Attention: Paul LaCroix

Dear Sir:

Re: Guarantee of indebtedness owing to Frontwell Capital Partners Inc. (the "**Lender**"), pursuant to the Credit Agreement (as defined below)

We are counsel for the Lender in connection with the above-noted matter.

We refer to:

1. a credit agreement dated as of December 12, 2022, as amended by a first amending agreement dated May 9, 2023, a second amending agreement dated December 4, 2023, a third amending agreement dated December 16, 2024, a fourth amending agreement dated February 14, 2025, a fifth amending agreement dated March 18, 2025, a sixth amending agreement dated April 17, 2025, a seventh amending agreement dated May 16, 2025, an eighth amending agreement dated June 20, 2025, a ninth amending agreement dated July 25, 2025, a tenth amending agreement dated August 25, 2025, and an eleventh amending agreement dated September 25, 2025, by and among the Lender, Mara Technologies USA Inc. (the "**U.S. Borrower**"), Mara Technologies Inc. (the "**Canadian Borrower**" and together with the U.S. Borrower, the "**Borrowers**"), Invotek Group USA Inc. (the "**U.S. Guarantor**") and Invotek Group Inc. (the "**Canadian Guarantor**", and together with the U.S. Guarantor, the "**Guarantors**" and collectively with the Borrowers, the "**Loan Parties**"), as may be amended and restated, (the "**Credit Agreement**");

2. a security agreement dated December 16, 2022 between the U.S. Borrower and the Lender;

3. a general security agreement dated December 16, 2022 provided by the Canadian Borrower in favour of the Lender;

4. a guaranty entered into by the Lender and the Guarantors dated December 16, 2022, regarding the indebtedness owing by the Borrowers to the Lender;

Docusign Envelope ID: 23CCDEE1-37A7-4333-B3D2-8D75C18D3370

5. a security agreement dated December 16, 2022 between the U.S. Guarantor and the Lender;

6. a general security agreement dated December 16, 2022 provided by the Canadian Guarantor to the Lender.

(collectively, the "**Loan and Security Documents**").

Capitalized terms which are used herein but not otherwise defined in this letter have the meanings given to them in the Loan and Security Documents, as applicable.

As at April 17, 2026, the Borrowers are indebted to the Lender in the amount of $22,308,397.41, in respect of the principal and interest, but excluding fees and expenses and accrued interest from and after March 31, 2026, owing pursuant to the Loan and Security Documents (the "**Indebtedness**").

Certain defaults under the Loan and Security Documents have occurred, which defaults are continuing and have not been cured, including but not limited to the Loan Parties being in in breach of their covenants pursuant to Section 6.12 of the Credit Agreement as follows:

1. they have allowed for the cancellation of the ATX Letter of Credit;

2. they have modified provisions of the Manufacturing Supply Agreement; and

3. they have provided offsets to amounts owing to the Loan Parties by ATX's under or in connection with the Manufacturing Supply Agreement.

The Loan Parties have also repeatedly delivered Borrowing Base Certificates which materially misstated the quantum of Eligible Accounts, owed to them by ATX and other customers, causing the outstanding Revolving Loans to exceed the lesser of the Borrowing Base at such times or the Revolving Loan Limit.

The Maturity Date regarding the Credit Agreement was October 24, 2025. Despite the efforts of the Lender seeking payment of the Indebtedness, such amounts continue to be outstanding.

Attached hereto for your reference are copies of the Demand Letter, Notice of Intention to Enforce Security and Acknowledgement and Consents delivered to the Borrowers.

Accordingly, on behalf of the Lender, we hereby make formal demand on the Borrowers for payment of the Indebtedness pursuant to the terms of the Loan and Security Documents to be made immediately. Interest and enforcement costs (including, without limitation, legal fees incurred prior to and subsequent to the date hereof) continue to accrue on the Indebtedness in accordance with the terms of the Loan and Security Documents.

If payment of the Indebtedness is not received by April 30, 2026, the Lender shall take whatever steps it considers necessary or appropriate to collect and recover the amounts owing of the Borrowers in accordance with the Lender's rights under the Loan and Security Documents, in which case the Lender will also be seeking all costs incurred in so doing.

Docusign Envelope ID: 23CCDEE1-37A7-4333-B3D2-8D75C18D3370

We enclose for service upon the Guarantors, Notices of Intention to Enforce Security in accordance with section 244 of the *Bankruptcy and Insolvency Act* (Canada ("**BIA**"). We also enclose Acknowledgments and Consents for execution of each of the Guarantors.

Please note that the Lender reserves all of its rights, remedies and claims under the Loan and Security Documents or otherwise with respect to any and all such defaults and events of defaults and reserves its rights to proceed against the Borrowers prior to the time stipulated above in the event that it determines that its position is further jeopardized.

Best regards,

Dentons Canada LLP

Attention: Paul LaCroix

Dear Sir:

Re: Indebtedness owing to Frontwell Capital Partners Inc. (the "**Lender**"), pursuant to the Credit Agreement (as defined below)

We are counsel for the Lender in connection with the above-noted matter.

We refer to:

1. a credit agreement dated as of December 12, 2022, as amended by a first amending agreement dated May 9, 2023, a second amending agreement dated December 4, 2023, a third amending agreement dated December 16, 2024, a fourth amending agreement dated February 14, 2025, a fifth amending agreement dated March 18, 2025, a sixth amending agreement dated April 17, 2025, a seventh amending agreement dated May 16, 2025, an eighth amending agreement dated June 20, 2025, a ninth amending agreement dated July 25, 2025, a tenth amending agreement dated August 25, 2025, and an eleventh amending agreement dated September 25, 2025, by and among the Lender, Mara Technologies USA Inc. (the "**U.S. Borrower**"), Mara Technologies Inc. (the "**Canadian Borrower**" and together with the U.S. Borrower, the "**Borrowers**"), Invotek Group USA Inc. (the "**U.S. Guarantor**") and Invotek Group Inc. (the "**Canadian Guarantor**", and together with the U.S. Guarantor, the "**Guarantors**" and collectively with the Borrowers, the "**Loan Parties**"), as may be amended and restated, (the "**Credit Agreement**");

2. a security agreement dated December 16, 2022 between the U.S. Borrower and the Lender;

3. a general security agreement dated December 16, 2022 provided by the Canadian Borrower in favour of the Lender;

4. a guaranty entered into by the Lender and the Guarantors dated December 16, 2022, regarding the indebtedness owing by the Borrowers to the Lender;

Docusign Envelope ID: 23CCDEE1-37A7-4333-B3D2-8D75C18D3370

5. a security agreement dated December 16, 2022 between the U.S. Guarantor and the Lender;

6. a general security agreement dated December 16, 2022 provided by the Canadian Guarantor to the Lender.

(collectively, the "**Loan and Security Documents**").

Capitalized terms which are used herein but not otherwise defined in this letter have the meanings given to them in the Loan and Security Documents, as applicable.

As at April 17, 2026, the Borrowers are indebted to the Lender in the amount of $22,308,397.41, in respect of the principal and interest, but excluding fees and expenses and accrued interest from and after March 31, 2026, owing pursuant to the Loan and Security Documents (the "**Indebtedness**").

Certain defaults under the Loan and Security Documents have occurred, which defaults are continuing and have not been cured, including but not limited to the Loan Parties being in in breach of their covenants pursuant to Section 6.12 of the Credit Agreement as follows:

1. they have allowed for the cancellation of the ATX Letter of Credit;

2. they have modified provisions of the Manufacturing Supply Agreement; and

3. they have provided offsets to amounts owing to the Loan Parties by ATX's under or in connection with the Manufacturing Supply Agreement.

The Loan Parties have also repeatedly delivered Borrowing Base Certificates which materially misstated the quantum of Eligible Accounts, owed to them by ATX and other customers, causing the outstanding Revolving Loans to exceed the lesser of the Borrowing Base at such times or the Revolving Loan Limit.

The Maturity Date regarding the Credit Agreement was October 24, 2025. Despite the efforts of the Lender seeking payment of the Indebtedness, such amounts continue to be outstanding.

Accordingly, on behalf of the Lender, we hereby make formal demand on the Borrowers for payment of the Indebtedness pursuant to the terms of the Loan and Security Documents to be made immediately. Interest and enforcement costs (including, without limitation, legal fees incurred prior to and subsequent to the date hereof) continue to accrue on the Indebtedness in accordance with the terms of the Loan and Security Documents.

If payment of the Indebtedness is not received by April 30, 2026, the Lender shall take whatever steps it considers necessary or appropriate to collect and recover the amounts owing of the Borrowers in accordance with the Lender's rights under the Loan and Security Documents, in which case the Lender will also be seeking all costs incurred in so doing.

We enclose for service upon the Borrowers, Notices of Intention to Enforce Security in accordance with section 244 of the *Bankruptcy and Insolvency Act* (Canada ("**BIA**"). We also enclose Acknowledgments and Consents for execution by each of the Borrowers.

Docusign Envelope ID: 23CCDEE1-37A7-4333-B3D2-8D75C18D3370

Please note that the Lender reserves all of its rights, remedies and claims under the Loan and Security Documents or otherwise with respect to any and all such defaults and events of defaults and reserves its rights to proceed against the Borrowers prior to the time stipulated above in the event that it determines that its position is further jeopardized.
