CLEARFORD WATER SYSTEMS INC., OF THE CITY OF OTTAWA,  
IN THE PROVINCE OF ONTARIO

FIRST REPORT TO COURT OF  
KSV RESTRUCTURING INC. AS PROPOSAL TRUSTEE

JUNE 29, 2022

## 1.0 Introduction

1. This report (“Report”) has been prepared by KSV Restructuring Inc. (“KSV”) in its capacity as proposal trustee (the “Proposal Trustee”) in connection with a Notice of Intention to Make a Proposal (“NOI”) filed on April 28, 2022 (the “Filing Date”) by Clearford Water Systems Inc. (“CWSI” or the “Company”) pursuant to Section 50.4(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the “BIA”).
2. On May 12, 2022, the Company filed a proposal (the “Original Proposal”) with the Official Receiver in accordance with Section 62(1) of the BIA. A Certificate of Filing a Proposal (“Certificate”) was issued on that date by the Office of the Superintendent of Bankruptcy (Canada) (the “OSB”). Copies of the Original Proposal (without schedules) and the Certificate are attached as Appendices “A” and “B”, respectively. On May 19, 2022, the Company filed an amended proposal (the “Proposal”) to revise certain of the definitions in the Original Proposal. These amendments were immaterial to the substance of the Proposal. A copy of the Proposal is provided as Appendix “C”.
3. The principal purpose of this proceeding is to create a stabilized environment to allow the Company to restructure its balance sheet and its share capital on the basis set out in the Proposal. The restructuring plan is intended to result in substantial recoveries for the Company’s arm’s length unsecured creditors, shortly after implementation of the Proposal, and provide the opportunity for full, or substantially full, recoveries on a deferred basis, of the unsecured or under-secured obligations owing to the Sponsors (as defined below) and certain of their affiliated entities.

## 1.1 Purposes of this Report

1. The purposes of this Report are to:
  - a) provide background information about the Company;

- b) summarize the results of the meeting of creditors held on June 2, 2022 to consider and vote on the Proposal (the “Meeting”);
  - c) provide the statutory disclosure required under Sections 58(d) and 59(1) of the BIA; and
  - d) provide the Proposal Trustee’s recommendation that the Ontario Superior Court of Justice (the “Court”) approve the Proposal, including the amendments to the constating documents of the Company as contemplated by the Articles of Reorganization included as Schedule “A” to the Proposal.
2. Capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Proposal.

## **1.2 Currency**

1. All currency references in this Report are to Canadian dollars.

## **1.3 Restrictions**

1. In preparing this Report, the Proposal Trustee has relied upon unaudited financial information prepared by the Company’s representatives, the books and records of the Company and discussions with representatives of the Company and the Sponsors. The Proposal Trustee has not audited, reviewed or otherwise verified the accuracy or completeness of the information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the *Chartered Professional Accountants Canada Handbook*.
2. The Proposal Trustee expresses no opinion or other form of assurance with respect to the financial information presented in this Report or relied upon by the Proposal Trustee in preparing this Report. Any party wishing to place reliance on the Company’s financial information should perform its own due diligence and any reliance placed by any party on the information presented herein shall not be considered sufficient for any purpose whatsoever. KSV accepts no responsibility for the accuracy of the Company’s financial information.

## **2.0 Background**

### **2.1 Overview**

1. The Company was formed on January 26, 2006 by amalgamation under the *Canada Business Corporations Act* (“CBCA”) of Innovative Sewage Systems Inc., Clearford Industries Inc. and Brooklin Concrete Inc. The amalgamated company was originally called Clearford Industries Inc., before changing its name on June 19, 2014 to Clearford Water Systems Inc.
2. The Company’s shares are listed on the TSX Venture Exchange (“TSX-V”) under the symbol “CLI”. The TSX-V halted trading of the Company’s shares after the NOI was filed.

3. The Company, through its operating subsidiaries (the “Subsidiaries”, and together with CWSI, the “Clearford Group”) provides unified water management solutions for the design, deployment, finance and operation of water infrastructure systems. Additional information related to the Clearford Group can be found on its website at: [www.clearford.com](http://www.clearford.com).
4. The Company’s head office is located in Ottawa, Ontario.
5. The Proposal Trustee understands that the Company’s primary focus is raising capital for and providing administrative services to the operating Subsidiaries. The Clearford Group’s organizational chart is provided as Appendix “D”.
6. Additional information related to the Clearford Group and the Company, including their historical operating results, is included in the Proposal Trustee’s Report to Creditors dated May 20, 2022 (the “Report to Creditors”). A copy of the Report to Creditors is provided in Appendix “E”, without attachments.

### 3.0 Claims

#### 3.1 Sponsors

1. Sustainable Water Projects Inc. (“SWP”), Morebath Limited (“Morebath”) and Lexus Continental Ltd. (“Lexus”, and together with SWP and Morebath, the “Sponsors”) are secured creditors of the Company, collectively owed approximately \$16.5 million as at the Filing Date. The amounts owing to the Sponsors by the Company are summarized below:

Sponsor	Amount (\$000)
SWP	5,350
Morebath	7,442
Lexus	3,697
	16,489

2. The Proposal Trustee’s counsel, Aird & Berlis LLP (“A&B”), provided opinions dated May 4, 2022 which, subject to standard assumptions and qualifications, conclude that the security granted by the Company to each of the Sponsors creates valid and perfected security interests in certain of the Company’s property, as specified in the respective opinions.
3. In addition to the above amounts which were advanced directly to CWSI, the Proposal Trustee understands that affiliates of SWP advanced approximately \$62.4 million to the Subsidiaries listed below (some secured and some unsecured), as applicable:
  - a) Clearford Koester Canada Inc. (“Clearford Koester”), \$39.3 million;
  - b) Clearford Finance Corporation (“Clearford Finance”), \$20.1 million; and
  - c) Clearford Water Utility (Ontario) Inc. (“Clearford Water”), \$3 million.

4. Pursuant to a restructuring and support agreement dated May 12, 2022 (the “Support Agreement”) between the Company and each of the Sponsors, the Sponsors agreed to: a) make certain cash payments in support of the administrative costs and certain creditor payments to be made under the Proposal; b) on Proposal Implementation, release their first ranking security interests over the assets of CWSI and allow their claims to be treated as Affected Claims participating in the Contingent Value Note in the Proposal; c) on Proposal Implementation receive the New Common Shares; and d) support the compromises, arrangements and transactions contemplated by the Proposal in order to effect the restructuring of the Company’s business, so that the Company’s creditors would receive distributions greater than they would if the Company became bankrupt and/or if the Sponsors enforced their security. A copy of the Support Agreement is included as Schedule “B” to the Proposal.

### 3.2 Other Claims

1. A summary of the claims which have been filed in this proceeding is provided below.

Claimants	Amount Claimed (\$000)
SW Everett Inc. (“SWE”) <sup>1</sup>	4,478
Mark McGuire (discussed in s. 4.0, para 6, below)	306
Competitive Jumpers Inc.	72
Welch LLP	62
Glenn Gold	21
Ian Ross	18
Andrew Szonyi	9
	4,966

### 4.0 The Proposal

1. The terms of the Proposal were summarized in the Report to Creditors and are not repeated herein.
2. Implementation of the Proposal is anticipated to result in:
  - a) payment in full of the Proven Claims of Preferred Creditors (including the Required Employee Amount and the Required Crown Amount) from the Priority Creditor Cash Amount;
  - b) payment on account of the Proven Claims of Ordinary Creditors from the Unsecured Creditor Cash Amount (discussed further in paragraph 6 below);
  - c) the cancellation of the Existing Securities for no substantive consideration;
  - d) the issuance of New Common Shares to the Sponsors in accordance with the Articles of Reorganization and Sponsor Support Agreement; and

<sup>1</sup> As discussed in Section 4, SWE is not participating in the Unsecured Creditor Cash Amount.

- e) the restructuring of the Morebath Indebtedness, the Lexus Indebtedness, the SWP Loan (also defined as the SWP Indebtedness), the SW Everett Loan and the Affected Intercompany Claims into participation interests in the Contingent Value Note (the “CVN”), as discussed further in Section 4.1 below.
3. The Proposal was only made to Affected Creditors, being creditors with an Affected Claim. Unaffected Claims are comprised of:
  - a) the Directors’ Indemnity Claims<sup>2</sup>;
  - b) the Unaffected Intercompany Claims<sup>3</sup>;
  - c) the Non-Sponsor Secured Claims<sup>4</sup>; and
  - d) the Administrative Fees and Expenses<sup>5</sup>.
4. The Sponsors did not vote on the Proposal. Only the Unsecured Creditors, being SWE and the other arm’s length creditors were entitled to vote on the Proposal.
5. Other than the Note Participants, the Proposal provides that Ordinary Creditors with Proven Claims will receive a pro-rated distribution from the Unsecured Creditor Cash Amount, net of the Administrative Fee Reserve (to the extent not paid in full from the Priority Creditor Cash Amount). The Unsecured Creditor Cash Amount represents the payments to be made by the Sponsors to the Proposal Trustee equal to the lesser of:
  - a) \$325,000; and
  - b) the amount required to pay: (a) any remaining Administrative Fees and Expenses of the Proposal Trustee and its counsel which have not been paid from the Priority Creditor Cash Amount. In this regard, the Sponsors advanced approximately \$310,000 to the Proposal Trustee on account of the Priority Creditor Cash Amount and this is expected to be sufficient to cover the Administrative Fees and Expenses; (b) the amount, if any, that remains owing by the Company on account of the Proven Claims of Preferred Creditors, which as of the date of this Report is expected to be nil or nominal; and (c) the amount owing by the Company on account of the Proven Claims of Ordinary Creditors (other than SWE). The Unsecured Creditor Cash Amount is to be paid by the

<sup>2</sup> All claims by Directors against the Company for indemnity in respect of obligations of the Company for which the Directors are by law liable in their capacity as Directors for the payment of such obligations.

<sup>3</sup> All amounts owing by the Company to any of its Subsidiaries, other than the CKC Net Advances, the CWUO Net Advances and the CFC Net Advances.

<sup>4</sup> The Claims of Persons, other than the Sponsors, holding valid registered security interests over the Property, including, without limitation, Enterprise Fleet Management Canada, Inc.

<sup>5</sup> The proper fees, expenses and legal fees and disbursements of the Proposal Trustee on and incidental to the negotiation, preparation, presentation, consideration, Court approval of and implementation of the Proposal and all proceedings and matters relating to or arising out of the Proposal, including, without limitation, any meeting or meetings of creditors to consider the Proposal.

Sponsors to the Proposal Trustee within three Business Days of the Proposal Trustee's written request.

6. As it relates to #4 above, the Company estimated that the Unsecured Creditor Cash Amount would be sufficient to repay the Ordinary Creditors in full (excluding SWE, which is participating in the CVN). A proof of claim was filed by the Company's former Chief Financial Officer (the "CFO") prior to the Meeting for an amount significantly greater than the Company had estimated. The amount available for distribution will be affected by the final determination of this claim. If admitted in full (the claim is still being reviewed), Ordinary Creditors are estimated to receive a distribution equal to approximately 67% of their claims based on the claims filed to date, which is still greater than the amount that creditors would receive in a bankruptcy or secured creditor enforcement, and accordingly, admittance of this claim does not affect the Proposal Trustee's recommendation of the Proposal.
7. The Proposal contemplates a reorganization of the share capital of the Company pursuant to section 59(4) of the BIA (the "Reorganization"). Effective upon Court approval of the Proposal, the Articles of Reorganization shall amend the constating documents of the Company to, *inter alia*, effect the redemption or cancellation of all Existing Shares, and authorize the issuance of New Shares of the Company to the Sponsors or their nominees.

#### **4.1 Contingent Value Note**

1. As discussed above, the Sponsors have both direct claims against the Company and claims against certain of the Subsidiaries. A portion of the Sponsors' loans to the Subsidiaries was advanced to CWSI and is reflected in the Intercompany Claims.
2. The Proposal provides that the Sponsors, three of the Subsidiaries (Clearford Koester, Clearford Finance and Clearford Water) and SWE (together, the "Note Participants") are to receive participation interests in the CVN. The CVN is in the Maximum Principal Amount of approximately \$45.7 million, which corresponds to the sum of the amounts owing to these parties. Pursuant to the Proposal, the Note Participants will participate in the CVN in full satisfaction of and in exchange for their Affected Claims against the Company. A copy of the CVN is included as Schedule "C" to the Proposal.
3. The CVN has two classes of holders and is the product of negotiation among the Sponsors:
  - a) Priority Holders, being Morebath and Lexus, in regard to their claims against the Company of approximately \$7.4 million and \$3.7 million, respectively; and
  - b) Subordinate Holders, being SWP, SWE, Clearford Koester, Clearford Finance and Clearford Water, in regard to their claims against the Company totalling approximately \$34.6 million, as set out in Schedule "A" of the CVN. The interest of the Subordinate Holders is subordinate in right of payment to the Priority Holders.

4. The CVN provides for repayment to the Note Participants up to the Maximum Principal Amount, without interest, of the following (collectively, the “Holder Payments”):
  - a) all of the Company’s annual Distributable Cash Flow<sup>6</sup>, if any, in any fiscal year for the period commencing on January 1, 2023 and ending on the earlier of: (i) December 31, 2033 and (ii) a CWSI Sale or Merger<sup>7</sup>, payable by the Company annually no later than 60 days following the issuance of the Company’s financial statements for the prior fiscal year;
  - b) all Subsidiary Transaction Proceeds<sup>8</sup>, payable by the Company within 60 days of receipt of the Subsidiary Transaction Proceeds; and
  - c) all Sponsor Transaction Proceeds<sup>9</sup>, payable by the Sponsors under Section 15 of the CVN within 60 days of receipt of the Sponsor Transaction Proceeds.
5. The CVN provides that its Principal Amount shall be satisfied in full and that the CVN shall be cancelled upon receipt by the Note Participants of the Holder Payments triggered by the earliest to occur of: (a) a CWSI Sale or Merger prior to the occurrence of a Subsidiary Sale or Merger; (b) the second Subsidiary Sale or Merger; or (c) a CWSI Sale or Merger following one Subsidiary Sale or Merger.

## 4.2 Statutory Disclosure

1. On May 20, 2022, the Proposal Trustee provided a Notice of Proposal to Creditors (“Notice”) by regular mail to the Company, the OSB and to every known creditor affected by the Proposal. The Proposal Trustee also posted the Notice on its website, with all attachments.
2. As required pursuant to Section 54(2) of the BIA, in order to attend the Meeting and/or vote on the Proposal, creditors were required to submit a proof of claim to the Proposal Trustee.

## 4.3 The Creditors’ Meeting

1. The Creditors’ Meeting was convened virtually on June 2, 2022 and was chaired by the Official Receiver. The Proposal was unanimously accepted by Creditors voting at the Meeting. A copy of the voting register is attached as Appendix “F”.
2. A copy of the minutes of the Meeting is attached as Appendix “G”.

<sup>9</sup> This includes all net consideration paid to or received by the Sponsors in their capacities as holders of New Common Shares, resulting from a CWSI Sale or Merger.

## 5.0 Conclusion and Recommendation

1. As the Proposal Trustee advised in the Report to Creditors, the Proposal Trustee is of the view that the Proposal provides a better result for creditors than a bankruptcy or an enforcement by the Sponsors of their security for the following reasons:
  - a) based on the Company's books and records, the Company has secured obligations of approximately \$16.5 million and known unsecured obligations of approximately \$29.5 million. The Company estimates that its assets, at net book value, are approximately \$5.4 million, principally comprised of its interest in the Subsidiaries;
  - b) the Company's ability to continue the business and operations of the Subsidiaries depends on the continued support of the Sponsors. The Sponsors are receiving the equity in the Company on the basis that: i) there is no value to CWSI's existing equity as its assets are significantly less than its liabilities (even at book value); and ii) funding from the Sponsors is required for operating purposes (including the Subsidiaries) and to satisfy the terms of the Proposal;
  - c) the Proposal provides an opportunity for the arm's length Unsecured Creditors (other than SWE) to be repaid in full and for the Note Participants (including SWE) to generate recoveries over the long term if the Company's business is restructured and becomes profitable or is sold/merged; and
  - d) implementation of the Proposal will allow the Company to preserve its customer base, vendor relationships and jobs, which would be lost in a bankruptcy.
2. The Proposal Trustee recommends that the Court issue an order approving the Proposal for the following reasons:
  - a) it was unanimously accepted by creditors at the Meeting; and
  - b) acceptance and implementation of the Proposal will result in a superior result for creditors than a bankruptcy of the Company, regardless of the amount at which the claim filed by the former CFO is admitted.
3. Based on the foregoing, the Proposal Trustee respectfully recommends that the Court make an order granting the relief requested in the Notice of Motion of the Proposal Trustee.

provided, that at the time of such termination, CWSI is not in material default in the performance of its obligations under this Agreement that have not been cured within five (5) Business Days of receiving Notice from the Sponsor of such default; and

- (d) the Outside Date.

## 5.2 Time of the Essence

Any date, time or period referred to in this Agreement shall be of the essence except to the extent to which the Parties agree in writing to vary any date, time or period, in which event the varied date, time or period shall be of the essence.

## 5.3 Notice and Cure Provisions

- (a) Each Party will give prompt Notice to the other of the occurrence, or failure to occur, at any time from the date hereof until the termination of this Agreement of any event or state of facts which occurrence or failure would, or would be likely to, give rise to a right of termination by the other Party pursuant to Section 5.1(b) or Section 5.1(c), as applicable. Notification provided under this Section 5.3 will not affect the representations, warranties, covenants, agreements or obligations of the Parties (or remedies with respect thereto).
- (b) The Sponsor may not exercise its right to terminate this Agreement pursuant to Section 5.1(b), and CWSI may not exercise its right to terminate this Agreement pursuant to Section 5.1(c), unless the Party or Parties seeking to terminate this Agreement delivers a written Notice to the other Party or Parties specifying in reasonable detail all breaches of covenants, representations and warranties or other matters which the Party or Parties delivering such Notice is asserting as the basis for the termination right. If any such Notice is delivered prior to the Creditors' Meeting, provided, that a Party is proceeding diligently to cure such matter and such matter is capable of being cured, no Party may exercise such

termination right until the earlier of (i) five (5) Business Days prior to such meeting, and (ii) the date that is five (5) Business Days following receipt of such Notice by the Party to whom the Notice was delivered, if such matter has not been cured by such date. If any such Notice is delivered after the date of the Creditors' Meeting, provided that a Party is proceeding diligently to cure such matter and such matter is capable of being cured, no Party may exercise such termination right until the date that is five (5) Business Days following receipt of such Notice by the Party to whom the Notice was delivered.

#### **5.4 Effect of Termination**

Upon its valid termination in accordance with Section 5.1, this Agreement shall be of no further force and effect and each Party shall be automatically and simultaneously released from its commitments, undertakings, and agreements under or related to this Agreement, provided however, that each Party shall be responsible and shall remain liable for any breach of this Agreement by such Party occurring prior to the termination of this Agreement, including from any inaccuracy in its representations and warranties and any non-performance by it of its covenants made herein.

#### **5.5 Equitable Relief**

The Parties agree that irreparable harm would occur for which money damages would not be an adequate remedy at law in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that the Parties shall be entitled to injunctive and other equitable relief to prevent breaches of this Agreement, and to enforce compliance with the terms of this Agreement without any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief, this being in addition to any other remedy to which the Parties may be entitled at law or in equity.

#### **5.6 Waiver; Amendment**

Each Party agrees and confirms that any provision of this Agreement may be amended or waived if, and only if, such amendment or waiver is in writing and signed, in the case of an amendment, by all of the Parties or in the case of a waiver, by the Party against whom the waiver is to be effective. No waiver of any of the provisions of this Agreement will constitute a waiver of any other provision (whether or not similar), and whether occurring before or after that waiver. No waiver will be binding unless executed in writing by the Party to be bound by the waiver. A Party's failure or delay in exercising any right under this Agreement will not operate as a waiver of that right. A single or partial exercise of any right will not preclude a Party from any other or further exercise of that right or the exercise of any other right.

#### **5.7 Conflict of Terms**

In the case of a conflict between the provisions contained in the text of this Agreement and the Proposal (if approved by the Court), the terms of the Proposal shall govern.

PROPOSAL TRUSTEE'S PRELIMINARY REPORT TO CREDITORS

MAY 20, 2022

## 1.0 Introduction

1. This report ("Report") has been prepared by KSV Restructuring Inc. ("KSV") in its capacity as proposal trustee (the "Proposal Trustee") in connection with a Notice of Intention to Make a Proposal ("NOI") filed on April 28, 2022 (the "Filing Date") by Clearford Water Systems Inc. ("CWSI" or the "Company") pursuant to the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended (the "BIA").
2. On May 12, 2022, the Company filed a proposal (the "Original Proposal") with the Official Receiver in accordance with Section 62(1) of the BIA. A Certificate of Filing a Proposal ("Certificate") was issued on that date by the Office of the Superintendent of Bankruptcy (Canada) (the "OSB"). Copies of the Original Proposal (without schedules) and the Certificate are attached as Appendices "A" and "B", respectively. On May 19, 2022, the Company filed an amended proposal (the "Proposal") to revise certain of the definitions. The amendments to the Original Proposal are immaterial. A copy of the Proposal is provided as Appendix "C".
3. The principal purpose of this proceeding is to create a stabilized environment to allow the Company to restructure its balance sheet and its share capital on the basis set out in the Proposal. The restructuring plan is intended to result in full, or substantially full, recoveries for all of the Company's arm's length unsecured creditors, shortly after implementation of the Proposal, and provide the opportunity for full, or substantially full, recoveries on a deferred basis, of the unsecured or under-secured obligations owing to the Sponsors (as defined below) and certain of their affiliated entities.

## 1.1 Meeting to Consider the Proposal

1. The details of the creditors' meeting to consider and vote on the Proposal to be held pursuant to Section 51(1) of the BIA (the "Meeting") are as follows:  
  
Date: June 2, 2022  
Time: 10:00 am (EDT)  
Location: to be convened virtually via Zoom:  
<https://us06web.zoom.us/j/87556703303?pwd=RHAwQzBKSlIdZRHIFKzdoaDhiak56dz09>
2. Unsecured Creditors (as defined in the Proposal) can vote at the Meeting by attending in person (virtually) or by submitting proofs of claim and voting letters to the Proposal Trustee up to the commencement of the Meeting. The form of proofs of claim and voting letters are provided in Appendix "D", together with an instruction letter.
3. Unsecured Creditors can also vote by way of proxy and can appoint the Proposal Trustee or any other person to attend the Meeting and vote as their proxy.
4. Creditors are strongly encouraged to read the instruction letter included in Appendix "D" to understand the voting procedures and the procedure to register claims with the Proposal Trustee prior to the Meeting.
5. The Proposal Trustee's Notice of Proposal to Creditors, a summary of the Company's Statement of Affairs and a list of creditors are attached as Appendices "E", "F" and "G", respectively.

## 1.2 Purposes of this Report

1. The purposes of this Report are to:
  - a) provide background information about the Company, including the Company's present financial situation and the causes of its financial difficulties;
  - b) summarize the key terms of the Proposal;
  - c) summarize the key terms of a restructuring and support agreement dated May 12, 2022 (the "Support Agreement") between the Company and Sustainable Water Projects Inc. ("SWP"), Morebath Limited ("Morebath") and Lexus Continental Ltd. ("Lexus", and together with SWP and Morebath, the "Sponsors");
  - d) discuss the Company's ability to complete the Proposal;
  - e) summarize the result of the Proposal Trustee's review for preferences and transactions at undervalue pursuant to sections 95 to 101 of the BIA;

- f) provide a comparison of the result for creditors under the Proposal to the result if the Proposal is not accepted and the Company is deemed to have made an assignment in bankruptcy; and
- g) provide the Proposal Trustee's recommendation on the Proposal.

### **1.3 Currency**

1. Unless otherwise noted, all currency references in this Report are to Canadian dollars.

### **1.4 Restrictions**

1. In preparing this Report, the Proposal Trustee has relied upon unaudited financial information prepared by the Company's representatives, the books and records of the Company and discussions with representatives of the Company and the Sponsors. The Proposal Trustee has not audited, reviewed or otherwise verified the accuracy or completeness of the information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the *Chartered Professional Accountants Canada Handbook*.
2. The Proposal Trustee expresses no opinion or other form of assurance with respect to the financial information presented in this Report or relied upon by the Proposal Trustee in preparing this Report. Any party wishing to place reliance on the Company's financial information should perform its own due diligence and any reliance placed by any party on the information presented herein shall not be considered sufficient for any purpose whatsoever. KSV accepts no responsibility for the Company's financial information.

## **2.0 Background**

### **2.1 Overview**

1. The Company was formed on January 26, 2006 by amalgamation under the *Canada Business Corporations Act* ("CBCA") of Innovative Sewage Systems Inc., Clearford Industries Inc. and Brooklin Concrete Inc. The amalgamated company was originally called Clearford Industries Inc., before changing its name on June 19, 2014 to Clearford Water Systems Inc.
2. The Company's shares are listed on the TSX Venture Exchange ("TSX-V") under the symbol "CLI". The TSX-V halted trading of the Company's shares after the NOI was filed.
3. The Company and its subsidiaries (the "Subsidiaries", and together with CWSI, the "Clearford Group") provide unified water management solutions for the design, deployment, finance and operation of water infrastructure systems. Additional information related to the Clearford Group can be found on its website at: [www.clearford.com](http://www.clearford.com).

4. The Proposal Trustee understands that the Company's primary focus is raising capital for and providing administrative services to the Subsidiaries. The Company's corporate organizational chart is provided as Appendix "H". The Company's head office is located in Ottawa, Ontario.

## 2.2 Historical Operating Results

1. The Company's consolidated financial results for the nine-month period ending September 30, 2021, the year ended December 31, 2020 and the year ended December 31, 2019 are summarized in the table below.

(\$000s)	(9 Months) Sept. 30, 2021 (unaudited)	Year Ended Dec. 31, 2020 (audited)	Year Ended Dec. 31, 2019 (audited)

Income tax expense	-	-	-
Net income/(loss) for the period	(7,775)	(8,897)	(13,262)

2. As presented above, on a consolidated basis, the Company has generated:
  - a) operating losses of approximately \$11.1 million since January 1, 2019; and
  - b) net losses of approximately \$29.9 million over the same period.

3. The Proposal Trustee understands that the Company's losses have been funded primarily from loans by the Sponsors to the Company and to certain of the Subsidiaries, as well as from equity offerings. The Company's unaudited consolidated balance sheet as at September 30, 2021 is summarized below.

(\$000s)	(unaudited)

<b>Total Liabilities and Shareholders' deficiency</b>	<b>19,857</b>

4. As reflected above, as of September 30, 2021, the Company had an accumulated deficit of approximately \$91.3 million, reflecting a history of losses. The long-term debt and convertible debenture represent advances from the Sponsors to the Company, both directly and through certain of the Subsidiaries.

## 3.0 Creditors

### 3.1 Sponsors

1. The Sponsors are secured creditors of the Company, collectively owed approximately \$16.5 million as at the Filing Date. Amounts owing are summarized below:
  - a) SWP – the balance of approximately \$5.35 million owing to SWP is comprised of: i) a loan in the principal amount of \$3.25 million pursuant to a loan agreement dated November 19, 2014 originally advanced by Canadian Water Projects Inc. ("CWP") on or about November 19, 2014, and assigned by CWP to SWP on or about September 30, 2016; and ii) a loan in the principal amount of approximately US\$1.47 million pursuant to a loan agreement dated May 19, 2016;

<sup>1</sup> Includes accrued interest of approximately \$9.8 million on the Company's long-term liabilities.

<sup>2</sup> Includes loans made by the Sponsors to the Company (approximately \$18 million) and to the Subsidiaries (approximately \$50 million), less debt issue costs (approximately \$3.5 million).

- b) Morebath – the balance of approximately \$7.4 million pursuant to: i) a convertible debenture and share pledge<sup>3</sup> in the principal amount of \$500,000 dated November 5, 2018, as amended by an undated amending agreement; ii) a convertible debenture and share pledge<sup>4</sup> in the principal amount of \$1.65 million dated May 15, 2018, as amended by an undated amending agreement; and iii) a convertible debenture and share pledge<sup>5</sup> in the principal amount of \$3.5 million dated August 5, 2015, as amended by an amending agreement dated August 5, 2017 and an undated second amending agreement; and
  - c) Lexus – the balance of approximately \$3.7 million pursuant to a convertible debenture and share pledge<sup>6</sup> in the principal amount of \$2.975 million dated November 1, 2017, as amended by an undated amending agreement.
2. The Proposal Trustee’s counsel, Aird & Berlis LLP (“A&B”), has provided opinions dated May 4, 2022 which, subject to standard assumptions and qualifications, conclude that the security granted by the Company to each of the Sponsors creates valid and perfected security interests in the Company’s property, as specified in the respective opinions.
  3. In addition to the above amounts and opinions, the Proposal Trustee understands that affiliates of SWP advanced approximately \$62.4 million to the Subsidiaries listed below on both a secured and unsecured basis, as applicable:
    - a) Clearford Koester Canada Inc. (“Clearford Koester”), \$39.3 million;
    - b) Clearford Finance Corporation (“Clearford Finance”), \$20.1 million; and
    - c) Clearford Water Utility (Ontario) Inc. (“Clearford Water”), \$3 million.

## 4.0 The Proposal

1. **This section provides an overview of the Proposal. Review of this section is not a substitute for reading the Proposal. Creditors are strongly encouraged to read the Proposal in its entirety prior to voting on the Proposal. Creditors are encouraged to discuss the terms of the Proposal with their legal counsel. A copy of the Proposal is provided in Appendix “C”.**
2. Capitalized terms used in this section of the Report have the meanings provided to them in the Proposal.

## 4.1 Reorganization

1. The purpose of the Proposal is to repay in full, or substantially in full, all of the Unsecured Creditors and to restructure the Company’s share capital, as follows:
  - a) the Proven Claims of Preferred Creditors (including the Required Employee Amount and the Required Crown Amount) from the Priority Creditor Cash Amount;
  - b) the Proven Claims of Ordinary Creditors from the Unsecured Creditor Cash Amount;
  - c) the Existing Securities are to be cancelled for no substantive consideration;
  - d) New Common Shares are to be issued to the Sponsors in accordance with the Articles of Reorganization and Sponsor Support Agreement; and
  - e) the Morebath Indebtedness, the Lexus Indebtedness, the SWP Loan (also defined as the SWP Indebtedness), the SW Everett Loan and the Affected Intercompany Claims are to be restructured and receive participation interests in the Contingent Value Note (the “CVN”), as discussed further in Section 5 below.

## 4.2 Classes of Creditors

1. There will be one class of creditors under the Proposal for the purposes of considering and voting on the Proposal, comprised of Unsecured Creditors with a Proven Claim, being the amount of an Affected Claim as finally determined in accordance with the provisions of the BIA.
2. As discussed below, the Sponsors are not voting on the Proposal. Only the Unsecured Creditors, being SWE (with a claim of approximately \$4.447 million) and the other arm’s length creditors (estimated by the Company to hold Affected Claims of approximately \$296,000) are entitled to vote in favour of the Proposal<sup>7</sup>.

---

<sup>7</sup> Pursuant to Section 54(3) of the BIA, a creditor who is related to the debtor may vote against but not for the acceptance of the proposal. Accordingly, Clearford Koester, Clearford Finance and Clearford Water cannot vote for acceptance of the Proposal.

### 4.3 Treatment of Affected Creditors

1. The Proposal is only being made to Affected Creditors, being creditors with an Affected Claim. Unaffected Claims are comprised of:
  - a) the Directors' Indemnity Claims<sup>8</sup>;
  - b) the Unaffected Intercompany Claims<sup>9</sup>;
  - c) the Non-Sponsor Secured Claims<sup>10</sup>; and
  - d) the Administrative Fees and Expenses<sup>11</sup>.
2. The Proposal contemplates that the following is to occur on the Implementation Date<sup>12</sup>:
  - a) in consideration for the Sponsor Cash Payments and the Sponsor Security Release, and in accordance with the terms and conditions of the Sponsor Support Agreement: (i) the New Common Shares shall be issued to the Sponsors or their Designated Assignee in accordance with the Articles of Reorganization and Sponsor Support Agreement; and (ii) the SWP Loans, the Lexus Indebtedness and the Morebath Indebtedness shall be released and restructured into the Sponsors' prescribed Note Participant interests in the CVN;
  - b) (i) the Affected Claims of the Note Participants shall be released, discharged and extinguished as against the Company (the "Participant Releases"); and (ii) in consideration for the Participant Releases, the Company shall issue the CVN to the Note Participants in full satisfaction of their Affected Claims;
  - c) the Claims of all Affected Creditors shall be compromised and each Affected Creditor with a Proven Claim, other than Note Participants, shall receive the following distributions from the Proposal Trustee in full satisfaction of its Proven Claim(s):

---

<sup>8</sup> All claims by Directors against the Company for indemnity in respect of obligations of the Company for which the Directors are by law liable in their capacity as Directors for the payment of such obligations.

<sup>9</sup> All amounts owing by the Company to any of its Subsidiaries, other than the CKC Net Advances, the CWUO Net Advances and the CFC Net Advances.

<sup>10</sup> The Claims of Persons, other than the Sponsors, holding valid registered security interests over the Property, including, without limitation, Enterprise Fleet Management Canada, Inc.

<sup>11</sup> The proper fees, expenses and legal fees and disbursements of the Proposal Trustee on and incidental to the negotiation, preparation, presentation, consideration, Court approval of and implementation of the Proposal and all proceedings and matters relating to or arising out of the Proposal, including, without limitation, any meeting or meetings of creditors to consider the Proposal.

<sup>12</sup> This assumes that the statutory majority of Affected Creditors votes to accept the Proposal and it is approved by the Court.

- i. within ten (10) Business Days of the Preferred Claim Determination Date, a distribution from the Priority Creditor Cash Amount in the amounts of the Proven Claim of each Preferred Creditor, including, subject to Section 4.6 of the Proposal<sup>13</sup>, the Required Crown Amount; and
  - ii. within ten (10) Business Days of the Ordinary Claim Determination Date and subject to section 4.1, a pro-rated distribution from the Unsecured Creditor Cash Amount, net of the Administrative Fee Reserve. Any amounts from the Priority Creditor Cash Amount or the Unsecured Creditor Cash Amount in excess of the amounts required to effect the payments in (i) or (ii) above, or remaining in the Administrative Fee Reserve after payment of all Administrative Fees and Expenses (the “Residual Amount”), shall be repaid to the Sponsors at such time as may be determined by the Proposal Trustee prior to its discharge.
3. As it relates to c) above, based on the known arm’s length unsecured creditors (other than SWE) reflected in Appendix “G”, the Unsecured Creditor Cash Amount<sup>14</sup> is estimated to be sufficient to repay the Ordinary Creditors in full.

#### 4.4 Proposal Conditions

1. The Proposal is conditional upon, among other things:
  - a) acceptance of the Proposal by the statutory majority of the Unsecured Creditors as required under the BIA, being two-thirds in dollar value and over 50% in number of the Affected Creditors present and voting, in person or by proxy (the “Statutory Majority”);
  - b) Court approval of the Proposal and the amendments to the Company’s constating documents, as set out in the Articles of Reorganization pursuant to a final and non-appealable Approval Order;
  - c) the payment by the Sponsors of the Priority Creditor Cash Amount; and
  - d) the implementation of the Sponsor Security Release<sup>15</sup>.
2. Should any of the above conditions not be met and/or be waived, the Proposal will not be implemented.

---

<sup>13</sup> The Proposal Trustee is to remit the Required Crown Amount to Canada Revenue Agency from the Unsecured Creditor Cash Amount within six (6) months of the date of Court approval of the Proposal if the Proposal Trustee determines that the Preferred Claim Determination Date will occur more than six (6) months from Court approval of the Proposal.

<sup>14</sup> Represents the payments to be made by the Sponsors to the Proposal Trustee equal to the lesser of (i) \$325,000 and (ii) the amount required to pay: (a) any Administrative Fees and Expenses of the Proposal Trustee and its counsel; (b) the amount, if any, that remains owing by the Company on account of the Proven Claims of Preferred Creditors, and (c) the amount owing by the Company on account of the Proven Claims of Ordinary Creditors. The Unsecured Creditor Cash Amount is to be paid by the Sponsors to the Proposal Trustee within three Business Days of the Proposal Trustee’s written request.

<sup>15</sup> The form of security release is provided as Schedule “A” to the Support Agreement.

## 4.5 Other Proposal Terms

1. On the Implementation Date, each Creditor will be deemed to have released and discharged all claims that arose prior to the Implementation Date against the Company, the Directors, the Proposal Trustee, and their respective affiliates, employees, agents, directors, officers, shareholders, advisors, consultants and solicitors, provided, however, that the scope of such release shall not exceed the scope permissible under the BIA.
2. Pursuant to Section 147 of the BIA, distributions under the Proposal are subject to a levy payable to the Superintendent of Bankruptcy (the "Levy")<sup>16</sup>.
3. Upon distribution by the Proposal Trustee of the balance of the Unsecured Creditor Cash Amount (or upon the repayment of the Residual Amount to the Sponsors), net of the Administrative Fee Reserve, as contemplated in Section 4.4 of the Proposal, the Proposal Trustee shall have discharged its duties, the Proposal shall be fully performed and the Proposal Trustee shall be entitled to apply for its discharge.

## 4.6 Acceptance and Approval of the Proposal

1. As noted above, the Statutory Majority of Affected Creditors must vote to accept the Proposal. Should the foregoing not occur, the Company would automatically be deemed to have made an assignment in bankruptcy.
2. Provided that the Statutory Majority of Affected Creditors votes to accept the Proposal, the Proposal must then be approved by the Court. If the Court fails to approve the Proposal, the Company would automatically be deemed to have made an assignment in bankruptcy.

## 5.0 The Contingent Value Note

1. As discussed above, the Sponsors have direct claims against the Company and claims against certain of the Subsidiaries, with a portion of the loans to the Subsidiaries being advanced to CWSI and reflected in the Intercompany Claims.
2. The Proposal provides that the Sponsors, three of the Subsidiaries (Clearford Koester, Clearford Finance and Clearford Water) and SWE (together, the "Note Participants") are to receive participation interests in the CVN. The CVN is for the Maximum Principal Amount of approximately \$45.7 million, which corresponds to the sum of the amounts owing to these parties. Pursuant to the Proposal, the Note Participants will receive the CVN in full satisfaction of and in exchange for their Affected Claims against the Company. A copy of the CVN is included as Schedule "C" to the Proposal.

---

<sup>16</sup> The rate of the Levy is 5% of the first \$1 million of distributions and 1.25% of the second \$1 million, for a total of \$62,500 (the "Levy Cap"). No Levy is payable on amounts in excess of \$2 million.

3. The CVN has two classes of holders and is the product of negotiation among the Sponsors:
  - a) Priority Holders, being Morebath and Lexus, in regard to their claims of approximately \$7.4 million and \$3.7 million, respectively; and
  - b) Subordinate Holders, being SWP, SWE, Clearford Koester, Clearford Finance and Clearford Water, in regard to their claims totalling approximately \$34.6 million, as set out in Schedule “A” of the CVN. The interest of the Subordinate Holders is subordinate in right of payment to the Priority Holders.
4. The CVN provides for repayment to the Note Participants up to the Maximum Principal Amount, without interest, of the following (collectively, the “Holder Payments”):
  - a) all of the Company’s annual Distributable Cash Flow<sup>17</sup>, if any, in any fiscal year for the period commencing on January 1, 2023 and ending on the earlier of: (i) December 31, 2033 and (ii) a CWSI Sale or Merger<sup>18</sup>, payable by the Company annually no later than 60 days following the issuance of the Company’s financial statements for the prior fiscal year;
  - b) all Subsidiary Transaction Proceeds<sup>19</sup>, payable by the Company within 60 days of receipt of the Subsidiary Transaction Proceeds; and
  - c) all Sponsor Transaction Proceeds<sup>20</sup>, payable by the Sponsors under Section 15 of the CVN within 60 days of receipt of the Sponsor Transaction Proceeds.
5. The CVN provides that its Principal Amount shall be satisfied in full and that the CVN shall be cancelled upon receipt by the Note Participants of the Holder Payments triggered by the earliest to occur of: (a) a CWSI Sale or Merger prior to the occurrence of a Subsidiary Sale or Merger; (b) the second Subsidiary Sale or Merger; or (c) a CWSI Sale or Merger following one Subsidiary Sale or Merger.
6. The CVN requires the Company to provide the Note Participants with a written report as of June 30th and December 31st of each year which sets out the Distributable Cash Flow, if any, for the immediately prior six (6) month period. The first report is to be delivered no later than July 30, 2023 for the period ending June 30, 2023.
7. Consistent with Section 4.5 above, the Levy is payable on the initial cash amounts paid under CVN until the Levy Cap is reached.

---

<sup>17</sup> This is effectively net cash flow less various reserves required for continued operations.

<sup>18</sup> Refers to the completion of any transaction or series of any related transactions with an arm’s-length party involving a sale, amalgamation, merger, plan of arrangement, reorganization, consolidation or other business combination involving all or substantially all of the New Common Shares.

<sup>19</sup> Refers to the net consideration paid to or received by the Company resulting from a transaction or series of any related transactions with an arm’s-length party involving: a) all or substantially all of the shares of Clearford Water Works Inc. (“CWW”) and/or the shares of UV Pure Technologies Inc. (“UV Pure”), two of the Subsidiaries; and b) a sale of all or substantially all of the assets or undertaking of CWW and/or UV Pure.

<sup>20</sup> This includes all net consideration paid to or received by the Sponsors in their capacities as holders of New Common Shares, resulting from a CWSI Sale or Merger.

## 6.0 Support Agreement

1. Pursuant to the Support Agreement, the Sponsors have agreed to: a) allow their respective indebtedness to be treated as Affected Claims in the Proposal; b) support the compromises, arrangements and transactions contemplated by the Proposal in order to effect the restructuring of the Company's business; and c) provide a superior outcome for the Company's creditors as compared to a bankruptcy of the Company and the enforcement of the Sponsor's security. A copy of the Support Agreement is included as Schedule "B" to the Proposal .
2. The Support Agreement is subject to several covenants by the Company, including the following:
  - a) filing the Proposal by no later than May 13, 2022<sup>21</sup>;
  - b) providing draft copies of all documents that the Company intends to file with the Proposal Trustee, the Superintendent of Bankruptcy or the Court to Morebath's legal counsel;
  - c) using commercially reasonable efforts to cause the Implementation Date to occur no later than July 15, 2022 (or such other date as the Company and the Sponsor may agree), including, without limitation:
    - i. supporting the Proposal Trustee's motion for Court approval of the Proposal;
    - ii. filing the Articles of Reorganization on the Implementation Date;
    - iii. issuing the New Common Shares on the Implementation Date pursuant to the Articles of Reorganization;
    - iv. issuing the CVN in accordance with the terms of the Proposal on the Implementation Date; and
    - v. taking such other actions as may be reasonably required to implement the Proposal; and
  - d) not transferring, leasing, licensing or otherwise disposing of all or any part of the Company's or the Subsidiaries' property, assets or undertakings, other than with the consent of the Sponsors.

## 7.0 Preferences and Transfers at Undervalue

1. As part of its statutory duties under the BIA, the Proposal Trustee conducted a review of the Company's bank statements and cancelled cheques for the twelve-month period (the "Review Period") immediately preceding the Filing Date to identify transactions that could be considered preferences or transfers at undervalue. The focus of the Review Period was transactions above \$25,000.

---

<sup>21</sup> The Original Proposal was filed on May 12, 2022.

2. The Proposal Trustee's review did not identify any transaction that could be considered a preference or transfer at undervalue.
3. As discussed in Section 4.5 above, the Proposal provides for broad releases against the Company and its representatives. The implications of this provision are that to the extent that there are potentially reversible or reviewable transactions as defined by bankruptcy legislation, such transactions could not be pursued against the released parties to the extent that they were party to such transactions. As no such transactions were identified as a result of the Proposal Trustee's review, the Proposal Trustee is not aware of there being any economic prejudice to creditors in providing the release as it relates to this category of transactions.
4. The Proposal Trustee is not aware of any other causes of actions against the parties subject to releases resulting from the Proposal. Accordingly, the Proposal Trustee is not aware of any economic prejudice to creditors resulting from the releases.

## **8.0 Estimated Distribution in the Event of a Bankruptcy**

1. As discussed below, the Proposal Trustee is of the view that the Proposal provides a superior outcome for the Company's creditors compared to a bankruptcy.

### **8.1 Financial Statement Disclosures**

1. As referenced in Section 2.2 above, the Company had an accumulated deficit of approximately \$91.3 million as of September 30, 2021 and had generated net losses of approximately \$29.9 million from January 1, 2019 to September 30, 2021.
2. In its most recent audited consolidated financial statements for the year ended December 31, 2020, the Company's auditors, Welch LLP, included the following going-concern note:

*These consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As at December 31, 2020, the Company had an accumulated deficit of \$83,510,740 and, for the year then ended, the Company incurred a total comprehensive loss of \$8,897,595 and had negative operating cash flows of \$4,057,437. Since 2012, a substantial portion of this deficit has been funded through debt financing. As at December 31, 2020, the Company [Clearford Group] had \$55.7 million in long-term loans with annual debt servicing requirements (see Note 31 –Guarantees and commitments) and \$8.75 in debentures where interest is payable at maturity. Whether and when the Company can attain profitability and positive cash flows is uncertain. These uncertainties cast significant doubt about the Company's ability to continue as a going concern in the near term. The Company's continued existence is dependent upon its ability to secure additional financing and to attain profitable operations. Management is active in addressing these issues which may include both debt and equity investments. However, there is no assurance that they will be successful. If the going concern assumption were not appropriate for these consolidated financial statements, adjustments might be necessary to the carrying values of assets and liabilities and the classifications in the consolidated statements of financial position.*

3. The Company's losses, including those of its Subsidiaries, have been largely funded by the Sponsors, and the Company's ability to continue to operate as a going-concern is largely dependent on support from the Sponsors. Without the support of the Sponsors, the Company would be forced to liquidate its assets, which consists of the Company's interest in the Subsidiaries.
4. In the Statement of Affairs sworn on May 12, 2022 by Kevin Loiselle, the Company's CEO, the book value of the Company's assets is approximately \$5.4 million. Of this amount, \$5 million is attributed to the net book value of the Company's interest in its Subsidiaries. The table below presents the results of the Company's three operating segments, which it groups as "Waterworks"<sup>22</sup>, "Water & Wastewater Infrastructure Delivery"<sup>23</sup> and "UV Pure Disinfection"<sup>24</sup>, for the year ended December 31, 2020 and the 9 months ended September 30, 2021.

(\$000s)	(9 Months)			Year Ended		
	Sept. 30, 2021 (unaudited)			Dec. 31, 2020 (audited)		
	Water &			Water &		
	Waterworks	Wastewater	UV Pure	Waterworks	Wastewater	UV Pure
Revenue	9,481	414	2,647	10,975	775	2,932
Net income (loss)	(746)	(6,481)	(223)	(1,384)	(6,943)	(584)

5. As referenced above, each of the operating segments has generated significant losses and requires liquidity to continue to operate. Subject to implementation of the Proposal, funding is in place via a Sponsor to continue to support the business. Without such funding, the Company's viability is at significant risk.
6. For the reasons discussed above, recoveries to the Company's unsecured creditors in a bankruptcy scenario would likely be nil and there would be no value for CWSI's shareholders.

## 8.2 Proposal Trustee's Recommendation

1. It is the Proposal Trustee's view that the Proposal provides a better result for creditors than a bankruptcy for the following reasons:
  - a) based on the Company's books and records, it has secured obligations of approximately \$16.5 million and known unsecured obligations of approximately \$29.5 million. The Company estimates that its assets, at net book value, are approximately \$5.4 million and principally comprised of its interest in the Subsidiaries;

<sup>22</sup> Represents the results of Clearford Waterworks Inc. and Clearford ASI Inc., which provide operations and maintenance services for water and wastewater customers.

<sup>23</sup> Principally represents the results of Clearford Koester.

<sup>24</sup> Represents the results of UV Pure Technologies Inc.

- b) the Company's ability to continue the business and operations of the Subsidiaries is dependent on the continued support of the Sponsors. The Sponsors are receiving the equity in the Company on the basis that: i) there is no value to CWSI's existing equity as its assets are significantly less than its liabilities (even at book value); and ii) their funding is required for operating purposes (including the Subsidiaries); and to satisfy the terms of the Proposal;
- c) the Proposal provides an opportunity for the arm's length Unsecured Creditors (other than SWE) to be repaid in full and for the Note Participants to generate recoveries over the long term if the Company's business is restructured and becomes profitable; and
- d) implementation of the Proposal will allow the Company to preserve its customer base, vendor relationships and jobs, which would be lost in a bankruptcy.

## 9.0 Conclusion and Recommendation

1. For the reasons noted in Section 8.2 above, the Company recommends that creditors vote in favour of the Proposal. The Proposal Trustee is also strongly of the view that approval of the Proposal is likely to result in a superior result for creditors than a bankruptcy of the Company and that creditors should vote to accept the Proposal.
2. If the Proposal is accepted by the Affected Creditors at the Meeting, the Proposal Trustee will forthwith seek the Court's approval. As at the date of this Report, a date has not been booked with the Court to seek approval of the Proposal. The Proposal Trustee will provide notice to Affected Creditors no later than 15 days prior to the Court approval motion. This information will also be posted on the Proposal Trustee's website: <https://www.ksvadvisory.com/experience/case/cwsi>.
