

MJardin Sale and Investment Solicitation Process

November 4, 2022

Introduction

On June 2, 2022 PricewaterhouseCoopers Inc., in its capacity as court-appointed receiver and manager (the “**Bridging Receiver**”) of Bridging Finance Inc. and certain related entities and investment funds (collectively, “**Bridging**”) applied for and received an order (as amended and restated on June 2, 2022, the “**Initial Order**”) from the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) granting MJardin Group, Inc., Growforce Holdings Inc., 8586985 Canada Corporation and Highgrade MMJ Corporation (collectively, the “**Company**”) relief pursuant to the *Companies’ Creditors Arrangement Act* (“**CCAA**”), R.S.C. 1985, c.C-36, as amended. Pursuant to the Initial Order, KSV Restructuring Inc. was appointed as monitor of the Company (in such capacity, the “**Monitor**”) and Howards Capital Corp. was appointed as chief restructuring officer of the Company (the “**CRO**”). The Initial Order also approved a DIP financing term sheet dated June 1, 2022, entered into between the Bridging Receiver, as lender (in such capacity, the “**DIP Lender**”), and the Company, as borrower (as amended, the “**DIP Term Sheet**”).

In connection with the CCAA proceedings, the Monitor, with the assistance of the Company (including the CRO), will conduct a sale and investment solicitation process (the “**SISP**”) as set out herein.

Notwithstanding anything contained herein, the Monitor shall have no involvement with the distribution of materials in respect of the SISP (including the Teaser Letter) to residents of the United States (“**U.S. Residents**”) and shall not be required to solicit U.S. Residents in respect of the Opportunity (as defined below). Any solicitation of U.S. Residents in respect of the Opportunity shall be undertaken by the Company.

Opportunity

1. The SISP is intended to solicit interest in and opportunities for a sale of, or investment in, all or part of the Company’s assets and business operations (the “**Opportunity**”). The Opportunity may include one or more of a restructuring, recapitalization or other form of reorganization of the business and affairs of all or part of the Company as a going concern, or a sale of all, substantially all, or a portion of the Company’s assets (the “**Property**”) and business operations (the “**Business**”) as a going concern or otherwise.
2. Any sale of the Property or investment in the Business will be on an “as is, where is” basis and without surviving representations or warranties of any kind, nature, or description by the Company, the Monitor or any of their respective representatives, advisors or estates, and, in the event of a sale, all of the right, title and interest of the Company in and to the Property to be acquired will be sold free and clear of all pledges, liens, security interests, encumbrances, claims, charges, options, and interests therein and thereon pursuant to Court orders, except as otherwise provided in such Court orders.

Solicitation of Interest: Notice of the SISP

3. As soon as reasonably practicable, but in any event by no later than November 15, 2022:
 - (a) the Monitor and the Company, in consultation with the DIP Lender, will prepare a list of potential bidders, including: (i) parties that have approached the Monitor or the Company indicating an interest in the Opportunity; and (ii) domestic and international strategic and financial parties who the Monitor, in consultation with the Company, believes may be interested in purchasing all or part of the Business or Property or investing in the Company pursuant to the SISP (collectively, the “**Known Potential Bidders**”);
 - (b) the Monitor will cause a notice of the SISP and such other relevant information which the Monitor, in consultation with the Company, considers appropriate (the “**Notice**”) to be published in journals and/or publications it deems appropriate and posted on the Monitor’s website;
 - (c) the Company will issue a press release containing the information in the Notice; and
 - (d) the Monitor and the Company will prepare: (i) a process summary (the “**Teaser Letter**”) describing the Opportunity, outlining the process under the SISP and inviting recipients of the Teaser Letter to express their interest pursuant to the SISP; and (ii) a form of non-disclosure agreement (“**NDA**”) to be executed by Potential Bidders (as defined below).
4. The Monitor will send the Teaser Letter and NDA to all Known Potential Bidders by no later than November 15, 2022, and to any other party who requests a copy of the Teaser Letter and NDA or who is identified to the Monitor or the Company as a Potential Bidder as soon as reasonably practicable after such request or identification, as applicable.

PHASE 1: NON-BINDING LOIs

Qualified Bidders

5. Any party who wishes to participate in the SISP (a “**Potential Bidder**”) must provide the Monitor and the Company with an NDA executed by it and written confirmation of the identity of the Potential Bidder, the contact information for such Potential Bidder, and full disclosure of the principals of the Potential Bidder and its direct and indirect equity holders.
6. A Potential Bidder (who has delivered the executed NDA and a letter setting out the details of the Potential Bidder as set out above) will be deemed a “**Phase 1 Qualified Bidder**” if the Monitor and the Company, in consultation with the DIP Lender, determine such person is likely, based on the availability of financing, experience and other considerations, to be able to consummate a sale or investment pursuant to the SISP.
7. At any time during the first phase of the SISP (“**Phase 1**”), the Monitor and the Company may, after consultation with the DIP Lender, eliminate a Phase 1 Qualified Bidder from

the SISP, in which case such bidder will be eliminated from the SISP and will no longer be a “Phase 1 Qualified Bidder” for the purposes of the SISP.

8. Potential Bidders must rely solely on their own independent review, investigation and/or inspection of all information and of the Property and Business in connection with their participation in the SISP and any transaction they enter into with the Company.

Due Diligence

9. The Monitor, in consultation with the Company, shall in its reasonable professional judgment and subject to competitive and other business considerations relevant to the Company, afford each Phase 1 Qualified Bidder such access to due diligence materials and information relating to the Property and Business as it deems appropriate. Due diligence access may include management presentations, access to electronic data rooms, and other matters which a Phase 1 Qualified Bidder may reasonably request and as to which the Monitor, in consultation with the Company, in its reasonable professional judgment, may agree. The Monitor will designate a representative to coordinate all reasonable requests for additional information and due diligence access from Phase 1 Qualified Bidders and the manner in which such requests must be communicated. Neither the Monitor nor the Company will be obligated to furnish any information relating to the Property or Business to any person other than to Phase 1 Qualified Bidders. Further and for the avoidance of doubt, selected due diligence materials may be withheld from certain Phase 1 Qualified Bidders if such materials represent proprietary or sensitive competitive information of the Company and the disclosure of such materials to such Phase 1 Qualified Bidders would not be in the best interests of the Company.

Non-Binding Letters of Intent from Qualified Bidders

10. A Phase 1 Qualified Bidder that wishes to pursue the Opportunity further must deliver a non-binding letter of interest (an “**LOI**”) to the Monitor and the Company at the addresses specified in Schedule “1” hereto (including by email transmission), so as to be received not later than 5:00 pm (Toronto time) on December 15, 2022 (the “**Phase 1 Bid Deadline**”).
11. Subject to paragraph 12, an LOI so submitted will be considered a qualified LOI (a “**Qualified LOI**”) only if:
 - (a) it is submitted on or before the Phase 1 Bid Deadline by a Phase 1 Qualified Bidder;
 - (b) it contains an indication of whether the Phase 1 Qualified Bidder is offering to:

or

- (c) in the case of a Sale Proposal, it identifies or contains the following:
- (i) the purchase price or price range in Canadian dollars, including details of any liabilities to be assumed by the Phase 1 Qualified Bidder and key assumptions supporting the valuation;
 - (ii) a description of the Property that is expected to be subject to the transaction and any of the Property expected to be excluded;
 - (iii) a description of the Phase 1 Qualified Bidder's intended use of the Property expected to be subject to the transaction;
 - (iv) a description of the Phase 1 Qualified Bidder's proposed treatment of employees of the Company;
 - (v) the key terms and provisions to be included in any order of the Court approving the contemplated Sale Proposal;
 - (vi) evidence of the financial capability of the Phase 1 Qualified Bidder to consummate the transaction contemplated by the Sale Proposal and the expected structure and financing of the transaction (including, but not limited to, the sources of financing to fund the transaction, evidence of the availability of such financing or such other form of financial disclosure and credit-quality support or enhancement that will allow the Monitor, the Company, the DIP Lender and their respective advisors to make a reasonable business or professional judgment as to the Phase 1 Qualified Bidder's financial and other capabilities to consummate the transaction and to perform all obligations to be assumed in such transaction, and the steps necessary and associated timing to obtain financing and any related contingencies, as applicable);
 - (vii) a description of the conditions and approvals required for a final and binding offer, including any anticipated corporate, licensing, securityholder, internal, Health Canada, legal or other regulatory approvals required to close the transaction, and an estimate of the anticipated time frame and any anticipated impediments for obtaining such approvals;
 - (viii) an outline of any additional due diligence required to be conducted in order to submit a final and binding offer;
 - (ix) an acknowledgement that any Sale Proposal is made on an "as-is, where-is" basis;
 - (x) all conditions to closing that the Phase 1 Qualified Bidder may wish to impose and an outline of the principal terms thereof; and
 - (xi) any other terms or conditions of the Sale Proposal that the Phase 1 Qualified Bidder believes are material to the transaction;

- (d) in the case of an Investment Proposal, it identifies or contains the following:
- (i) a detailed description of how the Phase 1 Qualified Bidder proposes to structure the Investment Proposal;
 - (ii) the aggregate amount of the equity and/or debt investment to be made in the Business/the Company in Canadian dollars;
 - (iii) key assumptions supporting the valuation;
 - (iv) the key terms and provisions to be included in any order of the Court approving the contemplated Investment Proposal;
 - (v) the underlying assumptions regarding the pro forma capital structure (including the form and amount of anticipated equity and/or debt levels, debt service fees, interest or dividend rates, amortization, voting rights or other protective provisions (as applicable), redemption, prepayment or repayment attributes and any other material attributes of the investment);
 - (vi) the sources of capital for the Phase 1 Qualified Bidder and a description of the structure and financing of the transaction (including, but not limited to, the sources of capital to fund the investment, evidence of the availability of such capital or such other form of financial disclosure and credit-quality support or enhancement that will allow the Monitor, the Company, the DIP Lender and their respective advisors to make a reasonable business or professional judgment as to the Phase 1 Qualified Bidder's financial and other capabilities to consummate the transaction, steps necessary and associated timing to obtain such capital and any related contingencies, as applicable, and a sources and uses analysis);
 - (vii) a description of the conditions and approvals required for a final and binding offer, including any anticipated corporate, licensing, securityholder, internal, Health Canada, legal or other regulatory approvals required to close the transaction, and an estimate of the anticipated time frame and any anticipated impediments for obtaining such approvals;
 - (viii) an outline of any additional due diligence required to be conducted in order to submit a final and binding offer;
 - (ix) an acknowledgement that any Investment Proposal is made on an "as-is, where-is" basis;
 - (x) all conditions to closing that the Phase 1 Qualified Bidder may wish to impose and an outline of the principal terms thereof; and
 - (xi) any other terms or conditions of the Investment Proposal which the Phase 1 Qualified Bidder believes are material to the transaction;

- (e) in the case of either a Sale Proposal or an Investment Proposal, it contains such other information as may be reasonably requested by the Monitor and the Company.
12. The Monitor may waive strict compliance with any one or more of the requirements specified above and deem such non-compliant bids to be a Qualified LOI. For the avoidance of doubt, the completion of any Sale Proposal or Investment Proposal shall be subject to the approval of the Court and the requirement of approval of the Court may not be waived.

Preliminary Assessment of Phase 1 Bids and Subsequent Process

13. Following the Phase 1 Bid Deadline, the Monitor and the Company, in consultation with the DIP Lender, will assess the Qualified LOIs. If no Qualified LOIs are received by the Phase 1 Bid Deadline, the Monitor and the Company, in consultation with the DIP Lender, may elect to terminate the SISP and send notice of same to the service list established in the CCAA proceedings and any Phase 1 Qualified Bidder who submitted an LOI. At any time following the Phase 1 Bid Deadline, the Monitor and the Company, in consultation with the DIP Lender, may determine that a second phase of this SISP (“**Phase 2**”) is not required and: (i) proceed to negotiate and execute definitive documentation with respect to a transaction contemplated in a Qualified LOI or with respect to a Credit Bid (as defined below); or (ii) elect to terminate the SISP (for clarity, irrespective of whether one or more Qualified LOI’s have been received) and send notice of same to the service list established in the CCAA proceedings and any Phase 1 Qualified Bidder who has submitted an LOI. If Phase 2 is determined to be required, the following shall apply:
- (a) If it is determined by the Monitor and the Company, following consultation with the DIP Lender, that: (i) a Phase 1 Qualified Bidder that has submitted a Qualified LOI has a *bona fide* interest in completing a Sale Proposal or Investment Proposal (as the case may be) and has the capability (based on availability of financing, experience and other considerations) to consummate such a transaction based on the financial information provided, and (ii) the transaction described in the Qualified LOI of the Phase 1 Qualified Bidder (either individually or in combination with other potential transactions) represents a compelling opportunity for a value maximizing or other transaction that is in the best interests of the Company and its stakeholders, then such Phase 1 Qualified Bidder will be deemed a “**Phase 2 Qualified Bidder**”, provided that the Monitor and the Company may, following consultation with the DIP Lender, limit the number of Phase 2 Qualified Bidders (and thereby eliminate some bidders from the process) taking into account, among other things, any material adverse impact on the operations and performance of the Company. Only Phase 2 Qualified Bidders shall be permitted to proceed to Phase 2 of the SISP.
 - (b) As part of the assessment of Qualified LOIs and the determination of the process subsequent thereto, the Monitor and the Company, in consultation with the DIP Lender, shall determine the process and timing to be followed in pursuing Qualified LOIs based on such factors and circumstances as it considers appropriate in the circumstances including, but not limited to: (i) the number of Qualified LOIs received; (ii) the extent to which the Qualified LOIs relate to the same Property or

Business; and (iii) the scope or particulars of the Property or Business to which any Qualified LOIs may relate.

- (c) Upon the determination by the Monitor and the Company, in consultation with the DIP Lender, of the manner in which to proceed to Phase 2 of the SISP, the Monitor will prepare a bid process letter for Phase 2 (the “**Bid Process Letter**”), and the Bid Process Letter will be (i) sent to all Phase 2 Qualified Bidders, and (ii) posted by the Monitor on the website the Monitor maintains in respect of this CCAA proceeding.

PHASE 2: FORMAL OFFERS AND SELECTION OF SUCCESSFUL BIDDER

- 14. Paragraphs 15 to 24 below and the conduct of Phase 2 are subject to paragraph 13 hereof and any adjustments made to Phase 2 in accordance with the Bid Process Letter and any further Court order regarding the SISP.

Formal Binding Offers

- 15. Phase 2 Qualified Bidders that wish to make a formal offer to purchase or make an investment in the Company or its Property and Business shall submit a binding offer that complies with all of the following requirements prior to a date and time to be determined by the Monitor and the Company, in consultation with the DIP Lender, and set out in the Bid Process Letter (the “**Phase 2 Bid Deadline**”):
 - (a) the bid shall comply with each of the requirements set forth in respect of Qualified LOIs;
 - (b) the bid (either individually or in combination with other bids) represents a compelling opportunity for a value maximizing or other transaction that is in the best interests of the Company and its stakeholders;
 - (c) the bid includes a letter stating that the Phase 2 Qualified Bidder’s offer is irrevocable until the selection of the Successful Bidder (as defined below), provided that if such Phase 2 Qualified Bidder is selected as the Successful Bidder, its offer shall remain irrevocable until the earlier of (i) the closing of the transaction with the Successful Bidder, and (ii) 90 days from the Sale Approval Motion hearing (as defined below), subject to further extensions as may be agreed to under the applicable transaction agreement(s);
 - (d) the bid includes duly authorized and executed transaction agreements, including the purchase price, investment amount and any other key economic terms expressed in Canadian dollars (the “**Purchase Price**”), together with all exhibits and schedules thereto, all applicable ancillary agreements with all exhibits and schedules thereto (or term sheets that describe the material terms and provisions of such agreements), and proposed orders to approve the transaction by the Court;
 - (e) the bid includes written evidence of a firm, irrevocable commitment for financing or other evidence of ability to consummate the proposed transaction, that will allow

the Monitor, the Company, the DIP Lender and their respective advisors, to make a determination as to the Phase 2 Qualified Bidder's financial and other capabilities to consummate the proposed transaction;

- (f) the bid is not conditioned on: (i) the outcome of unperformed due diligence by the Phase 2 Qualified Bidder; and/or (ii) obtaining financing;
 - (g) the bid fully discloses the identity of each entity that will be entering into the transaction or the financing (including through the issuance of debt in connection with such bid), or that is participating or benefiting from such bid, and such disclosure shall include, without limitation: (i) in the case of a Phase 2 Qualified Bidder formed for the purposes of entering into the proposed transaction, the identity of each of the actual or proposed direct or indirect equity holders of such Phase 2 Qualified Bidder and the terms and participation percentage of such equity holder's interest in such bid; and (ii) the identity of each entity that has or will receive a benefit from such bid from or through the Phase 2 Qualified Bidder or any of its equity holders and the terms of such benefit;
 - (h) the Phase 2 Qualified Bidder shall have delivered a cash deposit to the Monitor in the amount of not less than 10% of the Purchase Price offered in the bid on or prior to the Phase 2 Bid Deadline;
 - (i) the bid includes acknowledgements and representations of the Phase 2 Qualified Bidder that: (i) it has had an opportunity to conduct any and all due diligence regarding the Business, Property and the Company prior to making its offer; (ii) it has relied solely upon its own independent review, investigation and/or inspection of any documents, the Business, the Property and/or the Company in making its bid; (iii) it did not rely upon any written or oral statements, representations, warranties, or guarantees whatsoever, whether express, implied, statutory or otherwise, regarding the Business, the Property, or the Company or the completeness of any information provided in connection therewith, except as expressly stated in any definitive transaction agreement(s) signed by the Company;
 - (j) the bid includes evidence, in form and substance reasonably satisfactory to the Monitor and the Company, of authorization and approval from the Phase 2 Qualified Bidder's board of directors (or comparable governing body) with respect to the submission, execution, delivery and closing of the transaction agreement(s) submitted by the Phase 2 Qualified Bidder;
 - (k) the bid contains such other information as set forth in the Bid Process Letter or as otherwise requested by the Monitor and the Company in writing; and
 - (l) the bid is received by the Phase 2 Bid Deadline.
16. Following the Phase 2 Bid Deadline, the Monitor and the Company, in consultation with the DIP Lender, will assess the Phase 2 bids received. The Monitor and the Company, in consultation with the DIP Lender, will then designate the most competitive bids that comply with the requirement set forth in paragraph 15 as "**Qualified Bids**". Only Phase 2

Qualified Bidders whose bids have been designated as Qualified Bids are eligible to become the Successful Bidder(s).

17. The Monitor may waive strict compliance with any one or more of the requirements set forth in paragraph 15 and deem such non-compliant bids to be a Qualified Bid.
18. The Monitor shall notify each Phase 2 Qualified Bidder in writing as to whether its bid constitutes a Qualified Bid within five (5) business days of the expiration of the Phase 2 Bid Deadline, or at such later time as the Monitor deems appropriate.
19. If the Monitor and the Company, following consultation with the DIP Lender, are not satisfied with the number or terms of the bids received in Phase 2, the Monitor and the Company may, in consultation with the DIP Lender: (i) extend the Phase 2 Bid Deadline, or (ii) elect to terminate the SISP (for clarity, irrespective of whether one or more bids have been received) and send notice of same to the service list established in the CCAA proceedings and any Phase 2 Qualified Bidder who has submitted a bid in Phase 2.
20. The Monitor and the Company, in consultation with the DIP Lender and the applicable bidders, may aggregate separate bids from unaffiliated Phase 2 Qualified Bidders to create one "Qualified Bid".

Evaluation of Competing Bids

21. A Qualified Bid will be evaluated based upon numerous factors, including, without limitation, items such as the Purchase Price and the value provided by such bid, the claims likely to be created by such bid in relation to other bids, the identity, circumstances and ability of the Phase 2 Qualified Bidder to successfully complete such transactions, the proposed transaction documents, the effects of the bid on the stakeholders of the Company, factors affecting the speed, certainty and value of the transaction (including any licensing, Health Canada, regulatory or legal approvals or third party contractual arrangements required to close the transactions), the assets included or excluded from the bid, any related restructuring costs, and the likelihood and timing of consummating such transactions, all with a view to identifying the Qualified Bid that (either individually or in combination with other Qualified Bids) represents the highest or otherwise best bid.

Selection of Successful Bid

22. The Monitor and the Company, in consultation with the DIP Lender, will: (i) review and evaluate each Qualified Bid, provided that each Qualified Bid may be negotiated with the applicable Phase 2 Qualified Bidder, and may be amended, modified or varied to improve such Qualified Bid as a result of such negotiations; and (ii) identify the highest or otherwise best bid (the "**Successful Bid**", and the Phase 2 Qualified Bidder making such Successful Bid, the "**Successful Bidder**") for any particular Property or the Business in whole or part. The determination of any Successful Bid by the Monitor and the Company, in consultation with the DIP Lender, shall be subject to approval by the Court.
23. The Company shall have no obligation to enter into a Successful Bid, and the Monitor and the Company reserve the right to reject any or all Qualified Bids.

Sale Approval Motion Hearing

24. At the hearing of the motion to approve any transaction with a Successful Bidder (the “**Sale Approval Motion**”), approval shall be sought from the Court for, among other things, the Company to consummate any Successful Bid. All the Phase 2 Qualified Bids other than the Successful Bid, if any, shall be deemed rejected upon the closing of any Successful Bid.

Confidentiality, Stakeholder/Bidder Communication and Access to Information

25. All discussions regarding a Sale Proposal, Investment Proposal, LOI or Phase 2 bid should be directed through the Monitor. Under no circumstances should the management of the Company or any stakeholder of the Company be contacted directly without the prior consent of the Monitor. Any such unauthorized contact or communication could result in exclusion of the interested party from the SISP process. For greater certainty, nothing herein shall preclude a stakeholder from contacting potential bidders with the agreement of the Monitor to advise of the SISP and that they should contact the Monitor if they are interested.
26. If it is determined by the Monitor and the Company, in consultation with the DIP Lender, that it would be worthwhile to facilitate a discussion between a Phase 1 Qualified Bidder or Phase 2 Qualified Bidder (as applicable, depending on the stage of the SISP) and a stakeholder or other third party as a consequence of a condition to closing or potential closing condition identified by such bidder, the Monitor may provide such bidder with the opportunity to meet with the relevant stakeholder or third party to discuss such condition or potential condition, with a view to enabling such bidder to seek to satisfy the condition or assess whether the condition is not required or can be waived. Any such meetings or other form of communication will take place on terms and conditions considered appropriate by the Monitor. The Monitor must be provided with the opportunity to be present at all such communications or meetings.

DIP Lender

27. Notwithstanding any other provision hereof, the DIP Lender shall be: (i) deemed a Phase 1 Qualified Bidder and a Phase 2 Qualified Bidder and shall not be required to submit a Qualified LOI in order to participate in Phase 2 of the SISP (but may elect to if it so chooses); (ii) entitled to submit a credit bid (or bids) of the secured indebtedness owing to Bridging by the Company, including in respect of both the secured indebtedness outstanding under the DIP Term Sheet and the pre-CCAA filing secured indebtedness, in the SISP at any time (a “**Credit Bid**”); and (iii) entitled to the information, consultation and consent rights in respect of the SISP as herein provided, including receiving copies of all SISP materials and information, LOIs, Qualified LOIs and Qualified Bids; *provided, however*, that if the Monitor advises the DIP Lender that any Qualified LOI or Qualified Bid (or any combination thereof) proposes to pay or otherwise satisfy the secured indebtedness owing to Bridging in full, the DIP Lender shall not be entitled to access the specific purchase price (or similar amount) offered in any such Qualified LOI(s) or Qualified Bid(s). For the avoidance of doubt, the DIP Lender reserves the right to Credit Bid the secured indebtedness owing to Bridging in the event the SISP is terminated.

Supervision of the SISP

28. The Monitor will oversee, in all respects, the conduct of the SISP and, without limitation to that supervisory role, the Monitor will participate in the SISP in the manner set out herein and in the order granted by the Court on November 4, 2022, in the CCAA proceedings, and is entitled to receive all information in relation to the SISP.
29. This SISP does not, and will not be interpreted to create any contractual or other legal relationship between the Company or Monitor and any Phase 1 Qualified Bidder, any Phase 2 Qualified Bidder or any other party, other than as specifically set forth in a definitive agreement that may be signed with the Company.
30. Participants in the SISP are responsible for all costs, expenses and liabilities incurred by them in connection with the SISP, including the submission of any LOI, Phase 2 bid, due diligence activities, and any further negotiations or other actions whether or not they lead to the consummation of a transaction.
31. The Monitor and the Company, in consultation with the DIP Lender, shall have the right to modify the SISP (including, without limitation, pursuant to the Bid Process Letter) if, in their reasonable professional and business judgment, such modification will enhance the process or better achieve the objectives of the SISP; provided that the service list in these CCAA proceedings and participating bidders shall be advised of any substantive modification to the procedures set forth herein.
