FIFTH REPORT OF  
KSV KOFMAN INC.  
AS RECEIVER AND MANAGER

MAY 24, 2019

## 1.0 Introduction

1. On November 19, 2018, Bridging Finance Inc., as agent (the “Agent”) for 2665405 Ontario Inc. (the “Lender”), made an application to the Ontario Superior Court of Justice (Commercial List) (the “Court”) for the appointment of KSV Kofman Inc. (“KSV”) as receiver and manager of:
  - a. all the assets, undertaking and property of 1033803 Ontario Inc., operating as Forma-Con Construction and Forma Finishing (“Forma Con”), including the real property municipally known as 3420 Queen Street East, Brampton (the “Brampton Property”) and 407 Basaltic Road, Concord (the “Head Office”);
  - b. all the assets, undertaking and property of 1087507 Ontario Inc. (“108” and together with Forma Con, the “Debtors”), including the real property municipally known as 4431 Stouffville Road, Stouffville (the “Stouffville Property”);
  - c. certain assets (the “Forma Con Related Assets”) of Bondfield Construction Company Limited (“BCCL”) and Bondfield Construction Equipment Ltd. (“BCEL”, together with BCCL, Forma Con, 108 and several other related entities, the “Group”); and
  - d. the real property municipally known as 131 Saramia Crescent, Vaughan (the “Vaughan Property” and together with the Stouffville Property and the Head Office, the “Properties”).

2. The Court granted the relief requested by the Agent on the return of the receivership application and KSV was appointed receiver (the “Receiver”).
3. On February 25, 2019, the Court made an order (the “Sale Process Order”) approving a sale process for the Properties (the “Sale Process”).

## 1.1 Purposes of this Report

1. The purposes of this report (the “Report”) are to:
  - a. provide background information concerning Forma Con and these proceedings;
  - b. provide an update concerning these proceedings;
  - c. summarize the results of the Sale Process for the Head Office;
  - d. summarize a transaction (the “Transaction”) with Tedescorp Holdings Inc. (the “Purchaser”) for the sale of, *inter alia*, the Head Office, pursuant to an Agreement of Purchase and Sale dated April 23, 2019 between the Receiver and the Purchaser (the “APS”);
  - e. discuss the amounts available for distribution by the Receiver to the Agent from the proceeds of the Transaction; and
  - f. recommend that the Court issue orders, *inter alia*:
    - (i) approving the Transaction;
    - (ii) vesting title in and to, *inter alia*, the Head Office in the Purchaser, free and clear of all liens, claims and encumbrances, except for Permitted Encumbrances (as defined in the APS) upon filing a certificate confirming, among other things, the completion of the Transaction;
    - (iii) authorizing and directing the Receiver to make a distribution of \$10 million to the Agent from the proceeds of the Transaction;
    - (iv) approving the fees and disbursements of the Receiver and its legal counsel, Torys LLP (“Torys”), for the periods referenced in the attached fee affidavits; and
    - (v) approving this Report and the Receiver’s activities, as described herein.

## 1.2 Currency

1. All references to currency in this Report are in Canadian dollars.

## 1.3 Court Materials

1. Court materials filed in these proceedings are available on the Receiver’s website at <https://www.ksvadvisory.com/insolvency-cases/case/forma-con>.

## 1.4 Restrictions

1. In preparing this Report, the Receiver has relied upon the Group's unaudited financial information, including certain of its books and records, discussions with its management and discussions with its advisors. The Receiver has not audited, reviewed or otherwise verified the accuracy or completeness of the information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the Chartered Professional Accountants of Canada Handbook.
2. The Receiver expresses no opinion or other form of assurance with respect to the financial information presented in this Report or relied upon by the Receiver in preparing this Report. Any party wishing to place reliance on the Group's financial information should perform its own diligence.

## 2.0 Background

### 2.1 Forma Con

1. Forma Con was incorporated in 1993. It operated a concrete forming business that provided services to construction projects. The shares of Forma Con are privately held by members of the Aquino family.
2. On December 13, 2018, the Court made an order approving a transaction (the "GF Transaction") with GF Equipment Corp. (the "Forma Con Purchaser") primarily for the sale of the Forma Con Related Assets. The GF Transaction closed on December 14, 2018.
3. On February 25, 2019, the Court made an order approving a transaction (the "Brampton Transaction") with 2657897 Ontario Inc., an affiliate of the Agent, by way of a credit bid for the sale of the Brampton Property. The Brampton Transaction closed on February 25, 2019.

### 2.2 BCCL

1. BCCL is a full-service construction company operating in Southern Ontario.
2. On March 15, 2019, the Receiver, the Agent, BCCL, Ernst & Young Inc. ("E&Y"), in its capacity as proposed monitor of BCCL, and several other parties entered into an agreement (the "CCAA Filing Agreement") regarding BCCL and several related entities (collectively, the "CCAA Applicants") which intended to file for protection under the *Companies' Creditors Arrangement Act* ("CCAA"). On April 3, 2019, the CCAA Applicants were granted protection under the CCAA.
3. On April 3, 2019, the Receiver and BCCL entered into a lease for the Head Office for the period ending March 31, 2020 (the "Lease"), as contemplated under the terms of the CCAA Filing Agreement.

## 2.3 Forma Con - Accounts Receivable Update

1. At the commencement of the receivership proceedings, Forma Con had 13 ongoing projects (collectively, the “Projects”). Additionally, Forma Con also provided, and still provides, forming services to BCCL on certain of its projects.
2. As of December 31, 2018, the total estimated accounts receivable<sup>1</sup> owing on the Projects was approximately \$19.9 million, excluding amounts owing from BCCL.
3. The Receiver has determined that most of the receivables are uncollectible due to *bona fide* setoff claims asserted by Project owners (the “Owners”) in respect of, *inter alia*, costs to complete the Project, lien claims asserted by subcontractors, delay claims and warranty claims. In determining whether the setoff claims were *bona fide*, the Receiver, *inter alia*, reviewed documentary support provided by Owners and/or by Forma Con and discussed the claims with Forma Con management.
4. The Receiver has taken steps to attempt to collect the balance of the accounts receivable, including by:
  - a. negotiating extensively with each of the Owners;
  - b. registering liens totalling approximately \$4 million against three of the Projects; and
  - c. entering into agreements (the “Close-Out Agreements”) on five Projects that will result in the collection of the receivables, net of agreed setoff claims.
5. As at the date of this Report, the Receiver estimates that accounts receivable collections could range from approximately \$1.5 million to \$5.5 million, excluding any amounts owing from BCCL, depending on how much is collected from the lien claims.

## 3.0 Sale Process

1. The Sale Process Order approved the retention of CBRE Group Inc. (“CBRE”) as the listing agent for the Properties.
2. The Receiver is presently only seeking the approval of the sale of the Head Office. The sale processes for the Stouffville Property and Vaughan Property are ongoing.
3. A summary of the Sale Process for the Head Office is as follows:

### Pre-marketing Phase

- a) Immediately following the making of the Sale Process Order, the Receiver and CBRE assembled information to be used for due diligence purposes;

---

<sup>1</sup> Represents the sum of accounts receivable and holdbacks.

- b) CBRE and/or the Receiver worked together to prepare:
- an investment summary detailing the acquisition opportunity (the “Investment Summary”);
  - a confidentiality agreement (“CA”);
  - a data room, which contained, *inter alia*, drawings and floor plans, a copy of the Lease and a survey;
  - a form of asset purchase agreement which the Receiver recommended interested parties should use when submitting an offer - a soft copy of this document was made available in the data room; and
  - a Confidential Information Memorandum (“CIM”), which included a summary of the Head Office and details concerning the Sale Process.

### **Marketing Phase**

- a) On March 20, 2019, CBRE sent the Investment Summary to over 3,500 parties in its database. The CA was attached to the Investment Summary. Interested parties were required to sign the CA in order to obtain a copy of the CIM and access to the data room.
- b) On March 21, 2019, the opportunity was uploaded to the Toronto Real Estate Board Multiple Listing Services (“MLS”).
- c) On April 4, 2019, “For Sale” signs were placed on the property.
- d) The opportunity was advertised on April 4 and 9, 2019 in the national edition of *The Globe and Mail* newspaper.
- e) In order to facilitate the comparison of offers received and to reduce the cost of reviewing and negotiating various forms of offers, interested parties were encouraged to submit their offers in the form of the asset purchase agreement provided in the data room, and to blackline any changes made to that agreement.
- f) The initial deadline to submit offers was April 23, 2019 (“Initial Offer Deadline”).

### **3.1 Sale Process Results**

1. A summary of the results of the Sales Process is as follows:
- 19 parties executed the CA, were provided a copy of the CIM and given access to the data room;
  - 16 parties toured the property; and
  - seven parties submitted offers.

2. The Receiver invited the three parties with the best offers to participate in a second round of bidding. Second round bids were due on April 25, 2019 (the “Second Round Deadline”). All three bidders submitted second round offers.
3. A summary of the offers received in each round of bidding is provided in Confidential Appendix “1” (the “Offer Summary”). The Receiver’s rationale for requesting that the Offer Summary be sealed is provided in Section 4.1 below.
4. As part of the APS, the Purchaser offered to acquire the solar panels on the roof of the Head Office building, the associated solar panel contract (jointly, the “Solar Equipment”) and certain fixtures in the Head Office (the “Fixtures”). Neither the Solar Equipment nor the Fixtures is a receivership asset and both are owned by BCCL. In order to facilitate the Transaction, BCCL has agreed to convey the Solar Equipment and the Fixtures to the Receiver in exchange for \$100,000 from the proceeds of the Transaction, which is the value allocated to those assets by the Purchaser. The Receiver will then convey these assets to the Purchaser as part of the Transaction. The transfer of the solar panel contract is subject to the consent of the contract holder, and the Purchaser has agreed to license the solar panels to BCCL pending the earlier of: (i) consent to the transfer of the solar panel contract being obtained; or (ii) the solar panel contract being disclaimed by BCCL.
5. The Purchaser has also agreed to assume the Lease and, as such, BCCL will have access to the Head Office to March 31, 2020, as contemplated by the CCAA Filing Agreement.
6. The APS is unconditional other than obtaining Court approval.

## 4.0 Transaction<sup>2</sup>

1. A summary of the Transaction is as follows:
  - **Purchaser:** Tedescorp Holdings Inc.
  - **Purchased Assets:** All of the Receiver’s and Forma Con’s right, title and interest in the following:
    - (i) the full benefit of all prepaid expenses and all deposits with any Person, public utility or Governmental Authority relating to the Real Property;
    - (ii) the Real Property;
    - (iii) the Fixtures;
    - (iv) the Solar Panel Contract; and
    - (v) the Lease.

---

<sup>2</sup> Terms not defined in this section have the meaning provided to them in the APS.

- **Purchase Price:** For the reasons noted in Section 4.1 below, the Receiver recommends that the Purchase Price be sealed. The Purchase Price is to be adjusted on closing for property taxes and other adjustments standard for a real estate transaction;
- **Deposit:** The Purchaser has paid a deposit representing 33% of the purchase price.
- **Excluded Assets:** Comprised of: (i) original tax records and books and records pertaining thereto that do not exclusively or primarily relate to the Purchased Assets; (ii) tax refunds; and (iii); Excluded Contracts.
- **Representation and Warranties:** Consistent with the standard terms of an insolvency transaction, i.e. to be sold on an “as is, where is” basis, with limited representations and warranties.
- **Closing:** First Business Day which is five Business Days after the receipt of the Approval and Vesting Order.
- **Approval and Vesting Order:** The Approval and Vesting Order, once issued, will direct the land registrar to transfer title from the Vendor to the Purchaser, subject to the permitted encumbrances set out therein. In addition, the Approval and Vesting Order will direct the land registrar to delete from title to the subject property certain title instruments which are not permitted encumbrances, and which have no valid reason to remain on title to the subject property. A summary of the title instruments to be expunged from title, other than security instruments, is contained in Appendix “A”.
- **Material Conditions:**
  - (i) there shall be no order issued by a Governmental Authority against either Forma Con or the Purchaser or involving the Purchased Assets that prevents completion of the Transaction;
  - (ii) there shall be no new Encumbrances registered on title to the Real Property or affecting title to the Real Property arising or registered after the date of the APS, which cannot be vested out pursuant to an Approval and Vesting Order; and
  - (iii) the Court shall have issued an Approval and Vesting Order.
- **Termination:** In addition to the requirement for the Purchaser to waive its diligence condition (which has occurred), the APS can also be terminated:
  - (i) upon mutual written agreement of the Receiver and the Purchaser;
  - (ii) if any of the conditions in favour of the Purchaser or Receiver are not waived or satisfied; and

- (iii) if prior to closing: (a) the Purchased Assets are substantially damaged or destroyed. Substantial damage is deemed to have occurred if the loss or damage to the Purchased Assets exceeds 15% of the Purchase Price; or b) all or a material part of the Real Property is expropriated by a Governmental Authority.
- 2. A redacted version of the APS is attached as Appendix “B”. An unredacted version of the APS is provided in Confidential Appendix “2”.

#### **4.1 Confidentiality**

- 1. The Receiver respectfully requests that the Offer Summary and the unredacted APS be filed with the Court on a confidential basis and be sealed (“Sealing Order”) as the documents contain confidential information. If the terms of the APS and the Offer Summary are not sealed, the information may negatively impact realizations on the Purchased Assets in the event that the Transaction does not close. The Receiver is not aware of any party that will be prejudiced if the information is sealed. Accordingly, the Receiver believes the proposed Sealing Order is appropriate in the circumstances.

#### **4.2 Recommendation**

- 1. For the following reasons, the Receiver recommends that the Court issue an order approving the Transaction and vesting title to the Purchased Assets in the Purchaser:
  - a) the Sale Process was conducted in accordance with the Sale Process Order and attracted a number of competing bids for the Head Office and two rounds of bidding;
  - b) the market was widely canvassed using several marketing techniques, including direct solicitation of prospective purchasers by CBRE, newspaper advertisements in a national publication and listing the property on MLS;
  - c) CBRE is familiar with the local real estate market and is of the view that the Transaction is the best one available in these circumstances;
  - d) the Transaction will provide for the continued use of the Head Office by BCCL for the term of the Lease, which is consistent with the terms of the CCAA Filing Agreement;
  - e) absent the Transaction, a protracted marketing period will continue to be necessary. The ongoing professional fees would erode the proceeds available for distribution with no certainty that a superior transaction could be completed; and
  - f) the Agent, being the only party with an economic interest in the Transaction, has consented to the Transaction, including the price allocated to and payment of the Solar Equipment and Fixtures.

## 5.0 Distribution

### 5.1 Secured Lenders

1. The Agent, on behalf of the Lender, is the Group's principal secured creditor. The Company is presently indebted to the Agent in the approximate amount of \$52 million, including \$1.495 million that it has advanced under Receiver's Certificates, plus interest, costs and expenses which continue to accrue. The Receiver previously distributed \$12.3 million to the Agent. In addition, the Agent's debt was reduced by \$16.5 million in connection with its credit bid for the Brampton Property.
2. A list of parties that have Personal Property Security Act registrations against Forma Con is provided in Appendix "C". Each of these parties has been served with this motion.

### 5.2 Distribution

1. Torys LLP ("Torys"), the Receiver's legal counsel provided the Receiver with an opinion on the Agent's security (the "Security Opinion"). Subject to the standard assumptions and qualifications, Torys is of the opinion that the security granted by the Debtors, BCCL and BCEL and Ralph Aquino, a guarantor, in favour of the Agent creates a valid and perfected security interest in the assets subject to the receivership. A copy of the Security Opinion was previously filed with this Court as Appendix "E" to the Third Report of the Receiver dated February 15, 2019 and a copy will be provided to the Court upon request.
2. Canada Revenue Agency ("CRA") has filed a trust claim (the "Trust Claim") in the amount of \$12.5 million against Forma Con, comprised of approximately \$7.2 million for source deduction arrears and \$5.3 million for Harmonized Sales Tax arrears. The Receiver has served CRA with its motion materials. The Receiver has previously discussed with CRA that the Agent's mortgage on the Head Office was registered prior to the existence of the Trust Claim. The Agent's mortgage is a "prescribed security interest" (as such term is used in the *Income Tax Act*) and accordingly, it is the Receiver's view that the Agent's security has priority to the Transaction proceeds over the Trust Claim.
3. Koskie Minsky LLP ("Koskie"), counsel to Labourers' Pension Fund (183), I.U.O.E. Local 793 and Liuna Local 506 (collectively, the "Unions"), has advised the Receiver that the Unions may have claims for pension amounts that they allege rank in priority to the Agent's security interest (the "Union Claim"). Koskie has registered liens on several of the Projects, which liens have not yet been addressed by the Owners or the Projects' respective surety. The amounts for which liens have been registered are not significant and the Receiver has holdbacks sufficient to fund any amounts that may be payable in respect of the Union Claim.
4. The bank balance in the receivership bank account following closing of the Transaction is projected to be \$11.5 million. The Receiver is seeking Court approval to make a distribution of \$10 million (the "Distribution") from the proceeds of the Transaction to the Agent in respect of its pre-filing debt that is secured by a mortgage on the Head Office.

5. The Receiver intends to retain \$1.5 million to fund ongoing receivership costs, including professional fees, and the Union Claims, to the extent of any liability. The Receiver is also maintaining a holdback for a dispute with the Forma Con Purchaser regarding amounts potentially owing to the Forma Con Purchaser in respect of equipment rented to the Receiver during these proceedings. Further material recoveries are expected to be generated from the sale of Stouffville Property and Vaughan Property.
6. Based on the foregoing, the Receiver recommends the Court approve the Distribution.
7. The Receiver is also seeking the Court’s authorization to make a payment of \$100,000 to BCCL with respect to the acquisition of the Solar Equipment and Fixtures noted in Section 3.1(4) above. The Receiver understands that the Agent consents to this payment.

## 6.0 Professional Fees

1. The fees of the Receiver and Torys are summarized in the table below.

| Firm  | Period              | (\$)                    |               |            |                     |
|-------|---------------------|-------------------------|---------------|------------|---------------------|
|       |                     | Fees                    | Disbursements | Total      | Average Hourly Rate |
| KSV   | Feb 1/19– Apr 30/19 | 321,255.00 <sup>3</sup> | 5,334.94      | 326,589.94 | 505.24              |
| Torys | Jan 1/19 -Apr 30/19 | 444,258.95              | 13,235.53     | 457,494.48 | 710.36              |
| Total |                     | 765,513.95              | 18,570.47     | 784,084.42 |                     |

2. Detailed invoices can be found in the affidavits filed by representatives of the Receiver and Torys, which are provided in Appendices “D” and “E”, respectively.
3. The Receiver is of the view that the hourly rates charged by Torys are consistent with the rates charged by major law firms practicing in the area of insolvency and restructuring in the Toronto market, and that the fees charged are reasonable in the circumstances.

## 7.0 Conclusion and Recommendation

1. Based on the foregoing, the Receiver respectfully recommends that this Court make an order granting the relief detailed in Section 1.1(1)(f) of this Report.

\* \* \*

<sup>3</sup> \$9,000 of KSV’s professional fees were paid by BCCL.

All of which is respectfully submitted,

## **Appendix “A”**

**Summary of Title Instruments to be expunged from title to the property municipally known as 407 Basaltic Road, Concord, Ontario, pursuant to the Approval and Vesting Order:**

- Instrument No. VA41945 registered May 22, 1959 is a by-law of The Corporation of the Township of Vaughan in respect of certain land use matters. The second recital of such bylaw indicates that it is a temporary bylaw intended to be in place pending the preparation and adoption of a comprehensive zoning bylaw. Bylaw 1-88, being the most recent comprehensive zoning bylaw was passed by the council of the Corporation of the Town of Vaughan on September 18, 1988 and as such the temporary bylaw is no longer needed.
- Instrument No. LT1058259Z registered September 6, 1995 is an application to annex restrictive covenants which restricts a number of specified uses and activities on the property including, for example: use as a junk or salvage yard; restriction on emissions from property that could cause nuisance; restriction on cutting down living trees on the property; restrictions on installing telecommunications infrastructure or advertising matter without vendor's consent. Paragraph 2 of these restrictive covenants indicate that the restrictions run with the property and are to be in force for 20 years from the date of the plan (65M3040) for registration, being July 27, 1995 and as such the restrictive covenants expired in 2015.
- Instrument No. LT1059554 registered September 14, 1995 is a transfer from 941615 Ontario Inc. to 1033803 Ontario Inc. which reserves a right of re-entry in favour of 941615 Ontario Inc. until such time as the final acceptance and assumption of the subdivision by the Corporation of the City of Vaughan, the Regional Municipality of York and any other governmental authority having jurisdiction. The Corporation of the City of Vaughan is party to the subdivision agreement registered on title to this property, and by letter dated April 12, 2019, it confirmed that all works and services have been completed and assumed by it. This is also confirmed by the City of Vaughan's assumption bylaws 61-2009 and 62-2009. In this transfer, the benefit of the right of re-entry was also to be annexed to and run with the lands owned by 941615 Ontario Inc. then described as Lot 32, Concession 4, Township of Uxbridge, Regional Municipality of Durham. As confirmed by the PIN (26856-0048) for such benefitting lands, 941615 Ontario Inc. transferred all of its right and title to and interest in such lands to 1855039 Ontario Inc. on August 2, 2011 by Instrument No. DR1013443. For the foregoing reasons, the right of re-entry in favour of 941615 Ontario Inc. has lapsed and the transfer should be deleted from title to the subject lands.
- Instrument No. LT1059555Z registered September 14, 1995 is a transfer from 941615 Ontario Inc. to 1033803 Ontario Inc., annexing restrictive covenants pursuant to which the transferee thereunder, its successors and assigns agree to observe and comply with the restrictions, provisions and covenants contained in an agreement of purchase and sale pursuant to which the transferor had agreed to sell the lands and deliver such transfer; the benefit of such restrictions are annexed to the lands in Durham described under PIN 26856-0048 which, as noted above, are no longer owned by 941615 Ontario Inc. The restrictions contained in this instrument are not negative in nature and as such do not constitute valid restrictive covenants and cannot run with the lands in Durham just described. We believe these restrictive covenants could be discharged by court order pursuant to Section 61(1) of the Conveyancing and Law of Property Act.
- Instrument No. LT1440948 registered December 30, 1999 is a notice of lease between 1033803 Ontario Inc., as landlord, and Bondfield Construction Company Limited, as tenant, the term of which expired on November 30, 2004 and there is no option to extend or renew contained therein. The lease referred to in this notice of lease has been superseded by a lease dated as of April 3, 2019 between KSV Kofman Inc., in its capacity as Court-appointed receiver of all of the assets,

undertakings and properties of 1033803 Ontario Inc., and not in its personal capacity, as landlord, and Bondfield Construction Company Limited, as tenant. Accordingly, this notice of lease should be discharged from title.
