(d) following the Company determining, upon advice of outside counsel, that proceeding with the Restructuring Transactions contemplated by this Agreement would be inconsistent with the continued exercise of its fiduciary duties as set forth in Section 20 hereof; *provided* that notwithstanding any provision of this Agreement to the contrary, upon such determination, the Company shall be entitled, but not required, to terminate this Agreement immediately upon written notice to each Restructuring Support Party delivered in accordance with Section 31 hereof; *provided*, *further*, that notwithstanding the foregoing, the Settlement, including the payment obligations and the releases as set forth

herein, shall survive termination of this Agreement and remain binding on the Company.

15. **Mutual Termination; Automatic Termination**. This Agreement and the obligations of all Parties hereunder may be terminated by mutual written agreement by and among Dream II Holdings, LLC, on behalf of the Company, the Committee, the Required Consenting Term Loan Lenders, and the Sponsor. 16. **Automatic Stay**. The Company acknowledges and agrees and shall not dispute that after the commencement of the Chapter 11 Cases, the giving of notice of termination of this Agreement by any Party pursuant to this Agreement shall not be a violation of the automatic stay of section 362 of the Bankruptcy Code (and the Company hereby waives, to the fullest extent permitted by law, the applicability of the automatic stay as it relates to any such notice being provided); *provided* that nothing herein shall prejudice any Party's rights to argue that the giving of notice of default or termination was not proper under the terms of this Agreement.

17. **Effect of Termination**. Upon the termination of this Agreement, this Agreement (other than with respect to the release and certain payment obligations of the Settlement, which shall survive termination), including the obligation to support the Plan, shall be of no further force or effect with respect to any Restructuring Support Party, and each Restructuring Support Party shall: (a) be released from its commitments, undertakings, and agreements under or related to this Agreement; (b) have the rights and remedies that it would have had, had it not entered into this Agreement; (c) be entitled to take all actions, whether with respect to the Restructuring Transactions or otherwise, that it would have been entitled to take had it not entered into this Agreement. Any and all consents tendered by any Restructuring Support Party prior to such termination shall be deemed, for all purposes, to be null and void *ab initio*, shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring Transactions, the Plan, and this Agreement or otherwise and such consents may be changed or resubmitted; *provided* that if the approval of the Bankruptcy Court shall be required under applicable law in order for a Restructuring Support Party to change or resubmit such consents, then the Company shall not oppose any attempt by such Restructuring Support Party to terminate, change, or resubmit the consent under this Section 17. The termination of this Agreement shall not relieve or absolve any Restructuring Support Party of any liability for any breaches of this Agreement that preceded the termination of the Agreement. Notwithstanding anything to the contrary in this Agreement, the foregoing shall not be construed to prohibit the Company or any Restructuring Support Party from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before the Termination Date. Except as expressly provided in this Agreement, nothing in this Agreement is intended to, or does, in any manner waive, limit, impair, or restrict any right or ability of any Restructuring Support Party to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any other Restructuring Support Party. GUC Liquidation Recovery Pool from the first available proceeds of Term Loan Priority Collateral in the event that each of the Chapter 11 Cases are converted to, or the occurrence of, a Liquidation Case shall survive the termination of this Agreement (unless such termination is a result of a material breach of this Agreement by the Committee), (b) subject to the conditions set forth in Section 19(c)(iii) hereof, the obligation of the Sponsor or the Put Purchasers to fund the Last Out Loans Turnover Amount from the cash proceeds, if any, received by the Put Purchasers on account of the DIP Last Out Loan Claims upon a conversion of each of the Chapter 11 Cases to, or the occurrence of, a Liquidation Case, shall survive the termination of this Agreement (unless such termination is a result of a material breach of this Agreement by the Committee), (c) the obligation of the Committee set forth in Section 9(b) hereof shall survive the termination of this Agreement, and (d) the releases set forth in Section 18 of this Agreement (including, for the avoidance of doubt, the releases set forth in Section 18(d) hereof) and the rights set forth in Section 19 shall survive termination of this Agreement in all instances.

18. **Release**.

(a) On the Agreement Effective Date, each Consenting Term Loan Lender, and subject in all respects to Section 19 hereof, on behalf of itself and its predecessors, successors and assigns, subsidiaries, affiliates, managed accounts or funds, current and former officers, directors, principals, shareholders, members, partners, employees, agents, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors, and other professionals, in each case in their capacity as such (collectively, the "Consenting Term Loan Releasing Parties"), expressly and generally releases, acquits, and discharges (i) the Sponsor and the Put Purchasers, (ii) the Sponsor and the Put Purchaser's respective predecessors, successors and assigns, subsidiaries, affiliates (in each case of the foregoing, except the Company), managed accounts or funds or investment vehicles, and each of such entities' respective current and former officers, directors, principals, shareholders, members, partners, employees, agents, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors, and other professionals of the Sponsor and the Put Purchasers, and (iii) the current and former directors of the Company and its subsidiaries (including any Sponsor appointed directors and the Company's disinterested director), in each case in the foregoing (i) through (iii), in their capacity as such (collectively, the "Sponsor Released Parties"), from any and all claims, obligations, rights, suits, damages, causes of action, remedies, and liabilities whatsoever, including any derivative claims asserted or assertable on behalf of the Company, any claims asserted or assertable on behalf of any holder of any claim against or interest in the Company and any claims asserted or assertable on behalf of any other entity, whether known or unknown, foreseen or unforeseen, matured or unmatured, in law, equity, contract, tort, or otherwise, by statute or otherwise, that such Consenting Term Loan Releasing Parties (whether individually or collectively) ever

had, now has, or may have, based on or relating to, or in any manner arising from, in whole or in part, the Company (including the purchase, sale, rescission, or any other transaction relating to any security of or debt in the Company, or any other transaction) or the negotiation, formulation, or preparation of the Restructuring Transactions, in each case, (i) arising on or before the Agreement Effective Date and (ii) for any and all claims arising between the Agreement Effective Date and the effective date of the Plan, such release shall be effective as of the effective date of the Plan.

(b) On the Agreement Effective Date, the Sponsor and the Put Purchasers, subject in all respects to Section 19 hereof, on behalf of themselves and their predecessors, successors and assigns, subsidiaries, affiliates (in each case of the foregoing, except the Company), managed accounts or funds or investment vehicles, and each of such entities' respective current and former officers, directors, principals, shareholders, members, partners, employees, agents, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors, and other professionals of the Sponsor and the Put Purchasers, in each case in their capacity as such (collectively, the "Sponsor Releasing Parties"), expressly and generally releases, acquits, and discharges (i) the other applicable Sponsor Released Parties, (ii) each Consenting Term Loan Lender and the Term Loan Agent, and (iii) each Consenting Term Loan Lender's and Term Loan Agent's respective predecessors, successors and assigns, subsidiaries, affiliates, managed accounts or funds, and each of such entities' respective current and former officers, directors, principals, shareholders, members, partners, employees, agents, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors, and other professionals of the Term Loan Agent and each Consenting Term Loan Lender, in each case in the foregoing (i) through (iii), in their capacity as such (collectively, the "Consenting Term Loan Released Parties"), from any and all claims, obligations, rights, suits, damages, causes of action, remedies, and liabilities whatsoever, including any derivative claims asserted or assertable on behalf of the Company, any claims asserted or assertable on behalf of any holder of any claim against or interest in the Company and any claims asserted or assertable on behalf of any other entity, whether known or unknown, foreseen or unforeseen, matured or unmatured, in law, equity, contract, tort, or otherwise, by statute or otherwise, that such Sponsor Releasing Parties (whether individually or collectively) ever had, now has, or may have, based on or relating to, or in any manner arising from, in whole or in part, the Company (including the purchase, sale, rescission, or any other transaction relating to any security of or debt in the Company) or the negotiation, formulation, or preparation of the Restructuring Transactions, in each case, (i) arising on or before the Agreement Effective Date and (ii) for any and all claims arising between

the Agreement Effective Date and the effective date of the Plan, such release shall be effective as of the effective date of the Plan.

(c) On the Agreement Effective Date, subject in all respects to Section 19 hereof, the Company, on behalf of itself and its predecessors, successors and assigns (including, for the avoidance of doubt, any chapter 7 trustee of the Debtors' estates), subsidiaries, affiliates, and each of such entities' respective current and former officers, directors, principals, shareholders, members, partners, employees, agents, advisory board members, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, management companies, fund advisors, and other professionals, in each case in their capacity as such (collectively, the "Company Releasing Parties"), and the Committee and its agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals, in each case in their capacity as such (collectively, the "Committee Releasing Parties," and, together with the Sponsor Releasing Parties, the Consenting Term Loan Releasing Parties, and the Company Releasing Parties, the "Releasing Parties"), expressly and generally release, acquit, and discharge all claims, obligations, rights, suits, damages, causes of action, remedies, and liabilities whatsoever, including any derivative claims asserted or assertable on behalf of the Company, any claims asserted or assertable on behalf of any holder of any claim against or interest in the Company and any claims asserted or assertable on behalf of any other entity, whether known or unknown, foreseen or unforeseen, matured or unmatured, in law, equity, contract, tort, or otherwise, by statute or otherwise, that such Company Releasing Parties and Committee Releasing Parties (whether individually or collectively) ever had, now has, or may have, based on or relating to, or in any manner arising from, in whole or in part, the Company (including the purchase, sale, rescission, or any other transaction relating to any security of or debt in the Company) or the negotiation, formulation, or preparation of the Restructuring Transactions, in each case, against the Sponsor, any Sponsor Released Party, the Term Loan Agent, any Consenting Term Loan Lender, and any Consenting Term Loan Released Party (i) arising on or before the Agreement Effective Date and (ii) for any and all claims arising between the Agreement Effective Date and the effective date of the Plan, such release shall be effective as of the effective date of the Plan; *provided* that in the event that the effective date of the Plan does not occur, the releases in this Section 18(c) shall be subject to revocation by the Company Releasing Parties and the Committee Releasing Parties (i) with respect to the Sponsor, the Put Purchasers, and any Sponsor Released Party, solely if the Sponsor and the Put Purchasers breach their obligation to fund the Last Out Loans Turnover Amount from the cash proceeds, if any, received by the Put Purchasers on account of the DIP Last Out Loan Claims, and (ii) with respect to the Term Loan Agent, any Consenting Term Loan Lender, and any Consenting Term Loan Released Party, if the Consenting Term Loan

Lenders breach their obligation to consent to the Company's disbursement of the GUC Liquidation Recovery Pool.

(d) On the Agreement Effective Date, each Releasing Party expressly and generally releases, acquits, and discharges any derivative claims asserted or assertable on behalf of the Company and any claims asserted or assertable on behalf of any holder of any claim against or interest in the Company, whether known or unknown, foreseen or unforeseen, matured or unmatured, in law, equity, contract, tort, or otherwise, by statute or otherwise, that the Releasing Parties (whether individually or collectively) ever had, now has, or may have against each of the other Releasing Parties, based on or relating to, or in any manner arising from, in whole or in part, the Company (including the purchase, sale, rescission, or any other transaction relating to any security of or debt in the Company) or the negotiation, formulation, or preparation of this Agreement.

(e) Subject to Section 19 hereof, each of the Releasing Parties knowingly grants this Release notwithstanding that each Releasing Party may hereafter discover facts in addition to, or different from, those which either such Releasing Party now knows or believes to be true, and without regard to the subsequent discovery or existence of such different or additional facts, and each Releasing Party expressly waives any and all rights that such Releasing Party may have under any statute or common law principle which would limit the effect of the Release to those claims actually known or suspected to exist as of before the Agreement Effective Date or effective date of the Plan, as applicable.

(f) Subject to Section 19 hereof, in connection with their agreement to the foregoing Release, the Releasing Parties knowingly and voluntarily waive and relinquish any and all provisions, rights, and benefits conferred by any law of the United States or any state or territory of the United States, or principle of common law, which governs or limits a person's release of unknown claims, comparable or equivalent to California Civil Code § 1542, which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR.

(g) Each of the Releasing Parties hereby represents and warrants that it has access to adequate information regarding the terms of this Agreement, the scope and effect of the Release, and all other matters encompassed by this Agreement to make an informed and knowledgeable decision with regard to entering into this Agreement. Each of the Releasing Parties further

represents and warrants that it has not relied upon any other Party in deciding to enter into this Agreement and has instead made its own independent analysis and decision to enter into this Agreement.

19. **Revocation of Release**.

(a) Subject to Section 19(c) and Section 19(d) hereof, a Release provided in Section 18 hereof shall be deemed revoked if any Party receives a notice from any other Party (each, a "Release Revocation Notice") of the occurrence of a Release Revocation Event (as defined herein) and the recipient(s) of the Release Revocation Notice fails to cure such Release Revocation Event within five business days of receipt of such Release Revocation Notice (the "Revocation Cure Period") or such Release Revocation Notice is not otherwise rescinded; *provided* that in the event the recipient(s) of a Release Revocation Notice disputes either the occurrence of a Release Revocation Event or the failure of the recipient(s) to cure the Release Revocation Event within the Revocation Cure Period, such recipient(s) shall have five business days from the expiration of the Revocation Cure Period to seek a determination by the Bankruptcy Court or such other court of competent jurisdiction having jurisdiction over such claim in accordance with this Agreement as to whether a Release Revocation Event occurred and was not cured within the Revocation Cure Period.

(b) Release Revocation Event. For the purposes of this Agreement, a "Release Revocation Event" means a breach by any Party (other than the Releasing Party seeking to revoke the Release) of any material commitment by such Party or of the Releases provided in Section 18 hereof. The foregoing shall also be subject to Section 19(d) hereof.

(c) Effect of Revocation of Release.

(i) Revocation of a Release as a result of a Release Revocation Event as contemplated in subsections (ii) and (iii) of this Section 19(c) shall result in a full and complete restoration of any and all claims, liabilities, and causes of action subject to such Release, and such Release shall be void *ab initio*, in each case, to the extent contemplated in subsections (ii) and (iii) of this Section 19(c).

(ii) In the case of a Release Revocation Event: (A) if the breaching Party is a Sponsor or a Put Purchaser, the Releases in Section 18 hereof shall be revoked with respect to all of the Releases granted to the Sponsor Released Parties (and such Sponsor Released Parties shall no longer have the benefit of such Release), (B) if the breaching Party is a Consenting Term Loan Lender, the Releases in Section 18 hereof shall only be revoked with respect to the Releases granted to such breaching Consenting Term Loan Lender

and its respective Consenting Term Loan Released Parties (and such Consenting Term Loan Released Parties shall no longer have the benefit of such Release), (C) if the breaching Party is a Company Releasing Party, the Releases in Section 18 hereof shall be revoked with respect to all of the Releases granted to the Company Releasing Parties (and such Company Releasing Parties shall no longer have the benefit of such Release), and (D) if the breaching Party is a Committee Releasing Party, the Releases in Section 18 hereof shall be revoked with respect to all of the Releases granted to the Committee Releasing Parties (and such Committee Releasing Parties shall no longer have the benefit of such Release). Other than as set forth in this subsection (ii) of Section 19(c) hereof, the revocation of any Release under Section 19(b) hereof shall not operate as a revocation of, nor otherwise impair or affect, any other Release.

(iii) In the case of a Release Revocation Event: (A) due to a Party bringing an action or claim against the Sponsor, a Put Purchaser, or any Sponsor Released Party, the Releases granted by the Sponsor Releasing Parties in Section 18 hereof shall be revoked in their entireties, and the Put Purchasers shall have no obligation to (1) "roll" their participation in the DIP Last Out Loans into the Exit ABL Facility or (2) cause to be distributed the Last Out Loans Turnover Amount, and (B) due to a Party bringing an action or claim against the Term Loan Lenders or any Consenting Term Loan Released Party, the Releases granted by the Consenting Term Loan Releasing Parties in Section 18 hereof shall be revoked in their entireties, and the Term Loan Lenders shall have no obligation to perform under this Agreement.

(d) Events Not Subject to Revocation.

(i) Notwithstanding anything else to the contrary herein, no Release may be revoked by any Releasing Party (including the Company Releasing Parties or any successor thereto, including a chapter 7 trustee, the Consenting Term Loan Releasing Parties, and the Committee Releasing Parties pursuant to Section 18(c) hereof):

a. following the effective date of the Plan;

b. irrespective of whether any Chapter 11 plan has been confirmed, with respect to the Sponsor, the Put Purchasers, and any Sponsor Released Party, so long as the Sponsor, the Put Purchasers, and any Sponsor Released Party have not breached their obligations to fund the Last Out Loans Turnover Amount from the cash proceeds, if any, received by

the Put Purchasers on account of the DIP Last Out Loan Claims; or

c. irrespective of whether any Chapter 11 plan has been confirmed, with respect to the Term Loan Agent, any Consenting Term Loan Lender, and any Consenting Term Loan Released Party, so long as the Consenting Term Loan Lenders have not breached their obligations to provide the GUC Liquidation Recovery Pool.

20. **Fiduciary Duties**. Notwithstanding anything to the contrary herein, nothing in this Agreement shall require (i) the Company, or any directors, officers, or employees of the Company (in such person's capacity as a director, officer, or employee) or (ii) the Committee, or any of its members, each in its capacity as such, to take any action, or to refrain from taking any action, to the extent that the Company, its board of directors or officers, the Committee, or any of its members determines in good faith, upon advice of counsel, that taking such action or refraining from taking such action may be inconsistent with its or their fiduciary obligations under applicable law, and any such exercise of such fiduciary duties shall not be deemed to constitute a breach of the terms of this Agreement; *provided* that the effect of any such action or inaction (and to the extent the Company or the Committee does not terminate this Agreement in accordance with this Section 20 and Section 14(d) or Section 13(c) hereof, as applicable), shall provide the Consenting Term Loan Lenders and the Sponsor the ability to take actions in accordance with Section 11 or Section 12 hereof, respectively, to terminate this Agreement. The Company or the Committee, as applicable, in its or their sole discretion, may (but shall not be required to) terminate this Agreement in accordance with Section 14(d) or Section 13(c) hereof, as applicable, and specific performance shall not be available as a remedy if this Agreement is terminated in accordance with this Section 20 and Section 14(d) or Section 13(c) hereof, as applicable, *provided* that a non-breaching party may seek specific performance for any violation of Section 18 and Section 19 of this Agreement. All Consenting Term Loan Lenders reserve all rights they may have, including the right (if any) to challenge any exercise by the Company or the Committee of its or their ability to terminate this Agreement under Section 14(d) or Section 13(c) hereof, as applicable, pursuant to this Section 20.

21. **Transfers of Claims and Interests**. During the Plan Support Period, subject to the terms and conditions hereof, each Restructuring Support Party shall not make a Transfer, unless such Transfer is to another Restructuring Support Party or any other entity that first agrees in writing to be bound by the terms of this Agreement by executing and delivering to the Company the Transferee Joinder. Upon compliance with the foregoing, the Transferor shall be deemed to relinquish its rights (and be released from its obligations, except for any claim for breach of this Agreement that occurs prior to such Transfer) under this Agreement to the extent of such transferred rights and obligations. Any Transfer made in violation of this Section 21 shall be deemed null and void *ab initio* and of no force or effect, regardless of any prior notice provided to the Company and/or any Restructuring Support Party, and shall not create any obligation or liability of the Company or any other Restructuring Support Party to the purported transferee.

22. **Further Acquisition of Claims or Interests**. Except as set forth in Section 21 hereof, nothing in this Agreement shall be construed as precluding any Consenting Term Loan Lender or any of its affiliates from acquiring additional DIP Term Loan Claims or Term Loan Claims or interests in the instruments underlying the DIP Term Loan Claims or Term Loan Claims; *provided* that any such additional DIP Term Loan Claims or Term Loan Claims acquired by any Consenting Term Loan Lender or by any of its affiliates shall automatically be subject to the terms and conditions of this Agreement. Upon any such further acquisition by a Consenting Term Loan Lender or any of its affiliates, such Consenting Term Loan Lender shall promptly notify counsel to the Company.

23. **Consents and Acknowledgments**.

(a) Each Party irrevocably acknowledges and agrees that this Agreement is not and shall not be deemed to be a solicitation for acceptances of the Plan for purposes of sections 1125, 1126, and 1127 of the Bankruptcy Code or otherwise. Any such offer or solicitation will be made only in compliance with all applicable securities laws and provisions of the Bankruptcy Code.

(b) By executing this Agreement, each Restructuring Support Party (including, for the avoidance of doubt, any entity that may execute this Agreement or a Transferee Joinder after the Agreement Effective Date) consents to the Company's use of its cash collateral and incurrence of debtor-in-possession financing expressly as authorized by, and subject to the terms of, the DIP Orders.

(c) By executing this Agreement, each Restructuring Support Party (including, for the avoidance of doubt, any entity that may execute this Agreement or a Transferee Joinder after the Agreement Effective Date) forbears from exercising remedies with respect to any Default or Event of Default (as defined under the Term Loan Credit Agreement) that is caused by the Company's entry into this Agreement or the other documents related to this Agreement and the transactions contemplated in this Agreement, and agrees to direct the Term Loan Agent to not exercise remedies to the extent that any other Term Loan Lender directs it to exercise such remedies.

24. **Representations and Warranties**.

(a) Each Restructuring Support Party hereby represents and warrants on a several and not joint basis for itself and not any other person or entity that the following statements are true, correct, and complete, to the best of its actual knowledge, as of the date hereof:

(i) it has the requisite organizational power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its respective obligations under, this Agreement;

(ii) the execution and delivery of this Agreement and the performance of its obligations hereunder have been duly authorized by all necessary corporate or other organizational action on its part;

(iii) to the extent it is a Consenting Term Loan Lender or the Sponsor, the execution and delivery by it of this Agreement does not violate its certificates of incorporation, or bylaws, or other organizational documents;

(iv) the execution, delivery, and performance by it of this Agreement does not require any registration or filing with, the consent or approval of, notice to, or any other action with any federal, state, or other governmental authority or regulatory body, except (i) any of the foregoing as may be necessary and/or required for disclosure by the Securities and Exchange Commission and applicable state securities or "blue sky" laws, (ii) any of the foregoing as may be necessary and/or required in connection with the Chapter 11 Cases, including the approval of the Disclosure Statement and confirmation of the Plan, (iii) filings of amended certificates of incorporation or articles of formation or other organizational documents with applicable state authorities, and other registrations, filings, consents, approvals, notices, or other actions that are reasonably necessary to maintain permits, licenses, qualifications, and governmental approvals to carry on the business of the Company, and (iv) any other registrations, filings, consents, approvals, notices, or other actions, the failure of which to make, obtain or take, as applicable, would not be reasonably likely, individually or in the aggregate, to materially delay or materially impair the ability of any Party hereto to consummate the transactions contemplated hereby;

(v) this Agreement is its legally valid and binding obligation, enforceable against it in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium, or other similar laws relating to or limiting creditors' rights generally, or by equitable principles relating to enforceability;

(vi) it is an "accredited investor" within the meaning of Rule 501 of Regulation D promulgated under the Securities Act of 1933, as amended (provided that the Committee is not required to satisfy this requirement), with sufficient knowledge and experience to evaluate properly the terms and conditions of this Agreement, the Disclosure Statement, the Plan, and any other Definitive Documentation, and it has made its own analysis and decision to enter into this Agreement; and

(vii) it (A) either (1) is the sole owner of the claims and interests identified below its name on its signature page hereof and in the amounts set forth therein, or (2) has all necessary investment or voting discretion with respect to the principal amount of claims and interests identified below its name on its signature page hereof, and has the power and authority to bind the owner(s) of such claims and interests to the terms of this Agreement; (B) is entitled (for its own accounts or for the accounts of such other owners) to all of the rights and economic benefits of such claims and interests; and (C) to the knowledge of the individuals working on the Restructuring Transactions, does not directly or indirectly own any Term Loan Claims, other than as identified below its name on its signature page hereof; *provided* that the foregoing shall not apply to the Committee.

(b) Each Company entity hereby represents and warrants on a joint and several basis (and not any other person or entity other than each Company entity) that the following statements are true, correct, and complete, to the best of its actual knowledge, as of the date hereof:

(i) it has the requisite corporate or other organizational power and authority to enter into this Agreement and to carry out the transactions contemplated by, and perform its respective obligations under, this Agreement;

(ii) the execution and delivery of this Agreement and the performance of its obligations hereunder have been duly authorized by all necessary corporate or other organizational action on its part, including approval of each of the independent directors of each of the corporate entities that comprise the Company;

(iii) the execution and delivery by it of this Agreement does not (A) violate its certificates of incorporation, or bylaws, or other organizational documents, or those of any of its affiliates in any material respect, or (B) result in a breach of, or constitute (with due notice or lapse of time or both) a default (other than, for the avoidance of doubt, a breach or default that would be triggered as a result of the Company undertaking to implement the Restructuring Transactions through the Chapter 11 Cases) under any material contractual obligation to which it or any of its affiliates is a party;

(iv) the execution and delivery by it of this Agreement does not require any registration or filing with, the consent or approval of, notice to, or any other action with any federal, state, or other governmental authority or regulatory body, other than, for the avoidance of doubt, the actions with governmental authorities or regulatory

bodies required in connection with implementation of the Restructuring Transactions;

(v) subject to the provisions of sections 1125 and 1126 of the Bankruptcy Code, this Agreement is its legally valid and binding obligation, enforceable against it in accordance with its terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium, or other similar laws relating to or limiting creditors' rights generally, or by equitable principles relating to enforceability; and

(vi) it has sufficient knowledge and experience to evaluate properly the terms and conditions of the Plan and this Agreement, and has been afforded the opportunity to consult with its legal and financial advisors with respect to its decision to execute this Agreement, and it has made its own analysis and decision to enter into this Agreement and otherwise investigated this matter to its full satisfaction.

25. **Relationship Among Parties**. Notwithstanding anything herein to the contrary, (i) the duties and obligations of the Parties under this Agreement shall be several, not joint; (ii) no Party shall have any responsibility by virtue of this Agreement for any trading by any other entity; (iii) no prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this Agreement; (iv) the Parties hereto acknowledge that this Agreement does not constitute an agreement, arrangement, or understanding with respect to acting together for the purpose of acquiring, holding, voting, or disposing of any equity securities of the Company, the Parties do not constitute a "group" within the meaning of Rule 13d-5 under the Securities Exchange Act of 1934, as amended, and no action taken by any Party pursuant to this Agreement shall be deemed to create a presumption that the Parties are, in any way, acting as a "group"; and (v) none of the Restructuring Support Parties shall have any fiduciary duty, any duty of trust or confidence in any form, or other duties or responsibilities in any kind or form to each other, the Company or any of the Company's other lenders or stakeholders, including as a result of this Agreement or the transactions contemplated hereby; *provided* that the preceding sentence shall not apply to any of the Committee's fiduciary duties under applicable law.

26. **Remedies**. It is understood and agreed by the Parties that breach of this Agreement would give rise to irreparable damage for which monetary damages may not be an adequate remedy and each non-breaching Party shall be entitled to seek specific performance and injunctive or other equitable relief as a remedy of any such breach of this Agreement, including an order of the Bankruptcy Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder, *provided* specific performance shall not be an available remedy against the Company if the Company or the Committee validly terminates this Agreement in accordance with, and subject to, Section 14(d) or Section 13(c) hereof, as applicable. Notwithstanding the foregoing, any non-breaching party may seek specific performance and injunctive relief for any violations of Section 18 and Section 19 of this Agreement. The Parties agree that such relief will be their only remedy against the applicable

breaching Party or Parties with respect to any such breach, and that in no event will any Party be liable for monetary damages under or in connection with this Agreement.

27. **Governing Law & Jurisdiction**. This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to such state's choice of law provisions which would require the application of the law of any other jurisdiction, except where preempted by the Bankruptcy Code. By its execution and delivery of this Agreement, each Party irrevocably and unconditionally agrees for itself that any legal action, suit, or proceeding against it with respect to any matter arising under or arising out of or in connection with this Agreement or for recognition or enforcement of any judgment rendered in any such action, suit, or proceeding, may be brought in the United States District Court for the Southern District of New York, and by executing and delivering this Agreement, each of the Parties irrevocably accepts and submits itself to the exclusive jurisdiction of such court, generally and unconditionally, with respect to any such action, suit or proceeding. Notwithstanding the foregoing consent to New York jurisdiction, if the Chapter 11 Cases are commenced, each Party agrees that the Bankruptcy Court shall have exclusive jurisdiction of all matters arising out of or in connection with this Agreement. By executing and delivering this Agreement, and upon commencement of the Chapter 11 Cases, each of the Parties irrevocably and unconditionally submits to the personal jurisdiction of the Bankruptcy Court solely for purposes of any action, suit, proceeding, or other contested matter arising out of or relating to this Agreement, or for recognition or enforcement of any judgment rendered or order entered in any such action, suit, proceeding, or other contested matter.

28. **Waiver of Right to Trial by Jury**. Each of the Parties waives any right to have a jury participate in resolving any dispute, whether sounding in contract, tort or otherwise, between any of the Parties arising out of, connected with, relating to, or incidental to the relationship established between any of them in connection with this Agreement. Instead, any disputes resolved in court shall be resolved in a bench trial without a jury.

29. **Successors and Assigns**. Except as otherwise provided in this Agreement, this Agreement is intended to bind and inure to the benefit of each of the Parties and each of their respective permitted successors, assigns, heirs, executors, administrators, and representatives, including any chapter 7 trustee.

30. **No Third-Party Beneficiaries**. Unless expressly stated herein, this Agreement shall be solely for the benefit of the Parties and no other person or entity shall be a third-party beneficiary of this Agreement.

31. **Notices**. All notices (including any notice of termination or breach) and other communications from any Party hereunder shall be in writing and shall be deemed to have been duly given if personally delivered by courier service, messenger, email, or facsimile to the other Parties at the applicable addresses below, or such other addresses as may be furnished hereafter by notice in writing. Any notice of termination or breach shall be delivered to all other Parties.

32. **Entire Agreement**. This Agreement (including each of the exhibits hereto and any schedules to such exhibits) constitutes the entire agreement of the Parties with respect to the subject matter of this Agreement, and supersedes all prior negotiations, agreements, and understandings, whether written or oral, among the Parties with respect to the subject matter of this Agreement.

33. **Amendments**. Except as otherwise provided herein, this Agreement may not be modified, amended, or supplemented without the prior written consent of the Company, the Required Consenting Term Loan Lenders, and the Sponsor (but only with respect to this Agreement, not the DIP Term Loan Commitment Letter or the Exit Term Loan Commitment Letter unless such amendments, modifications, or supplements have an adverse effect on the Sponsor or the treatment of the Last Out Loans or DIP Last Out Loans); *provided* that any modification, amendment, or change to (a) the definition of Required Consenting Term Loan Lenders or the threshold of Consenting Term Loan Lenders set forth in Section 11 hereof shall also require the written consent of each Consenting Term Loan Lender, (b) this Section 33 shall require the written consent of the Company, each Consenting Term Loan Lender, the Committee, and the Sponsor, (c) this Agreement that treats or affects any Consenting Term Loan Lender in a manner that is disproportionally adverse, on an economic or non-economic basis, to the treatment of other holders of Term Loan Claims, shall also require the written consent of such Consenting Term Loan Lender, or (d) this Agreement that adversely affects, in any material

respect, the interests of holders of General Unsecured Claims, shall also require the written consent of the Committee.

34. **Reservation of Rights**. Subject to and except as expressly provided in this Agreement or in any amendment thereof agreed upon by the Parties pursuant to the terms hereof, nothing herein is intended to, or does, in any manner waive, limit, impair or restrict the ability of each of the Parties to protect and preserve its rights, remedies and interests, including its claims against any of the other Parties (or their respective affiliates or subsidiaries) or its full participation in the Chapter 11 Cases. Without limiting the foregoing sentence in any way, if the Restructuring Transactions are not consummated, or if this Agreement is terminated for any reason, nothing in this Agreement shall be construed as a waiver by any Party of any or all of such Party's rights, remedies, claims and defenses, and the Parties expressly reserve any and all of their respective rights, remedies, claims and defenses. This Agreement shall in no event be construed as, or be deemed to be, evidence of an admission or concession on the part of any Party of any claim or fault or liability or damages whatsoever. Any waiver shall not be deemed to extend to any prior or subsequent default, misrepresentation, or breach of warranty or covenant hereunder or affect in any way any rights arising by virtue of any prior or subsequent default, misrepresentation, or breach of warranty or covenant. Each of the Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert. This Agreement is part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties hereto. Pursuant to Federal Rule of Evidence 408 and any applicable state rules of evidence, all negotiations relating to this Agreement shall not be admissible into evidence in any proceeding other than a proceeding to enforce the terms of this Agreement.

35. **Counterparts**. This Agreement may be executed in one or more counterparts, each of which, when so executed, shall constitute the same instrument, and the counterparts may be delivered by facsimile transmission or by electronic mail in portable document format (.pdf).

36. **Disclosures**. The Company shall (a) submit drafts to the Term Loan Agent Counsel, Committee Counsel, and Sponsor Counsel of any press releases and public documents that constitute the disclosure of the existence or terms of this Agreement or any amendment to the terms of this Agreement at least two business days or as soon as reasonably practicable prior to making any such disclosure and (b) consult with the Term Loan Agent Counsel, Committee Counsel, and Sponsor Counsel in good faith regarding the form and substance of such disclosure(s), including consideration of inclusion of any comments reasonably requested by the Term Loan Agent Counsel, Committee Counsel, or Sponsor Counsel. Except as required by law or otherwise permitted under the terms of any other agreement between the Company, on the one hand, and the Term Loan Lenders, on the other hand (including the DIP Term Loan Agreement and related documents), this Agreement, as well as its terms, its existence, and the existence of the negotiation of its terms are expressly subject to any existing confidentiality agreements executed by and among any of the Parties as of the date hereof (including any such provisions in the Term Loan Credit Agreement); *provided* that (i) such information may be disclosed to Term Loan Lenders not party hereto, subject to the confidentiality provisions in the Term Loan Credit Agreement, and (ii) after the Petition Date, the Parties may disclose the existence of, or the terms of, this Agreement or any other material term of the transaction contemplated herein without the express written consent of the other Parties; *provided*, *further*, that no Party or its advisors shall

disclose to any person or entity (including, for the avoidance of doubt, any other Party), other than advisors to the Company, the principal amount or percentage of any claims, loans, or other interests held by the Consenting Term Loan Lenders or the Sponsor, in each case, without the prior written consent of such Consenting Term Loan Lender or the Sponsor, as applicable.

37. **Headings**. The section headings of this Agreement are for convenience of reference only and shall not, for any purpose, be deemed a part of this Agreement.

38. **Interpretation**. This Agreement is the product of negotiations among the Parties, and the enforcement or interpretation hereof, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement or any portion hereof, shall not be effective in regard to the interpretation hereof.

39. **Representation by Counsel**. Each Party acknowledges that it has had the opportunity to be represented by counsel in connection with this Agreement and the transactions contemplated hereunder. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

40. **Consideration**. The Parties hereby acknowledge that no consideration, other than that specifically described herein, shall be due or paid to any Party for its agreement to vote to accept the Plan in accordance with the terms and conditions of this Agreement.

41. **Computation of Time**. Rule 9006(a) of the Federal Rules of Bankruptcy Procedure applies in computing any period of time prescribed or allowed herein only to the extent such period of time governs a Milestone pertaining to the entry of an order by the Bankruptcy Court in the Chapter 11 Cases.

[*Signatures and exhibits follow*.]

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the date and year first written above.

Hollander Sleep Products, LLC
$28,000,000 DIP Term Loan Facility
DIP Commitment Letter

Mr. Pfefferle:

Each of the undersigned (collectively, the "DIP Commitment Parties" and each individually, a "DIP Commitment Party") hereby, severally but not jointly, commits to provide (directly and/or through one or more of its affiliates, accounts managed or sub-managed by it or its affiliates and direct or indirect subsidiaries, each such affiliate, account subsidiary or any other lender under the DIP Term Loan Facility, as hereinafter defined, a "DIP Term Loan Lender") the portion set forth opposite its name on Schedule I hereto (under the column heading "Total DIP Term Loan Commitment") of a $28,000,000 superpriority senior secured debtor-in-possession term loan credit facility (the "DIP Term Loan Facility") to Hollander Sleep Products, LLC (the "Borrower"), and Barings Finance LLC hereby agrees to act as administrative agent for the DIP Term Loan Facility (the "DIP Term Loan Agent"), in connection with the Borrower's and certain of its subsidiaries' filing of petitions for relief (collectively, the "Bankruptcy Cases") under chapter 11 of title 11 of the United States Code, 11 U.S.C. §§ 101, et seq (the "Bankruptcy Code").

The DIP Commitment Parties' commitments to fund the initial loans under the DIP Term Facility are subject to (i) the execution of DIP Term Loan Facility definitive documentation on substantially the terms set forth in the attached forms of (a) Debtor-in-Possession Term Loan Credit Agreement (the "Form DIP Credit Agreement"), (b) the Exhibits to the Form DIP Credit Agreement, (c) the Guaranty and Security Agreement, and (d) the Amended and Restated Intercreditor Agreement, attached collectively as Exhibit A (collectively, the "Form DIP Credit Documents," and, together with this letter, the "DIP Commitment Letter"), and otherwise in form and substance reasonably satisfactory to the DIP Commitment Parties and the DIP Term Loan Agent (collectively, the "DIP Documents"); (ii) satisfaction of all conditions precedent set forth in Sections 3.1 and 3.3 of the Form DIP Credit Agreement; and (iii) payment of all fees and expenses required hereunder and under the DIP Fee Letter (as hereinafter defined). Capitalized terms used herein without definition have the meanings assigned to such terms in the Form DIP Credit Agreement.

Evaluation Material.

You hereby represent, warrant and covenant that (a) all written information (other than the projections, budgets, financial estimates, forecasts and other forward-looking information with respect to you and your affiliates (collectively, the "Projections") and general economic or specific industry information) (the "Information") that has been or will be made available to the

DIP Commitment Parties and/or the DIP Term Loan Lenders by you or any of your affiliates or representatives, when taken as a whole, is or will be, when furnished, correct in all material respects and does not or will not, when furnished, contain any untrue statement of fact or omit to state a fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made (after giving effect to all supplements from time to time) and (b) the Projections that have been or will be made available to the DIP Commitment Parties by you or any of your affiliates or representatives have been or will be prepared in good faith based upon assumptions believed to be reasonable at the time made (it being understood and agreed that financial projections are not a guarantee of financial performance and actual results may differ from financial projections and such differences may be material). You agree that if at any time prior to the closing of the DIP Term Loan Facility you become aware that any of the representations in the preceding sentence would be, to your knowledge, incorrect in any material respect if the Information and Projections were being furnished, and such representations were being made, at such time, then you will use commercially reasonable efforts to supplement the Information and the Projections from time to time until the closing of the DIP Term Loan Facility so that the representations, warranties and covenants in the foregoing sentences will be correct in all material respects under those circumstances, it being understood that any such supplement shall cure any breach of such representation. You understand that in making its commitment hereunder, each DIP Commitment Party may use and rely on the Information and Projections without independent verification thereof.

You hereby authorize and agree, on behalf of yourself and your affiliates, that the Information, the Projections and all other information (including third party reports) provided by or on behalf of you and your affiliates and representatives to the DIP Commitment Parties regarding you and your affiliates, in connection with the DIP Term Loan Facility and the transactions contemplated hereby, may be disseminated by or on behalf of the DIP Commitment Parties, and made available, to prospective DIP Term Loan Lenders and their advisors identified to you, who have each agreed to be bound by customary confidentiality undertakings (including "click-through" agreements) (whether transmitted electronically by means of a website, e-mail or otherwise, or made available orally or in writing, including at prospective DIP Term Loan Lender or other meetings). You hereby further authorize the DIP Commitment Parties to download copies of your logos and agree to use commercially reasonable efforts to obtain authorization to permit the DIP Commitment Parties to download copies of your logos, from your websites and post copies thereof on an IntraLinks® or similar workspace and use such logos on any materials prepared in connection with the DIP Term Loan Facility.

Expenses.

Regardless of whether the DIP Term Loan Facility closes, you hereby agree to pay or reimburse the DIP Commitment Parties and the DIP Term Loan Agent, as applicable, for all reasonable and documented out-of-pocket expenses incurred by the DIP Commitment Parties, funds managed or sub-managed by the DIP Commitment Parties, and the DIP Term Loan Agent or their affiliates (whether incurred before or after the date hereof) in connection with the DIP Term Loan Facility (including, but not limited to, (a) all reasonable costs and out-of-pocket expenses of one primary legal counsel and, if necessary, one local counsel in all appropriate jurisdictions for all DIP Commitment Parties and the DIP Term Loan Agent), and (b) all reasonable and documented costs and out-of-pocket expenses of one financial advisor (if any) for all DIP Commitment Parties and the DIP Term Loan Agent.

Confidentiality.

You agree that you will not disclose, directly or indirectly, this DIP Commitment Letter and the contents hereof or the DIP Fee Letter dated as of the date hereof (the "DIP Fee Letter") among the DIP Commitment Parties and the Borrower and the contents thereof or the DIP Commitment Parties' involvement with the DIP Term Loan Facility to any third party (including, without limitation, any financial institution or intermediary) without each DIP Commitment Party's prior written consent, other than to (a) those individuals who are your directors, officers, employees, attorneys, agents or advisors in connection with the DIP Term Loan Facility; provided that this DIP Commitment Letter may be disclosed to (i) Sentinel Capital Partners, L.L.C. and its affiliates, and its directors, officers, employees, attorneys, agents and advisors, and (ii) to the providers of the ABL DIP Facility described in the Form DIP Credit Agreement and their officers, employees, attorneys, agents and advisors, in each case on a confidential basis (it being understood any such disclosure pursuant to this clause (a)(ii) shall be limited to a general description of the fees to be paid and does not authorize the distribution of the DIP Fee Letter to such persons), (b) the Bankruptcy Court for approval of this DIP Commitment Letter and the DIP Term Loan Facility, (c) any official committee appointed in the Bankruptcy Cases and their respective legal and financial advisers, (d) as may be compelled in a judicial or administrative proceeding or as otherwise required by law (in which case you agree to inform the DIP Commitment Parties promptly thereof), (e) to the extent necessary in connection with the exercise of any remedies or enforcement of any rights hereunder and (f) other recipients as required by the Bankruptcy Court, or as part of the Borrower and its subsidiaries' disclosure statement soliciting votes in support of a plan of reorganization, whether before or after the commencement of the Bankruptcy Cases (it being understood any such disclosure pursuant to this clause (f) shall be limited to a general description of the fees to be paid in the Borrower's solicitation materials and does not authorize the distribution, filing with the Bankruptcy Court, or other action that results in the DIP Fee Letter being made available to such other recipients). Except in connection with the disclosure statement soliciting votes in support of a plan of reorganization, you agree to inform all such persons who receive information concerning this DIP Commitment Letter or the DIP Fee Letter that such information is confidential and may not be used for any other purpose. The DIP Commitment Parties reserve the right to review and approve, in advance, all materials, press releases, advertisements and disclosures that contain their name or any name of any affiliate or the name of any account managed or sub-managed by, or any related fund of, the DIP Commitment Parties or describe their respective financing commitment (such approval not to be unreasonably withheld, delayed or conditioned).

The Borrower hereby agrees that if the DIP Fee Letter is required to be filed with any bankruptcy court or disclosed to any U.S. Trustee for purposes of obtaining approval to pay any fees provided for therein or otherwise, then it shall promptly notify the DIP Commitment Parties and take all commercially reasonable actions necessary to prevent the DIP Fee Letter from becoming publicly available, including, without limitation, filing a motion pursuant to sections 105(a) and 107(b) of the Bankruptcy Code and Rule 9018 of the Federal Rules of Bankruptcy Procedure seeking a bankruptcy court order authorizing the Borrower to file the DIP Fee Letter under seal to the maximum extent permitted by applicable law; provided, however, that if the applicable bankruptcy court or applicable law does not permit such filing under seal, then any such filing shall be redacted to the maximum extent permitted by such bankruptcy court and such law. Notwithstanding the "Survival" section herein, the obligations of the foregoing sentence shall survive any termination or completion of the arrangement provided by this DIP Commitment Letter.

Each DIP Commitment Party and the DIP Term Loan Agent agrees it shall use all nonpublic information received by it in connection with the DIP Term Loan Facility solely for the purposes

of providing the commitments subject of this DIP Commitment Letter and shall treat confidentially all such information; provided, however, that nothing herein shall prevent any DIP Commitment Party or the DIP Term Loan Agent from disclosing any such information (a) to any DIP Term Loan Lenders or participants or prospective DIP Term Loan Lenders or participants, in each case identified to you, (b) as may be compelled in a judicial or administrative proceeding or as otherwise required by law (in which case we agree to inform you promptly thereof), (c) upon the request or demand of any regulatory authority having jurisdiction over the DIP Commitment Parties and the DIP Term Loan Agent, (d) to the employees, legal counsel, independent auditors, professionals and other experts or agents of such party (collectively, "Representatives") who are informed of the confidential nature of such information and are or have been advised of their obligation to keep information of this type confidential, (e) to any of its respective affiliates (provided that any such affiliate is advised of its obligation to retain such information as confidential, and each DIP Commitment Party and DIP Term Loan Agent shall be responsible for its affiliates' compliance with this paragraph) solely in connection with the DIP Term Loan Facility, and (f) to the extent any such information becomes publicly available other than by reason of disclosure by any DIP Commitment Party, the DIP Term Loan Agent, any of their affiliates or Representatives in breach of this DIP Commitment Letter.

Indemnity.

Regardless of whether the DIP Term Loan Facility is closed, you agree to (a) indemnify, defend and hold each of the DIP Commitment Parties, the DIP Term Loan Agent, each DIP Term Loan Lender, and the respective affiliates and funds managed or advised by the DIP Commitment Parties and DIP Term Loan Lenders, and the principals, directors, officers, employees, representatives, agents, attorneys and third party advisors of each of them (each, an "Indemnified Person"), harmless from and against all losses, disputes, claims, investigations, litigation, proceedings, expenses (including, but not limited to, attorneys' fees), damages, and liabilities of any kind to which any Indemnified Person may become subject arising out of or in connection with any claim, litigation, investigation or proceeding (any of the foregoing, a "Proceeding") relating to or in connection with this DIP Commitment Letter, the DIP Fee Letter, the DIP Term Loan Facility, the use or the proposed use of the proceeds thereof, or any other transaction contemplated by this DIP Commitment Letter (each, a "Claim", and collectively, the "Claims"), regardless of whether such Indemnified Person is a party thereto (and regardless of whether such matter is initiated by a third party, you, or any of your or its respective affiliates), and (b) reimburse each Indemnified Person upon demand (together with reasonably detailed backup documentation in summary form supporting such demand) for all reasonable and documented legal and other out-of-pocket expenses incurred in connection with investigating, preparing to defend or defending, or providing evidence in or preparing to serve or serving as a witness with respect to, any Proceeding (each, an "Expense") by one counsel to the Indemnified Persons taken as a whole and, if necessary, one firm of local counsel in each appropriate jurisdiction to the Indemnified Persons taken as a whole, and, in the case of an actual conflict of interest, one additional counsel to the affected Indemnified Persons taken as a whole; provided that no Indemnified Person shall be entitled to indemnity hereunder in respect of any Claim or Expense to the extent that the same (i) is found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, willful misconduct or bad faith of such Indemnified Person or any of its affiliates and their principals, directors, officers, employees, representatives, agents, attorneys or third party advisors, (ii) is found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from a material breach of the obligations of such Indemnified Person or any of its affiliates and their principals, directors, officers, employees, representatives, agents, attorneys or third party advisors under this DIP Commitment Letter or (iii) arises from any dispute among Indemnified Persons that does not

involve or relate to an act or omission by you and that is brought by an Indemnified Person against another Indemnified Person (other than any claims against the DIP Term Loan Agent in its capacity or in fulfilling its role as an agent under the DIP Term Loan Facility). Notwithstanding any other provision of this DIP Commitment Letter, and without limitation of your indemnification and reimbursement obligations set forth herein, no party hereto shall be liable for any special, indirect, consequential or punitive damages in connection with the DIP Term Loan Facilities, this DIP Commitment Letter, the DIP Fee Letter or any other transaction contemplated hereby or thereby; provided that this foregoing sentence shall not limit your indemnity obligations to the extent set forth above in respect of any actual Claims and Expenses incurred or paid by an Indemnified Person to a third party unaffiliated with the DIP Commitment Parties that are otherwise required to be indemnified in accordance with the terms hereof.

Furthermore, you hereby acknowledge and agree that the use of electronic transmission is not necessarily secure and that there are risks associated with such use, including risks of interception, disclosure and abuse. You agree to assume and accept such risks and hereby authorize the use of transmission of electronic transmissions, and that none of the DIP Commitment Parties nor any of their respective affiliates will have any liability for any damages arising from the use of such electronic transmission systems, except to the extent such damages have been found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such DIP Commitment Party or any of its affiliates and their principals, directors, officers, employees, representatives, agents, attorneys or third party advisors.

Notwithstanding the above, (a) you shall not be liable for any settlement of any Proceedings effected without your consent (which consent shall not be unreasonably conditioned, withheld or delayed), but if settled with your written consent or if there is a judgment for the plaintiff against any Indemnified Person in any such Proceedings, you agree to indemnify and hold harmless each Indemnified Person from and against any and all Claims and Expenses by reason of such settlement or judgment in accordance with this section and (b) each Indemnified Person shall be obligated to refund or return any and all amounts paid by you under the preceding paragraph to such Indemnified Person for any losses, claims, damages liabilities or expenses to the extent such Indemnified Person is not entitled to payment of such amounts in accordance with the terms hereof. You shall not, without the prior written consent of an Indemnified Person (which consent shall not be unreasonably conditioned, withheld or delayed), effect any settlement or consent to the entry of any judgment of any pending or threatened Proceedings in respect of which indemnity could have been sought hereunder by such Indemnified Person unless such settlement (i) includes an unconditional release of such Indemnified Person from all liability or claims that are the subject matter of such Proceedings, (ii) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person and (iii) contains customary confidentiality and nondisparagement provisions.

In the event that an Indemnified Person is requested or required to appear as a witness in any action brought by or on behalf of or against you or any of your subsidiaries or affiliates in which such Indemnified Person is not named as a defendant, or a demand to produce documents or otherwise respond to discovery requests is made on an Indemnified Person, you agree to reimburse such Indemnified Person for all reasonable expenses incurred by it in connection with such Indemnified Person's appearing and preparing to appear as such a witness, including, without limitation, the reasonable fees and expenses of its legal counsel.

Sharing Information; Absence of Fiduciary Relationship.

You acknowledge that the DIP Commitment Parties, the DIP Term Loan Agent and their respective affiliates may be providing debt financing, equity capital or other services to other companies with which you may have conflicting interests. Neither the DIP Commitment Parties nor any of their affiliates will use confidential information obtained from you by virtue of the transactions contemplated by this DIP Commitment Letter or its other relationships with you in connection with the performance by it of services for other persons, and neither the DIP Commitment Parties nor any of their affiliates will furnish any such information to other persons except as permitted under the "Confidentiality" section herein. You further acknowledge and agree that (a) no fiduciary, advisory or agency relationship between you and any of the DIP Commitment Parties or the DIP Term Loan Agent has been or will be created in respect of any of the transactions contemplated by this DIP Commitment Letter, irrespective of whether the DIP Commitment Parties, the DIP Term Loan Agent and/or their respective affiliates have advised or are advising you on other matters and (b) you will not assert any claim against any of the DIP Commitment Parties or the DIP Term Loan Agent for breach or alleged breach of fiduciary duty in respect of any of the transactions contemplated by this DIP Commitment Letter and agree that none of the DIP Commitment Parties or the DIP Term Loan Agent shall have any direct or indirect liability to you in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of you, including your stockholders, employees or creditors.

DEBTOR-IN-POSSESSION TERM LOAN CREDIT AGREEMENT

THIS DEBTOR-IN-POSSESSION TERM LOAN CREDIT AGREEMENT (this "Agreement"), is entered into as of May [__], 2019, by and among the lenders identified on the signature pages hereof (each of such lenders, together with its successors and permitted assigns, is referred to hereinafter as a "Lender", as that term is hereinafter further defined), **BARINGS FINANCE LLC**, as administrative agent for each member of the Lender Group (in such capacity, together with its successors and assigns in such capacity, "Agent"), **DREAM II HOLDINGS, LLC**, a Delaware limited liability company ("Parent"), **HOLLANDER HOME FASHIONS HOLDINGS, LLC**, a Delaware limited liability company ("HHFH" or "Holdings" and together with Parent, the "Parent Guarantors") and **HOLLANDER SLEEP PRODUCTS, LLC**, a Delaware limited liability company ("HSP" or the "Borrower").

WHEREAS, on May [__], 2019 (the "Petition Date"), the Borrower and the Guarantors commenced Chapter 11 case numbers [__] through [__], as jointly administered for procedural purposes at Chapter 11 case number [__] (each a "Chapter 11 Case" and collectively, the "Chapter 11 Cases") by filing with the United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court") voluntary petitions for relief under Chapter 11 of Title 11 of the United States Code, 11 U.S.C. §§ 101 et seq. (the "Bankruptcy Code").

WHEREAS, each of the Loan Parties is continuing in the possession of its assets and in the management of its business as a debtor-in-possession pursuant to Sections 1107(a) and 1108 of the Bankruptcy Code.

WHEREAS, the Borrower has requested the Lenders to extend credit to the Borrower in form of term loans consisting of a superpriority debtor-in-possession secured credit facility in an aggregate principal amount not to exceed $28,000,000 (the "DIP Facility") subject to this Agreement and, when entered, the Interim DIP Order, and the Final DIP Order, as applicable, which will be used in accordance with the Approved Budget and the terms of this Agreement.

WHEREAS, the Borrower has requested the ABL DIP Lenders to extend credit to the Borrower in the form of revolving credit commitments in an aggregate of $90,000,000 (the "ABL DIP Facility") pursuant to the terms of that certain ABL DIP Facility Agreement.

WHEREAS, to provide security for the repayment of the loans made available pursuant hereto and payment of the other obligations of the Borrower hereunder, the Borrower has agreed to provide the Agent and the Lenders, in each case subject to the Carve-Out, with DIP Liens on the DIP Collateral; and

WHEREAS, the Lenders are willing to make the requested DIP Facility available to the Borrower on the terms and conditions set forth in this Agreement and the Interim DIP Order and the Final DIP Order, as applicable:

NOW, THEREFORE, in consideration of the premises and the mutual agreements contained herein, the parties hereto agree as follows:

1. DEFINITIONS AND CONSTRUCTION.

1.1 **Definitions.** Capitalized terms used in this Agreement (including the preamble) shall have the meanings specified therefor on Schedule 1.1.

1.2 **Accounting Terms**. All accounting terms not specifically defined herein shall be construed in accordance with GAAP; provided, that if Borrower notifies Agent that Borrower requests an amendment to any provision hereof to eliminate the effect of any Accounting Change occurring after the Effective Date or in the application thereof on the operation of such provision (or if Agent notifies Borrower that the Required Lenders request an amendment to any provision hereof for such purpose), regardless of whether any such notice is given before or after such Accounting Change or in the application thereof, then Agent and Borrower agree that they will negotiate in good faith amendments to the provisions of this Agreement that are directly affected by such Accounting Change with the intent of having the respective positions of the Lenders and Borrower after such Accounting Change conform as nearly as possible to their respective positions before such Accounting Change and, until any such amendments have been agreed upon and agreed to by the Required Lenders, the provisions in this Agreement shall be calculated as if no such Accounting Change had occurred; provided, further, that notwithstanding any Accounting Change after the Effective Date that would require lease obligations that would be treated as operating leases as of the Effective Date to be classified and accounted for as capital leases or otherwise reflected on Parent and its Subsidiaries' consolidated balance sheet, for the purposes of determining compliance with any covenant contained herein, such obligations shall be treated in the same manner as operating leases are treated as of the Effective Date. When used herein, the term "financial statements" shall include the notes and schedules thereto. Whenever the term "Parent" is used in respect of a financial covenant or a related definition, it shall be understood to mean Parent and its Subsidiaries on a consolidated basis, unless the context clearly requires otherwise. Notwithstanding anything to the contrary contained herein, all financial statements delivered hereunder shall be prepared, and all financial covenants contained herein shall be calculated, without giving effect to any election under the Statement of Financial Accounting Standards No. 159 (or any similar accounting principle) permitting a Person to value its financial liabilities or Indebtedness at the fair value thereof.

1.3 **Code**. Any terms used in this Agreement that are defined in the Code shall be construed and defined as set forth in the Code unless otherwise defined herein; provided, however, that to the extent that the Code is used to define any term herein and such term is defined differently in different Articles of the Code, the definition of such term contained in Article 9 of the Code shall govern.

1.4 **Construction**. Unless the context of this Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Agreement or any other DIP Loan Document refer to this Agreement or such other DIP Loan Document, as the case may be, as a whole and not to any particular provision of this Agreement or such other DIP Loan Document, as the case may be. Unless the context of this Agreement or any other DIP Loan Document clearly requires otherwise, references to "law" means all international, foreign, federal, state, provincial and local statutes, treaties, rules, guidelines, regulations, by-laws, ordinances, decrees, codes and administrative or judicial or arbitral or

administrative or ministerial or departmental or regulatory precedents or authorities, including the interpretation or administration thereof by any Governmental Authority charged with the enforcement, interpretation or administration thereof, and all applicable administrative orders, directed duties, requests, licenses, authorizations and permits of, and agreements with, any Governmental Authority, in each case, whether or not having the force of law. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Agreement or in any other DIP Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). The words "asset" and "property" shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties. Any reference herein or in any other DIP Loan Document to the satisfaction, repayment, or payment in full of the DIP Facility Obligations shall mean (a) the payment or repayment in full in immediately available funds in Dollars of (i) the principal amount of, and interest accrued and unpaid with respect to, all outstanding DIP Loans, (ii) all Lender Group Expenses that have accrued and are unpaid regardless of whether demand has been made therefor, (iii) all fees or charges that have accrued hereunder or under any other DIP Loan Document and are unpaid, (b) the receipt by Agent of cash collateral in Dollars in order to secure any other contingent DIP Facility Obligations for which a claim or demand for payment has been made on or prior to such time or in respect of matters or circumstances known to Agent or a Lender at such time that are reasonably expected to result in any loss, cost, damage, or expense (including attorneys' fees and legal expenses), such cash collateral to be in such amount as Agent reasonably determines is appropriate to secure such contingent DIP Facility Obligations, (c) the payment or repayment in full in immediately available funds in Dollars of all other outstanding DIP Facility Obligations other than in each case of clauses (a) to (c) hereof, Unasserted Contingent Indemnification Obligations, and (d) the termination of all of the DIP Loan Commitments of the Lenders. Any reference herein to any Person shall be construed to include such Person's permitted successors and assigns. Any requirement of a writing contained herein or in any other DIP Loan Document shall be satisfied by the transmission of a Record.

1.5 **Time References**. Unless the context of this Agreement or any other DIP Loan Document clearly requires otherwise, all references to time of day refer to Eastern Standard Time or Eastern daylight saving time, as in effect in New York City, New York on such day. For purposes of the computation of a period of time from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each means "to and including"; provided that, with respect to a computation of fees or interest payable to Agent or any Lender, such period shall in any event consist of at least one full day.

1.6 **Schedules and Exhibits**. All of the schedules and exhibits attached to this Agreement shall be deemed incorporated herein by reference.

1.7 **Divisions**. For all purposes under the DIP Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred

from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

2. DIP LOANS AND TERMS OF PAYMENT.

2.1 **DIP Loans**.

(a) On the Effective Date, each Lender, subject to, and in accordance with, this Agreement, agrees to severally, and not jointly or jointly and severally, make an Interim DIP Loan to and for the account of the Borrower as provided herein, in the amount of such Lender's Interim DIP Loan Commitment (subject to any limitations contained within the Interim DIP Order or the Final DIP Order, as applicable). The Interim DIP Loans shall be made in one draw on the Effective Date, and the Interim DIP Loan Commitments shall be immediately terminated after the funding of the Interim DIP Loans. Once repaid, no part of the Interim DIP Loans may be reborrowed.

(b) On the Final Order Effective Date, each Lender, subject to, and in accordance with, this Agreement, agrees to severally, and not jointly or jointly and severally, make a Final DIP Loan to and for the account of the Borrower as provided herein, in the amount of such Lender's Final DIP Loan Commitment (subject to any limitations contained within the Interim DIP Order or the Final DIP Order, as applicable). The Final DIP Loans shall be made in one draw on the Final Order Effective Date, and the Final DIP Loan Commitments shall be immediately terminated after the funding of the Final DIP Loans. Once repaid, no part of the Final DIP Loans may be reborrowed.

(c) On the date that is the first Business Day of the last week of the Life of the Case (such earlier date, the "Budget Advance Date"), each Lender, subject to, and in accordance with, this Agreement, agrees to severally, and not jointly or jointly and severally, make a Budget Advance Date DIP Loan to and for the account of the Borrower as provided herein, in the amount of such Lender's Budget Advance Date Commitment (subject to any limitations contained within the DIP Orders). The Budget Advance Date DIP Loans shall be made in one draw on the Budget Advance Date, and the Budget Advance Date Commitments shall be immediately terminated after the funding of the Budget Advance Date Loans. Once repaid, no part of the Budget Advance Date DIP Loans may be reborrowed.

2.2 **[Intentionally Omitted].**

2.3 **Borrowing Procedures.**

(a) **Procedure for Borrowing DIP Loans**. Borrower shall deliver to Agent a notice of borrowing, in substantially the form set forth on Exhibit 2.3(a), not later than 12:00 p.m. one Business Day (or such shorter period as Agent may agree in its reasonable discretion) before (i) the anticipated Effective Date, requesting that the Lenders make the Interim DIP Loans on the Effective Date, (ii) the anticipated Final Order Effective Date, requesting that the Lenders make the Final DIP Loans on the Final Order Effective Date, and (iii) the anticipated Budget Advance Date, requesting that the Lenders make the Budget Advance Date DIP Loans on the Budget Advance Date. The notice of borrowing shall be irrevocable and shall specify (i) the

principal amount of the DIP Loans to be borrowed, (ii) the requested date of the borrowing (which shall be a Business Day), and (iii) the location and number of the accounts to which funds are to be disbursed. Requests for LIBOR Rate Loans will also be subject to Section 2.12.

(b) **Making of DIP Loans**. Upon receipt of such notice of borrowing, the Agent shall promptly notify each Lender thereof. Not later than 12:00 p.m. (or, if later, promptly following the satisfaction of the conditions precedent to the initial extension of credit hereunder set forth in Section 3), on (i) the Effective Date, each Lender shall make available to Borrower an amount (through the Agent) in immediately available funds equal to such Lender's Pro Rata Share of the requested Interim DIP Loans, (ii) the Final Order Effective Date, each Lender shall make available to Borrower an amount (through the Agent) in immediately available funds equal to such Lender's Pro Rata Share of the requested Final DIP Loans, and (iii) the Budget Advance Date, each Lender shall make available to Borrower an amount (through the Agent) in immediately available funds equal to such Lender's Pro Rata Share of the requested Budget Advance Date DIP Loans.

(c) **Independent Obligations**. All DIP Loans shall be made by the Lenders contemporaneously and in accordance with their Pro Rata Shares. It is understood that (i) no Lender shall be responsible for any failure by any other Lender to perform its obligation to make any DIP Loan hereunder, nor shall any DIP Loan Commitment of any Lender be increased or decreased as a result of any failure by any other Lender to perform its obligations hereunder, and (ii) no failure by any Lender to perform its obligations hereunder shall excuse any other Lender from its obligations hereunder.

(d) **Defaulting Lenders**. Notwithstanding anything to the contrary contained in this Agreement (including Section 2.4(b)(ii)), if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by applicable law, any payment of principal, interest, fees or other amounts received by Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 8 or otherwise) or received by Agent from a Defaulting Lender pursuant to any right of setoff shall be applied at such time or times as may be determined by Agent as follows: first, to the payment of any amounts owing by such Defaulting Lender to Agent hereunder; second, if Borrower requests (so long as no Default or Event of Default exists), to the funding of any DIP Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by Agent; third, if so determined by Agent and Borrower, to be held in a deposit account and released pro rata in order to satisfy such Defaulting Lender's potential future funding obligations with respect to DIP Loans under this Agreement; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by Agent or any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; fifth, so long as no Default or Event of Default exists, to the payment of any amounts owing to Borrower as a result of any judgment of a court of competent jurisdiction obtained by Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and sixth, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any DIP Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such DIP Loans were made at a time when the conditions set forth in Section 3.1

were satisfied or waived in accordance with this Agreement, such payment shall be applied solely to pay the DIP Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any DIP Loans of such Defaulting Lender until such time as all DIP Loans are funded by the Lenders pro rata in accordance with the DIP Loan Commitments under the applicable tranche of DIP Loans. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.3(d) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

2.4 **Payments; Prepayments**.

(a) **Payments by Borrower**.

(i) Except as otherwise expressly provided herein, all payments by Borrower shall be made to Agent's Account for the account of the Lender Group and shall be made in immediately available funds in Dollars, no later than 2:00 p.m. on the date specified herein. Any payment received by Agent later than 2:00 p.m. shall be deemed to have been received (unless Agent, in its sole discretion, elects to credit it on the date received) on the following Business Day and any applicable interest or fee shall continue to accrue until such following Business Day.

(ii) Unless Agent receives notice from Borrower prior to the date on which any payment is due to the Lenders that Borrower will not make such payment in full as and when required, Agent may assume that Borrower has made (or will make) such payment in full to Agent on such date in immediately available funds and Agent may (but shall not be so required), in reliance upon such assumption, distribute to each Lender on such due date an amount equal to the amount then due to such Lender. If and to the extent Borrower does not make such payment in full to Agent on the date when due, each Lender severally shall repay to Agent on demand such amount distributed to such Lender, together with interest thereon at applicable interest rate for the amount being repaid for each day from the date such amount is distributed to such Lender until the date repaid.

(b) **Apportionment and Application**.

(i) So long as no Application Event has occurred and is continuing, and except as otherwise provided herein with respect to Defaulting Lenders, all principal and interest payments received by Agent shall be apportioned ratably among the Lenders (according to the unpaid principal balance of the DIP Facility Obligations to which such payments relate held by each Lender) and all payments of fees and expenses received by Agent (other than fees or expenses that are for Agent's separate account) shall be apportioned ratably among the Lenders having a Pro Rata Share of the outstanding DIP Loans to which a particular fee or expense relates. Subject to Section 2.4(b)(iv) and Section 2.4(e), all payments in respect of DIP Facility Obligations to be made hereunder by Borrower shall be remitted to Agent and all such payments, and all proceeds of DIP Collateral securing DIP Facility Obligations received by Agent, shall be applied, so long as no Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, to reduce the balance of the DIP Loans outstanding and, thereafter, to Borrower (to be wired to any account or accounts

located in the United States specified by Borrower) or such other Person entitled thereto under applicable law.

(ii) At any time that an Application Event has occurred and is continuing and except as otherwise provided herein with respect to Defaulting Lenders, all payments in respect of DIP Facility Obligations and all proceeds of DIP Collateral securing the DIP Facility Obligations received by Agent shall be applied as follows:

(A) first, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to Agent under the DIP Loan Documents in respect of the DIP Facility Obligations, until paid in full,

(B) second, to pay any fees then due to Agent under the DIP Loan Documents in respect of the DIP Facility Obligations, until paid in full,

(C) third, ratably, to pay any Lender Group Expenses (including cost or expense reimbursements) or indemnities then due to any of the Lenders under the DIP Loan Documents in respect of the DIP Facility Obligations, until paid in full,

(D) fourth, ratably, to pay any fees or premiums then due to any of the Lenders under the DIP Loan Documents in respect of the DIP Facility Obligations, until paid in full,

(E) fifth, ratably, to pay interest accrued in respect of the DIP Loans, until paid in full,

(F) sixth, ratably, to pay the principal of all DIP Loans, until paid in full,

(G) seventh, ratably to pay any other DIP Facility Obligations, and

(H) eighth, to Borrower (to be wired to any account or accounts in the United States specified by Borrower) or such other Person entitled thereto under applicable law.

(iii) Agent promptly shall distribute to each Lender, pursuant to the applicable wire instructions received from each Lender in writing, such funds as it may be entitled to receive.

(iv) In each instance, so long as no Application Event has occurred and is continuing, Section 2.4(b)(i) shall not apply to any payment made by Borrower to Agent and specified by Borrower to be for the payment of specific DIP Facility Obligations then due and payable (or prepayable) under any provision of this Agreement or any other DIP Loan Document.

(v) For purposes of Section 2.4(b)(ii), "paid in full" of a type of DIP Facility Obligation means payment in Dollars in cash or immediately available funds of all amounts owing on account of such type of DIP Facility Obligation.

(vi) In the event of a direct conflict between the priority provisions of this Section 2.4 and any other provision contained in this Agreement or any other DIP Loan Document (excluding the Intercreditor Agreement, which shall control and govern in any event), it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, if the conflict relates to the provisions of this Section 2.4, then the terms and provisions of this Section 2.4 shall control and govern.

(c) **Optional Prepayments**. Borrower may prepay the principal of the DIP Loans at any time in whole or in part upon written notice, subject to the payment of any fees, premiums or other amounts owed under the Fee Letter and subject to any Funding Losses pursuant to Section 2.12(b)(ii), to Agent prior to 1:00 P.M., New York City time three Business Days prior to the date of prepayment (in the case of LIBOR Rate Loans), or prior to 1:00 P.M., New York City time at least one Business Day prior to the date of prepayment (in the case of Base Rate Loans). Such notice shall specify, in the case of any prepayment of DIP Loans, the date and amount of prepayment and whether the prepayment is of LIBOR Rate Loans or Base Rate Loans or a combination thereof, and, in each case if a combination thereof, the principal amount allocable to each. Any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any event specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by Borrower (by written notice to Agent on or prior to the specified effective date) if such condition is not satisfied. Upon the receipt of any such notice Agent shall promptly notify each affected Lender thereof. If any such notice is given and not revoked, the amount specified in such notice shall be due and payable on the date specified therein, together with (if a LIBOR Rate Loan is prepaid other than at the end of the Interest Period applicable thereto) any accrued and unpaid interest on the DIP Loans being repaid and amounts payable pursuant to Section 2.12(b)(ii). Any prepayment of LIBOR Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof; and any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, in each case, if less, the entire principal amount thereof then outstanding. Agent shall apply any such optional prepayment to the outstanding amount of DIP Loans.

(d) **Mandatory Prepayments**.

(i) **Repayment of DIP Loans**.

(A) Borrower hereby unconditionally promises to pay to Agent for the ratable account of each Lender the then unpaid principal amount of, and unpaid accrued interest on, each DIP Loan of such Lender made to Borrower, on the Maturity Date (or such earlier date on which the DIP Loans become due and payable pursuant to Section 9.1) in cash without further application to or order of the Bankruptcy

Court. Borrower hereby further agrees to pay interest in cash on the unpaid principal amount of such DIP Loans from time to time outstanding from the date hereof until payment in full thereof at the rates per annum, and on the dates, set forth herein.

(B) Notwithstanding the foregoing Section 2.4(d)(i)(A), in lieu of any applicable portion of the cash payments otherwise owed to the Lenders with respect to the DIP Loans, the Lenders may receive non-cash consideration in the form of senior secured debt and equity in the reorganized Loan Parties on the Plan Effective Date of a confirmed Plan if a Plan as contemplated by the RSA is confirmed.

(ii) **Dispositions; Indebtedness; Extraordinary Receipts**. Subject to any provisions of the Intercreditor Agreement to the contrary, (x) Borrower shall, in accordance with Section 2.4(e), prepay the DIP Loans to the extent required by Section 2.4(b)(iii), (y) if on or after the Effective Date, Borrower or any of its Subsidiaries shall Incur Indebtedness for borrowed money (excluding Indebtedness permitted pursuant to Section 6.1), Borrower shall, in accordance with Section 2.4(e), prepay the DIP Loans in an amount equal to 100% of the Net Cash Proceeds thereof with such prepayment to be made on or before the fifth Business Day following notice given to each Lender of the Prepayment Date, as contemplated by Section 2.4(f), and (z) promptly upon receipt by any Loan Party of cash proceeds from any Extraordinary Receipt, Borrower shall prepay the DIP Loans in an aggregate amount equal to 100% of the Net Cash Proceeds of such Extraordinary Receipt in accordance with Section 2.4(e). Any prepayment pursuant to this Section 2.4(d)(ii) shall be accompanied by any accrued and unpaid interest on the DIP Loans being repaid and amounts payable pursuant to Section 2.12.

(iii) **Asset Dispositions**. Subject to any provisions of the Intercreditor Agreement to the contrary, in the event that on or after the Effective Date the Borrower or any Loan Party shall make an asset disposition of DIP Collateral that is not permitted by Section 6.4, or a Recovery Event in respect of DIP Collateral shall occur, an amount equal to 100% of the Net Cash Proceeds from such asset disposition or Recovery Event shall be applied by the Borrower (or any Loan Party, as the case may be) as follows: (x) to the extent such asset disposition or Recovery Event is an asset disposition or Recovery Event of assets that constitute DIP Collateral (other than ABL Priority Collateral), to prepay the DIP Loans in accordance with Section 2.4(d)(ii)(x) and (y) to the extent such asset disposition is an asset disposition of ABL Priority Collateral or assets that do not constitute DIP Collateral, subject to the terms of the DIP Orders and the Intercreditor Agreement, to prepay the DIP Loans in accordance with Section 2.4(d)(ii)(x); provided, however, that, so long as no Default or Event of Default has occurred and is continuing, Net Cash Proceeds from insurance or condemnation proceeds shall not be required to be applied to prepay the DIP Loans to the extent Borrower delivers to Agent a certificate stating that the Loan Parties intend to use such Net Cash Proceeds to acquire capital assets useful to the business of the Loan Parties within thirty (30) days of the receipt of such Net Cash Proceeds, it being expressly agreed that any Net Cash Proceeds not so reinvested shall be applied to prepay the DIP Loans immediately thereafter. Notwithstanding the foregoing, with respect to any Foreign Asset Sale, Borrower may elect in a written notice to Agent delivered not later than

when Borrower delivers the notice to Agent pursuant to Section 2.4(f) to reduce the amount of such prepayment by the amount of any Restricted Asset Sale Proceeds included in such Net Cash Proceeds; provided, that (i) if the amount of Restricted Asset Sale Proceeds is at any time, and from time to time, reduced either as a result of (x) the circumstances described in clause (a) of the definition thereof ceasing to apply, or (y) the elimination of a prohibition or a change in a restriction described in clause (b) of the definition thereof, Borrower shall repatriate the amount by which the Restricted Asset Sale Proceeds are reduced within five Business Days and apply such amount in accordance with this Section 2.4(d)(iii), and (ii) Borrower shall, and shall cause the applicable Foreign Subsidiary to, use its commercially reasonable efforts (including by taking all commercially reasonable actions required by the applicable law, rule, regulation or contract to permit such repatriation) to repatriate any amounts constituting Restricted Asset Sale Proceeds pursuant solely to clause (b) of the definition thereof as promptly as practicable following the date of such prepayment.

(e) **Mandatory Prepayment Application**. Each prepayment of DIP Loans pursuant to Section 2.4(d) shall be allocated pro rata among the DIP Loans. Amounts prepaid on account of DIP Loans pursuant to Sections 2.4(c) or (d) may not be reborrowed.

(f) **Mandatory Prepayment Notice**. Borrower shall give notice to Agent of any mandatory prepayment of the DIP Loans promptly (and in any event within five Business Days) upon becoming obligated to make such prepayment. Such notice shall state the date on which Borrower is offering to make or will make such mandatory prepayment (the "Prepayment Date"). Once given, such notice shall be irrevocable and all amounts subject to such notice shall be due and payable on the Prepayment Date. Upon receipt by Agent of such notice, Agent shall promptly give notice to each Lender of the prepayment and the Prepayment Date.

2.5 **Promise to Pay; Promissory Notes.**

(a) Subject to the DIP Order, Borrower agrees to pay the Lender Group Expenses owing by Borrower on the earlier of (i) the first Business Day of the month following the date on which the applicable Lender Group Expenses were first incurred or (ii) the date on which demand therefor is made by Agent. Borrower promises to pay all of the DIP Facility Obligations (including principal, interest, premiums, if any, fees, costs, and expenses (including Lender Group Expenses)) owing by Borrower in full on the Maturity Date or, if earlier, on the date on which such DIP Facility Obligations become due and payable pursuant to the terms of this Agreement. Borrower agrees that its obligations contained in the first sentence of this Section 2.5 shall survive payment or satisfaction in full of all other DIP Facility Obligations.

(b) Any Lender may request that any portion of its DIP Loans made by it be evidenced by one or more promissory notes. In such event, Borrower shall execute and deliver to such Lender the requested promissory notes payable to such Lender and its registered assigns in a form furnished by Agent and reasonably satisfactory to Borrower. Thereafter, the portion of the DIP Loans evidenced by such promissory notes and interest thereon shall at all times be represented by one or more promissory notes in such form payable to the payee named therein.

2.6 **Interest Rates: Rates, Payments, and Calculations.**

(a) **Interest Rates**. Except as provided in Section 2.6(c), (i) all LIBOR Rate Loans shall bear interest at a per annum rate equal to the LIBOR Rate plus 7.00% and (ii) all Base Rate Loans shall bear interest at a per annum rate equal to the Base Rate plus 6.00%.

(b) **[Intentionally Omitted]**.

(c) **Default Rate**. Automatically upon the occurrence of an Event of Default described in Section 8.1, (x) all the DIP Loans shall bear interest at a default rate of interest equal to an additional 2.00% per annum over the rate otherwise applicable and (y) all other DIP Facility Obligations under the DIP Loan Documents that are past due shall bear interest at a default rate of interest equal to (I) in the case of past due interest, the default rate applicable to the DIP Loans giving rise to such interest and (II) in the case of all such other DIP Facility Obligations, the default rate applicable to Base Rate Loans whether or not such Base Rate Loans are actually outstanding at such time, and, in each case, all such interest will be payable on demand.

(d) **Payment**. Except to the extent provided to the contrary in Section 2.12(a), (i) all interest (other than interest due on LIBOR Rate Loans) shall be due and payable, in arrears, on the last Business Day of each calendar quarter, and (ii) all costs and expenses payable hereunder or under any of the other DIP Loan Documents and all Lender Group Expenses shall be due and payable on the earlier of (x) the first Business Day of the month following the date on which the applicable costs, expenses, or Lender Group Expenses were first incurred or (y) the date on which demand therefor is made by Agent. All interest in respect of LIBOR Rate Loans shall be due and payable as provided in Section 2.12(a)

(e) **Computation**. All interest and fees chargeable under the DIP Loan Documents shall be computed on the basis of a 360 day year, in each case, for the actual number of days elapsed in the period during which the interest or fees accrue; provided that Base Rate Loans shall be calculated on the basis of a 365 day year (or a 366 day year, in the case of a leap year). In the event the Base Rate is changed from time to time hereafter, the rates of interest hereunder based upon the Base Rate automatically and immediately shall be increased or decreased by an amount equal to such change in the Base Rate.

(f) **Intent to Limit Charges to Maximum Lawful Rate**. In no event shall the interest rate or rates payable under this Agreement, plus any other amounts paid in connection herewith, exceed the highest rate permissible under any law that a court of competent jurisdiction shall, in a final determination, deem applicable. Borrower and the Lender Group, in executing and delivering this Agreement, intend legally to agree upon the rate or rates of interest and manner of payment stated within it; provided, that, anything contained herein to the contrary notwithstanding, if such rate or rates of interest or manner of payment exceeds the maximum allowable under applicable law, then, ipso facto, as of the date of this Agreement, Borrower is and shall be liable only for the payment of such maximum amount as is allowed by law, and payment received from Borrower in excess of such legal maximum, whenever received, shall be applied to reduce the principal balance of the applicable DIP Facility Obligations to the extent of such excess.

2.7 **Crediting Payments**. The receipt of any payment item by Agent shall not be required to be considered a payment on account unless such payment item is a wire transfer of immediately available federal funds in Dollars made to Agent's Account or unless and until such payment item is honored when presented for payment. Should any payment item not be honored when presented for payment, then Borrower shall be deemed not to have made such payment and interest shall be calculated accordingly. Anything to the contrary contained herein notwithstanding, any payment item shall be deemed received by Agent only if it is received into Agent's Account on a Business Day on or before 4:30 p.m. If any payment item is received into Agent's Account on a non-Business Day or after 4:30 p.m. on a Business Day (unless Agent, in its sole discretion, elects to credit it on the date received), it shall be deemed to have been received by Agent as of the opening of business on the immediately following Business Day.

2.8 **[Intentionally Omitted]**.

2.9 **[Intentionally Omitted]**.

2.10 **Fees**.

(a) Borrower shall pay to Agent and each Lender, as and when due and payable under the terms of the Fee Letter, the fees set forth in the Fee Letter.

(b) Borrower agrees to pay to the Agent, for the ratable benefit of the Lenders having DIP Loan Commitment exposure, a fee calculated at a rate per annum equal to 0.50% on the average daily unused portion of the DIP Loan Commitments, payable in arrears on the last Business Day of each calendar quarter.

2.11 **[Intentionally Omitted]**.

2.12 **LIBOR Option**.

(a) **Interest and Interest Payment Dates.** In lieu of having interest charged at the rate based upon the Base Rate, Borrower shall have the option, subject to Section 2.12(b) below (the "LIBOR Option"), to have interest on all or a portion of the DIP Loans be charged (whether at the time when made (unless otherwise provided herein), upon conversion from a Base Rate Loan to a LIBOR Rate Loan, or upon continuation of a LIBOR Rate Loan as a LIBOR Rate Loan) at a rate of interest based upon the LIBOR Rate. Interest on LIBOR Rate Loans shall be payable on the earliest of (i) the last day of the Interest Period applicable thereto; provided that, subject to the following clauses (ii) and (iii), in the case of any Interest Period greater than 3 months in duration, interest shall be payable at 3 month intervals after the commencement of the applicable Interest Period and on the last day of such Interest Period, (ii) the date on which all or any portion of the DIP Facility Obligations are accelerated pursuant to the terms hereof, or (iii) the date on which this Agreement is terminated pursuant to the terms hereof. On the last day of each applicable Interest Period, unless Borrower has properly exercised the LIBOR Rate Option with respect thereto, the interest rate applicable to such LIBOR Rate Loan automatically shall convert to the rate of interest then applicable to Base Rate Loans of the same type hereunder. At any time that an Event of Default has occurred and is continuing, at the written election of Agent or the Required Lenders, Borrower no longer shall have the option to request that DIP Loans bear interest at a rate based upon the LIBOR Rate.

(b) **LIBOR Election**.

(i) Borrower may, at any time and from time to time, so long as Borrower has not received a notice from Agent (which notice Agent may elect to give or not give in its discretion unless Agent is directed to give such notice by the Required Lenders, in which case, it shall give the notice to Borrower), after the occurrence and during the continuance of an Event of Default, exercising Lenders' rights to terminate the right of Borrower to exercise the LIBOR Option during the continuance of such Event of Default, elect to exercise the LIBOR Option by notifying Agent prior to 1:00 p.m. at least 3 Business Days prior to the commencement of the proposed Interest Period (the "LIBOR Deadline"). The election of the LIBOR Option by Borrower for a permitted portion of its DIP Loans and an Interest Period pursuant to this Section shall be made by delivery to Agent of a LIBOR Notice received by Agent before the LIBOR Deadline, or by telephonic notice received by Agent before the LIBOR Deadline (to be confirmed by delivery to Agent of a LIBOR Notice received by Agent prior to 5:00 p.m. on the same day). Promptly upon its receipt of each such LIBOR Notice, Agent shall provide a copy thereof to each of the affected Lenders.

(ii) Each LIBOR Notice shall be irrevocable and binding on Borrower. In connection with each LIBOR Rate Loan, Borrower shall indemnify, defend, and hold Agent and the Lenders harmless against any loss, cost, or expense actually incurred by Agent or any Lender as a result of (A) the payment of any principal of such LIBOR Rate Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (B) the conversion of such LIBOR Rate Loan other than on the last day of the Interest Period applicable thereto, or (C) the failure to borrow, convert, continue or prepay any LIBOR Rate Loan on the date specified in such LIBOR Notice delivered pursuant hereto (such losses, costs, or expenses, "Funding Losses"). A certificate of Agent or a Lender delivered to Borrower setting forth in reasonable detail any amount or amounts that Agent or such Lender is entitled to receive pursuant to this Section 2.12 shall be conclusive absent manifest error. Borrower shall pay such amount to Agent or the Lender, as applicable, within 30 days of the date of its receipt of such certificate.

(iii) Unless Agent, in its sole discretion, agrees otherwise, Borrower shall have not more than 10 LIBOR Rate Loans in effect at any given time. Borrower may only exercise the LIBOR Option for proposed LIBOR Rate Loans of at least $1,000,000 (and in increments of $500,000 in excess thereof).

(c) **Conversion**. Borrower may convert LIBOR Rate Loans to Base Rate Loans at any time by notifying Agent prior to 1:00 p.m. at least 3 Business Days prior to the date of the proposed conversion; provided that, in the event that LIBOR Rate Loans are converted or prepaid on any date that is not the last day of the Interest Period applicable thereto, including as a result of any prepayment through the required application by Agent of any payments or proceeds of Collateral in accordance with Section 2.4(b) or for any other reason, including early termination of the term of this Agreement or acceleration of all or any portion of the DIP Facility Obligations pursuant to the terms hereof, Borrower shall indemnify, defend, and hold Agent and the Lenders and their Participants harmless against any and all Funding Losses in accordance with Section 2.12 (b)(ii); provided, further, that any such conversions are subject to the minimum amounts set forth in clause (b)(iii) above.

(d) **Special Provisions Applicable to LIBOR Rate**.

(i) The LIBOR Rate may be adjusted by Agent with respect to any Lender on a prospective basis to take into account any additional or increased costs to such Lender of maintaining or obtaining any Eurodollar deposits or increased costs, in each case, due to a Change in Law (including any Change in Law that subjects any Recipient to any Taxes (other than (A) Indemnified Taxes and (B) Excluded Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto) occurring subsequent to the commencement of the then applicable Interest Period, including any changes in the reserve requirements imposed by the Board of Governors, which additional or increased costs would increase the cost of funding or maintaining loans bearing interest at the LIBOR Rate. In any such event, the affected Lender shall give Borrower and Agent notice of such a determination and adjustment and Agent promptly shall transmit the notice to each other Lender and, upon its receipt of the notice from the affected Lender, Borrower may, by notice to such affected Lender (A) require such Lender to furnish to Borrower a statement setting forth in reasonable detail the basis for adjusting such LIBOR Rate and the method for determining the amount of such adjustment, or (B) repay the LIBOR Rate Loans of such Lender with respect to which such adjustment is made (together with any amounts due under Section 2.12(b)(ii)).

(ii) In the event that any change in market conditions or any Change in Law shall, at any time after the date hereof in the reasonable opinion of any Lender, make it unlawful or impractical for such Lender to fund or maintain LIBOR Rate Loans or to continue such funding or maintaining, or to determine or charge interest rates at the LIBOR Rate, such Lender shall give notice of such changed circumstances to Agent and Borrower and Agent promptly shall transmit the notice to each other Lender and (y) in the case of any LIBOR Rate Loans of such Lender that are outstanding, the date specified in such Lender's notice shall be deemed to be the last day of the Interest Period of such LIBOR Rate Loans, and interest upon the LIBOR Rate Loans of such Lender thereafter shall accrue interest at the rate then applicable to Base Rate Loans, and (z) Borrower shall not be entitled to elect the LIBOR Option until such Lender determines that it would no longer be unlawful or impractical to do so.

(e) **No Requirement of Matched Funding**. Anything to the contrary contained herein notwithstanding, neither Agent, nor any Lender, nor any of their respective Participants, is required actually to acquire Eurodollar deposits to fund or otherwise match fund any DIP Facility Obligation as to which interest accrues at the LIBOR Rate.

2.13 **Capital Requirements**.

(a) If, after the date hereof, any Lender determines that (i) any Change in Law regarding capital or reserve requirements for banks or bank holding companies, or (ii) compliance by such Lender, or their respective parent bank holding companies, with any guideline, request or directive of any Governmental Authority regarding capital adequacy or liquidity (whether or not having the force of law), has the effect of reducing the return on such Lender's, or such holding companies' capital as a consequence of such Lender's commitments hereunder to a level below that which such Lender, or such holding companies could have achieved but for such Change in Law or compliance (taking into consideration such Lender's, or

such holding companies' then existing policies with respect to capital adequacy or liquidity and assuming the full utilization of such entity's capital) by any amount deemed by such Lender to be material, then such Lender may notify Borrower and Agent thereof. Following receipt of such notice, Borrower agrees to pay such Lender on demand the amount of such reduction of return of capital as and when such reduction is determined, payable within 30 days after presentation by such Lender of a statement in the amount and setting forth in reasonable detail such Lender's calculation thereof and the assumptions upon which such calculation was based (which statement shall be deemed true and correct absent manifest error). In determining such amount, such Lender may use any reasonable averaging and attribution methods. Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation; provided that Borrower shall not be required to compensate a Lender pursuant to this Section for any reductions in return incurred more than 180 days prior to the date that such Lender notifies Borrower of such Change in Law giving rise to such reductions and of such Lender's intention to claim compensation therefor; provided further that if such claim arises by reason of the Change in Law that is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(b) If any Lender requests additional or increased costs referred to in Section 2.12(d)(i) or amounts under Section 2.13(a) or sends a notice under Section 2.12(d)(ii) relative to changed circumstances (such Lender, an "Affected Lender"), then such Affected Lender shall use reasonable efforts to promptly designate a different one of its lending offices or to assign its rights and obligations hereunder to another of its offices or branches, if (i) in the reasonable judgment of such Affected Lender, such designation or assignment would eliminate or reduce amounts payable pursuant to Section 2.12(d)(i) or Section 2.13(a), as applicable, or would eliminate the illegality or impracticality of funding or maintaining LIBOR Rate Loans and (ii) in the reasonable judgment of such Affected Lender, such designation or assignment would not subject it to any material unreimbursed cost or expense and would not otherwise be materially disadvantageous to it. Borrower agrees to pay all reasonable and documented out-of-pocket costs and expenses incurred by such Affected Lender in connection with any such designation or assignment. If, after such reasonable efforts, such Affected Lender does not so designate a different one of its lending offices or assign its rights to another of its offices or branches so as to eliminate Borrower's obligation to pay any future amounts to such Affected Lender pursuant to Section 2.12(d)(i) or Section 2.13(a), as applicable, or to enable Borrower to obtain LIBOR Rate Loans, then Borrower (without prejudice to any amounts then due to such Affected Lender under Section 2.12(d)(i) or Section 2.13(a), as applicable), may, unless prior to the effective date of any such assignment the Affected Lender withdraws its request for such additional amounts under Section 2.12(d)(i) or Section 2.13(a), as applicable, or indicates that it is no longer unlawful or impractical to fund or maintain LIBOR Rate Loans, may designate a substitute Lender reasonably acceptable to Agent to purchase the DIP Facility Obligations owed to such Affected Lender (and its Affiliates) and such Affected Lender's (and its Affiliates') commitments hereunder (a "Replacement Lender"), and if such Replacement Lender agrees to such purchase, such Affected Lender (and its Affiliates) shall assign to the Replacement Lender its DIP Facility Obligations and commitments, and upon such purchase by the Replacement Lender, which such Replacement Lender shall be deemed to be a "Lender" for purposes of this Agreement and such Affected Lender (and its Affiliates) shall cease to be a "Lender" for purposes of this Agreement.

(c) Notwithstanding anything herein to the contrary, the protection of Section 2.13 shall be available to each Lender regardless of any possible contention of the invalidity or inapplicability of the Change in Law which shall have occurred or been imposed, so long as it shall be customary for lenders affected thereby to comply therewith. Notwithstanding any other provision no Lender shall demand compensation pursuant to this Section 2.13 if it shall not at the time be the general policy or practice of such Lender to demand such compensation in similar circumstances under comparable provisions of other credit agreements, if any.

2.14 **Superpriority Nature of DIP Facility Obligations and Agent' DIP Liens.**

(a) The priority of Lenders' DIP Liens on the DIP Collateral owned by the Loan Parties shall be set forth in the Interim DIP Order and the Final DIP Order.

(b) Subject to the Carve-Out, all DIP Facility Obligations shall constitute administrative expenses of Borrower and Guarantors in the Chapter 11 Cases pursuant to Section 364(c) of the Bankruptcy Code with priority over all other claims and administrative expenses of the kinds specified in, or ordered pursuant to, Sections 105, 326, 328, 330, 331, 503(b), 506(c), 507(a), 507(b), 546(c), 726, 1114 or any other provision of the Bankruptcy Code, and shall at all times during the period that the DIP Loans remain outstanding, remain senior in priority to all other claims or administrative expenses (other than the Carve-Out and the ABL DIP Obligations, in each case to the extent as set forth in the DIP Orders) (the "DIP Superpriority Claim").

(c) The DIP Liens granted to Agent for the benefit of the Lenders on the DIP Collateral owned by Borrower and Guarantors shall be valid and perfected on the basis and with the priority set forth in the definition of "DIP Lien" herein and in the DIP Orders.

(d) The "Carve Out" has the meaning assigned to that term in the Interim DIP Order and the Final DIP Order, as applicable.

(e) Except as set forth herein or in the DIP Orders, no other claim having a priority superior or pari passu to that granted to the Agent and the Lenders by the DIP Orders shall be granted or approved while any DIP Facility Obligations under this Agreement remain outstanding. Except for the Carve-Out and subject to entry of the Final DIP Order, no costs or expenses of administration shall be imposed against the Agent, the Lenders or any of the DIP Collateral or any of the Pre-Petition Term Agent, the Pre-Petition Term Lenders or the Collateral (as defined in each of the Pre-Petition Term Facility Agreements) under Sections 105, 506(c) or 552 of the Bankruptcy Code, or otherwise, and each of the Loan Parties hereby waives for itself and on behalf of its estate in bankruptcy, any and all rights under sections 105, 506(c) or 552, or otherwise, to assert or impose or seek to assert or impose, any such costs or expenses of administration against Agent, Lenders or any of the DIP Collateral or any of the Pre-Petition Term Agent or the Pre-Petition Term Lenders.

2.15 **No Discharge; Survival of Claims.** Until payment in full of the DIP Loans and all other DIP Facility Obligations, each of the Borrower and the Guarantors agrees that (a) the DIP Facility Obligations hereunder shall not be discharged by the entry of an order confirming a plan of reorganization or liquidation in any Chapter 11 Case (and each of the Borrower and the Guarantors, pursuant to Section 1141(d)(4) of the Bankruptcy Code, hereby waives any such

discharge) and (b) the DIP Superpriority Claim and the DIP Liens granted to the Agent pursuant to the DIP Orders and described in this Section 2.15 shall not be affected in any manner by the entry of an order confirming a plan of reorganization or liquidation in any Chapter 11 Case.

2.16 **Waiver of any Priming Rights**. On and after the Effective Date, and on behalf of themselves and their estates, and for so long as any DIP Facility Obligations shall be outstanding, the Borrower and the Guarantors hereby irrevocably waive any right, pursuant to Sections 364(c) or 364(d) of the Bankruptcy Code or otherwise, to grant any Lien of equal or greater priority than the DIP Liens securing the DIP Facility Obligations, or to approve a claim of equal or greater priority than the DIP Facility Obligations, in each case other than as contemplated by the ABL DIP Facility Documents.

3. CONDITIONS; TERM OF AGREEMENT.

3.1 **Conditions Precedent to the Effective Date**. As a condition to the effectiveness of this Agreement and the availability of the Interim DIP Loan Commitment, each of the following documents (each in form and substance reasonably satisfactory to the Agent and the Required Lenders unless otherwise indicated) shall have been delivered to the Agent, and the following conditions shall have been satisfied:

and each Agent have access (whether a commercial, third party website or whether sponsored by the Agent).

5.3 **Maintenance of Existence and Conduct of Business**.

(a) Except as otherwise permitted by Sections 6.3 and 6.4, Parent will, and will cause each of its Subsidiaries to, at all times preserve and keep in full force and effect each Loan Party's and each Loan Party's Subsidiaries' valid existence and good standing (or, if such jurisdiction does not provide for good standing status, the equivalent status provided for in such jurisdiction) and governmental and similar rights, permits, licenses, authorizations or other approvals and franchises, in each case, if the failure to do so could reasonably be expected to result in a Material Adverse Effect.

(b) Parent will, and will cause each of its Subsidiaries to, (i) take all reasonable actions to maintain all rights, privileges and franchises necessary or desirable in the normal conduct of the business of the Parent and its Subsidiaries, taken as a whole, including all licenses, patents, copyrights, design rights, tradenames, trade secrets and trademarks and take all actions necessary to enforce and protect the validity of any intellectual property right or other right included in the DIP Collateral to the extent that failure to comply therewith, in the aggregate, would not reasonably be expected to be adverse to the Lenders or any Loan Party in any material respect; (ii) maintain a cash management system substantially as in effect on the Petition Date, and (iii) in accordance with the Bankruptcy Code and subject to any required approval by any applicable order of the Bankruptcy Court, comply with all post-petition Contractual Obligations and Contractual Obligations entered into prior to the Petition Date and assumed except to the extent that failure to comply therewith, in the aggregate, would not reasonably be expected to be adverse to the Lenders or any Loan Party in any material respect.

5.4 **Maintenance of Properties**. Parent will, and will cause each of its Subsidiaries to, maintain and preserve all of their properties which are necessary in the proper conduct of their business in working order and condition in the ordinary course of business, ordinary wear, tear, and damage by casualty and condemnation and Permitted Dispositions excepted (and except where the failure to do so could not be expected to result in a Material Adverse Effect).

5.5 **Taxes**. Parent will, and will cause each of its Subsidiaries to, timely file all material tax returns and pay in full before delinquency or before the expiration of any extension period (including any extension by virtue of the Chapter 11 Cases) relating to the payment of all material governmental assessments and Taxes with respect to periods after the Petition Date whether real, personal or otherwise, due and payable by, or imposed, levied, or assessed against it, or any of its assets, including all amounts reflected on its material tax returns, except to the extent that the validity of such governmental assessment or Tax is the subject of a Permitted Protest.

5.6 **Insurance**. Parent will, and will cause each of its Subsidiaries to, at Borrower's expense, (a) maintain insurance respecting each of Parent's and its Subsidiaries' assets wherever located, covering liabilities, losses or damages, in each case, as are customarily insured against by other Persons engaged in the same or similar businesses and similarly situated and located. All such policies of insurance shall be with financially sound and reputable insurance companies

reasonably acceptable to Agent and in such amounts as is carried generally in accordance with sound business practice by companies in similar businesses similarly situated and located and, in any event, in amount, adequacy, and scope reasonably satisfactory to Agent (it being agreed that the amount, adequacy, and scope of the policies of insurance of Borrower in effect as of the Effective Date are acceptable to Agent). All property insurance policies covering the Collateral are to be made payable to Agent for the benefit of Agent and the Lenders, as their interests may appear, in case of loss, pursuant to a standard loss payable endorsement with a standard non-contributory "lender" or "secured party" clause and are to contain such other provisions as Agent may reasonably require to fully protect the Lenders' interest in the Collateral and to any payments to be made under such policies. All certificates of property and general liability insurance are to be delivered to Agent, with the loss payable (but only in respect of Collateral) and additional insured endorsements in favor of Agent and shall provide for not less than 30 days (10 days in the case of non-payment) prior written notice to Agent of the exercise of any right of cancellation. If Parent or its Subsidiaries fail to maintain such insurance, Agent may arrange for such insurance, but at Borrower's expense and without any responsibility on Agent's part for obtaining the insurance, the solvency of the insurance companies, the adequacy of the coverage, or the collection of claims. Borrower shall give Agent prompt notice of any loss exceeding $500,000 covered by its or its Subsidiaries' casualty or business interruption insurance. Upon the occurrence and during the continuance of an Event of Default, Agent shall have the right to file claims under any property and general liability insurance policies in respect of the Collateral, to receive, receipt and give acquittance for any payments that may be payable thereunder, and to execute any and all endorsements, receipts, releases, assignments, reassignments or other documents that may be necessary to effect the collection, compromise or settlement of any claims under any such insurance policies.

5.7 **Inspection**. Parent will, and will cause each of its Subsidiaries to, permit Agent, any Lender (so long as such Lender accompanies Agent), and each of their respective duly authorized representatives or agents to visit any of its properties and inspect any of its assets or books and records, to examine and make copies of its books and records, and to discuss its affairs, finances, and accounts with, and to be advised as to the same by, its officers and employees (provided an authorized representative of Borrower shall be allowed to be present) at such reasonable times and intervals as Agent, as applicable, may designate and, so long as no Default or Event of Default has occurred and is continuing, with reasonable prior notice to Borrower and during regular business hours; provided, that so long as no Event of Default shall have occurred and be continuing, Borrower shall not be obligated to reimburse Agent for more than one (1) inspection during any calendar year. Notwithstanding anything to the contrary in this Section 5.7, none of Parent or any of its Subsidiaries will be required to disclose any such information to the extent that (i) such disclosure would in the good faith determination of Borrower (based on the advice of counsel) violate attorney-client privilege or is otherwise prohibited by law or fiduciary duty, (ii) such information constitutes attorney work, or (iii) such information is subject to confidentiality obligations to a third party (not entered into in contemplation thereof and for which Borrower is using commercially reasonable efforts to lift such confidentiality restrictions) and Agent or the Lenders (as applicable) have not executed any necessary confidentiality agreements or non-reliance letters with respect thereto.

5.8 **Compliance with Laws**. Parent will, and will cause each of its Subsidiaries to, comply with the requirements of all applicable laws, rules, regulations, and orders of any

Governmental Authority, other than laws, rules, regulations, and orders the non-compliance with which, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

5.9 **Environmental**. Parent will, and will cause each of its Subsidiaries to,

(a) keep (i) any real property that any Loan Party owns free of any Environmental Liens, other than Permitted Liens, and (ii) any real property that any Loan Party leases or operates free of any Environmental Liens, other than Permitted Liens, except in the case of each of clauses (i) and (ii) above with respect to any such Environmental Lien that could not reasonably be expected to result in a Material Adverse Effect, or where the Loan Party has posted bonds or other financial assurances sufficient to satisfy the obligations or liability evidenced by any such Environmental Liens,

(b) comply, in all respects, with Environmental Laws, obtain and maintain in full force and effect all Environmental Permits and provide to Agent documentation of any compliance or non-compliance with Environmental Laws which Agent reasonably requests, except, in each case, for any such compliance or non-compliance or failure to comply, obtain or maintain that could not reasonably be expected to result in a Material Adverse Effect,

(c) promptly notify Agent of any release of a Hazardous Material in any reportable quantity from or onto real property owned, leased or operated by any Loan Party and take any Remedial Actions with respect to such releases required to come into compliance with applicable Environmental Law, except with respect to any such releases that would not reasonably be expected to result in a Material Adverse Effect, and

(d) promptly, but in any event within 15 Business Days of its receipt thereof, provide Agent with written notice of any of the following: (i) written notice that an Environmental Lien (other than a Permitted Lien) has been filed against any of the real or personal property of any Loan Party, (ii) written notice of commencement of any Environmental Action or written notice that an Environmental Action will be filed against any Loan Party which Environmental Action could reasonably be expected to result in a Material Adverse Effect, and (iii) written notice of a violation, citation, or other administrative order arising under Environmental Laws with respect to a Loan Party, its operations or any of the real property owned, leased or operated by a Loan Party or for which a Loan Party may be liable, which could reasonably be expected to result in a Material Adverse Effect, and, in each case, to the extent failure to do so could reasonably be expected to cause a Material Adverse Effect, promptly take all action required to address and resolve such Environmental Lien, Environmental Action, violation, citation or other administrative order.

5.10 **Disclosure Updates**. Borrower will, promptly and in no event later than 10 Business Days after obtaining knowledge thereof, notify Agent if any written information, exhibit, or report furnished to the Lender Group (other than the projections, budgets, estimates, forward-looking statements, information of a general economic nature, general information about Borrower's industry or general market data), at the time it was furnished (and when taken as a whole), contained any untrue statement of a material fact or omitted to state any material fact necessary to make the statements contained therein (when taken as a whole) not materially

misleading in light of the circumstances in which made. The foregoing to the contrary notwithstanding, any notification pursuant to the foregoing provision will not cure or remedy the effect of the prior untrue statement of a material fact or omission of any material fact nor shall any such notification have the effect of amending or modifying this Agreement or any of the Schedules hereto.

5.11 **[Reserved]**.

5.12 **Further Assurances**. Subject to the limitations and exceptions on creation and perfection set forth herein and in the DIP Orders and the other DIP Loan Documents, Parent will, and will cause each of the other Loan Parties to, at any time upon the reasonable request of Agent, execute or deliver to Agent any and all financing statements, fixture filings, security agreements, pledges, assignments, mortgages, deeds of trust, opinions of counsel, and all other documents (the "Additional Documents") that Agent may reasonably request in form and substance reasonably satisfactory to Agent, to create, perfect (unless perfection is not required by the DIP Loan Documents), and continue perfected (unless perfection is not required by the DIP Loan Documents) or to better perfect (unless perfection is not required by the DIP Loan Documents) Agent's DIP Liens in all of the assets of the Loan Parties, other than Excluded Collateral (whether now owned or hereafter arising or acquired, tangible or intangible, real or personal), to create and perfect DIP Liens (subject to Permitted Liens) in favor of Agent in any Real Property acquired in fee by any Loan Party that is also subject to perfected Liens securing the ABL DIP Facility (or, if the ABL DIP Facility has been paid in full, to the extent such Real Property has a fair market value greater than $1,000,000), and in order to fully consummate all of the transactions contemplated hereby and under the other Loan Documents; provided that (i) the foregoing shall not apply to any Excluded Subsidiary, (ii) no action in any jurisdiction outside of the United States and Canada or required by the laws of any jurisdiction outside of the United States and Canada shall be required in order to create any security interests in assets located or titled outside of the United States or Canada or to perfect any security interests therein (it being understood that there shall be no security agreements or pledge agreements governed under the laws of any jurisdiction outside of the United States and Canada), (iii) no action shall be required to perfect security interests in aircraft, railcars and other assets perfected under a federal filing system (other than intellectual property), and (iv) no action shall be required to perfect any DIP Collateral as to which Agent agrees that the costs of taking such actions are excessive in relation to the benefit to the Lenders of the security to be afforded thereby (the foregoing clauses (i) through (iv) collectively, the "Excluded Actions"). Notwithstanding anything herein or in any other DIP Loan Document to the contrary, the Loan Parties shall not be required to obtain or deliver any consents or approvals from any applicable Chinese Governmental Authority in connection with its 65% pledge of the Equity Interests of Hollander China or PCF (Shanghai) Quality Management Consulting Co., Ltd. To the maximum extent permitted by applicable law, if any Loan Party refuses or fails to execute or deliver any reasonably requested Additional Documents within a reasonable period of time following the request to do so and receipt of execution versions of such Additional Documents, each Loan Party hereby authorizes Agent to execute any such Additional Documents in the applicable Loan Party's name and authorizes Agent to file such executed Additional Documents in any appropriate filing office. In furtherance of, and not in limitation of, the foregoing, each Loan Party shall take such actions as Agent may reasonably request from time to time to ensure that the DIP Facility Obligations are guaranteed by the Guarantors and are secured by substantially

all of the assets of Parent and its Subsidiaries, including all of the outstanding capital Equity Interests of Borrowers and Borrowers' Subsidiaries (subject to exceptions and limitations contained herein and in the other DIP Loan Documents on creation and perfection, including, in so far as the DIP Facility Obligations are concerned, with respect to any Subsidiary described in clause (d) of the definition of Excluded Subsidiary). Notwithstanding anything herein to the contrary, (i) none of the Borrowers shall be required to make any filing or recording in connection with any intellectual property with any jurisdiction outside the United States or Canada, and (ii) the Agent and Lenders agree that they will not require the filing of any mortgages or entry into any control agreements (other than in respect of the TL Deposit Account pursuant to Section 5.19) with respect to the Collateral on the Effective Date, it being understood and agreed that the Required Lenders may, in their reasonable discretion, at any time after the Effective Date require the satisfaction of any requirements for the granting or perfection of liens required or desirable pursuant to any foreign applicable laws, provided, however, that (x) the Loan Parties shall be given a reasonable amount of time to satisfy such requirements and (y) no such request will be made to the extent the costs and burden of doing so reasonably outweigh the benefits to be gained as reasonably determined by the Required Lenders.

5.13 **Compliance with ERISA and the IRC**. In addition to and without limiting the generality of Section 5.8, Parent will and will cause each of its Subsidiaries to, (a) comply with applicable provisions of ERISA and the IRC with respect to all Employee Benefit Plans except where the failure to do so could not reasonably be expected to result in a Material Adverse Effect, (b) without the prior written consent of Agent and the Required Lenders, not take any action or fail to take action which could reasonably be expected to result in a Loan Party or ERISA Affiliate incurring a liability to the PBGC or to a Multiemployer Plan (other than to pay contributions or premiums payable in the ordinary course) that could reasonably be expected to result in a Material Adverse Effect, (c) not allow any facts or circumstances to exist with respect to one or more Employee Benefit Plans that, in the aggregate, reasonably could be expected to result in a Material Adverse Effect, (d) not participate in any prohibited transaction that could result in a civil penalty excise tax, fiduciary liability or correction obligation under ERISA or the IRC that could reasonably be expected to result in a Material Adverse Effect, (e) operate each Employee Benefit Plan in such a manner that will not incur any tax liability under the IRC (including Section 4980B of the IRC) except where failure to do so could not reasonably be expected to result in a Material Adverse Effect, and (f) furnish to Agent upon Agent's written request such additional information about any Employee Benefit Plan for which any Loan Party or ERISA Affiliate could reasonably expect to incur any liability that could reasonably be expected to result in a Material Adverse Effect. With respect to each Pension Plan (other than a Multiemployer Plan) except as could not reasonably be expected to result in a Material Adverse Effect, the Loan Parties shall (i) satisfy in full and in a timely manner, without incurring any late payment or underpayment charge or penalty and without giving rise to any Lien, all of the material contribution and funding requirements of the IRC and of ERISA, and (ii) pay, or cause to be paid, to the PBGC in a timely manner, without incurring any material late payment or underpayment charge or penalty, all premiums required pursuant to ERISA.

5.14 **Pre-Petition Credit Enhancements**. If any Pre-Petition Term Agent or Pre-Petition Term Lender, in its capacity as such, or if the Senior ABL Facility Agent or any Senior ABL Facility Lender receives any additional guaranty after the date hereof (other than from Canadian Loan Parties (as defined in the ABL DIP Facility Agreement as in effect on the date

hereof)), the Borrower shall cause the same to be granted to the Agent, for its own benefit and the benefit of the Secured Parties (subject to the DIP Orders).

5.15 **Bankruptcy Covenants**. Notwithstanding anything in the DIP Loan Documents to the contrary, the Loan Parties shall comply with all material covenants, terms and conditions and otherwise perform all obligations set forth in the DIP Orders.

5.16 **Chapter 11 Cases**.

(a) Chapter 11 Case Documents and Notices. Each Loan Party shall deliver or cause to be delivered for review and comment, as soon as commercially reasonable, all material pleadings, motions and other documents (provided that any of the foregoing relating to the DIP Facility shall be deemed material) to be filed on behalf of the Loan Parties with the Bankruptcy Court to the Agent and its counsel. If not otherwise provided by the Bankruptcy Court's electronic docketing system, the Borrower shall provide (x) copies to the Agent of all pleadings, motions, applications, judicial information, financial information and other documents filed by or on behalf of the Loan Parties with the Bankruptcy Court, distributed by or on behalf of the Loan Parties to any Committee, filed with respect to the Chapter 11 Cases or filed with respect to any DIP Loan Document and (y) such other reports and information as the Agent may, from time to time, reasonably request. In connection with the Chapter 11 Cases, the Loan Parties shall give the proper notice for (x) the motions seeking approval of the DIP Loan Documents and the DIP Orders and (y) the hearings for the approval of the DIP Orders. The Borrower and the other Loan Parties shall give, on a timely basis as specified in the DIP Orders, all notices required to be given to all parties specified in the DIP Orders. The Borrower and the other Loan Parties shall use reasonable best efforts to obtain the Final DIP Order.

(b) Progress Calls. Starting in the first week following the Effective Date, and thereafter every other week until the payment in full in cash of the DIP Facility Obligations, Borrower and the Financial Advisor will participate in a conference call with the Agent and the Lenders and their representatives, consultants, and agents, at such mutually convenient dates and times to be proposed by Agent upon reasonable notice, and will use commercially reasonable efforts to cause available senior members of management and any investment bankers and other advisors of Parent and its Subsidiaries, as applicable or as requested by Agent or such Lenders, and solely to the extent reasonably requested by Agent, one or more members of the board of directors of Parent and its Subsidiaries, to participate in such calls for the purpose of discussing the status of the financial, collateral, and operational condition, businesses, liabilities, assets, and prospects of the Borrower and their Subsidiaries and any sale, refinance or other strategic transaction efforts; provided, that the Borrower acknowledges that such calls scheduled as frequently as once per week shall not be unreasonable. Upon Agent's reasonable request, and subject to any confidentiality restrictions, the Parent and its Subsidiaries shall promptly provide copies of all non-privileged material written materials and reports (in each case excluding drafts) produced by Parent and its Subsidiaries and shared with third parties in connection with any sale, refinance, or other strategic transaction efforts, and any written indications of interest, letters of intent and commitment letters received by Parent and its Subsidiaries relating to such sale, refinance, or other strategic transaction efforts of the Parent and its Subsidiaries; provided, that such materials may be redacted to the extent information contained therein would adversely affect any attorney-client privilege or accountant-client privilege, and further provided that only

final versions of such documents shall be provided. Without limiting the foregoing, Borrower agrees to notify Agent promptly upon Borrower becoming aware of any material change or development relating to any sale or refinance efforts or to the financial, collateral, or operational condition, businesses, assets, liabilities, or prospects of such Borrower, any of its Affiliates, or any of their respective Subsidiaries.

(c) Restructuring Proposals. Each Loan Party shall promptly deliver or cause to be delivered to the Agent and the Lenders copies of any term sheets, proposals, or presentations from any party, related to (i) the restructuring of the Loan Parties, or (ii) the sale of assets of one or all of the Loan Parties.

(d) Advisors. The Loan Parties shall continue to retain the Financial Advisor. The Loan Parties shall allow the Agent and the Lenders access to, upon reasonable notice during normal business hours in a time and manner (and with a frequency) to minimize disruption to the Loan Parties, the Financial Advisor and any other third party advisors of the Loan Parties, as applicable.

(e) Repayment of Indebtedness. Except to the extent permitted hereunder, under the DIP Orders or under the Approved Budget, no Loan Party shall, without the express prior written consent of the Agent and Required Lenders or pursuant to an order of the Bankruptcy Court after notice and a hearing, make any Pre-Petition Payment.

(f) [Reserved].

5.17 **Accounting Changes**. Parent agrees that no Subsidiary of a Loan Party will have a fiscal year different from that of Parent (unless otherwise agreed to by Agent in its reasonable discretion) and agrees to maintain a system of accounting that enables Parent to produce financial statements with respect to material financial transactions and matters involving the assets and business of Parent or any of its Subsidiaries, as the case may be, in accordance with GAAP (it being understood and agreed that certain foreign Subsidiaries may maintain individual books and records in conformity with general accepted accounting principles in their respective countries of organization and that such maintenance shall not constitute a breach).

5.18 **Use of Proceeds**. Parent will, and will cause each of its Subsidiaries to, use the proceeds of the DIP Loans only for the purposes set forth in Section 4.28.

5.19 **TL Deposit Account**. All proceeds of the DIP Loans shall be held in the TL Deposit Account. The Borrower shall use commercially reasonable efforts to enter into a Control Agreement in respect of the TL Deposit Account within 14 days of the Petition Date, which such Control Agreement shall establish "control" (as defined in the Uniform Commercial Code as in effect from time to time in the State of New York) in favor of the Agent for the benefit of the Lenders, in form and substance reasonably satisfactory to the Agent (acting at the direction of the Required Lenders).

5.20 **Budget Matters**. The Borrower hereby acknowledges and agrees that any Weekly Cash Flow Forecast provided to the Agent and the Lenders shall not amend and supplement the applicable Approved Budget until the Agent delivers a notice (which may be delivered by electronic mail) to the Borrower stating that the Agent and the Required Lenders

have approved of such Weekly Cash Flow Forecast (such approval not to be unreasonably withheld, delayed or conditioned); provided, that if the Agent does not deliver a notice of approval to the Borrower, then the existing Approved Budget shall continue to constitute the applicable Approved Budget until such time as the subject Weekly Cash Flow Forecast is agreed to among the Borrower, the Agent and the Required Lenders in accordance with this Section 5.20. Once such Weekly Cash Flow Forecast is so approved in writing by the Agent and the Required Lenders, it shall supplement or replace the prior Approved Budget, and shall thereafter constitute the Approved Budget.

and guarantees at any time held by the Lender Group on which Borrower may in any way be liable.

10.2 **The Lender Group's Liability for Collateral**. Borrower hereby agrees that: (a) so long as Agent complies with its obligations, if any, under the Code, the Lender Group shall not in any way or manner be liable or responsible for: (i) the safekeeping of the DIP Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any diminution in the value thereof, or (iv) any act or default of any carrier, warehouseman, bailee, forwarding agency, or other Person, and (b) all risk of loss, damage, or destruction of the Collateral shall be borne by Borrower.

(b) Each party hereto hereby irrevocably and unconditionally:

(i) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other DIP Loan Documents to which it is a party to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "New York Supreme Court"), and the United States District Court for the Southern District of New York (the "Federal District Court," and together with the New York Supreme Court, the "New York Courts") and appellate courts from either of them except to the extent that the provisions of the Bankruptcy Code are

applicable and specifically conflict with the foregoing; provided that nothing in this Agreement shall be deemed or operate to preclude (i) any Agent from bringing suit or taking other legal action in any other jurisdiction to realize on the DIP Collateral or any other security for the DIP Facility Obligations (in which case any party shall be entitled to assert any claim or defense, including any claim or defense that this Section 12 would otherwise require to be asserted in a legal action or proceeding in a New York Court), or to enforce a judgment or other court order in favor of the Agent or the Collateral Agent, (ii) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment and (iii) if all such New York Courts decline jurisdiction over any Person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction;

(ii) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient forum and agrees not to plead or claim the same;

(iii) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower, the applicable Lender or the Agent, as the case may be, at the address specified in Section 11 or at such other address of which the Agent, any such Lender and the Borrower shall have been notified pursuant thereto;

(iv) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 12 any consequential or punitive damages.

Notwithstanding any other provision of this Section 12, the Bankruptcy Court shall have exclusive jurisdiction over any action or dispute involving, relating to or arising out of this agreement or the other DIP Loan Documents.

13. ASSIGNMENTS AND PARTICIPATIONS; SUCCESSORS.

13.1 **Assignments and Participations**.

(a) (i) Subject to the conditions set forth in clause (a)(ii) below, any Lender may assign and delegate all or any portion of its rights and duties under the DIP Loan

Documents (including the DIP Facility Obligations owed to it and its DIP Loan Commitments) to one or more assignees so long as such prospective assignee is an Eligible Transferee (each, an "Assignee"), without the prior written consent of Borrower; and

(ii) Assignments shall be subject to the following additional conditions:

(A) no assignment may be made to a natural person;

(B) the amount of the DIP Loan Commitments and DIP Loans and the other rights and obligations of the assigning Lender hereunder and under the other DIP Loan Documents subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to Agent) shall be in a minimum amount of $1,000,000 (or lesser amounts, if agreed between Borrower and Agent, or otherwise if less, all of such Lender's remaining DIP Loan Commitments and DIP Loans) and in integral multiples of $100,000 in excess thereof, except such minimum amount shall not apply to (I) an assignment or delegation by any Lender to any other Lender, an Affiliate of any Lender, or a Related Fund of such Lender or (II) a group of new Lenders, each of which is an Affiliate of each other or a Related Fund of such new Lender to the extent that the aggregate amount to be assigned to all such new Lenders is at least $1,000,000);

(C) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement;

(D) the parties to each assignment shall execute and deliver to Agent an Assignment and Acceptance; provided, that Borrower and Agent may continue to deal solely and directly with the assigning Lender in connection with the interest so assigned to an Assignee until written notice of such assignment, together with payment instructions, addresses, and related information with respect to the Assignee, have been given to Borrower and Agent by such Lender and the Assignee;

(E) unless waived by Agent (and except in the case of an assignment to an Affiliate or Related Fund of the assigning Lender), the assigning Lender or Assignee has paid to Agent, for Agent's separate account, a processing fee in the amount of $3,500;

(F) [intentionally omitted]; and

(G) no assignment may be made to any Disqualified Lender.

(b) From and after the date that Agent receives the executed Assignment and Acceptance and, if applicable, payment of the required processing fee, (i) the Assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have

been assigned to it pursuant to such Assignment and Acceptance, shall be a "Lender" and shall have the rights and obligations of a Lender under the DIP Loan Documents, and (ii) the assigning Lender shall, to the extent that rights and obligations hereunder and under the other DIP Loan Documents have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (except with respect to Section 15.3) and be released from any future obligations under this Agreement (and in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement and the other DIP Loan Documents, such Lender shall cease to be a party hereto and thereto); provided, that nothing contained herein shall release any assigning Lender from obligations that survive the termination of this Agreement, including such assigning Lender's obligations under Section 15 and Section 17.9(a).

(c) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the Assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other DIP Loan Document furnished pursuant hereto, (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of any Loan Party or the performance or observance by any Loan Party of any of its obligations under this Agreement or any other DIP Loan Document furnished pursuant hereto, (iii) such Assignee confirms that it has received a copy of this Agreement, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance, (iv) such Assignee will, independently and without reliance upon Agent, such assigning Lender or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement, (v) such Assignee appoints and authorizes Agent to take such actions and to exercise such powers under this Agreement and the other DIP Loan Documents as are delegated to Agent, by the terms hereof and thereof, together with such powers as are reasonably incidental thereto, and (vi) such Assignee agrees that it will perform all of the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(d) Immediately upon Agent's receipt of the required processing fee, if applicable, and delivery of notice to the assigning Lender pursuant to Section 13.1(b), this Agreement shall be deemed to be amended to the extent, but only to the extent, necessary to reflect the addition of the Assignee and the resulting adjustment of the Loans assigned to it arising therefrom.

(e) Any Lender may at any time sell to one or more commercial banks, financial institutions, or other Persons, other than a Disqualified Lender (a "Participant") participating interests in all or any portion of its DIP Facility Obligations, its DIP Loan Commitment, and the other rights and interests of that Lender (the "Originating Lender") hereunder and under the other Loan Documents; provided, that (i) the Originating Lender shall remain a "Lender" for all purposes of this Agreement and the other DIP Loan Documents and the Participant receiving the participating interest in the DIP Facility Obligations, the DIP Loan

Commitments, and the other rights and interests of the Originating Lender hereunder shall not constitute a "Lender" hereunder or under the other DIP Loan Documents and the Originating Lender's obligations under this Agreement shall remain unchanged, (ii) the Originating Lender shall remain solely responsible for the performance of such obligations, (iii) Borrower, Agent, and the Lenders shall continue to deal solely and directly with the Originating Lender in connection with the Originating Lender's rights and obligations under this Agreement and the other DIP Loan Documents, (iv) no Lender shall transfer or grant any participating interest under which the Participant has the right to approve any amendment to, or any consent or waiver with respect to, this Agreement or any other DIP Loan Document, except to the extent such amendment to, or consent or waiver with respect to this Agreement or of any other DIP Loan Document would (A) extend the final maturity date of the DIP Facility Obligations hereunder in which such Participant is participating, (B) reduce the interest rate applicable to the DIP Facility Obligations hereunder in which such Participant is participating, (C) release all or substantially all of the DIP Collateral or guaranties (except to the extent expressly provided herein or in any of the DIP Loan Documents) supporting the DIP Facility Obligations hereunder in which such Participant is participating, (D) postpone the payment of, or reduce the amount of, the interest or fees payable to such Participant through such Lender (other than a waiver of default interest), or (E) decrease the amount or postpone the due dates of scheduled principal repayments or prepayments or premiums payable to such Participant through such Lender (for the avoidance of doubt, mandatory prepayments pursuant to Section 2.4(d)(ii) or Section 2.4(d)(iii) may be postponed, delayed, waived or modified without the consent of a Participant), (v) no participation shall be sold to a natural person, (vi) [intentionally omitted], and (vii) all amounts payable by Borrower hereunder shall be determined as if such Lender had not sold such participation, except that, if amounts outstanding under this Agreement are due and unpaid, or shall have been declared or shall have become due and payable upon the occurrence of an Event of Default, each Participant shall be deemed to have the right of setoff in respect of its participating interest in amounts owing under this Agreement to the same extent as if the amount of its participating interest were owing directly to it as a Lender under this Agreement; provided, however, that each Participant shall be entitled to the benefits of Section 16 as if it were a Lender provided such Participant delivers the forms and documentation required by Section 16 (it being understood that the documentation under Section 16 shall be delivered to the Participating Lender) and otherwise agrees in writing to be subject to Section 16 as if it were a Lender. Subject to the foregoing, sentence, the rights of any Participant only shall be derivative through the Originating Lender with whom such Participant participates and no Participant shall have any rights under this Agreement or the other DIP Loan Documents or any direct rights as to the other Lenders, Agent, Borrower, the Collateral, or otherwise in respect of the DIP Facility Obligations. No Participant shall have the right to participate directly in the making of decisions by the Lenders among themselves.

(f) In connection with any such assignment or participation or proposed assignment or participation or any grant of a security interest in, or pledge of, its rights under and interest in this Agreement, a Lender may, subject to the provisions of Section 17.9, disclose all documents and information which it now or hereafter may have relating to Parent and its Subsidiaries and their respective businesses.

(g) Any other provision in this Agreement notwithstanding, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under and

interest in this Agreement to secure obligations of such Lender, including any security interest or pledge in favor of any Federal Reserve Bank (or any central bank having jurisdiction over such Lender) in accordance with Regulation A of the Federal Reserve Bank or U.S. Treasury Regulation 31 CFR §203.24, and the holder of such security interest or pledge (including such Federal Reserve Bank or central bank) may enforce such pledge or security interest in any manner permitted under applicable law. Without limiting the foregoing, in the case of any Lender that is a fund that invests in bank loans and similar extensions of credit, such Lender may, without the consent of Agent or any other Person, collaterally assign or pledge all or any portion of its rights as a Lender under the DIP Loan Documents to any holder of, trustee for, or any other representative of holders of, obligations owed or securities issued by such fund, as security for such obligations or securities.

(h) Agent (as a non-fiduciary agent on behalf of Borrower) shall maintain, or cause to be maintained, a register (the "Register") in the United States on which it enters the name and address of each Lender as the registered owner of the DIP Loan Commitments, the principal amount of DIP Loans owing to it and stated interest thereon, held by such Lender (each, a "Registered Loan"). A Registered Loan (and the registered note, if any, evidencing the same) may be assigned or sold in whole or in part only by registration of such assignment or sale on the Register (and each registered note shall expressly so provide), and any assignment or sale of all or part of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by registration of such assignment or sale on the Register, together with the surrender of the registered note, if any, evidencing the same duly endorsed by (or accompanied by a written instrument of assignment or sale duly executed by) the holder of such registered note, whereupon, at the request of the designated assignee(s) or transferee(s), one or more new registered notes in the same aggregate principal amount shall be issued to the designated assignee(s) or transferee(s). Prior to the registration of assignment or sale of any Registered Loan (and the registered note, if any evidencing the same), Borrower shall treat the Person in whose name such Registered Loan (and the registered note, if any, evidencing the same) is registered as the owner thereof for the purpose of receiving all payments thereon and for all other purposes, notwithstanding notice to the contrary, absent manifest error. This Section 13.1(h) shall be construed so that the DIP Loans are at all times maintained in "registered form" within the meaning of Section 5f.103-1(b) of the United States Treasury Regulation.

(i) In the event that a Lender sells participations in the Registered Loan, such Lender, as a non-fiduciary agent on behalf of Borrower, shall maintain (or cause to be maintained) a register in accordance with Section 5f.103-1(c) of the United States Treasury Regulations and Section 163(f), 165(g), 871(h)(2), 881(c)(2) and 4701 of the IRC on which it enters the name of all participants in the Registered Loans held by it (and the principal amount (and stated interest thereon) of the portion of such Registered Loans that is subject to such participations) (the "Participant Register"). A Registered Loan (and the Registered Note, if any, evidencing the same) may be participated in whole or in part only by registration of such participation on the Participant Register (and each registered note shall expressly so provide). Any participation of such Registered Loan (and the registered note, if any, evidencing the same) may be effected only by the registration of such participation on the Participant Register. No Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any DIP Loan Document)

to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, Agent (in its capacity as Agent) shall have no responsibility for maintaining a Participant Register.

(j) Agent shall make a copy of the Register available for review by Borrower from time to time as Borrower may reasonably request.

(k) Lenders may not assign all or any portion of its DIP Loans hereunder to (i) the Parent or any of its Subsidiaries or (ii) any Person who, after giving effect to such assignment, would be an Affiliated Lender.

(l) Notwithstanding anything in this Section 13.1 to the contrary, prior to any assignment or sale by any Lender (a "Selling Lender") as of the Effective Date to any Person that is not a Lender (or an Affiliate of a Lender) as of the Effective Date, such Selling Lender shall notify (a "Notice of Intent to Assign") the Agent of its intent to assign or sale its interests in its DIP Facility Obligations, including the amount of DIP Facility Obligations the Selling Lender seeks to assign or sell (the "Available DIP Obligations"). The Agent shall, within one Business Day, notify (such notification, a "Pending Assignment Notice") all Lenders of the Notice of Intent to Assign and the terms thereof. Each Lender shall have 3 Business Days (the "Election Period") to elect to purchase all of the Available DIP Obligations from the Selling Lender by delivering a notice (an "Election Notice") to the Agent. Each Election Notice shall include the amount of Available DIP Obligations such Lender is willing to purchase from the Selling Lender and the purchase price. The Selling Lender shall assign the Available DIP Obligations to the Lender that submitted an Election Notice within the Election Period, and such Lender shall purchase from the Selling Lender the Available DIP Obligations, for the highest price; provided, however, if two or more Lenders deliver an Election Notice during the Election Period for the same purchase price and that purchase price represents the highest purchase price submitted, then the Available DIP Obligations shall be assigned to such Lenders based on their Pro Rata Shares. If no Lenders submitted an Election Notice to the Agent within the Election Period, then the Selling Lender may proceed to seek to assign or sell the full amount of Available DIP Obligations set forth in the Notice of Intent to Assign (but not a partial or lesser amount) to any Eligible Transferee.

13.2 **Successors**. This Agreement, the other DIP Loan Documents, and all Liens and DIP Liens and other rights and privileges created hereby or pursuant hereto or to any other DIP Loan Document shall be binding upon each Loan Party, the estate of each Loan Party, and any trustee, other estate representative or any successor in interest of any Loan Party in any Chapter 11 Case or any subsequent case commenced under Chapter 7 of the Bankruptcy Code, and shall not be subject to Section 365 of the Bankruptcy Code. This Agreement and the other DIP Loan Documents shall be binding upon, and inure to the benefit of, the successors of the Agent and the Lenders and their respective assigns, transferees and endorsees. The Liens and DIP Liens created by this Agreement and the other DIP Loan Documents shall be and remain valid and perfected in the event of the substantive consolidation or conversion of any Chapter 11 Case or

any other bankruptcy case of any Loan Party to a case under Chapter 7 of the Bankruptcy Code or in the event of dismissal of any Chapter 11 Case or the release of any DIP Collateral from the jurisdiction of the Bankruptcy Court for any reason, without the necessity that the Agent file financing statements or otherwise perfect its Liens or DIP Liens under applicable law. This Agreement shall bind and inure to the benefit of the respective permitted successors and assigns of each of the parties; provided, that, except to the extent otherwise expressly permitted hereunder, Borrower may not assign this Agreement or any rights or duties hereunder without the Lenders' prior written consent and any prohibited assignment shall be absolutely void *ab initio*. No consent to assignment by the Lenders shall release Borrower from its DIP Facility Obligations. A Lender may assign this Agreement and the other Loan Documents and its rights and duties hereunder and thereunder pursuant to Section 13.1 and no consent or approval by any Loan Party is required in connection with any such assignment.

14. AMENDMENTS; WAIVERS.

14.1 **Amendments and Waivers**.

(a) No amendment, waiver or other modification of any provision of this Agreement, any other DIP Loan Document (other than the Fee Letter and the Intercreditor Agreement), and no consent with respect to any departure by Borrower or any other Loan Party therefrom, shall be effective unless the same shall be in writing and signed by the Required Lenders (or by Agent at the written request of the Required Lenders) and the Loan Parties that are party thereto and then any such waiver or consent shall be effective, but only in the specific instance and for the specific purpose for which given; provided, that no such waiver, amendment, or consent shall, unless in writing and signed by all of the Lenders directly and adversely affected thereby and all of the Loan Parties that are party thereto, do any of the following:

(i) increase the amount of or extend the expiration date of any DIP Loan Commitment of such Lender (it being understood that a waiver of any condition precedent or the waiver of any Default, Event of Default or mandatory prepayment pursuant to Section 2.4(d) (for clarity, excluding Section 2.4(d)(i)) shall not constitute an extension or increase of any DIP Loan Commitment),

(ii) postpone or delay any date fixed by this Agreement or any other DIP Loan Document for any payment of principal, interest, fees, or other amounts due hereunder or under any other DIP Loan Document (for the avoidance of doubt, mandatory prepayments pursuant to Section 2.4(d) (for clarity, excluding Section 2.4(d)(i)) may be postponed, delayed, waived or modified with the consent of Required Lenders) due to such Lender,

(iii) reduce the principal of, or the rate of interest on, any loan or other extension of credit hereunder, or reduce any fees or other amounts payable hereunder or under any other DIP Loan Document other than the Fee Letter due to such Lender (except (i) in connection with the waiver of applicability of Section 2.6(c) and (ii) in connection with the waiver of a mandatory prepayment under Section 2.4(d) (for clarity, excluding Section 2.4(d)(i)), which, in each case, shall be effective with the written consent of the Required Lenders),

(iv) amend, modify, or eliminate this Section or any provision of this Agreement providing for consent or other action by all Lenders,

(v) amend the currency in which any DIP Loans or any other DIP Facility Obligations are payable to such Lender,

(vi) [reserved],

(vii) amend, modify, or eliminate the definitions of "Required Lenders", or "Pro Rata Share",

(viii) other than in connection with a transaction permitted by the terms hereof or the other DIP Loan Documents, (x) release Borrower or (y) release or contractually subordinate all or substantially all of the value of the Guarantees or all or substantially all of the Collateral,

(ix) amend, modify, or eliminate any of the provisions of Section 2.4(b)(i) or (ii), or

(x) [reserved],

(b) No amendment, waiver, modification, or consent shall amend, modify, waive, or eliminate any provision of Section 15 pertaining to Agent, or any other rights or duties of Agent under this Agreement or the other DIP Loan Documents, without the written consent of Agent, Borrower, and the Required Lenders.

(c) [reserved].

(d) For the avoidance of doubt, it is understood and agreed that each Lender shall be deemed directly and adversely affected by any amendments, modifications or waivers described in clauses (iv), (vii) (subject to the proviso in clause (vii)) or (viii) of Section 14.1(a).

(e) [Intentionally Omitted].

(f) Anything in this Section 14.1 to the contrary notwithstanding, (i) any amendment, modification, elimination, waiver, consent, termination, or release of, or with respect to, any provision of this Agreement or any other DIP Loan Document that relates only to the relationship of the Lender Group among themselves, and that does not affect the rights or obligations of Parent or any Loan Party, shall not require consent by or the agreement of any Loan Party, and (ii) any amendment, waiver, modification, elimination, or consent of or with respect to any provision of this Agreement or any other DIP Loan Document may be entered into without the consent of, or over the objection of, any Defaulting Lender other than any of the matters governed by Section 14.1(a)(i) through (iii) that affect such Lender.

Notwithstanding anything to the contrary herein, with the consent of Agent at the request of Borrower (without the need to obtain any consent of any Lender), any DIP Loan Document may be amended to cure any obvious error or any error or omission of a technical nature that is jointly identified by Agent and Borrower.

14.2 **Mitigation; Replacement of Certain Lenders**.

(a) If any Lender requires Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 16, then such Lender shall (at the request of Borrower) use reasonable efforts to designate a different lending office for funding or booking its DIP Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 16 in the future, and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. Borrower hereby agrees to pay all reasonable and documented out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If (i) any action to be taken by the Lender Group or Agent hereunder requires the consent, authorization, or agreement of all Lenders or all Lenders affected thereby and if such action has received the consent, authorization, or agreement of the Required Lenders, all Lenders, or all Lenders affected thereby, or (ii) any Lender makes a claim for compensation under Section 16, and has declined or is unable to designate a different lending office pursuant to Section 14.2(a), then Borrower or Agent, upon at least 5 Business Days prior irrevocable notice (or such shorter period as Agent may agree), may permanently replace any Lender (and its Affiliates) that failed to give its consent, authorization, or agreement (a "Non-Consenting Lender") or any Lender that made a claim for compensation (a "Tax Lender") with one or more Replacement Lenders, and the Non-Consenting Lender (and its Affiliates) or Tax Lender (and its Affiliates), as applicable, shall have no right to refuse to be replaced hereunder. Such notice to replace the Non-Consenting Lender or Tax Lender, as applicable, shall specify an effective date for such replacement, which date shall not be later than 15 Business Days after the date such notice is given.

(c) Prior to the effective date of such replacement, the Non-Consenting Lender (and its Affiliates) or Tax Lender (and its Affiliates), as applicable, and each Replacement Lender shall execute and deliver an Assignment and Acceptance, subject only to the Non-Consenting Lender (and its Affiliates) or Tax Lender (and its Affiliates), as applicable, being repaid in full its share of the outstanding DIP Facility Obligations (without any premium or penalty of any kind whatsoever, but including all interest, fees and other amounts that may be due in payable in respect thereof). If the Non-Consenting Lender (or its Affiliates) or Tax Lender (or its Affiliates), as applicable, shall refuse or fail to execute and deliver any such Assignment and Acceptance prior to the effective date of such replacement, Agent may, but shall not be required to, execute and deliver such Assignment and Acceptance in the name of and on behalf of the Non-Consenting Lender (and its Affiliates) or Tax Lender (and its Affiliates), as applicable, and irrespective of whether Agent executes and delivers such Assignment and Acceptance, the Non-Consenting Lender (and its Affiliates) or Tax Lender (and its Affiliates), as applicable, shall be deemed to have executed and delivered such Assignment and Acceptance. The replacement of any Non-Consenting Lender (or its Affiliates) or Tax Lender (or its Affiliates), as applicable, shall be made in accordance with the terms of Section 13.1. Until such time as one or more Replacement Lenders shall have acquired all of the DIP Facility Obligations, the DIP Loan Commitments, and the other rights and obligations of the Non-Consenting Lender (and its Affiliates) or Tax Lender (and its Affiliates), as applicable, hereunder and under the

other DIP Loan Documents, the Non-Consenting Lender (and its Affiliates) or Tax Lender (and its Affiliates), as applicable, shall remain obligated to make the Non-Consenting Lender's (and its Affiliates) or Tax Lender's (and its Affiliates), as applicable, Pro Rata Share of DIP Loans.

14.3 **No Waivers; Cumulative Remedies**. No failure by Agent or any Lender to exercise any right, remedy, or option under this Agreement or any other DIP Loan Document, or delay by Agent or any Lender in exercising the same, will operate as a waiver thereof. No waiver by Agent or any Lender will be effective unless it is in writing, and then only to the extent specifically stated. No waiver by Agent or any Lender on any occasion shall affect or diminish Agent's and each Lender's rights thereafter to require strict performance by the Parent Guarantors and Borrower of any provision of this Agreement. Agent's and each Lender's rights under this Agreement and the other DIP Loan Documents will be cumulative and not exclusive of any other right or remedy that Agent or any Lender may have.

15. AGENT; THE LENDER GROUP.

15.1 **Appointment and Authorization of Agent**. Each Lender hereby designates and appoints Barings Finance LLC as its agent under this Agreement and the other DIP Loan Documents and each Lender hereby irrevocably authorizes Agent to execute and deliver each of the other DIP Loan Documents on its behalf and to take such other action on its behalf under the provisions of this Agreement and each other DIP Loan Document and to exercise such powers and perform such duties as are expressly delegated to Agent by the terms of this Agreement or any other DIP Loan Document, together with such powers as are reasonably incidental thereto. Agent agrees to act as agent for and on behalf of the Lenders on the conditions contained in this Section 15. Any provision to the contrary contained elsewhere in this Agreement or in any other DIP Loan Document notwithstanding, Agent shall not have any duties or responsibilities, except those expressly set forth herein or in the other DIP Loan Documents, nor shall Agent have or be deemed to have any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other DIP Loan Document or otherwise exist against Agent. Without limiting the generality of the foregoing, the use of the term "agent" in this Agreement or the other DIP Loan Documents with reference to Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only a representative relationship between independent contracting parties. Each Lender hereby further authorizes Agent to act as the secured party under each of the DIP Loan Documents that create a DIP Lien on any item of DIP Collateral. Except as expressly otherwise provided in this Agreement, Agent shall have and may use its sole discretion with respect to exercising or refraining from exercising any discretionary rights or taking or refraining from taking any actions that Agent expressly is entitled to take or assert under or pursuant to this Agreement and the other DIP Loan Documents. Without limiting the generality of the foregoing, or of any other provision of the DIP Loan Documents that provides rights or powers to Agent, Lenders agree that Agent shall have the right to exercise the following powers as long as this Agreement remains in effect: (a) maintain, in accordance with its customary business practices, ledgers and records reflecting the status of the DIP Facility Obligations, the DIP Collateral, payments and proceeds of DIP Collateral, and related matters, (b) execute or file any and all financing or similar statements or notices, amendments, renewals, supplements, documents, instruments, proofs of claim, notices and other

written agreements with respect to the DIP Loan Documents, (c) make DIP Loans, for itself or on behalf of Lenders, as provided in the DIP Loan Documents, (d) exclusively receive, apply, and distribute payments and proceeds of the DIP Collateral as provided in the DIP Loan Documents, (e) open and maintain such bank accounts and cash management arrangements as Agent deems necessary and appropriate in accordance with the DIP Loan Documents for the foregoing purposes, (f) perform, exercise, and enforce any and all other rights and remedies of the Lender Group with respect to Parent or its Subsidiaries, the DIP Facility Obligations, the DIP Collateral, or otherwise related to any of same as provided in the DIP Loan Documents, and (g) incur and pay such Lender Group Expenses as Agent may deem necessary or appropriate for the performance and fulfillment of its functions and powers pursuant to the DIP Loan Documents.

15.2 **Delegation of Duties.** Agent may execute any of its duties under this Agreement or any other DIP Loan Document by or through agents, employees or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Each member of the Lender Group and each Loan Party acknowledges and agrees that any agent appointed by Agent shall be entitled to the rights and benefits of this Section 15. Agent shall not be responsible for the negligence or misconduct of any agent or attorney in fact that it selects as long as such selection was made without gross negligence or willful misconduct.

15.3 **Liability of Agent**. None of the Agent-Related Persons shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other DIP Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct), or (b) be responsible in any manner to any of the Lenders for any recital, statement, representation or warranty made by Parent or any of its Subsidiaries or Affiliates, or any officer or director thereof, contained in this Agreement or in any other DIP Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by Agent under or in connection with, this Agreement or any other DIP Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other DIP Loan Document, or for any failure of Parent or its Subsidiaries or any other party to any DIP Loan Document to perform its obligations hereunder or thereunder. No Agent-Related Person shall be under any obligation to any Lenders to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other DIP Loan Document, or to inspect the books and records or properties of Parent or its Subsidiaries.

15.4 **Reliance by Agent**. Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telegram, telefacsimile or other electronic method of transmission, telex or telephone message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent, or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to Borrower or counsel to any Lender), independent accountants and other experts selected by Agent. Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other DIP Loan Document unless Agent shall first receive such advice or concurrence of the Lenders as it deems appropriate and until such instructions are received, Agent shall act, or refrain from acting, as it deems advisable. If Agent so requests, it shall first be indemnified to its reasonable satisfaction by the Lenders against any and all liability

and expense that may be incurred by it by reason of taking or continuing to take any such action. Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other DIP Loan Document in accordance with a request or consent of the Required Lenders and such request and any action taken or failure to act pursuant thereto shall be binding upon all of the Lenders.

15.5 **Notice of Default or Event of Default**. Agent shall not be deemed to have knowledge or notice of the occurrence of any Default or Event of Default, except with respect to defaults in the payment of principal, interest, fees, and expenses required to be paid to Agent for the account of the Lenders and, except with respect to Events of Default of which Agent has actual knowledge, unless Agent shall have received written notice from a Lender or Borrower referring to this Agreement, describing such Default or Event of Default, and stating that such notice is a "notice of default." Agent promptly will notify the Lenders of its receipt of any such notice or of any Event of Default of which Agent has actual knowledge. If any Lender obtains actual knowledge of any Event of Default, such Lender promptly shall notify the other Lenders and Agent of such Event of Default. Each Lender shall be solely responsible for giving any notices to its Participants, if any. Subject to Section 15.4, Agent shall take such action with respect to such Default or Event of Default as may be requested by the Required Lenders in accordance with Section 9; provided, that unless and until Agent has received any such request, Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable.

15.6 **Credit Decision**. Each Lender acknowledges that none of the Agent-Related Persons has made any representation or warranty to it, and that no act by Agent hereinafter taken, including any review of the affairs of Parent and its Subsidiaries or Affiliates, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender. Each Lender represents to Agent that it has, independently and without reliance upon any Agent-Related Person and based on such due diligence, documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of Borrower or any other Person party to a DIP Loan Document, and all applicable bank regulatory laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to Borrower. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other DIP Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of Borrower or any other Person party to a DIP Loan Document. Except for notices, reports, and other documents expressly herein required to be furnished to the Lenders by Agent, Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of Borrower or any other Person party to a DIP Loan Document that may come into the possession of any of the Agent-Related Persons. Each Lender acknowledges that Agent does not have any duty or responsibility, either initially or on a continuing basis (except to the extent, if any, that is expressly specified herein) to provide such Lender with any credit or other information with respect to Borrower, its Affiliates or any of its business, legal, financial or other affairs, and

irrespective of whether such information came into Agent's or its Affiliates' or representatives' possession before or after the date on which such Lender became a party to this Agreement.

15.7 **Costs and Expenses; Indemnification**. Agent may incur and pay Lender Group Expenses to the extent Agent reasonably deems necessary or appropriate for the performance and fulfillment of its functions, powers, and obligations pursuant to the DIP Loan Documents, including court costs, attorneys' fees and expenses, fees and expenses of financial accountants, advisors, consultants, and appraisers, costs of collection by outside collection agencies, auctioneer fees and expenses, and costs of security guards or insurance premiums paid to maintain the DIP Collateral, whether or not Borrower is obligated to reimburse Agent or Lenders for such expenses pursuant to this Agreement or otherwise. Agent is authorized and directed to deduct and retain sufficient amounts from payments or proceeds of the DIP Collateral received by Agent to reimburse Agent for such out-of-pocket costs and expenses prior to the distribution of any amounts to Lenders. In the event Agent is not reimbursed for such costs and expenses by Parent or its Subsidiaries, each Lender hereby agrees that it is and shall be obligated to pay to Agent such Lender's ratable thereof. Whether or not the transactions contemplated hereby are consummated, each of the Lenders, on a ratable basis, shall indemnify and defend the Agent-Related Persons (to the extent not reimbursed by or on behalf of Borrower and without limiting the obligation of Borrower to do so) from and against any and all Indemnified Liabilities; provided, that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting solely from such Person's gross negligence or willful misconduct nor shall any Lender be liable for the obligations of any Defaulting Lender in failing to make an extension of credit hereunder. Without limitation of the foregoing, each Lender shall reimburse Agent upon demand for such Lender's ratable share of any costs or out of pocket expenses (including attorneys, accountants, advisors, and consultants fees and expenses) incurred by Agent in connection with the preparation, execution, delivery, administration, modification, amendment, or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement or any other DIP Loan Document to the extent that Agent is not reimbursed for such expenses by or on behalf of Borrower. The undertaking in this Section shall survive the payment of all DIP Facility Obligations hereunder and the resignation or replacement of Agent.

15.8 **Agents in Individual Capacity**. Barings Finance LLC and its Affiliates may make loans to, acquire Equity Interests in, and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any DIP Loan Document as though it were not Agent hereunder, and, in each case, without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge that, pursuant to such activities, Barings Finance LLC or its Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any DIP Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders, and the Lenders acknowledge that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver Agent will use its reasonable best efforts to obtain), Agent shall not be under any obligation to provide such information to them. The terms "Lender" and "Lenders" include Barings Finance LLC in its individual capacity.

15.9 **Successor Agent**. Agent may resign as Agent upon 30 days (10 days if an Event of Default has occurred and is continuing) prior written notice to the Lenders (unless such notice or applicable notice period is waived by the Required Lenders). If Agent resigns under this Agreement, the Required Lenders shall be entitled, to appoint a successor Agent for the Lenders. If no successor Agent is appointed prior to the effective date of the resignation of Agent, Agent may appoint, after consulting with the Lenders, a successor Agent. If Agent has materially breached or failed to perform any material provision of this Agreement or of applicable law, the Required Lenders may agree in writing to remove and replace Agent with a successor Agent from among the Lenders. In any such event, upon the acceptance of its appointment as successor Agent hereunder, such successor Agent shall succeed to all the rights, powers, and duties of the retiring Agent and the term "Agent" shall mean such successor Agent and the retiring Agent's appointment, powers, and duties as Agent shall be terminated. After any retiring Agent's resignation hereunder as Agent, the provisions of this Section 15 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement. If no successor Agent has accepted appointment as Agent by the date which is 30 days (10 days if an Event of Default has occurred and is continuing) following a retiring Agent's notice of resignation, the retiring Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of Agent hereunder until such time, if any, as the Lenders appoint a successor Agent as provided for above.

15.10 **Lender in Individual Capacity**. Any Lender and its respective Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, provide bank products to, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting, or other business with Parent and its Subsidiaries and Affiliates and any other Person party to any DIP Loan Documents as though such Lender were not a Lender hereunder without notice to or consent of the other members of the Lender Group. The other members of the Lender Group acknowledge that, pursuant to such activities, such Lender and its respective Affiliates may receive information regarding Parent or its Affiliates or any other Person party to any DIP Loan Documents that is subject to confidentiality obligations in favor of Parent or such other Person and that prohibit the disclosure of such information to the Lenders, and the Lenders acknowledge that, in such circumstances (and in the absence of a waiver of such confidentiality obligations, which waiver such Lender will use its reasonable best efforts to obtain), such Lender shall not be under any obligation to provide such information to them.

15.11 **Collateral Matters.**

(a) The Lenders hereby irrevocably authorize Agent to release any DIP Lien on any DIP Collateral (i) upon the termination of the DIP Loan Commitments and payment and satisfaction in full by Borrower of all of the DIP Facility Obligations, (ii) constituting property being sold or disposed of (to Persons other than Loan Parties) if a release is required or desirable in connection therewith and if a Responsible Officer of Borrower certifies in writing to Agent that the sale or disposition is permitted under Section 6.4 (and Agent may rely conclusively on any such certificate, without further inquiry), or (iii) in connection with a credit bid or purchase authorized under this Section 15.11. Notwithstanding anything to the contrary in the foregoing, to the extent property is sold or disposed of pursuant to and in accordance with Section 6.4 (to Persons other than Loan Parties), the DIP Lien on such sold or disposed DIP Collateral shall

automatically terminate. The Loan Parties and the Lenders hereby irrevocably authorize Agent, based upon the instruction of the Required Lenders, to (a) consent to, credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the DIP Collateral at any sale thereof conducted under the provisions of the Bankruptcy Code, including Section 363 of the Bankruptcy Code and any similar laws in any other jurisdictions in which a Loan Party is subject, (b) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the DIP Collateral at any sale or other disposition thereof conducted under the provisions of the Code, including pursuant to Sections 9-610 or 9-620 of the Code, or (c) credit bid or purchase (either directly or indirectly through one or more entities) all or any portion of the DIP Collateral at any other sale or foreclosure conducted or consented to by Agent in accordance with applicable law in any judicial action or proceeding or by the exercise of any legal or equitable remedy. In connection with any such credit bid or purchase, (i) the DIP Facility Obligations owed to the Lenders shall be entitled to be, and shall be, credit bid on a ratable basis (with DIP Facility Obligations with respect to contingent or unliquidated claims being estimated for such purpose if the fixing or liquidation thereof would not impair or unduly delay the ability of Agent to credit bid or purchase at such sale or other disposition of the DIP Collateral and, if such contingent or unliquidated claims cannot be estimated without impairing or unduly delaying the ability of Agent to credit bid at such sale or other disposition, then such claims shall be disregarded, not credit bid, and not entitled to any interest in the DIP Collateral that is the subject of such credit bid or purchase) and the Lenders whose DIP Facility Obligations are credit bid shall be entitled to receive interests (ratably based upon the proportion of their DIP Facility Obligations credit bid in relation to the aggregate amount of DIP Facility Obligations so credit bid) in the DIP Collateral that is the subject of such credit bid or purchase (or in the Equity Interests of the any entities that are used to consummate such credit bid or purchase), and (ii) Agent, based upon the instruction of the Required Lenders, may accept non-cash consideration, including debt and equity securities issued by any entities used to consummate such credit bid or purchase and in connection therewith Agent may reduce the DIP Facility Obligations owed to the Lenders (ratably based upon the proportion of their DIP Facility Obligations credit bid in relation to the aggregate amount of DIP Facility Obligations so credit bid) based upon the value of such non-cash consideration. Except as provided above, Agent will not execute and deliver a release of any DIP Lien on any DIP Collateral without the prior written authorization of (y) if the release is of all or substantially all of the DIP Collateral, all of the Lenders, or (z) otherwise, the Required Lenders. Upon request by Agent or Borrower at any time, the Lenders will confirm in writing Agent's authority to release any such DIP Liens on particular types or items of DIP Collateral pursuant to this Section 15.11; provided, that (1) anything to the contrary contained in any of the DIP Loan Documents notwithstanding, Agent shall not be required to execute any document or take any action necessary to evidence such release on terms that, in Agent's reasonable opinion, could expose Agent to liability or create any obligation or entail any consequence other than the release of such DIP Lien without recourse, representation, or warranty, and (2) such release shall not in any manner discharge, affect, or impair the DIP Facility Obligations or any DIP Liens (other than those expressly released) upon (or obligations of Borrower in respect of) any and all interests retained by Borrower, including, the proceeds of any sale, all of which shall continue to constitute part of the DIP Collateral.

(b) Agent shall have no obligation whatsoever to any of the Lenders (i) to verify or assure that the DIP Collateral exists or is owned by Parent or its Subsidiaries or is cared

for, protected, or insured or has been encumbered, (ii) to verify or assure that Agent's DIP Liens have been properly or sufficiently or lawfully created, perfected, protected, or enforced or are entitled to any particular priority, (iii) to verify or assure that any particular items of DIP Collateral meet the eligibility criteria applicable in respect thereof, (iv) to impose, maintain, increase, reduce, implement, or eliminate any particular reserve hereunder or to determine whether the amount of any reserve is appropriate or not, or (v) to exercise at all or in any particular manner or under any duty of care, disclosure or fidelity, or to continue exercising, any of the rights, authorities and powers granted or available to Agent pursuant to any of the DIP Loan Documents, it being understood and agreed that in respect of the DIP Collateral, or any act, omission, or event related thereto, subject to the terms and conditions contained herein, Agent may act in any manner it may deem appropriate, in its sole discretion given Agent's own interest in the DIP Collateral in its capacity as one of the Lenders and that Agent shall not have any other duty or liability whatsoever to any Lender as to any of the foregoing, except as otherwise expressly provided herein.

15.12 **Restrictions on Actions by Lenders; Sharing of Payments**.

(a) Each of the Lenders agrees that it shall not, without the express written consent of Agent, set off against the DIP Facility Obligations, any amounts owing by such Lender to Parent or its Subsidiaries or any deposit accounts of Parent or its Subsidiaries now or hereafter maintained with such Lender. Each of the Lenders further agrees that it shall not, unless specifically requested to do so in writing by Agent, take or cause to be taken any action, including, the commencement of any legal or equitable proceedings to enforce any DIP Loan Document against Borrower or any Guarantor or to foreclose any DIP Lien on, or otherwise enforce any security interest in, any of the DIP Collateral.

(b) If, at any time or times any Lender shall receive (i) by payment, foreclosure, setoff, or otherwise, any proceeds of DIP Collateral or any payments with respect to the DIP Facility Obligations, except for any such proceeds or payments received by such Lender from Agent pursuant to the terms of this Agreement, or (ii) payments from Agent in excess of such Lender's Pro Rata Share of all such distributions by Agent, such Lender promptly shall (A) turn the same over to Agent, in kind, and with such endorsements as may be required to negotiate the same to Agent, or in immediately available funds, as applicable, for the account of all of the Lenders and for application to the DIP Facility Obligations in accordance with the applicable provisions of this Agreement, or (B) purchase, without recourse or warranty, an undivided interest and participation in the DIP Facility Obligations owed to the other Lenders so that such excess payment received shall be applied ratably as among the Lenders in accordance with their Pro Rata Shares; provided, that to the extent that such excess payment received by the purchasing party is thereafter recovered from it, those purchases of participations shall be rescinded in whole or in part, as applicable, and the applicable portion of the purchase price paid therefor shall be returned to such purchasing party, but without interest except to the extent that such purchasing party is required to pay interest in connection with the recovery of the excess payment.

15.13 **Agency for Perfection**. Agent hereby appoints each other Lender as its agent (and each Lender hereby accepts such appointment) for the purpose of perfecting Agent's DIP Liens in assets which, in accordance with Article 8 or Article 9, as applicable, of the Code can be

perfected by possession or control. Should any Lender obtain possession or control of any such DIP Collateral, such Lender shall notify Agent thereof, and, promptly upon Agent's request therefor shall deliver possession or control of such DIP Collateral to Agent or in accordance with Agent's instructions.

15.14 **Payments by Agent to the Lenders**. All payments to be made by Agent to the Lenders shall be made as soon as reasonably practicable and, in any event, within two (2) Business Days of receipt from Borrower in immediately available funds, by bank wire transfer of immediately available funds pursuant to such wire transfer instructions as each party may designate for itself by written notice to Agent. Concurrently with each such payment, Agent shall identify whether such payment (or any portion thereof) represents principal, premium, fees, or interest of the DIP Facility Obligations.

15.15 **Concerning the Collateral and Related Loan Documents**. Each member of the Lender Group authorizes and directs Agent to enter into this Agreement and the other DIP Loan Documents. Each member of the Lender Group agrees that any action taken by Agent in accordance with the terms of this Agreement or the other DIP Loan Documents relating to the DIP Collateral and the exercise by Agent of its powers set forth therein or herein, together with such other powers that are reasonably incidental thereto, shall be binding upon all of the Lenders.

15.16 **[Intentionally Omitted]**.

15.17 **Several Obligations; No Liability**. Notwithstanding that certain of the DIP Loan Documents now or hereafter may have been or will be executed only by or in favor of Agent in its capacity as such, and not by or in favor of the Lenders, any and all obligations on the part of Agent (if any) to make any credit available hereunder shall constitute the several (and not joint) obligations of the respective Lenders on a ratable basis, according to their respective DIP Loan Commitments, to make an amount of such credit not to exceed, in principal amount, at any one time outstanding, the amount of their respective DIP Loan Commitments. Nothing contained herein shall confer upon any Lender any interest in, or subject any Lender to any liability for, or in respect of, the business, assets, profits, losses, or liabilities of any other Lender. Each Lender shall be solely responsible for notifying its Participants of any matters relating to the DIP Loan Documents to the extent any such notice may be required, and no Lender shall have any obligation, duty, or liability to any Participant of any other Lender. Except as provided in Section 15.7, no member of the Lender Group shall have any liability for the acts of any other member of the Lender Group. No Lender shall be responsible to Borrower or any other Person for any failure by any other Lender to fulfill its obligations to make credit available hereunder, nor to advance for such Lender or on its behalf, nor to take any other action on behalf of such Lender hereunder or in connection with the financing contemplated herein.

15.18 **[Reserved]**.

16. WITHHOLDING TAXES.

16.1 **Payments**. All payments under the DIP Loan Documents by or on account of any obligation of any Loan Party will be made free and clear of, and without deduction or withholding for, any present or future Taxes, except as required by applicable law. If any Taxes

are required to be deducted or withheld from any payment by or on account of any obligation of any Loan Party under any DIP Loan Document, Borrower shall deduct, withhold or pay (as the case may be) the full amount of such Taxes to the relevant Governmental Authority and, if such Taxes are Indemnified Taxes, the amount payable by the Loan Parties shall be increased as is necessary so that after withholding or deduction for or on account of such Indemnified Taxes, the amount received by the applicable Recipient will not be less than the amount the applicable Recipient would have received had no such withholding or deduction in respect of Indemnified Taxes been made. Borrower will furnish to Agent promptly after the date the payment of any Tax is due pursuant to applicable law, certified copies of tax returns and receipts (or such other similar documents as may be available) evidencing such payment by Borrower, or other evidence of payment reasonably satisfactory to Agent. Borrower agrees to pay any present or future stamp, value added, court or documentary, intangible, recording, filing or similar taxes or any other excise or property taxes, charges, or similar levies, other than Excluded Taxes or Taxes resulting from an assignment ("Other Taxes") that arise from any payment made hereunder or from the execution, delivery, performance, recordation, registration, from the receipt or perfection of a security interest under, or filing of, or otherwise with respect to this Agreement or any other DIP Loan Document within 10 days after receipt of demand therefor. The Loan Parties shall jointly and severally indemnify each Indemnified Person (as defined in Section 10.3) (collectively a "Tax Indemnitee") for the full amount of Indemnified Taxes or Other Taxes arising in connection with this Agreement or any other DIP Loan Document (including, without limitation, any Indemnified Taxes or Other Taxes imposed or asserted on, or attributable to, amounts payable under this Section 16) imposed on, or paid by, or required to be withheld on payments to, such Tax Indemnitee and all reasonable and documented fees and disbursements of attorneys, experts or consultants, and all other reasonable costs and expenses actually incurred in connection therewith or in connection with the enforcement of this indemnification, as and when they are incurred and irrespective of whether suit is brought, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to Borrower by a Lender (with a copy to Agent), or by Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. The obligations of Borrower and Loan Parties under this Section 16 shall survive the termination of this Agreement and the repayment of the Loans.

16.2 **Exemptions**.

(a) Each Lender and Agent agrees to deliver to Agent and Borrower (and each Participant agrees to deliver to the Originating Lender), two original copies of the following forms, as applicable, before receiving its first payment under this Agreement, but only to the extent such Lender, Participant or Agent is legally entitled to deliver such forms:

(i) if such Lender or Participant or Agent is a Foreign Lender entitled to claim an exemption from United States withholding tax pursuant to the portfolio interest exception, (A) a statement of the Lender or Participant or Agent, signed under penalty of perjury, that it is not a (I) a "bank" as described in Section 881(c)(3)(A) of the IRC, (II) a 10% shareholder of Borrower (within the meaning of Section 871(h)(3)(B) of the IRC), or (III) a controlled foreign corporation related to Borrower within the meaning of Section 864(d)(4) of

the IRC, and (B) a properly completed and executed IRS Form W-8BEN-E or Form W-8IMY (with proper attachments);

(ii) if such Lender or Participant or Agent is a Foreign Lender entitled to claim an exemption from, or a reduction of, withholding tax under a United States tax treaty, a properly completed and executed copy of IRS Form W-8BEN-E;

(iii) if such Lender or Participant or Agent is a Foreign Lender entitled to claim that interest paid under this Agreement is exempt from United States withholding tax because it is effectively connected with a United States trade or business of such Lender, a properly completed and executed copy of IRS Form W-8ECI;

(iv) if such Lender or Participant or Agent is a Foreign Lender entitled to claim that interest paid under this Agreement is exempt from United States withholding Tax because such Lender or Participant or Agent serves as an intermediary, a properly completed and executed copy of IRS Form W-8IMY (with proper attachments); or

(v) if such Lender or Participant or Agent is a U.S. Person, a properly completed and executed copy of any other form or forms, including IRS Form W-9, as may be required under the IRC as a condition to exemption from, or reduction of, United States withholding or backup withholding Tax.

(b) Each Lender or Participant or Agent shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms, or if any such form becomes inaccurate in any respect, and promptly notify Agent and Borrower, or the Originating Lender in the case of a Participant, of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(c) If a Lender or Participant or Agent is entitled to claim an exemption or reduction from withholding Tax in a jurisdiction other than the United States, such Lender or such Agent agrees with and in favor of Agent and Borrower or the Participant agrees with and in favor of the Originating Lender, to deliver to Agent and Borrower, or the Originating Lender in the case of a Participant, any such form or forms, as may be required under the laws of such jurisdiction as a condition to exemption from, or reduction of, foreign withholding or backup withholding tax before receiving its first payment under this Agreement, but only if such Lender or such Participant or such Agent is legally entitled to deliver such forms. Nothing in this Section 16.2 shall require a Lender or Participant or Agent to disclose any information or provide documentation (i) that in Lender's reasonable judgment such completion, execution or submission would subject Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or (ii) that it deems to be confidential (including without limitation, its tax returns). Each Lender and each Participant and each Agent shall provide new forms (or successor forms) upon the expiration or obsolescence of any previously delivered forms and to promptly notify Agent and Borrower, or the Originating Lender in the case of a Participant, of any change in circumstances which would modify or render invalid any claimed exemption or reduction.

(d) If a Lender or Participant claims exemption from, or reduction of, withholding Tax and such Lender or Participant sells, assigns, grants a participation in, or otherwise transfers all or part of the DIP Facility Obligations of Borrower to such Lender or Participant, such Lender or Participant agrees to notify Agent and Borrower (or, in the case of a sale of a participation interest, to the Lender granting the participation) of the percentage amount in which it is no longer the beneficial owner of DIP Facility Obligations of Borrower to such Lender or Participant. To the extent of such percentage amount, Agent and Borrower will treat such Lender's or the Originating Lender will treat such Participant's documentation provided pursuant to Section 16.2(a), 16.2(c) or 16.2(e) as no longer valid. With respect to such percentage amount, such Participant or Assignee shall provide new documentation to Agent and Borrower, or the Originating Lender in the case of a Participant, pursuant to Section 16.2(a), 16.2(c) or 16.2(e), if applicable. Borrower agrees that each Participant shall be entitled to the benefits of this Section 16 with respect to its participation in any portion of the DIP Loan Commitments and the DIP Facility Obligations so long as such Participant complies with the obligations set forth in this Section 16 with respect thereto.

(e) If a payment made to a Foreign Lender or Agent would be subject to United States federal withholding Tax imposed by FATCA if such Foreign Lender or Agent fails to comply with the applicable reporting requirements of FATCA, such Foreign Lender or Agent shall deliver to Agent and Borrower any documentation under any requirement of law (including as prescribed by Section 1471(b)(3)(C)(i) of the IRC) or reasonably requested by Agent or Borrower sufficient for Agent or Borrower to comply with their obligations under FATCA and to determine whether such Foreign Lender or Agent has complied with such applicable reporting requirements. Solely for purposes of this paragraph (e), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

16.3 **Reductions**.

(a) If a Lender or a Participant is entitled to a reduction in the applicable withholding Tax, Agent (or, in the case of a Participant, the Lender granting the participation) or Borrower may withhold from any payment to such Lender or such Participant an amount equivalent to the applicable withholding Tax after taking into account such reduction. If the forms or other documentation required by Section 16.2(a), 16.2(c) or 16.2(e) are not delivered to Agent (or, in the case of a Participant, to the Lender granting the participation), then Agent (or, in the case of a Participant, the Lender granting the participation) or Borrower may withhold from any payment to such Lender or such Participant not providing such forms or other documentation an amount equivalent to the applicable withholding tax as required by applicable law.

(b) If the IRS or any other Governmental Authority of the United States or other jurisdiction asserts a claim that Agent (or, in the case of a Participant, to the Lender granting the participation) did not properly withhold Tax from amounts paid to or for the account of any Lender or any Participant due to a failure on the part of the Lender or any Participant (because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify Agent (or such Participant failed to notify the Lender granting the participation) of a change in circumstances which rendered the exemption from, or reduction of, withholding tax ineffective, or for any other reason) such Lender shall indemnify and hold Agent

harmless (or, in the case of a Participant, such Participant shall indemnify and hold Agent and the Lender granting the participation harmless) for all amounts paid, directly or indirectly, by Agent (or, in the case of a Participant, to the Lender granting the participation), as Tax or otherwise, including penalties and interest, and including any taxes imposed by any jurisdiction on the amounts payable to Agent (or, in the case of a Participant, to the Lender granting the participation only) under this Section 16, together with all costs and expenses (including attorneys' fees and expenses). The obligation of the Lenders and the Participants under this subsection shall survive the payment of all DIP Facility Obligations and the resignation or replacement of Agent.

16.4 **Refunds**. If Agent or a Lender or Participant determines, in its sole discretion, that it has received a refund of any Indemnified Taxes with respect to which Borrower has paid additional amounts pursuant to this Section 16, so long as no Default or Event of Default has occurred and is continuing, it shall pay over such refund to Borrower (but only to the extent of payments made, or additional amounts paid, by Borrower under this Section 16 with respect to Indemnified Taxes giving rise to such a refund), net of all out-of-pocket expenses (including Taxes) of Agent or such Lender or such Participant and without interest (other than any interest paid by the applicable Governmental Authority with respect to such a refund); provided, that Borrower, upon the request of Agent or such Lender or such Participant, agrees to repay the amount paid over to Borrower (plus any penalties, interest or other charges, imposed by the applicable Governmental Authority, other than such penalties, interest or other charges imposed as a result of the willful misconduct, bad faith or gross negligence of Agent or such Lender or such Participant hereunder) to Agent or such Lender or such Participant in the event Agent or such Lender or such Participant is required to repay such refund to such Governmental Authority. Notwithstanding anything in this Agreement to the contrary, this Section 16 shall not be construed to require Agent or any Lender or any Participant to make available its tax returns (or any other confidential information) to Borrower or any other Person.

17. GENERAL PROVISIONS.

17.1 **Effectiveness**. Subject to the entry of the DIP Orders, this Agreement shall be binding and deemed effective when executed by Parent, Borrower, Agent, and each Lender whose signature is provided for on the signature pages hereof.

17.2 **Section Headings**. Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

17.3 **Interpretation**. Neither this Agreement nor any uncertainty or ambiguity herein shall be construed against the Lender Group or Parent or Borrower, whether under any rule of construction or otherwise. On the contrary, this Agreement has been reviewed by all parties and shall be construed and interpreted according to the ordinary meaning of the words used so as to accomplish fairly the purposes and intentions of all parties hereto.

17.4 **Severability of Provisions**. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

17.5 **[Intentionally Omitted]**.

17.6 **Debtor-Creditor Relationship.** The relationship between the Lenders and Agent, on the one hand, and the Loan Parties, on the other hand, is solely that of creditor and debtor. No member of the Lender Group has (or shall be deemed to have) any fiduciary relationship or duty to any Loan Party arising out of or in connection with the DIP Loan Documents or the transactions contemplated thereby, and there is no agency or joint venture relationship between the members of the Lender Group, on the one hand, and the Loan Parties, on the other hand, by virtue of any DIP Loan Document or any transaction contemplated therein.

17.7 **Counterparts; Electronic Execution**. This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other DIP Loan Document mutatis mutandis.

17.8 **Revival and Reinstatement of DIP Facility Obligations; Certain Waivers**. If any member of the Lender Group repays, refunds, restores, or returns in whole or in part, any payment or property (including any proceeds of DIP Collateral) previously paid or transferred to such member of the Lender Group in full or partial satisfaction of any DIP Facility Obligation or on account of any other obligation of any Loan Party under any DIP Loan Document, because the payment, transfer, or the incurrence of the obligation so satisfied is asserted or declared to be void, voidable, or otherwise recoverable under any law relating to creditors' rights, including provisions of the Bankruptcy Code relating to fraudulent transfers, preferences, or other voidable or recoverable obligations or transfers (each, a "Voidable Transfer"), or because such member of the Lender Group elects to do so on the reasonable advice of its counsel in connection with a claim that the payment, transfer, or incurrence is or may be a Voidable Transfer, then, as to any such Voidable Transfer, or the amount thereof that such member of the Lender Group elects to repay, restore, or return (including pursuant to a settlement of any claim in respect thereof), and as to all reasonable costs, expenses, and attorneys' fees of such member of the Lender Group related thereto, the liability of the Loan Parties with respect to the amount or property paid, refunded, restored, or returned will automatically and immediately be revived, reinstated, and restored and will exist as if such Voidable Transfer had never been made. This Section 17.8 shall survive the termination of this Agreement and the repayment in full of the DIP Loans and other DIP Facility Obligations.

17.9 **Confidentiality**.

(a) Agent and Lenders each individually (and not jointly or jointly and severally) agree that information regarding Parent and its Subsidiaries, their operations, assets, and existing and contemplated business plans ("Confidential Information") shall be treated by

Agent and the Lenders in a confidential manner, and shall not be disclosed by Agent and the Lenders to Persons who are not parties to this Agreement, except: (i) to attorneys for and other advisors, accountants, auditors, and consultants to any member of the Lender Group and to employees, directors and officers of any member of the Lender Group (the Persons in this clause (i), "Lender Group Representatives") on a "need to know" basis in connection with this Agreement and the transactions contemplated hereby and on a confidential basis, (ii) to Subsidiaries and Affiliates of any member of the Lender Group, provided that any such Subsidiary or Affiliate shall have been informed of the confidential nature of the Confidential Information and instructed to keep such information confidential in accordance with the terms of this Section 17.9, (iii) as may be required or requested by regulatory authorities so long as such authorities are informed of the confidential nature of such information, (iv) as may be required by statute, decision, or judicial or administrative order, rule, or regulation; provided that (x) prior to any disclosure under this clause (iv), the disclosing party agrees to provide Borrower with prior notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior notice to Borrower pursuant to the terms of the applicable statute, decision, or judicial or administrative order, rule, or regulation and (y) any disclosure under this clause (iv) shall be limited to the portion of the Confidential Information as may be required by such statute, decision, or judicial or administrative order, rule, or regulation, (v) as may be agreed to in advance in writing by Borrower, (vi) as requested by any Governmental Authority or self-regulatory authority, provided, that, (x) prior to any disclosure under this clause (vi) (except in the case of routine reviews, audits and examinations) the disclosing party agrees to provide Borrower with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Borrower pursuant to the terms of the applicable request and by law and (y) any disclosure under this clause (vi) shall be limited to the portion of the Confidential Information as may be requested by such Governmental Authority or self-regulatory authority pursuant to such applicable request, (vii) as required by any Governmental Authority pursuant to any subpoena or other legal process, provided, that, (x) prior to any disclosure under this clause (vii) the disclosing party agrees to provide Borrower with prior written notice thereof, to the extent that it is practicable to do so and to the extent that the disclosing party is permitted to provide such prior written notice to Borrower pursuant to the terms of the subpoena or other legal process and (y) any disclosure under this clause (vii) shall be limited to the portion of the Confidential Information as may be required by such Governmental Authority pursuant to such subpoena or other legal process, (viii) as to any such information that is or becomes generally available to the public (other than as a result of prohibited disclosure by Agent or the Lenders or the Lender Group Representatives), (ix) in connection with any assignment, participation or pledge of any Lender's interest under this Agreement, provided that prior to receipt of Confidential Information any such assignee, participant, or pledgee (other than the Federal Reserve Bank or any central bank in connection with a pledge thereto pursuant to Section 13.1(g)) shall have agreed in writing to receive such Confidential Information either subject to the terms of this Section 17.9 or pursuant to confidentiality requirements substantially similar to those contained in this Section 17.9 (and such Person may disclose such Confidential Information to Persons employed or engaged by them as described in clause (i) above), (x) in connection with any litigation or other adversary proceeding involving parties hereto which such litigation or adversary proceeding involves claims related to the rights or duties of such parties under this Agreement or the other DIP Loan Documents; provided, that, prior to any disclosure

to any Person (other than any Loan Party, Agent, any Lender, any of their respective Affiliates, or their respective counsel) under this clause (x) with respect to litigation involving any Person (other than Borrower, Agent, any Lender, any of their respective Affiliates, or their respective counsel), the disclosing party agrees to provide Borrower with prior written notice thereof, (xi) to exercise of any secured creditor remedy under this Agreement or under any other DIP Loan Document, and (xii) for purposes of establishing a "due diligence" or similar defense in any legal proceeding.

(b) Anything in this Agreement to the contrary notwithstanding, Agent or any Lender may disclose information concerning the terms and conditions of this Agreement and the other DIP Loan Documents to loan syndication and pricing reporting services or in its marketing or promotional materials, with such information to consist of deal terms and other information customarily found in such publications or marketing or promotional materials and may otherwise use the name, logos, and other insignia of Borrower or the other Loan Parties and the DIP Loan Commitments provided hereunder in any "tombstone" or other advertisements, on its website or in other marketing materials of Agent or any Lender.

17.10 **Survival**. All representations and warranties made by the Loan Parties in the DIP Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to this Agreement or any other DIP Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the DIP Loan Documents and the making of any DIP Loans regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent or any Lender may have had notice or knowledge of any Default or Event of Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of, or any accrued interest on, any DIP Loan or any fee or any other amount payable under this Agreement is outstanding or unpaid and so long as the DIP Loan Commitments have not expired or been terminated.

17.11 **Patriot Act**. Each Lender that is subject to the requirements of the Patriot Act hereby notifies Borrower that pursuant to the requirements of the Act, it is required to obtain, verify and record information that identifies Borrower, which information includes the name and address of Borrower and other information that will allow such Lender to identify Borrower in accordance with the Patriot Act. In addition, if Agent is required by law or regulation or internal policies to do so, it shall have the right to periodically conduct (a) Patriot Act searches, OFAC/PEP searches, and customary individual background checks for the Loan Parties and (b) OFAC/PEP searches and customary individual background checks for the Loan Parties' senior management and key principals, and Borrower agrees to cooperate in respect of the conduct of such searches and further agrees that the reasonable costs and charges for such searches shall constitute Lender Group Expenses hereunder and be for the account of Borrower.

17.12 **Integration**. This Agreement, together with the other DIP Loan Documents, reflects the entire understanding of the parties with respect to the transactions contemplated hereby and shall not be contradicted or qualified by any other agreement, oral or written, before the date hereof.

17.13 **[Intentionally Omitted]**.

17.14 **Judgment Currency**. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other DIP Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of Borrower in respect of any such sum due from it to Agent or any Lender hereunder or under the other DIP Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to Agent or any Lender from Borrower in the Agreement Currency, Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to Agent or any Lender in such currency, Agent or such Lender, as the case may be, agrees to return the amount of any excess to Borrower (or to any other Person who may be entitled thereto under applicable law).

17.15 **No Setoff**. All payments made by Borrower hereunder or under any note or other Loan Document will be made without setoff, counterclaim, or other defense.

17.16 **Acknowledgement and Consent to Bail-In of EEA Financial Institutions**. Notwithstanding anything to the contrary in any DIP Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any DIP Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other DIP Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

FORM OF ASSIGNMENT AND ACCEPTANCE AGREEMENT

This **ASSIGNMENT AND ACCEPTANCE AGREEMENT** ("Assignment Agreement") is entered into as of _____ between _____ ("Assignor") and _____ ("Assignee"). Reference is made to the Credit Agreement described in Annex I hereto (the "Credit Agreement"). Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Credit Agreement.

1. In accordance with the terms and conditions of Section 13 of the Credit Agreement, the Assignor hereby sells and assigns to the Assignee, and the Assignee hereby purchases and assumes from the Assignor, that interest in and to the Assignor's rights and obligations under the DIP Loan Documents as of the date hereof with respect to the DIP Facility Obligations owing to the Assignor, and Assignor's portion of the DIP Loan Commitments, all to the extent specified on Annex I.

2. The Assignor (a) represents and warrants that (i) it is the legal and beneficial owner of the interest being assigned by it hereunder and that such interest is free and clear of any adverse claim and (ii) it has full power and authority, and has taken all action necessary, to execute and deliver this Assignment Agreement and to consummate the transactions contemplated hereby; (b) makes no representation or warranty and assumes no responsibility with respect to (i) any statements, representations or warranties made in or in connection with the DIP Loan Documents, or (ii) the execution, legality, validity, enforceability, genuineness, sufficiency or value of the DIP Loan Documents or any other instrument or document furnished pursuant thereto; (c) makes no representation or warranty and assumes no responsibility with respect to the financial condition of Borrower or any Guarantor or the performance or observance by Borrower or any Guarantor of any of their respective obligations under the DIP Loan Documents or any other instrument or document furnished pursuant thereto, and (d) represents and warrants that the amount set forth as the Purchase Price on Annex I represents the amount owed by Borrower to Assignor with respect to Assignor's share of the DIP Loans assigned hereunder, as reflected on Assignor's books and records.

3. The Assignee (a) confirms that it has received copies of the Credit Agreement and the other DIP Loan Documents, together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Assignment Agreement; (b) agrees that it will, independently and without reliance upon Agent, Assignor, or any other Lender, based upon such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking any action under the DIP Loan Documents; (c) confirms that it is an Eligible Transferee; (d) appoints and authorizes Agent to take such action as agent on its behalf and to exercise such powers under the DIP Loan Documents as are delegated to Agent by the terms thereof, together with such powers as are reasonably incidental thereto; (e) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the DIP Loan Documents are required to be performed by it as a Lender; and (f) attaches (i) the forms prescribed by the Internal Revenue Service of the United States certifying as to the Assignee's status for purposes of determining exemption from United States withholding taxes with respect to all payments to be made to the Assignee under the Credit Agreement, or (ii) such other documents as are necessary to indicate that all such payments are subject to such rates at a rate reduced by an applicable tax treaty.

4. Following the execution of this Assignment Agreement by the Assignor and Assignee, the Assignor will deliver this Assignment Agreement to Agent for recording by Agent. The

effective date of this Assignment (the "Settlement Date") shall be the latest to occur of (a) the date of the execution and delivery hereof by the Assignor and the Assignee, (b) the receipt by Agent for its sole and separate account a processing fee in the amount of $3,500 (if required by the Credit Agreement), (c) the receipt of any required consent of Agent or Borrower, if applicable, and (d) the date specified in Annex I.

6. Upon the Settlement Date, Assignee shall pay to Assignor the Purchase Price (as set forth in Annex I). 2. Guaranty.

(a) In recognition of the direct and indirect benefits to be received by Guarantors from the proceeds of the DIP Loans and by virtue of the financial accommodations to be made to Borrower, each of the Guarantors, jointly and severally, hereby unconditionally and irrevocably guarantees as a primary obligor and not merely as a surety the full and prompt payment when due, whether upon maturity, acceleration, or otherwise, of all of the DIP Guarantied Obligations. If any or all of the DIP Facility Obligations becomes due and payable, each of the Guarantors, unconditionally and irrevocably, and without the need for demand, protest, or any other notice or formality, promises to pay such DIP Facility Obligations to Agent, for the benefit of the Lender Group, together with any and all Lender Group Expenses that may be incurred by Agent or any other member of the Lender Group in demanding, enforcing, or collecting any of the DIP Guarantied Obligations (including the enforcement of any collateral for such DIP Facility Obligations or any collateral for the obligations of the Guarantors under this Guaranty). If claim is ever made upon Agent or any other member of the Lender Group for repayment or recovery of any amount or amounts received in payment of or on account of any or all of the DIP Facility Obligations and any of Agent or any other member of the Lender Group repays all or part of said amount by reason of (i) any judgment, decree, or order of any court or administrative body having jurisdiction over such payee or any of its property, or (ii) any settlement or compromise of any such claim effected by such payee with any such claimant (including any Borrower or any Guarantor), then and in each such event, each of the Guarantors agrees that any such judgment, decree, order, settlement, or compromise shall be binding upon the Guarantors, notwithstanding any revocation (or purported revocation) of this Guaranty or other instrument evidencing any liability of any Grantor, and the Guarantors shall be and remain liable to the aforesaid payees hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by any such payee.

(b) Additionally, each of the Guarantors unconditionally and irrevocably guarantees the payment of any and all of the DIP Facility Obligations to Agent, for the benefit of the Lender Group, whether or not due or payable by any Loan Party upon the occurrence of any of the events specified in Section 8.4 or 8.5 of the DIP Term Loan Credit Agreement, and irrevocably and unconditionally promises to pay such indebtedness to Agent, for the benefit of the Lender Group, without the requirement of demand, protest, or any other notice or other formality, in lawful money of the United States.

(c) The liability of each of the Guarantors hereunder is primary, absolute, and unconditional, and is independent of any security for or other guaranty of the DIP Facility Obligations, whether executed by any other Guarantor or by any other Person, and the liability of each of the Guarantors hereunder shall not be affected or impaired by (i) any payment on, or in reduction of, any such other guaranty or undertaking (other than payment in full of the DIP Guarantied Obligations), (ii) any dissolution, termination, or increase, decrease, or change in personnel by any Grantor, (iii) any payment made to Agent or any other member of the Lender Group which Agent or such other member of the Lender Group repays to any Grantor pursuant to court order in any bankruptcy, reorganization, arrangement, moratorium or other debtor relief proceeding (or any settlement or compromise of any claim made in such a proceeding relating to such payment), and each of the Guarantors waives any right to the deferral or modification of its obligations hereunder by reason of any such proceeding, or (iv) any action or inaction by Agent or any other member of the Lender Group, or (v) any invalidity, irregularity, avoidability, or unenforceability of all or any part of the DIP Facility Obligations or of any security therefor.

(d) This Guaranty includes all present and future DIP Guarantied Obligations including any under transactions continuing, compromising, extending, increasing, modifying, releasing, or renewing the DIP Guarantied Obligations, changing the interest rate, payment terms, or other terms and conditions thereof, or creating new or additional DIP Guarantied Obligations after prior DIP Guarantied Obligations have been satisfied in whole or in part. To the maximum extent permitted by law, each Guarantor hereby waives any right to revoke this Guaranty as to future DIP Guarantied Obligations. If such a revocation is effective notwithstanding the foregoing waiver, each Guarantor acknowledges and agrees that (i) no such revocation shall be effective until written notice thereof has been received by Agent, (ii) no such revocation shall apply to any DIP Guarantied Obligations in existence on the date of receipt by Agent of such written notice (including any subsequent continuation, extension, or renewal thereof, or change in the interest rate, payment terms, or other terms and conditions thereof), (iii) no such revocation shall apply to any DIP Guarantied Obligations made or created after such date to the extent made or created pursuant to a legally binding commitment of any member of the Lender Group in existence on the date of such revocation, (iv) no payment by any Guarantor, any Borrower, or from any other source, prior to the date of Agent's receipt of written notice of such revocation shall reduce the maximum obligation of such Guarantor hereunder, and (v) any payment by any Borrower or from any source other than such Guarantor subsequent to the date of such revocation shall first be applied to that portion of the DIP Guarantied Obligations as to which the revocation is effective and which are not, therefore, guarantied hereunder, and to the extent so applied shall not reduce the maximum obligation of such Guarantor hereunder. This Guaranty shall be binding upon each Guarantor, its successors and assigns and inure to the benefit of and be enforceable by Agent (for the benefit of the Lender Group) and its successors, transferees, or permitted assigns.

(e) The guaranty by each of the Guarantors hereunder is a guaranty of payment and not of collection. The obligations of each of the Guarantors hereunder are independent of the obligations of any other Guarantor or Grantor or any other Person and a separate action or actions may be brought and prosecuted against one or more of the Guarantors whether or not action is brought against any other Guarantor or Grantor or any other Person and whether or not any other Guarantor or Grantor or any other Person be joined in any such action or actions. Each of the Guarantors waives, to the fullest extent permitted by law, the benefit of

any statute of limitations affecting its liability hereunder or the enforcement hereof. Any payment by any Grantor or other circumstance which operates to toll any statute of limitations as to any Grantor shall operate to toll the statute of limitations as to each of the Guarantors.

(f) Each of the Guarantors authorizes Agent and the other members of the Lender Group without notice or demand (except for such notices expressly agreed to be provided by Agent under the DIP Loan Documents), and without affecting or impairing its liability hereunder, from time to time to:

(i) change the manner, place, or terms of payment of, or change or extend the time of payment of, renew, increase, accelerate, or alter: (A) any of the DIP Facility Obligations (including any increase or decrease in the principal amount thereof or the rate of interest or fees thereon); or (B) any security therefor or any liability incurred directly or indirectly in respect thereof, and this Guaranty shall apply to the DIP Facility Obligations as so changed, extended, renewed, or altered;

(ii) take and hold security for the payment of the DIP Facility Obligations and sell, exchange, release, impair, surrender, realize upon, collect, settle, or otherwise deal with in any manner and in any order any property at any time pledged or mortgaged to secure the DIP Facility Obligations or any of the DIP Guarantied Obligations (including any of the obligations of all or any of the Guarantors under this Guaranty) incurred directly or indirectly in respect thereof or hereof, or any offset on account thereof;

(iii) exercise or refrain from exercising any rights against any Grantor;

(iv) release or substitute any one or more endorsers, guarantors, any Grantor, or other obligors;

(v) settle or compromise any of the DIP Facility Obligations, any security therefor, or any liability (including any of those of any of the Guarantors under this Guaranty) incurred directly or indirectly in respect thereof or hereof, and may subordinate the payment of all or any part thereof to the payment of any liability (whether due or not) of any Grantor to its creditors;

(vi) apply any sums by whomever paid or however realized to any liability or liabilities of any Grantor to Agent or any other member of the Lender Group regardless of what liability or liabilities of such Grantor remain unpaid;

(vii) consent to or waive any breach of, or any act, omission, or default under, this Agreement, any other DIP Loan Document or any of the instruments or agreements referred to herein or therein, or otherwise amend, modify, or supplement this Agreement, any other DIP Loan Document or any of such other instruments or agreements; or

(viii) take any other action that could, under otherwise applicable principles of law, give rise to a legal or equitable discharge of one or more of the Guarantors from all or part of its liabilities under this Guaranty.

(g) It is not necessary for Agent or any other member of the Lender Group to inquire into the capacity or powers of any of the Guarantors or the officers, directors, partners or agents acting or purporting to act on their behalf, and any DIP Facility Obligations made or created in reliance upon the professed exercise of such powers shall be guaranteed hereunder.

(h) Each Guarantor jointly and severally guarantees that the DIP Guarantied Obligations will be paid strictly in accordance with the terms of the DIP Loan Documents, regardless of any law, regulation, or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any member of the Lender Group with respect thereto. The obligations of each Guarantor under this Guaranty are independent of the DIP Guarantied Obligations, and a separate action or actions may be brought and prosecuted against each Guarantor to enforce such obligations, irrespective of whether any action is brought against any other Guarantor or whether any other Guarantor is joined in any such action or actions. The liability of each Guarantor under this Guaranty shall be absolute and unconditional irrespective of, and each Guarantor hereby irrevocably waives, to the fullest extent permitted by applicable law, any defense (other than a defense of payment in full of the DIP Guarantied Obligations) it may now or hereafter have in any way relating to, any or all of the following:

(i) any lack of validity or enforceability of any DIP Loan Document or any agreement or instrument relating thereto;

(ii) any change in the time, manner, or place of payment of, or in any other term of, all or any of the DIP Guarantied Obligations, or any other amendment or waiver, supplement, restatement, extension, novation, renewal, replacement or continuation of or any consent to departure from any DIP Loan Document, including any increase in the DIP Guarantied Obligations resulting from the extension of additional credit;

(iii) any taking, exchange, release, or non-perfection of any DIP Lien in and to any DIP Collateral, or any taking, release, amendment, waiver of, or consent to departure from any other guaranty, for all or any of the DIP Guarantied Obligations;

(iv) the existence of any claim, set-off, defense (other than payment in full of the DIP Guarantied Obligations), or other right that any Guarantor may have at any time against any Person, including Agent or any other member of the Lender Group;

(v) any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the DIP Guarantied Obligations or any security therefor;

(vi) any right or defense arising by reason of any claim or defense based upon an election of remedies by any member of the Lender Group including any defense based upon an impairment or elimination of such Guarantor's rights of subrogation, reimbursement, contribution, or indemnity of such Guarantor against any other Grantor or any guarantors or sureties;

(vii) any change, restructuring, or termination of the corporate, limited liability company, or partnership structure or existence of any Grantor; or

(viii) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor or any other Guarantor or surety (other than a defense of payment in full of the DIP Guarantied Obligations).

(i) Waivers:

(i) Each of the Guarantors waives (to the fullest extent permitted by applicable law) any right (except as shall be required by applicable statute or law and cannot be waived) to require Agent or any other member of the Lender Group to (i) proceed against any other Grantor or any other Person, (ii) proceed against or exhaust any security held from any other Grantor or any other Person, or (iii) protect, secure, perfect, or insure any security interest or DIP Lien on any property subject thereto or exhaust any right to take any action against any other Grantor, any other Person, or any collateral, or (iv) pursue any other remedy in any member of the Lender Group's power whatsoever. Each of the Guarantors waives, to the fullest extent permitted by applicable law, any defense based on or arising out of any defense of any Grantor or any other Person, other than payment of the DIP Facility Obligations to the extent of such payment, based on or arising out of the disability of any Grantor or any other Person, or the validity, legality, or unenforceability of the DIP Facility Obligations or any part thereof from any cause, or the cessation from any cause of the liability of any Grantor other than payment of the DIP Facility Obligations to the extent of such payment. Agent may, at the election of the Required Lenders, foreclose upon any DIP Collateral held by Agent by one or more judicial or nonjudicial sales or other dispositions, whether or not every aspect of any such sale is commercially reasonable or otherwise fails to comply with applicable law or may exercise any other right or remedy Agent or any other member of the Lender Group may have against any Grantor or any other Person, or any security, in each case, without affecting or impairing in any way the liability of any of the Guarantors hereunder except to the extent the DIP Facility Obligations have been paid.

(ii) Each of the Guarantors waives all presentments, demands for performance, protests and notices, including notices of nonperformance, notices of protest, notices of dishonor, notices of acceptance of this Guaranty, and notices of the existence, creation, or incurring of new or additional DIP Facility Obligations or other financial accommodations. Each of the Guarantors waives notice of any Default or Event of Default under any of the DIP Loan Documents. Each of the Guarantors assumes all responsibility for being and keeping itself informed of each Grantor's financial condition and assets and of all other circumstances bearing upon the risk of nonpayment of the DIP Facility Obligations and the nature, scope, and extent of the risks which each of the Guarantors assumes and incurs hereunder, and agrees that neither Agent nor any of the other members of the Lender Group shall have any duty to advise any of the Guarantors of information known to them regarding such circumstances or risks.

(iii) To the fullest extent permitted by applicable law, each Guarantor hereby waives: (A) any right to assert against any member of the Lender Group, any defense (legal or equitable) (other than the defense that all of the DIP Guarantied Obligations have been paid in full), set-off, counterclaim, or claim which each Guarantor may now or at any time hereafter have against any Borrower or any other party liable to any member of the Lender Group; (B) any defense, set-off, counterclaim, or claim, of any kind or nature, arising directly or indirectly from the present or future lack of perfection, sufficiency, validity, or enforceability of the DIP Guarantied Obligations or any security therefor; (C) any right or defense arising by reason of any

claim or defense based upon an election of remedies by any member of the Lender Group including any defense based upon an impairment or elimination of such Guarantor's rights of subrogation, reimbursement, contribution, or indemnity of such Guarantor against any Borrower or other guarantors or sureties; and (D) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement thereof, and any act which shall defer or delay the operation of any statute of limitations applicable to the DIP Guarantied Obligations shall similarly operate to defer or delay the operation of such statute of limitations applicable to such Guarantor's liability hereunder.

(iv) No Guarantor will exercise any rights that it may now or hereafter acquire against any Grantor or any other guarantor that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under this Guaranty, including any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of Agent or any other member of the Lender Group against any Grantor or any other guarantor or any DIP Collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including the right to take or receive from any Grantor or any other guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security solely on account of such claim, remedy or right, unless and until all of the DIP Guarantied Obligations and all other amounts payable under this Guaranty shall have been paid in full and all of the DIP Loan Commitments have been terminated. If any amount shall be paid to any Guarantor in violation of the immediately preceding sentence, such amount shall be held in trust for the benefit of Agent, for the benefit of the Lender Group, and shall forthwith be paid to Agent to be credited and applied to the DIP Guarantied Obligations and all other amounts payable under this Guaranty, whether matured or unmatured, in accordance with the terms of the DIP Term Loan Credit Agreement, or to be held as DIP Collateral for any DIP Guarantied Obligations or other amounts payable under this Guaranty thereafter arising. Notwithstanding anything to the contrary contained in this Guaranty, no Guarantor may exercise any rights of subrogation, contribution, indemnity, reimbursement or other similar rights against, and may not proceed or seek recourse against or with respect to any property or asset of, any other Grantor (the "Foreclosed Grantor"), including after payment in full of the DIP Guarantied Obligations, if all or any portion of the DIP Facility Obligations have been satisfied in connection with an exercise of remedies in respect of the Equity Interests of such Foreclosed Grantor whether pursuant to this Agreement or otherwise.

(v) Each of the Guarantors represents, warrants, and agrees that each of the waivers set forth above is made with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law or public policy, such waivers shall be effective to the maximum extent permitted by law.

(j) Upon payment in full of the DIP Guarantied Obligations, the Guaranty made hereby shall automatically terminate.

3. Grant of Security. Each Grantor hereby grants and pledges to Agent for the benefit of each member of the Lender Group, to secure the DIP Secured Obligations, a continuing security interest (hereinafter referred to as the "Security Interest") in all of such Grantor's right, title, and interest in and to the following, whether now owned or hereafter acquired or arising and wherever located (the "DIP Collateral"):

Without limiting the generality of the foregoing, the term "Proceeds" includes whatever is receivable or received when Investment Property or proceeds are sold, exchanged, collected, or otherwise disposed of, whether such disposition is voluntary or involuntary, and includes proceeds of any indemnity or guaranty payable to any Grantor or Agent from time to time with respect to any of the Investment Property.

Notwithstanding anything contained in this Agreement to the contrary, the term "DIP Collateral" and any defined term used therein shall not include, and the Security Interest shall not attach to, the following property (such property, the "Excluded DIP Collateral"): (i) voting Equity Interests of any first-tier CFC or US Foreign Holdco, to the extent that such Equity Interests represent more than 65% of the outstanding voting Equity Interests of such first-tier CFC or US Foreign Holdco or any of the Equity Interest of a CFC or US Foreign Holdco that is owned by another CFC or US Foreign Holdco; (ii) any of the assets of any CFC or any US Foreign Holdco; (iii) any rights or interest in any General Intangible, contract, lease, permit, license, or license agreement covering real or personal property of any Grantor, including Intellectual Property Licenses, if under the terms of such General Intangible, contract, lease, permit, license, or license agreement, or applicable law with respect thereto, the grant of a security interest or lien therein is prohibited as a matter of law or under the terms of such General Intangible, contract, lease, permit, license, or license agreement (or the grant of a security interest or lien therein would invalidate such General Intangible, contract, lease, permit, license, or license agreement or breach, default or create a right of termination in favor of any other party thereto) and such prohibition or restriction has not been waived or the consent of the other party to such General Intangible, contract, lease, permit, license, or license agreement has not been obtained (provided, that, (A) the foregoing exclusions of this paragraph shall in no way be construed (1) to apply to the extent that any described prohibition or restriction is ineffective under Section 9-406, 9-407, 9-408, or 9-409 of the Code or other applicable law, or (2) to apply to the extent that any consent or waiver has been obtained that would permit Agent's Security Interest or lien to attach notwithstanding the prohibition or restriction on the pledge of such General Intangible, contract, lease, permit, license, or license agreement, (B) the foregoing exclusions of this clause (iii) shall in no way be construed to limit, impair, or otherwise affect any of Agent's or any other member of the Lender Group's continuing security interests in and liens upon any rights or interests of any Grantor in or to (1) monies due or to become due under or in connection with any described General Intangible, contract, lease, permit, license, license agreement (including any Accounts or Equity Interests), or (2) any proceeds from the sale, license, lease, or other dispositions of any such General Intangible, contract, lease, permit,

license, license agreement (including any Equity Interests), (C) with respect to assets with a fair market value in excess of $3,750,000 in the aggregate or otherwise material to the business or operations of the Grantors, taken as a whole (such assets, "material assets"), the Grantors shall use commercially reasonable efforts (not involving expending money in excess of de minimis amounts) to obtain any applicable consent or waiver of such prohibition and (D) with respect to any lease, license or other agreement or arrangement entered into after the date of this Agreement, the Grantors shall use commercially reasonable efforts (not involving expending money in excess of de minimis amounts) to not enter into such prohibitions); (iv) any United States intent-to-use trademark applications for which an amendment to allege use or a statement of use has not been filed and accepted by the PTO, to the extent that, and solely during the period in which, the grant, attachment or perfection of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law, provided that upon submission and acceptance by the PTO of an amendment to allege use or a statement of use pursuant to 15 U.S.C. Section 1051(c) or (d) (or any successor provision), such intent-to-use trademark application shall be considered DIP Collateral; (v) any Equipment or Fixture of a Grantor that is subject to a perfected DIP Lien that constitutes a Permitted Lien under clause (f) of the definition of "Permitted Lien" if and for so long as the grant of a security interest therein to Agent in such Equipment or Fixture shall constitute or result in a breach or termination pursuant to the terms of, or a default under, the agreement entered into in connection with such Permitted Lien on such Equipment or Fixture, provided however that such security interest shall attach immediately at such time as the term restricting the attachment of a security interest in such Equipment or Fixture is no longer operative or the attachment of a security interest in such Equipment or Fixture would not constitute or result in a breach or termination pursuant to the terms of, or a default under, such agreement; (vi) Equity Interests in Unrestricted Subsidiaries; (vii) those assets as to which the Agent reasonably agrees that the costs of obtaining a security interest therein or perfection thereof are excessive in relation to the benefit to the Lender Group of the security to be afforded thereby; (viii) Excluded Deposit Accounts and Securities Accounts and (ix) interests in partnerships, joint ventures and non-wholly-owned subsidiaries which cannot be pledged without the consent of one or more third parties (provided, that, (A) the foregoing exclusions of this clause (ix) shall in no way be construed (1) to apply to the extent that any described prohibition or restriction is ineffective under Section 9-406, 9-407, 9-408, or 9-409 of the Code or other applicable law, or (2) to apply to the extent that any consent or waiver has been obtained that would permit Agent's Security Interest or lien to attach notwithstanding the prohibition or restriction on the pledge of such interests, (B) the foregoing exclusions of this clause (ix) shall in no way be construed to limit, impair, or otherwise affect any of Agent's, any other member of the Lender Group's continuing security interests in and liens upon any rights or interests of any Grantor in or to (1) monies due or to become due under or in connection with any described interests (including any Accounts or Equity Interests), or (2) any proceeds from the sale, license, lease, or other dispositions of any such interests (including any Equity Interests), (C) with respect to material assets, the Grantors shall use commercially reasonable efforts (not involving expending money in excess of de minimis amounts) to obtain any applicable consent or waiver of such prohibition and (D) with respect to any such interests acquired after the date of this Agreement, the Grantors shall use commercially reasonable efforts (not involving expending money in excess of de minimis amounts) to not enter into such prohibitions).

4. Security for DIP Secured Obligations . The Security Interest created hereby secures the payment and performance of the DIP Secured Obligations , whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Agreement secures the payment of all amounts which constitute part of the DIP Secured Obligations and would be owed by Grantors, or any of them, to Agent, the Lender Group or any of them, but for the fact that they are unenforceable or not allowable (in whole or in part) as a claim in an Insolvency Proceeding involving any Grantor due to the existence of such Insolvency Proceeding.

5. Grantors Remain Liable. Anything herein to the contrary notwithstanding, (a) each of the Grantors shall remain liable under the contracts and agreements included in the DIP Collateral, including the Pledged Operating Agreements, the Pledged Partnership Agreements and the Pledged Intercompany Notes, to perform all of the duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by Agent or any other member of the Lender Group of any of the rights hereunder shall not release any Grantor from any of its duties or obligations under such contracts and agreements included in the DIP Collateral, and (c) none of the members of the Lender Group shall have any obligation or liability under such contracts and agreements included in the DIP Collateral by reason of this Agreement, nor shall any of the members of the Lender Group be obligated to perform any of the obligations or duties of any Grantors thereunder or to take any action to collect or enforce any claim for payment assigned hereunder. Unless an Event of Default has occurred and is continuing and Agent has provided the requisite notice to the Grantors pursuant to this Agreement, except as otherwise provided in this Agreement, the DIP Term Loan Credit Agreement, or any other DIP Loan Document, Grantors shall have the right to possession and enjoyment of the DIP Collateral for the purpose of conducting the ordinary course of their respective businesses, subject to and upon the terms hereof and of the DIP Term Loan Credit Agreement, the other DIP Loan Documents and the DIP Orders. Without limiting the generality of the foregoing, it is the intention of the parties hereto that record and beneficial ownership of the Pledged Interests, including all voting, consensual, dividend, and distribution rights, shall remain in the applicable Grantor until (i) the occurrence and continuance of an Event of Default and (ii) Agent has notified the applicable Grantor in writing of Agent's election to exercise such rights with respect to the Pledged Interests in accordance with Section 16.

6. Representations and Warranties. In order to induce Agent to enter into this Agreement for the benefit of the Lender Group, each Grantor makes the following representations and warranties to the Lender Group which shall be true, correct, and complete, in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof), as of the date of this Agreement, and shall be true, correct, and complete, in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof), as of the date of the making of each DIP Loan (or other extension of credit) made thereafter, as though made on and as of the date of such DIP Loan (or other extension of credit) (except to the extent that such representations and warranties relate solely to an earlier date, in which case such representations and warranties shall be true and correct in all material respects (except that such materiality qualifier shall not be applicable to any representations and warranties that already are qualified or modified by materiality in the text thereof) as of such earlier date) and such representations and warranties shall survive the execution and delivery of this Agreement:

(i) This Agreement and the DIP Orders create a valid security interest in the DIP Collateral of each Grantor. Pursuant to the terms of the DIP Orders, no filing or other action will be necessary to perfect or protect such security interests, provided that the Agent may, in its discretion, undertake all filings and other actions to protect such security interest, including filings in the jurisdictions listed next to such Grantor's name on Schedule 11. Upon the entry of the DIP Orders, Agent shall have a first priority perfected security interest in the DIP Collateral of each Grantor (subject to the Carve Out and Permitted Priority Liens).

(f) Government Contracts. Other than Accounts and Chattel Paper the aggregate value of which does not at any one time exceed $625,000, if any Account or Chattel Paper arises out of a contract or contracts with the United States of America or any department, agency, or instrumentality thereof, Grantors shall promptly (and in any event within five (5) Business Days of the creation thereof or such longer period as reasonably agreed to by Agent) notify Agent thereof and, promptly (and in any event within five (5) Business Days) after request by Agent, execute any instruments or take any steps reasonably required by Agent in order that all moneys due or to become due under such contract or contracts shall be assigned to Agent, for the benefit of the Lender Group, and, after written request by Agent, shall provide written notice thereof under the Assignment of Claims Act or other applicable law;

(g) Intellectual Property.

(i) Upon the written request of Agent, in order to facilitate filings with the PTO and the United States Copyright Office, each Grantor shall execute and deliver to Agent one or more Copyright Security Agreements, Trademark Security Agreements, or Patent Security Agreements to further evidence Agent's DIP Lien on such Grantor's issued or applied-for Patents, registered or applied-for Trademarks, or applied-for Copyrights, in each case that do not constitute Excluded DIP Collateral;

(ii) Each Grantor shall, subject to its reasonable business judgment, with respect to Intellectual Property that is now owned or later becomes owned by such Grantor that is material to the conduct of such Grantor's business, protect and enforce and defend at such Grantor's expense such material Intellectual Property, including, subject to its reasonable business judgment, (A) to enforce and defend, by promptly suing for infringement, misappropriation, or dilution and to recover any and all damages for such infringement, misappropriation, or dilution, and filing opposition, interference, and cancellation of proceedings against conflicting Intellectual Property rights of any Person, (B) to prosecute diligently any trademark application or service mark application that is material to the conduct of any Grantor's business pending as of the date hereof or hereafter until the termination of this Agreement, (C) to prosecute diligently any patent application that is material to the conduct of any Grantor's business pending as of the date hereof or hereafter until the termination of this Agreement, and (D) to take reasonable and necessary action to preserve and maintain all of such Grantor's registered Trademarks, issued Patents and

registered Copyrights that are material to the conduct of any Grantor's business, and its rights therein, including paying all maintenance fees and filing of applications for renewal, affidavits of use, and affidavits of noncontestability. Each Grantor further agrees not to knowingly abandon any material Intellectual Property owned by such Grantor or material Intellectual Property License to which such Grantor is a party that, in such Grantor's reasonable business judgment, is necessary in the conduct of such Grantor's business;

(iii) Grantors acknowledge and agree that the Lender Group shall have no duties with respect to any Intellectual Property or Intellectual Property Licenses of any Grantor. Without limiting the generality of this Section 7(g)(iii), Grantors acknowledge and agree that no member of the Lender Group shall be under any obligation to take any steps necessary to preserve rights in the DIP Collateral consisting of Intellectual Property or Intellectual Property Licenses against any other Person, but any member of the Lender Group may do so at its option from and after the occurrence and during the continuance of an Event of Default, and all expenses incurred in connection therewith (including reasonable fees and expenses of attorneys and other professionals) shall be for the sole account of the Borrower;

(iv) [Intentionally Omitted].

(v) On a quarterly basis with the delivery of a Compliance Certificate pursuant to Section 5.2 of the DIP Term Loan Credit Agreement (or, if an Event of Default has occurred and is continuing, more frequently if requested by Agent), each Grantor shall provide Agent with a written report of all new Patents, Trademarks or Copyrights that are registered or the subject of pending applications for registrations, and of all Intellectual Property Licenses (but excluding licenses of off-the-shelf commercially available software programs), that are material to the conduct of such Grantor's business, in each case, which would not be considered Excluded DIP Collateral and which were acquired, registered, or for which applications for registration were filed by any Grantor during such fiscal quarter and copies of any statement of use or amendment to allege use with respect to intent to use trademark applications. In the case of such registrations or applications therefor, which were acquired by any Grantor from another Person, each such Grantor shall file the necessary documents with the appropriate Governmental Authority in the United States identifying the applicable Grantor as the owner (or as a co-owner thereof, if such is the case) of such Intellectual Property. In each of the foregoing cases, the applicable Grantor shall promptly cause to be prepared, executed, and delivered to Agent supplemental schedules to the applicable DIP Loan Documents to identify such Patent, Trademark and Copyright registrations and applications therefor and Intellectual Property Licenses, in each case to the extent not constituting Excluded DIP Collateral, as being subject to the security interests created thereunder; and

(vi) [Intentionally Omitted]

(vii) With respect to any Intellectual Property License (x) entered into after the date hereof, (y) that is material to the conduct of the business, and (z) by which any Grantor receives a license or rights in any material Intellectual Property of another Person, subject to its reasonable business judgment, Grantor shall use commercially reasonable efforts (not involving expending money in excess of de minimis amounts) to permit the assignment of or grant a security interest in such Intellectual Property License (and all rights of Grantor thereunder) to Agent (and any transferees of Agent).

(h) Investment Property.

(i) If any Grantor shall acquire or obtain any Pledged Interests constituting a "security" (as defined in the Code) or Pledged Intercompany Notes that do not constitute Excluded DIP Collateral after the date of this Agreement, such Grantor shall, within the time period prescribed in Section 5.11 of the DIP Term Loan Credit Agreement, deliver to Agent a duly executed Pledged Interests Addendum identifying such Pledged Interests and/or Pledged Intercompany Notes, as applicable, and deliver such newly acquired Pledged Interests or Pledged Intercompany Notes;

(ii) Upon the occurrence and during the continuance of an Event of Default, following the written request of Agent, all sums of money and property paid or distributed in respect of the Investment Property that are received by any Grantor shall be held by the Grantors in trust for the benefit of Agent segregated from such Grantor's other property, and such Grantor shall deliver it forthwith to Agent in the exact form received;

(iii) Each Grantor agrees that it will cooperate with Agent in obtaining all necessary approvals and making all necessary filings under federal, state, local, or foreign law to effect the perfection of the Security Interest on the Investment Property or, after an Event of Default has occurred and is continuing and following receipt of notice pursuant to Section 16, to effect any sale or transfer thereof;

(iv) As to all limited liability company or partnership interests, issued under any Pledged Operating Agreement or Pledged Partnership Agreement, each Grantor hereby covenants that the Pledged Interests issued pursuant to such agreement (A) are not and shall not be dealt in or traded on securities exchanges or in securities markets, (B) do not and will not constitute investment company securities, and (C) are not and will not be held by such Grantor in a securities account. In addition, none of the Pledged Operating Agreements, the Pledged Partnership Agreements, or any other agreements governing any of the Pledged Interests issued under any Pledged Operating Agreement or Pledged Partnership Agreement, provide or shall provide that such Pledged Interests are securities governed by Article 8 of the Uniform Commercial Code as in effect in any relevant jurisdiction while any Pledged Interests are pledged pursuant to this Agreement; provided, however, such Pledged Operating Agreement or Pledged Partnership Agreement, as applicable, may provide that such an Article 8 election can be made with the consent of all pledgees of such units and percentage ownership or the delivery of any applicable certificate or control agreement necessary to perfect each such pledgee's interests in the applicable units or percentage ownership.

(v) With regard to any Pledged Interests constituting a "security" (as defined in the Code) that are not certificated, any such Grantor of such non-certificated Pledged Interests (i) agrees promptly to note on its books the security interests granted to Agent and confirmed under this Agreement, (ii) agrees that after the occurrence and during the continuation of an Event of Default, it will comply with instructions of Agent or its nominee with respect to the applicable Pledged Interests without further consent by the applicable Grantor, (iii) to the extent permitted by law, agrees that the "issuer's jurisdiction" (as defined in Section 8-110 of the UCC) is the State of New York, U.S.A., (iv) agrees to notify Agent upon obtaining knowledge of any interest in favor of any person in the applicable Pledged Interests that is materially adverse to the

interest of the Agent therein, other than any Permitted Liens and (v) waives any right or requirement at any time hereafter to receive a copy of this Agreement in connection with the registration of any Pledged Interests hereunder in the name of Agent or its nominee or the exercise of voting rights by Agent or its nominee.

(i) [Intentionally Omitted].

(j) Transfers and Other Liens. Grantors shall not (i) sell, assign (by operation of law or otherwise) or otherwise dispose of, or grant any option with respect to, any of the DIP Collateral, except as expressly permitted by the DIP Term Loan Credit Agreement or the other DIP Loan Documents, or (ii) create or permit to exist any Lien upon or with respect to any of the DIP Collateral of any Grantor, except for Permitted Liens. The inclusion of Proceeds in the DIP Collateral shall not be deemed to constitute Agent's consent to any sale or other disposition of any of the DIP Collateral except as expressly permitted in this Agreement or the other DIP Loan Documents;

(k) Deposit Accounts; Securities Accounts.

(i) With respect to each Deposit Account and each Securities Account (excluding, in each case, any Excluded Deposit Accounts and Securities Accounts) set forth on Schedule 10 as of the date of this Agreement, each Grantor shall establish and maintain a Control Agreement (in form and substance reasonably acceptable to Agent) with Agent and the applicable bank set forth on Schedule 10 ("Controlled Account Bank"). Each Grantor shall promptly notify the Agent of any opening or closing of a deposit account or securities account (other than any Excluded Deposit Accounts and Securities Accounts). Notwithstanding anything to the contrary provided herein, (a) to the extent a Control Agreement is required for a Deposit Account or Securities Account that does not constitute an Excluded Deposit Account and Securities Account (1) on the date of this Agreement, such Control Agreement shall not be required to be delivered until the date that falls 90 days following the date of this Agreement (or such later date as the Agent may reasonably agree) and (2) thereafter, with respect to the formation or acquisition of any new direct or indirect wholly owned Subsidiary by any Grantor or any Subsidiary that becomes a Grantor, such Control Agreement shall not be required to be delivered until the date that falls 90 days after the date of such occurrence (or such later date as the Agent may reasonably agree) and (b) no Grantor shall enter into a Control Agreement with respect a Deposit Account or a Securities Account with ABL DIP Agent unless (1) Agent is made a party to such Control Agreement or (2) such Grantor has previously entered, or concurrently therewith enters, into a Control Agreement (in form and substance reasonably acceptable to Agent) with respect to such Deposit Account or Securities Account with Agent.

(ii) So long as no Default or Event of Default has occurred and is continuing, Borrower may amend Schedule 10 to add or replace a Controlled Account Bank or Controlled Account and shall upon such addition or replacement provide to Agent an amended Schedule 10; provided, however, that (A) such prospective Controlled Account Bank shall be reasonably satisfactory to Agent and (B) prior to or concurrently with the time of the opening of such Controlled Account, the applicable Grantor and such prospective Controlled Account Bank shall have executed and delivered to Agent a Control Agreement (in form and substance reasonably acceptable to Agent) with respect to such Controlled Account.

(iii) No Grantor will make, acquire, or permit to exist Permitted Investments consisting of cash, Cash Equivalents, or amounts credited to Deposit Accounts or Securities Accounts unless Grantor and the applicable bank or securities intermediary have entered into Control Agreements with Agent governing such Permitted Investments in order to perfect (and further establish) Agent's DIP Liens in such Permitted Investments (unless constituting Excluded Deposit Accounts and Securities Accounts).

(iv) [Reserved].

(l) Name, Etc. No Grantor will change its name, organizational identification number, jurisdiction of organization or organizational identity; provided, that notwithstanding the foregoing any Grantor may change its name upon at least five (5) days' (or such shorter period agreed to by Agent) prior written notice to Agent.

8. Relation to Other Security Documents. The provisions of this Agreement shall be read and construed with the other DIP Loan Documents referred to below in the manner so indicated.

(a) DIP Term Loan Credit Agreement. In the event of any conflict between any provision in this Agreement and a provision in the DIP Term Loan Credit Agreement, such provision of the DIP Term Loan Credit Agreement shall control.

(b) Patent, Trademark, Copyright Security Agreements. The provisions of the Copyright Security Agreements, Trademark Security Agreements, and Patent Security Agreements are supplemental to the provisions of this Agreement, and nothing contained in the Copyright Security Agreements, Trademark Security Agreements, or the Patent Security Agreements shall limit any of the rights or remedies of Agent hereunder. In the event of any conflict between any provision in this Agreement and a provision in a Copyright Security Agreement, Trademark Security Agreement or Patent Security Agreement, such provision of this Agreement shall control.

9. Further Assurances.

(a) Subject to the limitations in this Agreement, the DIP Orders and the other DIP Loan Documents, each Grantor agrees that from time to time, at its own expense, such Grantor will promptly execute and deliver all further instruments and documents, and take all further action, that Agent may reasonably request in writing, in order to perfect (if and to the extent such perfection is required by this Agreement and, with respect to Intellectual Property, could be achieved by the filings required by this Agreement) and protect the Security Interest granted hereby, to create, perfect (if and to the extent such perfection is required by this Agreement and, with respect to Intellectual Property, could be achieved by the filings required by this Agreement) or protect the Security Interest purported to be granted hereby or to enable Agent to exercise and enforce its rights and remedies hereunder with respect to any of the DIP Collateral.

(b) Each Grantor authorizes the filing by Agent of financing or continuation statements, or amendments thereto, and such Grantor will execute and deliver to Agent such

other instruments or notices, as Agent may reasonably request in writing, in order to perfect (if and to the extent such perfection is required by this Agreement and, with respect to Intellectual Property, could be achieved by the filings required by this Agreement) and preserve the Security Interest granted or purported to be granted hereby.

(c) Each Grantor authorizes Agent at any time and from time to time to file, transmit, or communicate, as applicable, financing statements and amendments (i) describing the DIP Collateral as "all personal property of debtor, whether now owned or hereafter acquired or arising" or "all assets of debtor, whether now owned or hereafter acquired or arising" or words of similar effect, (ii) describing the DIP Collateral as being of equal or lesser scope or with greater detail, or (iii) that contain any information required by part 5 of Article 9 of the Code for the sufficiency or filing office acceptance. Each Grantor also hereby ratifies any and all financing statements or amendments previously filed by Agent in any jurisdiction.

(d) Each Grantor acknowledges that it is not authorized to file any financing statement or amendment or termination statement with respect to any financing statement filed in connection with this Agreement without the prior written consent of Agent, subject to such Grantor's rights under Section 9-509(d)(2) of the Code.

10. Agent's Right to Perform Contracts, Exercise Rights, etc. Subject to the DIP Orders, upon the occurrence and during the continuance of an Event of Default and with concurrent notice to the Grantors, Agent (or its designee) (a) may proceed to perform any and all of the obligations of any Grantor contained in any contract, lease, or other agreement (in each case, that does not constitute Excluded DIP Collateral) and exercise any and all rights of any Grantor therein contained as fully as such Grantor itself could, (b) shall have the right to use any Grantor's rights under Intellectual Property Licenses that do not constitute Excluded DIP Collateral (to the extent not prohibited under the applicable Intellectual Property License or under applicable law) in connection with the enforcement of Agent's rights hereunder, including the right to prepare for sale and sell any and all Inventory or Equipment now or hereafter owned by any Grantor and now or hereafter covered by such licenses, and (c) shall, upon notice to Grantors of Agent's election to exercise such rights pursuant to Section 16, have the right to request that any Equity Interests that are pledged hereunder be registered in the name of Agent or any of its nominees.

11. Agent Appointed Attorney-in-Fact. Each Grantor hereby irrevocably appoints (until the termination of this Agreement) Agent its attorney-in-fact for the purposes provided in this Section 11, with full authority in the place and stead of such Grantor and in the name of such Grantor, solely at such time as an Event of Default has occurred and is continuing under the DIP Term Loan Credit Agreement, to take any action and to execute any instrument which Agent may reasonably deem necessary or advisable to accomplish the purposes of this Agreement, including:

(a) to ask, demand, collect, sue for, recover, compromise, receive and give acquittance and receipts for moneys due and to become due under or in connection with the Accounts or any other DIP Collateral of such Grantor;

(b) to receive and open all mail addressed to such Grantor and to notify postal authorities to change the address for the delivery of mail to such Grantor to that of Agent;

(c) to receive, indorse, and collect any drafts or other instruments, documents, Negotiable DIP Collateral or Chattel Paper;

(d) to file any claims or take any action or institute any proceedings which Agent may reasonably deem necessary for the collection of any of the DIP Collateral of such Grantor or otherwise to enforce the rights of Agent with respect to any of the DIP Collateral;

(e) to repair, alter, or supply goods, if any, necessary to fulfill in whole or in part the purchase order of any Person obligated to such Grantor in respect of any Account of such Grantor;

(f) to use any Intellectual Property Licenses (to the extent not prohibited under the applicable Intellectual Property License or otherwise under applicable law) of such Grantor that does not constitute Excluded DIP Collateral, or any labels, Patents, Trademarks, trade names, URLs, domain names, industrial designs, Copyrights or advertising matter owned by such Grantor that does not constitute Excluded DIP Collateral, in preparing for sale, advertising for sale, or selling Inventory or other DIP Collateral and to collect any amounts due under Accounts, contracts or Negotiable DIP Collateral of such Grantor; and

(g) Agent, on behalf of the Lender Group, shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Intellectual Property and Intellectual Property Licenses (to the extent not prohibited under the applicable Intellectual Property License and otherwise permitted under applicable law), in each case that constitutes DIP Collateral and that does not constitute Excluded DIP Collateral which are necessary and material to the operation of Grantor's business and, if Agent shall commence any such suit, the appropriate Grantor shall, at the written request of Agent, do any and all lawful acts and execute any and all proper documents reasonably required by Agent in aid of such enforcement.

To the extent permitted by law, each Grantor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement is terminated. If requested by a Grantor, upon termination of this Agreement, Agent shall furnish evidence of termination of the power of attorney given to Agent under this Section 11.

12. Agent May Perform. Upon the occurrence and during the continuation of an Event of Default, if any Grantor fails to perform any agreement contained herein, Agent may itself, upon concurrent notice to the applicable Grantor, perform, or cause performance of, such agreement, and the reasonable, documented and out-of-pocket expenses of Agent incurred in connection therewith shall be payable, jointly and severally, by Grantors.

13. Agent's Duties. The powers conferred on Agent hereunder are solely to protect Agent's interest in the DIP Collateral, for the benefit of the Lender Group, and shall not impose any duty upon Agent to exercise any such powers. Except for the safe custody of any DIP Collateral in its actual possession and the accounting for moneys actually received by it

hereunder, Agent shall have no duty as to any DIP Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any DIP Collateral. Agent shall be deemed to have exercised reasonable care in the custody and preservation of any DIP Collateral in its actual possession if such DIP Collateral is accorded treatment substantially equal to that which Agent accords its own property.

14. Collection of Accounts, General Intangibles and Negotiable DIP Collateral. Subject to the Dip Orders, at any time upon the occurrence and during the continuation of an Event of Default, Agent or Agent's designee may (a) notify Account Debtors of any Grantor that the Accounts, General Intangibles Chattel Paper or Negotiable DIP Collateral of such Grantor have been assigned to Agent, for the benefit of the Lender Group, or that Agent has a security interest therein, and (b) collect the Accounts, General Intangibles and Negotiable DIP Collateral of any Grantor directly, and any collection costs and expenses shall constitute part of such Grantor's DIP Secured Obligations under the DIP Loan Documents.

15. Disposition of Pledged Interests by Agent. None of the Pledged Interests existing as of the date of this Agreement are, and none of the Pledged Interests hereafter acquired on the date of acquisition thereof will be, registered or qualified under the various federal or state securities laws of the United States and disposition thereof after an Event of Default has occurred and is continuing may be restricted to one or more private (instead of public) sales in view of the lack of such registration. Each Grantor understands that in connection with such disposition, Agent may approach only a restricted number of potential purchasers and further understands that a sale under such circumstances may yield a lower price for the Pledged Interests than if the Pledged Interests were registered and qualified pursuant to federal and state securities laws and sold on the open market. Each Grantor, therefore, agrees that: (a) if Agent shall, pursuant to the terms of this Agreement, sell or cause the Pledged Interests or any portion thereof to be sold at a private sale, Agent shall have the right to rely upon the advice and opinion of any nationally recognized brokerage or investment firm (but shall not be obligated to seek such advice and the failure to do so shall not be considered in determining the commercial reasonableness of such action) as to the best manner in which to offer the Pledged Interest or any portion thereof for sale and as to the best price reasonably obtainable at the private sale thereof; and (b) such reliance shall be conclusive evidence that Agent has handled the disposition in a commercially reasonable manner.

16. Voting and Other Rights in Respect of Pledged Interests.

(a) Subject to the DIP Orders, upon the occurrence and during the continuation of an Event of Default, (i) Agent may, at its option, immediately upon prior written notice to such Grantor of Agent's intention to exercise its remedies pursuant to this Section 16(a), and in addition to all rights and remedies available to Agent under any other agreement, at law, in equity, or otherwise, exercise all voting rights, or any other ownership or consensual rights (including any dividend or distribution rights) in respect of the Pledged Interests owned by such Grantor, but under no circumstances is Agent obligated by the terms of this Agreement to exercise such rights, and (ii) each Grantor hereby appoints Agent, such Grantor's true and lawful attorney-in-fact and IRREVOCABLE PROXY to vote such Pledged Interests in any manner Agent deems advisable for or against all matters submitted or which may be submitted to a vote of shareholders, partners or members, as the case may be. The power-of-attorney and proxy

granted hereby is coupled with an interest and shall be irrevocable until the payment in full of the DIP Secured Obligations in accordance with the provisions of the DIP Term Loan Credit Agreement and the DIP Loan Commitments have expired or have been terminated.

(b) For so long as any Grantor shall have the right to vote the Pledged Interests owned by it, such Grantor covenants and agrees that it will not, without the prior written consent of Agent, vote or take any consensual action with respect to such Pledged Interests which would materially adversely affect the rights of Agent, the other members of the Lender Group or the value of the Pledged Interests, other than to the extent expressly permitted by the DIP Term Loan Credit Agreement.

17. Remedies. Subject to the DIP Orders, upon the occurrence and during the continuance of an Event of Default:

(a) Agent may, and, at the instruction of the Required Lenders, shall exercise in respect of the DIP Collateral, in addition to other rights and remedies provided for herein, in the other DIP Loan Documents, or otherwise available to it, all the rights and remedies of a secured party on default under the Code or any other applicable law. Without limiting the generality of the foregoing, each Grantor expressly agrees that, in any such event, Agent without demand of performance or other demand, advertisement or notice of any kind (except a notice specified below of time and place of public or private sale) to or upon any Grantor or any other Person (all and each of which demands, advertisements and notices are hereby expressly waived to the maximum extent permitted by the Code or any other applicable law), may take immediate possession of all or any portion of the DIP Collateral and (i) require Grantors to, and each Grantor hereby agrees that it will at its own expense and upon written request of Agent forthwith, assemble all or part of the DIP Collateral as directed by Agent and make it available to Agent at one or more locations where such Grantor regularly maintains Inventory, and (ii) without notice except as specified below, sell the DIP Collateral or any part thereof in one or more parcels at public or private sale, at any of Agent's offices or elsewhere, for cash, on credit, and upon such other terms as Agent may deem commercially reasonable. Each Grantor agrees that, to the extent notification of sale shall be required by law, at least ten (10) days' prior notification by mail to the applicable Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification and, specifically, such notification shall constitute a reasonable "authenticated notification of disposition" within the meaning of Section 9-611 of the Code (or its equivalent in other jurisdictions). Agent shall not be obligated to make any sale of DIP Collateral regardless of notification of sale having been given. Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor agrees that (A) the internet shall constitute a "place" for purposes of Section 9-610(b) of the Code and (B) to the extent notification of sale shall be required by law, notification by mail of the URL where a sale will occur and the time when a sale will commence at least ten (10) days prior to the sale shall constitute a reasonable notification for purposes of Section 9-611(b) of the Code.

(b) Upon the occurrence and during the continuance of an Event of Default, Agent is hereby granted a non-exclusive license or other right to use, without liability for royalties or any other charge to Grantors, each Grantor's DIP Collateral constituting Intellectual

Property including but not limited to, any labels, Patents, Trademarks, trade names, URLs, domain names, industrial designs, Copyrights, and advertising matter, whether owned by any Grantor or with respect to which any Grantor has rights under license, sublicense, or other agreements (including any Intellectual Property License) to the extent not prohibited under the applicable license, sublicense or other agreement (including any Intellectual Property License) and otherwise permitted under applicable law, as it pertains to the DIP Collateral, in preparing for sale, advertising for sale and selling any DIP Collateral, and each Grantor's rights under all licenses, sublicenses or other agreements (including any Intellectual Property Licenses) shall inure to the benefit of Agent to the extent not prohibited under the applicable license, sublicense or other agreement (including any Intellectual Property License) and otherwise permitted under applicable law.

(c) Agent may, in addition to other rights and remedies provided for herein, in the other DIP Loan Documents, or otherwise available to it under applicable law and without the requirement of notice to or upon any Grantor or any other Person (which notice is hereby expressly waived to the maximum extent permitted by the Code or any other applicable law), (i) with respect to any Grantor's Deposit Accounts in which Agent's DIP Liens are perfected by control under Section 9-104 of the Code, instruct the bank maintaining such Deposit Account for the applicable Grantor to pay the balance of such Deposit Account to or for the benefit of Agent, and (ii) with respect to any Grantor's Securities Accounts in which Agent's DIP Liens are perfected by control under Section 9-106 of the Code, instruct the securities intermediary maintaining such Securities Account for the applicable Grantor to (A) transfer any cash in such Securities Account to or for the benefit of Agent, or (B) liquidate any financial assets in such Securities Account that are customarily sold on a recognized market and transfer the cash proceeds thereof to or for the benefit of Agent.

(d) Any cash held by Agent as DIP Collateral and all cash proceeds received by Agent in respect of any sale of, collection from, or other realization upon all or any part of the DIP Collateral shall be applied against the DIP Secured Obligations in the order set forth in the DIP Term Loan Credit Agreement. In the event the proceeds of DIP Collateral are insufficient to satisfy all of the DIP Secured Obligations in full, each Grantor shall remain jointly and severally liable for any such deficiency.

(e) Each Grantor hereby acknowledges that the DIP Secured Obligations arise out of a commercial transaction, and agrees that if an Event of Default shall occur and be continuing Agent shall have the right to an immediate writ of possession without notice of a hearing. Agent shall have the right to the appointment of a receiver for the properties and assets of each Grantor, and each Grantor hereby consents to such rights and such appointment and hereby waives any objection such Grantor may have thereto or the right to have a bond or other security posted by Agent.

18. Remedies Cumulative. Each right, power, and remedy of Agent or any other member of the Lender Group as provided for in this Agreement or the other DIP Loan Documents now or hereafter existing at law or in equity or by statute or otherwise shall be cumulative and concurrent and shall be in addition to every other right, power, or remedy provided for in this Agreement and the other DIP Loan Documents or now or hereafter existing at law or in equity or by statute or otherwise, and the exercise or beginning of the exercise by

Agent or any other member of the Lender Group of any one or more of such rights, powers, or remedies shall not preclude the simultaneous or later exercise by Agent, such other member of the Lender Group of any or all such other rights, powers, or remedies.

19. Marshaling. Agent shall not be required to marshal any present or future collateral security (including but not limited to the DIP Collateral) for, or other assurances of payment of, the DIP Secured Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of its rights and remedies hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights and remedies, however existing or arising. To the extent that it lawfully may, each Grantor hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of Agent's rights and remedies under this Agreement or under any other instrument creating or evidencing any of the DIP Secured Obligations or under which any of the DIP Secured Obligations is outstanding or by which any of the DIP Secured Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, each Grantor hereby irrevocably waives the benefits of all such laws.

20. [Intentionally Omitted].

21. Merger, Amendments; Etc. THIS AGREEMENT, TOGETHER WITH THE OTHER DIP LOAN DOCUMENTS, REPRESENTS THE FINAL AGREEMENT BETWEEN THE PARTIES AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO UNWRITTEN AGREEMENTS BETWEEN THE PARTIES. No waiver of any provision of this Agreement, and no consent to any departure by any Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by Agent, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No amendment of any provision of this Agreement shall be effective unless the same shall be in writing and signed by Agent and each Grantor to which such amendment applies.

22. Addresses for Notices. All notices and other communications provided for hereunder shall be given in the form and manner and delivered to Agent at its address specified in the DIP Term Loan Credit Agreement, and to any of the Grantors at their respective addresses specified in the DIP Term Loan Credit Agreement or Guaranty, as applicable, or, as to any party, at such other address as shall be designated by such party in a written notice to the other party.

23. Continuing Security Interest: Assignments under DIP Term Loan Credit Agreement.

(a) This Agreement and the DIP Orders shall create a continuing security interest in the DIP Collateral and shall (i) remain in full force and effect until the DIP Secured Obligations have been paid in full, (ii) be binding upon each Grantor, and their respective successors and assigns, including without limitation any trustee appointed upon the conversion of the Chapter 11 Cases to cases under chapter 7 of the Bankruptcy Code, and (iii) inure to the benefit of, and be enforceable by, Agent, and its successors, permitted transferees and permitted

assigns. Without limiting the generality of the foregoing clause (iii), any Lender may, in accordance with the provisions of the DIP Term Loan Credit Agreement, assign or otherwise transfer all or any portion of its rights and obligations under the DIP Term Loan Credit Agreement to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise. Upon (i) payment in full of the DIP Secured Obligations , the Security Interest granted hereby shall automatically terminate and all rights to the DIP Collateral shall revert to Grantors or any other Person entitled thereto and (ii) any disposition of DIP Collateral (including a disposition of all of the Equity Interests or all or substantially all of the assets of a Guarantor) permitted by the terms of the DIP Term Loan Credit Agreement (including, without limitation, pursuant to a waiver or consent) and receipt by Agent of the Net Cash Proceeds thereof to the extent required pursuant to the terms of the DIP Loan Documents, as applicable, (x) the Security Interest granted hereby in such DIP Collateral shall automatically terminate and all rights to such DIP Collateral shall revert to a Person entitled thereto and (y) if such disposition is of all of the Equity Interests of a Guarantor, such Guarantor shall automatically be released from its DIP Guarantied Obligations hereunder. At such time of (i) or (ii) above, Agent will authorize the filing of appropriate termination statements to terminate such Security Interests or release such Guarantor, will execute and deliver to Grantors all releases or other documents reasonably necessary or desirable to evidence such release and will take any further actions as may be reasonably requested by Grantors to evidence such termination and release. Each Grantor shall automatically be released from its obligations hereunder and the Security Interest in the DIP Collateral of such Grantor shall be automatically released if such Grantor becomes an Excluded Subsidiary (as certified in writing by a Responsible Officer) pursuant to the terms of the DIP Term Loan Credit Agreement.

(b) Each Grantor agrees that, if any payment made by any Grantor or other Person and applied to the DIP Guarantied Obligations or DIP Secured Obligations (as applicable) is at any time annulled, avoided, set, aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or the proceeds of any DIP Collateral are required to be returned by Agent or any other member of the Lender Group to such Grantor, its estate, trustee, receiver or any other party, including any Grantor, under any bankruptcy law, state or federal law, common law or equitable cause, then, to the extent of such payment or repayment, any Lien or other DIP Collateral securing such liability shall be and remain in full force and effect, as fully as if such payment had never been made. If, prior to any of the foregoing, (i) any Lien or other DIP Collateral securing such Grantor's liability hereunder shall have been released or terminated by virtue of the foregoing clause (a), or (ii) any provision of the Guaranty hereunder shall have been terminated, cancelled or surrendered, such Lien, other DIP Collateral or provision shall be reinstated in full force and effect and such prior release, termination, cancellation or surrender shall not diminish, release, discharge, impair or otherwise affect the obligations of any such Grantor in respect of any Lien or other DIP Collateral securing such obligation or the amount of such payment.

24. Survival. All representations and warranties made by the Grantors in this Agreement and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that Agent or any Lender may have had notice or knowledge of any Default or Event of Default

This Agreement may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Agreement. Delivery of an executed counterpart of this Agreement by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile or other electronic

method of transmission also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement. The foregoing shall apply to each other DIP Loan Document *mutatis mutandis*.

(b) Any provision of this Agreement which is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction. Each provision of this Agreement shall be severable from every other provision of this Agreement for the purpose of determining the legal enforceability of any specific provision.

(c) Headings and numbers have been set forth herein for convenience only. Unless the contrary is compelled by the context, everything contained in each Section applies equally to this entire Agreement.

Exit Backstop Commitment Letter

Mr. Pfefferle:

Reference is made to:

- that certain Term Loan Credit Agreement, dated as of June 9, 2017, by and among Hollander Sleep Products, LLC ("HSP"), the guarantors party thereto, the lenders from time to time party thereto (the "Pre-Petition Term Lenders"), and Barings Finance LLC, as the administrative agent for the Pre-Petition Term Lenders (the "Pre-Petition Term Agent"), as the same may be amended, supplemented, waived or otherwise modified from time to time;

- that certain Restructuring Support Agreement, dated as of the date hereof, between HSP, the Pre-Petition Term Agent, certain of the Pre-Petition Term Lenders, and certain other parties thereto; and

- the Summary of Proposed Terms and Conditions attached hereto as Exhibit A (the "Exit Term Loan Term Sheet" and, together with this letter, the "Exit Backstop Commitment Letter").

Capitalized terms used herein without definition have the meanings assigned to such terms in the Exit Term Loan Term Sheet.

Backstop Commitments.

Each of the undersigned (collectively, the "Exit Backstop Commitment Parties" and each individually, an "Exit Backstop Commitment Party") hereby, severally but not jointly, (i) commits to provide (directly and/or through one or more of its affiliates, accounts managed or sub-managed by it or its affiliates and direct or indirect subsidiaries, each such affiliate, account subsidiary or any other lender under the Exit Term Loan Facility, as hereinafter defined, an "Exit Backstop Lender") its pro rata share (such commitment, the "Pro Rata Share Commitment") set forth on Schedule I hereto of a $30,000,000 senior secured term loan credit facility (the "New Money Exit Term Loan Facility") to HSP (the "Borrower"), which such Pro Rata Share Commitment shall be automatically increased ratably in accordance with each Exit Backstop Commitment Party's Pro Rata Share Commitment until such calculation results in the full amount of the New Money Exit Term Loan Facility being committed (the "Backstop Commitment") and (ii) commits to roll-up its portion (and the portion held by its affiliates, accounts managed or sub-

managed by it or its affiliates and direct or indirect subsidiaries) of the $28,000,000 DIP Term Loan Facility as Rolled Exit Term Loans (as defined in the Exit Term Loan Term Sheet) (the "Rollup Exit Commitment"). Each Exit Backstop Commitment Party's Backstop Commitment shall be determined as set forth in the preceding sentence on the date that is one (1) business day after the entry of the Final DIP Order; provided, however, that each Exit Backstop Commitment Party's Backstop Commitment in respect of the New Money Exit Term Loan Facility shall be reduced proportionately (based upon its Pro Rata Share Commitment) by any commitment to provide the New Money Exit Term Loan Facility that is assigned to and assumed in writing by one or more lenders on or prior to the Closing Date, subject to the provisions under "Assignments and Amendments" below.

The New Money Exit Term Loan Facility, along with the roll-up of the outstanding obligations of the Borrower under its post-petition superpriority senior secured debtor-in-possession term loan credit agreement as Rolled Exit Term Loans, are the "Exit Term Loan Facility".

Conditions Precedent.

The Exit Backstop Commitment Parties' commitments to fund the Exit Term Loan Facility (and their Rollup Exit Commitments) are subject to satisfaction or waiver by the Exit Backstop Commitment Parties of the following conditions precedent:

(i) there shall not exist any breach, violation or default under this Exit Backstop Commitment Letter;

(ii) the execution of definitive documentation evidencing the Exit Term Loan Facility on substantially the terms set forth in the Exit Term Loan Term Sheet and otherwise reasonably satisfactory to the Exit Backstop Commitment Parties and you;

(iii) HSP shall have filed, no later than 10 days after the commencement of the Chapter 11 Cases, a motion in the Chapter 11 Cases seeking approval of the Bankruptcy Court to assume this Exit Backstop Commitment Letter and to authorize the payment of all fees set forth in the Fee Letter (as defined below).

(iv) the Bankruptcy Court shall have entered, no later than 40 days after the scheduled first day hearing in the Chapter 11 Cases, an order approving the assumption of this Exit Backstop Commitment Letter and authorizing the payment of all fees set forth in the Fee Letter;

(v) no later than the date the Bankruptcy Court enters an order confirming a plan of reorganization in the Bankruptcy Cases, HSP shall have entered into a commitment letter reasonably acceptable to the Exit Backstop Commitment Parties with respect to the funding of an exit asset-backed credit facility;

(vi) payment of all fees then due and owing pursuant to this Exit Backstop Commitment Letter, the Fee Letter, and any other fees agreed to in writing by the Debtors and the Exit Backstop Commitment Parties in connection with the Exit Term Loan Facility; and

(vii) the satisfaction of (or express written waiver by each of the Exit Backstop Commitment Parties of) each of the conditions set forth under the section

heading "Conditions Precedent to the Closing of the Exit Term Loan Facility" set forth in the Exit Term Loan Term Sheet.

Expenses.

Regardless of whether the Exit Term Loan Facility closes, you hereby agree to pay or reimburse the Exit Backstop Commitment Parties for all reasonable and documented out-of-pocket expenses incurred by the Exit Backstop Commitment Parties, their affiliates or funds managed or sub-managed by the Exit Backstop Commitment Parties (whether incurred before or after the date hereof) in connection with the Exit Term Loan Facility (including, but not limited to, (a) all reasonable costs and out-of-pocket expenses of one primary legal counsel and, if necessary, one local counsel in all appropriate jurisdictions for all Exit Backstop Commitment Parties), and (b) all reasonable and documented costs and out-of-pocket expenses of one financial advisor (if any) for all Exit Backstop Commitment Parties).

Confidentiality.

You agree that you will not disclose, directly or indirectly, this Exit Backstop Commitment Letter and the contents hereof or the Fee Letter dated as of the date hereof (the "Fee Letter") among the Exit Backstop Commitment Parties and the Borrower and the contents thereof or the Exit Backstop Commitment Parties' involvement with the Exit Term Loan Facility to any third party (including, without limitation, any financial institution or intermediary) without each Exit Backstop Commitment Party's prior written consent, other than to (a) those individuals who are your directors, officers, employees, attorneys, agents or advisors in connection with the Exit Term Loan Facility; provided that this Exit Backstop Commitment Letter may be disclosed to (i) Sentinel Capital Partners, L.L.C. and its affiliates, and its directors, officers, employees, attorneys, agents and advisors, and (ii) to the providers of your debtor-in-possession asset-backed revolving credit facility in the Chapter 11 Cases and to the providers of any asset-backed revolving credit facility to be provided to the Borrower upon emerging from bankruptcy and their officers, employees, attorneys, agents and advisors, in each case on a confidential basis (it being understood any such disclosure pursuant to this clause (a)(ii) shall be limited to a general description of the fees to be paid and does not authorize the distribution of the Fee Letter to such persons), (b) the Bankruptcy Court (as defined in the DIP Term Loan Credit Agreement) for approval of this Exit Backstop Commitment Letter, (c) any official committee appointed in the Chapter 11 Cases and their respective legal and financial advisers, (d) as may be compelled in a judicial or administrative proceeding or as otherwise required by law (in which case you agree to inform the Exit Backstop Commitment Parties promptly thereof), (e) to the extent necessary in connection with the exercise of any remedies or enforcement of any rights hereunder and (f) other recipients as required by the Bankruptcy Court, or as part of the Borrower and its subsidiaries' disclosure statement soliciting votes in support of a plan of reorganization, whether before or after the commencement of the Chapter 11 Cases (it being understood any such disclosure pursuant to this clause (f) shall be limited to a general description of the fees to be paid in the Borrower's solicitation materials and does not authorize the distribution, filing with the Bankruptcy Court, or other action that results in the Fee Letter being made available to such other recipients). Except in connection with the disclosure statement soliciting votes in support of a plan of reorganization, you agree to inform all such persons who receive information concerning this Exit Backstop Commitment Letter or the Fee Letter that such information is confidential and may not be used for any other purpose. The Exit Backstop Commitment Parties reserve the right to review and approve, in advance, all materials, press releases, advertisements and disclosures that contain their name or any name of any affiliate or the name of any account managed or sub-

managed by, or any related fund of, the Exit Backstop Commitment Parties or describe their respective financing commitments (such approval not to be unreasonably withheld, delayed or conditioned).

The Borrower hereby agrees that if the Fee Letter is required to be filed with any bankruptcy court or disclosed to any U.S. Trustee for purposes of obtaining approval to pay any fees provided for therein or otherwise, then it shall promptly notify the Exit Backstop Commitment Parties and take all commercially reasonable actions necessary to prevent the Fee Letter from becoming publicly available, including, without limitation, filing a motion pursuant to sections 105(a) and 107(b) of the Bankruptcy Code and Rule 9018 of the Federal Rules of Bankruptcy Procedure seeking a bankruptcy court order authorizing the Borrower to file the Fee Letter under seal to the maximum extent permitted by applicable law; provided, however, that if the applicable bankruptcy court or applicable law does not permit such filing under seal, then any such filing shall be redacted to the maximum extent permitted by such bankruptcy court and such law. Notwithstanding the "Survival" section herein, the obligations of the foregoing sentence shall survive any termination or completion of the arrangement provided by this Exit Backstop Commitment Letter.

Indemnity.

Regardless of whether the Exit Term Loan Facility closes or is closed, you agree to (a) indemnify, defend and hold each of the Exit Backstop Commitment Parties, and their respective affiliates and funds managed or advised by the Exit Backstop Commitment Parties or their affiliates and the principals, directors, officers, employees, representatives, agents, attorneys and third party advisors of each of them (each, an "Indemnified Person"), harmless from and against all losses, disputes, claims, investigations, litigation, proceedings, expenses (including, but not limited to, attorneys' fees), damages, and liabilities of any kind to which any Indemnified Person may become subject arising out of or in connection with any claim, litigation, investigation or proceeding (any of the foregoing, a "Proceeding") relating to or in connection with this Exit Backstop Commitment Letter, the Fee Letter, the Exit Term Loan Facility, the use or the proposed use of the proceeds thereof, or any other transaction contemplated by this Exit Backstop Commitment Letter (each, a "Claim", and collectively, the "Claims"), regardless of whether such Indemnified Person is a party thereto (and regardless of whether such matter is initiated by a third party, you, or any of your or its respective affiliates), and (b) reimburse each Indemnified Person upon demand (together with reasonably detailed backup documentation in summary form supporting such demand) for all reasonable and documented legal and other out-of-pocket expenses incurred in connection with investigating, preparing to defend or defending, or providing evidence in or preparing to serve or serving as a witness with respect to, any Proceeding (each, an "Expense") by one counsel to the Indemnified Persons taken as a whole and, if necessary, one firm of local counsel in each appropriate jurisdiction to the Indemnified Persons taken as a whole, and, in the case of an actual conflict of interest, one additional counsel to the affected Indemnified Persons taken as a whole; provided that no Indemnified Person shall be entitled to indemnity hereunder in respect of any Claim or Expense to the extent that the same (i) is found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, willful misconduct or bad faith of such Indemnified Person or any of its affiliates and their principals, directors, officers, employees, representatives, agents, attorneys or third party advisors, (ii) is found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from a material breach of the obligations of such Indemnified Person or any of its affiliates and their principals, directors, officers, employees, representatives, agents, attorneys or third party advisors under this Exit Backstop Commitment Letter or (iii) arises from any dispute among Indemnified Persons that does not involve or relate

to an act or omission by you and that is brought by an Indemnified Person against another Indemnified Person. Notwithstanding any other provision of this Exit Backstop Commitment Letter, and without limitation of your indemnification and reimbursement obligations set forth herein, no party hereto shall be liable for any special, indirect, consequential or punitive damages in connection with the Exit Term Loan Facilities, this Exit Backstop Commitment Letter, the Exit Term Loan Term Sheet, the Fee Letter or any other transaction contemplated hereby or thereby; provided that this foregoing sentence shall not limit your indemnity obligations to the extent set forth above in respect of any actual Claims and Expenses incurred or paid by an Indemnified Person to a third party unaffiliated with the Exit Backstop Commitment Parties that are otherwise required to be indemnified in accordance with the terms hereof.

Furthermore, you hereby acknowledge and agree that the use of electronic transmission is not necessarily secure and that there are risks associated with such use, including risks of interception, disclosure and abuse. You agree to assume and accept such risks and hereby authorize the use of transmission of electronic transmissions, and that none of the Exit Backstop Commitment Parties nor any of their respective affiliates will have any liability for any damages arising from the use of such electronic transmission systems, except to the extent such damages have been found by a final, non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence or willful misconduct of such Exit Backstop Commitment Party or any of its affiliates and their principals, directors, officers, employees, representatives, agents, attorneys or third party advisors.

Notwithstanding the above, (a) you shall not be liable for any settlement of any Proceedings effected without your consent (which consent shall not be unreasonably conditioned, withheld or delayed), but if settled with your written consent or if there is a judgment for the plaintiff against any Indemnified Person in any such Proceedings, you agree to indemnify and hold harmless each Indemnified Person from and against any and all Claims and Expenses by reason of such settlement or judgment in accordance with this section and (b) each Indemnified Person shall be obligated to refund or return any and all amounts paid by you under the preceding paragraph to such Indemnified Person for any losses, claims, damages liabilities or expenses to the extent such Indemnified Person is not entitled to payment of such amounts in accordance with the terms hereof. You shall not, without the prior written consent of an Indemnified Person (which consent shall not be unreasonably conditioned, withheld or delayed), effect any settlement or consent to the entry of any judgment of any pending or threatened Proceedings in respect of which indemnity could have been sought hereunder by such Indemnified Person unless such settlement (i) includes an unconditional release of such Indemnified Person from all liability or claims that are the subject matter of such Proceedings, (ii) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any Indemnified Person and (iii) contains customary confidentiality and nondisparagement provisions.

In the event that an Indemnified Person is requested or required to appear as a witness in any action brought by or on behalf of or against you or any of your subsidiaries or affiliates in which such Indemnified Person is not named as a defendant, or a demand to produce documents or otherwise respond to discovery requests is made on an Indemnified Person, you agree to reimburse such Indemnified Person for all reasonable expenses incurred by it in connection with such Indemnified Person's appearing and preparing to appear as such a witness, including, without limitation, the reasonable fees and expenses of its legal counsel.

Sharing Information; Absence of Fiduciary Relationship.

You acknowledge that the Exit Backstop Commitment Parties and their respective affiliates may be providing debt financing, equity capital or other services to other companies with which you may have conflicting interests. Neither the Exit Backstop Commitment Parties nor any of their affiliates will use confidential information obtained from you by virtue of the transactions contemplated by this Exit Backstop Commitment Letter or its other relationships with you in connection with the performance by it of services for other persons, and neither the Exit Backstop Commitment Parties nor any of their affiliates will furnish any such information to other persons except as permitted under the "Confidentiality" section herein. You further acknowledge and agree that (a) no fiduciary, advisory or agency relationship between you and any of the Exit Backstop Commitment Parties has been or will be created in respect of any of the transactions contemplated by this Exit Backstop Commitment Letter, irrespective of whether the Exit Backstop Commitment Parties and/or their respective affiliates have advised or are advising you on other matters and (b) you will not assert any claim against any of the Exit Backstop Commitment Parties for breach or alleged breach of fiduciary duty in respect of any of the transactions contemplated by this Exit Backstop Commitment Letter and agree that none of the Exit Backstop Commitment Parties shall have any direct or indirect liability to you in respect of such a fiduciary duty claim or to any person asserting a fiduciary duty claim on behalf of or in right of you, including your stockholders, employees or creditors.

Assignments and Amendments.

This Exit Backstop Commitment Letter shall not be assignable by you without the prior written consent of each of the Exit Backstop Commitment Parties (and any purported assignment without such consent shall be null and void), and is solely for the benefit of the parties hereto and is not intended to confer any benefits upon, or create any rights in favor of, any person other than the parties hereto and the Indemnified Persons. The Exit Backstop Commitment Parties may assign their respective commitments hereunder, in whole or in part, (i) to any of their affiliates, any funds or accounts managed, advised, sub-managed or sub-advised by them or their affiliates, or (ii) subject to the prior written consent of the Borrower (such consent not to be unreasonably withheld or delayed) to any prospective lender under the Exit Term Loan Facility; provided that, (unless such assignee enters into a separate letter agreement with you affirming its commitments on the same terms as set forth herein with respect to such assigned portion of the commitments (such agreement not to be unreasonably conditioned, withheld or delayed by you)), any such assignment shall not release them of the obligations hereunder and each Exit Backstop Commitment Party shall retain exclusive control over all rights and obligations with respect to its commitments hereunder, including all rights with respect to consents, modifications, supplements, waivers and amendments, until after the closing and funding of the Exit Term Loan Facility has occurred. This Exit Backstop Commitment Letter may not be amended or waived except in a written instrument signed by you and the Exit Backstop Commitment Parties.

Counterparts and Governing Law.

This Exit Backstop Commitment Letter may be executed in counterparts, each of which shall be deemed an original and all of which counterparts shall constitute one and the same document. Delivery of an executed signature page of this Exit Backstop Commitment Letter by facsimile or electronic (including "PDF") transmission shall be effective as delivery of a manually executed counterpart hereof.

The laws of the State of New York shall govern all matters arising out of, in connection with or relating to this Exit Backstop Commitment Letter, including, without limitation, its validity,

interpretation, construction, performance and enforcement and any claims sounding in contract law or tort law arising out of the subject matter hereof.

Venue and Submission to Jurisdiction.

The parties hereto consent and agree that the federal bankruptcy court located in the Southern District of New York, shall have exclusive jurisdiction to hear and determine any claims or disputes between or among any of the parties hereto pertaining to this Exit Backstop Commitment Letter and the Fee Letter, any other transaction relating hereto or thereto, and any investigation, litigation, or proceeding in connection with, related to or arising out of any such matters or, if that court does not have subject matter jurisdiction, then the U.S. District Court for the Southern District of New York shall have such exclusive jurisdiction or, if that court does not have subject matter jurisdiction, then any state court located in New York County, State of New York shall have such exclusive jurisdiction; provided, that the parties hereto acknowledge that any appeal from those courts may have to be heard by a court located outside of such jurisdiction. The parties hereto expressly submit and consent in advance to such jurisdiction in any action or suit commenced in any such court, and hereby waive any objection, which each of the parties may have based upon lack of personal jurisdiction, improper venue or inconvenient forum.

Waiver of Jury Trial.

THE PARTIES HERETO, TO THE EXTENT PERMITTED BY LAW, WAIVE ALL RIGHT TO TRIAL BY JURY IN ANY ACTION, SUIT, OR PROCEEDING ARISING OUT OF, IN CONNECTION WITH OR RELATING TO, THIS EXIT BACKSTOP COMMITMENT LETTER, THE FEE LETTER, AND ANY OTHER TRANSACTION RELATED HERETO OR THERETO. THIS WAIVER APPLIES TO ANY ACTION, SUIT OR PROCEEDING WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE.

Financial Projections

REORGANIZED HOLLANDER SLEEP PRODUCTS' FINANCIAL PROJECTIONS[1]

Introduction to Financial Projections

As a condition to Confirmation, the Bankruptcy Code requires, among other things, the Bankruptcy Court to find that Confirmation is not likely to be followed by either a liquidation or the need to further reorganize the Debtors (and together with their non-Debtor affiliates, the "Company"). In accordance with this condition and in order to assist each Holder of a Claim in determining whether to vote to accept or reject the Plan, the Company's management team ("Management"), with the assistance of their advisors, developed financial projections (the "Financial Projections") to support the feasibility of the Plan in the event the Plan effectuates a going-concern reorganization through a debt-for-equity exchange.

Importantly, in the event that the Plan effectuates a going-concern ***sale*** of the Debtors' business to a third-party, such third party may have materially different views on future performance and strategy. These projections are not meant to, nor should they be construed as, influencing or establishing a business plan of any such third party. In the event of such a sale, the Financial Projections are no longer a relevant component of the Plan analysis as creditors will receive solely the cash proceeds of such sale.

The Financial Projections were prepared by Management and are based on a number of assumptions made by Management and their advisors, within the bounds of their knowledge, with respect to the Company's future operating performance. Accordingly and in addition, to the extent relevant, these Financial Projections and all related documents contain statements which constitute "forward-looking statements" within the meaning of the Securities Act and the Securities Exchange Act of 1934, as amended by the Private Securities Litigation Reform Act of 1995. Forward-looking statements in these projections include the intent, belief, or current expectations of the Company and members of its Management team with respect to the timing of, completion of, and scope of the current restructuring, the Plan, the Company's strategic business plan, bank financing, debt and equity market conditions, and the Company's future liquidity, as well as the assumptions upon which such statements are based.

Although Management has prepared the Financial Projections in good faith and believes the assumptions to be reasonable, it is important to note that the Company can provide no assurance that such assumptions will be realized. Because future events and circumstances may well differ from those assumed and unanticipated events or circumstances may occur, the Company expects that the actual and projected results will differ and the actual results may be materially greater or less than those contained in the Financial Projections and from those contemplated by such forward-looking statements. No representations can be made as to the accuracy of the Financial Projections or the Company's ability to achieve the projected results.

Therefore, the Financial Projections may not be relied upon as a guarantee or as any other form of assurance as to the actual results that will occur. The inclusion of the Financial Projections herein should not be regarded as an indication that the Company considered or considers the Financial Projections to reliably predict future performance. Accordingly, in deciding whether to vote to accept or reject the Plan, creditors should review the Financial Projections in conjunction with a review of the risk factors set forth in the Disclosure Statement and the assumptions and risks described herein, including all relevant qualifications and footnotes.

The Company's board of directors was not asked to and did not approve the Financial Projections or evaluate or endorse the projections or the assumptions underlying the Financial Projections. Moreover, the following Financial Projections were not prepared with a view toward compliance with published rules of the American Institute of Certified Public Accountants regarding projections. The Company's independent auditor has not examined, compiled, or performed any procedures with respect to the prospective financial information contained in this exhibit and, accordingly, it does not express an opinion or any other form of assurance on such information or its achievability. The Company's independent auditor assumes no responsibility for, and denies any association with, the prospective financial information.

[1] All capitalized terms used but not otherwise defined herein shall have the meanings ascribed to them in the *Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* (the "Plan").

The Company does not intend to and disclaims any obligation to: (1) furnish updated Financial Projections to Holders of Claims or Interests prior to the Effective Date or to any other party after the Effective Date; or (2) otherwise make such updated information publicly available.

Select Assumptions of the Financial Projections

The Financial Projections are based on, but not limited to, factors such as industry performance, general business, economic, competitive, regulatory, market, and financial conditions, as well as the assumptions detailed below. Many of these factors and assumptions are beyond the control of the Company and do not take into account the uncertainty and disruption that may accompany the Debtors' emergence from an in-court restructuring. Accordingly, the assumptions should be reviewed in conjunction with a review of the risk factors described below under "*Select Risk Factors Related to the Financial Projections*."

- **Methodology**: The Financial Projections were developed on an operational rather than legal entity basis.

- **Plan and Effective Date**: The Financial Projections assume that the Plan will be consummated in accordance with its terms and that all transactions contemplated by the Plan will be consummated on or about September 13, 2019 (the "Assumed Effective Date").

- **Projection Period**: The Financial Projections contained herein commence after the Assumed Effective Date, and cover the period beginning October 2019 through December 2022.

- **Fresh Start Accounting**: The Financial Projections reflect an anticipated emergence from chapter 11 on or about September 13, 2019. While the Financial Projections do present a restructured go-forward balance sheet they do not, however, consider the potential impact of the application of "fresh start" accounting under Accounting Standards Codification 852, "Reorganizations" that may apply upon the Effective Date. If the Debtors do fully implement fresh start accounting, differences from the depiction presented in the Financial Projections are anticipated and those differences may be material.

- **Macroeconomic and Industry Environment**: The Financial Projections assume that with a scaled down and "right sized" organization, the Company will be able to successfully compete in the current highly competitive market environment. These projections also assume constant foreign currency exchange rates and stable commodity pricing environments.

- **Operations**: The Financial Projections assume lower go-forward sales levels because of recent and expected customer share losses as a result of initiatives to improve the pricing of the Company's low margin business. Accordingly, the Financial Projections incorporate significant margin and operating cost improvement initiatives, as well as initiatives to grow on-line sales:

    1. Margin Improvements: As stated, the Company has achieved pricing improvements on certain low margin SKUs, which are increasing margins, but have also resulted in lost sales. Major additional initiatives are underway to increase margins through product design and by lowering material costs through improved sourcing and material efficiencies at the plant level.

    2. Rightsizing Business Structure to Match Go-Forward Sales Levels: The Company's business plan and Financial Projections recognize the need to lower fixed costs by rationalizing its fixed cost structure and plant footprint in order to right-size the business to match the projected go-forward sales levels. To derive savings estimates and timing reflected in the Financial Projections, the Debtors' Management and advisors undertook an extensive analysis of both savings and one-time costs to implement such savings. To date, two of the Company's plants are in the process of consolidation and wind-down.

    3. Investment in Plant Equipment: The Company's Financial Projections include significant investments in new plant equipment, which will support both plant consolidation and lead to improved plant operating efficiencies.

- **Other Assumptions**:

  The Financial Projections also assume that: (1) there will be no material change in legislation, regulations, tariffs, or the administration thereof, that will have an unexpected material effect on the operations of the Company; (2) there will be no change in generally accepted accounting principles in the United States that will have a material effect on the reported financial results of the Company; (3) the potential application of fresh start accounting will not materially change the Debtors' accounting procedures; and (4) there will be no material contingent or unliquidated litigation or indemnity claims applicable to the Debtors.

The Financial Projections are based on current Management's views of the Company performance as a stand-alone entity and do not reflect the views or strategies that may be associated with any third-party purchaser.

Select Risk Factors Related to the Financial Projections

The Financial Projections herein are inherently subject to risks and uncertainties. Such risk factors, many of which are beyond the control of the Company, could cause actual results to differ materially from the Financial Projections. Although the Financial Projections take into account the current highly competitive business environment, no other specific risks (including the below listed risks) are reflected within the Financial Projections. Select industry and Company-specific risks include, but are not limited to, the following (see Article VIII of the Debtor's Disclosure Statement, entitled "Certain Risk Factors to Be Considered Before Voting," for further discussion):

- The Company operates in a highly competitive and commoditized market, with significant established competitors who are using the uncertainty related to the Company's bankruptcy filing to attack the Company's market share position at key customers. Such competition may reduce the Company's overall market share, sales, and profitability. Additionally, while the utility bedding markets continue to grow at a nominal rate, business levels are still dependent upon overall consumer spending levels and disposable income. Any substantial deterioration in general economic conditions could adversely impact sales and profitability.

- The Company depends upon a wide range of vendors to supply raw materials and component parts to manufacture its utility bedding products, including shells, fiber, feathers, poly bags, labels, inserts, and packaging. The Financial Projections assume continued vendor support and the uninterrupted supply of these materials and components. In addition, many of these vendors are located in Asia. Any interruption of supply or significant cost increases could have a material impact on the Company's gross margins.

- The Company also purchases "retail ready" finished products from its vendors that the Company then sells along with its own manufactured products. If these manufacturers are unable to secure sufficient supplies of raw materials, produce products that meet quality standards, or maintain adequate manufacturing and shipping capacity, they may be unable to timely deliver products to the Company. Additionally, many of these manufacturers are based in China. Any deterioration in the trade relationship between the United States and China or any other disruption in the Company's ability to import products from China or any other country where the Company operates could have a material adverse effect on the Company's financial results.

- The Company's profitability is dependent on, among other things, the prices of commodities used to make and transport their products, as well as labor prices. Any meaningful fluctuation in any of these items may have a material impact on the Company's financial results.

- A significant portion of the Company's operating expenses are fixed costs that are not directly dependent on sales performance. If sales decline from forecast levels, the Company may be unable to reduce or offset these fixed operating expenses in the short term.
- Any significant delay in the Assumed Effective Date, or significant operational or funding issues experienced during the pendency of the bankruptcy, may have significant adverse effects on the Company's operations and financial performance including, but not limited to, an increased risk or inability to meet sales forecasts and increased expenses related to the Company's operations or reorganization, and may negatively impact the Company's operating cash flow and liquidity necessary to sustain normalized operations.

- Because of the uncertainty caused by the Company's chapter 11 filing, the Company may be subject to continued risks, including declines in sales, above and beyond what has already been incorporated in the Financial Projections. Additionally, the Company has been and may continue to be subjected to employee turnover at the management, product development, sales force, and plant levels due to the uncertainty surrounding the outcome of the chapter 11 reorganization process as well as recruitment by competitors. Loss of employees from these and other parts of the Company's organization could have an adverse impact on the Company's financial performance.

- The Company may experience a marked increase in order cancellations and lost business due to supply chain disruptions caused in part by the Company's chapter 11 bankruptcy filing, as well as its need to initiate price increases on certain low margin products. While increases in business losses are incorporated in the Financial Projections, significant increases could have an adverse impact on the Company's financial performance.

- The Financial Projections incorporate the Company's planned sales and cost initiatives, as well as operational restructuring activities. The Company may be unable to execute or may only partially realize certain or all of these initiatives and activities due to factors that may be beyond the Company's control. Not realizing the benefit of such initiatives or activities may have a material impact on the Company's financial results.

- Upon emergence, the Debtors will be required to determine the amount by which their reorganization value as of the Effective Date exceeds, or is less than, the fair value of their assets as of the Effective Date. Such a determination will be based upon the fair value at that time, which may be based on, among other things, a different methodology than what is reflected in the Financial Projections. In any event, such valuation, as well as the determination of the fair value of the Debtors' assets and liabilities, will be made as of the Effective Date. The differences between the amounts of any or all of the foregoing items as assumed in the Financial Projections and the actual amounts thereof as of the Effective Date may be material.

THE INDEPENDENT AUDITOR FOR THE COMPANY HAS NOT EXAMINED, COMPILED, OR OTHERWISE PERFORMED ANY PROCEDURES ON THE FOLLOWING PROSPECTIVE FINANCIAL INFORMATION AND, CONSEQUENTLY, DOES NOT EXPRESS AN OPINION OR ANY OTHER FORM OF ASSURANCE WITH RESPECT TO THE PROSPECTIVE FINANCIAL INFORMATION.

NOTES TO FINANCIAL PROJECTIONS

Note 1 – Sales

The Financial Projections are based on Management's view of the Company's market position and overall economic outlook. Sales are recognized at the time the products are delivered to the customer, the price is fixed and determinable, and collectability is reasonably assured. Provisions for estimated sales returns are recorded concurrently with the recognition of revenue.

Note 2 – Cost of Goods Sold

Cost of goods sold includes the cost of material, product movement costs, labor, and plant overhead costs including rent, depreciation, manufacturing, repairs and maintenance, and indirect labor, among other items.

Note 3 – SG&A

SG&A expenses consist of costs associated with information technology, corporate rent, finance, human resources, legal, merchandise/supply chain, customer support, marketing, administrative, professional fees, repairs and maintenance, and incentive compensation costs, among other items.

Note 4 – Depreciation and Amortization

Depreciation is associated with buildings, leasehold improvements, machinery and equipment, furniture and fixtures, computer equipment, and property subject to capital leases and is calculated on a straight-line basis over the estimated useful life of the assets.

Amortization is associated with intangible assets. The Debtors' depreciation and amortization are subject to material change based on the accounting treatment of the Debtors' financials upon emergence.

Note 5 – Interest Expense

Interest expense is primarily based upon interest associated with new borrowings. Interest rates for the borrowings are assumed to be competitive market rates, with interest accruing and being paid monthly. Interest expense also reflects applicable commitment and letter of credit fees that the Debtors anticipate would be set forth in any Exit Facilities. In addition, interest expense includes interest associated with the Debtors' capital lease obligations.

Note 6 – Income Taxes

Based on the anticipated capital structure and despite tax attribute reduction resulting from the chapter 11 cases, the Debtors are not expected to be liable for federal and state income taxes until years after emergence. The combined effective federal and state income tax rate is assumed to be 25%. Income tax expense is not reflected on the income statement until the cumulative tax expense during the period is projected to be positive.

Note 7 – Restructuring Related Items

Restructuring related items consist of restructuring professional advisor fees, costs related to the satisfaction of claims, taxes, duties, insurance items, and utility deposits, among other items.

Note 8 – Other, Net

This line item is related to the Company's fixed asset write-offs related to the plant consolidations.

Note 9 – Cash and Cash Equivalents

The Company considers cash equivalents to consist of liquid investments with an original maturity of three months or less. An optional cash flow sweep of 60% of positive free cash flow by month/quarter is assumed to be swept to repay the Exit Term Loan Facility.

Note 10 – Working Capital Accounts

The Financial Projections assume the Company's working capital accounts, including net accounts receivable, inventory, prepaid expenses, other current assets, accounts payable, accrued expenses, and other liabilities continue to perform at historical levels with respect to sales and expense activity. All working capital balances fluctuate significantly during the year depending on seasonality. Prepaid expenses largely relate to prepaid insurance and royalty agreements. Fluctuations within accrued expenses and other liabilities are associated with interest and fee accruals and payments, as well as the Company's incentive-based compensation programs.

Note 11 – PP&E, Net

Property, plant, and equipment ("PP&E") is composed of buildings, leasehold improvements, machinery and equipment, furniture and fixtures, computer equipment, and property subject to capital leases. The Debtors' PP&E is subject to material change based on the accounting treatment of the Debtors' financials upon emergence. Approximately $2.6 million of capital expenditures scheduled to be paid in September post-emergence have been captured in October 2019 in the above financial statements.

Note 12– Goodwill and Intangible Assets

Intangible assets consist of favorable lease rights, trademarks, and customer relationships, among other items. The Debtors' goodwill and intangible assets are subject to material change based on the potential implementation of fresh start accounting in connection with emergence and are not assigned a value in the Financial Projections.

Note 13 – Short and Long Term Debt

Short term debt consists of an expected Exit ABL Facility (Line of Credit). The Exit ABL Facility is assumed to be approximately $45–$50 million with an additional subordinated portion of "last out" loans assumed to be $15 million at emergence. Long term debt consists of a $58 million Exit Term Loan Facility, the Debtors' capital lease obligations, and any accrued PIK interest. The prepetition Term Loan Facility is assumed to be fully written down at emergence.

Note 14 – Restructuring Related Liabilities

Restructuring related liabilities are related to liabilities subject to compromise associated with prepetition accounts payable and debt obligations. Such liabilities are subject to extinguishment based upon the potential impact of fresh start accounting. The Financial Projections contemplate a complete extinguishment of such restructuring related liabilities.

Note 15 – Net Changes in Working Capital

Net changes in working capital are driven by changes in net accounts receivable, inventory, prepaid expenses, accounts payable, accrued expenses, and other liabilities.

Note 16 – Repayments of Long Term Debt

The Financial Projections assume repayments of long term debt are completed pursuant to an optional 60% cash flow sweep of free cash flow in months/quarters where free cash flow is positive.

Note 17 – ABL Proceeds / (Repayments)

Any proceeds and repayments under the Exit ABL Facility are expected to be based on fully utilizing the availability under the Exit ABL Facility, which has yet to be determined.

Liquidation Analysis

LIQUIDATION ANALYSIS FOR HOLLANDER SLEEP PRODUCTS, LLC., *et al.*[1]

I. INTRODUCTION

Under the "best interests of creditors" test set forth in section 1129(a)(7) of the Bankruptcy Code, a bankruptcy court may not confirm a plan under chapter 11 of the Bankruptcy Code unless each holder of an allowed claim or interest in an impaired class either: (a) accepts the plan; or (b) will receive or retain property on account of such claim or interest of a value, as of the effective date of the plan, that is not less than the amount such holder would receive or retain if the debtor were liquidated under chapter 7 of the Bankruptcy Code.

To demonstrate that the proposed plan satisfies the "best interests of creditors" test, the Debtors, with the assistance of their advisors, have prepared the following hypothetical liquidation analysis presenting recoveries available assuming a hypothetical liquidation (the "Liquidation Analysis"), which is based upon certain assumptions discussed in the Disclosure Statement and in the accompanying notes to this Liquidation Analysis.

This Liquidation Analysis sets forth an estimated range of recovery values for each Class of Claims and Interests that may be realizable upon the disposition of assets pursuant to a hypothetical chapter 7 liquidation of the Debtors' estates. As illustrated by this Liquidation Analysis, Holders of Claims in certain Unimpaired Classes that would receive a full recovery under the Plan would receive less than a full recovery in a hypothetical liquidation. Additionally, Holders of Claims or Interests in Impaired Classes would receive a lower recovery in a hypothetical liquidation than they would under the Plan. Further, no Holder of a Claim or Interest would receive or retain property under the Plan of a value that is less than such Holder would receive in a chapter 7 liquidation. Accordingly, and as set forth in greater detail below, the Debtors believe that the Plan satisfies the "best interests of creditors" test set forth in section 1129(a)(7) of the Bankruptcy Code.

Statement of Limitations

The preparation of a liquidation analysis is an uncertain process involving the extensive use of significant estimates and assumptions that, although considered reasonable by the Debtors based upon their business judgment and input from their advisors, are inherently subject to significant business, economic, and competitive uncertainties and contingencies beyond the control of the Debtors, their management, and their advisors. Inevitably, some assumptions in this Liquidation Analysis would not materialize in an actual chapter 7 liquidation, and unanticipated events and circumstances could materially affect the ultimate results in an actual chapter 7 liquidation. This Liquidation Analysis was prepared for the sole purpose of generating a reasonable, good faith estimate of the proceeds that would be generated if the Debtors' assets were liquidated in accordance with chapter 7 of the Bankruptcy Code. This Liquidation Analysis is not intended and should not be used for any other purpose. The underlying financial information in this Liquidation Analysis and values stated herein have not been subject to any review, compilation, or audit by any independent accounting firm. In addition, various liquidation decisions upon which certain assumptions are based are subject to change. As a result, the actual amount of Claims that would ultimately be Allowed against the Debtors' estates could vary significantly from the estimates stated herein, depending on the nature and amount of Claims asserted during the pendency of the hypothetical chapter 7 cases. Similarly, the value of the Debtors' assets in a liquidation scenario is uncertain and could vary significantly from the values set forth in this Liquidation Analysis.

NEITHER THE DEBTORS NOR THEIR ADVISORS MAKE ANY REPRESENTATION OR WARRANTY THAT THE ACTUAL RESULTS OF A CHAPTER 7 LIQUIDATION OF THE DEBTORS' ESTATES WOULD OR WOULD NOT, IN WHOLE OR IN PART, APPROXIMATE THE ESTIMATES AND ASSUMPTIONS REPRESENTED IN THIS LIQUIDATION ANALYSIS. THE ACTUAL LIQUIDATION VALUE

[1] Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the *Disclosure Statement for the Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* (the "Disclosure Statement").

OF THE DEBTORS' ESTATES IS SPECULATIVE AND RESULTS COULD VARY MATERIALLY FROM ESTIMATES PROVIDED IN THIS LIQUIDATION ANALYSIS.

THE RECOVERIES SHOWN DO NOT CONTEMPLATE A SALE OR SALES OF THE DEBTORS' BUSINESS UNITS ON A GOING CONCERN BASIS. WHILE THE DEBTORS MAKE NO ASSURANCES, IT IS POSSIBLE THAT PROCEEDS RECEIVED FROM SUCH GOING CONCERN SALE(S) WOULD BE MORE THAN IN THE HYPOTHETICAL LIQUIDATION, THE COSTS ASSOCIATED WITH THE SALE(S) WOULD BE LESS, FEWER CLAIMS WOULD BE ASSERTED AGAINST THE BANKRUPTCY ESTATES AND/OR CERTAIN ORDINARY COURSE CLAIMS WOULD BE ASSUMED BY THE BUYER(S) OF SUCH BUSINESS(ES).

THIS LIQUIDATION ANALYSIS IS A HYPOTHETICAL EXERCISE THAT HAS BEEN PREPARED FOR THE SOLE PURPOSE OF PRESENTING A REASONABLE, GOOD FAITH ESTIMATE OF THE PROCEEDS THAT WOULD BE REALIZED IF THE DEBTORS WERE LIQUIDATED IN ACCORDANCE WITH CHAPTER 7 OF THE BANKRUPTCY CODE AS OF THE PLAN EFFECTIVE DATE. THIS LIQUIDATION ANALYSIS IS NOT INTENDED AND SHOULD NOT BE USED FOR ANY OTHER PURPOSE. THIS LIQUIDATION ANALYSIS DOES NOT PURPORT TO BE A VALUATION OF THE DEBTORS' ASSETS AS A GOING CONCERN, AND THERE MAY BE A SIGNIFICANT DIFFERENCE BETWEEN THIS LIQUIDATION ANALYSIS AND THE VALUES THAT MAY BE REALIZED OR CLAIMS GENERATED IN AN ACTUAL LIQUIDATION. NOTHING CONTAINED IN THIS LIQUIDATION ANALYSIS IS INTENDED TO BE, OR CONSTITUTES, A CONCESSION, ADMISSION, OR ALLOWANCE OF ANY CLAIM BY THE DEBTORS. THE ACTUAL AMOUNT OR PRIORITY OF ALLOWED CLAIMS IN THE CHAPTER 11 CASES COULD MATERIALLY DIFFER FROM THE ESTIMATED AMOUNTS SET FORTH AND USED IN THIS LIQUIDATION ANALYSIS. THE DEBTORS RESERVE ALL RIGHTS TO SUPPLEMENT, MODIFY, OR AMEND THE ANALYSIS SET FORTH HEREIN.

Basis of Presentation

This Liquidation Analysis has been prepared assuming that the Debtors convert their current chapter 11 cases to cases under chapter 7 of the Bankruptcy Code on or about September 4, 2019 (the "Conversion Date").[2] Except as otherwise noted herein, this Liquidation Analysis is based upon the unaudited balance sheets of the Debtors as of May 31, 2019 and those values, in total, are assumed to be representative of the Debtors' assets and liabilities as of the Conversion Date. Certain balances, including cash, inventory, prepaid expenses, and amounts drawn under the DIP ABL Facility and the DIP Term Loan Facility have been projected forward to the Conversion Date. For example, the estimated net book value for certain assets was projected by rolling forward certain of the unaudited net book values for the Debtors based on the financial projections (the "Financial Projections") in the Debtors' business plan. Additionally, this Liquidation Analysis considered the analysis of certain third-party appraisers to estimate recoveries in a liquidation for the Debtors' accounts receivable and inventory and further adjusted accounts receivable for potential setoff claims. As noted above, the assets available to the Debtors in an actual liquidation may differ from the assets assumed to be available pursuant to this Liquidation Analysis.

In preparing this Liquidation Analysis, the Debtors estimated Allowed Claims in addition to the debt Claims based upon a review of the Debtors' financial statements. In addition, this Liquidation Analysis includes estimates for Claims not currently asserted in the chapter 11 cases, but which could be asserted and Allowed in a chapter 7 liquidation, including unpaid chapter 11 Administrative Claims, chapter 7 Administrative Claims such as liquidation and wind-down expenses, trustee fees, tax liabilities, and professional fees attributable to the liquidation and wind-down. To date, the Bankruptcy Court has not estimated or otherwise fixed the total amount of Allowed Claims that were used for purposes of preparing this Liquidation Analysis. Therefore, the Debtors' estimate of Allowed Claims set forth in this Liquidation Analysis should not be relied on for any other purpose, including determining the value of any distributions to be made on account of Allowed Claims and Interests under the Plan.

[2] In the case of Hollander Canada, the Debtor's assets may be liquidated pursuant to the provisions of Canada's federal *Bankruptcy and Insolvency Act*, RSC, 1985, c B-3.

Conversion Date and Appointment of a Chapter 7 Trustee

This Liquidation Analysis assumes that on the Conversion Date, the Bankruptcy Court would appoint a chapter 7 trustee to oversee the liquidation of the Debtors' estates, during which time all of the Debtors' assets would be sold or surrendered and the cash proceeds, net of liquidation-related costs, would then be distributed to creditors in accordance with applicable law. There can be no assurance, however, that the liquidation would be completed within a certain timeframe, nor is there any assurance that the recoveries assigned to the assets would in fact be realized. In accordance with section 704 of the Bankruptcy Code, a trustee must, among other duties, collect and convert the property of the estate as expeditiously (generally at distressed prices) as is compatible with the best interests of parties in interest. In addition, there is a significant likelihood that each of the Debtors' foreign non-debtor affiliates would commence insolvency proceedings under their respective local foreign jurisdictions because of the wind-down of the Debtors.

Deconsolidated Liquidations

This Liquidation Analysis assumes that the Debtors would be liquidated in a jointly administered, but not substantively consolidated proceeding, and takes into account the differences in collateral under the DIP ABL Facility and the DIP Term Loan Facility with respect to the United States and Canada as well as the administrative priority status of intercompany claims arising postpetition. The results of this analysis have been consolidated for convenience.

Additional Global Notes and Assumptions

This Liquidation Analysis should be read in conjunction with the following global notes and assumptions:

1. Unaudited Financial Statements. This Liquidation Analysis contains numerous estimates. Except as otherwise noted herein, available recoveries are based upon the unaudited financial statements and balance sheets of the Debtors as projected as of the Conversion Date.

2. Chapter 7 Liquidation Costs. The Debtors have assumed that a hypothetical chapter 7 liquidation would last approximately six months in order to pursue orderly sales of substantially all remaining assets and collect receivables as well as to arrange distributions and otherwise administer and close the estates. In an actual liquidation, the length of the wind-down process could vary significantly, thereby impacting recoveries. Accordingly, there can be no assurance that the values reflected in this Liquidation Analysis would be realized if the Debtors were, in fact, to undergo such a liquidation.

3. Distribution of Net Proceeds. Pursuant to section 726 of the Bankruptcy Code, Allowed Administrative Claims incurred by the chapter 7 trustee, including expenses affiliated with selling the Debtors' assets, are entitled to payment in full prior to any distribution to chapter 11 Administrative Claims or Other Priority Claims. The estimate used in this Liquidation Analysis for these expenses includes estimates for operational expenses and certain legal, accounting, and other professionals, as well as an assumed 3% fee based upon liquidated assets payable to the chapter 7 trustee. Since the majority of the net proceeds of the liquidation of non-cash assets would be for the benefit of Holders of DIP Claims, it is assumed that the chapter 7 administrative and other priority Claims, post-conversion operational expenses and professional fees, and chapter 7 trustee fees are entitled to payment in full prior to any distribution to Holders of DIP Claims. Any remaining net Cash would then be distributed to creditors in accordance with applicable law in the following priority: (a) first to pay the secured portions of any Allowed Secured Claims, including the DIP Claims, in accordance with their respective priorities in the applicable collateral securing such Allowed Secured Claims, (b) second to pay any Allowed Administrative Claims and Other Priority Claims; and (c) third to creditors holding General Unsecured Claims, including deficiency Claims that arise to the extent of any unsecured portion of Allowed Secured Claims.

   Under the absolute priority rule, no junior creditor at a given entity would receive any distribution until all senior creditors are paid in full at such entity, and no equity holder at such entity would receive any distribution until all creditors at such entity are paid in full. The assumed distributions to creditors as reflected in this Liquidation Analysis are estimated in accordance with the absolute priority rule.

4. Certain Exclusions and Assumptions. This Liquidation Analysis does not include detailed estimates for the tax consequences that may be triggered upon the liquidation and sale events included in the analysis. Such tax consequences may be material.

II. CONCLUSIONS

THE DEBTORS HAVE DETERMINED, AS SUMMARIZED IN THE FOLLOWING ANALYSIS, THAT CONFIRMATION OF THE PLAN WILL PROVIDE CREDITORS WITH A RECOVERY THAT IS NOT LESS THAN WHAT THEY WOULD OTHERWISE RECEIVE IN CONNECTION WITH A LIQUIDATION OF THE DEBTORS UNDER CHAPTER 7 OF THE BANKRUPTCY CODE.

III. NOTES FOR PROCEEDS AVAILABLE FOR DISTRIBUTION

A. Gross Liquidation Proceeds

1. Cash and Cash Equivalents: This Liquidation Analysis projects the level of cash balances on hand from May 31, 2019 to balances on hand at the Conversion Date, which balances are assumed to be recoverable at 100%.

2. Accounts Receivable: Accounts receivable balances as of the Conversion Date net of reserves are assumed to be comparable to accounts receivable as of May 31, 2019. Net recoverable rates were adjusted based on the experience of management and the Company's advisors, including with respect to dilution on account of potential customer setoff claims.

3. Inventory: The net recoverable rates were based on net orderly liquidation values presented in the borrowing base for the DIP ABL Facility and were adjusted for historical experience, the Company's advisors' experiences, and conversations and bids received for excess and inactive inventory from experienced members of the liquidation community. Recovery assumptions range between approximately 7.5% and 30% of net book value

after deducting operating expenses such as payroll, occupancy, freight, and fees. This Liquidation Analysis assumes that inventory is sold "as is, where is" during the liquidation period.

4. Prepaid Expenses: The Debtors have prepaid certain expenses, including but not limited to, insurance, inventory purchases, royalties, and various contractual obligations, such as annual technology license fees, among others. This Liquidation Analysis assumes that prepaid amounts will continue to be consumed during the liquidation period, to offset against potential liabilities, or otherwise deemed non-recoverable. This Liquidation Analysis assumes recovery rates of between 25% and 32% of net book value, with estimated recoveries coming from unearned insurance premiums and the liquidation of prepaid inventory in transit.

5. Fixed Assets: Fixed assets include all manufacturing plant machinery and equipment owned by the Debtors as well as leasehold improvements, furniture and fixtures, office equipment, computer equipment, capital lease obligations, and owned real property. The most significant assets in this category include the plant production equipment and facility leasehold improvements.

   The Debtors have not had a third-party appraisal but estimate property, fixtures, and equipment to be recoverable at approximately 5%–12%. These assets are assumed to have a low recoverable rate to book value based upon, among other things, the age and condition of the equipment and the amount of similar assets being wound down at the same time. Management considered the foregoing factors when determining the recovery range for fixed assets.

6. Intangible Assets: Intellectual property owned by the Debtors is comprised of goodwill, favorable leasehold interests, trademarks, patents, license agreements, and e-commerce registered domain names (collectively, the "Debtors' IP").

   This Liquidation Analysis uses the forced liquidation value and assumes recoverable rates between 10% and 20% of net book value for trademarks and patents resulting in estimated proceeds of $1.9 million to $3.8 million. The value is assumed to be realized through a marketing process administered by the chapter 7 trustee to third-party buyers in the first two months of the liquidation period. Proceeds from liquidating license agreements have not been included because of uncertainty regarding potential restrictions on assignment under applicable law.

   With the exception of one owned real property asset, the Debtors lease their plants, warehouses, and office premises. Based upon a preliminary review by management of existing lease terms relative to market, it was determined that no existing real property leases contained material value in an assignment scenario. This assessment is based on the location of the plants, local market conditions, and the remaining lease term, among other things. For example, certain of the Debtors' existing leases were entered into in the last one to two years at current market rents.

   The Debtors do not have customer or vendor contracts and believe no value can be ascribed to any executory contracts that are assignable under applicable law.

7. Other Long-Term Assets: Other long-term assets consist of rent and utility deposits, professional retainers, deferred loan costs, investments in subsidiaries and intercompany accounts receivable and accounts payable. In a review of the details in each grouping, management determined monetization to be of *de minimus* value and therefore such assets are not included.

B. Liquidation Costs

8. Chapter 7 Professional Fees: Professional fees include costs for financial advisors, attorneys, accountants, and other professionals retained by the chapter 7 trustee. Professional fees were estimated to range from approximately $900,000 to $1.125 million for the liquidation period, based on an estimate of approximately $150,000 to $175,000 per month.

9. Chapter 7 Trustee Fees: In a chapter 7 liquidation, the Bankruptcy Court may allow reasonable compensation for the trustee's services not to exceed a certain percentage of such proceeds greater than a set amount upon all proceeds disbursed or turned over in the case by the trustee to parties in interest. Chapter 7 trustee fees were estimated at 3% of net liquidation proceeds, excluding recoveries related to cash and cash equivalents.

10. Chapter 7 Trustee Expenses: During the chapter 7 liquidation period, the trustee will incur certain costs charged by outside third parties that are necessary to properly administer the liquidation process. Such costs are likely to include facilities security costs and temporary labor costs, among others. For the entirety of the chapter 7 process, these costs have been estimated to range from $275,000 to $550,000.

11. Chapter 7 Estate Wind-Down Costs: During the chapter 7 liquidation period, the trustee will incur certain costs charged by outside third parties that are necessary to wind-down the estates. Such costs are likely to include bank account fees, de-registration fees and other miscellaneous items. For the entirety of the wind-down process, these costs have been estimated to range from $125,000 to $375,000.

C. Claims

12. Professional Fee Carve-Out: The DIP Order provides that certain unpaid and accrued professional fees and expenses shall be entitled to priority above the DIP Claims as well as Claims and fees to which the DIP Claims are senior. This Liquidation Analysis estimates this amount to be approximately $6.1 million as of the Conversion Date.

13. DIP Claims: This Liquidation Analysis assumes that the proceeds would be distributed to holders of DIP Claims in accordance with their relative priority taking into account the priority collateral under each facility.

    - DIP ABL Claims: This Liquidation Analysis assumes that the balance of the DIP ABL Facility is approximately $52 million as of the Conversion Date, including outstanding letters of credit.

    - Last Out DIP Loan Claims: This Liquidation Analysis assumes that the balance of the Last Out DIP Loan Claims is approximately $15 million as of the Conversion Date.

    - DIP Term Loan Claims: This Liquidation Analysis assumes that the balance of the DIP Term Loan Facility is approximately $28 million as of the Conversion Date.

14. Other Secured Claims: This Liquidation Analysis assumes Other Secured Claims to include Secured Claims related to capital lease obligations, which are estimated to be approximately $572,000 as of the Conversion Date.

15. Term Loan Claims: This Liquidation Analysis assumes Term Loan Claims to be approximately $166.5 million as of the Conversion Date.

16. Administrative and Priority Claims:

    - Administrative Claims: Administrative Claims include unpaid postpetition accounts payable, accrued operating expenses, Claims arising under section 503(b)(9) of the Bankruptcy Code, and unpaid postpetition taxes, among others. This Liquidation Analysis assumes Administrative Claims to range from approximately $6.1 million to approximately $7.1 million.

    - Diminution in Value Administrative Claims: This Liquidation Analysis assumes that no superpriority administrative expense claims were Allowed on account of any diminution in value. If diminution in value Claims were Allowed, the recoveries set forth in this Liquidation Analysis for all other Holders of Claims and Interests junior to such diminution in value Claims would be reduced.

    - Priority Claims: Priority Claims include Priority Tax Claims and Other Priority Claims. Total Priority Claims are estimated to range from approximately $700,000 to approximately $975,000.

17. General Unsecured Claims: This Liquidation Analysis assumes General Unsecured Claims will include, among others: (a) prepetition trade Claims, (b) Hollander Canada General Unsecured Claims, (c) rejection damages Claims, and (d) deficiency Claims.

- Trade Claims: Of the total amount of General Unsecured Claims, Claims related to trade payables are estimated to be approximately $80.5 million as of the Conversion Date.

TABLE OF CONTENTS

unsecured creditors with upside in the event that the prepetition term lenders' recovery increases. More specifically, the Plan provides for general unsecured creditors to share pro rata in the following recoveries:

- ***Reorganization***: the GUC Reorganization Recovery Pool will be funded with cash in the amount of $500,000. Further, if the Reorganized Debtors are sold within 24 months of the Effective Date and the term loan lenders receive more than a 30% recovery on account of their prepetition term loan claims (which shall be calculated after the repayment of other obligations repaid as part of such transaction), the Future Sale Consideration will be funded with 5% of each dollar in excess of such 30% recovery. In lieu of the right to recover from the GUC Reorganization Recovery Pool, certain vendors may become "Supporting Vendors," which will allow such vendors to receive either (a) a 1% recovery on their prepetition claims and a premium for providing the Reorganized Debtors with favorable trade credit or (b) go-forward protection through a letter of credit provided by the Reorganized Debtors to ensure payment of obligations.

- ***Sale Toggle***: the GUC Sale Transaction Recovery Pool will be funded with the first $600,000 of cash from the available proceeds of the Term Loan Priority Collateral, *plus* if the prepetition term loan lenders receive more than a 30% recovery on account of their prepetition term loan claims (based on the full amount of each such Holder's Term Loan Claims), 5% of each dollar in excess of such 30% recovery, *plus* if the prepetition term loan lenders receive more than a 50% recovery on account of their prepetition term loan claims (based on the full amount of each such Holder's Term Loan Claim), 7.5% of each dollar in excess of such 50% recovery.

- ***All Scenarios***: Sentinel will cause to be funded the Last Out Loans Turnover Amount, which is an amount up to $650,000 in the aggregate in cash for the benefit of general unsecured creditors, which amount will be paid from (i) the first $200,000 of any proceeds distributed to Sentinel (or its affiliates) as a holder of Last Out DIP Loan Claims on account of such Claims (including, after being rolled into any Exit ABL Facility, on account of any repayment as part of such Exit ABL Facility), *plus* (ii) 50 percent of each dollar received in excess of the first $200,000 of any such proceeds distributed to Sentinel or its affiliates as a Holder of Last Out DIP Loan Claims, up to a total maximum amount of $650,000 (inclusive of the first $200,000 of proceeds paid).

The Plan is supported by the Debtors' ABL Lenders, 100 percent of the Term Loan Lenders, Sentinel, and the UCC. The compromises and settlements to be implemented pursuant to the Plan preserve value by enabling the parties to avoid costly and time-consuming litigation that could potentially delay the Debtors' emergence from chapter 11. The proposed Plan maximizes creditor recoveries, meaningfully reduces the Debtors' aggregate funded debt, and best positions the Debtors for future success. The Plan is subject to the Debtors' fiduciary duties to maximize the value of their estates. The Debtors will therefore continue to review all options for their primary assets, and remain willing and able to talk to all parties regarding alternative viable and feasible chapter 11 plans. The fiduciary out in the A&R RSA allows the Debtors to consider all options should an improved deal construct emerge.

The formulation of the Plan, with the overwhelming support of the Debtor's secured creditors and the support of the UCC, is a significant achievement for the Debtors in the face of challenging circumstances. The Debtors strongly believe that the Plan is in the best interests of the Debtors' estates, represents the best available path to restructuring, and significantly deleverages the Debtors' consolidated balance sheet at a critical time. As such, the Debtors seek the Bankruptcy Court's approval of the Plan and strongly urge all Holders of Claims entitled to vote to accept the Plan by returning their ballots, so as to be **actually received** by Omni Management Group, the Debtors' solicitation agent (the "Solicitation Agent"), no later than ~~[~~**August 28, 2019**~~]~~**, at 4:00 p.m., prevailing Eastern Time** (the "Voting Deadline"). The Debtors will seek the Bankruptcy Court's approval of the Plan at the Confirmation Hearing (as defined herein).

Ballots received by facsimile or by electronic means will not be counted, unless specifically authorized in the applicable ballot.

Each Holder of a Claim entitled to vote to accept or reject the Plan may cast only one ballot for each Claim held by such Holder. By signing and returning a ballot or otherwise voting pursuant to the instructions set forth on the ballot, each Holder of a Claim entitled to vote will certify to the Bankruptcy Court and the Debtors that no other votes with respect to such Claim has been cast or, if any other votes have been cast with respect to such Claim, such earlier votes are superseded and revoked.

All ballots will be accompanied by return envelopes or alternate instructions for submitting your vote. The Holder must follow the specific instructions provided therein, as failing to do so may result in the Holder's vote not being counted.

D. *Plan Objection Deadline.*

The Bankruptcy Court has established ~~[~~August 28, 2019~~]~~, as the deadline to object to confirmation of the Plan (the "Plan Objection Deadline"). All such objections must be filed with the Bankruptcy Court and served in accordance with the *Order (A) Establishing Certain Notice, Case Management, and Administrative Procedures and (B) Granting Related Relief* [Docket No. 184] (the "Case Management Order") and Disclosure Statement Order

so that they are **actually received** on or before the Plan Objection Deadline. The Debtors believe the Plan Objection Deadline, as established by the Bankruptcy Court, affords the Bankruptcy Court, the Debtors, and other parties in interest reasonable time to consider the objections to the Plan before a Confirmation Hearing.

E. *Confirmation Hearing*.

Assuming the requisite acceptances are obtained for the Plan, the Debtors intend to seek confirmation of the Plan at a hearing ~~the Debtors have requested be~~ scheduled on ~~[~~September 4, 2019~~]~~, at ~~[~~11:00 a.m.~~]~~, prevailing Eastern Time, before the Honorable Michael E. Wiles, United States Bankruptcy Judge, in Courtroom No. 617 of the United States Court for the Southern District of New York, One Bowling Green, New York, NY 10004 (such hearing, the "Confirmation Hearing"). The Confirmation Hearing may be continued from time to time without further notice other than an adjournment announced in open court or a notice of adjournment filed with the Bankruptcy Court and served on the entities who have filed objections to the Plan, without further notice to other parties in interest. The Bankruptcy Court, in its discretion and before a Confirmation Hearing, may put in place additional procedures governing such hearing. The Plan may be modified, if necessary, before, during, or as a result of the hearing to confirm the Plan without further notice to parties in interest.

ARTICLE IV.
THE DEBTORS' BACKGROUND

A. *The Debtors' Business*.

1. The Debtors' Corporate History.

The Debtors were founded in 1953 when Bernard Hollander started selling pillows door-to-door, operating out of his garage under the name Hollander Home Fashions. Shortly thereafter, the Debtors purchased a vacant manufacturing plant to expand their operations. A second generation of Hollanders later opened additional factories in Chicago and Los Angeles. Over the next several decades, the Debtors experienced significant growth, both organically and through the acquisition of competitors. This included acquiring licensing arrangements for several well-known brands, including Ralph Lauren®, and the acquisition of Louisville Bedding Company ("LBC") in May 2013 and PCF in June 2017. The Company also developed its own brands, including Live Comfortably and its associated sub-brands.

The Hollander family sold the business to HGGC, LLC in 2009. In October 2014, Sentinel purchased the Debtors from HGGC, LLC, and has remained the Debtors' controlling equity holder ever since. Today, the Debtors are headquartered in Boca Raton, Florida, operate a primary show room in New York City, and have thirteen manufacturing facilities throughout the United States and Canada. In addition to their North American operations, the Debtors' non-debtor affiliates maintain a sourcing, product development, and quality control office in China.

2. The Debtors' Business Segments.

The Debtors design, manufacture, market, and distribute a variety of basic bedding products, including pillows, mattress pads, comforters, and foam. Over the last few years, the Debtors have expanded into additional segments of the sleep market, such as the natural-fill, hospitality, and cushion segments, and have extended their reach into the segments in which they have always operated, both through strategic acquisitions of competitors and through brand and product development.

The Debtors maintain seven entities operating two primary business segments: the top-of-bed segment and the cushion (or furniture) segment. Approximately 95 percent of the Debtors' sales come from wholesale distribution, including to department stores, mass merchants and clubs, off-price retailers, specialty retailers, and hospitality customers. Approximately 5 percent of the Debtors' sales are from online sales. Recently, the Debtors have been working to increase their direct-to-consumer sales through e-commerce connections with their own websites, established retailers, and online marketers. The Debtors' two major business units currently employ

E. *Approval of the Exit Backstop Commitment Letter*.

On the Petition Date, the Debtors filed the Exit Financing Motion, which seeks authority to enter into a backstop commitment letter for a $30 million new money senior secured first-lien term loan facility (the "New Money Exit Term Loan") as part of the $58 million Exit Term Loan Facility, and a related fee letter.

The Debtors commenced these chapter 11 cases with a commitment from certain of their prepetition Term Loan Lenders to provide a holistic financing package to fund the Debtors' chapter 11 cases and go-forward business upon emergence. Specifically, the participating Term Loan Lenders agreed to fund the DIP Term Loan Facility that will roll into the $58 million Exit Term Loan Facility on the effective date of the Plan with a commitment to backstop the remaining $30 million of new money under the same facility. This committed exit financing is critical to the Debtors' chapter 11 cases, provides certainty to their reorganization, and sends a strong signal to the market that the Debtors will emerge from bankruptcy with sufficient liquidity. Additionally, the exit financing commitment is part of the comprehensive value-maximizing restructuring transaction embodied in the A&R RSA and Plan.

Consideration of the Exit Financing Motion is continued to the hearing on Plan confirmation or such other date that will be duly noticed.

F. *Marketing Process*.

Prior to the Petition Date, the Debtors commenced a marketing process to market test the restructuring transactions contemplated in the A&R RSA and Plan. On May 19, 2019, the Debtors filed a motion seeking approval of Bidding Procedures and a proposed confirmation schedule. The Bidding Procedures were approved on July 3, 2019 [Docket No. 180]. Under the Bidding Procedures, the deadline for parties to submit non-binding indications of interest ~~is~~was July 15, 2019, and the deadline for parties to submit binding bids is August 8, 2019. Bids must meet the requirements set forth in the Bidding Procedures. An auction, if any, will occur on August 12, 2019.

The Debtors are keeping the advisors to their major stakeholders (including the UCC, the ABL Lenders, the Term Loan Lenders, and Sentinel) apprised of this process, including any indications of interest received.

G. *Plan Exclusivity.*

The initial periods pursuant to section 1121 of the Bankruptcy Code during which the Debtors have the exclusive right to file and solicit a chapter 11 plan are set to expire on September 16, 2019, and November 19, 2019, respectively, absent extension.

H. *Key Employee Retention Program.*

On July 3, 2019, the Debtors filed a motion seeking approval of the Debtors' key employee retention programs (collectively, the "KERP") [Docket No. 186]. The Debtors designated 74 non insider employees to participate in the KERP, which is comprised of a standard retention plan (the "Hollander Retention Plan") and a retention plan specific to the wind down of the Thomson, Georgia manufacturing plant (the "Georgia Retention Plan"). The Hollander Retention Plan covers 47 employees, and the Georgia Retention Plan covers 28 participants.

Under the proposed programs, participants in the Hollander Retention Plan will each receive one retention payment with an average award of approximately $7,600 per participant, with no single participant eligible for an award totaling more than $20,000 and with $10,000 as the most common award. The awards under the Georgia Retention Plan are less substantial in both total amount and individual awards. The total payments proposed to be made under the Hollander Retention Plan and the Georgia Retention Plan will not exceed $559,000. A hearing on approval of the KERP has been scheduled for August 1, 2019.

I. *Thomson Plant Closure*.

As part of the Debtors' right-sizing efforts, the Debtors have commenced the process of closing their manufacturing plant located in Thomson, Georgia. The Debtors' wind-down plan for the Thomson plant complies with the WARN Act's requirements, and the Debtors do not anticipate that the closure will have a significant impact on these chapter 11 cases.

On July 3, 2019, the Debtors filed a motion seeking approval of a plant closure settlement agreement they reached with the Southern Regional Joint Board of Workers United, SEIU on behalf of Local 2420 [Docket No. 185]. A hearing on approval of the union settlement agreement has been scheduled for August 1, 2019.

J. *Schedules and Statements and Claims Process.*

On May 30, 2019, the Debtors filed the Bar Date Motion to set bar dates and establish procedures for filing proofs of claim in these chapter 11 cases. On June 21, 2019, the Bankruptcy Court entered an order approving the Bar Date Motion [Docket No. 120], which established July 29, 2019, at 5:00 p.m., prevailing Eastern Time, as the Claims Bar Date and November 15, 2019, at 5:00 p.m., prevailing Eastern Time, as the bar date for governmental units.

On June 21, 2019, the Debtors filed their Schedules of Assets and Liabilities and Statement of Financial Affairs (the "Schedules and Statements").

K. *Settlement with the UCC.*

As discussed above, the Debtors, the Term Loan Lenders, and Sentinel engaged the UCC on the terms of a comprehensive settlement. The Debtors and the UCC each made proposals, and the parties held an "all hands" meeting on June 27, 2019, to discuss the potential constructs for a global case resolution. Following that meeting, the parties exchanged numerous proposals, ultimately reaching an agreement in principle on July 13, 2019. The terms of this global agreement were documented in the A&R RSA between the parties and are incorporated in the Plan. The Debtors have separately filed a motion seeking authority to assume the A&R RSA and approval of the releases and settlements incorporated therein, which motion ~~will be~~is set for ~~a~~ hearing~~.~~ on August 1, 2019. If approved, certain provisions of the settlement would survive if the Plan is not confirmed and there is a liquidation (through either chapter 7 or chapter 11), including a more limited distribution to general unsecured creditors upon satisfaction of certain conditions.

The material terms of the settlement include:

- in a reorganization, the Term Loan Lenders will consent to (a) the Debtors' funding of the GUC Reorganization Recovery Pool for the benefit of the Holders of General Unsecured Claims with Cash in the amount of $500,000, *less* any fees, expenses, and disbursements of the Plan Administrator in excess of the Plan Administrator Budget, including any fees, expenses, and disbursements associated with the prosecution of Commercial Tort Claims, if any, and (b) if the Reorganized Debtors are sold within 24 months of the Effective Date and the Term Loan Lenders receive more than a 30% recovery on account of their Term Loan Claims (based on the full amount of each such Holder's Term Loan Claim) (which shall be calculated after payment in full of the Exit Facilities, any claims related to the foregoing, and any replacement or additional money raised to fund the Reorganized Debtors, the sources and uses of such sale transaction, and any other obligations repaid as part of such transaction), the Future Sale Consideration which shall consist of 5% of each dollar in excess thereof;

- in lieu of any recovery from the GUC Reorganization Recovery Pool, certain "Supporting Vendors" who agree to provide standard prepetition trade credit to the Reorganized Debtors on the most favorable terms extended by such vendor in the 12 months before the Petition Date (but in no event less than 60-day terms) for the 12-month period beginning on the Effective Date, the Debtors will pay such vendor either: (a)(i) a payment of 3.0% of the average outstanding payable balance for the 12-month period beginning on the

(d) if applicable, the Exit Facility Documents shall have been executed and delivered by all of the Entities that are parties thereto, and all conditions precedent (other than any conditions related to the occurrence of the Effective Date) to the consummation of the Exit Facilities shall have been waived or satisfied in accordance with the terms thereof, and the closing of the Exit Facilities (and the payment in full of the DIP ABL Claims pursuant to the Payoff Letter) shall be deemed to occur concurrently with the occurrence of the Effective Date;

(e) if applicable, the New Organizational Documents shall have been executed and delivered by each Entity party thereto and shall be in full force and effect, and the issuance of the New Interests shall be deemed to occur concurrently with the occurrence of the Effective Date; and

(f) if applicable, all conditions precedent to the consummation of the Sale Transaction shall have been satisfied in accordance with the terms thereof, and the closing of the Sale Transaction shall be deemed to occur concurrently with the occurrence of the Effective Date.

2. Waiver of Conditions.

Subject to and without limiting the rights of each party to the RSA, the conditions to Consummation set forth in Article IX of the Plan may be waived by the Debtors with the reasonable consent of the Term Loan Agent, the Required Term Lenders, the DIP ABL Agent (solely with respect to the economic and non-economic treatment of the DIP ABL Agent and DIP ABL Lenders pursuant to such order), the UCC (solely with respect to the economic and non-economic treatment of General Unsecured Claims), and the Sponsor (solely with respect to the economic and non-economic treatment of the Last Out Loans or the Last Out DIP Loans, as applicable) without notice, leave, or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan.

3. Substantial Consummation.

"Substantial Consummation" of the Plan, as defined in section 1102(2) of the Bankruptcy Code, with respect to any of the Debtors, shall be deemed to occur on the Effective Date.

4. Effect of Failure of Conditions.

If the Effective Date of the Plan does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims by the Debtors, or claims by any Holders or any other Entity; (2) prejudice in any manner the rights of the Debtors, any Holders, or any other Entity; or (3) constitute an admission, acknowledgment, offer or undertaking by the Debtors, any Holders, or any other Entity in any respect.

ARTICLE VII.
STATUTORY REQUIREMENTS FOR CONFIRMATION OF THE PLAN

The following is a brief summary of the confirmation process. Holders of Claims and Interests are encouraged to review the relevant provisions of the Bankruptcy Code and to consult their own advisors with respect to the summary provided in the Disclosure Statement.

A. *Confirmation Hearing.*

Section 1128(a) of the Bankruptcy Code requires a bankruptcy court, after notice, to conduct a hearing to consider confirmation of a chapter 11 plan. Section 1128(b) of the Bankruptcy Code provides that any party in interest may object to confirmation of the Plan. **The ~~Debtors have requested that the~~ Bankruptcy Court has scheduled the Confirmation Hearing for ~~[~~September 4, 2019~~]~~, at ~~[~~11:00 a.m.~~]~~, prevailing Eastern Time.**

shareholders, members, management companies, fund advisors, employees, agents, advisory board members (other than members of the UCC), financial advisors, partners, attorneys, accountants, investment bankers, consultants, representatives, and other professionals, each in their capacity as such ~~collectively~~and solely to the extent of such Entity's authority to bind any of the foregoing, including pursuant to agreement or applicable non-bankruptcy law; (o) all Holders of Claims that vote to accept the Plan; (p) all Holders of Claims that vote to reject the Plan but elect on their ballot to opt into the Third-Party Release; and (q) all Holders of Claims or Interests not described in the foregoing clauses (a) through (p) who elect to opt into the Third-Party Release.

Article VIII of the Plan provides for the exculpation of each Exculpated Party for certain acts or omissions taken in connection with these chapter 11 cases. The released and exculpated claims are limited in those claims or Causes of Action that may have arisen in connection with, related to, or arising out of the Plan, this Disclosure Statement, or these chapter 11 cases. The Exculpated Parties are in each case solely in its capacity as such: (a) the Debtors; (b) the Reorganized Debtors; (c) the UCC and each of its respective members; (d) the DIP Agents; (e) the DIP Lenders; (f) the Put Purchasers; (g) the ABL Agent; (h) the ABL Lenders; (i) the Term Loan Agent; (j) the Term Loan Lenders; (k) the Exit Facility Agents; (l) the Exit Facility Lenders; (m) the Sponsor; (n) the parties to the A&R RSA; and (o) with respect to each of the foregoing entities, such Entity and its current and former Affiliates, and such Entities' and their current Affiliates' directors, managers, officers, equity holders (regardless of whether such interests are held directly or indirectly), predecessors, participants, successors, and assigns, subsidiaries, and each of their respective current and former equity holders, officers, directors, managers, principals, members, employees, agents, advisory board members, financial advisors, partners, attorneys, accountants, investment bankers, consultants, representatives, and other professionals, each in their capacity as such.

Article VIII of the Plan permanently enjoins Entities who have held, hold, or may hold Claims, Interests, or Liens that have been discharged or released pursuant to the Plan or are subject to exculpation pursuant to the Plan from asserting such Claims, Interests, or Liens against each Debtor, the Reorganized Debtors, and the Released Parties.

The Plan provides that all Holders of Claims or Interests who are entitled to vote on the Plan who vote to accept the Plan will be granting a release of any claims or rights they have or may have as against many individuals and Entities. In addition, certain other Holders of Claims or Interests identified in the definition of "Releasing Parties" can grant a release of any claims or rights they have or may have as against many individuals and Entities in a variety of other ways, including by:

- voting to reject the Plan but checking the "opt in" box on the Ballot;
- sending an e-mail to the Debtors' Solicitation Agent, Omni Management Group at hollanderballots@omnimgt.com, with "Hollander Opt In" in the subject line, including such Holder's name and address, and affirming the amount of such Holder's Claim and the Debtor against which such Claim is held;
- sending a letter to the Solicitation Agent, by first-class mail, at Hollander Sleep Products, LLC, c/o Omni Management Group, 5955 DeSoto Avenue, Suite #100, Woodland Hills, CA 91367 with "Hollander Opt In" in the subject line, including such Holder's name and address, and affirming the amount of such Holders' Claim and the Debtor against which such Claim is held; or
- sending a letter to the Solicitation Agent, by overnight or hand delivery at Hollander Sleep Products, LLC, c/o Omni Management Group, 5955 DeSoto Avenue, Suite #100, Woodland Hills, CA 91367 with "Hollander Opt In" in the subject line, including such Holder's name and address, and affirming the amount of such Holders' Claim and the Debtor against which such Claim is held.

The Third-Party Release includes any and all claims that such Holders may have against the Released Parties, which in any way relate to the Debtors, their operations either before or after these chapter 11 cases began, any securities of the Debtors, whether purchased or sold, including sales or purchases which have been rescinded, and any transaction that these Released Parties had with the Debtors.

Debtors are authorized to settle or release their claims in a chapter 11 plan. *See In re Adelphia Commc'ns Corp.*, 368 B.R. 140, 263 n.289, 269 (Bankr. S.D.N.Y. 2007) (debtor may release its own claims); *In re Oneida*

effect on the date of this Disclosure Statement and all of which are subject to change or differing interpretations, possibly with retroactive effect. Due to the lack of definitive judicial and administrative authority in a number of areas, substantial uncertainty may exist with respect to some of the tax consequences described below. No opinion of counsel has been obtained, and the Debtors do not intend to seek a ruling from the IRS as to any of the tax consequences of the Plan discussed below. The discussion below is not binding upon the IRS or the courts. No assurance can be given that the IRS would not assert, or that a court would not sustain, a different position than any position discussed herein.

This discussion does not purport to address all aspects of U.S. federal income taxation that may be relevant to the Debtors or to Holders of Claims or Interests in light of their individual circumstances, nor does it address tax issues with respect to such Holders that are subject to special treatment under the U.S. federal income tax laws (including, for example, banks, governmental authorities or agencies, partnerships or other pass-through entities, subchapter S corporations, trusts, dealers and traders in securities, insurance companies, financial institutions, tax-exempt organizations, small business investment companies, Persons who are related to the Debtors within the meaning of the IRC, Persons using a mark-to-market method of accounting, Holders of Claims or Interests who are themselves in bankruptcy, real estate investment trusts, expatriates or former long-term residents of the United States, and regulated investment companies and those holding, or who will hold, Claims or the New Interests as part of a hedge, straddle, conversion, or other integrated transaction). This discussion does not address any U.S. federal non-income (including estate or gift), state, local, or non-U.S. tax considerations, the Medicare tax imposed on certain net investment income or considerations under any applicable tax treaty. Furthermore, this discussion assumes that a Holder of a Claim holds only Claims in a single Class and holds Claims as "capital assets" within the meaning of section 1221 of the IRC (generally, property held for investment). Moreover, this discussion does not address special considerations that may apply to persons who are both Holders of Claims and Holders of Interests. This summary also assumes that the various debt instruments and other arrangements to which the Debtors are a party will be respected for U.S. federal income tax purposes in accordance with their form. Moreover, except to the extent specifically addressed herein, this discussion assumes that the "installment sale method" of reporting any gain that may be recognized by Holders in respect of the transactions described herein does not apply and this discussion does not address the U.S. federal income tax consequences attributable to the installment sale method or open transaction reporting except to the extent specifically addressed herein.

For purposes of this discussion, a "U.S. Holder" is a Holder that is: (1) an individual citizen or resident of the United States for U.S. federal income tax purposes; (2) a corporation (or other entity validly treated as a corporation for U.S. federal income tax purposes) created or organized under the laws of the United States, any state thereof or the District of Columbia; (3) an estate the income of which is subject to U.S. federal income taxation regardless of the source of such income; or (4) a trust (A) if a court within the United States is able to exercise primary jurisdiction over the trust's administration and one or more United States persons (within the meaning of section 7701(a)(30) of the IRC) has authority to control all substantial decisions of the trust or (B) that has a valid election in effect under applicable Treasury Regulations to be treated as a United States person (within the meaning of section 7701(a)(30) of the IRC). For purposes of this discussion, a "Non-U.S. Holder" is any Holder that is not a U.S. Holder or a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes).

If a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes) is a Holder, the tax treatment of a partner (or other owner) generally will depend upon the status of the partner (or other owner) and the activities of the partner (or other owner) and the partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes). Partners of any partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes) that is a Holder should consult their respective tax advisors regarding the U.S. federal income tax consequences of the Plan.

The following discussion assumes that the Debtors will undertake the Restructuring Transactions currently contemplated by the Plan in accordance with the Plan and as further described herein and in the Plan. Holders of Claims are urged to consult their tax advisors regarding the tax consequences of the Restructuring Transactions.

THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON THE INDIVIDUAL CIRCUMSTANCES PERTAINING TO A HOLDER OF A CLAIM OR INTEREST. ALL HOLDERS OF CLAIMS OR INTERESTS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS FOR THE U.S. FEDERAL, STATE, LOCAL, AND NON-U.S. TAX CONSEQUENCES OF THE PLAN.

B. *Certain U.S. Federal Income Tax Consequences of the Plan to the Debtors.*

1. Characterization of the Debtors.

Dream II Holdings, LLC ("Dream II") is treated as a partnership for U.S. federal income tax purposes. Dream II's wholly-owned subsidiary, Hollander Sleep Products, LLC and a number of the direct and indirect subsidiaries of Hollander Sleep Products, LLC are treated as entities disregarded as separate from Dream II for U.S. federal income tax purposes. Accordingly, the U.S. federal income tax consequences of the Restructuring Transactions will generally be borne by the equity holders of Dream II rather than Hollander Sleep Products, LLC, Dream II, or the other Debtors.[12] For purposes of the following disclosure, references to Dream II are deemed to include references to subsidiaries of Dream II that are disregarded as separate from it for U.S. federal income tax purposes where applicable.

As a partnership or disregarded entity (as applicable), Dream II and its subsidiaries generally are not subject to U.S. federal income taxation. Instead, each existing equity holder of Dream II is required to report on its U.S. federal income tax return, and is subject to tax in respect of, its distributive share of each item of income, gain, loss, deduction and credit of such Debtors. Accordingly, except to the extent noted below, the U.S. federal income tax consequences of the Restructuring Transactions under the Plan generally will not be borne by the Debtors, and instead will be borne by the existing ~~equity h~~Holders of Interests in Dream II.

2. Cancellation of Debt Income and Reduction of Certain Tax Attributes.

In general, absent an exception, a taxpayer will realize and recognize cancellation of indebtedness income ("COD Income") upon satisfaction of its outstanding indebtedness for total consideration less than the amount of such indebtedness. The amount of COD Income, in general, is the excess of (a) the adjusted issue price of the indebtedness satisfied, over (b) the sum of (i) the amount of cash paid, (ii) the issue price of any new indebtedness of the debtor issued, and (iii) the fair market value of any other consideration (including stock or warrants of the debtor or another entity) given in satisfaction of such indebtedness at the time of the exchange.

However, a taxpayer will not be required to include COD Income in gross income under certain statutory exceptions. In particular, COD Income is not includable in income (i) if the taxpayer is under the jurisdiction of a court in a case under chapter 11 of the Bankruptcy Code and the discharge of debt occurs pursuant to that proceeding (the "Bankruptcy Exception") or (ii) if the taxpayer is insolvent (but only to the extent of the taxpayer's insolvency) (the "Insolvency Exception"). As a consequence of such exclusion, ~~a taxpayer debtor~~such taxpayer must reduce its tax attributes by the amount of COD Income that it excluded from gross income pursuant to section 108 of the IRC. In general, tax attributes will be reduced in the following order: (a) net operating losses ("NOLs"); (b) general business credit carryovers; (c) minimum tax credit carryovers; (d) capital loss carryovers; (e) tax basis in assets (but not below the amount of liabilities to which the debtor remains subject); (f) passive activity loss and credit carryovers; and (g) foreign tax credits. Alternatively, a ~~debtor~~taxpayer with COD Income may elect first to reduce the basis of its depreciable assets pursuant to section 108(b)(5) of the IRC.

[12] Certain of Hollander Sleep Products, LLC's direct or indirect subsidiaries are entities taxable as corporations for U.S. federal income tax purposes (the "Sleep Products Corporate Subsidiaries"). The Claims discussed in this disclosure are not held with respect to the Sleep Products Corporate Subsidiaries and, as such, this discussion does not address the tax consequences of the Restructuring Transactions as they relate to the Sleep Products Corporate Subsidiaries.

In connection with the Restructuring Transactions, the Debtors expect to realize COD Income. The exact amount of any COD Income that will be realized by the Debtors will not be determinable until the consummation of the Plan. Because the Plan provides that the Holders of Allowed Class 4 Claims ~~will~~may receive 23% of the New Interests (subject to dilution by certain other issuances of New Interests) (if the Recapitalization Structure, as defined below, is implemented) the amount of COD Income will depend, among other things, on the fair market value of the New Interests (or the value of other consideration to Holders of Allowed Class 4 Claims receive pursuant to the Plan under a Sale Structure (as defined below)). This value cannot be known with certainty until after the Plan is consummated.

As described above, because Dream II is a partnership for U.S. federal income tax purposes, such COD Income is generally expected to be allocated to the existing equity holders of Dream II. Under section 108(d)(6) of the IRC, the Bankruptcy Exception and the Insolvency Exception (and, in each case, related attribute reduction) are applied at the partner level rather than at the entity level and, thus, depend on whether the partner, *i.e.*, each of the existing ~~equity h~~Holders of Interests in of Dream II to which the COD Income is allocated, is itself insolvent or in bankruptcy. The fact that the Debtors are insolvent and in bankruptcy is not relevant for that determination. For purposes of determining a Holder's insolvency (measured immediately prior to the Effective Date), the Holder would be treated as if it were individually liable for an amount of partnership debt equal to the amount of the COD Income allocated to the Holder. To the extent any amount of COD Income is excludable by a Holder by reason of the Insolvency Exception or the Bankruptcy Exception, the Holder generally would be required to reduce certain tax attributes (such as net operating losses, tax credits, possibly tax basis in assets and passive losses) after the determination of its tax liability for the taxable year. ***Each Holder of Interests in Dream II should consult its tax advisors regarding consequences of the consummation of the Plan to its own circumstances.***

3. Characterization of the Restructuring Transactions.

The Debtors have not yet determined how the Restructuring Transactions will be structured. There are currently two anticipated alternatives contemplated by the Plan—a Sale Structure or a Recapitalization Structure, each as defined and described below. Unless otherwise noted, the discussion below applies only to U.S. Holders.

(a) Sale Structure.

In the event that there is a Winning Bidder (other than the Term Loan Lenders), the Debtors expect to effect the Restructuring Transactions by causing Dream II to sell its assets (subject to any liabilities assumed by the Winning Bidder) to the Winning Bidder in a taxable exchange for the consideration paid by the applicable Winning Bidder (the "Bid Consideration," and such structure, the "Sale Structure"), which Bid Consideration, along with any additional Class 5 Sale Consideration (as defined below), the Debtors would subsequently distribute to Holders of Claims pursuant to the Plan. If a Sale Structure ~~was~~is utilized, Dream II's items of income, gain, loss, or deduction arising from such taxable exchange would be allocated to Holders of Interests in Dream II. For purposes of calculating the amount of income, gain, loss or deduction allocable to the Holders of Interests in Dream II arising from such a sale, Dream II would recognize gain or loss equal to the amount of the Bid Consideration, plus the amount of any liabilities assumed by the Winning Bidder in the sale, less Dream II's tax basis in the transferred assets. In addition, to the extent the Winning Bidder does not assume liabilities of the Debtors and the Bid Consideration distributed to a Holder of Claims is less than the amount of such Holder's Claim, the cancellation of any remaining Claims against the Debtors may give rise to COD Income, as described above in Article X.B.2, which COD Income would be allocated to Holders of Interests in Dream II, as described therein.

(b) Recapitalization Structure.

If the Term Loan Lenders are the Winning Bidder, the Debtors anticipate that the Restructuring Transactions will be structured as a transfer of all of Dream II's assets (subject to certain liabilities) to an entity treated as a corporation for U.S. federal income tax purposes that is newly formed by a nominee of the Exit Term Loan Lenders ("Dream Newco Parent"). Pursuant to the Plan and in accordance with the Restructuring Transactions, the following transactions would occur:

- On or prior to the Effective Date, the Exit Term Loan Lenders would fund their proportionate share of the Exit Term Loan Facility and receive 40% of the New Interests (subject to dilution by equity issuances in accordance with the Management Incentive Plan);

- On the Effective Date, Dream Newco Parent would contribute 60% of the New Interests (subject to dilution by equity issuances in accordance with the Management Incentive Plan) to a newly formed wholly-owned, subsidiary treated as a corporation for U.S. federal income tax purposes ("Dream Acquisition Subsidiary");

- On the Effective Date, immediately following the prior step, in accordance with the Plan, Dream Acquisition Subsidiary would acquire all of the assets of Dream II (subject to certain liabilities) in exchange for 60% of the New Interests (subject to dilution by equity issuances in accordance with the Management Incentive Plan), the portion of the Exit Term Loan Facility not previously funded by the Exit Term Loan Lenders, the Class 5 Recapitalization Consideration (as defined below in Article X.C.2) and the assumption of certain of the Debtors' liabilities;

- On the Effective Date, immediately following the prior step, in accordance with the Plan, Dream II would (a) distribute 23% of the New Interests (subject to dilution by equity issuances in accordance with the Management Incentive Plan) to the Holders of Allowed Class 4 Claims in exchange for the full and final satisfaction of the Term Loan Claims held by the Holders of Allowed Class 4 Claims (b) distribute 37% of the New Interests (subject to dilution by equity issuances in accordance with the Management Incentive Plan) and the portion of the Exit Term Loan Facility received from Dream Acquisition Subsidiary to the DIP Term Loan Lenders in exchange for the full and final satisfaction of the DIP Term Loan Claims held by the DIP Term Loan Lenders and (c) distribute the Class 5 Recapitalization Consideration to the Holders of Allowed Class 5 Claims; and

- After the Effective Date, Dream Newco Parent would grant equity-based awards based on the New Interests in accordance with the Management Incentive Plan (collectively, the "Recapitalization Structure").

The transfer of assets to Dream Acquisition Subsidiary described above, although not free from doubt, would generally be expected to be treated as a taxable sale or exchange of the assets of Dream II for U.S. federal income tax purposes. As described above, because Dream II is a partnership for U.S. federal income tax purposes, any income, gain, loss, or deduction incurred in connection with such transactions, including any COD Income, would be allocated to the Holders of Interests in Dream II. Dream Acquisition Subsidiary would generally not be expected to recognize any gain or loss in such taxable exchange. In general, Dream Acquisition Subsidiary would have an initial tax basis in the assets acquired from Dream II in the taxable exchange equal to their respective fair market values at the time of the transfer.

Notwithstanding the foregoing, it is possible that the IRS would seek to recharacterize the Recapitalization Transaction as though (i) the DIP Term Loan Lenders contributed a portion of their DIP Term Loan Claims, and/or the Holders of Allowed Class 4 Claims contributed their Allowed Class 4 Claims, to Dream Newco Parent, in each case, in exchange for New Interests in a tax-deferred transaction governed by section 351 of the IRC, (ii) Dream Newco Parent contributed such Claims to Dream Acquisition Subsidiary in a tax-deferred transaction governed by section 351 of the IRC, and (iii) Dream Acquisition Subsidiary acquired all of the assets of Dream II (subject to certain liabilities) in full and final satisfaction of such Claims (a "Deemed 351 Transaction"). If the IRS were to successfully recharacterize the Recapitalization Transactions as a Deemed 351 Transaction, Dream Newco Parent's tax basis in the DIP Term Loans and/or the Allowed Class 4 Claims deemed contributed to it by each applicable Holder would generally be equal to the lesser of (a) the applicable transferor's tax basis in the contributed DIP Term Loan and/or contributed Allowed Class 4 Claim, as applicable and (b) the fair market value of the contributed DIP Term Loan and/or contributed Allowed Class 4 Claim, as applicable, in each case, at the time of such contribution. Moreover, Dream Acquisition Subsidiary's tax basis in the Allowed Class 4 Claims and/or DIP Term Loan Claims contributed to it would generally be equal to Dream Newco Parent's tax basis in such Claims. Accordingly, it is possible that Dream Acquisition Subsidiary would recognize gain, but not loss, on the subsequent deemed transfer of Allowed Class 4 Claims and/or DIP Term Loans to Dream II in exchange for the assets of Dream II (subject to certain liabilities) in an amount equal to the excess, if any, of (i) the fair market value of the assets received from Dream II and (ii) Dream Acquisition Subsidiary's tax basis in the Allowed Class 4 Claims and/or DIP Term Loan

Claims transferred to Dream II pursuant to the Deemed 351 Transaction. Holders of Claims are urged to consult their tax advisors regarding the tax consequences of a potential recharacterization of the Restructuring Transactions as a Deemed 351 Transaction.

(c) Transfer of the Commercial Tort Claims to Settlement Trust.

If the Restructuring Transactions are effected pursuant to the Sale Structure, it is expected, and the remainder of this discussion assumes, that the Debtors would transfer the Commercial Tort Claims to a settlement trust (a "Settlement Trust"). Subject to definitive guidance from the IRS or a court of competent jurisdiction to the contrary and other than with respect to amounts, if any, in a reserve for disputed claims (a "Disputed Claims Reserve"), the Debtors would structure the Settlement Trust in a manner intended to be treated as a "liquidation trust" for U.S. federal income tax purposes pursuant to Treasury Regulations section 301-7701-4(d), and the trustee of the Settlement Trust would be expected to the take positions on the Settlement Trust's tax return in a manner consistent with that intention. For U.S. federal income tax purposes, the transfer of assets to a Settlement Trust would be deemed to occur (a) first, as a transfer of the Commercial Tort Claims and, potentially cash, (the "Settlement Trust Assets") to the Holders of Class 5 Claims and (b) second, as a transfer by such Holders of the Settlement Trust Assets to the Settlement Trust.

As a result, the transfer of the Settlement Trust Assets to the Settlement Trust would be a taxable transaction, and the Debtors would recognize gain or loss equal to the difference between the tax basis and fair market value of such assets. As soon as possible after the transfer of the Settlement Trust Assets to the Settlement Trust, the trustee(s) of the Settlement Trust would make a good faith valuation of the fair market value of the Settlement Trust Assets. This valuation would be made available from time to time, as relevant for tax reporting purposes. Each of the Debtors, the trustee of the Settlement Trust, and the Holders of Claims receiving interests in the Settlement Trust would take consistent positions with respect to the valuation of the Settlement Trust Assets, and such valuations would be utilized for all U.S. federal income tax purposes.

Allocations of any taxable income of the Settlement Trust among the Settlement Trust beneficiaries would be determined by reference to the manner in which an amount of Settlement Trust Assets equal to such taxable income would be distributed (were such Settlement Trust Assets permitted to be distributed at such time) if, immediately prior to such deemed distribution, the Settlement Trust had distributed all its assets (valued at their tax book value) to the Settlement Trust beneficiaries, adjusted for prior taxable income and loss and taking into account all prior and concurrent distributions from the Settlement Trust. Similarly, taxable loss of the Settlement Trust would be allocated by reference to the manner in which an economic loss would be borne immediately after a liquidating distribution of the remaining Settlement Trust Assets. The tax book value of the Settlement Trust Assets would be equal ~~(subject to dilution by equity issuances in accordance with the Management Incentive Plan)~~ to their fair market value on the date of the transfer of the Settlement Trust Assets to the Settlement Trust, adjusted in accordance with tax accounting principles prescribed by the IRC, applicable Treasury Regulations, and other applicable administrative and judicial authorities and pronouncements.

The Settlement Trust would in no event be expected to be dissolved later than three (3) years from the creation of such Settlement Trust, unless the Bankruptcy Court, upon motion within the six (6) month period prior to the third (3rd) anniversary (or within the six (6) month period prior to the end of an extension period), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, without a favorable private letter ruling from the IRS or an opinion of counsel satisfactory to the trustee(s) of the Settlement Trust that any further extension would not adversely affect the status of the trust as a liquidating trust for U.S. federal income tax purposes) is necessary to facilitate or complete the recovery and liquidation of the Settlement Trust Assets.

With respect to amounts, if any, in a Disputed Claims Reserve, the Debtors expect that such account would be treated as a "disputed ownership fund" governed by Treasury Regulations section 1.468B-9, that any appropriate elections with respect thereto would be made, and that such treatment would also be applied to the extent possible for state and local tax purposes. Under such treatment, a separate U.S. federal income tax return would be filed with the IRS for the Disputed Claims Reserve and would be subject to tax annually on a separate entity basis. Any taxes (including with respect to interest, if any, earned in the account, or any recovery on the portion of assets allocable to such account in excess of the Disputed Claims Reserve's basis in such assets) imposed on such account

summary is not applicable to Non-Resident Holders that are insurers carrying on an insurance business in Canada and elsewhere or an authorized foreign bank that carries on a Canadian banking business. This portion of the summary assumes that no amount paid to a Non-Resident Holder by a Debtor that is not resident in Canada for purposes of the Tax Act is deductible in computing such Debtor's income earned in Canada for purposes of the Tax Act.

A Non-Resident Holder of Canadian Class 5 Claims will be considered to have disposed of its Canadian Class 5 Claims on the Effective Date in exchange for proceeds of disposition equal to the aggregate fair market value of (i) any cash to be paid to such Non-Resident Holder under the Plan on the Effective Date and (ii) any Future Payment Rights of such Non-Resident Holder, in each case as allocated to the principal amount of its Canadian Class 5 Claims. A Non-Resident Holder will be considered to dispose of a Future Payment Right when, among other things, the rights therein are settled pursuant to the terms of the Plan. A Non-Resident Holder will not be subject to tax under the Tax Act in respect of any capital gain realized on the disposition of its Canadian Class 5 Claims or Future Payment Right, and will not be able to deduct the allowable portion of any capital loss realized on the disposition of its Canadian Class 5 Claims or Future Payment Right, unless the Canadian Class 5 Claims or Future Payment Rights constitute "taxable Canadian property" of the Non-Resident Holder at the time of disposition, as defined in the Tax Act. Canadian Class 5 Claims and Future Payment Rights generally should not constitute taxable Canadian property of a Non-Resident Holder.

A Non-Resident Holder should not be subject to non-resident withholding tax in respect of any accrued and unpaid interest that is paid in respect of the Canadian Class 5 Claims. In general, the application of non-resident withholding tax to amounts paid by a Canadian-resident Debtor to a Non-Resident Holder in satisfaction of the principal amount of Canadian Class 5 Claims or the Future Payment Rights will depend on the nature and character of the Holder's Canadian Class 5 Claims or Future Payment Rights. In particular, any amount received by a Non-Resident Holder from a Canadian-resident Debtor in satisfaction of the principal amount of Canadian Class 5 Claims will be subject to non-resident withholding tax to the same extent as if such Canadian Class 5 Claims were satisfied in exchange for cash outside the context of the Plan. No non-resident withholding tax will apply in respect of any amount paid to a Non-Resident Holder by a Debtor that is not resident in Canada for purposes of the Tax Act pursuant to the Future Payment Rights.

ARTICLE XII.
RECOMMENDATION OF THE DEBTORS

In the opinion of the Debtors, the Plan is preferable to the alternatives described in this Disclosure Statement because it provides for a larger distribution to the Holders of Allowed Claims and Allowed Interests than would otherwise result in a liquidation under chapter 7 of the Bankruptcy Code. In addition, any alternative other than Confirmation of the Plan could result in extensive delays and increased administrative expenses resulting in smaller distributions to Holders of Allowed Claims and Allowed Interests than proposed under the Plan. Accordingly, the Debtors recommend that Holders of Claims entitled to vote on the Plan support Confirmation of the Plan and vote to accept the Plan.

The Plan shall be deemed a motion to approve the Plan Settlement pursuant to Bankruptcy Rule 9019, and the entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of such compromise and settlement under section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, as well as a finding by the Bankruptcy Court that such settlement and compromise is fair, equitable,

reasonable, and in the best interests of the Debtors and their Estates. Subject to Article VI hereof, all distributions made to Holders of Allowed Claims and Allowed Interests, as applicable, in any Class are intended to be and shall be final.

B. Restructuring Transactions

On the Effective Date, the applicable Debtors or the Reorganized Debtors shall enter into any transaction and shall take any actions as may be necessary or appropriate to effect a corporate restructuring of their respective businesses or a corporate restructuring of the overall corporate structure of the Debtors on the terms set forth in the Plan, including, as applicable, entry into the Exit Facilities, entry into the New Organizational Documents, consummation of the Sale Transaction in the event that the Winning Bidder is an Entity other than the Term Loan Lenders, the issuance of all securities, notes, instruments, certificates, and other documents required to be issued pursuant to the Plan, and/or the entry into one or more intercompany mergers, consolidations, amalgamations, arrangements, continuances, restructurings, conversions, dispositions, dissolutions, transfers, liquidations, spinoffs, intercompany sales, purchases, or other corporate transactions with the reasonable consent of the Term Loan Agent and the Required Term Lenders. C. Reorganized Debtors

On the Effective Date, the New Board shall be established, and the Reorganized Debtors shall adopt the New Organizational Documents. The Reorganized Debtors shall be authorized to implement the Restructuring Transactions and adopt any other agreements, documents, and instruments and to take any other actions contemplated under the Plan as necessary or desirable to consummate the Plan, which actions, regardless of whether taken before, on, or after the Effective Date, shall be deemed to constitute a Restructuring Transaction.

D. Sources of Consideration for Plan Distributions

The Reorganized Debtors will fund distributions under the Plan with Cash held on the Effective Date by or for the benefit of the Debtors or Reorganized Debtors, including Cash from operations, as well as the following sources of consideration.

1. Exit Facilities

On the Effective Date, the Reorganized Debtors shall execute and deliver the Exit Facility Documents to the applicable Exit Facility Administrative Agent and such documents shall become effective in accordance with their terms. On and after the Effective Date, the Exit Facility Documents shall constitute legal, valid, and binding obligations of the Reorganized Debtors and be enforceable in accordance with their respective terms.

The Exit Facilities shall consist of the Exit ABL Facility and the Exit Term Loan Facility. On the Effective Date, the Exit Term Loan Lenders shall fund the Exit Term Loan Facility and the Exit ABL Lenders shall fund the Exit ABL Facility. If the Term Loan Lenders are the Winning Bidder, in exchange for the commitment to fund the Exit Term Loan Facility, each Exit Term Loan Lender shall receive its Pro Rata share of 40 percent of the New Interests outstanding on the Effective Date, subject to dilution for the Management Incentive Plan, and such other consideration as set forth in the Exit Facility Documents.

The terms for the Exit Facilities will be determined in accordance with the Reorganized Debtors' contemplated post-Effective Date business plan following and depending on the results of the Auction (which may contemplate the continued ownership or operation of all or only some of the Debtors' assets), and any documentation necessary to implement the Exit Facilities will be included in the Plan Supplement. The Reorganized Debtors shall use proceeds of the Exit Facilities, as applicable, to fund ongoing operations and distributions under the Plan and to satisfy other Cash obligations under the Plan.

Confirmation shall be deemed approval of the Exit Facility Documents (including the transactions and fees contemplated thereby, and all actions to be taken, undertakings to be made, and obligations and guarantees to be incurred and fees paid in connection therewith), and, to the extent not approved by the Bankruptcy Court previously, the Reorganized Debtors will be authorized to execute and deliver any and all documents necessary or appropriate to obtain and enter into the Exit ABL Facility and the Exit Term Loan Facility, including the entry into the Exit Facility Documents, without further notice to or order of the Bankruptcy Court, act or action under applicable law, regulation, order or rule or vote, consent, authorization, or approval of any Person, subject to such modifications as the Debtors or Reorganized Debtors, with the reasonable consent of the Exit Term Loan Lenders, may deem to be necessary to consummate the Exit ABL Facility and the Exit Term Loan Facility.

2. Issuance of the New Interests

All existing Interests in Dream II shall be automatically cancelled on the Effective Date and the Reorganized Debtors shall issue the New Interests to Entities entitled to receive the New Interests pursuant to the Plan. The issuance of the New Interests is authorized without the need for any further corporate action and without any further action by the Holders of Claims or Interests or the Debtors or the Reorganized Debtors, as applicable. The New Organizational Documents, as applicable, shall authorize the issuance and distribution on the Effective Date of the New Interests to the Disbursing Agent for the benefit of Entities entitled to receive the New Interests pursuant to the Plan. All of the New Interests issued under the Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance of the New Interests under the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the instruments evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance. Any Entity's acceptance of New Interests shall be deemed as its agreement to the New Organizational Documents, as the same be amended or modified from time to time following the Effective Date in accordance with their terms. The New Interests will not be registered on any exchange as of the Effective Date.

3. Last Out Loans Turnover

The Sponsor shall cause to be delivered the Last Out Loans Turnover Amount to fund recoveries for the Holders of General Unsecured Claims. In a Sale Transaction, the Last Out Loans Turnover Amount shall be funded solely from the Cash proceeds, if any, received by the Sponsor on account of the Last Out DIP Loan Claims. If the Term Loan Lenders are the Winning Bidder and the Last Out DIP Loans are rolled into the Exit ABL Facility, the Sponsor (or its affiliated Entities) will fund the Last Out Loans Turnover Amount solely from the Cash proceeds it ultimately receives on account of the Last Out DIP Loans that have been converted into such Exit ABL Facility (in either case solely through a future pay down of such loans or from future proceeds the Sponsor (or its affiliated Entities) receives in the event of a sale of all or a portion of such loans following the Effective Date).

E. Sale Transaction

Continuing after the Petition Date, the Debtors will conduct a marketing and Auction process of some or all of the Debtors' assets in accordance with the Bidding Procedures to determine the Winning Bidder. The Bidding Procedures will set forth the terms of an Initial Minimum Overbid, will provide that all bids for the ABL Priority Collateral must be in cash unless otherwise agreed by the DIP ABL Agent (with respect to the ABL Priority Collateral), and will provide that any bids placed by any of the DIP Agents or the Prepetition Agents must be in accordance with the DIP Intercreditor Agreement. The Debtors will seek to elicit a higher or better Sale Transaction offer, if any, pursuant to the process set forth in the Bidding Procedures. If no Entity submits an Initial Minimum Overbid, the Term Loan Lenders will be deemed the Winning Bidder for purposes of the Plan, and the Debtors will seek Confirmation of the Plan as contemplated herein. If the Debtors are able to secure a higher or otherwise better offer in accordance with the Bidding Procedures, and the Winning Bidder is an Entity other than the Term Loan

Lenders, Holders of Term Loan Claims will be paid the Term Loan Distributable Cash as set forth in Article III of the Plan and the Sale Transaction will be consummated pursuant to the Plan in accordance with terms to be set forth in the Confirmation Order and Plan Supplement, as applicable. If the Debtors are unable to secure such higher or otherwise better offer at the conclusion of the marketing and Auction process contemplated by the Bidding Procedures, the Term Loan Lenders will be deemed to be the Winning Bidder for purposes of the Plan, and the Debtors will seek Confirmation of the Plan as contemplated herein.

F. Term Loan Deficiency Claim Waiver

The Holders of Term Loan Deficiency Claims shall not receive any distribution on account of such Claims and, subject to the occurrence of the Effective Date, such Term Loan Deficiency Claims shall be deemed waived.

G. Avoidance Actions Waiver

The Debtors and the Reorganized Debtors waive all Avoidance Actions.

H. Corporate Existence

Except as otherwise provided in the Plan, on and after the Effective Date, each Debtor shall continue to exist as a Reorganized Debtors and as a separate corporation, limited liability company, partnership, or other form of entity, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form of entity, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificate of incorporation and bylaws (or other similar formation and governance documents) in effect prior to the Effective Date, except to the extent such certificate of incorporation and bylaws (or other similar formation and governance documents) are amended under the Plan or otherwise, and to the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, provincial, or federal law).

I. Vesting of Assets in the Reorganized Debtors

On and after the Effective Date, except as otherwise provided in the Plan, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or Bankruptcy Rules.

Notwithstanding

the foregoing, no executory contract or unexpired lease (i) that has been, or will be, assumed pursuant to section 365 of the Bankruptcy Code or (ii) relating to a Claim that was paid in full prior to the Effective Date, shall be terminated or cancelled on the Effective Date, except that (a) the ABL Credit Agreement and Term Loan Credit Agreement shall continue in effect solely for the purpose of (I) allowing Holders of the ABL Claims and Term Loan Claims, as applicable, to receive the distributions provided for under the Plan, (II) allowing the ABL Agent and Term Loan Agent to receive or direct distributions from the Debtors and to make further distributions to the Holders of such Claims on account of such Claims, as set forth in Article VI.A of the Plan, and (III) preserving the ABL Agent's and Term Loan Agent's right to indemnification pursuant and subject to the terms of the ABL Credit Agreement and Term Loan Credit Agreement in respect of any Claim or Cause of Action asserted against the ABL Agent or Term Loan Agent, as applicable, *provided* that any Claim or right to payment on account of such indemnification shall be an Administrative Claim, and (b) the foregoing shall not affect the cancellation of shares issued pursuant to the Plan nor Intercompany Interests, which shall be treated as set forth in Article III.B.8.

All matters provided for in the Plan or deemed necessary or desirable by the Debtors before, on, or after the Effective Date involving the corporate structure of the Debtors or the Reorganized Debtors, and any corporate action required by the Debtors or the Reorganized Debtors in connection with the Plan or corporate structure of the Debtors or Reorganized Debtors shall be deemed to have occurred and shall be in effect on the Effective Date, without any requirement of further action by the security holders, directors, managers, or officers of the Debtors or the Reorganized Debtors. Before, on, or after the Effective Date, the appropriate officers of the Debtors or the Reorganized Debtors, as applicable, shall be authorized to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Reorganized Debtors, to the extent not previously authorized by the Bankruptcy Court. The authorizations and approvals contemplated by this Article IV.I shall be effective notwithstanding any requirements under non-bankruptcy law.

L. New Organizational Documents

On or immediately prior to the Effective Date, the New Organizational Documents shall be amended as necessary to effectuate the transactions contemplated by the Plan in a manner reasonably acceptable to the Term Loan Agent and the Required Term Lenders. Each of the Reorganized Debtors will file its New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in its respective state, province, or country of incorporation in accordance with the corporate laws of the respective state, province, or country of incorporation. The New Organizational Documents will prohibit the issuance of non-voting equity securities, to the extent required under section 1123(a)(6) of the Bankruptcy Code.

M. Directors, Managers, and Officers of the Reorganized Debtors

As of the Effective Date, the term of the current members of the board of managers of the Debtors shall expire, and the initial boards of directors, including the New Board, and the officers of each of the Reorganized Debtors shall be appointed in accordance with the respective New Organizational Documents. Pursuant to section 1129(a)(5) of the Bankruptcy Code, the Debtors will disclose in advance of the Confirmation Hearing the identity and affiliations of any Person proposed to serve on the initial board of directors or be an officer of any of the Reorganized Debtors. To the extent any such director or officer of the Reorganized Debtors is an "insider" under the Bankruptcy Code, the Debtors also will disclose the nature of any compensation to be paid to such director or officer. Each such director and officer shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and other constituent documents of the Reorganized Debtors.

N. Effectuating Documents; Further Transactions

On and after the Effective Date, the Reorganized Debtors, and the officers and members of the boards of directors or managers thereof, are authorized to and may issue, execute, deliver, file, or record such contracts, Securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, the Restructuring Transactions, and the Securities issued pursuant to the Plan in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorization, or consents except for those expressly required pursuant to the Plan.

O. Exemption from Securities Act Registration

Pursuant to section 1145 of the Bankruptcy Code and, to the extent that section 1145 of the Bankruptcy Code is inapplicable, section 4(a)(2) of the Securities Act, the issuance of the New Interests as contemplated by the Plan is exempt from, among other things, the registration requirements of section 5 of the Securities Act and any other applicable United States, state, or local law requiring registration for offer or sale of a security or registration or licensing of an issuer of, underwriter of, or broker or dealer in, a security. As long as the exemption to registration under section 1145 of the Bankruptcy Code is applicable, the New Interests are not "restricted securities" (as defined in rule 144(a)(3) under the Securities Act) and are freely tradable and transferable by any initial recipient thereof that (1) is not an "affiliate" of the Reorganized Debtors (as defined in rule 144(a)(1) under the Securities Act), (2) has not been such an "affiliate" within 90 days of such transfer, and (3) is not an entity that is an "underwriter" as defined in section 1145(b) of the Bankruptcy Code.

P. Exemption from Certain Taxes and Fees

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code and applicable law, any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property under the Plan or pursuant to (1) the issuance, distribution, transfer, or exchange of any debt, equity security, or other interest in the Debtors or the Reorganized Debtors, (2) the Restructuring Transactions, (3) the creation, modification, consolidation, termination, refinancing, and/or recording of any mortgage, deed of trust, or other security interest, or the securing of additional indebtedness by such or other means, (4) the making, assignment, or recording of any lease or sublease, (5) the grant of collateral as security for any or all of the Exit Facilities, as applicable, or (6) the making, delivery, or recording of any deed or other instrument of transfer under, in furtherance of, or in connection with, the Plan, including any deeds, bills of sale, assignments, or other instrument of transfer executed in connection with any transaction arising out of, contemplated by, or in any way related to the Plan (including the Sale Transaction, if applicable), shall not be subject to any document recording tax, stamp tax, conveyance fee, intangibles or similar tax, mortgage tax, stamp act, real estate transfer tax, sale or use tax, mortgage recording tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment, and upon entry of the Confirmation Order, the appropriate state or local governmental officials or agents shall forgo the collection of any such tax or governmental assessment and accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax, recordation fee, or governmental assessment. All filing or recording officers (or any other Person with authority over any of the foregoing), wherever located and by whomever appointed, shall comply with the requirements of section 1146(c) of the Bankruptcy Code, shall forgo the collection of any such tax or governmental assessment, and shall accept for filing and recordation any of the foregoing instruments or other documents without the payment of any such tax or governmental assessment.

Q. Preservation of Causes of Action

In accordance with section 1123(b) of the Bankruptcy Code, but subject in all respects to this Article IV and Article VIII hereof, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, as appropriate, any and all Causes of Action, whether arising before or after the Petition Date, including any actions specifically enumerated in the Schedule of Retained Causes of Action and notwithstanding the rejection of any Executory Contract or Unexpired Lease during the Chapter 11 Cases or pursuant to the Plan, and the Reorganized Debtors' rights to commence, prosecute, or settle such Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date, other than Avoidance Actions and the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article VIII, which shall be deemed released and waived by the Debtors and Reorganized Debtors as of the Effective Date; *provided* that Commercial Tort

Claims shall be preserved for the sole benefit of the Holders of General Unsecured Claims and only the Plan Administrator shall have an obligation to commence, prosecute, or settle such Commercial Tort Claims, if any.

The Reorganized Debtors may pursue such Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors. The applicable Reorganized Debtors, through their authorized agents or representatives, shall retain and may exclusively enforce any and all such Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against it as any indication that the Debtors or the Reorganized Debtors, as applicable, will not pursue any and all available Causes of Action against it, except as otherwise expressly provided in the Plan, including this Article IV and Article VIII of the Plan. The Debtors or the Reorganized Debtors, as applicable, expressly reserve all rights to prosecute any and all Causes of Action against any Entity, except as otherwise expressly provided in the Plan, including this Article IV and Article VIII of the Plan. Unless any Causes of Action against an Entity are expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or a Final Order, the Reorganized Debtors expressly reserve all Causes of Action, for later adjudication, and, therefore, no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

ARTICLE V.
TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption and Rejection of Executory Contracts and Unexpired Leases

On the Effective Date, except as otherwise provided herein, each Executory Contract or Unexpired Lease not previously assumed, assumed and assigned, or rejected shall be deemed automatically assumed by the applicable Reorganized Debtor in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those that: (1) are identified on the Rejected Executory Contracts and Unexpired Leases Schedule; (2) previously expired or terminated pursuant to its own terms; (3) have been previously assumed or rejected by the Debtors pursuant to a Bankruptcy Court order; (4) are the subject of a motion to reject Executory Contracts or Unexpired Leases that is pending on the Effective Date; or (5) are subject to a motion to reject an Executory Contract or Unexpired Lease pursuant to which the requested effective date of such rejection is after the Effective Date.

Entry of the Confirmation Order shall constitute an order of the Bankruptcy Court approving, subject to and upon the occurrence of the Effective Date, the assumptions, assumptions and assignments, or rejections of the Executory Contracts and Unexpired Leases assumed or rejected pursuant to the Plan. Any motions to assume Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order but may be withdrawn, settled, or otherwise prosecuted by the Reorganized Debtors. Each Executory Contract and Unexpired Lease assumed pursuant to this Article V.A of the Plan or by any order of the Bankruptcy Court, which has not been assigned to a third party prior to the Effective Date, shall revest in and be fully enforceable by the Reorganized Debtors in accordance with its terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed or assumed and assigned pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption or assumption and assignment of such Executory Contract or Unexpired Lease (including any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto.

B. Claims Based on Rejection of Executory Contracts or Unexpired Leases

Unless otherwise provided by a Final Order of the Bankruptcy Court, all Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases pursuant to the Plan or the Confirmation Order, if any, must be Filed with the Bankruptcy Court within 30 days after the later of (1) the date of entry of an order of the Bankruptcy Court (including the Confirmation Order) approving such rejection, (2) the effective date of such rejection, or (3) the Effective Date. **Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Bankruptcy Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Reorganized Debtors, the Estates, or their property of any of the foregoing parties without the need for any objection by the Reorganized Debtors or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules or a Proof of Claim to the contrary.** Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with Article III.B and may be objected to in accordance with the provisions of Article VII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

C. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

Any monetary defaults under each Executory Contract and Unexpired Lease to be assumed pursuant to the Plan shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the default amount in Cash on the Effective Date or as soon as reasonably practicable thereafter, subject to the limitation described below, or on such other terms as the parties to such Executory Contracts or Unexpired Leases may otherwise agree. In the event of a dispute regarding (1) the amount of any payments to cure such a default, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (3) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall be made following the entry of a Final Order or orders resolving the dispute and approving the assumption. At least 21 days prior to the Confirmation Hearing, the Debtors shall provide for notices of proposed assumption and proposed cure amounts to be sent to applicable third parties and for procedures for objecting thereto and resolution of disputes by the Bankruptcy Court. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or related cure amount must be Filed, served, and actually received by the Debtors at least seven days prior to the Confirmation Hearing. Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or cure amount will be deemed to have assented to such assumption or cure amount.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. **Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.**

D. Preexisting Obligations to the Debtors under Executory Contracts and Unexpired Leases

Rejection of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall not constitute a termination of preexisting obligations owed to the Debtors or the Reorganized Debtors, as applicable, under such Executory Contracts or Unexpired Leases. In particular, notwithstanding any non-bankruptcy law to the contrary, the Reorganized Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased by the Debtors contracting from non-Debtor counterparties to rejected Executory Contracts or Unexpired Leases.

E. Insurance Policies and Surety Bonds

Each of the Debtors' insurance policies and any agreements, documents, or instruments relating thereto, are treated as Executory Contracts under the Plan. Unless otherwise provided in the Plan, on the Effective Date, the Debtors shall be deemed to have assumed all insurance policies and any agreements, documents, and instruments relating to coverage of all insured Claims. Except as set forth in Article V.F of the Plan, nothing in this Plan, the Plan Supplement, the Disclosure Statement, the Confirmation Order, or any other order of the Bankruptcy Court (including any other provision that purports to be preemptory or supervening), (1) alters, modifies, or otherwise amends the terms and conditions of (or the coverage provided by) any of such insurance policies or (2) alters or modifies the duty, if any, that the insurers or third party administrators pay claims covered by such insurance policies and their right to seek payment or reimbursement from the Debtors (or after the Effective Date, the Reorganized Debtors) or draw on any collateral or security therefor. For the avoidance of doubt, insurers and third party administrators shall not need to nor be required to file or serve a cure objection or a request, application, claim, Proof of Claim, or motion for payment and shall not be subject to any claims bar date or similar deadline governing cure amounts or Claims.

Notwithstanding any other provision of the Plan, on the Effective Date, (1) all of the Debtors' obligations and commitments to any surety bond providers shall be deemed reaffirmed by the Reorganized Debtors, (2) surety bonds and related indemnification and collateral agreements entered into by any Debtor will be vested and performed by the applicable Reorganized Debtor and will survive and remain unaffected by entry of the Confirmation Order, and (3) the Reorganized Debtors shall be authorized to enter into new surety bond agreements and related indemnification and collateral agreements, or to modify any such existing agreements, in the ordinary course of business. The applicable Reorganized Debtors will continue to pay all premiums and other amounts due, including loss adjustment expenses, on the existing surety bonds as they become due prior to the execution and issuance of new surety bonds. Surety bond providers shall have the discretion to replace (or issue name-change riders with respect to) any existing surety bonds or related general agreements of indemnity with new surety bonds and related general agreements of indemnity on the same terms and conditions provided in the applicable existing surety bonds or related general agreements of indemnity.

F. Director, Officer, Manager, and Employee Liability Insurance

On or before the Effective Date, the Debtors, on behalf of the Reorganized Debtors, shall be authorized to and shall purchase and maintain directors, officers, managers, and employee liability tail coverage for the six-year period following the Effective Date for the benefit of the Debtors' current and former directors, managers, officers, and employees on terms no less favorable to such persons than their existing coverage under the D&O Liability Insurance Policies with available aggregate limits of liability upon the Effective Date of no less than the aggregate limit of liability under the existing D&O Liability Insurance Policies.

After the Effective Date, none of the Debtors or the Reorganized Debtors shall terminate or otherwise reduce the coverage under any such policies (including, if applicable, any "tail policy") with respect to conduct occurring on or prior to the Effective Date, and all officers, directors, managers, and employees of the Debtors who served in such capacity at any time before the Effective Date shall be entitled to the full benefits of any such policy for the full six-year term of such policy regardless of whether such officers, directors, managers, or employees remain in such positions after the Effective Date.

On and after the Effective Date, each of the Reorganized Debtors shall be authorized to purchase a directors' and officers' liability insurance policy for the benefit of their respective directors, members, trustees, officers, and managers in the ordinary course of business.

G. Indemnification Obligations

On and as of the Effective Date, the Indemnification Provisions will be assumed and irrevocable and will survive the effectiveness of the Plan, and the Reorganized Debtors' governance documents will provide for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, employees, and agents to the fullest extent permitted by law and at least to the same extent as the organizational documents of each of the respective Debtors on the Petition Date, against any claims or Causes of Action whether direct or derivative, liquidated

or unliquidated, fixed or contingent, disputed or undisputed, matured or unmatured, known or unknown, foreseen or unforeseen, asserted or unasserted. None of the Reorganized Debtors will amend and/or restate their respective governance documents before or after the Effective Date to terminate or adversely affect any of the Reorganized Debtors' obligations to provide such indemnification rights or such directors,' officers,' employees,' or agents' indemnification right.

On and as of the Effective Date, any of the Debtors' indemnification obligations with respect to any contract or agreement that is the subject of or related to any litigation against the Debtors or Reorganized Debtors, as applicable, shall be assumed by the Reorganized Debtors and otherwise remain unaffected by the Chapter 11 Cases.

H. Employee and Retiree Benefits

Unless otherwise provided herein, all employee wages, compensation, and benefit programs in place as of the Effective Date with the Debtors shall be assumed by the Reorganized Debtors and shall remain in place as of the Effective Date and, without limiting any authority provided to the board of directors or managers or members of the Reorganized Debtors under the Reorganized Debtors' respective formation and constituent documents, the Reorganized Debtors will continue to honor such agreements, arrangements, programs, and plans in the ordinary course of business. Notwithstanding the foregoing, pursuant to section 1129(a)(13) of the Bankruptcy Code, from and after the Effective Date, all retiree benefits (as such term is defined in section 1114 of the Bankruptcy Code), if any, shall continue to be paid in accordance with applicable law.

I. Collective Bargaining Agreements

The Collective Bargaining Agreements and any agreements, documents, or instruments relating thereto, is treated as and deemed to be an Executory Contract under the Plan. On the Effective Date, the Debtors shall be deemed to have assumed the Collective Bargaining Agreements and any agreements, documents, and instruments related thereto. All Proofs of Claim Filed for amounts due under the Collective Bargaining Agreements shall be considered satisfied by the agreement and obligation to assume and cure in the ordinary course as provided herein. On the Effective Date, any Proofs of Claim Filed with respect to the Collective Bargaining Agreements shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

J. Workers Compensation Program

As of the Effective Date, the Reorganized Debtors shall continue to honor their obligations under (1) all applicable workers' compensation laws in states in which the Reorganized Debtors operate, and (2) the Debtors' (a) written contracts, agreements, and agreements of indemnity, in each case relating to workers' compensation, (b) self-insurer workers' compensation bonds, policies, programs, and plans for workers' compensation, and (c) workers' compensation insurance. All Proofs of Claims on account of workers' compensation shall be deemed withdrawn automatically and without any further notice to or action, order, or approval of the Bankruptcy Court; *provided*, *however*, that nothing in the Plan shall limit, diminish, or otherwise alter the Debtors' or Reorganized Debtors' defenses, Causes of Action, or other rights under applicable non-bankruptcy law with respect to any such contracts, agreements, policies, programs and plans.

K. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan, each Executory Contract or Unexpired Lease that is assumed shall include all modifications, amendments, supplements, restatements, or other agreements that in any manner affect such Executory Contract or Unexpired Lease, and Executory Contracts and Unexpired Leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated under the Plan.

Modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases shall not be deemed to alter

the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims that may arise in connection therewith.

L. Reservation of Rights

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases, nor anything contained in the Plan, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any of the Reorganized Debtors has any liability thereunder. If there is a dispute regarding whether a contract or lease is or was executory at the time of assumption or rejection, the Debtors or the Reorganized Debtors, as applicable, shall have 30 days following entry of a Final Order resolving such dispute to alter its treatment of such contract or lease under the Plan.

M. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

N. Contracts and Leases Entered Into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor or the Reorganized Debtors liable thereunder in the ordinary course of their business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) will survive and remain unaffected by entry of the Confirmation Order.

ARTICLE VI.
PROVISIONS GOVERNING DISTRIBUTIONS

A. Timing and Calculation of Amounts to Be Distributed

Unless otherwise provided in the Plan, on the Initial Distribution Date (or if a Claim is not an Allowed Claim or Allowed Interest on the Initial Distribution Date, on the next Quarterly Distribution Date after such Claim or Interest becomes an Allowed Claim or Allowed Interest, or as soon as reasonably practicable thereafter), or as soon as is reasonably practicable thereafter, each Holder of an Allowed Claim or Allowed Interests (as applicable) shall receive the full amount of the distributions that the Plan provides for Allowed Claims or Allowed Interests (as applicable) in the applicable Class. In the event that any payment or act under the Plan is required to be made or performed on a date that is not a Business Day, then the making of such payment or the performance of such act may be completed on the next succeeding Business Day, but shall be deemed to have been completed as of the required date. If and to the extent that there are Disputed Claims or Disputed Interests, distributions on account of any such Disputed Claims or Disputed Interests shall be made pursuant to the provisions set forth in Article VII hereof. Except as otherwise provided in the Plan, Holders of Claims or Interests shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date.

B. Distributions on Account of Obligations of Multiple Debtors

For all purposes associated with distributions under the Plan, all guarantees by any Debtor of the obligations of any other Debtor, as well as any joint and several liability of any Debtor with respect to any other Debtor, shall be deemed eliminated so that any obligation that could otherwise be asserted against more than one Debtor shall result in a single distribution under the Plan, *provided* that Claims held by a single entity at different Debtors that are not based on guarantees or joint and several liability shall be entitled to the applicable distribution for such Claim at each applicable Debtor. Any such Claims shall be released and discharged pursuant to Article VIII of the Plan and shall be subject to all potential objections, defenses, and counterclaims, and to estimation pursuant to section 502(c) of the

Bankruptcy Code. For the avoidance of doubt, this shall not affect the obligation of each and every Debtor to pay fees payable pursuant to section 1930(a) of the Judicial Code until such time as a particular Chapter 11 Case is closed, dismissed, or converted, whichever occurs first.

C. Disbursing Agent

Except as otherwise provided herein, distributions under the Plan shall be made by the Disbursing Agent. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court. Additionally, in the event that the Disbursing Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Reorganized Debtors.

D. Rights and Powers of Disbursing Agent

1. Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and out-of-pocket expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes) and any reasonable compensation and out-of-pocket expense reimbursement claims (including reasonable attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors.

E. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Record Date for Distribution.

On the Distribution Record Date, the Claims Register shall be closed and any party responsible for making distributions shall instead be authorized and entitled to recognize only those record Holders listed on the Claims Register as of the close of business on the Distribution Record Date.

2. Delivery of Distributions

(a) Initial Distribution Date

Except as otherwise provided herein, on the Initial Distribution Date, the Disbursing Agent shall make distributions to holders of Allowed Claims and Interests as of the Distribution Record Date at the address for each such Holder as indicated on the Debtors' books and records or the register or related document maintained by, as applicable, the DIP Agents, the ABL Agent, or the Term Loan Agent as of the date of any such distribution; *provided* that the manner of such distributions shall be determined at the discretion of the Disbursing Agent; *provided*, *further*, that the address for each Holder of an Allowed Claim or Interest shall be deemed to be the address set forth in, as applicable, any Proof of Claim or Proof of Interest Filed by such Holder, or, if no Proof of Claim or Proof of Interest has been Filed, the address set forth in the Schedules. If a Holder holds more than one Claim in any one Class, all Claims of the Holder may be aggregated into one Claim and one distribution may be made with respect to the aggregated Claim.

(b) Quarterly Distribution Date

Except as otherwise determined by the Reorganized Debtors in their sole discretion, on each Quarterly Distribution Date or as soon thereafter as is reasonably practicable, the Disbursing Agent shall make the distributions required to be made on account of Allowed Claims and Interests under the Plan on such date. Any distribution that is not made on the Initial Distribution Date or on any other date specified herein because the Claim that would have been entitled to receive that distribution is not an Allowed Claim or Interest on such date, shall be distributed on the first Quarterly Distribution Date after such Claim or Interest is Allowed. No interest shall accrue or be paid on the unpaid amount of any distribution paid on a Quarterly Distribution Date in accordance with Article VI.I of the Plan.

(c) Distributions to Holders of Term Loan Claims

Except as set forth in this Article VI.E.2(c), the Term Loan Agent shall be deemed to be the Holder of all Term Loan Claims for purposes of distributions to be made hereunder, and all distributions on account of such Term Loan Claims shall be made to or on behalf of the Term Loan Agent. The Term Loan Agent shall hold or direct such distributions for the benefit of the Holders of Term Loan Claims. As soon as practicable following compliance with the requirements set forth in this Article VI, the Term Loan Agent shall arrange to deliver or direct the delivery of such distributions for which it is the deemed Holder to or on behalf of such Holders of Allowed Term Loan Claims.

Notwithstanding anything to the contrary herein, the Term Loan Agent shall be entitled to maintain a record of Holders of Term Loan Claims in the ordinary course of business and shall be entitled without regard to the general occurrence of the Distribution Record Date, to make distributions that it receives under the Plan to Holders of Term Loan Claims based upon its books and records. The Term Loan Agent shall not be held liable to any person with respect to distributions made or directed to be made by the Term Loan Agent except for liability arising from gross negligence, willful misconduct, or actual fraud of the Term Loan Agent.

3. Minimum Distributions

Notwithstanding any other provision of the Plan, the Disbursing Agent will not be required to make distributions of Cash less than $100 in value (whether cash or otherwise), and each such Claim to which this limitation applies shall be discharged pursuant to Article VIII and its Holder is forever barred pursuant to Article VIII from asserting such Claim against the Debtors, the Reorganized Debtors, or their property.

4. No Fractional Shares

No fractional shares or units of the New Interests shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim or Allowed Interest, as applicable, would otherwise result in the issuance of a number of shares or units of the New Interests that is not a whole number, the actual distribution of shares of the New Interests shall be rounded as follows: (a) fractions of one-half or greater shall be rounded to the next higher whole number and (b) fractions of less than one-half shall be rounded to the next lower whole number with no further payment therefore. The total number of authorized shares or units of the New Interests to be distributed pursuant to the Plan shall be adjusted as necessary to account for the foregoing rounding.

5. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any Holder is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided*, *however*, that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six months from the Effective Date. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, or state escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder to such property or Interest in property shall be discharged and forever barred.

A distribution shall be deemed unclaimed if a holder has not: (a) accepted a particular distribution or, in the case of distributions made by check, negotiated such check; (b) given notice to the Reorganized Debtors of an intent to accept a particular distribution; (c) responded to the Debtors' or Reorganized Debtors' requests for information necessary to facilitate a particular distribution; or (d) taken any other action necessary to facilitate such distribution.

F. Distributions on Account of Claims or Interests Allowed After the Effective Date

1. Payments and Distributions on Disputed Claims

Distributions made after the Effective Date to Holders of Disputed Claims or Interests that are not Allowed Claims or Interests as of the Effective Date, but which later become Allowed Claims or Interests, as applicable, shall be deemed to have been made on the applicable Quarterly Distribution Date after they have actually been made, unless the Reorganized Debtors and the applicable Holder of such Claim or Interest agree otherwise. No interest shall accrue or be paid on a Disputed Claim before it becomes and Allowed Claim in accordance with Article VI.I of the Plan.

2. Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as may be agreed to by the Reorganized Debtors, on the one hand, and the Holder of a Disputed Claim or Interest, on the other hand, no partial payments and no partial distributions shall be made with respect to any Disputed Claim or Interest until the Disputed Claim or Interest has become an Allowed Claim or Interest, as applicable, or has otherwise been resolved by settlement or Final Order; *provided* that if the Debtors do not dispute a portion of an amount asserted pursuant to an otherwise Disputed Claim, the Holder of such Disputed Claim shall be entitled to a distribution on account of that portion of such Claim, if any, that is not disputed at the time and in the manner that the Disbursing Agent makes distributions to similarly-situated holders of Allowed Claims pursuant to the Plan.

G. Compliance with Tax Requirements

In connection with the Plan, to the extent applicable, the Debtors or the Reorganized Debtors, as applicable, shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable and appropriate. The Debtors and Reorganized Debtors, as applicable, reserve the right to allocate all distributions made under the Plan in compliance with applicable wage garnishments, alimony, child support, and other spousal awards, liens, and encumbrances.

H. Allocations Between Principal and Accrued Interest

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to any portion of such Claims for accrued but unpaid interest.

I. No Postpetition Interest on Claims

Unless otherwise specifically provided for in the Plan or the Confirmation Order, or required by applicable bankruptcy and non-bankruptcy law, postpetition interest shall not accrue or be paid on any prepetition Claims against the Debtors, and no Holder of a prepetition Claim against the Debtors shall be entitled to interest accruing on or after the Petition Date on any such prepetition Claim.

J. Foreign Currency Exchange Rate

Except as otherwise provided in a Bankruptcy Court order, as of the Effective Date, any Claim asserted in currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate for the applicable currency as published in The Wall Street Journal, National Edition, on the Effective Date.

K. Setoffs and Recoupment

Except as expressly provided in this Plan, each Reorganized Debtor may, pursuant to section 553 of the Bankruptcy Code, set off and/or recoup against any Plan distributions to be made on account of any Allowed Claim, any and all claims, rights, and Causes of Action that such Reorganized Debtor may hold against the Holder of such Allowed Claim to the extent such setoff or recoupment is either (1) agreed in amount among the relevant Reorganized Debtor(s) and Holder of Allowed Claim or (2) otherwise adjudicated by the Bankruptcy Court or another court of competent jurisdiction; *provided*, *however*, that neither the failure to effectuate a setoff or recoupment nor the allowance of any Claim hereunder shall constitute a waiver or release by a Reorganized Debtor or its successor of any and all claims, rights, and Causes of Action that such Reorganized Debtor or its successor may possess against the applicable Holder. In no event shall any Holder of Claims against, or Interests in, the Debtors be entitled to recoup any such Claim or Interest against any claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors in accordance with Article XII.G of the Plan on or before the Effective Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

Notwithstanding anything to the contrary in this Plan or the Confirmation Order, all rights of counterparties to unexpired leases of nonresidential real property (whether assumed or rejected) for setoff, recoupment, and subrogation are preserved and shall continue unaffected by Confirmation or the occurrence of the Effective Date.

L. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

The Debtors or the Reorganized Debtors, as applicable, shall reduce in full a Claim, and such Claim shall be disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives payment in full on account of such Claim from a party that is not a Debtor or the Reorganized Debtors. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and receives payment from a party that is not a Debtor or the Reorganized Debtors on account of such Claim, such Holder shall, within two weeks of receipt thereof, repay or return the distribution to the applicable Debtor or the Reorganized Debtors, to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. If the Debtors or the Reorganized Debtors, as applicable, become aware of any payment of a Claim by a third party, the Debtors or Reorganized Debtors, as applicable, will send a notice of wrongful payment to the Holder of such Claim requesting the return of any excess payments and advising the recipient of the provisions of the Plan requesting turnover of excess estate funds. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Debtor or the Reorganized Debtors annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the two-week grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim (if and to the extent adjudicated by a court of competent jurisdiction), then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claims objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims shall be in accordance with the provisions of any applicable insurance policy. Nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors or any Entity may hold against any other Entity, including insurers under any policies of insurance, nor shall anything contained herein constitute or be deemed a waiver by such insurers of any defenses, including coverage defenses, held by such insurers.

ARTICLE VII.
PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. Allowance of Claims

After the Effective Date, the Reorganized Debtors and the Plan Administrator shall have and retain any and all rights and defenses such Debtor had with respect to any Claim or Interest immediately before the Effective Date.

B. Claims Administration Responsibilities

After the Effective Date, the Plan Administrator will (a) oversee the Claim administration process and (b) administer Commercial Tort Claims and Commercial Tort Proceeds, if any, for the benefit of Holders of General Unsecured Claims. Except as otherwise specifically provided in the Plan, the Plan Administrator shall have the sole authority: (1) to File, withdraw, or litigate to judgment objections to Claims or Interests and Commercial Tort Claims; (2) to settle or compromise any Disputed Claim or Commercial Tort Claims without any further notice to or action, order, or approval by the Bankruptcy Court; and (3) to administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court.

C. Plan Administrator Budget

All fees, expenses, and distributions of the Plan Administrator shall be subject to the Plan Administrator Budget. For the avoidance of doubt, the Plan Administrator's compensation and the payment of fees and expenses of any attorneys, accountants, and other professionals engaged by the Plan Administrator shall be subject to the Plan Administrator Budget.

D. Estimation of Claims

Before or after the Effective Date, the Plan Administrator and the Debtors or Reorganized Debtors, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or Interest or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim or Interest, including during the litigation of any objection to any Claim or Interest or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any contingent or unliquidated Claim or Interest, that estimated amount shall constitute a maximum limitation on such Claim or Interest for all purposes under the Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim or Interest. Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such holder has Filed a motion requesting the right to seek such reconsideration on or before fourteen days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

E. Adjustment to Claims Without Objection

Any duplicate Claim or Interest or any Claim or Interest that has been paid or satisfied, or any Claim or Interest that has been amended or superseded, cancelled or otherwise expunged (including pursuant to the Plan), may be adjusted or expunged (including on the Claims Register, to the extent applicable) by the Reorganized Debtors without a Claims objection having to be Filed and without any further notice to or action, order or approval of the Bankruptcy Court. Additionally, any Claim or Interest that is duplicative or redundant with another Claim against or Interest in the same Debtor or another Debtor may be adjusted or expunged on the Claims Register by the Reorganized Debtors without the Reorganized Debtors having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

F. Time to File Objections to Claims

Any objections to Claims shall be Filed no later than the Claims Objection Bar Date.

G. Disallowance of Claims

Any Claims or Interests held by Entities from which property is recoverable under section 542, 543, 550, or 553 of the Bankruptcy Code, or that is a transferee of a transfer avoidable under section 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims or Interests may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Reorganized Debtors. All Claims Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as provided herein or otherwise agreed, any and all Proofs of Claim Filed after the Claims Bar Date or the Administrative Claims Bar Date, as appropriate, shall be deemed disallowed and expunged as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless such late Proof of Claim has been deemed timely Filed by a Final Order.

H. Amendments to Claims

On or after the Claims Bar Date or the Administrative Claims Bar Date, as appropriate, a Claim may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors. Absent such authorization, any new or amended Claim Filed shall be deemed disallowed in full and expunged without any further notice to or action, order, or approval of the Bankruptcy Court to the maximum extent provided by applicable law.

I. No Distributions Pending Allowance

If an objection to a Claim or portion thereof is Filed as set forth in Article VII.B, no payment or distribution provided under the Plan shall be made on account of such Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

J. Distributions After Allowance

To the extent that a Disputed Claim ultimately becomes an Allowed Claim or Allowed Interest, distributions (if any) shall be made to the Holder of such Allowed Claim or Allowed Interest (as applicable) in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim or Disputed Interest becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Claim or Interest the distribution (if any) to which such Holder is entitled under the Plan as of the

Effective Date, without any interest, dividends, or accruals to be paid on account of such Claim or Interest unless required under applicable bankruptcy law.

ARTICLE VIII.
SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Discharge of Claims and Termination of Interests

Pursuant to, and to the maximum extent provided by, section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims (including any Intercompany Claims resolved or compromised after the Effective Date by the Reorganized Debtors), Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by current or former employees of the Debtors prior to the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in sections 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim or Proof of Interest based upon such debt, right, or Interest is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Plan. Any default or "event of default" by the Debtors or their Affiliates with respect to any Claim or Interest that existed immediately prior to or on account of the filing of the Chapter 11 Cases shall be deemed cured on the Effective Date. The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the occurrence of the Effective Date.

B. Release of Liens

Except as otherwise provided in the Exit Facility Documents, the Plan, the Plan Supplement, or any contract, instrument, release, or other agreement or document created pursuant to the Plan, on the Effective Date and concurrently with the applicable distributions made pursuant to the Plan and, in the case of an Other Secured Claim (other than any Claim secured by the Administration Charge) or Secured Tax Claim, satisfaction in full of the portion of the Other Secured Claim (other than any Claim secured by the Administration Charge) or Secured Tax Claim that is Allowed as of the Effective Date and required to be satisfied pursuant to the Plan, except for Other Secured Claims (other than any Claim secured by the Administration Charge) that the Debtors elect to reinstate in accordance with Article III.B.1 hereof, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, settled, compromised, and discharged, and all of the right, title, and interest of any Holder of such mortgages, deeds of trust, Liens, pledges, or other security interests shall revert automatically to the applicable Debtor and its successors and assigns. Any Holder of such Secured Claim (and the applicable agents for such Holder) shall be authorized and directed to release any collateral or other property of any Debtor (including any cash collateral and possessory collateral) held by such Holder (and the applicable agents for such Holder), and to take such actions as may be reasonably requested by the Reorganized Debtors to evidence the release of such Lien, including the execution, delivery, and filing or recording of such releases. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such Liens.

C. Debtor Release

Effective as of the Effective Date, pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, including the service of the Released Parties in facilitating the expeditious reorganization of the Debtor and implementation of the restructuring contemplated by the Plan, the adequacy

of which is hereby confirmed, on and after the Effective Date each Released Party is deemed released and discharged by each and all of the Debtors, the Reorganized Debtors, and their Estates, in each case on behalf of themselves and their respective successors, assigns, and representatives, and any and all other Entities who may purport to assert any Cause of Action, directly or derivatively, by, through, for, or because of the foregoing Entities, from any and all Claims, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, including any derivative claims, asserted or assertable on behalf of any of the Debtors, the Reorganized Debtors, or their Estates, as applicable, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, that the Debtors, the Reorganized Debtors, or their Estates or Affiliates would have been legally entitled to assert in their own right (whether individually or collectively) or on behalf of the Holder of any Claim against, or Interest in, a Debtor or other Entity, based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Restructuring Transactions, the Sale Transaction (if applicable), entry into the Exit Facilities, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, filing, or consummation of the RSA, the Disclosure Statement, the Prepetition Facilities, the DIP Facilities, the Sale Transaction (if applicable), the Exit Facilities, the Plan, the Plan Supplement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the RSA, the Disclosure Statement, the Prepetition Facilities, the DIP Facilities, or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes actual fraud, willful misconduct, or gross negligence, each solely to the extent as determined by a Final Order of a court of competent jurisdiction. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release (1) any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring Transaction, or any document, instrument, or agreement (including the Exit Facility Documents and any documents set forth in the Plan Supplement) executed to implement the Plan and (2) any Causes of Action listed on the Schedule of Retained Causes of Action.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that each Debtor Release is: (1) in exchange for the good and valuable consideration provided by the Released Parties, (2) a good-faith settlement and compromise of such Claims; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors or Reorganized Debtors or their respective Estates asserting any claim, Cause of Action, or liability related thereto, of any kind whatsoever, against any of the Released Parties or their property.

D. Third-Party Release

Effective as of the Effective Date, in exchange for good and valuable consideration, including the obligations of the Debtors under the Plan and the contributions of the Released Parties in facilitating the expeditious reorganization of the Debtors and the implementation of the restructuring contemplated by the Plan, to the fullest extent permissible under applicable law, as such law may be extended or integrated after the Effective Date, on and after the Effective Date each of the Releasing Parties shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever, released and discharged each Debtor, Reorganized Debtor, and Released Party from any and all Claims, interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, including any derivative claims, asserted or assertable on behalf of any of the Debtors, the Reorganized Debtors, or their Estates, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the purchase, sale, or rescission of the purchase or sale

of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Restructuring Transactions, the Sale Transaction (if applicable), entry into the Exit Facilities, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, filing, or consummation of the RSA, the Disclosure Statement, the DIP Facilities, the Sale Transaction (if applicable), the Exit Facilities, the Plan, the Plan Supplement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the RSA, the Disclosure Statement, the DIP Facilities, or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes actual fraud, willful misconduct, or gross negligence, each solely to the extent as determined by a Final Order of a court of competent jurisdiction. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring Transaction, or any document, instrument, or agreement (including the Exit Facility Documents and any documents set forth in the Plan Supplement) executed to implement the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained in this Plan, and further, shall constitute the Bankruptcy Court's finding that each Third-Party Release is: (1) in exchange for the good and valuable consideration provided by the Released Parties, (2) a good-faith settlement and compromise of such Claims; (3) in the best interests of the Debtors and all Holders of Claims and Interests; (4) fair, equitable, and reasonable; (5) given and made after due notice and opportunity for hearing; and (6) a bar to any of the Debtors or Reorganized Debtors or their respective Estates asserting any claim, Cause of Action, or liability related thereto, of any kind whatsoever, against any of the Released Parties or their property.

E. Exculpation

Effective as of the Effective Date, to the fullest extent permissible under applicable law and without affecting or limiting either the Debtor Release or the Third-Party Release, and except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur, and each Exculpated Party is hereby exculpated from, any Cause of Action for any Claim related to any act or omission based on the negotiation, execution, and implementation of any transactions approved by the Bankruptcy Court in the Chapter 11 Cases, including the RSA, the Disclosure Statement, the Plan, the Plan Supplement, the Confirmation Order, or any Restructuring Transaction, contract, instrument, release, or other agreement or document contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order, created or entered into in connection with the RSA, the Disclosure Statement, or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of any securities pursuant to the Plan or the distribution of property under the Plan or any other related agreement, and the implementation of the Restructuring Transactions contemplated by the Plan, except for Claims related to any act or omission that is determined by Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes on, and distribution of consideration pursuant to, the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. Notwithstanding the foregoing, the exculpation shall not release any obligation or liability of any Entity for any post-Effective Date obligation under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

F. Injunction

Effective as of the Effective Date, pursuant to section 524(a) of the Bankruptcy Code, to the fullest extent permissible under applicable law, and except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been discharged pursuant to Article VIII.A of the Plan, released pursuant to the Debtor Release, the Third-Party Release, or another provision of the Plan (including the release of liens pursuant to Article VIII.B of the Plan), or are subject to exculpation pursuant to Article VIII.E of the Plan, are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind, against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan.

Upon entry of the Confirmation Order and recognition by the Canadian Court of the Confirmation Order in the Recognition Proceedings, all Holders of Claims and Interests and their respective current and former employees, agents, officers, directors, principals, and direct and indirect affiliates shall be enjoined from taking any actions to interfere with the implementation or Consummation of the Plan. Each Holder of an Allowed Claim or Allowed Interest, as applicable, by accepting, or being eligible to accept, distributions under or Reinstatement of such Claim or Interest, as applicable, pursuant to the Plan, shall be deemed to have consented to the injunction provisions set forth in this Article VIII.F of the Plan.

G. Protections Against Discriminatory Treatment

To the maximum extent provided by section 525 of the Bankruptcy Code and the Supremacy Clause of the U.S. Constitution, all Entities, including Governmental Units, shall not discriminate against the Reorganized Debtors or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors, or another Entity with whom the Reorganized Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

H. Document Retention

On and after the Effective Date, the Reorganized Debtors may maintain documents in accordance with their standard document retention policy, as may be altered, amended, modified, or supplemented by the Reorganized Debtors.

I. Reimbursement or Contribution

If the Bankruptcy Court disallows a Claim for reimbursement or contribution of an Entity pursuant to section 502(e)(1)(B) of the Bankruptcy Code, then to the extent that such Claim is contingent as of the time of allowance or disallowance, such Claim shall be forever disallowed and expunged notwithstanding section 502(j) of the Bankruptcy Code, unless prior to the Confirmation Date: (1) such Claim has been adjudicated as non-contingent

or (2) the relevant Holder of a Claim has Filed a non-contingent Proof of Claim on account of such Claim and a Final Order has been entered prior to the Confirmation Date determining such Claim as no longer contingent.

J. Term of Injunctions or Stays

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order), shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

K. Subordination Rights

The classification and manner of satisfying all Claims and Interests under the Plan take into consideration all subordination rights, whether arising under general principles of equitable subordination, contract, section 510(c) of the Bankruptcy Code, or otherwise, that a Holder of a Claim or Interest may have against other Claim or Interest holders with respect to any distribution made pursuant to the Plan. Except as provided in the Plan, all subordination rights that a Holder of a Claim may have with respect to any distribution to be made pursuant to the Plan shall be discharged and terminated, and all actions related to the enforcement of such subordination rights shall be permanently enjoined.

Pursuant to Bankruptcy Rule 9019 and in consideration for the distributions and other benefits provided under the Plan, the provisions of the Plan shall constitute a good faith compromise and settlement of all claims or controversies relating to the subordination rights that a Holder of a Claim may have with respect to any Allowed Claim or any distribution to be made pursuant to the Plan on account of any Allowed Claim. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, as of the Effective Date, of the compromise or settlement of all such claims or controversies and the Bankruptcy Court's finding that such compromise or settlement is in the best interests of the Debtors, the Estates, the Reorganized Debtors, their respective property, and Holders of Claims and Interests and is fair, equitable, and reasonable.

ARTICLE IX.
CONDITIONS PRECEDENT TO CONSUMMATION OF THE PLAN

A. Conditions Precedent to the Effective Date

It shall be a condition to the Effective Date of the Plan that the following conditions shall have been satisfied or waived pursuant to the provisions of Article IX.B hereof:

1. the Bankruptcy Court shall have entered the Confirmation Order and the Confirmation Order shall have been recognized by an order of the Canadian Court in the Recognition Proceedings, and such orders shall not have been stayed, modified, or vacated on appeal;

2. the Debtors shall have obtained all authorizations, consents, regulatory approvals, rulings, or documents that are necessary to implement and effectuate the Plan;

3. the Professional Fee Escrow Account shall have been established and funded with the Professional Fee Escrow Amount;

4. if applicable, the Exit Facility Documents shall have been executed and delivered by all of the Entities that are parties thereto, and all conditions precedent (other than any conditions related to the occurrence of the Effective Date) to the consummation of the Exit Facilities shall have been waived or satisfied in accordance with the terms thereof, and the closing of the Exit Facilities (and the payment in full of the DIP ABL Claims pursuant to the Payoff Letter) shall be deemed to occur concurrently with the occurrence of the Effective Date;

5. if applicable, the New Organizational Documents shall have been executed and delivered by each Entity party thereto and shall be in full force and effect, and the issuance of the New Interests shall be deemed to occur concurrently with the occurrence of the Effective Date; and

6. if applicable, all conditions precedent to the consummation of the Sale Transaction shall have been satisfied in accordance with the terms thereof, and the closing of the Sale Transaction shall be deemed to occur concurrently with the occurrence of the Effective Date.

B. Waiver of Conditions

Subject to and without limiting the rights of each party to the RSA, the conditions to Consummation set forth in Article IX may be waived by the Debtors with the reasonable consent of the Term Loan Agent, the Required Term Lenders, the DIP ABL Agent (solely with respect to the economic and non-economic treatment of the DIP ABL Agent and DIP ABL Lenders pursuant to such order), the Committee (solely with respect to the economic and non-economic treatment of General Unsecured Claims), and the Sponsor (solely with respect to the economic and non-economic treatment of the Last Out Loans or the Last Out DIP Loans, as applicable) without notice, leave, or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan.

C. Substantial Consummation

"Substantial Consummation" of the Plan, as defined in section 1102(2) of the Bankruptcy Code, with respect to any of the Debtors, shall be deemed to occur on the Effective Date.

D. Effect of Failure of Conditions

If the Effective Date of the Plan does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims by the Debtors, any Holders, or any other Entity; (2) prejudice in any manner the rights of the Debtors, any Holders, or any other Entity; or (3) constitute an admission, acknowledgment, offer, or undertaking by the Debtors, any Holders, or any other Entity in any respect.

ARTICLE X.
MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Modification and Amendments

Except as otherwise specifically provided in the Plan, the Debtors, with the reasonable consent of the Term Loan Agent, Required Term Lenders, the DIP ABL Agent (solely with respect to the economic and non-economic treatment of the DIP ABL Agent and DIP ABL Lenders pursuant to such order), the Committee (solely with respect to the economic and non-economic treatment of General Unsecured Claims), or the Sponsor (solely with respect to the economic and non-economic treatment of the Last Out Loans or the Last Out DIP Loans, as applicable), reserve the right to modify the Plan, whether such modification is material or immaterial, and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not re-solicit votes on such modified Plan. Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 (as well as those restrictions on modifications set forth in the Plan), the Debtors expressly reserve their respective rights to revoke or withdraw, to alter, amend, or modify the Plan with respect to each Debtor, one or more times, before or after Confirmation, and, to the extent necessary, may initiate proceedings in the Bankruptcy Court to so alter, amend, or modify the Plan, or remedy any defect or omission or reconcile any inconsistencies in the Plan, the Disclosure Statement, or the Confirmation Order, in such matters as may be necessary to carry out the purposes and intent of the Plan.

B. Effect of Confirmation on Modifications

Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of Plan

The Debtors reserve the right to revoke or withdraw the Plan before the Confirmation Date and to file subsequent plans, in each case subject to any applicable consent rights as set forth in the RSA, the DIP Orders, or the DIP Facilities. If the Debtors revoke or withdraw the Plan, or if Confirmation or Consummation does not occur, then: (1) the Plan shall be null and void in all respects; (2) any settlement or compromise embodied in the Plan (including the fixing or limiting to an amount certain of the Claims or Interests or Class of Claims or Interests), assumption, assumption and assignment, or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan, shall be deemed null and void; and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims, Causes of Action, or Interests; (b) prejudice in any manner the rights of such Debtor, any Holder, or any other Entity; or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor, any Holder, or any other Entity.

ARTICLE XI.

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, on and after the Effective Date, to the extent legally permissible, the Bankruptcy Court shall retain exclusive jurisdiction over all matters arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, including jurisdiction to:

1. allow, disallow, determine, liquidate, classify, estimate, or establish the priority, Secured or unsecured status, or amount of any Claim or Interest, including the resolution of any request for payment of any Administrative Claim and the resolution of any and all objections to the Secured or unsecured status, priority, amount, or allowance of Claims or Interests;

4. ensure that distributions to Holders of Allowed Claims and Interests are accomplished pursuant to the provisions of the Plan;

5. adjudicate, decide, or resolve any motions, adversary proceedings, contested or litigated matters, and any other matters, and grant or deny any applications involving a Debtor that may be pending on the Effective Date;

LEGALS

CLASS ACTION REGARDING PHILIP HEEREMA, THE CALGARY EXHIBITION AND STAMPEDE LIMITED, AND THE CALGARY STAMPEDE FOUNDATION

NOTICE OF CERTIFICATION

What is the Class Action about?

A lawsuit has been certified as a Class Action against Philip Heerema, Calgary Exhibition and Stampede Limited, and the Calgary Stampede Foundation.

The lawsuit alleges that the Class Members who were male students, employees, contractors, or volunteers with the Young Canadians organization of the Calgary Stampede Foundation and/or the Calgary Exhibition and Stampede Limited were sexually exploited, sexually lured, and / or sexually assaulted by Philip Heerema, or at risk. The lawsuit also alleges that the Calgary Stampede Foundation and the Calgary Exhibition and Stampede Limited failed to provide a safe and secure environment free of sexual exploitation and sexual abuse. Further, the lawsuit alleges that the Calgary Stampede Foundation and the Calgary Exhibition and Stampede Limited failed to adequately supervise Philip Heerema and failed to establish, implement, or enforce adequate policies, practices, or procedures to protect Class Members against sexual abuse or exploitation from staff and faculty of the Calgary Stampede Foundation and the Calgary Exhibition and Stampede Limited. The lawsuit alleges that the Calgary Stampede Foundation and the Calgary Exhibition and Stampede Limited are vicarious liable for Philip Heerema's actions.

The Representative Plaintiff, who can only be identified by his initials in accordance with a Court Order, is N.B. In this lawsuit the Representative Plaintiff is seeking damages on his own behalf and on behalf of everyone who was a male student, employee, contractor, or volunteer with the Young Canadians organization of the Calgary Stampede Foundation and the Calgary Exhibition and Stampede Limited and who was sexually exploited, sexually lured, and / or sexually assaulted by Philip Heerema, or at risk.

How do I know if I am a member of the Class?

The Class has been defined by the Court as follows:

All male students, employees, contractors or volunteers of the Young Canadians between July 1, 1997 and January 31, 2014.

If you were a male student, employee, contractor, or volunteer with the Young Canadians organization, during the time that Philip Heerema was employed there, then you are likely a Class Member.

If you are not sure whether you are a member of the Class or not, or if you would be entitled to damages should the Defendants be found responsible and required to pay damages, then you should speak to Class Counsel, whose address is set out below.

How do I participate in this Class Action?

Class Members who wish to participate in the Class Action do not need to do anything at this time. They are automatically included in the Class Action.

The written opt out form can be obtained from Class Counsel, and must be sent by prepaid mail, courier, or e-mail to Class Counsel at the address above.

Class Members may be permitted to opt out of the Class Action after October 20, 2019 and prior to approval of settlement, if applicable, upon further order of the Court. If you opt-out of the Class Action, you will take full responsibility for initiating your own lawsuit against the Defendants and for taking all legal steps necessary to protect your claim, if you wish to proceed with a claim.

What are the costs to me?

Class Members will not be personally liable to pay any legal fees or disbursements to Class Counsel.

If Class Counsel is successful in establishing that the Defendants are liable to pay money to the Class Members, the Court will then proceed to determine which Class Members may be entitled to that money, and how such amounts should be distributed to those Class Members.

The Representative Plaintiff has retained Class Counsel to represent him and the Class in this lawsuit. Class Counsel will only be paid legal fees if the lawsuit is successful. If the lawsuit is successful, Class Counsel will request that legal fees be set by the Court.

If the Class Action is successful, legal costs will be deducted from the amounts recovered for the Class Members, but only after such costs are approved by the Court.

DEBTORS' MOTION FOR ENTRY OF AN ORDER (I) APPROVING (A) THE ADEQUACY OF INFORMATION IN THE DISCLOSURE STATEMENT, (B) SOLICITATION AND NOTICE PROCEDURES, AND (C) CERTAIN DATES WITH RESPECT TO PLAN CONFIRMATION, AND (II) GRANTING RELATED RELIEF

The above-captioned debtors and debtors in possession (collectively, the "Debtors") respectfully state as follows in support of this motion:

Relief Requested

1. By this motion, the Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A**, (a) approving the Disclosure Statement[2] as containing "adequate

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Dream II Holdings, LLC (7915); Hollander Home Fashions Holdings, LLC (2063); Hollander Sleep Products, LLC (2143); Pacific Coast Feather, LLC (1445); Hollander Sleep Products Kentucky, LLC (4119); Pacific Coast Feather Cushion, LLC (3119); and Hollander Sleep Products Canada Limited (3477). [2] Capitalized terms used but not otherwise defined herein shall have the meaning ascribed to them in the *Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 21] (as may be amended, supplemented, or modified from time to time, the "Plan") or the *Disclosure Statement for the Debtors'*

information" pursuant to section 1125 of the Bankruptcy Code, (b) approving the procedures and related exhibits (the "Solicitation and Voting Procedures"), substantially in the form attached as **Exhibit 1** to **Exhibit A**, for (i) soliciting, receiving, and tabulating votes to accept or reject the Plan, (ii) voting to accept or reject the Plan, and (iii) filing objections to the Plan, (c) approving the confirmation schedule set forth herein, and (d) granting related relief.

Introduction

2. The Debtors commenced these chapter 11 cases to implement a restructuring supported by 100 percent of their secured term loan lenders and majority equityholder Sentinel Partners, LLC, which support has been documented in a restructuring support agreement (the "RSA"). The Plan provides for two potential paths. The first path is a reorganization, which will eliminate $166.5 million of the Debtors' prepetition funded debt obligations and provides new money capital to fund the Debtors' go-forward operations. The second path is a sale "toggle" feature, which allows for a potential sale of the Debtors' assets (or combination of sales) to a third party, which sale would be accomplished through the Plan. Thus, in all circumstances, and as contemplated in the RSA, the term loan lenders have agreed to support confirmation of the Plan. The Debtors believe that pursuing both paths will allow the Debtors to maximize the value of their assets, permit their business operations to continue as a going concern, and expeditiously distribute value to their stakeholders, and, therefore, intend to solicit acceptances of the Plan. By this motion, the Debtors are seeking the Court's approval of the Disclosure Statement.

3. The Plan contemplates classifying Holders of Claims and Interests into certain Classes of Claims and Interests for all purposes, including with respect to voting on the Plan,

Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code (as may be amended, supplemented or modified from time to time, the "Disclosure Statement"), filed concurrently herewith, as applicable.

pursuant to section 1126 of the Bankruptcy Code. The following chart represents the Classes of Claims and Interests under the Plan:[3]

Class	Claim/Interest	Status	Voting Rights
1	Other Priority Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
2	Other Secured Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
3	Secured Tax Claims	Unimpaired	Not Entitled to Vote (Deemed to Accept)
4	Term Loan Claims	Impaired	Entitled to Vote
5	General Unsecured Claims	Impaired	Entitled to Vote
6	Hollander Canada General Unsecured Claims	Impaired	Entitled to Vote
7	Intercompany Claims	Impaired or Unimpaired	Not Entitled to Vote (Deemed to Accept or Reject)
8	Intercompany Interests	Impaired or Unimpaired	Not Entitled to Vote (Deemed to Accept or Reject)
9	Interests in Dream II	Impaired	Not Entitled to Vote (Deemed to Reject)
10	Section 510(b) Claims	Impaired	Not Entitled to Vote (Deemed to Reject)

4. Based on the foregoing (and as discussed in greater detail herein), the Debtors are proposing to solicit votes to accept or reject the Plan from Holders of Claims in Classes 4, 5, and 6 (collectively, the "Voting Classes"). The Debtors are not proposing to solicit votes from Holders of Claims and Interests in Classes 1, 2, 3, 7, 8, 9, and 10 (collectively, the "Non-Voting Classes").

5. On the Petition Date, the Debtors filed the *Debtors' Motion Seeking Entry of an Order (I) Approving Bidding Procedures and Related Dates and Deadlines, (II) Scheduling*

[3] As set forth in more detail in the Plan, the Plan will apply as a separate Plan for each of the Debtors, and the classification of Claims and Interests set forth in the Plan will apply separately to each of the Debtors. Certain of the Debtors may not have Holders of Claims or Interests in a particular Class or Classes. For all purposes under the Plan, each Class will contain sub-classes for each of the Debtors, except that Class 6 shall be vacant at each Debtor other than Hollander Sleep Products Canada Limited and Class 8 shall be vacant at each Debtor other than Dream II Holdings, LLC.

Hearings and Objection Deadlines with Respect to the Debtors' Disclosure Statement and Plan Confirmation, and (III) Granting Related Relief [Docket No. 22] (the "Bidding Procedures and Scheduling Motion"), as modified after discussions with creditors, which proposes that the following dates and deadlines be scheduled in connection with the approval of the Disclosure Statement and confirmation of the Plan:

Event	Date
Disclosure Statement Objection Deadline	July 17, 2019, at 4:00 p.m., prevailing Eastern Time
Disclosure Statement Hearing	July 24, 2019, at 12:00 p.m., prevailing Eastern Time
Solicitation Deadline	July 31, 2019
Voting Deadline	August 28, 2019, at 4:00 p.m., prevailing Eastern Time
Plan Objection Deadline	August 28, 2019, at 4:00 p.m., prevailing Eastern Time
Confirmation Hearing Date	September 4, 2019, at 9:00 a.m., prevailing Eastern Time

6. By this motion, the Debtors seek to establish the following dates and deadlines in addition to those previously requested by the Debtors pursuant to the Bidding Procedures and Scheduling Motion (together, the "Solicitation Timeline") in accordance with the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules (each as defined herein) to govern the process for soliciting, receiving, and tabulating votes on the Plan:[4]

Item	Date
Voting Record Date	July 24, 2019
Confirmation Brief and Reply Deadline	September 3, 2019, at 9:00 a.m., prevailing Eastern Time

[4] Capitalized terms used in this chart shall have the meanings ascribed to them later herein.

7. The Debtors submit that the proposed Solicitation Timeline, as further detailed below, will afford the Court, the Debtors, and all parties in interest reasonable time to review and consider the Plan and Disclosure Statement prior to the Confirmation Hearing.

Jurisdiction and Venue

8. The United States Bankruptcy Court for the Southern District of New York (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated January 31, 2012. The Debtors confirm their consent, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

9. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

10. The bases for the relief requested herein are sections 1125 and 1126 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code"), Bankruptcy Rules 2002, 3016, 3017, 3018, and 3020, and Rules 3017-1, 3018-1, and 3020-1 of the Local Bankruptcy Rules for the Southern District of New York (the "Local Rules").

Basis for Relief

I. The Court Should Approve the Disclosure Statement.

A. The Disclosure Statement Contains Adequate Information.

11. Pursuant to section 1125 of the Bankruptcy Code, the proponent of a proposed chapter 11 plan must provide "adequate information" regarding that plan to holders of impaired

claims and interests entitled to vote on the plan. 11 U.S.C. § 1125. Specifically, section 1125(a)(1) of the Bankruptcy Code states, in relevant part, as follows:

> "[A]dequate information" means information of a kind, and in sufficient detail, as far as is reasonably practicable in light of the nature and history of the debtor and the condition of the debtor's books and records, including a discussion of the potential material Federal tax consequences of the plan to the debtor, any successor to the debtor, and a hypothetical investor typical of the holders of claims or interests in the case, that would enable such a hypothetical investor of the relevant class to make an informed judgment about the plan.

11 U.S.C. § 1125(a)(1).

12. A disclosure statement must, as a whole, provide information that is "reasonably practicable" to permit an "informed judgment" by creditors and interest holders, if applicable, to vote on a plan. *See In re Momentum Mfg. Corp.*, 25 F.3d 1132, 1136 (2d Cir. 1994); *see also In re Ionosphere Clubs, Inc.*, 179 B.R. 24, 29 (Bankr. S.D.N.Y. 1995) (adequacy of a disclosure statement "is to be determined on a case-specific basis under a flexible standard that can promote the chapter 11 policy of fair settlement through a negotiation process between informed interested parties" (internal citation omitted)). "Adequate information" is a flexible standard, based on the facts and circumstances of each case. 11 U.S.C. § 1125(a)(1) ("'[A]dequate information' means information of a kind, and in sufficient detail, as far as is reasonably practicable in light of the nature and history of the debtor and the condition of the debtor's books and records"); *see also Oneida Motor Freight, Inc. v. United Jersey Bank*, 848 F.2d 414, 417 (3d Cir. 1988) ("From the legislative history of § 1125 we discern that adequate information will be determined by the facts and circumstances of each case.").

13. In making a determination as to whether a disclosure statement contains adequate information as required by section 1125 of the Bankruptcy Code, courts typically look for disclosures related to topics such as:

a. the events that led to the filing of a bankruptcy petition;

b. the relationship of the debtor with its affiliates;

c. a description of the available assets and their value;

d. the company's anticipated future;

e. the source of information stated in the disclosure statement;

f. the debtors' condition while in chapter 11;

g. claims asserted against the debtor;

h. the estimated return to creditors under a chapter 7 liquidation;

i. the future management of the debtor;

j. the chapter 11 plan or a summary thereof;

k. financial information, valuations, and projections relevant to a creditor's decision to accept or reject the chapter 11 plan;

l. information relevant to the risks posed to creditors under the plan;

m. the actual or projected realizable value from recovery of preferential or otherwise avoidable transfers;

n. litigation likely to arise in a nonbankruptcy context; and

o. tax attributes of the debtor.

See In re U.S. Brass Corp., 194 B.R. 420, 424–25 (Bankr. E.D. Tex. 1996). Despite these case law enumerated topics, "adequate information" is determined on a case-specific basis. *See, e.g.*, *Kirk v. Texaco, Inc.*, 82 B.R. 678, 682 (S.D.N.Y. 1988) ("The legislative history could hardly be more clear in granting broad discretion to bankruptcy judges under § 1125(a): 'Precisely what constitutes adequate information in any particular instance will develop on a case-by-case basis. Courts will take a practical approach as to what is necessary under the circumstances of each case.'" (*quoting* H.R. Rep. No. 595, at 408–09 (1977))).

14. Here, the Disclosure Statement provides "adequate information" to allow Holders of Claims in the Voting Classes to make informed decisions about whether to vote to accept or

reject the Plan. Specifically, the Disclosure Statement contains a number of categories of information that courts consider "adequate information," including:

a. ***The Debtors' Corporate History, Structure, and Business Overview***. A detailed overview of the Debtors' corporate history, business operations, organizational structure, and capital structure is provided in Article IV of the Disclosure Statement;

b. ***Events Leading to the Chapter 11 Filings***. A detailed overview of the Debtors' restructuring efforts and the negotiations with respect to the Plan and RSA (as defined herein) is provided in Article V of the Disclosure Statement;

c. ***Projected Financial Information and Liquidation Analysis***. Certain projected financial information and a liquidation analysis are attached to the Disclosure Statement as **Exhibits D**–**E**, respectively;[5]

d. ***Risk Factors***. Certain risks associated with the Debtors' businesses, as well as certain risks associated with forward-looking statements and an overall disclaimer as to the information provided by and set forth in the Disclosure Statement, are described in Article VIII of the Disclosure Statement;

e. ***Solicitation and Voting Procedures***. A description of the procedures for soliciting votes to accept or reject the Plan and voting on the Plan is provided in Article III of the Disclosure Statement;

f. ***Confirmation of the Plan***. Confirmation procedures and statutory requirements for confirmation and consummation of the Plan are described in Article VII of the Disclosure Statement;

g. ***Certain Securities Laws Matters***. A description of the applicability of section 1145 of the Bankruptcy Code and the issuance of New Interests under the Plan is provided in Article IX of the Disclosure Statement;

h. ***Certain United States and Canadian Federal Income Tax Consequences of the Plan***. A description of certain U.S. and Canadian federal income tax law consequences of the Plan is provided in Article X and Article XI of the Disclosure Statement, respectively; and

i. ***Recommendation***. A recommendation by the Debtors that Holders of Claims in the Voting Classes should vote to accept the Plan is included in Article XII of the Disclosure Statement.

[5] The Debtors intend to file their projected financial information and liquidation analysis in advance of the hearing to approve the adequacy of the Disclosure Statement consistent with numerous cases filed in this district.

15. Based on the foregoing, the Debtors submit that the Disclosure Statement complies with all aspects of section 1125 of the Bankruptcy Code and addresses the information set forth above in a manner that provides adequate information to Holders of Claims entitled to vote to accept or reject the Plan. Accordingly, the Debtors submit that the Disclosure Statement contains "adequate information" and therefore should be approved.

B. The Disclosure Statement Provides Sufficient Notice of Injunction, Exculpation, and Release Provisions in the Plan.

16. Bankruptcy Rule 3016(c) requires that, if a plan provides for an injunction against conduct not otherwise enjoined under the Bankruptcy Code, the plan and disclosure statement must describe, in specific and conspicuous language, the acts to be enjoined and the entities subject to the injunction. Fed. R. Bankr. P. 3016(c).

17. Article VI.D of the Disclosure Statement describes in detail the entities subject to an injunction under the Plan and the acts that they are enjoined from pursuing, including bolding language related to the Debtor Release, Third-Party Release, exculpation, and injunction under the Plan. Further, the relevant language in Article VIII of the Plan is in bold font, making it conspicuous to anyone who reads it. Accordingly, the Debtors respectfully submit that the Disclosure Statement complies with Bankruptcy Rule 3016(c) by conspicuously describing the conduct and parties enjoined by the Plan.

II. The Debtors Provided Adequate Notice of the Disclosure Statement Hearing.

18. Bankruptcy Rule 3017(a) requires that notice of the hearing to consider the proposed disclosure statement be provided to creditors and other parties in interest. *See* Fed. R. Bankr. P. 3017(a) (providing that after a disclosure statement is filed, it must be mailed with the notice of the hearing to consider the disclosure statement and any objections or modifications thereto on no less than 28 days' notice thereof); *see also* Fed. R. Bankr. P. 2002(b) (requiring not

less than 28 days' notice by mail of the time for filing objections and the hearing to consider the approval of a disclosure statement). At least 28 days prior to the objection deadline for this motion, the Debtors served all known creditors with a copy of a notice for the hearing on the Disclosure Statement (the "Disclosure Statement Hearing Notice"). This notice identified (a) the date, time, and place of the hearing on approval of the Disclosure Statement (the "Disclosure Statement Hearing"), (b) the manner in which a copy of the Disclosure Statement (and exhibits thereto, including the Plan) can be obtained, and (c) the deadline and procedures for filing objections to the approval of the Disclosure Statement. Additionally, the Debtors distributed copies of the Disclosure Statement, including exhibits, to parties on the list of all parties required to be notified under Bankruptcy Rule 2002 (the "2002 List"). Accordingly, the Debtors submit that they have provided adequate notice of the hearing on approval of the Disclosure Statement and request that the Court approve such notice as appropriate and in compliance with the requirements of the Bankruptcy Code and the Bankruptcy Rules.

III. The Court Should Approve the Solicitation Materials and Timeline for Soliciting Votes on the Plan.

A. The Court Should Approve the Voting Record Date.

19. Bankruptcy Rule 3017(d) provides that, for the purposes of soliciting votes in connection with the confirmation of a plan, "creditors and equity security holders shall include holders of stocks, bonds, debentures, notes, and other securities of record on the date the order approving the disclosure statement is entered or another date fixed by the court, for cause, after notice and a hearing." Fed. R. Bankr. P. 3017(d). Bankruptcy Rule 3018(a) contains a similar provision regarding determination of the record date for voting purposes. Fed. R. Bankr. P. 3018(a).

20. Accordingly, the Debtors request that the Court exercise its authority under Bankruptcy Rules 3017(d) and 3018(a) to establish July 24, 2019 (the first day of the Disclosure Statement Hearing), as the date for determining (a) Holders of Claims that are entitled to vote on the Plan and (b) whether Claims have been properly transferred, including pursuant to Bankruptcy Rule 3001(e), such that the assignee may vote on the Plan (the "Voting Record Date"). The Debtors propose that, with respect to any transferred Claim, the transferee shall be entitled to receive solicitation materials and documents included in the Solicitation Package (as defined herein) and, if the Holder of such Claim is entitled to vote with respect to the Plan, cast a Ballot (as defined herein) on account of such Claim only if (a) all actions necessary to effectuate the transfer of the Claim pursuant to Bankruptcy Rule 3001(e) have been completed by the Voting Record Date or (b) the transferee files by the Voting Record Date (1) the documentation required by Bankruptcy Rule 3001(e) to evidence the transfer and (2) a sworn statement of the transferor supporting the validity of the transfer. In the event a Claim is transferred after the Voting Record Date, the transferee of such Claim shall be bound by any vote on the Plan made by the Holder of such Claim as of the Voting Record Date.

B. The Court Should Waive the Requirements of Local Rule 3018-1.

21. Local Rule 3018-1(a) requires that a debtor file a voting report (a "Voting Report") that certifies "the amount and number of allowed claims or allowed interests of each class accepting or rejecting the plan and any ballots not counted" at least 7 days before the hearing on confirmation. Local R. Bankr. P. 3018-1(a). The Debtors' debtor-in-possession ("DIP") financing facilities require that, on or before 110 days following the Petition Date, the Court shall have entered an order confirming the Plan, which is September 6, 2019. To comply with the DIP facilities' confirmation milestone, the Debtors are seeking a Confirmation Hearing of September 4, 2019, subject to the Court's availability. Moreover, the Debtors seek to ensure that parties in

interest have sufficient time to review and analyze the Plan and Disclosure Statement and make an informed decision as to whether to vote to accept or reject the Plan or support or object to the Plan. The period from the Solicitation Deadline to the Voting Deadline is 28 days, which is in compliance with the Bankruptcy Rules. But the Voting Deadline is only 7 days before the Confirmation Hearing and the Debtors and their Solicitation Agent will need sufficient time to prepare the Voting Report. Thus, in an effort to balance due process with compliance with the DIP facilities' milestone, the Debtors request a waiver of compliance with Local Rule 3018-1(a) and to set the deadline to file the Voting Report for September 3, 2019, at 4:00 p.m., prevailing Eastern Time.

C. The Court Should Approve the Solicitation and Voting Procedures.

22. Section 1126(c) of the Bankruptcy Code provides that a "class of claims has accepted a plan if such plan has been accepted by creditors . . . that hold at least two-thirds in amount and more than one-half in number of the allowed claims of such class held by creditors . . . that have accepted or rejected the plan." 11 U.S.C. § 1126(c). Additionally, Bankruptcy Rule 3018(c) provides, in part, that "[a]n acceptance or rejection [of a plan] shall be in writing, identify the plan or plans accepted or rejected, be signed by the creditor or equity security holder or an authorized agent and conform to the appropriate Official Form." Fed. R. Bankr. P. 3018(c). Consistent with these requirements, the Debtors propose to use the Solicitation and Voting Procedures.

23. The proposed Solicitation and Voting Procedures include specific voting and tabulation requirements and procedures. The proposed Solicitation and Voting Procedures set forth specific criteria with respect to the general tabulation of Ballots, voting procedures applicable to Holders of Claims, and tabulation of such votes. The Debtors believe that the proposed Solicitation and Voting Procedures will facilitate the Plan confirmation process. Specifically,

the procedures will clarify any obligations of Holders of Claims entitled to vote to accept or reject the Plan and will create a straightforward process by which the Debtors can determine whether they have satisfied the numerosity requirements of section 1126(c) of the Bankruptcy Code. Among other things, to ease and clarify the process of tabulating all votes received, the proposed Solicitation and Voting Procedures and related Ballots provide that a Ballot be counted in determining the acceptance or rejection of the Plan only if it satisfies certain criteria. Specifically, the Solicitation and Voting Procedures provide that the Debtors not count a Ballot if it is, among other things, illegible, submitted by a Holder of a Claim that is not entitled to vote on the Plan, unsigned, or not clearly marked. Further, the Debtors, subject to a contrary order of the Court, may waive any defects or irregularities as to any particular Ballot at any time, either before or after the close of voting, and any such waivers shall be documented in the Voting Report. Accordingly, the Debtors submit that the Solicitation and Voting Procedures are in the best interests of their estates, Holders of Claims, and other parties in interest, and that good cause supports the relief requested herein.

24. The Debtors respectfully request that the Solicitation Agent be authorized (to the extent not authorized by another order of the Court) to assist the Debtors in: (a) distributing the Solicitation Package; (b) receiving, tabulating, and reporting on Ballots cast to accept or reject the Plan by Holders of Claims against the Debtors; (c) responding to inquiries from Holders of Claims and Interests and other parties in interest relating to the Disclosure Statement, the Plan, the Ballots, the Solicitation Packages, and all other documents and matters related thereto, including the procedures and requirements for voting to accept or reject the Plan and for objecting to the Plan; (d) soliciting votes on the Plan; and (e) if necessary, contacting creditors regarding the Plan.

D. The Court Should Approve the Forms of the Ballots.

25. Bankruptcy Rule 3018(c) requires that "an acceptance or rejection shall be in writing, identify the plan or plans accepted or rejected, be signed by the creditor or equity security holder or an authorized agent, and conform to the appropriate Official Form." Fed. R. Bankr. P. 3018(c). In accordance with Bankruptcy Rule 3018(c), the Debtors have prepared and customized ballots for each Voting Class (collectively, the "Ballots"), in substantially the form of the Ballots attached as **Exhibits 2A–2C** to **Exhibit A**. Although based on Official Form No. 14, the Ballots have been modified to (a) address the particular circumstances of these chapter 11 cases, (b) include certain additional information that is relevant and appropriate for Claims in certain of the Voting Classes, and (c) include information on the Third-Party Release contained in the Plan, including excerpts of the relevant provisions and procedures enabling parties, including the parties in interest in the Voting Classes, to "opt into" the Third-Party Release. The Debtors respectfully submit that the forms of the Ballots comply with Bankruptcy Rule 3018(c) and, therefore, should be approved.

26. In addition to accepting hard copy Ballots via first class mail, overnight courier, and hand delivery, the Debtors request authorization to accept Ballots via electronic, online transmissions through a customized section on the Debtors' case website or through the Solicitation Agent's email address. Instructions for electronic, online transmission of Ballots are set forth in the forms of Ballots.

E. The Court Should Approve the Confirmation Hearing Notice.

27. The form and manner of notice of the hearing to consider confirmation of the Plan, substantially in the form attached as **Exhibit 7** to **Exhibit A** (the "Confirmation Hearing Notice"), includes the following: (a) instructions as to how to view or obtain copies of the Disclosure Statement (including the Plan and the other exhibits thereto), the order approving the Disclosure

Statement (the "Disclosure Statement Order"), and all other materials in the Solicitation Package (excluding Ballots) from the Solicitation Agent and/or the Court's website via PACER; (b) notice of the Voting Deadline; (c) notice of the date by which the Debtors will file the Plan Supplement; (d) notice of the deadline by which to object to the Plan; and (e) notice of the Confirmation Hearing and information related thereto. The Confirmation Hearing Notice also includes information on the Debtor Release, Third-Party Release, and injunction, and exculpation provisions contained in the Plan, including excerpts of those provisions. The Confirmation Hearing Notice further outlines the procedures for parties to "opt into" the Third-Party Release. For example, voting stakeholders who vote to reject the Plan may check the box on their respective Ballot to "opt into" the Third-Party Release.[6] Parties in interest in Non-Voting Classes can choose to "opt into" the Third-Party Release in several ways, including via e-mail notification or mail. The Debtors will serve the Confirmation Hearing Notice on all known Holders of Claims and Interests and the list of all parties required to be notified under Bankruptcy Rule 2002 (the "2002 List") (regardless of whether such parties are entitled to vote on the Plan) by no later than **July 31, 2019**.

28. Bankruptcy Rule 2002(l) permits the Court to "order notice by publication if it finds that notice by mail is impracticable or that it is desirable to supplement the notice." Fed. R. Bankr. P. 2002(l). Therefore, in addition to the foregoing distribution of the Confirmation Hearing Notice, the Debtors will publish the Confirmation Hearing Notice one time on or before **July 31, 2019**, in *The New York Times* (national edition), *USA TODAY* (national edition), and *The Globe and Mail* (national edition in Canada). The Debtors believe that the publication of the Confirmation Hearing Notice will provide sufficient notice of, among other things, the entry of the

[6] Voting stakeholders who vote to accept the Plan will be deemed to consent to the Third-Party Release whether such voting stakeholders check the box on their respective Ballot to "opt into" the Third-Party Release or not.

Disclosure Statement Order, the Voting Deadline, the deadline by which to object to the Plan, and the Confirmation Hearing to parties who did not otherwise receive notice by mail. Additionally, service and publication of the Confirmation Hearing Notice comports with the requirements of Bankruptcy Rule 2002 and should be approved.

F. The Court Should Approve the Form and Distribution of Solicitation Packages to Parties Entitled to Vote on the Plan.

29. Bankruptcy Rule 3017(d) specifies the materials to be distributed to holders of allowed claims and/or equity interests upon approval of a disclosure statement, including the court-approved plan and disclosure statement and notice of the time within which acceptances and rejections of the plan may be filed. Fed. R. Bankr. P. 3017(d). In accordance with this requirement, the Debtors propose to send the Solicitation Packages to provide Holders of Claims in the Voting Classes with the information they need to be able to make informed decisions with respect to how to vote on the Plan. Specifically, on or before the date by which the Debtors shall distribute Solicitation Packages to Holders of Claims entitled to vote on the Plan (the "Solicitation Deadline"), the Debtors will cause the Solicitation Packages to be distributed through their Solicitation Agent (by first-class U.S. mail) to those Holders of Claims in the Voting Classes. The "Solicitation Package" will include the following materials:

a. a copy of the Solicitation and Voting Procedures;

b. a Ballot, together with detailed voting instructions and a pre-addressed, postage pre-paid return envelope;

c. a cover letter;

d. the Disclosure Statement (and exhibits thereto, including the Plan);

e. the Disclosure Statement Order (without exhibits);

f. the Confirmation Hearing Notice; and

g. such other materials as the Court may direct.

30. The Debtors request that they be authorized to distribute the Plan, the Disclosure Statement, and the Disclosure Statement Order (without exhibits) to Holders of Claims entitled to vote on the Plan in electronic format (flash drive or CD-ROM). The Ballots, the Solicitation and Voting Procedures, the cover letter, and the Confirmation Hearing Notice will be provided in paper format. Distribution in this manner will translate into significant monetary savings for the Debtors' estates given the length of the Plan, Disclosure Statement, and Disclosure Statement Order.

31. Additionally, the Debtors will provide complete Solicitation Packages (excluding the Ballots) to the U.S. Trustee and all parties on the 2002 List as of the Voting Record Date. Any party that receives the material in electronic format but would prefer paper format may contact the Solicitation Agent and request paper copies of the corresponding materials previously received in electronic format (to be provided at the Debtors' expense). The Debtors further request that they not be required to mail Solicitation Packages or other solicitation materials to (a) Holders of Claims that have already been paid in full during these chapter 11 cases or that are authorized to be paid in full in the ordinary course of business pursuant to an order previously entered by this Court or (b) any party to whom notice of the Disclosure Statement Hearing was sent but was subsequently returned as undeliverable.

G. The Court Should Approve the Form of Notices to Non-Voting Classes.

32. As discussed above, the Non-Voting Classes are not entitled to vote on the Plan. As a result, they will not receive Solicitation Packages and, instead, the Debtors propose that such parties receive a Non-Voting Status Notice (as defined herein). Specifically, in lieu of solicitation materials, the Debtors propose to provide the following to Holders of Claims and Interests in Non-Voting Classes (each, a "Non-Voting Status Notice"):

a. ***Unimpaired Claims—Conclusively Presumed to Accept.*** Holders of Claims in Classes 1, 2, and 3 are not impaired under the Plan and, therefore, are conclusively presumed to have accepted the Plan. As such Holders of

such Claims will receive a notice, substantially in the form attached as **Exhibit 3** to **Exhibit A**, in lieu of a Solicitation Package.

b. ***Other Interests and Claims—Deemed to Reject.*** Holders of Interests in Classes 9 and 10 are receiving no distribution under the Plan and, therefore, are deemed to reject the Plan and will receive a notice, substantially in the form attached as **Exhibit 4** to **Exhibit A**, in lieu of a Solicitation Package.

c. ***Disputed Claims.*** Holders of Claims that are subject to a pending objection by the Debtors are not entitled to vote the disputed portion of their claim. As such, Holders of such Claims will receive a notice, substantially in the form attached as **Exhibit 5** to **Exhibit A**.

33. The Debtors will not provide the Holders in Class 7 (Intercompany Claims) and Class 8 (Intercompany Interests) with a Solicitation Package or any other type of notice in connection with solicitation. Intercompany Claims will either be reinstated or cancelled and released, and Intercompany Interests will either be reinstated or cancelled and released. Thus, the Holders of Intercompany Claims or Intercompany Interests will not be entitled to vote to accept or reject the Plan. Nevertheless, in light of the fact that the Intercompany Claims and Intercompany Interests are all held by the Debtors or affiliates of the Debtors, the Debtors are requesting a waiver from any requirement to serve such Holders of Intercompany Claims or Intercompany Interests with any notices or the Solicitation Package.

34. Each of the Non-Voting Status Notices will include, among other things: (a) instructions as to how to view or obtain copies of the Disclosure Statement (including the Plan and the other exhibits thereto), the Disclosure Statement Order, and all other materials in the Solicitation Package (excluding Ballots) from the Solicitation Agent and/or the Court's website via PACER; (b) notice of the Plan Objection Deadline; and (c) notice of the Confirmation Hearing and information related thereto. The Non-Voting Status Notices also include information on the Third-Party Release contained in the Plan, including excerpts of the relevant provisions and

procedures enabling parties, including the parties in interest receiving Non-Voting Notices, to "opt into" the Third-Party Release.

35. The Debtors believe that the mailing of Non-Voting Status Notices in lieu of Solicitation Packages satisfies the requirements of Bankruptcy Rule 3017(d). Accordingly, unless the Court orders otherwise, the Debtors do not intend to distribute Solicitation Packages to Holders of Claims and Interests in the Non-Voting Classes.

H. The Court Should Approve the Notices to Contract and Lease Counterparties.

36. Executory Contracts and Unexpired Leases are deemed assumed under the Plan unless, among other things, such Executory Contracts or Unexpired Leases are expressly set forth on the Schedule of Rejected Executory Contracts and Unexpired Leases which will be included as part of the Plan Supplement. As soon as reasonably practicable after the Solicitation Deadline, the Debtors will provide notices to counterparties of Executory Contracts and Unexpired Leases, substantially in the forms attached as **Exhibit 8** and **Exhibit 9** to **Exhibit A**, regarding the proposed treatment of Executory Contracts and Unexpired Leases under the Plan, information pertaining to deadlines to object to such treatment, including with respect to cure Claim and adequate assurance under section 365 of the Bankruptcy Code, and instructions for filing a Claim for potential rejection damages (collectively, the "Assumption and Rejection Notices").

37. Additionally, to ensure that counterparties to Executory Contracts and Unexpired Leases receive notice of the Confirmation Hearing, the Debtors will serve such parties with the Confirmation Hearing Notice. If any of these entities also is a Holder of a Claim in a Voting Class as of the Voting Record Date, such entity will also receive a Solicitation Package in accordance with the Solicitation Procedures. The Debtors respectfully submit that these notices comply with the Bankruptcy Code and, therefore, should be approved.

Non-Substantive Modifications

38. The Debtors request authorization to make non-substantive changes to the Disclosure Statement, the Plan, the Solicitation and Voting Procedures, the Confirmation Hearing Notice, the Non-Voting Status Notices, the Ballots, the proposed cover letter, the Assumption and Rejection Notices, and related documents without further order of the Court and consistent in all material respects with the RSA, including changes to correct typographical and grammatical errors, if any, and to make conforming changes to the Disclosure Statement, the Plan, and any other materials in the Solicitation Packages before distribution, in each case subject to the applicable consent rights of the parties to the RSA.

Motion Practice

39. This motion includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of their application to this motion. Accordingly, the Debtors submit that this motion satisfies Local Rule 9013-1(a).

Notice

40. The Debtors have provided notice of this motion to the entities on the Master Service List (available on the Debtors' case website at www.omnimgt.com/hollander). The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

1. The Motion is granted as set forth herein.

2. The Disclosure Statement is hereby approved as providing Holders of Claims entitled to vote on the Plan with adequate information to make an informed decision as to whether to vote to accept or reject the Plan in accordance with section 1125(a)(1) of the Bankruptcy Code.

3. The Disclosure Statement (including all applicable exhibits thereto) provides Holders of Claims, Holders of Interests, and other parties in interest with sufficient notice of the injunction, exculpation, and release provisions contained in Article VIII of the Plan, in satisfaction of the requirements of Bankruptcy Rule 3016(c).

4. The mechanism set forth in the Ballots, Non-Voting Status Notices, and Confirmation Hearing Notice for opting into the Third-Party Release contained in Article VIII of the Plan are hereby approved.

5. The Debtors provided adequate and sufficient notice of the hearing to consider approval of the Disclosure Statement, the manner in which a copy of the Disclosure Statement (and exhibits thereto, including the Plan) could be obtained, and the time fixed for filing objections thereto, in satisfaction of the requirements of the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules.

6. The following dates are hereby established (subject to modification as necessary) with respect to the solicitation of votes to accept or reject the Plan and confirmation of the Plan:

a. **Voting Record Date**: July 24, 2019, as the date for determining: (i) Holders of Claims that are entitled to vote on the Plan and (ii) whether Claims have been properly transferred, including pursuant to Bankruptcy Rule 3001(e), such that the assignee may vote on the Plan;

b. **Confirmation Brief and Reply Deadline**: September 3, 2019 at 9:00 a.m., prevailing Eastern Time, as the deadline to file a brief in support of confirmation of the Plan and/or a reply to any objections to confirmation of the Plan; and

c. **Deadline to File Voting Report**: September 3, 2019, at 4:00 p.m., prevailing Eastern Time, is established as the date by which the Voting Report must be filed, and the Court hereby waives the timing requirement set forth in Local Rule 3018-1(a).

7. The Debtors are authorized to solicit, receive, and tabulate votes to accept the Plan in accordance with the Solicitation and Voting Procedures attached hereto as **Exhibit 1**, which are hereby approved in their entirety.

8. In addition to the Disclosure Statement and exhibits thereto, including the Plan and this Order (without exhibits), the Solicitation Packages to be transmitted on or before the Solicitation Deadline to those Holders of Claims in the Voting Classes entitled to vote on the Plan as of the Voting Record Date shall include the following, the form of each of which is hereby approved:

a. a copy of the Solicitation and Voting Procedures

b. an appropriate form of Ballot attached hereto as **Exhibits 2A–2C**, respectively;[3]

c. the cover letter attached hereto as **Exhibit 6**; and

[3] The Debtors will make every reasonable effort to ensure that any Holder of a Claim who has filed duplicate Claims against the Debtors (whether against the same or multiple Debtors) that are classified under the Plan in the same Voting Class, receives no more than one Solicitation Package (and, therefore, one Ballot) on account of such Claim and with respect to that Class.

d. the Confirmation Hearing Notice attached hereto as **Exhibit 7**.

9. The Solicitation Packages provide the Holders of Claims entitled to vote on the Plan with adequate information to make informed decisions with respect to voting on the Plan in accordance with Bankruptcy Rules 2002(b) and 3017(d), the Bankruptcy Code, and the Local Rules.

10. The Debtors shall distribute Solicitation Packages to all Holders of Claims entitled to vote on the Plan on or before the Solicitation Deadline. Such service shall satisfy the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules.

11. The Debtors are authorized, but not directed or required, to distribute the Plan, the Disclosure Statement, and this Order to Holders of Claims entitled to vote on the Plan in electronic format. The Ballots, the Solicitation and Voting Procedures, the cover letter, and the Confirmation Hearing Notice will be provided in paper form. On or before the Solicitation Deadline, the Debtors (through their Solicitation Agent) shall provide complete Solicitation Packages to the U.S. Trustee and to all parties on the 2002 List as of the Voting Record Date.

12. Any party that receives the materials in electronic format but would prefer to receive materials in paper format may contact the Solicitation Agent and request paper copies of the corresponding materials previously received in electronic format (to be provided at the Debtors' expense).

13. The Solicitation Agent is authorized to assist the Debtors in: (a) distributing the Solicitation Package; (b) receiving, tabulating, and reporting on Ballots cast to accept or reject the Plan by Holders of Claims against the Debtors; (c) responding to inquiries from Holders of Claims and Interests and other parties in interest relating to the Disclosure Statement, the Plan, the Ballots, the Solicitation Packages, and all other related documents and matters related thereto, including

the procedures and requirements for voting to accept or reject the Plan and for objecting to the Plan; (d) soliciting votes on the Plan; and (e) if necessary, contacting creditors regarding the Plan.

14. The Solicitation Agent is also authorized to accept Ballots via electronic online transmission solely through a customized section on the Debtors' case administration website or by email.

15. The Confirmation Hearing Notice, in the form attached hereto as **Exhibit 7**, which shall be filed by the Debtors and served upon all known Holders of Claims and Interests and the 2002 List (regardless of whether such parties are entitled to vote on the Plan) on or before **July 31, 2019**, constitutes adequate and sufficient notice of the hearing to consider approval of the Plan, the manner in which a copy of the Plan could be obtained, and the time fixed for filing objections thereto, in satisfaction of the requirements of the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules. The Debtors shall publish the Confirmation Hearing Notice (in a format modified for publication) one time on or before **July 31, 2019**, in the *The New York Times* (national edition), *USA TODAY* (national edition), and *The Globe and Mail* (national edition in Canada).

16. Except to the extent the Debtors determine otherwise, the Debtors are not required to provide Solicitation Packages to Holders of Claims or Interests in Non-Voting Classes, as such Holders are not entitled to vote on the Plan. Instead, on or before the Solicitation Deadline, the Solicitation Agent shall mail (first-class postage pre-paid) a Non-Voting Status Notice in lieu of Solicitation Packages, the form of each of which is hereby approved, to those parties, outlined below, who are not entitled to vote on the Plan:

a. ***Unimpaired Claims—Conclusively Presumed to Accept***. Holders of Claims in Classes 1, 2, and 3 are not impaired under the Plan and, therefore, are conclusively presumed to have accepted the Plan. As such, Holders of such Claims will receive a notice, substantially in the form attached hereto as **Exhibit 3**, in lieu of a Solicitation Package.

b. ***Other Interests and Claims—Deemed to Reject***. Holders of Interests in Classes 9 and 10 are receiving no distribution under the Plan and, therefore, are deemed to reject the Plan and will receive a notice, substantially in the form attached hereto as **Exhibit 4**, in lieu of a Solicitation Package.

c. ***Disputed Claims***. Holders of Claims that are subject to a pending objection by the Debtors are not entitled to vote the disputed portion of their Claim. As such, Holders of such Claims will receive a notice, substantially in the form attached hereto as **Exhibit 5**.

17. The Debtors are not required to mail Solicitation Packages or other solicitation materials to (a) Holders of Claims that have already been paid in full during these chapter 11 cases or that are authorized to be paid in full in the ordinary course of business pursuant to an order previously entered by this Court, (b) any party to whom notice of the Disclosure Statement Hearing was sent but was subsequently returned as undeliverable, or (c) Holders in Class 7 (Intercompany Claims) and Class 8 (Intercompany Interests).

18. The notice of Assumed Executory Contracts and Unexpired Leases (including the schedules), substantially in the form attached hereto as **Exhibit 8**, is approved.

19. The notice of Rejected Executory Contracts and Unexpired Leases (including the schedules), substantially in the form attached hereto as **Exhibit 9**, is approved.

20. The Debtors will mail to non-debtor counterparties to the Debtors' Executory Contracts or Unexpired Leases at least 14 days before the Plan Objection Deadline the Executory Contracts and Unexpired Leases notices, substantially in the forms attached hereto as **Exhibit 8** and **Exhibit 9**, notifying them of the forthcoming assumption or rejection of their Executory Contract or Unexpired Lease. Counterparties to Executory Contracts and Unexpired Leases shall have 28 days from the date the notice of assumed Executory Contracts and Unexpired Leases is

sent to file and serve an objection to the Debtors' proposed cure Claim in accordance with the procedures set forth in such notice.

21. Nothing in this Order shall be construed as a waiver of the right of the Debtors or any other party in interest, as applicable, to object to a proof of claim after the Voting Record Date.

22. All time periods set forth in this order shall be calculated in accordance with Bankruptcy Rule 9006(a).

23. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Motion.

24. The Court retains exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

PLEASE TAKE NOTICE that on [●] 2019, the United States Bankruptcy Court for the Southern District of New York (the "Court") entered an order [Docket No. ●] (the "Disclosure Statement Order"), (a) authorizing Hollander Sleep Products, LLC and its affiliated debtors and debtors in possession (collectively, the "Debtors"), to solicit acceptances for the *Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 21] (as modified, amended, or supplemented from time to time, the "Plan");[2] (b) approving the *Disclosure Statement for the Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. [●]] (as modified, amended, or supplemented from time to time, the "Disclosure Statement") as containing "adequate information" pursuant to section 1125 of the Bankruptcy Code; (c) approving the solicitation materials and documents to be included in the solicitation packages (the "Solicitation Packages"); and (d) approving procedures for soliciting, receiving, and tabulating votes on the Plan and for filing objections to the Plan.

The location of the Debtors' service address is: 901 Yamato Road, Suite 250, Boca Raton, Florida 33431.

[2] Capitalized terms not otherwise defined herein shall have the same meanings set forth in the Plan or in the *Debtors' Motion for Entry of an Order (I) Approving (A) the Adequacy of Information in the Disclosure Statement, (B) Solicitation and Notice Procedures, and (C) Certain Dates With Respect To Plan Confirmation, and (II) Granting Related Relief* [Docket No. [●]], as applicable.

B. The Voting Deadline.

The Court has approved **August 28, 2019, at 4:00 p.m., prevailing Eastern Time**, as the voting deadline (the "Voting Deadline") for the Plan. The Debtors may extend the Voting Deadline, in their discretion, without further order of the Court. To be counted as votes to accept or reject the Plan, all votes must be incorporated on a ballot (a "Ballot") that is properly executed, completed, and returned in the pre-paid, pre-addressed return envelope included in the Solicitation Package or delivered by (1) first class mail, (2) overnight courier, (3) personal delivery, (4) the customized section on the Debtors' case administration website (in accordance with the instructions accompanying the Ballot), or (5) email, so that they are **actually received**, in any case, no later than the Voting Deadline by Omni Management Group (the "Solicitation Agent"). All Ballots returned by mail or personal delivery should be sent to: Hollander Sleep Products, LLC, Ballot Processing, c/o Omni Management Group, 5955 DeSoto Avenue, Suite #100, Woodland Hills, CA 91367. All Ballots returned by email should be sent to: hollanderballots@omnimgt.com. Delivery of a Ballot to the Solicitation Agent by facsimile or any other electronic means other than by using the customized section on the Debtors' case administration website or by email will not be valid.

C. Form, Content, and Manner of Notices.

1. **The Solicitation Package.**

The following materials shall constitute the solicitation package (the "Solicitation Package"):

a. a copy of these Solicitation and Voting Procedures;

b. the *Notice of Hearing to Consider Confirmation of the Chapter 11 Plan Filed by the Debtors and Related Voting and Objection Deadlines,* in substantially the form attached as **Exhibit 7** to the Disclosure Statement Order (the "Confirmation Hearing Notice");

c. a cover letter, in substantially the form attached as **Exhibit 6** to the Disclosure Statement Order, describing the contents of the Solicitation Package and urging the Holders of Claims in each of the Voting Classes to vote to accept the Plan;

d. the applicable form of Ballot, in substantially the form of Ballots attached as **Exhibits 2A–2C** to the Disclosure Statement Order, as applicable, including a pre-paid, pre-addressed return envelope;

e. the approved Disclosure Statement (and exhibits thereto, including the Plan);

f. the Disclosure Statement Order (without exhibits); and

g. any additional documents that the Court has ordered to be made available.

2. **Distribution of the Solicitation Package.**

The Solicitation Package shall provide the Plan, the Disclosure Statement, and the Disclosure Statement Order (without exhibits in electronic format (flash drive or CD-ROM), and all other contents of the Solicitation Package, including Ballots and these Solicitation and Voting Procedures, shall be provided in paper format. Any party that receives the materials in electronic format but would prefer paper format (to be provided at the Debtors' expense) may contact the Solicitation Agent by: (a) calling the Debtors' restructuring hotline at (844) 212-9942 within the United States or Canada or, outside of the United States or Canada, by calling +1 (818) 906-8300; (b) visiting the Debtors' restructuring website at: www.omnimgt.com/hollander; (c) writing to Hollander Sleep Products, LLC, Ballot Processing, c/o Omni Management Group, 5955 DeSoto Avenue, Suite #100, Woodland Hills, CA 91367; and/or (d) emailing hollanderballots@omnimgt.com and requesting paper copies of the corresponding materials previously received in electronic format.

The Debtors shall serve, or cause to be served, all of the materials in the Solicitation Package (excluding the Ballots) on the U.S. Trustee and all parties who have requested service of papers in this case pursuant to Bankruptcy Rule 2002 as of the Voting Record Date. In addition, the Debtors shall mail, or cause to be mailed, the Solicitation Package to all Holders of Claims in the Voting Classes who are permitted to vote on or before July 31, 2019.

To avoid duplication and reduce expenses, the Debtors will make every reasonable effort to ensure that any Holder of a Claim who has filed duplicative Claims against a Debtor (whether against the same or multiple Debtors) that are classified under the Plan in the same Voting Class receives no more than one Solicitation Package (and, therefore, one Ballot) on account of such Claim and with respect to that Class as against that Debtor.

3. **Resolution of Disputed Claims for Voting Purposes; Resolution Event.**

a. Absent a further order of the Court, the Holder of a Claim in a Voting Class that is the subject of a pending objection on a "reduce and allow" basis filed prior to the Voting Deadline shall be entitled to vote such Claim in the reduced amount contained in such objection.

b. If a Claim in a Voting Class is subject to an objection other than a "reduce and allow" objection that is filed with the Court on or prior to seven (7) days before the Voting Deadline: (i) the Debtors shall cause the applicable Holder to be served with a Disputed Claim Notice substantially in the form attached as **Exhibit 5** to the Disclosure Statement Order, and (ii) the applicable Holder shall not be entitled to vote to accept or reject the Plan on account of such claim unless a Resolution Event (as defined herein) occurs as provided herein.

c. If a Claim in a Voting Class is subject to an objection other than a "reduce and allow" objection that is filed with the Court less than seven (7) days prior to the Voting Deadline, the applicable Claim shall be deemed temporarily allowed for voting purposes only, without further action by the Holder of such Claim and without further order of the Court, unless the Court orders otherwise.

d. A "Resolution Event" means the occurrence of one or more of the following events no later than two (2) business days prior to the Voting Deadline:

i. an order of the Court is entered allowing such Claim pursuant to section 502(b) of the Bankruptcy Code, after notice and a hearing;

ii. an order of the Court is entered temporarily allowing such Claim for voting purposes only pursuant to Bankruptcy Rule 3018(a), after notice and a hearing;

iii. a stipulation or other agreement is executed between the Holder of such Claim and the Debtors resolving the objection and allowing such Claim in an agreed upon amount; or

iv. the pending objection is voluntarily withdrawn by the objecting party.

e. No later than one (1) business day following the occurrence of a Resolution Event, the Debtors shall cause the Solicitation Agent to distribute via email, hand delivery, or overnight courier service a Solicitation Package and a pre-addressed, postage pre-paid envelope to the relevant Holder.

4. **Non-Voting Status Notices for Unimpaired Classes and Classes Deemed to Reject the Plan.**

Certain Holders of Claims and Interests that are not classified in accordance with section 1123(a)(1) of the Bankruptcy Code or who are not entitled to vote because they are Unimpaired or otherwise presumed to accept the Plan under section 1126(f) of the Bankruptcy Code will receive only the *Notice of Non-Voting Status to Holders of Unimpaired Claims Conclusively Presumed to Accept the Plan*, substantially in the form attached as **Exhibit 3** to the Disclosure Statement Order. Such notice will instruct these Holders as to how they may obtain copies of the documents contained in the Solicitation Package (excluding Ballots). Certain Holders of Claims and Interests who are not entitled to vote because they are deemed to reject the Plan under section 1126(g) of the Bankruptcy Code will receive the *Notice of Non-Voting Status to Holders of Impaired Claims and Equity Interests Deemed to Reject the Plan*, substantially in the form attached as **Exhibit 4** to the Disclosure Statement Order. Such notice will instruct these Holders as to how they may obtain copies of the documents contained in the Solicitation Package (excluding Ballots).

D. Voting and Tabulation Procedures.

1. Holders of Claims Entitled to Vote.

Only the following Holders of Claims in the Voting Classes shall be entitled to vote with regard to such Claims:

a. Holders of Claims who, on or before the Voting Record Date, have timely filed a Proof of Claim (or an untimely Proof of Claim that has been Allowed as timely by the Court under applicable law on or before the Voting Record

Date) that (i) has not been expunged, disallowed, disqualified, withdrawn, or superseded prior to the Voting Record Date, and (ii) is not the subject of a pending objection, other than a "reduce and allow" objection, filed with the Court at least seven (7) days prior to the Voting Deadline, pending a Resolution Event as provided herein; *provided* that a Holder of a Claim that is the subject of a pending objection on a "reduce and allow" basis shall receive a Solicitation Package and be entitled to vote such Claim in the reduced amount contained in such objection absent a further order of the Court; *provided, further*, that Holders of Claims in the Voting Classes are entitled to vote such Claims without filing Proofs of Claim if such Holders are authorized by any order of this Court not to submit Proofs of Claim (including, pursuant to the DIP Order and the Bar Date Order, the Holders of the DIP Claims, and the Class 4 Claims);

b. Holders of Claims that are listed in the Schedules, *provided* that Claims that are scheduled as contingent, unliquidated, or disputed (excluding such scheduled disputed, contingent, or unliquidated Claims that have been paid or superseded by a timely filed Proof of Claim) shall be allowed to vote only in the amounts set forth in section 2(d) of these Solicitation and Voting Procedures;

c. Holders whose Claims arise (i) pursuant to an agreement or settlement with the Debtors, as reflected in a document filed with the Court (or otherwise), (ii) in an order entered by the Court, or (iii) in a document executed by the Debtors pursuant to authority granted by the Court, in each case regardless of whether a Proof of Claim has been filed;

d. Holders of any Disputed Claim that has been temporarily allowed to vote on the Plan pursuant to Bankruptcy Rule 3018; and

e. with respect to any Entity described in subparagraphs (a) through (d) above, who, on or before the Voting Record Date, has transferred such Entity's Claim to another Entity, to the assignee of such Claim; *provided* that such transfer or assignment has been fully effectuated pursuant to the procedures set forth in Bankruptcy Rule 3001(e) and such transfer is reflected on the Claims Register on the Voting Record Date.

2. Establishing Claim Amounts for Voting Purposes.

Class 4 Term Loan Claims. The voting amounts for Class 4 Claims will be established based on the amount of the applicable positions held by such Class 4 Claim Holder, as of the Voting Record Date, as evidenced by the list of record holders maintained by the Term Loan Agent and dated as of the Voting Record Date.

Class 5 General Unsecured Claim & Class 6 Hollander Canada General Unsecured Claims. In tabulating votes, the following hierarchy shall be used to determine the amount of the Class 5 Claims and Class 6 Claims associated with each claimant's vote:

a. the Claim amount (i) settled and/or agreed upon by the Debtors, as reflected in a document filed with the Court (or otherwise), (ii) set forth in an order of the Court, or (iii) set forth in a document executed by the Debtors pursuant to authority granted by the Court;

b. the Claim amount Allowed (temporarily or otherwise) pursuant to a Resolution Event under Section C.3(d) of these Solicitation and Voting Procedures;

c. the Claim amount contained in a Proof of Claim that has been timely filed by the applicable Bar Date (or deemed timely filed by the Court under applicable law), except for any amounts asserted on account of any interest accrued after the Petition Date; *provided*, *however*, that (i) any Ballot cast by a Holder of a Claim who timely files a Proof of Claim in respect of a contingent Claim or a Claim in a wholly-unliquidated or unknown amount (based on a reasonable review by the Debtors and/or the Solicitation Agent) that is not the subject of an objection will count toward satisfying the numerosity requirement of section 1126(c) of the Bankruptcy Code and will count as a Ballot for a Claim in the amount of $1.00 solely for the purposes of satisfying the dollar amount provisions of section 1126(c) of the Bankruptcy Code, and (ii) if a Proof of Claim is filed as partially liquidated and partially unliquidated, such Claim will be Allowed for voting purposes only in the liquidated amount; *provided*, *further*, *however*, that to the extent the Claim amount contained in the Proof of Claim is different from the Claim amount set forth in a document filed with the Court as referenced in subparagraph (a) above, the Claim amount in the document filed with the Court shall supersede the Claim amount set forth on the respective Proof of Claim for voting purposes;

d. the Claim amount listed in the Schedules (to the extent such Claim is not superseded by a timely filed Proof of Claim) that is not scheduled as contingent, disputed, or unliquidated and/or has not been paid; *provided*, *however*, that if the applicable Bar Date has not expired prior to the Voting Record Date, a Claim listed in the Schedules as contingent, disputed, or unliquidated will count as a vote towards satisfying the numerosity requirement of section 1126(c) of the Bankruptcy Code and as a vote in the amount of $1.00 solely for the purposes of satisfying the dollar amount provisions of section 1126(c) of the Bankruptcy Code; *provided*, *further*, that if the applicable Bar Date has expired, a Claim listed in the Schedules as contingent, disputed, or unliquidated shall not be entitled to vote; and

e. Claims that have been paid or otherwise satisfied are disallowed for voting purposes.

Notwithstanding anything to the contrary contained herein: (x) any creditor who has filed or purchased duplicate Claims against the same Debtor within the same Class may be provided with only one Solicitation Package and one ballot for voting a single Claim in such Class, regardless of whether the Debtors have objected to such duplicate Claims; (y) Holders of Claims filed for $0.00 are not entitled to vote; and (z) if a Proof of Claim has been amended by a later timely filed Proof of Claim, only the later filed amending Claim will be counted for voting purposes, regardless of whether the Debtors have objected to such earlier filed Claim

3. Voting and Ballot Tabulation Procedures.

The following voting procedures and standard assumptions shall be used in tabulating Ballots, subject to the Debtors' right to waive any of the below specified requirements for completion and submission of Ballots so long as such requirement is not otherwise required by the Bankruptcy Code, Bankruptcy Rules, or Local Rules:

a. except as otherwise provided in the Solicitation and Voting Procedures, unless the Ballot being furnished is timely submitted on or prior to the Voting Deadline (as the same may be extended by the Debtors as set forth herein), the Debtors shall reject such Ballot as invalid and, therefore, shall not count it in connection with Confirmation of the Plan;

b. the Solicitation Agent will date-stamp all Ballots when received. The Solicitation Agent shall retain the original Ballots and an electronic copy of the same for a period of one year after the Effective Date of the Plan, unless otherwise ordered by the Court. The Solicitation Agent shall tabulate Ballots on a Debtor-by-Debtor basis;

c. the Debtors will file with the Court a certification of votes (the "Voting Report") on September 3, 2019, at 4:00 p.m., prevailing Eastern Time. The Voting Report shall, among other things, certify to the Court in writing the amount and number of Allowed Claims or Allowed Interests of each Class accepting or rejecting the Plan, and delineate every Ballot that does not conform to the voting instructions or that contains any form of irregularity including, but not limited to, those Ballots that are late or (in whole or in material part) illegible, unidentifiable, lacking signatures or lacking necessary information, received via facsimile or any other electronic means other than by using the customized section on the Debtors' case administration website or by email, or damaged ("Irregular Ballots"). The Voting Report shall indicate the Debtors' intentions with regard to each such Irregular Ballot. The Voting Report shall be served upon the Committee and the U.S. Trustee;

d. the method of delivery of Ballots to be sent to the Solicitation Agent is at the election and risk of each Holder, and except as otherwise provided, a Ballot will be deemed delivered only when the Solicitation Agent actually receives the executed Ballot;

e. an executed Ballot is required to be submitted by the Entity submitting such Ballot. Delivery of a Ballot to the Solicitation Agent by facsimile, or any electronic means other than expressly provided in the Solicitation and Voting Procedures will not be valid;

f. no Ballot should be sent to the Debtors, the Debtors' agents (other than the Solicitation Agent), or the Debtors' financial or legal advisors, and if so sent will not be counted;

g. if multiple Ballots are received from the same Holder with respect to the same Claim prior to the Voting Deadline, the last properly executed Ballot timely received will be deemed to reflect that voter's intent and will supersede and revoke any prior Ballot;

h. Holders must vote all of their Claims within a particular Class either to accept or reject the Plan and may not split any votes. Accordingly, a Ballot that partially rejects and partially accepts the Plan will not be counted. b. a Ballot, together with detailed voting instructions and a pre-addressed, postage pre-paid return envelope;

c. this letter;

d. the Disclosure Statement, as approved by the Court (and exhibits thereto, including the Plan);

e. the Disclosure Statement Order (excluding the exhibits thereto);

f. the notice of the hearing to consider confirmation of the Plan; and

g. such other materials as the Court may direct.

Hollander Sleep Products, LLC (on behalf of itself and each of the other Debtors) has approved the filing of the Plan and the solicitation of votes to accept the Plan. The Debtors believe that the acceptance of the Plan is in the best interests of their estates, Holders of Claims and Interests, and all other parties in interest. Moreover, the Debtors believe that any alternative other than Confirmation of the Plan could result in extensive delays and increased administrative expenses, which, in turn, likely would result in smaller distributions (or no distributions) on account of Claims asserted in these chapter 11 cases.

The Debtors strongly urge you to properly and timely submit your Ballot casting a vote to accept the Plan in accordance with the instructions in your Ballot.

The Voting Deadline is August 28, 2019, at 4:00 p.m., prevailing Eastern Time.

The materials in the Solicitation Package are intended to be self-explanatory. If you should have any questions, however, please feel free to contact Omni Management Group, the Solicitation Agent retained by the Debtors in these chapter 11 cases (the "Solicitation Agent"), by: (a) calling the Debtors' restructuring hotline at (844) 212-9942 in the United States or Canada, or, outside of the United States or Canada by calling +1 (818) 906-8300; (b) visiting the Debtors' restructuring website at: www.omnimgt.com/hollander; and/or (c) writing to Hollander Sleep Products, LLC, Ballot Processing, c/o Omni Management Group, 5955 DeSoto Avenue, Suite #100, Woodland Hills, CA 91367. PLEASE TAKE NOTICE that on [●], 2019, the United States Bankruptcy Court for the Southern District of New York (the "Court") entered an order [Docket No. [●]] (the "Disclosure Statement Order"), (a) authorizing Hollander Sleep Products, LLC and its affiliated debtors and debtors in possession (collectively, the "Debtors"), to solicit acceptances for the *Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 21] (as modified, amended, or supplemented from time to time, the "Plan"); (b) approving the *Disclosure Statement for the Debtors' Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. [●]] (as modified, amended, or supplemented from time to time, the "Disclosure Statement")[2] as containing "adequate information" pursuant to section 1125 of the Bankruptcy Code; (c) approving the solicitation materials and documents to be included in the solicitation packages; and (d) approving procedures for soliciting, receiving, and tabulating votes on the Plan and for filing objections to the Plan.

1. are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases;

2. previously expired or terminated pursuant to its own terms;

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Dream II Holdings, LLC (7915); Hollander Home Fashions Holdings, LLC (2063); Hollander Sleep Products, LLC (2143); Pacific Coast Feather, LLC (1445); Hollander Sleep Products Kentucky, LLC (4119); Pacific Coast Feather Cushion, LLC (3119); and Hollander Sleep Products Canada Limited (3477). The location of the Debtors' service address is: 901 Yamato Road, Suite 250, Boca Raton, Florida 33431.

[2] Capitalized terms not otherwise defined herein shall have the same meanings set forth in the Plan or Disclosure Statement, as applicable.

3. have been previously assumed or rejected by the Debtors pursuant to a Court order;

4. are the subject of a motion to reject Executory Contracts or Unexpired Leases that is pending on the Effective Date; or

5. are subject to a motion to reject an Executory Contract or Unexpired Lease pursuant to which the requested effective date of such rejection is after the Effective Date.

You are receiving this notice because you or one of your affiliates is a counterparty to an Executory Contract or Unexpired Lease[3] with one or more of the Debtors as listed on **Exhibit A**, attached hereto.

The Debtors intend to assume the Executory Contracts or Unexpired Leases listed on Exhibit A to which you are a counterparty. The Debtors have conducted a review of the Debtors' books and records and have determined that the amount to cure unpaid obligations under such contract or lease is as set forth in **Exhibit A** (the "Cure Claim"). Unless otherwise ordered by the Court, any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption and assignment or related Cure Claim must be filed with the Court and served on **[●], 2019, at 4:00 p.m., prevailing Eastern Time**, the date that is 14 days from the date of this notice, and served so that it is actually received by each of the entities on the Master Service List (as defined in the case management order in these chapter 11 cases [Docket No. [●]] and available on the Debtors' case website at www.omnimgt.com/hollander). If you fail to object in a timely manner to the proposed assumption or Cure Claim with respect to any Executory Contract or Unexpired Lease, you will be deemed to have assented to such assumption and Cure Claim.

PLEASE TAKE FURTHER NOTICE that in the event of a dispute regarding: (1) the amount of any Cure Claim, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (3) any other matter pertaining to assumption or the cure payments required by section 365(b)(1) of the Bankruptcy Code, the Cure Claim shall only be paid following the entry of a Final Order or Final Orders resolving the dispute and approving the assumption (and, if applicable, assignment).

PLEASE TAKE FURTHER NOTICE that the assumption of an Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any Assumed Executory Contract or Unexpired Lease at any time before the date that the Debtors assume such Executory Contract or Unexpired Lease. Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall be deemed disallowed and expunged, without further notice to or action, order, or approval of the Court.

3 This notice is being sent to counterparties to Executory Contracts and Unexpired Leases. This notice is not an admission by the Debtors that such contract or lease is executory or unexpired.

YOUR STATUS AS A COUNTERPARTY TO AN EXECUTORY CONTRACT AND/OR AN UNEXPIRED LEASE DOES NOT IN AND OF ITSELF ENTITLE YOU TO VOTE ON THE PLAN. Accordingly, this notice is being sent to you for informational purposes only.

PLEASE TAKE FURTHER NOTICE that if you would like to obtain a copy of the Disclosure Statement, the Plan, the Plan Supplement, or related documents, you should contact Omni Management Group, the Solicitation Agent retained by the Debtors in these chapter 11 cases, by: (a) calling the Debtors' restructuring hotline at (844) 212-9942 in the United States and Canada or, outside of the United States or Canada, by calling +1 (818) 906-8300; (b) visiting the Debtors' restructuring website at: www.omnimgt.com/hollander; and/or (c) writing to Hollander Sleep Products, LLC, Ballot Processing, c/o Omni Management Group, 5955 DeSoto Avenue, Suite #100, Woodland Hills, CA 91367. The Debtors intend to reject the Executory Contracts or Unexpired Leases listed on Exhibit A to which you are a counterparty.

Objections. If you wish to object to the rejection of an Executory Contract or Unexpired Lease, an objection and notice setting the objection for hearing must be filed with the Court and served by **[●], 2019, at 4:00 p.m., prevailing Eastern Time**, the date that is 14 days from the date of this notice, and served so that it is actually received by each of the entities on the Master Service List (as defined in the case management order in these chapter 11 cases [Docket No. [●]] and available on the Debtors' case website at www.omnimgt.com/hollander).

Proofs of Claim. Additionally, entry of the Confirmation Order will constitute a Court order approving the rejection of your Executory Contracts or Unexpired Leases. As set forth in the Plan, such rejection will be effective on the Effective Date of the Plan. As a result of the Executory Contracts or Unexpired Leases to which you are a counterparty being rejected, you may be entitled to an unsecured claim for which a Proof of Claim must be filed. After entry of the Confirmation Order, you will receive a separate notice of the Effective Date, which notice will contain a proof of claim bar date for rejected contracts. Pursuant to the Plan, if the rejection of your Executory Contracts or Unexpired Leases gives rise to a Claim by you, unless otherwise provided by an order of the Court, any Proofs of Claim based on the rejection of the Debtors' Executory Contracts or Unexpired Leases must be filed with the Court within 30 days after the later of (1) the effective date of such rejection, or (2) the Effective Date.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Reorganized Debtors, the Estates, or their property of any of the foregoing parties without the need for any objection by the Reorganized Debtors or further notice to, or action, order, or approval of the Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules or a Proof of Claim to the contrary. Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims or Hollander Canada General Unsecured Claims, as applicable, and

3 This notice is being sent to counterparties to Executory Contracts and Unexpired Leases. This notice is not an admission by the Debtors that such contract or lease is executory or unexpired.

shall be treated in accordance with Article III.B of the Plan and may be objected to in accordance with the provisions of Article VII of the Plan and the applicable provisions of the Bankruptcy Code and Bankruptcy Rules.

YOUR STATUS AS A COUNTERPARTY TO AN EXECUTORY CONTRACT AND/OR AN UNEXPIRED LEASE DOES NOT IN AND OF ITSELF ENTITLE YOU TO VOTE ON THE PLAN. Accordingly, this notice is being sent to you for informational purposes only.

B. The Voting Deadline.

The Court has approved **August 28, 2019, at 4:00 p.m., prevailing Eastern Time**, as the voting deadline (the "Voting Deadline") for the Plan. The Debtors may extend the Voting Deadline, in their discretion, without further order of the Court. In addition, the Debtors shall mail, or cause to be mailed, the Solicitation Package to all Holders of Claims in the Voting Classes who are permitted to vote on or before July 31, 2019.

To avoid duplication and reduce expenses, the Debtors will make every reasonable effort to ensure that any Holder of a Claim who has filed duplicative Claims against a Debtor (whether against the same or multiple Debtors) that are classified under the Plan in the same Voting Class receives no more than one Solicitation Package (and, therefore, one Ballot) on account of such Claim and with respect to that Class as against that Debtor.

3. **Resolution of Disputed Claims for Voting Purposes; Resolution Event.**

a. Absent a further order of the Court, the Holder of a Claim in a Voting Class that is the subject of a pending objection on a "reduce and allow" basis filed prior to the Voting Deadline shall be entitled to vote such Claim in the reduced amount contained in such objection.

b. If a Claim in a Voting Class is subject to an objection other than a "reduce and allow" objection that is filed with the Court on or prior to 14 days before the Voting Deadline: (i) the Debtors shall cause the applicable Holder to be served with a Disputed Claim Notice substantially in the form attached as **Exhibit 5** to the Disclosure Statement Order, and (ii) the applicable Holder shall not be entitled to vote to accept or reject the Plan on account of such claim unless a Resolution Event (as defined herein) occurs as provided herein.

c. If a Claim in a Voting Class is subject to an objection other than a "reduce and allow" objection that is filed with the Court less than 14 days prior to the Voting Deadline, the applicable Claim shall be deemed temporarily allowed for voting purposes only, without further action by the Holder of such Claim and without further order of the Court, unless the Court orders otherwise.

d. A "Resolution Event" means the occurrence of one or more of the following events no later than two (2) business days prior to the Voting Deadline:

i. an order of the Court is entered allowing such Claim pursuant to section 502(b) of the Bankruptcy Code, after notice and a hearing;

ii. an order of the Court is entered temporarily allowing such Claim for voting purposes only pursuant to Bankruptcy Rule 3018(a), after notice and a hearing;

iii. a stipulation or other agreement is executed between the Holder of such Claim and the Debtors resolving the objection and allowing such Claim in an agreed upon amount; or

iv. the pending objection is voluntarily withdrawn by the objecting party.

e. No later than one (1) business day following the occurrence of a Resolution Event, the Debtors shall cause the Solicitation Agent to distribute via email, hand delivery, or overnight courier service a Solicitation Package and a pre-addressed, postage pre-paid envelope to the relevant Holder.

4. **Non-Voting Status Notices for Unimpaired Classes and Classes Deemed to Reject the Plan.**

Certain Holders of Claims and Interests that are not classified in accordance with section 1123(a)(1) of the Bankruptcy Code or who are not entitled to vote because they are Unimpaired or otherwise presumed to accept the Plan under section 1126(f) of the Bankruptcy Code will receive only the *Notice of Non-Voting Status to Holders of Unimpaired Claims Conclusively Presumed to Accept the Plan*, substantially in the form attached as **Exhibit 3** to the Disclosure Statement Order. Such notice will instruct these Holders as to how they may obtain copies of the documents contained in the Solicitation Package (excluding Ballots). Certain Holders of Claims and Interests who are not entitled to vote because they are deemed to reject the Plan under section 1126(g) of the Bankruptcy Code will receive the *Notice of Non-Voting Status to Holders of Impaired Claims and Equity Interests Deemed to Reject the Plan*, substantially in the form attached as **Exhibit 4** to the Disclosure Statement Order. Such notice will instruct these Holders as to how they may obtain copies of the documents contained in the Solicitation Package (excluding Ballots).

D. Voting and Tabulation Procedures.

1. Holders of Claims Entitled to Vote.

Only the following Holders of Claims in the Voting Classes shall be entitled to vote with regard to such Claims:

a. Holders of Claims who, on or before the Voting Record Date, have timely filed a Proof of Claim (or an untimely Proof of Claim that has been Allowed as timely by the Court under applicable law on or before the Voting Record Date) that (i) has not been expunged, disallowed, disqualified, withdrawn, or superseded prior to the Voting Record Date, and (ii) is not the subject of a pending objection, other than a "reduce and allow" objection, filed with the Court at least 14 days prior to the Voting Deadline, pending a Resolution Event as provided herein; *provided* that a Holder of a Claim that is the subject of a pending objection on a "reduce and allow" basis shall receive a Solicitation Package and be entitled to vote such Claim in the reduced amount contained in such objection absent a further order of the Court; *provided*, *further*, that Holders of Claims in the Voting Classes are entitled to vote such Claims without filing Proofs of Claim if such Holders are authorized by any order of this Court not to submit Proofs of Claim (including, pursuant to the DIP Orders and the Bar Date Order, the Holders of the DIP Claims, and the Class 4 Claims);

b. Holders of Claims that are listed in the Schedules unless such Claim is scheduled as contingent, unliquidated, or disputed and not otherwise paid or superseded by a timely filed Proof of Claim, *provided* that a Claim scheduled as contingent, unliquidated, or disputed that has not been superseded by a timely filed Proof of Claim will be allowed to vote only in the amounts set forth in section 2(d) of these Solicitation and Voting Procedures;

c. Holders whose Claims arise (i) pursuant to an agreement or settlement with the Debtors, as reflected in a document filed with the Court (or otherwise), (ii) in an order entered by the Court, or (iii) in a document executed by the Debtors pursuant to authority granted by the Court, in each case regardless of whether a Proof of Claim has been filed;

d. Holders of any Disputed Claim that has been temporarily allowed to vote on the Plan pursuant to Bankruptcy Rule 3018; and

e. with respect to any Entity described in subparagraphs (a) through (d) above, who, on or before the Voting Record Date, has transferred such Entity's Claim to another Entity, to the assignee of such Claim; *provided* that such transfer or assignment has been fully effectuated pursuant to the procedures set forth in Bankruptcy Rule 3001(e) and such transfer is reflected on the Claims Register on the Voting Record Date.

2. Establishing Claim Amounts for Voting Purposes.

Class 4 Term Loan Claims. The voting amounts for Class 4 Claims will be established based on the amount of the applicable positions held by such Class 4 Claim Holder, as of the Voting Record Date, as evidenced by the list of record holders maintained by the Term Loan Agent and dated as of the Voting Record Date.

Class 5 General Unsecured Claims. In tabulating votes, the following hierarchy shall be used to determine the amount of the Class 5 Claims associated with each claimant's vote:

a. the Claim amount (i) settled and/or agreed upon by the Debtors, as reflected in a document filed with the Court (or otherwise), (ii) set forth in an order of the Court, or (iii) set forth in a document executed by the Debtors pursuant to authority granted by the Court;

b. the Claim amount Allowed (temporarily or otherwise) pursuant to a Resolution Event under Section C.3(d) of these Solicitation and Voting Procedures;

c. the Claim amount contained in a Proof of Claim that has been timely filed by the applicable Bar Date (or deemed timely filed by the Court under applicable law), except for any amounts asserted on account of any interest accrued after the Petition Date; *provided*, *however*, that (i) any Ballot cast by a Holder of a Claim who timely files a Proof of Claim in respect of a contingent Claim or a Claim in a wholly-unliquidated or unknown amount (based on a reasonable review by the Debtors and/or the Solicitation Agent) that is not the subject of an objection will count toward satisfying the numerosity requirement of section 1126(c) of the Bankruptcy Code and will count as a Ballot for a Claim in the amount of $1.00 solely for the purposes of satisfying the dollar amount provisions of section 1126(c) of the Bankruptcy Code, and (ii) if a Proof of Claim is filed as partially liquidated and partially unliquidated, such Claim will be Allowed for voting purposes only in the liquidated amount; *provided*, *further*, *however*, that to the extent the Claim amount contained in the Proof of Claim is different from the Claim amount set forth in a document filed with the Court as referenced in subparagraph (a) above, the Claim amount in the document filed with the Court shall supersede the Claim amount set forth on the respective Proof of Claim for voting purposes;

d. the Claim amount listed in the Schedules (to the extent such Claim is not superseded by a timely filed Proof of Claim) that is not scheduled as contingent, disputed, or unliquidated and/or has not been paid; *provided*, *however*, that if the applicable Bar Date has not expired prior to the Voting Record Date, a Claim listed in the Schedules as contingent, disputed, or unliquidated will count as a vote towards satisfying the numerosity requirement of section 1126(c) of the Bankruptcy Code and as a vote in the amount of $1.00 solely for the purposes of satisfying the dollar amount provisions of section 1126(c) of the Bankruptcy Code; *provided*, *further*,

that if the applicable Bar Date has expired, a Claim listed in the Schedules as contingent, disputed, or unliquidated shall not be entitled to vote; and

e. Claims that have been paid or otherwise satisfied are disallowed for voting purposes.

Notwithstanding anything to the contrary contained herein: (x) any creditor who has filed or purchased duplicate Claims against the same Debtor within the same Class may be provided with only one Solicitation Package and one ballot for voting a single Claim in such Class, regardless of whether the Debtors have objected to such duplicate Claims; (y) Holders of Claims filed for $0.00 are not entitled to vote; and (z) if a Proof of Claim has been amended by a later timely filed Proof of Claim, only the later filed amending Claim will be counted for voting purposes, regardless of whether the Debtors have objected to such earlier filed Claim

3. Voting and Ballot Tabulation Procedures.

The following voting procedures and standard assumptions shall be used in tabulating Ballots, subject to the Debtors' right to waive any of the below specified requirements for completion and submission of Ballots so long as such requirement is not otherwise required by the Bankruptcy Code, Bankruptcy Rules, or Local Rules:

a. except as otherwise provided in the Solicitation and Voting Procedures, unless the Ballot being furnished is timely submitted on or prior to the Voting Deadline (as the same may be extended by the Debtors as set forth herein), the Debtors shall reject such Ballot as invalid and, therefore, shall not count it in connection with Confirmation of the Plan;

b. the Solicitation Agent will date-stamp all Ballots when received. The Solicitation Agent shall retain the original Ballots and an electronic copy of the same for a period of one year after the Effective Date of the Plan, unless otherwise ordered by the Court. The Solicitation Agent shall tabulate Ballots on a Debtor-by-Debtor basis;

c. the Debtors will file with the Court a certification of votes (the "Voting Report") on September 3, 2019, at 9:00 a.m., prevailing Eastern Time. The Voting Report shall, among other things, certify to the Court in writing the amount and number of Allowed Claims or Allowed Interests of each Class accepting or rejecting the Plan, and delineate every Ballot that does not conform to the voting instructions or that contains any form of irregularity including, but not limited to, those Ballots that are late or (in whole or in material part) illegible, unidentifiable, lacking signatures or lacking necessary information, received via facsimile or any other electronic means other than by using the customized section on the Debtors' case administration website or by email, or damaged ("Irregular Ballots"). The Voting Report shall indicate the Debtors' intentions with regard to each such Irregular Ballot. The Voting Report shall be served upon the Committee and the U.S. Trustee;

d. the method of delivery of Ballots to be sent to the Solicitation Agent is at the election and risk of each Holder, and except as otherwise provided, a Ballot will be deemed delivered only when the Solicitation Agent actually receives the executed Ballot;

e. an executed Ballot is required to be submitted by the Entity submitting such Ballot. Delivery of a Ballot to the Solicitation Agent by facsimile, or any electronic means other than expressly provided in the Solicitation and Voting Procedures will not be valid;

f. no Ballot should be sent to the Debtors, the Debtors' agents (other than the Solicitation Agent), or the Debtors' financial or legal advisors, and if so sent will not be counted;

g. if multiple Ballots are received from the same Holder with respect to the same Claim prior to the Voting Deadline, the last properly executed Ballot timely received will be deemed to reflect that voter's intent and will supersede and revoke any prior Ballot;

h. Holders must vote all of their Claims within a particular Class either to accept or reject the Plan and may not split any votes. Accordingly, a Ballot that partially rejects and partially accepts the Plan will not be counted. Further, to the extent there are multiple Claims within the same Class, the Debtor may, in its discretion, aggregate the Claims of any particular Holder within a Class for the purpose of counting votes;

i. a person signing a Ballot in its capacity as a trustee, executor, administrator, guardian, attorney in fact, officer of a corporation, or otherwise acting in a fiduciary or representative capacity of a Holder of Claims must indicate such capacity when signing;

j. the Debtors, subject to a contrary order of the Court, may waive any defects or irregularities as to any particular Irregular Ballot at any time, either before or after the close of voting, and any such waivers will be documented in the Voting Report;

k. the Debtors shall notify any Holder submitting a Ballot not in proper form of any such defects and their intent to reject such Ballot if the alleged defects are not remedied within 7 days after receipt of notice of such alleged defect; *provided*, *further*, that any Holder to which the Debtors provide notice of their intent to reject such Ballot may submit an objection within 7 days of receipt of such notice. Any dispute regarding the form of any Ballot shall be determined by the Bankruptcy Court;

l. unless waived or as ordered by the Court, any defects or irregularities in connection with deliveries of Ballots must be cured prior to the Voting Deadline or such Ballots will not be counted;

m. in the event a designation of lack of good faith is requested by a party in interest under section 1126(e) of the Bankruptcy Code, the Court will determine whether any vote to accept and/or reject the Plan cast with respect to that Claim will be counted for purposes of determining whether the Plan has been accepted and/or rejected;

n. subject to any order of the Court, the Debtors reserve the right to reject any and all Ballots not in proper form, the acceptance of which, in the opinion of the Debtors, would not be in accordance with the provisions of the Bankruptcy Code or the Bankruptcy Rules; *provided* that any such rejections will be documented in the Voting Report;

o. if a Claim has been estimated or otherwise Allowed for voting purposes only by order of the Court, such Claim shall be temporarily Allowed in the amount so estimated or Allowed by the Court for voting purposes only, and not for purposes of allowance or distribution;

p. if an objection to a Claim is filed, such Claim shall be treated in accordance with the procedures set forth herein;

a. the following Ballots shall not be counted in determining the acceptance or rejection of the Plan: (i) any Ballot that is illegible or contains insufficient information to permit the identification of the Holder of such Claim; (ii) any Ballot cast by any Entity that does not hold a Claim in a Voting Class; (iii) any Ballot cast for a Claim scheduled as unliquidated, contingent, or disputed for which no Proof of Claim was timely filed; (iv) any unsigned Ballot or Ballot lacking an original signature; (v) any Ballot not marked to accept or reject the Plan or marked both to accept and reject the Plan; and (vi) any Ballot submitted by any Entity not entitled to vote pursuant to the procedures described herein;

q. after the Voting Deadline, no Ballot may be withdrawn or modified without the prior written consent of the Debtors;

r. the Debtors are authorized to enter into stipulations with the Holder of any Claim agreeing to the amount of a Claim for voting purposes; and

s. where any portion of a single Claim has been transferred to a transferee, all Holders of any portion of such single Claim will be: (i) treated as a single creditor for purposes of the numerosity requirements in section 1126(c) of the Bankruptcy Code (and for the other voting and solicitation procedures set forth herein), and (ii) required to vote every portion of such Claim collectively to accept or reject the Plan. In the event that: (x) a Ballot, (y) a group of Ballots within a Voting Class received from a single creditor, or (z) a group of Ballots received from the various Holders of multiple portions of a single Claim partially reject and partially accept the Plan, such Ballots shall not be counted.

E. Amendments to the Plan and Solicitation and Voting Procedures.

The Debtors reserve the right to make non-substantive or immaterial changes to the Disclosure Statement, the Plan, these Solicitation and Voting Procedures, the Confirmation Hearing Notice, the Non-Voting Status Notices, the Ballots, the cover letter, the Committee Support Letter, the Assumption and Rejection Notices, and related documents without further order of the Court, including changes to correct typographical and grammatical errors, if any, and to make conforming changes to the Disclosure Statement, the Plan, and any other materials in the Solicitation Packages before distribution.

RE: *In re Hollander Sleep Products, LLC, et al*., Chapter 11 Case No. 19-11608 (MEW) (Bankr. S.D.N.Y.)

TO ALL HOLDERS OF CLAIMS ENTITLED TO VOTE ON THE PLAN:

Hollander Sleep Products, LLC and its affiliated debtors and debtors in possession (collectively, the "Debtors")[1] each filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code in the United States Bankruptcy Court for the Southern District of New York (the "Court") on May 19, 2019.

You have received this letter and the enclosed materials because you are entitled to vote on the *Debtors' First Amended Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. [●]] (as modified, amended, or supplemented from time to time, the "Plan"). On [●], 2019, the Court entered an order [Docket No. [●]] (the "Disclosure Statement Order"), (a) authorizing the Debtors to solicit acceptances for the Plan; (b) approving the *Disclosure Statement for the Debtors' First Amended Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. [●]] (as modified, amended, or supplemented from time to time, the "Disclosure Statement")[2] as containing "adequate information" pursuant to section 1125 of the Bankruptcy Code; (c) approving the solicitation materials and documents to be included in the solicitation packages (the "Solicitation Package"); and (d) approving procedures for soliciting, receiving, and tabulating votes on the Plan, and for filing objections to the Plan.

You are receiving this letter because you are entitled to vote on the Plan. Therefore, you should read this letter carefully and discuss it with your attorney. If you do not have an attorney, you may wish to consult one.

In addition to this cover letter, the enclosed materials comprise your Solicitation Package, and were approved by the Court for distribution to Holders of Claims in connection with the solicitation of votes to accept the Plan. The Solicitation Package consists of the following:

---

1 The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Dream II Holdings, LLC (7915); Hollander Home Fashions Holdings, LLC (2063); Hollander Sleep Products, LLC (2143); Pacific Coast Feather, LLC (1445); Hollander Sleep Products Kentucky, LLC (4119); Pacific Coast Feather Cushion, LLC (3119); and Hollander Sleep Products Canada Limited (3477). The location of the Debtors' service address is: 901 Yamato Road, Suite 250, Boca Raton, Florida 33431.

2 Capitalized terms not otherwise defined herein shall have the same meanings set forth in the Plan or Disclosure Statement, as applicable.

a. a copy of the solicitation and voting procedures attached as **Exhibit 1** to the Disclosure Statement Order;

b. a Ballot, together with detailed voting instructions and a pre-addressed, postage pre-paid return envelope;

c. this letter;

d. the Disclosure Statement, as approved by the Court (and exhibits thereto, including the Plan);

e. the Disclosure Statement Order (excluding the exhibits thereto);

f. the notice of the hearing to consider confirmation of the Plan; and

g. such other materials as the Court may direct.

Hollander Sleep Products, LLC (on behalf of itself and each of the other Debtors) has approved the filing of the Plan and the solicitation of votes to accept the Plan. The Debtors believe that the acceptance of the Plan is in the best interests of their estates, Holders of Claims and Interests, and all other parties in interest. Moreover, the Debtors believe that any alternative other than Confirmation of the Plan could result in extensive delays and increased administrative expenses, which, in turn, likely would result in smaller distributions (or no distributions) on account of Claims asserted in these chapter 11 cases.

The Debtors strongly urge you to properly and timely submit your Ballot casting a vote to accept the Plan in accordance with the instructions in your Ballot.

The Voting Deadline is August 28, 2019, at 4:00 p.m., prevailing Eastern Time.

The materials in the Solicitation Package are intended to be self-explanatory. If you should have any questions, however, please feel free to contact Omni Management Group, the Solicitation Agent retained by the Debtors in these chapter 11 cases (the "Solicitation Agent"), by: (a) calling the Debtors' restructuring hotline at (844) 212-9942 in the United States or Canada, or, outside of the United States or Canada by calling +1 (818) 906-8300; (b) visiting the Debtors' restructuring website at: www.omnimgt.com/hollander; and/or (c) writing to Hollander Sleep Products, LLC, Ballot Processing, c/o Omni Management Group, 5955 DeSoto Avenue, Suite #100, Woodland Hills, CA 91367. You may also obtain copies of any pleadings filed in these chapter 11 cases for a fee via PACER at: http://www.nysb.uscourts.gov. Article VIII.D of the Plan contains the following Third-Party Release:

Effective as of the Effective Date, in exchange for good and valuable consideration, including the obligations of the Debtors under the Plan and the contributions of the Released Parties in facilitating the expeditious reorganization of the Debtors and the implementation of the restructuring contemplated by the Plan, to the fullest extent permissible under applicable law, as such law may be extended or integrated after the Effective Date, on and after the Effective Date each of the Releasing Parties shall be deemed to have conclusively, absolutely, unconditionally, irrevocably, and forever, released and discharged each Debtor, Reorganized Debtor, and Released Party from any and all Claims, interests, obligations, rights, suits, damages, Causes of Action, remedies, and liabilities whatsoever, whether known or unknown, foreseen or unforeseen, existing or hereinafter arising, in law, equity, or otherwise, including any derivative claims, asserted or assertable on behalf of any of the Debtors, the Reorganized Debtors, or their Estates, that such Entity would have been legally entitled to assert (whether individually or collectively), based on or relating to, or in any manner arising from, in whole or in part, the Debtors, the purchase, sale, or rescission of the purchase or sale of any security of the Debtors or the Reorganized Debtors, the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is treated in

the Plan, the business or contractual arrangements between any Debtor and any Released Party, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Restructuring Transactions, the Sale Transaction (if applicable), entry into the Exit Facilities, the Chapter 11 Cases, the formulation, preparation, dissemination, negotiation, filing, or consummation of the RSA, the Disclosure Statement, the DIP Facilities, the Sale Transaction (if applicable), the Exit Facilities, the Plan, the Plan Supplement, or any Restructuring Transaction, contract, instrument, release, or other agreement or document created or entered into in connection with the RSA, the Disclosure Statement, the DIP Facilities, or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, or upon any other related act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date, other than claims or liabilities arising out of or relating to any act or omission of a Released Party that constitutes actual fraud, willful misconduct, or gross negligence, each solely to the extent as determined by a Final Order of a court of competent jurisdiction. Notwithstanding anything to the contrary in the foregoing, the releases set forth above do not release any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring Transaction, or any document, instrument, or agreement (including the Exit Facility Documents and any documents set forth in the Plan Supplement) executed to implement the Plan.

Article VIII.E of the Plan provides for the following Exculpation:

Effective as of the Effective Date, to the fullest extent permissible under applicable law and without affecting or limiting either the Debtor Release or the Third-Party Release, and except as otherwise specifically provided in the Plan, no Exculpated Party shall have or incur, and each Exculpated Party is hereby exculpated from, any Cause of Action for any Claim related to any act or omission based on the negotiation, execution, and implementation of any transactions approved by the Bankruptcy Court in the Chapter 11 Cases, including the RSA, the Disclosure Statement, the Plan, the Plan Supplement, the Confirmation Order, or any Restructuring Transaction, contract, instrument, release, or other agreement or document contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order, created or entered into in connection with the RSA, the Disclosure Statement, or the Plan, the filing of the Chapter 11 Cases, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance of any securities pursuant to the Plan or the distribution of property under the Plan or any other related agreement, and the implementation of the Restructuring Transactions contemplated by the Plan, except for Claims related to any act or omission that is determined by Final Order to have constituted actual fraud, willful misconduct, or gross negligence, but in all respects such Entities shall be entitled to reasonably rely upon the advice of counsel with respect to their duties and responsibilities pursuant to the Plan. The Exculpated Parties have, and upon completion of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of votes on, and distribution of consideration pursuant to, the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such

distributions made pursuant to the Plan. Notwithstanding the foregoing, the exculpation shall not release any obligation or liability of any Entity for any post-Effective Date obligation under the Plan or any document, instrument, or agreement (including those set forth in the Plan Supplement) executed to implement the Plan.

Article VIII.F of the Plan provides for the following Injunction:

Effective as of the Effective Date, pursuant to section 524(a) of the Bankruptcy Code, to the fullest extent permissible under applicable law, and except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities who have held, hold, or may hold Claims or Interests that have been discharged pursuant to Article VIII.A of the Plan, released pursuant to the Debtor Release, the Third-Party Release, or another provision of the Plan (including the release of liens pursuant to Article VIII.B of the Plan), or are subject to exculpation pursuant to Article VIII.E of the Plan, are permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such Claims or Interests; (3) creating, perfecting, or enforcing any encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such Claims or Interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind, against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such Claims or Interests unless such Holder has Filed a motion requesting the right to perform such setoff on or before the Effective Date, and notwithstanding an indication of a Claim or Interest or otherwise that such Holder asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such Claims or Interests released or settled pursuant to the Plan.

NOTICE OF (A) EXECUTORY CONTRACTS AND UNEXPIRED LEASES TO BE ASSUMED BY THE DEBTORS PURSUANT TO THE PLAN, (B) CURE AMOUNTS, IF ANY, AND (C) RELATED PROCEDURES IN CONNECTION THEREWITH

PLEASE TAKE NOTICE that on [●], 2019, the United States Bankruptcy Court for the Southern District of New York (the "Court") entered an order [Docket No. [●]] (the "Disclosure Statement Order"), (a) authorizing Hollander Sleep Products, LLC and its affiliated debtors and debtors in possession (collectively, the "Debtors"), to solicit acceptances for the *Debtors' First Amended Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. [●]] (as modified, amended, or supplemented from time to time, the "Plan"); (b) approving the *Disclosure Statement for the Debtors' First Amended Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. [●]] (as modified, amended, or supplemented from time to time, the "Disclosure Statement")[2] as containing "adequate information" pursuant to section 1125 of the Bankruptcy Code; (c) approving the solicitation materials and documents to be included in the solicitation packages; and (d) approving procedures for soliciting, receiving, and tabulating votes on the Plan and for filing objections to the Plan.

PLEASE TAKE FURTHER NOTICE that under the terms of Article V of the Plan, each Executory Contract and Unexpired Lease of a Debtor will be deemed automatically assumed pursuant to sections 365 and 1123 of the Bankruptcy Code on the Effective Date of the Plan, other than those that:

1. are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases;

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Dream II Holdings, LLC (7915); Hollander Home Fashions Holdings, LLC (2063); Hollander Sleep Products, LLC (2143); Pacific Coast Feather, LLC (1445); Hollander Sleep Products Kentucky, LLC (4119); Pacific Coast Feather Cushion, LLC (3119); and Hollander Sleep Products Canada Limited (3477). The location of the Debtors' service address is: 901 Yamato Road, Suite 250, Boca Raton, Florida 33431.

[2] Capitalized terms not otherwise defined herein shall have the same meanings set forth in the Plan or Disclosure Statement, as applicable.

2. previously expired or terminated pursuant to its own terms;

3. have been previously assumed or rejected by the Debtors pursuant to a Court order;

4. are the subject of a motion to reject Executory Contracts or Unexpired Leases that is pending on the Effective Date; or

5. are subject to a motion to reject an Executory Contract or Unexpired Lease pursuant to which the requested effective date of such rejection is after the Effective Date.

You are receiving this notice because you or one of your affiliates is a counterparty to an Executory Contract or Unexpired Lease[3] with one or more of the Debtors as listed on **Exhibit A**, attached hereto.

The Debtors intend to assume the Executory Contracts or Unexpired Leases listed on Exhibit A to which you are a counterparty. The Debtors have conducted a review of the Debtors' books and records and have determined that the amount to cure unpaid obligations under such contract or lease is as set forth in **Exhibit A** (the "Cure Claim"). Unless otherwise ordered by the Court, any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption and assignment or related Cure Claim must be filed with the Court and served on **[●], 2019, at 4:00 p.m., prevailing Eastern Time**, the date that is 14 days from the date of this notice, and served so that it is actually received by each of the entities on the Master Service List (as defined in the case management order in these chapter 11 cases [Docket No. 184] and available on the Debtors' case website at www.omnimgt.com/hollander). If you fail to object in a timely manner to the proposed assumption or Cure Claim with respect to any Executory Contract or Unexpired Lease, you will be deemed to have assented to such assumption and Cure Claim.

PLEASE TAKE FURTHER NOTICE that in the event of a dispute regarding: (1) the amount of any Cure Claim, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, or (3) any other matter pertaining to assumption or the cure payments required by section 365(b)(1) of the Bankruptcy Code, the Cure Claim shall only be paid following the entry of a Final Order or Final Orders resolving the dispute and approving the assumption (and, if applicable, assignment).

PLEASE TAKE FURTHER NOTICE that the assumption of an Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any Assumed Executory Contract or Unexpired Lease at any time before the date that the Debtors assume such Executory Contract or Unexpired Lease. Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed shall

be deemed disallowed and expunged, without further notice to or action, order, or approval of the Court.

YOUR STATUS AS A COUNTERPARTY TO AN EXECUTORY CONTRACT AND/OR AN UNEXPIRED LEASE DOES NOT IN AND OF ITSELF ENTITLE YOU TO VOTE ON THE PLAN. Accordingly, this notice is being sent to you for informational purposes only.

PLEASE TAKE FURTHER NOTICE that if you would like to obtain a copy of the Disclosure Statement, the Plan, the Plan Supplement, or related documents, you should contact Omni Management Group, the Solicitation Agent retained by the Debtors in these chapter 11 cases, by: (a) calling the Debtors' restructuring hotline at (844) 212-9942 in the United States and Canada or, outside of the United States or Canada, by calling +1 (818) 906-8300; (b) visiting the Debtors' restructuring website at: www.omnimgt.com/hollander; and/or (c) writing to Hollander Sleep Products, LLC, Ballot Processing, c/o Omni Management Group, 5955 DeSoto Avenue, Suite #100, Woodland Hills, CA 91367. PLEASE TAKE NOTICE that on [●], 2019, the United States Bankruptcy Court for the Southern District of New York (the "Court") entered an order [Docket No. [●]] (the "Disclosure Statement Order"), (a) authorizing Hollander Sleep Products, LLC and its affiliated debtors and debtors in possession (collectively, the "Debtors"), to solicit acceptances for the *Debtors' First Amended Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. [●]] (as modified, amended, or supplemented from time to time, the "Plan"); (b) approving the *Disclosure Statement for the Debtors' First Amended Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. [●]] (as modified, amended, or supplemented from time to time, the "Disclosure Statement")[2] as containing "adequate information" pursuant to section 1125 of the Bankruptcy Code; (c) approving the solicitation materials and documents to be included in the solicitation packages; and (d) approving procedures for soliciting, receiving, and tabulating votes on the Plan and for filing objections to the Plan.

PLEASE TAKE FURTHER NOTICE that under the terms of Article V of the Plan, each Executory Contract and Unexpired Lease of a Debtor will be deemed automatically assumed pursuant to sections 365 and 1123 of the Bankruptcy Code on the Effective Date of the Plan, other than those that:

1. are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases;

2. previously expired or terminated pursuant to its own terms;

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Dream II Holdings, LLC (7915); Hollander Home Fashions Holdings, LLC (2063); Hollander Sleep Products, LLC (2143); Pacific Coast Feather, LLC (1445); Hollander Sleep Products Kentucky, LLC (4119); Pacific Coast Feather Cushion, LLC (3119); and Hollander Sleep Products Canada Limited (3477). [2] Capitalized terms not otherwise defined herein shall have the same meanings set forth in the Plan or Disclosure Statement, as applicable.

3. have been previously assumed or rejected by the Debtors pursuant to a Court order;

4. are the subject of a motion to reject Executory Contracts or Unexpired Leases that is pending on the Effective Date; or

5. are subject to a motion to reject an Executory Contract or Unexpired Lease pursuant to which the requested effective date of such rejection is after the Effective Date.

You are receiving this notice because you or one of your affiliates is a counterparty to an Executory Contract or an Unexpired Lease[3] with one or more of the Debtors as listed on **Exhibit A**, attached hereto.

The Debtors intend to reject the Executory Contracts or Unexpired Leases listed on Exhibit A to which you are a counterparty.

Objections. If you wish to object to the rejection of an Executory Contract or Unexpired Lease, an objection and notice setting the objection for hearing must be filed with the Court and served by **[●], 2019, at 4:00 p.m., prevailing Eastern Time**, the date that is 14 days from the date of this notice, and served so that it is actually received by each of the entities on the Master Service List (as defined in the case management order in these chapter 11 cases [Docket No. 184] and available on the Debtors' case website at www.omnimgt.com/hollander).

Proofs of Claim. Additionally, entry of the Confirmation Order will constitute a Court order approving the rejection of your Executory Contracts or Unexpired Leases. As set forth in the Plan, such rejection will be effective on the Effective Date of the Plan. As a result of the Executory Contracts or Unexpired Leases to which you are a counterparty being rejected, you may be entitled to an unsecured claim for which a Proof of Claim must be filed. After entry of the Confirmation Order, you will receive a separate notice of the Effective Date, which notice will contain a proof of claim bar date for rejected contracts. Pursuant to the Plan, if the rejection of your Executory Contracts or Unexpired Leases gives rise to a Claim by you, unless otherwise provided by an order of the Court, any Proofs of Claim based on the rejection of the Debtors' Executory Contracts or Unexpired Leases must be filed with the Court within 30 days after the later of (1) the effective date of such rejection, or (2) the Effective Date.

Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed with the Court within such time will be automatically disallowed, forever barred from assertion, and shall not be enforceable against the Debtors, the Reorganized Debtors, the Estates, or their property of any of the foregoing parties without the need for any objection by the Reorganized Debtors or further notice to, or action, order, or approval of the Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, notwithstanding anything in the Schedules or a Proof of Claim to the contrary. Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as General Unsecured Claims and shall be treated in accordance with Article III.B of the Plan and

Committee Support Letter

TO: ALL UNSECURED CREDITORS OF HOLLANDER SLEEP PRODUCTS, LLC, ET AL.

Re: Hollander Sleep Products, LLC, *et al.*[1]
U.S. Bankruptcy Court, Southern District of New York, Case No. 19-11608 (MEW)

The Official Committee of Unsecured Creditors (the "Committee"), appointed by the United States Trustee in the chapter 11 cases of Hollander Sleep Products, LLC, *et al.* ("Hollander" or the "Debtors"), **recommends that all general unsecured creditors vote to accept the *Debtors' First Amended Joint Plan of Reorganization Pursuant to Chapter 11 of the Bankruptcy Code (*the "Plan")[2] in accordance with the instructions set forth in the ballot being delivered to you by the Debtors. The Plan is the result of a negotiated resolution by and among the Debtors, the Committee, certain holders of secured claims under the Debtors' Term Loan Credit Agreement and the Sponsor.** The Committee was formed under the Bankruptcy Code to represent the interests of all general unsecured creditors. The Committee urges you to carefully review this letter, the enclosed Plan, and Disclosure Statement, and to vote in favor of the Plan by returning your ballot no later than **August 28, 2019**, at 4:00 p.m., prevailing Eastern Time.

The Plan provides for either a sale of the Debtors' assets (a "Sale Transaction") or a reorganization under which the secured claims held by the Term Loan Lenders will be converted to equity of the reorganized Debtors (a "Reorganization Transaction").[3] The Plan classifies General Unsecured Claims under Class 5. Under the Plan, each Holder of an Allowed Class 5 General Unsecured Claim will receive a proportionate share of (i) a fund in an amount up to $650,000 (the "Last Out Loans Turnover Amount"), and (ii) proceeds of any Commercial Tort Claims (if any) that may be pursued on behalf of General Unsecured Creditors.

If there is a Sale Transaction, holders of allowed Class 5 General Unsecured Claims will also receive a proportionate share of (iii) no less than $600,000 (the "GUC Sale Transaction Recovery Pool") and (iv) any excess cash after payment of senior creditors and other plan allocated funding (the "Excess Distributable Cash").

In the alternative, under a Reorganization Transaction, holders of allowed Class 5 Claims will also either receive (iv) a proportionate share of a $500,000 fund (the "GUC Reorganization Recovery Pool") or (v) beneficial trade terms from the Reorganized Debtors including a 1% distribution on account of their claims (the "Vendor Support Initiative"). In all events, under a Reorganization Transaction, holders of allowed General Unsecured Claims will receive a

1 The debtors in these chapter 11 cases, along with the last four digits of each debtor's federal tax identification number, are: Dream II Holdings, LLC (7915); Hollander Home Fashions Holdings, LLC (2063); Hollander Sleep Products, LLC (2143); Pacific Coast Feather, LLC (1445); Hollander Sleep Products Kentucky, LLC (4119); Pacific Coast Feather Cushion, LLC (3119); and Hollander Sleep Products Canada Limited (3477). The location of the debtors' service address is: 901 Yamato Road, Suite 250, Boca Raton, Florida 33431.

proportionate share of any "Future Sale Consideration" in the event the Reorganized Debtors are sold within 24 months of exiting bankruptcy.

Importantly, under the Plan, the Debtors and the Reorganized Debtors waive all Avoidance Actions that otherwise may be asserted against, among others, holders of General Unsecured Claims.

Absent confirmation of the Plan, these cases may be converted to liquidation under chapter 7, in which case holders of unsecured claims would most likely not receive any recovery and a chapter 7 trustee may determine to pursue Avoidance Actions against holders of Claims, including, General Unsecured Claims. The Committee believes, as do the Debtors, that the Plan provides the best possible recoveries to holders of General Unsecured Claims under the circumstances, and that any alternative would result in unnecessary delay, uncertainty, and expense as well as a materially diminished or zero recovery. The recovery under the Plan is the result of efforts by the Committee to negotiate a material increase in the distributions for holders of General Unsecured Claims.

THE COMMITTEE THEREFORE RECOMMENDS THAT YOU VOTE TO "ACCEPT" THE PLAN AND RETURN YOUR BALLOT AS SPECIFIED IN THE VOTING INSTRUCTIONS YOU RECEIVED.

In re:	)	Chapter 11
HOLLANDER SLEEP PRODUCTS, LLC, *et al.*,[1]	)	Case No. 19-11608 (MEW)
Debtors.	)	(Jointly Administered)

DEBTORS' MOTION FOR ENTRY OF AN ORDER (A) APPROVING THE DEBTORS' KEY EMPLOYEE RETENTION PLANS AND (B) GRANTING RELATED RELIEF

The above-captioned debtors and debtors in possession (collectively, the "Debtors") respectfully state as follows in support of this motion:

Relief Requested

1. By this motion, the Debtors seek entry of an order, substantially in the form attached hereto as **Exhibit A**, (a) approving the Debtors' key employee retention plan (the "Hollander Retention Plan"), (b) approving retention payments related to the closure of the Debtors' Thomson, Georgia plant (the "Georgia Retention Plan," and together with the Hollander Retention Plan, the "Retention Plans"), and (c) granting related relief. In support of this motion,

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Dream II Holdings, LLC (7915); Hollander Home Fashions Holdings, LLC (2063); Hollander Sleep Products, LLC (2143); Pacific Coast Feather, LLC (1445); Hollander Sleep Products Kentucky, LLC (4119); Pacific Coast Feather Cushion, LLC (3119); and Hollander Sleep Products Canada Limited (3477). The location of the Debtors' service address is: 901 Yamato Road, Suite 250, Boca Raton, Florida 33431.

the Debtors submit the declaration of Marc Pfefferle (the "Pfefferle Declaration"), Chief Executive Officer of Hollander Sleep Products, LLC, a copy of which is attached hereto as **Exhibit B**.

Introduction

2. The Debtors are undergoing a complex operational restructuring requiring significant increased workloads and stresses on the part of key employees. These employees perform critical oversight of the Debtors' manufacturing operations and plant management services as well as provide critical accounting, asset management, business administration and development, human resources, information technology, marketing and sales, and sourcing and logistics work. Certain of this personnel has also undertaken additional tasks beyond the scope of their usual job functions necessary to administer these chapter 11 cases, such as preparing various reports required to administer these chapter 11 cases and provide updates to the Official Committee of Unsecured Creditors (the "UCC") under the Debtors' various first day relief. The key employees are meeting these obligations while the Debtors are running a marketing process for their assets, which invariably has led to additional concerns about job security for the key employees. Moreover, as part of these chapter 11 cases, the Debtors are also commencing a process to right-size their operating model to improve financial performance and maintain value for all stakeholders. As part of these efforts, the Debtors have announced the closing of their Thomson, Georgia plant and the Debtors will need key employees to remain with the Debtors to ensure a smooth and efficient closure of the facility.

3. Maintaining the morale, support, and focus of the Debtors' employees is absolutely essential to fostering an environment where the Debtors' operations can succeed in a safe, efficient, and reliable manner while the Debtors work to reorganize their business to maximize the value of their estates. Absent the relief requested, the Debtors face the real risk of losing key employees at

a critical time in their restructuring efforts. Indeed, since the Petition Date, two key employees have resigned in the Debtors' various management and operational departments.

4. By this motion, the Debtors seek approval of the Retention Plans to retain key personnel as well as operational employees of the Thomson, Georgia plant. The Retention Plans are necessary for the Debtors to maintain stability in their operations and maintain enterprise value and is consistent with retention plans in similarly sized chapter 11 cases. The Retention Plans provide for payment of awards to 74 of the Debtors' non-insider employees (each a "Participant," and, collectively, the "Participants"), including 47 Participants under the Hollander Retention Plan (the "Hollander Participants") and 28 Participants[2] under the Georgia Retention Plan (the "Georgia Participants"). No Participant is an officer or director (as such terms are normally understood), but instead play vital rank-and-file functions for the Debtors' business.[3] The departure of any of the Participants during these chapter 11 cases would disrupt ongoing operations at an important phase in the Debtors' restructuring process, including their process to wind down operations at their Georgia plant. As a result, the Debtors believe implementation of the Retention Plans is necessary and appropriate in an attempt to avoid costly disruptions.

5. As described in detail herein, the Debtors' sized the awards to each Participant conservatively. The Retention Plans contemplate retention payments made in one installment to each of the Participants with a total approximate cost of $559,000, with an average award of approximately $7,600 per Participant. No single Hollander Participant is eligible for an award totaling more than $20,000, with $10,000 as the most common award under the Hollander

[2] One Participant is included in both the Hollander Retention Plan and the Georgia Retention Plan. If the Georgia Retention Plan is approved, such Participant would be removed from the Hollander Retention Plan.

[3] As discussed more fully herein, the Debtors respectfully submit that no Participant is an "insider," as that term is defined in section 101(31) of the Bankruptcy Code.

Retention Plan. The awards under the Georgia Retention Plan are less substantial in both total amount and individual awards by comparison.

6. Before filing this motion, the Debtors and their advisors have distributed information regarding the cost and scope of the proposed Retention Plans with their key economic stakeholder groups and the office of the United States Trustee for Region 2 (the "U.S. Trustee") and solicited feedback. The Debtors will continue to engage with parties in interest, including the U.S. Trustee, in advance of the hearing on the Retention Plans. The Debtors are hopeful that they will be able to build further consensus around the Retention Plans as cost-effective plans that will improve recoveries for all stakeholders by ensuring that the Debtors will be able to maintain their business operations in the ordinary course during the pendency of these cases and the wind down of the Thomson, Georgia plant efficiently.

7. The Debtors respectfully submit that the Retention Plans comply with the applicable provisions of the Bankruptcy Code, are justified by the facts and circumstances of these cases, and are within the Debtors' sound and reasonable business judgment. For these reasons and the reasons set forth below, the Debtors respectfully request the Court enter an order authorizing the Debtors to implement the Retention Plans.

Jurisdiction and Venue

8. The United States Bankruptcy Court for the Southern District of New York (the "Court") has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference from the United States District Court for the Southern District of New York*, dated January 31, 2012. The Debtors confirm their consent, pursuant to Rule 7008 of the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules"), to the entry of a final order by the Court in connection with this motion to the extent that it is later determined

that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

9. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

10. The bases for the relief requested herein are sections 105(a), 363(b), and 503(c) of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code"), and Bankruptcy Rule 6004.

The Key Employee Retention Plans

I. The Participants.

11. Of the Debtors' approximately 2,370 current employees, the Debtors have designated 74 key employees whose work is critical to support the Debtors' day-to-day operations and will be needed to ensure a successful and timely reorganization.[4] As set forth in the Pfefferle Declaration, certain of the Participants may be motivated to leave the Debtors during the pendency of these chapter 11 cases due to, among other things, the uncertainty created by the Debtors' ongoing reorganization efforts and expected employee reductions within the next months. The Retention Plans are necessary to encourage the Debtors' key non-insider employees to remain with the Debtors through the closure of the Thomson, Georgia plant and the pendency of these chapter 11 cases.

12. The Hollander Participants perform a variety of important business functions for the Debtors—including accounting, cash management, information technology, human resources, merchandising, sales, sourcing and logistics, plant management, and other critical activities—that are vital to the Debtors' ability to preserve and enhance stakeholder value. The Debtors selected

[4] The Debtors have provided the list of proposed Participants, together with their job title, base salary, and proposed payments, to their key stakeholders, including counsel to the UCC and the U.S. Trustee, before the filing of this motion. The Debtors will provide the list to the Court upon request.

the 47 Hollander Participants based on their status as critical, hard-to-replace employees. Many of the Hollander Participants have developed valuable institutional and technical knowledge regarding the Debtors' business operations that would be difficult and expensive to replace on an expedited basis, and could very well slow the Debtors' ability to restructure on a timely basis. Moreover, some of the Hollander Participants have provided indispensable support to the Debtors' advisors in meeting the additional operational demands imposed by chapter 11. Preserving this institutional and technical knowledge is crucial to the successful completion and efficient administration of the Debtors' chapter 11 cases.

13. The Georgia Participants perform critical operational tasks at the Debtors' Thomson, Georgia plant ranging from maintenance and inventory supervision to production management and supervision, as well as other critical operational activities that are vital to maintain stability in the Debtors' operations at their Georgia plant through the efficient wind down of the facility. Similar to the Hollander Participants, the Debtors selected the 28 Georgia Participants based on their status as critical, hard-to-replace employees. The Georgia Participants have developed technical knowledge and skills necessary to the operations of the Georgia facility that would be extremely difficult and expensive to replace at this critical juncture considering the short, several month period of the plant wind down. The Georgia Participants are vital to maintaining efficient operations at the Georgia plant through the closing of the facility. Accordingly, the Debtors believe that the Georgia Retention Plan is necessary to incentivize the Georgia Participants to remain with the Debtors to ensure a smooth and efficient closure of the facility and to maximize value for all stakeholders.

14. Given the extraordinary demands placed upon the Participants during these chapter 11 cases, the Debtors believe that it is appropriate to pay a retention bonus.

The importance of the Participants to the Debtors' business cannot be understated. Unless the Debtors provide compensation designed to motivate employees to remain with the Debtors throughout the chapter 11 process, employee attrition could result in costly disruptions to the Debtors' operations. The Debtors respectfully submit that the Retention Plans will increase the likelihood that these key employees are properly incentivized to remain with the Debtors during the restructuring process and the closure of the Georgia plant, thereby preserving value for the Debtors, their estates, their creditors, and other parties in interest.

15. Although certain of the Participants have titles incorporating the word "director," no Participant is an "insider" of the Debtors. Specifically, the Participants do not include any employee that (a) reports directly to the Debtors' Board of Directors, (b) is appointed directly by the Debtors' Board of Directors, (c) exercises managerial control over the Debtors' operations as a whole, (d) controls the Debtors' company policy, or (e) directs the Debtors' overall corporate governance. In addition, each of the Participants that has a director title reports to officers and executives below the chief executive officer of the Debtors.

II. The Retention Plans.

16. Due to the importance of the Participants to the success of the Debtors' go-forward business, including the smooth and efficient closure of the Georgia facility, the Debtors, together with their advisors, worked to develop retention plans designed to offer fair compensation that would motivate the Participants to remain with the Debtors through the duration of their reorganization and the wind down of their Georgia plant. As noted above, the proposed Retention Plans will not exceed $559,000 in the aggregate, and the potential payments range from approximately 2.40 to 14.87 percent of base salary for each of the Participants.

17. The key terms of the Hollander Retention Plan are as follow:[5]

(a) Hollander Participants: Limited to 47 non-insider key employees who will remain with the go-forward business, or approximately 1.98 percent of the Debtors' current workforce. By the Hollander Retention Plan, the Debtors reserve the right, in their reasonable business judgment, to add replacement participants should a current Hollander Participant resign or be fired for cause upon notice to the U.S. Trustee and counsel to the UCC. The Hollander Participants represent critical employees performing, among other things, accounting, cash management, information technology, human resources, merchandising, sales, sourcing and logistics, plant management, and other critical functions for the Debtors.

(b) Payment Prerequisites: Hollander Participants will receive and keep, subject to any applicable tax or other withholding obligations, 100% of the payout under the Hollander Retention Plan if they remain employed with the Debtors at least three months after either (i) the effective date of a chapter 11 plan or (ii) the closing of a sale of all or substantially all of the Debtors' assets, as applicable.

(c) Payout Frequency: The Hollander Retention Plan will be paid in one installment upon (i) the effective date of a chapter 11 plan or (ii) the closing of a sale of all or substantially all of the Debtors' assets, as applicable.

18. The Key Terms of the Georgia Retention Plan are as follows:

(a) Georgia Participants: Limited to 28 non-insider key employees who will remain with Debtors through the closing of the Georgia plant, or approximately 1.18 percent of the Debtors' current workforce. By the Georgia Retention Plan, the Debtors reserve the right, in their reasonable business judgment, to add replacement participants should a current Georgia Participant resign or be terminated for cause upon notice to the U.S. Trustee and counsel to the UCC. The Georgia Participants represent critical employees performing operational activities including, among other things, maintenance, inventory supervision, and production and shipping management.

(b) Payment Prerequisites: Georgia Participants will receive and keep, subject to any applicable tax or other withholding obligations, 100% of the payout under the Georgia Retention Plan if they remain with the Debtors through their termination by the Debtors, *provided* that the Georgia Participants

[5] The summaries of the Retention Plans contained in this motion are provided for purposes of convenience only. In the event of any inconsistency between the summary contained herein and the terms and provisions of the Retention Plans, the terms of the Retention Plans shall control unless otherwise set forth herein, *provided* that the terms relating to the total amount of the Retention Plans and the timing of payments provided in this motion shall control.

shall not receive such payout if they voluntarily leave or are terminated for cause.

(c) Payout Frequency: The Georgia Retention Plan will be paid in one installment upon their termination by the Debtors, *provided* that such termination is not for cause.

III. Reasonableness of the Retention Plans.

19. As set forth in the Pfefferle Declaration, the Debtors and their advisors reviewed the Debtors' current needs, their employees' current compensation compared to market rates, and common features of retention plans. The Debtors then designed the Retention plans keeping in mind their goals of maximizing the value of their estates for the benefit of all interested parties and ensuring that their operations are conducted in an effective and stable manner through emergence from chapter 11. In particular, the Debtors worked closely with their advisors to ensure that the incentives for the Participants were appropriate and within the Debtors' postpetition financing budget. The Debtors believe that both the average award and total cost of the proposed Retention Plans fall well below the average market comparable.

20. Accordingly, the Debtors submit that the award opportunities in the Retention Plans are more than justified under the circumstances of these chapter 11 cases. Further, the total aggregate cost of $559,000 under the Retention Plans is reasonable in absolute terms when compared to the aggregate costs of key employee plans approved in other chapter 11 cases.

Basis for Relief

21. As discussed more fully herein, the Debtors submit that the Retention Plans are a proper exercise of the Debtors' business judgment and is in the best interests of the Debtors, pursuant to both sections 503(c)(3) and 363(b) of the Bankruptcy Code. Further, the Debtors respectfully submit that section 503(c)(1) of the Bankruptcy Code is inapplicable here because no

"insiders" (as that term is defined by section 101(31) of the Bankruptcy Code) will participate in the proposed Retention Plans.

I. The Retention Plans Are a Sound Exercise of the Debtors' Business Judgment.

22. The Debtors' implementation of the Retention Plans is a sound exercise of their business judgment. Section 363(b) of the Bankruptcy Code provides that a debtor "after notice and a hearing may use, sell or lease, other than in the ordinary course of business, property of the estate." 11 U.S.C. § 363(b)(1). To approve the use of estate property under section 363(b)(1) of the Bankruptcy Code, a debtor must show that the decision to use the property outside of the ordinary course of business was based on the debtor's business judgment. *See, e.g.*, *In re Chateaugay Corp.*, 973 F.2d 141, 143 (2d Cir. 1992) (holding that a judge determining a 363(b) application must find a good business reason to grant such application); *see also In re Lionel Corp.*, 722 F.2d 1063, 1070 (2d Cir. 1983) (requiring "some articulated business justification" to approve the use, sale, or lease of property outside the ordinary course of business); *In re Borders Grp., Inc.*, 453 B.R. 459, 473 (Bankr. S.D.N.Y. 2011) ("In approving a transaction conducted pursuant to section 363(b)(1), courts consider whether the debtor exercised sound business judgment."); *In re Glob. Crossing Ltd.*, 295 B.R. 726, 743 (Bankr. S.D.N.Y. 2003) (noting that the standard for determining a section 363(b) motion is "a good business reason"); *In re Ionosphere Clubs, Inc.*, 100 B.R. 670, 675 (Bankr. S.D.N.Y. 1989) (same).

23. Once a debtor articulates a valid business justification, the law vests the debtor's decision to use property outside of the ordinary course of business with a strong presumption that "in making a business decision the directors of a corporation acted on an informed basis, in good faith and in the honest belief that the action was taken in the best interests of the company." *In re Integrated Res., Inc.*, 147 B.R. 650, 656 (S.D.N.Y. 1992), *appeal dismissed*, 3 F.3d 49 (2d Cir. 1993); *see also In re Johns-Manville Corp.*, 60 B.R. 612, 615–16 (Bankr. S.D.N.Y. 1986)

(noting that "a presumption of reasonableness attaches to a debtor's management decisions" and that "[w]here the debtor articulates a reasonable basis for its business decisions (as distinct from a decision made arbitrarily or capriciously), courts will generally not entertain objections to the debtor's conduct"). Thus, if a debtor's actions satisfy the business judgment rule, then the transaction in question should be approved under section 363(b)(1) of the Bankruptcy Code.

24. The implementation of the Retention Plans is a proper exercise of the Debtors' business judgment and is in the best interests of their estates and of all stakeholders in these chapter 11 cases. The Participants—along with their skills, knowledge, and hard work—are critical to ensuring that the Debtors continue to maximize stakeholder value in the current economic environment, including through the smooth and efficient closure of the Thomson, Georgia facility. The Hollander Participants are familiar with the Debtors' business and have the experience and knowledge necessary to ensure the Debtors' continued operations during the chapter 11 cases. Indeed, the Hollander Participants have already played a vital role in the Debtors' soft landing into chapter 11. The Debtors cannot easily replace the Hollander Participants without adversely affecting the Debtors' operating efficiency and distracting management from the Debtors' restructuring efforts. Similarly, the Georgia Participants have developed technical knowledge regarding the business operations of the Georgia facility and are therefore vital to the efficient operations of such facility through its wind down. Accordingly, hiring and training replacements for the Georgia Participants within the several month wind down period would be difficult and costly at best and impossible at worst thereby impacting customer service levels and harming value for all stakeholders. For these reasons, the Debtors' decision to implement the Retention Plans is a valid exercise of business judgment and in the best interest of the Debtors, their estates, and all parties in interest in these chapter 11 cases.

II. The Retention Plans Are Justified by the Facts and Circumstances of these Chapter 11 Cases.

25. Section 503(c)(3) of the Bankruptcy Code permits payments to a debtor's employees outside the ordinary course of business if such payments are justified by "the facts and circumstances of the case." 11 U.S.C. § 503(c)(3). Importantly, section 503(c)(3)'s "facts and circumstances" justification test "creates a standard no different that the business judgment standard under section 363(b) of the Bankruptcy Code." *In re Velo Holdings, Inc.*, 472 B.R. 201, 209 (Bankr. S.D.N.Y. 2012); *see also In re Borders Grp. Inc.*, 453 B.R. at 473–74 (evaluating the debtors' KERP under the business judgment rule under both section 363(b) and section 503(c)(3) of the Bankruptcy Code); *In re Dana Corp.*, 358 B.R. 567, 576–77 (Bankr. S.D.N.Y. 2006) (describing six factors that courts may consider when determining whether the structure of a compensation proposal meets the "sound business judgment test" in accordance with section 503(c)(3) of the Bankruptcy Code). Accordingly, whether a retention plan is justified by the facts and circumstances of the case and the analysis of whether the approval of such plan is a sound exercise of the debtor's business judgment are the same.

26. In the context of approving compensation plans, courts in the Second Circuit have considered the following factors identified in *In re Dana Corp.* when determining if a compensation proposal and the process for developing it meet the "sound business judgment" test:

- Is there a reasonable relationship between the plan proposed and the results to be obtained, i.e., will the key employee stay for as long as it takes for the debtor to reorganize or market its assets?
- Is the cost of the plan reasonable in the context of the debtor's assets, liabilities, and earning potential?
- Is the scope of the plan fair and reasonable, does it apply to all employees, or does it discriminate unfairly?
- Is the plan or proposal consistent with industry standards?

- What were the due diligence efforts of the debtor in investigating the need for a plan, analyzing which key employees need to be incentivized, what is available, and what is generally applicable in a particular industry?

- Did the debtor receive independent counsel in performing due diligence and in creating and authorizing the incentive compensation?

In re Dana Corp., 358 B.R. at 576–77; *see also In re Residential Capital, LLC*, 491 B.R. 73, 85–86 (Bankr. S.D.N.Y. 2013) (applying the *Dana* factors to the debtors' retention plan for non-insiders and approving the plan as an exercise of sound business judgment); *In re Borders Grp. Inc.*, 453 B.R. at 473–77 (same). No single factor is dispositive, and the Court has discretion to weigh each of these factors based on the specific facts and circumstances before it. *See, e.g.*, *In re AMR Corp.*, 490 B.R. 158, 166 (Bankr. S.D.N.Y. 2013) ("Section 503(c)(3) gives the court discretion as to bonus and incentive plans, which are not primarily motivated by retention of or in the nature of severance."). Even the total absence of a factor may be permissible, so long as the interests of the Debtors are sufficiently protected. *See In re Borders Grp., Inc.*, 453 B.R. at 477 (finding that the lack of independent counsel was "not fatal" where the presence of other factors ensured "that the [d]ebtors' interests were sufficiently protected"); *In re Glob. Aviation Holdings Inc.*, 478 B.R. 142, 154 (Bankr. E.D.N.Y. 2012) (noting that "the relatively modest size of the proposed bonus payouts made the retention of independent legal counsel economically inefficient"). The Debtors respectfully submit that the proposed Retention Plans satisfy the standard set forth above, each as discussed more fully below.

27. First, there is a reasonable relationship between the proposed Retention Plans and Debtors' need to retain important employees. The Debtors, in consultation with their advisors, designed the Hollander Retention Plan to motivate and reward the Hollander Participants for their significant efforts given the significantly increased demands placed upon them in connection with the chapter 11 process and the uncertainty and stresses presented by an ongoing reorganization

process. The Hollander Retention Plan will ensure that the Debtors have the appropriate staff on hand to facilitate a timely exit from these chapter 11 cases, thereby maximizing value for the Debtors' estates. Additionally, the Georgia Retention Plan is designed to encourage Georgia Participants to remain with the Debtors through the efficient wind down of the Georgia plant. A failure to retain the Participants would cause significant customer service issues as it would be impractical for the Debtors to hire and train replacement employees within the short several month plant wind down period, which would, in turn, hinder their operations and reorganization to the detriment of all parties in interest.

28. Second, the cost of the proposed Retention Plans is reasonable given the Debtors' assets and liabilities. The Debtors believe that the costs associated with the Retention Plans are below the range of market practice as compared to plans proposed and approved at similarly situated companies. Accordingly, the costs are reasonable and well-justified given the size of the Debtors' business and the value that the participants bring to the estate.

29. Third, the scope of the Retention Plans is fair and reasonable. As noted herein, the Debtors undertook a careful selection process and received input from their advisors in determining the specific employees that should be eligible. In fact, the 74 Participants represent a small portion of the Debtors' total employee base of approximately 2,370 people. Retaining employees who serve key managerial or operational functions allows the Debtors to leverage employees who are essential to the Debtors' chapter 11 efforts and continued efficient operations. As set forth in the Pfefferle Declaration, the Debtors took an objective view and did not discriminate on any basis in deciding which employees needed to be incentivized to remain with the Debtors for the duration of the chapter 11 cases.

30. Fourth, the Debtors submit that the Retention Plans are consistent with industry practice. As outlined in the Pfefferle Declaration, the Retention Plans are more cost-effective than retention plans in other, similar cases, both in terms of total costs and cost per participant.

31. Fifth, the Debtors performed their due diligence in determining the need for the Retention Plans and in determining which employees would be eligible to ensure that the plan was consistent with, if not more cost-effective than, similar plans in their industry. In developing the Retention Plans, the Debtors consulted with department heads to determine who was most critical and most at risk to leave or even actively searching for new work. The Debtors then considered the work performed by those employees to determine if that employee could be easily replaced given the employee's experience and expertise with the Debtors' business operations.

32. Sixth, the Debtors relied in part on the independent review of Carl Marks in developing the Retention Plans. The Debtors' decision to rely on their current advisors to develop and evaluate the Retention Plans, and to not separately retain an outside consultant, was appropriate. Given the conservative size of the proposed payouts, engaging additional advisors would have made the Retention Plans economically inefficient. Moreover, the Debtors have actively shared information regarding each of the Participants and the proposed awards with their key creditor constituencies and the office of the U.S. Trustee. Because of this open engagement, the Debtors believe that the interests of their estates have been adequately protected and that the Retention Plans are justified by the facts and circumstances of these chapter 11 cases.

33. Accordingly, the Debtors respectfully submit that the Retention Plans satisfy the "business judgment standard" identified in *In re Dana Corp*. And, indeed, courts in this district have routinely granted relief well in excess of that requested herein. *See, e.g., In re Windstream Holdings, Inc.*, No. 19-22312 (RDD) (Bankr. S.D.N.Y. May 15, 2019) (approving a KERP with

approximate payout of $5.0 million); *In re Nine West Holdings, Inc.*, No. 18-40947 (SCC) (Bankr. S.D.N.Y. Sept. 14, 2018) (approving a KERP for 51 of the debtors' non-insider employees with a total approximate cost of $655,000); *In re Westinghouse Electric Co. LLC*, No. 17-10751 (MEW) (Bankr. S.D.N.Y. Sept. 12, 2017) (approving a KERP for 210 of the debtors' non-insider employees with total cost of $13,831,879); *In re Aéropostale, Inc.*, No. 16-11275 (SHL) (Bankr. S.D.N.Y. July 1, 2016) (approving a KERP for 38 employees with approximate payout of $1.4 million); *In re SunEdison Inc.*, No. 16-10992 (SMB) (Bankr. S.D.N.Y. July 29, 2016) (approving a KERP for 126 employees with an estimated payout of $7.0 million).

III. Section 503(c)(1) of the Bankruptcy Code Is Inapplicable to the Retention Plans.

34. Because none of the Participants are "insiders" as that term is defined by the Bankruptcy Code, section 503(c)(1) is inapplicable. Section 503(c)(1) of the Bankruptcy Code restricts payments made to "insiders of the debtor for the purpose of inducing such person to remain with the debtor's business"—i.e., those insider plans that are essentially "pay to stay" plans. 11 U.S.C. § 503(c)(1). By its terms, section 503(c)(1) of the Bankruptcy Code does not apply where—as is the case here—participants in a retention-based plan are not insiders.

35. Section 101(31) of the Bankruptcy Code provides that where a debtor is a corporation, insiders include any "(i) director of the debtor; (ii) officer of the debtor; (iii) person in control of the debtor . . . or (iv) relative of a . . . director, officer or person in control of the debtor." 11 U.S.C. § 101(31)(B). Courts have also concluded that an employee may be an "insider" if such employee has "at least a controlling interest in the debtor or . . . exercise[s] sufficient authority over the debtor so as to unqualifiably dictate corporate policy and the disposition of corporate assets." *In re Velo Holdings, Inc.*, 472 B.R. at 208. It is well-established that an employee's job title, alone, does not make such employee an "insider" as defined by the Bankruptcy Code. *See In re Borders Grp. Inc.*, 453 B.R. at 469 (noting that "[c]ompanies often

give employees the title 'director' or 'director- level,' but do not give them decision-making authority akin to an executive" and concluding that certain "director level" employees in that case were not insiders).

36. Although certain Participants hold titles including the term "director," as set forth in the Pfefferle Declaration, none of the Participants are "insiders," as such term is defined by section 101(31) of the Bankruptcy Code. None of the Participants have discretionary control over substantial budgetary amounts or significant control with respect to the Debtors' corporate policies. Furthermore, none of the Participants are an executive of the Debtors, a member of the Debtors' board of directors, or an active participant in the Debtors' corporate governance mechanisms. Finally, none of the Participants had any input in the development of the Retention Plans. Therefore, the Debtors respectfully submit that none of the Participants constitute "insiders" of the Debtors, and the restrictions of section 503(c)(1) of the Bankruptcy Code is inapplicable to the Retention Plans.

Waiver of Bankruptcy Rule 6004(h)

37. To implement the foregoing immediately, the Debtors seek a waiver, to the extent required, of the fourteen-day stay of an order authorizing the use, sale, or lease of property under Bankruptcy Rule 6004(h).

Motion Practice

38. This motion includes citations to the applicable rules and statutory authorities upon which the relief requested herein is predicated and a discussion of their application to this motion. Accordingly, the Debtors submit that this motion satisfies Local Rule 9013-1(a).

Notice

39. The Debtors have provided notice of this motion to the entities on the Master Service List (as defined in the case management order in these chapter 11 cases [Docket No. 184]

and available on the Debtors' case website at https://omnimgt.com/hollander). The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be given.

No Prior Request

40. No prior request for the relief sought in this motion has been made to this or any other court.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

WHEREFORE, the Debtors respectfully request entry of an order, substantially in the form attached hereto as **Exhibit A**, granting the relief requested herein and granting such other relief as is just and proper.

DECLARATION OF MARC PFEFFERLE IN SUPPORT OF DEBTORS' MOTION FOR ENTRY OF AN ORDER (A) APPROVING THE DEBTORS' KEY EMPLOYEE RETENTION PLANS AND (B) GRANTING RELATED RELIEF

I, Marc Pfefferle, Chief Executive Officer of Hollander Sleep Products, LLC and certain of its affiliates and subsidiaries (the "Debtors"), hereby declare under penalty of perjury:

1. I am a Partner at Carl Marks Advisory Group LLC ("Carl Marks") and have served as the Chief Executive Officer of Hollander Sleep Products, LLC, since March 28, 2019. I submit this declaration in support of the Debtors' motion (the "Motion") seeking entry of an order approving the Debtors' proposed key employee retention plans (the "Retention Plans").

[1] The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Dream II Holdings, LLC (7915); Hollander Home Fashions Holdings, LLC (2063); Hollander Sleep Products, LLC (2143); Pacific Coast Feather, LLC (1445); Hollander Sleep Products Kentucky, LLC (4119); Pacific Coast Feather Cushion, LLC (3119); and Hollander Sleep Products Canada Limited (3477). The location of the Debtors' service address is: 901 Yamato Road, Suite 250, Boca Raton, Florida 33431.

2. Before joining Carl Marks, I was a Partner with Marigold Associates, a strategic management consulting firm serving Fortune 100 companies, and before that I worked for Price Waterhouse LLP. I have over thirty years of experience providing restructuring and reorganization services for companies, creditors, and other stakeholders across a variety of industries, including consumer products, retail, manufacturing, and distribution related businesses.

3. I am familiar with the Debtors' day-to-day operations, business and financial affairs, and books and records. Except as otherwise indicated, all facts in this declaration are based upon my personal knowledge, my discussions with the Debtors' management team and advisors (including the Carl Marks team working under my supervision), my review of relevant documents and information concerning the Debtors' operations, financial affairs, and restructuring initiatives, or my opinions based upon my experience and knowledge. I am over the age of 18 and authorized to submit this declaration on behalf of the Debtors. If called upon to testify, I could and would testify competently to the facts set forth in this declaration.

Necessity and Development of the Retention Plans

4. The Debtors are undergoing a complex operational restructuring requiring significant increased workloads and stresses on the part of key employees. These employees perform critical oversight of the Debtors' manufacturing operations and plant management services as well as provide critical accounting, asset management, business administration and development, human resources, information technology, marketing and sales, and sourcing and logistics work. Certain of this personnel has also undertaken additional tasks beyond the scope of their usual job functions necessary to administer these chapter 11 cases, such as preparing various reports required to administer these chapter 11 cases and provide updates to the Official Committee of Unsecured Creditors (the "UCC") under the Debtors' various first day relief. The key employees are meeting these obligations while the Debtors are running a marketing process for

their assets, which invariably has led to additional concerns about job security for the key employees. Moreover, as part of these chapter 11 cases, the Debtors are also commencing a process to right-size their operating model to improve financial performance and maintain value for all stakeholders. As part of these efforts, the Debtors have announced the closing of their Thomson, Georgia plant and the Debtors will need key employees to remain with the Debtors to ensure a smooth and efficient closure of the facility.

5. Maintaining the morale, support, and focus of the Debtors' employees is absolutely essential to fostering an environment where the Debtors' operations can succeed in a safe, efficient, and reliable manner while the Debtors work to reorganize their business to maximize the value of their estates. Absent the relief requested, the Debtors face the real risk of losing key employees at a critical time in their restructuring efforts. Indeed, since the Petition Date, two key employees have resigned in the Debtors' various management and operational departments.

6. By the Motion, the Debtors seek approval of the Debtors' Retention Plans to retain key personnel as well as operational employees of the Thomson, Georgia plant. The Retention Plans are necessary for the Debtors to maintain stability in their operations and maintain enterprise value and is consistent with retention plans in similarly sized chapter 11 cases. The Retention Plans provide for payment of awards to 74 of the Debtors' non-insider employees (each, a "Participant," and, collectively, the "Participants"), including 47 Participants (the "Hollander Participants") under the Debtors' key employee retention plan (the "Hollander Retention Plan") and 28 Participants[2] (the "Georgia Participants") under their retention plan related to the closure of the Debtors' Thomson, Georgia plant (the "Georgia Retention Plan") No Participant is an

[2] One Participant is included in both the Hollander Retention Plan and the Georgia Retention Plan. If the Georgia Retention Plan is approved, such Participant would be removed from the Hollander Retention Plan.

officer or director (as such terms are normally understood), but instead play vital rank-and-file functions for the Debtors' business.[3] The departure of any of the Participants during these chapter 11 cases would disrupt ongoing operations at an important phase in the Debtors' restructuring process, including their process to wind down operations at their Georgia plant. As a result, I believe implementation of the Retention Plans is necessary and appropriate in an attempt to avoid costly disruptions.

7. I believe that the Participants must be motivated to remain with the Debtors during their reorganization and the closure of their Georgia plant. By increasing motivation among the Participants and providing them with an incentive to continue performing important functions, the Retention Plans align the interests of the Debtors, their employees, and creditors. Moreover, should any of the Participants resign before the conclusion of the Debtors' chapter 11 cases or winding down of the Georgia facility, the Debtors leadership, including myself, will have to devote significant time and resources to find suitable replacements.

8. The Debtors and their advisors reviewed the Debtors' needs during the chapter 11 cases and the necessary features of a retention plan. In concert with their advisors, the Debtors designed Retention Plans keeping in mind their goals of maximizing the value of their estates for the benefit of all interested parties and ensuring that their operations are maintained in an effective and stable manner through the consummation of a chapter 11 plan and the closure of the Georgia facility. I submit that the Retention Plans have been designed in a reasonable, cost-effective way to ensure the commitment of those key personnel that will be essential to the Debtors achieving these goals.

[3] As discussed more fully herein, the Debtors respectfully submit that no Participant is an "insider," as that term is defined in section 101(31) of the Bankruptcy Code.

9. In developing the plan, the Debtors and Carl Marks consulted with department heads to determine who was most critical and most likely to leave or even actively searching for new work. Further, the Debtors took an objective view and did not discriminate on any basis in deciding which employees needed to be incentivized to remain with the Debtors through emergence from chapter 11. In particular, the Debtors worked closely with their advisors to ensure that the incentives for the Participants were appropriate and within the Debtors' postpetition financing budget. I believe that both the average award and total cost of the proposed Retention Plans fall well below the average market comparables.

Terms of the Retention Plans

10. The aggregate cost of the Retention Plans will be no greater than $559,000. Approximately 74 key employees may be eligible to receive a retention payment under the Retention Plans. The Participants are the individuals who have the relevant expertise and knowledge of the Debtors' operations that make it essential that they remain incentivized while the chapter 11 cases are pending. Retaining this specific group of employees will allow the Debtors to leverage the Participant's skills across the Debtors' enterprise and operations. The Hollander Participants are familiar with the Debtors' business and have the experience and knowledge necessary to ensure the Debtors' continued operations during the chapter 11 cases. The Debtors cannot easily replace the Hollander Participants without adversely affecting the Debtors' operating efficiency and distracting management from the Debtors' restructuring efforts. Similarly, the Georgia Participants have developed technical knowledge regarding the business operations of the Georgia facility and are therefore vital to the efficient operations of such facility through its wind down. Accordingly, hiring and training replacements for the Georgia Participants within the several month wind down period would be difficult and costly at best and impossible at worst, thereby impacting customer service levels and harming value for all stakeholders.

11. The Hollander Retention Plan will be paid in one installment upon (i) the effective date of a chapter 11 plan or (ii) the closing of a sale of all or substantially all of the Debtors' assets, as applicable. The Georgia Retention Plan will be paid in one installment upon termination of the Georgia Participants by the Debtors; *provided* that such termination is not for cause.

12. Without the payments under the proposed Retention Plans, I believe that the Participants will not be appropriately incentivized during the remainder of the chapter 11 cases and through the wind down of the Georgia facility, harming the value of the estates and affecting the efficiency of the Debtors' efforts and operations.

The Participants Are Not Insiders

13. While a few Participants have titles that include the word "director" suggesting insider status, none of the Participants are in reality insiders. Although the Participants are important to the Debtors' business, they do not have the ability to influence corporate policy or the direction of the Debtors' business operations or sit on, or directly report to, the board of directors. Many of the Participants' duties are limited to an individual division, and the Participants' scope of authority is accordingly limited. Merely holding a title of director conveys no special privileges within the Debtors' corporate hierarchy. Rather, each of the Participants that has a director title reports to officers and executives below my position as Chief Executive Officer of the Debtors. As a result, the Debtors do not believe that these individuals are insiders vis-a-vis the Debtor implementing the Retention Plans.

14. In light of the foregoing, I believe that the Retention Plans are a reasonable, market-based approach to retaining employees essential to the Debtors' reorganization and operations. The relief sought in the Motion should be granted by the Court, as it represents a key element of the Debtors' efforts in the chapter 11 cases.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

4. The bases for the relief requested herein are sections 327(a) and 328 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the "Bankruptcy Code"), Bankruptcy Rules 2014(a) and 2016, and Local Rules 2014-1 and 2016-1.

Background

These chapter 11 cases are being jointly administered. As of the date hereof, no party has requested the appointment of a trustee or an examiner in these chapter 11 cases. 9. In addition to those situations identified above, Houlihan Lokey's Financial Restructuring Group has also been involved in the publicly announced restructurings or chapter 11 reorganizations of multiple wholesalers and/or manufacturers including: Heritage Home Group, Rockport Group, Roust Corp, Performance Sports Group, Nine West Holdings, Inc., and American Apparel, Inc., among others.

10. The Debtors have selected Houlihan Lokey as their investment banker and financial advisor based upon, among other things, (a) the Debtors' need to retain an investment banking and financial advisory firm to provide advice in connection with a financial restructuring or reorganization of, and/or one or more sale transactions, and/or one or more financing transactions

for, the Debtors, as well as such other financial matters as to which the Debtors and Houlihan Lokey may agree in writing during the term of the Engagement Agreement and (b) Houlihan Lokey's extensive experience and excellent reputation in providing investment banking and financial advisory services in complex chapter 11 cases.

Houlihan Lokey's Prepetition Services

11. The Debtors engaged Houlihan Lokey on May 2, 2019, to provide financial advisory and investment banking services in connection with one or more potential financial restructuring and reorganization, sale, or financing transactions for the Debtors, and/or such other financial matters as to which the Debtors and Houlihan Lokey may agree in writing.

12. In rendering prepetition services to the Debtors in connection with these matters, Houlihan Lokey has worked closely with the Debtors' management and other retained professionals and has become well-acquainted with the Debtors' business operations and capital structure. Accordingly, Houlihan Lokey has developed significant expertise regarding the Debtors that will assist it in providing effective and efficient services during these chapter 11 cases. Should the Court approve the Debtors' retention of Houlihan Lokey as investment bankers, Houlihan Lokey will continue, without interruption, to perform the services for the Debtors as described herein.

13. At the same time, Houlihan Lokey commenced a marketing process relating to the Debtors' assets in May 2019. As part of that process, Houlihan worked very closely with the Debtors and their advisors to perform due diligence on the Debtors' assets, develop a list of potential financial and strategic buyers, set up a data room, and prepare preliminary marketing materials relating to the Debtors' assets, among other things. The Debtors and Houlihan Lockey will continue these efforts and actively solicit the market for potential financial and strategic buyers now that these cases have formally commenced.

Services To Be Provided[4]

14. As more fully described in the Engagement Agreement, the services being provided by Houlihan Lokey prior to and during these chapter 11 cases include the following:

(a) assisting the Debtors in the development and distribution of selected information, documents, and other materials, including, if appropriate, advising the Debtors in the preparation of an offering memorandum;

(b) assisting the Debtors in evaluating indications of interest and proposals regarding any Transaction(s) from current and/or potential lenders, equity investors, acquirers, and/or strategic partners;

(c) assisting the Debtors with the negotiation of any Transaction(s), including participating in negotiations with creditors and other parties involved in any Transaction(s);

(d) providing expert advice and testimony regarding financial matters related to any Transaction(s), if necessary;

(e) attending meetings of each Debtors' Board of Directors, creditor groups, official constituencies, and other interested parties, as the Debtors and Houlihan Lokey mutually agree; and

(f) providing such other financial advisory and investment banking services as may be required by additional issues and developments not anticipated on the Effective Date.

15. It is necessary for the reorganization efforts of the Debtors that the Debtors employ Houlihan Lokey to render the foregoing professional services. The Debtors believe that the services will not duplicate the services that other professionals will be providing the Debtors in these cases. Specifically, Houlihan Lokey will carry out unique functions and will use reasonable efforts to coordinate with the Debtors and other professionals retained in these cases to avoid the unnecessary duplication of services.

[4] This summary is included for ease of reference only and shall not limit, modify, or amend the Engagement Agreement, which, in the event of any inconsistency, shall govern.

Professional Compensation

16. Prior to the commencement of these chapter 11 cases and under the terms of the Engagement Agreement, the Debtors paid Houlihan Lokey fees of $100,000 for services rendered, and reasonable out-of-pocket expenses related thereto of $10,000. As more fully described in the Engagement Agreement, in consideration of the services provided by Houlihan Lokey, the Debtors have agreed to pay Houlihan Lokey during these chapter 11 cases:

(a) ***Monthly Fees***. In addition to the other fees provided for in the Engagement Agreement, upon the Effective Date, and on every monthly anniversary of the Effective Date during the term of the Engagement Agreement, the Debtors shall pay Houlihan Lokey in advance, without notice or invoice, a nonrefundable cash fee of $100,000 (the "Monthly Fee") for a minimum of four months from the Effective Date (collectively, the "Minimum Monthly Fees"). Each Monthly Fee shall be earned upon Houlihan Lokey's receipt thereof in consideration of Houlihan Lokey accepting this engagement and performing services as described in the Engagement Agreement. If this Agreement is terminated before the end of the fourth month from the Effective Date, the Debtors agree to pay to Houlihan Lokey, on the effective date of such termination, the unpaid amount of the Minimum Monthly Fees.

(b) ***Transaction Fee(s)***. In addition to the other fees provided for in the Engagement Agreement, the Debtors shall pay Houlihan Lokey the following transaction fee(s):

i. ***Restructuring Transaction Fee***. Upon the earlier to occur of: (A) in the case of an out-of-court Restructuring Transaction, the closing of such Restructuring Transaction; and (B) in the case of an in-court Restructuring Transaction, the date of confirmation of a plan of reorganization or liquidation under Chapter 11 of the Bankruptcy Code pursuant to an order of the applicable bankruptcy court, Houlihan Lokey shall earn, and the Debtors shall promptly pay to Houlihan Lokey, a cash fee (the "Restructuring Transaction Fee") of $1,000,000; *provided* that, in the event that one or more Sale Transactions have occurred prior to the consummation of a Restructuring Transaction and the Restructuring Transaction consists of a plan or other reorganization concerning the remaining assets of the Debtors versus merely a liquidation and distribution of the relevant sale proceeds to creditors, the Restructuring Transaction Fee shall be reduced to the applicable multiple transaction fee as described in section 3(ii)(c) of the Engagement Agreement;

ii. ***Sale Transaction Fee***. Upon the closing of a Sale Transaction, Houlihan Lokey shall earn, and the Debtors shall thereupon pay immediately and directly from the gross proceeds of such Sale Transaction, as a cost of such

Sale Transaction, a cash fee (the "Sale Transaction Fee") of $1,000,000 plus 3.0% of the combined aggregate gross consideration ("AGC") above a threshold to be agreed upon in good faith by Houlihan Lokey and Barings Finance LLC ("Barings"), as agent for the Term Loan or by the Court (for all consummated Sale Transactions and all asset sales by third party liquidators or other similar asset disposition specialist), and 5.0% of the combined AGC in excess of a higher threshold to be agreed upon in good faith by Houlihan Lokey and Barings, as agent for the Term Loan or by the Court (for all consummated Sale Transactions and all asset sales by third party liquidators or other similar asset disposition specialist);

iii. ***Subsequent Sale Transaction Fee***. If multiple Sale Transactions are consummated under the term of the Engagement Agreement, or one Sale Transaction followed by consummation of a plan of reorganization or liquidation, for each additional Sale Transaction, Houlihan Lokey shall earn, and the Debtors shall thereupon pay immediately and directly from the gross proceeds of such Sale Transaction, as a cost of such Sale Transaction, a cash fee (each a "Subsequent Sale Transaction Fee") of:

(a) $350,000 for the first subsequent Sale Transaction;

(b) $300,000 for the second subsequent Sale Transaction; and

(c) $250,000 for any subsequent Sale Transaction thereafter.

Provided that under no circumstance will any Subsequent Sale Transaction Fee represent more than 10% of the AGC of such subsequent Sale Transaction. The delta between the actual subsequent Sale Transaction Fee and the respective Sale Transaction Fee determined pursuant to paragraph 15(b)(iii)(a), (b), and (c) above shall be added to the next subsequent Sale Transaction fee in paragraph 15(b)(iii)(c), if any;

iv. ***Financing Transaction Fee***. Upon the closing of each Financing Transaction, Houlihan Lokey shall earn, and the Debtors shall thereupon pay immediately and directly from the gross proceeds of such Financing Transaction, as a cost of such Financing Transaction, a cash fee (the "Financing Transaction Fee") equal to the sum of: (A) 1.5% of the gross proceeds of any indebtedness raised or committed that is senior to other indebtedness of the Debtors, secured by a first priority lien and unsubordinated, with respect to both lien priority and payment, to any other obligations of the Debtors (other than with respect to debtor in possession financing); (B) 3.0% of the gross proceeds of any indebtedness raised or committed that is secured by a lien (other than a first lien), is unsecured and/or is subordinated; and (C) 5.0% of the gross proceeds of all equity or equity-linked securities (including, without limitation, convertible securities and preferred stock) placed or committed. Any warrants issued in connection with the raising of debt or equity capital shall, upon the exercise thereof, be considered equity for the purpose of calculating the

> Financing Transaction Fee, and such portion of the Financing Transaction Fee shall be paid upon such exercise and from the gross proceeds thereof, regardless of any prior termination or expiration of the Engagement Agreement. It is understood and agreed that if the proceeds of any such Financing Transaction are to be funded in more than one stage, Houlihan Lokey shall be entitled to its applicable compensation hereunder upon the closing date of each stage. The Financing Transaction Fee(s) shall be payable in respect of any sale of securities whether such sale has been arranged by Houlihan Lokey, by another agent (or other issuer of the Securities in such Financing Transaction) or directly by the Debtors. Any non-cash consideration provided to or received in connection with the Financing Transaction (including but not limited to intellectual or intangible property) shall be valued for purposes of calculating the Financing Transaction Fee as equaling the number of Securities issued in exchange for such consideration multiplied by (in the case of debt securities) the face value of each such Security or (in the case of equity securities) the price per Security paid in the then current round of financing. The fees set forth in the Engagement Agreement shall be in addition to any other fees that the Debtors may be required to pay to any investor or other purchaser of Securities to secure its financing commitment.
>
> Any Restructuring Transaction Fee, Sale Transaction Fee, Subsequent Sale Transaction Fee, and Financing Transaction Fee is each referred to as a "Transaction Fee" and are collectively referred to herein as "Transaction Fees." All payments received by Houlihan Lokey pursuant to the Engagement Agreement at any time shall become the property of Houlihan Lokey without restriction. No payments received by Houlihan Lokey pursuant to the Engagement Agreement will be put into a trust or other segregated account.

17. In addition to all of the other fees and expenses described in the Engagement Agreement, and regardless of whether any Transaction is consummated, the Debtors shall, upon Houlihan Lokey's request, reimburse Houlihan Lokey for its reasonable out-of-pocket expenses incurred from time to time in connection with its services under the Engagement Agreement. Houlihan Lokey bills its clients for its reasonable out-of-pocket expenses including, but not limited to, (a) travel-related and certain other expenses, without regard to volume-based or similar credits or rebates Houlihan Lokey may receive from, or fixed-fee arrangements made with, travel agents, airlines or other vendors, and (b) research, database, and similar information charges paid to third party vendors, and reprographic expenses, to perform client-related services that are not capable

of being identified with, or charged to, a particular client or engagement in a reasonably practible manner, based upon a uniformly applied monthly assessment or percentage of the fees due to Houlihan Lokey. Houlihan Lokey shall, in addition, be reimbursed by the Debtors for the reasonable and documented fees and expenses of Houlihan Lokey's legal counsel incurred in connection with the negotiation and performance of the Engagement Agreement and the matters contemplated hereby.

18. The Debtors believe that the compensation structure described above is (a) comparable to compensation generally charged by investment banking firms of similar stature to Houlihan Lokey for comparable engagements, both in and out of bankruptcy proceedings, and (b) reflects a typical fee structure for Houlihan Lokey and other leading investment banking firms which do not bill their clients on an hourly basis, but are generally compensated on a transactional basis.

19. The hours worked, the results achieved, and the ultimate benefit to the Debtors of the work performed by Houlihan Lokey in connection with this engagement may vary and the Debtors have taken this into account in setting the above fees.

20. Houlihan Lokey's restructuring expertise, as well as its capital markets knowledge, financing skills, knowledge, and experience within the Debtors' industry and mergers and acquisitions capabilities, some or all of which may be required by the Debtors during the term of Houlihan Lokey's engagement hereunder, were important factors to the Debtors in determining the amount of Houlihan Lokey's fees, and the Debtors believe that the ultimate benefit to the Debtors of Houlihan Lokey's services hereunder cannot be measured merely by reference to the number of hours to be expended by Houlihan Lokey's professionals in the performance of such services.

21. The Debtors propose that all compensation and expenses will be sought in accordance with 328(a) of the Bankruptcy Code and will not be subject to the standard of review in section 330 of the Bankruptcy Code.

Waiver of Requirements Regarding Time Entry Detail

22. Consistent with its ordinary practice and the practice of investment bankers and financial advisors in other chapter 11 cases whose fee arrangements are typically not hours-based, Houlihan Lokey does not ordinarily maintain contemporaneous time records (similar to those customarily kept by attorneys and required by the Amended Guidelines and UST Guidelines) or provide or conform to a schedule of hourly rates for its professionals.

23. The Debtors, therefore, respectfully request that notwithstanding anything to the contrary in the Bankruptcy Code, the Bankruptcy Rules, orders of this Court, or any guidelines regarding submission and approval of fee applications, that Houlihan Lokey and its professionals be excused from complying with any such requirements in connection with the services to be rendered pursuant to the Engagement Agreement.

24. Notwithstanding the foregoing, Houlihan Lokey intends to file interim and final fee applications for the allowance of compensation for services rendered and reimbursement of expenses incurred. Such applications will include time records setting forth, in a summary format, a description of the services rendered by each professional, and the amount of time spent on each date by each such individual in rendering services on behalf of the Debtors in one half (.5) hour increments. Houlihan Lokey will also maintain detailed records of any actual and necessary costs and expenses incurred in connection with the services discussed above.

25. Courts in other large chapter 11 cases in this district routinely excuse flat-fee professionals from time-keeping requirements under similar circumstances. *See, e.g.*,

June 14, 2018); *In re Cenveo, Inc.*, No. 18-22178 (RDD) (Bankr. S.D.N.Y Mar. 8, 2018).

Houlihan Lokey's Disinterestedness

26. To the best of the Debtors' knowledge, (a) Houlihan Lokey is a "disinterested person," as such term is defined in section 101(14) of the Bankruptcy Code, as modified by section 1107(b) of the Bankruptcy Code, and, as required by section 327(a) and referenced by section 328(c) of the Bankruptcy Code, neither holds nor represents any interest adverse to the Debtors and their estates and (b) except as disclosed in the Burian Declaration, has no connection to the Debtors or to their significant creditors or certain other potential parties in interest ("Parties In Interest") whose names were supplied to Houlihan Lokey by the Debtors.[5]

27. Also, to the best of the Debtors' knowledge, information and belief, and based entirely and in reliance upon the Burian Declaration: (a) to the best of Mr. Burian's knowledge, information and belief, none of Houlihan Lokey's past or current engagements would or does appear to create an interest materially adverse to the interests of the Debtors, creditors, or equity security holders in these cases and, as such the Debtors believe that Houlihan Lokey is disinterested and holds no materially adverse interest as to the matters upon which they are to be retained; and (b) to the extent Houlihan Lokey discovers any facts bearing on the matters described herein during

[5] The list of Parties In Interest supplied to Houlihan Lokey by the Debtors is attached as **Annex 2** to the Burian Declaration. To the extent that Houlihan Lokey's research of relationships with these Parties In Interest indicated that Houlihan Lokey has provided in the recent past or is currently providing services to any of these entities in matters unrelated to these chapter 11 cases, Houlihan Lokey has so indicated in **Annex 3** to the Burian Declaration.

the period of Houlihan Lokey's retention, they will supplement the information contained in the Burian Declaration.

28. As described in more detail in the Burian Declaration, Houlihan Lokey, among other things, searched its client databases to determine whether it represents, or has represented, certain of the Debtors' creditors or other Parties In Interest in these proceedings, and/or matters wholly unrelated to those proceedings. Due to the size of Houlihan Lokey and the number of creditors and other parties in interest involved in these cases, however, Houlihan Lokey may have represented certain of the Debtors' creditors or other Parties In Interest in matters wholly unrelated to the chapter 11 cases. Except as may be described in the Burian Declaration, Houlihan Lokey does not, to its knowledge, represent any party with an interest materially adverse to the Debtors or their estates.

29. Also, in accordance with section 504 of the Bankruptcy Code, Houlihan Lokey has informed the Debtors that there is no agreement or understanding between Houlihan Lokey and any other entity, other than an employee of Houlihan Lokey, for the sharing of compensation received or to be received for services rendered in connection with these chapter 11 cases

Indemnification of Houlihan Lokey

30. Among other things, the Engagement Agreement provides that the Debtors shall indemnify Houlihan Lokey and the other Indemnified Parties (as defined in the Engagement Agreement) against any and all losses, claims, damages, or liabilities to which Houlihan Lokey may become subject in connection with the Engagement Agreement, except to the extent such losses are finally judicially determined to have resulted primarily from such Indemnified Party's actual fraud, bad faith, gross negligence, or willful misconduct.

31. The Debtors and Houlihan Lokey believe that the indemnification, contribution, reimbursement and other related provisions contained in the Engagement Agreement are

customary and reasonable for financial advisory and investment banking engagements, both in- and out-of-court, and, as modified by the proposed order, reflect the qualifications and limitations on indemnification provisions that are customary in this district and other jurisdictions. Similar indemnification arrangements have been approved and implemented in other large chapter 11 cases by courts in this District. *See, e.g.*, *In re Windstrean Holdings, Inc.*, No. 19-22312 (RDD) (Bankr. S.D.N.Y. Apr. 22, 2019) (approving similar indemnification agreements); *In re FullBeauty Brands Holdings Corp.*, No. 19-22185 (RDD) (Bankr. S.D.N.Y. Mar. 8, 2019) (same); *In re Aegean Marine Petroleum Network Inc.*, No. 18-13374 (MEW) (Bankr. S.D.N.Y. Feb. 20, 2018) (same); *In re Nine West Holdings, Inc.*, No. 18-10947 (SCC) (Bankr. S.D.N.Y. June 14, 2018) (same); *In re Glob. A&T Elecs. Ltd.*, No. 17-23931 (RDD) (Bankr. S.D.N.Y. Feb. 26, 2018) (same).

32. The terms and conditions of the Engagement Agreement, including these provisions, were negotiated by the Debtors and Houlihan Lokey at arm's length and in good faith. The Debtors respectfully submit that such provisions, viewed in conjunction with the other terms of Houlihan Lokey's proposed retention, are reasonable and in the best interests of the Debtors, their estates and creditors in light of the fact that the Debtors require Houlihan Lokey's services in these chapter 11 cases.

No Duplication of Services

33. The Debtors believe that the services provided by Houlihan Lokey will not duplicate the services that other professionals will be providing to the Debtors in these chapter 11 cases. The Debtors will coordinate with Houlihan Lokey and the Debtors' other professionals to minimize unnecessary duplication of efforts among the Debtors' professionals.

Basis for Relief

I. Retention Pursuant To Bankruptcy Code Section 328(a)

34. The Debtors are seeking to retain Houlihan Lokey pursuant to section 328(a) of the Bankruptcy Code. Section 328(a) provides, in relevant part, that a debtor "with the court's approval, may employ or authorize the employment of a professional person under section 327, on any reasonable terms and conditions of employment, including on a retainer, on an hourly basis, on a fixed or percentage fee basis, or on a contingent fee basis." 11 U.S.C. § 328(a). Thus, section 328(a) of the Bankruptcy Code permits this Court to approve the terms of Houlihan Lokey's engagement as set forth in the Engagement Agreement.

35. The Debtors submit that the fee structure, expense reimbursements, and indemnification provisions are reasonable terms and conditions of employment under Bankruptcy Code section 328(a) in light of the following: (a) the nature and scope of services to be provided by Houlihan Lokey; (b) industry practice with respect to the fee structures and indemnification provisions typically utilized by leading investment banks and investment bankers that do not bill their clients on an hourly basis; (c) market rates charged for comparable services both in and out of the chapter 11 context; (d) Houlihan Lokey's substantial experience with respect to financial restructuring and investment banking; and (e) the extensive nature and scope of work already performed by Houlihan Lokey prior to the Petition Date.

36. The terms of the Engagement Agreement were negotiated in good faith and at arm's-length between the Debtors and Houlihan Lokey and reflect the Debtors' evaluation of the extensive work that has been and will be performed by Houlihan Lokey and its financial advisory expertise. The Debtors acknowledge and agree that the fee structure was agreed upon by the parties in anticipation of a substantial professional commitment of time and effort by Houlihan Lokey and its professional staff under the Engagement Agreement, and in light of the fact that

such commitment may foreclose other opportunities for Houlihan Lokey and its professional staff and that the actual time and commitment required of Houlihan Lokey and its professional staff to perform the services under the Engagement Agreement may vary substantially from week to week or month to month, creating "peak load" issues for the firm.

37. Furthermore, the fee structure is consistent with and typical of compensation arrangements entered into by Houlihan Lokey and other comparable firms in connection with the rendering of similar services under similar circumstances. Houlihan Lokey's dedicated Financial Restructuring group, strategic and financial expertise as well as its capital markets knowledge, financing skills, restructuring capabilities, and mergers and acquisitions expertise, some or all of which may be required by the Debtors during the term of Houlihan Lokey's engagement, were all important factors in determining the fee structure. The Debtors believe that the ultimate benefit of Houlihan Lokey's services cannot be measured by reference to the number of hours to be expended by Houlihan Lokey's professionals in the performance of such services. Accordingly, the Debtors submit that the fee structure is both fair and reasonable under the standards set forth in Bankruptcy Code section 328(a).

38. The Debtors propose that, notwithstanding Houlihan Lokey's retention under section 328(a), the U.S. Tustee will retain the right to object to the compensation to be paid to Houlihan Lokey pursuant to the Engagement Agreement based on the reasonableness standard provided for in Bankruptcy Code section 330, *provided* that reasonableness for this purpose shall include, among other things, an evaluation by comparing the fees payable in this case to the fees paid to other investment banking firms for comparable services in other chapter 11 cases and outside of chapter 11 cases, and shall not be evaluated primarily on the basis of time committed or the length of these cases.

39. As set forth above, notwithstanding approval of the Engagement Agreement under Bankruptcy Code section 328(a), Houlihan Lokey intends to apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with these cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court and consistent with the fee structure set forth in the Engagement Agreement.

II. Retention Pursuant to Bankruptcy Code Section 327(a) and Bankruptcy Rule 2014

40. Section 327(a) of the Bankruptcy Code provides that a debtor, subject to court approval:

> May employ one or more attorneys, accountants, appraisers, auctioneers, or other professional persons, that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the [debtor] in carrying out the [debtor]'s duties under this title.

11 U.S.C. § 327(a).

41. Bankruptcy Rule 2014 requires that an application for retention include:

> [S]pecific facts showing the necessity for the employment, the name of the [firm] to be employed, the reasons for the selection, the professional services to be rendered, any proposed arrangement for compensation, and, to the best of the applicant's knowledge, all of the [firm's] connections with the debtor, creditors, any other party in interest, their respective attorneys and accountants, the United States trustee, or any person employed in the office of the United States trustee.

Fed. R. Bankr. P. 2014.

42. For the reasons stated previously, the Debtors submit that Houlihan Lokey's employment is necessary and in the best interests of the Debtors and their estates. Additionally, as described in the Burian Declaration, Houlihan Lokey is disinterested. Accordingly, the Debtors

submit that Court approval of Houlihan Lokey as the financial advisor and investment banker in these chapter 11 cases pursuant to section 327(a) of the Bankruptcy Code and Bankruptcy Rule 2014.

III. *Nunc Pro Tunc* Relief is Appropriate

43. Pursuant to the Debtors' request, Houlihan Lokey has acted as the Debtors' financial advisor and investment banker since the Petition Date. Moreover, Houlihan Lokey performed prepetition services with assurances that the Debtors would seek approval of its employment and retention effective *nunc pro tunc* to the Petition Date so that Houlihan Lokey may be compensated for its pre-application financial advisory and investment banking services. The Debtors believe that no party in interest will be prejudiced by granting Houlihan Lokey's *nunc pro tunc* employment, because Houlihan Lokey has provided, and continues to provide, valuable services to the Debtors' estates.

44. Courts in this district and other jurisdications have routinely approved *nunc pro tunc* employment similar to that requested herein. *See, e.g.*, *In re Windstrean Holdings, Inc.*, No. 19-22312 (RDD) (Bankr. 45. Based on the foregoing, the Debtors submit that the requirements of the Bankruptcy Code and the Bankruptcy Rules have been satisfied. Accordingly, the Debtors respectfully request entry of an order pursuant to section 327(a) of the Bankruptcy Code and Bankruptcy Rule 2014 approving the Debtors' application to retain and employ Houlihan Lokey to act as financial advisor and investment banker to the Debtors, effective *nunc pro tunc* to the Petition Date.

Waiver of Bankruptcy Rule 6004(a) and 6004(h)

46. To implement the foregoing successfully, the Debtors request that the Court enter an order providing that notice of the relief requested herein satisfies Bankruptcy Rule 6004(a) and that the Debtors have established cause to exclude such relief from the 14-day stay period under Bankruptcy Rule 6004(h).

b. the Debtors shall have no obligation to indemnify Houlihan Lokey for any claim or expense that is either (i) judicially determined (the determination having become final) to have resulted primarily from Houlihan Lokey's actual fraud, gross negligence, bad faith, breach of fiduciary duty (if any), self dealing, or willful misconduct, or (ii) settled prior to a judicial determination as to Houlihan Lokey's actual fraud, gross negligence, bad faith, breach of fiduciary duty (if any), self dealing, or willful misconduct, but determined by this Court, after notice and a hearing pursuant to subparagraph (c) infra, to be a claim or expense for which Houlihan Lokey is not entitled to receive indemnity under the terms of the Engagement Agreement as modified by this Order; and

c. if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these cases (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing these chapter 11 cases, any Indemnified Party believes that it is entitled to the payment of any amounts

This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by Indemnified Parties for indemnification, contribution, or reimbursement, and not as a provision limiting the duration of the Debtors' obligation to indemnify or provide contribution or reimbursement to Houlihan Lokey.

12. Houlihan Lokey shall be compensated in accordance with the procedures set forth in the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, this Order, and any other applicable orders of this Court.

13. Houlihan Lokey shall use its best efforts, and will coordinate with the Debtors and its other retained professionals, not to duplicate any of the services provided to the Debtors by any of its other retained professionals.

14. To the extent that there may be any inconsistency between the terms of the Application, the Burian Declaration, the Engagement Agreement, and this Order, the terms of this Order shall govern.

15. Notice of the Application as provided therein shall be deemed good and sufficient notice of such Application and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

16. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

17. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Application.

18. This Court retains jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order.

Dear Ladies and Gentlemen:

This letter agreement (this "Agreement") confirms the terms under which Dream II Holdings, LLC, Hollander Sleep Products, LLC, Hollander Home Fashions Holdings, LLC, Hollander Sleep Products Kentucky, LLC, Pacific Coast Feather, LLC, Pacific Cost Feather Cushion, LLC and Hollander Sleep Products Canada Limited, (collectively with their direct and indirect subsidiaries, the "Company") has engaged Houlihan Lokey Capital, Inc. ("Houlihan Lokey"), effective as of the date indicated above (the "Effective Date"), as its financial advisor to provide financial advisory and investment banking services in connection with a financial restructuring or reorganization of, and/or one or more sale transactions, and/or one or more financing transactions for, the Company, as well as such other financial matters as to which the Company and Houlihan Lokey may agree in writing during the term of this Agreement.

1. **Services**. In connection with each potential Transaction (as defined below), Houlihan Lokey will assist and advise the Company with the analysis, evaluation, pursuit and effectuation of any such Transaction. Houlihan Lokey's services will consist of, if appropriate and if requested by the Company, (i) assisting the Company in the development and distribution of selected information, documents and other materials, including, if appropriate, advising the Company in the preparation of an offering memorandum (it being expressly understood that the Company will remain solely responsible for such materials and all of the information contained therein); (ii) assisting the Company in evaluating indications of interest and proposals regarding any Transaction(s) from current and/or potential lenders, equity investors, acquirers and/or strategic partners; (iii) assisting the Company with the negotiation of any Transaction(s), including participating in negotiations with creditors and other parties involved in any Transaction(s); (iv) providing expert advice and testimony regarding financial matters related to any Transaction(s), if necessary; (v) attending meetings of the Company's Board of Directors, creditor groups, official constituencies and other interested parties, as the Company and Houlihan Lokey mutually agree; and (vi) providing such other financial advisory and investment banking services as may be required by additional issues and developments not anticipated on the Effective Date, as described in Section 10 of this Agreement.

2. **Exclusive Agency.** The Company agrees that neither it nor its management will initiate any discussions regarding a Transaction during the term of this Agreement, except with prior consultation with Houlihan Lokey. In the event the Company or its management receives any inquiry regarding a Transaction from any party, the Company shall promptly inform Houlihan Lokey of such inquiry so that Houlihan Lokey can assist the Company in evaluating such party and its interest in a Transaction and in any resulting negotiations.

3. **Fees.** In consideration of Houlihan Lokey's acceptance of this engagement, the Company shall pay the following:

(i) *Monthly Fees*: In addition to the other fees provided for herein, upon the Effective Date, and on every monthly anniversary of the Effective Date during the term of this Agreement, the Company shall pay Houlihan Lokey in advance, without notice or invoice, a nonrefundable cash fee of $100,000 ("Monthly Fee") for a minimum of four months from the Effective Date (collectively, the "Minimum Monthly Fees"). Each Monthly Fee shall be earned upon Houlihan Lokey's receipt thereof in consideration of Houlihan Lokey accepting this engagement and performing services as described herein. If this Agreement is terminated before the end of fourth month from the Effective Date, the Company hereby agrees to pay to Houlihan Lokey, on the effective date of such termination, the unpaid amount of the Minimum Monthly Fees.

(ii) *Transaction Fee(s)*: In addition to the other fees provided for herein, the Company shall pay Houlihan Lokey the following transaction fee(s):

a. *Restructuring Transaction Fee.* Upon the earlier to occur of: (I) in the case of an out-of-court Restructuring Transaction (as defined herein), the closing of such Restructuring Transaction; and (II) in the case of an in-court Restructuring Transaction, the date of confirmation of a plan of reorganization or liquidation under Chapter 11 of the Bankruptcy Code (as defined below) pursuant to an order of the applicable bankruptcy court, Houlihan Lokey shall earn, and the Company shall promptly pay to Houlihan Lokey, a cash fee ("Restructuring Transaction Fee") of $1,000,000; provided that, in the event that one or more Sale Transactions (as defined below) have occurred prior to the consummation of a Restructuring Transaction and the Restructuring Transaction consists of a plan or other reorganization concerning the remaining assets of the Company versus merely a liquidation and distribution of the relevant sale proceeds to creditors, the Restructuring Transaction Fee shall be reduced to the applicable multiple transaction fee as described in section 3(ii)(c);

b. *Sale Transaction Fee.* Upon the closing of a Sale Transaction (as defined herein), Houlihan Lokey shall earn, and the Company shall thereupon pay immediately and directly from the gross proceeds of such Sale Transaction, as a cost of such Sale Transaction, a cash fee ("Sale Transaction Fee") of $1,000,000 plus 3.0% of the combined AGC (as defined herein) above a threshold to be agreed upon in good faith by Houlihan Lokey and Barings, as agent for the Term Loan or by the Bankruptcy Court (for all consummated Sale Transactions and all asset sales by third party liquidators or other similar asset disposition specialist), and 5.0% of the combined AGC in excess of a higher threshold to be agreed upon in good faith by Houlihan Lokey and Barings, as agent for the Term Loan or by the Bankruptcy Court (for all consummated Sale Transactions and all asset sales by third party liquidators or other similar asset disposition specialist);

c. *Subsequent Sale Transaction Fee.* If multiple Sale Transactions are consummated under the term of this Agreement, or one Sale Transaction followed by consummation of a plan

of reorganization or liquidation, for each additional Sale Transaction, Houlihan Lokey shall earn, and the Company shall thereupon pay immediately and directly from the gross proceeds of such Sale Transaction, as a cost of such Sale Transaction, a cash fee (each being a "Subsequent Sale Transaction Fee") of:

i. $350,000 for the first subsequent Sale Transaction;

ii. $300,000 for the second subsequent Sale Transaction; and

iii. $250,000 for any subsequent Sale Transaction thereafter

Provided that under no circumstance will any Subsequent Sale Transaction Fee represent more than 10% of the AGC (as defined herein) of such subsequent Sale Transaction. The delta between the actual subsequent Sale Transaction Fee and the respective Sale Transaction Fee determined pursuant to Section 3 (c) (i), (ii), and (iii), above shall be added to the next subsequent Sale Transaction fee in Section 3 (c), if any;

d. *Financing Transaction Fee.* Upon the closing of each Financing Transaction (as defined herein), Houlihan Lokey shall earn, and the Company shall thereupon pay immediately and directly from the gross proceeds of such Financing Transaction, as a cost of such Financing Transaction, a cash fee ("Financing Transaction Fee") equal to the sum of: (I) 1.5% of the gross proceeds of any indebtedness raised or committed that is senior to other indebtedness of the Company, secured by a first priority lien and unsubordinated, with respect to both lien priority and payment, to any other obligations of the Company (other than with respect to debtor-in-possession financing); (II) 3.0% of the gross proceeds of any indebtedness raised or committed that is secured by a lien (other than a first lien), is unsecured and/or is subordinated; and (III) 5.0% of the gross proceeds of all equity or equity-linked securities (including, without limitation, convertible securities and preferred stock) placed or committed. Any warrants issued in connection with the raising of debt or equity capital shall, upon the exercise thereof, be considered equity for the purpose of calculating the Financing Transaction Fee, and such portion of the Financing Transaction Fee shall be paid upon such exercise and from the gross proceeds thereof, regardless of any prior termination or expiration of this Agreement. It is understood and agreed that if the proceeds of any such Financing Transaction are to be funded in more than one stage, Houlihan Lokey shall be entitled to its applicable compensation hereunder upon the closing date of each stage. The Financing Transaction Fee(s) shall be payable in respect of any sale of securities whether such sale has been arranged by Houlihan Lokey, by another agent (or other issuer of the Securities (as defined below) in such Financing Transaction) or directly by the Company. Any non-cash consideration provided to or received in connection with the Financing Transaction (including but not limited to intellectual or intangible property) shall be valued for purposes of calculating the Financing Transaction Fee as equaling the number of Securities issued in exchange for such consideration multiplied by (in the case of debt securities) the face value of each such Security or (in the case of equity securities) the price per Security paid in the then current round of financing. The fees set forth herein shall be in addition to any other fees that the Company may be required to pay to any investor or other purchaser of Securities to secure its financing commitment.

Any Restructuring Transaction Fee, Sale Transaction Fee, Subsequent Sale Transaction Fee, and Financing Transaction Fee is each referred to herein as a "Transaction Fee" and are collectively referred to

herein as "Transaction Fees." All payments received by Houlihan Lokey pursuant to this Agreement at any time shall become the property of Houlihan Lokey without restriction. No payments received by Houlihan Lokey pursuant to this Agreement will be put into a trust or other segregated account.

4. **Term and Termination.** This Agreement may be terminated at any time by either party upon thirty days' prior written notice of termination to the other party. The expiration or termination of this Agreement shall not affect (i) any provision of this Agreement other than Sections 1 through 3 and (ii) Houlihan Lokey's right to receive, and the Company's obligation to pay, any and all fees, expenses, and other amounts due, as set forth herein, whether or not any Transaction shall be consummated prior to or subsequent to the effective date of expiration or termination, as more fully set forth in this Agreement.

In addition, notwithstanding the expiration or termination of this Agreement, Houlihan Lokey shall be entitled to full payment by the Company of the Transaction Fees described in this Agreement: (i) so long as a Transaction is consummated during the term of this Agreement, or within 12 months after the date of expiration or termination of this Agreement ("Tail Period"), and/or (ii) if an agreement in principle to consummate a Transaction is executed by any entity comprising the Company during the term of this Agreement, or within the Tail Period, and such Transaction is consummated at any time following such execution with the counterparty named in such agreement, or with any affiliate or employee of, or investor in, such counterparty, or any affiliate of any of the foregoing.

5. **Agreement from Secured Lenders.** Houlihan Lokey's obligations to provide the services described herein are contingent upon, and expressly subject to, the execution of a waiver, subordination or similar agreement, in form and substance satisfactory to Houlihan Lokey, pursuant to which the Company's senior secured lenders consent to the performance of the Company's obligations under this Agreement, including, without limitation, the Company's payment of Houlihan Lokey's fees and expenses, herein , as a cost of any Transaction and free and clear of such lenders' security interests in the Company's assets.

6. **Transaction.** As used in this Agreement, the term "Transaction" shall mean any of the following:

(i) *Restructuring Transaction*. respect to any payment obligation) or any combination of the foregoing transactions (each a "Restructuring Transaction");

(ii) *Sale Transaction*. Any transaction or series of related transactions that constitute the disposition to one or more third parties (including, without limitation, any person, group of persons, partnership, corporation or other entity, and also including, among others, any of the existing owners, shareholders, employees, or creditors of any entity comprising the Company and/or the affiliates of each) in one or a series of related transactions of (a) a material portion of the equity securities of any entity comprising the Company or any interest held by any entity comprising the Company and/or (b) any material portion of the assets (including the assignment of any executory contracts) or operations of any entity comprising the Company or any joint venture or partnership or other entity formed by it, in either case, including, without limitation, through a sale or exchange of capital stock, options or assets with or without a purchase option, a merger, consolidation or other business combination, an exchange or tender offer, a recapitalization, the formation of a joint venture, partnership or similar entity, or any similar transaction, including, without limitation, any sale transaction under Sections 363, 1129 or any other provision of Title 11, United States Code (11 U.S.C. §§ 101 et seq.) (the "Bankruptcy Code") (each a "Sale Transaction"); provided, that notwithstanding the foregoing, the sale of *de minimis* assets under which the Company has engaged a third party liquidator or other similar asset disposition specialist (as agreed to in good faith by the Company and Houlihan Lokey) shall not constitute a Sale Transaction; or

(iii) *Financing Transaction.* (a) Any transaction or series of related transactions that constitutes any refinancing of all or any portion of the existing obligations of any entity comprising the Company and/or (b) the placement, raising or issuance of any form of equity, equity-linked or debt securities (including, without limitation, any convertible securities, preferred stock, unsecured, non-senior or subordinated debt securities, and/or senior notes or bank debt) or any loan or other financing, including any "debtor in possession financing" or "exit financing" in connection with a case under the Bankruptcy Code by any entity comprising the Company (any or all of which being "Securities"), from any source excluding, any of the existing owners, shareholders, employees, or lenders, including any successors thereto, of any entity comprising the Company (whether or not such transaction is effectuated in-court, out-of-court, through the confirmation of a plan of reorganization or otherwise under the Bankruptcy Code, or whether the requisite consents to such transaction(s) are obtained in-court or out-of-court) (each a "Financing Transaction").

7. **Aggregate Gross Consideration ("AGC").** For the purpose of calculating the Sale Transaction Fee and Subsequent Transaction Fees, the AGC shall be the gross proceeds and other consideration paid to, or received by, or to be paid to or received by, any entity comprising the Company, or any of its equity or debt holders, or other parties in interest, including, without limitation, holders of warrants and convertible securities, and holders of options or stock appreciation rights, whether or not vested (collectively "Constituents"), in connection with the relevant Sale Transaction, or any asset sales by third party liquidators or other similar asset disposition specialist. Such proceeds and consideration shall be deemed to include, without limitation: amounts in escrow and any deposits or other amounts forfeited by any investor; cash, notes, securities, and other property; payments made in installments; Contingent Payments (as defined below) and/or insurance proceeds upon the occurrence of an insurable event that diminishes the value of the Company. Upon the closing of a Sale Transaction in which less than 100% of the ownership of the equity interests are sold, the AGC shall be calculated as if 100% of the ownership of the equity interests of the Company on a fully diluted basis had been sold by dividing (i) the total consideration, whether in cash, securities, notes or other forms of consideration, received or receivable by the Company and/or its Constituents by (ii) the percentage of ownership which is sold. If, in the Sale Transaction, no consideration

is being paid in respect of the existing equity, AGC of the retained equity shall be determined by the good faith agreement of the parties as to the value of such retained equity implied by the Sale Transaction. In addition, if any of the liabilities of any entity comprising the Company are assumed, decreased, reinstated, satisfied or otherwise paid off in conjunction with a Sale Transaction (by any entity comprising the Company or any investor, in the form of "cure" payments or otherwise), or any of the assets of any entity comprising the Company are sold or otherwise transferred outside of the Company's ordinary course of business to another party prior to the closing of a Sale Transaction (including, without limitation, any dividends or distributions paid to security holders or amounts paid to repurchase any securities) or are retained by any entity comprising the Company after the closing of the Sale Transaction, the AGC will be increased to reflect the face value of any such liabilities and the fair market value of any such assets. Contingent Payments shall be defined as the consideration received or receivable by the Company, or any of its Constituents and/or any other parties in the form of deferred performance-based payments, "earn-outs", or other contingent payments based upon the future performance of any entity comprising the Company, or any of its businesses or assets.

8. **Value of Consideration.** For the purpose of calculating the AGC received in a Sale Transaction, any securities, other than a promissory note, will be valued at the time of the closing of the Sale Transaction, without regard to any restrictions on transferability, as follows: (i) if such securities are traded on a stock exchange, the securities will be valued at the average last sale or closing price for the ten trading days immediately prior to the closing of the Sale Transaction; (ii) if such securities are traded primarily in over-the-counter transactions, the securities will be valued at the mean of the closing bid and asked quotations similarly averaged over a ten trading day period immediately prior to the closing of the Sale Transaction; and (iii) if such securities have not been traded prior to the closing of the Sale Transaction, Houlihan Lokey and the Company shall negotiate in good faith to agree on a fair valuation thereof, without regard to any restrictions on transferability, for the purposes of calculating the AGC. For any lease payments and other consideration that is not freely tradable or has no established public market, if the consideration utilized consists of property other than securities, then the value of such property shall be the fair market value thereof as determined in good faith by Houlihan Lokey and the Company. If any consideration to be paid is computed in any foreign currency, the value of such foreign currency shall, for purposes hereof, be converted into U.S. dollars at the prevailing exchange rate on the date or dates on which such consideration is payable. The value of any purchase money or other promissory notes shall be deemed to be the face amount thereof. In the event the AGC includes any Contingent Payments, Houlihan Lokey's Transaction Fee shall be calculated based on the mutually agreed value of such Contingent Payments as of closing. If the parties cannot reach such an agreement, an additional Sale Transaction Fee shall be paid to Houlihan Lokey from, and on account of, such Contingent Payments at the same time that each of such Contingent Payments are received regardless of any prior termination or expiration of this Agreement. Each such additional Sale Transaction Fee shall be calculated pursuant to the provisions of this Agreement based upon the amount of each such Contingent Payment.

9. **Characterization of Multiple and/or Complex Transactions.** In the event the Company and Houlihan Lokey are unable to agree in good faith upon the classification of any single Transaction as a Restructuring Transaction, Sale Transaction or Financing Transaction, or if a single Transaction with only one third party shall consist of two, or more, of the foregoing types of Transactions, or elements thereof, Houlihan Lokey shall receive only one Transaction Fee in respect of such Transaction, which shall be equal to the greater of the Restructuring Transaction Fee, Sale Transaction Fee or Financing Transaction Fee, as applicable, as calculated in accordance with the terms of this Agreement. For the avoidance of doubt, if two or more single Transactions occur simultaneously or at different times, whether or not they are connected with or related to one another, the Company shall pay Houlihan Lokey the Transaction Fee for each such Transaction in addition to, and not in lieu of, each other.

10. **Reasonableness of Fees.** The parties acknowledge that this engagement will require a substantial professional commitment of time and effort by Houlihan Lokey. Moreover, the amount of time and effort may vary substantially during different periods of the engagement. As a result, in order to ensure the availability of all necessary professional resources, whenever required, Houlihan Lokey may be foreclosed from pursuing other alternative engagement opportunities. In light of the foregoing, and given: (i) the numerous issues which can currently be anticipated in engagements such as this, (ii) Houlihan Lokey's commitment to the variable level of time and effort necessary to address such issues, (iii) the expertise and capabilities of Houlihan Lokey that will be required in this engagement, and (iv) the market rate for Houlihan Lokey's services of this nature, whether in-court or out-of-court, the parties agree that the fee arrangement provided for herein is reasonable, fairly compensates Houlihan Lokey, and provides the requisite certainty to the Company. The parties further agree and acknowledge that: (a) additional issues and developments, not currently anticipated, may arise and have an impact upon the services to be rendered by Houlihan Lokey hereunder, and may result in substantially more work and/or services being performed by Houlihan Lokey than is anticipated at this time; and (b) as a result of such unanticipated issues and/or developments, the results of Houlihan Lokey's services under this Agreement may also be substantially more beneficial than anticipated at this time. Accordingly, in the event of the occurrence of (a) and/or (b), in the prior sentence, each of the parties to this Agreement may, at the conclusion of the services rendered by Houlihan Lokey pursuant hereto, agree to a modification of the Transaction Fees described herein to more appropriately reflect the actual work performed, services rendered and/or any extraordinary results achieved by Houlihan Lokey pursuant to its engagement hereunder.

11. **Expenses.** In addition to all of the other fees and expenses described in this Agreement, and regardless of whether any Transaction is consummated, the Company shall, upon Houlihan Lokey's request, reimburse Houlihan Lokey for its reasonable and documented out-of-pocket expenses incurred from time to time in connection with its services hereunder. Houlihan Lokey bills its clients for its reasonable out-of-pocket expenses including, but not limited to (i) travel-related and certain other expenses, without regard to volume-based or similar credits or rebates Houlihan Lokey may receive from, or fixed-fee arrangements made with, travel agents, airlines or other vendors, and (ii) research, database and similar information charges paid to third party vendors, and reprographics expenses, to perform client-related services that are not capable of being identified with, or charged to, a particular client or engagement in a reasonably practicable manner, based upon a uniformly applied monthly assessment or percentage of the fees due to Houlihan Lokey.

Houlihan Lokey shall, in addition, be reimbursed by the Company for the reasonable and documented fees and expenses of Houlihan Lokey's legal counsel incurred in connection with the negotiation and performance of this Agreement and the matters contemplated hereby.

12. **Invoicing and Payment.** All amounts payable to Houlihan Lokey shall be made in lawful money of the United States in accordance with the payment instructions set forth on the invoice provided with this Agreement, or to such accounts as Houlihan Lokey shall direct, and the Company shall provide contemporaneous written notice of each such payment to Houlihan Lokey. All amounts invoiced by Houlihan Lokey shall be exclusive of value added tax, withholding tax, sales tax and any other similar taxes ("Taxes"). All amounts charged by Houlihan Lokey will be invoiced together with Taxes where appropriate.

13. **Information.** The Company will provide Houlihan Lokey with access to management and other representatives of the Company and other participants in any Transaction, as reasonably requested by Houlihan Lokey. The Company will furnish Houlihan Lokey with such information as Houlihan Lokey may reasonably request for the purpose of carrying out its engagement hereunder, all of which will be, to the Company's best knowledge, accurate and complete at the time furnished. In addition, with respect to financial forecasts and projections that may be furnished to or discussed with Houlihan Lokey by the

Company or any other entity, Houlihan Lokey will be entitled to assume that such financial forecasts and projections have been or will be reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of the Company's or such other entity's management, as the case may be, as to the matters covered thereby. The Company will promptly notify Houlihan Lokey in writing of any material inaccuracy or misstatement in, or material omission from, any information previously delivered to, or discussed with, Houlihan Lokey, or any materials provided to any interested party. Houlihan Lokey shall rely, without independent verification, on the accuracy and completeness of all information that is publicly available and of all information furnished by or on behalf of the Company or any other potential party to any Transaction or otherwise reviewed by, or discussed with, Houlihan Lokey. The Company understands and agrees that Houlihan Lokey will not be responsible for the accuracy or completeness of such information, and shall not be liable for any inaccuracies or omissions therein. The Company acknowledges that Houlihan Lokey has no obligation to conduct any appraisal of any assets or liabilities of the Company or any other party or to evaluate the solvency of any party under any applicable laws relating to bankruptcy, insolvency or similar matters. Houlihan Lokey's role in reviewing any information is limited solely to performing such a review as it shall deem necessary to support its own advice and analysis and shall not be on behalf of any other party. Any advice (whether written or oral) rendered by Houlihan Lokey pursuant to this Agreement is intended solely for the use of the Board of Directors of the Company (solely in its capacity as such) in evaluating a Transaction, and such advice may not be relied upon by any other person or entity or used for any other purpose. Any advice rendered by, or other materials prepared by, or any communication from, Houlihan Lokey may not be disclosed, in whole or in part, to any third party, or summarized, quoted from, or otherwise referred to in any manner without the prior written consent of Houlihan Lokey. In addition, neither Houlihan Lokey nor the terms of this Agreement may otherwise be referred to without our prior written consent=.

14. **Confidential Information.** Houlihan Lokey acknowledges that, in connection with the services to be provided pursuant to this Agreement, certain confidential, non-public and proprietary information concerning the Company and the Transaction ("Confidential Information") has been or may be disclosed by the Company to Houlihan Lokey, any of its affiliates, or any of their respective agents, advisors, accountants, attorneys, employees, subcontractors, officers, directors and other representatives (collectively, "Representatives"). Houlihan Lokey agrees that, without the Company's prior consent, no Confidential Information will be disclosed, in whole or in part, to any other party (other than to any potential party to a Transaction under appropriate assurances of confidentiality, to those Representatives who need access to any Confidential Information for purposes of performing the services to be provided hereunder, or as may be required by law or regulatory authority). The term "Confidential Information" does not include any information: (a) that was already in the possession of Houlihan Lokey or any of its Representatives, or that was available to Houlihan Lokey or any of its Representatives on a non-confidential basis, prior to the time of disclosure to Houlihan Lokey or such Representatives; (b) obtained by Houlihan Lokey or any of its Representatives from a third party which, insofar as is known to Houlihan Lokey or such Representatives, is not subject to any prohibition against disclosure; (c) which was or is independently developed by Houlihan Lokey or any of its Representatives without violating any confidentiality obligations under this paragraph; or (d) which was or becomes generally available to the public through no fault of Houlihan Lokey. If Houlihan Lokey becomes required by legal process or requested by regulatory authority to disclose any Confidential Information, prompt notice thereof (to the extent legally permissible) shall be given to the Company (provided that no notification shall be required in respect of any disclosure to regulatory authorities having jurisdiction over Houlihan Lokey), and Houlihan Lokey may disclose only that information which its counsel advises it is compelled to disclose. The obligations set forth in this paragraph shall remain in effect for a period of one year after the Effective Date.

15. **Additional Provisions Regarding Financing Transaction.** The Company authorizes Houlihan Lokey to provide an information memorandum (or similar document) (as such document may be amended or supplemented and including any information incorporated therein by reference, the "Information

Memorandum") and other pertinent information to prospective investors and other purchasers which are approved by the Company and subject to execution by each such prospective investor or other purchaser of a confidentiality agreement and agrees not to transmit the Information Memorandum to prospective investors or other purchasers without Houlihan Lokey's prior approval. The Company will be solely responsible for the contents of the Information Memorandum and any and all other written or oral communications provided by or on behalf of the Company to any actual or prospective investor or other purchaser. The Company represents and warrants that the Information Memorandum and such other communications will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. If an event occurs as a result of which the Information Memorandum (as then supplemented or amended) would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, the Company will promptly notify Houlihan Lokey of such event and Houlihan Lokey will suspend solicitations of prospective investors and other purchasers until such time as the Company prepares (and the Company agrees that, if the solicitation of prospective investors and other purchasers has been so suspended after the Company has accepted orders from prospective investors or other purchasers, the Company will promptly prepare) a supplement or amendment to the Information Memorandum which corrects such statement(s) or omission(s). The Company will (i) make available to each bona fide offeree of the Securities such information (in addition to that contained in the Information Memorandum) concerning the offering of the Securities, the Company and any other relevant matters, and (ii) provide each bona fide offeree the opportunity to ask questions of, and receive answers from, the officers and employees of the Company concerning the terms and conditions of the offering of the Securities.

The Company acknowledges that closing of a Financing Transaction is subject, among other factors, to acceptable documentation, market conditions, and satisfaction of the conditions set forth in one or more agreements to be entered into with any financier, lender, investor or other purchaser of Securities. It is expressly understood that this engagement does not constitute any commitment, express or implied, on the part of Houlihan Lokey to acquire, and does not ensure the successful placement of, any portion of the Securities. The Company further acknowledges and agrees that Houlihan Lokey is not acting as an underwriter of the Securities and shall have no responsibility or obligation to underwrite the Securities.

In connection with all offers and sales of the Securities, the Company will cause to be addressed and delivered to Houlihan Lokey a written opinion of Company counsel acceptable to Houlihan Lokey containing (i) an opinion to the effect that the placement of Securities was exempt from registration under the Securities Act of 1933, as amended (the "Act"), and (ii) any other opinions of counsel that have been provided to investors or other purchasers of the Securities or which Houlihan Lokey may reasonably request. The Company also will cause to be furnished to Houlihan Lokey at or after each closing of a sale of Securities copies (addressed to Houlihan Lokey, if requested and as appropriate) of such agreements, opinions, certificates and other documents (including, without limitation, accountant's letters) as Houlihan Lokey may reasonably request. The Company hereby acknowledges and agrees that Houlihan Lokey shall be entitled to rely upon the representations and warranties made (whether pursuant to a subscription agreement or in any other format) to investors or other purchasers of Securities and the Company shall be deemed to have made such representations and warranties to and for the benefit of Houlihan Lokey.

It is understood that the offer and sale of the Securities in a Financing Transaction will be exempt from the registration requirements of the Act, pursuant to Section 4(a)(2) thereof. The Company has not taken, and will not take, any action, directly or indirectly, so as to cause the transactions contemplated by this Agreement to fail to be entitled to exemption under Section 4(a)(2) of the Act. The Company will promptly from time to time take such reasonable action as necessary to qualify the Securities as a private placement under the securities laws of such States and foreign jurisdictions as any prospective investor or

other purchaser may reasonably request and will comply with applicable laws. The Company shall cause the issuer of the Securities to offer and sell the Securities only to investors and other purchasers of the Securities that they reasonably believe to be "accredited investors", as defined in Rule 501 of Regulation D under the Act. The Company will cause the issuer of the Securities to file in a timely manner with the Securities and Exchange Commission (the "SEC") and/or each other regulatory authority any notices or other filings with respect to the Securities required by Rule 503 of Regulation D under the Act and/or other applicable law or regulation and will upon request furnish to Houlihan Lokey a signed copy of each such notice or filing promptly after its submission.

16. **Limitations on Services as Advisor.** Houlihan Lokey's services are limited to those specifically provided in this Agreement, or subsequently agreed upon in writing by the parties hereto. Houlihan Lokey shall have no obligation or responsibility for any other services including, without limitation, any crisis management or business consulting services related to, among other things, the implementation of any operational, organizational, administrative, cash management, or similar activities. The parties understand that Houlihan Lokey is being engaged hereunder as an independent contractor to provide the services hereunder solely to the Company, and that Houlihan Lokey is not acting as an agent or fiduciary of the Company, its security holders or creditors or any other person or entity in connection with this engagement, and the Company agrees that it shall not make, and hereby waives, any claim based on an assertion of such an agency or fiduciary relationship. In performing its services pursuant to this Agreement, Houlihan Lokey is not assuming any responsibility for the Company's decision on whether to pursue, endorse or support any business strategy, or to effect, or not to effect, any Transaction(s), which decision shall be made by the Company in its sole discretion. Any duties of Houlihan Lokey arising by reason of this Agreement or as a result of the services to be rendered by Houlihan Lokey hereunder will be owed solely to the Company.

17. **Bankruptcy Court Approval.** In the event that the Company is or becomes a debtor under Chapter 11 of the Bankruptcy Code, whether voluntarily or involuntarily, the Company shall seek an order authorizing the employment of Houlihan Lokey pursuant to the terms of this Agreement, as a professional person pursuant to, and subject to the standard of review of, Section 328(a) of the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and applicable local rules and orders and not subject to any other standard of review under Section 330 of the Bankruptcy Code. In so agreeing to seek Houlihan Lokey's retention under Section 328(a) of the Bankruptcy Code, the Company acknowledges that it believes that Houlihan Lokey's general restructuring experience and expertise, its knowledge of the capital markets and its merger and acquisition capabilities will inure to the benefit of the Company in pursuing any Transaction, that the value to the Company of Houlihan Lokey's services derives in substantial part from that expertise and experience and that, accordingly, the structure and amount of the contingent Transaction Fee(s) is reasonable regardless of the number of hours to be expended by Houlihan Lokey's professionals in the performance of the services to be provided hereunder. The Company shall submit Houlihan Lokey's employment application as soon as practicable following the Company's filing of a voluntary Chapter 11 case, or the entry of an order for relief in any involuntary case filed against the Company, and use its best efforts to cause such application to be considered on the most expedited basis. The employment application and the proposed order authorizing employment of Houlihan Lokey shall be provided to Houlihan Lokey as much in advance of any Chapter 11 filing as is practicable, and must be acceptable to Houlihan Lokey in its sole discretion. Following entry of the order authorizing the employment of Houlihan Lokey, the Company shall pay all fees and expenses due pursuant to this Agreement, as approved by the court having jurisdiction of the bankruptcy case involving the Company (the "Bankruptcy Court"), as promptly as possible in accordance with the terms of this Agreement and the order of such Bankruptcy Court, the Bankruptcy Code, the Bankruptcy Rules and applicable local rules and orders, and will work with Houlihan Lokey to promptly file any and all necessary applications regarding such fees and expenses with the Bankruptcy Court. Houlihan Lokey shall have no obligation to provide services under this Agreement in the event that the Company becomes a debtor under the Bankruptcy Code unless Houlihan Lokey's retention under this Agreement is approved under Section 328(a) of the

Bankruptcy Code by final order of the Bankruptcy Court no longer subject to appeal, rehearing, reconsideration or petition for certiorari, and which is acceptable to Houlihan Lokey in all respects. If the order authorizing the employment of Houlihan Lokey is not obtained, or is later reversed or set aside for any reason, Houlihan Lokey may terminate this Agreement, and the Company shall reimburse Houlihan Lokey for all fees and expenses reasonably incurred prior to the date of expiration or termination, subject to the requirements of the Bankruptcy Code, Bankruptcy Rules and applicable local rules and orders. Prior to commencing a Chapter 11 case, the Company shall pay all amounts due and payable to Houlihan Lokey in cash. The terms of this Section are solely for the benefit of Houlihan Lokey, and may be waived, in whole or in part, only by Houlihan Lokey.

18. **Additional Services.** To the extent Houlihan Lokey is requested by the Company to perform any financial advisory or investment banking services which are not within the scope of this engagement (such as rendering a fairness opinion), the Company shall pay Houlihan Lokey such fees as shall be mutually agreed upon by the parties hereto in writing, in advance, depending on the level and type of services required, and shall be in addition to the fees and expenses described hereinabove.

19. **Required Services.** If Houlihan Lokey is required to render services not described herein, but which relate directly or indirectly to the subject matter of this Agreement (including, but not limited to, producing documents, answering interrogatories, attending depositions, giving expert or other testimony, whether by subpoena, court process or order, or otherwise), the Company shall pay Houlihan Lokey additional fees to be mutually agreed upon for such services, plus reasonable and documented related out-of-pocket costs and expenses, including, among other things, the reasonable and documented legal fees and expenses of Houlihan Lokey's counsel in connection therewith.

20. **Credit.** After the announcement or closing of any Transaction, Houlihan Lokey may, at its own expense, place announcements on its corporate website and in financial and other newspapers and periodicals (such as a customary "tombstone" advertisement, including the Company's logo or other identifying marks) describing its services in connection therewith. Furthermore, if requested by Houlihan Lokey, the Company agrees that in any press release announcing any Transaction, the Company will include in such press release a mutually acceptable reference to Houlihan Lokey's role as financial advisor to the Company with respect to such Transaction.

21. **Choice of Law; Jury Trial Waiver; Jurisdiction. THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN NEW YORK. THIS AGREEMENT AND ALL DISPUTES ARISING OUT OF OR RELATED TO THIS AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS. EACH OF HOULIHAN LOKEY AND THE COMPANY (ON ITS OWN BEHALF AND, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ON BEHALF OF ITS EQUITY HOLDERS) IRREVOCABLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) RELATED TO OR ARISING OUT OF THE ENGAGEMENT OF HOULIHAN LOKEY PURSUANT TO, OR THE PERFORMANCE BY HOULIHAN LOKEY OF THE SERVICES CONTEMPLATED BY, THIS AGREEMENT. REGARDLESS OF ANY PRESENT OR FUTURE DOMICILE OR PRINCIPAL PLACE OF BUSINESS OF THE PARTIES HERETO, EACH PARTY HEREBY IRREVOCABLY CONSENTS AND AGREES THAT ANY CLAIMS OR DISPUTES BETWEEN OR AMONG THE PARTIES HERETO ARISING OUT OF OR RELATED TO THIS AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) SHALL BE BROUGHT AND MAINTAINED IN ANY FEDERAL OR STATE COURT OF COMPETENT JURISDICTION SITTING IN THE COUNTY OF NEW YORK IN THE STATE OF NEW YORK OR IN THE UNITED STATES DISTRICT COURT FOR THE**

SOUTHERN DISTRICT OF NEW YORK, WHICH COURTS SHALL HAVE EXCLUSIVE JURISDICTION OVER THE ADJUDICATION OF SUCH MATTERS, AND AGREES TO VENUE IN SUCH COURTS; PROVIDED THAT SUCH CONSENT AND AGREEMENT SHALL NOT BE DEEMED TO REQUIRE ANY BANKRUPTCY CASE INVOLVING THE COMPANY TO BE FILED IN SUCH COURTS, AND IF THE COMPANY BECOMES A DEBTOR UNDER CHAPTER 11 OF THE BANKRUPTCY CODE, DURING ANY SUCH CASE, ANY CLAIMS MAY ALSO BE HEARD AND DETERMINED BEFORE THE BANKRUPTCY COURT. EACH PARTY FURTHER IRREVOCABLY SUBMITS AND CONSENTS IN ADVANCE EXCLUSIVELY TO SUCH JURISDICTION AND VENUE IN ANY ACTION OR SUIT COMMENCED IN ANY SUCH COURTS, AND HEREBY WAIVES IN ALL RESPECTS ANY CLAIM OR OBJECTION WHICH IT MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE OR FORUM NON CONVENIENS. THE COMPANY AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, SUIT OR CLAIM BROUGHT IN ANY OF THE COURTS REFERRED TO ABOVE SHALL BE CONCLUSIVE AND BINDING UPON IT AND MAY BE ENFORCED IN ANY OTHER COURTS HAVING JURISDICTION OVER IT BY SUIT UPON SUCH JUDGMENT. THE COMPANY IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ALL SUCH DISPUTES BY THE MAILING OF COPIES OF SUCH PROCESS TO THE COMPANY AT 6501 CONGRESS AVENUE, SUITE 300, BOCA RATON, FL 33487.

22. **Indemnification and Standard of Care.** As a material part of the consideration for the agreement of Houlihan Lokey to furnish its services under this Agreement, the Company agrees (i) to indemnify and hold harmless Houlihan Lokey and its affiliates, and their respective past, present and future directors, officers, partners, members, employees, agents, representatives, advisors, subcontractors and controlling persons (collectively, the "Indemnified Parties"), to the fullest extent lawful, from and against any and all losses, claims, damages or liabilities (or actions in respect thereof), joint or several, arising out of or related to Houlihan Lokey's engagement under, or any matter referred to in, this Agreement, and (ii) to reimburse each Indemnified Party for all expenses (including, without limitation, the reasonable and documented fees and expenses of counsel) as they are incurred in connection with investigating, preparing, pursuing, defending, settling, compromising or otherwise becoming involved in any action, suit, dispute, inquiry, investigation or proceeding, pending or threatened, brought by or against any person or entity (including, without limitation, any shareholder or derivative action or any claim to enforce this Agreement), arising out of or related to such engagement or matter. However, the Company shall not be liable under the foregoing indemnification provision for any loss, claim, damage or liability which is finally judicially determined by a court of competent jurisdiction to have resulted primarily from actual fraud, bad faith, the willful misconduct or gross negligence of such Indemnified Party.

If for any reason the foregoing indemnification or reimbursement is unavailable to any Indemnified Party or insufficient fully to indemnify any Indemnified Party or to hold it harmless, then the Company shall contribute to the amount paid or payable by such Indemnified Party as a result of the losses, claims, damages, liabilities or expenses referred to in subsections (i) or (ii) of such indemnification or reimbursement provisions in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and Houlihan Lokey, on the other hand, in connection with the matters contemplated by this Agreement. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then the Company shall contribute to such amount paid or payable by such Indemnified Party in such proportion as is appropriate to reflect not only such relative benefits, but also the relative fault of the Company (and its affiliates, and their respective directors, employees, agents and other advisors), on the one hand, and such Indemnified Party, on the other hand, in connection therewith, as well as any other relevant equitable considerations. Notwithstanding the foregoing, in no event shall the Indemnified Parties be required to contribute an aggregate amount in excess of the amount of fees actually received by Houlihan Lokey from the Company pursuant to this Agreement. Relative benefits received by the Company, on the one hand, and Houlihan Lokey, on the other hand, shall

be deemed to be in the same proportion as (i) the total value paid or received or contemplated to be paid or received by the Company, and its security holders, creditors, and other affiliates, as the case may be, pursuant to the transaction(s) (whether or not consummated) contemplated by the engagement hereunder, bears to (ii) the fees received by Houlihan Lokey under this Agreement. The Company shall not settle, compromise or consent to the entry of any judgment in or otherwise seek to terminate any pending or threatened action, suit, dispute, inquiry, investigation or proceeding arising out of or related to Houlihan Lokey's engagement under, or any matter referred to in, this Agreement (whether or not an Indemnified Party is an actual or potential party thereto), or participate in or otherwise facilitate any such settlement, compromise, consent or termination by or on behalf of any person or entity, unless such settlement, compromise, consent or termination contains a release of the Indemnified Parties reasonably satisfactory in form and substance to Houlihan Lokey.

The Company further agrees that neither Houlihan Lokey nor any other Indemnified Party shall have any liability (whether direct or indirect and regardless of the legal theory advanced) to the Company or any person or entity asserting claims on behalf of or in right of the Company arising out of or related to Houlihan Lokey's engagement under, or any matter referred to in, this Agreement, except for losses, claims, damages or liabilities incurred by the Company which are finally judicially determined by a court of competent jurisdiction to have resulted primarily from the willful misconduct or gross negligence of such Indemnified Party.

The Company shall cause any new company or entity that may be formed by the Company, for any purpose, to agree to all of the obligations in this Section to Houlihan Lokey in accordance with the foregoing provisions. Prior to entering into any agreement or arrangement with respect to, or effecting, any (i) merger, statutory exchange or other business combination or proposed sale, exchange, dividend or other distribution or liquidation of all or a significant portion of its assets, or (ii) significant recapitalization or reclassification of its outstanding securities that does not directly or indirectly provide for the assumption of the obligations of the Company set forth in this Agreement, the Company will notify Houlihan Lokey in writing thereof (if not previously so notified) and, if requested by Houlihan Lokey, shall arrange in connection therewith alternative means of providing for the obligations of the Company set forth in this Agreement, including the assumption of such obligations by another party, insurance, surety bonds, the creation of an escrow, or other credit support arrangements, in each case in an amount and upon terms and conditions satisfactory to Houlihan Lokey.

The indemnity, reimbursement, and other obligations and agreements of the Company set forth herein (i) shall apply to any services provided by Houlihan Lokey in connection with this engagement prior to the Effective Date and to any modifications of this Agreement, (ii) shall be in addition to any obligation or liability which the Company may otherwise have to any Indemnified Party, and (iii) shall survive the completion of the services described in, and any expiration or termination of the relationship established by, this Agreement. The Company agrees that Houlihan Lokey would be irreparably injured by any breach of any such obligations or agreements, that money damages alone would not be an adequate remedy for any such breach and that, in the event of any such breach, Houlihan Lokey shall be entitled, in addition to any other remedies, to injunctive relief and specific performance.

23. **Miscellaneous.** This Agreement shall be binding upon the parties hereto and their respective successors, heirs and assigns and any successor, heir or assign of any substantial portion of such parties' respective businesses and/or assets, including any Chapter 11 or Chapter 7 trustee appointed on behalf of the Company.

Nothing in this Agreement, express or implied, is intended to confer or does confer on any person or entity, other than the parties hereto, the Indemnified Parties and each of their respective successors, heirs

and assigns, any rights or remedies (directly or indirectly as a third party beneficiary or otherwise) under or by reason of this Agreement or as a result of the services to be rendered by Houlihan Lokey hereunder.

This Agreement is the complete and exclusive statement of the entire understanding of the parties regarding the subject matter hereof, and supersedes all previous agreements or understandings regarding the same, whether written or oral. This Agreement may not be amended, and no portion hereof may be waived, except in a writing duly executed by the parties hereto.

The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect pursuant to the terms hereof.

To help the United States government fight the funding of terrorism and money laundering activities, the federal law of the United States requires all financial institutions to obtain, verify and record information that identifies each person with whom they do business as a condition to doing business with that person. Accordingly, the Company will provide Houlihan Lokey upon request (i) certain information regarding the identities of all individuals who, directly or indirectly, own 25% or more of the Company's equity interests as well as the Company's executive officers, and (ii) certain identifying information necessary to verify the Company's identity, such as a government-issued identification number (e.g., a U.S. taxpayer identification number), certified articles of incorporation, a government-issued business license, partnership agreement, or trust instrument. By executing this Agreement, the Company confirms that all such information provided to Houlihan Lokey is accurate and complete.

This Agreement may be executed in any number of counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. Such counterparts may be delivered by one party to the other by facsimile or other electronic transmission, and such counterparts shall be valid for all purposes.

The Company has all requisite power and authority to enter into this Agreement. This Agreement has been duly and validly authorized by all necessary action on the part of the Company and has been duly executed and delivered by the Company and constitutes a legal, valid and binding agreement of the Company, enforceable in accordance with its terms. This Agreement has been reviewed by the signatories hereto and their counsel. There shall be no construction of any provision against Houlihan Lokey because this Agreement was drafted by Houlihan Lokey, and the parties waive any statute or rule of law to such effect.

The Company agrees that it will be solely responsible for ensuring that any Transaction complies with applicable law. The Company understands that Houlihan Lokey is not undertaking to provide any legal, regulatory, accounting, insurance, tax or other similar professional advice and the Company confirms that it is relying on its own counsel, accountants and similar advisors for such advice.

To the extent that the Company hereunder is comprised of more than one entity or company, the obligations of the Company under this Agreement are joint and several, and any consent, direction, approval, demand, notice or the like given by any one of such entities or companies shall be deemed given by all of them and, as such, shall be binding on the Company.

The Company understands and acknowledges that Houlihan Lokey and its affiliates (collectively, the "Houlihan Lokey Group") engage in providing investment banking, securities trading, financing, financial advisory, and consulting services and other commercial and investment banking products and services to a wide range of institutions and individuals. In the ordinary course of business, the Houlihan Lokey Group and certain of its employees, as well as investment funds in which they may have financial

interests or with which they may co-invest, may acquire, hold or sell, long or short positions, or trade or otherwise effect transactions, in debt, equity, and other securities and financial instruments (including bank loans and other obligations) of, or investments in, the Company or any other party that may be involved in the matters contemplated by this Agreement or have other relationships with such parties. With respect to any such securities, financial instruments and/or investments, all rights in respect of such securities, financial instruments and investments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion. In addition, the Houlihan Lokey Group may in the past have had, and may currently or in the future have, financial advisory or other investment banking or consulting relationships with parties involved in the matters contemplated by this Agreement, including parties that may have interests with respect to the Company, a Transaction or other parties involved in a Transaction, from which conflicting interests or duties may arise. Although the Houlihan Lokey Group in the course of such other activities and relationships or otherwise may have acquired, or may in the future acquire, information about the Company, a Transaction or such other parties, or that otherwise may be of interest to the Company, the Houlihan Lokey Group shall have no obligation to, and may not be contractually permitted to, disclose such information, or the fact that the Houlihan Lokey Group is in possession of such information, to the Company or to use such information on the Company's behalf.

In order to enable Houlihan Lokey to bring relevant resources to bear on its engagement hereunder from among its global affiliates, the Company agrees that Houlihan Lokey may share information obtained from the Company and other parties hereunder with other members of the Houlihan Lokey Group, and may perform the services contemplated hereby in conjunction with such other members.

If the foregoing correctly sets forth our agreement, please sign and return to us a copy of this Agreement along with a check (or wire transfer confirmation) for $100,000 on account of the first Monthly Fee.

Time-Keeping Requirements, and (D) Granting Related Relief (the "Application").[2] Except as otherwise noted, I have personal knowledge of the matters set forth herein and, if called as a witness, I could and would testify thereto.

2. This Declaration is also submitted in compliance with sections 105, 327(a), 328(a), and 1107(a) of the Bankruptcy Code, Bankruptcy Rules 2014(a) and 2016, and and Local Rules 2014(a) and 2016-1.

Houlihan Lokey's Disinterestedness

3. From time to time, Houlihan Lokey's Financial Restructuring Group, which is providing the services in this case, has provided services and likely will continue to provide services to certain attorneys, other professionals, creditors (including lenders) and/or security holders of the above-captioned debtors and debtors in possession (collectively, the "Debtors") and various other parties, some of whom may be providing services to or may be adverse to or may be otherwise connected to the Debtors, in matters unrelated to these chapter 11 cases.

4. In addition to its Financial Restructuring Group, Houlihan Lokey and the other subsidiaries of its direct parent company, Houlihan Lokey, Inc., that are engaged in providing investment banking and financial advisory services globally (collectively, the "Houlihan Lokey Group") provide services to a wide range of institutions and individuals and, in the past, may have had and currently may have or, in the future, may have financial advisory or other investment banking or consulting relationships with parties that may have interests with respect to the Debtors. In the ordinary course of business, investment funds affiliated with the Houlihan Lokey Group and certain of the Houlihan Lokey Group's employees, as well as investment funds in which such

[2] Unless otherwise defined herein, capitalized terms used herein shall have the meanings set forth to them in the Application.

employees may have financial interests in, but over whose investment decisions such employees have no input or control, may acquire, hold, or sell long or short positions or trade or otherwise effect transactions in debt, equity, and other securities and financial instruments (including bank loans and other obligations) of or investments in the Debtors or other parties that may have an interest in these chapter 11 cases or have other relationships with such parties. All rights with respect to any such securities, financial instruments, and/or investments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion. Moreover, the Houlihan Lokey employees who are working on these chapter 11 cases are subject to compliance mechanisms and policies and procedures designed to prevent confidential, non-public information from being improperly shared.

5. The Houlihan Lokey Group's Hedge Fund and Derivatives Valuation Services Group provides valuation opinions on the securities and derivative holdings of various business development companies, private equity firms, and hedge funds, which may include debt securities of the Debtors. This work is unrelated to the financial advisory and investment banking services that Houlihan Lokey intends to provide in these chapter 11 cases. Moreover, the Houlihan Lokey Group, through the establishment of an "Information Wall" has separated its employees in the Hedge Fund and Derivatives Valuation Services Group from the rest of the employees of the Houlihan Lokey Group. This "Information Wall" includes physical and technological barriers, compliance mechanisms, and policies and procedures designed to prevent confidential, non-public information and work product from being shared improperly.

6. In the ordinary course of its business, Houlihan Lokey from time to time discusses issues concerning stressed and distressed companies with creditors and prospective creditors that are clients of the firm or that otherwise contact Houlihan Lokey or that are referred to the firm in

light of Houlihan Lokey's reputation for covering such companies and/or relevant industry expertise. At the time of those contacts, it is not known whether any particular company will actually file for bankruptcy or if any of these creditors and/or potential creditors will serve on any future committee or even be a creditor of the relevant estate in the event of a future bankruptcy.

7. Houlihan Lokey personnel may have business associations with certain creditors of the Debtors or counsel or other professionals involved in these chapter 11 cases on matters unrelated to these chapter 11 cases. In addition, in the ordinary course of its business, Houlihan Lokey may engage counsel or other professionals in unrelated matters who now represent or, in the future, may represent creditors or other interested parties in these chapter 11 cases.

8. To determine its relationship with parties in interest in these chapter 11 cases, Houlihan Lokey has researched the client databases maintained with respect to the Houlihan Lokey Group to determine whether it has any relationships with the entities (individually, an "Interested Party" and, collectively, the "Interested Parties") that were identified to Houlihan Lokey by the Debtors and which are listed on **Annex 2** hereto. Categories in which such entities fall include:

a. Company Entities;

b. Directors and Officers;

c. Counterparties to Significant Executory Contracts;

d. Customers;

e. Landlords;

f. Lenders and Sponsor;

g. Professionals;

h. Shareholders Taxing Authorities; and

i. Top 50 General Unsecured Creditors

9. The attached **Annex 3** details the relationship check performed by Houlihan Lokey, and identifies any relationships discovered through such investigation that members of the Houlihan Lokey Group have with any Interested Parties in these chapter 11 cases. All such relationships disclosed on **Annex 3** pertain to matters unrelated to the Debtors or their estates, and Houlihan Lokey will not represent such parties listed on **Annex 3** in these bankruptcy proceedings.

10. To the best of my knowledge, information and belief after reasonable inquiry, other than as disclosed in this Declaration, neither I, the Houlihan Lokey Group, nor any of our professionals or employees participating in or connected with Houlihan Lokey's engagement with the Debtors: (a) has any connection with or holds or represents any interest adverse to the Debtors, their estates, their creditors, or any other Interested Party or their respective attorneys in the matters on which Houlihan Lokey is proposed to be retained; or (b) has advised any Interested Party in connection with these chapter 11 cases. In addition, Houlihan Lokey does not believe that any relationship that the Houlihan Lokey Group or any of our professionals or employees participating in or connected with Houlihan Lokey's engagement with the Debtors may have with any Interested Party in connection with any unrelated matter will interfere with or impair Houlihan Lokey's representation of the Debtors in these chapter 11 cases.

11. In addition, to the best of my knowledge, information, and belief and in accordance with Bankruptcy Rules 5002, neither I, nor or any of our professionals or employees participating in or connected with Houlihan Lokey's engagement with the Debtors is a relative of the United States Bankruptcy Judge assigned to these chapter 11 cases, and Houlihan Lokey does not have a connection with the United States Bankruptcy Judge that would render its retention in these cases improper. Further, to the best of my knowledge, information, and belief and in accordance with

Bankruptcy Rule 2014, Houlihan Lokey does not have any connection with the Office of the U.S. Trustee or any persons employed by the U.S. Trustee.

12. To the extent Houlihan Lokey discovers any facts bearing on the matters described herein during the period of Houlihan Lokey's retention, Houlihan Lokey undertakes to amend and supplement the information contained in this Declaration to disclose such facts.

13. Based on all of the foregoing, Houlihan Lokey is a "disinterested person" as that term is defined in section 101(14) of the Bankruptcy Code.

14. No agreement or understanding presently exists to share with any other person or firm any compensation received by Houlihan Lokey for its services in these cases. If any such agreement is entered into, Houlihan Lokey undertakes to amend and supplement this Declaration to disclose the terms of any such agreement.

15. No promises have been received by Houlihan Lokey or by any employee thereof as to compensation in connection with these cases other than in accordance with the provisions of the Bankruptcy Code.

Indemnification

16. The Engagement Agreement includes a provision for the indemnification of Houlihan Lokey by the Debtors. I believe that the indemnification provision in the Engagement Agreement is generally consistent in all material respects with the indemnification provision contained in Houlihan Lokey's standard engagement letter for both in- and out-of-court investment banking services (including sell- and buy-side mergers and acquisitions advisory services). Further, similar indemnification arrangements have been approved by courts as part of Houlihan Lokey's retention in other bankruptcy matters.

17. The indemnification provisions contained in the Engagement Agreement are important and necessary to limit the exposure of advisors to potential future liability for decisions

made based on all material information reasonably available. Further, to the best of my knowledge, such indemnification provisions are consistent with the marketplace. I believe that the indemnification provisions contained in the Engagement Agreement are appropriate and reasonable for the engagement of Houlihan Lokey as financial advisor and investment banker in these chapter 11 cases.

Compliance With Bankruptcy Code and Bankruptcy Rules

18. I am generally familiar with the Bankruptcy Code and the Bankruptcy Rules, and Houlihan Lokey will comply with them, subject to the orders of this Court.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

19. Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

IT IS HEREBY ORDERED:

1. The Application is granted to the extent set forth in this Order.

2. The retention and employment of Houlihan Lokey as financial advisor and investment banker to the Debtors pursuant to sections 327 and 328(a) of the Bankruptcy Code, Bankruptcy Rules 2014(a) and 2016, and Local Rules 2014-1 and 2016-1, *nunc pro tunc* to the Petition Date, on the terms and conditions set forth in the Engagement Agreement and the Application, is approved, subject to the terms of this Order and the following modifications to the Engagement Agreement as set forth herein.

3. None of the fees payable to Houlihan Lokey, pursuant to the Engagement Agreement, shall constitute a "bonus" or fee enhancement under applicable law.

4. Houlihan Lokey shall file interim and final fee applications for allowance of compensation and reimbursement of expenses, including without limitation, any Monthly Fees and/or Transaction Fees, pursuant to sections 330 and 331 of the Bankruptcy Code, the Bankruptcy Rules, the *Order Establishing Procedures for Monthly Compensation and Reimbursement of Expenses of Professionals*, dated December 21, 2010 (General Order M-412), the Amended Guidelines, and any other orders of the Court; *provided, however*, that the interim and final fee applications filed by Houlihan Lokey shall be subject to review only pursuant to the standard of review set forth in section 328 of the Bankruptcy Code and not subject to the standard of review set forth in section 330 of the Bankruptcy Code, except as otherwise expressly set forth herein.

5. Notwithstanding the preceding paragraph, the U.S. Trustee and the Court shall retain the right to object to the compensation and fees and expenses to be paid to Houlihan Lokey pursuant to the Application and the Engagement Agreement, based on the reasonableness standard provided for in section 330 of the Bankruptcy Code, and the Court shall consider any such objection by the U.S. Trustee under section 330 of the Bankruptcy Code; *provided* that reasonableness for this purpose shall include, among other things, an evaluation by comparing the fees payable in this case to the fees paid to other investment banking firms for comparable services in other chapter 11 cases and outside of chapter 11 cases, and shall not be evaluated primarily on the basis of time committed or the length of these cases.

6. The Debtors are authorized to employ and retain and compensate and reimburse Houlihan Lokey pursuant to the terms of the Engagement Agreement as modified by this Order.

7. Notwithstanding Section 3(ii)(a) of the Engagement Agreement, the Restructuring Transaction Fee shall be payable, if at all, upon the effective date of a plan as opposed to confirmation of the plan.

8. Notwithstanding anything to the contrary in the Engagement Agreement, in the event that a Sale Transaction is consummated and Houlihan Lokey is paid a Sale Transaction Fee in connection therewith, upon the consummation of a subsequent Restructuring Transaction, including a plan of liquidation, Houlihan Lokey shall be entitled to receive an additional restructuring transaction fee in the amount of $350,000.00, $300,000.00, or $250,000.00, as applicable, as if such Restructuring Transaction was a Sale Transaction and not a standalone Restructuring Transaction.

9. Notwithstanding Section 3(ii)(d)(III) of the Engagement Agreement, the Court is not presently approving the provisions of the Engagement Agreement relating to the provision of services with respect to an equity or equity-linked securities Financing Transaction or the payment of a Financing Transaction Fee in respect of such a transaction, without prejudice to the Debtors' right to file a subsequent application with respect to approval of any such services and fees.

10. Notwithstanding anything to the contrary in the Engagement Agreement, if the Debtors cease operations and elect to liquidate all or substantially all of their assets prior to any Sale Transaction, Houlihan Lokey shall not be entitled to a Restructuring Transaction Fee or a Sale Transaction Fee.

11. Notwithstanding anything to the contrary in the Engagement Agreement, to the extent the Debtors wish to expand the scope of Houlihan Lokey's services beyond those services approved in this Order or pay additional fees to Houlihan Lokey that are not the Monthly Fees or Transaction Fees described in the Engagement Agreement and approved in this Order, the Debtors

shall be required to seek further approval from this Court. The Debtors shall file notice of any proposed additional services or fees and any underlying engagement agreement with the Court and serve such notice on the U.S. Trustee, the Official Committee of Unsecured Creditors appointed in these cases, and any party requesting notice under Bankruptcy Rule 2002. If no such party files an objection within 21 days of the Debtors filing such notice, the additional services and fees and any underlying engagement agreement may be approved by the Court by further order without further notice or hearing.

12. The terms of Section 19 of the Engagement Agreement are not approved and are deemed to have been removed from the Engagement Agreement.

13. Pursuant to the terms of the Engagement Agreement, the Aggregate Gross Consideration incentive thresholds in section 3(ii)(b) have been agreed to by the parties and such thresholds have been disclosed to the U.S. Trustee and the Official Committee of Unsecured Creditors and memorialized in a Side Letter that is to be filed under seal pursuant to an Order dated July 8, 2019 [Docket NO. 187].

14. Houlihan Lokey shall include in its interim and final fee applications, among other things, time records setting forth, in a summary format, a description of the services rendered by each professional, and the amount of time spent on each date by each such individual in rendering services on behalf of the Debtors in half-hour (0.5) increments, and Houlihan Lokey shall be excused from keeping time in tenth-hour increments.

15. Notwithstanding anything in the Application or the Engagement Agreement to the contrary, Houlihan Lokey shall (i) to the extent that Houlihan Lokey uses the services of independent contractors, subcontractors or employees of foreign affiliates or subsidiaries (collectively, the "Contractors") in these cases, Houlihan Lokey shall pass-through the cost of such

Contractors to the Debtors at the same rate that Houlihan Lokey pays the Contractors, (ii) seek reimbursement for actual costs only, (iii) ensure that the Contractors are subject to the same conflict checks as required for Houlihan Lokey, and (iv) file with the Court such disclosures required by Bankruptcy Rule 2014.

16. In the event that, during the pendency of these cases, Houlihan Lokey seeks reimbursement for any attorneys' fees and/or expenses pursuant to the terms of the Engagement Agreement (as modified by this Order), the invoices and supporting time records from such attorneys, appropriately redacted to preserve applicable privileges, shall be included in Houlihan Lokey's own fee applications, and such invoices and time records shall be in compliance with the Local Rules, and shall be subject to the Amended Guidelines, the UST Guidelines and the approval of the Bankruptcy Court pursuant to sections 330 and 331 of the Bankruptcy Code without regard to whether such attorneys have been retained under section 327 of the Bankruptcy Code, and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code.

17. The Debtors shall be bound by the indemnification, reimbursement, contribution, and exculpation provisions set forth in the Engagement Agreement, subject during the pendency of these cases to the following:

a. subject to the provisions of subparagraphs (b) and (c) below, the Debtors are authorized to indemnify, and shall indemnify, Houlihan Lokey and the other Indemnified Parties for any claims arising out of or related to Houlihan Lokey's engagement under, or any matter referred to in, the Engagement Agreement and/or the services to be provided by Houlihan Lokey as specified in the Application, but not for any claim arising from, related to, or in connection with Houlihan Lokey's performance of any other services other than those in connection with the engagement, unless such services and indemnification therefor are approved by this Court;

b. the Debtors shall have no obligation to indemnify Houlihan Lokey for any claim or expense that is either (i) judicially determined (the determination

having become final) to have resulted primarily from Houlihan Lokey's actual fraud, gross negligence, bad faith, breach of fiduciary duty (if any), self dealing, or willful misconduct, or (ii) settled prior to a judicial determination as to Houlihan Lokey's actual fraud, gross negligence, bad faith, breach of fiduciary duty (if any), self dealing, or willful misconduct, but determined by this Court, after notice and a hearing pursuant to subparagraph (c) infra, to be a claim or expense for which Houlihan Lokey is not entitled to receive indemnity under the terms of the Engagement Agreement as modified by this Order; and

c. if, before the earlier of (i) the entry of an order confirming a chapter 11 plan in these cases (that order having become a final order no longer subject to appeal), and (ii) the entry of an order closing these chapter 11 cases, any Indemnified Party believes that it is entitled to the payment of any amounts by the Debtors on account of the Debtors' indemnification, reimbursement, and/or contribution obligations under the Engagement Agreement (as modified by this Order), including, without limitation, the advancement of defense costs, such Indemnified Party must file an application therefor in this Court, and the Debtors may not pay any such amounts to Houlihan Lokey before the entry of an order by this Court approving the payment. This subparagraph (c) is intended only to specify the period of time under which the Court shall have jurisdiction over any request for fees and expenses by Indemnified Parties for indemnification, contribution, or reimbursement, and not as a provision limiting the duration of the Debtors' obligation to indemnify or provide contribution or reimbursement to Houlihan Lokey.

18. The second paragraph of Section 22 of the Engagement Agreement shall not apply during these chapter 11 cases unless otherwise ordered by the Court.

19. For the avoidance of doubt, the fourth paragraph of Section 22 of the Engagement Agreement shall not apply to any third-party purchaser of the Debtors' assets during these chapter 11 cases.

20. Notwithstanding Section 22 of the Engagement Agreement, unless otherwise ordered by the Court, the indemnity, reimbursement, and other obligations and agreements of the Company set forth therein shall not apply to any services provided by Houlihan Lokey in connection with this engagement prior to the Petition Date.

21. Houlihan Lokey shall be compensated in accordance with the procedures set forth in the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, this Order, and any other applicable orders of this Court.

22. Houlihan Lokey shall use its best efforts, and will coordinate with the Debtors and its other retained professionals, not to duplicate any of the services provided to the Debtors by any of its other retained professionals.

23. To the extent that there may be any inconsistency between the terms of the Application, the Burian Declaration, the Engagement Agreement, and this Order, the terms of this Order shall govern.

24. Notice of the Application as provided therein shall be deemed good and sufficient notice of such Application and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

25. Notwithstanding Bankruptcy Rule 6004(h), the terms and conditions of this Order are immediately effective and enforceable upon its entry.

26. The Debtors are authorized to take all actions necessary to effectuate the relief granted in this Order in accordance with the Application.

27. Notwithstanding anything to the contrary in the Engagement Agreement, including Section 21 therein, this Court shall have exclusive jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Order and any

disputes relating to the Engagement Agreement, including the Transaction Fees or the services provided by Houlihan Lokey.

Personal and Confidential

As of May 02, 2019

Hollander Sleep Products, LLC
6501 Congress Avenue Suite 300
Boca Raton, FL 33487
Attn: Marc Pfefferle

Dear Ladies and Gentlemen:

This letter agreement (this "Agreement") confirms the terms under which Dream II Holdings, LLC, Hollander Sleep Products, LLC, Hollander Home Fashions Holdings, LLC, Hollander Sleep Products Kentucky, LLC, Pacific Coast Feather, LLC, Pacific Cost Feather Cushion, LLC and Hollander Sleep Products Canada Limited, (collectively with their direct and indirect subsidiaries, the "Company") has engaged Houlihan Lokey Capital, Inc. ("Houlihan Lokey"), effective as of the date indicated above (the "Effective Date"), as its financial advisor to provide financial advisory and investment banking services in connection with a financial restructuring or reorganization of, and/or one or more sale transactions, and/or one or more financing transactions for, the Company, as well as such other financial matters as to which the Company and Houlihan Lokey may agree in writing during the term of this Agreement.

1. **Services**. In connection with each potential Transaction (as defined below), Houlihan Lokey will assist and advise the Company with the analysis, evaluation, pursuit and effectuation of any such Transaction. Houlihan Lokey's services will consist of, if appropriate and if requested by the Company, (i) assisting the Company in the development and distribution of selected information, documents and other materials, including, if appropriate, advising the Company in the preparation of an offering memorandum (it being expressly understood that the Company will remain solely responsible for such materials and all of the information contained therein); (ii) assisting the Company in evaluating indications of interest and proposals regarding any Transaction(s) from current and/or potential lenders, equity investors, acquirers and/or strategic partners; (iii) assisting the Company with the negotiation of any Transaction(s), including participating in negotiations with creditors and other parties involved in any Transaction(s); (iv) providing expert advice and testimony regarding financial matters related to any Transaction(s), if necessary; (v) attending meetings of the Company's Board of Directors, creditor groups, official constituencies and other interested parties, as the Company and Houlihan Lokey mutually agree; and (vi) providing such other financial advisory and investment banking services as may be required by additional issues and developments not anticipated on the Effective Date, as described in Section 10 of this Agreement.

2. **Exclusive Agency.** The Company agrees that neither it nor its management will initiate any discussions regarding a Transaction during the term of this Agreement, except with prior consultation with Houlihan Lokey. In the event the Company or its management receives any inquiry regarding a Transaction from any party, the Company shall promptly inform Houlihan Lokey of such inquiry so that Houlihan Lokey can assist the Company in evaluating such party and its interest in a Transaction and in any resulting negotiations.

3. **Fees.** In consideration of Houlihan Lokey's acceptance of this engagement, the Company shall pay the following:

(i) *Monthly Fees*: In addition to the other fees provided for herein, upon the Effective Date, and on every monthly anniversary of the Effective Date during the term of this Agreement, the Company shall pay Houlihan Lokey in advance, without notice or invoice, a nonrefundable cash fee of $100,000 ("Monthly Fee") for a minimum of four months from the Effective Date (collectively, the "Minimum Monthly Fees"). Each Monthly Fee shall be earned upon Houlihan Lokey's receipt thereof in consideration of Houlihan Lokey accepting this engagement and performing services as described herein. If this Agreement is terminated before the end of fourth month from the Effective Date, the Company hereby agrees to pay to Houlihan Lokey, on the effective date of such termination, the unpaid amount of the Minimum Monthly Fees.

(ii) *Transaction Fee(s)*: In addition to the other fees provided for herein, the Company shall pay Houlihan Lokey the following transaction fee(s):

a. *Restructuring Transaction Fee*. Upon the earlier to occur of: (I) in the case of an out-of-court Restructuring Transaction (as defined herein), the closing of such Restructuring Transaction; and (II) in the case of an in-court Restructuring Transaction, the date of confirmation of a plan of reorganization or liquidation under Chapter 11 of the Bankruptcy Code (as defined below) pursuant to an order of the applicable bankruptcy court, Houlihan Lokey shall earn, and the Company shall promptly pay to Houlihan Lokey, a cash fee ("Restructuring Transaction Fee") of $1,000,000; provided that, in the event that one or more Sale Transactions (as defined below) have occurred prior to the consummation of a Restructuring Transaction and the Restructuring Transaction consists of a plan or other reorganization concerning the remaining assets of the Company versus merely a liquidation and distribution of the relevant sale proceeds to creditors, the Restructuring Transaction Fee shall be reduced to the applicable multiple transaction fee as described in section 3(ii)(c);

b. *Sale Transaction Fee.* Upon the closing of a Sale Transaction (as defined herein), Houlihan Lokey shall earn, and the Company shall thereupon pay immediately and directly from the gross proceeds of such Sale Transaction, as a cost of such Sale Transaction, a cash fee ("Sale Transaction Fee") of $1,000,000 plus 3.0% of the combined AGC (as defined herein) above a threshold to be agreed upon in good faith by Houlihan Lokey and Barings, as agent for the Term Loan or by the Bankruptcy Court (for all consummated Sale Transactions and all asset sales by third party liquidators or other similar asset disposition specialist), and 5.0% of the combined AGC in excess of a higher threshold to be agreed upon in good faith by Houlihan Lokey and Barings, as agent for the Term Loan or by the Bankruptcy Court (for all consummated Sale Transactions and all asset sales by third party liquidators or other similar asset disposition specialist);

c. *Subsequent Sale Transaction Fee.* If multiple Sale Transactions are consummated under the term of this Agreement, or one Sale Transaction followed by consummation of a plan

of reorganization or liquidation, for each additional Sale Transaction, Houlihan Lokey shall earn, and the Company shall thereupon pay immediately and directly from the gross proceeds of such Sale Transaction, as a cost of such Sale Transaction, a cash fee (each being a "Subsequent Sale Transaction Fee") of:

i. $350,000 for the first subsequent Sale Transaction;

ii. $300,000 for the second subsequent Sale Transaction; and

iii. $250,000 for any subsequent Sale Transaction thereafter

Provided that under no circumstance will any Subsequent Sale Transaction Fee represent more than 10% of the AGC (as defined herein) of such subsequent Sale Transaction. The delta between the actual subsequent Sale Transaction Fee and the respective Sale Transaction Fee determined pursuant to Section 3 (c) (i), (ii), and (iii), above shall be added to the next subsequent Sale Transaction fee in Section 3 (c), if any;

d. *Financing Transaction Fee.* Upon the closing of each Financing Transaction (as defined herein), Houlihan Lokey shall earn, and the Company shall thereupon pay immediately and directly from the gross proceeds of such Financing Transaction, as a cost of such Financing Transaction, a cash fee ("Financing Transaction Fee") equal to the sum of: (I) 1.5% of the gross proceeds of any indebtedness raised or committed that is senior to other indebtedness of the Company, secured by a first priority lien and unsubordinated, with respect to both lien priority and payment, to any other obligations of the Company (other than with respect to debtor-in-possession financing); (II) 3.0% of the gross proceeds of any indebtedness raised or committed that is secured by a lien (other than a first lien), is unsecured and/or is subordinated; and (III) 5.0% of the gross proceeds of all equity or equity-linked securities (including, without limitation, convertible securities and preferred stock) placed or committed. Any warrants issued in connection with the raising of debt or equity capital shall, upon the exercise thereof, be considered equity for the purpose of calculating the Financing Transaction Fee, and such portion of the Financing Transaction Fee shall be paid upon such exercise and from the gross proceeds thereof, regardless of any prior termination or expiration of this Agreement. It is understood and agreed that if the proceeds of any such Financing Transaction are to be funded in more than one stage, Houlihan Lokey shall be entitled to its applicable compensation hereunder upon the closing date of each stage. The Financing Transaction Fee(s) shall be payable in respect of any sale of securities whether such sale has been arranged by Houlihan Lokey, by another agent (or other issuer of the Securities (as defined below) in such Financing Transaction) or directly by the Company. Any non-cash consideration provided to or received in connection with the Financing Transaction (including but not limited to intellectual or intangible property) shall be valued for purposes of calculating the Financing Transaction Fee as equaling the number of Securities issued in exchange for such consideration multiplied by (in the case of debt securities) the face value of each such Security or (in the case of equity securities) the price per Security paid in the then current round of financing. The fees set forth herein shall be in addition to any other fees that the Company may be required to pay to any investor or other purchaser of Securities to secure its financing commitment.

Any Restructuring Transaction Fee, Sale Transaction Fee, Subsequent Sale Transaction Fee, and Financing Transaction Fee is each referred to herein as a "Transaction Fee" and are collectively referred to

herein as "Transaction Fees." All payments received by Houlihan Lokey pursuant to this Agreement at any time shall become the property of Houlihan Lokey without restriction. No payments received by Houlihan Lokey pursuant to this Agreement will be put into a trust or other segregated account.

4. **Term and Termination.** This Agreement may be terminated at any time by either party upon thirty days' prior written notice of termination to the other party. The expiration or termination of this Agreement shall not affect (i) any provision of this Agreement other than Sections 1 through 3 and (ii) Houlihan Lokey's right to receive, and the Company's obligation to pay, any and all fees, expenses, and other amounts due, as set forth herein, whether or not any Transaction shall be consummated prior to or subsequent to the effective date of expiration or termination, as more fully set forth in this Agreement.

In addition, notwithstanding the expiration or termination of this Agreement, Houlihan Lokey shall be entitled to full payment by the Company of the Transaction Fees described in this Agreement: (i) so long as a Transaction is consummated during the term of this Agreement, or within 12 months after the date of expiration or termination of this Agreement ("Tail Period"), and/or (ii) if an agreement in principle to consummate a Transaction is executed by any entity comprising the Company during the term of this Agreement, or within the Tail Period, and such Transaction is consummated at any time following such execution with the counterparty named in such agreement, or with any affiliate or employee of, or investor in, such counterparty, or any affiliate of any of the foregoing.

5. **Agreement from Secured Lenders.** Houlihan Lokey's obligations to provide the services described herein are contingent upon, and expressly subject to, the execution of a waiver, subordination or similar agreement, in form and substance satisfactory to Houlihan Lokey, pursuant to which the Company's senior secured lenders consent to the performance of the Company's obligations under this Agreement, including, without limitation, the Company's payment of Houlihan Lokey's fees and expenses, herein , as a cost of any Transaction and free and clear of such lenders' security interests in the Company's assets.

6. **Transaction.** As used in this Agreement, the term "Transaction" shall mean any of the following:

(i) *Restructuring Transaction*. The consummation of any plan of reorganization or, following a Sale Transaction, plan of liquidation under the Bankruptcy Code, or any transaction or series of transactions that constitute a recapitalization, or restructuring of the equity and/or debt securities and/or other indebtedness, obligations or liabilities (including, without limitation, preferred stock, partnership interests, lease obligations, trade credit facilities, collective bargaining agreements and other contract or tort obligations) of any entity comprising the Company, including accrued and/or accreted interest thereon, which are outstanding as of the Effective Date, including, without limitation, interest bearing trade debt and the Company's Third Amended and Restated Credit Agreement dated as of June 9, 2017 (as amended, supplemented or otherwise modified from time to time) and the Company's Term Loan Credit Agreement dated as of June 9, 2017 (as amended, supplemented or otherwise modified from time to time), which recapitalization or restructuring is effected pursuant to an exchange transaction, tender offer, a plan of reorganization or liquidation under the Bankruptcy Code, a solicitation of consents, waivers, acceptances or authorizations, any change of control transaction, any refinancing, sale, acquisition, merger, repurchase, exchange, conversion to equity, cancellation, forgiveness, retirement and/or a modification or amendment to the terms, conditions, or covenants (including, without limitation, the principal balance, accrued or accreted interest, payment term, other debt service requirement and/or financial or operating covenant) of any agreements or instruments governing any of the equity and/or debt securities and/or other indebtedness of any entity comprising the Company (such modification or amendment shall include, without limitation, any forbearance for at least 12 months with

respect to any payment obligation) or any combination of the foregoing transactions (each a "Restructuring Transaction");

(ii) *Sale Transaction*. Any transaction or series of related transactions that constitute the disposition to one or more third parties (including, without limitation, any person, group of persons, partnership, corporation or other entity, and also including, among others, any of the existing owners, shareholders, employees, or creditors of any entity comprising the Company and/or the affiliates of each) in one or a series of related transactions of (a) a material portion of the equity securities of any entity comprising the Company or any interest held by any entity comprising the Company and/or (b) any material portion of the assets (including the assignment of any executory contracts) or operations of any entity comprising the Company or any joint venture or partnership or other entity formed by it, in either case, including, without limitation, through a sale or exchange of capital stock, options or assets with or without a purchase option, a merger, consolidation or other business combination, an exchange or tender offer, a recapitalization, the formation of a joint venture, partnership or similar entity, or any similar transaction, including, without limitation, any sale transaction under Sections 363, 1129 or any other provision of Title 11, United States Code (11 U.S.C. §§ 101 et seq.) (the "Bankruptcy Code") (each a "Sale Transaction"); provided, that notwithstanding the foregoing, the sale of *de minimis* assets under which the Company has engaged a third party liquidator or other similar asset disposition specialist (as agreed to in good faith by the Company and Houlihan Lokey) shall not constitute a Sale Transaction; or

(iii) *Financing Transaction.* (a) Any transaction or series of related transactions that constitutes any refinancing of all or any portion of the existing obligations of any entity comprising the Company and/or (b) the placement, raising or issuance of any form of equity, equity-linked or debt securities (including, without limitation, any convertible securities, preferred stock, unsecured, non-senior or subordinated debt securities, and/or senior notes or bank debt) or any loan or other financing, including any "debtor in possession financing" or "exit financing" in connection with a case under the Bankruptcy Code by any entity comprising the Company (any or all of which being "Securities"), from any source excluding, any of the existing owners, shareholders, employees, or lenders, including any successors thereto, of any entity comprising the Company (whether or not such transaction is effectuated in-court, out-of-court, through the confirmation of a plan of reorganization or otherwise under the Bankruptcy Code, or whether the requisite consents to such transaction(s) are obtained in-court or out-of-court) (each a "Financing Transaction").

7. **Aggregate Gross Consideration ("AGC").** For the purpose of calculating the Sale Transaction Fee and Subsequent Transaction Fees, the AGC shall be the gross proceeds and other consideration paid to, or received by, or to be paid to or received by, any entity comprising the Company, or any of its equity or debt holders, or other parties in interest, including, without limitation, holders of warrants and convertible securities, and holders of options or stock appreciation rights, whether or not vested (collectively "Constituents"), in connection with the relevant Sale Transaction, or any asset sales by third party liquidators or other similar asset disposition specialist. Such proceeds and consideration shall be deemed to include, without limitation: amounts in escrow and any deposits or other amounts forfeited by any investor; cash, notes, securities, and other property; payments made in installments; Contingent Payments (as defined below) and/or insurance proceeds upon the occurrence of an insurable event that diminishes the value of the Company. Upon the closing of a Sale Transaction in which less than 100% of the ownership of the equity interests are sold, the AGC shall be calculated as if 100% of the ownership of the equity interests of the Company on a fully diluted basis had been sold by dividing (i) the total consideration, whether in cash, securities, notes or other forms of consideration, received or receivable by the Company and/or its Constituents by (ii) the percentage of ownership which is sold. If, in the Sale Transaction, no consideration

is being paid in respect of the existing equity, AGC of the retained equity shall be determined by the good faith agreement of the parties as to the value of such retained equity implied by the Sale Transaction. In addition, if any of the liabilities of any entity comprising the Company are assumed, decreased, reinstated, satisfied or otherwise paid off in conjunction with a Sale Transaction (by any entity comprising the Company or any investor, in the form of "cure" payments or otherwise), or any of the assets of any entity comprising the Company are sold or otherwise transferred outside of the Company's ordinary course of business to another party prior to the closing of a Sale Transaction (including, without limitation, any dividends or distributions paid to security holders or amounts paid to repurchase any securities) or are retained by any entity comprising the Company after the closing of the Sale Transaction, the AGC will be increased to reflect the face value of any such liabilities and the fair market value of any such assets. Contingent Payments shall be defined as the consideration received or receivable by the Company, or any of its Constituents and/or any other parties in the form of deferred performance-based payments, "earn-outs", or other contingent payments based upon the future performance of any entity comprising the Company, or any of its businesses or assets.

8. **Value of Consideration.** For the purpose of calculating the AGC received in a Sale Transaction, any securities, other than a promissory note, will be valued at the time of the closing of the Sale Transaction, without regard to any restrictions on transferability, as follows: (i) if such securities are traded on a stock exchange, the securities will be valued at the average last sale or closing price for the ten trading days immediately prior to the closing of the Sale Transaction; (ii) if such securities are traded primarily in over-the-counter transactions, the securities will be valued at the mean of the closing bid and asked quotations similarly averaged over a ten trading day period immediately prior to the closing of the Sale Transaction; and (iii) if such securities have not been traded prior to the closing of the Sale Transaction, Houlihan Lokey and the Company shall negotiate in good faith to agree on a fair valuation thereof, without regard to any restrictions on transferability, for the purposes of calculating the AGC. For any lease payments and other consideration that is not freely tradable or has no established public market, if the consideration utilized consists of property other than securities, then the value of such property shall be the fair market value thereof as determined in good faith by Houlihan Lokey and the Company. If any consideration to be paid is computed in any foreign currency, the value of such foreign currency shall, for purposes hereof, be converted into U.S. dollars at the prevailing exchange rate on the date or dates on which such consideration is payable. The value of any purchase money or other promissory notes shall be deemed to be the face amount thereof. In the event the AGC includes any Contingent Payments, Houlihan Lokey's Transaction Fee shall be calculated based on the mutually agreed value of such Contingent Payments as of closing. If the parties cannot reach such an agreement, an additional Sale Transaction Fee shall be paid to Houlihan Lokey from, and on account of, such Contingent Payments at the same time that each of such Contingent Payments are received regardless of any prior termination or expiration of this Agreement. Each such additional Sale Transaction Fee shall be calculated pursuant to the provisions of this Agreement based upon the amount of each such Contingent Payment.

9. **Characterization of Multiple and/or Complex Transactions.** In the event the Company and Houlihan Lokey are unable to agree in good faith upon the classification of any single Transaction as a Restructuring Transaction, Sale Transaction or Financing Transaction, or if a single Transaction with only one third party shall consist of two, or more, of the foregoing types of Transactions, or elements thereof, Houlihan Lokey shall receive only one Transaction Fee in respect of such Transaction, which shall be equal to the greater of the Restructuring Transaction Fee, Sale Transaction Fee or Financing Transaction Fee, as applicable, as calculated in accordance with the terms of this Agreement. For the avoidance of doubt, if two or more single Transactions occur simultaneously or at different times, whether or not they are connected with or related to one another, the Company shall pay Houlihan Lokey the Transaction Fee for each such Transaction in addition to, and not in lieu of, each other.

10. **Reasonableness of Fees.** The parties acknowledge that this engagement will require a substantial professional commitment of time and effort by Houlihan Lokey. Moreover, the amount of time and effort may vary substantially during different periods of the engagement. As a result, in order to ensure the availability of all necessary professional resources, whenever required, Houlihan Lokey may be foreclosed from pursuing other alternative engagement opportunities. In light of the foregoing, and given: (i) the numerous issues which can currently be anticipated in engagements such as this, (ii) Houlihan Lokey's commitment to the variable level of time and effort necessary to address such issues, (iii) the expertise and capabilities of Houlihan Lokey that will be required in this engagement, and (iv) the market rate for Houlihan Lokey's services of this nature, whether in-court or out-of-court, the parties agree that the fee arrangement provided for herein is reasonable, fairly compensates Houlihan Lokey, and provides the requisite certainty to the Company. The parties further agree and acknowledge that: (a) additional issues and developments, not currently anticipated, may arise and have an impact upon the services to be rendered by Houlihan Lokey hereunder, and may result in substantially more work and/or services being performed by Houlihan Lokey than is anticipated at this time; and (b) as a result of such unanticipated issues and/or developments, the results of Houlihan Lokey's services under this Agreement may also be substantially more beneficial than anticipated at this time. Accordingly, in the event of the occurrence of (a) and/or (b), in the prior sentence, each of the parties to this Agreement may, at the conclusion of the services rendered by Houlihan Lokey pursuant hereto, agree to a modification of the Transaction Fees described herein to more appropriately reflect the actual work performed, services rendered and/or any extraordinary results achieved by Houlihan Lokey pursuant to its engagement hereunder.

11. **Expenses.** In addition to all of the other fees and expenses described in this Agreement, and regardless of whether any Transaction is consummated, the Company shall, upon Houlihan Lokey's request, reimburse Houlihan Lokey for its reasonable and documented out-of-pocket expenses incurred from time to time in connection with its services hereunder. Houlihan Lokey bills its clients for its reasonable out-of-pocket expenses including, but not limited to (i) travel-related and certain other expenses, without regard to volume-based or similar credits or rebates Houlihan Lokey may receive from, or fixed-fee arrangements made with, travel agents, airlines or other vendors, and (ii) research, database and similar information charges paid to third party vendors, and reprographics expenses, to perform client-related services that are not capable of being identified with, or charged to, a particular client or engagement in a reasonably practicable manner, based upon a uniformly applied monthly assessment or percentage of the fees due to Houlihan Lokey.

Houlihan Lokey shall, in addition, be reimbursed by the Company for the reasonable and documented fees and expenses of Houlihan Lokey's legal counsel incurred in connection with the negotiation and performance of this Agreement and the matters contemplated hereby.

12. **Invoicing and Payment.** All amounts payable to Houlihan Lokey shall be made in lawful money of the United States in accordance with the payment instructions set forth on the invoice provided with this Agreement, or to such accounts as Houlihan Lokey shall direct, and the Company shall provide contemporaneous written notice of each such payment to Houlihan Lokey. All amounts invoiced by Houlihan Lokey shall be exclusive of value added tax, withholding tax, sales tax and any other similar taxes ("Taxes"). All amounts charged by Houlihan Lokey will be invoiced together with Taxes where appropriate.

13. **Information.** The Company will provide Houlihan Lokey with access to management and other representatives of the Company and other participants in any Transaction, as reasonably requested by Houlihan Lokey. The Company will furnish Houlihan Lokey with such information as Houlihan Lokey may reasonably request for the purpose of carrying out its engagement hereunder, all of which will be, to the Company's best knowledge, accurate and complete at the time furnished. In addition, with respect to financial forecasts and projections that may be furnished to or discussed with Houlihan Lokey by the

Company or any other entity, Houlihan Lokey will be entitled to assume that such financial forecasts and projections have been or will be reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of the Company's or such other entity's management, as the case may be, as to the matters covered thereby. The Company will promptly notify Houlihan Lokey in writing of any material inaccuracy or misstatement in, or material omission from, any information previously delivered to, or discussed with, Houlihan Lokey, or any materials provided to any interested party. Houlihan Lokey shall rely, without independent verification, on the accuracy and completeness of all information that is publicly available and of all information furnished by or on behalf of the Company or any other potential party to any Transaction or otherwise reviewed by, or discussed with, Houlihan Lokey. The Company understands and agrees that Houlihan Lokey will not be responsible for the accuracy or completeness of such information, and shall not be liable for any inaccuracies or omissions therein. The Company acknowledges that Houlihan Lokey has no obligation to conduct any appraisal of any assets or liabilities of the Company or any other party or to evaluate the solvency of any party under any applicable laws relating to bankruptcy, insolvency or similar matters. Houlihan Lokey's role in reviewing any information is limited solely to performing such a review as it shall deem necessary to support its own advice and analysis and shall not be on behalf of any other party. Any advice (whether written or oral) rendered by Houlihan Lokey pursuant to this Agreement is intended solely for the use of the Board of Directors of the Company (solely in its capacity as such) in evaluating a Transaction, and such advice may not be relied upon by any other person or entity or used for any other purpose. Any advice rendered by, or other materials prepared by, or any communication from, Houlihan Lokey may not be disclosed, in whole or in part, to any third party, or summarized, quoted from, or otherwise referred to in any manner without the prior written consent of Houlihan Lokey. In addition, neither Houlihan Lokey nor the terms of this Agreement may otherwise be referred to without our prior written consent=.

14. **Confidential Information.** Houlihan Lokey acknowledges that, in connection with the services to be provided pursuant to this Agreement, certain confidential, non-public and proprietary information concerning the Company and the Transaction ("Confidential Information") has been or may be disclosed by the Company to Houlihan Lokey, any of its affiliates, or any of their respective agents, advisors, accountants, attorneys, employees, subcontractors, officers, directors and other representatives (collectively, "Representatives"). Houlihan Lokey agrees that, without the Company's prior consent, no Confidential Information will be disclosed, in whole or in part, to any other party (other than to any potential party to a Transaction under appropriate assurances of confidentiality, to those Representatives who need access to any Confidential Information for purposes of performing the services to be provided hereunder, or as may be required by law or regulatory authority). The term "Confidential Information" does not include any information: (a) that was already in the possession of Houlihan Lokey or any of its Representatives, or that was available to Houlihan Lokey or any of its Representatives on a non-confidential basis, prior to the time of disclosure to Houlihan Lokey or such Representatives; (b) obtained by Houlihan Lokey or any of its Representatives from a third party which, insofar as is known to Houlihan Lokey or such Representatives, is not subject to any prohibition against disclosure; (c) which was or is independently developed by Houlihan Lokey or any of its Representatives without violating any confidentiality obligations under this paragraph; or (d) which was or becomes generally available to the public through no fault of Houlihan Lokey. If Houlihan Lokey becomes required by legal process or requested by regulatory authority to disclose any Confidential Information, prompt notice thereof (to the extent legally permissible) shall be given to the Company (provided that no notification shall be required in respect of any disclosure to regulatory authorities having jurisdiction over Houlihan Lokey), and Houlihan Lokey may disclose only that information which its counsel advises it is compelled to disclose. The obligations set forth in this paragraph shall remain in effect for a period of one year after the Effective Date.

15. **Additional Provisions Regarding Financing Transaction.** The Company authorizes Houlihan Lokey to provide an information memorandum (or similar document) (as such document may be amended or supplemented and including any information incorporated therein by reference, the "Information

Memorandum") and other pertinent information to prospective investors and other purchasers which are approved by the Company and subject to execution by each such prospective investor or other purchaser of a confidentiality agreement and agrees not to transmit the Information Memorandum to prospective investors or other purchasers without Houlihan Lokey's prior approval. The Company will be solely responsible for the contents of the Information Memorandum and any and all other written or oral communications provided by or on behalf of the Company to any actual or prospective investor or other purchaser. The Company represents and warrants that the Information Memorandum and such other communications will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. If an event occurs as a result of which the Information Memorandum (as then supplemented or amended) would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading, the Company will promptly notify Houlihan Lokey of such event and Houlihan Lokey will suspend solicitations of prospective investors and other purchasers until such time as the Company prepares (and the Company agrees that, if the solicitation of prospective investors and other purchasers has been so suspended after the Company has accepted orders from prospective investors or other purchasers, the Company will promptly prepare) a supplement or amendment to the Information Memorandum which corrects such statement(s) or omission(s). The Company will (i) make available to each bona fide offeree of the Securities such information (in addition to that contained in the Information Memorandum) concerning the offering of the Securities, the Company and any other relevant matters, and (ii) provide each bona fide offeree the opportunity to ask questions of, and receive answers from, the officers and employees of the Company concerning the terms and conditions of the offering of the Securities.

The Company acknowledges that closing of a Financing Transaction is subject, among other factors, to acceptable documentation, market conditions, and satisfaction of the conditions set forth in one or more agreements to be entered into with any financier, lender, investor or other purchaser of Securities. It is expressly understood that this engagement does not constitute any commitment, express or implied, on the part of Houlihan Lokey to acquire, and does not ensure the successful placement of, any portion of the Securities. The Company further acknowledges and agrees that Houlihan Lokey is not acting as an underwriter of the Securities and shall have no responsibility or obligation to underwrite the Securities.

In connection with all offers and sales of the Securities, the Company will cause to be addressed and delivered to Houlihan Lokey a written opinion of Company counsel acceptable to Houlihan Lokey containing (i) an opinion to the effect that the placement of Securities was exempt from registration under the Securities Act of 1933, as amended (the "Act"), and (ii) any other opinions of counsel that have been provided to investors or other purchasers of the Securities or which Houlihan Lokey may reasonably request. The Company also will cause to be furnished to Houlihan Lokey at or after each closing of a sale of Securities copies (addressed to Houlihan Lokey, if requested and as appropriate) of such agreements, opinions, certificates and other documents (including, without limitation, accountant's letters) as Houlihan Lokey may reasonably request. The Company hereby acknowledges and agrees that Houlihan Lokey shall be entitled to rely upon the representations and warranties made (whether pursuant to a subscription agreement or in any other format) to investors or other purchasers of Securities and the Company shall be deemed to have made such representations and warranties to and for the benefit of Houlihan Lokey.

It is understood that the offer and sale of the Securities in a Financing Transaction will be exempt from the registration requirements of the Act, pursuant to Section 4(a)(2) thereof. The Company has not taken, and will not take, any action, directly or indirectly, so as to cause the transactions contemplated by this Agreement to fail to be entitled to exemption under Section 4(a)(2) of the Act. The Company will promptly from time to time take such reasonable action as necessary to qualify the Securities as a private placement under the securities laws of such States and foreign jurisdictions as any prospective investor or

other purchaser may reasonably request and will comply with applicable laws. The Company shall cause the issuer of the Securities to offer and sell the Securities only to investors and other purchasers of the Securities that they reasonably believe to be "accredited investors", as defined in Rule 501 of Regulation D under the Act. The Company will cause the issuer of the Securities to file in a timely manner with the Securities and Exchange Commission (the "SEC") and/or each other regulatory authority any notices or other filings with respect to the Securities required by Rule 503 of Regulation D under the Act and/or other applicable law or regulation and will upon request furnish to Houlihan Lokey a signed copy of each such notice or filing promptly after its submission.

16. **Limitations on Services as Advisor.** Houlihan Lokey's services are limited to those specifically provided in this Agreement, or subsequently agreed upon in writing by the parties hereto. Houlihan Lokey shall have no obligation or responsibility for any other services including, without limitation, any crisis management or business consulting services related to, among other things, the implementation of any operational, organizational, administrative, cash management, or similar activities. The parties understand that Houlihan Lokey is being engaged hereunder as an independent contractor to provide the services hereunder solely to the Company, and that Houlihan Lokey is not acting as an agent or fiduciary of the Company, its security holders or creditors or any other person or entity in connection with this engagement, and the Company agrees that it shall not make, and hereby waives, any claim based on an assertion of such an agency or fiduciary relationship. In performing its services pursuant to this Agreement, Houlihan Lokey is not assuming any responsibility for the Company's decision on whether to pursue, endorse or support any business strategy, or to effect, or not to effect, any Transaction(s), which decision shall be made by the Company in its sole discretion. Any duties of Houlihan Lokey arising by reason of this Agreement or as a result of the services to be rendered by Houlihan Lokey hereunder will be owed solely to the Company.

17. **Bankruptcy Court Approval.** In the event that the Company is or becomes a debtor under Chapter 11 of the Bankruptcy Code, whether voluntarily or involuntarily, the Company shall seek an order authorizing the employment of Houlihan Lokey pursuant to the terms of this Agreement, as a professional person pursuant to, and subject to the standard of review of, Section 328(a) of the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure (the "Bankruptcy Rules") and applicable local rules and orders and not subject to any other standard of review under Section 330 of the Bankruptcy Code. In so agreeing to seek Houlihan Lokey's retention under Section 328(a) of the Bankruptcy Code, the Company acknowledges that it believes that Houlihan Lokey's general restructuring experience and expertise, its knowledge of the capital markets and its merger and acquisition capabilities will inure to the benefit of the Company in pursuing any Transaction, that the value to the Company of Houlihan Lokey's services derives in substantial part from that expertise and experience and that, accordingly, the structure and amount of the contingent Transaction Fee(s) is reasonable regardless of the number of hours to be expended by Houlihan Lokey's professionals in the performance of the services to be provided hereunder. The Company shall submit Houlihan Lokey's employment application as soon as practicable following the Company's filing of a voluntary Chapter 11 case, or the entry of an order for relief in any involuntary case filed against the Company, and use its best efforts to cause such application to be considered on the most expedited basis. The employment application and the proposed order authorizing employment of Houlihan Lokey shall be provided to Houlihan Lokey as much in advance of any Chapter 11 filing as is practicable, and must be acceptable to Houlihan Lokey in its sole discretion. Following entry of the order authorizing the employment of Houlihan Lokey, the Company shall pay all fees and expenses due pursuant to this Agreement, as approved by the court having jurisdiction of the bankruptcy case involving the Company (the "Bankruptcy Court"), as promptly as possible in accordance with the terms of this Agreement and the order of such Bankruptcy Court, the Bankruptcy Code, the Bankruptcy Rules and applicable local rules and orders, and will work with Houlihan Lokey to promptly file any and all necessary applications regarding such fees and expenses with the Bankruptcy Court. Houlihan Lokey shall have no obligation to provide services under this Agreement in the event that the Company becomes a debtor under the Bankruptcy Code unless Houlihan Lokey's retention under this Agreement is approved under Section 328(a) of the

Bankruptcy Code by final order of the Bankruptcy Court no longer subject to appeal, rehearing, reconsideration or petition for certiorari, and which is acceptable to Houlihan Lokey in all respects. If the order authorizing the employment of Houlihan Lokey is not obtained, or is later reversed or set aside for any reason, Houlihan Lokey may terminate this Agreement, and the Company shall reimburse Houlihan Lokey for all fees and expenses reasonably incurred prior to the date of expiration or termination, subject to the requirements of the Bankruptcy Code, Bankruptcy Rules and applicable local rules and orders. Prior to commencing a Chapter 11 case, the Company shall pay all amounts due and payable to Houlihan Lokey in cash. The terms of this Section are solely for the benefit of Houlihan Lokey, and may be waived, in whole or in part, only by Houlihan Lokey.

18. **Additional Services.** To the extent Houlihan Lokey is requested by the Company to perform any financial advisory or investment banking services which are not within the scope of this engagement (such as rendering a fairness opinion), the Company shall pay Houlihan Lokey such fees as shall be mutually agreed upon by the parties hereto in writing, in advance, depending on the level and type of services required, and shall be in addition to the fees and expenses described hereinabove.

19. **Required Services.** If Houlihan Lokey is required to render services not described herein, but which relate directly or indirectly to the subject matter of this Agreement (including, but not limited to, producing documents, answering interrogatories, attending depositions, giving expert or other testimony, whether by subpoena, court process or order, or otherwise), the Company shall pay Houlihan Lokey additional fees to be mutually agreed upon for such services, plus reasonable and documented related out-of-pocket costs and expenses, including, among other things, the reasonable and documented legal fees and expenses of Houlihan Lokey's counsel in connection therewith.

20. **Credit.** After the announcement or closing of any Transaction, Houlihan Lokey may, at its own expense, place announcements on its corporate website and in financial and other newspapers and periodicals (such as a customary "tombstone" advertisement, including the Company's logo or other identifying marks) describing its services in connection therewith. Furthermore, if requested by Houlihan Lokey, the Company agrees that in any press release announcing any Transaction, the Company will include in such press release a mutually acceptable reference to Houlihan Lokey's role as financial advisor to the Company with respect to such Transaction.

21. **Choice of Law; Jury Trial Waiver; Jurisdiction. THIS AGREEMENT SHALL BE DEEMED TO BE MADE IN NEW YORK. THIS AGREEMENT AND ALL DISPUTES ARISING OUT OF OR RELATED TO THIS AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS. EACH OF HOULIHAN LOKEY AND THE COMPANY (ON ITS OWN BEHALF AND, TO THE EXTENT PERMITTED BY APPLICABLE LAW, ON BEHALF OF ITS EQUITY HOLDERS) IRREVOCABLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) RELATED TO OR ARISING OUT OF THE ENGAGEMENT OF HOULIHAN LOKEY PURSUANT TO, OR THE PERFORMANCE BY HOULIHAN LOKEY OF THE SERVICES CONTEMPLATED BY, THIS AGREEMENT. REGARDLESS OF ANY PRESENT OR FUTURE DOMICILE OR PRINCIPAL PLACE OF BUSINESS OF THE PARTIES HERETO, EACH PARTY HEREBY IRREVOCABLY CONSENTS AND AGREES THAT ANY CLAIMS OR DISPUTES BETWEEN OR AMONG THE PARTIES HERETO ARISING OUT OF OR RELATED TO THIS AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) SHALL BE BROUGHT AND MAINTAINED IN ANY FEDERAL OR STATE COURT OF COMPETENT JURISDICTION SITTING IN THE COUNTY OF NEW YORK IN THE STATE OF NEW YORK OR IN THE UNITED STATES DISTRICT COURT FOR THE**

SOUTHERN DISTRICT OF NEW YORK, WHICH COURTS SHALL HAVE EXCLUSIVE JURISDICTION OVER THE ADJUDICATION OF SUCH MATTERS, AND AGREES TO VENUE IN SUCH COURTS; PROVIDED THAT SUCH CONSENT AND AGREEMENT SHALL NOT BE DEEMED TO REQUIRE ANY BANKRUPTCY CASE INVOLVING THE COMPANY TO BE FILED IN SUCH COURTS, AND IF THE COMPANY BECOMES A DEBTOR UNDER CHAPTER 11 OF THE BANKRUPTCY CODE, DURING ANY SUCH CASE, ANY CLAIMS MAY ALSO BE HEARD AND DETERMINED BEFORE THE BANKRUPTCY COURT. EACH PARTY FURTHER IRREVOCABLY SUBMITS AND CONSENTS IN ADVANCE EXCLUSIVELY TO SUCH JURISDICTION AND VENUE IN ANY ACTION OR SUIT COMMENCED IN ANY SUCH COURTS, AND HEREBY WAIVES IN ALL RESPECTS ANY CLAIM OR OBJECTION WHICH IT MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE OR FORUM NON CONVENIENS. THE COMPANY AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION, SUIT OR CLAIM BROUGHT IN ANY OF THE COURTS REFERRED TO ABOVE SHALL BE CONCLUSIVE AND BINDING UPON IT AND MAY BE ENFORCED IN ANY OTHER COURTS HAVING JURISDICTION OVER IT BY SUIT UPON SUCH JUDGMENT. THE COMPANY IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ALL SUCH DISPUTES BY THE MAILING OF COPIES OF SUCH PROCESS TO THE COMPANY AT 6501 CONGRESS AVENUE, SUITE 300, BOCA RATON, FL 33487.

22. **Indemnification and Standard of Care.** As a material part of the consideration for the agreement of Houlihan Lokey to furnish its services under this Agreement, the Company agrees (i) to indemnify and hold harmless Houlihan Lokey and its affiliates, and their respective past, present and future directors, officers, partners, members, employees, agents, representatives, advisors, subcontractors and controlling persons (collectively, the "Indemnified Parties"), to the fullest extent lawful, from and against any and all losses, claims, damages or liabilities (or actions in respect thereof), joint or several, arising out of or related to Houlihan Lokey's engagement under, or any matter referred to in, this Agreement, and (ii) to reimburse each Indemnified Party for all expenses (including, without limitation, the reasonable and documented fees and expenses of counsel) as they are incurred in connection with investigating, preparing, pursuing, defending, settling, compromising or otherwise becoming involved in any action, suit, dispute, inquiry, investigation or proceeding, pending or threatened, brought by or against any person or entity (including, without limitation, any shareholder or derivative action or any claim to enforce this Agreement), arising out of or related to such engagement or matter. However, the Company shall not be liable under the foregoing indemnification provision for any loss, claim, damage or liability which is finally judicially determined by a court of competent jurisdiction to have resulted primarily from actual fraud, bad faith, the willful misconduct or gross negligence of such Indemnified Party.

If for any reason the foregoing indemnification or reimbursement is unavailable to any Indemnified Party or insufficient fully to indemnify any Indemnified Party or to hold it harmless, then the Company shall contribute to the amount paid or payable by such Indemnified Party as a result of the losses, claims, damages, liabilities or expenses referred to in subsections (i) or (ii) of such indemnification or reimbursement provisions in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and Houlihan Lokey, on the other hand, in connection with the matters contemplated by this Agreement. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law, then the Company shall contribute to such amount paid or payable by such Indemnified Party in such proportion as is appropriate to reflect not only such relative benefits, but also the relative fault of the Company (and its affiliates, and their respective directors, employees, agents and other advisors), on the one hand, and such Indemnified Party, on the other hand, in connection therewith, as well as any other relevant equitable considerations. Notwithstanding the foregoing, in no event shall the Indemnified Parties be required to contribute an aggregate amount in excess of the amount of fees actually received by Houlihan Lokey from the Company pursuant to this Agreement. Relative benefits received by the Company, on the one hand, and Houlihan Lokey, on the other hand, shall

be deemed to be in the same proportion as (i) the total value paid or received or contemplated to be paid or received by the Company, and its security holders, creditors, and other affiliates, as the case may be, pursuant to the transaction(s) (whether or not consummated) contemplated by the engagement hereunder, bears to (ii) the fees received by Houlihan Lokey under this Agreement. The Company shall not settle, compromise or consent to the entry of any judgment in or otherwise seek to terminate any pending or threatened action, suit, dispute, inquiry, investigation or proceeding arising out of or related to Houlihan Lokey's engagement under, or any matter referred to in, this Agreement (whether or not an Indemnified Party is an actual or potential party thereto), or participate in or otherwise facilitate any such settlement, compromise, consent or termination by or on behalf of any person or entity, unless such settlement, compromise, consent or termination contains a release of the Indemnified Parties reasonably satisfactory in form and substance to Houlihan Lokey.

The Company further agrees that neither Houlihan Lokey nor any other Indemnified Party shall have any liability (whether direct or indirect and regardless of the legal theory advanced) to the Company or any person or entity asserting claims on behalf of or in right of the Company arising out of or related to Houlihan Lokey's engagement under, or any matter referred to in, this Agreement, except for losses, claims, damages or liabilities incurred by the Company which are finally judicially determined by a court of competent jurisdiction to have resulted primarily from the willful misconduct or gross negligence of such Indemnified Party.

The Company shall cause any new company or entity that may be formed by the Company, for any purpose, to agree to all of the obligations in this Section to Houlihan Lokey in accordance with the foregoing provisions. Prior to entering into any agreement or arrangement with respect to, or effecting, any (i) merger, statutory exchange or other business combination or proposed sale, exchange, dividend or other distribution or liquidation of all or a significant portion of its assets, or (ii) significant recapitalization or reclassification of its outstanding securities that does not directly or indirectly provide for the assumption of the obligations of the Company set forth in this Agreement, the Company will notify Houlihan Lokey in writing thereof (if not previously so notified) and, if requested by Houlihan Lokey, shall arrange in connection therewith alternative means of providing for the obligations of the Company set forth in this Agreement, including the assumption of such obligations by another party, insurance, surety bonds, the creation of an escrow, or other credit support arrangements, in each case in an amount and upon terms and conditions satisfactory to Houlihan Lokey.

The indemnity, reimbursement, and other obligations and agreements of the Company set forth herein (i) shall apply to any services provided by Houlihan Lokey in connection with this engagement prior to the Effective Date and to any modifications of this Agreement, (ii) shall be in addition to any obligation or liability which the Company may otherwise have to any Indemnified Party, and (iii) shall survive the completion of the services described in, and any expiration or termination of the relationship established by, this Agreement. The Company agrees that Houlihan Lokey would be irreparably injured by any breach of any such obligations or agreements, that money damages alone would not be an adequate remedy for any such breach and that, in the event of any such breach, Houlihan Lokey shall be entitled, in addition to any other remedies, to injunctive relief and specific performance.

23. **Miscellaneous.** This Agreement shall be binding upon the parties hereto and their respective successors, heirs and assigns and any successor, heir or assign of any substantial portion of such parties' respective businesses and/or assets, including any Chapter 11 or Chapter 7 trustee appointed on behalf of the Company.

Nothing in this Agreement, express or implied, is intended to confer or does confer on any person or entity, other than the parties hereto, the Indemnified Parties and each of their respective successors, heirs

and assigns, any rights or remedies (directly or indirectly as a third party beneficiary or otherwise) under or by reason of this Agreement or as a result of the services to be rendered by Houlihan Lokey hereunder.

This Agreement is the complete and exclusive statement of the entire understanding of the parties regarding the subject matter hereof, and supersedes all previous agreements or understandings regarding the same, whether written or oral. This Agreement may not be amended, and no portion hereof may be waived, except in a writing duly executed by the parties hereto.

The invalidity or unenforceability of any provision of this Agreement shall not affect the validity or enforceability of any other provision of this Agreement, which shall remain in full force and effect pursuant to the terms hereof.

To help the United States government fight the funding of terrorism and money laundering activities, the federal law of the United States requires all financial institutions to obtain, verify and record information that identifies each person with whom they do business as a condition to doing business with that person. Accordingly, the Company will provide Houlihan Lokey upon request (i) certain information regarding the identities of all individuals who, directly or indirectly, own 25% or more of the Company's equity interests as well as the Company's executive officers, and (ii) certain identifying information necessary to verify the Company's identity, such as a government-issued identification number (e.g., a U.S. taxpayer identification number), certified articles of incorporation, a government-issued business license, partnership agreement, or trust instrument. By executing this Agreement, the Company confirms that all such information provided to Houlihan Lokey is accurate and complete.

This Agreement may be executed in any number of counterparts, each of which will be deemed an original and all of which will constitute one and the same instrument. Such counterparts may be delivered by one party to the other by facsimile or other electronic transmission, and such counterparts shall be valid for all purposes.

The Company has all requisite power and authority to enter into this Agreement. This Agreement has been duly and validly authorized by all necessary action on the part of the Company and has been duly executed and delivered by the Company and constitutes a legal, valid and binding agreement of the Company, enforceable in accordance with its terms. This Agreement has been reviewed by the signatories hereto and their counsel. There shall be no construction of any provision against Houlihan Lokey because this Agreement was drafted by Houlihan Lokey, and the parties waive any statute or rule of law to such effect.

The Company agrees that it will be solely responsible for ensuring that any Transaction complies with applicable law. The Company understands that Houlihan Lokey is not undertaking to provide any legal, regulatory, accounting, insurance, tax or other similar professional advice and the Company confirms that it is relying on its own counsel, accountants and similar advisors for such advice.

To the extent that the Company hereunder is comprised of more than one entity or company, the obligations of the Company under this Agreement are joint and several, and any consent, direction, approval, demand, notice or the like given by any one of such entities or companies shall be deemed given by all of them and, as such, shall be binding on the Company.

The Company understands and acknowledges that Houlihan Lokey and its affiliates (collectively, the "Houlihan Lokey Group") engage in providing investment banking, securities trading, financing, financial advisory, and consulting services and other commercial and investment banking products and services to a wide range of institutions and individuals. In the ordinary course of business, the Houlihan Lokey Group and certain of its employees, as well as investment funds in which they may have financial

interests or with which they may co-invest, may acquire, hold or sell, long or short positions, or trade or otherwise effect transactions, in debt, equity, and other securities and financial instruments (including bank loans and other obligations) of, or investments in, the Company or any other party that may be involved in the matters contemplated by this Agreement or have other relationships with such parties. With respect to any such securities, financial instruments and/or investments, all rights in respect of such securities, financial instruments and investments, including any voting rights, will be exercised by the holder of the rights, in its sole discretion. In addition, the Houlihan Lokey Group may in the past have had, and may currently or in the future have, financial advisory or other investment banking or consulting relationships with parties involved in the matters contemplated by this Agreement, including parties that may have interests with respect to the Company, a Transaction or other parties involved in a Transaction, from which conflicting interests or duties may arise. Although the Houlihan Lokey Group in the course of such other activities and relationships or otherwise may have acquired, or may in the future acquire, information about the Company, a Transaction or such other parties, or that otherwise may be of interest to the Company, the Houlihan Lokey Group shall have no obligation to, and may not be contractually permitted to, disclose such information, or the fact that the Houlihan Lokey Group is in possession of such information, to the Company or to use such information on the Company's behalf.

In order to enable Houlihan Lokey to bring relevant resources to bear on its engagement hereunder from among its global affiliates, the Company agrees that Houlihan Lokey may share information obtained from the Company and other parties hereunder with other members of the Houlihan Lokey Group, and may perform the services contemplated hereby in conjunction with such other members.

If the foregoing correctly sets forth our agreement, please sign and return to us a copy of this Agreement along with a check (or wire transfer confirmation) for $100,000 on account of the first Monthly Fee.

All of us at Houlihan Lokey thank you for choosing us to advise the Company, and look forward to working with you on this engagement.

(v) *Validity, Extent, Perfection and Priority of Prepetition Term Loan Liens*. Subject to paragraph 41 of this Final Order, the Debtors further acknowledge and agree that, as of the Petition Date: (a) the Prepetition Term Loan Liens on the Prepetition Collateral were valid, binding, enforceable, non-avoidable and properly perfected and were granted to, or for the benefit of, the Prepetition Term Loan Secured Parties, for fair consideration and reasonably equivalent value; (b) the Prepetition Term Loan Liens were senior in priority over any and all other liens on the Prepetition Collateral (other than ABL Canadian Collateral (as defined in the DIP Intercreditor Agreement)), subject only to (1) the Prepetition ABL Liens on the Prepetition ABL Priority Collateral, (2) the Carve Out, and (3) certain liens otherwise permitted by the Prepetition Term Loan Documents (solely to the extent any such permitted liens were valid, properly perfected, non-avoidable and senior in priority to the Prepetition Term Loan Liens as of the Petition Date, the "Permitted Prior Liens"); (c) the Prepetition Term Loan Obligations constitute legal, valid, binding, and non-avoidable obligations of the Prepetition Term Loan Parties enforceable in accordance with the terms of the applicable Prepetition Term Loan Documents; (d) no offsets, challenges, objections, defenses, claims, or counterclaims of any kind or nature to any of the Prepetition Term Loan Liens or Prepetition Term Loan Obligations exist, and no portion of the Prepetition Term Loan Liens or Prepetition Term Loan Obligations is subject to any challenge or defense including, without limitation, avoidance, disallowance, disgorgement, recharacterization, or subordination (equitable or otherwise) pursuant to the Bankruptcy Code or applicable non-bankruptcy law; (e) the Debtors and their estates have no claims, objections, challenges, causes of action, and/or choses in action, including without limitation, avoidance claims under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions for recovery or disgorgement, against any of the Prepetition Term Loan Secured Parties, or any of their respective affiliates,

agents, attorneys, advisors, professionals, officers, directors and employees arising out of, based upon or related to the Prepetition Term Loan Facility; (f) the Debtors have waived, discharged, and released any right to challenge any of the Prepetition Term Loan Obligations, the priority of the Debtors' obligations thereunder, and the validity, extent, and priority of the liens securing the Prepetition Term Loan Obligations; and (g) the Prepetition Term Loan Obligations constitute allowed, secured claims within the meaning of sections 502 and 506 of the Bankruptcy Code to the extent of the value of the Prepetition Collateral upon which the Prepetition Term Loan Secured Parties have Prepetition Term Loan Liens.

(vi) *Default by the Debtors*. The Debtors acknowledge and stipulate that the Prepetition Term Loan Parties are in default of their obligations under the Prepetition Term Loan Documents.

(vii) *Releases*. Subject to Paragraph 41 of this Final Order, the Debtors hereby absolutely and unconditionally release and forever discharge and acquit the Prepetition Term Loan Secured Parties and their respective affiliates and each of their respective former, current or future officers, partners, directors, managers, members, principals, employees, agents, related funds, investors, financing sources, financial advisors, attorneys, accountants, investment bankers, consultants, representatives and other professionals and the respective successors and assigns thereof, in each case solely in their respective capacity as such (collectively, the "Released Parties") from any and all obligations and liabilities to the Debtors (and theirs successors and assigns) and from any and all claims, counterclaims, demands, debts, accounts, contracts, liabilities, actions and causes of action arising prior to the Petition Date (collectively, the "Released Claims") of any kind, nature or description, whether known or unknown, foreseen or unforeseen or liquidated or unliquidated, arising in law or equity or upon contract or tort or under any state or

federal law or otherwise, arising out of or related to (as applicable) the Prepetition Term Loan Documents, the obligations owing and the financial obligations made thereunder, the negotiation thereof and of the transactions reflected thereby and the obligations and financial obligations made thereunder, in each case that the Debtors at any time had, now have or may have, or that their successors or assigns hereafter can or may have against any of the Released Parties for or by reason of any act, omission, matter, cause or thing whatsoever arising at any time on or prior to the date of this Final Order arising out of or related to (as applicable) the Prepetition Term Loan Documents, the obligations owing and the financial obligations made thereunder, the negotiation thereof and of the transactions reflected thereby and the obligations and financial obligations made thereunder, whether such Released Claims are matured, contingent, liquidated, unliquidated, unmatured, known, unknown, or otherwise.

(viii) *Cash Collateral*. All cash, securities, or other properties of the DIP Parties (and the proceeds therefrom) to the extent subject to the valid, perfected, enforceable, and unavoidable liens as of the Petition Date of the Prepetition Term Loan Secured Parties, including, without limitation, all cash, securities, or other property (and the proceeds therefrom) and other amounts on deposit or maintained by the DIP Parties in any account or accounts subject to rights of set-off under the Prepetition Term Loan Documents and applicable law, for the benefit of the Prepetition Term Loan Secured Parties, subject to the terms of the DIP Intercreditor Agreement. All proceeds of the Prepetition Collateral (including cash on deposit in any account or accounts as of the Petition Date, securities, or other property, whether subject to control agreements or otherwise, in each case that constitutes Prepetition Collateral) to the extent subject to the valid, perfected, enforceable, and unavoidable liens as of the Petition Date of the Prepetition ABL Secured Parties and/or Prepetition Term Loan Secured Parties are "Cash Collateral" of the

applicable Prepetition ABL Secured Parties and Prepetition Term Loan Secured Parties within the meaning of section 363(a) of the Bankruptcy Code (the "Cash Collateral" and solely with respect to the Prepetition Term Loan Priority Collateral, the "Term Loan Cash Collateral"), subject to the Carve Out and the terms of the DIP Intercreditor Agreement.

(ix) *DIP Intercreditor Agreement*. Pursuant to section 510 of the Bankruptcy Code, except as expressly provided by the terms of the Interim Orders, this Final Order, the DIP Intercreditor Agreement and any other intercreditor agreement or subordination agreement between and/or among any Prepetition ABL Loan Party, any Prepetition Term Loan Party, any Debtor or affiliate thereof, and any other applicable intercreditor or subordination provisions contained in any of the Prepetition ABL Documents or Prepetition Term Loan Documents (i) shall remain in full force and effect, (ii) shall continue to govern the relative priorities, rights and remedies of the Prepetition ABL Secured Parties and the Prepetition Term Loan Secured Parties (including the relative priorities, rights and remedies of such parties with respect to the replacement liens and administrative expense claims and superpriority administrative expense claims granted, or amounts payable, by the Debtors under the Interim Orders, this Final Order, or any other order entered in respect of the DIP Motion or otherwise and the modification of the automatic stay), and (iii) shall not be deemed to be amended, altered, or modified by the terms of the Interim Orders, this Final Order, any other ordered entered in respect of the DIP Motion, the DIP ABL Documents, or the DIP Term Loan Documents, unless expressly set forth herein. The DIP ABL Credit Facility is an ABL Document as that term is used in the DIP Intercreditor Agreement, and the DIP Term Loan Credit Facility is a Term Loan Document as that term is used in the DIP Intercreditor Agreement.

G. Findings Regarding Postpetition Financing

(i) *Request for Postpetition Financing*. The Debtors seek authority on a final basis to (a) enter into the DIP Term Loan Credit Facility on the terms described herein and in the DIP Term Loan Documents, and (b) use Term Loan Cash Collateral on the terms described herein to administer their Cases and fund their operations.

(ii) *Priming of the Prepetition Liens*. The priming of the Prepetition Term Loan Secured Parties on the Prepetition Term Loan Priority Collateral (and the priming of the Prepetition Term Loan Secured Parties on the Prepetition ABL Priority Collateral) under section 364(d) of the Bankruptcy Code, as contemplated by the DIP Term Loan Credit Facility, as authorized by the Interim Orders;

(iii) and this Final Order, and as further described below, will enable the Debtors to continue borrowing under the DIP Term Loan Credit Facility and to continue to operate their businesses to the benefit of their estates and creditors. The Prepetition Term Loan Secured Parties are entitled to receive adequate protection as set forth in the Interim Orders; and this Final Order pursuant to sections 361, 363, and 364 of the Bankruptcy Code, solely to the extent of any diminution in value ("Diminution in Value") of each of their respective interests in the Prepetition Collateral (including Cash Collateral), subject to the Carve Out.

(iv) *Need for Postpetition Financing and Use of Cash Collateral*. The Debtors continue to have a critical need to obtain the financing pursuant to the DIP Term Loan Credit Facility and to continue to use the Prepetition Term Loan Priority Collateral (including Term Loan Cash Collateral) in order to, among other things, (i) permit the orderly continuation of the operation of their businesses, (ii) maintain business relationships with customers, vendors and suppliers, (iii) make payroll, and (iv) satisfy other working capital and operational needs. The access by the DIP

Parties to sufficient working capital and liquidity through the use of Term Loan Cash Collateral and other Prepetition Term Loan Priority Collateral, incurrence of new indebtedness under the DIP Term Loan Documents and other financial accommodations provided under the DIP Term Loan Documents are necessary and vital to the preservation and maintenance of the going concern value of the DIP Parties and to a successful reorganization of the DIP Parties and DIP Term Loan Obligations. The terms of the proposed financing are fair and reasonable, reflect each DIP Parties' exercise of prudent business judgment, and are supported by reasonably equivalent value and fair consideration. The adequate protection provided in the Interim Orders and this Final Order and other benefits and privileges contained herein are consistent with and authorized by the Bankruptcy Code.

(v) *No Term Loan Credit Available on More Favorable Terms*. The DIP Term Loan Credit Facility is the best source of term loan debtor in possession financing available to the Debtors. Given their current financial condition, financing arrangements, and capital structure, the Debtors have been and continue to be unable to obtain term loan financing from sources other than the DIP Term Loan Secured Parties on terms more favorable than the DIP Term Loan Credit Facility. The Debtors are unable to obtain unsecured credit allowable under Bankruptcy Code section 503(b)(1) as an administrative expense. The Debtors have also been and are unable to obtain: (a) unsecured credit having priority over that of administrative expenses of the kind specified in sections 503(b), 507(a), and 507(b) of the Bankruptcy Code; (b) credit secured solely by a lien on property of the Debtors and their estates that is not otherwise subject to a lien; or (c) credit secured solely by a junior lien on property of the Debtors and their estates that is subject to a lien. Term loan financing on a postpetition basis is not otherwise available without granting the DIP Term Loan Agent, for the benefit of itself and the DIP Term Loan Secured Parties and on

account of the obligations under the DIP Term Loan Credit Facility: (1) perfected security interests in and liens on (each as provided herein) all of the Debtors' existing and after-acquired assets with the priorities set forth in paragraph 6 hereof, (2) superpriority claims and liens, and (3) the other protections set forth in the Interim Orders and this Final Order.

(vi) *Use of proceeds of the DIP Term Loan Credit Facility*. As a condition to entry into the DIP Term Loan Documents, the extension of credit under the DIP Term Loan Credit Facility, and the authorization to use Term Loan Cash Collateral, the DIP Term Loan Agent, the DIP Term Loan Secured Parties, and the Prepetition Term Loan Secured Parties required, and the Debtors agreed, that proceeds of the DIP Term Loan Credit Facility shall be used, in each case in a manner consistent with the terms and conditions of the Interim Orders, this Final Order and the DIP Term Loan Documents and in accordance with the budget attached hereto as Exhibit A, as the same may be modified from time to time consistent with the terms of the DIP ABL Documents and DIP Term Loan Documents, and subject to such variances as permitted in the DIP Term Loan Credit Agreement (such budget, as so modified, the "Approved Budget"), solely for: (a) working capital and letters of credit; (b) other general corporate purposes of the Debtors; (c) permitted payment of costs of administration of the Cases; (d) payment of such prepetition expenses of the Prepetition Term Loan Secured Parties as consented to by the DIP Term Loan Agent and the "Required Lenders" under the DIP Term Loan Credit Agreement (the "Required DIP Term Loan Lenders"); (e) payment of interest, fees, and expenses (including without limitation, legal and other professionals' fees and expenses of the DIP Term Loan Agent) owed under the DIP Term Loan Documents; (f) payment of certain adequate protection amounts to the Prepetition Term Loan Secured Parties as set forth in paragraph 16 hereof; and (g) payment of the Carve Out shall be in accordance with paragraph 38 of this Final Order.

(vii) *Application of Proceeds of Collateral*. As a condition to entry into the DIP Term Loan Credit Agreement, the extension of credit under the DIP Term Loan Credit Facility and authorization to use Term Loan Cash Collateral, the Debtors, the DIP ABL Agent, the DIP Term Loan Agent, the DIP ABL Secured Parties, DIP Term Loan Lenders, the Prepetition ABL Secured Parties, and the Prepetition Term Loan Secured Parties have agreed that, as of and commencing on the date of the First Interim Hearing, the Debtors shall continue to apply the proceeds of DIP Term Loan Priority Collateral in accordance with the Interim Orders, this Final Order and the DIP Intercreditor Agreement.

H. Adequate Protection. Subject to the Carve Out and solely to the extent of any Diminution in Value, the Prepetition Term Loan Administrative Agent, for the benefit of itself and the Prepetition Term Loan Secured Parties is entitled to receive adequate protection in the Prepetition Collateral. Pursuant to sections 361, 363, and 507(b) of the Bankruptcy Code, as adequate protection (but only to the extent of any Diminution in Value): the Prepetition Term Loan Secured Parties will receive (a) adequate protection liens and superpriority claims, as more fully set forth in paragraphs 12-16 herein and (b) current payment of reasonable and documented fees and expenses (including, without limitation, legal and other professionals' fees and expenses of the Prepetition Term Loan Administrative Agent, whether arising before or after the Petition Date).

I. Sections 506(c) and 552(b). In light of (i) the DIP Term Loan Agent's and DIP Term Loan Secured Parties' agreement that their liens and superpriority claims shall be subject to the Carve Out (including the caps and limitations set forth therein), (ii) the Prepetition Term Loan Secured Parties' agreement that, with respect to the Prepetition Term Loan Priority Collateral, their liens shall be subject to the Carve Out (and the caps and limitations set forth therein), subordinate to the DIP Term Loan Liens, and, in the case of the Prepetition ABL Priority Collateral, subordinate

to the DIP ABL Liens and the Prepetition ABL Liens, and (iii) the Prepetition Term Loan Secured Parties' agreement that, with respect to the Prepetition Term Loan Priority Collateral, their liens shall not include the ABL Canadian Collateral and shall be subject to the Carve Out and subordinate to the DIP Term Loan Liens and, in the case of the ABL Priority Collateral, subordinate to the DIP ABL Liens, the Prepetition ABL Liens, the Canadian Intercompany Superpriority Administrative Claims, and the DIP Term Loan Liens, (a) the Prepetition Term Loan Secured Parties are entitled to a waiver of any "equities of the case" exception under section 552(b) of the Bankruptcy Code, and (b) the Debtors are entitled to grant a waiver of the provisions of section 506(c) of the Bankruptcy Code to the DIP Agents, DIP Lenders, DIP Obligations, Prepetition ABL Secured Parties, Prepetition ABL Obligations, and Prepetition Term Loan Secured Parties, subject to the terms of the DIP Intercreditor Agreement. For the avoidance of doubt, any determination hereunder on the relief sought in the DIP Motion concerning the section 506(c) waiver shall be binding on, and adhere to the benefit of, the DIP ABL Secured Parties and Prepetition ABL Secured Parties notwithstanding anything to the contrary in the Final ABL Order.

J. Good Faith of the DIP Term Loan Agents and DIP Term Loan Secured Parties.

(i) *Willingness to Provide Financing*. The DIP Term Loan Secured Parties have indicated a willingness to provide and to continue to provide financing to the Debtors subject to: (a) entry of the Interim Orders and this Final Order; (b) final approval of the terms and conditions of the DIP Term Loan Credit Facility and the DIP Term Loan Documents; (c) satisfaction of the closing conditions set forth in the DIP Term Loan Documents; and (d) findings by this Court that the DIP Term Loan Credit Facility is essential to the Debtors' estates, that the DIP Term Loan Agent and DIP Term Loan Secured Parties are extending credit to the Debtors pursuant to the DIP Term Loan Documents in good faith, and that the DIP Term Loan

Agent's and DIP Term Loan Secured Parties' claims, superpriority claims, security interests and liens, and other protections granted pursuant to the Interim Orders and this Final Order and the DIP Term Loan Documents will have the protections provided by section 364(e) of the Bankruptcy Code.

(ii) *Business Judgment*. Based on the DIP Motion, the declarations filed in support of the DIP Motion, and the record presented to the Court at the Interim Hearings and Final Hearing, (i) the terms of the financing provided by the DIP Term Loan Credit Facility, (ii) the adequate protection provided by the Interim Orders, this Final Order, and DIP Term Loan Documents, and (iii) the terms on which the DIP Parties may continue to use the Prepetition Collateral (including Cash Collateral), in each case pursuant to the Interim Orders, this Final Order, and the DIP Term Loan Documents, are in each case fair and reasonable, reflect the DIP Parties' exercise of prudent business judgment consistent with their fiduciary duties, constitute reasonably equivalent value and fair consideration, and represents the best financing (and terms) presently available.

(iii) *Good Faith Pursuant to Section 364(e).* The terms and conditions of the DIP Term Loan Credit Facility were negotiated in good faith and at arms' length among the Debtors, the Prepetition Term Loan Secured Parties, and the DIP Term Loan Secured Parties, with the assistance and counsel of their respective advisors. The credit to be extended under the DIP Term Loan Credit Facility shall be deemed to have been allowed, advanced, made, or extended in good faith by the DIP Term Loan Secured Parties within the meaning of section 364(e) of the Bankruptcy Code.

K. Immediate Entry. Sufficient cause existed for immediate entry of the Interim Orders pursuant to Bankruptcy Rule 4001(c)(2).

L. Final Hearing. Notice of the Final Hearing and the relief requested in the DIP Motion has been provided by the Debtors, whether by facsimile, electronic mail, overnight courier, or hand delivery, to certain parties-in-interest, including, among others: (i) the U.S. Trustee, (ii) those entities or individuals included on the Debtors' list of 50 largest unsecured creditors on a consolidated basis, (iii) counsel to the Prepetition ABL Agent, (iv) counsel to the Prepetition Term Loan Administrative Agent; (v) counsel to the Put Purchasers; (vi) the Creditors' Committee; and (vii) all other parties entitled to notice under the Local Rules. The Debtors have made reasonable efforts to afford the best notice possible under the circumstances and no other notice is required in connection with the relief set forth in the Interim Orders or this Final Order.

Based upon the foregoing findings and conclusions, the DIP Motion and the record before the Court with respect to the DIP Motion, and after due consideration and good and sufficient cause appearing therefor,

IT IS HEREBY ORDERED THAT:

1. DIP Term Loan Credit Facility Approved. The DIP Motion is granted on a final basis solely to the extent set forth below, the DIP Term Loan Credit Facility was authorized in part on an interim basis pursuant to the Interim Orders as modified therein, and hereby is authorized and approved on a final basis as set forth below (including any modifications in this Final Order as to the Interim Orders), and the use of Cash Collateral was authorized pursuant to the terms of the Interim Orders and the use of the Term Loan Cash Collateral is hereby authorized on a final basis, in each case, subject to the terms and conditions set forth in this Final Order. All objections to the Interim Orders and this Final Order as they relate to the DIP Term Loan Credit Facility and use of Term Loan Cash Collateral, to the extent not withdrawn, waived, settled, or

2. Authorization of the DIP Term Loan Financing. The DIP Term Loan Credit Facility was approved on an interim basis pursuant to the Interim Orders (as described therein) and is hereby approved on a final basis on the terms set forth in this Final Order. The Debtors were expressly and immediately authorized and empowered pursuant to the Interim Orders to execute and deliver the DIP Term Loan Documents and are hereby expressly and immediately authorized and empowered on a final basis to continue borrowing under the DIP Term Loan Documents, and to incur and to perform the DIP Term Loan Obligations in accordance with, and subject to, the terms of the Interim Orders, this Final Order and the DIP Term Loan Documents, and to deliver all instruments, certificates, agreements, and documents which may be required or necessary for the performance by the Debtors under the DIP Term Loan Credit Facility and the creation and perfection of the DIP Term Loan Liens (as defined below) described in and provided for by the Interim Orders and this Final Order and the DIP Term Loan Documents. The Debtors were authorized and directed pursuant to the Interim Orders and are hereby authorized and directed on a final basis to pay, in accordance with the Interim Orders and this Final Order, the principal, interest, fees, expenses and other amounts described in the DIP Term Loan Documents and all other documents comprising the DIP Term Loan Credit Facility as such become due and without need to obtain further Court approval, including, without limitation, closing fees, unused facility fees, continuing commitment fees, backstop fees, exit fees, servicing fees, audit fees, appraisal fees, liquidator fees, structuring fees, administrative agent's fees, the reasonable fees and disbursements of the DIP Term Loan Agent's attorneys, advisors, accountants, and other

consultants, whether or not such fees arose before or after the Petition Date, and whether or not the transactions contemplated by the Interim Orders or this Final Order are consummated, to implement all applicable reserves and to take any other actions that may be necessary or appropriate, all to the extent provided in the Interim Orders, this Final Order or the DIP Term Loan Documents. All collections and proceeds, whether from ordinary course collections, asset sales, debt or equity issuances, insurance recoveries, condemnations or otherwise, will be deposited and applied as required by this Final Order and the DIP Term Loan Documents. As of the date of execution and delivery, the DIP Term Loan Documents continue to represent valid and binding obligations of the Debtors, enforceable against each of the Debtors and their estates in accordance with their terms.

3. Authorization to Borrow. From the entry of this Final Order through and including the Termination Declaration (as defined below), and subject to the terms, conditions, limitations on availability and reserves set forth in the DIP Term Loan Documents, the Interim Orders and this Final Order, the Debtors were authorized pursuant to the Interim Orders and are hereby authorized to (i) borrow money pursuant to the DIP Term Loan Credit Agreement and the DIP Term Loan Guarantors were authorized pursuant to the Interim Orders and are hereby authorized by this Final Order to guaranty the DIP Term Loan Parties' DIP Term Loan Obligations with respect to such borrowings, in each case up to an aggregate principal amount equal to $28,000,000 on a final basis together with applicable interest, expenses, fees and other charges payable in connection with the DIP Term Loan Credit Facility, subject to any limitations on borrowing under the DIP Term Loan Documents, which shall be used for all purposes permitted under the DIP Term Loan Documents, including, without limitation, to provide working capital for the DIP Parties and to pay interest, fees, costs, charges, and expenses in accordance with the

Interim Orders, this Final Order, and the Approved Budget (subject to the variances permitted by the DIP ABL Credit Agreement and the DIP Term Loan Credit Agreement). In connection with obtaining and using funds to enable the Debtors to pay the expenses set forth in the Approved Budget (subject to the variances permitted by the DIP ABL Credit Agreement and the DIP Term Loan Credit Agreement), the Debtors shall borrow and use (or in the case of amounts already borrowed under the DIP Term Loan Credit Facility, use), on a weekly and cumulative basis, an equal amount from the DIP ABL Credit Facility (subject to Excess Availability (as defined in the DIP ABL Credit Agreement)) and the amounts borrowed under the DIP Term Loan Credit Facility.

4. DIP Term Loan Obligations. The DIP Term Loan Documents, the Interim Orders and this Final Order shall constitute and evidence the validity and binding effect of the Debtors' DIP Term Loan Obligations, which DIP Term Loan Obligations shall be enforceable against the Debtors, their estates and any successors thereto, including without limitation, any trustee appointed in the Cases, or in any case under Chapter 7 of the Bankruptcy Code upon the conversion of any of the Cases, or in any other proceedings superseding or related to any of the foregoing (collectively, the "Successor Cases"). Upon entry of this Final Order, the DIP Term Loan Obligations will include all loans, and any other indebtedness or obligations, contingent or absolute, which may now or from time to time be owing by any of the Debtors to any of the DIP Term Loan Secured Parties, under the DIP Term Loan Documents, the Interim Orders or this Final Order, including, without limitation, all principal, accrued interest, costs, charges, fees, expenses, and other amounts under the DIP Term Loan Documents. The DIP Term Loan Parties shall continue to be jointly and severally liable for the DIP Term Loan Obligations. The DIP Term Loan Obligations, as applicable, shall be due and payable, without notice or demand, and the use of Term Loan Cash Collateral shall automatically cease on each applicable Termination Date, as

applicable, except as provided in paragraph 29 herein. No obligation, payment, transfer, or grant of collateral security hereunder, under the Interim Orders or under the DIP Term Loan Documents (including any DIP Term Loan Obligation or DIP Term Loan Liens, and including in connection with any adequate protection provided to the Prepetition Term Loan Secured Parties) stayed, restrained, voidable, avoidable, or recoverable, under the Bankruptcy Code or under any applicable law (including, without limitation, under sections 502(d), 544, and 547 to 550 of the Bankruptcy Code or under any applicable state Uniform Fraudulent Transfer Act, Uniform Fraudulent Conveyance Act, or similar statute or common law), or subject to any avoidance, reduction, setoff, recoupment, offset, recharacterization, subordination (whether equitable, contractual, or otherwise), counterclaim, cross-claim, defense, or any other challenge under the Bankruptcy Code or any applicable law or regulation by any person or entity.

5. DIP Term Loan Liens. In order to secure the DIP Term Loan Obligations, effective immediately upon entry of the First Interim Order, pursuant to sections 361, 362, 364(c)(2), 364(c)(3), and 364(d) of the Bankruptcy Code, the DIP Term Loan Agent, for the benefit of itself and the DIP Term Loan Secured Parties, were granted pursuant to the Interim Orders and are hereby granted, continuing, valid, binding, enforceable, non-avoidable, and automatically and properly perfected postpetition security interests in and liens on (collectively, the "DIP Term Loan Liens") all real and personal property, whether now existing or hereafter arising and wherever located, tangible and intangible, of, with respect to the DIP Term Loan Obligations, each of the DIP Term Loan Parties (the "DIP Term Loan Collateral" or "DIP Collateral"),[6] including without limitation: (a) all cash, cash equivalents, deposit accounts, securities accounts, accounts, other

[6] For the avoidance of doubt, the DIP Term Loan Collateral does not include ABL Canadian Collateral (as defined by the DIP Intercreditor Agreement).

receivables (including credit card receivables), chattel paper, contract rights, inventory (wherever located), instruments, documents, securities (whether or not marketable), and investment property (including, without limitation, all of the issued and outstanding capital stock of each of its subsidiaries), furniture, fixtures, equipment, goods, franchise rights, trade names, trademarks, servicemarks, copyrights, patents, intellectual property, general intangibles, rights to the payment of money (including, without limitation, tax refunds and any other extraordinary payments), supporting obligations, guarantees, letter of credit rights, causes of action (excluding commercial tort claims and avoidance actions (but including avoidance actions brought pursuant to section 549 of the Bankruptcy Code to recover any post-petition transfer of DIP Collateral)) and all substitutions, books and records related to the foregoing, accessions and proceeds of the foregoing, wherever located, including insurance or other proceeds, (b) all owned real property interests and all proceeds of leased real property, and (c) proceeds of any avoidance actions brought pursuant to section 549 of the Bankruptcy Code to recover any post-petition transfer of DIP Collateral. DIP Collateral that is of a type that would be ABL Priority Collateral (as defined the DIP Intercreditor Agreement) and the proceeds and products thereof shall in each case, constitute "DIP ABL Priority Collateral," DIP Collateral that is of a type that would be Term Loan Priority Collateral (as defined in the DIP Intercreditor Agreement) and the proceeds and products thereof and shall, in each case, constitute "DIP Term Loan Priority Collateral".

6. DIP Lien Priority. The DIP Term Loan Liens are valid, automatically perfected, non-avoidable, senior in priority, and superior to any security, mortgage, collateral interest, lien or claim to any of the DIP Collateral, except that the DIP Term Loan Liens shall be subject to the Carve Out, and shall otherwise be junior only to: (i) as to the DIP Term Loan Priority Collateral, Permitted Prior Liens; and (ii) as to the DIP ABL Priority Collateral, (A) Permitted

Prior Liens; (B) the DIP ABL Liens; (C) the Prepetition ABL Liens; (D) the Prepetition ABL Adequate Protection Liens; and (E) the Canadian Intercompany Superpriority Administrative Claims. Other than as set forth herein or in the DIP Term Loan Documents, the DIP Term Loan Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter granted in the Cases or any Successor Cases, and shall be valid and enforceable against any trustee appointed in the Cases or any Successor Cases, upon the conversion of any of the Cases to a case under Chapter 7 of the Bankruptcy Code (or in any other Successor Case), and/or upon the dismissal of any of the Cases or Successor Cases. The DIP Term Loan Liens shall not be subject to section 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the DIP Term Loan Liens. Notwithstanding anything herein to the contrary, none of the Prepetition Term Loan Adequate Protection Liens or DIP Term Loan Liens shall exist with respect to any ABL Canadian Collateral (as defined by the DIP Intercreditor Agreement).

7. Superpriority Claims. The DIP Term Loan Secured Parties were pursuant to the Interim Orders and hereby are granted on a final basis (as of the date of entry of the First Interim Order), pursuant to Section 364(c)(1) of the Bankruptcy Code, allowed superpriority administrative expense claims in each of the Cases and any Successor Cases (collectively, the "DIP Term Loan Superpriority Claims") for all DIP Term Loan Obligations: (a) except as set forth herein, with priority over any and all administrative expense claims and unsecured claims against the Debtors or their estates in any of the Cases and any Successor Cases, at any time existing or arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to Bankruptcy Code Sections 105, 326, 328, 330, 331, 364, 503(a), 503(b), 506(c) (in regard to surcharge claims against secured creditors other than the

Prepetition Term Loan Secured Parties), 507(a), 507(b), 546(c), 546(d), 726, 1113, and 1114, and any other provision of the Bankruptcy Code, as provided under Section 364(c)(1) of the Bankruptcy Code; and (b) which shall at all times be senior to the rights of the Debtors and their estates, and any successor trustee or other estate representative to the extent permitted by law; provided that the DIP Term Loan Agent and DIP Term Loan Secured Parties shall first use reasonably commercial efforts to seek recourse against the DIP Term Loan Priority Collateral before exercising any remedies against proceeds of avoidance actions. Notwithstanding the foregoing, the DIP Term Loan Superpriority Claims and the "DIP Superpriority Claims" (as defined in the Interim Orders) of the DIP Term Loan Parties shall be *pari passu* with each other, without otherwise impairing the lien priorities as set forth herein, and subject to the terms of the DIP Intercreditor Agreement and Carve Out (including the caps and limitations therein).

8. No Obligation to Extend Credit. Except as required to fund the Carve Out in accordance with the terms of this Final Order, the DIP Term Loan Agent and DIP Term Loan Secured Parties shall have no obligation to make any loan or advance under the DIP Term Loan Documents unless all of the conditions precedent to the making of such extension of credit under the DIP Term Loan Documents and this Final Order have been satisfied in full or waived by the DIP Term Loan Agent (acting at the direction of the Required DIP Term Loan Lenders) in accordance with the terms of the DIP Term Loan Credit Agreement.

9. Use of Proceeds of DIP Term Loan Credit Facility. The Debtors shall continue to use advances of credit under the DIP Term Loan Credit Facility, in accordance with the Approved Budget (subject to such variances as permitted in the DIP Term Loan Credit Agreement), only for the purposes specifically set forth in the Interim Orders, this Final Order and

the DIP Term Loan Documents, and in compliance with the terms and conditions in the Interim Orders, this Final Order and the DIP Term Loan Documents.

10. No Monitoring Obligation. No DIP Term Loan Secured Party shall have any obligation nor responsibility to monitor any DIP Term Loan Party's use of DIP Term Loan Credit Facility, and each DIP Term Loan Secured Party may rely upon each DIP Term Loan Party's representation that the use of the DIP Term Loan Credit Facility at any time is in accordance with the requirements of the Interim Orders, this Final Order, the DIP Term Loan Documents and Bankruptcy Rule 4001(c)(2).

11. Authorization to Use Cash Collateral. Subject to the terms and conditions of this Final Order, the DIP Term Loan Credit Facility and the DIP Term Loan Documents and in accordance with the Approved Budget (subject to variances as permitted in the DIP Term Loan Credit Agreement), the Debtors were authorized pursuant to the Interim Orders and hereby are authorized to use Term Loan Cash Collateral until the Termination Date. Nothing in the Interim Orders or this Final Order shall authorize the disposition of any assets of the Debtors outside the ordinary course of business, or any Debtor's use of any Cash Collateral or other proceeds resulting therefrom, except as permitted in this Final Order (including with respect to the Carve Out), the DIP Term Loan Credit Facility, the DIP Term Loan Documents, and in accordance with the Approved Budget (subject to such variances as permitted in the DIP Term Loan Credit Agreement).

12. Prepetition Term Loan Adequate Protection Liens. Subject to the terms of the DIP Intercreditor Agreement and the Carve Out and solely to the extent of any Diminution in Value: pursuant to Sections 361, 363(e), and 364(d) of the Bankruptcy Code, as adequate protection of the interests of the Prepetition Term Loan Secured Parties in the Prepetition Collateral solely against any Diminution in Value of such interests in the Prepetition Collateral, the

Prepetition Term Loan Parties granted pursuant to the Interim Orders and hereby grant (as of the date of entry of the First Interim Order) to the Prepetition Term Loan Administrative Agent, for the benefit of itself and the Prepetition Term Loan Secured Parties continuing valid, binding, enforceable, and perfected postpetition security interests in and liens on the DIP Term Loan Collateral (the "Prepetition Term Loan Adequate Protection Liens" or "Adequate Protection Liens").

13. Priority of Prepetition Term Loan Adequate Protection Liens. Subject to the terms of the DIP Intercreditor Agreement: the Prepetition Term Loan Adequate Protection Liens shall be subject to the Carve Out (and the caps and limitations set forth therein) and shall otherwise be junior only to: (a) with respect to the DIP ABL Priority Collateral (1) Permitted Prior Liens; (2) the DIP ABL Liens; (3) the Canadian Intercompany Superpriority Administrative Claims; (4) the Prepetition ABL Liens; (5) the Prepetition ABL Adequate Protection Liens; (6) the DIP Term Loan Liens; and (7) the Prepetition Term Loan Liens; and (b) with respect to the DIP Term Loan Priority Collateral (1) Permitted Prior Liens; (2) the DIP Term Loan Liens; and (3) the Prepetition Term Loan Liens. The Prepetition Term Loan Adequate Protection Liens shall be senior to all other security interests in, liens on, or claims against any of the DIP Term Loan Parties' assets. Except as provided herein, the Prepetition Term Loan Adequate Protection Liens shall not be made subject to or *pari passu* with any lien or security interest heretofore or hereinafter in the Cases or any Successor Cases, and shall be valid and enforceable against any trustee appointed in any of the Cases or any Successor Cases, or upon the dismissal of any of the Cases or Successor Cases. The Prepetition Term Loan Adequate Protection Liens shall not be subject to sections 510, 549, or 550 of the Bankruptcy Code. No lien or interest avoided and preserved for the benefit of

the estate pursuant to section 551 of the Bankruptcy Code shall be *pari passu* with or senior to the Prepetition Term Loan Liens or the Prepetition Term Loan Adequate Protection Liens.

14. Prepetition Term Loan Adequate Protection Superpriority Claims. Subject to the terms of the DIP Intercreditor Agreement and the Carve Out and solely to the extent of any Diminution in Value, as further adequate protection of the interests of the Prepetition Term Loan Secured Parties in the Prepetition Collateral (other than the ABL Canadian Collateral) solely against any Diminution in Value of such interests in the Prepetition Collateral (other than the ABL Canadian Collateral), the Prepetition Term Loan Administrative Agent, on behalf of itself and the Prepetition Term Loan Secured Parties, was pursuant to the Interim Orders and is hereby granted as and to the extent provided by section 507(b) of the Bankruptcy Code as allowed superpriority administrative expense claims in each of the Cases and any Successor Cases (other than in the Case of the Canadian Borrower) (the "Prepetition Term Loan Superpriority Claim" or "Adequate Protection Superpriority Claims").

15. Priority of the Prepetition Term Loan Adequate Protection Superpriority Claims. Except as set forth herein, including with respect to the Canadian Intercompany Superpriority Administrative Claims, the Prepetition Term Loan Superpriority Claim shall have priority over all administrative expense claims and unsecured claims against the Debtors or their estates, now existing or hereafter arising, of any kind or nature whatsoever, including, without limitation, administrative expenses of the kinds specified in or ordered pursuant to Sections 105, 326, 328, 330, 331, 503(a), 503(b), 506(c) (solely with respect to surcharge claims against secured creditors other than the Prepetition Term Loan Secured Parties), 507(a), 507(b), 546(c), 546(d), 726, 1113, and 1114 of the Bankruptcy Code; *provided*, *however*, that the Prepetition ABL Superpriority Claims and the Prepetition Term Loan Superpriority Claims shall be *pari passu* with

each other (in each of the Cases other than the Recognition Proceedings, which shall be limited to Prepetition ABL Superpriority Claims in favor of the ABL Secured Parties), without otherwise impairing the lien priorities as set forth herein, and subject to the Carve Out and junior to the DIP Term Loan Superpriority Claims.

16. Adequate Protection Payments and Protections for Prepetition Term Loan Secured Parties. As further adequate protection and solely to the extent of any Diminution in Value and subject to the Carve Out (the "Prepetition Term Loan Adequate Protection Payments"), the Debtors are authorized and directed to provide adequate protection to the Prepetition Term Loan Secured Parties in the form of payment in cash in connection with the Cases and the Case of the Canadian Borrower (and as to fees and expenses without the need for the filing of formal fee applications) upon entry of this Final Order, as provided in the DIP Term Loan Credit Agreement.

17. Adequate Protection Reservation. Nothing herein shall impair or modify the application of section 507(b) of the Bankruptcy Code in the event that the adequate protection provided to the Prepetition Term Loan Secured Parties under the Interim Orders or hereunder is insufficient to compensate for any Diminution in Value of their respective interests in the Prepetition Collateral during the Cases or any Successor Cases. The receipt by the Prepetition Term Loan Secured Parties of the adequate protection provided in the Interim Orders or herein shall not be deemed an admission that the respective interests of the Prepetition Term Loan Secured Parties are adequately protected. Further, the Interim Orders and this Final Order shall not prejudice or limit the rights of the Prepetition Term Loan Secured Parties to seek additional relief with respect to the use of Cash Collateral or for additional adequate protection or the rights of any party to oppose such requests for additional relief.

Additional Provisions to DIP Financing and Use of Term Loan Cash Collateral

18. Amendment of the DIP Term Loan Documents. The DIP Term Loan Documents may from time to time be amended, modified, or supplemented by the parties thereto without further order of the Court if: (a) the amendment, modification, or supplement is in accordance with the DIP Term Loan Documents, and (b) a copy (which may be provided through electronic mail or facsimile) of the amendment, modification, or supplement is provided to counsel to DIP ABL Agent, the Creditors' Committee and any other committee appointed under section 1102 or 1104 of the Bankruptcy Code, and the U.S. Trustee (collectively, the "Notice Parties") not less than three (3) business days in advance in writing; and (c) the amendment, modification, or supplement is filed with the Court; *provided*, *however*, that neither consent of the Notice Parties nor approval of the Court will be necessary to effectuate any such amendment, modification or supplement and provided further that such amendment, modification, or supplement shall be without prejudice to the right of any party in interest to be heard; provided, further, that no such amendment, modification, or supplement shall modify the DIP Term Loan Documents in a manner that is materially different from that approved by the Court.

19. Budget Maintenance. The use of borrowings and letters of credit under the DIP Term Loan Credit Facility shall be in accordance with the Approved Budget (subject to such variances as permitted in the DIP Term Loan Credit Agreement) and the terms and conditions set forth in the DIP Term Loan Document. The Approved Budget and any modification to, or amendment or update of, the Approved Budget shall be subject to the reasonable approval of, and in form and substance reasonably acceptable to the DIP ABL Agent in accordance with the DIP ABL Documents and DIP Term Loan Agent in accordance with the DIP Term Loan Documents. The Debtors will promptly provide the Creditors' Committee with copies of the Approved Budget and any modifications, amendments, or updates thereto that have been approved by the DIP ABL

Agent in accordance with the DIP ABL Documents and DIP Term Loan Agent in accordance with the DIP Term Loan Documents. No amendment or modifications as to the DIP Term Loan Documents shall be made unless the Creditors' Committee is provided with three (3) business days' prior notice. If an objection to the proposed modifications or amendments is expressed by the Creditors' Committee in writing within such time period, then the parties agree to seek an expedited hearing to resolve the objection if it cannot be resolved amongst themselves.

20. Budget Compliance. The use of borrowings and letters of credit under the DIP Term Loan Credit Facility shall be in accordance with the Approved Budget (subject to such variances as permitted in the DIP Term Loan Credit Agreement) and the DIP Term Loan Documents; *provided, however*, that, in the case of the fees, costs and expenses of the DIP Term Loan Agent, the Debtors shall pay such fees, costs and expenses in accordance with the DIP Term Loan Documents and this Final Order without being limited by the Approved Budget.

21. Modification of Automatic Stay. The automatic stay imposed under section 362(a)(2) of the Bankruptcy Code was, pursuant to the Interim Orders, and is hereby modified as necessary to effectuate all of the terms and provisions of the Interim Orders and this Final Order, including, without limitation, to: (a) permit the Debtors to grant on a final basis the DIP Term Loan Liens (as of the date of entry of the First Interim Order), Prepetition Term Loan Adequate Protection Liens (as of the date of entry of the First Interim Order), DIP Term Loan Superpriority Claims, and Prepetition Term Loan Superpriority Claims; (b) permit the Debtors on a final basis to perform such acts as the DIP Term Loan Agent, DIP Term Loan Secured Parties, or the Prepetition Term Loan Administrative Agent each may reasonably request to assure the perfection and priority of the liens granted herein; (c) permit the Debtors on a final basis to incur all liabilities and obligations to the DIP Term Loan Secured Parties, and the Prepetition Term Loan

Secured Parties under the DIP Term Loan Documents, the DIP Term Loan Credit Facility, the Interim Orders, and this Final Order; and (d) authorize the Debtors on a final basis to pay, and the DIP Term Loan Agent, the DIP Term Loan Secured Parties, and the Prepetition Term Loan Secured Parties to retain and apply, payments made in accordance with the terms of the Interim Orders, this Final Order, and the DIP Term Loan Documents.

22. Perfection of DIP Term Loan Liens and Prepetition Term Loan Adequate Protection Liens. The Interim Orders and this Final Order shall be sufficient and conclusive evidence of the creation, validity, perfection, and priority of all liens granted therein and herein, including the DIP Term Loan Liens and the Prepetition Term Loan Adequate Protection Liens, without the necessity of filing or recording any financing statement, mortgage, notice, or other instrument or document which may otherwise be required under the law or regulation of any jurisdiction or the taking of any other action (including, for the avoidance of doubt, entering into any deposit account control agreement) to validate or perfect (in accordance with applicable non-bankruptcy law) the DIP Term Loan Liens, the Prepetition Term Loan Adequate Protection Liens, or to entitle the DIP Term Loan Secured Parties and the Prepetition Term Loan Secured Parties to the priorities granted herein (subject to the DIP Intercreditor Agreement). Notwithstanding the foregoing, the DIP Term Loan Agent and the Prepetition Term Loan Administrative Agent each are authorized to file, as in its reasonable discretion it deems necessary or advisable, such financing statements, security agreements, mortgages, notices of liens, and other similar documents to perfect in accordance with applicable non-bankruptcy law or to otherwise evidence the DIP Term Loan Liens and the Prepetition Term Loan Adequate Protection Liens, and all such financing statements, mortgages, notices, and other documents shall be deemed to have been filed or recorded as of the Petition Date; *provided*, *however*, that no such filing or recordation

shall be necessary or required in order to create or perfect the DIP Term Loan Liens, or the Prepetition Term Loan Adequate Protection Liens. The Debtors were, pursuant to the Interim Orders, and hereby are authorized and directed to execute and deliver reasonably promptly to the DIP Term Loan Agent and Prepetition Term Loan Administrative Agent all such financing statements, mortgages, notices and other documents as the DIP Term Loan Agent and Prepetition Term Loan Administrative Agent may reasonably request; provided that nothing herein shall require the Debtors to obtain any required consent of third parties to any such financing statements, mortgages, notices, and other documents. The DIP Term Loan Agent and the Prepetition Term Loan Administrative Agent, each in its discretion, may file a photocopy of this Final Order as a financing statement with any filing or recording office or with any registry of deeds or similar office, in addition to or in lieu of such financing statements, notices of lien, or similar instrument. To the extent that any Prepetition Term Loan Administrative Agent is the secured party under any security agreement, mortgage, leasehold mortgage, landlord waiver, credit card processor notices or agreements, bailee letters, custom broker agreements, financing statement, account control agreements, or any other Prepetition Term Loan Documents or is listed as loss payee, lenders' loss payee, or additional insured under any of the Debtors' insurance policies, DIP Term Loan Agent shall also be deemed to be the secured party or mortgagee, as applicable, under such documents or to be the loss payee or additional insured, as applicable. The Prepetition Term Loan Administrative Agent shall serve as agent for the DIP Term Loan Agent for purposes of perfecting the DIP Term Loan Agent's liens on all DIP Collateral that, without giving effect to the Bankruptcy Code and this Final Order, is of a type such that perfection of a lien therein may be accomplished only by possession or control by a secured party.

23. Application of Proceeds of Collateral. Subject to the Carve Out, as a condition to the entry of the DIP Term Loan Documents, the extension of credit under the DIP Term Loan Credit Facility and the authorization to use Cash Collateral, the Debtors have agreed that as of and commencing on the date of the First Interim Hearing, the Debtors shall apply all net proceeds of DIP Term Loan Priority Collateral that is sold in the ordinary course or liquidated as follows: (i) *first*, to costs and expenses of the DIP Term Loan Agent; (ii) *second*, to reduce the DIP Term Loan Obligations; (iii) *third*, to reduce the Prepetition Term Loan Obligations; and (iv) after indefeasible repayment in full in cash of the Prepetition Term Loan Obligations and the DIP Term Loan Obligations (including, in each case, provision for contingent obligations), (w) to costs and expenses of the DIP ABL Agent, (x) to reduce the Prepetition ABL Obligations, (y) to reduce the DIP ABL Obligations, and (z) to the repayment of the Canadian Intercompany Superpriority Administrative Claims. The reduction of the Prepetition ABL Obligations and Prepetition Term Loan Obligations is subject to the preservation of rights provided in paragraph 41 herein.

24. Protections of Rights of DIP Term Loan Secured Parties and Prepetition Term Loan Secured Parties.

(i) Unless the DIP Term Loan Agent and the Prepetition Term Loan Administrative Agent shall have provided their prior written consent or all DIP Term Loan Obligations and all Prepetition Term Loan Obligations have been indefeasibly paid in full in cash and all commitments thereunder are terminated, there shall not be entered in any of these Cases or any Successor Cases (including any order confirming any plan of reorganization or liquidation) any order that authorizes any of the following: (i) the obtaining of credit or the incurring of indebtedness that is secured by a security, mortgage, or collateral interest or other Lien on all or any portion of the DIP Collateral or Prepetition Collateral and/or that is entitled to administrative

priority status, in each case that is superior to or *pari passu* with the DIP Term Loan Liens, the DIP Term Loan Superpriority Claims, the Prepetition Term Loan Liens, the Prepetition Term Loan Adequate Protection Liens, and/or the Prepetition Term Loan Superpriority Claims; (ii) the use of Cash Collateral for any purpose other than as permitted in the DIP Term Loan Documents, the Interim Orders and this Final Order and the Approved Budget (subject to such variances as permitted in the DIP Term Loan Credit Agreement), the return of goods pursuant to section 546(h) of the Bankruptcy Code (or other return of goods on account of any prepetition indebtedness) to any creditor of any Debtor or any creditor's taking any setoff against any of its prepetition indebtedness based upon any such return of goods pursuant to section 553 of the Bankruptcy Code or otherwise, or (iii) any modification of any of the DIP Term Loan Agent's, DIP Term Loan Secured Parties', or the Prepetition Term Loan Secured Parties' rights under the Interim Orders, this Final Order, the DIP Term Loan Documents or the Prepetition Term Loan Documents with respect any DIP Term Loan Obligations or Prepetition Term Loan Obligations.

(ii) The Debtors (and/or their legal and financial advisors in the case of clauses (ii) through (iv) below) will, whether or not the DIP Term Loan Obligations have been indefeasibly paid in full in cash, (i) maintain books, records, and accounts to the extent and as required by the DIP Term Loan Documents, (ii) reasonably cooperate with, consult with, and provide to the DIP Term Loan Secured Parties all such information and documents that any or all of the Debtors are obligated (including upon reasonable request by any of the DIP Term Loan Agent or the DIP Term Loan Secured Parties) to provide under the DIP Term Loan Documents or the provisions of the Interim Orders, this Final Order, or as reasonably requested by the DIP Term Loan Secured Parties, in each case as and to the extent required by the DIP Term Loan Documents, (iii) upon reasonable advance notice, permit consultants, advisors, and other representatives

(including third party representatives) of each of the DIP Term Loan Secured Parties and the Prepetition Term Loan Administrative Agent to visit and inspect any of the Debtors' respective properties, to examine and make abstracts or copies from any of their respective books and records, to tour the Debtors' business premises and other properties, and to discuss, and provide advice with respect to, their respective affairs, finances, properties, business operations, and accounts with their respective officers, employees, independent public accountants, and other professional advisors as and to the extent required by the DIP Term Loan Documents and/or the Prepetition Term Loan Documents, (iv) permit the DIP Term Loan Agent, the DIP Term Loan Secured Parties, and the Prepetition Term Loan Administrative Agent, and their respective consultants, advisors and other representatives to consult with the Debtors' management and advisors on matters concerning the Debtors' businesses, financial condition, operations and assets, in each case as and to the extent required by the DIP Term Loan Documents, and (v) upon reasonable advance notice, permit the DIP Term Loan Agent, the DIP Term Loan Secured Parties and the Prepetition Term Loan Administrative Agent to conduct, at their discretion and at the Debtors' cost and expense, field audits, collateral examinations, liquidation valuations and inventory appraisals at reasonable times in respect of any or all of the DIP Collateral and Prepetition Collateral in each case as and to the extent required by the DIP Term Loan Documents. The Creditors' Committee shall receive any financial reporting required to be provided by the Debtors contemporaneously with the provision of such reports to the DIP Term Loan Secured Parties or Prepetition Term Loan Secured Parties.

(iii) No Debtor shall object to any DIP Term Loan Secured Parties' or any Prepetition Term Loan Secured Parties' credit bidding up to the full amount of the applicable outstanding DIP Term Loan Obligations and Prepetition Term Loan Obligations (as applicable), in

each case, including any accrued interest and expenses, in any sale of any DIP Collateral or Prepetition Collateral, as applicable, and whether such sale is effectuated through Section 363 or 1129 of the Bankruptcy Code, by a Chapter 7 trustee under Section 725 of the Bankruptcy Code, with the approval of the Canadian Court in respect of any sale of assets of the Canadian Loan Parties, or otherwise, subject, in each case, (w) to the rights and duties of the parties under the DIP Intercreditor Agreement, (x) to a Challenge (as defined herein) and (y) to the provision of consideration sufficient to pay in full in cash any senior liens on the collateral that is subject to the credit bid. For the avoidance of doubt, nothing in this paragraph 24 shall prejudice the rights of the Debtors to refinance the DIP Term Loan Obligations, *provided* that the DIP Term Loan Obligations are repaid in full in accordance with the terms of the DIP Term Loan Documents.

25. Proceeds of Subsequent Financing. Except with respect to the DIP ABL Obligations contemplated by the DIP Motion, if the Debtors, any trustee, any examiner with expanded powers, or any responsible officer subsequently appointed in these Cases or any Successor Cases, shall obtain credit or incur debt pursuant to Bankruptcy Code sections 364(b), 364(c), or 364(d) or in violation of the DIP Term Loan Documents at any time prior to the indefeasible repayment in full of all DIP Term Loan Obligations and Prepetition Term Loan Obligations, and the termination of the DIP Term Loan Secured Parties' obligation to extend credit under the DIP Term Loan Credit Facility, including subsequent to the confirmation of any plan with respect to any or all of the Debtors and the Debtors' estates, and such facilities are secured by any DIP Collateral, then all the cash proceeds derived from such credit or debt shall immediately be turned over to the DIP Term Loan Agent to be applied in accordance with this Final Order, the DIP Term Loan Documents and the DIP Intercreditor Agreement.

26. Cash Collection. From and after the date of the entry of the First Interim Order, the Debtors shall continue to maintain cash management in accordance with the DIP Term Loan Documents, as modified by this Final Order. Unless otherwise agreed to in writing by the DIP Term Loan Agent and Prepetition Term Loan Administrative Agent, the Debtors shall maintain no accounts except those identified in any interim and/or final order granting the *Debtors' Motions for Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Continue to Operate their Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, and (D) Continue to Perform Intercompany Transactions, and (II) Granting Related Relief* (the "Cash Management Order"). Until such time as Debtors are able to establish a deposit account at a bank other than Wells Fargo Bank, National Association to serve as the TL Deposit Account (as defined in the DIP Term Loan Credit Agreement), the account established for such purpose at Wells Fargo Bank, National Association shall constitute such TL Deposit Account and shall be subject to a fully perfected first priority lien and security interest in favor of the DIP Term Loan Agent as fully as if it were subject to a control agreement in favor of the DIP Term Loan Agent. For the avoidance of doubt, any TL Deposit Account shall not be subject to any liens or security interests other than liens and security interests in favor of the DIP Term Loan Agent.

27. Maintenance of DIP Collateral. Until the indefeasible payment in full of all DIP Term Loan Obligations, all Prepetition Term Loan Obligations, and the termination of the DIP Term Loan Secured Parties' obligation to extend credit under the DIP Term Loan Credit Facility, the Debtors shall: (a) insure the DIP Collateral as required under the DIP Term Loan Documents or the Prepetition Term Loan Documents, as applicable; and (b) maintain the cash management system in effect as of the Petition Date, as modified by any Cash Management Order which has

first been agreed to by the DIP Term Loan Agent or as otherwise required by the DIP Term Loan Documents.

28. Disposition of DIP Collateral. The Debtors shall not sell, transfer, lease, encumber or otherwise dispose of any portion of the DIP Term Loan Priority Collateral or Prepetition Term Loan Priority Collateral other than in the ordinary course of business without the prior written consent of the DIP Term Loan Agent (acting at the direction of the Required Term DIP Lenders) and the Prepetition Term Loan Administrative Agent (acting at the direction of the "Required Lenders" (as defined in the Prepetition Term Loan Credit Agreement) (and no such consent shall be implied, from any other action, inaction or acquiescence by the DIP Term Loan Secured Parties, or Prepetition Term Loan Secured Parties), except as otherwise provided for in the DIP Term Loan Documents, and subject to the DIP Intercreditor Agreement.

29. Termination Date. On the Termination Date, (a) all DIP Term Loan Obligations shall be immediately due and payable, all commitments to extend credit under the DIP Term Loan Credit Facility will terminate, other than as required in paragraph 38 with respect to the Carve Out, and (b) all authority to use Cash Collateral shall cease. For the purposes of this Final Order, the "DIP Term Loan Termination Date" shall mean the date the commitments are terminated pursuant to the terms of the DIP Term Loan Credit Agreement, including with respect to any cross termination rights with respect to the termination of the DIP ABL Credit Agreement in accordance with its terms.

30. Events of Default. The occurrence of any of the following events, unless waived by the DIP Term Loan Agent in writing and in accordance with the terms of the applicable DIP Term Loan Documents, shall constitute an event of default (collectively, the "Events of Default"): (a) the failure of the Debtors to perform, in any respect, any of the terms, provisions,

conditions, covenants, or obligations under this Final Order or any Canadian Recognition Order, including, without limitation, failure to make any payment under this Final Order when due, (b) the occurrence of an "Event of Default" under, and as defined in, the DIP Term Loan Credit Agreement, (c) any adverse modifications, amendments, or reversal of the Interim Orders or this Final Order, and no such waiver shall be implied by any other action, inaction or acquiescence by any party, (d) an order converting or dismissing any of the Cases, (e) an order appointing a chapter 11 trustee in the Cases, (f) an order appointing an examiner with enlarged powers in the Cases (beyond those set forth in sections 1106(a)(3) and (4) of the Bankruptcy Code, and (g) a plan proposed by the Debtors or confirmation thereof that does not propose to indefeasibly repay the DIP Term Loan Obligations in full in cash, unless otherwise consented to by the DIP Term Loan Agent.

31. Milestones. As a condition to the DIP Term Loan Credit Facility and the use of Cash Collateral, the Debtors shall comply with the case milestones set forth in the DIP Term Loan Credit Agreement, as modified by the order approving the *Debtors' Motion Seeking Entry of an Order (I) Approving the Bidding Procedures and Related Dates and Deadline, (II) Scheduling Hearings and Objection Deadlines with Respect to the Debtors' Disclosure Statement and Plan Confirmation, and (III) Granting Related Relief* [Docket No 22], subject to waiver or extension on the terms set forth in the DIP Term Loan Credit Agreement. For the avoidance of doubt, the terms herein with respect to any milestones shall after the date of this Final Order supersede any such language in the Interim Orders.

32. Rights and Remedies Upon Event of Default. Upon the occurrence and during the continuation of an Event of Default under the DIP Term Loan Documents, notwithstanding the provisions of section 362 of the Bankruptcy Code, without any application,

motion or notice to, hearing before, or order from the Court, but subject to the terms of this Final Order and the Canadian Recognition Orders (a) the DIP Term Loan Agent may declare (any such declaration shall be referred to herein as a "Termination Declaration") (1) all DIP Term Loan Obligations owing under the DIP Term Loan Documents to be immediately due and payable, (2) the termination, reduction, or restriction of any further commitment to extend credit to the Debtors to the extent any such commitment remains under the DIP Term Loan Credit Facility, (3) termination of the DIP Term Loan Credit Facility and the DIP Term Loan Documents as to any future liability or obligation of the DIP Term Loan Secured Parties, but without affecting any of the DIP Term Loan Liens or the DIP Term Loan Obligations, and (4) that the application of the Carve Out has occurred through the delivery of the Carve Out Trigger Notice to the Borrowers; (b) interest, including, where applicable, default interest, shall accrue and be paid as set forth in the DIP Term Loan Documents, and (c) the DIP Term Loan Agent may declare a termination, reduction, or restriction on the ability of the Debtors to use Term Loan Cash Collateral (the date which is the earliest to occur of (i) any such date a Termination Declaration is delivered by DIP Term Loan Agent or a "Termination Declaration" (as defined in the Interim Orders) is delivered by DIP ABL Agent and (ii) the DIP ABL Termination Date or DIP Term Loan Termination Date (as applicable), shall be referred to herein as the "Termination Date"). The Termination Declaration shall be given by electronic mail (or other electronic means) to counsel to the Debtors, counsel to the DIP ABL Agent, counsel to the Creditors' Committee and any other committee appointed under section 1102 or 1104 of the Bankruptcy Code, and the U.S. Trustee. The automatic stay in the Cases otherwise applicable to the DIP Term Loan Secured Parties, and the Prepetition Term Loan Secured Parties is hereby modified so that seven (7) business days after the date a Termination Declaration is delivered (the "Remedies Notice Period"): (A) the DIP Term

Loan Secured Parties shall be entitled to exercise their rights and remedies in accordance with the respective DIP Term Loan Documents, the Interim Orders and this Final Order and shall be permitted to satisfy the relevant DIP Term Loan Obligations, DIP Superpriority Claim and DIP Term Loan Liens, subject to the Carve Out, (B) the Prepetition Term Loan Secured Parties shall be entitled to exercise their rights and remedies to satisfy the relevant Prepetition Term Loan Secured Obligations, Prepetition Term Loan Superpriority Claims, and Prepetition Term Loan Adequate Protection Liens, subject to and consistent with (i) the Carve Out, (ii) this Final Order, and (iii) the DIP Intercreditor Agreement. During the Remedies Notice Period, unless otherwise ordered by the Court, the Debtors and/or the Creditors' Committee shall be entitled to seek an emergency hearing within the Remedies Notice Period on any basis and the DIP Term Loan Agent shall consent to such an emergency hearing. During the Remedies Notice Period, DIP Term Loan Secured Parties shall not be required to consent to the use of any Cash Collateral or provide any loans or other financial accommodations under the DIP Term Loan Credit Facility other than for the payment of accrued and unpaid employee wages and benefits otherwise payable in the ordinary course and in accordance with the Approved Budget and subject to paragraph 38 and availability under the DIP Term Loan Credit Agreement. Unless the Court orders otherwise, the automatic stay, as to all of the DIP Term Loan Secured Parties, and Prepetition Term Loan Secured Parties, shall automatically be terminated at the end of the Remedies Notice Period without further notice or order. Upon expiration of the Remedies Notice Period, the DIP Term Loan Secured Parties, and the Prepetition Term Loan Secured Parties shall be permitted to exercise all remedies set forth herein, in the DIP Term Loan Documents, the Prepetition Term Loan Documents, and as otherwise available at law without further order of or application or motion to the Court consistent with the DIP Intercreditor Agreement.

33. Good Faith Under Section 364(e) of the Bankruptcy Code; No Modification or Stay of this Final Order. The DIP Term Loan Secured Parties have acted in good faith in connection with the Interim Orders and this Final Order and are entitled to rely upon the protections granted herein and by section 364(e) of the Bankruptcy Code. Based on the findings set forth in this Final Order and the record made during the Interim Hearings and the Final Hearing, and in accordance with section 364(e) of the Bankruptcy Code, in the event any or all of the provisions of the Interim Orders or this Final Order are hereafter modified, amended or vacated by a subsequent order of this Court or any other court, the DIP Term Loan Secured Parties are entitled to the protections provided in section 364(e) of the Bankruptcy Code. Any such modification, amendment or vacatur shall not affect the validity and enforceability of any advances previously made or made hereunder, or lien, claim or priority previously or hereby authorized or created.

34. DIP and Other Expenses. The Debtors are authorized and directed to pay all reasonable and documented fees and expenses of (x) the DIP Term Loan Agent and DIP Term Loan Secured Parties in connection with the DIP Term Loan Credit Facility, as provided in the DIP Term Loan Documents (subject to applicable limitations on the DIP Parties' obligations to pay such amounts in the DIP Term Loan Documents), whether or not the transactions contemplated hereby are consummated, and (y) the Prepetition Term Loan Administrative Agent and Prepetition Term Loan Secured Parties (including the fees and expenses of counsel), as provided in the applicable Prepetition Term Loan Document, subject to the terms of this paragraph. Payment of all such fees and expenses shall not be subject to allowance by the Court. Professionals for the DIP Term Loan Agent, the DIP Term Loan Secured Parties, the Prepetition Term Loan Administrative Agent, and the Prepetition Term Loan Secured Parties shall not be required to comply with the U.S. Trustee fee guidelines. No attorney or advisor to the DIP Term Loan Agent,

DIP Term Loan Secured Parties, Prepetition Term Loan Administrative Agent, or Prepetition Term Loan Secured Parties shall be required to file an application seeking compensation for services or reimbursement of expenses with the Court. No fees or expenses of the DIP Term Loan Secured Parties, DIP Term Loan Agent, or Prepetition Term Loan Secured Parties shall be paid prior to the provision of a monthly statement or invoice (which may be presented in summary form and/or redacted or modified to the extent necessary to delete any information subject to the attorney-client privilege, any information constituting attorney-work product, or any other confidential information, and the provision of such invoices shall not constitute any waiver of the attorney-client privilege or of any benefits of the attorney-work product doctrine) to counsel for the Creditors' Committee and the Office of the United States Trustee (hereinafter "Lender Expense Notice Parties"). Any Lender Expense Notice Party shall have ten (10) days after submission of such invoice to assert an objection to payment of the amounts sought in the subject invoice. Provided no objection has been raised by any such Lender Expense Notice Party(ies) within the time period provided for herein, the Debtors (or DIP Term Loan Agent, as applicable) shall be authorized without further order of the Court to pay such invoice. In the event a Lender Expense Notice Party(ies) asserts an objection within the time period provided for herein, the Debtors (or DIP Term Loan Agent, as applicable) shall be authorized without further order of the Court to pay the undisputed portion of such invoice and any dispute with regard to amounts objected to shall be resolved by the Court.

35. Budget. The Approved Budget was approved pursuant to the Interim Orders and the Budget attached hereto as Exhibit A hereby is approved and the proceeds of the DIP Term Loan Credit Facility and Cash Collateral under the Interim Orders and Final Order shall be used by the Debtors in accordance with the Approved Budget (subject to such variances as permitted in

the DIP Term Loan Credit Agreement), the Interim Orders, this Final Order, and the DIP Term Loan Documents and to fund the Carve Out, subject to the terms and limitations provided in paragraph 38 below. None of the DIP Term Loan Secured Parties' consent (if any) to, or acknowledgement of, the Approved Budget shall be construed as consent to use the proceeds of the DIP Term Loan Credit Facility or Cash Collateral beyond the respective maturity dates set forth in the DIP Term Loan Documents, regardless of whether the aggregate funds shown on the Approved Budget have been expended.

36. Indemnification. The Debtors shall indemnify and hold harmless the DIP Term Loan Secured Parties in accordance with the terms and conditions of the DIP Term Loan Credit Agreement.

37. Master Proofs of Claim. The DIP Term Loan Secured Parties and the Prepetition Term Loan Secured Parties will not be required to file proofs of claim in any of the Cases or Successor Cases for any claim allowed herein. Notwithstanding any order entered by the Court in relation to the establishment of a bar date in any of the Cases or Successor Cases to the contrary, and in order to facilitate the processing of claims, to ease the burden upon the Court and to reduce an unnecessary expense to the Debtors' estates, the Prepetition Term Loan Administrative Agent and/or each other Prepetition Term Loan Secured Party is authorized to file in the Debtors' lead chapter 11 Case, Case No. 19-11608, a single, master proof of claim on behalf of the relevant Prepetition Term Loan Secured Parties on account of any and all of their respective claims arising under the applicable Prepetition Term Loan Documents and hereunder (each a "Master Proof of Claim") against each of the Debtors. Upon the filing of a Master Proof of Claim against each of the Debtors, the Prepetition Term Loan Secured Parties, and each of their respective successors and assigns, shall be deemed to have filed a proof of claim in the amount set forth opposite its

name therein in respect of its claims against each of the Debtors of any type or nature whatsoever with respect to the applicable Prepetition Term Loan Documents, and the claim of each Prepetition Term Loan Secured Party (and each of its respective successors and assigns), named in a Master Proof of Claim shall be treated as if such entity had filed a separate proof of claim in each of these Cases. The Master Proofs of Claim shall not be required to identify whether any Prepetition Term Loan Secured Party acquired its claim from another party and the identity of any such party or to be amended to reflect a change in the holders of the claims set forth therein or a reallocation among such holders of the claims asserted therein resulting from the transfer of all or any portion of such claims. The provisions of this paragraph and each Master Proof of Claim are intended solely for the purpose of administrative convenience and shall not affect the right of each Prepetition Term Loan Secured Party (or its successors in interest) to vote separately on any plan proposed in these Cases. The Master Proofs of Claim shall not be required to attach any instruments, agreements or other documents evidencing the obligations owing by each of the Debtors to the applicable Prepetition Term Loan Secured Parties, which instruments, agreements or other documents will be provided upon reasonable request to counsel to the Prepetition Term Loan Administrative Agent.

38. Carve Out.

(a) Carve Out. As used in this Final Order, the "Carve Out" means the sum of (i) all fees required to be paid to the Clerk of the Court and to the Office of the United States Trustee under section 1930(a) of title 28 of the United States Code plus interest at the statutory rate; (ii) all reasonable fees and expenses up to $50,000 incurred by a trustee under section 726(b) of the Bankruptcy Code (the "Chapter 7 Trustee Carve-Out") and all approved expenses incurred by members of the Creditors' Committee solely in their capacity as such (the "Committee Expenses"); (iii) to the extent allowed at any time, whether by interim order, final order, procedural

order, or otherwise, all unpaid fees and expenses (the "Allowed Professional Fees") incurred by persons or firms retained by the Debtors pursuant to section 327, 328, or 363 of the Bankruptcy Code (the "Debtor Professionals") and the Creditors' Committee pursuant to section 328 or 1103 of the Bankruptcy Code (the "Committee Professionals" and, together with the Debtor Professionals, the "Professional Persons") at any time before or on the first business day following delivery by the DIP ABL Agent or DIP Term Loan Agent of a Carve Out Trigger Notice (as defined below), whether allowed by the Court prior to or after delivery of a Carve Out Trigger Notice; and (v) Allowed Professional Fees of Professional Persons in an aggregate amount not to exceed $1,250,000 incurred after the first business day following delivery by the DIP ABL Agent or the DIP Term Loan Agent of the Carve Out Trigger Notice, to the extent allowed at any time, whether by interim order, procedural order, or otherwise (the amounts set forth in this clause (iv) being the "Post-Carve Out Trigger Notice Cap").[7] For purposes of the foregoing, "Carve Out Trigger Notice" shall mean a written notice delivered by email (or other electronic means) by the DIP ABL Agent or DIP Term Loan Agent to the Debtors, their lead restructuring counsel, the U.S. Trustee, and counsel to the Creditors' Committee, which notice may be delivered following the occurrence and during the continuation of an Event of Default and acceleration of the DIP Term Loan Obligations or an "Event of Default" under the DIP ABL Documents and acceleration of the DIP ABL Obligations, respectively, stating that the Post Carve Out Trigger Notice Cap has been invoked.

(b) Fee Estimates. Not later than 7:00 p.m. New York time on the third business day of each week starting with the first full calendar week following the Closing Date, each

[7] Notwithstanding the foregoing, up to $250,000 of the Post-Carve Out Trigger Notice Cap may be used to pay Allowed Professional Fees of Professional Persons incurred prior to the delivery of a Carve Out Trigger Notice to the extent such Allowed Professional Fees exceed the Professional Fee Carve Out Cap (as defined below).

Professional Person shall deliver to the Debtors a statement setting forth a good-faith estimate of the amount of fees and expenses (collectively, "Estimated Fees and Expenses") incurred during the preceding week by such Professional Person (through Saturday of such week, the "Calculation Date"), along with a good-faith estimate of the cumulative total amount of unreimbursed fees and expenses incurred through the applicable Calculation Date and a statement of the amount of such fees and expenses that have been paid to date by the Debtors (each such statement, a "Weekly Statement"); *provided, that* within one business day of the occurrence of the Termination Declaration Date (as defined below), each Professional Person shall deliver one additional statement (the "Final Statement") setting forth a good-faith estimate of the amount of fees and expenses incurred during the period commencing on the calendar day after the most recent Calculation Date for which a Weekly Statement has been delivered and concluding on the Termination Declaration Date. For purposes of this paragraph 38(b) and paragraph 38(c), counsel to the Creditors' Committee will be deemed to be the party that has incurred the Committee Expenses, all references to a "Professional Person" shall be deemed to include the counsel to the Creditors' Committee in respect of the Committee Expenses and all references to "Allowed Professional Fees" will be deemed to include the Committee Expenses. If any Professional Person fails to deliver a Weekly Statement within three calendar days after such Weekly Statement is due, such Professional Person's entitlement (if any) to any funds in the Carve Out Reserves (as defined below) with respect to the aggregate unpaid amount of Allowed Professional Fees for the applicable period(s) for which such Professional Person failed to deliver a Weekly Statement covering such period shall be limited to the aggregate unpaid amount of Allowed Professional Fees included in the Approved Budget for such period for such Professional Person; *provided, that* such Professional Person shall be entitled to be paid any unpaid amount of Allowed Professional Fees

in excess of Allowed Professional Fees included in the Approved Budget for such period for such Professional Person from a reserve to be funded by the Debtors from all cash on hand as of such date and any available cash thereafter held by any Debtor pursuant to paragraph 38(c) below. Solely as it relates to the DIP ABL Agent and DIP ABL Secured Parties, any deemed draw and borrowing pursuant to paragraph 38(c)(i) for amounts under paragraph 38(a)(iii) above shall be limited to the greater of (x) the sum of (I) the aggregate unpaid amount of Estimated Fees and Expenses included in such Weekly Statements timely received by the Debtors prior to the Termination Declaration Date *plus*, without duplication, (II) the aggregate unpaid amount of Estimated Fees and Expenses included in the Final Statements timely received by the Debtors pertaining to the period through and including the Termination Declaration Date, and (y) the aggregate unpaid amount of Allowed Professional Fees included in the Approved Budget for the period prior to the Termination Declaration Date (such amount, the "Professional Fee Carve Out Cap"). For the avoidance of doubt, the DIP ABL Agent and DIP ABL Lenders shall be entitled to maintain at all times a reserve (the "Carve-Out Reserve") in an amount (the "Carve-Out Reserve Amount") equal to the sum of (i) the greater of (x) the aggregate unpaid amount of Estimated Fees and Expenses included in all Weekly Statements timely received by the Debtors, and (y) the aggregate amount of Allowed Professional Fees contemplated to be unpaid in the Approved Budget at the applicable time, *plus* (ii) the Post-Carve Out Trigger Notice Cap, *plus* (iii) an amount equal to the amount of Allowed Professional Fees set forth in the Approved Budget for the following week occurring after the most recent Calculation Date, *plus* (iv) the amounts contemplated under paragraph 38(a)(i) and 38(a)(ii) above. Not later than 7:00 p.m. New York time on the fourth business day of each week starting with the first full calendar week following the Closing Date, the Debtors shall deliver to the DIP ABL Agent, the DIP Term Loan Agent, and

the Creditors' Committee concurrently a report setting forth the Carve-Out Reserve Amount as of such time (the "Fee Report"), and, in setting the Carve Out Reserve, the DIP ABL Agent and DIP ABL Lenders shall be entitled to rely upon such reports in accordance with the DIP ABL Credit Agreement or the DIP Term Loan Credit Agreement. Prior to the delivery of the first report setting forth the Carve-Out Reserve Amount, the DIP ABL Agent or the DIP Term Loan Agent may calculate the Carve-Out Reserve Amount by reference to the Approved Budget for subsection (i) of the Carve-Out Reserve Amount. Notwithstanding anything herein to the contrary, DIP ABL Agent may increase the Carve-Out Reserve Amount to include additional amounts with respect to any monitoring charge or other charge arising from the Canadian insolvency proceeding of the Canadian Borrower and for the projected amount of any success, completion, commission-based, or other non-hourly fees billed by or due to any financial advisor, investment banker (including any "Sale Transaction Fee" or "Supplemental Sale Transaction Fee" (each as defined below)), monitor, or other Professional engaged by any Debtor, the Creditors' Committee, or any committee in the Cases.

(c) Carve Out Reserves. On the day on which a Carve Out Trigger Notice is given by either the DIP ABL Agent or the DIP Term Loan Agent to the Debtors with a copy to counsel to the Creditors' Committee (the "Termination Declaration Date"), the Carve Out Trigger Notice shall be deemed (i) a draw request and notice of borrowing by the Debtors for DIP ABL Loans under the DIP ABL Credit Agreement in an amount equal to the sum of (x) the amounts set forth in paragraphs (a)(i) and (a)(ii), above, and (y) the then unpaid amounts of the Allowed Professional Fees up to the Professional Fee Carve Out Cap (any such amounts actually advanced shall constitute DIP ABL Loans) and (ii) a draw request and notice of borrowing by the Debtors for DIP Term Loans under the DIP Term Loan Facility in an amount equal to the unpaid amounts

of the Allowed Professional Fees in excess of the Professional Fee Carve Out Cap (any such amounts actually advanced shall constitute DIP Term Loans), and shall also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the then unpaid amounts of the Allowed Professional Fees (which cash amounts shall reduce, on a dollar-for-dollar basis, the draw requests and applicable DIP ABL Loans and DIP Term Loans pursuant to the foregoing clauses (i) and (ii) of this sentence of this paragraph (c)). The Debtors shall deposit and hold such amounts in a segregated account at the DIP ABL Agent in trust exclusively to pay such unpaid Allowed Professional Fees (the "Pre-Carve Out Trigger Notice Reserve"). On the Termination Declaration Date, the Carve Out Trigger Notice shall also be deemed a request by the Debtors for (1) DIP ABL Loans under the DIP ABL Credit Agreement in an amount equal to the Post Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute DIP ABL Loans) and, (2) to the extent not funded by the DIP ABL Lenders, for DIP Term Loans in an amount equal to any unfunded portion of the Post-Carve Out Trigger Notice Cap (any such amounts actually advanced shall constitute DIP Term Loans), and shall also constitute a demand to the Debtors to utilize all cash on hand as of such date and any available cash thereafter held by any Debtor to fund a reserve in an amount equal to the Post-Carve Out Trigger Notice Cap (which cash amounts shall reduce, on a dollar-for-dollar basis, the draw requests and applicable DIP ABL Loans and DIP Term Loans pursuant to the foregoing clauses (1) and (2) of this sentence of this paragraph (c)). The Debtors shall deposit and hold such amounts in a segregated account at the DIP ABL Agent in trust exclusively to pay such Allowed Professional Fees benefiting from the Post-Carve Out Trigger Notice Cap (the "Post Carve Out Trigger Notice Reserve" and, together with the Pre-Carve Out Trigger Notice Reserve, the "Carve Out Reserves"). On the third business day following the

Termination Declaration Date and the deemed requests for the making of DIP ABL Loans and DIP Term Loans as provided in this paragraph (c), notwithstanding anything in the DIP ABL Credit Agreement or the DIP Term Loan Credit Agreement to the contrary, including with respect to (1) the existence of a Default (as defined in the DIP ABL Credit Agreement or the DIP Term Loan Credit Agreement), Event of Default or an "Event of Default" (as defined in the DIP ABL Credit Agreement), (2) the failure of the Debtors to satisfy any or all of the conditions precedent for the making of any DIP ABL Loan under the DIP ABL Credit Agreement or DIP Term Loans under the DIP Term Loan Credit Agreement, respectively, (3) any termination of the DIP ABL Loan Commitments or commitments under the DIP Term Loan Credit Facility following an Event of Default or "Event of Default" (as defined in the DIP ABL Credit Agreement), or (4) the occurrence of the Maturity Date (as defined in the ABL DIP Credit Agreement or DIP Term Loan Credit Agreement), each DIP ABL Lender and DIP Term Loan Lender with an outstanding Commitment shall make available to the DIP ABL Agent or DIP Term Loan Agent, as applicable, such DIP ABL Lender's or such DIP Term Loan Lender's pro rata share of such DIP ABL Loans or DIP Term Loans, as applicable. For the avoidance of doubt, the Carve Out Reserves shall constitute the primary source for payment of Allowed Professional Fees entitled to benefit from the Carve Out, and any lien priorities or superpriority claims granted pursuant to this Final Order to secure payment of the Carve Out shall be limited to any shortfall in funding as provided below.

(d) Application of Carve Out Reserves.

(i) All funds in the Pre-Carve Out Trigger Notice Reserve shall be used first to pay the obligations set forth in subparagraphs (a)(i) through (a)(iii) of the definition of Carve Out set forth above (the "Pre-Carve Out Amounts"), but not, for the avoidance of doubt, the Post-Carve Out Trigger Notice Cap (other than amounts up to $250,000 to the extent the Pre-Carve

Out Amounts exceed the Professional Fee Carve Out Cap), until paid in full. If the Pre-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (iii), below, all remaining funds shall be distributed *first* to the DIP ABL Agent on account of the applicable DIP ABL Obligations until indefeasibly paid in full, in cash, all Commitments have been terminated, and all Letters of Credit have been cancelled (or all such Letters of Credit have been fully cash collateralized or otherwise back-stopped, in each case to the satisfaction of the applicable Issuing Bank), and *thereafter* to the Prepetition ABL Secured Parties in accordance with their rights and priorities as of the Petition Date.

(ii) All funds in the Post-Carve Out Trigger Notice Reserve (other than up to $250,000, which may be used to pay Pre-Carve Out Amounts to the extent they exceed the Professional Fee Carve Out Cap) shall be used first to pay the obligations set forth in clause (iv) of the definition of Carve Out set forth above (the "Post-Carve Out Amounts"). If the Post-Carve Out Trigger Notice Reserve has not been reduced to zero, subject to clause (iii), below, all remaining funds shall be distributed *first* to the DIP ABL Agent on account of the applicable DIP ABL Obligations until indefeasibly paid in full, in cash, all Commitments have been terminated, and all Letters of Credit have been cancelled (or all such Letters of Credit have been fully cash collateralized or otherwise back-stopped, in each case to the satisfaction of the applicable Issuing Bank), and *thereafter* to the Prepetition ABL Secured Parties in accordance with their rights and priorities as of the Petition Date.

(iii) Notwithstanding anything to the contrary in the DIP ABL Credit Agreement, DIP Term Loan Credit Agreement or this Final Order, if either of the Carve Out Reserves is not funded in full in the amounts set forth in this paragraph (c), then, any excess funds in one of the Carve Out Reserves following the payment of the Pre-Carve Out Amounts and

Post-Carve Out Amounts, respectively, shall be used to fund the other Carve Out Reserve to the extent of any shortfall in funding prior to making any payments to the DIP ABL Agent or the Prepetition ABL Secured Parties, as applicable.

(iv) Notwithstanding anything to the contrary in the DIP ABL Credit Agreement, DIP Term Loan Credit Agreement, or this Final Order, following the third business day after delivery of a Carve Out Trigger Notice, the DIP ABL Agent, the Prepetition ABL Agent, the DIP Term Loan Agent, and the Prepetition Term Loan Administrative Agent shall not sweep or foreclose on cash (including cash received as a result of the sale or other disposition of any assets) of the Debtors until the Carve Out Reserves have been fully funded, but shall have a security interest in any residual interest in the Carve Out Reserves, with any excess paid as provided in paragraphs (ii) and (iii) above.

(v) Notwithstanding anything to the contrary in this Final Order, (i) the failure of the Carve Out Reserves to satisfy in full the Allowed Professional Fees shall not affect the priority of the Carve Out with respect to any shortfall (as described below), and (ii) subject to the limitations with respect to the DIP ABL Agent, DIP ABL Secured Parties, Prepetition ABL Agent and Prepetition ABL Secured Parties set forth in paragraph (b), above, in no way shall any Approved Budget, Carve Out, Post-Carve Out Trigger Notice Cap or Carve Out Reserves be construed as a cap or limitation on the amount of the Allowed Professional Fees due and payable by the Debtors. For the avoidance of doubt and notwithstanding anything to the contrary herein or in the DIP ABL Credit Agreement or the DIP Term Loan Credit Agreement, the Carve Out subject to the Professional Fee Carve Out Cap shall be senior to all liens and claims securing the DIP ABL Credit Agreement or the DIP Term Loan Credit Agreement, the Prepetition ABL Adequate Protection Liens, the Prepetition Term Loan Adequate Protection Liens, and the

Diminution in Value claims, and any and all other forms of adequate protection, liens, or claims securing the DIP ABL Obligations, DIP Term Loan Obligations, the Prepetition ABL Obligations, or the Prepetition Term Loan Obligations and shall be deemed a true carve out from the Prepetition Term Loan Priority Collateral and not from any property of the Debtors' estates not subject to the Prepetition Term Loan Liens.

(vi) Notwithstanding anything herein to the contrary, the Carve Out in respect of any "Transaction Fees" for Houlihan Lokey will be junior to the Prepetition ABL Obligations and DIP ABL Obligations to the extent secured by the DIP ABL Priority Collateral other than (x) the pro rata share (determined in proportion to the allocation of the "Transaction" proceeds as between the DIP ABL Priority Collateral and the DIP Term Priority Collateral) of any "Sale Transaction Fee" or "Supplemental Sale Transaction Fee" (as each term is defined in the Debtors' engagement letter with Houlihan Lokey) authorized by the Court in respect of a "Sale Transaction" (as defined in such engagement letter) that is a going concern sale (and not a liquidation sale) of the DIP ABL Priority Collateral consented to by DIP ABL Agent or (y) to the extent otherwise agreed in writing by the DIP ABL Agent in its sole discretion.

(e) No Direct Obligation To Pay Allowed Professional Fees. The DIP ABL Agent, DIP Term Loan Agent, DIP ABL Secured Parties and DIP Term Loan Secured Parties shall not be responsible for the payment or reimbursement of any fees or disbursements of any Professional Person incurred in connection with the Cases or any Successor Cases under any chapter of the Bankruptcy Code. Nothing in this Final Order or otherwise shall be construed to obligate the DIP ABL Agent, DIP Term Loan Agent, DIP ABL Secured Parties and DIP Term Loan Secured Parties, in any way, to pay compensation to, or to reimburse expenses of, any Professional

Person or to guarantee that the Debtors have sufficient funds to pay such compensation or reimbursement.

(f) Payment of Allowed Professional Fees Prior to the Termination Declaration Date. Any payment or reimbursement made prior to the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall not reduce the Carve Out.

(g) Payment of Carve Out On or After the Termination Declaration Date. Any payment or reimbursement made on or after the occurrence of the Termination Declaration Date in respect of any Allowed Professional Fees shall permanently reduce the Carve Out on a dollar-for-dollar basis. Any funding of the Carve Out shall be added to, and made a part of, the DIP ABL Obligations or DIP Term Loan Obligations, as applicable, secured by the DIP Collateral and shall be otherwise entitled to the protections granted under the Interim Orders, this Final Order, the DIP ABL Documents, the DIP Term Loan Documents, the Bankruptcy Code, and applicable law.

(h) Reservation of Rights. Nothing herein shall be construed to impair the right or ability of any party to object to the fees, expenses, reimbursement, or other compensation described with respect to these Carve-Out provisions.

39. Limitations on the Use of DIP Proceeds, Cash Collateral and Carve Out. The DIP ABL Credit Facility, the DIP Term Loan Credit Facility, the DIP Collateral, the Prepetition Collateral, the Cash Collateral, and the Carve Out may not be used in connection with: (a) preventing, hindering, or delaying any of the DIP ABL Agent's, the DIP Term Loan Agent's, the DIP ABL Secured Parties', the DIP Term Loan Secured Parties', the Prepetition ABL Secured Parties' or the Prepetition Term Loan Secured Parties' enforcement or realization upon any of the DIP Collateral or Prepetition Collateral; (b) using or seeking to use Cash Collateral without the

consent of the DIP ABL Agent or the DIP Term Loan Agent and the Required DIP Term Loan Lenders; (c) using or seeking to use any insurance proceeds constituting DIP Collateral without the consent of the DIP ABL Agent or the DIP Term Loan Agent and the Required DIP Term Loan Lenders, as applicable, *provided, however* that the Debtors may use or seek to use any insurance proceeds constituting DIP Collateral if the DIP Obligations are repaid in full in accordance with the terms of the DIP Documents; (d) incurring Indebtedness (as defined in the DIP ABL Credit Agreement or the DIP Term Loan Credit Agreement, as applicable) secured by liens senior or *pari passu* to the DIP ABL Liens, the Prepetition ABL Liens, and/or the Prepetition ABL Adequate Protection Liens without the prior consent of the DIP ABL Agent or the DIP Term Loan Agent and the Required DIP Term Loan Lenders, as applicable, except to the extent permitted under the DIP ABL Credit Agreement or DIP Term Loan Credit Agreement, as applicable; (e) seeking to amend or modify any of the rights granted to the DIP ABL Agent, DIP Term Loan Agent, the DIP ABL Secured Parties, the DIP Term Loan Secured Parties, the Prepetition ABL Secured Parties or the Prepetition Term Loan Secured Parties under the Interim Orders, this Final Order, the DIP ABL Documents, the DIP Term Loan Documents, the Prepetition ABL Documents or the Prepetition Term Loan Documents, including seeking to use Cash Collateral and/or DIP Collateral on a contested basis; (f) objecting to or challenging in any way the DIP ABL Liens, DIP Term Loan Liens, DIP ABL Obligations, DIP Term Loan Obligations, Prepetition ABL Liens, Prepetition Term Loan Liens, Prepetition ABL Obligations, Prepetition Term Loan Obligations, DIP Collateral (including Cash Collateral) or, as the case may be, Prepetition Collateral, or any other claims or liens, held by or on behalf of any of the DIP ABL Agent, DIP Term Loan Agent, the DIP ABL Secured Parties, the DIP Term Loan Secured Parties, the Prepetition ABL Secured Parties or the Prepetition Term Loan Secured Parties, respectively; (g) asserting, commencing or prosecuting

any claims or causes of action whatsoever, including, without limitation, any actions under Chapter 5 of the Bankruptcy Code or applicable state law equivalents or actions to recover or disgorge payments, against any of the DIP ABL Agent, DIP Term Loan Agent, the DIP ABL Secured Parties, the DIP Term Loan Secured Parties, the Prepetition ABL Secured Parties or the Prepetition Term Loan Secured Parties, or any of their respective affiliates, agents, attorneys, advisors, professionals, officers, directors and employees; (h) litigating, objecting to, challenging, or contesting in any manner, or raising any defenses to, the validity, extent, amount, perfection, priority, or enforceability of any of the DIP ABL Obligations, DIP Term Loan Obligations, the DIP ABL Liens, DIP Term Loan Liens, Prepetition ABL Liens, Prepetition Term Loan Liens, Prepetition ABL Obligations, Prepetition Term Loan Obligations or any other rights or interests of any of the DIP ABL Agent, DIP Term Loan Agent, the DIP ABL Secured Parties, the DIP Term Loan Secured Parties, the Prepetition ABL Secured Parties or the Prepetition Term Loan Secured Parties; or (i) seeking to subordinate, recharacterize, disallow or avoid the DIP ABL Obligations, DIP Term Loan Obligations, Prepetition ABL Obligations or Prepetition Term Loan Obligations; *provided, however*, that the Carve Out and such collateral proceeds and loans under the DIP ABL Documents and DIP Term Loan Documents may be used for allowed fees and expenses, in an amount not to exceed $200,000 in the aggregate, incurred solely by the Creditors' Committee, in investigating (but not prosecuting or challenging) the validity, enforceability, perfection, priority or extent of the Prepetition ABL Liens or Prepetition Term Loan Liens (the "Limited Amount"); provided, however, that nothing herein shall be deemed to limit the Debtors or the Creditors' Committee from taking any actions that they deem to be required in the exercise of their fiduciary obligations. Notwithstanding anything to the contrary in this Final Order, nothing herein shall be deemed to (a) limit the ability of the Creditors' Committee's professionals to be paid from

unencumbered assets for services rendered in the investigation or prosecution of claims against the Prepetition ABL Secured Parties or Prepetition Term Loan Secured Parties; (b) preclude the Court from awarding fees and expenses to the Creditors' Committee professionals pursuant to section 330 of the Bankruptcy Code for such services rendered; nor (c) relieve the Debtors or any plan proponent(s) from paying all allowed administrative expenses in connection with confirmation of any plan.

40. Payment of Compensation. Nothing herein shall be construed as a consent to the allowance of any professional fees or expenses of any Professional Person or shall affect the right of the DIP ABL Agent, DIP Term Loan Agent, the DIP ABL Secured Parties, the DIP Term Loan Secured Parties, the Prepetition ABL Secured Parties or the Prepetition Term Loan Secured Parties to object to the allowance and payment of such fees and expenses. So long as an unwaived Event of Default or "Event of Default" (as defined in the DIP ABL Credit Agreement) has not occurred, the Debtors shall be permitted to pay fees and expenses allowed and payable by final order of the Court (that has not been vacated or stayed, unless the stay has been vacated) under sections 328, 330, 331, and 363 of the Bankruptcy Code, as the same may be due and payable, as reflected in the most recent Approved Budget provided by the Debtors to the DIP ABL Agent and DIP Term Loan Agent.

41. Effect of Stipulations on Third Parties.

(i) *Generally*. Except as set forth in this Final Order, upon the expiration of the Challenge Period (as defined below) except and solely to the extent a Challenge or Challenge Motion has been interposed, unless and until such Challenge is overruled, settled, or denied by Final Order of the Court, the admissions, stipulations, agreements, releases, and waivers set forth in this Final Order are and shall be deemed effective and binding in all circumstances and

for all purposes on the Debtors, any subsequent trustee, responsible person, examiner with expanded powers, any other estate representative, and all creditors and parties in interest and all of their successors in interest and assigns, including, without limitation, any chapter 7 or chapter 11 trustee or examiner appoint or elected for any of the Debtors and official committee that may be appointed in these cases (each, a "Challenge Party"), unless, and solely to the extent that the Court rules in favor of the Challenge Party in any such timely and properly filed Challenge (as defined herein); *provided*, *however*, that any releases by the DIP Term Loan Secured Parties and Prepetition Term Loan Secured Parties of the Put Purchasers shall be governed by the Restructuring Support Agreement (as defined in the Plan). For purposes of this paragraph 41: (a) "Challenge" means any claim against any of the Prepetition Term Loan Secured Parties by or on behalf of the Debtors, or to object to or to challenge the stipulations, findings or Debtors' Stipulations set forth herein, including, but not limited to those in relation to: (i) the validity, extent, priority, or perfection of the mortgage, security interests, and liens of any Prepetition Term Loan Secured Party; (ii) the validity, allowability, priority, or amount of the Prepetition Term Loan Obligations; or (iii) any liability of any of the Prepetition Term Loan Secured Parties with respect to anything arising from any of the respective Prepetition Term Loan Documents and the entry into the Put Agreement and Existing Participation Agreement; and (b) "Challenge Period" means sixty (60) days after the entry of the Final ABL Order (or such longer period as the Court orders for cause shown before the expiration of such period or is agreed to by the Prepetition Term Loan Administrative Agent in writing). During the Challenge Period, a Challenge Party shall be entitled to determine whether a basis to assert a Challenge exists. Nothing herein shall be deemed to grant standing in favor of any Challenge Party absent further order of this Court, *provided* that nothing herein shall limit any party in interests rights, if any, to object to any claims pursuant to section

502(a) of the Bankruptcy Code until the expiration of the Challenge Period Termination Date, nor limit the rights of any other parties to contest any such claims asserted pursuant to section 502(a). Notwithstanding anything to the contrary in this Final Order, the Debtors, if timely notified of a potential Challenge (a "Challenge Notice"), shall retain authority to prosecute, settle, or compromise such Challenge in the exercise of their business judgment and subject to any applicable further order of court. Nothing herein shall limit the Creditors' Committee's ability to (x) file a motion in respect of any timely Challenge Notice (a "Challenge Motion"), provided that such Challenge Motion is filed before the Challenge Period Termination Date (or such later date as may be agreed upon among the applicable Debtor(s) and the applicable parties subject to such Challenge Notice) and such Challenge Motion is in respect of a Challenge for which it cannot obtain standing, but meets the standard applicable to pursue such matters for the applicable Debtor(s) derivatively assuming the applicable Debtor were not a limited liability company, and (y) seek pursuant to that Challenge Motion a mechanism by which to prosecute such Challenge described in such Challenge Notice. In the event the Creditors' Committee files a Challenge Motion for which it cannot obtain standing, the expiration of the Challenge Period solely for the specific Challenge set forth in the Challenge Motion shall be tolled pending further order of the Court, and applicable parties shall meet and confer with respect to an appropriate process for the prosecution of any such Challenge.

(ii) *Binding Effect*. Upon the expiration of the Challenge Period (the "Challenge Period Termination Date"), without the filing of a Challenge or Challenge Motion, or, upon the filing of a Challenge or Challenge Motion, a Final Order of the Court overruling, settling, or denying the Challenge: (A) any and all such Challenges and objections by any party (including, without limitation, the Creditors' Committee, any Chapter 11 trustee, and/or any examiner or other

estate representative appointed in these Cases, and any Chapter 7 trustee and/or examiner or other estate representative appointed in any Successor Case), shall be deemed to be forever waived, released and barred, (B) all matters not subject to the Challenge, findings, Debtors' Stipulations, waivers, releases, affirmations and other stipulations as to the priority, extent, and validity as to each Prepetition Term Loan Secured Parties' claims, liens, interests, and validity of the Prepetition Term Loan Obligations shall be of full force and effect and forever binding upon the Debtors, the Debtors' bankruptcy estates and all creditors, interest holders, and other parties in interest in these Cases and any Successor Cases; and (C) any and all claims or causes of action against (i) any of the Prepetition Term Loan Secured Parties shall be forever waived and released by the Debtors' estates, all creditors, interest holders and other parties in interest in these Cases and any Successor Cases.

42. No Third Party Rights/No Superior Rights of Reclamation. Except as explicitly provided for herein, this Final Order does not create any rights for the benefit of any third party, creditor, equity holder or any direct, indirect, or incidental beneficiary. Based on the findings and rulings herein concerning the integrated nature of the DIP Term Loan Credit Agreement and the Prepetition Term Loan Credit Facility and the relation back of the DIP Term Loan Liens, in no event shall any alleged right of reclamation or return (whether asserted under Section 546(c) of the Bankruptcy Code or otherwise) be deemed to have priority over the DIP Term Loan Liens.

43. Section 506(c) Claims. The Debtors have waived the right (and the Professional Persons have waived any derivative rights) to charge any expense of administration of the Cases, and Successor Cases, or any future proceeding that may result therefrom, and no costs or expenses of administration which have been or may be incurred in the Cases at any time

shall be charged against the DIP Agents, DIP Lenders, DIP Obligations, the Prepetition Secured Parties, the Prepetition Secured Obligations, or any of their respective claims, the DIP Collateral, or the Prepetition Collateral pursuant to sections 105 or 506(c) of the Bankruptcy Code, or otherwise, without the prior written consent, as applicable, of the DIP Agents, DIP Lenders, and Prepetition Secured Parties, as applicable, and no such consent shall be implied from any other action, inaction, or acquiescence by any such agents or lenders. For the avoidance of doubt, notwithstanding anything to the contrary in the Final ABL Order, this paragraph 43 shall be binding upon, and adhere to the benefit of, the DIP ABL Secured Parties and Prepetition ABL Secured Parties.

44. No Marshaling/Applications of Proceeds. Except as otherwise set forth in paragraph 7, the DIP Term Loan Agent, DIP Term Loan Secured Parties, and Prepetition Term Loan Secured Parties shall not be subject to the equitable doctrine of "marshaling" or any other similar doctrine with respect to any of the DIP Collateral or the Prepetition Collateral, as the case may be, and proceeds shall be received and applied pursuant to this Final Order, including, for the avoidance of doubt, in accordance with paragraph 23 hereof, and the DIP Term Loan Documents notwithstanding any other agreement or provision to the contrary.

45. Section 552(b). The Prepetition Term Loan Secured Parties are each entitled to all of the rights and benefits of section 552(b) of the Bankruptcy Code, and the "equities of the case" exception under section 552(b) of the Bankruptcy Code shall not apply to the Prepetition Term Loan Secured Parties, with respect to proceeds, product, offspring or profits of any of the Prepetition Collateral.

46. Access to DIP Collateral. Without limiting any other rights or remedies of the DIP Term Loan Agent, and subject to and consistent with any applicable rights that a landlord

may have under applicable nonbankruptcy law (except to the extent that such rights are modified by the Court upon a separate motion with notice to the applicable landlords of the leased premises and an opportunity for such landlords to respond and be heard), upon not less than three (3) Business Days' written notice to the landlord of any leased premises that an Event of Default or a Termination Date has occurred and is continuing, the DIP ABL Agent or DIP Term Loan Agent, as applicable, subject to the applicable notice provisions if any, in this Final Order, the Canadian Recognition Orders, and any separate applicable agreement by and between such landlord and the DIP ABL Agent or DIP Term Loan Agent may obtain access to Collateral subject to the following conditions: unless otherwise approved by landlord, (i) any such notice to landlord shall specifically identify any Collateral to be accessed and provide details of any removal actions; (ii) any access or removal actions shall be subject to reasonable rules and restrictions by landlord and shall not unreasonably interfere with the conduct of business at the leased premises; and (iii) any party accessing the leased premises shall pay the rent and operating expenses currently in effect on a per diem basis and such occupancy period shall not extend past 30 days without prior landlord approval, *provided, however*, that nothing in this Final Order shall be deemed to grant the DIP ABL Agent or DIP Term Loan Agent an assignment of the Debtors' rights under the lease or a waiver of any provisions under the lease or applicable non-bankruptcy law relating to notice or foreclosure, all of which are preserved in favor of the landlord and not waived or altered by this Final Order. Nothing herein shall require the DIP ABL Agent or DIP Term Loan Agent to assume any lease as a condition to the rights afforded in this paragraph.

47. Exculpation. Nothing in the Interim Orders, this Final Order, the DIP Term Loan Documents, the existing agreements, or any other documents related to the transactions contemplated hereby shall in any way be construed or interpreted to impose or allow the imposition

upon any DIP Term Loan Secured Party any liability for any claims arising from the postpetition activities of the DIP Parties, including in the operation of their businesses, or in connection with their restructuring efforts and administration of these Cases. In addition, (a) the DIP Term Loan Secured Parties shall not, in any way or manner, be liable or responsible for: (i) the safekeeping of the DIP Collateral, (ii) any loss or damage thereto occurring or arising in any manner or fashion from any cause, (iii) any Diminution in Value thereof, or (iv) any act or default of any carrier, servicer, bailee, custodian, forwarding agency, or other person, and (b) all risk of loss, damage, or destruction of the DIP Collateral shall be borne by the DIP Parties.

48. Limits on Lender Liability. The DIP Term Loan Secured Parties and the Prepetition Term Loan Secured Parties, each in their capacities as such, solely by reason of entering into the DIP Term Loan Credit Facility and taking the actions permitted under the DIP Term Loan Documents, the Interim Orders and this Final Order, shall not be deemed in control of the operations of the Debtors or to be acting as a "responsible person" or "owner or operator" with respect to the operation or management of the Debtors, so long as the DIP Term Loan Secured Parties' other actions do not otherwise constitute, within the meaning of 42 U.S.C. § 9601(20)(F), actual participation in the management or operational affairs of a vessel or facility owned or operated by a Debtor, or otherwise cause liability to arise to the federal or state Government or the status of responsible person or managing agent to exist under applicable law (as such terms, or any similar terms, are used in the Internal Revenue Code, WARN Act, the United States Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. §§ 9601 *et seq.*, as amended, or any similar federal or state statute).

49. Joint and Several Liability. Nothing in the Interim Orders or this Final Order shall be construed to constitute a substantive consolidation of any of the Debtors' estates, it

being understood, however, that the Borrowers and the DIP Term Loan Guarantors shall be jointly and severally liable for the obligations hereunder and all DIP Term Loan Obligations in accordance with the terms hereof and of the DIP Term Loan Credit Facility and the DIP Term Loan Documents.

50. Rights Preserved. Notwithstanding anything in the Interim Orders or this Final Order to the contrary, the entry of the Interim Orders and this Final Order are without prejudice to, and do not constitute a waiver of, expressly or implicitly: (a) the DIP Term Loan Secured Parties' and Prepetition Term Loan Secured Parties' right to seek any other or supplemental relief in respect of the Debtors; (b) any of the rights of any of the DIP Term Loan Agent, DIP Term Loan Secured Parties and Prepetition Term Loan Secured Parties under the Bankruptcy Code or under non-bankruptcy law, including, without limitation, the right to (i) request modification of the automatic stay of section 362 of the Bankruptcy Code, (ii) request dismissal of any of the Cases or Successor Cases, conversion of any of the Cases to cases under Chapter 7, or appointment of a Chapter 11 trustee or examiner with expanded powers, or (iii) propose, subject to the provisions of section 1121 of the Bankruptcy Code, a Chapter 11 plan or plans; or (c) subject to the DIP Intercreditor Agreement, any other rights, claims or privileges (whether legal, equitable or otherwise) of any of the DIP Term Loan Secured Parties, or Prepetition Term Loan Secured Parties. Notwithstanding anything herein to the contrary, the entry of this Final Order is without prejudice to, and does not constitute a waiver of, expressly or implicitly, the Debtors', the Creditors' Committee's, or any party in interest's right to oppose any of the relief requested in accordance with the immediately preceding sentence except as expressly set forth in this Final Order.

51. No Waiver by Failure to Seek Relief. The failure of the DIP Term Loan Secured Parties, or Prepetition Term Loan Secured Parties to seek relief or otherwise exercise their

rights and remedies under this Final Order, the DIP Term Loan Documents, the Prepetition Term Loan Documents, or applicable law, as the case may be, shall not constitute a waiver of any of the rights hereunder, thereunder, or otherwise of the DIP Term Loan Secured Parties, Prepetition Term Loan Secured Parties, Creditors' Committee, or any party in interest.

52. Binding Effect of Interim Orders and Final Order. Immediately upon execution by this Court, the terms and provisions of the Interim Orders became valid and binding and the terms and provisions of this Final Order shall become valid and binding (in which any conflict shall be construed in favor of this Final Order) upon and inure to the benefit of the Debtors, DIP ABL Agent, DIP Term Loan Agent, DIP ABL Secured Parties, DIP Term Loan Secured Parties, the DIP ABL Obligations, the DIP Term Loan Obligations, the Prepetition ABL Secured Parties, the Prepetition ABL Obligations, Prepetition Term Loan Secured Parties, the Prepetition Term Loan Secured Obligations, all other creditors of any of the Debtors, the Creditors' Committee (or any other court appointed committee) appointed in the Cases, and all other parties-in-interest and their respective successors and assigns, including any trustee or other fiduciary hereafter appointed in any of the Cases, any Successor Cases, or upon dismissal of any Case or Successor Case.

53. No Modification of Final Order. Until and unless the DIP Term Loan Obligations and the Prepetition Term Loan Obligations have been indefeasibly paid in full in cash, and all commitments to extend credit under the DIP Term Loan Credit Facility have been terminated, the Debtors irrevocably waive the right to seek and shall not seek or consent to, directly or indirectly: (a) without the prior written consent of the DIP Term Loan Secured Parties (or the Prepetition Term Loan Administrative Agent acting at the direction of the "Required Lenders" (as defined in the Prepetition Term Loan Credit Agreement)), (i) any material modification, stay, vacatur or amendment to this Final Order; or (ii) a priority claim for any administrative expense

or unsecured claim against the Debtors (now existing or hereafter arising of any kind or nature whatsoever, including, without limitation any administrative expense of the kind specified in sections 503(b), 506(c), 507(a), or 507(b) of the Bankruptcy Code) in any of the Cases or Successor Cases, equal or superior to the DIP Term Loan Superpriority Claims or Prepetition Term Loan Superpriority Claims, other than the Carve Out; (b) without the prior written consent of the DIP Term Loan Agent (or the Prepetition Term Loan Administrative Agent acting at the direction of the "Required Lenders" (as defined in the Prepetition Term Loan Credit Agreement)) any order allowing use of Cash Collateral (other than as permitted during the Remedies Notice Period) resulting from DIP Collateral or Prepetition Collateral; (c) without the prior written consent of the DIP Term Loan Agent, any lien on any of the DIP Collateral with priority equal or superior to the DIP Term Loan Liens, except as specifically provided in the DIP Term Loan Documents; or (d) without the prior written consent of the Prepetition Term Loan Administrative Agent (acting at the direction of the "Required Lenders" (as defined in the Prepetition Term Loan Credit Agreement)), any lien on any of the DIP Collateral with priority equal or superior to the Prepetition Term Loan Liens or Prepetition Term Loan Adequate Protection Liens, except as specifically provided in the DIP Term Loan Documents. The Debtors irrevocably waive any right to seek any amendment, modification or extension of this Final Order without the prior written consent, as provided in the foregoing, of the DIP Term Loan Agent (or the Prepetition Term Loan Administrative Agent (acting at the direction of the "Required Lenders" as defined in the Prepetition Term Loan Credit Agreement)), and no such consent shall be implied by any other action, inaction or acquiescence of the DIP Term Loan Agent or the Prepetition Term Loan Administrative Agent.

54. Continuing Effect of DIP Intercreditor Agreement. The Debtors, DIP ABL Agent, DIP Term Loan Agent, DIP ABL Secured Parties, DIP Term Loan Secured Parties, Prepetition ABL Secured Parties and Prepetition Term Loan Secured Parties each shall be bound by, and in all respects of the DIP ABL Credit Facility and DIP Term Loan Credit Facility shall be governed by, and be subject to all the terms, provisions, and restrictions of the DIP Intercreditor Agreement, except as may be expressly modified by this Final Order.

55. Final Order Controls. In the event of any inconsistency between the terms and conditions of the Interim Orders and of this Final Order or the DIP Term Loan Documents and of this Final Order, the provisions of this Final Order shall govern and control. In the event of any inconsistency between the terms and conditions of any other order regarding any postpetition financing or use of cash collateral, the provisions of this Final Order shall govern and control to the extent such terms and conditions relate to the (i) Prepetition Term Loan Credit Facility, Prepetition Term Loan Secured Parties, Prepetition Term Loan Obligations, Prepetition Term Loan Documents, Prepetition Collateral, Prepetition Term Loan Liens, Prepetition Term Loan Priority Collateral, Prepetition Term Loan Superpriority Claims, Prepetition Term Loan Adequate Protection Payments, Prepetition Term Loan Adequate Protection Liens, DIP Term Loan Credit Facility, DIP Term Loan Secured Parties, DIP Term Loan Obligations, DIP Term Loan Documents, DIP Term Loan Collateral, DIP Term Loan Liens, DIP Term Loan Priority Collateral, or DIP Term Loan Superpriority Claims, and (ii) the Prepetition ABL Secured Parties and DIP ABL Secured Parties but only with respect to the waiver of 506(c) as set forth in this Final Order. Notwithstanding anything to the contrary in the Interim Orders, upon entry of this Final Order, any modifications by the Interim Orders to the DIP Term Loan Documents shall be superseded by this Final Order and such modifications shall no longer have any effect.

56. Discharge. The DIP Term Loan Obligations and the obligations of the Debtors with respect to the adequate protection provided herein shall not be discharged by the entry of an order confirming any plan of reorganization in any of the Cases, notwithstanding the provisions of section 1141(d) of the Bankruptcy Code, unless such obligations have been indefeasibly paid in full in cash, on or before the effective date of such confirmed plan of reorganization, or each of the DIP Term Loan Agent, DIP Term Loan Secured Parties and Prepetition Term Loan Administrative Agent, as applicable, has otherwise agreed in writing. None of the Debtors shall propose or support any plan of reorganization or sale of all or substantially all of the Debtors' assets, or order confirming such plan or approving such sale, that is not conditioned upon the indefeasible payment of the DIP Term Loan Obligations, and the payment of the Debtors' obligations with respect to the adequate protection provided for herein, in full in cash within a commercially reasonable period of time (and in no event later than the effective date of such plan of reorganization or sale) (a "Prohibited Plan or Sale") without the written consent of the DIP Term Loan Agent and the Prepetition Term Loan Administrative Agent, as applicable. For the avoidance of doubt, the Debtors' proposal or support of a Prohibited Plan or Sale, or the entry of an order with respect thereto, shall constitute an Event of Default hereunder and under the DIP Term Loan Documents.

57. Survival. The provisions of the Interim Orders, this Final Order, and any actions taken pursuant thereto and hereto shall survive entry of any order which may be entered: (a) confirming any plan of reorganization in any of the Cases; (b) converting any of the Cases to a case under Chapter 7 of the Bankruptcy Code; (c) dismissing any of the Cases or any Successor Cases; or (d) pursuant to which this Court abstains from hearing any of the Cases or Successor Cases. The terms and provisions of the Interim Orders and this Final Order, including the claims,

liens, security interests, and other protections granted to the DIP Term Loan Agent, DIP Term Loan Secured Parties, and the Prepetition Term Loan Secured Parties granted pursuant to the Interim Orders, this Final Order and/or the DIP Term Loan Documents, shall continue in the Cases, in any Successor Cases, or following dismissal of the Cases or any Successor Cases, and shall maintain their priority as provided by the Interim Orders and this Final Order until: (i) in respect of the DIP Term Loan Credit Facility, all the DIP Term Loan Obligations, pursuant to the DIP Term Loan Documents, the Interim Orders and this Final Order, have been indefeasibly paid in full in cash or otherwise satisfied to the satisfaction of the DIP Term Loan Secured Parties; and (ii) in respect of the Prepetition Term Loan Credit Agreement, all of the Prepetition Term Loan Obligations pursuant to the Prepetition Term Loan Documents, the Interim Orders and this Final Order have been indefeasibly paid in full in cash or otherwise satisfied to the satisfaction of the Prepetition Term Loan Secured Parties. The terms and provisions concerning the indemnification of the DIP Term Loan Agent and DIP Term Loan Secured Parties shall continue in the Cases, in any Successor Cases, following dismissal of the Cases or any Successor Cases, following termination of the DIP Term Loan Documents and/or the indefeasible repayment of the DIP Term Loan Obligations.

58. Dallas County, Texas Ad Valorem Taxes. Notwithstanding any other provisions of this Final Order, any valid liens currently held by Dallas County shall neither be primed by nor subordinated to any liens granted hereby. Subject to further order of this Court, up to a maximum of $380,000 of proceeds of the sales of assets located in the state of Texas that are subject to a lien held by Dallas County shall be deposited in a segregated account as adequate protection for the secured claims of Dallas County prior to the distribution of any such proceeds to any other creditor; *provided* that the segregated amount shall be reduced if the actual or estimated taxes are less than $380,000 at the time of any such sale; and provided further that such

amount up to $380,000 shall be funded first from DIP Term Priority Collateral located in the state of Texas. Any valid liens of Dallas County shall attach to these proceeds to the same extent and with the same priority as such liens currently attach to the applicable property of the Debtors. These funds shall be in the nature of adequate protection and shall constitute neither the allowance of the claims of Dallas County, nor a cap on the amounts it may be entitled to receive. The claims and liens of Dallas County shall remain subject to any objections made by any party (including the Debtors) who would otherwise be entitled to raise any objection as to, among other things, the claim amount or the priority, validity, or extent of such liens. These segregated proceeds may be distributed upon agreement among Dallas County, the Debtors, the DIP ABL Secured Parties and the DIP Term Loan Secured Parties, or upon order of the Court with notice to Dallas County. Nothing in this Final Order shall be deemed an admission as to the validity of any claim of Dallas County against a Debtor entity.

59. Canadian Intercompany Superpriority Administrative Claims. The Canadian Intercompany Superpriority Administrative Claims shall be subject to the Carve Out and shall otherwise be junior only to: (a) with respect to the DIP ABL Priority Collateral (1) Permitted Prior Liens; (2) the DIP ABL Liens; (3) the Prepetition ABL Liens; and (4) the Prepetition ABL Adequate Protection Liens; and (b) with respect to the DIP Term Loan Priority Collateral (1) Permitted Prior Liens; (2) the DIP Term Loan Liens; (3) the Prepetition Term Loan Liens; (4) the Prepetition Term Loan Adequate Protection Liens; (5) the DIP ABL Liens; (6) the Prepetition ABL Liens; and (7) the Prepetition ABL Adequate Protection Liens; and shall otherwise be senior to all other security interests in, liens on, or claims against any of the Debtors' assets.

60. Necessary Action. The Debtors are authorized to take any and all such actions as are necessary or appropriate to implement the terms of the Interim Orders and this Final Order.

61. Bankruptcy Rules. The requirements of Bankruptcy Rules 4001, 6003, and 6004, in each case to the extent applicable, are satisfied by the contents of the DIP Motion.

62. Nunc Pro Tunc Effect of this Final Order. This Final Order shall constitute findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052 and shall take effect and be enforceable *nunc pro tunc* to the Petition Date immediately upon execution hereof.

63. Notwithstanding Bankruptcy Rules 4001(a)(3), 6004(h), 6006(d), 7062, or 9014 of the Bankruptcy Rules, or any local bankruptcy rules, or Rule 62(a) of the Federal Rules of Civil Procedure, this Final Order shall be immediately effective and enforceable upon its entry and there shall be no stay of execution or effectiveness of this Final Order.

64. The Debtors shall within two (2) business days of its entry serve copies of this Final Order to the parties having been given notice of the Final Hearing and to any party that has filed a request for notices with this Court.
