**FIFTH REPORT OF KSV RESTRUCTURING INC.
MARCH 9, 2021**

1.0 Introduction

1. This report ("Report") is filed by KSV Restructuring Inc.¹ ("KSV") in its capacity as receiver (in such capacity, the "Receiver") of Audible Capital Corp. ("Audible"), Avenir Trading Corp. ("Avenir Trading"), 1892244 Alberta Ltd. ("189"), Avenir Sports Entertainment Ltd. ("ASE Canada"), Avenir Sports Entertainment Corp. ("ASE US") and Portland Winter Hawks, Inc. ("PWH") (collectively, the "Companies").
2. Pursuant to an order of the Ontario Superior Court of Justice (Commercial List) (the "Court") made on May 7, 2020 (the "Receivership Order"), KSV was appointed Receiver of the Companies.
3. On May 7, 2020, the Receiver, as foreign representative of the Companies, commenced proceedings in the US Bankruptcy Court for the District of Oregon (the "US Court") seeking recognition of the Canadian receivership proceedings and the enforcement of the Receivership Order in the US under Chapter 15 of the US Bankruptcy Code. On the same date, the US Court entered an order granting provisional relief, subject to the US Court's recognition of the Canadian receivership proceedings (the "US Provisional Order"). On June 9, 2020, the US Court extended the relief granted by the US Provisional Order by entering an order that, among other

¹ Effective August 31, 2020, KSV Kofman Inc. changed its name to KSV Restructuring Inc.

things, recognized the Canadian receivership proceedings as foreign main proceedings.

4. The Companies' principal asset was PWH's hockey franchise which operates in the Western Hockey League. A transaction for that business and related assets was approved by the Court and the US Court on December 16, 2020 and December 18, 2020, respectively, and closed on December 31, 2020. PWH was the Companies' principal asset located in the United States. Accordingly, on February 24, 2021, the Receiver filed a motion in the US Court to close the Chapter 15 proceedings. The US Court will make the order closing the Chapter 15 proceedings if no objections are received by the US Court by March 23, 2021.
5. Audible holds several investments in start-up or growth stage companies (collectively, the "Investments").
6. In October 2020, the Receiver was presented with an unsolicited offer from Avina Acquisition Corp. ("Avina") to purchase the Companies' interest in the Investments, other than Audible's interests in Orla Mining Ltd. ("Orla").
7. To maximize value for creditors by ensuring the highest and best value is obtained while minimizing the risk of losing the offer, the Receiver proposed that Avina allow the offer to act as a "stalking horse" in a Court supervised sale process (the "Sale Process"). Avina agreed to participate as the stalking horse bidder in such a process and the Receiver and Avina negotiated and entered into an asset purchase agreement dated December 15, 2020 (as amended, the "APA") for the sale of certain of the Investments (the "Purchased Assets").
8. On January 6, 2021, the Canadian Court issued an order approving the Sale Process and the APA for purposes of acting as the stalking horse bidder (the "Sale Process Order"). At the hearing for the Sale Process Order, the majority partners of EdgeHill Partners ("EdgeHill") reserved their rights with respect to the transfer of Audible's interest in the partnership units of EdgeHill (the "Units").
9. On March 4, 2021, following discussions with respect to the transfer of Audible's interest in the Units, Avina and the Receiver entered into an amendment to the APA which, among other things, removes the Units from the APA (the "Amendment Agreement").
10. Also, on March 8, 2021, the majority partners of EdgeHill and the Receiver entered into an asset purchase agreement (the "EdgeHill APA") for the sale of Audible's interest in the Units.

1.1 Purposes of this Report

1. The purposes of this Report are to:
 - a) provide background information concerning the Companies;
 - b) summarize the results of the Sale Process;
 - c) summarize a proposed transaction (the "Avina Transaction") between the Receiver and Avina for the sale of the Purchased Assets pursuant to the APA;

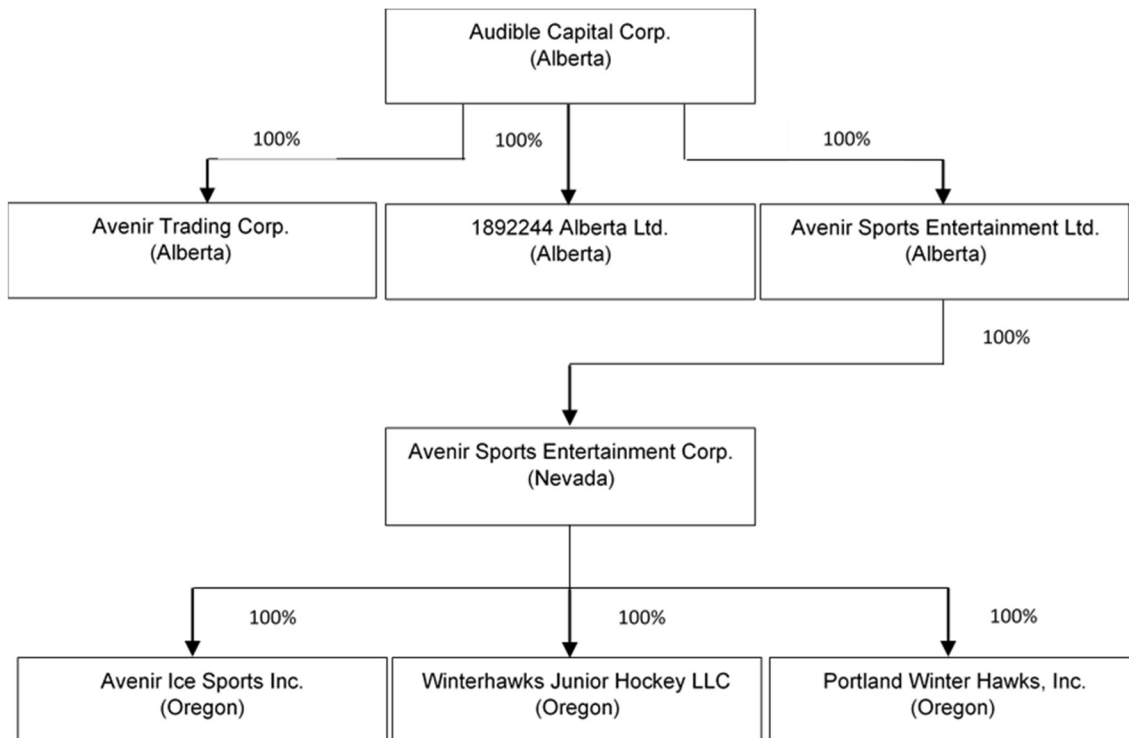

- d) summarize a proposed transaction (the "EdgeHill Transaction") between the Receiver and EdgeHill for the sale of the Units pursuant to the EdgeHill APA;
- e) provide an update on the status of Audible's investment in Orla;
- f) recommend that the Court issue an order (the "Avina Approval and Vesting Order"), among other things:
 - approving the Avina Transaction; and
 - vesting title in and to the Purchased Assets in Avina, free and clear of all liens, claims and encumbrances, except for permitted encumbrances, upon filing a certificate confirming, among other things, the completion of the Avina Transaction;
- g) recommend that the Court issue an order (the "EdgeHill Approval and Vesting Order"), among other things:
 - approving the EdgeHill Transaction; and
 - vesting title in and to the Units in EdgeHill, free and clear of all liens, claims and encumbrances, except for permitted encumbrances, upon filing a certificate confirming, among other things, the completion of the EdgeHill Transaction;
- h) recommend the Court issue an order, among other things:
 - authorizing the Receiver to sell Audible's investment in Orla's common shares should the Receiver exercise Audible's Orla Warrants (as defined below);
 - approving the fees and disbursements of the Receiver and Bennett Jones LLP ("Bennett Jones"), the Receiver's Canadian counsel, for the periods referenced in the attached fee affidavits; and
 - approving this Report and the Fourth Report of the Receiver dated December 22, 2020 (the "Fourth Report") and the Receiver's activities, as described herein and therein.

1.2 Restrictions

1. In preparing this Report, the Receiver has relied upon the Companies' unaudited financial statements, their books and records and discussions with representatives of the Agent (as defined below) and the Companies.
2. The Receiver has not audited, or otherwise attempted to verify, the accuracy or completeness of the financial information relied on to prepare this Report in a manner that complies with Canadian Auditing Standards ("CAS") pursuant to the Chartered Professional Accountants of Canada Handbook and, accordingly, the Receiver expresses no opinion or other form of assurance contemplated under the CAS in respect of such information. Any party wishing to place reliance on the financial information should perform its own diligence.
3. All dollar amounts specified herein are in Canadian dollars unless otherwise indicated.

2.0 Background

1. Audible is a holding company which is wholly owned by William Gallacher.
2. The corporate chart for the group is provided below. Audible's interest in each of the Investments is not depicted in the corporate chart – they are summarized below.

3. The Companies' senior secured creditor is Bridging Finance Inc. (the "Agent") which is currently owed approximately \$15 million.
4. The Purchased Assets consist of the following securities:

	Asset	Cost Base (\$)
1	Archeoptix Biomedical Inc. ("Archeoptix")	608,000
2	BioSteel Sports Nutrition Inc. ("BioSteel")	N/A ²
3	Conavi Medical Inc.	149,997
4	Hammerhead Resources Inc. (formerly Canadian International Oil Corp.)	24,603
5	Mobility View Inc.	468,589
6	Orthogonal, Inc.	994,779
7	Panaxium SAS	4,859,136
8	Performance Phenomics Inc.	500,000
9	Phononic Inc. ("Phononic")	323,259
10	Sage Senses Inc. (o/a Motion Gestures)	98,478
11	Synaptive Medical Inc. ("Synaptive")	20,899,432

² All of the shares of BioSteel, including Audible's, were sold to Canopy Growth Corporation prior to the commencement of these receivership proceedings. However, the Receiver understands that in April 2021, Audible is entitled to a holdback of approximately \$704,000 from the sale of its shares of BioSteel, provided that no claims are made against the holdback prior to such time.

5. Additional information about the Companies and these receivership proceedings is provided in the Affidavit of Lekan Temidire, a representative of the Agent, sworn April 28, 2020 (the "Temidire Affidavit"). Copies of all Court materials filed in these proceedings, including the Temidire Affidavit, are available on the Receiver's website: <https://www.ksvadvisory.com/insolvency-cases/case/audible-capital-corp>.

3.0 Sale Process

1. A summary of the Sale Process is as follows:
 - a) prior to the issuance of the Sale Process Order by the Court, the Receiver received financial and other information from the principals of the Purchased Assets (the "Principals"), including securities registers and shareholder agreements (the "Information"). The Receiver also requested shareholder contact information;
 - b) the Information was uploaded to a virtual data room ("VDR") along with the bidding procedures approved by the Court;
 - c) following the issuance of the Sale Process Order by the Court, the Receiver distributed an interest solicitation letter to prospective purchasers detailing the acquisition opportunity (the "Teaser");
 - d) the prospective purchasers included approximately 100 shareholders of the companies comprising the Purchased Assets, and over 300 Canadian and US based institutional investors comprising family offices, venture capital firms, private equity firms and angel investors. As disclosed in the Fourth Report, pursuant to an agreement with Synaptive, the Receiver had agreed until the earlier of: (i) March 31, 2021 and (ii) the completion of a capital raise being completed by Synaptive, to refrain from contacting, *inter alia*, any of the existing securityholders of Synaptive (collectively, the "Restricted Securityholders"). The Receiver obtained a full list of the Restricted Securityholders prior to the Sale Process. The Receiver ensured that the prospective purchasers contacted did not include the Restricted Securityholders;
 - e) the Teaser included a form of confidentiality agreement ("CA") that interested parties were required to sign to obtain access to the VDR; and
 - f) the Receiver facilitated information requests by prospective purchasers with the Principals.
2. The Receiver arranged for the Sale Process to be advertised in the Globe & Mail newspaper on January 13, 2021.
3. The bid deadline under the Sale Process was February 4, 2021 (the "Bid Deadline"), approximately four (4) weeks after the issuance of the Sale Process Order.

3.1 Sale Process Results

1. A summary of the Sale Process results is as follows:
 - a) 12 parties executed a CA prior to the Bid Deadline; and
 - b) no offers were submitted prior to the Bid Deadline other than the APA.

2. The Receiver received two (2) expressions of interest. One for Audible's interest in Archeoptix and another for Audible's interest in Phononic. On a piecemeal and combined basis, the amount of these offers was insufficient to be considered a Qualified Bid (as defined in the Receiver's Fourth Report) and no other offers were received that would have resulted in a combination of piecemeal bids meeting the Qualified Bid criteria.

3.2 EdgeHill Transaction³

1. Following service of the Sale Process Order, the Receiver was contacted by counsel for the majority partners of EdgeHill, one of the entities that comprise the Investments. While the majority partners of EdgeHill did not object to the Sale Process or the Sale Process Order, they reserved their rights in respect of same. They appeared at the motion for the Sale Process Order and advised the Court of their position.
2. The Receiver and the majority partners of EdgeHill had a series of exchanges which, following consultation with Avina and the Agent, culminated in the EdgeHill APA.
3. A copy of the EdgeHill APA is attached as Appendix "A".
4. The key terms and conditions of the EdgeHill APA are provided below:
 - **Purchaser:** EdgeHill
 - **Purchased Assets:** the Receiver's and the Companies' right, title and interest in the Units.
 - **Purchase Price:** \$250,000.
 - **Deposit:** \$25,000.
 - **Representation and Warranties:** consistent with the standard terms of an insolvency transaction, i.e. on an "as is, where is" basis, with limited representations and warranties.
 - **Closing:** within three (3) business days after receipt of the EdgeHill Approval and Vesting Order.
 - **Outside Date:** March 31, 2021.
 - **Material Conditions:**
 - the EdgeHill Approval and Vesting Order shall have been issued by the Court, shall not be stayed, varied superseded or under appeal, and the applicable time for appealing the EdgeHill Approval and Vesting Order shall have expired if the hearing for the EdgeHill Approval and Vesting Order is contested.

³ Terms not defined in this section have the meaning provided to them in the EdgeHill APA. This section is intended as a summary only. Reference should be made directly to the EdgeHill APA for a complete understanding of the terms of the proposed EdgeHill Transaction.

- **Termination:**
 - The EdgeHill APA can be terminated:
 - if any of the conditions in favour of EdgeHill or the Receiver are not performed or satisfied prior to the Outside Date; or
 - upon the mutual written agreement of EdgeHill and the Receiver.

4.0 The Avina Transaction⁴

4.1 The Amendment Agreement

1. In connection with the proposed EdgeHill Transaction in respect of the Units, certain amendments to the APA were necessary. On March 8, 2021, the Receiver and Avina executed the Amendment Agreement which, among other things:
 - Amended the definition of "Outside Date" of the APA to be March 31, 2021;
 - Reduced the purchase price by \$250,000 (i.e. from \$4,650,000 to \$4,400,000); and
 - Removed the Units from the list of Purchased Assets.
2. A copy of the Amendment Agreement is attached as Appendix "B"

4.2 The APA

1. A copy of the APA is attached as Appendix "C".
2. The key terms and conditions of the APA (prior to the Amendment Agreement) were summarized in the Fourth Report. The key terms and conditions of the APA following the Amendment Agreement are included below:
 - **Purchaser:** Avina
 - **Purchased Assets:** the Receiver's and the Companies' right, title and interest in the Purchased Assets.
 - **Purchase Price:** \$4,400,000
 - **Deposit:** \$232,500
 - **Representation and Warranties:** consistent with the standard terms of an insolvency transaction, i.e. on an "as is, where is" basis, with limited representations and warranties.
 - **Closing:** within three (3) business days after receipt of the Avina Approval and Vesting Order.

⁴ Terms not defined in this section have the meaning provided to them in the APA. This section is intended as a summary only. Reference should be made directly to the APA for a complete understanding of the terms of the proposed Avina Transaction.

- **Outside Date:** March 31, 2021
- **Material Conditions:**
 - a) the Court shall have issued the Sale Process Order and it shall not have been stayed, varied, superseded or under appeal at the time of Closing;
 - b) the Receiver shall have determined that the APA is the Successful Bid in accordance with the Sale Process; and
 - c) the Avina Approval and Vesting Order shall have been issued by the Court, shall not be stayed, varied superseded or under appeal, and the applicable time for appealing the Avina Approval and Vesting Order shall have expired if the hearing for the Avina Approval and Vesting Order is contested.
- **Termination:**
 - (i) The APA can be terminated:
 - if any of the conditions in favour of Avina or the Receiver are not performed or satisfied prior to the Outside Date; or
 - upon the mutual written agreement of Avina and the Receiver.

4.3 Recommendation

1. The Receiver recommends the Canadian Court issue the proposed Avina Approval and Vesting Order and the EdgeHill Approval and Vesting Order for the following reasons:
 - a) in the Receiver's view, the Sale Process was commercially reasonable and conducted in accordance with the terms of the Sale Process Order;
 - b) the Agent, being the principal secured creditor and currently the only economic stakeholder in these proceedings, supports the Avina Transaction and the EdgeHill Transaction;
 - c) the Avina Transaction and the EdgeHill Transaction together provide for the greatest recovery available in the circumstances;
 - d) the market was widely canvassed by the Receiver. The Receiver solicited interest from approximately 100 of the existing shareholders of the companies comprising the Purchased Assets and over 300 North American investment firms, many of which seek to invest in growth and early-stage companies in the biotech and other industries relevant to the Purchased Assets;
 - e) the reduction in purchase price to the APA resulting from the Amending Agreement is entirely compensated by the EdgeHill APA; and
 - f) absent the Avina Transaction and the EdgeHill Transaction, a protracted marketing period is necessary. The ongoing professional fees and other costs will erode the recoveries with no certainty that a superior transaction could be completed.

5.0 Orla

1. Audible holds an investment in Orla. Orla is a public company that is developing a gold project in Mexico.
2. Pursuant to a loan agreement dated December 18, 2019 (the "Loan Agreement"), Audible and the other lenders party thereto (collectively, the "Orla Lenders") agreed to lend up to an aggregate principal amount of US\$125 million to Orla in exchange for, among other things, repayment of the principal amount with interest thereon and common share purchase warrants (the "Orla Warrants"). A copy of the Loan Agreement is attached as Appendix "D".
3. Prior to the receivership, the Orla Lenders advanced US\$25 million (20% of the total commitment) to Orla. The balance of funds is to be advanced in two (2) equal tranches of US\$50 million, subject to Orla satisfying certain conditions precedent to such advances. On November 30, 2020, the second \$50 million tranche was funded. The third tranche is due to be funded on or before April 30, 2021.
4. Audible's share of the Orla Lenders' total commitment is US\$8 million. Prior to the receivership, Audible advanced US\$1.6 million to Orla. On November 30, 2020, the Receiver funded Audible's second tranche obligations of US\$3.2 million. The Receiver expects to use the funds from the Avina Transaction and the EdgeHill Transaction to fund the balance of the commitment prior to April 30, 2021.
5. On closing of the Loan Agreement, Audible received 2,080,000 Orla Warrants which have an exercise price of \$3 per share. The Orla Warrants vest following the payment of the final amount owing under the Loan Agreement. On March 8, 2021, Orla's common shares closed at CAD\$4.46 per share. Accordingly, Audible's Orla Warrants are "in-the-money" by approximately CAD\$3 million.
6. The Receiver is in discussions with the Agent regarding a potential credit bid for the Orla investment, being the only other known asset held by the Companies. The Agent is the only economic stakeholder in the Orla investment based on the current Orla share price. In the interim, the Receiver is seeking the Court's authority to sell Audible's Orla shares at fair market value should the Receiver exercise Audible's Orla Warrants. The Agent is supportive of this relief.

6.0 Professional Fees

1. The fees (excluding disbursements, HST and other applicable taxes) of:
 - a) the Receiver from November 1, 2020 to January 31, 2021 total \$116,560.50; and
 - b) Bennett Jones from November 1, 2020 to February 28, 2021 total \$149,688.50.
2. Detailed invoices are provided in affidavits filed by representatives of the Receiver and Bennett Jones, which are provided in Appendices "E" and "F", respectively.
3. The average hourly rate for the Receiver and Bennett Jones for the referenced billing period was \$535.05 and \$525.78, respectively.

4. The Receiver is of the view that the hourly rates charged by Bennett Jones are consistent with the rates charged by law firms practicing in the area of insolvency in the Toronto market. The Receiver believes that the fees charged are reasonable and appropriate in the circumstances.

7.0 Overview of Receiver's Activities

1. The Receiver's activities since November 1, 2020 have included, *inter alia*, the following:
 - a) corresponding with Bennett Jones and K&L Gates LLP, the Receiver's US counsel, regarding all matters in the Companies' insolvency proceedings;
 - b) corresponding with Chaitons LLP, counsel to the Agent;
 - c) corresponding with management of the Portland Winterhawks franchise ("Winterhawks") and counsel in relation to the sale of the Winterhawks;
 - d) dealing with cash management issues, including paying post-filing expenses;
 - e) corresponding extensively with key stakeholders in these proceedings, including the Agent and the Western Hockey League;
 - f) corresponding extensively with Avina regarding the APA, Sale Process and the Amendment Agreement;
 - g) closing the transaction for the Winterhawks;
 - h) dealing with the Investments, including regularly communicating with the Principals;
 - i) negotiating and entering into the EdgeHill Transaction and the EdgeHill APA;
 - j) reviewing and commenting on Court materials in connection with the Canadian and US proceedings;
 - k) conducting the Sale Process;
 - l) drafting all Sale Process related materials, including the Teaser, and reviewing the CA;
 - m) compiling information in the VDR;
 - n) facilitating due diligence requests submitted by prospective purchasers throughout the Sale Process;
 - o) attending all Court appearances for this Court;
 - p) maintaining the Service List; and
 - q) preparing two (2) reports to Court, including this Report.

8.0 Conclusion and Recommendation

1. Based on the foregoing, the Receiver respectfully recommends that this Honourable Court make the orders granting the relief detailed in Section 1.1(1)(f), Section 1.1(1)(g) and Section 1.1(1)(h) of this Report.

The Sale of the Investment Assets shall be on an “as is, where is” and “with all faults” basis and without representations, warranties, or guarantees, express, implied or statutory, written or oral, of any kind, nature, or description by the Receiver or its agents, representatives, partners or employees, or any of the other parties participating in the sales process pursuant to these Bid Procedures, except as may otherwise be provided in a definitive purchase agreement with the Receiver. By submitting a bid, each Qualified Bidder shall be deemed to acknowledge and represent that it has had an opportunity to conduct any and all due diligence regarding the Investment Assets prior to making its bid, that it has relied solely upon its own

independent review, investigation and/or inspection of any documents and/or the Investment Assets in making its bid, and that it did not rely upon any written or oral statements, representations, warranties, or guarantees, express, implied, statutory or otherwise, regarding the Investment Assets, the financial performance of the Investment Assets or the location of the Investment Assets, or the completeness of any information provided in connection therewith or the Auction, except as expressly stated in these Bidding Procedures or as set forth in a definitive purchase agreement with the Receiver.

Free of Any and All Liens

Except as otherwise provided in the Stalking Horse Bid or another Successful Bidder's purchase agreement, and subject to any permitted encumbrances therein, all of the Receiver's and Audible's right, title and interest in and to the Investment Assets shall be sold free and clear of all liens and encumbrances pursuant to the Approval and Vesting Order.

The Sale and Auction Process

If one or more Qualified Bids (other than that submitted by the Stalking Horse Bidder) have been received by the Receiver on or before the Bid Deadline, the Receiver shall advise all Qualified Bidders of the Lead Bid and invite all Qualified Bidders (including the Stalking Horse Bidder) to attend the Auction to be conducted by the Receiver in accordance with the Auction Procedures attached hereto as Appendix 1. The Auction shall be conducted by video conference. The Qualified Bid that is selected by the Receiver as the successful bid in accordance with the Auction Procedures shall be the "**Successful Bid**".

If no Qualified Bid (other than the Stalking Horse Bid) is submitted by the Bid Deadline, then the Stalking Horse Bid shall be the Successful Bid, the Stalking Horse Bidder shall be the Successful Bidder and the Auction shall be cancelled.

The Receiver to Determine Highest and/or Best Bid: The Receiver shall determine after each round of offers in the Auction, in its reasonable business judgment, the best bid and this bid shall be the Lead Bid. In making such determination, the Receiver may consider, without limitation: (i) the amount and nature of the consideration; (ii) the ability of the Qualified Bidder in question to close the proposed transaction; (iii) the proposed closing date and the likelihood, extent and impact of any potential delays in closing; (iv) any purchase price adjustment; (v) the net economic effect of any changes made to the Stalking Horse Bid; and (vi) such other considerations as the Receiver deems relevant in its reasonable business judgment. At the end of each round of offers, the Receiver shall advise the Qualified Bidders of the material terms of the then highest and/or best bid, and the basis for calculating the total consideration offered in such offer. If at the end of any round of bidding a Qualified Bidder has elected not to submit a further bid meeting the criteria set out herein (including the Minimum Bid Increment), then such Qualified Bidder shall not be entitled to continue to participate in the next round of offers or in any subsequent round.

If only one Qualified Bid is submitted after a round of offers then that Qualified Bid shall be the Successful Bid. The next highest offer, as determined by the Receiver (the "**Back-up Bid**"), shall be required to keep its offer open and available for acceptance until the closing of the Court Approved Sale of the Investment Assets to the Successful Bidder.

Highest versus Best Offer

In determining the Lead Bid, the highest and/or best sale offer or offers during each round of offers, and the Successful Bid, the Receiver, in consultation with Bridging, is not required to select the offer with the highest purchase price and may, exercising its reasonable business judgment, select another offer or offers on the basis that it or they are the best offer even though not the highest purchase price, individually or in the aggregate. Without limiting the foregoing, the Receiver, in consultation with Bridging, may give such weight to the non-monetary considerations as it determines, exercising its reasonable business judgment, is appropriate and reasonable, including those considerations described above under “The Receiver to Determine Highest and/or Best Bid”.

Break Fee

To provide an incentive and to compensate the Stalking Horse Bidder for performing the substantial due diligence and incurring the expenses necessary in entering into the Stalking Horse Bid with the knowledge and risk that arises from participating in the sale and subsequent bidding process, the Receiver has agreed to pay the Stalking Horse Bidder, under the conditions outlined herein and in the Stalking Horse Bid, a Break Fee of \$186,000 inclusive of HST (if any), in the event that the Stalking Horse Bidder is not the Successful Bidder.

The Break Fee is a material inducement for, and a condition of, the Stalking Horse Bidder's entry into the Stalking Horse Bid. The Break Fee, if payable in accordance with the Stalking Horse Bid, shall be paid in accordance with the Stalking Horse Bid and the Sale Process Order.

Acceptance of Qualified Bids

The sale of the Investment Assets to any Successful Bidder by the Receiver is expressly conditional upon the approval of the Successful Bid by the Court at the hearing of the Approval and Vesting Order Motion. The presentation of the Successful Bid to the Court for approval does not obligate the Receiver to close the transaction contemplated by such Successful Bid unless and until the Court approves the Successful Bid. The Receiver will be deemed to have accepted a bid only when the bid has been approved by the Court at the hearing on the Approval and Vesting Order Motion.

Approval and Vesting Order Motion Hearing

The Approval and Vesting Order Motion shall, subject to court availability, be made returnable on or before March 2, 2021 (or, if there is no Auction, as soon as practicable). The Receiver, in consultation with Bridging, reserves its right to the extent consistent with the Stalking Horse Bid to change the date of the hearing of Approval and Vesting Order Motion in order to achieve the maximum value for the Investment Assets.

Miscellaneous

The solicitation process and these Bidding Procedures are solely for the benefit of the Receiver and nothing contained in the Sale Process Order or these Bidding Procedures shall create any rights in any other person (including, without limitation, any bidder or Qualified Bidder, and any rights as third party beneficiaries or otherwise) other than the rights expressly granted to a Successful Bidder under the Sale

Process Order. The bid protections incorporated in these Bidding Procedures are solely for the benefit of the Stalking Horse Bidder.

Except as provided in the Bidding Procedures Order and Bidding Procedures, the Court shall retain jurisdiction to hear and determine all matters arising from or relating to the implementation of the Sale Process Order, the Stalking Horse Process and the Bidding Procedure.

APPENDIX I

Auction Procedures

Auction

1. If the Receiver, in consultation with Bridging, determines to conduct an Auction pursuant to the Bidding Procedures, the Receiver will notify the Qualified Bidders who made a Qualified Bid that an Auction will be conducted. The Auction will be convened by the Receiver and conducted by video conference at 10:00 a.m. (Eastern Time) on February 11, 2021, or such other place and time as the Receiver may advise. Capitalized terms used but not defined have the meaning given to them in the Bidding Procedures. The Auction shall be conducted in accordance with the following procedures:
 - a) Participation at The Auction. Only a Qualified Bidder is eligible to participate in the Auction. The Receiver shall provide all Qualified Bidders with the amount of the Leading Bid by 5:00pm (Eastern Time) two (2) Days before the date scheduled for the Auction. Each Qualified Bidder must inform the Receiver whether it intends to participate in the Auction no later than 12:00 p.m. (Eastern Time) on the Business Day prior to the Auction. Only the authorized representatives of each of the Qualified Bidders, Bridging, the Receiver and their respective counsel and other advisors shall be permitted to attend the Auction.
 - b) Bidding at the Auction. Bidding at the Auction shall be conducted in rounds. The Leading Bid shall constitute the “Opening Bid” for the first round and the highest Overbid (as defined below) at the end of each round shall constitute the “Opening Bid” for the following round. In each round, a Qualified Bidder may submit no more than one Overbid. Any Qualified Bidder who bids in a round (including the Qualified Bidder that submitted the Opening Bid for such round) shall be entitled to participate in the next round of bidding at the Auction.
 - c) Receiver Shall Conduct the Auction. The Receiver and its advisors shall direct and preside over the Auction. At the start of each round of the Auction, the Receiver shall provide the terms of the Opening Bid to all participating Qualified Bidders at the Auction. The determination of which Qualified Bid constitutes the Opening Bid for each round shall take

into account any factors that the Receiver reasonably deems relevant to the value of the Qualified Bid, including, among other things, the following: (i) the amount and nature of the consideration; (ii) the Receiver's assessment of the certainty of the Qualified Bidder to close the proposed transaction on or before the Outside Date; (iii) the likelihood, extent and impact of any potential delays in closing; (iv) the net economic effect of any changes from the Opening Bid of the previous round, and (v) such other considerations as the Receiver deems relevant in its reasonable business judgment (collectively, the “**Bid Assessment Criteria**”). All Bids made after the Opening Bid shall be Overbids, and shall be made and received on an open basis, and all material terms of the highest and best Overbid shall be fully disclosed to all other Qualified Bidders that are participating in the Auction. The Receiver shall maintain a record of the Opening Bid and all Overbids made and announced at the Auction.

- d) Terms of Overbids. An “**Overbid**” is any Bid made at the Auction subsequent to the Receiver's announcement of the Opening Bid. To submit an Overbid, in any round of the Auction, a Qualified Bidder must comply with the following conditions:
- (i) *Minimum Overbid Increment:* Any Overbid shall be made in minimum Cash Purchase Price increments of CAD\$100,000 above the Opening Bid, or such increments as the Receiver, in consultation with Bridging, may determine in order to facilitate the Auction (the “**Minimum Overbid Increment**”). The amount of the cash purchase price consideration or value of any Overbid shall not be less than the cash purchase price consideration or value of the Opening Bid, plus the Minimum Overbid Increment(s) at that time, plus any additional Minimum Overbid Increments.
 - (ii) *The Bid Requirements same as for Qualified Bids:* Except as modified herein, an Overbid must comply with the Bid Requirements, provided, however, that the Bid Deadline shall not apply. Any Overbid made by a Qualified Bidder must provide that it remains irrevocable and binding on the Qualified Bidder and open for acceptance as a Back-Up Bid until the closing of the Successful Bid.
 - (iii) *Announcing Overbids:* At the end of each round of bidding, the Receiver shall announce the identity of the Qualified Bidder and the material terms of the then highest and/or best Overbid, including the assets proposed to be acquired and the basis for calculating the total consideration offered in such Overbid based on, among other things, the Bid Assessment Criteria.
 - (iv) *Consideration of Overbids:* The Receiver, in consultation with Bridging, reserves the right to make one or more adjournments in the Auction in durations set by the Receiver to, among other things: (A) allow individual Qualified Bidders to consider how they wish to proceed; (B) consider and determine the current highest and/or best Overbid at any given time during the Auction; and, (C) give Qualified Bidders the opportunity to provide the Receiver with such additional evidence as it may require that the Qualified Bidder has obtained all required internal corporate approvals, has sufficient internal resources, or has received sufficient non-contingent debt and/or equity funding commitments, to consummate the proposed transaction at the prevailing Overbid amount. The Receiver may have clarifying discussions with a Qualified Bidder, and the Receiver may allow a Qualified Bidder to make technical clarifying changes to its Overbid following such

discussions. BIDDERS MUST OBTAIN ALL NECESSARY APPROVALS AND FUNDING COMMITMENTS IN ADVANCE OF THE AUCTION.

- (v) *Failure to Bid:* If at the end of any round of bidding a Qualified Bidder (other than the Qualified Bidder that submitted the then highest and/or best Overbid or Opening Bid, as applicable) fails to submit an Overbid, then such Qualified Bidder shall not be entitled to continue to participate in the next round of the Auction.
- e) Additional Procedures. The Receiver, in consultation with Bridging, may adopt rules for the Auction at or prior to the Auction that will better promote the goals of the Auction, including rules pertaining to the structure of the Auction, the order of bidding provided they are not inconsistent with any of the provisions of the Bidding Procedures and provided further that no such rules may change the requirement that all material terms of the then highest and/or best Overbid at the end of each round of bidding will be fully disclosed to all other Qualified Bidders.
- f) Closing the Auction. The Auction shall be closed after the Receiver, in consultation with Bridging, has: (i) reviewed the final Overbid of each Qualified Bidder on the basis of financial and contractual terms and the factors relevant to the sale process, including those factors affecting the speed and certainty of consummating the proposed sale; and (ii) identified the Successful Bid and the Back-Up Bid and the Receiver has advised the Qualified Bidders participating in the Auction of such determination
- g) Finalizing Documentation. Promptly following a Bid of a Qualified Bidder being declared the Successful Bid or the Back-Up Bid, the Qualified Bidder shall execute and deliver such revised and updated definitive transaction agreements as may be required to reflect and evidence the Successful Bid or Back-Up Bid. For greater certainty, every Bid made at Auction is deemed to be a signed and binding bid based on the bidder's original Qualified Bid.

ARTICLE 2 CREDIT FACILITY

2.1 Establishment of Credit Facility

Subject to the terms and conditions of this agreement, the Lenders hereby establish in favour of the Borrower a non-revolving term credit facility (the “**Credit Facility**”) in the amount of \$125,000,000 (as such amount may be reduced pursuant to Section 2.3). The Credit Facility shall be advanced to the Borrower in three tranches as follows, subject to and in accordance with the terms of this agreement:

- (a) the first tranche in the amount of \$25,000,000 (the “**Tranche One Loan**”) shall be advanced to the Borrower upon satisfaction of the conditions set forth in Sections 10.1 and 10.2;
- (b) the second tranche in the amount of \$50,000,000 (the “**Tranche Two Loan**”) shall be advanced to the Borrower upon satisfaction of the conditions set forth in Section 10.3; and
- (c) the third tranche in the amount of \$50,000,000 (the “**Tranche Three Loan**”) shall be advanced to the Borrower upon satisfaction of the conditions set forth in Section 10.3.

2.2 Lenders' Commitments

Subject to the terms and conditions of this agreement, each Lender severally agrees to advance its share of the Loans to the Borrower based on their respective Individual Commitments provided that the aggregate amount of Loans advanced by each Lender shall not at any time exceed the aggregate Individual Commitments of such Lender. The Tranche One Loan shall be made available to the Borrower contemporaneously by all of the Tranche One Lenders. The Tranche Two Loan and Tranche Three Loan shall be made available to the Borrower contemporaneously by all of the Lenders. No Lender shall be responsible for any default by any other Lender in its obligation to provide its required share of any Loan nor shall the Individual Commitment of any Lender be increased as a result of any such default of another Lender in advancing its required share of such Loan. The failure of any Lender to make available to the Borrower its required share of any Loan shall not relieve any other Lender of its obligation hereunder to make available to the Borrower its required share of such Loans.

2.3 Permanent Reduction of Credit Facility

The amount of the Credit Facility will be permanently reduced with respect to each repayment or prepayment made in accordance with Sections 7.1 and 7.2, such reduction to be in an amount equal to the amount of the repayment or prepayment and to be at the time of the repayment or prepayment. Upon any repayment or prepayment, Schedule A shall be deemed to be amended to reduce the aggregate amount of the Individual Commitments by the amount of such repayment or prepayment, with the Individual Commitment of each Lender reduced on a pro rata basis.

2.4 Termination of Credit Facility

The Credit Facility shall terminate upon the earliest to occur of:

- (a) the termination of the Credit Facility in accordance with Section 11.1;
- (b) the date, if any, on which the Secured Obligations have been indefeasibly repaid in full pursuant to Sections 7.1(b), 7.1(c) or 7.2; and

Upon the termination of the Credit Facility, the right of the Borrower to obtain any Loan under the Credit Facility and all of the obligations of the Lenders to advance any Loan under the Credit Facility shall automatically terminate.

ARTICLE 3 GENERAL PROVISIONS RELATING TO CREDITS

3.1 Funding of Loans

Each Tranche One Lender agrees, severally and not jointly and severally, to make available to the Administrative Agent its share of the Tranche One Loan prior to 12:00 p.m. (Toronto time) on the date which is at least one Banking Day prior to the date for the extension of such loan. For the Tranche Two Loan and Tranche Three Loan, each Lender agrees, severally and not jointly and severally, to make available to the Administrative Agent its Individual Commitment of the

principal amount of the Tranche Two Loan and Tranche Three Loan, as applicable, prior to 12:00 p.m. (Toronto time) on the date which is at least five (5) Banking Days prior to the date for the extension of the applicable Loan. The Administrative Agent shall, upon fulfilment by the Borrower of the applicable terms and conditions set forth in Article 10 and as irrevocably authorized and directed in the Drawdown Notice, make the applicable Loan available to the Borrower on the date of the extension of such Loan by crediting the Borrower Account (or causing such account to be credited) provided that the Administrative Agent has received from each applicable Lender, its respective share of the applicable advance.

3.2 Defaulting Lender

If any Defaulting Lender fails to make available to the Administrative Agent any portion of its share of any Loan, the Administrative Agent shall forthwith give notice of such failure by the Defaulting Lender to the Borrower and the other Lenders and such notice shall state that any Lender may make available to the Administrative Agent all or any portion of the Defaulting Lender's share of such Loan, as applicable (but in no way shall any other Lender or the Administrative Agent be obliged to do so), in the place and stead of the Defaulting Lender. If more than one Lender gives notice that it is prepared to make funds available in the place and stead of a Defaulting Lender in such circumstances and the aggregate of the funds which such Lenders (herein collectively called the "**Contributing Lenders**" and individually called the "**Contributing Lender**") are prepared to make available exceeds the amount of the advance which the Defaulting Lender failed to make, then each Contributing Lender shall be deemed to have given notice that it is prepared to make available its Pro Rata Share of such advance based on the Contributing Lenders' relative commitments to advance in such circumstance. If any Contributing Lender makes funds available in the place and stead of a Defaulting Lender in such circumstances, then the Defaulting Lender shall (i) pay to such Contributing Lender, forthwith on demand, (x) any amount advanced to the Borrower on the Defaulting Lender's behalf together with interest thereon at the same rate payable by the Borrower on the funds advanced for each day from the date of advance to the date of payment, against payment by such Contributing Lender making the funds available of all interest received in respect of the Loan from the Borrower, and (y) such Defaulting Lender's Pro Rata Share of the Commitment Fee previously received by it in an amount equal to the amount of the Defaulting Lender's failed commitment for such Loan divided by the Total Commitment Amount (the "**Defaulting Percentage**"), and (ii) transfer to the Contributing Lender, in consideration for payment to the Defaulting Lender of ten dollars (\$10) and no other fee or compensation (and at such Defaulting Lender's sole cost and expense), its Defaulting Percentage of all Warrants previously issued to such Defaulting Lender. In furtherance of the foregoing, each Lender acknowledges and agrees that, until such time as such Lender has funded its respective commitment for the Tranche Two Loan or Tranche Three Loan, as the case may be, such Lender shall not be entitled to sell, assign, transfer or otherwise dispose of (a "**Disposition**") that portion of the Warrants issued to it corresponding to the portion of the Loans not yet funded by such Lender at such time divided by the Total Commitment Amount at such time, and that any such Disposition of such Warrants shall be restricted accordingly. In addition to interest as aforesaid, the Borrower shall pay all amounts which would otherwise have been owing and payable by the Borrower to the Defaulting Lender hereunder (with respect to the amounts advanced by the Contributing Lenders to the Borrower on behalf of the Defaulting Lender) to the Contributing Lenders until such time as the Defaulting Lender pays to the Administrative Agent for the

Contributing Lenders all amounts advanced by the Contributing Lenders on behalf of the Defaulting Lender.

3.3 Time and Place of Payments

Unless otherwise expressly provided herein, the Borrower shall make all payments pursuant to this agreement or pursuant to any document, instrument or agreement delivered pursuant hereto by deposit to the Agent Account before 12:00 p.m. (Toronto time) on the day specified for payment and the Administrative Agent shall be entitled to withdraw the amount of any payment due to the Administrative Agent or the Lenders hereunder from such account on the day specified for payment.

3.4 Remittance of Payments

Forthwith after receipt in the Agent Account by the Administrative Agent of any payment of principal, interest, fees or other amounts for the benefit of the Lenders pursuant to Section 3.3, the Administrative Agent shall, subject to Section 6.2, remit to each Lender, in immediately available funds, such Lender's Pro Rata Share of such payment (except to the extent such payment results from a Loan with respect to which a Defaulting Lender had failed, pursuant to Section 3.2, to make available to the Administrative Agent any portion of its required share of such Loan and where any other Lender has made funds available in the place and stead of such Defaulting Lender).

3.5 Evidence of Indebtedness

The Administrative Agent shall maintain accounts wherein the Administrative Agent shall record the amount of credit outstanding, each payment of principal and interest on account of each Loan. The Administrative Agent's accounts constitute, in the absence of demonstrable error, *prima facie* evidence of the indebtedness of the Borrower pursuant to this agreement.

3.6 Notice Periods

Each Drawdown Notice shall be given to the Administrative Agent prior to 3:00 p.m. (Toronto time) on a date not later than the tenth (10th) Banking Day prior to the date of any drawdown (except for the Drawdown Notice for the Tranche One Loan, which may be given one (1) Banking Day prior to the date of that drawdown). Any Prepayment Notice shall be given to the Administrative Agent prior to 3:00 p.m. (Toronto time) on a date no later than the fifth (5th) Banking Day prior to the date of any voluntary prepayment.

ARTICLE 4 DRAWDOWNS

4.1 Drawdown Notice

Subject to the provisions of this agreement and provided that all of the applicable conditions precedent set forth in Article 10 have been fulfilled by the Borrower or waived by the Lenders as provided in Section 12.13, the Borrower may, from time to time, obtain any Loan hereunder by giving to the Administrative Agent an irrevocable notice in substantially the form of Schedule D (a "**Drawdown Notice**") in accordance with Section 3.6 and specifying:

- (a) the date of the advance of the Loan; and
- (b) the principal amount of the Loan to be advanced.

ARTICLE 5 INTEREST AND FEES

5.1 Interest Rates

The Borrower shall pay to the Lenders, in accordance with Section 3.3, interest on the outstanding principal amount from time to time of each Loan at the Interest Rate.

5.2 Calculation and Payment of Interest

- (a) Interest on the outstanding principal amount from time to time of each Loan shall accrue from day to day from and including the date on which such Loan is advanced to but excluding the date on which such Loan is repaid in full (both before and after maturity and as well after as before judgment) and shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.
- (b) Accrued interest shall be paid quarterly in arrears on the last Banking Day of December, March, June and September in each year (beginning with March 30, 2020), and on the Maturity Date.
- (c) Prior to the date that the Borrower has raised the Additional Equity, payment of accrued interest shall be paid by the Borrower from its own resources; provided however, the Borrower shall be entitled to use proceeds of the Loan strictly for the purposes of paying accrued interest required to be paid by the Borrower on the last Banking Day of March, 2020 and June, 2020. After the date that the Borrower has raised the Additional Equity, and strictly conditional upon the Borrower raising the Additional Equity, the Borrower shall be entitled to use proceeds of the Loan for the purposes of paying accrued interest on the Loans.

5.3 General Interest Rules

- (a) For the purposes of this agreement, whenever interest is calculated on the basis of a year other than 365 or 366 days, each rate of interest determined pursuant to such calculation expressed as an annual rate for the purposes of the *Interest Act* (Canada) is equivalent to such rate as so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 365 or 366 days, respectively.
- (b) Interest on each Loan and on overdue interest thereon shall be payable in the currency in which such Loan is denominated during the relevant period.
- (c) If the Borrower fails to pay any fee or other amount of any nature payable by it to the Administrative Agent or the Lenders hereunder or under any Credit Document or other document, instrument or agreement delivered pursuant hereto as and when due in accordance with the terms of this agreement, the Borrower shall (without

duplication to payments required under Section 10.4 or 11.4) pay to the Administrative Agent or the Lenders, as the case may be, interest on such overdue amount in the same currency as such overdue amount is payable from and including such due date to but excluding the date of actual payment (as well after as before judgment), at the rate per annum, calculated and, to the extent unpaid, compounded monthly, which is equal to the Interest Rate plus an additional 2% per annum. Such interest on overdue amounts shall become due and be paid on the earlier of (i) the date that demand is made by the Administrative Agent and (ii) the last day of each month.

- (d) If any provision of this agreement would oblige the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate which would be prohibited by Applicable Law or would result in a receipt by that Lender of “interest” at a “criminal rate” (as such terms are construed under the *Criminal Code* (Canada)), then, notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by Applicable Law or so result in a receipt by that Lender of “interest” at a “criminal rate”, such adjustment to be effected, to the extent necessary (but only to the extent necessary), as follows:
 - (i) first, by reducing the amount or rate of interest required to be paid to the affected Lender under this Article 5; and
 - (ii) thereafter, by reducing any fees, commissions, costs, expenses, premiums and other amounts required to be paid to the affected Lender which would constitute interest for purposes of section 347 of the *Criminal Code* (Canada).

5.4 Commitment Fee

The Borrower shall pay the Lenders an upfront fee in an aggregate amount equal to 1.00% of the Loans (the “**Commitment Fee**”) on the Closing Date, which Commitment Fee shall be earned and payable to each of the Lenders on the Closing Date on a *pro rata* basis in their respective Pro Rata Shares. In satisfaction of the payment of the Commitment Fee by the Borrower, each Lender may deduct its *pro rata* share of such Commitment Fee from the portion of the Tranche One Loan to be advanced by such Lender to the Borrower.

ARTICLE 6 REPLACEMENT OF LENDERS, INDEMNITY AND TAX PROVISIONS

6.1 Conditions of Credit

The obtaining or maintaining of Loans hereunder shall be subject to the terms and conditions contained in this Article 6.

6.2 Replacement of Lenders

- (a) If any Lender is a Defaulting Lender, or if any Lender is a Non-Consenting Lender, or if the Borrower is required to pay any additional amount to any Lender or any Governing Authority for the account of any Lender pursuant to Section 6.4, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 13.5), all its interests, rights and obligations under this agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (a) if such assignee is not otherwise a Lender, Affiliate of any Lender or any fund managed by a Lender, the Borrower shall have received the prior written consent of the Administrative Agent (acting at the written direction of the Majority Lenders), which consent shall not unreasonably be withheld, (b) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (c) in the case of any such assignment resulting from payments required to be made pursuant to Section 6.4, such assignment will result in a reduction in such compensation or payments. Upon any such assignment, Schedule A shall be deemed to be amended as required to reflect such assignment.
- (b) If the Borrower is required to pay any additional amount to any Lender or any Governing Authority for the account of any Lender pursuant to Section 6.4, then such Lender shall, following a request from the Borrower use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or an Affiliate of such Lender, if, in the judgment of such Lender, acting reasonably, such designation or assignment (a) would eliminate or reduce amounts payable pursuant to Section 6.4 in the future, and (b) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower shall pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

6.3 Indemnity for Transactional Liability

- (a) The Borrower hereby agrees to indemnify and hold the Agents, each other Finance Party and its Affiliates and each of its and their respective shareholders, officers, directors, employees and agents (collectively, the “**Indemnified Parties**”) free and harmless from and against any and all claims, demands, actions, causes of action, suits, losses, costs, charges, liabilities and damages, and expenses in connection therewith (irrespective of whether such Indemnified Party is a party to the action for which indemnification hereunder is sought), and including, without limitation, reasonable and documented legal fees and out of pocket disbursements and amounts paid in settlement thereof (which settlement, other than any settlement made to avoid criminal sanction to any Finance Party, is approved by the Borrower)

(collectively in this Section 6.3(a), the “**Indemnified Liabilities**”), incurred or suffered by, the Indemnified Parties or any of them as a result of, or arising out of, or relating to (i) the making of the Loans contemplated herein, (ii) any actual or threatened investigation, litigation or other proceeding relating to any Loan extended or proposed to be extended as contemplated herein or (iii) the execution, delivery, performance or enforcement of the Credit Documents and any instrument, document or agreement executed pursuant hereto or thereto, except for any such Indemnified Liabilities claimed by an Indemnified Party that a court of competent jurisdiction determines, by way of final and unappealable judgement, arose on account of such Indemnified Party’s gross negligence or willful misconduct.

- (b) All obligations provided for in this Section 6.3 shall survive indefinitely the permanent repayment of the outstanding credit hereunder and the termination of this agreement. The obligations provided for in this Section 6.3 shall not be reduced or impaired by any investigation made by or on behalf of an Agent or any other Finance Party.
- (c) The Borrower hereby agrees that, for the purposes of effectively allocating the risk of loss placed on the Borrower by this Section 6.3, each Agent and each other Finance Party shall be deemed to be acting as the agent or trustee on behalf of and for the benefit of their respective Affiliates and each of its and their shareholders, officers, directors, employees and agents.
- (d) If, for any reason, the obligations of the Borrower pursuant to this Section 6.3, shall be unenforceable, the Borrower agrees to make the maximum contribution to the payment and satisfaction of each obligation that is permissible under Applicable Law.
- (e) The indemnity under this Section 6.3 shall not apply to any matters specifically dealt with in Sections 6.4, 6.5 or 9.1(f).

6.4 Gross-Up for Taxes

- (a) Any and all payments or credits made by or on behalf of the Obligors under this agreement or under any other Credit Document (any such payment being hereinafter referred to as a “**Payment**”) to or for the benefit of the Administrative Agent or any other Finance Party shall be made without set-off or counterclaim, and without deduction or withholding for, or on account of, any and all present or future Taxes except to the extent that such deduction or withholding is required by law or the administrative practice of any Governing Authority. If any such Taxes are so required to be deducted or withheld from or in respect of any Payment made to or for the benefit of the Administrative Agent or any other Finance Party, the Borrower shall:
 - (i) promptly notify the Administrative Agent of such requirement;
 - (ii) if the Tax is an Indemnified Tax, pay to the Administrative Agent or other Finance Party, as the case may be, in addition to the Payment to which the

Administrative Agent or other Finance Party is otherwise entitled, such additional amount as is necessary to ensure that the net amount actually received by the Administrative Agent or other Finance Party (net of the full amount of any Indemnified Taxes required to be deducted or withheld from the Payment and any additional amount paid by the Borrower under this Section 6.4(a), whether assessable against the Borrower, the Administrative Agent or such other Finance Party) equals the full amount the Administrative Agent or other Finance Party, as the case may be, would have received had no such deduction or withholding been required;

- (iii) make such deduction or withholding;
 - (iv) pay to the relevant Governing Authority in accordance with Applicable Law the full amount of Taxes required to be deducted or withheld (including the full amount of Taxes required to be deducted or withheld from any additional amount paid by the Borrower to the Administrative Agent or other Finance Party under this Section 6.4(a)) within the time period required by Applicable Law; and
 - (v) as promptly as possible thereafter, forward to the Administrative Agent or other Finance Party, as the case may be, an original official receipt (or a certified copy), or other documentation reasonably acceptable to the Administrative Agent or other Finance Party, evidencing such payment to such Governing Authority.
- (b) In addition, the Borrower agrees to duly and timely pay any and all present or future Other Taxes to the relevant Governing Authority.
- (c) The Borrower hereby indemnifies and holds harmless the Administrative Agent and each other Finance Party for the full amount of Indemnified Taxes and Other Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 6.4), interest, penalties and other liabilities, levied, imposed or assessed against (and whether or not paid directly by) the Administrative Agent or any other Finance Party, as applicable, and for all expenses arising therefrom or with respect thereto, or resulting from or relating to the Borrower's failure to:
- (i) remit to the Administrative Agent or any other Finance Party the documentation referred to in Section 6.4(a)(v); or
 - (ii) pay any Taxes or Other Taxes when due to the relevant Governing Authority (including, without limitation, any Taxes imposed by any Governing Authority on amounts payable under this Section 6.4).

The provisions of this Section 6.4(c) shall apply whether or not such Taxes were correctly or legally imposed, asserted or assessed. The Administrative Agent or any other Finance Party who pays any Indemnified Taxes or Other Taxes, shall promptly notify the Borrower of such payment, provided, however, that failure to provide such notice shall not detract

from, or compromise, the obligations of the Borrower under this Section 6.4. Payment pursuant to this indemnification shall be made within 30 days from the date the Administrative Agent or any other Finance Party, as the case may be, makes written demand therefor accompanied by a certificate as to the amount of such Indemnified Taxes or Other Taxes and the calculation thereof, which calculation shall be conclusive evidence of such amount absent manifest error.

- (d) If the Borrower determines in good faith that a reasonable basis exists for contesting any Taxes for which a payment has been made under this Section 6.4, the relevant Finance Party, as applicable, shall, if so reasonably requested by the Borrower, reasonably cooperate with the Borrower in challenging such Taxes at the Borrower's expense.
- (e) If any Finance Party determines in its sole discretion exercised in good faith that it has received a refund of, or credit for, Taxes for which a payment has been made by the Borrower under this Section 6.4, which refund or credit is attributable to the Taxes giving rise to such payment made by the Borrower, then such Finance Party shall reimburse the Borrower for such amount (if any, without interest, but not exceeding the amount of any payment made under this Section 6.4 that gives rise to such refund or credit), net of any out-of-pocket expenses (including Taxes) of such Finance Party which such Finance Party determines in its absolute discretion exercised in good faith will leave it, after such reimbursement, in no worse after-Tax position than it would have been in if such Taxes had not been exigible. The Borrower, upon the request of the Administrative Agent or any other Finance Party, agrees to repay the Administrative Agent or other Finance Party, as the case may be, any portion of any such refund or credit paid over to the Borrower that the Administrative Agent or other Finance Party, as the case may be, is required to pay to the relevant Governing Authority and agrees to pay any interest, penalties or other charges paid by the Administrative Agent or other Finance Party, as the case may be, as a result of or related to such payment to such Governing Authority. Neither the Administrative Agent nor any other Finance Party shall be under any obligation to arrange its tax affairs in any particular manner so as to claim any refund or credit. None of the Finance Parties shall be obliged to disclose any information regarding its tax affairs or computations to the Borrower or any other Person in connection with this Section 6.4(e) or any other provision of this Section 6.4.
- (f) Any Finance Party that is entitled to an exemption from or reduction of any Indemnified Taxes or Other Taxes with respect to any payments made under this agreement shall, at the sole cost and expense of the Borrower, deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation as the Borrower or the Administrative Agent may reasonably request to permit such payments to be made without withholding or at a reduced rate of withholding. In addition, each Finance Party, if reasonably requested by the Borrower or the Administrative Agent, shall, at the sole cost and expense of the Borrower, deliver such other documentation reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the

Administrative Agent to determine whether or not such Finance Party is subject to withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation shall not be required if, in the Finance Party's sole discretion, acting reasonably, such completion, execution or submission would subject such Finance Party to any unreimbursed cost or expense or could reasonably be expected to materially prejudice, or be materially burdensome to, the legal or commercial position of such Finance Party.

- (g) The provisions of this Section 6.4 shall survive without limitation the termination of the Credit Facility and this agreement and all other Credit Documents and the permanent repayment of the outstanding credit and all other amounts payable hereunder.

6.5 Environmental Indemnity

Each Obligor shall indemnify and hold harmless the Indemnified Parties forthwith on demand by the Administrative Agent from and against any and all claims, suits, actions, damages, costs, losses, liabilities, penalties, obligations, judgements, charges and expenses (including without limitation, all reasonable and documented legal fees and disbursements on a solicitor and his own client basis) of any nature whatsoever, suffered or incurred by the Indemnified Parties or any of them in connection with the Credit Facility, whether as beneficiaries under the Credit Documents, as successors in interest of the Obligors or any of their Subsidiaries, or voluntary transfer in lieu of foreclosure, or otherwise howsoever, with respect to any Environmental Claims relating to the Assets of the Borrower or any of its Subsidiaries arising under any Environmental Laws as a result of the past, present or future operations of the Borrower or any of its Subsidiaries (or any predecessor in interest to the Borrower or its Subsidiaries), or the past, present or future condition of any part of the Assets of the Borrower or its Subsidiaries owned, operated or leased by the Borrower or its Subsidiaries (or any such predecessor in interest), including any liabilities arising as a result of any indemnity covering Environmental Claims given to any Person by the Lenders or an Agent or a Receiver or similar person appointed hereunder or under Applicable Law, in each case, acting reasonably (collectively, the "**Indemnified Third Party**"); but excluding any Environmental Claims or liabilities relating thereto to the extent that such Environmental Claims or liabilities arise by reason of the gross negligence or wilful misconduct of the Indemnified Party or the Indemnified Third Party claiming indemnity hereunder. In the case of indemnities covering Environmental Claims provided by an Agent or Lender in favour of an Indemnified Third Party, such Agent or Lender shall provide the Borrower with prompt notice of such indemnity; provided that, (i) neither of the Agents nor any Lender shall have any liability whatsoever for any failure to provide notice as aforesaid and (ii) the failure to provide such notice to the Borrower shall not in any manner affect the right of any Agent or any Lender to give notice of any claim under this Section 6.5. In all other cases, the Administrative Agent shall provide the Borrower with prompt notice of any indemnity covering Environmental Claims provided in favour of an Indemnified Third Party upon a Responsible Officer of the Administrative Agent becoming aware of such indemnity. The provisions of this Section shall survive the repayment of the Secured Obligations.

6.6 Benefit of Indemnities

For the purposes of providing the benefit of the indemnities contained in Sections 6.3 and 6.5 in favour of the Indemnified Parties and Indemnified Third Parties which are not a party hereto, the applicable Lender or Agent, as the case may be, shall, in addition to contracting on its own behalf, be deemed to be contracting as agent and trustee for and on behalf of such persons.

Each Obligor has all requisite corporate capacity to enter into, and carry out the transactions contemplated by, each Credit Document to which it is a party.
- (b) **Authorization and Enforcement.** All necessary action, corporate or otherwise, has been taken to authorize the execution, delivery and performance of the Credit Documents by each Obligor which is a party thereto. Each Obligor has duly executed and delivered the Credit Documents to which it is a party. The Credit Documents to which each Obligor is a party are legal, valid and binding obligations of such Obligor, enforceable against such Obligor in accordance with their respective terms, except to the extent that the enforceability thereof may be limited by (i) applicable bankruptcy, insolvency, moratorium, reorganization and other laws of general application limiting the enforcement of creditors' rights generally, (ii) the fact that the courts may deny the granting or enforcement of equitable remedies and (iii) the fact that, pursuant to the *Currency Act* (Canada), no court in Canada may make an order expressed in any currency other than lawful money of Canada.
- (c) **Compliance with Other Instruments.** The execution, delivery and performance by each Obligor of the Credit Documents to which it is a party, and the consummation of the transactions contemplated herein and therein, (i) do not and

- (d) **Financial Statements.** The Financial Statements and the unaudited quarterly consolidated financial statements for the Borrower were prepared in accordance with GAAP and no Material Adverse Change has occurred in the consolidated financial condition or operations of the Borrower since the date of such Financial Statements. No Obligor is a Canada Blocked Person or a Sanctioned Entity. No proceeds of any Loan will be used in any manner that will result in a violation by any Lender of any U.S. sanctions administered by OFAC or the United States Department of State or any Canadian Sanctions Law. Notwithstanding anything in this agreement, nothing in this agreement shall require the Borrower or any of its Subsidiaries that are registered or incorporated under the laws of Canada or of a province thereof, or any officers, directors or employees thereof, to commit an act or omission that contravenes the *Foreign Extraterritorial Measures (United States) Order, 1992*.

11.2 Remedies Cumulative

The Borrower expressly agrees that the rights and remedies of the Agents and the Lenders under this agreement and the other Credit Documents are cumulative and in addition to and not in substitution for any rights or remedies provided by law. Any single or partial exercise by the any Agent or any Lender of any right or remedy for a default or breach of any term, covenant or condition in this agreement and the other Credit Documents does not waive, alter, affect or prejudice any other right or remedy to which such Agent or such Lender may be lawfully entitled for the same default or breach. Any waiver by the Administrative Agent with the approval of the Majority Lenders or all of the Lenders in accordance with Section 12.13 of the strict observance, performance or compliance with any term, covenant or condition of this agreement and the other Credit Documents is not a waiver of any subsequent default and any indulgence by the Lenders with respect to any failure to strictly observe, perform or comply with any term, covenant or condition of this agreement and the other Credit Documents is not a waiver of the entire term, covenant or condition or any subsequent default. No failure or delay by any Agent or any Lender in exercising any right shall operate as a waiver of such right nor shall any single or partial exercise of any power or right preclude its further exercise or the exercise of any other power or right.

11.3 Set-Off

In addition to any rights now or hereafter granted under Applicable Law, and not by way of limitation of any such rights, each Agent and each Lender is authorized, at any time that an Event of Default has occurred and is continuing without notice to the Borrower or to any other Person, any such notice being expressly waived by the Borrower, to set off, appropriate and apply any and all deposits, matured or unmatured, general or special, and any other indebtedness at any time held by or owing by such Agent or such Lender to or for the credit of or the account of the Borrower (but excluding any indebtedness or other amounts owing by the Administrative Agent or such Lender to or for the credit of or the account of the Borrower in connection with the Warrants) against and on account of the obligations and liabilities of the Borrower which are due and payable to such Agent or such Lender, as the case may be, under the Credit Documents.

11.4 Default Interest

Upon the occurrence and during the continuance of any Event of Default, the principal amount of each Loan under the Credit Facility together with all accrued and unpaid interest and other unpaid amounts payable hereunder shall bear interest at the Interest Rate plus an additional 2% per annum, shall be due and paid on the earlier of (i) the date that demand is made by the Administrative Agent and (ii) the last date of each month and, to the extent unpaid, shall be compounded monthly.

ARTICLE 12 THE AGENTS

12.1 Appointment and Authorization of Agents

Each Finance Party hereby appoints and authorizes, and hereby agrees that it will require any assignee of any of its interests in the Credit Documents (other than the holder of a participation in its interests herein or therein) to appoint and authorize each the Agent to take such actions as agent on its behalf and to exercise such powers under the Credit Documents as are delegated to such Agent by such Finance Party by the terms hereof, together with such powers as are reasonably incidental thereto (and no individual Lender shall have any rights to take any such actions or exercise such powers so delegated). Each Agent may perform any of its duties hereunder by or through its agents or employees. Neither Agent shall, nor shall any of its directors, officers, employees or agents, be liable to any of the Finance Parties for any action taken or omitted to be taken by it or them hereunder or thereunder or in connection herewith or therewith, except for its own negligence or wilful misconduct and each Finance Party hereby acknowledges that each Agent is entering into the provisions of this Section 12.1 on its own behalf and as agent and trustee for its directors, officers, employees and agents. The provisions of this Article 12 are solely for the benefit of the Agents, and the Borrower shall not have rights as a third party beneficiary of any of such provisions. It is understood and agreed that the use of the term “agent” as used herein or in any other Credit Document (or any similar term) with reference to each Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any Applicable Law. Instead, such term is used as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties. Neither Agent shall, under any circumstances, be construed to be partner or joint venture of any Lender.

12.2 Interest Holders

Each Agent may treat each Lender set forth in Schedule A or the Person designated in the last notice delivered to it under Section 13.5 as the holder of all of the interests of such Lender under the Credit Documents. Any request, authority or consent of any Lender (i) who, at the time of making such request or giving such authority or consent, is listed as a Lender in Schedule A or designated in the last notice delivered to it under Section 13.5 as the holder of all of the interests of such Lender, and (ii) relating to any matter or circumstance arising prior to the Effective Date (as defined in Schedule C) of such assignment shall, to the extent of the interests of such Lender under the Credit Documents so assigned, be conclusive and binding on any subsequent holder, assignee or transferee of the corresponding rights and interests of such Lender hereunder.

12.3 Consultation with Counsel

Each Agent may consult with legal counsel selected by it as counsel for such Agent and shall not be liable for any action taken or not taken or suffered by it in good faith and in accordance with the advice and opinion of such counsel.

12.4 Documents

Neither Agent shall be under any duty to the Finance Parties to examine, enquire into or pass upon the validity, effectiveness or genuineness of the Credit Documents or any instrument, document or communication furnished pursuant to or in connection with the Credit Documents and each Agent shall, as regards the Finance Parties, be entitled to assume that the same are valid, effective and genuine, have been signed or sent by the proper parties and are what they purport to be.

12.5 Responsibility of the Agents

The duties and obligations of each Agent to the Finance Parties under the Credit Documents are only those expressly set forth herein or as specified in the other Credit Documents. Neither Agent shall have any duty to the Finance Parties to investigate whether a Default or an Event of Default has occurred. Each Agent shall, as regards the Finance Parties, be entitled to assume that no Default or Event of Default has occurred and is continuing unless a Responsible Officer of such Agent has actual knowledge or has been notified by the Borrower of such fact or has been notified by a Finance Party that such Finance Party considers that a Default or Event of Default has occurred and is continuing, such notification to specify in detail the nature thereof. The duties of the Agents shall be mechanical and administrative in nature, and the Agents shall not have, by reason of this Agreement or the other Credit Documents, a fiduciary relationship in respect of any Lender.

12.6 Action by the Agents

Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any note, writing, resolution, notice, statement, certificate, telex, teletype or facsimile message, electronic mail, cablegram, radiogram, order or other documentary teletransmission, telephone message, Internet or intranet website posting or other distribution believed by it to be genuine and correct and to have been signed, sent or made by the proper Person. Each Agent shall be entitled to request written instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Credit Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and each Agent may refrain from acting unless and until it receives those written instructions or that clarification. In the absence of written instructions, each Agent as applicable, may act (or refrain from acting) as it considers to be in the best interests of the Finance Parties. Each Agent shall be entitled to use its discretion with respect to exercising or refraining from exercising any rights which may be vested in it on behalf of the Finance Parties by and under this agreement; provided, however, that neither Agent shall exercise any rights under Section 11.1 or the Security Documents or expressed to be on behalf of or with the approval of the Majority Lenders without the request, consent or instructions of the Majority Lenders. Furthermore, any rights of an Agent expressed to be on behalf of or with the approval of the Majority Lenders shall be exercised by such Agent upon the

written request or instructions of the Majority Lenders. Neither Agent shall incur any liability to the Finance Parties under or in respect of any of the Credit Documents with respect to anything which it may do or refrain from doing in the reasonable exercise of its judgment or which may seem to it to be necessary or desirable in the circumstances, except for its gross negligence or wilful misconduct as finally determined by a court of competent jurisdiction. Each Agent shall in all cases be fully protected in acting or refraining from acting under any of the Credit Documents in accordance with the instructions of the Majority Lenders and any action taken or failure to act pursuant to such instructions shall be binding on all Finance Parties. In respect of any notice by or action taken by either Agent hereunder, the Borrower shall at no time be obliged to enquire as to the right or authority of such Agent to so notify or act.

12.7 Notice of Events of Default

In the event that the Responsible Officer of an Agent shall acquire actual knowledge or shall have been notified of any Default or Event of Default, such Agent shall promptly notify the other Finance Parties and the Agents shall take such action and assert such rights under Section 11.1 and under the other Credit Documents as the Majority Lenders shall request in writing and the Agents shall not be subject to any liability by reason of acting pursuant to any such request. If the Majority Lenders shall fail for five Banking Days after receipt of the notice of any Default or Event of Default to request the Agents to take such action or to assert such rights under any of the Credit Documents in respect of such Default or Event of Default, each Agent may, but shall not be required to, take such action or assert such rights (other than rights under Section 11.1 or under the other Credit Documents and other than giving an express waiver of any Default or any Event of Default) as it deems in its discretion to be advisable for the protection of the Finance Parties except that, if the Majority Lenders have instructed an Agent not to take such action or assert such rights, in no event shall such Agent act contrary to such instructions unless required by law to do so.

12.8 Responsibility Disclaimed

No Agent shall be under any liability or responsibility whatsoever as agent hereunder or under any of the Credit Documents:

- (a) to any Obligor or any other Person as a consequence of any failure or delay in the performance by, or any breach by, any Finance Party or Finance Parties of any of its or their obligations under any of the Credit Documents;
- (b) to any Lender or Lenders as a consequence of any failure or delay in performance by, or any breach by, any Obligor of any of its obligations under any of the Credit Documents;
- (c) as agent hereunder to any Lender or Lenders for any statements, representations or warranties in any of the Credit Documents or in any other documents contemplated hereby or thereby or in any other information provided pursuant to any of the Credit Documents or any other documents contemplated hereby or thereby or for the validity, effectiveness, enforceability or sufficiency of any of the Credit Documents or any other document contemplated hereby or thereby;

- (d) for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services;
- (e) to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion under the Credit Documents. Each Agent may refuse to perform any duty or exercise any right or power unless it receives assurances, indemnity and/or security satisfactory to it against the costs, expenses and liabilities which might be incurred by it in performing such duty or exercising such right or power;
- (f) for any unsuitability, inadequacy, expiration or unfitness of any security interest created hereunder or pursuant to any other security documents pertaining to this matter nor shall it be obligated to make any investigation into, and shall be entitled to assume, the adequacy and fitness of any security interest created hereunder or pursuant to any other security document pertaining to this matter;
- (g) for any error of judgment, or for any act done or step taken or omitted by it in good faith or for any mistake in act or law, or for anything which it may, in good faith, do or refrain from doing in connection herewith, in each case except for its own gross negligence or willful misconduct;
- (h) for any indirect, special, punitive or consequential loss or damage of any kind whatsoever, including, but not limited to, lost profits, even if such loss or damage was foreseeable or it has been advised of the likelihood of such loss or damage and regardless of the form of action;
- (i) except with respect to its own gross negligence or willful misconduct, to any Finance Party for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the priority of any lien or security interest created or purported to be created under or in connection with, any security document or any other instrument or document furnished pursuant thereto;
- (j) for any liability with respect to monitoring compliance of any other party to the Credit Documents or any other document related hereto or thereto. Neither Agent has any duty to monitor the value or rating of any collateral on an ongoing basis; or
- (k) to segregate any money held by such Agent in trust hereunder or under any Credit Document from other funds except to the extent required by Applicable Law. Such Agent shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing.

12.9 Indemnification

The Lenders agree to indemnify each Agent (to the extent not reimbursed by the Borrower) on a several basis only and in their respective Pro Rata Shares from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any nature whatsoever which may be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of any of the Credit Documents or any other document contemplated hereby or thereby or any action taken or omitted by such Agent under any of the Credit Documents or any document contemplated hereby or thereby, except that no Finance Party shall be liable to either Agent for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence (it being acknowledged that ordinary negligence does not necessarily constitute gross negligence) or wilful misconduct of such Agent as finally determined by a court of competent jurisdiction.

12.10 Credit Decision

Each Lender represents and warrants to the Administrative Agent that:

- (a) in making its decision to enter into this agreement and to make its Pro Rata Share of the Credit Facility available to the Borrower, it is independently taking whatever steps it considers necessary to evaluate the financial condition and affairs of the Obligors and that it has made an independent credit judgment without reliance upon any information furnished by the Administrative Agent; and
- (b) so long as any portion of the Credit Facility is being utilized by the Borrower, it will continue to make its own independent evaluation of the financial condition and affairs of the Obligors.

12.11 Successor Agent

Subject to the appointment and acceptance of a successor Agent, as provided below, each Agent may resign at any time by giving 30 days written notice thereof to the Borrower and the Finance Parties. Upon any such resignation, the Majority Lenders, with the prior written consent of the Borrower (which consent shall not be required (x) if the successor Agent is an Affiliate or Subsidiary of the retiring Agent on the date hereof or (y) for so long as an Event of Default has occurred and is continuing), shall have the right to appoint a successor Agent who shall be one of the Lenders unless none of the Lenders wishes to accept such appointment. If no successor Agent shall have been so appointed and shall have accepted such appointment by the time of such resignation, then the retiring Agent may, on behalf of the Finance Parties and with the prior written consent of the Borrower (which consent shall not be required for so long as an Event of Default has occurred and is continuing), petition a court of competent jurisdiction to appoint a successor Agent which shall be a recognized custodian or collateral agent or trustee organized under the laws of Canada or the United States of America which has combined capital and reserves in excess of Cdn. \$50,000,000. Upon the acceptance of any appointment as Agent hereunder by a successor Agent, such successor Agent shall thereupon succeed to and become vested with all the rights, powers, privileges, duties and obligations of the retiring Agent (in its capacity as such Agent but not in its capacity as a Finance Party) and the retiring Agent shall be discharged from its duties

and obligations hereunder (in its capacity as such Agent but not in its capacity as a Finance Party). After any retiring Agent's resignation hereunder, provisions of this Article 12 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as Agent.

12.12 Delegation by an Agent

Each Agent shall have the right to delegate any of its duties or obligations hereunder or under any of the Credit Documents to any of its Affiliates upon terms and conditions and subject to regulations as such Agent may think to be in the interests of the Finance Parties as a whole, and may, but is not required to, employ any agents or other assistants (including, counsel, accountants, appraisers, other experts, agencies and advisors) as it may reasonably require for the proper determination and discharge of its duties hereunder, so long as, in each case, such Agent shall not thereby be relieved of such duties or obligations and provided that such Agent will not be responsible for any negligence or misconduct on the part of any delegates, agents or other assistants or for any liability incurred by any Person as a result of not appointing such delegates, agents or other assistants if such Agent has acted honestly and in good faith and exercised that degree of care, diligence and skill that a reasonably prudent administrative or collateral agent would exercise in comparable circumstances.

12.13 Waivers and Amendments

- (a) Subject to Sections 12.13(b) and (c), any term, covenant or condition of any of the Credit Documents may only be amended with the prior consent of the Borrower and the Majority Lenders or compliance therewith may be waived (either generally or in a particular instance and either retroactively or prospectively) by the Majority Lenders and in any such event the failure to observe, perform or discharge any such covenant, condition or obligation, so amended or waived (whether such amendment is executed or such consent or waiver is given before or after such failure), shall not be construed as a breach of such covenant, condition or obligation or as a Default or Event of Default.
- (b) Notwithstanding Section 12.13(a), without the prior written consent of each Lender, no such amendment or waiver shall directly:
 - (i) increase either the Total Commitment Amount or the Individual Commitment of any Lender under the Credit Facility or extend the Maturity Date;
 - (ii) extend the time for the payment of interest or principal on Loans owing to any Lender, forgive any portion of principal thereof or reduce the stated rate of interest thereon;
 - (iii) amend the requirement of *pro rata* application of all amounts received by the Administrative Agent in respect of the Credit Facility;
 - (iv) change the percentage of the Lenders' requirement to constitute the Majority Lenders or otherwise amend the definition of Majority Lenders,

Finance Parties, Exposure, Secured Obligations, Secured Obligations Termination Date or any definition forming part thereof;

- (v) reduce the stated amount or postpone the date for payment of any fees or other amount to be paid to any Lender pursuant to Article 5;
 - (vi) permit any subordination of the Secured Obligations;
 - (vii) release or discharge (or amend in a manner which would have that effect) the Security Documents, in whole or in part (other than a release or discharge of Security pursuant to Section 12.24); or
 - (viii) alter the terms of this Section 12.13, Section 12.15 or Section 12.16.
- (c) No amendment to or waiver of any provision hereof to the extent it affects the rights or obligations of an Agent shall be effective without its prior written consent.
- (d) Notwithstanding any other provision hereof, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that (i) the Individual Commitment of such Defaulting Lender under the Credit Facility may not be increased or extended, (ii) the principal amount of any Loan extended by such Defaulting Lender may not be decreased, (iii) any interest or fees payable to such Defaulting Lender may not be reduced and, (iv) the payment of any principal, interest or fees owing to such Defaulting Lender may not be postponed, in each case without the consent of such Defaulting Lender.

12.14 Determination by an Agent Conclusive and Binding

Any determination to be made by an Agent on behalf of or with the approval of the Lenders or the Majority Lenders under this agreement or any other Credit Document shall be made by such Agent in good faith and, if so made, shall be binding on all parties, absent manifest error.

12.15 Adjustments among Lenders after Acceleration

- (a) The Lenders agree that, at any time after all indebtedness of the Borrower to the Lenders pursuant hereto has become immediately due and payable pursuant to Section 11.1 or after the cancellation or termination of the Credit Facility, they will at any time or from time to time upon the request of any Lender through the Administrative Agent purchase portions of the availments made available by the other Lenders which remain outstanding, and make any other adjustments which may be necessary or appropriate, in order that the amounts of the availments made available by the respective Lenders which remain outstanding, as adjusted pursuant to this Section 12.15, will be in the same proportions as their respective Pro Rata Shares thereof with respect to the Credit Facility immediately prior to such acceleration, cancellation or termination.
- (b) The Lenders agree that, at any time after all indebtedness of the Borrower to the Lenders pursuant hereto has become immediately due and payable pursuant to Section 11.1 or after the cancellation or termination of the Credit Facility, the

amount of any repayment made by the Borrower under this agreement, and the amount of any Proceeds of Realization, which are to be applied against amounts owing hereunder as principal, will be so applied in a manner such that to the extent possible, the availments made available by the respective Lenders which remain outstanding, after giving effect to such application, will be in the same proportions as their respective Pro Rata Shares thereof with respect to the Credit Facility immediately prior to such acceleration, cancellation or termination.

- (c) For greater certainty, the Lenders acknowledge and agree that without limiting the generality of the provisions of Section 12.15(a) and (b), such provisions will have application if and whenever any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, compensation, or otherwise) on account of any monies owing or payable by the Borrower to it under the Credit Documents in excess of its Pro Rata Share of payments on account of monies owing by the Borrower to all the Lenders thereunder.
- (d) The Borrower agrees to be bound by and to do all things necessary or appropriate to give effect to any and all purchases and other adjustments made by and between the Lenders pursuant to this Section 12.15, provided that Borrower shall have no additional financial obligations in connection therewith.

12.16 Redistribution of Payment

If a Lender shall receive payment of a portion of the aggregate amount of principal and interest due to it hereunder which is greater than the proportion received by any other Lender in respect of the aggregate amount of principal and interest due in respect of the Credit Facility (having regard to the respective Individual Commitments of the Lenders for the Credit Facility), the Lender receiving such proportionately greater payment shall purchase a participation (which shall be deemed to have been done simultaneously with receipt of such payment) in that portion of the aggregate outstanding credit of the other Lender or Lenders so that the respective receipts shall be *pro rata* to their respective participation in the credits; provided, however, that if all or part of such proportionately greater payment received by such purchasing Lender shall be recovered from the Borrower, such purchase shall be rescinded and the purchase price paid for such participation shall be returned by such selling Lender or Lenders to the extent of such recovery, but without interest.

12.17 Distribution of Notices

Except as otherwise expressly provided herein, promptly after receipt by an Agent of any notice or other document which is delivered to the such hereunder on behalf of the Majority Lenders, such Agent shall provide a copy of such notice or other document to each of the Finance Parties.

12.18 Decision to Enforce Security

Upon the Security becoming enforceable in accordance with its terms, the Collateral Agent shall promptly so notify each of the Finance Parties. Any Lender may thereafter provide the Collateral Agent with a written request to enforce the Security. Forthwith after the receipt of such a request, the Collateral Agent shall seek the instructions of the Majority Lenders as to whether the Security should be enforced and the manner in which the Security should be enforced. In seeking such

instructions, the Collateral Agent shall submit a specific proposal to the Finance Parties. The Collateral Agent shall promptly notify the Finance Parties of all instructions and approvals of the Majority Lenders.

12.19 Enforcement

The Collateral Agent reserves the sole right to enforce, or otherwise deal with, the Security and to deal with the Obligors in connection therewith; provided, however, that the Collateral Agent shall so enforce, or otherwise deal with, the Security as the Majority Lenders shall instruct.

12.20 Determination of Exposures

Concurrent with any request for any approval or instructions of the Majority Lenders and prior to any distribution of Proceeds of Realization to any of the Finance Parties, the Administrative Agent shall request each of the Finance Parties to provide to the Administrative Agent a written calculation of such Finance Party's Exposure as at the applicable date, each such calculation to be certified true and correct by the Finance Party providing same. Such calculation shall be in such detail as may be reasonably requested by the Administrative Agent. Each of the Finance Parties shall so provide such calculation within two Banking Days following the request of the Administrative Agent. Any such calculation provided by a particular Finance Party shall, absent manifest error, constitute *prima facie* evidence of such Finance Party's Exposure at such time. With respect to each determination of the Exposure of the Finance Parties, the Administrative Agent shall promptly notify the Finance Parties. The Exposure of a Lender under any Credit Documents shall be the aggregate amount owing to such Lender thereunder on the applicable date.

12.21 Application of Cash Proceeds

- (a) All Proceeds of Realization which are not Cash Proceeds shall be forthwith delivered to the Administrative Agent and disposed of, or realized upon, by the Administrative Agent in such manner as the Majority Lenders may approve so as to produce Cash Proceeds.
- (b) Subject to the claims, if any, of secured creditors of the Borrower (except the claims of any Finance Party) whose security ranks in priority to the Security, all Cash Proceeds shall be applied and distributed, and the claims of the Finance Parties shall be deemed to have the relative priorities which would result in the Cash Proceeds being applied and distributed, as follows:
 - (i) first, to the payment of all reasonable and documented costs and expenses incurred by each Agent (including, without limitation, all reasonable and documented legal fees and disbursements) in the exercise of all or any of the powers granted to it hereunder or under the other Credit Documents and in payment of all of the remuneration of any Receiver and all reasonable and documented costs and expenses properly incurred by such Receiver (including, without limitation, all reasonable and documented legal fees and disbursements) in the exercise of all or any powers granted to it under the Security Documents;

- (ii) second, in payment of all amounts of money borrowed or advanced by the Collateral Agent or any Receiver pursuant to the Security Documents and any interest thereon;
- (iii) third, to the payment of the Secured Obligations of the Borrower to the Finance Parties *pro rata* in accordance with their relative Exposures; and
- (iv) finally, the balance, if any, to the Borrower or otherwise in accordance with Applicable Law.

12.22 Entering into Contracts

Each Agent may enter into any Credit Document other than this agreement and any amendment or waiver of this agreement as agent for and on behalf of the Finance Parties.

12.23 Other Security Not Permitted

None of the Finance Parties shall be entitled to enjoy any Encumbrance with respect to any of the Secured Assets to secure the Secured Obligations other than the Security.

12.24 Discharge of Security

- (a) To the extent a sale or other disposition of the Secured Assets is permitted pursuant to the provisions hereof, the Lenders hereby authorize the Collateral Agent, at the cost and expense of the Borrower, to execute such discharges and other instruments which are necessary for the purposes of releasing and discharging the Security therein or for the purposes of recording the provisions or effect thereof in any office where any Security Document may be registered or recorded or for the purpose of more fully and effectively carrying out the provisions of this Section 12.24.
- (b) On the Secured Obligations Termination Date, the Lenders hereby authorize the Collateral Agent (or, in the Collateral Agent's reasonable discretion, the Borrower or its counsel), at the expense and request of the Borrower, to execute such agreements and other instruments as may be necessary to release and discharge the Security or record the effects of such release or discharge in any office where the Security Documents may be registered or recorded.

12.25 Survival

The provisions of this Article 12 and all other provisions of this agreement which are necessary to give effect to each of the provisions of this Article 12 shall survive the permanent repayment in full of the Credit Facility and the termination of all of the commitments of the Lenders in connection therewith until the Secured Obligations Termination Date.

ARTICLE 13 MISCELLANEOUS

13.1 Notices

All notices and other communications provided for herein shall be in writing and shall be (a) personally delivered to an officer or other responsible employee of the addressee; or (b) sent by electronic communication (including email and Internet or intranet websites), at or to the applicable addresses or email addresses, as the case may be, to the extent set out opposite the parties name on the signature page hereof or at or to such address or addresses or email address or addresses as any party hereto may from time to time designate to the Borrower and Administrative Agent.

Any notice or other communication which is personally delivered as aforesaid shall be deemed to have been validly and effectively given on the date of such delivery if such date is a Banking Day and such delivery was received before 5:00 p.m. (Toronto time); otherwise, it shall be deemed to have been validly and effectively given on the Banking Day next following such date of delivery. Any notice or communication which is sent by electronic communication shall be deemed to have been validly and effectively given on the date of transmission if such date is a Banking Day and such transmission was received before 5:00 p.m. (Toronto Time); otherwise, it shall be deemed to have been validly and effectively given on the Banking Day next following such date of transmission.

Any notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its email address as described in the foregoing paragraph of notification that such notice or communication is available and identifying the website address therefor.

13.2 Severability

Any provision of this agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof.

13.3 Counterparts

This agreement may be executed and delivered in one or more original or electronic mail transmission in PDF format counterparts, each of which shall be deemed to be an original and all of which taken together shall be deemed to constitute one and the same instrument.

13.4 Successors and Assigns

This agreement shall enure to the benefit of and shall be binding upon the parties hereto and their respective successors and permitted assigns.

13.5 Assignment

- (a) Neither the Credit Documents nor the benefit thereof may, without the consent of each Lender, be assigned by the Borrower.

- (b) Notwithstanding any provision in any Credit Document or in the Warrants, no Lender shall be entitled to sell, transfer, assign, grant a participation in, or otherwise dispose of, all or any portion of its rights and obligations under the Credit Documents or in any Warrants issued or to be issued to such Lender, in each case until such time as such Lender has advanced the full amount of its Individual Commitment.
- (c) Subject to Section 13.5(b), with the prior written consent of (i) the Borrower (provided that such consent is not required in circumstances where an Event of Default has occurred and is continuing) and (ii) the Administrative Agent, a Lender may at any time sell all or any part of its rights and obligations under the Credit Documents to one or more Persons (“**Purchasing Lenders**”), provided that such consent of the Borrower is not required if such sale is to one or more other Lenders, to an Affiliate of any Lender or to any fund managed by such Lender, and such assignment would not impose at the time of the assignment on the Borrower any indemnity contained in this agreement. Upon such sale, the Lender shall, to the extent of such sale, be released from its obligations under the Credit Documents arising thereafter and each of the Purchasing Lenders shall become a party to the Credit Documents to the extent of the interest so purchased; provided, however, no Lender that is a Defaulting Lender shall be released from any obligation in respect of damages arising in connection with it being or becoming a Defaulting Lender. Any such assignment by a Lender shall not be effective unless and until such Lender and the Purchasing Lender has executed an instrument substantially in the form of Schedule C whereby the Purchasing Lender has agreed to be bound by the terms of the Credit Documents as a Lender and has agreed to a specific Individual Commitment with respect to the Credit Facility and a specific address and email address for the purpose of notices as provided in Section 13.1, unless and until the requisite consents to such assignment have been obtained and unless and until a copy of a fully executed copy of such instrument has been delivered to the Administrative Agent and the Borrower. Upon any such assignment becoming effective, Schedule A shall be deemed to be amended to include the Purchasing Lender as a Lender with the specific Individual Commitment with respect to the Credit Facility, address and email address as aforesaid and the Individual Commitment of the Lender with respect to the Credit Facility making such assignment shall be deemed to be reduced by the amount of the Individual Commitments of the Purchasing Lender with respect to the Credit Facility.
- (d) The Borrower authorizes the Administrative Agent and the Lenders to disclose to any Purchasing Lender and any prospective Purchasing Lender and authorizes each of the Lenders to disclose to any other Lender any and all financial information in their possession concerning the Obligors and their Subsidiaries which has been delivered to them by or on behalf of the Borrower pursuant to this agreement or which has been delivered to them by or on behalf of the Borrower in connection with their credit evaluation of the Obligors and their Subsidiaries prior to becoming a party to this agreement, so long as any such Purchasing Lender (other than an Affiliate of the assigning Lender or a fund managed by such assigning Lender), in the case of any assignment by a Lender that is subject to a confidentiality agreement

with the Borrower at such time, agrees in writing pursuant to a confidentiality agreement on terms approved by the Borrower not to disclose any confidential, non-public information to any Person other than, on a need to know basis, to its non-brokerage affiliates, employees, accountants or legal counsel on a confidential basis, unless required by Applicable Law.

- (e) In connection with all assignments, payment of a registration and processing fee of \$3,500 shall be made by the assigning Lender to the Administrative Agent (which fee may be waived or reduced in the sole discretion of Administrative Agent). No such registration and processing fee shall be payable in the case of an assignee which is already a Lender.

13.6 Entire Agreement

This agreement and the agreements referred to herein and delivered pursuant hereto constitute the entire agreement between the parties hereto and supersede any prior agreements, undertakings, declarations, representations and understandings, both written and verbal, in respect of the subject matter hereof.

13.7 Further Assurances

The Borrower shall, from time to time and at all times hereafter, upon every reasonable request of an Agent, make, do, execute, and deliver, or cause to be made, done, executed and delivered, all such further acts, deeds, assurances and things as may be necessary in the opinion of such Agent, acting reasonably, for more effectually implementing and carrying out the true intent and meaning of the Credit Documents or any agreement delivered pursuant hereto and thereto.

13.8 Judgment Currency

- (a) If, for the purpose of obtaining or enforcing judgment against the Borrower in any court in any jurisdiction, it becomes necessary to convert into a particular currency (such currency being hereinafter in this Section 13.8 referred to as the “**Judgment Currency**”) an amount due in another currency (such other currency being hereinafter in this Section 13.8 referred to as the “**Indebtedness Currency**”) under this agreement, the conversion shall be made at the rate of exchange prevailing on the Banking Day immediately preceding:
 - (i) the date of actual payment of the amount due, in the case of any proceeding in the courts of the Province of Ontario or in the courts of any other jurisdiction that will give effect to such conversion being made on such date; or
 - (ii) the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the date as of which such conversion is made pursuant to this Section 13.8(a)(ii) being hereinafter in this Section 13.8 referred to as the “**Judgment Conversion Date**”).
- (b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 13.8(a)(ii), there is a change in the rate of exchange prevailing between the

Judgment Conversion Date and the date of actual payment of the amount due, the Borrower shall pay to the appropriate judgment creditor or creditors such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Indebtedness Currency which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date.

- (c) Any amount due from the Borrower under the provisions of Section 13.8(b) shall be due to the appropriate judgment creditor or creditors as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of this agreement.
- (d) The term “rate of exchange” in this Section 13.8 means the 4:30 p.m. rate of exchange for Canadian interbank transactions applied in converting the Indebtedness Currency into the Judgment Currency published by the Bank of Canada for the day prior to the day in question.

13.9 Anti-Money Laundering Legislation

- (a) The Borrower acknowledges that, pursuant to the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* (Canada) and other applicable anti-money laundering, anti-terrorist financing, government sanction and “know your client” applicable laws, whether within Canada or elsewhere (collectively, including any guidelines or orders thereunder, “**AML Legislation**”), the Lenders and the Agents may be required to obtain, verify and record information regarding the Borrower and its Subsidiaries and their directors, authorized signing officers, direct or indirect shareholders or unitholders or other Persons in control of the Borrower and/or any such Subsidiary, and the transactions contemplated hereby. The Borrower shall promptly.
 - (i) provide all such information, including supporting documentation and other evidence, as may be reasonably requested by any Lender or an Agent, or any prospective assignee of a Lender or Agent, in order to comply with any applicable AML Legislation, whether now or hereafter in existence; and
 - (ii) if requested from time to time, notify the recipient of any such information of any changes thereto.
- (b) If, upon the written request of any Lender, the Administrative Agent has ascertained the identity of the Borrower or any of its Subsidiaries or any authorized signatories of the Borrower or any of its Subsidiaries for the purposes of applicable AML Legislation on such Lender’s behalf, then the Administrative Agent:
 - (i) shall be deemed to have done so as an agent for such Lender, and this agreement shall constitute a “written agreement” in such regard between

such Lender and the Administrative Agent within the meaning of applicable AML Legislation; and

- (ii) shall provide to such Lender copies of all information obtained in such regard without any representation or warranty as to its accuracy or completeness.

Notwithstanding the foregoing, each of the Lenders agrees that the Administrative Agent has no obligation to ascertain the identity of the Borrower or any of its Subsidiaries or any authorized signatories of the Borrower or any of its Subsidiaries, on behalf of any Lender, or to confirm the completeness or accuracy of any information it obtains from the Borrower or any of its Subsidiaries or any such authorized signatory in doing so.

13.10 No Fiduciary Duty

Each Lender and its Affiliates (collectively, solely for purposes of this Section 13.10, the “**Lending Parties**”), may have economic interests that conflict with those of the Borrower, its shareholders and/or their Affiliates. The Borrower acknowledges and agrees that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) (the “**Credit Document Transactions**”) are arm’s-length commercial transactions between the Lenders, on the one hand, and the Borrower, on the other, and (ii) in connection with the Credit Document Transactions and with the process leading thereto, (x) no Lending Party has assumed an advisory or fiduciary responsibility in favour of the Borrower, its shareholders or its Affiliates with respect to the Credit Document Transactions or the process leading thereto (irrespective of whether any Lending Party has advised, is currently advising or will advise the Borrower, its shareholders or its Affiliates on other matters) or any other obligation to the Borrower except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of the Borrower, its management, shareholders, creditors or any other Person in respect of the Credit Document Transactions except as otherwise expressly set forth in the Credit Documents. The Borrower acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to the Credit Document Transactions and the process leading thereto. The Borrower agrees that it will not claim that any Lending Party has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to the Borrower, in connection with the Credit Document Transactions or the process leading thereto except as otherwise expressly set forth in the Credit Documents.

13.11 Treatment of Certain Information: Confidentiality

- (a) Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that each of the Agents and the Lenders may disclose the Information (i) to its Affiliates and its Affiliates’ respective directors, officers, employees, agents, advisors and representatives in connection with the administration of this agreement and the preservation, exercise, or enforcement of the rights of the Lenders under this agreement (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (ii) to the extent

requested by any Governing Authority purporting to have jurisdiction over it and legally entitled to compel production of such Information (provided that, unless specifically prohibited by Applicable Laws, court order or similar legal process, each Agent and each Lender shall use reasonable efforts to notify the Borrower of any request by any Governmental Authority or representative thereof (other than any such request in connection with an examination of an Agent or a Lender by such Governmental Authority) for disclosure of any such Information prior to disclosure of such Information), (iii) to the extent required by Applicable Laws or by any court order or similar legal process (provided that, unless specifically prohibited by Applicable Laws, court order or similar legal process, each Agent and each Lender shall use reasonable efforts to notify the Borrower of any request by any Governmental Authority or representative thereof (other than any such request in connection with an examination of an Agent or a Lender by such Governmental Authority) for disclosure of any such Information prior to disclosure of such Information), (iv), in connection with the exercise of any remedies hereunder or under any other Credit Document or any action or proceeding relating to this agreement or any other Credit Document or the enforcement of rights hereunder or thereunder, (v) subject to an agreement containing provisions substantially the same as those of this Section 13.11, to any permitted assignee of, or any prospective permitted assignee of, any of its rights or obligations under this agreement, (vi) with the consent of the Borrower, (vii) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section 13.11 or (y) becomes available to an Agent or any Lender on a non-confidential basis from a source other than an Obligor. Notwithstanding the provisions of Section 13.11(a)(ii) and (iii), neither of the Agents nor any Lenders shall have any liability whatsoever for any failure to provide notice as referred to therein.

- (b) For purposes of this Section 13.11, "Information" means all information received in connection with this agreement and/or any Obligor or its Subsidiaries or their respective businesses from any Obligor, other than any such information that (i) is available to an Agent or any Lender on a non-confidential basis prior to such receipt or (ii) has become publicly available other than as a result of a breach of this Section 13.11.
- (c) In addition and for greater certainty, any Lenders named therein shall have the right to approve any press releases or presentations prepared by any Obligor in connection with the Credit Facility.
