**NOTICE OF MOTION
(Recognition of Replacement DIP Facility)
(Returnable June 5, 2013)**

Allied Systems Holdings, Inc. ("**Allied US**", the "**Applicant**" or the "**Foreign Representative**"), in its capacity as foreign representative of Allied US, Allied Systems (Canada) Company ("**Allied Canada**"), Axis Canada Company ("**Axis Canada**") and those other entities listed on Schedule "A" hereto (the "**Chapter 11 Debtors**") will make a motion to Justice Geoffrey Morawetz on June 5, 2013, at 10:00am at 330 University Avenue, Toronto, Ontario.

PROPOSED METHOD OF HEARING: The motion is to be heard orally.

THE MOTION IS FOR:

1. an Order recognizing the Final Replacement DIP Financing Order (defined below);
2. an Order discharging in full the Existing DIP Lenders' Charge (defined below);
3. an Order granting the Replacement DIP Lenders' Charge (defined below) and granting super-priority to the Replacement DIP Lenders' Charge as set out below;

4. an Order amending the Supplemental Order (defined below) to provide for the granting of the Replacement DIP Lenders' Charge and providing for priority of the Replacement DIP Lenders' Charge as provided in the draft order; and
5. such further relief as may be required in the circumstances and this Honourable Court deems just and equitable.

THE GROUNDS FOR THE MOTION ARE:

6. On June 10, 2012, the Chapter 11 Debtors filed involuntary and voluntary petitions with the United States Bankruptcy Court for the District of Delaware (the "**US Court**") pursuant to Chapter 11 of title 11 of the United States Bankruptcy Code (the "**Chapter 11 Cases**").
7. The Chapter 11 Debtors commenced proceedings pursuant to Part IV of the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended pursuant to the Initial Recognition Order dated June 12, 2012 granted by this Court. Thereafter, this Court granted a Supplemental Order dated June 13, 2012 (as amended and restated, the "**Supplemental Order**") which, amongst other things, approved and recognized certain orders made in the US Court, including an order authorizing the Chapter 11 Debtors to obtain post-petition financing (the "**Financing Order**") on an interim basis. The Financing Order was subsequently approved by the US Court on a final basis and recognized and approved by this Court pursuant to an order dated July 16, 2012.
8. The Financing Order approved the Chapter 11 Debtors entering into a Senior Secured Super-Priority Debtor in Possession Credit and Guaranty Agreement with Yucaipa American Alliance Fund II, LLC ("**Yucaipa**"), as agent for the lenders thereunder (the "**Existing DIP Lenders**"), for super-priority secured loans in an aggregate principal amount not to exceed US\$20 million (the "**Existing DIP Facility**") which, was later increased to US\$22 million.
9. The term of the Existing DIP Facility will expire on June 11, 2013. The Chapter 11 Debtors do not have sufficient available sources of working capital, including cash collateral, and require financing in order to operate in the ordinary course of business.

10. The Chapter 11 Debtors have entered into a Senior Secured Super-Priority Debtor in Possession Credit and Guaranty Agreement (the “**Replacement DIP Financing Agreement**”) with Black Diamond Commercial Finance, L.L.C., as administrative agent and Spectrum Commercial Finance, L.L.C., as collateral agent (collectively, the “**Replacement DIP Agents**”) and certain other lenders (the “**Replacement DIP Lenders**”) providing for a debtor-in-possession loan facility of up to US \$33.5 million (the “**Replacement DIP Facility**”).
11. The Replacement DIP Facility provides a later maturity date of December 31, 2013 as well as an additional US\$11.5 million over and above the Existing DIP Facility. The proposed Replacement DIP Facility also allows the Chapter 11 Debtors to avoid other events of default under the Existing DIP Facility.

The recognition of the Final Replacement DIP Financing Order is appropriate

12. The Chapter 11 Debtors have filed a motion in the US Court (“**DIP Replacement Motion**”) to consider the approval of the Replacement DIP Financing Agreement and to obtain an order (the “**Final Replacement DIP Financing Order**”): (i) authorizing the Chapter 11 Debtors to (a) obtain post-petition secured replacement DIP financing (the “**Replacement DIP Financing**”) and (b) use cash collateral, (ii) granting super-priority liens and providing super-priority administrative expense status, (iii) granting adequate protection to the pre-petition secured lenders and (iv) modifying the automatic stay. The hearing for the DIP Replacement Motion is scheduled for May 31, 2013. The objection deadline in respect of the DIP Replacement Motion is **May 29, 2013 at 12pm (noon)**.
13. The Final Replacement DIP Financing Order allows the Chapter 11 Debtors to obtain the financing it requires in order to maintain its day to day operations and provides the Chapter 11 Debtors with the time it requires to consummate the sale of all or substantially all of its assets pursuant to its planned sales process.

The discharge of the Existing DIP Lenders’ Charge is appropriate

14. The Existing DIP Facility will be repaid in its entirety with the proceeds of the Replacement DIP Facility and as such, the Applicant requests that the Existing DIP Lenders’ Charge be discharged.

The granting of the Replacement DIP Lenders' Charge and granting super-priority to the Replacement DIP Lenders' Charge is appropriate

- 15. The Replacement DIP Lenders' Charge will constitute a charge on the property of the Chapter 11 Debtors located in Canada and is proposed to take the place of the Existing DIP Lenders' Charge, vis-à-vis, the other Court-ordered charges.
- 14. The Applicant does not believe any person will be materially prejudiced, but has provided notice to all persons potentially affected by this relief.

General

- 15. Such further and other grounds as counsel may advise and this Honourable Court may permit.
- 16. The following documentary evidence will be used at the hearing of the application:
 - (a) The affidavit of Scott Macaulay sworn May 28, 2013;
 - (b) The affidavit of Ava Kim sworn May 28, 2013;
 - (c) The sixth report of the Information Officer, to be filed; and
 - (d) such further and other materials as counsel may advise and this Honourable Court may permit.

**AFFIDAVIT OF SCOTT MACAULAY
(Replacement DIP Facility)
(sworn May 28, 2013)**

**I, Scott Macaulay, of the City of Snellville in the State of Georgia, MAKE OATH
AND SAY:**

1. I am the senior vice president and chief financial officer of Allied Systems Holdings, Inc. ("Allied US") and the vice president and treasurer of Allied Systems (Canada) Company ("Allied Canada") and the treasurer of Axis Canada Company ("Axis Canada", together with Allied Canada, the "Canadian Debtors"). Overall, I have been an employee of Allied for the last fifteen (15) years. As such, I have personal knowledge of the matters to which I hereinafter depose in this Affidavit. Where I do not possess personal knowledge, I have stated the source of my information and, in all such cases, believe it to be true.

2. This Affidavit is sworn in support of a motion by Allied US in its capacity as foreign representative (the "Applicant") of Allied US, Allied Canada, Axis Canada and those other companies listed on Schedule "A" hereto (collectively, "Allied", the "Allied Group" or the "Chapter 11 Debtors") for an Order:

- (a) recognizing an order to be issued by the United States Bankruptcy Court for the District of Delaware (the “**US Court**”) authorizing a replacement DIP lending facility and the repayment of the existing DIP lending facility (such order, the “**Final Replacement DIP Financing Order**”) (there will be a hearing on May 31, 2013 in the US Court and the form of the Final Replacement DIP Financing Order being sought would, amongst other things: (i) authorize the Chapter 11 Debtors to (a) obtain post-petition secured replacement DIP financing and (b) use cash collateral, (ii) grant super-priority liens and provide super-priority administrative expense status, (iii) grant adequate protection to the pre-petition secured lenders and (iv) modify the automatic stay in the Chapter 11 Cases);
 - (b) discharging in full the Existing DIP Lenders’ Charge (defined below) in the manner set out below;
 - (c) granting the Replacement DIP Lenders’ Charge (defined below) and granting super-priority to the Replacement DIP Lenders’ Charge in the manner set out below; and
 - (d) amending the Supplemental Order (defined below) to provide for the granting of the Replacement DIP Lenders’ Charge and providing for priority of the Replacement DIP Lenders’ Charge as provided in the draft order.
3. All dollar references herein are in US dollars unless otherwise specified.
4. All capitalized terms used herein and not otherwise defined shall have the meanings given to them in my affidavit also sworn on today’s date in connection with the motion to recognize the US Bid Procedures Order (defined below) (“**My Bid Procedures Affidavit**”), unless otherwise indicated.
5. I am aware that the following documents, each of which I have reviewed, will be attached as exhibits to an affidavit of Ava Kim to be sworn in connection with this motion:
 - (a) Exhibit A – The Supplemental Order (defined below) (without attachments)

- (b) Exhibit B – The Canadian Comeback Order (defined below) (without attachments);
- (c) Exhibit C - The Final Financing Order (defined below) (without attachments);
- (d) Exhibit D – The Replacement DIP Financing Agreement (defined below);
- (e) Exhibit E - The Replacement DIP Financing Motion (defined below) (without attachments); and
- (f) Exhibit F – A draft copy of the Final Replacement DIP Financing Order)(without attachments).

BACKGROUND

6. On June 10, 2012 (the “**Petition Date**”), Allied Systems US and Allied Systems, Ltd. (L.P.) each consented to the petition (the “**Involuntary Petitions**”) for relief filed against each of them pursuant to chapter 11 of title 11 (“**Chapter 11**”) of the United States Code (the “**Bankruptcy Code**”) with the US Court. On the same day the balance of the Chapter 11 Debtors each filed voluntary petitions for relief (together with the Involuntary Petitions, the “**Petitions**”) pursuant to Chapter 11 of the Bankruptcy Code with the US Court. The cases commenced or consented to by the Chapter 11 Debtors in the US Court shall be referred to herein as the “**Chapter 11 Cases**”.
7. The Chapter 11 Debtors commenced proceedings pursuant to Part IV of the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended pursuant to the Initial Recognition Order dated June 12, 2012 granted by this Court. Thereafter, this Court granted a Supplemental Order dated June 13, 2012 (as amended and restated, the “**Supplemental Order**”) which, amongst other things, recognized certain orders made in the US Court immediately after the Petitions (the “**First Day US Orders**”). Amongst the First Day US Orders was an order authorizing the Chapter 11 Debtors to, amongst other things, obtain post-petition financing and use cash collateral on an interim basis (the “**Interim Financing Order**”). On July 16, 2012, this court granted an order (the “**Canadian Comeback Order**”) which, amongst other things, recognized the Order of

the US Court which had approved on a final basis the post-petition financing (the “**Final Financing Order**”).

EXISTING DIP FINANCING AND EXISTING DIP LENDERS’ CHARGE

8. A summary of the Chapter 11 Debtors’ pre-petition credit facilities is set out in My Bid Procedures Affidavit.
9. Following the filing of the Petitions, the Chapter 11 Debtors entered into a Senior Secured Super-Priority Debtor in Possession Credit and Guaranty Agreement with Yucaipa American Alliance Fund II, LLC (“**Yucaipa**”), as agent for the lenders thereunder (the “**Existing DIP Lenders**”), for super-priority secured loans in an aggregate principal amount not to exceed \$20 million (the “**Existing DIP Facility**”), which was later increased to \$22 million. At the time, Yucaipa and companies affiliated with it were the putative majority lenders in Allied’s pre-petition secured credit facilities as well as the majority shareholder of Allied US.
10. The Existing DIP Facility was initially authorized and approved by the US Court under the Interim Financing Order and subsequently authorized and approved on a final basis under the Final Financing Order. This Court recognized the Interim Financing Order and granted a charge on the Chapter 11 Debtors’ Property (as defined in the Supplemental Order) in Canada (the “**Existing DIP Lenders’ Charge**”) pursuant to the Supplemental Order and granted super-priority status to the Existing DIP Lenders’ Charge. This Court, thereafter granted the Canadian Comeback Order which recognized the Final Financing Order.

STATUS OF THE EXISTING DIP FACILITY

11. The term of the Existing DIP Facility is set to expire on June 11, 2013. The Chapter 11 Debtors currently require financing to operate in the ordinary course of business. The Chapter 11 Debtors have entered into the Replacement DIP Financing Agreement (defined and discussed below), which is scheduled to be considered at a motion before

the US Court on May 31, 2013. The objection deadline in respect of the US motion is May 29, 2013 at 12pm (noon).

THE REPLACEMENT DIP FACILITY

12. At this time, the Chapter 11 Debtors have entered into a sale agreement for the sale of all or substantially all of their assets to New Allied Acquisition Co. LLC, subject to higher or better offers pursuant to an auction process. A motion with respect to the approval of the bid procedures for that process (and related relief) is scheduled to be heard by the US Court on May 31, 2013.
13. In light of the expiration of the term of the Existing DIP Facility as well as the Chapter 11 Debtors' requirement for further funding, Allied, with the assistance of its advisors, have sought replacement DIP financing. In that regard, prior to entering into the Replacement DIP Financing Agreement, Allied or its financial advisor, Rothschild Inc., sought various alternatives for alternative DIP financing. Rothschild Inc. contacted the Chapter 11 Debtors' Existing DIP Lenders as well as ten (10) other third party lending institutions that are active in the DIP financing market. All institutions indicated that they would require a priming DIP lien and were not prepared to proceed unless the prepetition lenders agreed to subordinate their liens. The BD/Spectrum Requisite Lenders (the requisite lenders under the First Lien Facility¹), have indicated that they will not consent to any priming of the liens granted under the First Lien Facility to any third party lender.
14. The Chapter 11 Debtors have entered into a Senior Secured Super-Priority Debtor in Possession Credit and Guaranty Agreement (the "**Replacement DIP Financing Agreement**") with Black Diamond Commercial Finance, L.L.C., as administrative agent and Spectrum Commercial Finance, L.L.C., as collateral agent (collectively, the "**Replacement DIP Agents**") and certain other lenders (the "**Replacement DIP Lenders**") providing for a debtor-in-possession loan facility of up to \$33.5 million (the "**Replacement DIP Facility**").

¹ BD/Spectrum Requisite Lenders are the requisite lender under the First Lien Facility instead of Yucaipa as a result of the Fourth Amendment Order granted by Justice Ramos in the New York Litigation. The Fourth Amendment Order is currently under appeal by Yucaipa.

- 15. The Replacement DIP Financing Agreement is on substantially similar terms as the credit agreement in respect of the Existing DIP Facility. The full terms of the Replacement DIP Financing Agreement are set out in the motion (the “**Replacement DIP Financing Motion**”) filed in the US Court seeking the Final Replacement DIP Financing Order.
- 16. The Replacement DIP Facility is proposed to replace the Existing DIP Facility in its entirety and provide further liquidity to the Chapter 11 Debtors through to the conclusion of the sale process. The Existing DIP Lenders’ Charge is proposed to be replaced by a charge in favour of the agents under the Replacement DIP Facility on substantially similar terms and priority as the Existing DIP Lenders’ Charge (“**Replacement DIP Lenders’ Charge**”). The Existing DIP Lenders’ Charge will be discharged upon repayment of the obligations under the Existing DIP Facility.
- 17. The Replacement DIP Facility will provide the Chapter 11 Debtors with commitments in an aggregate principal amount of \$33.5 million which provides up to an additional \$11.5 million of incremental financing over and above the Existing DIP Facility. In addition, the Replacement DIP Facility provides a later maturity date of December 31, 2013, which is necessary to permit the Chapter 11 Debtors to properly administer their estates and consummate a sale of all or substantially all of their assets.
- 18. The proposed Replacement DIP Facility also allows the Chapter 11 Debtors to avoid other events of default under the Existing DIP Facility.
- 19. The entering of an order by the US Court approving the bid procedures (“**US Bid Procedures Order**”) as well as the recognition and approval of the US Bid Procedures Order by this Court, are conditions precedent to the Replacement DIP Lenders making extensions of credit under the Replacement DIP Facility.

PRIORITY OF REPLACEMENT DIP LENDERS’ CHARGE

The Proposed Priority of the Replacement DIP Lenders’ Charge

20. It is proposed that the Replacement DIP Lenders' Charge will take the place of the Existing DIP Lenders' Charge and will have the following priority, vis-à-vis, the other Court-ordered charges (as each is defined in the Supplemental Order):
- (a) First – Administration Charge (to the maximum amount of \$600,000);
 - (b) Second – Directors' Charge with respect only to CAW Employee Severance Obligations (to the maximum amount of \$1.4 million);
 - (c) Third – Replacement DIP Lenders' Charge;
 - (d) Fourth – Directors' Charge with respect only to Non-Bargaining Employee Obligations (to the maximum amount of \$570,000).

NOTICE TO POTENTIALLY AFFECTED PERSONS

21. In connection with the motion, the Applicant has worked with its Canadian counsel to develop a list of potentially affected parties.
22. I am informed by Jennifer Stam of Gowling Lafleur Henderson LLP and do verily believe that this motion will be served on, among others (the "**Canadian Service Parties**"):
- (a) all personal property security registrants ("**PPSA Registrants**") or counsel;
 - (b) Allied's Canadian pension plans², the Financial Services Commissioner of Ontario and the Superintendents of Pensions in Alberta and Quebec and the Office of the Superintendent of Financial Institutions Canada;
 - (c) various Federal and Provincial taxing and environmental authorities; and
 - (d) additional parties as requested by counsel to the Replacement DIP Lenders.
23. With respect to the above groups of persons, I note the following:

² The Canadian bargaining pension plans consist of: (i) Eckler Ltd. (Canadian Auto Carriers & Logistics Pension Plan); (ii) Teamsters Canadian Pension Plan Local 106; (iii) Teamsters Canadian Pension Plan Local 213; and (iv) Prairie Teamsters Pension Plan.

(a) *PPSA Registrants* – I am advised by Ms. Stam that PPSA searches were conducted against Allied Canada and Axis Canada in:

- (i) Ontario, which is current to April 3, 2013;
- (ii) Quebec, which is current to April 4, 2013;
- (iii) British Columbia, Saskatchewan, Nova Scotia, New Brunswick, Prince Edward Island, Newfoundland and Labrador, Yukon, the Northwest Territories and Nunavut which are current to April 5, 2013;
- (iv) Manitoba, which is current to April 8, 2013; and
- (v) Alberta, which is current to May 16, 2013.

Other than those registrations that relate to the Prepetition Credit Facilities, the only registrations that appear are as follows:

- (i) Registrations in favour of Yucaipa America Alliance Fund II, LLC, as agent under the Existing DIP Facility; and
- (ii) Registrations in favour of Western Sterling Trucks Ltd.

To the extent that these registrations perfect a lien for unpaid amounts that has priority over the First Lien Facility, their interest is not proposed to be primed by the Replacement DIP Lenders' Charge. However, out of an abundance of caution, the Applicant intends to give notice to these parties unless and until such registrations are discharged in accordance with applicable law.

(b) *UCC Registrants* – I am advised by US counsel to the Chapter 11 Debtors that UCC searches were conducted against Allied Canada and Axis Canada in:

- (i) the District of Columbia which is current to April 2, 2013; and
- (ii) Georgia (DeKalb County) which is current to March 24, 2013.

Other than those registrations which relate to the Prepetition Credit Facilities, there are no other registrations. I am not aware of any UCC filings that have been made since that

time other than those that may have been made relating to the debtor-in-possession credit facilities.

- (c) *FSCO and Pension Plans* – Allied Canada participates in the following registered pension plans (the “**Canadian Registered Pension Plans**”):
- (i) Canadian Auto Carriers & Logistics Pension Plan for union members in Ontario and Quebec;
 - (ii) Teamsters Canadian Pension Plan (Local 213) for union members in Vancouver, British Columbia;
 - (iii) Prairie Teamsters Pension Plan (Locals 362, 395, 979) for union members in Edmonton, Alberta, Calgary, Alberta, Saskatoon, Saskatchewan and Winnipeg, Manitoba; and
 - (iv) Teamsters Canadian Pension Plan – Local 106 Miscellaneous Industries Division for bargaining unit office employees in Quebec.

None of the Canadian Registered Pension Plans are defined benefit plans for which Allied Canada or Axis Canada is liable for the deficiency. To my knowledge, all required contributions to the Canadian Registered Pension Plans have been made and are up to date. It is the intention of Allied Canada to continue to make such contributions during the course of Allied’s restructuring proceedings. However, out of an abundance of caution, the Applicant intends to give notice to the Canadian Registered Pension Plans as well as the applicable pension plan authorities.

- (d) *Tax and Other Authorities* – To my knowledge, both Allied Canada and Axis Canada are current with respect to remittances of sales taxes (which have become due for remittance). It is the intention of Allied Canada and Axis Canada to continue to collect and remit sales and other related taxes during the course of Allied’s restructuring proceedings. However, out of an abundance of caution, the Applicant intends to provide notice to Canada Revenue Agency as well as to the Provincial and Territorial tax authorities.
- (e) *Environmental Authorities* – To my knowledge, there are currently no remediation efforts being undertaken by Allied Canada or Axis Canada and I am not aware of any environmental issues outstanding. However, out of an

abundance of caution, the Applicant intends to provide notice to the Ministry of Environment in the Provinces of Ontario and Manitoba, being the Provinces which is where Allied Canada's owned properties are located.

24. In light of the above, I do not believe there is any material prejudice to the granting of an order providing for priority of the Replacement DIP Lenders' Charge over other Encumbrances (as defined in the Supplemental Order).

CURRENT STATUS

25. The Replacement DIP Financing Motion is scheduled to be heard by the US Court on May 31, 2013. Provided that the Final Replacement DIP Financing Order is granted by the US Court, Allied intends to seek recognition of the Order and the other relief set out above at a motion scheduled to be heard by this Court on June 5, 2013.

26. To the extent that there are further documents filed, revisions or objections, I expect further materials would be filed in this Court also.

CONCLUSION

27. I believe the terms of the proposed Replacement DIP Financing Agreement are the best terms available to the Chapter 11 Debtors for the necessary financing at this time.

28. Absent approval of the Replacement DIP Facility and the Replacement DIP Lenders' Charge, the Chapter 11 Debtors will not have sufficient working capital to fund their operations in the ordinary course. The Chapter 11 Debtors will also not have sufficient time to consummate their proposed sale of all or substantially all of their assets and run the risk of defaulting under the Existing DIP Facility.

No trustee or examiner has been appointed in any of the Chapter 11 Cases. On June 19, 2012, the United States Trustee appointed a statutory committee of unsecured creditors (the “Committee”).

³ Findings of fact shall be construed as conclusions of law, and conclusions of law shall be construed as findings of fact, pursuant to Bankruptcy Rule 7052.

B. Jurisdiction; Venue. This Court has core jurisdiction over the Chapter 11 Cases and the Debtors' property pursuant to 28 U.S.C. §§ §157(b)(2)(D) and 1334. Venue for the Chapter 11 Cases is proper before this Court under 28 U.S.C. §§ 1408 and 1409.

C. Notice. Proper notice under the circumstances has been given by the Debtors of the Motion, the Interim Hearing and the Final Hearing pursuant to Bankruptcy Rule 4001(b) and Local Rule 4001-2.

D. Debtors' Stipulations. In entering into the DIP Financing Agreement (as defined below) and as consideration therefor, subject to the rights of non-Debtor parties as set forth in the provisions of paragraph 12 below, the Debtors acknowledge, represent, stipulate, and agree that:

(i) Prepetition Loan Documents. Holdings and Systems are borrowers under (a) that certain Amended and Restated First Lien Secured Super-Priority Debtor In Possession and Exit Credit and Guaranty Agreement (the "Prepetition First Lien Loan Agreement"), dated as of May 15, 2007 (as amended by that certain Limited Waiver and Amendment No. 1 to Credit Agreement and Pledge and Security Agreement, dated as of May 29, 2007, that certain Amendment No. 2 to Credit Agreement, dated as of June 12, 2007, that certain Amendment No. 3 to Credit Agreement, dated as of April 17, 2008, that certain Amendment No. 4 to Credit Agreement dated as of August 21, 2009 and as otherwise amended through the Consent Date), by and among Holdings and Systems, as borrowers, their subsidiaries identified therein, as guarantors, the lenders party thereto from time to time (collectively, and together with such lenders' successors and assigns, the "Prepetition First Lien Lenders"), Goldman Sachs Credit Partners L.P., as lead arranger and syndication agent, and The CIT Group/Business Credit, Inc. ("CIT"), as administrative agent and collateral agent (in either or both of such capacities, and together with its successors in either or both of such capacities, the "Prepetition First Lien Agent") and (b) that certain Second Lien Secured Super-Priority Debtor In Possession and Exit Credit and Guaranty Agreement (the "Prepetition Second Lien Loan Agreement"), dated as of

May 15, 2007 (as amended by that certain Limited Waiver and Amendment No. 1 to Credit Agreement and Pledge and Security Agreement, dated as of May 29, 2007, that certain Amendment No. 2 to Credit Agreement, dated as of June 12, 2007, that certain Amendment No. 3 to Credit Agreement, dated as of April 17, 2008 and as otherwise amended through the Consent Date), by and among Holdings and Systems, as borrowers, their subsidiaries identified therein, as guarantors, the lenders party thereto from time to time (collectively, and together with such lenders' successors and assigns, the "Prepetition Second Lien Lenders," and together with the Prepetition First Lien Lenders, the "Prepetition Lenders"), Goldman Sachs Credit Partners L.P., as lead arranger and syndication agent, and The Bank of New York Mellon, as administrative agent and collateral agent (in such capacity and together with its successors in either or both of such capacities, the "Prepetition Second Lien Agent," together with the Prepetition First Lien Agent, the "Prepetition Agents," and the Prepetition Second Lien Agent collectively with the Prepetition Lenders and the Prepetition First Lien Agent, the "Prepetition Secured Parties"). CIT resigned as the Prepetition First Lien Agent on or about April 19, 2012. To date, no successor has been appointed and the "Requisite Lenders," as such term is defined in the Prepetition First Lien Loan Agreement (the "Prepetition First Lien Requisite Lenders") have the powers accorded to the Prepetition First Lien Agent pursuant to the terms of the Prepetition First Lien Loan Agreement. Accordingly, as used herein, the term "Prepetition First Lien Agent" shall be deemed to mean the Prepetition First Lien Requisite Lenders until a successor First Lien Agent to CIT is appointed, if ever. The term "Prepetition Loan Documents" means, collectively, the Prepetition First Lien Loan Agreement, the Prepetition Second Lien Loan Agreement, the Prepetition Intercreditor Agreement (as defined below) and all agreements, documents, notes, mortgages, security agreements, pledges, guarantees, subordination or intercreditor agreements, instruments, amendments, and any other agreements or documents executed and/or delivered pursuant thereto or in connection therewith.

(ii) Prepetition Indebtedness. For purposes of this Final Order, the term (a) "Prepetition First Lien Debt" shall mean all "Obligations" as defined in the Prepetition First Lien Loan Agreement and other amounts owed by the Borrowers or the Guarantors as of the Consent Date to the Prepetition First Lien Agent and the Prepetition First Lien Lenders under the Prepetition First Lien Loan Agreement and the other Prepetition Loan Documents related thereto, (b) "Prepetition Second Lien Debt" shall mean all "Obligations" as defined in the Prepetition Second Lien Loan Agreement and other amounts owed by the Borrowers and the Guarantors as of the Consent Date to the Prepetition Second Lien Agent and Prepetition Second Lien Lenders under the Prepetition Second Lien Loan Agreement and the other Prepetition Loan Documents related thereto, and (c) "Prepetition Secured Debt" shall mean the Prepetition First Lien Debt and the Prepetition Second Lien Debt. As of the Consent Date, (A) the aggregate principal amount of the Prepetition First Lien Debt outstanding was not less than \$244,021,526, plus accrued and unpaid interest, fees, costs, and expenses; (B) the aggregate principal amount of the Prepetition Second Lien Debt outstanding was not less than \$30,000,000, plus accrued and unpaid interest, fees, costs, and expenses; (C) all of the Prepetition Secured Debt is unconditionally due and owing by the Debtors to the respective Prepetition Secured Parties; and (D) all claims in respect of the Prepetition Secured Debt and all Prepetition Lender Liens (as defined below) are not subject to any avoidance, reductions, set off, offset, disallowance, recharacterization, subordination (whether equitable, contractual or otherwise and except as set forth in the Prepetition Intercreditor Agreement (as defined below)), counterclaims, cross-claims, defenses or any other challenges under the Bankruptcy Code or any other applicable law or regulation by any person or entity.

(iii) Prepetition Liens. To secure the Prepetition Secured Debt, the Debtors and certain of their affiliates granted (i) the Prepetition First Lien Agent, for its own benefit and the benefit of the Prepetition First Lien Lenders, valid, binding, continuing, enforceable, and properly perfected first priority liens and security interests (the "Prepetition

First Liens”) upon and in substantially all of the real, personal and mixed property and assets of the Debtors and such affiliates (the “Prepetition Collateral”), and (ii) the Prepetition Second Lien Agent, for its own benefit and the benefit of the Prepetition Second Lien Lenders, valid, binding, continuing, enforceable, and properly perfected second priority liens and security interests (the “Prepetition Second Liens,” and together with the Prepetition First Liens, the “Prepetition Lender Liens”) upon and in all or substantially all of the Prepetition Collateral. As of the Consent Date, the Prepetition Lender Liens were senior and had priority over all other security interests and liens on the Debtors’ assets other than any non-avoidable, valid, enforceable and perfected liens and security interests in the Debtors’ assets that existed as of the Petition Date (as defined below) in favor of third parties holding liens or security interests that are superior in priority, after giving effect to any existing subordination arrangements, to the Prepetition First Liens and are not otherwise subject to subordination under contract, the Bankruptcy Code or otherwise applicable law. Pursuant to that certain Intercreditor Agreement, dated as of May 15, 2007 (as amended, restated or otherwise modified from time to time prior to the Petition Date, the “Prepetition Intercreditor Agreement”), by and among Holdings, Systems, the other grantors party thereto and the Prepetition Agents, the Prepetition Second Liens are subject and subordinate in priority to the Prepetition First Liens. As of the Consent Date, there were no perfected liens on or security interests in the Prepetition Collateral except for the Prepetition Lender Liens, the Existing Priority Liens (as defined below) and other “Permitted Liens” as such term is defined in the Prepetition First Lien Credit Agreement.

(iv) No Claims. As of the Petition Date, no claims of any Debtor exist against any of Prepetition Secured Parties arising from or relating to any of the Prepetition Loan Documents, any loans or financial accommodations made thereunder or any of the other transactions contemplated thereby.

E. Purpose and Necessity of Financing. The Debtors require the DIP Loan to fund, among other things, ongoing working capital requirements and administrative costs and for

other purposes permitted by this Final Order. The Debtors' "cash collateral," as such term is defined in Bankruptcy Code section 363(a) (the "Cash Collateral"), is insufficient to fund the Debtors' on-going business needs and administrative costs. The Debtors are unable to obtain adequate unsecured credit allowable as an administrative expense under Bankruptcy Code section 503, or other financing under Bankruptcy Code sections 364(c) or (d), on equal or more favorable terms than those set forth in the DIP Financing Agreement based on the totality of the circumstances. Moreover, a loan facility in the amount provided by DIP Financing Agreement is not available to the Debtors without granting superpriority claims and priming liens pursuant to the Bankruptcy Code, as provided in this Final Order and the DIP Financing Agreement. After considering all alternatives, the Debtors have concluded, in the exercise of their prudent business judgment, that the DIP Financing Agreement represents the best financing package available to them at this time and is in the best interests of the estates and their creditors.

F. Use of Cash Collateral. The Debtors also require the continued use of Cash Collateral to operate their businesses. Without the continued use of Cash Collateral, the Debtors will not be able to meet their cash requirements for working capital needs. The Prepetition Agents and the DIP Agent do not consent (or are not deemed to consent) to the use of Cash Collateral except on the terms and conditions, and for the purposes, specified herein. The adequate protection provided herein and other benefits and privileges contained herein are consistent with and authorized by the Bankruptcy Code and are necessary in order to obtain such consent or non-objection of such parties and to adequately protect their interests in the Prepetition Collateral.

G. Good Cause. The continued ability of the Debtors to obtain sufficient working capital and liquidity and use of Cash Collateral under this Final Order is vital to the Debtors' estates and creditors, and in particular, to the ability of the Debtors to preserve their businesses and restructure their indebtedness under the Bankruptcy Code. The continued liquidity to be provided under the DIP Financing Agreement and through the use of Cash

Collateral will enable the Debtors to continue to operate their businesses in the ordinary course and preserve their value. Good cause has, therefore, been shown for the relief sought in the Motion.

H. Good Faith. The DIP Financing Agreement has been negotiated in good faith and at arm's-length by and among the Debtors, the DIP Agent and the DIP Lenders. Any DIP Loan and/or other financial accommodations made to the Debtors by the DIP Agent and the DIP Lenders pursuant to the Interim Order and this Final Order and/or the DIP Financing Agreement shall be deemed to have been extended by the DIP Agent and the DIP Lenders in good faith, as that term is used in Bankruptcy Code section 364(e), and the DIP Agent and the DIP Lenders shall be entitled to all protections afforded thereunder. The terms of this Final Order and the DIP Financing Agreement are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration. In entering into the DIP Financing Agreement and committing to continue to make the DIP Loan, the DIP Agent and the DIP Lenders are relying on the terms of this Final Order as an integrated whole, including without limitation paragraph 22 hereof.

I. Exigent Circumstances.

(i) The Debtors requested immediate entry of the Interim Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2) in order to avoid immediate and irreparable harm to the Debtors, their estates and their businesses. The Motion, the Interim Order, the Amended Interim Order and this Final Order comply with Local Bankruptcy Rule 4001-2. Pursuant to the Interim Order and the Amended Interim Order, this Court authorized the Debtors to borrow up to \$10,000,000 (the "Maximum Interim Borrowing") under the DIP Loan to fund the amounts contemplated by the budget and initial approved cash projections attached to the Interim Order as Exhibit A (as such budget may be amended with the consent of the DIP Agent, the "Approved Budget"). The Approved Budget is an integral part of this Final Order and has

79

been relied upon by the DIP Agent, the DIP Lenders and the Prepetition Secured Parties in deciding to consent, or not otherwise object, to the entry of this Final Order.

(ii) This Court concluded that immediate entry of the Interim Order was in the best interests of the Debtors' estates and creditors as its implementation would, among other things, allow for access to the financing necessary for the continued flow of supplies and services to the Debtors necessary to sustain the operation of the Debtors' existing business and further enhance the Debtors' prospects for a successful restructuring.

(iii) This Court further concludes that the Debtors have an immediate and critical ongoing need to obtain post-petition financing under the DIP Loan and to continue to use Cash Collateral in order to, among other things, finance the ordinary costs of their operations, maintain business relationships with vendors, suppliers and customers, make payroll, make capital expenditures, and satisfy other working capital and operational needs. The Debtors' continued access to sufficient working capital and liquidity through the incurrence of post-petition financing under the DIP Loan and the continued use of Cash Collateral under the terms of this Final Order is vital to the preservation and maintenance of the going concern value of the Debtors' estates. Consequently, without continued access to the DIP Loan and continued use of Cash Collateral, to the extent authorized pursuant to this Final Order, the Debtors and their estates would suffer immediate and irreparable harm.

Based upon the foregoing findings, acknowledgements, and conclusions, and upon the record made before this Court at the Interim Hearing and the Final Hearing, and good and sufficient cause appearing therefor;

IT IS HEREBY ORDERED:

1. Disposition. The Motion is granted on a final basis, subject to the terms set forth herein. Any objections to the Motion that have not previously been withdrawn or resolved are hereby overruled on their merits. This Final Order shall be valid and binding on all parties-in-interest, and effective immediately upon entry notwithstanding the possible application of

80

Bankruptcy Rules 6003(b), 6004(a), 6004(h), 7062, and 9014. All actions taken in connection with or in reliance on the Interim Order or the Amended Interim Order, as the case may be, are hereby reaffirmed in full as if taken in connection with or in reliance on this Final Order.

2. Authorization. Upon entry of this Final Order, the Debtors are authorized, on a final basis, to: (i) enter into and perform their obligations under that certain Senior Secured Super-Priority Debtor in Possession Credit and Guaranty Agreement dated as of June 11, 2012 (as amended, restated or otherwise modified from time to time in accordance with the terms hereof and thereof, the "DIP Financing Agreement") (an executed copy of the DIP Financing Agreement is attached hereto as Ex. B), by and among Holdings and Systems, as borrowers (in such capacity, the "Borrowers"), certain of the Debtors, as guarantors (the "Guarantors"), Yucaipa American Alliance Fund II, LLC ("Yucaipa") as agent (in such capacity, the "DIP Agent"), and the persons and entities from time to time party thereto as lenders (the "DIP Lenders"); (ii) obtain postpetition delayed draw term loans (the "DIP Loan")⁴ under the DIP Financing Agreement in an aggregate principal amount not to exceed \$20,000,000; and (iii) use Cash Collateral and the proceeds of the DIP Loan for the purposes set forth on the Approved Budget and subject to the terms and conditions set forth herein and in the DIP Financing Agreement; provided the Debtors shall first use Cash Collateral before using proceeds of the DIP Loan in accordance with the terms of the DIP Financing Agreement; and provided further that, notwithstanding anything to the contrary contained in the DIP Financing Agreement or this Final Order, any claim, demand, obligation or liability for severance or termination compensation or benefits for any employee or officer of any Debtor that arose or accrued before, on or after the Consent Date may be paid by any of the Debtors with proceeds of the DIP Loan or Cash Collateral only with the prior consent of the DIP Agent, which consent may be given or withheld in its sole discretion. The DIP Financing Agreement (including the documents, agreement and

⁴ The term "DIP Loan" shall include all principal, interest, fees, expenses and other obligations (including, without limitation, all "Obligations" as such term is defined in the DIP Financing Agreement and all DIP Expenses (as defined below)) that are at any time owed by any Borrower or Guarantor to the DIP Agent or the DIP Lenders in connection with the DIP Loan, the DIP Financing Agreement or this Final Order.

instruments described in paragraph 5(a) below) shall constitute legal, valid, and binding obligations of the Debtors, enforceable against the Debtors, their successors and assigns (including, without limitation, any successor trustee or other estate representative in any Chapter 11 Case or subsequent chapter 7 or chapter 11 case (each, a “Successor Case”)) in accordance with their terms. The Debtors are hereby authorized to pay (whether through Cash Collateral or the DIP Loan) interest, fees, expenses and any other amounts required or allowed to be paid in accordance with the Interim Order, the Amended Interim Order, this Final Order and/or the DIP Financing Agreement, as applicable.

3. Termination of Postpetition Credit and Cash Collateral Usage. Notwithstanding anything in this Final Order to the contrary (but without prejudice to any other right of the DIP Agent and/or the DIP Lenders under this Final Order of the DIP Financing Agreement to terminate or suspend their obligation to make the DIP Loan), the DIP Lenders’ obligation to make the DIP Loan and the consent of the DIP Agent and the Prepetition Agents to the use of Cash Collateral shall automatically terminate without any further action by this Court, the DIP Agent, any of the Prepetition Secured Parties or any other person or entity, upon the earliest to occur of (the “Termination Date”): (i) the date of final indefeasible payment and satisfaction in full in cash of the DIP Loan and the termination of the loan commitments under the DIP Financing Agreement; (ii) the effective date of any plan of reorganization or liquidation in any of the Chapter 11 Cases; (iii) the consummation of the sale or other disposition of all or substantially all of the assets of the Debtors; and (iv) subject to paragraphs 18(b)iii and 18(d) of this Final Order with respect to the use of Cash Collateral, immediately upon delivery of a Termination Notice (as defined below).

4. Fees and Expenses.

(a) The Debtors shall pay the DIP Agent’s and the DIP Lenders’ reasonable costs, fees and expenses incurred in connection with the consideration, investigation, negotiation, documentation, consummation, administration, amendment and enforcement of the DIP Loan

and any Cash Collateral order and participation in the Chapter 11 Cases (in their capacities as DIP Agent and DIP Lenders), including without limitation, legal, accounting, appraisal, investigation, audit, inspection, insurance, title insurance, and other similar fees and costs (the “DIP Expenses”). Except as set forth in paragraph 4(b) below, the DIP Agent or the professional or firm seeking payment of a DIP Expense (an “Expense Claimant”) shall submit a written invoice for any DIP Expense (in summary form, certifying that fees and charges have been incurred in connection with the DIP Financing Agreement, the DIP Loan or the use of Cash Collateral or otherwise in connection with the Interim Order, the Amended Interim Order and/or this Final Order, and setting forth hours, billing rates and timekeepers only and otherwise redacted to preserve privileges) to the Debtors, with a copy to the United States Trustee, counsel for the Debtors, counsel for the Committee and counsel for the Petitioning Creditors. If no written objection stating with specificity the basis for the objection (an “Objection”) is received by the DIP Agent or such Expense Claimant within 10 days after delivery of such invoice, the Debtors shall promptly pay such DIP Expense. If an Objection is received by the DIP Agent or such Expense Claimant within such 10-day period, the Debtors shall pay that portion, if any, of the DIP Expense that was not disputed. If the DIP Agent and/or the Expense Claimant are unable consensually to resolve an Objection with the objecting party, then this Court shall determine the disputed portion of such DIP Expense. Except as otherwise set forth in the preceding sentence or as may otherwise be hereafter ordered by the Court, no DIP Expense shall be subject to Court approval or required to be maintained in accordance with the U.S. Trustee Guidelines, and no Expense Claimant shall be required to file any interim or final fee application or request for payment with the Court. To the extent the Debtors fail to pay any undisputed or resolved DIP Expense, the DIP Agent or the Expense Claimant shall be permitted to (i) apply any amounts held in escrow or retainer (whether obtained prior to or after the Consent Date) to such unpaid DIP Expense without further Court approval; and/or (ii) file a motion with this Court seeking an order compelling the Debtors to pay such DIP Expense.

(b) Notwithstanding the foregoing, DIP Expenses payable under Section 10.3 of the DIP Financing Agreement shall be governed solely by the DIP Financing Agreement and shall not be subject to any Objection or the procedures related to an Objection described in paragraph 4(a) above.

5. Authority to Execute and Deliver Necessary Documents. The Debtors are authorized, on a final basis, to enter into, execute and deliver to the DIP Agent any and all documents, agreements and instruments that are contemplated by, related to or to be delivered pursuant to or in connection with the DIP Financing Agreement or this Final Order or that are reasonably requested by the DIP Agent to evidence or effectuate any of the transactions or other matters contemplated by or set forth in the DIP Financing Agreement or this Final Order, each as may be amended hereafter from time to time (the documents, instruments and agreements referenced in this paragraph 5, collectively, shall be included in the definition of the “DIP Financing Agreement”).

6. Amendments, Consents, Waivers, and Modifications. Following notice to the Committee, the Debtors may enter into non-material amendments, waivers or modifications of or consents to the DIP Financing Agreement with the prior written consent of the DIP Agent, which consent shall be granted or withheld in the DIP Agent’s sole discretion; provided, however, that any material amendment, waiver, modification or consent shall require the approval of this Court; provided, further that, for avoidance of doubt, the Debtors are authorized pursuant to this Final Order to enter into such amendments as are necessary to conform the DIP Financing Agreement to this Final Order. Copies of all amendments, waivers, modifications, whether or not material, shall be provided by Debtors to counsel to the Petitioning Creditors and counsel to the Committee.

7. DIP Lenders’ Superpriority Claims. The DIP Agent, for the benefit of itself and the DIP Lenders, is hereby granted, on a final basis, allowed superpriority administrative expense

84

claims (the “Superpriority Claims”) pursuant to Bankruptcy Code section 364(c)(1) for the DIP Loan.

8. Postpetition Liens. To secure the DIP Loan and subject to the provisions of paragraph 10, the DIP Agent is hereby granted, on a final basis, for the benefit of itself and the DIP Lenders, valid, enforceable, non-avoidable and fully perfected, first priority priming liens on and security interests in (collectively, the “Postpetition Liens”) all Prepetition Collateral, all other property, assets and interests in property and assets of the Debtors (or any successor trustee or other estate representative in any Chapter 11 Case or Successor Case) and all other “property of the estate” (within the meaning of the Bankruptcy Code) of the Debtors (or any successor trustee or other estate representative in any Chapter 11 Case or Successor Case), of any kind or nature whatsoever, real, personal or mixed, tangible or intangible now existing or hereafter acquired or created, including, without limitation, all accounts, inventory, goods, contracts, contract rights, investment property, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, all other intellectual property, general intangibles, payment intangibles, rights, interests, intercompany notes and obligations, tax or other refunds, insurance proceeds, letters of credit, letter-of-credit rights, supporting obligations, documents, titled vehicles, machinery and equipment, real property (including all facilities), fixtures, leases (and proceeds from the disposition thereof), all of the (x) issued and outstanding capital stock entitled to vote (within the meaning of Treas. Reg. Section 1.956-2(c)(2)), (y) issued and outstanding capital stock not entitled to vote (within the meaning of Treas. Reg. Section 1.956-2(c)(2)) of each subsidiary of each Debtor and (z) capital stock of all other Persons that are not Subsidiaries directly owned by each Debtor (subject, in the case of (x), (y) and (z), to any express limitations set forth in the DIP Financing Agreement), money, investment property, deposit accounts, all commercial tort claims and other causes of action (other than Avoidance Actions (as defined below) of the Debtors), Cash Collateral, and all cash and non-cash proceeds, rents, products, substitutions, accessions, and profits of any of the collateral described above (collectively, the

“Collateral”). Notwithstanding the foregoing or any provisions to the contrary contained in this Final Order or the DIP Financing Agreement, where the DIP Agent has been granted a security interest hereunder in any shares or other equity interests in the capital stock (“ULC Shares”) of an issuer that is an unlimited company, unlimited liability company or unlimited liability corporation under the laws of Canada or any of its provinces or political subdivisions (each, a “ULC”), the Debtor that owns such ULC Shares will remain the sole registered and beneficial owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of the DIP Agent or any of its successors or assigns (in either case, a “ULC Beneficiary”) or any other person or entity on the books and records of the applicable ULC. Nothing in this Final Order or the DIP Financing Agreement is intended to, and nothing in this Final Order or the DIP Financing Agreement shall, constitute the DIP Agent, any other ULC Beneficiary or any other person or entity other than the applicable debtor, a member or shareholder of a ULC for the purposes of the *Companies Act* (Nova Scotia), the *Business Corporations Act* (Alberta), the *Business Corporations Act* (British Columbia) and any other present or future laws governing ULCs (the “ULC Laws”) (whether listed or unlisted, registered or beneficial), until such time as notice is given to such Debtor and further steps are taken pursuant hereto or thereto so as to register the DIP Agent, any other ULC Beneficiary or such other person or entity, as specified in such notice, as the holder of the ULC Shares.

9. Adequate Protection for Prepetition Secured Parties. The Debtors acknowledge and stipulate that the Prepetition Secured Parties are entitled, pursuant to Bankruptcy Code sections 361, 363(e), and 364(d)(1), to adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral, in exchange for the Debtors’ use of such Prepetition Collateral, to the extent of the aggregate diminution in value, if any, of, respectively, the Prepetition First Lien Lenders’ interest in the Prepetition Collateral and the Prepetition Second Lien Lenders’ interest in the Prepetition Collateral, including, without limitation, any such diminution resulting from or attributable to, any or all of the Carve-Out, the imposition of the

8e

automatic stay, the use of Cash Collateral, any sale, lease or use by the Debtors, physical deterioration, or other decline in value of any other Prepetition Collateral, and the priming of the Prepetition Secured Debt by the Postpetition Liens. As adequate protection, the Prepetition Agents are hereby granted on a final basis (i) valid, enforceable, binding, non-avoidable and fully perfected postpetition security interests and liens (the "Adequate Protection Liens") on all of the Collateral, and (ii) priority superpriority administrative expense claims under section 364(c)(1) of the Bankruptcy Code (the "Adequate Protection Priority Claims").

(a) Without limiting the foregoing, the Prepetition Secured Parties shall have all of the rights accorded to them under sections 503 and 507(b) of the Bankruptcy Code in respect of the adequate protection provided herein.

(b) [Reserved].

(c) The Prepetition Secured Parties have consented, or are deemed to have consented, to the adequate protection and the priming provided for herein; provided, however, that the consent of the Prepetition Secured Parties to the priming, the use of Cash Collateral, and the sufficiency of the adequate protection provided for herein is expressly conditioned upon the entry of this Final Order and such consent shall not be deemed to extend to any other replacement financing or debtor in possession financing other than the DIP Loan; and provided, further, that in the event of the occurrence of the Termination Date, nothing herein shall alter the burden of proof set forth in the applicable provisions of the Bankruptcy Code at any hearing concerning the continued use of Prepetition Collateral (including Cash Collateral) by the Debtors.

10. Perfection and Priority of Liens and Claims; Other Rights.

(a) The Postpetition Liens and, except as otherwise set forth in this Final Order, the Adequate Protection Liens shall not at any time be made subject or subordinate to, or made *pari passu* with, any other lien, security interest or claim existing as of the Consent Date, or created under Bankruptcy Code sections 363 or 364(d). Notwithstanding the provisions in *this paragraph*

and paragraph 8 and 9, the Postpetition Liens and Adequate Protection Liens shall remain subject to the valid, perfected, ~~enforceable~~ and non-avoidable liens that are senior to the liens held by the Prepetition Secured Parties under the Prepetition First Lien Loan Agreement (the "Existing Priority Liens") and the Carve-Out.⁵ In furtherance of the foregoing, the Postpetition Liens and the Adequate Protection Liens shall at all times be senior to, among other things, (i) the rights of the Debtors in any Chapter 11 Cases and any successor trustee or other estate representative in any Chapter 11 Case or Successor Case, (ii) the liens and security interests of any party holding prepetition liens or security interests junior or subordinate to the Prepetition Lender Liens, (iii) any intercompany claim of or against any Debtor, and (iv) any prepetition lien that is determined to be avoidable pursuant to sections 544, 545, 547, 548, 551 and/or 553 of the Bankruptcy Code or otherwise; provided, however, the Adequate Protection Liens shall be junior and subordinate in all respects to the Postpetition Liens, and the Adequate Protection Liens of the Prepetition Second Lien Agent shall be junior and subordinate in all respect to the Adequate Protection Liens of the Prepetition First Lien Agent.

(b) Except as otherwise expressly set forth in this subparagraph (b), the Superpriority Claims and the Adequate Protection Priority Claims shall have priority over any and all other administrative claims against the Debtors or their estates (whether in the Chapter 11 Cases or in any Successor Case), now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kinds specified in or arising or ordered under Bankruptcy Code sections 105(a), 326, 328, 330, 331, 503(b), 506(c), 507, 546(c), 726, 1113, and 1114 or otherwise, whether or not such expenses or claims may become secured

⁵ For avoidance of doubt, nothing in this Final Order is intended to alter the priority of any possessory security interest of or validity of any lien held by Chartis (defined below) as of the date of this Final Order in cash collateral held pursuant to that certain Payment Agreement for Insurance and Risk Management Services, between Allied Systems Holdings, Inc. and National Union Fire Insurance Company of Pittsburgh, Pa., on behalf of itself and certain affiliates ("Chartis"), dated January 1, 2006, as well as any policies, schedules, addenda, letters of credit, surety bonds and related agreements governing the Insurance Program (as defined therein) through and including January 1, 2013, as may be extended or modified from time to time.

including any federal or state fraudulent transfer law cause of action incorporated by section 544,

by a judgment lien or other non-consensual lien, levy or attachment; provided, that (i) the Superpriority Claims and the Adequate Protection Priority Claims shall be subject and subordinate to the payment of the Carve-Out, (ii) the Superpriority Claims shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof other than any proceeds or property recovered solely on account of claims or causes of action arising under chapter 5 of the Bankruptcy Code, if any (the "Avoidance Actions"), (iii) the Adequate Protection Priority Claims shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof including, without limitation, any proceeds or property recovered in connection with or on account of any Avoidance Actions, (iv) except with respect to proceeds and property recovered solely on account of Avoidance Actions, the Adequate Protection Priority Claims shall be subject and subordinate to the Superpriority Claims, and (v) the Adequate Protection Priority Claims of the Prepetition Second Lien Agent and the Prepetition Second Lien Lenders shall be subject and subordinate to the Adequate Protection Priority Claims of the Prepetition First Lien Agent and the Prepetition First Lien Lenders. In furtherance and not in limitation of the foregoing, the Superpriority Claims and the Adequate Protection Claims shall at all times be senior to, among other things, (x) the rights of the Debtors in the Chapter 11 cases and any successor trustee or other estate representative in any Chapter 11 case or successor case, and (y) any intercompany claim of or against any Debtor.

(c) No liens, claims, interests or priority status (other than with respect to the Carve-Out and the Existing Priority Liens as described herein), having, as applicable, a lien or administrative priority superior to or *pari passu* with that of the Postpetition Liens, the Superpriority Claims, the Adequate Protection Liens or the Adequate Protection Priority Claims granted by this Final Order, and no liens on or with respect to the Avoidance Actions or the proceeds or property recovered on account thereof shall be granted while any portion of the DIP Loan or the Prepetition Secured Debt remains outstanding, or any loan commitment under the DIP Financing Agreement or Prepetition Loan Documents remains in effect, without the prior

written consent of the DIP Agent, the Prepetition First Lien Agent and, subject to the terms of the Prepetition Intercreditor Agreement, the Prepetition Second Lien Agent.

(d) The Postpetition Liens and the Adequate Protection Liens shall be and hereby are effective, binding and perfected immediately upon entry of this Final Order without further action by any of the Debtors, the other grantors, the DIP Agent, the DIP Lenders or the Prepetition Secured Parties. None of the Debtors, the DIP Agent, the DIP Lenders or the Prepetition Secured Parties shall be required to enter into, obtain, file or record, as applicable, any mortgage, security agreement, pledge agreement, financing agreement, financing statement, deed of trust, leasehold mortgage, notice of lien or similar instrument (including any trademark, copyright, trade name or patent assignment filing with the United States Patent and Trademark Office, Copyright Office or any similar agency with respect to intellectual property, or any filing with any other federal agency/authority), landlord waiver, mortgagee waiver, bailee waiver, warehouseman waiver, licensor consent, or other filing, consent, agreement or instrument (each, a "Non-Bankruptcy Lien Document") in any jurisdiction to the fullest extent allowed by law, such that no additional steps need be taken by the DIP Agent, the DIP Lenders or any of the Prepetition Secured Parties to evidence or perfect the Postpetition Liens or Adequate Protection Liens or establish the priority or realize the benefit thereof (except as otherwise expressly set forth in this Final Order).

(e) Each of the DIP Agent and the Prepetition Agents may, but shall not be obligated to, enter into, obtain, file or record any Non-Bankruptcy Lien Document that it deems in its sole discretion to be necessary or desirable, in which case: (i) all such documents shall be deemed to have been recorded and filed immediately upon entry of the Interim Order; provided, however, that any documents evidencing the Postpetition Liens shall be deemed to have been recorded and filed immediately prior to any documents evidencing Adequate Protection Liens, and the Adequate Protection Liens of the Prepetition First Lien Agent shall be deemed to have been recorded and filed immediately prior to the documents evidencing any Adequate Protection

(f) In lieu of obtaining or filing any Non-Bankruptcy Lien Document, each of the DIP Agent and the Prepetition Agents may, but shall not be obligated to, file a true and complete copy of this Final Order in any place at which any such Non-Bankruptcy Lien Document would or could be filed, together with a description of Collateral or Prepetition Collateral, as applicable, and any such filing by the DIP Agent or a Prepetition Agent shall have the same effect as if such Non-Bankruptcy Lien Document had been filed or recorded immediately upon entry of the Interim Order.

(b) Notwithstanding anything to the contrary in paragraph 11(a), the Debtor Professional Expense Cap and the Committee Professional Expense Cap shall be reduced on a dollar-for-dollar basis by the amount of any retainers held by, respectively, the Debtors’ professional and the Committee’s professionals as of the date of the Termination Notice. In addition, for purposes of the Carve-Out, Allowed Professional Fees (i) shall include only those fees and expenses that are owed pursuant to the terms of the applicable Estate Professional’s engagement letter or other agreement of engagement and (ii) shall not include any success fee, transaction fee, or other similar fee whether or not set forth in such Estate Professional’s engagement letter or other agreement other than as expressly set forth in paragraph 11(a). Following the delivery of a Termination Notice, (w) any payment made to any Estate Professional from any source on account of Allowed Professional Fees shall reduce the Carve-Out (and to the extent made on account of a Post-Termination Allowed Fee, the Debtor

Professional Fee Cap or the Committee Professional Fee Cap, as applicable) on a dollar-for-dollar basis, (x) any payment made to, respectively, any Debtor Professional or any Committee Professional from any source on account of the Debtors' Pre-Termination Allowed Fees or the Committee's Pre-Termination Allowed Fees shall reduce, as applicable, the Debtor Pre-Termination Fee Cap or the Committee Pre-Termination Expense Cap on a dollar-for-dollar basis, (y) any payment made to, respectively, any Debtor Professional or any Committee Professional from any source on account of any Post-Termination Allowed Fees shall reduce, as applicable, the Debtor Post-Termination Expense Cap or the Committee Post-Termination Expense Cap on a dollar-for-dollar basis, and (z) no Allowed Professional Fee shall be paid from the proceeds of the DIP Loan or Collateral (including Cash Collateral) to any Estate Professional holding a retainer until such time as that retainer has been reduced to zero by application of such retainer to the Allowed Professional Fees of such Estate Professional.

(c) Except for Committee Challenge Fees (as defined below), no portion of the Carve-Out may be used for any Challenge Action (as defined below).

12. Challenge Period and Investigation Rights.

(a) Proceeds of the DIP Loan, the Collateral and the Prepetition Collateral (including, without limitation, Cash Collateral) shall not be used by any person or entity, including the Debtors (or any successor trustee or other estate representative in any Chapter 11 Case or Successor Case), but excluding the Committee subject to the limitations set forth below, in connection with the investigation, pursuit or assertion of, or joinder in, any claim, cause of action, defense, counterclaim, proceeding, application, motion, objection, defense or other contested matter or discovery against any of the DIP Agent, the DIP Lenders or the Prepetition Secured Parties (or any officers, directors, employees, agents, representatives, legal advisors and attorneys, financial advisors and accountants, consultants, other professionals, members, managers, partners, shareholders, owners, subsidiaries, predecessors in interest or affiliates of each the foregoing (collectively, the "Related Parties")), the purpose of which is to seek, or the

result of which would be, to obtain any order, judgment, determination, declaration or similar relief: (x) invalidating, setting aside, avoiding, recharacterizing or subordinating, in whole or in part, any claim, indebtedness, liens and/or security interests of any of the DIP Agent, the DIP Lenders or the Prepetition Secured Parties; (y) objecting to or commencing any action that prevents or affirmatively delays the exercise by any of the DIP Agent, the DIP Lenders or the Prepetition Secured Parties of any of their respective rights and remedies under any agreement or document or the Interim Order, the Amended Interim Order or this Final Order; or (z) seeking any affirmative legal or equitable remedy against any of the DIP Agent, the DIP Lenders or the Prepetition Secured Parties.

(b) Notwithstanding anything herein to the contrary, the Committee and other non-Debtor parties-in-interest ^(including, without limitation, the Pension Benefit Guaranty Corporation) shall have the right to file a complaint pursuant to Bankruptcy Rule 7001, or assert (through appropriate filings with the Court) a setoff, claim, offset or defense that seeks to invalidate, subordinate, recharacterize or otherwise challenge any of the Prepetition Lender Liens, Prepetition Secured Claims or the actions taken by any Prepetition Secured Party in its capacity as such (a "Challenge Action"); provided, however, that (i) any Challenge Action ^{by} any non-Debtor parties-in-interest other than the Committee and any Challenge Action by the Committee ^{or the Petitioning Creditors} challenging the perfection of any lien must be brought on or before the later to occur of (A) seventy-five (75) days after the Consent Date and (B) sixty (60) days after the formation of the Committee, and (ii) all other Challenge Actions by the Committee ^{or the Petitioning Creditors} must be brought no later than ¹⁵⁰ ~~ninety~~ (90) days after the formation of the Committee (collectively, the "Challenge Period"). If no Challenge Action is filed before the end of the applicable Challenge Period, the Committee, all holders of claims and interests and all other parties-in-interest shall be forever barred from bringing or taking any Challenge Action on behalf of themselves, the Debtors or these estates, and the Debtors' stipulations made in paragraph D, above and the release (as set forth below in paragraph 13) shall be binding on all parties-in-interest. Nothing in this Final Order vests or confers on any entity (as such term is defined in the Bankruptcy Code), including the Committee or any other statutory committee appointed in the Chapter 11 Cases, standing or authority to pursue any cause of action belonging to the Debtors or their estates; provided, however, in the event that the Committee, ^{or the Petitioning Creditors, as applicable} prior to the Challenge Period Termination Date, files a motion with the Court seeking standing to bring a Challenge Action (a “Standing Motion”), which motion sets forth with specificity the claims and causes of action that the Committee ^{or the Petitioning Creditors, as applicable,} intends to bring in such Challenge Action (the “Specified Challenges”), then the ^{or the Petitioning Creditors, as applicable} Challenge Period Termination Date only with respect to the Committee (and no other entity) and only with respect to the Specified Challenges will be tolled until five (5) days after the date on which the Court enters an order granting or denying the Standing Motion.

(c) In the event of a timely and successful Challenge Action, this Court shall fashion the appropriate remedy with respect to the applicable Prepetition Secured Party(ies). For avoidance of doubt, the foregoing shall not preclude (i) the Petitioning Creditors from continuing to prosecute that certain action entitled *BDCM Opportunity Fund II, LP, et al. v. The appointment of a trustee shall not extend the Challenge Period for any other party.

(f) The Challenge Period may be extended by the Court by (i) motion filed prior to the Challenge Period Termination Date and upon notice and a showing of good cause, or (ii) by stipulation by the DIP Agent and the Prepetition First Lien Agent in their respective sole discretion.

13. Releases.

(a) Subject to the rights set forth in paragraph 12 above, the Debtors, on behalf of themselves and their estates (including any successor trustee or other estate representative in any Chapter 11 Case or Successor Case), forever and irrevocably (i) release, discharge, and acquit the DIP Agent, each of the DIP Lenders, in their capacity as DIP Lenders, and each of their respective former, current or future Related Parties, solely in each of their capacity as such, of and from any and all claims, demands, liabilities, responsibilities, disputes, remedies, causes of action, indebtedness, and obligations, of every type, including, without limitation, any so-called "lender liability" or equitable subordination claims or defenses, with respect to or relating to the negotiation and execution of the DIP Financing, the Interim Order, the Amended Interim Order, this Final Order and/or the negotiation of the terms hereof or thereof and (ii) waive any and all defenses (including, without limitation, offsets and counterclaims of any nature or kind) as to the validity, perfection, priority, enforceability and nonavoidability of the Postpetition Liens and Superpriority Claims.

14. Limitation on Additional Surcharges. No action, inaction or acquiescence by any of the DIP Agent, the DIP Lenders and the Prepetition Secured Parties, including funding the Debtors’ ongoing operations under this Final Order, shall be deemed to be, or shall be considered as evidence of, any alleged consent by any of the DIP Agent, the DIP Lenders or the Prepetition Secured Parties to a charge against the Collateral or the Prepetition Collateral pursuant to Bankruptcy Code sections 105(a), 506(c) and 552(b), and no such costs, fees or expenses shall be so charged against the Collateral or Prepetition Collateral without the prior written consent of the DIP Agent (in the case of the Collateral) and the Prepetition First Lien Agent (in the case of the Prepetition Collateral), such consent to be granted or withheld in the respective party’s sole and absolute discretion. The DIP Agent, the DIP Lenders and the Prepetition Secured Parties shall not be subject in any way whatsoever to the equitable doctrine of “marshaling” or any similar doctrine with respect to, as applicable, the Collateral or the Prepetition Collateral. indefeasible repayment of the DIP Loan in full and in cash; or (b) investigate any Challenge Actions (as outlined in paragraph 12 above).

24. Collateral Rights. In the event that any party who has both received notice of the Final Hearing and holds a lien or security interest in Collateral or Prepetition Collateral that is junior and/or subordinate to any of the Postpetition Liens, the Adequate Protection Liens or the Prepetition Lender Liens in such Collateral or Prepetition Collateral receives or is paid the proceeds of such Collateral or Prepetition Collateral, or receives any other payment with respect thereto from any other source, prior to indefeasible payment in full in cash and the complete satisfaction of (i) the DIP Loan under the DIP Financing Agreement and termination of the loan commitments thereunder in accordance with the DIP Financing Agreement and (ii) the Prepetition Secured Debt under the Prepetition Loan Documents, such junior or subordinate lienholder shall be deemed to have received, and shall hold, the proceeds of any such Prepetition Collateral or other Collateral in trust for the DIP Agent, DIP Lenders and the Prepetition Secured Parties (subject to the terms of the Prepetition Intercreditor Agreement), and shall immediately turnover such proceeds for application, in the following order: (a) to the DIP Agent for application to the DIP Loan under the DIP Financing Agreement until paid in full in cash; (b) to the Prepetition First Lien Agent for application to the Prepetition First Lien Debt under the Prepetition First Lien Loan Documents until paid in full in cash; and (c) to the extent such payment consists solely of Prepetition Second Lien Collateral, to the Prepetition Second Lien Agent for application to the Prepetition Second Lien Debt under the Prepetition Second Lien Loan Agreement until paid in full in cash.

25. Plan of Reorganization or Liquidation. No plan of reorganization or liquidation may be confirmed in any of these Chapter 11 Cases unless, in connection and concurrently with the effective date of such plan, the plan provides for the indefeasible payment in full, in cash, and in complete satisfaction of the DIP Loan, and the loan commitments under the DIP Financing Agreement and this Final Order are terminated on or before the effective date of such plan.

26. Sale/Conversion/Dismissal. Unless otherwise agreed by the DIP Agent, neither the Debtors nor any trustee will file a motion seeking a sale of all or substantially all of the assets of the Debtors under Bankruptcy Code section 363 (a "363 Substantial Asset Sale") unless (i) the proceeds of such sale are used to indefeasibly pay in full and completely satisfy in cash the DIP Loan and (ii) the loan commitments under the DIP Financing Agreement and this Final Order are terminated in accordance therewith on the closing date of such sale. If an order dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or otherwise is at any time entered, (i) the claims and Liens (including, without limitation, the Postpetition Liens, the Superpriority Claims, the Adequate Protection Liens and the Adequate Protection Claims) granted pursuant to this Final Order to or for the benefit of the DIP Agent, the DIP Lenders and the Prepetition Secured Parties shall continue in full force and effect and shall maintain their priorities as provided in this Final Order until, as applicable, all DIP Financing Obligations, Prepetition First Lien Debt and/or Prepetition Second Lien Debt shall have been indefeasibly paid in full in cash (and that such claims and liens shall, notwithstanding such dismissal, remain binding on all parties in interest), and (ii) this Court shall retain jurisdiction, notwithstanding such dismissal, for the purposes of enforcing such claims and Liens. The provisions set forth in clauses (i) and (ii) of the preceding sentence shall be deemed (in accordance with sections 104 and 349(b) of the Bankruptcy Code) to be incorporated by this reference in any order dismissing any of the Chapter 11 Cases under section 1112 of the Bankruptcy Code or otherwise, unless such provisions are expressly set forth therein.

27. No Waiver. This Final Order shall not be construed in any way as a waiver or relinquishment of any rights that any of the DIP Agent, the DIP Lenders or the Prepetition Secured Parties may have to bring or be heard on any matter brought before this Court.

28. Setoff and Recoupment. Notwithstanding anything to the contrary contained herein (but subject to the terms of the Prepetition Intercreditor Agreement), nothing in this Final Order shall limit or impair the nature, extent, validity and/or priority of the rights against the

Debtors, if any, of any party-in-interest in the Chapter 11 Cases under Bankruptcy Code sections 546(c), 545 and 553 and/or the equitable doctrine of recoupment.

29. Priority of Terms. To the extent of any conflict between or among (a) the express terms or provisions of any of the DIP Financing Agreement, the Motion, the Interim Order, the Amended Interim Order, any other order of this Court, or any other agreements, on the one hand, and (b) the terms and provisions of this Final Order, on the other hand, unless such term or provision herein is phrased in terms of “as defined in” or “as more fully described in” the Motion or the DIP Financing Agreement, the terms and provisions of this Final Order shall govern.

30. Indefeasible payment. Subject to the investigatory period provisions of paragraph 12, for purposes of this Final Order, when payment in cash is received by the DIP Agent, that payment shall be considered indefeasibly made.

31. No Third Party Beneficiary. Except as explicitly set forth herein with respect to the Carve-Out, no rights are created hereunder for the benefit of any third party, any creditor, any party in a Successor Case or any direct, indirect or incidental beneficiary, and no third parties shall be deemed to be third party beneficiaries of this Final Order.

32. Adequate Notice. Adequate notice under the circumstances has been given to (i) the Office of the United States Trustee for the District of Delaware; (ii) counsel for the DIP Agent; (iii) counsel for BDCM Opportunity Fund II, LP, Black Diamond CLO 2005-1 Adviser L.L.C., Spectrum Investment Partners LP and The CIT Group/Business Credit, Inc., as well as the other lenders under the Prepetition First Lien Loan Agreement for whom the Debtors have current contact information; (iii) The Bank of New York Mellon, in its capacity as administrative agent and collateral agent under the Prepetition Second Lien Loan Agreement; (iv) the Debtors’ twenty (20) largest unsecured creditors listed in the Debtors’ consolidated list of creditors (excluding insiders); (v) Bank of America, Fidelity National Bank, J.P. Morgan Chase Bank and Bank of Nova Scotia, which are the banks with which the Debtors maintain their primary banking relationships; and (vi) all other persons requesting notices. Pursuant to Bankruptcy Rule

4001, no further notice of the request for the relief granted at the Final Hearing is required. The Debtors shall promptly mail copies of this Final Order to the noticed parties, any known party affected by the terms of this Final Order, and any other party requesting notice after the entry of this Final Order.

33. Entry of Final Order; Effect. This Final Order shall take effect immediately upon execution hereof, notwithstanding the possible application of Bankruptcy Rules 6004(g), 7062, 9014, or otherwise, and the Clerk of this Court is hereby directed to enter this Final Order on the Court's docket in the Chapter 11 Cases.

34. Retention of Jurisdiction. This Court shall retain jurisdiction over all matters pertaining to the implementation, interpretation and enforcement of this Final Order and/or the DIP Financing Agreement.

35. Binding Effect of Final Order. The terms of this Final Order shall be binding on any trustee appointed under chapter 7 or chapter 11 of the Bankruptcy Code or other fiduciary or other estate representative hereafter appointed as a legal representative of the Debtors or with respect to the property of the estates of the Debtors; provided that, except to the extent expressly set forth in this Final Order, the DIP Agent, the DIP Lenders and the Prepetition Secured Parties shall have no obligation to permit the use of Cash Collateral or other proceeds of Collateral or extend any financing to any chapter 7 trustee or similar responsible person appointed for the estates of the Debtors.

36. Nothing herein shall be deemed to alter, modify or waive the Debtors' obligations under applicable Canadian law.

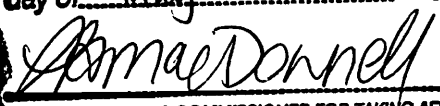

37. Any amendment, stay, reversal or modification of this Final Order without the consent of the DIP Agent (which may be withheld in the DIP Agent's sole discretion) shall be an Event of Default under the DIP Financing Agreement and the Final Order.

SECTION 2. DIP LOANS

2.1 DIP Loans.

(a) Commitments. Subject to the terms and conditions hereof, during the Commitment Period, each Lender severally agrees to make DIP Loans to Borrowers in an aggregate amount up to but not exceeding such Lender’s Commitment; provided that after giving effect to the making of any DIP Loans in no event shall the amount of DIP Loans made hereunder exceed the Commitments then in effect. Any amount borrowed under this Section 2.1(a) and subsequently repaid or prepaid may not be reborrowed. Subject to Sections 2.9 and 2.10, all amounts owed hereunder with respect to the DIP Loans shall be paid in full no later than the Maturity Date.

(b) Borrowing Mechanics for DIP Loans.

(i) DIP Loans shall be made in an aggregate minimum amount of \$1,000,000 and integral multiples of \$500,000 in excess of that amount.

(ii) Whenever any Borrower desires that Lenders make a DIP Loan, such Borrower shall deliver to the Administrative Agent a fully executed and delivered Funding Notice no later than 11:00 a.m. (New York City time) at least three Business Days in advance of the proposed Credit Date (unless each Agent agrees in its sole discretion to delivery of a Funding Notice on less than three Business Days' notice).

(iii) The proceeds of the DIP Loans shall be used to repay in full all obligations of the Credit Parties under the Existing DIP Facility (whether principal, interest, fees, costs and expenses), to pay fees and expenses incurred in connection with this Agreement and, to the extent of the excess, for working capital and general corporate purposes. The Borrowers shall use cash collateral prior to using proceeds of any DIP Loan, with draws being permitted to be made (subject to Section 3.2(a)(vi)) to the extent that the amount of cash on hand (excluding the Professional Fee Reserve) *less* cash disbursements as reflected in the Approved Cash Projections for the then current week

147

and the next week *less* deposits to be made into the Professional Fee Reserve in the current week and the next week does not exceed \$5,000,000.

(iv) Notice of receipt of each Funding Notice, together with the amount of such Lender's Pro Rata Share thereof, if any, together with the applicable interest rate, shall be provided by Administrative Agent to each applicable Lender by telefacsimile with reasonable promptness, but (provided Administrative Agent shall have received such notice by 11:00 a.m. (New York City time)) not later than on the same day as Administrative Agent's receipt of such Funding Notice from such Borrower.

(v) Each Lender shall make its DIP Loan available to Administrative Agent not later than 1:00 p.m. (New York City time) on the applicable Credit Date, by wire transfer of same day funds in Dollars, at the Principal Office designated by Administrative Agent. Upon satisfaction or waiver of the conditions precedent specified herein, Administrative Agent shall make the proceeds of the DIP Loans available to Borrowers on the applicable Credit Date by causing an amount of same day funds in Dollars equal to the proceeds of all such DIP Loans received by Administrative Agent from Lenders to be credited to the account of Borrowers at the Principal Office designated by Administrative Agent or to such other account as may be designated in writing to Administrative Agent by Borrowers.

(vi) For purposes of Sections 1272, 1273 and 1275 of the Internal Revenue Code, the DIP Loans are being issued with original issue discount. Requests for information regarding the original issue discount on the DIP Loans may be directed to Borrowers' representative at 2303 Parklake Drive, Building 15, Suite 600, Atlanta, GA 30345, Attention: Chief Financial Officer/Treasurer.

2.2 Pro Rata Shares; Availability of Funds.

(a) Pro Rata Shares. All DIP Loans shall be made, and all participations purchased, by Lenders simultaneously and proportionately to their respective Pro Rata Shares, it being understood that no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to make a DIP Loan requested hereunder or purchase a participation required hereby nor shall any Commitment of any Lender be increased or decreased as a result of a default by any other Lender in such other Lender's obligation to make a DIP Loan requested hereunder or purchase a participation required hereby.

(b) Availability of Funds. Unless the Administrative Agent shall have been notified by any Lender prior to the applicable Credit Date that such Lender does not intend to make available to the Administrative Agent the amount of such Lender's DIP Loan requested on such Credit Date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such Credit Date and the Administrative Agent may, in its sole discretion, but shall not be obligated to, make available to Borrowers a corresponding amount on such Credit Date. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender, the Administrative Agent shall be entitled to recover such corresponding amount on demand from such Lender together with interest thereon, for each day from such Credit Date until the date such amount is paid to the Administrative Agent, at the

customary rate set by the Administrative Agent for the correction of errors among banks for three Business Days. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent shall promptly notify Borrowers and Borrowers shall immediately pay such corresponding amount to the Administrative Agent together with interest thereon, for each day from such Credit Date until the date such amount is paid to the Administrative Agent, at the rate payable hereunder for the applicable DIP Loans. Nothing in this Section 2.2(b) shall be deemed to relieve any Lender from its obligation to fulfill its Commitments hereunder or to prejudice any rights that Borrowers may have against any Lender as a result of any default by such Lender hereunder.

2.3 Use of Proceeds. The proceeds of the DIP Loans shall be applied by Borrowers to pay certain fees and expenses relating to the credit facilities established hereunder, and to pay in full all existing obligations of the Credit Parties under the Existing DIP Facility, for working capital and general corporate purposes of Holdings and its Subsidiaries. No portion of the proceeds of any Credit Extension shall be used in any manner that causes or might cause such Credit Extension or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board of Governors or any other regulation thereof or to violate the Exchange Act. Nothing herein shall in any way prejudice or prevent any Agent or the Lenders from objecting, for any reason, to any requests, motions, or applications made in the Bankruptcy Court, including any application of final allowances of compensation for services rendered or reimbursement of expenses incurred under Sections 105(a), 330 or 331 of the Bankruptcy Code, by any party in interest. Holdings and its Subsidiaries shall not use the proceeds of the DIP Loans for any purpose that is prohibited under the Bankruptcy Code. No proceeds of the DIP Loans may be used by any party to (a) investigate or pursue any claims, causes of action, defenses, counterclaims, litigation or discovery against the Agents or the Lenders (or their respective agents, professionals, employees, officers, subsidiaries, affiliates etc.) or (b) pay any or all claims for fees and expenses of any other Person, in connection with the investigation of, the assertion of or joinder in any claim, cause of action, counterclaim, action, proceeding, application, litigation, motion, objection, defense or other contested matter, the purpose of which is to seek or the result of which would be to obtain any order, judgment, determination, declaration or similar relief: (x) invalidating, setting aside, avoiding, recharacterizing or subordinating, in whole or in part, any claim, indebtedness, liens and/or security interests of any of the Agents or the Lenders hereunder; or (y) objecting to or commencing any action that prevents or affirmatively delays the exercise by any of the Agents or the Lenders of any of their respective rights and remedies under any agreement or document or the DIP Order or (z) seeking any affirmative legal or equitable remedy against any of the Agents or the Lenders (or their respective agents, professionals, advisors, representatives, officers, directors, employees, managers, members, shareholders, equity holders, subsidiaries, affiliates, successor and assigns); provided, however, Borrowers shall be permitted to use the proceeds of the DIP Loans to pay (subject to the Budget and the DIP Order) the fees and expenses of the Committee's professionals incurred in instituting and prosecuting the Yucaipa Adversary Proceeding pursuant to and consistent with a litigation budget (which shall be in a form and substance acceptable to the Lenders in their sole discretion).

149

2.4 Evidence of Debt; Register; Lenders' Books and Records; Notes.

(a) Lenders' Evidence of Debt. Each Lender shall maintain on its internal records an account or accounts evidencing the Obligations of Borrowers to such Lender, including the amounts of the DIP Loans made by it and each repayment and prepayment in respect thereof. Any such recordation shall be conclusive and binding on Borrowers, absent manifest error; provided, that the failure to make any such recordation, or any error in such recordation, shall not affect any Lender's Commitments or Borrowers' Obligations in respect of any applicable DIP Loans; and provided further, in the event of any inconsistency between the Register and any Lender's records, the recordations in the Register shall govern.

(b) Register. The Administrative Agent (or its agent or sub-agent appointed by it) shall maintain at the Principal Office a register for the recordation of the names and addresses of Lenders, the Commitments and DIP Loans of each Lender from time to time (the "Register"). The Register shall be available for inspection by Borrowers or any Lender (with respect to any entry relating to such Lender's Commitments or DIP Loans) at any reasonable time and from time to time upon reasonable prior notice. The Administrative Agent shall record, or shall cause to be recorded, in the Register the Commitments and the DIP Loans of each Lender, each in accordance with the provisions of Section 10.6, and each repayment or prepayment in respect of the principal amount of the DIP Loans, and any such recordation shall be conclusive and binding on Borrowers and each Lender, absent manifest error; provided, failure to make any such recordation, or any error in such recordation, shall not affect any Lender's Commitments or Borrowers' Obligations in respect of any DIP Loan. Borrowers hereby designate Black Diamond Commercial Finance, L.L.C. to serve as Borrowers' administrative agent solely for purposes of maintaining the Register as provided in this Section 2.4, and Borrowers hereby agree that, to the extent Black Diamond Commercial Finance, L.L.C. serves in such capacity, Black Diamond Commercial Finance, L.L.C. and its officers, directors, employees, agents, sub-agents and affiliates shall constitute "Indemnitees."

(c) Notes. If so requested by any Lender by written notice to Borrowers (with a copy to Administrative Agent) at least two Business Days prior to the Closing Date, or at any time thereafter, Borrowers shall execute and deliver to such Lender (and/or, if applicable and if so specified in such notice, to any Person who is an assignee of such Lender pursuant to Section 10.6) on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after Borrower's receipt of such notice) a Note or Notes to evidence such Lender's DIP Loan.

2.5 Interest on DIP Loans.

(a) Except as otherwise set forth herein, the DIP Loans shall bear interest on the unpaid principal amount thereof from the date made through repayment (whether by acceleration or otherwise) thereof as follows:

- (i) if a Base Rate Loan, at (A) the greater of (x) three and one-half percent (3.50%) or (y) the Base Rate plus (B) nine percent (9.00%), and
- (ii) if a Eurodollar Rate Loan, at (A) the greater of (x) two and one-half percent (2.50%) or (y) the Adjusted Eurodollar Rate plus (B) ten percent (10.00%)

(b) The basis for determining the rate of interest with respect to any DIP Loan, and the Interest Period with respect to any Eurodollar Rate Loan, shall be selected by Borrowers and notified to the Administrative Agent and Lenders pursuant to the applicable Funding Notice or Conversion/Continuation Notice. If on any day a DIP Loan is outstanding with respect to which a Funding Notice or Conversion/Continuation Notice has not been delivered to the Administrative Agent in accordance with the terms hereof specifying the applicable basis for determining the rate of interest, then for that day such DIP Loan shall be a Base Rate Loan.

(c) In the event Borrowers fail to specify between a Base Rate Loan or a Eurodollar Rate Loan in the applicable Funding Notice or Conversion/Continuation Notice, such DIP Loan (if outstanding as a Eurodollar Rate Loan) will be automatically converted into a Base Rate Loan on the last day of the then current Interest Period for such DIP Loan (or if outstanding as a Base Rate Loan will remain as, or (if not then outstanding) will be made as, a Base Rate Loan). In the event Borrowers fail to specify an Interest Period for any Eurodollar Rate Loan in the applicable Funding Notice or Conversion/Continuation Notice, Borrowers shall be deemed to have selected an Interest Period of one month. As soon as practicable after 11:00 a.m. (New York City time) on each Interest Rate Determination Date, the Administrative Agent shall determine (which determination shall, absent manifest error, be final, conclusive and binding upon all parties) the interest rate that shall apply to the Eurodollar Rate Loans for which an interest rate is then being determined for the applicable Interest Period and shall promptly give notice thereof (in writing or by telephone confirmed in writing) to Borrowers and each Lender.

(d) Interest payable pursuant to Section 2.9(a) shall be computed (i) in the case of Base Rate Loans on the basis of a 365 day or 366 day year, as the case may be, and (ii) in the case of Eurodollar Rate Loans, on the basis of a 360 day year, in each case for the actual number of days elapsed in the period during which it accrues. In computing interest on any DIP Loan, the date of the making of such DIP Loan or the first day of an Interest Period applicable to such DIP Loan or, with respect to a Base Rate Loan being converted from a Eurodollar Rate Loan, the date of conversion of such Eurodollar Rate Loan to such Base Rate Loan, as the case may be, shall be included, and the date of payment of such DIP Loan or the expiration date of an Interest Period applicable to such DIP Loan or, with respect to a Base Rate Loan being converted to a Eurodollar Rate Loan, the date of conversion of such Base Rate Loan to such Eurodollar Rate Loan, as the case may be, shall be excluded; provided, if a DIP Loan is repaid on the same day on which it is made, one day's interest shall be paid on that DIP Loan.

(e) Except as otherwise set forth herein, interest on each DIP Loan (i) shall accrue on a daily basis and shall be payable in arrears on each Interest Payment Date with respect to interest accrued on and to each such payment date; (ii) shall accrue on a daily basis and shall be payable in arrears upon any prepayment of that DIP Loan, whether voluntary or mandatory, to the extent accrued on the amount being prepaid; and (iii) shall accrue on a daily basis and shall be payable in arrears at maturity of the DIP Loans, including final maturity of the DIP Loans.

(f) If any requirement of law or any change therein or in the interpretation or application thereof, shall hereafter make it unlawful for any Lender in good faith to make or maintain the DIP Loans bearing interest with reference to Adjusted Eurodollar Rate, then upon notice to the Borrowers by the Administrative Agent or any Lender, all DIP Loans that are

15

Eurodollar Rate Loans shall automatically convert to Base Rate Loans on the next succeeding Interest Payment Date or earlier period as required by applicable law. Until such notice is revoked, all DIP Loans shall be Base Rate Loans.

(g) For purposes of disclosure pursuant to the Interest Act (Canada), the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Credit Documents (and stated herein or therein, as applicable, to be computed on the basis of a period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by the number of days in such period of time.

2.6 Conversion/Continuation.

(a) Subject to Section 2.15 and so long as no Default or Event of Default shall have occurred and then be continuing, Borrowers shall have the option:

(i) to convert at any time all or any part of any DIP Loan equal to \$1,000,000 and integral multiples of \$250,000 in excess of that amount from one Type of DIP Loan to another Type of DIP Loan. provided, a Eurodollar Rate Loan may only be converted on the expiration of the Interest Period applicable to such Eurodollar Rate Loan unless Borrowers shall pay all amounts due under Section 2.15 in connection with any such conversion; or

(ii) upon the expiration of any Interest Period applicable to any Eurodollar Rate Loan, to continue all or any portion of such DIP Loan equal to \$1,000,000 and integral multiples of \$250,000 in excess of that amount as a Eurodollar Rate Loan.

(b) Borrowers shall deliver a Conversion/Continuation Notice to the Administrative Agent no later than 11:00 a.m. (New York City time) at least one Business Day in advance of the proposed conversion date (in the case of a conversion to a Base Rate Loan) and at least three Business Days in advance of the proposed conversion/continuation date (in the case of a conversion to, or a continuation of, a Eurodollar Rate Loan). Except as otherwise provided herein, a Conversion/Continuation Notice for conversion to, or continuation of, any Eurodollar Rate Loans shall be irrevocable on and after the related Interest Rate Determination Date, and Borrowers shall be bound to effect a conversion or continuation in accordance therewith.

2.7 Default Interest. The principal amount of all DIP Loans outstanding and not paid when due and, to the extent permitted by applicable law, any interest payments on the DIP Loans or any fees or other amounts owed hereunder and not paid when due, shall thereafter bear interest (including post-petition interest in any proceeding under the Bankruptcy Code or other applicable bankruptcy laws) payable on demand at a rate that is 2% per annum in excess of the interest rate otherwise payable hereunder with respect to the applicable DIP Loans (or, in the case of any such fees and other amounts, at a rate which is 2% per annum in excess of the interest rate otherwise payable hereunder for Base Rate Loans); provided, in the case of Eurodollar Rate Loans, upon the expiration of the Interest Period in effect at the time any such increase in interest rate is effective such Eurodollar Rate Loans shall thereupon become Base

152

Rate Loans and shall thereafter bear interest payable upon demand at a rate which is 2% per annum in excess of the interest rate otherwise payable hereunder for Base Rate Loans. Payment or acceptance of the increased rates of interest provided for in this Section 2.7 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of any Agent or any Lender.

2.8 Fees.

(a) [Intentionally omitted].

(b) The Borrowers agree to pay to the Administrative Agent (for the ratable benefit of the Lenders) a nonrefundable exit fee (the "Exit Fee") equal to 1.5% of the aggregate amount of the Commitments in effect on the Closing Date, which Exit Fee shall be deemed fully and completely earned on the Closing Date and shall be due and payable upon the earlier to occur of (i) the Maturity Date or (ii) the payment in full of the DIP Loans (whether upon ordinary maturity, prepayment, acceleration or otherwise).

(c) From and after the Closing Date and until the Final Maturity Date, the Borrowers agree to pay to the Administrative Agent (for the ratable benefit of the Lenders) an unused line fee in the available commitment amount (the "Unused Line Fee"), which shall accrue at the rate per annum of 1.5% on the excess, if any, of the Commitments over the sum of the average principal amount of DIP Loans outstanding from time to time during the preceding month and shall be payable monthly in arrears on the last business day of each month, commencing May 31, 2013.

(d) In addition to the foregoing fees, Borrowers agree to pay to the fees and other amounts at the times separately agreed upon in the Fee Letter.

2.9 Scheduled Payments. The principal amount of the DIP Loans, together with all other amounts owed hereunder with respect thereto, shall be paid in full no later than the Maturity Date.

2.10 Voluntary Prepayments/Commitment Reductions.

(a) Voluntary Prepayments.

(i) Any time and from time to time, Borrowers may prepay any such DIP Loans on any Business Day in whole or in part, in an aggregate minimum amount of \$1,000,000 and integral multiples of \$250,000 in excess of that amount.

(ii) All such prepayments shall be made upon not less than (A) in the case of Base Rate Loans, one Business Day's and (B) in the case of Eurodollar Rate Loans, three Business Days', prior written or notice by telephone, confirmed immediately in writing, given to the Administrative Agent by 12:00 p.m. (New York City time) on the date required and, if given by telephone, promptly confirmed in writing to the Administrative Agent (and the Administrative Agent will promptly transmit such original notice for DIP Loans by telefacsimile or telephone to each Lender). Upon the giving of any such notice, the principal amount of the DIP Loans specified in such notice shall

become due and payable on the prepayment date specified therein; provided that if specified in such notice that such prepayment is being made with the proceeds of another transaction, such prepayment may be contingent on the closing of such other transaction; provided further, that Borrowers shall pay any amounts payable pursuant to Section 2.15(c) upon the failure of Borrowers to make such prepayment on the date specified in such notice. Any such voluntary prepayment shall be applied as specified in Section 2.12.

(b) Voluntary Commitment Reductions.

(i) Borrowers may, upon not less than three Business Days' prior written or notice by telephone, confirmed immediately in writing to the Administrative Agent (which original written notice the Administrative Agent will promptly transmit by telefacsimile or telephone to each applicable Lender), at any time and from time to time permanently reduce in part, without premium or penalty, the Commitments; provided, any such reduction of the Commitments shall be in an aggregate minimum amount of \$1,000,000 and integral multiples of \$250,000 in excess of that amount.

(ii) Any Borrower's notice to the Administrative Agent shall designate the date (which shall be a Business Day) of such termination or reduction and the amount of any partial reduction, and such termination or reduction of Commitments shall be effective on the date specified in such Borrower's notice and shall reduce the Commitment of each Lender proportionately to its Pro Rata Share thereof.

2.11 Mandatory Prepayments.

(a) Asset Sales; Insurance/Condemnation Proceeds. If on any date Holdings or any of its Subsidiaries shall receive Net Cash Proceeds from any Asset Sale or Recovery Event, then such Net Cash Proceeds shall be applied not later than on the third Business Day following the receipt of such Net Cash Proceeds as set forth in Section 2.12.

(b) Prepayment Certificate. Concurrently with any prepayment of the DIP Loans pursuant to Section 2.11, Holdings shall deliver to the Administrative Agent a certificate of an Authorized Officer demonstrating the calculation of the amount of the applicable net proceeds. In the event that Holdings shall subsequently determine that the actual amount received exceeded the amount set forth in such certificate, Holdings shall promptly make an additional prepayment of the DIP Loans in an amount equal to such excess, and Holdings shall concurrently therewith deliver to the Administrative Agent a certificate of an Authorized Officer demonstrating the derivation of such excess.

2.12 Application of Prepayments.

(a) Application of Voluntary Prepayments. Any prepayment of any DIP Loan pursuant to Section 2.10 shall be applied as specified by Borrowers in the applicable notice of prepayment; provided, in the event Borrowers fail to specify the DIP Loans to which any such prepayment shall be applied, such prepayment shall be applied to prepay the DIP Loans on a pro rata basis.

154

(b) Application of Mandatory Prepayments. Any amount required to be paid pursuant to Sections 2.11 shall be applied to prepay the DIP Loans on a pro rata basis.

(c) Application of Prepayments of DIP Loans to Base Rate Loans and Eurodollar Rate Loans. Any prepayment of DIP Loans shall be applied first to Base Rate Loans to the full extent thereof before application to Eurodollar Rate Loans, in each case in a manner which minimizes the amount of any payments required to be made by Borrowers pursuant to Section 2.15(c).

2.13 General Provisions Regarding Payments.

(a) All payments by Borrowers of principal, interest, fees and other Obligations shall be made in Dollars in same day funds, without defense, setoff or counterclaim, free of any restriction or condition, and delivered to the Administrative Agent not later than 12:00 p.m. (New York City time) on the date due at the Principal Office designated by the Administrative Agent for the account of Lenders: for purposes of computing interest and fees, funds received by the Administrative Agent after that time on such due date shall be deemed to have been paid by Borrowers on the next succeeding Business Day.

(b) All payments in respect of the principal amount of any DIP Loan shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid, and all such payments (and, in any event, any payments in respect of any DIP Loan on a date when interest is due and payable with respect to such DIP Loan) shall be applied to the payment of interest then due and payable before application to principal.

(c) Administrative Agent (or its agent or sub-agent appointed by it) shall promptly distribute to each Lender at such address as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due thereto, including all fees payable with respect thereto, to the extent received by the Administrative Agent.

(d) Notwithstanding the foregoing provisions hereof, if any Conversion/Continuation Notice is withdrawn in a writing delivered to the Administrative Agent as to any Affected Lender or if any Affected Lender makes Base Rate Loans in lieu of its Pro Rata Share of any Eurodollar Rate Loans by advising the Administrative Agent in writing, the Administrative Agent shall give effect thereto in apportioning payments received thereafter.

(e) Whenever any payment to be made hereunder with respect to any DIP Loan shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day.

(f) Administrative Agent shall deem any payment by or on behalf of Borrowers hereunder that is not made in same day funds prior to 12:00 p.m. (New York City time) to be a non-conforming payment. Any such payment shall not be deemed to have been received by the Administrative Agent until the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day. The Administrative Agent shall give prompt telephonic notice to Borrowers and each applicable Lender (immediately confirmed in writing) if any payment is non-conforming. Any non-conforming payment may constitute or become a

Default or Event of Default in accordance with the terms of Section 8.1(a). Interest shall continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the rate determined pursuant to Section 2.7 from the date such amount was due and payable until the date such amount is paid in full.

(g) If an Event of Default shall have occurred and not otherwise been waived and the maturity of the Obligations shall have been accelerated pursuant to Section 8.1, or as to any mandatory prepayments under Section 2.10 at any time after an Event of Default shall have occurred and not otherwise been waived in accordance with the terms hereof, then, in each case, all payments or proceeds received by the Administrative Agent hereunder in respect of any of the Obligations, shall be applied as set forth in this Section 8.1 of this Agreement.

2.14 Ratable Sharing. Except as provided in Sections 2.16 and 2.19, the Lenders hereby agree among themselves that if any of them shall, whether by voluntary or mandatory payment (other than a voluntary or mandatory prepayment of DIP Loans made and applied in accordance with the terms hereof), through the exercise of any right of set-off or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Credit Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under the Bankruptcy Code, receive payment or reduction of a proportion of the aggregate amount of principal, interest, fees and other amounts then due and owing to such Lender hereunder or under the other Credit Documents (collectively, the "Aggregate Amounts Due" to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify the Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in proportion to the Aggregate Amounts Due to them; provided, if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of any Borrower or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the extent of such recovery, but without interest. Each Borrower expressly consents to the foregoing arrangement and agrees that any holder of a participation so purchased may exercise any and all rights of banker's lien, set-off or counterclaim with respect to any and all monies owing by Borrowers to that holder with respect thereto as fully as if that holder were owed the amount of the participation held by that holder.

2.15 Making or Maintaining Eurodollar Rate Loans.

(a) Inability to Determine Applicable Interest Rate. In the event that the Administrative Agent shall have determined (which determination shall be final and conclusive and binding upon all parties hereto), on any Interest Rate Determination Date with respect to any Eurodollar Rate Loans, that by reason of circumstances affecting the London interbank market adequate and fair means do not exist for ascertaining the interest rate applicable to such DIP Loans on the basis provided for in the definition of Adjusted Eurodollar Rate, Administrative

Agent shall on such date give notice (by telefacsimile or by telephone confirmed in writing) to Borrowers and each Lender of such determination, whereupon (i) no DIP Loans may be made as, or converted to, Eurodollar Rate Loans until such time as the Administrative Agent notifies Borrowers and Lenders that the circumstances giving rise to such notice no longer exist, and (ii) any Funding Notice or Conversion/Continuation Notice given by Borrowers with respect to the DIP Loans in respect of which such determination was made shall be deemed to be a Funding Notice for or Conversion/Continuation Notice into Base Rate Loans.

(b) Illegality or Impracticability of Eurodollar Rate Loans. In the event that on any date any Lender shall have determined (which determination shall be final and conclusive and binding upon all parties hereto but shall be made only after consultation with Borrowers and the Administrative Agent) that the making, maintaining or continuation of its Eurodollar Rate Loans (i) has become unlawful as a result of compliance by such Lender in good faith with any law, treaty, governmental rule, regulation, guideline or order (or would conflict with any such treaty, governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or (ii) has become impracticable, as a result of contingencies occurring after the date hereof which materially and adversely affect the London interbank market or the position of such Lender in that market, then, and in any such event, such Lender shall be an “Affected Lender” and it shall on that day give notice (by telefacsimile or by telephone confirmed in writing) to Borrowers and the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each other Lender). Thereafter (1) the obligation of the Affected Lender to make DIP Loans as, or to convert DIP Loans to, Eurodollar Rate Loans shall be suspended until such notice shall be withdrawn by the Affected Lender, (2) to the extent such determination by the Affected Lender relates to a Eurodollar Rate Loan then being requested by Borrower pursuant to a Funding Notice or a Conversion/Continuation Notice, the Affected Lender shall make such DIP Loan as (or continue such DIP Loan as or convert such DIP Loan to, as the case may be) a Base Rate Loan, (3) the Affected Lender’s obligation to maintain its outstanding Eurodollar Rate Loans (the “Affected Loans”) shall be terminated at the earlier to occur of the expiration of the Interest Period then in effect with respect to the Affected Loans or when required by law, and (4) the Affected Loans shall automatically convert into Base Rate Loans on the date of such termination. Notwithstanding the foregoing, to the extent a determination by an Affected Lender as described above relates to a Eurodollar Rate Loan then being requested by any Borrower pursuant to a Funding Notice or a Conversion/Continuation Notice, such Borrower shall have the option, subject to the provisions of Section 2.18(c), to rescind such Funding Notice or Conversion/Continuation Notice as to all Lenders by giving notice (by telefacsimile or by telephone confirmed in writing) to the Administrative Agent of such rescission on the date on which the Affected Lender gives notice of its determination as described above (which notice of rescission the Administrative Agent shall promptly transmit to each other Lender). Except as provided in the immediately preceding sentence, nothing in this Section 2.15(b) shall affect the obligation of any Lender other than an Affected Lender to make or maintain DIP Loans as, or to convert DIP Loans to, Eurodollar Rate Loans in accordance with the terms hereof.

(c) Compensation for Breakage or Non-Commencement of Interest Periods. Borrowers shall compensate each Lender, upon written request by such Lender (which request shall set forth the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including any interest paid by such Lender to Lenders of funds borrowed by it to make

or carry its Eurodollar Rate Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender may sustain: (i) if for any reason (other than a default by such Lender or a rescission pursuant to Section 2.15(b)) a borrowing of any Eurodollar Rate Loan does not occur on a date specified therefor in a Funding Notice or a request for borrowing, or a conversion to or continuation of any Eurodollar Rate Loan does not occur on a date specified therefor in a Conversion/Continuation Notice or a request for conversion or continuation; (ii) if any prepayment or other principal payment of, or any conversion of, any of its Eurodollar Rate Loans occurs on a date prior to the last day of an Interest Period applicable to that DIP Loan; or (iii) if any prepayment of any of its Eurodollar Rate Loans is not made on any date specified in a notice of prepayment given by any Borrower.

(d) Booking of Eurodollar Rate Loans. Any Lender may make, carry or transfer Eurodollar Rate Loans at, to, or for the account of any of its branch offices or the office of an Affiliate of such Lender.

(e) Assumptions Concerning Funding of Eurodollar Rate Loans. Calculation of all amounts payable to a Lender under this Section 2.15 and under Section 2.16 shall be made as though such Lender had actually funded each of its relevant Eurodollar Rate Loans through the purchase of a Eurodollar deposit bearing interest at the rate obtained pursuant to clause (i) of the definition of Adjusted Eurodollar Rate in an amount equal to the amount of such Eurodollar Rate Loan and having a maturity comparable to the relevant Interest Period and through the transfer of such Eurodollar deposit from an offshore office of such Lender to a domestic office of such Lender in the United States of America; provided, however, each Lender may fund each of its Eurodollar Rate Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.15 and under Section 2.16.

2.16 Increased Costs; Capital Adequacy.

(a) Compensation For Increased Costs and Taxes. Subject to the provisions of Section 2.17 (which shall be controlling with respect to the matters covered thereby), in the event that any Lender shall determine (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that any law, treaty or governmental rule, regulation or order, or any change therein or in the interpretation, administration or application thereof (including the introduction of any new law, treaty or governmental rule, regulation or order), or any determination of a court or Governmental Authority, in each case that becomes effective after the date hereof, or compliance by such Lender with any guideline, request or directive issued or made after the date hereof by any central bank or other governmental or quasi-governmental authority (whether or not having the force of law): (i) subjects such Lender (or its applicable lending office) to any additional Tax (other than any Tax on the overall net income of such Lender) with respect to this Agreement or any of the other Credit Documents or any of its obligations hereunder or thereunder or any payments to such Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder; (ii) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or

advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of such Lender (other than any such reserve or other requirements with respect to Eurodollar Rate Loans that are reflected in the definition of Adjusted Eurodollar Rate); or (iii) imposes any other condition (other than with respect to a Tax matter) on or affecting such Lender (or its applicable lending office) or its obligations hereunder or the London interbank market; and the result of any of the foregoing is to increase the cost to such Lender of agreeing to make, making or maintaining DIP Loans hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) with respect thereto; then, in any such case, Borrowers shall promptly pay to such Lender, upon receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender for any such increased cost or reduction in amounts received or receivable hereunder. Such Lender shall deliver to Borrowers (with a copy to Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.16(a), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(b) Capital Adequacy Adjustment. In the event that any Lender shall have determined that the adoption, effectiveness, phase-in or applicability after the Closing Date of any law, rule or regulation (or any provision thereof) regarding capital adequacy, or any change therein or in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Lender (or its applicable lending office) with any guideline, request or directive regarding capital adequacy (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency, has or would have the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of, or with reference to, such Lender's DIP Loans or participations therein or other obligations hereunder with respect to the DIP Loans to a level below that which such Lender or such controlling corporation could have achieved but for such adoption, effectiveness, phase-in, applicability, change or compliance (taking into consideration the policies of such Lender or such controlling corporation with regard to capital adequacy), then from time to time, within five Business Days after receipt by Borrowers from such Lender of the statement referred to in the next sentence, Borrowers shall pay to such Lender such additional amount or amounts as will compensate such Lender or such controlling corporation on an after-tax basis for such reduction. Such Lender shall deliver to Borrowers (with a copy to Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to Lender under this Section 2.16(b), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

(c) Notice. Failure or delay on the part of any Lender to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital shall not constitute a waiver of such Lender's right to demand such compensation; provided that Borrowers shall not be under any obligation to compensate any Lender under paragraph (a) or (b) of this Section 2.16 with respect to increased costs or reductions with respect to any period prior to the date that is 180 days prior to the date of the delivery of the statement required pursuant to paragraph (a) or (b); provided further that the foregoing limitation shall not apply to any increased costs or reductions arising out of the

retroactive application of any change in any law, treaty, governmental rule, regulation or order within such 180-day period.

2.17 Taxes; Withholding, etc.

(a) Payments to Be Free and Clear. All sums payable by any Credit Party hereunder and under the other Credit Documents shall (except to the extent required by law) be paid free and clear of, and without any deduction or withholding on account of, any Tax (other than a Tax on the overall net income of any Lender) imposed, levied, collected, withheld or assessed by or within the United States of America or any political subdivision in or of the United States of America or by or within any other jurisdiction from or to which a payment is made by or on behalf of any Credit Party or by any federation or organization of which the United States of America or any such jurisdiction is a member at the time of payment.

(b) Withholding of Taxes. If any Credit Party or any other Person is required by law to make any deduction or withholding on account of any such Tax from any sum paid or payable by any Credit Party to or for the benefit of the Administrative Agent or any Lender under any of the Credit Documents: (i) Borrowers shall notify the Administrative Agent of any such requirement or any change in any such requirement as soon as Borrowers become aware of it; (ii) Borrowers shall pay or cause to be paid any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Credit Party) for its own account or (if that liability is imposed on the Administrative Agent or such Lender, as the case may be) on behalf of and in the name of the Administrative Agent or such Lender; (iii) the sum payable by such Credit Party in respect of which the relevant deduction, withholding or payment is required shall be increased to the extent necessary to ensure that, after the making of that deduction, withholding or payment, Administrative Agent or such Lender, as the case may be, receives on the due date a net sum equal to what it would have received had no such deduction, withholding or payment been required or made; and (iv) within thirty days after paying any sum from which it is required by law to make any deduction or withholding, and within thirty days after the due date of payment of any Tax which it is required by clause (ii) above to pay, Borrowers shall deliver to the Administrative Agent evidence satisfactory to the other affected parties of such deduction, withholding or payment and of the remittance thereof to the relevant taxing or other authority; provided, no such additional amount shall be required to be paid to any Lender under clause (iii) above except to the extent that any change after the date hereof (in the case of each Lender listed on the signature pages hereof on the Closing Date) or after the effective date of the Assignment Agreement pursuant to which such Lender became a Lender (in the case of each other Lender) in any such requirement for a deduction, withholding or payment as is mentioned therein shall result in an increase in the rate of such deduction, withholding or payment from that in effect at the date hereof or at the date of such Assignment Agreement, as the case may be, in respect of payments to such Lender.

(c) Evidence of Exemption From U.S. Withholding Tax. Each Lender that is not a United States Person (as such term is defined in Section 7701(a)(30) of the Internal Revenue Code) for U.S. federal income tax purposes (a "Non-US Lender") shall deliver to the Administrative Agent for transmission to Borrowers, on or prior to the Closing Date (in the case of each Lender listed on the signature pages hereof on the Closing Date) or on or prior to the date of the Assignment Agreement pursuant to which it becomes a Lender (in the case of each other

160

Lender), and at such other times as may be necessary in the determination of Borrowers or the Administrative Agent (each in the reasonable exercise of its discretion), (i) two original copies of Internal Revenue Service Form W-8BEN or W-8ECI (or any successor forms), properly completed and duly executed by such Lender, and such other documentation required under the Internal Revenue Code and reasonably requested by Borrowers to establish that such Lender is not subject to deduction or withholding of United States federal income tax with respect to any payments to such Lender of principal, interest, fees or other amounts payable under any of the Credit Documents, or (ii) if such Lender is not a “bank” or other Person described in Section 881(c)(3) of the Internal Revenue Code and cannot deliver either Internal Revenue Service Form W-8ECI pursuant to clause (i) above, a Certificate re Non-Bank Status together with two original copies of Internal Revenue Service Form W-8BEN (or any successor form), properly completed and duly executed by such Lender, and such other documentation required under the Internal Revenue Code and reasonably requested by Borrowers to establish that such Lender is not subject to deduction or withholding of United States federal income tax with respect to any payments to such Lender of interest payable under any of the Credit Documents. Each Lender that is a United States person (as such term is defined in Section 7701(a)(30) of the Internal Revenue Code) for United States federal income tax purposes (a “U.S. Lender”) shall deliver to the Administrative Agent and Borrowers on or prior to the Closing Date (or, if later, on or prior to the date on which such Lender becomes a party to this Agreement) two original copies of Internal Revenue Service Form W-9 (or any successor form), properly completed and duly executed by such Lender, certifying that such U.S. Lender is entitled to an exemption from United States backup withholding tax, or otherwise prove that it is entitled to such an exemption. Each Lender required to deliver any forms, certificates or other evidence with respect to United States federal income tax withholding matters pursuant to this Section 2.17(c) hereby agrees, from time to time after the initial delivery by such Lender of such forms, certificates or other evidence, whenever a lapse in time or change in circumstances renders such forms, certificates or other evidence obsolete or inaccurate in any material respect, that such Lender shall promptly deliver to the Administrative Agent for transmission to Borrowers two new original copies of Internal Revenue Service Form W-8BEN or W-8ECI, or a Certificate re Non-Bank Status and two original copies of Internal Revenue Service Form W-8BEN (or any successor form), as the case may be, properly completed and duly executed by such Lender, and such other documentation required under the Internal Revenue Code and reasonably requested by Borrowers to confirm or establish that such Lender is not subject to deduction or withholding of United States federal income tax with respect to payments to such Lender under the Credit Documents, or notify the Administrative Agent and each Borrower of its inability to deliver any such forms, certificates or other evidence. Borrowers shall not be required to pay any additional amount to any Non-US Lender under Section 2.17(b)(iii) if such Lender shall have failed (1) to deliver the forms, certificates or other evidence referred to in the second sentence of this Section 2.17(c), or (2) to notify the Administrative Agent and Borrowers of its inability to deliver any such forms, certificates or other evidence, as the case may be; provided, if such Lender shall have satisfied the requirements of the first sentence of this Section 2.17(c) on the Closing Date or on the date of the Assignment Agreement pursuant to which it became a Lender, as applicable, nothing in this last sentence of Section 2.17(c) shall relieve each Borrower of its obligation to pay any additional amounts pursuant this Section 2.17 in the event that, as a result of any change in any applicable law, treaty or governmental rule, regulation or order, or any change in the interpretation, administration or application thereof, such Lender is no longer properly entitled to

161

deliver forms, certificates or other evidence at a subsequent date establishing the fact that such Lender is not subject to withholding as described herein.

2.18 Obligation to Mitigate. Each Lender agrees that, as promptly as practicable after the officer of such Lender responsible for administering its DIP Loans becomes aware of the occurrence of an event or the existence of a condition that would cause such Lender to become an Affected Lender or would entitle such Lender to receive payments under Section 2.15, 2.16 or 2.17, it will, to the extent not inconsistent with the internal policies of such Lender and any applicable legal or regulatory restrictions, use reasonable efforts to (a) make, issue, fund or maintain its Credit Extensions, including any Affected Loans, through another office of such Lender, or (b) take such other measures as such Lender may deem reasonable, if as a result thereof the circumstances which would cause such Lender to be an Affected Lender would cease to exist or the additional amounts which would otherwise be required to be paid to such Lender pursuant to Section 2.15, 2.16 or 2.17 would be materially reduced and if, as determined by such Lender in its sole discretion, the making, issuing, funding or maintaining of such DIP Loans through such other office or in accordance with such other measures, as the case may be, would not otherwise adversely affect such DIP Loans or the interests of such Lender; provided, such Lender will not be obligated to utilize such other office pursuant to this Section 2.18 unless each Borrower agrees to pay all incremental expenses incurred by such Lender as a result of utilizing such other office as described above. A certificate as to the amount of any such expenses payable by Borrowers pursuant to this Section 2.18 (setting forth in reasonable detail the basis for requesting such amount) submitted by such Lender to Borrowers (with a copy to Administrative Agent) shall be conclusive absent manifest error.

2.19 Defaulting Lenders. Anything contained herein to the contrary notwithstanding, in the event that any Lender, other than at the direction or request of any regulatory agency or authority, defaults (in each case, a “**Defaulting Lender**”) in its obligation to fund (a “**Funding Default**”) any DIP Loan (a “**Defaulted Loan**”), then (a) during any Default Period with respect to such Defaulting Lender, such Defaulting Lender shall be deemed not to be a “Lender” for purposes of voting on any matters (including the granting of any consents or waivers) with respect to any of the Credit Documents; (b) [reserved]; and (c) the DIP Loan Exposure of all Lenders as at any date of determination shall be calculated as if such Defaulting Lender had funded all Defaulted DIP Loans of such Defaulting Lender. No Commitment of any Lender shall be increased or otherwise affected, and, except as otherwise expressly provided in this Section 2.19, performance by each Borrower of its obligations hereunder and the other Credit Documents shall not be excused or otherwise modified as a result of any Funding Default or the operation of this Section 2.19. The rights and remedies against a Defaulting Lender under this Section 2.19 are in addition to other rights and remedies which Borrower may have against such Defaulting Lender with respect to any Funding Default and which Administrative Agent or any Lender may have against such Defaulting Lender with respect to any Funding Default.

2.20 Removal or Replacement of a Lender. Anything contained herein to the contrary notwithstanding, in the event that: (a) (i) any Lender (an “**Increased-Cost Lender**”) shall give notice to Borrowers that such Lender is an Affected Lender or is entitled to receive payments under Section 2.15, 2.16 or 2.17, (ii) the circumstances which have caused such Lender to be an Affected Lender or which entitle such Lender to receive such payments shall remain in effect, and (iii) such Lender shall fail to withdraw such notice within five Business

162

Days after Borrowers' request for such withdrawal; or (b) (i) any Lender shall become a Defaulting Lender, (ii) the Default Period for such Defaulting Lender shall remain in effect, and (iii) such Defaulting Lender shall fail to cure the default as a result of which it has become a Defaulting Lender within five Business Days after Borrower's request that it cure such default; or (c) in connection with any proposed amendment, modification, termination, waiver or consent with respect to any of the provisions hereof as contemplated by Section 10.5(b), the consent of Requisite Lenders shall have been obtained but the consent of one or more of such other Lenders (each a "Non-Consenting Lender") whose consent is required shall not have been obtained; then, with respect to each such Increased-Cost Lender, Defaulting Lender or Non-Consenting Lender (the "Terminated Lender"), Borrowers may, by giving written notice to the Administrative Agent and any Terminated Lender of their election to do so, elect to cause such Terminated Lender (and such Terminated Lender hereby irrevocably agrees) to assign its outstanding DIP Loans, if any, in full to one or more Eligible Assignees (each a "Replacement Lender") in accordance with the provisions of Section 10.6 and Borrowers shall pay or cause to be paid the fees, if any, payable thereunder in connection with any such assignment from an Increased Cost Lender or a Non-Consenting Lender and the Defaulting Lender shall pay the fees, if any, payable thereunder in connection with any such assignment from such Defaulting Lender; provided, (1) on the date of such assignment, the Replacement Lender shall pay to Terminated Lender an amount equal to the sum of (A) an amount equal to the principal of, and all accrued interest on, all outstanding DIP Loans of the Terminated Lender and (B) an amount equal to all accrued, but theretofore unpaid fees owing to such Terminated Lender pursuant to Section 2.8 (including, without limitation, all Exit Fees and Unused Line Fees) and all other amounts owing to such Terminated Lender pursuant to any other provision of any Credit Document; (2) on the date of such assignment, Borrowers shall pay any amounts payable to such Terminated Lender pursuant to Section 2.15, 2.16 or 2.17; or otherwise as if it were a prepayment and (3) in the event such Terminated Lender is a Non-Consenting Lender, each Replacement Lender shall consent, at the time of such assignment, to each matter in respect of which such Terminated Lender was a Non-Consenting Lender. Upon the prepayment of all amounts owing to any Terminated Lender and the termination of such Terminated Lender's Commitments, if any, such Terminated Lender shall no longer constitute a "Lender" for purposes hereof; provided, any rights of such Terminated Lender to indemnification hereunder shall survive as to such Terminated Lender.

2.21 Super-Priority Nature of Obligations and Lenders' Liens.

(a) The priority of any Agent's and Lenders' Liens on the Collateral shall be set forth in the DIP Order and the Canadian DIP Recognition Order.

(b) All Obligations shall constitute administrative expenses of the Credit Parties in the Cases, with administrative priority and senior secured status under Sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code. Subject to the Carve-Out and the Existing Priority Liens, such administrative claim shall have priority over all other costs and expenses of the kinds specified in, or ordered pursuant to, Sections 105, 326, 328, 330, 331, 503(b), 506(c) (subject to the entry of the DIP Order), 507(a), 507(b), 546(c) (subject to the entry of the DIP Order), 726, 1113, 1114 or Chapter 7 of the Bankruptcy Code or any other provision of the Bankruptcy Code or otherwise, and shall at all times be senior to the rights of the Credit Parties, the estates of the Credit Parties, and any successor trustee or estate representative in the

Cases, any Chapter 7 trustee, or any subsequent proceeding or case under the Bankruptcy Code or any Canadian Insolvency Law. The Liens granted to the Collateral Agent, for the benefit of the Secured Parties, on the Collateral owned by the Credit Parties, and the priorities accorded to the Obligations shall have the priority and senior secured status afforded by Sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code (all as more fully set forth in the DIP Order), and the Canadian Court (as more fully set forth in the Canadian DIP Recognition Order) senior to all claims and interests other than the Carve-Out, Existing Priority Liens and Permitted Senior Liens (to the extent provided for in the DIP Order and Canadian DIP Recognition Order).

(c) Any Agent's Liens on the Collateral owned by the Credit Parties and any Agent's and Lenders' respective administrative claims under Sections 364(c)(1), 364(c)(2) and 364(c)(3) of the Bankruptcy Code afforded the Obligations shall also have priority over any claims arising under Section 506(c) of the Bankruptcy Code subject and subordinate only to the Carve-Out and Existing Priority Liens. Except as set forth herein or in the DIP Order and the Canadian DIP Recognition Order, no other claim having a priority superior or pari passu to that granted to any of the Agents or Lenders by the DIP Order and the Canadian DIP Recognition Order shall be granted or approved while any Obligations under this Agreement remain outstanding. Except for the Carve Out, no costs or expenses of administration shall be imposed against any of the Agents or Lenders or any of the Collateral under Section 105 or 506(c) of the Bankruptcy Code, or otherwise, and each of the Credit Parties hereby waives for itself and on behalf of its estate in bankruptcy, any and all rights under Section 105 or 506(c), or otherwise, to assert or impose or seek to assert or impose, any such costs or expenses of administration against any of the Agent or the Lenders.

(d) To secure the DIP Loans, each of the Credit Parties hereby grants to the Collateral Agent, for the benefit of the Secured Parties, valid, enforceable, non-avoidable and fully perfected, first priority priming liens on and security interests in (collectively, the "Postpetition Liens") all of the real, personal and mixed property and assets of such Credit Party, all other property, assets and interests in property and assets of the Debtors (or any successor trustee or other estate representative in any Chapter 11 case or successor case) and all other "property of the estate" (within the meaning of the Bankruptcy Code) of such Credit Party (or any successor trustee or other estate representative in any Chapter 11 case or successor case), of any kind or nature whatsoever, real, personal or mixed, tangible or intangible now existing or hereafter acquired or created, including, without limitation, all accounts, inventory, goods, contracts, contract rights, investment property, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, all other intellectual property, general intangibles, payment intangibles, rights, interests, intercompany notes and obligations, tax or other refunds, insurance proceeds, letters of credit, letter-of-credit rights, supporting obligations, documents, titled vehicles, machinery and equipment, real property (including all facilities), fixtures, leases (and proceeds from the disposition thereof), all of the issued and outstanding Equity Interests entitled to vote (within the meaning of Treas. Reg. Section 1.956-2(c)(2)) and all of the issued and outstanding Equity Interests not entitled to vote (within the meaning of Treas. Reg. Section 1.956-2(c)(2)) of each Subsidiary of Borrowers (in either case, subject to any express limitations set forth herein), all of the Equity Interests of all other Persons that are not Subsidiaries directly owned by the Borrowers, money, investment property, deposit accounts, all commercial tort claims and other causes of action including proceeds or property recovered on account of claims or causes of action arising under chapter 5 of the Bankruptcy Code, if any, including any federal

or state fraudulent transfer law cause of action incorporated by section 544 of the Bankruptcy Code, cash collateral, and all cash and non-cash proceeds, rents, products, substitutions, accessions, and profits of any of the collateral described above. Any terms in this Section 2.21(d) used but not defined in this Agreement shall have the meanings ascribed to them by the UCC. The Collateral Agent acknowledges and agrees that it has only a security interest in, and not a present assignment of, any trademarks forming a part of the Collateral.

(e) To secure the Guaranteed Obligations of the Canadian Credit Parties, the Collateral Agent is hereby granted, for the benefit of the Secured Parties, valid, enforceable, non-avoidable and fully perfected, first priority priming liens on and security interests in all of the real, personal and mixed property and assets of the Canadian Credit Parties. In addition, such property and assets of the Canadian Credit Parties are hereby charged by way of hypothec to the extent of an aggregate amount of CDN \$75,000,000.00 and interest thereon at a rate of 25% per annum to secure the Guaranteed Obligations of the Canadian Credit Parties.

2.22 Payment of Obligations. Subject to Section 8.1 hereof, upon the maturity (whether by acceleration or otherwise) of any of the Obligations under this Agreement or any of the other Credit Documents, Lenders shall be entitled to immediate payment of such Obligations without further application to or order of the Bankruptcy Court or the Canadian Court.

2.23 Security Interests in Collateral. The Canadian DIP Charge secures the Guaranteed Obligations of the Canadian Credit Parties. Notwithstanding anything contained herein to the contrary, the security interest granted under the Canadian DIP Recognition Order or granted pursuant to Section 2.23 hereof, shall not include (a) any consumer goods or (b) the last day of tenancy under any lease of real property located in Canada.

2.24 No Discharge; Survival of Claims. The Credit Parties agree that (a) the Obligations hereunder shall not be discharged by (i) the entry of an order confirming a plan of reorganization in any Case (and Credit Parties pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waive any such discharge) or under Canadian Insolvency Law, (ii) converting any of the Cases to a chapter 7 case, (iii) dismissing any of the Cases, or (iv) terminating any of the proceedings under the CCAA in respect of any of the Canadian Credit Parties or the appointment of any monitor, trustee in bankruptcy, interim receiver, receiver or receiver-manager or similar officer or agent with respect to any of the Canadian Credit Parties and (b) the super-priority administrative claim granted to Agents and Lenders pursuant to the DIP Order and the Liens granted to the Collateral Agent pursuant to the DIP Order and the Canadian DIP Recognition Order shall not be affected in any manner by the entry of an order confirming a plan of reorganization in any Case or under Canadian Insolvency Law.

2.25 Waiver of any Priming Rights. Upon the Closing Date, and on behalf of themselves and their estates, and for so long as any Obligations shall be outstanding, each Credit Party hereby irrevocably waives any right, pursuant to Sections 364(c) or 364(d) of the Bankruptcy Code or otherwise, to grant any Lien of equal or greater priority than the Liens securing the Obligations, or to approve a claim of equal or greater priority than the Obligations, except as expressly permitted under the DIP Order.

2.26 Co-Borrowers.

165

(a) Joint and Several Liability. All Obligations of Borrowers under this Agreement and the other Credit Documents shall be joint and several Obligations of each Borrower. Anything contained in this Agreement and the other Credit Documents to the contrary notwithstanding, the Obligations of each Borrower hereunder, solely to the extent that such Borrower did not receive proceeds of DIP Loans from any borrowing hereunder, shall be limited to a maximum aggregate amount equal to the largest amount that would not render its Obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of the Bankruptcy Code, 11 U.S.C. § 548, or any applicable provisions of comparable state law (collectively, the “**Fraudulent Transfer Laws**”), in each case after giving effect to all other liabilities of such Borrower, contingent or otherwise, that are relevant under the Fraudulent Transfer Laws (specifically excluding, however, any liabilities of such Borrower in respect of intercompany Indebtedness to any other Credit Party or Affiliates of any other Credit Party to the extent that such Indebtedness would be discharged in an amount equal to the amount paid by such Credit Party hereunder) and after giving effect as assets to the value (as determined under the applicable provisions of the Fraudulent Transfer Laws) of any rights to subrogation or contribution of such Borrower pursuant to (i) applicable law or (ii) any agreement providing for an equitable allocation among such Borrower and other Affiliates of any Credit Party of Obligations arising under Guaranties by such parties.

(b) Subrogation. Until the Obligations (other than contingent indemnification obligations for which no claim has been made) shall have been paid in full in Cash, each Borrower shall withhold exercise of any right of subrogation, contribution or any other right to enforce any remedy which it now has or may hereafter have against any other Borrower or any other guarantor of the Obligations. Each Borrower further agrees that, to the extent the waiver of its rights of subrogation, contribution and remedies as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any such rights such Borrower may have against any other Borrower, any collateral or security or any such other guarantor, shall be junior and subordinate to any rights any Agent may have against such other Borrower, any such collateral or security, and any such other guarantor. Borrowers under this Agreement and the other Credit Documents together desire to allocate among themselves, in a fair and equitable manner, their Obligations arising under this Agreement and the other Credit Documents. Accordingly, in the event any payment or distribution is made on any date by any Borrower under this Agreement and the other Credit Documents (a “**Funding Borrower**”) that exceeds its Obligation Fair Share (as defined below) as of such date; that Funding Borrower shall be entitled to a contribution from each other Borrower in the amount of such other Borrowers’ Obligation Fair Share Shortfall (as defined below) as of such date, with the result that all such contributions will cause Borrowers’ Obligation Aggregate Payments (as defined below) to equal its Obligation Fair Share as of such date. “**Obligation Fair Share**” means, with respect to a Borrower as of any date of determination, an amount equal to (i) the ratio of (X) the Obligation Fair Share Contribution Amount (as defined below) with respect to such Borrower to (Y) the aggregate of the Obligation Fair Share Contribution Amounts with respect to all Borrowers, multiplied by (ii) the aggregate amount paid or distributed on or before such date by all Funding Borrowers under this Agreement and the other Credit Documents in respect of the Obligations guaranteed. “**Obligation Fair Share Shortfall**” means, with respect to a Borrower as of any date of determination, the excess, if any, of the Obligation Fair Share of such Borrower over the Obligation Aggregate Payments of such Borrower. “**Obligation Fair Share Contribution Amount**” means, with respect to a Borrower as of any date of determination, the maximum

1666

aggregate amount of the Obligations of such Borrower under this Agreement and the other Credit Documents that would not render its Obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any comparable applicable provisions of state law; provided that, solely for purposes of calculating the Obligation Fair Share Contribution Amount with respect to any Borrower for purposes of this Section 2.26, any assets or liabilities of such Credit Party arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or Obligations of contribution hereunder shall not be considered as assets or liabilities of such Borrower. **“Obligation Aggregate Payments”** means, with respect to a Borrower as of any date of determination, an amount equal to (i) the aggregate amount of all payments and distributions made on or before such date by such Borrower in respect of this Agreement and the other Credit Documents (including in respect of this Section 2.26) minus (ii) the aggregate amount of all payments received on or before such date by such Borrower from any other Borrower as contributions under this Section 2.26. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Borrower. The allocation among Borrowers of their Obligations as set forth in this Section 2.26 shall not be construed in any way to limit the liability of any Borrower hereunder or under any Credit Document.

(c) Representative of Borrowers. Systems hereby appoints Holdings as its agent, attorney-in-fact and representative for the purpose of (i) making any borrowing requests or other requests required under this Agreement, (ii) the giving and receipt of notices by and to Borrowers under this Agreement, (iii) the delivery of all documents, reports, financial statements and written materials required to be delivered by Borrowers under this Agreement, and (iv) all other purposes incidental to any of the foregoing. Systems agrees that any action taken by Holdings as the agent, attorney-in-fact and representative of Systems shall be binding upon Systems to the same extent as if directly taken by Systems.

(d) Allocation of DIP Loans. All DIP Loans shall be made to Holdings as borrower unless a different allocation of the DIP Loans as between Holdings and Systems with respect to any borrowing hereunder is included in the applicable Funding Notice.

2.27 Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from any Credit Party hereunder in the currency expressed to be payable herein (the “specified currency”) into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures Administrative Agent could purchase the specified currency with such other currency at Administrative Agent’s main office on the Business Day preceding that on which final, non appealable judgment is given. The obligations of each Credit Party in respect of any sum due to any Lender or Administrative Agent hereunder shall, notwithstanding any judgment in a currency other than the specified currency, be discharged only to the extent that on the Business Day following receipt by such Lender or Administrative Agent (as the case may be) of any sum adjudged to be so due in such other currency such Lender or Administrative Agent (as the case may be) may in accordance with normal, reasonable banking procedures purchase the specified currency with such other currency. If the amount of the specified currency so purchased is less than the sum originally due to such Lender or Administrative Agent, as the case may be, in the specified currency, each Credit Party

167

agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or Administrative Agent, as the case may be, against such loss, and if the amount of the specified currency so purchased exceeds (a) the sum originally due to any Lender or Administrative Agent, as the case may be, in the specified currency and (b) any amounts shared with other Lenders as a result of allocations of such excess as a disproportionate payment to such Lender under Section 2.15, such Lender or Administrative Agent, as the case may be, agrees to remit such excess to such Credit Party.

SECTION 3. CONDITIONS PRECEDENT

171

SECTION 4. REPRESENTATIONS AND WARRANTIES

No Credit Party's accounts or receivables are subject to any of the requirements or proceedings applicable to assignments of accounts under the Financial Administration Act (Canada) or any other similar law.

4.6 Binding Obligation. Each Credit Document has been duly executed and delivered by each Credit Party that is a party thereto and, subject to the entry of the DIP Order and the Canadian DIP Recognition Order by the Bankruptcy Court and the Canadian Court, respectively, is the legally valid and binding obligation of such Credit Party, enforceable against such Credit Party in accordance with its respective terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability.

4.8 Budget and Approved Cash Projections.

(a) Budget. On and as of the Closing Date, the Budget is based on good faith estimates and assumptions made by the management of Holdings; provided, the Budget is not to

4.14 Environmental Matters. Neither Holdings nor any of its Subsidiaries nor any of their respective Facilities or operations are subject to any outstanding written order, consent decree or settlement agreement with any Person relating to any Environmental Law, any Environmental Claim, or any Hazardous Materials Activity that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect. No event or condition has occurred or is occurring with respect to Holdings or any of its Subsidiaries relating to any Environmental Law, any Release of Hazardous Materials, or any Hazardous Materials Activity which individually or in the aggregate has had, or could reasonably be expected to have, a Material Adverse Effect.

175

4.15 No Defaults. Neither Holdings nor any of its Subsidiaries is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any of its Contractual Obligations other than as a result of the filing of the Cases (and any payment default directly related to such filing) or with respect to which a stay of exercise of remedies is in effect as a result of the filing of the Cases, and no condition exists which, with the giving of notice or the lapse of time or both, could constitute such a default, except where the consequences, direct or indirect, of such default or defaults, if any, could not reasonably be expected to have a Material Adverse Effect.

4.16 Material Contracts. Schedule 4.16 contains a true, correct and complete list of all the Material Contracts in effect on the Closing Date.

4.17 Governmental Regulation. Neither Holdings nor any of its Subsidiaries is subject to regulation under the Federal Power Act or the Investment Company Act of 1940 or a labor board of any other jurisdiction, statute or regulation which may limit its ability to incur Indebtedness or which may otherwise render all or any portion of the Obligations unenforceable. 6.21 Cash Projections.

(a) The Credit Parties shall not permit aggregate cash receipts of Holdings and its Subsidiaries actually received during the six week period ending as of the last day of each week occurring on and after June 7, 2013, to be less than 90% of the aggregate cash receipts projected to be received during such six-week period in the applicable Approved Cash Projections (the “Projected Cash Receipts”), provided that prior to the date that the Initial Approved Cash Projections cover such entire six week period, the portion of such Projected Cash Receipts not covered by the Initial Approved Cash Projections shall be calculated based on the most recent 13-week cash flow projections delivered pursuant to the Existing DIP Facility.

(b) The Credit Parties shall not permit aggregate cash outlays (excluding cash outlays for professional fees and deposits into the Professional Fee Reserve) of Holdings and its Subsidiaries actually made during the six week period ending as of the last day of each week occurring on and after June 7, 2013, to be more than 110% of the aggregate cash outlays (excluding cash outlays for professional fees and deposits into the Professional Fee Reserve) projected to be made during such six-week period in the applicable Approved Cash Projections (the “Projected Cash Outlays”), provided that prior to the date that the Initial Approved Cash Projections cover such entire six week period, the portion of such Projected Cash Outlays not covered by the Initial Approved Cash Projections shall be calculated based on the most recent 13-week cash flow projections delivered pursuant to the Existing DIP Facility.

(c) For the period commencing on June 3, 2013 and ending on December 31, 2013 (such period, the “**Liquidity Testing Period**”), the Liquidity as of the last day of each week shall not be less than the Liquidity projected for that day in the Approved Cash Projections by an amount that is greater than \$2,500,000. For purposes of this clause (c) “**Liquidity**” means, as of any date, the sum of (i) Cash and Cash Equivalents (excluding the Professional Fee Reserve) as of such date plus (ii) undrawn amounts under the Commitments as of such date. For purposes of clarification, the parties to this Agreement agree that Liquidity projections shall include Cash or Cash Equivalents held in accounts located in Mexico, but actual Liquidity shall not include Cash and Cash Equivalents held in accounts located in Mexico, due to the practical difficulties of reporting such Cash and Cash Equivalents.

198

(d) The parties to this Agreement agree that for any week ending during the Liquidity Testing Period, the Borrowers shall not be in default under this Section 6.21 unless both (i) the Borrowers are in default under Subsection 6.21(c); and (ii) the Borrowers are in default under either or both of Subsection 6.21(a) and/or Subsection 6.21(b).

SECTION 7. GUARANTY

7.1 Guaranty of the Obligations. Subject to the provisions of Section 7.2, Guarantors jointly and severally hereby irrevocably and unconditionally guaranty to Collateral Agent for the ratable benefit of the Beneficiaries the due and punctual payment in full of all Obligations when the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a) or under any other applicable bankruptcy, insolvency or similar law now or hereafter in effect) (collectively, the “**Guaranteed Obligations**”).

7.2 Contribution by Guarantors. All Guarantors desire to allocate among themselves (collectively, the “**Contributing Guarantors**”), in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor (a “**Funding Guarantor**”) under this Guaranty such that its Aggregate Payments exceeds its Fair Share as of such date, such Funding Guarantor shall be entitled to a contribution from each of the other Contributing Guarantors in an amount sufficient to cause each Contributing Guarantor’s Aggregate Payments to equal its Fair Share as of such date. “**Fair Share**” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (a) the ratio of (i) the Fair Share Contribution Amount with respect to such Contributing Guarantor to (ii) the aggregate of the Fair Share Contribution Amounts with respect to all Contributing Guarantors multiplied by (b) the aggregate amount paid or distributed on or before such date by all Funding Guarantors under this Guaranty in respect of the obligations Guaranteed. “**Fair Share Contribution Amount**” means, with respect to a Contributing Guarantor as of any date of determination, the maximum aggregate amount of the obligations of such Contributing Guarantor under this Guaranty that would not render its obligations hereunder or thereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or under any other applicable bankruptcy, insolvency or similar law now or hereafter in effect; provided, solely for purposes of calculating the “**Fair Share Contribution Amount**” with respect to any Contributing Guarantor for purposes of this Section 7.2, any assets or liabilities of such Contributing Guarantor arising by virtue of any rights to subrogation, reimbursement or indemnification or any rights to or obligations of contribution hereunder shall not be considered as assets or liabilities of such Contributing Guarantor. “**Aggregate Payments**” means, with respect to a Contributing Guarantor as of any date of determination, an amount equal to (1) the aggregate amount of all payments and distributions made on or before such date by such Contributing Guarantor in respect of this Guaranty (including in respect of this Section 7.2), minus (2) the aggregate amount of all payments received on or before such date by such Contributing Guarantor from the other Contributing Guarantors as contributions under this Section 7.2. The amounts payable as contributions hereunder shall be determined as of the date on which the related payment or distribution is made by the applicable Funding Guarantor. The allocation among Contributing Guarantors of their obligations as set forth in this Section 7.2 shall not be construed in any way

199

to limit the liability of any Contributing Guarantor hereunder. Each Guarantor is a third party beneficiary to the contribution agreement set forth in this Section 7.2.

7.3 Payment by Guarantors. Subject to Section 7.2, Guarantors hereby jointly and severally agree, in furtherance of the foregoing and not in limitation of any other right which any Beneficiary may have at law or in equity against any Guarantor by virtue hereof, that upon the failure of Borrowers to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a) or under any other applicable bankruptcy, insolvency or similar law now or hereafter in effect), Guarantors will upon demand pay, or cause to be paid, in Cash, to the Collateral Agent for the ratable benefit of Beneficiaries, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for Borrowers' becoming the subject of a case under the Bankruptcy Code, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against Borrowers for such interest in the related bankruptcy case) and all other Guaranteed Obligations then owed to Beneficiaries as aforesaid.

7.4 Liability of Guarantors Absolute. Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

(a) this Guaranty is a guaranty of payment when due and not of collectability. This Guaranty is a primary obligation of each Guarantor and not merely a contract of surety;

(b) the Collateral Agent may enforce this Guaranty upon the occurrence of an Event of Default notwithstanding the existence of any dispute between Borrowers and any Beneficiary with respect to the existence of such Event of Default;

(c) the obligations of each Guarantor hereunder are independent of the obligations of Borrowers and the obligations of any other guarantor (including any other Guarantor) of the obligations of Borrowers, and a separate action or actions may be brought and prosecuted against such Guarantor whether any or not any action is brought against Borrowers or any of such other guarantors and whether or not any Borrower is joined in any such action or actions;

(d) payment by any Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge any Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if the Collateral Agent is awarded a judgment in any suit brought to enforce any Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent

satisfied by such Guarantor, limit, affect, modify or abridge any other Guarantor's liability hereunder in respect of the Guaranteed Obligations;

(e) any Beneficiary, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person (including any other Guarantor) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Beneficiary in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Beneficiary may have against any such security, in each case as such Beneficiary in its discretion may determine consistent herewith or any applicable security agreement, including foreclosure on any such security pursuant to one or more judicial or nonjudicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement or subrogation or other right or remedy of any Guarantor against Borrowers or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under the Credit Documents; and

(f) this Guaranty and the obligations of Guarantors hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Credit Documents, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Credit Documents or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Credit Document or any agreement relating to such other guaranty or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Credit Documents or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of

indebtedness other than the Guaranteed Obligations, even though any Beneficiary might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Beneficiary's consent to the change, reorganization or termination of the corporate structure or existence of Holdings or any of its Subsidiaries and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) any defenses, set-offs or counterclaims which Borrowers may allege or assert against any Beneficiary in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

7.5 Waivers by Guarantors. Each Guarantor hereby waives, for the benefit of Beneficiaries: (a) any right to require any Beneficiary, as a condition of payment or performance by such Guarantor, to (i) proceed against Borrowers, any other guarantor (including any other Guarantor) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from Borrowers, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any Deposit Account or credit on the books of any Beneficiary in favor of Borrowers or any other Person, or (iv) pursue any other remedy in the power of any Beneficiary whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of Borrowers or any other Guarantor including any defense based on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of Borrowers or any other Guarantor from any cause other than payment in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Beneficiary's errors or omissions in the administration of the Guaranteed Obligations, except behavior which amounts to willful misconduct, gross negligence or bad faith; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recouplements and counterclaims, and (iv) promptness, diligence and any requirement that any Beneficiary protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to Borrowers and notices of any of the matters referred to in Section 7.4 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

7.6 Guarantors' Rights of Subrogation, Contribution, etc. Until the Guaranteed Obligations (other than contingent indemnification obligations for which no claim has been made) shall have been indefeasibly paid in full and the Commitments shall have terminated, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that

such Guarantor now has or may hereafter have against Borrowers or any other Guarantor or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against Borrowers with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Beneficiary now has or may hereafter have against Borrowers, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Beneficiary. In addition, until the Guaranteed Obligations (other than contingent indemnification obligations for which no claim has been made) shall have been indefeasibly paid in full and the Commitments shall have terminated, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other guarantor (including any other Guarantor) of the Guaranteed Obligations, including any such right of contribution as contemplated by Section 7.2. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against Borrowers or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights any Beneficiary may have against Borrowers, to all right, title and interest any Beneficiary may have in any such collateral or security, and to any right any Beneficiary may have against such other guarantor. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all Guaranteed Obligations (other than contingent indemnification obligations for which no claim has been made) shall not have been finally and indefeasibly paid in full, such amount shall be held in trust for the Collateral Agent on behalf of Beneficiaries and shall forthwith be paid over to the Collateral Agent for the benefit of Beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

7.7 Subordination of Other Obligations. Any Indebtedness of Borrowers or any Guarantor now or hereafter held by Borrowers or any Guarantor (the “**Obligee Credit Party**”) is hereby subordinated in right of payment to the Obligations, and any such Indebtedness collected or received by the Oblige Credit Party after an Event of Default has occurred and is continuing shall be held in trust for the Collateral Agent on behalf of Beneficiaries and shall forthwith be paid over to the Collateral Agent for the benefit of Beneficiaries to be credited and applied against the Obligations but without affecting, impairing or limiting in any manner the liability of the Oblige Credit Party under any other provision hereof.

7.8 Continuing Guaranty. This Guaranty is a continuing guaranty and shall remain in effect until all of the Guaranteed Obligations shall have been paid in full and the Commitments shall have terminated. Each Guarantor hereby irrevocably waives any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

7.9 Authority of Guarantors or Borrowers. It is not necessary for any Beneficiary to inquire into the capacity or powers of any Guarantor or any Borrower or the officers, directors or any agents acting or purporting to act on behalf of any of them.

7.10 Financial Condition of Borrowers. Any Credit Extension may be made to any Borrower or continued from time to time, without notice to or authorization from any Guarantor regardless of the financial or other condition of Borrowers at the time of any such grant or continuation. No Beneficiary shall have any obligation to disclose or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of Borrowers. Each Guarantor has adequate means to obtain information from Borrowers on a continuing basis concerning the financial condition of any Borrower and their ability to perform its obligations under the Credit Documents, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of Borrowers and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Beneficiary to disclose any matter, fact or thing relating to the business, operations or conditions of Borrowers now known or hereafter known by any Beneficiary.

7.11 Bankruptcy, etc.

(a) So long as any Guaranteed Obligations (other than contingent indemnification obligations for which no claim has been made) remain outstanding, no Guarantor shall, without the prior written consent of the Collateral Agent acting pursuant to the instructions of Requisite Lenders, commence or join with any other Person in commencing any bankruptcy, reorganization or insolvency case or proceeding of or against Borrowers or any other Guarantor. The obligations of Guarantors hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any case or proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization, liquidation or arrangement of Borrowers or any other Guarantor or by any defense which Borrowers or any other Guarantor may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.

(b) Each Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any case or proceeding referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such case or proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of Guarantors and Beneficiaries that the Guaranteed Obligations which are guaranteed by Guarantors pursuant hereto should be determined without regard to any rule of law or order which may relieve Borrowers of any portion of such Guaranteed Obligations. Guarantors will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar Person to pay Agents, or allow the claim of Agents in respect of, any such interest accruing after the date on which such case or proceeding is commenced.

(c) In the event that all or any portion of the Guaranteed Obligations are paid by Borrowers, the obligations of Guarantors hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Beneficiary as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

7.12 Interest Act. Each interest rate which is calculated under this Agreement on any basis other than the actual number of days in a calendar year (the “deemed interest period”) is, for the purposes of the *Interest Act* (Canada), equivalent to a yearly rate calculated by dividing such interest rate by the number of days in the deemed interest period, then multiplying such result by the actual number of days in the calendar year (365 or 366).

7.13 Criminal Rate of Interest. In no event shall the aggregate “interest” (as defined in Section 347 (the “Criminal Code Section”) of the *Criminal Code* (Canada)), payable to the Agents or the Lenders under this Agreement or any other Credit Document exceed the effective annual rate of interest lawfully permitted under the Criminal Code Section on the “credit advanced” (as defined in such section) under this Agreement or any other Credit Document. Further, if any payment, collection or demand pursuant to this Agreement or any other Credit Document in respect of such “interest” is determined to be contrary to the provisions of the Criminal Code Section, such payment, collection, or demand shall be deemed to have been made by mutual mistake of the Agents or the Lenders and the Borrowers and such “interest” shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by the Criminal Code Section so result in a receipt by the Agents or the Lenders of interest at a rate not in contravention of the Criminal Code Section, such adjustment to be effected, to the extent necessary, as follows:

(a) firstly, by reducing the amounts or rates of interest required to be paid to the Agents or the Lenders; and

(b) then, by reducing any fees, charges, expenses and other amounts required to be paid to the Agents or the Lenders which would constitute “interest”.

Notwithstanding the above, and after giving effect to all such adjustments, if the Agents or the Lenders shall have received an amount in excess of the maximum permitted by the Criminal Code Section, then the Borrowers shall be entitled, by notice in writing to the Agents and the Lenders, to obtain reimbursement from the Agents or the Lenders in an amount equal to such excess.

7.14 Deemed Reinvestment Principle. With respect to the Canadian Credit Parties only, the deemed reinvestment principle shall not apply. This clause is not intended to and shall otherwise have no effect on the interest rate calculation methodology inherent in Section 2.5 hereof, which methodology is intended to reflect standard practice in the United States.

SECTION 8. EVENTS OF DEFAULT; CARVE-OUT EVENT

8.1 Events of Default. If any one or more of the following conditions or events shall occur:

(a) Failure to Make Payments When Due. Failure by Borrowers to pay (i) when due any principal of any DIP Loan, whether at stated maturity, by acceleration, by notice of voluntary prepayment, by mandatory prepayment or otherwise or (ii) any interest on any DIP Loan or any fee or any other amount due hereunder within three Business Days after the date due; or

(i) Failure of any Credit Party or any of their respective Subsidiaries to pay when due any principal of or interest on or any other amount payable in respect of one or more items of Indebtedness (other than Indebtedness incurred prior to the commencement of the Cases) with an aggregate principal amount of \$7,500,000 or more, in each case beyond the grace period, if any, provided therefor; or (ii) breach or default by any Credit Party with respect to one or more items of Indebtedness in the aggregate principal amount referred to in clause (i) above, in each case beyond the grace period, if any, provided therefor, if the effect of such breach or default is to cause, or to permit the holder or holders of that Indebtedness (or a trustee on behalf of such holder or holders), to cause, that Indebtedness to become or be declared due and payable (or redeemable) prior to its stated maturity or the stated maturity of any underlying obligation, as the case may be; or

Any agent or lender under any of the Existing Credit Facilities shall bring a motion or take any other action without further order of the Bankruptcy Court or the Canadian Court to foreclose or otherwise seek to enforce or exercise remedies with respect to any Collateral that is subject to any of the Liens described in this Agreement and the Debtors shall not file and diligently pursue an objection against such motion or bring and diligently pursue an action for violation of the automatic stay related to such other action, as applicable, within five (5) Business Days of the bringing of such motion or taking of such other action, as applicable, by the agent or lenders under the Existing Credit Facilities; or

Each Credit Party acknowledges that certain of the Collateral may now or in the future consist of shares or other Equity Interests ("**ULC Shares**") of an issuer that is an unlimited company, unlimited liability company or unlimited liability corporation (a "**ULC**"), and that it is the intention of any Agent and each Credit Party that neither Agent nor any of its successors and assigns (an "**ULC Beneficiary**" and collectively, the "**ULC Beneficiaries**") should under any circumstances prior to realization thereon be held to be a "member" or a "shareholder", as applicable, of a ULC for the purposes of the *Companies Act* (Nova Scotia), the *Business Corporations Act* (Alberta), the *Business Corporations Act* (British Columbia) and any other present or future laws governing ULCs ("**ULC Laws**"). Therefore, notwithstanding any provisions to the contrary contained in this Agreement or any other Credit Document, where a Credit Party has granted a security interest hereunder in any ULC Shares, the Credit Party will remain the sole registered and beneficial owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of an Agent, any other ULC Beneficiary or any other Person on the books and records of the applicable ULC. Accordingly, the Credit Party shall be entitled to receive and retain for its own account any dividend on or other distribution, if any, in respect of such ULC Shares (except for any dividend or distribution comprised of

pledged Collateral of the Credit Party, which is required to be delivered to the Collateral Agent to hold as Collateral hereunder) and shall have the right to vote such ULC Shares and to control the direction, management and policies of the applicable ULC to the same extent as the Credit Party would if such ULC Shares were not pledged to the Collateral Agent pursuant hereto. Nothing in this Agreement or any other Credit Document is intended to, and nothing in this Agreement or any other Credit Document shall, constitute any Agent, any other ULC Beneficiary or any other Person other than the Credit Party, a member or shareholder of a ULC for the purposes of any ULC Laws (whether listed or unlisted, registered or beneficial), until such time as notice is given to the Credit Party and further steps are taken pursuant hereto or thereto so as to register an Agent, any other ULC Beneficiary or such other Person, as specified in such notice, as the holder of the ULC Shares. To the extent any provision hereof would have the effect of constituting any Agent, any other ULC Beneficiary or any other Person as a member or a shareholder, as applicable, of any ULC prior to such time, such provision shall be severed herefrom and shall be ineffective with respect to ULC Shares which are pledged Collateral of the Credit Party without otherwise invalidating or rendering unenforceable this Agreement or invalidating or rendering unenforceable such provision insofar as it relates to pledged Collateral of a Credit Party which is not ULC Shares. Except upon the exercise of rights of an Agent to sell, transfer, otherwise dispose of or foreclose on the ULC Shares in accordance with this Agreement, a Credit Party shall not cause or permit, or enable an issuer of pledged Collateral that is a ULC to cause or permit, any Agent, any other ULC Beneficiary or any other Person to: (a) be registered as a shareholder or member of such issuer; (b) have any notation entered in its favour in the share register of such issuer; (c) be held out as a shareholder or member of such issuer; (d) receive, directly or indirectly, any dividends, property or other distributions from such issuer by reason of Agent's holding the security interests over the ULC Shares; or (e) act as a shareholder of such issuer, or exercise any rights of a shareholder including the right to attend a meeting of shareholders of such issuer or to vote the ULC Shares of such issuer.

8.2 Carve-Out Events. Upon the delivery of the Termination Notice to the Credit Parties, the right of the Credit Parties to pay professional fees outside the Carve-Out shall terminate (a "Carve-Out Event"), and, upon such occurrence, the Credit Parties, after receipt of the Termination Notice from the Agents, shall provide immediate notice by facsimile to all professionals informing them that a Carve-Out Event has occurred and further advising them that the Credit Parties' ability to pay professionals is subject to and limited by the Carve-Out and the DIP Order. From and after the date of the Termination Notice, amounts withdrawn from the Professional Fee Reserve may only be applied to pay fees covered by the Carve-Out.

Section 9.7, the provisions of this Section 9 are solely for the benefit of Agents and Lenders and no Credit Party shall have any rights as a third party beneficiary of any of the provisions thereof. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Holdings or any of its Subsidiaries.

(b) For the purpose of holding any security granted by any Credit Party pursuant to the laws of the Province of Quebec to secure payment of any debenture issued by any Credit Party, the Collateral Agent is hereby appointed to act as the person holding the power of attorney (fondé de pouvoir) pursuant to article 2692 of the Civil Code of Quebec to act on behalf of each of the debentureholders, initially Spectrum Commercial Finance LLC in its capacity as Collateral Agent for the Secured Parties. The Collateral Agent agrees to act in such capacity. Each party hereto agrees that, notwithstanding Section 32 of An Act respecting the special powers of legal persons (Quebec), the Collateral Agent, as fondé de pouvoir, shall also be entitled to act as a debentureholder and to acquire and/or be the pledgee of any debentures or other titles of indebtedness to be issued under any deed of hypothec executed by or on behalf of any Credit Party.

9.2 Powers and Duties. Each Lender irrevocably authorizes each Agent to take such action on such Lender’s behalf and to exercise such powers, rights and remedies hereunder and under the other Credit Documents as are specifically delegated or granted to such Agent by the terms hereof and thereof, together with such powers, rights and remedies as are reasonably incidental thereto. Each Agent shall have only those duties and responsibilities that are expressly specified herein and the other Credit Documents. Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. Agents shall not have, by reason hereof or any of the other Credit Documents, a fiduciary relationship in respect of any Lender; and nothing herein or any of the other Credit Documents, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect hereof or any of the other Credit Documents except as expressly set forth herein or therein.

9.3 General Immunity.

(a) No Responsibility for Certain Matters. No Agent shall be responsible to any Lender for the execution, effectiveness, genuineness, validity, enforceability, collectability or sufficiency hereof or any other Credit Document or for any representations, warranties, recitals or statements made herein or therein or made in any written or oral statements or in any financial or other statements, instruments, reports or certificates or any other documents furnished or made by any Agent to Lenders or by or on behalf of any Credit Party or any Lender in connection with the Credit Documents and the transactions contemplated thereby or for the financial condition or business affairs of any Credit Party or any other Person liable for the payment of any Obligations, nor shall any Agent be required to ascertain or inquire as to the performance or observance of any of the terms, conditions, provisions, covenants or agreements contained in any of the Credit Documents or as to the use of the proceeds of the DIP Loans or as to the existence or possible existence of any Event of Default or Default or to make any

disclosures with respect to the foregoing. Anything contained herein to the contrary notwithstanding, no Agent shall have any liability arising from confirmations of the amount of outstanding DIP Loans or the component amounts thereof.

(b) Exculpatory Provisions. No Agent, nor any of its officers, partners, directors, employees or agents, shall be liable to Lenders for any action taken or omitted by any Agent under or in connection with any of the Credit Documents except to the extent caused by such Agent's gross negligence or willful misconduct as determined by a final, non-appealable judgment of a court of competent jurisdiction. Each Agent shall be entitled to refrain from any act or the taking of any action (including the failure to take an action) in connection herewith or any of the other Credit Documents or from the exercise of any power, discretion or authority vested in it hereunder or thereunder unless and until such Agent shall have received instructions in respect thereof from Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 10.5) and, upon receipt of such instructions from Requisite Lenders (or such other Lenders, as the case may be), such Agent shall be entitled to act or (where so instructed) refrain from acting, or to exercise such power, discretion or authority, in accordance with such instructions. Without prejudice to the generality of the foregoing, (i) each Agent shall be entitled to rely, and shall be fully protected in relying, upon any communication, instrument or document believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons and shall be entitled to rely and shall be protected in relying on opinions and judgments of attorneys (who may be attorneys for Holdings and its Subsidiaries), accountants, experts and other professional advisors selected by it; and (ii) no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or (where so instructed) refraining from acting hereunder or any of the other Credit Documents in accordance with the instructions of Requisite Lenders (or such other Lenders as may be required to give such instructions under Section 10.5).

(c) Delegation of Duties. Each Agent may perform any and all of its duties and exercise its rights and powers under this Agreement or under any other Credit Document by or through any one or more sub-agents appointed by such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Affiliates. The exculpatory, indemnification and other provisions of this Section 9.3 and of Section 9.6 shall apply to any of the Affiliates of an Agent and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as an Agent. All of the rights, benefits, and privileges (including the exculpatory and indemnification provisions) of this Section 9.3 and of Section 9.6 shall apply to any such sub-agent and to the Affiliates of any such sub-agent, and shall apply to their respective activities as sub-agent as if such sub-agent and Affiliates were named herein. Notwithstanding anything herein to the contrary, with respect to each sub-agent appointed by an Agent, (i) such sub-agent shall be a third party beneficiary under this Agreement with respect to all such rights, benefits and privileges (including exculpatory rights and rights to indemnification) and shall have all of the rights and benefits of a third party beneficiary, including an independent right of action to enforce such rights, benefits and privileges (including exculpatory rights and rights to indemnification) directly, without the consent or joinder of any other Person, against any or all of the Credit Parties and the Lenders, (ii) such rights, benefits and privileges (including exculpatory rights and rights to indemnification) shall not be modified or amended without the consent of such sub-agent, and (iii) such sub-agent shall only have obligations to such Agent and not to any

Credit Party, Lender or any other Person and no Credit Party, Lender or any other Person shall have any rights, directly or indirectly, as a third party beneficiary or otherwise, against such sub-agent.

9.4 Agents Entitled to Act as Lender. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. With respect to its participation in the DIP Loans, each Agent shall have the same rights and powers hereunder as any other Lender and may exercise the same as if it were not performing the duties and functions delegated to it hereunder, and the term "Lender" shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity. Any Agent and its Affiliates may accept deposits from, lend money to, own securities of, and generally engage in any kind of banking, trust, financial advisory or other business with Holdings or any of its Affiliates as if it were not performing the duties specified herein, and may accept fees and other consideration from Borrowers for services in connection herewith and otherwise without having to account for the same to Lenders.

9.5 Lenders' Representations, Warranties and Acknowledgment.

(a) Each Lender represents and warrants that it has made its own independent investigation of the financial condition and affairs of Holdings and its Subsidiaries in connection with Credit Extensions hereunder and that it has made and shall continue to make its own appraisal of the creditworthiness of Holdings and its Subsidiaries. No Agent shall have any duty or responsibility, either initially or on a continuing basis, to make any such investigation or any such appraisal on behalf of Lenders or to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the DIP Loans or at any time or times thereafter, and no Agent shall have any responsibility with respect to the accuracy of or the completeness of any information provided to Lenders.

(b) Each Lender, by delivering its signature page to this Agreement or an Assignment Agreement, shall be deemed to have acknowledged receipt of, and consented to and approved, each Credit Document and each other document required to be approved by any Agent, Requisite Lenders or Lenders, as applicable on the Closing Date.

9.6 Right to Indemnity. Each Lender, in proportion to its Pro Rata Share, severally agrees to indemnify each Agent and its officers, partners, members, directors, trustees, advisors, employees, agents, sub agents and Affiliates, to the extent that such Agent shall not have been reimbursed by any Credit Party, for and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses (including counsel fees and disbursements) or disbursements of any kind or nature whatsoever which may be imposed on, incurred by or asserted against such Agent in exercising its powers, rights and remedies or performing its duties hereunder or under the other Credit Documents or otherwise in its capacity as Agent in any way relating to or arising out of this Agreement or the other Credit Documents; provided, no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from an Agent's gross negligence or willful misconduct as determined by a final, non-appealable judgment of a court of competent jurisdiction. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may

call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's Pro Rata Share thereof; and provided further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement described in the proviso in the immediately preceding sentence.

9.7 Successor Agent. Any Agent may resign at any time by giving thirty days' prior written notice thereof to Lenders and Borrowers. Upon any such notice of resignation, Requisite Lenders shall have the right, with the consent of Borrowers (such consent (x) not to be unreasonably withheld or delayed and (y) not required if an Event of Default has occurred and is continuing), to appoint a successor Agent. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, that successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent and the retiring Agent shall promptly (i) transfer to such successor Agent all sums, Securities and other items of Collateral held under the Collateral Documents, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Agent under the Credit Documents, and (ii) execute and deliver to such successor Agent such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Agent of the security interests created under the Collateral Documents, whereupon such retiring Agent shall be discharged from its duties and obligations hereunder. If the Requisite Lenders have not appointed a successor Agent within 30 days after the retiring Agent gives notice of its resignation (or such earlier day as shall be agreed by the Requisite Lenders), such retiring Agent shall have the right to appoint a financial institution to act as Agent hereunder and in any case, Agent's resignation shall become effective on the thirtieth day after such notice of resignation. If neither the Requisite Lenders nor such retiring Agent have appointed a successor Agent, the Requisite Lenders shall be deemed to succeed to and become vested with all the rights, powers, privileges and duties of the retiring Agent; provided that, until a successor Agent is so appointed by the Requisite Lenders or retiring Agent, any Agent, by notice to Borrowers and the Requisite Lenders, may retain its role as Agent under any Collateral Document. After any retiring Agent's resignation hereunder as Agent, the provisions of this Section 9 and Section 10.3 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent hereunder. Any successor Agent appointed pursuant to this Section shall, upon its acceptance of such appointment, become a successor Agent and an Agent for all purposes hereunder. Notwithstanding anything herein to the contrary, in the event of any resignation by Black Diamond Commercial Finance, L.L.C. or Spectrum Commercial Finance, LLC or their successor as Agent (each, a "Resigning Agent"), such resignation shall become effective as set forth above.

9.8 Collateral Documents and Guaranty.

(a) Agents under Collateral Documents and Guaranty. Each Secured Party hereby further authorizes the Collateral Agent, on behalf of and for the benefit of Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Guaranty, the Collateral and the Collateral Documents. Subject to Section 10.5, without further written consent or authorization from any Secured Party, the Collateral Agent may execute any

(b) Right to Realize on Collateral and Enforce Guaranty. Anything contained in any of the Credit Documents to the contrary notwithstanding, Borrowers, Collateral Agent, and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guaranty, it being understood and agreed that all powers, rights and remedies hereunder may be exercised solely by Collateral Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights and remedies under the Collateral Documents may be exercised solely by Collateral Agent, and (ii) in the event of a foreclosure by Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, an Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and Collateral Agent, as agent for and representative of Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Requisite Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by Collateral Agent at such sale or other disposition.

10.2 Expenses. Whether or not the transactions contemplated hereby shall be consummated, each Borrower agrees to pay promptly (a) all the actual and reasonable costs and expenses of Agents for the preparation, negotiation, execution and administration of the Credit Documents and the transactions contemplated thereby and any consents, amendments, waivers or other modifications thereto; (b) all the costs of furnishing all opinions by counsel for Borrowers and the other Credit Parties; (c) the reasonable fees, expenses and disbursements of counsel to Agents (in each case including reasonable allocated costs of internal counsel) in connection with the negotiation, preparation, execution and administration of the Credit Documents and any

consents, amendments, waivers or other modifications thereto and any other documents or matters requested by Borrowers; (d) the fees, expenses and disbursements of any financial advisor retained by the Agents; (e) all the actual costs and reasonable expenses of creating, perfecting and recording Liens in favor of Agents, for the benefit of the Secured Parties, including filing and recording fees, expenses and taxes, stamp or documentary taxes, search fees, title insurance premiums and reasonable fees, expenses and disbursements of counsel to Agents and of counsel providing any opinions that Agents or Requisite Lenders may reasonably request in respect of the Collateral or the Liens created pursuant to the Collateral Documents; (f) all the actual costs and reasonable fees, expenses and disbursements of any auditors, accountants, consultants or appraisers; (g) all the actual costs and reasonable expenses (including the reasonable fees, expenses and disbursements of any appraisers, consultants, advisors and agents employed or retained by Agent and its counsel) in connection with the custody or preservation of any of the Collateral; (h) all other actual and reasonable costs and expenses incurred by Agents in connection with the syndication of the DIP Loans and Commitments and the negotiation, preparation and execution of the Credit Documents and any consents, amendments, waivers or other modifications thereto and the transactions contemplated thereby; and (i) after the occurrence of a Default or an Event of Default, all reasonable costs and expenses, including reasonable attorneys' fees (including reasonable allocated costs of internal counsel) and reasonable costs of settlement, incurred by Agents and Lenders in enforcing any Obligations of or in collecting any payments due from any Credit Party hereunder or under the other Credit Documents by reason of such Default or Event of Default (including in connection with the sale, lease or license of, collection from, or other realization upon any of the Collateral or the enforcement of the Guaranty) or in connection with any refinancing or restructuring of the credit arrangements provided hereunder in the nature of a "work-out" or pursuant to any insolvency or bankruptcy cases or proceedings.

10.3 Indemnity.

(a) In addition to the payment of expenses pursuant to Section 10.2, whether or not the transactions contemplated hereby shall be consummated, each Credit Party agrees to defend (subject to Indemnitees' selection of counsel (which shall be reasonably acceptable to Borrowers)), indemnify, pay and hold harmless, each Agent and Lender and the officers, partners, members, directors, trustees, advisors, employees, agents, sub-agents and Affiliates of each Agent and each Lender (each, an "**Indemnitee**"), from and against any and all Indemnified Liabilities; provided, no Credit Party shall have any obligation to any Indemnitee hereunder with respect to any Indemnified Liabilities to the extent such Indemnified Liabilities arise from the gross negligence or willful misconduct of that Indemnitee. To the extent that the undertakings to defend, indemnify, pay and hold harmless set forth in this Section 10.3 may be unenforceable in whole or in part because they are violative of any law or public policy, the applicable Credit Party shall contribute the maximum portion that it is permitted to pay and satisfy under applicable law to the payment and satisfaction of all Indemnified Liabilities incurred by Indemnitees or any of them.

(b) To the extent permitted by applicable law, no Credit Party shall assert, and each Credit Party hereby waives, any claim against each Lender, each Agent and their respective Affiliates, directors, employees, attorneys, agents or sub-agents, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages)

(whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, arising out of, as a result of, or in any way related to, this Agreement or any Credit Document or any agreement or instrument contemplated hereby or thereby or referred to herein or therein, the transactions contemplated hereby or thereby, any DIP Loan or the use of the proceeds thereof or any act or omission or event occurring in connection therewith, and each Credit Party hereby waives, releases and agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor.

10.4 Set-Off. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, upon the occurrence of any Event of Default each Lender is hereby authorized, in each case notwithstanding the provisions of Section 362 of the Bankruptcy Code, and without any application, motion or notice to, hearing before, or order from, the Bankruptcy Court, by each Credit Party at any time or from time to time subject to the consent of an Agent (such consent not to be unreasonably withheld or delayed), without notice to any Credit Party or to any other Person (other than Agents), any such notice being hereby expressly waived, to set off and to appropriate and to apply any and all deposits (general or special, including Indebtedness evidenced by certificates of deposit, whether matured or unmatured, but not including trust accounts) and any other Indebtedness at any time held or owing by such Lender to or for the credit or the account of any Credit Party against and on account of the obligations and liabilities of any Credit Party to such Lender hereunder, irrespective of whether or not (a) such Lender shall have made any demand hereunder or (b) the principal of or the interest on the DIP Loans or any other amounts due hereunder shall have become due and payable pursuant to Section 2 and although such obligations and liabilities, or any of them, may be contingent or unmatured.

10.5 Amendments and Waivers.

(a) Requisite Lenders' Consent. Subject to the additional requirements of Sections 10.5(b) and 10.5(c), no amendment, modification, termination or waiver of any provision of the Credit Documents, or consent to any departure by any Credit Party therefrom, shall in any event be effective without the written concurrence of the Requisite Lenders; provided that either Agent may, with the consent of each Borrower only, amend, modify or supplement this Agreement to cure any ambiguity, omission, defect or inconsistency, so long as such amendment, modification or supplement does not adversely affect the rights of any Lender.

(b) Affected Lenders' Consent. Without the written consent of each Lender (other than a Defaulting Lender) that would be affected thereby, no amendment, modification, termination, or consent shall be effective if the effect thereof would:

- (i) extend the scheduled final maturity of any DIP Loan or Note;
- (ii) waive, reduce or postpone any scheduled repayment (but not prepayment);

(iii) reduce the rate of interest on any DIP Loan (other than any waiver of any increase in the interest rate applicable to any DIP Loan pursuant to Section 2.7) or any fee or any premium payable hereunder;

(iv) extend the time for payment of any such interest or fees;

(v) reduce the principal amount of any DIP Loan;

(vi) amend, modify, terminate or waive any provision of Section 2.10, this Section 10.5(b), Section 10.5(c) or any other provision of this Agreement that expressly provides that the consent of all Lenders is required;

(vii) amend the definition of “**Requisite Lenders**” or “**Pro Rata Share**”;

(viii) release all or substantially all of the Collateral or all or substantially all of the Guarantors from the Guaranty except as expressly provided in the Credit Documents; or

(ix) consent to the assignment or transfer by any Credit Party of any of its rights and obligations under any Credit Document.

(c) Other Consents. No amendment, modification, termination or waiver of any provision of the Credit Documents, or consent to any departure by any Credit Party therefrom, shall:

(i) increase any Commitment of any Lender over the amount thereof then in effect without the consent of such Lender; provided, no amendment, modification or waiver of any condition precedent, covenant, Default or Event of Default shall constitute an increase in any Commitment of any Lender;

(ii) amend, modify, terminate or waive any provision of Section 9 as the same applies to any Agent, or any other provision hereof as the same applies to the rights or obligations of any Agent, in each case without the consent of such Agent; or

(iii) amend, modify, terminate or waive any provision of Section 2.21, 4.24, 6.15, or 6.21, without the written consent of each Lender.

(d) Execution of Amendments, etc. The Agents may, but shall have no obligation to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given. No notice to or demand on any Credit Party in any case shall entitle any Credit Party to any other or further notice or demand in similar or other circumstances. Any amendment, modification, termination, waiver or consent effected in accordance with this Section 10.5 shall be binding upon each Lender at the time outstanding, each future Lender and, if signed by a Credit Party, on such Credit Party. In addition, the Agents may, with the consent of Borrowers, amend, modify, supplement or execute a restatement of this Agreement (i) to cure any typographical error, defect or inconsistency or (ii)

to reflect the terms of this Agreement; provided that any such amendment, modification or supplement shall not adversely affect any Lender in any material respect.

10.6 Successors and Assigns; Participations.

(a) Generally. This Agreement shall be binding upon the parties hereto and their respective successors and assigns and shall inure to the benefit of the parties hereto and the successors and assigns of Lenders. No Credit Party’s rights or obligations hereunder nor any interest therein may be assigned or delegated by any Credit Party without the prior written consent of all Lenders. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, Affiliates of the Agents and Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Register. The Borrowers, Agents and Lenders shall deem and treat the Persons listed as Lenders in the Register as the holders and owners of the corresponding Commitments and DIP Loans listed therein for all purposes hereof, and no assignment or transfer of any such Commitment or DIP Loan shall be effective, in each case, unless and until recorded in the Register following receipt of an Assignment Agreement effecting the assignment or transfer thereof, in each case, as provided in Section 10.6(d); provided, however, any Assignment Agreement that is not recorded in the Register within the time period required by the following sentence shall be deemed effective and recorded in the Register and the assignee thereof shall be deemed a Lender for all purposes under this Agreement in each case at the end of such time period. Each assignment shall be recorded in the Register on the Business Day the Assignment Agreement is received by the Administrative Agent, if received by 12:00 noon New York City time, and on the following Business Day if received after such time, prompt notice thereof shall be provided to the Borrowers and a copy of such Assignment Agreement shall be maintained, as applicable. The date of such recordation of a transfer shall be referred to herein as the “Assignment Effective Date.” Any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is listed in the Register as a Lender shall be conclusive and binding on any subsequent holder, assignee or transferee of the corresponding Commitments or DIP Loans.

(c) Right to Assign. Each Lender shall have the right at any time to sell, assign or transfer all or a portion of its rights and obligations under this Agreement, including all or a portion of its Commitment or DIP Loans owing to it or other Obligations (provided, however, that pro rata assignments shall not be required and each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable DIP Loan and any related Commitments):

(i) to any Person meeting the criteria of clause (i) of the definition of the term of “Eligible Assignee” upon the giving of notice to Borrowers and the Administrative Agent; and

(ii) to any Person meeting the criteria of clause (ii) of the definition of the term of “Eligible Assignee” upon giving of notice to Borrowers and the Administrative Agent; provided, further each such assignment pursuant to this Section

10.6(c)(ii) shall be in an aggregate amount of not less than \$1,000,000 (or such lesser amount as may be agreed to by Borrowers and the Administrative Agent or as shall constitute the aggregate amount of the DIP Loans of the assigning Lender) with respect to the assignment of DIP Loans. Assignments by Related Funds shall be aggregated for purposes of determining compliance with such minimum assignment amounts.

(d) Mechanics. Assignments and assumptions of DIP Loans and Commitments shall only be effected by manual execution and delivery to the Administrative Agent of an Assignment Agreement. Assignments shall be effective as of the Assignment Effective Date. In connection with all assignments there shall be delivered to the Administrative Agent such forms, certificates or other evidence, if any, with respect to United States federal income tax withholding matters as the assignee under such Assignment Agreement may be required to deliver pursuant to Section 2.17(c).

(e) Representations and Warranties of Assignee. Each Lender, upon execution and delivery hereof or upon succeeding to an interest in the Commitments and DIP Loans, as the case may be, represents and warrants as of the Closing Date or as of the Assignment Effective Date that (i) it is an Eligible Assignee; (ii) it has experience and expertise in the making of or investing in commitments or loans such as the applicable Commitments or DIP Loans, as the case may be; and (iii) it will make or invest in, as the case may be, its Commitments or DIP Loans for its own account in the ordinary course and without a view to distribution of such Commitments or DIP Loans within the meaning of the Securities Act or the Exchange Act or other federal securities laws (it being understood that, subject to the provisions of this Section 10.6, the disposition of such Commitments or DIP Loans or any interests therein shall at all times remain within its exclusive control).

(f) Effect of Assignment. Subject to the terms and conditions of this Section 10.6, as of the Assignment Effective Date with respect to any Assignment Agreement (i) the assignee thereunder shall have the rights and obligations of a “Lender” hereunder to the extent of its interest in the DIP Loans and Commitments as reflected in the Register and shall thereafter be a party hereto and a “Lender” for all purposes hereof; (ii) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned to the assignee, relinquish its rights (other than any rights which survive the termination hereof under Section 10.8) and be released from its obligations hereunder (and, in the case of an assignment covering all or the remaining portion of an assigning Lender’s rights and obligations hereunder, such Lender shall cease to be a party hereto on such Assignment Effective Date; provided, anything contained in any of the Credit Documents to the contrary notwithstanding, such assigning Lender shall continue to be entitled to the benefit of all indemnities hereunder as specified herein with respect to matters arising out of the prior involvement of such assigning Lender as a Lender hereunder); (iii) the Commitments shall be modified to reflect any Commitment of such assignee and any Commitment of such assigning Lender, if any; and (iv) if any such assignment occurs after the issuance of any Note hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Notes to the Administrative Agent for cancellation, and thereupon each Borrower shall issue and deliver new Notes, if so requested by the assignee and/or assigning Lender, to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new outstanding DIP Loans of the assignee and/or the assigning Lender.

(g) Participations.

(i) Each Lender shall have the right at any time to sell one or more participations to any Person (other than Holdings or any of its Subsidiaries) in all or any part of its Commitments, DIP Loans or in any other Obligation.

(ii) The holder of any such participation, other than an Affiliate of the Lender granting such participation, shall not be entitled to require such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (A) extend the final scheduled maturity of any DIP Loan or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default or of a mandatory reduction in the Commitment shall not constitute a change in the terms of such participation, and that an increase in any Commitment or DIP Loan shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (B) consent to the assignment or transfer by any Credit Party of any of its rights and obligations under this Agreement or (C) release all or substantially all of the Collateral under the Collateral Documents (except as expressly provided in the Credit Documents) supporting the DIP Loans hereunder in which such participant is participating.

(iii) Each Borrower agrees that each participant shall be entitled to the benefits of Sections 2.16 and 2.17 and subject to the provisions of Section 2.20 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (c) of this Section; provided, (x) a participant shall not be entitled to receive any greater payment under Section 2.16 or 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant, unless the sale of the participation to such participant is made with such Borrower's prior written consent and (y) a participant that would be a Non-US Lender if it were a Lender shall not be entitled to the benefits of Section 2.17 unless each Borrower is notified of the participation sold to such participant and such participant agrees, for the benefit of each Borrower, to comply with Section 2.17 as though it were a Lender; provided further that, except as specifically set forth in clauses (x) and (y) of this sentence, nothing herein shall require any notice to any Borrower or any other Person in connection with the sale of any participation. The Lender who has assigned to any participant that, by virtue of application of the provisions of this Section 10.6(h)(iii), is subject to replacement under Section 2.20 agrees that such Lender can also be replaced pursuant to the provisions of Section 2.20. To the extent permitted by law, each participant also shall be entitled to the benefits of Section 10.4 as though it were a Lender, provided such Participant agrees to be subject to Section 2.14 as though it were a Lender.

(h) Certain Other Assignments and Participations. In addition to any other assignment or participation permitted pursuant to this Section 10.6:

(i) any Lender may assign and/or pledge all or any portion of its DIP Loans, the other Obligations owed by or to such Lender, and its Notes, if any, to secure obligations of such Lender including any Federal Reserve Bank as collateral security pursuant to Regulation A of the Board of Governors and any operating circular issued by such Federal Reserve Bank; and

(ii) notwithstanding anything to the contrary in this Section 10.6, any Lender may sell participations (or otherwise transfer its rights) in or to all or a portion of its rights and obligations under the Credit Documents (including all its rights and obligations with respect to the DIP Loans) to one or more lenders or other Persons that provide financing to such Lender;

provided, that no Lender, as between Borrowers and such Lender, shall be relieved of any of its obligations hereunder as a result of any such assignment, pledge, participation or other transfer and provided further, that in no event shall the applicable Federal Reserve Bank, pledge, trustee, lender or other financing source described in the preceding clauses (i) or (ii) be considered to be a “Lender” or be entitled to require the assigning, selling or transferring Lender to take or omit to take any action hereunder.

10.7 Independence of Covenants. All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

10.8 Survival of Representations, Warranties and Agreements. All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of each Credit Party set forth in Sections 2.16, 2.17, 10.2, 10.3 and 10.4 and the agreements of Lenders set forth in Sections 2.14, 9.3(b) and 9.6 shall survive the payment of the DIP Loans, and the termination hereof.

10.9 No Waiver; Remedies Cumulative. No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

10.10 Marshalling; Payments Set Aside. Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of any Credit Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Credit Party makes

a payment or payments to an Agent or Lenders (or to an Agent, on behalf of Lenders), or an Agent or Lenders enforce any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

10.11 Severability. In case any provision in or obligation hereunder or under any other Credit Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

10.12 Obligations Several; Independent Nature of Lenders' Rights. The obligations of Lenders hereunder are several and no Lender shall be responsible for the obligations or Commitment of any other Lender hereunder. Nothing contained herein or in any other Credit Document, and no action taken by Lenders pursuant hereto or thereto, shall be deemed to constitute Lenders as a partnership, an association, a joint venture or any other kind of entity. The amounts payable at any time hereunder to each Lender shall be a separate and independent debt, and each Lender shall be entitled to protect and enforce its rights arising out hereof and it shall not be necessary for any other Lender to be joined as an additional party in any proceeding for such purpose.

10.13 Headings. Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

10.14 APPLICABLE LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF (OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW).

10.15 CONSENT TO JURISDICTION. ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST ANY CREDIT PARTY ARISING OUT OF OR RELATING HERETO OR ANY OTHER CREDIT DOCUMENT, OR ANY OF THE OBLIGATIONS, MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE, COUNTY AND CITY OF NEW YORK. BY EXECUTING AND DELIVERING THIS AGREEMENT, EACH CREDIT PARTY, FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, IRREVOCABLY (A) ACCEPTS GENERALLY AND UNCONDITIONALLY THE NONEXCLUSIVE JURISDICTION AND VENUE OF SUCH COURTS; (B) WAIVES ANY DEFENSE OF FORUM NON CONVENIENS; (C) AGREES THAT SERVICE OF ALL PROCESS IN ANY SUCH PROCEEDING IN ANY SUCH COURT MAY BE MADE BY REGISTERED

OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE APPLICABLE CREDIT PARTY AT ITS ADDRESS PROVIDED IN ACCORDANCE WITH SECTION 10.1; (D) AGREES THAT SERVICE AS PROVIDED IN CLAUSE (C) ABOVE IS SUFFICIENT TO CONFER PERSONAL JURISDICTION OVER THE APPLICABLE CREDIT PARTY IN ANY SUCH PROCEEDING IN ANY SUCH COURT, AND OTHERWISE CONSTITUTES EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT; AND (E) AGREES THAT AGENTS AND LENDERS RETAIN THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO BRING PROCEEDINGS AGAINST ANY CREDIT PARTY IN THE COURTS OF ANY OTHER JURISDICTION. THE PARTIES HERETO SUBMIT TO THE JURISDICTION OF THE UNITED STATES BANKRUPTCY COURT FOR THE DISTRICT OF DELAWARE.

10.16 WAIVER OF JURY TRIAL. EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER CREDIT DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 10.16 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER CREDIT DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE DIP LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

10.17 Confidentiality. Each Agent and each Lender shall hold all non-public information regarding Holdings and its Subsidiaries and their businesses obtained by such Lender pursuant to the requirements hereof in accordance with such Lender's customary procedures for handling confidential information of such nature, it being understood and agreed by Holdings that, in any event, each Agent and each Lender may make (i) disclosures of such

information to Affiliates of such Lender or such Agent and to their respective agents and advisors (and to other Persons authorized by a Lender or an Agent to organize, present or disseminate such information in connection with disclosures otherwise made in accordance with this Section 10.17) so long as, in the case of any such Affiliates, such Persons have been advised of the confidential nature of such information and instructed to maintain the confidentiality of such information and, in the case of any such agents and advisors, such Persons have (A) a duty to keep such information confidential or (B) have agreed to keep such information confidential, (ii) disclosures of such information reasonably required by any bona fide or potential assignee, pledgee, transferee or participant in connection with the contemplated assignment, pledge, transfer or participation of any DIP Loans or any participations therein, (iii) disclosure to any rating agency when required by it, provided that, prior to any disclosure, such rating agency shall undertake in writing to preserve the confidentiality of any confidential information relating to the Credit Parties received by it from any of the Agents or any Lender, and (iv) disclosures required or requested by any governmental agency or representative thereof or by the NAIC or pursuant to legal or judicial process; provided, unless specifically prohibited by applicable law or court order, each Lender and each Agent shall make reasonable efforts to notify Borrowers of any request by any governmental agency or representative thereof (other than any such request in connection with any examination of the financial condition or other routine examination of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information. In addition, each Agent and each Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement and the other Credit Documents.

10.18 Usury Savings Clause.

(a) Notwithstanding any other provision herein with respect to each Credit Party other than a Canadian Credit Party, the aggregate interest rate charged with respect to any of the Obligations, including all charges or fees in connection therewith deemed in the nature of interest under applicable law shall not exceed the Highest Lawful Rate. If the rate of interest (determined without regard to the preceding sentence) under this Agreement at any time exceeds the Highest Lawful Rate, the outstanding amount of the DIP Loans made hereunder shall bear interest at the Highest Lawful Rate until the total amount of interest due hereunder equals the amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect. In addition, if when the DIP Loans made hereunder are repaid in full the total interest due hereunder (taking into account the increase provided for above) is less than the total amount of interest which would have been due hereunder if the stated rates of interest set forth in this Agreement had at all times been in effect, then to the extent permitted by law, Borrowers shall pay to the Administrative Agent an amount equal to the difference between the amount of interest paid and the amount of interest which would have been paid if the Highest Lawful Rate had at all times been in effect. Notwithstanding the foregoing, it is the intention of Lenders and Borrowers to conform strictly to any applicable usury laws. Accordingly, if any Lender contracts for, charges, or receives any consideration which constitutes interest in excess of the Highest Lawful Rate, then any such excess shall be cancelled automatically and, if previously paid, shall at such Lender's option be applied to the outstanding amount of the DIP Loans made hereunder or be refunded to Borrowers.

(b) If any provision of this Agreement or of any of the other Credit Documents would obligate any Canadian Credit Party to make any payment of interest or other amount payable to any Agent or any Lender in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by such Agent or such Lender of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)) then, notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by such Agent or such Lender of interest at a criminal rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to such Agent or such Lender under Section 2.5, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to such Agent or such Lender which would constitute "interest" for purposes of Section 347 of the *Criminal Code* (Canada). Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if an Agent or Lender shall have received an amount in excess of the maximum permitted by that section of the *Criminal Code* (Canada), such Canadian Credit Party shall be entitled, by notice in writing to such Agent or such Lender, to obtain reimbursement from such Agent or such Lender in an amount equal to such excess and, pending such reimbursement, such amount shall be deemed to be an amount payable by such Agent or such Lender such Canadian Credit Party. Any amount or rate of interest referred to in this Section 10.18 shall be determined in accordance with GAAP as an effective annual rate of interest over the term that the applicable DIP Loan remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of "interest" (as defined in the *Criminal Code* (Canada)) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Closing Date to the Maturity Date and, in the event of a dispute, a certificate of a actuary appointed by Agents shall be conclusive for the purposes of such determination.

10.19 Counterparts. This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

10.20 Effectiveness. This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by Holdings and the Administrative Agent of written or notification of such execution and authorization of delivery thereof.

10.21 Patriot Act. Each Lender and each Agent (for itself and not on behalf of any Lender) hereby notifies each Borrower that pursuant to the requirements of the Act, it is required to obtain, verify and record information that identifies such Borrower, which information includes the name and address of such Borrower and other information that will allow such Lender or Agent, as applicable, to identify such Borrower in accordance with the Act.

10.22 Electronic Execution of Assignments. The words "execution," "signed," "signature," and words of like import in any Assignment Agreement shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce

Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

10.23 Post-Closing Actions. Notwithstanding any other provision contained herein or in any other Credit Document, if a “secured creditor” (as that term is defined under the Bankruptcy and Insolvency Act (Canada)) is determined by a court of competent jurisdiction not to include a Person to whom obligations are owed on a joint or joint and several basis, then any Canadian Credit Party’s Obligations (and the Obligations of each other Credit Party with respect thereto), to the extent such Obligations are secured, only shall be several obligations and not joint or joint and several obligations.

10.25 Limitations Act, 2002. Each of the parties hereto agree that any and all limitation periods provided for in the *Limitations Act, 2002* (Ontario), as amended from time to time, shall be excluded from application to the Obligations and any undertaking, covenant, indemnity or other agreement of any Credit Party provided for in any Credit Document to which it is a party in respect thereof, in each case to fullest extent permitted by such Act.

Specifically, in this Motion the Debtors request the entry of a final financing order:

- A. authorizing the Debtors to obtain post-petition financing in the amount of \$33.5 million secured by superpriority, priming liens and entitled to superpriority expense status, and to repay from the proceeds thereof all obligations outstanding under the Existing DIP Financing Facility;
- B. authorizing the Debtors to use cash collateral;
- C. granting adequate protection to the Prepetition Lenders (as defined below);
- D. modifying the automatic stay; and
- E. scheduling a final hearing pursuant to Rules 4001(b) and 4001(c) of the Federal Rules of Bankruptcy Procedures (the “**Bankruptcy Rules**”).

Debtors request approval of the Replacement DIP Financing Agreement (as defined below) on a final basis, there being no need for an interim hearing or order, as the Existing DIP Financing Facility remains in place. In support of this Motion, the Debtors respectfully represent as follows:

SUMMARY OF RELIEF REQUESTED²

1. The Debtors seek authority to obtain a replacement debtor-in-possession delayed draw term loan facility that provides for postpetition secured loans in an aggregate principal amount not to exceed \$33,500,000 (the “**Replacement DIP Loans**”), subject to the terms and conditions of the “Senior Secured Super-Priority Debtor In Possession Credit and Guaranty Agreement” (the “**Replacement DIP Financing Agreement**”).³ The Replacement DIP Loans will provide the Debtors with \$11.5 million of incremental financing and a later maturity date of up to December 31, 2013, both of which are necessary to permit the Debtors to properly

administer their estates and complete a sale of all or substantially all of their assets. Additionally, the Replacement DIP Financing Agreement will allow the Debtors to avoid potential Defaults and Events of Default under the Existing DIP Financing Facility. The Debtors believe that the terms of the proposed Replacement DIP Financing Agreement are the best terms available to the Debtors for the necessary financing at this time.

2. The Replacement DIP Financing Agreement will refinance in full the Existing DIP Financing Facility, which is currently being provided by Yucaipa American Alliance Fund II, LLC, as Agent for the lenders (referred to, collectively with its affiliates which are lenders thereunder, as “Yucaipa”). As this Court is aware, in an opinion and order docketed on March 29, 2013, Justice Charles E. Ramos of the Supreme Court of the State of New York, County of New York held that the Fourth Amendment to the Prepetition First Lien Loan Agreement (as both terms are defined below) was invalid (Index No. 650150/2012 (the “NY Litigation”). As a result, unless Justice Ramos’ order is reversed on appeal,⁴ the “Requisite Lenders” under the Prepetition First Lien Loan Agreement are not Yucaipa entities, but rather are BDCM Opportunity Fund II, LP, Black Diamond CLO 2005-1 Ltd., Spectrum Investment Partners, L.P. (collectively, the “Petitioning Creditors”) and AMMC VIII, Limited (collectively, the “BD/Spectrum Requisite Lenders”).

3. The proposed Replacement DIP Financing Agreement (including the priming liens provided in respect thereof) has been consented to by the BD/Spectrum Requisite Lenders under the Prepetition First Lien Loan Agreement. The Prepetition Second Lien Lenders (as

⁴ On April 23, 2013, Yucaipa filed in the Supreme Court of the State of New York, Appellate Division, an appeal from, and a motion to stay, Justice Ramos’ order invalidating the Fourth Amendment.

defined below) are deemed to have consented to the Replacement DIP Financing Agreement pursuant to the terms of the Intercreditor Agreement.

4. Simultaneously with the filing of this Motion, the Debtors have filed with the Court a motion seeking, among other things, entry of an order:

- (a) authorizing and approving the sale of all or substantially all of the Debtors' assets pursuant to section 363 of the Bankruptcy Code to an acquisition entity (the "**Stalking Horse Purchaser**") formed by Black Diamond Commercial, L.L.C. and Spectrum Commercial Finance, L.L.C., in their capacity as Successor First Lien Agents (as defined below) or such higher and better bid;
- (b) authorizing and approving the Stalking Horse Purchaser's right to credit bid the Prepetition First Lien Debt (as defined below) and limited bid protections to the Stalking Horse Purchaser; and
- (c) establishing bidding procedures, in form and substance reasonably satisfactory to the Replacement DIP Lenders.

The Debtors propose to sell all or substantially all of their assets to the highest and best bidder following an open auction process, and subsequently wind down these Chapter 11 Cases (as defined below).

5. In accordance with Bankruptcy Rule 4001 and Local Rule 4001-2, below is a summary of the terms of the proposed Replacement DIP Financing Agreement and the Debtors' use of cash collateral, with references to the relevant Sections of the Replacement DIP Financing Agreement noted:

- (a) Borrowers. Allied Holdings and Allied Systems, Ltd. (L.P.), a Georgia corporation ("**Allied Systems**"). (See Recitals)
- (b) Guarantors. Each other Debtor in these Chapter 11 Cases (which are all of Allied Holding's direct and indirect U.S. and Canadian subsidiaries). (See Recitals)
- (c) Administrative Agent. Black Diamond Commercial Finance, L.L.C. (the "**Replacement Administrative Agent**"). (See Recitals)

- (d) Collateral Agent. Spectrum Commercial Finance, L.L.C. (the “**Replacement Collateral Agent**”); and together with the Replacement Administrative Agent, the “**Replacement DIP Agents**”). (See Recitals)
- (e) Replacement DIP Lenders. The Petitioning Creditors and certain other lender parties as signatories to the Replacement DIP Financing Agreement at closing or that subsequently become a party pursuant to an Assignment Agreement (the “**Replacement DIP Lenders**”). § 1.1
- (f) Borrowing Limit; Notices. \$33,500,000 in the aggregate during the term of the Replacement DIP Financing Agreement. § 2.1(b)
- (g) Interest Rate. LIBOR plus 10.00% per annum, with a floor on LIBOR of 2.50%. Base Rate Loans accrue interest at the Base Rate plus 9.00%, with a floor of the Base Rate of 3.50%. The default interest rate is the otherwise applicable interest rate plus 2%. § 2.5; § 2.7
- (h) Closing: The Closing will occur after the entry of the Final Order. § 3.1
- (i) Maturity. Earlier of (i) December 31, 2013, (ii) the date a Chapter 11 plan of reorganization confirmed in the Chapter 11 Cases becomes effective, (iii) the date on which the Debtors consummate a sale of all or substantially all of their assets and (iv) the date that all Replacement DIP Loans shall become due and payable in full whether by acceleration or otherwise. § 2.9
- (j) Purpose. To refinance in full the Existing DIP Financing Facility, to pay certain fees and expenses related to the Existing DIP Financing Facility and for Debtors’ working capital needs and general corporate purposes, as outlined in the Approved Cash Projections, or as otherwise permitted by the Replacement DIP Financing Agreement. § 2.3
- (k) DIP Budget. The Debtors and the Replacement DIP Lenders have agreed on a budget from the Closing through the Maturity Date (the “**Budget**”), a copy of which will be attached to the Final Order and presented at the DIP hearing. The Budget reflects the anticipated earnings and expenses of the Debtors through December 31, 2013. § 4.8
- (l) 13-week Cash Projections. Every 13 weeks the Debtors shall prepare 13-week projections, which reflect the anticipated receipts and disbursements for such 13-week period, and will be subject to approval by the Replacement DIP Agents in their sole discretion. The Debtors shall operate within the cash projections, but may vary from such projections so long as they remain in compliance with the Budget Covenant described below. The cash projections for the first 13-week period after the Closing Date are referred to as the “**Initial Approved Cash Projections**”.

- (m) Sale Motion. The Debtors shall file a motion for entry of an order (in form and substance reasonably acceptable to the Replacement DIP Lenders) approving the sale of all or substantially all of the Debtors' assets to the Stalking Horse Purchaser or such other higher and better bid, and establishing bidding procedures and bid protections for the Stalking Horse Purchaser. § 3.1(q)
- (n) Availability. After the initial draw is made under the Replacement DIP Financing Agreement to pay in full the Existing DIP Financing Facility, the Replacement DIP Financing Agreement operates as a delayed draw facility, and thus advances under the Replacement DIP Financing Agreement may be requested when the Debtors anticipate a shortage of cash collateral to pay timely the expenses reflected in the Approved Cash Projections and to maintain \$5 million of cash on hand. Specifically, the Borrowers may draw to the extent that cash on hand (other than the Professional Fee Reserve) *minus* cash disbursements, as reflected in the Approved Cash Projections for the then current week and the next week, minus deposits to be made into the Professional Fee Reserve in the current week and the next week, is less than \$5,000,000. § 2.1(b) and §3.2(a)(vi)
- (o) Priority Claims and Liens. As set forth in § 2.21 of the Replacement DIP Financing Agreement and § 9 of the Final Order, subject only to the Carve-Out and Existing Priority Liens (as defined in the Final Order), all obligations under the Replacement DIP Financing Agreement shall, at all times:
- (i) pursuant to §§ 364(c)(1), 503(b), 507(a)(2) and 507(b) of the Bankruptcy Code, be entitled to super-priority claim status with priority over all other allowed Chapter 11 and Chapter 7 administrative expense claims, including expenses of a Chapter 11 and Chapter 7 trustee (the **"Replacement DIP Superiority Claims"**);
 - (ii) pursuant to § 364(c)(2) of the Bankruptcy Code, be secured by a perfected, first priority lien on, and security interest in, all unencumbered property and assets of the Debtors (including claims or causes of action arising under Chapter 5 of the Bankruptcy Code, if any, including any federal or state fraudulent transfer law cause of action incorporated by section 544 of the Bankruptcy Code (collectively, the **"Avoidance Actions"**)); and
 - (iii) pursuant to § 364(d)(1) of the Bankruptcy Code, be secured by a perfected, first-priority, senior priming lien on, and security interest in, all the property of the Debtors of any kind (including Avoidance Actions) (the **"DIP Collateral"**). § 2.21

The liens awarded to the Replacement DIP Lenders and the Replacement Collateral Agent pursuant to subsections (ii) and (iii) are, collectively, the **"Replacement DIP Postpetition Liens."** Thus, the liens of the Replacement DIP Lenders shall be senior to the liens that secure the obligations of the Debtors

under the Prepetition Loan Documents, and such prepetition liens are sometimes referred to in this Motion as the “**Primed Liens.**”

(p) Cash Collateral. May be used in accordance with the Approved Cash Projections. § 6.21; Final Order § 2(a)(iii)

(q) Adequate Protection to Prepetition Lenders. Subject to the Carve-Out, the Replacement DIP Liens and the Replacement DIP Superpriority Claims, as adequate protection to the Prepetition Lenders holding Primed Liens, the Prepetition Lenders shall receive the following, allocated first to the Prepetition First Lien Lenders (as defined below) as provided under the terms of the Prepetition First Lien Loan Agreement until the Prepetition First Lien Debt is paid in full, and second to the Prepetition Second Lien Lenders, as provided under the Prepetition Second Lien Loan Agreement:

(i) adequate protection to the extent of any diminution in value of their collateral resulting from the priming of their liens in the form of replacement liens on the DIP Collateral, including the proceeds of Avoidance Actions. Final Order §§ 9 and 10.

(ii) a claim under § 507(b) of the Bankruptcy Code to the extent of any postpetition deterioration in the value of the Prepetition Collateral. Final Order §§ 9 and 10.

The adequate protection claims and liens granted to the Prepetition Lenders under the 2012 Final Order (as defined below) shall be *pari passu* with the adequate protection claims and liens granted under the Final Order. Final Order § 10.

(r) Carve-Out. (i) Debtors’ professionals: fees and expenses as of the date of a Termination Notice in an aggregate amount up to \$2,500,000 (excluding the Rothschild Completion Fee), plus up to \$200,000 following the date of the Termination Notice; (ii) Creditors’ Committee professionals: fees and expenses as of the date of the Termination Notice in an amount of up to \$200,000 in connection with general case administration matters plus an amount of up to \$1,500,000 in connection with the Yucaipa Adversary Proceeding, plus up to \$100,000 following the date of a Termination Notice; (iii) Canadian Information Officer: fees and expenses of the information officer designated pursuant to the Canadian Supplemental Order incurred from the Consent Date to the date of the Termination Notice; and (iv) U.S. Trustee: fees pursuant to 28 U.S.C. § 1930. A “**Termination Notice**” is a notice delivered by the Replacement DIP Agents that an Event of Default has occurred terminating the commitments and the use of cash collateral. Final Order § 11

(s) Original Issue Discount, Fees and Expenses.

Original Issue Discount: The DIP Loans will be issued subject to original issue discount in an amount equal to 2.00% of the Commitments. The full amount of the discount will be applied to the initial DIP Loans drawn by the Debtors on the Closing Date. The discount shall be fully earned on the Closing, and the Debtors will be obligated to repay to the Replacement DIP Lenders the full principal amount of the DIP Loans actually made (without regard to the discount).⁵

Exit Fee: \$502,500 (equal to 1.5% of the aggregate amount of the Commitments as of the Closing Date), payable to the Replacement Administrative Agent (for the ratable benefit of the Replacement DIP Lenders), and earned in full on the closing of the Replacement DIP Financing Agreement, but payable upon the earlier of (i) the Maturity Date or (ii) the repayment of the Replacement DIP Loans in full, whether at maturity or after acceleration. § 2.8(b)

Unused Line Fee: 1.50% on the excess, if any, of the Commitments over the sum of the average principal amount of the Replacement DIP Loans outstanding, payable monthly in arrears to the Replacement Administrative Agent for the benefit of the Replacement DIP Lenders. § 2.8(c)

Expenses. The Debtors shall also pay the reasonable fees and expenses, including legal fees and the fees of a financial advisor to the Replacement DIP Agents (the Replacement DIP Expenses as defined in the Final Order) of the Replacement DIP Agents in connection with the Replacement DIP Financing Agreement. Following any Default or Event of Default, each Replacement DIP Agent and Replacement DIP Lender will also be reimbursed for its expenses in connection with the enforcement of any obligations under the Replacement DIP Facility, the collection of any payments due, the sale or realization of the DIP Collateral. § 10.2

- (t) Mandatory Repayments: The net cash proceeds received by the Debtors from any Asset Sale (subject to certain exclusions) or any recovery event (such as a casualty or condemnation) shall be applied to repay the Replacement DIP Loans. § 2.11
- (u) Yield Protection, Withholding Tax Gross-Up, Indemnity and Increases Costs. Customary for facilities of this nature offering LIBOR interest rates. §§ 2.15 to 2.17
- (v) Budget Covenants. (a) Actual cash receipts must be at least 90% of projected cash receipts as set forth in Approved Cash Projections, (b) actual cash outlays must be no more than 110% of projected cash outlays as set forth in Approved

⁵ The Original Issue Discount and fees to Replacement DIP Agents are set forth in a separate Fee Letter between the Debtors and the Replacement DIP Agents.

Cash Projections, and (c) actual Liquidity must not be less than projected Liquidity by more than \$2,500,000 (collectively, the “Budget Covenants”), tested weekly, starting the first week after the Closing Date. A failure by the Debtors to meet either the cash receipts test described in clause (a) above or the cash outlays test described in clause (b) above will not constitute an Event of Default under the DIP unless Debtor also fail to meet the liquidity test described in clause (c) above. § 6.21.

- (w) Financial Covenants. Financial covenants consist of: (i) minimum EBITDA, (ii) minimum liquidity, and (iii) a limit on capital expenditures. § 6.7
- (x) Yucaipa Adversary Proceeding. The fees and expenses of the Creditors’ Committee’s professionals incurred in prosecuting the Yucaipa Adversary Proceeding,, up to the aggregate amount of \$1.5 million, may be paid with proceeds of the Replacement DIP Loans, subject to a litigation budget (which shall be in form and substance acceptable to the Replacement DIP Lenders in their sole discretion) and (ii) written agreement by the Creditors' Committee that it will not settle all or any portion of the Yucaipa Adversary Proceeding without the prior written consent of the Replacement DIP Lenders. § 2.3 and Final Order § 11
- (y) Indemnification. Provides to the Replacement DIP Agents and the Replacement DIP Lenders (and their officers, directors, advisors, agents and affiliates) indemnity for all Indemnified Liabilities, except to the extent they result from such person’s gross negligence or willful misconduct. § 10.3
- (z) Events of Default. As described in § 8.1 of the Replacement DIP Financing Agreement, including the following:
 - (i) failure to pay any principal or interest on the Replacement DIP Loans or any fee or other amount within three Business Days after due date;

 - (iii) any agent or any lenders under any of the Prepetition Loan Agreements (as defined below) shall take any action without further order of the Bankruptcy Court or the Canadian Court, to foreclose or exercise remedies in collateral;
 - (iv) dismissal of the Chapter 11 Cases or conversion to a Chapter 7 proceeding, or termination of the recognition proceedings in Canada;
 - (v) the filing of a plan of reorganization that fails to require payment in full in cash of all obligations to the Replacement DIP Lenders and the Replacement DIP Agents under the Replacement DIP Financing Agreement or to which the Requisite Lenders do not consent;

- (vi) any action (a) to obtain additional financing, (b) to authorize financing (including junior financing) secured by any of the DIP Collateral, or (c) to use cash collateral that is not consented to by the Replacement DIP Lenders and the Replacement Administrative Agent;
- (vii) any action to approve any sale of any of the DIP Collateral unless consented to by the Requisite Lenders or such sale pays the Replacement DIP Loans in full;
- (viii) the Creditors' Committee or other committee seeks the approval of any subsequent debtor-in-possession facility, and either (a) the Debtors do not oppose such application or (b) an order is entered approving such subsequent debtor-in-possession facility that does not pay the Replacement DIP Loan in full; or the Debtors seek the approval of any other post-petition facility or loans that do not pay the Replacement DIP Loan in full;
- (ix) the appointment of a trustee or examiner with enlarged powers under Chapter 11 or 7 of the Bankruptcy Code, or the appointment of the equivalent officer in Canada with respect to a Canadian Debtor;

- (xi) the failure to obtain the Canadian Comeback Order from the Canadian Court within seven (7) Business Days after entry of the Final Order, or the stay, reversal or modification of the Final Order in a manner adverse to the DIP Lenders, or the filing by Debtors of any pleading challenging the Final Order;
- (xii) Debtors' exclusivity period expires;
- (xiii) with respect to the Sale/Bid Procedures Motion:
 - (a) the auction is not held on or before August 8, 2013;
 - (b) an order approving the sale is not entered on or before August 16, 2013; or
 - (c) the sale is not consummated on or before October 14, 2013;
- (xiv) Relief From Automatic Stay. Available upon 5 business days' notice to the Debtors, the Creditors' Committee, the Petitioning Creditors and the U.S. Trustee. § [8.1]; Final Order § 17(b)(ii)

JURISDICTION AND VENUE

6. This Court has jurisdiction to consider this Motion pursuant to 28 U.S.C. § 1334. Consideration of this Motion is a core proceeding pursuant to 28 U.S.C. § 157(b). Venue of this proceeding is proper before this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

BACKGROUND

7. On May 17, 2012, involuntary petitions were filed against Allied Holdings and its subsidiary Allied Systems under Chapter 11 of the Bankruptcy Code in this Bankruptcy Court (the “Court”). On June 10, 2012, the remaining Debtors filed voluntary petitions in this Court and, in connection therewith, Allied Holdings and Allied Systems consented to the involuntary petitions filed against them. The “Petition Date” of such Debtor is the date that such involuntary petition or voluntary petition was filed by or against such Debtor. The chapter 11 cases commenced thereby are, collectively, the “Chapter 11 Cases.”

8. The Debtors are authorized to operate their businesses as debtors-in-possession pursuant to §§ 1107 and 1108 of the Bankruptcy Code. An official committee of unsecured creditors has been appointed by the Office of the United States Trustee.

9. The Debtors’ major line of business is “car haul,” and its smaller line of business is transportation logistics for the automobile industry in the United States and Canada, and providing yard management services in Mexico.

10. The Existing DIP Financing Facility is a \$22,000,000 line of credit made available by Yucaipa American Alliance Fund II, LLC, as Agent for its affiliates, Yucaipa Leveraged Finance, LLC and CB Investments, LLC, as lenders (the “Existing DIP Lenders”) pursuant to a Final Order entered on July 17, 2012 [Dkt. 230] (the “2012 Final Order”), and the final Recognition Order entered in Canada on July 16, 2012. The Debtors seek now to refinance

24

the Existing DIP Financing Facility with the Replacement DIP Financing Loans, with the consent of the BD/Spectrum Requisite Lenders under the Prepetition First Lien Loan Agreement.

RELIEF REQUESTED

11. The Debtors seek, pursuant to §§ 105, 361, 362, 363, 364, 503 and 507 of the Bankruptcy Code, Bankruptcy Rules 2002, 4001 and 9014, and Local Rule 4001-2, the entry of a final order, substantially in the form attached hereto as Exhibit A (the “Final Order”), that *inter alia*,

- (i) authorize the Debtors to obtain postpetition secured loans in a principal amount up to \$33,500,000, pursuant to the Replacement DIP Financing Agreement and the Final Order;
- (ii) authorize the Debtors to use the cash collateral (as such term is defined in § 363(a) of the Bankruptcy Code) of the Replacement DIP Lenders and the Prepetition Lenders;
- (iii) grant the Replacement Collateral Agent, for and on behalf of itself and the Replacement DIP Lenders, superpriority, priming liens that are senior to all other liens on the Debtors’ assets other than the Carve-Out and certain prepetition liens that had priority over the liens securing the Prepetition First Lien Debt (as defined below);
- (iv) grant to each of the Replacement Administrative Agent and the Replacement Collateral Agent, for and on behalf of itself and the Replacement DIP Lenders, superpriority administrative expense status, senior to all other administrative expense claims;
- (v) grant adequate protection to the Debtors’ prepetition secured lenders; and
- (vi) modify the automatic stay of § 362 of the Bankruptcy Code in order to permit the Replacement DIP Agent to exercise remedies following an Event of Default under the Replacement DIP Financing Agreement (subject to the giving of five (5) days’ notice to the Debtors and certain creditor constituencies).

DEBTORS' PREPETITION LOAN AGREEMENTS

12. Prepetition Facilities. The plan of reorganization confirmed in the Debtors' 2005 bankruptcy case⁶ provided for two exit financing facilities: a first lien facility (the "**Prepetition First Lien Facility**") and a second lien facility (the "**Prepetition Second Lien Facility**," and together with the Prepetition First Lien Debt, the "**Prepetition Facilities**"). Both of these facilities were outstanding as of the commencement of the Chapter 11 Cases. The maturity date for both facilities was May 29, 2012, and the obligations thereunder are due. As of the Pctition Date, the Debtors owed approximately \$244,021,526 in principal under the Prepetition First Lien Facility and \$30,000,000 under the Prepetition Second Lien Facility. The lenders under the Prepetition Facilities are referred to as the "**Prepetition Lenders**." Each of the Debtors and the collateral agents for the two credit facilities entered into an Intercreditor Agreement dated as of May 15, 2007 (the "**Intercreditor Agreement**") to set forth, among other things, the relative rights and priorities as between these two credit facilities.

13. Prepetition First Lien Facility. The Prepetition First Lien Facility is evidenced by the Amended and Restated First Lien Senior Secured Super-Priority Debtor in Possession and Exit Credit and Guaranty Agreement dated as of May 15, 2007, as amended by an amendment no. 1 dated as of May 29, 2007, an amendment no. 2 dated as of June 12, 2007, and an amendment no. 3 dated as of April 17, 2008 (the "**Third Amendment**") by and among Allied Holdings and Allied Systems, as borrowers, certain of their subsidiaries, as guarantors, Goldman Sachs Credit Partners L.P. ("**Goldman Sachs**"), as lead arranger and syndication agent, The CIT Group/Business Credit, Inc. ("**CIT**"), in its capacity as administrative agent and collateral agent,

⁶ In re Allied Holdings, et al., filed on July 31, 2005 in the United States Bankruptcy Court for the Northern District of Georgia, Newnan Division (Case No. 05-12515-CRM), and closed on June 5, 2012.

and CIT, Yucaipa, and the other lenders party thereto, as lenders (collectively, “**Prepetition First Lien Lenders**”). An amendment no. 4 dated as of August 21, 2009 (the “**Fourth Amendment**”) to the Prepetition First Lien Facility has been held invalid and unenforceable in the NY Litigation,⁷ and thus is not included in the definition of Prepetition First Lien Facility.

14. CIT resigned as Prepetition First Lien Agent by notice dated April 19, 2012. As of the Petition Date, the Prepetition First Lien Lenders had not appointed a successor Prepetition First Lien Agent. Thus, under the Prepetition First Lien Loan Agreement, the “**Requisite Lenders**” (as defined therein) acted as the Prepetition First Lien Agent. *See* Prepetition First Lien Loan Agreement, § 9.7. After the oral ruling in the NY Litigation on November 19, 2012 indicating that the NY Court would hold that the Fourth Amendment was invalid (which ruling was subsequently embodied in a written decision dated April 8, 2013), on December 3, 2012, the BD/Spectrum Requisite Lenders appointed Black Diamond Commercial Finance, L.L.C and Spectrum Investment Commercial Finance, L.L.C. as co-Administrative Agents (collectively, the “**Successor First Lien Agents**”).⁸

15. The Prepetition First Lien Facility provided up to \$265,000,000 in principal amount of financings, and included three sub-facilities (i) a revolving loan facility of up to \$35,000,000, (ii) a synthetic letter of credit facility of up to \$50,000,000, and (iii) a term loan facility of up to \$180,000,000. Yucaipa purportedly holds \$134,835,688.70 in principal amount of term loans under the Prepetition First Lien Facility, which represents 55.25% of the

⁷ See note 3, *supra*.

⁸ The Successor First Lien Agents are presently working with CIT to transfer the agency, including the Register and all other related records.

outstanding indebtedness under such facility.⁹ However, the Third Amendment to the Prepetition First Lien Facility excludes any debt thereunder held by Yucaipa from the calculation of the Requisite Lender. Therefore, the Requisite Lenders are the BD/Spectrum Requisite Lenders, which collectively own 23.146% of the debt under the Prepetition First Lien Facility.

16. Prepetition Second Lien Facility. The Prepetition Second Lien Facility is evidenced by the Second Lien Secured Super-Priority Debtor in Possession and Exit Credit and Guaranty Agreement dated as of May 15, 2007, as amended by an amendment no. 1 dated as of May 29, 2007, an amendment no. 2 dated as of June 12, 2007, and an amendment no. 3 dated as of April 17, 2008, by and among Allied Holdings and Allied Systems, as borrowers, certain of their subsidiaries, as guarantors, Goldman Sachs, as administrative agent and collateral agent (together with its successors as administrative agent and collateral agent, the “**Prepetition Second Lien Agent**”), and as lead arranger and syndication agent, and the lenders party thereto (collectively, the “**Prepetition Second Lien Lenders**”). The Bank of New York Mellon (“**BNYM**”) has replaced Goldman Sachs as Prepetition Second Lien Agent. The Prepetition Second Lien Debt consists of a \$50,000,000 term loan facility, which is paid down to \$30,000,000 in principal. Yucaipa holds \$20 million of the aggregate principal amount of term loans, which represents approximately 66.67% of the outstanding Prepetition Second Lien Facility, and therefore is the Requisite Lender thereunder. However, as explained in Section F below, the Prepetition Second Lien Lenders are deemed to have consented to the proposed Replacement DIP Financing Agreement under the terms of the Intercreditor Agreement.

⁹ The Creditors’ Committee and Petitioning Creditors allege that pursuant to the Third Amendment, Yucaipa is obligated to contribute approximately \$57 million of Term Loans to capital of the Debtors, and to disgorge all other Prepetition First Lien Debt it allegedly holds in excess of \$25 million of Term Loans.

17. Prepetition Collateral. The Debtors' obligations under the Prepetition Facilities are secured by liens in all or substantially all of the assets of Allied Holdings and Allied Systems, and their U.S. and Canadian subsidiaries (the Debtors herein), pursuant to (i) in the case of the Prepetition First Lien Facility, the Amended and Restated Pledge and Security Agreement (First Lien) and (ii) in the case of the Prepetition Second Lien Facility, the Amended and Restated Pledge and Security Agreement (Second Lien), both dated as of May 15, 2007 (together, the "**Prepetition Security Agreements**"). The credit and security documents for the First Lien Loan Documents and the Second Lien Loan Documents (as such terms are defined in the Prepetition First Lien Loan Agreement and the Prepetition Second Lien Loan Agreement, collectively, the "**Prepetition Loan Agreements**") are referred to herein as the "**Prepetition Loan Documents**," and the collateral described therein is referred to herein as the "**Prepetition Collateral**." The Prepetition Collateral principally consists of Rigs, accounts receivable, deposits in bank accounts, certain real estate, and the stock of most of Allied Holdings' subsidiaries.

18. The Debtors agree that their obligations under the Prepetition Facilities are secured by perfected, valid, binding and non-avoidable priority security interests and liens upon substantially all of the assets of each Debtor: *provided, however*, that the Prepetition Lenders are not perfected in Excluded Assets and Excluded Deposit Accounts, as such terms are defined in the Prepetition Security Agreements, certain small or pledged deposits in which the Prepetition First Lien Agent does not have a control agreement (see Cash Management Order, Exhibit A [Dkt. 109]), or in certain real estate, which is not encumbered by a mortgage, and those assets are not included in the Prepetition Collateral (collectively, the "**Unencumbered Assets**"). Under the

259

Intercreditor Agreement, the liens securing the Prepetition Second Lien Debt are junior and subordinate to the liens securing the Prepetition First Lien Debt.

19. Prepetition Obligations.

- (i) First Lien Debt. Immediately prior to the Petition Date, the principal amount of the loans under the Prepetition First Lien Facility was \$244,021,526, as follows: (a) \$35,000,000 in outstanding revolving loans, (b) \$33,071,526 in outstanding letter of credit loans, and (c) \$175,950,000 in outstanding term loans (together with interest, fees and expenses, collectively, the “**Prepetition First Lien Debt**”); and
- (ii) Second Lien Debt. Immediately prior to the Petition Date, the principal amount of the term loans outstanding under the Prepetition Second Lien Facility was \$30,000,000 (together with interest, fees and expenses, collectively, the “**Prepetition Second Lien Debt**”).

The indebtedness owing as of the Petition Date under the Prepetition First Lien Loan Agreement and the Prepetition Second Lien Loan Agreement is referred to collectively as the “**Prepetition Indebtedness.**”

20. Interest Rates. The non-default interest rates for the Prepetition Indebtedness as of the Petition Date are as follows: Prepetition First Lien Loan Agreement (Base Rate *plus* 1% for revolving loans, Base Rate *plus* 1% for letter of credit loans, and Base Rate *plus* 3% for term loans); Prepetition Second Lien Loan Agreement (Base Rate *plus* 6.5% for term loans). The default rate was 2% higher for each type of loan.

21. Existing Defaults. The Prepetition Indebtedness matured by its terms on May 29, 2012. Other events of default also exist under both the Prepetition First Lien Loan Agreement and the Prepetition Second Lien Loan Agreement, and they have not been waived.

DEBTORS’ POSTPETITION FINANCING ARRANGEMENTS

22. The Debtors require postpetition financing because they do not have sufficient available sources of working capital, including cash collateral, to operate in the ordinary course

of business. As was recognized when the Existing DIP Financing Facility was approved, the Debtors lack adequate working capital to operate their businesses in the ordinary course based solely on cash collateral. The Debtors intend to seek to consummate a sale of all or substantially all of their respective assets to the Stalking Horse Purchaser or such other higher and better bidder. The Debtors desire to replace the Existing DIP Financing Facility, which is not large enough or of sufficient duration, with the Replacement DIP Facility. The Replacement DIP Loans, together with the use of cash collateral of the Replacement DIP Lenders and the Prepetition Lenders, is necessary to fund the Debtors through the contemplated § 363 sale, which sale will be followed by a wind-down of their estates and closure of these Chapter 11 Cases. Absent approval of the proposed Replacement DIP Financing Agreement, the Debtors will run the risk of Defaults or Events of Default occurring under the Existing DIP Financing Facility, or that the Debtors will simply run out of money.

23. The Debtors have engaged in good-faith, arm's-length negotiations with the Replacement DIP Agents and Replacement DIP Lenders. These negotiations culminated in the Replacement DIP Financing Agreement and the Final Order. The significant elements of the proposed Replacement DIP Financing Agreement and Final Order are summarized above.

24. Because of the Debtors' financial condition, they are unable to obtain postpetition financing in the form of unsecured credit allowable under § 503(b)(1) of the Bankruptcy Code, as an administrative expense under § 364(a) or (b) of the Bankruptcy Code, or in exchange for the grant of administrative expense priority under § 364(c)(1) of the Bankruptcy Code. Accordingly, the Debtors seek financing that offers the Replacement DIP Lenders and the Replacement DIP Agents priming Replacement DIP Postpetition Liens and Replacement DIP Superpriority Claims (each as defined in the Final Order).

BASIS FOR RELIEF

A. Overview

25. Section 364(c) of the Bankruptcy Code provides, among other things, that if a debtor is unable to obtain unsecured credit allowable as an administrative expense under § 503(b)(1) of the Bankruptcy Code, the court may authorize the debtor to obtain credit or incur debt (i) with priority over any and all administrative expenses as specified in §§ 503(b) or 507(b) of the Bankruptcy Code, (ii) secured by a lien on property of the estate that is not otherwise subject to a lien, or (iii) secured by a junior lien on property of the estate that is subject to a lien. *See* 11 U.S.C. § 364(c).

26. Section 364 of the Bankruptcy Code also allows for postpetition financing secured by a priming lien. Section 364(d)(1) provides that the court, after notice and a hearing, may authorize the obtaining of credit or the incurring of debt if:

the trustee is unable to obtain such credit otherwise; and

there is adequate protection of the interest of the holder of the lien on the property of the estate on which such senior or equal lien is proposed to be granted.

See 11 U.S.C. § 364(d)(1).

27. This Court has authority to approve the Motion for the following reasons:

- (i) subject to Yucaipa’s successful appeal, the NY Litigation has established that Yucaipa is not the Requisite Lender, thus placing the BD/Spectrum Requisite Lenders in the position of Requisite Lender under the Prepetition First Lien Facility. BD/Spectrum Requisite Lenders, acting in such capacity, have consented to the relief sought herein, including the priming of liens securing the Prepetition Indebtedness;
- (ii) the Debtors have no alternative sources of financing;
- (iii) the BD/Spectrum Requisite Lenders may consent on behalf of the Prepetition First Lien Lenders to the terms of the Replacement DIP Loan in accordance with § 10.5(a) and (b) of the Prepetition First Lien Loan Agreement; and

- (iv) the consent of the Prepetition Second Lien Agent is not required because, in the Intercreditor Agreement, the Prepetition Second Lien Agent agreed to subordinate its lien if the Prepetition First Lien Agent subordinated its lien to a debtor-in-possession loan up to a cap, which is not exceeded by this \$33.5 million Replacement DIP Loan. Intercreditor Agreement, § 6.1.

B. The Debtors Have No Financing Alternative to the Replacement DIP Loans

28. Prior to the filing of this Motion, the Debtors' financial advisor, Rothschild, Inc., sought alternative DIP financing for the Debtors, and was not successful in receiving any bids. All of the institutions approached stated that they would require a priming DIP lien, and none would move forward with a term sheet unless the Prepetition Lenders agreed to subordinate their liens to a DIP loan. The BD/Spectrum Requisite Lenders have indicated that they will not consent to any priming of the liens granted to secure the Prepetition First Lien Debt by a third party lender.

29. The Debtors are unable to obtain unsecured credit or debt allowable as an administrative expense under § 503(b)(1) of the Bankruptcy Code in an amount sufficient and readily available to maintain ongoing operations, nor have the Debtors been able to obtain postpetition financing from an alternative prospective lender on more favorable terms and conditions than those for which approval is sought herein.

30. The Replacement DIP Loans will provide the Debtors with the necessary liquidity to continue their ordinary course business operations, while they arrange for a sale of their assets, to maximize the return available to the Debtors' creditors. Finally, the implementation of this Replacement DIP Financing Agreement will be viewed favorably by the Debtors' employees, vendors and customers, as it permits the Debtors to continue normal operation of their businesses pending the sale.

31. A working capital facility of the type needed in these Chapter 11 Cases could not be obtained on an unsecured basis. Moreover, potential sources of the proposed Replacement DIP Loans for the Debtors were extremely limited. It is well established that the appropriateness of a proposed postpetition financing facility must be considered in light of current market conditions. See, e.g., *In re Lyondell Chem. Co.*, No. 09-10023, Transcript of Record at 734-35:24-1 (Bankr. S.D.N.Y. Mar. 5, 2009) (recognizing “the terms that are now available for DIP facilities in the current economic environment aren’t as desirable” as they have been in the past); *In re Snowshoe Co., Inc.*, 789 F.2d 1085, 1088 (4th Cir. 1986) (noting that a debtor is not required to seek credit from every possible lender before determining such credit is available).

32. Where there are few lenders likely to be able and willing to extend the necessary credit to the debtor, “it would be unrealistic and unnecessary to require [the debtor] to conduct . . . an exhaustive search for financing.” See, e.g., *In re Sky Valley, Inc.*, 100 B.R. 107, 113 (Bankr. N.D. Ga. 1988), *aff’d*, 99 B.R. 117 (N.D. Ga. 1989). The Replacement DIP Financing Agreement was negotiated by the parties in good faith, is the only feasible financing option for the Debtors, and is in the best interests of the Debtors’ estates.

C. Application of the Business Judgment Standard

33. “[T]he court’s discretion under § 364 is to be utilized on grounds that permit reasonable business judgment to be exercised so long as the financing agreement does not contain terms that leverage the bankruptcy process and powers or its purpose is not so much to benefit the estate as it is to benefit a party-in-interest. *In re Ames Dep’t Stores, Inc.*, 115 B.R. 34, 40 (Bankr. S.D.N.Y. 1990). As described above, after appropriate investigation and analysis and given the exigencies of the circumstances, the Debtors’ management has concluded that the Replacement DIP Loans are the only alternative available in the circumstances of these Chapter

264

11 Cases. Bankruptcy courts routinely defer to the debtor's business judgment on most business decisions, including the decision to borrow money. *See, e.g., Group of Institutional Investors v. Chicago, Mil., St. P., & Pac. R.R. Co.*, 318 U.S. 523, 550 (1943); *In re Simasko Prod. Co.*, 47 B.R. 444, 449 (D. Colo. 1985) ("Business judgments should be left to the board room and not to this Court."); *In re Lifeguard Indus., Inc.*, 37 B.R. 3, 17 (Bankr. S.D. Ohio 1983) (same). "More exacting scrutiny would slow the administration of the debtor's estate and increase its cost, interfere with the Bankruptcy Code's provision for private control of administration of the estate, and threaten the court's ability to control a case impartially." *Richmond Leasing Co. v. Capital Bank, NA.*, 762 F.2d 1303, 1311 (5th Cir. 1985).

34. In general, a bankruptcy court should defer to a debtor's business judgment regarding the need for and the proposed use of funds, unless such decision is arbitrary and capricious. *In re Curlew Valley Assocs.*, 14 B.R. 506, 511-13 (Bankr. D. Utah 1981). Courts generally will not second-guess a debtor's business decisions when those decisions involve "a business judgment made in good faith, upon a reasonable basis, and within the scope of [its] authority under the Code." *Id.* at 513-14 (footnotes omitted).

35. The Debtors cannot obtain financing from any other lender on terms more favorable than the Replacement DIP Financing Agreement offered by the Replacement DIP Lenders. The Debtors' management exercised their best business judgment in negotiating the Replacement DIP Financing Agreement and the Final Order.

36. The Debtors have exercised sound business judgment in determining the need for a postpetition credit facility, and have satisfied the legal prerequisites under § 364(c)(1), (2), and (3) to borrow under the Replacement DIP Financing Agreement (i) with priority over all administrative expenses, (ii) secured by a lien on property that is not otherwise subject to a lien,

and (iii) secured by a junior lien on property that is not is subject to a lien. The Debtors have the consent of the controlling lender class under the Prepetition First Lien Facility (the BD/Spectrum Requisite Lenders), and the deemed consent of the Prepetition Second Lien Agent, to allow them to borrow with a lien senior to existing liens under the Prepetition Indebtedness. Accordingly, the Debtors should be granted authority to enter into the Replacement DIP Financing Agreement and borrow funds from the Replacement DIP Lenders on a consensual secured superpriority basis as described above, pursuant to § 364(c) and (d) of the Bankruptcy Code, and take the other actions contemplated by the Replacement DIP Financing Agreement and as requested herein.

D. Uses of Loan Proceeds under the Replacement DIP Financing Agreement

37. The Budget details the anticipated revenues and expenses of the Debtors through December 31, 2013, and the Approved Cash Projections detail the Debtors’ anticipated cash receipts and disbursement for the next 13 weeks (and will be updated prior to the conclusion of each 13 week period). The Budget and Approved Cash Projections have been prepared by the Debtors and represent the Debtors’ current best projection of the costs which are reasonable and necessary for the Debtors’ continued operations through a sale of their assets. The Budget and Approved Cash Projections have been reviewed and approved by the Replacement Administrative Agent and the Replacement DIP Lenders, as required under the Replacement DIP Financing Agreement.

38. The Replacement DIP Loans are of critical importance to operate the Debtors’ businesses through a sale of their assets, thus preserving the value of those assets and these estates, thereby providing a greater recovery to the Debtors’ creditors than would be realized if the Debtors were forced now to convert to Chapter 7. Accordingly, the Debtors submit that the

266

availability of credit under the Replacement DIP Loans is necessary to preserve and enhance the value of their estates for the benefit of all stakeholders in these Chapter 11 Cases.

E. Express Consent by the BD/Spectrum as Requisite Lenders is Binding on all Prepetition Lenders

39. Under both Prepetition Facilities, Requisite Lenders have the authority to approve an “amendment, modification, termination or waiver of any provision of the Credit Documents, or consent to any departure by any Credit Party therefrom” unless the amendment or modification falls within one of the narrowly defined categories requiring the consent of each affected Lender. Prepetition First Lien Facility at § 10.5(a) and (b).¹⁰ One of these narrowly defined categories is any agreement to release all or substantially all of the Prepetition Collateral. *Id.* at § 10.5(b)(x). However, subordinating liens is not included in any of the exceptions to the general rule permitting the Requisite Lenders to consent to amendments, modifications or waivers. Thus, the BD/Spectrum Requisite Lenders have the right (and have exercised such right) to consent to the Replacement DIP Financing Agreement and the priming liens.¹¹ The Prepetition Second Lien Agent is bound to go along, under the drag-along provisions of the Intercreditor Agreement, described in Part F below.

40. It is well-established that where a syndicated credit facility grants authority to requisite lenders to take certain actions, that the collective-design doctrine precludes contrary actions by minority lenders. *See generally Beal Sav. Bank v. Sommer*, 8 N.Y.3d 318 (Ct. App. N.Y. 2007). In *Beal*, Aladdin Gaming, LLC, was a borrower under a syndicated credit facility under which its parent company agreed in a “Keep-Well Agreement” to make certain equity

¹⁰ The Prepetition Second Lien Loan Agreement contains the same language.

¹¹ In addition, under the Intercreditor Agreement, the Prepetition Second Lien Agent is deemed to have consented to a subordination of its lien to the priming liens of the Replacement DIP Loans because the Requisite Lender under the Prepetition First Lien Loan Agreement, acting as the Prepetition First Lien Agent, has “permitted” the Replacement DIP Loans and the priming liens. *See Intercreditor Agreement* at §6.1.

contributions to the borrower if certain financial covenants were not met, and also guaranteed payment upon acceleration of the debt. After the borrower sought bankruptcy protection, 95.5% of lenders directed the agent to forbear from exercising remedies against the parent guarantor under the Keep-Well; however, a minority lender that disagreed with the majority’s determination proceeded with a state law action against the parent guarantor. *Beal Sav. Bank*, 8 N.Y.3d at 323. The parent guarantor subsequently moved to dismiss, contending that the minority lender lacked standing because no individual member of the syndicate was empowered to enforce the loan agreements (including the Keep-Well) in the event of default. *Id.* at 324.

41. The Court of Appeals ultimately upheld dismissal, finding “unequivocal collective design” in the loan documents. *Id.* at 326. Specifically, the Court reasoned that under the credit facility, the vote of required lenders was all that was necessary to approve the agent’s forbearance and prevent the initiation of lawsuits by minority lenders, despite the lack of an explicit provision in the credit facility that precluded the right of the lender to proceed individually. *Id.* at 332. The required lender vote was “meant to protect all Lenders in the consortium from a disaffected Lender seeking financial benefit perhaps at the expense of other debtholders.” *Id.* Accordingly, based on both the specific language in the contracts and considering the loan documents as a whole, it was clear that the lenders intended for collective action in the circumstances at bar.

42. Following *Beal Bank*, numerous other courts have overruled the objections and/or dismissed the actions of minority lenders based on the collective-design doctrine. *See, e.g., In re Chrysler LLC*, 405 B.R. 84, 103 (Bankr. S.D.N.Y. 2009) (overruling minority lender’s objection to a §363 sale and opining that “[r]estricting enforcement to a single agent to engage in unified action for the interests of a group of lenders, based upon a majority vote, avoids chaos and

268

prevents a single lender from being preferred over others.”); *In re GWLS Holdings Inc.*, 2009 Bankr. LEXIS 378, *15-16 (Bankr. D. Del. Feb. 23, 2009) (concluding that unanimous consent of first lien lenders was not required to credit bid for the debtor’s assets); *In re Metaldyne Corp.*, 409 B.R. 671, 677-79 (Bankr. S.D.N.Y. 2009) (rejecting argument that sale by credit bid was an amendment, waiver or modification of a loan document requiring unanimous consent).

43. As the Court reasoned in *Chrysler*, “the [minority lenders] contracted away their right to act inconsistently with the determination of the Required Lenders. In that regard, if they did not want to waive such rights, they should not have invested in an investment with such restrictions. The fact that they do not like the outcome is not a basis to ignore the governance provisions of the relevant agreements.” *Chrysler*, 405 B.R. at 104.

44. For the above reasons, the Debtors submit that the BD/Spectrum Requisite Lenders’ decision to consent to the Replacement DIP Financing Agreement and the priming liens is binding on the other Prepetition Lenders.

F. Drag-Along Rights Given in the Intercreditor Agreement Bind the Prepetition Second Lien Lenders.

45. The Prepetition Second Lien Lenders may not object to a subordination of the lien held by the Prepetition Second Lien Agent for their benefit, because the Intercreditor Agreement gives the Prepetition First Lien Agent drag-along rights. In relevant part, that agreement allows the Prepetition First Lien Agent to permit a “DIP Financing” (as defined in the Intercreditor Agreement, which this DIP financing clearly is) or use of cash collateral consistent with § 6.1 thereof and provides that the Prepetition Second Lien Agent “*will raise no objection*” to that DIP Financing or use of cash collateral except for limited exceptions not applicable here. Because permission for this DIP financing has been given under the Prepetition First Lien Loan Agreement, the Prepetition Second Lien Agent may not object. Moreover, under the

Intercreditor Agreement, the Second Lien Collateral Agent (as defined in that Agreement) is required to subordinate its liens to the liens securing a DIP Financing where, as here, the Prepetition First Lien Agent's liens are being subordinated. Moreover, the Prepetition Second Lien Agent is to be granted the same adequate protection payment as the Prepetition First Lien Agent under the Final Order, albeit with a lower priority as required by the Intercreditor Agreement. Intercreditor Agreement, § 6.1.

46. In sum, the Requisite Lenders under both the Prepetition First Lien Loan Agreements and the Prepetition Second Lien Loan Agreement have, through the exercise of rights given to them under those agreements, agreed to the Replacement DIP Financing Agreement's priming liens and the subordination of the liens securing the Prepetition Indebtedness. Because the subordination of such liens does not require the release of all or substantially all of the Prepetition Collateral, no greater approval is required under the Prepetition Loan Agreements.

G. Adequate Protection to Prepetition Lenders

47. In accordance with § 364(d)(1), the Final Order provides that adequate protection will be provided to the Prepetition Lenders on account of their Primed Liens to the extent of any diminution in value of their Prepetition Collateral as follows:

- (i) Replacement liens on all assets of the Debtors' estates, immediately junior to the Replacement DIP Liens, the Replacement DIP Superpriority Claims, and the Carve-Out, to the extent of post-petition diminution in the value of the Prepetition Collateral; and
- (ii) Priority claims under § 507(b) in the amount of any postpetition diminution in the value of the Prepetition Collateral.

H. The Terms of the Replacement DIP Financing Agreement Are Reasonable

48. The proposed terms of the Replacement DIP Financing Agreement are reasonable. The purpose of the Replacement DIP Loans is to enable the Debtors to meet their ongoing operational expenses and other administrative expenses pending a sale of their assets, thereby enabling the Debtors to produce the maximum return available to the Debtors' creditors.

49. The proposed Replacement DIP Financing Agreement provides that the security interests granted to the Replacement DIP Lenders are subject to the Carve-Out. Bankruptcy courts generally find that such "carve-outs" are not only reasonable, but are necessary to insure that debtors and their estates, and official committees, will have the assistance of counsel. *See, e.g., In Ames Dep't Stores, Inc.*, 115 B.R. 34, 38 (Bankr. S.D.N.Y. 1990). Existing lien creditors that are not Prepetition Lenders are not affected by the Replacement DIP Loans to the extent they have priority at law over the liens in favor of the Prepetition First Lien Lenders as of the Petition Date or their liens are permitted under the Prepetition Loan Agreements, such as purchase money liens in specific equipment.

50. With regard to the fees and charges required by the Replacement DIP Lenders under the Replacement DIP Financing Agreement, courts routinely authorize similar lender incentives beyond the explicit liens and other rights specified in § 364 of the Bankruptcy Code. *See, e.g., In re Jennifer Convertibles, Inc., 2010 Bankr. LEXIS 5946* (S.D.N.Y. Bankr. 2010) (approving an arranging fee under § 364 for a debtor-in-possession loan); *In re Electrical Components Int'l, Inc., 2010 Bankr. LEXIS 5797* (Del. Bankr. 2010) (approving arranging fees, commitment fees, and underwriting fees in § 364 financing); *In re Visteon Corporation, 2009 Bankr. LEXIS 5133* (Del. Bankr. 2009) (approving commitment fees, unused fees, and agent's

271

fees in § 364 financing); *In re Defender Drug Stores, Inc.*, 145 B.R. 312, 316-18 (9th Cir. BAP 1992) (authorizing credit arrangement under § 364, including a lender “enhancement fee”).

H. Good Faith

51. The Final Order should provide that the Replacement DIP Financing Agreement and the Replacement DIP Loans were entered into in good faith within the meaning of § 364(e) of the Bankruptcy Code. Section 364(e) was designed to “encourage the extension of credit to debtors” by allowing lenders to “rely on a bankruptcy court’s authorization of the transaction.” See *In re EDC Holding Co.*, 676 F.2d 945, 947 (7th Cir. 1982) (the purpose of § 364(e) is “to overcome people’s natural reluctance to deal with a bankrupt firm whether as purchaser or lender by assuring them that so long as they are relying in good faith on a bankruptcy judge’s approval of the transaction that they need not worry about their priority merely because some creditor is objecting to the transaction and is trying to get the district court or the court of appeals to reverse the bankruptcy judge.”); see also *In re North Atlantic Millwork Corp.*, 155 B.R. 271, 279 (Bankr. Mass. 1993) (“The purpose of § 364(e) is to allow good faith lenders to rely upon conditions as the time they extend credit and to encourage lenders to lend to bankrupt entities.”)

52. The Replacement DIP Financing Agreement was the result of good faith and arm’s length negotiations. As set forth above, the Debtors believe that the terms of the Replacement DIP Financing Agreement are fair and reasonable under the circumstances, and that the Replacement DIP Lenders are entitled to the benefits of § 364(e) of the Bankruptcy Code.

I. Request for Modification of Automatic Stay

53. As set forth more fully in the proposed form of Final Order, the proposed Replacement DIP Financing Agreement contemplates a modification of the automatic stay established pursuant to § 362 of the Bankruptcy Code to permit the Replacement DIP Lenders to

take certain actions required or permitted by the Final Order. Specifically, the Final Order provides the Replacement DIP Lenders with relief from the automatic stay upon the occurrence of specified events of default, and after the Debtors' failure to cure or contest same successfully, to allow the Replacement Administrative Agent and the Replacement DIP Lenders, *inter alia*, to enforce the remedies available to them under the Replacement DIP Financing Agreement and related Credit Documents, without having to obtain any further order of this Court. The proposed Final Order further provides that, prior to the exercise of any enforcement or liquidation remedies available to the Replacement Administrative Agent and Replacement DIP Lenders under the Replacement DIP Financing Agreement and related Credit Documents, the Replacement Administrative Agent shall be required to give five (5) business days' written notice to the Debtors.

54. Stay modification provisions of the sort requested herein are ordinary and usual features of postpetition debtor-in-possession financing facilities and, in the Debtors' business judgment, are reasonable under the present circumstances. Accordingly, the Debtors respectfully request the Court to modify the automatic stay to the extent contemplated by the Replacement DIP Financing Agreement and the proposed form of Final Order.

J. Permission to Use Cash Collateral

55. The Debtors also seek to use cash collateral commencing immediately upon the Court's approval of the Motion by entry of the Final Order. The cash collateral will be used by the Debtors to the extent necessary to meet their working capital needs. The consent of the Requisite Lender discussed above applies equally to the use of cash collateral, and Debtors have obtained requisite consent.

273

56. Section 363(c)(2) of the Bankruptcy Code provides that a debtor may not use, sell, or lease cash collateral unless: “(a) each entity that has an interest in such cash collateral consents; or (b) the court, after notice and a hearing, authorizes such use, sale, or lease in accordance with the provisions of this Section.” *See* 11 U.S.C. § 363(c)(2).

57. Additionally, § 363(e) of the Bankruptcy Code provides that “on request of an entity that has an interest in property. . . proposed to be used, sold, or leased, by the trustee, the court, with or without a hearing, shall prohibit or condition such use, sale or lease as is necessary to provide adequate protection of such interest.” *See* 11 U.S.C. § 363(e).

58. In addition to the approval of the Replacement DIP Financing Agreement, the Debtors are also requesting authority to use the full amount of the cash collateral for operating capital, including for the purposes set forth in the Budget.

59. Debtors have obtained consent to the use of cash collateral from the Requisite Lenders, which have the power to bind all First Lien Lenders. Further, The Bank of New York Mellon, as Prepetition Second Lien Agent, cannot object to the use of cash collateral under drag-along provisions of the Intercreditor Agreement. § 6.1.

60. The Debtors’ need to have access to its cash is explained above in this Motion with regard to the Replacement DIP Financing Agreement. Those needs apply equally to the use of cash collateral. The Debtors will show at the hearing on this Motion that the use of cash collateral is appropriate and in the best interests of their estates, and that the interests of the Prepetition Lenders and the Replacement DIP Lenders and their respective agents is adequately protected by the Replacement Liens described in the paragraph (o) of the Summary of Relief Requested section of this Motion.

27A

K. Notice Period

61. Pursuant to Bankruptcy Rules 4001(b) and 4001(c), the Court may conduct a hearing on a motion to use cash collateral or to obtain post-petition financing not less than fourteen (14) days after service of the motion.

62. Debtors have simultaneously herewith filed a motion for an expedited hearing on this Motion, to obtain a final hearing upon the expiration of such 14-day period. The Debtors request that the Court schedule the final hearing no later than May 31, 2013, which affords the necessary 14-day time period following the date this Motion. Debtors have, in the Sale Motion, filed herewith, asked this Court to schedule a hearing on bid procedures at the same time as the hearing on this Motion. Debtors believe that it is important to hear this Motion on the timetable proposed.

63. Accordingly, the Debtors respectfully request that the Final Order approving the Replacement DIP Financing Agreement be approved. The Debtors respectfully submit that they have shown that the relief requested in this Motion is appropriate, and ask that the Court grant all of the relief requested as being in the best interests of their estates.

L. Waiver of Bankruptcy Rule 6004(a) and 6004(h)

64. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay provided under Bankruptcy Rule 6004(h).

NOTICE

65. Notice of this Motion has been provided to: (i) the Office of the United States Trustee for the District of Delaware; (ii) counsel for the Replacement DIP Agents and

275

Replacement DIP Lenders; (iii) counsel for the Petitioning Creditors, Yucaipa American Alliance Fund II, LP, Yucaipa American Alliance (Parallel) Fund II, LP; (iii) The Bank of New York Mellon, in its capacity as administrative agent and collateral agent under the Prepetition Second Lien Loan Agreement; (iv) counsel to the Creditors Committee; (v) counsel to Yucaipa American Alliance Fund II, LLC, the Agent for the Existing DIP Lenders; and (vi) all other persons requesting notices. United States Code, 11 U.S.C. §§ 101-1532 (as amended, the "Bankruptcy Code"), and Rules 2002, 4001 and 9014 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), and Rule 4001-2 of the Delaware Bankruptcy Local Rules (the "Local Rules"); a hearing on the Motion having been held on May 31, 2013 (the "Final Hearing"); and based upon all of the pleadings filed with this Court, the evidence presented at the Final Hearing and the entire record herein; and the Court having heard and resolved or overruled all objections to the relief requested in the Motion; and the Court having noted all appearances at the Final Hearing; and it appearing that the relief requested in the Motion is in the best interests of the Debtors, their estates, and creditors; and after due deliberation and consideration, sufficient cause appearing therefore, **IT IS HEREBY FOUND:**³

A. Petition Date. On May 17, 2012 (the "Petition Date"), involuntary petitions pursuant to chapter 11 of the Bankruptcy Code were filed against Holdings and Systems by certain creditors (the "Petitioning Creditors"). Holdings and Systems consented to the entry of an order for relief on June 10, 2012 (the "Consent Date"). All of the other Debtors filed voluntary petitions for relief on the same date. The Debtors' cases under chapter 11 are collectively referred to herein as the "Chapter 11 Cases." The Debtors are operating their businesses and managing their affairs as debtors in possession pursuant to Bankruptcy Code sections 1107(a) and 1108. No trustee or examiner has been appointed in any of the Chapter 11 Cases. On June 19, 2012, the United States Trustee appointed a statutory committee of unsecured creditors (the "Committee").

³ Findings of fact shall be construed as conclusions of law, and conclusions of law shall be construed as findings of fact, pursuant to Bankruptcy Rule 7052.

B. Jurisdiction; Venue. This Court has core jurisdiction over the Chapter 11 Cases and the Debtors' property pursuant to 28 U.S.C. §§ §157(b)(2)(D) and 1334. Venue for the Chapter 11 Cases is proper before this Court under 28 U.S.C. §§ 1408 and 1409.

C. Notice. Proper notice under the circumstances has been given by the Debtors of the Motion and the Final Hearing pursuant to Bankruptcy Rule 4001(b) and Local Rule 4001-2.

D. Existing DIP Financing. On July 12, 2012, the Court approved the "FINAL ORDER PURSUANT TO 11 U.S.C §§ 105, 361, 362, 363(c), 364(c)(1), 364(c)(2), 364(c)(3), 364(d)(1), 364(e), 503(b) AND 507(a), FED. R. BANKR. P. 2002, 4001 AND 9014 AND DEL. BANKR. L.R. 4001-2: (I) AUTHORIZING DEBTORS TO (A) OBTAIN POSTPETITION SECURED DIP FINANCING AND (B) USE CASH COLLATERAL; (II) GRANTING SUPERPRIORITY LIENS AND PROVIDING FOR SUPERPRIORITY ADMINISTRATIVE EXPENSE STATUS; (III) GRANTING ADEQUATE PROTECTION TO PREPETITION SECURED LENDERS; AND (IV) MODIFYING AUTOMATIC STAY" (the "2012 Final DIP Order") pursuant to which the Debtors were authorized to enter into that certain "Senior Secured Super-Priority Debtor in Possession Credit and Guaranty Agreement," dated June 11, 2012 (as amended from time to time, the "Existing DIP Financing Facility") by and among Holdings and Systems as borrowers (in such capacity, the "Borrowers"), certain of the Debtors as guarantors (the "Guarantors") and Yucaipa American Alliance Fund II, LLC ("Yucaipa") as agent (in such capacity, the "Existing DIP Agent") and the persons and entities from time to time party thereto as lenders (the "Existing DIP Lenders"). The Debtors have been authorized under the Existing DIP Financing Facility to borrow up to the maximum aggregate principal amount of \$22 million from the Existing DIP Lenders. As of May __, 2013, the

balance due under the Existing DIP Financing Facility was \$[] (the “Existing DIP Financing Obligations”). The Existing DIP Financing Obligations are Superpriority Claims and secured by Postpetition Liens. The priority of the Postpetition Liens is set forth in the 2012 Final DIP Order.

E. Purpose and Necessity of Financing. The Existing DIP Financing Facility is insufficient to fund the Debtors’ ongoing working capital requirements and the administrative costs incurred and to be incurred in connection with the Chapter 11 Cases. As a result, the Debtors require the Replacement DIP Facility (as defined below) to refinance the Existing DIP Financing Facility and fund, among other things, the ongoing working capital requirements and administrative costs and for other purposes permitted by this Final Order. The Debtors’ “cash collateral,” as such term is defined in Bankruptcy Code section 363(a) (the “Cash Collateral”), is insufficient to fund the Debtors’ ongoing business needs and administrative costs. The Debtors are unable to obtain adequate unsecured credit allowable as an administrative expense under Bankruptcy Code section 503, or other financing under Bankruptcy Code sections 364(c) or (d), on equal or more favorable terms than those set forth in the Replacement DIP Facility based on the totality of the circumstances. Moreover, a loan facility in the amount provided by the Replacement DIP Facility is not available to the Debtors without granting additional superpriority claims and priming liens pursuant to the Bankruptcy Code, as provided in this Final Order and the Replacement DIP Facility. After considering all alternatives, the Debtors have concluded, in the exercise of their prudent business judgment, that the Replacement DIP Facility represents the best financing package available to them at this time and is in the best interests of their estates and creditors.

F. Use of Cash Collateral. The Debtors also require the continued use of Cash Collateral to operate their businesses. Without the continued use of Cash Collateral, the Debtors will not be able to meet their cash requirements for working capital needs. The Prepetition Agents do not consent (or are not deemed to consent) to the use of Cash Collateral except on the terms and conditions, and for the purposes, specified herein. The adequate protection provided for herein and the other benefits and privileges contained herein are consistent with and authorized by the Bankruptcy Code and are necessary in order to obtain the consent (or deemed consent) of such parties and to adequately protect their interests in the Prepetition Collateral.

G. Good Cause. The continued ability of the Debtors to obtain sufficient working capital and liquidity and use of Cash Collateral under this Final Order is vital to the Debtors' estates and creditors, and in particular, to the ability of the Debtors to preserve their businesses and restructure their indebtedness under the Bankruptcy Code. The continued liquidity to be provided under the Replacement DIP Facility and through the use of Cash Collateral will enable the Debtors to continue to operate their business in the ordinary course and preserve its value. Good cause has, therefore, been shown for the relief sought in the Motion.

H. Good Faith. The Replacement DIP Facility has been negotiated in good faith and at arm's-length by and among the Debtors, the Replacement DIP Agents (as defined below) and the Replacement DIP Lenders (as defined below). Any Replacement DIP Loan (as defined below) and/or other financial accommodations made to the Debtors by the Replacement DIP Agents and the Replacement DIP Lenders pursuant to the Final Order and/or the Replacement DIP Facility shall be deemed to have been extended by the Replacement DIP Agents and the Replacement DIP Lenders in good faith, as that term is used in Bankruptcy Code

section 364(e), and the Replacement DIP Agents and the Replacement DIP Lenders shall be entitled to all protections afforded thereunder. The terms of this Final Order and the Replacement DIP Facility are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with their fiduciary duties, and are supported by reasonably equivalent value and fair consideration. In entering into the Replacement DIP Facility and committing to make the Replacement DIP Loans, the Replacement DIP Agents and the Replacement DIP Lenders are relying on the terms of this Final Order as an integrated whole, including without limitation paragraph 21 hereof.

I. Exigent Circumstances.

(i) The Debtors requested immediate entry of this Final Order pursuant to Bankruptcy Rules 4001(b)(2) and (c)(2) in order to avoid immediate and irreparable harm to the Debtors, their estates and their businesses. The Motion and this Final Order comply with Local Bankruptcy Rule 4001-2. The Debtors request that this Court authorize the Debtors to borrow up to \$33,500,000.00 (the "Maximum Borrowing") under the Replacement DIP Facility to fund the items and amounts contemplated by the budget (the "Budget") updated from time to time in accordance with the terms of the Replacement DIP Facility) and initial approved cash projections attached to this Final Order as **Exhibit B** (as such initial approved cash projections may be updated from time to time in accordance with the terms of the Replacement DIP Facility, the "Approved Cash Projections"). The Budget and Approved Cash Projections are an integral part of this Final Order and have been relied upon by the Replacement DIP Agents, the Replacement DIP Lenders and the Prepetition Secured Parties in deciding to consent to the entry of this Final Order.

(ii) This Court concludes that immediate entry of the Final Order is in the best interests of the Debtors' estates and creditors as its implementation would, among other things, allow for access to the financing necessary for the continued flow of supplies and services to the Debtors necessary to sustain the operation of the Debtors' existing business and further enhance the Debtors' prospects for a successful restructuring.

(iii) This Court further concludes that the Debtors have an immediate and critical ongoing need to obtain post-petition financing under the Replacement DIP Facility and to continue to use Cash Collateral in order to, among other things, finance the ordinary costs of their operations, maintain business relationships with vendors, suppliers and customers, make payroll, make capital expenditures, and satisfy other working capital and operational needs. The Debtors' continued access to sufficient working capital and liquidity through the incurrence of post-petition financing under the Replacement DIP Facility and the continued use of Cash Collateral under the terms of this Final Order is vital to the preservation and maintenance of the going concern value of the Debtors' estates. Consequently, without continued access to the Replacement DIP Facility and continued use of Cash Collateral, to the extent authorized pursuant to this Final Order, the Debtors and their estates would suffer immediate and irreparable harm.

Based upon the foregoing findings, acknowledgements, and conclusions, and upon the record made before this Court at the Final Hearing, and good and sufficient cause appearing therefor;

IT IS HEREBY ORDERED:

1. Disposition. The Motion is granted on a final basis, subject to the terms set forth herein. Any objections to the Motion that have not previously been withdrawn or resolved are hereby overruled on their merits. This Final Order shall be valid and binding on all parties-in-

interest, and effective immediately upon entry notwithstanding the possible application of Bankruptcy Rules 6003(b), 6004(a), 6004(h), 7062, and 9014.

2. Authorization.

(a) Upon entry of this Final Order and entry of the Sale/Bid Procedures Order (as defined below), and recognition thereof by the Canadian Court, the Debtors are authorized to:

(i) enter into and perform their obligations under that certain Senior Secured Super-Priority Debtor in Possession Credit And Guaranty Agreement, dated as of May 16, 2013 (as amended, restated or otherwise modified from time to time in accordance with the terms hereof and thereof, the "Replacement DIP Facility") (an executed copy of the Replacement DIP Facility is attached hereto as **Exhibit C**), by and among Holdings and Systems, as borrowers (in such capacity, the "Borrowers"), certain of the Debtors, as guarantors (the "Guarantors"), Black Diamond Commercial Finance, L.L.C., as administrative agent (in such capacity, the "Replacement Administrative Agent"), Spectrum Commercial Finance, LLC as collateral agent (in such capacity, the "Replacement Collateral Agent"; and together with the Replacement Administrative Agent, the "Replacement DIP Agents"), and the persons and entities from time to time party thereto as lenders (the "Replacement DIP Lenders"); (ii) obtain postpetition delayed draw term loans (the "Replacement DIP Loans")⁴ under the Replacement DIP Facility in an aggregate principal amount not to exceed \$33,500,000.00; and (iii) use Cash Collateral and the proceeds of the Replacement DIP Loans subject to the Approved Cash Projections and subject to the terms and conditions set forth herein and in the Replacement DIP Facility; provided the Debtors shall first use Cash Collateral before using proceeds of the Replacement DIP Loans in

⁴ The term "Replacement DIP Loans" shall include all principal, interest, fees, expenses and other obligations (including, without limitation, all "Obligations" as such term is defined in the Replacement DIP Facility and all Replacement DIP Expenses (as defined below)) that are at any time owed by any Borrower or Guarantor to the Replacement DIP Agents or the Replacement DIP Lenders in connection with the Replacement DIP Loan, the Replacement DIP Facility or this Final Order.

accordance with the terms of the Replacement DIP Facility. The Replacement DIP Facility (including the documents, agreement and instruments described in paragraph 5 below) shall constitute legal, valid, and binding obligations of the Debtors, enforceable against the Debtors, their successors and assigns (including, without limitation, any successor trustee or other estate representative in any Chapter 11 Case or subsequent chapter 7 case (each, a “Successor Case”)) in accordance with their terms. The Debtors are hereby authorized to pay (whether through Cash Collateral or the Replacement DIP Loans) interest, fees, expenses and any other amounts required or allowed to be paid in accordance with this Final Order and/or the Replacement DIP Facility, as applicable.

(b) The Debtors are authorized, subject to the terms of this Final Order, to use Cash Collateral and Replacement DIP Loan proceeds to indefeasibly repay the Existing DIP Financing Obligations and any other amount due and owing to the Existing DIP Lenders and/or Existing DIP Agent under the Existing DIP Financing Facility. Any dispute regarding the amounts due and owing under the Existing DIP Financing Facility shall be determined by the Court. Upon repayment of the Existing DIP Financing Obligations and any other amount due and owing to the Existing DIP Lenders and/or Existing DIP Agent under the Existing DIP Financing Facility (other than any contingent indemnity claim), the Postpetition Liens and the Superpriority Claims granted under the 2012 Final DIP Order in favor of the Existing DIP Agent and Existing DIP Lenders shall be deemed fully and finally released and discharged automatically, without the need for any further action by any entity or this Court.

3. Termination of Replacement DIP Facility and Cash Collateral Usage. Notwithstanding anything in Final Order to the contrary (but without prejudice to any other right of the Replacement DIP Agents and/or the Replacement DIP Lenders under this Final Order or

the Replacement DIP Facility to terminate or suspend their obligation to make Replacement DIP Loans), the Replacement DIP Lenders' obligation to make the Replacement DIP Loans and the consent (or deemed consent) of the Prepetition Agents to the use of Cash Collateral shall automatically terminate without any further action by this Court, the Replacement DIP Agents, any of the Prepetition Secured Parties or any other person or entity, upon the earliest to occur of (the "Termination Date"): (i) the date of final indefeasible payment and satisfaction in full in cash of the Replacement DIP Loans and the termination of the loan commitments under the Replacement DIP Facility; (ii) the effective date of any plan of reorganization or liquidation in any of the Chapter 11 Cases; (iii) the consummation of the sale or other disposition of all or substantially all of the assets of the Debtors; and (iv) subject to paragraphs 17(b) and 17(d) of this Final Order with respect to the use of Cash Collateral, immediately upon delivery of a Termination Notice (as defined below).

4. Fees and Expenses.

(a) The Debtors shall pay the Replacement DIP Agents' and the Replacement DIP Lenders' reasonable costs, fees and expenses incurred in connection with the consideration, investigation, negotiation, documentation, consummation, administration, amendment and enforcement of the Replacement DIP Facility and this Final Order and participation in the Chapter 11 Cases (in their capacities as Replacement DIP Agents and Replacement DIP Lenders), including without limitation, legal, accounting, financial advisory, appraisal, investigation, audit, inspection, insurance, title insurance, and other similar fees and costs (the "Replacement DIP Expenses"). Except as set forth in paragraph 4(b) below, the Replacement DIP Agents or the professional or firm seeking payment of a Replacement DIP Expense (an "Expense Claimant") shall submit a written invoice for any Replacement DIP Expense (in

summary form but with sufficient detail to determine the reasonableness of such invoice, certifying that fees and charges have been incurred in connection with the Replacement DIP Facility, the Replacement DIP Loan or the use of Cash Collateral or otherwise in connection with this Final Order and setting forth hours, billing rates and timekeepers only and otherwise redacted to preserve privileges) to the Debtors, with a copy to the United States Trustee, counsel for the Debtors and counsel for the Committee. If no written objection stating with specificity the basis for the objection (an "Objection") is received by the Replacement DIP Agents or such Expense Claimant within 10 days after delivery of such invoice, the Debtors shall promptly pay such Replacement DIP Expense. If an Objection is received by the Replacement DIP Agents or such Expense Claimant within such 10-day period, the Debtors shall pay that portion, if any, of the Replacement DIP Expense that was not disputed. If the Replacement DIP Agents and/or the Expense Claimant are unable consensually to resolve an Objection with the objecting party, then this Court shall determine the disputed portion of such Replacement DIP Expense. Except as otherwise set forth in the preceding sentence or as may otherwise be hereafter ordered by the Court, no Replacement DIP Expense shall be subject to Court approval or required to be maintained in accordance with the U.S. Trustee Guidelines, and no Expense Claimant shall be required to file any interim or final fee application or request for payment with the Court. To the extent the Debtors fail to pay any undisputed or resolved Replacement DIP Expense, the Replacement DIP Agents or the Expense Claimant shall be permitted to (i) apply any amounts held in escrow or retainer to such unpaid Replacement DIP Expense without further Court approval; (ii) file a motion with this Court seeking an order compelling the Debtors to pay such Replacement DIP Expense, or (iii) pay such Replacement DIP Expense and add such amount to the outstanding principal amount of the Replacement DIP Loans.

(b) Notwithstanding the foregoing, Replacement DIP Expenses payable under the Replacement DIP Facility shall be governed solely by the Replacement DIP Facility and shall not be subject to any Objection or the procedures related to an Objection described in paragraph 4(a) above.

5. Authority to Execute and Deliver Necessary Documents. The Debtors are authorized, on a final basis, to enter into, execute and deliver to the Replacement DIP Agents any and all documents, agreements and instruments that are contemplated by, related to or to be delivered pursuant to or in connection with the Replacement DIP Facility or this Final Order or that are reasonably requested by either Replacement DIP Agent to evidence or effectuate any of the transactions or other matters contemplated by or set forth in the Replacement DIP Facility or this Final Order, each as may be amended hereafter from time to time (the documents, instruments and agreements referenced in this paragraph 5, collectively, shall be included in the definition of the “Replacement DIP Documents”).

6. Amendments, Consents, Waivers, and Modifications. Following notice to counsel to the Committee, the Debtors may enter into non-material amendments, waivers or modifications of or consents to the Replacement DIP Documents with the prior written consent of the Requisite Lenders (as defined in the Replacement DIP Facility), which consent shall be granted or withheld in the Requisite Lenders’ sole discretion; provided, however, that any material amendment, waiver, modification or consent shall require the approval of this Court; provided, further, that, for avoidance of doubt, the Debtors are authorized pursuant to this Final Order to enter into such amendments as are necessary to conform the Replacement DIP Documents to this Final Order. Copies of all amendments, waivers, modifications, whether or not material, shall be provided by the Debtors to counsel to the Committee.

7. Replacement DIP Lenders' Superpriority Claims. The Replacement DIP Agents, for the benefit of themselves and the Replacement DIP Lenders, are hereby granted allowed superpriority administrative expense claims (the "Replacement DIP Superpriority Claims") pursuant to Bankruptcy Code section 364(c)(1) for the Replacement DIP Loans, subject to the Carve-Out.

8. Replacement DIP Postpetition Liens. To secure repayment of the Replacement DIP Loans and subject to the provisions of paragraph 10, the Replacement DIP Agents are hereby granted for the benefit of themselves and the Replacement DIP Lenders, valid, enforceable, non-avoidable and fully perfected, first priority priming liens on and security interests in (collectively, the "Replacement DIP Postpetition Liens") all Prepetition Collateral, all other property, assets and interests in property and assets of the Debtors (or any successor trustee or other estate representative in any Chapter 11 Case or Successor Case) and all other "property of the estate" (within the meaning of the Bankruptcy Code) of the Debtors (or any successor trustee or other estate representative in any Chapter 11 Case or Successor Case), of any kind or nature whatsoever, real, personal or mixed, tangible or intangible now existing or hereafter acquired or created, including, without limitation, all accounts, inventory, goods, contracts, contract rights, investment property, instruments, documents, chattel paper, patents, trademarks, copyrights, and licenses therefor, all other intellectual property, general intangibles, payment intangibles, rights, interests, intercompany notes and obligations, tax or other refunds, insurance proceeds, letters of credit, letter-of-credit rights, supporting obligations, documents, titled vehicles, machinery and equipment, real property (including all facilities), fixtures, leases (and proceeds from the disposition thereof), all of the (x) issued and outstanding capital stock entitled to vote (within the meaning of Treas. Reg. Section 1.956-2(c)(2)), (y) issued and outstanding

capital stock not entitled to vote (within the meaning of Treas. Reg. Section 1.956-2(c)(2)) of each subsidiary of each Debtor and (z) capital stock of all other Persons that are not Subsidiaries directly owned by each Debtor (subject, in the case of (x), (y) and (z), to any express limitations set forth in the Replacement DIP Facility), money, investment property, deposit accounts, all commercial tort claims and other causes of action (including Avoidance Actions (as defined below) of the Debtors), Cash Collateral, and all cash and non-cash proceeds, rents, products, substitutions, accessions, and profits of any of the collateral described above (collectively, the "DIP Collateral"). Notwithstanding the foregoing or any provisions to the contrary contained in this Final Order or the Replacement DIP Facility, where a Replacement DIP Agent has been granted a security interest hereunder in any shares or other equity interests in the capital stock ("ULC Shares") of an issuer that is an unlimited company, unlimited liability company or unlimited liability corporation under the laws of Canada or any of its provinces or political subdivisions (each, a "ULC"), the Debtor that owns such ULC Shares will remain the sole registered and beneficial owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of a Replacement DIP Agent or any of its successors or assigns (in either case, a "ULC Beneficiary") or any other person or entity on the books and records of the applicable ULC. Nothing in this Final Order or the Replacement DIP Facility is intended to, and nothing in this Final Order or the Replacement DIP Facility shall, constitute either Replacement DIP Agent, any other ULC Beneficiary or any other person or entity other than the applicable debtor, a member or shareholder of a ULC for the purposes of the *Companies Act* (Nova Scotia), the *Business Corporations Act* (Alberta), the *Business Corporations Act* (British Columbia) and any other present or future laws governing ULCs (the "ULC Laws") (whether listed or unlisted, registered or beneficial), until such time as notice is given to such

Debtor and further steps are taken pursuant hereto or thereto so as to register the Replacement DIP Agents, any other ULC Beneficiary or such other person or entity, as specified in such notice, as the holder of the ULC Shares. The foregoing limitations shall not restrict either Replacement DIP Agent from exercising the rights, powers and remedies which it is entitled to exercise under this Final Order, the Replacement DIP Facility or at law in respect of any of the DIP Collateral constituting ULC Shares at any time that the Replacement DIP Agent shall be entitled to realize on all or any portion of the collateral.

9. Adequate Protection for Prepetition Secured Parties. The Debtors acknowledge and stipulate that the Prepetition Secured Parties are additionally entitled, pursuant to Bankruptcy Code sections 361, 363(e), and 364(d)(1), to further adequate protection of their interests in the Prepetition Collateral, including the Cash Collateral, in exchange for the Debtors' continued use of such Prepetition Collateral, to the extent of the aggregate diminution in value, if any, of, respectively, the interests of the Prepetition First Lien Lenders in the Prepetition Collateral and the interests of the Prepetition Second Lien Lenders in the Prepetition Collateral, including, without limitation, any such diminution resulting from or attributable to, any or all of the incurrence by the Debtors of obligations to the Replacement DIP Agents and Replacement DIP Lenders under the Replacement DIP Documents, the Carve-Out, the imposition of the automatic stay, the use of Cash Collateral, any sale, lease or use by the Debtors, physical deterioration, or other decline in value of any other Prepetition Collateral, and the priming of the Prepetition Secured Debt by the Replacement DIP Postpetition Liens. As adequate protection, the Prepetition Agents are hereby granted (i) valid, enforceable, binding, non-avoidable and fully perfected postpetition security interests and liens (the "Supplemental Adequate Protection Liens") on all of the DIP Collateral, and (ii) superpriority administrative expense claims under

294

section 507(b) of the Bankruptcy Code (the “Supplemental Adequate Protection Priority Claims”). The Supplemental Adequate Protection Liens and the Supplemental Adequate Protection Priority Claims granted herein shall have the priorities set forth in paragraph 10 of this Final Order.

(a) Without limiting the foregoing, the Prepetition Secured Parties shall have all of the rights accorded to them under sections 503 and 507(b) of the Bankruptcy Code in respect of the adequate protection provided herein.

(b) [Reserved].

(c) The Prepetition Secured Parties have consented, or are deemed to have consented, to the adequate protection and the priming provided for herein; provided, however, that the consent (or deemed consent) of the Prepetition Secured Parties to the priming, the use of Cash Collateral, and the sufficiency of the adequate protection provided for herein is expressly conditioned upon the entry of this Final Order and such consent shall not be deemed to extend to any other replacement financing or debtor in possession financing other than the Replacement DIP Loans; and provided, further, that in the event of the occurrence of the Termination Date, nothing herein shall alter the burden of proof set forth in the applicable provisions of the Bankruptcy Code at any hearing concerning the continued use of Prepetition Collateral (including Cash Collateral) by the Debtors.

10. Perfection and Priority of Liens and Claims; Other Rights.

(a) Except as otherwise set forth in this Final Order, the Replacement DIP Postpetition Liens and the Supplemental Adequate Protection Liens shall not at any time be made subject or subordinate to, or made *pari passu* with, any other lien, security interest or claim existing as of the Consent Date, or created under Bankruptcy Code sections 363 or 364(d).

295

(b) The Replacement DIP Postpetition Liens shall (i) be junior and subordinate only to (x) the valid, perfected, and non-avoidable liens that were, as of the Consent Date, senior to the liens held by the Prepetition First Lien Lenders under the Prepetition First Lien Loan Agreement (the “Existing Priority Liens”) and (y) the Carve-Out, and (ii) otherwise be senior to all other security interests in, liens on, or claims against the DIP Collateral.⁵

(d) In accordance with the Prepetition Intercreditor Agreement, and in addition to the priorities set forth therein with respect to the Liens of the Prepetition First Lien Agent and Prepetition Second Lien Agent in respect of the Prepetition Collateral, the Adequate Protection Liens and Supplemental Adequate Protection Liens granted in favor of the Prepetition Second Lien Agent and Prepetition Second Lien Lenders shall be junior and subordinate in all respect to the Adequate Protection Liens and Supplemental Adequate Protection Liens granted in favor of the Prepetition First Lien Agent and Prepetition First Lien Lenders.

(e) The Replacement DIP Postpetition Liens, Adequate Protection Liens and the Supplemental Adequate Protection Liens shall at all times be senior to, among other things, (i) the rights of the Debtors in any Chapter 11 Case and any successor trustee or other estate

⁵ For avoidance of doubt, nothing in this Final Order is intended to alter the priority of any possessory security interest of or validity of any lien held by Chartis (defined below) as of the date of this Final Order in cash collateral held pursuant to that certain Payment Agreement for Insurance and Risk Management Services, between Allied Systems Holdings, Inc. and National Union Fire Insurance Company of Pittsburgh, Pa., on behalf of itself and certain affiliates (“Chartis”), dated January 1, 2006, as well as any policies, schedules, addenda, letters of credit, surety bonds and related agreements governing the Insurance Program (as defined therein) through and including January 1, 2013, as may be extended or modified from time to time.

(f) Except as otherwise expressly set forth in this subparagraph (f), the Replacement DIP Superpriority Claims and the Supplemental Adequate Protection Priority Claims shall have priority over any and all other administrative claims against the Debtors or their estates (whether in the Chapter 11 Cases or in any Successor Case), now existing or hereafter arising, of any kind whatsoever, including, without limitation, all administrative expenses of the kinds specified in or arising or ordered under Bankruptcy Code sections 105(a), 326, 328, 330, 331, 503(b), 506(c), 507, 546(c), 726, 1113, and 1114 or otherwise, whether or not such expenses or claims may become secured by a judgment lien or other non-consensual lien, levy or attachment; provided, that: (i) the Replacement DIP Superpriority Claims shall be subject and subordinate only to payment of the Carve-Out; (ii) the Supplemental Adequate Protection Priority Claims shall be subject and subordinate to the payment of the Carve-Out and Replacement DIP Superpriority Claims; (iii) the Supplemental Adequate Protection Priority Claims shall be *pari passu* with the Adequate Protection Claim granted under the 2012 Final DIP Order; (iv) in accordance with the Prepetition Intercreditor Agreement, the Supplemental Adequate Protection Priority Claims of the Prepetition Second Lien Agent shall be subordinate and subject to the payment of the Supplemental Adequate Protection Claim of the Prepetition First Lien Agent; (v) the Replacement DIP Superpriority Claims shall be payable from and have recourse to all prepetition and postpetition property of the Debtors and all proceeds thereof,

In furtherance and not in limitation of the foregoing, the Replacement DIP Superpriority Claims and the Supplemental Adequate Protection Priority Claims shall at all times be senior to, among other things, (x) the rights of the Debtors in the Chapter 11 Cases and any successor trustee or other estate representative in any Chapter 11 case or successor case, and (y) any intercompany claim of or against any Debtor.

(g) No liens, claims, interests or priority status (other than with respect to the Carve-Out and the Existing Priority Liens as described herein), having, as applicable, a lien or administrative priority superior to or *pari passu* with that of the Replacement DIP Postpetition Liens, the Replacement DIP Superpriority Claims, the Adequate Protection Liens, the Supplemental Adequate Protection Liens, the Adequate Protection Priority Claims or the Supplemental Adequate Protection Priority Claims, and no liens on or with respect to the Avoidance Actions or the proceeds or property recovered on account thereof shall be granted while any portion of the Replacement DIP Loans or the Prepetition Secured Debt remains outstanding, or any loan commitment under the Replacement DIP Facility or Prepetition Loan Documents remains in effect, without the prior written consent of each Replacement DIP Agent,

(i) Each of the Replacement DIP Agents and the Prepetition Agents may, but shall not be obligated to, enter into, obtain, file or record any Non-Bankruptcy Lien Document that it deems in its sole discretion to be necessary or desirable, in which case: (i) all such documents shall be deemed to have been recorded and filed immediately upon entry of the Final

Order; provided, however, that any documents evidencing the Replacement DIP Postpetition Liens shall be deemed to have been recorded and filed immediately prior to any documents evidencing Supplemental Adequate Protection Liens, and the Supplemental Adequate Protection Liens of the Prepetition First Lien Agent shall be deemed to have been recorded and filed immediately prior to the documents evidencing any Supplemental Adequate Protection Liens of the Prepetition Second Lien Agent; and (ii) no defect in any such act shall affect or impair the validity, perfection, enforceability or priority of the liens granted hereunder.

(j) In lieu of obtaining or filing any Non-Bankruptcy Lien Document, each of the Replacement DIP Agents and the Prepetition Agents may, but shall not be obligated to, file a true and complete copy of this Final Order in any place at which any such Non-Bankruptcy Lien Document would or could be filed, together with a description of the DIP Collateral or Prepetition Collateral, as applicable, and any such filing by the Replacement DIP Agents or the Prepetition Agents shall have the same effect as if such Non-Bankruptcy Lien Document had been filed or recorded immediately upon entry of the Final Order.

(k) The Replacement DIP Postpetition Liens, Replacement DIP Superpriority Claims, and other rights and remedies granted under this Final Order to the Replacement DIP Agents and the Replacement DIP Lenders shall continue in the Chapter 11 Cases and in any Successor Case, and such Replacement DIP Postpetition Liens, Replacement DIP Superpriority Claims, and other rights and remedies shall maintain their respective priorities as provided in this Final Order until the Replacement DIP Loans have been indefeasibly paid in full in cash and completely satisfied and the Replacement DIP Lenders' commitments have been terminated in accordance with the Replacement DIP Documents.
