

April 4, 2018.

I am satisfied that  
This application should be  
granted on the terms  
of the attached SSP  
Approval Order and stay  
extension order.

It has been represented to the  
Court that the relief being ~~granted~~  
obtained today will not  
in any way prejudice any  
claim that may be brought in the  
future on behalf of the  
Noteholders. That is the basis  
on which the orders have  
been made today.
