(i) **First** - Administration Charge;

(ii) **Second** -Director's Charge; and

(iii) **Third** - CRO Charge;

(d) such further and other relief as may be sought by Norwood in connection with the Comeback Hearing.

THE GROUNDS FOR THE APPLICATION ARE:

Background

3. The Applicant in this case is Norwood.

4. Norwood is a globally recognized designer and manufacturer of portable sawmills and related products with operations (the "**Business**") in Canada and the United States. Norwood has developed cutting-edge, branded, compact equipment that has broadened access to timber process for users, ranging from seasoned professionals to enthusiastic hobbyists.

5. The Business was commenced over 30 years ago in Barrie, Ontario as a small, privately held undertaking. Since its inception, the Business has grown significantly and become an industry leader with over 2,500 customers across 123 countries worldwide resulting in the sale of over 35,000 sawmills.

6. In March, 2022, the Business was acquired by GreyLion Capital, a New York-based private equity firm.

7. Monroe Capital Management Advisors LLC, as agent for and on behalf of a syndicate of lenders, provided financing in the initial aggregate principal amount of US$32,345,449.40 together with revolving commitments in the principal amount of CAD $12,500,000.00.

Corporate Structure

8. Norwood is incorporated pursuant to the *Business Corporations Act*, RSO 1990, c B.16.

9. Norwood Enterprise Inc. ("**Norwood US**") is a wholly-owned subsidiary of Norwood that is organized pursuant to the laws of the state of Delaware in the United States of America.

Insolvency

10. Due to Norwood's deteriorating financial condition, Norwood's liabilities significantly exceed its assets. Norwood also has insufficient cash to meet its obligations as they become due.

11. Norwood's key assets, including its equipment and accounts receivable, are not liquid and cannot be easily monetized without significant diminishment of value and disruption to Norwood and its stakeholders. Further, the value of certain key assets such as future inventory and accounts receivable are likely to be significantly impaired or have no value if Norwood is unable to continue as a going concern.

12. If the relief is not granted, Norwood will be unable to meet its obligations as they become due and will need to immediately cease operations for the detriment of their stakeholders.

Purpose of the CCAA Proceeding

13. After considering the various options available to Norwood, Norwood determined that a restructuring under the CCAA is in the best interests of Norwood and its stakeholders.

14. Norwood believes that relief under the CCAA is in the best interests of Norwood, its creditors, and its stakeholders for the following reasons, among others:

    (a) Norwood is insolvent and is unable to meet its obligations as they become due;

    (b) Norwood requires the protection of the CCAA and the assistance of restructuring professionals to consummate a going concern asset sale transaction pursuant to a sale process that Norwood has been conducting for the last several months, with the assistance of G2 Capital Advisors LLC, an arm's length advisor retained by Norwood to assist with this process and operational matters;;

    (c) without the protections of the CCAA, Norwood's creditors are likely to take enforcement steps against Norwood, which will disrupt the operation of the Business;

    (d) the involvement of a Court-appointed monitor under the CCAA will lend stability and assurance to Norwood's stakeholders, including its suppliers, customers, lenders, and employees.

Cash Flow Forecast

15. The Cash Flow Forecast demonstrates that if the relief sought under the Initial Order is granted, Norwood will have sufficient liquidity to meet its ordinary course obligations throughout the Stay of Proceedings.

CCAA Relief Appropriate

16. The CCAA filing requirements are met in respect of the Applicant and it is appropriate to extend CCAA relief to it.

17. It is proposed that KSV will act as the Monitor and KSV has consented to acting in such capacity.

18. KSV is qualified to act in such capacity under section 11.7 of the CCAA. KSV is not subject to any of the restrictions set out in section 11.7(2) of the CCAA on who may be appointed as Monitor.

19. The proposed Administration Charge and Directors' Charge are reasonable and appropriate and supported by the proposed Monitor. Secured creditors have received the application materials.

Other Grounds:

20. In addition, the Applicant relies on:

    (a) the provisions of the CCAA, including section 11;

    (b) rules 2.03, 3.02, 14.05(2) and 16 of the Ontario *Rules of Civil Procedure*, R.R.O. 1990, Reg. 194, as amended and sections 97 of the *Ontario Courts of Justice Act*, R.S.O. 1990, c. C.43 as amended; and,

    (c) such further and other grounds as counsel may advise and this Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of this application:

21. the Affidavit of Rhett Ross sworn September 9, 2025 and the Exhibits thereto;

22. the Pre-Filing Report of KSV in its capacity as proposed Monitor dated September 9, 2025;

23. the consent of KSV to act as Monitor; and,

24. such further and other evidence as counsel may advise and this Court may permit.

33. Norwood's present financial difficulties have been precipitated by a combination of operational and financial challenges.

Post-COVID sales decline

34. After the initial months of the COVID19 pandemic in 2020, people working and spending more time at home drove unprecedented demand for home improvement products, which fueled a boom in the portable sawmill market.

35. As the world reopened, consumers gradually reallocated their spending away from home goods and renovations and back toward services, travel, and other experiences. This shift directly reduced the sales and top line revenue.

Rising interest rates

36. High inflation, particularly in the timeframe between 2022 and 2023, prompted central banks to raise interest rates. This directly impacted the construction and renovation market by increasing borrowing costs, causing homeowners and small builders to delay or cancel projects. For Norwood's hobbyist market, where projects are often financed or supported by home equity loans, the increase in interest rates had a negative impact on Norwood.

Decline in Lumber Prices

37. As demand slowed and supply chains stabilized after the pandemic, lumber prices declined sharply from their peaks in 2021. For hobbyists, this reduced the financial incentive to mill their own lumber, making it potentially more convenient or cost-effective to buy from commercial suppliers.

Decreased profitability

38. In 2021, the surge in consumer demand drove lumber prices to historic highs. As this demand subsided and supply normalized, prices collapsed from their 2022 peak. The price volatility and sharp correction negatively impacted Norwood's revenue and profitability.

Shift back to professional builders

39. As economic confidence returned, more complicated renovations were once again entrusted to professionals rather than being tackled by homeowners themselves. This reduced the demand for sawmills capable of handling larger and more complex projects.

40. In summary, Norwood's revenue was highly vulnerable to the economic and psychological normalization that occurred after the peak of the COVID-19 pandemic. The boom in DIY projects and high lumber prices that defined the era's peak created unsustainable demand that eventually normalized, leaving Norwood with a shrinking market and a corresponding decrease in revenue and profitability.

B. Ongoing Liquidity Issues and Interventions by Monroe

41. Since July 2022, Norwood has entered into seven amendments to the Credit Agreement with Monroe. Starting with Amendment No. 3, the amendments reflect escalating financial distress and increasing lender interventions, as follows:

(a) Pursuant to Amendment No. 3, Monroe waived multiple covenant breaches, including Norwood failing to meet leverage ratio requirements for Q3 2023 through Q1 2024. As a condition of this waiver, Monroe required Norwood to secure a C$25 million equity injection by August 30, 2024, underscoring Monroe’s concern about Norwood’s deteriorating liquidity position;

(b) Pursuant to Amendment No. 4, which followed on Monroe delivering a Notice of Default and Reservation of Rights on February 13, 2025, Norwood acknowledged ongoing defaults and introduced governance oversight measures, including the appointment of an independent director;

(c) Pursuant to Amendment No. 5, Monroe authorized up to C$300,000 in emergency revolving loans, contingent on approval from G2, which was granted. This short-term liquidity support was indicative of Norwood's inability to meet operational needs without external funding;

(d) Pursuant to Amendment No. 6, Norwood acknowledged its failure to maintain a required C$3 million liquidity threshold and its inability to deliver audited financial statements. Monroe reserved full enforcement rights, including foreclosure; and

(e) Pursuant to Amendment No. 7, Monroe authorized an additional C$300,000 revolving loan, explicitly tied to a forecast prepared by G2. This amendment reflects Monroe's requirement that Norwood source a transaction, either through refinancing, recapitalization, or sale, to resolve its liquidity crisis.

42. Collectively, these amendments demonstrate a clear and sustained pattern of financial instability, lender-imposed conditions, illiquidity and the need for a court-supervised restructuring process under the CCAA.

VI. NORWOOD'S BUSINESS PRE-FILING SALES PROCESS

43. In consultation with Monroe, Norwood retained G2 in early 2025 to assist Norwood with undertaking a review of strategic alternatives available to Norwood in an attempt to right size its balance sheet and potentially restructure its affairs.

44. G2, headquartered in Boston, Massachusetts, is a full-service, industry-focused investment banking and restructuring advisory firm established in 2010. The firm specializes in delivering bespoke financial and operational solutions across a broad spectrum of industries, including consumer and retail, industrials and manufacturing, technology and business services, and transportation and logistics

45. G2's team comprises seasoned professionals, including former C-level executives, entrepreneurs, and financial advisors, who bring deep transactional experience and sector-

specific insight to each engagement. Their expertise spans buy-side and sell-side advisory, capital markets, financial restructuring, and operational revitalization.

46. G2 is committed to long-term value creation and its ability to guide clients through both growth opportunities and periods of financial distress. G2's track record includes over 200 mandates in industrials and manufacturing and more than 150 in technology and business services, underscoring their robust experience.

47. In further consultation with G2 and Monroe, Norwood concluded that it was in the best interests of Norwood and its stakeholders to pursue a sale of the Business pursuant to a sales process run by G2 (the "**Norwood SISP**").

48. Pursuant to an engagement letter dated May 14, 2025 with McCarthy Tetrault LLP ("**McCarthys**"), McCarthys, as legal counsel to Norwood, retained KSV Advisory Inc. ("**KSV Advisory**"), an affiliate of KSV Restructuring Inc., for the purpose of acting as financial advisor and assisting McCarthys in its representation of Norwood, particularly regarding Norwood's strategic options. In this regard, KSV Advisory has been kept apprised by McCarthys and G2 of the Norwood SISP. KSV Advisory engagement letter includes the following provision: If KSV is appointed as officer of the court in any formal insolvency proceeding involving the Company, this Agreement shall terminate immediately prior to the commencement of such proceedings. In that circumstance, KSV's duties and obligations will be as set out in the court order appointing it, and/or by statute, and KSV would from that date forward be acting as an officer of the court.

49. The Norwood SISP entails canvassing a broad mix of financial and strategic buyers with a goal of maximizing valuation and certainty of closing. The process included recapitalization options, but those options did not materialize as actionable pathways. Refinancing was deemed to not be a viable option given the significant amount of debt, lack of leverageable assets, and continued losses under Norwood's burdensome cost structure.

50. In summary, G2, with the assistance of Norwood's management, identified a comprehensive list of strategic buyers and financial buyers that might be interested in purchasing the Norwood Business ("**Norwood Prospective Purchasers**"). The list of Norwood Prospective Purchasers was created from a combination of G2 known strategic and financial firms that deal in going concern acquisitions and distressed entity acquisitions, recommendations from Monroe from its own business dealings, and recommendations from Norwood management regarding competitors and vendors that might be interested.

51. G2 also developed a teaser that contained a summary of the opportunity to purchase the Norwood Business. The teaser was distributed to Norwood Prospective Purchasers.

52. G2 contacted by phone or email 153 Norwood Prospective Purchasers regarding the opportunity. Of the parties contacted, 32 Norwood Prospective Purchasers executed non-disclosure agreements and were provided copies of a confidential information memorandum ("**Norwood CIM**"). The Norwood CIM contained a detailed description of the Norwood Business and provided an overview of the transaction, Norwood's Business, sales, the industry in which it operates, and relevant historical financial information. 22 Norwood Prospective Purchasers were granted access to the data room.

53. A total of 7 Norwood Potential Purchasers submitted non-binding expressions of interest ("**EOIs**"). Norwood, in consultation with G2 and Monroe, determined that of the 7 EOIs received, 2 Norwood Prospective Purchasers appear capable of transacting on commercial terms acceptable to Norwood within an acceptable period of time. As at the date of this Affidavit, Norwood has invited these two parties to provide a final asset purchase agreement from which Norwood, in consultation with the proposed Monitor, G2, and Monroe will determine whether one or the other final bids represents a proposed path forward. I will provide an update to the Court and stakeholders by way of a further Affidavit to be filed in support of the Comeback Hearing.

VII. NORWOOD IS INSOLVENT

54. As described in this affidavit, due to its deteriorating financial condition, Norwood's liabilities significantly exceed its assets. Norwood also has insufficient cash to meet its obligations as they become due. Among other things, as of July 31, 2025 (the date of Norwood's most recently prepared internal financial statements), Norwood had negative working capital of approximately $7.0 million, reflecting its illiquidity.

55. Norwood's key assets, including its inventory, intellectual property, and its receivables will realize proceeds in a realization that are but a fraction of the Norwood secured indebtedness.

56. Furthermore, Norwood's intangible assets and goodwill, which as at July 31, 2025 had a book value of $125.74 million, does not reflect their realizable value in a liquidation or asset sale scenario because such assets are not readily transferable or monetizable in a distressed transaction.

57. If the relief is not granted, Norwood will be unable to meet its obligations as they become due and will need to immediately cease operations for the detriment of their stakeholders.

VIII. CASH FLOW FORECAST

58. With the assistance of the proposed Monitor, Norwood has prepared a cash flow forecast from September 1, 2025 to November 9, 2025 (the "**Cash Flow Forecast**"). I understand that the Cash Flow Forecast will be attached to the Pre-Filing Report of the proposed Monitor.

59. The Cash Flow Forecast demonstrates that if the relief sought under the Initial Order is granted, Norwood will have sufficient liquidity to meet its post-filing ordinary course obligations throughout the Stay of Proceedings.

IX. PROPOSED MONITOR

60. Norwood seeks the appointment of KSV, as the monitor in these proceedings.

61. KSV became involved with Norwood in mid-May 2025, when McCarthy Tétrault LLP engaged it as its financial advisor to assist it in reviewing strategic alternatives.

62. The professionals of KSV who will have carriage of this matter have acquired knowledge of Norwood, its business, its financial circumstances and strategic and restructuring efforts to date. I believe that KSV is capable to assist Norwood with its restructuring efforts in these CCAA proceedings. KSV is a licensed insolvency trustee, well known to this Honourable Court, and has not served as the auditor of Norwood.

X. ADMINISTRATION CHARGE

63. It is contemplated that a Court-ordered Administration Charge over the Property of Norwood will be granted in favour of the proposed Monitor, counsel to the proposed Monitor and counsel to Norwood to secure the payment of their professional fees and disbursements (incurred at their standard rates and charges), whether incurred before or after the date of the Initial Order. The proposed Administration Charge is in the aggregate amount of $250,000. At the Comeback Hearing, Norwood intends to seek an increase in the Administration Charge to $500,000. The proposed size of the Administration Charge reflects the illiquidity of Norwood's business at this time. All of the beneficiaries of the Administration Charge have contributed, and will continue to contribute, to Norwood's restructuring efforts.

XI. DIRECTOR'S CHARGE

64. The Director and Officers, including the CRO, have expressed their desire for certainty with respect to mitigating potential personal liability if they continue in their current capacities and have indicated that their continued service with Norwood is conditional upon the granting of a charge securing their indemnification by Norwood. The Applicant requires the active and committed involvement of the Director and Officers (including the CRO) in order to carry on its business during the CCAA proceedings and to pursue the completion of a transaction under the SISP, for the benefit of its stakeholders.

65. Norwood is requesting a Court-ordered Director's Charge in the amount of $364,000 over the Property of Norwood to secure the indemnity of the Director and Officers in respect of obligations and liabilities that they may incur during the initial ten-day period of these CCAA proceedings in their capacities as director and officers. The amount of the Director's Charge has been calculated based on the estimated exposure of the Director and Officers over the initial ten-day period and has been reviewed with KSV.

66. Norwood's sole director, myself as Chief Restructuring Officer, and the senior management members of Norwood (collectively, the "**Director and Officers**") have all been actively involved in the Norwood's efforts to address its challenging circumstances, including through overseeing Norwood's liquidity management efforts, Norwood's review and exploration of strategic options in connection with its liquidity and financial challenges, the development and implementation of the Norwood SISP communications with key stakeholders and the preparation for and commencement of these CCAA proceedings. Based upon my discussions with the Director and Officers, I believe that they have been mindful of their duties with respect to their supervision and guidance of Norwood in advance of these CCAA proceedings.

67. AStar maintains a policy of directors' and officers' liability insurance (the "**D&O Insurance**"), which provides coverage for claims made against the directors and officers in connection with their service to Norwood. The D&O Insurance is currently in effect and is expected to remain in place throughout the proceedings.

68. Notwithstanding the existence of the D&O Insurance, Norwood seeks the granting of the Director's Charge in favour of the director and officers of Norwood, including the CRO, as security for any potential liabilities incurred in their respective capacities during the course of these proceedings. The Director's Charge is intended to provide protection in circumstances where the

D&O Insurance does not respond to indemnify the directors and officers, whether due to exclusions, coverage limits, or other limitations.

XII. COMEBACK HEARING

69. The Comeback Hearing has been scheduled for Friday, September 19, 2025.

XIII. CONCLUSION

70. I make this Affidavit in support of the application for the Initial Order and, to the extent that the Initial Order is granted, the Amended and Restated Initial Order pursuant to the CCAA.

SIXTH: In furtherance of and not in limitation of powers conferred by statute, it is further provided:

1. The business and affairs of the Corporation shall be managed by or under the direction of the Board of Directors.

2. Election of directors need not be by written ballot.

3. The Board of Directors is expressly authorized to adopt, amend, alter or repeal the By-Laws of the Corporation.

SEVENTH: Except to the extent that the General Corporation Law of Delaware prohibits the elimination or limitation of liability of directors for breaches of fiduciary duty, no director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for any breach of fiduciary duty as a director, notwithstanding any provision of law imposing such liability. No amendment to or repeal of this provision shall apply to or

have any effect on the liability or alleged liability of any director of the Corporation for or with respect to any acts or omissions of such director occurring prior to such amendment.

EIGHTH: The Corporation shall provide indemnification as follows:

1. Actions, Suits and Proceedings Other than by or in the Right of the Corporation. The Corporation shall indemnify each person who was or is a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Corporation) by reason of the fact that he or she is or was, or has agreed to become, a director or officer of the Corporation, or is or was serving, or has agreed to serve, at the request of the Corporation, as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise (including any employee benefit plan) (all such persons being referred to hereafter as an "Indemnitee"), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by or on behalf of Indemnitee in connection with such action, suit or proceeding and any appeal therefrom, if Indemnitee acted in good faith and in a manner which Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that Indemnitee did not act in good faith and in a manner which Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Corporation, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

2. Actions or Suits by or in the Right of the Corporation. The Corporation shall indemnify any Indemnitee who was or is a party to or threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Corporation to procure a judgment in its favor by reason of the fact that Indemnitee is or was, or has agreed to become, a director or officer of the Corporation, or is or was serving, or has agreed to serve, at the request of the Corporation, as a director, officer, partner, employee or trustee of, or in a similar capacity with, another corporation, partnership, joint venture, trust or other enterprise (including any employee benefit plan), or by reason of any action alleged to have been taken or omitted in such capacity, against all expenses (including attorneys' fees) and, to the extent permitted by law, amounts paid in settlement actually and reasonably incurred by or on behalf of Indemnitee in connection with such action, suit or proceeding and any appeal therefrom, if Indemnitee acted in good faith and in a manner which Indemnitee reasonably believed to be in, or not opposed to, the best interests of the Corporation, except that no indemnification shall be made under the Section 2 in respect of any claim, issue or matter as to which Indemnitee shall have been adjudged to be liable to the Corporation, unless, and only to the extent, that the Court of Chancery of Delaware shall determine upon application that, despite the adjudication of such liability but in view of all the circumstances of the case, Indemnitee is fairly and reasonably entitled to indemnity for such expenses (including attorneys' fees) which the Court of Chancery of Delaware shall deem proper.

3. Indemnification for Expenses of Successful Party. Notwithstanding any other provisions of this Article, to the extent that an Indemnitee has been successful, on the merits or otherwise, in defense of any action, suit or proceeding referred to in Sections 1 and 2 of this Article EIGHTH, or in defense of any claim, issue or matter therein, or on appeal from any such action, suit or proceeding, Indemnitee shall be indemnified against all expenses (including attorneys' fees) actually and reasonably incurred by or on behalf of Indemnitee in connection therewith.

4. Notification and Defense of Claim. As a condition precedent to an Indemnitee's right to be indemnified, such Indemnitee must notify the Corporation in writing as soon as practicable of any action, suit, proceeding or investigation involving such Indemnitee for which indemnity will or could be sought. With respect to any action, suit, proceeding or investigation of which the Corporation is so notified, the Corporation will be entitled to participate therein at its own expense and/or to assume the defense thereof at its own expense, with legal counsel reasonably acceptable to Indemnitee. After notice from the Corporation to Indemnitee of its election so to assume such defense, the Corporation shall not be liable to Indemnitee for any legal or other expenses subsequently incurred by Indemnitee in connection with such action, suit, proceeding or investigation, other than as provided below in this Section 4. Indemnitee shall have the right to employ his or her own counsel in connection with such action, suit, proceeding or investigation, but the fees and expenses of such counsel incurred after notice from the Corporation of its assumption of the defense thereof shall be at the expense of Indemnitee unless (i) the employment of counsel by Indemnitee has been authorized by the Corporation, (ii) counsel to Indemnitee shall have reasonably concluded that there may be a conflict of interest or position on any significant issue between the Corporation and Indemnitee in the conduct of the defense of such action, suit, proceeding or investigation or (iii) the Corporation shall not in fact have employed counsel to assume the defense of such action, suit, proceeding or investigation, in each of which cases the fees and expenses of counsel for Indemnitee shall be at the expense of the Corporation, except as otherwise expressly provided by this Article. The Corporation shall not be entitled, without the consent of Indemnitee, to assume the defense of any claim brought by or in the right of the Corporation or as to which counsel for Indemnitee shall have reasonably made the conclusion provided for in clause (ii) above. The Corporation shall not be required to indemnify Indemnitee under this Article EIGHTH for any amounts paid in settlement of any action, suit, proceeding or investigation effected without its written consent. The Corporation shall not settle any action, suit, proceeding or investigation in any manner which would impose any penalty or limitation on Indemnitee without Indemnitee's written consent. Neither the Corporation nor Indemnitee will unreasonably withhold or delay its consent to any proposed settlement.

5. Advance of Expenses. Subject to the provisions of Section 6 of this Article EIGHTH, in the event of any action, suit, proceeding or investigation of which the Corporation receives notice under this Article, any expenses (including attorneys' fees) incurred by or on behalf of an Indemnitee in defending an action, suit, proceeding or investigation or any appeal therefrom shall be paid by the Corporation in advance of the final disposition of such matter; provided, however, that the payment of such expenses incurred by or on behalf of Indemnitee in advance of the final disposition of such matter shall be made only upon receipt of an undertaking by or on behalf of Indemnitee to repay all amounts so advanced in the event that it shall ultimately be determined that Indemnitee is not entitled to be indemnified by the Corporation as

authorized in this Article; and further provided that no such advancement of expenses shall be made under this Article EIGHTH if it is determined (in the manner described in Section 6) that (i) Indemnitee did not act in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Corporation, or (ii) with respect to any criminal action or proceeding, Indemnitee had reasonable cause to believe his or her conduct was unlawful. Such undertaking shall be accepted without reference to the financial ability of Indemnitee to make such repayment.

6. Procedure for Indemnification. In order to obtain indemnification or advancement of expenses pursuant to Section 1, 2, 3 or 5 of this Article EIGHTH, an Indemnitee shall submit to the Corporation a written request. Any such advancement of expenses shall be made promptly, and in any event within 60 days after receipt by the Corporation of the written request of Indemnitee, unless (i) the Corporation has assumed the defense pursuant to Section 4 of this Article EIGHTH (and none of the circumstances described in Section 4 of this Article EIGHTH that would nonetheless entitle the Indemnitee to indemnification for the fees and expenses of separate counsel have occurred) or (ii) the Corporation determines within such 60-day period that Indemnitee did not meet the applicable standard of conduct set forth in Section 1, 2 or 5 of this Article EIGHTH, as the case may be. Any such indemnification, unless ordered by a court, shall be made with respect to requests under Section 1 or 2 only as authorized in the specific case upon a determination by the Corporation that the indemnification of Indemnitee is proper because Indemnitee has met the applicable standard of conduct set forth in Section 1 or 2, as the case may be. Such determination shall be made in each instance (a) by a majority vote of the directors of the Corporation consisting of persons who are not at that time parties to the action, suit or proceeding in question ("disinterested directors"), whether or not a quorum, (b) by a committee of disinterested directors designated by majority vote of disinterested directors, whether or not a quorum, (c) if there are no disinterested directors, or if the disinterested directors so direct, by independent legal counsel (who may, to the extent permitted by law, be regular legal counsel to the Corporation) in a written opinion, or (d) by the stockholders of the Corporation.

7. Remedies. The right to indemnification or advancement of expenses as granted by this Article shall be enforceable by Indemnitee in any court of competent jurisdiction. Neither the failure of the Corporation to have made a determination prior to the commencement of such action that indemnification is proper in the circumstances because Indemnitee has met the applicable standard of conduct, nor an actual determination by the Corporation pursuant to Section 6 of this Article EIGHTH that Indemnitee has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that Indemnitee has not met the applicable standard of conduct. Indemnitee's expenses (including attorneys' fees) reasonably incurred in connection with successfully establishing Indemnitee's right to indemnification, in whole or in part, in any such proceeding shall also be indemnified by the Corporation.

8. Limitations. Notwithstanding anything to the contrary in this Article, except as set forth in Section 7 of this Article EIGHTH, the Corporation shall not indemnify an Indemnitee pursuant to this Article EIGHTH in connection with a proceeding (or part thereof) initiated by such Indemnitee unless the initiation thereof was approved by the Board of Directors of the Corporation. Notwithstanding anything to the contrary in this Article, the Corporation shall not indemnify an Indemnitee to the extent such Indemnitee is reimbursed from the proceeds of

insurance, and in the event the Corporation makes any indemnification payments to an Indemnitee and such Indemnitee is subsequently reimbursed from the proceeds of insurance, Indemnitee shall promptly refund such indemnification payments to the Corporation to the extent of such insurance reimbursement.

9. Subsequent Amendment. No amendment, termination or repeal of this Article or of the relevant provisions of the General Corporation Law of Delaware or any other applicable laws shall affect or diminish in any way the rights of any Indemnitee to indemnification under the provisions hereof with respect to any action, suit, proceeding or investigation arising out of or relating to any actions, transactions or facts occurring prior to the final adoption of such amendment, termination or repeal.

10. Other Rights. The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which an Indemnitee seeking indemnification or advancement of expenses may be entitled under any law (common or statutory), agreement or vote of stockholders or disinterested directors or otherwise, both as to action in Indemnitee's official capacity and as to action in any other capacity while holding office for the Corporation, and shall continue as to an Indemnitee who has ceased to be a director or officer, and shall inure to the benefit of the estate, heirs, executors and administrators of Indemnitee. Nothing contained in this Article shall be deemed to prohibit, and the Corporation is specifically authorized to enter into, agreements with officers and directors providing indemnification rights and procedures different from those set forth in this Article. In addition, the Corporation may, to the extent authorized from time to time by its Board of Directors, grant indemnification rights to other employees or agents of the Corporation or other persons serving the Corporation and such rights may be equivalent to, or greater or less than, those set forth in this Article.

11. Partial Indemnification. If an Indemnitee is entitled under any provision of this Article to indemnification by the Corporation for some or a portion of the expenses (including attorneys' fees), judgments, fines or amounts paid in settlement actually and reasonably incurred by or on behalf of Indemnitee in connection with any action, suit, proceeding or investigation and any appeal therefrom but not, however, for the total amount thereof, the Corporation shall nevertheless indemnify Indemnitee for the portion of such expenses (including attorneys' fees), judgments, fines or amounts paid in settlement to which Indemnitee is entitled.

12. Insurance. The Corporation may purchase and maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the Corporation or another corporation, partnership, joint venture, trust or other enterprise (including any employee benefit plan) against any expense, liability or loss incurred by him in any such capacity, or arising out of his status as such, whether or not the Corporation would have the power to indemnify such person against such expense, liability or loss under the General Corporation Law of Delaware.

13. Savings Clause. If this Article or any portion hereof shall be invalidated on any ground by any court of competent jurisdiction, then the Corporation shall nevertheless indemnify each Indemnitee as to any expenses (including attorneys' fees), judgments, fines and amounts paid in settlement in connection with any action, suit, proceeding or investigation, whether civil, criminal or administrative, including an action by or in the right of the Corporation, to the fullest

extent permitted by any applicable portion of this Article that shall not have been invalidated and to the fullest extent permitted by applicable law.

14. Definitions. Terms used herein and defined in Section 145(h) and Section 145(i) of the General Corporation Law of Delaware shall have the respective meanings assigned to such terms in such Section 145(h) and Section 145(i).

NINTH: The Corporation reserves the right to amend, alter, change or repeal any provision contained in this Certificate of Incorporation, in the manner now or hereafter prescribed by statute and this Certificate of Incorporation, and all rights conferred upon stockholders herein are granted subject to this reservation.

INDEPENDENT AUDITORS' REPORT

To the Shareholder of Astar Canadian Intermediate Corporation

Opinion
We have audited the consolidated financial statements of Astar Canadian Intermediate Corporation and its subsidiaries (the Group), which comprise the consolidated balance sheet as at December 31, 2022, and the consolidated statement of earnings, consolidated statement of deficit and consolidated statement of cash flows for the 14-month period then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2022, and its results of consolidated operations and its consolidated cash flows for the 14-month period then ended in accordance with Canadian accounting standards for private enterprises.

Basis for Opinion
We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements
Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements
Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of the consolidated financial statements

1. Significant accounting policies

These consolidated financial statements have been prepared in accordance with Canadian accounting standards for private enterprises.

Use of estimates

The preparation of consolidated financial statements in accordance with Canadian accounting standards for private enterprises requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and contingent liabilities at the consolidated balance sheet date and the reported amounts of revenue and expenses during the reporting period. The more subjective of such estimates are the useful life of property and equipment, the useful life of limited life intangible assets, and the fair value of the net assets acquired in the business combination (Note 2). These assumptions, by their nature, are subject to uncertainty and the impact could be material in these consolidated financial statements. Management believes its estimates to be appropriate; however, actual results could differ from the amounts estimated.

Principles of consolidation

The consolidated financial statements include the accounts of Astar Canadian Intermediate Corporation (the Company) and its wholly owned subsidiaries: Norwood Industries Inc. and Norwood Enterprise Inc. (the Group). All significant intercompany balances and transactions have been eliminated.

Revenue recognition

The Group recognizes revenue from sales when there is persuasive evidence that an arrangement exists, shipment has occurred, the price is fixed or determinable, and collection is reasonably assured. Payments received attributable to a product contracted for but not yet shipped are recorded as deferred revenue. Sales are recorded net of allowable discounts and rebates.

Translation of foreign currencies

The monetary assets and monetary liabilities of the Group denominated in foreign currencies are translated at the rates of exchange at the consolidated balance sheet date. Revenue and expenses are translated at the average exchange rate prevailing during the period. Exchange gains or losses are included in the results of operations.

Income taxes

The Group follows the taxes payable method of accounting for income taxes. Under this method, the Group reports as an expense of the period only the cost of current income taxes for that period, determined in accordance with the rules established by the taxation authorities.

1. Significant accounting policies (*continued*)

Financial instruments

The Group initially measures its financial assets and financial liabilities originated or exchanged in arm's length transactions at fair value. Financial assets and financial liabilities originated and exchanged in related party transactions, except for those that involve parties whose sole relationship with the Group is in the capacity of management, are initially measured at cost.

The cost of a financial instrument originated or exchanged in a related party transaction depends on whether the instrument has repayment terms. The cost of a financial asset or financial liability in a related party transaction that has repayment terms is determined using its undiscounted cash flows, excluding interest and dividend payments, less any impairment losses previously recognized by the transferor. When the financial instrument does not have repayment terms, its cost is determined using the consideration transferred or received by the Group in the transaction.

The Group subsequently measures all of its financial assets and financial liabilities at cost or amortized cost.

Transaction costs related to financial instruments subsequently measured at fair value or to those originated or exchanged in a related party transaction are recognized in net loss in the period incurred. Transaction costs related to financial instruments originated or exchanged in an arm's length transaction that are subsequently measured at cost or amortized cost are recognized in the original cost of the instrument. When the instrument is measured at amortized cost, the transaction costs are then recognized in net loss over the life of the instrument using the straight-line method.

Inventory

Inventory consists of finished goods and inventory in transit and is valued at the lower of cost (determined on the weighted average basis) and net realizable value. Cost of finished goods includes the cost of raw materials and overhead expenses. Net realizable value is the net amount the Group is expected to realize from the sale of inventory in the ordinary course of business.

Property and equipment

Property and equipment are recorded at cost less accumulated amortization. Amortization is provided annually on bases designed to amortize the assets over their estimated useful lives, as follows:

Storage and racking	-	20% declining balance
Office equipment	-	20% declining balance
Computer equipment	-	45-100% declining balance
Vehicles	-	30% declining balance
Tooling	-	44% declining balance
Parking lot	-	8% declining balance
Leasehold improvements	-	straight-line over 5 years
Signs	-	20% declining balance

1. Significant accounting policies (*continued*)

Research and development costs

Research and development costs are expensed as incurred.

Limited life intangible assets

Intangible assets comprising of dealer relationships and backlog are recorded at cost less accumulated amortization. Amortization is provided annually on bases designed to amortize the assets over their estimated useful lives, as follows:

Dealer relationships	-	straight-line over 15 years
Backlog	-	straight-line over 1 year

Goodwill and indefinite life intangible assets

Goodwill represents the excess of the purchase price of acquired businesses over the fair value of the net assets acquired. Intangible assets, comprising of a brand name, are recorded at cost. Goodwill and indefinite life intangible assets are tested for impairment when an event or circumstance occurs that indicates that the carrying amount of the reporting unit to which the asset is assigned may exceed the fair value of the reporting unit.

Impairment of long-lived assets

Long-lived assets are tested for recoverability when an event or circumstance occurs that indicates that their carrying amount may not be recoverable. An impairment loss is recognized when the carrying value exceeds the total undiscounted cash flows expected from their use and eventual disposition. The impairment loss is measured as the amount by which the carrying amount exceeds fair value.

Leases

Leases are classified as operating leases. Rental payments under operating leases are included in the determination of net loss over the lease term on a straight-line basis.

2. Business combination

Astar Canadian Acquisition Corporation (Astar Acquisition) was a subsidiary of the Company. Both entities were incorporated on October 25, 2021. On November 3, 2021, Astar Acquisition acquired all of the issued and outstanding shares of Norwood Industries Inc. and its parent company, 2832525 Ontario Inc., for cash and Class B common shares in an arm's length transaction.    Subsequent to December 31, 2022, the Group's lender amended the banking agreement to change the non-revolving term loan interest rate from the Daily Three Month LIBOR rate plus 5.50% to the Secured Overnight Financing Rate. There were no changes to the repayment terms.

b) Revolving term loan, interest at the Canadian Dollar Offered Rate plus 5.5%, interest payable monthly, principal repayable at maturity in November 2026.

11. Financial instruments

The Group regularly evaluates and manages the principal risks assumed with its financial instruments. The risks that arise from transacting in financial instruments include liquidity risk, credit risk, foreign currency risk, interest rate risk and market risk. The following analysis provides a measure of the Group's risk exposure and concentrations.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with its financial liabilities as they come due. The Group is exposed to this risk mainly in respect of its accounts payable and accrued charges, due to related party, and term loans. The Group considers that it has sufficient funds available to meet its obligations as they come due.

Credit risk

The Group is exposed to credit risk in the event of non-performance by counterparties in connection with its accounts receivable and due from related party. The Group does not obtain collateral or other security to support the accounts receivable and due from related party subject to credit risk but mitigates this risk by dealing only with what management believes to be financially sound counterparties and insuring receivables and, accordingly, does not anticipate significant loss for non-performance.

Foreign currency risk

The Group enters into foreign currency purchase and sale transactions and has financial assets and financial liabilities that are denominated in foreign currencies and thus is exposed to the financial risk of earnings fluctuations arising from changes in foreign exchange rates and the degree of volatility of these rates.

At December 31, 2022, the Group had the following amounts denominated in foreign currencies:

Cash	**$**	**1,094,000 U.S.**
Accounts receivable	**$**	**142,000 U.S.**
Accounts payable and accrued charges	**$**	**2,360,000 U.S.**
Term loans	**$**	**32,022,000 U.S.**

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. The Group is exposed to interest rate risk on its floating rate financial instruments. The term loans payable subject the Group to a cash flow risk.

The Group is not exposed to any significant market risk at the consolidated balance sheet date.

12. Related party transactions

During the period ended, the Group granted partnership incentive units in the form of Class P Units of the parent entity to certain employees providing services to the Group. Total compensation cost recognized in net loss for the partnership incentive units is $44,486 and $44,486 was credited to contributed surplus in the period.

13. Commitments

The Group is committed under long-term leases for premises which expire between August 2023 and June 2028. Minimum annual rentals (exclusive of the requirement to pay taxes, insurance and maintenance costs) for each of the next five years and thereafter are approximately as follows:

Year ending December 31,	2023	$ 1,215,000
	2024	1,708,000
	2025	1,475,000
	2026	1,523,000
	2027	1,483,000
	Thereafter	760,000
		$ 8,164,000

The Group is committed under long-term agreements for computer software which expire between November 2023 and January 2028. Minimum annual payments for each of the next five years and thereafter are approximately as follows:

Year ending December 31,	2023	$ 351,000
	2024	533,000
	2025	499,000
	2026	424,000
	2027	187,000
	Thereafter	77,000
		$ 2,071,000

Independent Auditor's Report

To the Shareholders of AStar Canadian Intermediate Corp.

Opinion
We have audited the consolidated financial statements of AStar Canadian Intermediate Corp. and its subsidiaries (the "Group"), which comprise the consolidated balance sheet as at December 31, 2023, and the consolidated statement of operations and deficit and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as at December 31, 2023, and its consolidated results of operations and its consolidated cash flows for the year then ended in accordance with Canadian accounting standards for private enterprises.

Basis for Opinion
We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter – Restated Comparative Information
We draw attention to Note 2 to the consolidated financial statements, which explains that certain comparative information for the 14-month period ended December 31, 2022 has been restated. Our opinion is not modified in respect of this matter.

The consolidated financial statements for the 14-month period ended December 31, 2022 excluding the adjustments that were applied to restate certain comparative information were audited by another auditor who expressed an unmodified opinion on those consolidated financial statements on June 30, 2023.

As part of our audit of the consolidated financial statements for the year ended December 31, 2023, we also audited the adjustments applied to restate certain comparative information presented. In our opinion, such adjustments are appropriate and have been properly applied. Other than with respect to the adjustments that were applied to restate certain comparative information, we were not engaged to audit, review, or apply any procedures to the consolidated financial statements for the 14-month period ended December 31, 2022. Accordingly, we do not express an opinion or any other form of assurance on those consolidated financial statements taken as a whole.

Responsibilities of Management and Those Charged with Governance for the Financial Statements
Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements
Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of the consolidated financial statements

1. Significant accounting policies

These consolidated financial statements have been prepared in accordance with Canadian accounting standards for private enterprises.

Use of estimates

The preparation of consolidated financial statements in accordance with Canadian accounting standards for private enterprises requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and contingent liabilities at the consolidated balance sheet date and the reported amounts of revenue and expenses during the reporting period. The more subjective of such estimates are the useful life of property and equipment, the useful life of limited life intangible assets, and the fair value of the net assets acquired in the business combination in the prior year (Note 3). These assumptions, by their nature, are subject to uncertainty and the impact could be material in these consolidated financial statements. Management believes its estimates to be appropriate; however, actual results could differ from the amounts estimated.

Principles of consolidation

The consolidated financial statements include the accounts of Astar Canadian Intermediate Corporation (the Company) and its wholly owned subsidiaries: Norwood Industries Inc. and Norwood Enterprise Inc. (the Group). All significant intercompany balances and transactions have been eliminated.

Revenue recognition

The Group recognizes revenue from sales when there is persuasive evidence that an arrangement exists, shipment has occurred, the price is fixed or determinable, and collection is reasonably assured. Payments received attributable to a product contracted for but not yet shipped are recorded as deferred revenue. Sales are recorded net of allowable discounts and rebates.

Translation of foreign currencies

The monetary assets and monetary liabilities of the Group denominated in foreign currencies are translated at the rates of exchange at the consolidated balance sheet date. Revenue and expenses are translated at the average exchange rate prevailing during the period. Exchange gains or losses are included in the results of operations.

Income taxes

The Group follows the taxes payable method of accounting for income taxes. Under this method, the Group reports as an expense of the period only the cost of current income taxes for that period, determined in accordance with the rules established by the taxation authorities.

1. Significant accounting policies (*continued)*

Financial instruments

The Group initially measures its financial assets and financial liabilities originated or exchanged in arm's length transactions at fair value. Financial assets and financial liabilities originated and exchanged in related party transactions, except for those that involve parties whose sole relationship with the Group is in the capacity of management, are initially measured at cost.

The cost of a financial instrument originated or exchanged in a related party transaction depends on whether the instrument has repayment terms. The cost of a financial asset or financial liability in a related party transaction that has repayment terms is determined using its undiscounted cash flows, excluding interest and dividend payments, less any impairment losses previously recognized by the transferor. When the financial instrument does not have repayment terms, its cost is determined using the consideration transferred or received by the Group in the transaction.

The Group subsequently measures all of its financial assets and financial liabilities at cost or amortized cost.

Transaction costs related to financial instruments subsequently measured at fair value or to those originated or exchanged in a related party transaction are recognized in net loss in the period incurred. Transaction costs related to financial instruments originated or exchanged in an arm's length transaction that are subsequently measured at cost or amortized cost are recognized in the original cost of the instrument. When the instrument is measured at amortized cost, the transaction costs are then recognized in net loss over the life of the instrument using the straight- line method.

Inventory

Inventory consists of finished goods and inventory in transit and is valued at the lower of cost (determined on the weighted average basis) and net realizable value. Cost of finished goods includes the cost of raw materials and labour. Net realizable value is the net amount the Group is expected to realize from the sale of inventory in the ordinary course of business.

Property and equipment

Property and equipment are recorded at cost less accumulated amortization. Amortization is provided annually on bases designed to amortize the assets over their estimated useful lives, as follows:

Storage and racking	straight-line over 5 years
Office equipment	straight-line over 5 years
Computer equipment	straight-line over 2 years
Vehicles	straight-line over 5 years
Tooling	straight-line over 2 years
Leasehold improvements	straight-line over 5 years

1. Significant accounting policies (*continued)*

Research and development costs

Research and development costs are expensed as incurred.

Limited life intangible assets

Dealer relationships are recorded at cost less accumulated amortization. Amortization is provided annually on bases designed to amortize the assets over their estimated useful lives, as follows:

Dealer relationships	straight-line over 15 years

Goodwill and indefinite life intangible assets

Goodwill represents the excess of the purchase price of acquired businesses over the fair value of the net assets acquired. Indefinite life intangible assets, comprising of a brand name, are recorded at cost. Goodwill and indefinite life intangible assets are not amortized and tested for impairment when an event or circumstance occurs that indicates that the carrying amount of the reporting unit to which the asset is assigned may exceed the fair value of the reporting unit.

Impairment of long-lived assets

Long-lived assets, consisting of property and equipment and other limited life intangibles, are tested for recoverability when an event or circumstance occurs that indicates that their carrying amount may not be recoverable. An impairment loss is recognized when the carrying value exceeds the total undiscounted cash flows expected from their use and eventual disposition. The impairment loss is measured as the amount by which the carrying amount exceeds fair value.

Leases

Leases are classified as operating leases. Rental payments under operating leases are included in the determination of net loss over the lease term on a straight-line basis.

b. Revolving term loan, interest at the Canadian Dollar Offered Rate (CODR) plus 5.5%, interest payable monthly, principal repayable at maturity in November 2026.

The term loans are secured by the following:

i. General assignment of accounts receivable and inventory;
ii. General security agreement over the assets of the Group; and
iii. Assignment of copyright, patents, trademarks, and industrial design security agreements, if any.

In addition, there are covenants as required by the Group's lender regarding the Group's net leverage ratio. During 2023, the Group was not in compliance with this covenant. As such, all related term loan obligations have been classified as current obligations as a result of the breach in debt covenant. The Group received a waiver and amended the term loan agreement with the lender subsequent to year-end (Note 12).

10. Financial instruments

The Group regularly evaluates and manages the principal risks assumed with its financial instruments. The risks that arise from transacting in financial instruments include liquidity risk, credit risk, foreign currency risk, interest rate risk and market risk. The following analysis provides a measure of the Group's risk exposure and concentrations.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with its financial liabilities as they come due. The Group is exposed to this risk mainly in respect of its accounts payable and accrued charges, due to related party, and term loans. As of December 31, 2023, the Group was not in compliance with its debt covenants related to the term loan and revolving facilities. The lender has waived the non-compliance and amended the credit agreement subsequent to year end (note 12).

Credit risk

The Group is exposed to credit risk in the event of non-performance by counterparties in connection with its accounts receivable and due from related party. The Group does not obtain collateral or other security to support the accounts receivable and due from related party subject to credit risk but mitigates this risk by dealing only with what management believes to be financially sound counterparties and insuring receivables and, accordingly, does not anticipate significant loss for non-performance.

Foreign currency risk

The Group enters into foreign currency purchase and sale transactions and has financial assets and financial liabilities that are denominated in foreign currencies and thus is exposed to the financial risk of earnings fluctuations arising from changes in foreign exchange rates and the degree of volatility of these rates.

At December 31, 2023, the Group had the following amounts denominated in foreign currencies:

Cash	$	1,378 **U.S.**
Term loans	$	31,779 **U.S.**

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in the market interest rates. The Group is exposed to interest rate risk on its floating rate financial instruments. The term loans payable subject the Group to a cash flow risk.

The Group is not exposed to any significant market risk at the consolidated balance sheet date.

(Amounts presented in thousands of Canadian Dollar)

11. Commitments

The Group is committed under long-term leases for premises which expire between December 2024 and June 2028. Minimum annual rentals (exclusive of the requirement to pay taxes, insurance and maintenance costs) for each of the next five years and thereafter are approximately as follows:

Year ending December 31, 2024	$	1,715
2025		1,345
2026		1,530
2027		1,483
2028		760
	$	6,833

The Group is committed under long-term agreements for computer software which expire between April 2025 and May 2028. Minimum annual payments for each of the next five years and thereafter are approximately as follows:

Year ending December 31, 2024		533
2025		499
2026		424
2027		187
2028		77
	$	1,720

12. Subsequent Events

Subsequent to December 31, 2023, the Company received a compliance waiver from its lender, Monroe Capital, including an amendment to its credit facilities and covenant terms. The amendment modified, among other things, the interest rate applicable to both the revolving and non-revolving term loans by reducing the interest amount payable in periodic installments and incorporated a payment-in-kind ("PIK") interest component payable at maturity. Both the interest rate payable periodically and the PIK interest rate vary based on the Company's leverage ratio. Minimum liquidity is to be measured and reported biweekly.

In addition, pursuant to the amended credit agreement, $25,000 of equity financing was committed from the Company's majority and other existing shareholders of which $17,500 was received as of the date of these financial statements. The additional $7,500 is committed and yet to be funded.

This additional financing was used, in part, to reducing outstanding debt on the revolving term loan by $9,000 and the non-revolving term loan by $2,468 and is anticipated to enhance the Company's financial flexibility, improve liquidity, and strengthen leverage position. The Company was in compliance of the amended liquidity covenants as of the most recent reporting date preceding the issuance of these financial statements.

The Company has evaluated subsequent events through July 31, 2024.

For purposes of calculating any consolidated amounts necessary to

determine compliance by any Person and, if applicable, its Restricted Subsidiaries with any ratio or other financial covenant in this Agreement, Unrestricted Subsidiaries shall be excluded. Unless the context indicates otherwise, any reference to a "fiscal year" shall refer to a fiscal year of the Borrower ending November 30, and any reference to a "fiscal quarter" shall refer to a fiscal quarter of the Borrower ending on the last day of February, May, August or November. All determinations of fair market value under a Loan Document shall be made by the Borrower in good faith and, if such determination is consistent with a valuation or opinion of an Independent Financial Advisor, such determination shall be conclusive for all purposes under the Loan Documents or related to the Obligations.

(b) For purposes of (i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test (including the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio and the Total Net Leverage Ratio), (ii) determining compliance with any provision of this Agreement which requires that no Default, Event of Default, Specified Event of Default or any other type of "default" or "event of default" (other than a Specified Event of Default), as applicable, has occurred, is continuing or would result therefrom, (iii) determining compliance with representations or warranties, (iv) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of TTM Consolidated Adjusted EBITDA) or (v) determining compliance with any other condition precedent under this Agreement, in each case, in connection with a Limited Condition Acquisition, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "**LCA Election**")), the date of determination of whether such Limited Condition Acquisition (and the incurrence of any Indebtedness and Liens, the making of any Disposition, Investment or designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or the making of any Restricted Payment or Restricted Debt Payment, in each case, in connection therewith) is permitted under this Agreement shall be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "**LCA Test Date**"). If, after giving Pro Forma Effect to the Limited Condition Acquisition and the other transactions to be entered into in connection therewith as if they had occurred at the beginning of the most recent Test Period or other applicable date or period of determination ending prior to the LCA Test Date, the Borrower could have taken such action on the relevant LCA Test Date in compliance with such requirements, such requirements shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio or basket (including due to fluctuations in Consolidated Adjusted EBITDA or Total Assets of the Borrower or the Person subject to such Limited Condition Acquisition) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will be deemed not to have been exceeded as a result of such fluctuations. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of such ratios or baskets on or following the relevant LCA Test Date and prior to the earlier of (i) the date on which such Limited Condition Acquisition is consummated or (ii) the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated; *provided* that, in the case of any Restricted Payment, any such ratio or basket shall be calculated both as if such Limited Condition Acquisition and other transactions in connection therewith have been consummated and have not been consummated. Notwithstanding the foregoing, the amount of any Incremental Loans under the Ratio Amount determined at the time of signing of definitive documentation with respect to, or giving of notice with respect to, a Limited Condition Acquisition may be recalculated, at the option of the Borrower, at the time of funding. Notwithstanding the foregoing, an LCA Election will cease to be effective with respect to the applicable Limited Condition Acquisition on the 121st day after the applicable LCA Test Date.

(c) With respect to any amounts of Indebtedness incurred in reliance on a provision of any Loan Document that does not require compliance with a financial ratio or test (including the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio and the Total Net Leverage Ratio) (any such amounts, the "Fixed Amounts" (and which Fixed Amounts shall include any related "grower" component based on a percentage of TTM Consolidated Adjusted EBITDA)) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of such Loan Document that requires compliance with a financial ratio or test (including the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio and the Total Net Leverage Ratio) (any such amounts, the "Ratio-Based Amounts"), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to such Ratio-Based Amounts.

Section 1.04 Rounding. Any financial ratios required to be maintained by the Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one decimal place more than the number of decimal places by which such ratio is expressed herein and rounding the result up or down to the nearest decimal place so expressed (with a rounding up if there is no nearest number).

Section 1.05 References to Agreements, Laws, Etc. Unless otherwise expressly provided herein, (a) references to Organization Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by the Loan Documents; and (b) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law.

When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day.

Section 1.08 Currency Equivalents Generally.

(a) For purposes of determining compliance with Sections 7.01, 7.02 and 7.03 with respect to any amount of Lien, Indebtedness or Investment in a currency other than Canadian Dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Lien, Indebtedness or Investment is incurred (so long as such Indebtedness or Investment, at the time incurred, made or acquired, was permitted hereunder).

(b) For purposes of this Agreement and the other Loan Documents, where the permissibility of a transaction or determinations of required actions or circumstances depend upon compliance with, or are determined by reference to, amounts stated in Canadian Dollars or Dollars, any requisite currency translation (i) with respect to Loans or Commitments, shall be based on the Exchange Rate and (ii) with respect to any other amounts, shall be based on the rate of exchange between the applicable currency and Canadian Dollars or Dollars, as applicable, as reasonably determined by the Borrower, in each case in effect on the Business Day immediately preceding the date of such transaction or determination (subject to clauses (c) and (d) below) and shall not be affected by subsequent fluctuations in exchange rates.

(c) For purposes of determining compliance with any Canadian Dollar-denominated or Dollar-denominated restriction on the incurrence of Indebtedness, the Canadian Dollar-equivalent or Dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the Exchange Rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt (or, in the case of an LCA Election, on the date of the applicable LCA Test Date); *provided* that, if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable Canadian Dollar-denominated or Dollar-denominated restriction to be exceeded if calculated at the Exchange Rate in effect on the date of such refinancing, such Canadian Dollar-denominated or Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Indebtedness so refinanced does not exceed the principal amount of such Indebtedness being refinanced. Notwithstanding the foregoing, the principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the Exchange Rate that is in effect on the date of such refinancing.

(d) For purposes of determining the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio or the Total Net Leverage Ratio, including Consolidated Adjusted EBITDA when calculating such ratios, all amounts denominated in a currency other than Canadian Dollars will be converted to Canadian Dollars for any purpose (including testing the any financial maintenance covenant) at the effective rate of exchange in respect thereof reflected in the consolidated financial statements of the Borrower for the applicable Test Period for which such measurement is being made, and will reflect the currency translation effects, determined in accordance with GAAP, of Swap Contracts permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

Section 1.09 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

ARTICLE II.
The Commitments and Credit Extensions

Section 2.01 The Loans.

(a) *The Term Borrowings*. On the terms herein and subject to the conditions set forth in Section 4.02 hereof, each Lender with an Initial Term Commitment severally agrees to make to the Initial Borrower on the Closing Date term loans denominated in Dollars in an amount equal to the amount of such Lender's Initial Term Commitment (the "**Initial Term Loans**"); *provided* that on and from the consummation of the Amalgamation, all obligations in respect of the Initial Term Loans will constitute obligations of the Company and the Company shall become the Borrower hereunder and under the other Loan Documents. Amounts borrowed under this Section 2.01(a) and repaid or prepaid may not be reborrowed. The Borrower has directed the Agent and the Lenders to enter into an agreement with a third-party financial institution on the Closing Date to effect a conversion of the proceeds of the Initial Term Loans into Canadian Dollars and to fund Sellers with such proceeds. For the avoidance of doubt, notwithstanding the foregoing direction to convert the Initial Term Loans into Canadian Dollars, the Initial Term Loans shall remain denominated in Dollars for all purposes hereunder, including, without limitation, for purposes of computation of interest, prepayments and payments, which shall be based on Initial Term

Loans in an aggregate principal amount equal to $32,345,449.40 as such amount is reduced by payments and prepayments hereunder.

(b) *The Revolving Borrowings*. On the terms herein and subject to the conditions set forth in Sections 4.02 or 4.03 hereof as applicable, each Revolving Lender severally agrees to make revolving credit loans denominated in Canadian Dollars to the Borrower from its applicable Lending Office (each such loan, a "**Revolving Loan**") from time to time, but no more than once per week unless otherwise agreed by the Revolving Agent, as elected by the Borrower pursuant to Section 2.02, on any Business Day during the period from the Closing Date until the Maturity Date with respect to such Revolving Lender's Revolving Commitment, in an aggregate Principal Amount not to exceed at any time outstanding the amount of such Lender's Revolving Commitment at such time; *provided* that after giving effect to any Borrowing of Revolving Loans, the aggregate Outstanding Amount of the Revolving Loans shall not exceed the aggregate Revolving Commitments. Within the limits of each Lender's Revolving Commitments, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b). Revolving Loans may be Canadian Prime Rate Loans or CDOR Rate Loans, as further provided herein.

Section 2.02 Borrowings, Conversions and Continuations of Loans.

(a) (x) The Borrowing of Initial Term Loans shall be made upon the Borrower's notice to the Administrative Agent and (y) the Initial Revolving Borrowing shall be made upon the Borrower's notice to the Administrative Agent and the Revolving Agent, which notice may be given timely by electronic mail (but followed by a Committed Loan Notice); *provided* that such notice may be conditioned on the occurrence of the Closing Date. Each other Borrowing, each conversion of Loans from one Type to the other, and each continuation of Eurocurrency Rate Loans or CDOR Rate Loans shall be made upon the Borrower's irrevocable notice to the Administrative Agent and the Revolving Agent (as applicable), which may be given timely by electronic mail (but followed by a Committed Loan Notice); *provided further*, that such notice may be conditioned on the occurrence of the Closing Date or any transaction or other event anticipated to occur in connection therewith or other permitted use of proceeds thereof. Each such notice must be received by the Administrative Agent with respect to the Term Loans or the Administrative Agent and the Revolving Agent with respect to the Revolving Loans (as applicable) not later than (i) with respect to any Borrowing of Revolving Loans, (x) 4:00 p.m. New York City time on the requested date of any Borrowing of Base Rate Loans or Canadian Prime Rate Loans, and (y) 4:00 p.m. New York City time on the date that is three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans or CDOR Rate Loans or any conversion of Base Rate Loans to Eurocurrency Rate Loans or of Canadian Prime Rate Loans to CDOR Rate Loans (or, in each case, such later date and time as the Revolving Agent may agree) and (ii) with respect to any Borrowing of Term Loans, (x) 11:00 a.m. New York City time on the date that is two (2) Business Days prior to the requested date of any Borrowing of Base Rate Loans, and (y) 11:00 a.m. New York City time on the date that is three (3) Business Days prior to the requested date of any Borrowing or continuation of Eurocurrency Rate Loans or CDOR Rate Loans or any conversion of Base Rate Loans to Eurocurrency Rate Loans or of Canadian Prime Rate Loans to CDOR Rate Loans (or, in each case, such later date and time as the Administrative Agent may agree); *provided* that (A) the Initial Term Loans and the Initial Revolving Borrowing shall only require notice by 4:00 p.m. New York City time on the date that is three (3) Business Days prior to the Closing Date (or such later time and date as the Administrative Agent or the Revolving Agent (as applicable) may agree), and (B) any request for a Borrowing may be contingent on consummation of the Acquisition, Permitted Investment or other permitted use of the proceeds thereof, as applicable. Each notice by the Borrower pursuant to this Section 2.02(a) must be given (or confirmed promptly thereafter, as applicable) by delivery to the Administrative Agent or the Revolving Agent (as applicable) of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as

provided in Section 2.14(a), each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or CDOR Rate Loans shall be in a minimum principal amount of $500,000, or a whole multiple of $100,000 in excess thereof (or such lesser amount(s) approved by the Administrative Agent and, solely with respect to Revolving Loans, the Revolving Agent). Except as provided in Section 2.14(a) or the last sentence of this paragraph, each Borrowing of or conversion to Base Rate Loans or Canadian Prime Rate Loans shall be in a minimum principal amount of $500,000, or a whole multiple of $100,000 in excess thereof (or such lesser amount(s) approved by the Administrative Agent and, solely with respect to Revolving Loans, the Revolving Agent). Each Committed Loan Notice shall specify (i) whether the Borrower is requesting a Borrowing of Term Loans or Revolving Loans of a particular Class, a conversion of Loans of any Class from one Type to the other, or a continuation of Eurocurrency Rate Loans or CDOR Rate Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Term Loans of a Class or Revolving Loans are to be converted and (v) if applicable, the duration of the Interest Period with respect thereto. If the Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made or continued as or converted to Base Rate Loans or Canadian Prime Rate Loans. Any such automatic continuation or conversion shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans or CDOR Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans or CDOR Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent or the Revolving Agent (as applicable) shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent or the Revolving Agent (as applicable) shall notify each Lender of the details of any automatic conversion or continuation described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent or the Revolving Agent (as applicable) in Same Day Funds at the Administrative Agent's Office or the Revolving Agent's Office not later than 1:00 p.m. (New York City time) on the Business Day specified in the applicable Committed Loan Notice. The Administrative Agent or the Revolving Agent (as applicable) shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent or the Revolving Agent (as applicable) by wire transfer of such funds in accordance with instructions provided (and reasonably acceptable) to the Administrative Agent or the Revolving Agent (as applicable) by the Borrower.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan or CDOR Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan or CDOR Rate Loan unless the Borrower pays the amount due under Section 3.05 in connection therewith. During the occurrence and continuation of an Event of Default, the Administrative Agent, the Revolving Agent and the Required Lenders may require by notice to the Borrower that no Loan may be made as, converted to or continued as Eurocurrency Rate Loans or CDOR Rate Loans.

(d) The Administrative Agent shall promptly notify the Revolving Agent, the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans or CDOR Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate or CDOR Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans or Canadian Prime Rate Loans are outstanding, the Administrative Agent shall notify the Revolving Agent, the Borrower and the Lenders of any change in the Prime Rate used in determining the

Base Rate, or the PRIMCAN Index used in determining the Canadian Prime Rate, promptly following the announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than seven (7) Interest Periods in effect.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

Section 2.03 [Reserved].

Section 2.04 Issuance of Letters of Credit and Purchase of Participations Therein.

(a) Letter of Credit Commitment.

(i) Subject to the terms and conditions set forth herein, (A) each Issuing Bank agrees, in reliance upon the agreements of the Revolving Lenders set forth in this Section 2.04, (1) from time to time on any Business Day on or prior to the Letter of Credit Expiration Date, to issue Letters of Credit for the account of the Borrower or a Restricted Subsidiary (*provided* that any Letter of Credit issued for the benefit of any Restricted Subsidiary shall be issued for the account of the Borrower but such Letter of Credit shall indicate that it is being issued for the benefit of such Restricted Subsidiary) and to amend, renew or extend Letters of Credit previously issued by it, in accordance with Section 2.04(b) and (2) to honor drawings under the Letters of Credit; and (B) the Revolving Lenders severally agree to participate in such Letters of Credit and any drawings thereunder; *provided* that the Issuing Banks shall not be obligated to make any Letter of Credit Extension if, as of the date of such Letter of Credit Extension, (1) the Total Utilization of Revolving Commitments would exceed the Revolving Commitments, (2) the Total Utilization of Revolving Commitments of any Revolving Lender, would exceed such Lender's Revolving Commitment, (3) the Letter of Credit Usage would exceed the Letter of Credit Sublimit or (4) the Letter of Credit Usage with respect to Letters of Credit issued by such Issuing Bank would exceed the amount of such Issuing Bank's Letter of Credit Percentage of the Letter of Credit Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(ii) An Issuing Bank shall not be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any

unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such Issuing Bank in good faith deems material to it (for which such Issuing Bank is not otherwise compensated hereunder);

(B) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally or any applicable Law;

(C) except as otherwise agreed by the Revolving Agent and such Issuing Bank, such Letter of Credit is in an initial stated amount less than C$10,000 or $10,000 (as applicable) or is not denominated in Canadian Dollars or Dollars;

(D) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; and

(E) any Revolving Lender is at such time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including reallocation of such Lender's Pro Rata Share of the outstanding Letter of Credit Obligations pursuant to Section 2.17(a) or the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or potential Fronting Exposure (after giving effect to Section 2.17(a)) with respect to such Lender arising from either the Letter of Credit then proposed to be issued or such Letter of Credit and all other Letter of Credit Obligations as to which such Issuing Bank has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(iii) No Issuing Bank shall be under any obligation to amend or extend any Letter of Credit if (A) such Issuing Bank would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment thereto.

(iv) Unless Cash Collateralized or backstopped pursuant to arrangements reasonably acceptable to the applicable Issuing Bank, each standby Letter of Credit shall expire at or prior to the close of business on the earlier of (A) the date twelve months after the date of issuance of such Letter of Credit (or, in the case of any Auto-Renewal Letter of Credit, twelve months after the then current expiration date of such Letter of Credit) and (B) the Letter of Credit Expiration Date (unless arrangements reasonably satisfactory to the Issuing Banks have been entered into).

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto Renewal Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the applicable Issuing Bank (with a copy to the Administrative Agent and the Revolving Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the applicable Issuing Bank, the Administrative Agent and the Revolving Agent not later than 2:00 p.m. at least five Business Days (or such shorter period as the applicable Issuing Bank and the Revolving Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C)

the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the currency in which the requested Letter of Credit will be denominated and (H) such other matters as the applicable Issuing Bank may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, the Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); and (3) the nature of the proposed amendment. Additionally, the Borrower shall furnish to the applicable Issuing Bank and the Revolving Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Letter of Credit Documents, as the applicable Issuing Bank or the Revolving Agent may reasonably require.

(ii) Promptly after receipt of any Letter of Credit Application, the applicable Issuing Bank will confirm with the Administrative Agent and the Revolving Agent that the Revolving Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, the applicable Issuing Bank will provide the Administrative Agent and the Revolving Agent with a copy thereof. Upon receipt by the applicable Issuing Bank of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions set forth herein, such Issuing Bank shall, on the requested date, issue a Letter of Credit or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable Issuing Bank a participation in such Letter of Credit in an amount equal to such Lender's Pro Rata Share of the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application for a standby Letter of Credit, the applicable Issuing Bank may, in its reasonable discretion, agree to issue a standby Letter of Credit that has automatic renewal provisions (each, an "**Auto-Renewal Letter of Credit**"); *provided* that any such Auto-Renewal Letter of Credit shall permit such Issuing Bank to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Nonrenewal Notice Date**") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable Issuing Bank, the Borrower shall not be required to make a specific request to such Issuing Bank for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Revolving Lenders shall be deemed to have authorized (but may not require) the applicable Issuing Bank to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; *provided, however*, that no Issuing Bank shall (A) permit any such renewal if (1) such Issuing Bank has determined that it would not be permitted at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of subclause (ii) or (iii) of Section 2.04(a) or otherwise) or (2) it has received written notice on or before the day that is seven Business Days before the Nonrenewal Notice Date from the Revolving Agent that the Required Revolving Lenders have elected not to permit such renewal or (B) be obligated to permit such renewal if it has received written notice on or before the day that is seven Business Days before the Nonrenewal Notice Date from the Administrative Agent, the Revolving Agent, any Revolving Lender or the Borrower that one or more of the applicable conditions set forth in Section 4.03 is not then satisfied, and in each such case directing the applicable Issuing Bank not to permit such renewal.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable Issuing Bank will also deliver to the Borrower and the Revolving Agent a true and complete copy of such Letter of Credit or amendment, as applicable.

(c) Drawings and Reimbursement; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Bank shall notify the Borrower, the Administrative Agent and the Revolving Agent thereof, and such Issuing Bank shall, within a reasonable time following its receipt thereof, examine all documents purporting to represent a demand for payment under such Letter of Credit. If an Issuing Bank notifies the Borrower of any payment by such Issuing Bank under a Letter of Credit, then the Borrower shall reimburse such Issuing Bank in an amount equal to the amount of such drawing not later than 3:00 p.m. on the next succeeding Business Day. If the Borrower fails to so reimburse such Issuing Bank by such time, such Issuing Bank shall promptly notify the Administrative Agent and the Revolving Agent of such failure and the Revolving Agent shall promptly thereafter notify each Revolving Lender of such payment date, the amount of the unreimbursed drawing (the "**Reimbursement Obligations**") and the amount of such Lender's Pro Rata Share thereof. In such event, the Borrower shall be deemed to have requested a Borrowing of Revolving Loans that are Base Rate Loans or Canadian Prime Rate Loans to be disbursed on such date in an amount equal to such Reimbursement Obligation, without regard to the minimum and multiples specified in Section 2.02(b) for the principal amount of Base Rate Loans or Canadian Prime Rate Loans to be disbursed on such date in an amount equal to the Canadian Dollar amount of such Reimbursement Obligation. Any notice given by an Issuing Bank or the Revolving Agent pursuant to this clause (i) shall be given in writing.

(ii) Each Revolving Lender (including each Revolving Lender acting as an Issuing Bank) shall upon any notice pursuant to Section 2.04(c)(i) make funds available (and the Revolving Agent may apply Cash Collateral provided for this purpose) for the account of the applicable Issuing Bank, in Canadian Dollars, at the Revolving Agent's Office in an amount equal to its Pro Rata Share of the relevant Reimbursement Obligation not later than 3:00 p.m. on the Business Day specified in such notice by the Revolving Agent, whereupon, subject to the provisions of Section 2.04(c)(iii), each Revolving Lender that so makes funds available shall be deemed to have made a Revolving Loan that is in the case of a Letters of Credit denominated in Canadian Dollars, a Base Rate Loan or Canadian Prime Rate Loan to the Borrower in such amount. The Revolving Agent shall remit the funds so received to the applicable Issuing Bank in accordance with the instructions provided to the Revolving Agent by such Issuing Bank (which instructions may include standing payment instructions, which may be updated from time to time by such Issuing Bank, *provided* that, unless the Revolving Agent shall otherwise agree, any such update shall not take effect until the Business Day immediately following the date on which such update is provided to the Revolving Agent).

(iii) With respect to any Reimbursement Obligation that is not fully refinanced by a Borrowing of Revolving Loans because the conditions set forth in Section 4.03 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the applicable Issuing Bank a Letter of Credit Borrowing in the amount of the Reimbursement Obligation that is not so refinanced. In such event, each Revolving Lender's payment to the Revolving Agent for the account of such Issuing Bank pursuant to Section 2.04(c)(i) shall be deemed payment in respect of its participation in such Letter of Credit Borrowing and shall constitute a Letter of Credit Advance from such Lender in satisfaction of its participation obligation under this Section.

(iv) Until each Revolving Lender funds its Revolving Loan or Letter of Credit Advance to reimburse the applicable Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of such Issuing Bank.

(v) Each Revolving Lender's obligations to make Revolving Loans or Letter of Credit Advances to reimburse an Issuing Bank for amounts drawn under Letters of Credit, as contemplated by this Section 2.04(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such Issuing Bank, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default; or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Lender's obligation to make Revolving Loans pursuant to this paragraph (c) is subject to the conditions set forth in Section 4.03. No such funding of a participation in any Letter of Credit shall relieve or otherwise impair the obligation of the Borrower to reimburse an Issuing Bank for the amount of any payment made by such Issuing Bank under such Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Lender fails to make available to the Revolving Agent for the account of the applicable Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this paragraph (c) by the time specified in Section 2.04(c)(ii), then, without limiting the other provisions of this Agreement, such Issuing Bank shall be entitled to recover from such Lender (acting through the Revolving Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such Issuing Bank at a rate *per annum* equal to the greater of the Federal Funds Rate from time to time in effect and a rate determined by such Issuing Bank in accordance with banking industry rules on interbank compensation, *plus* any reasonable administrative, processing or similar fees customarily charged by such Issuing Bank in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Loan included in the relevant Borrowing or Letter of Credit Advance in respect of the relevant Letter of Credit Borrowing, as the case may be. A certificate of the applicable Issuing Bank submitted to any Revolving Lender (through the Revolving Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) If, at any time after the applicable Issuing Bank has made payment in respect of any drawing under any Letter of Credit issued by it and has received from any Revolving Lender its Letter of Credit Advance in respect of such payment in accordance with Section 2.04(c), if the Revolving Agent receives for the account of such Issuing Bank any payment in respect of the related Reimbursement Obligation, the Revolving Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's Letter of Credit Advance was outstanding) in like funds as received by the Revolving Agent.

(ii) If any payment received by the Revolving Agent for the account of the applicable Issuing Bank pursuant to Section 2.04(c)(i) is required to be returned under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Revolving Lender shall pay to the Revolving Agent for the

account of such Issuing Bank its Pro Rata Share thereof on demand of the Revolving Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender at a rate *per annum* equal to the Federal Funds Rate from time to time in effect. The obligations of the Revolving Lenders under this clause (ii) shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the Borrower to reimburse the Issuing Banks for each drawing under each Letter of Credit and to repay each Letter of Credit Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit or any term or provision thereof, any Loan Document, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the Issuing Banks or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by an Issuing Bank under such Letter of Credit against presentation of documents that do not comply strictly with the terms of such Letter of Credit; or any payment made by an Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor in possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or non-perfection of any collateral, or any release or amendment or waiver of or consent to departure from any guarantee, for all or any of the Obligations of the Borrower in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will promptly notify the applicable Issuing Bank. The Borrower shall be conclusively deemed to have waived any such claim against any Issuing Bank and its correspondents unless such notice is given as aforesaid.

(f) Role of Issuing Banks. Each Revolving Lender and the Borrower agrees that, in paying any drawing under a Letter of Credit, the Issuing Banks shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by such Letter of

Credit) or to ascertain or inquire as to the validity or accuracy of any document or the authority of the Person executing or delivering any document. None of any Issuing Bank, any Agent Affiliate nor any of the respective correspondents, participants or assignees of any Issuing Bank shall be liable to any Revolving Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the requisite Revolving Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts of omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, any Agent Affiliate nor any of the respective correspondents, participants or assignees of the Issuing Banks shall be liable or responsible for any of the matters described in Section 2.04(e); *provided* that, notwithstanding anything in such clauses to the contrary, the Borrower may have a claim against an Issuing Bank, and an Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct (as opposed to indirect, special, punitive, consequential or exemplary) damages suffered by the Borrower which a court of competent jurisdiction determines in a final non-appealable judgment were caused by such Issuing Bank's gross negligence or willful misconduct or such Issuing Bank's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a document(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the applicable Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the Issuing Banks shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. The Issuing Banks may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication (SWIFT) message or overnight courier, or any other commercially reasonable means of communication with a beneficiary.

(g) Applicability of ISP. Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a standby Letter of Credit is issued, the rules of the "International Standby Practices 1998" published by the Institute of International Banking Law & Practice (or such later version thereof as may be in effect at the time of issuance) shall apply to such standby Letter of Credit.

(h) Conflict with Letter of Credit Application. In the event of any conflict between the terms of this Agreement and the terms of any Letter of Credit Application, the terms hereof shall control.

(i) Reporting. No later than the third Business Day following the last day of each month, (or at such other intervals as the Revolving Agent and the applicable Issuing Bank shall agree), the applicable Issuing Bank shall provide to the Revolving Agent a schedule of the Letters of Credit issued by it, in form and substance reasonably satisfactory to the Revolving Agent, showing the date of issuance of each Letter of Credit, the account party, the original face amount (if any), the expiration date, and the reference number of any Letter of Credit outstanding at any time during such month, and showing the aggregate amount (if any) payable by the Borrower to such Issuing Bank during such month.

(j) Resignation and Removal of an Issuing Bank. Any Issuing Bank may resign as an Issuing Bank upon sixty days' prior written notice to the Administrative Agent and the Revolving Agent, the Lenders and the Borrower. Any Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the Revolving Agent, the Issuing Bank being replaced (*provided* that no consent will be required if the Issuing Bank being replaced has no Letters of Credit or

Reimbursement Obligations with respect thereto outstanding) and the successor Issuing Bank. The Revolving Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement or resignation shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank. From and after the effective date of any such replacement or resignation, (i) any successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement or resignation of an Issuing Bank hereunder, the replaced or resigning Issuing Bank shall remain a party hereto to the extent that Letters of Credit issued by it remain outstanding and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement or resignation, but shall not be required to issue additional Letters of Credit.

(k) Cash Collateral Account. At any time and from time to time (i) after the occurrence and during the continuance of an Event of Default, the Administrative Agent, at the direction or with the consent of the Required Lenders, may require the Borrower, to deliver to the Revolving Agent such amount of cash as is equal to 103% of the aggregate stated amount of all Letters of Credit at any time outstanding (whether or not any beneficiary under any Letter of Credit shall have drawn or be entitled at such time to draw thereunder) and (ii) in the event of a prepayment under Section 2.05(b)(iv) or to the extent any amount of a required prepayment under any of Sections 2.05(b)(i) through 2.05(b)(iii) remains after prepayment of all outstanding Loans and Letter of Credit Obligations and termination of the Commitments, as contemplated by Section 2.06, the Revolving Agent will retain such amount as may then be required to be retained, such amounts in each case under clauses (i) and (ii) above to be held by the Revolving Agent in a Cash Collateral Account. The Borrower hereby grants (or, if registration thereof is required in any applicable jurisdiction, shall grant) to the Revolving Agent for the benefit of the Issuing Banks and the Revolving Lenders, a Lien upon and security interest in the Cash Collateral Account and all amounts held therein from time to time as security for Letter of Credit Usage, and for application to the Borrower's Letter of Credit Obligations as and when the same shall arise. The Revolving Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest on the investment of such amounts in Cash Equivalents, which investments shall be made at the direction of the Borrower (unless an Event of Default shall have occurred and be continuing, in which case the determination as to investments shall be made at the option and in the discretion of the Revolving Agent), amounts in the Cash Collateral Account shall not bear interest. Interest and profits, if any, on such investments shall accumulate in such account. In the event of a drawing, and subsequent payment by the applicable Issuing Bank, under any Letter of Credit at any time during which any amounts are held in the Cash Collateral Account, the Revolving Agent will deliver to such Issuing Bank an amount equal to the Reimbursement Obligation created as a result of such payment (or, if the amounts so held are less than such Reimbursement Obligation, all of such amounts) to reimburse such Issuing Bank therefor. Any amounts remaining in the Cash Collateral Account after the expiration of all Letters of Credit and reimbursement in full of each Issuing Bank for all of its obligations thereunder shall be held by the Revolving Agent, for the benefit of the Borrower, to be applied against the Obligations in such order and manner as the Revolving Agent may direct. If the Borrower is required to provide Cash Collateral pursuant to this Section 2.04(k), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower on demand, *provided* that after giving effect to such return (A) the sum of (1) the aggregate principal Canadian Dollar amount of all Revolving Loans outstanding at such time and (2) the aggregate Letter of Credit Usage at such time would not exceed the aggregate Revolving Commitments at such time and (B) no Event of Default shall have occurred and be continuing at such time. If the Borrower is required to provide Cash Collateral pursuant to Sections 2.17(a)(ii) through 2.17(a)(iii), such amount shall be returned to the Borrower on demand; *provided* that, after giving effect to such return, all outstanding Letters of Credit shall have expired and each Issuing Bank shall have been reimbursed in full for all of its obligations thereunder. If the Borrower

is required to provide Cash Collateral as a result of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived.

(l) Addition of an Issuing Bank. One or more Revolving Lenders (other than a Defaulting Lender) selected by the Borrower that agrees to act in such capacity and reasonably acceptable to the Administrative Agent and the Revolving Agent may become an additional Issuing Bank hereunder pursuant to a written agreement in form and substance reasonably satisfactory to the Administrative Agent and the Revolving Agent among the Borrower, the Administrative Agent, the Revolving Agent and such Revolving Lender. The Revolving Agent shall notify the Revolving Lenders of any such additional Issuing Bank.

Section 2.05 Prepayments.

(a) *Optional.*

(i) The Borrower may, upon, subject to clause (ii) below, written notice to the Administrative Agent and, with respect to any Revolving Loans, the Revolving Agent by the Borrower, at any time or from time to time voluntarily prepay Term Loans of any Class and any Revolving Loans in whole or in part without premium or penalty (subject to Section 2.05(c)); *provided* that (1) such notice must be received by the Administrative Agent not later than 1:00 p.m. New York City time (A) three (3) Business Days prior to any date of prepayment of Eurocurrency Rate Loans or CDOR Rate Loans and (B) on the date of any prepayment of Base Rate Loans or Canadian Prime Rate Loans; (2) any prepayment of Eurocurrency Rate Loans or CDOR Rate Loans shall be in a minimum Principal Amount of $500,000, or a whole multiple of $500,000 in excess thereof (or such lesser amount(s) approved by the Administrative Agent and, solely with respect to Revolving Loans, the Revolving Agent); (3) any prepayment of Base Rate Loans or Canadian Prime Rate Loans shall be in a minimum Principal Amount of $500,000 or a whole multiple of $100,000 in excess thereof (or such lesser amount(s) approved by the Administrative Agent and, solely with respect to Revolving Loans, the Revolving Agent) or, in each case, if less, the entire Principal Amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given by the Borrower, the Borrower shall make (or cause to be made) such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan or CDOR Rate Loan shall be accompanied by all accrued interest thereon to such date, together with any additional amounts required pursuant to Section 2.05(c) or Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05, the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share as provided for under this Agreement.

(ii) Notwithstanding anything to the contrary contained in this Agreement, subject to the payment of any amounts owing pursuant to Section 3.05, the Borrower may rescind any notice of prepayment under this Section 2.05(a) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility or other transaction, which refinancing or other transaction shall not be consummated or shall otherwise be delayed. Each prepayment of any Class of Term Loans pursuant to this Section 2.05 shall be applied as directed in writing by the

Borrower and, absent such direction, shall be applied in direct order of maturity to repayments thereof required pursuant to Section 2.07(a).

(b) *Mandatory.*

(i) *Excess Cash Flow*. Subject to clauses (b)(ix) and (b)(x) below, within five (5) Business Days after financial statements have been delivered or are required to be delivered pursuant to Section 6.01(a) (commencing with the financial statements for the fiscal year ending November 30, 2022) and the related Compliance Certificate has been delivered or is required to be delivered pursuant to Section 6.02(a), the Borrower shall cause to be offered to be prepaid an aggregate principal amount of Term Loans in an amount equal to, if positive:

(A) the Applicable ECF Percentage of Excess Cash Flow, if any, for the fiscal year covered by such financial statements, *minus*

(B) at the option of the Borrower, the sum of:

(i) all voluntary prepayments of Term Loans (including (x) those made through debt buybacks and in the case of below-par repurchases in an amount equal to the discounted amount actually paid in cash in respect of such below-par repurchase and (y) payments pursuant to Section 3.07 or other applicable "yank-a-bank" provisions (solely to the extent any such Term Loans are retired));

(ii) all voluntary payments and prepayments of Revolving Loans and any other revolving loans that are Pari Passu Lien Debt, in each case to the extent accompanied by a corresponding permanent reduction in commitments;

(iii) the amount of Capital Expenditures or acquisitions of Intellectual Property made in cash; and

(iv) Permitted Investments made in cash pursuant to Section 7.02 (e), (i) (only to the extent relying on clause (a) of the definition of Available Amount), (j), (k), (l), (p) and (y);

in each case, (I) during such fiscal year or following the end of such fiscal year and prior to the date such payment is due, (II) to the extent such prepayments are not funded with the proceeds of Funded Debt, equity contributions or equity issuances and without duplication of any deduction from Excess Cash Flow in any prior period and (III) including, for the avoidance of doubt, assignments of such Indebtedness to the Borrower or a Restricted Subsidiary (and prepayments of such Indebtedness below par) to the extent of the amount paid in connection with such assignment (or prepayment); *provided* that no such payment will be required if such amount is equal to or less than the greater of (a) $1,000,000 and (b) 2.5% multiplied by TTM Consolidated Adjusted EBITDA as of the applicable date of determination.

(ii) *Asset Sales / Casualty Events*. If any Loan Party (a) Disposes of any property or assets pursuant to the Sections 7.05(e), (f) or (g) or (b) any Casualty Event occurs with respect to property or assets constituting Collateral of a Loan Party, in each case which results in receipt by the Borrower or any Restricted Subsidiary of Net Proceeds in excess of $1,000,000 in any fiscal year, then the Borrower shall cause to be offered to be prepaid, on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or any other Loan

Party of such Net Proceeds, subject to clauses (b)(ix), (b)(x) and (b)(xi) below, an aggregate principal amount of Term Loans in an amount equal to the Asset Sale Prepayment Percentage of all such Net Proceeds (it being understood and agreed that any Net Proceeds not in excess of such amounts may be retained).

(iii) *Non-Permitted Indebtedness*. If the Borrower or any Restricted Subsidiary incurs or issues any Funded Debt after the Closing Date (A) that is not permitted to be incurred or issued under Section 7.03 or (B) that constitutes Credit Agreement Refinancing Indebtedness, the Borrower shall cause to be offered to be prepaid an aggregate principal amount of Term Loans in an amount equal to 100% of all Net Proceeds received therefrom, together with the applicable Prepayment Premium (if any), promptly, and in any event on or prior to the date which is two (2) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds (in the case of subclause (A)) and substantially concurrently with the issuance of such Credit Agreement Refinancing Indebtedness (in the case of subclause (B)).

(iv) *Revolving Facility*. If for any reason the aggregate Revolving Exposures at any time exceeds the aggregate Revolving Commitments then in effect (including, for the avoidance of doubt, as a result of the termination of any Class of Revolving Commitments on the Maturity Date with respect thereto), the Borrower shall promptly prepay or cause to be promptly prepaid Revolving Loans in an aggregate amount equal to such excess; *provided* that, to the extent such excess amount is greater than the aggregate principal Canadian Dollar amount of Revolving Loans outstanding immediately prior to the application of such prepayment, the amount so prepaid shall be retained by the Revolving Agent and held in the Cash Collateral Account as cover for Letter of Credit Usage, as more particularly described in Section 2.04(k), and thereupon such cash shall be deemed to reduce the aggregate Letter of Credit Usage by an equivalent amount.

(v) *Application of Proceeds.* Mandatory prepayments pursuant to this Section 2.05(b) shall be applied at the written direction of the Borrower or, absent such direction, in direct order of maturity of the remaining installments thereof; *provided* that (A) each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied to each Class of Term Loans then outstanding other than (i) in the case of Section 2.05(b)(iii), the Net Proceeds of Credit Agreement Refinancing Indebtedness shall be applied solely to each applicable Class of Refinanced Debt, and (ii) any Class of Incremental Term Loans to the extent such Class expressly specifies that one or more other Classes of Term Loans may be prepaid prior to such Class of Incremental Term Loans) and (B) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment, subject to Section 2.05(b)(viii).

(vi) *Prepayment Notice*. The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (i) through (ii) of this Section 2.05(b) at least three (3) Business Days prior to the date of such prepayment (or such shorter period as the Administrative Agent may agree). Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment.

(vii) *Funding Losses, Etc.* All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a Eurocurrency Rate Loan or CDOR Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan or CDOR Rate Loan pursuant to Section 3.05. Notwithstanding

any of the other provisions of this Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans or CDOR Rate Loans is required to be made under this Section 2.05(b), prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral Account which shall be uninvested until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.05(b).

(viii) *Term Opt-out of Prepayment*. With respect to each prepayment of Term Loans required pursuant to this Section 2.05(b) (other than any prepayment of Term Loans pursuant to clause (iii) hereof), (A) each Lender of Term Loans will have the right to refuse its Pro Rata Share of such offer of prepayment by giving written notice of such refusal to the Administrative Agent within one (1) Business Day after such Lender's receipt of notice from the Administrative Agent of such offer of prepayment (and the Borrower shall not prepay any Term Loans of such Lender), (B) the Borrower will make all such prepayments not so refused upon the fourth Business Day after delivery of notice by the Borrower pursuant to Section 2.05(b)(vi) and (C) subject to any requirements set forth in any Other Applicable Indebtedness, any prepayment refused by Lenders of Term Loans (such refused amounts, the "**Declined Amounts**") may be retained by the Borrower and shall be added to the Available Amount.

(ix) *Other Applicable Indebtedness*. If at the time that any prepayment pursuant to Section 2.05(b)(i) or 2.05(b)(ii) would be required, the Borrower is required to repay, repurchase or offer to repay or repurchase any Pari Passu Lien Debt pursuant to the terms of the documentation governing such Indebtedness with all or a portion of "excess cash flow" or the "net proceeds" of any such Disposition or Casualty Event (any such Indebtedness, "**Other Applicable Indebtedness**"), then the Borrower may apply Excess Cash Flow or Net Proceeds (as applicable), in each case, on a *pro rata* basis (or less than *pro rata* basis if permitted by the documentation governing such Other Applicable Indebtedness) to the prepayment of the Term Loans and the repayment, prepayment or repurchase of any Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time), and the amount of prepayment of the Term Loans that would otherwise have been required pursuant to Section 2.05(b)(i) or 2.05(b)(ii), as applicable, will be reduced accordingly; *provided* that (A) the portion of such Excess Cash Flow or Net Proceeds, as applicable, allocated to the Other Applicable Indebtedness shall not exceed the amount of Excess Cash Flow or such Net Proceeds, as applicable, required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of Excess Cash Flow or such Net Proceeds, as applicable, shall be allocated to the Term Loans in accordance with the terms hereof, and (B) to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof.

(x) *Non-U.S. and Non-Canadian Considerations*. Notwithstanding any other provisions of this Section 2.05, (A) to the extent that any of or all the Net Proceeds of any Disposition by a Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary ("**Non-**

U.S. Disposition") or Excess Cash Flow attributable to Subsidiaries that are a Non-U.S. Subsidiary and a Non-Canadian Subsidiary are prohibited or delayed by applicable local law from being repatriated to the United States or Canada, as applicable, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05 but may be retained by the applicable Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States or Canada (the Borrower hereby agreeing to cause the applicable Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary to use its commercially reasonable efforts to take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow that, in each case, would otherwise be required to be used to make an offer of prepayment pursuant to Sections 2.05(b)(i) or 2.05(b)(ii), is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05 and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Non-U.S. Disposition or Excess Cash Flow of any Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary would reasonably be expected to have material adverse tax consequences with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow may be retained by the applicable Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary; *provided* that to the extent that the repatriation of any Net Proceeds or Excess Cash Flow from such Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary would no longer reasonably be expected to have a material adverse tax consequence, an amount equal to the Net Proceeds or Excess Cash Flow, as applicable, not previously applied pursuant to this subclause (B), shall be promptly applied to the repayment of the Term Loans pursuant to this Section 2.05(b), as otherwise required above (without regard to this subclause (B)).

(xi) *Reinvestment Rights*. With respect to any Net Proceeds realized or received with respect to any Disposition or any Casualty Event that, in either case, is subject to the application of the foregoing provisions of Section 2.05(b)(ii), at the option of the Borrower, the Borrower may (in lieu of making a prepayment pursuant to the foregoing provisions) elect to reinvest (directly, or through one or more of its Restricted Subsidiaries) an amount equal to all or any portion of such Net Proceeds in assets used or useful for the business of the Borrower and its Restricted Subsidiaries (1) within 12 months following receipt of such Net Proceeds or (2) if the Borrower or any of its Restricted Subsidiaries enters into a legally binding commitment to reinvest such Net Proceeds within 12 months following receipt of such Net Proceeds, no later than one hundred and eighty (180) days after the end of such 12 month period; *provided* that if any portion of such amount is not reinvested at such time, subject to clauses (b)(ix) and (b)(x) above, the Asset Sale Prepayment Percentage of any such Net Proceeds shall be applied within five Business Days thereof as provided above.

(c) *Call Protection*. If (i) the Borrower makes any voluntary prepayment of the Initial Term Loans pursuant to Section 2.05(a) or (ii) the Borrower makes any mandatory prepayment of the Initial Term Loans pursuant to Section 2.05(b)(iii) including, for the avoidance of doubt, in connection with an amendment constituting Credit Agreement Refinancing Indebtedness or Replacement Loans (the events in subclauses (i) and (ii), each, a "**Prepayment Event**"), then the Borrower shall pay to the Administrative Agent, for the ratable account of each Lender with Initial Term Loans that are so prepaid or refinanced, a premium (the "**Prepayment Premium**") equal to (x) if such Prepayment Event is consummated on a date that is on or after the Closing Date and prior to the first anniversary of the Closing Date, 2.00% of the

aggregate principal amount of the Initial Term Loans being prepaid or refinanced, and (y) if such prepayment is consummated on any date that is on or after the first anniversary of the Closing Date and prior to the second anniversary of the Closing Date, 1.00% of the aggregate principal amount of the Initial Term Loans being prepaid or refinanced; *provided* that, solely in the event of a Prepayment Event that occurs in connection with a transaction with an unaffiliated third party that constitutes a Change of Control, then the percentages specified in subclauses (x) and (y) of this sentence shall in be reduced to 0.50%. Notwithstanding the foregoing, if any Prepayment Event is consummated on a date that is on or after the second anniversary of the Closing Date, then the Prepayment Premium shall be deemed to be zero and no such Prepayment Premium shall be payable. Any such Prepayment Premium shall be earned, due and payable upon the date of, and subject to the occurrence of, the applicable Prepayment Event.

Section 2.06 Termination or Reduction of Commitments.

(a) *Optional.*

(i) The Borrower may, upon written notice to the Administrative Agent and, solely with respect to Revolving Commitments, the Revolving Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (A) any such notice shall be received by the Administrative Agent not later than 12:00 p.m. New York City time on the date such of termination or reduction and (B) any such partial reduction shall be in a minimum aggregate amount of $500,000 (or C$500,000), or any whole multiple of $500,000 (or C$500,000), in excess thereof or, if less, the entire amount thereof (or such lesser amount(s) approved by the Administrative Agent and, solely with respect to Revolving Loans, the Revolving Agent). Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all of the applicable Facility or any other transaction, which refinancing or other transaction shall not be consummated or otherwise shall be delayed.

(ii) The Borrower shall not terminate or reduce (A) the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.05, the Total Utilization of Revolving Commitments would exceed the total Revolving Commitments or (B) the Letter of Credit Sublimit if, after giving effect thereto, (1) the Letter of Credit Usage not fully Cash Collateralized hereunder at 103% of the maximum face amount of any such Letters of Credit would exceed the Letter of Credit Sublimit or (2) the Letter of Credit Usage with respect to Letters of Credit issued by an applicable Issuing Bank not fully Cash Collateralized hereunder at 103% of the maximum face amount of any such Letters of Credit would exceed the amount of such Issuing Bank's Letter of Credit Percentage of the Letter of Credit Sublimit. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(b) *Mandatory.*

(i) The Initial Term Commitment of each Lender shall be automatically and permanently reduced to $0 upon the funding of Initial Term Loans to be made by it on the Closing Date.

(ii) The Revolving Commitment of each Class shall automatically and permanently terminate on the Maturity Date with respect to such Class of Revolving Commitments.

(iii) [reserved].

(iv) If after giving effect to any reduction or termination of Revolving Commitments under this Section 2.06, the Letter of Credit Sublimit exceeds the amount of the Revolving Commitments at such time, the Letter of Credit Sublimit shall be automatically reduced by the amount of such excess.

(c) *Application of Commitment Reductions; Payment of Fees.* The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the effective date of any termination of the Aggregate Commitments shall be paid on the effective date of such termination.

Section 2.07 Repayment of Loans.

(a) *Term Loans.* The Borrower shall repay to the Administrative Agent for the ratable account of the Term Lenders:

(i) (x) on the last Business Day of each February, May, August and November, commencing with the first full fiscal quarter after the Closing Date, an aggregate principal amount equal to 0.25% of the aggregate principal amount of all Initial Term Loans outstanding on the Closing Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section 2.05), and (y) on the Maturity Date for the Initial Term Loans, the aggregate principal amount of all Initial Term Loans outstanding on such date;

(ii) [reserved]; and

(iii) in the event any Incremental Term Loans, Refinancing Term Loans or Extended Term Loans are made, in the amounts and on the dates set forth in the Incremental Amendment, Refinancing Amendment or Extension Amendment with respect thereto and on the applicable Maturity Date thereof.

(b) *Revolving Loans.* The Borrower shall repay to the Revolving Agent for the ratable account of the Appropriate Lenders on the applicable Maturity Date for the Revolving Facilities of a given Class the aggregate principal amount of all of its Revolving Loans of such Class outstanding on such date.

Section 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan or CDOR Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate *per annum* equal to the Eurocurrency Rate or CDOR Rate, as applicable, for such Interest Period plus the Applicable Rate; and (ii) each Base Rate Loan or Canadian Prime Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate *per annum* equal to the Base Rate or the Canadian Prime Rate, as applicable, plus the Applicable Rate.

(b) During the continuance of a Default under Section 8.01(a) (solely with respect to payments of principal, interest, fees or other amount due under this Agreement), Section 8.01(f) or Section (g) (solely

following which any principal, interest, fees or other amounts remain unpaid under this Agreement), the Borrower shall pay interest on past due amounts owing by it hereunder at a fluctuating interest rate *per annum* at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on such amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law (to the greatest extent permitted by Law).

(d) For the purposes of the *Interest Act* (Canada), (i) whenever a rate of interest or fee rate hereunder is calculated on the basis of a year (the "deemed year") that contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest or fee rate shall be expressed as a yearly rate by multiplying such rate of interest or fee rate by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year, (ii) the principle of deemed reinvestment of interest shall not apply to any interest calculation hereunder and (iii) the rates of interest stipulated herein are intended to be nominal rates and not effective rates or yields.

Section 2.09 Fees.

(a) *Revolving Facility Commitment Fee.* The Borrower agrees to pay to the Revolving Agent for the account of each Revolving Lender under the Revolving Facility in accordance with its Pro Rata Share provided for under this Agreement, a commitment fee in Canadian Dollars equal to (i) a *per annum* rate of 0.50% *multiplied by* (ii) the average daily amount by which the aggregate Revolving Commitment exceeds the sum of the aggregate principal amount of all outstanding Revolving Loans *plus* the Letter of Credit Usage; *provided* that no commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender and any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender. The commitment fee on the Revolving Facility shall accrue at all times from the Closing Date until the Maturity Date for the Revolving Commitments, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each fiscal quarter, commencing with the last Business Day of the first full fiscal quarter after the Closing Date, and on the Maturity Date for the Revolving Commitments.

(b) *Other Fees.* The Borrower shall pay to the Arranger, the Administrative Agent or the Revolving Agent, for distribution to the applicable Lenders, as applicable, such other fees as shall have been separately agreed upon in the Fee Letter by the parties thereto. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly set forth in such Fee Letter).

(c) [Reserved].

(d) *L/C Fee.* The Borrower agrees to pay to the Revolving Agent for the account of each Revolving Lender under the Revolving Facility in accordance with its Pro Rata Share provided for under this Agreement, letter of credit fees with respect to all Letters of Credit (the "**L/C Fee**") equal to (A) the Applicable Rate for Revolving Loans that are Eurocurrency Rate Loans or CDOR Rate Loans, *times* (B) the average aggregate daily maximum amount available to be drawn under all Letters of Credit (regardless of whether any conditions for drawing could then be met and determined as of the close of business on any

date of determination and whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit).

(e) *Issuing Banks*. The Borrower agrees to pay directly to the applicable Issuing Bank, for its own account, the following fees:

(i) a fronting fee to be agreed by the Borrower and the applicable Issuing Bank *times* the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit) determined as of the close of business on any date of determination; and

(ii) such documentary and processing charges for any issuance, amendment, transfer or payment of a Letter of Credit as are in accordance with such Issuing Bank's standard schedule for such charges and as in effect at the time of such issuance, amendment, transfer or payment, as the case may be, which fees, costs and charges shall be payable to such Issuing Bank within three Business Days after its demand therefor and are nonrefundable.

Section 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans when the Base Rate is determined by the Prime Rate and for Canadian Prime Rate Loans when the Canadian Prime Rate is determined by the PRIMCAN Index and shall be made on the basis of a year of three hundred and sixty-five (365) days, or three hundred and sixty-six (366) days, as applicable, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(a) The Borrowings extended by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Borrowings extended by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount, currency and maturity of its Loans and payments with respect thereto.

(b) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.11(a), and by each Lender in its account or accounts pursuant to Section 2.11(a), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from

the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made (i) to the Administrative Agent with respect to any Term Loans and (ii) to the Revolving Agent with respect to any Revolving Loans, in each case for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office or Revolving Agent's Office for Dollar-denominated or Canadian Dollar-denominated, as applicable, payments and in Same Day Funds not later than 2:00 p.m. New York City time on the date specified herein. The Administrative Agent and/or the Revolving Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's applicable Lending Office. All payments received by the Administrative Agent and/or the Revolving Agent after the time specified above shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) Except as otherwise provided herein, if any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans or CDOR Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless the Borrower or any Lender has notified the Administrative Agent and/or the Revolving Agent (as applicable), prior to the date any payment is required to be made by it to the Administrative Agent and/or the Revolving Agent (as applicable) hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent and/or the Revolving Agent (as applicable) may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent and/or the Revolving Agent (as applicable) in Same Day Funds, then:

(i) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent and/or the Revolving Agent (as applicable) the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent and/or the Revolving Agent (as applicable) to such Lender to the date such amount is repaid to the Administrative Agent and/or the Revolving Agent (as applicable) in Same Day Funds at the applicable Overnight Rate, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent and/or the Revolving Agent (as applicable) in connection with the foregoing; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent and/or the Revolving Agent (as applicable) the amount thereof in

Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent and/or the Revolving Agent (as applicable) to the Borrower to the date such amount is recovered by the Administrative Agent and/or the Revolving Agent (as applicable) (the "**Compensation Period**") at a rate *per annum* equal to the applicable Overnight Rate, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent and/or the Revolving Agent (as applicable) in connection with the foregoing. When such Lender makes payment to the Administrative Agent and/or the Revolving Agent (as applicable) (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's and/or the Revolving Agent's (as applicable) demand therefor, the Administrative Agent and/or the Revolving Agent (as applicable) may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent and/or the Revolving Agent (as applicable), together with interest thereon for the Compensation Period at a rate *per annum* equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent and/or the Revolving Agent (as applicable) or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent and/or the Revolving Agent (as applicable) to any Lender or the Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent and/or the Revolving Agent (as applicable) funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent and/or the Revolving Agent (as applicable) because the conditions to the applicable Borrowing set forth in Article IV or in the applicable Incremental Amendment, Extension Amendment or Refinancing Amendment are not satisfied or waived in accordance with the terms hereof, the Administrative Agent and/or the Revolving Agent (as applicable) shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent and/or the Revolving Agent (as applicable) under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and/or the Revolving Agent (as applicable) and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and/or the Revolving Agent (as applicable) and applied by the Administrative Agent and/or the Revolving Agent (as applicable) and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent and/or the Revolving Agent (as applicable) receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents

under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent and/or the Revolving Agent (as applicable) may (to the fullest extent permitted by mandatory provisions of applicable Law), but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of the Outstanding Amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent and/or the Revolving Agent (as applicable) of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans *pro rata* with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. Any Lender selling participations under this Section 2.13 will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the other Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14 Incremental Credit Extensions.

(a) *Notice*. The Borrower may at any time or from time to time on one or more occasions after the Closing Date, by notice to the Administrative Agent and, solely in the case of clause (ii) below, the Revolving Agent, (i) increase the aggregate principal amount of any outstanding tranche of Term Loans or add one or more additional tranches of term loans under the Loan Documents (the "**Incremental Term Facilities**"; the commitments thereunder, the "**Incremental Term Commitments**" and the term loans made thereunder, the "**Incremental Term Loans**") and/or (ii) increase the aggregate principal amount of the Revolving Commitments (the "**Incremental Revolving Facilities**"; the commitments thereunder, the "**Incremental Revolving Commitments**" and the revolving loans and other extensions of credit thereunder, the "**Incremental Revolving Loans**"; each such increase or tranche pursuant to clauses (i) and (ii), an "**Incremental Facility**" and the loans or other extensions of credit made thereunder, the "**Incremental Loans**").

(b) *Ranking*. Incremental Facilities (i) may rank either *pari passu* or junior in right of payment with the Initial Term Loans and the initial Revolving Commitments, (ii) may either be unsecured or secured by the Collateral (or assets that become Collateral) (including secured by Liens that secure the Facilities on a *pari passu* or junior priority basis) and (iii) may be guaranteed only by the Loan Parties (or Persons that become Loan Parties). Incremental Facilities that constitute Junior Lien Debt will be subject to an Acceptable Intercreditor Agreement, and Incremental Facilities that are (x) contractually subordinated in right of payment to the Initial Term Loans and the Revolving Facility or (y) unsecured and having an initial aggregate principal amount in excess of the Unsecured Additional Debt Basket as of the applicable date of determination, in each case of parts (x) and (y), will be subject to a customary subordination agreement or other subordination arrangements the terms of which are reasonably acceptable to the Administrative Agent.

(c) *Size and Currency*. Subject to Section 1.03(b), the aggregate principal amount of Incremental Facilities on any date Indebtedness thereunder is first incurred (or commitments with respect thereto are received (x) in the case of any Incremental Revolving Facility, assuming such commitments are fully drawn on such date, and (y) in the case of any Incremental Term Facility with a delayed draw feature, at the Borrower's option either assuming any incremental commitments thereunder are fully drawn on such date or determined based on the date and actual amount of funding thereof), together with the aggregate principal amount of Incremental Equivalent Debt outstanding on such date, will not exceed, an amount equal to,

(i) the Fixed Incremental Amount, *plus*

(ii) the Ratio Amount,

(the sum of the Fixed Incremental Amount and the Ratio Amount, the "**Incremental Amount**"); *provided* that the aggregate amount of commitments in respect of Incremental Revolving Facilities shall be treated as fully funded at the time of initial availability thereof for purposes of complying with any financial ratio or test at such time, but not thereafter. Calculation of the Incremental Amount shall be made on Pro Forma Basis and evidenced by a certificate from a Responsible Officer of the Borrower demonstrating such calculation in reasonable detail. Each Incremental Amendment executed in connection with an Incremental Facility shall identify whether all or any portion of such Incremental Facility is being incurred pursuant to clauses (i) or (ii) above or a combination of such clauses, and in the absence of such identification each Incremental Facility will be deemed to be incurred first in reliance on the Ratio Amount to the extent permitted, with any balance incurred in reliance on the Fixed Incremental Amount. Each Incremental Facility will be in an aggregate principal amount that is not less than $1,000,000 (or C$1,000,000) and in integral multiples in excess thereof of $500,000 (or C$500,000) (or such lesser minimum amount approved by the Administrative Agent, or the Revolving Agent with respect to each Incremental Revolving Facility, in its reasonable discretion); *provided* that such amount may be less than such minimum amount or integral multiple amount if such amount represents all the remaining availability under the Incremental Amount at such time. Any Incremental Facility may be denominated in Dollars, Canadian Dollars, euros or British pounds sterling. Notwithstanding the foregoing, the Borrower may not incur Incremental Revolving Commitments in excess of C$10,000,000 in aggregate principal amount.

(d) *Incremental Lenders*. Each existing Term Lender shall have the right to participate in its Pro Rata Share of any requested Incremental Term Commitments in accordance with such Lender's Pro Rata Share of the then outstanding Term Loans (but are not obligated to unless invited to and so elect) and to become lenders with respect thereto (but are not obligated to unless invited to and so elect). If any Lender fails to deliver a commitment for any requested Incremental Term Facility within ten (10) Business Days of Borrower's request therefor, such Lender shall be deemed to have waived its right to provide such

Incremental Term Facility. Final allocations in respect of Incremental Facilities will be made by the Borrower together with the arrangers thereof, if any, in their discretion, on the terms permitted by this Section 2.14. For the avoidance of doubt, any Affiliated Lender that provides any Incremental Loans shall be subject to the limitations on Affiliated Lenders set forth in Section 10.07(l) (including the Affiliated Lender Cap, as applicable).

(e) *Incremental Facility Amendments; Use of Proceeds*. Each Incremental Facility will become effective pursuant to an amendment (each, an "**Incremental Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and each Person providing such Incremental Facility, the Administrative Agent and, solely with respect to any Incremental Revolving Facility, the Revolving Agent. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Amendment. Incremental Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Borrower in consultation with the Administrative Agent and, solely with respect to the Revolving Facility and any Incremental Revolving Facility, the Revolving Agent, to effect the provisions of this Section 2.14 and, to the extent practicable, to make an Incremental Loan fungible (including for tax purposes) with other Loans (subject to the limitations under clauses (g) and (h) of this Section) to the extent practicable. Without limiting the foregoing, an Incremental Amendment may (i) extend or add "call protection" to any existing tranche of Term Loans, including amendments to Section 2.05(c), and (ii) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07(a) (*provided* that any such amendment shall not decrease any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Incremental Amendment), in the case of each subclause (i) and (ii), so that such Incremental Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse in any material respect to the existing Term Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Incremental Facility and the Incremental Term Loans evidenced thereby. This Section 2.14 shall supersede any provisions in Section 2.13 or 10.01 to the contrary. The Borrower may use the proceeds of the Incremental Loans for any purpose not prohibited by this Agreement.

(f) *Conditions*. The availability of Incremental Facilities under this Agreement will be subject solely to the following conditions, subject, for the avoidance of doubt, to Section 1.03(b), measured on the date of the initial borrowing under such Incremental Facility (or, with respect to any Incremental Revolving Facility, the date commitments with respect thereto are received) or the LCA Test Date, as applicable:

(i) no Event of Default shall have occurred and be continuing or would result therefrom; *provided* that if such Incremental Facility is being provided in connection with a Limited Condition Acquisition, the condition set forth in this subclause may be satisfied so long as no Event of Default shall have occurred and be continuing or would result therefrom on the LCA Test Date and no Specified Event of Default shall have occurred and be continuing or would result therefrom as of the date closing date of such Limited Condition Acquisition; and

(ii) the representations and warranties in the Loan Documents will be true and correct in all material respects (except for representations and warranties that are already qualified by materiality, which representations and warranties will be true and correct in all respects as so qualified) immediately prior to, and after giving effect to, the incurrence of such Incremental Facility; *provided* that if such Incremental Facility is being provided in connection with a Limited Condition Acquisition, the condition set forth in this subclause may be satisfied as of the LCA Test

Date; *provided further*, that (A) the Specified Representations and (B) the Acquisition Agreement Representations as applied to the agreement pursuant to which such Investment or acquisition will be made and only to the extent that the failure of such Acquisition Agreement Representations would result in a failure of a condition precedent to the obligation of the Borrower or any Restricted Subsidiary to consummate such Investment or acquisition), will be true and correct in all material respects (except for representations and warranties that are already qualified by materiality, which representations and warranties will be true and correct in all respects as so qualified) immediately prior to, and after giving effect to, the incurrence of such Incremental Facility; and *provided further*, that the condition set forth in this subclause may be waived or not required (other than with respect to parts (A) and (B) of this subclause) by the Persons providing such Incremental Facilities, the Administrative Agent (not to be unreasonably withheld, conditioned or delayed) and, solely with respect to any Incremental Revolving Facility, the Revolving Agent (not to be unreasonably withheld, conditioned or delayed) if the proceeds of the initial Borrowings under such Incremental Facilities will be used to finance, in whole or in part, a Permitted Investment.

(g) Terms. Each Incremental Amendment will set forth the amount and terms of the relevant Incremental Facility. The terms of each Incremental Facility will be as agreed between the Borrower and the Persons providing such Incremental Facility; *provided* that, at the time of incurrence thereof:

(i) any such Incremental Term Loans (x) that are Pari Passu Lien Debt shall not mature prior to the Latest Maturity Date of, and shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of, the Initial Term Loans, or (y) that are Junior Lien Debt or unsecured Indebtedness shall not mature prior to the date that is 91 days following the Latest Maturity Date of the Initial Term Loans or have scheduled amortization prior to the Latest Maturity Date of the Initial Term Loans;

(ii) any such Incremental Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis in any mandatory repayments or prepayments of the Initial Term Loans (other than (A) any repayment of such Incremental Term Loans at maturity and (B) any greater than *pro rata* repayment of such Incremental Term Loans with the proceeds of Credit Agreement Refinancing Indebtedness with respect to a mandatory prepayment pursuant to Section 2.05(b)(iii)(B)); *provided* that mandatory prepayments of any Incremental Term Facility that is Junior Lien Debt or unsecured may not be made except to the extent that such prepayments are offered (to the extent required pursuant to the terms of the Initial Term Loans and any other Pari Passu Lien Debt), first *pro rata* to the Initial Term Loans and any other Pari Passu Lien Debt;

(iii) to the extent secured, (A) such Incremental Term Facilities or Incremental Revolving Facilities, as applicable, shall not be secured by any Lien on any property or asset that does not constitute Collateral, as applicable, at the time of such incurrence (except (1) customary cash collateral in favor of an agent, letter of credit issuer or similar "fronting" lender, (2) Liens on property or assets applicable only to periods after the Latest Maturity Date of the Term Loans or Revolving Loans, as applicable, at the time of incurrence and (3) any Liens on property or assets to the extent that a Lien on such property or asset is also added for the benefit of the Lenders under the Term Loans or Revolving Loans, as applicable) and (B) a Debt Representative acting on behalf of the holders of such Incremental Term Facilities or Incremental Revolving Facilities has become party to, or is otherwise subject to the provisions of, an Acceptable Intercreditor Agreement;

(iv) to the extent unsecured and having an aggregate initial principal amount in excess of the Unsecured Additional Debt Basket as of the applicable date of determination, a Debt Representative acting on behalf of the holders of any such Incremental Term Facilities has become

party to, or is otherwise subject to the provisions of, a subordination agreement or other subordination arrangements the terms of which are reasonably acceptable to the Administrative Agent;

(v) such Incremental Term Facilities or Incremental Revolving Facilities as applicable, shall not be incurred or guaranteed by any Person other than the Borrower and the Guarantors (except (1) for guarantees by other Persons that are applicable only to periods after the Latest Maturity Date of the Term Loans or Revolving Loans, as applicable, at the time of incurrence and (2) any such Person incurring or guaranteeing such Incremental Term Facilities or Incremental Revolving Facilities, as applicable, that also guarantees the Term Loans or Revolving Loans, as applicable);

(vi) any Incremental Term Facility shall be on terms and conditions that are substantially identical to or, taken as a whole, not materially more favorable to the lenders or holders providing such Indebtedness than those applicable to the Initial Term Loans, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment (except (1) for terms and conditions applicable only to periods after the Latest Maturity Date of the Term Loans at the time of incurrence and (2) any term or condition to the extent such term or condition is also added for the benefit of the Lenders under the Term Loans); provided that a certificate of a Responsible Officer delivered to the Administrative Agent at least four (4) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the incurrence of such Incremental Term Facility, together with a reasonably detailed description of the material covenants and events of default of such Indebtedness or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this subclause (v) shall be conclusive evidence that such material covenants and events of default satisfy such requirement unless the Administrative Agent notifies the Borrower within such four (4) Business Day (or shorter) period that it disagrees with such determination (including a description of the basis upon which it disagrees)); *provided further*, that this subclause will not apply to (x) terms addressed in the other clauses of this Section 2.14(g), (y) interest rate, rate floors, fees, funding discounts and other pricing terms and (z) optional prepayment or redemption terms, including any premiums related thereto; and

(vii) except as otherwise set forth herein, all terms of any Incremental Revolving Facility shall be on terms and pursuant to documentation applicable to the Revolving Facility and all other terms of any Incremental Term Facility shall be on terms (including subordination terms, if applicable) and pursuant to documentation to be determined by the Borrower and the providers of the Incremental Term Facility; *provided* that the operational and agency provisions contained in such documentation shall be reasonably satisfactory to the Administrative Agent and the Borrower.

(h) *Pricing*. The interest rate, fees and original issue discount for any Incremental Term Loans will be as determined by the Borrower and the Persons providing such Incremental Term Loans; *provided* that in the event that the All-In Yield applicable to any MFN Eligible Debt exceeds the All-In Yield (taking into account any leverage-based pricing grid applicable to such Incremental Term Loans) for the Initial Term Loans by more than 50 basis points, then the interest rate margins for the Initial Term Loans shall be increased to the extent necessary so that the All-In Yield for such Term Loans is equal to the All-In Yield for such MFN Eligible Debt ***minus*** 50 basis points.

(i) *Reallocation of Revolving Exposure*. Upon each increase in Revolving Commitments pursuant to this Section 2.14,

(i) each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each lender providing a portion of such increase (each an "**Incremental Revolving Facility Lender**"), and each such Incremental Revolving Facility Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender's participations hereunder in outstanding Letters of Credit such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit held by each Revolving Lender will equal the percentage of the aggregate Revolving Commitments of all Lenders represented by such Revolving Lender's Revolving Commitments; and

(ii) if, on the date of such increase, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Incremental Revolving Facility be prepaid from the proceeds of Incremental Revolving Loans made hereunder (reflecting such increase in Revolving Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Revolving Lender in accordance with Section 3.05.

(j) The Agents and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to Section 2.14.

Section 2.15 Refinancing Amendments.

(a) On one or more occasions after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans or Revolving Loans, in the form of Refinancing Loans or Refinancing Commitments made pursuant to a Refinancing Amendment; *provided* that such Refinancing Loans and/or Refinancing Commitments, as applicable, shall be offered to the existing Lenders holding such refinanced Loans on a *pro rata* basis. Each issuance of Credit Agreement Refinancing Indebtedness under this Section 2.15 shall be in an aggregate principal amount that is not less than $1,000,000 (or C$1,000,000) and an integral multiple of $500,000 (or C$500,000) in excess thereof.

(b) The effectiveness of any Refinancing Amendment will be subject only to the satisfaction on the date thereof of such conditions as may be requested by the providers of the applicable Refinancing Loans. The Administrative Agent will promptly notify each Lender and the Revolving Agent (as applicable) as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement will be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Refinancing Loans incurred pursuant thereto (including any amendments necessary to treat the Term Loans or Revolving Loans subject thereto as Refinancing Term Loans or Refinancing Revolving Loans, respectively).

(c) Any Refinancing Amendment may, without the consent of any Person other than the Administrative Agent and, solely with respect to any Refinancing Revolving Commitments or Refinancing Revolving Loans, the Revolving Agent, the Borrower and the Persons providing the applicable Refinancing Loans, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15. This Section 2.15 supersedes any provisions in Section 10.01 to the contrary.

(d) Providers of Refinancing Loans. Refinancing Loans may be provided by any existing Lender (it being understood that no existing Lender shall have an obligation to make all or any portion of any Refinancing Loan) or by any Additional Lender.

Section 2.16 Extension of Loans.

(a) Extension Offers. Pursuant to one or more offers (each, an "**Extension Offer**") made from time to time by the Borrower to all Lenders holding Loans and/or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans and/or Commitments pursuant to the terms set forth in an Extension Offer (each, an "**Extension**"). Each Extension Offer will specify the minimum amount of Loans and/or Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of $1,000,000 (or C$1,000,000) and an aggregate principal amount that is not less than $1,000,000 (or C$1,000,000), or if less, (i) the aggregate principal amount of such Loans outstanding or (ii) such lesser minimum amount as is approved by the Administrative Agent or the Revolving Agent with respect to Extensions of any Revolving Loans or Extensions of any Revolving Commitments, such consent not to be unreasonably withheld, conditioned or delayed. Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans and/or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount thereof) and/or Commitments in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans and/or Commitments offered to be extended pursuant to such Extension Offer, then the Loans and/or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any "most favored nation" pricing provisions. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans and/or Commitments of any or all applicable tranches be tendered.

(b) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent, together with the Revolving Agent with respect to Extensions of any Revolving Loans or Extensions of any Revolving Commitments, to enter into amendments to this Agreement and the other Loan Documents (an "**Extension Amendment**") as may be necessary in order to establish new tranches in respect of Extended Loans and Extended Commitments and such amendments as permitted by clause (c) below as may be necessary or appropriate in the reasonable opinion of the Borrower, the Administrative Agent and, solely with respect to Extensions of any Revolving Loans or Revolving Commitments, the Revolving Agent in connection with the establishment of such new tranches of Loans. This Section 2.16 shall supersede any provisions in Section 2.13 or Section 10.01 to the contrary. Except as otherwise set forth in an Extension Offer, there will be no conditions to the effectiveness of an Extension Amendment. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(c) Terms of Extension Offers and Extension Amendments. The terms of any Extended Loans and Extended Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided* that:

(i) the final maturity date of such Extended Loans and Extended Commitments will be no earlier than the Latest Maturity Date applicable to the Loans and/or Commitments subject to such Extension Offer;

(ii) the Weighted Average Life to Maturity of any Extended Loans that are Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans subject to such Extension Offer;

(iii) any Extended Loans that are Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) in any mandatory repayments or prepayments of Term Loans other than any repayment of such Extended Loans at maturity or with the proceeds of Credit Agreement Refinancing Indebtedness; and

(iv) the terms and conditions applicable to the Extended Loans and/or Extended Commitments are substantially identical to, or, taken as a whole, no more favorable to the lenders or holders providing such Extended Loans and/or Extended Commitments than, those applicable to the Loans and/or Commitments subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment (except (1) for covenants applicable only to periods after the Latest Maturity Date of the Term Loans at the time of incurrence and (2) any term or condition to the extent such term or condition is also added for the benefit of the Lenders under the Term Loans); *provided* that a certificate of a Responsible Officer delivered to the Administrative Agent at least four (4) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the incurrence of such Extended Loans and/or Extended Commitments together with a reasonably detailed description of the material covenants and events of default of such Indebtedness or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this clause (iv) shall be conclusive evidence that such material covenants and events of default satisfy such requirement unless the Administrative Agent notifies the Borrower within such four (4) Business Day (or shorter) period that it disagrees with such determination (including a description of the basis upon which it disagrees)); *provided*, *further*, that this clause (iv) will not apply to (w) terms addressed in the preceding clauses (i) through (iii), (x) interest rate, rate floors, fees, funding discounts and other pricing terms, (y) redemption, prepayment or other premiums, and (z) optional prepayment or redemption terms;

Any Extended Loans will constitute a separate tranche of Term Loans and/or Revolving Loans from the Term Loans and/or Revolving Loans held by Lenders that did not accept the applicable Extension Offer.

(d) Extension of Revolving Commitments. In the case of any Extension of Revolving Commitments and/or Revolving Loans, the following shall apply:

(i) all borrowings and all prepayments of Revolving Loans shall continue to be made on a ratable basis among all Revolving Lenders, based on the relative amounts of their Revolving Commitments, until the repayment of the Revolving Loans attributable to any non-extended Revolving Commitments on the relevant Maturity Date;

(ii) the allocation of the participation exposure with respect to any then-existing or subsequently issued or made Letter of Credit as between the Revolving Commitments of such new tranche and the remaining Revolving Commitments shall be made on a ratable basis in accordance with the relative amounts thereof until the Maturity Date relating to such non-extended Revolving Commitments has occurred;

(iii) no termination of extended Revolving Commitments and no repayment of extended Revolving Loans accompanied by a corresponding permanent reduction in extended Revolving Commitments shall be permitted unless such termination or repayment (and

corresponding reduction) is accompanied by at least a *pro rata* termination or permanent repayment (and corresponding *pro rata* permanent reduction), as applicable, of each other tranche of Revolving Loans and Revolving Commitments (or each other tranche of Revolving Commitments and Revolving Loans shall have otherwise been terminated and repaid in full);

(iv) the Maturity Date with respect to the Revolving Commitments may not be extended without the prior written consent of the Issuing Banks; and

(v) at no time shall there be more than five different tranches of Revolving Commitments.

If the Total Utilization of Revolving Commitments exceeds the aggregate Revolving Commitments as a result of the occurrence of the Maturity Date with respect to any tranche of Revolving Commitments while an extended tranche of Revolving Commitments remains outstanding, the Borrower shall make such payments as are necessary in order to eliminate such excess on such Maturity Date.

(e) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Borrower, the applicable Extending Lender, the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned) and, solely with respect to Extensions of any Revolving Loans or Revolving Commitments, the Revolving Agent (such consent not to be unreasonably withheld, delayed or conditioned). The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 will not apply to any of the transactions effected pursuant to this Section 2.16.

Section 2.17 Defaulting Lenders.

(a) *Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01 or the definitions of Required Lenders, Required Class Lenders, Required Facility Lenders, Required Revolving Lenders and Required Term Lenders, as applicable.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender in respect of the Loan Parties and their Subsidiaries, shall be applied as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent and the Revolving Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Bank hereunder; *third*, to Cash Collateralize the Issuing Bank's Fronting Exposure with respect to such Defaulting Lender with respect to outstanding Letters of Credit (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit); *fourth*, as the Borrower may request (so long as no Event of Default has occurred and is continuing), to the funding of any Loan in

respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Loans under this Agreement and Cash Collateralize the Issuing Bank's (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit) future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.17(d); *sixth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (A) such payment is a payment of the principal amount of any Loans or Reimbursement Obligations in respect of which such Defaulting Lender has not fully funded its appropriate share and (B) such Loans or the related Letters of Credit were made at a time when the conditions set forth in Section 4.03 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and Reimbursement Obligations owing to, all Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of, or Reimbursement Obligations owing to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit are held by the Lenders pro rata in accordance with the applicable Commitments without giving effect to Section 2.17(a)(iii)(D). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee pursuant to Section 2.09(a) for any period during which such Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to such Defaulting Lender);

(B) Each Defaulting Lender shall be entitled to receive L/C Fees for any period during which such Lender is a Defaulting Lender only to the extent allocable to its Pro Rata Share of the Stated Amount of Letters of Credit for which such Defaulting Lender has provided Cash Collateral pursuant to Section 2.04.

(C) With respect to any fees not required to be paid to any Defaulting Lender pursuant to clause (A) above, the Borrower shall (1) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (C) below, (2) pay to the Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to the Issuing Bank's Fronting Exposure to such Defaulting Lender, and (3) not be required to pay the remaining amount of any such fee.

(D) All or any part of such Defaulting Lender's participation in Letters of Credit shall be reallocated among the Non-Defaulting Lenders in accordance with their

respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (A) the conditions set forth in Section 4.03 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent and Revolving Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (B) such reallocation does not cause the aggregate Revolving Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Commitment. Subject to Section 10.22, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(E) If the reallocation described in clause (D) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, Cash Collateralize Issuing Bank's Fronting Exposure (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit) in accordance with the procedures set forth in Section 2.04 or as otherwise agreed among the Borrower, the Administrative Agent, the Revolving Agent and such Issuing Bank.

(b) *Defaulting Lender Cure*. If the Borrower, the Administrative Agent, the Revolving Agent and, if any Letters of Credit are then issued and outstanding, the Issuing Bank with respect to such Letters of Credit, agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent and/or the Revolving Agent (as applicable) may determine to be necessary to cause the Loans and the funded and unfunded participations in Letters of Credit to be held *pro rata* by the Lenders in accordance with their Commitments under each applicable Facility (without giving effect to Section 2.17(a)(iii)(D)), whereupon such Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) *New Letters of Credit*. So long as any Revolving Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, extend or amend any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

(d) *Cash Collateral*. At any time that a Revolving Lender is a Defaulting Lender and Section 2.17(a)(iii)(E) is applicable, within one (1) Business Day following the written request of the Administrative Agent, the Revolving Agent (with a copy to the Administrative Agent) or any Issuing Bank (with a copy to the Administrative Agent), the Borrower shall Cash Collateralize the applicable Issuing Bank's Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.04 and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(i) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Revolving Agent, for the benefit of the Issuing Banks and the Revolving Lenders, and agrees to maintain, a first priority security

interest in all such Cash Collateral as security for the Defaulting Lender's obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (ii) below. If at any time the Revolving Agent determines that the Cash Collateral is subject to any right or claim of any Person other than the Revolving Agent, the Issuing Banks or the Revolving Lenders as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrower will, promptly upon demand by the Revolving Agent, pay or provide to the Revolving Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(ii) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.17 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(iii) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce any Issuing Bank's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.17 following (A) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender) or (B) the determination by the Revolving Agent, the applicable Issuing Bank and the Borrower (each such determination not to be unreasonably withheld, conditioned or delayed) that there exists excess Cash Collateral; *provided* that, subject to the other provisions of this Section 2.17, the Person providing Cash Collateral and the applicable Issuing Bank, as the case may be, may agree that the Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations; *provided further*, that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

ARTICLE III.
Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(a) Except as provided in this Section 3.01, any and all payments made by or on account of the Borrower or any Guarantor under any Loan Document shall be made free and clear of and without deduction or withholding for any and all present or future taxes, duties, levies, imposts, assessments or withholdings (including backup withholding) or similar charges imposed by any Governmental Authority, including interest, penalties and additions to tax (collectively "**Taxes**"), except as required by applicable Law. If the Borrower, any Guarantor, the Administrative Agent or the Revolving Agent shall be required by any applicable Law to deduct or withhold any Taxes from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (a) to the extent the Tax in question is an Indemnified Tax or Other Tax (as defined below in Section 3.01(b)), the sum payable by the Borrower or such Guarantor shall be increased as necessary so that after making all required deductions or withholdings in respect of Indemnified Taxes or Other Taxes (including deductions and withholdings applicable to additional sums payable under this Section 3.01), each of such Agent and such Lender receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (b) the applicable withholding agent shall be entitled to make such deductions or withholdings, (c) the applicable withholding agent shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Laws, and (d) within thirty (30) days after the date of such payment (or, if receipts or evidence

are not available within thirty (30) days, as soon as possible thereafter), if the Borrower or any Guarantor is the applicable withholding agent, the Borrower or applicable Guarantor shall furnish to the Administrative Agent and/or the Revolving Agent (as applicable) the original or a copy of a receipt evidencing payment thereof, a copy of a return reporting such payment, or other evidence reasonably acceptable to the Administrative Agent and/or the Revolving Agent (as applicable).

(b) In addition, each Loan Party agrees to pay any and all present or future stamp, court or documentary, filing, intangible or mortgage recording taxes, or any similar Taxes, imposed by any Governmental Authority, which arise from the execution, delivery, performance, enforcement or registration of, from the receipt or perfection of a security interest under, or otherwise with respect to, any Loan Document (including additions to tax, penalties and interest related thereto) excluding, in each case, such amounts that result (A) from an Agent or Lender's Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document after the date of this Agreement (collectively, "**Assignment Taxes**") to the extent such Assignment Taxes result from a present or former connection that such Agent or Lender has with the Governmental Authority other than a connection arising solely from executing, delivering, becoming a party to, engaging in any transactions pursuant to, performing its obligations under, receiving payments under, receiving or perfecting a security interest under or enforcing, any Loan Document, except for such Assignment Taxes resulting from an assignment, grant of participation, transfer or designation of a new applicable Lending Office or other office for receiving payments that is requested or required by the Borrower or (B) upon a voluntary registration made by any Agent or Lender if such registration is not necessary to evidence, prove, maintain, enforce, compel or otherwise assert the rights of such Agent or Lender under the Loan Documents (all such non-excluded Taxes described in this Section 3.01(b) being hereinafter referred to as "**Other Taxes**").

(c) Each Loan Party agrees to indemnify each Agent and each Lender within ten (10) days after written demand therefor for (i) the full amount of Indemnified Taxes and Other Taxes payable by such Agent or such Lender and (ii) any reasonable expenses arising therefrom or with respect thereto, in each case whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith by such Agent or Lender (or by an Agent on behalf of such Lender), accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error.

(d) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable), provide the Borrower and the Administrative Agent and/or the Revolving Agent (as applicable) with any documentation prescribed by applicable Law or otherwise reasonably requested by the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable) establishing any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. In addition, each Lender, if reasonably requested by the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable), shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable) as will enable the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable) to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in sub-clauses (i), (ii)(A)-(D), and (iii) of this Section 3.01(d)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such

Lender. Notwithstanding any other provision of this clause (d), a Lender shall not be required to deliver any form pursuant to this clause that such Lender is not legally able to deliver. Without limiting the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable)) two properly completed and duly signed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is not subject to federal backup withholding.

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable)) whichever of the following is applicable:

(A) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code, certifying such Lender's entitlement as of such date to a reduced rate of or complete exemption from United States withholding tax with respect to payments to be made under this Agreement or any Loan Document,

(B) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (a) a United States Tax Compliance Certificate in the form of Exhibit H-1 and (b) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor form), certifying such Lender's entitlement as of such date to a complete exemption from United States withholding tax with respect to payments of interest to be made under this Agreement or any Loan Document,

(D) to the extent a Lender is not the beneficial owner of payments to be received under this Agreement, two properly completed and duly signed copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by Internal Revenue Service Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate in the form of Exhibit H-2 or Exhibit H-3, Internal Revenue Service Form W-9, Internal Revenue Service Form W-8IMY and/or any other documents or information from each beneficial owner, as applicable, certifying such Lender's and its beneficial owners' entitlement as of such date to a reduced rate of or complete exemption from United States withholding tax with respect to payments to be made under this Agreement or any Loan Document (*provided* that if the Lender is a partnership, and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, the United States Tax Compliance Certificate in the form of Exhibit H-4 may be provided by such Lender on behalf of each such direct and indirect partner (in lieu of a certificate in the form of Exhibit H-2 or Exhibit H-3)), or

(E) two accurate and complete signed copies of any other form prescribed by applicable U.S. federal income tax Laws (including the Treasury regulations) as a basis for claiming complete exemption from, or reduction in, U.S. federal withholding Tax on any payments to such Lender under any Loan Document.

(iii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), each such Lender shall deliver to the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) any forms, documentation, or other information as shall be prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) as may be necessary for the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA, and to determine the amount, if any, to deduct and withhold from such payment. For purposes of this Section 3.01(d)(iii), the term "FATCA" shall include any amendments thereof or successor provisions thereto.

(iv) Each Lender shall, whenever a lapse in time or change in circumstances renders any documentation provided pursuant to this Section 3.01(d) obsolete or inaccurate in any respect, deliver promptly to the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) updated or other appropriate documentation (including any successor forms or any new documentation reasonably requested by the applicable withholding agent) or promptly notify the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) in writing of its legal inability to do so.

(e) Any Lender claiming any additional amounts payable pursuant to this Section 3.01 and/or Section 3.04(a) shall, if requested by the Borrower, use its reasonable efforts to change the jurisdiction of its Lending Office (or take any other measures reasonably requested by the Borrower) if such a change or other measures would reduce any such additional amounts (including any such additional amounts that may thereafter accrue) and would not, in the sole determination of such Lender, result in any unreimbursed cost or expense or be otherwise disadvantageous to such Lender.

(f) If any Lender or Agent receives a refund in respect of any Indemnified Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by any Loan Party pursuant to this Section 3.01, it shall promptly remit such refund to such Loan Party (but only to the extent of indemnification or additional amounts paid by such Loan Party under this Section 3.01 with respect to Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of such Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that such Loan Party, upon the request of such Lender or Agent, as the case may be, agrees promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such party in the event such party is required to repay such refund to the relevant Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or

otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 3.01(f) shall not be construed to require any Agent or Lender to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Borrower or any other person.

(g) Each Lender shall severally indemnify the Administrative Agent and/or the Revolving Agent (as applicable), within 10 days after demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that a Loan Party has not already indemnified the Administrative Agent and/or the Revolving Agent (as applicable) for such Indemnified Taxes or Other Taxes and without limiting or expanding the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.07(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent and/or the Revolving Agent (as applicable) in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent and/or the Revolving Agent (as applicable) shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent and/or the Revolving Agent (as applicable) to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent and/or the Revolving Agent (as applicable) to the Lender from any other source against any amount due to the Administrative Agent and/or the Revolving Agent (as applicable) under this paragraph (g).

(h) Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or the Revolving Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans or CDOR Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate or CDOR Rate or any Governmental Authority has imposed restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the applicable interbank mark, then, on notice thereof by such Lender to the Borrower through the Administrative Agent and/or the Revolving Agent (as applicable), any obligation of such Lender to make or continue Eurocurrency Rate Loans or CDOR Rate Loans in the affected currency or currencies, or, in the case of Eurocurrency Rate Loans denominated in Dollars, to convert Base Rate Loans to Eurocurrency Rate Loans, and for CDOR Rate Loans denominated in Canadian Dollars, to convert Canadian Prime Rate Loans to CDOR Rate Loans, shall be suspended until such Lender notifies the Administrative Agent and/or the Revolving Agent (as applicable) and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent and/or the Revolving Agent (as applicable)), prepay or, if applicable and such Loans are denominated in Dollars, convert all applicable Eurocurrency Rate Loans, or if applicable and such Loans are denominated in Canadian Dollars, convert all applicable CDOR Rate Loans, of such Lender to Base Rate Loans or Canadian Prime Rate Loans, as applicable, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans or CDOR Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans or CDOR Rate Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.05. Each Lender agrees to

designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.03 Inability to Determine Rates. If (a) either the Required Lenders determine or the Administrative Agent determines in good faith that for any reason adequate and reasonable means do not exist for determining the applicable Eurocurrency Rate or CDOR Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or CDOR Rate Loan in Dollars or Canadian Dollars, as applicable, or that deposits in Dollars or Canadian Dollars, as applicable, in which such proposed Eurocurrency Rate Loan or CDOR Rate Loan is to be denominated are not being offered to banks in the applicable offshore interbank market for the applicable amount and the Interest Period of such Eurocurrency Rate Loan or CDOR Rate Loan in Dollars or Canadian Dollars, as applicable, or (b) the Required Lenders determine that the Eurocurrency Rate or CDOR Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or CDOR Rate Loan in Dollars or Canadian Dollars, as applicable, does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Required Lenders will promptly notify the Administrative Agent and the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurocurrency Rate Loans or CDOR Rate Loans in Dollars or Canadian Dollars, as applicable, shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or CDOR Rate Loans denominated in Dollars or Canadian Dollars, as applicable, or, failing that, will be deemed to have converted such request, if applicable, into a request for a Borrowing of Base Rate Loan or Canadian Prime Rate Loan in the amount specified therein. This Section 3.03 shall not apply to any Benchmark Replacement in connection with Section 3.08.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurocurrency Rate Loans or CDOR Rate Loans.

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the Closing Date, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Eurocurrency Rate Loans or CDOR Rate Loans, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.04(a), any such increased costs or reduction in amount resulting from reserve requirements contemplated by the Eurocurrency Rate or CDOR Rate or by applicable law) and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining the Eurocurrency Rate Loan or CDOR Rate Loan (or of maintaining its obligations to make any Eurocurrency Rate Loan or CDOR Rate Loan), or to reduce the amount of any sum received or receivable by such Lender, then from time to time after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost incurred or reduction suffered. No Person shall request that the Borrower pay any additional amount pursuant to this Section 3.04(a) unless it shall concurrently make similar requests to other borrowers similarly situated and affected by such change in Law (or interpretation or compliance therewith) and from whom such Lender is entitled to seek similar amounts. Notwithstanding anything herein to the contrary, for all purposes under this Agreement, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a change in law, regardless of the date enacted, adopted or issued.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy or liquidity or any change therein or in the interpretation thereof, in each case affecting such Lender after the Closing Date, or compliance by such Lender therewith, has the effect of reducing the rate of return on the capital or liquidity of such Lender or any holding company of such Lender as a consequence of this Agreement, the Commitments of or Loans made by such Lender to a level below that which such Lender or such Lender's holding company (if any) could have achieved but for such introduction or change (taking into consideration such Lender's policies and the policies of such holding company with respect to liquidity or capital adequacy), then from time to time after demand by such Lender setting forth in reasonable detail such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender or such Lender's holding company for such reduction suffered.

(c) Subject to Section 3.06(b), failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation.

(d) If any Lender requests compensation under this Section 3.04, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Lending Office for any Loan affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic, legal or regulatory disadvantage; *provided further*, that nothing in this Section 3.04(d) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to this Section 3.04.

(e) This Section 3.04 shall not apply to any Indemnified Taxes, any Taxes described in clauses (ii) through (vii) of the definition of Excluded Taxes or Other Taxes.

Section 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent and/or the Revolving Agent (as applicable)) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan or CDOR Rate Loan of the Borrower on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurocurrency Rate Loan or CDOR Rate Loan of the Borrower on the date or in the amount notified by the Borrower,

including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 (i) with respect to the "floor" specified in the Eurocurrency Rate or CDOR Rate or (ii) in connection with any prepayment of interest on Term Loans.

Section 3.06 Matters Applicable to All Requests for Compensation.

(a) Any Agent or any Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to it hereunder, which shall be conclusive in the absence of manifest error. The Borrower shall pay (or cause to be paid) to such

Agent or Lender, as the case may be, the amount shown as due on any such certificate within twenty days after receipt thereof (or such later date as such Agent or Lender may agree).

(b) With respect to any Lender's claim for compensation under Section 3.02, 3.03 or 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; provided that if the event giving rise to such claim is retroactive, then the one hundred eighty (180)-day period referred to above shall be extended to include the period of retroactive effect thereof.

(c) If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender in any respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(d) If any Lender requests compensation under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent and/or the Revolving Agent (as applicable)), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans or CDOR Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurocurrency Rate Loans or convert Canadian Prime Rate Loans into CDOR Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(e) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent and/or the Revolving Agent (as applicable)) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of any of such Lender's Eurocurrency Rate Loans or CDOR Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans or CDOR Rate Loans made by other are outstanding, such Lender's Base Rate Loans or Canadian Prime Rate Loans, as applicable, shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans or CDOR Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurocurrency Rate Loans or CDOR Rate Loans and by such Lender are held *pro rata* (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

Section 3.07 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) any Lender requests compensation under Section 3.04 or ceases to make Eurocurrency Rate Loans or CDOR Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) any Loan Party is required to pay any Indemnified Taxes, Other Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and such Lender has declined or is unable to designate a different Lending Office or take other measures in accordance with Section 3.01(e), (iii) any Lender is a Non-Consenting Lender, (iv) any Lender

shall become a Defaulting Lender or (v) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent and/or the Revolving Agent (as applicable), require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement and the related Loan Documents to one or more Eligible Assignees (provided that neither the Administrative Agent and/or the Revolving Agent (as applicable) nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person) that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(i) the Borrower shall have paid (or cause to be paid) to the Administrative Agent any assignment fee specified in Section 10.07(b)(ii)(B);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Letters of Credit, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts payable under Section 3.05);

(iii) such Lender shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in Letters of Credit, and (ii) promptly deliver any Notes evidencing such Loans to the Borrower, Administrative Agent and/or the Revolving Agent (as applicable) (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes or indemnity shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder, and the assigning Lender shall cease to constitute a Lender hereunder, with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender as to any actions taken or omitted to be taken by prior to such assignment;

(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) in the case of any such assignment resulting from a Lender being a Non-Consenting Lender, the Eligible Assignee shall consent, at the time of such assignment, to each matter in respect of which such Lender being replaced was a Non-Consenting Lender; and

(vii) such assignment does not conflict with applicable Laws

(b) Notwithstanding anything to the contrary contained above, any Lender that acts as an Issuing Bank may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Bank (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such Issuing Bank or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to each such

outstanding Letter of Credit and the Lender that acts as the Administrative Agent and/or the Revolving Agent (as applicable) may not be replaced hereunder except in accordance with the terms of Section 9.09.

(c) In the event that (i) the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable) has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans and (iii) the Required Lenders, Required Revolving Lenders, Required Class Lenders, Required Facility Lenders or Required Term Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender**."

Section 3.08 LIBOR Successor Rate.

(a) *Benchmark Replacement*.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a)(i) or (a)(ii) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (a)(iii) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5^{th}) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders and the Revolving Agent without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document, so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from the Borrower or the Lenders comprising the Required Lenders of each Class affected thereby.

(ii) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, solely with respect to Loans denominated in Dollars, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; *provided* that this clause (ii) shall not be effective unless the Administrative Agent has delivered to the Lenders, the Revolving Agent and the Borrower a Term SOFR Notice. For the avoidance of doubt, the Administrative Agent shall not be required to deliver a Term SOFR Notice after a Term SOFR Transition Event and may do so in its sole discretion.

(b) *Benchmark Replacement Conforming Changes*. In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other

Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) *Notices; Standards for Decisions and Determinations.* The Administrative Agent will promptly notify the Borrower, the Revolving Agent and the Lenders of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (d) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.08 (with the agreement of or in consultation with the Borrower, to the extent required hereby), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.08.

(d) *Unavailability of Tenor of Benchmark.* Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or LIBOR) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to subclause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) *Benchmark Unavailability Period.* Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Borrowing of any Eurocurrency Rate Loan or CDOR Rate Loan, or any request for a conversion to or continuation of Eurocurrency Rate Loans or CDOR Rate Loans, to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans or Canadian Prime Rate Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate or Canadian Prime Rate, based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate or Canadian Prime Rate.

(f) *Certain Defined Terms*. As used in this Section 3.08:

"**Available Tenor**" means, as of any date of determination and with respect to the then-current Benchmark, as applicable, (x) if the then-current Benchmark is a term rate, any tenor for such Benchmark or (y) otherwise, any payment period for interest calculated with reference to such Benchmark, as

applicable, that is or may be used for determining the length of an Interest Period pursuant to this Agreement as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed from the definition of "Interest Period" pursuant to clause (d) of this Section 3.08.

"**Benchmark**" means, initially, LIBOR; *provided* that if a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred with respect to LIBOR or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to Section 3.08(a).

"**Benchmark Replacement**" means, for any Available Tenor,

(a) with respect to any Benchmark Transition Event or Early Opt-in Election, the first alternative set forth in the order below that can be determined by the Administrative Agent for the applicable Benchmark Replacement Date:

(i) the sum of: (A) Term SOFR and (B) the related Benchmark Replacement Adjustment;

(ii) the sum of: (A) Daily Simple SOFR and (B) the related Benchmark Replacement Adjustment;

(iii) the sum of: (A) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to (1) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (2) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current Benchmark for syndicated credit facilities and (B) the related Benchmark Replacement Adjustment; or

(b) with respect to any Term SOFR Transition Event, the sum of (i) Term SOFR and (ii) the related Benchmark Replacement Adjustment;

provided that, in the case of clause (a)(i) or clause (b), the applicable Unadjusted Benchmark Replacement is displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion. If the Benchmark Replacement for any applicable Available Tenor as determined pursuant to clause (a)(i), (a)(ii), (a)(iii) or (b) above would be less than 1.00%, then the Benchmark Replacement for such Available Tenor will be deemed to be 1.00% for the purposes of this Agreement and the other Loan Documents.

"**Benchmark Replacement Adjustment**" means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable Interest Period and Available Tenor for any setting of such Unadjusted Benchmark Replacement:

(a) for purposes of clauses (a)(i) and (a)(ii) of the definition of "Benchmark Replacement," the first alternative set forth in the order below that can be determined by the Administrative Agent:

(i) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that has been selected or recommended by the Relevant Governmental Body for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for the applicable Corresponding Tenor;

(ii) the spread adjustment (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that would apply to the fallback rate for a derivative transaction referencing the ISDA Definitions to be effective upon an index cessation event with respect to such Benchmark for the applicable Corresponding Tenor;

(b) for purposes of clause (a)(iii) of the definition of "Benchmark Replacement," the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for syndicated credit facilities; and

(c) for purposes of clause (b) of the definition of "Benchmark Replacement," the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that has been selected or recommended by the Relevant Governmental Body for the replacement of such Available Tenor of ICE LIBOR with a SOFR-based rate;

provided that, (x) in the case of clause (a) above, such adjustment is displayed on a screen or other information service that publishes such Benchmark Replacement Adjustment from time to time as selected by the Administrative Agent in its reasonable discretion and (y) if the then-current Benchmark is a term rate, more than one tenor of such Benchmark is available as of the applicable Benchmark Replacement Date and the applicable Unadjusted Benchmark Replacement that will replace such Benchmark in accordance with this Section 3.08 will not be a term rate, the Available Tenor of such Benchmark for purposes of this definition of "Benchmark Replacement Adjustment" shall be deemed to be, with respect to each Unadjusted Benchmark Replacement having a payment period for interest calculated with reference thereto, the Available Tenor that has approximately the same length (disregarding business day adjustments) as such payment period.

"**Benchmark Replacement Conforming Changes**" means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of "Base Rate,", "Canadian Prime Rate," the definition of "Business Day," the definition of "Interest Period," timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Administrative Agent reasonably decides may be appropriate to reflect the adoption and implementation of such Benchmark

Replacement and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent reasonably decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent reasonably determines that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Administrative Agent decides is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents).

"**Benchmark Replacement Date**" means the earliest to occur of the following events with respect to the then-current Benchmark:

(a) in the case of clause (a) or (b) of the definition of "Benchmark Transition Event," the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof);

(b) in the case of clause (c) of the definition of "Benchmark Transition Event," the date of the public statement or publication of information referenced therein;

Conditions Precedent to Credit Extensions

Section 4.01 Conditions to Effectiveness. This Agreement shall constitute the legal, valid and binding obligation each Person party hereto upon the Administrative Agent's receipt of executed counterparts of this Agreement by Holdings, the Initial Borrower, the Agents and the Lenders party hereto, each of which shall be originals or pdf copies or other facsimiles unless otherwise specified, each properly executed by a Responsible Officer of the applicable signing Person.

Section 4.02 Conditions to Initial Credit Extension. The obligation of each Lender to extend a Borrowing hereunder on the Closing Date and of each Issuing Bank to issue Letters of Credit hereunder on the Closing Date is subject to satisfaction of the following conditions precedent, except as otherwise agreed between the Initial Borrower and the Administrative Agent:

(a) Confirmation in writing from the Initial Borrower to the Administrative Agent (which may be made by electronic mail) that the Acquisition has been consummated or will be consummated substantially concurrently with the Borrowing of the Initial Term Loans and the Initial Revolving Borrowing (if any) in accordance with the terms of the Acquisition Agreement.

(b) Confirmation in writing (which may be made by electronic mail) from the Initial Borrower to the Administrative Agent that the Equity Contribution and the Closing Date Refinancing have been consummated or will be consummated substantially concurrently with the Borrowing of the Initial Term Loans and the Initial Revolving Borrowing (if any).

(c) Since November 30, 2020, there have not been, as of the Closing Date, any events, occurrences, changes, developments or circumstances that have had, or that would reasonably be expected to, individually or in the aggregate, have a Company Material Adverse Effect (as defined in the Acquisition Agreement as in effect on the Closing Date) that would result in the failure of a condition precedent to Initial Borrower's obligation to consummate the Acquisition under the Acquisition Agreement or that would give Initial Borrower the right (taking into account any notice and cure provisions) to terminate its obligations pursuant to the terms of the Acquisition Agreement.

(d) The Arranger and the Initial Lenders shall have received the Financial Statements, in each case to the extent delivered to Initial Borrower pursuant to the terms of the Acquisition Agreement. The Arranger and the Initial Lenders acknowledge receipt of the financial statements described above on or prior to the Closing Date.

(e) The Arranger and the Initial Lenders shall have received a pro forma combined balance sheet and related pro forma combined statement of income of the Initial Borrower and its consolidated subsidiaries as of and for the 10-month period ending on the last day of the most recently completed four-fiscal quarter period or 10-month period, as applicable, for which historical consolidated financial statements are provided pursuant to Section 4.02(d), prepared so as to give effect to the Transactions as if the Transactions had occurred as of such date (in the case of such balance sheet) or at the beginning of such period (in the case of such statement of income), in each case to the extent delivered to Initial Borrower pursuant to the terms of the Acquisition Agreement and which need not be prepared in compliance with Regulation S-X of the Securities Act, or include adjustments for purchase accounting.

(f) The Administrative Agent's receipt of the following, each of which shall be originals or pdf copies or other facsimiles unless otherwise specified, each properly executed (subject to the proviso at the end of this clause (f)) by a Responsible Officer of the applicable signing Loan Party:

(i) [reserved];

(ii) executed counterparts of the Security Agreement by the Initial Borrower and each other Loan Party, together with:

(A) certificates, if any (delivered in escrow pending consummation of the Acquisition and only to the extent delivered to the Initial Borrower by Sellers or Target pursuant to the terms of the Acquisition Agreement), representing the Pledged Equity of the Target and its Subsidiaries and constituting Collateral, in each case accompanied by undated stock or membership interest powers executed in blank (or confirmation in lieu thereof that such certificates and powers have been sent for overnight delivery to the Collateral Agent or its counsel); and

(B) a Perfection Certificate executed by the Initial Borrower on behalf of the Loan Parties;

(iii) a Committed Loan Notice of the Initial Borrower in accordance with the requirements hereof;

(vii) customary lien searches with respect to the Loan Parties to the extent requested (by jurisdiction and type of search for each such entity) by the Administrative Agent in writing no later than ten (10) days prior to the Closing Date;

provided, *however*, that, for the avoidance of doubt the execution and delivery of any Loan Document or any related authorizing resolutions or certificates by Target or any of its Subsidiaries or any of their respective present or future officers, representatives or Boards of Directors is not a condition precedent under this Section 4.02, it being agreed that each Loan Document (and related authorizing resolutions and certificates) to be executed on the Closing Date by or on behalf of any such Person (other than any Excluded Subsidiary) (each, a "**Post-Closing Loan Party**"), will be executed and delivered in escrow prior to the consummation of the Acquisition and released from escrow upon funding of the Initial Term Loans and consummation of the Acquisition, and upon such release, each Post-Closing Loan Party will be deemed to have made the Specified Representations with respect to it.

(g) The Acquisition Agreement Representations and the Specified Representations shall be true and correct in all material respects (or, in the case of any Specified Representation that is qualified as to "materiality", "material adverse effect" or similar language, shall be true and correct in all respects as so qualified) as of the Closing Date; *provided* that the failure of an Acquisition Agreement Representation to be true and correct will not result in a failure of a condition to the initial availability of the Initial Term Loans and the Initial Revolving Borrowing unless such failure results in a failure of a condition precedent to the Initial Borrower's (or its Affiliates') obligation to consummate the Acquisition or such failure gives Initial Borrower (or its Affiliates) the right (taking into account any notice and cure provisions) to terminate its (or their) obligations, in each case, pursuant to the terms of the Acquisition Agreement.

(h) The Agents and the Lenders shall have received at least three Business Days (as defined in the Acquisition Agreement) prior to the Closing Date (i) all outstanding documentation and other information about the Loan Parties required under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act, and (ii) to the extent that the Borrower qualifies as a "legal entity customer" under the Beneficial Ownership Regulations, a customary Beneficial Ownership Certification, in each case, that has been requested by the Agents in writing at least ten (10) Business Days (as defined in the Acquisition Agreement) prior to the Closing Date.

(i) The Closing Fees and all other fees and expenses due to the Administrative Agent and the Lenders and required to be paid on the Closing Date and (in the case of such other fees and expenses) invoiced in reasonable detail at least two (2) Business Days before the Closing Date (except as otherwise agreed by the Initial Borrower) shall be paid in full in cash, it being agreed that all such fees (including the Closing Fees) and expenses may be paid from the proceeds of the initial funding under one or more of the Facilities on the Closing Date.

Without limiting the generality of the provisions of Section 9.03(a), for purposes of determining compliance with the conditions specified in this Section 4.02, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Each of the Loan Parties, the Agent and each Lender that has signed this Agreement acknowledges and agrees that, as of November 1, 2021, each of the conditions specified in this Section 4.02 (other than clause (i), which Closing Fees and other fees and expenses will be paid in full in cash with the proceeds of the initial funding under one or more of the Facilities on the Closing Date) have been satisfied or waived.

Section 4.03 Conditions to Certain Credit Extensions after the Closing Date. The obligation of (a) each Lender to extend a Borrowing (other than a Borrowing of any Incremental Loans which shall be governed by Section 2.14(f)) and (b) of each Issuing Bank to issue, amend, renew or extend any Letter of Credit, in each case, after the Closing Date, is subject to the following conditions precedent:

(i) The representations and warranties of each Loan Party set forth in Article V and in each other Loan Document shall be true and correct in all material respects (except that any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects as so qualified) on and as of the date of such Borrowing or such issuance with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date.

(ii) No Default or Event of Default shall exist or would result from such proposed Borrowing or issuance or from the application of the proceeds therefrom.

(iii) The Administrative Agent and the Revolving Agent shall have received a Committed Loan Notice or Issuance Notice, as applicable, in accordance with the requirements hereof.

Subject to Section 1.03, each such Committed Loan Notice or Issuance Notice, as applicable, submitted by the Borrower shall be deemed to be a representation and warranty that the conditions specified in the preceding clauses (i) and (ii) have been satisfied on and as of the date of the applicable Borrowing or issuance, amendment, renewal or extension of a Letter of Credit.

Notwithstanding the foregoing, no Loan Party may transfer any Material Intellectual Property owned by such Loan Party to any Unrestricted Subsidiary as an Investment in such Person.

The amount of any non-cash Investments will be the fair market value thereof at the time made, without giving effect to subsequent changes in value. To the extent any Investment in any Person is made in compliance with this Section 7.02 in reliance on a category above that is subject to a Canadian Dollar-denominated restriction on the making of Investments and, subsequently, such Person returns to the Borrower, any other Loan Party or, to the extent applicable, any Restricted Subsidiary all or any portion of such Investment (in the form of a dividend, distribution, liquidation or otherwise but excluding intercompany Indebtedness), such return shall be deemed to be credited to the Canadian Dollar-denominated category against which the Investment is then charged (but in any event not in an amount that would result in the aggregate Canadian Dollar amount able to be invested in reliance on such category to exceed such Canadian Dollar-denominated restriction). For purposes of the foregoing and following sentences, "Canadian Dollar-denominated" means the greater of the specified Canadian Dollar amount and the corresponding percentage of TTM Consolidated Adjusted EBITDA.

For purposes of determining compliance with any Canadian Dollar-denominated restriction on the making of Investments, the Canadian Dollar equivalent amount of the Investment denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Investment was made.

For purposes of determining compliance with this Section 7.02, any transaction pursuant to which (i) a Loan Party becomes an Excluded Subsidiary or otherwise ceases to be a Loan Party and (ii) the Borrower or its Restricted Subsidiaries retain all or any portion of their original Investment in such Person, including any such transaction permitted pursuant to Sections 7.04, 7.05 or 7.06, shall be deemed to be an Investment in such Non-Loan Party at the time of such transaction equal to the portion of the original Investment in such Person that is still held by the Loan Parties.

Section 7.03 Indebtedness. Neither the Borrower nor any of the Restricted Subsidiaries shall directly or indirectly, create, incur or assume any Indebtedness, except:

(a) the Obligations, including obligations under any Loan Document, Secured Hedge Agreements or any Treasury Services Agreements;

(b) Indebtedness of the Borrower or any Restricted Subsidiary outstanding on the Closing Date owing to a Person that is not the Borrower or a Restricted Subsidiary and, to the extent having a principal amount in excess of C$100,000 in the aggregate, listed on Schedule 7.03(b), and any Permitted Refinancing thereof;

(c) Indebtedness of the Borrower or any Restricted Subsidiary owing to the Borrower or any Restricted Subsidiary (or issued or transferred to any direct or indirect parent of a Loan Party which is substantially contemporaneously transferred to a Loan Party or any Restricted Subsidiary of a Loan Party) to the extent constituting an Investment permitted by Section 7.02; *provided* that any such Indebtedness owing to a Restricted Subsidiary that is not a Loan Party is subordinated in right of payment to the Loans, and any corresponding Investment by a Loan Party in such Restricted Subsidiary that is not a Loan Party must be permitted under Section 7.02 (other than clause (o) thereof);

(d) Guarantees by the Borrower and any Restricted Subsidiary in respect of Indebtedness of the Borrower or any Restricted Subsidiary otherwise permitted hereunder; *provided* that (i) no Guarantee of any Indebtedness of a Loan Party that is pari passu with the Obligations or constitutes Junior Financing shall be permitted unless such guaranteeing party shall have also provided a Guaranty of the Obligations on the terms set forth herein, (ii) if the Indebtedness subject to the Guarantee is subordinated to the Obligations, such Guarantee shall be subordinated to the Guarantee of the Obligations on terms at least as favorable to the Lenders as those contained in the subordination of such Indebtedness and (iii) in the case of any Guarantee by any Loan Party of the obligations of any Non-Loan Party, the related Investment is permitted under Sections 7.02 (other than clause (o) thereof);

(e) (i) Attributable Indebtedness, purchase money Indebtedness and other Indebtedness (including Capitalized Leases) financing the acquisition, construction, repair, replacement, lease or improvement of fixed or capital assets incurred by the Borrower or any Restricted Subsidiary in an aggregate amount not to exceed the greater of (A) 15% multiplied by Closing Date EBITDA and (B) 15% multiplied by TTM Consolidated Adjusted EBITDA as of the applicable date of determination (together with any Permitted Refinancings thereof) at any time outstanding, (ii) Attributable Indebtedness arising out of Sale Leaseback Transactions permitted by Section 7.05(g), and (iii) any Permitted Refinancing of any of the foregoing;

(f) Indebtedness in respect of Swap Contracts designed to hedge against the Borrower's or any Restricted Subsidiary's exposure to interest rates, foreign exchange rates or commodities pricing risks incurred in the ordinary course of business and not for speculative purposes;

(g) obligations in respect of Treasury Services Agreements and other Indebtedness in respect of netting services, credit cards, credit card processing services, debit cards and stored value cards, commercial cards, automatic clearinghouse arrangements, overdraft protections, employee credit card programs, merchant processing services and other cash management and treasury management services and products and similar arrangements in the ordinary course of business and any Guarantees thereof or the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business, so long as such Indebtedness is extinguished in the ordinary course of business;

(h) Incremental Equivalent Debt and any Permitted Refinancing thereof;

(i) Credit Agreement Refinancing Indebtedness and any Permitted Refinancing thereof;

(j) Permitted Ratio Debt and any Permitted Refinancing thereof;

(k) Indebtedness (other than any revolving Indebtedness) incurred by the Borrower or any Restricted Subsidiary in connection with any Permitted Acquisition or similar Investment so long as, subject to Section 1.03(b), such Indebtedness complies with the definition of Permitted Ratio Debt on a Pro Forma Basis as of the applicable date of determination (Indebtedness permitted under this clause (g), "**Incurred Acquisition Ratio Debt**") and any Permitted Refinancing thereof;

(l) (i) Indebtedness of a Person that becomes a Restricted Subsidiary or Indebtedness assumed in connection with a Permitted Acquisition after the Closing Date; *provided* that (A) such Indebtedness (x) existed at the time such Person became a Restricted Subsidiary or the assets subject to such Indebtedness were acquired and (y) was not created or incurred in connection with or contemplation thereof, and (B) the Borrower satisfies the requirements of clause (b) of the definition of Permitted Ratio Debt on a Pro Forma Basis as of the applicable date of determination, and (ii) any Permitted Refinancing thereof;

(m) Indebtedness consisting of obligations of the Borrower or any of its Restricted Subsidiaries under deferred consideration or other similar arrangements incurred by such Person in connection with Permitted Acquisitions or any other Investment expressly permitted under Section 7.02

(n) Indebtedness incurred by the Borrower or any of its Restricted Subsidiaries in a Permitted Acquisition or other Investment expressly permitted under Section 7.02 or any Disposition expressly permitted under Section 7.05, in each case, constituting indemnification obligations or obligations in respect of purchase price (including Incentive Arrangements) or other similar adjustments and any other Indebtedness owed the seller in respect of such Permitted Acquisition or other Investment; *provided, however* that the aggregate amount of Indebtedness related to Incentive Arrangements that are earn-out arrangements that is not subordinated at any time outstanding shall not exceed the greater of (i) C$16,000,000 and (ii) 50% multiplied by TTM Consolidated Adjusted EBITDA as of the applicable date of determination; *provided further* that any additional such Indebtedness shall be subordinated to the Obligations hereunder on terms reasonably satisfactory to the Administrative Agent;

(o) Indebtedness representing deferred compensation to future, current or former officers, directors, managers, employees, members or consultants (or their respective estates, spouses or former spouses) of any Loan Party (or any direct or indirect parent thereof) or any of its Subsidiaries;

(p) Indebtedness to future, current or former officers, directors, managers, employees, members or consultants or their respective estates, spouses or former spouses to finance the purchase or redemption of Equity Interests of the Borrower or any direct or indirect parent of the Borrower permitted by Section 7.06;

(q) Indebtedness consisting of (i) the financing of insurance premiums or (ii) take-or-pay obligations contained in supply arrangements, in each case, in the ordinary course of business;

(r) obligations in respect of (i) performance, bid, statutory or insurance bonds, appeal and surety bonds and performance and completion guarantees and similar obligations provided by the Borrower or any of its Restricted Subsidiaries or obligations in respect of letters of credit, bank guarantees or similar instruments related thereto, in each case in the ordinary course of business or consistent with past practice or (ii) appeal or similar bonds, or bonds with respect to workers' compensation claims that do not result in a Default or Event of Default;

(s) Indebtedness in respect of letters of credit, bank guarantees, bankers' acceptances or similar instruments issued for the account of the Borrower or any Restricted Subsidiary so long as the aggregate face amount of such letters of credit does not exceed C$5,000,000 (Indebtedness incurred under this clause, "Permitted LC Indebtedness");

(t) unsecured subordinated Indebtedness incurred in lieu of paying an indemnification or reimbursement obligation to a director or officer of Holdings, the Borrower or a Restricted Subsidiary pursuant to indemnification arrangements between such persons;

(u) Contribution Indebtedness in an aggregate principal amount at any time outstanding not to exceed the greater of (i) $7,500,000 and (ii) 50% multiplied by TTM Consolidated Adjusted EBITDA as of the applicable date of determination;

(v) Indebtedness of any Restricted Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary in an aggregate principal amount at any time outstanding not to exceed the greater of (i) 15% multiplied by Closing Date EBITDA and (ii) 15% multiplied by TTM Consolidated Adjusted EBITDA as of the applicable date of determination, and any Permitted Refinancings thereof; and

(w) Indebtedness of the Borrower or any of its Restricted Subsidiaries, in an aggregate principal amount that at the time of, and after giving effect to, the incurrence thereof, would not exceed an amount equal to the greater of (i) 20% multiplied by Closing Date EBITDA and (ii) 20% multiplied by TTM Consolidated Adjusted EBITDA as of the applicable date of determination, and any Permitted Refinancings thereof.

For purposes of determining compliance with any Canadian Dollar-denominated restriction on the incurrence of Indebtedness, the Canadian Dollar equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed or first incurred (whichever yields the lower Canadian Dollar equivalent), in the case of revolving credit debt; *provided* that if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable Canadian Dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such Canadian Dollar-denominated restriction will be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being refinanced (***plus*** unpaid accrued interest and premium (including tender premiums) thereon and underwriting discounts, defeasance costs, fees, commissions and expenses in connection therewith). For purposes of the foregoing sentence, "Canadian Dollar-denominated" means the greater of the specified Canadian Dollar amount and the corresponding percentage of TTM Consolidated Adjusted EBITDA.

The accrual of interest and the accretion of accreted value and the payment of interest in the form of additional Indebtedness shall not be deemed to be an incurrence of Indebtedness for purposes of this Section 7.03. The principal amount of any non-interest-bearing Indebtedness or other discount security constituting Indebtedness at any date shall be the principal amount thereof that would be shown on a balance sheet of the Borrower dated such date prepared in accordance with GAAP.

Section 7.04 Fundamental Changes. Neither the Borrower nor any of the Restricted Subsidiaries shall merge, amalgamate, dissolve, liquidate, consolidate with or into another Person, or Dispose of (whether in one transaction or in a series of transactions) all or substantially all of its assets (whether now owned or hereafter acquired) to or in favor of any Person, except that:

(a) (i) any Restricted Subsidiary may merge, amalgamate or consolidate with or into any other Restricted Subsidiary (*provided* that when any Loan Party merges or amalgamates with a Restricted Subsidiary, the continuing or surviving Person shall be a Loan Party or become a Loan Party in connection with such transaction); and

(ii) Holdings or any Restricted Subsidiary may merge, amalgamate or consolidate with the Borrower (including a merger or amalgamation, the purpose of which is to reorganize the Borrower into a new jurisdiction); *provided* that (A) the Borrower shall be the continuing or surviving Person, (B) such merger or amalgamation does not result in the Borrower ceasing to be organized under the Laws of the United States, any state thereof or the District of Columbia or Canada or any province or territory thereof, (C) no Event of Default shall exist at such time or after giving effect to such merger, amalgamation or consolidation and (D) in the case of a merger, amalgamation or consolidation of Holdings with and into the Borrower, after giving effect to such merger or consolidation, the direct parent of the Borrower shall expressly assume all the obligations of Holdings under this Agreement and the other Loan Documents to which Holdings is a party pursuant to a supplement hereto or thereto in form reasonably satisfactory to the Administrative Agent and such direct parent of the Borrower shall concurrently become a Guarantor and pledge 100% of the Equity Interest of the Borrower to the Administrative Agent as Collateral to secure the Obligations in form reasonably satisfactory to the Administrative Agent;

shall be a Restricted Subsidiary or the Borrower, which together with each of its Restricted Subsidiaries, shall have complied with the requirements of Section 6.11 to the extent applicable; *provided further*, that if the original Restricted Subsidiary was a Loan Party, then the surviving Person (or the Person who receives the assets of such Restricted Subsidiary) shall be or become a Loan Party;

ARTICLE VIII.
Events of Default and Remedies

Section 8.01 Events of Default. Any of the following from and after the Closing Date shall constitute an event of default (an "**Event of Default**"):

(a) *Non-Payment.* Any Loan Party fails to pay (i) when and as required to be paid herein (whether at stated maturity, on demand, upon acceleration or otherwise), any amount of principal of any Loan, or (ii) within three (3) Business Days after the same becomes due, any interest on any Loan or any fee due hereunder or any other amount payable hereunder or with respect to any other Loan Document; or

(b) *Specific Covenants.* The Borrower, any Restricted Subsidiary or Holdings, fails to perform or observe any term, covenant or agreement contained in any of Section 6.01(a), 6.01(b), 6.01(c), 6.02(a), 6.03(a) or 6.05(a) (solely with respect to the Borrower's legal existence), 6.16 (solely with respect to the Collateral Assignment of R&W Insurance Policy) or Article VII; *provided* that (i) a Default as a result of a breach of Section 6.01(a), 6.01(b), 6.01(c), or 6.02(a) shall not give rise to an Event of Default unless such breach continues for five (5) Business Days after the date on which written notice thereof is delivered by the Administrative Agent to the Borrower, and (ii) a Default as a result of a breach of Section 7.10 is subject to cure pursuant to Section 8.04; or

(c) *Other Defaults.* Any Loan Party or any Restricted Subsidiary fails to perform or observe any other covenant or agreement (not specified in clause (a) or (b) of this Section 8.01) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after the earlier of (i) date on which written notice thereof is delivered by the Administrative Agent to the Borrower and (ii) the date on which an executive officer of the Borrower has actual knowledge thereof; or

(e) *Cross-Default.* Any Loan Party or any Restricted Subsidiary (i) fails to make any payment beyond the applicable grace period with respect thereto, if any (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness (other than Indebtedness hereunder) having an outstanding aggregate principal amount of not less than the Threshold Amount, or (ii) fails to observe or perform any other agreement or condition relating to any Indebtedness having an outstanding aggregate principal amount of not less than the Threshold Amount, or any other event occurs (other than, with respect to Indebtedness consisting of Swap Contract termination events or equivalent events pursuant to the terms of such Swap Contracts), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem such Indebtedness to be made, prior to its stated maturity; *provided* that this clause (e) shall not apply to secured Indebtedness that becomes due as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; *provided further*, that any such failure under this clause (e) or is unremedied and is not waived by the holders of such Indebtedness prior to any termination of the Commitments or acceleration of the Loans pursuant to Section 8.02; or

(f) *Insolvency Proceedings, Etc.* Any Loan Party or any Material Subsidiary institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days, or an order for relief is entered in any such proceeding; or

(g) *Inability to Pay Debts; Attachment.* (i) Any Loan Party or any Material Subsidiary becomes unable or admits in writing its inability or fails generally to pay its debts as they become due, or (ii) any writ or warrant of attachment or execution or similar process is issued or levied against all or any material part of the property of the Loan Parties, taken as a whole, and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(h) *Judgments.* There is entered against any Loan Party or any Material Subsidiary a final judgment or order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by an indemnification obligation or independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(i) *Invalidity of Loan Documents.* Any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.04 or 7.05) or as a result of acts or omissions by the Administrative Agent or Collateral Agent or any Lender or the satisfaction in full of all the Obligations that are accrued and payable, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of any provision of any Loan Document or the validity or priority of a Lien as required by the Collateral Documents on a material portion of the Collateral; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a

result of repayment in full of the Obligations that are accrued and payable and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Loan Document; or

At any time prior to receipt by the Administrative Agent of the Collateral Assignment of R&W Insurance Policy, the Borrower fails to receive all proceeds of the R&W Insurance Policy within ten (10) Business Days of payment by the R&W Insurer (as defined in the Acquisition Agreement as in effect on the date hereof).

Section 8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent may and, at the written direction of the Required Lenders, shall take any or all of the following actions, subject to the terms of any Acceptable Intercreditor Agreement:

(a) declare all or any portion of the commitment of each Lender to make Loans to be terminated, whereupon such commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(c) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to Borrower under the Bankruptcy Code of the United States or under any other Debtor Relief Laws or any other Event of Default under clause (f) or (g) of Section 8.01, the obligation of each Lender to make Loans shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable and the obligation of the Borrower to Cash Collateralize the Letter of Credit Obligations shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations (including any amounts on account of any of Cash Management Liabilities), shall be applied by the Administrative Agent in the following order (to the fullest extent permitted by mandatory provisions of applicable Law):

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent, the Collateral Agent or the Revolving Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders and Issuing Banks (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause *Second* payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Third* payable to them;

Fourth, pro rata to payment of (i) that portion of the Obligations constituting unpaid principal of the Loans, (ii) to Cash Collateralize Letters of Credit (to the extent not otherwise Cash Collateralized pursuant to the terms of this Agreement) (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit) and (iii) any obligations of any Loan Party under Secured Hedge Agreements or Treasury Services Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Fourth* held by them;

Fifth, to the payment of all other Obligations of the Borrower that are due and payable to the Administrative Agent, the Revolving Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent, the Revolving Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Notwithstanding the foregoing, no amounts received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

Section 8.04 Borrower's Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 8.01 or 8.02, if the Borrower determines that an Event of Default under the covenant set forth in Section 7.10 has occurred with respect to any Test Period, the Sponsor may, upon notice to the Administrative Agent on or before the Cure Expiration Date, make a Designated Equity Contribution, and the amount of the Net Proceeds thereof shall be deemed, at the request of the Borrower, to increase Consolidated Adjusted EBITDA with respect to such applicable quarter and with respect to any future period that includes such fiscal quarter; *provided* that such Net Proceeds (i) are actually received by the Borrower as cash equity (including through capital contribution of such Net Proceeds to the Borrower) during the period commencing after the last day of the last fiscal quarter included in such Test Period by the Borrower and ending ten (10) Business Days after the date on

which financial statements are required to be delivered with respect to such fiscal quarter hereunder (the "**Cure Expiration Date**") and (ii) are Not Otherwise Applied. The parties hereby acknowledge that this clause (a) may not be relied on for purposes of calculating any financial ratios other than as applicable to Section 7.10 and shall not result in any adjustment to any baskets or other amounts other than the amount of the Consolidated Adjusted EBITDA for the purpose of Section 7.10 or increase in cash (and shall not be included for purposes of determining pricing, mandatory prepayments, baskets and the availability or amount permitted pursuant to any covenant under Article VII) with respect to the quarter with respect to which such Designated Equity Contribution was made other than the amount of the Consolidated Adjusted EBITDA for the purpose of Section 7.10.

(b) If, after giving effect to the foregoing recalculations, the Borrower shall then be in compliance with the requirements of Section 7.10, the Borrower shall be deemed to have satisfied the requirements of Section 7.10 as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable existing breach or default of Section 7.10 shall be deemed cured for all purposes of this Agreement. No Agent or other Secured Party may take any action to foreclose on, or take possession of, the Collateral, accelerate any Obligations, terminate any Commitments or otherwise exercise any rights or remedies under Section 8.04, any other provision of this Agreement or under any other Loan Document after the occurrence of any Event of Default under the covenant set forth in Section 7.10 and until the date that is the earlier of (1) the date on which the Cure Expiration Date has occurred without the Cure Amount having been received and designated and (2) the date that the Administrative Agent receives notice from the Borrower that there will not be a Cure Amount made for such fiscal quarter; provided that, during such time, no Lender shall be required to make any Loan hereunder and no Issuing Bank shall be required to issue any Letter of Credit hereunder. There shall be no requirement to use the proceeds of any Cure Amount to prepay any of the Facilities.

(c) (i) In each period of four consecutive fiscal quarters, there shall be at least two fiscal quarters in which no Designated Equity Contribution is made and no Designated Equity Contribution shall be made in consecutive fiscal quarters, (ii) no more than five Designated Equity Contributions may be made in the aggregate during the term of this Agreement, and there shall be no requirement to prepay any Indebtedness with the proceeds of Designated Equity Contributions (iii) the amount of any Net Proceeds of any Designated Equity Contribution shall be no more than the amount required to cause the Borrower to be in Pro Forma Compliance with Section 7.10 for any applicable period and (iv) there shall be no reduction in Indebtedness from the proceeds of such Designated Equity Contribution (either directly or through cash netting) with the proceeds of any Designated Equity Contribution for determining compliance with Section 7.10 for the fiscal quarter with respect to which such Designated Equity Contribution was made (other than, in any future four quarter period in which the Designated Equity Contribution is not being counted towards Consolidated Adjusted EBITDA, with respect to any portion of such Designated Equity Contribution that is actually applied to repay any Indebtedness).

ARTICLE IX.
Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of Agents.

(a) Each Lender and each Issuing Bank hereby irrevocably appoints (i) Monroe to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and (ii) Monroe to act on its behalf as the Revolving Agent hereunder and under the other Loan Documents and authorizes each Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms

of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto.

(b) Each of the Secured Parties hereby irrevocably appoints (i) Monroe to act on its behalf as the Collateral Agent hereunder and under the other Loan Documents and authorizes the Collateral Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto and (ii) to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of) such Secured Party for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent), shall be entitled to the benefits, protections and indemnities of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) as if set forth in full herein with respect thereto. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the Uniform Commercial Code or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral if such property is accorded treatment substantially equal to that which the Collateral Agent accords its own property.

(c) Without limiting the generality of the foregoing, each of the Lenders and the other Secured Parties hereby expressly authorize the Agents to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Acceptable Intercreditor Agreements or other intercreditor agreements or arrangements), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders and each other Secured Party. Each Secured Party hereby acknowledges and agrees that it will be bound by and will take no actions contrary to the provisions of any such intercreditor agreements or arrangements to the extent then in effect, and authorizes and instructs the Agents to enter into such intercreditor agreements or arrangements as an Agent and on behalf of such Secured Party.

(d) Each Issuing Bank shall act on behalf of the Revolving Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each Issuing Bank shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts or omissions of such Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and the Letter of Credit Documents pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX included such Issuing Bank with respect to such acts or omissions, and (ii) as additionally provided herein with respect to each Issuing Bank.

(e) Except as provided in Sections 9.09 and 9.11, the provisions of this Article IX are solely for the benefit of the Administrative Agent, the Collateral Agent, the Revolving Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions.

Section 9.02 Delegation of Duties. Each Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, sub-agent or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The exculpatory provisions of this Article shall apply to any such agents, sub-agents or attorneys-in-fact, and shall apply to their respective activities as Administrative Agent, Collateral Agent or the Revolving Agent. Neither the Administrative Agent nor the Revolving Agent shall be responsible for the negligence or misconduct of any agent, sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct (as determined in the final non-appealable judgment of a court of competent jurisdiction).

Section 9.03 Liability of Agents. No Agent shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct, as determined by the final non-appealable judgment of a court of competent jurisdiction), (b) except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity, (c) be responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent or (d) be responsible in any manner to any Secured Party for any representation or warranty made or deemed made by any Loan Party herein or in any other Loan Document, or in any certificate or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, the existence, value or collectability of the Collateral, any failure to monitor or maintain any part of the Collateral, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. No Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into or monitor, the list of Disqualified Lenders or the identities of, or enforce, compliance with, the list of Persons who are Disqualified Lenders, or any of the provisions hereof or any other Loan Document relating to Disqualified Lenders.

Section 9.04 Reliance by Agents. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice, direction or concurrence of the Required Lenders as it deems appropriate, and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request, direction or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders. The Lenders and

each other Secured Party agree not to instruct the Agents to take any action, or refrain from taking any action, that would, in each case, cause it to violate an express duty or obligation under this Agreement.

Section 9.05 Notice of Default. Neither the Administrative Agent nor the Revolving Agent shall be deemed to have knowledge or notice of the occurrence of any Default, except, in the case of the Administrative Agent, with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent or the Revolving Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders and the Revolving Agent of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed in writing by the Required Lenders in accordance with Article VIII; *provided* that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), *pro rata*, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final non-appealable judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or

any other Person. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by such Agent, as the case may be, in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that such Agent, as the case may be, is not reimbursed for such expenses by or on behalf of the Loan Parties. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation and removal of the Administrative Agent, the Collateral Agent or the Revolving Agent, as the case may be.

Section 9.08 Agents in Their Individual Capacities. (a) Monroe and its Affiliates may make loans to, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Borrower and its Affiliates as though Monroe were not the Administrative Agent or the Collateral Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Monroe or its Affiliates may receive information regarding the Borrower or its Affiliates (including information that may be subject to confidentiality obligations in favor of the Borrower or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them. With respect to its Loans and Commitments, Monroe and its Affiliates shall have the same obligations, rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent or the Collateral Agent and the terms "Lender" and "Lenders" include Monroe or such Affiliate, as applicable, in its capacity as a "Lender". Any successor to Monroe as the Administrative Agent or the Collateral Agent shall also have the rights attributed to Monroe under this paragraph; and (b) Monroe and its Affiliates may make loans to, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Borrower and its Affiliates as though Monroe were not the Revolving Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Monroe or its Affiliates may receive information regarding the Borrower or its Affiliates (including information that may be subject to confidentiality obligations in favor of the Borrower or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them. With respect to its Loans and Commitments, Monroe and its Affiliates shall have the same obligations, rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Revolving Agent and the terms "Lender" and "Lenders" include Monroe or such Affiliate, as applicable, in its capacity as a "Lender". Any successor to Monroe as the Revolving Agent shall also have the rights attributed to Monroe under this paragraph.

Section 9.09 Successor Agents. Each of the Administrative Agent, the Collateral Agent and the Revolving Agent may resign as the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, upon thirty (30) days' notice to the other Agents, the Lenders and the Borrower and if any Agent is a Defaulting Lender, the Borrower may remove such Defaulting Lender from such role upon ten (10) days' notice to the Lenders. If any Agent resigns under this Agreement or is removed by the Borrower, the Required Lenders, subject to the consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed) at all times other than after the occurrence and during the existence of an Event of Default under clause (f) or (g) of Section 8.01, shall appoint a successor Agent. If no successor agent is appointed prior to the effective date of the resignation or removal of the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, the Administrative Agent, in the case of a resignation and in consultation with the Borrower, and the Borrower, in the case of a removal and in consultation with the Required Lenders, may appoint a successor Agent. Upon the acceptance of its appointment as successor Agent hereunder, the Person acting as such successor shall succeed to all the

rights, powers and duties of the retiring Agent (other than any rights to reimbursement or indemnification that have accrued to the retiring Agent as to any actions taken or omitted to be taken by it while it was the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, under this Agreement) and the term "Administrative Agent", "Collateral Agent" or "Revolving Agent" shall mean such successor agent, and the retiring Agent's appointment, powers and duties as the Administrative Agent, the Collateral Agent or the Revolving Agent, as the case may be, shall be terminated. After the retiring Administrative Agent's, the Collateral Agent's or the Revolving Agent's resignation or removal hereunder, the provisions of this Article IX and the provisions of Sections 10.04 and 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, under this Agreement. If no successor agent has accepted appointment as the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, by the date which is thirty (30) days following the retiring Agent's notice of resignation or ten (10) days following the Borrower's notice of removal, as applicable, the retiring Agent's resignation shall nevertheless thereupon become effective and all payments, communications and determinations provided to be made by, to or through the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, shall instead be made by, to or through the Required Lenders, or in the case of the Revolving Agent or the Revolving Facility, the Required Revolving Lenders, until such time, if any, as the Required Lenders (or the Required Revolving Lenders, as applicable) or the Borrower, as applicable, appoint a successor agent as provided for above. Upon the acceptance of any appointment as an Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders or the Borrower may request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (b) otherwise ensure that Section 6.11 is satisfied, the successor Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent, Collateral Agent or Revolving Agent, as applicable, other than any rights to reimbursement or indemnification that have accrued to the retiring Agent as to any actions taken or omitted to be taken by it while it was the Administrative Agent, Collateral Agent or Revolving Agent, as applicable, under this Agreement, and the retiring Agent shall be discharged from its duties and obligations under the Loan Documents. After the retiring Agent's, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding relative to any Loan Party under any Debtor Relief Law, the Administrative Agent (irrespective of whether the principal of any Loan or in respect of any Letter of Credit Obligations shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower, the Collateral Agent or the Revolving Agent) shall be (to the fullest extent permitted by mandatory provisions of applicable Law) entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loan, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Agents and their respective agents and counsel and all other amounts due to the Lenders, the Collateral Agent, the Revolving Agent and the Administrative Agent under Sections 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, curator, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Agents and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Agents any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Agents under Sections 2.09, 10.04 and 10.05.

Nothing contained herein shall be deemed to authorize the Agents to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Agents to vote in respect of the claim of any Lender in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the written direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or the comparable provisions of the Canadian Insolvency Laws or any similar laws in any other jurisdictions to which a Loan Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving pro forma effect to the limitations on actions by the Required Lenders contained in Section 10.01 (other than clause (a)(vi) thereof)), (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle *pro rata* by the Lenders, as a result of which each of the Lenders shall be deemed to have received a *pro rata* portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 9.11 Collateral and Guaranty Matters.

(a) Each Agent, each Lender (and for purposes of this Section 9.11 only, "Lenders" shall be deemed to include each Issuing Bank and each Approved Counterparty) and each other Secured Party irrevocably authorizes the Administrative Agent and Collateral Agent to be the agent for and representative of the Secured Parties with respect to the Guaranty, the Collateral and the Collateral Documents and agrees that, notwithstanding anything to the contrary in any Loan Document:

(i) any Lien on any property granted to or held by any Agent or in favor of any Secured Party under any Loan Document or otherwise shall be automatically released and each Secured Party irrevocably authorizes and directs such Agent to enter into, and each agrees that it will enter into, the necessary or advisable documents requested by the Borrower and associated therewith, upon the occurrence of any of the following events,

(A) the termination of the Commitments and payment in full in cash of all the Obligations (other than obligations under Treasury Services Agreements or Secured Hedge Agreements and indemnification and other contingent obligations as to which no claim has been asserted),

(B) a transfer of the property subject to such Lien as part of, or in connection with, a transaction (other than a lease) that is permitted (or not prohibited) by the terms of the Loan Documents to any Person that is not a Loan Party;

(C) with respect to property owned by any Guarantor or with respect to which any Guarantor has rights, the release of such Guarantor from its obligations under its Guaranty in connection with an event described in clause (ii) below;

(D) the approval, authorization or ratification of the release of such Lien by the Required Lenders or by such percentage of the Lenders as may be required pursuant to Section 10.01;

(E) such property becoming an Excluded Asset or an asset owned by an Excluded Subsidiary;

(F) as to the assets owned by any Subsidiary Guarantor that becomes an Excluded Subsidiary, upon such Subsidiary Guarantor becoming an Excluded Subsidiary and released from its guaranty in accordance with (ii) below;

(G) any such property becoming subject to a securitization financing permitted hereunder to the extent required by the terms of such securitization financing; or

(H) upon the request of the Borrower it will release or subordinate any Lien on any property granted to or held by any Agent under any Loan Document to the holder of any Lien on such property that is permitted by clause (e) or (i) of Section 7.01 and may, in its discretion, enter into subordination or nondisturbance agreements with respect to Liens permitted by clauses (s) and (u) of Section 7.01;

(ii) subject in all cases to Section 11.09, a Subsidiary Guarantor will be automatically released from its obligations under the Guaranty upon (i) such Subsidiary Guarantor ceasing to be a Restricted Subsidiary of the Borrower or (ii) becoming an Excluded Subsidiary as a result of a transaction or designation permitted hereunder (*provided* that no such release shall occur if such Guarantor continues to be a guarantor or obligor in respect of any Permitted Ratio Debt,

Incremental Equivalent Debt, Credit Agreement Refinancing Debt or Acquisition Incurrence Debt, or any Permitted Refinancing in respect thereof), and each Secured Party irrevocably authorizes and directs each Agent to enter into, and each Agent agrees it will enter into, the necessary and advisable documents requested by the Borrower to (1) release (or acknowledge the release of) such Subsidiary Guarantor from its obligations under the Guaranty and (2) release (or acknowledge the release of) any Liens granted by such Subsidiary or Liens on the Equity Interests of such Subsidiary;

(iii) any Agent may, without any further consent of any Lender, enter into an Acceptable Intercreditor Agreement or other intercreditor agreement or arrangement with the providers of or any Debt Representative with respect to Indebtedness that is secured by a Lien on the Collateral that is not prohibited (including with respect to priority) under this Agreement, including in order to permit such Indebtedness to be secured by a valid, perfected lien (with such priority as may be designated by the Borrower or relevant Subsidiary, to the extent such priority is permitted by the Loan Documents);

(iv) the Administrative Agent and the Collateral Agent will exclusively exercise the rights and remedies under the Loan Documents, and neither the Lenders nor any other Secured Party will have any right to realize upon any of the Collateral, enforce any Guarantee or exercise any other rights and remedies under the Loan Documents (other than the Required Lenders exercising such rights and remedies through such Agent); provided that the foregoing shall not preclude any Lender from exercising any right of set-off in accordance with the provisions of Section 10.09, enforcing compliance with the provisions set forth in Section 10.01(b) or from exercising rights and remedies (other than the enforcement of Collateral) with respect to any payment default after the occurrence of the Maturity Date with respect to any Loans made by it or filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and

(v) the Administrative Agent and the Collateral Agent may grant extensions of time for the creation, perfection or priority of any security interests in or the obtaining of title insurance, surveys and other documents with respect to particular assets (including extensions beyond the Closing Date for the creation, perfection or priority of security interests in the assets of the Loan Parties on such date) where it reasonably determines, in consultation with the Borrower, that creation, perfection or priority cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Agreement or the other Loan Documents.

(b) Each Agent, each Lender and each other Secured Party agrees that (i) it will promptly take (and directs each Agent to take) such action and execute any such documents as may be reasonably requested by the Borrower, at the Borrower's sole cost and expense, in connection with the events described in the preceding clauses (a)(i) and (a)(ii), (ii) such actions are not discretionary and (iii) such actions may include, as applicable, (A) executing (if required) and delivering to the Loan Parties (or any designee of the Loan Parties) any such lien releases, mortgage releases, discharges of security interests, pledges and guarantees and other similar discharge or release documents, as are reasonably requested by a Loan Party in connection with the release, as of record, of the applicable Liens (and all notices of security interests and Liens previously filed) or the release of any applicable Guarantee and (B) delivering to the Loan Parties (or any designee of the Loan Parties) all instruments evidencing pledged debt and all equity certificates and any other collateral previously delivered in physical form by (or on behalf of) the Loan Parties to a Secured Party (or its designee).

(c) In connection with the events described in the preceding clauses (a)(i) and (a)(ii), each Agent shall be entitled to rely and shall rely exclusively on an officer's certificate of the Borrower (which

may be delivered prior to the consummation of any applicable event or transaction) confirming that (a) such event (or the conditions to any such event) has occurred or will, upon consummation of one or more transactions, occur and (b) that such event or transaction is permitted (or not prohibited) by the Loan Documents. Each Secured Party irrevocably authorizes and irrevocably directs the Agents to rely on such certificate and the Agents will not have any liability whatsoever to any Secured Party as a result of such reliance.

(d) Each of the Lenders and the other Secured Parties agree not to give any Agent any instruction or direction inconsistent with the provisions of this Section 9.11.

Section 9.12 Withholding Tax Indemnity. To the extent required by any applicable Law, the Administrative Agent and/or the Revolving Agent (as applicable) may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent and/or the Revolving Agent (as applicable) did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent and/or the Revolving Agent (as applicable) of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within ten (10) days after written demand therefor, indemnify and hold harmless the Administrative Agent and/or the Revolving Agent (as applicable) (to the extent that the Administrative Agent and/or the Revolving Agent (as applicable) has not already been reimbursed by a Loan Party pursuant to Sections 3.01 and 3.04 and without limiting or expanding the obligation of the Loan Party to do so) for all amounts paid, directly or indirectly, by the Administrative Agent and/or the Revolving Agent (as applicable) as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent and/or the Revolving Agent (as applicable) shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent and/or the Revolving Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent and/or the Revolving Agent under this Section 9.12. The agreements in this Section 9.12 shall survive the resignation and/or replacement of the Administrative Agent and/or the Revolving Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all Obligations.

Section 9.13 Appointment of Supplemental Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent, the Collateral Agent or the Revolving Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent, the Collateral Agent and the Revolving Agent are hereby authorized to appoint an additional individual or institution selected by the Administrative Agent, the Collateral Agent or the Revolving Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, revolving agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Agent**" and collectively as "**Supplemental Agents**").

(b) In the event that the Collateral Agent appoints a Supplemental Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Agent to the extent, and only to the extent, necessary to enable such Supplemental Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Agent shall run to and be enforceable by either the Collateral Agent or such Supplemental Agent, and (ii) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Agent and all references therein to the Collateral Agent shall be deemed to be references to the Collateral Agent and/or such Supplemental Agent, as the context may require.

Should any instrument in writing from any Loan Party be required by any Supplemental Agent so appointed by the Administrative Agent, the Collateral Agent or the Revolving Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, such Loan Party shall execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent, the Collateral Agent or the Revolving Agent. In case any Supplemental Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Agent.

Section 9.14 ERISA Matters. Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent, the Revolving Agent, the Arranger and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower, Holdings or any of the Subsidiary Guarantors, that at least one of the following is and will be true:

(a) such Lender is not using "plan assets" (within the meaning of C.F.R. Section 2510.3-101, as modified by Section 3(42) of ERISA) with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(b) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), and the conditions for exemptive relief thereunder will be satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(c) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with

respect to, and the conditions for exemptive relief under PTE 84-14 will be satisfied in connection with, such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(d) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender to the effect that such Lender's entrance into, participation in, administration of and performance of the Term Loans and this Agreement will not give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

In addition, unless clause (a) above is true with respect to a Lender or a Lender has provided another representation, warranty and covenant as provided in clause (d) above, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent, the Revolving Agent, each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower, Holdings or any of the Subsidiary Guarantors, that none of the Administrative Agent, the Revolving Agent, any Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent or the Revolving Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 9.15 Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender, Issuing Bank or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (any such Lender, Issuing Bank, Secured Party or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank, Secured Party or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent pending its return or repayment as contemplated below in this Section 9.15(a) and held in trust for the benefit of the Administrative Agent, and such Lender, Issuing Bank or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank, Secured Party or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, Issuing Bank or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, Issuing Bank or Secured Party shall use commercially reasonable efforts to (and shall use commercially reasonable efforts to cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.15(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 9.15(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.15(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender, Issuing Bank or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuing Bank or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, Issuing Bank or Secured Party under any Loan Document with respect to any payment of principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d) (i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance)), and is hereby

(together with the Borrower) deemed to execute and deliver an Assignment and Assumption with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender, (D) the Administrative Agent and the Borrower shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 9.04 (but excluding, in all events, any assignment consent or approval requirements (whether from the Borrower or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, Issuing Bank or Secured Party, to the rights and interests of such Lender, Issuing Bank or Secured Party, as the case may be) under the Loan Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") (provided that the Loan Parties' Obligations under the Loan Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party; provided that this Section 9.15 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised

of funds received by the Administrative Agent from or on behalf of any Loan Party for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 9.15 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

ARTICLE X.
Miscellaneous

Section 10.01 Amendments, Etc. Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than (x) with respect to any amendment or waiver contemplated in Sections 10.01(a) through (h) below, which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders and (y) with respect to the Fee Letter, which may be amended with only the consent of the respective parties thereto) (or by the Administrative Agent with the consent of the Required Lenders) and the Borrower, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that:

(a) no such amendment, waiver or consent shall:

(i) extend or increase the Commitment of any Lender or extend the final expiration date of any Letter of Credit beyond the Letter of Credit Expiration Date, without the written consent of each Lender directly and adversely affected thereby (it being understood that a waiver of (or amendment of the terms of) any condition precedent or of any Default, Default Rate, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(ii) postpone any date scheduled for, or reduce or forgive the amount of, any payment of principal or interest under Section 2.07 or 2.08 (subject to clauses (e) and (f) of this Section 10.01) without the written consent of each Lender holding the applicable Obligation directly and adversely affected thereby (it being understood that the waiver of (or amendment of the terms of) any condition precedent or of any Default, Event of Default, mandatory prepayment, mandatory reduction of the Commitments or any change to the definition of any financial ratio used to determine any pricing grid or in the component definitions of such financial ratio shall not constitute such a postponement, reduction or forgiveness);

(iii) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan or (subject to clauses (e) and (f) of this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document (or change the timing of payments of such fees or other amounts) without the written consent of each Lender holding such Loan, or to whom such fee or other amount is owed (it being understood that (A) any change to the definition of any

financial ratio used to determine any pricing grid or in the component definitions of such financial ratio shall not constitute such a reduction, forgiveness or postponement, (B) only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate", (C) only the consent of the Required Facility Lenders or, solely with respect to the Revolving Facility, the Required Revolving Lenders, shall be necessary to waive any obligation of the Borrower to pay interest at the Default Rate or to waive any obligation of the Borrower to pay interest at the Default Rate and (D) the waiver of (or amendment of the terms of) any condition precedent or of any Default, Event of Default, mandatory prepayment, mandatory reduction of the Commitments or any change to the definition of any financial ratio used to determine any pricing grid or in the component definitions of such financial ratio shall not constitute such a reduction, forgiveness or postponement);

(v) change any provision of Section 8.03 or this Section 10.01 or the definition of "Required Revolving Lenders," "Required Lenders," "Required Facility Lenders" or "Required Class Lenders" or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender directly and adversely affected thereby;

(b) the consent of each Lender shall be required to:

(i) other than in connection with a transaction permitted under Section 7.04 or 7.05 or otherwise expressly provided herein or in any other Loan Document, release all or substantially all of the Collateral in any transaction or series of related transactions; or

(ii) other than in connection with a transaction permitted under Section 7.04 or 7.05 or otherwise expressly provided herein or in any other Loan Document, release all or substantially all of the aggregate value of the Guaranty;

(c) no amendment, waiver or consent shall, unless in writing and signed by:

(i) the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, in addition to the Lenders required above, amend, modify or otherwise affect the rights or duties of, or any fees or other amounts payable to, such Agent, under this Agreement or any other Loan Document; and

(ii) the Issuing Bank in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Issuing Bank under this Agreement, any Issuance Notice or any other Loan Document relating to any Letter of Credit issued or to be issued by it;

(d) the consent of only the parties thereto (and not any other Person), shall be required to waive, amend or otherwise modify the Fee Letter;

(e) the consent of the Required Revolving Lenders and the Revolving Agent only (and not the Required Lenders or any other Lenders) shall be required to (i) waive any condition set forth in Section 4.03

as to any Borrowing under the Revolving Facilities; or (ii) amend, waive or otherwise modify any term or provision which directly and adversely affects Lenders under the Revolving Facility and does not directly and adversely affect Lenders under any other Facility (including any provision of the Applicable Rate as applied to the Revolving Facility);

(f) the consent of only the Required Class Lenders (and not the Required Lenders or any other Lenders) shall be required to amend, waive or otherwise modify any term or provision which directly and adversely affects the Lenders under such Class and does not directly and adversely affect Lenders under any other Class (including any provision of the Applicable Rate as applied to such Class); and

(g) [reserved];

(h) Section 10.07(i) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification;

(i) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Borrower, the Administrative Agent and, solely with respect to any additional revolving credit facilities, the Revolving Agent, (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the "Required Lenders";

(j) this Agreement may be amended with the written consent of the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing, replacement or exchange of all outstanding Term Loans of any Class ("**Refinanced Loans**") with replacement term loans ("**Replacement Loans**") hereunder; *provided* that

(i) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Refinanced Loans (plus (i) the amount of all unpaid, accrued, or capitalized interest, penalties, premiums (including tender premiums), and other amounts payable with respect to any such Refinanced Loans and (ii) underwriting discounts, fees, commissions, costs, expenses and other amounts payable with respect to such Replacement Loans);

(ii) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Loans at the time of such refinancing (except by virtue of amortization or prepayment of the Refinanced Loans prior to the time of such incurrence);

(iii) (x) after giving effect to such Replacement Loans, the conditions of Sections 4.03(i) and (ii) shall be satisfied or waived by the applicable Lenders providing such Replacement Loans and (y) to the extent reasonably requested by the applicable Lenders providing such Replacement Term Loans, the Administrative Agent shall have received (A) customary legal opinions, board resolutions and officers' certificates (including solvency certificates) consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the applicable Lenders providing such Replacement Loans and (B) reaffirmation agreements and/or such amendments to the Collateral Documents as may be

reasonably requested by the applicable Lenders providing such Replacement Loans in order to ensure that such Lenders are provided with the benefit of the applicable Loan Documents; and

(iv) any such Replacement Loans shall be on terms and conditions that are substantially identical to, or, taken as a whole, not materially more favorable to the lenders or holders providing such Indebtedness than, those applicable to such Refinanced Loans, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment (except (1) for terms and conditions applicable only to periods after the Latest Maturity Date of the Term Loans at the time of incurrence, and (2) any term or condition to the extent such term or condition is also added for the benefit of the Lenders under the Term Loans) and shall not have the direct effect of changing (either by amendment of existing or insertion of new provisions) the pro rata sharing amongst Lenders in a manner that would result in a Lender receiving less than its pro rata share of the relevant payments without the consent of such Lender; provided that a certificate of a Responsible Officer delivered to the Administrative Agent at least four (4) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the incurrence of such Replacement Loans, together with a reasonably detailed description of the material covenants and events of default of such Indebtedness or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this clause (C) shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent notifies the Borrower within such four (4) Business Day (or shorter) period that it disagrees with such determination (including a description of the basis upon which it disagrees)); *provided* further that this subclause (iii) will not apply to (w) terms addressed in the other clauses of this clause (j), (x) interest rate, rate floors, fees, funding discounts and other pricing terms and optional prepayment provisions, (y) redemption, prepayment or other premiums, and (z) optional prepayment or redemption terms. For the avoidance of doubt, any Affiliated Lender that provides any Replacement Loans shall be subject to the limitations on Affiliated Lenders set forth in Section 10.07(l) (including the Affiliated Lender Cap); and

(v) each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this clause (v) shall supersede any other provisions in this Section 10.01 to the contrary;

(k) no amendment, waiver or other modification shall, unless signed or otherwise approved in writing by the Revolving Agent and the applicable Revolving Lenders party thereto, (x) result in Obligations under any Treasury Service Agreement becoming unsecured (other than releases of Liens permitted in accordance with the terms hereof) or (y) amend or modify the definition of "Treasury Services Agreement" or "Cash Management Liabilities", in each case, in a manner materially adverse to the Revolving Agent or the applicable Revolving Lenders party thereto.

Notwithstanding anything to the contrary herein or in any other Loan Document,

1) no Defaulting Lender or Limited Voting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lender(s) other than Defaulting Lenders or Limited Voting Lenders), except that (x) the Commitment of any Defaulting Lender or Limited Voting Lender may not be increased or extended without the consent of such Lender, (y) any waiver, amendment or modification affecting such Defaulting Lender or Limiting Voting Lender of the type described in clause (a)(iii) of this Section 10.01 shall require the

consent of such Defaulting Lender or Limited Voting Lender, and (z) any waiver, amendment or modification that by its terms adversely affects any Defaulting Lender or Limited Voting Lender (if such Lender were not a Defaulting Lender or Limited Voting Lender) to a greater extent than other affected Lenders shall require the consent of such Defaulting Lender or Limited Voting Lender.

2) no Lender consent is required to effect any amendment or supplement to any Acceptable Intercreditor Agreement or other intercreditor agreement or arrangement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness thereto (it being understood that any such amendment or supplement may make such other changes as, in the good faith determination of the Administrative Agent and the Borrower, are required to effectuate the foregoing).

3) this Agreement and any other Loan Document may be amended solely with the consent of the Administrative Agent and the Borrower, if such amendment is delivered in order (x) to correct or cure ambiguities, errors, omissions and defects, (y) to effect administrative changes of a technical or immaterial nature or (z) to fix incorrect cross references or similar inaccuracies in this Agreement or the applicable Loan Document.

The Collateral Documents and related documents in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended, supplemented and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities, omissions, mistakes or defects or (iii) to cause such Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents.

Notwithstanding anything in this Agreement or any other Loan Document to the contrary, the Borrower and the Administrative Agent (and the Revolving Agent, with respect to any Incremental Revolving Facilities, Refinancing Revolving Loans, Refinancing Revolving Commitments, Extended Revolving Loans, or Extended Revolving Commitments), may enter into any Incremental Amendment in accordance with Section 2.14, Refinancing Amendment in accordance with Section 2.15 and Extension Amendment in accordance with Section 2.16 and such Incremental Amendments, Refinancing Amendments and Extension Amendments shall be effective to amend the terms of this Agreement and the other applicable Loan Documents, in each case, without any further action or consent of any other Person.

Section 10.02 Notices and Other Communications; Facsimile Copies.

(a) *General.* Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Loan Document shall be in writing (including by facsimile transmission and electronic mail). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower (or any other Loan Party) or the Administrative Agent, the Collateral Agent or the Revolving Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower and the Administrative Agent, the Collateral Agent or the Revolving Agent.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit in the mails, postage prepaid and properly addressed; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail (which form of delivery is subject to the provisions of Section 10.02(c)), when delivered (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient); *provided* that notices and other communications to the Administrative Agent, the Collateral Agent and the Revolving Agent pursuant to Article II shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) *Effectiveness of Facsimile Documents and Signatures.* Loan Documents may be transmitted and/or signed by facsimile or other electronic communication. The effectiveness of any such documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on all Loan Parties, the Agents and the Lenders.

(c) *Reliance by Agents and Lenders.* The Administrative Agent, the Collateral Agent, the Revolving Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of such Agent-Related Person's or such Lender's gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction. All telephonic notices to the Administrative Agent, Collateral Agent or Revolving Agent may be recorded by the Administrative Agent, the Collateral Agent or the Revolving Agent, and each of the parties hereto hereby consents to such recording.

(d) *Electronic Communications*. Notices and other communications to the Lenders hereunder may be delivered or furnished by FpML messaging and Internet or intranet websites pursuant to procedures approved by the Administrative Agent acting reasonably, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by such communication. The Administrative Agent or the Borrower may each, in its discretion, agree to accept notices and other communications to it hereunder by FpML messaging and Internet or intranet websites pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address of notification that such notice or communication is available and identifying the website address therefor.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent, the Collateral Agent or Revolving Agent to exercise, and no delay by any such Person in exercising,

any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Section 10.04 Attorney Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Agents and the Arranger for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby (including (x) any such costs and expenses in connection with the preparation, negotiation and execution of any documentation to effect the resignation or removal of the Revolving Agent (including, without limitation, the replacement of Monroe as the initial Revolving Agent and the assignment to, and acceptance by, a successor Revolving Agent and any assignment of the Revolving Commitment and Revolving Loans) and any other amendment, waiver, consent or other modification in connection therewith, and (y) all Attorney Costs, which shall be limited to one counsel to the Agents and the Arranger and one local counsel to the Agents and the Arranger as reasonably necessary in each relevant jurisdiction material to the interests of the Lenders taken as a whole) and (b) from and after the Closing Date, to pay or reimburse the Agents and the Lenders for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all respective Attorney Costs which shall be limited to Attorney Costs of one counsel to the Agents and the Lenders and one local counsel to the Agents and the Lenders as reasonably necessary in each relevant jurisdiction material to the interests of the Lenders taken as a whole and, solely in the case of an actual or perceived conflict of interest where each group of indemnified persons similarly affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, one additional counsel in each material relevant jurisdiction (which may be a single counsel for multiple jurisdictions) to the affected parties that are similarly situated, in each case, to the extent reasonably necessary). The foregoing costs and expenses shall include all reasonable and documented out-of-pocket search, filing, recording and title insurance charges and fees related thereto, and other reasonable and documented out-of-pocket expenses incurred by any Agent. The agreements in this Section 10.04 shall survive the resignation and removal of any Agent, the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within thirty (30) days of receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail including, if requested by the Borrower and to the extent reasonably available, backup documentation supporting such reimbursement request; *provided* that with respect to the Closing Date, all amounts due and payable under this Section 10.04 shall be paid on the Closing Date solely to the extent invoiced to the Borrower within two (2) Business Days of the Closing Date. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent or the Revolving Agent in their sole discretion. For the avoidance of doubt, this Section 10.04 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

Section 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless each Agent-Related Person, each Lender and their respective Affiliates and their respective

officers, directors, employees, partners, agents, advisors and other representatives of each of the foregoing (collectively the "**Indemnitees**") from and against any and all liabilities (including Environmental Liabilities), obligations, losses, damages, penalties, claims, disputes, investigations, demands, actions, judgments, suits, costs, expenses and disbursements (including Attorney Costs but limited in the case of legal fees and expenses to the reasonable and documented out-of-pocket fees and disbursements of one counsel to the Indemnitees taken as a whole and, if reasonably necessary, one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interests of the Lenders, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of similarly situated affected Indemnitees) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or the consummation of the transactions contemplated thereby, (b) any Commitment or Loan or the use or proposed use of the proceeds therefrom or (c) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the "**Indemnified Liabilities**") in all cases, whether or not caused by or arising, in whole or in part, out of the negligence (other than gross negligence) of the Indemnitee; *provided* that, notwithstanding the foregoing, such indemnity shall not be available to the extent resulting from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its Affiliates or their respective directors, officers, employees, partners, agents, advisors or other representatives, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or of any of its Affiliates or their respective directors, officers, employees, partners, advisors or other representatives, as determined by a final non-appealable judgment of a court of competent jurisdiction, or (z) any dispute solely among Indemnitees (other than any claims against an Indemnitee in its capacity or in fulfilling its role as an Agent, Arranger or similar role). No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnitee, Loan Party or any Subsidiary have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); it being agreed that this sentence shall not limit the indemnification obligations of the Loan Parties. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, any Subsidiary of a Loan Party, any of their respective directors, stockholders or creditors or an Indemnitee or any other Person and whether or not any Indemnitee is otherwise a party thereto. All amounts due under this Section 10.05 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided*, *however*, that such Indemnitee shall promptly refund the amount of any payment to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification rights with respect to such payment pursuant to the express terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation and removal of any Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

Section 10.06 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be

fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall, to the fullest extent possible under provisions of applicable Law, be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate *per annum* equal to the applicable Overnight Rate from time to time in effect, in the applicable currency of such recovery or payment.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as permitted by Section 7.04) and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee pursuant to an assignment made in accordance with the provisions of Section 10.07(b) (such an assignee, an "**Eligible Assignee**"), (ii) by way of participation in accordance with the provisions of Section 10.07(f), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(h), or (iv) to an SPC in accordance with the provisions of Section 10.07(i) (and any other attempted assignment or transfer by any party hereto shall be null and void); *provided*, *however*, that notwithstanding anything to the contrary, (w) no Lender may assign or transfer by participation any of its rights or obligations hereunder to (A) any Person that is a Defaulting Lender, (B) any Person that is a Specified Disqualified Lender, (C) unless a Specified Event of Default has occurred and is continuing, any Disqualified Lender (other than a Specified Disqualified Lender), (D) a natural Person, or (E) Holdings, the Borrower or any of their respective Subsidiaries (except pursuant to Section 10.07(k)), (x) no Lender may assign any of its rights or obligations under the Term Loans hereunder without the prior written consent of the Borrower (not to be unreasonably withheld or delayed) unless such assignment or transfer is to a Lender or an Affiliate of a Lender or an Approved Fund of a Lender, subject to subpart (z) below, (y) no Lender may assign any of its rights or obligations under the Revolving Commitments or Revolving Exposure hereunder without the prior written consent of the Borrower (not to be unreasonably withheld or delayed) unless such assignment is to a Revolving Lender, an Affiliate of such Revolving Lender or an Approved Fund of such Revolving Lender and (z) a Lender may assign or transfer by participation any of its rights or obligations hereunder without the prior written permission of the Borrower if an Event of Default under Section 8.01(a) or, with respect to a Loan Party, clause (f) or (g) of Section 8.01 has occurred and is continuing; *provided* that, in respect of the foregoing subparts (x) and (y), the Borrower shall be deemed to have consented to any assignment of Term Loans, Revolving Commitments or Revolving Exposure, as applicable, unless the Borrower shall have objected thereto in writing within ten (10) Business Days after having received a written request from the Administrative Agent for such consent. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(f) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement. The Administrative Agent or the Revolving Agent (each in its capacity as such) shall have no responsibility or liability for monitoring or enforcing the list of Disqualified Lenders or for any assignment of any Loan or Commitment or for the sale of any participation, in either case, to a Disqualified Lender. The schedule of Disqualified Lenders shall be made available by the Administrative Agent to the Revolving Agent and any Lender that requests a copy thereof. To the extent that any assignment is purported to be made to a Disqualified Lender, such transaction shall be subject to the applicable provisions of Section 10.10.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower; *provided* that no consent of the Borrower shall be required for any assignments permitted under subparts (x), (y) and (z) of the first proviso to Section 10.07(a);

(B) the Administrative Agent (such consent not to be unreasonably withheld conditioned or delayed); *provided* that no consent of the Administrative Agent shall be required for an assignment (i) of all or any portion of a Term Loan to a Term Lender, an Affiliate of a Term Lender or an Approved Fund of a Term Lender or (ii) of all or any portion of a Revolving Commitment or Revolving Exposure to a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund of a Revolving Lender;

(C) each Issuing Bank, solely with respect to assignments of Revolving Commitment or Revolving Exposure (such consent not to be unreasonably withheld conditioned or delayed); and

(D) the Revolving Agent, solely with respect to assignments of all or any portion of a Revolving Loan, Revolving Commitment or Revolving Exposure (such consent not to be unreasonably withheld conditioned or delayed); *provided* that no consent of the Revolving Agent shall be required for an assignment of all or any portion of a Revolving Commitment or Revolving Exposure to a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund of a Revolving Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than an amount of C$2,500,000 (in the case of Revolving Commitments or Revolving Exposure), C$1,000,000 (in the case of a Term Loan), and shall be in increments of an amount of C$1,000,000 in excess thereof (*provided* that simultaneous assignments to or from two or more Approved Funds shall be aggregated for purposes of determining compliance with this Section 10.01(b)(ii)(A)), unless each of the Borrower and the Administrative Agent, and with respect to assignments of any Revolving Loans or Revolving Commitments, the Revolving Agent otherwise consents; *provided* that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall manually execute and deliver to the Administrative Agent an Assignment and Assumption (or if previously agreed with the Administrative Agent, via an electronic settlement system acceptable to the Administrative Agent) (with a copy to the Revolving Agent for any assignments involving Revolving Loans or Revolving Commitments), together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the

Administrative Agent); *provided* that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Approved Funds; and

(C) other than in the case of assignments pursuant to Section 10.07(k), the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent (with a copy to the Revolving Agent) an Administrative Questionnaire (in which the assignee shall designate one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Affiliates or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including federal and state securities laws) and all applicable tax forms (including any United States Tax Compliance Certificate, as applicable) required pursuant to Section 3.01(d).

(iii) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make (or cause to be made) such additional payments to the Administrative Agent or the Revolving Agent (as applicable) in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower, the Administrative Agent and the Revolving Agent (as applicable), the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, the Revolving Agent or any Lender hereunder (and interest accrued thereon) and (B) acquire (and fund as appropriate) its full Pro Rata Share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to clauses (d) and (e) of Section 10.07, from and after the effective date specified in each Assignment and Assumption, (1) other than in connection with an assignment pursuant to Section 10.07(k), the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (2) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(f).

(d) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption, each Affiliated Lender Assignment and Assumption, and each notice of cancellation of any Loans delivered by the Borrower pursuant to Section 10.07(k) and a register for the recordation of the names and addresses

of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans and Letter of Credit Obligations (specifying the Reimbursement Obligations), Letter of Credit Borrowings and other amounts due under Section 2.04 owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The Administrative Agent shall provide copies and access to the Register from time to time as reasonably requested by the Revolving Agent. The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to such Lender's own interest only, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(d) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of Term Loans or Incremental Term Loans held by Affiliated Lenders.

(e) Upon its receipt of, and consent to, a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 10.07(b)(ii)(B) above, if applicable, and the written consent of the Administrative Agent, if required, and, if required, the Borrower to such assignment and any applicable tax forms (including any United States Tax Compliance Certificate, as applicable) required pursuant to Section 3.01(d), the Administrative Agent shall promptly (i) accept such Assignment and Assumption and (ii) record the information contained therein in the Register. No assignment shall be effective unless it has been recorded in the Register as provided in this clause (e).

(f) Any Lender may at any time sell participations to any Person, subject to subpart (w) of the proviso to Section 10.07(a) (each, a "**Participant**"), in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to vote or approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 10.01(a) or Section 10.01(b) that requires the affirmative vote of such Lender. Subject to Section 10.07(g), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections, including requirements under Section 3.01(d)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(c). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement and other Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant

Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the United States Treasury regulations (or, in each case, any amended, successor or final version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) or the Revolving Agent (in its capacity as Revolving Agent) shall have no responsibility for maintaining a Participant Register.

(g) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(h) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(i) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof, shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 and 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500 and the Administrative Agent's acknowledgment, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(j) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Notes, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender

from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(k) Any Lender may, so long as no Event of Default has occurred and is continuing or would result therefrom and no proceeds of Revolving Loans are applied to fund the consideration for any such assignment, at any time, assign all or a portion of its rights and obligations with respect to Term Loans under this Agreement to Holdings, the Borrower or any of its Subsidiaries through (x) Dutch auctions open to all Lenders on a *pro rata* basis or (y) notwithstanding any other provision in this Agreement, open market purchase on a *pro rata* basis; *provided* that (i) any Term Loans acquired by Holdings, the Borrower or any of its Subsidiaries shall, to the extent permitted by applicable Law, be retired and cancelled promptly upon the acquisition thereof, (ii) upon any such retirement and cancellation, the aggregate outstanding principal amount of the Term Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans so retired and cancelled, and (iii) each principal repayment installment with respect to the Term Loans of such Class shall be reduced *pro rata* by the full par value of the aggregate principal amount of Term Loans so retired and cancelled.

(l) Any Lender may, so long as no proceeds of Revolving Loans are applied to fund the consideration for any such assignment, at any time, assign all or a portion of its rights and obligations with respect to Term Loans and Term Commitments under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender or a Debt Fund Affiliate through (x) Dutch auctions open to all Lenders on a *pro rata* basis or (y) open market purchases on a *pro rata* basis, in each case subject to the following limitations:

(i) in the case of any such assignment to a Non-Debt Fund Affiliate, the Administrative Agent shall have been provided an assignment agreement substantially in the form of Exhibit J-1 hereto (an "**Affiliated Lender Assignment and Assumption**") and a notice in the form of Exhibit J-2 to this Agreement;

(ii) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders shall not exceed 25% of the aggregate principal amount of all Term Loans at such time outstanding (such percentage, the "**Affiliated Lender Cap**")*; provided* that to the extent any assignment to such an Affiliated Lender would result in the aggregate principal amount of all Term Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*;

(iii) no Affiliated Lender or Debt Fund Affiliate will be required to represent or warrant that they are not in possession of non-public information with respect to Holdings, the Borrower and/or any Subsidiary thereof and/or their respective securities in connection with any assignment permitted by this Section 10.07(l);

(iv) each Person (other than any Affiliated Lender) that (A) sells any Term Loans to an Affiliated Lender and (B) buys any Term Loan from any Affiliated Lender shall deliver to the Administrative Agent and the Borrower a Big Boy Letter;

(v) Affiliated Lenders shall not account for more than 49% of the aggregate number of Lenders; and

(vi) any Term Loans acquired by any Non-Debt Fund Affiliate may be contributed, with the Borrower's consent, to Holdings, the Borrower or any of its Restricted Subsidiaries (it being understood that any such Term Loans shall, to the extent permitted by applicable Law, be

retired and cancelled promptly upon such contribution) and which may be converted into or exchanged for debt or equity securities that are permitted to be issued by such Person at such time; *provided* that upon any such cancellation, of the aggregate outstanding principal amount of the Term Loans of the applicable Class shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Term Loans so contributed and cancelled, and each principal repayment installment with respect to the Term Loans of such Class pursuant to Section 2.07(a) shall be reduced *pro rata* by the full par value of the aggregate principal amount of Term Loans so contributed and cancelled;

provided it is acknowledged and agreed that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person in connection with any compliance or non-compliance with clause (l)(ii) above or any purported assignment exceeding the Affiliated Lender Cap limitation or the 49% limitation set forth in clause (l)(iv) above or for any assignment being deemed void *ab initio* under this clause (l).

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit J-2.

(m) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) subject to Section 10.07(n), consented (or not consented) to any plan of reorganization pursuant to the Bankruptcy Code of the United States or any other Debtor Relief Laws, (iii) otherwise acted on any matter related to any Loan Document, or (iv) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, in each case, that does not require the consent of a specific Lender, each Lender or each affected Lender, or does not adversely affect such Affiliated Lender in any material respect as compared to other Lenders holding similar obligations,

(A) Affiliated Lenders will be deemed to have voted in the same proportion as non-affiliated Lenders voting on such matters and

(B) Affiliated Debt Funds may not in the aggregate account for more than 49.9% of the amounts set forth in the calculation of Required Lenders and any amount in excess of 49.9% will be subject to the limitations set forth in clause (i)(i) above.

Notwithstanding anything to the contrary contained herein, each Affiliated Lender, solely in its capacity as an Affiliated Lender, hereby agrees that such Affiliated Lender shall have no right (i) to receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to receive notice nor attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent (other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II), (ii) to receive advice of counsel to the Administrative Agent or the Lenders or (iii) to challenge the Administrative Agent and the Lenders' attorney client privilege.

(n) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower.

(o) Any Eligible Assignee receiving all or any portion of any Lender's Loans and interest in the Revolving Commitment in accordance with this Section 10.07 shall execute and deliver to the Lenders, Administrative Agent and the Revolving Agent an acknowledgment to the Agreement Among Lenders and shall be bound by the terms of the Agreement Among Lenders.

Section 10.08 Confidentiality. Each of the Agents, the Arranger and the Lenders agrees to maintain the confidentiality of the Information and not to disclose such Information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' managers, administrators, directors, officers, employees, trustees, partners, investors, investment advisors and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority or self-regulatory authority having or asserting jurisdiction over such Person (including any Governmental Authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender or its Affiliates); *provided* that the Administrative Agent, the Revolving Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority or examiner) unless such notification is prohibited by law, rule or regulation; (c) as part of customary disclosures to market data collectors, similar services providers to the lending industry and service providers to the Administrative Agent or to the Revolving Agent in connection with the administration and management of this Agreement and the Loan Documents; (d) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; *provided* that the Administrative Agent, the Revolving Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority or examiner) unless such notification is prohibited by law, rule or regulation; (e) on a confidential basis to any other party to this Agreement; (f) to any pledgee referred to in Section 10.07(h), counterparty to a Swap Contract, Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in any of its rights or obligations under this Agreement or any provider of credit risk protection; *provided* that any such disclosure shall be made subject to the acknowledgement and acceptance by such recipient that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this Section 10.08 or as otherwise reasonably acceptable to the Borrower, including as agreed in any Borrower Materials); (g) with the prior written consent of the Borrower; (h) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08 or becomes available to the Administrative Agent, the Revolving Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than a Loan Party, the Sponsor or their respective Affiliates (so long as such source is not known to the Administrative Agent, the Revolving Agent, such Lender or any of their respective Affiliates to be bound by confidentiality obligations to any such Person); (i) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information

relating to Loan Parties and their Subsidiaries received by it from such Lender); (j) in connection with the enforcement of its rights hereunder or thereunder or (k) to the extent such Information is independently developed by the Administrative Agent, the Revolving Agent, such Lender or any of their respective Affiliates without the use of any Information; *provided* that no disclosure shall be made to any Disqualified Lender. In addition, the Agents and the Lenders may disclose the existence of this Agreement and publicly available information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Borrowings. For the purposes of this Section 10.08, "**Information**" means all information received from or on behalf of the Sponsor, the Loan Parties or any Subsidiary thereof relating to any such or its or their respective businesses, other than any such information that is publicly available to the Agents or the Lenders prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08; *provided* that all information received after the Closing Date from Holdings, the Borrower or any of its Subsidiaries shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential.

Section 10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender (other than any Defaulting Lender) and its Affiliates (and the Collateral Agent, in respect of any unpaid fees, costs and expenses payable hereunder) is authorized at any time and from time to time, without prior notice to the Borrower, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party and each of its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or the Collateral Agent to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations owing to such Lender and its Affiliates or the Collateral Agent hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent and/or the Revolving Agent (as applicable) for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and/or the Revolving Agent (as applicable) and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent and/or the Revolving Agent (as applicable) a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrower and the Administrative Agent and/or the Revolving Agent (as applicable) after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and/or the Revolving Agent (as applicable), the Collateral Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, the Revolving Agent, the Collateral Agent and such Lender may have. No amounts set off from any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor.

Section 10.10 Disqualified Lenders.

(a) Replacement of Disqualified Lenders.

(i) To the extent that any assignment or participation is made or purported to be made to any Disqualified Lender, notwithstanding the other restrictions in this Agreement with respect to Disqualified Lenders, or if any Lender or Participant becomes a Disqualified Lender in each case, without limiting any other provision of the Loan Documents,

(A) upon the request of the Borrower, such Disqualified Lender shall be required immediately (and in any event within five (5) Business Days) to assign all or any portion of the Loans and Commitments then owned by such Disqualified Lender (or held as a participation) to another Lender (other than a Defaulting Lender or another Disqualified Lender), Eligible Assignee or the Borrower, and

(B) the Borrower shall have the right to prepay all or any portion of the Loans and Commitments then owned by such Disqualified Lender (or held as a participation), and if applicable, terminate the Commitments of such Disqualified Lender, in whole or in part.

(ii) Any such assignment or prepayment shall be made in exchange for an amount equal to the lesser of (A) the face principal amount of the Loans so assigned, (B) the amount that such Disqualified Lender paid to acquire such Commitments and/or Loans and (C) the then quoted trading price for such Loans or participations, in each case without interest thereon (it being understood that if the effective date of any such assignment is not an interest payment date, such assignee shall be entitled to receive on the next succeeding interest payment date interest on the principal amount of the Loans so assigned that has accrued and is unpaid from the interest payment date last preceding such effective date (except as may be otherwise agreed between such assignee and the Borrower)).

(iii) The Borrower shall be entitled to seek specific performance in any applicable court of law or equity to enforce this Section 10.10. In addition, in connection with any such assignment, (A) if such Disqualified Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Assumption and/or any other documentation necessary or appropriate (in the good faith determination of the Administrative Agent or the Borrower, which determination shall be conclusive) to reflect such replacement by the later of (1) the date on which the replacement Lender executes and delivers such Assignment and Assumption and/or such other documentation and (2) the date as of which such Disqualified Lender shall be paid by the assignee Lender (or, at its option, the Borrower) the amount required pursuant to this section, then such Disqualified Lender shall be deemed to have executed and delivered such Assignment and Assumption and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption and/or such other documentation on behalf of such Disqualified Lender, and the Administrative Agent shall record such assignment in the Register, (B) each Lender (whether or not then a party hereto) agrees to disclose to the Borrower the amount that the applicable Disqualified Lender paid to acquire Commitments and/or Loans from such Lender and (C) each Lender that is a Disqualified Lender agrees to disclose to the Borrower the amount it paid to acquire the Commitments and/or Loans held by it.

(b) Amendments, Consents and Waivers under the Loan Documents. No Disqualified Lender shall have the right to approve or disapprove any amendment, waiver or consent to or under this Agreement (including pursuant to Section 10.01) or under any Loan Document. In connection with any determination as to whether the requisite Lenders (including whether the Required Lenders or Required Facility Lenders) have provided any amendment, waiver or consent to or under this Agreement (including pursuant to Section 10.01) or under any other Loan Document, Disqualified Lenders shall not be considered; *provided*

that the Commitment of any Disqualified Lender may not be increased or extended without the consent of such Disqualified Lender.

(c) Limitation on Rights and Privileges of Disqualified Lenders. Except as otherwise provided in Section 10.10(b), no Disqualified Lenders shall have the right to, and each such Person covenants and agrees not to, instruct the Administrative Agent, Collateral Agent, Revolving Agent or any other Person in respect of the exercise of remedies with respect to the Loans or other Obligations. Further, no Disqualified Lender that purports to be a Lender or Participant (notwithstanding any provisions of this Agreement that may have prohibited such Disqualified Lender from becoming Lender or Participant) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting (other than to the extent provided in Section 10.10(b), and shall be deemed for all purposes to be, at most, a Defaulting Lender until such time as such Disqualified Lender no longer owns any Loans or Commitments.

(d) Survival. The provisions of this Section 10.10 shall apply and survive with respect to each Lender and Participant notwithstanding that any such Person may have ceased to be a Lender or Participant hereunder or this Agreement may have been terminated.

Section 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents with respect to any of the Obligations, shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.12 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by an original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

Section 10.13 Integration. This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 10.14 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto

or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.15, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, TO THE EXTENT PERMITTED BY APPLICABLE LAW SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH LOAN PARTY, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN TELECOPIER OR OTHER ELECTRONIC TRANSMISSION) IN Section 10.02. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.17 WAIVER OF RIGHT TO TRIAL BY JURY. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED

OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 10.18 Binding Effect. This Agreement shall become effective when it shall have been executed by Holdings, the Initial Borrower, the Administrative Agent, the Collateral Agent and the Revolving Agent, and the Administrative Agent shall have been notified by each Lender on the date hereof that such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Loan Parties, each Agent and each Lender and their respective successors and assigns, in each case in accordance with Section 10.07 (if applicable) and except that no Loan Party shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.19 USA PATRIOT Act. Each Lender that is subject to the USA PATRIOT Act and each Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name, address and tax identification number of such Loan Party and other information regarding such Loan Party that will allow such Lender or such Agent, as applicable, to identify such Loan Party in accordance with the USA PATRIOT Act. This notice is given in accordance with the requirements of the USA PATRIOT Act and is effective as to the Lenders and the Agents.

Section 10.20 No Advisory or Fiduciary Responsibility.

(a) In connection with all aspects of each transaction contemplated hereby, each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that (i) the facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrower and its Affiliates, on the one hand, and the Agents and the Lenders, on the other hand, and the Borrower is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof), (ii) in connection with the process leading to such transaction, each of the Agents and the Lenders is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Borrower or any of its Affiliates, stockholders, creditors or employees or any other Person, (iii) none of the Agents or the Lenders has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent or Lender has advised or is currently advising the Borrower or any of its Affiliates on other matters) and none of the Agents or the Lenders has any obligation to the Borrower or any of its Affiliates with respect to the financing transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents, (iv) the Agents and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from, and may conflict with, those of the Borrower and its Affiliates, and none of the Agents or the Lenders has any

obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship and (v) the Agents and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate. Each Loan Party hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Agents and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty under applicable law relating to agency and fiduciary obligations.

Each Loan Party acknowledges and agrees that each Lender and any affiliate thereof may lend money to, invest in, and generally engage in any kind of business with, any of the Borrower, Holdings, the Sponsor, any Affiliate thereof or any other person or entity that may do business with or own securities of any of the foregoing, all as if such Lender or Affiliate thereof were not a Lender and without any duty to account therefor to any other Lender, Holdings, the Borrower, the Sponsor or any Affiliate of the foregoing. Each Lender and any affiliate thereof may accept fees and other consideration from Holdings, the Borrower, the Sponsor or any Affiliate thereof for services in connection with this Agreement, the Facilities or otherwise without having to account for the same to any other Lender, Holdings, the Borrower, the Sponsor or any Affiliate of the foregoing. Some or all of the Lenders may have directly or indirectly acquired certain Equity Interests (including warrants) in Holdings, the Borrower, the Sponsor or an Affiliate thereof or may have directly or indirectly extended credit on a subordinated basis to Holdings, the Borrower, the Sponsor or an Affiliate thereof. Each party hereto, on its behalf and on behalf of its affiliates, acknowledges and waives the potential conflict of interest resulting from any such Lender or an Affiliate thereof holding disproportionate interests in the extensions of credit under the Facilities or otherwise acting as arranger or agent thereunder and such Lender or Affiliate thereof directly or indirectly holding Equity Interests in or subordinated debt issued by Holdings, the Borrower, the Sponsor or an Affiliate thereof.

Section 10.21 Electronic Execution. The words "execution," "signed," "signature," and words of like import in this Agreement, any other Loan Document or other document to be signed in connection herewith or therewith (including any amendments, waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act and including Parts 2 and 3 of the Personal Information and Electronic Documents Act (Canada), the Electronic Commerce Act (Ontario) and other similar federal or provincial laws based on the Uniform Electronic Commerce Act of the Uniform Law Conference of Canada or its Uniform Electronic Evidence Act, as the case may be, relating to the electronic execution of agreements, and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law; *provided* that notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 10.22 Effect of Certain Inaccuracies. In the event that any financial statement or Compliance Certificate previously delivered pursuant to Section 6.02 was inaccurate, and such inaccuracy, if corrected, would have led to the application of a higher Applicable Rate for any period (an "**Applicable Period**") than the Applicable Rate applied for such Applicable Period, then (i) the Borrower shall as soon as practicable deliver to the Administrative Agent a corrected financial statement and a corrected Compliance Certificate for such Applicable Period, (ii) the Applicable Rate shall be determined based on the corrected Compliance Certificate for such Applicable Period, and (iii) the Borrower shall within fifteen

(15) days after the delivery of the corrected financial statements and Compliance Certificate pay to the Administrative Agent the accrued additional interest or fees owing as a result of such increased Applicable Rate for such Applicable Period. This Section 10.22 shall not limit the rights of the Administrative Agent or the Lenders with respect to Sections 2.08(b) and 8.01.

Section 10.23 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 10.24 Acknowledgement Regarding any Supported QFCs.

(a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**" and each such QFC a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(b) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents

that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(c) As used in this Section, the following terms have the following meanings:

(i) "**BHC Act Affiliate**" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

(ii) "**Covered Entity**" means any of the following:

(A) a "**covered entity**" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(B) a "**covered bank**" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(C) a "**covered FSI**" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

(iii) "**Default Right**" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

(iv) "**QFC**" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

Section 10.25 Judgment Currency.

(a) The Loan Parties' obligations hereunder and under the other Loan Documents to make payments in Dollars or Canadian Dollars, as applicable, shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than Dollars or Canadian Dollars, as applicable, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent, the Revolving Lender, the respective Lender or the applicable Issuing Bank of the full amount of Dollars or Canadian Dollars, as applicable, expressed to be payable to the Administrative Agent, the Revolving Lender or such Lender or such Issuing Bank under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than Dollars or Canadian Dollars (such other currency being hereinafter referred to as the "**Judgment Currency**") an amount due in Dollars or Canadian Dollars, as applicable, the conversion shall be made at the Dollar or Canadian Dollar, as applicable, equivalent determined as of the Calculation Date immediately preceding the day on which the judgment is given.

(b) If there is a change in the rate of exchange prevailing between the Calculation Date described in clause (a) above and the date of actual payment of the amount due, the Loan Parties shall pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange

prevailing on the date of payment, will produce the amount of Dollars or Canadian Dollars, as applicable, which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Calculation Date.

(c) For purposes of determining the Dollar or Canadian Dollar, as applicable, equivalent or any other rate of exchange for this Section, such amounts shall include any premium and costs payable in connection with the purchase of Dollars or Canadian Dollars, as applicable. For purposes of this Section, "**Calculation Date**" means (a) the last Business Day of each fiscal quarter, (b) the date of issuance, amendment, renewal or extension of any Letter of Credit with a face value denominated in any currency other than Canadian Dollars or Dollars, and (c) any other date selected by the Administrative Agent in its sole discretion at any time that an Event of Default has occurred and is continuing.

ARTICLE XI.
Guaranty

Section 11.01 The Guaranty. Each Guarantor that is a U.S. Subsidiary (collectively, the "**U.S. Guarantors**") hereby jointly and severally with the other Guarantors guarantees, as a primary obligor and not merely as a surety to each Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of (i) Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code and (ii) any other Debtor Relief Laws) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and all other Obligations (other than with respect to any Guarantor, Excluded Swap Obligations of such Guarantor) from time to time owing to the Secured Parties by any Loan Party under any Loan Document or any Secured Hedge Agreement or any Treasury Services Agreement, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the "**Guaranteed Obligations**"). The U.S. Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the U.S. Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 11.02 Obligations Unconditional. The obligations of the U.S. Guarantors under Section 11.01 shall constitute a guarantee of payment and to the fullest extent permitted by applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the following shall not alter or impair the liability of the U.S. Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(a) at any time or from time to time, without notice to the U.S .Guarantors, to the extent permitted by Law, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(b) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(c) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or except as permitted pursuant to Section 11.09 any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(d) any Lien or security interest granted to, or in favor of any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(e) the release of any other Guarantor pursuant to Section 11.09.

The U.S. Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and, to the extent permitted by Law, all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The U.S. Guarantors waive, to the extent permitted by Law, any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guaranty or acceptance of this Guaranty, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guaranty, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guaranty. This Guaranty shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the U.S. Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other person at any time of any right or remedy against the Borrower or against any other person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guaranty shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the U.S. Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 11.03 Reinstatement. The obligations of the U.S. Guarantors under this Article XI shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in insolvency, bankruptcy or reorganization or otherwise.

Section 11.04 Subrogation; Subordination. Each U.S. Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement, it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 11.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party permitted pursuant to Section 7.03(c) shall be subordinated to such Loan Party's Obligations in the manner set forth in the Intercompany Note evidencing such Indebtedness.

Section 11.05 Remedies. The U.S. Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.02) for purposes of Section 11.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the U.S. Guarantors for purposes of Section 11.01.

Section 11.06 Continuing Guaranty. The guarantee in this Article XI is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 11.07 General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any U.S. Guarantor under Section 11.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 11.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other person, be automatically limited and reduced to the highest amount (after giving effect to the right of contribution established in Section 11.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 11.08 Information. Each U.S. Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each U.S. Guarantor assumes and incurs under this Guaranty, and agrees that none of any Agent or any Lender shall have any duty to advise any Guarantor of information known to it regarding those circumstances or risks.

Section 11.09 Release of Guarantors; Termination.

(a) If, in compliance with the terms and provisions of the Loan Documents, (i) all or substantially all of the Equity Interests or property of any Subsidiary Guarantor are sold or otherwise transferred to a Person or Persons none of which is a Loan Party or (ii) any Subsidiary Guarantor becomes an Excluded Subsidiary (any such Subsidiary Guarantor referred to in the preceding clauses (i) or (ii), a "**Transferred Guarantor**"), such Transferred Guarantor shall, upon the consummation of such sale or transfer or other transaction, be automatically released from its obligations under this Agreement (including under the Guaranty and Section 10.05 hereof) and its obligations to pledge and/or grant security interests in any Collateral owned by it pursuant to any Collateral Document and the pledge of the Equity Interests of such Released Guarantor to the Collateral Agent pursuant to the Collateral Documents shall be automatically released; *provided* that if any Subsidiary Guarantor becomes an Excluded Subsidiary pursuant to clause (a) of the definition thereof, then such release shall only be permitted if (A) such transaction pursuant to which such Subsidiary Guarantor is or becomes an Excluded Subsidiary is (w) permitted by the Loan Documents treating such release as (1) an Investment in such Excluded Subsidiary at the date of such release in an amount equal to the fair market value of the Borrower's or its Subsidiary's retained Investment in such Excluded Subsidiary and (2) the incurrence or making, as applicable, by such Excluded Subsidiary at the time of release, of any then-existing Investment, Indebtedness or Lien of such Excluded Subsidiary, (x) conducted on an arm's length basis with a third party, (y) for fair market value and (z) for a *bona fide* legitimate business purpose of the Borrower and its Subsidiaries, and not for the

primary purpose of evading the requirements of Sections 6.11 and 6.12 hereof (in each case of subparts (w) through (z), as determined by the Borrower in good faith) and (b) such Subsidiary Guarantor is not also to remain a guarantor in respect of any Incremental Equivalent Debt, Permitted Ratio Debt or Incurred Acquisition Ratio Debt, or any Permitted Refinancing of any of the foregoing, at such time. If, in compliance with the terms and provisions of the Loan Documents, any Excluded Subsidiary or any Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary ceases to be directly owned by a Loan Party, then the Equity Interests of such Subsidiary shall be automatically released from any security interests created by the Loan Documents. So long as the Borrower shall have provided the Administrative Agent and Collateral Agent such certifications or documents as such Agent may reasonably request, the Administrative Agent and Collateral Agent shall, at the Borrower's expense, take such actions as are necessary to effect, evidence or confirm each release described in this Section 11.09 in accordance with the relevant provisions of the Collateral Documents.

(b) Subject to the preceding clause (a), when all Commitments hereunder have terminated, all Loans and other Obligations (other than obligations in respect of Treasury Services Agreement or Secured Hedge Agreement and indemnification and other contingent obligations as to which no claim has been asserted) have been paid in full and no Letters of Credit (other than those that have been Cash Collateralized in an amount equal to 103% of the Fronting Exposure thereof or otherwise backstopped in a manner reasonably satisfactory to the applicable Issuing Bank and the Borrower) are issued and outstanding, this Agreement and the guarantees made herein shall terminate with respect to all Obligations, except with respect to Obligations that expressly survive such repayment pursuant to the terms of this Agreement. The Agents shall, at each Guarantor's expense, take such actions as the Borrower may reasonably request to release, evidence or confirm the release any Collateral owned by such Guarantor in accordance with the relevant provisions of the Collateral Documents.

Section 11.10 Right of Contribution. Each Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor's right of contribution shall be subject to the terms and conditions of Section 11.04. The provisions of this Section shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Administrative Agent, the Revolving Agent and the Lenders, and each Subsidiary Guarantor shall remain liable to the Administrative Agent, the Revolving Agent and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

Section 11.11 Cross-Guaranty; Keepwell. To the extent permitted under applicable Laws (including the Commodity Exchange Act), each U.S. Guarantor that is a Qualified ECP Guarantor hereby jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds and other support as may be needed from time to time by each other Guarantor to honor all of its obligations under its Guaranty and the other Loan Documents in respect of Swap Obligations (*provided, however*, that each Qualified ECP Guarantor shall only be liable under this Article XI for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Article XI, or otherwise under this Agreement or any other Loan Document, voidable under Debtor Relief Laws and not for any greater amount). Subject to Section 11.03 and Section 11.09, the obligations of each Qualified ECP Guarantor under this Article XI shall remain in full force and effect until all Commitments hereunder have terminated, all Loans and other Obligations (other than obligations in respect of Treasury Services Agreement or Secured Hedge Agreement and indemnification and other contingent obligations as to which no claim has been asserted) have been paid in full and no Letters of Credit (other than those that have been Cash Collateralized in an amount equal to 103% of the Fronting Exposure thereof or otherwise backstopped in a manner reasonably satisfactory to the applicable Issuing Bank and the Borrower) are issued and

outstanding. Each Qualified ECP Guarantor intends that this Section 11.12 constitute, and this Section 11.12 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Section 11.11 Agreements Among Lenders. The Borrower and the Lenders (including any holders of Refinancing Loans, Incremental Loans, Incremental Equivalent Debt, Extended Loans or Replacement Loans permitted under this Agreement) acknowledge and agree that the Lenders have entered into the Agreement Among Lenders to further govern the relationship between the Lenders. Notwithstanding any provision to the contrary in this Agreement, in the event of a conflict or inconsistency between the provisions of this Agreement and the provisions of the Agreement Among Lenders, solely with respect to the Persons signatory to the Agreement Among Lenders, the provisions of the Agreement Among Lenders shall govern. The Borrower further agrees that, upon request by any Agent or any Lender, it will execute and deliver an acknowledgment counterpart to the Agreement Among Lenders; *provided* that, in executing such counterpart acknowledgment, under no circumstances shall the Borrower be required to agree to, and in no circumstance shall the Agreement Among Lenders impose (or be deemed to impose), any obligations, liabilities, responsibilities, duties or other burdens (including any affirmative or negative covenants) on the Borrower or any of its Subsidiaries or Affiliates.

The Guarantors have entered into the Guaranty pursuant to the Credit Agreement in order to induce the Lenders to extend credit and the Issuing Banks to issue Letters of Credit thereunder and the Approved Counterparties to enter into or maintain Secured Hedge Agreements and/or Treasury Services Agreements, as applicable.

The Credit Agreement provides that additional Persons may become Guarantors under the Guaranty by execution and delivery of, among other things, this Agreement. The undersigned (the "**New Guarantor**") is executing this Agreement in accordance with the requirements of the Credit Agreement to become a Guarantor under the Guaranty as consideration for credit previously extended, Letters of Credit previously issued, Secured Hedge Agreements previously executed and/or Cash Management Services previously extended.

Accordingly, the Administrative Agent and the New Guarantor agree as follows:

1. Capitalized terms used and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement. Sections 1.02 through 1.08 of the Credit Agreement are hereby incorporated herein by reference, *mutatis mutandis*.

2. New Guarantor by its signature below becomes a Guarantor under the Guaranty with the same force and effect as if originally named therein as a Guarantor and the New Guarantor hereby (a) agrees to all the terms and provisions of the Guaranty and the Credit Agreement applicable to it as a Guarantor thereunder and (b) represents and warrants that the representations and warranties made by Subsidiary Guarantors under the Credit Agreement are true and correct in all material respects (except that any representation and warranty qualified as to "materiality" or "Material Adverse Effect" is true and correct in all respects as so qualified) with respect to the New Guarantor on and as of the date hereof with the same effect as though made on and as of such date, except to the extent any such representation and warranty expressly relate to an earlier date, in which case it shall be true and correct in all material respects as of such earlier date. Each reference to a "Subsidiary Guarantor" in the Guaranty shall be deemed to include the New Guarantor as if originally named therein as a Subsidiary Guarantor. The Guaranty is hereby incorporated herein by reference.

3. The New Guarantor represents and warrants to the Administrative Agent and the other Secured Parties that this Agreement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as such

enforceability may be limited by Debtor Relief Laws and by general principles of equity and principles of good faith and fair dealing.

4. This Agreement may be executed in one or more counterparts (and by different parties hereto on different counterparts), each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. This Agreement shall become effective when the Administrative Agent shall have received a counterpart of this Agreement that bears the signature of the New Guarantor and the Administrative Agent has executed a counterpart hereof. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement shall be effective as delivery of an original executed counterpart of this Agreement. Section 10.21 of the Credit Agreement is incorporated by reference herein, *mutatis mutandis*.

8. If any provision of this Agreement is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement shall not be affected or impaired thereby. 10. For purposes of New York General Obligations Law §5-1105, the parties hereto agree that the promise by the New Guarantor contained herein is a Guaranty (as defined in the Credit Agreement) and that (i) the consideration for this Guaranty, which is hereby expressed in writing, is the making of the Loans and the extension of Commitments on the Closing Date, and other extensions of credit that constitute Obligations under the Credit Agreement from time to time outstanding and (ii) such Loans, Commitments and other extensions of credit have been given and/or performed and would be valid consideration for this Agreement but for the time that they were given (i.e., would have been valid consideration for this Guarantee if the New Guarantor had entered into this Guarantee contemporaneously with the initial making of the Loans, Commitments and other extensions of credit on the Closing Date).

Section 1.03 Accounting Terms and Ratio Calculations.

(a) All accounting terms not specifically or completely defined herein shall be construed in conformity with, and all financial data (including financial ratios and other financial calculations) required to be submitted pursuant to this Agreement shall be prepared in conformity with, GAAP, applied in a manner consistent with that used in preparing the Financial Statements or the audited financial statements required to be delivered to the Lenders pursuant to Section 6.01(a), as applicable, except as otherwise specifically prescribed herein. For purposes of calculating any consolidated amounts necessary to determine compliance by any Person and, if applicable, its Restricted Subsidiaries with any

ratio or other financial covenant in this Agreement, Unrestricted Subsidiaries shall be excluded. Unless the context indicates otherwise, any reference to a "fiscal year" shall refer to a fiscal year of the Borrower ending ~~November 30~~December 31, and any reference to a "fiscal quarter" shall refer to a fiscal quarter of the Borrower ending on the last day of ~~February~~March, ~~May~~June, ~~August~~September or ~~November~~December. All determinations of fair market value under a Loan Document shall be made by the Borrower in good faith and, if such determination is consistent with a valuation or opinion of an Independent Financial Advisor, such determination shall be conclusive for all purposes under the Loan Documents or related to the Obligations.

(b) For purposes of (i) determining compliance with any provision of this Agreement which requires the calculation of any financial ratio or test (including the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio and the Total Net Leverage Ratio), (ii) determining compliance with any provision of this Agreement which requires that no Default, Event of Default, Specified Event of Default or any other type of "default" or "event of default" (other than a Specified Event of Default), as applicable, has occurred, is continuing or would result therefrom, (iii) determining compliance with representations or warranties, (iv) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of TTM Consolidated Adjusted EBITDA) or (v) determining compliance with any other condition precedent under this Agreement, in each case, in connection with a Limited Condition Acquisition, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Acquisition, an "**LCA Election**")), the date of determination of whether such Limited Condition Acquisition (and the incurrence of any Indebtedness and Liens, the making of any Disposition, Investment or designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or the making of any Restricted Payment or Restricted Debt Payment, in each case, in connection therewith) is permitted under this Agreement shall be deemed to be the date the definitive agreements for such Limited Condition Acquisition are entered into (the "**LCA Test Date**"). If, after giving Pro Forma Effect to the Limited Condition Acquisition and the other transactions to be entered into in connection therewith as if they had occurred at the beginning of the most recent Test Period or other applicable date or period of determination ending prior to the LCA Test Date, the Borrower could have taken such action on the relevant LCA Test Date in compliance with such requirements, such requirements shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of the LCA Test Date are exceeded as a result of fluctuations in any such ratio or basket (including due to fluctuations in Consolidated Adjusted EBITDA or Total Assets of the Borrower or the Person subject to such Limited Condition Acquisition) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will be deemed not to have been exceeded as a result of such fluctuations. If the Borrower has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of such ratios or baskets on or following the relevant LCA Test Date and prior to the earlier of (i) the date on which such Limited Condition Acquisition is consummated or (ii) the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Acquisition and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated; *provided* that, in the case of any Restricted Payment, any such ratio or basket shall be calculated both as if such Limited Condition Acquisition and other transactions in connection therewith have been consummated and have not been consummated. Notwithstanding the foregoing, the amount of any Incremental Loans under the Ratio Amount determined at the time of signing of definitive documentation with respect to, or giving of notice with respect to, a Limited Condition Acquisition may be recalculated, at the option of the Borrower, at the

time of funding. Notwithstanding the foregoing, an LCA Election will cease to be effective with respect to the applicable Limited Condition Acquisition on the 121st day after the applicable LCA Test Date.

(c) With respect to any amounts of Indebtedness incurred in reliance on a provision of any Loan Document that does not require compliance with a financial ratio or test (including the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio and the Total Net Leverage Ratio) (any such amounts, the "Fixed Amounts" (and which Fixed Amounts shall include any related "grower" component based on a percentage of TTM Consolidated Adjusted EBITDA)) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of such Loan Document that requires compliance with a financial ratio or test (including the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio and the Total Net Leverage Ratio) (any such amounts, the "Ratio-Based Amounts"), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to such Ratio-Based Amounts.

Section 1.04 Rounding. Any financial ratios required to be maintained by the Borrower pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one decimal place more than the number of decimal places by which such ratio is expressed herein and rounding the result up or down to the nearest decimal place so expressed (with a rounding up if there is no nearest number).

Section 1.05 References to Agreements, Laws, Etc. Unless otherwise expressly provided herein, (a) references to Organization Documents, agreements (including the Loan Documents) and other contractual instruments shall be deemed to include all subsequent amendments, restatements, extensions, supplements and other modifications thereto, but only to the extent that such amendments, restatements, extensions, supplements and other modifications are permitted by the Loan Documents; and (b) references to any Law shall include all statutory and regulatory provisions consolidating, amending, replacing, supplementing or interpreting such Law.

Section 1.06 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

Section 1.07 Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on a day which is not a Business Day, the date of such payment (other than as described in the definition of Interest Period) or performance shall extend to the immediately succeeding Business Day.

Section 1.08 Currency Equivalents Generally.

(a) For purposes of determining compliance with Sections 7.01, 7.02 and 7.03 with respect to any amount of Lien, Indebtedness or Investment in a currency other than Canadian Dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time such Lien, Indebtedness or Investment is incurred (so long as such Indebtedness or Investment, at the time incurred, made or acquired, was permitted hereunder).

(b) For purposes of this Agreement and the other Loan Documents, where the permissibility of a transaction or determinations of required actions or circumstances depend upon compliance with, or are determined by reference to, amounts stated in Canadian Dollars or Dollars, any requisite currency translation (i) with respect to Loans or Commitments, shall be based on the Exchange Rate and (ii) with respect to any other amounts, shall be based on the rate of exchange between the applicable currency and

Canadian Dollars or Dollars, as applicable, as reasonably determined by the Borrower, in each case in effect on the Business Day immediately preceding the date of such transaction or determination (subject to clauses (c) and (d) below) and shall not be affected by subsequent fluctuations in exchange rates.

(c) For purposes of determining compliance with any Canadian Dollar-denominated or Dollar-denominated restriction on the incurrence of Indebtedness, the Canadian Dollar-equivalent or Dollar-equivalent principal amount of Indebtedness denominated in a foreign currency shall be calculated based on the Exchange Rate in effect on the date such Indebtedness was incurred, in the case of term debt, or first committed, in the case of revolving credit debt (or, in the case of an LCA Election, on the date of the applicable LCA Test Date); *provided* that, if such Indebtedness is incurred to refinance other Indebtedness denominated in a foreign currency, and such refinancing would cause the applicable Canadian Dollar-denominated or Dollar-denominated restriction to be exceeded if calculated at the Exchange Rate in effect on the date of such refinancing, such Canadian Dollar-denominated or Dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such Indebtedness so refinanced does not exceed the principal amount of such Indebtedness being refinanced. Notwithstanding the foregoing, the principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the Exchange Rate that is in effect on the date of such refinancing.

(d) For purposes of determining the First Lien Net Leverage Ratio, the Secured Net Leverage Ratio or the Total Net Leverage Ratio, including Consolidated Adjusted EBITDA when calculating such ratios, all amounts denominated in a currency other than Canadian Dollars will be converted to Canadian Dollars for any purpose (including testing the any financial maintenance covenant) at the effective rate of exchange in respect thereof reflected in the consolidated financial statements of the Borrower for the applicable Test Period for which such measurement is being made, and will reflect the currency translation effects, determined in accordance with GAAP, of Swap Contracts permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar equivalent of such Indebtedness.

Section 1.09 Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

On the terms herein and subject to the conditions set forth in Section 4.02 hereof, each Lender with an Initial Term Commitment severally agrees to make to the Initial Borrower on the Closing Date term loans denominated in Dollars in an amount equal to the amount of such Lender's Initial Term Commitment (the "**Initial Term Loans**"); *provided* that on and from the consummation of the Amalgamation, all obligations in respect of the Initial Term Loans will constitute obligations of the Company and the Company shall become the Borrower hereunder and under the other Loan Documents. Amounts borrowed under this Section 2.01(a) and repaid or prepaid may not be reborrowed. The Borrower has directed the Agent and the Lenders to enter into an agreement with a third-party financial institution on the Closing Date to effect a conversion of the proceeds of the Initial Term Loans into Canadian Dollars and to fund Sellers with such proceeds. For the avoidance of doubt, notwithstanding the foregoing direction to convert the Initial Term Loans into Canadian Dollars, the Initial Term Loans shall remain denominated in Dollars for all purposes hereunder, including, without limitation, for purposes of computation of interest, prepayments and payments, which shall be based on Initial Term Loans in an aggregate principal amount equal to $32,345,449.40 as such amount is reduced by payments and prepayments hereunder.

On the terms herein and subject to the conditions set forth in Sections 4.02 or 4.03 hereof as applicable, each Revolving Lender severally agrees to make revolving credit loans denominated in Canadian Dollars to the Borrower from its applicable Lending Office (each such loan, a "**Revolving Loan**") from time to time, but no more than once per week unless otherwise agreed by the Revolving Agent, as elected by the Borrower pursuant to Section 2.02, on any Business Day during the period from the Closing Date until the Maturity Date with respect to such Revolving Lender's Revolving Commitment, in an aggregate Principal Amount not to exceed at any time outstanding the amount of such Lender's Revolving Commitment at such time; *provided* that after giving effect to any Borrowing of Revolving Loans, the aggregate Outstanding Amount of the Revolving Loans shall not exceed the aggregate Revolving Commitments. Within the limits of each Lender's Revolving Commitments, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.01(b), prepay under Section 2.05, and reborrow under this Section 2.01(b). Revolving Loans may be Canadian Prime Rate Loans or CDOR Rate Loans, as further provided herein.

Each such notice must be received by the Administrative Agent with respect to the Term Loans or the Administrative Agent and the Revolving Agent with respect to the Revolving Loans (as applicable) not later than (i) with respect to any Borrowing of Revolving Loans, (x) 4:00 p.m. New

Each notice by the Borrower pursuant to this Section 2.02(a) must be given (or confirmed promptly thereafter, as applicable) by delivery to the Administrative Agent or the Revolving Agent (as applicable) of a written Committed Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Except as provided in Section 2.14(a), each Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or CDOR Rate Loans shall be in a minimum principal amount of $500,000, or a whole multiple of $100,000 in excess thereof (or such lesser amount(s) approved by the Administrative Agent and, solely with respect to Revolving Loans, the Revolving Agent). If the Borrower fails to specify a Type of Loan in a Committed Loan Notice or fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be made or continued as or converted to Base Rate Loans or Canadian Prime Rate Loans. Any such automatic continuation or conversion shall be effective as of the last day of the Interest Period then in effect with respect to the applicable Eurocurrency Rate Loans or CDOR Rate Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of Eurocurrency Rate Loans or CDOR Rate Loans in any such Committed Loan Notice, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent or the Revolving Agent (as applicable) shall promptly notify each Lender of the amount of its Pro Rata Share or other applicable share provided for under this Agreement of the applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent or the Revolving Agent (as applicable) shall notify each Lender of the details of any automatic conversion or continuation described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make the amount of its Loan available to the Administrative Agent or the Revolving Agent (as applicable) in Same Day Funds at the Administrative Agent's Office or the Revolving Agent's Office not

later than 1:00 p.m. (New York City time) on the Business Day specified in the applicable Committed Loan Notice. The Administrative Agent or the Revolving Agent (as applicable) shall make all funds so received available to the Borrower in like funds as received by the Administrative Agent or the Revolving Agent (as applicable) by wire transfer of such funds in accordance with instructions provided (and reasonably acceptable) to the Administrative Agent or the Revolving Agent (as applicable) by the Borrower.

(c) Except as otherwise provided herein, a Eurocurrency Rate Loan or CDOR Rate Loan may be continued or converted only on the last day of an Interest Period for such Eurocurrency Rate Loan or CDOR Rate Loan unless the Borrower pays the amount due under Section 3.05 in connection therewith. During the occurrence and continuation of an Event of Default, the Administrative Agent, the Revolving Agent and the Required Lenders may require by notice to the Borrower that no Loan may be made as, converted to or continued as Eurocurrency Rate Loans or CDOR Rate Loans.

(d) The Administrative Agent shall promptly notify the Revolving Agent, the Borrower and the Lenders of the interest rate applicable to any Interest Period for Eurocurrency Rate Loans or CDOR Rate Loans upon determination of such interest rate. The determination of the Eurocurrency Rate or CDOR Rate by the Administrative Agent shall be conclusive in the absence of manifest error. At any time that Base Rate Loans or Canadian Prime Rate Loans are outstanding, the Administrative Agent shall notify the Revolving Agent, the Borrower and the Lenders of any change in the Prime Rate used in determining the Base Rate, or the PRIMCAN Index used in determining the Canadian Prime Rate, promptly following the announcement of such change.

(e) After giving effect to all Borrowings, all conversions of Loans from one Type to the other, and all continuations of Loans as the same Type, there shall not be more than seven (7) Interest Periods in effect.

(f) The failure of any Lender to make the Loan to be made by it as part of any Borrowing shall not relieve any other Lender of its obligation, if any, hereunder to make its Loan on the date of such Borrowing, but no Lender shall be responsible for the failure of any other Lender to make the Loan to be made by such other Lender on the date of any Borrowing.

Section 2.03 [Reserved].

Section 2.04 Issuance of Letters of Credit and Purchase of Participations Therein.

(a) Letter of Credit Commitment.

(i) Subject to the terms and conditions set forth herein, (A) each Issuing Bank agrees, in reliance upon the agreements of the Revolving Lenders set forth in this Section 2.04, (1) from time to time on any Business Day on or prior to the Letter of Credit Expiration Date, to issue Letters of Credit for the account of the Borrower or a Restricted Subsidiary (*provided* that any Letter of Credit issued for the benefit of any Restricted Subsidiary shall be issued for the account of the Borrower but such Letter of Credit shall indicate that it is being issued for the benefit of such Restricted Subsidiary) and to amend, renew or extend Letters of Credit previously issued by it, in accordance with Section 2.04(b) and (2) to honor drawings under the Letters of Credit; and (B) the Revolving Lenders severally agree to participate in such Letters of Credit and any drawings thereunder; *provided* that the Issuing Banks shall not be obligated to make any Letter of Credit Extension if, as of the date of such Letter of Credit Extension, (1) the Total Utilization of Revolving Commitments would exceed the Revolving Commitments, (2) the Total

Utilization of Revolving Commitments of any Revolving Lender, would exceed such Lender's Revolving Commitment, (3) the Letter of Credit Usage would exceed the Letter of Credit Sublimit or (4) the Letter of Credit Usage with respect to Letters of Credit issued by such Issuing Bank would exceed the amount of such Issuing Bank's Letter of Credit Percentage of the Letter of Credit Sublimit. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(ii) An Issuing Bank shall not be under any obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Bank from issuing such Letter of Credit, or any Law applicable to such Issuing Bank or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit, or request that such Issuing Bank refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Bank with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such Issuing Bank in good faith deems material to it (for which such Issuing Bank is not otherwise compensated hereunder);

(B) the issuance of such Letter of Credit would violate one or more policies of such Issuing Bank applicable to letters of credit generally or any applicable Law;

(C) except as otherwise agreed by the Revolving Agent and such Issuing Bank, such Letter of Credit is in an initial stated amount less than C$10,000 or $10,000 (as applicable) or is not denominated in Canadian Dollars or Dollars;

(D) such Letter of Credit contains any provisions for automatic reinstatement of the stated amount after any drawing thereunder; and

(E) any Revolving Lender is at such time a Defaulting Lender, unless such Issuing Bank has entered into arrangements, including reallocation of such Lender's Pro Rata Share of the outstanding Letter of Credit Obligations pursuant to Section 2.17(a) or the delivery of Cash Collateral, satisfactory to such Issuing Bank (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Bank's actual or potential Fronting Exposure (after giving effect to Section 2.17(a)) with respect to such Lender arising from either the Letter of Credit then proposed to be issued or such Letter of Credit and all other Letter of Credit Obligations as to which such Issuing Bank has actual or potential Fronting Exposure, as it may elect in its sole discretion.

(iii) No Issuing Bank shall be under any obligation to amend or extend any Letter of Credit if (A) such Issuing Bank would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment thereto.

(iv) Unless Cash Collateralized or backstopped pursuant to arrangements reasonably acceptable to the applicable Issuing Bank, each standby Letter of Credit shall expire at or prior to the close of business on the earlier of (A) the date twelve months after the date of issuance of such Letter of Credit (or, in the case of any Auto-Renewal Letter of Credit, twelve months after the then current expiration date of such Letter of Credit) and (B) the Letter of Credit Expiration Date (unless arrangements reasonably satisfactory to the Issuing Banks have been entered into).

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto Renewal Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to the applicable Issuing Bank (with a copy to the Administrative Agent and the Revolving Agent) in the form of a Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application must be received by the applicable Issuing Bank, the Administrative Agent and the Revolving Agent not later than 2:00 p.m. at least five Business Days (or such shorter period as the applicable Issuing Bank and the Revolving Agent may agree in a particular instance in their sole discretion) prior to the proposed issuance date or date of amendment, as the case may be. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the currency in which the requested Letter of Credit will be denominated and (H) such other matters as the applicable Issuing Bank may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, the Letter of Credit Application shall specify in form and detail reasonably satisfactory to the applicable Issuing Bank (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); and (3) the nature of the proposed amendment. Additionally, the Borrower shall furnish to the applicable Issuing Bank and the Revolving Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Letter of Credit Documents, as the applicable Issuing Bank or the Revolving Agent may reasonably require.

(ii) Promptly after receipt of any Letter of Credit Application, the applicable Issuing Bank will confirm with the Administrative Agent and the Revolving Agent that the Revolving Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, the applicable Issuing Bank will provide the Administrative Agent and the Revolving Agent with a copy thereof. Upon receipt by the applicable Issuing Bank of confirmation from the Administrative Agent that the requested issuance or amendment is permitted in accordance with the terms hereof, then, subject to the terms and conditions set forth herein, such Issuing Bank shall, on the requested date, issue a Letter of Credit or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the applicable Issuing Bank a participation in such Letter of Credit in an amount equal to such Lender's Pro Rata Share of the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application for a standby Letter of Credit, the applicable Issuing Bank may, in its reasonable discretion, agree to

issue a standby Letter of Credit that has automatic renewal provisions (each, an "**Auto-Renewal Letter of Credit**"); *provided* that any such Auto-Renewal Letter of Credit shall permit such Issuing Bank to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "**Nonrenewal Notice Date**") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the applicable Issuing Bank, the Borrower shall not be required to make a specific request to such Issuing Bank for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the Revolving Lenders shall be deemed to have authorized (but may not require) the applicable Issuing Bank to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; *provided*, *however*, that no Issuing Bank shall (A) permit any such renewal if (1) such Issuing Bank has determined that it would not be permitted at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of subclause (ii) or (iii) of Section 2.04(a) or otherwise) or (2) it has received written notice on or before the day that is seven Business Days before the Nonrenewal Notice Date from the Revolving Agent that the Required Revolving Lenders have elected not to permit such renewal or (B) be obligated to permit such renewal if it has received written notice on or before the day that is seven Business Days before the Nonrenewal Notice Date from the Administrative Agent, the Revolving Agent, any Revolving Lender or the Borrower that one or more of the applicable conditions set forth in Section 4.03 is not then satisfied, and in each such case directing the applicable Issuing Bank not to permit such renewal.

(iv) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the applicable Issuing Bank will also deliver to the Borrower and the Revolving Agent a true and complete copy of such Letter of Credit or amendment, as applicable.

(c) Drawings and Reimbursement; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the applicable Issuing Bank shall notify the Borrower, the Administrative Agent and the Revolving Agent thereof, and such Issuing Bank shall, within a reasonable time following its receipt thereof, examine all documents purporting to represent a demand for payment under such Letter of Credit. If an Issuing Bank notifies the Borrower of any payment by such Issuing Bank under a Letter of Credit, then the Borrower shall reimburse such Issuing Bank in an amount equal to the amount of such drawing not later than 3:00 p.m. on the next succeeding Business Day. If the Borrower fails to so reimburse such Issuing Bank by such time, such Issuing Bank shall promptly notify the Administrative Agent and the Revolving Agent of such failure and the Revolving Agent shall promptly thereafter notify each Revolving Lender of such payment date, the amount of the unreimbursed drawing (the "**Reimbursement Obligations**") and the amount of such Lender's Pro Rata Share thereof. In such event, the Borrower shall be deemed to have requested a Borrowing of Revolving Loans that are Base Rate Loans or Canadian Prime Rate Loans to be disbursed on such date in an amount equal to such Reimbursement Obligation, without regard to the minimum and multiples specified in Section 2.02(b) for the principal amount of Base Rate Loans or Canadian Prime Rate Loans to be disbursed on such date in an amount equal to the Canadian Dollar amount of such Reimbursement Obligation. Any notice given by an Issuing Bank or the Revolving Agent pursuant to this clause (i) shall be given in writing.

(ii) Each Revolving Lender (including each Revolving Lender acting as an Issuing Bank) shall upon any notice pursuant to Section 2.04(c)(i) make funds available (and the Revolving Agent may apply Cash Collateral provided for this purpose) for the account of the applicable Issuing Bank, in Canadian Dollars, at the Revolving Agent's Office in an amount equal to its Pro Rata Share of the relevant Reimbursement Obligation not later than 3:00 p.m. on the Business Day specified in such notice by the Revolving Agent, whereupon, subject to the provisions of Section 2.04(c)(iii), each Revolving Lender that so makes funds available shall be deemed to have made a Revolving Loan that is in the case of a Letters of Credit denominated in Canadian Dollars, a Base Rate Loan or Canadian Prime Rate Loan to the Borrower in such amount. The Revolving Agent shall remit the funds so received to the applicable Issuing Bank in accordance with the instructions provided to the Revolving Agent by such Issuing Bank (which instructions may include standing payment instructions, which may be updated from time to time by such Issuing Bank, *provided* that, unless the Revolving Agent shall otherwise agree, any such update shall not take effect until the Business Day immediately following the date on which such update is provided to the Revolving Agent).

(iii) With respect to any Reimbursement Obligation that is not fully refinanced by a Borrowing of Revolving Loans because the conditions set forth in Section 4.03 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the applicable Issuing Bank a Letter of Credit Borrowing in the amount of the Reimbursement Obligation that is not so refinanced. In such event, each Revolving Lender's payment to the Revolving Agent for the account of such Issuing Bank pursuant to Section 2.04(c)(i) shall be deemed payment in respect of its participation in such Letter of Credit Borrowing and shall constitute a Letter of Credit Advance from such Lender in satisfaction of its participation obligation under this Section.

(iv) Until each Revolving Lender funds its Revolving Loan or Letter of Credit Advance to reimburse the applicable Issuing Bank for any amount drawn under any Letter of Credit, interest in respect of such Lender's Pro Rata Share of such amount shall be solely for the account of such Issuing Bank.

(v) Each Revolving Lender's obligations to make Revolving Loans or Letter of Credit Advances to reimburse an Issuing Bank for amounts drawn under Letters of Credit, as contemplated by this Section 2.04(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against such Issuing Bank, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default; or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; *provided* that each Revolving Lender's obligation to make Revolving Loans pursuant to this paragraph (c) is subject to the conditions set forth in Section 4.03. No such funding of a participation in any Letter of Credit shall relieve or otherwise impair the obligation of the Borrower to reimburse an Issuing Bank for the amount of any payment made by such Issuing Bank under such Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Lender fails to make available to the Revolving Agent for the account of the applicable Issuing Bank any amount required to be paid by such Lender pursuant to the foregoing provisions of this paragraph (c) by the time specified in Section 2.04(c)(ii), then, without limiting the other provisions of this Agreement, such Issuing Bank shall be entitled to recover from such Lender (acting through the Revolving Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such

payment is immediately available to such Issuing Bank at a rate *per annum* equal to the greater of the Federal Funds Rate from time to time in effect and a rate determined by such Issuing Bank in accordance with banking industry rules on interbank compensation, *plus* any reasonable administrative, processing or similar fees customarily charged by such Issuing Bank in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Loan included in the relevant Borrowing or Letter of Credit Advance in respect of the relevant Letter of Credit Borrowing, as the case may be. A certificate of the applicable Issuing Bank submitted to any Revolving Lender (through the Revolving Agent) with respect to any amounts owing under this clause (vi) shall be conclusive absent manifest error.

(d) Repayment of Participations.

(i) If, at any time after the applicable Issuing Bank has made payment in respect of any drawing under any Letter of Credit issued by it and has received from any Revolving Lender its Letter of Credit Advance in respect of such payment in accordance with Section 2.04(c), if the Revolving Agent receives for the account of such Issuing Bank any payment in respect of the related Reimbursement Obligation, the Revolving Agent will distribute to such Lender its Pro Rata Share thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's Letter of Credit Advance was outstanding) in like funds as received by the Revolving Agent.

(ii) If any payment received by the Revolving Agent for the account of the applicable Issuing Bank pursuant to Section 2.04(c)(i) is required to be returned under any of the circumstances described in Section 11.06 (including pursuant to any settlement entered into by such Issuing Bank in its discretion), each Revolving Lender shall pay to the Revolving Agent for the account of such Issuing Bank its Pro Rata Share thereof on demand of the Revolving Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender at a rate *per annum* equal to the Federal Funds Rate from time to time in effect. The obligations of the Revolving Lenders under this clause (ii) shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Obligations Absolute. The obligation of the Borrower to reimburse the Issuing Banks for each drawing under each Letter of Credit and to repay each Letter of Credit Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit or any term or provision thereof, any Loan Document, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the Issuing Banks or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement

therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by an Issuing Bank under such Letter of Credit against presentation of documents that do not comply strictly with the terms of such Letter of Credit; or any payment made by an Issuing Bank under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor in possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or non-perfection of any collateral, or any release or amendment or waiver of or consent to departure from any guarantee, for all or any of the Obligations of the Borrower in respect of such Letter of Credit; or

(vi) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower.

The Borrower shall promptly examine a copy of each Letter of Credit and each amendment thereto that is delivered to it and, in the event of any claim of noncompliance with the Borrower's instructions or other irregularity, the Borrower will promptly notify the applicable Issuing Bank. The Borrower shall be conclusively deemed to have waived any such claim against any Issuing Bank and its correspondents unless such notice is given as aforesaid.

(f) Role of Issuing Banks. Each Revolving Lender and the Borrower agrees that, in paying any drawing under a Letter of Credit, the Issuing Banks shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by such Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any document or the authority of the Person executing or delivering any document. None of any Issuing Bank, any Agent Affiliate nor any of the respective correspondents, participants or assignees of any Issuing Bank shall be liable to any Revolving Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the requisite Revolving Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts of omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; *provided* that this assumption is not intended to, and shall not, preclude the Borrower from pursuing such rights and remedies as it may have against the beneficiary or transferee at law or under any other agreement. None of the Issuing Banks, any Agent Affiliate nor any of the respective correspondents, participants or assignees of the Issuing Banks shall be liable or responsible for any of the matters described in Section 2.04(e); *provided* that, notwithstanding anything in such clauses to the contrary, the Borrower may have a claim against an Issuing Bank, and an Issuing Bank may be liable to the Borrower, to the extent, but only to the extent, of any direct (as opposed to indirect, special, punitive, consequential or exemplary) damages suffered by the Borrower which a court of competent jurisdiction determines in a final non-appealable judgment were caused by such Issuing Bank's gross negligence or willful misconduct or such Issuing Bank's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a document(s) strictly complying with the terms and conditions of a Letter of Credit. In furtherance and not in limitation of the foregoing, the applicable Issuing Bank may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the Issuing Banks shall not be responsible for the validity or sufficiency of any instrument transferring or

assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason. The Issuing Banks may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication (SWIFT) message or overnight courier, or any other commercially reasonable means of communication with a beneficiary.

(g) Applicability of ISP. Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a standby Letter of Credit is issued, the rules of the "International Standby Practices 1998" published by the Institute of International Banking Law & Practice (or such later version thereof as may be in effect at the time of issuance) shall apply to such standby Letter of Credit.

(h) Conflict with Letter of Credit Application. In the event of any conflict between the terms of this Agreement and the terms of any Letter of Credit Application, the terms hereof shall control.

(i) Reporting. No later than the third Business Day following the last day of each month, (or at such other intervals as the Revolving Agent and the applicable Issuing Bank shall agree), the applicable Issuing Bank shall provide to the Revolving Agent a schedule of the Letters of Credit issued by it, in form and substance reasonably satisfactory to the Revolving Agent, showing the date of issuance of each Letter of Credit, the account party, the original face amount (if any), the expiration date, and the reference number of any Letter of Credit outstanding at any time during such month, and showing the aggregate amount (if any) payable by the Borrower to such Issuing Bank during such month.

(j) Resignation and Removal of an Issuing Bank. Any Issuing Bank may resign as an Issuing Bank upon sixty days' prior written notice to the Administrative Agent and the Revolving Agent, the Lenders and the Borrower. Any Issuing Bank may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the Revolving Agent, the Issuing Bank being replaced (*provided* that no consent will be required if the Issuing Bank being replaced has no Letters of Credit or Reimbursement Obligations with respect thereto outstanding) and the successor Issuing Bank. The Revolving Agent shall notify the Lenders of any such replacement of an Issuing Bank. At the time any such replacement or resignation shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the replaced Issuing Bank. From and after the effective date of any such replacement or resignation, (i) any successor Issuing Bank shall have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit to be issued thereafter and (ii) references herein to the term "Issuing Bank" shall be deemed to refer to such successor or to any previous Issuing Bank, or to such successor and all previous Issuing Banks, as the context shall require. After the replacement or resignation of an Issuing Bank hereunder, the replaced or resigning Issuing Bank shall remain a party hereto to the extent that Letters of Credit issued by it remain outstanding and shall continue to have all the rights and obligations of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such replacement or resignation, but shall not be required to issue additional Letters of Credit.

(k) Cash Collateral Account. At any time and from time to time (i) after the occurrence and during the continuance of an Event of Default, the Administrative Agent, at the direction or with the consent of the Required Lenders, may require the Borrower, to deliver to the Revolving Agent such amount of cash as is equal to 103% of the aggregate stated amount of all Letters of Credit at any time outstanding (whether or not any beneficiary under any Letter of Credit shall have drawn or be entitled at such time to draw thereunder) and (ii) in the event of a prepayment under Section 2.05(b)(iv) or to the extent any amount of a required prepayment under any of Sections 2.05(b)(i) through 2.05(b)(iii) remains after prepayment of all outstanding Loans and Letter of Credit Obligations and termination of the Commitments, as contemplated by Section 2.06, the Revolving Agent will retain such amount as may

then be required to be retained, such amounts in each case under clauses (i) and (ii) above to be held by the Revolving Agent in a Cash Collateral Account. The Borrower hereby grants (or, if registration thereof is required in any applicable jurisdiction, shall grant) to the Revolving Agent for the benefit of the Issuing Banks and the Revolving Lenders, a Lien upon and security interest in the Cash Collateral Account and all amounts held therein from time to time as security for Letter of Credit Usage, and for application to the Borrower's Letter of Credit Obligations as and when the same shall arise. The Revolving Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest on the investment of such amounts in Cash Equivalents, which investments shall be made at the direction of the Borrower (unless an Event of Default shall have occurred and be continuing, in which case the determination as to investments shall be made at the option and in the discretion of the Revolving Agent), amounts in the Cash Collateral Account shall not bear interest. Interest and profits, if any, on such investments shall accumulate in such account. In the event of a drawing, and subsequent payment by the applicable Issuing Bank, under any Letter of Credit at any time during which any amounts are held in the Cash Collateral Account, the Revolving Agent will deliver to such Issuing Bank an amount equal to the Reimbursement Obligation created as a result of such payment (or, if the amounts so held are less than such Reimbursement Obligation, all of such amounts) to reimburse such Issuing Bank therefor. Any amounts remaining in the Cash Collateral Account after the expiration of all Letters of Credit and reimbursement in full of each Issuing Bank for all of its obligations thereunder shall be held by the Revolving Agent, for the benefit of the Borrower, to be applied against the Obligations in such order and manner as the Revolving Agent may direct. If the Borrower is required to provide Cash Collateral pursuant to this Section 2.04(k), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower on demand, *provided* that after giving effect to such return (A) the sum of (1) the aggregate principal Canadian Dollar amount of all Revolving Loans outstanding at such time and (2) the aggregate Letter of Credit Usage at such time would not exceed the aggregate Revolving Commitments at such time and (B) no Event of Default shall have occurred and be continuing at such time. If the Borrower is required to provide Cash Collateral pursuant to Sections 2.17(a)(ii) through 2.17(a)(iii), such amount shall be returned to the Borrower on demand; *provided* that, after giving effect to such return, all outstanding Letters of Credit shall have expired and each Issuing Bank shall have been reimbursed in full for all of its obligations thereunder. If the Borrower is required to provide Cash Collateral as a result of an Event of Default, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived.

(l) Addition of an Issuing Bank. One or more Revolving Lenders (other than a Defaulting Lender) selected by the Borrower that agrees to act in such capacity and reasonably acceptable to the Administrative Agent and the Revolving Agent may become an additional Issuing Bank hereunder pursuant to a written agreement in form and substance reasonably satisfactory to the Administrative Agent and the Revolving Agent among the Borrower, the Administrative Agent, the Revolving Agent and such Revolving Lender. The Revolving Agent shall notify the Revolving Lenders of any such additional Issuing Bank.

Section 2.05 Prepayments.

(a) *Optional.*

(i) The Borrower may, upon, subject to clause (ii) below, written notice to the Administrative Agent and, with respect to any Revolving Loans, the Revolving Agent by the Borrower, at any time or from time to time voluntarily prepay Term Loans of any Class and any Revolving Loans in whole or in part without premium or penalty (subject to Section 2.05(c)); *provided* that (1) such notice must be received by the Administrative Agent not later than 1:00

p.m. New York City time (A) three (3) Business Days prior to any date of prepayment of Eurocurrency Rate Loans or CDOR Rate Loans and (a) on the date of any prepayment of Base Rate Loans or Canadian Prime Rate Loans; (2) any prepayment of Eurocurrency Rate Loans or CDOR Rate Loans shall be in a minimum Principal Amount of $500,000, or a whole multiple of $500,000 in excess thereof (or such lesser amount(s) approved by the Administrative Agent and, solely with respect to Revolving Loans, the Revolving Agent); (3) any prepayment of Base Rate Loans or Canadian Prime Rate Loans shall be in a minimum Principal Amount of $500,000 or a whole multiple of $100,000 in excess thereof (or such lesser amount(s) approved by the Administrative Agent and, solely with respect to Revolving Loans, the Revolving Agent) or, in each case, if less, the entire Principal Amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Pro Rata Share or other applicable share provided for under this Agreement of such prepayment. If such notice is given by the Borrower, the Borrower shall make (or cause to be made) such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a Eurocurrency Rate Loan or CDOR Rate Loan shall be accompanied by all accrued interest thereon to such date, together with any additional amounts required pursuant to Section 2.05(c) or Section 3.05. In the case of each prepayment of the Loans pursuant to this Section 2.05, the Borrower may in its sole discretion select the Borrowing or Borrowings (and the order of maturity of principal payments) to be repaid, and such payment shall be paid to the Appropriate Lenders in accordance with their respective Pro Rata Shares or other applicable share as provided for under this Agreement.

(ii) Notwithstanding anything to the contrary contained in this Agreement, subject to the payment of any amounts owing pursuant to Section 3.05, the Borrower may rescind any notice of prepayment under this Section 2.05(a) if such prepayment would have resulted from a refinancing of all or a portion of the applicable Facility or other transaction, which refinancing or other transaction shall not be consummated or shall otherwise be delayed. Each prepayment of any Class of Term Loans pursuant to this Section 2.05 shall be applied as directed in writing by the Borrower and, absent such direction, shall be applied in direct order of maturity to repayments thereof required pursuant to Section 2.07(a).

(b) *Mandatory*.

(i) *Excess Cash Flow*. Subject to clauses (b)(ix) and (b)(x) below, within five (5) Business Days after financial statements have been delivered or are required to be delivered pursuant to Section 6.01(a) (commencing with the financial statements for the fiscal year ending ~~November 30~~December 31, 2022) and the related Compliance Certificate has been delivered or is required to be delivered pursuant to Section 6.02(a), the Borrower shall cause to be offered to be prepaid an aggregate principal amount of Term Loans in an amount equal to, if positive:

(A) the Applicable ECF Percentage of Excess Cash Flow, if any, for the fiscal year covered by such financial statements, *minus*

(B) at the option of the Borrower, the sum of:

(i) all voluntary prepayments of Term Loans (including (x) those made through debt buybacks and in the case of below-par repurchases in an amount equal to the discounted amount actually paid in cash in respect of such

below-par repurchase and (y) payments pursuant to Section 3.07 or other applicable "yank-a-bank" provisions (solely to the extent any such Term Loans are retired));

(ii) all voluntary payments and prepayments of Revolving Loans and any other revolving loans that are Pari Passu Lien Debt, in each case to the extent accompanied by a corresponding permanent reduction in commitments;

(iii) the amount of Capital Expenditures or acquisitions of Intellectual Property made in cash; and

(iv) Permitted Investments made in cash pursuant to Section 7.02 (e), (i) (only to the extent relying on clause (a) of the definition of Available Amount), (j), (k), (l), (p) and (y);

in each case, (I) during such fiscal year or following the end of such fiscal year and prior to the date such payment is due, (II) to the extent such prepayments are not funded with the proceeds of Funded Debt, equity contributions or equity issuances and without duplication of any deduction from Excess Cash Flow in any prior period and (III) including, for the avoidance of doubt, assignments of such Indebtedness to the Borrower or a Restricted Subsidiary (and prepayments of such Indebtedness below par) to the extent of the amount paid in connection with such assignment (or prepayment); *provided* that no such payment will be required if such amount is equal to or less than the greater of (a) $1,000,000 and (b) 2.5% multiplied by TTM Consolidated Adjusted EBITDA as of the applicable date of determination.

(ii) *Asset Sales / Casualty Events*. If any Loan Party (a) Disposes of any property or assets pursuant to the Sections 7.05(e), (f) or (g) or (b) any Casualty Event occurs with respect to property or assets constituting Collateral of a Loan Party, in each case which results in receipt by the Borrower or any Restricted Subsidiary of Net Proceeds in excess of $1,000,000 in any fiscal year, then the Borrower shall cause to be offered to be prepaid, on or prior to the date which is ten (10) Business Days after the date of the realization or receipt by the Borrower or any other Loan Party of such Net Proceeds, subject to clauses (b)(ix), (b)(x) and (b)(xi) below, an aggregate principal amount of Term Loans in an amount equal to the Asset Sale Prepayment Percentage of all such Net Proceeds (it being understood and agreed that any Net Proceeds not in excess of such amounts may be retained).

(iii) *Non-Permitted Indebtedness*. If the Borrower or any Restricted Subsidiary incurs or issues any Funded Debt after the Closing Date (A) that is not permitted to be incurred or issued under Section 7.03 or (B) that constitutes Credit Agreement Refinancing Indebtedness, the Borrower shall cause to be offered to be prepaid an aggregate principal amount of Term Loans in an amount equal to 100% of all Net Proceeds received therefrom, together with the applicable Prepayment Premium (if any), promptly, and in any event on or prior to the date which is two (2) Business Days after the receipt by the Borrower or such Restricted Subsidiary of such Net Proceeds (in the case of subclause (A)) and substantially concurrently with the issuance of such Credit Agreement Refinancing Indebtedness (in the case of subclause (B)).

(iv) *Revolving Facility*. If for any reason the aggregate Revolving Exposures at any time exceeds the aggregate Revolving Commitments then in effect (including, for the avoidance of doubt, as a result of the termination of any Class of Revolving Commitments on the Maturity Date with respect thereto), the Borrower shall promptly prepay or cause to be promptly prepaid

Revolving Loans in an aggregate amount equal to such excess; *provided* that, to the extent such excess amount is greater than the aggregate principal Canadian Dollar amount of Revolving Loans outstanding immediately prior to the application of such prepayment, the amount so prepaid shall be retained by the Revolving Agent and held in the Cash Collateral Account as cover for Letter of Credit Usage, as more particularly described in Section 2.04(k), and thereupon such cash shall be deemed to reduce the aggregate Letter of Credit Usage by an equivalent amount.

(v) *Application of Proceeds.* Mandatory prepayments pursuant to this Section 2.05(b) shall be applied at the written direction of the Borrower or, absent such direction, in direct order of maturity of the remaining installments thereof; *provided* that (A) each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied to each Class of Term Loans then outstanding other than (i) in the case of Section 2.05(b)(iii), the Net Proceeds of Credit Agreement Refinancing Indebtedness shall be applied solely to each applicable Class of Refinanced Debt, and (ii) any Class of Incremental Term Loans to the extent such Class expressly specifies that one or more other Classes of Term Loans may be prepaid prior to such Class of Incremental Term Loans) and (b) each such prepayment shall be paid to the Lenders in accordance with their respective Pro Rata Shares of such prepayment, subject to Section 2.05(b)(viii).

(vi) *Prepayment Notice*. The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (i) through (ii) of this Section 2.05(b) at least three (3) Business Days prior to the date of such prepayment (or such shorter period as the Administrative Agent may agree). Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Pro Rata Share of the prepayment.

(vii) *Funding Losses, Etc.* All prepayments under this Section 2.05 shall be made together with, in the case of any such prepayment of a Eurocurrency Rate Loan or CDOR Rate Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such Eurocurrency Rate Loan or CDOR Rate Loan pursuant to Section 3.05. Notwithstanding any of the other provisions of this Section 2.05(b), so long as no Event of Default shall have occurred and be continuing, if any prepayment of Eurocurrency Rate Loans or CDOR Rate Loans is required to be made under this Section 2.05(b), prior to the last day of the Interest Period therefor, the Borrower may, in its sole discretion, deposit the amount of any such prepayment otherwise required to be made thereunder into a Cash Collateral Account which shall be uninvested until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05(b). Upon the occurrence and during the continuance of any Event of Default, the Administrative Agent shall also be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of the outstanding Loans in accordance with this Section 2.05(b).

(viii) *Term Opt-out of Prepayment*. With respect to each prepayment of Term Loans required pursuant to this Section 2.05(b) (other than any prepayment of Term Loans pursuant to clause (iii) hereof), (A) each Lender of Term Loans will have the right to refuse its Pro Rata Share of such offer of prepayment by giving written notice of such refusal to the Administrative

Agent within one (1) Business Day after such Lender's receipt of notice from the Administrative Agent of such offer of prepayment (and the Borrower shall not prepay any Term Loans of such Lender), (c) the Borrower will make all such prepayments not so refused upon the fourth Business Day after delivery of notice by the Borrower pursuant to Section 2.05(b)(vi) and (d) subject to any requirements set forth in any Other Applicable Indebtedness, any prepayment refused by Lenders of Term Loans (such refused amounts, the "**Declined Amounts**") may be retained by the Borrower and shall be added to the Available Amount.

(ix) *Other Applicable Indebtedness.* If at the time that any prepayment pursuant to Section 2.05(b)(i) or 2.05(b)(ii) would be required, the Borrower is required to repay, repurchase or offer to repay or repurchase any Pari Passu Lien Debt pursuant to the terms of the documentation governing such Indebtedness with all or a portion of "excess cash flow" or the "net proceeds" of any such Disposition or Casualty Event (any such Indebtedness, "**Other Applicable Indebtedness**"), then the Borrower may apply Excess Cash Flow or Net Proceeds (as applicable), in each case, on a *pro rata* basis (or less than *pro rata* basis if permitted by the documentation governing such Other Applicable Indebtedness) to the prepayment of the Term Loans and the repayment, prepayment or repurchase of any Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time), and the amount of prepayment of the Term Loans that would otherwise have been required pursuant to Section 2.05(b)(i) or 2.05(b)(ii), as applicable, will be reduced accordingly; *provided* that (A) the portion of such Excess Cash Flow or Net Proceeds, as applicable, allocated to the Other Applicable Indebtedness shall not exceed the amount of Excess Cash Flow or such Net Proceeds, as applicable, required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of Excess Cash Flow or such Net Proceeds, as applicable, shall be allocated to the Term Loans in accordance with the terms hereof, and (B) to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof.

(x) *Non-U.S. and Non-Canadian Considerations.* Notwithstanding any other provisions of this Section 2.05, (A) to the extent that any of or all the Net Proceeds of any Disposition by a Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary ("**Non-U.S. Disposition**") or Excess Cash Flow attributable to Subsidiaries that are a Non-U.S. Subsidiary and a Non-Canadian Subsidiary are prohibited or delayed by applicable local law from being repatriated to the United States or Canada, as applicable, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.05 but may be retained by the applicable Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States or Canada (the Borrower hereby agreeing to cause the applicable Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary to use its commercially reasonable efforts to take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow that, in each case, would otherwise be required to be used to make an offer of prepayment pursuant to Sections 2.05(b)(i) or 2.05(b)(ii), is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than two Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Term Loans pursuant to this Section 2.05 and (B) to the extent that the Borrower has determined in good faith that

repatriation of any of or all the Net Proceeds of any Non-U.S. Disposition or Excess Cash Flow of any Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary would reasonably be expected to have material adverse tax consequences with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow may be retained by the applicable Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary; *provided* that to the extent that the repatriation of any Net Proceeds or Excess Cash Flow from such Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary would no longer reasonably be expected to have a material adverse tax consequence, an amount equal to the Net Proceeds or Excess Cash Flow, as applicable, not previously applied pursuant to this subclause (B), shall be promptly applied to the repayment of the Term Loans pursuant to this Section 2.05(b), as otherwise required above (without regard to this subclause (B)).

(xi) *Reinvestment Rights*. With respect to any Net Proceeds realized or received with respect to any Disposition or any Casualty Event that, in either case, is subject to the application of the foregoing provisions of Section 2.05(b)(ii), at the option of the Borrower, the Borrower may (in lieu of making a prepayment pursuant to the foregoing provisions) elect to reinvest (directly, or through one or more of its Restricted Subsidiaries) an amount equal to all or any portion of such Net Proceeds in assets used or useful for the business of the Borrower and its Restricted Subsidiaries (1) within 12 months following receipt of such Net Proceeds or (2) if the Borrower or any of its Restricted Subsidiaries enters into a legally binding commitment to reinvest such Net Proceeds within 12 months following receipt of such Net Proceeds, no later than one hundred and eighty (180) days after the end of such 12 month period; *provided* that if any portion of such amount is not reinvested at such time, subject to clauses (b)(ix) and (b)(x) above, the Asset Sale Prepayment Percentage of any such Net Proceeds shall be applied within five Business Days thereof as provided above.

(c) *Call Protection*. If (i) the Borrower makes any voluntary prepayment of the Initial Term Loans pursuant to Section 2.05(a) or (ii) the Borrower makes any mandatory prepayment of the Initial Term Loans pursuant to Section 2.05(b)(iii) including, for the avoidance of doubt, in connection with an amendment constituting Credit Agreement Refinancing Indebtedness or Replacement Loans (the events in subclauses (i) and (ii), each, a "**Prepayment Event**"), then the Borrower shall pay to the Administrative Agent, for the ratable account of each Lender with Initial Term Loans that are so prepaid or refinanced, a premium (the "**Prepayment Premium**") equal to (x) if such Prepayment Event is consummated on a date that is on or after the Closing Date and prior to the first anniversary of the Closing Date, 2.00% of the aggregate principal amount of the Initial Term Loans being prepaid or refinanced, and (y) if such prepayment is consummated on any date that is on or after the first anniversary of the Closing Date and prior to the second anniversary of the Closing Date, 1.00% of the aggregate principal amount of the Initial Term Loans being prepaid or refinanced; *provided* that, solely in the event of a Prepayment Event that occurs in connection with a transaction with an unaffiliated third party that constitutes a Change of Control, then the percentages specified in subclauses (x) and (y) of this sentence shall in be reduced to 0.50%. Notwithstanding the foregoing, if any Prepayment Event is consummated on a date that is on or after the second anniversary of the Closing Date, then the Prepayment Premium shall be deemed to be zero and no such Prepayment Premium shall be payable. Any such Prepayment Premium shall be earned, due and payable upon the date of, and subject to the occurrence of, the applicable Prepayment Event.

Section 2.06 Termination or Reduction of Commitments.

(a) *Optional.*

(i) The Borrower may, upon written notice to the Administrative Agent and, solely with respect to Revolving Commitments, the Revolving Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class, in each case without premium or penalty; *provided* that (A) any such notice shall be received by the Administrative Agent not later than 12:00 p.m. New York City time on the date such of termination or reduction and (B) any such partial reduction shall be in a minimum aggregate amount of $500,000 (or C$500,000), or any whole multiple of $500,000 (or C$500,000), in excess thereof or, if less, the entire amount thereof (or such lesser amount(s) approved by the Administrative Agent and, solely with respect to Revolving Loans, the Revolving Agent). Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all of the applicable Facility or any other transaction, which refinancing or other transaction shall not be consummated or otherwise shall be delayed.

(ii) The Borrower shall not terminate or reduce (A) the Revolving Commitments if, after giving effect to any concurrent prepayment of the Revolving Loans in accordance with Section 2.05, the Total Utilization of Revolving Commitments would exceed the total Revolving Commitments or (B) the Letter of Credit Sublimit if, after giving effect thereto, (1) the Letter of Credit Usage not fully Cash Collateralized hereunder at 103% of the maximum face amount of any such Letters of Credit would exceed the Letter of Credit Sublimit or (2) the Letter of Credit Usage with respect to Letters of Credit issued by an applicable Issuing Bank not fully Cash Collateralized hereunder at 103% of the maximum face amount of any such Letters of Credit would exceed the amount of such Issuing Bank's Letter of Credit Percentage of the Letter of Credit Sublimit. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all or a portion of the applicable Facility, which refinancing shall not be consummated or otherwise shall be delayed.

(b) *Mandatory.*

(i) The Initial Term Commitment of each Lender shall be automatically and permanently reduced to $0 upon the funding of Initial Term Loans to be made by it on the Closing Date.

(ii) The Revolving Commitment of each Class shall automatically and permanently terminate on the Maturity Date with respect to such Class of Revolving Commitments.

(iii) [reserved].

(iv) If after giving effect to any reduction or termination of Revolving Commitments under this Section 2.06, the Letter of Credit Sublimit exceeds the amount of the Revolving Commitments at such time, the Letter of Credit Sublimit shall be automatically reduced by the amount of such excess.

(c) *Application of Commitment Reductions; Payment of Fees.* The Administrative Agent will promptly notify the Appropriate Lenders of any termination or reduction of unused portions of the unused Commitments of any Class under this Section 2.06. Upon any reduction of unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Pro Rata Share of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.07). All commitment fees accrued until the

effective date of any termination of the Aggregate Commitments shall be paid on the effective date of such termination.

Section 2.07 Repayment of Loans.

(a) *Term Loans.* The Borrower shall repay to the Administrative Agent for the ratable account of the Term Lenders:

(i) (x) on the last Business Day of each ~~February, May, August and November~~March, June, September and December, commencing with ~~the first full fiscal quarter after the Closing Date~~September 30, 2022, an aggregate principal amount equal to 0.25% of the aggregate principal amount of all Initial Term Loans outstanding on the Closing Date (which payments shall be reduced as a result of the application of prepayments in accordance with the order of priority set forth in Section ~~2.05~~2.05), and (y) on the Maturity Date for the Initial Term Loans, the aggregate principal amount of all Initial Term Loans outstanding on such date ;

(ii) [reserved]; and

(iii) in the event any Incremental Term Loans, Refinancing Term Loans or Extended Term Loans are made, in the amounts and on the dates set forth in the Incremental Amendment, Refinancing Amendment or Extension Amendment with respect thereto and on the applicable Maturity Date thereof.

(b) *Revolving Loans.* The Borrower shall repay to the Revolving Agent for the ratable account of the Appropriate Lenders on the applicable Maturity Date for the Revolving Facilities of a given Class the aggregate principal amount of all of its Revolving Loans of such Class outstanding on such date.

Section 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each Eurocurrency Rate Loan or CDOR Rate Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate *per annum* equal to the Eurocurrency Rate or CDOR Rate, as applicable, for such Interest Period plus the Applicable Rate; and (2) each Base Rate Loan or Canadian Prime Rate Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate *per annum* equal to the Base Rate or the Canadian Prime Rate, as applicable, plus the Applicable Rate.

(b) During the continuance of a Default under Section 8.01(a) (solely with respect to payments of principal, interest, fees or other amount due under this Agreement), Section 8.01(f) or Section (g) (solely following which any principal, interest, fees or other amounts remain unpaid under this Agreement), the Borrower shall pay interest on past due amounts owing by it hereunder at a fluctuating interest rate *per annum* at all times equal to the Default Rate to the fullest extent permitted by applicable Laws; *provided* that no interest at the Default Rate shall accrue or be payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Accrued and unpaid interest on such amounts (including interest on past due interest) shall be due and payable upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the

commencement of any proceeding under any Debtor Relief Law (to the greatest extent permitted by Law).

(d) For the purposes of the *Interest Act* (Canada), (i) whenever a rate of interest or fee rate hereunder is calculated on the basis of a year (the "deemed year") that contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest or fee rate shall be expressed as a yearly rate by multiplying such rate of interest or fee rate by the actual number of days in the calendar year of calculation and dividing it by the number of days in the deemed year, (ii) the principle of deemed reinvestment of interest shall not apply to any interest calculation hereunder and (iii) the rates of interest stipulated herein are intended to be nominal rates and not effective rates or yields.

Section 2.09 Fees.

(a) *Revolving Facility Commitment Fee.* The Borrower agrees to pay to the Revolving Agent for the account of each Revolving Lender under the Revolving Facility in accordance with its Pro Rata Share provided for under this Agreement, a commitment fee in Canadian Dollars equal to (i) a *per annum* rate of 0.50% *multiplied by* (ii) the average daily amount by which the aggregate Revolving Commitment exceeds the sum of the aggregate principal amount of all outstanding Revolving Loans *plus* the Letter of Credit Usage; *provided* that no commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender and any commitment fee accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrower so long as such Lender shall be a Defaulting Lender. The commitment fee on the Revolving Facility shall accrue at all times from the Closing Date until the Maturity Date for the Revolving Commitments, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the last Business Day of each fiscal quarter, commencing with the last Business Day of the first full fiscal quarter after the Closing Date, and on the Maturity Date for the Revolving Commitments.

(b) *Other Fees.* The Borrower shall pay to the Arranger, the Administrative Agent or the Revolving Agent, for distribution to the applicable Lenders, as applicable, such other fees as shall have been separately agreed upon in the Fee Letter by the parties thereto. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly set forth in such Fee Letter).

(c) [Reserved].

(d) *L/C Fee.* The Borrower agrees to pay to the Revolving Agent for the account of each Revolving Lender under the Revolving Facility in accordance with its Pro Rata Share provided for under this Agreement, letter of credit fees with respect to all Letters of Credit (the "**L/C Fee**") equal to (A) the Applicable Rate for Revolving Loans that are Eurocurrency Rate Loans or CDOR Rate Loans, *times* (B) the average aggregate daily maximum amount available to be drawn under all Letters of Credit (regardless of whether any conditions for drawing could then be met and determined as of the close of business on any date of determination and whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit).

(e) *Issuing Banks*. The Borrower agrees to pay directly to the applicable Issuing Bank, for its own account, the following fees:

(i) a fronting fee to be agreed by the Borrower and the applicable Issuing Bank *times* the daily maximum amount then available to be drawn under such Letter of Credit (whether or not such maximum amount is then in effect under such Letter of Credit if such maximum amount increases periodically pursuant to the terms of such Letter of Credit) determined as of the close of business on any date of determination; and

(ii) such documentary and processing charges for any issuance, amendment, transfer or payment of a Letter of Credit as are in accordance with such Issuing Bank's standard schedule for such charges and as in effect at the time of such issuance, amendment, transfer or payment, as the case may be, which fees, costs and charges shall be payable to such Issuing Bank within three Business Days after its demand therefor and are nonrefundable.

Section 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans when the Base Rate is determined by the Prime Rate and for Canadian Prime Rate Loans when the Canadian Prime Rate is determined by the PRIMCAN Index and shall be made on the basis of a year of three hundred and sixty-five (365) days, or three hundred and sixty-six (366) days, as applicable, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred and sixty (360) day year and actual days elapsed. Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid; *provided* that any Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness.

(a) The Borrowings extended by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and evidenced by one or more entries in the Register maintained by the Administrative Agent, acting solely for purposes of Treasury regulation Section 5f.103-1(c), as agent for the Borrower, in each case in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be *prima facie* evidence absent manifest error of the amount of the Borrowings extended by the Lenders to the Borrower and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through the Administrative Agent) a Note payable to such Lender, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, Type (if applicable), amount, currency and maturity of its Loans and payments with respect thereto.

(b) Entries made in good faith by the Administrative Agent in the Register pursuant to Section 2.11(a), and by each Lender in its account or accounts pursuant to Section 2.11(a), shall be *prima facie* evidence of the amount of principal and interest due and payable or to become due and payable from the Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement and the other Loan Documents, absent manifest error; *provided* that the failure of the Administrative Agent or such Lender to make an entry, or any finding that

an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of the Borrower under this Agreement and the other Loan Documents.

Section 2.12 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made (i) to the Administrative Agent with respect to any Term Loans and (ii) to the Revolving Agent with respect to any Revolving Loans, in each case for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office or Revolving Agent's Office for Dollar-denominated or Canadian Dollar-denominated, as applicable, payments and in Same Day Funds not later than 2:00 p.m. New York City time on the date specified herein. The Administrative Agent and/or the Revolving Agent will promptly distribute to each Appropriate Lender its Pro Rata Share (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's applicable Lending Office. All payments received by the Administrative Agent and/or the Revolving Agent after the time specified above shall in each case be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) Except as otherwise provided herein, if any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; *provided* that if such extension would cause payment of interest on or principal of Eurocurrency Rate Loans or CDOR Rate Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless the Borrower or any Lender has notified the Administrative Agent and/or the Revolving Agent (as applicable), prior to the date any payment is required to be made by it to the Administrative Agent and/or the Revolving Agent (as applicable) hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent and/or the Revolving Agent (as applicable) may assume that the Borrower or such Lender, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent and/or the Revolving Agent (as applicable) in Same Day Funds, then:

(i) if the Borrower failed to make such payment, each Lender shall forthwith on demand repay to the Administrative Agent and/or the Revolving Agent (as applicable) the portion of such assumed payment that was made available to such Lender in Same Day Funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent and/or the Revolving Agent (as applicable) to such Lender to the date such amount is repaid to the Administrative Agent and/or the Revolving Agent (as applicable) in Same Day Funds at the applicable Overnight Rate, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent and/or the Revolving Agent (as applicable) in connection with the foregoing; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent and/or the Revolving Agent (as applicable) the amount thereof in Same Day Funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent and/or the Revolving Agent (as

applicable) to the Borrower to the date such amount is recovered by the Administrative Agent and/or the Revolving Agent (as applicable) (the "**Compensation Period**") at a rate *per annum* equal to the applicable Overnight Rate, plus any reasonable administrative, processing or similar fees customarily charged by the Administrative Agent and/or the Revolving Agent (as applicable) in connection with the foregoing. When such Lender makes payment to the Administrative Agent and/or the Revolving Agent (as applicable) (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's and/or the Revolving Agent's (as applicable) demand therefor, the Administrative Agent and/or the Revolving Agent (as applicable) may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent and/or the Revolving Agent (as applicable), together with interest thereon for the Compensation Period at a rate *per annum* equal to the rate of interest applicable to the applicable Borrowing. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent and/or the Revolving Agent (as applicable) or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent and/or the Revolving Agent (as applicable) to any Lender or the Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent manifest error.

(d) If any Lender makes available to the Administrative Agent and/or the Revolving Agent (as applicable) funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent and/or the Revolving Agent (as applicable) because the conditions to the applicable Borrowing set forth in Article IV or in the applicable Incremental Amendment, Extension Amendment or Refinancing Amendment are not satisfied or waived in accordance with the terms hereof, the Administrative Agent and/or the Revolving Agent (as applicable) shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent and/or the Revolving Agent (as applicable) under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and/or the Revolving Agent (as applicable) and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and/or the Revolving Agent (as applicable) and applied by the Administrative Agent and/or the Revolving Agent (as applicable) and the Lenders in the order of priority set forth in Section 8.03. If the Administrative Agent and/or the Revolving Agent (as applicable) receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which

such funds are to be applied, the Administrative Agent and/or the Revolving Agent (as applicable) may (to the fullest extent permitted by mandatory provisions of applicable Law), but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Pro Rata Share of the Outstanding Amount of all Loans outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof, such Lender shall immediately (a) notify the Administrative Agent and/or the Revolving Agent (as applicable) of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans *pro rata* with each of them; *provided* that if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (3) the amount of such paying Lender's required repayment to (4) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon. For avoidance of doubt, the provisions of this paragraph shall not be construed to apply to (a) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement as in effect from time to time (including the application of funds arising from the existence of a Defaulting Lender) or (b) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. Any Lender selling participations under this Section 2.13 will keep records (which shall be conclusive and binding in the absence of manifest error) of participations purchased under this Section 2.13 and will in each case notify the other Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14 Incremental Credit Extensions.

(a) *Notice*. The Borrower may at any time or from time to time on one or more occasions after the Closing Date, by notice to the Administrative Agent and, solely in the case of clause (ii) below, the Revolving Agent, (i) increase the aggregate principal amount of any outstanding tranche of Term Loans or add one or more additional tranches of term loans under the Loan Documents (the "**Incremental Term Facilities**"; the commitments thereunder, the "**Incremental Term Commitments**" and the term loans made thereunder, the "**Incremental Term Loans**") and/or (ii) increase the aggregate principal amount of the Revolving Commitments (the "**Incremental Revolving Facilities**"; the commitments thereunder, the "**Incremental Revolving Commitments**" and the revolving loans and other extensions of credit thereunder, the "**Incremental Revolving Loans**"; each such increase or

tranche pursuant to clauses (i) and (ii), an "**Incremental Facility**" and the loans or other extensions of credit made thereunder, the "**Incremental Loans**").

(b) *Ranking*. Incremental Facilities (i) may rank either *pari passu* or junior in right of payment with the Initial Term Loans and the initial Revolving Commitments, (ii) may either be unsecured or secured by the Collateral (or assets that become Collateral) (including secured by Liens that secure the Facilities on a *pari passu* or junior priority basis) and (iii) may be guaranteed only by the Loan Parties (or Persons that become Loan Parties). Incremental Facilities that constitute Junior Lien Debt will be subject to an Acceptable Intercreditor Agreement, and Incremental Facilities that are (x) contractually subordinated in right of payment to the Initial Term Loans and the Revolving Facility or (y) unsecured and having an initial aggregate principal amount in excess of the Unsecured Additional Debt Basket as of the applicable date of determination, in each case of parts (x) and (y), will be subject to a customary subordination agreement or other subordination arrangements the terms of which are reasonably acceptable to the Administrative Agent.

(c) *Size and Currency*. Subject to Section 1.03(b), the aggregate principal amount of Incremental Facilities on any date Indebtedness thereunder is first incurred (or commitments with respect thereto are received (x) in the case of any Incremental Revolving Facility, assuming such commitments are fully drawn on such date, and (y) in the case of any Incremental Term Facility with a delayed draw feature, at the Borrower's option either assuming any incremental commitments thereunder are fully drawn on such date or determined based on the date and actual amount of funding thereof), together with the aggregate principal amount of Incremental Equivalent Debt outstanding on such date, will not exceed, an amount equal to,

(i) the Fixed Incremental Amount, *plus*

(ii) the Ratio Amount,

(the sum of the Fixed Incremental Amount and the Ratio Amount, the "**Incremental Amount**"); *provided* that the aggregate amount of commitments in respect of Incremental Revolving Facilities shall be treated as fully funded at the time of initial availability thereof for purposes of complying with any financial ratio or test at such time, but not thereafter. Calculation of the Incremental Amount shall be made on Pro Forma Basis and evidenced by a certificate from a Responsible Officer of the Borrower demonstrating such calculation in reasonable detail. Each Incremental Amendment executed in connection with an Incremental Facility shall identify whether all or any portion of such Incremental Facility is being incurred pursuant to clauses (i) or (ii) above or a combination of such clauses, and in the absence of such identification each Incremental Facility will be deemed to be incurred first in reliance on the Ratio Amount to the extent permitted, with any balance incurred in reliance on the Fixed Incremental Amount. Each Incremental Facility will be in an aggregate principal amount that is not less than $1,000,000 (or C$1,000,000) and in integral multiples in excess thereof of $500,000 (or C$500,000) (or such lesser minimum amount approved by the Administrative Agent, or the Revolving Agent with respect to each Incremental Revolving Facility, in its reasonable discretion); *provided* that such amount may be less than such minimum amount or integral multiple amount if such amount represents all the remaining availability under the Incremental Amount at such time. Any Incremental Facility may be denominated in Dollars, Canadian Dollars, euros or British pounds sterling. Notwithstanding the foregoing, the Borrower may not incur Incremental Revolving Commitments in excess of C$10,000,000 in aggregate principal amount.

(d) *Incremental Lenders*. Each existing Term Lender shall have the right to participate in its Pro Rata Share of any requested Incremental Term Commitments in accordance with such Lender's Pro

Rata Share of the then outstanding Term Loans (but are not obligated to unless invited to and so elect) and to become lenders with respect thereto (but are not obligated to unless invited to and so elect). If any Lender fails to deliver a commitment for any requested Incremental Term Facility within ten (10) Business Days of Borrower's request therefor, such Lender shall be deemed to have waived its right to provide such Incremental Term Facility. Final allocations in respect of Incremental Facilities will be made by the Borrower together with the arrangers thereof, if any, in their discretion, on the terms permitted by this Section 2.14. For the avoidance of doubt, any Affiliated Lender that provides any Incremental Loans shall be subject to the limitations on Affiliated Lenders set forth in Section 10.07(l) (including the Affiliated Lender Cap, as applicable).

(e) *Incremental Facility Amendments; Use of Proceeds.* Each Incremental Facility will become effective pursuant to an amendment (each, an "**Incremental Amendment**") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and each Person providing such Incremental Facility, the Administrative Agent and, solely with respect to any Incremental Revolving Facility, the Revolving Agent. The Administrative Agent will promptly notify each Lender as to the effectiveness of each Incremental Amendment. Incremental Amendments may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Borrower in consultation with the Administrative Agent and, solely with respect to the Revolving Facility and any Incremental Revolving Facility, the Revolving Agent, to effect the provisions of this Section 2.14 and, to the extent practicable, to make an Incremental Loan fungible (including for tax purposes) with other Loans (subject to the limitations under clauses (g) and (h) of this Section) to the extent practicable. Without limiting the foregoing, an Incremental Amendment may (i) extend or add "call protection" to any existing tranche of Term Loans, including amendments to Section 2.05(c), and (ii) amend the schedule of amortization payments relating to any existing tranche of Term Loans, including amendments to Section 2.07(a) (*provided* that any such amendment shall not decrease any amortization payment to any Lender that would have otherwise been payable to such Lender prior to the effectiveness of the applicable Incremental Amendment), in the case of each subclause (i) and (ii), so that such Incremental Term Loans and the applicable existing Term Loans form the same Class of Term Loans; *provided* that such amendments are not adverse in any material respect to the existing Term Lenders (as determined in good faith by the Borrower). Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Amendment, this Agreement and the other Loan Documents, as applicable, will be amended to the extent necessary to reflect the existence and terms of the Incremental Facility and the Incremental Term Loans evidenced thereby. This Section 2.14 shall supersede any provisions in Section 2.13 or 10.01 to the contrary. The Borrower may use the proceeds of the Incremental Loans for any purpose not prohibited by this Agreement.

(f) *Conditions.* The availability of Incremental Facilities under this Agreement will be subject solely to the following conditions, subject, for the avoidance of doubt, to Section 1.03(b), measured on the date of the initial borrowing under such Incremental Facility (or, with respect to any Incremental Revolving Facility, the date commitments with respect thereto are received) or the LCA Test Date, as applicable:

(i) no Event of Default shall have occurred and be continuing or would result therefrom; *provided* that if such Incremental Facility is being provided in connection with a Limited Condition Acquisition, the condition set forth in this subclause may be satisfied so long as no Event of Default shall have occurred and be continuing or would result therefrom on the LCA Test Date and no Specified Event of Default shall have occurred and be continuing or would result therefrom as of the date closing date of such Limited Condition Acquisition; and

(ii) the representations and warranties in the Loan Documents will be true and correct in all material respects (except for representations and warranties that are already qualified by materiality, which representations and warranties will be true and correct in all respects as so qualified) immediately prior to, and after giving effect to, the incurrence of such Incremental Facility; *provided* that if such Incremental Facility is being provided in connection with a Limited Condition Acquisition, the condition set forth in this subclause may be satisfied as of the LCA Test Date; *provided further*, that (A) the Specified Representations and (B) the Acquisition Agreement Representations as applied to the agreement pursuant to which such Investment or acquisition will be made and only to the extent that the failure of such Acquisition Agreement Representations would result in a failure of a condition precedent to the obligation of the Borrower or any Restricted Subsidiary to consummate such Investment or acquisition), will be true and correct in all material respects (except for representations and warranties that are already qualified by materiality, which representations and warranties will be true and correct in all respects as so qualified) immediately prior to, and after giving effect to, the incurrence of such Incremental Facility; and *provided further*, that the condition set forth in this subclause may be waived or not required (other than with respect to parts (A) and (B) of this subclause) by the Persons providing such Incremental Facilities, the Administrative Agent (not to be unreasonably withheld, conditioned or delayed) and, solely with respect to any Incremental Revolving Facility, the Revolving Agent (not to be unreasonably withheld, conditioned or delayed) if the proceeds of the initial Borrowings under such Incremental Facilities will be used to finance, in whole or in part, a Permitted Investment.

(g) Terms. Each Incremental Amendment will set forth the amount and terms of the relevant Incremental Facility. The terms of each Incremental Facility will be as agreed between the Borrower and the Persons providing such Incremental Facility; *provided* that, at the time of incurrence thereof:

(i) any such Incremental Term Loans (x) that are Pari Passu Lien Debt shall not mature prior to the Latest Maturity Date of, and shall not have a Weighted Average Life to Maturity shorter than the remaining Weighted Average Life to Maturity of, the Initial Term Loans, or (y) that are Junior Lien Debt or unsecured Indebtedness shall not mature prior to the date that is 91 days following the Latest Maturity Date of the Initial Term Loans or have scheduled amortization prior to the Latest Maturity Date of the Initial Term Loans;

(ii) any such Incremental Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis in any mandatory repayments or prepayments of the Initial Term Loans (other than (A) any repayment of such Incremental Term Loans at maturity and (B) any greater than *pro rata* repayment of such Incremental Term Loans with the proceeds of Credit Agreement Refinancing Indebtedness with respect to a mandatory prepayment pursuant to Section 2.05(b)(iii)(B)); *provided* that mandatory prepayments of any Incremental Term Facility that is Junior Lien Debt or unsecured may not be made except to the extent that such prepayments are offered (to the extent required pursuant to the terms of the Initial Term Loans and any other Pari Passu Lien Debt), first *pro rata* to the Initial Term Loans and any other Pari Passu Lien Debt;

(iii) to the extent secured, (A) such Incremental Term Facilities or Incremental Revolving Facilities, as applicable, shall not be secured by any Lien on any property or asset that does not constitute Collateral, as applicable, at the time of such incurrence (except (1) customary cash collateral in favor of an agent, letter of credit issuer or similar "fronting" lender, (2) Liens on property or assets applicable only to periods after the Latest Maturity Date of the Term Loans or Revolving Loans, as applicable, at the time of incurrence and (3) any Liens on property or

assets to the extent that a Lien on such property or asset is also added for the benefit of the Lenders under the Term Loans or Revolving Loans, as applicable) and (B) a Debt Representative acting on behalf of the holders of such Incremental Term Facilities or Incremental Revolving Facilities has become party to, or is otherwise subject to the provisions of, an Acceptable Intercreditor Agreement;

(iv) to the extent unsecured and having an aggregate initial principal amount in excess of the Unsecured Additional Debt Basket as of the applicable date of determination, a Debt Representative acting on behalf of the holders of any such Incremental Term Facilities has become party to, or is otherwise subject to the provisions of, a subordination agreement or other subordination arrangements the terms of which are reasonably acceptable to the Administrative Agent;

(v) such Incremental Term Facilities or Incremental Revolving Facilities as applicable, shall not be incurred or guaranteed by any Person other than the Borrower and the Guarantors (except (1) for guarantees by other Persons that are applicable only to periods after the Latest Maturity Date of the Term Loans or Revolving Loans, as applicable, at the time of incurrence and (2) any such Person incurring or guaranteeing such Incremental Term Facilities or Incremental Revolving Facilities, as applicable, that also guarantees the Term Loans or Revolving Loans, as applicable);

(vi) any Incremental Term Facility shall be on terms and conditions that are substantially identical to or, taken as a whole, not materially more favorable to the lenders or holders providing such Indebtedness than those applicable to the Initial Term Loans, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment (except (1) for terms and conditions applicable only to periods after the Latest Maturity Date of the Term Loans at the time of incurrence and (2) any term or condition to the extent such term or condition is also added for the benefit of the Lenders under the Term Loans); provided that a certificate of a Responsible Officer delivered to the Administrative Agent at least four (4) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the incurrence of such Incremental Term Facility, together with a reasonably detailed description of the material covenants and events of default of such Indebtedness or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this subclause (v) shall be conclusive evidence that such material covenants and events of default satisfy such requirement unless the Administrative Agent notifies the Borrower within such four (4) Business Day (or shorter) period that it disagrees with such determination (including a description of the basis upon which it disagrees)); *provided further*, that this subclause will not apply to (x) terms addressed in the other clauses of this Section 2.14(g), (y) interest rate, rate floors, fees, funding discounts and other pricing terms and (z) optional prepayment or redemption terms, including any premiums related thereto; and

(vii) except as otherwise set forth herein, all terms of any Incremental Revolving Facility shall be on terms and pursuant to documentation applicable to the Revolving Facility and all other terms of any Incremental Term Facility shall be on terms (including subordination terms, if applicable) and pursuant to documentation to be determined by the Borrower and the providers of the Incremental Term Facility; *provided* that the operational and agency provisions contained in such documentation shall be reasonably satisfactory to the Administrative Agent and the Borrower.

(h) *Pricing*. The interest rate, fees and original issue discount for any Incremental Term Loans will be as determined by the Borrower and the Persons providing such Incremental Term Loans; *provided* that in the event that the All-In Yield applicable to any MFN Eligible Debt exceeds the All-In Yield (taking into account any leverage-based pricing grid applicable to such Incremental Term Loans) for the Initial Term Loans by more than 50 basis points, then the interest rate margins for the Initial Term Loans shall be increased to the extent necessary so that the All-In Yield for such Term Loans is equal to the All-In Yield for such MFN Eligible Debt *minus* 50 basis points.

(i) *Reallocation of Revolving Exposure*. Upon each increase in Revolving Commitments pursuant to this Section 2.14,

(i) each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each lender providing a portion of such increase (each an "**Incremental Revolving Facility Lender**"), and each such Incremental Revolving Facility Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Lender's participations hereunder in outstanding Letters of Credit such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit held by each Revolving Lender will equal the percentage of the aggregate Revolving Commitments of all Lenders represented by such Revolving Lender's Revolving Commitments; and

(ii) if, on the date of such increase, there are any Revolving Loans outstanding, such Revolving Loans shall on or prior to the effectiveness of such Incremental Revolving Facility be prepaid from the proceeds of Incremental Revolving Loans made hereunder (reflecting such increase in Revolving Commitments), which prepayment shall be accompanied by accrued interest on the Revolving Loans being prepaid and any costs incurred by any Revolving Lender in accordance with Section 3.05.

(j) The Agents and the Lenders hereby agree that the minimum borrowing, *pro rata* borrowing and *pro rata* payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to Section 2.14.

Section 2.15 Refinancing Amendments.

(a) On one or more occasions after the Closing Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Term Loans or Revolving Loans, in the form of Refinancing Loans or Refinancing Commitments made pursuant to a Refinancing Amendment; *provided* that such Refinancing Loans and/or Refinancing Commitments, as applicable, shall be offered to the existing Lenders holding such refinanced Loans on a *pro rata* basis. Each issuance of Credit Agreement Refinancing Indebtedness under this Section 2.15 shall be in an aggregate principal amount that is not less than $1,000,000 (or C$1,000,000) and an integral multiple of $500,000 (or C$500,000) in excess thereof.

(b) The effectiveness of any Refinancing Amendment will be subject only to the satisfaction on the date thereof of such conditions as may be requested by the providers of the applicable Refinancing Loans. The Administrative Agent will promptly notify each Lender and the Revolving Agent (as applicable) as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement will be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Refinancing Loans incurred pursuant thereto (including any amendments necessary to treat the Term

Loans or Revolving Loans subject thereto as Refinancing Term Loans or Refinancing Revolving Loans, respectively).

(c) Any Refinancing Amendment may, without the consent of any Person other than the Administrative Agent and, solely with respect to any Refinancing Revolving Commitments or Refinancing Revolving Loans, the Revolving Agent, the Borrower and the Persons providing the applicable Refinancing Loans, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.15. This Section 2.15 supersedes any provisions in Section 10.01 to the contrary.

(d) Providers of Refinancing Loans. Refinancing Loans may be provided by any existing Lender (it being understood that no existing Lender shall have an obligation to make all or any portion of any Refinancing Loan) or by any Additional Lender.

Section 2.16 Extension of Loans.

(a) Extension Offers. Pursuant to one or more offers (each, an "**Extension Offer**") made from time to time by the Borrower to all Lenders holding Loans and/or Commitments of a particular Class with a like Maturity Date, the Borrower may extend such Maturity Date and otherwise modify the terms of such Loans and/or Commitments pursuant to the terms set forth in an Extension Offer (each, an "**Extension**"). Each Extension Offer will specify the minimum amount of Loans and/or Commitments with respect to which an Extension Offer may be accepted, which will be an integral multiple of $1,000,000 (or C$1,000,000) and an aggregate principal amount that is not less than $1,000,000 (or C$1,000,000), or if less, (i) the aggregate principal amount of such Loans outstanding or (ii) such lesser minimum amount as is approved by the Administrative Agent or the Revolving Agent with respect to Extensions of any Revolving Loans or Extensions of any Revolving Commitments, such consent not to be unreasonably withheld, conditioned or delayed. Extension Offers will be made on a *pro rata* basis to all Lenders holding Loans and/or Commitments of a particular Class with a like Maturity Date. If the aggregate outstanding principal amount of such Loans (calculated on the face amount thereof) and/or Commitments in respect of which Lenders have accepted an Extension Offer exceeds the maximum aggregate principal amount of Loans and/or Commitments offered to be extended pursuant to such Extension Offer, then the Loans and/or Commitments of such Lenders will be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer. There is no requirement that any Extension Offer or Extension Amendment (defined as follows) be subject to any "most favored nation" pricing provisions. The terms of an Extension Offer shall be determined by the Borrower, and Extension Offers may contain one or more conditions to their effectiveness, including a condition that a minimum amount of Loans and/or Commitments of any or all applicable tranches be tendered.

(b) Extension Amendments. The Lenders hereby irrevocably authorize the Administrative Agent, together with the Revolving Agent with respect to Extensions of any Revolving Loans or Extensions of any Revolving Commitments, to enter into amendments to this Agreement and the other Loan Documents (an "**Extension Amendment**") as may be necessary in order to establish new tranches in respect of Extended Loans and Extended Commitments and such amendments as permitted by clause (c) below as may be necessary or appropriate in the reasonable opinion of the Borrower, the Administrative Agent and, solely with respect to Extensions of any Revolving Loans or Revolving Commitments, the Revolving Agent in connection with the establishment of such new tranches of Loans. This Section 2.16 shall supersede any provisions in Section 2.13 or Section 10.01 to the contrary. Except as otherwise set forth in an Extension Offer, there will be no conditions to the effectiveness of an

Extension Amendment. Extensions will not constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(c) Terms of Extension Offers and Extension Amendments. The terms of any Extended Loans and Extended Commitments will be set forth in an Extension Offer and as agreed between the Borrower and the Extending Lenders accepting such Extension Offer; *provided* that:

(i) the final maturity date of such Extended Loans and Extended Commitments will be no earlier than the Latest Maturity Date applicable to the Loans and/or Commitments subject to such Extension Offer;

(ii) the Weighted Average Life to Maturity of any Extended Loans that are Term Loans will be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans subject to such Extension Offer;

(iii) any Extended Loans that are Term Loans may participate on a *pro rata* basis or a less than *pro rata* basis (but not greater than a *pro rata* basis) in any mandatory repayments or prepayments of Term Loans other than any repayment of such Extended Loans at maturity or with the proceeds of Credit Agreement Refinancing Indebtedness; and

(iv) the terms and conditions applicable to the Extended Loans and/or Extended Commitments are substantially identical to, or, taken as a whole, no more favorable to the lenders or holders providing such Extended Loans and/or Extended Commitments than, those applicable to the Loans and/or Commitments subject to such Extension Offer, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment (except (1) for covenants applicable only to periods after the Latest Maturity Date of the Term Loans at the time of incurrence and (2) any term or condition to the extent such term or condition is also added for the benefit of the Lenders under the Term Loans); *provided* that a certificate of a Responsible Officer delivered to the Administrative Agent at least four (4) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the incurrence of such Extended Loans and/or Extended Commitments together with a reasonably detailed description of the material covenants and events of default of such Indebtedness or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this clause (iv) shall be conclusive evidence that such material covenants and events of default satisfy such requirement unless the Administrative Agent notifies the Borrower within such four (4) Business Day (or shorter) period that it disagrees with such determination (including a description of the basis upon which it disagrees)); *provided, further*, that this clause (iv) will not apply to (w) terms addressed in the preceding clauses (i) through (iii), (x) interest rate, rate floors, fees, funding discounts and other pricing terms, (y) redemption, prepayment or other premiums, and (z) optional prepayment or redemption terms;

Any Extended Loans will constitute a separate tranche of Term Loans and/or Revolving Loans from the Term Loans and/or Revolving Loans held by Lenders that did not accept the applicable Extension Offer.

(d) Extension of Revolving Commitments. In the case of any Extension of Revolving Commitments and/or Revolving Loans, the following shall apply:

(i) all borrowings and all prepayments of Revolving Loans shall continue to be made on a ratable basis among all Revolving Lenders, based on the relative amounts of their

Revolving Commitments, until the repayment of the Revolving Loans attributable to any non-extended Revolving Commitments on the relevant Maturity Date;

(ii) the allocation of the participation exposure with respect to any then-existing or subsequently issued or made Letter of Credit as between the Revolving Commitments of such new tranche and the remaining Revolving Commitments shall be made on a ratable basis in accordance with the relative amounts thereof until the Maturity Date relating to such non-extended Revolving Commitments has occurred;

(iii) no termination of extended Revolving Commitments and no repayment of extended Revolving Loans accompanied by a corresponding permanent reduction in extended Revolving Commitments shall be permitted unless such termination or repayment (and corresponding reduction) is accompanied by at least a *pro rata* termination or permanent repayment (and corresponding *pro rata* permanent reduction), as applicable, of each other tranche of Revolving Loans and Revolving Commitments (or each other tranche of Revolving Commitments and Revolving Loans shall have otherwise been terminated and repaid in full);

(iv) the Maturity Date with respect to the Revolving Commitments may not be extended without the prior written consent of the Issuing Banks; and

(v) at no time shall there be more than five different tranches of Revolving Commitments.

If the Total Utilization of Revolving Commitments exceeds the aggregate Revolving Commitments as a result of the occurrence of the Maturity Date with respect to any tranche of Revolving Commitments while an extended tranche of Revolving Commitments remains outstanding, the Borrower shall make such payments as are necessary in order to eliminate such excess on such Maturity Date.

(e) Required Consents. No consent of any Lender or any other Person will be required to effectuate any Extension, other than the consent of the Borrower, the applicable Extending Lender, the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned) and, solely with respect to Extensions of any Revolving Loans or Revolving Commitments, the Revolving Agent (such consent not to be unreasonably withheld, delayed or conditioned). The transactions contemplated by this Section 2.16 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Offer) will not require the consent of any other Lender or any other Person, and the requirements of any provision of this Agreement or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.16 will not apply to any of the transactions effected pursuant to this Section 2.16.

Section 2.17 Defaulting Lenders.

(a) *Adjustments*. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 10.01 or the definitions of Required Lenders, Required Class Lenders,

Required Facility Lenders, Required Revolving Lenders and Required Term Lenders, as applicable.

(ii) Reallocation of Payments. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VIII or otherwise) or received by the Administrative Agent from a Defaulting Lender in respect of the Loan Parties and their Subsidiaries, shall be applied as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent and the Revolving Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Issuing Bank hereunder; *third*, to Cash Collateralize the Issuing Bank's Fronting Exposure with respect to such Defaulting Lender with respect to outstanding Letters of Credit (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit); *fourth*, as the Borrower may request (so long as no Event of Default has occurred and is continuing), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of such Defaulting Lender to fund Loans under this Agreement and Cash Collateralize the Issuing Bank's (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit) future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.17(d); *sixth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Event of Default has occurred and is continuing, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (A) such payment is a payment of the principal amount of any Loans or Reimbursement Obligations in respect of which such Defaulting Lender has not fully funded its appropriate share and (B) such Loans or the related Letters of Credit were made at a time when the conditions set forth in Section 4.03 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and Reimbursement Obligations owing to, all Non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of, or Reimbursement Obligations owing to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in Letters of Credit are held by the Lenders pro rata in accordance with the applicable Commitments without giving effect to Section 2.17(a)(iii)(D). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.17(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee pursuant to Section 2.09(a) for any period during which such Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to such Defaulting Lender);

(B) Each Defaulting Lender shall be entitled to receive L/C Fees for any period during which such Lender is a Defaulting Lender only to the extent allocable to its Pro Rata Share of the Stated Amount of Letters of Credit for which such Defaulting Lender has provided Cash Collateral pursuant to Section 2.04.

(C) With respect to any fees not required to be paid to any Defaulting Lender pursuant to clause (A) above, the Borrower shall (1) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in Letters of Credit that has been reallocated to such Non-Defaulting Lender pursuant to clause (C) below, (2) pay to the Issuing Bank the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to the Issuing Bank's Fronting Exposure to such Defaulting Lender, and (3) not be required to pay the remaining amount of any such fee.

(D) All or any part of such Defaulting Lender's participation in Letters of Credit shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Pro Rata Shares (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that (A) the conditions set forth in Section 4.03 are satisfied at the time of such reallocation (and, unless the Borrower shall have otherwise notified the Administrative Agent and Revolving Agent at such time, the Borrower shall be deemed to have represented and warranted that such conditions are satisfied at such time), and (B) such reallocation does not cause the aggregate Revolving Exposure of any Non-Defaulting Lender to exceed such Non-Defaulting Lender's Revolving Commitment. Subject to Section 10.22, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(E) If the reallocation described in clause (D) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, Cash Collateralize Issuing Bank's Fronting Exposure (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit) in accordance with the procedures set forth in Section 2.04 or as otherwise agreed among the Borrower, the Administrative Agent, the Revolving Agent and such Issuing Bank.

(b) *Defaulting Lender Cure.* If the Borrower, the Administrative Agent, the Revolving Agent and, if any Letters of Credit are then issued and outstanding, the Issuing Bank with respect to such Letters of Credit, agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent and/or the Revolving Agent (as applicable) may determine to be necessary to cause the Loans and the funded and unfunded participations in Letters of Credit to be held *pro rata* by the Lenders in accordance with their Commitments under each applicable Facility (without giving effect to Section 2.17(a)(iii)(D)), whereupon such Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; *provided further*, that except to the extent

otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(c) *New Letters of Credit*. So long as any Revolving Lender is a Defaulting Lender, no Issuing Bank shall be required to issue, extend or amend any Letter of Credit unless it is satisfied that it will have no Fronting Exposure after giving effect thereto.

(d) *Cash Collateral*. At any time that a Revolving Lender is a Defaulting Lender and Section 2.17(a)(iii)(E) is applicable, within one (1) Business Day following the written request of the Administrative Agent, the Revolving Agent (with a copy to the Administrative Agent) or any Issuing Bank (with a copy to the Administrative Agent), the Borrower shall Cash Collateralize the applicable Issuing Bank's Fronting Exposure with respect to such Defaulting Lender (determined after giving effect to Section 2.04 and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(i) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Revolving Agent, for the benefit of the Issuing Banks and the Revolving Lenders, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lender's obligation to fund participations in respect of Letters of Credit, to be applied pursuant to clause (ii) below. If at any time the Revolving Agent determines that the Cash Collateral is subject to any right or claim of any Person other than the Revolving Agent, the Issuing Banks or the Revolving Lenders as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrower will, promptly upon demand by the Revolving Agent, pay or provide to the Revolving Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(ii) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under this Section 2.17 in respect of Letters of Credit shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of Letters of Credit (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(iii) Termination of Requirement. Cash Collateral (or the appropriate portion thereof) provided to reduce any Issuing Bank's Fronting Exposure shall no longer be required to be held as Cash Collateral pursuant to this Section 2.17 following (A) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender) or (B) the determination by the Revolving Agent, the applicable Issuing Bank and the Borrower (each such determination not to be unreasonably withheld, conditioned or delayed) that there exists excess Cash Collateral; *provided* that, subject to the other provisions of this Section 2.17, the Person providing Cash Collateral and the applicable Issuing Bank, as the case may be, may agree that the Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations; *provided further*, that to the extent that such Cash Collateral was provided by the Borrower, such Cash Collateral shall remain subject to the security interest granted pursuant to the Loan Documents.

ARTICLE III.
Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(a) Except as provided in this Section 3.01, any and all payments made by or on account of the Borrower or any Guarantor under any Loan Document shall be made free and clear of and without deduction or withholding for any and all present or future taxes, duties, levies, imposts, assessments or withholdings (including backup withholding) or similar charges imposed by any Governmental Authority, including interest, penalties and additions to tax (collectively "**Taxes**"), except as required by applicable Law. If the Borrower, any Guarantor, the Administrative Agent or the Revolving Agent shall be required by any applicable Law to deduct or withhold any Taxes from or in respect of any sum payable under any Loan Document to any Agent or any Lender, (a) to the extent the Tax in question is an Indemnified Tax or Other Tax (as defined below in Section 3.01(b)), the sum payable by the Borrower or such Guarantor shall be increased as necessary so that after making all required deductions or withholdings in respect of Indemnified Taxes or Other Taxes (including deductions and withholdings applicable to additional sums payable under this Section 3.01), each of such Agent and such Lender receives an amount equal to the sum it would have received had no such deductions or withholdings been made, (b) the applicable withholding agent shall be entitled to make such deductions or withholdings, (c) the applicable withholding agent shall pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable Laws, and (d) within thirty (30) days after the date of such payment (or, if receipts or evidence are not available within thirty (30) days, as soon as possible thereafter), if the Borrower or any Guarantor is the applicable withholding agent, the Borrower or applicable Guarantor shall furnish to the Administrative Agent and/or the Revolving Agent (as applicable) the original or a copy of a receipt evidencing payment thereof, a copy of a return reporting such payment, or other evidence reasonably acceptable to the Administrative Agent and/or the Revolving Agent (as applicable).

(b) In addition, each Loan Party agrees to pay any and all present or future stamp, court or documentary, filing, intangible or mortgage recording taxes, or any similar Taxes, imposed by any Governmental Authority, which arise from the execution, delivery, performance, enforcement or registration of, from the receipt or perfection of a security interest under, or otherwise with respect to, any Loan Document (including additions to tax, penalties and interest related thereto) excluding, in each case, such amounts that result (A) from an Agent or Lender's Assignment and Assumption, grant of a participation, transfer or assignment to or designation of a new applicable Lending Office or other office for receiving payments under any Loan Document after the date of this Agreement (collectively, "**Assignment Taxes**") to the extent such Assignment Taxes result from a present or former connection that such Agent or Lender has with the Governmental Authority other than a connection arising solely from executing, delivering, becoming a party to, engaging in any transactions pursuant to, performing its obligations under, receiving payments under, receiving or perfecting a security interest under or enforcing, any Loan Document, except for such Assignment Taxes resulting from an assignment, grant of participation, transfer or designation of a new applicable Lending Office or other office for receiving payments that is requested or required by the Borrower or (B) upon a voluntary registration made by any Agent or Lender if such registration is not necessary to evidence, prove, maintain, enforce, compel or otherwise assert the rights of such Agent or Lender under the Loan Documents (all such non-excluded Taxes described in this Section 3.01(b) being hereinafter referred to as "**Other Taxes**").

(c) Each Loan Party agrees to indemnify each Agent and each Lender within ten (10) days after written demand therefor for (i) the full amount of Indemnified Taxes and Other Taxes payable by such Agent or such Lender and (ii) any reasonable expenses arising therefrom or with respect thereto, in

each case whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith by such Agent or Lender (or by an Agent on behalf of such Lender), accompanied by a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts shall be conclusive absent manifest error.

(d) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable), provide the Borrower and the Administrative Agent and/or the Revolving Agent (as applicable) with any documentation prescribed by applicable Law or otherwise reasonably requested by the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable) establishing any entitlement of such Lender to an exemption from, or reduction in, withholding Tax with respect to any payments to be made to such Lender under the Loan Documents. In addition, each Lender, if reasonably requested by the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable), shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable) as will enable the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable) to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in sub-clauses (i), (ii)(A)-(D), and (iii) of this Section 3.01(d)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender. Notwithstanding any other provision of this clause (d), a Lender shall not be required to deliver any form pursuant to this clause that such Lender is not legally able to deliver. Without limiting the foregoing:

(i) Each Lender that is a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable)) two properly completed and duly signed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is not subject to federal backup withholding.

(ii) Each Lender that is not a United States person (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable)) whichever of the following is applicable:

(A) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party, and such other documentation as required under the Code, certifying such Lender's entitlement as of such date to a reduced rate of or complete exemption from United States withholding tax with respect to payments to be made under this Agreement or any Loan Document,

(B) two properly completed and duly signed copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (a) a United States Tax Compliance Certificate in the form of Exhibit H-1 and (b) two properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor form), certifying such Lender's entitlement as of such date to a complete exemption from United States withholding tax with respect to payments of interest to be made under this Agreement or any Loan Document,

(D) to the extent a Lender is not the beneficial owner of payments to be received under this Agreement, two properly completed and duly signed copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by Internal Revenue Service Form W-8ECI, W-8BEN or W-8BEN-E, United States Tax Compliance Certificate in the form of Exhibit H-2 or Exhibit H-3, Internal Revenue Service Form W-9, Internal Revenue Service Form W-8IMY and/or any other documents or information from each beneficial owner, as applicable, certifying such Lender's and its beneficial owners' entitlement as of such date to a reduced rate of or complete exemption from United States withholding tax with respect to payments to be made under this Agreement or any Loan Document (*provided* that if the Lender is a partnership, and one or more direct or indirect partners of such Lender are claiming the portfolio interest exemption, the United States Tax Compliance Certificate in the form of Exhibit H-4 may be provided by such Lender on behalf of each such direct and indirect partner (in lieu of a certificate in the form of Exhibit H-2 or Exhibit H-3)), or

(E) two accurate and complete signed copies of any other form prescribed by applicable U.S. federal income tax Laws (including the Treasury regulations) as a basis for claiming complete exemption from, or reduction in, U.S. federal withholding Tax on any payments to such Lender under any Loan Document.

(iii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), each such Lender shall deliver to the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) any forms, documentation, or other information as shall be prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) as may be necessary for the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's obligations under FATCA, and to determine the amount, if any, to deduct and withhold from such payment. For purposes of this Section 3.01(d)(iii), the term "FATCA" shall include any amendments thereof or successor provisions thereto.

(iv) Each Lender shall, whenever a lapse in time or change in circumstances renders any documentation provided pursuant to this Section 3.01(d) obsolete or inaccurate in any respect, deliver promptly to the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) updated or other appropriate documentation (including any successor forms or any new documentation reasonably requested by the applicable withholding agent) or promptly

notify the Borrower, the Administrative Agent and/or the Revolving Agent (as applicable) in writing of its legal inability to do so.

(e) Any Lender claiming any additional amounts payable pursuant to this Section 3.01 and/or Section 3.04(a) shall, if requested by the Borrower, use its reasonable efforts to change the jurisdiction of its Lending Office (or take any other measures reasonably requested by the Borrower) if such a change or other measures would reduce any such additional amounts (including any such additional amounts that may thereafter accrue) and would not, in the sole determination of such Lender, result in any unreimbursed cost or expense or be otherwise disadvantageous to such Lender.

(f) If any Lender or Agent receives a refund in respect of any Indemnified Taxes or Other Taxes as to which indemnification or additional amounts have been paid to it by any Loan Party pursuant to this Section 3.01, it shall promptly remit such refund to such Loan Party (but only to the extent of indemnification or additional amounts paid by such Loan Party under this Section 3.01 with respect to Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) of such Lender or Agent, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); *provided* that such Loan Party, upon the request of such Lender or Agent, as the case may be, agrees promptly to return such refund (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to such party in the event such party is required to repay such refund to the relevant Governmental Authority. Notwithstanding anything to the contrary in this paragraph (f), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 3.01(f) shall not be construed to require any Agent or Lender to make available its tax returns (or any other information relating to Taxes that it deems confidential) to the Borrower or any other person.

(g) Each Lender shall severally indemnify the Administrative Agent and/or the Revolving Agent (as applicable), within 10 days after demand therefor, for (i) any Indemnified Taxes or Other Taxes attributable to such Lender (but only to the extent that a Loan Party has not already indemnified the Administrative Agent and/or the Revolving Agent (as applicable) for such Indemnified Taxes or Other Taxes and without limiting or expanding the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.07(f) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent and/or the Revolving Agent (as applicable) in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent and/or the Revolving Agent (as applicable) shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent and/or the Revolving Agent (as applicable) to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent and/or the Revolving Agent (as applicable) to the Lender from any other source against any amount due to the Administrative Agent and/or the Revolving Agent (as applicable) under this paragraph (g).

(h) Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or the Revolving Agent or any assignment of rights by, or the

replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 3.02 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Eurocurrency Rate Loans or CDOR Rate Loans, or to determine or charge interest rates based upon the Eurocurrency Rate or CDOR Rate or any Governmental Authority has imposed restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the applicable interbank mark, then, on notice thereof by such Lender to the Borrower through the Administrative Agent and/or the Revolving Agent (as applicable), any obligation of such Lender to make or continue Eurocurrency Rate Loans or CDOR Rate Loans in the affected currency or currencies, or, in the case of Eurocurrency Rate Loans denominated in Dollars, to convert Base Rate Loans to Eurocurrency Rate Loans, and for CDOR Rate Loans denominated in Canadian Dollars, to convert Canadian Prime Rate Loans to CDOR Rate Loans, shall be suspended until such Lender notifies the Administrative Agent and/or the Revolving Agent (as applicable) and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent and/or the Revolving Agent (as applicable)), prepay or, if applicable and such Loans are denominated in Dollars, convert all applicable Eurocurrency Rate Loans, or if applicable and such Loans are denominated in Canadian Dollars, convert all applicable CDOR Rate Loans, of such Lender to Base Rate Loans or Canadian Prime Rate Loans, as applicable, either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such Eurocurrency Rate Loans or CDOR Rate Loans to such day, or promptly, if such Lender may not lawfully continue to maintain such Eurocurrency Rate Loans or CDOR Rate Loans. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted and all amounts due, if any, in connection with such prepayment or conversion under Section 3.05. Each Lender agrees to designate a different Lending Office if such designation will avoid the need for such notice and will not, in the good faith judgment of such Lender, otherwise be materially disadvantageous to such Lender.

Section 3.03 Inability to Determine Rates. If (a) either the Required Lenders determine or the Administrative Agent determines in good faith that for any reason adequate and reasonable means do not exist for determining the applicable Eurocurrency Rate or CDOR Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or CDOR Rate Loan in Dollars or Canadian Dollars, as applicable, or that deposits in Dollars or Canadian Dollars, as applicable, in which such proposed Eurocurrency Rate Loan or CDOR Rate Loan is to be denominated are not being offered to banks in the applicable offshore interbank market for the applicable amount and the Interest Period of such Eurocurrency Rate Loan or CDOR Rate Loan in Dollars or Canadian Dollars, as applicable, or (b) the Required Lenders determine that the Eurocurrency Rate or CDOR Rate for any requested Interest Period with respect to a proposed Eurocurrency Rate Loan or CDOR Rate Loan in Dollars or Canadian Dollars, as applicable, does not adequately and fairly reflect the cost to such Lenders of funding such Loan, the Required Lenders will promptly notify the Administrative Agent and the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain Eurocurrency Rate Loans or CDOR Rate Loans in Dollars or Canadian Dollars, as applicable, shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of Eurocurrency Rate Loans or CDOR Rate Loans denominated in Dollars or Canadian Dollars, as applicable, or, failing that, will be deemed to have converted such request, if applicable, into a request for a Borrowing of Base Rate Loan or Canadian Prime Rate Loan in

the amount specified therein. This Section 3.03 shall not apply to any Benchmark Replacement in connection with Section 3.08.

Section 3.04 Increased Cost and Reduced Return; Capital Adequacy; Reserves on Eurocurrency Rate Loans or CDOR Rate Loans.

(a) If any Lender reasonably determines that as a result of the introduction of or any change in or in the interpretation of any Law, in each case after the Closing Date, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Eurocurrency Rate Loans or CDOR Rate Loans, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing (excluding for purposes of this Section 3.04(a), any such increased costs or reduction in amount resulting from reserve requirements contemplated by the Eurocurrency Rate or CDOR Rate or by applicable law) and the result of any of the foregoing shall be to increase the cost to such Lender of making or maintaining the Eurocurrency Rate Loan or CDOR Rate Loan (or of maintaining its obligations to make any Eurocurrency Rate Loan or CDOR Rate Loan), or to reduce the amount of any sum received or receivable by such Lender, then from time to time after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost incurred or reduction suffered. No Person shall request that the Borrower pay any additional amount pursuant to this Section 3.04(a) unless it shall concurrently make similar requests to other borrowers similarly situated and affected by such change in Law (or interpretation or compliance therewith) and from whom such Lender is entitled to seek similar amounts. Notwithstanding anything herein to the contrary, for all purposes under this Agreement, (x) the Dodd-Frank Wall Street Reform and Consumer Protection Act and all requests, rules, guidelines or directives thereunder or issued in connection therewith and (y) all requests, rules, guidelines or directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall in each case be deemed to be a change in law, regardless of the date enacted, adopted or issued.

(b) If any Lender reasonably determines that the introduction of any Law regarding capital adequacy or liquidity or any change therein or in the interpretation thereof, in each case affecting such Lender after the Closing Date, or compliance by such Lender therewith, has the effect of reducing the rate of return on the capital or liquidity of such Lender or any holding company of such Lender as a consequence of this Agreement, the Commitments of or Loans made by such Lender to a level below that which such Lender or such Lender's holding company (if any) could have achieved but for such introduction or change (taking into consideration such Lender's policies and the policies of such holding company with respect to liquidity or capital adequacy), then from time to time after demand by such Lender setting forth in reasonable detail such reduced rate of return (with a copy of such demand to the Administrative Agent), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender or such Lender's holding company for such reduction suffered.

(c) Subject to Section 3.06(b), failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.04 shall not constitute a waiver of such Lender's right to demand such compensation.

(d) If any Lender requests compensation under this Section 3.04, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Lending Office for any Loan affected by such event; *provided* that such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Lending Office(s) to suffer no material economic,

legal or regulatory disadvantage; *provided further*, that nothing in this Section 3.04(d) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to this Section 3.04.

(e) This Section 3.04 shall not apply to any Indemnified Taxes, any Taxes described in clauses (ii) through (vii) of the definition of Excluded Taxes or Other Taxes.

Section 3.05 Funding Losses. Upon written demand of any Lender (with a copy to the Administrative Agent and/or the Revolving Agent (as applicable)) from time to time, which demand shall set forth in reasonable detail the basis for requesting such amount, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense (excluding loss of anticipated profits or margin) actually incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any Eurocurrency Rate Loan or CDOR Rate Loan of the Borrower on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Eurocurrency Rate Loan or CDOR Rate Loan of the Borrower on the date or in the amount notified by the Borrower,

including any loss or expense (excluding loss of anticipated profits or margin) actually incurred by reason of the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained. Notwithstanding the foregoing, no Lender may make any demand under this Section 3.05 (i) with respect to the "floor" specified in the Eurocurrency Rate or CDOR Rate or (ii) in connection with any prepayment of interest on Term Loans.

Section 3.06 Matters Applicable to All Requests for Compensation.

(a) Any Agent or any Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to it hereunder, which shall be conclusive in the absence of manifest error. The Borrower shall pay (or cause to be paid) to such Agent or Lender, as the case may be, the amount shown as due on any such certificate within twenty days after receipt thereof (or such later date as such Agent or Lender may agree).

(b) With respect to any Lender's claim for compensation under Section 3.02, 3.03 or 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; provided that if the event giving rise to such claim is retroactive, then the one hundred eighty (180)-day period referred to above shall be extended to include the period of retroactive effect thereof.

(c) If any Lender requests compensation under Section 3.04, or the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01, or if any Lender gives a notice pursuant to Section 3.02, then such Lender shall (at the request of the Borrower) use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 3.01 or 3.04, as the case may be, in the future, or eliminate the need for the notice pursuant to Section 3.02, as applicable, and (ii) in each case, would not subject such Lender to any unreimbursed cost or expense and would not otherwise be

disadvantageous to such Lender in any respect. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(d) If any Lender requests compensation under Section 3.04, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent and/or the Revolving Agent (as applicable)), suspend the obligation of such Lender to make or continue Eurocurrency Rate Loans or CDOR Rate Loans from one Interest Period to another Interest Period, or to convert Base Rate Loans into Eurocurrency Rate Loans or convert Canadian Prime Rate Loans into CDOR Rate Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.06(c) shall be applicable); *provided* that such suspension shall not affect the right of such Lender to receive the compensation so requested.

(e) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent and/or the Revolving Agent (as applicable)) that the circumstances specified in Section 3.02, 3.03 or 3.04 hereof that gave rise to the conversion of any of such Lender's Eurocurrency Rate Loans or CDOR Rate Loans no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Eurocurrency Rate Loans or CDOR Rate Loans made by other are outstanding, such Lender's Base Rate Loans or Canadian Prime Rate Loans, as applicable, shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Eurocurrency Rate Loans or CDOR Rate Loans, to the extent necessary so that, after giving effect thereto, all Loans of a given Class held by the Lenders of such Class holding Eurocurrency Rate Loans or CDOR Rate Loans and by such Lender are held *pro rata* (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective Pro Rata Shares.

Section 3.07 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) any Lender requests compensation under Section 3.04 or ceases to make Eurocurrency Rate Loans or CDOR Rate Loans as a result of any condition described in Section 3.02 or Section 3.04, (ii) any Loan Party is required to pay any Indemnified Taxes, Other Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 3.01 and such Lender has declined or is unable to designate a different Lending Office or take other measures in accordance with Section 3.01(e), (iii) any Lender is a Non-Consenting Lender, (iv) any Lender shall become a Defaulting Lender or (v) any other circumstance exists hereunder that gives the Borrower the right to replace a Lender as a party hereto, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent and/or the Revolving Agent (as applicable), require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 10.07), all of its interests, rights and obligations under this Agreement and the related Loan Documents to one or more Eligible Assignees (provided that neither the Administrative Agent and/or the Revolving Agent (as applicable) nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person) that shall assume such obligations (any of which assignee may be another Lender, if a Lender accepts such assignment), *provided* that:

(i) the Borrower shall have paid (or cause to be paid) to the Administrative Agent any assignment fee specified in Section 10.07(b)(ii)(B);

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in Letters of Credit, accrued interest thereon, accrued

fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts payable under Section 3.05);

(iii) such Lender shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in Letters of Credit, and (ii) promptly deliver any Notes evidencing such Loans to the Borrower, Administrative Agent and/or the Revolving Agent (as applicable) (or a lost or destroyed note indemnity in lieu thereof); *provided* that the failure of any such Lender to execute an Assignment and Assumption or deliver such Notes or indemnity shall not render such sale and purchase (and the corresponding assignment) invalid and such assignment shall be recorded in the Register and the Notes shall be deemed to be canceled upon such failure;

(iv) the Eligible Assignee shall become a Lender hereunder, and the assigning Lender shall cease to constitute a Lender hereunder, with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender as to any actions taken or omitted to be taken by prior to such assignment;

(v) in the case of any such assignment resulting from a claim for compensation under Section 3.04 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments thereafter;

(vi) in the case of any such assignment resulting from a Lender being a Non-Consenting Lender, the Eligible Assignee shall consent, at the time of such assignment, to each matter in respect of which such Lender being replaced was a Non-Consenting Lender; and

(vii) such assignment does not conflict with applicable Laws

(b) Notwithstanding anything to the contrary contained above, any Lender that acts as an Issuing Bank may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such Issuing Bank (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such Issuing Bank or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such Issuing Bank) have been made with respect to each such outstanding Letter of Credit and the Lender that acts as the Administrative Agent and/or the Revolving Agent (as applicable) may not be replaced hereunder except in accordance with the terms of Section 9.09.

(c) In the event that (i) the Borrower or the Administrative Agent and/or the Revolving Agent (as applicable) has requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of each Lender, all affected Lenders or all the Lenders or all affected Lenders with respect to a certain Class or Classes of the Loans and (iii) the Required Lenders, Required Revolving Lenders, Required Class Lenders, Required Facility Lenders or Required Term Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "**Non-Consenting Lender**."

Section 3.08 LIBOR Successor Rate.

(a) *Benchmark Replacement*.

(i) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (a)(i) or (a)(ii) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (a)(iii) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders and the Revolving Agent without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document, so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from the Borrower or the Lenders comprising the Required Lenders of each Class affected thereby.

(ii) Notwithstanding anything to the contrary herein or in any other Loan Document and subject to the proviso below in this paragraph, solely with respect to Loans denominated in Dollars, if a Term SOFR Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then the applicable Benchmark Replacement will replace the then-current Benchmark for all purposes hereunder or under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings, without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document; *provided* that this clause (ii) shall not be effective unless the Administrative Agent has delivered to the Lenders, the Revolving Agent and the Borrower a Term SOFR Notice. For the avoidance of doubt, the Administrative Agent shall not be required to deliver a Term SOFR Notice after a Term SOFR Transition Event and may do so in its sole discretion.

(b) *Benchmark Replacement Conforming Changes.* In connection with the implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(c) *Notices; Standards for Decisions and Determinations.* The Administrative Agent will promptly notify the Borrower, the Revolving Agent and the Lenders of (i) any occurrence of a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (d) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.08 (with the agreement of or in consultation with the Borrower, to the extent required hereby),

including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.08.

(d) *Unavailability of Tenor of Benchmark.* Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR or LIBOR) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to subclause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(e) *Benchmark Unavailability Period.* Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Borrowing of any Eurocurrency Rate Loan or CDOR Rate Loan, or any request for a conversion to or continuation of Eurocurrency Rate Loans or CDOR Rate Loans, to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to Base Rate Loans or Canadian Prime Rate Loans. During any Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of the Base Rate or Canadian Prime Rate, based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate or Canadian Prime Rate.

(f) *Certain Defined Terms*. As used in this Section 3.08:

"**Available Tenor**" means, as of any date of determination and with respect to the then-current Benchmark, as applicable, (x) if the then-current Benchmark is a term rate, any tenor for such Benchmark or (y) otherwise, any payment period for interest calculated with reference to such Benchmark, as applicable, that is or may be used for determining the length of an Interest Period pursuant to this Agreement as of such date and not including, for the avoidance of doubt, any tenor for such Benchmark that is then-removed from the definition of "Interest Period" pursuant to clause (d) of this Section 3.08.

"**Benchmark**" means, initially, LIBOR; *provided* that if a Benchmark Transition Event, a Term SOFR Transition Event or an Early Opt-in Election, as applicable, and its related Benchmark Replacement Date have occurred with respect to LIBOR or the then-current Benchmark, then "Benchmark" means the applicable Benchmark Replacement to the extent that such Benchmark Replacement has replaced such prior benchmark rate pursuant to Section 3.08(a).

"**Benchmark Replacement**" means, for any Available Tenor,

(a) with respect to any Benchmark Transition Event or Early Opt-in Election, the first alternative set forth in the order below that can be determined by the Administrative Agent for the applicable Benchmark Replacement Date:

(i) the sum of: (A) Term SOFR and (B) the related Benchmark Replacement Adjustment;

(ii) the sum of: (A) Daily Simple SOFR and (B) the related Benchmark Replacement Adjustment;

(iii) the sum of: (A) the alternate benchmark rate that has been selected by the Administrative Agent and the Borrower as the replacement for the then-current Benchmark for the applicable Corresponding Tenor giving due consideration to (1) any selection or recommendation of a replacement benchmark rate or the mechanism for determining such a rate by the Relevant Governmental Body or (2) any evolving or then-prevailing market convention for determining a benchmark rate as a replacement for the then-current Benchmark for syndicated credit facilities and (B) the related Benchmark Replacement Adjustment; or

(b) with respect to any Term SOFR Transition Event, the sum of (i) Term SOFR and (ii) the related Benchmark Replacement Adjustment;

provided that, in the case of clause (a)(i) or clause (b), the applicable Unadjusted Benchmark Replacement is displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion. If the Benchmark Replacement for any applicable Available Tenor as determined pursuant to clause (a)(i), (a)(ii), (a)(iii) or (b) above would be less than 1.00%, then the Benchmark Replacement for such Available Tenor will be deemed to be 1.00% for the purposes of this Agreement and the other Loan Documents.

"**Benchmark Replacement Adjustment**" means, with respect to any replacement of the then-current Benchmark with an Unadjusted Benchmark Replacement for any applicable Interest Period and Available Tenor for any setting of such Unadjusted Benchmark Replacement:

(a) for purposes of clauses (a)(i) and (a)(ii) of the definition of "Benchmark Replacement," the first alternative set forth in the order below that can be determined by the Administrative Agent:

(i) the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that has been selected or recommended by the Relevant Governmental Body for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for the applicable Corresponding Tenor;

(ii) the spread adjustment (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that would apply to the fallback rate for a derivative transaction referencing the

ISDA Definitions to be effective upon an index cessation event with respect to such Benchmark for the applicable Corresponding Tenor;

(b) for purposes of clause (a)(iii) of the definition of "Benchmark Replacement," the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) that has been selected by the Administrative Agent and the Borrower for the applicable Corresponding Tenor giving due consideration to (i) any selection or recommendation of a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement by the Relevant Governmental Body on the applicable Benchmark Replacement Date or (ii) any evolving or then-prevailing market convention for determining a spread adjustment, or method for calculating or determining such spread adjustment, for the replacement of such Benchmark with the applicable Unadjusted Benchmark Replacement for syndicated credit facilities; and

(c) for purposes of clause (b) of the definition of "Benchmark Replacement," the spread adjustment, or method for calculating or determining such spread adjustment, (which may be a positive or negative value or zero) as of the Reference Time such Benchmark Replacement is first set for such Interest Period that has been selected or recommended by the Relevant Governmental Body for the replacement of such Available Tenor of ICE LIBOR with a SOFR-based rate;

provided that, (x) in the case of clause (a) above, such adjustment is displayed on a screen or other information service that publishes such Benchmark Replacement Adjustment from time to time as selected by the Administrative Agent in its reasonable discretion and (y) if the then-current Benchmark is a term rate, more than one tenor of such Benchmark is available as of the applicable Benchmark Replacement Date and the applicable Unadjusted Benchmark Replacement that will replace such Benchmark in accordance with this Section 3.08 will not be a term rate, the Available Tenor of such Benchmark for purposes of this definition of "Benchmark Replacement Adjustment" shall be deemed to be, with respect to each Unadjusted Benchmark Replacement having a payment period for interest calculated with reference thereto, the Available Tenor that has approximately the same length (disregarding business day adjustments) as such payment period.

"**Benchmark Replacement Conforming Changes**" means, with respect to any Benchmark Replacement, any technical, administrative or operational changes (including changes to the definition of "Base Rate,", "Canadian Prime Rate," the definition of "Business Day," the definition of "Interest Period," timing and frequency of determining rates and making payments of interest, timing of borrowing requests or prepayment, conversion or continuation notices, length of lookback periods, the applicability of breakage provisions, and other technical, administrative or operational matters) that the Administrative Agent reasonably decides may be appropriate to reflect the adoption and implementation of such Benchmark Replacement and to permit the administration thereof by the Administrative Agent in a manner substantially consistent with market practice (or, if the Administrative Agent reasonably decides that adoption of any portion of such market practice is not administratively feasible or if the Administrative Agent reasonably determines that no market practice for the administration of such Benchmark Replacement exists, in such other manner of administration as the Administrative Agent decides is reasonably necessary in connection with the administration of this Agreement and the other Loan Documents).

"**Benchmark Replacement Date**" means the earliest to occur of the following events with respect to the then-current Benchmark:

(a) in the case of clause (a) or (b) of the definition of "Benchmark Transition Event," the later of (i) the date of the public statement or publication of information referenced therein and (ii) the date on which the administrator of such Benchmark (or the published component used in the calculation thereof) permanently or indefinitely ceases to provide all Available Tenors of such Benchmark (or such component thereof);

(b) in the case of clause (c) of the definition of "Benchmark Transition Event," the date of the public statement or publication of information referenced therein;

(c) in the case of a Term SOFR Transition Event, the date that is thirty (30) days after the Administrative Agent has provided a Term SOFR Notice to the Lenders and the Borrower pursuant to clause (a)(ii) of this Section 3.08; or

(d) in the case of an Early Opt-in Election, the sixth (6^{th}) Business Day after the date notice of such Early Opt-in Election is provided to the Lenders, so long as the Administrative Agent has not received, by 5:00 p.m. on the fifth (5^{th}) Business Day after the date notice of such Early Opt-in Election is provided to the Lenders, written notice of objection to such Early Opt-in Election from Lenders comprising the Required Lenders.

For the avoidance of doubt, (i) if the event giving rise to the Benchmark Replacement Date occurs on the same day as, but earlier than, the Reference Time in respect of any determination, the Benchmark Replacement Date will be deemed to have occurred prior to the Reference Time for such determination and (ii) the "Benchmark Replacement Date" will be deemed to have occurred in the case of clause (a) or (b) with respect to any Benchmark upon the occurrence of the applicable event or events set forth therein with respect to all then-current Available Tenors of such Benchmark (or the published component used in the calculation thereof).

"**Benchmark Transition Event**" means, with respect to any Benchmark, the occurrence of one or more of the following events with respect to the then-current Benchmark:

(a) a public statement or publication of information by or on behalf of the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that such administrator has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof), permanently or indefinitely, *provided* that, at the time of such statement or publication, there is no successor administrator that will continue to provide any Available Tenor of such Benchmark (or such component thereof);

(b) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof), the Board of Governors of the Federal Reserve System, the Federal Reserve Bank of New York, an insolvency official with jurisdiction over the administrator for such Benchmark (or such component), a resolution authority with jurisdiction over the administrator for such Benchmark (or such component) or a court or an entity with similar insolvency or resolution authority over the administrator for such Benchmark (or such component), which states that the administrator of such Benchmark (or such component) has ceased or will cease to provide all Available Tenors of such Benchmark (or such component thereof) permanently or indefinitely, *provided* that, at the time of such statement or publication, there is no successor administrator

that will continue to provide any Available Tenor of such Benchmark (or such component thereof); or

(c) a public statement or publication of information by the regulatory supervisor for the administrator of such Benchmark (or the published component used in the calculation thereof) announcing that all Available Tenors of such Benchmark (or such component thereof) are no longer representative.

For the avoidance of doubt, a "Benchmark Transition Event" will be deemed to have occurred with respect to any Benchmark if a public statement or publication of information set forth above has occurred with respect to each then-current Available Tenor of such Benchmark (or the published component used in the calculation thereof).

"**Benchmark Unavailability Period**" means, with respect to any Benchmark, the period (if any) (a) beginning at the time that a Benchmark Replacement Date pursuant to clause (a) or (b) of that definition has occurred if, at such time, no Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with this Section 3.08 and (b) ending at the time that a Benchmark Replacement has replaced the then-current Benchmark for all purposes hereunder and under any Loan Document in accordance with this Section 3.08.

"**Corresponding Tenor**" with respect to any Available Tenor means, as applicable, either a tenor (including overnight) or an interest payment period having approximately the same length (disregarding business day adjustment) as such Available Tenor.

"**Daily Simple SOFR**" means, for any day, SOFR, with the conventions for this rate (which will include a lookback) being established by the Administrative Agent in accordance with the conventions for this rate selected or recommended by the Relevant Governmental Body for determining "Daily Simple SOFR" for syndicated business loans; *provided* that, if the Administrative Agent decides that any such convention is not administratively feasible for the Administrative Agent, then the Administrative Agent may establish another convention in its reasonable discretion.

"**Early Opt-in Election**" means if the then-current Benchmark is LIBOR, the occurrence of:

(a) a notification by the Administrative Agent to (or the request by the Borrower to the Administrative Agent to notify) each of the other parties hereto that at least five (5) currently outstanding U.S. dollar-denominated syndicated credit facilities at such time contain (as a result of amendment or as originally executed) a SOFR-based rate (including SOFR, a Term SOFR or any other rate based upon SOFR) as a benchmark rate (and such syndicated credit facilities are identified in such notice and are publicly available for review), and

(b) the joint election by the Administrative Agent and the Borrower to trigger a fallback from ICE LIBOR and the provision by the Administrative Agent of written notice of such election to the Lenders.

"**ISDA Definitions**" means the 2006 ISDA Definitions published by the International Swaps and Derivatives Association, Inc. or any successor thereto, as amended or supplemented from time to time, or any successor definitional booklet for interest rate derivatives published from time to time by the International Swaps and Derivatives Association, Inc. or such successor thereto.

"**Reference Time**" with respect to any setting of the then-current Benchmark means (a) if such Benchmark is ICE LIBOR, 11:00 a.m. (London time) on the day that is two London banking days preceding the date of such setting, and (b) if such Benchmark is not LIBOR, the time determined by the Administrative Agent in its reasonable discretion.

"**Relevant Governmental Body**" means the Board of Governors of the Federal Reserve System or the Federal Reserve Bank of New York, or a committee officially endorsed or convened by the Board of Governors of the Federal Reserve System or the Federal Reserve Bank of New York, or any successor thereto.

"**Term SOFR Notice**" means a notification by the Administrative Agent to the Lenders and the Borrower of the occurrence of a Term SOFR Transition Event.

"**Term SOFR Transition Event**" means the determination by the Administrative Agent that (a) Term SOFR has been recommended for use by the Relevant Governmental Body, (b) the administration of Term SOFR is administratively feasible for the Administrative Agent and (c) a Benchmark Transition Event or an Early Opt-in Election, as applicable, has previously occurred resulting in a Benchmark Replacement in accordance with this Section 3.08 which is not Term SOFR.

"**Unadjusted Benchmark Replacement**" means the applicable Benchmark Replacement excluding the related Benchmark Replacement Adjustment.

(g) The provisions of this Section 3.08 shall, solely with respect to implementation of a Benchmark Replacement and Benchmark Replacement Conforming Changes as expressly set forth herein, supersede any contrary provision of Section 10.01, but shall remain subject to Section 9.01.

Section 3.09 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder.

Conditions Precedent to Credit Extensions

Section 4.01 Conditions to Effectiveness. This Agreement shall constitute the legal, valid and binding obligation each Person party hereto upon the Administrative Agent's receipt of executed counterparts of this Agreement by Holdings, the Initial Borrower, the Agents and the Lenders party

hereto, each of which shall be originals or pdf copies or other facsimiles unless otherwise specified, each properly executed by a Responsible Officer of the applicable signing Person.

Section 4.02 Conditions to Initial Credit Extension. The obligation of each Lender to extend a Borrowing hereunder on the Closing Date and of each Issuing Bank to issue Letters of Credit hereunder on the Closing Date is subject to satisfaction of the following conditions precedent, except as otherwise agreed between the Initial Borrower and the Administrative Agent:

(a) Confirmation in writing from the Initial Borrower to the Administrative Agent (which may be made by electronic mail) that the Acquisition has been consummated or will be consummated substantially concurrently with the Borrowing of the Initial Term Loans and the Initial Revolving Borrowing (if any) in accordance with the terms of the Acquisition Agreement.

(b) Confirmation in writing (which may be made by electronic mail) from the Initial Borrower to the Administrative Agent that the Equity Contribution and the Closing Date Refinancing have been consummated or will be consummated substantially concurrently with the Borrowing of the Initial Term Loans and the Initial Revolving Borrowing (if any).

(c) Since November 30, 2020, there have not been, as of the Closing Date, any events, occurrences, changes, developments or circumstances that have had, or that would reasonably be expected to, individually or in the aggregate, have a Company Material Adverse Effect (as defined in the Acquisition Agreement as in effect on the Closing Date) that would result in the failure of a condition precedent to Initial Borrower's obligation to consummate the Acquisition under the Acquisition Agreement or that would give Initial Borrower the right (taking into account any notice and cure provisions) to terminate its obligations pursuant to the terms of the Acquisition Agreement.

(d) The Arranger and the Initial Lenders shall have received the Financial Statements, in each case to the extent delivered to Initial Borrower pursuant to the terms of the Acquisition Agreement. provided, *however*, that, for the avoidance of doubt the execution and delivery of any Loan Document or any related authorizing resolutions or certificates by Target or any of its Subsidiaries or any of their respective present or future officers, representatives or Boards of Directors is not a condition precedent under this Section 4.02, it being agreed that each Loan Document (and related authorizing resolutions and certificates) to be executed on the Closing Date by or on behalf of any such Person (other than any Excluded Subsidiary) (each, a "**Post-Closing Loan Party**"), will be executed and delivered in escrow prior to the consummation of the Acquisition and released from escrow upon funding of the Initial Term Loans and consummation of the Acquisition, and upon such release, each Post-Closing Loan Party will be deemed to have made the Specified Representations with respect to it.

the Initial Term Loans and the Initial Revolving Borrowing unless such failure results in a failure of a condition precedent to the Initial Borrower's (or its Affiliates') obligation to consummate the Acquisition or such failure gives Initial Borrower (or its Affiliates) the right (taking into account any notice and cure provisions) to terminate its (or their) obligations, in each case, pursuant to the terms of the Acquisition Agreement.

(h) The Agents and the Lenders shall have received at least three Business Days (as defined in the Acquisition Agreement) prior to the Closing Date (i) all outstanding documentation and other information about the Loan Parties required under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act, and (ii) to the extent that the Borrower qualifies as a "legal entity customer" under the Beneficial Ownership Regulations, a customary Beneficial Ownership Certification, in each case, that has been requested by the Agents in writing at least ten (10) Business Days (as defined in the Acquisition Agreement) prior to the Closing Date.

Without limiting the generality of the provisions of Section 9.03(a), for purposes of determining compliance with the conditions specified in this Section 4.02, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Each of the Loan Parties, the Agent and each Lender that has signed this Agreement acknowledges and agrees that, as of November 1, 2021, each of the conditions specified in this Section 4.02 (other than clause (i), which Closing Fees and other fees and expenses will be paid in full in cash with the proceeds of the initial funding under one or more of the Facilities on the Closing Date) have been satisfied or waived.

(i) The representations and warranties of each Loan Party set forth in Article V and in each other Loan Document shall be true and correct in all material respects (except that any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects as so qualified) on and as of the date of such Borrowing or such issuance with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an earlier date, in which case they shall be true and correct in all material respects as of such earlier date.

(ii) No Default or Event of Default shall exist or would result from such proposed Borrowing or issuance or from the application of the proceeds therefrom.

(iii) The Administrative Agent and the Revolving Agent shall have received a Committed Loan Notice or Issuance Notice, as applicable, in accordance with the requirements hereof.

ARTICLE VIII.
Events of Default and Remedies

Section 8.01 Events of Default. Any of the following from and after the Closing Date shall constitute an event of default (an "**Event of Default**"):

(a) *Non-Payment.* Any Loan Party fails to pay (i) when and as required to be paid herein (whether at stated maturity, on demand, upon acceleration or otherwise), any amount of principal of any Loan, or (49) within three (3) Business Days after the same becomes due, any interest on any Loan or any fee due hereunder or any other amount payable hereunder or with respect to any other Loan Document; or

(b) *Specific Covenants.* The Borrower, any Restricted Subsidiary or Holdings, fails to perform or observe any term, covenant or agreement contained in any of Section 6.01(a), 6.01(b), 6.01(c), 6.02(a), 6.03(a) or 6.05(a) (solely with respect to the Borrower's legal existence), 6.16 (solely with respect to the Collateral Assignment of R&W Insurance Policy) or Article VII; *provided* that (i) a Default as a result of a breach of Section 6.01(a), 6.01(b), 6.01(c), or 6.02(a) shall not give rise to an Event of Default unless such breach continues for five (5) Business Days after the date on which written notice thereof is delivered by the Administrative Agent to the Borrower, and (ii) a Default as a result of a breach of Section 7.10 is subject to cure pursuant to Section 8.04; or

(c) *Other Defaults.* Any Loan Party or any Restricted Subsidiary fails to perform or observe any other covenant or agreement (not specified in clause (a) or (b) of this Section 8.01) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after the earlier of (i) date on which written notice thereof is delivered by the Administrative Agent to the Borrower and (ii) the date on which an executive officer of the Borrower has actual knowledge thereof; or

(g) *Inability to Pay Debts; Attachment.* (i) Any Loan Party or any Material Subsidiary becomes unable or admits in writing its inability or fails generally to pay its debts as they become due, or (50) any writ or warrant of attachment or execution or similar process is issued or levied against all or any material part of the property of the Loan Parties, taken as a whole, and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(h) *Judgments.* There is entered against any Loan Party or any Material Subsidiary a final judgment or order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by an indemnification obligation or independent third-party insurance as to which the insurer has been notified of such judgment or order and has not denied coverage) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(i) *Invalidity of Loan Documents.* Any material provision of any Loan Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.04 or 7.05) or as a result of acts or omissions by the Administrative Agent or Collateral Agent or any Lender or the satisfaction in full of all the Obligations that are accrued and payable, ceases to be in full force and effect; or any Loan Party contests in writing the validity or enforceability of any provision of any Loan Document or the validity or priority of a Lien as required by the Collateral Documents on a material portion of the Collateral; or any Loan Party denies in writing that it has any or further liability or obligation under any Loan Document (other than as a result of repayment in full of the Obligations that are accrued and

(k) *ERISA.* An ERISA Event or a Canadian Pension Event shall have occurred that, when taken alone or together with all other ERISA Events and Canadian Pension Events, would reasonably be expected to result in a Material Adverse Effect; or

(m) *Collateral Assignment of R&W Insurance Policy*. At any time prior to receipt by the Administrative Agent of the Collateral Assignment of R&W Insurance Policy, the Borrower fails to receive all proceeds of the R&W Insurance Policy within ten (10) Business Days of payment by the R&W Insurer (as defined in the Acquisition Agreement as in effect on the date hereof).

Section 8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent may and, at the written direction of the Required Lenders, shall take any or all of the following actions, subject to the terms of any Acceptable Intercreditor Agreement:

(a) declare all or any portion of the commitment of each Lender to make Loans to be terminated, whereupon such commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower; and

(c) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided that upon the occurrence of an actual or deemed entry of an order for relief with respect to Borrower under the Bankruptcy Code of the United States or under any other Debtor Relief Laws or any other Event of Default under clause (f) or (g) of Section 8.01, the obligation of each Lender to make Loans shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable and the obligation of the Borrower to Cash Collateralize the Letter of Credit Obligations shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Application of Funds. After the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable as set forth in the proviso to Section 8.02), any amounts received on account of the Obligations (including any amounts on account of any of Cash Management Liabilities), shall be applied by the Administrative Agent in the following order (to the fullest extent permitted by mandatory provisions of applicable Law):

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to the Administrative Agent, the Collateral Agent or the Revolving Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders and Issuing Banks (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause *Second* payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest on the Loans, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Third* payable to them;

Fourth, pro rata to payment of (i) that portion of the Obligations constituting unpaid principal of the Loans, (ii) to Cash Collateralize Letters of Credit (to the extent not otherwise Cash Collateralized pursuant to the terms of this Agreement) (in an amount equal to 103% of the maximum face amount of all outstanding Letters of Credit) and (iii) any obligations of any Loan Party under Secured Hedge Agreements or Treasury Services Agreements, ratably among the Secured Parties in proportion to the respective amounts described in this clause *Fourth* held by them;

Fifth, to the payment of all other Obligations of the Borrower that are due and payable to the Administrative Agent, the Revolving Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent, the Revolving Agent and the other Secured Parties on such date; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Notwithstanding the foregoing, no amounts received from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

Section 8.04 Borrower's Right to Cure.

(a) Notwithstanding anything to the contrary contained in Section 8.01 or 8.02, if the Borrower determines that an Event of Default under the covenant set forth in Section 7.10 has occurred with respect to any Test Period, the Sponsor may, upon notice to the Administrative Agent on or before the Cure Expiration Date, make a Designated Equity Contribution, and the amount of the Net Proceeds thereof shall be deemed, at the request of the Borrower, to increase Consolidated Adjusted EBITDA with respect to such applicable quarter and with respect to any future period that includes such fiscal quarter; *provided* that such Net Proceeds (i) are actually received by the Borrower as cash equity (including through capital contribution of such Net Proceeds to the Borrower) during the period commencing after the last day of the last fiscal quarter included in such Test Period by the Borrower and ending ten (10) Business Days after the date on which financial statements are required to be delivered with respect to

such fiscal quarter hereunder (the "**Cure Expiration Date**") and (51) are Not Otherwise Applied. The parties hereby acknowledge that this clause (a) may not be relied on for purposes of calculating any financial ratios other than as applicable to Section 7.10 and shall not result in any adjustment to any baskets or other amounts other than the amount of the Consolidated Adjusted EBITDA for the purpose of Section 7.10 or increase in cash (and shall not be included for purposes of determining pricing, mandatory prepayments, baskets and the availability or amount permitted pursuant to any covenant under Article VII) with respect to the quarter with respect to which such Designated Equity Contribution was made other than the amount of the Consolidated Adjusted EBITDA for the purpose of Section 7.10.

(b) If, after giving effect to the foregoing recalculations, the Borrower shall then be in compliance with the requirements of Section 7.10, the Borrower shall be deemed to have satisfied the requirements of Section 7.10 as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable existing breach or default of Section 7.10 shall be deemed cured for all purposes of this Agreement. No Agent or other Secured Party may take any action to foreclose on, or take possession of, the Collateral, accelerate any Obligations, terminate any Commitments or otherwise exercise any rights or remedies under Section 8.04, any other provision of this Agreement or under any other Loan Document after the occurrence of any Event of Default under the covenant set forth in Section 7.10 and until the date that is the earlier of (1) the date on which the Cure Expiration Date has occurred without the Cure Amount having been received and designated and (2) the date that the Administrative Agent receives notice from the Borrower that there will not be a Cure Amount made for such fiscal quarter; provided that, during such time, no Lender shall be required to make any Loan hereunder and no Issuing Bank shall be required to issue any Letter of Credit hereunder. There shall be no requirement to use the proceeds of any Cure Amount to prepay any of the Facilities.

(c) (i) In each period of four consecutive fiscal quarters, there shall be at least two fiscal quarters in which no Designated Equity Contribution is made and no Designated Equity Contribution shall be made in consecutive fiscal quarters, (52) no more than five Designated Equity Contributions may be made in the aggregate during the term of this Agreement, and there shall be no requirement to prepay any Indebtedness with the proceeds of Designated Equity Contributions (53) the amount of any Net Proceeds of any Designated Equity Contribution shall be no more than the amount required to cause the Borrower to be in Pro Forma Compliance with Section 7.10 for any applicable period and (54) there shall be no reduction in Indebtedness from the proceeds of such Designated Equity Contribution (either directly or through cash netting) with the proceeds of any Designated Equity Contribution for determining compliance with Section 7.10 for the fiscal quarter with respect to which such Designated Equity Contribution was made (other than, in any future four quarter period in which the Designated Equity Contribution is not being counted towards Consolidated Adjusted EBITDA, with respect to any portion of such Designated Equity Contribution that is actually applied to repay any Indebtedness).

ARTICLE IX.
Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of Agents.

(a) Each Lender and each Issuing Bank hereby irrevocably appoints (i) Monroe to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and (ii) Monroe to act on its behalf as the Revolving Agent hereunder and under the other Loan Documents and authorizes each Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the

terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto.

(b) Each of the Secured Parties hereby irrevocably appoints (i) Monroe to act on its behalf as the Collateral Agent hereunder and under the other Loan Documents and authorizes the Collateral Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto and (ii) to act as the agent of (and to hold any security interest created by the Collateral Documents for and on behalf of) such Secured Party for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Collateral Agent), shall be entitled to the benefits, protections and indemnities of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the Collateral Agent under the Loan Documents) as if set forth in full herein with respect thereto. The Collateral Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the Uniform Commercial Code or otherwise, shall be to deal with it in the same manner as the Collateral Agent deals with similar property for its own account. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of any Collateral if such property is accorded treatment substantially equal to that which the Collateral Agent accords its own property.

(c) Without limiting the generality of the foregoing, each of the Lenders and the other Secured Parties hereby expressly authorize the Agents to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto (including any Acceptable Intercreditor Agreements or other intercreditor agreements or arrangements), as contemplated by and in accordance with the provisions of this Agreement and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders and each other Secured Party. Each Secured Party hereby acknowledges and agrees that it will be bound by and will take no actions contrary to the provisions of any such intercreditor agreements or arrangements to the extent then in effect, and authorizes and instructs the Agents to enter into such intercreditor agreements or arrangements as an Agent and on behalf of such Secured Party.

(d) Each Issuing Bank shall act on behalf of the Revolving Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each Issuing Bank shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts or omissions of such Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and the Letter of Credit Documents pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX included such Issuing Bank with respect to such acts or omissions, and (ii) as additionally provided herein with respect to each Issuing Bank.

(e) Except as provided in Sections 9.09 and 9.11, the provisions of this Article IX are solely for the benefit of the Administrative Agent, the Collateral Agent, the Revolving Agent and the Lenders, and neither the Borrower nor any other Loan Party shall have rights as a third-party beneficiary of any of such provisions.

Section 9.02 Delegation of Duties. Each Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through agents, sub-agent or attorneys-in-fact and shall be entitled to advice of counsel and other consultants or experts concerning all matters pertaining to such duties. The exculpatory provisions of this Article shall apply to any such agents, sub-agents or attorneys-in-fact, and shall apply to their respective activities as Administrative Agent, Collateral Agent or the Revolving Agent. Neither the Administrative Agent nor the Revolving Agent shall be responsible for the negligence or misconduct of any agent, sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct (as determined in the final non-appealable judgment of a court of competent jurisdiction).

Section 9.03 Liability of Agents. No Agent shall (a) be liable for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby (except for its own gross negligence or willful misconduct, as determined by the final non-appealable judgment of a court of competent jurisdiction), (b) except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as the Administrative Agent or any of its Affiliates in any capacity, v) be responsible for or have any duty to ascertain or inquire into the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to such Agent or vi) be responsible in any manner to any Secured Party for any representation or warranty made or deemed made by any Loan Party herein or in any other Loan Document, or in any certificate or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, the existence, value or collectability of the Collateral, any failure to monitor or maintain any part of the Collateral, or the perfection or priority of any Lien or security interest created or purported to be created under the Collateral Documents, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. No Agent shall be responsible or have any liability for, or have any duty to ascertain, inquire into or monitor, the list of Disqualified Lenders or the identities of, or enforce, compliance with, the list of Persons who are Disqualified Lenders, or any of the provisions hereof or any other Loan Document relating to Disqualified Lenders.

Section 9.04 Reliance by Agents. Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, consent, certificate, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice, direction or concurrence of the Required Lenders as it deems appropriate, and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request, direction or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby

in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders. The Lenders and each other Secured Party agree not to instruct the Agents to take any action, or refrain from taking any action, that would, in each case, cause it to violate an express duty or obligation under this Agreement.

Section 9.05 Notice of Default. Neither the Administrative Agent nor the Revolving Agent shall be deemed to have knowledge or notice of the occurrence of any Default, except, in the case of the Administrative Agent, with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent or the Revolving Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders and the Revolving Agent of its receipt of any such notice. The Administrative Agent shall take such action with respect to any Event of Default as may be directed in writing by the Required Lenders in accordance with Article VIII; *provided* that unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), *pro rata*, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it; *provided* that no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final non-appealable judgment of a court of competent jurisdiction; *provided* that no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct

for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by such Agent, as the case may be, in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that such Agent, as the case may be, is not reimbursed for such expenses by or on behalf of the Loan Parties. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation and removal of the Administrative Agent, the Collateral Agent or the Revolving Agent, as the case may be.

Section 9.08 Agents in Their Individual Capacities. (a) Monroe and its Affiliates may make loans to, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Borrower and its Affiliates as though Monroe were not the Administrative Agent or the Collateral Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Monroe or its Affiliates may receive information regarding the Borrower or its Affiliates (including information that may be subject to confidentiality obligations in favor of the Borrower or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them. With respect to its Loans and Commitments, Monroe and its Affiliates shall have the same obligations, rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent or the Collateral Agent and the terms "Lender" and "Lenders" include Monroe or such Affiliate, as applicable, in its capacity as a "Lender". Any successor to Monroe as the Administrative Agent or the Collateral Agent shall also have the rights attributed to Monroe under this paragraph; and (b) Monroe and its Affiliates may make loans to, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with the Borrower and its Affiliates as though Monroe were not the Revolving Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Monroe or its Affiliates may receive information regarding the Borrower or its Affiliates (including information that may be subject to confidentiality obligations in favor of the Borrower or such Affiliate) and acknowledge that no Agent shall be under any obligation to provide such information to them. With respect to its Loans and Commitments, Monroe and its Affiliates shall have the same obligations, rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Revolving Agent and the terms "Lender" and "Lenders" include Monroe or such Affiliate, as applicable, in its capacity as a "Lender". Any successor to Monroe as the Revolving Agent shall also have the rights attributed to Monroe under this paragraph.

Section 9.09 Successor Agents. Each of the Administrative Agent, the Collateral Agent and the Revolving Agent may resign as the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, upon thirty (30) days' notice to the other Agents, the Lenders and the Borrower and if any Agent is a Defaulting Lender, the Borrower may remove such Defaulting Lender from such role upon ten (10) days' notice to the Lenders. If any Agent resigns under this Agreement or is removed by the Borrower, the Required Lenders, subject to the consent of the Borrower (such consent not to be unreasonably withheld, conditioned or delayed) at all times other than after the occurrence and during the existence of an Event of Default under clause (f) or (g) of Section 8.01, shall appoint a successor Agent. If no successor agent is appointed prior to the effective date of the resignation or removal of the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, the Administrative Agent, in the case of a resignation and in consultation with the Borrower, and the Borrower, in the case

of a removal and in consultation with the Required Lenders, may appoint a successor Agent. Upon the acceptance of its appointment as successor Agent hereunder, the Person acting as such successor shall succeed to all the rights, powers and duties of the retiring Agent (other than any rights to reimbursement or indemnification that have accrued to the retiring Agent as to any actions taken or omitted to be taken by it while it was the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, under this Agreement) and the term "Administrative Agent", "Collateral Agent" or "Revolving Agent" shall mean such successor agent, and the retiring Agent's appointment, powers and duties as the Administrative Agent, the Collateral Agent or the Revolving Agent, as the case may be, shall be terminated. After the retiring Administrative Agent's, the Collateral Agent's or the Revolving Agent's resignation or removal hereunder, the provisions of this Article IX and the provisions of Sections 10.04 and 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, under this Agreement. If no successor agent has accepted appointment as the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, by the date which is thirty (30) days following the retiring Agent's notice of resignation or ten (10) days following the Borrower's notice of removal, as applicable, the retiring Agent's resignation shall nevertheless thereupon become effective and all payments, communications and determinations provided to be made by, to or through the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, shall instead be made by, to or through the Required Lenders, or in the case of the Revolving Agent or the Revolving Facility, the Required Revolving Lenders, until such time, if any, as the Required Lenders (or the Required Revolving Lenders, as applicable) or the Borrower, as applicable, appoint a successor agent as provided for above. Upon the acceptance of any appointment as an Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders or the Borrower may request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (b) otherwise ensure that Section 6.11 is satisfied, the successor Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent, Collateral Agent or Revolving Agent, as applicable, other than any rights to reimbursement or indemnification that have accrued to the retiring Agent as to any actions taken or omitted to be taken by it while it was the Administrative Agent, Collateral Agent or Revolving Agent, as applicable, under this Agreement, and the retiring Agent shall be discharged from its duties and obligations under the Loan Documents. After the retiring Agent's, the provisions of this Article IX and Sections 10.04 and 10.05 shall continue in effect for its benefit in respect of any actions taken or omitted to be taken by it while it was acting as the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any proceeding relative to any Loan Party under any Debtor Relief Law, the Administrative Agent (irrespective of whether the principal of any Loan or in respect of any Letter of Credit Obligations shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower, the Collateral Agent or the Revolving Agent) shall be (to the fullest extent permitted by mandatory provisions of applicable Law) entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loan, Letter of Credit Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders, the Issuing Banks and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Agents and their respective agents and counsel

and all other amounts due to the Lenders, the Collateral Agent, the Revolving Agent and the Administrative Agent under Sections 10.04 and 10.05) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, curator, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Agents and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Agents any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due the Agents under Sections 2.09, 10.04 and 10.05.

Nothing contained herein shall be deemed to authorize the Agents to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Agents to vote in respect of the claim of any Lender in any such proceeding.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the written direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code of the United States, including under Sections 363, 1123 or 1129 of the Bankruptcy Code of the United States, or the comparable provisions of the Canadian Insolvency Laws or any similar laws in any other jurisdictions to which a Loan Party is subject or (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (*provided* that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving pro forma effect to the limitations on actions by the Required Lenders contained in Section 10.01 (other than clause (a)(vi) thereof)), (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle *pro rata* by the Lenders, as a result of which each of the Lenders shall be deemed to have received a *pro rata* portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any

acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Section 9.11 Collateral and Guaranty Matters.

(a) Each Agent, each Lender (and for purposes of this Section 9.11 only, "Lenders" shall be deemed to include each Issuing Bank and each Approved Counterparty) and each other Secured Party irrevocably authorizes the Administrative Agent and Collateral Agent to be the agent for and representative of the Secured Parties with respect to the Guaranty, the Collateral and the Collateral Documents and agrees that, notwithstanding anything to the contrary in any Loan Document:

(i) any Lien on any property granted to or held by any Agent or in favor of any Secured Party under any Loan Document or otherwise shall be automatically released and each Secured Party irrevocably authorizes and directs such Agent to enter into, and each agrees that it will enter into, the necessary or advisable documents requested by the Borrower and associated therewith, upon the occurrence of any of the following events,

(A) the termination of the Commitments and payment in full in cash of all the Obligations (other than obligations under Treasury Services Agreements or Secured Hedge Agreements and indemnification and other contingent obligations as to which no claim has been asserted),

(B) a transfer of the property subject to such Lien as part of, or in connection with, a transaction (other than a lease) that is permitted (or not prohibited) by the terms of the Loan Documents to any Person that is not a Loan Party;

(C) with respect to property owned by any Guarantor or with respect to which any Guarantor has rights, the release of such Guarantor from its obligations under its Guaranty in connection with an event described in clause (ii) below;

(D) the approval, authorization or ratification of the release of such Lien by the Required Lenders or by such percentage of the Lenders as may be required pursuant to Section 10.01;

(E) such property becoming an Excluded Asset or an asset owned by an Excluded Subsidiary;

(F) as to the assets owned by any Subsidiary Guarantor that becomes an Excluded Subsidiary, upon such Subsidiary Guarantor becoming an Excluded Subsidiary and released from its guaranty in accordance with (ii) below;

(G) any such property becoming subject to a securitization financing permitted hereunder to the extent required by the terms of such securitization financing; or

(H) upon the request of the Borrower it will release or subordinate any Lien on any property granted to or held by any Agent under any Loan Document to the holder of any Lien on such property that is permitted by clause (e) or (i) of Section 7.01 and

may, in its discretion, enter into subordination or nondisturbance agreements with respect to Liens permitted by clauses (s) and (u) of Section 7.01;

(ii) subject in all cases to Section 11.09, a Subsidiary Guarantor will be automatically released from its obligations under the Guaranty upon (i) such Subsidiary Guarantor ceasing to be a Restricted Subsidiary of the Borrower or (ii) becoming an Excluded Subsidiary as a result of a transaction or designation permitted hereunder (*provided* that no such release shall occur if such Guarantor continues to be a guarantor or obligor in respect of any Permitted Ratio Debt, Incremental Equivalent Debt, Credit Agreement Refinancing Debt or Acquisition Incurrence Debt, or any Permitted Refinancing in respect thereof), and each Secured Party irrevocably authorizes and directs each Agent to enter into, and each Agent agrees it will enter into, the necessary and advisable documents requested by the Borrower to (1) release (or acknowledge the release of) such Subsidiary Guarantor from its obligations under the Guaranty and (2) release (or acknowledge the release of) any Liens granted by such Subsidiary or Liens on the Equity Interests of such Subsidiary;

(iii) any Agent may, without any further consent of any Lender, enter into an Acceptable Intercreditor Agreement or other intercreditor agreement or arrangement with the providers of or any Debt Representative with respect to Indebtedness that is secured by a Lien on the Collateral that is not prohibited (including with respect to priority) under this Agreement, including in order to permit such Indebtedness to be secured by a valid, perfected lien (with such priority as may be designated by the Borrower or relevant Subsidiary, to the extent such priority is permitted by the Loan Documents);

(iv) the Administrative Agent and the Collateral Agent will exclusively exercise the rights and remedies under the Loan Documents, and neither the Lenders nor any other Secured Party will have any right to realize upon any of the Collateral, enforce any Guarantee or exercise any other rights and remedies under the Loan Documents (other than the Required Lenders exercising such rights and remedies through such Agent); provided that the foregoing shall not preclude any Lender from exercising any right of set-off in accordance with the provisions of Section 10.09, enforcing compliance with the provisions set forth in Section 10.01(b) or from exercising rights and remedies (other than the enforcement of Collateral) with respect to any payment default after the occurrence of the Maturity Date with respect to any Loans made by it or filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law; and

(v) the Administrative Agent and the Collateral Agent may grant extensions of time for the creation, perfection or priority of any security interests in or the obtaining of title insurance, surveys and other documents with respect to particular assets (including extensions beyond the Closing Date for the creation, perfection or priority of security interests in the assets of the Loan Parties on such date) where it reasonably determines, in consultation with the Borrower, that creation, perfection or priority cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Agreement or the other Loan Documents.

(b) Each Agent, each Lender and each other Secured Party agrees that (i) it will promptly take (and directs each Agent to take) such action and execute any such documents as may be reasonably requested by the Borrower, at the Borrower's sole cost and expense, in connection with the events described in the preceding clauses (a)(i) and (a)(ii), (ii) such actions are not discretionary and (iii) such actions may include, as applicable, (A) executing (if required) and delivering to the Loan Parties (or any

designee of the Loan Parties) any such lien releases, mortgage releases, discharges of security interests, pledges and guarantees and other similar discharge or release documents, as are reasonably requested by a Loan Party in connection with the release, as of record, of the applicable Liens (and all notices of security interests and Liens previously filed) or the release of any applicable Guarantee and (B) delivering to the Loan Parties (or any designee of the Loan Parties) all instruments evidencing pledged debt and all equity certificates and any other collateral previously delivered in physical form by (or on behalf of) the Loan Parties to a Secured Party (or its designee).

(c) In connection with the events described in the preceding clauses (a)(i) and (a)(ii), each Agent shall be entitled to rely and shall rely exclusively on an officer's certificate of the Borrower (which may be delivered prior to the consummation of any applicable event or transaction) confirming that (a) such event (or the conditions to any such event) has occurred or will, upon consummation of one or more transactions, occur and (b) that such event or transaction is permitted (or not prohibited) by the Loan Documents. Each Secured Party irrevocably authorizes and irrevocably directs the Agents to rely on such certificate and the Agents will not have any liability whatsoever to any Secured Party as a result of such reliance.

(d) Each of the Lenders and the other Secured Parties agree not to give any Agent any instruction or direction inconsistent with the provisions of this Section 9.11.

Section 9.12 Withholding Tax Indemnity. To the extent required by any applicable Law, the Administrative Agent and/or the Revolving Agent (as applicable) may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other authority of the United States or other jurisdiction asserts a claim that the Administrative Agent and/or the Revolving Agent (as applicable) did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent and/or the Revolving Agent (as applicable) of a change in circumstance that rendered the exemption from, or reduction of withholding Tax ineffective), such Lender shall, within ten (10) days after written demand therefor, indemnify and hold harmless the Administrative Agent and/or the Revolving Agent (as applicable) (to the extent that the Administrative Agent and/or the Revolving Agent (as applicable) has not already been reimbursed by a Loan Party pursuant to Sections 3.01 and 3.04 and without limiting or expanding the obligation of the Loan Party to do so) for all amounts paid, directly or indirectly, by the Administrative Agent and/or the Revolving Agent (as applicable) as Taxes or otherwise, together with all expenses incurred, including legal expenses and any other out-of-pocket expenses, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent and/or the Revolving Agent (as applicable) shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent and/or the Revolving Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent and/or the Revolving Agent under this Section 9.12. The agreements in this Section 9.12 shall survive the resignation and/or replacement of the Administrative Agent and/or the Revolving Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all Obligations.

Section 9.13 Appointment of Supplemental Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is recognized that in case of

litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent, the Collateral Agent or the Revolving Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent, the Collateral Agent and the Revolving Agent are hereby authorized to appoint an additional individual or institution selected by the Administrative Agent, the Collateral Agent or the Revolving Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, revolving agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "**Supplemental Agent**" and collectively as "**Supplemental Agents**").

(b) In the event that the Collateral Agent appoints a Supplemental Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Agent to the extent, and only to the extent, necessary to enable such Supplemental Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Agent shall run to and be enforceable by either the Collateral Agent or such Supplemental Agent, and (1) the provisions of this Article IX and of Sections 10.04 and 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Agent and all references therein to the Collateral Agent shall be deemed to be references to the Collateral Agent and/or such Supplemental Agent, as the context may require.

Should any instrument in writing from any Loan Party be required by any Supplemental Agent so appointed by the Administrative Agent, the Collateral Agent or the Revolving Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, such Loan Party shall execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent, the Collateral Agent or the Revolving Agent. In case any Supplemental Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Agent.

Section 9.14 ERISA Matters. Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent, the Revolving Agent, the Arranger and its Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower, Holdings or any of the Subsidiary Guarantors, that at least one of the following is and will be true:

(a) such Lender is not using "plan assets" (within the meaning of C.F.R. Section 2510.3-101, as modified by Section 3(42) of ERISA) with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(b) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled

separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), and the conditions for exemptive relief thereunder will be satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement,

(c) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to, and the conditions for exemptive relief under PTE 84-14 will be satisfied in connection with, such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(d) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender to the effect that such Lender's entrance into, participation in, administration of and performance of the Term Loans and this Agreement will not give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code.

In addition, unless clause (a) above is true with respect to a Lender or a Lender has provided another representation, warranty and covenant as provided in clause (d) above, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of the Administrative Agent, the Revolving Agent, each Arranger and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower, Holdings or any of the Subsidiary Guarantors, that none of the Administrative Agent, the Revolving Agent, any Arranger or any of their respective Affiliates is a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent or the Revolving Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 9.15 Erroneous Payments.

(a) If the Administrative Agent (x) notifies a Lender, Issuing Bank or Secured Party, or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (any such Lender, Issuing Bank, Secured Party or other recipient (and each of their respective successors and assigns), a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds (as set forth in such notice from the Administrative Agent) received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously or mistakenly transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, Issuing Bank, Secured Party or other Payment Recipient on its behalf) (any such funds, whether transmitted or received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and (y) demands in writing the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property

of the Administrative Agent pending its return or repayment as contemplated below in this Section 9.15(a) and held in trust for the benefit of the Administrative Agent, and such Lender, Issuing Bank or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter (or such later date as the Administrative Agent may, in its sole discretion, specify in writing), return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon (except to the extent waived in writing by the Administrative Agent) in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, Issuing Bank, Secured Party or any Person who has received funds on behalf of a Lender, Issuing Bank or Secured Party (and each of their respective successors and assigns), agrees that if it receives a payment, prepayment or repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in this Agreement or in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, Issuing Bank or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part), then in each such case:

(i) it acknowledges and agrees that (A) in the case of immediately preceding clauses (x) or (y), an error and mistake shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary) or (B) an error and mistake has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, Issuing Bank or Secured Party shall use commercially reasonable efforts to (and shall use commercially reasonable efforts to cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of the occurrence of any of the circumstances described in immediately preceding clauses (x), (y) and (z)) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.15(b).

For the avoidance of doubt, the failure to deliver a notice to the Administrative Agent pursuant to this Section 9.15(b) shall not have any effect on a Payment Recipient's obligations pursuant to Section 9.15(a) or on whether or not an Erroneous Payment has been made.

(c) Each Lender, Issuing Bank or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, Issuing Bank or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, Issuing Bank or Secured Party under any Loan Document with respect to any payment of

principal, interest, fees or other amounts, against any amount that the Administrative Agent has demanded to be returned under immediately preceding clause (a).

(d) (i) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor in accordance with immediately preceding clause (a), from any Lender that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender at any time, then effective immediately (with the consideration therefor being acknowledged by the parties hereto), (A) such Lender shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") (on a cashless basis and such amount calculated at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance)), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption with respect to such Erroneous Payment Deficiency Assignment, and such Lender shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent (but the failure of such Person to deliver any such Notes shall not affect the effectiveness of the foregoing assignment), (B) the Administrative Agent as the assignee Lender shall be deemed to have acquired the Erroneous Payment Deficiency Assignment, (C) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender shall cease to be a Lender, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender, (D) the Administrative Agent and the Borrower shall each be deemed to have waived any consents required under this Agreement to any such Erroneous Payment Deficiency Assignment, and (E) the Administrative Agent will reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender and such Commitments shall remain available in accordance with the terms of this Agreement.

(ii) Subject to Section 9.04 (but excluding, in all events, any assignment consent or approval requirements (whether from the Borrower or otherwise)), the Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender (and/or against any recipient that receives funds on its respective behalf). In addition, an Erroneous Payment Return Deficiency owing by the applicable Lender (x) shall be reduced by the proceeds of prepayments or repayments of principal and interest, or other distribution in respect of principal and interest, received by the Administrative Agent on or with respect to any such Loans acquired from such Lender pursuant to an Erroneous Payment Deficiency Assignment (to the extent that any such Loans are then owned by the Administrative Agent) and (y) may, in the sole discretion of the Administrative Agent, be reduced by any amount specified by the Administrative Agent in writing to the applicable Lender from time to time.

(e) The parties hereto agree that (x) irrespective of whether the Administrative Agent may be equitably subrogated, in the event that an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent shall be subrogated to all the rights and interests of such Payment Recipient (and, in the case of any Payment Recipient who has received funds on behalf of a Lender, Issuing Bank or Secured Party, to the rights and interests of such Lender, Issuing Bank or Secured Party, as the case may be) under the Loan Documents with respect to such amount (the "Erroneous Payment Subrogation Rights") (provided that the Loan Parties' Obligations under the Loan Documents in respect of the Erroneous Payment Subrogation Rights shall not be duplicative of such Obligations in respect of Loans that have been assigned to the Administrative Agent under an Erroneous Payment Deficiency Assignment) and (y) an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party; provided that this Section 9.15 shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, immediately preceding clauses (x) and (y) shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from or on behalf of any Loan Party for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including, without limitation, any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 9.15 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or Issuing Bank, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

ARTICLE X.
Miscellaneous

Section 10.01 Amendments, Etc. Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by any Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders (other than (x) with respect to any amendment or waiver contemplated in Sections 10.01(a) through (h) below, which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders and (y) with respect to the Fee Letter, which may be amended with only the consent of the respective parties thereto) (or by the Administrative Agent with the consent of the Required Lenders) and the Borrower, and acknowledged by the Administrative Agent, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; *provided* that:

(a) no such amendment, waiver or consent shall:

(i) extend or increase the Commitment of any Lender or extend the final expiration date of any Letter of Credit beyond the Letter of Credit Expiration Date, without the written consent of each Lender directly and adversely affected thereby (it being understood that a waiver

of (or amendment of the terms of) any condition precedent or of any Default, Default Rate, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(ii) postpone any date scheduled for, or reduce or forgive the amount of, any payment of principal or interest under Section 2.07 or 2.08 (subject to clauses (e) and (f) of this Section 10.01) without the written consent of each Lender holding the applicable Obligation directly and adversely affected thereby (it being understood that the waiver of (or amendment of the terms of) any condition precedent or of any Default, Event of Default, mandatory prepayment, mandatory reduction of the Commitments or any change to the definition of any financial ratio used to determine any pricing grid or in the component definitions of such financial ratio shall not constitute such a postponement, reduction or forgiveness);

(iii) reduce or forgive the principal of, or the rate of interest specified herein on, any Loan or (subject to clauses (e) and (f) of this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document (or change the timing of payments of such fees or other amounts) without the written consent of each Lender holding such Loan, or to whom such fee or other amount is owed (it being understood that (A) any change to the definition of any financial ratio used to determine any pricing grid or in the component definitions of such financial ratio shall not constitute such a reduction, forgiveness or postponement, (B) only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate", (C) only the consent of the Required Facility Lenders or, solely with respect to the Revolving Facility, the Required Revolving Lenders, shall be necessary to waive any obligation of the Borrower to pay interest at the Default Rate or to waive any obligation of the Borrower to pay interest at the Default Rate and (D) the waiver of (or amendment of the terms of) any condition precedent or of any Default, Event of Default, mandatory prepayment, mandatory reduction of the Commitments or any change to the definition of any financial ratio used to determine any pricing grid or in the component definitions of such financial ratio shall not constitute such a reduction, forgiveness or postponement);

(iv) waive, amend or modify the provisions of Section 2.04(d), the last sentence of Section 2.05(a)(i), Section 2.05(b)(v)(B), the second sentence of Section 2.06(c), the penultimate sentence of Section 2.12(a), Section 2.13 or the definition of "Pro Rata Share", in a manner that would by its terms alter the *pro rata* sharing of payments required thereby, without the written consent of each Lender directly and adversely affected thereby; or

(v) change any provision of Section 8.03 or this Section 10.01 or the definition of "Required Revolving Lenders," "Required Lenders," "Required Facility Lenders" or "Required Class Lenders" or any other provision specifying the number of Lenders or portion of the Loans or Commitments required to take any action under the Loan Documents, without the written consent of each Lender directly and adversely affected thereby;

(b) the consent of each Lender shall be required to:

(i) other than in connection with a transaction permitted under Section 7.04 or 7.05 or otherwise expressly provided herein or in any other Loan Document, release all or substantially all of the Collateral in any transaction or series of related transactions; or

(ii) other than in connection with a transaction permitted under Section 7.04 or 7.05 or otherwise expressly provided herein or in any other Loan Document, release all or substantially all of the aggregate value of the Guaranty;

(c) no amendment, waiver or consent shall, unless in writing and signed by:

(i) the Administrative Agent, the Collateral Agent or the Revolving Agent, as applicable, in addition to the Lenders required above, amend, modify or otherwise affect the rights or duties of, or any fees or other amounts payable to, such Agent, under this Agreement or any other Loan Document; and

(ii) the Issuing Bank in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Issuing Bank under this Agreement, any Issuance Notice or any other Loan Document relating to any Letter of Credit issued or to be issued by it;

(d) the consent of only the parties thereto (and not any other Person), shall be required to waive, amend or otherwise modify the Fee Letter;

(e) the consent of the Required Revolving Lenders and the Revolving Agent only (and not the Required Lenders or any other Lenders) shall be required to (i) waive any condition set forth in Section 4.03 as to any Borrowing under the Revolving Facilities; or (ii) amend, waive or otherwise modify any term or provision which directly and adversely affects Lenders under the Revolving Facility and does not directly and adversely affect Lenders under any other Facility (including any provision of the Applicable Rate as applied to the Revolving Facility);

(f) the consent of only the Required Class Lenders (and not the Required Lenders or any other Lenders) shall be required to amend, waive or otherwise modify any term or provision which directly and adversely affects the Lenders under such Class and does not directly and adversely affect Lenders under any other Class (including any provision of the Applicable Rate as applied to such Class); and

(g) [reserved];

(h) Section 10.07(i) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification;

(i) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Borrower, the Administrative Agent and, solely with respect to any additional revolving credit facilities, the Revolving Agent, (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the "Required Lenders";

(j) this Agreement may be amended with the written consent of the Borrower and the Lenders providing the Replacement Loans (as defined below) to permit the refinancing, replacement or

exchange of all outstanding Term Loans of any Class ("**Refinanced Loans**") with replacement term loans ("**Replacement Loans**") hereunder; *provided* that

(i) the aggregate principal amount of such Replacement Loans shall not exceed the aggregate principal amount of such Refinanced Loans (plus (i) the amount of all unpaid, accrued, or capitalized interest, penalties, premiums (including tender premiums), and other amounts payable with respect to any such Refinanced Loans and (ii) underwriting discounts, fees, commissions, costs, expenses and other amounts payable with respect to such Replacement Loans);

(ii) the Weighted Average Life to Maturity of such Replacement Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Loans at the time of such refinancing (except by virtue of amortization or prepayment of the Refinanced Loans prior to the time of such incurrence);

(iii) (x) after giving effect to such Replacement Loans, the conditions of Sections 4.03(i) and (ii) shall be satisfied or waived by the applicable Lenders providing such Replacement Loans and (y) to the extent reasonably requested by the applicable Lenders providing such Replacement Term Loans, the Administrative Agent shall have received (A) customary legal opinions, board resolutions and officers' certificates (including solvency certificates) consistent with those delivered on the Closing Date (conformed as appropriate) other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the applicable Lenders providing such Replacement Loans and (B) reaffirmation agreements and/or such amendments to the Collateral Documents as may be reasonably requested by the applicable Lenders providing such Replacement Loans in order to ensure that such Lenders are provided with the benefit of the applicable Loan Documents; and

(iv) any such Replacement Loans shall be on terms and conditions that are substantially identical to, or, taken as a whole, not materially more favorable to the lenders or holders providing such Indebtedness than, those applicable to such Refinanced Loans, as determined in good faith by a Responsible Officer of the Borrower in its reasonable judgment (except (1) for terms and conditions applicable only to periods after the Latest Maturity Date of the Term Loans at the time of incurrence, and (2) any term or condition to the extent such term or condition is also added for the benefit of the Lenders under the Term Loans) and shall not have the direct effect of changing (either by amendment of existing or insertion of new provisions) the pro rata sharing amongst Lenders in a manner that would result in a Lender receiving less than its pro rata share of the relevant payments without the consent of such Lender; provided that a certificate of a Responsible Officer delivered to the Administrative Agent at least four (4) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior to the incurrence of such Replacement Loans, together with a reasonably detailed description of the material covenants and events of default of such Indebtedness or drafts of the documentation relating thereto, stating that the Borrower has determined in good faith that such terms and conditions satisfy the requirement of this clause (C) shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent notifies the Borrower within such four (4) Business Day (or shorter) period that it disagrees with such determination (including a description of the basis upon which it disagrees)); *provided* further that this subclause (iii) will not apply to (w) terms addressed in the other clauses of this clause (j), (x) interest rate, rate floors, fees, funding discounts and other pricing terms and optional prepayment provisions, (y) redemption, prepayment or other premiums, and (z) optional prepayment or

redemption terms. For the avoidance of doubt, any Affiliated Lender that provides any Replacement Loans shall be subject to the limitations on Affiliated Lenders set forth in Section 10.07(l) (including the Affiliated Lender Cap); and

(v) each amendment to this Agreement providing for Replacement Loans may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent and the Borrower to effect the provisions of this paragraph, and for the avoidance of doubt, this clause (v) shall supersede any other provisions in this Section 10.01 to the contrary;

(k) no amendment, waiver or other modification shall, unless signed or otherwise approved in writing by the Revolving Agent and the applicable Revolving Lenders party thereto, (x) result in Obligations under any Treasury Service Agreement becoming unsecured (other than releases of Liens permitted in accordance with the terms hereof) or (y) amend or modify the definition of "Treasury Services Agreement" or "Cash Management Liabilities", in each case, in a manner materially adverse to the Revolving Agent or the applicable Revolving Lenders party thereto.

Notwithstanding anything to the contrary herein or in any other Loan Document,

1) no Defaulting Lender or Limited Voting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lender(s) other than Defaulting Lenders or Limited Voting Lenders), except that (x) the Commitment of any Defaulting Lender or Limited Voting Lender may not be increased or extended without the consent of such Lender, (y) any waiver, amendment or modification affecting such Defaulting Lender or Limiting Voting Lender of the type described in clause (a)(iii) of this Section 10.01 shall require the consent of such Defaulting Lender or Limited Voting Lender, and (z) any waiver, amendment or modification that by its terms adversely affects any Defaulting Lender or Limited Voting Lender (if such Lender were not a Defaulting Lender or Limited Voting Lender) to a greater extent than other affected Lenders shall require the consent of such Defaulting Lender or Limited Voting Lender.

2) no Lender consent is required to effect any amendment or supplement to any Acceptable Intercreditor Agreement or other intercreditor agreement or arrangement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness thereto (it being understood that any such amendment or supplement may make such other changes as, in the good faith determination of the Administrative Agent and the Borrower, are required to effectuate the foregoing).

3) this Agreement and any other Loan Document may be amended solely with the consent of the Administrative Agent and the Borrower, if such amendment is delivered in order (x) to correct or cure ambiguities, errors, omissions and defects, (y) to effect administrative changes of a technical or immaterial nature or (z) to fix incorrect cross references or similar inaccuracies in this Agreement or the applicable Loan Document.

The Collateral Documents and related documents in connection with this Agreement and the other Loan Documents may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended, supplemented and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any other Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local Law or advice of local

counsel, (ii) to cure ambiguities, omissions, mistakes or defects or (iii) to cause such Collateral Documents or other document to be consistent with this Agreement and the other Loan Documents.

Notwithstanding anything in this Agreement or any other Loan Document to the contrary, the Borrower and the Administrative Agent (and the Revolving Agent, with respect to any Incremental Revolving Facilities, Refinancing Revolving Loans, Refinancing Revolving Commitments, Extended Revolving Loans, or Extended Revolving Commitments), may enter into any Incremental Amendment in accordance with Section 2.14, Refinancing Amendment in accordance with Section 2.15 and Extension Amendment in accordance with Section 2.16 and such Incremental Amendments, Refinancing Amendments and Extension Amendments shall be effective to amend the terms of this Agreement and the other applicable Loan Documents, in each case, without any further action or consent of any other Person.

Section 10.02 Notices and Other Communications; Facsimile Copies.

(a) *General.* Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Loan Document shall be in writing (including by facsimile transmission and electronic mail). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower (or any other Loan Party) or the Administrative Agent, the Collateral Agent or the Revolving Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the Borrower and the Administrative Agent, the Collateral Agent or the Revolving Agent.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit in the mails, postage prepaid and properly addressed; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail (which form of delivery is subject to the provisions of Section 10.02(c)), when delivered (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next Business Day for the recipient); *provided* that notices and other communications to the Administrative Agent, the Collateral Agent and the Revolving Agent pursuant to Article II shall not be effective until actually received by such Person. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) *Effectiveness of Facsimile Documents and Signatures.* Loan Documents may be transmitted and/or signed by facsimile or other electronic communication. The effectiveness of any such

documents and signatures shall, subject to applicable Law, have the same force and effect as manually signed originals and shall be binding on all Loan Parties, the Agents and the Lenders.

(c) *Reliance by Agents and Lenders.* The Administrative Agent, the Collateral Agent, the Revolving Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (2) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person and each Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of such Agent-Related Person's or such Lender's gross negligence or willful misconduct as determined in a final and non-appealable judgment by a court of competent jurisdiction. All telephonic notices to the Administrative Agent, Collateral Agent or Revolving Agent may be recorded by the Administrative Agent, the Collateral Agent or the Revolving Agent, and each of the parties hereto hereby consents to such recording.

(d) *Electronic Communications*. Notices and other communications to the Lenders hereunder may be delivered or furnished by FpML messaging and Internet or intranet websites pursuant to procedures approved by the Administrative Agent acting reasonably, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by such communication. The Administrative Agent or the Borrower may each, in its discretion, agree to accept notices and other communications to it hereunder by FpML messaging and Internet or intranet websites pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address of notification that such notice or communication is available and identifying the website address therefor.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender or the Administrative Agent, the Collateral Agent or Revolving Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Section 10.04 Attorney Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Agents and the Arranger for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the preparation, negotiation, syndication and execution of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), and the consummation and administration of the transactions contemplated hereby and thereby (including (x) any such costs and expenses in connection with the preparation, negotiation and execution of any documentation to effect the resignation or removal of the Revolving Agent (including, without limitation, the replacement of Monroe as the initial Revolving Agent and the assignment to, and acceptance by, a successor Revolving Agent and any assignment of the Revolving Commitment and Revolving Loans) and any other amendment, waiver, consent or other modification in connection therewith, and (y) all Attorney Costs, which shall be limited to one counsel to the Agents and

the Arranger and one local counsel to the Agents and the Arranger as reasonably necessary in each relevant jurisdiction material to the interests of the Lenders taken as a whole) and (b) from and after the Closing Date, to pay or reimburse the Agents and the Lenders for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of any rights or remedies under this Agreement or the other Loan Documents (including all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all respective Attorney Costs which shall be limited to Attorney Costs of one counsel to the Agents and the Lenders and one local counsel to the Agents and the Lenders as reasonably necessary in each relevant jurisdiction material to the interests of the Lenders taken as a whole and, solely in the case of an actual or perceived conflict of interest where each group of indemnified persons similarly affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, one additional counsel in each material relevant jurisdiction (which may be a single counsel for multiple jurisdictions) to the affected parties that are similarly situated, in each case, to the extent reasonably necessary). The foregoing costs and expenses shall include all reasonable and documented out-of-pocket search, filing, recording and title insurance charges and fees related thereto, and other reasonable and documented out-of-pocket expenses incurred by any Agent. The agreements in this Section 10.04 shall survive the resignation and removal of any Agent, the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within thirty (30) days of receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail including, if requested by the Borrower and to the extent reasonably available, backup documentation supporting such reimbursement request; *provided* that with respect to the Closing Date, all amounts due and payable under this Section 10.04 shall be paid on the Closing Date solely to the extent invoiced to the Borrower within two (2) Business Days of the Closing Date. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent or the Revolving Agent in their sole discretion. For the avoidance of doubt, this Section 10.04 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

Section 10.05 Indemnification by the Borrower. The Borrower shall indemnify and hold harmless each Agent-Related Person, each Lender and their respective Affiliates and their respective officers, directors, employees, partners, agents, advisors and other representatives of each of the foregoing (collectively the "**Indemnitees**") from and against any and all liabilities (including Environmental Liabilities), obligations, losses, damages, penalties, claims, disputes, investigations, demands, actions, judgments, suits, costs, expenses and disbursements (including Attorney Costs but limited in the case of legal fees and expenses to the reasonable and documented out-of-pocket fees and disbursements of one counsel to the Indemnitees taken as a whole and, if reasonably necessary, one local counsel for all Indemnitees taken as a whole in each relevant jurisdiction that is material to the interests of the Lenders, and solely in the case of a conflict of interest, one additional counsel in each relevant jurisdiction to each group of similarly situated affected Indemnitees) of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or the consummation of the transactions contemplated thereby, (b) any Commitment or Loan or the use or proposed use of the proceeds therefrom or vii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) and regardless of whether any Indemnitee is a party thereto (all the foregoing, collectively, the "**Indemnified Liabilities**") in all cases, whether or not caused by or arising, in whole or in part, out of the negligence (other than gross

negligence) of the Indemnitee; *provided* that, notwithstanding the foregoing, such indemnity shall not be available to the extent resulting from (x) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its Affiliates or their respective directors, officers, employees, partners, agents, advisors or other representatives, as determined by a final non-appealable judgment of a court of competent jurisdiction, (y) a material breach of any obligations under any Loan Document by such Indemnitee or of any of its Affiliates or their respective directors, officers, employees, partners, advisors or other representatives, as determined by a final non-appealable judgment of a court of competent jurisdiction, or (z) any dispute solely among Indemnitees (other than any claims against an Indemnitee in its capacity or in fulfilling its role as an Agent, Arranger or similar role). No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnitee, Loan Party or any Subsidiary have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); it being agreed that this sentence shall not limit the indemnification obligations of the Loan Parties. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, any Subsidiary of a Loan Party, any of their respective directors, stockholders or creditors or an Indemnitee or any other Person and whether or not any Indemnitee is otherwise a party thereto. All amounts due under this Section 10.05 shall be paid within thirty (30) days after written demand therefor (together with backup documentation supporting such reimbursement request); *provided, however*, that such Indemnitee shall promptly refund the amount of any payment to the extent that there is a final judicial or arbitral determination that such Indemnitee was not entitled to indemnification rights with respect to such payment pursuant to the express terms of this Section 10.05. The agreements in this Section 10.05 shall survive the resignation and removal of any Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes, except any Taxes that represent liabilities, obligations, losses, damages, penalties, claims, demands, actions, prepayments, suits, costs, expenses and disbursements arising from any non-Tax claims.

Section 10.06 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall, to the fullest extent possible under provisions of applicable Law, be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate *per annum* equal to the applicable Overnight Rate from time to time in effect, in the applicable currency of such recovery or payment.

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (except as permitted by Section 7.04) and no Lender may assign or otherwise

transfer any of its rights or obligations hereunder except (i) to an assignee pursuant to an assignment made in accordance with the provisions of Section 10.07(b) (such an assignee, an "**Eligible Assignee**"), (ii) by way of participation in accordance with the provisions of Section 10.07(f), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(h), or (iv) to an SPC in accordance with the provisions of Section 10.07(i) (and any other attempted assignment or transfer by any party hereto shall be null and void); *provided*, *however*, that notwithstanding anything to the contrary, (w) no Lender may assign or transfer by participation any of its rights or obligations hereunder to (A) any Person that is a Defaulting Lender, (B) any Person that is a Specified Disqualified Lender, (C) unless a Specified Event of Default has occurred and is continuing, any Disqualified Lender (other than a Specified Disqualified Lender), (D) a natural Person, or (E) Holdings, the Borrower or any of their respective Subsidiaries (except pursuant to Section 10.07(k)), (x) no Lender may assign any of its rights or obligations under the Term Loans hereunder without the prior written consent of the Borrower (not to be unreasonably withheld or delayed) unless such assignment or transfer is to a Lender or an Affiliate of a Lender or an Approved Fund of a Lender, subject to subpart (z) below, (y) no Lender may assign any of its rights or obligations under the Revolving Commitments or Revolving Exposure hereunder without the prior written consent of the Borrower (not to be unreasonably withheld or delayed) unless such assignment is to a Revolving Lender, an Affiliate of such Revolving Lender or an Approved Fund of such Revolving Lender and (z) a Lender may assign or transfer by participation any of its rights or obligations hereunder without the prior written permission of the Borrower if an Event of Default under Section 8.01(a) or, with respect to a Loan Party, clause (f) or (g) of Section 8.01 has occurred and is continuing; *provided* that, in respect of the foregoing subparts (x) and (y), the Borrower shall be deemed to have consented to any assignment of Term Loans, Revolving Commitments or Revolving Exposure, as applicable, unless the Borrower shall have objected thereto in writing within ten (10) Business Days after having received a written request from the Administrative Agent for such consent. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(f) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement. The Administrative Agent or the Revolving Agent (each in its capacity as such) shall have no responsibility or liability for monitoring or enforcing the list of Disqualified Lenders or for any assignment of any Loan or Commitment or for the sale of any participation, in either case, to a Disqualified Lender. The schedule of Disqualified Lenders shall be made available by the Administrative Agent to the Revolving Agent and any Lender that requests a copy thereof. To the extent that any assignment is purported to be made to a Disqualified Lender, such transaction shall be subject to the applicable provisions of Section 10.10.

(b) (i) Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower; *provided* that no consent of the Borrower shall be required for any assignments permitted under subparts (x), (y) and (z) of the first proviso to Section 10.07(a);

(B) the Administrative Agent (such consent not to be unreasonably withheld conditioned or delayed); *provided* that no consent of the Administrative Agent shall be required for an assignment (i) of all or any portion of a Term Loan to a Term Lender, an Affiliate of a Term Lender or an Approved Fund of a Term Lender or (ii) of all or any

portion of a Revolving Commitment or Revolving Exposure to a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund of a Revolving Lender;

(C) each Issuing Bank, solely with respect to assignments of Revolving Commitment or Revolving Exposure (such consent not to be unreasonably withheld conditioned or delayed); and

(D) the Revolving Agent, solely with respect to assignments of all or any portion of a Revolving Loan, Revolving Commitment or Revolving Exposure (such consent not to be unreasonably withheld conditioned or delayed); *provided* that no consent of the Revolving Agent shall be required for an assignment of all or any portion of a Revolving Commitment or Revolving Exposure to a Revolving Lender, an Affiliate of a Revolving Lender or an Approved Fund of a Revolving Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than an amount of C$2,500,000 (in the case of Revolving Commitments or Revolving Exposure), C$1,000,000 (in the case of a Term Loan), and shall be in increments of an amount of C$1,000,000 in excess thereof (*provided* that simultaneous assignments to or from two or more Approved Funds shall be aggregated for purposes of determining compliance with this Section 10.01(b)(ii)(A)), unless each of the Borrower and the Administrative Agent, and with respect to assignments of any Revolving Loans or Revolving Commitments, the Revolving Agent otherwise consents; *provided* that such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall manually execute and deliver to the Administrative Agent an Assignment and Assumption (or if previously agreed with the Administrative Agent, via an electronic settlement system acceptable to the Administrative Agent) (with a copy to the Revolving Agent for any assignments involving Revolving Loans or Revolving Commitments), together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent); *provided* that only one such fee shall be payable in the event of simultaneous assignments to or from two or more Approved Funds; and

(C) other than in the case of assignments pursuant to Section 10.07(k), the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent (with a copy to the Revolving Agent) an Administrative Questionnaire (in which the assignee shall designate one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Affiliates or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including federal and state securities laws) and all applicable tax forms

(including any United States Tax Compliance Certificate, as applicable) required pursuant to Section 3.01(d).

(iii) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make (or cause to be made) such additional payments to the Administrative Agent or the Revolving Agent (as applicable) in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower, the Administrative Agent and the Revolving Agent (as applicable), the applicable Pro Rata Share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, the Revolving Agent or any Lender hereunder (and interest accrued thereon) and (B) acquire (and fund as appropriate) its full Pro Rata Share of all Loans. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to clauses (d) and (e) of Section 10.07, from and after the effective date specified in each Assignment and Assumption, (1) other than in connection with an assignment pursuant to Section 10.07(k), the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and (2) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.04, 3.05, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note, the Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(f).

(d) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption, each Affiliated Lender Assignment and Assumption, and each notice of cancellation of any Loans delivered by the Borrower pursuant to Section 10.07(k) and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans and Letter of Credit Obligations (specifying the Reimbursement Obligations), Letter of Credit Borrowings and other amounts due under Section 2.04 owing to, each Lender pursuant to the terms hereof from time to time (the "**Register**"). The Administrative Agent shall provide copies and access to the Register from time to time as reasonably requested by the Revolving Agent. The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and, with respect to

such Lender's own interest only, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 10.07(d) and Section 2.11 shall be construed so that all Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations). Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of Term Loans or Incremental Term Loans held by Affiliated Lenders.

(e) Upon its receipt of, and consent to, a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in Section 10.07(b)(ii)(B) above, if applicable, and the written consent of the Administrative Agent, if required, and, if required, the Borrower to such assignment and any applicable tax forms (including any United States Tax Compliance Certificate, as applicable) required pursuant to Section 3.01(d), the Administrative Agent shall promptly (i) accept such Assignment and Assumption and (1) record the information contained therein in the Register. No assignment shall be effective unless it has been recorded in the Register as provided in this clause (e).

(f) Any Lender may at any time sell participations to any Person, subject to subpart (w) of the proviso to Section 10.07(a) (each, a "**Participant**"), in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (2) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (3) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to vote or approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 10.01(a) or Section 10.01(b) that requires the affirmative vote of such Lender. Subject to Section 10.07(g), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.04 and 3.05 (subject to the requirements and limitations of such Sections, including requirements under Section 3.01(d)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(c). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.13 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement and other Loan Documents (the "**Participant Register**"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the United States Treasury regulations (or, in each case, any amended, successor or final version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the

contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) or the Revolving Agent (in its capacity as Revolving Agent) shall have no responsibility for maintaining a Participant Register.

(g) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.04 or 3.05 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent.

(h) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or any central bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(i) Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "**SPC**") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; *provided* that (i) nothing herein shall constitute a commitment by any SPC to fund any Loan, (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof and (iii) such SPC and the applicable Loan or any applicable part thereof, shall be appropriately reflected in the Participant Register. Each party hereto hereby agrees that (i) neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.04 and 3.05), (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent and with the payment of a processing fee of $3,500 and the Administrative Agent's acknowledgment, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee or credit or liquidity enhancement to such SPC.

(j) Notwithstanding anything to the contrary contained herein, any Lender may, at any time, pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Notes, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(k) Any Lender may, so long as no Event of Default has occurred and is continuing or would result therefrom and no proceeds of Revolving Loans are applied to fund the consideration for any such assignment, at any time, assign all or a portion of its rights and obligations with respect to Term Loans

under this Agreement to Holdings, the Borrower or any of its Subsidiaries through (x) Dutch auctions open to all Lenders on a *pro rata* basis or (y) notwithstanding any other provision in this Agreement, open market purchase on a *pro rata* basis; *provided* that (i) any Term Loans acquired by Holdings, the Borrower or any of its Subsidiaries shall, to the extent permitted by applicable Law, be retired and cancelled promptly upon the acquisition thereof, (ii) upon any such retirement and cancellation, the aggregate outstanding principal amount of the Term Loans of the applicable Class shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans so retired and cancelled, and (iii) each principal repayment installment with respect to the Term Loans of such Class shall be reduced *pro rata* by the full par value of the aggregate principal amount of Term Loans so retired and cancelled.

(l) Any Lender may, so long as no proceeds of Revolving Loans are applied to fund the consideration for any such assignment, at any time, assign all or a portion of its rights and obligations with respect to Term Loans and Term Commitments under this Agreement to a Person who is or will become, after such assignment, an Affiliated Lender or a Debt Fund Affiliate through (x) Dutch auctions open to all Lenders on a *pro rata* basis or (y) open market purchases on a *pro rata* basis, in each case subject to the following limitations:

(i) in the case of any such assignment to a Non-Debt Fund Affiliate, the Administrative Agent shall have been provided an assignment agreement substantially in the form of Exhibit J-1 hereto (an "**Affiliated Lender Assignment and Assumption**") and a notice in the form of Exhibit J-2 to this Agreement;

(ii) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders shall not exceed 25% of the aggregate principal amount of all Term Loans at such time outstanding (such percentage, the "**Affiliated Lender Cap**")*; provided* that to the extent any assignment to such an Affiliated Lender would result in the aggregate principal amount of all Term Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*;

(iii) no Affiliated Lender or Debt Fund Affiliate will be required to represent or warrant that they are not in possession of non-public information with respect to Holdings, the Borrower and/or any Subsidiary thereof and/or their respective securities in connection with any assignment permitted by this Section 10.07(l);

(iv) each Person (other than any Affiliated Lender) that (A) sells any Term Loans to an Affiliated Lender and (B) buys any Term Loan from any Affiliated Lender shall deliver to the Administrative Agent and the Borrower a Big Boy Letter;

(v) Affiliated Lenders shall not account for more than 49% of the aggregate number of Lenders; and

(vi) any Term Loans acquired by any Non-Debt Fund Affiliate may be contributed, with the Borrower's consent, to Holdings, the Borrower or any of its Restricted Subsidiaries (it being understood that any such Term Loans shall, to the extent permitted by applicable Law, be retired and cancelled promptly upon such contribution) and which may be converted into or exchanged for debt or equity securities that are permitted to be issued by such Person at such time; *provided* that upon any such cancellation, of the aggregate outstanding principal amount of the Term Loans of the applicable Class shall be deemed reduced, as of the date of such contribution, by the full par value of the aggregate principal amount of the Term Loans so

contributed and cancelled, and each principal repayment installment with respect to the Term Loans of such Class pursuant to Section 2.07(a) shall be reduced *pro rata* by the full par value of the aggregate principal amount of Term Loans so contributed and cancelled;

provided it is acknowledged and agreed that the Administrative Agent shall not be liable for any losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses and disbursements of any kind or nature whatsoever incurred or suffered by any Person in connection with any compliance or non-compliance with clause (l)(ii) above or any purported assignment exceeding the Affiliated Lender Cap limitation or the 49% limitation set forth in clause (l)(iv) above or for any assignment being deemed void *ab initio* under this clause (l).

Each Affiliated Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within ten (10) Business Days) if it becomes an Affiliated Lender. Such notice shall contain the type of information required and be delivered to the same addressee as set forth in Exhibit J-2.

(m) Notwithstanding anything in Section 10.01 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (4) subject to Section 10.07(n), consented (or not consented) to any plan of reorganization pursuant to the Bankruptcy Code of the United States or any other Debtor Relief Laws, (5) otherwise acted on any matter related to any Loan Document, or (6) directed or required the Administrative Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, in each case, that does not require the consent of a specific Lender, each Lender or each affected Lender, or does not adversely affect such Affiliated Lender in any material respect as compared to other Lenders holding similar obligations,

(A) Affiliated Lenders will be deemed to have voted in the same proportion as non-affiliated Lenders voting on such matters and

(B) Affiliated Debt Funds may not in the aggregate account for more than 49.9% of the amounts set forth in the calculation of Required Lenders and any amount in excess of 49.9% will be subject to the limitations set forth in clause (i)(i) above.

Notwithstanding anything to the contrary contained herein, each Affiliated Lender, solely in its capacity as an Affiliated Lender, hereby agrees that such Affiliated Lender shall have no right (i) to receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to receive notice nor attend or participate in conference calls or meetings attended solely by the Lenders and the Administrative Agent (other than the right to receive notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II), (ii) to receive advice of counsel to the Administrative Agent or the Lenders or (iii) to challenge the Administrative Agent and the Lenders' attorney client privilege.

(n) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender hereby agrees that, if a proceeding under any Debtor Relief Law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent

to vote on behalf of such Affiliated Lender with respect to the Term Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion; *provided* that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliates of the Borrower.

(o) Any Eligible Assignee receiving all or any portion of any Lender's Loans and interest in the Revolving Commitment in accordance with this Section 10.07 shall execute and deliver to the Lenders, Administrative Agent and the Revolving Agent an acknowledgment to the Agreement Among Lenders and shall be bound by the terms of the Agreement Among Lenders.

Section 10.08 Confidentiality. Each of the Agents, the Arranger and the Lenders agrees to maintain the confidentiality of the Information and not to disclose such Information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' managers, administrators, directors, officers, employees, trustees, partners, investors, investment advisors and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority or self-regulatory authority having or asserting jurisdiction over such Person (including any Governmental Authority or examiner (including the National Association of Insurance Commissioners or any other similar organization) regulating any Lender or its Affiliates); *provided* that the Administrative Agent, the Revolving Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority or examiner) unless such notification is prohibited by law, rule or regulation; viii) as part of customary disclosures to market data collectors, similar services providers to the lending industry and service providers to the Administrative Agent or to the Revolving Agent in connection with the administration and management of this Agreement and the Loan Documents; ix) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; *provided* that the Administrative Agent, the Revolving Agent or such Lender, as applicable, agrees that it will notify the Borrower as soon as practicable in the event of any such disclosure by such Person (other than at the request of a regulatory authority or examiner) unless such notification is prohibited by law, rule or regulation; x) on a confidential basis to any other party to this Agreement; xi) to any pledgee referred to in Section 10.07(h), counterparty to a Swap Contract, Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in any of its rights or obligations under this Agreement or any provider of credit risk protection; *provided* that any such disclosure shall be made subject to the acknowledgement and acceptance by such recipient that such Information is being disseminated on a confidential basis (on substantially the terms set forth in this Section 10.08 or as otherwise reasonably acceptable to the Borrower, including as agreed in any Borrower Materials); xii) with the prior written consent of the Borrower; xiii) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08 or becomes available to the Administrative Agent, the Revolving Agent, any Lender or any of their respective Affiliates on a nonconfidential basis from a source other than a Loan Party, the Sponsor or their respective Affiliates (so long as such source is not known to the Administrative Agent, the Revolving Agent, such Lender or any of their respective Affiliates to be bound by confidentiality obligations to any such Person); xiv) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to Loan Parties and their Subsidiaries received by it from such Lender); xv) in connection with the enforcement of its rights hereunder or thereunder or xvi) to the extent such Information is independently developed by the Administrative Agent, the Revolving Agent, such

Lender or any of their respective Affiliates without the use of any Information; *provided* that no disclosure shall be made to any Disqualified Lender. In addition, the Agents and the Lenders may disclose the existence of this Agreement and publicly available information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Borrowings. For the purposes of this Section 10.08, "**Information**" means all information received from or on behalf of the Sponsor, the Loan Parties or any Subsidiary thereof relating to any such or its or their respective businesses, other than any such information that is publicly available to the Agents or the Lenders prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08; *provided* that all information received after the Closing Date from Holdings, the Borrower or any of its Subsidiaries shall be deemed confidential unless such information is clearly identified at the time of delivery as not being confidential.

Section 10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Lender (other than any Defaulting Lender) and its Affiliates (and the Collateral Agent, in respect of any unpaid fees, costs and expenses payable hereunder) is authorized at any time and from time to time, without prior notice to the Borrower, any such notice being waived by the Borrower (on its own behalf and on behalf of each Loan Party and each of its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Lender and its Affiliates or the Collateral Agent to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations owing to such Lender and its Affiliates or the Collateral Agent hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent or such Lender or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness; *provided* that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent and/or the Revolving Agent (as applicable) for further application in accordance with the provisions of Section 2.17 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and/or the Revolving Agent (as applicable) and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent and/or the Revolving Agent (as applicable) a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. Each Lender agrees promptly to notify the Borrower and the Administrative Agent and/or the Revolving Agent (as applicable) after any such set off and application made by such Lender; *provided* that the failure to give such notice shall not affect the validity of such setoff and application. The rights of the Administrative Agent and/or the Revolving Agent (as applicable), the Collateral Agent and each Lender under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that the Administrative Agent, the Revolving Agent, the Collateral Agent and such Lender may have. No amounts set off from any Guarantor shall be applied to any Excluded Swap Obligations of such Guarantor.

Section 10.10 Disqualified Lenders.

(a) Replacement of Disqualified Lenders.

(i) To the extent that any assignment or participation is made or purported to be made to any Disqualified Lender, notwithstanding the other restrictions in this Agreement with

respect to Disqualified Lenders, or if any Lender or Participant becomes a Disqualified Lender in each case, without limiting any other provision of the Loan Documents,

(A) upon the request of the Borrower, such Disqualified Lender shall be required immediately (and in any event within five (5) Business Days) to assign all or any portion of the Loans and Commitments then owned by such Disqualified Lender (or held as a participation) to another Lender (other than a Defaulting Lender or another Disqualified Lender), Eligible Assignee or the Borrower, and

(B) the Borrower shall have the right to prepay all or any portion of the Loans and Commitments then owned by such Disqualified Lender (or held as a participation), and if applicable, terminate the Commitments of such Disqualified Lender, in whole or in part.

(ii) Any such assignment or prepayment shall be made in exchange for an amount equal to the lesser of (A) the face principal amount of the Loans so assigned, (B) the amount that such Disqualified Lender paid to acquire such Commitments and/or Loans and (C) the then quoted trading price for such Loans or participations, in each case without interest thereon (it being understood that if the effective date of any such assignment is not an interest payment date, such assignee shall be entitled to receive on the next succeeding interest payment date interest on the principal amount of the Loans so assigned that has accrued and is unpaid from the interest payment date last preceding such effective date (except as may be otherwise agreed between such assignee and the Borrower)).

(iii) The Borrower shall be entitled to seek specific performance in any applicable court of law or equity to enforce this Section 10.10. In addition, in connection with any such assignment, (A) if such Disqualified Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Assumption and/or any other documentation necessary or appropriate (in the good faith determination of the Administrative Agent or the Borrower, which determination shall be conclusive) to reflect such replacement by the later of (1) the date on which the replacement Lender executes and delivers such Assignment and Assumption and/or such other documentation and (2) the date as of which such Disqualified Lender shall be paid by the assignee Lender (or, at its option, the Borrower) the amount required pursuant to this section, then such Disqualified Lender shall be deemed to have executed and delivered such Assignment and Assumption and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption and/or such other documentation on behalf of such Disqualified Lender, and the Administrative Agent shall record such assignment in the Register, (B) each Lender (whether or not then a party hereto) agrees to disclose to the Borrower the amount that the applicable Disqualified Lender paid to acquire Commitments and/or Loans from such Lender and (C) each Lender that is a Disqualified Lender agrees to disclose to the Borrower the amount it paid to acquire the Commitments and/or Loans held by it.

(b) Amendments, Consents and Waivers under the Loan Documents. No Disqualified Lender shall have the right to approve or disapprove any amendment, waiver or consent to or under this Agreement (including pursuant to Section 10.01) or under any Loan Document. In connection with any determination as to whether the requisite Lenders (including whether the Required Lenders or Required Facility Lenders) have provided any amendment, waiver or consent to or under this Agreement (including pursuant to Section 10.01) or under any other Loan Document, Disqualified Lenders shall not

be considered; *provided* that the Commitment of any Disqualified Lender may not be increased or extended without the consent of such Disqualified Lender.

(c) Limitation on Rights and Privileges of Disqualified Lenders. Except as otherwise provided in Section 10.10(b), no Disqualified Lenders shall have the right to, and each such Person covenants and agrees not to, instruct the Administrative Agent, Collateral Agent, Revolving Agent or any other Person in respect of the exercise of remedies with respect to the Loans or other Obligations. Further, no Disqualified Lender that purports to be a Lender or Participant (notwithstanding any provisions of this Agreement that may have prohibited such Disqualified Lender from becoming Lender or Participant) shall be entitled to any of the rights or privileges enjoyed by the other Lenders with respect to voting (other than to the extent provided in Section 10.10(b), and shall be deemed for all purposes to be, at most, a Defaulting Lender until such time as such Disqualified Lender no longer owns any Loans or Commitments.

(d) Survival. The provisions of this Section 10.10 shall apply and survive with respect to each Lender and Participant notwithstanding that any such Person may have ceased to be a Lender or Participant hereunder or this Agreement may have been terminated.

Section 10.11 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents with respect to any of the Obligations, shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the "**Maximum Rate**"). If any Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the principal of the Loans or, if it exceeds such unpaid principal, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by an Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 10.12 Counterparts. This Agreement and each other Loan Document may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Delivery by telecopier or other electronic transmission of an executed counterpart of a signature page to this Agreement and each other Loan Document shall be effective as delivery of an original executed counterpart of this Agreement and such other Loan Document. The Agents may also require that any such documents and signatures delivered by telecopier or other electronic transmission be confirmed by an original thereof; *provided* that the failure to request or deliver the same shall not limit the effectiveness of any document or signature delivered by telecopier or other electronic transmission.

Section 10.13 Integration. This Agreement, together with the other Loan Documents, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; *provided* that the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 10.14 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Borrowing, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied.

Section 10.15 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 10.15, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, as determined in good faith by the Administrative Agent, as applicable, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 10.16 GOVERNING LAW.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

(b) ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, TO THE EXTENT PERMITTED BY APPLICABLE LAW SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN NEW YORK COUNTY OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE, AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH LOAN PARTY, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS AND AGREES THAT IT WILL NOT COMMENCE OR SUPPORT ANY SUCH ACTION OR PROCEEDING IN ANOTHER JURISDICTION. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH LOAN PARTY, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF *FORUM NON CONVENIENS*, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENTS IN THE MANNER PROVIDED FOR NOTICES (OTHER THAN TELECOPIER OR OTHER ELECTRONIC TRANSMISSION) IN Section 10.02. NOTHING IN THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT WILL AFFECT THE RIGHT OF ANY PARTY HERETO TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY APPLICABLE LAW.

Section 10.17 WAIVER OF RIGHT TO TRIAL BY JURY. TO THE EXTENT PERMITTED BY APPLICABLE LAW, EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.17 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

Section 10.18 Binding Effect. This Agreement shall become effective when it shall have been executed by Holdings, the Initial Borrower, the Administrative Agent, the Collateral Agent and the Revolving Agent, and the Administrative Agent shall have been notified by each Lender on the date hereof that such Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Loan Parties, each Agent and each Lender and their respective successors and assigns, in each case in accordance with Section 10.07 (if applicable) and except that no Loan Party shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.19 USA PATRIOT Act. Each Lender that is subject to the USA PATRIOT Act and each Agent (for itself and not on behalf of any Lender) hereby notifies the Borrower that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name, address and tax identification number of such Loan Party and other information regarding such Loan Party that will allow such Lender or such Agent, as applicable, to identify such Loan Party in accordance with the USA PATRIOT Act. This notice is given in accordance with the requirements of the USA PATRIOT Act and is effective as to the Lenders and the Agents.

Section 10.20 No Advisory or Fiduciary Responsibility.

(a) In connection with all aspects of each transaction contemplated hereby, each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that (i) the facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrower and its Affiliates, on the one hand, and the Agents and the Lenders, on the other hand, and the Borrower is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof), (1) in connection with the process leading to such transaction, each of the Agents and the Lenders is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Borrower or any of its Affiliates, stockholders, creditors or employees or any other Person, (2) none of the Agents or the Lenders has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether any Agent or Lender has advised or is currently advising the Borrower or any of its Affiliates on other matters) and none of the

Agents or the Lenders has any obligation to the Borrower or any of its Affiliates with respect to the financing transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents, (3) the Agents and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from, and may conflict with, those of the Borrower and its Affiliates, and none of the Agents or the Lenders has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship and (4) the Agents and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate. Each Loan Party hereby waives and releases, to the fullest extent permitted by law, any claims that it may have against the Agents and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty under applicable law relating to agency and fiduciary obligations.

Each Loan Party acknowledges and agrees that each Lender and any affiliate thereof may lend money to, invest in, and generally engage in any kind of business with, any of the Borrower, Holdings, the Sponsor, any Affiliate thereof or any other person or entity that may do business with or own securities of any of the foregoing, all as if such Lender or Affiliate thereof were not a Lender and without any duty to account therefor to any other Lender, Holdings, the Borrower, the Sponsor or any Affiliate of the foregoing. Each Lender and any affiliate thereof may accept fees and other consideration from Holdings, the Borrower, the Sponsor or any Affiliate thereof for services in connection with this Agreement, the Facilities or otherwise without having to account for the same to any other Lender, Holdings, the Borrower, the Sponsor or any Affiliate of the foregoing. Some or all of the Lenders may have directly or indirectly acquired certain Equity Interests (including warrants) in Holdings, the Borrower, the Sponsor or an Affiliate thereof or may have directly or indirectly extended credit on a subordinated basis to Holdings, the Borrower, the Sponsor or an Affiliate thereof. Each party hereto, on its behalf and on behalf of its affiliates, acknowledges and waives the potential conflict of interest resulting from any such Lender or an Affiliate thereof holding disproportionate interests in the extensions of credit under the Facilities or otherwise acting as arranger or agent thereunder and such Lender or Affiliate thereof directly or indirectly holding Equity Interests in or subordinated debt issued by Holdings, the Borrower, the Sponsor or an Affiliate thereof.

Section 10.21 Electronic Execution. The words "execution," "signed," "signature," and words of like import in this Agreement, any other Loan Document or other document to be signed in connection herewith or therewith (including any amendments, waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act and including Parts 2 and 3 of the Personal Information and Electronic Documents Act (Canada), the Electronic Commerce Act (Ontario) and other similar federal or provincial laws based on the Uniform Electronic Commerce Act of the Uniform Law Conference of Canada or its Uniform Electronic Evidence Act, as the case may be, relating to the electronic execution of agreements, and any counterpart so delivered shall be deemed to have been duly and validly delivered and be valid and effective for all purposes to the fullest extent permitted by applicable law; *provided* that notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 10.22 Effect of Certain Inaccuracies. In the event that any financial statement or Compliance Certificate previously delivered pursuant to Section 6.02 was inaccurate, and such inaccuracy, if corrected, would have led to the application of a higher Applicable Rate for any period (an "**Applicable Period**") than the Applicable Rate applied for such Applicable Period, then (i) the Borrower shall as soon as practicable deliver to the Administrative Agent a corrected financial statement and a corrected Compliance Certificate for such Applicable Period, (ii) the Applicable Rate shall be determined based on the corrected Compliance Certificate for such Applicable Period, and (5) the Borrower shall within fifteen (15) days after the delivery of the corrected financial statements and Compliance Certificate pay to the Administrative Agent the accrued additional interest or fees owing as a result of such increased Applicable Rate for such Applicable Period. This Section 10.22 shall not limit the rights of the Administrative Agent or the Lenders with respect to Sections 2.08(b) and 8.01.

Section 10.23 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 10.24 Acknowledgement Regarding any Supported QFCs.

(a) To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Swap Contracts or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**" and each such QFC a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(b) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such

Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(c) As used in this Section, the following terms have the following meanings:

(i) "**BHC Act Affiliate**" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

(ii) "**Covered Entity**" means any of the following:

(A) a "**covered entity**" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(B) a "**covered bank**" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(C) a "**covered FSI**" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

(iii) "**Default Right**" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

(iv) "**QFC**" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

Section 10.25 Judgment Currency.

(a) The Loan Parties' obligations hereunder and under the other Loan Documents to make payments in Dollars or Canadian Dollars, as applicable, shall not be discharged or satisfied by any tender or recovery pursuant to any judgment expressed in or converted into any currency other than Dollars or Canadian Dollars, as applicable, except to the extent that such tender or recovery results in the effective receipt by the Administrative Agent, the Revolving Lender, the respective Lender or the applicable Issuing Bank of the full amount of Dollars or Canadian Dollars, as applicable, expressed to be payable to the Administrative Agent, the Revolving Lender or such Lender or such Issuing Bank under this Agreement or the other Loan Documents. If, for the purpose of obtaining or enforcing judgment against any Loan Party in any court or in any jurisdiction, it becomes necessary to convert into or from any currency other than Dollars or Canadian Dollars (such other currency being hereinafter referred to as the "**Judgment Currency**") an amount due in Dollars or Canadian Dollars, as applicable, the conversion

shall be made at the Dollar or Canadian Dollar, as applicable, equivalent determined as of the Calculation Date immediately preceding the day on which the judgment is given.

(b) If there is a change in the rate of exchange prevailing between the Calculation Date described in clause (a) above and the date of actual payment of the amount due, the Loan Parties shall pay, or cause to be paid, such additional amounts, if any (but in any event not a lesser amount) as may be necessary to ensure that the amount paid in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of Dollars or Canadian Dollars, as applicable, which could have been purchased with the amount of Judgment Currency stipulated in the judgment or judicial award at the rate of exchange prevailing on the Calculation Date.

(c) For purposes of determining the Dollar or Canadian Dollar, as applicable, equivalent or any other rate of exchange for this Section, such amounts shall include any premium and costs payable in connection with the purchase of Dollars or Canadian Dollars, as applicable. For purposes of this Section, "**Calculation Date**" means (a) the last Business Day of each fiscal quarter, (b) the date of issuance, amendment, renewal or extension of any Letter of Credit with a face value denominated in any currency other than Canadian Dollars or Dollars, and (c) any other date selected by the Administrative Agent in its sole discretion at any time that an Event of Default has occurred and is continuing.

ARTICLE XI.
Guaranty

Section 11.01 The Guaranty. Each Guarantor that is a U.S. Subsidiary (collectively, the "**U.S. Guarantors**") hereby jointly and severally with the other Guarantors guarantees, as a primary obligor and not merely as a surety to each Secured Party and their respective successors and assigns, the prompt payment in full when due (whether at stated maturity, by required prepayment, declaration, demand, by acceleration or otherwise) of the principal of and interest (including any interest, fees, costs or charges that would accrue but for the provisions of (i) Title 11 of the United States Code after any bankruptcy or insolvency petition under Title 11 of the United States Code and (ii) any other Debtor Relief Laws) on the Loans made by the Lenders to, and the Notes held by each Lender of, the Borrower, and all other Obligations (other than with respect to any Guarantor, Excluded Swap Obligations of such Guarantor) from time to time owing to the Secured Parties by any Loan Party under any Loan Document or any Secured Hedge Agreement or any Treasury Services Agreement, in each case strictly in accordance with the terms thereof (such obligations being herein collectively called the "**Guaranteed Obligations**"). The U.S. Guarantors hereby jointly and severally agree that if the Borrower or other Guarantor(s) shall fail to pay in full when due (whether at stated maturity, by acceleration or otherwise) any of the Guaranteed Obligations, the U.S. Guarantors will promptly pay the same in cash, without any demand or notice whatsoever, and that in the case of any extension of time of payment or renewal of any of the Guaranteed Obligations, the same will be promptly paid in full when due (whether at extended maturity, by acceleration or otherwise) in accordance with the terms of such extension or renewal.

Section 11.02 Obligations Unconditional. The obligations of the U.S. Guarantors under Section 11.01 shall constitute a guarantee of payment and to the fullest extent permitted by applicable Law, are absolute, irrevocable and unconditional, joint and several, irrespective of the value, genuineness, validity, regularity or enforceability of the Guaranteed Obligations of the Borrower under this Agreement, the Notes, if any, or any other agreement or instrument referred to herein or therein, or any substitution, release or exchange of any other guarantee of or security for any of the Guaranteed Obligations, and, irrespective of any other circumstance whatsoever that might otherwise constitute a legal or equitable discharge or defense of a surety or Guarantor (except for payment in full). Without limiting the generality of the foregoing, it is agreed that the occurrence of any one or more of the

following shall not alter or impair the liability of the U.S. Guarantors hereunder which shall remain absolute, irrevocable and unconditional under any and all circumstances as described above:

(a) at any time or from time to time, without notice to the U.S .Guarantors, to the extent permitted by Law, the time for any performance of or compliance with any of the Guaranteed Obligations shall be extended, or such performance or compliance shall be waived;

(b) any of the acts mentioned in any of the provisions of this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein shall be done or omitted;

(c) the maturity of any of the Guaranteed Obligations shall be accelerated, or any of the Guaranteed Obligations shall be amended in any respect, or any right under the Loan Documents or any other agreement or instrument referred to herein or therein shall be amended or waived in any respect or any other guarantee of any of the Guaranteed Obligations or except as permitted pursuant to Section 11.09 any security therefor shall be released or exchanged in whole or in part or otherwise dealt with;

(d) any Lien or security interest granted to, or in favor of any Lender or Agent as security for any of the Guaranteed Obligations shall fail to be perfected; or

(e) the release of any other Guarantor pursuant to Section 11.09.

The U.S. Guarantors hereby expressly waive diligence, presentment, demand of payment, protest and, to the extent permitted by Law, all notices whatsoever, and any requirement that any Secured Party exhaust any right, power or remedy or proceed against the Borrower under this Agreement or the Notes, if any, or any other agreement or instrument referred to herein or therein, or against any other person under any other guarantee of, or security for, any of the Guaranteed Obligations. The U.S. Guarantors waive, to the extent permitted by Law, any and all notice of the creation, renewal, extension, waiver, termination or accrual of any of the Guaranteed Obligations and notice of or proof of reliance by any Secured Party upon this Guaranty or acceptance of this Guaranty, and the Guaranteed Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred in reliance upon this Guaranty, and all dealings between the Borrower and the Secured Parties shall likewise be conclusively presumed to have been had or consummated in reliance upon this Guaranty. This Guaranty shall be construed as a continuing, absolute, irrevocable and unconditional guarantee of payment without regard to any right of offset with respect to the Guaranteed Obligations at any time or from time to time held by Secured Parties, and the obligations and liabilities of the U.S. Guarantors hereunder shall not be conditioned or contingent upon the pursuit by the Secured Parties or any other person at any time of any right or remedy against the Borrower or against any other person which may be or become liable in respect of all or any part of the Guaranteed Obligations or against any collateral security or guarantee therefor or right of offset with respect thereto. This Guaranty shall remain in full force and effect and be binding in accordance with and to the extent of its terms upon the U.S. Guarantors and the successors and assigns thereof, and shall inure to the benefit of the Lenders, and their respective successors and assigns, notwithstanding that from time to time during the term of this Agreement there may be no Guaranteed Obligations outstanding.

Section 11.03 Reinstatement. The obligations of the U.S. Guarantors under this Article XI shall be automatically reinstated if and to the extent that for any reason any payment by or on behalf of the Borrower or other Loan Party in respect of the Guaranteed Obligations is rescinded or must be

otherwise restored by any holder of any of the Guaranteed Obligations, whether as a result of any proceedings in insolvency, bankruptcy or reorganization or otherwise.

Section 11.04 Subrogation; Subordination. Each U.S. Guarantor hereby agrees that until the payment and satisfaction in full in cash of all Guaranteed Obligations and the expiration and termination of the Commitments of the Lenders under this Agreement, it shall waive any claim and shall not exercise any right or remedy, direct or indirect, arising by reason of any performance by it of its guarantee in Section 11.01, whether by subrogation or otherwise, against the Borrower or any other Guarantor of any of the Guaranteed Obligations or any security for any of the Guaranteed Obligations. Any Indebtedness of any Loan Party permitted pursuant to Section 7.03(c) shall be subordinated to such Loan Party's Obligations in the manner set forth in the Intercompany Note evidencing such Indebtedness.

Section 11.05 Remedies. The U.S. Guarantors jointly and severally agree that, as between the Guarantors and the Lenders, the obligations of the Borrower under this Agreement and the Notes, if any, may be declared to be forthwith due and payable as provided in Section 8.02 (and shall be deemed to have become automatically due and payable in the circumstances provided in Section 8.02) for purposes of Section 11.01, notwithstanding any stay, injunction or other prohibition preventing such declaration (or such obligations from becoming automatically due and payable) as against the Borrower and that, in the event of such declaration (or such obligations being deemed to have become automatically due and payable), such obligations (whether or not due and payable by the Borrower) shall forthwith become due and payable by the U.S. Guarantors for purposes of Section 11.01.

Section 11.06 Continuing Guaranty. The guarantee in this Article XI is a continuing guarantee of payment, and shall apply to all Guaranteed Obligations whenever arising.

Section 11.07 General Limitation on Guarantee Obligations. In any action or proceeding involving any state corporate limited partnership or limited liability company law, or any applicable state, federal or foreign bankruptcy, insolvency, reorganization or other Law affecting the rights of creditors generally, if the obligations of any U.S. Guarantor under Section 11.01 would otherwise be held or determined to be void, voidable, invalid or unenforceable, or subordinated to the claims of any other creditors, on account of the amount of its liability under Section 11.01, then, notwithstanding any other provision to the contrary, the amount of such liability shall, without any further action by such Guarantor, any Loan Party or any other person, be automatically limited and reduced to the highest amount (after giving effect to the right of contribution established in Section 11.10) that is valid and enforceable and not subordinated to the claims of other creditors as determined in such action or proceeding.

Section 11.08 Information. Each U.S. Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations and the nature, scope and extent of the risks that each U.S. Guarantor assumes and incurs under this Guaranty, and agrees that none of any Agent or any Lender shall have any duty to advise any Guarantor of information known to it regarding those circumstances or risks.

Section 11.09 Release of Guarantors; Termination.

(a) If, in compliance with the terms and provisions of the Loan Documents, (i) all or substantially all of the Equity Interests or property of any Subsidiary Guarantor are sold or otherwise transferred to a Person or Persons none of which is a Loan Party or (ii) any Subsidiary Guarantor becomes an Excluded Subsidiary (any such Subsidiary Guarantor referred to in the preceding clauses (i) or (ii), a "**Transferred Guarantor**"), such Transferred Guarantor shall, upon the consummation of such

sale or transfer or other transaction, be automatically released from its obligations under this Agreement (including under the Guaranty and Section 10.05 hereof) and its obligations to pledge and/or grant security interests in any Collateral owned by it pursuant to any Collateral Document and the pledge of the Equity Interests of such Released Guarantor to the Collateral Agent pursuant to the Collateral Documents shall be automatically released; *provided* that if any Subsidiary Guarantor becomes an Excluded Subsidiary pursuant to clause (a) of the definition thereof, then such release shall only be permitted if (A) such transaction pursuant to which such Subsidiary Guarantor is or becomes an Excluded Subsidiary is (w) permitted by the Loan Documents treating such release as (1) an Investment in such Excluded Subsidiary at the date of such release in an amount equal to the fair market value of the Borrower's or its Subsidiary's retained Investment in such Excluded Subsidiary and (2) the incurrence or making, as applicable, by such Excluded Subsidiary at the time of release, of any then-existing Investment, Indebtedness or Lien of such Excluded Subsidiary, (x) conducted on an arm's length basis with a third party, (y) for fair market value and (z) for a *bona fide* legitimate business purpose of the Borrower and its Subsidiaries, and not for the primary purpose of evading the requirements of Sections 6.11 and 6.12 hereof (in each case of subparts (w) through (z), as determined by the Borrower in good faith) and (b) such Subsidiary Guarantor is not also to remain a guarantor in respect of any Incremental Equivalent Debt, Permitted Ratio Debt or Incurred Acquisition Ratio Debt, or any Permitted Refinancing of any of the foregoing, at such time. If, in compliance with the terms and provisions of the Loan Documents, any Excluded Subsidiary or any Subsidiary that is a Non-U.S. Subsidiary and a Non-Canadian Subsidiary ceases to be directly owned by a Loan Party, then the Equity Interests of such Subsidiary shall be automatically released from any security interests created by the Loan Documents. So long as the Borrower shall have provided the Administrative Agent and Collateral Agent such certifications or documents as such Agent may reasonably request, the Administrative Agent and Collateral Agent shall, at the Borrower's expense, take such actions as are necessary to effect, evidence or confirm each release described in this Section 11.09 in accordance with the relevant provisions of the Collateral Documents.

(b) Subject to the preceding clause (a), when all Commitments hereunder have terminated, all Loans and other Obligations (other than obligations in respect of Treasury Services Agreement or Secured Hedge Agreement and indemnification and other contingent obligations as to which no claim has been asserted) have been paid in full and no Letters of Credit (other than those that have been Cash Collateralized in an amount equal to 103% of the Fronting Exposure thereof or otherwise backstopped in a manner reasonably satisfactory to the applicable Issuing Bank and the Borrower) are issued and outstanding, this Agreement and the guarantees made herein shall terminate with respect to all Obligations, except with respect to Obligations that expressly survive such repayment pursuant to the terms of this Agreement. The Agents shall, at each Guarantor's expense, take such actions as the Borrower may reasonably request to release, evidence or confirm the release any Collateral owned by such Guarantor in accordance with the relevant provisions of the Collateral Documents.

Section 11.10 Right of Contribution. Each Guarantor hereby agrees that to the extent that a Subsidiary Guarantor shall have paid more than its proportionate share of any payment made hereunder, such Subsidiary Guarantor shall be entitled to seek and receive contribution from and against any other Guarantor hereunder which has not paid its proportionate share of such payment. Each Subsidiary Guarantor's right of contribution shall be subject to the terms and conditions of Section 11.04. The provisions of this Section shall in no respect limit the obligations and liabilities of any Subsidiary Guarantor to the Administrative Agent, the Revolving Agent and the Lenders, and each Subsidiary Guarantor shall remain liable to the Administrative Agent, the Revolving Agent and the Lenders for the full amount guaranteed by such Subsidiary Guarantor hereunder.

Section 11.11 Cross-Guaranty; Keepwell. To the extent permitted under applicable Laws (including the Commodity Exchange Act), each U.S. Guarantor that is a Qualified ECP Guarantor hereby

jointly and severally, absolutely, unconditionally and irrevocably undertakes to provide such funds and other support as may be needed from time to time by each other Guarantor to honor all of its obligations under its Guaranty and the other Loan Documents in respect of Swap Obligations (*provided*, *however*, that each Qualified ECP Guarantor shall only be liable under this Article XI for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Article XI, or otherwise under this Agreement or any other Loan Document, voidable under Debtor Relief Laws and not for any greater amount). Subject to Section 11.03 and Section 11.09, the obligations of each Qualified ECP Guarantor under this Article XI shall remain in full force and effect until all Commitments hereunder have terminated, all Loans and other Obligations (other than obligations in respect of Treasury Services Agreement or Secured Hedge Agreement and indemnification and other contingent obligations as to which no claim has been asserted) have been paid in full and no Letters of Credit (other than those that have been Cash Collateralized in an amount equal to 103% of the Fronting Exposure thereof or otherwise backstopped in a manner reasonably satisfactory to the applicable Issuing Bank and the Borrower) are issued and outstanding. Each Qualified ECP Guarantor intends that this Section 11.12 constitute, and this Section 11.12 shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Guarantor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

Section 11.11 Agreements Among Lenders. The Borrower and the Lenders (including any holders of Refinancing Loans, Incremental Loans, Incremental Equivalent Debt, Extended Loans or Replacement Loans permitted under this Agreement) acknowledge and agree that the Lenders have entered into the Agreement Among Lenders to further govern the relationship between the Lenders. Notwithstanding any provision to the contrary in this Agreement, in the event of a conflict or inconsistency between the provisions of this Agreement and the provisions of the Agreement Among Lenders, solely with respect to the Persons signatory to the Agreement Among Lenders, the provisions of the Agreement Among Lenders shall govern. The Borrower further agrees that, upon request by any Agent or any Lender, it will execute and deliver an acknowledgment counterpart to the Agreement Among Lenders; *provided* that, in executing such counterpart acknowledgment, under no circumstances shall the Borrower be required to agree to, and in no circumstance shall the Agreement Among Lenders impose (or be deemed to impose), any obligations, liabilities, responsibilities, duties or other burdens (including any affirmative or negative covenants) on the Borrower or any of its Subsidiaries or Affiliates.

WHEREAS, the Borrower has requested and, subject to the terms and conditions set forth herein, the undersigned Agent and Lenders are willing, (i) to waive the Specified Default, (ii) to consent to Holdings' ownership of Norwood US, (iii) to amend the Existing Credit Agreement as provided in Section 3 below (the Existing Credit Agreement as so amended being referred to as the "Credit Agreement"), (iv) to join Norwood US to the Credit Agreement as a Guarantor and a Restricted Subsidiary under (and as defined) therein;

WHEREAS, Norwood US is executing this Amendment to become a Guarantor and a Restricted Subsidiary under (and as defined in) the Credit Agreement;

WHEREAS, subject to the terms and conditions set forth herein, the parties hereto have agreed to waive the Specified Default, consent to Holdings' ownership of Norwood US, amend the Existing Credit Agreement and join Norwood US as a Guarantor and a Restricted Subsidiary under (and as defined in) the Credit Agreement, in each case as more fully set forth herein.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Capitalized Terms. All capitalized terms used herein and not otherwise defined shall have the respective meanings ascribed to them in the Credit Agreement. Sections 1.02 through 1.08 of the Credit Agreement are hereby incorporated herein by reference, *mutatis mutandis*.

2. Limited Waiver and Consent.

(b) This waiver shall be effective only to the extent specifically set forth herein and shall not,

(i) be construed as a waiver of any Default or Event of Default other than as specifically waived herein nor as a waiver of any Default or Event of Default of which the Lenders have not been informed by the Loan Parties,

(ii) affect the right of the Lenders to demand compliance by the Loan Parties with all terms and conditions of the Loan Documents, except as specifically modified or waived by this Amendment,

text (indicated textually in the same manner as the following example: ~~stricken text~~ or ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text or double-underlined text) as set forth in the copy of the Credit Agreement attached as Exhibit A hereto.

4. Representations and Warranties. Each Loan Party hereby represents and warrants on the date hereof to Administrative Agent and Lenders as follows:

(a) This Amendment constitutes a legal, valid and binding obligation of each Loan Party that is party hereto, enforceable against each such Loan Party in accordance with its terms, except as enforceability may be limited by applicable Debtor Relief Laws or by general principles of equity, and principles of good faith and fair dealing.

(b) The execution, delivery and performance of this Amendment by each Loan Party that is party hereto (i) have been duly authorized by all necessary corporate or other organizational action, and (ii) do not (A) contravene the terms of any of such Person's Organization Documents, (B) conflict with or result in any breach or contravention of, or the creation of any Lien under (other than as permitted by the Credit Agreement), or require any payment to be made under (which has not been or is not being made), (I) any Contractual Obligation to which such Loan Party is a party or affecting such Loan Party or the properties of such Loan Party or any of its Restricted Subsidiaries or (II) any material order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject, or (C) violate any applicable material Law in any material respect; except with respect to any conflict, breach or contravention or payment (but not creation of Liens) referred to in clause (ii)(B), to the extent that such violation, conflict, breach, contravention or payment would not reasonably be expected to have a Material Adverse Effect.

(c) (i) Immediately before giving effect to this Amendment, no Default or Event of Default has occurred and is continuing except for the Specified Default and (ii) immediately after giving effect to this Amendment, no Default or Event of Default has occurred and is continuing.

(d) (i) Immediately before giving effect to this Amendment, except for the Specified Default, the representations and warranties of each Loan Party set forth in Article V of the Credit Agreement and in each other Loan Document are true and correct in all material respects and (ii) immediately after giving effect to this Amendment, the representations and warranties of each Loan Party set forth in Article V of the Credit Agreement and in each other Loan Document are true and correct in all material respects, in the case of each of (i) and (ii) herein (except that any representation and warranty above that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects as so qualified) on and as of the date hereof with the same effect as though made on and as of such date, except to the extent such representations and warranties expressly relate to an

earlier date, in which case they shall be true and correct in all material respects as of such earlier date.

5. Conditions Precedent to Effectiveness. This Amendment shall become effective on the date that each of the following conditions precedent have been fulfilled to the satisfaction of and in form and substance satisfactory to Administrative Agent (such date, the "Amendment Effective Date", which, for the avoidance of doubt, occurred on May 24, 2023):

(a) The Administrative Agent shall have received executed counterparts of (i) this Amendment by Holdings, the Borrower, Norwood US and the Existing Lenders and (ii) the U.S. Pledge and Security Agreement, dated as of the Amendment Effective Date, by Norwood US and the Collateral Agent.

(b) (i) Immediately before giving effect to this Amendment, except for the Specified Default, no Default or Event of Default shall exist and (ii) immediately after giving effect to this Amendment, no Default or Event of Default shall exist or would result from the transactions contemplated by this Amendment.

(c) The representations and warranties in Section 4 shall be true and correct in all material respects (except that any representation and warranty that is qualified as to "materiality" or "Material Adverse Effect" shall be true and correct in all respects as so qualified) on and as of the Amendment Effective Date with the same effect as though made on and as of such date both before and after giving effect to the transactions contemplated hereby.

(d) The Borrower shall have paid (or caused to be paid) to the Administrative Agent all fees, costs and expenses due and payable pursuant to Section 10.04(a) of the Credit Agreement, to the extent invoiced in reasonable detail at least (2) Business Days prior to the date hereof (except as otherwise agreed by the Borrower).

(e) The Administrative Agent shall have received (i) a certificate of good standing (to the extent such concept exists) from the applicable secretary of state (or other applicable officer) of the state of organization of each Loan Party or from the applicable corporate registrar from the province or territory of organization or incorporation of each Loan Party, and (ii) certificates of resolutions or other action, an incumbency certificate and/or other certificate of Responsible Officers of each Loan Party evidencing the identity, authority and capacity of each Responsible Officer thereof authorized to act as a Responsible Officer in connection with this Amendment.

(f) The Administrative Agent shall have received an opinion from Latham & Watkins LLP, special counsel to the Loan Parties with respect to matters of US Federal law and New York law.

Without limiting the generality of the provisions of Section 9.03(a) of the Credit Agreement, for purposes of determining compliance with the conditions specified in this Section 5, each Lender that has signed this Amendment shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented

to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Amendment Effective Date specifying its objection thereto.

Each of the Loan Parties, the Agent and each Lender that has signed this Agreement acknowledges and agrees that, as of the date first above written, each of the conditions specified in this Section 5 have been satisfied or waived.

6. Effect on Loan Documents.

(a) The amendments set forth herein shall be limited precisely as written and shall not be deemed (i) to be a forbearance, waiver, consent, or modification of or to any other term or condition of the Credit Agreement or of any Loan Documents or to prejudice any right or remedy which Administrative Agent or Revolver Agent may now have or may have in the future under or in connection with the Loan Documents; (ii) to be a consent to any future consent or modification, forbearance, or waiver to the Credit Agreement or any other Loan Document, or to any waiver of any of the provisions thereof; or (iii) to limit or impair Administrative Agent's or Revolver Agent's right to demand strict performance of all terms and covenants as of any date. Borrower acknowledges and agrees that the Credit Agreement is still in full force and effect. Borrower waives, to the extent permitted by law, any and all defenses to enforcement of the Credit Agreement and each other Loan Documents that might otherwise be available as a result of this Amendment.

(b) For the avoidance of doubt, this Amendment is hereby deemed a Loan Document for all purposes.

7. Reaffirmation.

(a) Holdings (the "Existing Guarantor") reaffirms that its guaranty and other obligations under the Loan Documents are and continue to remain in full force and effect and are hereby ratified, reaffirmed and confirmed. Holdings hereby (i) confirms that it consents to the terms of this Amendment, (ii) confirms that each Loan Document to which it is a party or is otherwise bound will continue to guarantee to the fullest extent possible in accordance with the Loan Documents, the payment and performance of the Obligations, including the payment and performance of all such applicable Obligations that are joint and several obligations of Existing Guarantor now or hereafter existing; (iii) reaffirms that its Guaranty and each of the Loan Documents to which it is a party or otherwise bound shall continue in full force and effect and that all of its obligations thereunder shall be valid and enforceable and shall not be impaired or limited by the execution or effectiveness of this Amendment; and (iv) acknowledges, agrees and warrants for the benefit of the Agents and each Secured Party that there are no rights of set-off or counterclaim, nor any defenses of any kind, whether legal, equitable or otherwise, that would enable such Existing Guarantor to avoid or delay timely performance of its obligations under the Loan Documents (except to the extent such obligations constitute Excluded Swap Obligations with respect to such Existing Guarantor).

(b) Each of the Borrower and Holdings (collectively, the "Existing Grantors") hereby acknowledges that it has reviewed and consents to the terms and conditions of this Amendment

and the transactions contemplated hereby. In addition, each Existing Grantor reaffirms the security interests granted by such Existing Grantor under, and on the terms and conditions set forth in, the Loan Documents to which it is a party to secure the Obligations and agrees that such security interests remain in full force and effect and are hereby ratified, reaffirmed and confirmed. Each Existing Grantor hereby (i) confirms that each Collateral Document to which it is a party or is otherwise bound and all Collateral encumbered thereby will continue to secure, to the fullest extent possible in accordance with the Loan Documents, the payment and performance of the Obligations, including the payment and performance of all such Obligations that are joint and several obligations of each Existing Grantor now or hereafter existing, (ii) confirms its grant to the Collateral Agent for the benefit of the Secured Parties of the security interest in and continuing Lien on all of such Existing Grantor's right, title and interest in, to and under all Collateral, in each case whether now owned or existing or hereafter acquired or arising and wherever located, as collateral security for the prompt and complete payment and performance in full when due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, of all applicable Obligations (including all such Obligations as amended, reaffirmed and/or increased pursuant to this Amendment), subject to the terms contained in the applicable Loan Documents, and (iii) confirms its pledges, grants of security interests and other obligations, as applicable, under and subject to the terms of each Collateral Document to which it is a party.

(c) Each Existing Guarantor and Existing Grantor ratifies and confirms that each Loan Document to which it is a party or otherwise bound shall continue in full force and effect, as amended by this Amendment, and that all of its obligations, liabilities and agreements thereunder shall be valid and enforceable and shall not be impaired or limited by the execution or effectiveness of this Amendment.

8. Joinder. Norwood US, for the benefit of the Administrative Agent and the Lenders, hereby acknowledges that it has received and reviewed a copy of the Credit Agreement and further acknowledges, agrees and confirms that, by its execution of this Amendment, Norwood US will join and become a party to the Credit Agreement as a Guarantor and a Restricted Subsidiary thereunder with the same force and effect as if originally named therein as a Guarantor and a Restricted Subsidiary and shall have all of the rights and obligations (and shall perform all the duties) of a Guarantor and a Restricted Subsidiary thereunder as if it had executed the Credit Agreement as such.

9. Release.
