performance, notice of non-performance, protest, and any other notice, including notice of all of the following: acceptance of this Guarantee, partial payment or non-payment of all or any part of the Obligations and the existence, creation, or incurring of new or additional Obligations; (j) any defence arising by reason of any failure of the Creditor to proceed against any Debtor or any other person, to proceed against, apply or exhaust any security held from any Debtor or any other person for the Obligations, to proceed against, apply or exhaust any security held from the Guarantor or any other person for this Guarantee or to pursue any other remedy in the power of the Creditor whatsoever; (k) any law which provides that the obligation of a guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal obligation or which reduces a guarantor's obligation in proportion to the principal obligation; (l) any defence arising by reason of any incapacity, lack of authority, or other defence of any Debtor or any other person, or by reason of any limitation, postponement, prohibition on the Creditor's right to payment of the Obligations or any part thereof, or by reason of the cessation from any cause whatsoever of the liability of any Debtor or any other person with respect to all or any part of the Obligations, or by reason of any act or omission of the Creditor or others which directly or indirectly results in the discharge or release of any Debtor or any other person or all or any part of the Obligations or any security or guarantee therefor, whether by contract, operation of law or otherwise; (m) any defence arising by reason of any failure by the Creditor to obtain, perfect or maintain a perfected or prior (or any) security interest in or lien or encumbrance upon any property of any Debtor or any other person, or by reason of any interest of the Creditor in any property, whether as owner thereof or the holder of a security interest therein or lien or encumbrance thereon, being invalidated, voided, declared fraudulent or preferential or otherwise set aside, or by reason of any impairment by the Creditor of any right to recourse or collateral; (n) any defence arising by reason of the failure of the Creditor to marshal any assets; (o) any defence based upon any failure of the Creditor to give to the Debtors or the Guarantor notice of any sale or other disposition of any property securing any or all of the Obligations or any guarantee thereof, or any defect in any notice that may be given in connection with any sale or other disposition of any such property, or any failure of the Creditor to comply with any provision of applicable law in enforcing any security interest in or lien upon any such property, including any failure by the Creditor to dispose of any such property in a commercially reasonable manner; (p) any dealing whatsoever with any Debtor or other person or any security, whether negligently or not, or any failure to do so; (q) any defence based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against any Debtor or any other person, including any discharge of, or bar against collecting, any of the Obligations, in or as a result of any such proceeding; or (r) any other act or omission to act or delay of any kind by any Debtor, the Creditor, or any other person or any other circumstance whatsoever, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 2, constitute a legal or equitable discharge, limitation or reduction of the Guarantor's obligations hereunder (other than the payment or extinguishment in full of all of the Obligations). The foregoing provisions apply (and the foregoing waivers will be effective) even if the effect of any action (or failure to take action) by the Creditor is to destroy or diminish the Guarantor's subrogation rights, the Guarantor's right to proceed against the Debtors for reimbursement, the Guarantor's right to recover contribution from any other guarantor or any other right or remedy.

3. **RELIANCE ON AGENTS.** The Creditor is entitled to assume, notwithstanding any investigation by or on behalf of the Creditor, the power of the Debtors and the Guarantor and the authority of the officers, directors or agents acting or purporting to act on behalf of the Debtors or the Guarantor, and any Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.

4. **RECOURSE AGAINST DEBTOR.** The Creditor is not required to exhaust its recourse against the Debtors or others or under any other security or guarantee before being entitled to payment from the Guarantor under this Guarantee.

5. **SETTLEMENT OF ACCOUNTS.** Any account settled or stated between the Creditor and the Debtors will be accepted by the Guarantor as *prima facie* evidence that the amount thereby appearing due by the Debtors to the Creditor is so due.

6. **NO WAIVER.** No delay on the part of the Creditor in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of its rights hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Creditor unless the same will be in writing, duly signed on behalf of the Creditor, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Creditor or the liabilities of the Guarantor to the Creditor in any other respect at any other time.

7. **GUARANTEE OF ALL MONEYS BORROWED.** All moneys and credits in fact borrowed or obtained by the Debtors from the Creditor, will be deemed to form part of the Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of any Debtor or of the directors, officers, employees, partners or agents thereof, or that any Debtor may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. Any amount which may not be recoverable from the Guarantor by the Creditor on the basis of a guarantee will be recoverable by the Creditor from the Guarantor as principal debtor in respect thereof and will be paid to the Creditor forthwith after demand therefor as herein provided.

8. **STAY OF ACCELERATION.** If acceleration of the time for payment of any amount payable by the Debtors in respect of the Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Debtor or any moratorium affecting the payment of the Obligations, all such amounts otherwise subject to acceleration will nonetheless be payable by the Guarantor hereunder forthwith on demand by the Creditor.

9. **REINSTATEMENT.** If, at any time, all or any part of any payment previously applied by the Creditor to any Obligation is or must be rescinded or returned by the Creditor for any reason whatsoever (including, without limitation, the insolvency, bankruptcy, or reorganization of the Debtors), such Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Creditor, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Obligation, all as though such application by the Creditor had not been made.

10. **NO SUBROGATION.** Notwithstanding any payment made by the Guarantor under this Guarantee or any setoff or application of funds of the Guarantor by the Creditor, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by law, any right to enforce any remedy which the Creditor now has or may hereafter have against the Debtors, until all of the Obligations have been indefeasibly paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Creditor for the Obligations.

11. ASSIGNMENT AND POSTPONEMENT. All present and future indebtedness and liability of the Debtors to the Guarantor is hereby assigned by the Guarantor to the Creditor and postponed to the Obligations and all moneys received by the Guarantor in respect thereof will be received in trust for and, unless prior written authorization from the Creditor to the contrary will have been obtained by the Guarantor, will be paid over to the Creditor upon demand by the Creditor. If the Creditor receives from the Guarantor a payment or payments in full or on account of the liability of the Guarantor hereunder, the Guarantor will not be entitled to claim repayment against any Debtor until the Creditor's claims against the Debtors have been paid in full. In case of liquidation, winding up or bankruptcy of any Debtor (whether voluntary or involuntary) or if any Debtor will make a bulk sale of any of its assets within the bulk transfer provisions of any applicable legislation or any composition with creditors or scheme of arrangement, the Creditor will have the right to rank for its full claims and receive all dividends or other payments in respect thereof in priority to the Guarantor until the claims of the Creditor have been paid in full, and the Guarantor will continue liable hereunder for any balance which may be owing to the Creditor by the Debtors. In the event of the valuation by the Creditor of any of its security and/or the retention thereof by the Creditor, such valuation and/or retention will not, as between the Creditor and the Guarantor, be considered as a purchase of such security, or as payment or satisfaction or reduction of the Obligations or any part thereof. The foregoing provisions of this Section 11 will not in any way limit or lessen the liability of the Guarantor under any other Section of this Guarantee.

12. FOREIGN CURRENCY OBLIGATIONS. The Guarantor will make payment relative to each Obligation in the currency (the "**Original Currency**") in which the Debtors are required to pay such Obligation. If the Guarantor makes payment relative to any Obligation to the Creditor in a currency other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Obligation only to the extent of the amount of the Original Currency which the Creditor is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Creditor is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Obligation, the Guarantor will indemnify and save the Creditor harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Creditor and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.

13. TAXES AND SET-OFF BY GUARANTOR. All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any applicable law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Creditor receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

14. PAYMENT OF EXPENSES; INDEMNIFICATION. The Guarantor will pay on demand, and will indemnify and save the Creditor harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (a) incurred by the Creditor in the preparation, registration, administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any

of its obligations under this Guarantee, or (c) incurred by the Creditor in performing or observing any of the other covenants of the Guarantor under this Guarantee.

15. ADDITIONAL SECURITY. This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by the Creditor and any other rights or remedies that the Creditor might have.

16. SET-OFF BY CREDITOR. The Creditor may, to the fullest extent permitted by law, set-off and apply any and all deposits at any time held by the Creditor and any other indebtedness at any time owing by the Creditor to or for the credit or for the account of the Guarantor against any and all of the Obligations of the Guarantor now or hereafter existing under this Guarantee even if (a) the Creditor has not made any demand hereunder, (b) Obligations are contingent or unmatured, or (c) the Obligations are not in the same currency as the offsetting deposits or indebtedness which may be owing by the Creditor.

17. [RESERVED].

18. RELEASE OF INFORMATION. The Guarantor authorizes the Creditor to provide a copy of this Guarantee and such other information as may be requested of the Creditor by persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtors.

19. GOVERNING LAW; ATTORNMENT. This Guarantee will be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable herein. Without prejudice to the ability of the Creditor to enforce this Guarantee in any other proper jurisdiction, the Guarantor irrevocably submits and attorns to the non-exclusive jurisdiction of the courts of such province. To the extent permitted by applicable law, the Guarantor irrevocably waives any objection (including any claim of inconvenient forum) that it may now or hereafter have to the venue of any legal proceeding arising out of or relating to this Guarantee in the courts of such Province.

20. SUCCESSORS AND ASSIGNS. This Guarantee will extend and enure to the benefit of the Creditor and its successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Creditor may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Obligations or any interest therein; and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Obligation or part thereof so transferred or assigned will remain an "Obligation" for the purposes of this Guarantee and any immediate and successive assignee or transferee of any Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee to the same extent as if such person were the Creditor.

21. TIME. Time is of the essence with respect to this Guarantee and the time for performance of the obligations of the Guarantor under this Guarantee may be strictly enforced by the Creditor.

22. SEVERABILITY. If any provision of this Guarantee is determined to be illegal, unconscionable or unenforceable, all other terms and provisions hereof will nevertheless remain effective and will be enforced to the fullest extent permitted by law.

23. COMMUNICATION. Any notice or other communication required or permitted to be given under this Agreement shall be made in accordance with the terms of the Loan Agreement.

24. REPRESENTATIONS AND WARRANTIES. The Guarantor represents and warrants to the Creditor, upon each of which representations and warranties the Creditor specifically relies, as follows:

(1) Litigation. There is no litigation or governmental proceeding pending or, to its knowledge, threatened against the Guarantor which, if adversely determined, would materially adversely affect the financial condition of the Guarantor.

(2) Burdensome Provisions, etc. The Guarantor is not a party to any agreement or instrument, or subject to any corporate restriction or any judgment, order, writ, injunction, decree, award, rule or regulation, which materially adversely affects or, to its knowledge, in the future is likely to materially and adversely affect, its ability to issue the Guarantee or to perform its obligations under this Guarantee.

(3) Contingent Liabilities and Debt. The Guarantor has no contingent liabilities which are not disclosed on or referred to in the financial statements most recently delivered to the Creditor which would have a material adverse effect on its business or prospects.

(4) Full Disclosure. Neither the financial statements most recently delivered to the Creditor nor any other written statement furnished by or on behalf of and at the direction of the Guarantor to the Creditor in connection with the negotiation or consummation of the transactions as contemplated hereby contain, as of the time such statements were so furnished, any untrue statement of a material fact or omitted as of such time, a material fact necessary to make the statements contained therein not misleading, and all such statements, taken as a whole, together with this Guarantee, do not contain any untrue statement of a material fact or omit a material fact necessary to make the statements contained herein or therein not misleading.

(5) Material Adverse Change. Since the date of the most recent financial statements delivered to the Creditor and except as otherwise disclosed to the Creditor in writing (i) there has been no material adverse change in the financial condition of the Guarantor as shown on its balance sheet as at that date; and (ii) the business, operations, properties, condition, financial or otherwise, or prospects of the Guarantor have not, so far as the Guarantor can reasonably foresee, been materially and adversely affected as a result of any act or event including, without limitation, fire, accident, strike, expropriation or act of any government in Canada or elsewhere.

(6) Consents. No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action, in respect of, any Person, governmental authority or agency is required on the part of the Guarantor in connection with the execution and delivery and enforcement of this Guarantee.

(8) No Default, etc. Neither the execution nor the delivery of this Guarantee, the consummation of the transactions herein contemplated, nor compliance with the terms, conditions and provisions hereof conflicts with or will conflict with, or results or will result in, any breach of, or constitutes a default under any of the provisions of any agreement or instrument to which the Guarantor is a party or by which the Guarantor, or any of its property or assets are bound or (except as contemplated by this Guarantee) results or will result in the creation or imposition of any encumbrance upon any of the properties or assets of the Guarantor or results or will result in the contravention of any law or rule or regulation to which the Guarantor or its property or assets are subject and as a consequence of which the ability of the Guarantor to perform its obligations under this Guarantee is or would likely be adversely affected.

(9) Tax Returns. The Guarantor has filed all tax returns which are required to be filed and has paid all taxes which have become due as shown on such returns or any assessments received by the Guarantor where failure to do so would have a material adverse effect on the business, operations or financial condition of the Guarantor or its ability to perform its obligations under this Guarantee, except such taxes (if any) as are being contested in good faith by appropriate proceedings and for which a reserve reasonably satisfactory to the Creditor is provided; and the Guarantor is not aware of any proposed additional tax assessment against it.

DUE ON SALE AND SUBSEQUENT ENCUMBRANCES

If the Chargor sells, conveys, transfers or enters into any agreement of sale or transfer of the title of the Property or further encumbers of any of the Property (other than in accordance with the Loan Agreement) without the written consent of the Chargee, at any time while any amount secured by this Charge remains unpaid and outstanding, the balance of the principal then outstanding and all amounts secured by this Charge shall, at the option of the Chargee, become immediately due and payable.

AND WHEREAS the Lender has been or may be granted security interests, claims, charges, liens or other encumbrances by the Borrowers and the Guarantors (collectively, the “**Obligors**” and each an “**Obligor**”) and has registered or may register such security interest, claims, charges, liens and other encumbrances against one or more of the Obligors, including, without limitation, under the *Personal Property Security Act* of any Province or Territory of Canada or other applicable personal property security legislation, or under the *Land Titles Act* (Ontario) or *Registry Act* (Ontario) or other applicable land registry legislation (the “**Senior Security**”);

AND WHEREAS the Lender requires a security position in priority to the undersigned against all of the Obligors’ respective present and after-acquired property, assets and undertakings as a condition to extending credit to the Borrowers;

AND WHEREAS the undersigned has been or may be granted security interests, claims, charges, liens or other encumbrances by any of the Obligors and has registered or may register such security interests, claims, charges, liens or other encumbrances against any of the Obligors, including, without limitation, under the *Personal Property Security Act* of any Province or Territory of Canada or other applicable personal property security legislation, or under the *Land Titles Act* (Ontario) or *Registry Act* (Ontario) or other applicable land registry legislation (the “**Subordinate Security**”);

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by the undersigned, the undersigned hereby consents to the Senior Security granted by the Obligors to and in favour of the Lender and acknowledges, covenants and agrees to and in favour of the Lender:

1. All present and future indebtedness and liability of the Obligors to the undersigned (collectively, the “**Subordinated Obligations**”) are hereby subordinated, deferred and postponed to all obligations of the Obligors to the Lender and no payment shall be made or received on account of the Subordinated Obligations, and any and all moneys received by the undersigned in respect thereof will be received in trust for and forthwith paid over to the Lender, except that commencing six months from the date hereof, Aleafia Health Inc. (“**Aleafia Health**”) shall make and the undersigned shall receive payments of interest on any indebtedness owing by Aleafia Health to the undersigned under the credit agreement dated as of August 20, 2021 between Aleafia Health and the undersigned, as such credit agreement may be amended, restated, replaced, refinanced or otherwise modified from time to time (the “**Subordinate Credit Agreement**”), provided that there shall not be a payment default or demand under the Loan Agreement as at the date of such payment. For purposes of greater certainty, if the undersigned receives a payment in contravention of this Subordination, Postponement and Standstill Agreement, the undersigned shall have received such payment in trust for and shall forthwith pay over such monies to Lender.
2. The undersigned shall give written notice to the Lender of any default of any Obligor regarding any Subordinated Obligations.
3. Save and except the Subordinate Security in respect of the real property municipally known as 2540 Regional Road 19, Blackstock, Ontario (the “**Port Perry Property**”) and the personal property and assets of Aleafia Farms Inc. (“**AFI**”) located at or arising from the Port Perry Property

For purposes of greater certainty, any insurance proceeds received by any of the Obligors or by the undersigned or the Lender in respect of the collateral charged by the Subordinate Security or the Senior Security shall be dealt with according to the preceding provisions hereof as though such proceeds were paid or payable as proceeds of realization of the collateral for which they compensate.

4. The undersigned shall not take any steps whatsoever whereby the priority or rights of the Lender as established hereunder shall or might be delayed, defeated, impaired or diminished, and the undersigned shall not and shall not cause any other person to challenge, object to, compete with or impede in any manner any act taken or proceeding commenced by the Lender in connection with the enforcement by the Lender of any of the Senior Security or realization of any Obligor's personal property, assets, undertaking and collateral.
5. The undersigned shall not, without the Lender's prior written consent, which it may exercise in its sole and unfettered discretion, take any steps whatsoever to enforce any Subordinate Obligations or Subordinate Security (save and except, the Subordinate Lender may demand and accelerate the Subordinate Obligations, issue statutory notices and take enforcement steps in respect of the Port Perry Collateral), unless and until the obligations of the Obligors to the Lender have been indefeasibly paid and performed in full to the absolute and sole satisfaction of Lender.
6. The undersigned shall do all things and execute all documents which may be reasonably requested by the Lender to give effect to this Subordination, Postponement and Standstill Agreement.

This Subordination, Postponement and Standstill Agreement shall enure to the benefit of and be binding upon the undersigned, the Lender and their respective successors and assigns. This Subordination, Postponement and Standstill Agreement may not be assigned by the undersigned without the prior written consent of the Lender (which it may exercise in its sole and unfettered discretion).

The undersigned hereby authorizes Chaitons LLP to register the necessary financing statement(s) to record the subordination created herein.

GENERAL ASSIGNMENT OF RENTS

THIS ASSIGNMENT made this 24th day of December, 2021.

B E T W E E N:

EMBLEM CANNABIS CORPORATION

hereinafter called the "Assignor"

- and -

NE SPC II LP

hereinafter called the "Assignee"

FOR VALUE RECEIVED, the Assignor doth hereby assigns to the Assignee, all rights, privileges, advantages and benefits whatsoever, including all rental and other income, arising pursuant to leases and/or agreements to lease and/or tenancies (herein referred to as the "Leases") now or hereafter affecting the lands and premises more particularly described in the Notice of Assignment of Rents attached hereto.

This Assignment is given as additional security for the payment of the sum of TWO DOLLARS (\$2.00) and all other sums secured by a charge between the Assignor, as chargor, and the Assignee, as chargee, charging the premises of which those demised in the Leases form all or part and which charge is herein referred to as the "Charge". The registration particulars of the Charge are described in the Notice of Assignment of Rents – General attached hereto. The security of this Assignment is and shall be primary and on a parity with the real estate conveyed by the Charge and not secondary. All amounts collected hereunder, after deducting the expense of collection, shall be applied on account of the indebtedness secured by the Charge, or in such other manner as may be provided in the Charge. Nothing herein contained shall be construed as constituting the Assignee as trustee, mortgagee or chargee in possession.

The Assignor does hereby empower the Assignee, its agents or attorneys, to collect, sue for, settle, compromise and give acquittances for all of the rents that may become due under the Leases and avail itself of and pursue all remedies for the enforcement of the Leases and the Assignor's rights in and under the Leases as the Assignor might have pursued but for this Assignment.

The Assignor warrants that the Leases, if any exist, are in full force and effect, and that the copies thereof heretofore delivered to the Assignee are true and correct copies, that the Assignor has not heretofore assigned or pledged the same or any interest therein, and that, to the best of the Assignee's knowledge, no default exists on the part of the lessees thereunder (herein called "the Lessees") or the Assignor, as lessor, in the performance on the part of either, of the terms, covenants, provisions or agreements in the Leases contained; that no rent has been paid by any of the Lessees more than one month in advance (except for security deposits paid in accordance with the Leases), and that, the payment of none of the rents to accrue under the Leases has been or will be waived, released, reduced, discounted or otherwise discharged or compromised by the Assignor directly or indirectly by assuming any Lessee's obligations with respect to other premises.

The Assignor waives any rights of set-off against the Lessees.

The Assignor covenants and agrees:

- (a) that the Leases shall remain in full force and effect irrespective of any merger of the interest of the Lessor and Lessee thereunder; and that it will not transfer or convey the fee title to said premises to any of the Lessees without requiring such Lessees, in writing, to assume and agree to pay the debt secured by the Charge in accordance with the terms covenants and conditions contained in the Charge;
- (b) that if the Leases provided for the abatement of rent during the repair of the demised premises by reason of fire or other casualty, the Assignor shall furnish rental insurance to the Assignee, the policies to be in an amount and form and written by such insurance companies as shall be satisfactory to the Assignee;
- (c) not to terminate or to accept a surrender of any of the Leases without the written consent of the Assignee, such consent not to be unreasonably withheld, and that any attempted termination or acceptance of surrender of the Leases without such written consent shall be null and void;
- (d) not to modify or amend the Leases or any of the terms thereof, or grant any concessions in connection therewith, either orally or in writing, without the written consent of the Assignee, and that any attempted modification or amendments of the Leases or grant of concession in connection therewith without such written consent shall be null and void;

- (e) not to collect any of the rent, income and profits arising or accruing under the Leases in advance of the time when the same become due under the terms thereof;
- (f) not to discount any future accruing rents;
- (g) not to execute any other assignments of the Leases or any interest therein or any of the rents thereunder;
- (h) to perform all of the Assignor's covenants and agreements as lessor under the Leases and not to suffer or permit to occur any release of liability of the Lessees, or any rights to the Lessees to withhold payment of rent; and to give prompt notices to the Assignee of any notice of default on the part of the Assignor with respect to the Leases received from the Lessees, and to furnish the Assignee with complete copies of said notices;
- (i) that all offers to lease and Leases shall be bona fide, the terms of which are to be approved by the Assignee prior to execution, and shall be at rental rates and terms consistent with comparable space in the area of the lands and premises described herein;
- (j) that the Assignor will provide to the Assignee leasing activity reports in respect of the lands and premises herein forthwith on request by the Assignee;
- (k) if so requested by the Assignee, to enforce the Leases and all remedies available to the Assignor against the Lessees, in case of default under the Leases by the Lessees;
- (l) that none of the rights or remedies of the Assignee under the Charge shall be delayed or in any way prejudiced by this Assignment;
- (m) that notwithstanding any variation of the terms of the Charge or any extension of time for payment thereunder, the Leases and benefits hereby assigned shall continue as additional security in accordance with the terms hereof;
- (n) not to alter, modify or change the terms of any guarantees of any of the Leases or cancel or terminate such guarantees without the prior written consent of the Assignee, such consent not to be unreasonably withheld;
- (o) not to consent to any assignment of the Leases, or any subletting thereunder, whether or not in accordance with their terms, without the prior written consent of the Assignee, such consent not to be unreasonably withheld;
- (p) not to request, consent to, agree to or accept a subordination of the Leases to any mortgage or other encumbrance now or hereafter affecting the premises;
- (q) not to exercise any right of election, whether specifically set forth in any such Leases or otherwise which would in any way diminish the tenant's liability or have the effect of shortening the stated term of the Leases; and
- (r) to pay the costs, charges and expenses of and incidental to the taking, preparation and filing of this Assignment or any notice hereof which may be required and of every renewal related thereto.

Upon any vesting of title to the property secured under the Charge in the Assignee or other party by court order, operation of law, or otherwise or upon delivery of a deed or deeds pursuant to the Assignee's exercise of remedies under the Charge, all right, title and interest of the Assignor in and to the Leases shall by virtue of this Assignment, thereupon vest in and become the absolute property of the party vested with such title or the grantee or grantees in such deed or deeds without any further act or assignment by the Assignor. The Assignor hereby irrevocably appoints Assignee and its successors and assigns, as its agent and attorney in fact, to execute all instruments of assignment or further assurances in favour of such party vested with title or the grantee or grantees. This power is coupled with an interest and is irrevocable until this Assignment is discharged and the security interests created by this Assignment are released.

In the exercise of the powers herein granted to the Assignee, no liability shall be asserted or enforced against the Assignee, all such liability being hereby expressly waived and released by the Assignor. The Assignee shall not be obligated to perform or discharge any obligation, duty or liability under the Leases, or under or by reason of this Assignment and the Assignor shall and does hereby agree to indemnify the Assignee for, and to save and hold it harmless of and from, any and all liability, loss or damage which it may or might incur under the Leases or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases. Should the Assignee incur any such liability, loss or damage under the Leases or under or by reason of this Assignment, or in the defence of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorney's fees, shall be secured hereby, and the Assignor shall reimburse the Assignee therefore immediately upon demand.

Although it is the intention of the parties that this Assignment shall be a present assignment, it is

expressly understood and agreed, anything herein contained to the contrary notwithstanding that the Assignee shall not exercise any of the rights or powers herein conferred upon it until an Event of Default (as defined in the loan agreement dated as of December 24, 2021 (as amended, supplemented, restated or replaced from time to time, the "Loan Agreement") shall occur, but upon the occurrence of any such Event of Default, the Assignee shall be entitled, upon notice to the Lessees, to all rents and other amounts then due under the Leases and thereafter accruing, and this Assignment shall constitute a direction to and full authority to the Lessees to pay all such amounts to the Assignee without proof of the default relied upon. The Lessees are hereby irrevocably authorized to rely upon and comply with any notice or demand by the Assignee for the payment to the Assignee of any rental or other sums which may be or thereafter become due under the Leases regardless whether any default under the Charge has actually occurred or is then existing.

This Assignment is intended to be additional to and not in substitution for or in derogation of any assignment of rents contained in the Charge or in any other document. In the event of any conflict or inconsistency between the provisions of this Assignment and the provisions of the Loan Agreement then, notwithstanding anything contained in this Assignment, the provisions contained in the Loan Agreement shall prevail to the extent of such conflict or inconsistency and the provisions of this Assignment shall be deemed to be amended to the extent necessary to eliminate such conflict or inconsistency. If there is a representation, warranty, covenant, agreement or event of default contained in in this Assignment which is not contained in the Loan Agreement, or vice versa, such additional provision shall not constitute a conflict but shall be valid and enforceable in accordance with its terms.

This Assignment shall include any extensions and renewals of the Leases and any reference herein to the Leases shall be construed as including any such extensions and renewals.

If the Assignor comprises more than one person, all covenants and liabilities entered into, by or imposed upon the Assignor shall be joint and several. Each Assignor, if more than one, is responsible both individually and together with the other Assignor(s) for all obligations of the Assignor to the Assignee pursuant to this Assignment.

This Assignment shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

This Assignment shall be binding upon and enure to the benefit of the respective successors and assigns of the parties hereto. The words "Assignor", "Assignee" and "Lessees", wherever used herein, and designated as such and their respective heirs, administrators, successors and assigns, and all words and phrases shall be taken to include the singular or plural and masculine, feminine or neuter gender, as may fit the case.

This Assignment may be signed in counterparts and transmitted by electronic transmission. Each counterpart shall be deemed to be an original and all such separate counterparts shall together constitute one and the same instrument.

IN WITNESS WHEREOF the Assignor has executed this Assignment as of the date first written above.

The Assignor waives any rights of set-off against the Lessees.

The Assignor covenants and agrees:

- (a) that the Leases shall remain in full force and effect irrespective of any merger of the interest of the Lessor and Lessee thereunder; and that it will not transfer or convey the fee title to said premises to any of the Lessees without requiring such Lessees, in writing, to assume and agree to pay the debt secured by the Charge in accordance with the terms covenants and conditions contained in the Charge;
- (b) that if the Leases provided for the abatement of rent during the repair of the demised premises by reason of fire or other casualty, the Assignor shall furnish rental insurance to the Assignee, the policies to be in an amount and form and written by such insurance companies as shall be satisfactory to the Assignee;
- (c) not to terminate or to accept a surrender of any of the Leases without the written consent of the Assignee, such consent not to be unreasonably withheld, and that any attempted termination or acceptance of surrender of the Leases without such written consent shall be null and void;
- (d) not to modify or amend the Leases or any of the terms thereof, or grant any concessions in connection therewith, either orally or in writing, without the written consent of the Assignee, and that any attempted modification or amendments of the Leases or grant of concession in connection therewith without such written consent shall be null and void;

- (e) not to collect any of the rent, income and profits arising or accruing under the Leases in advance of the time when the same become due under the terms thereof;
- (f) not to discount any future accruing rents;
- (g) not to execute any other assignments of the Leases or any interest therein or any of the rents thereunder;
- (h) to perform all of the Assignor's covenants and agreements as lessor under the Leases and not to suffer or permit to occur any release of liability of the Lessees, or any rights to the Lessees to withhold payment of rent; and to give prompt notices to the Assignee of any notice of default on the part of the Assignor with respect to the Leases received from the Lessees, and to furnish the Assignee with complete copies of said notices;
- (i) that all offers to lease and Leases shall be bona fide, the terms of which are to be approved by the Assignee prior to execution, and shall be at rental rates and terms consistent with comparable space in the area of the lands and premises described herein;
- (j) that the Assignor will provide to the Assignee leasing activity reports in respect of the lands and premises herein forthwith on request by the Assignee;
- (k) if so requested by the Assignee, to enforce the Leases and all remedies available to the Assignor against the Lessees, in case of default under the Leases by the Lessees;
- (l) that none of the rights or remedies of the Assignee under the Charge shall be delayed or in any way prejudiced by this Assignment;
- (m) that notwithstanding any variation of the terms of the Charge or any extension of time for payment thereunder, the Leases and benefits hereby assigned shall continue as additional security in accordance with the terms hereof;
- (n) not to alter, modify or change the terms of any guarantees of any of the Leases or cancel or terminate such guarantees without the prior written consent of the Assignee, such consent not to be unreasonably withheld;
- (o) not to consent to any assignment of the Leases, or any subletting thereunder, whether or not in accordance with their terms, without the prior written consent of the Assignee, such consent not to be unreasonably withheld;
- (p) not to request, consent to, agree to or accept a subordination of the Leases to any mortgage or other encumbrance now or hereafter affecting the premises;
- (q) not to exercise any right of election, whether specifically set forth in any such Leases or otherwise which would in any way diminish the tenant's liability or have the effect of shortening the stated term of the Leases; and
- (r) to pay the costs, charges and expenses of and incidental to the taking, preparation and filing of this Assignment or any notice hereof which may be required and of every renewal related thereto.

Upon any vesting of title to the property secured under the Charge in the Assignee or other party by court order, operation of law, or otherwise or upon delivery of a deed or deeds pursuant to the Assignee's exercise of remedies under the Charge, all right, title and interest of the Assignor in and to the Leases shall by virtue of this Assignment, thereupon vest in and become the absolute property of the party vested with such title or the grantee or grantees in such deed or deeds without any further act or assignment by the Assignor. The Assignor hereby irrevocably appoints Assignee and its successors and assigns, as its agent and attorney in fact, to execute all instruments of assignment or further assurances in favour of such party vested with title or the grantee or grantees. This power is coupled with an interest and is irrevocable until this Assignment is discharged and the security interests created by this Assignment are released.

In the exercise of the powers herein granted to the Assignee, no liability shall be asserted or enforced against the Assignee, all such liability being hereby expressly waived and released by the Assignor. The Assignee shall not be obligated to perform or discharge any obligation, duty or liability under the Leases, or under or by reason of this Assignment and the Assignor shall and does hereby agree to indemnify the Assignee for, and to save and hold it harmless of and from, any and all liability, loss or damage which it may or might incur under the Leases or under or by reason of this Assignment and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in the Leases. Should the Assignee incur any such liability, loss or damage under the Leases or under or by reason of this Assignment, or in the defence of any such claims or demands, the amount thereof, including costs, expenses and reasonable attorney's fees, shall be secured hereby, and the Assignor shall reimburse the Assignee therefore immediately upon demand.

Although it is the intention of the parties that this Assignment shall be a present assignment, it is

expressly understood and agreed, anything herein contained to the contrary notwithstanding that the Assignee shall not exercise any of the rights or powers herein conferred upon it until an Event of Default (as defined in the loan agreement dated as of December 24, 2021 (as amended, supplemented, restated or replaced from time to time, the "Loan Agreement") shall occur, but upon the occurrence of any such Event of Default, the Assignee shall be entitled, upon notice to the Lessees, to all rents and other amounts then due under the Leases and thereafter accruing, and this Assignment shall constitute a direction to and full authority to the Lessees to pay all such amounts to the Assignee without proof of the default relied upon. The Lessees are hereby irrevocably authorized to rely upon and comply with any notice or demand by the Assignee for the payment to the Assignee of any rental or other sums which may be or thereafter become due under the Leases regardless whether any default under the Charge has actually occurred or is then existing.

This Assignment is intended to be additional to and not in substitution for or in derogation of any assignment of rents contained in the Charge or in any other document. In the event of any conflict or inconsistency between the provisions of this Assignment and the provisions of the Loan Agreement then, notwithstanding anything contained in this Assignment, the provisions contained in the Loan Agreement shall prevail to the extent of such conflict or inconsistency and the provisions of this Assignment shall be deemed to be amended to the extent necessary to eliminate such conflict or inconsistency. If there is a representation, warranty, covenant, agreement or event of default contained in in this Assignment which is not contained in the Loan Agreement, or vice versa, such additional provision shall not constitute a conflict but shall be valid and enforceable in accordance with its terms.

This Assignment shall include any extensions and renewals of the Leases and any reference herein to the Leases shall be construed as including any such extensions and renewals.

If the Assignor comprises more than one person, all covenants and liabilities entered into, by or imposed upon the Assignor shall be joint and several. Each Assignor, if more than one, is responsible both individually and together with the other Assignor(s) for all obligations of the Assignor to the Assignee pursuant to this Assignment.

This Assignment shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

This Assignment shall be binding upon and enure to the benefit of the respective successors and assigns of the parties hereto. The words "Assignor", "Assignee" and "Lessees", wherever used herein, and designated as such and their respective heirs, administrators, successors and assigns, and all words and phrases shall be taken to include the singular or plural and masculine, feminine or neuter gender, as may fit the case.

This Assignment may be signed in counterparts and transmitted by electronic transmission. Each counterpart shall be deemed to be an original and all such separate counterparts shall together constitute one and the same instrument.

IN WITNESS WHEREOF the Assignor has executed this Assignment as of the date first written above.

ASSIGNMENT OF INSURANCE MONIES

THIS AGREEMENT DATED as of the 24th day of December, 2021

For valuable consideration (the receipt and sufficiency of which are hereby acknowledged) Canabo Medical Corporation (the "**Corporation**") hereby assigns and transfers to NE SPC II LP (the "**Lender**") the interest of the Corporation as insured under the policy of insurance described in Schedule "A" annexed hereto (the "**Policy**"). The Policy shall stand as continuing collateral security for the payment of all present and future indebtedness, liabilities and obligations of every kind, nature and description (whether direct or indirect, joint or several, absolute or contingent, matured or not) of the Corporation to the Lender, under, in connection with or with respect to the loan agreement dated as of the date hereof among, *inter alia*, the Corporation and the Lender (as amended, restated or otherwise modified from time to time, the "**Loan Agreement**") and the other Loan Documents (as defined in the Loan Agreement) (collectively, the "**Secured Obligations**").

The Corporation further covenants and agrees as follows:

1. The insurer named in the Policy is hereby directed by the Corporation to pay all monies originally payable under the Policy to the Corporation (the "**Monies**") to the Lender in accordance with this assignment at c/o Next Edge Capital, 1 Toronto Street, Suite 200, Toronto, Ontario, M5C 2V6. The Lender is authorized to give its receipts therefor which shall be binding upon the Corporation.
2. The Lender may collect, realize and otherwise deal with the Monies without notice to the Corporation in accordance with the terms of the Loan Agreement. Any Monies received by the Corporation are received as trustee for the Lender and shall be forthwith paid over to the Lender.
3. Any Monies received by the Lender shall be applied against the Secured Obligations in accordance with the terms of the Loan Agreement without prejudice to its claims upon the Corporation for any deficiency.
4. The Lender may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the insurer named in the Policy, the Corporation and others and with the Monies and other securities as the Lender sees fit without prejudice to the liability to the Corporation or the Lender's right to hold or realize this security.
5. The Lender shall not be liable or accountable for any failure to collect any Monies. The Lender shall not be bound to institute proceedings for the purpose of collecting any Monies or for the purpose of preserving any rights of the Lender, the Corporation or any other person in respect thereof.
6. The Lender may charge on its own behalf, and also pay to others, reasonable sums for expenses incurred and for services rendered (expressly including legal fees and disbursements) in or in connection with collecting, realizing or obtaining payment of any Monies, and may add the amount of such sums to the Secured Obligations.
7. The Corporation shall deliver in writing to the Lender from time to time upon request by the Lender such information relating to the Policy as the Lender may require. The

Lender shall be entitled from time to time, in accordance with the terms of the Loan Agreement, to inspect any books, papers, documents or records evidencing or relating to the Policy and make copies thereof, and for such purpose the Lender shall have access to any and all premises containing such books, papers, documents and records occupied by the Corporation.

8. The Corporation shall, upon request by the Lender, do such acts and things and give such receipts, deeds, transfers, discharges or other instruments as may be necessary to enable the Lender to obtain payment of the Monies or any other amounts payable to the Lender hereunder.
9. The Corporation shall forthwith provide the Lender with an authenticated copy of the Policy recording the Lender as mortgagee or loss payee, the priority of the Lender's interest and its full address for service as set forth in paragraph 1 above, and containing a mortgage clause approved by the Insurance Bureau of Canada.
10. This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

THIS AGREEMENT DATED as of the 24 day of December, 2021

For valuable consideration (the receipt and sufficiency of which are hereby acknowledged) Aleafia Inc. (the "**Corporation**") hereby assigns and transfers to NE SPC II LP (the "**Lender**") the interest of the Corporation as insured under the policy of insurance described in Schedule "A" annexed hereto (the "**Policy**"). The Policy shall stand as continuing collateral security for the payment of any and all debts, liabilities and obligations (including interest thereon) present or future, direct or indirect, absolute or contingent, matured or not, extended or renewed, for which the Corporation is or may become liable to the Lender (such debts, liabilities and obligations being hereinafter collectively called the "**Secured Obligations**").

The Corporation further covenants and agrees as follows:

1. The insurer named in the Policy is hereby directed by the Corporation to pay all monies originally payable under the Policy to the Corporation (the "**Monies**") to the Lender in accordance with this assignment at c/o Next Edge Capital, 1 Toronto Street, Suite 200, Toronto, Ontario, M5C 2V6. The Lender is authorized to give its receipts therefor which shall be binding upon the Corporation.
2. The Lender may collect, realize and otherwise deal with the Monies without notice to the Corporation in accordance with the terms of the Loan Agreement. Any Monies received by the Corporation are received as trustee for the Lender and shall be forthwith paid over to the Lender.
3. Any Monies received by the Lender shall be applied against the Secured Obligations in accordance with the terms of the Loan Agreement without prejudice to its claims upon the Corporation for any deficiency.
4. The Lender may grant extensions of time and other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the insurer named in the Policy, the Corporation and others and with the Monies and other securities as the Lender sees fit without prejudice to the liability to the Corporation or the Lender's right to hold or realize this security.
5. The Lender shall not be liable or accountable for any failure to collect any Monies. The Lender shall not be bound to institute proceedings for the purpose of collecting any Monies or for the purpose of preserving any rights of the Lender, the Corporation or any other person in respect thereof.
6. The Lender may charge on its own behalf, and also pay to others, reasonable sums for expenses incurred and for services rendered (expressly including legal fees and disbursements) in or in connection with collecting, realizing or obtaining payment of any Monies, and may add the amount of such sums to the Secured Obligations.
7. The Corporation shall deliver in writing to the Lender from time to time upon request by the Lender such information relating to the Policy as the Lender may require. The Lender shall be entitled from time to time, in accordance with the terms of the Loan Agreement, to inspect any books, papers, documents or records evidencing or relating to the Policy and make copies thereof, and for such purpose the Lender shall have

access to any and all premises containing such books, papers, documents and records occupied by the Corporation.

8. The Corporation shall, upon request by the Lender, do such acts and things and give such receipts, deeds, transfers, discharges or other instruments as may be necessary to enable the Lender to obtain payment of the Monies or any other amounts payable to the Lender hereunder.
9. The Corporation shall forthwith provide the Lender with an authenticated copy of the Policy recording the Lender as mortgagee or loss payee, the priority of the Lender's interest and its full address for service as set forth in paragraph 1 above, and containing a mortgage clause approved by the Insurance Bureau of Canada.
10. This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein.

The Bank hereby further agrees to change the Company's access to the Blocked Accounts to "read-only" and the Company hereby consents to same. The Bank shall have no liability to the Company for any claims that may arise as a result of providing the Secured Party with such access. The transfers of amounts from the Blocked Accounts shall be effected in accordance with the Bank's usual banking practices provided however, that if such amounts are in any currency other than Canadian Dollars, such amounts will be converted at the then applicable exchange rate applied by the Bank into Canadian Dollars.

Section 3.3 Payment Not Realization

The Company and Secured Party acknowledge and agree that:

- (a) the actions and proceedings contemplated by this Article 3 are instrumental to the operation of the cash management system that is required by the Loan Agreement; and
- (b) any action or proceeding pursuant to this Article 3 shall not be considered as a realization on, or enforcement of, security or a demand for payment under the Loan Agreement but rather, among other things, a standing irrevocable direction by the Company and the Secured Party to the Bank to transfer on the direction of the Secured Party all credit balances in the Blocked Accounts and otherwise operate the Blocked Accounts as set forth in this Article 3.

The Bank shall also provide to the Secured Party, at the Company's expense, such other information compiled by the Bank with respect to the activity, on a daily, weekly or monthly basis, in or with respect to each Blocked Account as the Secured Party may reasonably request in writing from time to time. If any of the fees and expenses are not paid by the Company when due, the Bank shall be entitled to automatically debit, by mechanical, electronic or manual means, any of the Blocked Accounts for such fees and expenses.

Section 5.3 Chargebacks

Notwithstanding Section 5.1, the Bank shall be entitled to automatically debit, by mechanical, electronic or manual means, any one or more of the Blocked Accounts at any time and from time to time solely for:

- (a) the amount of any Cheque deposited in a Blocked Account after the date hereof which is subsequently returned to the Bank for any reason whatsoever; and

((a) and (b) collectively, "**Chargebacks**"),

and provided, the Bank has transferred funds on deposit in a Blocked Account at the direction of the Secured Party in respect of which the Bank is entitled to a Chargeback and the funds in the Blocked Accounts are insufficient to cover the amount of the relevant Chargeback, the Company shall pay the Bank the amount of the Chargeback not recoverable from the Blocked Accounts, within three (3) Business Days of demand by the Bank. If the Company fails to pay such amount within three (3) Business Days of demand by the Bank, the Secured Party shall promptly pay to the Bank the amount of the Chargeback not recoverable from the Blocked Accounts upon written notification from the Bank, provided (i) the Secured Party's aggregate reimbursement obligations under this Section 5.3 will be limited to the aggregate amount transferred from the Blocked Accounts at the direction of the Secured Party and (ii) the Bank has provided such written notice within ninety-five (95) days after the date attributable to such Chargebacks. The Company agrees to pay, indemnify and hold harmless the Secured Party from and against any and all loss, liability, cost, claim and expense incurred by it with respect to the performance of this Agreement by the Secured Party or any of the Secured Party's directors, officers or employees.

ARTICLE 6 GENERAL PROVISIONS

Section 6.1 Adverse Claims

In the event that the Bank shall receive a court order or other statutory legal claim against any of the Blocked Accounts or any sums on deposit therein, whether such claim shall have arisen by tax lien, execution of judgment, statutory attachment, garnishment, levy, claim of a trustee in bankruptcy, debtor-in-possession, court appointed receiver, or other judicial or regulatory order or process (each, a "**Claim**"), the Bank may, in addition to other remedies it possesses under this Agreement or at law or in equity: (a) suspend disbursements from the Blocked Accounts without any liability until the Bank shall have received an appropriate court order or other assurances reasonably acceptable to the Bank establishing that funds may continue to be disbursed according to instructions then applicable to the Blocked Accounts, and/or (b) interplead the funds in the Blocked Accounts in respect of the subject matter of any such Claim into court. The Bank's costs, expenses and reasonable legal fees incurred in connection with any such Claim shall be reimbursed to the Bank by the Company. Upon request, the Bank shall provide a copy of any such court order or other statutory legal claim to the Company and the Secured Party.

If a bankruptcy or insolvency proceeding were commenced by or against the Company, the Bank shall be entitled, without any liability, to refuse to (a) permit withdrawals or transfers from the Blocked Accounts or (b) accept or comply with the notice thereafter received by the Bank, until

the Bank shall have received an appropriate court order or other assurances reasonably acceptable to the Bank establishing that (i) continued withdrawals or transfers from the Blocked Accounts or honoring or following any instruction from the Secured Party are authorized and shall not violate any law, regulation, or order of any court and (ii) the Bank shall have received adequate protection for its right to set off against or charge the Blocked Accounts or otherwise be reimbursed for fees and expenses and Chargebacks.

Section 6.2 Power of Attorney

The Company constitutes and irrevocably appoints the Secured Party its true and lawful attorney, with full power of substitution, without limitation, to demand, collect, receive and sue for all amounts which may become due or payable in respect of any Blocked Account and execute all withdrawal receipts or other orders for the Company, in its own name or in the Company's name or otherwise, which the Secured Party deems necessary or appropriate to protect and preserve its right, title and interest in any Blocked Account and, otherwise, to carry out the provisions and purposes of this Agreement.

Section 6.3 Limitation of the Bank's Liability

The Bank undertakes to perform only such duties as are expressly set forth in this Agreement and to deal with the Blocked Accounts with the degree of skill and care that the Bank accords to all accounts and funds maintained and held by it on behalf of its customers. Notwithstanding any other provision of this Agreement, it is agreed by the parties hereto that the Bank shall not be liable for any action taken by it or any of its directors, officers or employees in accordance with this Agreement except for its or their own violation of law, gross negligence or wilful misconduct. In no event shall the Bank be liable for losses or delays resulting from computer malfunctions or interruption of communication facilities which are beyond the Bank's control or from other causes which are beyond the Bank's control or from force majeure or for indirect, special or consequential damages. With respect to any instructions given or requests made by the Secured Party in connection with this Agreement, in no event shall the Bank be liable for any failure to comply with or satisfy the same if compliance with or satisfaction of the same would have resulted in or may potentially result in the Bank contravening or failing to comply with any standard or customary banking practice in the industry or any of the Bank's usual banking practices, or any law, regulation, order, rule (including, without limitation, any of the CPA Rules), or other matter or thing whatsoever having the force of law. The Bank may be unable to reverse, unwind, retract, abandon or otherwise cancel any instructions or actions or processes undertaken in respect of instructions given to the Bank in accordance with this Agreement once such instructions have been given to the Bank. In such circumstances, the Company and the Secured Party both acknowledge and agree that the Bank shall have no liability to either of them for any inability or failure, or for any resulting damages suffered thereto, to comply with a request to cancel or revoke an instruction previously given to the Bank by either the Company or the Secured Party.

Section 6.4 Collection of Accounts

Notwithstanding anything in this Agreement to the contrary, the Company shall remain liable under each Receivable to observe and perform all the conditions and obligations to be observed and performed by it thereunder, all in accordance with the terms of any agreement giving rise to each such Receivable. None of the Secured Party or the Bank shall have any obligation or

liability under any Receivable (or any agreement giving rise thereto) by reason of or arising out of any of this Agreement or any other agreement or the receipt by the Secured Party or the Bank of any payment relating to such Receivable nor shall the Secured Party or the Bank be obligated in any manner to perform any of the obligations of the Company under or pursuant to any Receivable (or any agreement giving rise thereto), to make any payment (except as set out in the Loan Agreement), to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party under any Receivable (or any agreement giving rise thereto) to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts which may have been hypothecated to it, or in which a security interest may have been created in its favour, or to which it may be entitled at any time or times.

Section 6.5 Termination

- (a) Unless terminated in accordance with the terms of this Section 6.5, this Agreement shall remain in full force and effect and be binding in accordance with and to the extent of its terms until the obligations of the Company to the Secured Party under the Loan Agreement have been paid and performed in full and the Secured Party has no further obligation to make any further advances to the Company under the Loan Agreement.
- (b) The Secured Party may terminate this Agreement at any time upon thirty (30) days' prior written notice to the Bank and the Company.
- (c) The Bank may terminate this Agreement upon providing fifteen (15) days' prior written notice to the Secured Party and the Company, provided that such termination shall not be effective until the earlier of (a) such time as the Secured Party provides written confirmation to the Bank that the Company and the Secured Party have entered into a blocked account agreement in substantially the form of this Agreement, or in such form as may be acceptable to the Secured Party and the Company, with a replacement bank satisfactory to the Company and the Secured Party, or (b) the end of such fifteen (15) day period. In the event of termination of this Agreement pursuant to this Section 6.5(c), the Bank shall close the Blocked Accounts concurrently with the termination of this Agreement, and the Company hereby irrevocably instructs the Bank to transfer all amounts in the Blocked Accounts to such persons and in such amounts as the Secured Party may direct, and this shall be the Bank's sole and sufficient authority for so doing.
- (d) The obligations set forth in Section 5.3, Section 5.4 and Section 6.5 shall survive termination of this Agreement.

(9) *Compliance with Material Contracts.* The Borrower shall, and shall cause each other Credit Party to, comply with each Material Contract except where the failure to do so, individually or in the aggregate, would not result in a Material Adverse Effect.

All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

8.2 Waivers; Amendments.

(1) *Waiver.* No failure or delay by the Lender in exercising any right or power hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Lender hereunder are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by the Borrower therefrom shall in any event be effective unless the same shall be permitted by Section 8.2(2), and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of the Loan shall not be construed as a waiver of any Default, regardless of whether the Lender may have had notice or knowledge of such Default at the time.

(2) *Amendments.* Neither this Agreement nor any other Loan Document (or any provision hereof or thereof) may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Lender.

8.3 Expenses; Indemnity; Damage Waiver.

(1) *Expenses.* The Borrower shall pay (a) all reasonable out-of-pocket expenses incurred by the Lender, including the reasonable fees, charges and disbursements of counsel for the Lender and all

applicable taxes, in connection with the preparation and administration of this Agreement and the other Loan Documents (provided, however, that such out-of-pocket expenses in respect of the preparation of this Agreement and the other Loan Documents shall not exceed **[Redacted – Competitively Sensitive and Prejudicial Information]** without the Borrower's prior written consent), (b) all reasonable out-of-pocket expenses incurred by the Lender and all applicable taxes, including the reasonable fees, charges and disbursements of counsel for the Lender, in connection with any amendments, modifications or waivers of the provisions hereof or of any of the other Loan Documents (whether or not the transactions contemplated hereby or thereby shall be consummated), and (c) all out-of-pocket expenses incurred by the Lender, including the fees, charges and disbursements of any counsel for the Lender and all applicable taxes, in connection with the assessment, enforcement or protection of its rights in connection with this Agreement, including its rights under Section 8.3, or in connection with the Loan made hereunder.

(2) *Indemnity.* The Borrower shall indemnify the Lender, as well as each Related Party (each such Person being called an "**Indemnitee**") against, and hold each Indemnitee harmless from, any and all losses, claims, cost recovery actions, damages, expenses and liabilities of whatsoever nature or kind and all reasonable out-of-pocket expenses (including reasonable fees, charges and, subject to the **[Redacted – Competitively Sensitive and Prejudicial Information]** limitation in respect of the preparation of this Agreement and the other Loan Documents referred to in Section 8.3(1)(a), disbursements of counsel) and all applicable taxes, to which any Indemnitee may become subject arising out of or in connection with (a) the execution or delivery of the Loan Documents or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder, and the consummation of the Transactions or any other transactions thereunder, (b) the Loan or any actual or proposed use of the proceeds therefrom, (c) any actual or alleged presence or Release of Hazardous Materials on or from any Secured Facility (including arising out of or in connection with any action of, or failure to act by, any Credit Party in contravention of any Environmental Laws), (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory and regardless of whether any Indemnitee is a party thereto, (e) any other aspect of this Agreement and the other Loan Documents, or (f) the enforcement of any Indemnitee's rights hereunder and any related assessment, investigation, defence, preparation of defence, litigation and enquiries; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence (it being acknowledged that ordinary negligence does not necessarily constitute gross negligence) or wilful misconduct of or material breach of this Agreement by such Indemnitee.

(3) *Payment of Expenses and Indemnity.* All amounts due under Section 8.3 shall be payable not later than five Business Days after written demand therefor.

8.4 Successors and Assigns.

(1) *Successors and Assigns.* The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower shall not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of the Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(2) *Assignment by Lender.* The Lender may assign to one or more assignees all, but not less than all, of its rights and obligations under this Agreement and the other Loan Documents (including all, but not less than all, its Commitment and the Loan at the time owing to it) provided that the Borrower must give its prior written consent to such assignment.

8.5 Counterparts.

This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which taken together shall be deemed to constitute one and the same instrument. Counterparts may be executed either in original or other electronic form and the parties adopt any signatures received via e-mail as original signatures of the parties; provided, however, that any party providing its signature in such manner shall promptly forward to the other parties an original of the signed copy of this Agreement which was so e-mailed.

8.6 Entire Agreement.

This Agreement (together with the other Loan Documents) constitutes the entire agreement between the parties pertaining to the subject matter of this Agreement and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written. There are no conditions, warranties, representations or other agreements between the parties in connection with the subject matter of this Agreement (whether oral or written, express or implied, statutory or otherwise) except as specifically set out in this Agreement or in such other applicable agreements.

8.7 Severability.

Any provision of this Agreement which is prohibited or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such prohibition or unenforceability and shall be severed from the balance of this Agreement, all without affecting the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction.

8.8 Governing Law.

This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable in that Province and shall be treated, in all respects, as an Ontario contract.

8.9 Attornment.

Each party hereto agrees (i) that any action or proceeding relating to this Agreement may (but need not) be brought in any court of competent jurisdiction in the Province of Ontario, and for that purpose now irrevocably and unconditionally attorns and submits to the jurisdiction of such Ontario court; (ii) that it irrevocably waives any right to, and shall not, oppose any such Ontario action or proceeding on any jurisdictional basis, including forum non conveniens; and (iii) not to oppose the enforcement against it in any other jurisdiction of any judgment or order duly obtained from an Ontario court as contemplated by this Section 8.9.

8.10 WAIVER OF JURY TRIAL.

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT, ANY OTHER LOAN DOCUMENT, OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (a) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (b) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 8.10.

8.11 Confidentiality; Press Releases and Public Announcements.

The Lender shall maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to the Lender's directors, officers, employees, agents and advisors, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any rating agency, credit bureau, regulatory authority or other Governmental Authority, (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) in connection with the exercise of any remedies under any Loan Document or any suit, action or proceeding relating to any Loan Document or the enforcement of rights thereunder, (e) subject to an agreement containing provisions substantially the same as those of this Section 8.11, to any actual or prospective assignee of any of its rights or obligations under this Agreement, (f) to its auditors in connection with any audit, (g) with the consent of the Borrower, or (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section 8.11, or (ii) becomes available to the Lender on a non-confidential basis from a source other than the Borrower. For the purposes of this Section 8.11, "Information" means all information received from any Credit Party relating to any Credit Party, any of their subsidiaries or Affiliates, or their respective business, other than any such information that is available to the Lender on a non-confidential basis prior to disclosure by such Credit Party; provided that, in the case of information received from a Credit Party after the date hereof, such information is clearly identified as confidential in writing at the time of delivery. Any Person required to maintain the confidentiality of Information as provided in this Section 8.11 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information. Notwithstanding the foregoing, the Borrower agrees that it will not issue any press release or make any other kind of public announcement, or consent to the issuance of any press release or the making of any other kind of public announcement, regarding this Agreement and the terms contained herein unless the text of any such release or announcement, and the time and manner in which such release or announcement is made, has been consented to by the Lender (such consent not to be unreasonably withheld or delayed), except to the extent required by applicable Law (in which case the Borrower shall make all commercially reasonable efforts to provide advance notice of such release or announcement to the Lender and consult with the Lender as to the content thereof).

8.12 Material Non-Public Information.

THE LENDER ACKNOWLEDGES THAT INFORMATION (AS DEFINED IN SECTION 8.11) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING THE BORROWER, ITS AFFILIATES AND THEIR RESPECTIVE RELATED PARTIES OR THEIR RESPECTIVE SECURITIES, AND CONFIRMS THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH APPLICABLE LAW, INCLUDING APPLICABLE SECURITIES LAWS.

8.13 Representations, Warranties and Covenants of the Lender.

The Lender hereby represents, warrants and covenants to the Borrower as follows:

- (a) the Lender, together with its Affiliates, does not, within the meaning of Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions*, have beneficial ownership of, or control or direction over, directly or indirectly, or a combination of beneficial ownership of, and control or direction over, directly or indirectly, securities of the Borrower carrying more than 10% of the voting rights attached to all of the Borrower's outstanding voting securities;
- (b) the Lender, its Affiliates and their respective Related Parties have not purchased or sold any Equity Securities of the Borrower since the date (being August 9, 2021) it received

any confidential information relating to the Borrower, its Affiliates or their respective Related Parties;

- (c) the Lender shall not, and shall not permit any of its Affiliates or their respective Related Parties to, purchase or sell any Equity Securities of the Borrower prior to the Closing Date;
- (d) the Lender has executed and delivered to the Borrower the certificate set forth in Exhibit C hereto indicating that the Lender fits within one of the “accredited investor” categories under applicable Canadian securities laws; and
- (e) the Lender was not created or used solely to purchase or hold securities as an accredited investor as described in paragraph (m) of the definition of “accredited investor” provided in Exhibit C hereto.

The Lender acknowledges that the Warrants evidenced by the Warrant Certificate will be subject to the statutory hold periods prescribed in accordance with applicable Canadian securities laws.

8.14 No Strict Construction.

The parties hereto have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favouring or disfavouring any party by virtue of the authorship of any provisions of this Agreement.

8.15 Paramountcy.

In the event of any inconsistency between the provisions of this Agreement and the provisions of any other Loan Document, the provisions of this Agreement shall prevail.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement as of the date first above written.

3	250,000 Warrant Shares	May 20, 2022
4	250,000 Warrant Shares	August 20, 2022

2. **Repayment of Loan.** Notwithstanding anything to the contrary herein, in the event any portion of the outstanding principal amount of the Loan (as defined in the credit agreement dated as of August 20, 2021 between the Corporation and the Holder (the “**Credit Agreement**”)) is repaid prior to the Expiry Date in accordance with the provisions of the Credit Agreement, the number of Warrant Shares in respect of each Tranche of unvested Warrants shall be automatically adjusted and be equal to (A) the number of Warrant Shares for each Tranche as set forth in Section 1 (as adjusted from time to time pursuant to the terms of this Warrant, other than adjustments made pursuant to this Section 2), multiplied by (B) a fraction (x) the numerator of which is the outstanding principal amount of the Loan as of such time, and (y) the denominator of which is 10,000,000. In the event that the outstanding balance of the Loan is repaid in full prior to the Expiry Date, all unvested Warrants shall be automatically terminated as of the date of the repayment in full of the Loan. For greater certainty, the number of vested Warrants and Warrant Shares deliverable upon the exercise of such vested Warrants, respectively, if any, shall not be subject to adjustment pursuant to this Section 2.

3. **Partial Exercise.** In the event that the Holder subscribes for and purchases less than the total number of Warrant Shares entitled to be subscribed for and purchased hereunder in respect of a Tranche of Warrants, the outstanding number of Warrant Shares purchasable hereunder in respect of such Tranche shall be lowered by an amount equal to the applicable number of Warrant Shares purchased by and issued to the Holder. **The Holder acknowledges and agrees that, by acceptance of this Warrant certificate, following the purchase of a portion of the Warrant Shares purchasable hereunder in respect of one or more Tranches of Warrants, the number of Warrant Shares purchasable hereunder at any given time may be less than the amount set forth in Section 1.**

4. **Delivery of Warrant Shares.** Within three business days of receipt of a subscription form duly completed and executed in the form attached as Schedule “A” hereto and a wire transfer, in immediately available funds, payable to or to the order of the Corporation, the Corporation shall deliver or cause to be delivered to the Holder certificates representing the Warrant Shares subscribed for and purchased by the Holder hereunder. The Holder shall not be required to physically surrender this Warrant certificate to the Corporation until the Holder has purchased all of the Warrant Shares purchasable pursuant to the Warrants evidenced hereby, in which case, the Holder shall surrender this Warrant certificate to the Corporation for cancellation at the same time that the final subscription form is delivered to the Corporation.

5. **No Rights of Shareholders.** Nothing contained in this Warrant certificate (or in the Warrants evidenced hereby) shall be construed as conferring upon the Holder any right or interest whatsoever as a holder of Shares or any other right or interest except as herein expressly provided.

6. **Adjustment of Subscription and Purchase Rights.** From and after the date hereof, the Exercise Price and the number of Warrant Shares deliverable upon the exercise of the Warrants will be subject to adjustment in the events and in the following manner:

- (a) In case of any reclassification of the Shares or change of the Shares into other shares, or in case of the consolidation, arrangement, merger, reorganization or amalgamation of the Corporation with or into any other corporation or entity which results in any reclassification of the Shares or a change of the Shares into other shares, or in case of any transfer of the undertaking or assets of the Corporation as an entirety or substantially as an entirety to another person (any such event

being hereinafter referred to as a “**Reclassification of Shares**”), at any time prior to the Expiry Date, the Holder shall, after the effective date of such Reclassification of Shares and upon exercise of the right to purchase Warrant Shares hereunder, be entitled to receive, and shall accept, in lieu of the number of Warrant Shares to which the Holder was theretofore entitled upon such exercise, the kind and amount of shares and other securities or property which the Holder would have been entitled to receive as a result of such Reclassification of Shares if, on the effective date thereof, the Holder had been the registered holder of the number of Shares to which the Holder was theretofore entitled upon such exercise. If necessary, appropriate adjustments shall be made in the application of the provisions set forth in this Section 6 with respect to the rights and interests thereafter of the Holder of this Warrant certificate to the end that the provisions set forth in this Section 6 shall thereafter correspondingly be made applicable as nearly as may be reasonable in relation to any shares or other securities or property thereafter deliverable upon the exercise of the Warrants evidenced hereby.

- (b) If and whenever at any time prior to the Expiry Date the Corporation shall:
- (i) subdivide the Shares into a greater number of shares;
 - (ii) consolidate the Shares into a lesser number of shares; or
 - (iii) fix a record date for the issue of, or distribution to, or issue Shares, Participating Shares or Convertible Securities (as such terms are defined in Section 14) to all or substantially all of the holders of Shares by way of a stock dividend or other distribution on the Shares payable in Shares, Participating Shares or Convertible Securities,

(any such event being hereinafter referred to as “**Capital Reorganization**”) and any such event results in an adjustment in the Exercise Price pursuant to paragraph (c), the number of Warrant Shares purchasable pursuant to the Warrants evidenced hereby shall be adjusted contemporaneously with the adjustment of the Exercise Price by multiplying the number of Warrant Shares theretofore purchasable on the exercise thereof by a fraction the numerator of which shall be the Exercise Price in effect immediately prior to such adjustment and the denominator of which shall be the Exercise Price resulting from such adjustment.

- (c) If and whenever at any time prior to the Expiry Date, the Corporation shall engage in a Capital Reorganization, the Exercise Price shall, on the effective date, in the case of a subdivision or consolidation, or on the record date, in the case of a stock dividend, be adjusted by multiplying the Exercise Price in effect on such effective date or record date by a fraction: (A) the numerator of which shall be the number of Shares and Participating Shares outstanding before giving effect to such Capital Reorganization; and (B) the denominator of which is the number of Shares and Participating Shares outstanding after giving effect to such Capital Reorganization. The number of Shares and Participating Shares outstanding shall include the deemed conversion into or exchange for Shares or Participating Shares of any Convertible Securities distributed by way of stock dividend or other such

distribution. Such adjustment shall be made successively whenever any event referred to in this paragraph shall occur.

- (d) Any issue of Shares, Participating Shares or Convertible Securities by way of a stock dividend or other such distribution shall be deemed to have been made on the record date thereof for the purpose of calculating the number of outstanding Shares under paragraphs (e) and (f).
- (e) If and whenever at any time prior to the Expiry Date, the Corporation shall fix a record date for the issuance or distribution of rights, options or warrants to all or substantially all the holders of Shares entitling them, for a period expiring not more than 45 days after such record date, to subscribe for or purchase Shares, Participating Shares or Convertible Securities at a price per share (or having a conversion or exchange price per share) of less than 95% of the Current Market Price (as defined herein) of the Shares on such record date (any such event being hereinafter referred to as a “**Rights Offering**”), the Exercise Price shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Exercise Price in effect on such record date by a fraction:
 - (i) the numerator of which shall be the aggregate of: (A) the number of Shares outstanding on such record date; and (B) a number determined by dividing whichever of the following is applicable by the Current Market Price of the Shares on the record date: (1) the amount obtained by multiplying the number of Shares or Participating Shares which the Holders of Shares are entitled to subscribe for or purchase by the subscription or purchase price; or (2) the amount obtained by multiplying the maximum number of Shares or Participating Shares which the holders of Shares are entitled to receive on the conversion or exchange of the Convertible Securities by the conversion or exchange price per share; and
 - (ii) the denominator of which shall be the aggregate of: (A) the number of Shares outstanding on such record date; and (B) whichever of the following is applicable: (1) the number of Shares or Participating Shares which the holders of Shares are entitled to subscribe for or purchase; or (2) the maximum number of Shares or Participating Shares which the holders of Shares are entitled to receive on the conversion or exchange of the Convertible Securities,

and if any such event results in an adjustment in the Exercise Price, the number of Warrant Shares purchasable pursuant to the Warrants evidenced hereby shall be adjusted contemporaneously with the adjustment of the Exercise Price by multiplying the number of Warrant Shares theretofore purchasable on the exercise thereof by a fraction the numerator of which shall be the Exercise Price in effect immediately prior to such adjustment and the denominator of which shall be the Exercise Price resulting from such adjustment.

Any Shares owned by or held for the account of the Corporation shall be deemed not to be outstanding for the purpose of any such computation. Such adjustment shall be made successively whenever such a record date is fixed.

To the extent that such Rights Offering is not so made or any such rights, options or warrants are not exercised prior to the expiration thereof, the Exercise Price and the number of Warrant Shares purchasable pursuant to the Warrants evidenced hereby shall then be readjusted to the Exercise Price and number of Warrant Shares which would then be in effect if such record date had not been fixed or if such expired rights, options or warrants had not been issued.

- (f) If and whenever at any time prior to the Expiry Date, the Corporation shall fix a record date for the issue or distribution to all or substantially all the holders of Shares of:
- (i) shares of any class, whether of the Corporation or any other corporation;
 - (ii) rights, options or warrants;
 - (iii) evidences of indebtedness; or
 - (iv) other assets or property;

and if such issue or distribution does not constitute a Capital Reorganization or a Rights Offering or does not consist of rights, options or warrants entitling the holders of Shares to subscribe for or purchase Shares, Participating Shares or Convertible Securities for a period expiring not more than 45 days after such record date and at a price per share (or having a conversion or exchange price per share) of at least 95% of the Current Market Price of the Shares on such record date (any such non-excluded event being hereinafter referred to as a “**Special Distribution**”) the Exercise Price shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Exercise Price in effect on such record date by a fraction: (I) the numerator of which shall be the amount by which (A) the amount obtained by multiplying the number of Shares outstanding on such record date by the Current Market Price of the Shares on such record date, exceeds (B) the fair market value (as determined by the directors of the Corporation, which determination shall be conclusive) to the holders of such Shares of such Special Distribution; and (II) the denominator of which shall be the total number of Shares outstanding on such record date multiplied by such Current Market Price, and if any such event results in an adjustment in the Exercise Price, the number of Shares purchasable pursuant to the Warrants evidenced hereby shall be adjusted contemporaneously with the adjustment of the Exercise Price by multiplying the number of Shares theretofore purchasable on the exercise thereof by a fraction the numerator of which shall be the Exercise Price in effect immediately prior to such adjustment and the denominator of which shall be the Exercise Price resulting from such adjustment.

Any Shares owned by or held for the account of the Corporation shall be deemed not to be outstanding for the purpose of any such computation. Such adjustment shall be made successively whenever such a record date is fixed.

To the extent that such Special Distribution is not so made or any such rights, options or warrants are not exercised prior to the expiration thereof, the Exercise Price and the number of Warrant Shares purchasable pursuant to the Warrants

evidenced hereby shall then be readjusted to the Exercise Price and number of Warrant Shares which would then be in effect if such record date had not been fixed or if such expired rights, options or warrants had not been issued.

- (g) No adjustment in the Exercise Price will be made pursuant to this Section 6 in respect of the issue from time to time of Shares issuable from time to time as dividends paid in the ordinary course to holders of Shares who exercise an option or election to receive substantially equivalent dividends in Shares in lieu of receiving a cash dividend, and any such issue will be deemed not to be a Share reorganization.
- (h) In any case in which this Section 6 shall require that an adjustment shall become effective immediately after a record date for an event referred to herein, the Corporation may defer, until the occurrence of such event, issuing to the Holder, upon the exercise of the Warrants evidenced hereby after such record date and before the occurrence of such event, the additional Warrant Shares issuable upon such exercise by reason of the adjustment required by such event; provided, however, that the Corporation shall deliver to the Holder an appropriate instrument evidencing the Holder's right to receive such additional Warrant Shares upon the occurrence of the event requiring such adjustment and the right to receive any distributions made on such additional Warrant Shares on and after such exercise.
- (i) The adjustments provided for in this Section 6 are cumulative, shall, in the case of adjustments to the Exercise Price, be computed to the nearest one-tenth of one cent and shall apply (without duplication) to successive Reclassifications of Shares, Capital Reorganizations, Rights Offerings and Special Distributions; provided that, notwithstanding any other provision of this Section 6, no adjustment of the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least 1% of the Exercise Price then in effect (except upon a consolidation of the outstanding Shares) (provided, however, that any adjustments which by reason of this paragraph are not required to be made shall be carried forward and taken into account in any subsequent adjustment).
- (j) No adjustment in the number of Warrant Shares which may be purchased upon exercise of the Warrants evidenced hereby or in the Exercise Price shall be made pursuant to this Warrant certificate if the Holder is entitled to participate in such event on the same terms mutatis mutandis as if the Holder had exercised the Warrants evidenced hereby for Warrant Shares prior to the effective date or record date of such event.
- (k) If at any time prior to the Expiry Date the Corporation will take any action affecting the Shares, other than an action or an event described above in this Section 6, which in the opinion of the directors would have a material adverse effect upon the rights of the Holder under this Warrant certificate, the Exercise Price and/or the number of Warrant Shares purchasable under this Warrant certificate will be adjusted in such manner and at such time as the directors may determine to be equitable in the circumstances.
- (l) In the event of any question arising with respect to the adjustments provided in this Section 6, such question shall conclusively be determined by an independent firm

of chartered accountants other than the auditors of the Corporation, which independent firm of chartered accountants shall have access to all necessary records of the Corporation and such determination, absent manifest error, shall be binding upon the Corporation and the Holder.

- (m) As a condition precedent to the taking of any action which would require an adjustment in the subscription rights pursuant to the Warrants, including the Exercise Price and the number of such classes of shares or other securities or property which are to be received upon the exercise thereof, the Corporation shall take all corporate action which may, in the opinion of counsel, be necessary in order that the Corporation has reserved and there will remain unissued out of its authorized capital a sufficient number of Shares for issuance upon the exercise of the Warrants evidenced hereby, and that the Corporation may validly and legally issue as fully paid and non-assessable of all the shares of such classes or other securities or may validly and legally distribute the property which the Holder is entitled to receive on the full exercise thereof in accordance with the provisions hereof.
- (n) At least 21 days prior to the effective date or record date, as the case may be, of any event which requires an adjustment in the subscription rights pursuant to this Warrant certificate, including the Exercise Price and the number and classes of shares or other securities or property which are to be received upon the exercise thereof, the Corporation shall give notice to the Holder of the particulars of such event and the required adjustment. If it is not reasonably practicable for the Corporation to give 21 days' notice as aforesaid, the Corporation will give as much notice as is reasonably practicable in the circumstances.

7. **Representations and Warranties of the Corporation.** The Corporation hereby represents and warrants that it is authorized to create and issue the Warrants and covenants and agrees that it will cause the Warrant Shares from time to time subscribed for and purchased in the manner provided in this Warrant certificate and the certificate representing such Warrant Shares to be issued and that, at all times prior to the Expiry Date, it will reserve and there will remain unissued a sufficient number of Shares to satisfy the right of purchase provided for in this Warrant certificate. All Shares which are issued upon the exercise of the right of purchase provided in this Warrant certificate, upon payment therefor of the amount at which such Shares may be purchased pursuant to the provisions of this Warrant certificate, shall be and be deemed to be fully paid and non-assessable shares and free from all taxes, liens and charges with respect to the issue thereof. The Corporation hereby represents and warrants that this Warrant certificate is a valid and enforceable obligation of the Corporation, enforceable in accordance with the provisions of this Warrant certificate.

8. **No Fractional Warrant Shares.** The Corporation shall not be required to issue fractional Shares upon the exercise of the Warrants evidenced hereby. If any fractional interest in a Share would, except for the provisions of this Section, be deliverable upon the exercise of the Warrants evidenced hereby, the Corporation shall, in lieu of delivering any certificate for such fractional interest, round such fractional interest down to the nearest whole Share.

9. **Legending of Warrant Shares.**

- (a) The Holder hereby agrees and consents by acceptance hereof that the certificate or certificates representing Warrant Shares issued before December 21, 2021 upon exercise of the Warrants may be impressed with a legend in the following form:

UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE DECEMBER 21, 2021.

Each certificate representing the Warrant Shares originally issued to or for the account or benefit of a U.S. Person or a person in the United States may bear the following legend:

“THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “U.S. SECURITIES ACT”) OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES. THE HOLDER HEREOF, BY PURCHASING SUCH SECURITIES, AGREES FOR THE BENEFIT OF THE ISSUER THAT SUCH SECURITIES MAY BE OFFERED, SOLD OR OTHERWISE TRANSFERRED ONLY (A) TO THE ISSUER; (B) OUTSIDE THE UNITED STATES IN ACCORDANCE WITH RULE 904 OF REGULATIONS UNDER THE U.S. SECURITIES ACT; (C) IN ACCORDANCE WITH THE EXEMPTION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT PROVIDED BY RULE 144 THEREUNDER, IF AVAILABLE, AND IN COMPLIANCE WITH ANY APPLICABLE STATE SECURITIES LAWS; OR (D) IN A TRANSACTION THAT DOES NOT REQUIRE REGISTRATION UNDER THE U.S. SECURITIES ACT AND ANY APPLICABLE STATE SECURITIES LAWS, AND, IN THE CASE OF PARAGRAPH (C) OR (D) ABOVE, THE SELLER FURNISHES TO THE ISSUER AN OPINION OF COUNSEL IN FORM AND SUBSTANCE REASONABLY SATISFACTORY TO THE ISSUER TO SUCH EFFECT.”

“DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE “GOOD DELIVERY” IN SETTLEMENT OF TRANSACTION ON STOCK EXCHANGES IN CANADA.”

10. **Transfer of Warrants.** Neither this Warrant certificate nor the Warrants evidenced hereunder shall be assigned or transferred, in whole or in part, by the Holder without the prior written consent of the Corporation; provided that, notwithstanding the foregoing, subject to applicable securities laws, the Holder shall be permitted

to assign and transfer this Warrant certificate and all (but not less than all) of the Warrants evidenced hereunder to any affiliate of the Holder upon execution and delivery by the Holder to the Corporation of a transfer form in the form attached to this Warrant certificate as Schedule B.

11. **Covenants.**

- (a) If the issuance of the Warrant Shares upon the exercise of the Warrants requires any filing or registration with or approval of any securities regulatory authority or other governmental authority or compliance with any other requirement under any law before such Warrant Shares may be validly issued, the Corporation agrees to use reasonable best efforts to take such actions as may be necessary to secure such filing, registration, approval or compliance, as the case may be.
- (b) The Corporation will do, execute, acknowledge and deliver or cause to be done, executed, acknowledged and delivered, all other acts, deeds and assurances in law as may be reasonably required for effecting the intentions and provisions of this Warrant Certificate.

12. **Replacement Certificate.** Upon receipt of evidence satisfactory to the Corporation of the loss, theft, destruction or mutilation of this Warrant certificate and, if requested by the Corporation, upon delivery of a bond of indemnity satisfactory to the Corporation (or, in the case of mutilation, upon surrender of this Warrant certificate), the Corporation will issue to the Holder a replacement certificate (containing the same terms and conditions as this Warrant certificate).

13. **U.S. Restrictions.** The Warrants and the underlying Warrant Shares have not been and will not be registered under the U.S. Securities Act and may not be offered, sold to, or otherwise transferred for the account or benefit of, persons in the "United States" (as such term is defined in Regulation S under the U.S. Securities Act) absent registration under the U.S. Securities Act and all applicable state securities laws or compliance with the requirements of an exemption therefrom. The Warrants may not be exercised by or on behalf of a person in the United States, unless an exemption from registration is available under the U.S. Securities Act and any applicable state securities laws and, if required by the Corporation, the Corporation has received an opinion of counsel of recognized standing or other evidence to such effect in form and substance reasonably satisfactory to the Corporation.

14. **Definitions.**

- (a) **"Current Market Price"**. For the purpose of any computation under this Warrant certificate, the "Current Market Price" at any date shall be the weighted average price per share for the 20 consecutive trading days before such date on the Toronto Stock Exchange in the Shares (or, if the Shares are not listed on such stock exchange, on such other stock exchange on which the Shares are listed as may be selected for such purpose by the directors of the Corporation or, if the Shares are not listed on any stock exchange, then on the over-the-counter market), except that if any stock exchange on which the Shares are then trading requires that the Current Market Price be calculated in a different manner, then the Current Market Price shall be calculated in such different manner. The weighted average price shall be determined by dividing the aggregate sale price of all such shares sold on

the said exchange or market during the said 20 consecutive trading days by the total number of such shares so sold;

- (b) **“Participating Share”** means a share (other than a Share) that carries the right to participate in earnings to an unlimited degree; and
- (c) **“Convertible Securities”** means securities convertible into or exchangeable for Shares or Participating Shares or both.

15. General.

- (a) The headings in this certificate are for reference only and do not constitute terms of the Warrant certificate.
- (b) Whenever the singular or masculine is used in this Warrant certificate the same shall be deemed to include the plural or the feminine or the body corporate as the context may require.
- (c) This Warrant certificate shall enure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.
- (d) This Warrant certificate shall be subject to, governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein. The parties hereto irrevocably attorn and submit to the exclusive jurisdiction of the courts of the Province of Ontario with respect to any dispute related to or arising from this Warrant.
- (e) All references herein to monetary amounts are references to lawful money of Canada.
- (f) Any notice which the Corporation is required to give to the Holder hereunder shall be deemed to be properly given if sent by ordinary prepaid mail to the address for the Holder shown on cover page of this Warrant certificate (unless the Holder subsequently notifies the Corporation of a change of such address), and such notice will be deemed to be given at the time of mailing.
- (g) This Warrant certificate may only be amended with the prior written consent of the Corporation and the Holder. Any such amendment will be subject to all required approvals of the TSX, any other stock exchange on which the Shares are listed and any applicable securities regulatory authorities. No waiver by the Corporation or the Holder of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the Corporation or the Holder (as applicable). No waiver shall operate or be construed as a waiver in respect of any failure, breach or default not expressly identified by such written waiver, whether of a similar or different character, and whether occurring before or after that waiver.

 - (a) Within 30 calendar days following the occurrence of a Change of Control, the Company shall deliver to the Trustee, and the Trustee shall promptly deliver to the holders of the Debentures, a notice stating that there has been a Change of Control and specifying the date on which such Change of Control occurred and the circumstances or events giving rise to such Change of Control (a "**Change of Control Notice**"). Prior to the Change of Control Purchase Date (as defined below), each Debentureholder shall, in its sole discretion, have the right to require the Company to repurchase all or a portion of its Debentures on the date that is 30 calendar days following the giving of the Change of Control Notice ("**Change of Control Purchase Date**"), in accordance with the following terms and conditions:

 - (iv) (the “**Change of Control Offer**”).
- (b) In the event of a Change of Control Offer that is a Cash Offer, if 90% or more in aggregate principal amount of Debentures outstanding on the date the Company provides the Change of Control Notice to holders of the Debentures have been surrendered for purchase pursuant to the

- (c) Upon receipt of notice that the Company has exercised or is exercising the 90% Redemption Right and is acquiring the remaining Debentures:
 - (i) the Trustee shall promptly provide written notice to each Debentureholder that did not previously accept the Change of Control Offer that the Company has exercised the 90% Redemption Right and is purchasing all outstanding Debentures effective on the expiry of the Change of Control Offer at the Cash Offer Price, and shall include a calculation of the amount payable to such holder as payment of the Cash Offer Price as at the Change of Control Purchase Date;

 - (iii) the rights of such holder under the terms of the Debentures and this Indenture cease effective as of the date of expiry of the Change of Control Offer provided the Company has, on or before the time of notifying the Trustee of the exercise of the 90% Redemption Right, paid the Cash Offer Price to, or to the order of, the Trustee and thereafter the Debentures shall not be considered to be outstanding and the holder shall not have any right except to receive such holder’s Cash Offer Price upon surrender and delivery of such holder’s Debentures in accordance with the Indenture.
- (d) The Company shall, on or before 11:00 a.m. (Toronto Time) on the Business Day immediately prior to the Change of Control Purchase Date, deposit with the Trustee or any paying agent to the order of the Trustee, such sums of money as may be sufficient to pay the Offer Price of the Debentures to be purchased or redeemed by the Company on the Change of Control Purchase Date (less any tax required by law to be deducted in respect of accrued and unpaid interest), provided the

Company may elect to satisfy this requirement by providing the Trustee with a certified cheque or wire transfer for such amounts required under this Section 2.6(1)(d) post-dated to the date of expiry of the Change of Control Offer. The Company shall also deposit with the Trustee a sum of money sufficient to pay any charges or expenses which may be incurred by the Trustee in connection with such purchase. Every such deposit shall be irrevocable. From the sums so deposited, the Trustee shall pay or cause to be paid to the holders of such Debentures, the Offer Price to which they are entitled (less any tax required by law to be deducted in respect of accrued and unpaid interest) on the Company's purchase.

- (e) In the event that one or more of such Debentures being purchased in accordance with this Section 2.6(1) becomes subject to purchase in part only, upon surrender of such Debentures for payment of the Offer Price, the Company shall execute and the Trustee shall Authenticate and deliver without charge to the holder thereof or upon the holder's order, one or more new Debentures for the portion of the principal amount of the Debentures not purchased.
- (f) Debentures for which holders have accepted the Change of Control Offer and Debentures which the Company has elected to redeem in accordance with this Section 2.6(1) shall become due and payable at the Offer Price on the Change of Control Purchase Date, in the same manner and with the same effect as if it were the date of maturity specified in such Debentures, anything therein or herein to the contrary notwithstanding, and from and after the Change of Control Purchase Date, if the money necessary to purchase or redeem, or the Common Shares necessary to purchase or redeem, the Debentures shall have been deposited as provided in this Section 2.6(1) and affidavits or other proofs satisfactory to the Trustee as to the publication and/or mailing of such notices shall have been lodged with it, interest on the Debentures shall cease. If any question shall arise as to whether any notice has been given as above provided and such deposit made, such question shall be decided by the Trustee whose decision shall be final and binding upon all parties in interest.
- (g) In case the holder of any Debenture to be purchased or redeemed in accordance with this Section 2.6(1) shall fail on or before the Change of Control Purchase Date to so surrender such holder's Debenture or shall not within such time accept payment of the monies payable, to take delivery of certificates representing such Common Shares issuable in respect thereof, or give such receipt therefor, if any, as the Trustee may

require, such monies may be set aside in trust, or such certificates may be held in trust, without interest, either in the deposit department of the Trustee or in a chartered bank, and such setting aside shall for all purposes be deemed a payment to the Debentureholder of the sum or the Common Shares so set aside and the Debentureholder shall have no other right except to receive payment of the monies so paid and deposited, or take delivery of the certificates so deposited, or both, upon surrender and delivery of such holder's Debenture. In the event that any money or certificates representing Common Shares required to be deposited hereunder with the Trustee or any depository or paying agent on account of principal, premium, if any, or interest, if any, on Debentures issued hereunder shall remain so deposited for a period of six years from the Change of Control Purchase Date, then such monies, or certificates representing Common Shares, together with any accumulated interest thereon, or any distributions paid thereon, shall at the end of such period be paid over or delivered over by the Trustee or such depository or paying agent to the Company and the Trustee shall not be responsible to Debentureholders for any amounts owing to them.

- (h) Subject to the provisions above related to Debentures purchased in part, all Debentures redeemed and paid under this Section 2.6(1) shall forthwith be delivered to the Trustee and cancelled and no Debentures shall be issued in substitution therefor.

A Debenture in respect of which a holder has accepted a notice in respect of a Change of Control Offer pursuant to the provisions of this Section 2.6 may be surrendered for conversion only if such notice is withdrawn in accordance with this Indenture.

Section 2.7 Non-Certificated Deposit

- (1) Subject to the provisions hereof, at the Company's option, Debentures may be issued and registered in the name of CDS or its nominee and:
 - (a) the deposit of which may be confirmed electronically by the Trustee to a particular Participant through CDS; and

- (2) If the Company issues Debentures in a non-certificated format, Beneficial Holders of such Debentures registered and deposited with CDS shall not receive Debenture Certificates in definitive form and shall not be considered owners or

holders thereof under this Indenture or any Supplemental Indenture. Beneficial interests in Debentures registered and deposited with CDS will be represented only through the non-certificated inventory system administered by CDS. Transfers of Debentures registered and deposited with CDS between Participants shall occur in accordance with the rules and procedures of CDS. Neither the Company nor the Trustee shall have any responsibility or liability for any aspects of the records relating to or payments made by CDS or its nominee, on account of the beneficial interests in Debentures registered and deposited with CDS. Nothing herein shall prevent the Beneficial Holders of Debentures registered and deposited with CDS from voting such Debentures using duly executed proxies or voting instruction forms.

- (3) All references herein to actions by, notices given or payments made to Debentures shall, where Debentures are held through CDS, refer to actions taken by, or notices given or payments made to, CDS upon instruction from the Participants in accordance with its rules and procedures. For the purposes of any provision hereof requiring or permitting actions with the consent of or the direction of Debentureholders evidencing a specified percentage of the aggregate Debentures outstanding, such direction or consent may be given by Beneficial Holders acting through CDS and the Participants owning Debentures evidencing the requisite percentage of the Debentures. The rights of a Beneficial Holder whose Debentures are held through CDS shall be exercised only through CDS and the Participants and shall be limited to those established by law and agreements between such holders and CDS and the Participants upon instructions from the Participants. Each of the Trustee and the Company may deal with CDS for all purposes (including the making of payments as the authorized representative of the respective Debentures and such dealing with CDS shall constitute satisfaction or performance, as applicable, of their respective obligations hereunder.
- (4) For so long as Debentures are held through CDS, if any notice or other communication is required to be given to Debentureholders, the Trustee will give such notices and communications to CDS.
- (5) If CDS resigns or is removed from its responsibility as Depository and the Trustee is unable or does not wish to locate a qualified successor, CDS shall provide the Trustee with instructions for registration of Debentures in the names and in the amounts specified by CDS and the Company shall issue and the Trustee shall Authenticate and deliver the aggregate number of Debentures then outstanding in the form of definitive Debentures Certificates representing such Debentures.

- (6) The rights of Beneficial Holders who hold securities entitlements in respect of the Debentures through non-certificated inventory system administered by CDS shall be limited to those established by applicable law and agreements between the Depository and the Participants and between such Participants and the Beneficial Holders who hold securities entitlements in respect of the Debentures through the non-certificated inventory system administered by CDS, and such rights must be exercised through a Participant in accordance with the rules and procedures of the Depository.
- (7) Notwithstanding anything herein to the contrary, none of the Company nor the Trustee nor any agent thereof shall have any responsibility or liability for:
- (a) the electronic records maintained by the Depository relating to any ownership interests or other interests in the Debentures or the depository system maintained by the Depository, or payments made on account of any ownership interest or any other interest of any Person in any Debenture represented by an electronic position in the non-certificated inventory system administered by CDS (other than Depository or its nominee);
 - (b) for maintaining, supervising or reviewing any records of the Depository or any Participant relating to any such interest; or
 - (c) any advice or representation made or given by the Depository or those contained herein that relate to the rules and regulations of the Depository or any action to be taken by the Depository on its own direction or at the direction of any Participant.
- (8) The Debentures will be issued to Beneficial Holders in a Debenture Certificate only if:
- (a) they are required to be so issued by applicable law;
 - (b) the book-entry only system ceases to exist;
 - (c) the Company or CDS advises the Trustee that CDS is no longer willing or able to properly discharge its responsibilities as depository with respect to the Debentures and the Company is unable to locate a qualified successor;
 - (d) the Company, at its option, decides to terminate the book-entry only system through CDS; or

- (e) after the occurrence of an Event of Default, Participants acting on behalf of Beneficial Holders representing, in the aggregate, not less than 50% of the aggregate principal amount of the Debentures then outstanding advise CDS in writing that the continuation of a book-entry only system through CDS is no longer in their best interest, provided the Trustee has not waived the Event of Default in accordance with this Indenture.
- (9) Upon the occurrence of any of the events described in Section 2.7(8) and receipt of a written notice from the Company confirming such event has occurred, the Trustee must notify CDS, for and on behalf of Participants and Beneficial Holders, of the availability of Debenture Certificates. Upon receipt of instructions from CDS for the new registrations, the Trustee will deliver the Debentures in the form of Debenture Certificates and thereafter the Company will recognize the holders of such Debenture Certificates as Debentureholders under this Indenture. If Debenture Certificates are issued: (a) interest will be paid by cheque drawn on the Company and sent by prepaid mail to the registered holder or by such other means as may become customary for the payment of interest; and (b) payment of principal and premium, if any, and interest due at maturity, will be paid upon surrender thereof at any office of the Trustee or as otherwise specified in this Indenture.
- (10) The Company may terminate the application of this Section 2.6 in its sole discretion in which case the Company shall issue or shall cause to be issued Debenture Certificates representing all Debentures registered in the names of the Persons who beneficially own such Debentures and deliver or cause to be delivered such Debenture Certificates to such Persons.

Section 2.8 Execution of Debentures

All Debentures shall be signed (either manually or by facsimile or other electronic signature) by any one authorized director or officer of the Company holding office at the time of signing. A facsimile or electronic signature upon a Debenture shall for all purposes of this Indenture be deemed to be the signature of the Person whose signature it purports to be. Notwithstanding that any Person whose signature, either manual or in facsimile or electronic form, appears on a Debenture as a director or officer may no longer hold such office at the date of the Debenture or at the date of the certification and delivery thereof, such Debenture shall be valid and binding upon the Company and entitled to the benefits of this Indenture.

Section 2.9 Certification

- (1) No Debenture shall be issued or, if issued, shall be obligatory or shall entitle the holder to the benefits of this Indenture, until it has been Authenticated, subject

to Section 2.9(3), by or on behalf of the Trustee substantially in the form set out in this Indenture, in the relevant Supplemental Indenture, or in some other form approved by the Trustee. Such Authentication on any Debenture shall be conclusive evidence that such Debenture is duly issued, is a valid obligation of the Company and the holder is entitled to the benefits hereof. Debentures will be authenticated on a Written Direction of the Company.

- (2) The certificate of the Trustee signed on the Debentures, or interim Debentures hereinafter mentioned, and the Authentication of Uncertificated Debentures, shall not be construed as a representation or warranty by the Trustee as to the validity of this Indenture or of the Debentures or interim Debentures or as to the issuance of the Debentures or interim Debentures and the Trustee shall in no respect be liable or answerable for the use made of the Debentures or interim Debentures or any of them or the proceeds thereof. The Authentication of the Trustee on the Debentures or interim Debentures, and the Authentication of Uncertificated Debentures, shall, however, be a representation and warranty by the Trustee that the Debentures or interim Debentures have been duly Authenticated by or on behalf of the Trustee pursuant to the provisions of this Indenture.
- (3) The Trustee shall Authenticate Uncertificated Debentures and the Company shall, and hereby acknowledges that it shall, thereupon be deemed to have duly and validly issued such Uncertificated Debentures under this Indenture. Such authentication shall be conclusive evidence that such Uncertificated Debentures have been duly issued hereunder and that the holder or holders are entitled to the benefits of this Indenture. The register shall be final and conclusive evidence as to all matters relating to Uncertificated Debentures with respect to which this Indenture requires the Trustee to maintain records or accounts. In case of differences between the register at any time and any other time the register at the later time shall be controlling, absent manifest error and such Uncertificated Debentures are binding on the Company.

Section 2.10 Interim Debentures or Certificates

Pending the delivery of definitive Debentures of any series to the Trustee, the Company may issue and the Trustee Authenticate in lieu thereof interim Debentures in such forms and in such denominations and signed in such manner as provided herein, entitling the holders thereof to definitive Debentures of the series when the same are ready for delivery; or the Company may execute and the Trustee Authenticate a temporary Debenture for the whole principal amount of Debentures of the series then authorized to be issued hereunder and deliver the same to the Trustee and thereupon the Trustee may issue its own interim certificates in such form and in such amounts, not exceeding in the aggregate the principal amount of the temporary Debenture so delivered to it, as the

Company and the Trustee may approve entitling the holders thereof to definitive Debentures of the series when the same are ready for delivery; and, when so issued and certified, such interim or temporary Debentures or interim certificates shall, for all purposes but without duplication, rank in respect of this Indenture equally with Debentures duly issued hereunder and, pending the exchange thereof for definitive Debentures, the holders of the interim or temporary Debentures or interim certificates shall be deemed without duplication to be Debentureholders and entitled to the benefit of this Indenture to the same extent and in the same manner as though the said exchange had actually been made. Forthwith after the Company shall have delivered the definitive Debentures to the Trustee, the Trustee shall cancel such temporary Debentures, if any, and shall call in for exchange all interim Debentures or certificates that shall have been issued and forthwith after such exchange shall cancel the same. No charge shall be made by the Company or the Trustee to the holders of such interim or temporary Debentures or interim certificates for the exchange thereof. All interest paid upon interim or temporary Debentures or interim certificates shall be noted thereon as a condition precedent to such payment unless paid by cheque to the registered holders thereof.

Section 2.11 Mutilation, Loss, Theft or Destruction

In case any of the Debentures issued hereunder shall become mutilated or be lost, stolen or destroyed, the Company shall issue, and thereupon the Trustee shall Authenticate and deliver, a new Debenture upon surrender and cancellation of the mutilated Debenture, or in the case of a lost, stolen or destroyed Debenture, in lieu of and in substitution for the same, and the substituted Debenture shall be in a form approved by the Trustee and shall be entitled to the benefits of this Indenture and rank equally in accordance with its terms with all other Debentures issued or to be issued hereunder. In case of loss, theft or destruction the applicant for a substituted Debenture shall furnish to the Company and to the Trustee such evidence of the loss, theft or destruction of the Debenture as shall be satisfactory to them in their discretion, acting reasonably, and shall also furnish an indemnity and surety bond satisfactory to them in their discretion, acting reasonably. The applicant shall pay all reasonable expenses incidental to the issuance of any substituted Debenture.

Section 2.12 Concerning Interest

- (1) All Debentures issued hereunder, whether originally or upon exchange or in substitution for previously issued Debentures which are interest bearing, shall bear interest (i) from and including their issue date, or (ii) from and including the last Interest Payment Date to which interest shall have been paid or made available for payment on the outstanding Debentures of that series, whichever shall be the later, or, in respect of Debentures subject to a Periodic Offering, from and including their issue date or from and including the last Interest Payment Date to which interest shall have been paid or made available for

payment on such Debentures, in all cases, to and excluding the next Interest Payment Date.

- (2) Unless otherwise specifically provided in the terms of the Debentures of any series, interest shall be computed on the basis of a year of 360 calendar days comprised of twelve 30-day months. With respect to any series of Debentures, whenever interest is computed on the basis of a year (the “**deemed year**”) which contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest shall be expressed as a yearly rate for purposes of the *Interest Act* (Canada) by multiplying such rate of interest by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year.

Section 2.13 Debentures to Rank Pari Passu

Subject to the provisions of this Indenture, all Debentures as soon as issued and certified in accordance with this Indenture (regardless of their actual date or terms of issue), shall rank *pari passu* and be secured equally and proportionately without discrimination or preference as if all the Debentures had been issued and certified simultaneously.

Section 2.14 Payments of Interest

Unless otherwise specifically provided in the terms of the Debentures of any series, as interest becomes due on each Debenture, the Company shall, on or before 11:00 a.m. (Toronto Time) on the Business Day immediately prior to each Interest Payment Date, deliver to the Trustee, a certified cheque or wire transfer in an amount sufficient to pay such interest as is payable in respect of such Debentures. Upon receipt of such interest payment from the Company, the Trustee, on behalf of the Company, will pay each holder entitled to receive payment of interest in such manner as provided herein.

Section 2.15 Payments of Amounts Due on Maturity

Except as may otherwise be provided herein or in any Supplemental Indenture in respect of any series of Debentures, payments of amounts due upon maturity of the Debentures will be made in the following manner. The Company will establish and maintain with the Trustee a Maturity Account for each series of Debentures. Each such Maturity Account shall be maintained by and be subject to the control of the Trustee for the purposes of this Indenture. On or before 11:00 a.m. (Toronto Time) on the Business Day immediately prior to each Maturity Date for Debentures outstanding from time to time under this Indenture, the Company will deliver to the Trustee a certified cheque or wire transfer for deposit in the applicable Maturity Account in an amount sufficient to pay the cash amount payable in respect of such Debentures (including the principal amount together with any accrued and unpaid interest thereon less any tax required by law to be

deducted). The Trustee, on behalf of the Company, will pay to each holder entitled to receive payment the principal amount of and premium (if any) and accrued and unpaid interest on the Debenture, upon surrender of the Debenture at any branch of the Trustee designated for such purpose from time to time by the Company and the Trustee. The delivery of such funds to the Trustee for deposit to the applicable Maturity Account will satisfy and discharge the liability of the Company for the Debentures to which the delivery of funds relates to the extent of the amount delivered (plus the amount of any tax deducted as aforesaid) and such Debentures will thereafter to that extent not be considered as outstanding under this Indenture and such holder will have no other right in regard thereto other than to receive out of the money so delivered or made available the amount to which it is entitled.

Section 2.16 Canadian Private Placement Legend

- (1) The Debentures and the Common Shares issuable upon conversion thereof, have not been qualified for sale to the public under Applicable Securities Legislation. If issued as one or more Debenture Certificate(s), the Debentures and, if issued upon conversion of the Debentures before October 28, 2022, the Common Shares issuable upon conversion of the Debentures, shall bear a legend in the following form unless, in any such case, the Corporation determines that such legend is not required by Applicable Securities Legislation in order to permit the holder to freely trade such Debentures (the “**Canadian Legend**”):

UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE [INSERT DATE THAT IS 4 MONTHS AND A DAY AFTER THE DISTRIBUTION DATE].

Section 2.17 U.S. Legend

- (1) The Debentures and the Common Shares issuable upon conversion thereof (collectively, the “**Securities**”) have not been and will not be registered under the *1933 Act* or state securities laws. Subject to Section 2.17(3), all Debentures originally issued and sold to U.S. Purchasers in reliance on exemptions from registration under the *1933 Act*, as well as the Common Shares issuable upon conversion, redemption or maturity thereof, shall be “restricted securities” within the meaning assigned to that term in Rule 144(a)(3) under the *1933 Act*, and must be issued in certificated form, and, until such time as the same is no longer required under applicable requirements of the *1933 Act* or state securities laws, shall bear the following legend (the “**U.S. Legend**”):

THE SECURITIES REPRESENTED HEREBY [For
Debentures: AND THE SECURITIES DELIVERABLE UPON

CONVERSION HEREOF] HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE *UNITED STATES SECURITIES ACT* OF 1933, AS AMENDED (THE “*U.S. SECURITIES ACT*”) OR U.S. STATE SECURITIES LAWS. BY PURCHASING OR OTHERWISE HOLDING SUCH SECURITIES, THE HOLDER AGREES FOR THE BENEFIT OF ALEAFIA HEALTH INC. (THE “COMPANY”) THAT THESE SECURITIES MAY BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED, DIRECTLY OR INDIRECTLY, ONLY (A) TO COMPANY; OR (B) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH RULE 904 OF REGULATION S UNDER THE *U.S. SECURITIES ACT*, IF AVAILABLE, AND IN COMPLIANCE WITH APPLICABLE LOCAL LAWS AND REGULATIONS; OR (C) IN COMPLIANCE WITH THE EXEMPTION FROM THE REGISTRATION REQUIREMENTS UNDER THE *U.S. SECURITIES ACT* PROVIDED BY (I) RULE 144 OR (II) RULE 144A THEREUNDER, IF AVAILABLE, AND IN EACH CASE IN ACCORDANCE WITH APPLICABLE STATE SECURITIES LAWS; OR (D) IN ANOTHER TRANSACTION THAT DOES NOT REQUIRE REGISTRATION UNDER THE *U.S. SECURITIES ACT* OR ANY APPLICABLE STATE SECURITIES LAWS; OR (E) PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT UNDER THE *U.S. SECURITIES ACT*, PROVIDED THAT, IN THE CASE OF TRANSFERS PURSUANT TO (C) OR (D) ABOVE, THE HOLDER HAS, PRIOR TO SUCH TRANSFER, FURNISHED TO THE COMPANY AN OPINION OF COUNSEL OR OTHER EVIDENCE OF EXEMPTION, IN EITHER CASE REASONABLY SATISFACTORY TO THE COMPANY. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE “**GOOD DELIVERY**” IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA.

provided that if the Debentures or Common Shares are being sold in compliance with the requirements of Rule 904 of Regulation S and in compliance with Canadian local laws and regulations, and provided that the Company is a “foreign issuer” within the meaning of Rule 902(e) of Regulation S at the time of issuance of the Debentures or Common Shares, as applicable, such Securities may be transferred to an unrestricted CUSIP or the U.S. Legend may be removed by providing a declaration to the Trustee or the Company’s transfer agent, as

applicable, substantially as set forth in paragraph 2 of Schedule D to the applicable Supplemental Indenture (or as the Company, and/or the Trustee or the Company's transfer agent, as applicable, may prescribe from time to time), together with any other evidence reasonably requested by the Company, and/or Trustee or the Company's transfer agent, as applicable, which evidence may include an opinion of counsel of recognized standing, in form and substance reasonably satisfactory to the Company, and the Trustee or the Company's transfer agent, as applicable, to the effect that the transfer is being made in compliance with Rule 904 of Regulation S; and provided further that, if any Debentures or Common Shares are being sold in accordance with Rule 144 under the *1933 Act*, if available, the Debentures or Common Shares, as applicable, may be transferred into an unrestricted CUSIP or the U.S. Legend may be removed by delivery to the Trustee of an opinion of counsel of recognized standing, in form and substance reasonably satisfactory to the Company, and the Trustee or the Company's transfer agent, as applicable, that the Debentures or Common Shares no longer required a restricted CUSIP, if applicable, or the U.S. Legend is no longer required under applicable requirements of the *1933 Act* or applicable state securities laws. Provided that the Trustee or, if applicable, the Company's transfer agent obtains confirmation from the Company that such counsel is satisfactory to it, it shall be entitled to rely on such opinion of counsel without further inquiry.

- (2) The parties hereto hereby acknowledge and agree that the Securities may not be reoffered, or resold, pledged or otherwise transferred except: (i) to the Company; (ii) outside the United States in accordance with Regulation S and in compliance with applicable local laws and regulations; (iii) in compliance with the exemption from registration under the *1933 Act* provided by (A) Rule 144 under the *1933 Act*, if available, or (B) Rule 144A under the *1933 Act*, if available, and, in each case, in accordance with applicable state securities laws; or (iv) in a transaction that does not require registration under the *1933 Act* or any applicable state securities laws.
- (3) Notwithstanding Section 2.17(1), provided that a Qualified Institutional Buyer acquiring the Debentures has duly executed and delivered a Qualified Institutional Buyer Letter, such Debentures shall be included in the Unrestricted Debentures, and any Common Shares issued to such Qualified Institutional Buyer upon conversion of such Debentures shall neither be required to be issued under a restricted CUSIP nor bear a U.S. Legend; provided, however, that such Debentures and the underlying Common Shares shall be subject to the Restricted Security Agreements as defined and set forth in the Qualified Institutional Buyer Letter.

- (4) Prior to the issuance of the Debentures, the Company shall notify the Trustee, in writing, concerning which Debentures are to be included in the Restricted Debentures which shall bear the U.S. Legend. The Trustee will thereafter maintain a list of all registered holders from time to time of such legended Debentures.

ARTICLE 3 – REDEMPTION AND PURCHASE OF DEBENTURES

Section 3.1 Redemption

The Company, when not in default hereunder, shall have the right, at its option, to redeem, in whole or in part, at any time and from time to time before Stated Maturity, Debentures of any series that by their terms are made so redeemable, at such rate or rates of Premium, on such date or dates and on such terms and conditions as shall have been determined at the time of issue of such Debentures and as shall be expressed in such Debentures or in the Supplemental Indenture authorizing or providing for the issue thereof.

Section 3.2 Partial Redemption of Debentures

If less than all of the Debentures of a Series for the time being outstanding are to be redeemed, the Company shall, at least 30 days and not more than 60 days before the date upon which notice of redemption is to be given to Debentureholders of such Debentures, notify the Trustee in writing of the Company's intention to redeem Debentures of such Series and of the aggregate principal amount of Debentures to be redeemed. The Debentures to be redeemed shall be selected by the Trustee on a pro rata basis (to the nearest multiple of \$1,000) in accordance with the principal amount of Debentures of such Series registered in the name of each Debentureholder. For this purpose the Trustee may make regulations with regard to the manner in which such Debentures may be so selected, and regulations so made shall be valid and binding upon all Debentureholders. Debentures in denominations in excess of \$1,000 may be selected and called for redemption in part only (such part being \$1,000 or an integral multiple thereof), and, unless the context otherwise requires, reference to Debentures in this Article 3 shall be deemed to include any such part of the principal amount of Debentures which shall have been so selected and called for redemption. The Debentureholder of any Debenture called for redemption in part only, upon surrender of such Debenture for payment, shall be entitled to receive, without expense to such Debentureholder, one or more new Debentures for the unredeemed part of the Debenture so surrendered, and the Trustee shall certify and deliver such new Debenture or Debentures upon receipt of the Debenture so surrendered.

Section 3.3 Notice of Redemption

Notice of intention to redeem any Debentures shall be given by or on behalf of the Company to the Debentureholders of the Debentures which are to be redeemed, not less than 45 days prior to the date fixed for redemption (the “Redemption Date”), in the manner provided in Section 14.2. Every notice of redemption shall specify the Series and the Stated Maturity of the Debentures called for redemption, the Redemption Date, the Redemption Price or, where applicable only, the date upon which the Redemption Price shall be calculated in connection with the Debentures called for redemption (“Redemption Price Calculation Date”) and the place or places of payment, and shall state that all interest thereon shall cease from and after the Redemption Date. In addition, unless all the outstanding Debentures of a Series are to be redeemed, the notice of redemption shall specify:

- a) in the case of a notice mailed to a Debentureholder, the distinguishing letters and numbers of the Debentures which are to be redeemed (or of such thereof as are registered in the name of such Debentureholder);
- b) in the case of a published notice, the distinguishing letters and numbers of the Debentures which are to be redeemed or, if such Debentures are selected by terminal digit or other similar system, such particulars as may be sufficient to identify the Debentures so selected;
- c) in the case of Book Entry Only Debentures, that the redemption shall take place in such manner as may be agreed by the Depository, the Trustee and the Company; and
- d) in all cases, the principal amount of each Debenture to be redeemed or, if any such Debenture is to be redeemed in part only, the principal amount of such part.

If a notice of redemption specifies a Redemption Price Calculation Date for any Debentures, the Company shall deliver to the Trustee, not later than the second Business Day prior to the Redemption Date for such Debentures, a certificate of the Company which specifies the Redemption Price of such Debentures.

Section 3.4 Debentures Due on Redemption Date

Upon notice of redemption having been given as specified in Section 3.3, all the Debentures so called for redemption shall thereupon be and become due and payable at the Redemption Price and on the Redemption Date specified in such notice, in the same manner and with the same effect as if such date was the Stated Maturity specified in such Debentures, anything therein or herein to the contrary notwithstanding, and from and after such Redemption Date, if the money necessary to redeem such Debentures shall

have been deposited as provided in Section 9.2 and affidavits or other proof satisfactory to the Trustee as to the publication or mailing of such notice shall have been lodged with the Trustee, such Debentures shall not be considered as outstanding hereunder and interest upon such Debentures shall cease.

If any question shall arise as to whether any notice has been given as required or any deposit has been made, such question shall be decided by the Trustee, whose decision shall be final and binding upon all parties in interest.

Section 3.5 Purchase of Debentures

The Company may, at any time when it is not in default hereunder, purchase all or any of the Debentures in the market (which shall include purchase from or through an investment dealer or a firm holding membership on a recognized stock exchange) or by tender or by private contract, at any price from time to time. All Debentures so purchased shall forthwith be delivered to the Trustee, prior to any payment, and shall be cancelled by it and, subject to the following paragraph of this Section 3.5, no Debentures shall be issued in substitution therefor.

If, upon an invitation for tenders, more Debentures are tendered at the same lowest price than the Company is prepared to accept, the Debentures to be purchased by the Company shall be selected by the Trustee, in such manner (which may include selection by lot, selection on a pro rata basis, random selection by computer or any other method) as the Trustee considers appropriate, from the Debentures tendered by each tendering Debentureholder who tendered at such lowest price. For this purpose the Trustee may make, and from time to time amend, regulations with respect to the manner in which Debentures may be so selected, and regulations so made shall be valid and binding upon all Debentureholders, notwithstanding the fact that, as a result thereof, one or more of such Debentures become subject to purchase in part only. The Debentureholder of a Debenture of which a part only is purchased, upon surrender of such Debenture for payment, shall be entitled to receive, without expense to such Debentureholder, one or more new Debentures for the unpurchased part so surrendered, and the Trustee shall certify and deliver such new Debenture or Debentures upon receipt of the Debenture so surrendered.

Section 3.6 Mandatory Redemption of Debentures

At any time the Debentures remain outstanding, the Debentures shall be redeemed by the Company, at par, in whole or in part from time to time in an amount equal to 100% of the Net Cash Proceeds received by the Company or any Guarantor from any Disposition of Collateral, to the extent such Net Cash Proceeds from such Disposition are not required to be applied to repay or redeem other Senior Secured Debt which is senior to the Debentures in accordance with the terms governing such Senior Secured

Debt, if the Net Cash Proceeds received from such Disposition are, together with the Net Cash Proceeds received from all other Dispositions made since the Closing Date, equal to or greater than \$500,000; provided that the Company may, at its sole discretion, elect to (x) reinvest such Net Cash Proceeds in replacement assets of the Company and the Guarantors within 365 days from the date of completion of such Disposition, in which case such reinvested Net Cash Proceeds shall not count in any future calculation of such \$500,000 basket or (y) use such Net Cash Proceeds to redeem the Debentures in accordance with this Section 3.3 if not so reinvested within such 365-day period.

Section 3.7 Cancellation of Debentures

Subject to the provisions of Section 3.2, Section 3.5 and Section 3.6 as to Debentures redeemed or purchased in part, all Debentures redeemed or purchased in whole or in part by the Company shall not be reissued or resold and shall be forthwith delivered to and cancelled by the Trustee, and no Debentures of the same Series shall be issued in substitution therefor.

ARTICLE 4 SECURITY

Section 4.1 Security.

- (1) To secure the due payment of all principal monies, interest (including interest on overdue principal and interest) and other monies for the time being and from time to time owing under this indenture and/or under the Debentures and the performance of the obligations of the Company herein and therein contained, the Company shall deliver or cause to be delivered to the Trustee the Security Documents and the Guarantees on the Closing Date.
- (2) In the event that any Person is required to provide a guarantee and/or security to any other holder of Senior Secured Debt (an “**Additional Guarantor**”), the Company shall promptly deliver to the Trustee, a guarantee and security agreement from such Additional Guarantor in favour of the Trustee in the form of the Guarantee and the Security Documents.

Section 4.2 Amendments to Security.

Any term, covenant or condition of this Indenture as it relates to the Security and any of the Security Documents and Guarantees may be amended or otherwise modified with the prior consent of the holders of greater than 50% of the principal amount of the Debentures then outstanding in accordance with the provisions of Section 13.4 unless such amendment would reasonably be expected to have an adverse effect on the rights or interests of the holders of the Debentures, in which case the provisions of Section 13.11 will apply.

Section 4.3 Further Assurances.

The Company shall forthwith, and from time to time, execute and do or cause to be executed and done all deeds, documents and things which, in accordance with an opinion of Counsel, are necessary or advisable for giving the Trustee a valid charge and pledge upon the Collateral, on the terms and conditions contemplated by this indenture whether now owned or hereafter acquired, intended to be included herein or in the Security Documents or the Guarantees, for and to secure the payment of all principal monies and interest for the time being and from time to time owing hereunder, under the Security Documents, the Guarantees or on the Debentures and all other monies intended to be secured by this indenture and the Security, and for conferring upon the Trustee such powers over the Collateral as are expressed to be conferred hereunder or under the Security Documents.

ARTICLE 5 SUBORDINATION OF DEBENTURES.

Section 5.1 Applicability of Article

- (1) The Secured Obligations, including, without limitation as owing to the Trustee under Section 15.14, shall rank equal in right of payment with all Indebtedness of the Company that is not expressly subordinated in right of payment to the Debentures, and shall rank senior in right of payment to all subordinated obligations of the Company. The Secured Obligations shall be secured by a second-priority Lien on the Collateral, in each case subject to Permitted Liens, including the first-priority Lien granted to secure the Senior Secured Debt held by the Senior Lenders.
- (2) Each holder of any Debenture by his or her acceptance thereof agrees to and shall be bound by the provisions of this Article 5 and any intercreditor agreement entered into by the Trustee, which in relation to the Senior Secured Debt held by the Senior Lenders, shall be in form and substance substantially the same as the form of the Intercreditor Agreement.
- (3) For greater certainty, the Trustee is hereby authorized and directed to enter into (a) an Intercreditor Agreement with the Senior Lenders, on or before the issuance of the Debentures, and (b) an intercreditor agreement at the direction of holders of greater than 50% of the principal amount of the Debentures then outstanding in accordance with the provisions of Section 13.4 in respect of any Indebtedness incurred pursuant to clause (a) of the definition of Permitted Indebtedness.

Section 5.2 Obligation to Pay Not Impaired.

Nothing contained in this Article 5 or elsewhere in this Indenture or in the Debentures: (i) is intended to or shall impair, as between the Company, its creditors other than the Senior Lenders, and the holders of the Debentures, the obligation of the Company, which is absolute and unconditional, to pay to the Holders the principal of, premium, if any, and interest on the Debentures, as and when the same shall become due and payable in accordance with their terms, or affect the relative rights of the Holders and creditors of the Company other than the Senior Lenders; or (ii) shall prevent the Trustee or the Holders from exercising all remedies otherwise permitted by applicable law or under the Security Documents upon default under this Indenture, subject to the rights and remedies of the Senior Lenders under the Intercreditor Agreement. For clarity, the Intercreditor Agreement shall not impose any restriction on the ability of the Company to make payment of fees owing to the Trustee.

Section 5.3 Payment on Debentures Permitted.

Subject at all times to the terms and provisions of this Article 5 and except as prohibited by an Intercreditor Agreement, nothing contained elsewhere in this Indenture, or in any of the Debentures, shall affect the obligation of the Company to make, or prevent the Company from making, any payment of principal of, premium, if any, or interest on the Debentures. The fact that any such payment is prohibited by the Intercreditor Agreement shall not prevent the failure to make such payment from being an Event of Default hereunder (subject to the express terms of the Intercreditor Agreement to the contrary). Except as prohibited by the Intercreditor Agreement, nothing contained in this Article 5 or elsewhere in this Indenture, or in any of the Debentures, shall prevent the application by the Trustee of any monies deposited with the Trustee hereunder for the purpose, to the payment of or on account of the Secured Obligations.

Section 5.4 Confirmation of Ranking and Priority.

Each holder of Debentures by his or her acceptance of the Debentures authorizes and directs the Trustee on his or her behalf to take such action as may be necessary or appropriate to effect the ranking and priority of the Debentures and related Liens as provided in this Article 5, including without limitation the actions specified in Section 5.1(3) and this Section 5.4, and irrevocably appoints the Trustee his or her attorney-in-fact for any and all such purposes.

Section 5.5 Knowledge of Trustee.

Notwithstanding the provisions of this Article 5 or any provision in this Indenture and any applicable Supplemental Indenture or in the Debentures, the Trustee will not be charged with knowledge of any Senior Secured Debt or of any default in the payment

thereof, or of the existence of any other fact that would prohibit the making of any payment of monies to or by the Trustee, or the taking of any other action by the Trustee, unless and until the Trustee has received written notice thereof from the Company, any Holder or any Senior Lender and such notice to the Trustee shall be deemed to be notice to Holders. The Trustee will notify Holders as soon as reasonably practical of such notice.

Section 5.6 No Set-Off.

Each of the Company and the Trustee agrees, and each Holder, by his or her acceptance thereof, likewise agrees, that it shall have no rights of set-off or counterclaim with respect to the principal of, premium, if any, and interest on the Debentures at any time when any payment of, or in respect of, such amounts to the Holder is prohibited by this Article 5 or by the terms of the Intercreditor Agreement.

ARTICLE 6 DISCHARGE OF SECURITY

Section 6.1 Discharge of Security.

- (1) Upon satisfaction and discharge of this Indenture in accordance with Section 11.4, the Security shall be released and discharged within thirty (30) Business Days without the requirement for any further formality, release or discharge and the Trustee shall deliver or cause to be delivered to the Company or to such other Person as directed by the Company any and all agreements, instruments and documents reasonably necessary to effect the foregoing together with any original contracts evidencing any of the Collateral then in its possession and do all such other acts and things reasonably required by the Company to effect such release and discharge.
- (2) The Trustee shall be entitled to release and discharge the Security:
 - (a) in part, as to any property constituting part of the Collateral, that (a) is sold, transferred or otherwise disposed of by any Obligor (other than to another Obligor) in a transaction not prohibited by this Indenture or the Security Documents at the time of such sale, transfer or disposition or (b) is owned or at any time acquired by a Guarantor that has been released from its Guarantee in accordance with this Indenture, concurrently with the release of such Guarantee;
 - (b) in whole or in part, as applicable, with the consent of Holders of 66 $\frac{2}{3}$ % in aggregate principal amount of Debentures (including without

limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, Debentures); and

- (c) in part, in accordance with the applicable provisions of the Security Documents,

provided, that, in the case of any release in whole pursuant to clauses (a) through (c) and Section 6.1(1) above, all amounts owing to the Trustee under this Indenture and the Security Documents have been paid.

Section 6.2 Special Release Provisions.

In addition to the powers conferred under this Article 6 and notwithstanding that any of the provisions in this Indenture may deal with or apply to any of the matters or things which the Trustee is by this Section 6.2 authorized to do or concur in, the Trustee may at any time and from time to time upon the application and at the cost and expense of the Company and without consent of the Holders release any Collateral from the Liens granted under the Security Documents in accordance with the terms of this Indenture, any applicable Supplemental Indenture, and the Security Documents.

Section 6.3 Power of Attorney.

For the purposes of this Article 6, following the expiration of the thirty (30) Business Day periods provided for under Section 6.1(1), the Trustee hereby irrevocably appoints the Company as its attorney for the purposes of effecting any and all such releases and discharges as the Company deems necessary to effect any and all of the discharges contemplated in this Article 6.

ARTICLE 7 REGISTRATION, TRANSFER, EXCHANGE AND OWNERSHIP

Section 7.1 Global Debentures or Book Based Only Debentures

- (1) With respect to each series of Debentures issuable in whole or in part as one or more Global Debentures and/or as Book Based Only Debentures, the Company shall cause to be kept by and at the principal offices of the Trustee in Toronto, Ontario and Montreal, Québec and by the Trustee or such other registrar as the Company, with the approval of the Trustee, may appoint at such other place or places, if any, as the Company may designate with the approval of the Trustee, a register in which shall be entered the name and address of the holder of each such Global Debenture and/or Book Based Only Debenture as holder thereof and particulars of the Global Debenture and/or Book Based Only Debenture held by it, and of all transfers thereof. If any Debentures of such series are at any time

not Global Debentures or Book Based Only Debentures, the provisions of Section 7.2 shall govern with respect to registrations and transfers of such Debentures.

- (2) Notwithstanding any other provision of this Indenture, a Global Debenture or Book Based Only Debenture may not be transferred by the registered holder thereof and accordingly, no definitive certificates shall be issued to Beneficial Holders except in the following circumstances or as otherwise specified in a resolution of the Directors, an Officer's Certificate or a Supplemental Indenture relating to a particular series of Debentures:
- (a) Global Debentures or Book Based Only Debentures may be transferred by a Depository to a nominee of such Depository or by a nominee of a Depository to such Depository or to another nominee of such Depository or by a Depository or its nominee to a successor Depository or its nominee;
 - (b) Global Debentures or Book Based Only Debentures may be transferred at any time after (i) the Depository for such Global Debentures or Book Based Only Debentures, as the case may be, or the Company has notified the Trustee that the Depository is unwilling or unable to continue as Depository for such Global Debentures or Book Based Only Debentures, or (ii) the Depository ceases to be a clearing agency or otherwise ceases to be eligible to be a Depository under Section 2.1(2), provided in each case that at the time of such transfer the Trustee and the Company are unable to locate a qualified successor Depository for such Global Debentures or Book Based Only Debentures;
 - (c) Global Debentures or Book Based Only Debentures may be transferred at any time after the Company has determined, in its sole discretion, with the consent of the Trustee to terminate the book-entry only registration system or book based entry, as the case may be, in respect of such Global Debentures or Book Based Only Debentures and has communicated such determination to the Trustee in writing;
 - (d) Global Debentures or Book Based Only Debentures may be transferred at any time after the Trustee has determined that an Event of Default has occurred and is continuing with respect to the Debentures of the series issued as a Global Debenture or Book Based Only Debentures, as the case may be, provided that Beneficial Holders of the Debentures representing, in the aggregate, more than 25% of the aggregate principal amount of the Debentures of such series advise the Depository in writing, through the Participants, that the continuation of the book-entry

only registration system or book based entry, as applicable, for such series of Debentures is no longer in their best interest and also provided that at the time of such transfer the Debentureholders have not waived the Event of Default pursuant to Section 10.3;

- (e) Global Debentures or Book Based Only Debentures may be transferred if required by applicable law; or
 - (f) Global Debentures or Book Based Only Debentures may be transferred if the book-entry only registration system or book based entry, as applicable, ceases to exist.
- (3) With respect to the Global Debentures, unless and until definitive certificates have been issued to Beneficial Holders of the Debentures pursuant to Section 7.1(2):
- (a) the Company and the Trustee may deal with the Depository for all purposes (including paying interest on the Debentures) as the sole holder of such series of Debentures and the authorized representative of the Beneficial Holders;
 - (b) the rights of the Beneficial Holders of the Debentures shall be exercised only through the Depository and shall be limited to those established by law and agreements between such Beneficial Holders and the Depository or the Participants;
 - (c) the Depository will make book-entry or book based, as applicable, transfers among the Participants; and
 - (d) whenever this Indenture requires or permits actions to be taken based upon instructions or directions of Debentureholders evidencing a specified percentage of the outstanding Debentures, the Depository shall be deemed to be counted in that percentage only to the extent that it has received instructions to such effect from the Beneficial Holders of the Debentures or the Participants, and has delivered such instructions to the Trustee.
- (4) Whenever a notice or other communication is required to be provided to Debentureholders, unless and until definitive certificate(s) have been issued to Beneficial Holders of the Debentures pursuant to this Section 7.1, the Trustee shall provide all such notices and communications to the Depository for forwarding by the Depository to such Beneficial Holders in accordance with Applicable Securities Legislation. Upon the termination of the book-entry only

registration system or book based entry, as applicable, on the occurrence of one of the conditions specified in Section 7.1(2) with respect to a series of Debentures issued hereunder, the Trustee shall notify all applicable Participants and Beneficial Holders, through the Depository, of the availability of definitive Debenture Certificates. Upon surrender by the Depository of the certificate(s) representing the Global Debentures and receipt of new registration instructions from the Depository, the Trustee shall deliver the definitive Debenture Certificates for such Debentures to the holders thereof in accordance with the new registration instructions and thereafter, the registration and transfer of such Debentures will be governed by Section 7.2 and the remaining Sections of this Article 3, as applicable.

- (5) Notwithstanding any other provisions of this Indenture or the Debentures, transfers and exchanges of Debentures and beneficial interests in Global Debentures shall be made in accordance the applicable rules and guidelines of the Securities Transfer Association of Canada.
- (6) Notwithstanding any provisions made in this Indenture for the issuance, certification and authentication of Debentures in physical form, the Debentures, other than Debentures issued to U.S. Purchasers (other than Qualified Institutional Buyers that have delivered to the Company a Qualified Institutional Buyer Letter), issued under the terms of this Indenture may also be issued to the Depository in book based only form, non-certificated and appearing on the register of the Trustee as a book based entry. In the absence of any physical securities being created for certification by the Company and authentication by the Trustee both at the initial issuance of the Debentures and at the time of any subsequent additional issuance of Debentures pursuant to the terms of a supplemental indenture, confirmation of the due issuance and validity of any Debentures shall be based upon the comparison of the Debentures in quantity and description appearing under the relevant broker's instant deposit request identification number to the quantity and description of Debentures as detailed in the Written Direction of the Company addressed to the Trustee and to the broker upon whose posting of the Book Based Only Debentures to the book entry records of the Depository on a non-certificated basis on which both the Company and the Trustee shall depend. It is the responsibility of the Company to make the necessary arrangements with its broker or brokers to obtain, in a timely manner, the necessary instant deposit request identification number to facilitate the issuance of Book Based Only Debentures.
- (7) In the establishment and maintenance of a Book Based Only Debenture issue, the Trustee shall maintain such a record on its register for Debentures in book based form only. Transfers of Debentures appearing on the register of the Depository shall otherwise occur as provided for in this Indenture. The parties

hereto further recognize that, notwithstanding the issuance of Book Based Only Debentures, conversions of Debentures shall occur as contemplated by the terms of this Indenture but the Trustee is permitted to employ whatever reasonable means it may from time to time require in order to guarantee the unhindered (but subject to the terms and conditions hereof) conversion of such Debentures appearing on the register for Debentures in book based only form by making whatever arrangements are deemed necessary by it with the Depository.

Section 7.2 Fully Registered Debentures

- (1) With respect to each series of Debentures issuable as Fully Registered Debentures, the Company shall cause to be kept by and at the principal offices of the Trustee in Toronto, Ontario and Montreal, Québec and by the Trustee or such other registrar as the Company, with the approval of the Trustee, may appoint at such other place or places, if any, as may be specified in the Debentures of such series or as the Company may designate with the approval of the Trustee, a register in which shall be entered the names and addresses of the holders of Fully Registered Debentures and particulars of the Debentures held by them respectively and of all transfers of Fully Registered Debentures. Such registration shall be noted on the Debentures by the Trustee or other registrar unless a new Debenture shall be issued upon such transfer.
- (2) No transfer of a Fully Registered Debenture shall be valid unless made on such register referred to in Section 7.2(1) by the registered holder or such holder's executors, administrators or other legal representatives or an attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Trustee or other registrar upon surrender of the Debentures together with a duly executed form of transfer acceptable to the Trustee upon compliance with such other reasonable requirements as the Trustee or other registrar may prescribe, or unless the name of the transferee shall have been noted on the Debenture by the Trustee or other registrar.
- (3) Notwithstanding any other provisions in this Indenture or the Debentures, transfers and exchanges of Restricted Debentures shall be made in accordance with this Section 7.2(3):
 - (a) **Transfer of Restricted Physical Debenture for Restricted Physical Debenture.** A Restricted Physical Debenture may be transferred to a Person who takes delivery thereof in the form of a Restricted Physical Debenture or a Restricted Uncertificated Debenture if the Company and the Trustee receives an opinion of counsel of recognized standing, in form and substance reasonably satisfactory to the Company, to the effect that such transfer or exchange is in compliance with an available

exemption from the registration requirements of the *1933 Act* and all applicable state securities laws.

(b) **Transfer and Exchange of Restricted Physical Debentures for Unrestricted Physical Debentures.** A Restricted Physical Debenture may be exchanged by the holder thereof for an Unrestricted Physical Debenture or transferred to a Person who takes delivery thereof in the form of an Unrestricted Physical Debenture if the Trustee receives the following:

- (i) if the holder of such Restricted Physical Debenture proposes to exchange such Debenture for an Unrestricted Physical Debenture, a certificate from such holder in the form of Schedule E to the applicable Supplemental Indenture, including the certifications in item (1)(b) thereof;
- (ii) if the holder of such Restricted Physical Debenture proposes to transfer such Debenture to a Person outside of the United States and is not a U.S. Person who shall take delivery thereof in the form of an Unrestricted Physical Debenture, a certificate from such holder in the form of Schedule D to the applicable Supplemental Indenture, including the certifications in item (1) thereof;
- (iii) if the holder of such Restricted Physical Debenture proposes to transfer such Debenture to a Person who will be a U.S. Debentureholder and shall take delivery thereof in the form of an Unrestricted Uncertificated Debenture, a certificate from such holder in the form of Schedule D to the applicable Supplemental Indenture, including the certifications in item (2) thereof; or
- (iv) if the holder of such Restricted Physical Debenture proposes to transfer such Debenture to a Person who will be a U.S. Debentureholder and shall take delivery thereof in the form of an Unrestricted Physical Debenture, a certificate from such holder in the form of Schedule D to the applicable Supplemental Indenture, including the certifications in item (2) thereof

and, in each such case set forth in this Section 7.2(3)(b)(i), (iii) and (iv), an opinion of counsel in form reasonably acceptable to the Company and the Trustee to the effect that

such transfer or exchange is in compliance with the *1933 Act* and all applicable state securities laws.

Section 7.3 Transferee Entitled to Registration

The transferee of a Debenture shall be entitled, after the appropriate form of transfer is lodged with the Trustee or other registrar and upon compliance with all other conditions in that behalf required by this Indenture or by law, to be entered on the register as the owner of such Debenture free from all equities or rights of set-off or counterclaim between the Company and the transferor or any previous holder of such Debenture, save in respect of equities of which the Company is required to take notice by statute or by order of a court of competent jurisdiction. Upon surrender for registration of transfer of Debentures, the Company shall issue and thereupon the Trustee shall Authenticate and deliver a new Debenture Certificate or confirm the electronic deposit of Uncertificated Debentures of like tenor in the name of the designated transferee and register such transfer in accordance with Section 7.2. If less than all the Debentures evidenced by the Debenture Certificate(s) or Uncertificated Debentures so surrendered are transferred, the transferor shall be entitled to receive, in the same manner, a new Debenture Certificate or electronically deposited Uncertificated Debentures registered in its name evidencing the Debentures not transferred.

Section 7.4 No Notice of Trusts

Neither the Company nor the Trustee nor any registrar shall be bound to take notice of or see to the execution of any trust (other than that created by this Indenture) whether express, implied or constructive, in respect of any Debenture, and may transfer the same on the direction of the Person registered as the holder thereof, whether named as trustee or otherwise, as though that Person were the beneficial owner thereof.

Section 7.5 Registers Open for Inspection

The registers referred to in Section 7.1 and Section 7.2 shall at all reasonable times be open for inspection by the Company, the Trustee or any Debentureholder. Every registrar, including the Trustee, shall from time to time when requested so to do by the Company, in writing, furnish the Company with a list of names and addresses of holders of registered Debentures entered on the register kept by them and showing the principal amount and serial numbers of the Debentures held by each such holder, provided the Trustee shall be entitled to charge a reasonable fee to the Company to provide such a list.

Section 7.6 Exchanges of Debentures

- (1) Subject to Section 7.1, Section 7.2 and Section 7.7, Debentures in any authorized form or denomination, other than Uncertificated Debentures, may be exchanged for Debentures in any other authorized form or denomination, of the same series and date of maturity, bearing the same interest rate and of the same aggregate principal amount as the Debentures so exchanged.
- (2) In respect of exchanges of Debentures permitted by Section 7.6(1), Debentures of any series may be exchanged only at the principal offices of the Trustee in the city of Montreal, Québec or Toronto, Ontario or at such other place or places, if any, as may be specified in the Debentures of such series and at such other place or places as may from time to time be designated by the Company with the approval of the Trustee. Any Debentures tendered for exchange shall be surrendered to the Trustee. The Company shall execute and the Trustee shall Authenticate all Debentures necessary to carry out exchanges as aforesaid. All Debentures surrendered for exchange shall be cancelled.
- (3) Debentures issued in exchange for Debentures which at the time of such issue have been selected or called for redemption at a later date shall be deemed to have been selected or called for redemption in the same manner and shall have noted thereon a statement to that effect.

Section 7.7 Closing of Registers

- (1) Neither the Company nor the Trustee nor any registrar shall be required to:
 - (a) make transfers or exchanges of, or convert any Debentures on any day selected by the Trustee for the redemption of Debentures or during the five preceding Business Days;
 - (b) make exchanges of any Debentures which will have been selected or called for redemption unless upon due presentation thereof for redemption such Debentures shall not be redeemed, as the register for the applicable series of Debentures shall be closed in respect of such actions on such dates; or
 - (c) make transfers or exchanges of any Debentures on the Business Day immediately preceding the maturity date of such Debentures, or during such longer period prior to an applicable maturity date as directed in writing by the Company (which period shall not exceed the five Business Days preceding the applicable maturity date).

- (2) Subject to any restriction herein provided, the Company with the approval of the Trustee may at any time close any register for any series of Debentures, other than those kept at the principal offices of the Trustee in Toronto, Ontario and Montreal, Québec, and transfer the registration of any Debentures registered thereon to another register (which may be an existing register) and thereafter such Debentures shall be deemed to be registered on such other register. Notice of such transfer shall be given to the holders of such Debentures.
- (3) Notwithstanding the foregoing provisions, the Company and the Trustee acknowledge and agree that Debentures will continue trading up to, on or about, the date of redemption of the Debentures as provided for herein, or the Maturity Date, whichever is earliest to occur.

Section 7.8 Charges for Registration, Transfer and Exchange

For each Debenture exchanged, registered, transferred or discharged from registration, the Trustee or other registrar, except as otherwise herein provided, may make a reasonable charge for its services and in addition may charge a reasonable sum for each new Debenture issued (such amounts to be agreed upon from time to time by the Trustee and the Company), and payment of such charges and reimbursement of the Trustee or other registrar for any stamp taxes or governmental or other charges required to be paid shall be made by the party requesting such exchange, registration, transfer or discharge from registration as a condition precedent thereto. Notwithstanding the foregoing provisions, no charge shall be made to a Debentureholder hereunder:

- (a) for any exchange, registration, transfer or discharge from registration of any Debenture applied for within a period of two months from the date of the first delivery of Debentures of that series or, with respect to Debentures subject to a Periodic Offering, within a period of two months from the date of delivery of any such Debenture;
- (b) for any exchange of any interim or temporary Debenture or interim certificate that has been issued under Section 2.10 for a certificated Debenture;
- (c) for any exchange of an Uncertificated Debenture as contemplated in Section 7.1; or
- (d) for any exchange of any Debenture resulting from a partial conversion or partial exercise hereunder.

Section 7.9 Ownership of Debentures

- (1) Unless otherwise required by law, the Person in whose name any registered Debenture is registered shall for all purposes of this Indenture be and be deemed to be the owner thereof and payment of or on account of the principal of and premium, if any, on such Debenture and interest thereon shall be made to such registered holder.
- (2) The registered holder for the time being of any registered Debenture shall be entitled to the principal, premium, if any, and/or interest evidenced by such instruments, respectively, free from all equities or rights of set-off or counterclaim between the Company and the original or any intermediate holder thereof and all persons may act accordingly and the receipt of any such registered holder for any such principal, premium or interest shall be a good discharge to the Trustee, any registrar and to the Company for the same and none shall be bound to inquire into the title of any such registered holder.
- (3) Where Debentures are registered in more than one name, the principal, premium, if any, and interest from time to time payable in respect thereof may be paid to the order of all such holders, failing written instructions from them to the contrary, and the receipt of any one of such holders therefor shall be a valid discharge, to the Trustee, any registrar and to the Company.
- (4) In the case of the death of one or more joint holders of any Debenture the principal, premium, if any, and interest from time to time payable thereon may be paid to the order of the survivor or survivors of such registered holders and the receipt of any such survivor or survivors therefor shall be a valid discharge to the Trustee and any registrar and to the Company.

ARTICLE 8 – CONVERSION OF DEBENTURES

Section 8.1 Applicability of Article

- (1) Any Debentures issued hereunder of any series which by their terms are convertible (subject, however, to any applicable restriction of the conversion of Debentures of such series) will be convertible into Common Shares or other securities of the Company, at such conversion rate or rates, and on such date or dates and in accordance with such other provisions as shall have been determined at the time of issue of such Debentures and shall have been expressed in this Indenture (including Section 7.7 hereof), in such Debentures, in an Officer's Certificate, or in a Supplemental Indenture authorizing or providing for the issue thereof.

- (2) Such right of conversion shall extend only to the maximum number of whole Common Shares into which the aggregate principal amount of the Debenture and any accrued or unpaid interests or Debentures surrendered for conversion at any one time by the holder thereof may be converted. Fractional interests in Common Shares shall be adjusted for in the manner provided in Section 8.4.

Section 8.2 Manner of Exercise of Right to Convert

- (1) The holder of a Debenture Certificate desiring to convert such Debenture in whole or in part into Common Shares shall surrender such Debenture Certificate to the Trustee at its principal office in the City of Montreal, Québec or Toronto, Ontario together with the conversion notice in the form of Schedule B to the applicable Supplemental Indenture or any other written notice in a form satisfactory to the Trustee, duly executed by the holder or its executors or administrators or other legal representatives or its or their attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Trustee, exercising its right to convert such Debenture in accordance with the provisions of this Article; provided that, with respect to an Uncertificated Debenture, registration and surrender of interests in the Debentures will be made only through the Depository's non-certificated system. Restricted Uncertificated Debentures, if any, and Restricted Physical Debentures shall be converted into Common Shares marked to bear the U.S. Legend and, if converted prior to October 28, 2022, also bearing the Canadian Legend. Unrestricted Debentures shall: (a) if converted prior to October 28, 2022, be converted into Common Shares bearing restricted CUSIP #01444Q500, ISIN #CA01444Q5005 and, if certificated, the Canadian Legend; or (b) if converted on or after October 28, 2022, be converted into Common Shares bearing unrestricted CUSIP #01444QAA2 and ISIN #CA01444QAA28. Upon the Trustee receiving an executed Conversion Notice as set out in Schedule B to the applicable Supplemental Indenture with the applicable box therein being ticked, the Trustee will issue Common Shares without the U.S. Legend under unrestricted CUSIP #01444QAA2 and ISIN #CA01444QAA28. Thereupon such Debentureholder or, subject to compliance with the applicable terms and provisions hereof and payment of all applicable stamp or security transfer taxes or other governmental charges and compliance with all reasonable requirements of the Trustee, its nominee(s) or assignee(s) shall be entitled to be entered in the books of the Company as at the Date of Conversion (or such later date as is specified in Section 8.2(2)) as the holder of the number of Common Shares, as applicable, into which such Debenture is convertible in accordance with the provisions of this Article 8 and, as soon as practicable thereafter, the Company shall deliver to such Debentureholder or, subject as aforesaid, its nominee(s) or assignee(s), a certificate or certificates for such Common Shares or deposit such Common Shares through the Depository's non-certificated

system and make or cause to be made any payment of interest to which such holder is entitled in accordance with Section 8.2(5).

- (2) For the purposes of this Article, a Debenture shall be deemed to be surrendered for conversion on the date (herein called the “**Date of Conversion**”) on which it is so surrendered when the register of the Trustee is open and in accordance with the provisions of this Article or, in the case of an Uncertificated Debenture which the Trustee received notice of and all necessary documentation in respect of the exercise of the conversion rights and, in the case of a Debenture so surrendered by mail or other means of transmission, on the date on which it is received by the Trustee at the principal offices of the Trustee in Montreal, Québec or Toronto, Ontario; provided that if a Debenture is surrendered for conversion on a day on which the register of Common Shares is closed, the Person or Persons entitled to receive Common Shares shall become the holder or holders of record of such Common Shares as at the date on which such registers are next reopened.
- (3) Any part, being \$1,000 or an integral multiple thereof, of a Debenture in a denomination in excess of \$1,000 may be converted as provided in this Article and all references in this Indenture to conversion of Debentures shall be deemed to include conversion of such parts.
- (4) The holder of any Debenture of which only a part is converted shall, upon the exercise of its right of conversion surrender such Debenture to the Trustee in accordance with Section 8.2, and the Trustee shall cancel the same and shall without charge forthwith Authenticate and deliver to the holder a new Debenture or Debentures in an aggregate principal amount equal to the unconverted part of the principal amount of the Debenture so surrendered; or, with respect to an Uncertificated Debenture, registration and surrender of interests in the Debentures will be made only through the Depository’s non-certificated system.
- (5) Except as may be otherwise expressly provided for at the time of issue of such Debentures, as expressed in this Indenture, in such Debentures, in an Officer’s Certificate, or in a Supplemental Indenture authorizing or providing for the issue thereof, the holder of a Debenture surrendered for conversion in accordance with this Section 8.2 shall be entitled (subject to any applicable restriction on the right to receive interest on conversion of Debentures of any series) to receive accrued and unpaid interest in respect thereof, in cash, from the last Interest Payment Date prior to the Date of Conversion up to but excluding the Date of Conversion and the Common Shares issued upon such conversion shall rank only in respect of distributions or dividends declared in favour of shareholders of record on and after the Date of Conversion or such later date as such holder shall become the holder of record of such Common Shares pursuant to Section 8.2(2), from which

applicable date they will for all purposes be and be deemed to be issued and outstanding as fully paid and non-assessable Common Shares.

Section 8.3 Adjustment of Conversion Price

Subject to the requirements of the TSX (or such other recognized exchange on which the Debentures are then listed), the Conversion Price in effect at any date shall be subject to adjustment from time to time as set forth below.

- (a) If and whenever at any time prior to the Time of Expiry the Company shall
 - (i) subdivide or redivide the outstanding Common Shares into a greater number of shares;
 - (ii) reduce, combine or consolidate the outstanding Common Shares into a smaller number of shares;
 - (iii) issue Common Shares or securities exchangeable or convertible into Common Shares to the holders of all or substantially all of the outstanding Common Shares by way of a stock dividend or distribution (other than the issue of Common Shares to holders of Common Shares who have elected to receive dividends or distributions in the form of Common Shares in lieu of cash dividends or cash distributions paid in the ordinary course on the Common Shares); or
 - (iv) the distribution to all or substantially all of the holders of Common Shares of any other class of shares, rights, options or warrants, evidences of indebtedness or assets,

the Conversion Price in effect on the effective date of such subdivision, redivision, reduction, combination or consolidation or on the record date for such issue of Common Shares by way of a dividend or distribution, as the case may be, shall in the case of any of the events referred to in (i) and (iii) above be decreased in proportion to the number of outstanding Common Shares resulting from such subdivision, redivision, dividend or distribution, or shall, in the case of any of the events referred to in (ii) above, be increased in proportion to the number of outstanding Common Shares resulting from such reduction, combination or consolidation. Such adjustment shall be made successively whenever any event referred to in this Section 8.3(a) shall occur. Any such issue of Common Shares by way of a dividend or

distribution shall be deemed to have been made on the record date for the dividend or distribution for the purpose of calculating the number of outstanding Common Shares under subsections (b) and (c) of this Section 8.3.

- (b) If and whenever at any time prior to the Time of Expiry the Company shall fix a record date for the issuance of options, rights or warrants to all or substantially all the holders of its outstanding Common Shares entitling them, for a period expiring not more than 45 days after such record date, to subscribe for or purchase Common Shares (or securities convertible into Common Shares) at a price per share (or having a conversion or exchange price per share) less than 95% of the Current Market Price on such record date, the Conversion Price shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Conversion Price in effect on such record date by a fraction, of which the numerator shall be the total number of Common Shares outstanding on such record date plus a number of Common Shares equal to the number arrived at by dividing the aggregate price of the total number of additional Common Shares offered for subscription or purchase (or the aggregate conversion or exchange price of the convertible securities so offered) by such Current Market Price, and of which the denominator shall be the total number of Common Shares outstanding on such record date plus the total number of additional Common Shares offered for subscription or purchase (or into which the convertible securities so offered are convertible). Such adjustment shall be made successively whenever such a record date is fixed. To the extent that any such options, rights or warrants are not so issued or any such options, rights or warrants are not exercised prior to the expiration thereof, the Conversion Price shall be re-adjusted to the Conversion Price which would then be in effect if such record date had not been fixed or to the Conversion Price which would then be in effect based upon the number of Common Shares (or securities convertible into Common Shares) actually issued upon the exercise of such options, rights or warrants were included in such fraction, as the case may be.

- (c) If and whenever at any time prior to the Time of Expiry, there is a reclassification of the Common Shares or a capital reorganization of the Company other than as described in Section 8.3(a) or a consolidation, amalgamation, arrangement, share exchange, merger of the Company with or into any other Person or other entity or acquisition of the Company or other combination pursuant to which the Common Shares are converted into or acquired for cash, securities or other property; or

a sale or conveyance of the property and assets of the Company as an entirety or substantially as an entirety to any other Person (other than a direct or indirect wholly-owned Subsidiary of the Company) or other entity or a liquidation, dissolution or winding-up of the Company, any holder of a Debenture who has not exercised its right of conversion prior to the effective date of such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, share exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, upon the exercise of such right thereafter, shall be entitled to receive and shall accept, in lieu of the number of Common Shares then sought to be acquired by it, such amount of cash or the number of shares or other securities or property of the Company or of the Person or other entity resulting from such merger, amalgamation, arrangement, acquisition, combination or consolidation, or to which such sale or conveyance may be made or which holders of Common Shares receive pursuant to such liquidation, dissolution or winding-up, as the case may be, that such holder of a Debenture would have been entitled to receive on such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, share exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, if, on the record date or the effective date thereof, as the case may be, the holder had been the registered holder of the number of Common Shares sought to be acquired by it and to which it was entitled to acquire upon the exercise of the conversion right, subject to Section 8.3(l). If determined appropriate by the Board of Directors, to give effect to or to evidence the provisions of this Section 8.3(c), the Company, its successor, or such purchasing Person or other entity, as the case may be, shall, prior to or contemporaneously with any such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, share exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, enter into an indenture which shall provide, to the extent possible, for the application of the provisions set forth in this Indenture with respect to the rights and interests thereafter of the holder of Debentures to the end that the provisions set forth in this Indenture shall thereafter correspondingly be made applicable, as nearly as may reasonably be, with respect to any cash, shares or other securities or property to which a holder of Debentures is entitled on the exercise of its acquisition rights thereafter. Any indenture entered into between the Company and the Trustee pursuant to the provisions of this Section 8.3(c) shall be a Supplemental Indenture entered into pursuant to the provisions of Article 16. Any indenture entered into between the Company, any successor to the Company or such purchasing Person or other entity and the Trustee shall

provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided in this Section 8.3(c) and which shall apply to successive reclassifications, capital reorganizations, amalgamations, consolidations, mergers, share exchanges, acquisitions, combinations, sales or conveyances. For greater certainty, nothing in this Section 8.3(c) shall affect or reduce the requirement for any Person to make a Change of Control Offer, and notice of any transaction to which this Section 8.3(c) applies shall be given in accordance with Section 8.7.

- (d) If the Company shall make a distribution to all or substantially all of the holders of Common Shares of shares in the capital of the Company, other than Common Shares, or evidences of indebtedness or other assets of the Company, including securities (but excluding (i) any issuance of rights or warrants for which an adjustment was made pursuant to Section 8.3(b) and (ii) any dividend or distribution paid exclusively in cash (the “**Distributed Securities**”), then in each such case (unless the Company distributes such Distributed Securities to the holders of Debentures on such dividend or distribution date (as if each holder had converted such Debenture into Common Shares immediately preceding the record date with respect to such distribution)) the Conversion Price in effect immediately preceding the record date fixed for the determination of shareholders entitled to receive such dividend or distribution shall be adjusted so that the same shall equal the price determined by multiplying the Conversion Price in effect immediately preceding such record date by a fraction of which the denominator shall be the Current Market Price per Common Share on such record date and of which the numerator shall be the Current Market Price per Common Share on such record date less the fair market value (as determined by the Board of Directors, subject to TSX approval, whose determination shall be conclusive evidence of such fair market value, subject to approval by the TSX (or such other recognized stock exchange on which the Common Shares are listed for trading) and which shall be evidenced by an Officer’s Certificate delivered to the Trustee) on such record date of the portion of the Distributed Securities so distributed applicable to one Common Share (determined on the basis of the number of Common Shares outstanding at the close of business on such record date). Such adjustment shall be made successively whenever any such distribution is made and shall become effective immediately after the record date for the determination of shareholders entitled to receive such distribution. In the event that such dividend or distribution is not so paid or made, the Conversion Price shall again be adjusted to be the Conversion Price that would then be in effect if such dividend or

distribution had not been declared. If the then fair market value (as so determined) of the portion of the Distributed Securities so distributed applicable to one Common Share is equal to or greater than the Current Market Price per Common Share on such record date, in lieu of the foregoing adjustment, adequate provision shall be made so that each holder of a Debenture shall have the right to receive upon conversion the amount of Distributed Securities so distributed that such holder would have received had such holder converted each Debenture on such record date. If the Board of Directors determines the fair market value of any distribution for purposes of this Section 8.3(d) by reference to the actual or when issued trading market for any securities, it must in doing so consider the prices in such market over the same period used in computing the Current Market Price of the Common Shares.

Notwithstanding the foregoing, if the securities distributed by the Company to all holders of its Common Shares consist of capital stock of, or similar equity interests in, a Subsidiary or other business of the Company (the “**Spinoff Securities**”), the Conversion Price shall be adjusted, unless the Company makes an equivalent distribution to the holders of Debentures, so that the same shall be equal to the rate determined by multiplying the Conversion Price in effect on the record date fixed for the determination of shareholders entitled to receive such distribution by a fraction, the denominator of which shall be the sum of (A) the weighted average trading price of one Common Share over the 20 consecutive trading day period (the “**Spinoff Valuation Period**”) commencing on and including the fifth trading day after the date on which ex-dividend trading commences for such distribution on the TSX (or such other exchange on which the Common Shares are then listed) and (B) the product of (i) the weighted average trading price (calculated in substantially the same way as the Current Market Price is calculated for the Common Shares) over the Spinoff Valuation Period of the Spinoff Securities or, if no such prices are available, the fair market value of the Spinoff Securities as reasonably determined by the Board of Directors (which determination shall be conclusive and shall be evidenced by an Officer’s Certificate delivered to the Trustee) multiplied by (ii) the number of Spinoff Securities distributed in respect of one Common Share and the numerator of which shall be the weighted average trading price of one Common Share over the Spinoff Valuation Period, such adjustment to become effective immediately preceding the opening of business on the 25th trading day after the date on which ex-dividend trading commences; provided, however, that the Company may in lieu of the foregoing adjustment elect to make adequate provision so that each holder of Debentures shall have the right to

receive upon conversion thereof the amount of such Spinoff Securities that such holder of Debentures would have received if such Debentures had been converted on the record date with respect to such distribution.

- (e) If any issuer bid made by the Company or any of its Subsidiaries for all or any portion of Common Shares shall expire, then, if the issuer bid shall require the payment to shareholders of consideration per Common Share having a fair market value (determined as provided below) that exceeds the Current Market Price on the last date (the “**Expiration Date**”) tenders could have been made pursuant to such issuer bid (as it may be amended) (the last time at which such tenders could have been made on the Expiration Date is hereinafter sometimes called the “**Expiration Time**”), the Conversion Price shall be adjusted so that the same shall equal the rate determined by multiplying the Conversion Price in effect immediately preceding the close of business on the Expiration Date by a fraction of which (i) the denominator shall be the sum of (A) the fair market value of the aggregate consideration (the fair market value as determined by the Board of Directors, whose determination shall be conclusive evidence of such fair market value and which shall be evidenced by an Officer’s Certificate delivered to the Trustee) payable to shareholders based on the acceptance (up to any maximum specified in the terms of the issuer bid) of all Common Shares validly tendered and not withdrawn as of the Expiration Time (the Common Shares deemed so accepted, up to any such maximum, being referred to as the “**Purchased Common Shares**”) and (B) the product of the number of Common Shares outstanding (less any Purchased Common Shares and excluding any Common Shares held in the treasury of the Company) at the Expiration Time and the Current Market Price on the Expiration Date and (ii) the numerator of which shall be the product of the number of Common Shares outstanding (including Purchased Common Shares but excluding any Common Shares held in the treasury of the Company) at the Expiration Time multiplied by the Current Market Price on the Expiration Date, such increase to become effective immediately preceding the opening of business on the day following the Expiration Date. In the event that the Company is obligated to purchase Common Shares pursuant to any such issuer bid, but the Company is permanently prevented by applicable law from effecting any or all such purchases or any or all such purchases are rescinded, the Conversion Price shall again be adjusted to be the Conversion Price which would have been in effect based upon the number of Common Shares actually purchased, if any. If the application of this Section (e) of Section 8.3 to any issuer bid would result in a

decrease in the Conversion Price, no adjustment shall be made for such issuer bid under this Section (e).

For purposes of this Section 8.3(e), the term “**issuer bid**” shall mean an issuer bid under Applicable Securities Legislation or a take-over bid under Applicable Securities Legislation by a Subsidiary of the Company for the Common Shares and all references to “purchases” of Common Shares in issuer bids (and all similar references) shall mean and include the purchase of Common Shares in issuer bids and all references to “tendered Common Shares” (and all similar references) shall mean and include Common Shares tendered in issuer bids.

- (f) In any case in which this Section 8.3 shall require that an adjustment shall become effective immediately after a record date for an event referred to herein, the Company may defer, until the occurrence of such event, issuing to the holder of any Debenture converted after such record date and before the occurrence of such event the additional Common Shares issuable upon such conversion by reason of the adjustment required by such event before giving effect to such adjustment; provided, however, that the Company shall deliver to such holder an appropriate instrument evidencing such holder’s right to receive such additional Common Shares upon the occurrence of the event requiring such adjustment and the right to receive any distributions made on such additional Common Shares declared in favour of holders of record of Common Shares on and after the Date of Conversion or such later date as such holder would, but for the provisions of this Section 8.3(f), have become the holder of record of such additional Common Shares pursuant to Section 8.2(2).
- (g) The adjustments provided for in this Section 8.3 are cumulative and shall apply to successive subdivisions, redivisions, reductions, combinations, consolidations, distributions, issues or other events resulting in any adjustment under the provisions of this Section, provided that, notwithstanding any other provision of this Section, no adjustment of the Conversion Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Conversion Price then in effect; provided however, that any adjustments which by reason of this Section 8.3(g) are not required to be made shall be carried forward and taken into account in any subsequent adjustment.
- (h) For the purpose of calculating the number of Common Shares outstanding, Common Shares owned by or for the benefit of the Company shall not be counted.

- (i) In the event of any question arising with respect to the adjustments provided in this Section 8.3, such question shall be conclusively determined by the Board of Directors, and in the event holders of not less than 25% of the principal amount of the Debentures then outstanding notify the Trustee that they do not agree with such determination within 14 calendar days of such determination being communicated to all the holders, such determination shall be made by a firm of nationally recognized chartered accountants appointed by the Company and acceptable to the Trustee (who may be the Auditors of the Company); such accountants shall have access to all necessary records of the Company and such determination shall be binding upon the Company, the Trustee, and the Debentureholders. In the absence of notice by holders of not less than 25% of the principal amount of the Debentures then outstanding of their disagreement as aforesaid, the determination of the Board of Directors shall be binding.
- (j) In case the Company shall take any action (other than the payment of cash dividends) affecting the Common Shares other than action described in this Section 8.3, which in the opinion of the Board of Directors, would materially affect the rights of Debentureholders, the Conversion Price shall be adjusted in such manner and at such time, by action of the Board of Directors, as the Board of Directors, subject to the prior consent of the TSX (or such other recognized stock exchange on which the Debentures are listed), in their sole discretion may determine to be equitable in the circumstances. Failure of the directors to make such an adjustment shall be conclusive evidence that they have determined that it is equitable to make no adjustment in the circumstances.
- (k) Subject to the prior written consent of the TSX or such other exchange on which the Debentures are then listed, no adjustment in the Conversion Price shall be made in respect of any event described in Section 8.3(a), Section 8.3(b), Section 8.3(c), Section 8.3(d), Section 8.3(e) or Section 8.3(f) other than the events described in Section 8.3(a)(i) or Section 8.3(a)(ii) if the holders of the Debentures are entitled to participate in such event on the same terms mutatis mutandis as if they had converted their Debentures prior to the effective date or record date, as the case may be, of such event.
- (l) The Company will not be required to make adjustments in the Conversion Price unless the cumulative effect of such adjustments would change the Conversion Price by at least 1%.

- (m) Except as stated above in this Section 8.3, no adjustment will be made in the Conversion Price for any Debentures as a result of the issuance of Common Shares at less than the Current Market Price on the date of issuance or the then applicable Conversion Price.

Notwithstanding any of the foregoing in this Section 8.3, if a holder of a Debenture would otherwise be entitled to receive, upon conversion of the Debenture, any property (including cash) or securities that would not constitute “prescribed securities” for the purposes of Section 212(1)(b)(vii)(E) of the *Tax Act* as it applied on December 31, 2007 (“**Ineligible Consideration**”), such holder of a Debenture shall not be entitled to receive such Ineligible Consideration and the Company or the successor or acquirer, as the case may be, shall have the right (at the sole option of the Company or the successor or acquirer, as the case may be) to deliver to such holder “prescribed securities” for the purposes of Section 212(1)(b)(vii)(E) of the *Tax Act* as it applied on December 31, 2007 with a market value (as conclusively determined by the Board of Directors) equal to the market value of such Ineligible Consideration.

Section 8.4 No Requirement to Issue Fractional Common Shares

The Company shall not be required to issue fractional Common Shares upon the conversion of Debentures pursuant to this Article. Where a fractional Common Share would be issued, such fraction shall be rounded down to the nearest whole Common Share. The Company will pay cash to the Debenture holder in an amount equal to any such fraction multiplied by the Conversion Price. If more than one Debenture shall be surrendered for conversion at one time by the same holder, the number of whole Common Shares issuable upon conversion thereof shall be computed on the basis of the aggregate principal amount of such Debentures to be converted.

Section 8.5 Company to Reserve Common Shares

The Company covenants with the Trustee that it will at all times reserve and keep available out of its authorized Common Shares (if the number thereof is or becomes limited), solely for the purpose of issue upon conversion of Debentures as in this Article provided, and conditionally allot to Debentureholders who may exercise their conversion rights hereunder, such number of Common Shares as shall then be issuable upon the conversion of all outstanding Debentures. The Company covenants with the Trustee that all Common Shares which shall be so issuable shall be duly and validly issued as fully-paid and non-assessable.

Section 8.6 Cancellation of Converted Debentures

All Debentures converted in whole or in part under the provisions of this Article shall be forthwith delivered to and cancelled by the Trustee and no Debenture shall be issued in substitution for those converted.

Section 8.7 Certificate as to Adjustment

The Company shall from time to time immediately after the occurrence of any event which requires an adjustment or readjustment as provided in Section 8.3, deliver an Officer's Certificate to the Trustee specifying the nature of the event requiring the same and the amount of the adjustment necessitated thereby and setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based, which certificate and the amount of the adjustment specified therein shall be verified by advice of a firm of nationally recognized chartered accountants appointed by the Company and acceptable to the Trustee (who may be the Auditors of the Company) and shall be conclusive and binding on all parties in interest. When so approved, the Company shall forthwith give notice to the Debentureholders in the manner provided in Section 14.2 specifying the event requiring such adjustment or readjustment and the results thereof, including the resulting Conversion Price; provided that, if the Company has given notice under Section 8.8 covering all the relevant facts in respect of such event and if the Trustee approves, no such notice need be given under this Section 8.7. The Company shall contemporaneously provide the TSX or such other exchange on which the Common Shares are then listed with written notice of the adjustment.

Section 8.8 Notice of Special Matters

- (1) The Company covenants with the Trustee that so long as any Debenture remains outstanding, it will give notice to the Trustee, and to the Debentureholders in the manner provided in Section 14.2, of its intention to fix a record date for any event referred to in Section 8.3(a), Section 8.3(b), Section 8.3(c), Section 8.3(d), Section 8.3(e) (other than the subdivision, redivision, reduction, combination or consolidation of its Common Shares) which may give rise to an adjustment in the Conversion Price, and, in each case, such notice shall specify the particulars of such event and the record date and the effective date for such event; provided that the Company shall only be required to specify in such notice such particulars of such event as shall have been fixed and determined on the date on which such notice is given. Such notice shall be given not less than 14 calendar days in each case prior to such applicable record date.
- (2) In addition, the Company covenants with the Trustee that so long as any Debenture remains outstanding, it will give notice to the Trustee, and to the Debentureholders in the manner provided in Section 14.2, at least 30 calendar

days prior to the (i) effective date of any transaction referred to in Section 8.3(c) stating the consideration into which the Debentures will be convertible after the effective date of such transaction, and (ii) Expiration Date of any transaction referred to in Section 8.3(e) stating the consideration paid per Common Share in such transaction.

Section 8.9 Protection of Trustee

The Trustee:

- (a) shall not at any time be under any duty or responsibility to any Debentureholder to determine whether any facts exist which may require any adjustment in the Conversion Price, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed in making the same;
- (b) shall not be accountable with respect to the validity or value (or the kind or amount) of any Common Shares or of any shares or other securities or property which may at any time be issued or delivered upon the conversion of any Debenture; and
- (c) shall not be responsible for any failure of the Company to make any cash payment or to issue, transfer or deliver Common Shares or share certificates upon the surrender of any Debenture for the purpose of conversion, or to comply with any of the covenants contained in this Article.

Section 8.10 Restricted CUSIP or U.S. Legend on Certain Common Shares

The Debentures issuable pursuant to this Indenture and the Common Shares issuable on the conversion thereof have not been, and will not be, registered under the *U.S. Securities Act* or the securities laws of any state of the United States. Each Common Share issued upon conversion of Debentures represented by the Restricted Debentures shall be represented by a certificate with a restricted CUSIP or a U.S. Legend for Common Shares substantially in the form of Schedule C to the applicable Supplemental Indenture, and each certificate representing Common Shares issued upon conversion of Debentures bearing the U.S. Legend shall have imprinted or otherwise reproduced thereon such legend or legends in substantially the form of Schedule C to the applicable Supplemental Indenture; provided that the U.S. Legend may be removed or the Common Shares may be transferred from the restricted CUSIP as provided in Section 7.2(3)(b).

ARTICLE 9 – COVENANTS OF THE COMPANY

The Company hereby covenants and agrees with the Trustee for the benefit of the Trustee and the Debentureholders, that so long as any Debentures remain outstanding:

Section 9.1 To Pay Principal, Premium (if any) and Interest

The Company will duly and punctually pay or cause to be paid to every Debentureholder the principal of, premium (if any) and interest accrued on the Debentures of which it is the holder on the dates, at the places and in the manner mentioned herein and in the Debentures.

Section 9.2 To Pay Trustee's Remuneration

The Company will pay, from time to time, the Trustee reasonable remuneration for its services as Trustee hereunder and will repay to the Trustee on demand all monies, disbursements, expenses and advances, which shall have been paid by the Trustee in connection with the execution of the trusts hereby created, including the compensation, disbursements and expenses of the Trustee's agents and counsels, and such monies, disbursements, expenses and advances including the Trustee's remuneration, shall be payable out of any funds coming into the possession of the Trustee in priority to payment of any principal of the Debentures or interest or premium thereon. Any amount owing under this Section and unpaid 30 days after request for such payment will bear interest from the expiration of such 30 days at a rate per annum equal to the then current rate charged by the Trustee, payable on demand. Such remuneration shall continue to be payable until the trusts hereof be finally wound up and whether or not the trusts of this Indenture shall be in the course of administration by or under the direction of a court of competent jurisdiction. This Section 9.2 shall survive the resignation of the Trustee or the termination of this Agreement.

Section 9.3 To Give Notice of Default

The Company shall notify the Trustee and the Debentureholders immediately upon obtaining knowledge of any Event of Default hereunder.

Section 9.4 Preservation of Existence, etc.

Subject to the express provisions hereof, the Company will carry on and conduct its activities, and cause its Subsidiaries to carry on and conduct their businesses, in a business-like manner and in accordance with good business practices; and, subject to the express provisions hereof, it will do or cause to be done all things necessary to preserve and keep in full force and effect its existence and rights.

Section 9.5 Keeping of Books

The Company will keep or cause to be kept proper books of record and account, in which full and correct entries shall be made of all financial transactions and the assets and business of the Company in accordance with generally accepted accounting principles.

Section 9.6 Annual Certificate of Compliance

Upon demand by the Trustee, the Company shall deliver to the Trustee, within 120 days after the end of each calendar year, (and at any reasonable time upon demand by the Trustee) an Officer's Certificate as to the knowledge of such officers of the Company who execute the Officer's Certificate of the Company's compliance with all conditions and covenants in this Indenture certifying that after reasonable investigation and inquiry, the Company has complied with all covenants, conditions or other requirements contained in this Indenture, the non-compliance with which could, with the giving of notice, lapse of time or otherwise, constitute an Event of Default hereunder, or if such is not the case, setting forth with reasonable particulars the circumstances of any failure to comply and steps taken or proposed to be taken to eliminate such circumstances and remedy such Event of Default, as the case may be. Such Officer's Certificate shall also include details of all Net Cash Proceeds received from Dispositions made in such calendar year.

Section 9.7 Performance of Covenants by Trustee

If the Company shall fail to perform any of its covenants contained in this Indenture, the Trustee may notify the Debentureholders of such failure on the part of the Company or may itself perform any of the covenants capable of being performed by it, but shall be under no obligation to do so or to notify the Debentureholders. All sums so expended or advanced by the Trustee shall be repayable as provided in Section 9.2. No such performance, expenditure or advance by the Trustee shall be deemed to relieve the Company of any default hereunder.

Section 9.8 Listing

The Company will use its reasonable commercial efforts to list the Debentures and maintain the listing of the Common Shares on the TSX, and to maintain the Company's status as a "reporting issuer" not in default of the requirements of the Applicable Securities Legislation; provided that the foregoing covenant shall not prevent or restrict the Company from carrying out a transaction to which Article 11 would apply if carried out in compliance with Article 11 even if as a result of such transaction the Company ceases to be a "reporting issuer" in all or any of the provinces of Canada or the Common Shares cease to be listed on the TSX or any other stock exchange

Section 9.9 Compliance

- (1) To the extent that the Company currently has cannabis-related activities or interests, the Company represents, warrants and agrees that, in addition to any other representation and warranty in this Indenture:

- (f) deliver to the Trustee: (i) at any reasonable time upon demand by the Trustee; (ii) in any event, immediately upon the breach of any representation, warranty or covenant contained in this Article, and (iii) within 120 days after the end of each calendar year, upon request by the Trustee, an Officer's Certificate (or supplement to an Officer's certificate otherwise being provided) as to the knowledge of such officer(s) of the Company's compliance or non-compliance with this Article, in each case attaching evidence of the current status of all Cannabis Permits;
- (g) meet all record keeping and reporting requirements set out by all applicable Governmental Authorities, including but not limited to, keeping records of all cannabis-related activities and inventories, as well as filing ongoing reports; which, at a minimum, must include, among other things, the total amounts (i) produced; (ii) released for sale; (iii) received from other licensed producers; (iv) sold or transferred to registered clients, other licensed producers and licensed dealers; or (v) otherwise retailed, with the associated revenues;
- (h) deliver to the Trustee: (i) at any reasonable time upon demand by the Trustee; and (ii) at a minimum annually, an Officer's Certificate attaching and certifying to the aggregate records described in Section 9.9(2)(g) above, for the preceding 12 months;

as a matter of any applicable United States Governmental Authority;
and

- (1) in no event, acquire or hold cannabis or cannabis-related operations or interests in any other country (including, without limiting the generality of the foregoing, royalty entitlements or investments in a cannabis business) if the production, distribution or possession of cannabis is prohibited as a matter of the law of the applicable country.
- (3) The Company acknowledges and agrees that notwithstanding any other provision of this Indenture, any default of any provision of this Article or any disruption of the market for financial services provided to cannabis businesses will result in the right of the Trustee, at its sole discretion, to resign as Trustee effective immediately, and the Company hereby acknowledges such right of the Trustee to immediately resign. For greater certainty, no cure period or advance notice is required to be given by the Trustee before the Trustee may exercise such discretion.
- (4) The Company acknowledges and agrees, in addition to any other provision herein relating to the resignation or replacement of the Trustee, that the Trustee may resign as Trustee and be discharged from all further duties and liabilities hereunder, without notice, if the Trustee reasonably determines that: (i) the Company has become unable to continue to lawfully operate any part of its cannabis or cannabis-related business or to own or maintain, directly or indirectly, its cannabis or cannabis-related investments or operations; or (ii) the Trustee would be prejudiced by continuing to act as Trustee hereunder.
- (5) The Company shall cause all of its subsidiaries to comply with the provisions of this Section 9.9 as if such subsidiaries were expressly referred to in such provisions in replacement of references to the Company, mutatis mutandis.

Section 9.10 No Dividends on Common Shares if Event of Default

The Company shall not declare or pay any dividend to the holders of its issued and outstanding Common Shares after the occurrence of an Event of Default unless and until such default shall have been cured or waived or shall have ceased to exist.

Section 9.11 Withholding Matters

- (1) All payments made by or on behalf of the Company under or with respect to the Debentures (including, without limitation, any penalties, interest and other liabilities related thereto) will be made free and clear of and without withholding, or deduction for, or on account of, any present or future tax, duty,

levy, impost, assessment or other governmental charge (including, without limitation, penalties, interest and other liabilities related hereto) imposed or levied by or on behalf of the Government of Canada or the United States or elsewhere, or of any province or territory thereof or by any authority or agency therein or thereof having power to tax (“**Withholding Taxes**”), unless the Company is required by law or the interpretation or administration thereof, to withhold or deduct any amounts for, or on account of Withholding Taxes. If the Company is so required to withhold or deduct any amount for, or on account of, Withholding Taxes from any payment made under or with respect to the Debentures, the Company will pay to each holder as additional interest such additional amounts (“**Additional Amounts**”) as may be necessary so that the net amount received by each holder after such withholding or deduction (and after deducting any Canadian taxes on such Additional Amounts) will not be less than the amount the holder would have received if such Canadian taxes had not been withheld or deducted.

- (2) The Company shall provide the Trustee with copies of receipts or other communications relating to the remittance of such withheld amount or the filing of any forms received from such government authority or agency promptly after receipt thereof.

Section 9.12 SEC Reporting Status

The Company confirms that as at the date of execution of this Indenture it does not have a class of securities registered pursuant to Section 12 of the *U.S. Securities Exchange Act* or have a reporting obligation pursuant to Section 15(d) of the *U.S. Securities Exchange Act*.

The Company covenants that in the event that (i) any class of its securities shall become registered pursuant to Section 12 of the *U.S. Securities Exchange Act* or such Company shall incur a reporting obligation pursuant to Section 15(d) of the *U.S. Securities Exchange Act*, or (ii) any such registration or reporting obligation shall be terminated by such Company in accordance with the *U.S. Securities Exchange Act*, such Company shall promptly deliver to the Trustee an Officers’ Certificate (in a form provided by the Trustee) notifying the Trustee of such registration or termination and such other information as the Trustee may require at the time. The Company acknowledges that the Trustee is relying upon the foregoing representation and covenants in order to meet certain U.S. Securities and Exchange Commission (the “**SEC**”) obligations with respect to those clients who are filing with the SEC.

Section 9.13 Compliance by Subsidiaries

The Company shall cause all of its subsidiaries to comply with the provisions of this Article 9 as if such subsidiaries were expressly referred to in such provisions in replacement of references to the Company, mutatis mutandis.

Section 9.14 Limitation on Indebtedness

The Company shall not, and shall not permit any Guarantor to, directly or indirectly, issue, incur, assume or otherwise become liable for or in respect of any secured Indebtedness other than Permitted Indebtedness unless the Senior Secured Debt to Annualized Adjusted EBITDA Ratio is less than 6.00:1.

Section 9.15 Negative Pledge

The Company shall not, and shall not permit any Guarantor to, create, assume or suffer to exist any Lien, other than Permitted Liens.

ARTICLE 10 – DEFAULT

Section 10.1 Events of Default

- (1) Each of the following events constitutes, and is herein sometimes referred to as, an “**Event of Default**”:
 - (a) failure for 30 calendar days to pay interest on the Debentures when due;
 - (b) failure to pay principal or premium (whether by way of payment of cash or delivery of Common Shares), if any, when due on the Debentures whether at maturity, upon redemption or a Change of Control, by declaration or otherwise;
 - (c) default in the delivery, when due, of any Common Shares or other consideration, payable on conversion of the Debentures, which default continues for 15 days;
 - (d) default in the observance or performance of any covenant or condition of the Indenture, any Supplemental Indenture or the Security Documents by the Company or any Guarantor and the failure to cure (or obtain a waiver for) such default for a period of 30 calendar days after notice in writing has been given by the Trustee or from holders of not less than 25% in aggregate principal amount of the Debentures then

outstanding to the Company specifying such default and requiring the Company to rectify such default or obtain a waiver for same;

- (e) if a decree or order of a Court having jurisdiction is entered adjudging the Company or any Guarantor a bankrupt or insolvent under the *Bankruptcy and Insolvency Act* (Canada) or any other bankruptcy, insolvency or analogous laws, or issuing sequestration or process of execution against, or against any substantial part of, the property of the Company or any Guarantor, or appointing a receiver of, or of any substantial part of, the property of the Company or any Guarantor or ordering the winding-up or liquidation of its affairs, and any such decree or order continues unstayed and in effect for a period of 60 calendar days;
- (f) if the Company or any Guarantor institutes proceedings to be adjudicated a bankrupt or insolvent, or consents to the institution of bankruptcy or insolvency proceedings against it under the *Bankruptcy and Insolvency Act* (Canada) or any other bankruptcy, insolvency or analogous laws, or consents to the filing of any such petition or to the appointment of a receiver of, or of any substantial part of, the property of the Company or any Guarantor or makes a general assignment for the benefit of creditors, or admits in writing its inability to pay its debts generally as they become due;
- (g) if a resolution is passed for the winding-up or liquidation of the Company or any Guarantor except in the course of carrying out or pursuant to a transaction in respect of which the conditions of Section 12.1 are duly observed and performed;
- (h) if, after the date of this Indenture, any proceedings with respect to the Company or any Guarantor are taken with respect to a compromise or arrangement, with respect to creditors of the Company or any Guarantor generally, under the applicable legislation of any jurisdiction; or
- (i) a default or an event of default (after the giving of all applicable notices or the expiry of all applicable grace or cure periods) under any one or more agreements, indentures or instruments under which any Obligor has outstanding indebtedness in excess of \$500,000,

then: (i) in each and every such event listed above, the Trustee may, in its discretion, but subject to the provisions of this Section, and shall, upon receipt of a request in writing signed by the holders of not less than 25% in principal amount of the Debentures then outstanding (or if the Event of Default shall exist

only in respect of one or more series of the Debentures then outstanding, then upon receipt of a request in writing signed by the holders of not less than 25% in principal amount of the Debentures of such series then outstanding), subject to the provisions of Section 10.3, by notice in writing to the Company declare the principal of and interest and premium, if any, on all Debentures then outstanding and all other monies outstanding hereunder to be due and payable and the same shall thereupon forthwith become immediately due and payable (or, if the Event of Default shall exist only in respect of one or more series of the Debentures then outstanding, then the Trustee may declare due and payable the principal and interest and premium, if any, only with respect to such Debentures in respect of which there is an Event of Default) to the Trustee, and (ii) on the occurrence of an Event of Default under Section 10.1(1)(e), Section 10.1(1)(f) or Section 10.1(1)(g), the principal of and interest and premium, if any, on all Debentures then outstanding hereunder and all other monies outstanding hereunder, shall automatically without any declaration or other act on the part of the Trustee or any Debentureholder become immediately due and payable to the Trustee and, in either case, upon such amounts becoming due and payable in either (i) or (ii) above, the Company shall forthwith pay to the Trustee for the benefit of the Debentureholders such principal, accrued and unpaid interest and premium, if any, and interest on amounts in default on such Debenture and all other monies outstanding hereunder, together with subsequent interest at the rate borne by the Debentures on such principal, interest, premium and such other monies from the date of such declaration or event until payment is received by the Trustee, such subsequent interest to be payable at the times and places and in the manner mentioned in and according to the tenor of the Debentures. Such payment when made shall be deemed to have been made in discharge of the Company's obligations hereunder and any monies so received by the Trustee shall be applied in the manner provided in Section 10.6.

- (2) For greater certainty, for the purposes of this Section 10.1, a series of Debentures shall be in default in respect of an Event of Default if such Event of Default relates to a default in the payment of principal, premium, if any, or interest on the Debentures of such series in which case references to Debentures in this Section 10.1 refer to Debentures of that particular series.
- (3) For purposes of this Article 10, where the Event of Default refers to an Event of Default with respect to a particular series of Debentures as described in this Section 10.1, then this Article 10 shall apply mutatis mutandis to the Debentures of such series and references in this Article 10 to the Debentures shall mean Debentures of the particular series and references to the Debentureholders shall refer to the Debentureholders of the particular series, as applicable.

Section 10.2 Notice of Events of Default

If an Event of Default shall occur and be continuing the Trustee shall, within 30 calendar days following an Event of Default or after it receives written notice of the occurrence of such Event of Default, give notice of such Event of Default to the Debentureholders in the manner provided in Section 13.2, provided that notwithstanding the foregoing, unless the Trustee shall have been requested to do so by the holders of at least 25% of the principal amount of the Debentures then outstanding, the Trustee shall not be required to give such notice if the Trustee in good faith shall have determined that the withholding of such notice is in the best interests of the Debentureholders and shall have so advised the Company in writing.

When notice of the occurrence of an Event of Default has been given and the Event of Default is thereafter cured, notice that the Event of Default is no longer continuing shall be given by the Trustee to the Debentureholders within 15 days after the Trustee becomes aware the Event of Default has been cured.

Section 10.3 Waiver of Default

- (1) Upon the happening of any Event of Default hereunder:
 - (a) the holders of the Debentures shall have the power (in addition to the powers exercisable by Extraordinary Resolution as hereinafter provided) by requisition in writing by the holders of more than 50% of the principal amount of Debentures then outstanding, to instruct the Trustee to waive any Event of Default and to cancel any declaration made by the Trustee pursuant to Section 10.1 and the Trustee shall thereupon waive the Event of Default and cancel such declaration, or either, upon such terms and conditions as shall be prescribed in such requisition; provided that notwithstanding the foregoing if the Event of Default has occurred by reason of the non-observance or non-performance by the Company of any covenant applicable only to one or more series of Debentures, then the holders of more than 50% of the principal amount of the outstanding Debentures of that series shall be entitled to exercise the foregoing power and the Trustee shall so act and it shall not be necessary to obtain a waiver from the holders of any other series of Debentures; and
 - (b) the Trustee, so long as it has not become bound to declare the principal and interest on the Debentures then outstanding to be due and payable, or to obtain or enforce payment of the same, shall have power, but shall not be obligated, to waive any Event of Default if, in the Trustee's opinion, the same shall have been cured or adequate satisfaction made

therefor, and in such event to cancel any such declaration theretofore made by the Trustee in the exercise of its discretion, upon such terms and conditions as the Trustee may deem advisable.

- (2) No such act or omission either of the Trustee or of the Debentureholders shall extend to or be taken in any manner whatsoever to affect any subsequent Event of Default or the rights resulting therefrom.

Section 10.4 Enforcement by the Trustee

- (1) Subject to the provisions of Section 10.3 and to the provisions of any Extraordinary Resolution that may be passed by the Debentureholders, if the Company shall fail to pay to the Trustee, forthwith after the same shall have been declared to be due and payable under Section 10.1, the principal of and premium (if any) and interest on all Debentures then outstanding, together with any other amounts due hereunder, the Trustee may in its discretion and shall upon receipt of a request in writing signed by the holders of not less than 25% in principal amount of the Debentures then outstanding and upon being funded and indemnified to its reasonable satisfaction against all costs, expenses and liabilities to be incurred, proceed in its name as trustee hereunder to enforce the Security in accordance with the terms of the applicable Security Document or invoke any other remedy available to the Trustee at law or in equity, subject always to the right of the Debentureholders to instruct the Trustee to waive any Default or Default by Extraordinary Resolution as contemplated by Section 10.3 hereof.
- (2) The Trustee shall be entitled and empowered, either in its own name or as Trustee of an express trust, or as attorney-in-fact for the holders of the Debentures, or in any one or more of such capacities, to file such proof of debt, amendment of proof of debt, claim, petition or other document as may be necessary or advisable in order to have the claims of the Trustee and of the holders of the Debentures allowed in any insolvency, bankruptcy, liquidation or other judicial proceedings relative to the Company or its creditors or relative to or affecting its property. The Trustee is hereby irrevocably appointed (and the successive respective holders of the Debentures by taking and holding the same shall be conclusively deemed to have so appointed the Trustee) the true and lawful attorney-in-fact of the respective holders of the Debentures with authority to make and file in the respective names of the holders of the Debentures or on behalf of the holders of the Debentures as a class, subject to deduction from any such claims of the amounts of any claims filed by any of the holders of the Debentures themselves, any proof of debt, amendment of proof of debt, claim, petition or other document in any such proceedings and to receive payment of any sums becoming distributable on account thereof, and to execute any such

other papers and documents and to do and perform any and all such acts and things for and on behalf of such holders of the Debentures, as may be necessary or advisable in the opinion of the Trustee, based on an opinion of counsel, in order to have the respective claims of the Trustee and of the holders of the Debentures against the Company or its property allowed in any such proceeding, and to receive payment of or on account of such claims; provided, however, that subject to Section 10.3, nothing contained in this Indenture shall be deemed to give to the Trustee, unless so authorized by Extraordinary Resolution, any right to accept or consent to any plan of reorganization or otherwise by action of any character in such proceeding to waive or change in any way any right of any Debentureholder.

- (3) The Trustee shall also have the power at any time and from time to time to institute and to maintain such suits and proceedings as it may be advised shall be necessary or advisable to preserve and protect its interests and the interests of the Debentureholders.

In any proceeding brought by the Trustee (and also any proceeding in which a declaratory judgment of a court may be sought as to the interpretation or construction of any provision of this Indenture, to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Debentures, and it shall not be necessary to make any holders of the Debentures parties to any such proceeding.

 - (a) first, in payment or in reimbursement to the Trustee of its compensation, costs, charges, expenses, borrowings, advances or other monies furnished or provided by or at the instance of the Trustee in or about the execution of its trusts under, or otherwise in relation to, this Indenture, with interest thereon as herein provided;

 - (c) third, in payment of the surplus, if any, of such monies to the Company or its assigns;

provided, however, that no payment shall be made pursuant to clause (b) above in respect of the principal, premium or interest on any Debenture held, directly or indirectly, by or for the benefit of the Company or any Subsidiary (other than

any Debenture pledged for value and in good faith to a Person other than the Company or any Subsidiary but only to the extent of such person's interest therein) except subject to the prior payment in full of the principal, premium (if any) and interest (if any) on all Debentures which are not so held.

- (2) The Trustee shall not be bound to apply or make any partial or interim payment of any monies coming into its hands if the amount so received by it, after reserving thereout such amount as the Trustee may think necessary to provide for the payments mentioned in Section 10.6(1), is insufficient to make a distribution of at least 2% of the aggregate principal amount of the outstanding Debentures, but it may retain the money so received by it and invest or deposit the same as provided in Section 15.8 until the money or the investments representing the same, with the income derived therefrom, together with any other monies for the time being under its control shall be sufficient for the said purpose or until it shall consider it advisable to apply the same in the manner hereinbefore set forth. The foregoing shall, however, not apply to a final payment in distribution hereunder.

Section 10.7 Notice of Payment by Trustee

Not less than 15 days' notice shall be given in the manner provided in Section 14.2 by the Trustee to the Debentureholders of any payment to be made under this Article 10. Such notice shall state the time when and place where such payment is to be made and also the liability under this Indenture to which it is to be applied. After the day so fixed, unless payment shall have been duly demanded and have been refused, the Debentureholders will be entitled to interest only on the balance (if any) of the principal monies, premium (if any) and interest due (if any) to them, respectively, on the Debentures, after deduction of the respective amounts payable in respect thereof on the day so fixed.

Section 10.8 Trustee May Demand Production of Debentures

The Trustee shall have the right to demand production of the Debentures in respect of which any payment of principal, interest or premium required by this Article 10 is made and may cause to be endorsed on the same a memorandum of the amount so paid and the date of payment, but the Trustee may, in its discretion, dispense with such production and endorsement, upon such indemnity being given to it and to the Company as the Trustee shall deem sufficient.

Section 10.9 Remedies Cumulative

No remedy herein conferred upon or reserved to the Trustee, or upon or to the holders of Debentures is intended to be exclusive of any other remedy, but each and every such

remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now existing or hereafter to exist by law or by statute.

Section 10.10 Judgment Against the Company

The Company covenants and agrees with the Trustee that, in case of any judicial or other proceedings to enforce the rights of the Debentureholders, judgment may be rendered against it in favour of the Debentureholders or in favour of the Trustee, as trustee for the Debentureholders, for any amount which may remain due in respect of the Debentures and premium (if any) and the interest thereon and any other monies owing hereunder.

Section 10.11 Immunity of Directors, Officers and Others

The Debentureholders and the Trustee hereby waive and release any right, cause of action or remedy now or hereafter existing in any jurisdiction against any past, present or future officer, director or employee of the Company or holder of Common Shares of the Company or of any successor for the payment of the principal of or premium or interest on any of the Debentures or on any covenant, agreement, representation or warranty by the Company contained herein or in the Debentures.

- (b) in respect of monies in the hands of the Trustee which may or should be applied to the payment of the Debentures, the Company shall be entitled to direct the Trustee to set aside; or

Section 11.3 Repayment of Unclaimed Monies

Subject to applicable law, any monies set aside under Section 11.2 and not claimed by and paid to holders of Debentures as provided in Section 11.2 within six years after the date of such setting aside shall be repaid and delivered to the Company by the Trustee and thereupon the Trustee shall be released from all further liability with respect to such monies and thereafter the holders of the Debentures in respect of which such monies were so repaid to the Company shall have no rights in respect thereof except to obtain payment and delivery of the monies from the Company subject to any limitation provided by the laws of the Province of Ontario.

Section 11.5 Satisfaction

so long as in any such event:

- (d) the Company has paid, caused to be paid or made provisions to the satisfaction of the Trustee for the payment of all other sums payable or which may be payable with respect to all of such Debentures (together with all applicable expenses of the Trustee in connection with the payment of such Debentures); and

- (2) Any deposits with the Trustee referred to in this Section 11.5 shall be irrevocable, subject to Section 11.6, and shall be made under the terms of an escrow and/or trust agreement in form and substance satisfactory to the Trustee and which provides for the due and punctual payment of the principal of, premium, if any, and interest on the Debentures being satisfied.
- (3) Upon the satisfaction of the conditions set forth in this Section 11.5 with respect to all the outstanding Debentures, or all the outstanding Debentures of any series, as applicable, the terms and conditions of the Debentures, including the terms and conditions with respect thereto set forth in this Indenture (other than those contained in Article 2 and the provisions of Article 1 pertaining to Article 2) shall no longer be binding upon or applicable to the Company.
- (4) Any funds or obligations deposited with the Trustee pursuant to this Section 11.5 shall be denominated in the currency or denomination of the Debentures in respect of which such deposit is made.
- (5) If the Trustee is unable to apply any money or securities in accordance with this Section 11.5 by reason of any legal proceeding or any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the affected Debentures shall be revived and reinstated as though no money or securities had been deposited pursuant to this Section 11.5 until such time as the Trustee is permitted to apply all such money or securities in accordance with this Section 11.5, provided that if the Company has made any payment in respect of principal of, premium, if any, or interest on Debentures or, as applicable, other amounts because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the holders of such Debentures to receive such payment from the money or securities held by the Trustee.

Section 11.6 Continuation of Rights, Duties and Obligations

- (1) Where trust funds or trust property have been deposited pursuant to Section 11.5, the holders of Debentures and the Company shall continue to have and be subject to their respective rights, duties and obligations under Article 2.
- (2) In the event that, after the deposit of trust funds or trust property pursuant to Section 11.5 in respect of a series of Debentures (the "**Defeased Debentures**"),

ARTICLE 12 – SUCCESSORS

Section 12.1 Company may Consolidate, etc., Only on Certain Terms

- (1) The Company may not, without the consent of the holders of the Debentures by Extraordinary Resolution hereunder, consolidate with or amalgamate or merge with or into any Person (other than a directly or indirectly wholly-owned Subsidiary of the Company) or sell, convey, transfer or lease all or substantially all of the properties and assets of the Company to another Person (other than a directly or indirectly wholly-owned Subsidiary of the Company) unless:
 - (a) the Person formed by such consolidation or into which the Company is amalgamated or merged, or the Person which acquires by sale,

- (b) after giving effect to such transaction, no Event of Default, and no event which, after notice or lapse of time or both, would become an Event of Default, shall have occurred and be continuing; and
 - (c) if the Company or the continuing corporation resulting from the amalgamation or merger of the Company with another Person will not be the resulting, continuing or surviving corporation, the Company shall have, at or prior to the effective date of such consolidation, amalgamation, merger or sale, conveyance, transfer or lease, delivered to the Trustee an Officer's Certificate and an opinion of Counsel, each stating that such consolidation, merger or transfer complies with this Article and, if a Supplemental Indenture is required in connection with such transaction, such Supplemental Indenture complies with this Article, and that all conditions precedent herein provided for relating to such transaction have been complied with.
- (2) For purposes of the foregoing, the sale, conveyance, transfer or lease (in a single transaction or a series of related transactions) of the properties or assets of one or more Subsidiaries of the Company (other than to the Company or another wholly-owned Subsidiary of the Company), which, if such properties or assets were directly owned by the Company, would constitute all or substantially all of the properties and assets of the Company and its Subsidiaries, taken as a whole, shall be deemed to be the sale, conveyance, transfer or lease of all or substantially all of the properties and assets of the Company.

Section 12.2 Successor Substituted

Upon any consolidation of the Company with, or amalgamation or merger of the Company into, any other Person or any sale, conveyance, transfer or lease of all or substantially all of the properties and assets of the Company and its Subsidiaries, taken

as a whole, in accordance with Section 12.1, the successor Person formed by such consolidation or into which the Company is amalgamated or merged or to which such sale, conveyance, transfer or lease is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein, and thereafter, except in the case of a lease, and except for obligations the predecessor Person may have under a Supplemental Indenture entered into pursuant to Section 12.1(1)(c), the predecessor Person shall be relieved of all obligations and covenants under this Indenture and the Debentures.

ARTICLE 13 – MEETINGS OF DEBENTUREHOLDERS

Section 13.1 Right to Convene Meeting

The Trustee or the Company may at any time and from time to time, and the Trustee shall, on receipt of a Written Direction of the Company or a written request signed by the holders of not less than 25% of the principal amount of the Debentures then outstanding and upon receiving funding and being indemnified to its reasonable satisfaction by the Company or by the Debentureholders signing such request against the costs which may be incurred in connection with the calling and holding of such meeting, convene a meeting of the Debentureholders. In the event of the Trustee failing, within 30 calendar days after receipt of any such request and such funding of indemnity, to give notice convening a meeting, the Company or such Debentureholders, as the case may be, may convene such meeting. Every such meeting shall be held in the City of Toronto or at such other place as may be approved or determined by the Trustee.

Section 13.2 Notice of Meetings

- (1) At least 21 calendar days' notice of any meeting shall be given to the Debentureholders in the manner provided in Section 14.2 and a copy of such notice shall be sent by post to the Trustee, unless the meeting has been called by it. Such notice shall state the time when and the place where the meeting is to be held and shall state briefly the general nature of the business to be transacted thereat and it shall not be necessary for any such notice to set out the terms of any resolution to be proposed or any of the provisions of this Article. The accidental omission to give notice of a meeting to any holder of Debentures shall not invalidate any resolution passed at any such meeting. A holder may waive notice of a meeting either before or after the meeting.
- (2) If the business to be transacted at any meeting by Extraordinary Resolution or otherwise, or any action to be taken or power exercised by instrument in writing under Section 13.16, especially affects the rights of holders of Debentures of one or more series in a manner or to an extent differing in any material way from

that in or to which the rights of holders of Debentures of any other series are affected (determined as provided in Section 13.2(3) and Section 13.2(4) then:

- (a) a reference to such fact, indicating each series of Debentures in the opinion of the Trustee so especially affected (hereinafter referred to as the “especially affected series”) shall be made in the notice of such meeting, and in any such case the meeting shall be and be deemed to be and is herein referred to as a “**Serial Meeting**”; and
- (b) the holders of Debentures of an especially affected series shall not be bound by any action taken at a Serial Meeting or by instrument in writing under Section 13.16 unless in addition to compliance with the other provisions of this Article 13:
 - (i) at such Serial Meeting: (A) there are Debentureholders present in person or by proxy and representing at least 25% in principal amount of the Debentures then outstanding of such series, subject to the provisions of this Article 13 as to quorum at adjourned meetings; and (B) the resolution is passed by the affirmative vote of the holders of more than 50% (or in the case of an Extraordinary Resolution not less than 66 $\frac{2}{3}$ %) of the principal amount of the Debentures of such series then outstanding voted on the resolution; or
 - (ii) in the case of action taken or power exercised by instrument in writing under Section 13.16, such instrument is signed in one or more counterparts by the holders of not less than 66 $\frac{2}{3}$ % in principal amount of the Debentures of such series then outstanding.
- (3) Subject to Section 13.2(4), the determination as to whether any business to be transacted at a meeting of Debentureholders, or any action to be taken or power to be exercised by instrument in writing under Section 13.16, especially affects the rights of the Debentureholders of one or more series in a manner or to an extent differing in any material way from that in or to which it affects the rights of Debentureholders of any other series (and is therefore an especially affected series) shall be determined by an opinion of Counsel, which shall be binding on all Debentureholders, the Trustee and the Company for all purposes hereof.
- (4) A proposal:

- (a) to extend the maturity of Debentures of any particular series or to reduce the principal amount thereof, the rate of interest or redemption premium thereon or to impair any conversion right thereof;
- (b) to modify or terminate any covenant or agreement which by its terms is effective only so long as Debentures of a particular series are outstanding; or
- (c) to reduce with respect to Debentureholders of any particular series any percentage stated in this Section 13.2 or Section 13.4, Section 13.12 and Section 13.16;

shall be deemed to especially affect the rights of the Debentureholders of such series in a manner differing in a material way from that in which it affects the rights of holders of Debentures of any other series, whether or not a similar extension, reduction, modification or termination is proposed with respect to Debentures of any or all other series.

Section 13.3 Chairman

Some person, who need not be a Debentureholder, nominated in writing by the Trustee shall be chairman of the meeting and if no Person is so nominated, or if the Person so nominated is not present within 15 minutes from the time fixed for the holding of the meeting, a majority of the Debentureholders present in person or by proxy shall choose some Person present to be chairman.

Section 13.4 Quorum

Subject to the provisions of Section 13.12, at any meeting of the Debentureholders a quorum shall consist of Debentureholders present in person or by proxy and representing at least 25% in principal amount of the outstanding Debentures and, if the meeting is a Serial Meeting, at least 25% of the Debentures then outstanding of each especially affected series. If a quorum of the Debentureholders shall not be present within 30 minutes from the time fixed for holding any meeting, the meeting, if summoned by the Debentureholders or pursuant to a request of the Debentureholders, shall be dissolved, but in any other case the meeting shall be adjourned to the same day in the next week (unless such day is not a Business Day in which case it shall be adjourned to the next following Business Day thereafter) at the same time and place to the extent possible and no notice shall be required to be given in respect of such adjourned meeting. At the adjourned meeting, the Debentureholders present in person or by proxy shall, subject to the provisions of Section 13.12, constitute a quorum and may transact the business for which the meeting was originally convened notwithstanding that they may not represent 25% of the principal amount of the outstanding Debentures or of the Debentures then

outstanding of each especially affected series. Any business may be brought before or dealt with at an adjourned meeting which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same. No business shall be transacted at any meeting unless the required quorum is present at the commencement of business.

Section 13.5 Power to Adjourn

The chairman of any meeting at which a quorum of the Debentureholders is present may, with the consent of the holders of a majority in principal amount of the Debentures represented thereat, adjourn any such meeting and no notice of such adjournment need be given except such notice, if any, as the meeting may prescribe.

Section 13.6 Show of Hands

Every question submitted to a meeting shall, subject to Section 13.7, be decided in the first place by a majority of the votes given on a show of hands except that votes on Extraordinary Resolutions shall be given in the manner hereinafter provided. At any such meeting, unless a poll is duly demanded as herein provided, a declaration by the chairman that a resolution has been carried or carried unanimously or by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact. The chairman of any meeting shall be entitled, both on a show of hands and on a poll, to vote in respect of the Debentures, if any, held by him.

Section 13.7 Poll

On every Extraordinary Resolution, and on any other question submitted to a meeting when demanded by the chairman or by one or more Debentureholders or proxies for Debentureholders, a poll shall be taken in such manner and either at once or after an adjournment as the chairman shall direct. Questions other than Extraordinary Resolutions shall, if a poll be taken, be decided by the votes of the holders of a majority in principal amount of the Debentures and of each especially affected series, if applicable, represented at the meeting and voted on the poll.

Section 13.8 Voting

On a show of hands every Person who is present and entitled to vote, whether as a Debentureholder or as proxy for one or more Debentureholders or both, shall have one vote. On a poll each Debentureholder present in person or represented by a proxy duly appointed by an instrument in writing shall be entitled to one vote in respect of each \$1,000 principal amount of Debentures of which he shall then be the holder. In the case of any Debenture denominated in a currency or currency unit other than Canadian dollars, the principal amount thereof for these purposes shall be computed in Canadian

dollars on the basis of the conversion of the principal amount thereof at the applicable spot buying rate of exchange for such other currency or currency unit as reported by the Bank of Canada at the close of business on the Business Day next preceding the meeting. Any fractional amounts resulting from such conversion shall be rounded to the nearest \$100. A proxy need not be a Debentureholder. In the case of joint holders of a Debenture, any one of them present in person or by proxy at the meeting may vote in the absence of the other or others but in case more than one of them be present in person or by proxy, they shall vote together in respect of the Debentures of which they are joint holders.

Section 13.9 Proxies

A Debentureholder may be present and vote at any meeting of Debentureholders by an authorized representative. The Company (in case it convenes the meeting) or the Trustee (in any other case) for the purpose of enabling the Debentureholders to be present and vote at any meeting without producing their Debentures, and of enabling them to be present and vote at any such meeting by proxy and of lodging instruments appointing such proxies at some place other than the place where the meeting is to be held, may from time to time make and vary such regulations as it shall think fit providing for and governing any or all of the following matters:

- (a) the form of the instrument appointing a proxy, which shall be in writing, and the manner in which the same shall be executed and the production of the authority of any person signing on behalf of a Debentureholder;
- (b) the deposit of instruments appointing proxies at such place as the Trustee, the Company or the Debentureholder convening the meeting, as the case may be, may, in the notice convening the meeting, direct and the time, if any, before the holding of the meeting or any adjournment thereof by which the same must be deposited; and
- (c) the deposit of instruments appointing proxies at some approved place or places other than the place at which the meeting is to be held and enabling particulars of such instruments appointing proxies to be mailed, faxed, or sent by other electronic means before the meeting to the Company or to the Trustee at the place where the same is to be held and for the voting of proxies so deposited as though the instruments themselves were produced at the meeting.

Any regulations so made shall be binding and effective and the votes given in accordance therewith shall be valid and shall be counted. Save as such regulations may provide, the only persons who shall be recognized at any meeting as the holders of any Debentures, or as entitled to vote or be present at the meeting in respect thereof, shall be

Debentureholders and persons whom Debentureholders have by instrument in writing duly appointed as their proxies.

Section 13.10 Persons Entitled to Attend Meetings

The Company and the Trustee, by their respective officers and directors, the Auditors of the Company and the legal advisors of the Company, the Trustee and any Debentureholder may attend any meeting of the Debentureholders, but shall have no vote as such.

The resolution making such appointment may provide for payment of the expenses and disbursements of and compensation to such committee. Such committee shall consist of such number of persons as shall be prescribed in the resolution appointing it and the members need not be themselves Debentureholders. Every such committee may elect its chairman and may make regulations respecting its quorum, the calling of its meetings and the filling of vacancies occurring in its number and its procedure generally. Such regulations may provide that the committee may act at a meeting at which a quorum is present or may act by minutes signed by the number of members thereof necessary to constitute a quorum. All

 - (n) power to amend, alter or repeal any Extraordinary Resolution previously passed or sanctioned by the Debentureholders or by any committee appointed pursuant to Section 13.11(1)(j).
- (2) Notwithstanding the foregoing provisions of this Section 13.11 none of such provisions shall in any manner allow or permit any amendment, modification, abrogation or addition to the provisions of Article 8 which could reasonably be expected to detrimentally affect the rights, remedies or recourse of the priority of the Debentureholders.

Section 13.12 Meaning of “Extraordinary Resolution”

- (1) The expression “**Extraordinary Resolution**” when used in this Indenture means, subject as hereinafter in this Article provided, a resolution proposed to be passed as an Extraordinary Resolution at a meeting of Debentureholders (including an adjourned meeting) duly convened for the purpose and held in accordance with the provisions of this Article at which the holders of not less than 25% of the principal amount of the Debentures then outstanding, and if the meeting is a Serial Meeting, at which holders of not less than 25% of the principal amount of the Debentures then outstanding of each especially affected series, are present in person or by proxy and passed by the favourable votes of the holders of not less than 66 $\frac{2}{3}$ % of the principal amount of the Debentures then outstanding, and if the meeting is a Serial Meeting by the affirmative vote of the holders of not less than 66 $\frac{2}{3}$ % of each especially affected series, in each

case present or represented by proxy at the meeting and voted upon on a poll on such resolution.

- (2) If, at any such meeting, the holders of not less than 25% of the principal amount of the Debentures then outstanding and, if the meeting is a Serial Meeting, 25% of the principal amount of the Debentures then outstanding of each especially affected series, in each case are not present in person or by proxy within 30 minutes after the time appointed for the meeting, then the meeting, if convened by or on the requisition of Debentureholders, shall be dissolved but in any other case it shall stand adjourned to such date, being not less than 14 nor more than 60 calendar days later, and to such place and time as may be appointed by the chairman. Not less than 10 calendar days' notice shall be given of the time and place of such adjourned meeting in the manner provided in Section 14.2. Such notice shall state that at the adjourned meeting the Debentureholders present in person or by proxy shall form a quorum. At the adjourned meeting the Debentureholders present in person or by proxy shall form a quorum and may transact the business for which the meeting was originally convened and a resolution proposed at such adjourned meeting and passed thereat by the affirmative vote of holders of not less than 66²/₃% of the principal amount of the Debentures then outstanding and, if the meeting is a Serial Meeting, by the affirmative vote of the holders of not less than 66²/₃% of the principal amount of the Debentures of each especially affected series, in each case present or represented by proxy at the meeting and voted upon on a poll shall be an Extraordinary Resolution within the meaning of this Indenture, notwithstanding that the holders of not less than 25% in principal amount of the Debentures then outstanding, and if the meeting is a Serial Meeting, holders of not less than 25% of the principal amount of the Debentures then outstanding of each especially affected series, are not present in person or by proxy at such adjourned meeting.
- (3) Votes on an Extraordinary Resolution shall always be given on a poll and no demand for a poll on an Extraordinary Resolution shall be necessary.

Section 13.13 Powers Cumulative

Any one or more of the powers in this Indenture stated to be exercisable by the Debentureholders by Extraordinary Resolution or otherwise may be exercised from time to time and the exercise of any one or more of such powers from time to time shall not be deemed to exhaust the rights of the Debentureholders to exercise the same or any other such power or powers thereafter from time to time.

Section 13.14 Powers Exercisable by Ordinary Resolution

- (1) The expression “**Ordinary Resolution**” when used in this Indenture means, subject as hereinafter in this Article provided, a resolution proposed to be passed as an Ordinary Resolution at a meeting of Debentureholders (including an adjourned meeting) duly convened for the purpose and held in accordance with the provisions of this Article at which the holders of not less than 25% of the principal amount of the Debentures then outstanding, and if the meeting is a Serial Meeting, at which holders of not less than 25% of the principal amount of the Debentures then outstanding of each especially affected series, are present in person or by proxy and passed by the favourable votes of the holders of greater than 50% of the principal amount of the Debentures then outstanding, and if the meeting is a Serial Meeting by the affirmative vote of the holders of greater than 50% of each especially affected series, in each case present or represented by proxy at the meeting and voted upon on a poll on such resolution.
- (2) A meeting of the Debentureholders shall have the following powers exercisable from time to time by Ordinary Resolution:
 - (a) the approval of the incurrence of additional Indebtedness by an Obligor, if required hereunder;
 - (b) an amendment of any term, covenant or condition of this Indenture as it relates to the Security and any of the Security Documents and Guarantees provided such amendment is not reasonably expected to have an adverse effect on the rights or interests of the Debentureholders; and
 - (c) the entering into an intercreditor agreement in respect of any Indebtedness incurred pursuant to clause (a) of the definition of Permitted Indebtedness.

Section 13.15 Minutes

Minutes of all resolutions and proceedings at every meeting as aforesaid shall be made and duly entered in books to be from time to time provided for that purpose by the Trustee at the expense of the Company, and any such minutes as aforesaid, if signed by the chairman of the meeting at which such resolutions were passed or proceedings had, or by the chairman of the next succeeding meeting of the Debentureholders, shall be prima facie evidence of the matters therein stated and, until the contrary is proved, every such meeting, in respect of the proceedings of which minutes shall have been made, shall be deemed to have been duly held and convened, and all resolutions passed thereat or proceedings taken thereat to have been duly passed and taken.

Section 13.16 Instruments in Writing

All actions which may be taken and all powers that may be exercised by the Debentureholders at a meeting held as hereinbefore in this Article provided may also be taken and exercised by the holders of 662/3% of the principal amount of all the outstanding Debentures and, if the meeting at which such actions might be taken would be a Serial Meeting, by the holders of 662/3% of the principal amount of the Debentures then outstanding of each especially affected series, by an instrument in writing signed in one or more counterparts and the expression “**Extraordinary Resolution**” when used in this Indenture shall include an instrument so signed. Notwithstanding the foregoing, all actions which may be taken and all powers that may be exercised by the Debentureholders pursuant to Section 13.14 of this Indenture may also be taken and exercised by the holders of greater than 50% of the principal amount of all the outstanding Debentures and, if the meeting at which such actions might be taken would be a Serial Meeting, by the holders of greater than 50% of the principal amount of the Debentures then outstanding of each especially affected series, by an instrument in writing signed in one or more counterparts and the expression “**Ordinary Resolution**” when used in this Indenture shall include an instrument so signed.

Section 13.17 Binding Effect of Resolutions

Every resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article at a meeting of Debentureholders shall be binding upon all the Debentureholders, whether present at or absent from such meeting, and every instrument in writing signed by Debentureholders in accordance with Section 13.16 shall be binding upon all the Debentureholders, whether signatories thereto or not, and each and every Debentureholder and the Trustee (subject to the provisions for its indemnity herein contained) shall be bound to give effect accordingly to every such resolution, Extraordinary Resolution and instrument in writing.

Section 13.18 Evidence of Rights Of Debentureholders

- (1) Any request, direction, notice, consent or other instrument which this Indenture may require or permit to be signed or executed by the Debentureholders may be in any number of concurrent instruments of similar tenor signed or executed by such Debentureholders.
- (2) The Trustee may, in its discretion, require proof of execution in cases where it deems proof desirable and may accept such proof as it shall consider proper.

Section 13.19 Concerning Serial Meetings

If in the opinion of Counsel any business to be transacted at any meeting, or any action to be taken or power to be exercised by instrument in writing under Section 13.16, does not adversely affect the rights of the holders of Debentures of one or more series, the provisions of this Article 13 shall apply as if the Debentures of such series were not outstanding and no notice of any such meeting need be given to the holders of Debentures of such series. Without limiting the generality of the foregoing, a proposal to modify or terminate any covenant or agreement which is effective only so long as Debentures of a particular series are outstanding shall be deemed not to adversely affect the rights of the holders of Debentures of any other series.

ARTICLE 14 – NOTICES

Section 14.1 Notice to Company

Any notice to the Company under the provisions of this Indenture shall be valid and effective if delivered to the Company at: 85 Basaltic Road, Concord, ON L4K 1G4, Attention: Chief Executive Officer, or if given by registered letter, postage prepaid, to such offices and so addressed and if mailed, shall be deemed to have been effectively given three days following the mailing thereof. The Company may from time to time notify the Trustee in writing of a change of address which thereafter, until changed by like notice, shall be the address of the Company for all purposes of this Indenture.

Section 14.2 Notice to Debentureholders

- (1) All notices to be given hereunder with respect to the Debentures shall be deemed to be validly given to the holders thereof if sent by first class mail, postage prepaid, by letter or circular addressed to such holders at their post office addresses appearing in any of the registers hereinbefore mentioned and shall be deemed to have been effectively given three days following the day of mailing; provided that for any Debentures held through CDS or other Depository, if any notice or other communication is required to be given to Debentureholders, the Trustee or the Company may give such notices and communications to CDS or such other Depository by e-mail or facsimile (at such email or facsimile number as is given by CDS or the Depository, as applicable, for such purpose from time to time) or in such other manner as is acceptable to CDS or the Depository, as applicable, and notice will deemed to have been effective/given on the date of delivery. Accidental error or omission in giving notice or accidental failure to mail notice to any Debentureholder or the inability of the Company to give or mail any notice due to anything beyond the reasonable control of the Company shall not invalidate any action or proceeding founded thereon. Accidental error or omission in giving notice or accidental failure to mail notice to any

Debentureholder or the inability of the Company to give or mail any notice due to anything beyond the reasonable control of the Company shall not invalidate any action or proceeding founded thereon.

- (2) If any notice given in accordance with the foregoing paragraph would be unlikely to reach the Debentureholders to whom it is addressed in the ordinary course of post by reason of an interruption in mail service, whether at the place of dispatch or receipt or both, the Company shall give such notice by publication at least once in the city of Toronto (or in such of those cities as, in the opinion of the Trustee, is sufficient in the particular circumstances), each such publication to be made in a daily newspaper of general circulation in the designated city.
- (3) Any notice given to Debentureholders by publication shall be deemed to have been given on the day on which publication shall have been effected at least once in each of the newspapers in which publication was required.
- (4) All notices with respect to any Debenture may be given to whichever one of the holders thereof (if more than one) is named first in the registers hereinbefore mentioned, and any notice so given shall be sufficient notice to all holders of any persons interested in such Debenture.

Section 14.3 Notice to Trustee

Any notice to the Trustee under the provisions of this Indenture shall be valid and effective if delivered, receipt confirmed, to the Trustee at its principal office in the City of Montreal, at 1500, Robert-Bourassa Boulevard, suite 700, Montreal, Quebec H3A 3S8., Attn: General Manager, Corporate Trust Services, or by email: NoticesCTmontreal@computershare.com and shall be deemed to have been effectively given as of the date of such receipt confirmation or if given by registered letter, postage prepaid, to such office and so addressed and, if mailed, shall be deemed to have been effectively given three days following the mailing thereof.

Section 14.4 Mail Service Interruption

If by reason of any interruption of mail service, actual or threatened, any notice to be given to the Trustee would reasonably be unlikely to reach its destination by the time notice by mail is deemed to have been given pursuant to Section 14.3, such notice shall be valid and effective only if delivered at the appropriate address in accordance with Section 14.3.

ARTICLE 15 – CONCERNING THE TRUSTEE

Section 15.1 Replacement of Trustee

- (1) The Trustee may resign its trust and be discharged from all further duties and liabilities hereunder by giving to the Company 90 days' notice in writing or such shorter notice as the Company may accept as sufficient. If at any time a material conflict of interest exists in the Trustee's role as a fiduciary hereunder the Trustee shall, within 30 calendar days after ascertaining that such a material conflict of interest exists, either eliminate such material conflict of interest or resign in the manner and with the effect specified in this Section 15.1. The validity and enforceability of this Indenture and of the Debentures issued hereunder shall not be affected in any manner whatsoever by reason only that such a material conflict of interest exists. In the event of the Trustee resigning or being removed or being dissolved, becoming bankrupt, going into liquidation or otherwise becoming incapable of acting hereunder, the Company shall forthwith appoint a new Trustee unless a new Trustee has already been appointed by the Debentureholders. Failing such appointment by the Company, the retiring Trustee or any Debentureholder may apply to a Judge of the Ontario Superior Court of Justice, on such notice as such Judge may direct at the Company's expense, for the appointment of a new Trustee but any new Trustee so appointed by the Company or by the Court shall be subject to removal as aforesaid by the Debentureholders and the appointment of such new Trustee shall be effective only upon such new Trustee becoming bound by this Indenture. Any new Trustee appointed under any provision of this Section 15.1 shall be a corporation authorized to carry on the business of a trust company in one or more of the Provinces of Canada. On any new appointment the new Trustee shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Trustee.
- (2) Any company into which the Trustee may be merged or, with or to which it may be consolidated, amalgamated or sold, or any company resulting from any merger, consolidation, sale or amalgamation to which the Trustee shall be a party, or any company which shall purchase all or substantially all of the corporate trust book of business of the Trustee, shall be the successor trustee under this Indenture without the execution of any instrument or any further act. Nevertheless, upon the written request of the successor Trustee or of the Company, the Trustee ceasing to act shall execute and deliver an instrument assigning and transferring to such successor Trustee, upon the trusts herein expressed, all the rights, powers and trusts of the Trustee so ceasing to act, and, upon receipt by the Trustee of payment in full for any outstanding charges due to it, shall duly assign, transfer and deliver all property and money held by such Trustee to the successor Trustee so appointed in its place. Should any deed,

conveyance or instrument in writing from the Company be required by any new Trustee for more fully and certainly vesting in and confirming to it such estates, properties, rights, powers and trusts, then any and all such deeds, conveyances and instruments in writing shall on request of said new Trustee, be made, executed, acknowledged and delivered by the Company.

Section 15.2 Duties of Trustee

In the exercise of the rights, duties and obligations prescribed or conferred by the terms of this Indenture, the Trustee shall act honestly and in good faith with a view to the best interests of the Debentureholders, and shall exercise that degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances.

Section 15.3 Reliance Upon Declarations, Opinions, etc.

In the exercise of its rights, duties and obligations hereunder the Trustee may, if acting in good faith, rely, as to the truth of the statements and accuracy of the opinions expressed therein, upon statutory declarations, opinions, reports or certificates furnished pursuant to any covenant, condition or requirement of this Indenture or required by the Trustee to be furnished to it in the exercise of its rights and duties hereunder, if the Trustee examines such statutory declarations, opinions, reports or certificates and determines that they comply with Section 15.4, if applicable, and with any other applicable requirements of this Indenture. The Trustee may nevertheless, in its discretion, require further proof in cases where it deems further proof desirable. Without restricting the foregoing, the Trustee may rely on an opinion of Counsel satisfactory to the Trustee notwithstanding that it is delivered by a solicitor or firm which acts as solicitors for the Company.

The Trustee shall have no obligation to ensure or verify compliance with any applicable laws or regulatory requirements on the issue or transfer of any Debentures provided such issue or transfer is effected in accordance with the terms of this Indenture. The Trustee shall be entitled to process all transfers, conversions and redemptions upon the presumption that such transfer, conversion and redemption is permissible pursuant to all applicable laws and regulatory requirements if such transfer, conversion and redemption is effected in accordance with the terms of this Indenture. The Trustee shall have no obligation, other than to confer with the Company and its Counsel, to ensure that legends appearing on the Debentures comply with regulatory requirements or securities laws of any applicable jurisdiction.

Section 15.4 Evidence and Authority to Trustee, Opinions, etc.

- (1) The Company shall furnish to the Trustee evidence of compliance with the conditions precedent provided for in this Indenture relating to any action or step

required or permitted to be taken by the Company or the Trustee under this Indenture or as a result of any obligation imposed under this Indenture, including without limitation, the certification and delivery of Debentures hereunder, the satisfaction and discharge of this Indenture and the taking of any other action to be taken by the Trustee at the request of or on the application of the Company, forthwith if and when (a) such evidence is required by any other Section of this Indenture to be furnished to the Trustee in accordance with the terms of this Section 15.4, or (b) the Trustee, in the exercise of its rights and duties under this Indenture, gives the Company written notice requiring it to furnish such evidence in relation to any particular action or obligation specified in such notice.

- (2) Such evidence shall consist of
 - (a) a certificate made by any two officers or directors of the Company, stating that any such condition precedent has been complied with in accordance with the terms of this Indenture;
 - (b) in the case of a condition precedent compliance with which is, by the terms of this Indenture, made subject to review or examination by a solicitor, an opinion of Counsel that such condition precedent has been complied with in accordance with the terms of this Indenture; and
 - (c) in the case of any such condition precedent compliance with which is subject to review or examination by auditors or accountants, an opinion or report of the Auditors of the Company whom the Trustee for such purposes hereby approves, that such condition precedent has been complied with in accordance with the terms of this Indenture.
- (3) Whenever such evidence relates to a matter other than the certificates and delivery of Debentures and the satisfaction and discharge of this Indenture, and except as otherwise specifically provided herein, such evidence may consist of a report or opinion of any solicitor, auditor, accountant, engineer or appraiser or any other Person whose qualifications give authority to a statement made by him, provided that if such report or opinion is furnished by a trustee, officer or employee of the Company it shall be in the form of a statutory declaration. Such evidence shall be, so far as appropriate, in accordance with the immediately preceding paragraph of this Section.
- (4) Each statutory declaration, certificate, opinion or report with respect to compliance with a condition precedent provided for in the Indenture shall include (a) a statement by the Person giving the evidence that he has read and is familiar with those provisions of this Indenture relating to the condition

precedent in question, (b) a brief statement of the nature and scope of the examination or investigation upon which the statements or opinions contained in such evidence are based, (c) a statement that, in the belief of the Person giving such evidence, he has made such examination or investigation as is necessary to enable him to make the statements or give the opinions contained or expressed therein, and (d) a statement whether in the opinion of such Person the conditions precedent in question have been complied with or satisfied.

- (5) The Company shall furnish or cause to be furnished to the Trustee at any time if the Trustee reasonably so requires, its certificate that the Company has complied with all covenants, conditions or other requirements contained in this Indenture, the non-compliance with which would, with the giving of notice or the lapse of time, or both, or otherwise, constitute an Event of Default, or if such is not the case, specifying the covenant, condition or other requirement which has not been complied with and giving particulars of such non-compliance. The Company shall, whenever the Trustee so requires, furnish the Trustee with evidence by way of statutory declaration, opinion, report or certificate as specified by the Trustee as to any action or step required or permitted to be taken by the Company or as a result of any obligation imposed by this Indenture.

Section 15.5 Officer's Certificates Evidence

Except as otherwise specifically provided or prescribed by this Indenture, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or omitting any action hereunder, the Trustee, if acting in good faith, may rely upon an Officer's Certificate.

Section 15.6 Experts, Advisers and Agents

The Trustee may:

- (a) employ or retain and act and rely on the opinion or advice of or information obtained from any solicitor, auditor, valuer, engineer, surveyor, appraiser or other expert, whether obtained by the Trustee or by the Company, or otherwise, and shall not be liable for acting, or refusing to act, in good faith on any such opinion or advice and shall not be responsible for any misconduct on the part of any of them and may pay proper and reasonable compensation for all such legal and other advice or assistance as aforesaid. The reasonable costs of such services shall be added to and become part of the Trustee's remuneration hereunder;

- (b) employ such agents and other assistants as it may reasonably require for the proper discharge of its duties hereunder, and may pay reasonable remuneration for all services performed for it (and shall be entitled to receive reasonable remuneration for all services performed by it) in the discharge of the trusts hereof and compensation for all disbursements, costs and expenses made or incurred by it in the discharge of its duties hereunder and in the management of the trusts hereof and any solicitors employed or consulted by the Trustee may, but need not be, solicitors for the Company; and
- (c) the Trustee shall be entitled to receive reimbursement for all reasonable disbursements, costs, liabilities and expenses made or incurred by it with respect to this Section.

Section 15.7 Trustee May Deal in Debentures

Subject to Section 15.2, the Trustee may, in its personal or other capacity, buy, sell, lend upon and deal in the Debentures and generally contract and enter into financial transactions with the Company or otherwise, without being liable to account for any profits made thereby.

Section 15.8 Investment of Monies Held by Trustee

- (1) Unless otherwise provided in this Indenture, any monies held by the Trustee, which, under this Indenture, may or ought to be invested or which may be on deposit with the Trustee or which may be in the hands of the Trustee, may be invested and reinvested in the name or under the control of the Trustee in securities in which, under the laws of the Province of Ontario, trustees are authorized to invest trust monies, provided that such securities are expressed to mature within two years or such shorter period selected to facilitate any payments expected to be made under this Indenture, after their purchase by the Trustee, and unless and until the Trustee shall have declared the principal of and interest on the Debentures to be due and payable, the Trustee shall so invest such monies at the Written Direction of the Company given in a reasonably timely manner. Pending the investment of any monies as hereinbefore provided, such monies may be deposited in the name of the Trustee in any chartered bank of Canada or, with the consent of the Company, in the deposit department of the Trustee or any other loan or trust company authorized to accept deposits under the laws of Canada or any Province thereof at the rate of interest, if any, then current on similar deposits.
- (2) Unless and until the Trustee shall have declared the principal of and interest on the Debentures to be due and payable, the Trustee shall pay over to the Company

all interest received by the Trustee in respect of any investments or deposits made pursuant to the provisions of this Section.

Section 15.9 Trustee Not Ordinarily Bound

Except as provided in Section 10.2 and as otherwise specifically provided herein, the Trustee shall not, subject to Section 15.2, be bound to give notice to any Person of the execution hereof, nor to do, observe or perform or see to the observance or performance by the Company of any of the obligations herein imposed upon the Company or of the covenants on the part of the Company herein contained, nor in any way to supervise or interfere with the conduct of the Company's business, unless the Trustee shall have been required to do so in writing by the holders of not less than 25% of the aggregate principal amount of the Debentures then outstanding or by any Extraordinary Resolution of the Debentureholders passed in accordance with the provisions contained in Article 13, and then only after it shall have been funded and indemnified to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages and expenses which it may incur by so doing.

Section 15.10 Trustee Not Required to Give Security

The Trustee shall not be required to give any bond or security in respect of the execution of the trusts and powers of this Indenture or otherwise in respect of the premises.

Section 15.11 Trustee Not Bound to Act on Trust's Request

Except as otherwise specifically provided in this Indenture, the Trustee shall not be bound to act in accordance with any direction or request of the Company until a duly authenticated copy of the instrument or resolution containing such direction or request shall have been delivered to the Trustee, and the Trustee shall be empowered to act upon any such copy purporting to be authenticated and believed by the Trustee to be genuine.

Section 15.12 Conditions Precedent to Trustee's Obligations to Act Hereunder

- (1) The obligation of the Trustee to commence or continue any act, action or proceeding for the purpose of enforcing the rights of the Trustee and of the Debentureholders hereunder shall be conditional upon the Debentureholders furnishing when required by notice in writing by the Trustee, sufficient funds to commence or continue such act, action or proceeding and indemnity reasonably satisfactory to the Trustee to protect and hold harmless the Trustee against the costs, charges and expenses and liabilities to be incurred thereby and any loss and damage it may suffer by reason thereof.

- (2) None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers.
- (3) The Trustee may, before commencing or at any time during the continuance of any such act, action or proceeding require the Debentureholders at whose instance it is acting to deposit with the Trustee the Debentures held by them for which Debentures the Trustee shall issue receipts.

Section 15.13 Authority to Carry on Business

The Trustee represents to the Company that at the date of execution and delivery by it of this Indenture it is authorized to carry on the business of a trust company in each of the provinces of Canada but if, notwithstanding the provisions of this Section 15.13, it ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the securities issued hereunder shall not be affected in any manner whatsoever by reason only of such event but the Trustee shall, within 90 days after ceasing to be authorized to carry on the business of a trust company in any of the provinces of Canada, either become so authorized or resign in the manner and with the effect specified in Section 15.1.

Section 15.14 Compensation and Indemnity

- (c) A PIK Election shall be made by delivering a PIK Election Notice to the Trustee (and, in the case of Series A Debentures represented by Uncertificated Debentures registered in the name of, or held by, CDS or its nominees, to CDS at sies.cainfo@tmx.com) not less than 15 Business Days prior to the Interest Payment Date to which the PIK Election relates; provided, that a PIK Election, once made in respect of an Interest Payment Date in accordance with this Section 2.4, shall be deemed to be made as well to each subsequent Interest Payment Date, without any further action or notice from the Company, until the Company has withdrawn such PIK Election in accordance with clause (g) of this Section 2.4; provided, further, however, that a PIK Election shall not be deemed to apply to an Interest Payment Date where (i) such Interest Payment Date is the Maturity Date, a Redemption Date or an acceleration date or (ii) there is an Event of Default which has occurred or is continuing on such Interest Payment Date or would result after giving pro forma effect to such PIK Election, in which case, for greater certainty, all Interest Obligations due and payable on such Interest Payment Date shall be payable in full in cash.
- (d) So long as a PIK Election Notice has been made and not withdrawn in accordance with this Section 2.4(d), the Series A Debentures shall bear interest as follows: 8.50% per annum paid-in-kind (which payment-in-kind interest shall be capitalized on the applicable Interest Payment Date and evidenced by PIK Debentures).
- (e) At all times, the obligation to pay a PIK Interest Amount shall be satisfied (i) with respect to Series A Debentures represented by Uncertificated Debentures, registered in the name of, or held by, CDS or its nominee on the relevant Interest Payment Date, by increasing the principal amount of the outstanding Uncertificated Debentures by an amount equal to the amount of such PIK Interest Amount on the applicable Interest Payment Date (rounded down to the nearest whole dollar), or (ii) with respect to Series A Debentures in certificated form, by indicating payment thereof and an increase in the principal amount of the Series A Debentures in the register for the Series A Debentures and by issuing PIK Debentures in

certificated form in an aggregate principal amount equal to such PIK Interest Amount (rounded down to the nearest whole dollar) and the Trustee will, at the written request of the Company, certify and deliver such PIK Debentures in certificated form for original issuance to the holders thereof on the relevant Interest Payment Date, as shown in the register for the Series A Debentures; provided that a holder of a Series A Debenture represented by a physical certificate shall be entitled to PIK Interest Amount so long as the increase in the principal amount of the Series A Debentures is recorded in the register for the Series A Debentures, whether or not PIK Debentures represented by a physical certificate representing such PIK Interest Amount have been issued to such holder. Following an increase in the principal amount of Uncertificated Debentures in accordance with this clause (d), such Uncertificated Debentures will bear interest on such increased principal amount from and after the applicable Interest Payment Date as otherwise set forth in Section 2.4(a). Any PIK Debentures issued in certificated form will be dated as of the applicable Interest Payment Date and will bear interest from and after such date as otherwise set forth in Section 2.4(a).

- (f) PIK Debentures issued in accordance with this Section 2.4 shall be subject to the same terms and conditions as the Series A Debentures issued on the Issue Date and shall also be designated as “8.50% Secured PIK Toggle Debentures due 2024”. Such PIK Debentures shall constitute part of the same series of securities as the Series A Debentures issued on the Issue Date and the holders thereof will have the right to vote together with the holders of all other outstanding Series A Debentures as one class on all matters with respect to the Indenture and the Series A Debentures.
- (g) The Company shall have the right to withdraw any PIK Election by delivering written notice to the Trustee not less than 5 Business Days prior to the consummation of such PIK Election and the issuance of any PIK Debentures on the Interest Payment Date in respect of which such PIK Election was made or deemed made, whereupon the Company shall be obliged to pay in cash in full the Interest Obligation in respect of which such PIK Election was made on such Interest Payment Date.
- (h) Interest shall be payable in respect of each Interest Period (after as well as before maturity, default and judgment, with interest on overdue interest at the same rate) on each Interest Payment Date in accordance with Section 2.13 of the Indenture.
- (i) If the Series A Debentures are represented by a Global Debenture, the record date will be the close of business five Business Days preceding the relevant Interest Payment Date. If the Series A Debentures are not represented by a Global Debenture, the record date will be 10 Business Days prior to an Interest Payment Date.

2.5 REDEMPTION

The Series A Debentures are redeemable at the option of the Company at any time and from time to time pursuant to the provisions of Article 3 of the Indenture in whole or in part before the Maturity Date. The Redemption Price for the Series A Debentures shall equal 101% of the principal amount of those Series A Debentures which are redeemed, unless the Series A Debentures are redeemed after the first anniversary of their issuance, in which case the Series A Debentures will be redeemable at par value and, in each case, together with all accrued and unpaid interest up to but excluding the Redemption Date.

2.6 DENOMINATIONS

The Series A Debentures may be issued in any denomination.

2.7 FORM OF SERIES A DEBENTURES

- (a) The Series A Debentures and the certificate of the Trustee endorsed thereon shall be issued in substantially the form set out in Schedule A hereto, with such insertions, omissions, substitutions or other variations as shall be required or permitted by the Indenture, and may have imprinted or otherwise reproduced thereon such legend or legends or endorsements, not inconsistent with the provisions of the Indenture, as may be required to comply with any law or with any rules or regulations pursuant thereto or with any rules or regulations of any securities exchange or securities regulatory authority or to conform with general usage, all as may be determined by the Board of Directors executing such Series A Debenture in accordance with Section 2.7 of the Indenture, as conclusively evidenced by their execution of a Series A Debenture. Each Series A Debenture shall additionally bear such distinguishing letters and numbers as the Trustee shall approve. Notwithstanding the foregoing, a Series A Debenture may be in such other form or forms as may, from time to time, be, approved by a resolution of the Board of Directors, or as specified in an Officer's Certificate. The Series A Debentures may be engraved, lithographed, printed, mimeographed or typewritten or partly in one form and partly in another.
- (b) The Series A Debentures shall be issued in the form of one or more Debenture Certificates and as Uncertificated Debentures. Notwithstanding the foregoing, Series A Debentures issued to U.S. Purchasers (other than Qualified Institutional Buyers that have delivered to the Company a Qualified Institutional Buyer Letter) shall be issued only as Debenture Certificates.

2.8 PARI PASSU RANKING

The Series A Debentures will rank pari passu in right of payment of principal and interest with all other Debentures issued pursuant to the Indenture.

2.9 CONVERSION OF SERIES A DEBENTURES

- (a) Upon and subject to the provisions and conditions of Article 7 of the Indenture, the holder of each Series A Debenture shall have the right at such holder's option, at any time prior to the earliest of: (i) the close of business on the Maturity Date; and (ii) the Business Day immediately preceding the date specified by the Company for redemption of all or a portion of the Series A Debentures upon a Change of Control, subject to the satisfaction of certain conditions, by notice to the holders of Series A Debentures in accordance with Section 2.6 of the Indenture (the earlier of which will be the "Time of Expiry" for the purposes of Article 7 of the Indenture in respect of the Series A Debentures), to convert any part of the principal amount of a Series A Debenture into Common Shares at the Conversion Price in effect on the Date of Conversion
- (b) The Conversion Price in effect on the date hereof for each Common Share to be issued upon the conversion of Series A Debentures shall be equal to \$0.25 such that approximately 4,000 Common Shares shall be issued for each \$1,000 principal amount of Series A Debentures so converted. Except as provided below, no adjustment in the number of Common Shares to be issued upon conversion will be made for dividends or distributions

on Common Shares issuable upon conversion, the record date for the payment of which precedes the date upon which the holder becomes a holder of Common Shares in accordance with Article 7 of the Indenture, or for interest accrued on Series A Debentures surrendered. No fractional Common Shares will be issued, and the number of Common Shares so issuable will be rounded down to the nearest whole number on any conversion of the Series A Debentures. The Conversion Price applicable to, and the Common Shares, securities or other property receivable on the conversion of, the Series A Debentures is subject to adjustment pursuant to the provisions of Section 7.3 of the Indenture. Holders converting their Series A Debentures will receive, in addition to the applicable number of Common Shares, accrued and unpaid interest (less any taxes required to be deducted) in respect of the Series A Debentures surrendered for conversion up to and including the Date of Conversion from, and including, the most recent Interest Payment Date. The Conversion Price will not be adjusted for accrued interest.

- (c) Notwithstanding any other provisions of the Indenture, as supplemented by this First Supplemental Indenture, if a Series A Debenture is surrendered for conversion on an Interest Payment Date or during the five Business Days preceding each Interest Payment Date, the Person or Persons entitled to receive Common Shares in respect of the Series A Debenture so surrendered for conversion shall not become the holder or holders of record of such Common Shares until the Business Day following such Interest Payment Date and, for clarity, any interest payable on such Series A Debentures will be for the account of the holder of record of such Series A Debentures at the close of business on the relevant record date.
- (d) A Series A Debenture in respect of which a holder has accepted a notice in respect of a Change of Control Offer pursuant to the provisions of Section 2.6 of the Indenture may be surrendered for conversion only if such notice is withdrawn in accordance with the Indenture, as supplemented by this First Supplemental Indenture,

2.10 PAYMENT ON MATURITY

Payment on maturity of Series A Debentures shall be provided for by the Company depositing with the Trustee or any paying agent to the order of the Trustee, on or before 11:00 a.m. (Toronto Time) on the Business Day immediately prior to the date upon which the Series A Debentures are converted or the Maturity Date, as applicable, such sums of money as may be sufficient to pay any principal amount of Series A Debentures and accrued and unpaid interest thereon up to but excluding the conversion date or Maturity Date, as applicable, in respect of which the Company has not exercised its right of conversion. The Company shall also deposit with the Trustee a sum of money satisfactory to the Trustee and sufficient to pay any charges or expenses which may be incurred by the Trustee in connection therewith. Every such deposit shall be irrevocable. From the sums so deposited, the Trustee shall pay or cause to be paid to the holders of such Series A Debentures, upon surrender of such Series A Debentures, the principal and interest to which they are respectively entitled on the conversion date or Maturity Date, as applicable.

ALEAFIA HEALTH INC.

(A company incorporated under the laws of Ontario)

8.50% SECURED CONVERTIBLE DEBENTURE, SERIES A

DUE JUNE 30, 2024

Aleafia Health Inc. (the “**Company**”) for value received hereby acknowledges itself indebted and, subject to the provisions of the Amended and Restated Debenture Indenture

(the “**Indenture**”) dated as of June 27, 2022 between the Company and Computershare Trust Company of Canada (the “**Trustee**”), as supplemented by the first supplemental indenture dated as June 27, 2022, promises to pay to the registered holder hereof on June 30, 2024 or on such earlier date as the principal amount hereof may become due in accordance with the provisions of the Indenture (any such date, the “**Maturity Date**”) the principal amount hereof in lawful money of Canada on presentation and surrender of this Debenture at the main branch of the Trustee in Toronto, Ontario or Montréal, Québec in accordance with the terms of the Indenture and, subject as hereinafter provided and as provided in the Indenture, to pay interest on the principal amount hereof, or from the last interest payment date to which interest shall have been paid or made available for payment on the outstanding Debentures (as hereinafter defined), whichever is later, at the rate of 8.50% per annum, in like money, in arrears in equal semi-annual installments on June 30 and December 31 in each year commencing on December 31, 2022 and, should the Company at any time make default in the payment of any principal or interest, to pay interest on the amount in default at the same rate, in like money.

This Debenture is one of the 8.50% interest bearing Secured Convertible Debentures, Series A (referred to herein as the “**Debentures**”) of the Company issued or issuable in one or more series under the provisions of the Indenture. Reference is hereby expressly made to the Indenture for a description of the terms and conditions upon which the Debentures are or are to be issued and held and the rights and remedies of the holders of the Debentures and of the Company and of the Trustee, all to the same effect as if the provisions of the Indenture were herein set forth to all of which provisions the holder of this Debenture by acceptance hereof assents.

The Debentures are issuable in any denomination. Upon compliance with the provisions of the Indenture, Debentures of any denomination may be exchanged for an equal aggregate principal amount of Debentures in any other authorized denomination or denominations.

On or after the date hereof, any part of the principal of this Debenture, provided that the principal amount of this Debenture is in a denomination in excess of \$1,000, is convertible, at the option of the holder hereof, upon surrender of this Debenture at the principal office of the Trustee in Montréal, Québec, at any time prior to 5:00 p.m. (Toronto Time) on the Business Day preceding the Maturity Date or, if called for repurchase pursuant to a Change of Control (as defined in the Indenture) on the Business Day immediately prior to the payment date, into common shares of the Company (the “**Common Shares**”) (without adjustment for interest accrued hereon or for dividends or distributions on Common Shares issuable upon conversion) at a conversion price of \$0.25 (the “**Conversion Price**”) per Common Share, being a rate of approximately 4,000 Common Shares for each \$1,000 principal amount of Debentures, all subject to the terms and conditions and in the manner set forth in the Indenture. No Debentures may be converted during the five Business Days preceding each of June 30 and December 31 in each year, commencing December 31, 2022, as the registers of the Trustee will be closed during such periods. The Indenture makes

provision for the adjustment of the Conversion Price in the events therein specified. No fractional Common Shares will be issued on any conversion of the Debentures. Holders converting their Debentures will receive accrued and unpaid interest thereon. If a Debenture is surrendered for conversion on an Interest Payment Date or during the five preceding Business Days, the person or persons entitled to receive Common Shares in respect of the Debentures so surrendered for conversion shall not become the holder or holders of record of such Common Shares until the Business Day following such Interest Payment Date and, for clarity, any interest payable on such Debentures will be for the account of the holder of record of such Debentures at the close of business on the relevant record date.

In the event Debentures are converted prior to October 28, 2022, the Common Shares issued upon such conversion shall bear the following legend:

“UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE OCTOBER 28, 2022.”

This Debenture may be redeemed at the option of the Company on the terms and conditions set out in the Indenture. On and after the date hereof and prior to the Maturity Date, the Debentures may be redeemed in whole or in part at the option of the Company at the applicable redemption amount plus accrued and unpaid interest.

Not less than 30 calendar days prior to the consummation of: (i) any event as a result of or following which any person, or group of persons “acting jointly or in concert” within the meaning of applicable Canadian securities laws, beneficially owns or exercises control or direction over an aggregate of more than 50% of the then outstanding Common Shares; or (ii) the sale or other disposition of all or substantially all of the consolidated assets of the Company (each, a “**Change of Control**”), the Company shall notify the holders of the Debentures of the Change of Control, and each holder of the Debentures shall, in its sole discretion, have the right to require the Company to repurchase its Debentures in accordance with the provisions of Section 2.6 of the Indenture.

This Debenture and the Common Shares issuable upon conversion hereof have not been and will not be registered under the *United States Securities Act* of 1933, as amended (the “*U.S. Securities Act*”), or the securities laws of any state of the United States. This Debenture may not be converted by or for the account or benefit of a U.S. Person or a person in the United States absent an exemption from the registration requirements of the *U.S. Securities Act* and applicable state securities laws. In addition, this Debenture and the underlying Common Shares may only be offered and sold to a U.S. Person or a person in the United States pursuant to an exemption from the registration requirements of the *U.S. Securities Act* and applicable state securities laws. “**U.S. Person**” and “**United States**” are as defined in Regulation S under the *U.S. Securities Act*.

The Indenture contains provisions binding upon all holders of Debentures outstanding thereunder (or in certain circumstances specific series of Debentures) resolutions passed at meetings of such holders held in accordance with such provisions and instruments signed by the holders of a specified majority of Debentures outstanding (or specific series), which resolutions or instruments may have the effect of amending the terms of this Debenture or the Indenture.

The Indenture contains provisions disclaiming any personal liability on the part of holders of Common Shares and officers, directors and employees of the Company in respect of any obligation or claim arising out of the Indenture or this Debenture.

This Debenture may only be transferred, upon compliance with the conditions prescribed in the Indenture, in one of the registers to be kept at the principal office of the Trustee in the City of Toronto, Ontario or Montréal, Québec and in such other place or places and/or by such other registrars (if any) as the Company with the approval of the Trustee may designate. No transfer of this Debenture shall be valid unless made on the register by the registered holder hereof or its executors or administrators or other legal representatives, or its or their attorney duly appointed by an instrument in form and substance satisfactory to the Trustee or other registrar, and upon compliance with such reasonable requirements as the Trustee and/or other registrar may prescribe and upon surrender of this Debenture for cancellation. Thereupon a new Debenture or Debentures in the same aggregate principal amount shall be issued to the transferee in exchange hereof.

This Debenture shall not become obligatory for any purpose until it shall have been certified by the Trustee under the Indenture.

Capitalized words or expressions used in this Debenture shall, unless otherwise defined herein, have the meaning ascribed thereto in the Indenture. In the event of any inconsistency between the terms of this Debenture and the Indenture, the terms of the Indenture shall govern.

ARTICLE 2
SERIES B DEBENTURES

2.1 CREATION AND DESIGNATION

The Company is authorized in accordance with the Indenture to issue under this Second Supplemental Indenture a series of debentures designated 8.50% Series B Secured Convertible Debentures due June 30, 2026, which shall have the terms set out in this Second Supplemental Indenture.

2.2 AGGREGATE PRINCIPAL AMOUNT

The aggregate principal amount of the Series B Debentures which may be issued under this Second Supplemental Indenture shall be unlimited.

2.3 DATE AND ISSUE OF MATURITY

The Series B Debentures shall be dated the Issue Date and shall become due and payable, together with all accrued interest and unpaid interest thereon, on June 30, 2026 (the “**Maturity Date**”).

2.4 INTEREST

- (a) The Series B Debentures shall bear interest on the unpaid principal amount thereof at a rate of 8.50% per annum (based on a year of 360 calendar days composed of twelve 30-day months) from the Issue Date calculated semi-annually and payable in arrears in equal instalments on each Interest Payment Date. The first Interest Payment Date shall be December 31, 2022 and the Interest Obligation on such date shall equal \$43.55 for each \$1,000 principal amount of Series B Debentures.
- (b) The Company shall have the right to elect, from time to time, provided no Event of Default has occurred or is continuing or would result after giving pro forma effect thereto, in respect of all of the then outstanding Series B Debentures, to satisfy any Interest Obligation, in full, on any Interest Payment Date (other than any Interest Payment Date (i) occurring prior to June 30, 2024, or (ii) which is also the Maturity Date, a Redemption Date or an acceleration date) by (x) delivering PIK Debentures in accordance with this Section 2.4 or (y) if applicable, increasing the amount of the Global Debenture in accordance with clause (e) of this Section 2.4, subject always to Section 2.4(d). For greater certainty, on any Interest Payment Date (i) occurring on or after June 30, 2024 or (ii) which is also the Maturity Date, a Redemption Date or an acceleration date, the Company shall satisfy the corresponding Interest Obligation on such Interest Payment Date by payment in full in cash.
- (c) A PIK Election shall be made by delivering a PIK Election Notice to the Trustee (and, in the case of Series B Debentures represented by Uncertificated Debentures registered in the name of, or held by, CDS or its nominees, to CDS at sies.cainfo@tmx.com) not less than 15 Business Days prior to the Interest Payment Date to which the PIK Election relates; provided, that a PIK Election, once made in respect of an Interest Payment Date in accordance with this Section 2.4, shall be deemed to be made as well to each subsequent Interest Payment Date, without any further action or notice from the Company, until the Company has withdrawn such PIK Election in accordance with clause (g) of this Section 2.4; provided, further, however, that a PIK Election shall not be deemed to apply to an Interest Payment Date where (i) such Interest Payment Date is the Maturity Date, a

Redemption Date or an acceleration date or (ii) there is an Event of Default which has occurred or is continuing on such Interest Payment Date or would result after giving pro forma effect to such PIK Election, in which case, for greater certainty, all Interest Obligations due and payable on such Interest Payment Date shall be payable in full in cash.

- (d) So long as a PIK Election Notice has been made and not withdrawn in accordance with this Section 2.4(d), the Series B Debentures shall bear interest as follows: 8.50% per annum paid-in-kind (which payment-in-kind interest shall be capitalized on the applicable Interest Payment Date and evidenced by PIK Debentures).
- (e) At all times, the obligation to pay a PIK Interest Amount shall be satisfied (i) with respect to Series B Debentures represented by Uncertificated Debentures, registered in the name of, or held by, CDS or its nominee on the relevant Interest Payment Date, by increasing the principal amount of the outstanding Uncertificated Debentures by an amount equal to the amount of such PIK Interest Amount on the applicable Interest Payment Date (rounded down to the nearest whole dollar), or (ii) with respect to Series B Debentures in certificated form, by indicating payment thereof and an increase in the principal amount of the Series B Debentures in the register for the Series B Debentures and by issuing PIK Debentures in certificated form in an aggregate principal amount equal to such PIK Interest Amount (rounded down to the nearest whole dollar) and the Trustee will, at the written request of the Company, certify and deliver such PIK Debentures in certificated form for original issuance to the holders thereof on the relevant Interest Payment Date, as shown in the register for the Series B Debentures; provided that a holder of a Series B Debenture represented by a physical certificate shall be entitled to PIK Interest Amount so long as the increase in the principal amount of the Series B Debentures is recorded in the register for the Series B Debentures, whether or not PIK Debentures represented by a physical certificate representing such PIK Interest Amount have been issued to such holder. Following an increase in the principal amount of Uncertificated Debentures in accordance with this clause (d), such Uncertificated Debentures will bear interest on such increased principal amount from and after the applicable Interest Payment Date as otherwise set forth in Section 2.4(a). Any PIK Debentures issued in certificated form will be dated as of the applicable Interest Payment Date and will bear interest from and after such date as otherwise set forth in Section 2.4(a).
- (f) PIK Debentures issued in accordance with this Section 2.4 shall be subject to the same terms and conditions as the Series B Debentures issued on the Issue Date and shall also be designated as “8.50% Secured PIK Toggle Debentures due 2026”. Such PIK Debentures shall constitute part of the same series of securities as the Series B Debentures issued on the Issue Date and the holders thereof will have the right to vote together with the holders of all other outstanding Series B Debentures as one class on all matters with respect to the Indenture and the Series B Debentures.
- (g) The Company shall have the right to withdraw any PIK Election by delivering written notice to the Trustee not less than 5 Business Days prior to the consummation of such PIK Election and the issuance of any PIK Debentures on the Interest Payment Date in respect of which such PIK Election was made or deemed made, whereupon the Company shall be obliged to pay in cash in full the Interest Obligation in respect of which such PIK Election was made on such Interest Payment Date.

- (h) Interest shall be payable in respect of each Interest Period (after as well as before maturity, default and judgment, with interest on overdue interest at the same rate) on each Interest Payment Date in accordance with Section 2.13 of the Indenture.
- (i) If the Series B Debentures are represented by a Global Debenture, the record date will be the close of business five Business Days preceding the relevant Interest Payment Date. If the Series B Debentures are not represented by a Global Debenture, the record date will be 10 Business Days prior to an Interest Payment Date.

2.5 REDEMPTION

The Series B Debentures are redeemable at the option of the Company at any time and from time to time pursuant to the provisions of Article 3 of the Indenture in whole or in part before the Maturity Date. The Redemption Price for the Series B Debentures shall equal 101% of the principal amount of those Series B Debentures which are redeemed, unless the Series B Debentures are redeemed after the first anniversary of their issuance, in which case the Series B Debentures will be redeemable at par value and, in each case, together with all accrued and unpaid interest up to but excluding the Redemption Date.

2.6 DENOMINATIONS

The Series B Debentures may be issued in any denomination.

2.7 FORM OF SERIES B DEBENTURES

- (a) The Series B Debentures and the certificate of the Trustee endorsed thereon shall be issued in substantially the form set out in Schedule A hereto, with such insertions, omissions, substitutions or other variations as shall be required or permitted by the Indenture and may have imprinted or otherwise reproduced thereon such legend or legends or endorsements, not inconsistent with the provisions of the Indenture, as may be required to comply with any law or with any rules or regulations pursuant thereto or with any rules or regulations of any securities exchange or securities regulatory authority or to conform with general usage, all as may be determined by the Board of Directors executing such Series B Debenture in accordance with Section 2.7 of the Indenture, as conclusively evidenced by their execution of a Series B Debenture. Each Series B Debenture shall additionally bear such distinguishing letters and numbers as the Trustee shall approve. Notwithstanding the foregoing, a Series B Debenture may be in such other form or forms as may, from time to time, be approved by a resolution of the Board of Directors, or as specified in an Officer's Certificate. The Series B Debentures may be engraved, lithographed, printed, mimeographed or typewritten or partly in one form and partly in another.
- (b) The Series B Debentures shall be issued in the form of one or more Debenture Certificates and as Uncertificated Debentures. Notwithstanding the foregoing, Series B Debentures issued to U.S. Purchasers (other than Qualified Institutional Buyers that have delivered to the Company a Qualified Institutional Buyer Letter) shall be issued only as Debenture Certificates.

2.8 PARI PASSU RANKING

The Series B Debentures will rank pari passu in right of payment of principal and interest with all other Debentures issued pursuant to the Indenture.

2.9 CONVERSION OF SERIES B DEBENTURES

- (a) Upon and subject to the provisions and conditions of Article 7 of the Indenture, the holder of each Series B Debenture shall have the right at such holder's option, at any time prior to the earliest of: (i) the close of business on the Maturity Date; and (ii) the Business Day immediately preceding the date specified by the Company for redemption of all or a portion of the Series B Debentures upon a Change of Control, subject to the satisfaction of certain conditions, by notice to the holders of Series B Debentures in accordance with Section 2.6 of the Indenture (the earlier of which will be the "Time of Expiry" for the purposes of Article 7 of the Indenture in respect of the Series B Debentures), to convert any part of the principal amount of a Series B Debenture into Common Shares at the Conversion Price in effect on the Date of Conversion.
- (b) The Conversion Price in effect on the date hereof for each Common Share to be issued upon the conversion of Series B Debentures shall be equal to \$0.30 such that approximately 3,333 Common Shares shall be issued for each \$1,000 principal amount of Series B Debentures so converted. Except as provided below, no adjustment in the number of Common Shares to be issued upon conversion will be made for dividends or distributions on Common Shares issuable upon conversion, the record date for the payment of which precedes the date upon which the holder becomes a holder of Common Shares in accordance with Article 7 of the Indenture, or for interest accrued on Series B Debentures surrendered. No fractional Common Shares will be issued, and the number of Common Shares so issuable will be rounded down to the nearest whole number on any conversion of the Series B Debentures. The Conversion Price applicable to, and the Common Shares, securities or other property receivable on the conversion of, the Series B Debentures is subject to adjustment pursuant to the provisions of Section 7.3 of the Indenture. Holders converting their Series B Debentures will receive, in addition to the applicable number of Common Shares, accrued and unpaid interest (less any taxes required to be deducted) in respect of the Series B Debentures surrendered for conversion up to and including the Date of Conversion from, and including, the most recent Interest Payment Date. The Conversion Price will not be adjusted for accrued interest.
- (c) Notwithstanding any other provisions of the Indenture, as supplemented by this Second Supplemental Indenture, if a Series B Debenture is surrendered for conversion on an Interest Payment Date or during the five Business Days preceding each Interest Payment Date, the Person or Persons entitled to receive Common Shares in respect of the Series B Debenture so surrendered for conversion shall not become the holder or holders of record of such Common Shares until the Business Day following such Interest Payment Date and, for clarity, any interest payable on such Series B Debentures will be for the account of the holder of record of such Series B Debentures at the close of business on the relevant record date.
- (d) A Series B Debenture in respect of which a holder has accepted a notice in respect of a Change of Control Offer pursuant to the provisions of Section 2.6 of the Indenture may be surrendered for conversion only if such notice is withdrawn in accordance with the Indenture, as supplemented by this Second Supplemental Indenture,

2.10 PAYMENT ON MATURITY

Payment on maturity of Series B Debentures shall be provided for by the Company depositing with the Trustee or any paying agent to the order of the Trustee, on or before 11:00 a.m. (Toronto Time) on the

Business Day immediately prior to the date upon which the Series B Debentures are converted or the Maturity Date, as applicable, such sums of money as may be sufficient to pay any principal amount of Series B Debentures and accrued and unpaid interest thereon up to but excluding the conversion date or Maturity Date, as applicable, in respect of which the Company has not exercised its right of conversion. The Company shall also deposit with the Trustee a sum of money satisfactory to the Trustee and sufficient to pay any charges or expenses which may be incurred by the Trustee in connection therewith. Every such deposit shall be irrevocable. From the sums so deposited, the Trustee shall pay or cause to be paid to the holders of such Series B Debentures, upon surrender of such Series B Debentures, the principal and interest to which they are respectively entitled on the conversion date or Maturity Date, as applicable.

ALEAFIA HEALTH INC.

(A company incorporated under the laws of Ontario)

8.50% SECURED CONVERTIBLE DEBENTURE, SERIES B

DUE JUNE 30, 2026

Aleafia Health Inc. (the “**Company**”) for value received hereby acknowledges itself indebted and, subject to the provisions of the Amended and Restated Debenture Indenture

(the “**Indenture**”) dated as of June 27, 2022 between the Company and Computershare Trust Company of Canada (the “**Trustee**”), as supplemented by the first supplemental indenture dated as June 27, 2022, promises to pay to the registered holder hereof on June 30, 2026 or on such earlier date as the principal amount hereof may become due in accordance with the provisions of the Indenture (any such date, the “**Maturity Date**”) the principal amount hereof in lawful money of Canada on presentation and surrender of this Debenture at the main branch of the Trustee in Toronto, Ontario or Montréal, Québec in accordance with the terms of the Indenture and, subject as hereinafter provided and as provided in the Indenture, to pay interest on the principal amount hereof, or from the last interest payment date to which interest shall have been paid or made available for payment on the outstanding Debentures (as hereinafter defined), whichever is later, at the rate of 8.50% per annum, in like money, in arrears in equal semi-annual installments on June 30 and December 31 in each year commencing on December 31, 2022 and, should the Company at any time make default in the payment of any principal or interest, to pay interest on the amount in default at the same rate, in like money.

This Debenture is one of the 8.50% interest bearing Secured Convertible Debentures, Series B (referred to herein as the “**Debentures**”) of the Company issued or issuable in one or more series under the provisions of the Indenture. Reference is hereby expressly made to the Indenture for a description of the terms and conditions upon which the Debentures are or are to be issued and held and the rights and remedies of the holders of the Debentures and of the Company and of the Trustee, all to the same effect as if the provisions of the Indenture were herein set forth to all of which provisions the holder of this Debenture by acceptance hereof assents.

The Debentures are issuable in any denomination. Upon compliance with the provisions of the Indenture, Debentures of any denomination may be exchanged for an equal aggregate principal amount of Debentures in any other authorized denomination or denominations.

On or after the date hereof, any part of the principal of this Debenture, provided that the principal amount of this Debenture is in a denomination in excess of \$1,000, is convertible, at the option of the holder hereof, upon surrender of this Debenture at the principal office of the Trustee in Montréal, Québec, at any time prior to 5:00 p.m. (Toronto Time) on the Business Day preceding the Maturity Date or, if called for repurchase pursuant to a Change of Control (as defined in the Indenture) on the Business Day immediately prior to the payment date, into common shares of the Company (the “**Common Shares**”) (without adjustment for interest accrued hereon or for dividends or distributions on Common Shares issuable upon conversion) at a conversion price of \$0.30 (the “**Conversion Price**”) per Common Share, being a rate of approximately 3,333 Common Shares for each \$1,000 principal amount of Debentures, all subject to the terms and conditions and in the manner set forth in the Indenture. No Debentures may be converted during the five Business Days preceding each of June 30 and December 31 in each year, commencing December 31, 2022, as the registers of the Trustee will be closed during such periods. The Indenture makes

provision for the adjustment of the Conversion Price in the events therein specified. No fractional Common Shares will be issued on any conversion of the Debentures. Holders converting their Debentures will receive accrued and unpaid interest thereon. If a Debenture is surrendered for conversion on an Interest Payment Date or during the five preceding Business Days, the person or persons entitled to receive Common Shares in respect of the Debentures so surrendered for conversion shall not become the holder or holders of record of such Common Shares until the Business Day following such Interest Payment Date and, for clarity, any interest payable on such Debentures will be for the account of the holder of record of such Debentures at the close of business on the relevant record date.

In the event Debentures are converted prior to October 28, 2022, the Common Shares issued upon such conversion shall bear the following legend:

“UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE OCTOBER 28, 2022.”

This Debenture may be redeemed at the option of the Company on the terms and conditions set out in the Indenture. On and after the date hereof and prior to the Maturity Date, the Debentures may be redeemed in whole or in part at the option of the Company at the applicable redemption amount plus accrued and unpaid interest.

Not less than 30 calendar days prior to the consummation of: (i) any event as a result of or following which any person, or group of persons “acting jointly or in concert” within the meaning of applicable Canadian securities laws, beneficially owns or exercises control or direction over an aggregate of more than 50% of the then outstanding Common Shares; or (ii) the sale or other disposition of all or substantially all of the consolidated assets of the Company (each, a “**Change of Control**”), the Company shall notify the holders of the Debentures of the Change of Control, and each holder of the Debentures shall, in its sole discretion, have the right to require the Company to repurchase its Debentures in accordance with the provisions of Section 2.6 of the Indenture.

This Debenture and the Common Shares issuable upon conversion hereof have not been and will not be registered under the *United States Securities Act* of 1933, as amended (the “*U.S. Securities Act*”), or the securities laws of any state of the United States. This Debenture may not be converted by or for the account or benefit of a U.S. Person or a person in the United States absent an exemption from the registration requirements of the *U.S. Securities Act* and applicable state securities laws. In addition, this Debenture and the underlying Common Shares may only be offered and sold to a U.S. Person or a person in the United States pursuant to an exemption from the registration requirements of the *U.S. Securities Act* and applicable state securities laws. “**U.S. Person**” and “**United States**” are as defined in Regulation S under the *U.S. Securities Act*.

The Indenture contains provisions binding upon all holders of Debentures outstanding thereunder (or in certain circumstances specific series of Debentures) resolutions passed at meetings of such holders held in accordance with such provisions and instruments signed by the holders of a specified majority of Debentures outstanding (or specific series), which resolutions or instruments may have the effect of amending the terms of this Debenture or the Indenture.

The Indenture contains provisions disclaiming any personal liability on the part of holders of Common Shares and officers, directors and employees of the Company in respect of any obligation or claim arising out of the Indenture or this Debenture.

This Debenture may only be transferred, upon compliance with the conditions prescribed in the Indenture, in one of the registers to be kept at the principal office of the Trustee in the City of Toronto, Ontario or Montréal, Québec and in such other place or places and/or by such other registrars (if any) as the Company with the approval of the Trustee may designate. No transfer of this Debenture shall be valid unless made on the register by the registered holder hereof or its executors or administrators or other legal representatives, or its or their attorney duly appointed by an instrument in form and substance satisfactory to the Trustee or other registrar, and upon compliance with such reasonable requirements as the Trustee and/or other registrar may prescribe and upon surrender of this Debenture for cancellation. Thereupon a new Debenture or Debentures in the same aggregate principal amount shall be issued to the transferee in exchange hereof.

This Debenture shall not become obligatory for any purpose until it shall have been certified by the Trustee under the Indenture.

Capitalized words or expressions used in this Debenture shall, unless otherwise defined herein, have the meaning ascribed thereto in the Indenture. In the event of any inconsistency between the terms of this Debenture and the Indenture, the terms of the Indenture shall govern.

SERIES B DEBENTURES

2.1 CREATION AND DESIGNATION

The Company is authorized in accordance with the Indenture to issue under this Third Supplemental Indenture a series of debentures designated 8.50% Series C Secured Convertible Debentures due June 30, 2028, which shall have the terms set out in this Third Supplemental Indenture.

2.2 AGGREGATE PRINCIPAL AMOUNT

The aggregate principal amount of the Series C Debentures which may be issued under this Third Supplemental Indenture shall be unlimited.

2.3 DATE AND ISSUE OF MATURITY

The Series C Debentures shall be dated the Issue Date and shall become due and payable, together with all accrued interest and unpaid interest thereon, on June 30, 2028 (the “**Maturity Date**”). For greater certainty, it is acknowledged and agreed that certain of the Series C Debentures are to be issued to certain Debentureholders in satisfaction of a consent fee payable to such Debentureholders in accordance with the terms of those certain consent and support agreements ("Support Agreements") dated May [27], 2022 entered into by the Company with such Debentureholders.

2.4 INTEREST

- (a) The Series C Debentures shall bear interest on the unpaid principal amount thereof at a rate of 8.50% per annum (based on a year of 360 calendar days composed of twelve 30-day months) from the Issue Date calculated semi-annually and payable in arrears in equal instalments on each Interest Payment Date. The first Interest Payment Date shall be December 31, 2022 and the Interest Obligation on such date shall equal \$43.55 for each \$1,000 principal amount of Series C Debentures.
- (b) The Company shall have the right to elect, from time to time, provided no Event of Default has occurred or is continuing or would result after giving pro forma effect thereto, in respect of all of the then outstanding Series C Debentures, to satisfy any Interest Obligation, in full, on any Interest Payment Date (other than any Interest Payment Date (i) occurring prior to December 31, 2024, or (ii) which is also the Maturity Date, a Redemption Date or an acceleration date) by (x) delivering PIK Debentures in accordance with this Section 2.4 or (y) if applicable, increasing the amount of the Global Debenture in accordance with clause (e) of this Section 2.4, subject always to Section 2.4(d). For greater certainty, on any Interest Payment Date (i) occurring on or after December 31, 2024 or (ii) which is also the Maturity Date, a Redemption Date or an acceleration date, the Company shall satisfy the corresponding Interest Obligation on such Interest Payment Date by payment in full in cash.
- (c) A PIK Election shall be made by delivering a PIK Election Notice to the Trustee (and, in the case of Series C Debentures represented by Uncertificated Debentures registered in the name of, or held by, CDS or its nominees, to CDS at sies.cainfo@tmx.com) not less than 15 Business Days prior to the Interest Payment Date to which the PIK Election relates; provided, that a PIK Election, once made in respect of an Interest Payment Date in accordance with this Section 2.4, shall be deemed to be made as well to each subsequent

Interest Payment Date, without any further action or notice from the Company, until the Company has withdrawn such PIK Election in accordance with clause (g) of this Section 2.4; provided, further, however, that a PIK Election shall not be deemed to apply to an Interest Payment Date where (i) such Interest Payment Date is the Maturity Date, a Redemption Date or an acceleration date or (ii) there is an Event of Default which has occurred or is continuing on such Interest Payment Date or would result after giving pro forma effect to such PIK Election, in which case, for greater certainty, all Interest Obligations due and payable on such Interest Payment Date shall be payable in full in cash.

- (d) So long as a PIK Election Notice has been made and not withdrawn in accordance with this Section 2.4(d), the Series C Debentures shall bear interest as follows: 8.50% per annum paid-in-kind (which payment-in-kind interest shall be capitalized on the applicable Interest Payment Date and evidenced by PIK Debentures).
- (e) At all times, the obligation to pay a PIK Interest Amount shall be satisfied (i) with respect to Series C Debentures represented by Uncertificated Debentures, registered in the name of, or held by, CDS or its nominee on the relevant Interest Payment Date, by increasing the principal amount of the outstanding Uncertificated Debentures by an amount equal to the amount of such PIK Interest Amount on the applicable Interest Payment Date (rounded down to the nearest whole dollar), or (ii) with respect to Series C Debentures in certificated form, by indicating payment thereof and an increase in the principal amount of the Series C Debentures in the register for the Series C Debentures and by issuing PIK Debentures in certificated form in an aggregate principal amount equal to such PIK Interest Amount (rounded down to the nearest whole dollar) and the Trustee will, at the written request of the Company, certify and deliver such PIK Debentures in certificated form for original issuance to the holders thereof on the relevant Interest Payment Date, as shown in the register for the Series C Debentures; provided that a holder of a Series C Debenture represented by a physical certificate shall be entitled to PIK Interest Amount so long as the increase in the principal amount of the Series C Debentures is recorded in the register for the Series C Debentures, whether or not PIK Debentures represented by a physical certificate representing such PIK Interest Amount have been issued to such holder. Following an increase in the principal amount of Uncertificated Debentures in accordance with this clause (d), such Uncertificated Debentures will bear interest on such increased principal amount from and after the applicable Interest Payment Date as otherwise set forth in Section 2.4(a). Any PIK Debentures issued in certificated form will be dated as of the applicable Interest Payment Date and will bear interest from and after such date as otherwise set forth in Section 2.4(a).
- (f) PIK Debentures issued in accordance with this Section 2.4 shall be subject to the same terms and conditions as the Series C Debentures issued on the Issue Date and shall also be designated as “8.50% Secured PIK Toggle Debentures due 2028”. Such PIK Debentures shall constitute part of the same series of securities as the Series C Debentures issued on the Issue Date and the holders thereof will have the right to vote together with the holders of all other outstanding Series C Debentures as one class on all matters with respect to the Indenture and the Series C Debentures.
- (g) The Company shall have the right to withdraw any PIK Election by delivering written notice to the Trustee not less than 5 Business Days prior to the consummation of such PIK Election and the issuance of any PIK Debentures on the Interest Payment Date in respect of which such PIK Election was made or deemed made, whereupon the Company shall be

obliged to pay in cash in full the Interest Obligation in respect of which such PIK Election was made on such Interest Payment Date.

- (h) Interest shall be payable in respect of each Interest Period (after as well as before maturity, default and judgment, with interest on overdue interest at the same rate) on each Interest Payment Date in accordance with Section 2.13 of the Indenture.
- (i) If the Series C Debentures are represented by a Global Debenture, the record date will be the close of business five Business Days preceding the relevant Interest Payment Date. If the Series C Debentures are not represented by a Global Debenture, the record date will be 10 Business Days prior to an Interest Payment Date.

2.5 REDEMPTION

The Series C Debentures are redeemable at the option of the Company at any time and from time to time pursuant to the provisions of Article 3 of the Indenture in whole or in part before the Maturity Date. The Redemption Price for the Series C Debentures shall equal 101% of the principal amount of those Series C Debentures which are redeemed, unless the Series C Debentures are redeemed after the first anniversary of their issuance, in which case the Series C Debentures will be redeemable at par value and, in each case, together with all accrued and unpaid interest up to but excluding the Redemption Date.

2.6 DENOMINATIONS

The Series C Debentures may be issued in any denomination.

2.7 FORM OF SERIES C DEBENTURES

- (a) The Series C Debentures and the certificate of the Trustee endorsed thereon shall be issued in substantially the form set out in Schedule A hereto, with such insertions, omissions, substitutions or other variations as shall be required or permitted by the Indenture and may have imprinted or otherwise reproduced thereon such legend or legends or endorsements, not inconsistent with the provisions of the Indenture, as may be required to comply with any law or with any rules or regulations pursuant thereto or with any rules or regulations of any securities exchange or securities regulatory authority or to conform with general usage, all as may be determined by the Board of Directors executing such Series C Debenture in accordance with Section 2.7 of the Indenture, as conclusively evidenced by their execution of a Series C Debenture. Each Series C Debenture shall additionally bear such distinguishing letters and numbers as the Trustee shall approve. Notwithstanding the foregoing, a Series C Debenture may be in such other form or forms as may, from time to time, be, approved by a resolution of the Board of Directors, or as specified in an Officer's Certificate. The Series C Debentures may be engraved, lithographed, printed, mimeographed or typewritten or partly in one form and partly in another.
- (b) The Series C Debentures shall be issued in the form of one or more Debenture Certificates and as Uncertificated Debentures. Notwithstanding the foregoing, Series C Debentures issued to U.S. Purchasers (other than Qualified Institutional Buyers that have delivered to the Company a Qualified Institutional Buyer Letter) shall be issued only as Debenture Certificates.

2.8 PARI PASSU RANKING

The Series C Debentures will rank pari passu in right of payment of principal and interest with all other Debentures issued pursuant to the Indenture.

2.9 CONVERSION OF SERIES C DEBENTURES

- (a) Upon and subject to the provisions and conditions of Article 7 of the Indenture, the holder of each Series C Debenture shall have the right at such holder's option, at any time prior to the earliest of: (i) the close of business on the Maturity Date; and (ii) the Business Day immediately preceding the date specified by the Company for redemption of all or a portion of the Series C Debentures upon a Change of Control, subject to the satisfaction of certain conditions, by notice to the holders of Series C Debentures in accordance with Section 2.6 of the Indenture (the earlier of which will be the "Time of Expiry" for the purposes of Article 7 of the Indenture in respect of the Series C Debentures), to convert any part of the principal amount of a Series C Debenture into Common Shares at the Conversion Price in effect on the Date of Conversion
- (b) The Conversion Price in effect on the date hereof for each Common Share to be issued upon the conversion of Series C Debentures shall be equal to \$0.35 such that approximately 2,857 Common Shares shall be issued for each \$1,000 principal amount of Series C Debentures so converted. Except as provided below, no adjustment in the number of Common Shares to be issued upon conversion will be made for dividends or distributions on Common Shares issuable upon conversion, the record date for the payment of which precedes the date upon which the holder becomes a holder of Common Shares in accordance with Article 7 of the Indenture, or for interest accrued on Series C Debentures surrendered. No fractional Common Shares will be issued, and the number of Common Shares so issuable will be rounded down to the nearest whole number on any conversion of the Series C Debentures. The Conversion Price applicable to, and the Common Shares, securities or other property receivable on the conversion of, the Series C Debentures is subject to adjustment pursuant to the provisions of Section 7.3 of the Indenture. Holders converting their Series C Debentures will receive, in addition to the applicable number of Common Shares, accrued and unpaid interest (less any taxes required to be deducted) in respect of the Series C Debentures surrendered for conversion up to and including the Date of Conversion from, and including, the most recent Interest Payment Date. The Conversion Price will not be adjusted for accrued interest.
- (c) Notwithstanding any other provisions of the Indenture, as supplemented by this Third Supplemental Indenture, if a Series C Debenture is surrendered for conversion on an Interest Payment Date or during the five Business Days preceding each Interest Payment Date, the Person or Persons entitled to receive Common Shares in respect of the Series C Debenture so surrendered for conversion shall not become the holder or holders of record of such Common Shares until the Business Day following such Interest Payment Date and, for clarity, any interest payable on such Series C Debentures will be for the account of the holder of record of such Series C Debentures at the close of business on the relevant record date.
- (d) A Series C Debenture in respect of which a holder has accepted a notice in respect of a Change of Control Offer pursuant to the provisions of Section 2.6 of the Indenture may be surrendered for conversion only if such notice is withdrawn in accordance with the Indenture, as supplemented by this Third Supplemental Indenture,

2.10 PAYMENT ON MATURITY

Payment on maturity of Series C Debentures shall be provided for by the Company depositing with the Trustee or any paying agent to the order of the Trustee, on or before 11:00 a.m. (Toronto Time) on the Business Day immediately prior to the date upon which the Series C Debentures are converted or the Maturity Date, as applicable, such sums of money as may be sufficient to pay any principal amount of Series C Debentures and accrued and unpaid interest thereon up to but excluding the conversion date or Maturity Date, as applicable, in respect of which the Company has not exercised its right of conversion. The Company shall also deposit with the Trustee a sum of money satisfactory to the Trustee and sufficient to pay any charges or expenses which may be incurred by the Trustee in connection therewith. Every such deposit shall be irrevocable. From the sums so deposited, the Trustee shall pay or cause to be paid to the holders of such Series C Debentures, upon surrender of such Series C Debentures, the principal and interest to which they are respectively entitled on the conversion date or Maturity Date, as applicable.

ALEAFIA HEALTH INC.

(A company incorporated under the laws of Ontario)

8.50% SECURED CONVERTIBLE DEBENTURE, SERIES C

DUE JUNE 30, 2028

Aleafia Health Inc. (the “**Company**”) for value received hereby acknowledges itself indebted and, subject to the provisions of the Amended and Restated Debenture Indenture

(the “**Indenture**”) dated as of June 27, 2022 between the Company and Computershare Trust Company of Canada (the “**Trustee**”), as supplemented by the first supplemental indenture dated as June 27, 2022, promises to pay to the registered holder hereof on June 30, 2028 or on such earlier date as the principal amount hereof may become due in accordance with the provisions of the Indenture (any such date, the “**Maturity Date**”) the principal amount hereof in lawful money of Canada on presentation and surrender of this Debenture at the main branch of the Trustee in Toronto, Ontario or Montréal, Québec in accordance with the terms of the Indenture and, subject as hereinafter provided and as provided in the Indenture, to pay interest on the principal amount hereof, or from the last interest payment date to which interest shall have been paid or made available for payment on the outstanding Debentures (as hereinafter defined), whichever is later, at the rate of 8.50% per annum, in like money, in arrears in equal semi-annual installments on June 30 and December 31 in each year commencing on December 31, 2022 and, should the Company at any time make default in the payment of any principal or interest, to pay interest on the amount in default at the same rate, in like money.

This Debenture is one of the 8.50% interest bearing Secured Convertible Debentures, Series C (referred to herein as the “**Debentures**”) of the Company issued or issuable in one or more series under the provisions of the Indenture. Reference is hereby expressly made to the Indenture for a description of the terms and conditions upon which the Debentures are or are to be issued and held and the rights and remedies of the holders of the Debentures and of the Company and of the Trustee, all to the same effect as if the provisions of the Indenture were herein set forth to all of which provisions the holder of this Debenture by acceptance hereof assents.

The Debentures are issuable in any denomination. Upon compliance with the provisions of the Indenture, Debentures of any denomination may be exchanged for an equal aggregate principal amount of Debentures in any other authorized denomination or denominations.

On or after the date hereof, any part of the principal of this Debenture, provided that the principal amount of this Debenture is in a denomination in excess of \$1,000, is convertible, at the option of the holder hereof, upon surrender of this Debenture at the principal office of the Trustee in Montréal, Québec, at any time prior to 5:00 p.m. (Toronto Time) on the Business Day preceding the Maturity Date or, if called for repurchase pursuant to a Change of Control (as defined in the Indenture) on the Business Day immediately prior to the payment date, into common shares of the Company (the “**Common Shares**”) (without adjustment for interest accrued hereon or for dividends or distributions on Common Shares issuable upon conversion) at a conversion price of \$0.35 (the “**Conversion Price**”) per Common Share, being a rate of approximately 2,857 Common Shares for each \$1,000 principal amount of Debentures, all subject to the terms and conditions and in the manner set forth in the Indenture. No Debentures may be converted during the five Business Days preceding each of June 30 and December 31 in each year, commencing December 31, 2022, as the registers of the Trustee will be closed during such periods. The Indenture makes

provision for the adjustment of the Conversion Price in the events therein specified. No fractional Common Shares will be issued on any conversion of the Debentures. Holders converting their Debentures will receive accrued and unpaid interest thereon. If a Debenture is surrendered for conversion on an Interest Payment Date or during the five preceding Business Days, the person or persons entitled to receive Common Shares in respect of the Debentures so surrendered for conversion shall not become the holder or holders of record of such Common Shares until the Business Day following such Interest Payment Date and, for clarity, any interest payable on such Debentures will be for the account of the holder of record of such Debentures at the close of business on the relevant record date.

In the event Debentures are converted prior to October 28, 2022, the Common Shares issued upon such conversion shall bear the following legend:

“UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE OCTOBER 28, 2022.”

This Debenture may be redeemed at the option of the Company on the terms and conditions set out in the Indenture. On and after the date hereof and prior to the Maturity Date, the Debentures may be redeemed in whole or in part at the option of the Company at the applicable redemption amount plus accrued and unpaid interest.

Not less than 30 calendar days prior to the consummation of: (i) any event as a result of or following which any person, or group of persons “acting jointly or in concert” within the meaning of applicable Canadian securities laws, beneficially owns or exercises control or direction over an aggregate of more than 50% of the then outstanding Common Shares; or (ii) the sale or other disposition of all or substantially all of the consolidated assets of the Company (each, a “**Change of Control**”), the Company shall notify the holders of the Debentures of the Change of Control, and each holder of the Debentures shall, in its sole discretion, have the right to require the Company to repurchase its Debentures in accordance with the provisions of Section 2.6 of the Indenture.

This Debenture and the Common Shares issuable upon conversion hereof have not been and will not be registered under the *United States Securities Act* of 1933, as amended (the “*U.S. Securities Act*”), or the securities laws of any state of the United States. This Debenture may not be converted by or for the account or benefit of a U.S. Person or a person in the United States absent an exemption from the registration requirements of the *U.S. Securities Act* and applicable state securities laws. In addition, this Debenture and the underlying Common Shares may only be offered and sold to a U.S. Person or a person in the United States pursuant to an exemption from the registration requirements of the *U.S. Securities Act* and applicable state securities laws. “**U.S. Person**” and “**United States**” are as defined in Regulation S under the *U.S. Securities Act*.

The Indenture contains provisions binding upon all holders of Debentures outstanding thereunder (or in certain circumstances specific series of Debentures) resolutions passed at meetings of such holders held in accordance with such provisions and instruments signed by the holders of a specified majority of Debentures outstanding (or specific series), which resolutions or instruments may have the effect of amending the terms of this Debenture or the Indenture.

The Indenture contains provisions disclaiming any personal liability on the part of holders of Common Shares and officers, directors and employees of the Company in respect of any obligation or claim arising out of the Indenture or this Debenture.

This Debenture may only be transferred, upon compliance with the conditions prescribed in the Indenture, in one of the registers to be kept at the principal office of the Trustee in the City of Toronto, Ontario or Montréal, Québec and in such other place or places and/or by such other registrars (if any) as the Company with the approval of the Trustee may designate. No transfer of this Debenture shall be valid unless made on the register by the registered holder hereof or its executors or administrators or other legal representatives, or its or their attorney duly appointed by an instrument in form and substance satisfactory to the Trustee or other registrar, and upon compliance with such reasonable requirements as the Trustee and/or other registrar may prescribe and upon surrender of this Debenture for cancellation. Thereupon a new Debenture or Debentures in the same aggregate principal amount shall be issued to the transferee in exchange hereof.

This Debenture shall not become obligatory for any purpose until it shall have been certified by the Trustee under the Indenture.

Capitalized words or expressions used in this Debenture shall, unless otherwise defined herein, have the meaning ascribed thereto in the Indenture. In the event of any inconsistency between the terms of this Debenture and the Indenture, the terms of the Indenture shall govern.

Aleafia Health Announces Closing of Debenture Amendment Transaction

TORONTO, June 28, 2022 -- Aleafia Health Inc. (TSX: AH, OTCQX: ALEAF) (“**Aleafia Health**” or the “**Company**”) is pleased to announce that it has closed its previously announced amendment of its unsecured convertible debentures (the “**Debenture Amendments**”).

“We are delighted we have now completed this transaction,” said Tricia Symmes Aleafia Health’s CEO. “We want to thank all those who participated for demonstrating their confidence in the Company’s future. Coupled with the closing of the \$5.6 million private placement announced last week, the Company is now much better positioned to execute on its ambitious growth plans in all key segments of its business: adult-use, medical and international.”

“The two transactions are transformative for Aleafia Health’s balance sheet,” said Matt Sale, Aleafia Health’s CFO. “They increase our liquidity by up to \$11.6 million which will be used to fund working capital, capex and other growth initiatives; improve our cash flow dynamic with no mandatory cash interest payment for between 24 and 30 months; balance our refinancing profile due to the staggering of the New Debentures’ maturities over a span of 6 years; and increase our financial flexibility to pursue organic growth initiatives and strategic, accretive acquisitions. I particularly want to thank members of the Steering Committee and their advisors for their hard work and perseverance in coming to this mutually beneficial outcome.”

The Debenture Amendments were effected by the exchange of the outstanding \$37,049,000 principal amount of unsecured convertible debentures for new, secured convertible debentures, which were issued to existing debentureholders in three equal, separate series (each, a “**Series**”): (a) 8.50% Series A Secured Debentures Due June 30, 2024 (the “**Series A Debentures**”), (b) 8.50% Series B Secured Debentures Due June 30, 2026 (the “**Series B Debentures**”), and (c) 8.50% Series C Secured Convertible Debentures Due June 30, 2028 (the “**Series C Debentures**” and, collectively with the Series A Debentures and the Series B Debentures, the “**New Debentures**”).

As previously disclosed, the interest rate will remain at 8.5%, but there is no mandatory cash interest payment for between 24 and 30 months as interest will initially be paid-in-kind with additional New Debentures (the “**PIK Interest**”) reducing near-term debt servicing requirements.

In addition, an aggregate of approximately \$2.4 million principal amount of Series C Debentures were issued in payment of the consent fee (the “**Consent Fee**”) payable to debentureholders who consented in favour of the extraordinary resolution approving the Debenture Amendments, which Consent Fee is subject to withholding for non-residents of Canada.

Following the closing of the Debenture Amendments, the following New Debentures are issued and outstanding on the following terms:

New Debenture	Initial Principal Amount	Maturity Date	Conversion Price
Series A Debentures	\$12,349,666	June 30, 2024	\$0.25
Series B Debentures	\$12,349,666	June 30, 2026	\$0.30
Series C Debentures	\$14,736,279	June 30, 2028	\$0.35

* Inclusive of Consent Fee.

The New Debentures were issued on a private placement basis and are subject to a statutory hold period of four months and one day commencing on the date of issuance of the New Debentures in accordance with applicable Canadian securities laws. The New Debentures will bear a legend reflecting the foregoing restriction on resale. The Company has applied to list each Series of the New Debentures on the Toronto Stock Exchange (“**TSX**”), and such listing is expected to occur following the expiration of the statutory hold period, subject to the satisfaction by the Company of customary listing conditions.

The New Debentures are secured against certain assets of the Company, but are fully subordinated to the Company’s existing senior secured debt. The Company is not entitled to incur further senior secured indebtedness, subject to certain exceptions including to fund working capital, capital expenditures, and strategically accretive acquisitions.

The New Debentures are governed by the terms of an amended and restated debenture indenture dated June 27, 2022 between the Company and Computershare Trust Company of Canada, as debenture trustee (the “**Amended and Restated Indenture**”), as supplemented by the first supplemental indenture dated June 27, 2022 governing the terms of the Series A Debentures (the “**Series A Supplemental Indenture**”), a second supplemental indenture dated June 27, 2022 governing the terms of the Series B Debentures (the “**Series B Supplemental Indenture**”) and a third supplemental indenture dated June 27, 2022 governing the terms of the Series C Debentures (the “**Series C Supplemental Indenture**” and, collectively with the Series A Supplemental Indenture and the Series B Supplemental Indenture, the “**Supplemental Indentures**”). Copies of the Amended and Restated Indenture and Supplemental Indentures will be made available in due course under the Company’s profile on SEDAR at www.sedar.com.

RECITALS:

A. **Aleafia Health Inc.** (the "**Debtor**") and **Computershare Trust Company of Canada**, in its capacity as trustee (the "**Trustee**"), and on behalf of the Debentureholders (collectively, the "**Creditors**") are parties to an amended and restated debenture indenture dated as of the date hereof (as amended, supplemented, restated or replaced from time to time, the "**A&R Debenture Indenture**").

B. As a condition precedent to the issuance of the Debentures under the A&R Debenture Indenture, Canabo Medical Corporation (the "**Guarantor**") is required to execute and deliver this Guarantee.

For valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged by the Guarantor, the Guarantor hereby agrees in favour of the Creditors as follows:

1. **GUARANTEE**. The Guarantor hereby unconditionally and irrevocably guarantees, jointly and severally, as a primary obligor and not merely as a surety, the prompt payment and performance to the Trustee on behalf of the Creditors, forthwith upon demand by the Trustee on behalf of the Creditors, of all present and future indebtedness, liabilities and obligations of any kind whatsoever (whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) of the Debtors to the Creditors under, in connection with or with respect to the A&R Debenture Indenture and the other Security Documents (as defined in the A&R Debenture Indenture) (collectively, the "**Obligations**"). All amounts payable by the Guarantor hereunder will be paid to the Trustee on behalf of the Creditors at the address of the Trustee shown above or as otherwise directed in writing by the Trustee. Any amounts payable by the Guarantor under this Guarantee which are not paid forthwith upon demand therefor by the Trustee on behalf of the Creditors will bear interest from the date of such demand at the rate or rates applicable to the corresponding Obligations.

2. **GUARANTEE UNCONDITIONAL**. The obligations of the Guarantor under this Guarantee are continuing, unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged, diminished, limited or otherwise affected by (and the Guarantor hereby waives, to the fullest extent permitted by applicable law): (a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Obligation, security, person or otherwise; (b) any modification or amendment of or

supplement to the Obligations, including any increase or decrease in the principal, the rates of interest or other amounts payable thereunder; (c) any release, non-perfection or invalidity of any direct or indirect security for any Obligation; (d) any change in the existence, structure, constitution, name, objects, powers, business, control or ownership of any Debtor or any other person, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Debtor or any other person or its assets; (e) the existence of any claim, set-off or other rights which the Guarantor may have at any time against any Debtor, the Creditors, or any other person, whether in connection herewith or any unrelated transactions; (f) any invalidity, illegality or unenforceability relating to or against any Debtor or any provision of applicable law or regulation purporting to prohibit the payment by the Debtors of the principal or interest under the Obligations; (g) any limitation, postponement, prohibition, subordination or other restriction on the rights of the Trustee on behalf of the Creditors to payment of the Obligations; (h) any release, substitution or addition of any cosigner, endorser or other guarantor of the Obligations; (i) any defence arising by reason of any failure of the Trustee on behalf of the Creditors to make any presentment, demand for performance, notice of non-performance, protest, and any other notice, including notice of all of the following: acceptance of this Guarantee, partial payment or non-payment of all or any part of the Obligations and the existence, creation, or incurring of new or additional Obligations; (j) any defence arising by reason of any failure of the Trustee on behalf of the Creditors to proceed against any Debtor or any other person, to proceed against, apply or exhaust any security held from any Debtor or any other person for the Obligations, to proceed against, apply or exhaust any security held from the Guarantor or any other person for this Guarantee or to pursue any other remedy in the power of the Trustee on behalf of the Creditors whatsoever; (k) any law which provides that the obligation of a guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal obligation or which reduces a guarantor's obligation in proportion to the principal obligation; (l) any defence arising by reason of any incapacity, lack of authority, or other defence of any Debtor or any other person, or by reason of any limitation, postponement, prohibition on the Trustee's right on behalf of the Creditors to payment of the Obligations or any part thereof, or by reason of the cessation from any cause whatsoever of the liability of any Debtor or any other person with respect to all or any part of the Obligations, or by reason of any act or omission of the Trustee or others which directly or indirectly results in the discharge or release of any Debtor or any other person or all or any part of the Obligations or any security or guarantee therefor, whether by contract, operation of law or otherwise; (m) any defence arising by reason of any failure by the Trustee on behalf of the Creditors to obtain, perfect or maintain a perfected or prior (or any) security interest in or lien or encumbrance upon any property of any Debtor or any other person, or by reason of any interest of the Trustee on behalf of the Creditors in any property, whether as owner thereof or the holder of a security interest therein or lien or encumbrance thereon, being invalidated, voided, declared fraudulent or preferential or otherwise set aside, or by reason of any impairment by the Trustee on behalf of the Creditors of any right to recourse or collateral; (n) any defence arising by reason of the failure of the Trustee on behalf of the Creditors to marshal any assets; (o) any defence based upon any failure of the Trustee on behalf of the Creditors to give to the Debtors or the Guarantor notice of any sale or other disposition of any property securing any or all of the Obligations or any guarantee thereof, or any defect in any notice that may be given in connection with any sale or other disposition of any such property, or any failure of the Trustee on behalf of the Creditors to comply with any provision of applicable law in enforcing any security interest in or lien upon any such property, including any failure by the Trustee on behalf of the Creditors to

dispose of any such property in a commercially reasonable manner; (p) any dealing whatsoever with any Debtor or other person or any security, whether negligently or not, or any failure to do so; (q) any defence based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against any Debtor or any other person, including any discharge of, or bar against collecting, any of the Obligations, in or as a result of any such proceeding; or (r) any other act or omission to act or delay of any kind by any Debtor, the Creditors, or any other person or any other circumstance whatsoever, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 2, constitute a legal or equitable discharge, limitation or reduction of the Guarantor's obligations hereunder (other than the payment or extinguishment in full of all of the Obligations). The foregoing provisions apply (and the foregoing waivers will be effective) even if the effect of any action (or failure to take action) by the Trustee on behalf of the Creditors is to destroy or diminish the Guarantor's subrogation rights, the Guarantor's right to proceed against the Debtors for reimbursement, the Guarantor's right to recover contribution from any other guarantor or any other right or remedy.

3. **RELIANCE ON AGENTS.** The Trustee on behalf of the Creditors is entitled to assume, notwithstanding any investigation by or on behalf of the Creditors, the power of the Debtors and the Guarantor and the authority of the officers, directors or agents acting or purporting to act on behalf of the Debtors or the Guarantor, and any Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.

4. **RECOURSE AGAINST DEBTOR.** The Trustee on behalf of the Creditors is not required to exhaust its recourse against the Debtors or others or under any other security or guarantee before being entitled to payment from the Guarantor under this Guarantee.

5. **SETTLEMENT OF ACCOUNTS.** Any account settled or stated between the Trustee on behalf of the Creditors and the Debtors will be accepted by the Guarantor as *prima facie* evidence that the amount thereby appearing due by the Debtors to the Creditors is so due.

6. **NO WAIVER.** No delay on the part of the Trustee on behalf of the Creditors in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of its rights hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Trustee on behalf of the Creditors unless the same will be in writing, duly signed on behalf of the Trustee on behalf of the Creditors, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Creditors or the liabilities of the Guarantor to the Creditors in any other respect at any other time.

7. **GUARANTEE OF ALL MONEYS BORROWED.** All moneys and credits in fact borrowed or obtained by the Debtors from the Creditors, will be deemed to form part of the Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of any Debtor or of the directors, officers, employees, partners or agents thereof, or that any Debtor may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. Any amount which may not be recoverable from the Guarantor by the Trustee on behalf of the Creditors on the basis of a guarantee will be recoverable by the Trustee

on behalf of the Creditors from the Guarantor as principal debtor in respect thereof and will be paid to the Trustee on behalf of the Creditors forthwith after demand therefor as herein provided.

8. STAY OF ACCELERATION. If acceleration of the time for payment of any amount payable by the Debtors in respect of the Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Debtor or any moratorium affecting the payment of the Obligations, all such amounts otherwise subject to acceleration will nonetheless be payable by the Guarantor hereunder forthwith on demand by the Trustee on behalf of the Creditors.

9. REINSTATEMENT. If, at any time, all or any part of any payment previously applied by the Trustee on behalf of the Creditors to any Obligation is or must be rescinded or returned by the Trustee on behalf of the Creditors for any reason whatsoever (including, without limitation, the insolvency, bankruptcy, or reorganization of the Debtors), such Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Trustee, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Obligation, all as though such application by the Trustee on behalf of the Creditors had not been made.

10. NO SUBROGATION. Notwithstanding any payment made by the Guarantor under this Guarantee or any setoff or application of funds of the Guarantor by the Trustee, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by law, any right to enforce any remedy which the Trustee on behalf of the Creditors now has or may hereafter have against the Debtors, until all of the Obligations have been indefeasibly paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Trustee on behalf of the Creditors for the Obligations.

11. ASSIGNMENT AND POSTPONEMENT. All present and future indebtedness and liability of the Debtors to the Guarantor is hereby assigned by the Guarantor to the Trustee and postponed to the Obligations and all moneys received by the Guarantor in respect thereof will be received in trust for and, unless prior written authorization from the Trustee to the contrary will have been obtained by the Guarantor, will be paid over to the Trustee on behalf of the Creditors upon demand by the Trustee. If the Trustee on behalf of the Creditors receives from the Guarantor a payment or payments in full or on account of the liability of the Guarantor hereunder, the Guarantor will not be entitled to claim repayment against any Debtor until the Trustee's claims against the Debtors have been paid in full. In case of liquidation, winding up or bankruptcy of any Debtor (whether voluntary or involuntary) or if any Debtor will make a bulk sale of any of its assets within the bulk transfer provisions of any applicable legislation or any composition with creditors or scheme of arrangement, the Trustee on behalf of the Creditors will have the right to rank for its full claims and receive all dividends or other payments in respect thereof in priority to the Guarantor until the claims of the Trustee on behalf of the Creditors have been paid in full, and the Guarantor will continue liable hereunder for any balance which may be owing to the Trustee by the Debtors. In the event of the valuation by the Trustee of any of its security and/or the retention thereof by the Trustee, such valuation and/or retention will not, as between the Trustee and the Guarantor, be considered as a purchase of such security, or as payment or satisfaction or reduction of the Obligations or any part thereof. The foregoing provisions of this Section 11 will not in any way limit or lessen the liability of the Guarantor under any other Section of this Guarantee.

12. FOREIGN CURRENCY OBLIGATIONS. The Guarantor will make payment relative to each Obligation in the currency (the "**Original Currency**") in which the Debtors are required to pay such Obligation. If the Guarantor makes payment relative to any Obligation to the Trustee on behalf of the Creditors in a currency other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Obligation only to the extent of the amount of the Original Currency which the Trustee on behalf of the Creditors is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Trustee on behalf of the Creditors is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Obligation, the Guarantor will indemnify and save the Trustee on behalf of the Creditors harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Trustee on behalf of the Creditors and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.

13. TAXES AND SET-OFF BY GUARANTOR. All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any applicable law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Trustee on behalf of the Creditors receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

14. PAYMENT OF EXPENSES; INDEMNIFICATION. The Guarantor will pay on demand, and will indemnify and save the Trustee on behalf of the Creditors harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (a) incurred by the Trustee on behalf of the Creditors in the preparation, registration, administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any of its obligations under this Guarantee, or (c) incurred by the Trustee on behalf of the Creditors in performing or observing any of the other covenants of the Guarantor under this Guarantee.

15. ADDITIONAL SECURITY. This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by the Trustee on behalf of the Creditors and any other rights or remedies that the Trustee on behalf of the Creditors might have.

16. SET-OFF BY TRUSTEE. The Trustee on behalf of the Creditors may, to the fullest extent permitted by law, set-off and apply any and all deposits at any time held by the Trustee on behalf of the Creditors and any other indebtedness at any time owing by the Trustee on behalf of the Creditors to or for the credit or for the account of the Guarantor against any and all of the Obligations of the Guarantor now or hereafter existing under this Guarantee even if (a) the Trustee

on behalf of the Creditors has not made any demand hereunder, (b) Obligations are contingent or unmatured, or (c) the Obligations are not in the same currency as the offsetting deposits or indebtedness which may be owing by the Trustee on behalf of the Creditors.

17. **[RESERVED]**.

18. **RELEASE OF INFORMATION**. The Guarantor authorizes the Trustee on behalf of the Creditors to provide a copy of this Guarantee and such other information as may be requested of the Creditors by persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtors.

19. **APPLICABLE LAW AND ATTORNMENT**. This Guarantee shall be governed by and interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein and shall be treated in all respects as an Ontario contract, with respect to any suit, action or proceedings relating to this Guarantee, the Guarantor, the Trustee and each holder irrevocably submit and attorn to the exclusive jurisdiction of the courts of the Province of Ontario.

20. **SUCCESSORS AND ASSIGNS**. This Guarantee will extend and enure to the benefit of the Trustee on behalf of the Creditors and its successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Trustee on behalf of the Creditors may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Obligations or any interest therein; and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Obligation or part thereof so transferred or assigned will remain an "Obligation" for the purposes of this Guarantee and any immediate and successive assignee or transferee of any Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee to the same extent as if such person were the Creditor.

21. **TIME**. Time is of the essence with respect to this Guarantee and the time for performance of the obligations of the Guarantor under this Guarantee may be strictly enforced by the Trustee on behalf of the Creditors.

22. **SEVERABILITY**. If any provision of this Guarantee is determined to be illegal, unconscionable or unenforceable, all other terms and provisions hereof will nevertheless remain effective and will be enforced to the fullest extent permitted by law.

23. **COMMUNICATION**. Any notice or other communication required or permitted to be given under this Guarantee shall be made in accordance with the terms of the A&R Debenture Indenture.

24. **REPRESENTATIONS AND WARRANTIES**. The Guarantor represents and warrants to the Creditors, upon each of which representations and warranties the Creditors specifically relies, as follows:

(1) **Litigation**. There is no litigation or governmental proceeding pending or, to its knowledge, threatened against the Guarantor which, if adversely determined, would materially adversely affect the financial condition of the Guarantor.

(2) Burdensome Provisions, etc. The Guarantor is not a party to any agreement or instrument, or subject to any corporate restriction or any judgment, order, writ, injunction, decree, award, rule or regulation, which materially adversely affects or, to its knowledge, in the future is likely to materially and adversely affect, its ability to issue the Guarantee or to perform its obligations under this Guarantee.

(3) Contingent Liabilities and Debt. The Guarantor has no contingent liabilities which are not disclosed on or referred to in the financial statements most recently delivered to the Trustee on behalf of the Creditors which would have a material adverse effect on its business or prospects.

(4) Full Disclosure. Neither the financial statements most recently delivered to the Trustee on behalf of the Creditors nor any other written statement furnished by or on behalf of and at the direction of the Guarantor to the Trustee on behalf of the Creditors in connection with the negotiation or consummation of the transactions as contemplated hereby contain, as of the time such statements were so furnished, any untrue statement of a material fact or omitted as of such time, a material fact necessary to make the statements contained therein not misleading, and all such statements, taken as a whole, together with this Guarantee, do not contain any untrue statement of a material fact or omit a material fact necessary to make the statements contained herein or therein not misleading.

(5) Material Adverse Change. Since the date of the most recent financial statements delivered to the Trustee on behalf of the Creditors and except as otherwise disclosed to the Trustee on behalf of the Creditors in writing (i) there has been no material adverse change in the financial condition of the Guarantor as shown on its balance sheet as at that date; and (ii) the business, operations, properties, condition, financial or otherwise, or prospects of the Guarantor have not, so far as the Guarantor can reasonably foresee, been materially and adversely affected as a result of any act or event including, without limitation, fire, accident, strike, expropriation or act of any government in Canada or elsewhere.

(6) Consents. No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action, in respect of, any Person, governmental authority or agency is required on the part of the Guarantor in connection with the execution and delivery and enforcement of this Guarantee.

(7) Due Execution, etc. This Guarantee has been duly executed and delivered by or on behalf of the Guarantor and constitutes a valid and binding obligation of the Guarantor enforceable in accordance with its terms, except as enforceability may be limited by any bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(8) No Default, etc. Neither the execution nor the delivery of this Guarantee, the consummation of the transactions herein contemplated, nor compliance with the terms, conditions and provisions hereof conflicts with or will conflict with, or results or will result in, any breach of, or constitutes a default under any of the provisions of any agreement or instrument to which the Guarantor is a party or by which the Guarantor, or any of its property or assets are bound or (except as contemplated by this Guarantee) results or will result in the creation or imposition of any

encumbrance upon any of the properties or assets of the Guarantor or results or will result in the contravention of any law or rule or regulation to which the Guarantor or its property or assets are subject and as a consequence of which the ability of the Guarantor to perform its obligations under this Guarantee is or would likely be adversely affected.

(9) Tax Returns. The Guarantor has filed all tax returns which are required to be filed and has paid all taxes which have become due as shown on such returns or any assessments received by the Guarantor where failure to do so would have a material adverse effect on the business, operations or financial condition of the Guarantor or its ability to perform its obligations under this Guarantee, except such taxes (if any) as are being contested in good faith by appropriate proceedings and for which a reserve reasonably satisfactory to the Trustee on behalf of the Creditors is provided; and the Guarantor is not aware of any proposed additional tax assessment against it.

25. TRUSTEE. Subject to any rights or remedies available to the Trustee and the Debentureholders under applicable law or otherwise, no holder of any Debenture shall have any right to institute any action, suit or proceeding at law or in equity for the purpose of enforcing this Guarantee, unless: (a) such holder shall previously have given to the Trustee a written notice of the happening of an Event of Default (as defined in the A&R Debenture Indenture) hereunder; and (b) the Debentureholders by Extraordinary Resolution or by written instrument signed by the holders of at least 25% in principal amount of the Debentures then outstanding shall have made a request to the Trustee and the Trustee shall have been afforded reasonable opportunity either itself to proceed to exercise the powers hereinbefore granted or to institute an action, suit or proceeding in its name for such purpose; and (c) the Debentureholders or any of them shall have furnished to the Trustee, when so requested by the Trustee, sufficient funds and security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby; and (d) the Trustee shall have failed to act within a reasonable time after such notification, request and offer of indemnity and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to any such proceeding or for any other remedy hereunder by or on behalf of the holder of any Debentures.

26. DEBTOR'S FINANCIAL CONDITION. The Guarantor is fully aware of the financial condition of the Debtors.

27. INTERPRETATION. Unless otherwise expressly provided in this Guarantee, if any matter in this Guarantee is subject to the consent or approval of the Trustee on behalf of the Creditors or is to be acceptable to the Trustee on behalf of the Creditors, such consent, approval or determination of acceptability will be in the sole discretion of the Trustee on behalf of the Creditors. If any provision in this Guarantee refers to any action taken or to be taken by the Guarantor, or which the Guarantor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Guarantee into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Guarantee. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Guarantee, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Guarantee to a "Section" means the relevant Section of this Guarantee. If more than one person executes this

Guarantee, their obligations under this Guarantee are joint and several. Any reference in this Guarantee to a "person" will be deemed to include an individual, corporation, partnership, trust, unincorporated organization, government and the heirs, executors, administrators or other legal representatives of an individual. All capitalized terms used herein without being otherwise defined herein shall have the meaning ascribed thereto in the A&R Debenture Indenture.

28. COUNTERPARTS. This Guarantee may be signed in counterparts and by electronic transmission, each of which shall for all purposes be deemed to be an original, and all such separate counterparts shall together constitute one and the same instrument.

29. COPY OF GUARANTEE. The Guarantor acknowledges receipt of an executed copy of this Guarantee.

RECITALS:

A. **Aleafia Health Inc.** (the "**Debtor**") and **Computershare Trust Company of Canada**, in its capacity as trustee (the "**Trustee**"), and on behalf of the Debentureholders (collectively, the "**Creditors**") are parties to an amended and restated debenture indenture dated as of the date hereof (as amended, supplemented, restated or replaced from time to time, the "**A&R Debenture Indenture**").

B. As a condition precedent to the issuance of the Debentures under the A&R Debenture Indenture, Aleafia Inc. (the "**Guarantor**") is required to execute and deliver this Guarantee.

For valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged by the Guarantor, the Guarantor hereby agrees in favour of the Creditors as follows:

1. **GUARANTEE**. The Guarantor hereby unconditionally and irrevocably guarantees, jointly and severally, as a primary obligor and not merely as a surety, the prompt payment and performance to the Trustee on behalf of the Creditors, forthwith upon demand by the Trustee on behalf of the Creditors, of all present and future indebtedness, liabilities and obligations of any kind whatsoever (whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) of the Debtors to the Creditors under, in connection with or with respect to the A&R Debenture Indenture and the other Security Documents (as defined in the A&R Debenture Indenture) (collectively, the "**Obligations**"). All amounts payable by the Guarantor hereunder will be paid to the Trustee on behalf of the Creditors at the address of the Trustee shown above or as otherwise directed in writing by the Trustee. Any amounts payable by the Guarantor under this Guarantee which are not paid forthwith upon demand therefor by the Trustee on behalf of the Creditors will bear interest from the date of such demand at the rate or rates applicable to the corresponding Obligations.

2. **GUARANTEE UNCONDITIONAL**. The obligations of the Guarantor under this Guarantee are continuing, unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged, diminished, limited or otherwise affected by (and the Guarantor hereby waives, to the fullest extent permitted by applicable law): (a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Obligation, security, person or otherwise; (b) any modification or amendment of or supplement to the Obligations, including any increase or decrease in the principal, the rates of

interest or other amounts payable thereunder; (c) any release, non-perfection or invalidity of any direct or indirect security for any Obligation; (d) any change in the existence, structure, constitution, name, objects, powers, business, control or ownership of any Debtor or any other person, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Debtor or any other person or its assets; (e) the existence of any claim, set-off or other rights which the Guarantor may have at any time against any Debtor, the Creditors, or any other person, whether in connection herewith or any unrelated transactions; (f) any invalidity, illegality or unenforceability relating to or against any Debtor or any provision of applicable law or regulation purporting to prohibit the payment by the Debtors of the principal or interest under the Obligations; (g) any limitation, postponement, prohibition, subordination or other restriction on the rights of the Trustee on behalf of the Creditors to payment of the Obligations; (h) any release, substitution or addition of any cosigner, endorser or other guarantor of the Obligations; (i) any defence arising by reason of any failure of the Trustee on behalf of the Creditors to make any presentment, demand for performance, notice of non-performance, protest, and any other notice, including notice of all of the following: acceptance of this Guarantee, partial payment or non-payment of all or any part of the Obligations and the existence, creation, or incurring of new or additional Obligations; (j) any defence arising by reason of any failure of the Trustee on behalf of the Creditors to proceed against any Debtor or any other person, to proceed against, apply or exhaust any security held from any Debtor or any other person for the Obligations, to proceed against, apply or exhaust any security held from the Guarantor or any other person for this Guarantee or to pursue any other remedy in the power of the Trustee on behalf of the Creditors whatsoever; (k) any law which provides that the obligation of a guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal obligation or which reduces a guarantor's obligation in proportion to the principal obligation; (l) any defence arising by reason of any incapacity, lack of authority, or other defence of any Debtor or any other person, or by reason of any limitation, postponement, prohibition on the Trustee's right on behalf of the Creditors to payment of the Obligations or any part thereof, or by reason of the cessation from any cause whatsoever of the liability of any Debtor or any other person with respect to all or any part of the Obligations, or by reason of any act or omission of the Trustee or others which directly or indirectly results in the discharge or release of any Debtor or any other person or all or any part of the Obligations or any security or guarantee therefor, whether by contract, operation of law or otherwise; (m) any defence arising by reason of any failure by the Trustee on behalf of the Creditors to obtain, perfect or maintain a perfected or prior (or any) security interest in or lien or encumbrance upon any property of any Debtor or any other person, or by reason of any interest of the Trustee on behalf of the Creditors in any property, whether as owner thereof or the holder of a security interest therein or lien or encumbrance thereon, being invalidated, voided, declared fraudulent or preferential or otherwise set aside, or by reason of any impairment by the Trustee on behalf of the Creditors of any right to recourse or collateral; (n) any defence arising by reason of the failure of the Trustee on behalf of the Creditors to marshal any assets; (o) any defence based upon any failure of the Trustee on behalf of the Creditors to give to the Debtors or the Guarantor notice of any sale or other disposition of any property securing any or all of the Obligations or any guarantee thereof, or any defect in any notice that may be given in connection with any sale or other disposition of any such property, or any failure of the Trustee on behalf of the Creditors to comply with any provision of applicable law in enforcing any security interest in or lien upon any such property, including any failure by the Trustee on behalf of the Creditors to dispose of any such property in a commercially reasonable manner; (p) any dealing whatsoever

with any Debtor or other person or any security, whether negligently or not, or any failure to do so; (q) any defence based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against any Debtor or any other person, including any discharge of, or bar against collecting, any of the Obligations, in or as a result of any such proceeding; or (r) any other act or omission to act or delay of any kind by any Debtor, the Creditors, or any other person or any other circumstance whatsoever, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 2, constitute a legal or equitable discharge, limitation or reduction of the Guarantor's obligations hereunder (other than the payment or extinguishment in full of all of the Obligations). The foregoing provisions apply (and the foregoing waivers will be effective) even if the effect of any action (or failure to take action) by the Trustee on behalf of the Creditors is to destroy or diminish the Guarantor's subrogation rights, the Guarantor's right to proceed against the Debtors for reimbursement, the Guarantor's right to recover contribution from any other guarantor or any other right or remedy.

3. **RELIANCE ON AGENTS.** The Trustee on behalf of the Creditors is entitled to assume, notwithstanding any investigation by or on behalf of the Creditors, the power of the Debtors and the Guarantor and the authority of the officers, directors or agents acting or purporting to act on behalf of the Debtors or the Guarantor, and any Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.

4. **RECOURSE AGAINST DEBTOR.** The Trustee on behalf of the Creditors is not required to exhaust its recourse against the Debtors or others or under any other security or guarantee before being entitled to payment from the Guarantor under this Guarantee.

5. **SETTLEMENT OF ACCOUNTS.** Any account settled or stated between the Trustee on behalf of the Creditors and the Debtors will be accepted by the Guarantor as *prima facie* evidence that the amount thereby appearing due by the Debtors to the Creditors is so due.

6. **NO WAIVER.** No delay on the part of the Trustee on behalf of the Creditors in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of its rights hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Trustee on behalf of the Creditors unless the same will be in writing, duly signed on behalf of the Trustee on behalf of the Creditors, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Creditors or the liabilities of the Guarantor to the Creditors in any other respect at any other time.

7. **GUARANTEE OF ALL MONEYS BORROWED.** All moneys and credits in fact borrowed or obtained by the Debtors from the Creditors, will be deemed to form part of the Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of any Debtor or of the directors, officers, employees, partners or agents thereof, or that any Debtor may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. Any amount which may not be recoverable from the Guarantor by the Trustee on behalf of the Creditors on the basis of a guarantee will be recoverable by the Trustee on behalf of the Creditors from the Guarantor as principal debtor in respect thereof and will be paid to the Trustee on behalf of the Creditors forthwith after demand therefor as herein provided.

8. **STAY OF ACCELERATION.** If acceleration of the time for payment of any amount payable by the Debtors in respect of the Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Debtor or any moratorium affecting the payment of the Obligations, all such amounts otherwise subject to acceleration will nonetheless be payable by the Guarantor hereunder forthwith on demand by the Trustee on behalf of the Creditors.

9. **REINSTATEMENT.** If, at any time, all or any part of any payment previously applied by the Trustee on behalf of the Creditors to any Obligation is or must be rescinded or returned by the Trustee on behalf of the Creditors for any reason whatsoever (including, without limitation, the insolvency, bankruptcy, or reorganization of the Debtors), such Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Trustee, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Obligation, all as though such application by the Trustee on behalf of the Creditors had not been made.

10. **NO SUBROGATION.** Notwithstanding any payment made by the Guarantor under this Guarantee or any setoff or application of funds of the Guarantor by the Trustee, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by law, any right to enforce any remedy which the Trustee on behalf of the Creditors now has or may hereafter have against the Debtors, until all of the Obligations have been indefeasibly paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Trustee on behalf of the Creditors for the Obligations.

11. **ASSIGNMENT AND POSTPONEMENT.** All present and future indebtedness and liability of the Debtors to the Guarantor is hereby assigned by the Guarantor to the Trustee and postponed to the Obligations and all moneys received by the Guarantor in respect thereof will be received in trust for and, unless prior written authorization from the Trustee to the contrary will have been obtained by the Guarantor, will be paid over to the Trustee on behalf of the Creditors upon demand by the Trustee. If the Trustee on behalf of the Creditors receives from the Guarantor a payment or payments in full or on account of the liability of the Guarantor hereunder, the Guarantor will not be entitled to claim repayment against any Debtor until the Trustee's claims against the Debtors have been paid in full. In case of liquidation, winding up or bankruptcy of any Debtor (whether voluntary or involuntary) or if any Debtor will make a bulk sale of any of its assets within the bulk transfer provisions of any applicable legislation or any composition with creditors or scheme of arrangement, the Trustee on behalf of the Creditors will have the right to rank for its full claims and receive all dividends or other payments in respect thereof in priority to the Guarantor until the claims of the Trustee on behalf of the Creditors have been paid in full, and the Guarantor will continue liable hereunder for any balance which may be owing to the Trustee by the Debtors. In the event of the valuation by the Trustee of any of its security and/or the retention thereof by the Trustee, such valuation and/or retention will not, as between the Trustee and the Guarantor, be considered as a purchase of such security, or as payment or satisfaction or reduction of the Obligations or any part thereof. The foregoing provisions of this Section 11 will not in any way limit or lessen the liability of the Guarantor under any other Section of this Guarantee.

12. **FOREIGN CURRENCY OBLIGATIONS.** The Guarantor will make payment relative to each Obligation in the currency (the "**Original Currency**") in which the Debtors are required

to pay such Obligation. If the Guarantor makes payment relative to any Obligation to the Trustee on behalf of the Creditors in a currency other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Obligation only to the extent of the amount of the Original Currency which the Trustee on behalf of the Creditors is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Trustee on behalf of the Creditors is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Obligation, the Guarantor will indemnify and save the Trustee on behalf of the Creditors harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Trustee on behalf of the Creditors and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.

13. TAXES AND SET-OFF BY GUARANTOR. All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any applicable law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Trustee on behalf of the Creditors receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

14. PAYMENT OF EXPENSES; INDEMNIFICATION. The Guarantor will pay on demand, and will indemnify and save the Trustee on behalf of the Creditors harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (a) incurred by the Trustee on behalf of the Creditors in the preparation, registration, administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any of its obligations under this Guarantee, or (c) incurred by the Trustee on behalf of the Creditors in performing or observing any of the other covenants of the Guarantor under this Guarantee.

15. ADDITIONAL SECURITY. This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by the Trustee on behalf of the Creditors and any other rights or remedies that the Trustee on behalf of the Creditors might have.

16. SET-OFF BY TRUSTEE. The Trustee on behalf of the Creditors may, to the fullest extent permitted by law, set-off and apply any and all deposits at any time held by the Trustee on behalf of the Creditors and any other indebtedness at any time owing by the Trustee on behalf of the Creditors to or for the credit or for the account of the Guarantor against any and all of the Obligations of the Guarantor now or hereafter existing under this Guarantee even if (a) the Trustee on behalf of the Creditors has not made any demand hereunder, (b) Obligations are contingent or

unmatured, or (c) the Obligations are not in the same currency as the offsetting deposits or indebtedness which may be owing by the Trustee on behalf of the Creditors.

17. **[RESERVED]**.

18. **RELEASE OF INFORMATION**. The Guarantor authorizes the Trustee on behalf of the Creditors to provide a copy of this Guarantee and such other information as may be requested of the Creditors by persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtors.

19. **APPLICABLE LAW AND ATTORNMENT**. This Guarantee shall be governed by and interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein and shall be treated in all respects as an Ontario contract, with respect to any suit, action or proceedings relating to this Guarantee, the Guarantor, the Trustee and each holder irrevocably submit and attorn to the exclusive jurisdiction of the courts of the Province of Ontario.

20. **SUCCESSORS AND ASSIGNS**. This Guarantee will extend and enure to the benefit of the Trustee on behalf of the Creditors and its successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Trustee on behalf of the Creditors may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Obligations or any interest therein; and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Obligation or part thereof so transferred or assigned will remain an "Obligation" for the purposes of this Guarantee and any immediate and successive assignee or transferee of any Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee to the same extent as if such person were the Creditor.

21. **TIME**. Time is of the essence with respect to this Guarantee and the time for performance of the obligations of the Guarantor under this Guarantee may be strictly enforced by the Trustee on behalf of the Creditors.

22. **SEVERABILITY**. If any provision of this Guarantee is determined to be illegal, unconscionable or unenforceable, all other terms and provisions hereof will nevertheless remain effective and will be enforced to the fullest extent permitted by law.

23. **COMMUNICATION**. Any notice or other communication required or permitted to be given under this Guarantee shall be made in accordance with the terms of the A&R Debenture Indenture.

24. **REPRESENTATIONS AND WARRANTIES**. The Guarantor represents and warrants to the Creditors, upon each of which representations and warranties the Creditors specifically relies, as follows:

(1) **Litigation**. There is no litigation or governmental proceeding pending or, to its knowledge, threatened against the Guarantor which, if adversely determined, would materially adversely affect the financial condition of the Guarantor.

(2) Burdensome Provisions, etc. The Guarantor is not a party to any agreement or instrument, or subject to any corporate restriction or any judgment, order, writ, injunction, decree, award, rule or regulation, which materially adversely affects or, to its knowledge, in the future is likely to materially and adversely affect, its ability to issue the Guarantee or to perform its obligations under this Guarantee.

(3) Contingent Liabilities and Debt. The Guarantor has no contingent liabilities which are not disclosed on or referred to in the financial statements most recently delivered to the Trustee on behalf of the Creditors which would have a material adverse effect on its business or prospects.

(4) Full Disclosure. Neither the financial statements most recently delivered to the Trustee on behalf of the Creditors nor any other written statement furnished by or on behalf of and at the direction of the Guarantor to the Trustee on behalf of the Creditors in connection with the negotiation or consummation of the transactions as contemplated hereby contain, as of the time such statements were so furnished, any untrue statement of a material fact or omitted as of such time, a material fact necessary to make the statements contained therein not misleading, and all such statements, taken as a whole, together with this Guarantee, do not contain any untrue statement of a material fact or omit a material fact necessary to make the statements contained herein or therein not misleading.

(5) Material Adverse Change. Since the date of the most recent financial statements delivered to the Trustee on behalf of the Creditors and except as otherwise disclosed to the Trustee on behalf of the Creditors in writing (i) there has been no material adverse change in the financial condition of the Guarantor as shown on its balance sheet as at that date; and (ii) the business, operations, properties, condition, financial or otherwise, or prospects of the Guarantor have not, so far as the Guarantor can reasonably foresee, been materially and adversely affected as a result of any act or event including, without limitation, fire, accident, strike, expropriation or act of any government in Canada or elsewhere.

(6) Consents. No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action, in respect of, any Person, governmental authority or agency is required on the part of the Guarantor in connection with the execution and delivery and enforcement of this Guarantee.

(7) Due Execution, etc. This Guarantee has been duly executed and delivered by or on behalf of the Guarantor and constitutes a valid and binding obligation of the Guarantor enforceable in accordance with its terms, except as enforceability may be limited by any bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(8) No Default, etc. Neither the execution nor the delivery of this Guarantee, the consummation of the transactions herein contemplated, nor compliance with the terms, conditions and provisions hereof conflicts with or will conflict with, or results or will result in, any breach of, or constitutes a default under any of the provisions of any agreement or instrument to which the Guarantor is a party or by which the Guarantor, or any of its property or assets are bound or (except as contemplated by this Guarantee) results or will result in the creation or imposition of any

encumbrance upon any of the properties or assets of the Guarantor or results or will result in the contravention of any law or rule or regulation to which the Guarantor or its property or assets are subject and as a consequence of which the ability of the Guarantor to perform its obligations under this Guarantee is or would likely be adversely affected.

(9) Tax Returns. The Guarantor has filed all tax returns which are required to be filed and has paid all taxes which have become due as shown on such returns or any assessments received by the Guarantor where failure to do so would have a material adverse effect on the business, operations or financial condition of the Guarantor or its ability to perform its obligations under this Guarantee, except such taxes (if any) as are being contested in good faith by appropriate proceedings and for which a reserve reasonably satisfactory to the Trustee on behalf of the Creditors is provided; and the Guarantor is not aware of any proposed additional tax assessment against it.

25. TRUSTEE. Subject to any rights or remedies available to the Trustee and the Debentureholders under applicable law or otherwise, no holder of any Debenture shall have any right to institute any action, suit or proceeding at law or in equity for the purpose of enforcing this Guarantee, unless: (a) such holder shall previously have given to the Trustee a written notice of the happening of an Event of Default (as defined in the A&R Debenture Indenture) hereunder; and (b) the Debentureholders by Extraordinary Resolution or by written instrument signed by the holders of at least 25% in principal amount of the Debentures then outstanding shall have made a request to the Trustee and the Trustee shall have been afforded reasonable opportunity either itself to proceed to exercise the powers hereinbefore granted or to institute an action, suit or proceeding in its name for such purpose; and (c) the Debentureholders or any of them shall have furnished to the Trustee, when so requested by the Trustee, sufficient funds and security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby; and (d) the Trustee shall have failed to act within a reasonable time after such notification, request and offer of indemnity and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to any such proceeding or for any other remedy hereunder by or on behalf of the holder of any Debentures.

26. DEBTOR'S FINANCIAL CONDITION. The Guarantor is fully aware of the financial condition of the Debtors.

27. INTERPRETATION. Unless otherwise expressly provided in this Guarantee, if any matter in this Guarantee is subject to the consent or approval of the Trustee on behalf of the Creditors or is to be acceptable to the Trustee on behalf of the Creditors, such consent, approval or determination of acceptability will be in the sole discretion of the Trustee on behalf of the Creditors. If any provision in this Guarantee refers to any action taken or to be taken by the Guarantor, or which the Guarantor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Guarantee into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Guarantee. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Guarantee, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Guarantee to a "Section" means the relevant Section of this Guarantee. If more than one person executes this

Guarantee, their obligations under this Guarantee are joint and several. Any reference in this Guarantee to a "person" will be deemed to include an individual, corporation, partnership, trust, unincorporated organization, government and the heirs, executors, administrators or other legal representatives of an individual. All capitalized terms used herein without being otherwise defined herein shall have the meaning ascribed thereto in the A&R Debenture Indenture.

28. COUNTERPARTS. This Guarantee may be signed in counterparts and by electronic transmission, each of which shall for all purposes be deemed to be an original, and all such separate counterparts shall together constitute one and the same instrument.

RECITALS:

A. **Aleafia Health Inc.** (the "**Debtor**") and **Computershare Trust Company of Canada**, in its capacity as trustee (the "**Trustee**"), and on behalf of the Debentureholders (collectively, the "**Creditors**") are parties to an amended and restated debenture indenture dated as of the date hereof (as amended, supplemented, restated or replaced from time to time, the "**A&R Debenture Indenture**").

B. As a condition precedent to the issuance of the Debentures under the A&R Debenture Indenture, Emblem Cannabis Corporation (the "**Guarantor**") is required to execute and deliver this Guarantee.

For valuable consideration, the receipt and sufficiency of which are hereby conclusively acknowledged by the Guarantor, the Guarantor hereby agrees in favour of the Creditors as follows:

1. **GUARANTEE**. The Guarantor hereby unconditionally and irrevocably guarantees, jointly and severally, as a primary obligor and not merely as a surety, the prompt payment and performance to the Trustee on behalf of the Creditors, forthwith upon demand by the Trustee on behalf of the Creditors, of all present and future indebtedness, liabilities and obligations of any kind whatsoever (whether direct or indirect, joint or several, absolute or contingent, matured or unmatured) of the Debtors to the Creditors under, in connection with or with respect to the A&R Debenture Indenture and the other Security Documents (as defined in the A&R Debenture Indenture) (collectively, the "**Obligations**"). All amounts payable by the Guarantor hereunder will be paid to the Trustee on behalf of the Creditors at the address of the Trustee shown above or as otherwise directed in writing by the Trustee. Any amounts payable by the Guarantor under this Guarantee which are not paid forthwith upon demand therefor by the Trustee on behalf of the Creditors will bear interest from the date of such demand at the rate or rates applicable to the corresponding Obligations.

2. **GUARANTEE UNCONDITIONAL**. The obligations of the Guarantor under this Guarantee are continuing, unconditional and absolute and, without limiting the generality of the foregoing, will not be released, discharged, diminished, limited or otherwise affected by (and the Guarantor hereby waives, to the fullest extent permitted by applicable law): (a) any extension, other indulgence, renewal, settlement, discharge, compromise, waiver, subordination or release in respect of any Obligation, security, person or otherwise; (b) any modification or amendment of or

supplement to the Obligations, including any increase or decrease in the principal, the rates of interest or other amounts payable thereunder; (c) any release, non-perfection or invalidity of any direct or indirect security for any Obligation; (d) any change in the existence, structure, constitution, name, objects, powers, business, control or ownership of any Debtor or any other person, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting any Debtor or any other person or its assets; (e) the existence of any claim, set-off or other rights which the Guarantor may have at any time against any Debtor, the Creditors, or any other person, whether in connection herewith or any unrelated transactions; (f) any invalidity, illegality or unenforceability relating to or against any Debtor or any provision of applicable law or regulation purporting to prohibit the payment by the Debtors of the principal or interest under the Obligations; (g) any limitation, postponement, prohibition, subordination or other restriction on the rights of the Trustee on behalf of the Creditors to payment of the Obligations; (h) any release, substitution or addition of any cosigner, endorser or other guarantor of the Obligations; (i) any defence arising by reason of any failure of the Trustee on behalf of the Creditors to make any presentment, demand for performance, notice of non-performance, protest, and any other notice, including notice of all of the following: acceptance of this Guarantee, partial payment or non-payment of all or any part of the Obligations and the existence, creation, or incurring of new or additional Obligations; (j) any defence arising by reason of any failure of the Trustee on behalf of the Creditors to proceed against any Debtor or any other person, to proceed against, apply or exhaust any security held from any Debtor or any other person for the Obligations, to proceed against, apply or exhaust any security held from the Guarantor or any other person for this Guarantee or to pursue any other remedy in the power of the Trustee on behalf of the Creditors whatsoever; (k) any law which provides that the obligation of a guarantor must neither be larger in amount nor in other respects more burdensome than that of the principal obligation or which reduces a guarantor's obligation in proportion to the principal obligation; (l) any defence arising by reason of any incapacity, lack of authority, or other defence of any Debtor or any other person, or by reason of any limitation, postponement, prohibition on the Trustee's right on behalf of the Creditors to payment of the Obligations or any part thereof, or by reason of the cessation from any cause whatsoever of the liability of any Debtor or any other person with respect to all or any part of the Obligations, or by reason of any act or omission of the Trustee or others which directly or indirectly results in the discharge or release of any Debtor or any other person or all or any part of the Obligations or any security or guarantee therefor, whether by contract, operation of law or otherwise; (m) any defence arising by reason of any failure by the Trustee on behalf of the Creditors to obtain, perfect or maintain a perfected or prior (or any) security interest in or lien or encumbrance upon any property of any Debtor or any other person, or by reason of any interest of the Trustee on behalf of the Creditors in any property, whether as owner thereof or the holder of a security interest therein or lien or encumbrance thereon, being invalidated, voided, declared fraudulent or preferential or otherwise set aside, or by reason of any impairment by the Trustee on behalf of the Creditors of any right to recourse or collateral; (n) any defence arising by reason of the failure of the Trustee on behalf of the Creditors to marshal any assets; (o) any defence based upon any failure of the Trustee on behalf of the Creditors to give to the Debtors or the Guarantor notice of any sale or other disposition of any property securing any or all of the Obligations or any guarantee thereof, or any defect in any notice that may be given in connection with any sale or other disposition of any such property, or any failure of the Trustee on behalf of the Creditors to comply with any provision of applicable law in enforcing any security interest in or lien upon any such property, including any failure by the Trustee on behalf of the Creditors to

dispose of any such property in a commercially reasonable manner; (p) any dealing whatsoever with any Debtor or other person or any security, whether negligently or not, or any failure to do so; (q) any defence based upon or arising out of any bankruptcy, insolvency, reorganization, moratorium, arrangement, readjustment of debt, liquidation or dissolution proceeding commenced by or against any Debtor or any other person, including any discharge of, or bar against collecting, any of the Obligations, in or as a result of any such proceeding; or (r) any other act or omission to act or delay of any kind by any Debtor, the Creditors, or any other person or any other circumstance whatsoever, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 2, constitute a legal or equitable discharge, limitation or reduction of the Guarantor's obligations hereunder (other than the payment or extinguishment in full of all of the Obligations). The foregoing provisions apply (and the foregoing waivers will be effective) even if the effect of any action (or failure to take action) by the Trustee on behalf of the Creditors is to destroy or diminish the Guarantor's subrogation rights, the Guarantor's right to proceed against the Debtors for reimbursement, the Guarantor's right to recover contribution from any other guarantor or any other right or remedy.

3. **RELIANCE ON AGENTS.** The Trustee on behalf of the Creditors is entitled to assume, notwithstanding any investigation by or on behalf of the Creditors, the power of the Debtors and the Guarantor and the authority of the officers, directors or agents acting or purporting to act on behalf of the Debtors or the Guarantor, and any Obligations made or created in reliance upon the exercise of such power or authority will be guaranteed hereunder.

4. **RECOURSE AGAINST DEBTOR.** The Trustee on behalf of the Creditors is not required to exhaust its recourse against the Debtors or others or under any other security or guarantee before being entitled to payment from the Guarantor under this Guarantee.

5. **SETTLEMENT OF ACCOUNTS.** Any account settled or stated between the Trustee on behalf of the Creditors and the Debtors will be accepted by the Guarantor as *prima facie* evidence that the amount thereby appearing due by the Debtors to the Creditors is so due.

6. **NO WAIVER.** No delay on the part of the Trustee on behalf of the Creditors in exercising any of its options, powers or rights, or partial or single exercise thereof, will constitute a waiver thereof. No waiver of any of its rights hereunder, and no modification or amendment of this Guarantee, will be deemed to be made by the Trustee on behalf of the Creditors unless the same will be in writing, duly signed on behalf of the Trustee on behalf of the Creditors, and each such waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Creditors or the liabilities of the Guarantor to the Creditors in any other respect at any other time.

7. **GUARANTEE OF ALL MONEYS BORROWED.** All moneys and credits in fact borrowed or obtained by the Debtors from the Creditors, will be deemed to form part of the Obligations notwithstanding any incapacity, disability or lack or limitation of status or power of any Debtor or of the directors, officers, employees, partners or agents thereof, or that any Debtor may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys or credits. Any amount which may not be recoverable from the Guarantor by the Trustee on behalf of the Creditors on the basis of a guarantee will be recoverable by the Trustee

on behalf of the Creditors from the Guarantor as principal debtor in respect thereof and will be paid to the Trustee on behalf of the Creditors forthwith after demand therefor as herein provided.

8. STAY OF ACCELERATION. If acceleration of the time for payment of any amount payable by the Debtors in respect of the Obligations is stayed upon the insolvency, bankruptcy or reorganization of any Debtor or any moratorium affecting the payment of the Obligations, all such amounts otherwise subject to acceleration will nonetheless be payable by the Guarantor hereunder forthwith on demand by the Trustee on behalf of the Creditors.

9. REINSTATEMENT. If, at any time, all or any part of any payment previously applied by the Trustee on behalf of the Creditors to any Obligation is or must be rescinded or returned by the Trustee on behalf of the Creditors for any reason whatsoever (including, without limitation, the insolvency, bankruptcy, or reorganization of the Debtors), such Obligation will, for the purpose of this Guarantee, to the extent that such payment is or must be rescinded or returned, be deemed to have continued in existence, notwithstanding such application by the Trustee, and this Guarantee will continue to be effective or be reinstated, as the case may be, as to such Obligation, all as though such application by the Trustee on behalf of the Creditors had not been made.

10. NO SUBROGATION. Notwithstanding any payment made by the Guarantor under this Guarantee or any setoff or application of funds of the Guarantor by the Trustee, the Guarantor will have no right of subrogation to, and waives, to the fullest extent permitted by law, any right to enforce any remedy which the Trustee on behalf of the Creditors now has or may hereafter have against the Debtors, until all of the Obligations have been indefeasibly paid in full; and until that time, the Guarantor waives any benefit of, and any right to participate in, any security, whether real or personal property, now or hereafter held by the Trustee on behalf of the Creditors for the Obligations.

11. ASSIGNMENT AND POSTPONEMENT. All present and future indebtedness and liability of the Debtors to the Guarantor is hereby assigned by the Guarantor to the Trustee and postponed to the Obligations and all moneys received by the Guarantor in respect thereof will be received in trust for and, unless prior written authorization from the Trustee to the contrary will have been obtained by the Guarantor, will be paid over to the Trustee on behalf of the Creditors upon demand by the Trustee. If the Trustee on behalf of the Creditors receives from the Guarantor a payment or payments in full or on account of the liability of the Guarantor hereunder, the Guarantor will not be entitled to claim repayment against any Debtor until the Trustee's claims against the Debtors have been paid in full. In case of liquidation, winding up or bankruptcy of any Debtor (whether voluntary or involuntary) or if any Debtor will make a bulk sale of any of its assets within the bulk transfer provisions of any applicable legislation or any composition with creditors or scheme of arrangement, the Trustee on behalf of the Creditors will have the right to rank for its full claims and receive all dividends or other payments in respect thereof in priority to the Guarantor until the claims of the Trustee on behalf of the Creditors have been paid in full, and the Guarantor will continue liable hereunder for any balance which may be owing to the Trustee by the Debtors. In the event of the valuation by the Trustee of any of its security and/or the retention thereof by the Trustee, such valuation and/or retention will not, as between the Trustee and the Guarantor, be considered as a purchase of such security, or as payment or satisfaction or reduction of the Obligations or any part thereof. The foregoing provisions of this Section 11 will not in any way limit or lessen the liability of the Guarantor under any other Section of this Guarantee.

12. FOREIGN CURRENCY OBLIGATIONS. The Guarantor will make payment relative to each Obligation in the currency (the "**Original Currency**") in which the Debtors are required to pay such Obligation. If the Guarantor makes payment relative to any Obligation to the Trustee on behalf of the Creditors in a currency other than the Original Currency (whether voluntarily or pursuant to an order or judgment of a court or tribunal of any jurisdiction), such payment will constitute a discharge of the liability of the Guarantor hereunder in respect of such Obligation only to the extent of the amount of the Original Currency which the Trustee on behalf of the Creditors is able to purchase at Toronto, Ontario with the amount it receives on the date of receipt. If the amount of the Original Currency which the Trustee on behalf of the Creditors is able to purchase is less than the amount of such currency originally due to it in respect to the relevant Obligation, the Guarantor will indemnify and save the Trustee on behalf of the Creditors harmless from and against any loss or damage arising as a result of such deficiency. This indemnity will constitute an obligation separate and independent from the other obligations contained in this Guarantee, will give rise to a separate and independent cause of action, will apply irrespective of any indulgence granted by the Trustee on behalf of the Creditors and will continue in full force and effect notwithstanding any judgment or order in respect of any amount due hereunder or under any judgment or order.

13. TAXES AND SET-OFF BY GUARANTOR. All payments to be made by the Guarantor hereunder will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any nature whatsoever. If at any time any applicable law, regulation or international agreement requires the Guarantor to make any such deduction or withholding from any such payment, the sum due from the Guarantor with respect to such payment will be increased to the extent necessary to ensure that, after the making of such deduction or withholding, the Trustee on behalf of the Creditors receives a net sum equal to the sum which it would have received had no deduction or withholding been required.

14. PAYMENT OF EXPENSES; INDEMNIFICATION. The Guarantor will pay on demand, and will indemnify and save the Trustee on behalf of the Creditors harmless from, any and all liabilities, costs and expenses (including legal fees and expenses on a full indemnity basis and any sales, goods and services or other similar taxes payable to any governmental authority with respect to any such liabilities, costs and expenses) (a) incurred by the Trustee on behalf of the Creditors in the preparation, registration, administration or enforcement of this Guarantee, (b) with respect to, or resulting from, any failure or delay by the Guarantor in performing or observing any of its obligations under this Guarantee, or (c) incurred by the Trustee on behalf of the Creditors in performing or observing any of the other covenants of the Guarantor under this Guarantee.

15. ADDITIONAL SECURITY. This Guarantee is in addition and without prejudice to any security of any kind (including other guarantees) now or hereafter held by the Trustee on behalf of the Creditors and any other rights or remedies that the Trustee on behalf of the Creditors might have.

16. SET-OFF BY TRUSTEE. The Trustee on behalf of the Creditors may, to the fullest extent permitted by law, set-off and apply any and all deposits at any time held by the Trustee on behalf of the Creditors and any other indebtedness at any time owing by the Trustee on behalf of the Creditors to or for the credit or for the account of the Guarantor against any and all of the Obligations of the Guarantor now or hereafter existing under this Guarantee even if (a) the Trustee

on behalf of the Creditors has not made any demand hereunder, (b) Obligations are contingent or unmatured, or (c) the Obligations are not in the same currency as the offsetting deposits or indebtedness which may be owing by the Trustee on behalf of the Creditors.

17. **[RESERVED]**.

18. **RELEASE OF INFORMATION**. The Guarantor authorizes the Trustee on behalf of the Creditors to provide a copy of this Guarantee and such other information as may be requested of the Creditors by persons entitled thereto pursuant to any applicable legislation, and otherwise with the consent of the Debtors.

19. **APPLICABLE LAW AND ATTORNMENT**. This Guarantee shall be governed by and interpreted in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein and shall be treated in all respects as an Ontario contract, with respect to any suit, action or proceedings relating to this Guarantee, the Guarantor, the Trustee and each holder irrevocably submit and attorn to the exclusive jurisdiction of the courts of the Province of Ontario.

20. **SUCCESSORS AND ASSIGNS**. This Guarantee will extend and enure to the benefit of the Trustee on behalf of the Creditors and its successors and assigns and will be binding upon the Guarantor and its successors. The Guarantor's obligations hereunder will not be assigned or delegated. The Trustee on behalf of the Creditors may from time to time, and without notice to or the consent of the Guarantor, assign or transfer all or any of the Obligations or any interest therein; and, notwithstanding any such assignment or transfer or any subsequent assignment or transfer thereof, any such Obligation or part thereof so transferred or assigned will remain an "Obligation" for the purposes of this Guarantee and any immediate and successive assignee or transferee of any Obligation or any interest therein will, to the extent of the interest so assigned or transferred, be entitled to the benefit of, and the right to enforce, this Guarantee to the same extent as if such person were the Creditor.

21. **TIME**. Time is of the essence with respect to this Guarantee and the time for performance of the obligations of the Guarantor under this Guarantee may be strictly enforced by the Trustee on behalf of the Creditors.

22. **SEVERABILITY**. If any provision of this Guarantee is determined to be illegal, unconscionable or unenforceable, all other terms and provisions hereof will nevertheless remain effective and will be enforced to the fullest extent permitted by law.

23. **COMMUNICATION**. Any notice or other communication required or permitted to be given under this Guarantee shall be made in accordance with the terms of the A&R Debenture Indenture.

24. **REPRESENTATIONS AND WARRANTIES**. The Guarantor represents and warrants to the Creditors, upon each of which representations and warranties the Creditors specifically relies, as follows:

(1) **Litigation**. There is no litigation or governmental proceeding pending or, to its knowledge, threatened against the Guarantor which, if adversely determined, would materially adversely affect the financial condition of the Guarantor.

(2) Burdensome Provisions, etc. The Guarantor is not a party to any agreement or instrument, or subject to any corporate restriction or any judgment, order, writ, injunction, decree, award, rule or regulation, which materially adversely affects or, to its knowledge, in the future is likely to materially and adversely affect, its ability to issue the Guarantee or to perform its obligations under this Guarantee.

(3) Contingent Liabilities and Debt. The Guarantor has no contingent liabilities which are not disclosed on or referred to in the financial statements most recently delivered to the Trustee on behalf of the Creditors which would have a material adverse effect on its business or prospects.

(4) Full Disclosure. Neither the financial statements most recently delivered to the Trustee on behalf of the Creditors nor any other written statement furnished by or on behalf of and at the direction of the Guarantor to the Trustee on behalf of the Creditors in connection with the negotiation or consummation of the transactions as contemplated hereby contain, as of the time such statements were so furnished, any untrue statement of a material fact or omitted as of such time, a material fact necessary to make the statements contained therein not misleading, and all such statements, taken as a whole, together with this Guarantee, do not contain any untrue statement of a material fact or omit a material fact necessary to make the statements contained herein or therein not misleading.

(5) Material Adverse Change. Since the date of the most recent financial statements delivered to the Trustee on behalf of the Creditors and except as otherwise disclosed to the Trustee on behalf of the Creditors in writing (i) there has been no material adverse change in the financial condition of the Guarantor as shown on its balance sheet as at that date; and (ii) the business, operations, properties, condition, financial or otherwise, or prospects of the Guarantor have not, so far as the Guarantor can reasonably foresee, been materially and adversely affected as a result of any act or event including, without limitation, fire, accident, strike, expropriation or act of any government in Canada or elsewhere.

(6) Consents. No consent, approval or authorization of, or declaration, registration, filing or qualification with, or giving of notice to, or taking of any other action, in respect of, any Person, governmental authority or agency is required on the part of the Guarantor in connection with the execution and delivery and enforcement of this Guarantee.

(7) Due Execution, etc. This Guarantee has been duly executed and delivered by or on behalf of the Guarantor and constitutes a valid and binding obligation of the Guarantor enforceable in accordance with its terms, except as enforceability may be limited by any bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in a proceeding in equity or at law).

(8) No Default, etc. Neither the execution nor the delivery of this Guarantee, the consummation of the transactions herein contemplated, nor compliance with the terms, conditions and provisions hereof conflicts with or will conflict with, or results or will result in, any breach of, or constitutes a default under any of the provisions of any agreement or instrument to which the Guarantor is a party or by which the Guarantor, or any of its property or assets are bound or (except as contemplated by this Guarantee) results or will result in the creation or imposition of any

encumbrance upon any of the properties or assets of the Guarantor or results or will result in the contravention of any law or rule or regulation to which the Guarantor or its property or assets are subject and as a consequence of which the ability of the Guarantor to perform its obligations under this Guarantee is or would likely be adversely affected.

(9) Tax Returns. The Guarantor has filed all tax returns which are required to be filed and has paid all taxes which have become due as shown on such returns or any assessments received by the Guarantor where failure to do so would have a material adverse effect on the business, operations or financial condition of the Guarantor or its ability to perform its obligations under this Guarantee, except such taxes (if any) as are being contested in good faith by appropriate proceedings and for which a reserve reasonably satisfactory to the Trustee on behalf of the Creditors is provided; and the Guarantor is not aware of any proposed additional tax assessment against it.

25. TRUSTEE. Subject to any rights or remedies available to the Trustee and the Debentureholders under applicable law or otherwise, no holder of any Debenture shall have any right to institute any action, suit or proceeding at law or in equity for the purpose of enforcing this Guarantee, unless: (a) such holder shall previously have given to the Trustee a written notice of the happening of an Event of Default (as defined in the A&R Debenture Indenture) hereunder; and (b) the Debentureholders by Extraordinary Resolution or by written instrument signed by the holders of at least 25% in principal amount of the Debentures then outstanding shall have made a request to the Trustee and the Trustee shall have been afforded reasonable opportunity either itself to proceed to exercise the powers hereinbefore granted or to institute an action, suit or proceeding in its name for such purpose; and (c) the Debentureholders or any of them shall have furnished to the Trustee, when so requested by the Trustee, sufficient funds and security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby; and (d) the Trustee shall have failed to act within a reasonable time after such notification, request and offer of indemnity and such notification, request and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to any such proceeding or for any other remedy hereunder by or on behalf of the holder of any Debentures.

26. DEBTOR'S FINANCIAL CONDITION. The Guarantor is fully aware of the financial condition of the Debtors.

27. INTERPRETATION. Unless otherwise expressly provided in this Guarantee, if any matter in this Guarantee is subject to the consent or approval of the Trustee on behalf of the Creditors or is to be acceptable to the Trustee on behalf of the Creditors, such consent, approval or determination of acceptability will be in the sole discretion of the Trustee on behalf of the Creditors. If any provision in this Guarantee refers to any action taken or to be taken by the Guarantor, or which the Guarantor is prohibited from taking, such provision will be interpreted to include any and all means, direct or indirect, of taking, or not taking, such action. The division of this Guarantee into sections and paragraphs, and the insertion of headings, is for convenience of reference only and will not affect the construction or interpretation of this Guarantee. Unless the context otherwise requires, words importing the singular include the plural and vice versa, and words importing gender include all genders. When used in this Guarantee, the word "including" (or includes) means "including (or includes) without limitation". Any reference in this Guarantee to a "Section" means the relevant Section of this Guarantee. If more than one person executes this

Guarantee, their obligations under this Guarantee are joint and several. Any reference in this Guarantee to a "person" will be deemed to include an individual, corporation, partnership, trust, unincorporated organization, government and the heirs, executors, administrators or other legal representatives of an individual. All capitalized terms used herein without being otherwise defined herein shall have the meaning ascribed thereto in the A&R Debenture Indenture.
