ENDORSEMENT OF JUSTICE FL MYERS:

1. Order to go on consent as asked.
2. The parties have agreed on a protocol to try to get to an early mediation while maintaining a universalist design in which all claims are resolved inside the receivership.
3. If matters do not settle at or before mediation, then the protocol allows for discussions and directions for separate summary proceedings as may appear appropriate to the parties or the court at that time.
4. I am not called upon today to add any matters to the Commercial List or to order any specific resolution process after mediation. A case conference can be brought to discuss and timetable steps to move forward after than time if required.
