PART 1 ORDERS SOUGHT

1. An Order abridging the time for service and hearing of the within Notice of Application, if necessary.
2. An Order, in substantially the form of the draft order attached hereto as **Schedule “B”** extending the Stay Period (as defined below), up to and including 4:00 p.m. (PDT) on December 15, 2021.
3. An Order, in substantially the form of the draft order attached hereto as **Schedule “C”** (the **“Meetings Order”**), which authorizes and directs the Petitioners, with the assistance of KSV Restructuring Inc. (**“KSV”**), in its capacity as the Court-appointed monitor of the Petitioners (the **“Monitor”**), to convene a meeting of the Affected Creditors of ACC, and a meeting of the Affected Creditors of ACBI, by videoconference, to vote on ACC and ACBI’s plan of arrangement and compromise which is attached to the Meetings Order as Appendix “B” (as may be amended in accordance with the terms thereof, the **“Plan”**).
4. Such further and other relief as counsel may request and as this Honourable Court deems appropriate.

PART 2 FACTUAL BASIS

1. All capitalized terms used in this Notice of Application, unless otherwise noted, have the meanings ascribed to them in the Plan or the Meetings Order.

Background

2. ACC is the parent company of a multinational private equity business. Using monies raised from its investors, ACC acquired through various holding companies, including ACBI, majority ownership interests in numerous portfolio companies (collectively, the **“Portfolio Companies”**). The Portfolio Companies are privately-owned mid-market businesses.
3. ACC currently has indirect majority ownership interests in fourteen (14) Portfolio Companies located in Canada, the United States and the United Kingdom.

4. ACC did not use a typical private equity model to raise capital and invest in businesses, which ordinarily relies on a limited partnership structure to raise capital from its investors. Rather, ACC primarily raised capital by issuing unsecured debt through instruments that pay annual interest.
5. Pursuant to an order (the “**Initial Order**”) of the Supreme Court of British Columbia (the “**Court**”) made on March 5, 2021, ACC and ACBI were granted protection under the CCAA, and KSV was appointed as Monitor.
6. Additionally, the Initial Order granted:
 - (a) an initial stay of proceedings until March 15, 2021 (the “**Stay Period**”); and
 - (b) the Administration Charge and D&O Charge.
7. On March 15, 2021, the Court issued an amended and restated Initial Order pursuant to which:
 - (a) the Stay Period was extended to May 7, 2021;
 - (b) the amount of the Administration Charge and D&O Charge were increased; and
 - (c) the Intercompany Charge in favour of ACBI was approved.
8. Pursuant to orders issued by the Court on March 31, 2021, the Court:
 - (a) approved the appointment of a committee comprised of seven investors (the “**Investor Committee**”) to, among other things, provide the Monitor and the Petitioners with insight into the objectives and priorities of ACC’s and ACBI’s investors;
 - (b) approved a DIP Facility in the amount of \$5 million from RCM and granted the Interim Lender’s Charge in favour of RCM for this amount;
 - (c) reduced the amount of the Administration Charge; and
 - (d) approved a claims procedure (the “**Claims Procedure**”) for soliciting and determining claims against the Petitioners and against the Petitioners’ directors and officers.

9. Pursuant to an order issued by the Court on May 6, 2021, the Court:
 - (a) approved a key employee retention plan for certain of ACC's employees; and
 - (b) granted an extension of the Stay Period to July 6, 2021.
10. Pursuant to an order issued by the Court on June 28, 2021, the Court granted an extension of the Stay Period to October 1, 2021.
11. On July 26, 2021, the Court granted the following orders:
 - (a) an order approving the consulting agreement (the "**Consulting Agreement**") between ACC and Kingsman Scientific Management Inc. (the "**Consultant**"), engaging the Consultant to provide the services of Kyle Makofka as Chief Restructuring Officer of the Petitioners, and authorizing and directing ACC to enter into and carry out the terms of the Consulting Agreement;
 - (b) an order creating the CRO Charge in favour of the Consultant in the amount of \$200,000; and
 - (c) an order approving the separation agreement between the Petitioners and James Livingstone and Livingstone Holdings Inc.

Extension of Stay Period

12. As previously noted, the Stay Period is currently set to expire on October 1, 2021.
13. The extension of the Stay Period to and including December 15, 2021 is necessary in order to provide continued stability to the Petitioners' business while the Petitioners, with the assistance of the Monitor, present the Plan to the Affected Creditors for voting purposes.
14. The Monitor is supportive of the extension of the Stay Period to December 15, 2021.
15. The Petitioners are not aware of any objection to the extension of the Stay Period, including from any member of the Investor Committee.

16. The cash flow projections for the period of October 1, 2021 to December 15 2021, reviewed with the Monitor and attached as Appendix “D” to the Sixth Report of the Monitor, projects that the Petitioners have sufficient liquidity to fund their operations until December 15, 2021.

Update on Claims Procedure

17. The Claims Procedure Order was granted on March 31, 2021.
18. The Monitor and the Petitioners identified and quantified all known creditor claims (the “**Known Claims**”).
19. In accordance with the Claims Procedure Order the Monitor:
- (a) distributed, by the date required under the Claims Procedure Order (being April 15, 2021), approximately four hundred (400) claim packages to known claimants;
 - (b) published, on April 7, 2021, a notice advising of the Claims Procedure in *The Globe and Mail (National Edition)* and the *Vancouver Sun*; and
 - (c) posted on its website, immediately after the Claims Procedure Order was granted, a notice to claimants, the claims package and the Claims Procedure Order.
20. The claims bar date for Known Claims, pre-filing Claims and director and officer claims (“**D&O Claims**”) was May 14, 2021 (the “**Claims Bar Date**”).
21. Following the Claims Bar Date, the Petitioners identified twelve (12) Claims that the Petitioners intend to dispute, principally involving former employees, a former landlord and a claim filed by an investment management firm for unpaid fees. The Monitor and the Petitioners have been working with the claimants to attempt to consensually resolve these Disputed Claims. As of the date hereof, six (6) claims have been resolved, and six (6) disputed claims remain outstanding. If the Monitor is unsuccessful in resolving the outstanding claims, it may be necessary to have such Claims adjudicated by the Court.
22. Five (5) D&O Claims were filed. Four (4) of these D&O Claims were filed by members of the Investor Committee and one was filed by another investor. The Monitor also sent a letter to ACC, which attached a claim from a member of the Investor Committee advising

the Petitioners that the Monitor intended to accept the claim as a placeholder representative claim (the “**Omnibus D&O Claim**”) made on behalf of all of the Petitioners’ investors. The Investor Committee has since confirmed that the Omnibus D&O Claim will not be pursued if the Plan is implemented.

Summary of Plan

23. The primary purposes of the Plan are to: (a) restructure the Affected Claims and effect the Distributions to Affected Creditors contemplated under the Plan; (b) effect a full, final and irrevocable release and discharge of certain Claims against the Petitioners’ D&Os; (c) establish a new board of directors of ACC; and (d) amend and reconstitute the share capital of ACC, including the issuance of new shares to ACC Investor Creditors.
24. The Plan is put forward in the expectation that the Affected Creditors, when considered as a whole, will derive a greater benefit from the implementation of the Plan and the continuation of the Petitioners’ business as a going concern than would result from an immediate sale of the Petitioners’ interests in their respective Portfolio Companies.
25. As ACBI is a wholly owned subsidiary of ACC, with its own distinct constituent of creditors, the Plan provides for two (2) separate classes of creditors for voting purposes:
 - (a) the ACBI Creditor Class, comprising of the ACBI Creditors; and
 - (b) the ACC Creditor Class, comprising of the ACC Creditors.
26. Pursuant to the Plan, at the Effective Time:
 - (a) the Affected Claims of the ACC Creditors will be restructured and each of the ACC General Creditors and the ACC Investor Creditors will have a continuing non-interest bearing claim against ACC, entitling such ACC Creditors to payments from the ACC Cash Available for Distribution in the manner and priority contemplated under the Plan; and
 - (b) the Affected Claims of the ACBI Creditors will be restructured and each of the ACBI General Creditors will have a continuing non-interest bearing claim against ACBI, entitling such ACBI Creditors to payments from the ACBI Cash Available for Distribution in the manner and priority contemplated under the Plan. For clarity, such ACBI Creditors have a continuing claim to post-filing interest on the principal portion of their Proven Claims in addition to their continuing non-interest bearing

claims in respect of the principal and pre-filing interest portions of their Proven Claims.

27. In addition to the aforementioned distributions, each of the ACC Investor Creditors will be issued New ACC Common Shares in accordance with the Plan implementation steps set out in Schedule “E” to the Plan (the “**Plan Implementation Steps**”). In accordance with the Plan Implementation Steps, the existing ACC Shares will be converted into the Converted Shares, which shares will be subsequently cancelled, without further act or formality.
28. The Plan, insofar as it relates to ACC, must be accepted by the Required Majority of Creditors of the ACC Creditors, and, insofar as it relates to ACBI, is required to be accepted by the Required Majority of Creditors of the ACBI Creditors and ACC Creditors. In the event that the Plan is only approved by the Required Majority of Creditors of ACC Creditors, the Petitioners shall move to have the Plan sanctioned by the Court only with respect to ACC, and the terms of the Plan as it relates to ACBI shall be severed from the Plan and no longer in force. In the event that the Plan is not approved by the Required Majority of Creditors of ACC Creditors, then the Plan shall be deemed to be rejected by the Affected Creditors.
29. Notably, the Plan does not affect the Unaffected Claims, which include, among others:
 - (a) all Non-Released D&O Claims;
 - (b) any Claims of Secured Creditors;
 - (c) any Claims relating to Continuing D&O Indemnities;
 - (d) any Claims that are not permitted to be compromised under section 19(2) of the CCAA; and
 - (e) any Claims in respect of payments referred to in sections 6(3), 6(5) and 6(6) of the CCAA.

Summary of Meetings Order

30. The Meetings Order provides the mechanism by which Affected Creditors of ACBI and ACC may vote on the Plan.
31. Among other things, the Meetings Order:
 - (a) accepts the Plan for filing;
 - (b) approves the classification of the Affected Creditors into two (2) classes for voting purposes:
 - (i) the ACC Creditor Class; and
 - (ii) the ACBI Creditor Class;
 - (c) authorizes the Petitioners to convene the ACC Creditors' Meeting and the ACBI Creditors' Meeting by way of videoconference, with the discretion left to the Monitor to adjourn one or both meetings as the Monitor deems appropriate;
 - (d) establishes the process by which notice of the Creditors' Meetings is provided to Affected Creditors;
 - (e) establishes the process by which Affected Creditors may vote on the Plan; and
 - (f) authorizes the Monitor to seek this Honourable Court's sanction of the Plan.

PART 3 LEGAL BASIS

1. The Petitioners rely on:
 - (a) the CCAA;
 - (b) the *Supreme Court Civil Rules*;
 - (c) the inherent and equitable jurisdiction of this Honourable Court; and
 - (d) such further and other legal basis and authorities as counsel may advise and this Honourable Court may permit.

The Stay Period Extension is Appropriate

2. This Honourable Court has jurisdiction to grant the proposed extension to the Stay Period pursuant to section 11.02(2) of the CCAA. In determining whether it is appropriate to extend a stay of proceedings, the Court should enquire as to whether the order sought is appropriate in the circumstances and the applicant has acted, and is acting, in good faith and with due diligence. An order extending a stay of proceedings will be appropriate where it advances the remedial purposes of the CCAA and avoids the losses that result from liquidation.

CCAA, s. 11.02(2).

North American Tungsten, Re (“North American Tungsten”),
2015 BCSC 1376 at paras 24-26.

3. It is appropriate for Courts to give deference when considering extensions to a stay period, provided the good faith and due diligence requirements have been met under section 11.02(3) of the CCAA.

CCAA, s. 11.02(2) and 11.02(3).

North American Tungsten at para 28.

4. Since the Filing Date, the Petitioners have acted, and continue to act, in good faith and with due diligence, and circumstances exist that make granting an extension of the Stay Period appropriate. Among other things, the extension of the Stay Period will enable the Petitioners to present the Plan to the Affected Creditors for voting purposes and, if approved by the Affected Creditors, allow the Petitioners to seek this Honourable Court’s sanction of the Plan.
5. The Monitor supports the extension to the Stay Period and believes that the Petitioners have acted, and continue to act, in good faith and with due diligence.
6. The Petitioners are unaware of any creditor who opposes the proposed extension of the Stay Period. Further, no creditor of the Petitioners will suffer any material prejudice if the Stay Period is extended to and including December 15, 2021.

The Creditors' Meetings

7. Sections 4 and 5 of the CCAA provide this Honourable Court the authority to order and direct a creditors' meeting for the purpose of voting on a plan of compromise and arrangement.

CCAA, at ss. 4 and 5.

8. The threshold to be met for the granting of a meeting order pursuant to section 4 of the CCAA is low. A court should generally exercise its discretion to order and direct a creditors' meeting unless it has determined that the Plan is doomed to fail or that the Court would refuse to approve the Plan irrespective of creditor approval.

Quest University Canada (Re),
2020 BCSC 1845 at para 32.

9. The Plan is fair and reasonable, and offers the best opportunity for recovery for the Affected Creditors. It is therefore realistic that the Plan will be accepted by the Required Majority of Creditors and there is no basis to support a suggestion that the Plan is doomed to fail.
10. Further, the Plan satisfies all applicable statutory requirements and provides for an enhanced return to the Petitioners' Affected Creditors than what they may receive in a bankruptcy or forced liquidation scenario.

Classification of Creditors

11. Pursuant to section 22 of the CCAA, a debtor company may divide its creditors into classes for the purpose of a meeting of creditors. Creditors may be included in the same class if their interests or rights are sufficiently similar to give them a commonality of interest, taking into account the following:

- (a) the nature of the debts, liabilities or obligations giving rise to their claims;
- (b) the nature and rank of any security in respect of their claims;
- (c) the remedies available to the creditors in the absence of the compromise or arrangement being sanctioned, and the extent to which the creditors would recover their claims by exercising those remedies; and

- (d) any further criteria, consistent with those set out in paragraphs (a) to (c), that are prescribed.

CCAA, at s. 22.

12. The key considerations in determining if a proposed class has the requisite commonality of interest are set forth in *Canadian Airlines Corp. (Re)* and were recently reiterated by the Alberta Court of Appeal in *Trican Well Service Ltd v Delphi Energy Corp*:

- (a) Commonality of interest should be viewed on the basis of the non-fragmentation test, not on an identity of interest test.
- (b) The interests to be considered are the legal interests the creditor holds *qua* creditor in relationship to the debtor company, prior to and under the plan as well as on liquidation.
- (c) The commonality of these interests are to be viewed purposively, bearing in mind the object of the C.C.A.A., namely to facilitate reorganizations if possible.
- (d) In placing a broad and purposive interpretation on the C.C.A.A., the court should be careful to resist classification approaches which would potentially jeopardize potentially viable plans.
- (e) Absent bad faith, the motivations of the creditors to approve or disapprove are irrelevant.
- (f) The requirement of creditors being able to consult together means being able to assess their legal entitlement *as creditors* before or after the plan in a similar manner. [emphasis in original]

Canadian Airlines Corp (Re),
2000 CanLII 28185 (AB QB), 19 CBR (4th) 12 at para 31.

Trican Well Service Ltd v Delphi Energy Corp (“Trican”),
2020 ABCA 363 at para 15.

13. The Court in *Trican* provides the following guidance in determining whether CCAA creditor classifications are appropriate:

What is required is some “community of interest and rights which are not so dissimilar as to make it impossible for the creditors in the class to consult with a view toward a common interest”: *Sklar-Peppler Furniture Corp v Bank of Nova Scotia* (1991), 1991 CanLII 8306 (ON SCDC), 86 DLR (4th) 621 at para 14 (ON

SCDC). Another important consideration is avoidance of tyranny of the minority: “it would be improper to create a special class simply for the benefit of the opposing creditor which would give that creditor the potential to exercise an unwarranted degree of power”: *Sklar-Peppler* at para 14.

Trican, supra at para 16.

Sklar-Peppler Furniture Corp. v. Bank of Nova Scotia,
1991 CanLII 8306 (ON SCDC) at para 14.

14. As Mr. Justice Farley held in *Stelco Inc. (Re)*, “absent valid reason to have separate classes, it [is] reasonable, logical, rational and practical to have all [the] unsecured debt in the same class”.

Stelco Inc. (Re), [2005] OJ No 4814 (QL) at para 13.

Conclusion

15. Based on the foregoing, it is appropriate for this Honourable Court to grant the Meetings Order and such other relief as this Honourable Court deems appropriate.

35. At the Creditors' Meetings, the Chair shall direct the votes with respect to the resolutions and any amendments, variations or supplements to the Plan that are made in accordance with the terms thereof. The only Persons entitled to vote at the Creditors' Meetings shall be Affected Creditors and their Proxy holders. Holders of Equity Claims or Unaffected Claims are not entitled, in such capacity, to attend the Creditors' Meetings or vote on the Plan.
36. The vote required to pass any resolutions to be voted on at the Creditors' Meetings to approve the Plan, shall be decided by the affirmative vote of at least the Required Majority of Creditors in each Affected Creditor Class (pursuant to section 6 of the CCAA and section 3.2 of the Plan) of the votes cast on such resolutions, in accordance with the Electronic Meetings Protocol, and except as otherwise provided in the Electronic Meetings Protocol, any other matter submitted for a vote at the Creditors' Meetings shall be decided by a simple majority of votes cast in accordance with the Electronic Meetings Protocol.
37. If approved by the Required Majority of Creditors of the ACC Creditor Class at the ACC Creditors' Meeting, the Plan shall be ratified and given full force and effect in respect of ACC and the ACC Creditors, in accordance with the provisions of this Meetings Order, the Claims Procedure Order, the CCAA, and the *British Columbia Business Corporations Act* (or such other business corporations legislation applicable to ACC, and any further order of this Court) ("**ACC Creditor Approval**").

If approved by the Required Majority of Creditors of the ACBI Creditor Class at the ACBI Creditors' Meeting, the Plan shall be ratified and given full force and effect in respect of ACBI and the ACBI Creditors, in accordance with the provisions of this Meetings Order, the Claims Procedure Order, the CCAA, and the *British Columbia Business Corporations Act* (or such other business corporations legislation applicable to ACBI, and any further order of this Court), provided, however, that ratification of the Plan is conditional upon the Petitioners also obtaining ACC Creditor Approval of the Plan.

39. For the purposes of counting and tabulating the votes at each of the Creditors' Meetings, each ACC Creditor and ACBI Creditor shall be entitled to one (1) vote on the Plan for its Affected Claim and the value attributed to such vote (for the purposes of determining the Required Majority of Creditors) shall be equal to the Canadian Dollar value of such Affected Claim.
40. At each of the Creditors' Meetings, each Affected Creditor with a Disputed Claim against ACBI and each Affected Creditor with a Disputed Claim against ACC shall be entitled to one (1) vote on the Plan in respect of ACBI and ACC, respectively. The vote of any Disputed Claim against ACC or ACBI shall have the value accepted by the Monitor, if any, for voting purposes. For each Disputed Claim, the Monitor shall keep a separate record of votes cast by each Affected Creditor entitled to vote holding Disputed Claims. The votes cast in respect of any Disputed Claim shall not be counted for any purpose unless, until and only to the extent that such Disputed Claim is finally determined to be a Proven Claim in accordance with the Claims Procedure Order.
41. No Affected Creditor shall be entitled to split or subdivide an Affected Claim for purposes of voting.
42. In the event that the Plan is only approved by the Required Majority of Creditors of the ACC Creditor Class and not by the Required Majority of Creditors of the ACBI Creditor Class, then the Petitioners shall move to have the Plan sanctioned by the Court only with respect to ACC such that the terms of the Plan as it relates to ACBI shall be severed and no longer in force.
43. In the event that the Plan is not approved by the Required Majority of Creditors of the ACC Creditor Class, then the Plan shall be deemed to be rejected by the ACBI Creditor Class.
44. The results of all votes provided at each of the Creditors' Meetings shall be binding on all Affected Creditors, whether or not any such Affected Creditor was present or voted at the applicable Creditors' Meeting.

46. The unintentional failure by the Petitioners or the Monitor to give any notice contemplated hereunder to any particular Affected Creditor shall not invalidate the Plan or any action taken by any Person pursuant to the Plan.
47. Any notices or communications to be made or given hereunder by the Monitor to an Affected Creditor may be sent by e-mail, email link, ordinary mail, registered mail or courier. An Affected Creditor shall be deemed to have received any document sent pursuant to the Plan on the Business Day immediately following the day on which the document is sent by e-mail or courier and four (4) Business Days after the document is sent by ordinary or registered mail. Documents need not be sent by ordinary or registered mail during a postal strike or work stoppage of general application.

48. Copies of emailed notices or communications may be mailed to an Affected Creditor as follows:
- a. the address set forth on an Affected Creditor's Proof of Claim;
 - b. the last known address of the Affected Creditor which was provided to the Monitor or the Petitioners; or
 - c. the last known address shown in ACC or ACBI's books and records, as applicable.
49. In the event that this Meetings Order is later amended by further order, the Monitor shall post such further order on the Monitor's Website, shall send an email link to the posted amended Meetings Order to all Affected Creditors, and shall serve such further order on the Service List, and such posting and service shall constitute adequate notice to those creditors of the amendments made.

SANCTION ORDER APPLICATION

50. As soon as practicable following the Creditors' Meetings, the Monitor shall provide a report to this Court that includes: (a) a summary of all motions called at the Creditors' Meetings; (b) the scrutineer's report(s) on the result of the votes on each motion, including the motions to vote on the Plan; and (c) such further and other information as determined by the Monitor to be necessary, and post a copy of the report on the Monitor's Website.
51. If the Plan is approved by the Required Majority of Creditors of the ACC Creditor Class or by the Required Majority of Creditors of both the ACC Creditor Class and ACBI Creditor Class, then the Petitioners shall bring an application (the "**Sanction Order Application**") for the Sanction Order as contemplated in section 9.1 of the Plan, to be returnable no later than November 19, 2021 or as soon thereafter as the matter can be heard.
52. A copy of the Sanction Order Application court materials together with the Monitor's further reporting shall be published on the Monitor's Website as soon as practicable following service thereof by the Petitioners.

53. Publication of the Newspaper Notice of Meetings and this Meetings Order pursuant to paragraphs 15 and 16 hereof, and delivery of the Meetings Materials pursuant to paragraphs 18 and 19 hereof shall constitute good and sufficient service of notice of the Sanction Order Application upon all Persons who may be entitled to receive such service (other than the parties on the Service List in these CCAA proceedings) and no other form of service needs to be made and no other materials need to be served on such Persons in respect of the Sanction Order Application.
54. Any party who wishes to oppose the Sanction Order Application shall serve on counsel for the Petitioners, counsel for the Monitor, and all parties on the Service List, at least three (3) Business Days prior to the Sanction Order Application return date (or such other later date as the Monitor may direct): (a) an application response in the form prescribed by the British Columbia *Supreme Court Civil Rules* setting out the basis for such opposition; and (b) a copy of the materials to be relied upon to oppose the Sanction Order Application.
55. If the Sanction Order Application is adjourned, postponed or otherwise rescheduled, only those Persons listed on the Service List or that have filed and served an application response in accordance with paragraph 54 hereof are required to be served with notice of the adjourned, postponed or otherwise rescheduled date.

ARTICLE I – DEFINITIONS AND INTERPRETATION

1.1 Definitions

In this Plan (including the Schedules hereto), unless otherwise stated or unless the subject matter or context otherwise requires, capitalized words used have the meanings ascribed to them in Schedule “A”.

1.2 Article and Section Reference

The terms “this Plan”, “hereof”, “hereunder”, “herein”, “hereto” and similar expressions shall be deemed to refer generally to this Plan, and not to any particular article, section, paragraph, or subparagraph of this Plan, and include any variations, amendments, modifications or supplements hereto. In this Plan, a reference to an article, section, subsection, clause or paragraph shall, unless otherwise stated, refer to an article, section, paragraph, or subparagraph of this Plan.

1.3 Reference to Orders

Any reference in this Plan to an Order or an existing document or exhibit to be filed means such Order, document or exhibit as it may have been or may be amended, modified or supplemented.

1.4 Extended Meanings

In this Plan, where the context so requires, any word importing the singular number shall include the plural and vice versa, and any word or words importing gender shall include all genders.

1.5 Interpretation Not Affected by Headings

The division of this Plan into articles, sections, paragraphs, and subparagraphs and the insertion of a table of contents and headings are for convenience of reference only and shall not affect the construction or interpretation of this Plan, nor are the descriptive headings of articles and sections intended as complete or accurate descriptions of the contents thereof.

1.6 Inclusive Meaning

As used in this Plan, the words “include”, “includes”, “including” and similar words of inclusion will not, unless expressly modified by the words “only” or “solely”, be construed as terms of limitation, but rather will mean “includes but is not limited to” and “including but not limited to”, so that references to included matters shall be regarded as illustrative rather than exhaustive.

1.7 Currency

Unless otherwise stated herein, all references to currency in this Plan are to lawful money of Canada.

1.8 Statutory References

Any reference in this Plan to a statute or other enactment of parliament or a legislature includes all regulations made thereunder, all amendments to or re-enactments of such statute or regulations in force from time to time and any statute or regulation that supplements or supersedes such statute or regulation.

1.9 Successors and Assigns

The rights, benefits and obligations of any Person named or referenced in this Plan shall be binding on and shall enure to the benefit of any heir, administrator, executor, legal personal representative, successor or assign, as the case may be, or a trustee, receiver, interim receiver, receiver and manager, liquidator or other Person acting on behalf of such Person, as permitted hereunder.

1.10 Governing Law

This Plan, and each of the documents contemplated or delivered under or in connection with this Plan, shall be governed by and construed and interpreted in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein, without regard to any conflict of law provision that would require the application of the law of any other jurisdiction. Any dispute or issue in connection with, or related to the interpretation, application or effect of this Plan and all proceedings taken in connection with this Plan and its revisions shall be subject to the exclusive jurisdiction of the CCAA Court.

1.11 Severability of Plan Provisions

If any provision of this Plan is determined to be illegal, invalid or unenforceable, by an arbitrator or any court of competent jurisdiction from which no appeal exists or is taken, then, that provision will be severed from this Plan and the remaining provisions will remain in full force and effect. Upon such determination, the court or other arbiter making such determination is authorized and instructed to interpret the remaining provisions of this Plan so as to effect the original intent of this Plan as closely as possible so that the transactions and arrangements contemplated herein are consummated as originally contemplated to the fullest extent possible.

1.12 Timing Generally

Unless otherwise specified, all references to time herein, and in any document issued pursuant hereto, shall mean local time in Vancouver, British Columbia and any reference to an event occurring on a Business Day shall mean prior to 4:00 p.m. on such Business Day.

1.13 Time of Payments and Other Actions

Unless otherwise specified, time periods within or following which any action is to be taken or act is to be done shall be calculated by excluding the day on which the period commences and including the day on which the period ends and by extending the date of such action or act to the next succeeding Business Day if the last day of the period is not a Business Day.

1.14 Schedules

The following are the Schedules to this Plan, which are incorporated by reference into this Plan and form an integral part hereof:

- Schedule “A” - Definitions
- Schedule “B” - Form of Monitor’s Plan Certificate
- Schedule “C” – Amendments to ACC’s Articles Creating New ACC Common Shares
- Schedule “D” - ACC’s Amended and Restated Notice of Articles and Articles
- Schedule “E” - Plan Implementation Steps

ARTICLE II – PURPOSE AND EFFECT OF THIS PLAN

2.1 Purpose of this Plan

The primary purposes of this Plan are to:

- a. restructure the Affected Claims and effect the Distributions to Affected Creditors provided for herein;
- b. effect a full, final and irrevocable release and discharge of certain Claims against the Petitioners’ D&Os;
- c. establish a new board of directors of ACC; and
- d. amend and reconstitute the share capital of ACC, including the issuance of new shares to ACC Investor Creditors.

This Plan is put forward in the expectation that the Affected Creditors, when considered as a whole, will derive a greater benefit from the implementation of this Plan and the continuation of the Petitioners’ business as a going concern than would result from an immediate sale of the Petitioners’ interests in their respective portfolio companies (each a “**Portfolio Company**” and collectively the “**Portfolio Companies**”) whether in the CCAA Proceedings or in a bankruptcy or liquidation.

2.2 Procedurally Consolidated Plan

This Plan is being presented on a procedurally consolidated basis to simplify the administration and implementation of this Plan, recognizing that ACBI is a wholly-owned subsidiary of ACC, with its own distinct constituent of creditors. This Plan does not purport to effect a substantive consolidation of the Petitioners. This Plan provides for two (2) separate classes of creditors for voting purposes: (i) the ACBI Creditors and (ii) the ACC Creditors. Distributions within each class shall be governed by Article VI of this Plan. This Plan relates only to the Petitioners and their Directors and Officers and does not include the claims of creditors of any of the Petitioners’ Portfolio Companies or other subsidiaries or Affiliates.

2.3 Secured Indebtedness of ACC

As at the Filing Date, the Petitioners had a *de minimis* amount of secured indebtedness, all of which has either since been paid in full or is otherwise current and relates only to certain credit cards issued by HSBC Bank Canada in the name of ACC and used (and paid) in the ordinary course of operations and which are subject to a limit, in the aggregate, of \$10,000.

Subsequent to commencing the CCAA Proceedings, the Petitioners obtained the CCAA Charges, each of which was granted as security for obligations owed or to be owed by the Petitioners. It is a condition precedent to the implementation of this Plan that the CCAA Charges are discharged, which may require that some or all of the CCAA Charges be cash collateralized in whole or in part.

The obligations under the DIP Facility will remain outstanding at the Effective Time. The Petitioners and RCM have entered into a term sheet setting out the business terms of a senior secured \$10,000,000 term loan facility (the “**RCM Exit Facility**”) that would result in the repayment in full of the DIP Facility and release of the Interim Lender’s Charge. The RCM Exit Facility will be a secured obligation of ACC to be supported by way of a: (i) general security agreement to be granted by ACC and (ii) guarantee of the obligations of ACC to RCM from ACBI to be secured by a general security agreement. It is intended that the RCM Exit Facility will be repaid by ACC in accordance with the terms of the loan documents. Such obligations will rank ahead of all other creditors (other than HSBC in connection with the existing credit card facilities), including Affected Creditors.

2.4 Claims Procedure Order

For greater certainty, nothing in this Plan revises or restores any right or claim of any kind that is barred or extinguished pursuant to the terms of the Claims Procedure Order.

ARTICLE III – CLASSIFICATION AND VOTING OF AFFECTED CREDITORS

3.1 Classification for Voting Purposes

This Plan shall be comprised of the following two (2) classes of Affected Creditors for voting purposes (the “**Affected Creditor Classes**”) at the ACBI Creditors’ Meeting and the ACC Creditors’ Meeting, respectively:

- a. **Unsecured Creditors of ACBI:** This class of unsecured creditors is comprised of:
 - i. holders of promissory notes issued by ACBI (collectively, the “**ACBI Promissory Note Creditors**”); and
 - ii. trade and other unsecured creditors of ACBI other than the ACBI Promissory Note Creditors (collectively, the “**ACBI General Creditors**”).
- b. **Unsecured Creditors of ACC:** This class of unsecured creditors is comprised of:

- i. holders of Preferred Securities issued by ACC (collectively, the “**Preferred Securityholders**”) and holders of Hybrid Securities issued by ACC (collectively, the “**Hybrid Securityholders**”, and together with the “**Preferred Securityholders**”, the “**ACC Investor Creditors**”);
- ii. a single holder of a promissory note issued by ACC (the “**ACC Promissory Note Creditor**”); and
- iii. trade and other unsecured creditors of ACC other than the ACC Investor Creditors (collectively with the ACC Promissory Note Creditor, the “**ACC General Creditors**”).

3.2 Voting by Affected Creditors

- a. Each ACC Creditor will be entitled to one vote on this Plan.
- b. Each ACBI Creditor will be entitled to one vote on this Plan.
- c. The value attributed to each vote by an ACC Creditor or an ACBI Creditor is equal to the Canadian dollar value of the portion of such Affected Creditor’s Affected Claim against ACC or ACBI as at the Filing Date, as applicable. The voting rights with respect to Affected Claims filed in currencies other than in Canadian dollars will be calculated by the Petitioners at the daily exchange rate quoted by the Bank of Canada for exchanging such currency from Canadian dollars as at the Filing Date.
- d. Each Affected Creditor with a Disputed Claim against ACC is entitled to one vote on this Plan in respect of ACC.
- e. Each Affected Creditor with a Disputed Claim against ACBI is entitled to one vote on this Plan in respect of ACBI.
- f. The vote of any Disputed Claim against ACC or ACBI shall have the value accepted by the Monitor, if any, for voting purposes.

The portions of this Plan relating to ACC and to ACBI will be approved independently of each other if:

- a. a majority in number of each class of Affected Creditors voting vote in favour of this Plan; and
- b. the total Affected Claims voting in each class of Affected Creditors in favour of this Plan represent at least 66.67% in value of the Affected Claims voting on the Plan (together, the “**Required Majority of Creditors**”).

This Plan, insofar as it relates to ACC, is required to be accepted by the Required Majority of Creditors of the ACC Creditors, and, insofar as it relates to ACBI, is required to be accepted by the Required Majority of Creditors of the ACBI Creditors and ACC Creditors.

In the event that this Plan is only approved by the Required Majority of Creditors of ACC Creditors, the Petitioners shall move to have this Plan sanctioned by the Court only with respect to ACC, and the terms of this Plan as it relates to ACBI shall be severed from this Plan and no longer in force. This Plan shall be deemed to be rejected by the Affected Creditors in the event that this Plan is only approved by the Required Majority of Creditors of ACBI Creditors.

Implementation of this Plan is subject to approval by the CCAA Court and the other conditions precedent contained in this Plan.

ARTICLE IV – CLAIMS

4.1 Persons Affected by this Plan

This Plan provides for, among other things, the full, final and irrevocable restructuring of Affected Claims and effectuates the restructuring of the Petitioners, including the Investor Claims. At the Effective Time, this Plan shall affect and be binding on and enure to the benefit of the Petitioners, the Affected Creditors, the D&Os, the holders of shares or other securities of ACC, their respective heirs, administrators, executors, legal personal representatives, successors and assigns, as the case may be, and all other Persons named or referred to in, or subject to, this Plan, as and to the extent provided for in this Plan.

4.2 Claims Unaffected by this Plan

Nothing in this Plan shall prejudice, compromise, release, discharge, cancel, bar or otherwise affect any Unaffected Claims. Subject to the provisions of this Plan, Unaffected Claims shall not be compromised, released or otherwise affected by this Plan and shall be dealt with in accordance with the existing arrangements between the Petitioners and the holders of such Unaffected Claims in effect on the Filing Date or such other arrangement as may be mutually agreed between the applicable parties.

4.3 D&O Claims

- a. All D&O Claims against the D&Os (other than Section 5.1(2) D&O Claims and Non-Released D&O Claims) shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred without consideration on the Plan Implementation Date;
- b. All D&O Indemnity Claims and any other rights or claims for indemnification held by the D&Os (other than in respect of the Continuing D&O Indemnities) shall be deemed to have no value and shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred without consideration on the Plan Implementation Date;

- c. Section 5.1(2) D&O Claims against D&Os shall be limited to recovery from any insurance proceeds payable in respect of such Section 5.1(2) D&O Claims pursuant to the Insurance Policies, and Persons with any such Section 5.1(2) D&O Claims against the D&Os shall have no right to, and shall not, make any claim or seek any recoveries other than enforcing such Persons' rights to be paid from the proceeds of the applicable Insurance Policy by the applicable insurer(s);
- d. Non-Released D&O Claims shall not be compromised, discharged, released, cancelled or barred by this Plan, and shall be permitted to continue as against all applicable D&Os; and
- e. Notwithstanding anything to the contrary herein, from and after the Plan Implementation Date, a Person may only commence an action for a Non-Released D&O Claim against a D&O if such Person has first obtained (i) the consent of the Monitor or (ii) the leave of the CCAA Court on notice to the applicable D&Os, Petitioners, Monitor and any applicable insurers.

4.4 Insurance

- a. Subject to the terms of this Section 4.4, nothing in this Plan shall prejudice, compromise, release, discharge, cancel, bar or otherwise affect any right, entitlement or Claim of any Person against the Petitioners or any D&O, or any insurer, in respect of an Insurance Policy or the proceeds thereof.
- b. Nothing in this Plan shall prejudice, compromise, release or otherwise affect any right or defence of any insurer in respect of any Insurance Policy. Furthermore, nothing in this Plan shall prejudice, compromise, release or otherwise affect (i) any right of subrogation any insurer may have against any Person, including against any D&O in the event of a determination of fraud against the Petitioners or any D&O in respect of whom such a determination is specifically made, and/or (ii) the ability of an insurer to claim repayment of any relevant fees (as defined in any such policy) from the Petitioners and/or any D&O in the event that the party from whom repayment is sought is not entitled to coverage under the terms and conditions of the applicable Insurance Policy.
- c. Notwithstanding anything herein (including the releases within this Plan), all D&O Insurance Claims shall be deemed to remain outstanding and are not released following the Plan Implementation Date, but recovery as against the Petitioners and the D&Os (other than those included in the Non-Released D&O Claims) is limited solely to any proceeds of Insurance Policies that are available to pay such Insured Claims, either by way of judgment or settlement. The Petitioners and the D&Os shall make all reasonable efforts to meet all obligations under the Insurance Policies. The applicable insurers agree and acknowledge that they shall be obliged to pay any loss payable pursuant to the terms and conditions of their respective Insurance Policies notwithstanding the releases granted to the Petitioners and the D&Os under this Plan, and that they shall not rely on any provisions of the

Insurance Policies to argue, or otherwise assert, that such releases excuse them from, or relieve them of, the obligation to pay a loss that otherwise would be payable under the terms of the Insurance Policies. For greater certainty, the insurers agree and consent to a direct right of action against the insurers, or any of them, in favour of any plaintiff who or which has (a) negotiated a settlement of any Claim covered under any of the Insurance Policies, which settlement has been consented to in writing by the insurers or such of them as may be required or (b) obtained a final judgment against one or more of the Petitioners and/or the D&Os which such plaintiff asserts, in whole or in part, represents a loss covered under the Insurance Policies, notwithstanding that such plaintiff is not a named insured under the Insurance Policies and that neither the Petitioners nor the D&Os are parties to such action.

- d. Notwithstanding anything in this Section 4.4 from and after the Plan Implementation Date, any D&O Insurance Claimants shall, as against the Petitioners and the D&Os (except in respect of Non-Released D&O Claims), be irrevocably limited to recovery solely from the proceeds of the Insurance Policies paid or payable on behalf of the Petitioners or its D&Os, and any D&O Insurance Claimants shall have no right to, and shall not, directly or indirectly, make any Claim or seek any recoveries from the Petitioners, any of the D&Os (excluding those included in the Non-Released D&O Claims), other than enforcing such Person's rights to be paid from the proceeds of an Insurance Policy by the applicable insurer(s), and this section may be relied upon and raised or pled by the Petitioners and any D&Os in defence or estoppel of or to enjoin any claim, action or proceeding brought in contravention of this section.

4.5 Disputed Claims

Disputed Claims shall be resolved in accordance with the procedures set out in the Claims Procedure Order. The fact that a Disputed Claim is allowed in whole or in part by the Monitor solely for voting purposes in respect of this Plan shall not preclude the Petitioners and the Monitor from disputing such Disputed Claim for Distribution purposes.

If a Disputed Claim is not fully resolved by the time for a Distribution on account of such Claim, then the Disputed Claim distribution amount (or such lesser amount as may be deemed appropriate by the Monitor) will be held in escrow by the Petitioners in a disputed claims reserve (the "**Disputed Claims Reserve**") until settlement or final determination of the Disputed Claim in accordance with this Plan and the Claims Procedure Order. For greater clarity, no funds shall be required to be put into the Disputed Claims Reserve in respect of a Distribution made in respect of Affected Claims senior in priority to the relevant Disputed Claim.

To the extent that all or part of any Disputed Claim becomes a Proven Claim in accordance with this Plan, the Petitioners shall distribute to the holder of such Proven Claim from the relevant Disputed Claims Reserve the amount of the Distribution that such Affected Creditor would have been entitled to receive in respect of its Proven Claim on the distribution date had the Proven Claim

not been a Disputed Claim on the distribution date, in accordance with the terms of Article VI of this Plan.

4.6 No Vote or Distribution in Respect of Unaffected Claims

No holder of an Unaffected Claim shall be entitled to vote on or receive any Distributions under this Plan in respect of such Unaffected Claim.

4.7 Claims Filed by Holders of Unaffected Claims

Where a Proof of Claim has been filed with the Monitor by any Person in respect of an Unaffected Claim, whether pursuant to the Claims Procedure Order or otherwise, such Proof of Claim shall be deemed to be disallowed for voting and distribution purposes with no further action required by the Monitor, and the Monitor shall have no further obligation in respect of such Proof of Claim.

4.8 Defences to Unaffected Claims

Nothing in this Plan shall affect the Petitioners' rights and defences, both legal and equitable, with respect to any Unaffected Claims, including any rights with respect to legal and equitable defences or entitlements to set-offs or recoupments against such Unaffected Claims.

4.9 Subsection 6(3) CCAA Requirements - Certain Crown Claims

All Special Crown Claims are Priority Payments and shall be paid in full to the Crown within six (6) months of the Sanction Order, as required by section 6(3) of the CCAA.

4.10 Subsection 6(5) CCAA Requirements - Employees

All payments required by subsection 6(5) of the CCAA are Priority Payments and shall be paid forthwith following the Plan Implementation Date.

4.11 No Payment on Account of Equity Claims

All Persons holding Equity Claims shall not be entitled to vote at or attend the Creditors' Meetings in respect of their Equity Claims. Subject to and as further described in Section 7.2 and Schedule "E" of this Plan, all Persons holding Equity Claims shall not receive any distributions under this Plan or otherwise receive any other compensation in respect of their Equity Claims and all Equity Claims shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred on the Plan Implementation Date for no consideration.

ARTICLE V – TREATMENT OF AFFECTED CREDITORS

5.1 Treatment of Proven Claims

Ardenton Capital Corporation

- a. At the Effective Time, each Affected Claim held by ACC Creditors will be restructured and:
- i. in respect of the ACC General Creditors, each ACC General Creditor will thereafter have a continuing non-interest bearing claim against ACC in the amount of its Proven Claim in respect of which such ACC General Creditors shall be entitled to payments from ACC Cash Available for Distribution to be made *pro rata* among the ACC General Creditors, up to the amount of each ACC General Creditor's Proven Claim, and in priority to distributions to the ACC Investor Creditors (the “**ACC Level 1 Distributions**”);
 - ii. in respect of the ACC Investor Creditors, each ACC Investor Creditor will thereafter receive the following entitlement(s) in respect of their Proven Claims, as applicable:

ARTICLE XI – PLAN IMPLEMENTATION AND EFFECT OF THIS PLAN

11.1 Binding Effect

On the Plan Implementation Date:

- a. this Plan will become effective at the Effective Time and in accordance with the sequence of steps set out in Schedule “E”;

No Person who has an Affected Claim as a guarantor, surety, indemnitor or similar covenantor in respect of any Affected Claim which is compromised under this Plan or who has any right to claim over in respect of or to be subrogated to the rights of any Person in respect of an Affected Claim which is compromised under this Plan shall be entitled to any greater rights than the Affected Creditor whose Affected Claim was compromised under this Plan. Accordingly, the payment, compromise or other satisfaction of any Affected Claim under this Plan, if sanctioned and approved by the CCAA Court and implemented, shall be binding upon such Affected Creditor, its heirs, executors, administrators, successors and assigns for all purposes and, to such extent, shall also be effective to relieve any third party directly or indirectly liable for such indebtedness, whether as guarantor, surety, indemnitor, director, joint covenantor, principal or otherwise.

11.3 Plan Releases

At the Effective Time, except as otherwise provided in this Plan or in the Sanction Order, the Monitor, its legal counsel and the CRO shall be released from any and all Claims, obligations, rights, Causes of Action and liabilities which any Person may be entitled to assert, whether for tort, contracts, violation of Applicable Laws or otherwise, whether known or unknown, foreseen or unforeseen, existing or thereafter arising, based in whole or in part upon any act or omission,

Each Person to whom Section 4.1 hereof applies shall be deemed to have granted the releases set forth in Section 11.3 notwithstanding that he, she or it may hereafter discover facts in addition to, or different from, those which it now knows or believes to be true, and without regard to the subsequent discovery or existence of such different or additional facts, and such party expressly waives any and all rights that he, she or it may have under any Applicable Law which would limit the effect of such releases to those Affected Claims at the time of the granting of the release.

11.5 Certain Restrictions

From and after the Effective Time, no ACC Investor Creditor may sell, transfer, assign or otherwise dispose of any interest (each, a "**Transfer**"), which it holds in any claim against ACC without the approval of the board of directors of ACC and provided that such ACC Investor Creditor must, as a condition of the Transfer, concurrently assign an equivalent pro rata portion of its New ACC Common Shares, to the proposed purchaser or assignee of the shares (the "**Transferee**"), and the Transferee must agree to accept such assignment of such shares, in each case in writing and in a form acceptable to ACC acting reasonably. Proceedings by the Petitioners, any matter pertaining to the CCAA Proceedings, any of the provisions in this Plan or steps contemplated by this Plan, or non-compliance with any covenant, warranty, representation, term, provision, condition or obligation, express or implied, in every contract, agreement, mortgage, security agreement, indenture, trust indenture, loan agreement, commitment letter, agreement for sale, lease, personal property lease or other agreement, written or oral, any amendments or supplements thereto, existing between such Person and the Petitioners. Any and all notices of default, acceleration of payments and demands for payments under any instrument, or other notices, including without limitation, any notices of intention to proceed to enforce security, arising from any of such aforesaid defaults shall be deemed to have been rescinded and withdrawn. For greater certainty, nothing in this paragraph shall waive any obligations of the Petitioners in respect of any Unaffected Claim.

In this Plan, the deeming provisions are not rebuttable and are conclusive and irrevocable.

33.3 Voting Rights

The holders of the Class X Shares will be entitled to receive notice of and to attend any meetings of the shareholders of the Company and, at any meeting of the shareholders of the Company (except meetings at which, pursuant to the *Business Corporations Act*, only the holders of another class or series of shares of the Company are entitled to vote separately as a class or series) will be entitled to one vote in respect of each Class X Share held.

33.4 Distribution Rights

The holders of the Class X Shares shall be entitled to receive all Distributions at such times and in such amounts as the directors of the Company may in their discretion from time to time declare. All Distributions declared by the Company shall be declared in equal or equivalent amounts per share on all outstanding Class X Shares and Class Y Shares and the amount of any Distributions paid on the Class X Shares and Class Y Shares shall be paid *pro rata* among all the issued and outstanding Class X Shares and Class Y Shares provided that the directors of the Company shall have full and absolute discretion as to the form of payment and the allocation, in respect of the portion of a Distribution payable on the Class X Shares and the Class Y Shares, as between dividends and returns of capital. For greater certainty, the allocation between dividends and returns of capital in respect of a Distribution on the Class X Shares may be different than the allocation between dividends and returns of capital in respect of the Distribution on the Class Y Shares provided that the aggregate amount of the Distribution per issued and outstanding Class X Share and Class Y Share is the same.

33.5 Liquidation Rights

The holders of Class X Shares shall be entitled in the event of any liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company, among its shareholders for the purpose of winding-up its affairs, and subject to prior satisfaction of all preferential rights of return of capital on dissolution attached to all shares of other classes of shares of the Company ranking in priority to the Class X Shares in respect of return of capital on dissolution, to share rateably on an equivalent basis, together with the holders of Class Y Shares and any other class of shares of the Company ranking equally with the Class X Shares in respect of return of capital, in such assets of the Company as are available for distribution.

33.6 Transfer Restrictions

Subject to compliance with Article 26.3, if any holder of one or more Stapled Shares proposes to Transfer of all or any part of their Stapled Shares, such holder must, as a condition of the Transfer, concurrently assign to the Transferee an equivalent *pro rata* portion of any Claim such holder has which remains unpaid as to the date of the proposed Transfer, and the Transferee must agree to accept such assignment of the Claim, in each case in writing and in a form acceptable to the Company acting reasonably. The Company shall not be bound by or obligated to recognize any Transfer of Stapled Shares that does not include the assignment of the Claim contemplated in the foregoing sentence.

33.7 Redeemable by Company

Subject to the *Business Corporations Act*, if any holder of a Claim sells to the Company all or any portion of their Claim pursuant to Section 15.5 of the Plan of Arrangement or otherwise, then the Company will redeem an equivalent *pro rata* portion of the Stapled Shares for which such holder is the registered holder, at a price per share equal to the initial issue price of such Stapled Shares (as adjusted to take into account any subdivision, consolidation or other adjustment with respect to such shares) (the "**Redemption Price**"), all as more particularly set forth in Article 33.8.

33.8 Redemption Procedure by Company

If, pursuant to Article 33.7, the Company redeems all or a portion of any Stapled Shares outstanding:

- (1) **Deemed Redemption Date** – The date of redemption (the "**Redemption Date**") of the Stapled Shares pursuant Article 33.7 will be deemed to have occurred on the date on which the sale of a Claim by a holder to the Company is, or is deemed to have been, completed.
- (2) **Payment** - On the Redemption Date, the Company will pay or cause to be paid to or to the order of the registered holders of the Stapled Shares to be redeemed the Redemption Price for each Stapled Shares to be redeemed on presentation and surrender, at the registered office of the Company or at any other place designated by the Company, of the certificate or certificates (if any) for the Stapled Shares called for redemption. The Stapled Shares will thereupon be deemed to be redeemed and will be cancelled. If only a part of the Stapled Shares represented by any certificate is redeemed, a new certificate for the balance will be issued at the expense of the Company.
- (3) **Rights** – From and after the Redemption Date, the holders of the Stapled Shares called for redemption will not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Redemption Price for each Stapled Share to be redeemed is not made upon presentation of the share certificates (if any) in accordance with the foregoing provisions, in which case the rights of the holders thereof will remain unaffected until payment of the Redemption Price for each Stapled Shares to be redeemed is made.
- (4) **Failure to Present** - If the holders of Stapled Shares fail to present, on the Redemption Date, the certificate or certificates (if any) representing any Stapled Shares to be redeemed, the Company will have the right to deposit the Redemption Price for each Stapled Shares to be redeemed in either a separate account of the Company with a chartered bank or trust company in Canada or with the solicitors for the Company to be held in trust on behalf of the Company and to be paid without interest to or to the order of the respective holders of the Stapled Shares to be redeemed upon presentation and surrender to the Company of the certificate or certificates representing the Stapled Shares to be redeemed. Upon that deposit being made, the Stapled Shares in respect of which the deposit was made will be deemed to be redeemed, will be cancelled and the rights of the holders thereof after the deposit will be limited to receiving without interest their proportionate part of the aggregate Redemption Price deposited less any charges of the chartered bank, trust company or solicitors, as applicable, against presentation and surrender of the certificate or certificates (if any) representing the Stapled Shares to be redeemed held by them respectively.

33.9 Constraints on Ownership

The Class X Shares may only be held, beneficially owned or controlled, directly or indirectly, by Canadians.

33.10 Conversion Rights

- (1) Each holder of Class X Shares will have the right (the "**Conversion Right**") at any time to convert all or from time to time any part of such holder's Class X Shares into fully paid Class Y Shares at the Conversion Ratio on the following basis:
 - (a) if a holder of Class X Shares wishes to exercise his, her or its Conversion Right, then he, she or it must give notice (the "**Conversion Notice**") in writing to the Company. The Conversion Notice must specify the number of Class X Shares (the "**Specified Shares**") that the holder delivering the Conversion Notice wishes to be converted, be signed by the registered holder of the Specified Shares and be accompanied by the certificate or certificates, if any, representing the Specified Shares to be converted; and
 - (b) effective as of the date of the receipt of a duly signed Conversion Notice and accompanying share certificate or certificates, if any, the Company will issue to the holder of the Class X Shares delivering the Conversion Notice a certificate representing fully paid and non-assessable Class Y Shares into which such Class X Shares were converted. If less than all the Class X Shares represented by any certificate are converted, then the Company will at its expense promptly issue and deliver a new share certificate to the holder thereof for the balance of the Class X Shares not converted.
- (2) If a holder of Class X Shares ceases at any time to be a Canadian, such holder must submit to the Company a declaration indicating that the holder is a Non-Canadian. All of the issued and outstanding Class X Shares held by any holder of Class X Shares who ceases to be a Canadian will immediately and automatically be converted into fully paid and non-assessable Class Y Shares at the Conversion Ratio effective as of the date such holder ceased to be a Canadian. Upon any such automatic conversion all share certificates representing such Class X Shares shall instead be deemed to represent the appropriate number of Class Y Shares into which such Class X Shares were converted and upon surrender of any such share certificate the Company will issue a new share certificate in the name of such holder representing such appropriate number of Class Y Shares.
- (3) If a proposed transferee of Class X Shares is a Non-Canadian then all of the Class X Shares proposed to be so transferred will immediately and automatically be converted into fully paid and non-assessable Class Y Shares at the Conversion Ratio effective as of the date of such transfer and upon such transfer becoming effective the Company will issue to the transferee a certificate representing instead the appropriate number of Class Y Shares.

33.11 Adjustments to Conversion Rights

- (1) If at any time the Company subdivides, consolidates or pays a stock dividend on the Class X Shares or the Class Y Shares, the Conversion Ratio shall simultaneously be adjusted upon the happening of each such event accordingly.
- (2) If at any time and from time to time, the Class Y Shares are changed into a different class or classes of shares, whether by reclassification, recapitalization, reorganization, arrangement, amalgamation or merger, then each Class X Share shall thereafter be convertible into the kind and amount of shares and other securities and property receivable upon such change by holders of the number of Class Y Shares into which the Class X Shares could have been converted immediately prior to such change.

34. SPECIAL RIGHTS AND RESTRICTIONS – CLASS Y COMMON SHARES

class or series of shares of the Company are entitled to vote separately as a class or series) will be entitled to one vote in respect of each Class Y Share held.

34.4 Distribution Rights

The holders of the Class Y Shares shall be entitled to receive all Distributions at such times and in such amounts as the directors of the Company may in their discretion from time to time declare. All Distributions declared by the Company shall be declared in equal or equivalent amounts per share on all outstanding Class Y Shares and Class X Shares and the amount of any Distributions paid on the Class X Shares and Class Y Shares shall be paid *pro rata* among all the issued and outstanding Class X Shares and Class Y Shares provided that the directors of the Company shall have full and absolute discretion as to the form of payment and the allocation, in respect of the portion of a Distribution payable on the Class X Shares and the Class Y Shares, as between dividends and returns of capital. For greater certainty, the allocation between dividends and returns of capital in respect of a Distribution on the Class X Shares may be different than the allocation between dividends and returns of capital in respect of the Distribution on the Class Y Shares provided that the aggregate amount of the Distribution per issued and outstanding Class X Share and Class Y Share is the same.

34.5 Liquidation Rights

The holders of Class Y Shares shall be entitled in the event of any liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company, among its shareholders for the purpose of winding-up its affairs, and subject to prior satisfaction of all preferential rights of return of capital on dissolution attached to all shares of other classes of shares of the Company ranking in priority to the Class Y Shares in respect of return of capital on dissolution, to share rateably on an equivalent basis, together with the holders of Class X Shares and any other class of shares of the Company ranking equally with the Class Y Shares in respect of return of capital, in such assets of the Company as are available for distribution.

34.6 Transfer Restrictions

Subject to compliance with Article 26.3, if any holder of one or more Stapled Shares proposes to Transfer of all or any part of their Stapled Shares, such holder must, as a condition of the Transfer, concurrently assign to the Transferee an equivalent *pro rata* portion of any Claim such holder has which remains unpaid as to the date of the proposed Transfer, and the Transferee must agree to accept such assignment of the Claim, in each case in writing and in a form acceptable to the Company acting reasonably. The Company shall not be bound by or obligated to recognize any Transfer of Stapled Shares that does not include the assignment of the Claim contemplated in the foregoing sentence.

34.7 Redeemable by Company

Subject to the *Business Corporations Act*, if any holder of a Claim sells to the Company all or any portion of their Claim pursuant to Section 15.5 of the Plan of Arrangement or otherwise, then the

Company will redeem an equivalent *pro rata* portion of the Stapled Shares for which such holder is the registered holder, at a price per share equal to the initial issue price of such Stapled Shares (as adjusted to take into account any subdivision, consolidation or other adjustment with respect to such shares) (the "**Redemption Price**"), all as more particularly set forth in Article 34.8.

34.8 Redemption Procedure by Company

If, pursuant to Article 34.7, the Company redeems all or a portion of any Stapled Shares outstanding:

- (1) **Deemed Redemption Date** – The date of redemption (the "**Redemption Date**") of the Stapled Shares pursuant Article 34.7 will be deemed to have occurred on the date on which the sale of a Claim by a holder to the Company is, or is deemed to have been, completed.
- (2) **Payment** - On the Redemption Date, the Company will pay or cause to be paid to or to the order of the registered holders of the Stapled Shares to be redeemed the Redemption Price for each Stapled Shares to be redeemed on presentation and surrender, at the registered office of the Company or at any other place designated by the Company, of the certificate or certificates (if any) for the Stapled Shares called for redemption. The Stapled Shares will thereupon be deemed to be redeemed and will be cancelled. If only a part of the Stapled Shares represented by any certificate is redeemed, a new certificate for the balance will be issued at the expense of the Company.
- (3) **Rights** – From and after the Redemption Date, the holders of the Stapled Shares called for redemption will not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Redemption Price for each Stapled Share to be redeemed is not made upon presentation of the share certificates (if any) in accordance with the foregoing provisions, in which case the rights of the holders thereof will remain unaffected until payment of the Redemption Price for each Stapled Shares to be redeemed is made.
- (4) **Failure to Present** - If the holders of Stapled Shares fail to present, on the Redemption Date, the certificate or certificates (if any) representing any Stapled Shares to be redeemed, the Company will have the right to deposit the Redemption Price for each Stapled Shares to be redeemed in either a separate account of the Company with a chartered bank or trust company in Canada or with the solicitors for the Company to be held in trust on behalf of the Company and to be paid without interest to or to the order of the respective holders of the Stapled Shares to be redeemed upon presentation and surrender to the Company of the certificate or certificates representing the Stapled Shares to be redeemed. certificate or certificates (if any) representing the Stapled Shares to be redeemed held by them respectively.

If there is a conflict between these Articles and the *Business Corporations Act*, the *Business Corporations Act* will prevail.

2. SHARES AND SHARE CERTIFICATES

2.1 Authorized Share Structure

The authorized share structure of the Company consists of shares of the class or classes and series, if any, described in the Notice of Articles of the Company.

2.2 Form of Share Certificate

Each share certificate issued by the Company must comply with, and be signed as required by, the *Business Corporations Act*. The directors may, by resolution, provide that; (a) the shares of any or all of the classes and series of the Company's shares must be uncertificated shares; or (b) any specified shares must be uncertificated shares. Within reasonable time after the issue or transfer of a share that is an uncertificated share, the Company must send to the shareholder a written notice in accordance with the *Business Corporations Act*.

2.3 Shareholder Entitled to Certificate or Acknowledgment

2.4 Delivery by Mail

Any share certificate or non-transferable written acknowledgment of a shareholder's right to obtain a share certificate may be sent to the shareholder by mail at the shareholder's registered address and neither the Company nor any director, officer or agent of the Company is liable for any loss to the shareholder because the share certificate or acknowledgement is lost in the mail or stolen.

2.5 Replacement of Worn Out or Defaced Certificate or Acknowledgement

If the directors are satisfied that a share certificate or a non-transferable written acknowledgment of the shareholder's right to obtain a share certificate is worn out or defaced, they must, on production to them of the share certificate or acknowledgment, as the case may be, and on such other terms, if any, as they think fit:

- (1) order the share certificate or acknowledgment, as the case may be, to be cancelled; and
- (2) issue a replacement share certificate or acknowledgment, as the case may be.

2.6 Replacement of Lost, Stolen or Destroyed Certificate or Acknowledgment

If a share certificate or a non-transferable written acknowledgment of a shareholder's right to obtain a share certificate is lost, stolen or destroyed, a replacement share certificate or acknowledgment, as the case may be, must be issued to the person entitled to that share certificate or acknowledgment, as the case may be, if the directors receive:

- (1) proof satisfactory to them that the share certificate or acknowledgment is lost, stolen or destroyed; and

- (2) any indemnity the directors consider adequate.

2.7 Splitting Share Certificates

If a shareholder surrenders a share certificate to the Company with a written request that the Company issue in the shareholder's name two or more share certificates, each representing a specified number of shares and in the aggregate representing the same number of shares as the share certificate so surrendered, the Company must cancel the surrendered share certificate and issue replacement share certificates in accordance with that request.

2.8 Certificate Fee

There must be paid to the Company, in relation to the issue of any share certificate under Articles 2.5, 2.6 or 2.7, the amount, if any and which must not exceed the amount prescribed under the *Business Corporations Act*, determined by the directors.

2.9 Recognition of Trusts

Except as required by law or statute or these Articles, no person will be recognized by the Company as holding any share upon any trust, and the Company is not bound by or compelled in any way to recognize (even when having notice thereof) any equitable, contingent, future or partial interest in any share or fraction of a share or (except as by law or statute or these Articles provided or as ordered by a court of competent jurisdiction) any other rights in respect of any share except an absolute right to the entirety thereof in the shareholder.

3. ISSUE OF SHARES

3.1 Directors Authorized

Subject to the *Business Corporations Act*, the special rights and restrictions attached to the shares of any class or series and the rights of the holders of issued shares of the Company, the Company may issue, allot, sell or otherwise dispose of the unissued shares, and issued shares held by the Company, at the times, to the persons, including directors, in the manner, on the terms and conditions and for the issue prices (including any premium at which shares with par value may be issued) that the directors may determine. The issue price for a share with par value must be equal to or greater than the par value of the share.

3.2 Commissions and Discounts

The Company may at any time pay a reasonable commission or allow a reasonable discount to any person in consideration of that person purchasing or agreeing to purchase shares of the Company from the Company or any other person or procuring or agreeing to procure purchasers for shares of the Company.

 - (b) property;
 - (c) money; and
- (2) the value of the consideration received by the Company equals or exceeds the issue price set for the share under Article 3.1.

Subject to the *Business Corporations Act*, the Company may issue share purchase warrants, options and rights upon such terms and conditions as the directors determine, which share purchase warrants, options and rights may be issued alone or in conjunction with debentures, debenture stock, bonds, shares or any other securities issued or created by the Company from time to time.

4. SHARE REGISTERS

4.1 Central Securities Register

As required by and subject to the *Business Corporations Act*, the Company must maintain in British Columbia a central securities register. The directors may, subject to the *Business Corporations Act*, appoint an agent to maintain the central securities register. The directors may also appoint one or more agents, including the agent which keeps the central securities register, as transfer agent for its shares or any class or series of its shares, as the case may be, and the same or another agent as registrar for its shares or such class or series of its shares, as the case may be. The directors may terminate such appointment of any agent at any time and may appoint another agent in its place.

4.2 Closing Register

The Company must not at any time close its central securities register.

5. SHARE TRANSFERS

5.1 Registering Transfers

Subject to Article 26.3 and the special rights and restrictions attached to the shares of any class or series, a transfer of a share of the Company must not be registered unless:

- (2) if a share certificate has been issued by the Company in respect of the share to be transferred, that share certificate has been surrendered to the Company; and
- (3) if a non-transferable written acknowledgment of the shareholder's right to obtain a share certificate has been issued by the Company in respect of the share to be transferred, that acknowledgment has been surrendered to the Company.

5.2 Form of Instrument of Transfer

5.3 Transferor Remains Shareholder

Except to the extent that the *Business Corporations Act* otherwise provides, the transferor of shares is deemed to remain the holder of the shares until the name of the transferee is entered in a securities register of the Company in respect of the transfer.

5.4 Signing of Instrument of Transfer

If a shareholder, or his or her duly authorized attorney, signs an instrument of transfer in respect of shares registered in the name of the shareholder, the signed instrument of transfer constitutes a complete and sufficient authority to the Company and its directors, officers and agents to register the number of shares specified in the instrument of transfer or specified in any other manner, or, if no number is specified, all the shares represented by the share certificates or set out in the written acknowledgments deposited with the instrument of transfer:

- (1) in the name of the person named as transferee in that instrument of transfer; or
- (2) if no person is named as transferee in that instrument of transfer, in the name of the person on whose behalf the instrument is deposited for the purpose of having the transfer registered.

5.5 Enquiry as to Title Not Required

Neither the Company nor any director, officer or agent of the Company is bound to inquire into the title of the person named in the instrument of transfer as transferee or, if no person is named as transferee in the instrument of transfer, of the person on whose behalf the instrument is deposited for the purpose of having the transfer registered or is liable for any claim related to registering the transfer by the shareholder or by any intermediate owner or holder of the shares, of any interest in the shares, of any share certificate representing such shares or of any written acknowledgment of a right to obtain a share certificate for such shares.

5.6 Transfer Fee

There must be paid to the Company, in relation to the registration of any transfer, the amount, if any, determined by the directors.

6. TRANSMISSION OF SHARES

6.1 Legal Personal Representative Recognized on Death

In case of the death of a shareholder, the legal personal representative, or if the shareholder was a joint holder, the surviving joint holder, will be the only person recognized by the Company as having any title to the shareholder's interest in the shares. Before recognizing a person as a legal personal representative, the directors may require proof of appointment by a court of competent jurisdiction, a grant of letters probate, letters of administration or such other evidence or documents as the directors consider appropriate.

6.2 Rights of Legal Personal Representative

The legal personal representative has the same rights, privileges and obligations that attach to the shares held by the shareholder, including the right to transfer the shares in accordance with these Articles, provided the documents required by the *Business Corporations Act* and the directors have been deposited with the Company.

7. PURCHASE OF SHARES

7.1 Company Authorized to Purchase Shares

Subject to Article 7.2, the special rights and restrictions attached to the shares of any class or series and the *Business Corporations Act*, the Company may, if authorized by the directors, purchase or otherwise acquire any of its shares at the price and upon the terms specified in such resolution.

7.2 Purchase When Insolvent

The Company must not make a payment or provide any other consideration to purchase or otherwise acquire any of its shares if there are reasonable grounds for believing that:

- (1) the Company is insolvent; or
- (2) making the payment or providing the consideration would render the Company insolvent.

7.3 Sale and Voting of Purchased Shares

If the Company retains a share redeemed, purchased or otherwise acquired by it, the Company may sell, gift or otherwise dispose of the share, but, while such share is held by the Company, it:

- (1) is not entitled to vote the share at a meeting of its shareholders;

- (4) mortgage, charge, whether by way of specific or floating charge, grant a security interest in, or give other security on, the whole or any part of the present and future assets and undertaking of the Company.

9. ALTERATIONS

9.1 Alteration of Authorized Share Structure

Subject to Article 9.2 and the *Business Corporations Act*, the Company may by resolution of the directors:

- (1) create one or more classes or series of shares or, if none of the shares of a class or series of shares are allotted or issued, eliminate that class or series of shares;

- (1) create special rights or restrictions for, and attach those special rights or restrictions to, the shares of any class or series of shares, whether or not any or all of those shares have been issued; or
- (2) vary or delete any special rights or restrictions attached to the shares of any class or series of shares, whether or not any or all of those shares have been issued.

9.3 Change of Name

The Company may by consent resolution of the directors or by special resolution authorize an alteration of its Notice of Articles in order to change its name or adopt or change any translation of that name.

9.4 Other Alterations

If the *Business Corporations Act* does not specify the type of resolution and these Articles do not specify another type of resolution, the Company may by special resolution alter these Articles.

10. MEETINGS OF SHAREHOLDERS

10.1 Annual General Meetings

Unless an annual general meeting is deferred or waived in accordance with the *Business Corporations Act*, the Company must hold its first annual general meeting within 18 months after the date on which it was incorporated or otherwise recognized, and after that must hold an annual general meeting at least once in each calendar year and not more than 15 months after the last annual reference date at such time and place as may be determined by the directors.

10.2 Resolution Instead of Annual General Meeting

If all the shareholders who are entitled to vote at an annual general meeting consent by a unanimous resolution under the *Business Corporations Act* to all of the business that is required to be transacted at that annual general meeting, the annual general meeting is deemed to have been held on the date of the unanimous resolution. The shareholders must, in any unanimous resolution passed under this Article 10.2, select as the Company's annual reference date a date that would be appropriate for the holding of the applicable annual general meeting.

10.3 Calling of Meetings of Shareholders

The directors may, whenever they think fit, call a meeting of shareholders.

10.4 Notice for Meetings of Shareholders

The Company must send notice of the date, time and location of any meeting of shareholders, in the manner provided in these Articles, or in such other manner, if any, as may be prescribed by ordinary resolution (whether previous notice of the resolution has been given or not), to each shareholder entitled to attend the meeting, to each director and to the auditor of the Company, unless these Articles otherwise provide, at least the following number of days before the meeting:

- (1) if and for so long as the Company is a public company, 21 days;
- (2) otherwise, 10 days.

A notice of meeting for a meeting held entirely by virtual means in accordance with Article 11.17, must include instructions for shareholder participation in the meeting to the extent and in the manner required by the *Business Corporations Act*.

10.5 Record Date for Notice

The directors may set a date as the record date for the purpose of determining shareholders entitled to notice of any meeting of shareholders. The record date must not precede the date on which the meeting is to be held by more than two months or, in the case of a general meeting requisitioned by shareholders under the *Business Corporations Act*, by more than four months. The record date must not precede the date on which the meeting is held by fewer than:

- (1) if and for so long as the Company is a public company, 21 days;
- (2) otherwise, 10 days.

If no record date is set, the record date is 5:00 p.m. on the day immediately preceding the first date on which the notice is sent or, if no notice is sent, the beginning of the meeting.

10.6 Record Date for Voting

The directors may set a date as the record date for the purpose of determining shareholders entitled to vote at any meeting of shareholders. The record date must not precede the date on which the meeting is to be held by more than two months or, in the case of a general meeting requisitioned by shareholders under the *Business Corporations Act*, by more than four months. If no record date is set, the record date is 5:00 p.m. on the day immediately preceding the first date on which the notice is sent or, if no notice is sent, the beginning of the meeting.

10.7 Failure to Give Notice and Waiver of Notice

The accidental omission to send notice of any meeting to, or the non-receipt of any notice by, any of the persons entitled to notice does not invalidate any proceedings at that meeting. Any person entitled to notice of a meeting of shareholders may, in writing or otherwise, waive or reduce the period of notice of such meeting.

10.8 Notice of Special Business at Meetings of Shareholders

If a meeting of shareholders is to consider special business within the meaning of Article 11.1, the notice of meeting must:

- (1) state the general nature of the special business; and

 - (a) at the Company's records office, or at such other reasonably accessible location in British Columbia as is specified in the notice; and
 - (b) during statutory business hours on any one or more specified days before the day set for the holding of the meeting.

10.9 Location of Annual General Meeting

The Company may by resolution of the directors choose a location outside of British Columbia for the purpose of the meeting. If a meeting is held entirely by virtual means in accordance with Article 11.17, the meeting shall be deemed for all purposes of the *Business Corporations Act* and these Articles to be held at the registered office of the Company, subject to the provisions of the *Business Corporations Act*.

11. PROCEEDINGS AT MEETINGS OF SHAREHOLDERS

11.2 Special Majority

The majority of votes required for the Company to pass a special resolution at a meeting of shareholders is two-thirds of the votes cast on the resolution.

11.3 Quorum

Subject to the special rights and restrictions attached to the shares of any class or series of shares, the quorum for the transaction of business at a meeting of shareholders is two shareholders entitled to vote at the meeting whether in person or by proxy who hold, in the aggregate, at least 10% of the issued shares entitled to be voted at the meeting.

11.4 One Shareholder May Constitute Quorum

If there is only one shareholder entitled to vote at a meeting of shareholders:

- (1) the quorum is one person who is, or who represents by proxy, that shareholder, and
- (2) that shareholder, present in person or by proxy, may constitute the meeting.

11.5 Other Persons May Attend

The directors, the president and/or chief executive officer (if any), the secretary (if any), the assistant secretary (if any), any lawyer for the Company, the auditor of the Company and any other persons invited by the directors are entitled to attend any meeting of shareholders, but if any of those persons does attend a meeting of shareholders, that person is not to be counted in the quorum and is not entitled to vote at the meeting unless that person is a shareholder or proxy holder entitled to vote at the meeting.

11.6 Requirement of Quorum

No business, other than the election of a chair of the meeting and the adjournment of the meeting, may be transacted at any meeting of shareholders unless a quorum of shareholders entitled to vote is present at the commencement of the meeting, but such quorum need not be present throughout the meeting.

11.7 Lack of Quorum

If, within one-half hour from the time set for the holding of a meeting of shareholders, a quorum is not present:

- (1) in the case of a general meeting requisitioned by shareholders, the meeting is dissolved, and
- (2) in the case of any other meeting of shareholders, the meeting stands adjourned to the same day in the next week at the same time and place.

11.8 Lack of Quorum at Succeeding Meeting

If, at the meeting to which the meeting referred to in Article 11.7(2) was adjourned, a quorum is not present within one-half hour from the time set for the holding of the meeting, the person or persons present and being, or representing by proxy, one or more shareholders entitled to attend and vote at the meeting constitute a quorum.

11.9 Chair

The following individual is entitled to preside as chair at a meeting of shareholders:

- (1) the chair of the board, if any;
- (2) if the chair of the board is absent or unwilling to act as chair of the meeting, any other director present and willing to act as chair of the meeting; or
- (3) if no such other director is present and willing to act as chair of the meeting, the president or chief executive officer, if any.

11.10 Selection of Alternate Chair

If, at any meeting of shareholders, there is no chair of the board or president or chief executive officer present within 15 minutes after the time set for holding the meeting, or if the chair of the board and the president or chief executive officer are unwilling to act as chair of the meeting, or if the chair of the board and the president or chief executive officer have advised the secretary, if any, or any director present at the meeting, that they will not be present at the meeting, the directors present must choose one of their number to be chair of the meeting or if all of the directors present decline to take the chair or fail to so choose or if no director is present, the shareholders entitled to vote at the meeting who are present in person or by proxy may choose any person present at the meeting to chair the meeting.

11.11 Adjournments

The chair of a meeting of shareholders may, and if so directed by the meeting must, adjourn the meeting from time to time and from place to place, but no business may be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

11.12 Notice of Adjourned Meeting

It is not necessary to give any notice of an adjourned meeting or of the business to be transacted at an adjourned meeting of shareholders except that, when a meeting is adjourned for 30 days or more, notice of the adjourned meeting must be given as in the case of the original meeting.

11.13 Decisions by Show of Hands or Poll

Subject to the *Business Corporations Act*, every motion put to a vote at a meeting of shareholders will be decided on a show of hands unless a poll, before or on the declaration of the result of the vote by show of hands, is directed by the chair or demanded by at least one shareholder entitled to vote who is present in person or by proxy.

11.14 Declaration of Result

The chair of a meeting of shareholders must declare to the meeting the decision on every question in accordance with the result of the show of hands or the poll, as the case may be, and that decision must be entered in the minutes of the meeting. A declaration of the chair that a resolution is carried by the necessary majority or is defeated is, unless a poll is directed by the chair or demanded under Article 11.13, conclusive evidence without proof of the number or proportion of the votes recorded in favour of or against the resolution.

11.15 Motion Need Not be Seconded

No motion proposed at a meeting of shareholders need be seconded unless the chair of the meeting rules otherwise, and the chair of any meeting of shareholders is entitled to propose or second a motion.

11.16 Casting Vote

In case of an equality of votes, the chair of a meeting of shareholders does not, either on a show of hands or on a poll, have a second or casting vote in addition to the vote or votes to which the chair may be entitled as a shareholder.

11.17 Meeting by Telephone or Other Communications Medium

A meeting of the shareholders may be held in person, virtually by telephone or other electronic communications medium, or in a hybrid fashion incorporating both in-person and virtual means. A shareholder or proxy holder may participate in a meeting of the shareholders in person or by telephone if all shareholders or proxy holders participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other to the extent and in the manner required by the *Business Corporations Act*. A shareholder or proxy holder may participate in a meeting of the shareholders by a communications medium other than telephone, including by electronic means, if all shareholders or proxy holders participating in the meeting, whether in person or by telephone or other communications medium, including by electronic means, are able to communicate with each other to the extent and in the manner required by the *Business Corporations Act*. Any vote at a shareholder meeting may be conducted by telephone or other communications medium, including electronic means. A shareholder or proxy holder who

participates in a meeting in a manner contemplated by this Article 11.17 is deemed for all purposes of the *Business Corporations Act* and these Articles to be present at the meeting and to have agreed to participate in that manner.

12. VOTES OF SHAREHOLDERS

12.1 Number of Votes by Shareholder or by Shares

Subject to any special rights or restrictions attached to any shares and to the restrictions imposed on joint shareholders under Article 12.3:

- (1) on a vote by show of hands, every person present who is a shareholder or proxy holder and entitled to vote on the matter has one vote; and
- (2) on a poll, every shareholder entitled to vote on the matter has one vote in respect of each share entitled to be voted on the matter and held by that shareholder and may exercise that vote either in person or by proxy.

12.2 Votes of Persons in Representative Capacity

A person who is not a shareholder may vote at a meeting of shareholders, whether on a show of hands or on a poll, and may appoint a proxy holder to act at the meeting, if, before doing so, the person satisfies the chair of the meeting, or the directors, that the person is a legal personal representative or a trustee in bankruptcy for a shareholder who is entitled to vote at the meeting.

12.3 Votes by Joint Holders

If there are joint shareholders registered in respect of any share:

- (1) any one of the joint shareholders may vote at any meeting, either personally or by proxy, in respect of the share as if that joint shareholder were solely entitled to it; or
- (2) if more than one of the joint shareholders is present at any meeting, personally or by proxy, and more than one of them votes in respect of that share, then only the vote of the joint shareholder present whose name stands first on the central securities register in respect of the share will be counted.

12.4 Legal Personal Representatives as Joint Shareholders

Two or more legal personal representatives of a shareholder in whose sole name any share is registered are, for the purposes of Article 12.3, deemed to be joint shareholders.

12.5 Representative of a Corporate Shareholder

If a corporation, that is not a subsidiary of the Company, is a shareholder, that corporation may appoint a person to act as its representative at any meeting of shareholders of the Company, and:

- (1) for that purpose, the instrument appointing a representative must:

- (a) be received at the registered office of the Company or at any other place specified, in the notice calling the meeting, for the receipt of proxies, at least the number of business days specified in the notice for the receipt of proxies, or if no number of days is specified, two business days before the day set for the holding of the meeting; or
 - (b) be provided, at the meeting, to the chair of the meeting or to a person designated by the chair of the meeting;
- (2) if a representative is appointed under this Article 12.5:

 - (b) the representative, if present at the meeting, is to be counted for the purpose of forming a quorum and is deemed to be a shareholder present in person at the meeting.

Evidence of the appointment of any such representative may be sent to the Company by written instrument, fax or any other method of transmitting legibly recorded messages.

12.6 Proxy Provisions Do Not Apply to All Companies

If and for so long as the Company is a public company or a pre-existing reporting company which has the Statutory Reporting Company Provisions as part of its Articles or to which the Statutory Reporting Company Provisions apply, Articles 12.7 to 12.14 apply only insofar as they are not inconsistent with any securities legislation in any province or territory of Canada or in the federal jurisdiction of the United States or in any states of the United States that is applicable to the Company and insofar as they are not inconsistent with the regulations and rules made and promulgated under that legislation and all administrative policy statements, blanket orders and rulings, notices and other administrative directions issued by securities commission or similar authorities appointed under that legislation.

12.7 Appointment of Proxy Holders

Every shareholder of the Company, including a corporation that is a shareholder but not a subsidiary of the Company, entitled to vote at a meeting of shareholders of the Company may, by proxy, appoint one or more (but not more than five) proxy holders to attend and act at the meeting in the manner, to the extent and with the powers conferred by the proxy.

A proxy may be sent to the Company by written instrument, fax or any other method of transmitting legibly recorded messages.

12.10 Validity of Proxy Vote

- (1) at the registered office of the Company, at any time up to and including the last business day before the day set for the holding of the meeting at which the proxy is to be used; or
- (2) by the chair of the meeting, before the vote is taken.

12.12 Revocation of Proxy

Subject to Article 12.13, every proxy may be revoked by an instrument in writing that is:

 - (b) the number of directors set under Article 14.4.

13.2 Change in Number of Directors

If the number of directors is set under Articles 13.1(2)(a) or 13.1(3)(a):

- (1) the shareholders may elect or appoint the directors needed to fill any vacancies in the board of directors up to that number;
- (2) if the shareholders do not elect or appoint the directors needed to fill any vacancies in the board of directors up to that number contemporaneously with the setting of that number, then the directors may appoint, or the shareholders may elect or appoint, directors to fill those vacancies.

13.3 Directors' Acts Valid Despite Vacancy

An act or proceeding of the directors is not invalid merely because fewer than the number of directors set or otherwise required under these Articles is in office.

13.4 Remuneration of Directors

The directors are not entitled as such to receive any remuneration for acting as directors for any period prior to the second annual general meeting of the Company following the effective date of the Plan of Arrangement (as such term is defined in Article 27.2). Thereafter the directors shall be entitled to such remuneration for acting as directors, if any, as the directors may from time to time

determine. That remuneration may be in addition to any salary or other remuneration paid to any officer or employee of the Company as such, who is also a director. Notwithstanding the foregoing, during the period prior to the second annual general meeting of the Company following the effective date of the Plan of Arrangement, the independent directors shall be entitled to remuneration for acting as directors, if any, as the directors may from time to time determine; provided, however, that to be considered an independent director, the director must not (i) have a material relationship with the Company or any of its subsidiaries, shareholders or creditors, (ii) be an officer or employee of the Company or any of its subsidiaries, and (iii) have any other relationship that, in the opinion of the board of directors, may affect or interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

13.5 Reimbursement of Expenses of Directors

The Company must reimburse each director for the reasonable out-of-pocket expenses that he or she may incur in and about the business of the Company.

13.6 Special Remuneration for Directors

If any director performs any professional or other services for the Company that in the opinion of the directors are outside the ordinary duties of a director, or if any director is otherwise specially occupied in or about the Company's business, he or she may be paid remuneration fixed by the directors, or, at the option of that director, fixed by ordinary resolution.

14. ELECTION AND REMOVAL OF DIRECTORS

14.1 Election at Annual General Meetings

- (1) Subject to the *Business Corporations Act* and these Articles, directors shall be elected for a term of two (2) years, expiring in accordance with Article 14.1(2). The shareholders entitled to vote at each annual general meeting will elect or, by unanimous resolutions appoint, directors to replace those directors, if any, whose term expires at such meeting.
- (2) Subject to Article 14.1(4), a director ceases to hold office immediately before the election or appointment of directors under Article 14.1(1) at the second annual general meeting following that director's last election or appointment.
- (3) A director who ceases to hold office under Article 14.1(2) is eligible for re-election.
- (4) A director appointed by the directors under Article 14.5 or Article 14.8 will cease to hold office at the next meeting of shareholders following his or her appointment and is eligible for election at that meeting.
- (5) Unless a director appointed by the directors under Article 14.5 or Article 14.8 has ceased under Article 14.1(4), that director must cease to hold office as the next annual general meeting, and is eligible for re-election at that meeting.

14.2 Consent to be a Director

No election, appointment or designation of an individual as a director is valid unless:

- (1) that individual consents to be a director in the manner provided for in the *Business Corporations Act*;
- (2) that individual is elected or appointed at a meeting at which the individual is present and the individual does not refuse, at the meeting, to be a director; or
- (3) with respect to first directors, the designation is otherwise valid under the *Business Corporations Act*.

14.3 Failure to Elect or Appoint Directors

If:

- (1) the Company fails to hold an annual general meeting, and all the shareholders who are entitled to vote at an annual general meeting fail to pass the unanimous resolution contemplated by Article 10.2, on or before the date by which the annual general meeting is required to be held under the *Business Corporations Act*; or
- (2) the shareholders fail, at the annual general meeting or in the unanimous resolution contemplated by Article 10.2, to elect or appoint any directors;

then each director then in office continues to hold office until the earlier of:

- (3) the date on which his or her successor is elected or appointed; and
- (4) the date on which he or she otherwise ceases to hold office under the *Business Corporations Act* or these Articles.

14.4 Places of Retiring Directors Not Filled

If, at any meeting of shareholders at which there should be an election of directors, the places of any of the retiring directors are not filled by that election, those retiring directors who are not re-elected and who are asked by the newly elected directors to continue in office will, if willing to do so, continue in office to complete the number of directors for the time being set pursuant to these Articles until further new directors are elected at a meeting of shareholders convened for that purpose. If any such election or continuance of directors does not result in the election or continuance of the number of directors for the time being set pursuant to these Articles, the number of directors of the Company is deemed to be set at the number of directors actually elected or continued in office.

14.5 Directors May Fill Casual Vacancies

Any casual vacancy occurring in the board of directors may be filled by the directors.

14.6 Remaining Directors Power to Act

The directors may act notwithstanding any vacancy in the board of directors but, if the Company has fewer directors in office than the number set pursuant to these Articles as the quorum of directors, the directors may only act for the purposes of appointing directors up to that number, summoning a meeting of shareholders for the purpose of filling any vacancies on the board of directors, or, subject to the *Business Corporations Act*, for any other purpose.

14.7 Shareholders May Fill Vacancies

If the Company has no directors or fewer directors in office than the number set pursuant to these Articles as the quorum of directors, the shareholders may elect or appoint directors to fill any vacancies on the board of directors.

14.8 Additional Directors

Notwithstanding Articles 13.1 and 13.2, between annual general meetings or unanimous resolutions contemplated by Article 10.2, the directors may appoint one or more additional directors, but the number of additional directors appointed under this Article 14.8 must not at any time exceed:

- (1) one-third of the number of first directors, if, at the time of the appointments, one or more of the first directors have not yet completed their first term of office; or
- (2) in any other case, one-third of the number of the current directors who were elected or appointed as directors other than under this Article 14.8.

Any director so appointed ceases to hold office immediately before the next election or appointment of directors under Article 14.1(1) but is eligible for re-election or re-appointment.

14.9 Ceasing to be a Director

A director ceases to be a director when:

- (1) the term of office of the director expires;
- (2) the director dies;
- (3) the director resigns as a director by notice in writing provided to the Company or a lawyer for the Company; or
- (4) the director is removed from office pursuant to Articles 14.10 or 14.11.

14.10 Removal of Director by Shareholders

The Company may remove any director before the expiration of his or her term of office by special resolution. In that event, the shareholders may elect, or appoint by ordinary resolution, a director to fill the resulting vacancy. If the shareholders do not elect or appoint a director to fill the resulting

vacancy contemporaneously with the removal, then the directors may appoint or the shareholders may elect, or appoint by ordinary resolution, a director to fill that vacancy.

14.11 Removal of Director by Directors

The directors may remove any director before the expiration of his or her term of office if the director is convicted of an indictable offence, or if the director ceases to be qualified to act as a director of a company pursuant to section 124 of the *Business Corporations Act*, and does not promptly resign, and the directors may appoint a director to fill the resulting vacancy.

15. ALTERNATE DIRECTORS

15.1 Appointment of Alternate Director

Any director (an "appointor") may by notice in writing received by the Company appoint any person (an "appointee") who is qualified to act as a director to be his or her alternate to act in his or her place at meetings of the directors or committees of the directors at which the appointor is not present unless (in the case of an appointee who is not a director) the directors have reasonably disapproved the appointment of such person as an alternate director and have given notice to that effect to his or her appointor within a reasonable time after the notice of appointment is received by the Company.

15.2 Notice of Meetings

Every alternate director so appointed is entitled to notice of meetings of the directors and of committees of the directors of which his or her appointor is a member and to attend and vote as a director at any such meetings at which his or her appointor is not present.

15.3 Alternate for More Than One Director Attending Meetings

A person may be appointed as an alternate director by more than one director, and an alternate director:

- (1) will be counted in determining the quorum for a meeting of directors once for each of his or her appointors and, in the case of an appointee who is also a director, once more in that capacity;
- (2) has a separate vote at a meeting of directors for each of his or her appointors and, in the case of an appointee who is also a director, an additional vote in that capacity;
- (3) will be counted in determining the quorum for a meeting of a committee of directors once for each of his or her appointors who is a member of that committee and, in the case of an appointee who is also a member of that committee as a director, once more in that capacity;
- (4) has a separate vote at a meeting of a committee of directors for each of his or her appointors who is a member of that committee and, in the case of an appointee who is also a member of that committee as a director, an additional vote in that capacity.

15.4 Consent Resolutions

Every alternate director, if authorized by the notice appointing him or her, may sign in place of his or her appointor any resolutions to be consented to in writing.

15.5 Alternate Director Not an Agent

Every alternate director is deemed not to be the agent of his or her appointor.

15.6 Revocation of Appointment of Alternate Director

An appointor may at any time, by notice in writing received by the Company, revoke the appointment of an alternate director appointed by him or her.

15.7 Ceasing to be an Alternate Director

The appointment of an alternate director ceases when:

- (1) his or her appointor ceases to be a director and is not promptly re-elected or re-appointed;
- (2) the alternate director dies;
- (3) the alternate director resigns as an alternate director by notice in writing provided to the Company or a lawyer for the Company;
- (4) the alternate director ceases to be qualified to act as a director pursuant to section 124 of the *Business Corporations Act*; or
- (5) his or her appointor revokes the appointment of the alternate director.

15.8 Expenses of Alternate Director

The Company may reimburse an alternate director for the reasonable out-of-pocket expenses that would be properly reimbursed if he or she were a director.

16. POWERS AND DUTIES OF DIRECTORS

16.1 Powers of Management

The directors must, subject to the *Business Corporations Act* and these Articles, manage or supervise the management of the business and affairs of the Company and have the authority to exercise all such powers of the Company as are not, by the *Business Corporations Act* or by these Articles, required to be exercised by the shareholders of the Company.

16.2 Appointment of Attorney of Company

The directors may from time to time, by power of attorney or other instrument, under seal if so required by law, appoint any person to be the attorney of the Company for such purposes, and with

such powers, authorities and discretions (not exceeding those vested in or exercisable by the directors under these Articles and excepting the power to fill vacancies in the board of directors, to remove a director, to change the membership of, or fill vacancies in, any committee of the directors, to appoint or remove officers appointed by the directors and to declare dividends) and for such period, and with such remuneration and subject to such conditions as the directors may think fit. Any such power of attorney may contain such provisions for the protection or convenience of persons dealing with such attorney as the directors think fit. Any such attorney may be authorized by the directors to sub-delegate all or any of the powers, authorities and discretions for the time being vested in him or her.

16.3 Remuneration of the auditor

The directors may set the remuneration of the auditor without the prior approval of the shareholders.

17. DISCLOSURE OF INTEREST OF DIRECTORS

17.1 Obligation to Account for Profits

A director or senior officer who holds a disclosable interest (as that term is used in the *Business Corporations Act*) in a contract or transaction into which the Company has entered or proposes to enter is liable to account to the Company for any profit that accrues to the director or senior officer under or as a result of the contract or transaction only if and to the extent provided in the *Business Corporations Act*.

17.2 Restrictions on Voting by Reason of Interest

A director who holds a disclosable interest in a contract or transaction into which the Company has entered or proposes to enter is not entitled to vote on any directors' resolution to approve that contract or transaction, unless all the directors have a disclosable interest in that contract or transaction, in which case any or all of those directors may vote on such resolution.

17.3 Interested Director Counted in Quorum

A director who holds a disclosable interest in a contract or transaction into which the Company has entered or proposes to enter and who is present at the meeting of directors at which the contract or transaction is considered for approval may be counted in the quorum at the meeting whether or not the director votes on any or all of the resolutions considered at the meeting.

17.4 Disclosure of Conflict of Interest or Property

A director or senior officer who holds any office or possesses any property, right or interest that could result, directly or indirectly, in the creation of a duty or interest that materially conflicts with that individual's duty or interest as a director or senior officer, must disclose the nature and extent of the conflict as required by the *Business Corporations Act*.

17.5 Director Holding Other Office in the Company

A director may hold any office or place of profit with the Company, other than the office of auditor of the Company, in addition to his or her office of director for the period and on the terms (as to remuneration or otherwise) that the directors may determine.

17.6 No Disqualification

No director or intended director is disqualified by his or her office from contracting with the Company either with regard to the holding of any office or place of profit the director holds with the Company or as vendor, purchaser or otherwise, and no contract or transaction entered into by or on behalf of the Company in which a director is in any way interested is liable to be voided for that reason.

17.7 Professional Services by Director or Officer

Subject to the *Business Corporations Act*, a director or officer, or any person in which a director or officer has an interest, may act in a professional capacity for the Company, except as auditor of the Company, and the director or officer or such person is entitled to remuneration for professional services as if that director or officer were not a director or officer.

17.8 Director or Officer in Other Corporations

A director or officer may be or become a director, officer or employee of, or otherwise interested in, any person in which the Company may be interested as a shareholder or otherwise, and, subject to the *Business Corporations Act*, the director or officer is not accountable to the Company for any remuneration or other benefits received by him or her as director, officer or employee of, or from his or her interest in, such other person.

18. PROCEEDINGS OF DIRECTORS

18.1 Meetings of Directors

The directors may meet together for the conduct of business, adjourn and otherwise regulate their meetings as they think fit, and meetings of the directors held at regular intervals may be held at the place, at the time and on the notice, if any, as the directors may from time to time determine. If a meeting of the directors is held by entirely virtual means by telephone or other communications method, including by electronic means, the meeting shall be deemed to be held at the registered office of the Company in lieu of another physical location for the purposes of the *Business Corporations Act* and these Articles.

18.2 Voting at Meetings

- (1) Except as provided in Article 18.2(2), questions arising at any meeting of directors are to be decided by a majority of votes and, in the case of an equality of votes, the chair of the meeting does not have a second or casting vote.

- (2) Subject to the *Business Corporations Act* and Article 18.2(3), questions arising at any meeting of directors relating to any of the following matters are to be decided by at least 60% of the directors:
- (a) any sale, divestiture, refinancing, merger, amalgamation, consolidation, arrangement, liquidation, dissolution, winding-up, sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions of all or substantially all the assets of the Company and its subsidiaries, or any other material transaction, affecting the business and affairs of the Company;
 - (b) except with respect to any sale, transfer or treasury issuance made pursuant to a contractual obligation of the Company or any of its portfolio companies, in each case, existing on the effective date of the Plan of Arrangement, any sale, divestiture, transfer or other disposition of any equity interest in any portfolio company by the Company, directly or indirectly, to the extent of the Company's power and control with respect to such action; and
 - (c) any issuance of debentures, bonds or any other debt securities issued or created by the Company from time to time unless such debentures, bonds or other debt securities are either (i) fully subordinated and postponed to the ACC Level 5 Distributions (as defined in the Plan of Arrangement), or (ii) fully senior to the ACC Level 1 Distributions (as defined in the Plan of Arrangement).
- (3) Article 18.2(2) shall automatically terminate and be of no further force and effect on the date two years following the effective date of the Plan of Arrangement (as such term is defined in Article 27.2).

18.4 Meetings by Telephone or Other Communications Medium

A meeting of the directors may be held in person, virtually by telephone or other electronic communications medium, or in a hybrid fashion incorporating both in-person and virtual means. A director may participate in a meeting of the directors or of any committee of the directors in person or by telephone if all directors participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other. A director may participate in a meeting of the directors or of any committee of the directors by a communications medium other than telephone, including by electronic means, if all directors participating in the meeting, whether in person or by telephone or other communications medium, including by electronic means, are able to communicate with each other and if all directors who wish to participate in the meeting agree to such participation. A director who participates in a meeting in a manner contemplated by this Article 18.4 is deemed for all purposes of the *Business Corporations Act* and these Articles to be present at the meeting and to have agreed to participate in that manner.

18.5 Calling of Meetings

A director may, and the secretary or an assistant secretary of the Company, if any, on the request of a director must, call a meeting of the directors at any time.

18.6 Notice of Meetings

Other than for meetings held at regular intervals as determined by the directors pursuant to Article 18.1, reasonable notice of each meeting of the directors, specifying the place, day and time of that meeting must be given to each of the directors and the alternate directors by any method set out in Article 24.1 or orally or by telephone.

18.7 When Notice Not Required

It is not necessary to give notice of a meeting of the directors to a director or an alternate director if:

- (1) the meeting is to be held immediately following a meeting of shareholders at which that director was elected or appointed, or is the meeting of the directors at which that director is appointed; or
- (2) the director or alternate director, as the case may be, has waived notice of the meeting.

18.8 Meeting Valid Despite Failure to Give Notice

The accidental omission to give notice of any meeting of directors to, or the non-receipt of any notice by, any director or alternate director, does not invalidate any proceedings at that meeting.

18.9 Waiver of Notice of Meetings

Any director or alternate director may send to the Company a document signed by him or her waiving notice of any past, present or future meeting or meetings of the directors and may at any time withdraw that waiver with respect to meetings held after that withdrawal. After sending a waiver with respect to all future meetings and until that waiver is withdrawn, no notice of any meeting of the directors need be given to that director and, unless the director otherwise requires by notice in writing to the Company, to his or her alternate director, and all meetings of the directors so held are deemed not to be improperly called or constituted by reason of notice not having been given to such director or alternate director.

18.10 Quorum

The quorum necessary for the transaction of the business of the directors shall be 60% of directors and, if the number of directors is set at one, is deemed to be set at one director, and that director may constitute a meeting.

18.11 Validity of Acts Where Appointment Defective

Subject to the *Business Corporations Act*, an act of a director or officer is not invalid merely because of an irregularity in the election or appointment or a defect in the qualification of that director or officer.

18.12 Consent Resolutions in Writing

A resolution of the directors or of any committee of the directors may be passed without a meeting:

- (1) in all cases, if each of the directors entitled to vote on the resolution consents to it in writing; or
- (2) in the case of a resolution to approve a contract or transaction in respect of which a director has disclosed that he or she has or may have a disclosable interest, if each of the other directors who are entitled to vote on the resolution consents to it in writing.

A consent in writing under this Article may be by signed document, fax, email or any other method of transmitting legibly recorded messages. A consent in writing may be in two or more counterparts which together are deemed to constitute one consent in writing. A resolution of the directors or of any committee of the directors passed in accordance with this Article 18.12 is effective on the date stated in the consent in writing or on the latest date stated on any counterpart and is deemed to be a proceeding at a meeting of directors or of the committee of the directors and to be as valid and effective as if it had been passed at a meeting of the directors or of the committee of the directors

that satisfies all the requirements of the *Business Corporations Act* and all the requirements of these Articles relating to meetings of the directors or of a committee of the directors.

27.3 Voting Rights

The holders of the Class A Shares will be entitled to receive notice of and to attend any meetings of the shareholders of the Company and, at any meeting of the shareholders of the Company (except meetings at which, pursuant to the *Business Corporations Act*, only the holders of another class or series of shares of the Company are entitled to vote separately as a class or series) will be entitled to one vote in respect of each Class A Share held.

27.4 Distribution Rights

The holders of the Class A Shares shall be entitled to receive all Distributions at such times and in such amounts as the directors of the Company may in their discretion from time to time declare. All Distributions declared by the Company shall be declared in equal or equivalent amounts per share on all outstanding Class A Shares and Class B Shares and the amount of any Distributions paid on the Class A Shares and Class B Shares shall be paid *pro rata* among all the issued and outstanding Class A Shares and Class B Shares provided that the directors of the Company shall have full and absolute discretion as to the form of payment and the allocation, in respect of the portion of a Distribution payable on the Class A Shares and the Class B Shares, as between dividends and returns of capital. For greater certainty, the allocation between dividends and returns

of capital in respect of a Distribution on the Class A Shares may be different than the allocation between dividends and returns of capital in respect of the Distribution on the Class B Shares provided that the aggregate amount of the Distribution per issued and outstanding Class A Share and Class B Share is the same.

27.5 Liquidation Rights

The holders of Class A Shares shall be entitled in the event of any liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company, among its shareholders for the purpose of winding-up its affairs, and subject to prior satisfaction of all preferential rights of return of capital on dissolution attached to all shares of other classes of shares of the Company ranking in priority to the Class A Shares in respect of return of capital on dissolution, to share rateably on an equivalent basis, together with the holders of Class B Shares and any other class of shares of the Company ranking equally with the Class A Shares in respect of return of capital, in such assets of the Company as are available for distribution.

27.6 Transfer Restrictions

Subject to compliance with Article 26.3, if any holder of one or more Stapled Shares proposes to Transfer of all or any part of their Stapled Shares, such holder must, as a condition of the Transfer, concurrently assign to the Transferee an equivalent pro rata portion of any Claim such holder has which remains unpaid as to the date of the proposed Transfer, and the Transferee must agree to accept such assignment of the Claim, in each case in writing and in a form acceptable to the Company acting reasonably. The Company shall not be bound by or obligated to recognize any Transfer of Stapled Shares that does not include the assignment of the Claim contemplated in the foregoing sentence.

27.7 Redeemable by Company

Subject to the *Business Corporations Act*, if any holder of a Claim sells to the Company all or any portion of their Claim pursuant to Section 15.5 of the Plan of Arrangement or otherwise, then the Company will redeem an equivalent *pro rata* portion of the Stapled Shares for which such holder is the registered holder, at a price per share equal to the initial issue price of such Stapled Shares (as adjusted to take into account any subdivision, consolidation or other adjustment with respect to such shares) (the "**Redemption Price**"), all as more particularly set forth in Article 27.8.

27.8 Redemption Procedure by Company

If, pursuant to Article 27.7, the Company redeems all or a portion of any Stapled Shares outstanding:

- (1) **Deemed Redemption Date** – The date of redemption (the "**Redemption Date**") of the Stapled Shares pursuant Article 27.7 will be deemed to have occurred on the date on which the sale of a Claim by a holder to the Company is, or is deemed to have been, completed.

- (2) **Payment** - On the Redemption Date, the Company will pay or cause to be paid to or to the order of the registered holders of the Stapled Shares to be redeemed the Redemption Price for each Stapled Shares to be redeemed on presentation and surrender, at the registered office of the Company or at any other place designated by the Company, of the certificate or certificates (if any) for the Stapled Shares called for redemption. The Stapled Shares will thereupon be deemed to be redeemed and will be cancelled. If only a part of the Stapled Shares represented by any certificate is redeemed, a new certificate for the balance will be issued at the expense of the Company.
- (3) **Rights** – From and after the Redemption Date, the holders of the Stapled Shares called for redemption will not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Redemption Price for each Stapled Share to be redeemed is not made upon presentation of the share certificates (if any) in accordance with the foregoing provisions, in which case the rights of the holders thereof will remain unaffected until payment of the Redemption Price for each Stapled Shares to be redeemed is made.
- (4) **Failure to Present** - If the holders of Stapled Shares fail to present, on the Redemption Date, the certificate or certificates (if any) representing any Stapled Shares to be redeemed, the Company will have the right to deposit the Redemption Price for each Stapled Shares to be redeemed in either a separate account of the Company with a chartered bank or trust company in Canada or with the solicitors for the Company to be held in trust on behalf of the Company and to be paid without interest to or to the order of the respective holders of the Stapled Shares to be redeemed upon presentation and surrender to the Company of the certificate or certificates representing the Stapled Shares to be redeemed. Upon that deposit being made, the Stapled Shares in respect of which the deposit was made will be deemed to be redeemed, will be cancelled and the rights of the holders thereof after the deposit will be limited to receiving without interest their proportionate part of the aggregate Redemption Price deposited less any charges of the chartered bank, trust company or solicitors, as applicable, against presentation and surrender of the certificate or certificates (if any) representing the Stapled Shares to be redeemed held by them respectively.

27.9 Constraints on Ownership

The Class A Shares may only be held, beneficially owned or controlled, directly or indirectly, by Canadians.

27.10 Conversion Rights

- (1) Each holder of Class A Shares will have the right (the "**Conversion Right**") at any time to convert all or from time to time any part of such holder's Class A Shares into fully paid Class B Shares at the Conversion Ratio on the following basis:

- (a) if a holder of Class A Shares wishes to exercise his, her or its Conversion Right, then he, she or it must give notice (the "**Conversion Notice**") in writing to the Company. The Conversion Notice must specify the number of Class A Shares (the "**Specified Shares**") that the holder delivering the Conversion Notice wishes to be converted, be signed by the registered holder of the Specified Shares and be accompanied by the certificate or certificates, if any, representing the Specified Shares to be converted; and
 - (b) effective as of the date of the receipt of a duly signed Conversion Notice and accompanying share certificate or certificates, if any, the Company will issue to the holder of the Class A Shares delivering the Conversion Notice a certificate representing fully paid and non-assessable Class B Shares into which such Class A Shares were converted. If less than all the Class A Shares represented by any certificate are converted, then the Company will at its expense promptly issue and deliver a new share certificate to the holder thereof for the balance of the Class A Shares not converted.
- (2) If a holder of Class A Shares ceases at any time to be a Canadian, such holder must submit to the Company a declaration indicating that the holder is a Non-Canadian. All of the issued and outstanding Class A Shares held by any holder of Class A Shares who ceases to be a Canadian will immediately and automatically be converted into fully paid and non-assessable Class B Shares at the Conversion Ratio effective as of the date such holder ceased to be a Canadian. Upon any such automatic conversion all share certificates representing such Class A Shares shall instead be deemed to represent the appropriate number of Class B Shares into which such Class A Shares were converted and upon surrender of any such share certificate the Company will issue a new share certificate in the name of such holder representing such appropriate number of Class B Shares.
 - (3) If a proposed transferee of Class A Shares is a Non-Canadian then all of the Class A Shares proposed to be so transferred will immediately and automatically be converted into fully paid and non-assessable Class B Shares at the Conversion Ratio effective as of the date of such transfer and upon such transfer becoming effective the Company will issue to the transferee a certificate representing instead the appropriate number of Class B Shares.

27.11 Adjustments to Conversion Rights

- (1) If at any time the Company subdivides, consolidates or pays a stock dividend on the Class A Shares or the Class B Shares, the Conversion Ratio shall simultaneously be adjusted upon the happening of each such event accordingly.
- (2) If at any time and from time to time, the Class B Shares are changed into a different class or classes of shares, whether by reclassification, recapitalization, reorganization, arrangement, amalgamation or merger, then each Class A Share shall thereafter be convertible into the kind and amount of shares and other securities and property receivable upon such change by holders of the number of

Class B Shares into which the Class A Shares could have been converted immediately prior to such change.

28. SPECIAL RIGHTS AND RESTRICTIONS – CLASS B COMMON SHARES

28.1 Class B Common Shares

28.4 Distribution Rights

The holders of the Class B Shares shall be entitled to receive all Distributions at such times and in such amounts as the directors of the Company may in their discretion from time to time declare. All Distributions declared by the Company shall be declared in equal or equivalent amounts per share on all outstanding Class B Shares and Class A Shares and the amount of any Distributions paid on the Class A Shares and Class B Shares shall be paid *pro rata* among all the issued and outstanding Class A Shares and Class B Shares provided that the directors of the Company shall

have full and absolute discretion as to the form of payment and the allocation, in respect of the portion of a Distribution payable on the Class A Shares and the Class B Shares, as between dividends and returns of capital. For greater certainty, the allocation between dividends and returns of capital in respect of a Distribution on the Class A Shares may be different than the allocation between dividends and returns of capital in respect of the Distribution on the Class B Shares provided that the aggregate amount of the Distribution per issued and outstanding Class A Share and Class B Share is the same.

28.5 Liquidation Rights

The holders of Class B Shares shall be entitled in the event of any liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company, among its shareholders for the purpose of winding-up its affairs, and subject to prior satisfaction of all preferential rights of return of capital on dissolution attached to all shares of other classes of shares of the Company ranking in priority to the Class B Shares in respect of return of capital on dissolution, to share rateably on an equivalent basis, together with the holders of Class A Shares and any other class of shares of the Company ranking equally with the Class B Shares in respect of return of capital, in such assets of the Company as are available for distribution.

28.6 Transfer Restrictions

Subject to compliance with Article 26.3, if any holder of one or more Stapled Shares proposes to Transfer of all or any part of their Stapled Shares, such holder must, as a condition of the Transfer, concurrently assign to the Transferee an equivalent pro rata portion of any Claim such holder has which remains unpaid as to the date of the proposed Transfer, and the Transferee must agree to accept such assignment of the Claim, in each case in writing and in a form acceptable to the Company acting reasonably. The Company shall not be bound by or obligated to recognize any Transfer of Stapled Shares that does not include the assignment of the Claim contemplated in the foregoing sentence.

28.7 Redeemable by Company

Subject to the *Business Corporations Act*, if any holder of a Claim sells to the Company all or any portion of their Claim pursuant to Section 15.5 of the Plan of Arrangement or otherwise, then the Company will redeem an equivalent *pro rata* portion of the Stapled Shares for which such holder is the registered holder, at a price per share equal to the initial issue price of such Stapled Shares (as adjusted to take into account any subdivision, consolidation or other adjustment with respect to such shares) (the "**Redemption Price**"), all as more particularly set forth in Article 28.8.

28.8 Redemption Procedure by Company

If, pursuant to Article 28.7, the Company redeems all or a portion of any Stapled Shares outstanding:

- (1) **Deemed Redemption Date** – The date of redemption (the "**Redemption Date**") of the Stapled Shares pursuant Article 28.7 will be deemed to have occurred on the

date on which the sale of a Claim by a holder to the Company is, or is deemed to have been, completed.

- (2) **Payment** - On the Redemption Date, the Company will pay or cause to be paid to or to the order of the registered holders of the Stapled Shares to be redeemed the Redemption Price for each Stapled Shares to be redeemed on presentation and surrender, at the registered office of the Company or at any other place designated by the Company, of the certificate or certificates (if any) for the Stapled Shares called for redemption. If only a part of the Stapled Shares represented by any certificate is redeemed, a new certificate for the balance will be issued at the expense of the Company.
- (3) **Rights** – From and after the Redemption Date, the holders of the Stapled Shares called for redemption will not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Redemption Price for each Stapled Share to be redeemed is not made upon presentation of the share certificates (if any) in accordance with the foregoing provisions, in which case the rights of the holders thereof will remain unaffected until payment of the Redemption Price for each Stapled Shares to be redeemed is made.
- (4) **Failure to Present** - If the holders of Stapled Shares fail to present, on the Redemption Date, the certificate or certificates (if any) representing any Stapled Shares to be redeemed, the Company will have the right to deposit the Redemption Price for each Stapled Shares to be redeemed in either a separate account of the Company with a chartered bank or trust company in Canada or with the solicitors for the Company to be held in trust on behalf of the Company and to be paid without interest to or to the order of the respective holders of the Stapled Shares to be redeemed upon presentation and surrender to the Company of the certificate or certificates representing the Stapled Shares to be redeemed. Creditors' Meetings: Pursuant to the Meetings Order, the Creditors' Meetings have been called for the purposes of having Affected Creditors holding Affected Claims and/or Disputed Claims consider and vote on the Plan.

In accordance with the Meetings Order, the Petitioners, with the assistance of the Monitor, will call, hold and conduct the following Creditors' Meetings: (a) a meeting of the ACC Creditor Class (the "**ACC Creditors' Meeting**") on November 2, 2021 (the "**Meetings Date**"), at 10:00 a.m. PDT by videoconference, for the purpose of considering and voting on the ACC resolution to approve the Plan; and (b) thereafter, and conditional upon the approval of the Plan by the Required Majority of Creditors of the ACC Creditor Class having been obtained at the ACC Creditors' Meeting, a meeting of the ACBI Creditor Class (the "**ACBI Creditors' Meeting**") on the Meetings Date, at 12:00 p.m. PDT by videoconference, for the purpose of considering and voting on the ACBI resolution to approve the Plan.

If the requisite quorum is not present at either of the Creditors' Meetings for one or both of the Affected Creditor Classes, then the Creditors' Meeting addressing that portion of the Plan shall be adjourned, postponed or otherwise rescheduled by the Chair to such date, time, and place as the Monitor deems necessary or desirable. The Chair shall decide on the manner of giving notice to the applicable Affected Creditor Class of any rescheduled Creditors' Meetings and may, if he or she deems it appropriate, restrict such notice to a notice posted on the Monitor's Website.

Entitlement to Vote:

The only Persons entitled to vote at the Creditors' Meetings shall be Affected Creditors and their Proxy holders. Holders of Equity Claims or Unaffected Claims are not entitled, in such capacity, to attend the Creditors' Meetings or vote on the Plan.

Affected Creditors holding Affected Claims

For the purposes of counting and tabulating the votes at each of the Creditors' Meetings, each ACC Creditor will be entitled to one (1) vote in respect of the portion of the plan which relates to ACC, and each ACBI Creditor will be entitled to one (1) vote in respect of that portion of the Plan that relates to ACBI. The value attributed to each vote (for the purpose of determining the Required Majority of Creditors) by an ACC Creditor or an ACBI Creditor is equal to the Canadian dollar value of the portion of such Affected Creditor's Affected Claim against ACC or ACBI as of the Filing Date, as applicable. The voting rights with respect to Affected Claims filed in currencies other than in Canadian dollars will be calculated by the Petitioners at the daily exchange rate quoted by the Bank of Canada for exchanging such currency from Canadian dollars as at the Filing Date.

Affected Creditors holding Disputed Claims

At each of the Creditors' Meetings, each Affected Creditor with a Disputed Claim against ACBI and each Affected Creditor with a Disputed Claim against ACC shall be entitled to one (1) vote on the Plan in respect of ACBI and ACC, respectively. The vote of any Disputed Claim against ACC or ACBI shall have the value accepted by the Monitor, if any, for voting purposes. For each Disputed Claim, the Monitor shall keep a separate record of votes cast by each Affected Creditor holding Disputed Claims. The votes cast in respect of any Disputed Claim shall not be counted for any purpose unless, until and only to the extent that such Disputed Claim is finally determined to be a Proven Claim in accordance with the Claims Procedure Order.

Holders of Unaffected Claims

No holder of an Unaffected Claim will be entitled to vote on the Plan in respect of such Unaffected Claim.

Appointment of Proxyholders and Voting:

Any Proxy must be received by the Monitor by no later than 4:00 p.m. PDT on the date that is four (4) Business Days prior to the applicable Creditors' Meeting (or any adjournment thereof), provided that the Monitor may waive strict compliance with the time limits imposed for receipt of a Proxy if deemed advisable to do so by the Monitor, in consultation with the Petitioners.

If a duly signed and returned Proxy does not provide an instruction to vote for or against the approval of the resolution on the Plan, the Proxy will be deemed to include an instruction to vote for the approval of the resolution and the Plan, provided that the Proxy holder does not otherwise exercise its right to vote at the Meeting.

Plan; and (ii) as to the remaining 99.99% of such amount, payments from time to time following the Plan Implementation Date from ACC Cash Available for Distribution (“**ACC Level 3 Distributions**”), which payments shall be fully subordinate and rank behind each of the ACC Level 1 Distributions and ACC Level 2 Distributions (and for greater certainty in priority to each of the ACC Level 4 Distributions and ACC Level 5 Distributions), such Distributions to be made *pro rata* among each of the Preferred Securityholders based on the accrued but unpaid interest owing under each such Preferred Securityholder’s Proven Claim in respect of its Preferred Securities as at the Filing Date.

3. **Hybrid Securities Pre-filing Principal:** Each Hybrid Securityholder shall have a continuing non-interest bearing claim against ACC for the portion of its Proven Claim that is the unpaid principal amount owing under such Hybrid Securityholder’s Proven Claim in respect of its Hybrid Securities as at the Filing Date in respect of which such Hybrid Securityholder shall be entitled to: (i) as to 0.01% of such amount, the issuance of equity in ACC as of the Plan Implementation Date, as further described in Schedule “E” of the Plan; and (ii) as to the remaining 99.99% of such amount, payments from time to time following the Plan Implementation Date from ACC Cash Available for Distribution (“**ACC Level 4 Distributions**”), which payments shall be fully subordinate and rank behind the payment in full of each of the ACC Level 1 Distributions, ACC Level 2 Distributions and ACC Level 3 Distributions (and for greater certainty, in priority to each of the ACC Level 5 Distributions), such Distributions to be made *pro rata* among each of the Hybrid Securityholders based on the unpaid principal amount owing under each such Hybrid Securityholder’s Proven Claim in respect of its Hybrid Securities as at the Filing Date.

4. **Hybrid Securities Pre-filing Interest:** Each Hybrid Securityholder shall have a continuing non-interest bearing claim against ACC in respect of the portion of its Proven Claim that is accrued but unpaid interest owing under such Hybrid Securityholder’s Proven Claim in respect of its Hybrid Securities as at the Filing Date in respect of which such Hybrid Securityholder shall be entitled to: (i) as to 0.01% of such amount, the issuance of equity in ACC as of the Plan Implementation Date, as further described in Schedule “E” of the Plan; and (ii) as to the remaining 99.99% of such amount, payments from time to time following the Plan Implementation Date from ACC Cash Available for Distribution (“**ACC Level 5 Distributions**”), which payments shall be fully subordinate and rank behind the payment in full of each of the ACC Level 1 Distributions, ACC Level 2 Distributions, ACC Level 3 Distributions and ACC Level 4 Distributions, such Distributions to be made *pro rata* among each of the Hybrid Securityholders based on the accrued but unpaid interest owing under each such Hybrid Securityholder’s Proven Claim in respect of its Hybrid Securities as at the Filing Date.

Affected Claims held by ACBI Creditors

At the Effective Time, each Affected Claim held by ACBI Creditors will be restructured and:

i. **ACBI Creditors Principal:** Each ACBI Creditor shall have a continuing non-interest bearing claim against ACBI in respect of the principal amount of its Proven Claim against ACBI as at the Filing Date, with a corresponding priority, in respect of which such ACBI Creditor shall be entitled to payments from ACBI Cash Available for Distribution (“**ACBI Level 1 Distributions**”), which payments shall rank in priority to ACBI Level 2 Distributions and ACBI Level 3 Distributions, such Distributions to be made *pro rata* among each of the ACBI Creditors based on the principal amount of each such ACBI Creditor’s Proven Claim against ACBI as at the Filing Date.

ii. **ACBI Creditors Pre-filing Interest:** Each ACBI Creditor shall have a continuing non-interest bearing claim against ACBI for the portion of its Proven Claim that is accrued but unpaid interest (calculated at the applicable contractual rate(s) on the portion of the Proven Claim against ACBI that is the principal amount) owing under such ACBI Creditor’s Proven Claim against ACBI as at the Filing Date in respect of which such ACBI Creditor shall be entitled to payments from ACBI Cash Available for Distribution (“**ACBI Level 2 Distributions**”), which payments shall be fully subordinate and rank behind the ACBI Level 1 Distributions (and for greater certainty in priority to the ACBI Level 3 Distributions), such Distributions to be made *pro rata* among each of the ACBI Creditors based on the accrued but unpaid interest owing under each such ACBI Creditor’s Proven Claim against ACBI as at the Filing Date.

iii. **ACBI Creditors Post-filing Interest:** Each ACBI Creditor shall have a continuing claim against ACBI in respect of the portion of its Proven Claim against ACBI that is accrued but unpaid interest (calculated at the applicable contractual rate(s) on the portion of the Proven Claim against ACBI that is the principal amount) for the period from and after the Filing Date to the date of payment in full in respect of the principal amount of the ACBI Level 1 Distributions, in respect of which such ACBI Creditor shall be entitled to Distributions from ACBI Cash Available for Distribution (“**ACBI Level 3 Distributions**”) on account of post-filing interest, such Distributions shall be fully subordinate and rank behind the payment in full of each of the ACBI Level 1 Distributions and the ACBI Level 2 Distributions, such Distributions to be made *pro rata* among each of ACBI Creditors based on the accrued but unpaid interest owing under each such ACBI Creditor’s Proven Claim for the period from and after the Filing Date to the date of payment in full in respect of the principal amount of the ACBI Level 1 Distributions.

Disputed Claims

An Affected Creditor with a Disputed Claim shall not be entitled to receive a Distribution under the Plan in respect thereof until and unless such Disputed Claim becomes a Proven Claim in accordance with the Claims Procedure Order and the Plan.

Treatment of Unaffected Claims:

The Plan does not compromise, release, discharge, cancel, bar or otherwise affect any Unaffected Claims. No holder of an Unaffected Claim shall be entitled to vote on or receive any Distributions under the Plan in respect of such Unaffected Claim.

Unaffected Claims include: (a) any right or claim of any Person that may be asserted or made in whole or in part against either of the Petitioners in connection with any indebtedness, liability or obligation of any kind which arose in respect of obligations incurred on or after the Filing Date, and any interest thereon, including any obligation of the Petitioners to creditors who have supplied or shall supply services, utilities, goods or materials or who have or shall have advanced funds to the Petitioners on or after the Filing Date, but only to the extent of their claims in respect of the supply of such services, utilities, goods, materials or funds arising on or after the Filing Date, which excludes all Affected Claims, other than Restructuring Claims and D&O Insurance Claims; (b) any Claims relating to Continuing D&O Indemnities; (c) any Claims of Secured Creditors; (d) any Claims of the Petitioners as against each other; (e) all Non-Released D&O Claims (as defined below); (f) Section 5.1(2) D&O Claims (which shall be subject to the limitations set out in the Plan); (g) any Claims that are not permitted to be compromised under section 19(2) of the CCAA; and (h) any Claims in respect of payments referred to in sections 6(3), 6(5) and 6(6) of the CCAA.

Subject to the provisions of the Plan, Unaffected Claims shall be dealt with in accordance with the existing arrangements between the Petitioners and the holders of such Unaffected Claims in effect on the Filing Date or such other arrangement as may be mutually agreed between the applicable parties.

Nothing in the Plan shall affect the Petitioners' rights and defences, both legal and equitable, with respect to any Unaffected Claims, including any rights with respect to legal and equitable defences or entitlements to set-offs or recoupments against such Unaffected Claims.

Releases:

At the Effective Time, except as otherwise provided in the Plan or in the Sanction Order (as defined below), the Monitor, its legal counsel and the CRO shall be released from any and all Claims, obligations, rights, Causes of Action and liabilities which any Person may be entitled to assert, whether for tort, contracts, violation of Applicable Laws or otherwise, whether known or unknown, foreseen or unforeseen, existing or thereafter arising, based in whole or in part upon any act or omission, transaction or other occurrence taking place on or before the Effective Time, including the negotiation, solicitation, confirmation and consummation of the Plan; provided, however, that nothing shall release the Monitor, its legal counsel or the CRO from any Claims, obligations, Causes of Action or liabilities which arise out of the Monitor's, its legal counsel's or the CRO's fraud, gross negligence, or wilful misconduct.

Non-Released D&O Claims: The Plan does not compromise, discharge, release, cancel or bar any D&O Claims against the D&Os of the Petitioners for fraud and/or criminal conduct (the “**Non-Released D&O Claims**”). From and after the Plan Implementation Date, a Person may only commence an action for a Non-Released D&O Claim against a D&O if such Person has first obtained (a) the consent of the Monitor or (b) the leave of the CCAA Court on notice to the applicable D&Os, Petitioners, Monitor and any applicable insurers.

Creditor Approval of Plan: The portions of the Plan relating to ACC and to ACBI will be approved independently of each other if: (a) a majority in number of each class of Affected Creditors voting vote in favour of the Plan; and (b) the total Affected Claims voting in each class of Affected Creditors in favour of the Plan represent at least 66.67% in value of the Affected Claims voting on the Plan (together, the “**Required Majority of Creditors**”).

The Plan, insofar as it relates to ACC, is required to be accepted by the Required Majority of Creditors of the ACC Creditors, and, insofar as it relates to ACBI, is required to be accepted by the Required Majority of the ACBI Creditors and ACC Creditors.

Court Approval of Plan: If the Plan is approved by the Required Majority of Creditors of the ACC Creditor Class or the Required Majority of Creditors of both the ACC Creditor Class and the ACBI Creditor Class, the Petitioners will bring an application (the “**Sanction Order Application**”) for an order sanctioning the Plan pursuant to the CCAA no later than November 19, 2021 (the “**Sanction Order**”) or as soon thereafter as the matter can be heard.

Any party who wishes to oppose the Sanction Order Application shall serve on counsel for the Petitioners, counsel for the Monitor, and all parties on the Service List, at least three (3) Business Days prior to the Sanction Order Application return date (or such other later date as the Monitor may direct): (a) an application response in the form prescribed by the British Columbia *Supreme Court Civil Rules* setting out the basis for such opposition; and (b) a copy of the materials to be relied upon to oppose the Sanction Order Application.

Affected Creditors should consult with their legal advisors with respect to the legal rights available to them in relation to the Plan and the Sanction Order Application.

Conditions to Implementation of the Plan: The implementation of the Plan is subject to the satisfaction of the following conditions:

- (a) the Plan shall have been approved by:
 - a. the Required Majority of Creditors of the ACC Creditors; and
 - b. in the case of that portion of the Plan relating to the ACBI Creditors, the Required Majority of Creditors of the ACBI Creditors;

- (b) the Sanction Order shall have been granted by the CCAA Court in a form acceptable to the Monitor and the Investor Committee and shall be in full force and effect and not reversed, stayed, varied, modified or amended;
- (c) all applicable appeal periods in respect of the Sanction Order shall have expired and, in the event of an appeal or application for leave to appeal, final determination thereof shall have been made by the applicable appellate court;
- (d) all approvals, orders, determinations or consents required pursuant to Applicable Law, if applicable, shall have been obtained on terms and conditions satisfactory to the Monitor, acting reasonably, and shall remain in full force and effect at the Effective Time;
- (e) all agreements, resolutions, documents and other instruments which are necessary to be executed and delivered by the Petitioners or the Monitor in order to implement the Plan and perform the Petitioners' obligations under the Plan shall have been executed and delivered;
- (f) no action shall have been instituted and be continuing as at the Effective Time for an injunction to restrain, a declaratory judgment in respect of, or damages on account of, or relating to, the Plan;
- (g) the Petitioners shall have entered into the RCM Exit Facility on terms acceptable to the Monitor and the Investor Committee, acting reasonably; and
- (h) the Petitioners shall have obtained director and officer insurance acceptable to the Monitor and the Investor Committee for the period commencing on the Effective Date.

Each of the foregoing conditions may be waived in whole or in part with the joint approval of the Petitioners, the Monitor and the Investor Committee (except in the case of (a) and (b) above) at or before the Effective Time.

Plan Amendment:

Pursuant to the Plan, the Petitioners, with the consent of the Monitor, reserve the right to file any variation or modification of, or amendment or supplement to, the Plan by way of a supplementary or amended and restated plan or plans of compromise or arrangement or both filed with the CCAA Court at any time or from time to time prior to the commencement of the Creditors' Meetings. Any such supplementary or amended and restated plan or plans of compromise or arrangement or both shall, for all purposes, be deemed to be a part of and incorporated into the Plan. Any such variation, modification, amendment or supplement shall be posted on the Monitor's Website on the day on which it is filed with the CCAA Court and notice of same will be provided to the parties on the Service List. *Affected Creditors are advised to check the Monitor's Website regularly.* Affected Creditors in attendance at the Creditors' Meetings will also be advised of any

supplement or amendment made to the Plan.

In addition, the Petitioners, with the consent of the Monitor, may propose a variation, modification of or amendment or supplement to the Plan during the Creditors' Meetings, provided that notice of such variation, modification, amendment or supplement is given to all Affected Creditors entitled to vote who are present in person or by Proxy at the Creditors' Meetings prior to the vote being taken at the first Creditors' Meetings, in which case, if approved, any such variation, modification, amendment or supplement shall, for all purposes, be deemed to be part of the Plan. Any variation, amendment, modification or supplement at the Creditors' Meetings will be promptly posted on the Monitor's Website and filed with the CCAA Court as soon as practicable following the Creditors' Meetings.

After the Creditors' Meetings (and both prior to and subsequent to the obtaining of the Sanction Order), the Petitioners, with the consent of the Monitor, may at any time and from time to time vary, amend, modify or supplement the Plan without the need for obtaining an Order of the CCAA Court or providing notice to the Affected Creditors, if the Petitioners, acting reasonably and in good faith, determine that such variation, amendment, modification or supplement is of a technical or administrative nature that would not be materially prejudicial to the interests of any of the Affected Creditors under the Plan and is necessary in order to give effect to the substance of the Plan or the Sanction Order.

**Timing of Plan
Implementation:**

It is anticipated that the Plan will be implemented in accordance with the following timetable:

PETITIONERS

AFFIDAVIT OF PETER CRAWFORD

I, **PETER CRAWFORD**, care of 60 W 6th Ave Suite 200, in the City of Vancouver, in the Province of British Columbia, **MAKE OATH AND SAY AS FOLLOWS:**

1. I am the Vice President, Legal Affairs of Ardenton Capital Corporation ("**ACC**"), the parent company of Ardenton Capital Bridging Inc. ("**ACBI**" and together with ACC, the "**Petitioners**"). In such capacity, I am also general counsel for the Ardenton group of companies. I therefore oversee the legal affairs of the Petitioners and I am authorized to make this affidavit on behalf of the Petitioners.

2. I have personal knowledge of the matters herein, except where such facts are based upon information and belief and where so stated, I do verily believe the same to be true.

3. Defined terms used in this affidavit not otherwise defined shall have the meanings ascribed to them in the proposed Plan of Compromise and Arrangement of the Petitioners, a copy of which

is appended hereto and marked as **Exhibit “A”** (the “**Plan**”) or the Meetings Order (as defined below), as applicable.

I. NATURE OF RELIEF SOUGHT

4. I swear this affidavit in support of an application by the Petitioners to approve the Petitioners’ proposed Stay Extension Order (the “**Stay Extension Order**”) and Meetings Order (the “**Meetings Order**”), copies of which are appended to the Petitioners’ Notice of Application as Schedules “B” and “C”, respectively.

II. BACKGROUND

5. On March 5, 2021, the Supreme Court of British Columbia (the “**CCAA Court**”) granted the Petitioners protection under the *Companies’ Creditors Arrangement Act*, RSC 1985, c C-36 (the “**CCAA**”) pursuant to an initial order (the “**Initial Order**”). Among other things, the Initial Order:

- (a) granted an initial Stay Period (as defined in the Initial Order) in favour of the Petitioners up to and including March 15, 2021;
- (b) granted each of the Administration Charge and the D&O Charge; and
- (c) appointed KSV Restructuring Inc. as monitor in these CCAA Proceedings (in such capacity, the “**Monitor**”).

6. Under the Initial Order, the CCAA Court set the application for an extension of the Stay Period to be heard on March 15, 2021 (the “**Comeback Hearing**”). At the Comeback Hearing, the CCAA Court granted an Order amending and restating the Initial Order pursuant to which, among other things, the Stay Period was extended to May 7, 2021.

7. On March 31, 2021, the CCAA Court granted a second Order amending and restating the Initial Order pursuant to which, among other things:

- (a) the amount of the Administration Charge was reduced from \$1.0 million to \$750,000;

- (b) the DIP Facility was approved; and
 - (c) the Interim Lender's Charge was granted.
8. The CCAA Court also granted Orders on March 31, 2021 approving:
- (a) a claims procedure for soliciting and determining the Claims against the Petitioners and against the Petitioners' D&Os (the "**Claims Procedure**"); and
 - (b) the appointment of the Investor Committee, representing significant investors or representatives of groups of significant investors to, among other things, work with the Monitor and the Petitioners to formulate the Plan.
9. On May 6, 2021, the CCAA Court granted an Order:
- (a) approving a key employee retention plan for certain of ACC's employees and the KERP Charge; and
 - (b) granting an extension of the Stay Period to July 6, 2021.
10. On June 28, 2021, the CCAA Court granted an Order extending the Stay Period to October 1, 2021.
11. On July 26, 2021, the CCAA Court granted the following Orders:
- (a) an Order approving the consulting agreement (the "**Consulting Agreement**") between ACC and Kingsman Scientific Management Inc. (the "**Consultant**"), engaging the Consultant to provide the services of Chief Restructuring Officer (the "**CRO**") of the Petitioners, and authorizing and directing ACC to enter into and carry out the terms of the Consulting Agreement;
 - (b) an Order creating the CRO Charge in favour of the Consultant in the amount of \$200,000; and
 - (c) an Order approving the separation agreement between the Petitioners and James Livingstone and Livingstone Holdings Inc.,

(collectively, the “**July 26 Orders**”).

12. Further information concerning the Petitioners and their business and the events leading up to the filing of the Plan is detailed in previous materials filed by the Petitioners and the Monitor in these CCAA Proceedings, all of which can be found on the Monitor’s Website: <https://www.ksvadvisory.com/insolvency-cases/case/ardenton-capital-corporation>.

III. UPDATE ON THE CLAIMS PROCEDURE

13. Since the granting of the Claims Procedure Order on March 31, 2021 (the “**Claims Procedure Order**”), the Monitor and the Petitioners have identified and quantified all known creditor claims against the Petitioners (the “**Known Claims**”).

14. In accordance with the terms of the Claims Procedure Order, the Monitor:

- (a) distributed, by the date required under the Claims Procedure Order (being April 15, 2021), approximately four hundred (400) claim packages to claimants with Known Claims;
- (b) published, on April 7, 2021, a notice advising of the Claims Procedure in *The Globe and Mail (National Edition)* and the Vancouver Sun; and
- (c) posted on its website, immediately after the Claims Procedure Order was granted, a notice to claimants, the claims package and the Claims Procedure Order.

15. The claims bar date for Known Claims, pre-filing Claims, and D&O Claims was May 14, 2021 (the “**Claims Bar Date**”).

16. Following the Claims Bar Date, the Petitioners identified twelve (12) Claims that the Petitioners intend to dispute, principally involving former employees, a former landlord and a claim filed by an investment management firm for unpaid fees. The Monitor and the Petitioners have been working with such claimants to attempt to consensually resolve these Disputed Claims. As of the date hereof, six (6) Disputed Claims have been resolved and six (6) Disputed Claims remain outstanding. Substantial progress has been made in respect of these Disputed Claims and it is my understanding that the Monitor is optimistic that most of these remaining Disputed Claims

will be resolved by the date of the Creditors' Meetings. If the Monitor is unsuccessful in resolving the outstanding Disputed Claims, it may be necessary to have such Disputed Claims adjudicated by the CCAA Court.

17. Five (5) D&O Claims were filed. Four (4) of these claims were filed by members of the Investor Committee and one was filed by another investor. The Monitor also sent a letter to ACC, which attached a claim from a member of the Investor Committee advising the Petitioners that the Monitor intended to accept the claim as a placeholder representative claim (the "**Omnibus D&O Claim**") made on behalf of all of the Petitioners' investors. It is my understanding, based on my personal involvement with the preparation of the Plan that, if the Plan is implemented, the Investor Committee will not pursue the Omnibus D&O Claim given the releases contemplated by the Plan.

IV. SUMMARY OF THE PLAN

18. Since the granting of the July 26 Orders, the Petitioners have acted in good faith and with due diligence to, *inter alia*, draft and finalize the Plan in consultation with the Monitor and the Investor Committee. It is my understanding, based on my discussions with the Monitor, that the Monitor will prepare the Monitor's Plan Assessment Report as particularised in the proposed Meetings Order. Among other things, the Monitor's Plan Assessment Report will discuss the proposed Plan in detail. A summary of the proposed Plan's principal features is provided below.

A. Purposes of the Plan and Creditor Classification

19. The primary purposes of the Plan are to: (a) restructure the Affected Claims and effect the Distributions to Affected Creditors contemplated under the Plan; (b) effect a release and discharge of certain Claims against the Petitioners' D&Os; (c) establish a new board of directors of ACC; and (d) amend and reconstitute the share capital of ACC, including the issuance of new shares to ACC Investor Creditors.

20. The Plan is put forward in the expectation that the Affected Creditors, when considered as a whole, will derive a greater benefit from the implementation of the Plan and the continuation of the Petitioners' business as a going concern than would result from an immediate sale of the Petitioners' interests in their respective Portfolio Companies.

21. As ACBI is a wholly owned subsidiary of ACC, with its own distinct constituent of creditors, the Plan provides for two (2) separate classes of creditors for voting purposes at the (together, the “**Affected Creditor Classes**”) at the ACBI Creditors’ Meeting and the ACC Creditors’ Meeting, respectively:

- (a) the ACBI Creditor Class, comprising of the ACBI Creditors; and
- (b) the ACC Creditor Class, comprising of the ACC Creditors.

22. The Claims of the Affected Creditors in each of the Affected Creditor Classes are in the nature of general unsecured claims.

B. Treatment of Affected Creditors

23. Pursuant to the Plan, at the Effective Time:

- (a) the Affected Claims of the ACC Creditors will be restructured and each of the ACC General Creditors and the ACC Investor Creditors will have a continuing non-interest bearing claim against ACC, entitling such ACC Creditors to payments from the ACC Cash Available for Distribution in the manner and priority contemplated under the Plan; and
- (b) the Affected Claims of the ACBI Creditors will be restructured and each of the ACBI General Creditors will have a continuing non-interest bearing claim against ACBI, entitling such ACBI Creditors to payments from the ACBI Cash Available for Distribution in the manner and priority contemplated under the Plan. For clarity, such ACBI Creditors have a continuing claim to post-filing interest on the principal portion of their Proven Claims in addition to their continuing non-interest bearing claims in respect of the principal and pre-filing interest portions of their Proven Claims.

24. In addition to the aforementioned distributions, each of the ACC Investor Creditors will be issued New ACC Common Shares in accordance with the Plan implementation steps set out in Schedule “E” to the Plan (the “**Plan Implementation Steps**”). In accordance with the Plan Implementation Steps, the existing ACC Shares will be converted into the Converted Shares, which shares will be subsequently cancelled, without further act or formality.

25. The post-Plan Implementation Date authorized share structure of ACC will be comprised of two classes of New ACC Common Shares to be allocated to the Preferred Securityholders and the Hybrid Securityholders. The allocation of the New ACC Common Shares among the Preferred Securityholders and the Hybrid Securityholders is representative of the debt owing to such ACC Investor Creditors, the general repayment priority of such debt, and other factors that I understand will be more fully discussed in the Monitor’s Plan Assessment Report. The current articles of ACC will be amended to reflect, *inter alia*, the issuance of the New ACC Common Shares contemplated under the Plan.

C. Approving the Plan

26. The Plan, insofar as it relates to ACC, must be accepted by the Required Majority of Creditors of the ACC Creditors, and, insofar as it relates to ACBI, is required to be accepted by the Required Majority of Creditors of the ACBI Creditors and the ACC Creditors. In the event that the Plan is only approved by the Required Majority of Creditors of ACC Creditors, the Petitioners shall move to have the Plan sanctioned by the CCAA Court only with respect to ACC, and the terms of the Plan as it relates to ACBI shall be severed from the Plan and no longer in force. In the event that the Plan is not approved by the Required Majority of Creditors of the ACC Creditors, then the Plan shall be deemed to be rejected by the Affected Creditors.

27. If the Plan is approved by the Required Majority of Creditors of the ACC Creditor Class or the Required Majority of Creditors of both the ACC Creditor Class and the ACBI Creditor Class, the Petitioners will bring an application (the “**Sanction Order Application**”) for an order sanctioning the Plan pursuant to the CCAA (the “**Sanction Order**”).

D. Treatment of Unaffected Claims

28. Notably, the Plan does not affect the Unaffected Claims, which include, among others:
- (a) all Non-Released D&O Claims;
 - (b) any Claims of Secured Creditors;
 - (c) any Claims relating to Continuing D&O Indemnities;
 - (d) any Claims that are not permitted to be compromised under section 19(2) of the CCAA; and
 - (e) any Claims in respect of payments referred to in sections 6(3), 6(5) and 6(6) of the CCAA.

E. Conditions Precedent to the Implementation of the Plan

29. The implementation of the Plan is subject to the satisfaction of the following conditions:
- (a) the Plan shall have been approved by: (a) the Required Majority of Creditors of the ACC Creditors; and (b) in the case of that portion of the Plan relating to ACBI Creditors, the Required Majority of Creditors of the ACBI Creditors;
 - (b) the Sanction Order shall have been granted by the CCAA Court in a form acceptable to the Monitor and the Investor Committee and shall be in full force and effect and not reversed, stayed, varied, modified or amended;
 - (c) all applicable appeal periods in respect of the Sanction Order shall have expired and, in the event of an appeal or application for leave to appeal, final determination thereof shall have been made by the applicable appellate court;
 - (d) all approvals, orders, determinations or consents required pursuant to Applicable Law, if applicable, shall have been obtained on terms and conditions satisfactory to the Monitor, acting reasonably, and shall remain in full force and effect at the Effective Time;

- (e) all agreements, resolutions, documents and other instruments which are necessary to be executed and delivered by the Petitioners or the Monitor in order to implement the Plan and perform the Petitioners' obligations under the Plan shall have been executed and delivered;
- (f) no action shall have been instituted and be continuing as at the Effective Time for an injunction to restrain, a declaratory judgment in respect of, or damages on account of, or relating, the Plan;
- (g) the Petitioners shall have entered into the RCM Exit Facility on terms acceptable to the Monitor and the Investor Committee, acting reasonably; and
- (h) the Petitioners shall have obtained director and officer insurance acceptable to the Monitor and the Investor Committee for the period commencing on the Effective Date.

F. Releases

30. The Plan provides for certain limited releases in favour of the Monitor, its counsel and the CRO. Specifically, at the Effective Time, except as otherwise provided in the Plan or in the Sanction Order, the Monitor, its legal counsel and the CRO will be released from any and all Claims, obligations, rights, Causes of Action and liabilities which any Person may be entitled to assert, whether for tort, contracts, violation of Applicable Laws or otherwise, whether known or unknown, foreseen or unforeseen, existing or thereafter arising, based in whole or in part upon any act or omission, transaction or other occurrence taking place on or before the Effective Time, including the negotiation, solicitation, confirmation and consummation of this Plan; provided, however, that nothing will release the Monitor, its legal counsel or the CRO from any Claims, obligations, Causes of Action or liabilities which arise out of the Monitor's, its legal counsel's or the CRO's fraud, gross negligence, or wilful misconduct.

G. Plan Filing

31. The Petitioners are not seeking the CCAA Court's approval of the Plan at this time. Rather, the Petitioners are seeking authorization to file the Plan with the CCAA Court, and to present the Plan to the Affected Creditors to consider and vote on the Plan at the Creditors' Meetings.

32. The Plan reflects a substantial step forward in the Petitioners' restructuring and is the culmination of significant efforts by the Petitioners and the Monitor. I believe that the Plan fairly balances the interests the Petitioners' stakeholders and provides a superior outcome for the Affected Creditors than they would derive from the Petitioners' bankruptcy or liquidation. I understand that the Monitor will file a sixth report (the "**Sixth Report**") and the Monitor's Plan Assessment Report with the CCAA Court articulating its views on the Meetings Order and the proposed Plan.

33. In anticipation of filing the Plan, ACC has negotiated the terms of the RCM Exit Facility to provide the Petitioners with financing to repay the DIP Facility in full and fund the Petitioners' operating costs as needed. The parties to the proposed RCM Exit Facility have signed a term sheet and are in the process of finalizing the necessary documentation. As discussed above, the Petitioners' entrance into the RCM Exit Facility on terms acceptable to the Monitor and the Investor Committee is a condition precedent to the Plan's implementation.

V. THE MEETINGS ORDER

34. The proposed Meetings Order sets out the processes and procedures relating to the Creditors' Meetings to permit the Affected Creditors to vote on the Plan. In light of the COVID-19 pandemic, the Meetings Order provides that the Creditors' Meetings will be held virtually in accordance with the Electronic Meetings Protocol. The ACC Creditors' Meeting will be held on November 2, 2021 (the "**Meetings Date**"), at 10:00 a.m. (Pacific Daylight Time). If the Plan is approved at the ACC Creditors' Meeting in accordance with the Meetings Order, the ACBI Creditors' Meeting will be held on the Meetings Date at 12:00 p.m. (Pacific Daylight Time).

A. Notice of the Creditors' Meetings and Information Related Thereto

35. To provide the Affected Creditors with notice of and information regarding the Plan, the Creditors' Meetings and the Sanction Order Application, the Petitioners have prepared the following materials in addition to the Meetings Order:

- (a) the Newspaper Notice of Meetings;
- (b) the Electronic Meetings Protocol;

- (c) the Plan Information Letter; and
- (d) the Proxy,

(collectively with the Plan, the Meetings Order, the Monitor's Plan Assessment Report and the Sixth Report, the "**Meetings Materials**").

36. Pursuant to the Meetings Order:

- (a) the Monitor shall publish the Newspaper Notice of Meetings in *The Global and Mail (National Edition)*, as soon as practicable following the issuance of the Meetings Order;
- (b) the Monitor shall publish the Meetings Materials on the Monitor's Website; and
- (c) the Petitioners shall send copies of the Meetings Materials to each Affected Creditor that is not barred pursuant to the Claims Procedure Order.

B. Conduct of the Creditors' Meetings

37. Among other things, the proposed Meetings Order sets out the manner in which the Creditors' Meetings are to be conducted. In this regard, the Meetings Order provides that:

- (a) a designated representative of the Monitor shall preside as the Chair of each of the Creditors' Meetings;
- (b) the Monitor may appoint scrutineers for the supervision and tabulation of the attendance, quorum and votes cast by Affected Creditors at each of the Creditors' Meetings and a person designated by the Monitor shall act as secretary at the each of the Creditors' Meetings;
- (c) the only Persons entitled to attend and speak at each of the Creditors' Meetings are:
 - (i) Affected Creditors or their Proxy; (ii) representatives from the Petitioners; (iii) representatives of the Monitor; (iv) the Chair; (v) any other person invited to attend by the Chair; and (vi) legal counsel to any Person entitled to attend the Creditors' Meetings, including for greater certainty, legal counsel to the Investor Committee;

- (d) the quorum of Affected Creditors for each of the Creditors' Meetings shall be one (1) voting Affected Creditor present in person or by Proxy and entitled to vote at the applicable Creditors' Meeting in respect of each of ACC and ACBI; and
- (e) the Monitor (prior to the applicable Creditors' Meetings) and the Chair (during the Creditors' Meetings) is authorized to adjourn, postpone or otherwise reschedule the Creditors' Meetings, or the vote of the applicable Affected Creditor Class scheduled to occur at the Creditors' Meetings, on one or more occasions to such time(s), date(s) and place(s) as the Monitor deems necessary or desirable (without the need to first convene the Creditors' Meetings for the purpose of any adjournment, postponement or other rescheduling thereof).

C. Voting Procedure

38. It is my view that the Meetings Order provides for a fair and equitable voting process. At the Creditors' Meetings, the Chair will direct the votes with respect to the resolutions and any amendments, variations or supplements to the Plan that are made in accordance with the terms thereof. The vote required to pass any resolutions to be voted on at the Creditors' Meetings to approve the Plan, shall be decided by the affirmative vote of at least the Required Majority of Creditors in each Affected Creditor Class of the votes cast on such resolutions, in accordance with the Electronic Meetings Protocol. Any other matter submitted for a vote at the Creditors' Meetings shall be decided by a simple majority of votes cast unless, in the case of a motion passed or defeated by less than 66.67% of votes cast, the Chair in its discretion directs a re-vote requiring a Required Majority of Creditors to pass the motion, in accordance with the Electronic Meetings Protocol.

39. Only Affected Creditors and their Proxy holders are entitled to vote at the Creditors' Meetings. Holders of Equity Claims or Unaffected Claims are not entitled, in such capacity, to attend the Creditors' Meetings or vote on the Plan. Pursuant to the Meetings Order, each ACC Creditor and ACBI Creditor shall be entitled to one (1) vote on the Plan for its Affected Claim. The value attributed to such vote (for the purposes of determining the Required Majority of Creditors) shall be equal to the Canadian Dollar value of such Affected Claim.

40. If approved by the Required Majority of Creditors of the ACC Creditor Class at the ACC Creditors' Meeting, the Plan shall be ratified and given full force and effect in respect of ACC and the ACC Creditors. Similarly, if approved by the Required Majority of Creditors of the ACBI Creditor Class at the ACBI Creditors' Meeting, the Plan shall be ratified and given full force and effect in respect of ACBI and the ACBI Creditors. As discussed above, in the event that the Plan is only approved by the Required Majority of Creditors of the ACC Creditor Class, then the Petitioners will move to have the Plan sanctioned by the Court only with respect to ACC such that the terms of the Plan as it relates to ACBI will be severed and no longer in force. However, if the Plan is not approved by the Required Majority of Creditors of the ACC Creditor Class, it will be deemed to be rejected by the ACBI Creditor Class.

D. Monitor's Report

41. The Monitor will, as soon as practicable following the Creditors' Meetings, provide a report to the CCAA Court that includes:

- (a) a summary of all motions called at the Creditors' Meetings;
- (b) the scrutineer's report(s) on the results of the votes on each motion, including the motions to vote on the Plan; and
- (c) such further and other information as determined by the Monitor to be necessary.

42. The report will be available on the Monitor's Website.

VI. NEXT STEPS AND EXTENDING THE STAY PERIOD

43. Should this Honourable Court grant the relief sought by the Petitioners in this application, then the Petitioners will assist the Monitor with the convening of the Creditors' Meetings in accordance with the terms of the Meetings Order.

44. In addition to the proposed Meetings Order, the Petitions are also seeking an extension of the Stay Period until and including December 15, 2021 (the "**Stay Extension**") pursuant to the Stay Extension Order. The Stay Extension will provide the stability and time required for the Petitioners, with the assistance of the Monitor, to:

- (a) provide notice of the Creditors' Meetings and send the Meetings Materials to Affected Creditors as contemplated under the Meetings Order;
- (b) convene the Creditors' Meetings;
- (c) facilitate the vote of Affected Creditors on the Plan; and
- (d) if the Plan is approved by the Required Majority of Creditors of the ACC Creditors or the Required Majority of Creditors of both the ACC Creditors and the ACBI Creditors, prepare and file the Sanction Order Application.

45. The Petitioners are projected to have sufficient funding to continue operating their business during the proposed Stay Extension. I understand that the Monitor is supportive of the proposed Stay Extension and will indicate the reasons for its support in the Monitor's Plan Assessment Report.

VII. CONCLUSION

46. I make this affidavit in support of the Petitioners' application seeking this Honourable Court's approval of the Meetings Order.

ARTICLE I – DEFINITIONS AND INTERPRETATION

1.1 Definitions

In this Plan (including the Schedules hereto), unless otherwise stated or unless the subject matter or context otherwise requires, capitalized words used have the meanings ascribed to them in Schedule “A”.

1.2 Article and Section Reference

The terms “this Plan”, “hereof”, “hereunder”, “herein”, “hereto” and similar expressions shall be deemed to refer generally to this Plan, and not to any particular article, section, paragraph, or subparagraph of this Plan, and include any variations, amendments, modifications or supplements hereto. In this Plan, a reference to an article, section, subsection, clause or paragraph shall, unless otherwise stated, refer to an article, section, paragraph, or subparagraph of this Plan.

1.3 Reference to Orders

Any reference in this Plan to an Order or an existing document or exhibit to be filed means such Order, document or exhibit as it may have been or may be amended, modified or supplemented.

1.4 Extended Meanings

In this Plan, where the context so requires, any word importing the singular number shall include the plural and vice versa, and any word or words importing gender shall include all genders.

1.5 Interpretation Not Affected by Headings

The division of this Plan into articles, sections, paragraphs, and subparagraphs and the insertion of a table of contents and headings are for convenience of reference only and shall not affect the construction or interpretation of this Plan, nor are the descriptive headings of articles and sections intended as complete or accurate descriptions of the contents thereof.

1.6 Inclusive Meaning

As used in this Plan, the words “include”, “includes”, “including” and similar words of inclusion will not, unless expressly modified by the words “only” or “solely”, be construed as terms of limitation, but rather will mean “includes but is not limited to” and “including but not limited to”, so that references to included matters shall be regarded as illustrative rather than exhaustive.

1.7 Currency

Unless otherwise stated herein, all references to currency in this Plan are to lawful money of Canada.

1.8 Statutory References

Any reference in this Plan to a statute or other enactment of parliament or a legislature includes all regulations made thereunder, all amendments to or re-enactments of such statute or regulations in force from time to time and any statute or regulation that supplements or supersedes such statute or regulation.

1.9 Successors and Assigns

The rights, benefits and obligations of any Person named or referenced in this Plan shall be binding on and shall enure to the benefit of any heir, administrator, executor, legal personal representative, successor or assign, as the case may be, or a trustee, receiver, interim receiver, receiver and manager, liquidator or other Person acting on behalf of such Person, as permitted hereunder.

1.10 Governing Law

This Plan, and each of the documents contemplated or delivered under or in connection with this Plan, shall be governed by and construed and interpreted in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein, without regard to any conflict of law provision that would require the application of the law of any other jurisdiction. Any dispute or issue in connection with, or related to the interpretation, application or effect of this Plan and all proceedings taken in connection with this Plan and its revisions shall be subject to the exclusive jurisdiction of the CCAA Court.

1.11 Severability of Plan Provisions

If any provision of this Plan is determined to be illegal, invalid or unenforceable, by an arbitrator or any court of competent jurisdiction from which no appeal exists or is taken, then, that provision will be severed from this Plan and the remaining provisions will remain in full force and effect. Upon such determination, the court or other arbiter making such determination is authorized and instructed to interpret the remaining provisions of this Plan so as to effect the original intent of this Plan as closely as possible so that the transactions and arrangements contemplated herein are consummated as originally contemplated to the fullest extent possible.

1.12 Timing Generally

Unless otherwise specified, all references to time herein, and in any document issued pursuant hereto, shall mean local time in Vancouver, British Columbia and any reference to an event occurring on a Business Day shall mean prior to 4:00 p.m. on such Business Day.

1.13 Time of Payments and Other Actions

Unless otherwise specified, time periods within or following which any action is to be taken or act is to be done shall be calculated by excluding the day on which the period commences and including the day on which the period ends and by extending the date of such action or act to the next succeeding Business Day if the last day of the period is not a Business Day.

1.14 Schedules

The following are the Schedules to this Plan, which are incorporated by reference into this Plan and form an integral part hereof:

- Schedule “A” - Definitions
- Schedule “B” - Form of Monitor’s Plan Certificate
- Schedule “C” – Amendments to ACC’s Articles Creating New ACC Common Shares
- Schedule “D” - ACC’s Amended and Restated Notice of Articles and Articles
- Schedule “E” - Plan Implementation Steps

ARTICLE II – PURPOSE AND EFFECT OF THIS PLAN

2.1 Purpose of this Plan

The primary purposes of this Plan are to:

- a. restructure the Affected Claims and effect the Distributions to Affected Creditors provided for herein;
- b. effect a full, final and irrevocable release and discharge of certain Claims against the Petitioners’ D&Os;
- c. establish a new board of directors of ACC; and
- d. amend and reconstitute the share capital of ACC, including the issuance of new shares to ACC Investor Creditors.

This Plan is put forward in the expectation that the Affected Creditors, when considered as a whole, will derive a greater benefit from the implementation of this Plan and the continuation of the Petitioners’ business as a going concern than would result from an immediate sale of the Petitioners’ interests in their respective portfolio companies (each a “**Portfolio Company**” and collectively the “**Portfolio Companies**”) whether in the CCAA Proceedings or in a bankruptcy or liquidation.

2.2 Procedurally Consolidated Plan

This Plan is being presented on a procedurally consolidated basis to simplify the administration and implementation of this Plan, recognizing that ACBI is a wholly-owned subsidiary of ACC, with its own distinct constituent of creditors. This Plan does not purport to effect a substantive consolidation of the Petitioners. This Plan provides for two (2) separate classes of creditors for voting purposes: (i) the ACBI Creditors and (ii) the ACC Creditors. Distributions within each class shall be governed by Article VI of this Plan. This Plan relates only to the Petitioners and their Directors and Officers and does not include the claims of creditors of any of the Petitioners’ Portfolio Companies or other subsidiaries or Affiliates.

2.3 Secured Indebtedness of ACC

As at the Filing Date, the Petitioners had a *de minimis* amount of secured indebtedness, all of which has either since been paid in full or is otherwise current and relates only to certain credit cards issued by HSBC Bank Canada in the name of ACC and used (and paid) in the ordinary course of operations and which are subject to a limit, in the aggregate, of \$10,000.

Subsequent to commencing the CCAA Proceedings, the Petitioners obtained the CCAA Charges, each of which was granted as security for obligations owed or to be owed by the Petitioners. It is a condition precedent to the implementation of this Plan that the CCAA Charges are discharged, which may require that some or all of the CCAA Charges be cash collateralized in whole or in part.

The obligations under the DIP Facility will remain outstanding at the Effective Time. The Petitioners and RCM have entered into a term sheet setting out the business terms of a senior secured \$10,000,000 term loan facility (the “**RCM Exit Facility**”) that would result in the repayment in full of the DIP Facility and release of the Interim Lender’s Charge. The RCM Exit Facility will be a secured obligation of ACC to be supported by way of a: (i) general security agreement to be granted by ACC and (ii) guarantee of the obligations of ACC to RCM from ACBI to be secured by a general security agreement. It is intended that the RCM Exit Facility will be repaid by ACC in accordance with the terms of the loan documents. Such obligations will rank ahead of all other creditors (other than HSBC in connection with the existing credit card facilities), including Affected Creditors.

2.4 Claims Procedure Order

For greater certainty, nothing in this Plan revises or restores any right or claim of any kind that is barred or extinguished pursuant to the terms of the Claims Procedure Order.

ARTICLE III – CLASSIFICATION AND VOTING OF AFFECTED CREDITORS

3.1 Classification for Voting Purposes

This Plan shall be comprised of the following two (2) classes of Affected Creditors for voting purposes (the “**Affected Creditor Classes**”) at the ACBI Creditors’ Meeting and the ACC Creditors’ Meeting, respectively:

- a. **Unsecured Creditors of ACBI:** This class of unsecured creditors is comprised of:
 - i. holders of promissory notes issued by ACBI (collectively, the “**ACBI Promissory Note Creditors**”); and
 - ii. trade and other unsecured creditors of ACBI other than the ACBI Promissory Note Creditors (collectively, the “**ACBI General Creditors**”).
- b. **Unsecured Creditors of ACC:** This class of unsecured creditors is comprised of:

- i. holders of Preferred Securities issued by ACC (collectively, the “**Preferred Securityholders**”) and holders of Hybrid Securities issued by ACC (collectively, the “**Hybrid Securityholders**”, and together with the “**Preferred Securityholders**”, the “**ACC Investor Creditors**”);
- ii. a single holder of a promissory note issued by ACC (the “**ACC Promissory Note Creditor**”); and
- iii. trade and other unsecured creditors of ACC other than the ACC Investor Creditors (collectively with the ACC Promissory Note Creditor, the “**ACC General Creditors**”).

3.2 Voting by Affected Creditors

- a. Each ACC Creditor will be entitled to one vote on this Plan.
- b. Each ACBI Creditor will be entitled to one vote on this Plan.
- c. The value attributed to each vote by an ACC Creditor or an ACBI Creditor is equal to the Canadian dollar value of the portion of such Affected Creditor’s Affected Claim against ACC or ACBI as at the Filing Date, as applicable. The voting rights with respect to Affected Claims filed in currencies other than in Canadian dollars will be calculated by the Petitioners at the daily exchange rate quoted by the Bank of Canada for exchanging such currency from Canadian dollars as at the Filing Date.
- d. Each Affected Creditor with a Disputed Claim against ACC is entitled to one vote on this Plan in respect of ACC.
- e. Each Affected Creditor with a Disputed Claim against ACBI is entitled to one vote on this Plan in respect of ACBI.
- f. The vote of any Disputed Claim against ACC or ACBI shall have the value accepted by the Monitor, if any, for voting purposes.

The portions of this Plan relating to ACC and to ACBI will be approved independently of each other if:

- a. a majority in number of each class of Affected Creditors voting vote in favour of this Plan; and
- b. the total Affected Claims voting in each class of Affected Creditors in favour of this Plan represent at least 66.67% in value of the Affected Claims voting on the Plan (together, the “**Required Majority of Creditors**”).

This Plan, insofar as it relates to ACC, is required to be accepted by the Required Majority of Creditors of the ACC Creditors, and, insofar as it relates to ACBI, is required to be accepted by the Required Majority of Creditors of the ACBI Creditors and ACC Creditors.

In the event that this Plan is only approved by the Required Majority of Creditors of ACC Creditors, the Petitioners shall move to have this Plan sanctioned by the Court only with respect to ACC, and the terms of this Plan as it relates to ACBI shall be severed from this Plan and no longer in force. This Plan shall be deemed to be rejected by the Affected Creditors in the event that this Plan is only approved by the Required Majority of Creditors of ACBI Creditors.

Implementation of this Plan is subject to approval by the CCAA Court and the other conditions precedent contained in this Plan.

ARTICLE IV – CLAIMS

4.1 Persons Affected by this Plan

This Plan provides for, among other things, the full, final and irrevocable restructuring of Affected Claims and effectuates the restructuring of the Petitioners, including the Investor Claims. At the Effective Time, this Plan shall affect and be binding on and enure to the benefit of the Petitioners, the Affected Creditors, the D&Os, the holders of shares or other securities of ACC, their respective heirs, administrators, executors, legal personal representatives, successors and assigns, as the case may be, and all other Persons named or referred to in, or subject to, this Plan, as and to the extent provided for in this Plan.

4.2 Claims Unaffected by this Plan

Nothing in this Plan shall prejudice, compromise, release, discharge, cancel, bar or otherwise affect any Unaffected Claims. Subject to the provisions of this Plan, Unaffected Claims shall not be compromised, released or otherwise affected by this Plan and shall be dealt with in accordance with the existing arrangements between the Petitioners and the holders of such Unaffected Claims in effect on the Filing Date or such other arrangement as may be mutually agreed between the applicable parties.

4.3 D&O Claims

- a. All D&O Claims against the D&Os (other than Section 5.1(2) D&O Claims and Non-Released D&O Claims) shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred without consideration on the Plan Implementation Date;
- b. All D&O Indemnity Claims and any other rights or claims for indemnification held by the D&Os (other than in respect of the Continuing D&O Indemnities) shall be deemed to have no value and shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred without consideration on the Plan Implementation Date;

- c. Section 5.1(2) D&O Claims against D&Os shall be limited to recovery from any insurance proceeds payable in respect of such Section 5.1(2) D&O Claims pursuant to the Insurance Policies, and Persons with any such Section 5.1(2) D&O Claims against the D&Os shall have no right to, and shall not, make any claim or seek any recoveries other than enforcing such Persons' rights to be paid from the proceeds of the applicable Insurance Policy by the applicable insurer(s);
- d. Non-Released D&O Claims shall not be compromised, discharged, released, cancelled or barred by this Plan, and shall be permitted to continue as against all applicable D&Os; and
- e. Notwithstanding anything to the contrary herein, from and after the Plan Implementation Date, a Person may only commence an action for a Non-Released D&O Claim against a D&O if such Person has first obtained (i) the consent of the Monitor or (ii) the leave of the CCAA Court on notice to the applicable D&Os, Petitioners, Monitor and any applicable insurers.

4.4 Insurance

- a. Subject to the terms of this Section 4.4, nothing in this Plan shall prejudice, compromise, release, discharge, cancel, bar or otherwise affect any right, entitlement or Claim of any Person against the Petitioners or any D&O, or any insurer, in respect of an Insurance Policy or the proceeds thereof.
- b. Nothing in this Plan shall prejudice, compromise, release or otherwise affect any right or defence of any insurer in respect of any Insurance Policy. Furthermore, nothing in this Plan shall prejudice, compromise, release or otherwise affect (i) any right of subrogation any insurer may have against any Person, including against any D&O in the event of a determination of fraud against the Petitioners or any D&O in respect of whom such a determination is specifically made, and/or (ii) the ability of an insurer to claim repayment of any relevant fees (as defined in any such policy) from the Petitioners and/or any D&O in the event that the party from whom repayment is sought is not entitled to coverage under the terms and conditions of the applicable Insurance Policy.
- c. Notwithstanding anything herein (including the releases within this Plan), all D&O Insurance Claims shall be deemed to remain outstanding and are not released following the Plan Implementation Date, but recovery as against the Petitioners and the D&Os (other than those included in the Non-Released D&O Claims) is limited solely to any proceeds of Insurance Policies that are available to pay such Insured Claims, either by way of judgment or settlement. The Petitioners and the D&Os shall make all reasonable efforts to meet all obligations under the Insurance Policies. The applicable insurers agree and acknowledge that they shall be obliged to pay any loss payable pursuant to the terms and conditions of their respective Insurance Policies notwithstanding the releases granted to the Petitioners and the D&Os under this Plan, and that they shall not rely on any provisions of the

Insurance Policies to argue, or otherwise assert, that such releases excuse them from, or relieve them of, the obligation to pay a loss that otherwise would be payable under the terms of the Insurance Policies. For greater certainty, the insurers agree and consent to a direct right of action against the insurers, or any of them, in favour of any plaintiff who or which has (a) negotiated a settlement of any Claim covered under any of the Insurance Policies, which settlement has been consented to in writing by the insurers or such of them as may be required or (b) obtained a final judgment against one or more of the Petitioners and/or the D&Os which such plaintiff asserts, in whole or in part, represents a loss covered under the Insurance Policies, notwithstanding that such plaintiff is not a named insured under the Insurance Policies and that neither the Petitioners nor the D&Os are parties to such action.

- d. Notwithstanding anything in this Section 4.4 from and after the Plan Implementation Date, any D&O Insurance Claimants shall, as against the Petitioners and the D&Os (except in respect of Non-Released D&O Claims), be irrevocably limited to recovery solely from the proceeds of the Insurance Policies paid or payable on behalf of the Petitioners or its D&Os, and any D&O Insurance Claimants shall have no right to, and shall not, directly or indirectly, make any Claim or seek any recoveries from the Petitioners, any of the D&Os (excluding those included in the Non-Released D&O Claims), other than enforcing such Person's rights to be paid from the proceeds of an Insurance Policy by the applicable insurer(s), and this section may be relied upon and raised or pled by the Petitioners and any D&Os in defence or estoppel of or to enjoin any claim, action or proceeding brought in contravention of this section.

4.5 Disputed Claims

Disputed Claims shall be resolved in accordance with the procedures set out in the Claims Procedure Order. The fact that a Disputed Claim is allowed in whole or in part by the Monitor solely for voting purposes in respect of this Plan shall not preclude the Petitioners and the Monitor from disputing such Disputed Claim for Distribution purposes.

If a Disputed Claim is not fully resolved by the time for a Distribution on account of such Claim, then the Disputed Claim distribution amount (or such lesser amount as may be deemed appropriate by the Monitor) will be held in escrow by the Petitioners in a disputed claims reserve (the "**Disputed Claims Reserve**") until settlement or final determination of the Disputed Claim in accordance with this Plan and the Claims Procedure Order. For greater clarity, no funds shall be required to be put into the Disputed Claims Reserve in respect of a Distribution made in respect of Affected Claims senior in priority to the relevant Disputed Claim.

To the extent that all or part of any Disputed Claim becomes a Proven Claim in accordance with this Plan, the Petitioners shall distribute to the holder of such Proven Claim from the relevant Disputed Claims Reserve the amount of the Distribution that such Affected Creditor would have been entitled to receive in respect of its Proven Claim on the distribution date had the Proven Claim

not been a Disputed Claim on the distribution date, in accordance with the terms of Article VI of this Plan.

4.6 No Vote or Distribution in Respect of Unaffected Claims

No holder of an Unaffected Claim shall be entitled to vote on or receive any Distributions under this Plan in respect of such Unaffected Claim.

4.7 Claims Filed by Holders of Unaffected Claims

Where a Proof of Claim has been filed with the Monitor by any Person in respect of an Unaffected Claim, whether pursuant to the Claims Procedure Order or otherwise, such Proof of Claim shall be deemed to be disallowed for voting and distribution purposes with no further action required by the Monitor, and the Monitor shall have no further obligation in respect of such Proof of Claim.

4.8 Defences to Unaffected Claims

Nothing in this Plan shall affect the Petitioners' rights and defences, both legal and equitable, with respect to any Unaffected Claims, including any rights with respect to legal and equitable defences or entitlements to set-offs or recoupments against such Unaffected Claims.

4.9 Subsection 6(3) CCAA Requirements - Certain Crown Claims

All Special Crown Claims are Priority Payments and shall be paid in full to the Crown within six (6) months of the Sanction Order, as required by section 6(3) of the CCAA.

4.10 Subsection 6(5) CCAA Requirements - Employees

All payments required by subsection 6(5) of the CCAA are Priority Payments and shall be paid forthwith following the Plan Implementation Date.

4.11 No Payment on Account of Equity Claims

All Persons holding Equity Claims shall not be entitled to vote at or attend the Creditors' Meetings in respect of their Equity Claims. Subject to and as further described in Section 7.2 and Schedule "E" of this Plan, all Persons holding Equity Claims shall not receive any distributions under this Plan or otherwise receive any other compensation in respect of their Equity Claims and all Equity Claims shall be fully, finally, irrevocably and forever compromised, released, discharged, cancelled and barred on the Plan Implementation Date for no consideration.

6.4 Affected Claims in Foreign Currencies

Distributions with respect to Affected Claims denominated in currencies other than in Canadian dollars will be made by the Petitioners in the original currency of the Affected Claims. 6.5 Undeliverable and Unclaimed Distributions

- a. If any Affected Creditor entitled to a Distribution pursuant to this Plan cannot be located by the Petitioners on the date of such Distribution, or if any delivery or Distribution to be made pursuant to this Plan is returned as undeliverable or

On the Plan Implementation Date:

- a. this Plan will become effective at the Effective Time and in accordance with the sequence of steps set out in Schedule “E”;
- b. this Plan will be final and binding and enure to the benefit of the Petitioners, the Affected Creditors and any other Person named or referred to in or subject to this Plan and their respective heirs, executors, successors and assigns;
- c. each Person named or referred to in, or subject to, this Plan shall be deemed to have consented and agreed to all of the provisions of this Plan, in its entirety and shall be deemed to have executed and delivered all consents, releases, assignments and waivers, statutory or otherwise, required to implement and carry out this Plan in its entirety; and
- d. each Person named or referred to in, or subject to, this Plan shall be deemed to have agreed that, if there is any conflict between the provisions, whether express or implied, of any agreement or other arrangement, written or oral, existing between such Person and the Petitioners with respect to an Affected Claim, as at the moment before the Effective Time and the provisions of this Plan, then the provisions of this Plan take precedence and priority and the provisions of such agreement or other arrangement are amended accordingly.

11.2 Compromise Effective for All Purposes

No Person who has an Affected Claim as a guarantor, surety, indemnitor or similar covenantor in respect of any Affected Claim which is compromised under this Plan or who has any right to claim over in respect of or to be subrogated to the rights of any Person in respect of an Affected Claim which is compromised under this Plan shall be entitled to any greater rights than the Affected Creditor whose Affected Claim was compromised under this Plan. Accordingly, the payment, compromise or other satisfaction of any Affected Claim under this Plan, if sanctioned and approved by the CCAA Court and implemented, shall be binding upon such Affected Creditor, its heirs, executors, administrators, successors and assigns for all purposes and, to such extent, shall also be effective to relieve any third party directly or indirectly liable for such indebtedness, whether as guarantor, surety, indemnitor, director, joint covenantor, principal or otherwise.

11.3 Plan Releases

At the Effective Time, except as otherwise provided in this Plan or in the Sanction Order, the Monitor, its legal counsel and the CRO shall be released from any and all Claims, obligations, rights, Causes of Action and liabilities which any Person may be entitled to assert, whether for tort, contracts, violation of Applicable Laws or otherwise, whether known or unknown, foreseen or unforeseen, existing or thereafter arising, based in whole or in part upon any act or omission,

transaction or other occurrence taking place on or before the Effective Time, including the negotiation, solicitation, confirmation and consummation of this Plan; provided, however, that nothing shall release the Monitor, its legal counsel or the CRO from any Claims, obligations, Causes of Action or liabilities which arise out of the Monitor's, its legal counsel's or the CRO's fraud, gross negligence, or wilful misconduct.

11.4 Knowledge of Claims

Each Person to whom Section 4.1 hereof applies shall be deemed to have granted the releases set forth in Section 11.3 notwithstanding that he, she or it may hereafter discover facts in addition to, or different from, those which it now knows or believes to be true, and without regard to the subsequent discovery or existence of such different or additional facts, and such party expressly waives any and all rights that he, she or it may have under any Applicable Law which would limit the effect of such releases to those Affected Claims at the time of the granting of the release.

11.5 Certain Restrictions

From and after the Effective Time, no ACC Investor Creditor may sell, transfer, assign or otherwise dispose of any interest (each, a "Transfer"), which it holds in any claim against ACC without the approval of the board of directors of ACC and provided that such ACC Investor Creditor must, as a condition of the Transfer, concurrently assign an equivalent pro rata portion of its New ACC Common Shares, to the proposed purchaser or assignee of the shares (the "Transferee"), and the Transferee must agree to accept such assignment of such shares, in each case in writing and in a form acceptable to ACC acting reasonably. ACC shall not be bound by or obligated to recognize any Transfer of any such claim that was not approved by the board of directors of ACC acting reasonably, and does not include the assignment of the New ACC Common Shares contemplated in the foregoing sentence.

11.6 Exculpation

Neither the Petitioners nor the Monitor (including its legal counsel), the CRO or their respective successors and assigns, shall have or incur any liability to any holder of an Affected Claim, or other party in interest for any act or omission in connection with, related to, or arising out of the CCAA Proceedings, the pursuit of sanction of this Plan, the consummation of this Plan or the administration of this Plan or the property to be distributed under this Plan, including the negotiation and solicitation of this Plan, except for fraud, gross negligence or wilful misconduct, and, in all respects, the Monitor, the CRO and their respective members, officers, directors, employees, professional advisors (including legal counsel) or agents shall be entitled to rely upon the advice of counsel with respect to their duties and responsibilities under this Plan.

11.7 Waiver of Defaults

From and after the Effective Time, and subject to any express provisions to the contrary in any amending agreement entered into with a Petitioner after the Filing Date, all Persons shall be deemed to have waived any and all defaults of the Petitioners then existing or previously committed by the Petitioners or caused by the Petitioners, the commencement of the CCAA

Proceedings by the Petitioners, any matter pertaining to the CCAA Proceedings, any of the provisions in this Plan or steps contemplated by this Plan, or non-compliance with any covenant, warranty, representation, term, provision, condition or obligation, express or implied, in every contract, agreement, mortgage, security agreement, indenture, trust indenture, loan agreement, commitment letter, agreement for sale, lease, personal property lease or other agreement, written or oral, any amendments or supplements thereto, existing between such Person and the Petitioners. Any and all notices of default, acceleration of payments and demands for payments under any instrument, or other notices, including without limitation, any notices of intention to proceed to enforce security, arising from any of such aforesaid defaults shall be deemed to have been rescinded and withdrawn. For greater certainty, nothing in this paragraph shall waive any obligations of the Petitioners in respect of any Unaffected Claim.

11.8 Deeming Provisions

In this Plan, the deeming provisions are not rebuttable and are conclusive and irrevocable.

ARTICLE XII – GENERAL PROVISIONS

12.1 Different Capacities

Affected Creditors whose Affected Claims are affected by this Plan may be affected in more than one capacity. amendments or supplements thereto existing between the Petitioners and any other Persons affected by this Plan as at the Plan Implementation Date,

the terms, conditions and provisions of this Plan and the Sanction Order shall govern and shall take precedence and priority.

12.4 Revocation, Withdrawal or Non-Consummation

The Petitioners, with the consent of the Monitor and in consultation with the Investor Committee, may revoke or withdraw this Plan at any time prior to the Effective Time and file subsequent plans of compromise or arrangement. If the Petitioners revoke or withdraw this Plan, if the Sanction Order is not issued, or the Plan Implementation Date does not occur:

 - ii. prejudice in any manner the rights of the Petitioners or any Person in any further proceedings involving the Petitioners; or
 - iii. constitute an admission of any sort by the Petitioners or any Person.

12.5 Responsibilities of the Monitor

The Monitor will not be responsible or liable for any obligations of the Petitioners. 33.3 Voting Rights

The holders of the Class X Shares will be entitled to receive notice of and to attend any meetings of the shareholders of the Company and, at any meeting of the shareholders of the Company (except meetings at which, pursuant to the *Business Corporations Act*, only the holders of another class or series of shares of the Company are entitled to vote separately as a class or series) will be entitled to one vote in respect of each Class X Share held.

33.4 Distribution Rights

The holders of the Class X Shares shall be entitled to receive all Distributions at such times and in such amounts as the directors of the Company may in their discretion from time to time declare. All Distributions declared by the Company shall be declared in equal or equivalent amounts per share on all outstanding Class X Shares and Class Y Shares and the amount of any Distributions paid on the Class X Shares and Class Y Shares shall be paid *pro rata* among all the issued and outstanding Class X Shares and Class Y Shares provided that the directors of the Company shall have full and absolute discretion as to the form of payment and the allocation, in respect of the portion of a Distribution payable on the Class X Shares and the Class Y Shares, as between dividends and returns of capital. For greater certainty, the allocation between dividends and returns of capital in respect of a Distribution on the Class X Shares may be different than the allocation between dividends and returns of capital in respect of the Distribution on the Class Y Shares provided that the aggregate amount of the Distribution per issued and outstanding Class X Share and Class Y Share is the same.

33.5 Liquidation Rights

The holders of Class X Shares shall be entitled in the event of any liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company, among its shareholders for the purpose of winding-up its affairs, and subject to prior satisfaction of all preferential rights of return of capital on dissolution attached to all shares of other classes of shares of the Company ranking in priority to the Class X Shares in respect of return of capital on dissolution, to share rateably on an equivalent basis, together with the holders of Class Y Shares and any other class of shares of the Company ranking equally with the Class X Shares in respect of return of capital, in such assets of the Company as are available for distribution.

33.6 Transfer Restrictions

Subject to compliance with Article 26.3, if any holder of one or more Stapled Shares proposes to Transfer of all or any part of their Stapled Shares, such holder must, as a condition of the Transfer, concurrently assign to the Transferee an equivalent *pro rata* portion of any Claim such holder has which remains unpaid as to the date of the proposed Transfer, and the Transferee must agree to accept such assignment of the Claim, in each case in writing and in a form acceptable to the Company acting reasonably. The Company shall not be bound by or obligated to recognize any Transfer of Stapled Shares that does not include the assignment of the Claim contemplated in the foregoing sentence.

33.7 Redeemable by Company

Subject to the *Business Corporations Act*, if any holder of a Claim sells to the Company all or any portion of their Claim pursuant to Section 15.5 of the Plan of Arrangement or otherwise, then the Company will redeem an equivalent *pro rata* portion of the Stapled Shares for which such holder is the registered holder, at a price per share equal to the initial issue price of such Stapled Shares (as adjusted to take into account any subdivision, consolidation or other adjustment with respect to such shares) (the "**Redemption Price**"), all as more particularly set forth in Article 33.8.

33.8 Redemption Procedure by Company

If, pursuant to Article 33.7, the Company redeems all or a portion of any Stapled Shares outstanding:

- (1) **Deemed Redemption Date** – The date of redemption (the "**Redemption Date**") of the Stapled Shares pursuant Article 33.7 will be deemed to have occurred on the date on which the sale of a Claim by a holder to the Company is, or is deemed to have been, completed.
- (2) **Payment** - On the Redemption Date, the Company will pay or cause to be paid to or to the order of the registered holders of the Stapled Shares to be redeemed the Redemption Price for each Stapled Shares to be redeemed on presentation and surrender, at the registered office of the Company or at any other place designated by the Company, of the certificate or certificates (if any) for the Stapled Shares called for redemption. The Stapled Shares will thereupon be deemed to be redeemed and will be cancelled. If only a part of the Stapled Shares represented by any certificate is redeemed, a new certificate for the balance will be issued at the expense of the Company.
- (3) **Rights** – From and after the Redemption Date, the holders of the Stapled Shares called for redemption will not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Redemption Price for each Stapled Share to be redeemed is not made upon presentation of the share certificates (if any) in accordance with the foregoing provisions, in which case the rights of the holders thereof will remain unaffected until payment of the Redemption Price for each Stapled Shares to be redeemed is made.
- (4) **Failure to Present** - If the holders of Stapled Shares fail to present, on the Redemption Date, the certificate or certificates (if any) representing any Stapled Shares to be redeemed, the Company will have the right to deposit the Redemption Price for each Stapled Shares to be redeemed in either a separate account of the Company with a chartered bank or trust company in Canada or with the solicitors for the Company to be held in trust on behalf of the Company and to be paid without interest to or to the order of the respective holders of the Stapled Shares to be redeemed upon presentation and surrender to the Company of the certificate or certificates representing the Stapled Shares to be redeemed. Upon that deposit being made, the Stapled Shares in respect of which the deposit was made will be deemed to be redeemed, will be cancelled and the rights of the holders thereof after the deposit will be limited to receiving without interest their proportionate part of the aggregate Redemption Price deposited less any charges of the chartered bank, trust company or solicitors, as applicable, against presentation and surrender of the certificate or certificates (if any) representing the Stapled Shares to be redeemed held by them respectively.

33.9 Constraints on Ownership

The Class X Shares may only be held, beneficially owned or controlled, directly or indirectly, by Canadians.

33.10 Conversion Rights

- (1) Each holder of Class X Shares will have the right (the "**Conversion Right**") at any time to convert all or from time to time any part of such holder's Class X Shares into fully paid Class Y Shares at the Conversion Ratio on the following basis:
 - (a) if a holder of Class X Shares wishes to exercise his, her or its Conversion Right, then he, she or it must give notice (the "**Conversion Notice**") in writing to the Company. The Conversion Notice must specify the number of Class X Shares (the "**Specified Shares**") that the holder delivering the Conversion Notice wishes to be converted, be signed by the registered holder of the Specified Shares and be accompanied by the certificate or certificates, if any, representing the Specified Shares to be converted; and
 - (b) effective as of the date of the receipt of a duly signed Conversion Notice and accompanying share certificate or certificates, if any, the Company will issue to the holder of the Class X Shares delivering the Conversion Notice a certificate representing fully paid and non-assessable Class Y Shares into which such Class X Shares were converted. If less than all the Class X Shares represented by any certificate are converted, then the Company will at its expense promptly issue and deliver a new share certificate to the holder thereof for the balance of the Class X Shares not converted.
- (2) If a holder of Class X Shares ceases at any time to be a Canadian, such holder must submit to the Company a declaration indicating that the holder is a Non-Canadian. All of the issued and outstanding Class X Shares held by any holder of Class X Shares who ceases to be a Canadian will immediately and automatically be converted into fully paid and non-assessable Class Y Shares at the Conversion Ratio effective as of the date such holder ceased to be a Canadian. Upon any such automatic conversion all share certificates representing such Class X Shares shall instead be deemed to represent the appropriate number of Class Y Shares into which such Class X Shares were converted and upon surrender of any such share certificate the Company will issue a new share certificate in the name of such holder representing such appropriate number of Class Y Shares.
- (3) If a proposed transferee of Class X Shares is a Non-Canadian then all of the Class X Shares proposed to be so transferred will immediately and automatically be converted into fully paid and non-assessable Class Y Shares at the Conversion Ratio effective as of the date of such transfer and upon such transfer becoming effective the Company will issue to the transferee a certificate representing instead the appropriate number of Class Y Shares.

33.11 Adjustments to Conversion Rights

- (1) If at any time the Company subdivides, consolidates or pays a stock dividend on the Class X Shares or the Class Y Shares, the Conversion Ratio shall simultaneously be adjusted upon the happening of each such event accordingly.
- (2) If at any time and from time to time, the Class Y Shares are changed into a different class or classes of shares, whether by reclassification, recapitalization, reorganization, arrangement, amalgamation or merger, then each Class X Share shall thereafter be convertible into the kind and amount of shares and other securities and property receivable upon such change by holders of the number of Class Y Shares into which the Class X Shares could have been converted immediately prior to such change.

34. SPECIAL RIGHTS AND RESTRICTIONS – CLASS Y COMMON SHARES**34.1 Class Y Common Shares**

class or series of shares of the Company are entitled to vote separately as a class or series) will be entitled to one vote in respect of each Class Y Share held.

34.4 Distribution Rights

The holders of the Class Y Shares shall be entitled to receive all Distributions at such times and in such amounts as the directors of the Company may in their discretion from time to time declare. All Distributions declared by the Company shall be declared in equal or equivalent amounts per share on all outstanding Class Y Shares and Class X Shares and the amount of any Distributions paid on the Class X Shares and Class Y Shares shall be paid *pro rata* among all the issued and outstanding Class X Shares and Class Y Shares provided that the directors of the Company shall have full and absolute discretion as to the form of payment and the allocation, in respect of the portion of a Distribution payable on the Class X Shares and the Class Y Shares, as between dividends and returns of capital. For greater certainty, the allocation between dividends and returns of capital in respect of a Distribution on the Class X Shares may be different than the allocation between dividends and returns of capital in respect of the Distribution on the Class Y Shares provided that the aggregate amount of the Distribution per issued and outstanding Class X Share and Class Y Share is the same.

34.5 Liquidation Rights

The holders of Class Y Shares shall be entitled in the event of any liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company, among its shareholders for the purpose of winding-up its affairs, and subject to prior satisfaction of all preferential rights of return of capital on dissolution attached to all shares of other classes of shares of the Company ranking in priority to the Class Y Shares in respect of return of capital on dissolution, to share rateably on an equivalent basis, together with the holders of Class X Shares and any other class of shares of the Company ranking equally with the Class Y Shares in respect of return of capital, in such assets of the Company as are available for distribution.

34.6 Transfer Restrictions

Subject to compliance with Article 26.3, if any holder of one or more Stapled Shares proposes to Transfer of all or any part of their Stapled Shares, such holder must, as a condition of the Transfer, concurrently assign to the Transferee an equivalent pro rata portion of any Claim such holder has which remains unpaid as to the date of the proposed Transfer, and the Transferee must agree to accept such assignment of the Claim, in each case in writing and in a form acceptable to the Company acting reasonably. The Company shall not be bound by or obligated to recognize any Transfer of Stapled Shares that does not include the assignment of the Claim contemplated in the foregoing sentence.

34.7 Redeemable by Company

Subject to the *Business Corporations Act*, if any holder of a Claim sells to the Company all or any portion of their Claim pursuant to Section 15.5 of the Plan of Arrangement or otherwise, then the

Company will redeem an equivalent *pro rata* portion of the Stapled Shares for which such holder is the registered holder, at a price per share equal to the initial issue price of such Stapled Shares (as adjusted to take into account any subdivision, consolidation or other adjustment with respect to such shares) (the "**Redemption Price**"), all as more particularly set forth in Article 34.8.

34.8 Redemption Procedure by Company

If, pursuant to Article 34.7, the Company redeems all or a portion of any Stapled Shares outstanding:

In these Articles, unless the context otherwise requires:

- (1) "board of directors", "directors" and "board" mean the directors or sole director of the Company for the time being;
- (2) "Business Corporations Act" means the *Business Corporations Act* (British Columbia) as amended from time to time and includes all regulations as amended from time to time made pursuant to that Act;
- (3) "legal personal representative" means the personal or other legal representative of the shareholder;
- (4) "registered address" of a shareholder means the shareholder's address as recorded in the central securities register; and

1.2 *Business Corporations Act and Interpretation Act Definitions Applicable*

The definitions in the *Business Corporations Act* and the definitions and rules of construction in the *Interpretation Act*, with the necessary changes, so far as applicable, and unless the context requires otherwise, apply to these Articles as if they were an enactment. If there is a conflict between a definition in the *Business Corporations Act* and a definition or rule in the *Interpretation Act* relating to a term used in these Articles, the definition in the *Business Corporations Act* will prevail in relation to the use of the term in these Articles. If there is a conflict between these Articles and the *Business Corporations Act*, the *Business Corporations Act* will prevail.

2. SHARES AND SHARE CERTIFICATES

2.1 Authorized Share Structure

The authorized share structure of the Company consists of shares of the class or classes and series, if any, described in the Notice of Articles of the Company.

2.2 Form of Share Certificate

Each share certificate issued by the Company must comply with, and be signed as required by, the *Business Corporations Act*. The directors may, by resolution, provide that; (a) the shares of any or all of the classes and series of the Company's shares must be uncertificated shares; or (b) any specified shares must be uncertificated shares. Within reasonable time after the issue or transfer of a share that is an uncertificated share, the Company must send to the shareholder a written notice in accordance with the *Business Corporations Act*.

2.3 Shareholder Entitled to Certificate or Acknowledgment

Unless the shares of which the shareholder is the registered owner are uncertificated shares, each shareholder is entitled, on request and at the shareholder's option, to receive, without charge, (a) one share certificate representing the shares of each class or series of shares registered in the shareholder's name or (b) a non-transferable written acknowledgment of the shareholder's right to obtain such a share certificate, provided that in respect of a share held jointly by several persons, the Company is not bound to issue more than one share certificate and delivery of a share certificate for a share to one of several joint shareholders or to one of the shareholders' duly authorized agents will be sufficient delivery to all.

2.4 Delivery by Mail

Any share certificate or non-transferable written acknowledgment of a shareholder's right to obtain a share certificate may be sent to the shareholder by mail at the shareholder's registered address and neither the Company nor any director, officer or agent of the Company is liable for any loss to the shareholder because the share certificate or acknowledgement is lost in the mail or stolen.

2.5 Replacement of Worn Out or Defaced Certificate or Acknowledgement

If the directors are satisfied that a share certificate or a non-transferable written acknowledgment of the shareholder's right to obtain a share certificate is worn out or defaced, they must, on production to them of the share certificate or acknowledgment, as the case may be, and on such other terms, if any, as they think fit:

- (1) order the share certificate or acknowledgment, as the case may be, to be cancelled; and
- (2) issue a replacement share certificate or acknowledgment, as the case may be.

2.6 Replacement of Lost, Stolen or Destroyed Certificate or Acknowledgment

If a share certificate or a non-transferable written acknowledgment of a shareholder's right to obtain a share certificate is lost, stolen or destroyed, a replacement share certificate or acknowledgment, as the case may be, must be issued to the person entitled to that share certificate or acknowledgment, as the case may be, if the directors receive:

- (1) proof satisfactory to them that the share certificate or acknowledgment is lost, stolen or destroyed; and

- (2) any indemnity the directors consider adequate.

2.7 Splitting Share Certificates

If a shareholder surrenders a share certificate to the Company with a written request that the Company issue in the shareholder's name two or more share certificates, each representing a specified number of shares and in the aggregate representing the same number of shares as the share certificate so surrendered, the Company must cancel the surrendered share certificate and issue replacement share certificates in accordance with that request.

2.8 Certificate Fee

There must be paid to the Company, in relation to the issue of any share certificate under Articles 2.5, 2.6 or 2.7, the amount, if any and which must not exceed the amount prescribed under the *Business Corporations Act*, determined by the directors.

2.9 Recognition of Trusts

Except as required by law or statute or these Articles, no person will be recognized by the Company as holding any share upon any trust, and the Company is not bound by or compelled in any way to recognize (even when having notice thereof) any equitable, contingent, future or partial interest in any share or fraction of a share or (except as by law or statute or these Articles provided or as ordered by a court of competent jurisdiction) any other rights in respect of any share except an absolute right to the entirety thereof in the shareholder.

3. ISSUE OF SHARES

3.1 Directors Authorized

Subject to the *Business Corporations Act*, the special rights and restrictions attached to the shares of any class or series and the rights of the holders of issued shares of the Company, the Company may issue, allot, sell or otherwise dispose of the unissued shares, and issued shares held by the Company, at the times, to the persons, including directors, in the manner, on the terms and conditions and for the issue prices (including any premium at which shares with par value may be issued) that the directors may determine. The issue price for a share with par value must be equal to or greater than the par value of the share.

3.2 Commissions and Discounts

The Company may at any time pay a reasonable commission or allow a reasonable discount to any person in consideration of that person purchasing or agreeing to purchase shares of the Company from the Company or any other person or procuring or agreeing to procure purchasers for shares of the Company.

3.3 Brokerage

The Company may pay such brokerage fee or other consideration as may be lawful for or in connection with the sale or placement of its securities.

3.4 Conditions of Issue

Except as provided for by the *Business Corporations Act*, no share may be issued until it is fully paid. A share is fully paid when:

- (1) consideration is provided to the Company for the issue of the share by one or more of the following:
 - (a) past services performed for the Company;
 - (b) property;
 - (c) money; and
- (2) the value of the consideration received by the Company equals or exceeds the issue price set for the share under Article 3.1.

3.5 Share Purchase Warrants and Rights

Subject to the *Business Corporations Act*, the Company may issue share purchase warrants, options and rights upon such terms and conditions as the directors determine, which share purchase warrants, options and rights may be issued alone or in conjunction with debentures, debenture stock, bonds, shares or any other securities issued or created by the Company from time to time.

4. SHARE REGISTERS

4.1 Central Securities Register

As required by and subject to the *Business Corporations Act*, the Company must maintain in British Columbia a central securities register. The directors may, subject to the *Business Corporations Act*, appoint an agent to maintain the central securities register. The directors may also appoint one or more agents, including the agent which keeps the central securities register, as transfer agent for its shares or any class or series of its shares, as the case may be, and the same or another agent as registrar for its shares or such class or series of its shares, as the case may be. The directors may terminate such appointment of any agent at any time and may appoint another agent in its place.

4.2 Closing Register

The Company must not at any time close its central securities register.

5. SHARE TRANSFERS

5.1 Registering Transfers

Subject to Article 26.3 and the special rights and restrictions attached to the shares of any class or series, a transfer of a share of the Company must not be registered unless:

- (1) a duly signed instrument of transfer in respect of the share has been received by the Company;
- (2) if a share certificate has been issued by the Company in respect of the share to be transferred, that share certificate has been surrendered to the Company; and
- (3) if a non-transferable written acknowledgment of the shareholder's right to obtain a share certificate has been issued by the Company in respect of the share to be transferred, that acknowledgment has been surrendered to the Company.

5.2 Form of Instrument of Transfer

The instrument of transfer in respect of any share of the Company must be either in the form, if any, on the back of the Company's share certificates or in any other form that may be approved by the directors from time to time.

5.3 Transferor Remains Shareholder

Except to the extent that the *Business Corporations Act* otherwise provides, the transferor of shares is deemed to remain the holder of the shares until the name of the transferee is entered in a securities register of the Company in respect of the transfer.

5.4 Signing of Instrument of Transfer

If a shareholder, or his or her duly authorized attorney, signs an instrument of transfer in respect of shares registered in the name of the shareholder, the signed instrument of transfer constitutes a complete and sufficient authority to the Company and its directors, officers and agents to register the number of shares specified in the instrument of transfer or specified in any other manner, or, if no number is specified, all the shares represented by the share certificates or set out in the written acknowledgments deposited with the instrument of transfer:

- (1) in the name of the person named as transferee in that instrument of transfer; or
- (2) if no person is named as transferee in that instrument of transfer, in the name of the person on whose behalf the instrument is deposited for the purpose of having the transfer registered.

5.5 Enquiry as to Title Not Required

Neither the Company nor any director, officer or agent of the Company is bound to inquire into the title of the person named in the instrument of transfer as transferee or, if no person is named as transferee in the instrument of transfer, of the person on whose behalf the instrument is deposited for the purpose of having the transfer registered or is liable for any claim related to registering the transfer by the shareholder or by any intermediate owner or holder of the shares, of any interest in the shares, of any share certificate representing such shares or of any written acknowledgment of a right to obtain a share certificate for such shares.

5.6 Transfer Fee

There must be paid to the Company, in relation to the registration of any transfer, the amount, if any, determined by the directors.

6. TRANSMISSION OF SHARES

6.1 Legal Personal Representative Recognized on Death

In case of the death of a shareholder, the legal personal representative, or if the shareholder was a joint holder, the surviving joint holder, will be the only person recognized by the Company as having any title to the shareholder's interest in the shares. Before recognizing a person as a legal personal representative, the directors may require proof of appointment by a court of competent jurisdiction, a grant of letters probate, letters of administration or such other evidence or documents as the directors consider appropriate.

6.2 Rights of Legal Personal Representative

The legal personal representative has the same rights, privileges and obligations that attach to the shares held by the shareholder, including the right to transfer the shares in accordance with these Articles, provided the documents required by the *Business Corporations Act* and the directors have been deposited with the Company.

7. PURCHASE OF SHARES

7.1 Company Authorized to Purchase Shares

Subject to Article 7.2, the special rights and restrictions attached to the shares of any class or series and the *Business Corporations Act*, the Company may, if authorized by the directors, purchase or otherwise acquire any of its shares at the price and upon the terms specified in such resolution.

7.2 Purchase When Insolvent

The Company must not make a payment or provide any other consideration to purchase or otherwise acquire any of its shares if there are reasonable grounds for believing that:

- (1) the Company is insolvent; or
- (2) making the payment or providing the consideration would render the Company insolvent.

7.3 Sale and Voting of Purchased Shares

If the Company retains a share redeemed, purchased or otherwise acquired by it, the Company may sell, gift or otherwise dispose of the share, but, while such share is held by the Company, it:

- (1) is not entitled to vote the share at a meeting of its shareholders;
- (2) must not pay a dividend in respect of the share; and

- (3) must not make any other distribution in respect of the share.

8. BORROWING POWERS

The Company, if authorized by the directors in accordance with these Articles, may:

- (1) borrow money in the manner and amount, on the security, from the sources and on the terms and conditions that they consider appropriate;
- (2) issue bonds, debentures and other debt obligations either outright or as security for any liability or obligation of the Company or any other person and at such discounts or premiums and on such other terms as they consider appropriate;
- (3) guarantee the repayment of money by any other person or the performance of any obligation of any other person; and
- (4) mortgage, charge, whether by way of specific or floating charge, grant a security interest in, or give other security on, the whole or any part of the present and future assets and undertaking of the Company.

9. ALTERATIONS

9.1 Alteration of Authorized Share Structure

Subject to Article 9.2 and the *Business Corporations Act*, the Company may by resolution of the directors:

- (1) create one or more classes or series of shares or, if none of the shares of a class or series of shares are allotted or issued, eliminate that class or series of shares;
- (2) increase, reduce or eliminate the maximum number of shares that the Company is authorized to issue out of any class or series of shares or establish a maximum number of shares that the Company is authorized to issue out of any class or series of shares for which no maximum is established;
- (3) subdivide or consolidate all or any of its unissued, or fully paid issued, shares;
- (4) if the Company is authorized to issue shares of a class of shares with par value:
 - (a) decrease the par value of those shares; or
 - (b) if none of the shares of that class of shares are allotted or issued, increase the par value of those shares;
- (5) change all or any of its unissued, or fully paid issued, shares with par value into shares without par value or any of its unissued shares without par value into shares with par value;
- (6) alter the identifying name of any of its shares; or

- (7) otherwise alter its shares or authorized share structure when required or permitted to do so by the *Business Corporations Act*.

9.2 Special Rights and Restrictions

Subject to any additional approvals required pursuant to the *Business Corporations Act*, the Company may by special resolution:

- (1) create special rights or restrictions for, and attach those special rights or restrictions to, the shares of any class or series of shares, whether or not any or all of those shares have been issued; or
- (2) vary or delete any special rights or restrictions attached to the shares of any class or series of shares, whether or not any or all of those shares have been issued.

9.3 Change of Name

The Company may by consent resolution of the directors or by special resolution authorize an alteration of its Notice of Articles in order to change its name or adopt or change any translation of that name.

9.4 Other Alterations

If the *Business Corporations Act* does not specify the type of resolution and these Articles do not specify another type of resolution, the Company may by special resolution alter these Articles.

10. MEETINGS OF SHAREHOLDERS

10.1 Annual General Meetings

Unless an annual general meeting is deferred or waived in accordance with the *Business Corporations Act*, the Company must hold its first annual general meeting within 18 months after the date on which it was incorporated or otherwise recognized, and after that must hold an annual general meeting at least once in each calendar year and not more than 15 months after the last annual reference date at such time and place as may be determined by the directors.

10.2 Resolution Instead of Annual General Meeting

If all the shareholders who are entitled to vote at an annual general meeting consent by a unanimous resolution under the *Business Corporations Act* to all of the business that is required to be transacted at that annual general meeting, the annual general meeting is deemed to have been held on the date of the unanimous resolution. The shareholders must, in any unanimous resolution passed under this Article 10.2, select as the Company's annual reference date a date that would be appropriate for the holding of the applicable annual general meeting.

10.3 Calling of Meetings of Shareholders

The directors may, whenever they think fit, call a meeting of shareholders.

10.4 Notice for Meetings of Shareholders

The Company must send notice of the date, time and location of any meeting of shareholders, in the manner provided in these Articles, or in such other manner, if any, as may be prescribed by ordinary resolution (whether previous notice of the resolution has been given or not), to each shareholder entitled to attend the meeting, to each director and to the auditor of the Company, unless these Articles otherwise provide, at least the following number of days before the meeting:

- (1) if and for so long as the Company is a public company, 21 days;
- (2) otherwise, 10 days.

A notice of meeting for a meeting held entirely by virtual means in accordance with Article 11.17, must include instructions for shareholder participation in the meeting to the extent and in the manner required by the *Business Corporations Act*.

10.5 Record Date for Notice

The directors may set a date as the record date for the purpose of determining shareholders entitled to notice of any meeting of shareholders. The record date must not precede the date on which the meeting is to be held by more than two months or, in the case of a general meeting requisitioned by shareholders under the *Business Corporations Act*, by more than four months. The record date must not precede the date on which the meeting is held by fewer than:

- (1) if and for so long as the Company is a public company, 21 days;
- (2) otherwise, 10 days.

If no record date is set, the record date is 5:00 p.m. on the day immediately preceding the first date on which the notice is sent or, if no notice is sent, the beginning of the meeting.

10.6 Record Date for Voting

The directors may set a date as the record date for the purpose of determining shareholders entitled to vote at any meeting of shareholders. The record date must not precede the date on which the meeting is to be held by more than two months or, in the case of a general meeting requisitioned by shareholders under the *Business Corporations Act*, by more than four months. If no record date is set, the record date is 5:00 p.m. on the day immediately preceding the first date on which the notice is sent or, if no notice is sent, the beginning of the meeting.

10.7 Failure to Give Notice and Waiver of Notice

The accidental omission to send notice of any meeting to, or the non-receipt of any notice by, any of the persons entitled to notice does not invalidate any proceedings at that meeting. Any person entitled to notice of a meeting of shareholders may, in writing or otherwise, waive or reduce the period of notice of such meeting.

10.8 Notice of Special Business at Meetings of Shareholders

If a meeting of shareholders is to consider special business within the meaning of Article 11.1, the notice of meeting must:

- (1) state the general nature of the special business; and
- (2) if the special business includes considering, approving, ratifying, adopting or authorizing any document or the signing of or giving of effect to any document, have attached to it a copy of the document or state that a copy of the document will be available for inspection by shareholders:
 - (a) at the Company's records office, or at such other reasonably accessible location in British Columbia as is specified in the notice; and
 - (b) during statutory business hours on any one or more specified days before the day set for the holding of the meeting.

10.9 Location of Annual General Meeting

The Company may by resolution of the directors choose a location outside of British Columbia for the purpose of the meeting. If a meeting is held entirely by virtual means in accordance with Article 11.17, the meeting shall be deemed for all purposes of the *Business Corporations Act* and these Articles to be held at the registered office of the Company, subject to the provisions of the *Business Corporations Act*.

11. PROCEEDINGS AT MEETINGS OF SHAREHOLDERS

11.1 Special Business

At a meeting of shareholders, the following business is special business:

- (1) at a meeting of shareholders that is not an annual general meeting, all business is special business except business relating to the conduct of or voting at the meeting;
- (2) at an annual general meeting, all business is special business except for the following:
 - (a) business relating to the conduct of or voting at the meeting;
 - (b) consideration of any financial statements of the Company presented to the meeting;
 - (c) consideration of any reports of the directors or auditor;
 - (d) the setting or changing of the number of directors;
 - (e) the election or appointment of directors;

- (f) the appointment of an auditor;
- (g) business arising out of a report of the directors not requiring the passing of a special resolution or an exceptional resolution;
- (h) any other business which, under these Articles or the *Business Corporations Act*, may be transacted at a meeting of shareholders without prior notice of the business being given to the shareholders.

11.2 Special Majority

The majority of votes required for the Company to pass a special resolution at a meeting of shareholders is two-thirds of the votes cast on the resolution.

11.3 Quorum

Subject to the special rights and restrictions attached to the shares of any class or series of shares, the quorum for the transaction of business at a meeting of shareholders is two shareholders entitled to vote at the meeting whether in person or by proxy who hold, in the aggregate, at least 10% of the issued shares entitled to be voted at the meeting.

11.4 One Shareholder May Constitute Quorum

If there is only one shareholder entitled to vote at a meeting of shareholders:

- (1) the quorum is one person who is, or who represents by proxy, that shareholder, and
- (2) that shareholder, present in person or by proxy, may constitute the meeting.

11.5 Other Persons May Attend

The directors, the president and/or chief executive officer (if any), the secretary (if any), the assistant secretary (if any), any lawyer for the Company, the auditor of the Company and any other persons invited by the directors are entitled to attend any meeting of shareholders, but if any of those persons does attend a meeting of shareholders, that person is not to be counted in the quorum and is not entitled to vote at the meeting unless that person is a shareholder or proxy holder entitled to vote at the meeting.

11.6 Requirement of Quorum

No business, other than the election of a chair of the meeting and the adjournment of the meeting, may be transacted at any meeting of shareholders unless a quorum of shareholders entitled to vote is present at the commencement of the meeting, but such quorum need not be present throughout the meeting.

11.7 Lack of Quorum

If, within one-half hour from the time set for the holding of a meeting of shareholders, a quorum is not present:

- (1) in the case of a general meeting requisitioned by shareholders, the meeting is dissolved, and
- (2) in the case of any other meeting of shareholders, the meeting stands adjourned to the same day in the next week at the same time and place.

11.8 Lack of Quorum at Succeeding Meeting

If, at the meeting to which the meeting referred to in Article 11.7(2) was adjourned, a quorum is not present within one-half hour from the time set for the holding of the meeting, the person or persons present and being, or representing by proxy, one or more shareholders entitled to attend and vote at the meeting constitute a quorum.

11.9 Chair

The following individual is entitled to preside as chair at a meeting of shareholders:

- (1) the chair of the board, if any;
- (2) if the chair of the board is absent or unwilling to act as chair of the meeting, any other director present and willing to act as chair of the meeting; or
- (3) if no such other director is present and willing to act as chair of the meeting, the president or chief executive officer, if any.

11.10 Selection of Alternate Chair

If, at any meeting of shareholders, there is no chair of the board or president or chief executive officer present within 15 minutes after the time set for holding the meeting, or if the chair of the board and the president or chief executive officer are unwilling to act as chair of the meeting, or if the chair of the board and the president or chief executive officer have advised the secretary, if any, or any director present at the meeting, that they will not be present at the meeting, the directors present must choose one of their number to be chair of the meeting or if all of the directors present decline to take the chair or fail to so choose or if no director is present, the shareholders entitled to vote at the meeting who are present in person or by proxy may choose any person present at the meeting to chair the meeting.

11.11 Adjournments

The chair of a meeting of shareholders may, and if so directed by the meeting must, adjourn the meeting from time to time and from place to place, but no business may be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

11.12 Notice of Adjourned Meeting

It is not necessary to give any notice of an adjourned meeting or of the business to be transacted at an adjourned meeting of shareholders except that, when a meeting is adjourned for 30 days or more, notice of the adjourned meeting must be given as in the case of the original meeting.

11.13 Decisions by Show of Hands or Poll

Subject to the *Business Corporations Act*, every motion put to a vote at a meeting of shareholders will be decided on a show of hands unless a poll, before or on the declaration of the result of the vote by show of hands, is directed by the chair or demanded by at least one shareholder entitled to vote who is present in person or by proxy.

11.14 Declaration of Result

The chair of a meeting of shareholders must declare to the meeting the decision on every question in accordance with the result of the show of hands or the poll, as the case may be, and that decision must be entered in the minutes of the meeting. A declaration of the chair that a resolution is carried by the necessary majority or is defeated is, unless a poll is directed by the chair or demanded under Article 11.13, conclusive evidence without proof of the number or proportion of the votes recorded in favour of or against the resolution.

11.15 Motion Need Not be Seconded

No motion proposed at a meeting of shareholders need be seconded unless the chair of the meeting rules otherwise, and the chair of any meeting of shareholders is entitled to propose or second a motion.

11.16 Casting Vote

In case of an equality of votes, the chair of a meeting of shareholders does not, either on a show of hands or on a poll, have a second or casting vote in addition to the vote or votes to which the chair may be entitled as a shareholder.

11.17 Meeting by Telephone or Other Communications Medium

A meeting of the shareholders may be held in person, virtually by telephone or other electronic communications medium, or in a hybrid fashion incorporating both in-person and virtual means. A shareholder or proxy holder may participate in a meeting of the shareholders in person or by telephone if all shareholders or proxy holders participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other to the extent and in the manner required by the *Business Corporations Act*. A shareholder or proxy holder may participate in a meeting of the shareholders by a communications medium other than telephone, including by electronic means, if all shareholders or proxy holders participating in the meeting, whether in person or by telephone or other communications medium, including by electronic means, are able to communicate with each other to the extent and in the manner required by the *Business Corporations Act*. Any vote at a shareholder meeting may be conducted by telephone or other communications medium, including electronic means. A shareholder or proxy holder who

participates in a meeting in a manner contemplated by this Article 11.17 is deemed for all purposes of the *Business Corporations Act* and these Articles to be present at the meeting and to have agreed to participate in that manner.

12. VOTES OF SHAREHOLDERS

12.1 Number of Votes by Shareholder or by Shares

Subject to any special rights or restrictions attached to any shares and to the restrictions imposed on joint shareholders under Article 12.3:

- (1) on a vote by show of hands, every person present who is a shareholder or proxy holder and entitled to vote on the matter has one vote; and
- (2) on a poll, every shareholder entitled to vote on the matter has one vote in respect of each share entitled to be voted on the matter and held by that shareholder and may exercise that vote either in person or by proxy.

12.2 Votes of Persons in Representative Capacity

A person who is not a shareholder may vote at a meeting of shareholders, whether on a show of hands or on a poll, and may appoint a proxy holder to act at the meeting, if, before doing so, the person satisfies the chair of the meeting, or the directors, that the person is a legal personal representative or a trustee in bankruptcy for a shareholder who is entitled to vote at the meeting.

12.3 Votes by Joint Holders

If there are joint shareholders registered in respect of any share:

- (1) any one of the joint shareholders may vote at any meeting, either personally or by proxy, in respect of the share as if that joint shareholder were solely entitled to it; or
- (2) if more than one of the joint shareholders is present at any meeting, personally or by proxy, and more than one of them votes in respect of that share, then only the vote of the joint shareholder present whose name stands first on the central securities register in respect of the share will be counted.

12.4 Legal Personal Representatives as Joint Shareholders

Two or more legal personal representatives of a shareholder in whose sole name any share is registered are, for the purposes of Article 12.3, deemed to be joint shareholders.

12.5 Representative of a Corporate Shareholder

If a corporation, that is not a subsidiary of the Company, is a shareholder, that corporation may appoint a person to act as its representative at any meeting of shareholders of the Company, and:

- (1) for that purpose, the instrument appointing a representative must:

- (a) be received at the registered office of the Company or at any other place specified, in the notice calling the meeting, for the receipt of proxies, at least the number of business days specified in the notice for the receipt of proxies, or if no number of days is specified, two business days before the day set for the holding of the meeting; or
 - (b) be provided, at the meeting, to the chair of the meeting or to a person designated by the chair of the meeting;
- (2) if a representative is appointed under this Article 12.5:
- (a) the representative is entitled to exercise in respect of and at that meeting the same rights on behalf of the corporation that the representative represents as that corporation could exercise if it were a shareholder who is an individual, including, without limitation, the right to appoint a proxy holder; and
 - (b) the representative, if present at the meeting, is to be counted for the purpose of forming a quorum and is deemed to be a shareholder present in person at the meeting.

Evidence of the appointment of any such representative may be sent to the Company by written instrument, fax or any other method of transmitting legibly recorded messages.

12.6 Proxy Provisions Do Not Apply to All Companies

If and for so long as the Company is a public company or a pre-existing reporting company which has the Statutory Reporting Company Provisions as part of its Articles or to which the Statutory Reporting Company Provisions apply, Articles 12.7 to 12.14 apply only insofar as they are not inconsistent with any securities legislation in any province or territory of Canada or in the federal jurisdiction of the United States or in any states of the United States that is applicable to the Company and insofar as they are not inconsistent with the regulations and rules made and promulgated under that legislation and all administrative policy statements, blanket orders and rulings, notices and other administrative directions issued by securities commission or similar authorities appointed under that legislation.

12.7 Appointment of Proxy Holders

Every shareholder of the Company, including a corporation that is a shareholder but not a subsidiary of the Company, entitled to vote at a meeting of shareholders of the Company may, by proxy, appoint one or more (but not more than five) proxy holders to attend and act at the meeting in the manner, to the extent and with the powers conferred by the proxy.

12.8 Alternate Proxy Holders

A shareholder may appoint one or more alternate proxy holders who need not be shareholders to act in the place of an absent proxy holder.

12.9 Deposit of Proxy

A proxy for a meeting of shareholders must:

- (1) be received at the registered office of the Company or at any other place specified, in the notice calling the meeting, for the receipt of proxies, at least the number of business days specified in the notice, or if no number of days is specified, two business days before the day set for the holding of the meeting; or
- (2) unless the notice provides otherwise, be provided, at the meeting, to the chair of the meeting or to a person designated by the chair of the meeting.

A proxy may be sent to the Company by written instrument, fax or any other method of transmitting legibly recorded messages.

12.10 Validity of Proxy Vote

A vote given in accordance with the terms of a proxy is valid notwithstanding the death or incapacity of the shareholder giving the proxy and despite the revocation of the proxy or the revocation of the authority under which the proxy is given, unless notice in writing of that death, incapacity or revocation is received:

- (1) at the registered office of the Company, at any time up to and including the last business day before the day set for the holding of the meeting at which the proxy is to be used; or
- (2) by the chair of the meeting, before the vote is taken.

12.11 Form of Proxy

A proxy, whether for a specified meeting or otherwise, must be either in the following form or in any other form approved by the directors or the chair of the meeting:

Ardenton Capital Corporation

(the "Company")

The undersigned, being a shareholder of the Company, hereby appoints *[name]* or, failing that person, *[name]*, as proxy holder for the undersigned to attend, act and vote for and on behalf of the undersigned at the meeting of shareholders of the Company to be held on *[month, day, year]* and at any adjournment of that meeting.

12.12 Revocation of Proxy

Subject to Article 12.13, every proxy may be revoked by an instrument in writing that is:

- (1) received at the registered office of the Company at any time up to and including the last business day before the day set for the holding of the meeting at which the proxy is to be used; or
- (2) provided, at the meeting, to the chair of the meeting.

12.13 Revocation of Proxy Must Be Signed

An instrument referred to in Article 12.12 must be signed as follows:

- (1) if the shareholder for whom the proxy holder is appointed is an individual, the instrument must be signed by the shareholder or his or her legal personal representative or trustee in bankruptcy;
- (2) if the shareholder for whom the proxy holder is appointed is a corporation, the instrument must be signed by the corporation or by a representative appointed for the corporation under Article 12.5.

12.14 Production of Evidence of Authority to Vote

The chair of any meeting of shareholders may, but need not, inquire into the authority of any person to vote at the meeting and may, but need not, demand from that person production of evidence as to the existence of the authority to vote.

13. DIRECTORS

13.1 First Directors; Number of Directors

The first directors are the persons designated as directors of the Company in the Notice of Articles that applies to the Company when it is recognized under the *Business Corporations Act*. The number of directors, excluding additional directors appointed under Article 14.8, is set at:

- (1) subject to paragraphs (2) and (3), the number of directors that is equal to the number of the Company's first directors;
- (2) if the Company is a public company, the greater of three and the most recently set of:
 - (a) the number of directors set by ordinary resolution (whether or not previous notice of the resolution was given); and
 - (b) the number of directors set under Article 14.4;
- (3) if the Company is not a public company, the most recently set of:
 - (a) the number of directors set by ordinary resolution (whether or not previous notice of the resolution was given); and
 - (b) the number of directors set under Article 14.4.

13.2 Change in Number of Directors

If the number of directors is set under Articles 13.1(2)(a) or 13.1(3)(a):

- (1) the shareholders may elect or appoint the directors needed to fill any vacancies in the board of directors up to that number;
- (2) if the shareholders do not elect or appoint the directors needed to fill any vacancies in the board of directors up to that number contemporaneously with the setting of that number, then the directors may appoint, or the shareholders may elect or appoint, directors to fill those vacancies.

13.3 Directors' Acts Valid Despite Vacancy

An act or proceeding of the directors is not invalid merely because fewer than the number of directors set or otherwise required under these Articles is in office.

13.4 Remuneration of Directors

The directors are not entitled as such to receive any remuneration for acting as directors for any period prior to the second annual general meeting of the Company following the effective date of the Plan of Arrangement (as such term is defined in Article 27.2). Thereafter the directors shall be entitled to such remuneration for acting as directors, if any, as the directors may from time to time

determine. That remuneration may be in addition to any salary or other remuneration paid to any officer or employee of the Company as such, who is also a director. Notwithstanding the foregoing, during the period prior to the second annual general meeting of the Company following the effective date of the Plan of Arrangement, the independent directors shall be entitled to remuneration for acting as directors, if any, as the directors may from time to time determine; provided, however, that to be considered an independent director, the director must not (i) have a material relationship with the Company or any of its subsidiaries, shareholders or creditors, (ii) be an officer or employee of the Company or any of its subsidiaries, and (iii) have any other relationship that, in the opinion of the board of directors, may affect or interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

13.5 Reimbursement of Expenses of Directors

The Company must reimburse each director for the reasonable out-of-pocket expenses that he or she may incur in and about the business of the Company.

13.6 Special Remuneration for Directors

If any director performs any professional or other services for the Company that in the opinion of the directors are outside the ordinary duties of a director, or if any director is otherwise specially occupied in or about the Company's business, he or she may be paid remuneration fixed by the directors, or, at the option of that director, fixed by ordinary resolution.

14. ELECTION AND REMOVAL OF DIRECTORS

14.1 Election at Annual General Meetings

- (1) Subject to the *Business Corporations Act* and these Articles, directors shall be elected for a term of two (2) years, expiring in accordance with Article 14.1(2). The shareholders entitled to vote at each annual general meeting will elect or, by unanimous resolutions appoint, directors to replace those directors, if any, whose term expires at such meeting.
- (2) Subject to Article 14.1(4), a director ceases to hold office immediately before the election or appointment of directors under Article 14.1(1) at the second annual general meeting following that director's last election or appointment.
- (3) A director who ceases to hold office under Article 14.1(2) is eligible for re-election.
- (4) A director appointed by the directors under Article 14.5 or Article 14.8 will cease to hold office at the next meeting of shareholders following his or her appointment and is eligible for election at that meeting.
- (5) Unless a director appointed by the directors under Article 14.5 or Article 14.8 has ceased under Article 14.1(4), that director must cease to hold office as the next annual general meeting, and is eligible for re-election at that meeting.

14.2 Consent to be a Director

No election, appointment or designation of an individual as a director is valid unless:

- (1) that individual consents to be a director in the manner provided for in the *Business Corporations Act*;
- (2) that individual is elected or appointed at a meeting at which the individual is present and the individual does not refuse, at the meeting, to be a director; or
- (3) with respect to first directors, the designation is otherwise valid under the *Business Corporations Act*.

14.3 Failure to Elect or Appoint Directors

If:

- (1) the Company fails to hold an annual general meeting, and all the shareholders who are entitled to vote at an annual general meeting fail to pass the unanimous resolution contemplated by Article 10.2, on or before the date by which the annual general meeting is required to be held under the *Business Corporations Act*; or
- (2) the shareholders fail, at the annual general meeting or in the unanimous resolution contemplated by Article 10.2, to elect or appoint any directors;

then each director then in office continues to hold office until the earlier of:

- (3) the date on which his or her successor is elected or appointed; and
- (4) the date on which he or she otherwise ceases to hold office under the *Business Corporations Act* or these Articles.

14.4 Places of Retiring Directors Not Filled

If, at any meeting of shareholders at which there should be an election of directors, the places of any of the retiring directors are not filled by that election, those retiring directors who are not re-elected and who are asked by the newly elected directors to continue in office will, if willing to do so, continue in office to complete the number of directors for the time being set pursuant to these Articles until further new directors are elected at a meeting of shareholders convened for that purpose. If any such election or continuance of directors does not result in the election or continuance of the number of directors for the time being set pursuant to these Articles, the number of directors of the Company is deemed to be set at the number of directors actually elected or continued in office.

14.5 Directors May Fill Casual Vacancies

Any casual vacancy occurring in the board of directors may be filled by the directors.

14.6 Remaining Directors Power to Act

The directors may act notwithstanding any vacancy in the board of directors but, if the Company has fewer directors in office than the number set pursuant to these Articles as the quorum of directors, the directors may only act for the purposes of appointing directors up to that number, summoning a meeting of shareholders for the purpose of filling any vacancies on the board of directors, or, subject to the *Business Corporations Act*, for any other purpose.

14.7 Shareholders May Fill Vacancies

If the Company has no directors or fewer directors in office than the number set pursuant to these Articles as the quorum of directors, the shareholders may elect or appoint directors to fill any vacancies on the board of directors.

14.8 Additional Directors

Notwithstanding Articles 13.1 and 13.2, between annual general meetings or unanimous resolutions contemplated by Article 10.2, the directors may appoint one or more additional directors, but the number of additional directors appointed under this Article 14.8 must not at any time exceed:

- (1) one-third of the number of first directors, if, at the time of the appointments, one or more of the first directors have not yet completed their first term of office; or
- (2) in any other case, one-third of the number of the current directors who were elected or appointed as directors other than under this Article 14.8.

Any director so appointed ceases to hold office immediately before the next election or appointment of directors under Article 14.1(1) but is eligible for re-election or re-appointment.

14.9 Ceasing to be a Director

A director ceases to be a director when:

- (1) the term of office of the director expires;
- (2) the director dies;
- (3) the director resigns as a director by notice in writing provided to the Company or a lawyer for the Company; or
- (4) the director is removed from office pursuant to Articles 14.10 or 14.11.

14.10 Removal of Director by Shareholders

The Company may remove any director before the expiration of his or her term of office by special resolution. In that event, the shareholders may elect, or appoint by ordinary resolution, a director to fill the resulting vacancy. If the shareholders do not elect or appoint a director to fill the resulting

vacancy contemporaneously with the removal, then the directors may appoint or the shareholders may elect, or appoint by ordinary resolution, a director to fill that vacancy.

14.11 Removal of Director by Directors

The directors may remove any director before the expiration of his or her term of office if the director is convicted of an indictable offence, or if the director ceases to be qualified to act as a director of a company pursuant to section 124 of the *Business Corporations Act*, and does not promptly resign, and the directors may appoint a director to fill the resulting vacancy.

15. ALTERNATE DIRECTORS

15.1 Appointment of Alternate Director

Any director (an "appointor") may by notice in writing received by the Company appoint any person (an "appointee") who is qualified to act as a director to be his or her alternate to act in his or her place at meetings of the directors or committees of the directors at which the appointor is not present unless (in the case of an appointee who is not a director) the directors have reasonably disapproved the appointment of such person as an alternate director and have given notice to that effect to his or her appointor within a reasonable time after the notice of appointment is received by the Company.

15.2 Notice of Meetings

Every alternate director so appointed is entitled to notice of meetings of the directors and of committees of the directors of which his or her appointor is a member and to attend and vote as a director at any such meetings at which his or her appointor is not present.

15.3 Alternate for More Than One Director Attending Meetings

A person may be appointed as an alternate director by more than one director, and an alternate director:

- (1) will be counted in determining the quorum for a meeting of directors once for each of his or her appointors and, in the case of an appointee who is also a director, once more in that capacity;
- (2) has a separate vote at a meeting of directors for each of his or her appointors and, in the case of an appointee who is also a director, an additional vote in that capacity;
- (3) will be counted in determining the quorum for a meeting of a committee of directors once for each of his or her appointors who is a member of that committee and, in the case of an appointee who is also a member of that committee as a director, once more in that capacity;
- (4) has a separate vote at a meeting of a committee of directors for each of his or her appointors who is a member of that committee and, in the case of an appointee who is also a member of that committee as a director, an additional vote in that capacity.

15.4 Consent Resolutions

Every alternate director, if authorized by the notice appointing him or her, may sign in place of his or her appointor any resolutions to be consented to in writing.

15.5 Alternate Director Not an Agent

Every alternate director is deemed not to be the agent of his or her appointor.

15.6 Revocation of Appointment of Alternate Director

An appointor may at any time, by notice in writing received by the Company, revoke the appointment of an alternate director appointed by him or her.

15.7 Ceasing to be an Alternate Director

The appointment of an alternate director ceases when:

- (1) his or her appointor ceases to be a director and is not promptly re-elected or re-appointed;
- (2) the alternate director dies;
- (3) the alternate director resigns as an alternate director by notice in writing provided to the Company or a lawyer for the Company;
- (4) the alternate director ceases to be qualified to act as a director pursuant to section 124 of the *Business Corporations Act*; or
- (5) his or her appointor revokes the appointment of the alternate director.

15.8 Expenses of Alternate Director

The Company may reimburse an alternate director for the reasonable out-of-pocket expenses that would be properly reimbursed if he or she were a director.

16. POWERS AND DUTIES OF DIRECTORS

16.1 Powers of Management

The directors must, subject to the *Business Corporations Act* and these Articles, manage or supervise the management of the business and affairs of the Company and have the authority to exercise all such powers of the Company as are not, by the *Business Corporations Act* or by these Articles, required to be exercised by the shareholders of the Company.

16.2 Appointment of Attorney of Company

The directors may from time to time, by power of attorney or other instrument, under seal if so required by law, appoint any person to be the attorney of the Company for such purposes, and with

such powers, authorities and discretions (not exceeding those vested in or exercisable by the directors under these Articles and excepting the power to fill vacancies in the board of directors, to remove a director, to change the membership of, or fill vacancies in, any committee of the directors, to appoint or remove officers appointed by the directors and to declare dividends) and for such period, and with such remuneration and subject to such conditions as the directors may think fit. Any such power of attorney may contain such provisions for the protection or convenience of persons dealing with such attorney as the directors think fit. Any such attorney may be authorized by the directors to sub-delegate all or any of the powers, authorities and discretions for the time being vested in him or her.

16.3 Remuneration of the auditor

The directors may set the remuneration of the auditor without the prior approval of the shareholders.

17. DISCLOSURE OF INTEREST OF DIRECTORS

17.1 Obligation to Account for Profits

A director or senior officer who holds a disclosable interest (as that term is used in the *Business Corporations Act*) in a contract or transaction into which the Company has entered or proposes to enter is liable to account to the Company for any profit that accrues to the director or senior officer under or as a result of the contract or transaction only if and to the extent provided in the *Business Corporations Act*.

17.2 Restrictions on Voting by Reason of Interest

A director who holds a disclosable interest in a contract or transaction into which the Company has entered or proposes to enter is not entitled to vote on any directors' resolution to approve that contract or transaction, unless all the directors have a disclosable interest in that contract or transaction, in which case any or all of those directors may vote on such resolution.

17.3 Interested Director Counted in Quorum

A director who holds a disclosable interest in a contract or transaction into which the Company has entered or proposes to enter and who is present at the meeting of directors at which the contract or transaction is considered for approval may be counted in the quorum at the meeting whether or not the director votes on any or all of the resolutions considered at the meeting.

17.4 Disclosure of Conflict of Interest or Property

A director or senior officer who holds any office or possesses any property, right or interest that could result, directly or indirectly, in the creation of a duty or interest that materially conflicts with that individual's duty or interest as a director or senior officer, must disclose the nature and extent of the conflict as required by the *Business Corporations Act*.

17.5 Director Holding Other Office in the Company

A director may hold any office or place of profit with the Company, other than the office of auditor of the Company, in addition to his or her office of director for the period and on the terms (as to remuneration or otherwise) that the directors may determine.

17.6 No Disqualification

No director or intended director is disqualified by his or her office from contracting with the Company either with regard to the holding of any office or place of profit the director holds with the Company or as vendor, purchaser or otherwise, and no contract or transaction entered into by or on behalf of the Company in which a director is in any way interested is liable to be voided for that reason.

17.7 Professional Services by Director or Officer

Subject to the *Business Corporations Act*, a director or officer, or any person in which a director or officer has an interest, may act in a professional capacity for the Company, except as auditor of the Company, and the director or officer or such person is entitled to remuneration for professional services as if that director or officer were not a director or officer.

17.8 Director or Officer in Other Corporations

A director or officer may be or become a director, officer or employee of, or otherwise interested in, any person in which the Company may be interested as a shareholder or otherwise, and, subject to the *Business Corporations Act*, the director or officer is not accountable to the Company for any remuneration or other benefits received by him or her as director, officer or employee of, or from his or her interest in, such other person.

18. PROCEEDINGS OF DIRECTORS

18.1 Meetings of Directors

The directors may meet together for the conduct of business, adjourn and otherwise regulate their meetings as they think fit, and meetings of the directors held at regular intervals may be held at the place, at the time and on the notice, if any, as the directors may from time to time determine. If a meeting of the directors is held by entirely virtual means by telephone or other communications method, including by electronic means, the meeting shall be deemed to be held at the registered office of the Company in lieu of another physical location for the purposes of the *Business Corporations Act* and these Articles.

18.2 Voting at Meetings

- (1) Except as provided in Article 18.2(2), questions arising at any meeting of directors are to be decided by a majority of votes and, in the case of an equality of votes, the chair of the meeting does not have a second or casting vote.

- (2) Subject to the *Business Corporations Act* and Article 18.2(3), questions arising at any meeting of directors relating to any of the following matters are to be decided by at least 60% of the directors:
- (a) any sale, divestiture, refinancing, merger, amalgamation, consolidation, arrangement, liquidation, dissolution, winding-up, sale, lease, transfer, exclusive license or other disposition, in a single transaction or series of related transactions of all or substantially all the assets of the Company and its subsidiaries, or any other material transaction, affecting the business and affairs of the Company;
 - (b) except with respect to any sale, transfer or treasury issuance made pursuant to a contractual obligation of the Company or any of its portfolio companies, in each case, existing on the effective date of the Plan of Arrangement, any sale, divestiture, transfer or other disposition of any equity interest in any portfolio company by the Company, directly or indirectly, to the extent of the Company's power and control with respect to such action; and
 - (c) any issuance of debentures, bonds or any other debt securities issued or created by the Company from time to time unless such debentures, bonds or other debt securities are either (i) fully subordinated and postponed to the ACC Level 5 Distributions (as defined in the Plan of Arrangement), or (ii) fully senior to the ACC Level 1 Distributions (as defined in the Plan of Arrangement).
- (3) Article 18.2(2) shall automatically terminate and be of no further force and effect on the date two years following the effective date of the Plan of Arrangement (as such term is defined in Article 27.2).

18.4 Meetings by Telephone or Other Communications Medium

A meeting of the directors may be held in person, virtually by telephone or other electronic communications medium, or in a hybrid fashion incorporating both in-person and virtual means. A director may participate in a meeting of the directors or of any committee of the directors in person or by telephone if all directors participating in the meeting, whether in person or by telephone or other communications medium, are able to communicate with each other. A director may participate in a meeting of the directors or of any committee of the directors by a communications medium other than telephone, including by electronic means, if all directors participating in the meeting, whether in person or by telephone or other communications medium, including by electronic means, are able to communicate with each other and if all directors who wish to participate in the meeting agree to such participation. A director who participates in a meeting in a manner contemplated by this Article 18.4 is deemed for all purposes of the *Business Corporations Act* and these Articles to be present at the meeting and to have agreed to participate in that manner.

18.5 Calling of Meetings

A director may, and the secretary or an assistant secretary of the Company, if any, on the request of a director must, call a meeting of the directors at any time.

18.6 Notice of Meetings

Other than for meetings held at regular intervals as determined by the directors pursuant to Article 18.1, reasonable notice of each meeting of the directors, specifying the place, day and time of that meeting must be given to each of the directors and the alternate directors by any method set out in Article 24.1 or orally or by telephone.

18.7 When Notice Not Required

It is not necessary to give notice of a meeting of the directors to a director or an alternate director if:

- (1) the meeting is to be held immediately following a meeting of shareholders at which that director was elected or appointed, or is the meeting of the directors at which that director is appointed; or
- (2) the director or alternate director, as the case may be, has waived notice of the meeting.

18.8 Meeting Valid Despite Failure to Give Notice

The accidental omission to give notice of any meeting of directors to, or the non-receipt of any notice by, any director or alternate director, does not invalidate any proceedings at that meeting.

18.9 Waiver of Notice of Meetings

Any director or alternate director may send to the Company a document signed by him or her waiving notice of any past, present or future meeting or meetings of the directors and may at any time withdraw that waiver with respect to meetings held after that withdrawal. After sending a waiver with respect to all future meetings and until that waiver is withdrawn, no notice of any meeting of the directors need be given to that director and, unless the director otherwise requires by notice in writing to the Company, to his or her alternate director, and all meetings of the directors so held are deemed not to be improperly called or constituted by reason of notice not having been given to such director or alternate director.

18.10 Quorum

The quorum necessary for the transaction of the business of the directors shall be 60% of directors and, if the number of directors is set at one, is deemed to be set at one director, and that director may constitute a meeting.

18.11 Validity of Acts Where Appointment Defective

Subject to the *Business Corporations Act*, an act of a director or officer is not invalid merely because of an irregularity in the election or appointment or a defect in the qualification of that director or officer.

18.12 Consent Resolutions in Writing

A resolution of the directors or of any committee of the directors may be passed without a meeting:

- (1) in all cases, if each of the directors entitled to vote on the resolution consents to it in writing; or
- (2) in the case of a resolution to approve a contract or transaction in respect of which a director has disclosed that he or she has or may have a disclosable interest, if each of the other directors who are entitled to vote on the resolution consents to it in writing.

A consent in writing under this Article may be by signed document, fax, email or any other method of transmitting legibly recorded messages. A consent in writing may be in two or more counterparts which together are deemed to constitute one consent in writing. A resolution of the directors or of any committee of the directors passed in accordance with this Article 18.12 is effective on the date stated in the consent in writing or on the latest date stated on any counterpart and is deemed to be a proceeding at a meeting of directors or of the committee of the directors and to be as valid and effective as if it had been passed at a meeting of the directors or of the committee of the directors

that satisfies all the requirements of the *Business Corporations Act* and all the requirements of these Articles relating to meetings of the directors or of a committee of the directors.

19. EXECUTIVE AND OTHER COMMITTEES

19.1 Appointment and Powers of Executive Committee

19.4 Powers of Board

The directors may, at any time, with respect to a committee appointed under Articles 19.1 or 19.2:

- (1) revoke or alter the authority given to the committee, or override a decision made by the committee, except as to acts done before such revocation, alteration or overriding;

- (4) questions arising at any meeting of the committee are determined by a majority of votes of the members present, and in case of an equality of votes, the chair of the meeting does not have a second or casting vote.

20. OFFICERS

27.4 Distribution Rights

The holders of the Class A Shares shall be entitled to receive all Distributions at such times and in such amounts as the directors of the Company may in their discretion from time to time declare. For greater certainty, the allocation between dividends and returns

of capital in respect of a Distribution on the Class A Shares may be different than the allocation between dividends and returns of capital in respect of the Distribution on the Class B Shares provided that the aggregate amount of the Distribution per issued and outstanding Class A Share and Class B Share is the same.

The Company shall not be bound by or obligated to recognize any Transfer of Stapled Shares that does not include the assignment of the Claim contemplated in the foregoing sentence.

27.7 Redeemable by Company

Subject to the *Business Corporations Act*, if any holder of a Claim sells to the Company all or any portion of their Claim pursuant to Section 15.5 of the Plan of Arrangement or otherwise, then the Company will redeem an equivalent *pro rata* portion of the Stapled Shares for which such holder is the registered holder, at a price per share equal to the initial issue price of such Stapled Shares (as adjusted to take into account any subdivision, consolidation or other adjustment with respect to such shares) (the "**Redemption Price**"), all as more particularly set forth in Article 27.8.

27.8 Redemption Procedure by Company

If, pursuant to Article 27.7, the Company redeems all or a portion of any Stapled Shares outstanding:

- (1) **Deemed Redemption Date** – The date of redemption (the "**Redemption Date**") of the Stapled Shares pursuant Article 27.7 will be deemed to have occurred on the date on which the sale of a Claim by a holder to the Company is, or is deemed to have been, completed.

- (2) **Payment** - On the Redemption Date, the Company will pay or cause to be paid to or to the order of the registered holders of the Stapled Shares to be redeemed the Redemption Price for each Stapled Shares to be redeemed on presentation and surrender, at the registered office of the Company or at any other place designated by the Company, of the certificate or certificates (if any) for the Stapled Shares called for redemption. The Stapled Shares will thereupon be deemed to be redeemed and will be cancelled. If only a part of the Stapled Shares represented by any certificate is redeemed, a new certificate for the balance will be issued at the expense of the Company.
- (3) **Rights** – From and after the Redemption Date, the holders of the Stapled Shares called for redemption will not be entitled to exercise any of the rights of shareholders in respect thereof unless payment of the Redemption Price for each Stapled Share to be redeemed is not made upon presentation of the share certificates (if any) in accordance with the foregoing provisions, in which case the rights of the holders thereof will remain unaffected until payment of the Redemption Price for each Stapled Shares to be redeemed is made.
- (4) **Failure to Present** - If the holders of Stapled Shares fail to present, on the Redemption Date, the certificate or certificates (if any) representing any Stapled Shares to be redeemed, the Company will have the right to deposit the Redemption Price for each Stapled Shares to be redeemed in either a separate account of the Company with a chartered bank or trust company in Canada or with the solicitors for the Company to be held in trust on behalf of the Company and to be paid without interest to or to the order of the respective holders of the Stapled Shares to be redeemed upon presentation and surrender to the Company of the certificate or certificates representing the Stapled Shares to be redeemed. Upon that deposit being made, the Stapled Shares in respect of which the deposit was made will be deemed to be redeemed, will be cancelled and the rights of the holders thereof after the deposit will be limited to receiving without interest their proportionate part of the aggregate Redemption Price deposited less any charges of the chartered bank, trust company or solicitors, as applicable, against presentation and surrender of the certificate or certificates (if any) representing the Stapled Shares to be redeemed held by them respectively.

27.9 Constraints on Ownership

The Class A Shares may only be held, beneficially owned or controlled, directly or indirectly, by Canadians.

27.10 Conversion Rights

- (1) Each holder of Class A Shares will have the right (the "**Conversion Right**") at any time to convert all or from time to time any part of such holder's Class A Shares into fully paid Class B Shares at the Conversion Ratio on the following basis:

- (a) if a holder of Class A Shares wishes to exercise his, her or its Conversion Right, then he, she or it must give notice (the "**Conversion Notice**") in writing to the Company. The Conversion Notice must specify the number of Class A Shares (the "**Specified Shares**") that the holder delivering the Conversion Notice wishes to be converted, be signed by the registered holder of the Specified Shares and be accompanied by the certificate or certificates, if any, representing the Specified Shares to be converted; and
 - (b) effective as of the date of the receipt of a duly signed Conversion Notice and accompanying share certificate or certificates, if any, the Company will issue to the holder of the Class A Shares delivering the Conversion Notice a certificate representing fully paid and non-assessable Class B Shares into which such Class A Shares were converted. If less than all the Class A Shares represented by any certificate are converted, then the Company will at its expense promptly issue and deliver a new share certificate to the holder thereof for the balance of the Class A Shares not converted.
- (2) If a holder of Class A Shares ceases at any time to be a Canadian, such holder must submit to the Company a declaration indicating that the holder is a Non-Canadian. All of the issued and outstanding Class A Shares held by any holder of Class A Shares who ceases to be a Canadian will immediately and automatically be converted into fully paid and non-assessable Class B Shares at the Conversion Ratio effective as of the date such holder ceased to be a Canadian. Upon any such automatic conversion all share certificates representing such Class A Shares shall instead be deemed to represent the appropriate number of Class B Shares into which such Class A Shares were converted and upon surrender of any such share certificate the Company will issue a new share certificate in the name of such holder representing such appropriate number of Class B Shares.
- (3) If a proposed transferee of Class A Shares is a Non-Canadian then all of the Class A Shares proposed to be so transferred will immediately and automatically be converted into fully paid and non-assessable Class B Shares at the Conversion Ratio effective as of the date of such transfer and upon such transfer becoming effective the Company will issue to the transferee a certificate representing instead the appropriate number of Class B Shares.

27.11 Adjustments to Conversion Rights

- (1) If at any time the Company subdivides, consolidates or pays a stock dividend on the Class A Shares or the Class B Shares, the Conversion Ratio shall simultaneously be adjusted upon the happening of each such event accordingly.
- (2) If at any time and from time to time, the Class B Shares are changed into a different class or classes of shares, whether by reclassification, recapitalization, reorganization, arrangement, amalgamation or merger, then each Class A Share shall thereafter be convertible into the kind and amount of shares and other securities and property receivable upon such change by holders of the number of

Class B Shares into which the Class A Shares could have been converted immediately prior to such change.

All Distributions declared by the Company shall be declared in equal or equivalent amounts per share on all outstanding Class B Shares and Class A Shares and the amount of any Distributions paid on the Class A Shares and Class B Shares shall be paid *pro rata* among all the issued and outstanding Class A Shares and Class B Shares provided that the directors of the Company shall

have full and absolute discretion as to the form of payment and the allocation, in respect of the portion of a Distribution payable on the Class A Shares and the Class B Shares, as between dividends and returns of capital. For greater certainty, the allocation between dividends and returns of capital in respect of a Distribution on the Class A Shares may be different than the allocation between dividends and returns of capital in respect of the Distribution on the Class B Shares provided that the aggregate amount of the Distribution per issued and outstanding Class A Share and Class B Share is the same.

28.5 Liquidation Rights

The holders of Class B Shares shall be entitled in the event of any liquidation, dissolution or winding-up of the Company, whether voluntary or involuntary, or any other distribution of the assets of the Company, among its shareholders for the purpose of winding-up its affairs, and subject to prior satisfaction of all preferential rights of return of capital on dissolution attached to all shares of other classes of shares of the Company ranking in priority to the Class B Shares in respect of return of capital on dissolution, to share rateably on an equivalent basis, together with the holders of Class A Shares and any other class of shares of the Company ranking equally with the Class B Shares in respect of return of capital, in such assets of the Company as are available for distribution.

The Company shall not be bound by or obligated to recognize any Transfer of Stapled Shares that does not include the assignment of the Claim contemplated in the foregoing sentence.

28.7 Redeemable by Company

Subject to the *Business Corporations Act*, if any holder of a Claim sells to the Company all or any portion of their Claim pursuant to Section 15.5 of the Plan of Arrangement or otherwise, then the Company will redeem an equivalent *pro rata* portion of the Stapled Shares for which such holder is the registered holder, at a price per share equal to the initial issue price of such Stapled Shares (as adjusted to take into account any subdivision, consolidation or other adjustment with respect to such shares) (the "**Redemption Price**"), all as more particularly set forth in Article 28.8.

28.8 Redemption Procedure by Company

If, pursuant to Article 28.7, the Company redeems all or a portion of any Stapled Shares outstanding:
