-------------------	-----------------------------	---

September 27, 2021

this is a motion for among other things the extension of the stay in this matter to January 31, 2022. I am satisfied that the monitor (who is in this context a “super” monitor) has been acting in good faith and exercising due diligence. Claims process is involved and now largely turns on resolving CRA claims are themselves complex.

The other relief sought is reasonable.

Order to issue in the form signed by this day.

Penny J.
