S. Rappos for applicant

T. Sandler for Receiver / Trustee

C. Mills for CIT (not objecting)

The debtors have been served, are not in attendance and have not responded. The principal creditors who may be affected by these orders have been served copies of both this motion record and the companion motion record of the receiver addressing the affected payables in greater detail. None of the creditors has appeared or responded to counsel for the the applicant or the receiver. The requirements for bankruptcy orders are satisfied on the evidence before me. Accordingly, order to go in the attached form.
