6.1 Superintendent's Levy

All New Common Shares and New Warrants to be distributed under this Proposal shall be delivered by the Company to the Proposal Trustee for distribution by the Proposal Trustee to Proven Creditors in accordance with this Proposal and, notwithstanding any other provisions hereunder, any distributions made pursuant to the terms hereof shall be made net of the Superintendent's Levy required to be made, pursuant to sections 147 and 60(4) of the BIA.

6.2 Stated Capital

The aggregate stated capital for purposes of the OBCA for the New Common Shares and New Warrants issued pursuant to this Proposal will be as determined by the board of directors of the Company.

6.3 Distributions to Noteholders

- (a) This Section 6.3 sets forth the distribution mechanics with respect to the New Common Shares and the New Warrants that are to be distributed to the Noteholders pursuant to the Proposal.
- (b) The delivery of the New Common Shares and the New Warrants to the Noteholders will be made through the facilities of CDS to CDS participants, who, in turn, shall make delivery of interests in such New Common Shares and New Warrants to the beneficial holders of such Gold Linked Notes pursuant to standing instructions and customary practices; provided that, if either the New Common Shares or New Warrants are not CDS eligible, delivery of any such ineligible indirect Noteholder distributions will be made to the Note Indenture Trustee who, in turn, will make delivery of the applicable New Common Shares and New Warrants to each of the Noteholders through the direct registration system of Equity Financial Trust Company (or such other transfer agent as the Company may appoint). Distributions to Noteholders by the Proposal Trustee shall be made as soon as practicable after the Effective Time.
- (c) The Company and the Proposal Trustee shall have satisfied their responsibilities in respect of the distribution of New Common Shares and New Warrants to the Noteholders once such New Common Shares and New Warrants have been delivered to CDS or the Note Indenture Trustee, as applicable. The Company and the Proposal Trustee will have no liability or obligation in respect of deliveries from CDS, or its nominee, to CDS participants or from CDS participants to beneficial holders of the Gold Linked Notes or from the Note Indenture Trustee to beneficial holders of the Gold Linked Notes.

6.4 Distribution to Proven Creditors (other than Noteholders)

- (a) This Section 6.4 sets forth the distribution mechanics with respect to the New Common Shares and the New Warrants that are to be distributed to Proven Creditors other than Noteholders pursuant to the Proposal.

- (c) The distribution of New Common Shares and New Warrants shall be made by the Proposal Trustee to the Proven Creditors as soon as practicable after the Effective Time.
- (d) Unsecured Creditors holding a disputed Claim will not receive a distribution until the disputed Claim is resolved in accordance with this Proposal and the BIA. Unaffected Creditors will not be entitled to receive any distributions under this Proposal with respect to their Unaffected Claims and Unaffected Claims shall not be compromised under this Proposal.

6.5 Undeliverable Distributions

Undeliverable Distributions shall be dealt with and treated in the manner provided for in the BIA and the Directives promulgated pursuant thereto.

6.6 Final Distributions

As soon as reasonably possible after the acceptance of this Proposal by the Required Majority, the Proposal Trustee shall give notice pursuant to section 149(1) of the BIA to every Person with an Affected Claim of which the Proposal Trustee has notice or knowledge but whose Affected Claim has not been proved that if such Person does not prove its Claim within a period of thirty (30) days after the giving of the notice, the Proposal Trustee will proceed to declare a final creditor distribution without regard to such Person's Claim; the distribution referred to in said notice shall be deemed a final creditor distribution and any Person so notified who does not prove its Claim within the said thirty (30) days shall be barred from making a Claim in this Proposal or sharing in any creditor distribution hereunder, subject to any exceptions set out in subsections 149(2), (3) and (4) of the BIA.

No fractional interests of New Common Shares or New Warrants ("**Fractional Interests**") will be issued under this Proposal. Recipients of New Common Shares and New Warrants will have their entitlements adjusted downwards to the nearest whole number of New Common Shares or New Warrants, as applicable, to eliminate any such Fractional Interests and no compensation will be given for the Fractional Interest.

6.11 Allocation of Distributions

All distributions made pursuant to the Proposal shall be allocated first towards the repayment of the principal amount in respect of such Affected Creditor's Affected Claim and second, if any, towards the repayment of all accrued but unpaid interest in respect of such Affected Creditor's Affected Claim.

ARTICLE 7

Once a disputed Claim with respect to an Unsecured Creditor that is not a Noteholder is resolved, a distribution will be made to that Proven Creditor as to its Proven Claim in accordance with Section 6.4 of this Proposal.

ARTICLE 8
IMPLEMENTATION OF THE PROPOSAL AND EFFECT OF THE PROPOSAL

8.1 Proposal Implementation

On the Proposal Implementation Date, this Proposal will become effective and be binding on and enure to the benefit of the Company and all Affected Creditors in accordance with the terms of this Proposal, irrespective of whether the Affected Creditor submits a proof of claim under this Proposal.

8.2 Effect of the Proposal Generally

The payment, compromise or satisfaction of any Affected Claims under this Proposal, if approved by the Court, shall be binding upon each Affected Creditor and his, her or its heirs, executors, administrators and other legal representatives, successors and assigns, as the case may be, for all purposes and this Proposal will constitute (a) a full, final and absolute settlement of all rights of the Affected Creditors against the Company and the directors of the Company (in their capacity as directors of the Company) in respect of the Affected Claims; and (b) an absolute release and discharge of all indebtedness, liabilities and obligations of or in respect of the Affected Claims against the Company and the directors of the Company (in their capacity as directors of the Company) and all Liens granted by the Company in respect thereof, including any interest or costs accruing thereon (whether before or after the Filing Date).

8.3 Consents and Releases

In particular, each Affected Creditor shall be deemed to have executed and delivered to the Company and the directors of the Company all consents, releases, assignments and waivers, statutory or otherwise, required to implement and carry out this Proposal in its entirety.

8.4 Waivers of Defaults

Upon Implementation of the Proposal, all Persons shall be deemed to have waived any and all defaults of the Company then existing or previously committed by the Company, or caused by the Company, by any of the provisions in the Proposal or steps contemplated in the Proposal, or non-compliance with any covenant, warranty,

representation, term, provision, condition or obligation, expressed or implied, in any contract, instrument, credit document, indenture, note, lease, guarantee, agreement for sale or other agreement, written or oral, and any and all amendments or supplements thereto, existing between such Person and the Company and any and all notices of default and demands for payment or any step or proceeding taken or commenced in connection therewith under any such agreement shall be deemed to have been rescinded and of no further force or effect, provided that nothing shall be deemed to excuse the Company from performing its obligations under the Proposal or be a waiver of defaults by the Company under the Proposal and the related documents. For great certainty, nothing in this Section shall waive any obligations of the Company in respect of any of the Unaffected Claims.

8.5 Deeming Provision

In this Proposal, the deeming provisions are not rebuttable and are conclusive and irrevocable.

8.6 Preferences and Transfers at Undervalue

8.7 Proposal Releases

Upon Implementation, all Claims of the Affected Creditors and all claims of the Affected Creditors existing or hereafter arising, based in whole or in part on any act or omission, transaction, dealing or other occurrence existing or taking place on or prior to the Proposal Implementation Date relating to, arising out of or in connection with the Company or its assets, business or affairs, whenever and however conducted, this Proposal or the BIA Proceeding, other than Unaffected Claims, and the right to enforce the Company's obligations under this Proposal shall be deemed to be fully and finally satisfied, settled and discharged and (a) no Affected Creditor shall have any further right, remedy or claim against the Company in respect of all or any portion of the Affected Creditor's Claim, and (b) no Affected Creditor shall have any further right, remedy or claim against the officers, directors, partners, shareholders, agents, contractors, employees or professional or legal advisors of the Company in respect of all or any portion of any Claim. Nothing herein shall release any Unaffected Claim.

8.8 Release of Directors

Upon Implementation, the Affected Creditors shall be deemed to fully release and discharge and shall not pursue any claims or assessments against the Company's current or former directors for claims against any such current or former directors of the Company that arose prior to the Filing Date and that relate to the liabilities of the Company where such current or former directors are by law liable in their capacity as directors for the payment of such obligations. Nothing herein shall be interpreted as an acknowledgement of any liability or obligations of any of the current or former directors. For greater certainty, Unaffected Claims, including Unaffected Claims that relate to

contractual rights of one or more creditors arising from contracts with one or more directors or based on allegations of misrepresentation made by directors or of wrongful or oppressive conduct by directors are not released.

Upon surrender of these Warrants, the person or persons in whose name or names the Warrant Shares are to be issued shall be deemed for all purposes (except as provided in the Warrant Indenture) to be the holder or holders of record of such Warrant Shares and the Company has covenanted that it will (subject to the provisions of the Warrant Indenture) cause a certificate or certificates representing the Warrant Shares to be delivered or mailed to the person or persons at the address or addresses specified in the Exercise Form within three Business Days.

The holding of the Warrants evidenced by this Warrant Certificate shall not constitute, or be construed as conferring upon the Holder, any right or interest whatsoever as a shareholder of the Company except such rights as may be provided in the Warrant Indenture or in this Warrant Certificate.

The Holder may, upon compliance with the reasonable requirements of the Warrant Agent and upon surrender of this Warrant Certificate, exchange this Warrant Certificate for another warrant certificate or warrant certificates entitling the Holder thereof to receive, in the aggregate, the same number of Warrants as are issuable under this Warrant Certificate.
