SECTION 101 OF THE COURTS OF JUSTICE ACT, R.S.O. 1990, C. C.43, AS AMENDED**

**FOURTH REPORT OF
KSV RESTRUCTURING INC.
AS RECEIVER AND MANAGER**

AUGUST 7, 2025

1.0 Introduction

1. Pursuant to an order of the Ontario Superior Court of Justice (the "**Court**") made on October 21, 2024 (the "**Receivership Order**"), KSV Restructuring Inc. ("**KSV**") was appointed receiver and manager (the "**Receiver**") without security, of the real properties listed in Appendix "A" of the Receivership Order (the "**Barakaa Properties**") owned by Barakaa Developer Inc. ("**Barakaa**"), the real properties listed in Appendix "B" of the Receivership Order (the "**Lerrato Properties**") owned by Lerrato Inc. ("**Lerrato**"), and the property, assets and undertaking owned by 2145499 Ontario Inc. ("**214**", and together with the Barakaa Properties and the Lerrato Properties, (the "**Receivership Assets**"). A copy of the Receivership Order is attached as **Appendix "A"**.
2. The application to appoint KSV as Receiver was made by Foremost Mortgage Holding Corporation ("**Foremost**"), a secured creditor of Barakaa, Lerrato and 214 (collectively, the "**Debtors**"). Foremost has mortgages on each of the Receivership Assets registered prior to all other mortgages registered on title to the Receivership Assets.

3. Foremost has funded these proceedings pursuant to the Receiver's Borrowing Charge, as defined in the Receivership Order. In addition to its outstanding mortgages discussed below, Foremost is presently owed approximately \$619,000 under the Receiver's Borrowing Charge. The Receiver's Borrowing Charge ranks senior to all other security interests registered against the Receivership Assets, except for the Receiver's Charge, in respect of the Receiver's fees and expenses, including costs of its legal counsel.¹
4. Pursuant to an order of the Court made on March 24, 2025, the Receiver completed the sale of a home built by Barakaa located at 25 Madison Avenue, Richmond Hill ("**25 Madison**").
5. Following a motion heard on June 13, 2025, the Receiver completed sales of the following three homes built by Lerrato (the "**Completed Porte Sales**"):
 - a) a sale pursuant to an Approval and Vesting Order (the "**371 Porte AVO**") between the Receiver, as vendor, and Sara Qadeer and Talha Azim Butt, as purchasers (the "**371 Porte Purchasers**"), vesting the 371 Porte Purchased Assets (as defined in the 371 Porte AVO) in the 371 Porte Purchasers free and clear of any and all liens, charges, security interests, encumbrances (with the exception of the Permitted Encumbrances);
 - b) a sale pursuant to an Approval and Vesting Order (the "**373 Porte AVO**") between the Receiver, as vendor, and Zeba Qadeer and Raja Abdul Qadeer, as purchasers (the "**373 Porte Purchasers**"), vesting the 373 Porte Purchased Assets (as defined in the 373 Porte AVO) in the 373 Porte Purchasers free and clear of any and all liens, charges, security interests, encumbrances (with the exception of the Permitted Encumbrances);
 - c) a sale pursuant to an Approval and Vesting Order (the "**375 Porte AVO**") between the Receiver, as vendor, and Umair Qadeer, as purchaser (the "**375 Porte Purchaser**"), vesting the 375 Porte Purchased Assets (as defined in the 375 Porte AVO) in the 375 Porte Purchaser free and clear of any and all liens, charges, security interests, encumbrances (with the exception of the Permitted Encumbrances); and
 - d) an Ancillary Order, among other things:
 - i. authorizing the Receiver to make one or more distributions to Foremost from the proceeds of the Completed Porte Sales, net of amounts the Receiver determines, in consultation with Foremost, shall be held back to fund the costs of these proceedings; and
 - ii. approving the Receiver's Third Report to Court dated May 30, 2025 (the "**Third Report**") and the Receiver's activities described therein.
6. Each of the Completed Porte Sales closed within a few days of the issuance of the AVOs referenced above.

¹ To the extent applicable, the Receiver will allocate amounts borrowed under the Receiver's Borrowing Charge, when and if recoveries are available to do so.

7. The real properties that remain subject to the Receivership Order are:
 - a) 23 Madison Avenue, Richmond Hill ("**23 Madison**");
 - b) 369 Porte Road, Ajax ("**369 Porte**") and 377 Porte Road, Ajax ("**377 Porte**", and with 369 Porte, the "**Remaining Porte Properties**"); and
 - c) the condominium development owned by 214.
8. This report (the "**Fourth Report**") deals with 23 Madison and the Remaining Porte Properties (collectively, the "**Remaining Residential Properties**") and is filed by KSV in its capacity as Receiver.

1.1 Purposes of this Fourth Report

1. The purposes of this Fourth Report are to:
 - a) provide background information about these proceedings;
 - b) recommend that the Court issue an Order or Orders (the "**Disclaimer Order**"), among other things:
 - i. authorizing and approving the disclaimer by the Receiver of the agreements of purchase and sale dated August 12, 2022 and May 23, 2024 (together, the "**369 Porte APS**")² between Lerrato, as vendor, and Muhammed Jehanzeb Agha (the "**369 Porte Purchaser**"), as purchaser, pursuant to which the 369 Porte Purchaser agreed to purchase the land and building known municipally as 369 Porte Road, Ajax, Ontario ("**369 Porte**"), and the chattels listed in the 369 Porte APS;
 - ii. authorizing and approving the disclaimer by the Receiver of the agreements of purchase and sale dated August 12, 2022 and May 14, 2024 (together, the "**377 Porte APS**")³ between Lerrato, as vendor, and Rohitkumar M. Patel and Arvindaben R. Patel (the "**377 Porte Purchasers**"), as purchasers, pursuant to which the 377 Porte Purchasers agreed to purchase the land and building known municipally as 377 Porte Road, Ajax, Ontario ("**377 Porte**"), and the chattels listed in the 377 Porte APS;
 - iii. authorizing and approving the disclaimer by the Receiver of the agreement of purchase and sale dated October 29, 2023 (the "**23 Madison APS**") between Barakaa, as seller, and Mohammed Alsharafi and Fatima Jeddi (the "**23 Madison Purchasers**"), as purchasers, pursuant to which the 23 Madison Purchasers agreed to purchase the land and building known municipally as 23 Madison Avenue, Richmond Hill, Ontario ("**23 Madison**"), and the chattels listed in the 23 Madison APS, as amended by: (i) an Amendment dated January 9, 2024 extending the closing date to February 9, 2024, and (ii) a Second Amendment dated February 9, 2024 pursuant to which, *inter alia*, the 23 Madison Purchasers agreed to pay additional deposits to Barakaa in the aggregate amount of \$500,000 by February 16,

² Copies attached as Appendix "H" hereto.

³ Copies attached as Appendix "I" hereto.

2024, and Barakaa agreed to give possession of 23 Madison on February 17, 2024 to the 23 Madison Purchasers⁴;

- iv. authorizing and approving the disclaimer by the Receiver of the License to Occupy dated January 1, 2024 between Lerrato and the 369 Porte Purchaser in respect of the occupation of 369 Porte by the 369 Porte Purchaser pending closing of the sale of 369 Porte (the “**369 Porte License**”)⁵;
- v. authorizing and approving the disclaimer by the Receiver of any and all occupancy licenses or agreements between Lerrato and the 377 Purchasers in respect of the occupation of 377 Porte by the 377 Porte Purchasers pending closing of the sale of 377 Porte;
- vi. ordering that the Receiver is entitled to vacant possession of the Remaining Residential Properties and requiring the 369 Porte Purchaser, 377 Porte Purchasers and 23 Madison Purchasers, or any other occupants of 369 Porte, 377 Porte and 23 Madison to vacate those properties by no later than 4:00pm on the date that is 30 days after the issuance of the Disclaimer Order (the “**Vacancy Date**”), or the next business day if the Vacancy Date is a weekend or holiday; and
- vii. ordering that if the 369 Porte Purchaser, 377 Porte Purchasers and 23 Madison Purchasers or any other occupants of 369 Porte, 377 Porte and 23 Madison refuse to vacate the applicable residence by or before 4:00pm on the Vacancy Date, then, at the request of the Receiver, the Ontario Provincial Police and/or Sheriff of the Counties of Durham for 369 Porte and 377 Porte or Markham/Vaughan for 23 Madison, as applicable, are authorized and directed to accompany and assist the Receiver in taking vacant possession of the applicable residence.

1.2 Currency

1. All currency references in this Report are in Canadian dollars.

1.3 Restrictions

1. In preparing this Fourth Report, the Receiver has relied upon discussions with, and information provided by, *inter alia*:
 - a) representatives of the principals of the Debtors (the “**Principals**”), including Hitesh Jhaveri, and their legal counsel, Chaitons LLP;
 - b) representatives of Foremost;
 - c) the 369 Porte Purchaser, 377 Porte Purchasers and 23 Madison Purchasers and their legal counsel;

⁴ Copies attached as Appendix “J” hereto.

⁵ Copies attached within Appendix “H” hereto.

- d) representatives of BIP Management Inc. ("**BIP**"), a mortgagee on the Barakaa Properties and the Lerrato Properties; and
 - e) the Foremost receivership application materials (collectively, the "**Information**").
2. The Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the information in a manner that complies with Canadian Auditing Standards ("**CAS**") pursuant to the Chartered Professional Accountants of Canada Handbook. Accordingly, the Receiver expresses no opinion or other form of assurance contemplated under the CAS in respect of the Information. Any party (other than the Court) wishing to place reliance on the Information is required to perform its own diligence.

2.0 Background

1. Lerrato and Barakaa are real estate development companies controlled by Mr. Jhaveri and his wife, Niketa Wadia.

2.1 Lerrato

1. The Lerrato Properties consist of six parcels of land on Porte Road in Ajax, Ontario, five of which are fully constructed residential freehold townhomes, and the sixth is a three metre by three metre rear lot catch basin abutting the rear corner of the 369 Porte Road property ("**Porte Part 6**").
2. Pursuant to a development agreement between Lerrato and the Town of Ajax dated August 21, 2018 (the "**Development Agreement**"), registered on title to the Lerrato Properties, Lerrato agreed to grant an easement over Porte Part 6 (the "**Porte Easement**") to the Town of Ajax. On May 26, 2025, the Receiver granted the Porte Easement to the Town of Ajax in accordance with the Development Agreement, which was thereupon registered on title to Porte Part 6.
3. The municipal addresses of the five residential Lerrato Properties are 369 Porte Road, 371 Porte Road, 373 Porte Road, 375 Porte Road and 377 Porte Road.
4. As of the date of the Receivership Order, all five Lerrato Properties' residences were subject to agreements of purchase and sale with Lerrato (each a "**Lerrato APS**" and collectively the "**Lerrato APSs**"), which did not close prior to these receivership proceedings. As more fully discussed in the Third Report (see **Appendix "B"**, without attachments), the Receiver recommended that the Court approve the sale of 371 Porte, 373 Porte and 375 Porte to the individuals who entered into agreements of purchase and sale with Lerrato, as such agreements were amended by the Receiver, with the agreement of each purchaser. As noted above, those transactions have been completed.
5. Each Lerrato purchaser paid one or more deposits to Lerrato, and in some cases, made payments to other Jhaveri-related entities or persons. Mr Jhaveri has confirmed that none of the Lerrato purchaser deposits were held in trust pending closing. In each case (other than 369 Porte), the aggregate amounts of the deposits exceeded a market deposit (369 Porte paid a market deposit). A summary of the purchase price

in the Lerrato APSs and the deposits⁶ claimed to have been paid by each Lerrato property purchaser is provided below.

(\$)	369	371	373	375	377
Purchase Price	1,300,000	950,000	925,000	950,000	1,300,000
Claimed Deposits	(150,000)	(355,000)	(505,000)	(205,000)	(679,949)
Other adjustments	31,135	24,405	24,400	24,405	31,135
Closing balance	1,181,135	619,405	444,400	769,405	651,186

6. The table below summarizes the amounts owing under the mortgages registered on title to the Lerrato Properties as of the date of the Receivership Order, before interest, fees and other costs, which continue to accrue.

Secured Party	(\$000)
Foremost	3,155
BIP	700
Joshi Parties (as defined below) (on 377 Porte Road and the Porte Easement only)	5,000
Total	8,855

7. The Completed Porte Sales generated proceeds of \$2.75 million, of which \$2 million was distributed to Foremost. Of this amount, approximately \$129,000 was used to repay advances by Foremost under Receiver's Certificates specifically for Lerrato, and the balance, approximately \$1.871 million was used to partially repay Foremost's mortgages on the Lerrato Properties. Accordingly, as of the date of this Fourth Report, the Lerrato debt owing to Foremost is approximately \$1.28 million, before interest, fees and other costs.
8. The mortgages registered on title to the Lerrato Properties (excluding the Joshi Parties' mortgages) are registered on title to each of the Lerrato Properties.
9. The mortgages in favour of Sanjive Joshi, Xpert Credit Control Solutions Inc. and Xpert law Inc. (collectively, the "**Joshi Parties**") were ordered to be vacated pursuant to a decision of Mr. Justice Koehnen dated March 27, 2025, a copy of which is attached as **Appendix "C"**.
10. The Receiver has been advised by Mr. Jhaveri that none of the deposits received from the respective Lerrato purchasers were used by Mr. Jhaveri or Lerrato to pay down the Foremost mortgage or BIP mortgage registered against the Lerrato Properties.
11. A summary of the issues impairing the sale of the Receivership Assets, including the Lerrato Properties, was provided in the Receiver's First Report and as such, those details are not repeated herein. A copy of the First Report is provided in **Appendix "D"**, without attachments.

⁶ As discussed below, the Receiver notes that significant portions of the "deposits" paid by the 377 Porte Purchasers were: (i) paid to the Principals or other entities; and/or (ii) paid long before the date of the 377 Porte APS.

12. One of the primary reasons for the commencement of these receivership proceedings was the Debtors' inability to convey clean title to purchasers of the Receivership Assets due to the registration of the Joshi Parties' mortgages against those assets. It was originally contemplated that the receivership proceedings would provide a forum to complete the sale of the Receivership Assets free and clear of encumbrances by way of approval and vesting orders.
13. Since the date of the Receivership Order, the Receiver has identified several additional reasons why it is necessary to complete the sale of the Receivership Properties through a court-approved transaction, including, importantly, that the net proceeds of sale from the Remaining Residential Properties under their existing APSs would not be sufficient to repay in full the mortgages on those properties due to the above-market "deposits" paid by each purchaser (other than in respect of 369 Porte, which paid a market deposit).
14. In respect of 369 Porte, the 369 Porte Purchaser has paid a market deposit, and the Receiver would be prepared to complete a sale transaction based on the existing financial terms, but the 369 Porte Purchaser cannot close because the 369 Porte Purchaser has not been able to secure financing.

2.2 Barakaa

1. Barakaa is a real estate development corporation, which is also controlled by Mr. Jhaveri and his wife.
2. Among other real property owned by Barakaa, Barakaa built three homes in Richmond Hill, Ontario: 19 Madison Avenue ("**19 Madison**"), 23 Madison Avenue, and 25 Madison Avenue (collectively, the "**Madison Properties**").
3. On or around June 24, 2022, Foremost Financial Corporation ("**FFC**"), an affiliate of Foremost, and Barakaa entered into a credit agreement pursuant to which FFC advanced \$4,133,000 to Barakaa. The FFC loan was subsequently assigned to Foremost. The loan was secured by, *inter alia*, mortgages registered on title to the Madison Properties (the "**Foremost Madison Mortgage**").
4. In addition to the Foremost Madison Mortgage, the Madison Properties are subject to a mortgage in favour of BIP in the initial principal amount of \$1,500,000, and a mortgage in favour of 1417199 Ontario Limited ("**141 Ontario**") in the initial principal amount of \$750,000, which is postponed to BIP, and ranks after the Foremost Mortgage.
5. Prior to these receivership proceedings, in January 2024, Foremost, BIP and 141 Ontario each agreed to discharge their mortgages over 19 Madison in connection with the sale of that property by Barakaa, that resulted in the following payments on account of their respective mortgage indebtedness at the time: a) \$1,421,191 to Foremost; b) \$353,917 to BIP; and c) \$353,287 to 141 Ontario.
6. In addition to the Madison Properties, Barakaa owns five other properties in Ontario which are not subject to these receivership proceedings or the Foremost, BIP or 141 Ontario Mortgages referenced above.

7. The table below summarizes the amounts owing under the mortgages registered on title to the Madison Properties as of the date of the Receivership Order. The amounts in the table are net of the proceeds that each mortgagee received from the sale of 19 Madison, but before interest, fees and costs that have continued to accrue since the date of the Receivership Order.

Secured Party	(\$000)
Foremost	2,753
BIP	1,150
141 Ontario	400
Joshi Parties	5,000
Total	9,303

8. The net proceeds from the sale of 25 Madison (approximately \$1.33 million) have been distributed to Foremost, such that Barakaa's indebtedness now owing to Foremost is approximately \$1.4 million⁷, again, before interest, fees and costs which continue to accrue.

3.0 369 Porte, 377 Porte and 23 Madison

1. Since the outset of these proceedings, the Receiver has communicated extensively with the Remaining Porte Purchasers to close their respective transactions. In respect of 377 Porte Purchasers and 23 Madison Purchasers, the Receiver has engaged with the purchasers and their counsel to try to close on the basis of market deposits, and in the case of 369 Porte, on its agreed terms (as its issue is securing financing, not an excessive deposit). As more fully discussed below, the Receiver has been unsuccessful.
2. In order to maximize the realizable values of 369 Porte, 377 Porte and 23 Madison, the Receiver is now seeking relief from the Court to terminate the 369 Porte APS, 377 Porte APS and the 23 Madison APS (and any related occupancy agreements) so that it can obtain vacant possession of the properties. This will allow the Receiver to oversee the restoration of the properties to a presentable condition and re-market them for sale as soon as possible.

3.1 369 Porte

1. Notwithstanding the Receiver's extensive efforts since the outset of these receivership proceedings, the 369 Porte Purchaser has failed to engage in meaningful discussions with the Receiver to close the sale of this property. The Receiver understands that the 369 Porte Purchaser has not been able to secure financing to close its transaction. The Receiver provided the 369 Porte Purchaser several months to do so, and the Receiver has been advised repeatedly by the 369 Porte Purchaser that he was attempting to arrange financing. As of the date of this Fourth Report, the 369 Porte Purchaser has not confirmed that he has secured financing to close, and accordingly, the Receiver is now seeking an order from the Court to disclaim the 369

⁷ This amount is net of the repayment of the portion of the Receiver's Borrowing Charge allocated to Barakaa and repaid from the proceeds of sale of 25 Madison.

Porte APS. Copies of certain of the correspondence between the Receiver and the 369 Porte Purchaser and their counsel are provided in **Appendix “E”**.

3.2 377 Porte

1. The 377 Porte APS reflects a \$75,000 deposit amount. The 377 Porte APS appears to supersede and replace an Agreement of Purchase and Sale dated August 12, 2022 (the “**2022 APS**”), which reflected two deposits in the amounts of \$50,000. Based on its discussions with Mr. Jhaveri, and information provided by the 377 Porte Purchasers’ counsel, the Receiver understands that the 377 Porte Purchasers made 38 separate payments⁸ totalling \$679,949 to Mr. Jhaveri or related parties, including a deposit of \$150,000 to Lerrato, all of which appears to have been spent by Mr. Jhaveri or related parties. The Receiver advised the 377 Porte Purchasers that it is prepared to close the sale of 377 Porte on terms similar to those of the Completed Porte Sales, i.e., with a credit for a market deposit (in this case the suggested amount is \$150,000).
2. The 377 Porte Purchasers take the position that all amounts they paid to Lerrato (or Mr. Jhaveri or related parties (see footnote 4)) should be netted against and applied as a deposit against the purchase price (\$1.3 million) in the 377 Porte APS. To date, this is the only basis on which the 377 Porte Purchasers have advised the Receiver they are prepared to purchase 377 Porte. Closing on this basis would result in net proceeds of approximately \$620,000 (before standard closing adjustments), which is less than the value that: (i) could be realized for the property if remarketed for sale, based on an appraisal dated July 18, 2025 obtained by the Receiver; and (ii) the amount that was realized from the sales of the Completed Porte Sales (range from \$925,000 to \$950,000).
3. The 377 Porte payment history (much of which pre-dates the 2022 APS), and the number of transactions between the 377 Porte Purchasers and Mr. Jhaveri and related parties, suggests a non-arm’s length relationship between these parties. Evidence provided by Mr. Jhaveri also indicates that many of the amounts paid by the 377 Porte Purchasers were not intended to be deposits in respect of the 377 Porte APS. A copy of this correspondence, including the 377 Porte Purchasers’ summary of payments, is provided in **Appendix “F”**. To the extent that the 377 Porte Purchasers believe they have a claim against Lerrato, they can pursue that entity, which is not, itself, subject to any insolvency proceedings.
4. Foremost has advised the Receiver that it is not prepared to consent to a sale of 377 Porte that gives full credit to the amounts (\$679,949) paid by the 377 Porte Purchasers as doing so would not recognize the market value of the property.

3.3 23 Madison

1. 23 Madison was built by Barakaa and is subject to the 23 Madison APS. The 23 Madison Purchasers have paid: (i) initial deposits totalling \$150,000 which the Receiver understands are being held in trust with ReMax Crossroads Realty Inc. (“**ReMax**”), a brokerage associated with the principal of 141 Ontario, the third mortgagee; and (ii) deposits of \$200,000 made on February 13, 2024 and \$300,000 on February 16, 2024 (the “**Subsequent Deposits**”), paid directly to Lerrato, following

⁸ These payments were made between April 30, 2019 and September 17, 2024 to the following parties: Lerrato (19 payments), Mr. Jhaveri (5), Osmi Homes (10), 214 Ontario (2), and OM Sai Marble Inc.

which Lerrato granted the 23 Madison Purchasers possession of 23 Madison pending closing. These Subsequent Deposit amounts appear to have been expended by Mr. Jhaveri/Lerrato for purposes other than repaying Foremost, as senior mortgagee, or any other mortgagee of 23 Madison.

2. If the 23 Madison Purchasers were to receive full credit for the Subsequent Deposit amounts they paid (\$500,000), the net proceeds of sale available for distribution to Foremost would be approximately \$1.6 million, which is both less than an appraisal of 23 Madison obtained by the Receiver in November 2024, and than the proceeds of sale of 25 Madison by the Receiver completed in April 2025 (approximately \$1.9 million, after payment of HST and real estate commissions).
3. Notwithstanding several months of discussions with the 23 Madison Purchasers, the Receiver has been unable to reach an agreement with the 23 Madison Purchasers on acceptable terms. The Receiver's letter to the 23 Madison Purchasers, and certain of the email exchanges between the Receiver (and its counsel) and the 23 Madison Purchasers' counsel are provided in **Appendix "G"**.
4. Similar to 377 Porte, the 23 Madison Purchasers can pursue Barakaa for the \$500,000 excess "deposits" as Barakaa, itself, is not subject to these receivership proceedings.

3.4 Recommendation

1. The Receiver recommends that the Court issue an Order or Orders authorizing and approving, among other things, the disclaimer by the Receiver of the 369 Porte APS, 377 Porte APS and 23 Madison APS for the following reasons:
 - a) the Receiver provided the 369 Porte Purchaser many months to arrange financing to close its purchase of 369 Porte. It does not appear that the 369 Porte Purchaser will be able to do so;
 - b) in respect of 377 Porte and 23 Madison,
 - i. the Receiver has tried unsuccessfully for several months to negotiate transactions with each purchaser consistent with the terms of the Completed Porte Sales;
 - ii. if the Receiver closed on the terms proposed by the 377 Porte Purchasers and the 23 Madison Purchasers, the net proceeds from those sales would be less than what could be realized by the Receiver if it resold the property; and
 - iii. the 377 Porte Purchasers and 23 Madison Purchasers can seek to recover "deposits" paid to Lerrato and Barakaa for which credit is not being provided, as those entities are not subject to receivership proceedings.
2. The Receiver also recommends that vacant possession of each home be made available to the Receiver within 30 days of the Disclaimer Order as that should provide each party sufficient time to make alternative living arrangements. If vacant possession is not provided within 30 days of the Disclaimer Order, the Receiver may require the assistance of the Ontario Provincial Police and/or Sheriff of the Counties of Durham; and

3. Foremost is supportive of the Receiver's recommendations and is prejudiced by further cost and delay if these matters are not resolved on a timely basis.

4.0 Conclusion

1. The Receiver remains prepared to close with the 369 Porte Purchaser on the financial terms of the 369 Porte APS. The Receiver is also prepared to close with 377 Porte Purchasers and the 23 Madison Purchasers on terms consistent with the Completed Porte Sales, i.e., giving credit for deposits consistent with market. However, if these terms are not acceptable to the respective buyers, the Receiver respectfully recommends that this Honourable Court make an Order or Orders granting the relief sought in this Fourth Report.

Foremost has mortgages on each of the Receivership Assets registered prior to all other mortgages registered on title to the Receivership Assets.

3. Foremost has funded these proceedings under the Receiver's Borrowing Charge (as defined in the Receivership Order). Total advances by Foremost under the Receiver's Borrowing Charge as of the date of this report (the "**Third Report**") were \$831,000.
4. Pursuant to an order of the Court made on March 24, 2025, the Receiver closed the sale of a home built by Barakaa located at 25 Madison Avenue, Richmond Hill ("**25 Madison**"). On April 4, 2025, the Receiver made a distribution from the sale proceeds to Foremost of \$1,410,000, of which \$83,627 was a repayment of funding made by Foremost under the Receiver's Borrowing Charge.
5. The principal purpose of the receivership is to sell the Receivership Assets.
6. This Third Report is filed by KSV in its capacity as Receiver.

 - c) detail and seek approval of the Receiver's activities since the date of the Receivership Order;

- d) recommend that the Court issue:
- i. an Approval and Vesting Order substantially in the form attached at Tab 4 of the Motion Record (the “**371 Porte AVO**”) approving the 371 Porte Transaction, authorizing the Receiver to complete the 371 Porte Transaction, and vesting the 371 Porte Purchased Assets in the 371 Porte Purchasers free and clear of any and all liens, charges, security interests, encumbrances (with the exception of any Permitted Encumbrances as set out in the 371 Porte Sale Agreement), estates, rights and claims upon delivery by the Receiver of a certificate in the form attached as Schedule “A” to the 371 Porte AVO;
 - ii. an Approval and Vesting Order substantially in the form attached at Tab 5 of the Motion Record (the “**373 Porte AVO**”) approving the 373 Porte Transaction, authorizing the Receiver to complete the 373 Porte Transaction, and vesting the 373 Porte Purchased Assets in the 373 Porte Purchasers free and clear of any and all liens, charges, security interests, encumbrances (with the exception of any Permitted Encumbrances as set out in the 373 Porte Sale Agreement), estates, rights and claims upon delivery by the Receiver of a certificate in the form attached as Schedule “A” to the 373 Porte AVO;

 - iv. an order authorizing the Receiver to make one or more distributions to Foremost from the proceeds of sale of the Transactions, net of such amounts the Receiver determines, in consultation with Foremost, shall be held back on account of professional fees and the Receiver’s Borrowing Charge (as defined in the Receivership Order, as amended by the Order of Justice Kimmel dated February 3, 2025), and approving this Third Report and the Receiver’s activities described herein.

1.2 Currency

1. Unless otherwise noted, all currency references in this Report are in Canadian dollars.

1.3 Restrictions

1. In preparing this Report, the Receiver has relied upon discussions with, and information provided by, *inter alia*:
 - a) representatives of the principals of the Debtors (the “**Principals**”), including Hitesh Jhaveri, and their legal counsel, Chaitons LLP;
 - b) Foremost, and its legal counsel, Paliare Roland Rosenberg Rothstein LLP (“**Paliare**”);

- c) legal counsel to the 371 Porte Purchasers, the 373 Porte Purchasers and the 375 Porte Purchaser (together the “**Porte Purchasers**”);
 - d) the purchasers of 369 Porte Road, 377 Porte Road and 23 Madison Avenue (the “**369 Porte Purchaser**”, “**377 Porte Purchasers**” and “**23 Madison Purchaser**”, respectively);
 - e) representatives of the Town of Ajax;
 - f) representatives of BIP Management Inc. (“**BIP**”), the second mortgagee on the Lerrato Properties; and
 - g) the Foremost receivership application materials (collectively, the “**Information**”).
2. The Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the information in a manner that complies with Canadian Auditing Standards (“**CAS**”) pursuant to the Chartered Professional Accountants of Canada Handbook. Accordingly, the Receiver expresses no opinion or other form of assurance contemplated under the CAS in respect of the Information. Any party (other than the Court) wishing to place reliance on the Information is required to perform its own diligence.

2.0 Background

2.1 Lerrato

- 1. Lerrato is a real estate development company controlled by Mr. Jhaveri and his wife, Niketa Wadia.
- 2. The Lerrato Properties consist of six parcels of land on Porte Road in Ajax, Ontario, five of which are fully constructed residential freehold townhomes, and the sixth being a three metre by three metre rear lot catch basin abutting the rear corner of the 369 Porte Road property (“**Porte Part 6**”).
- 3. Pursuant to a development agreement between Lerrato and the Town of Ajax dated August 21, 2018 (the “**Development Agreement**”), registered on title to the Lerrato Properties, Lerrato had agreed to grant an easement over Porte Part 6 (the “**Porte Easement**”) to the Town of Ajax. On May 26, 2025, the Receiver granted the Porte Easement to the Town of Ajax in accordance with the Development Agreement, which was thereupon registered on title to Porte Part 6.
- 4. The five residential Lerrato Properties have following municipal addresses: 369 Porte Road, 371 Porte Road, 373 Porte Road, 375 Porte Road and 377 Porte Road. 369 Porte Road and 377 Porte Road are not the subject matter of this motion.
- 5. All five Lerrato Properties’ residences are subject to agreements of purchase and sale with Lerrato (each a “**Lerrato APS**” and collectively the “**Lerrato APSs**”) which have not closed. Each prospective purchaser entered into an occupancy license with Lerrato prior to the receivership proceedings, allowing them to occupy their residences prior to closing and each is presently occupying its residence. Each prospective purchaser paid one or more deposits to Lerrato or in some cases other Jhaveri entities

or persons. A summary of the purchase price and the deposits¹ (the “**Deposits**”) paid by the prospective purchasers is provided below.

(\$)	369	371	373	375	377
Purchase Price	1,300,000	950,000	925,000	950,000	1,300,000
Total Deposits	(150,000)	(355,000)	(505,000)	(205,000)	(679,949)
Other adjustments	31,135	24,405	24,400	24,405	31,135
Closing balance	1,181,135	619,405	444,400	769,405	651,186

6. The table below summarizes the amounts owing under the mortgages registered on title to the Lerrato Properties as of the date of the Receivership Order. Interest and costs have continued to accrue. The Receiver’s Charge and Receiver’s Borrowings Charge amounts also continue to accrue in priority to the mortgages.

Secured Party	(\$000)
Foremost	3,155
BIP	700
Joshi Parties (as defined below) (on 377 Porte Road and the Porte Easement only)	5,000
Total	8,855

7. The mortgages registered on title to the Lerrato Properties (excluding the Joshi Parties’ mortgages) are against each of the Lerrato Properties. The mortgages in favour of the Sanjive Joshi, Xpert Credit Control Solutions Inc. and Xpert law Inc. (collectively, the “**Joshi Parties**”) were ordered to be vacated pursuant to a decision of Mr. Justice Koehnen dated March 27, 2025, a copy of which is attached as **Appendix “B”**.
8. The Receiver has been advised by Mr. Jhaveri that none of the Deposits are being held in trust by Lerrato or any other party. None of the Deposit amounts were used by Mr. Jhaveri or Lerrato to pay down the Foremost mortgage or the BIP mortgage registered against the Lerrato Properties.
9. A summary of the issues impairing the sale of the Receivership Assets was provided in the Receiver’s First Report and as such, those details are not repeated herein. A copy of the First Report is provided in **Appendix “C”**, without attachments.
10. One of the primary reasons for the commencement of these receivership proceedings was the Debtors’ inability to convey clean title to purchasers of the Receivership Assets due to the registration of the Joshi Parties’ mortgages against various Receivership Assets. It was contemplated that the receivership proceedings would provide a forum to complete the sale of the Receivership Assets free and clear of encumbrances by way of approval and vesting orders. Since the date of the Receivership Order, the Receiver has identified additional reasons why it is necessary to complete the sale of the Lerrato Properties through a court-approved transaction, including that the proceeds of sale will not be sufficient to repay in full the Foremost mortgage.

¹ The Receiver notes that a significant portion of the “Deposits” paid by the 377 Porte Purchaser was paid to the Principals or related entities long before the date of the 377 Porte APS.

2.2 369 Porte, 377 Porte and 23 Madison

1. Since filing the Receiver's second report (the "**Second Report**"), the Receiver has continued discussions with each of the purchasers of the Lerrato Properties, including with the 369 Porte Purchaser and the 377 Porte Purchasers, with a view to attempting to close sale transactions on terms acceptable to the Receiver, Foremost and BIP.
2. The Receiver understands that the 369 Porte Purchaser has, to date, been unable to secure financing for the proposed purchase of 369 Porte and may be unable to complete a purchase transaction. The 377 Purchasers have not yet confirmed that they are prepared to close on terms acceptable to the Receiver, given the \$679,949 Deposits they paid to Lerrato, Mr. Jhaveri and other related entities/persons. Accordingly, if an agreement is not reached with the 369 Porte Purchaser and the 377 Porte Purchasers in the near term, the Receiver intends to seek an order in the near term authorizing it to disclaim their APSs and occupancy licenses, obtain vacant possession of each property and to re-market each property for sale.
3. The situation with a property located at 23 Madison, a Barakaa property, is similar to the 369 and 377 Porte Property situations. 23 Madison was built by Barakaa and is subject to an agreement of purchase and sale where the 23 Madison Purchaser has paid several deposits (totaling \$650,000) that were not applied against the Foremost or BIP mortgage debts and only \$150,000 of which is held in trust pending closing. The Receiver has not been able to come to an agreement with the 23 Madison Purchaser as to the terms of a transaction, and accordingly, the Receiver also intends to seek the Court's approval to disclaim the 23 Madison Purchaser's APS and occupancy license, obtain vacant possession of the home and to re-market it for sale.

3.0 The Transactions

1. The Receiver has negotiated transactions for the Porte Purchaser properties. In each case, Porte Purchaser has agreed to receive credit of \$175,000 in respect of their Deposits. The Receiver has determined that completing the Porte Purchaser Properties' transactions on this basis is appropriate and reasonable in the circumstances for the following reasons:
 - a) the Receiver is satisfied that the value of the Transactions, net of the agreed Deposit amount, is consistent with the value of the Porte Purchaser properties, based on appraisals recently obtained by the Receiver;
 - b) the time, professional fees, interest and risks associated with remarketing the properties could be significant, without any certainty that a higher purchase price could be achieved;
 - c) the properties have been lived in by the Porte Purchasers, and proceeding with the Transactions avoids the time and cost associated with repairing any damage to the Porte Purchaser properties before remarketing them;
 - d) closing the Transactions avoids the need to incur real estate broker commissions;
 - e) in the Receiver's view, it is equitable in the circumstances to recognize a commercially reasonable portion of each Porte Purchaser's Deposit despite them not being held in trust pending closing; and
 - f) Foremost consents to the amount of the Deposit credit.

3.1 Porte Purchasers' APSs and Amending Agreements

1. The Receiver and the Porte Purchasers have each agreed to close their respective transactions pursuant to the terms of the APSs between each Porte Purchaser and Lerrato, each as amended pursuant to an amending agreement (each an **"Amending Agreement"** and collectively the **"Amending Agreements"**). Copies of the Porte Purchasers' APSs and their respective Amending Agreements are provided in **Appendices "D", "E", and "F"**. The key terms of these transactions are provided below.

	371 Porte	373 Porte	375 Porte
Vendor	Receiver		
Purchaser	Sara Qadeer and Talha Azim Butt	Zeba Qadeer and Raja Abdul Qadeer	Umair Qadeer
Purchased Assets	All right, title and interest of Lerrato in and to the respective property and the chattels therein as set out in the APSs.		
Purchase Price	\$950,000	\$925,000	\$950,000
Deposits	\$175,000	\$175,000	\$175,000
Excluded Liabilities	The Purchaser shall assume, fulfill, perform and be responsible for all liabilities and obligations of any kind relating to the Purchased Assets in respect of the period from and after closing, and any tax readjustments or errors pre or post closing.		
Representations and Warranties	Consistent with the standard terms of an insolvency transaction, i.e., on an "as is, where is" basis, with limited representations and warranties.		
Closing Date	Ten days after Court approval or next business day if a Holiday.		

3.2 Transactions Recommendation

1. The Receiver recommends the Court approve the Transactions for the following reasons:
 - a) in the Receiver's view, it is unlikely that remarketing the properties would result in materially superior transactions, particularly after considering the fees and costs of the Receiver and its legal counsel, costs to repair each home and realtor commissions;
 - b) the Transactions are unconditional other than Court approval;
 - c) each of the Porte Purchasers has been occupying their respective property for an extended period and has been waiting to complete their Transactions;
 - d) the reasons in paragraph 3.0.1; and
 - e) Foremost consents to each of the Transactions.

4.0 Distribution

1. Foremost is the principal secured creditor of Lerrato and has a first-in-time mortgage registered on title to the Lerrato Properties.
2. Based on an opinion dated March 11, 2025 from DLA Piper (Canada) LLP (“**DLA**”) confirming the validity and enforceability of the Foremost Mortgage, and subject to Court approval, the Receiver is seeking the Court’s approval to make distributions to Foremost up to the amount of Foremost’s debt on the Lerrato Properties from the sale proceeds following closing of the Transactions, subject to retaining a holdback in respect of the professional fees and costs of these proceedings secured by the Receiver’s Charge and the Receiver’s Borrowing Charge.
3. As shown in the table below, the combined proceeds of the Transactions will not be sufficient to repay, in full, Lerrato’s debt owing to Foremost. As such, there will be no distributions from the Transactions to subordinate ranking mortgagees or other creditors.

	(\$000)
Total sale prices	2,825
HST, net of assigned rebate	(261)
Net sale proceeds	2,564
Adjustments ²	186
Net proceeds available for distribution	2,750
Foremost mortgage and costs ³	4,107
Foremost shortfall, before Receiver’s Borrowing Charge	(1,357)

RESPONDENT

IN THE MATTER OF AN APPLICATION UNDER SUBSECTION 243(1) OF THE
BANKRUPTCY AND INSOLVENCY ACT, R.S.C. 1985, C. B-3, AS AMENDED, AND
SECTION 101 OF THE COURTS OF JUSTICE ACT, R.S.O. 1990, C. C.43, AS AMENDEDFIRST REPORT OF
KSV RESTRUCTURING INC.
AS RECEIVER AND MANAGER

JANUARY 20, 2025

1.0 Introduction

1. Pursuant to an order of the Ontario Superior Court of Justice (the "**Court**") made on October 21, 2024 (the "**Receivership Order**"), KSV Restructuring Inc. ("**KSV**") was appointed receiver and manager (the "**Receiver**") without security, of the real properties listed in Appendix "A" of the Receivership Order (the "**Barakaa Properties**") owned by Barakaa Developer Inc. ("**Barakaa**"), the real properties listed in Appendix "B" of the Receivership Order (the "**Lerrato Properties**") owned by Lerrato Inc. ("**Lerrato**"), and the property, assets and undertaking owned by 2145499 Ontario Inc. ("**214**", and together with the Barakaa Properties and the Lerrato Properties, (the "**Receivership Assets**"). A copy of the Receivership Order is attached as **Appendix "A"**.
2. The application to appoint KSV as Receiver was made by Foremost Mortgage Holding Corporation ("**Foremost**"), a secured creditor of Barakaa, Lerrato and 214 (collectively, the "**Debtors**") which has, *inter alia*, mortgages on each of the Receivership Assets, each of which was registered prior to the other mortgages registered on title to the Receivership Assets.

3. The principal purpose of the receivership is to sell the Receivership Assets. For reasons summarized in this report (the “**Report**”), the Receiver has not yet been able to sell any of the Receivership Assets.

1.1 Purposes of this Report

1. The purposes of this Report are to:
 - a) summarize the Receiver’s activities since the date that the Receivership Order was issued;
 - b) summarize issues affecting a timely sale of the Receivership Assets; and
 - c) provide the Receiver’s rationale for recommending that the Court issue an order (i) increasing the amount of the Receiver’s borrowing authority and Receiver’s Borrowing Charge (as defined in the Receivership Order) from \$250,000 to \$1.2 million and (ii) recognizing the Second Advance (as defined in paragraph 3.2 below) as being secured by the Receiver’s Borrowing Charge from the date that the Second Advance was made, being December 13, 2024.

1.2 Currency

1. Unless otherwise noted, all currency references in this Report are to Canadian dollars.

1.3 Restrictions

1. In preparing this Report, the Receiver has relied upon discussions with, and information provided by, *inter alia*:
 - a) representatives of the principals of the Debtors (the “**Principals**”), including Hitesh Jhaveri, and their legal counsel, Chaitons LLP;
 - b) Keyser Mason Ball, LLP (“**KMB**”), legal counsel retained by the Principals prior to the receivership to assist with 214’s project located at 10 Doric Street, Ajax, which is referred to herein as the Doric Development (the “**Doric Development**”);
 - c) Foremost, and its legal counsel, Paliare Roland Rosenberg Rothstein LLP (“**Paliare**”);
 - d) purchasers of homes being developed by Lerrato having municipal addresses of 369 Porte and 377 Porte Road, Ajax;
 - e) Gardiner Roberts LLP (“**Gardiner Roberts**”), legal counsel to purchasers of three homes also being developed by Lerrato, being 371, 373 and 375 Porte Road (the “**GR Clients**”);

- f) representatives of BIP Management Inc. (“**BIP**”), Tripta Dhingra and 1417999 Ontario Ltd. (collectively, the “**Subsequent Mortgagees**¹”); and
 - g) the receivership application materials,

(collectively, the “**Information**”).
2. The Receiver has not audited or otherwise attempted to verify the accuracy or completeness of the Information in a manner that complies with Canadian Auditing Standards (“**CAS**”) pursuant to the Chartered Professional Accountants of Canada Handbook. Accordingly, the Receiver expresses no opinion or other form of assurance contemplated under the CAS in respect of the Information. Any party (other than the Court) wishing to place reliance on the Information is required to perform its own diligence.

2.0 Receivership Assets

1. **The Barakaa Properties** are comprised of two fully constructed homes having the municipal addresses of 23 Madison Avenue, Richmond Hill (“**23 Madison**”) and 25 Madison Avenue, Richmond Hill (“**25 Madison**”). The status of each is as follows:
- a) Barakaa entered into an agreement of purchase and sale for 23 Madison dated October 23, 2023 and an Amendment to the Agreement of Purchase and Sale dated February 9, 2024 (the “**23 Madison APS Amendment**”). Pursuant to the 23 Madison APS Amendment, the purchaser paid a \$500,000 deposit (in addition to an earlier deposit of \$150,000, which is being held in trust), following which Barakaa permitted the purchaser to immediately occupy the home without being required to pay occupancy fees or property taxes. 23 Madison is registered with Ontario New Home Warranties and Protection Plan (“**Tarion**”); and
 - b) 25 Madison has been listed for sale by ReMAX Crossroads Realty since July 17, 2024. The Receiver has been advised that the property was previously subject to an agreement of purchase and sale, however, the purchaser refused to close. 25 Madison does not have Tarion warranty protection. In an email to the Receiver dated December 16, 2024, Torsys LLP, counsel to Tarion, advised *“there is no pathway for 25 Madison Avenue, Richmond Hill, Ontario, to be enrolled in the Ontario New Home Warranties and Protection Plan”*.
2. **The Lerrato Properties** are comprised of six parcels of land, five of which are fully constructed residential freehold townhomes. Pursuant to a development agreement between Lerrato and the Town of Ajax dated August 21, 2018, the parties agreed to convey the sixth parcel, which is an easement (the “**Porte Easement**”), to the Town of Ajax.

¹ There is another Subsequent Mortgagee, Galidan Inc., associated with BIP, but the Receiver has not corresponded with this party.

3. The Lerrato Properties (excluding the Porte Easement) have the following municipal addresses: 369 Porte Road, 371 Porte Road, 373 Porte Road, 375 Porte Road and 377 Porte Road (the “**Porte Properties**”). All five homes are subject to agreements of purchase and sale which have not closed. Each purchaser has paid one or more deposits and is presently occupying their residence. The GR Clients occupy units 371, 373 and 375 Porte Road (the “**GR Client Properties**”).
4. The purchasers of the Porte Properties entered into agreements allowing them to occupy their residences prior to closing. Of these, (i) Gardiner Roberts advises that each of its clients has paid a “licence fee” of \$2,500 per month from the effective dates of their occupancy agreements² to and including December 2024; and (ii) the purchasers of 369 Porte and 377 Porte each entered into occupancy agreements for their units, but neither has paid occupancy fees. The Receiver has requested the occupancy agreements for 369 Porte and 377 Porte from Mr. Jhaveri, but he has not provided them.³ None of the purchasers of the Porte Properties is paying property taxes. The Receiver has been advised that this is because, in each instance, Mr. Jhaveri has not delivered on various commitments.
5. **The Doric Development** is a substantially completed but vacant 10-unit townhouse condominium project. One unit has been contracted for sale; the purchaser of that unit paid a deposit of \$100,000 but the transaction has not closed. The Receiver understands that the agreement of purchase and sale for this unit did not comply with the *Condominium Act*. Based on discussions with the purchaser, it is unclear if the purchaser is prepared to complete the purchase.
6. The Doric Development condominiums cannot be occupied prior to finalizing a Draft Plan of Condominium (the “**Condo Plan**”) and connecting the development to the power grid. The Receiver has been dealing with the power grid issue, which requires execution of a contract (the “**Elexicon Contract**”) with Elexicon Energy Inc. (“**Elexicon**”). Elexicon’s work includes dealing with zoning issues and sourcing and installing an electrical transformer. This work is expected to take several months to complete.
7. The tables below summarize the secured charges on the Receivership Assets, including mortgages registered on title by Sanjive Joshi, Xpert Credit Control Solutions Inc. and Xpert law Inc. (collectively, the “**Joshi Parties**”). It is the Receiver’s understanding that the Respondents challenge the mortgages registered by the Joshi Parties against the Receivership Assets (and other non-receivership properties) and there is ongoing litigation in respect of this dispute. The amounts shown in the tables below are before interest, professional fees, property tax payments made by Foremost and other costs which continue to accrue.

Barakaa

Secured Party	(\$000)
Foremost	4,133
1417199 Ontario Limited	750
BIP	1,500

Total	11,383

² Being November 5, 2023 for 373 Porte and August 1, 2024 for 371 Porte and 375 Porte.

³ The Receiver has encountered significant difficulty receiving information from Mr. Jhaveri. To the extent he has provided information, it has often been untimely and/or unreliable.

Lerrato

Secured Party	(\$000)
Foremost	3,155
BIP	700
Joshi Parties (377 Porte Road and the Porte Easement only)	5,000

Tripta Dhingra	1,500
BIP	2,000
BIP and Galidan Inc.	1,000
Joshi Parties	5,000
Total	15,685

8. A summary of the deposits paid by the purchasers of the Receivership Assets is provided below (the “**Deposits**”). The Receiver understands that none of the Deposits are being held in trust, except for \$150,000 of the \$650,000 paid by the purchaser of 23 Madison.

Property	(\$000)
23 Madison ⁴	650
369 Porte Road	150
371 Porte Road	355
373 Porte Road	505
375 Porte Road	205
377 Porte Road	150
10 Doric Street, Unit J	100
Total	2,115

9. A summary of the issues impairing the sale of the Receivership Assets is provided below.
- a) The Receiver understands that one of the primary reasons for the commencement of these receivership proceedings was the inability of the developers of the Receivership Assets to convey clean title to the purchasers of each of the Receivership Assets, including because of the Joshi Parties’ mortgages. It was contemplated that the receivership proceedings would provide a forum through which Court approval of the sale of the Receivership Assets subject to Joshi Parties’ mortgages could be sold pursuant to approval and vesting orders. It is the Receiver’s understanding that the Joshi Parties are not prepared to discharge their mortgages to permit sales of the relevant Receivership Assets to be completed.

⁴ As noted, \$150,000 of this amount is held in trust.

- b) The Deposits were used by Mr. Jhaveri to pay down certain Subsequent Mortgagees and/or to fund costs related to the Receivership Assets and other projects being developed by the Principals. In the case of 23 Madison and the Porte Properties, the remaining purchase price for the Receivership Assets will not be sufficient to pay, in full, some or all of the mortgagees on the Receivership Assets.
- c) The purchasers of 369 Porte and 377 Porte have both expressed an intention to close; however, neither has provided a definitive answer in this regard. It should also be noted that neither purchaser responds to the Receiver on a timely basis (weeks can pass before the Receiver receives a reply, if at all). At this time, the Receiver is prepared to consider closing these sales as the remaining purchase price (net of their deposits), approximates the values in appraisals recently obtained by the Receiver (after considering professional costs, selling costs and other factors, such as the cost to ready the homes for sale given that they are presently occupied). If the purchasers do not commit to closing in the near term, the Receiver expects to seek an order permitting it to terminate the purchase agreements, obtain vacant possession, and market these properties for sale.⁵
- d) Based on appraisals recently sourced by the Receiver, each of the GR Clients' Properties (net of market rate deposits) are worth more than the balance of the purchase price (net of deposits) owing under their respective agreements of purchase and sale. For sufficient value of the GR Clients' Properties to be realized, either the GR Clients will have to increase the amount of cash they pay on closing, or each property will be required to be re-marketed for sale, with each GR Clients required to vacate their home. The Receiver has made a proposal to the GR Clients to resolve this situation. The GR Clients did not accept that proposal and the Receiver expects that the GR Clients will contest a motion to sell their properties. The Receiver has advised Gardiner Roberts that it intends to bring a motion to terminate the APSs and obtain vacant possession for the GR Clients' Properties so they can be re-marketed, if an agreement cannot be reached.
- e) Since the commencement of these proceedings, three parties submitted offers for 25 Madison, but none have gone firm. The Receiver intends to continue to list 25 Madison for sale.
- f) Similar to the GR Clients' Properties, the remaining purchase price (net of the \$500,000 second deposit paid) for 23 Madison, appears to be less than the market value of the property. Accordingly, as with the other properties discussed in this Report, the Receiver is considering a motion to terminate the agreement of purchase and sale for 23 Madison and obtain vacant possession so it can be re-marketed.

⁵ As this Report was being finalized, the purchaser of 377 Porte advised the Purchaser that it would like to close.

- g) The Receiver cannot close sales of the Doric condominiums until the condominium disclosure statement is completed, the condominium is registered and all construction is completed, the most significant of which is the work being performed by Elexicon. The Receiver does not expect to be able to close sales until late 2025 at the earliest; however, the Receiver is working to list the units for sale in the next few months.

3.0 Funding

1. Pursuant to the Receivership Order, the Receiver's Borrowing Charge is \$250,000.
2. On November 12, 2024, Foremost funded \$30,000 to cover receivership costs that required immediate funding. On December 13, 2024, Foremost funded an additional \$801,000 (the "**Second Advance**") to prevent further delays advancing the work to be performed by Elexicon, including \$433,000⁶ for an electrical transformer, and the balance for other critical expenditures, such as utility and consulting costs. Foremost funded the Second Advance on the basis that the Receiver would seek approval in early 2025 confirming that the Second Advance would be covered by an increase in the Borrowing Charge. As the Second Advance was made on December 13, 2024, it was not possible to bring a motion before the holidays to approve the Second Advance.
3. Foremost has advanced \$831,000 since the commencement of these proceedings. The amounts advanced under the Second Advance are properly considered receivership borrowings, and in the opinion of the Receiver, should be subject to the Receiver's Borrowing Charge. If time had permitted prior to the holidays, the Receiver would have sought approval of this funding in advance of receiving it from Foremost. The amounts funded were necessary to advance these proceedings and will in due course facilitate the sales of the Receivership Assets.
4. To avoid additional motions in the near term to increase the Borrowing Charge, the Receiver is recommending that the Court (i) increase the Receiver's borrowing authority and Receiver's Borrowing Charge to \$1.2 million and (ii) approve the funding from Foremost as being covered by, and having the benefit of, the Receiver's Borrowing Charge from December 13, 2024.
5. A copy of the Receiver's statement of receipts and disbursements from the date of the Receivership Order to January 19, 2025 is provided in **Appendix "B"**.

⁶ At the time the Receiver requested the Second Advance, it was believed that that Elexicon would require this amount to be paid immediately. The Receiver is still holding these funds.

4.0 Recommendation

1. For the reasons provided herein, the Receiver recommends that the Court approve an increase in the Receiver's borrowing authority and Receiver's Borrowing Charge from \$250,000 to \$1.2 million and that the Second Advance be subject to the Receiver's Borrowing Charge from December 13, 2024.

Dear Sir:

Re: In the Matter of the Receivership of 369 Porte Road, ON

DLA Piper (Canada) LLP ("**DLA**") is counsel to KSV Restructuring Inc. in its capacity as Court appointed receiver (the "**Receiver**") of, among other properties, the real property owned by Lerrato Inc. ("**Lerrato**") known municipally as 369 Porte Road, Ajax, Ontario (the "**Property**"). A copy of the order appointing KSV as Receiver over the Property and other properties, can be obtained from KSV's case website at: <https://www.ksvadvisory.com/experience/case/barakaa> (the "**Receivership Order**").

I am writing further to Meg Ostling's email to you of February 11, 2025 enclosing a draft Statement of Adjustments ("**SoA**") which you requested by email on February 6, 2025. At that time, you advised that you needed the draft SoA to provide to your mortgage broker to start working on arranging financing for you to close the purchase of the Property. The Receiver has not heard from you in the three weeks since the SoA was delivered to you. The Receiver has been more than patient with you since the commencement of these proceedings, and you have had several months to confirm that you would close your purchase of the Property. This obviously gives the Receiver serious concern that you will not be able to close the proposed Property purchase.

The Receiver and DLA are in the process of finalizing arrangements with each of the buyers of 371, 373, 375 and 377 Porte for the Receiver to bring a motion to seek the required Court approval of their purchase transactions, and obtain vesting orders, vesting the properties in the purchasers on closing, free and clear of mortgages and encumbrances.

It is the Receiver's position that unless the Receiver can use that same court hearing to seek the approval of your fully financed purchase transaction of the Property, the Receiver will instead use that court hearing to seek the Court's authority to terminate your APS and re-sell the Property to another purchaser that has the financial resources to close a transaction. The relief sought by the Receiver will include an order for vacant possession of the Property so that it can be readied for re-marketing and sale.

The Receiver requires that you provide it with written confirmation of financing on the letterhead of a credible residential mortgage lender, by no later than Friday March 14, 2025, as well as confirmation that you are

prepared to close your purchase and the outside date for closing. Failing confirmation of these terms, the Receiver will be seeking the Court's authorization to terminate the APS and an order for vacant possession of the Property.

We recommend that you discuss this letter with legal counsel immediately.

Sincerely,

DLA Piper (Canada) LLP

Hi Catherine - we are about to schedule our APS Disclaimer and vacant possession motion. Will likely be in September.
If your client would like to have input into the scheduling, there will be a 9:30am chambers appointment to set the motion schedule on July 28.
We will be serving you with the motion materials shortly.

Catherine, is there any update on this?

If your client does not have the financial ability to close the purchase transaction, are they willing to voluntarily vacate the premises and agree to the termination of the Agreement of Purchase and Sale on a consensual basis?

Thanks, Edmond.

Hello and good afternoon

I am writing today to advise our office has not been instructed by any lender. The broker that I know is not pursuing the financing end at this time.

Our client wishes to close this transaction. Our client will be able to close as soon as there is a mortgage in place.

As mentioned earlier in our conversation over the phone we did have a mortgage in place in July of last year. Mortgage funds had to be returned to the bank and the loan was cancelled due to issues with the builder and finalizing the closing date.

I thank you for your time today and I will advise you if there is any change.

Catherine, we have a sale approval motion tentatively scheduled for June 13 for certain properties, with a closing within ten days thereafter.

We also have an upcoming APS termination and vacant possession order motion for certain other properties.

We would prefer to include your clients' property and transaction in the former motion, failing which we will be forced to include it in the latter.

Hi Catherine,

Further to our call from last week, we are the lawyers for KSV Restructuring Inc. in its capacity as Court Appointed Receiver of the five Lerrato Porte Road Properties.

I enclose a copy of the Court's Receivership Order appointing KSV as Receiver.

Under paragraph 3(j)(ii) of the Receivership Order, the Receiver requires the Court's approval to complete the proposed transaction with your clients, and will obtain a Vesting Order from the Court vesting title to the property in your clients free and clear of all mortgages and encumbrances on closing.

In that regard, we will need to enter into a corresponding amendment to the Lerrato Agreement of Purchase and Sale to reflect the foregoing and the nature of the transaction in the context of the receivership.

Edmond Lamek (cc'd) is coordinating the receivership matters. I am working on the real estate matters with Julianne Cerelli (cc'd).

We will be in touch with additional information on timing in due course, and understand that KSV is working on an updated Statement of Adjustments.

Thank you,

Jon

Good morning

Our office has been retained to assist with this closing. It was set to close last year however there were some difficulties which I understand now your office has remedied and will be the acting solicitor for this property closing.

We had everything in place to close last year but had to return our mortgage funds. We have since been waiting for information as to whether or not this was going to proceed.

Our client forwarded your letter to our office and we are now reaching out.

We do need a closing date and adjustments in order to resurrect the prior funding or to proceed with new funding.

I am writing this morning to open our conversation into this matter.

I appreciate your patience and look forward to working together to complete this matter ASAP.

Thank you.

Hi Edmond,

Thank you for your email.

As discussed during our phone conversation last week, we received records from our client reflecting deposits paid towards the purchase of the property, which we have now reviewed and organized. Attached is a detailed summary of the amounts paid, including supporting documents which have been characterized as exhibits for ease of reference.

During the phone call and in your email, you indicated that the purchasers would only be credited with \$150,000 in deposit payments. Your email references the Agreement of Purchase and Sale as the basis for this position. Please let me know which provision of the Agreement of Purchase and Sale you are relying on regarding the deposit payments.

The attached records reflect significantly larger deposits paid by the purchasers.

Kindly provide the Statement of Adjustments at your earliest convenience.

We hope that this matter can be resolved amicably and expeditiously.

Allan

Sincerely yours,

Allan Mohammed

Hi Sarah -

I frankly cannot recall if I got back to you on this. If not, I apologize.

As I recall your clients proposed a \$100,000 reduction in the proposed deposit credit from \$650,000 to \$550,000.

We have canvassed that offer with the stakeholders and it is not acceptable.

The Receiver remains prepared to close in the near future on the basis set out in my letter to your clients dated February 28, 2025 (copy attached), failing which the Receiver will include the 23 Madison Agreement of Purchase and Sale in its upcoming APS disclaimer and vacant possession motion, so the property can be remarketed.

I look forward to hearing from you.

Thanks, Edmond.

Subject: RE: [EXTERNAL] In the Matter of the Receivership of 23 Madison Hill Avenue, Richmond Hill, Ontario [PVC-ACTIVE.FID896002]

Hi Sarah, thanks for your letter.

Simply put, the law is abundantly clear that the Receiver is not bound by the APS or Amendment entered into by Barakaa and the Courts of Ontario have routinely granted Court appointed Receivers with the authority to terminate APS's and remarket the subject properties in circumstances where the existing agreement does not maximize that value of the property for the debtor company's creditors, and mortgagees in particular. I refer you to the linked decision of Chief Justice Morawetz: *Firm Capital Mortgage Fund Inc. v. 2012241 Ontario Ltd.*, 2012 ONSC 4816 (CanLII), <<https://canlii.ca/t/fsk46>> .

I would point out that by the time your clients entered into the February 9, 2024 APS Amendment (which was after the January 15, 2024 title requisition date in the APS), each of the Foremost \$4,133,000 mortgage, the \$750,000 1417199 mortgage and the \$1,500,000 BIP Management Corporation mortgage were registered on title to 23 Madison, granting each of the mortgagees an interest in the 23 Madison property ranking in priority to any interest your client alleges it obtained by virtue of the APS Amendment and associated deposits. Again, simply put, the mortgagees are not bound by the APS Amendment, and absent the receivership would not be required to lift their mortgages to facilitate closing if they do not receive sufficient proceeds on closing from the transaction. The receivership is an enforcement proceeding by Foremost as first mortgagee and it does not put the mortgagees in any worse position than they would have been in without it. Why your clients would hand \$500,000 to Hitesh Jhaveri in advance of the protection and certainty of a transaction closing (which per the APS Amendment was supposed to be only 18 days later) is a matter of their making, and cannot compromise the interest of the mortgagees, each of whom are *bona fide* lenders of value to Barakaa with valid mortgages over the 23 Madison property.

I am happy to discuss this with you, but I suggest that before we do, you get instructions from your clients as to what cash amount they would be prepared to pay on closing of a transaction to purchase the 23 Madison property from the Receiver, recognizing the \$150,000 deposit being held in trust by the RE Agent. The Receiver will consult with the mortgagees as to whether such an offer is acceptable to them. If it is not, the Receiver will proceed with its APS termination and possession motion.

Thanks, Edmond.

Hello Edmond,

Thanks for speaking with me today. Further to our conversation, I confirm that our offices will provide you with a response to the receiver's proposal by April 11, 2025.

As discussed, I will be out of the country next week and if, for any reason, the receiver intends to schedule a case conference or motion regarding this matter, please contact my colleague, Monty Dhaliwal (copied on this email) in my absence.

Simply put, the receiver is not bound by the existing APS. It can terminate it and remarket the home. The existing APS is not market in that the outsized deposits were not used by Mr Jhaveri to reduce the mortgages but to spend on unknown things. If the deposits were credited against the purchase price there are insufficient remaining cash proceeds on closing to pay out the mortgages. The mortgagees are similarly not bound by the APS which specifically states it is subordinate to the mortgages.

We will be bringing motions regarding all Porte properties in the near future. To either approve transactions acceptable to the receiver or terminate the Lerrato APS's and seek vacant possession to remarket the units. It is up to your clients whether they wish to do a deal with the receiver that is acceptable to the Mortgagees, or vacate the premises.

Hello Edmond,

Is there a hearing or upcoming attendance? If so, please advise of the urgency of the matter.

Given that your client is asking our client to forego an bona fide payment it made towards it the house of a significant amount, i.e. \$500,000.00, providing my clients with time to obtain legal advice on the matter seems reasonable. Also, could you please advise of the receiver's rational and the basis upon which it takes the position that my client is not entitled to a credit of \$675,000.00 towards the purchase of the house as your letter is unclear on this point.

I am happy to have a call to discuss.

Dear Mohammed and Fatima:

Re: In the Matter of the Receivership of 23 Madison Avenue, Richmond Hill, ON

DLA Piper (Canada) LLP ("**DLA**") is counsel to KSV Restructuring Inc. in its capacity as Court appointed receiver (the "**Receiver**") of, among other properties, the real property owned by Barakaa Developer Inc. ("**Barakaa**") known municipally as 23 Madison Avenue, Richmond Hill, Ontario (the "**Property**"). A copy of the order appointing KSV as Receiver over the Property and other properties, can be obtained from KSV's case website at: <https://www.ksvadvisory.com/experience/case/barakaa> (the "**Receivership Order**").

The Receiver has been provided with a copy of the Agreement of Purchase and Sale dated August 29, 2023 (the "**APS**") between yourselves as buyers and Barakaa as seller of the Property, for a purchase price of \$2,588,000, subject prescribed adjustments set out in section 18 of the APS ("**Adjustments**"). The APS provided for aggregate deposits of \$175,000 (the "**Initial Deposits**"), to be paid to RE/MAX Crossroads Realty Inc. to be held in trust pending closing of the sale of the Property. The Receiver has also been provided with a copy of the Amendment to Agreement of Purchase and Sale dated February 9, 2024 (the "**Amendment**") wherein the outside completion date under the APS was moved from February 9, 2024 to February 27, 2024, you agreed to pay additional deposits totalling \$500,000 directly to Barakaa (the "**Additional Deposits**"), and Barakaa provided you with possession of the Property as of February 17, 2024. We understand that you continue to reside in the Property today, rent free.

We have reviewed the circumstances surrounding the Additional Deposits with the first and second ranking mortgagees on the Property (and 25 Madison Avenue), namely Foremost Mortgage Holding Corporation ("**Foremost**") and BIP Management Corporation ("**BIP**") and have confirmed that no proceeds of the Additional Deposits received by Barakaa from you were paid in reduction of either the Foremost first mortgage on the Property or the BIP second mortgage on the Property. Further, neither Foremost nor BIP were aware that you and Barakaa had agreed to the payments of the Additional Deposits, or the Amendment to the APS, that purports to adjust the Purchase Price on closing by the amount of the Additional Deposits.

It is self-evident that as a result of your payments of the Additional Deposits to Barakaa, the proceeds of sale available to discharge the three mortgages (the third being in favour of 1417199 Ontario Inc., an entity

associated with Hans Dingra of Re/Max Crossroads) on the Property (collectively, the “**Mortgages**”) at closing are reduced by the \$500,000 Additional Deposit amount that you paid, with the result being that there are no longer sufficient funds remaining from the closing of the APS as amended by the Amendment to discharge the Mortgages (after application of the expected closing proceeds of 25 Madison, all of which including its deposit amount, net of realtor commissions and HST, will go to reduce the Mortgages).

Accordingly, both Foremost and BIP have advised the Receiver that they will oppose the sale of the Property to you based on the APS and Amendment and Additional Deposits, since doing so leaves a material shortfall to one or more Mortgagees.

In circumstances where an APS entered into by a debtor company in receivership is, or has become uneconomical, the Courts of Ontario have regularly given receivers the powers to terminate purchase agreements and re-sell properties in order to maximize realizations for the benefit of the debtor company's secured creditors in accordance with their priorities. This power includes obtaining an order for vacant possession of the Property so that it can be readied for re-marketing and sale.

While the Receiver understands that the termination of the APS and being ordered out of the Property would create some financial adversity to you, the circumstances set out in this letter have arisen solely as a result of you deciding (for whatever reason) to pay substantial Additional Deposit amounts to Barakaa, which had the direct and foreseeable effect of diverting monies that would have been available to pay-out the Mortgagees on closing of the Property.

Following its discussions with Foremost and BIP, the Receiver is prepared to recommend the approval of the sale of the Property to you based on (only) the Initial Deposit amounts of \$175,000, leaving proceeds required on closing of \$2,413,000 (subject to Adjustments). You will have to deal with Barakaa and Mr. Jhaveri with respect to any claims you may have to recover the Additional Deposit amounts. If this arrangement is acceptable to you, we can proceed with a further APS amendment that will also reflect the requirement for Court approval of the sale transaction as required by the Receivership Order and the revised deposit arrangement.

We look forward to hearing from you as soon as possible and by no later than March 10, 2025. In the event that a consensual solution cannot be found to this issue in the very near future, the Receiver intends to seek the Court's authorization to terminate the APS and Amendment for the Property and obtain an order for vacant possession of the Property.

We encourage you to discuss this matter with your legal counsel immediately and that you respond to us promptly and in any event no later than March 10, 2025.

Sincerely,

DLA Piper (Canada) LLP

Dear Mr. Lamek:

**Re: Agreement of Purchase and Sale (the “APS”) between Mohammed Al-Sharafi (“Mohammed”) and Fatima Jeddi (“Fatima”), and Barakaa Developer Inc. (“Barakaa”) for 23 Madison Avenue, Richmond Hill, Ontario (the “Property”), in the matter of the Receivership of Barakaa Developer Inc. and Lerrato Inc.
Our File No.: 93223**

We write in response to your letter dated February 28, 2025, wherein you advised that the Receiver was prepared to approve the sale of the Property to my clients, Fatima and Mohammed (collectively, the “**Purchasers**”), on the condition that the purchase price only be credited in the amount of the initial deposit of \$150,000.00 (the “**Initial Deposit**”) provided by the Purchasers. The Receiver takes the position that the Purchasers are not entitled to a credit in the amount of \$500,000.00 for the additional deposit it provided to Barakaa towards the purchase of the Property of that same amount (the “**Additional Deposit**”).

As you know, on October 29, 2023, the Purchasers and Barakaa entered into the APS for the purchase of the Property and provided the Initial Deposit pursuant to the APS. Several months later, on February 9, 2024, Barakaa (who had authority to enter into the agreement) and the Purchasers agreed to amend the terms of the APS to include, amongst other things, the following (the “**Amendment**”):

- The Purchasers would provide the Additional Deposit to Barakaa;
- The Additional Deposit would be credited towards the purchase price of the Property; and,
- Barakaa shall provide possession of the Property to the Purchasers on February 17, 2024.

The Purchasers agreed to provide the Additional Deposit for the purpose of reducing the amount they would need to borrow via mortgage to close the transaction.

The Purchasers provided the Additional Deposit to Barakaa in accordance with the Amendment. The fact that the Additional Deposit was not paid into a trust account is an issue the creditors may address with Barakaa, but not at the cost of the Purchasers. The Purchasers are innocent parties who are entitled to rely upon the agreements entered into with Barakaa in the normal course and at arm's length.

Following receipt of the Additional Deposit and in accordance with the Amendment, the Purchasers took possession of the Property on February 17, 2024. In permitting this, Barakaa performed its obligations under the Amendment. They continue to reside at the Property and have made financial investments and improvements to same.

The Purchasers are *bona fide* purchasers for value and acquired an equitable interest in the Property prior to the Receivership. In the circumstances, it is the Purchasers' position that the Receiver is bound to perform the APS and the Amendment. Should the Receiver move to disclaim the APS and the Amendment, seek vacant possession of the Property and list the Property for sale, we have instructions to oppose such relief.

In the event that the Receiver disagrees with the Purchasers' position, we ask that you confirm same. Subject to that, a case conference will be necessary for the purposes of seeking directions in respect of the Purchasers' anticipated motion seeking an order that the Receiver honour the terms of the APS and Amendment, including crediting the Additional Deposit towards the purchase price of the Property, and close the transaction with the Purchasers.

Sincerely,

PALLET VALO LLP

SCHEDULE "A"**ADDITIONAL TERMS****DWELLING MATTERS, SITING, MATERIALS CHANGES, ETC**

5. The Vendor agrees that it will erect on the Real Property the Dwelling in accordance with plans and specifications (the "**Plans**") already examined by the Purchaser and in accordance with Schedule "C" and Schedule "D". The Purchaser acknowledges and agrees that the Vendor may from time to time, in its sole discretion, or as requested or required by the Vendor's architect or any design consultants or by any governmental authority, change, alter, vary or modify the Plans, the siting of the Dwelling and/or the grading of the Real Property without notice thereof to the Purchaser. The Purchaser agrees to accept such changes, alterations, variations or modifications and, without limiting the generality of the foregoing, variations to the lot/block number, municipal address, location, area and frontage or depth of the Real Property without any abatement of the Purchase Price or claim for compensation whatsoever. The Purchaser also acknowledges and agrees that architectural control of exterior elevations, driveway construction, boulevard tree planting, landscaping, corner lot fencing (including the location of such corner lot fencing), exterior colour schemes, or any other material external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the developer. In the event the Vendor is required, in compliance with such architectural control requirements to construct an exterior elevation for the Dwelling other than as specified in this Agreement or amend the driveway construction or location, boulevard tree planting or landscaping plan for the Dwelling and/or Real Property, as the case may be, (all of which is hereinafter referred to as the "**Amended Exterior Plans**"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling and/or Real Property, as the case may be, in accordance with the Amended Exterior Plans, and the Purchaser hereby irrevocably agrees to accept such Amended Exterior Plans in lieu of the plans for same specified in this Agreement without any abatement of the Purchase Price or claim for compensation whatsoever. The Vendor shall have the right, in its sole discretion, to construct the Dwelling either as shown on the Plans or to construct such Dwelling on a reverse mirror image plan, including reversal of the garage siting and reversal of the interior floor plan layout. Construction of a reverse mirror image plan is hereby irrevocably accepted by the Purchaser without any right of abatement of the Purchase Price or claim for compensation whatsoever. Further, in the event the Vendor determines, in its sole discretion, to construct the Dwelling at a grade level different than as depicted in the Plans, necessitating a step or series of steps to the front door, side door, rear door, or any door from the garage to the interior of the Dwelling or any elimination of the side door or door from the house to the garage or garage to outside, if any, the Purchaser hereby agrees to accept such change(s) without any abatement of the Purchase Price or claim for compensation whatsoever. The Vendor shall further have the right to substitute other material for that provided for in the Plans, in the sole discretion of the Vendor, for any cause which it may deem reasonable without notice thereof to the Purchaser, provided that such material is, in the sole judgment of the Vendor, of substantially equal or better quality than the material in the Plans and the Purchaser shall accept same without any abatement of the Purchase Price or claim for compensation whatsoever. The provisions of this Section may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his successors in title or assigns against the Vendor.
6. The Purchaser acknowledges and agrees that as the Dwelling being purchased herein is a townhouse dwelling, the subject lot/block of which the Real Property forms a part will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of the lot/block without any abatement of the Purchase Price or claim for compensation whatsoever.

FEATURES AND FINISHES

7. The Purchaser acknowledges that he has purchased the Dwelling on the basis of the Plans and not from a model. The Purchaser acknowledges that the model home(s), if any, are for display purposes only, and that some or all of the features contained therein may not be included in the Dwelling unless the same is specifically provided for in a Schedule forming part of this Agreement. Any item identified as optional or an upgrade in the sales or marketing material(s) is not included in the Dwelling but may be purchased at additional cost under a separate Schedule to this Agreement or by separate agreement. The Purchaser's attention is drawn to Schedule "B" which forms part of this Agreement and which sets out therein the items which will be included in the Dwelling as standard features. The Purchaser hereby acknowledges that the Dwelling will only include those standard features and, accordingly, if the Purchaser requires any clarification or explanation as to items, features or finishes as referred to in Schedule "B" or anywhere else in this Agreement, or with respect to any matters whatsoever which the Purchaser has discussed with the Vendor's sales representative(s), such clarifications or explanations must be made in writing and included in this Agreement, failing which the Purchaser shall be estopped from making a claim for any such clarifications, explanations, items, features, finishes or representations, other than as set out in writing in this Agreement. The Purchaser hereby acknowledges that there are no representations, warranties, guarantees, collateral agreements or conditions whatsoever affecting this Agreement, the Dwelling or the Real Property or supported hereby other than as is expressed in writing, in this Agreement.
8. The Purchaser specifically acknowledges that in the manufacture and/or production of items, variances may occur from the Vendor's samples and also such items shown as samples may not be subsequently available. The Purchaser hereby agrees to accept any such resulting variations whether as to supplier, brand name, colour and/or otherwise without any abatement of the Purchase Price or claim for compensation whatsoever.

SUBSTANTIAL COMPLETION OF THE DWELLING/OCCUPANCY

9. In the event that the Dwelling is substantially completed and ready for occupancy by the Closing Date, the sale shall be completed on such date without any holdback whatsoever of any part of the Purchase Price and the Vendor shall complete any outstanding items of construction required by this Agreement within a reasonable time thereafter and during normal business hours, having regard to weather conditions and the availability of labour and materials. If there is a detached garage as part of the Real Property, substantial completion of the Dwelling shall not include completion of the said garage and the Purchaser shall complete the within transaction notwithstanding that the construction of the garage is not completed or even started. For the purpose of this Agreement, the Dwelling shall be deemed to be substantially complete when the interior work has been substantially finished to permit occupancy, notwithstanding that there remains grading or landscaping or other outside work to be completed. The Vendor shall provide evidence that occupancy is permitted in accordance with and only to the extent required by the Tarion Addendum.

TARION WARRANTY CORPORATION

10. (a) The Vendor covenants that on completion of this transaction a warranty certificate for the Dwelling will be requested from Tarion. Such warranty shall contain the only warranties covering the Dwelling. The Purchaser acknowledges and agrees that any warranties of or liabilities for workmanship or materials, in respect of any aspect of the construction of the Dwelling, whether implied by this Agreement or at law or in equity or by any statute or otherwise, shall be limited to only those warranties deemed to be given by the Vendor under the *Ontario New Homes Warranties Plan Act*, as may be amended (the "**ONHWPA**") and shall extend only for the time period and in respect of those items as stated in the ONHWPA, it being understood and agreed that there is no representation, warranty, guarantee, collateral agreement, or condition in any way affecting this Agreement, the Dwelling and/or the Real Property other than as expressed herein.
- (b) The Purchaser or the Purchaser's designate as hereinafter provided agrees to meet the Vendor's representative at the date and time designated by the Vendor, prior to the Closing Date, to conduct a pre-delivery inspection of the Dwelling (the "**PDI**") and to list all items remaining incomplete at the time of such inspection together with all mutually agreed deficiencies with respect to the Dwelling on the Tarion Certificate of Completion and Possession (the "**CCP**") and the PDI form, in the forms prescribed from time to time by, and required to be completed pursuant to the provisions of the ONHWPA. The said CCP and PDI forms shall be executed by both the Purchaser or the Purchaser's designate and the Vendor's representative at the PDI and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work and the Purchaser shall not require any further undertaking of the Vendor to complete any outstanding items. In the event that the Vendor performs any additional work to the Dwelling in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise enlarged its obligations hereunder.

- (c) The Purchaser shall be entitled to send a designate to conduct the PDI in the Purchaser's place or attend with their designate, provided the Purchaser first provides to the Vendor a written authority appointing such designate for PDI prior to the PDI. If the Purchaser appoints a designate, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all of the documentation executed by the designate to the same degree and with the force and effect as if executed by the Purchaser directly.
- (d) In the event the Purchaser and/or the Purchaser's designate fails to attend the PDI or fails to execute the CCP and PDI forms at the conclusion of the PDI, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement and/or at law. Alternatively, the Vendor may, at its option complete the within transaction but not provide the keys to the Dwelling to the Purchaser until the CCP and PDI forms have been executed by the Purchaser and/or its designate or complete the within transaction and complete the CCP and PDI forms on behalf of the Purchaser and/or the Purchaser's designate and the Purchaser hereby irrevocably appoints the Vendor the Purchaser's attorney and/or agent and/or designate to complete the CCP and PDI forms on the Purchaser's behalf and the Purchaser shall be bound as if the Purchaser or the Purchaser's designate had executed the CCP and PDI forms.
- (e) The Purchaser acknowledges that the Homeowner Information Package as defined in Tarion Bulletin 42 (the "HIP") is available from Tarion and that the Vendor further agrees to provide the HIP to the Purchaser or the Purchaser's designate, at or before the PDI. The Purchaser, or the Purchaser's designate agrees to execute and provide to the Vendor the Confirmation of Receipt of the HIP forthwith upon receipt of the HIP.
- (f) In the event the Purchaser and/or the Purchaser's designate fails to execute the Confirmation of Receipt of the HIP forthwith upon receipt thereof, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement and/or at law.
- (g) The Purchaser agrees with the Vendor that the Vendor and/or its representatives shall have the right to enter the Dwelling and the Real Property after completion of the purchase in order to complete any of the items listed on the CCP and PDI forms, provided that if the Purchaser fails or refuses to permit the Vendor and/or its representatives such entry, the Vendor's obligations hereunder shall terminate and be at an end. Any such entry shall be deemed not to be a trespass.
- (h) The Purchaser acknowledges that the area of the Dwelling, as may be represented or referred to by the Vendor or any sales representative, or which appears in any sales or marketing material(s) is approximate only and is measured in accordance with Builder Bulletin No. 22 published by Tarion. Actual useable floor space may (therefore) vary from any stated or represented floor area or gross floor area, and the extent of the actual or useable living area within the confines of the Dwelling may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor. Accordingly, the Purchaser hereby confirms and agrees that all details and dimensions of the Dwelling purchased hereunder are approximate only, and that there shall be no adjustment of the Purchase Price or claim for compensation whatsoever, whether based upon the ultimate square footage of the Dwelling, or the actual or useable living space within the confines of the Dwelling or otherwise. The Purchaser further acknowledges that where ceiling bulkheads or telecommunication devices are installed within the Dwelling and/or where dropped ceilings are required, then the ceiling height of the Dwelling may be less than that represented, and the Purchaser shall correspondingly be obliged to accept the same without any abatement or claim for compensation whatsoever.
- (i) The completion of the foregoing inspection and the preparation and endorsement of the Certificate are conditions of the Vendor's obligation to complete this transaction. Failure by the Purchaser to attend at the appointed time for the inspection and to complete the Certificate shall be deemed to be default by the Purchaser under this Agreement. The Vendor, at its sole, absolute, subjective and unfettered option, may thereupon either re-schedule the inspection subject to an administrative fee of \$250.00 plus Applicable Taxes payable to the Vendor or terminate the transaction in accordance with the provisions set out herein, or may elect to complete the Certificate on behalf of the Purchaser. The Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as his lawful attorney in the Purchaser's name, place and stead for this purpose.
11. The Purchaser covenants and agrees that he will exhaust all the remedies available to him with Tarion with respect to any claim relating to defects in workmanship or materials or with respect to any other claim arising under the ONHWP or in respect of the Tarion Addendum, prior to pursuing any other means of redress with regard to such claims. In the event the Purchaser does not comply with the provisions of this Section, or takes any unwarranted or unreasonable actions with respect to such claims, the Purchaser shall be held liable for any damages sustained by the Vendor as a result thereof.

TITLE AND CONVEYANCING MATTERS

12. The Purchaser agrees to accept title to the Real Property subject to the following items and the Purchaser covenants and agrees to adhere to the terms and conditions as set out therein. The Purchaser agrees to satisfy himself as to compliance with any of the following items and the Vendor shall not be obligated on the Closing Date or thereafter to obtain any compliance, releases or discharges with respect to any of the following items:
- (a) any agreement, subdivision agreement, site plan agreement, development agreement, financial agreement or other agreement entered into with any municipal authority or other governmental authority or with any public or private utility commission or railway company, including any restrictions, covenants, obligations or liabilities contained therein (collectively the "**Subdivision Agreements**");
- (b) any building or other restrictions and covenants that may be registered against the title of the Real Property and the Purchaser agrees, if required by the Vendor, to sign the transfer/deed of land containing such restrictions and covenants to extract the same from any subsequent Purchasers;
- (c) a right in the nature of an easement or license for the Vendor and/or the developer and their respective successors and assigns and their servants and agents to enter upon the Real Property (without such act being a trespass) at any time prior to the complete acceptance of the subdivision of which the Real Property forms a part (the "**Development**") by the Municipality or thereafter for completion or correction of grading and surface drainage and in order to permit the Vendor and/or the developer to carry out the obligations, if any, under the Subdivision Agreements or as imposed by any governmental authority or bonding company to effect any corrective measures with respect to the Subdivision Agreements applicable to the Real Property and the transfer/deed of land may contain a clause to this effect;
- (d) such easements or rights-of-way, licenses or leases, permanent or temporary, as exist or may subsequently be granted in favour of the Municipality, any railway company, any applicable regional municipality, the developer or any public or private utility, including, but not limited to, any telephone supplier, any hydro supplier and any gas supplier for hydro, fuel, telephone, television, cable, sewers, water, municipal or other services or utilities; and, further, the Purchaser covenants and agrees to assume, accept and permit any such easements, rights-of-way, licenses or leases and if such easements, rights-of-way, licenses or leases have not been determined when the Purchaser receives his conveyance, such conveyance may contain a covenant by the Purchaser for himself, and his heirs, executors, administrators, successors and assigns, to grant any additional easements, rights-of-way, licenses or leases as may be required by the Vendor, developer, any municipal or other governmental authority or utility or railway company and the Purchaser further covenants and agrees to execute all documents without charge which may be required to convey or confirm any such easement, right-of-way, license or lease and shall exact a similar covenant in any agreement entered into between the Purchaser and any subsequent Purchaser from him;
- (e) such easements as may be required by the Vendor and/or adjoining owners for maintenance or encroachment purposes and

- the encroachments permitted thereby;
- (f) any other agreements, covenants, or other instruments as herein expressly provided; and
- (g) any minor breaches of any of the foregoing that have been remedied or are in the process of being remedied.
13. Title to the Real Property shall on the Closing Date be good and free from all encumbrances, except as provided for in this Agreement. The title is to be examined by the Purchaser at his own expense and he is not to call for the production of any deeds or abstracts of title, surveys, proof of evidence of title or to have furnished any copies thereof, other than those in the Vendor's possession or as provided for in this Agreement. The Purchaser is to be allowed until thirty (30) days prior to the Closing Date to examine the title at his own expense and if within that time he shall furnish the Vendor in writing with any valid objections to the title which the Vendor shall be unwilling or unable to remove and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate acts or negotiations, be null and void and the monies paid to the Vendor to that date on account of the Deposit shall be returned as provided for herein and the Vendor shall not be liable for any damages or costs whatsoever, including, without limiting the generality of the foregoing, loss of bargain, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs. Save as to any valid objections so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Real Property.
14. The Purchaser acknowledges that the Real Property is or will be encumbered by mortgages and/or encumbrances which the Purchaser is not to assume and that the Vendor will not be obligated to obtain and register a discharge of such mortgages and/or encumbrances insofar as they affect the Real Property until a reasonable time after the Closing (as defined in the Taron Addendum) and the Purchaser shall accept the undertaking of the Vendor's solicitors to obtain and register as soon as reasonably possible after Closing a discharge of such mortgages and/or encumbrances except as provided for herein and further agrees not to refuse to complete this transaction on the grounds that such mortgages and/or encumbrances have not been discharged.
15. The transfer/deed of land shall be prepared at the Vendor's expense and may contain any or all of the provisions set forth in this Agreement and shall be executed by the Purchaser, if required by the Vendor, and the Purchaser shall execute and deliver on the Closing Date a covenant, undertaking or agreement incorporating all or any of the terms contained herein or as may be required by the Vendor. The Purchaser undertakes and agrees to register the transfer/deed of land at his own expense at the time of Closing. Each party is to pay the cost of registration and taxes on its own documents. The Purchaser shall deliver to the Vendor, on or before the Closing Date, as required by the Vendor the Acknowledgement in the form attached to this Agreement, if any, duly completed and executed. The Purchaser agrees to advise the Vendor or its solicitors no less than thirty (30) days prior to the Closing Date of the manner in which title is to be taken by the Purchaser, including, the date(s) of birth and marital status and the Purchaser shall be required to close the transaction in the manner so advised unless the Vendor otherwise consents in writing, which consent may be arbitrarily withheld, failing which title to the Real Property shall be engrossed in the name of the Purchaser as noted on this Agreement and the Purchaser shall be estopped from requiring any further changes to the manner in which the transfer/deed of land is engrossed.
16. The Purchaser hereby acknowledges the full priority of any mortgage or construction financing arranged by the Vendor and/or secured by the Real Property over his interest as Purchaser for the full amount of the said mortgage or construction financing, notwithstanding any law or statute to the contrary and agrees to execute all acknowledgements or postponements required to give full effect thereto. The Purchaser covenants and agrees that this Agreement is subordinate to and postponed to any mortgages arranged by the Vendor and any advances thereunder from time to time, and to any easement, license or other agreement concerning the Real Property. The Purchaser further agrees to consent to and execute all documentation as may be required by the Vendor in this regard and the Purchaser hereby irrevocably appoints the Vendor as the Purchaser's attorney to execute any consents or other documents required by the Vendor to give effect to this paragraph. The Purchaser hereby consents to the Vendor and its designated or proposed lenders obtaining a consumer's report containing credit and/or personal information for the purposes of this transaction. The Purchaser further agrees to deliver to the Vendor, from time to time, within ten (10) days of written demand from the Vendor, all necessary financial and personal information required by the Vendor in order to evidence the Purchaser's ability to pay the balance of the Purchase Price on the Closing Date, including without limitation, written confirmation of the Purchaser's income, copy of mortgage approval letter and evidence of the source of the payments required to be made by the Purchaser in accordance with this Agreement. Without limiting the generality of the foregoing and notwithstanding any other provision in this Agreement to the contrary, within ten (10) days of written demand from the Vendor, the Purchaser agrees to produce evidence of a satisfactory mortgage approval signed by a lending institution or other mortgagee acceptable to the Vendor confirming that the said lending institution or acceptable mortgagee will be advancing funds to the Purchaser sufficient to pay the balance due on the Closing Date. If the Purchaser fails to provide the mortgage approval as aforesaid, then the Purchaser shall be deemed to be in default under this Agreement. The Vendor may, in its sole discretion, elect to accept in the place of such mortgage commitment, other evidence satisfactory to the Vendor that the Purchaser will have sufficient funds to pay the balance due on the Closing Date.
17. In the event that the Municipality does at some point in time provide a release of any of the Subdivision Agreements, the Vendor may either provide such release to the Purchaser for registration of such release by the Purchaser at the Purchaser's expense or register the release, if any, in which event the Purchaser shall pay the Vendor the cost of registration of such release forthwith upon request although the Vendor may, at its option, add such cost to the statement of adjustments as a credit to the Vendor. The foregoing provision does not in any way whatsoever require the Vendor to request any such release or impose an obligation on the Vendor to take any steps to obtain any such release.
18. The Purchaser acknowledges that the transfer/deed of land to the Real Property to be given on the Closing Date may emanate from the registered owner of the Real Property and not from the Vendor herein, and the Purchaser agrees to accept same and to accept such owner's title covenants in lieu of the Vendor's, in the event the Vendor is not the registered owner of the Real Property on Closing. In that event, the Purchaser agrees to execute an acknowledgement on the closing confirming that: (i) the registered owner is providing title directly to the Purchaser at the direction of the Vendor; (ii) the registered owner is not the builder or Vendor and has no liability to the Purchaser as such; (iii) the registered owner is not responsible for any matters related to the development of the subject lands; and (iv) the Purchaser releases and forever discharges the registered owner from any manner of claim, costs, damages or other losses in any way related to the development of the subject lands.

PLANNING ACT

19. This Agreement shall be conditional upon compliance with the subdivision control provision of the *Planning Act* (Ontario), as may be amended, which compliance shall be obtained by the Vendor, at its sole expense, on or before Closing.

INSURANCE

20. The Purchaser shall place his own insurance on the Real Property for Closing.

ADJUSTMENTS

21. On the Closing Date, the Purchaser shall pay to the Vendor, as an adjustment on the statement of adjustments (plus HST), in addition to any other monies required to be paid as set out in this Agreement, the following:

- (c) the Vendor's proportionate amount of the realty taxes (including local improvement charges) which shall be apportioned and allowed to the Closing Date. Realty taxes (including local improvement charges) shall be estimated by the Vendor for the calendar year in which the transaction is completed as well as for the following calendar year, and shall be adjusted as if such sum has been paid by the Vendor, notwithstanding that same may not have been levied or paid by the Closing Date, subject, however, to readjustment when the actual amount of such taxes are ascertained. The Purchaser acknowledges and agrees that the Purchaser shall be solely responsible for any supplementary or omit assessments for realty taxes for period from and after the Closing Date;

A certificate of the Vendor or statutory declaration of an officer of the Vendor specifying the said costs shall be final and binding on the Purchaser;
- (e) all amounts chargeable and billable to the Purchaser for water, hydro, gas, cable T.V. and any other services arising as a result of the Purchaser's failure to make his own contractual arrangements with the relevant public or private utility authorities and suppliers on the Closing Date and for which the Vendor is subsequently charged, it being the express intent of the parties that it shall be the sole responsibility of the Purchaser to notify all relevant utility authorities and make the necessary contractual arrangements to ensure service to the Dwelling;
- (f) the charges imposed upon the Vendor or its solicitors by the Law Society of Ontario upon registration of a transfer/deed of land or charge/mortgage of land or any other instrument;
- (g) the sum of Three Hundred (\$300.00) Dollars plus HST as a contribution towards the cost of fees payable by the Vendor to its lenders, including but not limited to the obtaining of (partial) discharges of mortgages not intended to be assumed by the Purchaser;

- (q) the following shall be paid to the Vendor on the Closing, plus Applicable Taxes eligible thereon: any increase between the development charges and education development charges assessed against or attributable to the Property (pursuant to the Development Charges Act, the Education Act or any successor or replacement legislation) on the date of execution of this Agreement by the Purchaser (if same are paid or could be paid on such date) and the amount actually paid for said development charges and education development charges, together with any interest (if any) on such development charges and education development charges as well as any other or new levies, charges, payments, contributions, fees or assessments, including without limitation, any parks levies, cash-in-lieu of parkland dedication payments, new development charges, new education development charges, public art contributions, impost charges, and/or community benefit charges or payments (or the fair value of any non-cash in-kind contributions assessed against or attributable to the Property by the Municipality, a regional municipality, a transit authority, a public or separate school board or any other authority having jurisdiction under the Development Charges Act, the Education Act, the Planning Act (as amended by the More Homes, More Choice Act, 2019) and any other existing or new legislation, bylaw and/or policy of a similar nature. If the amounts owing under this subsection are assessed against, charged or imposed against the subject project (or portion thereof) as a whole and not against the Property separately, then the Vendor shall be entitled to a reimbursement for the foregoing, equally among all of the dwellings within the subject project or in such other manner as the Vendor may elect, acting reasonably;
- (r) All proper readjustments shall be made after Closing, if necessary, forthwith upon written request. The Vendor may register a Notice of Vendor's Lien or a Charge, in the Vendor's usual form, for unpaid purchase monies or adjustments or claims herein provided together with the interest thereon as provided for herein, and the Purchaser covenants and agrees to forthwith pay all costs in relation to said Notice of Vendor's Lien or Charge including, without limitation, the Vendor's solicitor's legal fees and disbursements and the cost to register said Notice of Vendor's Lien or Charge on title to the Unit. The Vendor will upon request deliver to the Purchaser (for registration at the Purchaser's expense) a release of the Notice of Vendor's Lien or a Discharge of the Charge after such unpaid purchase monies or adjustments or claims herein provided, as applicable, together with the interest thereon as provided for herein have been received by the Vendor and upon payment of a fee of \$250.00 plus Applicable Taxes. The Purchaser hereby irrevocably consents and authorizes the Vendor and the Vendor's solicitors to register the aforementioned Notice of Vendor's Lien or Charge on title to the Unit, without liability on the part of the Vendor or the Vendor's solicitors with respect to such registration;
- (s) The amounts (if any), plus Applicable Taxes, paid by the Vendor to the Municipality and/or other governmental authority or other person (including a private waste contractor) with respect to recycling containers/bins, recycling programs, food/kitchen waste

collection containers/bins, and/or food/kitchen waste collection programs such charges to be absolutely determined by statutory declaration sworn on the part of the Vendor shall be reimbursed to the Vendor on the Closing;

- (t) any costs incurred by the Vendor for the internet delivery of documentation to the Purchaser's solicitor;
 - (u) any amounts which may, in the Vendor's discretion, remain unpaid and owing to the Vendor on account of any extras, upgrades or changes for the Property ordered by the Purchaser;
 - (v) The Purchaser shall advise the Vendor of any changes in any of its mailing address, telephone number or electronic mail address or of its solicitors forthwith upon such change, failing which the Purchaser shall be charged a fee of \$250.00 plus Applicable Taxes on the Statement of Adjustments.
 - (w) Appliances purchased by the Purchaser from the Vendor (or which may be included in the Purchase Price) may not include installation charges which may be charged by the Vendor on the Closing Date as an adjustment at the Vendor's sole, absolute, subjective and unfettered discretion.
 - (x) The Purchaser acknowledges that grading and sodding and landscape plantings (if any) shall be done between June and October (weather permitting and subject to availability of supplies) of any year as per the Vendor's scheduling program. The Purchaser agrees that the Purchaser shall be solely responsible for watering and general maintenance of sod and landscape plantings (if any) from the Occupancy Date or from the date that sod is laid (or landscape plantings are planted), whichever shall be the later, and the Vendor shall have no obligation in that regard. In the event the Vendor is, for any reason, required to replace laid sod (or other landscape plantings, if any), the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser and if so replaced, the Purchaser agrees to reimburse the Vendor for the costs and expenses of same as determined by the Vendor. Further, the Purchaser acknowledges that the order of closing of the Property and/or the order of completion or closing of other lots sold by the Vendor is not indicative of the order of sodding (or landscaping planting) of the Property and said other lots. If the Vendor is required by the Subdivider, developer or any governmental authority to replace any laid sod or landscape plantings, etc., as a result of the Purchaser's default under this subsection, the Purchaser shall promptly pay the Vendor for same and the Vendor shall not be obliged to replace same until payment has been made therefore in full to the Vendor by the Purchaser. The Vendor shall not be required to supply the Purchaser with evidence of payment for the replacement of same. The aforementioned obligations of the Purchaser shall survive the closing of the herein transaction.
 - (y) In the event that the Purchaser (or a person representing or acting on behalf of the Purchaser) enters upon the Property prior to the Purchaser having completed their obligations under this Agreement on the Occupancy Date without the consent in writing of the Vendor and carries out changes or additions to the Dwelling (the "Unlawful Works"), the Purchaser will forthwith pay to the Vendor the amount incurred by it in order to correct any damages caused by the installation or existence of the Unlawful Works including, without limiting the generality of the foregoing, time lost by the resulting delays and interest on monies invested. In addition to the foregoing, if the Unlawful Works shall be determined by any inspector having jurisdiction in that regard as not complying with the statutes, by-laws or regulations applying thereto, the Purchaser shall forthwith carry out any required work to remedy any such non-compliance and failing which, the Vendor, at its option may carry out such work at the expense of the Purchaser which he shall pay to the Vendor forthwith upon written request for payment for same. Should the Vendor, in its sole, absolute, subjective and unfettered discretion, allow the Purchaser to close the purchase of the transaction described herein despite the performance of the Unlawful Works, the Purchaser acknowledges and agrees that the unlawful works shall not be covered under the Warranty Act's warranties and that anything constructed by the Vendor which is not accessible due to the Unlawful Works shall not be covered under the Warranty Act's warranties.
 - (z) In the event the Purchaser requests an extension to the Firm Closing Date or Delayed Closing Date, as the case may be, the Purchaser shall pay the Vendor's solicitor's fees and disbursement (plus Applicable Taxes and disbursements) with respect to such requests and any extensions.
 - (aa) In the event that the Purchaser shall desire to select colours or materials from other than the Vendor's samples, the Purchaser must negotiate such colours or materials directly with the Vendor or the Vendor's subtrade or supplier as directed by the Vendor and attend to payment of any additional cost as a result of such choice to the Vendor or the Vendor's subtrade or supplier directly, as directed by the Vendor.
 - (bb) The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk-out basement, look-out or rear deck where so indicated in this Agreement, or vice versa. In the event this Agreement calls for a walk-out basement, look-out or rear deck and such is not possible or reasonable in the Vendor's opinion or in the event this Agreement does not call for a walk-out basement, look-out or rear deck and such is required, pursuant to final approved grading and engineering plans, the Purchaser shall accept a credit in the Purchase Price, or, pay the additional cost involved in constructing such walk-out basement, look-out or rear deck, as the case may be (such costs shall be absolutely determined by the Vendor).
 - (cc) The Purchaser shall advise the Vendor of any changes in any of its mailing address, telephone number or electronic mail address or of its solicitors forthwith upon such change, failing which the Purchaser shall be charged a fee of \$250.00 plus Applicable Taxes on the Statement of Adjustments.
 - (dd) the Purchaser shall pay as an adjustment on closing to the Vendor or its solicitors all fees and charges imposed by the provider of the EFTS together with any wire transfer fees and charges imposed upon the Vendor or its solicitors by their banks in connection with the transfer of funds
22. If any of the adjustments to be made on the Closing Date cannot be accurately determined at the time of Closing, then the Vendor may estimate the adjustment to be made and the Closing shall take place in accordance with this estimate. There shall be a later and final adjustment when all the items to be adjusted can be accurately determined.
23. The Purchaser acknowledges and agrees that the hot water heater/tank is not included in the Purchase Price and is intended to be non-owned and that it shall remain chattel property and shall not be or become a fixture and/or part of the Dwelling. The Purchaser may be informed of the terms and conditions governing the rental of the hot water heater/tank prior to Closing, and agrees, if required, to execute on, before or after Closing as the Vendor determines a rental document or other contract as required by any relevant municipal authority, public or private utility, sub-metering company or third party company with respect to the said hot water heater/tank, failing which, at the Vendor's sole option, the Vendor shall be entitled to execute the hot water heater/tank's supplier's, sub-metering or other such company's standard rental document or other contract on behalf of the Purchaser as his attorney or agent.
24. In the event any cheque given by the Purchaser is returned after being presented for payment to the financial institution on which it is drawn, by reason of there not being sufficient funds in the account on which said cheque is drawn, the Purchaser shall pay the Vendor for each such returned cheque the sum of Five Hundred (\$500.00) plus HST as liquidated damages and not as a penalty which payment shall, at the Vendor's option, be made as an adjustment on the Closing Date in favour of the Vendor or be delivered to the Vendor together with the replacement cheque.

HARMONIZED OR SINGLE SALES TAX

25. (a) It is acknowledged and agreed by the parties hereto that the Purchase Price already includes a component equivalent to both the federal portion and the provincial portion of the harmonized goods and services tax or single sales tax exigible with respect to this purchase and sale transaction less the Rebate as defined below (the "HST"), and that the Vendor shall remit the HST to Canada Revenue Agency ("CRA") on behalf of the Purchaser forthwith following the completion of this transaction. The

Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, the Purchaser qualifies for the federal and provincial new housing rebates applicable pursuant to the *Excise Tax Act* (Canada) ("ETA"), as may be amended, (collectively, the "Rebate") and further warrants and represents that the Purchaser is a natural person who is acquiring the Real Property with the intention of being the sole beneficial owner thereof on the Closing Date (and not as the agent or trustee for or on behalf of any other party or parties), and covenants that upon the Closing Date the Purchaser or one or more of the Purchaser's relations (as such term is defined in the *Excise Tax Act*) shall personally occupy the Dwelling as his primary place of residence, for such period of time as shall be required by the *Excise Tax Act*, and any other applicable legislation, in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Real Property. The Purchaser further warrants and represents that he has not claimed (and hereby covenants that the Purchaser shall not hereafter claim), for the Purchaser's own account, any part of the Rebate in connection with the Purchaser's acquisition of the Real Property, save as may be otherwise hereinafter expressly provided or contemplated. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the Rebate (and concomitantly releases all of the Purchaser's claims or interests in and to the Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate directly to the Vendor. In addition, the Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor's or Vendor's solicitors' request for same (and in any event on or before the Closing Date), all requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require in order to confirm the Purchaser's entitlement to the Rebate and/or to enable the Vendor to obtain the benefit of the Rebate (by way of assignment or otherwise), including without limitation, the GST/HST New Housing Rebate Application for Houses Purchased from a Builder or other similar form as prescribed from time to time (the "Rebate Form"). The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including an amount equivalent to the Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor). As security for the payment of such amount, the Purchaser does hereby charge and pledge his interest in the Real Property with the intention of creating a lien or charge against same. It is further understood and agreed by the parties hereto that:

- (i) if the Purchaser does not qualify for the Rebate, or fails to deliver to the Vendor or the Vendor's solicitors forthwith upon the Vendor's or the Vendor's solicitors' request for same (and in any event on or before the Closing Date) the Rebate Form duly executed by the Purchaser, together with all other requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require from the Purchaser or the Purchaser's solicitor in order to confirm the Purchaser's eligibility for the Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Rebate; or
- (ii) if the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date;

then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Closing Date, an amount equivalent to the Rebate, in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to pursue the procurement of the Rebate directly from CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Dwelling before or after the Closing Date, the Purchaser shall not be entitled to the Rebate, but may nevertheless be entitled to pursue, on his own after the Closing Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to Section 256.2 of the *Excise Tax Act*, as may be amended, and other applicable legislation to be enacted relating to the provincial new rental housing rebate.

- (b) The Vendor will not collect HST if the Purchaser is a corporation (i.e. not an individual) and provides to the Vendor the following:
 - (i) a warranty in the Vendor's standard form that the Purchaser is registered under the ETA, together with a copy of the Purchaser's ETA registration, (ii) a warranty in the Vendor's standard form that the Purchaser shall self-assess and remit the GST/HST payable and file the prescribed form and shall indemnify the Vendor in respect of any GST/HST payable. The foregoing warranties shall not merge but shall survive the completion of the transaction.
- (c) Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, or any extras, upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the *Excise Tax Act*. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "Reduction"), then the Purchaser shall pay to the Vendor on the Closing Date the amount of (as determined by the Vendor in its sole and absolute discretion) the Reduction.

26. EXTRAS/UPGRADES

The Purchaser covenants and agrees that he shall pay to the Vendor in advance for all extras, upgrades or changes ordered by the Purchaser at the time such order is made and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed as a result of the Purchaser's default under any of the terms of this Agreement. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes, then there shall be refunded to the Purchaser upon the Closing Date that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. In the event such extras, upgrades or changes were included at no charge whether or not included as part of this Agreement then the Vendor's cost of completing such incomplete items will be refunded as determined by the Vendor in its sole discretion. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, the Purchaser receives credit in the statement of adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be deemed to have been released from any and all obligations, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes.

27. NOTICE AND WARNING CLAUSES

The Purchaser acknowledges that the Subdivision Agreements and any and/or future development agreements between the Vendor and the Municipality or any other applicable party may require the Vendor to provide the Purchaser with certain notices or warnings including, without limiting the generality of the foregoing, notices or warnings regarding the use of the Real Property, environmental issues, noise levels from adjacent roadways or otherwise, maintenance of municipal fencing, school transportation and related educational issues, and the status of services and works in the Development. The Purchaser acknowledges and agrees that the Vendor may be unable, at this time, to provide the Purchaser with all such notices and warnings. On or before Closing, the Purchaser shall forthwith execute upon request an acknowledgment or amendment to this Agreement containing the required notices and warning clauses. The Purchaser acknowledges and agrees that the Vendor may be unable to sell the Real Property to the Purchaser unless the Purchaser executes such acknowledgments or amendments as aforesaid. In the event that the Purchaser fails to execute such acknowledgments or amendments

forthwith upon being requested to do so, the Vendor shall be entitled, at its sole option, to terminate this Agreement and upon such termination, all monies paid to the Vendor hereunder shall be forfeited to the Vendor and this Agreement shall be at an end, and the Purchaser shall not have any further rights hereunder. Alternatively, at the sole discretion of the Vendor, after all required notices and warnings are available, a copy thereof may be sent to the Purchaser as a notice in the manner set out in this Agreement and such transmittal shall constitute acknowledgment of receipt of a copy thereof and the Purchaser irrevocably designates the Vendor as its attorney and/or agent to execute and deliver on his behalf to the Municipality or any other applicable party any required acknowledgments with respect thereto. Without limiting the generality of the foregoing, the Purchaser acknowledges being advised of the notices as set out in Schedule "E".

INSURANCE/RISK

28. All buildings and equipment comprising the Dwelling and the Real Property shall be and remain at the risk of the Vendor until Closing and pending completion of the sale, the Vendor will hold all insurance policies and the proceeds thereof for the Vendor's benefit alone. In the event of damage to the Dwelling, the Vendor may either in its sole discretion (a) repair the damage, finish the Dwelling and complete the sale and, if necessary, delay the Closing Date in the manner permitted in the Taron Addendum; or (b) terminate this Agreement and return to the Purchaser all deposit monies paid by the Purchaser to the Vendor payable under law if the damage to the Dwelling has frustrated this Agreement at law.

PURCHASER COVENANTS AND AGREEMENTS

29. Notwithstanding the closing of this transaction, the Purchaser hereby authorizes and shall not obstruct or interfere in any way with the Vendor, the developer, the Municipality, the regional municipality, the public and/or private utilities, the telephone and/or cable company or persons authorized by any of them, free access to the Real Property and the Dwelling at all reasonable hours in order to make inspections and to do such work or repairs, including, but not restricted to, correction of sodding and/or grading, installation of catch basins, installation, repair, construction or reconstruction and/or maintenance of any of the municipal services, public and/or private utilities and other services, including sewers and water mains; and for any of the purposes aforesaid or related thereto, such entry on the Real Property and Dwelling by any such persons shall not be deemed to be committing trespass and the Purchaser does hereby give leave and licence to any of such persons for the purposes aforesaid and free access for any such persons shall continue for such period of time as may be set out in the Subdivision Agreements or any other agreements affecting the Real Property or as may be required by the Vendor or the developer and/or any municipal or governmental authority, regulatory body or public or private utility. The Purchaser further covenants to comply with and not to breach any of the Subdivision Agreements or any other such agreements.
30. The Purchaser undertakes and covenants that he will not, at any time either before or after the Closing Date, without the prior written authority of the Vendor and the developer (which may be unreasonably or arbitrarily withheld) interfere with or alter the drainage ditch, obstruct the natural flow of water or obstruct the drainage as designed and engineered by the developer, erect fences, porches, patios, planting, paving, swimming pool, clothes lines or obstructions of any kind, remove top soil or subsoil, cut down living trees or do anything which may change or alter the grading or obstruct the drainage of the Real Property or surrounding lots or lands in any way and if he does, the Vendor or its servants, successors, agents and assigns may enter thereon and correct such grading or remove or relocate such obstructions at the Purchaser's expense and be paid, forthwith upon demand, the cost thereof. The Purchaser shall adhere to the overall drainage patterns of the Development, including such easements as may exist or may be required for the purpose of water drainage upon the Real Property to and from adjoining lands, and the Purchaser agrees to grant such easements as may be required from time to time by the Vendor or developer for drainage. The foregoing covenant may, at the option of the Vendor, be included in any transfer of title to the Purchaser and shall run with the land. The Purchaser agrees that he shall be solely responsible for watering and general maintenance of sod from the Closing Date or from the date that sod is laid, whichever shall be later, and the Vendor shall have no obligation in that regard whatsoever. If the Vendor is required by the developer or any governmental authority to replace any laid sod as a result of the Purchaser's default under this Section, the Purchaser shall promptly pay the Vendor for same and the Vendor shall not be obliged to do so until payment has been made therefore in full to the Vendor by the Purchaser.
31. The Vendor hereby notifies the Purchaser and the Purchaser acknowledges that the developer has agreed to provide and pay for paved roads, sidewalks, curbs, street lighting, sanitary and storm sewers, street signs and other services as required by the Subdivision Agreements and that such is the responsibility of the developer and not the Vendor. In the event that title to the Real Property is transferred directly from the developer or another party (the "Party") rather than the Vendor, the Purchaser covenants and agrees to execute and deliver on the Closing Date an acknowledgement and release in a form satisfactory to the Vendor and/or developer and/or the Party releasing the developer or the Party, as the case may be, from any and all matters in respect of the within transaction and acknowledging that the developer or the Party, as the case may be, has no liability, obligation or responsibility to the Purchaser.
32. The Purchaser agrees that until all lots or blocks in the Development are sold, the Vendor shall have the exclusive right to maintain model homes, signs, sales staff and marketing material(s) in the Development and to show prospective Purchasers through the Development and through any unsold homes and the Purchaser agrees not to display any sign on the Real Property offering the Real Property for sale or rent until after the Closing Date. In the event that the Purchaser displays any such sign on the Real Property, the Vendor shall have the absolute right to enter on the Real Property and remove such sign without such act being a trespass.
33. The Purchaser agrees that in the event that there is any water leakage into the basement or any other damage of any kind or nature whatsoever which the Vendor shall be required at law or by Taron to repair, the Vendor shall not be liable for any consequential damage caused by the water or otherwise nor for any damage to any improvements, fixtures, furnishings or personal property of the Purchaser, but shall be responsible only for the repair of such damage or leakage in accordance with the terms hereof. Further, the Purchaser waives his right to any claim against the Vendor for damage to the Dwelling due to shrinkage, warpage, twisting or settlement or any secondary or consequential damage resulting therefrom. Further, the Vendor shall not be liable for any secondary or consequential damages whatsoever which may result from any defect in materials, design or workmanship related to the Dwelling. The Purchaser further acknowledges that the Vendor is not responsible for the repair of any exterior work resulting from settlement, including driveways, walkways, patio stones or sodded areas or for any damage to interior household improvements or decor caused by material shrinkage, twisting or warpage. The Purchaser agrees that this Section may be pleaded by the Vendor in estoppel of any claims by the Purchaser pursuant to this Section.
34. The Purchaser agrees that prior to the Closing Date he will not in any circumstances enter onto the Real Property without the express written authority of the Vendor and accompanied by a representative of the Vendor and any entry other than as aforesaid shall be deemed to be a trespass and the Vendor shall be entitled to exercise any rights that it may have pursuant to this Agreement or at law as a result of same. In addition, the Purchaser agrees that he will not in any circumstances, either personally or by his agent, servant or authorized representative, perform or have performed any work of any nature or kind whatsoever on the Dwelling or the Real Property prior to the conveyance of the Real Property to the Purchaser and in the event of a breach of this covenant, the Vendor shall be entitled, at its sole option, to deem such breach as an event of default by the Purchaser under this Agreement or to take whatever steps are necessary to remove, correct or remedy any such work, and in such event, at the Vendor's sole option, the costs and expenses thereof plus a fifteen percent (15%) administration fee shall be paid to the Vendor by the Purchaser forthwith upon demand by the Vendor or added to the Purchase Price as an adjustment on the Closing Date. In the event the Vendor completes the sale of the Real Property to the Purchaser all warranties related to any items and/or matters the Purchase affected by his actions shall be voided.
35. The Purchaser acknowledges that due to the nature and extent of construction work which will be required to be undertaken by the Vendor on the Real Property in connection with the excavation, erection, and construction of the Dwelling, one or more trees may be removed from the Real Property and others may or will suffer damage or destruction both before and after Closing, as a result of the removal, interference or the destruction of roots, contact with the trunk by equipment or machinery or otherwise. The Purchaser hereby acknowledges, covenants, and agrees that the Vendor shall not be responsible or liable in any manner, whatsoever, for any loss or destruction to trees or for any loss or destruction to the property of the Purchaser howsoever caused nor shall the Vendor be responsible or liable for the removal of any trees or parts thereof, from the Real Property, at any time, whatsoever. It is understood and agreed that the Vendor has made no representation, warranty, guarantee, collateral agreement or condition whatsoever, regarding the preservation, removal, condition or health of trees on the Real Property.

36. The Purchaser agrees that he will not, for a period of at least two (2) years from the Closing Date, plant any trees, shrubs, vines, hedges or other such landscaping on the Real Property that will interfere with, alter or change the grading or obstruct the drainage of the Real Property or surrounding lots or lands without the express written consent of the Vendor which consent may be unreasonably or arbitrarily withheld. The Vendor shall have the right during such period to enter on the Real Property, without notice to the Purchaser, and to remove, without any liability, whatsoever, any such trees, shrubs, vines, hedges or other landscaping planted on the Real Property in contravention of this Section without such act being a trespass.
37. The Purchaser covenants and agrees to provide all requisite information and materials including proof respecting income and source of funds as the Vendor may require to determine the Purchaser's credit worthiness. The Purchaser acknowledges that it may be necessary for the Vendor to obtain credit or other information in order to satisfy itself as to the Purchaser's credit worthiness and authorizes the

Vendor and the Vendor's designated or proposed construction lender(s) from time to time to obtain any consumer reports or other information it may require and any consumer reporting agency or credit bureau is hereby authorized to release such information as the Vendor may request.

NON-REGISTRATION AND NO ASSIGNMENT AND NO OBJECTION

38. The Purchaser covenants and agrees that he will at no time register or attempt to register this Agreement on title to the Real Property by way of caution, deposit, assignment or in any way whatsoever, and it is expressly agreed by all parties hereto that any such registration or attempt by the Purchaser or anyone acting for or through him shall constitute an event of default under this Agreement. In the event that this Agreement, a caution, a deposit, an assignment or any other instrument whatsoever is registered against or dealing with the title in contravention of this provision, then the Purchaser hereby appoints the Vendor his true and lawful attorney and/or agent for the purposes of removing the instrument from title, including the giving of any discharge, lifting or release of any caution, deposit or the assignment of any rights pursuant to this Agreement. The Purchaser hereby irrevocably consents to a court order removing any such notice of this Agreement, caution, deposit or any other documents or instruments whatsoever from title to the Real Property. The Purchaser shall bear all costs incurred by the Vendor in the exercise of any of its rights pursuant to this provision. The Purchaser acknowledges that notwithstanding any rule of law to the contrary that by executing this Agreement he has not acquired any equitable or legal interest in the Dwelling or the Real Property.
39. The Purchaser covenants and agrees that he will in no way, directly or indirectly, list for sale or lease, advertise for sale or lease, rent, convey, transfer, sell or lease, nor in any way assign his interest under this Agreement or the Purchaser's rights and interests hereunder or in the Real Property, nor directly or indirectly permit any third party to list or advertise the Real Property for sale or lease at any time prior to the Closing Date without the prior written consent of the Vendor which consent may be unreasonably or arbitrarily withheld. The Purchaser acknowledges and agrees that once a breach of the preceding covenant and agreement occurs such breach shall be a default hereunder and, at the Vendor's sole option, be deemed incapable of rectification and accordingly the Purchaser acknowledges and agrees that in the event of such breach the Vendor shall have the unilateral right and option of taking whatever steps are available to the Vendor in the event of the Purchaser's default. The Purchaser shall be entitled to direct that title to the Poll be taken in the name of his or her spouse, or a member of his or her immediate family only (being limited to parents, siblings or children over the age of eighteen (18) years), and shall not be permitted to direct title to any other third parties without the prior written consent of the Vendor, which consent may be unreasonably or arbitrarily withheld.
40. The Purchaser covenants and agrees that he shall not directly nor indirectly object to nor oppose any official plan amendment(s), rezoning application(s), severance application(s), minor variance application(s) and/or site plan application(s), nor any other applications ancillary thereto relating to the development of the Real Property, or any neighboring or adjacent lands. The Purchaser further acknowledges and agrees that this covenant may be pleaded as an estoppel or bar to any opposition or objection raised by the Purchaser thereto.

ELECTRONIC REGISTRATION AND TENDER

41. The parties waive personal tender and agree that tender in the absence of any other mutually acceptable arrangement and subject to the provisions of this Agreement shall be validly made by the Vendor upon the Purchaser by a representative of the Vendor (which shall include the Vendor's solicitor) attending or being available at the offices of the Vendor's solicitors at 3:30 p.m. on the Closing Date and remain there until 4:30 p.m. of the same date and being ready, willing and able to complete the subject transaction. In the event the Purchaser or his solicitor fails to appear or appears and fails to close the subject transaction such attendance by the Vendor's representative shall be deemed satisfactory evidence that the Vendor was ready, willing and able to complete the sale at such time. Payment shall be tendered by wired funds.
42. Notwithstanding anything contained herein to the contrary, in the event the Purchaser or his Solicitor advise the Vendor or its Solicitors, on or before the Closing Date that the Purchaser is unable or unwilling to complete the purchase, the Vendor is relieved of any obligation to make any formal tender upon the Purchaser or his Solicitor and may exercise forthwith any and all of its right and remedies provided for in this Agreement and at law.
43. Given that the electronic registration system (the "Teraview Electronic Registration System" or "TERS") is operative in the applicable Land Titles Office in which the Real Property is registered, the following provisions shall prevail:
- (a) the Purchaser shall be obliged to retain a solicitor, who is both an authorized TERS user and in good standing with the Law Society of Upper Canada, to represent the Purchaser in connection with the completion of this transaction. The Purchaser shall authorize such solicitor to, at the option of the Vendor's solicitor, either execute an escrow closing agreement with the Vendor's solicitor on the standard form recommended by the Law Society of Ontario (the "Document Registration Agreement") establishing the procedures and timing for completing this transaction or to otherwise agree to be bound by the procedures set forth in the Document Registration Agreement. If the Vendor's solicitor provides written notice to the Purchaser's solicitor that it accepts and agrees to be bound by the terms of the form of Document Registration Agreement prepared by the Law Society of Ontario and adopted by the Joint LSO - CBAO Committee on Electronic Registration of Title Documents, as may be amended from time to time, the Vendor's solicitor and the Purchaser's solicitor shall be deemed to have executed such form which shall be the Document Registration Agreement defined in this paragraph and referred to in this Agreement;
 - (b) the delivery and exchange of documents, monies and keys to the Dwelling, and the release thereof to the Vendor and the Purchaser, as the case may be:
 - (i) shall not occur contemporaneously with the registration of the transfer/deed (and other registerable documentation); and
 - (ii) shall be governed by the Document Registration Agreement, pursuant to which the solicitor receiving the documents, keys and/or certified funds will be required to hold same in escrow, and will not be entitled to release same except in strict accordance with the provisions of the Document Registration Agreement;
 - (c) the Purchaser expressly acknowledges and agrees that he will not be entitled to receive the transfer/deed of land to the Real Property for registration until the balance of funds due on the Closing Date, in accordance with the statement of adjustments, are either remitted by wired funds or by electronic funds transfer to the Vendor's solicitor (or in such other manner as the latter may direct) prior to the release of the transfer/deed of land for registration;
 - (d) each of the parties agrees that the delivery of any documents not intended for registration on title to the Real Property may be delivered to the other party hereto by telefax transmission (or by a similar system reproducing the original) or by electronic transmission of electronically signed documents through the Internet provided that all documents so transmitted have been duly and properly executed by the appropriate parties/signatories thereto which may be by electronic signature. The party transmitting any such document shall also deliver the original of same [unless the document is an electronically signed

document pursuant to the *Electronic Commerce Act of Ontario*, as may be amended] to the recipient party by overnight courier sent the day after Closing, if same has been so requested by the recipient party; and

- (e) notwithstanding anything contained in this Agreement to the contrary, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has:
- (i) delivered all closing documents to the Purchaser's solicitor in accordance with the provisions of the Document Registration Agreement and keys are also delivered to the Purchaser's solicitor or made available for the Purchaser to pick up at the Vendor's sales office, customer service office or construction site office;
 - (ii) advised the Purchaser's solicitor, in writing, that the Vendor is ready, willing and able to complete the transaction in accordance with the terms and provisions of the Document Registration Agreement or the provisions of this Agreement; and
 - (iii) has completed all steps required by TERS in order to complete this transaction that can be performed or undertaken by the Vendor's solicitor without the cooperation or participation of the Purchaser's solicitor and specifically, when the Transfer of the Real Property is created on the TERS system and messaged to the Purchaser's solicitor under the TERS system;

without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents and/or keys and/or funds, and without any requirement to have an independent witness evidencing the foregoing.

DEFAULT AND REMEDIES

44. (a) The Purchaser shall be deemed to be in default under this Agreement in each and every one of the following events, namely:
- (i) upon the non-payment of all or any portion of the Purchase Price, or any other amount due hereunder;
 - (ii) upon a breach of, or failure in the performance or observance of any covenant, term, agreement, restriction, stipulation or provision of this Agreement to be performed and/or observed by the Purchaser; and
 - (iii) upon any lien, execution or encumbrance arising from any action or default whatsoever of the Purchaser being charged against or affecting the Real Property.
- (b) A certificate of the Vendor or an officer of the Vendor that default has been made and the date of default and that notice, if required, of such default has been given to the Purchaser, shall be conclusive evidence of the facts therein stated. If such default continues for five (5) days after written notice thereof has been given to the Purchaser or the Purchaser's solicitor by the Vendor or its solicitors (other than any default by the Purchaser on the Closing Date, for which no notice or period to remedy shall be given or required), then in addition to any other rights or remedies which the Vendor may have, the Vendor, at its option, shall have the rights and remedies as set out below.
- (c) In the event of a default by the Purchaser, then, in addition to any other rights or remedies which the Vendor may have, the Vendor, at its sole option, shall have the right to terminate this Agreement and preserve any rights the Vendor may have against the Purchaser and in such event, all monies paid hereunder (including the deposit monies paid or agreed to be paid by the Purchaser pursuant to this Agreement which sums shall be accelerated on demand of the Vendor), together with any interest earned thereon and monies paid or payable for extras or upgrades or changes ordered by the Purchaser, whether or not installed in the Dwelling, shall be forfeited to the Vendor. The Purchaser agrees that the forfeiture of the aforesaid monies shall not be a penalty and it shall not be necessary for the Vendor to prove it suffered any damages in order for the Vendor to be able to retain the aforesaid monies. The Vendor shall in such event still be entitled to claim damages from the Purchaser in addition to any monies forfeited to the Vendor. In the event the Vendor's solicitors are holding any of the deposit monies in trust pursuant to this Agreement, then in the event of a default, the Vendor's solicitors shall pay to the Vendor the said deposit monies together with any interest accrued thereon, provided the Vendor has delivered to its solicitors a certificate of the Vendor or an officer of the Vendor, certifying that the Purchaser has committed a default pursuant to this Agreement that has not been remedied and that the Vendor has terminated this Agreement and that the Vendor is therefore entitled to the said deposit monies and accrued interest, if any. Thereupon the Purchaser hereby releases the Vendor's solicitors from any obligation to hold the said deposit monies, if any, and interest, if any, in trust, and shall not make any claim whatsoever against the said solicitors and the Purchaser hereby irrevocably authorizes and directs the said solicitors to deliver the said deposit monies, if any, and accrued interest, if any, to the Vendor.
- (d) It is understood and agreed that the rights contained in this Section on the part of the Vendor are in addition to any other rights (whether of a more onerous nature or not) which the Vendor may have at law, in equity or under any other provisions of this Agreement, and the Vendor expressly has the right to exercise all or any one or more of the rights contained in this Agreement, or at law or in equity, without exercising at such time, the remainder of such right or rights and without prejudice to the subsequent right of the Vendor to exercise any remaining right or rights at law, in equity or in this Agreement. In the event the Purchaser fails to make payment of any amount as and when required pursuant to the terms of this Agreement, the payment amount shall bear interest at a rate equal to eight per cent (8%) above the prime rate of the Vendor's bank, calculated from the due date to the date of payment. Prime rate for any day means the prime lending rate of interest expressed as a rate per annum (computed on a year of 365 days) which the Vendor's bank establishes from time to time as the reference rate of interest in order to determine interest rates it will charge for demand loans made in Canada in Canadian dollars as the same is in effect from time to time. In the event of any other default under this Agreement by the Purchaser the Vendor shall have the right, at its sole option, but not the obligation, to take whatever steps are necessary to correct and/or remedy such default and the Purchaser shall pay forthwith to the Vendor upon demand the costs and expenses of the Vendor in doing so plus a fifteen percent (15%) administration fee. In the event the Purchaser fails to pay any of the foregoing amounts to the Vendor after demand the Vendor shall have the right, at its option, to add any of such outstanding amounts to the Purchase Price as an adjustment on the Closing Date. In addition, in the event that the Purchaser delays the Closing Date, the Vendor shall have the right to charge Two Hundred Dollars (\$200.00) plus HST per day as liquidated damages for each day of the delay, plus a legal/administrative fee of Five Hundred Dollars (\$500.00) plus HST per delay towards the administration of a delayed occupancy or closing, as applicable, and to amend and/or create documentation.
45. The Purchaser covenants and agrees to pay to the Vendor all amounts to correct and remedy all damage caused by the Purchaser or those for whom he is in law responsible to any services installed within the Development, which services shall, without limitation, include survey stakes, landscaping, trees, curbs, curb cuts, streets, roads, sidewalks, street signs, street lighting, sanitary and storm sewers and any underground services installed by or on behalf of any public or private utilities. The amounts so paid by the Vendor shall form and constitute a Vendor's lien against the Real Property which Vendor's lien may be enforced in the same manner as a mortgage/charge thereon.
46. The Purchaser hereby agrees to indemnify and save harmless the Vendor, its servants and agents, successors and assigns, from all actions, causes of action, claims and demands whatsoever for, upon or by reason of any damage, loss or injury to a person or property of the Purchaser or any of his friends, relatives, workmen, agents or anyone else for whom at law the Purchaser is responsible who have entered on the Real Property or any part of the Development whether with or without the authorization, express or implied, of the Vendor.
47. No waiver by the Vendor of any breach of covenant or default in the performance of any obligation hereunder or any failure by the Vendor to enforce its rights herein shall constitute any further waiver of the Vendor's rights herein, it being the express intent of the parties that

any waiver or forbearance in enforcing its rights by the Vendor shall apply solely to that particular breach or failure.

48. Notwithstanding anything contained in this Agreement it is understood and agreed by the parties hereto that in the event that construction of the Dwelling is not completed on or before the Closing Date for any reason or in the event the Vendor cannot complete the subject transaction on the Closing Date, other than as a result of the Purchaser's default, the Vendor shall not be responsible or liable to the Purchaser in any way for any damages or costs whatsoever including without limitation loss of bargain, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs other than those costs set out in the Tarion Addendum.

CAUSE OF ACTION/VENDOR ASSIGNMENT

49. (a) The Purchaser acknowledges and agrees that notwithstanding any rights which he might otherwise have at law or in equity arising out of this Agreement, the Purchaser shall not assert any of such rights, nor have any claim or cause of action whatsoever as a result of any matter or thing arising under or in connection with this Agreement (whether based or founded in contract law, tort law or in equity, and whether for innocent misrepresentation, negligent misrepresentation, breach of contract, breach of fiduciary duty, breach of constructive trust or otherwise), against any person, firm, corporation or other legal entity, other than the person, firm, corporation or legal entity specifically named or defined as the Vendor herein, even though the Vendor may be (or may ultimately be found or adjudged to be) a nominee or agent of another person, firm, corporation or other legal entity, or a trustee for and on behalf of another person, firm, corporation or other legal entity, and this acknowledgment and agreement may be pleaded as an estoppel and bar against the Purchaser in any action, suit, application or proceeding brought by or on behalf of the Purchaser to assert any of such rights, claims or causes of action against any such third parties.
- (b) At any time prior to the Closing Date, the Vendor shall be permitted to assign this Agreement (and its rights, benefits and interests hereunder) to any person, firm, partnership or corporation and upon any such assignee assuming all obligations under this Agreement and notifying the Purchaser or the Purchaser's solicitor of such assignment, the Vendor named herein shall be automatically released from all obligations and liabilities to the Purchaser arising from this Agreement, and said assignee shall be deemed for all purposes to be the Vendor herein as if it had been an original party to this Agreement, in the place and instead of the Vendor.

WARNING CLAUSES AND NOTICE PROVISIONS

1. The Purchaser acknowledges that it is anticipated by the Vendor that in connection with the Vendor's application to the appropriate governmental authorities for site plan approval certain requirements may be imposed upon the Vendor by various governmental authorities. These requirements (the "**Requirements**") usually relate to warning provisions to be given to Purchasers in connection with environmental or other concerns (such as warnings relating to noise levels, the proximity of the buildings to major streets and similar matters). Accordingly, the Purchaser covenants and agrees that: (1) on the Closing Date, the Purchaser shall execute any and all documents required by the Vendor acknowledging, inter alia, that the Purchaser is aware of the Requirements.
2. The Purchaser specifically acknowledges and agrees that the Development will be developed in accordance with any requirements that may be imposed, from time to time, by any of the governmental authorities. The Purchaser further acknowledges that the proximity of the Development to major arterial roads as well as to public transit services and buses, may result in noise and/or vibration transmissions to the Real Property, and may cause noise exposure levels affecting the Real Property to exceed the noise criteria established by the governmental authorities, and that despite the inclusion of noise control features, noise levels from the aforementioned sources may continue to be of concern, occasionally interfering with some activities of the residential dwelling occupants. The Purchaser nevertheless agrees to complete this transaction in accordance with the terms hereof, notwithstanding the existence of such potential noise concerns, and the Purchaser further acknowledges and agrees that a noise-warning clause similar to the preceding sentence (subject to amendment by any wording or text recommended by the Vendor's noise consultants or by any of the governmental authorities) may be registered on title to the Plot on the Closing Date, if, in fact, same is required by any of the governmental authorities.
3. The Purchaser is advised that the Vendor's marketing material and site drawings and renderings ("**Marketing Material**") which they may have reviewed prior to the execution of this Agreement remains conceptual and that final building plans are subject to the final review and approval of any applicable governmental authority and the Vendor's design consultants and engineers, and accordingly such Marketing Material does not form part of this Agreement or the Vendor's obligations hereunder.
4. The hot water heater/tank within the Dwelling may be rented/leased and the Purchaser agrees on or before the Closing Date to enter into a lease agreement with such company selected by the Vendor for the lease of same, to execute such documents and other assurances as are required to give effect to same and to be responsible for the costs related thereto.
5. The Purchaser is advised that despite the inclusion of noise control features in this development area and within dwellings, noise levels from increasing road traffic may continue to be of concern occasionally interfering with some activities of the dwelling occupants, as the noise exposure level may exceed the noise criteria of the Municipality and the Ministry of the Environment.
6. The Purchaser is specifically advised that the Dwelling will be fitted with ducting sized to accommodate a central air conditioning unit. The installation of central air conditioning by the homeowner will allow windows and exterior doors to be kept closed, thereby achieving indoor sound levels within the limits recommended by the Ministry of Environment. (Note: care should be taken to ensure that the condenser unit is located in an area that is not sensitive to noise. The sound rating of central air conditioning units must not exceed the sound emission standards established by the Ministry of Environment).
7. The Purchaser is advised that noise, traffic, light and/or odour levels from nearby office, commercial and/or retail businesses, as well as fire hall, schools and hospital, may be of concern and occasionally interfere with some activities of the Dwelling occupants. The Purchaser is advised that sound levels may exceed the Municipality's and the Ministry of Environment's noise criteria.

1. Critical Dates

The **First Tentative Closing Date**, which is the date that the Vendor anticipates the home will be completed and ready to move in, is: the 23 day of MAY, 2024.

A **Second Tentative Closing Date** can subsequently be set by the Vendor by giving proper written notice at least 90 days before the First Tentative Closing Date. The Second Tentative Closing Date can be up to 120 days after the First Tentative Closing Date, and so could be as late as: the 20 day of JUNE, 2024.

The Vendor must set a **Firm Closing Date** by giving proper written notice at least 90 days before the Second Tentative Closing Date. The Firm Closing Date can be up to 120 days after the Second Tentative Closing Date, and so could be as late as: the ____ day of _____, 20____.

If the Vendor cannot close by the Firm Closing Date, then the Purchaser is entitled to delayed closing compensation (see section 7 of the Addendum) and the Vendor must set a Delayed Closing Date.

The Vendor can set a **Delayed Closing Date** that is up to 365 days after the earlier of the Second Tentative Closing Date and the Firm Closing Date. This **Outside Closing Date** could be as late as: the ____ day of _____, 20____.

2. Notice Period for a Delay of Closing

Changing a Closing date requires proper written notice. The Vendor, without the Purchaser's consent, may delay Closing twice by up to 120 days each time by setting a Second Tentative Closing Date and then a Firm Closing Date in accordance with section 1 of the Addendum but no later than the Outside Closing Date.

Notice of a delay beyond the First Tentative Closing Date must be given no later than: the ____ day of _____, 20____.

(i.e., at least **90 days** before the First Tentative Closing Date), or else the First Tentative Closing Date automatically becomes the Firm Closing Date.

Notice of a second delay in Closing must be given no later than: the ____ day of _____, 20____.

(i.e., at least **90 days** before the Second Tentative Closing Date), or else the Second Tentative Closing Date becomes the Firm Closing Date.

3. Purchaser's Termination Period

If the purchase of the home is not completed by the Outside Closing Date, then the Purchaser can terminate the transaction during a period of **30 days** thereafter (the "**Purchaser's Termination Period**"), which period, unless extended by mutual agreement, will end on: the ____ day of _____, 20____.

If the Purchaser terminates the transaction during the Purchaser's Termination Period, then the Purchaser is entitled to delayed closing compensation and to a full refund of all monies paid plus interest (see sections 7, 10 and 11 of the Addendum).

Note: Any time a Critical Date is set or changed as permitted in the Addendum, other Critical Dates may change as well. At any given time the parties must refer to: the most recent revised Statement of Critical Dates; or agreement or written notice that sets a Critical Date, and calculate revised Critical Dates using the formulas contained in the Addendum. Critical Dates can also change if there are unavoidable delays (see section 5 of the Addendum).

Acknowledged this ____ day of _____, 20____.

SETTING AND CHANGING CRITICAL DATES

1. Setting Tentative Closing Dates and the Firm Closing Date

- (a) **Completing Construction Without Delay:** The Vendor shall take all reasonable steps to complete construction of the home on the Property and to Close without delay.
- (b) **First Tentative Closing Date:** The Vendor shall identify the First Tentative Closing Date in the Statement of Critical Dates attached to the Addendum at the time the Purchase Agreement is signed.
- (c) **Second Tentative Closing Date:** The Vendor may choose to set a Second Tentative Closing Date that is no later than 120 days after the First Tentative Closing Date. The Vendor shall give written notice of the Second Tentative Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (d) **Firm Closing Date:** The Vendor shall set a Firm Closing Date, which can be no later than 120 days after the Second Tentative Closing Date or, if a Second Tentative Closing Date is not set, no later than 120 days after the First Tentative Closing Date. If the Vendor elects not to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the First Tentative Closing Date, or else the First Tentative Closing Date shall for all purposes be the Firm Closing Date. If the Vendor elects to set a Second Tentative Closing Date, the Vendor shall give written notice of the Firm Closing Date to the Purchaser at least 90 days before the Second Tentative Closing Date, or else the Second Tentative Closing Date shall for all purposes be the Firm Closing Date.
- (e) **Notice:** Any notice given by the Vendor under paragraphs (c) and (d) above, must set out the stipulated Critical Date, as applicable.

2. Changing the Firm Closing Date – Three Ways

- (a) The Firm Closing Date, once set or deemed to be set in accordance with section 1, can be changed only:
 - (i) by the Vendor setting a Delayed Closing Date in accordance with section 3;
 - (ii) by the mutual written agreement of the Vendor and Purchaser in accordance with section 4; or
 - (iii) as the result of an Unavoidable Delay of which proper written notice is given in accordance with section 5.
- (b) If a new Firm Closing Date is set in accordance with section 4 or 5, then the new date is the "Firm Closing Date" for all purposes in this Addendum.

3. Changing the Firm Closing Date – By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

Freehold Form
(May 23, 2024)

- (iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:
- i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
 - ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
 - iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. O Yes O No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

Freehold Form
(May 23, 2024)

Condition #1 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #1 is to be satisfied is the _____ day of _____, 20_____.

Condition #2 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date by which Condition #2 is to be satisfied is the _____ day of _____, 20_____.

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
- (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

MISCELLANEOUS

9. Ontario Building Code – Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
- (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

Freehold Form
(May 23, 2024)

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

If within the specified times referred to in paragraph 8 any valid objection to title or to any outstanding work order or deficiency notice, or to the fact the said present use may not lawfully be continued, or that the principal building may not be insured against risk of fire is made in writing to Seller and which Seller is unable or unwilling to remove, remedy or satisfy or obtain insurance save and except against risk of fire (Title Insurance) in favour of the Buyer and any mortgagee, (with all related costs at the expense of the Seller), and which Buyer will not waive, this Agreement notwithstanding any intermediate acts or negotiations in respect of such objections, shall be at an end and all monies paid shall be returned without interest or deduction and Seller, Listing Brokerage and Co-operating Brokerage shall not be liable for any costs or damages. Save as to any valid objection so made by such day and except for any objection going to the root of the title, Buyer shall be conclusively deemed to have accepted Seller's title to the property.

11. **CLOSING ARRANGEMENTS:** Where each of the Seller and Buyer retain a lawyer to complete the Agreement of Purchase and Sale of the property, and where the transaction will be completed by electronic registration pursuant to Part III of the Land Registration Reform Act, R.S.O. 1990, Chapter L4 and the Electronic Registration Act, S.O. 1991, Chapter 44, and any amendments thereto, the Seller and Buyer acknowledge and agree that the exchange of closing funds, non-registrable documents and other items (the "Requisite Deliveries") and the release thereof to the Seller and Buyer will (a) not occur at the same time as the registration of the transfer/deed (and any other documents intended to be registered in connection with the completion of this transaction) and (b) be subject to conditions whereby the lawyer(s) receiving any of the Requisite Deliveries will be required to hold same in trust and not release same except in accordance with the terms of a document registration agreement between the said lawyers. The Seller and Buyer irrevocably instruct the said lawyers to be bound by the document registration agreement which is recommended from time to time by the Law Society of Ontario. 12. **DOCUMENTS AND DISCHARGE:** Buyer shall not call for the production of any title deed, abstract, survey or other evidence of title to the property except such as are in the possession or control of Seller. If requested by Buyer, Seller will deliver any sketch or survey of the property within Seller's control to Buyer as soon as possible and prior to the Requisition Date. If a discharge of any Charge/Mortgage held by a corporation incorporated pursuant to the Trust And Loan Companies Act (Canada), Chartered Bank, Trust Company, Credit Union, Caisse Populaire or Insurance Company and which is not to be assumed by Buyer on completion, is not available in registrable form on completion, Buyer agrees to accept Seller's lawyer's personal undertaking to obtain, out of the closing funds, a discharge in registrable form and to register same, or cause same to be registered, on title within a reasonable period of time after completion, provided that on or before completion Seller shall provide to Buyer a mortgage statement prepared by the mortgagee setting out the balance required to obtain the discharge, and, where a real-time electronic cleared funds transfer system is not being used, a direction executed by Seller directing payment to the mortgagee of the amount required to obtain the discharge out of the balance due on completion.

13. **INSPECTION:** Buyer acknowledges having had the opportunity to inspect the property and understands that upon acceptance of this offer there shall be a binding agreement of purchase and sale between Buyer and Seller. **The Buyer acknowledges having the opportunity to include a requirement for a property inspection report in this Agreement and agrees that except as may be specifically provided for in this Agreement, the Buyer will not be obtaining a property inspection or property inspection report regarding the property.**

14. **INSURANCE:** All buildings on the property and all other things being purchased shall be and remain until completion at the risk of Seller. Pending completion, Seller shall hold all insurance policies, if any, and the proceeds thereof in trust for the parties as their interests may appear and in the event of substantial damage, Buyer may either terminate this Agreement and have all monies paid returned without interest or deduction or else take the proceeds of any insurance and complete the purchase. No insurance shall be transferred on completion. If Seller is taking back a Charge/Mortgage, or Buyer is assuming a Charge/Mortgage, Buyer shall supply Seller with reasonable evidence of adequate insurance to protect Seller's or other mortgagee's interest on completion.

SCHEDULE "A"

ADDITIONAL TERMS

DWELLING MATTERS, SITING, MATERIALS CHANGES, ETC

5. The Vendor agrees that it will erect on the Real Property the Dwelling in accordance with plans and specifications (the "Plans") already examined by the Purchaser and in accordance with Schedule "C" and Schedule "D". The Purchaser acknowledges and agrees that the Vendor may from time to time, in its sole discretion, or as requested or required by the Vendor's architect or any design consultants or by any governmental authority, change, alter, vary or modify the Plans, the siting of the Dwelling and/or the grading of the Real Property without notice thereof to the Purchaser. The Purchaser agrees to accept such changes, alterations, variations or modifications and, without limiting the generality of the foregoing, variations to the lot/block number, municipal address, location, area and frontage or depth of the Real Property without any abatement of the Purchase Price or claim for compensation whatsoever. The Purchaser also acknowledges and agrees that architectural control of exterior elevations, driveway construction, boulevard tree planting, landscaping, corner lot fencing (including the location of such corner lot fencing), exterior colour schemes, or any other material external to the Dwelling designed to enhance the aesthetics of the community as a whole, may be imposed by the Municipality and/or the developer. In the event the Vendor is required, in compliance with such architectural control requirements to construct an exterior elevation for the Dwelling other than as specified in this Agreement or amend the driveway construction or location, boulevard tree planting or landscaping plan for the Dwelling and/or Real Property, as the case may be, (all of which is hereinafter referred to as the "Amended Exterior Plans"), the Purchaser hereby irrevocably authorizes the Vendor to complete the Dwelling and/or Real Property, as the case may be, in accordance with the Amended Exterior Plans, and the Purchaser hereby irrevocably agrees to accept such Amended Exterior Plans in lieu of the plans for same specified in this Agreement without any abatement of the Purchase Price or claim for compensation whatsoever. The Vendor shall have the right, in its sole discretion, to construct the Dwelling either as shown on the Plans or to construct such Dwelling on a reverse mirror image plan, including reversal of the garage siting and reversal of the interior floor plan layout. Construction of a reverse mirror image plan is hereby irrevocably accepted by the Purchaser without any right of abatement of the Purchase Price or claim for compensation whatsoever. Further, in the event the Vendor determines, in its sole discretion, to construct the Dwelling at a grade level different than as depicted in the Plans, necessitating a step or series of steps to the front door, side door, rear door, or any door from the garage to the interior of the Dwelling or any elimination of the side door or door from the house to the garage or garage to outside, if any, the Purchaser hereby agrees to accept such change(s) without any abatement of the Purchase Price or claim for compensation whatsoever. The Vendor shall further have the right to substitute other material for that provided for in the Plans, in the sole discretion of the Vendor, for any cause which it may deem reasonable without notice thereof to the Purchaser, provided that such material is, in the sole judgment of the Vendor, of substantially equal or better quality than the material in the Plans and the Purchaser shall accept same without any abatement of the Purchase Price or claim for compensation whatsoever. The provisions of this Section may be pleaded by the Vendor as an estoppel in any action brought by the Purchaser or his successors in title or assigns against the Vendor.
6. The Purchaser acknowledges and agrees that as the Dwelling being purchased herein is a townhouse dwelling, the subject lot/block of which the Real Property forms a part will not necessarily be divided equally but may instead be divided in unequal proportions. The Purchaser agrees to accept any such unequal division of the lot/block without any abatement of the Purchase Price or claim for compensation whatsoever.

FEATURES AND FINISHES

7. The Purchaser acknowledges that he has purchased the Dwelling on the basis of the Plans and not from a model. The Purchaser acknowledges that the model home(s), if any, are for display purposes only, and that some or all of the features contained therein may not be included in the Dwelling unless the same is specifically provided for in a Schedule forming part of this Agreement. Any item identified as optional or an upgrade in the sales or marketing material(s) is not included in the Dwelling but may be purchased at additional cost under a separate Schedule to this Agreement or by separate agreement. The Purchaser's attention is drawn to Schedule "B" which forms part of this Agreement and which sets out therein the items which will be included in the Dwelling as standard features. The Purchaser hereby acknowledges that the Dwelling will only include those standard features and, accordingly, if the Purchaser requires any clarification or explanation as to items, features or finishes as referred to in Schedule "B" or anywhere else in this Agreement, or with respect to any matters whatsoever which the Purchaser has discussed with the Vendor's sales representative(s), such clarifications or explanations must be made in writing and included in this Agreement, failing which the Purchaser shall be estopped from making a claim for any such clarifications, explanations, items, features, finishes or representations, other than as set out in writing in this Agreement. The Purchaser hereby acknowledges that there are no representations, warranties, guarantees, collateral agreements or conditions whatsoever affecting this Agreement, the Dwelling or the Real Property or supported hereby other than as is expressed in writing, in this Agreement.
8. The Purchaser specifically acknowledges that in the manufacture and/or production of items, variances may occur from the Vendor's samples and also such items shown as samples may not be subsequently available. The Purchaser hereby agrees to accept any such resulting variations whether as to supplier, brand name, colour and/or otherwise without any abatement of the Purchase Price or claim for compensation whatsoever.

SUBSTANTIAL COMPLETION OF THE DWELLING/OCCUPANCY

9. In the event that the Dwelling is substantially completed and ready for occupancy by the Closing Date, the sale shall be completed on such date without any holdback whatsoever of any part of the Purchase Price and the Vendor shall complete any outstanding items of construction required by this Agreement within a reasonable time thereafter and during normal business hours, having regard to weather conditions and the availability of labour and materials. If there is a detached garage as part of the Real Property, substantial completion of the Dwelling shall not include completion of the said garage and the Purchaser shall complete the within transaction notwithstanding that the construction of the garage is not completed or even started. For the purpose of this Agreement, the Dwelling shall be deemed to be substantially complete when the interior work has been substantially finished to permit occupancy, notwithstanding that there remains grading or landscaping or other outside work to be completed. The Vendor shall provide evidence that occupancy is permitted in accordance with and only to the extent required by the Tarion Addendum.

TARION WARRANTY CORPORATION

10. (a) The Vendor covenants that on completion of this transaction a warranty certificate for the Dwelling will be requested from Tarion. Such warranty shall contain the only warranties covering the Dwelling. The Purchaser acknowledges and agrees that any warranties of or liabilities for workmanship or materials, in respect of any aspect of the construction of the Dwelling, whether implied by this Agreement or at law or in equity or by any statute or otherwise, shall be limited to only those warranties deemed to be given by the Vendor under the *Ontario New Homes Warranties Plan Act*, as may be amended (the "ONHWP") and shall extend only for the time period and in respect of those items as stated in the ONHWP, it being understood and agreed that there is no representation, warranty, guarantee, collateral agreement, or condition in any way affecting this Agreement, the Dwelling and/or the Real Property other than as expressed herein.
- (b) The Purchaser or the Purchaser's designate as hereinafter provided agrees to meet the Vendor's representative at the date and time designated by the Vendor, prior to the Closing Date, to conduct a pre-delivery inspection of the Dwelling (the "PDI") and to list all items remaining incomplete at the time of such inspection together with all mutually agreed deficiencies with respect to the Dwelling on the Tarion Certificate of Completion and Possession (the "CCP") and the PDI form, in the forms prescribed from time to time by, and required to be completed pursuant to the provisions of the ONHWP. The said CCP and PDI forms shall be executed by both the Purchaser or the Purchaser's designate and the Vendor's representative at the PDI and shall constitute the Vendor's only undertaking with respect to incomplete or deficient work and the Purchaser shall not require any further undertaking of the Vendor to complete any outstanding items. In the event that the Vendor performs any additional work to the Dwelling in its discretion, the Vendor shall not be deemed to have waived the provision of this paragraph or otherwise enlarged its obligations hereunder.

RMP
A.R.P.
M

- (c) The Purchaser shall be entitled to send a designate to conduct the PDI in the Purchaser's place or attend with their designate, provided the Purchaser first provides to the Vendor a written authority appointing such designate for PDI prior to the PDI. If the Purchaser appoints a designate, the Purchaser acknowledges and agrees that the Purchaser shall be bound by all of the documentation executed by the designate to the same degree and with the force and effect as if executed by the Purchaser directly.
 - (d) In the event the Purchaser and/or the Purchaser's designate fails to attend the PDI or fails to execute the CCP and PDI forms at the conclusion of the PDI, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement and/or at law. Alternatively, the Vendor may, at its option complete the within transaction but not provide the keys to the Dwelling to the Purchaser until the CCP and PDI forms have been executed by the Purchaser and/or its designate or complete the within transaction and complete the CCP and PDI forms on behalf of the Purchaser and/or the Purchaser's designate and the Purchaser hereby irrevocably appoints the Vendor the Purchaser's attorney and/or agent and/or designate to complete the CCP and PDI forms on the Purchaser's behalf and the Purchaser shall be bound as if the Purchaser or the Purchaser's designate had executed the CCP and PDI forms.
 - (e) The Purchaser acknowledges that the Homeowner Information Package as defined in Tarion Bulletin 42 (the "HIP") is available from Tarion and that the Vendor further agrees to provide the HIP to the Purchaser or the Purchaser's designate, at or before the PDI. The Purchaser, or the Purchaser's designate agrees to execute and provide to the Vendor the Confirmation of Receipt of the HIP forthwith upon receipt of the HIP.
 - (f) In the event the Purchaser and/or the Purchaser's designate fails to execute the Confirmation of Receipt of the HIP forthwith upon receipt thereof, the Vendor may declare the Purchaser to be in default under this Agreement and may exercise any or all of its remedies set forth in this Agreement and/or at law.
 - (g) The Purchaser agrees with the Vendor that the Vendor and/or its representatives shall have the right to enter the Dwelling and the Real Property after completion of the purchase in order to complete any of the items listed on the CCP and PDI forms, provided that if the Purchaser fails or refuses to permit the Vendor and/or its representatives such entry, the Vendor's obligations hereunder shall terminate and be at an end. Any such entry shall be deemed not to be a trespass.
 - (h) The Purchaser acknowledges that the area of the Dwelling, as may be represented or referred to by the Vendor or any sales representative, or which appears in any sales or marketing material(s) is approximate only and is measured in accordance with Builder Bulletin No. 22 published by Tarion. Actual useable floor space may (therefore) vary from any stated or represented floor area or gross floor area, and the extent of the actual or useable living area within the confines of the Dwelling may vary from any represented square footage or floor area measurement(s) made by or on behalf of the Vendor. Accordingly, the Purchaser hereby confirms and agrees that all details and dimensions of the Dwelling purchased hereunder are approximate only, and that there shall be no adjustment of the Purchase Price or claim for compensation whatsoever, whether based upon the ultimate square footage of the Dwelling, or the actual or useable living space within the confines of the Dwelling or otherwise. The Purchaser further acknowledges that where ceiling bulkheads or telecommunication devices are installed within the Dwelling and/or where dropped ceilings are required, then the ceiling height of the Dwelling may be less than that represented, and the Purchaser shall correspondingly be obliged to accept the same without any abatement or claim for compensation whatsoever.
 - (i) The completion of the foregoing inspection and the preparation and endorsement of the Certificate are conditions of the Vendor's obligation to complete this transaction. Failure by the Purchaser to attend at the appointed time for the inspection and to complete the Certificate shall be deemed to be default by the Purchaser under this Agreement. The Vendor, at its sole, absolute, subjective and unfettered option, may thereupon either re-schedule the inspection subject to an administrative fee of \$250.00 plus Applicable Taxes payable to the Vendor or terminate the transaction in accordance with the provisions set out herein, or may elect to complete the Certificate on behalf of the Purchaser. The Purchaser hereby irrevocably nominates, constitutes and appoints the Vendor or any of its authorized signing officers to be and act as his lawful attorney in the Purchaser's name, place and stead for this purpose.
11. The Purchaser covenants and agrees that he will exhaust all the remedies available to him with Tarion with respect to any claim relating to defects in workmanship or materials or with respect to any other claim arising under the ONHWPA or in respect of the Tarion Addendum, prior to pursuing any other means of redress with regard to such claims. In the event the Purchaser does not comply with the provisions of this Section, or takes any unwarranted or unreasonable actions with respect to such claims, the Purchaser shall be held liable for any damages sustained by the Vendor as a result thereof.

TITLE AND CONVEYANCING MATTERS

12. The Purchaser agrees to accept title to the Real Property subject to the following items and the Purchaser covenants and agrees to adhere to the terms and conditions as set out therein. The Purchaser agrees to satisfy himself as to compliance with any of the following items and the Vendor shall not be obligated on the Closing Date or thereafter to obtain any compliance, releases or discharges with respect to any of the following items:
- (a) any agreement, subdivision agreement, site plan agreement, development agreement, financial agreement or other agreement entered into with any municipal authority or other governmental authority or with any public or private utility commission or railway company, including any restrictions, covenants, obligations or liabilities contained therein (collectively the "**Subdivision Agreements**");
 - (b) any building or other restrictions and covenants that may be registered against the title of the Real Property and the Purchaser agrees, if required by the Vendor, to sign the transfer/deed of land containing such restrictions and covenants to extract the same from any subsequent Purchasers;
 - (c) a right in the nature of an easement or license for the Vendor and/or the developer and their respective successors and assigns and their servants and agents to enter upon the Real Property (without such act being a trespass) at any time prior to the complete acceptance of the subdivision of which the Real Property forms a part (the "**Development**") by the Municipality or thereafter for completion or correction of grading and surface drainage and in order to permit the Vendor and/or the developer to carry out the obligations, if any, under the Subdivision Agreements or as imposed by any governmental authority or bonding company to effect any corrective measures with respect to the Subdivision Agreements applicable to the Real Property and the transfer/deed of land may contain a clause to this effect;
 - (d) such easements or rights-of-way, licenses or leases, permanent or temporary, as exist or may subsequently be granted in favour of the Municipality, any railway company, any applicable regional municipality, the developer or any public or private utility, including, but not limited to, any telephone supplier, any hydro supplier and any gas supplier for hydro, fuel, telephone, television, cable, sewers, water, municipal or other services or utilities; and, further, the Purchaser covenants and agrees to assume, accept and permit any such easements, rights-of-way, licenses or leases and if such easements, rights-of-way, licenses or leases have not been determined when the Purchaser receives his conveyance, such conveyance may contain a covenant by the Purchaser for himself, and his heirs, executors, administrators, successors and assigns, to grant any additional easements, rights-of-way, licenses or leases as may be required by the Vendor, developer, any municipal or other governmental authority or utility or railway company and the Purchaser further covenants and agrees to execute all documents without charge which may be required to convey or confirm any such easement, right-of-way, license or lease and shall exact a similar covenant in any agreement entered into between the Purchaser and any subsequent Purchaser from him;
 - (e) such easements as may be required by the Vendor and/or adjoining owners for maintenance or encroachment purposes and

the encroachments permitted thereby;

- (f) any other agreements, covenants, or other instruments as herein expressly provided; and
- (g) any minor breaches of any of the foregoing that have been remedied or are in the process of being remedied.

13. Title to the Real Property shall on the Closing Date be good and free from all encumbrances, except as provided for in this Agreement. The title is to be examined by the Purchaser at his own expense and he is not to call for the production of any deeds or abstracts of title, surveys, proof of evidence of title or to have furnished any copies thereof, other than those in the Vendor's possession or as provided for in this Agreement. The Purchaser is to be allowed until thirty (30) days prior to the Closing Date to examine the title at his own expense and if within that time he shall furnish the Vendor in writing with any valid objections to the title which the Vendor shall be unwilling or unable to remove and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate acts or negotiations, be null and void and the monies paid to the Vendor to that date on account of the Deposit shall be returned as provided for herein and the Vendor shall not be liable for any damages or costs whatsoever, including, without limiting the generality of the foregoing, loss of bargain, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs. Save as to any valid objections so made within such time, the Purchaser shall be conclusively deemed to have accepted the title of the Vendor to the Real Property.
14. The Purchaser acknowledges that the Real Property is or will be encumbered by mortgages and/or encumbrances which the Purchaser is not to assume and that the Vendor will not be obligated to obtain and register a discharge of such mortgages and/or encumbrances insofar as they affect the Real Property until a reasonable time after the Closing (as defined in the Tarion Addendum) and the Purchaser shall accept the undertaking of the Vendor's solicitors to obtain and register as soon as reasonably possible after Closing a discharge of such mortgages and/or encumbrances except as provided for herein and further agrees not to refuse to complete this transaction on the grounds that such mortgages and/or encumbrances have not been discharged.
15. The transfer/deed of land shall be prepared at the Vendor's expense and may contain any or all of the provisions set forth in this Agreement and shall be executed by the Purchaser, if required by the Vendor, and the Purchaser shall execute and deliver on the Closing Date a covenant, undertaking or agreement incorporating all or any of the terms contained herein or as may be required by the Vendor. The Purchaser undertakes and agrees to register the transfer/deed of land at his own expense at the time of Closing. Each party is to pay the cost of registration and taxes on its own documents. The Purchaser shall deliver to the Vendor, on or before the Closing Date, as required by the Vendor the Acknowledgement in the form attached to this Agreement, if any, duly completed and executed. The Purchaser agrees to advise the Vendor or its solicitors no less than thirty (30) days prior to the Closing Date of the manner in which title is to be taken by the Purchaser, including, the date(s) of birth and marital status and the Purchaser shall be required to close the transaction in the manner so advised unless the Vendor otherwise consents in writing, which consent may be arbitrarily withheld, failing which title to the Real Property shall be engrossed in the name of the Purchaser as noted on this Agreement and the Purchaser shall be estopped from requiring any further changes to the manner in which the transfer/deed of land is engrossed.
16. The Purchaser hereby acknowledges the full priority of any mortgage or construction financing arranged by the Vendor and/or secured by the Real Property over his interest as Purchaser for the full amount of the said mortgage or construction financing, notwithstanding any law or statute to the contrary and agrees to execute all acknowledgements or postponements required to give full effect thereto. The Purchaser covenants and agrees that this Agreement is subordinate to and postponed to any mortgages arranged by the Vendor and any advances thereunder from time to time, and to any easement, license or other agreement concerning the Real Property. The Purchaser further agrees to consent to and execute all documentation as may be required by the Vendor in this regard and the Purchaser hereby irrevocably appoints the Vendor as the Purchaser's attorney to execute any consents or other documents required by the Vendor to give effect to this paragraph. The Purchaser hereby consents to the Vendor and its designated or proposed lenders obtaining a consumer's report containing credit and/or personal information for the purposes of this transaction. The Purchaser further agrees to deliver to the Vendor, from time to time, within ten (10) days of written demand from the Vendor, all necessary financial and personal information required by the Vendor in order to evidence the Purchaser's ability to pay the balance of the Purchase Price on the Closing Date, including without limitation, written confirmation of the Purchaser's income, copy of mortgage approval letter and evidence of the source of the payments required to be made by the Purchaser in accordance with this Agreement. Without limiting the generality of the foregoing and notwithstanding any other provision in this Agreement to the contrary, within ten (10) days of written demand from the Vendor, the Purchaser agrees to produce evidence of a satisfactory mortgage approval signed by a lending institution or other mortgagee acceptable to the Vendor confirming that the said lending institution or acceptable mortgagee will be advancing funds to the Purchaser sufficient to pay the balance due on the Closing Date. If the Purchaser fails to provide the mortgage approval as aforesaid, then the Purchaser shall be deemed to be in default under this Agreement. The Vendor may, in its sole discretion, elect to accept in the place of such mortgage commitment, other evidence satisfactory to the Vendor that the Purchaser will have sufficient funds to pay the balance due on the Closing Date.
17. In the event that the Municipality does at some point in time provide a release of any of the Subdivision Agreements, the Vendor may either provide such release to the Purchaser for registration of such release by the Purchaser at the Purchaser's expense or register the release, if any, in which event the Purchaser shall pay the Vendor the cost of registration of such release forthwith upon request although the Vendor may, at its option, add such cost to the statement of adjustments as a credit to the Vendor. The foregoing provision does not in any way whatsoever require the Vendor to request any such release or impose an obligation on the Vendor to take any steps to obtain any such release.
18. The Purchaser acknowledges that the transfer/deed of land to the Real Property to be given on the Closing Date may emanate from the registered owner of the Real Property and not from the Vendor herein, and the Purchaser agrees to accept same and to accept such owner's title covenants in lieu of the Vendor's, in the event the Vendor is not the registered owner of the Real Property on Closing. In that event, the Purchaser agrees to execute an acknowledgement on the closing confirming that: (i) the registered owner is providing title directly to the Purchaser at the direction of the Vendor; (ii) the registered owner is not the builder or Vendor and has no liability to the Purchaser as such; (iii) the registered owner is not responsible for any matters related to the development of the subject lands; and (iv) the Purchaser releases and forever discharges the registered owner from any manner of claim, costs, damages or other losses in any way related to the development of the subject lands.

PLANNING ACT

19. This Agreement shall be conditional upon compliance with the subdivision control provision of the *Planning Act* (Ontario), as may be amended, which compliance shall be obtained by the Vendor, at its sole expense, on or before Closing.

INSURANCE

20. The Purchaser shall place his own insurance on the Real Property for Closing.

ADJUSTMENTS

21. On the Closing Date, the Purchaser shall pay to the Vendor, as an adjustment on the statement of adjustments (plus HST), in addition to any other monies required to be paid as set out in this Agreement, the following:

The Purchaser acknowledges and agrees that the Purchaser shall be solely responsible for any supplementary or omit assessments for realty taxes for period from and after the Closing Date;

A certificate of the Vendor or statutory declaration of an officer of the Vendor specifying the said costs shall be final and binding on the Purchaser;
- (e) all amounts chargeable and billable to the Purchaser for water, hydro, gas, cable T.V. and any other services arising as a result of the Purchaser's failure to make his own contractual arrangements with the relevant public or private utility authorities and suppliers on the Closing Date and for which the Vendor is subsequently charged, it being the express intent of the parties that it shall be the sole responsibility of the Purchaser to notify all relevant utility authorities and make the necessary contractual arrangements to ensure service to the Dwelling;
- (f) the charges imposed upon the Vendor or its solicitors by the Law Society of Ontario upon registration of a transfer/deed of land or charge/mortgage of land or any other instrument;
- (g) the sum of Three Hundred (\$300.00) Dollars plus HST as a contribution towards the cost of fees payable by the Vendor to its lenders, including but not limited to the obtaining of (partial) discharges of mortgages not intended to be assumed by the Purchaser;

- (i) the sum of Two Thousand (\$2,000.00) Dollars plus HST as a contribution towards the costs of boulevard tree planting in the vicinity of the Real Property. The Purchaser acknowledges that there may not be a tree planted in front of the Real Property;

- (n) the amount of any charge pursuant to a section 37 Agreement pursuant to the *Planning Act*, or any parks levy and/or any public art levy or similar contributions or charges assessed against the Real Property (or attributable to the Real Property as determined by the Vendor) which has been paid or are payable to the Municipality or any other relevant governmental authority or agency thereof with respect to or in connection with the Development, including the obtaining of any approvals for the Development;

- (p) any other additional or further adjustments agreed to in writing between the Vendor and Purchaser subsequent to the execution of this Agreement.
- (q) the following shall be paid to the Vendor on the Closing, plus Applicable Taxes eligible thereon: any increase between the development charges and education development charges assessed against or attributable to the Property (pursuant to the Development Charges Act, the Education Act or any successor or replacement legislation) on the date of execution of this Agreement by the Purchaser (if same are paid or could be paid on such date) and the amount actually paid for said development charges and education development charges, together with any interest (if any) on such development charges and education development charges as well as any other or new levies, charges, payments, contributions, fees or assessments, including without limitation, any parks levies, cash-in-lieu of parkland dedication payments, new development charges, new education development charges, public art contributions, impost charges, and/or community benefit charges or payments (or the fair value of any non-cash in-kind contributions assessed against or attributable to the Property by the Municipality, a regional municipality, a transit authority, a public or separate school board or any other authority having jurisdiction under the Development Charges Act, the Education Act, the Planning Act (as amended by the More Homes, More Choice Act, 2019) and any other existing or new legislation, bylaw and/or policy of a similar nature. If the amounts owing under this subsection are assessed against, charged or imposed against the subject project (or portion thereof) as a whole and not against the Property separately, then the Vendor shall be entitled to a reimbursement for the foregoing, equally among all of the dwellings within the subject project or in such other manner as the Vendor may elect, acting reasonably;
- (r) All proper readjustments shall be made after Closing, if necessary, forthwith upon written request. The Vendor may register a Notice of Vendor's Lien or a Charge, in the Vendor's usual form, for unpaid purchase monies or adjustments or claims herein provided together with the interest thereon as provided for herein, and the Purchaser covenants and agrees to forthwith pay all costs in relation to said Notice of Vendor's Lien or Charge including, without limitation, the Vendor's solicitor's legal fees and disbursements and the cost to register said Notice of Vendor's Lien or Charge on title to the Unit. The Vendor will upon request deliver to the Purchaser (for registration at the Purchaser's expense) a release of the Notice of Vendor's Lien or a Discharge of the Charge after such unpaid purchase monies or adjustments or claims herein provided, as applicable, together with the interest thereon as provided for herein have been received by the Vendor and upon payment of a fee of \$250.00 plus Applicable Taxes. - (t) any costs incurred by the Vendor for the internet delivery of documentation to the Purchaser's solicitor;
 - (u) any amounts which may, in the Vendor's discretion, remain unpaid and owing to the Vendor on account of any extras, upgrades or changes for the Property ordered by the Purchaser;
 - (v) The Purchaser shall advise the Vendor of any changes in any of its mailing address, telephone number or electronic mail address or of its solicitors forthwith upon such change, failing which the Purchaser shall be charged a fee of \$250.00 plus Applicable Taxes on the Statement of Adjustments.
 - (w) Appliances purchased by the Purchaser from the Vendor (or which may be included in the Purchase Price) may not include installation charges which may be charged by the Vendor on the Closing Date as an adjustment at the Vendor's sole, absolute, subjective and unfettered discretion.
 - (x) The Purchaser acknowledges that grading and sodding and landscape plantings (if any) shall be done between June and October (weather permitting and subject to availability of supplies) of any year as per the Vendor's scheduling program. The Purchaser agrees that the Purchaser shall be solely responsible for watering and general maintenance of sod and landscape plantings (if any) from the Occupancy Date or from the date that sod is laid (or landscape plantings are planted), whichever shall be the later, and the Vendor shall have no obligation in that regard. In the event the Vendor is, for any reason, required to replace laid sod (or other landscape plantings, if any), the Vendor shall not be obligated to do so until payment has been made therefor by the Purchaser and if so replaced, the Purchaser agrees to reimburse the Vendor for the costs and expenses of same as determined by the Vendor. Further, the Purchaser acknowledges that the order of closing of the Property and/or the order of completion or closing of other lots sold by the Vendor is not indicative of the order of sodding (or landscaping planting) of the Property and said other lots. If the Vendor is required by the Subdivider, developer or any governmental authority to replace any laid sod or landscape plantings, etc. as a result of the Purchaser's default under this subsection, the Purchaser shall promptly pay the Vendor for same and the Vendor shall not be obliged to replace same until payment has been made therefore in full to the Vendor by the Purchaser. The Vendor shall not be required to supply the Purchaser with evidence of payment for the replacement of same. The aforementioned obligations of the Purchaser shall survive the closing of the herein transaction.
 - (y) In the event that the Purchaser (or a person representing or acting on behalf of the Purchaser) enters upon the Property prior to the Purchaser having completed their obligations under this Agreement on the Occupancy Date without the consent in writing of the Vendor and carries out changes or additions to the Dwelling (the "Unlawful Works"), the Purchaser will forthwith pay to the Vendor the amount incurred by it in order to correct any damages caused by the installation or existence of the Unlawful Works including, without limiting the generality of the foregoing, time lost by the resulting delays and interest on monies invested. In addition to the foregoing, if the Unlawful Works shall be determined by any inspector having jurisdiction in that regard as not complying with the statutes, by-laws or regulations applying thereto, the Purchaser shall forthwith carry out any required work to remedy any such non-compliance and failing which, the Vendor, at its option may carry out such work at the expense of the Purchaser which he shall pay to the Vendor forthwith upon written request for payment for same. Should the Vendor, in its sole, absolute, subjective and unfettered discretion, allow the Purchaser to close the purchase of the transaction described herein despite the performance of the Unlawful Works, the Purchaser acknowledges and agrees that the unlawful works shall not be covered under the Warranty Act's warranties and that anything constructed by the Vendor which is not accessible due to the Unlawful Works shall not be covered under the Warranty Act's warranties.
 - (z) In the event the Purchaser requests an extension to the Firm Closing Date or Delayed Closing Date, as the case may be, the Purchaser shall pay the Vendor's solicitor's fees and disbursement (plus Applicable Taxes and disbursements) with respect to such requests and any extensions.
 - (aa) In the event that the Purchaser shall desire to select colours or materials from other than the Vendor's samples, the Purchaser must negotiate such colours or materials directly with the Vendor or the Vendor's subtrade or supplier as directed by the Vendor and attend to payment of any additional cost as a result of such choice to the Vendor or the Vendor's subtrade or supplier directly, as directed by the Vendor.
 - (bb) The Purchaser hereby acknowledges that complete engineering data in respect of the Municipally approved final grading of the Property may not, as yet, be complete and accordingly, it may not be possible to construct a Dwelling with a walk-out basement, look-out or rear deck where so indicated in this Agreement, or vice versa. In the event this Agreement calls for a walk-out basement, look-out or rear deck and such is not possible or reasonable in the Vendor's opinion or in the event this Agreement does not call for a walk-out basement, look-out or rear deck and such is required, pursuant to final approved grading and engineering plans, the Purchaser shall accept a credit in the Purchase Price, or, pay the additional cost involved in constructing such walk-out basement, look-out or rear deck, as the case may be (such costs shall be absolutely determined by the Vendor).
 - (cc) The Purchaser shall advise the Vendor of any changes in any of its mailing address, telephone number or electronic mail address or of its solicitors forthwith upon such change, failing which the Purchaser shall be charged a fee of \$250.00 plus Applicable Taxes on the Statement of Adjustments.
 - (dd) the Purchaser shall pay as an adjustment on closing to the Vendor or its solicitors all fees and charges imposed by the provider of the EFTS together with any wire transfer fees and charges imposed upon the Vendor or its solicitors by their banks in connection with the transfer of funds
22. If any of the adjustments to be made on the Closing Date cannot be accurately determined at the time of Closing, then the Vendor may estimate the adjustment to be made and the Closing shall take place in accordance with this estimate. There shall be a later and final adjustment when all the items to be adjusted can be accurately determined.
23. The Purchaser acknowledges and agrees that the hot water heater/tank is not included in the Purchase Price and is intended to be non-owned and that it shall remain chattel property and shall not be or become a fixture and/or part of the Dwelling. The Purchaser may be informed of the terms and conditions governing the rental of the hot water heater/tank prior to Closing, and agrees, if required, to execute on, before or after Closing as the Vendor determines a rental document or other contract as required by any relevant municipal authority, public or private utility, sub-metering company or third party company with respect to the said hot water heater/tank, failing which, at the Vendor's sole option, the Vendor shall be entitled to execute the hot water heater/tank's supplier's, sub-metering or other such company's standard rental document or other contract on behalf of the Purchaser as his attorney or agent.
24. In the event any cheque given by the Purchaser is returned after being presented for payment to the financial institution on which it is drawn, by reason of there not being sufficient funds in the account on which said cheque is drawn, the Purchaser shall pay the Vendor for each such returned cheque the sum of Five Hundred (\$500.00) plus HST as liquidated damages and not as a penalty which payment shall, at the Vendor's option, be made as an adjustment on the Closing Date in favour of the Vendor or be delivered to the Vendor together with the replacement cheque.

HARMONIZED OR SINGE SALES TAX

25. (a) It is acknowledged and agreed by the parties hereto that the Purchase Price already includes a component equivalent to both the federal portion and the provincial portion of the harmonized goods and services tax or single sales tax exigible with respect to this purchase and sale transaction less the Rebate as defined below (the "HST"), and that the Vendor shall remit the HST to Canada Revenue Agency ("CRA") on behalf of the Purchaser forthwith following the completion of this transaction. The

RMP
A.B.P.

Purchaser hereby warrants and represents to the Vendor that with respect to this transaction, the Purchaser qualifies for the federal and provincial new housing rebates applicable pursuant to the *Excise Tax Act* (Canada) ("ETA"), as may be amended, (collectively, the "Rebate") and further warrants and represents that the Purchaser is a natural person who is acquiring the Real Property with the intention of being the sole beneficial owner thereof on the Closing Date (and not as the agent or trustee for or on behalf of any other party or parties), and covenants that upon the Closing Date the Purchaser or one or more of the Purchaser's relations (as such term is defined in the *Excise Tax Act*) shall personally occupy the Dwelling as his primary place of residence, for such period of time as shall be required by the *Excise Tax Act*, and any other applicable legislation, in order to entitle the Purchaser to the Rebate (and the ultimate assignment thereof to and in favour of the Vendor) in respect of the Purchaser's acquisition of the Real Property. The Purchaser further warrants and represents that he has not claimed (and hereby covenants that the Purchaser shall not hereafter claim), for the Purchaser's own account, any part of the Rebate in connection with the Purchaser's acquisition of the Real Property, save as may be otherwise hereinafter expressly provided or contemplated. The Purchaser hereby irrevocably assigns to the Vendor all of the Purchaser's rights, interests and entitlements to the Rebate (and concomitantly releases all of the Purchaser's claims or interests in and to the Rebate, to and in favour of the Vendor), and hereby irrevocably authorizes and directs CRA to pay or credit the Rebate directly to the Vendor. In addition, the Purchaser shall execute and deliver to the Vendor, forthwith upon the Vendor's or Vendor's solicitors' request for same (and in any event on or before the Closing Date), all requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require in order to confirm the Purchaser's entitlement to the Rebate and/or to enable the Vendor to obtain the benefit of the Rebate (by way of assignment or otherwise), including without limitation, the GST/HST New Housing Rebate Application for Houses Purchased from a Builder or other similar form as prescribed from time to time (the "Rebate Form"). The Purchaser covenants and agrees to indemnify and save the Vendor harmless from and against any loss, cost, damage and/or liability (including an amount equivalent to the Rebate, plus penalties and interest thereon) which the Vendor may suffer, incur or be charged with, as a result of the Purchaser's failure to qualify for the Rebate, or as a result of the Purchaser having qualified initially but being subsequently disentitled to the Rebate, or as a result of the inability to assign the benefit of the Rebate to the Vendor (or the ineffectiveness of the documents purporting to assign the benefit of the Rebate to the Vendor). As security for the payment of such amount, the Purchaser does hereby charge and pledge his interest in the Real Property with the intention of creating a lien or charge against same. It is further understood and agreed by the parties hereto that:

- (i) if the Purchaser does not qualify for the Rebate, or fails to deliver to the Vendor or the Vendor's solicitors forthwith upon the Vendor's or the Vendor's solicitors request for same (and in any event on or before the Closing Date) the Rebate Form duly executed by the Purchaser, together with all other requisite documents and assurances that the Vendor or the Vendor's solicitors may reasonably require from the Purchaser or the Purchaser's solicitor in order to confirm the Purchaser's eligibility for the Rebate and/or to ensure that the Vendor ultimately acquires (or is otherwise assigned) the benefit of the Rebate; or
- (ii) if the Vendor believes, for whatever reason, that the Purchaser does not qualify for the Rebate, regardless of any documentation provided by or on behalf of the Purchaser (including any statutory declaration sworn by the Purchaser) to the contrary, and the Vendor's belief or position on this matter is communicated to the Purchaser or the Purchaser's solicitor on or before the Closing Date;

then notwithstanding anything hereinbefore or hereinafter provided to the contrary, the Purchaser shall be obliged to pay to the Vendor (or to whomsoever the Vendor may in writing direct), by certified cheque delivered on the Closing Date, an amount equivalent to the Rebate, in addition to the Purchase Price and in those circumstances where the Purchaser maintains that he is eligible for the Rebate despite the Vendor's belief to the contrary, the Purchaser shall (after payment of the amount equivalent to the Rebate as aforesaid) be fully entitled to pursue the procurement of the Rebate directly from CRA. It is further understood and agreed that in the event that the Purchaser intends to rent out the Dwelling before or after the Closing Date, the Purchaser shall not be entitled to the Rebate, but may nevertheless be entitled to pursue, on his own after the Closing Date, the federal and provincial new rental housing rebates directly with CRA, pursuant to Section 256.2 of the *Excise Tax Act*, as may be amended, and other applicable legislation to be enacted relating to the provincial new rental housing rebate.

- (b) The Vendor will not collect HST if the Purchaser is a corporation (i.e. not an individual) and provides to the Vendor the following:
 - (i) a warranty in the Vendor's standard form that the Purchaser is registered under the ETA, together with a copy of the Purchaser's ETA registration, (ii) a warranty in the Vendor's standard form that the Purchaser shall self-assess and remit the GST/HST payable and file the prescribed form and shall indemnify the Vendor in respect of any GST/HST payable. The foregoing warranties shall not merge but shall survive the completion of the transaction.
- (c) Notwithstanding any other provision herein contained in this Agreement, the Purchaser acknowledges and agrees that the Purchase Price does not include any HST exigible with respect to any of the adjustments payable by the Purchaser pursuant to this Agreement, or any extras, upgrades or changes purchased, ordered or chosen by the Purchaser from the Vendor which are not specifically set forth in this Agreement, and the Purchaser covenants and agrees to pay such HST to the Vendor in accordance with the *Excise Tax Act*. In addition, and without limiting the generality of the foregoing, in the event that the Purchase Price is increased by the addition of extras, changes, upgrades or adjustments and as a result of such increase, the quantum of the Rebate that would otherwise be available is reduced or extinguished (the quantum of such reduction being hereinafter referred to as the "Reduction"), then the Purchaser shall pay to the Vendor on the Closing Date the amount of (as determined by the Vendor in its sole and absolute discretion) the Reduction.

26. **EXTRAS/UPGRADES**

The Purchaser covenants and agrees that he shall pay to the Vendor in advance for all extras, upgrades or changes ordered by the Purchaser at the time such order is made and the Purchaser further acknowledges and agrees that such payment is non-refundable in the event that this transaction is not completed as a result of the Purchaser's default under any of the terms of this Agreement. Notwithstanding anything herein contained to the contrary, the Purchaser acknowledges and agrees that if, upon Closing, any of the extras, upgrades or changes ordered by the Purchaser remain incomplete in whole or in part or if the Vendor shall, in its sole discretion, determine that it will not provide extras, upgrades or changes or cannot complete the extras, upgrades or changes, then there shall be refunded to the Purchaser upon the Closing Date that portion of the amount paid by the Purchaser in connection with such extras, upgrades or changes allocated to those extras, upgrades or changes which remain incomplete in whole or in part as aforesaid, as determined by the Vendor. In the event such extras, upgrades or changes were included at no charge whether or not included as part of this Agreement then the Vendor's cost of completing such incomplete items will be refunded as determined by the Vendor in its sole discretion. The Purchaser further acknowledges and agrees that the amount so paid to the Purchaser (or for which, in the alternative, the Purchaser receives credit in the statement of adjustments) shall be accepted by the Purchaser as full and final settlement of any claim by the Purchaser with respect to the extras, upgrades or changes which remain incomplete as aforesaid. The Purchaser further acknowledges that the Vendor's liability with respect to such incomplete extras, upgrades or changes shall be limited to the return of the amounts referred to aforesaid and, thereafter, there shall be no further liability upon the Vendor in connection with such incomplete extras, upgrades or changes and upon such payment being made or credit being given, the Vendor shall be deemed to have been released from any and all obligations, claims or demands whatsoever with respect to such incomplete extras, upgrades or changes.

27. **NOTICE AND WARNING CLAUSES**

The Purchaser acknowledges that the Subdivision Agreements and any and/or future development agreements between the Vendor and the Municipality or any other applicable party may require the Vendor to provide the Purchaser with certain notices or warnings including, without limiting the generality of the foregoing, notices or warnings regarding the use of the Real Property, environmental issues, noise levels from adjacent roadways or otherwise, maintenance of municipal fencing, school transportation and related educational issues, and the status of services and works in the Development. The Purchaser acknowledges and agrees that the Vendor may be unable, at this time, to provide the Purchaser with all such notices and warnings. On or before Closing, the Purchaser shall forthwith execute upon request an acknowledgment or amendment to this Agreement containing the required notices and warning clauses. The Purchaser acknowledges and agrees that the Vendor may be unable to sell the Real Property to the Purchaser unless the Purchaser executes such acknowledgments or amendments as aforesaid. In the event that the Purchaser fails to execute such acknowledgments or amendments

forthwith upon being requested to do so, the Vendor shall be entitled, at its sole option, to terminate this Agreement and upon such termination, all monies paid to the Vendor hereunder shall be forfeited to the Vendor and this Agreement shall be at an end, and the Purchaser shall not have any further rights hereunder. Alternatively, at the sole discretion of the Vendor, after all required notices and warnings are available, a copy thereof may be sent to the Purchaser as a notice in this Agreement and such transmittal shall constitute acknowledgment of receipt of a copy thereof and the Purchaser irrevocably designates the Vendor as its attorney and/or agent to execute and deliver on his behalf to the Municipality or any other applicable party any required acknowledgments with respect thereto. Without limiting the generality of the foregoing, the Purchaser acknowledges being advised of the notices as set out in Schedule "E".

INSURANCE/RISK

28. All buildings and equipment comprising the Dwelling and the Real Property shall be and remain at the risk of the Vendor until Closing and pending completion of the sale, the Vendor will hold all insurance policies and the proceeds thereof for the Vendor's benefit alone. In the event of damage to the Dwelling, the Vendor may either in its sole discretion (a) repair the damage, finish the Dwelling and complete the sale and, if necessary, delay the Closing Date in the manner permitted in the Taron Addendum; or (b) terminate this Agreement and return to the Purchaser all deposit monies paid by the Purchaser to the Vendor payable under law if the damage to the Dwelling has frustrated this Agreement at law.

PURCHASER COVENANTS AND AGREEMENTS

29. Notwithstanding the closing of this transaction, the Purchaser hereby authorizes and shall not obstruct or interfere in any way with the Vendor, the developer, the Municipality, the regional municipality, the public and/or private utilities, the telephone and/or cable company or persons authorized by any of them, free access to the Real Property and the Dwelling at all reasonable hours in order to make inspections and to do such work or repairs, including, but not restricted to, correction of sodding and/or grading, installation of catch basins, installation, repair, construction or reconstruction and/or maintenance of any of the municipal services, public and/or private utilities and other services, including sewers and water mains; and for any of the purposes aforesaid or related thereto, such entry on the Real Property and Dwelling by any such persons shall not be deemed to be committing trespass and the Purchaser does hereby give leave and licence to any of such persons for the purposes aforesaid and free access for any such persons shall continue for such period of time as may be set out in the Subdivision Agreements or any other agreements affecting the Real Property or as may be required by the Vendor or the developer and/or any municipal or governmental authority, regulatory body or public or private utility. The Purchaser further covenants to comply with and not to breach any of the Subdivision Agreements or any other such agreements.
30. The Purchaser undertakes and covenants that he will not, at any time either before or after the Closing Date, without the prior written authority of the Vendor and the developer (which may be unreasonably or arbitrarily withheld) interfere with or alter the drainage ditch, obstruct the natural flow of water or obstruct the drainage as designed and engineered by the developer, erect fences, porches, patios, planting, paving, swimming pool, clothes lines or obstructions of any kind, remove top soil or subsoil, cut down living trees or do anything which may change or alter the grading or obstruct the drainage of the Real Property or surrounding lots or lands in any way and if he does, the Vendor or its servants, successors, agents and assigns may enter thereon and correct such grading or remove or relocate such obstructions at the Purchaser's expense and be paid, forthwith upon demand, the cost thereof. The Purchaser shall adhere to the overall drainage patterns of the Development, including such easements as may exist or may be required for the purpose of water drainage upon the Real Property to and from adjoining lands, and the Purchaser agrees to grant such easements as may be required from time to time by the Vendor or developer for drainage. The foregoing covenant may, at the option of the Vendor, be included in any transfer of title to the Purchaser and shall run with the land. The Purchaser agrees that he shall be solely responsible for watering and general maintenance of sod from the Closing Date or from the date that sod is laid, whichever shall be later, and the Vendor shall have no obligation in that regard whatsoever. If the Vendor is required by the developer or any governmental authority to replace any laid sod as a result of the Purchaser's default under this Section, the Purchaser shall promptly pay the Vendor for same and the Vendor shall not be obliged to do so until payment has been made therefore in full to the Vendor by the Purchaser.
31. The Vendor hereby notifies the Purchaser and the Purchaser acknowledges that the developer has agreed to provide and pay for paved roads, sidewalks, curbs, street lighting, sanitary and storm sewers, street signs and other services as required by the Subdivision Agreements and that such is the responsibility of the developer and not the Vendor. In the event that title to the Real Property is transferred directly from the developer or another party (the "Party") rather than the Vendor, the Purchaser covenants and agrees to execute and deliver on the Closing Date an acknowledgement and release in a form satisfactory to the Vendor and/or developer and/or the Party releasing the developer or the Party, as the case may be, from any and all matters in respect of the within transaction and acknowledging that the developer or the Party, as the case may be, has no liability, obligation or responsibility to the Purchaser.
32. The Purchaser agrees that until all lots or blocks in the Development are sold, the Vendor shall have the exclusive right to maintain model homes, signs, sales staff and marketing material(s) in the Development and to show prospective Purchasers through the Development and through any unsold homes and the Purchaser agrees not to display any sign on the Real Property offering the Real Property for sale or rent until after the Closing Date. In the event that the Purchaser displays any such sign on the Real Property, the Vendor shall have the absolute right to enter on the Real Property and remove such sign without such act being a trespass.
33. The Purchaser agrees that in the event that there is any water leakage into the basement or any other damage of any kind or nature whatsoever which the Vendor shall be required at law or by Taron to repair, the Vendor shall not be liable for any consequential damage caused by the water or otherwise nor for any damage to any improvements, fixtures, furnishings or personal property of the Purchaser, but shall be responsible only for the repair of such damage or leakage in accordance with the terms hereof. Further, the Purchaser waives his right to any claim against the Vendor for damage to the Dwelling due to shrinkage, warpage, twisting or settlement or any secondary or consequential damage resulting therefrom. Further, the Vendor shall not be liable for any secondary or consequential damages whatsoever which may result from any defect in materials, design or workmanship related to the Dwelling. The Purchaser further acknowledges that the Vendor is not responsible for the repair of any exterior work resulting from settlement, including driveways, walkways, patio stones or sodded areas or for any damage to interior household improvements or decor caused by material shrinkage, twisting or warpage. The Purchaser agrees that this Section may be pleaded by the Vendor in estoppel of any claims by the Purchaser pursuant to this Section.
34. The Purchaser agrees that prior to the Closing Date he will not in any circumstances enter onto the Real Property without the express written authority of the Vendor and accompanied by a representative of the Vendor and any entry other than as aforesaid shall be deemed to be a trespass and the Vendor shall be entitled to exercise any rights that it may have pursuant to this Agreement or at law as a result of same. In addition, the Purchaser agrees that he will not in any circumstances, either personally or by his agent, servant or authorized representative, perform or have performed any work of any nature or kind whatsoever on the Dwelling or the Real Property prior to the conveyance of the Real Property to the Purchaser and in the event of a breach of this covenant, the Vendor shall be entitled, at its sole option, to deem such breach as an event of default by the Purchaser under this Agreement or to take whatever steps are necessary to remove, correct or remedy any such work, and in such event, at the Vendor's sole option, the costs and expenses thereof plus a fifteen percent (15%) administration fee shall be paid to the Vendor by the Purchaser forthwith upon demand by the Vendor or added to the Purchase Price as an adjustment on the Closing Date. In the event the Vendor completes the sale of the Real Property to the Purchaser all warranties related to any items and/or matters the Purchase affected by his actions shall be voided.
35. The Purchaser acknowledges that due to the nature and extent of construction work which will be required to be undertaken by the Vendor on the Real Property in connection with the excavation, erection, and construction of the Dwelling, one or more trees may be removed from the Real Property and others may or will suffer damage or destruction both before and after Closing, as a result of the removal, interference or the destruction of roots, contact with the trunk by equipment or machinery or otherwise. The Purchaser hereby acknowledges, covenants, and agrees that the Vendor shall not be responsible or liable in any manner, whatsoever, for any loss or destruction to trees or for any loss or destruction to the property of the Purchaser howsoever caused nor shall the Vendor be responsible or liable for the removal of any trees or parts thereof, from the Real Property, at any time, whatsoever. It is understood and agreed that the Vendor has made no representation, warranty, guarantee, collateral agreement or condition whatsoever, regarding the preservation, removal, condition or health of trees on the Real Property.

A.D.P.

36. The Purchaser agrees that he will not, for a period of at least two (2) years from the Closing Date, plant any trees, shrubs, vines, hedges or other such landscaping on the Real Property that will interfere with, alter or change the grading or obstruct the drainage of the Real Property or surrounding lots or lands without the express written consent of the Vendor which consent may be unreasonably or arbitrarily withheld. The Vendor shall have the right during such period to enter on the Real Property, without notice to the Purchaser, and to remove, without any liability, whatsoever, any such trees, shrubs, vines, hedges or other landscaping planted on the Real Property in contravention of this Section without such act being a trespass.

37. The Purchaser covenants and agrees to provide all requisite information and materials including proof respecting income and source of funds as the Vendor may require to determine the Purchaser's credit worthiness. The Purchaser acknowledges that it may be necessary for the Vendor to obtain credit or other information in order to satisfy itself as to the Purchaser's credit worthiness and authorizes the

Vendor and the Vendor's designated or proposed construction lender(s) from time to time to obtain any consumer reports or other information it may require and any consumer reporting agency or credit bureau is hereby authorized to release such information as the Vendor may request.

NON-REGISTRATION AND NO ASSIGNMENT AND NO OBJECTION

38. The Purchaser covenants and agrees that he will at no time register or attempt to register this Agreement on title to the Real Property by way of caution, deposit, assignment or in any way whatsoever, and it is expressly agreed by all parties hereto that any such registration or attempt by the Purchaser or anyone acting for or through him shall constitute an event of default under this Agreement. In the event that this Agreement, a caution, a deposit, an assignment or any other instrument whatsoever is registered against or dealing with the title in contravention of this provision, then the Purchaser hereby appoints the Vendor his true and lawful attorney and/or agent for the purposes of removing the instrument from title, including the giving of any discharge, lifting or release of any caution, deposit or the assignment of any rights pursuant to this Agreement. The Purchaser hereby irrevocably consents to a court order removing any such notice of this Agreement, caution, deposit or any other documents or instruments whatsoever from title to the Real Property. The Purchaser shall bear all costs incurred by the Vendor in the exercise of any of its rights pursuant to this provision. The Purchaser acknowledges that notwithstanding any rule of law to the contrary that by executing this Agreement he has not acquired any equitable or legal interest in the Dwelling or the Real Property.

39. The Purchaser covenants and agrees that he will in no way, directly or indirectly, list for sale or lease, advertise for sale or lease, rent, convey, transfer, sell or lease, nor in any way assign his interest under this Agreement or the Purchaser's rights and interests hereunder or in the Real Property, nor directly or indirectly permit any third party to list or advertise the Real Property for sale or lease at any time prior to the Closing Date without the prior written consent of the Vendor which consent may be unreasonably or arbitrarily withheld. The Purchaser acknowledges and agrees that once a breach of the preceding covenant and agreement occurs such breach shall be a default hereunder and, at the Vendor's sole option, be deemed incapable of rectification and accordingly the Purchaser acknowledges and agrees that in the event of such breach the Vendor shall have the unilateral right and option of taking whatever steps are available to the Vendor in the event of the Purchaser's default. The Purchaser shall be entitled to direct that title to the Poll be taken in the name of his or her spouse, or a member of his or her immediate family only (being limited to parents, siblings or children over the age of eighteen (18) years), and shall not be permitted to direct title to any other third parties without the prior written consent of the Vendor, which consent may be unreasonably or arbitrarily withheld.

40. The Purchaser covenants and agrees that he shall not directly nor indirectly object to nor oppose any official plan amendment(s), rezoning application(s), severance application(s), minor variance application(s) and/or site plan application(s), nor any other applications ancillary thereto relating to the development of the Real Property, or any neighboring or adjacent lands. The Purchaser further acknowledges and agrees that this covenant may be pleaded as an estoppel or bar to any opposition or objection raised by the Purchaser thereto.

ELECTRONIC REGISTRATION AND TENDER

41. The parties waive personal tender and agree that tender in the absence of any other mutually acceptable arrangement and subject to the provisions of this Agreement shall be validly made by the Vendor upon the Purchaser by a representative of the Vendor (which shall include the Vendor's solicitor) attending or being available at the offices of the Vendor's solicitors at 3:30 p.m. on the Closing Date and remain there until 4:30 p.m. of the same date and being ready, willing and able to complete the subject transaction. In the event the Purchaser or his solicitor fails to appear or appears and fails to close the subject transaction such attendance by the Vendor's representative shall be deemed satisfactory evidence that the Vendor was ready, willing and able to complete the sale at such time. Payment shall be tendered by wired funds.

42. Notwithstanding anything contained herein to the contrary, in the event the Purchaser or his Solicitor advise the Vendor or its Solicitors, on or before the Closing Date that the Purchaser is unable or unwilling to complete the purchase, the Vendor is relieved of any obligation to make any formal tender upon the Purchaser or his Solicitor and may exercise forthwith any and all of its right and remedies provided for in this Agreement and at law.

43. Given that the electronic registration system (the "Teraview Electronic Registration System" or "TERS") is operative in the applicable Land Titles Office in which the Real Property is registered, the following provisions shall prevail:

(a) the Purchaser shall be obliged to retain a solicitor, who is both an authorized TERS user and in good standing with the Law Society of Upper Canada, to represent the Purchaser in connection with the completion of this transaction. The Purchaser shall authorize such solicitor to, at the option of the Vendor's solicitor, either execute an escrow closing agreement with the Vendor's solicitor on the standard form recommended by the Law Society of Ontario (the "Document Registration Agreement") establishing the procedures and timing for completing this transaction or to otherwise agree to be bound by the procedures set forth in the Document Registration Agreement. If the Vendor's solicitor provides written notice to the Purchaser's solicitor that it accepts and agrees to be bound by the terms of the form of Document Registration Agreement prepared by the Law Society of Ontario and adopted by the Joint LSO - CBAO Committee on Electronic Registration of Title Documents, as may be amended from time to time, the Vendor's solicitor and the Purchaser's solicitor shall be deemed to have executed such form which shall be the Document Registration Agreement defined in this paragraph and referred to in this Agreement;

(b) the delivery and exchange of documents, monies and keys to the Dwelling, and the release thereof to the Vendor and the Purchaser, as the case may be:

(i) shall not occur contemporaneously with the registration of the transfer/deed (and other registerable documentation); and

(ii) shall be governed by the Document Registration Agreement, pursuant to which the solicitor receiving the documents, keys and/or certified funds will be required to hold same in escrow, and will not be entitled to release same except in strict accordance with the provisions of the Document Registration Agreement;

(c) the Purchaser expressly acknowledges and agrees that he will not be entitled to receive the transfer/deed of land to the Real Property for registration until the balance of funds due on the Closing Date, in accordance with the statement of adjustments, are either remitted by wired funds or by electronic funds transfer to the Vendor's solicitor (or in such other manner as the latter may direct) prior to the release of the transfer/deed of land for registration;

(d) each of the parties agrees that the delivery of any documents not intended for registration on title to the Real Property may be delivered to the other party hereto by telefax transmission (or by a similar system reproducing the original) or by electronic transmission of electronically signed documents through the Internet provided that all documents so transmitted have been duly and properly executed by the appropriate parties/signatories thereto which may be by electronic signature. The party transmitting any such document shall also deliver the original of same (unless the document is an electronically signed

document pursuant to the *Electronic Commerce Act of Ontario*, as may be amended] to the recipient party by overnight courier sent the day after Closing, if same has been so requested by the recipient party; and

- (e) notwithstanding anything contained in this Agreement to the contrary, it is expressly understood and agreed by the parties hereto that an effective tender shall be deemed to have been validly made by the Vendor upon the Purchaser when the Vendor's solicitor has:
- (i) delivered all closing documents to the Purchaser's solicitor in accordance with the provisions of the Document Registration Agreement and keys are also delivered to the Purchaser's solicitor or made available for the Purchaser to pick up at the Vendor's sales office, customer service office or construction site office;
 - (ii) advised the Purchaser's solicitor, in writing, that the Vendor is ready, willing and able to complete the transaction in accordance with the terms and provisions of the Document Registration Agreement or the provisions of this Agreement; and
 - (iii) has completed all steps required by TERS in order to complete this transaction that can be performed or undertaken by the Vendor's solicitor without the cooperation or participation of the Purchaser's solicitor and specifically, when the Transfer of the Real Property is created on the TERS system and messaged to the Purchaser's solicitor under the TERS system;

without the necessity of personally attending upon the Purchaser or the Purchaser's solicitor with the aforementioned documents and/or keys and/or funds, and without any requirement to have an independent witness evidencing the foregoing.

DEFAULT AND REMEDIES

44. (a) The Purchaser shall be deemed to be in default under this Agreement in each and every one of the following events, namely:
- (i) upon the non-payment of all or any portion of the Purchase Price, or any other amount due hereunder;
 - (ii) upon a breach of, or failure in the performance or observance of any covenant, term, agreement, restriction, stipulation or provision of this Agreement to be performed and/or observed by the Purchaser; and
 - (iii) upon any lien, execution or encumbrance arising from any action or default whatsoever of the Purchaser being charged against or affecting the Real Property.
- (b) A certificate of the Vendor or an officer of the Vendor that default has been made and the date of default and that notice, if required, of such default has been given to the Purchaser, shall be conclusive evidence of the facts therein stated. If such default continues for five (5) days after written notice thereof has been given to the Purchaser or the Purchaser's solicitor by the Vendor or its solicitors (other than any default by the Purchaser on the Closing Date, for which no notice or period to remedy shall be given or required), then in addition to any other rights or remedies which the Vendor may have, the Vendor, at its option, shall have the rights and remedies as set out below.
- (c) In the event of a default by the Purchaser, then, in addition to any other rights or remedies which the Vendor may have, the Vendor, at its sole option, shall have the right to terminate this Agreement and preserve any rights the Vendor may have against the Purchaser and in such event, all monies paid hereunder (including the deposit monies paid or agreed to be paid by the Purchaser pursuant to this Agreement which sums shall be accelerated on demand of the Vendor), together with any interest earned thereon and monies paid or payable for extras or upgrades or changes ordered by the Purchaser, whether or not installed in the Dwelling, shall be forfeited to the Vendor. The Purchaser agrees that the forfeiture of the aforesaid monies shall not be a penalty and it shall not be necessary for the Vendor to prove it suffered any damages in order for the Vendor to be able to retain the aforesaid monies. The Vendor shall in such event still be entitled to claim damages from the Purchaser in addition to any monies forfeited to the Vendor. In the event the Vendor's solicitors are holding any of the deposit monies in trust pursuant to this Agreement, then in the event of a default, the Vendor's solicitors shall pay to the Vendor the said deposit monies together with any interest accrued thereon, provided the Vendor has delivered to its solicitors a certificate of the Vendor or an officer of the Vendor, certifying that the Purchaser has committed a default pursuant to this Agreement that has not been remedied and that the Vendor has terminated this Agreement and that the Vendor is therefore entitled to the said deposit monies and accrued interest, if any. Thereupon the Purchaser hereby releases the Vendor's solicitors from any obligation to hold the said deposit monies, if any, and interest, if any, in trust, and shall not make any claim whatsoever against the said solicitors and the Purchaser hereby irrevocably authorizes and directs the said solicitors to deliver the said deposit monies, if any, and accrued interest, if any, to the Vendor.
- (d) It is understood and agreed that the rights contained in this Section on the part of the Vendor are in addition to any other rights (whether of a more onerous nature or not) which the Vendor may have at law, in equity or under any other provisions of this Agreement, and the Vendor expressly has the right to exercise all or any one or more of the rights contained in this Agreement, or at law or in equity, without exercising at such time, the remainder of such right or rights and without prejudice to the subsequent right of the Vendor to exercise any remaining right or rights at law, in equity or in this Agreement. In the event the Purchaser fails to make payment of any amount as and when required pursuant to the terms of this Agreement, the payment amount shall bear interest at a rate equal to eight per cent (8%) above the prime rate of the Vendor's bank, calculated from the due date to the date of payment. Prime rate for any day means the prime lending rate of interest expressed as a rate per annum (computed on a year of 365 days) which the Vendor's bank establishes from time to time as the reference rate of interest in order to determine interest rates it will charge for demand loans made in Canada in Canadian dollars as the same is in effect from time to time. In the event of any other default under this Agreement by the Purchaser the Vendor shall have the right, at its sole option, but not the obligation, to take whatever steps are necessary to correct and/or remedy such default and the Purchaser shall pay forthwith to the Vendor upon demand the costs and expenses of the Vendor in doing so plus a fifteen percent (15%) administration fee. In the event the Purchaser fails to pay any of the foregoing amounts to the Vendor after demand the Vendor shall have the right, at its option, to add any of such outstanding amounts to the Purchase Price as an adjustment on the Closing Date. In addition, in the event that the Purchaser delays the Closing Date, the Vendor shall have the right to charge Two Hundred Dollars (\$200.00) plus HST per day as liquidated damages for each day of the delay, plus a legal/administrative fee of Five Hundred Dollars (\$500.00) plus HST per day towards the administration of a delayed occupancy or closing, as applicable, and to amend and/or create documentation.
45. The Purchaser covenants and agrees to pay to the Vendor all amounts to correct and remedy all damage caused by the Purchaser or those for whom he is in law responsible to any services installed within the Development, which services shall, without limitation, include survey stakes, landscaping, trees, curbs, curb cuts, streets, roads, sidewalks, street signs, street lighting, sanitary and storm sewers and any underground services installed by or on behalf of any public or private utilities. The amounts so paid by the Vendor shall form and constitute a Vendor's lien against the Real Property which Vendor's lien may be enforced in the same manner as a mortgage/charge thereon.
46. The Purchaser hereby agrees to indemnify and save harmless the Vendor, its servants and agents, successors and assigns, from all actions, causes of action, claims and demands whatsoever for, upon or by reason of any damage, loss or injury to a person or property of the Purchaser or any of his friends, relatives, workmen, agents or anyone else for whom at law the Purchaser is responsible who have entered on the Real Property or any part of the Development whether with or without the authorization, express or implied, of the Vendor.
47. No waiver by the Vendor of any breach of covenant or default in the performance of any obligation hereunder or any failure by the Vendor to enforce its rights herein shall constitute any further waiver of the Vendor's rights herein, it being the express intent of the parties that

RMP
A.R.P.

any waiver or forbearance in enforcing its rights by the Vendor shall apply solely to that particular breach or failure.

48. Notwithstanding anything contained in this Agreement it is understood and agreed by the parties hereto that in the event that construction of the Dwelling is not completed on or before the Closing Date for any reason or in the event the Vendor cannot complete the subject transaction on the Closing Date, other than as a result of the Purchaser's default, the Vendor shall not be responsible or liable to the Purchaser in any way for any damages or costs whatsoever including without limitation loss of bargain, relocation costs, loss of income, professional fees and disbursements and any amount paid to third parties on account of decoration, construction or fixturing costs other than those costs set out in the Taron Addendum.

CAUSE OF ACTION/VENDOR ASSIGNMENT

49. (a) The Purchaser acknowledges and agrees that notwithstanding any rights which he might otherwise have at law or in equity arising out of this Agreement, the Purchaser shall not assert any of such rights, nor have any claim or cause of action whatsoever as a result of any matter or thing arising under or in connection with this Agreement (whether based or founded in contract law, tort law or in equity, and whether for innocent misrepresentation, negligent misrepresentation, breach of contract, breach of fiduciary duty, breach of constructive trust or otherwise), against any person, firm, corporation or other legal entity, other than the person, firm, corporation or legal entity specifically named or defined as the Vendor herein, even though the Vendor may be (or may ultimately be found or adjudged to be) a nominee or agent of another person, firm, corporation or other legal entity, or a trustee for and on behalf of another person, firm, corporation or other legal entity, and this acknowledgment and agreement may be pleaded as an estoppel and bar against the Purchaser in any action, suit, application or proceeding brought by or on behalf of the Purchaser to assert any of such rights, claims or causes of action against any such third parties.
- (b) At any time prior to the Closing Date, the Vendor shall be permitted to assign this Agreement (and its rights, benefits and interests hereunder) to any person, firm, partnership or corporation and upon any such assignee assuming all obligations under this Agreement and notifying the Purchaser or the Purchaser's solicitor of such assignment, the Vendor named herein shall be automatically released from all obligations and liabilities to the Purchaser arising from this Agreement, and said assignee shall be deemed for all purposes to be the Vendor herein as if it had been an original party to this Agreement, in the place and instead of the Vendor.

NOTICE

50. Any notice required to be delivered under the provisions of the Taron Addendum shall be delivered in the manner required therein.
51. Any other notice given pursuant to the terms of this Agreement shall be deemed to have been properly given if it is in writing and is delivered by hand, ordinary prepaid post, facsimile transmission or electronic mail to the attention of the Purchaser or the Purchaser's solicitor to their respective addresses set out in this Agreement and to the Vendor or the Vendor's solicitors to their respective addresses set out in this Agreement or in all cases such other address as may from time to time be given by notice in accordance with the foregoing. Such notice shall be deemed to have been received on the day it was delivered by hand, facsimile transmission or electronic mail and upon the third day following posting excluding Saturdays, Sundays and statutory holidays. In the event of a mail stoppage or slow down, all notices shall be delivered, sent by facsimile transmission or sent by electronic mail. This Agreement or any amendments or addendum thereto may, at the Vendor's option, be properly delivered, if delivered by facsimile transmission or if a copy of same is computer scanned and forwarded by electronic mail to the other party.

PURCHASER'S CONSENT TO THE COLLECTION AND LIMITED USE OF PERSONAL INFORMATION

52. The Purchaser hereby consents to the Vendor's collection, use and disclosure of the Purchaser's personal information for the purpose of enabling the Vendor to proceed with the Purchaser's purchase of the Real Property, completion of this transaction, and for post-closing and after-sales customer care purposes. Such personal information includes the Purchaser's name, home address, e-mail address, telefax/telephone number, age, date of birth, marital status, residency status, social insurance number (only with respect to subparagraph (b) below), financial information, desired Dwelling design(s) and colour/finish selections. WARNING CLAUSES AND NOTICE PROVISIONS

1. The Purchaser acknowledges that it is anticipated by the Vendor that in connection with the Vendor's application to the appropriate governmental authorities for site plan approval certain requirements may be imposed upon the Vendor by various governmental authorities. These requirements (the "**Requirements**") usually relate to warning provisions to be given to Purchasers in connection with environmental or other concerns (such as warnings relating to noise levels, the proximity of the buildings to major streets and similar matters). Accordingly, the Purchaser covenants and agrees that: (1) on the Closing Date, the Purchaser shall execute any and all documents required by the Vendor acknowledging, inter alia, that the Purchaser is aware of the Requirements.
2. The Purchaser specifically acknowledges and agrees that the Development will be developed in accordance with any requirements that may be imposed, from time to time, by any of the governmental authorities. The Purchaser further acknowledges that the proximity of the Development to major arterial roads as well as to public transit services and buses, may result in noise and/or vibration transmissions to the Real Property, and may cause noise exposure levels affecting the Real Property to exceed the noise criteria established by the governmental authorities, and that despite the inclusion of noise control features, noise levels from the aforementioned sources may continue to be of concern, occasionally interfering with some activities of the residential dwelling occupants. The Purchaser nevertheless agrees to complete this transaction in accordance with the terms hereof, notwithstanding the existence of such potential noise concerns, and the Purchaser further acknowledges and agrees that a noise-warning clause similar to the preceding sentence (subject to amendment by any wording or text recommended by the Vendor's noise consultants or by any of the governmental authorities) may be registered on title to the Potl on the Closing Date, if, in fact, same is required by any of the governmental authorities.
3. The Purchaser is advised that the Vendor's marketing material and site drawings and renderings ("**Marketing Material**") which they may have reviewed prior to the execution of this Agreement remains conceptual and that final building plans are subject to the final review and approval of any applicable governmental authority and the Vendor's design consultants and engineers, and accordingly such Marketing Material does not form part of this Agreement or the Vendor's obligations hereunder.
4. The hot water heater/tank within the Dwelling may be rented/leased and the Purchaser agrees on or before the Closing Date to enter into a lease agreement with such company selected by the Vendor for the lease of same, to execute such documents and other assurances as are required to give effect to same and to be responsible for the costs related thereto.
5. The Purchaser is advised that despite the inclusion of noise control features in this development area and within dwellings, noise levels from increasing road traffic may continue to be of concern occasionally interfering with some activities of the dwelling occupants, as the noise exposure level may exceed the noise criteria of the Municipality and the Ministry of the Environment.
6. The Purchaser is specifically advised that the Dwelling will be fitted with ducting sized to accommodate a central air conditioning unit. The installation of central air conditioning by the homeowner will allow windows and exterior doors to be kept closed, thereby achieving indoor sound levels within the limits recommended by the Ministry of Environment. (Note: care should be taken to ensure that the condenser unit is located in an area that is not sensitive to noise. The sound rating of central air conditioning units must not exceed the sound emission standards established by the Ministry of Environment).
7. The Purchaser is advised that noise, traffic, light and/or odour levels from nearby office, commercial and/or retail businesses, as well as fire hall, schools and hospital, may be of concern and occasionally interfere with some activities of the Dwelling occupants. The Purchaser is advised that sound levels may exceed the Municipality's and the Ministry of Environment's noise criteria.

3. Changing the Firm Closing Date – By Setting a Delayed Closing Date

- (a) If the Vendor cannot Close on the Firm Closing Date and sections 4 and 5 do not apply, the Vendor shall select and give written notice to the Purchaser of a Delayed Closing Date in accordance with this section, and delayed closing compensation is payable in accordance with section 7.
- (b) The Delayed Closing Date may be any Business Day after the date the Purchaser receives written notice of the Delayed Closing Date but not later than the Outside Closing Date.
- (c) The Vendor shall give written notice to the Purchaser of the Delayed Closing Date as soon as the Vendor knows that it will be unable to Close on the Firm Closing Date, and in any event at least 10 days before the Firm Closing Date, failing which delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date, in accordance with paragraph 7(c). If notice of a new Delayed Closing Date is not given by the Vendor before the Firm Closing Date, then the new Delayed Closing Date shall be deemed to be the date which is 90 days after the Firm Closing Date.
- (d) After the Delayed Closing Date is set, if the Vendor cannot Close on the Delayed Closing Date, the Vendor shall select and give written notice to the Purchaser of a new Delayed Closing Date, unless the delay arises due to Unavoidable Delay under section 5 or is mutually agreed upon under section 4, in which case the requirements of those sections must be met. Paragraphs (b) and (c) above apply with respect to the setting of the new Delayed Closing Date.
- (e) Nothing in this section affects the right of the Purchaser or Vendor to terminate the Purchase Agreement on the bases set out in section 10.

4. Changing Critical Dates – By Mutual Agreement

- (a) This Addendum sets out a framework for setting, extending and/or accelerating Critical dates, which cannot be altered contractually except as set out in this section 4. Any amendment not in accordance with this section is voidable at the option of the Purchaser.
- (b) The Vendor and Purchaser may at any time, after signing the Purchase Agreement, mutually agree in writing to accelerate or extend any of the Critical Dates. Any amendment which accelerates or extends any of the Critical Dates must include the following provisions:
 - (i) the Purchaser and Vendor agree that the amendment is entirely voluntary – the Purchaser has no obligation to sign the amendment and each understands that this purchase transaction will still be valid if the Purchaser does not sign this amendment;
 - (ii) the amendment includes a revised Statement of Critical Dates which replaces the previous Statement of Critical Dates;
 - (iii) the Purchaser acknowledges that the amendment may affect delayed closing compensation payable; and

Freehold Form
(May 14, 2024)

(iv) if the change involves extending either the Firm Closing Date or the Delayed Closing Date, then the amending agreement shall:

- i. disclose to the Purchaser that the signing of the amendment may result in the loss of delayed closing compensation as described in section 7;
- ii. unless there is an express waiver of compensation, describe in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation; and
- iii. contain a statement by the Purchaser that the Purchaser waives compensation or accepts the compensation referred to in clause ii above, in either case, in full satisfaction of any delayed closing compensation payable by the Vendor for the period up to the new Firm Closing Date or Delayed Closing Date.

If the Purchaser for his or her own purposes requests a change of the Firm Closing Date or the Delayed Closing Date, then subparagraphs (b)(i), (iii) and (iv) above shall not apply.

- (c) A Vendor is permitted to include a provision in the Purchase Agreement allowing the Vendor a one-time unilateral right to extend a Firm Closing Date or Delayed Closing Date, as the case may be, for one (1) Business Day to avoid the necessity of tender where a Purchaser is not ready to complete the transaction on the Firm Closing Date or Delayed Closing Date, as the case may be. Delayed closing compensation will not be payable for such period and the Vendor may not impose any penalty or interest charge upon the Purchaser with respect to such extension.
- (d) The Vendor and Purchaser may agree in the Purchase Agreement to any unilateral extension or acceleration rights that are for the benefit of the Purchaser.

5. Extending Dates – Due to Unavoidable Delay

- (a) If Unavoidable Delay occurs, the Vendor may extend Critical Dates by no more than the length of the Unavoidable Delay Period, without the approval of the Purchaser and without the requirement to pay delayed closing compensation in connection with the Unavoidable Delay, provided the requirements of this section are met.
- (b) If the Vendor wishes to extend Critical Dates on account of Unavoidable Delay, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, and an estimate of the duration of the delay. Once the Vendor knows or ought reasonably to know that an Unavoidable Delay has commenced, the Vendor shall provide written notice to the Purchaser by the earlier of: 20 days thereafter; and the next Critical Date.
- (c) As soon as reasonably possible, and no later than 20 days after the Vendor knows or ought reasonably to know that an Unavoidable Delay has concluded, the Vendor shall provide written notice to the Purchaser setting out a brief description of the Unavoidable Delay, identifying the date of its conclusion, and setting new Critical Dates. The new Critical Dates are calculated by adding to the then next Critical Date the number of days of the Unavoidable Delay Period (the other Critical Dates changing accordingly), provided that the Firm Closing Date or Delayed Closing Date, as the case may be, must be at least 10 days after the day of giving notice unless the parties agree otherwise. Either the Vendor or the Purchaser may request in writing an earlier Firm Closing Date or Delayed Closing Date, and the other party's consent to the earlier date shall not be unreasonably withheld.
- (d) If the Vendor fails to give written notice of the conclusion of the Unavoidable Delay in the manner required by paragraph (c) above, then the notice is ineffective, the existing Critical Dates are unchanged, and any delayed closing compensation payable under section 7 is payable from the existing Firm Closing Date.
- (e) Any notice setting new Critical Dates given by the Vendor under this section shall include an updated revised Statement of Critical Dates.

EARLY TERMINATION CONDITIONS

6. Early Termination Conditions

- (a) The Vendor and Purchaser may include conditions in the Purchase Agreement that, if not satisfied, give rise to early termination of the Purchase Agreement, but only in the limited way described in this section.
- (b) The Vendor is not permitted to include any conditions in the Purchase Agreement other than: the types of Early Termination Conditions listed in Schedule A; and/or the conditions referred to in paragraphs (j), (k) and (l) below. Any other condition included in a Purchase Agreement for the benefit of the Vendor that is not expressly permitted under Schedule A or paragraphs (j), (k) and (l) below is deemed null and void and is not enforceable by the Vendor, but does not affect the validity of the balance of the Purchase Agreement.
- (c) The Vendor confirms that this Purchase Agreement is subject to Early Termination Conditions that, if not satisfied (or waived, if applicable), may result in the termination of the Purchase Agreement. O Yes O No
- (d) If the answer in (c) above is "Yes", then the Early Termination Conditions are as follows. The obligation of each of the Purchaser and Vendor to complete this purchase and sale transaction is subject to satisfaction (or waiver, if applicable) of the following conditions and any such conditions set out in an appendix headed "Early Termination Conditions":

Condition #2 (if applicable)

Description of the Early Termination Condition:

The Approving Authority (as that term is defined in Schedule A) is: _____

The date for satisfaction of any Early Termination Condition may be changed by mutual agreement provided in all cases it is set at least 90 days before the First Tentative Closing Date, and will be deemed to be 90 days before the First Tentative Closing Date if no date is specified or if the date specified is later than 90 days before the First Tentative Closing Date. This time limitation does not apply to the condition in subparagraph 1(b)(iv) of Schedule A which must be satisfied or waived by the Vendor within 60 days following the later of: (A) the signing of the Purchase Agreement; and (B) the satisfaction or waiver by the Purchaser of a Purchaser financing condition permitted under paragraph (l) below.

Note: The parties must add additional pages as an appendix to this Addendum if there are additional Early Termination Conditions.

- (e) There are no Early Termination Conditions applicable to this Purchase Agreement other than those identified in subparagraph (d) above and any appendix listing additional Early Termination Conditions.
- (f) The Vendor agrees to take all commercially reasonable steps within its power to satisfy the Early Termination Conditions identified in subparagraph (d) above.
- (g) For conditions under paragraph 1(a) of Schedule A the following applies:
 - (i) conditions in paragraph 1(a) of Schedule A may not be waived by either party;
 - (ii) the Vendor shall provide written notice not later than five (5) Business Days after the date specified for satisfaction of a condition that: (A) the condition has been satisfied; or (B) the condition has not been satisfied (together with reasonable details and backup materials) and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed not satisfied and the Purchase Agreement is terminated.
- (h) For conditions under paragraph 1(b) of Schedule A the following applies:
 - (i) conditions in paragraph 1(b) of Schedule A may be waived by the Vendor;
 - (ii) the Vendor shall provide written notice on or before the date specified for satisfaction of the condition that: (A) the condition has been satisfied or waived; or (B) the condition has not been satisfied nor waived, and that as a result the Purchase Agreement is terminated; and
 - (iii) if notice is not provided as required by subparagraph (ii) above then the condition is deemed satisfied or waived and the Purchase Agreement will continue to be binding on both parties.
- (i) If a Purchase Agreement or proposed Purchase Agreement contains Early Termination Conditions, the Purchaser has three (3) Business Days after the day of receipt of a true and complete copy of the Purchase Agreement or proposed Purchase Agreement to review the nature of the conditions (preferably with legal counsel). If the Purchaser is not satisfied, in the Purchaser's sole discretion, with the Early Termination Conditions, the Purchaser may revoke the Purchaser's offer as set out in the proposed Purchase Agreement, or terminate the Purchase Agreement, as the case may be, by giving written notice to the Vendor within those three Business Days.
- (j) The Purchase Agreement may be conditional until Closing (transfer to the Purchaser of title to the home), upon compliance with the subdivision control provisions (section 50) of the *Planning Act*, which compliance shall be obtained by the Vendor at its sole expense, on or before Closing.
- (k) The Purchaser is cautioned that there may be other conditions in the Purchase Agreement that allow the Vendor to terminate the Purchase Agreement due to the fault of the Purchaser.
- (l) The Purchase Agreement may include any condition that is for the sole benefit of the Purchaser and that is agreed to by the Vendor (e.g., the sale of an existing dwelling, Purchaser financing or a basement walkout). The Purchase Agreement may specify that the Purchaser has a right to terminate the Purchase Agreement if any such condition is not met, and may set out the terms on which termination by the Purchaser may be effected.

MAKING A COMPENSATION CLAIM

7. Delayed Closing Compensation

- (a) The Vendor warrants to the Purchaser that, if Closing is delayed beyond the Firm Closing Date (other than by mutual agreement or as a result of Unavoidable Delay as permitted under sections 4 and 5), then the Vendor shall compensate the Purchaser up to a total amount of \$7,500, which amount includes: (i) payment to the Purchaser of a set amount of \$150 a day for living expenses for each day of delay until the date of Closing; or the date of termination of the Purchase Agreement, as applicable under paragraph (b) below; and (ii) any other expenses (supported by receipts) incurred by the Purchaser due to the delay.
- (b) Delayed closing compensation is payable only if: (i) Closing occurs; or (ii) the Purchase Agreement is terminated or deemed to have been terminated under paragraph 10(b) of this Addendum. Delayed closing compensation is payable only if the Purchaser's claim is made to Tarion in writing within one (1) year after Closing, or after termination of the Purchase Agreement, as the case may be, and otherwise in accordance with this Addendum. Compensation claims are subject to any further conditions set out in the ONHWP Act.
- (c) If the Vendor gives written notice of a Delayed Closing Date to the Purchaser less than 10 days before the Firm Closing Date, contrary to the requirements of paragraph 3(c), then delayed closing compensation is payable from the date that is 10 days before the Firm Closing Date.
- (d) Living expenses are direct living costs such as for accommodation and meals. Receipts are not required in support of a claim for living expenses, as a set daily amount of \$150 per day is payable. The Purchaser must provide receipts in support of any claim for other delayed closing compensation, such as for moving and storage costs. Submission of false receipts disentitles the Purchaser to any delayed closing compensation in connection with a claim.
- (e) If delayed closing compensation is payable, the Purchaser may make a claim to the Vendor for that compensation after Closing or after termination of the Purchase Agreement, as the case may be, and shall include all receipts (apart from living expenses) which evidence any part of the Purchaser's claim. The Vendor shall assess the Purchaser's claim by determining the amount of delayed closing compensation payable based on the rules set out in section 7 and the receipts provided by the Purchaser, and the Vendor shall promptly provide that assessment information to the Purchaser. The Purchaser and the Vendor shall use reasonable efforts to settle the claim and when the claim is settled, the Vendor shall prepare an acknowledgement signed by both parties which:
 - (i) includes the Vendor's assessment of the delayed closing compensation payable;
 - (ii) describes in reasonable detail the cash amount, goods, services, or other consideration which the Purchaser accepts as compensation (the "Compensation"), if any; and
 - (iii) contains a statement by the Purchaser that the Purchaser accepts the Compensation in full satisfaction of any delay compensation payable by the Vendor.
- (f) If the Vendor and Purchaser cannot agree as contemplated in paragraph 7(e), then to make a claim to Tarion the Purchaser must file a claim with Tarion in writing within one (1) year after Closing. A claim may also be made and the same rules apply if the sale transaction is terminated under paragraph 10(b), in which case, the deadline for a claim is one (1) year after termination.

8. Adjustments to Purchase Price

Only the items set out in Schedule B (or an amendment to Schedule B), shall be the subject of adjustment or change to the purchase price or the balance due on Closing. The Vendor agrees that it shall not charge as an adjustment or readjustment to the purchase price of the home, any reimbursement for a sum paid or payable by the Vendor to a third party unless the sum is ultimately paid to the third party either before or after Closing. If the Vendor charges an amount in contravention of the preceding sentence, the Vendor shall forthwith readjust with the Purchaser. This section shall not: restrict or prohibit payments for items disclosed in Part I of Schedule B which have a fixed fee; nor shall it restrict or prohibit the parties from agreeing on how to allocate as between them, any rebates, refunds or incentives provided by the federal government, a provincial or municipal government or an agency of any such government, before or after Closing.

9. Ontario Building Code – Conditions of Closing

- (a) On or before Closing, the Vendor shall deliver to the Purchaser:
 - (i) an Occupancy Permit (as defined in paragraph (d)) for the home; or
 - (ii) if an Occupancy Permit is not required under the Building Code, a signed written confirmation by the Vendor that all conditions of occupancy under the Building Code have been fulfilled and occupancy is permitted under the Building Code.
- (b) Notwithstanding the requirements of paragraph (a), to the extent that the Purchaser and the Vendor agree that the Purchaser shall be responsible for one or more prerequisites to obtaining permission for occupancy under the Building Code, (the "Purchaser Occupancy Obligations"):

RMP
A.R.P.

Freehold Form
(May 14, 2024)

- (i) the Purchaser shall not be entitled to delayed closing compensation if the reason for the delay is that the Purchaser Occupancy Obligations have not been completed;
 - (ii) the Vendor shall deliver to the Purchaser, upon fulfilling all prerequisites to obtaining permission for occupancy under the Building Code (other than the Purchaser Occupancy Obligations), a signed written confirmation that the Vendor has fulfilled such prerequisites; and
 - (iii) if the Purchaser and Vendor have agreed that such prerequisites (other than the Purchaser Occupancy Obligations) are to be fulfilled prior to Closing, then the Vendor shall provide the signed written confirmation required by subparagraph (ii) on or before the date of Closing.
- (c) If the Vendor cannot satisfy the requirements of paragraph (a) or subparagraph (b)(ii), the Vendor shall set a Delayed Closing Date (or new Delayed Closing Date) on a date that the Vendor reasonably expects to have satisfied the requirements of paragraph (a) or subparagraph (b)(ii), as the case may be. In setting the Delayed Closing Date (or new Delayed Closing Date), the Vendor shall comply with the requirements of section 3, and delayed closing compensation shall be payable in accordance with section 7. Despite the foregoing, delayed closing compensation shall not be payable for a delay under this paragraph (c) if the inability to satisfy the requirements of subparagraph (b)(ii) above is because the Purchaser has failed to satisfy the Purchaser Occupancy Obligations.
- (d) For the purposes of this section, an "Occupancy Permit" means any written or electronic document, however styled, whether final, provisional or temporary, provided by the chief building official (as defined in the *Building Code Act*) or a person designated by the chief building official, that evidences that permission to occupy the home under the Building Code has been granted.

10. Termination of the Purchase Agreement

- (a) The Vendor and the Purchaser may terminate the Purchase Agreement by mutual written agreement. Such written mutual agreement may specify how monies paid by the Purchaser, including deposit(s) and monies for upgrades and extras are to be allocated if not repaid in full.
- (b) If for any reason (other than breach of contract by the Purchaser) Closing has not occurred by the Outside Closing Date, then the Purchaser has 30 days to terminate the Purchase Agreement by written notice to the Vendor. If the Purchaser does not provide written notice of termination within such 30-day period then the Purchase Agreement shall continue to be binding on both parties and the Delayed Closing Date shall be the date set under paragraph 3(c), regardless of whether such date is beyond the Outside Closing Date.
- (c) If: calendar dates for the applicable Critical Dates are not inserted in the Statement of Critical Dates; or if any date for Closing is expressed in the Purchase Agreement or in any other document to be subject to change depending upon the happening of an event (other than as permitted in this Addendum), then the Purchaser may terminate the Purchase Agreement by written notice to the Vendor.
- (d) The Purchase Agreement may be terminated in accordance with the provisions of section 6.
- (e) Nothing in this Addendum derogates from any right of termination that either the Purchaser or the Vendor may have at law or in equity on the basis of, for example, frustration of contract or fundamental breach of contract.
- (f) Except as permitted in this section, the Purchase Agreement may not be terminated by reason of the Vendor's delay in Closing alone.

11. Refund of Monies Paid on Termination

- (a) If the Purchase Agreement is terminated (other than as a result of breach of contract by the Purchaser), then unless there is agreement to the contrary under paragraph 10(a), the Vendor shall refund all monies paid by the Purchaser including deposit(s) and monies for upgrades and extras, within 10 days of such termination, with interest from the date each amount was paid to the Vendor to the date of refund to the Purchaser. The Purchaser cannot be compelled by the Vendor to execute a release of the Vendor as a prerequisite to obtaining the refund of monies payable as a result of termination of the Purchase Agreement under this paragraph, although the Purchaser may be required to sign a written acknowledgement confirming the amount of monies refunded and termination of the purchase transaction. Nothing in this Addendum prevents the Vendor and Purchaser from entering into such other termination agreement and/or release as may be agreed to by the parties.
- (b) The rate of interest payable on the Purchaser's monies is 2% less than the minimum rate at which the Bank of Canada makes short-term advances to members of Canada Payments Association, as of the date of termination of the Purchase Agreement.
- (c) Notwithstanding paragraphs (a) and (b) above, if either party initiates legal proceedings to contest termination of the Purchase Agreement or the refund of monies paid by the Purchaser, and obtains a legal determination, such amounts and interest shall be payable as determined in those proceedings.

Seller hereby consents to the municipality or other governmental agencies releasing to Buyer details of all outstanding work orders and deficiency notices affecting the property, and Seller agrees to execute and deliver such further authorizations in this regard as Buyer may reasonably require.
- 9. FUTURE USE:** Seller and Buyer agree that there is no representation or warranty of any kind that the future intended use of the property by Buyer is or will be lawful except as may be specifically provided for in this Agreement.
- 10. TITLE:** Provided that the title to the property is good and free from all registered restrictions, charges, liens, and encumbrances except as otherwise specifically provided in this Agreement and save and except for (a) any registered restrictions or covenants that run with the land providing that such are complied with; (b) any registered municipal agreements and registered agreements with publicly regulated utilities providing such have been complied with, or security has been posted to ensure compliance and completion, as evidenced by a letter from the relevant municipality or regulated utility; (c) any minor easements for the supply of domestic utility or telecommunication services to the property or adjacent properties; and (d) any easements for drainage, storm or sanitary sewers, public utility lines, telecommunication lines, cable television lines or other services which do not materially affect the use of the property.
