FILE/DIRECTION/ORDER

Judges Endorsment Continued

Since the beginning. During this time the Mahals have had 3 different sets of counsel and have repeatedly sought adjournments.

Real prejudice will result to the Applicant if an adjournment is granted. The marketing of the property will be seriously compromised and there is a March 31/22 closing date.

This is the Mahals' motion. If they wish to pursue it, it must proceed on March 9/22.

If they abandon the motion costs can be deferred to a later date, as discussed at the case conference.
