 - (ii) authorizing Ignite to take all necessary steps in order to complete the Transaction;

 - b. the confidential supplement to the Second Report (the "**Confidential Supplement**", and together with the Confidential Affidavit, the "**Confidential Information**"); and
- (d) such further and other relief as may be sought by Ignite and this Honourable Court may deem appropriate.

2. Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to them in the Affidavits of Steven Taylor sworn February 23, 2026 ("**First Taylor Affidavit**") and April 13, 2026 ("**Second Taylor Affidavit**" and together with First Taylor Affidavit and the Confidential Affidavit, the "**Taylor Affidavits**"), the Second Report or the APA.

Grounds for Making this Application:

Background

- 3. On February 20, 2026 (the "**Filing Date**"), Ignite filed a Notice of Intention to Make a Proposal (the "**NOI**") pursuant to section 50.4(1) of the BIA with the Office of the Superintendent of Bankruptcy. KSV is the Proposal Trustee of Ignite.
- 4. The initial stay period granted upon the filing of the NOI pursuant to section 69(1) of the BIA (the "**Stay Period**") was set to expire on March 22, 2026.
- 5. On March 2, 2026, Ignite sought and obtained an order (the "**March 2 Order**") extending the Stay Period to May 6, 2026 (the "**First Stay Extension**").

Extension of the Proposal Period

6. Ignite requires the Second Stay Extension to continue the restructuring of its business and affairs or the sale of its assets in order to maximize return to its stakeholders.
7. Since the First Stay Extension, Ignite has continued, among other things:
 - (a) working with the Proposal Trustee and BD&P generally, and in particular with respect to exploring and considering the various strategies available to Ignite in the context of these NOI Proceedings and preparing and providing the Proposal Trustee with weekly reporting with respect to the Company's receipts and disbursements and cashflows;
 - (b) communicating and engaging with stakeholders, employees, contractors, vendors; and
 - (c) conducting discussions with respect to the Transaction and executing the APA.
8. The Second Stay Extension will allow Ignite to, among other things, close the Transaction and preserve and enhance the value of Ignite's business for the benefit of Ignite's stakeholders.
9. The Second Stay Extension is appropriate for, among others, the following reasons:
 - (a) Ignite has acted and continues to act in good faith and with due diligence advancing the NOI Proceedings; and
 - (b) no creditor will be materially prejudiced by the requested Second Stay Extension.
10. The Proposal Trustee supports the Second Stay Extension.

Approval of Proposal Trustee's Actions, Fees and Disbursements

11. The actions, conduct and activities of the Proposal Trustee are described in detail in the Reports.

12. The Proposal Trustee's actions during the course of the NOI Proceedings are reasonable and undertaken in furtherance with its obligations under the BIA.

13. The fees and disbursements of the Proposal Trustee and its legal counsel are set out in the Second Report. Ignite understands that the fees and rates charged are typical for professionals in Calgary.

14. The Proposal Trustee is of the view that the amounts set out in the Second Report are appropriate and commercially reasonable in the circumstances and were validly incurred in accordance with the provisions of the BIA.

The Sales Process, the APA and Transaction

15. Since at least August of 2024, Ignite has been considering options to restructure or otherwise stabilize its business as a whole (the "**Business**") and, since December 2024, has been engaged in a strategic process to explore a refinancing, equity raise, or potential sale of either the Managed Services Division or the Business (the "**Ignite Pre-filing Process**").

16. Since commencing the Pre-filing Process, Ignite has explored multiple opportunities and various avenues to address its capital requirements, including by divesting all or part of the Business, seeking additional investments and/or financings of its senior debt obligations.

17. In March 2025, Ignite engaged Kluane to assist with the process to market and sell the Managed Services Division or the Business. Between April and July of 2025, Kluane marketed the Managed Services Division and the Business in an effort to obtain expressions of interest (each an "**EOI**") from a number of parties.

18. Kluane identified and distributed a teaser document to approximately 50 parties. As a result, Ignite entered into approximately 14 non-disclosure agreements, resulting in six EOIs. The EOIs received during the Kluane Pre-filing Process were primarily focused on the Managed Services Division but at least two were focused on the acquisition of the Business. Of the six EOIs received, two parties submitted formal letters of intent (each, an "**LOI**").

19. Ignite evaluated the LOIs and entered into an exclusive LOI with a potential purchaser (the "**Exclusive LOI**"). The proposed purchaser later sought to amend the Exclusive LOI, which would have materially reduced the overall value of the transaction and would have meaningfully

addressed Ignite's financial position. Ultimately, the Exclusive LOI did not result in a transaction prior to the expiry of the exclusivity period thereunder.

20. Following the expiry of the Exclusive LOI, Ignite re-engaged conversations with other parties who had previously expressed interest in Ignite as part of the Pre-filing Process. In November 2025, following the termination of the Exclusive LOI, Ignite re-engaged with MNP with respect to a potential transaction that would see MNP acquire the Business and secure offers of employment for the Employees.

21. Effective February 13, 2026, Ignite and MNP entered into a binding term sheet (the "**MNP Term Sheet**"), pursuant to which Ignite agreed to, among other things:

- (a) commence these NOI Proceedings;
- (b) subject to consultation with the Proposal Trustee, use reasonable efforts to seek approval of the Transaction from this Court; and
- (c) subject to certain exceptions, keep the terms of the MNP Term Sheet confidential.

22. Pursuant to the terms of the MNP Term Sheet, Ignite and MNP entered into an asset purchase agreement dated April 8, 2026 (the "**APA**") whereby MNP would acquire substantially all of the Business (the "**Transaction**").

23. Pursuant to the APA:

- (a) MNP will acquire the Purchased Assets, which generally include, among other things, all of Ignite's:
 - (i) Accounts Receivables;
 - (ii) Equipment;
 - (iii) Assumed Contracts;
 - (iv) Inventory;
 - (v) Intellectual Property;

- (vi) Books and Records; and
 - (vii) other goodwill and intangible assets;
- (b) MNP has agreed to provide substantially all of the Employees with offers of employment;
- (c) conditions to closing include, among other things, the Court granting:
- (i) the SAVO;
 - (ii) if necessary, the Assignment Order; and
 - (iii) the Release Order,
- each in a form acceptable to the Purchaser;
- (d) upon execution, MNP will pay a deposit in an amount equal to 10% of the Base Purchase Price;
- (e) the Purchase Price under the APA is an amount equal to:
- (i) the Base Purchase Price, subject to a downward adjustment to reflect, among other things, changes in: (A) estimated Unearned Revenue related to cash received for goods and services not yet delivered; and (B) estimated annualized monthly recurring revenue, in each case as compared to certain agreed upon thresholds; plus
 - (ii) an additional amount equal to for Accounts Receivable collected within 90-days following Closing; and
- (f) closing is set to occur on the first Friday following 10 business days following the date in which all conditions to closing have been satisfied.

24. The Transaction is the best available option to Ignite because it:

- (a) will result in better recovery for Ignite's stakeholders than a liquidation;
- (b) will result in continued employment for approximately 50 Employees;

- (c) enable Ignite to repay of significant portion of the CRA Arrears; and
- (d) protects Ignite's customers from business interruptions that would result if Ignite abruptly ceased operations.

The Distribution Order

25. Should the Transaction and the APA be approved, Ignite seeks this Court's approval to authorize the Proposal Trustee to make certain distributions (as further described in the Second Report) utilizing the net proceeds of the Transaction.

The Releases

26. The Release Order being sought provides for releases (the "**Releases**") of various parties from claims (the "**Released Claims**"), effective as of the date of issuance of the Proposal Trustee's Closing Certificate confirming the closing of the APA.

27. The Released Claims are limited to claims arising in connection with any act or omission, transaction dealing or other occurrence existing or taking place prior to the Closing Time and arising in connection with or relating in any manner whatsoever to the APA, the Transaction, or the conduct of the NOI Proceedings and include claims against:

- (a) Ignite's current director, officers (the "**Released D&Os**") and Employees;
 - (b) Ignite's legal counsel and advisors, including Kluane;
 - (c) the Proposal Trustee and its legal counsel; and
 - (d) the Purchaser and its legal counsel and advisors,
- (collectively, the "**Released Parties**").

28. However, the Releases do not attempt to release the Released Parties from:

- (a) any gross negligence or willful misconduct on the part of any of the Released Parties;
- (b) any claim that is not permitted to be released pursuant to Section 50(14) of the BIA; or

- (c) any action, application or other proceeding in respect of any claim or liability which is an insured claim.

29. The Releases are appropriate for, among others, the following reasons:

- (a) the Releases are connected to the Transaction and the Release Order is a condition precedent under the APA;
- (b) each of the Released Parties have made significant and material contributions to the NOI Proceedings and/or the Transaction, which in turn will allow the Business to largely continue its operations as a going concern, maximizing the value for Ignite's stakeholders;
- (c) the Released D&Os have worked in good faith to maximize value for all stakeholders, both prior to and during the NOI Proceedings; and
- (d) the releases in favour of the Released D&Os will also provide certainty regarding the D&O Charge (and its release) granted pursuant to the March 2 Order.

Restricted Court Access

30. Ignite is seeking the Sealing Order, which temporarily seals the Confidential Information, which is commercially sensitive information, including (a) an unredacted version APA; and (b) the Proposal Trustee's evaluation of the Pre-filing Process and the Transaction, on the Court record.

31. The proposed form of Sealing Order contemplates that Confidential Information will remain sealed until: (a) the earlier of (i) six months following the closing of the Transaction or (ii) Ignite making an assignment into bankruptcy pursuant to the provisions of the BIA, or (b) further order of the Court.

TD Synnex Relief

32. Ignite is seeking an Order directing TD Synnex to (collectively, the "**TD Synnex Relief**"):
- (a) comply with the March 2 Order;
 - (b) provide the requested information with respect to the Blocked Account to the Proposal Trustee;
 - (c) immediately remit the Preferential Transactions amounts to Ignite; and
 - (d) pay costs in respect of the Application.

SERVICE

1. APPROVAL OF TRANSACTION

3. The Transaction is hereby approved and execution of the APA by Ignite is hereby authorized and approved, with such minor amendments as the Proposal Trustee may deem necessary. Ignite is hereby authorized and directed to take such additional steps and execute such additional documents as may be necessary or desirable for completion of the Transaction and conveyance of the Purchased Assets to the Purchaser (or its nominee).

VESTING OF PROPERTY

4. Upon delivery of a Proposal Trustee's certificate to the Purchaser (or its nominee) substantially in the form set out in **Schedule "A"** hereto (the "**Proposal Trustee's Closing Certificate**"), all of the Company's right, title and interest in and to the Purchased Assets listed in **Schedule "B"** hereto shall vest absolutely in the name of the Purchaser (or its nominee), free and clear of and from any and all caveats, security interests, hypothecs, pledges, mortgages, liens, trusts or deemed trusts, reservations of ownership, royalties, options, rights of pre-emption, privileges, interests, assignments, actions, judgements, executions, levies, taxes, writs of enforcement, charges, or other claims, whether contractual, statutory, financial, monetary or otherwise, whether or not they have attached or been perfected, registered or filed and whether secured, unsecured or otherwise (collectively, "**Claims**") including, without limiting the generality of the foregoing:

 - (b) any charges, security interests or claims evidenced by registrations pursuant to the *Personal Property Security Act* (Alberta) or any other personal property registry system;
 - (c) any liens or claims of lien under the *Builders' Lien Act* (Alberta); and

- (d) those Claims listed in **Schedule "C"** hereto (all of which are collectively referred to as the "**Encumbrances**", which term shall not include the obligations and liabilities of the Purchaser arising pursuant to any assumed contract listed in **Schedule "D"** hereto (the "**Assumed Contracts**", and the liabilities thereunder being, collectively, the "**Permitted Encumbrances**");

and for greater certainty, this Court orders that all Claims including Encumbrances other than Permitted Encumbrances, affecting or relating to the Purchased Assets are hereby expunged, discharged and terminated as against the Purchased Assets

- 5. Upon delivery of the Proposal Trustee's Closing Certificate, and upon filing of a certified copy of this Order, together with any applicable registration fees, all governmental authorities including those referred to below in this paragraph (collectively, "**Governmental Authorities**") are hereby authorized, requested and directed to accept delivery of such Proposal Trustee's Closing Certificate and certified copy of this Order as though they were originals and to register such transfers, interest authorizations, discharges and discharge statements of conveyance as may be required to convey to the Purchaser or its nominee clear title to the Purchased Assets subject only to Permitted Encumbrances. Without limiting the foregoing:
 - (a) the Registrar of the Alberta and Newfoundland and Labrador, as applicable, Personal Property Registry (the "**PPR Registrar**") shall and is hereby directed to forthwith cancel and discharge any registrations at the Alberta or Newfoundland and Labrador Personal Property Registry (whether made before or after the date of this Order) claiming security interests (other than Permitted Encumbrances) in the estate or interest of the Company in any of the Purchased Assets which are of a kind prescribed by applicable regulations as serial-number goods.
- 6. In order to effect the transfers and discharges described above, this Court directs each of the Governmental Authorities to take such steps as are necessary to give effect to the terms of this Order and the APA. Presentment of this Order and the Proposal Trustee's Closing Certificate shall be the sole and sufficient authority for the Governmental Authorities to make and register transfers of title or interest and cancel and discharge registrations against any of the Purchased Assets of any Claims including Encumbrances but excluding Permitted Encumbrances.

7. No authorization, approval or other action by and no notice to or filing with any Governmental Authority or regulatory body exercising jurisdiction over the Purchased Assets is required for the due execution, delivery and performance by Ignite or the Proposal Trustee of the APA.
8. For the purposes of determining the nature and priority of Claims, net proceeds from sale of the Purchased Assets (to be held in an interest bearing trust account by the Proposal Trustee) shall stand in the place and stead of the Purchased Assets from and after delivery of the Proposal Trustee's Closing Certificate and all Claims including Encumbrances (but excluding Permitted Encumbrances) shall not attach to, encumber or otherwise form a charge, security interest, lien, or other Claim against the Purchased Assets and may be asserted against the net proceeds from sale of the Purchased Assets with the same priority as they had with respect to the Purchased Assets immediately prior to the sale, as if the Purchased Assets had not been sold and remained in the possession or control of the person having that possession or control immediately prior to the sale.
9. Except as expressly provided for in the APA or by section 5 of the Alberta *Employment Standards Code*, the Purchaser (or its nominee) shall not, by completion of the Transaction, have liability of any kind whatsoever in respect of any Claims against Ignite.
10. Upon completion of the Transaction, the Company and all persons who claim by, through or under the Company in respect of the Purchased Assets, and all persons or entities having any Claims of any kind whatsoever in respect of the Purchased Assets, save and except for persons entitled to the benefit of the Permitted Encumbrances, shall stand absolutely and forever barred, estopped and foreclosed from and permanently enjoined from pursuing, asserting or claiming any and all right, title, estate, interest, royalty, rental, equity of redemption or other Claim whatsoever in respect of or to the Purchased Assets, and to the extent that any such persons or entities remain in the possession or control of any of the Purchased Assets, or any artifacts, certificates, instruments or other indicia of title representing or evidencing any right, title, estate, or interest in and to the Purchased Assets, they shall forthwith deliver possession thereof to the Purchaser (or its nominee).
11. The Purchaser (or its nominee) shall be entitled to enter into and upon, hold and enjoy the Purchased Assets for its own use and benefit without any interference of or by the Company, or any person claiming by, through or against the Company.

12. Immediately upon closing of the Transaction, holders of Permitted Encumbrances shall have no claim whatsoever against the Proposal Trustee or the Company.
13. The Proposal Trustee is directed to file with the Court a copy of the Proposal Trustee's Closing Certificate forthwith after delivery thereof to the Purchaser (or its nominee).
14. Pursuant to clause 7(3)(c) of the *Personal Information Protection and Electronic Documents Act* (Canada) and section 20(e) of the *Alberta Personal Information Protection Act*, the Company is authorized and permitted to disclose and transfer to the Purchaser (or its nominee) all human resources and payroll information in the Company's records pertaining to the Company's past and current employees. The Purchaser (or its nominee) shall maintain and protect the privacy of such information and shall be entitled to use the personal information provided to it in a manner which is in all material respects identical to the prior use (of such information) to which the Company was entitled.

APPROVAL OF ASSIGNMENT OF ASSUMED CONTRACTS

15. All agreed Cure Costs (defined in and payable in accordance with the APA) shall be paid by the Purchaser to the relevant counterparty to an Assumed Contract on or before Closing or such later date as may be agreed to by the Purchaser and the relevant counterparty to an Assumed Contract.
16. Upon delivery of the Proposal Trustee's Closing Certificate in accordance with paragraph 4:
 - (a) all of Ignite's right, title, interest and obligations (if any) under the Assumed Contracts, shall be assigned, transferred, conveyed and assumed by the Purchaser (the "**Assignee**") pursuant to Section 84.1 of the BIA, and such assignment is valid and binding upon all counterparties to such Assumed Contract, notwithstanding any restriction, condition or prohibition in the Assumed Contract relating to the assignment thereof, including but not limited to, any transfer restrictions or provisions relating to a change of control requiring consent of, or notice for any period in advance of the assignment to, any party to such Assumed Contract;
 - (b) the Assumed Contracts shall remain in full force and effect and each counterparty to the Assumed Contract shall be prohibited from exercising any rights or remedies

under the Assumed Contract and shall be forever barred, enjoined and estopped from taking any such action solely by the reason of:

- (i) Ignite having sought or obtained relief under the BIA;
 - (ii) the insolvency of Ignite;
 - (iii) any failure by Ignite to perform a non-monetary obligation under the Assumed Contract; or
 - (iv) any defaults arising from the assignment of such Assumed Contract; and
- (c) The counterparties under the Assumed Contracts are hereby deemed to waive any and all defaults or events of default relating thereto and any and all notices of default and demand for payment or any other step or proceeding taken or commenced in connection therewith under the Assumed Contracts shall be deemed to have rescinded and of no further force and effect
