Exhibit A

New Organizational Documents for Reorganized Holdings

This **Exhibit A** contains the term sheet for the New Organizational Documents. The New Organizational Documents remain subject to continuing negotiations among the Consenting 2020 B-2 Lenders and will be filed at a later date. Article IV.G of the Plan provides as follows:

> On or promptly after the Effective Date, the Reorganized Debtors will file their applicable New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in their respective states or jurisdictions of incorporation or formation in accordance with the corporate laws of such respective states or jurisdictions of incorporation or formation. Pursuant to section 1123(a)(6) of the Bankruptcy Code, the New Organizational Documents will prohibit the issuance of non-voting equity securities of Reorganized Holdings. After the Effective Date, the Reorganized Debtors may amend and restate their respective New Organizational Documents or otherwise restructure their legal Entity forms, without supervision or approval by the Bankruptcy Court and in accordance with applicable non-bankruptcy law.
>
> The New Organizational Documents shall provide for the following minority protections (which shall not be subject to amendment other than with the consent of holders of at least two-thirds of the then-issued and outstanding shares of New Common Stock and as to which the New Organizational Documents will provide equivalent rights to all equivalent sized holders of New Common Stock): (1) annual audited and quarterly financial statements by Reorganized Holdings, as well as a quarterly management call, including a Q&A; (2) no transfer restrictions other than restrictions on transfers to competitors, customary drag-along and tag-along rights (in connection with a transfer of a majority of the then-outstanding New Common Stock), and other customary transfer restrictions (including restrictions on transfers that are not in compliance with applicable law or would require Reorganized Holdings to register securities or to register as an "investment company"), but in any event will not include any right of first refusal or right of first offer; and (3) customary pro rata preemptive rights in connection with equity issuances for cash (subject to customary carve outs) for accredited investor holders of New Common Stock above a specified threshold (which threshold shall be determined to provide such preemptive rights to approximately ten (10) holders as of the Effective Date).

All parties reserve all rights, in accordance with the consent and approval rights provided under the Plan or the Restructuring Support Agreement, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, including this **Exhibit A**, at any time before the Effective Date of the Plan, or any such other date as may be provided for by order of the Bankruptcy Court. Each of the documents contained in the Plan Supplement and its amendments remain subject to certain consent and approval rights to the extent provided in the Plan or the Restructuring Support Agreement.

Key Assumptions: [1, 2]	Reorganized Revlon is a private Delaware [limited liability company], which will be taxed as a corporation, with one class of equity (the "Company Stock")
Board Composition:[3]	Initial board (the "Board") to be seven (7) directors, including (i) the Company CEO and (ii) six (6) other directors determined by the Required Consenting 2020 B-2 Lenders. [The successor directors will be nominated annually by Glendon, King Street, Angelo Gordon and Nut Tree (the "Key Shareholder Committee"), until the first annual meeting of the shareholders following such time as the members of the Key Shareholder Committee, together with their affiliates, hold less than 40% of the outstanding equity, at which point the successor directors will be nominated annually by the Board. Membership in the committee is not transferrable and ceases once a member's holdings (together with its affiliates) falls below the lesser of (i) 7% of outstanding equity and (ii) 66 2/3% of such member's initial equity at emergence.] The Key Shareholder Committee will act by approval of 70% of the shares represented on the Key Shareholder Committee. [After such time as the Key Shareholder Committee is no longer entitled to select Board members as described above, shareholders (together with each of their respective affiliates) that were formerly members of the Key Shareholder Committee (which, for the avoidance of doubt, will be no more than three shareholders) will each have the ability to designate one

[1] Note: Final structure subject to ongoing review to determine whether Reorganized Revlon will be an LLC or a corporation. Additional revisions may be required as a result of the differences in corporate formalities and mechanics of a Delaware LLC as compared to a corporation.

[2] Note: Mechanics regarding DTC under discussion. Holders may be required to hold either through DTC or on books and records (or a combination of both).

[3] Note: Board structure and designation rights subject to ongoing discussion between the Required Consenting 2020 B-2 Lenders.

	member of the Board for so long as such shareholder (together with its affiliates) continues to hold at least 10% of the outstanding equity.] Director nominees may not be affiliated with or be an employee of any of the Key Shareholder Committee members / designating shareholders. All shareholders shall be required to vote their shares to effectuate the Board designation rights described above, including in connection with any removal or replacement of a director appointed pursuant to any such designation rights. The equity thresholds described in this section exclude the dilutive impact of the management incentive plan and the exercise of the warrants outstanding at emergence.
Board Action:	**Meetings**: The Board will meet at least quarterly. Special meetings of the Board may be called by at least two (2) directors of the Board on at least 72 hours' notice.
	Quorum: Quorum consists of at least a majority of the total voting power of the Board.
	Approval: The Board shall act by majority of the votes present at a meeting at which a quorum is present. The Board may act by unanimous written consent. The following matters are expressly required to be approved by the Board: • Entry into new line of business • Special dividends or redemptions/repurchases of shares • Incurrence of debt over certain thresholds / liens • Other material transactions (material M&A, recapitalizations, restructurings) • IPO / other public offerings • Issuances of securities • Dissolution • Appointment/dismissal of CEO and other senior management • Compensation plans, management incentive programs and any equity incentives granted to management or to any provider of services • Material litigation • Change of auditors • Setting the annual operating plan and budget

Shareholder Consent Rights:[4]	Shareholder consents required by applicable law. Except as otherwise set forth above in connection with the election or removal of directors, each share of Company Stock shall be entitled to one vote for all such matters that are put to the shareholders for approval under the organizational documents and applicable law. Shareholders shall be entitled to act by written consent.
Related Party Transactions:	Related party transactions, including, without limitation, with (a) affiliates of Reorganized Revlon holding more than [•]% of Reorganized Revlon's outstanding equity or (b) the officers, managers, directors or lenders of Reorganized Revlon or its subsidiaries (including any transaction on terms less favorable than those that would have been obtainable from a third party on an arms-length basis) will require the approval of a majority of the disinterested / non-conflicted directors, which will exclude without limitation those directors that are (or whose affiliates or employees are) party to or may otherwise materially benefit from such related party transaction other than in their capacity as a holder of Company Stock; provided, that the approval will not apply to an acquisition of additional equity securities (or securities convertible into equity) that complies with the preemptive rights (or debt where similar preemptive rights are electively offered). A director that is not an affiliate or employee of the Key Shareholder Committee members / designating shareholders shall not be deemed conflicted solely because such director was nominated by the Key Shareholder Committee or designating shareholder.
Shareholder Meetings:	The shareholders shall meet at least annually. Special meetings of shareholders may be called at any time by the Board or shareholders holding a majority of the outstanding Company Stock, provided that notices for shareholder meetings (including for special meetings) must be given no less than 10 and no more than 90 days before such meeting and the notice must specify the time, place, location and purpose of such meeting. Quorum for shareholder action shall be a majority of the outstanding Company Stock.

[4] For the avoidance of doubt, if Reorganized Revlon is an LLC, definitive documents will provide that shareholder consent rights will be provided as if the entity were a corporation under the DGCL.

Drag-Along:	Shareholders holding at least a majority of the outstanding Company Stock shall have customary drag-along rights to cause a "company sale" (to be defined) for cash / liquid securities that is approved by the Board; provided, that a "company sale" will be subject to customary restrictions, including that other than with respect to customary fundamental representations relating to a holder and its shares (e.g., holder's status, authority, ownership of its shares), liability for which shall be borne only by such holder, liability for dragged shareholders with respect to representations by or with respect to Reorganized Revlon shall be several and not joint and also limited to such shareholder's pro rata percentage ownership interest (and the amount of proceeds received by such shareholder) and, in the case of non-fundamental rep breaches relating to Reorganized Revlon, limited to amounts held in escrow (other than, in each case, in the case of actual and intentional fraud of such shareholder).
Tag-Along:	Each shareholder shall have customary tag-along rights in connection with a transfer (or series of related transfers) of a majority of the then-outstanding Company Stock.
Transfer Restrictions:[5]	No transfers to "competitors" (to be defined) in any transaction not approved by the Board. Any prohibited transfers will be void *ab initio*, and the transferee will not be entitled to any rights with respect thereto, until the requirements above have been satisfied. Except as set forth above or in connection with a transaction subject to the drag-along or tag-along rights (described above), no transfer restrictions other than customary transfer restrictions (compliance with laws, will not require Reorganized Revlon to register securities or register as an "investment company", etc.). For the avoidance of doubt, the long-form documentation will not include any contractual lock-up provisions. Transfer restrictions set forth above will apply to transfer of beneficial ownership and indirect transfers, subject to customary exceptions.
Preemptive Rights:	Each shareholder that beneficially owns (together with its affiliates and related funds) at least [2] % (excluding the dilutive impact of the management incentive plan and the exercise of the warrants outstanding at emergence) of the outstanding Company Stock of Reorganized Revlon (which threshold was determined to provide such preemptive rights to approximately ten (10) holders as of emergence) shall be entitled to

[5] All rights that require a certain level of shareholding (preemptive rights, etc.) will require customary proof of beneficial ownership (i.e., broker letters).

	customary *pro rata* preemptive rights in connection with equity issuances (or securities convertible into equity) for cash by Reorganized Revlon, subject to customary carve-outs (e.g., shares issued as consideration in M&A transactions, IPO / public offerings, equity "kickers" to lenders, grants / issuances of employee incentive equity, etc.).
Registration Rights:[6]	Following an IPO, shareholders with an aggregate ownership of at least [●]% of the outstanding Company Stock may make a demand registration, subject to customary limits with respect to frequency and customary blackout periods. Shareholders holding any equity securities will have customary *pro rata* "piggyback" rights, subject to standard underwriter cutbacks which will be *pro rata* among all such holders. To the maximum extent permitted by applicable law, Reorganized Revlon shall bear all out-of-pocket registration costs and expenses.
Information Rights:	Annual audited and quarterly unaudited financials will be provided to all holders of Company Stock, as well as a quarterly management call / MD&A, including a Q&A portion. Shareholders (and warrantholders) shall be entitled to share information provided by Reorganized Revlon with prospective eligible transferees who agree to customary confidentiality restrictions with Reorganized Revlon. For the avoidance of doubt, without the Board's consent, Reorganized Revlon shall not be required to, and no shareholder or warrantholder shall, share any information with, or provide data room access to, a competitor of Reorganized Revlon. In order to access any information in the data room, shareholders will be required to sign or otherwise be bound by an agreement which will include an acknowledgement of, and agreement to comply with, the applicable terms of the organizational documents (including customary confidentiality obligations and the transfer and other restrictive provisions described herein), which will be made available on Reorganized Revlon's website. Upon the request of the Key Shareholder Committee, Reorganized Revlon will also periodically provide in the Data Room other material information for cleansing purposes.
Amendments:	Subject in all cases (including the provisos hereto) to the Minority Protections, amendments or waivers (or the entry into any agreement, commitment, understanding or contract to effect the following) to the

[6] Please refer to the Registration Rights Agreement for additional details on these provisions.

	organizational documents and other governance agreements shall require approval of a majority of the outstanding Company Stock; provided, that amendments to the preemptive rights, transfer restrictions, and information rights shall require the consent of a supermajority equal to at least 66 2/3% of the outstanding Company Stock.
Minority Protections:	Amendments or waivers (or the entry into any agreement, commitment, understanding or contract to effect the following) to the organizational documents that are, by their terms, disproportionate and adverse to a shareholder / group of shareholders require consent of such shareholders holding 66 2/3% of shares held by such shareholders.
Corporate Opportunities Waiver:	The applicable organizational document will include a waiver of "corporate opportunities" in favor of shareholders, shareholder designated directors and their respective affiliates to the maximum extent permitted by Delaware law.
Governing Law:	The shareholders agreement/limited liability company agreement and organizational documents shall be governed by Delaware law.

Exhibit B

Schedule of Rejected Executory Contracts and Unexpired Leases

This **Exhibit B** contains the Schedule of Rejected Executory Contracts and Unexpired Leases. Article VII.A of the Plan provides as follows:

> Except as otherwise provided [in the Plan], all Executory Contracts or Unexpired Leases will be deemed assumed as of the Effective Date, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those Executory Contracts or Unexpired Leases that: (1) previously were assumed or rejected by the Debtors; (2) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; or (3) are the subject of a motion to reject such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such rejection is on or after the Effective Date. The assumption or rejection of all executory contracts and unexpired leases in the Chapter 11 Cases or in the Plan shall be determined by the Debtors, with the consent of the Required Consenting BrandCo Lenders.
>
> Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions, assumptions and assignments, and the rejection of the Executory Contracts or Unexpired Leases listed on the Schedule of Rejected Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Any motions to reject Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order. Each Executory Contract and Unexpired Lease assumed pursuant to this Article VII.A or by any order of the Bankruptcy Court, which has not been assigned to a third party prior to the Confirmation Date or such later date as provided in this Article VII.A, shall revest in and be fully enforceable by the Debtors or the Reorganized Debtors, as applicable, in accordance with such Executory Contract and/or Unexpired Lease's terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law.
>
> To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors or the Reorganized Debtors, as applicable, shall have the right to alter, amend, modify, or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases, including by way of adding

> or removing a particular Executory Contract or Unexpired Lease from the Schedule of Rejected Executory Contracts and Unexpired Leases, at any time through and including sixty (60) Business Days after the Effective Date; *provided that*, after the Confirmation Date, the Debtors may not subsequently reject any Unexpired Lease of nonresidential real property under which any Debtor is the lessee that was not previously rejected (or subject to a motion to reject) or designated as rejected on the Schedule of Rejected Executory Contracts and Unexpired Leases absent consent of the applicable lessor; *provided further that*, with respect to any Unexpired Lease subject to a dispute regarding (1) the amount of the Cure Claim, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under such Unexpired Lease to be assumed, if required, or (3) any other matter pertaining to assumption, the Debtors may reject such Unexpired Lease within 30 days following entry of a Final Order of the Bankruptcy Court resolving such dispute.

Article VII.B of the Plan provides as follows:

> Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be filed with the Bankruptcy Court or the Voting and Claims Agent and served on the Debtors or Reorganized Debtors, as applicable, by the later of (1) the applicable Claims Bar Date, and (2) thirty (30) calendar days after notice of such rejection is served on the applicable claimant. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be automatically Disallowed and forever barred from assertion and shall not be enforceable against the Debtors or the Reorganized Debtors, the Estates, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, including any Claims against any Debtor listed on the Schedules as unliquidated, contingent or disputed. Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as Other General Unsecured Claims and shall be treated in accordance with Article III of the Plan.
>
> Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any cure amount has been fully paid or for which the cure amount is $0 pursuant to this Article VII, shall be deemed Disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

Inclusion of any document in the Schedule of Rejected Executory Contracts and Unexpired Leases is not an admission by the Debtors that any such documents constitutes an Executory Contract or Unexpired Lease. Subject to the terms of the Plan and the

Restructuring Support Agreement, the Debtors reserve the right to assert that any of the documents listed in the Schedule of Rejected Executory Contracts and Unexpired Leases are not Executory Contracts or Unexpired Leases. As a matter of administrative convenience, in certain cases the Debtors may have listed the original parties to the Executory Contracts and Unexpired Leases listed in the Schedule of Rejected Executory Contracts and Unexpired Leases without taking into account any succession of trustees or any other transfers or assignments from one party to another. The fact that the current parties to any particular Executory Contract or Unexpired Leases may not be named in the Schedule of Rejected Executory Contracts and Unexpired Leases is not intended to change the treatment of such Executory Contracts or Unexpired Leases. References to any Executory Contracts or Unexpired Leases to be rejected pursuant to the Plan are to the applicable Executory Contract or Unexpired Lease and other operative documents as of the date of the Plan Supplement, as they may have been amended, modified, or supplemented from time to time and as may be further amended, modified, or supplemented by the parties thereto between such date and the Effective Date.

All parties reserve all rights, in accordance with the consent and approval rights provided under the Plan or the Restructuring Support Agreement, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, including this **Exhibit B**, at any time before the Effective Date of the Plan, or any such other date as may be provided for by order of the Bankruptcy Court. Each of the documents contained in the Plan Supplement and its amendments remain subject to certain consent and approval rights to the extent provided in the Plan or the Restructuring Support Agreement.

Exhibit C

Schedule of Retained Causes of Action

This **Exhibit C** contains the Schedule of Retained Causes of Action. Article IV.Q of the Plan provides as follows:

> In accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, any and all Retained Causes of Action (except, if the GUC Trust is established in accordance with the Plan, the GUC Trust may enforce all rights to commence and pursue Retained Preference Actions), whether arising before or after the Petition Date, including but not limited to any actions specifically enumerated in the Plan Supplement, and the Reorganized Debtors' rights to commence, prosecute, or settle such Retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. If the GUC Trust is established in accordance with the Plan, the GUC Trust (on its own behalf and, if the PI Settlement Fund is established in accordance with the Plan, as agent for the PI Settlement Fund) shall retain and may enforce all rights to commence and pursue any Retained Preference Actions, and the GUC Trust's rights to commence, prosecute, or settle such Retained Preference Actions shall be preserved notwithstanding the occurrence of the Effective Date. For the avoidance of doubt, the preservation of Retained Causes of Action described in the preceding sentence includes, but is not limited to, the Reorganized Debtors' retention of the Debtors' rights to (1) object to Administrative Claims, (2) object to other Claims, and (3) subordinate Claims, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article X of the Plan, which shall be deemed released and waived by the Debtors and Reorganized Debtors as of the Effective Date.
>
> The Reorganized Debtors may pursue such Retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors, in their respective discretion. The GUC Trust, if established, may pursue Retained Preference Actions and objections to General Unsecured Claims in accordance with the best interests of the GUC Trust and the PI Settlement Fund. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors (or, with respect to the Retained Preference Actions, the GUC Trust) will not pursue any and all available Retained Causes of Action. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Retained Causes of Action against any Entity. The GUC Trust expressly reserves all rights to prosecute any and all Retained Preference Actions in accordance with the Plan. The Reorganized Debtors and, solely with respect to Retained Preference Actions and the allowance or disallowance of General Unsecured Claims, the GUC Trust, as applicable, expressly reserve all and shall retain the applicable Retained Causes of Action, for later adjudication, and, therefore no preclusion doctrine, including the doctrines of res judicata, collateral

estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Retained Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The applicable Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all Retained Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Retained Causes of Action except as otherwise expressly provided in the Plan and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

Notwithstanding, and without limiting the generality of Article IV.Q. of the Plan, the following Exhibit C includes certain Causes of Action expressly preserved by the Debtors and the Reorganized Debtors, subject to the terms of the Plan and the information provided in this Exhibit C, including the following types of claims:

1. Claims Related to Insurance Policies

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action based in whole or in part upon any and all insurance contracts and insurance policies to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, regardless of whether such contract or policy is specifically identified in the Plan, this Plan Supplement, or any amendments thereto, including, without limitation, Causes of Action against insurance carriers, reinsurance carriers, insurance brokers, underwriters, occurrence carriers, or surety bond issuers relating to coverage, indemnity, contribution, reimbursement, or any other matters.

2. Claims Related to Tax Obligations

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action based in whole or in part upon any and all tax obligations to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, including, without limitation, against or related to all Entities that owe or that may in the future owe money related to tax refunds to the Debtors or the Reorganized Debtors, regardless of whether such Entity is specifically identified herein. Without limiting the generality of the foregoing, the Debtors' expressly reserve all Causes of Action against the United States of America, Puerto Rico, Canada, the United Kingdom, or any other federal, state, local, province, foreign, or other taxing authorities, including the Entities identified on Schedule 1 attached hereto.

3. Claims Related to Pending and Future Litigation against the Debtors

As provided in Article X of the Plan, to the extent that any Causes of Action against the Debtors are not released or discharged pursuant to the Plan, the Debtors reserve any rights of the Debtors and the Reorganized Debtors to assert any and all counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims or

other Causes of Action in response to such Causes of Action. Without limiting the generality of the foregoing, the Debtors expressly reserve all Causes of Action against the Entities that are the parties to the actions identified on Schedule 2 attached hereto.

4. Claims Related to Deposits, Adequate Assurance Postings, and Other Collateral Postings

The Debtors or Reorganized Debtors, as applicable, expressly reserve all Causes of Action based in whole or in part upon any and all postings of a security deposit, adequate assurance payment, or any other type of deposit, prepayment, or collateral, regardless of whether such posting of security deposit, adequate assurance payment, or any other type of deposit, prepayment or collateral is specifically identified herein.

All parties reserve all rights, in accordance with the consent and approval rights provided under the Plan or the Restructuring Support Agreement, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, including this **Exhibit C**, at any time before the Effective Date of the Plan, or any such other date as may be provided for by order of the Bankruptcy Court. Each of the documents contained in the Plan Supplement and its amendments remain subject to certain consent and approval rights to the extent provided in the Plan or the Restructuring Support Agreement.

Administrative Agent, as applicable, or (d) has become, or is a direct or indirect Subsidiary of any Person that is, the subject of (i) a Bail-In Action or (ii) a bankruptcy or insolvency proceeding, or has had a receiver, conservator, trustee, administrator, custodian, assignee for the benefit of creditors or similar Person charged with the reorganization or liquidation of its business or assets appointed for it, including the Federal Deposit Insurance Corporation or any other state or federal regulatory authority acting in such capacity, or, in the good faith determination of the Administrative Agent, has taken any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any such proceeding or appointment; *provided* that, none of the foregoing events or circumstances under this clause (ii) shall result solely by virtue of any ownership interest, or the acquisition of any ownership interest, in such Person by a Governmental Authority or instrumentality thereof, unless such ownership interest results in or provides such Person with immunity from the jurisdiction of courts within the United States or from the enforcement of judgments or writs of attachment on its assets or permit such Person (or such Governmental Authority or instrumentality) to reject, repudiate, disavow or disaffirm any contracts or agreements made by such Person. Any determination by the Administrative Agent that a Lender is a Defaulting Lender under any one or more of the foregoing clauses shall be conclusive and binding absent manifest error, and such Lender shall be deemed to be a Defaulting Lender.

date that is 91 days after the Latest Maturity Date in effect on the date such Capital Stock is issued (other than (i) upon payment in full of the Obligations (other than indemnification and other contingent obligations not yet due and owing) or (ii) upon a "change in control"; provided, that any payment required pursuant to this clause (ii) is subject to the prior repayment in full of the Obligations (other than indemnification and other contingent obligations not yet due and owing) that are then accrued and payable and the termination of the Commitments); provided, further, however, that if such Capital Stock is issued to any employee or to any plan for the benefit of employees of Holdings, the Borrower or the Subsidiaries or by any such plan to such employees, such Capital Stock shall not constitute Disqualified Capital Stock solely because it may be required to be repurchased by Holdings, the Borrower or a Subsidiary in order to satisfy applicable statutory or regulatory obligations or as a result of such employee's termination, death or disability.

A list of the Disqualified Institutions will be posted by the Administrative Agent on the Platform and available for inspection by all Lenders. "Domestic Subsidiary": any direct or indirect Subsidiary that (i) is organized under the laws of any jurisdiction within the United States and (ii) is not a direct or indirect Subsidiary of a Foreign Subsidiary; provided that, for all purposes of this Agreement and the other Loan Documents, each BrandCo Entity shall be treated as a Domestic Subsidiary.

"Dutch Auction": an auction whereby any Lender may, at any time, assign all or a portion of its Term Loans on a non-pro rata basis to Holdings or one of its Subsidiaries (the "Auction Offeror") in accordance with the procedures set forth below or such other procedures as may be agreed between the Administrative Agent and the Borrower from time to time, pursuant to an offer made available to all Lenders on a pro rata basis, subject to the limitations set forth in Section 10.6(h):

(a) Notice Procedures. In connection with each Dutch Auction, the Auction Offeror will notify the Auction Manager (for distribution to the Lenders) of the Term Loans that will be the subject of the Dutch Auction by delivering to the Auction Manager a written notice in form and substance reasonably satisfactory to the Auction Manager (an "Auction Notice"). Each Auction Notice shall contain (i) the maximum principal amount of Term Loans the Auction Offeror is willing to purchase (by assignment) in the Dutch Auction (the "Auction Amount"), which shall be no less than $10,000,000 or an integral multiple of $1,000,0000 in excess of thereof, (ii) the range of discounts to par (the "Discount Range"), expressed as a range of prices per $1,000 of Term Loans, at which the Auction Offeror would be willing to purchase Term Loans in the Dutch Auction and (iii) the date on which the Dutch Auction will conclude, on which date Return Bids (as defined below) will be due at the time provided in the Auction Notice (such time, the "Expiration Time"), as such date and time may be extended upon notice by the Auction Offeror to the Auction Manager

not less than 24 hours before the original Expiration Time. The Auction Manager will deliver a copy of the auction procedures documentation (the "Offer Documents") for such Dutch Auction to each Lender promptly following completion thereof.

(b) Reply Procedures. In connection with any Dutch Auction, each Lender holding Term Loans wishing to participate in such Dutch Auction shall, prior to the Expiration Time, provide the Auction Manager with a notice of participation in form and substance reasonably satisfactory to the Auction Manager (the "Return Bid") to be included in the Offer Documents, which shall specify (i) a discount to par that must be expressed as a price per $1,000 of Term Loans (the "Reply Price") within the Discount Range and (ii) the principal amount of Term Loans, in an amount not less than $2,000,000, that such Lender is willing to offer for sale at its Reply Price (the "Reply Amount"); *provided* that each Lender may submit a Reply Amount that is less than the minimum amount and incremental amount requirements described above only if the Reply Amount equals the entire amount of the Term Loans held by such Lender at such time. A Lender may only submit one Return Bid per Dutch Auction, but each Return Bid may contain up to three component bids (or such other amount as may be determined by the Auction Manager), each of which may result in a separate Qualifying Bid (as defined below) and each of which will not be contingent on any other component bid submitted by such Lender resulting in a Qualifying Bid. In addition to the Return Bid, a participating Lender must execute and deliver, to be held by the Auction Manager, an assignment and acceptance in the form included in the Offer Documents which shall be in form and substance reasonably satisfactory to the Auction Manager (the "Auction Assignment and Acceptance"). The Auction Offeror will not purchase any Term Loans at a price that is outside of the applicable Discount Range, nor will any Return Bids (including any component bids specified therein) submitted at a price that is outside such applicable Discount Range be considered in any calculation of the Applicable Threshold Price (as defined below).

(c) Acceptance Procedures. Based on the Reply Prices and Reply Amounts received by the Auction Manager, the Auction Manager, in consultation with the Auction Offeror, will calculate the lowest purchase price (the "Applicable Threshold Price") for the Dutch Auction within the Discount Range for the Dutch Auction that will allow the Auction Offeror to complete the Dutch Auction by purchasing the full Auction Amount (or such lesser amount of Term Loans for which the Auction Manager has received Qualifying Bids). If the Applicable Threshold Price is not equal to the lowest Reply Price received pursuant to the Return Bids, the Auction Offeror shall be entitled, at its election, to either (i) complete the Dutch Auction at the Applicable Threshold Price or (ii) withdraw the Dutch Auction. In the case of clause (i) above, the Auction Offeror shall purchase (by assignment) Term Loans from each Lender whose Return Bid is within the Discount Range and contains a Reply Price that is equal to or less than the Applicable Threshold Price (each, a "Qualifying Bid"). All Term Loans included in Qualifying Bids received at a Reply Price lower than the Applicable Threshold Price will be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration. If a Lender has submitted a Return Bid containing multiple component bids at different Reply Prices, then all Term Loans of such Lender offered in any such component bid that constitutes a Qualifying Bid with a Reply Price lower than the Applicable Threshold Price shall also be purchased at a purchase price equal to the applicable Reply Price and shall not be subject to proration.

(d) Proration Procedures. In the case of clause (c)(i) above, all Term Loans offered in Return Bids (or, if applicable, any component bid thereof) constituting Qualifying Bids equal to the Applicable Threshold Price will be purchased at a purchase price equal to the Applicable Threshold Price; *provided* that if the aggregate principal amount of all Term Loans for which Qualifying Bids have been submitted in any given Dutch Auction equal to the Applicable Threshold Price would exceed the remaining portion of the Auction Amount (after deducting all Term Loans

purchased below the Applicable Threshold Price), the Borrower shall purchase the Term Loans for which the Qualifying Bids submitted were at the Applicable Threshold Price ratably based on the respective principal amounts offered and in an aggregate amount up to the amount necessary to complete the purchase of the Auction Amount. For the avoidance of doubt, no Return Bids (or any component thereof) will be accepted above the Applicable Threshold Price.

(e) Notification Procedures. The Auction Manager will calculate the Applicable Threshold Price no later than the third Business Day after the date that the Return Bids were due. The Auction Manager will insert the amount of Term Loans to be assigned and the applicable settlement date determined by the Auction Manager in consultation with the Auction Offeror onto each applicable Auction Assignment and Acceptance received in connection with a Qualifying Bid. Upon written request of the submitting Lender, the Auction Manager will promptly return any Auction Assignment and Acceptance received in connection with a Return Bid that is not a Qualifying Bid.

(f) Additional Procedures.

(i) Once initiated by an Auction Notice, the Auction Offeror may withdraw a Dutch Auction by written notice to the Auction Manager (x) in the circumstances described in clause (c)(i) above or (y) no later than 24 hours before the original Expiration Time so long as no Qualifying Bids have been received by the Auction Manager at or prior to the time the Auction Manager receives such written notice from the Auction Offeror. Any Return Bid (including any component bid thereof) delivered to the Auction Manager may not be modified, revoked, terminated or cancelled; *provided* that a Lender may modify a Return Bid at any time prior to the Expiration Time solely to reduce the Reply Price included in such Return Bid. However, a Dutch Auction shall become void if the Auction Offeror fails to satisfy one or more of the conditions to the purchase of Term Loans set forth in, or to otherwise comply with the provisions of Section 10.6 of this Agreement. The purchase price for all Term Loans purchased in a Dutch Auction shall be paid in cash by the Auction Offeror directly to the respective assigning Lender on a settlement date as determined by the Auction Manager in consultation with the Auction Offeror (which shall be no later than ten (10) Business Days after the date Return Bids are due), along with accrued and unpaid interest (if any) on the applicable Term Loans up to the settlement date. The Auction Offeror shall execute each applicable Auction Assignment and Acceptance received in connection with a Qualifying Bid.

(ii) All questions as to the form of documents and validity and eligibility of Term Loans that are the subject of a Dutch Auction will be determined by the Auction Manager, in consultation with the Auction Offeror, and the Auction Manager's determination will be conclusive, absent manifest error. The Auction Manager's interpretation of the terms and conditions of the Offer Document, in consultation with the Auction Offeror, will be final and binding.

(iii) None of the Auction Manager, any other Agent or any of their respective Affiliates assumes any responsibility for the accuracy or completeness of the information concerning Holdings, its Subsidiaries or any of their Affiliates contained in the Offer Documents or otherwise or for any failure to disclose events that may have occurred and may affect the significance or accuracy of such information.

(iv) The Auction Manager acting in its capacity as such under a Dutch Auction shall be entitled to the benefits of the provisions of Section 9 and Section 10.5 of this

Agreement to the same extent as if each reference therein to the "Loan Documents" were a reference to the Offer Documents, the Auction Notice and Auction Assignment and Acceptance and each reference therein to the "Transactions" were a reference to the transactions contemplated hereby.

(v) The procedures listed in clauses (a) through (f) above shall not require Holdings or any of its Subsidiaries to initiate any Dutch Auction, nor shall any Lender be obligated to participate in any Dutch Auction.

(a) The Borrower may at any time and from time to time prepay the Tranches of Term Loans (subject to Section 2.11(b) below), in whole or in part, without premium or penalty except as specifically provided in Section 2.10, upon irrevocable written notice delivered to the Administrative Agent no later than 12:00 Noon, New York City time, (i) three Business Days prior thereto in the case of SOFR Loans and (ii) one Business Day prior thereto in the case of ABR Loans, which notice shall specify (x) the date and amount of prepayment, (y) the Tranche or Tranches of Term Loans that such prepayment is in respect of and (z) whether the prepayment is of SOFR Loans or ABR Loans; provided, that if a SOFR Loan is prepaid on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.21. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof. If any such notice is given, the amount specified in such notice shall be due and payable on the date specified therein (provided, that any such notice may state that such notice is conditioned upon the occurrence or non-occurrence of any transaction or the receipt of proceeds to be used for such payment, in each case specified therein (including the effectiveness of other credit facilities), in which case such notice may be revoked by the Borrower (by written notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied), together with accrued interest to such date on the amount prepaid. Partial prepayments of Term Loans shall be in an aggregate principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof, and in each case shall be subject to the provisions of Section 2.18.

(b) In connection with any optional prepayments by the Borrower of the Term Loans pursuant to Section 2.11(a), such prepayment shall be applied to the then outstanding Tranches of Term Loans being prepaid on a pro rata basis.

2.12 Mandatory Prepayments.

(a) If any Indebtedness (excluding any Indebtedness permitted to be incurred in accordance with Section 7.2) shall be incurred by the Borrower or any Subsidiary, an amount equal to 100% of the Net Cash Proceeds thereof shall be applied not later than one Business Day after the date of receipt of such Net Cash Proceeds toward the prepayment of the Term Loans as set forth in Section 2.12(e).

(b) If on any date the Borrower or any Subsidiary shall for its own account receive Net Cash Proceeds from any Asset Sale or Recovery Event (except to the extent such Asset Sale or Recovery Event, as applicable, relates to any ABL Facility First Priority Collateral so long as such ABL Facility First Priority Collateral secures the ABL Facility), then, unless a Reinvestment Notice shall be delivered to the Administrative Agent in respect thereof, such Net Cash Proceeds shall be applied not later than 10 Business Days after such date toward the prepayment of the Term Loans as set forth in Section 2.12(e); provided, that, notwithstanding the foregoing, (i) no Reinvestment Notice may be submitted with respect to any Net Cash Proceeds from any Asset Sale or Recovery Event with respect to Property of any BrandCo Entity or any Capital Stock of any BrandCo, (ii) in the event any Asset Sale giving rise to any such Reinvestment Notice consisted solely of Collateral, all of such Net Cash Proceeds shall be applied to acquire property or make investments used or useful in a Permitted Business constituting Collateral, (iii) no Reinvestment Notice may be submitted with respect to Net Cash Proceeds in excess of $100,000,000 in the aggregate during the term of this Agreement, (iv) if a Reinvestment Notice has been delivered to the Administrative Agent, the Term Loans shall be prepaid as set forth in Section 2.12(e) by an amount equal to the

Reinvestment Prepayment Amount with respect to the relevant Reinvestment Event on the applicable Reinvestment Prepayment Date and (v) on the date (the "Trigger Date") that is six months after any such Reinvestment Prepayment Date, the Term Loans shall be prepaid as set forth in Section 2.12(e) by an amount equal to the portion of any Committed Reinvestment Amount with respect to the relevant Reinvestment Event not actually expended by such Trigger Date.

(c) If, for any Excess Cash Flow Period, there shall be Excess Cash Flow, the Borrower shall, on the relevant Excess Cash Flow Application Date, apply an amount equal to (A) the Excess Cash Flow Application Amount, minus (B) the aggregate amount of all prepayments of ABL Loans during such Excess Cash Flow Period to the extent accompanied by permanent optional reductions of the applicable commitments, and all optional prepayments of Term Loans during such Excess Cash Flow Period (excluding any such optional prepayments during such Excess Cash Flow Period which the Borrower elected to apply to the calculation pursuant to this paragraph (c) in a prior Excess Cash Flow Period) and, at the option of the Borrower, optional prepayments of Term Loans after such Excess Cash Flow Period but prior to the time of the Excess Cash Flow Application Date, in each case other than to the extent any such prepayment is funded with the proceeds of long-term Indebtedness, toward the prepayment of Term Loans as set forth in Section 2.12(e), in each case of this clause (B), to the extent not deducted in accordance with clause (b)(iii) of the definition of "Excess Cash Flow". Each such prepayment shall be made on a date (an "Excess Cash Flow Application Date") no later than [ten] days after the date on which the financial statements referred to in Section 6.1(a), for the fiscal year with respect to which such prepayment is made, are required to be delivered to the Lenders.

(d) If, on any date, the Borrower or any Subsidiary shall for its own account receive any Extraordinary Receipts, then such Extraordinary Receipts shall be applied not later than ten Business Days after such date toward the prepayment of the Loans as set forth in Section 2.12(e).

(e) Amounts to be applied in connection with prepayments of Term Loans pursuant to this Section 2.12 shall, subject to the terms of each Intercreditor Agreement, be applied to the prepayment of the Term Loans in accordance with Section 2.18(b) until paid in full. In connection with any mandatory prepayments by the Borrower of the Term Loans pursuant to this Section 2.12, such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans and (to the extent required by the terms thereof) may be applied, along with such prepayments of Term Loans, to purchase, redeem or repay any other Indebtedness secured by the Collateral on a pari passu basis with the Liens securing the Obligations pursuant to one or more Other Intercreditor Agreements, pursuant to the agreements governing such other Indebtedness, on not more than a pro rata basis with respect to such prepayments of Term Loans. Each prepayment of the Term Loans under this Section 2.12 shall be accompanied by accrued interest to the date of such prepayment on the amount prepaid.

(f) Notwithstanding anything to the contrary in Section 2.12 or 2.18, with respect to the amount of any mandatory prepayment pursuant to Section 2.12(b), (c) or (d) (such amount, the "Term Prepayment Amount"), the Borrower may, in its sole discretion, in lieu of applying such amount to the prepayment of Term Loans as provided in paragraph (e) above, not later than 12:00 p.m. (New York City time) on the Business Day prior to the date specified in this Section 2.12 for such prepayment, give the Administrative Agent telephonic notice (promptly confirmed in writing) requesting that the Administrative Agent prepare and provide to each Lender (which, for avoidance of doubt, includes each Extending Lender) a notice (each, a "Prepayment Option Notice") as described below. As promptly as practicable after receiving such notice from the Borrower, the Administrative Agent will send to each Lender a Prepayment Option Notice, which shall be in the form of Exhibit I (or such other form approved by the Administrative Agent and the Borrower), and shall include an offer by the Borrower to prepay, on the date (each a "Mandatory Prepayment Date") that is [ten] Business Days after the date of the Prepayment Option Notice, the Term Loans of such Lender by an amount equal to the portion of the Term Prepayment Amount

indicated in such Lender's Prepayment Option Notice as being applicable to such Lender's Term Loans. Each Lender may reject all or a portion of its Term Prepayment Amount by providing written notice to the Administrative Agent and the Borrower no later than 5:00 p.m. (New York City time) five Business Days after such Lender's receipt of the Prepayment Option Notice (which notice shall specify the principal amount of the Term Prepayment Amount to be rejected by such Lender) (such rejected amounts collectively, the "Declined Amount"); provided, that any Lender's failure to so reject such Term Prepayment Amount shall be deemed an acceptance by such Lender of such Prepayment Option Notice and the amount to be prepaid in respect of Term Loans held by such Lender (each such Lender, an "Accepting Lender"). On the Mandatory Prepayment Date, the Borrower shall pay to the Accepting Lenders (A) the aggregate amount necessary to prepay that portion of the outstanding Term Loans in respect of which such Accepting Lenders have (or are deemed to have) accepted prepayment as described above and (B) concurrently with the prepayment described in the preceding clause (A), the Declined Amount on a pro rata basis among such Accepting Lenders. To the extent that any Accepting Lender rejects all or any portion of its pro rata share of such Declined Amount, any such Declined Amount so rejected may be used by the Borrower for any purpose not prohibited by this Agreement.

(g) [Reserved].

(h) Notwithstanding any other provisions of this Section 2.12, (A) to the extent that any or all of the Net Cash Proceeds of any Asset Sale by a Foreign Subsidiary(a "Foreign Asset Sale") or the Net Cash Proceeds of any Recovery Event with respect to a Foreign Subsidiary (a "Foreign Recovery Event"), in each case giving rise to a prepayment event pursuant to Section 2.12(b) or (d), or Excess Cash Flow derived from a Foreign Subsidiary giving rise to a prepayment event pursuant to Section 2.12(c), are or is prohibited, restricted or delayed by applicable local law from being repatriated to the United States, the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.12 but may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable local law will not permit or restricts repatriation to the United States (the Borrower hereby agreeing to use commercially reasonable efforts to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than five Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof including, without duplication, any repatriation costs associated with repatriation of such proceeds from the applicable recipient to the Borrower) to the repayment of the Term Loans in accordance with this Section 2.12 and (B) to the extent that the Borrower has determined in good faith that repatriation of any or all of the Net Cash Proceeds of any Foreign Asset Sale or any Foreign Recovery Event or any Excess Cash Flow derived from a Foreign Subsidiary could reasonably be expected to result in a material adverse tax consequence (taking into account any foreign tax credit or benefit, in the Borrower's reasonable judgment, expected to be realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary, provided, that, in the case of this clause (B), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.12 (or fifteen months after the date such Excess Cash Flow would have been so required to be applied if it were Net Cash Proceeds), (x) the Borrower shall apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds

or Excess Cash Flow shall be applied to the repayment of Indebtedness of a Foreign Subsidiary, in each case, other than as mutually agreed by the Borrower and the Administrative Agent.

2.13 Conversion and Continuation Options.

(a) The Borrower may elect from time to time to convert SOFR Loans made to the Borrower to ABR Loans by giving the Administrative Agent prior irrevocable written notice of such election no later than 12:00 Noon, New York City time, on the Business Day preceding the proposed conversion date; provided, that if any such SOFR Loan is so converted on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.21. The Borrower may elect from time to time to convert ABR Loans made to the Borrower to SOFR Loans by giving the Administrative Agent prior irrevocable written notice of such election no later than 12:00 Noon, New York City time, on the third Business Day preceding the proposed conversion date (which notice shall specify the length of the initial Interest Period therefor); provided, that no such ABR Loan under a particular Facility may be converted into a SOFR Loan when any Event of Default has occurred and is continuing and the Administrative Agent or the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such conversions. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

(b) Any SOFR Loan may be continued as such by the Borrower giving irrevocable written notice to the Administrative Agent, in accordance with the applicable provisions of the term "Interest Period" set forth in Section 1.1 and no later than 12:00 Noon, New York City time, on the third Business Day preceding the proposed continuation date, of the length of the next Interest Period to be applicable to such Loans; provided, that if any such SOFR Loan is so continued on any day other than the last day of the Interest Period applicable thereto, the Borrower shall also pay any amounts owing pursuant to Section 2.21; provided, further, that no such SOFR Loan under a particular Facility may be continued as such when any Event of Default has occurred and is continuing and the Administrative Agent has or the Majority Facility Lenders in respect of such Facility have determined in its or their sole discretion not to permit such continuations; provided, further, that (i) if the Borrower shall fail to give any required notice as described above in this paragraph such SOFR Loans shall be automatically continued as SOFR Loans having an Interest Period of one month's duration on the last day of such then-expiring Interest Period and (ii) if such continuation is not permitted pursuant to the preceding proviso, such SOFR Loans shall be automatically converted to ABR Loans on the last day of such then expiring Interest Period; provided, further, that if the Borrower wishes to, and is otherwise permitted to, request SOFR Loans having an Interest Period other than one, three or six months in duration as provided in the definition of "Interest Period," the applicable notice must be received by the Administrative Agent not later than 11:00 a.m. four Business Days prior to the requested date of such Borrowing, conversion or continuation, whereupon the Administrative Agent shall give prompt notice to the appropriate Lenders of such request and determine whether the requested Interest Period is acceptable to all of them. Not later than 11:00 a.m., three Business Days before the requested date of such Borrowing, conversion or continuation, the Administrative Agent shall notify the Borrower (which notice may be by telephone) whether or not the requested Interest Period has been consented to by all the Lenders. Upon receipt of any such notice the Administrative Agent shall promptly notify each relevant Lender thereof.

2.14 Minimum Amounts and Maximum Number of SOFR Tranches. Notwithstanding anything to the contrary in this Agreement, all borrowings, conversions, continuations and optional prepayments of SOFR Loans and all selections of Interest Periods shall be in such amounts and be made pursuant to such elections so that no more than six SOFR Tranches shall be outstanding at any one time.

2.15 Interest Rates and Payment Dates.

(a) Each SOFR Loan shall bear interest for each day during each Interest Period with respect thereto at a rate per annum equal to the Adjusted Term SOFR Rate determined for such day plus the Applicable Margin.

(b) Each ABR Loan shall bear interest at a rate per annum equal to the ABR plus the Applicable Margin.

(c) [Reserved].

(d) If all or a portion of the principal amount of any Loan, interest payable on any Loan or other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall automatically bear interest at a rate per annum equal to the rate applicable to SOFR Loans with an Interest Period of one month plus 2.00% from the date of such nonpayment until such amount is paid in full (after as well as before judgment); provided, that no amount shall accrue or be payable pursuant to this Section 2.15(d) to a Defaulting Lender so long as such Lender shall be a Defaulting Lender. Such interest shall be payable in cash by the Borrower from time to time on demand.

2.16 Computation of Interest and Fees.

(a) Interest and fees payable pursuant hereto shall be calculated on the basis of a 360-day year for the actual days elapsed, except that interest on ABR Loans (except for ABR computations in respect of clause (c) of the definition thereof) shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of each determination of the Adjusted Term SOFR Rate. The Administrative Agent shall as soon as practicable notify the Borrower and the relevant Lenders of the effective date and the amount of each such change in interest rate.

(b) Each determination of an interest rate by the Administrative Agent pursuant to any provision of this Agreement shall be presumptively correct in the absence of demonstrable error. The Administrative Agent shall, at the request of the Borrower, deliver to the Borrower a statement showing the quotations used by the Administrative Agent in determining any interest rate pursuant to Section 2.15(a) and Section 2.15(b).

2.17 Inability to Determine Rates; Benchmark Replacement Setting.

(a) Subject to clauses (b) through (f) of this Section 2.17, if, on or prior to the first day of any Interest Period for any SOFR Loan, (i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the "Adjusted Term SOFR Rate" cannot be determined pursuant to the definition thereof, or (ii) the Required Lenders determine that for any reason in connection with any request for a SOFR Loan or a conversion thereto or a continuation thereof that the Adjusted Term SOFR Rate for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of making and maintaining such Loan, and the Required Lenders have provided notice of such determination to the Administrative Agent, then, in each case, the Administrative Agent will promptly so notify the Borrower and each Lender. Upon notice thereof by the Administrative Agent to the Borrower, any obligation of the Lenders to make SOFR Loans, and any right of the Borrower to continue SOFR Loans or to convert ABR Loans to SOFR Loans, shall be suspended (to the extent of the affected SOFR Loans or affected Interest Periods) until the Administrative Agent (with respect to clause (ii), at the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (A) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans or affected Interest Periods) or, failing that, the

Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans in the amount specified therein and (B) any outstanding affected SOFR Loans will be deemed to have been converted into ABR Loans at the end of the applicable Interest Period. Upon any such conversion, the Borrower shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 2.21. Subject to clauses (b) through (f) of this Section 2.17, if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that the "Adjusted Term SOFR Rate" cannot be determined pursuant to the definition thereof on any given day, the interest rate on ABR Loans shall be determined by the Administrative Agent without reference to clause (c) of the definition of "ABR" until the Administrative Agent revokes such determination.

(b) Benchmark Replacement. Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5^{th}) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a quarterly basis.

(c) Benchmark Replacement Conforming Changes. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.17(e) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.17, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.17.

(e) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR

Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

2.18 Pro Rata Treatment and Payments.

(a) Except as expressly otherwise provided herein (including as expressly provided in Sections 2.12, 2.19, 2.20, 2.21, 2.22, 2.24, 2.26, 2.27, 10.5, 10.6 and 10.7), each payment (other than prepayments) in respect of principal or interest in respect of any Tranche of Term Loans and each payment in respect of fees payable hereunder with respect to the Term Loans of such Tranche shall be applied to the amounts of such obligations owing to the Lenders of such Tranche, pro rata according to the respective amounts then due and owing to such Lenders.

(b) Each mandatory prepayment of the Term Loans shall be allocated among the Tranches of Term Loans then outstanding pro rata, in each case except as affected by the opt-out provision under Section 2.12(f)[; provided, that at the request of the Borrower, in lieu of such application to the Term Loans on a pro rata basis among all Tranches of Term Loans, such prepayment may be applied to any Tranche of Term Loans so long as the maturity date of such Tranche of Term Loans precedes the maturity date of each other Tranche of Term Loans then outstanding or, in the event more than one Tranche of Term Loans shall have an identical maturity date that precedes the maturity date of each other Tranche of Term Loans then outstanding, to such Tranches on a pro rata basis; provided, further, that in connection with a mandatory prepayment under Section 2.12(a) in connection with the incurrence of Permitted Refinancing Obligations, such prepayment shall be allocated to the Tranches of the applicable Refinanced Debt (but to the Loans within such Tranches on a pro rata basis). Each optional prepayment of the Term Loans shall be applied to the remaining installments of each outstanding Tranche of Term Loans on a pro rata basis as specified by the Borrower (and absent such specification, in direct order of maturity). Each mandatory prepayment of the Term Loans shall be applied to the remaining installments of each outstanding Tranche of Term Loans on a pro rata basis in direct order of maturity. Amounts repaid or prepaid on account of the Term Loans may not be reborrowed.

(c) [Reserved].

(d) All payments (including prepayments) to be made by the Borrower hereunder, whether on account of principal, interest, fees, the Applicable Premium or otherwise, shall be made without setoff, deduction or counterclaim and shall be made prior to 3:00 p.m., New York City time, on the due date thereof to the Administrative Agent, for the account of the relevant Lenders, at the Funding Office, in immediately available funds. Any payment received by the Administrative Agent after 3:00 p.m., New York City time may be considered received on the next Business Day in the Administrative Agent's sole discretion. The Administrative Agent shall distribute such payments to the relevant Lenders promptly upon receipt in like funds as received. If any payment hereunder (other than payments on the SOFR Loans) becomes due and payable on a day other than a Business Day, such payment shall be extended to the next succeeding Business Day. If any payment on a SOFR Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any extension of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate during such extension.

(e) Unless the Administrative Agent shall have been notified in writing by any Lender prior to a borrowing that such Lender will not make the amount that would constitute its share of such borrowing available to the Administrative Agent, the Administrative Agent may assume that such Lender is making such amount available to the Administrative Agent, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower a corresponding amount. If such amount is not made available to the Administrative Agent by the required time on the Borrowing Date therefor, such Lender shall pay to the Administrative Agent on demand, such amount with interest thereon, at a rate equal to the greater of (i) the Federal Funds Effective Rate and (ii) a rate reasonably determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, for the period until such Lender makes such amount immediately available to the Administrative Agent. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this paragraph shall be presumptively correct in the absence of demonstrable error. If such Lender's share of such borrowing is not made available to the Administrative Agent by such Lender within three Business Days after such Borrowing Date, the Administrative Agent shall give notice of such fact to the Borrower and the Administrative Agent shall also be entitled to recover such amount with interest thereon at the rate per annum applicable to SOFR Loans with an Interest Period of one month, on demand, from the Borrower. Nothing herein shall be deemed to limit the rights of the Administrative Agent or the Borrower against any Defaulting Lender.

(f) Unless the Administrative Agent shall have been notified in writing by the Borrower prior to the date of any payment due to be made by the Borrower hereunder that the Borrower will not make such payment to the Administrative Agent, the Administrative Agent may assume that the Borrower is making such payment, and the Administrative Agent may, but shall not be required to, in reliance upon such assumption, make available to the relevant Lenders their respective pro rata shares of a corresponding amount. If such payment is not made to the Administrative Agent by the Borrower within three Business Days after such due date, the Administrative Agent shall be entitled to recover, on demand, from each relevant Lender to which any amount which was made available pursuant to the preceding sentence, such amount with interest thereon at the rate per annum equal to the daily average Federal Funds Effective Rate. Nothing herein shall be deemed to limit the rights of the Administrative Agent or any Lender against the Borrower.

2.19 Requirements of Law.

(a) Except with respect to Indemnified Taxes, Excluded Taxes and Other Taxes, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof or

compliance by any Lender with any request or directive (whether or not having the force of law) from any central bank or other Governmental Authority first made, in each case, subsequent to the Closing Date:

(i) shall impose, modify or hold applicable any reserve, special deposit, compulsory loan or similar requirement against assets held by, deposits or other liabilities in or for the account of, advances, loans or other extensions of credit by, or any other acquisition of funds by any office of such Lender that is not otherwise included in the determination of the Adjusted Term SOFR Rate hereunder;

(ii) shall subject any Recipient to any Taxes on its loans, loan principal, letters of credit, commitments, or other obligations or its deposits, reserves, other liability or capital attributable thereto; or

(iii) shall impose on such Lender any other condition not otherwise contemplated hereunder;

and the result of any of the foregoing is to increase the cost to such Lender or other Recipient, by an amount which such Lender or other Recipient reasonably deems to be material, of making, converting into, continuing or maintaining SOFR Loans (in each case hereunder), or to reduce any amount receivable hereunder in respect thereof, then, in any such case, the Borrower shall promptly pay such Lender, in Dollars, within thirty Business Days after the Borrower's receipt of a reasonably detailed invoice therefor (showing with reasonable detail the calculations thereof), any additional amounts necessary to compensate such Lender for such increased cost or reduced amount receivable. If any Lender becomes entitled to claim any additional amounts pursuant to this Section 2.19, it shall promptly notify the Borrower (with a copy to the Administrative Agent) of the event by reason of which it has become so entitled.

(b) If any Lender shall have reasonably determined that the adoption of or any change in any Requirement of Law regarding capital adequacy or liquidity requirements or in the interpretation or application thereof or compliance by such Lender or any entity controlling such Lender with any request or directive regarding capital adequacy or liquidity requirements (whether or not having the force of law) from any Governmental Authority first made, in each case, subsequent to the Closing Date shall have the effect of reducing the rate of return on such Lender's or such entity's capital as a consequence of its obligations hereunder to a level below that which such Lender or such entity could have achieved but for such adoption, change or compliance (taking into consideration such Lender's or such entity's policies with respect to capital adequacy or liquidity requirements) by an amount deemed by such Lender to be material, then from time to time, after submission by such Lender to the Borrower (with a copy to the Administrative Agent) of a reasonably detailed written request therefor (consistent with the detail provided by such Lender to similarly situated borrowers), the Borrower shall pay to such Lender, in Dollars, such additional amount or amounts as will compensate such Lender or such entity for such reduction.

(c) A certificate prepared in good faith as to any additional amounts payable pursuant to this Section 2.19 submitted by any Lender to the Borrower (with a copy to the Administrative Agent) shall be presumptively correct in the absence of demonstrable error. Notwithstanding anything to the contrary in this Section 2.19, the Borrower shall not be required to compensate a Lender pursuant to this Section 2.19 for any amounts incurred more than 180 days prior to the date that such Lender notifies the Borrower of such Lender's intention to claim compensation therefor; provided, that if the circumstances giving rise to such claim have a retroactive effect, then such 180-day period shall be extended to include the period of such retroactive effect. The obligations of the Borrower pursuant to this Section 2.19 shall survive the termination of this Agreement and the payment of the Obligations. Notwithstanding the foregoing, the Borrower shall not be obligated to make payment to any Lender with respect to penalties,

interest and expenses if written demand therefor was not made by such Lender within 180 days from the date on which such Lender makes payment for such penalties, interest and expenses.

(d) Notwithstanding anything in this Section 2.19 to the contrary, solely for purposes of this Section 2.19, (i) the Dodd Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, regulations, guidelines and directives promulgated thereunder or issued in connection therewith and (ii) all requests, rules, guidelines, requirements and directives promulgated by the Bank for International Settlements, the Basel Committee on Banking Supervision (or any successor or similar authority) or the United States or foreign regulatory authorities, in each case pursuant to Basel III, shall, in each case, be deemed to have been enacted, adopted or issued, as applicable, subsequent to the Closing Date.

2.20 Taxes.

(a) Except as otherwise provided in this Agreement or as required by law, all payments made by or on account of the Borrower or any Loan Party under this Agreement and the other Loan Documents to any Recipient under this Agreement shall be made free and clear of, and without deduction or withholding for or on account of, any Taxes. If applicable law requires withholding or deduction of any Tax from any such payment, the Borrower, any other Loan Party or other withholding agent shall make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law. If any Indemnified Taxes or Other Taxes are required to be deducted or withheld from any such payments, the amounts so payable to the applicable Recipient shall be increased to the extent necessary so that after deduction or withholding of such Indemnified Taxes and Other Taxes (including Indemnified Taxes or Other Taxes attributable to amounts payable under this Section 2.20(a)) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(b) In addition, the Borrower or any Loan Party under this Agreement and the other Loan Documents shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Whenever any Taxes are payable by the Borrower or any Loan Party under this Agreement or the other Loan Documents, as promptly as possible thereafter the Borrower shall send to the Administrative Agent for the account of the Administrative Agent or Lender, as the case may be, a certified copy of an original official receipt received by the Borrower or Loan Party showing payment thereof if such receipt is obtainable, or, if not, such other evidence of payment as may reasonably be required by the Administrative Agent or such Lender.

(d) The Borrower shall indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes or Other Taxes, including any amounts payable pursuant to this Section 2.20, payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any incremental Taxes and reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability prepared in good faith and delivered to the Borrower by a Recipient (with a copy to the Administrative Agent if applicable) shall be conclusive absent manifest error.

(e) Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) (a "Non-US Lender") shall deliver to the Borrower and the Administrative Agent (or, in the case of a Participant, to the Lender from which the related participation shall have been purchased) (A) (i) two accurate and complete copies of IRS Form W-8ECI, W-8BEN or W-8BEN-E, as applicable, (ii) in the case of a Non-US Lender claiming exemption from U.S. federal withholding tax under

Section 871(h) or 881(c) of the Code with respect to payments of "portfolio interest", a statement substantially in the form of Exhibit F and two accurate and complete copies of IRS Form W-8BEN or W-8BEN-E, or any subsequent versions or successors to such forms, in each case properly completed and duly executed by such Non-US Lender claiming complete exemption from, or reduced rate of, U.S. federal withholding tax on all payments by the Borrower or any Loan Party under this Agreement and the other Loan Documents, or (iii) IRS Form W-8IMY (or any applicable successor form) and all necessary attachments (including the forms described in clauses (i) and (ii) above, provided that if the Non-US Lender is a partnership, and one or more of the partners is claiming portfolio interest treatment, the certificate in the form of Exhibit F may be provided by such Non-US Lender on behalf of such partners) and (B) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made. Such forms shall be delivered by each Non-US Lender on or about the date it becomes a party to this Agreement (or, in the case of any Participant, on or about the date such Participant purchases the related participation). In addition, each Non-US Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Non-US Lender, and from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent. Each Non-US Lender shall promptly notify the Borrower and the Administrative Agent at any time it determines that it is no longer in a position to provide any previously delivered certificate to the Borrower and the Administrative Agent (or any other form of certification adopted by the United States taxing authorities for such purpose). Notwithstanding any other provision of this paragraph, a Non-US Lender shall not be required to deliver any form pursuant to this paragraph that such Non-US Lender is not legally able to deliver provided that it shall promptly notify the Borrower and the Administrative Agent in writing of such inability.

(f) [reserved]

(g) Each Lender that is a United States person (as such term is defined in Section 7701(a)(30) of the Code) (a "US Lender") shall deliver to the Borrower and the Administrative Agent two accurate and complete copies of IRS Form W-9, or any subsequent versions or successors to such form and certify that such Lender is not subject to backup withholding. Such forms shall be delivered by each US Lender on or about the date it becomes a party to this Agreement. In addition, each US Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such US Lender, and from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent. Each US Lender shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide any previously delivered certifications to the Borrower (or any other form of certification adopted by the United States taxing authorities for such purpose).

(h) If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified pursuant to this Section 2.20 (including by the payment of additional amounts pursuant to this Section 2.20), it shall promptly pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid under this Section 2.20 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such Recipient and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided, that such indemnifying party, upon the request of such Recipient, agrees to repay the amount paid over to the indemnifying party (plus any penalties, interest or other charges imposed by the relevant Governmental Authority other than any such penalties, interest or other charges resulting from the gross negligence or willful misconduct of the relevant Recipient (as determined by a final and non-appealable judgment of a court of competent jurisdiction)) to such Recipient in the event such Recipient is required to repay such refund to such Governmental Authority; provided, further, that such

Recipient shall, at the indemnifying party's request, provide a copy of any notice of assessment or other evidence of the requirement to pay such refund received from the relevant Governmental Authority (provided that the Recipient may delete any information therein that it deems confidential). This paragraph shall not be construed to require any Recipient to make available its tax returns (or any other information relating to its taxes which it deems confidential) to the Borrower or any other Person. In no event will any Recipient be required to pay any amount to an indemnifying party the payment of which would place such Recipient in a less favorable net after-Tax position than such Recipient would have been in if the indemnification payments or additional amounts giving rise to such refund of any Indemnified Taxes or Other Taxes had never been paid.

(i) [reserved]

(j) If a payment made to a Lender under any Loan Document would be subject to withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or Administrative Agent as may be necessary for the Borrower and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 2.20(j), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(k) To the extent required by any applicable laws, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting the provisions of this Section 2.20, each Lender shall severally indemnify the Administrative Agent, within 10 days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that any Loan Party has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 10.6(c)(iii) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (k).

(l) The agreements in this Section 2.20 shall survive the termination of this Agreement and payment of the Loans and all other amounts payable under any Loan Document, the resignation of the Administrative Agent and any assignment of rights by, or replacement of, any Lender.

(m) For purposes of this Section 2.20, for the avoidance of doubt, applicable law includes FATCA.

2.21 Indemnity. Other than with respect to Taxes, which shall be governed solely by Section 2.20, the Borrower agrees to indemnify each Lender for, and to hold each Lender harmless from,

any loss or expense (other than lost profits, including the loss of the interest rate margin) that such Lender actually sustains or incurs as a consequence of (a) any failure by the Borrower in making a borrowing of, conversion into or continuation of SOFR Loans after the Borrower has given notice requesting the same in accordance with the provisions of this Agreement, (b) any failure by the Borrower in making any prepayment of or conversion from SOFR Loans after the Borrower has given a notice thereof in accordance with the provisions of this Agreement or (c) the making of a prepayment, conversion or continuation of SOFR Loans on a day that is not the last day of an Interest Period with respect thereto. A reasonably detailed certificate as to (showing in reasonable detail the calculation of) any amounts payable pursuant to this Section 2.21 submitted to the Borrower by any Lender shall be presumptively correct in the absence of demonstrable error. This covenant shall survive the termination of this Agreement and the payment of the Obligations.

2.22 Illegality. Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof, in each case, first made after the Closing Date, shall make it unlawful for any Lender to make or maintain SOFR Loans as contemplated by this Agreement, such Lender shall promptly give notice thereof to the Administrative Agent and the Borrower, and (a) the commitment of such Lender hereunder to make SOFR Loans, continue SOFR Loans as such and convert ABR Loans to SOFR Loans shall be suspended during the period of such illegality and (b) such Lender's Loans then outstanding as SOFR Loans, if any, shall be converted automatically to ABR Loans on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a SOFR Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrower shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.21.

2.23 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to payments of additional amounts pursuant to of Section 2.19, 2.20(a) or 2.22 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) that would, in the Lender's judgment, avoid or minimize any amounts payable pursuant to such Sections (including by designating another lending office for any Loans affected by such event with the object of avoiding the consequences of such event); provided, that such designation is made on terms that, in the good faith judgment of such Lender, cause such Lender and its lending office(s) to suffer no economic, legal or regulatory disadvantage or unreimbursed cost or expense; provided, further, that nothing in this Section 2.23 shall affect or postpone any of the obligations of the Borrower or the rights of any Lender pursuant to Section 2.19, 2.20(a) or 2.22. The Borrower hereby agrees to pay all reasonable costs and expenses incurred by any Lender in connection with such designation or assignment.

2.24 Replacement of Lenders. The Borrower shall be permitted to (a) replace with a financial entity or financial entities or (b) prepay or terminate the Loans or Commitments, as applicable, of any Lender (each such Lender, a "Replaced Lender") that (i) requests reimbursement for amounts owing or otherwise results in increased costs imposed on the Borrower or on account of which the Borrower is required to pay additional amounts to any Governmental Authority, in each case, pursuant to Section 2.19, 2.20 or 2.21 (to the extent a request made by a Lender pursuant to the operation of Section 2.21 is materially greater than requests made by other Lenders) or gives a notice of illegality pursuant to Section 2.22, (ii) is a Disqualified Institution or a Defaulting Lender, or (iii) has refused to consent to any waiver or amendment with respect to any Loan Document that requires such Lender's consent and has been consented to by the Required Lenders; provided, that:

(a) such replacement does not conflict with any Requirement of Law;

(b) the replacement financial entity or financial entities shall purchase, at par, all Loans and other amounts owing to such Replaced Lender on or prior to the date of replacement;

(c) the Borrower shall be liable to such Replaced Lender under Section 2.21 (as though Section 2.21 were applicable) if any SOFR Loan owing to such Replaced Lender shall be purchased other than on the last day of the Interest Period relating thereto;

(d) the replacement financial entity or financial entities, (x) if not already a Lender, shall be reasonably satisfactory to the Administrative Agent to the extent that an assignment to such replacement financial institution of the rights and obligations being acquired by it would otherwise require the consent of the Administrative Agent pursuant to Section 10.6(b)(i)(2) and (y) shall pay (unless otherwise paid by the Borrower) any processing and recordation fee required under Section 10.6(b)(ii)(2);

(e) the Administrative Agent and any replacement financial entity or entities shall execute and deliver, and such Replaced Lender shall thereupon be deemed to have executed and delivered, an appropriately completed Assignment and Assumption to effect such substitution;

(f) the Borrower shall pay all additional amounts (if any) required pursuant to Section 2.19 or 2.20, as the case may be, in respect of any period prior to the date on which such replacement shall be consummated;

(g) in respect of a replacement pursuant to clause (iii) above, the replacement financial entity or financial entities shall consent to such amendment or waiver;

(h) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the Replaced Lender;

(i) if such replacement, prepayment or termination is in connection with a waiver or amendment with respect to any Loan Document prior to the second anniversary of the Closing Date, the Borrower or the replacement Lender shall pay the Replaced Lender a fee equal to the Applicable Premium of the aggregate principal amount of its Term Loans required to be assigned, prepaid or terminated pursuant to this Section 2.24, calculated as if such amount was being prepaid under Section 2.11; and

(j) in the case of any such replacement resulting from a requirement that the Borrower pay additional amounts pursuant to Section 2.20 or 2.21, such replacement will result in a reduction in such payments thereafter.

Prepayments pursuant to this Section 2.24 (i) shall be accompanied by accrued and unpaid interest on the principal amount so prepaid up to the date of such prepayment and (ii) shall not be subject to the provisions of Section 2.18. In connection with any such replacement under this Section 2.24, if the Replaced Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and Assumption and/or any other documentation necessary to reflect such replacement by the later of (a) the date on which the replacement Lender executes and delivers such Assignment and Assumption and/or such other documentation and (b) the date as of which all obligations of the Borrower owing to the Replaced Lender relating to the Loans and participations so assigned shall be paid in full to such Replaced Lender, then such Replaced Lender shall be deemed to have executed and delivered such Assignment and Assumption and/or such other documentation as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption and/or such other documentation on behalf of such Replaced Lender, and the Administrative Agent shall record such assignment in the Register.

2.25 [Reserved].

2.26 Extension of Term Loans.

(a) The Borrower may at any time and from time to time request that all or a portion of the Term Loans of one or more Tranches existing at the time of such request (each, an "Existing Tranche", and the Term Loans of such Tranche, the "Existing Loans") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of any Existing Tranche (any such Existing Tranche which has been so extended, an "Extended Tranche"; and the Term Loans of such Extended Tranches, the "Extended Loans") and to provide for other terms consistent with this Section 2.26; provided, that (i) any such request shall be made by the Borrower to all Lenders with Term Loans with a like maturity date (whether under one or more Tranches) on a pro rata basis (based on the aggregate outstanding principal amount of the applicable Term Loans) and (ii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower in its sole discretion. In order to establish any Extended Tranche, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Tranche) (an "Extension Request") setting forth the proposed terms of the Extended Tranche to be established, which terms shall be substantially similar to those applicable to the Existing Tranche from which they are to be extended (the "Specified Existing Tranche"), except (x) all or any of the final maturity or termination dates of such Extended Tranches may be delayed to later dates than the final maturity or termination dates of the Specified Existing Tranche, (y)(A) the interest margins with respect to the Extended Tranche may be higher or lower than the interest margins for the Specified Existing Tranche and/or (B) additional fees may be payable to the Lenders providing such Extended Tranche in addition to or in lieu of any increased margins contemplated by the preceding clause (A) and/or (C) prepayment premiums may be different and (z) in the case of an Extended Tranche, so long as the Weighted Average Life to Maturity of such Extended Tranche would be no shorter than the remaining Weighted Average Life to Maturity of the Specified Existing Tranche, amortization rates with respect to the Extended Tranche may be higher or lower than the amortization rates for the Specified Existing Tranche, in each case to the extent provided in the applicable Extension Amendment; provided, that, notwithstanding anything to the contrary in this Section 2.26 or otherwise, assignments and participations of Extended Tranches shall be governed by the same or, at the Borrower's discretion, more restrictive assignment and participation provisions applicable to Term Loans set forth in Section 10.6. No Lender shall have any obligation to agree to have any of its Existing Loans converted into an Extended Tranche pursuant to any Extension Request. Any Extended Tranche shall constitute a separate Tranche of Loans from the Specified Existing Tranches and from any other Existing Tranches (and any other Extended Tranches so established on such date).

(b) The Borrower shall provide the applicable Extension Request at least 10 Business Days (or such shorter period as the Administrative Agent may agree to) prior to the date on which Lenders under the applicable Existing Tranche or Existing Tranches are requested to respond. Any Lender (an "Extending Lender") wishing to have all or a portion of its Specified Existing Tranche converted into an Extended Tranche shall notify the Administrative Agent (each, an "Extension Election") on or prior to the date specified in such Extension Request of the amount of its Specified Existing Tranche that it has elected to convert into an Extended Tranche. In the event that the aggregate amount of the Specified Existing Tranche subject to Extension Elections exceeds the amount of Extended Tranches requested pursuant to the Extension Request, the Specified Existing Tranches subject to Extension Elections shall be converted to Extended Tranches on a pro rata basis based on the amount of Specified Existing Tranches included in each such Extension Election. In connection with any extension of Loans pursuant to this Section 2.26 (each, an "Extension"), the Borrower shall agree to such procedures regarding timing, rounding and other administrative adjustments to ensure reasonable administrative management of the credit facilities hereunder after such Extension, as may be established by, or acceptable to, the Administrative Agent and the Borrower, in each case acting reasonably to accomplish the purposes of this Section 2.26.

(c) Extended Tranches shall be established pursuant to an amendment (an "Extension Amendment") to this Agreement (which may include amendments to provisions related to maturity, interest margins, prepayment premiums or fees referenced in clauses (x) and (y) of Section 2.26(a), or, in the case

of Extended Tranches, amortization rates referenced in clause (z) of Section 2.26(a), and which, in each case, except to the extent expressly contemplated by the last sentence of this Section 2.26(c) and notwithstanding anything to the contrary set forth in Section 10.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Tranches established thereby) executed by the Loan Parties, the Administrative Agent, and the Extending Lenders. Subject to the requirements of this Section 2.26 and without limiting the generality or applicability of Section 10.1 to any Section 2.26 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "Section 2.26 Additional Amendment") to this Agreement and the other Loan Documents; provided, that such Section 2.26 Additional Amendments do not become effective prior to the time that such Section 2.26 Additional Amendments have been consented to (including pursuant to consents applicable to holders of any Extended Tranches provided for in any Extension Amendment) by such of the Lenders, Loan Parties and other parties (if any) as may be required in order for such Section 2.26 Additional Amendments to become effective in accordance with Section 10.1; provided, further, that no Extension Amendment may provide for (i) any Extended Tranche to be secured by any Collateral or other assets of any Loan Party that does not also secure the Existing Tranches or be guaranteed by any Person other than the Guarantors and (ii) so long as any Existing Tranches are outstanding, any mandatory or voluntary prepayment provisions that do not also apply to the Existing Tranches (other than Existing Tranches (as in effect prior to the applicable Extension Amendment) secured on a junior basis by the Collateral or ranking junior in right of payment, which shall be subject to junior prepayment provisions) on at least a pro rata basis (nor otherwise provide for more favorable prepayment treatment for Extending Tranches than such Existing Tranches as contemplated by Section 2.12). Notwithstanding anything to the contrary in Section 10.1, any such Extension Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the reasonable judgment of the Borrower and the Administrative Agent, to effect the provisions of this Section 2.26; provided, that the foregoing shall not constitute a consent on behalf of any Lender to the terms of any Section 2.26 Additional Amendment.

(d) Notwithstanding anything to the contrary contained in this Agreement, on any date on which any Existing Tranche is converted to extend the related scheduled maturity or termination date(s) in accordance with Section 2.26(a) above (an "Extension Date"), in the case of the Specified Existing Tranche of each Extending Lender, the aggregate principal amount of such Specified Existing Tranche shall be deemed reduced by an amount equal to the aggregate principal amount of the Extended Tranche so converted by such Lender on such date, and such Extended Tranches shall be established as a separate Tranche from the Specified Existing Tranche and from any other Existing Tranches (and any other Extended Tranches so established on such date).

(e) If, in connection with any proposed Extension Amendment, any Lender declines to consent to the applicable extension on the terms and by the deadline set forth in the applicable Extension Request (each such other Lender, a "Non-Extending Lender") then the Borrower may, on notice to the Administrative Agent and the Non-Extending Lender, replace such Non-Extending Lender by causing such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.6 (with the assignment fee and any other costs and expenses to be paid by the Borrower or the assignee in such instance) all of its rights and obligations under this Agreement to one or more assignees; provided, that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that the applicable assignee shall have agreed to provide Extended Loans on the terms set forth in such Extension Amendment; provided, further, that all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Loans so assigned (including pursuant to Section 2.21 (as though Section 2.21 were applicable) and any premiums payable pursuant to Section 2.10) shall be paid in full by the assignee Lender to such Non-Extending Lender concurrently with such Assignment and Assumption. In connection with any such replacement under this Section 2.26, if the Non-Extending Lender does not execute and deliver to the Administrative Agent a duly completed Assignment and

Assumption by the later of (A) the date on which the replacement Lender executes and delivers such Assignment and Assumption and (B) the date as of which all obligations of the Borrower owing to the Non-Extending Lender relating to the Existing Loans so assigned shall be paid in full to such Non-Extending Lender, then such Non-Extending Lender shall be deemed to have executed and delivered such Assignment and Assumption as of such date and the Borrower shall be entitled (but not obligated) to execute and deliver such Assignment and Assumption on behalf of such Non-Extending Lender.

(f) Following any Extension Date, with the written consent of the Borrower, any Non-Extending Lender may elect to have all or a portion of its Existing Loans deemed to be an Extended Loan under the applicable Extended Tranche on any date (each date a "Designation Date") prior to the maturity or termination date of such Extended Tranche; provided, that such Lender shall have provided written notice to the Borrower and the Administrative Agent at least 10 Business Days prior to such Designation Date (or such shorter period as the Administrative Agent may agree in its reasonable discretion); provided, further, that no greater amount shall be paid by or on behalf of the Borrower or any of its Affiliates to any such Non-Extending Lender as consideration for its extension into such Extended Tranche than was paid to any Extending Lender as consideration for its Extension into such Extended Tranche. Following a Designation Date, the Existing Loans held by such Lender so elected to be extended will be deemed to be Extended Loans of the applicable Extended Tranche, and any Existing Loans held by such Lender not elected to be extended, if any, shall continue to be "Existing Loans" of the applicable Tranche.

(g) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.26, (i) such Extensions shall not constitute optional or mandatory payments or prepayments for purposes of Sections 2.11 and 2.12 and (ii) no Extension Request is required to be in any minimum amount or any minimum increment, provided, that the Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Request in the Borrower's sole discretion and which may be waived by the Borrower) of Existing Loans of any or all applicable Tranches be extended. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.26 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Loans on such terms as may be set forth in the relevant Extension Request) and hereby waive the requirements of any provision of this Agreement (including Sections 2.8, 2.11 and 2.12) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.26.

2.27 Defaulting Lenders.

(a) Defaulting Lender Cure. If the Borrower and the Administrative Agent agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any cash collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held pro rata by the Lenders in accordance with the Commitments under the applicable Facility, whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

(b) Defaulting Lender Waterfall. Any payment of principal, interest or other amounts (other than the payment of default interest under Section 2.15(d), which in each case shall be applied

pursuant to the provisions of that Section) received by the Administrative Agent for the account of any Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section VIII or otherwise) shall be applied by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent pursuant to Section 9.7; *second*, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement; *third*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released in order to satisfy such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any final non-appealable judgment of a court of competent jurisdiction obtained by any Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *fifth*, so long as no Default exists, to the payment of any amounts owing to the Borrower as a result of any final non-appealable judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that if such payment is a payment of the principal amount of any Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, such payment shall be applied solely to pay the Loans of all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans are held by the Lenders pro rata in accordance with the Commitments under the applicable Facility. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to be held as security in a cash collateral account pursuant to this Section 2.27(b) shall be deemed paid to and redirected by such Defaulting Lender and shall satisfy the Borrower's payment obligation in respect thereof in full, and each Lender irrevocably consents hereto.

SECTION III. [RESERVED]

SECTION IV. REPRESENTATIONS AND WARRANTIES

To induce the Agents and the Lenders to enter into this Agreement and to make the Loans, the Borrower hereby represents and warrants (as to itself and each of its Subsidiaries) to the Agents and each Lender, which representations and warranties shall be deemed made on the Closing Date (after giving effect to the Transactions) and on the date of each borrowing of Loans hereunder that:[11]

4.1 Financial Condition. The audited consolidated balance sheet of the Borrower and its consolidated Subsidiaries as at [December 31, 2022][12], and the related statements of income, stockholders' equity and of cash flows for the fiscal year[s] ended on such date, reported on by and accompanied by an unqualified report from [KPMG LLP], present fairly in all material respects the financial condition of the Borrower and its consolidated Subsidiaries as at such dates and the results of their operations, their cash flows and their changes in stockholders' equity for the respective fiscal years then ended. All such financial statements, including the related schedules and notes thereto and year-end adjustments, have been prepared in accordance with GAAP (except as otherwise noted therein).

(ii) (A) if reasonably requested by the Collateral Agent (at the direction of the Required Lenders), with respect to any Mortgage, provide the Lenders with (1) a lenders' title insurance policy with extended coverage covering such Real Property in an amount equal to the purchase price (if applicable) or the Fair Market Value of the applicable Material Real Property, as determined in good faith by the Borrower and reasonably acceptable to the Administrative Agent, and (2) for real property located in the U.S., an ALTA survey or such survey alternatives (including, without limitation, an express map), or for real property situated in Canada a survey in form and substance acceptable to the Collateral Agent, of such Real Property, together with a surveyor's certificate unless the title insurance policy referred to above shall not contain an exception for any matter shown by a survey (except to the extent an existing survey has been provided and specifically incorporated into such title insurance policy or if the Administrative Agent reasonably determines

in consultation with the Borrower that the costs of obtaining such survey are excessive in relation to the value of the security to be afforded thereby), each in form and substance reasonably satisfactory to the Collateral Agent, and (B) provide to the Administrative Agent evidence of flood hazard insurance if any portion of the improvements on the owned Material Real Property is currently or at any time in the future identified by the Federal Emergency Management Agency as an area having special flood hazards and in which flood insurance has been made available under the National Flood Insurance Act of 1968 (and any amendment or successor act thereto) or otherwise being designated as a "special flood hazard area or part of a 100 year flood zone", in an amount equal to 100% of the full replacement cost of the improvements; provided, however, that a portion of such flood hazard insurance may be obtained under the National Flood Insurance Act of 1968, the Flood Disaster Protection Act of 1973 or the National Flood Insurance Reform Act of 1994, as each may be amended; and

(iii) if reasonably requested by the Collateral Agent (at the direction of the Required Lenders), deliver to the Collateral Agent customary legal opinions regarding the enforceability, due authorization, execution and delivery of the Mortgages and such other matters reasonably requested by the Collateral Agent (at the Direction of the Required Lenders), which opinions shall be in form and substance reasonably satisfactory to the Collateral Agent.

(c) Except as otherwise contemplated by Section 7.7(p), with respect to any new Domestic Subsidiary that is a Non-Excluded Subsidiary created or acquired after the Closing Date (which, for the purposes of this paragraph, shall include any Subsidiary that was previously an Excluded Subsidiary that becomes a Non-Excluded Subsidiary) by the Borrower or any Subsidiary Guarantor, promptly:

(i) give notice of such acquisition or creation to the Collateral Agent and, if requested by the Collateral Agent or the Borrower, execute and deliver to the Collateral Agent such amendments to the Guarantee and Collateral Agreement, the Canadian Collateral Agreement, UK Security Agreements, [the Cayman Pledge Agreement] or such other documents as the Collateral Agent reasonably deems necessary to grant to the Collateral Agent, for the benefit of the Secured Parties, a perfected security interest (to the extent required by the Security Documents and with the priority required by Section 4.17) in the Capital Stock of such new Subsidiary that is owned by the Borrower or such Subsidiary Guarantor (as applicable);

(ii) deliver to the Collateral Agent (or, in the case of Pledged Securities that are ABL Facility First Priority Collateral, the collateral agent under the ABL Facility Agreement pursuant to the terms of the ABL Intercreditor Agreement), the certificates, if any, representing such Capital Stock (other than Excluded Collateral), together with undated stock powers, in blank, executed and delivered by a duly authorized officer of the Borrower or such Subsidiary Guarantor (as applicable); and

(iii) cause such new Subsidiary (A) to become a party to the Guarantee and Collateral Agreement and, where applicable, the Canadian Collateral Agreement and/or the UK Security Agreement, [the Cayman Pledge Agreement] and (B) (x) to take such actions reasonably necessary to grant to the Collateral Agent, for the benefit of the Secured Parties, a perfected security interest (to the extent required by the Security Documents and with the priority required by Section 4.17) in the Collateral described in the Guarantee and Collateral Agreement, Canadian Collateral Agreement, the UK Security Agreement or [the Cayman Pledge Agreement] with respect to such new Subsidiary (to the extent the Collateral Agent, for the benefit of the Secured Parties, has a perfected security interest in the same type of Collateral as of the Closing Date), including the filing of Uniform Commercial Code and PPSA financing statements in such jurisdictions as may be required by the Guarantee and Collateral Agreement, the Canadian Collateral Agreement, the UK

Security Agreement or [the Cayman Pledge Agreement] or by law or as may be reasonably requested by the Collateral Agent and (y) comply with the provisions of Section 6.8(b) with respect to any Material Real Property (other than Excluded Real Property) owned by such new Subsidiary.

Without limiting the foregoing, if the aggregate Consolidated Total Assets or annual consolidated revenues of the "Immaterial Subsidiary" hereunder shall at any time exceed [1.0]% of Consolidated Total Assets or [1.0]% of annual consolidated revenues, respectively, of the Borrower and its Subsidiaries (based on the most recent financial statements delivered pursuant to Section 6.1 prior to such time), the Borrower shall promptly, (x) rescind the designation as "Immaterial Subsidiary" of such Person so that, after giving effect thereto, the aggregate Consolidated Total Assets or annual consolidated revenues, as applicable, of all Subsidiaries so designated (and which designations have not been rescinded) shall not exceed [1.0]% of Consolidated Total Assets or [1.0]% of annual consolidated revenues, respectively, of the Borrower and its Subsidiaries (based on the most recent financial statements delivered pursuant to Section 6.1 prior to such time), as applicable, and (y) to the extent not already effected, (A) cause each affected Subsidiary to take such actions to become a "Subsidiary Guarantor" hereunder and under the Guarantee and Collateral Agreement and execute and deliver the documents and other instruments referred to in this paragraph (c) to the extent such affected Subsidiary is not otherwise an Excluded Subsidiary and (B) cause the owner of the Capital Stock of such affected Subsidiary to take such actions to pledge such Capital Stock to the extent required by, and otherwise in accordance with, the Guarantee and Collateral Agreement or the Canadian Collateral Agreement and execute and deliver the documents and other instruments required hereby and thereby unless such Capital Stock otherwise constitutes Excluded Collateral.

(d) Except as otherwise contemplated by Section 7.7(p), with respect to any new first-tier Foreign Subsidiary created or acquired after the Closing Date by the Borrower or any Subsidiary Guarantor, promptly (i) give notice of such acquisition or creation to the Collateral Agent and, if requested by the Collateral Agent, execute and deliver to the Collateral Agent such amendments to the Guarantee and Collateral Agreement and/or any UK Security Agreement or Canadian Collateral Agreement or [Cayman Pledge Agreement] as the Collateral Agent reasonably deems necessary or reasonably advisable in order to grant to the Collateral Agent, for the benefit of the Secured Parties, a perfected security interest (to the extent required by the Security Documents and with the priority required by Section 4.17) in the Capital Stock of such new Subsidiary (other than any Excluded Collateral) that is owned by the Borrower or such Subsidiary Guarantor (as applicable) and (ii) deliver to the Collateral Agent (or, in the case of Pledged Securities that are ABL Facility First Priority Collateral, the collateral agent under the ABL Facility Agreement pursuant to the terms of the ABL Intercreditor Agreement) the certificates, if any, representing such Capital Stock (other than any Excluded Collateral), together with undated stock powers, in blank, executed and delivered by a duly authorized officer of the Borrower or such Subsidiary Guarantor (as applicable).

(e) Notwithstanding anything in this Section 6.8 or any Security Document to the contrary, (i) no control agreement shall be required with respect to (x) any Excluded Account or (y) any other Deposit Accounts (as defined in the Guarantee and Collateral Agreement) for which control agreements are not required under Section 5.3 of the Guarantee and Collateral Agreement and (ii) no Liens shall be required to be pledged or created with respect to any of the following (other than with respect to any floating charge granted by a UK Loan Party) (collectively, the "Excluded Collateral"):

(A) (x) unless also constituting ABL Facility First Priority Collateral, assets located outside the United States, (y) motor vehicles or other assets subject to certificates of title or (z) any "intent-to-use" application for registration of a trademark or service mark filed pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051, prior to the filing of a "Statement of Use" pursuant to Section 1(d) of the Lanham Act or an "Amendment to Allege Use" pursuant to Section 1(c) of the Lanham Act with respect thereto, solely to the

extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of any registration that issues from such intent-to-use application under applicable federal law;

(B) any property or asset to the extent that such grant of a security interest is prohibited or effectively restricted by any applicable law (only so long as such prohibition exists) or requires a consent not obtained of any Governmental Authority pursuant to such applicable laws;

(C) any Excluded Accounts and any Excluded Equity Securities;

(D) (w) any assets owned on or acquired after the Closing Date, to the extent that, and for so long as, taking such actions would violate applicable law or regulation (after giving effect to Section 9-406(d), 9-407(a), 9-408 or 9-409 of the Uniform Commercial Code and other applicable law), (x) any assets acquired before or after the Closing Date, to the extent that and for so long as such grant would violate an enforceable Contractual Obligation binding on such assets that existed at the time of the acquisition thereof and was not created or made binding on such assets in contemplation or in connection with the acquisition of such assets, (y) any assets (1) owned on the Closing Date or (2) acquired after the Closing Date, in each case in this clause (y), securing Indebtedness of the type permitted pursuant to Section 7.2(c) (or other Indebtedness permitted under Section 7.2(d), 7.2(j), 7.2(t) or 7.2(v) if such Indebtedness is of the type that is contemplated by Section 7.2(c)) that is secured by a Lien permitted by Section 7.3 so long as the documents governing such Lien do not permit the pledge of such assets to the Collateral Agent, or (z) any lease, license or other agreement, any asset embodying rights, priorities or privileges granted under such leases, licenses or agreements, or any property subject to a purchase money security interest or similar arrangement to the extent that a grant of a security interest therein would violate, breach or invalidate such lease, license or agreement or purchase money arrangement or create a right of acceleration, modification, termination or cancellation in favor of any other party thereto (other than any Loan Party) after giving effect to the applicable anti-assignment provisions of the Uniform Commercial Code or applicable law, other than proceeds and receivables thereof, and only for so long such prohibition exists and to the extent such prohibition was not creation in contemplation of such grant;

(E) (x) any assets to the extent a security interest in such assets could reasonably be expected to result in material adverse tax consequences (including as a result of the operation of Section 956 of the Code or any similar law or regulation in any applicable jurisdiction) as reasonably determined in good faith by the Borrower, or (y) any assets as to which the Administrative Agent and the Borrower shall reasonably determine that the costs and burdens of obtaining a security interest therein outweigh the value of the security afforded thereby;

(F) any leasehold interest in Real Property (and any fixtures relating thereto) and any fixtures relating to any owned Real Property to the extent that the Collateral Agent is not otherwise entitled to a security interest with respect to such owned Real Property under the terms of this Agreement; and

(G) any owned Real Property other than Material Real Property, but in any event excluding any Excluded Real Property.

(f) Notwithstanding the foregoing, to the extent any new Subsidiary is created solely for the purpose of consummating a merger transaction pursuant to an acquisition permitted by Section 7.7, and such new Subsidiary at no time holds any assets or liabilities other than any merger consideration contributed to it substantially contemporaneously with the closing of such merger transaction, such new Subsidiary shall not be required to take the actions set forth in Section 6.8(c) or 6.8(d), as applicable, until the respective acquisition is consummated (at which time the surviving entity of the respective merger transaction shall be required to so comply within ten Business Days (or such longer period as the Administrative Agent shall agree, at the discretion of the Required Lenders)).

(g) From time to time the Loan Parties shall execute and deliver, or cause to be executed and delivered, such additional instruments, certificates or documents, and take all such actions, as the Collateral Agent may reasonably request for the purposes implementing or effectuating the provisions of this Agreement and the other Loan Documents, or of renewing the rights of the Secured Parties with respect to the Collateral as to which the Collateral Agent, for the benefit of the Secured Parties, has a perfected Lien pursuant hereto or thereto, including filing any financing or continuation statements or financing statement amendments under the Uniform Commercial Code (or other similar laws) in effect in any jurisdiction with respect to the security interests created thereby; provided, that the Loan Parties shall use commercially reasonable efforts to deliver landlord lien waivers, estoppels or collateral access letters if such landlord lien waivers, estoppels or collateral access letters are required or provided under the ABL Documents. Notwithstanding the foregoing, the provisions of this Section 6.8 shall not apply to assets as to which the Administrative Agent and the Borrower shall reasonably determine that the costs and burdens of obtaining a security interest therein or perfection thereof outweigh the value of the security afforded thereby. The Administrative Agent may grant extensions of time or waivers of requirement for the creation or perfection of security interests in or the obtaining of insurance (including title insurance) or surveys with respect to particular assets (including extensions beyond the Closing Date for the perfection of security interests in the assets of the Loan Parties on such date) where it reasonably determines, in consultation with the Borrower, that perfection or obtaining of such items cannot be accomplished without undue effort or expense by the time or times at which it would otherwise be required by this Agreement or the other Loan Documents.

(h) Notwithstanding the foregoing, if (a) the Borrower or any Subsidiary acquires any Material Real Property (other than Excluded Real Property) or (b) the Required Lenders or Administrative Agent shall have notified the Borrower in writing that they have or it has a reasonable belief that either the Borrower or any of its Subsidiaries is in breach of its obligations under Section 6.4 (to the extent applicable to Environmental Law or Releases of Materials of Environmental Concern), then the Borrower shall deliver within 60 days after the Required Lenders or the Administrative Agent, as applicable, requests therefor or such longer period as the Administrative Agent shall agree, at the Borrower's cost and expense, an environmental assessment report, in the case of clause (b) above of a scope reasonably appropriate to address the subject of the Required Lenders' or the Administrative Agent's, as applicable, reasonable belief that such a breach exists, prepared by an environmental consulting firm reasonably acceptable to the Administrative Agent, indicating the presence or absence of Materials of Environmental Concern or noncompliance with Environmental Law and the estimated cost of any compliance, response or other corrective action to address any identified Materials of Environmental Concern, to the extent required by Environmental Law, or noncompliance on such properties. Without limiting the generality of the foregoing, if the Administrative Agent reasonably determines at any time that a material risk exists that any such report will not be provided within the time referred to above, the Administrative Agent may retain an environmental consulting firm to prepare such report at the expense of the Borrower (which report would be addressed to the Borrower), and the Borrower hereby grants and agrees to cause any Subsidiary that owns or leases any property described in such request to grant the Administrative Agent, such firm and any agents or representatives thereof an irrevocable non-exclusive license, subject to the rights of tenants or necessary consent of landlords, to enter onto their respective properties to undertake such an assessment on

behalf of the Borrower. By virtue of the foregoing, the Borrower does not intend to waive the attorney-client privilege with respect to any information or advice provided by the environmental consulting firm.

(iii) there shall be commenced against Holdings or the Borrower or any of its Subsidiaries (other than any Immaterial Subsidiary (whether or not then designated as such)) any case, proceeding or other action seeking issuance of a warrant of attachment, execution, distraint or similar process against substantially all of its assets that results in the entry of an order for any such relief that shall not have been vacated, discharged, or stayed or bonded pending appeal within 60 days from the entry thereof;

(iv) Holdings or the Borrower or any of its Subsidiaries (other than any Immaterial Subsidiary (whether or not then designated as such)) shall consent to or approve of, or acquiesce in, any of the acts set forth in clause (i), (ii), or (iii) above; or

(v) Holdings or the Borrower or any of its Subsidiaries (other than any Immaterial Subsidiary (whether or not then designated as such)) shall generally not, or shall be unable to, or shall admit in writing its inability to, pay its debts as they become due;

(iii) a Reportable Event shall occur with respect to, or proceedings shall commence to have a trustee appointed, or a trustee shall be appointed, to administer or to terminate, any Single Employer Plan, which Reportable Event or commencement of proceedings or appointment of a trustee is reasonably likely to result in the termination of such Single Employer Plan for purposes of Title IV of ERISA;

(v) any Loan Party or any other Commonly Controlled Entity shall, or is reasonably likely to, incur any liability as a result of a withdrawal from, or the Insolvency of, a Multiemployer Plan; or

(vi) any other event or condition shall occur or exist with respect to a Plan; or

(vii) any Canadian Defined Benefit Pension Plan shall terminate, in whole or in part, or the institution of proceedings by any Governmental Authority to terminate a Canadian Defined Benefit Pension Plan, in whole or in part, or have a replacement administrator appointed to administer a Canadian Defined Benefit Pension Plan; or

(viii) any other event or condition shall occur or exist with respect to a Plan or a Canadian Pension Plan; or

(h) One or more final judgments or decrees shall be entered against the Borrower or any of its Subsidiaries (other than any Immaterial Subsidiary (whether or not then designated as such)) pursuant to which the Borrower and any such Subsidiaries taken as a whole has a liability (not paid or fully covered by third-party insurance or effective indemnity) of $[50,000,000] or more (net of any amounts which are covered by insurance or an effective indemnity), and all such judgments or decrees shall not have been vacated, discharged, dismissed, stayed or bonded within 60 days from the entry thereof;

(i) any of the Security Documents shall cease, for any reason (other than by reason of the express release thereof in accordance with the terms thereof or hereof) to be in full force and effect or shall be asserted in writing by the Borrower or any Guarantor not to be a legal, valid and binding obligation of any party thereto;

(ii) any security interest purported to be created by any Security Document with respect to any material portion of the Collateral of the Loan Parties on a consolidated basis shall cease to be, or shall be asserted in writing by any Loan Party not to be, a valid and perfected security interest (having the priority required by this Agreement or the relevant Security Document) in the securities, assets or properties covered thereby, except to the extent that (x) any such loss of perfection or priority results from limitations of foreign laws, rules and regulations as they apply to pledges of Capital Stock in Foreign Subsidiaries or the application thereof, or from the failure of the Collateral Agent (or, in the case of the ABL Facility First Priority Collateral, the collateral agent under the ABL Facility Agreement pursuant to the terms of the ABL Intercreditor Agreement) to maintain possession of certificates actually delivered to it representing securities pledged under the Guarantee and Collateral Agreement or otherwise or to file UCC continuation statements or PPSA financing change statements or (y) such loss is covered by a lender's title insurance policy and the Administrative Agent shall be reasonably satisfied with the credit of such insurer; or

(ii) for any reason whatsoever, any "person" or "group" (within the meaning of Rule 13d-5 of the Exchange Act as in effect on the Closing Date, but excluding any employee benefit plan of such person and its subsidiaries, and any person or entity acting in its capacity as trustee, agent or other fiduciary or administrator of any such plan, and excluding the Permitted Investors) shall become the "beneficial owner" (within the meaning of Rule 13d-3 and 13d-5 of the Exchange Act as in effect on the Closing Date), directly or indirectly, of more than the greater of (x) 35% of the then outstanding voting securities having ordinary voting power of Holdings and (y) the percentage of the then outstanding voting securities having ordinary voting power of Holdings owned, directly or indirectly, beneficially (within the meaning of Rule 13d-3 and 13d-5 of the Exchange Act as in effect on the Closing Date) by the Permitted Investors (it being understood that if any such person or group includes one or more Permitted Investors, the outstanding voting securities having ordinary voting power of Holdings directly or indirectly owned by the Permitted Investors that are part of such person or group shall not be treated as being owned by such person or group for purposes of determining whether this clause (y) is triggered);

then, and in any such event, (A) if such event is an Event of Default specified in clause (i) or (ii) of paragraph (f) above with respect to the Borrower, automatically the Commitments shall immediately terminate and the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including the Applicable Premium) shall immediately become due and payable, and (B) if such event is any other Event of Default, with the consent of the Required Lenders, the Administrative Agent may, or upon the request of the Required Lenders, the Administrative Agent shall, by notice to the Borrower, declare the Loans hereunder (with accrued interest thereon) and all other amounts owing under this Agreement and the other Loan Documents (including the Applicable Premium) to be due and payable forthwith, whereupon the same shall immediately become due and payable. Except as expressly provided above in this Section 8.1 or otherwise in any Loan Document, presentment, demand and protest of any kind are hereby expressly waived by the Borrower.

SECTION IX. THE AGENTS

9.1 Appointment Each Lender hereby irrevocably designates and appoints each Agent as the agent of such Lender under the Loan Documents and each such Lender irrevocably authorizes each such Agent, in such capacity, to take such action on its behalf under the provisions of the applicable Loan Documents and to exercise such powers and perform such duties as are expressly delegated to such Agent by the terms of the applicable Loan Documents, together with such other powers as are reasonably incidental thereto, including the authority to enter into any Intercreditor Agreement (or joinder thereto) and any Extension Amendment. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Agents shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Agents and the duties of the Agents shall be mechanical and administrative in nature. Without limiting the generality of the foregoing, the Lenders hereby irrevocably authorize and instruct the

Administrative Agent to, without any further consent of any Secured Party, enter into (or acknowledge and consent to) or amend, renew, extend, supplement, restate, replace, waive or otherwise modify the ABL Intercreditor Agreement and any Other Intercreditor Agreement with the collateral agent or other representatives of the holders of Indebtedness that is expressly permitted to be secured by a Lien on the Collateral on a pari passu or junior basis under this Agreement and, to the extent applicable, the ABL Intercreditor Agreement, and to subject the Liens on the Collateral securing the Obligations to the provisions thereof. The Lenders irrevocably agree that (x) the Agents may rely exclusively on a certificate of a Responsible Officer of the Borrower as to whether any such other Liens are permitted and (y) the ABL Intercreditor Agreement and any Other Intercreditor Agreement entered into by the applicable Agent shall be binding on the Lenders, and each Lender hereby agrees that it will take no actions contrary to the provisions of any Intercreditor Agreement.

Without limiting the aforesaid powers of the Agents, for the purposes of holding any hypothec granted to the Attorney (as defined below) pursuant to the laws of the Province of Quebec to secure the prompt payment and performance of any and all Obligations by any Loan Party, each of the Secured Parties hereby irrevocably appoints and authorizes the Collateral Agent and, to the extent necessary, ratifies the appointment and authorization of the Collateral Agent, to act as the hypothecary representative of the creditors as contemplated under Article 2692 of the Civil Code of Quebec (in such capacity, the "Attorney"), and to enter into, to take and to hold on their behalf, and for their benefit, any hypothec, and to exercise such powers and duties that are conferred upon the Attorney under any such hypothec. In such capacity, the Attorney shall: (a) have the sole and exclusive right and authority to exercise, except as may be otherwise specifically restricted by the terms hereof, all rights and remedies given to the Attorney pursuant to any such hypothec and applicable law, and (b) benefit from and be subject to all provisions hereof with respect to the Collateral Agent mutatis mutandis, including, without limitation, all such provisions with respect to the liability or responsibility to and indemnification by the Secured Parties and the Loan Parties. Any person who becomes a Secured Party shall be deemed to have consented to and confirmed the Attorney as the hypothecary representative of the Secured Parties and to have ratified, as of the date it becomes a Secured Party, all actions taken by the Attorney in such capacity. The substitution of the Collateral Agent pursuant to the provisions of this Article VIII also shall constitute the substitution of the Attorney.

9.2 Delegation of Duties. Each Agent may execute any of its duties under the applicable Loan Documents by or through any of its branches, agents or attorneys in fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither Agent shall be responsible for the negligence or misconduct of any agents or attorneys in fact selected by it with reasonable care. Each Agent and any such agent or attorney-in-fact may perform any and all of its duties by or through their respective Related Persons. The exculpatory provisions of this Section shall apply to any such agent or attorney-in-fact and to the Related Persons of each Agent and any such agent or attorney-in-fact, and shall apply to their respective activities as Agent.

9.3 Exculpatory Provisions. Neither any Agent nor any of their respective officers, directors, employees, agents, attorneys in fact or Affiliates shall be (i) liable for any action lawfully taken or omitted to be taken by it or such Person under or in connection with this Agreement or any other Loan Document (except to the extent that any of the foregoing are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from its or such Person's own gross negligence or willful misconduct) or with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as such Agent shall believe in good faith shall be necessary), or (ii) responsible in any manner to any of the Lenders for any recitals, statements, representations or warranties made by any Loan Party or any officer thereof contained in this Agreement or any other Loan Document or in any certificate, report, statement or other document referred to or provided for in, or received by the Agents under or in connection with, this Agreement or any other Loan

Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document or for any failure of any Loan Party a party thereto to perform its obligations hereunder or thereunder or the creation, perfection or priority of any Lien purported to be created by the Security Documents or the value or the sufficiency of any Collateral. The Agents shall not be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party, nor shall any Agent be required to take any action that, in its opinion or the opinion of its counsel, may expose it to liability that is not subject to indemnification under Section 10.5 or that is contrary to any Loan Document or applicable law. If either Agent requests instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, such Agent shall be entitled to refrain from such act or taking such action unless and until such Agent shall have received instructions from the Required Lenders; and such Agent shall not incur liability to any Lender by reason of so refraining. Without limiting the foregoing, neither any Lender nor the holder of any Note shall have any right of action whatsoever against either Agent as a result of such Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders.

9.4 Reliance by the Agents. The Agents shall be entitled to rely, and shall be fully protected in relying, upon any instrument, writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to the Borrower), independent accountants and other experts selected by the Agents. Each Agent may deem and treat the payee of any Note as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. Each Agent shall be fully justified in failing or refusing to take any action under the applicable Loan Document unless it shall first receive such advice or concurrence of the Required Lenders (or, if so specified by this Agreement, all Lenders or the Majority Facility Lenders in respect of any Facility) as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Agents shall in all cases be fully protected in acting, or in refraining from acting, under the applicable Loan Documents in accordance with a request of the Required Lenders (or, if so specified by this Agreement, all Lenders or the Majority Facility Lenders in respect of any Facility), and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans. In determining compliance with any conditions hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Agents may presume that such condition is satisfactory to such Lender unless the Agents shall have received notice to the contrary from such Lender prior to the making of such Loan.

9.5 Notice of Default. Neither Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default unless such Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that an Agent receives such a notice, such Agent shall give notice thereof to the Lenders. The Agents shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders (or, if so specified by this Agreement, all Lenders or the Majority Facility Lenders in respect of any Facility); provided, that unless and until such Agent shall have received such directions, such Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders.

9.6 Non-Reliance on Agents and Other Lenders. Each Lender expressly acknowledges that neither the Agents nor any of their respective officers, directors, employees, agents, attorneys in fact

or Affiliates have made any representations or warranties to it and that no act by any Agent hereafter taken, including any review of the affairs of a Loan Party or any Affiliate of a Loan Party, shall be deemed to constitute any representation or warranty by any Agent to any Lender. Each Lender represents to the Agents that it has, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of and investigation into the business, operations, Property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon any Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under the applicable Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, Property, financial and other condition and creditworthiness of the Loan Parties and their Affiliates. Except for notices, reports and other documents expressly required to be furnished to the Lenders by the Agents hereunder, the Agents shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, Property, condition (financial or otherwise), prospects or creditworthiness of any Loan Party or any Affiliate of a Loan Party that may come into the possession of either Agent or any of its officers, directors, employees, agents, attorneys in fact or Affiliates.

9.7 Indemnification. The Lenders severally agree to indemnify each Agent from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time (whether before or after the payment of the Loans) be imposed on, incurred by or asserted against such Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Loan Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by such Agent under or in connection with any of the foregoing; provided, that no Lender shall be liable for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements that are found by a final and nonappealable decision of a court of competent jurisdiction to have resulted from such Agent's gross negligence or willful misconduct. The agreements in this Section 9.7 shall survive the payment of the Loans and all other amounts payable hereunder. Notwithstanding anything to the contrary set forth herein, no Agent shall be required to take, or to omit to take, any action hereunder or under the Loan Documents unless, upon demand, such Agent receives an indemnification satisfactory to it from the Lenders (or, to the extent applicable and acceptable to such Agent, any other Secured Party) against all liabilities, costs and expenses that, by reason of such action or omission, may be imposed on, incurred by or asserted against such Agent or any of its directors, officers, employees and agents. This Section 9.7 shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

9.8 Agent in Its Individual Capacity. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Loan Party as though such Agent were not an Agent. With respect to its Loans made or renewed by it, each Agent shall have the same rights and powers under the applicable Loan Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

9.9 Successor Agents.

(a) Subject to the appointment of a successor as set forth herein, any Agent may resign upon 30 days' notice to the Lenders, the other Agent, and, unless a Default or Event of Default then exists, the Borrower, effective upon appointment of a successor Agent. Upon receipt of any such notice of

resignation, the Required Lenders shall appoint a successor agent for the Lenders, which successor agent shall (unless an Event of Default with respect to the Borrower shall have occurred and be continuing) be subject to approval by the Borrower (which approval shall not be unreasonably withheld or delayed), whereupon such successor agent shall succeed to the rights, powers and duties of such retiring Agent, and the retiring Agent's rights, powers and duties as Agent shall be terminated, without any other or further act or deed on the part of such retiring Agent or any of the parties to this Agreement or any holders of the Loans. If no successor Agent shall have been so appointed by the Required Lenders with such consent of the Borrower and shall have accepted such appointment within 30 days after the retiring Agent's giving of notice of resignation, then the retiring Agent may, on behalf of the Lenders and with the consent of the Borrower (such consent not to be unreasonably withheld or delayed) appoint a successor Administrative Agent and/or Collateral Agent, as the case may be, with the qualifications set forth above. After any retiring Agent's resignation as Agent, the provisions of this Section 9 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was Agent under this Agreement and the other Loan Documents.

(b) If no successor Agent has been appointed pursuant to clause (a) above by the 45th day after the date such notice of resignation was given by or to such Agent, as applicable, such Agent's resignation shall become effective and all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender directly, and the Required Lenders shall thereafter perform all the duties of such Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Agent in accordance with Section 9.9(a) above, as applicable; provided that, in the case of any possessory Collateral held by any Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Agent shall continue to hold such possessory Collateral until such time as a successor Agent is appointed pursuant to this Section 9.9.

(c) Any resignation by the Administrative Agent pursuant to this Section 9 shall also constitute its resignation as Collateral Agent. Upon the acceptance of a successor's appointment as Administrative Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Collateral Agent and (ii) the retiring Collateral Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents.

(d) Upon a resignation of an Agent pursuant to this Section 9.9, such Agent shall remain indemnified to the extent provided in this Agreement and the other Loan Documents and the provisions of this Section 9 (and the analogous provisions of the other Loan Documents) shall continue in effect for the benefit of such Agent for all of its actions and inactions while serving as Agent.

9.10 Certain Collateral Matters.

(a) The Agents are hereby irrevocably authorized by each of the Lenders to effect any release or subordination of Liens or Guarantee Obligations contemplated by Section 10.15. Upon request by the Collateral Agent at any time, the Lenders will confirm in writing the Collateral Agent's authority to release particular types or items of Collateral pursuant to this Section 9.10(a).

(b) Each Lender authorizes and directs the Collateral Agent to enter into or join (x) the Security Documents, the ABL Intercreditor Agreement and any Other Intercreditor Agreement for the benefit of the Lenders and the other Secured Parties and (y) any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to the Security Documents, the ABL Intercreditor Agreement and any Other Intercreditor Agreement in connection with the incurrence by any Loan Party of Indebtedness pursuant to this Agreement, as applicable or to permit such Indebtedness to be secured by a valid, perfected lien.

(c) Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral or Security Documents to which it is a party, which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral granted pursuant to the Security Documents and in the case of the ABL Intercreditor Agreement (or any Other Intercreditor Agreement) to take all actions (and execute all documents) required or deemed advisable by it in accordance with the terms thereof.

(d) The Collateral Agent shall not have any obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.10 or in any of the Security Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

9.11 Agents May File Proofs of Claim. In case of the pendency of any proceeding under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, to the maximum extent permitted by applicable law, each Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether either Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise,

(a) to file a proof of claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Agents (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Agents and their respective agents and counsel and all other amounts due the Lenders and the Agents under Sections 2.9 and 10.5) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same;

and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Agents and, if either Agent shall consent to the making of such payments directly to the Lenders, to pay to such Agent any amount due for the reasonable compensation, expenses, disbursements and advances of such Agent and its agents and counsel, and any other amounts due to such Agent under Sections 2.9 and 10.5.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or

composition affecting the Obligations or the rights of any Lender to authorize such Agent to vote in respect of the claim of any Lender or in any such proceeding.

9.12 Lead Arranger and Bookrunner. Neither the Lead Arranger nor the Bookrunner shall have any duties or responsibilities hereunder in their respective capacities.

9.13 Appointment of Administrative Agent as Security Trustee.

(a) For the purposes of any Liens or Collateral created under the UK Security Agreements, the following additional provisions shall apply.

(b) In this Article 9, the following expressions have the following meanings:

"Appointee" means any receiver, administrator or other insolvency officer appointed in respect of any Loan Party or its assets.

"Charged Property" means the assets of the Loan Parties subject to a security interest under the UK Security Agreements.

"Delegate" means any delegate, agent, attorney or co-trustee appointed by the Administrative Agent (in its capacity as security trustee).

(c) The Secured Parties appoint the Administrative Agent to hold the security interests constituted by the UK Security Agreements on trust for the Secured Parties on the terms of the Loan Documents and the Administrative Agent accepts that appointment.

(d) The Administrative Agent, its subsidiaries and associated companies may each retain for its own account and benefit any fee, remuneration and profits paid to it in connection with (i) its activities under the Loan Documents; and (ii) its engagement in any kind of banking or other business with any Loan Party.

(e) Nothing in this Agreement constitutes the Administrative Agent as a trustee or fiduciary of, nor shall the Administrative Agent have any duty or responsibility to, any Loan Party.

(f) The Administrative Agent shall have no duties or obligations to any other person except for those which are expressly specified in the Loan Documents or mandatorily required by applicable law.

(g) The Administrative Agent may appoint one or more Delegates on such terms (which may include the power to sub-delegate) and subject to such conditions as it thinks fit, to exercise and perform all or any of the duties, rights, powers and discretions vested in it by the UK Security Agreements and shall not be obliged to supervise any Delegate or be responsible to any person for any loss incurred by reason of any act, omission, misconduct or default on the part of any Delegate.

(h) The Administrative Agent may (whether for the purpose of complying with any law or regulation of any overseas jurisdiction, or for any other reason) appoint (and subsequently remove) any person to act jointly with the Administrative Agent either as a separate trustee or as a co-trustee on such terms and subject to such conditions as the Administrative Agent thinks fit and with such of the duties, rights, powers and discretions vested in the Administrative Agent by the UK Security Agreements as may be conferred by the instrument of appointment of that person.

(i) The Administrative Agent shall notify the Secured Parties of the appointment of each Appointee (other than a Delegate).

(j) The Administrative Agent may pay reasonable remuneration to any Delegate or Appointee, together with any costs and expenses (including legal fees) reasonably incurred by the Delegate or Appointee in connection with its appointment. All such remuneration, costs and expenses shall be treated, for the purposes of this Agreement, as paid or incurred by the Administrative Agent.

(k) Each Delegate and each Appointee shall have every benefit, right, power and discretion and the benefit of every exculpation (together "Rights") of the Administrative Agent (in its capacity as security trustee) under the UK Security Agreements, and each reference to the Administrative Agent (where the context requires that such reference is to the Administrative Agent in its capacity as security trustee) in the provisions of the UK Security Agreements which confer Rights shall be deemed to include a reference to each Delegate and each Appointee.

(l) Each Secured Party confirms its approval of the UK Security Agreements and authorizes and instructs the Administrative Agent: (i) to execute and deliver the UK Security Agreements; (ii) to exercise the rights, powers and discretions given to the Administrative Agent (in its capacity as security trustee) under or in connection with the UK Security Agreements together with any other incidental rights, powers and discretions; and (iii) to give any authorizations and confirmations to be given by the Administrative Agent (in its capacity as security trustee) on behalf of the Secured Parties under the UK Security Agreements.

(m) The Administrative Agent may accept without inquiry the title (if any) which any person may have to the Charged Property.

(n) Each other Secured Party confirms that it does not wish to be registered as a joint proprietor of any security interest constituted by a UK Security Agreement and accordingly authorizes: (a) the Administrative Agent to hold such security interest in its sole name (or in the name of any Delegate) as trustee for the Secured Parties; and (b) the Land Registry (or other relevant registry) to register the Administrative Agent (or any Delegate or Appointee) as a sole proprietor of such security interest.

(o) Except to the extent that a UK Security Agreement otherwise requires, any moneys which the Administrative Agent receives under or pursuant to a UK Security Agreement may be: (a) invested in any investments which the Administrative Agent selects and which are authorized by applicable law; or (b) placed on deposit at any bank or institution (including the Administrative Agent) on terms that the Administrative Agent thinks fit, in each case in the name or under the control of the Administrative Agent, and the Administrative Agent shall hold those moneys, together with any accrued income (net of any applicable Tax) to the order of the Lenders, and shall pay them to the Lenders on demand.

(p) On a disposal of any of the Charged Property which is permitted under the Loan Documents, the Administrative Agent shall (at the cost of the Loan Parties) execute any release of the UK Security Agreements or other claim over that Charged Property and issue any certificates of non-crystallisation of floating charges that may be required or take any other action that the Administrative Agent considers desirable.

(q) The Administrative Agent shall not be liable for (i) any defect in or failure of the title (if any) which any person may have to any assets over which security is intended to be created by a UK Security Agreement; (ii) any loss resulting from the investment or deposit at any bank of moneys which it invests or deposits in a manner permitted by a UK Security Agreement; (iii) the exercise of, or the failure to exercise, any right, power or discretion given to it by or in connection with any Loan Document or any

other agreement, arrangement or document entered into, or executed in anticipation of, under or in connection with, any Loan Document; or (iv) any shortfall which arises on enforcing a UK Security Agreement.

(r) The Administrative Agent shall not be obligated to (i) obtain any authorization or environmental permit in respect of any of the Charged Property or a UK Security Agreement; (ii) hold in its own possession a UK Security Agreement, title deed or other document relating to the Charged Property or a UK Security Agreement; (iii) perfect, protect, register, make any filing or give any notice in respect of a UK Security Agreement (or the order of ranking of a UK Security Agreement), unless that failure arises directly from its own gross negligence or willful misconduct; or (iv) require any further assurances in relation to a UK Security Agreement.

(s) In respect of any UK Security Agreement, the Administrative Agent shall not be obligated to: (i) insure, or require any other person to insure, the Charged Property; or (ii) make any enquiry or conduct any investigation into the legality, validity, effectiveness, adequacy or enforceability of any insurance existing over such Charged Property.

(t) In respect of any UK Security Agreement, the Administrative Agent shall not have any obligation or duty to any person for any loss suffered as a result of: (i) the lack or inadequacy of any insurance; or (ii) the failure of the Administrative Agent to notify the insurers of any material fact relating to the risk assumed by them, or of any other information of any kind, unless Required Lenders have requested it to do so in writing and the Administrative Agent has failed to do so within fourteen (14) days after receipt of that request.

(u) Every appointment of a successor Administrative Agent under a UK Security Agreement shall be by deed.

(v) Section 1 of the Trustee Act 2000 (UK) shall not apply to the duty of the Administrative Agent in relation to the trusts constituted by this Agreement.

(w) In the case of any conflict between the provisions of this Agreement and those of the Trustee Act 1925 (UK) or the Trustee Act 2000 (UK), the provisions of this Agreement shall prevail to the extent allowed by law, and shall constitute a restriction or exclusion for the purposes of the Trustee Act 2000 (U.K.).

(x) The perpetuity period under the rule against perpetuities if applicable to this Agreement and any UK Security Agreement shall be 80 years from the Closing Date.

SECTION X. MISCELLANEOUS

10.1 Amendments and Waivers.

(a) Except to the extent otherwise expressly set forth in this Agreement (including Sections 2.26, 7.11 and 10.16) or the applicable Loan Documents, neither this Agreement, any other Loan Document, nor any terms hereof or thereof may be amended, supplemented or modified except in accordance with the provisions of this Section 10.1.

The Required Lenders and each Loan Party party to the relevant Loan Document may, subject to the acknowledgment of the Administrative Agent, or, with the written consent of the Required Lenders, the Administrative Agent and each Loan Party party to the relevant Loan Document may, from time to time, (i) enter into written amendments, supplements or modifications hereto and to the other

Loan Documents for the purpose of adding, deleting or otherwise modifying any provisions to this Agreement or the other Loan Documents or changing in any manner the rights or obligations of the Agents or the Lenders or of the Loan Parties or their Subsidiaries hereunder or thereunder or (ii) waive, on such terms and conditions as the Required Lenders or the Administrative Agent may specify in such instrument, any of the requirements of this Agreement or the other Loan Documents or any Default or Event of Default and its consequences; provided, however, that no such waiver and no such amendment, supplement or modification shall:

(A) forgive or reduce the principal amount or extend the final scheduled date of maturity of any Loan, extend the scheduled date or reduce the amount of any amortization payment in respect of any Term Loan, reduce the stated rate of any interest, fee or premium payable hereunder (except (x) in connection with the waiver of applicability of any post-default increase in interest rates (which waiver shall be effective with the consent of the Required Lenders) and (y) that any amendment or modification of defined terms used in the financial ratios in this Agreement shall not constitute a reduction in the rate of interest or fees for purposes of this clause (A)) or extend the scheduled date of any payment thereof, or increase the amount or extend the expiration date of any Lender's Commitment, in each case without the written consent of each Lender directly and adversely affected thereby, which such consent of each Lender directly and adversely affected thereby shall be sufficient to effect such waiver without regard for a Required Lender consent;

(B) amend, modify or waive any provision of paragraph (a) of this Section 10.1 without the written consent of all Lenders;

(C) reduce any percentage specified in the definition of Required Lenders or consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement and the other Loan Documents (except as provided in Section 7.4(j)), release all or substantially all of the Collateral or release all or substantially all of the Guarantors from their obligations under the Guarantee and Collateral Agreement, in each case without the written consent of all Lenders (except as expressly permitted hereby (including pursuant to Section 7.4 or 7.5) or by any Security Document);

(D) amend, modify or waive any provision of paragraph (a) or (b) of Section 2.18 of this Agreement or Section 6.6 of the Guarantee and Collateral Agreement without the written consent of all Lenders directly and adversely affected thereby;

(E) [reserved];

(F) reduce the percentage specified in the definition of Majority Facility Lenders with respect to any Facility without the written consent of all Lenders under such Facility, which consent shall be sufficient to effect such waiver under the applicable Facility without regard for a Required Lender consent;

(G) amend, modify or waive any of the rights or duties of any Agent under this Agreement or any other Loan Document without the written consent of such Agent;

(H) modify the requirement in Section 10.6(h) (or any other provision of any Loan Document that has the effect of modifying) to conduct a Dutch Auction open to all lenders of the same Tranche on a pro rata basis [or the provisions of Section 10.6(h)(iii), in each case,] without the written consent of each Lender;

(I) [release all or substantially all of the value of the Guarantees of the Guarantors, or limit their liability in respect of such Guarantees, without the written consent of each Lender;

(J) [reserved];

(K) [prior to an Event of Default under Section 8.1(f), amend or modify any term or provision of any Loan Document to permit the issuance or incurrence of any Indebtedness for borrowed money (including any exchange of existing Indebtedness that results in another class of Indebtedness for borrowed money, but excluding (A) Indebtedness that is expressly permitted by this Agreement as in effect on the Closing Date to be senior to the applicable Tranche of Obligations and/or to be secured by a Lien that is senior to the Lien securing such Tranche of Obligations and (B) for the avoidance of doubt, any "debtor-in-possession" facility (or similar financing under applicable law)) with respect to which (x) the Liens on the Collateral securing the Obligations of any Tranche would be subordinated or (y) all or any portion of the Obligations of any Tranche would be subordinated in right of payment (any such other Indebtedness to which such Liens securing any of the Obligations or such Obligations, as applicable, are subordinated, "Senior Indebtedness"), in each case without the written consent of each Lender of such Tranche directly and adversely affected thereby, unless each adversely affected Lender has been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the amount of Obligations that are adversely affected thereby held by each Lender) of the Senior Indebtedness on the same terms (other than bona fide backstop fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction; such fees and expenses, "Ancillary Fees") as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness;] or

(J) modify the last paragraph of Section 7.5 or the last paragraph of Section 7.7 to permit (or modify any other provision of any Loan Document that has the effect of permitting) any transfer, exclusive license or other Disposition of Material Intellectual Property to any Person other than a Loan Party, or for any Person other than a Loan Party to at any time own or exclusively license Material Intellectual Property, without the prior written consent of each Lender;

provided, further, that, notwithstanding anything herein to the contrary, the Loans held by an Affiliated Lender shall be disregarded in both the numerator and denominator and for all other purposes in the calculation or determination of any Lender vote (and, in the case of a plan of reorganization shall be deemed to have voted its interest in the Term Loans in the same proportion as the other Lenders) (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph); provided, further, that, in any event and without limiting the foregoing, the consent of the applicable Majority Facility Lenders shall be required with respect to any amendment that by its terms adversely affects the rights of Lenders under such Facility in respect of payments hereunder in a manner different from such amendment that affects other Facilities.

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the Lenders and shall be binding upon the Loan Parties, the Lenders, the Agents and all future holders of the Loans. In the case of any waiver, the Loan Parties, the Lenders and the Agents shall be restored to their former position and rights hereunder and under the other Loan Documents, and

any Default or Event of Default waived shall be deemed to be cured and not continuing unless limited by the terms of such waiver; but no such waiver shall extend to any subsequent or other Default or Event of Default, or impair any right consequent thereon.

Notwithstanding anything to the contrary herein, any amendment, modification, waiver or other action which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders, except that (x) the Commitment of any such Defaulting Lender may not be increased or extended, the maturity of the Loans of any such Defaulting Lender may not be extended, the rate of interest on any of such Loans may not be reduced and the principal amount of any of such Loans may not be forgiven, in each case without the consent of such Defaulting Lender and (y) any amendment, modification, waiver or other action that by its terms adversely affects any such Defaulting Lender in its capacity as a Lender in a manner that differs in any material respect from, and is more adverse to such Defaulting Lender than it is to, other affected Lenders shall require the consent of such Defaulting Lender.

(b) Notwithstanding the foregoing, this Agreement may be amended with the written consent of the Required Lenders, the Administrative Agent and the Borrower (i) to add one or more additional credit facilities to this Agreement (it being understood that no Lender shall have any obligation to provide or to commit to provide all or any portion of any such additional credit facility) and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the accrued interest and fees in respect thereof and (ii) to include appropriately, after the effectiveness of any such amendment (or amendment and restatement), the Lenders holding such credit facilities in any determination of the Required Lenders and Majority Facility Lenders, as applicable.

(c) In addition, notwithstanding the foregoing, this Agreement may be amended, with the written consent of the Administrative Agent (not to be unreasonably withheld, delayed or conditioned), the Borrower and the Lenders providing the relevant Refinancing Term Loans (as defined below), as may be necessary or appropriate, in the opinion of the Borrower and the Administrative Agent, to provide for the incurrence of Permitted Refinancing Obligations under this Agreement in the form of a new Tranche of Term Loans hereunder ("Refinancing Term Loans"), which Refinancing Term Loans will be used to refinance all or any portion of the outstanding Term Loans of any Tranche ("Refinanced Term Loans"); provided, that:

(i) the aggregate principal amount of such Refinancing Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans (plus accrued interest, fees, discounts, premiums and expenses);

(ii) except as otherwise permitted by this clause (c) and the definition of the term "Permitted Refinancing Obligations" (including with respect to maturity and amortization), all terms applicable to such Refinancing Term Loans shall be substantially identical to, or (when taken as a whole, as shall be determined in good faith by the Borrower) less favorable to the Lenders providing such Refinancing Term Loans than, those applicable to such Refinanced Term Loans, other than for any covenants and other terms applicable solely to any period after the Latest Maturity Date; and

(iii) The Borrower shall notify the Administrative Agent of the date on which the Borrower proposes that such Refinancing Term Loans shall be made, which shall be a date not less than 10 Business Days (or such shorter period as the Administrative Agent may agree to) after the date on which such notice is delivered to the Administrative Agent; provided, that no such

Refinancing Term Loans shall be made, and no amendments relating thereto shall become effective, unless the Borrower shall deliver or cause to be delivered, to the extent reasonably requested by the Administrative Agent, customary legal opinions and certified copies of the resolutions or other applicable corporate action of each applicable Loan Party approving its entry into the relevant documents and the transactions contemplated thereby.

(d) Each Lender hereunder (a) consents to the subordination of the Liens securing the Obligations on the terms set forth in the ABL Intercreditor Agreement, (b) agrees that it will be bound by and will take no actions contrary to the provisions of the ABL Intercreditor Agreement and (c) authorizes and instructs the Administrative Agent and the Collateral Agent to enter into the ABL Intercreditor Agreement, when applicable, on behalf of such Lender. The foregoing provisions are intended as an inducement to the Secured Parties to extend credit to the Borrower and such Secured Parties are intended third party beneficiaries of such provisions and the ABL Intercreditor Agreement. .

(e) Furthermore, notwithstanding the foregoing, if following the Closing Date, the Administrative Agent and the Borrower shall have jointly identified an ambiguity, mistake, omission, defect, or inconsistency, in each case, in any provision of this Agreement or any other Loan Document, then the Administrative Agent and the Borrower shall be permitted to amend such provision and such amendment shall become effective without any further action or consent of any other party to this Agreement or any other Loan Document if the same is not objected to in writing by the Required Lenders within five Business Days following receipt of notice thereof; it being understood that posting such amendment electronically on the Platform to the Required Lenders shall be deemed adequate receipt of notice of such amendment.

(f) Furthermore, notwithstanding the foregoing, this Agreement may be amended, supplemented or otherwise modified in accordance with Sections 2.26, 7.11 and 10.16.

(g) [Reserved].

(h) The Lenders hereby agree that the Borrower may elect at any time after the Closing Date to replace the ABL Facility Agreement with a revolving credit facility or other debt agreement (a "Pari Passu Replacement Agreement") that would be treated as an "ABL Facility Agreement" (as defined in and for the purposes of the applicable provisions of this Agreement) but that would not be asset-based and would be secured by all the Collateral on a pari passu basis with the Obligations that are secured on a first-lien basis pursuant to an Other Intercreditor Agreement, provided that the aggregate principal amount thereunder is permitted by Section 7.2(aa). The Lenders hereby further agree that in connection with the establishment of a Pari Passu Replacement Agreement, this Agreement, the Guarantee and Collateral Agreement and the other Loan Documents may be amended, amended and restated, modified or supplemented to reflect such Pari Passu Replacement Agreement, in each case by the Administrative Agent (or Collateral Agent, as applicable) and the Borrower, but without the consent of any Lender.

10.2 Notices; Electronic Communications.

(a) All notices, requests and demands to or upon the respective parties hereto to be effective shall be in writing (including by telecopy), and, unless otherwise expressly provided herein, shall be deemed to have been duly given or made when delivered or posted to the Platform, or three Business Days after being deposited in the mail, postage prepaid, hand delivered or, in the case of telecopy notice, when sent (except in the case of a telecopy notice not given during normal business hours (New York time) for the recipient, which shall be deemed to have been given at the opening of business on the next Business Day for the recipient), addressed as follows in the case of the Borrower or the Agents, and as set forth in

provided, that any notice, request or demand to or upon the Agents, the Lenders or the Borrower shall not be effective until received.

(b) Notices and other communications to the Lenders hereunder may be delivered or furnished by posting to the Platform or by any electronic communications pursuant to procedures approved by the Administrative Agent; provided, that the foregoing shall not apply to notices pursuant to Section 2 unless otherwise agreed by the Administrative Agent and the applicable Lender. Any Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided, that approval of such procedures may be limited to particular notices or communications.

(c) The Borrower, each Agent and each Lender hereby acknowledges that (i) Holdings, the Borrower and/or the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform") and (ii) certain of the Lenders (each, a "Public Lender") may have personnel who do not wish

to receive information other than information that is publicly available, or not material with respect to Holdings, the Borrower or its Subsidiaries, or their respective securities, for purposes of the United States Federal and state securities laws (collectively, "Public Information"). The Borrower hereby agrees that it will use commercially reasonable efforts to identify that portion of the Borrower Materials that is Public Information and that (w) all such Borrower Materials shall be clearly and conspicuously marked "PUBLIC" which, at a minimum, shall mean that the word "PUBLIC" shall appear prominently on the first page thereof; (x) by marking Borrower Materials "PUBLIC," the Borrower shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as containing only Public Information (although it may be sensitive and proprietary) (provided, however, that to the extent such Borrower Materials constitute Confidential Information, they shall be treated as set forth in Section 10.14); (y) all Borrower Materials marked "PUBLIC" are permitted to be made available through a portion of the Platform designated "Public Side Information;" and (z) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked "PUBLIC" as being suitable only for posting on a portion of the Platform not designated "Public Side Information"; provided, that there is no requirement that the Borrower identify any such information as "PUBLIC."

(d) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Persons (collectively, the "Agent Parties") have any liability to the Borrower, any Lender or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party or any of its Related Persons; provided, however, that in no event shall any Agent Party have any liability to the Borrower, any Lender or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(e) Each of the Borrower and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to such other Person. Each Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrower and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Requirements of Law, including United States Federal securities laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain information other than Public Information.

(f) The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices of borrowing) believed in good faith by the Administrative Agent to be given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

10.3 No Waiver; Cumulative Remedies.

(a) No failure to exercise and no delay in exercising, on the part of any Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

(b) Notwithstanding anything to the contrary contained herein or in any other Loan Document, the authority to enforce rights and remedies hereunder and under the other Loan Documents against the Loan Parties or any of them shall be vested exclusively in, and all actions and proceedings at law in connection with such enforcement shall be instituted and maintained exclusively by, the Administrative Agent in accordance with Section 8.1 for the benefit of all the Lenders; provided, however, that the foregoing shall not prohibit (i) each Agent from exercising on its own behalf the rights and remedies that inure to its benefit (solely in its capacity as Agent) hereunder and under the other Loan Documents, (ii) any Lender from exercising setoff rights in accordance with Section 10.7(b) (subject to the terms of Section 10.7(a)), or (iii) any Lender from filing proofs of claim or appearing and filing pleadings on its own behalf during the pendency of a proceeding relative to any Loan Party under any Debtor Relief Law.

10.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Loan Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans and other extensions of credit hereunder.

10.5 Payment of Expenses; Indemnification. Except with respect to Taxes which are addressed in Section 2.20, the Borrower agrees:

(a) to pay or reimburse each Agent and each Lender for all of its reasonable and documented out-of-pocket costs and expenses incurred in connection with the development, preparation, execution and delivery of this Agreement and the other Loan Documents and any other documents prepared in connection herewith or therewith and any amendment, supplement or modification hereto or thereto, and, as to the Agents only, the administration of the transactions contemplated hereby and thereby, including the reasonable fees and disbursements and other charges of a single firm of counsel to the Agents (plus one firm of special regulatory counsel and one firm of local counsel per material jurisdiction as may reasonably be necessary in connection with collateral matters) in connection with all of the foregoing;

(b) to pay or reimburse each Lender and each Agent for all their reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights under this Agreement, the other Loan Documents and any such other documents referred to in Section 10.5(a) above (including all such costs and expenses incurred in connection with any legal proceeding, including any proceeding under any Debtor Relief Law or in connection with any workout or restructuring), including the documented fees and disbursements of (i) a single firm of counsel and, if necessary, a single

firm of special regulatory counsel and a single firm of local counsel per material jurisdiction as may reasonably be necessary, for the Agents and (ii) a single firm of counsel and, if necessary, a single firm of special regulatory counsel and a single firm of local counsel per material jurisdiction as may reasonably be necessary, for the Lenders, taken as a whole and, in the event of an actual or perceived conflict of interest, where the Agent or Lender affected by such conflict informs the Borrower and thereafter retains its own counsel, one additional counsel for each Lender or Agent or group of Lenders or Agents subject to such conflict; and

(c) to pay, indemnify or reimburse each Lender, each Agent, the Lead Arranger, the Bookrunner and their respective Affiliates, and their respective partners that are natural persons, members that are natural persons, officers, directors, employees, trustees, advisors, agents and controlling Persons (each, an "Indemnitee") for, and hold each Indemnitee harmless from and against any and all other liabilities, obligations, losses, damages, penalties, costs, expenses or disbursements arising out of any actions, judgments or suits of any kind or nature whatsoever, arising out of or in connection with any claim, action or proceeding (any of the foregoing, a "Proceeding") relating to or otherwise with respect to the execution, delivery, enforcement, performance and administration of this Agreement, the other Loan Documents and any such other documents referred to in Section 10.5(a) above and the transactions contemplated hereby and thereby, including any of the foregoing relating to the use of proceeds of the Loans or the violation of, noncompliance with or liability under, any Environmental Law applicable to the operations of the Borrower, any of its Subsidiaries or any of the Properties and the reasonable fees and disbursements and other charges of legal counsel in connection with claims, actions or proceedings by any Indemnitee against the Borrower hereunder (all the foregoing in this clause (c), collectively, the "Indemnified Liabilities");

provided, that, the Borrower shall not have any obligation hereunder to any Indemnitee with respect to Indemnified Liabilities to the extent such Indemnified Liabilities have resulted from (i) the gross negligence or willful misconduct of such Indemnitee or its Related Persons as determined by a court of competent jurisdiction in a final non-appealable decision (or settlement tantamount thereto), (ii) a material breach of the Loan Documents by such Indemnitee or its Related Persons (but not an Agent Indemnitee or Related Person of an Agent Indemnitee) as determined by a court of competent jurisdiction in a final non-appealable decision (or settlement tantamount thereto), (iii) disputes solely among Indemnitees or their Related Persons and not arising from any act or omission by Holdings, Borrower or any of its Subsidiaries (it being understood that this paragraph shall not apply to the indemnification of an Agent or a Lead Arranger in a suit involving an Agent or Lead Arranger, in each case, in its capacity as such, unless such suit has resulted from the gross negligence or willful misconduct of such Agent or Lead Arranger as determined by a court of competent jurisdiction in a final non-appealable decision (or settlement tantamount thereto)) or (iv) any settlement of any Proceeding effected without the Borrower's consent (which consent shall not be unreasonably withheld, conditioned or delayed), but if settled with the Borrower's written consent or if there is a judgment by a court of competent jurisdiction in any such Proceeding, the Borrower shall indemnify and hold harmless each Indemnitee from and against any and all losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with the other provisions of this Section 10.5.

No Indemnitee referred to above shall be liable for any damages arising from the use by unintended recipients of any information or other material distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

For purposes hereof, a "Related Person" of an Indemnitee means (i) if the Indemnitee is any Agent or any of its Affiliates or their respective partners that are natural persons, members that are natural persons, officers, directors, employees, agents and controlling Persons, any of such Agent and its Affiliates and their

respective officers, directors, employees, agents and controlling Persons; provided, that solely for purposes of Section 9, references to each Agent's Related Persons shall also include such Agent's trustees and advisors, and (ii) if the Indemnitee is any Lender or any of its Affiliates or their respective partners that are natural persons, members that are natural persons, officers, directors, employees, agents and controlling Persons, any of such Lender and its Affiliates and their respective officers, directors, employees, agents and controlling Persons. All amounts due under this Section 10.5 shall be payable promptly after receipt of a reasonably detailed invoice therefor. Statements payable by the Borrower pursuant to this Section 10.5 shall be submitted to the Borrower at the address thereof set forth in Section 10.2, or to such other Person or address as may be hereafter designated by the Borrower in a written notice to the Administrative Agent.

The agreements in this Section 10.5 shall survive repayment of the Obligations.

10.6 Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder (other than in accordance with Section 7.4(j)) without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) subject to Sections 2.24 and 2.26(e), no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 10.6.

(b) (i) [Subject to the conditions set forth in paragraph (b)(ii) below, any Lender may, in compliance with applicable law, assign (other than to any Disqualified Institution or a natural person) to one or more assignees including Holdings or any Subsidiary to the extent contemplated by Sections 10.6(h) (each, an "Assignee"), all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(1) the Borrower; provided, that no consent of the Borrower shall be required (x) for an assignment to a Lender, an Affiliate of a Lender, or an Approved Fund (other than a Defaulting Lender) or (y) if an Event of Default has occurred and is continuing; provided, further, that a consent under this clause (1) shall be deemed given if the Borrower shall not have objected in writing to a proposed assignment within five Business Days after receipt by it of a written notice thereof from the Administrative Agent; and]

(2) the Administrative Agent; provided, that no consent of the Administrative Agent shall be required for an assignment to a Lender, an Affiliate of a Lender or an Approved Fund (other than a Defaulting Lender).

(ii) Subject to Sections 2.24 and 2.26(e), assignments shall be subject to the following additional conditions:

(1) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitments or Loans under any Facility, the amount of the Commitments or Loans of the assigning Lender subject to each such assignment (determined as of (I) the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or (II) if earlier, the "trade date" (if any) specified in such Assignment and Assumption) shall not be less than $1,000,000 unless the Borrower and the Administrative Agent otherwise consent; provided, that (1) no such consent of the

Borrower shall be required if an Event of Default under Section 8.1(a) or 8.1(f) has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(2) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption via an electronic settlement system acceptable to the Administrative Agent and the Borrower (or, at the Borrower's request, manually) together with a processing and recordation fee of $3,500 to be paid by either the applicable assignor or assignee (which fee may be waived or reduced in the sole discretion of the Administrative Agent); provided, that only one such fee shall be payable in the case of contemporaneous assignments to or by two or more related Approved Funds; and

(3) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire and all applicable tax forms.

For the purposes of this Section 10.6, "Approved Fund" means any Person (other than a natural person) that is engaged in making, purchasing, holding or investing in bank loans and similar extensions of credit in the ordinary course and that is administered or managed by (I) a Lender, (II) an Affiliate of a Lender, (III) an entity or an Affiliate of an entity that administers or manages a Lender or (IV) an entity or an Affiliate of an entity that is the investment advisor to a Lender. Notwithstanding the foregoing, no Lender shall be permitted to make assignments under this Agreement to any Disqualified Institutions without the written consent of the Borrower.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) below, from and after the effective date specified in each Assignment and Assumption, the Assignee thereunder shall be a party hereto and, to the extent of the Loans and Commitments assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be subject to the obligations under and entitled to the benefits of Sections 2.19, 2.20, 2.21, 10.5 and 10.14). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 10.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c) of this Section 10.6 (and will be required to comply therewith), other than any sale to a Disqualified Institution, which shall be null and void.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement (and the entries in the Register shall be conclusive absent demonstrable error for such purposes), notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an Assignee (except as contemplated by Sections 2.24 and 2.26(e)), the

Assignee's completed administrative questionnaire (unless the Assignee shall already be a Lender hereunder) and all applicable tax forms, the processing and recordation fee referred to in paragraph (b) of this Section 10.6 (unless waived by the Administrative Agent) and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and promptly record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(c) (i) Any Lender may, without the consent of or notice to any Person, in compliance with applicable law, sell participations (other than to any Disqualified Institution) to one or more banks or other entities (a "Participant"), in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided, that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such agreement may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver that (1) requires the consent of each Lender directly and adversely affected thereby pursuant to the proviso to the second sentence of Section 10.1(a) and (2) directly affects such Participant. Subject to paragraph (c)(ii) of this Section 10.6, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.19, 2.20 and 2.21 (if such Participant agrees to have related obligations thereunder (it being understood that the documentation required under Section 2.20 shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 10.6. Notwithstanding the foregoing, no Lender shall be permitted to sell participations under this Agreement to any Disqualified Institutions without the written consent of the Borrower.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.19, 2.20 or 2.21 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent to such greater amounts. No Participant shall be entitled to the benefits of Section 2.20 unless such Participant complies with Section 2.20(e), (g) or (j), as (and to the extent) applicable, as if such Participant were a Lender (it being understood that the documentation required under Section 2.20 shall be delivered to the participating Lender).

(iii) Each Lender that sells a participation, acting solely for U.S. federal income tax purposes as a non-fiduciary agent of the Borrower, shall maintain at one of its offices a register on which it enters the name and addresses of each Participant, and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided, that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans or its other obligations under this Agreement) except to the extent that the relevant parties, acting reasonably and in good faith, determine that such disclosure is necessary to establish that such Commitment, Loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. Unless otherwise required by the IRS, any disclosure required by the foregoing sentence shall be made by the relevant Lender directly and solely to the IRS. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all

purposes of this Agreement, notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (it its capacity as such) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may, without the consent of or notice to the Administrative Agent or the Borrower, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central banking authority, and this Section 10.6 shall not apply to any such pledge or assignment of a security interest; provided, that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or Assignee for such Lender as a party hereto.

(e) The Borrower, upon receipt of written notice from the relevant Lender, agrees to issue Notes to any Lender requiring the same (in the case of an assignment, following surrender by the assigning Lender of all Notes representing its assigned interests).

(f) The Borrower may prohibit any assignment if it would require the Borrower to make any filing with any Governmental Authority or qualify any Loan or Note under the laws of any jurisdiction and the Borrower shall be entitled to request and receive such information and assurances as it may reasonably request from any Lender or any Assignee to determine whether any such filing or qualification is required or whether any assignment is otherwise in accordance with applicable law.

(g) [Reserved]:

(h) Notwithstanding anything to the contrary herein, any Lender may assign all or any portion of its Term Loans of any Tranche hereunder to Holdings or any of its Subsidiaries, but only if:

(i) such assignment is made pursuant to a Dutch Auction open to all Lenders of the same Tranche on a pro rata basis;

(ii) no Default or Event of Default shall have occurred and be continuing before or immediately after giving effect to such assignment;

(iii) the relevant Auction Offeror shall represent and warrant, as of the date of the launch of the Dutch Auction and on the date of any such assignment, that it does not have any material non-public information that has not been disclosed to the Lenders generally (other than to the extent any such Lender does not wish to receive material non-public information with respect to Holdings or its Subsidiaries or any of their respective securities) prior to such date; and

(iv) immediately and automatically, without any further action on the part of Holdings or any of its Subsidiaries, any Lender, the Administrative Agent or any other Person, upon the effectiveness of such assignment of Term Loans from a Lender to the relevant Auction Offeror, such Term Loans and all rights and obligations as a Lender related thereto shall, for all purposes under this Agreement, the other Loan Documents and otherwise, be deemed to be irrevocably prepaid, terminated, extinguished, cancelled and of no further force and effect and such Auction Offeror shall neither obtain nor have any rights as a Lender hereunder or under the other Loan Documents by virtue of such assignment.

(i) Except as provided in Sections 10.6(h), none of Holdings or any of its Subsidiaries may acquire by assignment, participation or otherwise any right to or interest in any of the Commitments or Loans hereunder (and any such attempted acquisition shall be null and void).

(j) [Reserved].

(k) Notwithstanding anything to the contrary contained herein, the replacement of any Lender pursuant to Section 2.24 or 2.26(e) shall be deemed an assignment pursuant to Section 10.6(b) and shall be valid and in full force and effect for all purposes under this Agreement.

(l) Any assignor of a Loan or Commitment or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or purchaser of such participation in the relevant Assignment and Assumption or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution. None of the Agents shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Institution or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Institution.

10.7 Adjustments; Set off.

(a) Except to the extent that this Agreement provides for payments to be allocated to a particular Lender or to the Lenders under a particular Facility, if any Lender (a "Benefited Lender") shall at any time receive any payment of all or part of the Obligations owing to it, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by setoff, pursuant to events or proceedings of the nature referred to in Section 8.1(f), or otherwise) in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Obligations, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Obligations, or shall provide such other Lenders with the benefits of any such collateral, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral ratably with each of the Lenders; provided, however, that (i) if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest and (ii) the provisions of this Section 10.7 shall not be construed to apply to any payment made by any Loan Party pursuant to and in accordance with the express terms of this Agreement (including prepayments received pursuant to Sections 10.6(h)) or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or Participant.

(b) In addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Borrower, any such notice being expressly waived by the Borrower to the extent permitted by applicable law, upon any amount becoming due and payable by the Borrower hereunder (whether at the stated maturity, by acceleration or otherwise) after the expiration of any cure or grace periods, to set off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final but excluding trust accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any Affiliate, branch or agency thereof to or for the credit or the account of the Borrower. Each Lender agrees promptly to notify the Borrower and the Administrative Agent after any such setoff and application made by such Lender; provided, that the failure to give such notice shall not affect the validity of such setoff and application.

10.8 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts, and all of said counterparts taken together shall be deemed to constitute one and the same instrument. Delivery of an executed signature page of this Agreement by facsimile or electronic (i.e., "pdf" or "tiff") transmission shall be effective as delivery of a

manually executed counterpart hereof. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

10.9 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.10 Integration. This Agreement and the other Loan Documents represent the entire agreement of the Borrower, the Agents and the Lenders with respect to the subject matter hereof and thereof.

10.11 GOVERNING LAW. **THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAWS TO THE EXTENT THAT THE SAME ARE NOT MANDATORILY APPLICABLE BY STATUTE AND THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.**

10.12 Submission to Jurisdiction; Waivers. Each party hereto hereby irrevocably and unconditionally:

(a) submits for itself and its Property in any legal action or proceeding relating to this Agreement and the other Loan Documents to the exclusive general jurisdiction of the Supreme Court of the State of New York for the County of New York (the "New York Supreme Court"), and the United States District Court for the Southern District of New York (the "Federal District Court" and, together with the New York Supreme Court, the "New York Courts"), and appellate courts from either of them; provided, that nothing in this Agreement shall be deemed or operate to preclude (i) any Agent from bringing suit or taking other legal action in any other jurisdiction to realize on the Collateral or any other security for the Obligations (in which case any party shall be entitled to assert any claim or defense, including any claim or defense that this Section 10.12 would otherwise require to be asserted in a legal action or proceeding in a New York Court), or to enforce a judgment or other court order in favor of the Administrative Agent or the Collateral Agent, (ii) any party from bringing any legal action or proceeding in any jurisdiction for the recognition and enforcement of any judgment and (iii) if all such New York Courts decline jurisdiction over any person, or decline (or in the case of the Federal District Court, lack) jurisdiction over any subject matter of such action or proceeding, a legal action or proceeding may be brought with respect thereto in another court having jurisdiction;

(b) consents that any such action or proceeding may be brought in the New York Courts and appellate courts from either of them, and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to it at its address set forth in Section 10.2 or at such other address of which the Administrative Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law;

(e) expressly acknowledges and agrees, to the fullest extent it may lawfully do so, that (i) if the payment of any Initial Term Loans is accelerated or any Initial Term Loans otherwise become due and payable (including prior to the Term Maturity Date applicable thereto), including as a result of any Event of Default (including, but not limited to, upon the occurrence of a bankruptcy or insolvency event (including the acceleration of claims by operation of law)), in each case, prior to the second anniversary of the Closing Date, the Applicable Premium with respect to such Initial Term Loans will also be due and payable as though such Initial Term Loans were otherwise redeemed or repaid, prepaid or mandatorily assigned prior to the second anniversary of the Closing Date, and in all cases the Applicable Premium shall constitute part of the Obligations, in view of the impracticability and extreme difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each applicable Lender's lost profits as a result thereof, (ii) such Applicable Premium (x) shall be presumed to be the liquidated damages sustained by each such Lender as the result any redemption (including prior to the Term Maturity Date applicable to such Initial Term Loans) and (y) is reasonable under the circumstances currently existing, (iii) such Applicable Premium shall also be payable in the event that any Initial Term Loans are satisfied or released by foreclosure (whether by power of judicial proceeding or otherwise), deed in lieu of foreclosure or by any other means, (iv) THE BORROWER EXPRESSLY WAIVES THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE APPLICABLE PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION INCLUDING WITH ANY VOLUNTARY OR INVOLUNTARY ACCELERATION PURSUANT TO ANY INSOLVENCY PROCEEDING PURSUANT TO ANY DEBTOR RELIEF LAW, (v) such Applicable Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel, (vi) such Applicable Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made, (vii) there has been a course of conduct between the applicable Lenders and the Borrower giving specific consideration in this transaction for such agreement to pay such Applicable Premium, (viii) the Borrower shall be estopped hereafter from claiming differently than as agreed to in this clause (e) and otherwise in this Agreement and (ix) the Borrower's agreement to pay the Applicable Premium to applicable Lenders as herein described is a material inducement to such Lenders to make the Initial Term Loans; and

(f) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 10.12 any special, exemplary, punitive or consequential damages (provided, that such waiver shall not limit the indemnification obligations of the Loan Parties to the extent such special, exemplary, punitive or consequential damages are included in any third party claim with respect to which the applicable Indemnitee is entitled to indemnification under Section 10.5).

10.13 Acknowledgments. The Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents;

(b) neither the Agents nor any Lender has any fiduciary relationship with or duty to the Borrower arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Agents and Lenders, on the one hand, and the Borrower, on the other hand, in connection herewith or therewith is solely that of debtor and creditor;

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower and the Lenders;

(e) the Agents and the Lenders, on the one hand, and the Borrower, on the other hand, have an arms-length business relationship,

(h) none of the Agents or the Lenders (in their capacities as such) has advised the Borrower as to any legal, tax, investment, accounting or regulatory matters in any jurisdiction (including the validity, enforceability, perfection or avoidability of any aspect of any of the transactions contemplated hereby under applicable law, including the Bankruptcy Code or any consents needed in connection therewith), and none of the Agents or the Lenders (in their capacities as such) shall have any responsibility or liability to the Borrower with respect thereto and the Borrower has consulted with its own advisors regarding the foregoing to the extent it has deemed appropriate.

To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Agents and the Lenders with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

10.14 Confidentiality. Each of the Agents and the Lenders agree to treat any and all information, regardless of the medium or form of communication, that is disclosed, provided or furnished, directly or indirectly, by or on behalf of the Borrower or any of its Affiliates in connection with this Agreement or the transactions contemplated hereby (including any potential amendments, modifications or waivers, or any request therefor), whether furnished before or after the Closing Date ("Confidential Information"), as strictly confidential and not to use Confidential Information for any purpose other than evaluating the Transactions and negotiating, making available and administering this Agreement (the "Agreed Purposes"). Without limiting the foregoing, each Agent and each Lender agrees to treat any and all Confidential Information with adequate means to preserve its confidentiality, and each Agent and each Lender agrees not to disclose Confidential Information, at any time, in any manner whatsoever, directly or indirectly, to any other Person whomsoever, except:

(1) to its partners that are natural persons, members that are natural persons, directors, officers, employees, counsel, advisors, trustees and Affiliates (collectively, the "Representatives"), to the extent necessary to permit such Representatives to assist in connection with the Agreed Purposes (it being understood that the Representatives to whom such disclosure is made will be informed of the confidential nature of such Confidential Information and instructed to keep such Confidential Information confidential, with the applicable Agent or Lender responsible for the breach of this Section 10.14 by such Representatives as if they were party hereto);

(2) to any pledgee referred to in Section 10.6(d) and prospective Lenders and Participants in connection with the secondary trading of the Facilities and Commitments and Loans hereunder (excluding any Disqualified Institution), in each case who are informed of the confidential

(3) to any party or prospective party (or their advisors) to any swap, derivative or similar transaction under which payments are made by reference to the Borrower and the Obligations, this Agreement or payments hereunder, in each case who are informed of the confidential nature of the information and agree to observe and be bound by standard confidentiality terms at least as favorable to the Borrower and its Affiliates as those contained in this Section 10.14;

(10) to the extent the Borrower has consented to such disclosure in writing;

(11) to any other party to this Agreement;

(12) to the extent that such information is received from a third party that is not, to such Agent or Lender's knowledge, subject to contractual or fiduciary confidentiality obligations owing to the Borrower and its Affiliates and their Related Parties;

(13) to the extent that such information is independently developed by such Agent or Lender; or

Each Agent and each Lender acknowledges that (i) Confidential Information includes information that is not otherwise publicly available and that such non-public information may constitute confidential business information which is proprietary to the Borrower and/or its Affiliates and (ii) the Borrower has advised the Agents and the Lenders that it is relying on the Confidential Information for its success and would not disclose the Confidential Information to the Agents and the Lenders without the confidentiality provisions of this Agreement. Notwithstanding any other provision of this Agreement, any other Loan Document or any Assignment and Assumption, the provisions of this Section 10.14 shall survive with respect to each Agent and Lender until the second anniversary of such Agent or Lender ceasing to be an Agent or a Lender, respectively.

10.15 Release of Collateral and Guarantee Obligations; Subordination of Liens.

(a) Notwithstanding anything to the contrary contained herein or in any other Loan Document, upon request of the Borrower in connection with any Disposition of Property permitted by the Loan Documents (including by way of merger and including any assets transferred to a Subsidiary that is not a Loan Party in a transaction permitted by this Agreement) or any Loan Party becoming an Excluded Subsidiary (other than pursuant to clause (b) of the definition thereof[, unless such Loan Party so becomes such an Excluded Subsidiary as a result of a joint venture or other strategic transaction permitted hereunder that was not entered into for the primary purpose of releasing the Guarantee of such Loan Party]) or ceasing to be a Subsidiary (as used in this Section 10.15, "ceasing to be a Subsidiary" with respect to any Loan Party shall mean that no Loan Party or Affiliate thereof shall have retained any direct or indirect equity interests in such Person), all Liens and Guarantees on such assets or all assets of such Excluded Subsidiary or former Subsidiary shall automatically terminate and the Collateral Agent shall (without notice to, or vote or consent of, any Lender) execute and deliver all releases reasonably necessary or desirable (i) to evidence the release of Liens created in any Collateral being Disposed of in such Disposition (including any assets of any Loan Party that becomes an Excluded Subsidiary) or of such Excluded Subsidiary or former Subsidiary, as applicable, (ii) to provide notices of the termination of the assignment of any Property for which an assignment had been made pursuant to any of the Loan Documents which is being Disposed of in such Disposition or of such Excluded Subsidiary or former Subsidiary, as applicable, and (iii) to release the Guarantee and any other obligations under any Loan Document of any Person being Disposed of in such Disposition or which becomes an Excluded Subsidiary or former Subsidiary, as applicable; *provided*, that to the extent the Property being so Disposed of has a Fair Market Value in excess of $[25,000,000], the Borrower shall deliver a certificate of a Responsible Officer certifying that the Disposition is permitted by the Loan Documents. Any representation, warranty or covenant contained in any Loan Document relating to any such Property so Disposed of (other than Property Disposed of to the Borrower or any of its Subsidiaries) or of a Loan Party which becomes an Excluded Subsidiary or former Subsidiary, as applicable, shall no longer be deemed to be repeated once such Property is so Disposed of. In addition, upon the reasonable request of the Borrower in connection with (A) any Lien of the type permitted by Section 7.3(g) on Excluded Collateral to secure Indebtedness to be incurred pursuant to Section 7.2(c) (or pursuant to Section 7.2(d), 7.2(j), or 7.2(v) if such Indebtedness is of the type that is contemplated by Section 7.2(c)) if the holder of such Lien so requires, (B) any Lien securing Indebtedness pursuant to Section 7.2(t)(x) if the holder of such Lien so requires and pursuant to Section 7.2(t)(y) if the holder of such Lien so requires and if the holder of the applicable Indebtedness being refinanced also so requires, and in each case to the extent constituting Excluded Collateral, (C) any Lien of the type permitted by Sections 7.3(o), 7.3(r)(i), 7.3(t) or

7.3(bb), in each case, to the extent the obligations giving rise to such permitted Lien prohibit (or require the release of) the security interest of the Collateral Agent thereon, or Section 7.3(kk) to the extent constituting Excluded Collateral, or (D) the ownership of joint ventures or other entities qualifying under clause (iv) of the definition of Excluded Equity Securities, the Collateral Agent shall execute and deliver all releases necessary or desirable to evidence that no Liens exist on such Excluded Collateral under the Loan Documents.

(b) Notwithstanding anything to the contrary contained herein or any other Loan Document, when all Obligations (other than any contingent or indemnification obligations not then due) have been paid in full and all Commitments have terminated or expired, upon the request of the Borrower, all Liens and Guarantee Obligations under any Loan Documents shall automatically terminate and the Collateral Agent shall (without notice to, or vote or consent of, any Lender) take such actions as shall be required to release its security interest in all Collateral, and to release all Guarantee Obligations under any Loan Document, whether or not on the date of such release there may be contingent or indemnification obligations not then due. If any such notices are given then, regardless of whether such notice is given prior to or following such Accounting Change, until such time as such an amendment shall have been executed and delivered by the Borrower, the Administrative Agent and the Required Lenders and have become effective, all financial ratios, covenants, standards and terms in this Agreement shall continue to be calculated or construed as if such Accounting Changes had not occurred. REVLON TALC PERSONAL INJURY LIQUIDATING TRUST DISTRIBUTION PROCEDURES

The Trust Distribution Procedures of the Revlon Talc Personal Injury Liquidating Trust contained herein set forth procedures for resolution of Talc Personal Injury Claims, as defined in and to the extent provided in connection with the *First Amended Joint Plan of Reorganization of Revlon, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code*, filed February 21, 2023 [Docket No. 1507] (as it may be amended or modified), as provided in the Revlon Talc Personal Injury Liquidating Trust Agreement.[1] The Trustee of the PI Trust shall implement and administer this TDP in consultation with the Trust Advisory Committee in accordance with the Trust Agreement.[2]

SECTION I

INTRODUCTION

1.1. Purpose. This TDP has been adopted pursuant to the Trust Agreement. The purpose of this TDP is to provide fair, equitable and substantially similar treatment for and

[1] Capitalized terms used, but not defined herein, shall have the meaning ascribed to them in the Trust Agreement or Plan, as applicable.

[2] This TDP is established solely to implement the Plan and Plan Settlement. Nothing in this TDP or any other Definitive Document is intended to be, nor shall it be construed as, an admission by the Debtors as to any Talc Claim, nor shall any Definitive Document, including this TDP, or any component thereof be admissible as evidence of, or have any *res judicata*, *collateral estoppel*, or other preclusive or precedential effect regarding, (i) any alleged asbestos contamination in any product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors or for which the Debtors otherwise have legal responsibility, or (ii) any liability of the Debtors, or the amount of any alleged liability, in respect of any personal injury actually or allegedly caused by any talc-containing allegedly asbestos-contaminated product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors or for which the Debtors otherwise have legal responsibility. Likewise, no decision of the Trustee or TAC to approve or make any distribution upon any Talc Claim shall be admissible as evidence of, or have any *res judicata*, *collateral estoppel*, or other preclusive or precedential effect regarding, liability to be imposed against Revlon, Inc., its Affiliates, or any other entity other than the PI Trust. The order of the Bankruptcy Court confirming the Plan shall constitute findings and orders with regard to the foregoing paragraph.

among each holder of a Talc Claim (a "**Claimant**") in an efficient manner. To achieve maximum fairness and efficiency, this TDP is founded on the following principles:

(a) Objective eligibility criteria;

(b) Clear and reliable proof requirements;

(c) Administrative transparency;

(d) Rigorous review processes that generate consistent outcomes regardless of the asserted amount of the Talc Claim; and

(e) Independence of the Trustee and the Trust's professionals.

SECTION II

PAYMENT OF TALC CLAIMS

2.1. Claims Liquidation Procedures. The PI Trust shall take all reasonable steps to resolve Talc Claims as efficiently and expeditiously as possible at each stage of claims processing.

2.2. Initial Distribution. The Trustee intends to make only a single distribution to all or substantially all holders of eligible Talc Claims with Final Determinations at the end of the Claims Determination Process for all eligible Talc Claims; provided, however, if the Trustee determines to proceed to a distribution on account of substantially all holders of eligible Talc Claims with Final Determinations, the Trustee shall establish adequate reserves for Talc Claims that have not yet received a Final Determination. Notwithstanding any provision in the Trust Agreement, the Plan or the Confirmation Order to the contrary, the Trustee, in the Trustee's sole discretion, may decline to make any distribution of $100 or less, due to the economic inefficiency of making a distribution of such a *de minimis* amount.

2.3. Application of Payment Percentage. At the end of the Claims Determination Process for all or substantially all holders of eligible Talc Claims with Final Determinations, the Trustee shall set a payment percentage to be applied to all Final Determinations, based on

his or her estimate of the PI Trust's assets and liabilities, if any, as well as the then-estimated value on account of all Final Determinations (the "**Payment Percentage**"). Each Claimant with a Final Determination will receive a distribution from the PI Trust equal to his or her Final Determination multiplied by the Payment Percentage, in each case in accordance with Section 2.4 hereof.

2.4. Requirement of Release. The PI Trust shall make payment of the Payment Percentage on account of a Final Determination to a Claimant (or such Claimant's counsel on account of such Claimant) only after the PI Trust has received a properly executed release from the Claimant in the form attached hereto as Schedule 1, as may be amended in accordance with Section 6.1 hereof or by order of the Bankruptcy Court.

SECTION III

RESOLUTION OF TALC CLAIMS

3.1. Effect of Statutes of Limitation and Repose. All Talc Claims must meet either (i) the applicable federal, state or foreign statute of limitation and repose that was in effect at the time of the filing of the claim in the tort system, in the case of claims first filed in the tort system against the Debtors prior to the Petition Date, or (ii) the applicable federal, state or foreign statute of limitation that was in effect at the time of the filing of a proof of claim in the Debtors' Chapter 11 Cases, in the case of claims not filed against the Debtors in the tort system prior to the Petition Date. Notwithstanding the foregoing, the relevant statute of limitation shall be deemed tolled, with respect to a Claimant, as of the earliest of: (A) the actual filing by such Claimant of the claim against the Debtors prior to the Petition Date, whether in the tort system or by submission of the claim to the Debtors pursuant to an administrative settlement agreement; (B) the date provided by an agreement or otherwise, by the Debtors and such Claimant, prior to the Petition Date for the tolling of the claim against

the Debtors, provided such tolling was still in effect on the Petition Date; or (C) the Petition Date.

If a Talc Claim meets any of the tolling provisions described in the preceding sentence and the claim was not barred by the applicable federal, state or foreign statute of limitation at the time of the tolling event, it shall be treated as a timely filed Talc Claim (i) if it was timely filed in accordance with the Bar Date Order, or (ii) upon entry of an Order of the Bankruptcy Court, following notice to interested parties including but not limited to the Trustee and the Reorganized Debtors, permitting such Talc Claim to be deemed timely filed for the purposes of this TDP.

3.2. Resolution Process. Within three (3) months after the Effective Date, the Trustee shall adopt written procedures for reviewing and liquidating Talc Claims pursuant to this TDP. Such procedures shall require Claimants to file a claim submission in form approved by the Trustee (the "**Claim Submission Form**"), together with the required supporting documentation, in accordance with the provisions of Sections 4.1 and 4.2 below, not later than a date to be determined by the Trustee in consultation with the TAC, which date shall be no less than four (4) months after the Effective Date. It is anticipated that the PI Trust shall provide an initial response to the Claimant within one hundred eighty (180) days of receiving the Claim Submission Form.

The Claim Submission Form shall require the Claimant to elect either Matrix Review in accordance with Section 3.3.1.7 or, if ineligible for Matrix Review, Individual Review in accordance with Section 3.3.3. The Claim Submission Form shall require a Claimant electing Matrix Review to assert his or her Talc Claim for the highest Mesothelioma Compensation Level ("**MCL**") for which the Talc Claim qualifies at the time of filing.

Notwithstanding a Claimant's timely filing of a Talc Claim pursuant to Section 3.1 hereof, if a Claimant does not submit a completed Claim Submission Form prior to the deadline set by the Trustee, the Claimant's claim shall be disallowed (a "**Disallowed Claim**"); provided, however, the Trustee shall have the discretion to waive any deficiency of any Claim Submission Form that the Trustee determines in his or her discretion to be appropriate for an extended Claim Submission Form deadline. For the avoidance of doubt, no more than one Talc Claim may be asserted on behalf of any IP, and the Trustee shall have the discretion to disallow any Talc Claim or portion thereof that is duplicative of another Talc Claim asserted on behalf of any IP.

3.3. Talc Claims Determination Process

3.3.1 Review Process.

3.3.1.1 In General. This TDP will govern the process by which each Talc Claim is reviewed, including determining whether a Talc Claim is eligible or ineligible for payment and, if eligible, the amount approved for payment (the "**Claims Determination Process**"). After the Trust has fully evaluated a Talc Claim, the Trust will issue a notice to the Claimant explaining the review result. If the Talc Claim has been approved and is eligible for payment, then the notice will include the specific amount that the Trust has approved (the "**Approved Claim Amount**"). If the Claimant accepts the Approved Claim Amount, it becomes the final determination of the Talc Claim (the "**Final Determination**"). If the Talc Claim is missing documents or information required for the Trust to fully evaluate the Talc Claim (a "**Deficient Claim**"), the notice will explain what is required and provide a timeline within which the Claimant may resolve the deficiencies. If the Talc Claim is ineligible for

payment from the PI Trust pursuant to this TDP, the notice will explain the reason(s) that the Talc Claim is ineligible and deemed a Disallowed Claim.

3.3.1.2 Pre-Petition Settled Claims. The Claim Submission Form shall permit Claimants to submit a Talc Claim subject to a settlement agreement with the Debtors that was fully executed on or before June 15, 2022 (respectively, a "**Pre-Petition Settled Claim**" and a "**Pre-Petition Settlement Agreement**").

3.3.1.3 A Claimant with a Pre-Petition Settled Claim may elect the Approved Claim Amount to be (i) the unpaid amount agreed to in the Pre-Petition Settlement Agreement (the "**Settlement Value**"), or alternatively, (ii) the "**TDP Matrix Value**". If the Claimant elects the Approved Claim Amount to be the TDP Matrix Value rather than the Settlement Value, the Claimant shall be bound by the MCL either (x) as identified in the Pre-Petition Settlement Agreement or, (y) if not so identified in the Pre-Petition Settlement Agreement, as asserted by the Claimant in writing in litigation or negotiations with the Debtors; provided, however, in the case of either (x) or (y) such Claimant shall be required to satisfy the Medical/Exposure Criteria set forth for Matrix Review in this TDP, including in accordance with Section 3.3.1.7 hereof. For the avoidance of doubt, for Claimants with a Pre-Petition Settled Claim electing a TDP Matrix Value, any applicable Adjustment Factors shall be applied as of the date of the Trustee's review of the Talc Claim.

3.3.1.4 A Claimant with a Pre-Petition Settled Claim that cannot demonstrate assertion of an MCL in accordance with Section 3.3.1.3 may elect either the Settlement Value or TDP Matrix Value by satisfying the Medical/Exposure Criteria for any MCL set forth in this TDP.

3.3.1.5 Notwithstanding the foregoing, a Claimant asserting a Pre-Petition Settled Claim, who is determined by the PI Trust not to have a qualifying Pre-Petition

Settled Claim, may nevertheless proceed with a Talc Claim in accordance the procedures set forth in this TDP for Talc Claims that are not Pre-Petition Settled Claims.

3.3.1.6 Matrix Review: MCLs, Scheduled Values and Medical/Exposure Criteria. Claimants with Talc Claims in connection with malignant mesothelioma diagnosis shall be eligible for Matrix Review. The Matrix Review of this TDP establishes a schedule of two talc-related "**MCLs**" for Claimants in connection with a malignant mesothelioma diagnosis of the Claimant's injured party ("**IP**"); each MCL has "**Medical/Exposure Criteria**" and "**Scheduled Values**." For the avoidance of doubt, a Talc Claim of an IP with more than extremely nominal Non-Talc Asbestos-Containing Product Exposure (as determined by the Trustee in his or her sole discretion) is not eligible for compensation from the PI Trust under this TDP and shall be deemed a Disallowed Claim.

3.3.1.7 "**Matrix Review**" shall mean the review and valuation of Talc Claims in accordance with the schedule set forth in this Section 3.3.1.7; the Scheduled Value, subject to modification for "Adjustment Factors" as set forth in Section 3.3.2, shall be the Approved Claim Amount. The two MCLs covered by this TDP, together with the Medical/Exposure Criteria and the Scheduled Values for each, are set forth below.

MCL	SCHEDULED VALUE	MAXIMUM VALUE	MEDICAL/EXPOSURE CRITERIA
Level 1	$350,000	$700,000	(1) Diagnosis of malignant mesothelioma; (2) At least three years of regular and routine Debtor Cosmetic Talc Exposure; Debtor Cosmetic Talc Exposure comprises 50-100% of Total Talc Exposure.

			(3) Subject to 75% reduction in Matrix Value for extremely nominal Non-Talc Asbestos-Containing Product Exposure.
Level 2	$50,000	$100,000	(1) Diagnosis of malignant mesothelioma; (2) At least three years of regular and routine Debtor Cosmetic Talc Exposure; Debtor Cosmetic Talc Exposure comprises less than 50% of Total Talc Exposure. (3) Subject to 75% reduction in Matrix Value for extremely nominal Non-Talc Asbestos-Containing Product Exposure.

An "**Extraordinary Claim**" shall require regular and routine Debtor Cosmetic Talc Exposure comprising 90% or more of the IP's Total Talc Exposure, and no Non-Talc Asbestos-Containing Product Exposure. Such Extraordinary Claim shall be entitled to up to two times the TDP Matrix Value for MCL 1 (for the avoidance of doubt, the TDP Matrix Value shall include the application of all Adjustment Factors, but shall not exceed the Maximum Value, provided that an Extraordinary Claim may receive a TDP Matrix Value up to two times greater than the Maximum Value for MCL 1). For the avoidance of doubt, a Talc Claim of an IP with more than extremely nominal Non-Talc Asbestos-Containing Product Exposure (as determined by the Trustee in his or her sole discretion) is not eligible for compensation from the PI Trust under this TDP and shall be deemed a Disallowed Claim.

3.3.2 Adjustment Factors to Scheduled Values.

The Trustee shall determine the Approved Claim Amount based on the determination of the Claimant's appropriate Scheduled Value pursuant to section 3.3.1.7 above and additionally Adjustment Factors. Adjustment Factors shall be with respect to the IP. Adjustment Factors shall be (i) Age Factor, (ii) Dependents Factor, and (iii) Economic Loss Factor. Adjustment Factors shall be a multiplier of the Claimant's Scheduled Value; after the multiplier(s), the Approved Claim Amount shall be the lesser of (i) the product of the Scheduled Values and Adjustment Factors and (ii) the Maximum Value.

3.3.2.1 Age Factor

The Trustee will determine the Age Factor based on the earlier of the IP's first diagnosis of talc-related malignancy and the IP's death date (the "**IP Age**"). The Trustee will assign an Age Factor in the following manner:

Age Factor	**Age**
0.5	Over 80 years old
0.75	71-80 years old
1.0	65-70 years old
1.25	46-64 years old
1.5	45 years old or under

3.3.2.2 Dependents Factor

The Trustee will determine a "**Dependents Factor**" based on the IP's dependents (including spouses, minor children, adult disabled dependent children, and dependent minor grandchildren) in the following manner:

Dependents Factor	Dependents
0.5	No dependents
0.75	No spouse, other dependents
1.0	Spouse, no other dependents
1.25	Spouse and other dependents

3.3.2.3 Economic Loss Factor

Claimants may elect (but are not required) to document economic losses related to the IP's loss of earnings, pension, social security, home services, medical expenses, and funerary expenses. Subject to review and substantiation of such documents, the Trust will assign an "**Economic Loss Factor**" in the following manner:

Economic Loss Factor	Documented Economic Loss
1.0	<$200,000
1.0 + .001 for every thousand dollars of economic loss above $200,000, up to $450,000	$200,000 - $450,000
1.25	>$450,000

3.3.3 Individual Review.

In lieu of Matrix Review and Adjustment Factors, a Claimant, either (i) by choice following rejection of the Approved Claim Amount and prior to commencing arbitration pursuant to section 3.5 hereof or (ii) due to ineligibility for Matrix Review, may elect to have an individual review (the "**Individual Review**"). Individual Review shall be mandatory for all Claimants not eligible for Matrix Review due to the absence of a

malignant mesothelioma diagnosis. For the avoidance of doubt, a Talc Claim of an IP with more than extremely nominal Non-Talc Asbestos-Containing Product Exposure (as determined by the Trustee in his or her sole discretion) is not eligible for compensation from the PI Trust under this TDP and shall be deemed a Disallowed Claim.

Prior to the commencement of Individual Review, the Trustee shall require the Claimant to provide (i) such additional medical and other evidence deemed appropriate pursuant to Section 3.4 hereof, including evidence relevant to the Adjustment Factors set forth above, which for the avoidance of doubt shall include (i) a "**Linking Report**" of a qualified expert concerning the causes of the IP's injury, and (ii) a non-refundable commencement fee of $50. In the event an Individual Review results in an Approved Claim Award and a Final Determination, the Trustee shall add $50 to the amount to be disbursed to the Claimant pursuant to Section 2.4 as a rebate of such commencement fee.

3.4. Evidentiary Requirements.

3.4.1 Evidence.

3.4.1.1 In General. All diagnoses of a talc-related malignancy, whether or not relating to asbestos contamination, shall be based upon either (i) a physical examination of the IP by the physician providing the diagnosis of the talc-related or asbestos-related disease, or (ii) a diagnosis of such malignancy by a board-certified pathologist or by a pathology report prepared at or on behalf of a hospital accredited by the Joint Commission on Accreditation of Healthcare Organizations. All diagnoses of a malignancy shall be accompanied by either (i) a statement by the physician providing the diagnosis that at least ten (10) years have elapsed between the date of first exposure to allegedly asbestos-

contaminated talc or talc-containing products and the diagnosis, or (ii) a history of the IP's exposure.[3]

3.4.1.2 Pre-Petition Claimant Submissions. If a Claimant with a Talc Claim arising from a claim that was filed against the Debtors or any other defendant in the tort system prior to the Petition Date has available a report of a diagnosing physician engaged by the Claimant or his or her counsel who conducted a physical examination of the IP as described in Section 3.4.l.1, or if the Claimant has filed such medical evidence and/or a diagnosis of the talc-related disease by a physician not engaged by the Claimant or his or her counsel who conducted a physical examination of the Claimant with another talc-related personal injury settlement trust that requires such evidence, without regard to whether the Claimant or counsel engaged the diagnosing physician, the Claimant shall provide such medical evidence to the PI Trust.

3.4.1.3 Credibility of Medical Evidence. Before making any payment to a Claimant, the PI Trust must have reasonable confidence that the medical evidence provided in support of the Talc Claim is credible and consistent with recognized medical standards. The PI Trust may require the submission of X-rays, CT scans, detailed results of pulmonary function tests, laboratory tests, tissue samples, results of medical examination or reviews of other medical evidence, and may require that medical evidence submitted comply with recognized medical standards regarding equipment, testing methods and procedures to assure that such evidence is reliable. Medical evidence (i) that is of a kind shown to have been received in evidence by a state or federal judge at trial, (ii) that is consistent with evidence submitted to the Debtors to settle for payment similar disease cases

[3] All diagnoses of mesothelioma shall be presumed to be based on findings that the disease involves a malignancy. However, the Trust may rebut such presumptions.

prior to the Debtors' bankruptcy, or (iii) that is a diagnosis by a physician shown to have previously qualified as a medical expert with respect to the talc-related disease in question before a state or federal judge, is presumptively reliable, although the PI Trust may rebut the presumption. In addition, Claimants who otherwise meet the requirements of this TDP for a Final Determination shall be paid in accordance with this TDP regardless of the results in any litigation at any time between the Claimant and any other defendant in the tort system. However, any relevant evidence submitted in a proceeding in the tort system, other than any findings of fact, a verdict, or a judgment, involving another defendant may be used by either the Claimant or the PI Trust in the Claims Determination Process of any Talc Claims under this TDP.

3.4.2 Exposure Evidence.

3.4.2.1 In General. As set forth in Section 3.3.3 above, to qualify for any MCL or Approved Claim Amount through Individual Review, the Claimant must demonstrate a minimum exposure to talc-containing products, or to conduct that exposed the Claimant to a talc-containing allegedly asbestos-contaminated product, for which the Debtors have liability. Any claim based on conspiracy theories that involve no exposure to a talc-containing allegedly asbestos-contaminated product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors are not compensable under this TDP. To meet the exposure requirements set forth in Section 3.3.1 above, the Claimant must show Debtor Cosmetic Talc Exposure as defined in Section 3.4.2.2 below.

3.4.2.2 Debtor Cosmetic Talc Exposure. The Claimant must demonstrate meaningful and credible evidence of (a) exposure of the IP to a talc-containing cosmetic product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors or for which the Debtors otherwise have legal responsibility, or (b)

conduct for which the Debtor has legal responsibility that exposed the IP to such talc-containing cosmetic product (in either case, "**Debtor Cosmetic Talc Exposure**"). That meaningful and credible exposure evidence may be established by an affidavit or sworn statement of the IP, by an affidavit or sworn statement of a family member in the case of a deceased or incapacitated IP (providing the PI Trust finds such evidence reasonably reliable), or by other credible evidence.

3.4.2.3 Non-Debtor Exposure. The Claimant's submission of such meaningful and credible exposure evidence shall also include the Claimant's estimation of all other exposure of the IP to talc, asbestos and asbestos-containing products known to cause the malignancy for which the IP has been diagnosed.

3.4.2.4 Non-Talc Asbestos-Containing Product Exposure. The specific exposure information required by the PI Trust to review a Talc Claim shall be set forth on the Claim Submission Form. The PI Trust can also require submission of other or additional evidence of exposure, and may seek and review evidence from additional sources, when it deems such to be necessary to assess the entirety of the IP's exposure to talc, asbestos, and related products in connection with a Talc Claim against the Debtors.

Evidence submitted by a Claimant to establish proof of Debtor Cosmetic Talc Exposure is for the sole benefit of the PI Trust, not third parties or defendants in the tort system. The PI Trust has no need for, and therefore Claimants are not required to furnish the PI Trust with evidence of, exposure to specific allegedly asbestos-contaminated talc or talc-containing products other than those for which the Debtors have legal responsibility, except to the extent such evidence is required elsewhere in this TDP. Similarly, failure to identify Debtors' products in the Claimant's underlying tort action, or to other bankruptcy trusts, does

not preclude the Claimant from having an eligible Talc Claim under this TDP, provided the Claimant satisfies the medical and exposure requirements of this TDP.

3.5. Right to Arbitration. The Trustee, with the consent of the TAC, shall develop and adopt "**ADR Procedures**," which shall provide for binding arbitration to resolve disputes concerning (a) the Approved Claim Amount or (b) whether the IP's medical condition or exposure history meets the requirements of this TDP for purposes of categorizing a claim, and shall allocate the costs of such resolution to the Claimant. The ADR Procedures may be modified by the Trust, with the consent of the TAC, and subject to the procedures and requirements for amendment of this TDP set forth in Section 6.1 hereof. Not later than one (1) month following the Trustee's issuance of an Approved Claim Amount for any Talc Claim, the Claimant may request arbitration pursuant to the ADR Procedures. The decision of the arbitrator after arbitration shall be final and any Approved Claim Amount determined by the arbitrator (which may be zero) shall be treated in accordance with Section 3.3.1.1 hereof.

In all arbitrations, the arbitrator shall consider the same medical and exposure evidentiary requirements that are set forth in Section 3.4 above. In an arbitration involving any such claim, the Trustee shall not offer into evidence or describe any model or assert that any information generated by the model has any evidentiary relevance or should be used by the arbitrator in determining the presumed correct liquidated value in the arbitration. The underlying data that was used to create the model may be relevant and may be made available to the arbitrator but only if provided to the Claimant or his or her counsel ten days prior to the arbitration proceeding. The Claimant and his or her counsel may use the data that is provided by the Trust in the arbitration and shall agree to otherwise maintain the confidentiality of such information.

SECTION IV

CLAIMS MATERIALS

4.1. Claims Materials. The Trustee shall prepare suitable and efficient "**Claims Materials**" for all Talc Claims and shall make available such Claims Materials to Talc Claimants.

4.2. Content of Claims Materials. The Claims Materials shall include a copy of this TDP, such instructions as the Trustee shall approve, and a detailed Claim Submission Form. The Claim Submission Form shall require the Claimant to either (i) assert the highest MCL for which the Talc Claim qualifies at the time of filing under Matrix Review or (ii) if ineligible for Matrix Review, request Individual Review. The Claim Submission Form shall also include a certification by the Claimant or his or her attorney sufficient to meet the requirements of Rule l l(b) of the Federal Rules of Civil Procedure, as if the completed Claim Submission Form were a filing subject to that rule.

4.3. Withdrawal of Claims. Except for (a) Talc Claims held by representatives of deceased or incompetent individuals for which court or probate approval of the PI Trust's offer is required and (b) Talc Claims subject to potential or pending dispute or entry of a binding award pursuant to Section 3.5 hereof, a Talc Claim shall be deemed to have been withdrawn and shall be deemed a Disallowed Claim if the Claimant does not accept the PI Trust's Approved Claim Amount.

4.4. Confidentiality of Claimants' Submissions. All submissions to the PI Trust by a Claimant, including the Claim Submission Form and materials related thereto, are intended by the parties to be confidential. The PI Trust will preserve the confidentiality of such Claimant submissions, and shall disclose the contents thereof only with the permission of the Claimant to such other persons as authorized by the Claimant, or in response to a valid subpoena of such materials issued by the Bankruptcy Court or any other court of competent

jurisdiction. Furthermore, the PI Trust shall provide counsel for the Claimant of the applicable Talc Claim a copy of any such subpoena upon being served. The PI Trust shall, on its own initiative, or upon request of the Claimant in question, take all necessary and appropriate steps to preserve any privileges. On the Dissolution Date or as soon as reasonably practicable thereafter, after the wind-up of the affairs of the PI Trust by the Trustee, the Trustee shall arrange for the proper destruction of all documents and records submitted by Claimants.

SECTION V

GENERAL GUIDELINES FOR LIQUIDATING AND PAYING CLAIMS

5.1. Showing Required. To establish an eligible Talc Claim, a Claimant must meet the requirements set forth in this TDP.

5.2. Costs Considered. Notwithstanding any provisions of this TDP to the contrary, the Trustee shall give appropriate consideration to the cost of investigating and uncovering invalid Talc Claims and other transactions costs of the PI Trust so that administration of the PI Trust is not impaired by such processes with respect to issues related to the validity of the medical evidence supporting a Talc Claim. Nothing herein shall prevent the Trustee, in appropriate circumstances, from contesting the validity of any Talc Claim against the PI Trust whatever the costs, or declining to accept medical evidence from sources that the Trustee has determined to be unreliable.

5.3. Third-Party Services. Nothing in this TDP shall preclude the PI Trust from contracting with another talc claims resolution organization to provide services to the PI Trust so long as decisions about the categorization and liquidated value of Talc Claims are based

on the relevant provisions of this TDP, including the MCLs, Scheduled Values and Medical/Exposure Criteria set forth above.

5.4. Punitive Damages. In no circumstance shall the Trustee assign any Talc Claim value for any punitive damages, exemplary damages, statutory enhanced damages, or attorneys' fees or costs (including statutory attorneys' fees and costs) and any Talc Claim for such amounts shall be deemed a Disallowed Claim.

SECTION VI

MISCELLANEOUS

6.1. Amendments. Except as otherwise provided in this TDP or the Trust Agreement, with the consent of the TAC, the Trustee may amend, modify, delete, or add to any provisions of this TDP (including, without limitation, amendments to conform this TDP to advances in scientific or medical knowledge or other changes in circumstances), provided that (i) permission of the Bankruptcy Court shall be required to amend the methodology for valuing Talc Claims in Matrix Review, including but not limited to the Scheduled Values, MCLs, Medical/Exposure Criteria, or Adjustment Factors; (ii) the Trustee must obtain the unanimous consent of the TAC prior to making or seeking Bankruptcy Court authority for any amendment, modification, deletion or addition to this TDP; (iii) the Trustee shall provide at least ten (10) business days' written notice to the Reorganized Debtors prior to making any amendment, modification, deletion or addition to this TDP, and shall obtain the consent of the Reorganized Debtors for any amendment, modification, deletion or addition that the Reorganized Debtors reasonably determine affects, directly or indirectly, any right, duty, immunity, interest or liability of the Reorganized Debtors; and (iv) such amendments, modifications, deletions, or additions shall not contravene the Plan or Confirmation Order.

6.2. Severability. Should any provision contained in this TDP be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this TDP.

6.3. Governing Law. This TDP shall be governed by, and construed in accordance with, the substantive laws of the State of Delaware, without regard to any choice of law rules.

6.4. Extensions of Time. Upon written request, the Trustee may in his or her discretion grant extensions of time for any time deadline or time limit identified herein to any Claimant.

NOTICE: THIS IS A BINDING DOCUMENT THAT AFFECTS YOUR LEGAL RIGHTS. PLEASE CONSULT YOUR ATTORNEY IN CONNECTION WITH EXECUTING THIS DOCUMENT. IF YOU DO NOT PRESENTLY HAVE AN ATTORNEY, YOU MAY WISH TO CONSIDER CONSULTING ONE.

All capitalized terms not defined herein shall have the respective meanings ascribed to them in either (i) *First Amended Joint Plan of Reorganization of Revlon, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 1507], as the same may be amended or modified from time to time (the "Plan") filed in Bankruptcy Case No. 22-10760 (DSJ) before the United States Bankruptcy Court for the Southern District of New York, confirmed by order on [•] [Docket No. [•] (the "Confirmation Order") or (ii) the Trust Distribution Procedures of the Revlon Talc Personal Injury Liquidating Trust (the "TDP") filed as a supplement to the Plan.

WHEREAS, the undersigned, who is either the "Injured Party" or the/an "Official Representative"[4] (either being referred to herein as the "Claimant"), has filed a claim (the "Claim") with the Revlon Talc Personal Injury Liquidating Trust (the "PI Trust") pursuant to the TDP filed as part of the Plan, and such Claim asserts a Talc Personal Injury Claim arising out of exposure to talc-containing allegedly asbestos-contaminated products or conduct for which Revlon, Inc., et al (the "Debtors") are alleged to have legal responsibility; and

WHEREAS, the Claimant has agreed to settle and compromise the Injured Party's Claim for and in consideration of the allowance of the Claim by the PI Trust, at a liquidated value of $_____, on account of which the Claimant shall receive distributions pursuant to the Plan and TDP including but not limited to application of the Payment Percentage, and otherwise in accordance with the terms set forth therein and herein.

NOW, THEREFORE, the Claimant hereby agrees as follows:

1. On behalf of the Injured Party, the Injured Party's estate, the Injured Party's heirs, and/or anyone else claiming rights through the Injured Party, now and in the future, the Claimant hereby fully and finally voluntarily, intentionally, knowingly, absolutely, unconditionally, irrevocably, and fully waive, release, remit, acquit, forever discharge, and covenant not to knowingly sue or continue prosecution against the Debtors, the Reorganized Debtors, the PI Trust, the Trust Advisory Committee, and their respective settlors, trustors, trustees, directors, officers, agents, consultants, financial advisors, servants, employees, attorneys, heirs, executors (collectively the "Releasees") from and with respect to any and all

claims, including, but not limited to, all claims as defined in section 101(5) of the Bankruptcy Code, charges, complaints, demands, obligations, causes of action, losses, expenses, suits, awards, promises, agreements, rights to payment, right to any equitable remedy, rights of any contribution, indemnification, reimbursement, subrogation or similar rights, demands, debts, liabilities, express or implied contracts, obligations of payment or performances, rights of offset or recoupment, costs, expenses, attorneys, and other professional fees and expenses, compensation or other relief, and liabilities of any nature whatsoever whether present or future, known or unknown, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, absolute or contingent, direct or derivative and whether based on contract, tort, statutory, or any other legal or equitable theory of recovery (the "Released Claims"), arising from, relating to, resulting from or in any way connected to, in whole or in part, the Claimant's Talc Personal Injury Claim, the Releasees' duties and responsibilities under the Trust Agreement, including any agreement, document, instrument or certification contemplated by the Trust Agreement, the TDP, the Plan, the formulation, preparation, negotiation, execution or consummation of the Trust Agreement, the TDP or the Plan, and any and all other orders of any court of competent jurisdiction relating to the Releasees and/or their duties and responsibilities, from the beginning of time through the execution date of this Release and Indemnity Agreement (this "Release"). The Claimant covenants and agrees that the Claimant will honor the Release as set forth in the preceding sentence and, further, that the Claimant will not (i) knowingly institute or continue prosecution of a lawsuit or other action against any Releasee based upon, arising out of, or relating to any Released Claims released hereby, (ii) knowingly participate, assist, or cooperate in any such action, or (iii) knowingly encourage, assist and/or solicit any third party to institute any such action.

2. Without limiting the foregoing, and notwithstanding anything to the contrary herein, the Release shall not apply in favor of the PI Trust as to the Claimant's right to payment of the Claimant's allowed Talc Personal Injury Claim, solely as provided through the Plan and TDP and as set forth in paragraph 7 below.

3. The Claimant intends this Release and Indemnity Agreement to be as broad and comprehensive as possible so that the Releasees shall never be liable, directly or indirectly, to the Injured Party or the Injured Party's heirs, legal representatives, successors or assigns, or any other person or entity claiming by, through, under, or on behalf of the Injured Party, for or on account of any Released Claim, except as expressly provided herein, whether the same is now known or unknown or may now be latent or may in the future appear to develop, including all spousal claims for the Injured Party's claims. If the Claimant is an Official Representative, the Claimant represents and warrants that the Claimant has all requisite legal authority to act for, bind and accept payment on behalf of the Injured Party and all heirs of the Injured Party on account of any Released Claim and hereby agrees to indemnify and hold harmless, to the extent of payment hereunder, excluding attorney's fees and costs, the Releasees from any loss, cost, damage, or expense arising out of or in connection with the rightful claim of any other Entity to payments with respect to the Injured Party's Released Claim.

4. This Release and Indemnity Agreement is not intended to bar any cause of action, right, lien, or claim that the Claimant may have against any alleged tortfeasor other than the Releasees. It is expressly not intended to bar any cause of action, right, lien or claim

that the Claimant may have against any insurer of the Releasees or any commercial counterparties thereof engaged in the manufacturing, distribution or sale of materials alleged to have caused harm to the Claimant. The Claimant hereby expressly reserves all his or her rights against such persons or entities. This Release and Indemnity Agreement is not intended to release or discharge any Talc Personal Injury Claim or potential Talc Personal Injury Claim that the Injured Party's heirs (if any), spouse (if any), the Official Representative (if any) or the Official Representative's heirs (if any) (other than the Injured Party) may have as a result of their own exposure to allegedly asbestos-contaminated talc or talc-containing products.

5. The Claimant represents and warrants that all Valid Liens,[5] subrogation, conditional payment, and reimbursement claims relating to benefits paid to or on account of the Injured Party in connection with, or relating to, the Claim have been resolved or will be resolved from the net proceeds of the settlement payment to the Claimant under this Release and Indemnity Agreement or from other funds or proceeds to the extent permitted under applicable lien settlement agreements or under applicable law. It is further agreed and understood that no Releasee shall have any liability to the Claimant or any other person or entity in connection with such liens or conditional payment or reimbursement claims and that the Claimant will indemnify and hold the Releasees harmless from any and all such alleged liability as provided in the following sentence. The Claimant will indemnify and hold the Releasees harmless, to the extent of the amount of payment hereunder, excluding attorneys' fees and costs, from any and all liability arising from subrogation, conditional payment, indemnity, or contribution claims related to the Released Claim and from any and all compensation or medical payments due, or claimed to be due, under any applicable law, regulation, or contract related to the Released Claim.

6. It is further agreed and understood that if the Claimant has filed a civil action against the PI Trust, the Claimant shall dismiss such civil action and obtain the entry of an Order of Dismissal with Prejudice with respect to any Released Claim no later than 30 days after the date hereof.

7. The Claimant understands that the Released Claim is being resolved by the PI Trust, and a liquidated value ($_____) has been established for such Claim. The Claimant acknowledges that, pursuant to the TDP, after the liquidated value of the Claim is determined pursuant to the procedures set forth in the TDP, the Claimant ultimately shall receive a pro rata share of that value based on the PI Settlement Fund Assets available for the payment of Claims. The Claimant further acknowledges that the Claimant may receive payment in one or more distributions, subject to determination by the Trustee, as provided in the TDP.

8. The Claimant understands, represents, and warrants that this Release and Indemnity Agreement is a compromise of a disputed claim and not an admission of liability by, or on the part of, the Releasees. Neither this Release and Indemnity Agreement, the compromise and settlement evidenced hereby, nor any evidence relating thereto, will ever be admissible as evidence against the PI Trust or other Releasee in any suit, claim, or proceeding of any nature except to enforce this Release and Indemnity Agreement. However, this Release

[5] A "Valid Lien" is a lien that is permitted by applicable law and with respect to which the lien holder has taken all steps necessary under the terms of the documents creating the lien and under applicable law to perfect the lien.

and Indemnity Agreement is and may be asserted by the Releasees as an absolute and final bar to any claim or proceeding now pending or hereafter brought by or on behalf of the Injured Party with respect to the Talc Personal Injury Claim released herein, except as expressly provided in this Release and Indemnity Agreement.

9. The Claimant (a) represents that no judgment debtor has satisfied in full the PI Trust's liability with respect to the Injured Party's Talc Personal Injury Claim as the result of a judgment entered in the tort system, and (b) upon information and belief, represents that the Claimant has not entered into a release (other than this Release and Indemnity Agreement) that discharges or releases the PI Trust's liability to the Claimant with respect to the Injured Party's Talc Personal Injury Claim.

10. The Claimant represents that he or she understands that this Release and Indemnity Agreement constitutes a final and complete release of the Releasees with respect to the Injured Party's Released Claim, except as expressly provided herein. The Claimant has relied solely on his or her own knowledge and information, and the advice of his or her attorneys (if any), as to the nature, extent, and duration of the Injured Party's injuries, damages, and legal rights, as well as the alleged liability of the Releasees and the legal consequences of this Release and Indemnity Agreement, and not on any statement or representation made by or on behalf of the PI Trust or other Releasee.

11. In further consideration of the benefit of a distribution from the PI Trust on account of the Claimant's Talc Personal Injury Claim, as of the date hereof, the Claimant shall indemnify and forever hold harmless, and pay all final judgments, damages, costs, expenses, fines, penalties, interest, multipliers, or liabilities in whatsoever nature, including costs of defense and attorneys' fees of the Releasees arising from the Claimant's failure to comply with the terms of this Release and Indemnity Agreement.

12. This Release and Indemnity Agreement contains the entire agreement between the parties and supersedes all prior or contemporaneous oral or written agreements or understandings relating to the subject matter hereof between or among any of the parties hereto, including, without limitation, any prior agreements or understandings with respect to the liquidation of the Claim.

13. This Release and Indemnity Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of DELAWARE, without giving effect to the principles of conflicts of law thereof, and shall be binding on the Injured Party and his or her heirs, legal representatives, successors and assigns.

14. TO THE EXTENT APPLICABLE, THE CLAIMANT HEREBY WAIVES ALL RIGHTS UNDER SECTION 1542 OF THE CALIFORNIA CIVIL CODE, AND ANY SIMILAR LAWS OF ANY OTHER STATE. CALIFORNIA CIVIL CODE SECTION 1542 STATES:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTORS.

THE CLAIMANT UNDERSTANDS AND ACKNOWLEDGES THAT BECAUSE OF THE CLAIMANT'S WAIVER OF SECTION 1542 OF THE CALIFORNIA CIVIL CODE, EVEN IF THE INJURED PARTY SHOULD EVENTUALLY SUFFER ADDITIONAL DAMAGES, THE INJURED PARTY WILL NOT BE ABLE TO MAKE ANY CLAIM AGAINST THE RELEASEES FOR THOSE DAMAGES, EXCEPT AS EXPRESSLY PROVIDED HEREIN. THE CLAIMANT ACKNOWLEDGES THAT HE OR SHE INTENDS THESE CONSEQUENCES.

15. The Claimant authorizes payment pursuant to Paragraph 7 to the Claimant or the Claimant's counsel, as agent for the Claimant, if applicable.

16. The Claimant acknowledges that the PI Trust has no obligation to pay the Claimant until the PI Trust receives the executed Release and Indemnity Agreement from the Claimant.

17. The Claimant acknowledges that the PI Trust is not providing any tax advice with respect to the receipt of any distribution on account of the Claimant's Talc Personal Injury Claim or any component thereof, and understands and agrees that the Claimant shall be solely responsible for compliance with all tax laws with respect to such distribution, to the extent applicable. The Claimant additionally hereby represents and certifies to the PI Trust that, in respect of the Claim, the Claimant has paid or will provide for the payment and/or resolution of any obligations owing or potentially owing under 42 U.S.C. § 1395y(b) and/or 42 U.S.C. § 1396a(a)(25), or any related statutes, rules, regulations, or guidance, in connection with, or relating to, the Claim, including all Medicare and/or Medicaid Secondary Payer-related obligations.

[1] All capitalized terms not otherwise defined herein shall have their respective meanings as set forth in the Plan, and such definitions are incorporated herein by reference. For the avoidance of doubt, the PI Trust is not intended to constitute either (i) a "Section 524(g) trust" within the meaning of the Bankruptcy Code, or (ii) a "grantor trust" within the meaning of Section 1.671- 4(a) of the Treasury Regulations.

NOW, THEREFORE, it is hereby agreed as follows:

ARTICLE I

AGREEMENT OF TRUST

1.1 **Creation and Name.** There is hereby created a trust known as the "Old RevCo Talc Personal Injury Liquidating Trust." The Trustee of the PI Trust may transact the business and affairs of the PI Trust in the name of the PI Trust, and references herein to the PI Trust shall include the Trustee acting on behalf of the PI Trust. It is the intention of the Parties that the PI Trust constitutes a statutory trust under Chapter 38 of title 12 of the Delaware Code, 12 Del. C. Section 3801 *et seq.* (the "**Act**") and that this Trust Agreement constitute the governing instrument of the PI Trust. The Trustee and the Delaware Trustee are hereby authorized and directed to execute and

file a Certificate of Trust with the Delaware Secretary of State in the form attached hereto as **Exhibit 2**.

1.2 **Purposes**. The purposes of the PI Trust are to

(a) receive the Talc Personal Injury Settlement Distribution (the "**Settlement Consideration**") pursuant to the terms of the Plan and the Confirmation Order;

(b) hold, manage, protect and invest the Settlement Consideration, together with any income or gain earned thereon and proceeds derived therefrom (collectively, the "**Trust Assets**") in accordance with the terms of the Plan, the Confirmation Order, this Trust Agreement and the TDP (the "**Governing Documents**") for the benefit of the Beneficial Owners (as defined herein);

(c) administer, process and resolve Talc Claims pursuant to the TDP;

(d) qualify at all times as a Qualified Settlement Fund within the meaning of QSF Regulations;

(e) engage in any lawful activity that is appropriate and in furtherance of the purposes of the PI Trust to the extent consistent with the Plan, the Confirmation Order and this Trust Agreement; and

(f) make distributions of Trust Assets to eligible holders of Talc Claims in accordance with and subject to the terms of this Trust Agreement, the Plan and the TDP with the objective of treating all eligible holders of Talc Claims fairly, equitably, and reasonably in light of the Trust Assets available to resolve such Talc Claims.

1.3 **Transfer of Assets.** Pursuant to, and in accordance with Article IV.R of the Plan, the PI Trust has received the Settlement Consideration to fund the PI Trust. The Settlement Consideration and any other assets to be transferred to the PI Trust under the Plan will be transferred to the PI Trust free and clear of any liens or other claims by the Debtors, the Reorganized Debtors, any creditor, or other entity. For the avoidance of doubt, the Settlement Consideration transferred to fund the PI Trust shall not include the Retained Preference Actions, provided, however, that the Settlement Consideration shall include an interest in the Retained Preference Action Net Proceeds, as a result of which the PI Trust shall receive a transfer of assets arising in respect of such Retained Preference Action Net Proceeds, if any, in accordance with the terms of the Plan.

1.4 **Acceptance of Assets and Assumption of Liabilities.**

(a) In furtherance of the purposes of the PI Trust, the PI Trust hereby expressly accepts the transfer to the PI Trust of the Settlement Consideration and any other transfers by the GUC Trust from the GUC Trust/PI Fund Operating Reserve contemplated by the Plan in the time and manner as, and subject to the terms, contemplated in the Plan.

(b) In furtherance of the purposes of the PI Trust, except as otherwise provided in this Trust Agreement and the TDP, the PI Trust shall have and retain any and all rights and defenses the Debtors had with respect to any Talc Claim [immediately before the Effective Date to the extent necessary to administer such Claims in accordance with this Trust Agreement, the TDP and the Plan.]

(c) Notwithstanding anything to the contrary herein, no provision herein or in the TDP shall be construed or implemented in a manner that would cause the PI Trust to fail to qualify as a Qualified Settlement Fund under the QSF Regulations.

(d) In this Trust Agreement and the TDP, the words "must," "will," and "shall" are intended to have the same mandatory force and effect, while the word "may" is intended to be permissive rather than mandatory.

(e) To the extent required by the Act, the beneficial owners (within the meaning of the Act) of the PI Trust (the "**Beneficial Owners**") shall be deemed to be the holders of Talc Claims; provided that (i) the holders of Talc Claims, as such Beneficial Owners, shall have only such rights with respect to the PI Trust and its assets as are set forth in the TDP and (ii) no greater or other rights, including upon dissolution, liquidation, or winding up of the PI Trust, shall be deemed to apply to the holders of Talc Claims in their capacity as Beneficial Owners.

1.5 **Jurisdiction**. The Bankruptcy Court shall have continuing jurisdiction over the PI Trust, provided, however, that the courts of the State of Delaware, including any federal court located therein, shall also have jurisdiction over the PI Trust.

ARTICLE II

POWERS AND TRUST ADMINISTRATION

2.1 **Powers.**

(a) The Trustee is and shall act as a fiduciary to the PI Trust in accordance with the provisions of this Trust Agreement, the Plan and the Confirmation Order. The Trustee shall, at all times, administer the PI Trust in accordance with the purposes set forth in Section 1.2 above

and the Plan. Subject to the limitations set forth in this Trust Agreement and the Plan, the Trustee shall have the power to take any and all actions that, in the judgment of the Trustee, are necessary or proper to fulfill the purposes of the PI Trust, including, without limitation, each power expressly granted in this Section 2.1, any power reasonably incidental thereto and not inconsistent with the requirements of Section 2.2, and any trust power now or hereafter permitted under the laws of the State of Delaware.

(b) Except as required by applicable law or as otherwise specified herein or in the Plan or the Confirmation Order, the Trustee need not obtain the order or approval of any court in the exercise of any power or discretion conferred hereunder.

(c) Without limiting the generality of Section 2.1(a) above, and except as limited below or by the Plan, the Trustee shall have the power to:

(i) receive and hold the Settlement Consideration and exercise all rights with respect thereto;

(ii) invest the monies held from time to time by the PI Trust in accordance with the Investment Guidelines pursuant to Section 3.2 below;

(iii) obtain payment of expenses and other obligations of the PI Trust, from the GUC Trust/PI Fund Operating Reserve as set forth in the Plan and this Trust Agreement;

(iv) establish such funds, reserves, and accounts within the PI Trust, as the Trustee deems useful in carrying out the purposes of the PI Trust;

(v) participate, as a party or otherwise, in any judicial, administrative, arbitrative, or other proceeding, as required to reconcile, administer, or defend against the Talc Claims;

(vi) establish, supervise, and administer the PI Trust and the TDP, and make distributions to all eligible holders of Talc Claims pursuant to the terms of this Trust Agreement, the Plan and the TDP;

(vii) appoint such officers and retain such employees, consultants, advisors, independent contractors, experts and agents and engage in such legal, financial, administrative, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities as the PI Trust requires, and delegate to such persons such powers and authorities as the fiduciary duties of the Trustee permit and as the Trustee, in his or her discretion, deems advisable or necessary in order to carry out the terms of this Trust Agreement;

(viii) obtain payment from the GUC Trust/PI Fund Operating Reserve for the reasonable compensation to any of the PI Trust's employees, consultants, advisors, independent contractors, experts, and agents for legal, financial, administrative, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities as the PI Trust requires;

(ix) obtain payment from the GUC Trust/PI Fund Operating Reserve to compensate the Trustee, the Delaware Trustee, and their employees, consultants, advisors, independent contractors, experts and agents, and reimburse the Trustee and the Delaware Trustee for all reasonable out-of-pocket costs and expenses incurred by such persons in connection with the performance of their duties hereunder;

(x) record all expenses (including taxes) incurred by the PI Trust on the books and records (and report on all applicable tax returns) as expenses of the PI Trust; provided however that, the PI Trust shall periodically provide all invoices or other documentation with respect to such expenses to the GUC Administrator and the GUC Administrator shall timely remit to the PI Trust such amounts solely from the GUC Trust/PI Fund Operating Reserve so as to enable the PI Trust to timely pay such expenses;

(xi) enter into such other arrangements with third parties as the Trustee deems useful in carrying out the purposes of the PI Trust, provided such arrangements do not conflict with any other provision of this Trust Agreement or the Plan;

(xii) in accordance with Section 4.4 below, defend, indemnify, and hold harmless (and purchase insurance indemnifying) the Trust Indemnified Parties (as defined in Section 4.4 below), to the fullest extent that a statutory trust organized under the laws of the State of Delaware is from time to time entitled to defend, indemnify, hold harmless, and/or insure its directors, trustees, officers, employees, consultants, advisors, agents, and representatives. No party shall be indemnified in any way for any liability, expense, claim, damage, or loss for which he or she is liable under Section 4.4 below;

(xiii) obtain the consent of the TAC with respect to the matters set forth in Section 2.2(e) below; and

(xiv) exercise any and all other rights, and take any and all other actions as are permitted, of the Trustee in accordance with the terms of this Trust Agreement and the Plan.

(d) The Trustee shall not have the power to guarantee any debt of other persons.

(e) The Trustee shall endeavor to make timely distributions and not unduly prolong the duration of the PI Trust.

2.2 **General Administration.**

(a) The Trustee shall act in accordance with the Governing Documents and shall implement the TDP in accordance with its terms. In the event of a conflict between the terms of this Trust Agreement and the TDP, the terms of this Trust Agreement shall control. In the event of a conflict between the terms or provisions of the (i) Plan, (ii) this Trust Agreement or (iii) the TDP, the terms of the Plan shall have first priority, followed in priority by the Trust Agreement, and lastly by the TDP. For the avoidance of doubt, this Trust Agreement shall be construed and implemented in accordance with the Plan, regardless of whether any provision herein explicitly references the Plan.

(b) The Trustee shall (i) timely file such income tax and other returns and statements required to be filed and shall cause to be paid timely from the GUC Trust/PI Fund Operating Reserve all taxes required to be paid by the PI Trust, (ii) comply with all applicable reporting and withholding obligations, (iii) satisfy all requirements necessary to qualify and maintain qualification of the PI Trust as a Qualified Settlement Fund within the meaning of the QSF Regulations, (iv) take no action that could cause the PI Trust to fail to qualify as a Qualified Settlement Fund within the meaning of the QSF Regulations, and (v) be treated as the "administrator" of the PI Trust within the meaning under Section 1.468B-2(k)(3) of the Treasury Regulations.

(c) The Trustee shall timely account to the Bankruptcy Court as follows:

(i) The Trustee shall cause to be prepared and filed with the Bankruptcy Court, as soon as available, and in any event no later than one hundred and twenty (120) days following the end of each fiscal year, an annual report (the "**Annual Report"**) containing special-purpose financial statements of the PI Trust (including, without limitation, a special-purpose statement of assets, liabilities and net claimants' equity, a special-purpose statement of changes in net claimants' equity and a special-purpose statement of cash flows). The Trustee shall not be required to obtain an audit of the Annual Report by a firm of independent certified public accountants. The Trustee shall provide a copy of such Annual Report to the Reorganized Debtors and the TAC when such report is filed with the Bankruptcy Court.

(ii) Simultaneously with the filing of the Annual Report, the Trustee shall cause to be prepared and filed with the Bankruptcy Court a report containing a summary regarding the number and type of Talc Claims resolved during the period covered by the Annual Report (the "**Claims Report**"). The Trustee shall provide a copy of such Claims Report to the Reorganized Debtors and the TAC when such report is filed with the Bankruptcy Court.

(d) The Trustee shall consult with the TAC on the matters set forth in the TDP.

(e) The Trustee shall be required to obtain the consent of the TAC, pursuant to the consent process set forth in Section 5.7 below:

(i) to change the form of Acceptance and Release under the TDP;

(ii) to commence and/or participate, as a party or otherwise, in any judicial, administrative, arbitrative, or other proceeding;

(iii) to modify the compensation of the Trustee;

(iv) to acquire an interest in and/or merge with and/or contract with another settlement trust; or

(v) to effectuate any material amendment of this Trust Agreement, or any amendment of the TDP, which in each case shall be in accordance with Section 6.3; provided that no such amendment shall be in contravention of the Plan.

(f) The Trustee shall be required to obtain the consent of the Reorganized Debtors, which shall not be unreasonably withheld or delayed:

(i) [absent further order of the Bankruptcy Court, to commence and/or participate, as a party or otherwise, in any judicial, administrative, arbitrative, or other proceeding, with the exception of (i) any proceeding brought against the PI Trust by any entity; (ii) any motion or proceeding in the Chapter 11 Cases relating to or in connection with Talc Claims; or (iii) any proceeding to enforce the rights of the PI Trust under or relating to the Plan, Definitive Documents, and/or this Trust Agreement;]

(ii) to materially modify the compensation of the Trustee;

(iii) to acquire an interest in and/or merge with and/or contract with another settlement trust; or

(iv) to make any amendment or modification of this Trust Agreement, or Exhibit hereto, or TDP, or Schedule thereto, that directly or indirectly affects the rights, duties, immunities, interests or liabilities of the Reorganized Debtors, which in each case shall be in

accordance with Section 6.3; provided that no such amendment shall be in contravention of the Plan.

(g) The Trustee shall meet with the TAC no less often than quarterly. The Trustee shall meet in the interim with the TAC when so requested by two or more members of the TAC. Meetings may be held in person, by telephone or video conference, or by a combination of the foregoing.

(h) All Trust Assets shall be part of the PI Trust or otherwise shall be segregated from any assets of Revlon, Inc. (or any persons related to Revlon, Inc. within the meaning of Section 1.468B-1(d)(2) of the Treasury Regulations).

2.3 **Medicare Reporting Obligations.**

(a) The PI Trust shall register as a Responsible Reporting Entity **("RRE")** under the reporting provisions of Section 111 of the Medicare, Medicaid, and SCHIP Extension Act of 2007 (Pub. L. 110-173) (**"MMSEA"**).

(b) The PI Trust shall timely submit all reports that are required under MMSEA on account of any claims settled, resolved, paid, or otherwise liquidated by the PI Trust or with respect to contributions to the PI Trust. The PI Trust, in its role as an RRE, shall follow all applicable guidance published by the Centers for Medicare & Medicaid Services of the United States Department of Health and Human Services and/or any other agent or successor entity charged with responsibility for monitoring, assessing, or receiving reports made under MMSEA (collectively, "**CMS**") to determine whether or not, and, if so, how, to report to CMS pursuant to MMSEA.

ARTICLE III

ACCOUNTS, INVESTMENTS, AND PAYMENTS

3.1 **Accounts.**

(a) The Trustee shall maintain one or more accounts (the "**Trust Accounts**") on behalf of the PI Trust with one or more financial depository institutions (each a "**Financial Institution**"). Candidates for the positions of Financial Institution shall fully disclose to the Trustee any interest in or relationship with the Reorganized Debtors or their affiliated persons. Any such interest or relationship shall not be an automatic disqualification for the position, but the Trustee shall take any such interest or relationship into account in selecting a Financial Institution.

(b) The Trustee may replace any retained Financial Institution with a successor Financial Institution at any time, and such successor shall be subject to the considerations set forth in Section 3.1(a).

(c) The Trustee may, from time to time, create such accounts and reasonable reserves within the Trust Accounts as authorized in this Section 3.1 and as he or she may deem necessary, prudent or useful in order to provide for distributions to the Beneficial Owners and the payment of PI Trust operating expenses and may, with respect to any such account or reserve, restrict the use of money therein for a specified purpose (the "**Trust Subaccounts**"). Any such Trust Subaccounts established by the Trustee shall be held as Trust Assets and are not intended to be subject to separate entity tax treatment as a "disputed claims reserve" or a "disputed ownership fund" within the meaning of the IRC or Treasury Regulations.

3.2 **Investment Guidelines.**

(a) The Trustee may invest the Trust Assets in accordance with the Investment Guidelines, attached hereto as **Exhibit 3** (the "**Investment Guidelines**").

(b) In the event the PI Trust holds any non-liquid assets, the Trustee shall own, protect, oversee, and monetize such non-liquid assets in accordance with the Governing Documents. This Section 3.2(b) is intended to modify the application to the PI Trust of the "prudent person" rule, "prudent investor" rule and any other rule of law that would require the Trustee to diversify the Trust Assets.

(c) Cash proceeds received by the PI Trust in connection with its monetization of the non-liquid Trust Assets shall be invested in accordance with the Investment Guidelines until needed for the purposes of the PI Trust as set forth in Section 1.2 above.

3.3 **Payment of Operating Expenses**

All operating expenses of the PI Trust shall be paid by the PI Trust solely from, and after receipt of funds from, the GUC Trust/PI Fund Operating Reserve as provided in the Plan. The PI Trust shall periodically provide all invoices or other documentation with respect to such expenses to the GUC Administrator and the GUC Administrator shall timely remit to the PI Trust such amounts solely from the GUC Trust/PI Fund Operating Reserve so as to enable the PI Trust to timely pay such expenses. None of the Trustee, Delaware Trustee, the TAC, the Beneficial Owners nor any of their officers, agents, advisors, professionals or employees shall be personally liable for the payment of any operating expense or other liability of the PI Trust. Except as expressly set forth in the Plan, none of the Debtors or Reorganized Debtors, nor any of their officers, agents,

advisors, professionals or employees shall be liable for the payment of any operating expense or other liability of the PI Trust, the Trustee or the TAC.

3.4 **Payment of Talc Claims.**

The Trustee will make distributions to the Beneficial Owners in a fair, consistent and equitable manner in accordance with this Trust Agreement, the TDP, the Plan and the Confirmation Order. All payments with respect to Talc Claims shall be made by the PI Trust solely out of the Trust Assets. If the Trustee determines immediately prior to the Dissolution Date, in his or her discretion, that all Talc Claims have been paid in full, or that making further payments with respect to Talc Claims is not cost-effective with respect to the final amounts to be paid to Beneficial Owners, and that adequate provision has been made for all final obligations of the PI Trust, the Trustee shall have the authority to direct the remaining Trust Assets to a tax-exempt organization benefiting mesothelioma victims, as selected by the Trustee in his or her discretion.

ARTICLE IV

TRUSTEE; DELAWARE TRUSTEE

4.1 **Number**. In addition to the Delaware Trustee appointed pursuant to Section 4.9, there shall be one (1) Trustee who shall be the person named on the signature pages hereof.

4.2 **Term of Service.**

(a) The Trustee shall serve from the Effective Date until the earliest of (i) his or her death, (ii) his or her resignation pursuant to Section 4.2(b) below, (iii) his or her removal pursuant to Section 4.2(c) below, or (iv) the termination of the PI Trust pursuant to Section 6.2 below.

(b) The Trustee may resign at any time upon written notice to the Reorganized Debtors and the TAC with such notice filed with the Bankruptcy Court. Such notice shall specify a date when such resignation shall take effect, which shall not be less than ninety (90) days after the date such notice is given, where practicable.

(c) The Trustee may be removed by the unanimous consent of the TAC in the event the Trustee becomes unable to discharge his or her duties hereunder due to accident, physical deterioration, mental incompetence or for other good cause, provided the Trustee has received reasonable notice and an opportunity to be heard. Other good cause shall mean fraud, self-dealing, intentional misrepresentation, willful misconduct, indictment for or conviction of a felony in each case whether or not connected to the PI Trust, or a consistent pattern of neglect and failure to perform or participate in performing the duties of Trustee hereunder. For the avoidance of doubt, any removal of a Trustee by the TAC pursuant to this Section 4.2(c) shall require the approval of the Bankruptcy Court and shall take effect at such time as the Bankruptcy Court shall determine.

(d) In the event of any vacancy in the office of the Trustee, including the death, resignation or removal of any Trustee, such vacancy shall be filled by the unanimous consent of the TAC, subject to the approval of the Bankruptcy Court. In the event the TAC cannot agree on a successor Trustee, the provisions of Section 6.12 below shall apply.

(e) Immediately upon the appointment of any successor Trustee pursuant to Section 4.2(d) above, all rights, titles, duties, powers and authority of the predecessor Trustee hereunder shall be vested in and undertaken by the successor Trustee without any further act. No successor Trustee shall be liable personally for any act or omission of his or her predecessor Trustee. No predecessor Trustee shall be liable personally for any act or omission of his or her

successor Trustee. No successor Trustee shall have any duty to investigate the acts or omissions of his or her predecessor Trustee.

(f) Each successor Trustee shall serve until the earliest of (i) his or her death, (ii) his or her resignation pursuant to Section 4.2(b) above, (iii) his or her removal pursuant to Section 4.2(c) above, and (iv) the termination of the PI Trust pursuant to Section 6.2 below.

4.3 **Compensation and Expenses of the Trustee.**

(a) The Trustee shall receive compensation for his or her services as Trustee on matters related to the operation of the Trust in the amount of $600 per hour, plus an annual stipend of $25,000 (pro-rated for partial years), which shall be paid in equal quarterly instalments. The compensation payable to the Trustee hereunder shall be reviewed every year by the TAC and may be appropriately adjusted for changes in the cost of living.

(b) The PI Trust will promptly reimburse the Trustee for all reasonable and documented out-of-pocket costs and expenses incurred by the Trustee in connection with the performance of his or her duties hereunder.

(c) The PI Trust shall include in the Annual Report a description of the amounts paid under this Section 4.3. The PI Trust shall provide quarterly reports to the Reorganized Debtors for a description of the amounts paid under this Section 4.3

4.4 **Standard of Care; Exculpation.**

(a) As used herein, the term "**Trust Indemnified Party**" shall mean each of (i) the Trustee, (ii) the Delaware Trustee, (iii) the TAC and its members, and (iv) the officers, employees, consultants, advisors, and agents of each of the PI Trust, the Trustee, and the TAC**.**

(b) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall not have or incur any liability for actions taken or omitted in their capacities as Trust Indemnified Parties, or on behalf of the PI Trust, except those acts found by a final order of a court of competent jurisdiction ("**Final Order**") to be arising out of their willful misconduct, bad faith, gross negligence or fraud, and shall be entitled to indemnification and reimbursement for reasonable fees and expenses in defending any and all of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the PI Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the PI Trust.

(c) To the extent that, at law or in equity, the Trust Indemnified Parties have duties (including fiduciary duties) or liability related thereto, to the PI Trust or the Beneficial Owners, it is hereby understood and agreed by the Parties that such duties and liabilities are eliminated to the fullest extent permitted by applicable law, and replaced by the duties and liabilities expressly set forth in this Trust Agreement with respect to the Trust Indemnified Parties; provided, however, that with respect to the Trust Indemnified Parties other than the Delaware

Trustee the duties of care and loyalty are not eliminated but are limited and subject to the terms of this Trust Agreement, including but not limited to this Section 4.4 and its subparts.

(d) The PI Trust will maintain appropriate insurance coverage for the protection of the Trust Indemnified Parties, as determined by the Trustee in his or her discretion.

4.5 **Protective Provisions.**

(a) Every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to Trust Indemnified Parties shall be subject to the provisions of this Section 4.5.

(b) In the event the Trustee retains counsel (including at the expense of the PI Trust), the Trustee shall be afforded the benefit of the attorney-client privilege with respect to all communications with such counsel, and in no event shall the Trustee be deemed to have waived any right or privilege including, without limitation, the attorney-client privilege even if the communications with counsel had the effect of guiding the Trustee in the performance of duties hereunder. A successor Trustee shall succeed to and hold the same respective rights and benefits of the predecessor for purposes of privilege, including the attorney-client privilege. No Party or other person may raise any exception to the attorney-client privilege described herein as any such exceptions are hereby waived by all Parties.

(c) No Trust Indemnified Party shall be personally liable under any circumstances, except for his or her own willful misconduct, bad faith, gross negligence or fraud as determined by a Final Order.

(d) No provision of this Trust Agreement shall require the Trust Indemnified Parties to expend or risk their own personal funds or otherwise incur financial liability in the performance of their rights, duties and powers hereunder.

(e) In the exercise or administration of the Trust hereunder, the Trust Indemnified Parties (i) may act directly or through their respective agents or attorneys pursuant to agreements entered into with any of them, and the Trust Indemnified Parties shall not be liable for the default or misconduct of such agents or attorneys if such agents or attorneys have been selected by the Trust Indemnified Parties in good faith and with due care, and (ii) may consult with counsel, accountants and other professionals to be selected by them in good faith and with due care and employed by them, and shall not be liable for anything done, suffered or omitted in good faith by them in accordance with the advice or opinion of any such counsel, accountants or other professionals.

4.6 **Indemnification.**

(a) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall be entitled to indemnification and reimbursement for reasonable fees and expenses (including attorneys' fees and costs but excluding taxes in the nature of income taxes imposed on compensation paid to the Trust Indemnified Parties) in defending any and all of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the PI Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case, except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith,

gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the PI Trust.

(b) Reasonable expenses, costs and fees (including attorneys' fees and costs) incurred by or on behalf of the Trust Indemnified Parties in connection with any action, suit or proceeding, whether civil, administrative or arbitrative, from which they are indemnified by the PI Trust shall be paid by the PI Trust in advance of the final disposition thereof upon receipt of an undertaking, by or on behalf of the Trust Indemnified Parties, to repay such amount in the event that it shall be determined ultimately by Final Order that the Trust Indemnified Parties or any other potential indemnitee are not entitled to be indemnified by the PI Trust.

(c) The Trustee is authorized, but not required, to purchase and maintain appropriate amounts and types of insurance on behalf of the Trust Indemnified Parties, as determined by the Trustee, which may include insurance with respect to liability asserted against or incurred by such individual in that capacity or arising from his or her status as a Trust Indemnified Party, and/or as an employee, agent, lawyer, advisor or consultant of any such person.

(d) The indemnification provisions of this Trust Agreement with respect to any Trust Indemnified Party shall survive the termination of such Trust Indemnified Party from the capacity for which such Trust Indemnified Party is indemnified. Modification of this Trust Agreement shall not affect any indemnification rights or obligations in existence at such time. In making a determination with respect to entitlement to indemnification of any Trust Indemnified Party hereunder, the person, persons or entity making such determination shall presume that such Trust Indemnified Party is entitled to indemnification under this Trust Agreement, and any person

seeking to overcome such presumption shall have the burden of proof to overcome the presumption.

(e) The rights to indemnification hereunder are not exclusive of other rights which any Trust Indemnified Party may otherwise have at law or in equity, including common law rights to indemnification or contribution.

4.7 **Trustee Independence.** The Trustee shall not, during the term of his or her service, hold a financial interest in, act as attorney or agent for, or serve as an officer or as any other professional for the Reorganized Debtors. The Trustee shall not act as an attorney, agent, or other professional for any person who holds a Talc Claim. For the avoidance of doubt, this Section 4.7 shall not be applicable to the Delaware Trustee.

4.8 **No Bond.** Neither the Trustee nor the Delaware Trustee shall be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

4.9 **Delaware Trustee.**

(a) There shall at all times be a Delaware Trustee to serve in accordance with the requirements of the Act. The Delaware Trustee shall either be (i) a natural person who is at least twenty-one (21) years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law to be eligible to serve as the Delaware Trustee, and shall act through one or more persons authorized to bind such entity. If at any time the Delaware Trustee shall cease to be eligible to serve as Delaware Trustee in accordance with the provisions of this Section 4.9, it shall resign immediately in the manner and with the effect hereinafter specified in Section 4.9(c) below. For the avoidance of doubt, the Delaware Trustee will only have such rights, duties and

obligations as expressly provided by reference to the Delaware Trustee hereunder. The Trustee shall have no liability for the acts or omissions of any Delaware Trustee.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities of the Trustee set forth herein. The Delaware Trustee shall be a trustee of the PI Trust for the sole and limited purpose of fulfilling the requirements of Section 3807(a) of the Act and for taking such actions as are required to be taken by a Delaware Trustee under the Act. The duties (including fiduciary duties), liabilities and obligations of the Delaware Trustee shall be limited to accepting legal process served on the PI Trust in the State of Delaware and the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Act. There shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. To the extent that, at law or in equity, the Delaware Trustee has duties (including fiduciary duties) and liabilities relating to the PI Trust or the Beneficial Owners, such duties and liabilities are replaced by the duties and liabilities of the Delaware Trustee expressly set forth in this Trust Agreement. The Delaware Trustee shall have no liability for the acts or omissions of any Trustee. Any permissive rights of the Delaware Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty and, with respect to any such permissive rights, the Delaware Trustee shall not be answerable for other than its willful misconduct, bad faith, gross negligence or fraud. The Delaware Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of the Trustee or any other person pursuant to the provisions of this Trust Agreement unless the Trustee or such other person shall have offered to the Delaware Trustee security or indemnity (satisfactory to the Delaware Trustee in its discretion) against the

costs, expenses and liabilities that may be incurred by it in compliance with such request or direction. The Delaware Trustee shall be entitled to request and receive written instructions from the Trustee and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Delaware Trustee in accordance with the written direction of the Trustee. The Delaware Trustee may, at the expense of the PI Trust, request, rely on and act in accordance with officer's certificates and/or opinions of counsel, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance with such officer's certificates and opinions of counsel.

(c) The Delaware Trustee shall serve until such time as the Trustee removes the Delaware Trustee or the Delaware Trustee resigns and a successor Delaware Trustee is appointed by the Trustee in accordance with the terms of Section 4.9(d) below. The Delaware Trustee may resign at any time upon the giving of at least sixty (60) days' advance written notice to the Trustee; provided that such resignation shall not become effective unless and until a successor Delaware Trustee shall have been appointed by the Trustee in accordance with Section 4.9(d) below; provided further that if any amounts due and owing to the Delaware Trustee hereunder remain unpaid for more than ninety (90) days, the Delaware Trustee shall be entitled to resign immediately by giving written notice to the Trustee. If the Trustee does not act within such sixty (60) day period, the Delaware Trustee, at the expense of the PI Trust, may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction for the appointment of a successor Delaware Trustee.

(d) Upon the resignation or removal of the Delaware Trustee, the Trustee shall appoint a successor Delaware Trustee by delivering a written instrument to the outgoing Delaware Trustee. Any successor Delaware Trustee must satisfy the requirements of Section 3807 of the

Act. Any resignation or removal of the Delaware Trustee and appointment of a successor Delaware Trustee shall not become effective until a written acceptance of appointment is delivered by the successor Delaware Trustee to the outgoing Delaware Trustee and the Trustee, and any fees and expenses due to the outgoing Delaware Trustee are paid. Following compliance with the preceding sentence, the successor Delaware Trustee shall become fully vested with all of the rights, powers, duties and obligations of the outgoing Delaware Trustee under this Trust Agreement, with like effect as if originally named as Delaware Trustee, and the outgoing Delaware Trustee shall be discharged of his or her duties and obligations under this Trust Agreement. The successor Delaware Trustee shall make any related filings required under the Act, including filing a Certificate of Amendment to the Certificate of Trust of the PI Trust in accordance with Section 3810 of the Act.

(e) Notwithstanding anything herein to the contrary, any business entity into which the Delaware Trustee may be merged or converted or with which it may be consolidated or any entity resulting from any merger, conversion or consolidation to which the Delaware Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Delaware Trustee, shall be the successor of the Delaware Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

(f) The Delaware Trustee shall be entitled to compensation for its services as agreed pursuant to a separate fee agreement between the PI Trust and the Delaware Trustee, which compensation shall be paid by the PI Trust. Such compensation is intended for the Delaware Trustee's services as contemplated by this Trust Agreement. The terms of this paragraph shall survive termination of this Trust Agreement and/or the earlier resignation or removal of the Delaware Trustee.

(g) The Delaware Trustee shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document, other than this Trust Agreement, whether or not, an original or a copy of such agreement has been provided to the Delaware Trustee. The Delaware Trustee shall have no duty to know or inquire as to the performance or nonperformance of any provision of any other agreement, instrument or document, other than this Trust Agreement. Neither the Delaware Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the PI Trust, the Trustee or any other person, or any of their directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Delaware Trustee may assume performance by all such persons of their respective obligations. The Delaware Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other person. The Delaware Trustee shall have no responsibilities (except as expressly set forth herein) as to the validity, sufficiency, value, genuineness, ownership or transferability of any Trust Asset, written instructions, or any other documents in connection therewith, and will not be regarded as making, nor be required to make, any representations thereto.

(h) The Delaware Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Trust Agreement arising out of, or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or

governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

ARTICLE V

TRUST ADVISORY COMMITTEE

5.1 **Members.** The TAC shall consist of three (3) members. To the extent that a member of the TAC elects to resign from the TAC in accordance with Section 5.3(b) below or is removed pursuant to Section 5.3(c) below, a successor shall be appointed pursuant to Section 5.4(a).

5.2 **Duties.** The members of the TAC shall serve in a fiduciary capacity, representing the interests of all holders of Talc Claims. The TAC shall have no fiduciary obligations or duties to any party other than the holders of Talc Claims. The Trustee must obtain the consent of the TAC on matters identified in Section 2.2(e) above. Where provided in the TDP, certain other actions by the Trustee are also subject to the consent of the TAC. Except for the duties and obligations expressed in this Trust Agreement and the TDP, there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the TAC. To the extent that, at law or in equity, the TAC has duties (including fiduciary duties) and liabilities relating thereto to the PI Trust, the other Parties hereto or any Beneficial Owner of the PI Trust, it is hereby

understood and agreed by the other Parties hereto that such duties and liabilities are replaced by the duties and liabilities of the TAC expressly set forth in the Governing Documents.

5.3 **Term of Office.**

(a) Each member of the TAC shall serve until the earlier of (i) his or her death, (ii) his or her resignation pursuant to Section 5.3(b) below, (iii) his or her removal pursuant to Section 5.3(c) below, or (iv) the termination of the PI Trust pursuant to Section 6.2 below.

(b) A member of the TAC may resign at any time by written notice to the other member of the TAC and the Trustee. Such notice shall specify a date when such resignation shall take effect, which shall not be less than thirty (30) days after the date such notice is given, where practicable.

(c) A member of the TAC may be removed in the event that he or she becomes unable to discharge his or her duties hereunder due to accident, physical deterioration, mental incompetence, or a consistent pattern of neglect and failure to perform or to participate in performing the duties of such member hereunder, such as repeated non-attendance at scheduled meetings, or for other good cause. Such removal may be made by the recommendation of the remaining member of the TAC with the approval of the Trustee.

5.4 **Appointment of Successors.**

(a) If a member of the TAC dies, resigns pursuant to Section 5.3(b) above, or is removed pursuant to Section 5.3(c) above, the vacancy shall be filled with an individual selected by the remaining TAC members with the approval of the Trustee, provided however, that if the remaining TAC members and the Trustee cannot agree on the successor the matter shall be resolved pursuant to Section 6.12 below.

(b) Each successor TAC member shall serve until the earlier of (i) his or her death, (ii) his or her resignation pursuant to Section 5.3(b) above, (iii) his or her removal pursuant to Section 5.3(c) above, or (iv) the termination of the PI Trust pursuant to Section 6.2 below.

(c) No successor TAC member shall be liable personally for any act or omission of his or her predecessor TAC member. No successor TAC member shall have any duty to investigate the acts or omissions of his or her predecessor TAC member.

5.5 **Compensation and Expenses of the TAC.** The members of the TAC shall not receive compensation from the PI Trust for their services as TAC members but shall be reimbursed for all reasonable out-of-pocket costs or expenses incurred in connection with the performance of such member's duties hereunder. A description of the amounts paid under this Section 5.5 shall be included in the Annual Report and shall be included in quarterly reports provided to the Reorganized Debtors.

5.6 **No Bond.** The members of the TAC shall not be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

5.7 **Procedures for Obtaining Consent of the TAC**

(a) Where the Trustee is required to obtain the consent of the TAC pursuant to Section 2.2(e) above, the TDP or otherwise, the Trustee shall provide the TAC with a written notice stating that its consent is being sought pursuant to that provision, describing in detail the nature and scope of the action the Trustee proposes to take, and explaining in detail the reasons why the Trustee desires to take such action. The Trustee shall provide the TAC as much relevant information concerning the proposed action as is reasonably practicable under the circumstances. The Trustee shall also provide the TAC with reasonable access to the professionals or experts

retained by the PI Trust and its staff (if any) as the TAC may reasonably request during the time that the Trustee is considering such action, and shall also provide the TAC the opportunity, at reasonable times and for reasonable periods of time, to discuss and comment on such action with the Trustee. In instances also requiring consent of the Reorganized Debtors, whose consent shall not be unreasonably denied or delayed, such notices and information provided to the TAC shall also be provided to the Reorganized Debtors.

(b) The TAC must consider in good faith and in a timely fashion any request for its consent by the Trustee and must in any event advise the Trustee in writing of its consent or objection to the proposed action within five (5) business days of receiving the original request for consent from the Trustee. The TAC may not withhold its consent unreasonably. If the TAC decides to withhold consent, it must explain in detail its objections to the proposed action. If the TAC does not advise the Trustee in writing of its consent or objections to the proposed action within five (5) days of receiving notice regarding such request, then consent of the TAC to the proposed action shall be deemed to have been affirmatively granted.

(c) If, after following the procedures specified in Section 5.7, the TAC continues to object to the proposed action and to withhold its consent to the proposed action, the Trustee and the TAC shall resolve their dispute pursuant to Section 6.12. The TAC shall bear the burden of proving that it reasonably withheld its consent. If the TAC meets that burden, the PI Trust shall then bear the burden of showing why it should be permitted to take the proposed action notwithstanding the TAC's reasonable objection.

(d) Action by the TAC shall require the affirmative vote of the majority of the TAC members then in office.

ARTICLE VI

GENERAL PROVISIONS

6.1 **Irrevocability**. To the fullest extent permitted by applicable law, the PI Trust is irrevocable.

6.2 **Term; Termination.**

(a) The term for which the PI Trust is to exist shall commence on the date of the filing of the Certificate of Trust and shall terminate pursuant to the provisions of this Section 6.2.

(b) The PI Trust shall automatically dissolve as soon as practicable but no later than ninety (90) days after the date on which the Bankruptcy Court approves the dissolution upon the satisfaction of the purposes of the PI Trust, wherein (i) all reasonably expected assets have been collected, (ii) all payments with respect to Talc Claims under Section 3.4 above have been made, (iii) necessary arrangements and reserves have been made to discharge all anticipated remaining obligations and operating expenses in a manner consistent with Governing Documents, and (iv) a final accounting has been filed and approved by the Bankruptcy Court (the "**Dissolution Date**").

(c) On the Dissolution Date or as soon as reasonably practicable thereafter, after the wind-up of the affairs of the PI Trust by the Trustee and payment of all of the PI Trust's liabilities have been provided for as required by applicable law including Section 3808 of the Act, all monies remaining in the PI Trust shall be distributed or disbursed in accordance with Section 3.4.

(d) Following the dissolution and distribution of the assets of the PI Trust, the PI Trust shall terminate, and the Trustee shall execute and cause a Certificate of Cancellation of the Certificate of Trust of the PI Trust to be filed in accordance with the Act. Notwithstanding anything to the contrary contained in this Trust Agreement, the existence of the PI Trust as a separate legal entity shall continue until the filing of such Certificate of Cancellation. A certified copy of the Certificate of Cancellation shall be given to the Delaware Trustee for its records promptly following such filing.

6.3 **Amendments**. Any amendment to or modification of this Trust Agreement may be made in writing and only pursuant to an order of the Bankruptcy Court; provided, however, the Trustee may amend this Trust Agreement with the unanimous consent of the TAC from time to time without the consent, approval or other authorization of, but with notice to, the Bankruptcy Court, to make: (i) minor modifications or clarifying amendments necessary to enable the Trustee to effectuate the provisions of this Trust Agreement; (ii) amendments permitted pursuant to Section 6.1 of the TDP, or (iii) modifications to satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, statute, ruling or regulation of any federal, state or foreign governmental entity. Notwithstanding the foregoing, the TDP may be amended in writing by the Trustee with the consent of the TAC without an order of the Bankruptcy Court, provided, however, the amended TDP shall be filed with the Bankruptcy Court within thirty (30) days following the effective date of such amended TDP. Notwithstanding the foregoing, (i) no amendment or modification of this Trust Agreement shall modify this Trust Agreement in a manner that is inconsistent with the Plan or the Confirmation Order, other than, with the Reorganized Debtors' consent, to make minor modifications or clarifying amendments as necessary to enable the Trustee to effectuate the provisions of this Trust Agreement; (ii) neither

this Trust Agreement, the TDP, nor any Exhibit to this Trust Agreement or the TDP shall be modified or amended in any way that could jeopardize, impair, or modify the PI Trust's Qualified Settlement Fund status under the QSF Regulations; and (iii) any amendment or modification of this Trust Agreement, or Exhibit hereto, or the TDP, or Schedule thereto, affecting the rights, duties, immunities or liabilities of the Delaware Trustee shall require the Delaware Trustee's written consent. The Trustee shall provide at least ten (10) business days' written notice to the Reorganized Debtors prior to making any amendment or modification to the Trust Agreement or any Exhibit thereto, or the TDP or any Schedule thereto, and if the Reorganized Debtors reasonably and in good faith advise the Trustee in writing that the proposed amendment or modification affects, directly or indirectly, any right, duty, immunity, interest or liability of the Reorganized Debtors, then the Reorganized Debtors' consent (which shall not be unreasonably denied or delayed) shall be required for such proposed amendment or modification. Any dispute between the Trustee and the Reorganized Debtors with respect to this Section 6.3 shall be resolved by the Bankruptcy Court.

6.4 **Severability**. Should any provision in this Trust Agreement be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this Trust Agreement.

6.5 **Notices.**

(a) Notices to persons asserting Talc Claims shall be given in accordance with such person's claims form submitted to the PI Trust with respect to his or her Talc Claim.

(b) Any notices or other communications required or permitted hereunder to the following Parties shall be in writing and delivered to the addresses or e-mail addresses

(c) All such notices and communications if mailed shall be effective when physically delivered at the designated addresses or, if electronically transmitted, when the communication is received at the designated addresses.

6.6 **Successors and Assigns**. The provisions of this Trust Agreement shall be binding upon and inure to the benefit of the Reorganized Debtors (which shall be a third-party beneficiary hereof), the PI Trust, the TAC, the Trustee, and their respective successors and assigns, except that

neither the PI Trust, the TAC, nor the Trustee, may assign or otherwise transfer any of their rights or obligations, if any, under this Trust Agreement except in the case of the Trustee in accordance with Section 4.2(d) above, and in the case of the TAC members in accordance with Section 5.4(b) above.

6.7 **Limitation on Talc Claims Interests for Securities Laws Purposes**. Talc Claims, and any interests therein, (a) shall not be assigned, conveyed, hypothecated, pledged, or otherwise transferred, voluntarily or involuntarily, directly or indirectly, except by will, under the laws of descent and distribution or otherwise by operation of law; (b) shall not be evidenced by a certificate or other instrument; (c) shall not possess any voting rights; and (d) shall not be entitled to receive any dividends or interest.

6.8 **Exemption from Registration**. The Parties hereto intend that the interests of the Beneficial Owners under this Trust Agreement shall not be "securities" under applicable laws, but none of the Parties hereto represent or warrant that such rights shall not be securities or shall be entitled to exemption from registration under applicable securities laws. If it should be determined that any such interests constitute "securities," the Parties hereto intend that the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied and the offer and sale under the Plan of the beneficial interests in the PI Trust will be exempt from registration under the Securities Act, all rules and regulations promulgated thereunder, and all applicable state and local securities laws and regulations.

6.9 **Entire Agreement; No Waiver**. The entire agreement of the Parties relating to the subject matter of this Trust Agreement is contained herein (including the TDP), and in the documents referred to herein (including the Plan), and this Trust Agreement and such documents supersede any prior oral or written agreements concerning the subject matter hereof. No failure to

exercise or delay in exercising any right, power, or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any further exercise thereof or of any other right, power, or privilege. The rights and remedies herein provided are cumulative and are not exclusive of rights under law or in equity.

6.10 **Headings.** The headings used in this Trust Agreement are inserted for convenience only and do not constitute a portion of this Trust Agreement, nor in any manner affect the construction of the provisions of this Trust Agreement.

6.11 **Governing Law**. The validity and construction of this Trust Agreement and all amendments hereto and thereto shall be governed by the laws of the State of Delaware, and the rights of all Parties hereto and the effect of every provision hereof shall be subject to and construed according to the laws of the State of Delaware without regard to the conflicts of law provisions thereof that would purport to apply the law of any other jurisdiction; provided, however, that the Parties hereto intend that the provisions hereof shall control and there shall not be applicable to the PI Trust, the Trustee, the Delaware Trustee, the TAC, or this Trust Agreement, any provision of the laws (statutory or common) of the State of Delaware pertaining to trusts that relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of Trustee accounts or schedules of Trustee fees and charges; (b) affirmative requirements to post bonds for the Trustee, officers, agents, or employees of a trust; (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding, or disposition of real or personal property; (d) fees or other sums payable to the Trustee, officers, agents, or employees of a trust; (e) the allocation of receipts and expenditures to income or principal; (f) restrictions or limitations on the permissible nature, amount, or concentration of trust investments or requirements relating to the titling, storage, or other manner of holding of trust

assets; (g) the existence of rights or interests (beneficial or otherwise) in trust assets; (h) the ability of beneficial owners or other persons to terminate or dissolve a trust; or (i) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of the Trustee or beneficial owners that are inconsistent with the limitations on liability or authorities and powers of the Trustee, the Delaware Trustee, or the TAC, set forth or referenced in this Trust Agreement. Section 3540 of the Act shall not apply to the PI Trust.

6.12 **Dispute Resolution**.

(a) Unless otherwise expressly provided for herein, the dispute resolution procedures of this Section 6.12 shall be the exclusive mechanism to resolve any dispute arising under or with respect to this Trust Agreement. For the avoidance of doubt, this Section 6.12 shall not apply to the Reorganized Debtors or any dispute with respect to the resolution of Talc Claims which shall be governed exclusively by the TDP.

(b) **Informal Dispute Resolution**. Any dispute under this Trust Agreement shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when a disputing party sends to the counterparty or counterparties a written notice of dispute ("**Notice of Dispute**"). Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed thirty (30) days from the date the Notice of Dispute is received by the counterparty or counterparties, unless that period is modified by written agreement of the disputing party and counterparty or counterparties. If the disputing party and the counterparty or counterparties cannot resolve the dispute by informal negotiations, then the disputing party may invoke the formal dispute resolution procedures as set forth below.

(c) **Formal Dispute Resolution**. The disputing party shall invoke formal dispute resolution procedures, within the time period provided in the preceding subparagraph, by

serving on the counterparty or counterparties a written statement of position regarding the matter in dispute ("**Statement of Position**"). The Statement of Position shall include, but need not be limited to, any factual data, analysis or opinion supporting the disputing party's position and any supporting documentation and legal authorities relied upon by the disputing party. Each counterparty shall serve its Statement of Position within thirty (30) days of receipt of the disputing party's Statement of Position, which shall also include, but need not be limited to, any factual data, analysis or opinion supporting the counterparty's position and any supporting documentation and legal authorities relied upon by the counterparty. If the disputing party and the counterparty or counterparties are unable to consensually resolve the dispute within thirty (30) days after the last of all counterparties have served its Statement of Position on the disputing party, the disputing party may file with the Bankruptcy Court a motion for judicial review of the dispute in accordance with Section 6.12(d).

(d) **Judicial Review**. The disputing party may seek judicial review of the dispute by filing with the Bankruptcy Court (or, if the Bankruptcy Court shall not have jurisdiction over such dispute, such court as has jurisdiction pursuant to Section 1.5 above) and serving on the counterparty or counterparties and the Trustee, a motion requesting judicial resolution of the dispute. The motion must be filed within forty-five (45) days of receipt of the last counterparty's Statement of Position pursuant to the preceding subparagraph. The motion shall contain a written statement of the disputing party's position on the matter in dispute, including any supporting factual data, analysis, opinion, documentation and legal authorities, and shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly administration of the PI Trust. Each counterparty shall respond to the motion within the time period allowed by

the rules of the court, and the disputing party may file a reply memorandum, to the extent permitted by the rules of the court.

6.13 **Effectiveness**. This Trust Agreement shall become effective on the Effective Date.

6.14 **Counterpart Signatures**. This Trust Agreement may be executed in any number of counterparts and by different Parties on separate counterparts (including by PDF transmitted by e-mail), and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties have executed this Trust Agreement this ____ day of _____, 2023.

2.2 **General Administration.**

(a) The Trustee shall act in accordance with the Governing Documents. In the event of a conflict between the terms of this Trust Agreement and the Plan, the terms of the Plan shall control. For the avoidance of doubt, this Trust Agreement shall be construed and

implemented in accordance with the Plan, regardless of whether any provision herein explicitly references the Plan.

(b) The Trustee shall (i) timely file such tax returns and pay any taxes imposed on the GUC Trust in accordance with Section 5.3, (ii) comply with all applicable reporting and withholding obligations in accordance with Section 5.4, (iii) satisfy all requirements necessary to qualify and maintain qualification of the GUC Trust as a "liquidating trust" within the meaning of Section 301.7701-4(d) of the Treasury Regulations, except as provided pursuant to **Exhibit 3** hereof with respect to the QSF Account and as provided under Section 5.3(c) with respect to any Disputed Ownership Fund, and (iv) take no action that could cause the GUC Trust to fail to qualify as a "liquidating trust" within the meaning of Section 301.7701-4(d) of the Treasury Regulations, except as provided pursuant to **Exhibit 3** hereof with respect to the QSF Account and as provided under Section 5.3(c) with respect to any Disputed Ownership Fund. Notwithstanding the foregoing, the Trustee shall take such actions as set forth on **Exhibit 3** hereto with respect to the segregated account to be established for the eligible holders of Hair Straightening Claims.

(c) The Trustee shall be required to obtain the consent of the Reorganized Debtors, which shall not be unreasonably withheld or delayed:

(i) to materially modify the compensation of the Trustee;

(ii) to acquire an interest in and/or merge with and/or contract with another settlement trust; or

(iii) to make any amendment or modification of this Trust Agreement, or Exhibit hereto, that directly or indirectly affects the rights, duties, immunities, interests or

liabilities of the Reorganized Debtors, which in each case shall be in accordance with Section 6.3; provided that no such amendment shall be in contravention of the Plan.

2.3 **Reporting.**

(a) The Trustee shall timely prepare, file and distribute such statements, reports and submissions to the extent required by applicable law.

(b) The Trustee shall cause to be prepared and filed with the Bankruptcy Court, as soon as available, and in any event no later than one hundred and twenty (120) days following the end of each fiscal year, an annual report (the "**Annual Report**") containing special-purpose financial statements of the GUC Trust (including, without limitation, a special-purpose statement of assets, liabilities and net claimants' equity, a special-purpose statement of changes in net claimants' equity and a special-purpose statement of cash flows). The Trustee shall not be required to obtain an audit of the Annual Report by a firm of independent certified public accountants. The Annual Report shall be made available to the Reorganized Debtors and the GUC Trust Beneficiaries by means of actual notice, provided, however, the Trustee may post the Annual Report on a website maintained by the GUC Trust in lieu of actual notice to each GUC Trust Beneficiary (unless otherwise required by law).

ARTICLE III

ACCOUNTS, INVESTMENTS, AND PAYMENTS

3.1 **Accounts.**

(a) The Trustee shall maintain one or more accounts (the "**Trust Accounts**") on behalf of the GUC Trust with one or more financial depository institutions (each a "**Financial**

Institution"). The Trustee shall maintain a segregated account to be administered in accordance with the provisions of **Exhibit 3** hereto for the eligible holders of eligible holders of Hair Straightening Claims.

(b) Candidates for the positions of Financial Institution shall fully disclose to the Trustee any interest in or relationship with the Reorganized Debtors or their affiliated persons. Any such interest or relationship shall not be an automatic disqualification for the position, but the Trustee shall take any such interest or relationship into account in selecting a Financial Institution.

(c) The Trustee may replace any retained Financial Institution with a successor Financial Institution at any time, and such successor shall be subject to the considerations set forth in Section 3.1(a) above.

(d) The Trustee may, from time to time, create such accounts and reasonable reserves within the Trust Accounts as authorized in this Section 3.1 and as he or she may deem necessary, prudent or useful in order to provide for distributions to the GUC Trust Beneficiaries and may, with respect to any such account or reserve, restrict the use of money therein for a specified purpose (the "**Trust Subaccounts**"). Any such Trust Subaccounts established by the Trustee shall be held as Trust Assets and, except as specifically designated as such in accordance with the provisions of Section 5.3(c) below, are not intended to be subject to separate entity tax treatment as a "disputed claims reserve" or a "disputed ownership fund" within the meaning of the IRC or Treasury Regulations.

3.2 **Investment Guidelines.**

(a) The Trustee may invest the Trust Assets in accordance with the Investment Guidelines, attached hereto as **Exhibit 2** (the "**Investment Guidelines**").

(b) In the event the GUC Trust holds any non-liquid assets, the Trustee shall own, protect, oversee, and monetize such non-liquid assets in accordance with the Governing Documents. This Section 3.2(b) is intended to modify the application to the GUC Trust of the "prudent person" rule, "prudent investor" rule and any other rule of law that would require the Trustee to diversify the Trust Assets.

(c) Cash proceeds received by the GUC Trust in connection with its monetization of the non-liquid Trust Assets shall be invested in accordance with the Investment Guidelines until needed for the purposes of the GUC Trust as set forth in Section 1.2 above.

3.3 **Payment of Operating Expenses.**

All operating expenses of the GUC Trust shall be paid from the GUC Trust/PI Fund Operating Reserve as provided in the Plan. None of the Trustee, Delaware Trustee, the GUC Trust Beneficiaries, nor any of their officers, agents, advisors, professionals or employees shall be personally liable for the payment of any operating expense or other liability of the GUC Trust. Except as expressly set forth in the Plan, none of the Debtors or Reorganized Debtors, nor any of their officers, agents, advisors, professionals or employees shall be liable for the payment of any operating expense or other liability of the GUC Trust or the Trustee.

3.4 **Distributions to GUC Trust Beneficiaries.**

(a) The Trustee will make distributions to GUC Trust Beneficiaries in a fair, consistent and equitable manner in accordance with this Trust Agreement, the Plan and the Confirmation Order.

(b) Distributions to GUC Trust Beneficiaries shall be made, as determined by the Trustee in his or her discretion subject to the terms of the Plan, provided, however, the GUC Trust must distribute at least annually to the GUC Trust Beneficiaries its net income plus all net proceeds from the sale of assets, except that the GUC Trust may retain an amount of net proceeds or net income reasonably necessary to maintain the value of its assets or to meet claims and contingent liabilities (including disputed claims).

(c) The GUC Trust may withhold or deduct from amounts distributable to any Person any and all amounts, determined in the Trustee's reasonable sole discretion, required by any law, regulation, rule, ruling, directive, or other governmental requirement (including, without limitation, tax withholding in accordance with Section 5.4 below). Any Trust Assets which are undistributable in accordance with this Section 3.4 as of the termination of the GUC Trust shall (i) revert to the GUC Trust (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary); (ii) the Beneficiary Claim with respect to such undistributable amount shall be released, settled, compromised and forever barred, and (iii) the undistributable amount shall be reallocated to the other Beneficiary Claims, in accordance with provisions of the Plan and this Trust Agreement.

(d) The Trustee may retain a distribution agent for the effective administration and distribution of amounts payable to GUC Trust Beneficiaries; provided, however, that such

distribution agent shall have no greater authority than, and shall be subject to the same restrictions as, the Trustee under this Trust Agreement.

(e) Subject to Bankruptcy Rule 9010, any distribution to a GUC Trust Beneficiary shall be made: (1) at the addresses set forth on the respective proofs of Claim filed by such holders; (2) at the address set forth in any written notices of address changes delivered to the Trustee after the date of any related proof of Claim; or (3) at the address reflected in the schedules if no proof of Claim is filed with the Trustee (as to Beneficiary Claims administered by the GUC Trust) and the Trustee has not received a written notice of a change of address. Except as set forth in the Plan, if any GUC Trust Distribution or other communication from the GUC Trust is returned as undeliverable, no further GUC Trust Distribution shall be made to such holder unless the Trustee is notified in writing of such holder's then current address. Undeliverable GUC Trust Distributions shall remain in the possession of the Trustee until the earlier of (i) such time as a GUC Trust Distribution becomes deliverable or (ii) such undeliverable GUC Trust Distribution becomes an Unclaimed Distribution pursuant to the provisions of the Plan and this Trust Agreement. Except as required by law, the Trustee (or its duly authorized agent) shall have no obligation to locate any GUC Trust Beneficiary.

(f) After final GUC Trust Distributions have been made in accordance with the Plan, the Confirmation Order and this Trust Agreement, and adequate provision has been made for all final obligations of the GUC Trust, the Trustee shall have the authority to direct the remaining Trust Assets to a tax-exempt organization as selected by the Trustee in his or her discretion.

(g) Checks issued to GUC Trust Beneficiaries shall be null and void if not negotiated within one hundred eighty (180) calendar days after the date of issuance thereof. Requests for reissuance of any voided check shall be made directly to the Trustee by the GUC Trust Beneficiary to whom such check was originally issued. Any Beneficiary Claim in respect of such a voided check shall be made within one hundred eighty (180) calendar days after the date of issuance of such check. If no request is made as provided in the preceding sentence, the check shall be deemed undistributable and shall be subject to the provisions of Section 3.4(c).

(h) Cash payments to foreign GUC Trust Beneficiaries may be made, at the option of the Trustee, in such funds and by such means as are necessary or customary in the foreign jurisdiction of such foreign holder.

(i) The Trustee shall have the discretion to determine the timing of GUC Trust Distributions in the most efficient and cost-effective manner possible; provided, however, that the Trustee's discretion may not be exercised in a manner inconsistent with any express requirements of the Plan.

(j) Notwithstanding any provision in the Trust Agreement, the Plan or the Confirmation Order to the contrary, the Trustee, in the Trustee's sole discretion, may decline to make any distribution of $100 or less, due to the economic inefficiency of making a distribution of such a *de minimis* amount.

ARTICLE IV

TRUSTEE; DELAWARE TRUSTEE

4.1 **Number**. In addition to the Delaware Trustee appointed pursuant to Section 4.9 below, there shall be one (1) Trustee who shall be the person named on the signature pages hereof.

(b) The Trustee may resign at any time upon written notice to the Reorganized Debtors with such notice filed with the Bankruptcy Court. Such notice shall specify a date when such resignation shall take effect, which shall not be less than ninety (90) days after the date such notice is given, where practicable.

(c) The Trustee may be removed by the Bankruptcy Court in the event the Trustee becomes unable to discharge his or her duties hereunder due to accident, physical deterioration, mental incompetence or for other good cause, provided the Trustee has received reasonable notice and an opportunity to be heard. Other good cause shall mean (i) fraud, self-dealing, intentional misrepresentation, willful misconduct, indictment for or conviction of a felony, in each case whether or not connected to the GUC Trust, or (ii) a consistent pattern of neglect and failure to perform or participate in performing the duties of Trustee hereunder.

(d) In the event of any vacancy in the office of the Trustee, including the death, resignation or removal of any Trustee, such vacancy shall be filled by the Bankruptcy Court.

(e) Immediately upon the appointment of any successor Trustee pursuant to Section 4.2(d) above, all rights, titles, duties, powers and authority of the predecessor Trustee hereunder shall be vested in and undertaken by the successor Trustee without any further act. No successor Trustee shall be liable personally for any act or omission of his or her predecessor Trustee. No predecessor Trustee shall be liable personally for any act or omission of his or her successor Trustee. No successor Trustee shall have any duty to investigate the acts or omissions of his or her predecessor Trustee.

(f) Each successor Trustee shall serve until the earliest of (i) his or her death, (ii) his or her resignation pursuant to Section 4.2(b) above, (iii) his or her removal pursuant to Section 4.2(c) above, and (iv) the termination of the GUC Trust pursuant to Section 6.2 below.

4.3 **Compensation and Expenses of the Trustee.**

(a) The Trustee shall be compensated for his or her service as Trustee in the amount of $750 per hour, paid monthly.

(b) The GUC Trust will promptly reimburse the Trustee for all reasonable and documented out-of-pocket costs and expenses incurred by the Trustee in connection with the performance of his or her duties hereunder.

(c) The GUC Trust shall include in the Annual Report a description of the amounts paid under this Section 4.3. The GUC Trust shall provide quarterly reports to the Reorganized Debtors for a description of the amounts paid under this Section 4.3.

4.4 **Standard of Care; Exculpation.**

(a) As used herein, the term "**Trust Indemnified Party**" shall mean each of (i) the Trustee, (ii) the Delaware Trustee, and (iii) the officers, employees, consultants, advisors, and agents of each of the GUC Trust and the Trustee.

(b) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall not have or incur any liability for actions taken or omitted in their capacities as Trust Indemnified Parties, or on behalf of the GUC Trust, except those acts found by a final order of a court of competent jurisdiction ("**Final Order**") to be arising out of their willful misconduct, bad faith, gross negligence or fraud, and shall be entitled to indemnification and reimbursement for reasonable fees and expenses in defending any and all of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the GUC Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or this Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the GUC Trust.

(c) To the extent that, at law or in equity, the Trust Indemnified Parties have duties (including fiduciary duties) or liability related thereto, to the GUC Trust or the GUC Trust Beneficiaries, it is hereby understood and agreed by the Parties that such duties and liabilities are eliminated to the fullest extent permitted by applicable law, and replaced by the duties and liabilities expressly set forth in this Trust Agreement with respect to the Trust Indemnified Parties;

provided, however, that with respect to the Trust Indemnified Parties other than the Delaware Trustee the duties of care and loyalty are not eliminated but are limited and subject to the terms of this Trust Agreement, including but not limited to this Section 4.4 and its subparts.

(d) The GUC Trust will maintain appropriate insurance coverage for the protection of the Trust Indemnified Parties, as determined by the Trustee in his or her discretion.

4.5 **Protective Provisions.**

(a) Every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to Trust Indemnified Parties shall be subject to the provisions of this Section 4.5.

(b) In the event the Trustee retains counsel (including at the expense of the GUC Trust), the Trustee shall be afforded the benefit of the attorney-client privilege with respect to all communications with such counsel, and in no event shall the Trustee be deemed to have waived any right or privilege including, without limitation, the attorney-client privilege even if the communications with counsel had the effect of guiding the Trustee in the performance of duties hereunder. A successor Trustee shall succeed to and hold the same respective rights and benefits of the predecessor for purposes of privilege, including the attorney-client privilege. No Party or other person may raise any exception to the attorney-client privilege described herein as any such exceptions are hereby waived by all Parties.

(c) No Trust Indemnified Party shall be personally liable under any circumstances, except for his or her own willful misconduct, bad faith, gross negligence or fraud as determined by a Final Order.

(d) No provision of this Trust Agreement shall require the Trust Indemnified Parties to expend or risk their own personal funds or otherwise incur financial liability in the performance of their rights, duties and powers hereunder.

(e) In the exercise or administration of the GUC Trust hereunder, the Trust Indemnified Parties (i) may act directly or through their respective agents or attorneys pursuant to agreements entered into with any of them, and the Trust Indemnified Parties shall not be liable for the default or misconduct of such agents or attorneys if such agents or attorneys have been selected by the Trust Indemnified Parties in good faith and with due care, and (ii) may consult with counsel, accountants and other professionals to be selected by them in good faith and with due care and employed by them, and shall not be liable for anything done, suffered or omitted in good faith by them in accordance with the advice or opinion of any such counsel, accountants or other professionals.

4.6 **Indemnification.**

(a) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall be entitled to indemnification and reimbursement for reasonable fees and expenses (including attorneys' fees and costs but excluding taxes in the nature of income taxes imposed on compensation paid to the Trust Indemnified Parties) in defending any and all of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the GUC Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case, except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith,

gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the Trust Assets.

(b) Reasonable expenses, costs and fees (including attorneys' fees and costs) incurred by or on behalf of the Trust Indemnified Parties in connection with any action, suit or proceeding, whether civil, administrative or arbitrative, from which they are indemnified by the GUC Trust shall be paid by the GUC Trust from the GUC Trust/PI Fund Operating Reserve in advance of the final disposition thereof upon receipt of an undertaking, by or on behalf of the Trust Indemnified Parties, to repay such amount in the event that it shall be determined ultimately by Final Order that the Trust Indemnified Parties or any other potential indemnitee are not entitled to be indemnified by the GUC Trust.

(c) The Trustee is authorized, but not required, to purchase and maintain appropriate amounts and types of insurance on behalf of the Trust Indemnified Parties, as determined by the Trustee, which may include insurance with respect to liability asserted against or incurred by such individual in that capacity or arising from his or her status as a Trust Indemnified Party, and/or as an employee, agent, lawyer, advisor or consultant of any such person.

(d) The indemnification provisions of this Trust Agreement with respect to any Trust Indemnified Party shall survive the termination of such Trust Indemnified Party from the capacity for which such Trust Indemnified Party is indemnified. Modification of this Trust Agreement shall not affect any indemnification rights or obligations in existence at such time. In making a determination with respect to entitlement to indemnification of any Trust Indemnified Party hereunder, the person, persons or entity making such determination shall presume that such Trust Indemnified Party is entitled to indemnification under this Trust Agreement, and any person

seeking to overcome such presumption shall have the burden of proof to overcome the presumption.

(e) The rights to indemnification hereunder are not exclusive of other rights which any Trust Indemnified Party may otherwise have at law or in equity, including common law rights to indemnification or contribution.

4.7 **Trustee Independence.** The Trustee shall not, during the term of his or her service, hold a financial interest in, act as attorney or agent for, or serve as an officer or as any other professional for the Reorganized Debtors. The Trustee shall not act as an attorney, agent, or other professional for any GUC Trust Beneficiary or any holder of any Beneficiary Claim. For the avoidance of doubt, this Section 4.7 shall not be applicable to the Delaware Trustee.

4.8 **No Bond.** Neither the Trustee nor the Delaware Trustee shall be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

4.9 **Delaware Trustee.**

(a) There shall at all times be a Delaware Trustee to serve in accordance with the requirements of the Act. The Delaware Trustee shall either be (i) a natural person who is at least twenty-one (21) years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law to be eligible to serve as the Delaware Trustee, and shall act through one or more persons authorized to bind such entity. If at any time the Delaware Trustee shall cease to be eligible to serve as Delaware Trustee in accordance with the provisions of this Section 4.9, it shall resign immediately in the manner and with the effect hereinafter specified in Section 4.9(c) below. For the avoidance of doubt, the Delaware Trustee will only have such rights, duties and

obligations as expressly provided by reference to the Delaware Trustee hereunder. The Trustee shall have no liability for the acts or omissions of any Delaware Trustee.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities of the Trustee set forth herein. The Delaware Trustee shall be a trustee of the GUC Trust for the sole and limited purpose of fulfilling the requirements of Section 3807(a) of Chapter 38 of title 12 of the Delaware Code, 12 Del. C. Section 3801 *et seq.* (the "**Act**") and for taking such actions as are required to be taken by a Delaware Trustee under the Act. The duties (including fiduciary duties), liabilities and obligations of the Delaware Trustee shall be limited to accepting legal process served on the GUC Trust in the State of Delaware and the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Act. There shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. To the extent that, at law or in equity, the Delaware Trustee has duties (including fiduciary duties) and liabilities relating to the GUC Trust or the GUC Trust Beneficiaries, such duties and liabilities are replaced by the duties and liabilities of the Delaware Trustee expressly set forth in this Trust Agreement. The Delaware Trustee shall have no liability for the acts or omissions of any Trustee. Any permissive rights of the Delaware Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty and, with respect to any such permissive rights, the Delaware Trustee shall not be answerable for other than its willful misconduct, bad faith, gross negligence or fraud. The Delaware Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of the Trustee or any other person pursuant to the provisions of this Trust Agreement unless the Trustee or such other person shall have offered to the Delaware

Trustee security or indemnity (satisfactory to the Delaware Trustee in its discretion) against the costs, expenses and liabilities that may be incurred by it in compliance with such request or direction. The Delaware Trustee shall be entitled to request and receive written instructions from the Trustee and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Delaware Trustee in accordance with the written direction of the Trustee. The Delaware Trustee may, at the expense of the GUC Trust, request, rely on and act in accordance with officer's certificates and/or opinions of counsel, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance with such officer's certificates and opinions of counsel.

(c) The Delaware Trustee shall serve until such time as the Trustee removes the Delaware Trustee or the Delaware Trustee resigns and a successor Delaware Trustee is appointed by the Trustee in accordance with the terms of Section 4.9(d) below. The Delaware Trustee may resign at any time upon the giving of at least sixty (60) days' advance written notice to the Trustee; provided that such resignation shall not become effective unless and until a successor Delaware Trustee shall have been appointed by the Trustee in accordance with Section 4.9(d) below; provided further that if any amounts due and owing to the Delaware Trustee hereunder remain unpaid for more than ninety (90) days, the Delaware Trustee shall be entitled to resign immediately by giving written notice to the Trustee. If the Trustee does not act within such sixty (60) day period, the Delaware Trustee, at the expense of the GUC Trust, may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction for the appointment of a successor Delaware Trustee.

(d) Upon the resignation or removal of the Delaware Trustee, the Trustee shall appoint a successor Delaware Trustee by delivering a written instrument to the outgoing Delaware

Trustee. Any successor Delaware Trustee must satisfy the requirements of Section 3807 of the Act. Any resignation or removal of the Delaware Trustee and appointment of a successor Delaware Trustee shall not become effective until a written acceptance of appointment is delivered by the successor Delaware Trustee to the outgoing Delaware Trustee and the Trustee, and any fees and expenses due to the outgoing Delaware Trustee are paid. Following compliance with the preceding sentence, the successor Delaware Trustee shall become fully vested with all of the rights, powers, duties and obligations of the outgoing Delaware Trustee under this Trust Agreement, with like effect as if originally named as Delaware Trustee, and the outgoing Delaware Trustee shall be discharged of his or her duties and obligations under this Trust Agreement. The successor Delaware Trustee shall make any related filings required under the Act, including filing a Certificate of Amendment to the Certificate of Trust of the GUC Trust in accordance with Section 3810 of the Act.

(e) Notwithstanding anything herein to the contrary, any business entity into which the Delaware Trustee may be merged or converted or with which it may be consolidated or any entity resulting from any merger, conversion or consolidation to which the Delaware Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Delaware Trustee, shall be the successor of the Delaware Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

(f) The Delaware Trustee shall be entitled to compensation for its services as agreed pursuant to a separate fee agreement between the GUC Trust and the Delaware Trustee, which compensation shall be paid by the GUC Trust. Such compensation is intended for the Delaware Trustee's services as contemplated by this Trust Agreement. The terms of this paragraph

shall survive termination of this Trust Agreement and/or the earlier resignation or removal of the Delaware Trustee.

(g) The Delaware Trustee shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document, other than this Trust Agreement, whether or not, an original or a copy of such agreement has been provided to the Delaware Trustee. The Delaware Trustee shall have no duty to know or inquire as to the performance or nonperformance of any provision of any other agreement, instrument or document, other than this Trust Agreement. Neither the Delaware Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the GUC Trust, the Trustee or any other person, or any of their directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Delaware Trustee may assume performance by all such persons of their respective obligations. The Delaware Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other person. The Delaware Trustee shall have no responsibilities (except as expressly set forth herein) as to the validity, sufficiency, value, genuineness, ownership or transferability of any Trust Asset, written instructions, or any other documents in connection therewith, and will not be regarded as making, nor be required to make, any representations thereto.

(h) The Delaware Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Trust Agreement arising out of, or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics;

riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

ARTICLE V

TAX MATTERS

This Article V shall not apply to the segregated account to be administered in accordance with the provisions of **Exhibit 3** hereto for the eligible holders of Hair Straightening Claim and any reference to the settlement consideration contained in this Article V shall exclude any portion of the Settlement Consideration allocable to such segregated account.

5.1 **Treatment of Settlement Consideration Transfer.** For all United States federal income tax purposes, all Parties shall treat the transfer of the Settlement Consideration to the GUC Trust as (i) a transfer of the Settlement Consideration (subject to any obligations related to those assets) directly to the GUC Trust Beneficiaries, followed by (ii) the transfer by such GUC Trust Beneficiaries of such Settlement Consideration to the GUC Trust in exchange for GUC Trust Interests (other than the Trust Assets allocable to Disputed Claims and held as a "disputed ownership fund" within the meaning of Section 1.468B-9 of the Treasury Regulations ("**Disputed Ownership Fund**")). Accordingly, the GUC Trust Beneficiaries shall be treated for United States federal income tax purposes (and, to the extent permitted, for state and local income tax purposes)

as the grantors and owners of their respective shares of the Settlement Consideration (other than the Trust Assets allocable to the Disputed Ownership Fund).

5.2 **Income Tax Status.**

(a) For United States federal income tax purposes (and for purposes of all state, local and other jurisdictions to the extent applicable) and other than as provided pursuant to Section 5.3(c) and **Exhibit 3** hereof, this GUC Trust shall be treated as a liquidating trust pursuant to Section 301.7701-4(d) of the Treasury Regulations and as a grantor trust pursuant to Sections 671-679 of the IRC. To the extent consistent with Revenue Procedure 94-45 and not otherwise inconsistent with this Trust Agreement, this Trust Agreement shall be construed so as to satisfy the requirements for liquidating trust status.

(b) Subject to **Exhibit 3** hereof, the GUC Trust shall at all times to be administered so as to constitute a domestic trust for United States federal income tax purposes.

5.3 **Tax Returns.**

(a) In accordance with Section 6012 of the IRC and Section 1.671-4(a) of the Treasury Regulations, the Trustee shall file with the IRS annual tax returns for the GUC Trust on Form 1041 as a grantor trust pursuant to Section 1.671-4(a) of the Treasury Regulations. In addition, the Trustee shall file in a timely manner for the GUC Trust such other tax returns, including any state and local tax returns, as are required by applicable law and pay any taxes shown as due thereon. The GUC Trust's items of taxable income, gain, loss, deduction, and/or credit (other than such items is respect of any assets allocable to, or retained on account of, the Disputed Ownership Fund) will be allocated to the GUC Trust Beneficiaries in accordance with their relative ownership of GUC Trust Interests. Within a reasonable time following the end of the taxable year,

the GUC Trust shall send to each GUC Trust Beneficiary a separate statement setting forth such GUC Trust Beneficiary's items of income, gain, loss, deduction or credit and will instruct each such GUC Trust Beneficiary to report such items on his/her applicable income tax return.

(b) The GUC Trust shall be responsible for payment, from the GUC Trust/PI Fund Operating Reserve, of any taxes imposed on the GUC Trust (including any taxes imposed on the Disputed Ownership Fund) or the Trust Assets. In accordance therewith, any taxes imposed on the Disputed Ownership Fund or its assets will be paid from the GUC Trust/PI Fund Operating Reserve.

(c) The Trustee may timely elect to treat any Trust Assets allocable to Disputed Claims to a Disputed Ownership Fund, and (2) to the extent permitted by applicable law, shall report consistently for state and local income tax purposes. If a Disputed Ownership Fund election is made, all parties (including the Trustee and the holders of GUC Trust Interests) shall report for U.S. federal, state and local income tax purposes consistently with the foregoing. The GUC Trust shall file all income tax returns with respect to any income attributable to the Disputed Ownership Fund and shall pay from the GUC Trust/PI Fund Operating Reserve all U.S. federal, state and local income taxes attributable to such Disputed Ownership Fund based on the items of income, deduction, credit, or loss allocable thereto.

5.4 **Withholding of Taxes and Reporting Related to GUC Trust Operations.** The GUC Trust shall comply with all withholding, deduction and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all distributions made by the GUC Trust shall be subject to any applicable withholding, deduction and reporting requirements. The Trustee shall be authorized to take any and all actions that may be necessary or appropriate to comply with

any such withholding, deduction, payment, and reporting requirements. All amounts properly withheld or deducted from distributions to a GUC Trust Beneficiary as required by applicable law and paid over to the applicable taxing authority for the account of such GUC Trust Beneficiary shall be treated as part of the GUC Trust Distribution to such GUC Trust Beneficiary. To the extent that the operation of the GUC Trust or the liquidation of the Trust Assets creates a tax liability imposed on the GUC Trust, the GUC Trust shall timely pay such tax liability and any such payment shall be considered a cost and expense of the operation of the GUC Trust payable without Bankruptcy Court order. Any federal, state or local withholding taxes or other amounts required to be withheld under applicable law shall be deducted from distributions hereunder. All GUC Trust Beneficiaries shall be required to provide any information necessary to effect the withholding and reporting of such taxes. The Trustee may require each GUC Beneficiary to furnish to the Trust (or its designee) its social security number or employer or taxpayer identification number as assigned by the IRS and complete any related documentation (including but not limited to a Form W-8BEN, Form W-8BENE-E, or Form W-9) (the "**Tax Documents**"). The Trustee may condition any and all distributions to any GUC Trust Beneficiary upon the timely receipt of properly executed Tax Documents and receipt of such other documents as the Trustee reasonably requests, and in accordance with the Plan. Notwithstanding any of the foregoing provisions of this Section 5.4, Section V.C of the Plan shall apply to distributions to be made from the GUC Trust that constitute "Wage Distributions" (as defined in the Plan) and for the avoidance of doubt, neither the GUC Trust nor the GUC Trust/PI Fund Operating Reserve shall bear any liability for the employer

portion of any payroll taxes applicable to Wage Distributions, which shall be borne by the Reorganized Debtor.

5.5 **Valuation.** Within 180 days after the Effective Date, the Trustee shall make a good faith valuation of the Trust Assets. Such valuation shall be made available from time to time, to the extent relevant, and used consistently by all parties for all United States federal income tax purposes. The Trustee also shall file (or cause to be filed) any other statements, returns or disclosures relating to the GUC Trust that are required by any governmental unit.

5.6 **Expedited Determination of Taxes**. The Trustee may request an expedited determination of taxes of the GUC Trust, under Section 505 of the Bankruptcy Code for all returns filed for, or on behalf of, the GUC Trust for all taxable periods through the termination of the GUC Trust.

ARTICLE VI

GENERAL PROVISIONS

6.1 **Irrevocability**. To the fullest extent permitted by applicable law, the GUC Trust is irrevocable.

6.2 **Term; Termination.**

(a) The term for which the GUC Trust is to exist shall commence on the date of the filing of the Certificate of Trust and shall terminate pursuant to the provisions of this Section 6.2.

(b) The Trustee shall make continuing efforts to monetize any non-liquid Trust Assets.

(c) The Trustee and the GUC Trust shall be discharged or dissolved, as the case may be, at such time as (a) the Trustee determines that the pursuit of additional Retained Preference Actions is not likely to yield sufficient additional Cash to justify further pursuit of such claims, or (b) all distributions of Cash and other Trust Assets required to be made by the Trustee under the Plan and this Trust Agreement have been made in accordance with provisions of the Plan and this Trust Agreement, provided, however, that in no event shall the GUC Trust be dissolved later than five (5) years from the Effective Date unless the Bankruptcy Court, upon motion made by a party in interest within the six (6) month period prior to such fifth (5th) anniversary (and, in the event of further extension, at least six (6) months prior to the end of any extension period), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, without a favorable letter ruling from the IRS that any further extension would not adversely affect the status of the GUC Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery on and liquidation of the Trust Assets (the "**Dissolution Date**"). The proviso of the preceding sentence shall not apply to the segregated account to be administered in accordance with **Exhibit 3** hereto for the eligible holders of Hair Straightening Claims, and the Dissolution Date of the GUC Trust solely with respect to such segregated account shall be in accordance with the provisions of **Exhibit 3** hereto.

(d) On the Dissolution Date or as soon as reasonably practicable thereafter, after the wind-up of the affairs of the GUC Trust by the Trustee and payment of all of the liabilities have been provided for as required by applicable law including Section 3808 of the Act, all monies remaining in the GUC Trust shall be distributed or disbursed in accordance with Section 3.4 and Section 5.3(c) above.

(e) Following the dissolution and distribution of the assets of the GUC Trust, the GUC Trust shall terminate, and the Trustee shall execute and cause a Certificate of Cancellation of the Certificate of Trust of the GUC Trust to be filed in accordance with the Act. Notwithstanding anything to the contrary contained in this Trust Agreement, the existence of the GUC Trust as a separate legal entity shall continue until the filing of such Certificate of Cancellation. A certified copy of the Certificate of Cancellation shall be given to the Delaware Trustee for its records promptly following such filing.

6.3 **Amendments**. Any amendment to or modification of this Trust Agreement may be made in writing and only pursuant to an order of the Bankruptcy Court; provided, however, the Trustee may amend this Trust Agreement from time to time without the consent, approval or other authorization of, but with notice to, the Bankruptcy Court, to make: (i) minor modifications or clarifying amendments necessary to enable the Trustee to effectuate the provisions of this Trust Agreement; or (ii) modifications to satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, statute, ruling or regulation of any federal, state or foreign governmental entity. Notwithstanding the foregoing, no amendment or modification of this Trust Agreement shall modify this Trust Agreement in a manner that is inconsistent with the Plan or the Confirmation Order other than, with the Reorganized Debtors' consent, to make minor modifications or clarifying amendments as necessary to enable the Trustee to effectuate the provisions of this Trust Agreement. Notwithstanding the foregoing, neither this Trust Agreement, nor any Exhibit to this Trust Agreement, shall be modified or amended in any way that could jeopardize, impair, or modify the GUC Trust's "liquidating trust" status. Any amendment affecting the rights, duties, immunities or liabilities of the Delaware Trustee shall require the Delaware Trustee's written consent. The Trustee shall provide at least ten (10) business days' written notice

to the Reorganized Debtors prior to making any amendment or modification to the Trust Agreement or any Exhibit thereto, and if the Reorganized Debtors reasonably and in good faith advise the Trustee in writing that the proposed amendment or modification affects, directly or indirectly, any right, duty, immunity, interest or liability of the Reorganized Debtors, then the Reorganized Debtors' consent (which shall not be unreasonably denied or delayed) shall be required for such proposed amendment or modification. Any dispute between the Trustee and the Reorganized Debtors with respect to this Section 6.3 shall be resolved by the Bankruptcy Court.

6.4 **Severability**. Should any provision in this Trust Agreement be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this Trust Agreement.

6.5 **Notices.**

(a) Notices to GUC Trust Beneficiaries shall be given in accordance with such person's claims form submitted to the GUC Trust.

(b) Any notices or other communications required or permitted hereunder to the following Parties shall be in writing and delivered to the addresses or e-mail addresses designated below, or to such other addresses or e-mail addresses as may hereafter be furnished in writing to each of the other Parties listed below in compliance with the terms hereof.

6.6 **Successors and Assigns**. The provisions of this Trust Agreement shall be binding upon and inure to the benefit of the Reorganized Debtors (which shall be a third-party beneficiary hereof), the GUC Trust, the Trustee, and their respective successors and assigns, except that neither the GUC Trust, nor the Trustee, may assign or otherwise transfer any of their rights or obligations, if any, under this Trust Agreement except in the case of the Trustee in accordance with Section 4.2(d) above.

6.7 **Limitation on GUC Trust Interests for Securities Laws Purposes**. GUC Trust Interest (a) shall not be assigned, conveyed, hypothecated, pledged, or otherwise transferred, voluntarily or involuntarily, directly or indirectly, except by will, under the laws of descent and distribution or otherwise by operation of law; (b) shall not be evidenced by a certificate or other instrument; (c) shall not possess any voting rights; and (d) shall not be entitled to receive any dividends or interest.

6.8 **Exemption from Registration**. The Parties hereto intend that the interests of the GUC Trust Beneficiaries under this Trust Agreement shall not be "securities" under applicable

laws, but none of the Parties hereto represent or warrant that such rights shall not be securities or shall be entitled to exemption from registration under applicable securities laws. If it should be determined that any such interests constitute "securities," the Parties hereto intend that the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied and the offer and sale under the Plan of the GUC Trust Interests will be exempt from registration under the Securities Act, all rules and regulations promulgated thereunder, and all applicable state and local securities laws and regulations.

6.9 **Entire Agreement; No Waiver**. The entire agreement of the Parties relating to the subject matter of this Trust Agreement is contained herein, and in the documents referred to herein (including the Plan), and this Trust Agreement and such documents supersede any prior oral or written agreements concerning the subject matter hereof. No failure to exercise or delay in exercising any right, power, or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any further exercise thereof or of any other right, power, or privilege. The rights and remedies herein provided are cumulative and are not exclusive of rights under law or in equity.

6.10 **Headings.** The headings used in this Trust Agreement are inserted for convenience only and do not constitute a portion of this Trust Agreement, nor in any manner affect the construction of the provisions of this Trust Agreement.

6.11 **Governing Law**. The validity and construction of this Trust Agreement and all amendments hereto and thereto shall be governed by the laws of the State of Delaware, and the rights of all Parties hereto and the effect of every provision hereof shall be subject to and construed according to the laws of the State of Delaware without regard to the conflicts of law provisions thereof that would purport to apply the law of any other jurisdiction; provided, however, that the

Parties hereto intend that the provisions hereof shall control and there shall not be applicable to the GUC Trust, the Trustee, the Delaware Trustee, or this Trust Agreement, any provision of the laws (statutory or common) of the State of Delaware pertaining to trusts that relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of Trustee accounts or schedules of Trustee fees and charges; (b) affirmative requirements to post bonds for the Trustee, officers, agents, or employees of a trust; (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding, or disposition of real or personal property; (d) fees or other sums payable to the Trustee, officers, agents, or employees of a trust; (e) the allocation of receipts and expenditures to income or principal; (f) restrictions or limitations on the permissible nature, amount, or concentration of trust investments or requirements relating to the titling, storage, or other manner of holding of trust assets; (g) the existence of rights or interests (beneficial or otherwise) in trust assets; (h) the ability of beneficial owners or other persons to terminate or dissolve a trust; or (i) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of the Trustee or beneficial owners that are inconsistent with the limitations on liability or authorities and powers of the Trustee or the Delaware Trustee set forth or referenced in this Trust Agreement. Section 3540 of the Act shall not apply to the GUC Trust.

6.12 **Dispute Resolution**.

(a) Unless otherwise expressly provided for herein, the dispute resolution procedures of this Section 6.12 shall be the exclusive mechanism to resolve any dispute arising under or with respect to this Trust Agreement. For the avoidance of doubt, this Section 6.12 shall not apply to the Reorganized Debtors or any dispute with respect to the resolution of or any

distribution on account of Hair Straightening Claims which shall be governed exclusively by the Plan and the provisions of **Exhibit 3** hereto, as applicable.

(b) **Informal Dispute Resolution**. Any dispute under this Trust Agreement shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when a disputing party sends to the counterparty or counterparties a written notice of dispute ("**Notice of Dispute**"). Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed thirty (30) days from the date the Notice of Dispute is received by the counterparty or counterparties, unless that period is modified by written agreement of the disputing party and counterparty or counterparties. If the disputing party and the counterparty or counterparties cannot resolve the dispute by informal negotiations, then the disputing party may invoke the formal dispute resolution procedures as set forth below.

(c) **Formal Dispute Resolution**. The disputing party shall invoke formal dispute resolution procedures, within the time period provided in the preceding subparagraph, by serving on the counterparty or counterparties a written statement of position regarding the matter in dispute ("**Statement of Position**"). The Statement of Position shall include, but need not be limited to, any factual data, analysis or opinion supporting the disputing party's position and any supporting documentation and legal authorities relied upon by the disputing party. Each counterparty shall serve its Statement of Position within thirty (30) days of receipt of the disputing party's Statement of Position, which shall also include, but need not be limited to, any factual data, analysis or opinion supporting the counterparty's position and any supporting documentation and legal authorities relied upon by the counterparty. If the disputing party and the counterparty or counterparties are unable to consensually resolve the dispute within thirty (30) days after the last of all counterparties have served its Statement of Position on the disputing party, the disputing

party may file with the Bankruptcy Court a motion for judicial review of the dispute in accordance with Section 6.12(d) below.

(d) **Judicial Review**. The disputing party may seek judicial review of the dispute by filing with the Bankruptcy Court (or, if the Bankruptcy Court shall not have jurisdiction over such dispute, such court as has jurisdiction pursuant to Section 1.5 above) and serving on the counterparty or counterparties and the Trustee, a motion requesting judicial resolution of the dispute. The motion must be filed within forty-five (45) days of receipt of the last counterparty's Statement of Position pursuant to the preceding subparagraph. The motion shall contain a written statement of the disputing party's position on the matter in dispute, including any supporting factual data, analysis, opinion, documentation and legal authorities, and shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly administration of the GUC Trust. Each counterparty shall respond to the motion within the time period allowed by the rules of the court, and the disputing party may file a reply memorandum, to the extent permitted by the rules of the court.

6.13 **Effectiveness**. This Trust Agreement shall become effective on the Effective Date.

6.14 **Counterpart Signatures**. This Trust Agreement may be executed in any number of counterparts and by different Parties on separate counterparts (including by PDF transmitted by e-mail), and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties have executed this Trust Agreement this ____ day of _____, 2023.

Proc. 94-45 and notwithstanding any other provision of the Trust Agreement, the investment powers of the trustee, other than those reasonably necessary to maintain the value of the assets and to further the liquidating purpose of the trust, must be limited to powers to invest in demand and time deposits, such as short-term certificates of deposit, in banks or other savings institutions, or other temporary, liquid investments, such as Treasury bills.

In General. Only the following investments will be permitted:

(i) Demand and time deposits, such as certificates of deposit, in banks or other savings institutions whose deposits are federally insured;

(ii) U.S. Treasury bills, bonds, and notes, including, but not limited to, long-term U.S. Treasury bills, bonds, notes, and other Government Securities as defined under Section 2(a)(16) of the Investment Company Act of 1940, 15 U.S.C. § 80a-2(a)(16), including, but not limited to, Fannie Mae, Freddie Mac, Federal Home Loan Bank, and Federal Farm Credit;

Notwithstanding anything to the contrary in this Section 3.1(a), Cede & Co. shall automatically be admitted as a Member upon its acquisition of Shares regardless of whether Cede & Co. signs this Agreement.

Absent manifest error, the ownership interests recorded on the Equity Ledger shall be the conclusive record of the Shares that exist at such time and the other information required to be set forth thereon. Any reference in this Agreement to the Equity Ledger shall be deemed a reference to the Equity Ledger as amended and updated and in effect from time to time.][5]

The following will apply with respect to any such Person who has not taken the requisite steps as of the date hereof: the Shares to which such Person is entitled will be reserved, but not issued unless and until such Person (or its Representative) takes the requisite actions set forth in Section [ ] of the Plan of Reorganization. If the Person (or its Representative) takes the requisite actions prior to the time that in accordance with the Plan of Reorganization such Person's entitlement to such Shares is forfeited, then at the time such Person takes the requisite actions (i) the applicable Shares will be issued by the Company to such Person (or, if applicable, such Person will receive such Shares through DTC) and the Equity Ledger will be updated, (ii) on the date of issuance such Person will receive any distributions that would have been paid on the relevant Shares on or prior to such date had the relevant Shares been issued as of the date hereof and (iii) with respect to any distribution with a record date prior to the issue date of the relevant Shares and a payment date after the issue date, such Person will receive such distribution on the applicable payment date regardless of the fact that the Shares were not outstanding on the relevant record date. If the Person does not take the requisite actions provided for in Section [ ] of the Plan of Reorganization prior to the forfeiture of the entitlement to the relevant Shares as set forth in the Plan of Reorganization, (i) such Shares will not be issued to such Person, (ii) such Person shall be entitled to no rights or benefits in respect thereof under this Agreement or otherwise, and (iii) such Person will never have been, and shall not be, a member of the Company, Member or Owner in respect of the Shares it was entitled to receive under the Plan of Reorganization. Notwithstanding anything in this Agreement to the contrary, during the period between the date hereof and the date of issuance of the relevant Shares (or the forfeiture of the entitlement thereto, as applicable), such Person will have no rights or benefits under this Agreement or otherwise but will be required to comply with the relevant terms of this Agreement, including Section 9.3.][6]

(e) The Company shall be entitled to request from time to time as is reasonably necessary that any Owner (or applicable group of Owners, as the case may be) provide to the Company reasonably satisfactory evidence of its or their then-present ownership of Shares in order to verify the applicability of the rights, obligations or eligibility of such Owner or Owners under this Agreement (including in connection with effecting the rights, obligations or eligibility of Owners under Section 3.4, Article VII, Section 9.2, Section 9.3 or Annex A), it being understood that the exercise of any applicable rights by any Owner (or applicable group of Owners, as the case may be) shall be subject to the Company being reasonably satisfied that any applicable ownership threshold or other applicable ownership requirement has been met. Unless otherwise approved by the Board, all Shares of the Company held (directly or indirectly) by a Member or Owner will be required to be held and cleared through DTC. No Person (other than such Person as may be designated by DTC as nominee for DTC) shall become a Direct Owner after the Effective Date without the approval of the Board. Notwithstanding the foregoing, (A) the Board may determine to permit one or more Members or Owners (x) that are not otherwise eligible to hold Shares through DTC to do so (and otherwise waive the foregoing requirements); provided that any such permission granted by the Board may be on such terms and conditions as the Board may determine. With respect to such Shares held through DTC, the Beneficial Interests of the Beneficial Owner and not the registered owner (i.e., Cede & Co.) will, except insofar as the context may otherwise require, be determinative for purposes of complying with the terms and conditions of this Agreement (including compliance with provisions relating to Transfers set forth in Article IX hereof). For the sake of clarity, Transfers of Beneficial Interests by Beneficial Owners shall be subject to the terms and conditions Article IX that are otherwise applicable to Members.

(d) Notwithstanding anything to the contrary in this Agreement, the Board shall, subject always to the Act and any other Applicable Law and regulations and the facilities and requirements of any relevant system concerned (including DTC), have power to implement any arrangements, in its absolute discretion, it may deem reasonably appropriate in relation to the evidencing of title to and Transfer of the Shares (or Beneficial Interests or other interests therein), and to the extent such arrangements are so implemented, no provision of this Agreement shall apply or have effect to the extent that it is in any respect inconsistent with the holding or Transfer of Shares in uncertificated form.

Section 3.3 *Issuance of Additional Equity Securities; No Capital Contributions*. (a) None of the Members or the Owners is required to make capital contributions (and this Agreement shall not be amended to include required capital contributions). Subject to compliance with Section 3.4, the Board shall have the right to cause the Company to create and/or issue Equity Securities from time to time, including additional classes, groups or series of Equity Securities having such relative rights, powers, duties, obligations and liabilities as may be established by the Board, including rights, powers, duties, obligations and liabilities different from, senior to or more favorable than existing classes, groups and series of Equity Securities. In furtherance of the foregoing, but subject to compliance with Section 3.4, the Board shall have the right to amend and update this Agreement and the Equity Ledger to reflect the terms and/or issuance of such additional Equity Securities, in each case without the approval or consent of any other Person. The Board shall have the right to determine the consideration payable to the Company in connection with the issuance of any Equity Securities (if any). In connection with the issuance of any Equity Securities, subject to Section 13.5, the Board may authorize additional restrictions on, and/or grant additional rights to, the holders (direct or indirect) of such Equity Securities pursuant to agreements entered into in connection with the issuance of such Equity

Securities (including vesting provisions, restrictions on transfer, and redemption or repurchase rights and obligations) in addition to the restrictions, conditions, and rights under this Agreement.

(b) Subject in all cases to the preemptive rights granted pursuant to Section 3.4 hereof, the Board will be authorized, without the need to obtain the consent or approval of any Person, including any Member or Owner (but subject to Section 13.5), to authorize and implement (and adopt any amendment to this Agreement to effectuate) the issuance of additional Equity Securities pursuant to this Section 3.3.

(b) *Exceptions to Preemptive Rights*. Notwithstanding anything in this Agreement to the contrary, the preemptive rights granted to the Preemptive Rights Holders in Section 3.4(a) shall not apply to the offer or sale of any of the following Equity Securities:

(ii) Equity Securities issued upon the conversion or exercise or exchange of any options, warrants (including the Warrants), or other securities convertible into, or exercisable or exchangeable for, Equity Securities, that are outstanding on the Effective Date or are issued after the Effective Date in compliance with the provisions of this Section 3.4 (including any issuance to which Section 3.4(a) does not apply by virtue of any other sub-clause in this Section 3.4(b));

(x) Equity Securities issued in a transaction with respect to which Preemptive Rights Holders holding at least two-thirds of the Shares held (directly or indirectly) by all Preemptive Rights Holders waive their preemptive rights.

(c) *Exercise of Preemptive Rights*. In order to exercise preemptive rights under this Section 3.4, a Preemptive Rights Holder must deliver an irrevocable written notice to the Company describing such Preemptive Rights Holder's election to purchase all or any portion (as specified by the Preemptive Rights Holder) of the Offered Securities offered to such Preemptive Rights Holder hereunder within fifteen (15) Business Days after receipt of written notice from the Company describing in reasonable detail (i) the Offered Securities to be offered, (ii) the purchase price and other material terms with respect to such offering, and (iii) the number of Offered Securities such Preemptive Rights Holder is eligible to purchase pursuant to this Section 3.4; provided, however, that in the event that a Preemptive Rights Holder fails to deliver on a timely basis an irrevocable written notice to the Company to purchase all or any portion of the Offered Securities offered to such Preemptive Rights Holder, or delivers such an irrevocable written notice and subsequently fails to purchase the Offered Securities set forth in such irrevocable written notice, such Offered Securities shall first be offered for a period of ten (10) Business Days to all other Preemptive Rights Holders that fully exercised their rights under this Section 3.4 and purchased the applicable Offered Securities. Such reoffer of Offered Securities to Preemptive Rights Holders shall be repeated until all Offered Securities have been purchased or no Preemptive Rights Holder elects to further exercise its rights.

(d) *Issuances Subsequent to Offering Period*. Upon the expiration of the 25-Business Day offering period (and any reoffer period as provided in Section 3.4(c)) described in Section 3.4(c) and during the one hundred eighty (180) calendar days following such expiration, the Company or the applicable Subsidiary shall be entitled to offer and sell any Offered Securities which the Preemptive Rights Holders have not elected to purchase to any Person or Persons (i) at a price not less than, and on other terms and conditions no more favorable to such Person or Persons in the aggregate than, the prices, terms and conditions offered to the Preemptive Rights Holders, and (ii) and on other terms and conditions no less favorable to the Company. Any Equity Securities offered or sold by the Company or the applicable Subsidiary

after such 180-day period must be reoffered to the Preemptive Rights Holders pursuant to the terms of this Section 3.4.

(e) *Accelerated Sales.* Notwithstanding anything to the contrary contained herein, the Company may issue Equity Securities in accordance with Section 3.3 to any purchaser (an "**Accelerated Buyer**") without first complying with the provisions of this Section 3.4 if the Board, acting in good faith, determines it is in the best interest of the Company to consummate such issuance without having first complied with such provisions; provided, that in connection with any such issuance, the Company shall give the Preemptive Rights Holders written notice of such issuance within 5 Business Days after the occurrence of such issuance, which notice (an "**Accelerated Sale Notice**") shall describe in reasonable detail (a) the material terms and conditions of the issuance of the Offered Securities to the Accelerated Buyer, including the number or amount and description of the Equity Securities issued, the issuance date, the purchase price per share, and the name and address of the Accelerated Buyer and (b) the rights of the Preemptive Rights Holders to purchase the Offered Securities, pursuant to this paragraph, in connection with such issuance. In the event of any such issuance of Offered Securities to an Accelerated Buyer, each Preemptive Rights Holder shall have the right, at any time during the fifteen (15) Business Days following receipt of the Accelerated Sale Notice, to elect to purchase the Offered Securities in an amount equal to the amount of such Offered Securities it would have been entitled to purchase if the sale to the Accelerated Buyer had instead been completed without regard to this Section 3.4. If one or more such Preemptive Rights Holders exercise the election to make a purchase, the Company or applicable Subsidiary shall give effect to each such exercise by either (i) requiring that the Accelerated Buyer sell down a portion (or, if necessary, all) of its Equity Securities, or (ii) issuing additional Offered Securities to such Preemptive Rights Holders, or a combination of (i) and (ii), so long as such action effectively provides such Preemptive Rights Holders with the same percentage ownership interest in the relevant Equity Securities it would have received had this paragraph not been utilized.

(f) *Assignment*. A Preemptive Rights Holder may assign its Offered Securities to any Affiliate (whether or not an Owner) that agrees to be bound by the provisions of this Agreement applicable to the Preemptive Rights Holder by executing a joinder to this Agreement in a form satisfactory to the Company.

Section 3.5 *Book-Entry-Only System; Global Securities*.[7]

(a) *Global Security*. The Company will enter into the Depository Agreement pursuant to which DTC will act as a securities depository for Shares. The Shares deposited with DTC will be represented by one or more Global Securities (which may be a book entry security or consist of one or more certificates as required by DTC), which will be registered in the name of Cede & Co., as nominee for DTC or as DTC shall otherwise direct, and deposited with, or on behalf of, DTC. No other certificates evidencing such Shares will be issued. The Global Security shall be in the form attached hereto as Exhibit A or described therein and shall represent such Shares as shall be specified therein, and may provide that it shall represent the aggregate amount of outstanding Shares from time to time endorsed thereon and that the aggregate amount of

[7] Subject to revision after Depository Agreement is prepared.

outstanding Shares represented thereby may from time to time be increased or decreased. As of the Effective Date, without the need for any action or consent of any Person, including the Board, one or more Global Securities shall be issued reflecting the number of Shares to be issued to Cede & Co. as of the Effective Date. Any Global Security shall be executed by an officer on behalf of the Company. Any endorsement of a Global Security to reflect the amount, or any increase or decrease in the amount, of outstanding Shares represented thereby shall be made in such manner and upon instructions given by the Board as specified in the Depository Agreement.

(b) *Legend.* Any Global Security issued to DTC or its nominee shall bear a legend substantially to the following effect: "Unless this certificate is presented by an authorized representative of The Depository Trust Company, a New York corporation ("**DTC**"), to the Company or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is required by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein."

(c) *Beneficial Owners.* As provided in the Depository Agreement, upon the settlement date of any creation, transfer or redemption of Shares of a Beneficial Owner, the Depository will credit or debit, on its book-entry registration and transfer system, the number of Shares so created, transferred or redeemed to the accounts of the appropriate DTC Participants. [The accounts to be credited and charged shall be designated by the Board on behalf of each Beneficial Owner in accordance with the terms of this Agreement.] Holders of Beneficial Interests in Shares will be limited to DTC Participants, Indirect Participants and persons holding Beneficial Interests through DTC Participants and Indirect Participants. Beneficial Owners will be shown on, and the transfer of Beneficial Ownership by Beneficial Owners will be effected only through, in the case of DTC Participants, records maintained by the Depository and, in the case of Indirect Participants and Beneficial Owners holding through a DTC Participant or an Indirect Participant, through those records or the records of the relevant DTC Participants. Beneficial Owners are expected to receive from or through the broker or bank that maintains the account through which the Beneficial Owner has purchased or sold Shares a written confirmation relating to their purchase or sale of Shares.

(d) *Reliance on Procedures*. So long as Cede & Co., as nominee of DTC, is the registered owner of Shares, references herein to the registered or record owners of such Shares shall mean Cede & Co. and shall not mean the Beneficial Owners of such Shares. Beneficial Owners of Shares will not be entitled to have such Shares registered in their names, will not receive or be entitled to receive physical delivery of certificates in definitive form and will not be considered the record or registered holder of such Shares under this Agreement. Accordingly, except as the Company may otherwise determine, to exercise any rights of a holder of Shares under this Agreement, a Beneficial Owner must rely on the procedures of DTC and, if such Beneficial Owner is not a DTC Participant, on the procedures of each DTC Participant or Indirect Participant through which such Beneficial Owner holds its interests. The Board understands that under existing industry practice, if the Board requests any action of a Beneficial Owner, or a Beneficial Owner desires to take any action that DTC, as the record owner of all outstanding Shares of such Beneficial Owner, is entitled to take, DTC will notify the DTC

Participants regarding such request, such DTC Participants will in turn notify each Indirect Participant holding Shares through it, with each successive Indirect Participant continuing to notify each person holding Shares through it until the request has reached the Beneficial Owner, and in the case of a request or authorization to act being sought or given by a Beneficial Owner, such request or authorization is given by the Beneficial Owner and relayed back to the Board through each Indirect Participant and DTC Participant through which the Beneficial Owner's interest in the Shares is held.

(e) *Communication between the Board and the Beneficial Owners*. As described above, the Board will recognize DTC or its nominee as the registered owner of Shares registered in the name of Cede & Co. or as otherwise instructed by DTC as described in Section 3.5(a) hereof for all purposes except as expressly set forth in this Agreement. Conveyance of all notices, statements and other communications to Beneficial Owners of Shares deposited with DTC will be effected as follows. Pursuant to the Depository Agreement, DTC is required to make available to the Company upon request and for a fee to be charged to the Company a listing of the Share holdings of each DTC Participant. The Company shall inquire of each such DTC Participant as to the number of Beneficial Owners holding Shares, directly or indirectly, through such DTC Participant. The Company shall provide each such DTC Participant with sufficient copies of such notice, statement or other communication, in such form, number and at such place as such DTC Participant may reasonably request, in order that such notice, statement or communication may be transmitted by such DTC Participant, directly or indirectly, to such Beneficial Owners. In addition, the Company shall pay to each such DTC Participant an amount as reimbursement for the expenses attendant to such transmittal, all subject to applicable statutory and regulatory requirements. Notwithstanding the foregoing, the Company may communicate with Beneficial Owners as set forth in Section 13.3.

(f) *Distributions*. Distributions pursuant to Section 5.3 shall be made to DTC or its nominee, Cede & Co., as the registered owner of the relevant Shares. The Board expects that DTC or its nominee, upon receipt of any payment of distributions in respect of the relevant Shares, shall credit immediately DTC Participants' accounts with payments in amounts proportionate to their respective Beneficial Interests in Shares as shown on the records of DTC or its nominee. The Board also expects that payments by DTC Participants to Indirect Participants and Beneficial Owners held through such DTC Participants and Indirect Participants will be governed by standing instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in a "street name," and will be the responsibility of such DTC Participants and Indirect Participants. Neither the Board nor the Company will have any responsibility or liability for any aspects of the records relating to or notices to Beneficial Owners, or payments made on account of beneficial ownership interests in the relevant Shares, or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests or for any other aspect of the relationship between DTC and the DTC Participants or the relationship between such DTC Participants and the Indirect Participants and Beneficial Owners owning through such DTC Participants or Indirect Participants or between or among the Depository, any Beneficial Owner and any person by or through which such Beneficial Owner is considered to hold Shares indirectly.

(g) *Successor Depository*. If a successor to DTC shall be employed as hereunder, the Board shall establish procedures acceptable to such successor with respect to the matters addressed in this Section 3.5.

Section 3.6 *Liability of Owners and Members*. Except as otherwise provided in the Act, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and neither Owners nor Members shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Member or Owner, as the case may be.

Section 3.7 *Fully Paid and Non-Assessable Nature of Equity Securities*. All Shares issued on the Effective Date, and all other Shares and other Equity Securities issued pursuant to, and in accordance with, the requirements of this Agreement shall be duly issued, fully paid and non-assessable.

ARTICLE IV
FISCAL YEAR

Section 4.1 *Fiscal Year.* The fiscal year of the Company (the "**Fiscal Year**") shall be a calendar year ending December 31 or such other fiscal year as may be determined by the Board.

ARTICLE V
DISTRIBUTIONS

Section 5.1 *Interest*. No interest shall be paid to any Member or Owner on account of its interest in the Company.

Section 5.2 *No Right to Withdraw*. Except in connection with the Transfer of Shares in accordance with the terms of this Agreement such that the Transferring Member or Owner no longer holds any Shares, no Member or Owner shall have any right to voluntarily resign or otherwise withdraw from the Company without the prior written consent of the Board. A resigning Member or Owner shall only be entitled to receive amounts approved by the Board on the terms and conditions set forth by such Board. A resigning Member or Owner shall not be entitled to a distribution of the fair value of its Shares under Section 18-604 of the Act.

Section 5.3 *Distributions*.

(a) The Board may, from time to time, declare and authorize payment of distributions to the Members, which distributions may be paid in cash, property or securities of the Company.

(b) All distributions shall be made on a *pro rata* basis among Members based on the Shares held by such Members, subject to the provisions of law and this Agreement, out of funds or amounts legally available therefor, at such times and to the Members of record on such dates as the Board may, from time to time, determine in accordance with this Agreement and Applicable Law. Amounts distributable to any Member will be subject to offset to the extent of any obligation owed by such Member to the Company.

(c) Neither Members nor Owners shall be entitled to receive any distributions from the Company, whether in respect of the fair value of its Shares or otherwise, except as expressly provided in this Agreement or under the Act.

Section 5.4 *Withholding*. The Company is authorized to deduct or withhold from distributions to the Members and to pay over to any federal, state, local or foreign governmental authority any amounts which it reasonably determines may be required to be so deducted or withheld pursuant to the Code or any provisions of any Applicable Law. All amounts withheld pursuant to the Code or any provision of any state, local or foreign tax law with respect to any distribution to any Member (including any interest, penalties and expenses incurred in respect thereof) shall be treated as amounts distributed to such Member pursuant to this Article for all purposes under this Agreement, and shall reduce the amount otherwise distributable to such Member. If the Company intends to deduct or withhold from a distribution otherwise payable to any Member, it shall notify such Member of its intention to deduct or withhold, which notice shall include a statement of the amounts it intends to deduct or withhold in respect of making of such distribution and the applicable provision of law requiring the Company to withhold or deduct, in each case twenty (20) days prior to such distribution. The Company shall reasonably cooperate with such Member to reduce or eliminate such deduction or withholding.

ARTICLE VI
MANAGEMENT OF THE COMPANY

Section 6.1 *Management by the Board of Managers*. (a) Except as otherwise expressly provided in this Agreement, the business and affairs of the Company shall be managed by or under the direction of the Board. No Member or Owner, by virtue of such Member's or Owner's status as such, shall have any management power over the business and affairs of the Company or actual or apparent authority to enter into, execute or deliver contracts on behalf of, or to otherwise bind, the Company. In addition to the powers that now or hereafter can be granted to managers under the Act and to all other powers granted under any other provision of this Agreement, the Board shall have full power and authority to do, and to direct the officers of the Company or other designees to do, all things and on such terms as it determines to be necessary, convenient or appropriate to conduct the business of the Company, to exercise all powers, and to effectuate the purposes, set forth in Section 2.3, including adopting and maintaining the Management Incentive Plan and making all determinations with respect thereto, such as identifying participants, determining forms of award, approving individual allocations and providing for other terms and conditions under the Management Incentive Plan (provided that any Equity Securities granted or issued under the Management Incentive Plan shall, regardless of the time of grant or issue of such Equity Interests, dilute all Members and Owners equally and ratably).

(b) The Managers shall constitute "managers," within the meaning of the Act. The Board shall have the power and authority to delegate to one or more other Persons the Board's rights and powers to manage and control the business and affairs, or any portion thereof, of the Company, including to delegate to officers, agents and employees of the Company and its Subsidiaries and any other Person and may authorize the Company, any Manager, officer, agent, employee, or any other Person to enter into any document on behalf of the Company and perform the obligations of the Company thereunder. Any such delegation may be revoked by the

Board at any time. No Manager shall have the authority to individually exercise its powers as a "manager" under the Act unless expressly authorized pursuant to the terms of this Agreement or by the Board.

Section 6.2 *Board of Managers*.

(a) *Constitution; Fiduciary Duties*. A board of managers (the "**Board**" or "**Board of Managers**") shall be constituted for the Company. The Board shall consist of seven (7) managers (each, a "**Manager**" and collectively, the "**Managers**"), of whom (i) one shall be the individual that is the Chief Executive Officer of the Company at the relevant time (the "**CEO Manager**") and (ii) six shall be Independent Managers selected in accordance with Section 6.2(b). The Managers, in their capacities as managers of the Company, shall have fiduciary duties to the Company, the Members and the Owners to the same extent as the fiduciary duties that the directors of a Delaware corporation owe to a corporation and its stockholders. For the avoidance of doubt, termination, resignation or other removal of the individual then serving as Chief Executive Officer shall automatically result in the deemed resignation from the Board of such individual from the position of CEO Manager, and the appointment of a new Chief Executive Officer shall automatically result in the deemed appointment to the Board of such new Chief Executive Officer as the CEO Manager.

(b) *Selection of Independent Managers*.

(i) Prior to the Key Owner Committee Termination Date, six individuals shall be designated by the Key Owner Committee Members to serve as Independent Managers (the "**Committee Designated Managers**") (it being understood that the occurrence of the Key Owner Committee Termination Date shall not require the Committee Designated Managers to resign as Managers except as otherwise provided in Section 6.2(b)(iii)).

(ii) After the Key Owner Committee Termination Date:

(A) Prior to the Designating Key Owner Termination Date, (x) two individuals shall be designated by the Designating Key Owners to serve as Independent Managers (the "**Key Owner Designated Managers**") and (y) four individuals shall be elected by the Owners to serve as Independent Managers in accordance with Annex A; and

(B) After the Designating Key Owner Termination Date, six individuals shall be elected by the Owners to serve as Independent Managers in accordance with Annex A (it being understood that the occurrence of the Designating Key Owner Termination Date shall not require the Key Owner Designated Managers to resign as Managers).

(iii) The Managers as of the date hereof are [ ] (in such person's capacity as the CEO Manager), [ ], [ ], [ ], [ ], [ ] and [ ][8]. Prior to the Key Owner Committee Termination Date, each of [ ] and [ ] (and each of their respective successors (if any) as Managers prior to the Key Owner Committee Termination Date) shall be designated as Managers who shall not be eligible to be nominated pursuant to Section 6.2(b)(ii)(A)(y), with the effect that, after the Key Owner Committee Termination Date and so long as the Designating Key Owner Termination Date has not occurred, such individuals may be removed and replaced at any time by the Designating Key Owners (it being understood that the Designating Key Owners may, at their discretion, select one or both of such individuals to serve as Key Owner Designated Managers).

(iv) All acts or decisions of the Key Owner Committee Members shall require the approval of Key Owner Committee Members (together with their Related Persons) holding at least 70% of the aggregate number of Shares (excluding Excluded Shares) held by all Key Owner Committee Members (together with their Related Persons). All acts or decisions of the Designating Key Owners shall require approval of Designating Key Owners (together with their Related Persons) holding at least a majority of the aggregate number of Shares (excluding Excluded Shares) held by all Designating Key Owners (together with their Related Persons).

(v) For the avoidance of doubt, the Manager designation rights of the Key Owner Committee Members pursuant to Section 6.2(b)(i) and of the Designating Key Owners pursuant to Section 6.2(b)(ii)(A)(x) (and the related rights pursuant to Section 6.2(c) in the case of removal or vacancies) are contractual rights of the Key Owner Committee Members and the Designating Key Owners, as applicable, and are not subject to any vote of any other Owners.

(vi) The Company shall be entitled to request from time to time as determined by the Company that each Key Owner Committee Member or each Designating Key Owner, as applicable, provide to the Company reasonably satisfactory evidence of its then-present ownership of Shares in order to verify the applicable of the rights of such Key Owner Committee Member or Designating Key Owner under this Agreement.

(c) *Vacancies; Removal*. Any Committee Designated Manager or any Key Owner Designated Manager may be removed and replaced, with or without cause and for any reason or no reason at any time, by (and only by) the Key Owner Committee Members or the Designating Key Owners, as applicable. A Manager may also resign of his or her own volition at any time, by written notice to the Company. In the event of any vacancy on the Board, such vacancy shall be filled (i) in the case of a vacancy of a Committee Designated Manager or Key Owner Designated Manager, by the Key Owner Committee Members or the Designating Key Owners, as applicable, and (ii) in the case of any other vacancy, by the Board. Independent Managers elected by the Owners in accordance with Annex A may be removed in accordance with Annex A.

(d) *Meetings of the Board of Managers*.

[8] The six non-CEO managers to be determined by the Required Consenting 2020 B-2 Lenders.

(i) Meetings of the Board shall be held at least once per fiscal quarter of the Company on such dates and at such places and times as may be determined by the Board. Special meetings of the Board may be called by the Chairman or by any two (or more) Managers on at least 72 hours' prior written notice (which includes e-mail). The Chairman shall preside at all meetings of the Board at which he or she is present and shall exercise such powers and perform such other duties as shall be determined from time to time by the Board; provided, that if the Chairman is absent from any such meeting, any vice Chairman designated by the Board shall preside over such meeting.

(ii) Meetings of the Board may be held by telephone conference or other communications equipment by means of which all participating Managers can simultaneously hear each other during the meeting.

(e) *Quorum; Action by the Board; Action by Written Consent*. No action may be taken at a meeting of the Board unless a majority of the Managers in office are present in person or as otherwise permitted in Section 6.2(d). At any meeting of the Board at which a quorum is present, an action undertaken by Managers representing a simple majority of the Managers present shall be the action of the Board. Any action required or permitted to be taken by the Board may be taken without a meeting, if consent to such action is delivered in writing or via electronic transmission (as defined in the Act) by such number of Managers that would be required if such action were voted on at a meeting of the Board attended by all Managers. Such written consent or a record of such electronic transmission shall be filed with the records of the Board.

(f) *Compensation of Managers; Expenses*. The Board shall have the authority (as an expense of the Company) to fix the compensation of Managers (other than the CEO Manager or any Manager that is an employee of the Company or any of its Subsidiaries, who shall not receive additional compensation for serving as a Manager). No such payment shall preclude any Manager from serving the Company in any other capacity and receiving compensation therefor. The Company shall pay all reasonable out-of-pocket expenses incurred by each Manager in connection with attending regular and special meetings of the Board and any Board Committee on which the Manager is a member, and any such meetings of the board of directors or equivalent body of any Subsidiary of the Company and any committee thereof, in each case, on which the Manager is a member.

(g) *Chairman of the Board*. The Board shall select a Manager (other than the CEO Manager) to serve as the Chairman of the Board (the "**Chairman**") from time to time, having such responsibilities as are determined by the Board; provided that at any time that the Designating Key Owners have the right to select the Key Owner Designated Managers, the Designating Key Owners shall have the right to select the Manager that shall be designated as the Chairman (which may be a Key Owner Designated Manager or another Manager (other than the CEO Manager), as determined by the Designating Key Owners).

(h) *Board Committees.* The Board may designate one (1) or more Board committees (each, a "**Board Committee**") consisting of one (1) or more Managers, which, to the extent provided in such designation, shall have and may exercise, subject to the provisions of this Agreement, the powers and authority granted hereunder. Such Board Committee or Board

Committees shall have such name or names as may be determined from time to time by the Board. A majority of all the members of any such Board Committee may determine its action and fix the time and place, if any, of its meetings and specify what notice thereof, if any, shall be given, unless the Board shall otherwise provide. The Board shall have power to change the members of any such Board Committee at any time, to fill vacancies, and to discharge any such Board Committee, either with or without cause, at any time.

Section 6.3 *Actions Requiring Approval of the Board*.

(a) General. The Company shall not take any action, and shall cause each of its Subsidiaries not to, and shall not permit any of its Subsidiaries to, take any action with respect to any of the following matters without prior approval of the Board:

(i) any entry by the Company or any of its Subsidiaries into new lines of business;

(ii) the declaration of any dividend on or the making of any distribution with respect to, or the redemption, repurchase or other acquisition of, any Equity Securities of the Company or any of its Subsidiaries, except for redemptions, repurchases or other acquisitions of securities pursuant to the terms of [the Management Incentive Plan or] any officer, director, employee or service provider compensation arrangements approved by the Board;

(iii) any creation, incurrence, assumption or guarantee of any indebtedness for borrowed money in excess of $25,000,000 in the aggregate (excluding any borrowings under the ABL Facility (as defined in the Credit Agreement) in the ordinary course of business up to the amount of the commitments under the ABL Facility that are in effect as of the Effective Date) or, other than as required pursuant to the Credit Agreement or the ABL Facility, the creation or imposition of any lien on any material assets of the Company or any of its Subsidiaries;

(iv) any (A) merger, consolidation, reorganization (including conversion), recapitalization or any other business combination (including a Business Combination or Asset Sale) involving the Company or any of its Subsidiaries (but, in the case of a Drag-Along Sale, only to the extent set forth in Section 9.3(a)) (other than mergers, consolidations, reorganizations, conversions or recapitalizations solely between and/or among the Company and/or any wholly owned Subsidiaries of the Company), (B) acquisition or disposition of assets or liabilities that are material to the Company and its Subsidiaries taken as a whole, or (C) sale of all or substantially all of the assets of the Company and its Subsidiaries (but, in the case of a Drag-Along Sale, only to the extent set forth in Section 9.3(a)) (other than sales solely between and/or among the Company and/or wholly owned Subsidiaries of the Company);

(v) approval of an IPO (including the registration statement in connection therewith);

(vi) any issuance of Equity Securities, other than upon exercise or conversion of (A) any Warrants or (B) any Equity Securities (in accordance with their terms) the issuance of which was previously approved by the Board;

(vii) any liquidation, dissolution, commencement of bankruptcy or similar proceedings with respect to the Company or any of its Subsidiaries (other than any liquidation or dissolution of wholly owned Subsidiaries of the Company that do not have any assets or liabilities other than as may be *de minimis* in nature or amount);

(viii) any hiring or termination of employment or service of the Chief Executive Officer or any other member of senior management of the Company or any of its Subsidiaries;

(ix) any determination of compensation, benefits, perquisites and other incentives for the Chief Executive Officer and other senior management of the Company or any of its Subsidiaries and the approval or amendment of any plans or agreements in connection therewith;

(x) any adoption of, or amendment or modification to, any compensation plan, management incentive plan (including the Management Incentive Plan) or employee benefits plan (other than the initial adoption of the Management Incentive Plan, which for the avoidance of doubt shall be deemed to be approved as of the Effective Date);

(xi) any grant of equity incentives to senior management or service providers;

(xii) settling of any litigation not covered by insurance with a settlement amount in excess of $[ ] in any settlement or series of related settlements, or initiating any material litigation;

(xiii) any selection or removal of the Company's principal auditor;

(xiv) any approval of the annual business plan, annual budget or long-term strategic plan of the Company or any of its Subsidiaries or any material amendment thereto; or

(xv) any amendment or modification of this Agreement.

(b) Related Party Transactions. The entry into, consummation, amendment, modification (including by waiver) or termination of any Related Party Transaction shall require the approval of a majority of the Managers present at a meeting at which a quorum is present, provided that any Manager Affiliated with, the counterparty to such Related Party Transaction or such party's Related Persons, or otherwise having a material interest in the Related Party Transaction that is unique as compared to the interests of Members and Owners in general, shall not be entitled to vote for purposes of such approval; *provided*, *however*, that no such approval shall be required for (x) any Related Party Transaction if such Related Party Transaction is, in the good faith determination of the Board, on terms and conditions that are equal to or more beneficial to the Company than the terms and conditions pursuant to which an independent third party would provide the goods or perform the services that are the subject of the Related Party Transaction or (y) any acquisition of Equity Securities pursuant to Section 3.4 or any acquisition of any debt securities pursuant to preemptive rights that are granted that are substantially similar to the rights under Section 3.4.

Section 6.4 *Matters Requiring Approval by the Owners*. The Company shall not take any action without the approval of the Owners to the extent such action would require the prior approval of the stockholders of a Delaware corporation pursuant to and in accordance with the Delaware General Corporation Law if the Company were a Delaware corporation; provided that the foregoing shall not apply to (i) the appointment, removal or replacement of any Committee Designated Manager or any Key Owner Designated Manager, or (ii) a Drag-Along Sale.

Section 6.5 *Matters Relating to Owners*. The Company shall comply with the provisions of Annex A attached hereto.

Section 6.6 *Officers*. The Board may, at its discretion, appoint officers of the Company at any time to conduct, or to assist the Board in the conduct of, the day-to-day business and affairs of the Company. The officers of the Company shall include a Chief Executive Officer, [President,] a Secretary, one or more Assistant Secretaries, a Treasurer and any other officers as the Board may elect from time to time. The officers shall serve at the pleasure of the Board subject to all rights, if any, of an officer under any contract of employment. Any individual may hold any number of offices. The officers shall exercise such powers and perform such duties as are typically exercised by similarly titled officers in a corporation and as shall be determined from time to time by the Board, but subject in all instances to the supervision and control of the Board. The officers shall have such authority to sign checks, instruments and other documents on behalf of the Company as may be delegated to them by the Board. Officers, in their capacities as officers of the Company, shall have fiduciary duties to the Company, the Members and the Owners to the same extent as the fiduciary duties that the officers of a Delaware corporation owe to a corporation and its stockholders.

Section 6.7 *Waiver of Corporate Opportunities*. Each of the Company, the Members and the Owners recognizes that one or more Persons, including the Managers (other than the CEO Manager), any of the Members or any of the Owners (but excluding any employees of the Company or any of its Subsidiaries) (collectively, "**Non-Employee Persons**") have or may in the future have other business interests, activities and investments or opportunities with respect thereto, some of which may be in conflict or competition with the business of the Company, and that such Non-Employee Persons are entitled to carry on such other business interests, activities and investments and/or compete with the Company or pursue such opportunities, even if such interests, activities and investments are adverse to the interests of the Company or one or more of its Members or Owners, and shall have no obligation to present any such opportunities to the Company or any other Person (except to the extent that such opportunity was presented to a Manager expressly in such Person's capacity as a Manager). Neither the Company, its Subsidiaries, the other Members and Owners nor any other Person shall have any right, by virtue of this Agreement, in or to such activities, or the income or profits derived therefrom, and the pursuit of such activities, even if competitive with the business of the Company or any of its Subsidiaries, by a Non-Employee Person (or any of their Affiliates or any other Person with which such Non-Employee Person is acting) shall not be deemed wrongful or improper or constitute a breach of any duty or obligation (contractual, fiduciary or otherwise). Each of the Non-Employee Persons, in their sole discretion, may offer an opportunity to participate in any such business or venture to any Person, including any Members or Owners or their respective Affiliates without any duty or obligation to any other Person. The taking by any such Non-Employee Person (or its Affiliates or any other Person with which such Non-Employee Person is

acting), or the offering or other transfer by any such Non-Employee Person to another Person, of any potential business opportunity shall not constitute or be construed or interpreted as (a) a breach or violation of any duty (contractual, fiduciary or otherwise, including any duty under this Agreement or any other Applicable Law) or (b) receipt by any such Non-Employee Person or its Affiliates or other Persons with which it is acting of an improper benefit, or an improper personal benefit, in money, property, services or otherwise. This Section 6.7 is being adopted notwithstanding any duty (including any fiduciary duty) that would otherwise exist at law, in equity or otherwise.

Section 6.8 *Waivers; Burden of Proof.*

(a) Each Covered Person (other than any Covered Person who is a Manager or officer of the Company or an officer or director (or equivalent) of any of its Subsidiaries) shall, to the maximum extent permitted by the Act and other Applicable Law, owe no duties (including fiduciary duties) to the Members, the Owners, the Company or any other Person bound by this Agreement, notwithstanding anything to the contrary existing at law, in equity or otherwise; provided, however, that the foregoing shall not eliminate the implied contractual covenant of good faith and fair dealing and nothing in this Agreement shall preclude any Member or Owner from bringing an action alleging a breach of the implied contractual covenant of good faith and fair dealing or any breach of this Agreement.

(b) To the fullest extent permitted by law, and notwithstanding any other provision of this Agreement or any duty that would otherwise exist at law or in equity, the parties hereto agree that (i) in any proceeding relating to the determination of whether a Covered Person has met its duties under this Agreement or any Applicable Law, there shall be a presumption that such Covered Person has met such duties and (ii) any Person bringing or prosecuting any action, suit or proceeding directly in such Person's own right or in the name or on behalf of the Company, the Member or the Owner (or any other Person that may have standing to bring or prosecute such action, suit or proceeding) challenging any determination or action, or decision not to act, of a Covered Person, will bear the burden of proving that such duties were not met.

(c) To the fullest extent permitted by law, and notwithstanding any other provision of this Agreement or any duty (including any fiduciary duty) that would otherwise exist at law, in equity or otherwise, each Member and Owner (other than any Member or Owner who is a Manager or officer or director (or equivalent) of the Company or any of its Subsidiaries), in each case, acting in such capacity, in the exercise of its rights, powers and duties hereunder, may act and make decisions in the best interest of such Person, which may not be in the best interests of, and may be different from, in addition to, or adverse to, the Members, the Owners and any other Person bound by this Agreement. This Section 6.8 is being adopted notwithstanding any duty (including any fiduciary duty) that would otherwise exist at law, in equity or otherwise.

ARTICLE VII
MATTERS RELATING TO AN IPO; REGISTRATION RIGHTS

Section 7.1 *Conversion to a Corporate Form Upon an IPO.* Upon a determination by the Board to effect an IPO, the Board, at the Company's expense shall take such actions as are

necessary to structure the IPO in the manner determined appropriate by the Board, including effecting a conversion of the Company (directly or indirectly) to corporate form; provided that notwithstanding any provision of this Agreement to the contrary, the Board may take any of the foregoing actions without any vote of the Members or Owners. In connection with such IPO, each Member holding Shares or other Equity Securities will be entitled to receive a number of shares of common stock or other Equity Securities of the IPO "vehicle" selling Equity Securities in the IPO such that if the Company liquidated and distributed its assets in accordance with Article XII immediately following such IPO, such Member (including as nominee for Beneficial Owners) would, in the aggregate in respect of such Shares or other Equity Securities, be entitled to receive the same percentage of the total proceeds as it (including as nominee for Beneficial Owners) would have been entitled to receive in a liquidation and distribution of the Company's assets pursuant to Article XII immediately prior to such IPO (determined without giving effect to any actions or steps taken to effect or facilitate such IPO pursuant to this Section 7.1) and (ii) such IPO shall be effected in a manner that treats Owners of the same class of Shares or other Equity Securities the same with such differences as may be necessary to give effect to vesting and other contingencies or differences with respect to any Shares or other Equity Securities.

Section 7.2 *Registration Rights Agreement*. In connection with, and substantially concurrently with the closing of, an IPO, the Company and each Owner of Registrable Securities (as defined in the Registration Rights Agreement) shall enter into the Registration Rights Agreement. The provisions of this Section 7.3 shall survive termination of this Agreement.

Section 7.3 *IPO Lock Up Agreement*. In connection with an IPO, each Member or Owner holding (directly or indirectly) any Shares (or the applicable security to be sold in the IPO) (a) shall not effect any public sale or distribution, including any sale pursuant to Rule 144, of Registrable Securities (as defined in the Registration Rights Agreement) (except as part of the IPO) during the period beginning seven (7) days prior to the effective date of the applicable registration statement until the earlier of (i) such time as the Company and the lead managing underwriter shall agree and (ii) one hundred eighty (180) days, and (b) shall enter into such customary "lock up" agreements as are requested by the Company and the underwriter(s) in the IPO. In connection with an IPO described in clauses (ii) and (iii) of the definition thereof, except with the written consent of the underwriters managing such IPO, no Member or Owner shall effect any sale or distribution (including sales pursuant to Rule 144) of Equity Securities of the Company, or any securities convertible into or exchangeable or exercisable for such Equity Securities, without the prior written consent of the Company, during the seven (7) days prior to and the one hundred and eighty (180)-day period beginning on the date of closing of such IPO (the "**Lockup Period**"), except as part of such offering; provided, that (i) such Lockup Period restrictions are applicable on substantially similar terms to all of the Company's executive officers and directors, (ii) to the extent any Member or Owner is granted a release or waiver from the restrictions contained in this Section 7.3, then all Members and Owners shall be automatically granted a release or waiver from the restrictions contained in this Section 7.3, on substantially the same terms as and on a *pro rata* basis with, the Members and/or Owners to which such release or waiver is granted, and (iii) except in connection with an IPO, nothing herein will prevent any Member or Owner from making a distribution of Equity Securities to any of its partners, members or stockholders thereof or a transfer of Equity Securities to a Related Person that is otherwise in compliance with applicable securities laws, so long as such distributees or transferees, as applicable, agree to be bound by the restrictions set forth in this

Section 7.3. Each Member and Owner agrees to execute a customary lock-up agreement in favor of the Company's underwriters to such effect and, the Company's underwriters in any relevant offering shall be third party beneficiaries of this Section 7.3. The provisions of this Section 7.3 shall survive termination of this Agreement.

Section 7.4 *Strategic Transaction / IPO Review*. Not later than the second anniversary of the Effective Date, the Board shall initiate a strategic review of potential strategic transactions for the Company, including the possibility of an IPO. For the avoidance of doubt, the Board is not precluded from initiating such review or seeking such strategic transactions prior to such date and is not obligated to effectuate a strategic transaction (including an IPO) by any specific date.

ARTICLE VIII
REPRESENTATIONS AND WARRANTIES

Section 8.1 *Representations and Warranties*. Each Owner as of the Effective Date and each Person that becomes a Member or Owner after the Effective Date (including pursuant to a Transfer of Shares), represents and warrants (or is deemed to represent and warrant) to the Company, that such Owner or Person: (A) has received (or otherwise had made available to it), read and understands this Agreement, (B) acknowledges and understands that such Owner or Person shall have all the rights, and be subject to all the obligations, set forth in this Agreement with respect to Members and Owners and as provided under the Act, as if such Owner or Person had directly executed this Agreement as a party, and (C) ratifies and confirms each and every Article, Section and provision of this Agreement. Furthermore, each such Member, Owner and Person represents and warrants (or is deemed to represent and warrant) to the Company that the Agreement constitutes the legal, valid, and binding obligation of such owner or person and it is enforceable against it in accordance with its terms, subject to applicable insolvency, bankruptcy or other laws affecting creditors' rights generally or by general principles of equity.

ARTICLE IX
TRANSFERS

Section 9.1 *Transfers Generally*.

(a) Each Member and Owner understands and agrees that the Shares have not been registered under the Securities Act nor registered or qualified under any state or foreign securities laws. No Owner shall Transfer such Shares (or solicit any offers in respect of any Transfer of such Shares), except in compliance with the Securities Act, any applicable state or foreign securities laws and the restrictions on Transfer contained in this Article IX.

(b) Until the Company otherwise becomes obligated to file reports under each of (x) Section 13 of the Exchange Act and (y) Section 15(d) of the Exchange Act (or upon receipt of prior written approval from the Board), no Owner shall Transfer any of such Owner's Shares to any other Person to the extent such Transfer would cause the Company to have, including as a result of passage of time and giving effect to the exercise of all Options and Convertible Securities, in excess of, to the extent the Company is obligated to file reports under Section 15(d) but not Section 13 of the Exchange Act, (a) 1,950 Holders of Record (or four-hundred-fifty (450) or more Holders of Record who are not Accredited Investors), calculated in

accordance with Section 12(g) of the Exchange Act (or fifty (50) fewer than such other numbers of Holders of Record or shareholders as may subsequently be set forth in Section 12(g), or any successor provision, from time to time of the Exchange Act, as the minimum number of Holders of Record or shareholders for a class of capital stock to be required to be registered under Section 12 of the Exchange Act), or (b) to the extent the Company is not currently obligated, including due to a suspension of such requirement, to file reports under either of Section 13 or Section 15(d) of the Exchange Act, two-hundred-fifty (250) Holders of Record, calculated in accordance with Section 15(d) of the Exchange Act (or fifty (50) fewer than such other numbers of shareholders as may subsequently be set forth in Section 15(d), or any successor provision, from time to time of the Exchange Act, as the minimum number of Holders of Record or shareholders for a class of capital stock to require reporting under Section 15(d) of the Exchange Act). The Company and any transfer agent for the Shares shall be entitled to enforce this provision (including by denying any requested Transfer of Shares). The Company and any transfer agent for the Shares shall determine the number of Holders of Record from time to time in consultation with Company counsel in order to give full effect to the restriction set forth in this Section 9.1(b). For the avoidance of doubt, this Section 9.1(b) shall not apply to a Transfer of Shares in an IPO.

(c) Notwithstanding anything to the contrary in this Agreement, no Owner shall Transfer any Shares (i) to a Competitor (except pursuant to a Drag-Along Sale) without the prior written consent of the Board (which may be given or withheld in the Board's sole discretion) or (ii) if such Transfer would cause the Company to become subject to the registration requirements of the Investment Company Act of 1940, as amended.

(d) Each Owner Transferring any Shares as permitted by this Agreement shall use its reasonable best efforts to provide or cause to be provided to any prospective transferee of such Owner (subject to Section 11.1(e)) a copy of this Agreement (including by such proposed transferee receiving access to this Agreement pursuant to the Datasite).

(e) To the fullest extent permitted by Applicable Law, any Transfer not in compliance with the provisions of this Agreement shall be void *ab initio*.

Section 9.2 *Tag-Along Rights*. (a) Subject to Section 9.2(i) and Section 9.5, if one or more Owners that (collectively with their Related Persons) hold at least a majority of the outstanding Shares (collectively, the "**Tag-Along Seller**") propose to Transfer at least a majority of the outstanding Shares, in one transaction or a series of related transactions, to any Prospective Buyer(s) (a "**Tag-Along Sale**") other than a Transfer to a transferee that is a Related Person of the transferor, then:

(i) the Tag-Along Seller shall deliver a written notice of the terms and conditions of such proposed Transfer (the "**Tag-Along Notice**") to the Company, and the Company shall promptly (and in any event within ten (10) Business Days following receipt thereof) deliver or cause to be delivered a copy of the Tag-Along Notice to each Owner (other than the Tag-Along Seller), which Tag-Along Notice shall offer each such Owner the opportunity to participate in such Transfer in accordance with this Section 9.2 (the "**Tag-Along Offer**"); and

(ii) each of the Owners (other than the Tag-Along Seller) may elect, at its option, to participate in the proposed Transfer in accordance with this Section 9.2 (each such electing Owner, a "**Tagging Person**").

(b) The Tag-Along Notice shall identify (i) the number of Shares proposed to be sold by the Tag-Along Seller, (ii) the aggregate number of Shares owned by the Tag-Along Seller and its Related Persons, (iii) the per Share consideration to be paid in such Tag-Along Sale, and (iv) all other material terms and conditions of the Tag-Along Offer, including the form of the proposed sale agreement, if any, and the date of the proposed Tag-Along Sale, if known. From the date of the Tag-Along Notice, each Tagging Person shall have the right (a "**Tag-Along Right**"), exercisable by notice (the "**Tag-Along Response Notice**") given to the Tag-Along Seller within fifteen (15) Business Days after the date of the Tag-Along Notice (the "**Tag-Along Notice Period**"), to request that the Tag-Along Seller include in the proposed Transfer the number of Shares that such Tagging Person elects to include in the Tag-Along Sale (which shall not exceed the Tagging Person's Tag-Along Portion of Shares and which shall be subject to reduction in accordance with Section 9.2(f)). Each Tag-Along Response Notice shall include appropriate instructions for payment or delivery of the aggregate consideration for the Shares that the relevant Tagging Person is proposing to include in such Tag-Along Sale. Each Tagging Person that exercises its Tag-Along Rights hereunder shall deliver to the Tag-Along Seller, with its Tag-Along Response Notice, any evidence of ownership of the Shares of such Tagging Person to be included in the Tag-Along Sale reasonably required by the proposed transferee together with a limited power-of-attorney authorizing the Tag-Along Seller to execute transaction-related documents and Transfer such Shares on the terms set forth in the Tag-Along Notice and such other documents as the Tag-Along Seller may reasonably request to facilitate such Transfer. Delivery of the Tag-Along Response Notice with such evidence of ownership and limited power-of-attorney shall constitute an irrevocable acceptance of the Tag-Along Offer by such Tagging Persons, subject to the provisions of this Section 9.2 and Section 9.4.

(c) If, at the end of a 120-day period after the end of the Tag-Along Notice Period (which 120-day period shall be extended if any of the transactions contemplated by the Tag-Along Offer are subject to regulatory approval until the expiration of five (5) Business Days after all such approvals have been received, but in no event later than 180 days following the end of the Tag-Along Notice Period), the Tag-Along Seller has not completed the Transfer of all Shares proposed to be sold by the Tag-Along Seller and all Tagging Persons (but subject to reduction of such number of Shares in accordance with Section 9.2(f) on substantially the same terms and conditions set forth in the Tag-Along Notice, then the Tag-Along Seller shall (i) return to each Tagging Person the limited power-of-attorney and all applicable instruments that such Tagging Person delivered pursuant to Section 9.2(a) and any other documents in the possession of the Tag-Along Seller executed by the Tagging Persons in connection with the proposed Tag-Along Sale, and (ii) all the restrictions on Transfer contained in this Agreement or otherwise applicable at such time with respect to such Shares shall continue in effect.

(d) Concurrently with the consummation of the Tag-Along Sale, the Tag-Along Seller shall (i) notify the Tagging Persons thereof, (ii) remit to each Tagging Person the aggregate consideration for the Shares of such Tagging Person Transferred pursuant thereto (but subject to reduction for any applicable escrows or holdbacks and any transaction expenses as determined in Section 9.2), with the cash portion of the purchase price paid in accordance with

the instructions in the applicable Tag-Along Response Notice and (iii) promptly after the consummation of such Tag-Along Sale, furnish such other evidence of the completion and the date of completion of such Transfer and the terms thereof as may be reasonably requested by the Tagging Persons.

(e) If upon the expiration of the Tag-Along Notice Period any Owner entitled to elect to participate in the Tag-Along Sale shall not have elected to participate, such Owner shall be deemed to have irrevocably waived its rights under this Section 9.2 with respect to the Transfer of any Shares pursuant to such Tag-Along Sale.

(f) If the aggregate number of Shares of all Tagging Persons and the Tag-Along Seller proposed to be included in the Tag-Along Sale exceeds the number of Shares to be sold to the Prospective Buyer in such Tag-Along Sale, the Tag-Along Seller's and each Tagging Person's number of Shares to be included in the Tag-Along Sale shall be reduced on a *pro rata* basis determined based on (i) the number of Shares proposed to be included by such Owner *multiplied by* (ii) a fraction the numerator of which is the number of Shares that can be sold to the Prospective Buyer in the Tag-Along Sale and the denominator of which is the total number of Shares proposed to be included by all Owners.

(g) Subject to Section 9.2(h), the Tag-Along Seller shall Transfer, on behalf of itself and each Tagging Person, the Shares subject to the Tag-Along Offer and elected to be Transferred pursuant to this Section 9.2 on the terms and conditions set forth in the Tag-Along Notice within one hundred twenty (120) days (or such longer period as extended under Section 9.2(b)) after the end of the Tag-Along Notice Period.

(h) Notwithstanding anything contained in this Section 9.2, if the Transfer of Shares pursuant to Section 9.2 is not consummated for whatever reason there shall be no liability on the part of the Tag-Along Seller to the Tagging Persons or any other Person (other than the obligation to return any limited powers-of-attorney and other documentation received by the Tag-Along Seller). The decision to effect or abandon a Transfer of Shares pursuant to this Section 9.2 by the Tag-Along Seller is in the sole and absolute discretion of the Tag-Along Seller as are the terms of the Tag-Along Sale except, in the case of such terms, as otherwise set forth in this Section 9.2 or Section 9.4. For the avoidance of doubt, the Tag-Along Seller may not sell any of its Shares in a Tag-Along Sale unless the purchaser buys the applicable Shares of the Tagging Persons in accordance with this Section 9.2.

(i) The provisions of this Section 9.2 shall not apply to any proposed Transfer of any Shares by the Tag-Along Seller (A) pursuant to Section 9.3, or (B) to a Related Person of the Tag-Along Seller.

Section 9.3 *Drag-Along Rights*.

(a) Subject to Section 9.4, if any Owner(s) holding (directly or indirectly) at least a majority of the aggregate number of Shares then issued and outstanding (collectively, the "**Dragging Seller**") agree to a *bona fide* arms'-length negotiated Company Sale to one or more purchasers that are not Related Persons of the Dragging Seller for consideration payable in cash and/or marketable securities (a "**Prospective Drag Purchaser**", and such Company Sale, a

"**Drag-Along Sale**"), then the Dragging Seller may, at its option, exercise the rights set forth in this Section 9.3 ("**Drag-Along Rights**"); provided that prior to the Key Owner Committee Termination Date, a Drag-Along Sale shall require approval of the Board.

(b) Exercise. If the Dragging Seller wishes to exercise the Drag-Along Rights contained in this Section 9.3, then the Dragging Seller shall deliver a written notice (the "**Drag-Along Sale Notice**") to the Company at least thirty (30) Business Days prior to the consummation of the Company Sale transaction, and the Company shall deliver a copy of such Drag-Along Sale Notice to each Owner other than the Dragging Seller (each, a "**Dragged Person**" and, together with the Dragging Seller, collectively, the "**Drag-Along Sellers**") promptly (and in any event within ten (10) Business Days following receipt thereof). The Drag-Along Sale Notice shall set forth the principal terms and conditions of the proposed Company Sale, including (a) the form and structure of the proposed Company Sale, (b) the consideration to be received in the proposed Company Sale for the Shares (including, if applicable, the formula by which such consideration is to be determined and the payment terms, including a description of any marketable securities), (c) the name and address of the Prospective Drag Purchaser(s), (d) if known, the proposed date for the Company Sale, (e) the name of each Drag-Along Agent (as defined below) and (f) all other material terms and conditions of the Drag-Along Sale. Except to the extent waived by the party entitled to such consideration or as required by law, each Dragged Person shall receive the same form and amount of consideration per Share to be received by the Dragging Seller for the Shares in the Drag-Along Sale. If any holders of Shares are given an option as to the form and amount of consideration to be received, all holders of Shares will be given the same option other than to the extent prohibited by law. Unless otherwise agreed by each Drag-Along Seller, any consideration consisting of marketable securities shall be allocated among the Drag-Along Sellers *pro rata* based upon the aggregate amount of consideration to be received by such Drag-Along Sellers.

(c) Subject to the provisions of Section 9.4, each Dragged Person shall be required to participate in the Drag-Along Sale on the terms and conditions set forth in the Drag-Along Sale Notice. Each Drag-Along Seller shall vote (including acting by written consent, if requested) in favor of such Drag-Along Sale if any vote is held or requested in connection therewith and shall participate in such Drag-Along Sale as described in this Section 9.3. In furtherance of the provisions of this Section 9.3, each Dragged Person (on behalf of itself and its successors, heirs, legal representatives, and permitted assigns and transferees) hereby (i) irrevocably appoints each of the individuals identified as a "Drag-Along Agent" in the Drag-Along Sale Notice as his, her or its agent and attorney-in-fact (the "**Drag-Along Agents**") (with full power of substitution) to execute all agreements, instruments and certificates and take all action necessary to effectuate any Drag-Along Sale as contemplated under this Section 9.3 (including to Transfer such Dragged Person's Shares on the terms set forth in the Drag-Along Sale Notice), (ii) grants to each Drag-Along Agent a proxy (which shall be deemed to be coupled with an interest and to be irrevocable) to vote (including acting by written consent, if requested) all Shares having voting power held by such Person and exercise any consent rights applicable thereto in favor of any such Drag-Along Sale as provided in this Section 9.3; provided, however, that the Drag-Along Agents shall not exercise such powers-of-attorney or proxies with respect to any such Person unless such Person refuses or fails to comply with its obligations under this Section 9.3 within such period of time as may be reasonably specified by the Dragging Seller and (iii) agrees to refrain from exercising any dissenters' rights or rights of appraisal under

applicable law at any time with respect to any Drag-Along Sale. Except as otherwise provided in this Agreement, each Dragged Person hereby revokes any and all previous proxies with respect to such Shares (except as otherwise provided in this Agreement) and shall not hereafter, unless and until this Agreement terminates, purport to grant any other proxy or power of attorney with respect to any Shares, deposit any of its Shares into a voting trust or enter into any other agreement, arrangement or understanding with any person, directly or indirectly, to vote, grant any proxy or give instructions with respect to the voting of any of such Shares, in each case, with respect to any of the matters set forth herein. Each Dragged Person hereby covenants with the Company and the Dragging Seller: (a) to vote in opposition to any other proposal that could delay or impair the ability of the Company to consummate the Drag-Along Sale; (b) subject to Section 9.4, to execute and deliver all related documentation and take such other action in support of the Drag-Along Transaction as shall reasonably be requested by the Company or the Dragging Seller in order to carry out the terms and provisions of this Section 9.3, including executing and delivering instruments of conveyance and transfer, and any purchase agreement, merger agreement, indemnity agreement, escrow agreement, consent, waiver, governmental filing, Share certificates duly endorsed for transfer (free and clear of impermissible liens, claims and encumbrances) and any similar or related documents;. If a Dragged Person should fail to deliver such documentation to the Dragging Seller, the Company (subject to reversal under Section 9.3(d)) shall cause the books and records of the Company to show that such Shares are bound by the provisions of this Section 9.3(a) and that such Shares shall be deemed to be Transferred to the Prospective Drag Purchaser at the closing of the Drag-Along Sale. For the avoidance of doubt, the Shares issued pursuant to the Warrants, including any Shares that may be issued as a result of the consummation of a Drag-Along Sale, will be deemed to be subject to the provisions of this Section 9.3.

(d) The Dragging Seller shall have a period of one hundred twenty (120) days from the date of the Drag-Along Sale Notice to consummate the Drag-Along Sale on the terms and conditions set forth in such Drag-Along Sale Notice, provided that, if such Drag-Along Sale is subject to regulatory approval, such 120-day period shall be extended until the expiration of five (5) Business Days after all such approvals have been received, but in no event later than 180 days following the date of the Drag-Along Sale Notice. If the Drag-Along Sale shall not have been consummated during such period, the Dragging Seller shall return to each of the Dragged Persons all applicable instruments such Dragged Persons delivered for Transfer pursuant hereto, together with any other documents in the possession of the Dragging Seller executed by the Dragged Persons in connection with such proposed Transfer, and all the restrictions on Transfer contained in this Agreement or otherwise applicable at such time with respect to such Shares held (directly or indirectly) by the Dragged Persons shall again be in effect.

(e) Concurrently with the consummation of the Drag-Along Sale pursuant to this Section 9.3, the Dragging Seller shall give notice thereof to the Dragged Persons, shall remit to each of the Dragged Persons that have surrendered the applicable instruments the total consideration (the cash portion of which is to be paid in accordance with such Dragged Person's instructions for payment) for the Shares of such Dragged Person Transferred pursuant to this Section 9.3 hereto (but subject to reduction for any applicable escrows or holdbacks and any transaction expenses as determined in Section 9.4) and shall furnish such other evidence of the completion and time of completion of the Drag-Along Sale and the terms thereof as may be reasonably requested by such Dragged Persons.

(f) Notwithstanding anything contained in this Section 9.3, there shall be no liability on the part of the Dragging Seller to the Dragged Persons (other than the obligation to return the applicable instruments and documentation received by the Dragging Seller as set forth in Section 9.3(d)) or any other Person if the Drag-Along Sale pursuant to this Section 9.3 is not consummated for whatever reason, regardless of whether the Dragging Seller has delivered a Drag-Along Sale Notice. The decision to effect a Drag-Along Sale pursuant to this Section 9.3 by the Dragging Seller shall be in the sole and absolute discretion of the Dragging Seller as are the terms of the Drag-Along Sale except, in the case of such terms, as otherwise set forth in this Section 9.3 or Section 9.4.

(g) No Other Consideration. No Drag-Along Seller nor any of its Related Persons (which, for the avoidance of doubt, will not include any member of management or any employee of the Company or any Subsidiary thereof) shall receive any direct or indirect consideration in connection with a Company Sale to which this Section 9.3 applies (including by way of fees, consulting arrangements or a non-compete payment) other than (i) consideration received in exchange for its Shares on the terms described in the Drag-Along Sale Notice, (ii) reimbursement of expenses on a *pro rata* basis (based on the consideration being received for the Shares) and (iii) customary arrangements that would not reasonably be considered as a means to circumvent the provisions of this Section 9.3(g), such as the indemnification of Managers.

(h) The Drag-Along Seller may effect the Drag-Along Sale by means of a Business Combination, Share Transfer or Asset Sale or a combination thereof.

Section 9.4 *Additional Conditions to Tag-Along Sales and/or Drag-Along Sales*. Notwithstanding anything contained in Section 9.2 or 9.3, the rights and obligations of the Tagging Persons to participate in a Tag-Along Sale under Section 9.2 or a Dragged Person to participate in a Drag-Along Sale under Section 9.3 are subject to the following conditions:

(a) in the event the consideration to be paid in exchange for Shares pursuant to Section 9.2(d) includes any securities that are unregistered and a Member or Owner participating in such Tag-Along Sale (other than the Tag-Along Seller or Dragging Seller) is not an Accredited Investor, the Tag-Along Seller shall cause to be paid to such Member or Owner in lieu thereof an amount in cash equal to the fair market value of the securities (as determined by the Board) that such Member or Owner would otherwise receive as of the date of the issuance of such securities in such Transfer;

(b) no Tagging Person or Dragged Person, as the case may be, shall be obligated to pay any fees or expenses (other than its own) incurred in connection with any consummated or unconsummated Tag-Along Sale or any consummated or unconsummated Drag-Along Sale, except each Tagging Person or Dragged Person, as the case may be, may be obligated to bear its *pro rata* share (based on the consideration paid for the Shares Transferred) of the reasonable documented out-of-pocket fees and expenses incurred by the Tag-Along Seller or the Drag-Along Seller in connection with a consummated Tag-Along Sale or Drag-Along Sale to the extent such fees and expenses are incurred for the benefit of all Tagging Persons or Dragged Persons, as the case may be, and are not otherwise paid by the Company or another Person; and

(c) in connection with any Tag-Along Sale or Drag-Along Sale, no Tagging Person or Dragged Person shall be required to (x) agree to a non-compete, non-solicit or other restrictive covenants or agreements (other than customary confidentiality obligations), (y) enter into a lock-up provision with respect to any marketable securities received as consideration in a Drag-Along Sale, or (z) make any representation or warranty with respect to such Transfer other than with respect to customary "fundamental" matters relating to such Tagging Person or Dragged Person, including its organizational status, authority, its participation in the transaction, the number of Shares owned, its unencumbered ownership of its Shares and noncontravention of other material agreements (but not, for the avoidance of doubt, with respect to the Company) and shall not otherwise be liable for any indemnity obligation (other than severally in connection with any such representation and warranty it makes as to itself) that is not provided by escrow, purchase price adjustment, indemnity holdback or similar mechanism; provided, that the aggregate amount of liability described in this clause in connection with any Tag-Along Sale or Drag-Along Sale shall not exceed the lesser of (i) such Tagging Person or Dragged Person's *pro rata* portion of any such liability, to be determined in accordance with such Tagging Person or Dragged Person's portion of the aggregate proceeds received in connection with such transaction and (ii) the net proceeds received by such Tagging Person or Dragged Person in connection with such transaction, other than, in each case, in the case of actual and intentional fraud of such Tagging Person or Dragged Person.

Section 9.5 *Conditions Applicable to All Transfers*.Notwithstanding anything to the contrary in Section 3.3 or otherwise in this Agreement, no Transfer of Shares shall be registered on the Equity Ledger of the Company (if applicable) or otherwise recognized by the Company, unless (i) such Transfer would not require registration under the Securities Act or violate any provisions of any applicable securities law or other Applicable Law; (ii) such Transfer would not violate either this Agreement or the laws, rules or regulations of any state or any Governmental Authority applicable to the transferor, the transferee or such Transfer; or (iii) such Transfer was not made to a Person who is the subject of any pending bankruptcy or insolvency proceedings, or to a Person who is a minor or who otherwise lacks legal capacity. For the avoidance of doubt, the term "Transfer" includes a transfer of Shares through DTC.

(b) The direct transferee (i.e., a transferee that holds the Shares directly after the Transfer and after taking into account Section 3.2(c) and not simply a Beneficial Interest therein) of any Shares Transferred in accordance with this Article IX shall be admitted as a Member and shall be bound by this Agreement as a Member and Direct Owner. Any indirect transferee (i.e., a transferee that holds a Beneficial Interest in the Shares after the Transfer and after taking into account Section 3.2(c)) of Shares in accordance with this Article IX shall be bound by this Agreement as a Beneficial Owner.

(c) [A transferee in a Transfer not prohibited by this Agreement shall execute and deliver a Joinder to the Company; provided that whether or not a Joinder is executed and delivered by a transferee, to the fullest extent permitted by Applicable Law, such transferee shall be deemed to have made the representations and warranties to the Company set forth in Section 8.1 and to have become an Owner and be deemed to be subject to the terms and conditions of this Agreement applicable to Owners.] Notwithstanding the foregoing or anything in this Agreement to the contrary, a transferor of Shares will not be relieved of any liability for a breach of the Transfer provisions hereunder.

(d) Except as otherwise set forth in this Agreement, a transferring Member (other than Cede & Co.) or Owner will bear all costs for filing fees, applications, transfer, gains, stamp or similar taxes in connection with a Transfer by such Member or Owner (other than pursuant to a Drag-Along Sale) (collectively, "**Transfer Costs**"), and shall indemnify and hold harmless the Company for any such Transfer Costs; provided that all other costs and expenses related to Transfers, including relating to lender approvals or consents and other costs incurred by the Company (including by legal counsel to the Company) shall be borne by the Company.

(e) All Shares issued to any Person that are certificated shall bear a legend (if certificated), or be evidenced by notations in a book entry system including a legend, in substantially the following form:

> "THE SHARES EVIDENCED HEREBY ARE SUBJECT TO VARIOUS CONDITIONS INCLUDING CERTAIN RESTRICTIONS ON ANY OFFER, SALE, DISPOSITION, TRANSFER AND VOTING AS SET FORTH IN THE [AMENDED AND RESTATED] LIMITED LIABILITY COMPANY AGREEMENT OF [REVLON LLC] (THE "COMPANY"), DATED AS OF [ ], 2023 AS MAY BE AMENDED AND MODIFIED FROM TIME TO TIME (THE "AGREEMENT"). UNLESS OTHERWISE APPROVED BY THE BOARD OF MANAGERS OF THE COMPANY, THE SHARES ARE REQUIRED TO BE HELD AND CLEARED THROUGH DTC. NO REGISTRATION OR TRANSFER OF SUCH SHARES WILL BE MADE ON THE BOOKS AND RECORDS OF THE COMPANY UNLESS AND UNTIL SUCH RESTRICTIONS SHALL HAVE BEEN COMPLIED WITH. THE COMPANY WILL FURNISH WITHOUT CHARGE TO EACH HOLDER OF RECORD OF SUCH SHARES A COPY OF THE AGREEMENT CONTAINING THE ABOVE REFERENCED RESTRICTIONS UPON WRITTEN REQUEST TO THE COMPANY AT ITS PRINCIPAL PLACE OF BUSINESS."

(f) All Shares issued by the Company, unless such Shares were issued in reliance on the exemption from registration under the Securities Act provided by Section 1145 of the Bankruptcy Code or, as determined by the Board, another exemption such that the Transfer of such Shares is not restricted under U.S. federal securities law shall be evidenced by notations on the certificate, if any, representing such Shares or in the applicable book entry system including a legend in substantially the following form:

> "THE SECURITIES EVIDENCED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAW OF ANY STATE OR OTHER JURISDICTION AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN ACCORDANCE WITH THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT OF 1933, AS AMENDED, OR AN EXEMPTION THEREFROM AND, IN EACH CASE, IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS. AS A CONDITION TO ANY TRANSFER, THE COMPANY RESERVES THE RIGHT TO REQUIRE AN OPINION OF COUNSEL REASONABLY SATISFACTORY TO THE COMPANY, THAT SUCH REGISTRATION IS NOT REQUIRED."

(g) As a condition precedent to any Transfer of Shares bearing a restricted Securities Act legend, the Company may require an opinion of legal counsel reasonably satisfactory to it (at the Company's sole cost and expense) that registration under the Securities Act is not required; provided, the Company shall treat all similarly situated Owners and Members equally regarding whether to require an opinion. The Company can take such actions as it deems necessary to ensure compliance with the Securities Act, including establishing one or more separate CUSIP numbers for Shares that may be restricted under U.S. federal securities law. Taking into account Applicable Law, the Company shall use commercially reasonable efforts (at the Company's sole cost and expense) to remove the legend set forth in Section 9.5(f) above from Shares bearing the same from and after one (1) year following the issuance of such Shares.

(h) The Board may make any necessary modifications to the legends set forth in Section 9.5(e) and Section 9.5(f) for such legends to comply with Applicable Law and to achieve the purpose and intent of the Transfer restrictions set forth herein. If any Shares cease to be subject to any and all restrictions on Transfer set forth in this Agreement, the Board, upon the written request of the holder thereof, shall amend the notations in the book entry system (or, if certificated, issue to such holder a new certificate) evidencing such Shares accordingly.

(i) Transfers of Shares and admission of transferees as Members or Direct Owners or Beneficial Owners in accordance with this Article IX shall not be considered to be a Related Party Transaction, regardless of the identity of the transferor or transferee.

ARTICLE X
INDEMNIFICATION AND EXCULPATION

Section 10.1 *Indemnification and Exculpation*.

(a) To the fullest extent permitted by law, the Company shall indemnify, hold harmless and defend each Covered Person from and against any and all losses, claims, damages, liabilities, whether joint or several, expenses (including legal fees and expenses), judgments, fines and amounts paid in settlement (collectively, "**Indemnified Losses**"), incurred or suffered by such Covered Person, as a party or otherwise, in connection with any threatened, pending or completed claim, demand, action, suit or proceeding, whether civil, criminal, administrative or investigative, whether formal or informal, and whether or not by or in the right of the Company, arising out of or in connection with any act or omission, or alleged act or omission, performed or omitted to be performed by such Covered Person in connection with or in any way related to the business or the operation of the Company or any Subsidiary of the Company, unless it is determined in a final, non-appealable judgment of a court of competent jurisdiction that the Indemnified Losses were the result of such Covered Person's Malfeasance. Notwithstanding the foregoing, other than any claim to enforce its rights under this Article X, the Company shall not be obligated to indemnify any Covered Person in connection with any action, suit or proceeding initiated by such Covered Person unless the initiation of such action, suit or proceeding is approved by the Board.

(b) No Covered Person shall be liable to the Company or to any Owner or Member for any loss or damage sustained by the Company or any Owner or Member, unless it is determined in a final, non-appealable judgment of a court of competent jurisdiction that the loss

or damage shall have been the result of such Covered Person's Malfeasance. The negative disposition of any claim, demand, action, suit or proceeding, whether civil, criminal, administrative or investigative, whether formal or informal, and whether by or in the right of the Company, by judgment, order, settlement, conviction or upon a plea of nolo contendere, or its equivalent, shall not, of itself, create a presumption that the Covered Person acted in a manner contrary to the standard set forth in the previous sentence.

(c) To the fullest extent permitted by Applicable Law, costs and expenses (including attorneys' fees and expenses) incurred by a Covered Person in defending or otherwise participating in any claim, demand, action, suit or proceeding subject to this Section shall be advanced by the Company prior to the final disposition of such claim, demand, action, suit or proceeding upon receipt by the Company of an undertaking by or on behalf of the Covered Person to repay such amount in the event it is ultimately determined that the Covered Person is not entitled to be indemnified therefor pursuant to this Section 10.1.

(d) The Company hereby acknowledges that certain of the Covered Persons may have certain rights to indemnification, advancement of expenses and/or insurance provided by one or more other Persons (but not including any such other Person to the extent such Person would have an obligation to provide indemnification, advancement of expenses and/or insurance pursuant to a contractual obligation to the Company or any of its Subsidiaries) (collectively, the "**Secondary Indemnitors**"), which may include Persons who employ a Covered Person or of which a Covered Person is a partner or member or whose respective Affiliates, affiliated investment funds, managed funds and management companies, if applicable, have such Covered Person as a partner or member. The Company hereby agrees (i) that it is the indemnitor of first resort in respect of the matters in this Section 10.1 (i.e., the Company's obligations to each Covered Person are primary and any obligation of the Secondary Indemnitors to advance expenses and/or provide indemnification for the same expenses and liabilities incurred by Covered Persons are secondary) and (ii) that it shall be required to advance the full amount of expenses incurred by Covered Persons and shall be liable for the full amount of any Indemnified Losses to the extent legally permitted and as required by the terms of this Agreement or any other agreement between the Company and the relevant Covered Person, without regard to any rights that such Covered Person may have against any Secondary Indemnitor. The Company further agrees that no advancement or payment by any Secondary Indemnitor shall affect the foregoing and that any relevant Secondary Indemnitors shall be subrogated to the extent of such advancement or payment to all of the rights of recovery of the relevant Covered Persons against the Company. The Company and each Covered Person agree that the Secondary Indemnitors are express third party beneficiaries of this Section 10.1.

(e) The indemnification provided by this Section 10.1 shall be in addition to any other rights to which any Covered Person may be entitled under this Agreement or any other agreement with the Company or any other Person, as a matter of law or otherwise, and shall inure to the benefit of the heirs, legal representatives, successors, assigns and administrators of the Covered Person.

Section 10.2 *Insurance*. The Company may purchase and maintain insurance on behalf of any Person who is or was a Manager, officer, employee or agent of the Company, or is or was serving at the request of the Company as a Manager, officer, employee or agent of another

limited liability company, corporation, partnership, joint venture, trust or other enterprise against any expense, liability or loss incurred by such person in any such capacity or arising out of such Person's status as such, whether or not the Company would have the power to indemnify such Person against such liability under Applicable Law or this Article X.

Section 10.3 *Rights to Rely on Legal Counsel, Accountants; Other Matters*.

(a) No Covered Person shall be liable, responsible or accountable in damages or otherwise to the Company or any Owner or Member for any performance or omission to perform any acts in reliance on the advice of accountants or legal counsel for the Company.

(b) The Company may, by action of its Board, provide indemnification to such of the officers, Managers, directors, managers, employees, agents or other representatives of the Company and its Subsidiaries, in each case, to such extent and to such effect as the Board shall determine to be appropriate.

(c) Neither the amendment nor repeal of this Article X, nor, to the fullest extent permitted by the Act, any modification of law, shall adversely affect any right or protection of any Person granted pursuant hereto existing at, or arising out of or related to any event, act or omission that occurred prior to, the time of such amendment, repeal, adoption or modification (regardless of when any proceeding (or part thereof) relating to such event, act or omission arises or is first threatened, commenced or completed).

(d) The indemnification obligations set forth in this Article X shall survive the termination of this Agreement.

ARTICLE XI
BOOKS OF ACCOUNT; INFORMATION RIGHTS; CONFIDENTIALITY

Section 11.1 *Maintenance of Books; Reports*.

(a) The Board shall maintain, or cause to be maintained, at the principal office of the Company (or such other place determined by the Board) appropriate books and records with respect to the Company's business. Any books and records maintained by or on behalf of the Company in the regular course of its business, including the records of the Members and the Owners of the Shares, books of account and records of Company proceedings, may be kept on, or be in the form of, computer disks, hard drives, magnetic tape, photographs, micrographics or any other information storage device; provided, that the books and records so maintained are convertible into clearly legible written form within a reasonable period of time. The books and records of the Company shall be maintained, for financial reporting purposes, as determined by the Board.

(b) [To the fullest extent permitted under Applicable Law, the Owners and Members hereby waive any right to obtain any information (including books, records and other documents) from the Company and, pursuant to Section 18-305(g) of the Act, the Owners and Members shall only have such rights to obtain information relating to the Company (including books, records and other documents) as expressly provided in this Section 11.1(b)).]

(c) Financial Information. Notwithstanding Section 11.1(b), Members and Owners (in each case other than Competitors) shall have access to, or be provided with, the following; provided, that (A) prior to the receipt by any Member or Owner of any of the documents set forth in clauses (i) and (ii) below or access to the call described in clause (iii) below, such Member or Owner shall have delivered to the Company (x) a customary non-disclosure agreement (which may be on a "click-through" basis) in a form reasonably acceptable to the Board and (y) a Joinder or other acknowledgement in writing (which may, at the Company's election, be on a "click-through" basis) that such Member or Owner has received a copy of this Agreement and acknowledges that it is bound by the terms and conditions of this Agreement (including among others all applicable restrictions on Transfers and the provisions of Article VII, Article VIII, Article IX, Section 11.1(e), and Section 11.2) as an "Owner" and (B) the documents set forth in clauses (i) and (ii) below may be provided pursuant to the Datasite):

(i) [within [90] days after the end of each Fiscal Year, commencing with the fiscal year ending December 31, [2023], (A) a copy of the audited consolidated balance sheet of the Company and its consolidated Subsidiaries as at the end of such year and the related audited consolidated statements of income and of cash flows for such year, in each case, in accordance with GAAP, and (B) a management's discussion and analysis of the material operational and financial developments during such Fiscal Year;

(ii) within 45 days [(or 75 days, in the case of the fiscal quarter of the Company ending June 30, 2023)] after the end of each of the first three quarterly periods of each Fiscal Year of the Company, commencing with the fiscal quarter ending [●], [2023], (A) the unaudited consolidated balance sheet of the Company and its consolidated Subsidiaries as at the end of such quarter and the related unaudited consolidated statements of income and of cash flows for such quarter and the portion of the fiscal year through the end of such quarter, in each case in accordance with GAAP (subject to normal year-end audit adjustments and the lack of complete footnotes) and (B) a management's discussion and analysis of the material operational and financial developments during such fiscal quarter][9]; and

(iii) a quarterly "earnings call" which shall take place as promptly as reasonably practicable after the distribution of the financial statements for the applicable quarter, which shall include a reasonable opportunity for questions from Owners; provided, that the Company shall provide the date and dial-in information for such call and post such information to the Datasite at least three (3) days prior to such call.

(d) The Company shall satisfy its obligations under Section 11.1(c)(i) and Section 11.1(c)(ii) by providing each Owner access to a confidential website such as Intralinks or Epiq and timely posting such information on such website (the "**Datasite**"), which Datasite will be accessible as promptly as practicable following the Effective Date.

(e) Information to Prospective Purchasers. A Member or Owner (including a Tag-Along Seller or a Dragging Seller) may provide the information provided pursuant to Section 11.1(c)(i) and Section 11.1(c)(ii) or any other Confidential Information to any *bona fide* prospective transferees (other than Competitors (except in the case of a Drag-Along Sale)) as

[9] To be conformed to any changes to equivalent Credit Agreement provisions.

follows: the Member or Owner will give notice to the Company of the proposed transferees and the Company will then send to the prospective purchaser by e-mail or other electronic communication a link to a website or other portal from which the applicable information and a copy of this Agreement may be accessed subject to (i) the execution by the prospective purchaser and the Company of a customary non-disclosure agreement in favor of the Company in a form reasonably acceptable to the Board (which may, at the Company's election, be on a "click-through" basis) and (ii) an acknowledgement in writing (which may, at the Company's election, be on a "click-through" basis) from such prospective purchaser that such prospective purchaser has received a copy of this Agreement and acknowledges that such prospective purchaser will be bound by the terms and conditions of this Agreement (including among others all applicable restrictions on Transfers and the provisions of Article VII, Article VIII, Article IX, Section 11.1(e), and Section 11.2) as an "Owner" if such prospective purchaser acquires any Shares whether or not it executes a Joinder.

(f) The Board may authorize the Company to make such information available as the Board approves to one or more Owners or Members and Related Persons as determined by the Board, and the fact that information was not provided to any such Owner or Member and Related Persons will not entitle the other Owners or Members to the same information.

(g) Upon the request of any Key Owner Committee Member or Designating Key Owner from time to time, the Company shall make available in the Datasite all information that would constitute material non-public information that has been provided by the Company to such Key Owner Committee Member or Designating Key Owner or their respective Representatives and that is not otherwise in the Datasite or publicly available.

Section 11.2 *Confidentiality*.

(a) *General*. Except as permitted pursuant to a written consent provided by the Company, each Owner, Member and their respective Affiliates shall, during the term of this Agreement and for eighteen (18) months thereafter, keep the Confidential Information confidential and use the Confidential Information only in connection with the transactions contemplated by this Agreement, its investment in the Company, and exercising and enforcing its rights under this Agreement; provided that nothing herein shall prevent any Owner, Member or their respective Affiliates from disclosing Confidential Information:

(i) to the extent required or requested by any order of any court or administrative agency, or as may be required by Applicable Law in response to any summons or subpoena or in connection with any litigation;

(ii) to the extent required by Applicable Law or by the regulations, rules or policies of any applicable regulatory or self-regulatory body;

(iii) to the extent necessary in connection with the exercise of any remedy hereunder or as may be necessary in a claim in aid of arbitration, or to obtain urgent measures or protection, or for enforcement of an arbitral award;

(iv) to such Owner's or Member's (or its Related Persons') Representatives that need to know such information and whom such Owner, Member or Related Person, as applicable, shall instruct to observe the terms of this Section 11.2;

(v) as may be required in connection with an audit by any taxing authority;

(vi) in accordance with Section 11.1(e); and

(vii) to the extent required to be included in tax returns or financial statements (including footnotes thereto) or other required governmental filings or provided in connection with general examinations of such Person not specifically related to the ownership of Shares.

provided that, in the case of sub-sections (i), (ii) and (v), such Owner or Member shall (with any costs and expenses related thereto to be the sole responsibility of the Company) (A) notify the Company of the proposed disclosure as far in advance of such disclosure as reasonably practicable to the extent legally permissible, (B) use commercially reasonable efforts to ensure that any information so disclosed is accorded confidential treatment when and if available, (C) limit the disclosure to that required by law and, to the extent permitted under Applicable Law, ensure that the name, address and all other identifying information of the other Owners and Members and their respective Affiliates shall first be redacted, removed or omitted as appropriate, (D) to the extent practicable, take into account the comments of the Company in respect of such disclosure, (E) reasonably cooperate with the Company in protecting against disclosure, and (F) take reasonable efforts to obtain assurances that confidential treatment will be accorded to the disclosed Confidential Information; and provided, further, that notwithstanding anything to the contrary in this Agreement, each Owner and each Member (and any employee, representative, or other agent of such Owner or Member) may disclose to any and all Persons, without limitation of any kind, information regarding the U.S. federal tax treatment and tax structure of the transactions contemplated by this Agreement; provided, however, that information regarding the U.S. federal tax treatment and tax structure of the transactions contemplated by this Agreement shall not include the name, address or other identifying information of the other Owners and Members and their respective Affiliates.

(b) *Press Release; Communications*. Any general notices, releases, statements or communications to the general public or the press relating to this Agreement and/or any related documents and/or, to the extent related thereto, the Members and Owners and/or their Affiliates, and/or the transactions contemplated by any of the foregoing and/or the business or management of the Company, shall be made only at such times and in such manner as determined by the Board; provided that an Owner or Member may disclose to third parties that it is a Member or Owner of the Company.

ARTICLE XII
DURATION AND TERMINATION OF COMPANY

Section 12.1 *Events Causing Dissolution and Winding Up*. The Company shall be dissolved only upon the occurrence of any of the following events ("**Dissolution Event**"):

(a) an election to dissolve the Company by the Board that is approved by the affirmative vote of a majority of the votes cast on the matter by the Members;

(b) the final decree of judicial dissolution of the Company under Section 18-802 of the Act; and

(c) the Company ceasing to have any Members, unless a Person is admitted as a Member to the Company and the Company is continued without dissolution in accordance with the Act.

The bankruptcy, insolvency or dissolution of an Owner or Member, as applicable, shall not, in and of itself, cause the Owner or Member, as applicable, to cease to be an Owner or Member, as applicable, of the Company and, upon the occurrence of such an event, the business of the Company shall continue without dissolution.

Section 12.2 *Liquidation and Winding Up*. Upon the occurrence of a Dissolution Event, the Company shall be liquidated and the Board (or other Person designated by the Board or a decree of court) shall wind up the affairs of the Company. In such case, the Board (or such other Person designated by the Board or a decree of court) shall have the authority, in its sole and absolute discretion, to sell the Company's assets and properties or distribute them in kind. The Board or other Person winding up the affairs of the Company shall promptly proceed to the liquidation of the Company. In proceeding with the winding-up process, it is the Members' and Owners' objective that the winding-up process for the Company shall be completed within three years following the sale of the Company's last asset (assuming that the Company and its Subsidiaries are not then parties to any outstanding litigation which has not been resolved). In a liquidation, the assets and property of the Company shall be distributed in the following order of priority:

(a) to creditors of the Company, including Members and Owners who are creditors, to the extent otherwise permitted by Applicable Law, in satisfaction of the liabilities of the Company (whether by payment or the making of reasonable provision for payment thereof); and

(b) the balance, if any, to each Member on a *pro rata basis* among Members (based on Shares held directly), subject to the preferential or other rights of any Members of other Equity Securities then outstanding.

Section 12.3 *Certificate of Formation*. Upon the completion of the winding up of the Company, including the distribution of Company cash and property as provided in Section 12.2 in connection with the liquidation of the Company, the Certificate of Formation and all qualifications of the Company as a foreign limited liability company in jurisdictions other than the State of Delaware shall be canceled and such other actions as may be necessary to terminate the Company's existence shall be taken by the Board or such other Person winding up the affairs of the Company.

Section 12.4 *Waiver of Partition*. To the maximum extent permitted by Applicable Law, each Owner and Member hereby waives any right to partition of the Company property.

Section 12.5 *Termination of the Agreement* . All provisions of this Agreement shall terminate upon the earlier to occur of (i) termination of the Company in accordance with Applicable Law or (ii) the consummation of an IPO of the Company (or its successor entity pursuant to Section 7.1), except as expressly provided otherwise herein (including in Section 7.2, Section 7.3, Section 10.3(d), and Section 11.2) and no termination will relieve any Party of any liability or any breach prior to termination.

ARTICLE XIII
GENERAL

Section 13.1 *Choice of Law*. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, without giving effect to conflicts of law principles of such State.

Section 13.2 *Forum, Venue and Jurisdiction*.

(a) Except as otherwise set forth in Section 6.8, each Member and each Owner:

(i) irrevocably agrees that, unless the Company (through the approval of the Board) consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for any claims, suits, actions or proceedings (A) arising out of or relating in any way to this Agreement (including any claims, suits or actions to interpret, apply or enforce the provisions of this Agreement or the duties, obligations or liabilities among Members or Owners or of Members or Owners to the Company, or the rights or powers of, or restrictions on, the Owners, Members or the Company), (B) brought in a derivative manner on behalf of the Company, (C) asserting a claim of breach of a duty owed by any Manager, officer or other employee of the Company or any Covered Person, (D) asserting a claim arising pursuant to any provision of the Act or (E) asserting a claim governed by the internal affairs doctrine, in each case regardless of whether such claims, suits, actions or proceedings sound in contract, tort, fraud or otherwise, are based on common law, statutory, equitable, legal or other grounds, or are derivative or direct claims; provided, that if and only if the Court of Chancery of the State of Delaware dismisses any such claims, suits, actions or proceedings for lack of subject matter jurisdiction, such claims, suits, actions or proceedings may be brought in another state or federal court sitting in the State of Delaware;

(ii) irrevocably submits, unless the Company (through the approval of the Board) consents in writing to the selection of an alternative forum, to the exclusive jurisdiction of the Court of Chancery of the State of Delaware in connection with any such claim, suit, action or proceeding; provided, that if and only if the Court of Chancery of the State of Delaware dismisses any such claims, suits, actions or proceedings for lack of subject matter jurisdiction, it irrevocably submits to the exclusive jurisdiction of any state or federal court sitting in the State of Delaware;

(iii) irrevocably agrees not to, and irrevocably waives any right to, assert in any such claim, suit, action or proceeding that it is not personally subject to the jurisdiction of the Court of Chancery of the State of Delaware (unless the Company (through the

approval of the Board) consents in writing to the selection of an alternative forum) or of any other court to which proceedings in the Court of Chancery of the State of Delaware may be appealed (unless the Company (through the approval of the Board) consents in writing to the selection of an alternative forum); provided, that if and only if the Court of Chancery of the State of Delaware dismisses any such claims, suits, actions or proceedings for lack of subject matter jurisdiction, then it irrevocably agrees not to, and irrevocably waives any right to, assert in any such claim, suit, action or proceeding that (A) it is not personally subject to the jurisdiction of any state or federal court sitting in the State of Delaware, (B) such claim, suit, action or proceeding is brought in an inconvenient forum, or (C) the venue of such claim, suit, action or proceeding is improper; and

(iv) consents to process being served in any such claim, suit, action or proceeding by mailing, certified mail, return receipt requested, a copy thereof to such party at the address in effect for notices hereunder, and agrees that such services shall constitute good and sufficient service of process and notice thereof; provided, that nothing in this Section 13.2 shall affect or limit any right to serve process in any other manner permitted by Applicable Law.

(b) *Specific Enforcement.* Each party acknowledges that the remedies at law of the other parties for a breach or threatened breach of this Agreement may be inadequate and, in recognition of this fact, any party, without posting any bond, and in addition to all other remedies that may be available, shall be entitled to seek equitable relief in the form of specific performance, a temporary restraining order, a temporary or permanent injunction or any other equitable remedy that may then be available.

(c) *Waiver of Jury Trial*. TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY IRREVOCABLY WAIVE ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

Section 13.3 *Notices*. Any notice, demand, request, report, information or document (each, a "**Notice**") required or permitted to be given or made to a Member or Owner under this Agreement shall be in writing and shall be deemed given or made when delivered in person or when sent by first class United States mail or by other means of written communication to the Member or Owner at the address set forth in the Company records or to Cede & Co. at the address set forth in its signature page to this Agreement, as applicable (provided that if a Notice is delivered to Cede & Co., the Company shall post a copy of such Notice to the Datasite on the same day as delivery to Cede & Co.). Any Notice or payment shall be deemed conclusively to have been given or made to the Member or Owner, and any obligation to give such Notice or to make such payment shall be deemed conclusively to have been fully satisfied, upon sending of such Notice or payment to the Member or Owner of such Shares at its address as shown on the records of the Company or to Cede & Co. (provided that if a Notice is delivered to Cede & Co., the Company shall post a copy of such Notice to the Datasite on the same day as delivery to Cede & Co.) at the address set forth in its signature page to this Agreement (or, in the case of access via the Internet as set forth in the following sentence, upon sending the e-mail set forth in the following sentence), regardless of any claim of any Person who may have an interest in such Shares by reason of any assignment or otherwise. Notwithstanding the foregoing, any such

Notice shall be deemed given or made if it is made available via the Datasite (including if access is available only by the Member or Owner agreeing to a customary non-disclosure agreement on a "click-through" basis) and e-mail notice of such availability is sent to the Member or Owner at the e-mail address set forth in the Company records. An affidavit or certificate of making or giving of any Notice or payment in accordance with the provisions of this Section 13.3 executed by the Company, a Manager or the mailing organization shall be *prima facie* evidence of the giving or making of such Notice or payment. If any Notice or payment addressed to a Member or Owner at the address appearing on the books and records of the Company is returned by the United States Postal Service marked to indicate that the United States Postal Service is unable to deliver it, such Notice or payment and any subsequent Notice or payment shall be deemed to have been duly given or made without further mailing (until such time as such Member or Owner, or another Person notifies the Company of a change in the address of such Member or Owner) if they are available for the Members or Owners at the principal office of the Company for a period of one year from the date of the giving or making of such Notice or payment to the other Members and Owners. If the e-mail notice of access via the Datasite is properly sent in accordance with the sentence two sentences above and the e-mail is not received (and regardless of whether a "bounce back" message is received), such Notice and any subsequent Notices shall be deemed to have been duly given or made without further e-mailing (until such time as such Member, Owner or another Person notifies the Company of a change in the e mail address of such Member or Owner.) if they are available for the Members and Owners at the principal office of the Company for a period of one year from the date of the giving or making of such Notice to the other Members and Owners.

Any notice to the Company shall be deemed given if received by the Company at the principal office of the Company designated pursuant to Section 2.5. The Board may rely on and shall be protected in relying on any notice or other document from a Member, Owner or other Person if believed by it to be genuine. The terms "in writing," "written communications," "written notice" and words of similar import shall be deemed satisfied under this Agreement by use of e-mail and other forms of electronic communication. Notwithstanding the foregoing, if the Shares are issued through DTC, such Notices will also be given or made concurrently to the indirect holders of such Shares through the Datasite.

Section 13.4 *Further Action*. The parties shall execute and deliver all documents, provide all information and take or refrain from taking action as may be necessary or appropriate to achieve the purposes of this Agreement.

Section 13.5 *Amendment; Waiver*.

(a) Except as otherwise specifically provided herein, this Agreement may be amended, restated or modified from time to time only with the prior written consent of the Company and Owners holding not less than a majority of the Shares then outstanding; provided, that (i) any amendment, restatement or modification to any of Section 3.4 (Preemptive Rights), Article IX (Transfers) Section 11.1(c) (Financial Information), Section 11.1(e) (Information to Prospective Purchasers) or to any of the defined terms in Section 1.1 (Definitions) that are defined or used in any of the foregoing Sections to the extent used in any of the foregoing Sections, shall require the consent of the Company and Owners holding not less than two-thirds of the Shares then outstanding; (ii) any amendment, restatement or modification of this

Agreement that adversely affects the rights of any Key Owner Committee Member (prior to the Key Owner Committee Termination Date) or Designating Key Owner (prior to the Designating Key Owner Termination Date) shall require the prior written consent of such Key Owner Committee Member or Designating Key Owner, as applicable, (iii) any amendment, restatement or modification that materially and adversely affects a particular Owner (in its capacity as an owner of Shares) (a "**Disproportionately Affected Owner**") in a manner disproportionate to the manner in which it affects other Owners (in their capacities as owners of Shares) shall also require the prior written consent of such Disproportionately Affected Owner (provided that if any amendment, restatement or modification materially and adversely affects a group of Disproportionately Affected Owners in a similar manner, such amendment, restatement or modification shall for purposes of this clause (iii) require only the prior written consent of Disproportionately Affected Owners holding not less than two-thirds of the Shares held by such Disproportionately Affected Owners), (iv) any amendment, restatement or modification of any clause of this Section 13.5, or any other provision of the Agreement, that provides for the approval of a given Owner or group of Owners or approval by at least a specified percentage of Shares held by Owners shall also require approval of that Owner or group of Owners or at least that specified percentage of Shares held by Owners, as applicable.

(b) Unless expressly set forth herein, no provision of this Agreement may be waived except pursuant to a written instrument signed by the party or parties hereto against whom enforcement of such waiver is sought. The waiver by any party of any provision of this Agreement is effective only in the instance and only for the purpose that it is given and does not operate and is not to be construed as a further or continuing waiver of such provision or as a waiver of any other provision. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute a waiver of any such breach or any other covenant, duty, agreement or condition.

Section 13.6 *Headings*. The headings of the articles, sections and subsections of this Agreement are inserted for convenience of reference only and shall not be deemed to constitute a part hereof or affect the interpretation hereof.

Section 13.7 *Counterparts*. This Agreement may be executed in several counterparts, each of which be deemed an original but all of which shall constitute one and the same instrument. An electronic PDF or electronic signature of an executed counterpart of this Agreement shall be deemed an original. For the avoidance of doubt, a Person's execution and delivery of this Agreement by electronic signature and electronic transmission, including via DocuSign or other similar method, shall constitute the execution and delivery of a counterpart of this Agreement by or on behalf of such Person and shall bind such Person to the terms of this Agreement. This Agreement and any additional information incidental hereto may be maintained as electronic records. At the request of any party, each other party will re-execute original forms thereof and deliver them to the requesting party. No party will raise the use of a facsimile machine or other electronic transmission as a defense to the formation or enforceability of a contract and each party forever waives any such defense.

Section 13.8 *Severability*. Every term and provision of this Agreement is intended to be severable. If any term or provision hereof is held to be illegal, invalid or unenforceable for

any reason whatsoever, such term or provision will be enforced to the maximum extent permitted by Applicable Law and, in any event, such illegality, invalidity or unenforceability shall not affect the legality, validity or enforceability of the remainder of this Agreement, provided, however, that the Owners and Members shall negotiate in good faith to amend this Agreement to modify any such illegal, invalid or unenforceable provision in order to carry out the Owners' and Members' intent and agreement as embodied herein to the maximum extent permitted by law.

Section 13.9 *Binding Agreement; No Third Party Beneficiaries*. This Agreement shall be binding upon and inure solely to the benefit of the parties hereto and their permitted assigns and successors and nothing herein, express or implied, is intended to or shall confer upon any other Person, any legal or equitable right, benefit or remedy of any nature whatsoever under or by reason of this Agreement (other than pursuant to Section 6.8 and Article X hereof).

Section 13.10 *Assignment*. Except as specifically provided herein, no party under this Agreement may assign its rights and obligations hereunder without the prior written consent of the Board; provided, however that upon a Transfer by a Member or Owner of its ownership of Shares in compliance with this Agreement, its rights and obligations under this Agreement to the extent related to such Shares will be assigned to and assumed by the transferee but no such assignment and assumption will release any transferor or Member or Owner of any liability for any prior breach of the Agreement or of its obligations under Section 13.3.

Section 13.11 *Reliance by Third Parties*. Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Company shall be entitled to assume that the Board and any officer authorized by the Board to act on behalf of and in the name of the Company has full power and authority to encumber, sell or otherwise use in any manner any and all assets of the Company and to enter into any authorized contracts on behalf of the Company, and such Person shall be entitled to deal with the Board or any officer as if it were the Company's sole party in interest, both legally and beneficially. In no event shall any Person dealing with the Board or any officer or their respective representatives be obligated to ascertain that the terms of this Agreement have been complied with or to inquire into the necessity or expediency of any act or action of the Board or any officer or their respective representatives. Each and every certificate, document or other instrument executed on behalf of the Company by the Board or any officer or their respective representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (a) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full force and effect, (b) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Company and (c) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Company.

Section 13.12 *No Partition*. Except as otherwise expressly provided in this Agreement, each of the Owners and Members in such capacity hereby irrevocably waives any right or power that such Owners or Members might have to cause the Company or any of its assets to be partitioned, to cause the appointment of a receiver for all or any portion of the assets of the Company, to compel any sale of all or any portion of the assets of the Company pursuant to any Applicable Law, or to file a complaint or to institute any proceeding at law or in equity to cause the dissolution, liquidation or termination of the Company. Each of the Owners and Members

has been induced to enter into this Agreement in reliance upon the waivers set forth in this Section 13.12, and without such waivers, no Owner or Member would have entered into this Agreement. No Owner or Member shall have any interest in any specific assets of the Company.

Section 13.13 *Non-Recourse*. Notwithstanding anything to the contrary contained in this Agreement, recourse for the payment or performance of the obligations of any Member or Owner under the terms of this Agreement shall be limited solely to the Member or Owner and no direct or indirect member, partner, shareholder, principal, officer, Manager, employee or affiliate of a Member or Owner shall have any personal liability for the payment or performance of any obligations under this Agreement.

(e) The Proponents shall provide any other information reasonably requested by the Company within ten (10) Business Days after receipt of such request.

(f) In addition, the Proponent shall affirm as true and correct the information provided to the Company in the Notice of Business or at the Company's request pursuant to Section 2.2(e) (and shall update or supplement such information as needed so that such information shall be true and correct) as of (i) the record date for the meeting, (ii) the date that is ten (10) calendar days before the first anniversary date of the Company's proxy statement and/or notice of annual meeting distributed to Owners in connection with the previous year's annual meeting and (iii) the date that is ten (10) Business Days before the later of the annual meeting or any adjournment or postponement thereof. Such affirmation, update and/or supplement must be delivered personally or mailed to, the Office of the Company, addressed to the Secretary of the Company, by no later than (x) five (5) Business Days after the applicable date specified in clause (i) or (ii) of the foregoing sentence (in the case of the affirmation, update and/or supplement required to be made as of those dates), and (y) not later than seven Business Days before the date

for the annual meeting (in the case of the affirmation, update and/or supplement required to be made as of ten (10) Business Days before the annual meeting or any adjournment or postponement thereof).

(g) The person presiding over the meeting shall, acting in good faith, have the power, with respect to any Owner Business attempted to be introduced at a meeting by resolution or proposal made by an Owner, to determine and declare at the meeting, that such business was not properly brought before the meeting in accordance with the procedures set forth in this Section 2.2, and, if such Owner Business was not properly brought in accordance with such procedures, to exclude the consideration of any such business at the meeting.

(h) If the Proponent (or a qualified representative of the Proponent) does not appear at the meeting of Owners to present the Owner Business, then such business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Company. For purposes of this Section 2.2, to be considered a qualified representative of the Owner, a person must be a duly authorized officer, manager or partner of such Owner or must be authorized by a writing executed by such Owner or an electronic transmission delivered by such Owner to act for such Owner as proxy at the meeting of Owners and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of Owners.

(i) The notice requirements of this Section 2.2 shall be deemed satisfied with respect to Owner proposals that have been properly brought under Rule 14a-8 of the Exchange Act (as if Rule 14a-8 were applicable to the Company) and that are included in a proxy statement that has been prepared by the Company to solicit proxies for such annual meeting.

2.3 Special Meetings. Special meetings of Owners, for any purpose or purposes, unless otherwise prescribed by Applicable Law, may be called at any time upon no less than 10 days and no more than 90 days prior notice (which notice will be posted to the Datasite) by the Board or by Owners holding a majority of the Shares (who shall demand such special meeting by written notice given to the [President] [CEO] or Chairman specifying the purpose or purposes of such meeting), and may not be called by any other person or persons. Business transacted at any special meeting of Owners shall be limited to the purposes stated in the notice of such meeting (which purposes shall, in the case of a special meeting called by holders of Shares in accordance with the prior sentence, be limited to the purposes set forth in their written notice and, for the avoidance of doubt, such holders need not comply with Sections 2.2(c)–2.2(h)) in connection therewith.

2.4 Record Date.

(a) For the purpose of determining the Owners entitled to notice of any meeting (including a special meeting) of Owners or any adjournment thereof, unless otherwise required by Applicable Law or the Agreement, the Board may fix a record date

(the "Notice Record Date"), which record date shall not precede the date on which the resolution fixing the record date was adopted by the Board and shall not be more than ninety (90) or less than ten (10) days before the date of such meeting. The Notice Record Date shall also be the record date for determining the Owners entitled to vote at such meeting unless the Board determines, at the time it fixes such Notice Record Date, that a later date on or before the date of the meeting shall be the date for making such determination (the "Voting Record Date"). For the purposes of determining the Owners entitled to receive payment of any dividend or other distribution or allotment of any rights, exercise any rights in respect of any change, conversion or exchange of Shares or other Equity Securities or take any other lawful action, unless otherwise required by the Agreement or by Applicable Law, the Board may fix a record date, which record date shall not precede the date on which the resolution fixing the record date was adopted by the Board and shall not be more than ninety (90) days prior to such action.

(b) If no such record date under Section 2.4(a) is fixed:

(i) The record date for determining Owners entitled to notice of and to vote at a meeting of Owners shall be at the close of business on the day next preceding the day on which notice is given or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held; and

(ii) When a determination of Owners entitled to notice of or to vote at any meeting of Owners has been made as provided in this Section 2.3, such determination shall apply to any adjournment thereof, unless the Board fixes a new Voting Record Date for the adjourned meeting, in which case the Board shall also fix such Voting Record Date or a date earlier than such date as the new Notice Record Date for the adjourned meeting.

2.5 Notice of Meetings of Owners. Whenever Owners are required or permitted to take any action at a meeting under the provisions of Applicable Law, this Annex or the Agreement, notice shall be given stating the place, if any, date and hour of the meeting, the means of remote communication, if any, by which Owners and proxy holders may be deemed to be present in person and vote at such meeting, the Notice Record Date and the Voting Record Date, if such date is different from the Notice Record Date, and the purposes for which the meeting is called. Unless otherwise provided by these By-laws or Applicable Law, notice of any meeting shall be given, not less than ten (10) nor more than ninety (90) days before the date of the meeting, to each Owner entitled to vote at such meeting as of the Notice Record Date. If mailed, such notice shall be deemed to be given when deposited in the U.S. mail, with postage prepaid, directed to the Owner at his or her address as it appears on the records of the Company; provided, that the Company shall post a copy of such notice to the Datasite. An affidavit of the Secretary, an Assistant Secretary or the transfer agent of the Company that the notice required by this Section 2.5 has been given shall, in the absence of fraud, be prima facie evidence of the facts stated therein. If a meeting is adjourned to another time or place, notice need not be given of the adjourned meeting if (x) the time and place thereof are announced at the meeting at which the adjournment is taken and (y) details on such

adjourned meeting are posted to the Datasite. Any business that might have been transacted at the meeting as originally called may be transacted at the adjourned meeting. If, however, the adjournment is for more than thirty (30) days or, if after the adjournment a new Notice Record Date is fixed for the adjourned meeting, a notice of the adjourned meeting shall be given to each Owner entitled to vote at the meeting. If, after the adjournment, a new Voting Record Date is fixed for the adjourned meeting, the Board shall fix a new Notice Record Date in accordance with Section 2.4(b)(ii) hereof and shall give notice of such adjourned meeting to each Owner entitled to vote at such meeting as of the Notice Record Date.

2.6 Waivers of Notice. Whenever the giving of any notice to Owners is required by Applicable Law, the Agreement or this Annex, a written waiver, signed by the Owner entitled to notice, or a waiver by electronic transmission by such Owner, whether before or after the event as to which such notice is required, shall be deemed equivalent to notice. Attendance by an Owner at a meeting shall constitute a waiver of notice of such meeting except when the Owner attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business on the ground that the meeting has not been lawfully called or convened. Neither the business to be transacted at, nor the purposes of, any regular or special meeting of the Owners need be specified in any waiver of notice.

2.7 Quorum of Owners; Adjournment. Except as otherwise provided by the Agreement or this Annex, at each meeting of Owners, the presence in person or represented by proxy of the holders of a majority of the voting power of all outstanding Shares entitled to vote at the meeting of Owners shall constitute a quorum for the transaction of any business at such meeting. In the absence of a quorum, the holders of a majority of the voting power of the Shares present in person or represented by proxy at any meeting of Owners, including an adjourned meeting, or the person presiding over the meeting may adjourn such meeting to another time and place. Shares of the Company belonging to the Company or to another Person, if a majority of the Shares entitled to vote in the election of Managers of such other Person is held, directly or indirectly, by the Company, shall neither be entitled to vote nor be counted for quorum purposes; provided, however, that the foregoing shall not limit the right of the Company to vote Shares held by it in a fiduciary capacity.

2.8 Voting; Proxies. Except as may otherwise be provided in the Agreement, this Annex or by Applicable Law, each holder of Shares, as such, shall be entitled to one vote for each Share held by such holder on all matters on which Owners generally are entitled to vote. At any meeting of Owners, all matters other than the election of Managers (which shall be governed by Article III), except as otherwise provided by the Agreement or this Annex or any Applicable Law, shall be decided by the affirmative vote of a majority of the voting power of Shares present in person or represented by proxy and entitled to vote thereon. Each Owner entitled to vote at a meeting may authorize another person or persons to act for such Owner by proxy, but no such proxy shall be voted or acted upon after three years from its date, unless the proxy

provides for a longer period. A proxy shall be irrevocable if it states that it is irrevocable and if, and only so long as, it is coupled with an interest sufficient in law to support an irrevocable power. An Owner may revoke any proxy that is not irrevocable by attending the meeting and voting in person or by delivering to the Secretary a revocation of the proxy or by delivering a new duly authorized proxy bearing a later date. Except as specifically contemplated by this Annex or by the Agreement, all Owners shall be treated in a *pari passu* fashion

2.9 Voting Procedures and Inspectors at Meetings of Owners. The Board, in advance of any meeting of Owners, shall appoint one or more inspectors, who may be employees of the Company, to act at the meeting and make a written report thereof. The Board may designate one or more persons as alternate inspectors to replace any inspector who fails to act. If no inspector or alternate is able to act at a meeting, the person presiding at the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath faithfully to execute the duties of inspector with strict impartiality and according to the best of his or her ability. The inspectors shall (a) ascertain the number of Shares outstanding and the voting power of each, (b) determine the Shares represented at the meeting and the validity of proxies and ballots, (c) count all votes and ballots, (d) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors and (e) certify their determination of the number of Shares represented at the meeting and their count of all votes and ballots. The inspectors may appoint or retain other persons or entities to assist the inspectors in the performance of their duties. Unless otherwise provided by the Board, the date and time of the opening and the closing of the polls for each matter upon which the Owners will vote at a meeting shall be determined by the person presiding at the meeting and shall be announced at the meeting. No ballot, proxies, votes or any revocation thereof or change thereto, shall be accepted by the inspectors after the closing of the polls unless the Court of Chancery of the State of Delaware upon application by an Owner shall determine otherwise. In determining the validity and counting of proxies and ballots cast at any meeting of Owners, the inspectors may consider such information as is permitted by Applicable Law. No person who is a candidate for office at an election may serve as an inspector at such election.

2.10 Conduct of Meetings. The Board may adopt such rules and procedures for the conduct of Owner meetings as it deems appropriate. At each meeting of Owners, the [President] [CEO] or, in the absence of the [President] [CEO], the Chairman or, if the Chairman is absent, any officer of the Company designated by the Board shall preside over the meeting. Except to the extent inconsistent with the rules and procedures as adopted by the Board, the person presiding over the meeting of Owners shall have the right and authority to convene, adjourn and reconvene the meeting from time to time, to prescribe such additional rules and procedures and to do all such acts as, in the judgment of such person, are appropriate for the proper conduct of the meeting. Such rules and procedures, whether adopted by the Board or prescribed by the person presiding over the meeting, may include, (a) the establishment of an agenda or order of

business for the meeting, (b) rules and procedures for maintaining order at the meeting and the safety of those present, (c) limitations on attendance at or participation in the meeting to Owners of the Company, their duly authorized and constituted proxies and such other persons as the person presiding over the meeting shall determine, (d) restrictions on entry to the meeting after the time fixed for the commencement thereof and (e) limitations on the time allotted to questions or comments by participants. The order of business at all meetings of Owners shall be as determined by the person presiding over the meeting. The person presiding over any meeting of Owners, in addition to making any other determinations that may be appropriate to the conduct of the meeting, may in good faith determine and declare to the meeting that a matter or business was not properly brought before the meeting and if such presiding person should so determine in good faith at the advice of counsel (which may be internal counsel), he or she shall so declare to the meeting and any such matter or business not properly brought before the meeting shall not be transacted or considered. Unless and to the extent determined by the Board or the person presiding over the meeting, meetings of Owners shall not be required to be held in accordance with the rules of parliamentary procedure. The Secretary or, in his or her absence, one of the Assistant Secretaries, shall act as secretary of the meeting. (i) the Owner Information with respect to each Nominating Owner and Owner Associated Person (except that references to the "Proponent" in Section 2.2(d)(i)to Section 2.2(d)(iii) shall instead refer to the "Nominating Owner" for purposes of this Section 3.1(e)(i));

(ii) a representation that each Owner nominating an Owner Nominee is a holder of Shares entitled to vote at the meeting and intends to appear in person or by proxy at the meeting to propose such nomination;

(v) a representation as to whether the Nominating Owners intends (A) to deliver a proxy statement and form of proxy to holders of at least the percentage of the Company's outstanding Shares required to approve the nomination or (B) otherwise to solicit proxies from Owners in support of such nomination;

(vii) a representation that the Nominating Owners shall provide any other information reasonably requested by the Company.

(f) The Nominating Owners shall also provide any other information reasonably requested by the Company within ten (10) Business Days after such request.

(g) In addition, the Nominating Owner shall affirm as true and correct the information provided to the Company in the Notice of Nomination or at the Company's request pursuant to Section 3.1(f) (and shall update or supplement such information as needed so that such information shall be true and correct) as of (i) the record date for the meeting, (ii) the date that is ten (10) calendar days before the first anniversary date of the Company's proxy statement released to Owners in connection with the previous year's annual meeting (in the case of an annual meeting) or fifty (50) days before the date of the meeting (in the case of a special meeting) and (iii) the date that is ten (10) Business Days before the date of the meeting or any adjournment or postponement thereof. (i) If the Owner (or a qualified representative of the Owner) does not appear at the applicable Owner meeting to nominate the Owner Nominees, such nomination shall be disregarded and such business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by the Company. For purposes of this Section 3.1, to be considered a qualified representative of the Owner, a person must be a duly authorized officer, manager or partner of such Owner or must be authorized by a writing executed by such Owner or an electronic transmission delivered by such Owner to act for such Owner as proxy at the meeting of Owners and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of Owners.

(j) Nothing in this Section 3.1 shall be deemed to affect the Manager appointment rights of the Key Owner Committee Members or the Designating Key Owners as set forth in the Agreement (and in the case of the exercise of such designation rights compliance with this Section 3.1 shall not be required). For the avoidance of doubt, Managers appointed by the Key Owner Committee Members prior to the Key Owner Committee Termination Date or the Designating Key Owners prior to the Designating Key Owner Termination Date pursuant to the Agreement shall not be considered "Owner Nominees".

A Manager so elected shall be elected to hold office until the earlier of the expiration of the term of office of the Manager whom he or she has replaced, a successor is elected and qualified or the Manager's death, resignation, disqualification or removal. 3.4 Term and Election of Managers. Each Manager shall hold office until a successor is duly elected (or appointed, as applicable) or until the Manager's earlier death, resignation, disqualification or removal. Except as provided in the Agreement (including with respect to Committee Designated Managers and Key Owner Designated Managers), and subject to Section 3.3 with respect to the filling of vacancies, each Manager shall be elected by the vote of a plurality of the votes cast with respect to the Managers at any meeting for the election of Managers at which a quorum is present.

3.5 Removal. Any Manager (other than any Committee Designated Manager or Key Owner Designated Manager) may be removed, with or without cause, by the affirmative vote of Owners holding of [a majority of the Shares outstanding].

3.6 Certain Procedures. The Board may adopt such rules and procedures as it deems reasonably appropriate to effectuate and administer the intent of the provisions of this Article III.

(f) The Company shall use commercially reasonable efforts to cause the Initial Shelf Registration Statement to be declared effective by the Commission as promptly as practicable after filing (and, for the avoidance of doubt, shall use commercially reasonable efforts to respond to outstanding comments of the Commission relating to such Shelf Registration Statement as quickly as practicable) and shall use its reasonable best efforts to keep such Initial Shelf Registration Statement continuously effective, and not subject to any stop order, injunction or other similar order or requirement of the Commission, until the earlier of (i) the date the Company (A) is eligible to register the Registrable Securities for resale by Holders on Form S-3 and (B) has filed such Registration Statement with the Commission and which is effective and (ii) the date that all Registrable Securities covered by the Initial Shelf Registration Statement shall cease to be Registrable Securities (such earlier date, the "*Initial Shelf Expiration Date*").

(g) If the Initial Shelf Registration Statement is on Form S-1, then for so long as any Registrable Securities covered by the Initial Shelf Registration Statement remain unsold, the Company will file any supplements to the Prospectus or post-effective amendments required to be filed by applicable law in order to incorporate into such Prospectus any Current Reports on Form 8-K necessary or required to be filed by applicable law (other than any Form 8-K required to be filed under Item 2.02 or 7.01 thereof), any Quarterly Reports on Form 10-Q or any Annual Reports on Form 10-K filed by the Company with the Commission, or any other information necessary so that (i) the Initial Shelf Registration Statement shall not include any untrue statement of material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading (or in the case of any prospectus, in light of the circumstances such statements were made), and (ii) the Company complies with its obligations under Item 512(a)(1) of Regulation S-K; *provided*, *however*, that these obligations remain subject to the Company's rights under Section 7 of this Agreement.

(h) Upon the demand of one or more Holders, the Company shall facilitate a "takedown" of Registrable Securities in the form of an Underwritten Offering (each, an *"Underwritten Takedown"*), in the manner and subject to the conditions described in Section 6 of this Agreement, *provided* that (x) (i) the number of securities included in such "takedown" shall equal at least twenty-five percent (25%) of all Registrable Securities at such time and (ii) the Registrable Securities requested to be sold by the

Holders in such "takedown" shall have an anticipated aggregate gross offering price (before deducting underwriting discounts and commission) of at least $50 million; or (y) the number of securities included in such "takedown" represent all of the Registrable Securities outstanding at the time of such "takedown."

(i) In the event that the Company elects to effect an underwritten registered offering or a direct listing of equity securities of any subsidiary, parent or other successor entity of the Company, or to effect, directly or indirectly, a merger, capital stock exchange, asset acquisition, asset sale, stock purchase, reorganization, redomestication or other transaction, with or into a special purpose acquisition company, "blank-check" company, holding company or other Person (each of the foregoing, an "*Alternative IPO Entity*" and collectively, "*Alternative IPO Entities*"), rather than receiving registration rights with respect to Reorganized Revlon Common Shares, the parties shall cause the Alternative IPO Entity to enter into an agreement with the Holders that provides the Holders with registration rights with respect to equity securities of the Alternative IPO Entity (whether common stock, ordinary shares or similar, in which event references to "*Reorganized Revlon Common Shares*" will be read *mutatis mutandis* as such securities) that such Holders beneficially own that are substantially the same as, and in any event no less favorable in the aggregate to, the registration rights provided in this Agreement.

(j) Other than any Holder that indicates to the Company in writing that it does not wish to be named as a "selling stockholder" in such Initial Shelf Registration Statement, each Holder agrees to furnish to the Company a completed questionnaire in the form attached hereto as Exhibit B (a "*Selling Stockholder Questionnaire*") in accordance with the final paragraph of Section 9, including, for the avoidance of doubt, the number of Registrable Securities that it wishes to include for registration on such Initial Shelf Registration Statement (any holder that returns such Selling Stockholder Questionnaire in accordance with Section 9, a "*Participating Holder*"). At least three (3) Business Days before filing the Initial Shelf Registration Statement, the Company will furnish to each Participating Holder a copy of a draft of the Selling Stockholder and Plan of Distribution sections (with respect to the Plan of Distribution section, only to the extent there have been any material changes to the form thereof attached hereteo as Exhibit A) for review and approval, which approval shall not be unreasonably withheld or delayed, and any objections to such draft disclosures must be lodged within two (2) Business Days of such Participating Holder's receipt thereof.

(k) All Registrable Securities owned or acquired by any Holder or any of its Affiliates or Related Funds shall be aggregated together for the purpose of determining the availability of any right under this Agreement.

3. **Subsequent Shelf Registration Statements**

(a) After (i) the Effective Date of the Initial Shelf Registration Statement and prior to the Initial Shelf Expiration Date and (ii) for so long as any Registrable Securities remain outstanding, the Company shall use commercially reasonable efforts to (A) become eligible and/or maintain its eligibility to register the Registrable Securities on

Form S-3 after the Initial Shelf Expiration Date, and (B) meet the requirements of General Instruction VII of Form S-1 after the Initial Shelf Expiration Date.

(b) After the Initial Shelf Expiration Date and for so long as any Registrable Securities remain outstanding, the Company shall use commercially reasonable efforts to (A) be eligible and/or to maintain its eligibility to register the Registrable Securities on Form S-3, and (B) meet the requirements of General Instruction VII of Form S-1.

(c) After the Initial Shelf Expiration Date and for so long as any Registrable Securities remain outstanding, if there is not an effective Registration Statement which includes the Registrable Securities that are currently outstanding, the Company shall (i) if the Company is eligible to register the Registrable Securities on Form S-3, promptly file a Shelf Registration Statement on Form S-3 and use commercially reasonable efforts to cause such Registration Statement to be declared effective as promptly as practicable or, (ii) if the Company is not eligible at such time to register the Registrable Securities on Form S-3, promptly file a Shelf Registration Statement on Form S-1 and use commercially reasonable efforts to cause such Registration Statement to be declared effective as promptly as practicable.

(d) For so long as any Registrable Securities covered by such Shelf Registration Statement on Form S-1 remain unsold, the Company will file any supplements to the Prospectus or post-effective amendments required to be filed by applicable law in order to incorporate into such Prospectus any Current Reports on Form 8-K necessary or required to be filed by applicable law (other than any Form 8-K required to be filed under Item 2.02 or 7.01 thereof), any Quarterly Reports on Form 10-Q or any Annual Reports on Form 10-K filed by the Company with the Commission, or any other information necessary so that (i) such Shelf Registration Statement shall not include any untrue statement of material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein not misleading (or in the case of any prospectus, in light of the circumstances such statements were made), and (ii) the Company complies with its obligations under Item 512(a)(1) of Regulation S-K; *provided*, *however*, that, in each case, these obligations remain subject to the Company's rights under Section 7 of this Agreement.

4. **[Reserved]**

5. **Demand Registration**

(a) At any time after the completion of an Initial Public Offering, any Holder or group of Holders may request in writing ("*Demand Registration Request*") that the Company effect the registration of all or part of such Holder's or Holders' Registrable Securities with the Commission under and in accordance with the provisions of the Securities Act (each, a "*Demand Registration*"). The Company will file a Registration Statement covering such Holder's or Holders' Registrable Securities requested to be registered, and shall use commercially reasonable efforts to cause such Registration Statement to be declared effective, as promptly as practicable and no later than sixty (60)

days after it receives such request; *provided*, *however*, that the Company will not be required to file a Registration Statement pursuant to this Section 5(a):

(A) unless (i) the number of Registrable Securities requested to be registered on such Registration Statement equals at least twenty-five percent (25%) of all Registrable Securities at such time and (ii) the Registrable Securities requested to be sold by the Holders pursuant to such Registration Statement have an anticipated aggregate gross offering price (before deducting underwriting discounts and commissions) of at least $50 million, disregarding any Registrable Securities subject to clause (B) below;

(B) with respect to any Registrable Securities requested to be registered that are already covered by an existing and effective Registration Statement and such Registration Statement may be utilized for the offer and sale of such Registrable Securities requested to be registered; and

(C) if a registration statement filed by the Company shall have previously been initially declared effective by the Commission within the one hundred eighty (180) days preceding the date such Demand Registration Request is made.

Notwithstanding anything to the contrary in this Agreement, the Company shall not be obligated to effect more than five such Demand Registrations; *provided, however* that a Demand Registration shall not be considered made for purposes hereof unless the requested Registration Statement has been declared effective by the Commission for more than 75% of the full amount of Registrable Securities for which registration has been requested (subject to any reduction under Section 6(c) hereof).

(b) A Demand Registration Request shall specify (i) the then-current name and address of such Holder or Holders, (ii) the aggregate number of Registrable Securities requested to be registered, (iii) the total number of Registrable Securities then beneficially owned by such Holder or Holders, and (iv) the intended means of distribution. If at the time the Demand Registration Request is made the Company appears, based on public information available to such Holder or Holders, eligible to use Form S-3 for the offer and sale of the Registrable Securities, the Holder or Holders making such request may request that the registration be in the form of a Shelf Registration Statement (for the avoidance of doubt, the Company shall not be under the obligation to file a Shelf Registration on Form S-3 if, upon the advice of its counsel, it is not eligible to make such a filing).

(c) The Company may satisfy its obligations under Section 5(a) hereof by amending (to the extent permitted by applicable law and the rules and regulations of the Commission) any registration statement previously filed by the Company under the Securities Act and not yet declared effective by the Commission, so that such amended registration statement will permit the disposition (in accordance with the intended methods of disposition specified as aforesaid) of all of the Registrable Securities for which a Demand Registration Request has been properly made under this Section 5. If

the Company so amends a previously filed registration statement, it will be deemed to have effected a registration for purposes of Section 5(a) hereof; *provided, however*, that the Effective Date of the amended registration statement, as amended pursuant to this Section 5(c), shall be the "the first day of effectiveness" of such Registration Statement for purposes of determining the period during which the Registration Statement is required to be maintained effective in accordance with Section 5(e) hereof.

(d) Within five (5) Business Days after receiving a Demand Registration Request, the Company shall give written notice of such request to all other Holders of Registrable Securities and shall, subject to the provisions of Section 6(c) in the case of an Underwritten Offering, include in such registration all such Registrable Securities with respect to which the Company has received written requests for inclusion therein within ten (10) Business Days after the Company's giving of such notice, *provided* that such Registrable Securities are not already covered by an existing and effective Registration Statement that may be utilized for the offer and sale of the Registrable Securities requested to be registered in the manner so requested.

(e) The Company will use commercially reasonable efforts to keep a Registration Statement that has become effective as contemplated by this Section 5 continuously effective, and not subject to any stop order, injunction or other similar order or requirement of the Commission:

(A) in the case of a Registration Statement other than a Shelf Registration Statement, until all Registrable Securities registered thereunder have been sold pursuant to such Registration Statement, but in no event later than two hundred seventy (270) days from the Effective Date of such Registration Statement; and

(B) in the case of a Shelf Registration Statement, until the earlier of: (x) three (3) years following the Effective Date of such Shelf Registration Statement; and (y) the date that all Registrable Securities covered by such Shelf Registration Statement shall cease to be Registrable Securities;

provided, however, that in the event of any stop order, injunction or other similar order or requirement of the Commission relating to any Shelf Registration Statement, if any Registrable Securities covered by such Shelf Registration Statement remain unsold, the period during which such Shelf Registration Statement shall be required to remain effective will be extended by the number of days during which such stop order, injunction or similar order or requirement is in effect; *provided further, however*, that if any Shelf Registration Statement was initially declared effective on Form S-3 and, prior to the date determined pursuant to Section 5(e)(B), the Company becomes ineligible to use Form S-3, the period during which such Shelf Registration Statement shall be required to remain effective will be extended by the number of days during which the Company did not have an effective Registration Statement covering unsold Registrable Securities initially registered on such Shelf Registration Statement.

(f) The Holder or Holders making a Demand Registration Request may, at any time prior to the Effective Date of the Registration Statement relating to such registration, revoke their request for the Company to effect the registration of all or part of such Holder's or Holders' Registrable Securities by providing a written notice to the Company. If, pursuant to the preceding sentence, the entire Demand Registration Request is revoked, then, at the option of the Holder or Holders who revoke such request, either (i) such Holder or Holders shall reimburse the Company for all of its reasonable and documented out-of-pocket expenses incurred in the preparation, filing and processing of the Registration Statement, which out-of-pocket expenses, for the avoidance of doubt, shall not include overhead expenses and which requested registration shall not count as one of the permitted Demand Registration Requests hereunder or (ii) the requested registration that has been revoked will be deemed to have been effected for purposes of Section 5(a).

(g) If a Registration Statement filed pursuant to this Section 5 is a Shelf Registration Statement, then upon the demand of one or more Holders, the Company shall facilitate a "takedown" of Registrable Securities in the form of an Underwritten Offering, in the manner and subject to the conditions described in Section 6 of this Agreement, *provided* that (x) (i) the number of securities included in such underwritten "takedown" shall equal at least twenty-five percent (25%) of all Registrable Securities at such time and (ii) the Registrable Securities requested to be sold by the Holders in such "takedown" shall have an anticipated aggregate offering price (before deducting underwriting discounts and commission) of at least $50 million; or (y) the number of securities included in such "takedown" represent all of the Registrable Securities outstanding at the time of such "takedown."

6. **Procedures for Underwritten Offerings.**

The following procedures shall govern Underwritten Offerings pursuant to Section 2(h) or Section 5(g), whether in the case of an Underwritten Takedown or otherwise.

(a) (i) The Majority Holders, with the consent of the Company (which consent shall not be unreasonably withheld, conditioned or delayed), shall select one or more investment banking firm(s) of national standing to be the managing underwriter or underwriters for any Underwritten Offering pursuant to a Demand Registration Request or an Underwritten Takedown, and (ii) the Company shall select one or more investment banking firms of national standing to be the managing underwriter or underwriters for any other Underwritten Offering, with the consent of the Majority Holders, which consent shall not be unreasonably withheld, conditioned or delayed.

(b) All Holders proposing to distribute their securities through an Underwritten Offering, as a condition for inclusion of their Registrable Securities therein, shall agree to enter into an underwriting agreement with the underwriters; *provided, however*, that the underwriting agreement is in customary form and reasonably acceptable to the Company and the Majority Holders and *provided further, however*, that no Holder of Registrable Securities included in any Underwritten Offering shall be required to make any representations or warranties to the Company or the underwriters (other than

representations and warranties regarding (i) such Holder's ownership of its Registrable Securities to be sold or transferred, (ii) such Holder's power and authority to effect such transfer and (iii) such matters pertaining to compliance with securities laws as may be reasonably requested).

(c) Notwithstanding anything to the contrary herein, if the managing underwriter or underwriters for an Underwritten Offering pursuant to a Demand Registration or an Underwritten Takedown advises the Holders that the total amount of Registrable Securities or other Reorganized Revlon Common Shares permitted to be registered is such as to materially adversely affect the success of such Underwritten Offering, the number of Registrable Securities or other Reorganized Revlon Common Shares to be registered on such Registration Statement will be reduced as follows: *first*, the Company shall reduce or eliminate the securities of the Company to be included by any Person other than a Holder or the Company; *second*, the Company shall reduce or eliminate any securities of the Company to be included by the Company; and *third*, the Company shall reduce the number of Registrable Securities to be included by Holders on a pro rata basis based on the total number of Registrable Securities requested by the Holders to be included in the Underwritten Offering.

(d) Within five (5) Business Days after receiving a request for an Underwritten Offering constituting a "takedown" from a Shelf Registration Statement, the Company shall give written notice of such request to all other Holders, and subject to the provisions of Section 6(c) hereof, include in such Underwritten Offering all such Registrable Securities with respect to which the Company has received written requests for inclusion therein within five (5) Business Days after the Company's giving of such notice; *provided*, *however*, that such Registrable Securities are covered by an existing and effective Shelf Registration Statement that may be utilized for the offer and sale of the Registrable Securities requested to be registered.

(e) The Company will not be required to undertake an Underwritten Offering pursuant to Section 2(h) or Section 5(g) if the Company has undertaken an Underwritten Offering, whether for its own account or pursuant to this Agreement, within the one hundred eighty (180) days preceding the date of the request to the Company for such Underwritten Offering.

(f) Notwithstanding anything to the contrary in this Agreement, the Company shall not be obligated to effect more than three such Underwritten Offerings; *provided* that an Underwritten Offering shall not be considered made for purposes of this Section 6(f) unless it has resulted in the disposition by the Holders of at least 75% of the amount of Registrable Securities requested to be included subject to any reduction under Section 6(c) hereof.

7. **Grace Periods.**

(a) Notwithstanding anything to the contrary herein—

(A) the Company shall be entitled to postpone the filing or effectiveness of, or, at any time after a Registration Statement has been declared effective by the Commission, suspend the use of, a Registration Statement (including the Prospectus included therein) if in the good faith judgment of the Board, such registration, offering or use would reasonably be expected to materially affect in an adverse manner or materially interfere with any bona fide material financing of the Company or any material transaction under consideration by the Company or would require the disclosure of information that has not been, and is not otherwise required to be, disclosed to the public and the premature disclosure of which would materially affect the Company in an adverse manner; *provided however*, that in the event such Registration Statement relates to a Demand Registration Request or an Underwritten Offering pursuant to Section 2(h) or Section 5(g), then the Holders initiating such Demand Registration Request or such Underwritten Offering shall be entitled to withdraw the Demand Registration Request or request for the Underwritten Offering and, if such request is withdrawn, it shall not count against the limits imposed pursuant to Section 5(a) or Section 6(f) and the Company shall pay all reasonable and documented registration expenses in connection with such registration; and

(B) at any time after a Registration Statement has been declared effective by the Commission and there is no duty to disclose under applicable law, the Company may delay the disclosure of material non-public information concerning the Company if the disclosure of such information at the time would, in the good faith judgment of the Board, adversely affect the Company (the period of a postponement or suspension as described in clause (A) and/or a delay described in this clause (B), a "*Grace Period*").

(b) The Company shall promptly (i) notify the Holders in writing of the existence of the event or material non-public information giving rise to a Grace Period (*provided* that the Company shall not disclose the content of such material non-public information to any Holder, without the express consent of such Holder) or the need to file a post-effective amendment, as applicable, and the date on which such Grace Period will begin, (ii) use commercially reasonable efforts to terminate a Grace Period as promptly as reasonably practicable and (iii) notify the Holders in writing of the date on which the Grace Period ends.

(c) The duration of any one Grace Period shall not exceed forty-five (45) days, and the aggregate of all Grace Periods in total during any three hundred sixty-five (365) day period shall not exceed ninety (90) days. For purposes of determining the length of a Grace Period, the Grace Period shall be deemed to begin on and include the date the Holders receive the notice referred to in clause (i) of Section 7(b) and shall end on and include the later of the date the Holders receive the notice referred to in clause (iii) of Section 7(b) and the date referred to in such notice. In the event the Company declares a Grace Period, the period during which the Company is required to maintain the effectiveness of an Initial Shelf Registration Statement or a Registration Statement filed pursuant to a Demand Registration Request shall be extended by the number of days during which such Grace Period is in effect.

8. **Piggyback Registration**

(a) If at any time, and from time to time, the Company proposes to—

(A) file a registration statement under the Securities Act with respect to an underwritten offering of Reorganized Revlon Common Shares of the Company or any securities convertible or exercisable into Reorganized Revlon Common Shares (other than with respect to a registration statement (i) on Form S-8 or any successor form thereto, (ii) on Form S-4 or any successor form thereto or (iii) another form not available for registering the Registrable Securities for sale to the public), whether or not for its own account; or

(B) conduct an underwritten offering constituting a "takedown" of a class of Reorganized Revlon Common Shares or any securities convertible or exercisable into Reorganized Revlon Common Shares registered under a shelf registration statement previously filed by the Company;

the Company shall give written notice (the "*Piggyback Notice*") of such proposed filing or underwritten offering to each Holder at least five (5) Business Days before the anticipated filing date (*provided* that in the case of a "bought deal," "registered direct offering" or "overnight transaction" (a "*Bought Deal*"), such Piggyback Notice shall be given not less than two (2) Business Days prior to the expected date of commencement of marketing efforts. Such notice shall include the number and class of securities proposed to be registered or offered, the proposed date of filing of such registration statement or the conduct of such underwritten offering, any proposed means of distribution of such securities and any proposed managing underwriter of such securities and shall offer the Holders the opportunity to register or offer such amount of Registrable Securities as each Holder may reasonably request on the same terms and conditions as the registration or offering of the other securities being registered thereunder (a "*Piggyback Offering*"). Subject to Section 8(b), the Company will include in each Piggyback Offering all Registrable Securities for which the Company has received written requests for inclusion within three (3) Business Days after the date the Piggyback Notice is given (*provided* that in the case of a Bought Deal, such written requests for inclusion must be received within one (1) Business Day after the date the Piggyback Notice is given); *provided*, *however*, that in the case of the filing of a registration statement, such Registrable Securities are not otherwise registered pursuant to an existing and effective Shelf Registration Statement under this Agreement, but in such case, the Company shall include such Registrable Securities in such underwritten offering if the Shelf Registration Statement may be utilized for the offering and sale of the Registrable Securities requested to be offered; *provided further*, *however*, that in the case of an underwritten offering in the form of a "takedown" under a Shelf Registration Statement, such Registrable Securities are covered by an existing and effective Shelf Registration Statement that may be utilized for the offering and sale of the Registrable Securities requested to be offered.

(b) The Company will cause the managing underwriter or underwriters of the proposed offering to permit the Holders that have requested Registrable Securities to be included in the Piggyback Offering to include all such Registrable Securities on

substantially the same terms and conditions as any similar securities, if any, of the Company. Notwithstanding the foregoing, if the managing underwriter or underwriters of such underwritten offering advises the Company and the selling Holders in writing that, in its view, the total amount of securities that the Company, such Holders and any other holders entitled to participate in such offering (such other holders, the "*Other Holders*") propose to include in such offering is such as to materially adversely affect the price, timing or distribution of such underwritten offering, then:

(A) if such Piggyback Offering is an underwritten primary offering by the Company for its own account, the Company will include in such Piggyback Offering: (i) *first*, all securities to be offered by the Company; (ii) *second*, up to the full amount of securities requested to be included in such Piggyback Offering by the Holders; and (iii) *third*, up to the full amount of securities requested to be included in such Piggyback Offering by all Other Holders;

(B) if such Piggyback Offering is an underwritten secondary offering for the account of Other Holders exercising "demand" rights (including pursuant to a Demand Registration Request), the Company will include in such registration: (i) *first*, all securities of the Other Holders exercising "demand" rights (including pursuant to a Demand Registration Request) requested to be included therein; (ii) *second*, up to the full amount of securities requested to be included in such Piggyback Offering by the Holders entitled to participate therein, allocated pro rata among such Holders on the basis of the amount of securities requested to be included therein by each such Holder; (iii) *third*, up to the full amount of securities proposed to be included in the registration by the Company; and (iv) *fourth,* up to the full amount of securities requested to be included in such Piggyback Offering by the Other Holders entitled to participate therein, allocated pro rata among such Other Holders on the basis of the amount of securities requested to be included therein by each such Other Holder;

such that, in each case, the total amount of securities to be included in such Piggyback Offering is the full amount that, in the view of such managing underwriter, can be sold without materially adversely affecting the success of such Piggyback Offering.

(c) If at any time after giving the Piggyback Notice and prior to the time sales of securities are confirmed pursuant to the Piggyback Offering, the Company determines for any reason not to register or delay the registration of the Piggyback Offering, the Company may, at its election, give notice of its determination to all Holders, and in the case of such a determination, will be relieved of its obligation to register any Registrable Securities in connection with the abandoned or delayed Piggyback Offering, without prejudice.

(d) Any Holder of Registrable Securities requesting to be included in a Piggyback Offering may withdraw its request for inclusion by giving written notice to the Company of its intention to withdraw from that registration, at least three (3) Business Days prior to the anticipated Effective Date of the Registration Statement filed in connection with such Piggyback Offering, or in the case of a Piggyback Offering

constituting a "takedown" off of a shelf registration statement, at least three (3) Business Days prior to the anticipated date of the filing by the Company under Rule 424 of a supplemental prospectus (which shall be the preliminary supplemental prospectus, if one is used in the "takedown") with respect to such offering; *provided*, *however*, that (i) the Holder's request be made in writing and (ii) the withdrawal will be irrevocable and, after making the withdrawal, a Holder will no longer have any right to include its Registrable Securities in that Piggyback Offering.

(e) Notwithstanding the foregoing, any Holder may deliver written notice (an "*Opt-Out Notice*") to the Company at any time requesting that such Holder not receive notice from the Company of any proposed registration or offering; *provided, however*, that such Holder may later revoke any such Opt-Out Notice in writing.

9. **Registration Procedures.**

If and when the Company is required to effect any registration under the Securities Act as provided in this Agreement, the Company shall use commercially reasonable efforts to:

(a) prepare and file with the Commission the requisite Registration Statement to effect such registration and thereafter use commercially reasonable efforts to cause such Registration Statement to become and remain effective, subject to the limitations contained herein;

(b) prepare and file with the Commission such amendments and supplements to such Registration Statement and the Prospectus used in connection therewith as may be necessary to keep such Registration Statement effective and to comply with the provisions of the Securities Act and the Exchange Act with respect to the disposition of all Registrable Securities covered by such Registration Statement until such time as (i) all of such Registrable Securities have been disposed of in accordance with the method of disposition set forth in such Registration Statement, subject to the limitations contained herein, or (ii) such Registration Statement is withdrawn in accordance with the terms of this Agreement;

(c) (i) before filing a Registration Statement or Prospectus or any amendments or supplements thereto (except for any amendment or supplement as a result of the filing of a periodic report, current report or any other document required to be filed by the Company under the Exchange Act), at the Company's expense, furnish to the Holders whose securities are covered by the Registration Statement copies of all such documents, other than documents that are incorporated by reference into such Registration Statement or Prospectus, proposed to be filed and such other documents reasonably requested by such Holders (which may be furnished by email), and afford Counsel to the Holders a reasonable opportunity to review and comment on such documents; and (ii) in connection with the preparation and filing of each such Registration Statement prepared in connection with an Underwritten Offering pursuant to this Agreement, (A) upon reasonable advance notice to the Company, give each of the foregoing such reasonable access to all financial and other records, corporate documents and properties of the Company as shall be necessary, in the reasonable opinion of Counsel to the Holders and

the underwriters, to conduct a reasonable due diligence investigation for purposes of the Securities Act and Exchange Act, and (B) upon reasonable advance notice to the Company and during normal business hours, provide such reasonable opportunities to discuss the business of the Company with its officers, directors, employees and the independent public accountants who have certified its financial statements as shall be necessary, in the reasonable opinion of Counsel to the Holders and such underwriters, to conduct a reasonable due diligence investigation for purposes of the Securities Act and the Exchange Act; *provided* that as a condition to being provided any confidential information, any such Holder or Counsel to the Holders gaining access to information regarding the Company pursuant to this Section 9(c) shall agree to enter into a customary confidentiality agreement with the Company.

(d) notify each selling Holder of Registrable Securities, promptly after the Company receives notice thereof, of the time when such Registration Statement has been declared effective or a supplement to any Prospectus forming a part of such Registration Statement has been filed (except for any supplement as a result of the filing of a periodic report, current report or any other document required to be filed by the Company under the Exchange Act);

(e) with respect to any offering of Registrable Securities, furnish to each selling Holder of Registrable Securities, and the managing underwriters for such Underwritten Offering, if any, without charge, such number of copies of the applicable Registration Statement, each amendment and supplement thereto, the Prospectus included in such Registration Statement (including each preliminary Prospectus, final Prospectus, and any other Prospectus (including any Prospectus filed under Rule 424, Rule 430A or Rule 430B promulgated under the Securities Act and any "issuer free writing prospectus" as such term is defined under Rule 433 promulgated under the Securities Act)), all exhibits and other documents filed therewith and such other documents as such seller or such managing underwriters may reasonably request including in order to facilitate the disposition of the Registrable Securities owned by such seller, and upon request, a copy of any and all transmittal letters or other correspondence to or received from, the Commission or any other governmental authority relating to such offer;

(f) (i) register or qualify all Registrable Securities covered by such Registration Statement under such other securities or Blue Sky laws of such states or other jurisdictions of the United States of America as the Holders covered by such Registration Statement shall reasonably request in writing, (ii) keep such registration or qualification in effect for so long as such Registration Statement remains in effect and (iii) take any other action that may be necessary or reasonably advisable to enable such Holders to consummate the disposition in such jurisdictions of the securities to be sold by such Holders, except that the Company shall not for any such purpose be required to qualify generally to do business as a foreign corporation in any jurisdiction wherein it would not but for the requirements of this subsection (f) be obligated to be so qualified, to subject itself to taxation in such jurisdiction or to consent to general service of process in any such jurisdiction;

(g) subject to Section 9(f) of this Agreement, cause all Registrable Securities included in such Registration Statement to be registered with or approved by such other federal or state governmental agencies or authorities as necessary upon the opinion of counsel to the Company or Counsel to the Holders of Registrable Securities included in such Registration Statement to enable such Holder or Holders thereof to consummate the disposition of such Registrable Securities in accordance with their intended method of distribution thereof;

(h) with respect to any Underwritten Offering, obtain and, if obtained, furnish to each Holder that is named as an underwriter in such Underwritten Offering and each other underwriter thereof, a signed

(A) opinion of outside counsel for the Company (including a customary 10b-5 statement), dated the date of the closing under the underwriting agreement and addressed to the underwriters, reasonably satisfactory (based on the customary form and substance of opinions of issuers' counsel customarily given in such an offering) in form and substance to such underwriters, if any, and

(B) "comfort" letter, dated the date of the underwriting agreement and another dated the date of the closing under the underwriting agreement and addressed to the underwriters and signed by the independent public accountants who have certified the Company's financial statements included or incorporated by reference in such registration statement, reasonably satisfactory (based on the customary form and substance of "cold comfort" letters of issuers' independent public accountant customarily given in such an offering) in form and substance to such Holder and any other underwriters,

in each case, covering substantially the same matters with respect to such Registration Statement (and the Prospectus included therein) and, in the case of the accountants' comfort letter, with respect to events subsequent to the date of such financial statements, as are customarily covered in opinions of issuer's counsel and in accountants' comfort letters delivered to underwriters in such types of offerings of securities;

(i) notify each Holder of Registrable Securities included in such Registration Statement at any time when a Prospectus relating thereto is required to be delivered under the Securities Act, upon discovery that, or upon the happening of any event as a result of which, the Prospectus included in such Registration Statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading and for which the Company chooses to suspend the use of the Registration Statement and Prospectus in accordance with the terms of this Agreement, and, at the written request of any such Holder, promptly prepare and furnish (at the Company's expense) to it a reasonable number of copies of a supplement to or an amendment of such Prospectus as may be necessary so that, as thereafter delivered to the purchasers of such securities, such Prospectus, as supplemented or amended, shall not include an untrue statement of a material fact or omit to state a material fact necessary in

order to make the statements therein, in the light of the circumstances under which they were made, not misleading (subject to Section 7(f) of this Agreement);

(j) notify the Holders of Registrable Securities included in such Registration Statement promptly of any request by the Commission for the amending or supplementing of such Registration Statement or Prospectus or for additional information;

(k) advise the Holders of Registrable Securities included in such Registration Statement promptly after the Company receives notice or obtains knowledge of any order suspending the effectiveness of a registration statement relating to the Registrable Securities at the earliest practicable moment and promptly use commercially reasonable efforts to obtain the withdrawal of such order;

(l) otherwise comply with all applicable rules and regulations of the Commission and any other governmental agency or authority having jurisdiction over the offering of Registrable Securities, and make available to its stockholders, as soon as reasonably practicable, an earnings statement covering the period of at least twelve (12) months, but not more than eighteen (18) months, beginning with the first (1st) full calendar month after the Effective Date of such Registration Statement, which earnings statement shall satisfy the provisions of Section 11(a) of the Securities Act and Rule 158 promulgated thereunder and which requirement will be deemed satisfied if the Company timely files complete and accurate information on Form 10-Q and 10-K and Current Reports on Form 8-K under the Exchange Act and otherwise complies with Rule 158 under the Securities Act;

(m) provide (i) and cause to be maintained a transfer agent and registrar for the Registrable Securities included in a Registration Statement no later than the Effective Date thereof and (ii) a CUSIP and ISIN number for all Registrable Securities no later than the Effective Date;

(n) enter into such customary agreements (including an underwriting agreement in customary form) and take such other customary actions as the Holders beneficially owning a majority of the Registrable Securities included in a Registration Statement or the underwriters, if any, shall reasonably request in order to expedite or facilitate the disposition of such Registrable Securities, including customary indemnification; and provide reasonable cooperation, including causing at least one (1) executive officer and a senior financial officer to attend and participate in "road shows" and other information meetings organized by the underwriters, if any, as reasonably requested in an Underwritten Offering; *provided*, *however*, that the Company shall have no obligation to participate in more than three (3) such "road shows" requested hereunder in any twelve (12)-month period, such participation shall not unreasonably interfere with the business operations of the Company and the Company shall have no obligation to participate in more than one (1) such "road show" during any ninety (90) day period;

(o) if reasonably requested by the managing underwriter(s) or the Holders beneficially owning a majority of the Registrable Securities being sold in connection with an Underwritten Offering, promptly incorporate in a prospectus supplement or post-

effective amendment such information relating to the plan of distribution for such shares of Registrable Securities provided to the Company in writing by the managing underwriters and the Holders holding a majority of the Registrable Securities being sold and that is required to be included therein relating to the plan of distribution with respect to such Registrable Securities, including without limitation, information with respect to the number of Registrable Securities being sold to such underwriters, the purchase price being paid therefor by such underwriters and with respect to any other terms of the Underwritten Offering of the Registrable Securities to be sold in such offering, and make any required filings with respect to such information relating to the plan of distribution as soon as practicable after notified of the information;

(p) cooperate with the Holders of Registrable Securities included in a Registration Statement and the managing underwriter(s), if any, to facilitate the timely preparation and delivery of certificates representing Registrable Securities to be sold and not bearing any restrictive legends, and enable such Registrable Securities to be in such share amounts and registered in such names as the managing underwriters, or, if none, the Holders beneficially owning a majority of the Registrable Securities being offered for sale, may reasonably request at least five (5) Business Days prior to any sale of Registrable Securities to the underwriters;

(q) cause all Registrable Securities included in a Registration Statement to be listed on a Trading Market on which similar securities issued by the Company are then listed, if at all, or quoted; and

(r) otherwise use commercially reasonable efforts to take all other steps necessary to effect the registration of such Registrable Securities contemplated hereby.

In addition, at least fifteen (15) Trading Days prior to the first anticipated filing date of a Registration Statement for any registration under this Agreement, the Company will notify each Holder of the information the Company requires from that Holder, in the form of the Selling Stockholder Questionnaire, if any, which shall be completed and delivered to the Company promptly upon request and, in any event, within five (5) Trading Days prior to the applicable anticipated filing date. Each Holder further agrees that it shall not be entitled to be named as a selling security-holder in the Registration Statement or use the Prospectus for offers and resales of Registrable Securities at any time, unless such Holder has returned to the Company a completed and signed Selling Stockholder Questionnaire and a response to any requests for further information as reasonably requested by the Company and, if an Underwritten Offering, entered into an underwriting agreement with the underwriters in accordance with Section 6(b). If a Holder of Registrable Securities returns a Selling Stockholder Questionnaire or a request for further information, in either case, after its respective deadline, the Company shall be permitted to exclude such Holder from being a selling security holder in the Registration Statement or any pre-effective or post-effective amendment thereto. Each Holder acknowledges and agrees that the information in the Selling Stockholder Questionnaire or request for further information as described in this Section 9 will be used by the Company in the preparation of the Registration Statement and hereby consents to the inclusion of such information in the Registration Statement.

10. **Registration Expenses.** All fees and expenses incident to the Company's performance of or compliance with its obligations under this Agreement (excluding any underwriting discounts, fees or selling commissions or broker or similar commissions or fees (which shall be borne by Participating Holders on a pro rata basis), or transfer taxes of any Holder) shall be borne by the Company whether or not any Registrable Securities are sold pursuant to a Registration Statement. The fees and expenses referred to in the foregoing sentence shall include, without limitation, (i) all registration and filing fees and expenses (including, without limitation, fees and expenses (A) with respect to filings required to be made with any Trading Market on which the Reorganized Revlon Common Shares are then listed for trading, if any, or quoted, (B) with respect to compliance with applicable state securities or Blue Sky laws (including, without limitation, fees and disbursements of counsel for the Company and any reasonable and documented fees and disbursements of counsel for the underwriters or Holders in connection with Blue Sky qualifications or exemptions of the Registrable Securities and determination of the eligibility of the Registrable Securities for investment under the laws of such jurisdictions as requested by the underwriters or the Holders, as applicable) and (C) if not previously paid by the Company in connection with an issuer filing, with respect to any filing that may be required to be made by any broker through which a Holder intends to make sales of Registrable Securities with the Financial Industry Regulatory Authority ("*FINRA*") pursuant to FINRA Rule 5110, so long as the broker is receiving no more than a customary brokerage commission in connection with such sale, (ii) all reasonable and documented expenses of any Persons in preparing or assisting in preparing, word processing, printing and distributing any Registration Statement, any Prospectus, any free writing prospectus and any amendments or supplements thereto, any underwriting agreements, securities sales agreements or other similar agreements and any other documents relating to the performance of and compliance with this Agreement (including, without limitation, expenses of printing certificates for Registrable Securities and of printing prospectuses if the printing of prospectuses is reasonably requested by the Holders holding a majority of the Registrable Securities included in the Registration Statement), (iii) messenger, telephone and delivery expenses, (iv) reasonable and documented fees and disbursements of counsel for the Company, (v) the reasonable and documented fees and expenses incurred in connection with any road show for Underwritten Offerings, (vi) Securities Act liability insurance, if the Company so desires such insurance, (vii) all rating agency fees, if any, and any fees associated with making the Registrable Securities eligible for trading through The Depository Trust Company, and (viii) reasonable and documented fees and expenses of all other Persons retained by the Company in connection with the consummation of the transactions contemplated by this Agreement. In addition, the Company will pay the reasonable fees and disbursements of Counsel to the Holders, including, for the avoidance of doubt, any reasonable and documented expenses of Counsel to the Holders in connection with the filing or amendment of any Registration Statement, Prospectus or free writing prospectus hereunder or any Underwritten Offering.

11. **Lockups.**

(a) In connection with any Underwritten Takedown or underwritten registration pursuant to a Demand Registration Request or other underwritten public

offering of equity securities by the Company, except with the written consent of the underwriters managing such offering, no Holder shall effect any public sale or distribution (including sales pursuant to Rule 144) of equity securities of the Company, or any securities convertible into or exchangeable or exercisable for such securities during the seven (7) days prior to, and the ninety (90)-day period (or such lesser period as the underwriters may agree) beginning on the date of, the final prospectus filed in connection with such offering (as such period may be waived by the underwriters, the "*Lockup Period*"), except as part of such offering, *provided*, that such Lockup Period restrictions are applicable on substantially similar terms to the Company and all of its executive officers and directors as reasonably requested by the underwriters, and reasonably acceptable to the Majority Holders; *provided* that the Lockup Period shall include customary carve-outs, including that nothing herein will prevent any Holder from making a distribution of Registrable Securities to any of its partners, members or stockholders thereof or a transfer of Registrable Securities to an Affiliate or Related Fund that is otherwise in compliance with the applicable securities laws, so long as such distributees or transferees, as applicable, agree to be bound by the restrictions set forth in this Section 11(a) and so long as no public disclosure of such distribution is made. Each Holder agrees to execute a customary lockup agreement in favor of the Company's underwriters to such effect and, in any event, that the Company's underwriters in any relevant offering shall be third party beneficiaries of this Section 11(a). The provisions of this Section 11(a) will no longer apply to a Holder once such Holder ceases to hold Registrable Securities.

(b) In connection with any Underwritten Offering, the Company shall not effect any public sale or distribution of any of its equity securities, or any securities convertible into or exchangeable or exercisable for such securities, without prior written consent from the managing underwriter or underwriters, during the Lockup Period, except as part of such offering, *provided*, that such Lockup Period restrictions are applicable on substantially similar terms to the Majority Holders. The Company agrees to execute a customary lockup agreement in favor of the underwriters in any relevant offering to such effect and, in any event, that the underwriters in any relevant offering shall be third party beneficiaries of this Section 11(b). Notwithstanding the foregoing, the Company may effect a public sale or distribution of securities of the type described above and during the periods described above if such sale or distribution is made pursuant to registrations on Form S-4 or Form S-8 or any successor thereto or as part of any registration of securities of offering and sale to employees, directors or consultants of the Company and its subsidiaries pursuant to any employee stock plan or other employee benefit plan arrangement.

12. **Indemnification.**

(a) Indemnification by the Company. The Company shall, notwithstanding any termination of this Agreement, indemnify, defend and hold harmless each Holder, the officers, directors, agents, partners, members, investment manager, managers, stockholders, Affiliates and employees of each of them, each Person who controls any such Holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, investment manager, managers, stockholders, agents and employees of each such controlling Person, to the

fullest extent permitted by applicable law, from and against any and all losses, claims, damages, liabilities, costs (including, without limitation, reasonable costs of preparation and investigation and reasonable and documented attorneys' fees) and expenses (collectively, "*Losses*"), to which any of them may become subject, that arise out of or are based upon (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus or any form of prospectus or in any amendment or supplement thereto or in any preliminary prospectus or (ii) any omission or alleged omission to state a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus or form of prospectus or supplement thereto, in the light of the circumstances under which they were made) not misleading, except to the extent, but only to the extent, that (A) such untrue statements, alleged untrue statements, omissions or alleged omissions are based upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein, or to the extent that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was provided by such Holder expressly for use in the Registration Statement, such Prospectus or such form of Prospectus or in any amendment or supplement thereto, or (B) in the case of an occurrence of an event of the type specified in Section 9(i), related to the use by a Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated and defined in Section 16(c) below, but only if and to the extent that following the receipt of the Advice, the misstatement or omission giving rise to such Loss would have been corrected. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of an Indemnified Party (as defined in Section 12(c)), shall survive the transfer of the Registrable Securities by the Holders, and shall be in addition to any liability which the Company may otherwise have. Paragraph (a) of this Section shall not apply with respect to taxes other than any taxes that represent losses, claims, damages, etc. arising from any non-tax claim.

(b) Indemnification by Holders. Each Holder shall, severally and not jointly, indemnify and hold harmless the Company, its respective directors, officers, agents and employees, each Person who controls the Company (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act), and the directors, officers, agents or employees of such controlling Persons, to the fullest extent permitted by applicable law, from and against all Losses, as incurred, arising out of or based upon any untrue or alleged untrue statement of a material fact contained in any Registration Statement, any Prospectus, or any form of prospectus, or in any amendment or supplement thereto or in any preliminary prospectus, or arising out of or relating to any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, or any form of prospectus or supplement thereto, in the light of the circumstances under which they were made) not misleading (i) to the extent, but only to the extent, that such untrue statements or omissions are based upon information regarding such Holder furnished in writing to the Company by such Holder expressly for use therein or (ii) to the extent, but only to the extent, that such information relates to such Holder or such Holder's proposed method of distribution of Registrable Securities and was provided by such Holder expressly for use in a Registration Statement, such Prospectus or such form of Prospectus or in any

amendment or supplement thereto or (iii) in the case of an occurrence of an event of the type specified in Section 9(i), to the extent, but only to the extent, related to the use by such Holder of an outdated or defective Prospectus after the Company has notified such Holder in writing that the Prospectus is outdated or defective and prior to the receipt by such Holder of the Advice contemplated in Section 16(c), but only if and to the extent that following the receipt of the Advice the misstatement or omission giving rise to such Loss would have been corrected. In no event shall the liability of any selling Holder hereunder be greater in amount than the dollar amount of the net proceeds received by such Holder upon the sale of the Registrable Securities giving rise to such indemnification obligation. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of an Indemnified Party (as defined in Section 12(c)), shall survive the transfer of the Registrable Securities by the Holders, and shall be in addition to any liability which the Holder may otherwise have.

(c) Conduct of Indemnification Proceedings. If any Proceeding shall be brought or asserted against any Person entitled to indemnity hereunder (an "*Indemnified Party*"), such Indemnified Party shall promptly notify the Person from whom indemnity is sought (the "*Indemnifying Party*") in writing, and the Indemnifying Party shall have the right to assume the defense thereof, including the employment of counsel reasonably satisfactory to the Indemnified Party and the payment of all reasonable fees and expenses incurred in connection with the defense thereof; *provided*, that the failure of any Indemnified Party to give such notice shall not relieve the Indemnifying Party of its obligations or liabilities pursuant to this Agreement, except (and only) to the extent that such failure shall have materially and adversely prejudiced the Indemnifying Party in its ability to defend such action.

An Indemnified Party shall have the right to employ separate counsel in any such Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party or Parties unless: (1) the Indemnifying Party has agreed in writing to pay such fees and expenses; (2) the Indemnifying Party shall have failed promptly to assume the defense of such Proceeding and to employ counsel reasonably satisfactory to such Indemnified Party in any such Proceeding; or (3) the named parties to any such Proceeding (including any impleaded parties) include both such Indemnified Party and the Indemnifying Party, and such Indemnified Party shall have been advised by counsel that in the reasonable judgment of such counsel a conflict of interest exists if the same counsel were to represent such Indemnified Party and the Indemnifying Party; *provided*, that the Indemnifying Party shall not be liable for the reasonable and documented fees and expenses of more than one separate firm of attorneys at any time for all Indemnified Parties. The Indemnifying Party shall not be liable for any settlement of any such Proceeding effected without its written consent, which consent shall not be unreasonably withheld, delayed or conditioned. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any pending Proceeding in respect of which any Indemnified Party is a party, unless such settlement includes an unconditional release of such Indemnified Party from all liability on claims that are the subject matter of such Proceeding.

Subject to the terms of this Agreement, all reasonable and documented fees and expenses of the Indemnified Party (including reasonable and documented fees and expenses to the extent incurred in connection with investigating or preparing to defend such Proceeding in a manner not inconsistent with this Section 12(c)) shall be paid to the Indemnified Party, as incurred, with reasonable promptness after receipt of written notice thereof to the Indemnifying Party; *provided*, that the Indemnified Party shall promptly reimburse the Indemnifying Party for that portion of such fees and expenses applicable to such actions for which such Indemnified Party is finally judicially determined to not be entitled to indemnification hereunder.

(d) Contribution. If a claim for indemnification under Section 12(a) or (b) is unavailable to an Indemnified Party or insufficient to hold an Indemnified Party harmless for any Losses, then each Indemnifying Party, in lieu of indemnifying such Indemnified Party, shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect the relative fault of the Indemnifying Party and Indemnified Party in connection with the actions, statements or omissions that resulted in such Losses as well as any other relevant equitable considerations. The relative fault of such Indemnifying Party and Indemnified Party shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission of a material fact, has been taken or made by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such action, statement or omission.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 12(d) were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 12(d), no Holder shall be required to contribute, in the aggregate, any amount in excess of the amount by which the net proceeds actually received by such Holder from the sale of the Registrable Securities subject to the Proceeding exceeds the amount of any damages that such Holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

13. **Section 4(a)(7), Rule 144 and Rule 144A; Other Exemptions.** With a view to making available to the Holders of Registrable Securities the benefits of Section 4(a)(7) of the Securities Act, Rule 144 and Rule 144A and other rules and regulations of the Commission that may at any time permit a Holder of Registrable Securities to sell securities of the Company without registration, until such time as when no Registrable Securities remain outstanding, the Company covenants that it will use commercially reasonable efforts to, (i) if it is subject to the reporting requirement of Section 13 or 15(d) of the Exchange Act, file in a timely manner all reports and other documents required, if any, to be filed by it under the Securities Act and the Exchange Act and the rules and

regulations adopted thereunder, or, (ii) if it is not subject to the reporting requirement of Section 13 or 15(d) of the Exchange Act, make available information necessary to comply with Section 4(a)(7) of the Securities Act and Rule 144 and Rule 144A, if available, with respect to resales of the Registrable Securities under the Securities Act, at all times, all to the extent required from time to time to enable such Holder to sell Registrable Securities without registration under the Securities Act within the limitation of the exemptions provided by (x) Section 4(a)(7) of the Securities Act and Rule 144 and Rule 144A (if available with respect to resales of the Registrable Securities), as such rules may be amended from time to time, or (y) any other rules or regulations now existing or hereafter adopted by the Commission. Upon the reasonable request of any Holder of Registrable Securities, the Company will deliver to such Holder a written statement as to whether it has complied with such information requirements, and, if not, the specific reasons for non-compliance.

14. **Transfer of Registration Rights.** Any Holder may freely assign its rights hereunder on a pro rata basis in connection with any sale, transfer, assignment, or other conveyance (any of the foregoing, a "*Transfer*") of Registrable Securities to any transferee or assignee, including any Affiliate or Related Fund of any Holder; *provided*, that all of the following additional conditions are satisfied: (a) such Transfer is effected in accordance with applicable securities laws; (b) such transferee or assignee agrees in writing to become subject to the terms of this Agreement (including through the execution of a joinder hereto); and (c) the Company is given written notice by such Holder of such Transfer, stating the name and address of the transferee or assignee and identifying the Registrable Securities with respect to which such rights are being transferred or assigned and provide the amount of any other capital stock of the Company beneficially owned by such transferee or assignee; *provided further*, that (i) any rights assigned hereunder shall apply only in respect of the Registrable Securities that are Transferred and not in respect of any other securities that the transferee or assignee may hold and (ii) any Registrable Securities that are Transferred may cease to constitute Registrable Securities following such Transfer in accordance with the terms of this Agreement.

15. **Further Assurances.** Each of the parties hereto shall execute all such further instruments and documents and take all such further action as any other party hereto may reasonably require in order to effectuate the terms and purposes of this Agreement.

16. **Miscellaneous.**

(a) Remedies. Any Person having rights under any provision of this Agreement shall be entitled to enforce such rights specifically to recover damages caused by reason of any breach of any provision of this Agreement and to exercise all other rights granted by law. The parties hereto agree and acknowledge that money damages may not be an adequate remedy for any breach of the provisions of this Agreement and that any party may in its sole discretion apply to any court of law or equity of competent jurisdiction (without posting any bond or other security) for specific performance and for

other injunctive relief in order to enforce or prevent violation of the provisions of this Agreement.

(b) Compliance. Each Holder covenants and agrees that it will comply with the prospectus delivery requirements of the Securities Act as applicable to it (unless an exemption therefrom is available) in connection with sales of Registrable Securities pursuant to any Registration Statement and shall sell the Registrable Securities only in accordance with a method of distribution described in each Registration Statement.

(c) Discontinued Disposition. By its acquisition of Registrable Securities, each Holder agrees that, upon receipt of a notice from the Company of the occurrence of a Grace Period or any event of the kind described in Section 9(i), such Holder will forthwith discontinue disposition of such Registrable Securities under a Registration Statement until it is advised in writing (the "*Advice*") by the Company that the use of the applicable Prospectus (as it may have been supplemented or amended) may be resumed. The Company may provide appropriate stop orders to enforce the provisions of this paragraph.

(d) Number of Registrable Securities Outstanding. In order to determine the number of Registrable Securities outstanding at any time, and subject to Section 2(k) in all respects, upon the reasonable written request of the Company to Holders, each Holder shall promptly, and in any event within ten (10) Business Days of receipt of such request, inform the Company of the number of Registrable Securities that such Holder owns and that the Company may conclusively rely upon any certificate provided under this Agreement for the purpose of determining the number of such Registrable Securities.

(e) No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement, and notwithstanding the fact that certain of the Holders may be partnerships or limited liability companies, each of the Holders and the Company agrees and acknowledges that no recourse under this Agreement or any documents or instruments delivered in connection with this Agreement shall be had against any of the Holder's former, current or future direct or indirect equity holders, controlling persons, shareholders, directors, officers, employees, agents, Affiliates, members, financing sources, managers, general or limited partners or assignees (each, a "*Related Party*" and collectively, the "*Related Parties*"), in each case other than the current or former Holders or any of their respective assignees under this Agreement, whether by the enforcement of any assessment or by any legal or equitable Proceeding, or by virtue of any applicable law, it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on or otherwise be incurred by any of the Related Parties, as such, for any obligation or liability of the the Holders under this Agreement or any documents or instruments delivered in connection herewith for any claim based on, in respect of or by reason of such obligations or liabilities or their creation; provided, however, nothing in this Section 16(e) shall relieve or otherwise limit the liability of the Company or any current or former Holder, as such, for any breach or violation of its obligations under this Agreement or such agreements, documents or instruments.

(f) Preservation of Rights. From and after the date of this Agreement, the Company shall not file or have declared effective a registration statement for any equity securities (other than a registration statement in connection with an Initial Public Offering that is substantially contemporaneous to the entering into of this Agreement) or on Form S-8, or any successor of such form, or a registration statement relating solely to the offer and sale to the Company's directors or employees pursuant to any employee stock plan or other employee benefit plan or arrangement) before the Initial Shelf Registration Statement is declared effective. From and after the date of this Agreement, the Company shall not enter into any agreement with any current or future holder of any securities of the Company that would allow such current or future holder to require the Company to include securities in the Initial Shelf Registration Statement, or in any Piggyback Offering on a basis that is on parity with or superior to, the Piggyback Offering rights granted to the Holders pursuant to Section 8 of this Agreement.

(g) No Inconsistent Agreements. The Company has not entered, as of the date hereof, and the Company shall not enter, after the date of this Agreement, into any agreement with respect to its securities which is inconsistent with or grants registration rights that have parity with or are more favorable than the rights granted to the Holders in this Agreement or otherwise conflicts with the provisions hereof.

(h) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, or waived unless the same shall be in writing and signed by the Company and Holders holding at least a majority of the then outstanding Registrable Securities; *provided*, *however*, that any party may give a waiver as to itself; *provided further, however*, that no amendment, modification, supplement, or waiver that disproportionately and adversely affects, alters, or changes the interests of any Holder shall be effective against such Holder without the prior written consent of such Holder; *provided further, however*, that the definitions of "Holders" and "Registrable Securities" in Section 1 may not be amended, modified or supplemented, or waived unless in writing and signed by Holders holding 66 2/3% of all Registrable Securities at such time; and *provided further*, that the waiver of any provision with respect to any Registration Statement or offering may be given by Holders holding at least a majority of the then outstanding Registrable Securities entitled to participate in such offering or, if such offering shall have been commenced, having elected to participate in such offering. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of certain Holders and that does not directly or indirectly affect the rights of other Holders may be given by Holders holding a majority of the Registrable Securities outstanding at such time to which such waiver or consent relates; *provided*, *however*, that the provisions of this sentence may not be amended, modified, or supplemented except in accordance with the provisions of the immediately preceding sentence. No waiver of any terms or conditions of this Agreement shall operate as a waiver of any other breach of such terms and conditions or any other term or condition, nor shall any failure to enforce any provision hereof operate as a waiver of such provision or of any other provision hereof. No written waiver hereunder, unless it by its own terms explicitly provides to the contrary, shall be construed to effect a continuing waiver of the provisions being waived and no such waiver in any instance shall constitute a waiver in

any other instance or for any other purpose or impair the right of the party against whom such waiver is claimed in all other instances or for all other purposes to require full compliance with such provision. The failure of any party to enforce any provision of this Agreement shall not be construed as a waiver of such provision and shall not affect the right of such party thereafter to enforce each provision of this Agreement in accordance with its terms.

(i) Notices. All notices and other communications in connection with this Agreement shall be in writing and shall be deemed given if delivered personally, sent via electronic facsimile (with confirmation), mailed by registered or certified mail (return receipt requested) or delivered by an express courier (with confirmation) at the following address (or at such other address as may be specified by like notice):

(j) Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors and assigns (including any trustee in bankruptcy). In addition, and whether or not any express assignment shall have been made, the provisions of this Agreement which are for the benefit of the Holders of Registrable Securities (or any portion thereof) as such shall be for the benefit of and enforceable by any subsequent holder of any Registrable Securities (or of such portion thereof); *provided*, that such subsequent holder of Registrable Securities shall be required to execute a joinder to this Agreement in form

and substance reasonably satisfactory to the Company, agreeing to be bound by its terms. Subject to Section 2(i) hereof, no assignment or delegation of this Agreement by the Company, or any of the Company's rights, interests or obligations hereunder, shall be effective against any Holder without the prior written consent of such Holders holding 66 2/3% of all Registrable Securities at such time; *provided, further*, *however*, that no such assignment or delegation that disproportionately and adversely affects, alters, or changes the interests of any Holder shall be effective against such Holder without the prior written consent of such Holder (other than an assignment in connection with the reincorporation of the Company or its businesses in another jurisdiction).

(k) Execution and Counterparts. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement. All references to laws, rules, regulations and forms in this Agreement shall be deemed to be references to such laws, rules, regulations and forms, as amended from time to time or, to the extent replaced, the comparable successor thereto in effect at the time. All references to agencies, self-regulatory organizations or governmental entities in this Agreement shall be deemed to be references to the comparable successors thereto from time to time.

Any Definitive Warrant Certificate delivered in exchange for an interest in a Global Warrant Certificate pursuant to this Section 2.5(f) shall not bear the Global Warrant Legend. Interests in any Global Warrant Certificate may not be exchanged for Definitive Warrant Certificates other than as provided in this Section 2.5(f).

(g) The Warrantholder of a Global Warrant Certificate registered in the name of the Depositary or its nominee may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Warrantholder of a Warrant Certificate is entitled to take under this Warrant Agreement or such Global Warrant Certificate.

(h) Each Global Warrant Certificate will evidence such of the outstanding Warrants as will be specified therein and each shall provide that it evidences the aggregate number of outstanding Warrants from time to time endorsed thereon and that the aggregate number of outstanding Warrants evidenced thereby may from time to time be reduced to reflect exercises. Any endorsement of a Global Warrant Certificate to reflect the amount of any decrease in the aggregate number of outstanding Warrants evidenced thereby will be made by the Warrant Agent in accordance with the Applicable Procedures as required by Section 3.2(b).

(i) The Company initially appoints DTC to act as Depositary with respect to the Global Warrant Certificates.

(j) Every Warrant Certificate authenticated and delivered in exchange for, or in lieu of, a Global Warrant Certificate or any portion thereof, pursuant to this Section 2.5, Section 2.6(a) or Section 2.9, shall be authenticated and delivered in the form of, and shall be, a Global Warrant Certificate, and a Global Warrant Certificate may not be exchanged for a Definitive Warrant Certificate, in each case, other than as provided in Section 2.5(f). Whenever any provision herein refers to issuance by the Company and countersignature and delivery by the Warrant Agent of a new Warrant Certificate in exchange for the portion of a surrendered Warrant Certificate that has not been exercised, in lieu of the surrender of any Global Warrant Certificate and the issuance, countersignature and delivery of a new Global Warrant Certificate in exchange therefor, the Warrant Agent may endorse such Global Warrant Certificate to reflect a reduction in the number of Warrants evidenced thereby in the amount of Warrants so evidenced that have been so exercised.

(k) At such time as all Warrants evidenced by a particular Global Warrant Certificate have been exercised or expired in whole and not in part, such Global Warrant Certificate shall, if not in custody of the Warrant Agent, be surrendered to or retained by the Warrant Agent for cancellation in accordance with Section 3.12.

Section 2.6 Registration, Transfer, Exchange and Substitution.

(a) The Warrant Agent will maintain an office (the "**Corporate Agency Office**") in the United States of America, where Warrant Certificates may be surrendered for registration of transfer or exchange and where Warrant Certificates may be surrendered for exercise of Warrants evidenced thereby, which office is 6201 15th Avenue, Brooklyn, NY 11219 on the Closing Date. The Warrant Agent will give prompt written notice to all Warrantholders of any change in the location of such office.

(b) The Warrant Certificates evidencing the Warrants shall be issued in registered form only. The Company shall cause to be kept at the office of the Warrant Agent designated for such purpose a warrant register (the "**Warrant Register**") in which, subject to such reasonable regulations as the Warrant Agent may prescribe and such regulations as may be prescribed by Law, the Company shall provide for the registration of Warrant Certificates and of transfers or exchanges of Warrant Certificates as herein provided.

(c) Upon surrender for registration of transfer of any Warrant Certificate at the Corporate Agency Office, the Company shall execute, and the Warrant Agent shall countersign and deliver, in the name of the designated transferee or transferees, one or more new Warrant Certificates evidencing a like aggregate number of Warrants.

(d) At the option of the Warrantholder, Warrant Certificates may be exchanged at the office of the Warrant Agent upon payment of the charges hereinafter provided for other Warrant Certificates evidencing a like aggregate number of Warrants. Whenever any Warrant Certificates are so surrendered for exchange, the Company shall execute, and the Warrant Agent shall countersign and deliver, the Warrant Certificates of the same tenor and evidencing the same number of Warrants as evidenced by the Warrant Certificates surrendered by the Warrantholder making the exchange.

(e) All Warrant Certificates issued upon any registration of transfer or exchange of, or in lieu of, Warrant Certificates shall be the valid obligations of the Company, evidencing the same obligations, and entitled to the same benefits under this Warrant Agreement, as the Warrant Certificates surrendered for such registration of transfer or exchange or substitution.

(f) Every Warrant Certificate surrendered for registration of transfer or exchange shall (if so required by the Company or the Warrant Agent) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Warrant Agent, duly executed by the Warrantholder thereof or his attorney duly authorized in writing.

(g) No service charge shall be made for any registration of transfer or exchange of Warrant Certificates; provided, however, to the extent provided in the proviso to Section 3.11, the Company may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Warrant Certificates, and may subject any such transfer to the payment of unpaid withholding taxes (if any) attributable to the transferor Warrantholder as and to the extent provided in Section 3.13.

(h) The Warrant Agent shall, upon request of the Company from time to time, deliver to the Company such reports of registered ownership of the Warrants and such records of

transactions with respect to the Warrants and the Common Shares as the Company may request. The Warrant Agent shall also make available to the Company for inspection by the Company's agents or employees, from time to time as the Company may request, such original books of accounts and records maintained by the Warrant Agent in connection with the issuance and exercise of Warrants hereunder, such inspections to occur at the Corporate Agency Office during normal business hours.

(i) The Warrant Agent shall keep copies of this Warrant Agreement and any notices given to Warrantholders hereunder available for inspection by the Warrantholders during normal business hours at the Corporate Agency Office. The Company shall supply the Warrant Agent from time to time with such numbers of copies of this Warrant Agreement as the Warrant Agency may request.

(j) Transfers of the Warrant Certificates evidencing Warrants shall be subject only to the terms of this Warrant Agreement and applicable securities Laws. The Warrant Agent shall register the transfer, from time to time, of any outstanding Warrant Certificates evidencing Warrants upon the Warrant Register, upon delivery of a duly executed assignment, in the form attached hereto as EXHIBIT A

(k) , and accompanied by appropriate instructions for transfer. No such transfer shall be effected until, and the transferee shall succeed to the rights of the holder thereof only upon, final acceptance and registration of the transfer in the Warrant Register by the Warrant Agent. Prior to the registration of any transfer of a Warrant Certificate evidencing a Warrant as provided herein, the Company, the Warrant Agent, and any agent of the Company or the Warrant Agent may treat the Person in whose name such Warrant Certificate is registered as the owner thereof and of the Warrants evidenced thereby for all purposes, notwithstanding any notice to the contrary. Subject to Section 3.11, no service charge, tax or governmental payment shall be required of any transferor or transferee in connection with any such transfer or registration of transfer. A party requesting transfer of a Warrant Certificate evidencing a Warrant must provide reasonable and customary evidence of authority if requested by the Warrant Agent.

Section 2.7 Cancellation of the Warrants. Any Warrants outstanding as of the Expiration Time shall be automatically cancelled without any further action on the part of the Warrant Agent or any other Person.

Section 2.8 CUSIP Numbers. In issuing the Warrants, the Company will use a "CUSIP" number. The Warrant Agent will use CUSIP numbers in notices to Warrantholders. The Company will promptly notify the Warrant Agent in writing of any change in the CUSIP numbers.

Section 2.9 Loss or Mutilation.

(a) If (i) any mutilated Warrant Certificate is surrendered to the Warrant Agent or (ii) both (A) there shall be delivered to the Company and the Warrant Agent (x) a claim by a Warrantholder as to the destruction, loss or wrongful taking of any Warrant Certificate of such Warrantholder and a request thereby for a new replacement Warrant Certificate, and (y) such indemnity bond as may be required by them to save each of them and any agent of either of them harmless and (B) such other reasonable requirements as may be imposed by the Company as

permitted by Section 8-405 of the Uniform Commercial Code have been satisfied, then, in the absence of notice to the Company or the Warrant Agent that such Warrant Certificate has been acquired by a "protected purchaser" within the meaning of Section 8-405 of the Uniform Commercial Code, the Company shall execute and upon its written request the Warrant Agent shall countersign and deliver to the registered Warrantholder of the lost, wrongfully taken, destroyed or mutilated Warrant Certificate, in exchange therefore or in lieu thereof, a new Warrant Certificate of the same tenor and for a like aggregate number of Warrants and of the same class.

(b) Upon the issuance of any new Warrant Certificate under this Section 2.9, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and other reasonable expenses (including the reasonable fees and expenses of the Warrant Agent and of counsel to the Company) in connection therewith.

(c) Every new Warrant Certificate executed and delivered pursuant to this Section 2.9 in lieu of any lost, wrongfully taken or destroyed Warrant Certificate shall constitute an additional contractual obligation of the Company, whether or not the allegedly lost, wrongfully taken or destroyed Warrant Certificate shall be at any time enforceable by anyone, and shall be entitled to the benefits of this Warrant Agreement equally and proportionately with any and all other Warrant Certificates duly executed and delivered hereunder.

(d) The provisions of this Section 2.9 are exclusive and shall preclude (to the extent lawful) all other rights or remedies with respect to the replacement of mutilated, lost, wrongfully taken or destroyed Warrant Certificates.

ARTICLE 3

EXERCISE AND SETTLEMENT OF WARRANTS

Section 3.1 Right to Acquire Common Shares Upon Exercise. Each Warrant Certificate shall, when countersigned by the Warrant Agent, entitle the Warrantholder thereof, subject to the provisions thereof and of this Warrant Agreement, to acquire from the Company, for each Warrant evidenced thereby, one Common Share at the Exercise Price, subject to adjustment as provided in this Warrant Agreement. The Exercise Price, and the number of Common Shares obtainable upon exercise of each Warrant, shall be adjusted from time to time as required by Article 4.

Section 3.2 Exercise Procedures for Warrants.

(a) In order to exercise all or any of the Warrants represented by a Warrant Certificate, the Warrantholder thereof must:

(i) (x) in the case of a Global Warrant Certificate, provide to the Warrant Agent at the Corporate Agency Office a duly completed and executed Exercise Notice as to the number of Warrants being exercised and, if applicable, whether Cashless Settlement is being elected with respect thereto, and deliver such Warrants by book-entry transfer through the facilities of the Depositary, to the Warrant Agent in accordance with the

Applicable Procedures and otherwise comply with the Applicable Procedures in respect of the exercise of such Warrants or (y) in the case of a Definitive Warrant Certificate, at the Corporate Agency Office (A) surrender to the Warrant Agent the Warrant Certificate evidencing such Warrants and (B) deliver to the Warrant Agent a duly completed and executed Exercise Notice as to the Warrantholder's election to exercise the number of the Warrants specified therein and, if applicable, whether Cashless Settlement is being elected with respect thereto, duly executed by such Warrantholder; and

(ii) pay to the [Warrant Agent][9] an amount equal to (x) those applicable taxes and charges required to be paid by the Warrantholder, if any, pursuant to Section 3.11 and Section 3.13, prior to, or concurrently with, exercise of such Warrants and (y) except in the case of a Cashless Settlement, the aggregate of the Exercise Price in respect of each Common Share into which such Warrants are exercisable, in case of (x) and (y), by wire transfer in immediately available funds, to the account ([*insert account number*]) of the [Warrant Agent] at [*insert full legal name of bank*] or such other account of the [Warrant Agent] at such banking institution as the Warrant Agent shall have given notice to the Warrantholders in accordance with Section 6.14.

(b) If fewer than all the Warrants represented by a Warrant Certificate are exercised, (i) in the case of exercise of Warrants evidenced by a Global Warrant Certificate, the Warrant Agent shall endorse the "Schedule of Decreases of Warrants" attached to such Global Warrant Certificate to reflect the Warrants being exercised and (ii) in the case of exercise of Warrants evidenced by a Definitive Warrant Certificate, such Definitive Warrant Certificate shall be surrendered and a new Definitive Warrant Certificate of the same tenor and for the number of Warrants which were not exercised shall be executed by the Company. The Warrant Agent shall countersign the new Definitive Warrant Certificate, registered in such name or names, subject to the provisions of Section 2.6 regarding registration of transfer and Section 3.11 regarding payment of governmental charges in respect thereof, as may be directed in writing by the Warrantholder, and shall deliver the new Definitive Warrant Certificate to the Person or Persons in whose name such new Warrant Certificate is so registered. The Company, whenever required by the Warrant Agent, will supply the Warrant Agent with Definitive Warrant Certificates duly executed on behalf of the Company for such purpose.

(c) Upon due exercise of Warrants evidenced by any Warrant Certificate in conformity with the foregoing provisions of Section 3.2(a), the Warrant Agent shall, when actions specified in Section 3.2(a)(i) have been effected and any payment specified in Section 3.2(a)(ii) is received, deliver to the Company the Exercise Notice received pursuant to Section 3.2(a)(i), deliver or deposit all funds received as instructed in writing by the Company and advise the Company by telephone at the end of such day of the amount of funds so deposited to its account.

(d) The date on which all of the requirements for exercise set forth in this Section 3.2 in respect of a Warrant have been satisfied is the "**Exercise Date**" with respect to such Warrant (subject to Section 3.2(h)).

[9] NTD: To confirm whether the Exercise Price is to be paid to the Company or to the Warrant Agent. To update corresponding bracketed terms in the form of Warrant Certificate as well.

(e) Subject to Section 3.2(g) and Section 3.2(h), any exercise of a Warrant pursuant to the terms of this Warrant Agreement shall be irrevocable and enforceable in accordance with its terms.

(f) All funds received by the Warrant Agent under this Warrant Agreement that are to be distributed or applied by the Warrant Agent in the performance of services in accordance with this Warrant Agreement (the "**Funds**") shall be held by the Warrant Agent as agent for the Company and deposited in one or more bank accounts to be maintained by the Warrant Agent in its name as agent for the Company (the "**Funds Account**"). Until paid pursuant to the terms of this Warrant Agreement, the Warrant Agent will hold the Funds through the Funds Account in deposit accounts of commercial banks with Tier 1 capital exceeding $1 billion or with an average rating above investment grade by S&P (LT Local Issuer Credit Rating), Moody's (Long Term Rating) and Fitch Ratings, Inc. (LT Issuer Default Rating), each as reported by Bloomberg Finance L.P. The Warrant Agent shall have no responsibility or liability for any diminution of the Funds that may result from any deposit made by the Warrant Agent in accordance with this paragraph, including any losses resulting from a default by any bank, financial institution or other third party. The Warrant Agent may from time to time receive interest, dividends or other earnings in connection with such deposits.

(g) Prior to the delivery of any Common Shares upon exercise of a Warrant, the Company shall be obligated to comply with all applicable Laws which require action to be taken by the Company in connection with such delivery.

(h) Notwithstanding any other provision of this Warrant Agreement, if the exercise of any Warrant is to be made in connection with a Liquidity Event, such exercise may, at the election of the Exercising Owner, be conditioned upon consummation of such transaction or event, in which case such exercise shall not be deemed effective until the consummation of such transaction or event.

(i) If a Liquidity Event occurs in which the consideration to be paid to holders of Common Shares consists solely of cash in an amount per Common Share that exceeds the Exercise Price then in effect, the Warrants that are otherwise unexercised immediately prior to the effectiveness of such Liquidity Event shall be deemed to be automatically exercised at such time on a Cashless Settlement basis and the Holders of such Warrants shall be entitled to receive for each such Warrant an amount in cash equal to the cash amount per Common Share to be paid to holders of Common Shares in such Liquidity Event *less* the Exercise Price per Common Share then in effect.

(j) The Warrant Agent shall forward funds deposited in the Funds Account in a given week by the fifth Business Day of the following week by wire transfer to an account designated by the Company.

Section 3.3 Common Shares Issuable. The number of Common Shares "obtainable upon exercise" of Warrants at any time shall be the number of Common Shares into which such Warrants are then exercisable. The number of Common Shares "into which each Warrant is exercisable" shall be one Common Share, subject to adjustment as provided in Article 4.

Section 3.4 Settlement of Warrants.

(a) Warrants may be exercised using Cash Settlement or Cashless Settlement in accordance with this Article 3 at any time prior to the Expiration Time, either in full or from time to time in part.

(b) Cash Settlement shall apply to each Warrant unless the Exercising Owner elects for Cashless Settlement to apply upon exercise of such Warrant. Such election shall be made in the Exercise Notice for such Warrant.

(c) If Cash Settlement applies to the exercise of a Warrant, upon the proper and valid exercise thereof by an Exercising Owner, the Company shall cause to be delivered to the Exercising Owner the Cash Settlement Share Amount, together with cash in lieu of any fractional Common Share as provided in Section 3.6, on the Settlement Date.

(d) If Cashless Settlement applies to the exercise of a Warrant:

(i) The Warrantholder must (A) expressly state in its Exercise Notice its desire to effect a Cashless Settlement and (B) must provide the Exercise Notice to the Warrant Agent at the Corporate Agency Office.

(ii) Upon the proper and valid exercise thereof by an Exercising Owner, the Company shall cause to be delivered to the Exercising Owner the Cashless Settlement Share Amount on the Settlement Date, together with cash in lieu of any fractional Common Share, as provided in Section 3.6.

(iii) Upon written request from any Exercising Owner in connection with a Cashless Settlement for which the Fair Market Value is determined pursuant to clause (iii) of the definition thereof, the Company shall notify such Exercising Owner of the Board's determination of such Fair Market Value and provide a brief explanation of the methodology of such determination (without any obligation to disclose any confidential or proprietary information) reasonably promptly after the later of the receipt of such request by the Company and the Board's determination of such Fair Market Value, but in any event within 30 days of such later date.

Section 3.5 Delivery of Common Shares.

(a) In connection with the exercise of Warrants, the Warrant Agent shall:

(i) examine all Exercise Notices and all other documents delivered to it to ascertain whether, on their face, such Exercise Notices and any such other documents have been executed and completed in accordance with their terms;

(ii) where an Exercise Notice or other document appears on its face to have been improperly completed or executed or some other irregularity in connection with the exercise of the Warrant exists, endeavor to inform the appropriate parties (including the Person submitting such instrument) of the need for fulfillment of all requirements, specifying those requirements which appear to be unfulfilled;

(iii) inform the Company of and cooperate with and assist the Company in resolving any reconciliation problems between the Exercise Notices received and delivery of Warrants to the Warrant Agent's account;

(iv) advise the Company with respect to an exercise, as promptly as practicable following the satisfaction of each of the applicable procedures for exercise set forth in Section 3.2(a) of (v) the receipt of such Exercise Notice and the number of Warrants exercised in accordance with the terms and conditions of this Warrant Agreement, (w) the number of Common Shares to be delivered by the Company, (x) the instructions with respect to issuance of the Common Shares, (y) the number of Persons who will become holders of record of the Company (who were not previously holders of record) as a result of receiving Common Shares upon exercise of the Warrants and (z) such other information as the Company shall reasonably require;

(v) promptly deposit in the Funds Account all Funds received in payment of the applicable Exercise Price in connection with any Cash Settlement of Warrants;

(vi) provide to the Company, upon the Company's request, the number of Warrants previously exercised, the number of Common Shares issued in connection with such exercises and the number of remaining outstanding Warrants; and

(vii) provide to the Company, upon the Company's request, any Exercise Notices delivered pursuant to Section 3.2(a) and any documents delivered pursuant to Section 3.5(a)(i).

(b) With respect to each properly exercised Warrant evidenced by any Warrant Certificate in accordance with this Warrant Agreement, (x) in the case of exercise of Warrants evidenced by a Global Warrant Certificate, the Company shall deliver or cause to be delivered to the Recipient in accordance with the Applicable Procedures Common Shares in book-entry form to be so held through the facilities of DTC in an amount equal to, or, if the Common Shares may not then be held in book-entry form through the facilities of DTC, duly executed certificates representing, or (y) in the case of exercise of Warrants evidenced by Definitive Warrant Certificates, deliver or cause to be delivered to the Recipient Common Shares in book-entry form on the Common Share registrar maintained by the Warrant Agent for such purpose, or, at the election of the Warrantholder, duly executed certificates representing, in case of (x) or (y), the aggregate number of Common Shares issuable upon such exercise (based upon the aggregate number of Warrants so exercised) (A) unless clause (B) is applicable, for the benefit and in the name of the Exercising Owner or (B) for the benefit and in the name of such Person (other than the Exercising Owner) designated by the Exercising Owner submitting the applicable Exercise Notice (the "**Recipient**"). The Person on whose behalf and in whose name any Common Shares are registered shall for all purposes be deemed to have become the holder of record of such Common Shares as of the Close of Business on the applicable Exercise Date. The Company covenants that all Common Shares which may be issued upon exercise of Warrants will be, upon payment of the Exercise Price (if applicable) and issuance thereof, fully paid and nonassessable, free of preemptive rights and (except as specified in the proviso to Section 3.11) free from all documentary, stamp or similar issue or transfer taxes in respect of the issuance thereof, and all liens, charges and security interests with respect to the issuance thereof.

(c) Promptly after the Warrant Agent has taken the action required by this Section 3.5 (or at such later time as may be mutually agreeable to the Company and the Warrant Agent), the Warrant Agent shall account to the Company with respect to the consummation of any exercise of any Warrants.

Section 3.6 No Fractional Common Shares to Be Issued.

(a) Notwithstanding anything to the contrary in this Warrant Agreement, the Company shall not be required to issue any fraction of a Common Share upon exercise of any Warrants.

(b) If any fraction of a Common Share would, except for the provisions of this Section 3.6, be issuable on the exercise of any Warrants, the Company shall make a cash payment in lieu of issuing such fractional Common Share equal to the Fair Market Value of one Common Share, as determined on the date the Warrant is presented for exercise, multiplied by such fraction, rounded to the nearest whole cent. All Warrants exercised by a Warrantholder on the same Exercise Date shall be aggregated for purposes of determining the number of Common Shares to be delivered pursuant to Section 3.5(b).

(c) Each Warrantholder, by its acceptance of an interest in a Warrant, expressly waives its right to any fraction of a Common Share upon its exercise of such Warrant.

Section 3.7 Acquisition of Warrants by Company. The Company shall have the right, except as limited by Law, to purchase or otherwise to acquire one or more Warrants at such times, in such manner and for such consideration as agreed by the Company and the applicable Warrantholder.

Section 3.8 Validity of Exercise. All questions as to the validity, form and sufficiency (including time of receipt) of a Warrant exercise shall be determined by the Company in good faith in accordance with the terms of this Warrant Agreement and the Warrants, which determination, absent manifest error, shall be final and binding with respect to the Warrant Agent. The Warrant Agent shall incur no liability for or in respect of and, except to the extent such liability arises from the Warrant Agent's gross negligence, willful misconduct, bad faith or material breach of this Warrant Agreement (as determined by a court of competent jurisdiction in a final non-appealable judgment) and shall be indemnified and held harmless by the Company for acting or refraining from acting upon, or as a result of, such determination by the Company. The Company reserves the absolute right to waive any of the conditions to the exercise of Warrants or defects in Exercise Notices with regard to any particular exercise of Warrants.

Section 3.9 Certain Calculations.

(a) The Warrant Agent shall be responsible for performing all calculations, except for the case of Cashless Settlements, required in connection with the exercise and settlement of the Warrants as described in this Article 3. In connection therewith, the Warrant Agent shall provide prompt written notice to the Company, in accordance with Section 3.5(a)(iv), of the number of Common Shares deliverable upon exercise and settlement of Warrants. The Company shall be responsible for all calculations and determinations required in connection with any Cashless Settlements and shall provide written notification to the Warrant Agent of the Cashless

Settlement Share Amount to be issued on the Settlement Date for any Cashless Settlement. The Warrant Agent shall not be responsible for performing the calculations set forth in Article 4.

(b) The Warrant Agent shall not be accountable with respect to the validity or value of any Common Shares that may at any time be issued or delivered upon the exercise of any Warrant, and it makes no representation with respect thereto. The Warrant Agent shall not be responsible, to the extent not arising from the Warrant Agent's gross negligence, willful misconduct or bad faith (as determined by a court of competent jurisdiction in a final non-appealable judgment), for any failure of the Company to issue, transfer or deliver any Common Shares, or to comply materially with any of the covenants of the Company contained in this Article 3 of this Warrant Agreement.

Section 3.10 Reservation and Listing of Common Shares. The Company will at all times reserve and keep available, out of its authorized but unissued Common Shares, solely for the purpose of providing for the exercise of the Warrants, the aggregate number of Common Shares then issuable upon exercise of the Warrants at any time. The Company will procure, at its sole expense, the listing of the Common Shares issued upon exercise of the Warrants on all National Securities Exchanges on which the Common Shares are then listed. The Company shall take all action reasonably necessary to ensure that the Common Shares will be issued without violation of any applicable Law or regulation or of any requirement of any securities exchange on which the Common Shares are listed or traded.

Section 3.11 Charges, Taxes and Expenses. Issuance of the Warrant Certificates evidencing Warrants and issuance of Common Shares upon the exercise of the Warrants shall be made without charge for any documentary, stamp or similar issue or transfer tax or other incidental expense in respect of the issuance thereof, all of which taxes and expenses shall be paid by the Company (excluding, for the avoidance of doubt, any income or withholding taxes); provided, however, that the Company shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of Warrant Certificates evidencing such Warrants or Common Shares in book-entry form or any certificates for Common Shares or payment of cash or other property in a name or to any Person other than the Warrantholder of the Warrant Certificate surrendered upon exercise or transfer, and the Company shall not be required to issue or deliver Warrant Certificates or Common Shares in book-entry form or any certificates for Common Shares or payment of cash or other property, as applicable, unless and until the Persons requesting the issuance thereof shall have paid to the Company the amount of such tax or shall have reasonably demonstrated that such tax has been paid.

Section 3.12 Cancellation of Warrant Certificates. Any Definitive Warrant Certificate surrendered for exercise shall, if surrendered to the Company, be delivered to the Warrant Agent. All Warrant Certificates surrendered or delivered to or received by the Warrant Agent for cancellation pursuant to this Section 3.12 or Section 2.5(f) or Section 2.5(k) shall be promptly cancelled by the Warrant Agent and shall not be reissued by the Company. The Warrant Agent shall destroy any such cancelled Warrant Certificates and deliver its certificate of destruction to the Company, unless the Company shall otherwise direct.

Section 3.13 Withholding and Reporting Requirements. The Company shall comply with all applicable tax withholding and reporting requirements imposed by any governmental

authority with respect to the Warrants and this Warrant Agreement, and all distributions, dividends or other payments requiring withholding under applicable law, including, as applicable, deemed distributions or dividends pursuant to the Warrants and any payment of cash in lieu of Common Shares payable in connection with the exercise of a Warrant, will be subject to applicable withholding and reporting requirements. Notwithstanding any provision hereof to the contrary, each of the Company and the Warrant Agent will be authorized to, at their discretion, (a) take any actions that may be reasonably necessary or appropriate to comply with such withholding and reporting requirements, (b) apply any cash amount otherwise deliverable to a Warrantholder (whether pursuant to this Warrant Agreement or otherwise) to pay (or, in the case of the Company, reimburse the Company for) withholding taxes attributable to such Warrantholder, (c) liquidate a portion of any non-cash amount (including Common Shares) otherwise deliverable to a Warrantholder (whether pursuant to this Warrant Agreement or otherwise) to generate sufficient funds to pay (or, in the case of the Company, reimburse the Company for) withholding taxes attributable to such Warrantholder, (d) require reimbursement from any Warrantholder to the extent any withholding is required in respect of such Warrantholder in the absence of any cash or property described in clauses (b) or (c), or (e) establish any other mechanisms it believes are reasonably necessary and appropriate, including requiring Warrantholders to (x) submit appropriate tax and withholding certifications (such as Internal Revenue Service Forms W-9 and the appropriate Internal Revenue Service Forms W-8, as applicable) or any other documentation reasonably requested to comply with any withholding under applicable law or (y) requiring Warrantholders to promptly pay to the Company in cash any withholding tax amount which is or was required to be paid under applicable law with respect to such Warrantholder as a condition of receiving the benefit of any adjustment as provided in this Warrant Agreement.

ARTICLE 4

ADJUSTMENTS

Section 4.1 **Adjustments and Other Rights**. The Exercise Price and the number of Common Shares for which each Warrant is exercisable pursuant to Article 3 of this Warrant Agreement shall be subject to adjustment from time to time in accordance with this Article 4; provided that (i) no single event shall be subject to adjustment under more than one subsection of this Article 4 so as to result in duplication and (ii) if any single event would otherwise require adjustment of the Exercise Price pursuant to more than one such subsection, the adjustment that provides the highest value relative to the rights and interests of each Warrantholder shall be made.

Section 4.2 **Common Share Dividends, Distributions, Splits, Subdivisions, Reclassifications or Combinations**. If the Company shall (i) declare a dividend or make a distribution on its Common Shares in Common Shares, (ii) split, subdivide, recapitalize, restructure or reclassify the outstanding Common Shares into a greater number of Common Shares or (iii) combine, recapitalize, restructure or reclassify the outstanding Common Shares into a smaller number of Common Shares, in each case other than upon a transaction to which Section 4.5 or Section 4.6 applies, the number of Common Shares issuable upon exercise of a Warrant at the time of the Record Date for such dividend or distribution or the effective date of such split, subdivision, combination, recapitalization, restructuring or reclassification shall be proportionately adjusted so that the Warrantholder, after such date, shall be entitled to purchase the number of Common Shares which such Warrantholder would have owned or been entitled to

receive on such date had such Warrant been exercised immediately prior to such date. In such event, the Exercise Price in effect at the time of the Record Date for such dividend or distribution or the effective date of such split, subdivision, combination, recapitalization, restructuring or reclassification shall be adjusted to the number obtained by dividing (x) the product of (i) the number of Common Shares issuable upon the exercise of a Warrant before such adjustment and (ii) the Exercise Price in effect immediately prior to the Record Date or effective date, as the case may be, for such dividend, distribution, split, subdivision, combination, recapitalization, restructuring or reclassification giving rise to this adjustment by (y) the new number of Common Shares issuable upon exercise of a Warrant determined pursuant to the immediately preceding sentence.

Section 4.3 Other Distributions. In case the Company shall fix a Record Date for the making of a distribution to all holders of its Common Shares of (a) limited liability company interests of any class other than Common Shares, (b) evidence of indebtedness of the Company or any Subsidiary, (c) other securities, assets or cash (excluding dividends or distributions referred to in Section 4.2) or (d) rights or warrants (other than in connection with the adoption of a stockholder rights plan (or equivalent for entity types other than corporations)), in each such case, the Exercise Price in effect prior thereto shall be reduced immediately thereafter to the price obtained by multiplying the Exercise Price in effect immediately prior thereto by the fraction resulting from dividing (x) an amount equal to the difference resulting from (i) the number of Common Shares outstanding on such Record Date multiplied by the Fair Market Value of the Common Shares on the Business Day immediately prior to such Record Date less (ii) the Fair Market Value of said limited liability company interests, evidences of indebtedness, assets, cash, rights or warrants to be so distributed in the aggregate to all Common Shares outstanding on such Record Date by (y) the number of Common Shares outstanding on such Record Date multiplied by the Fair Market Value of the Common Shares on the trading date immediately prior to such Record Date. Such adjustment shall be made successively whenever such a Record Date is fixed. In such event, the number of Common Shares issuable upon the exercise of a Warrant shall be increased to the number obtained by dividing (x) the product of (i) the number of Common Shares issuable upon the exercise of a Warrant before such adjustment and (ii) the Exercise Price in effect immediately prior to the Record Date for the distribution giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the second preceding sentence. In the event that such distribution is not so made, the Exercise Price and the number of Common Shares issuable upon exercise of a Warrant then in effect shall be readjusted, effective as of the date when the Board determines not to distribute such limited liability company interests, evidences of indebtedness, assets, cash, rights or warrants, as the case may be, to the Exercise Price that would then be in effect and the number of Common Shares that would then be issuable upon exercise of a Warrant if such Record Date had not been fixed.

Section 4.4 Dissolution, Total Liquidation or Winding Up. If at any time there is a voluntary or involuntary dissolution, total liquidation or winding-up of the Company, then the Company shall provide each Warrantholder with written notice of the date on which such dissolution, liquidation or winding-up shall take place (and, in any event, not less than 30 days before any date set for definitive action). Such notice shall also specify the date as of which the record holders of Common Shares shall be entitled to exchange their Common Shares for securities, money or other property deliverable upon such dissolution, liquidation or winding-up, as the case may be. On such date, each Warrantholder shall be entitled to receive, upon surrender

of its Warrant for each Common Share then receivable upon exercise of such Warrant, the cash, securities or other property, less the Exercise Price for such Warrant then in effect, that such Warrantholder would have been entitled to receive in respect of such Common Share had such Warrant been exercised immediately prior to such dissolution, liquidation or winding-up. Upon receipt of such cash, securities or other property, any and all rights of such Warrantholder to exercise such Warrant shall terminate in their entirety. If the cash, securities or other property distributable in respect of such Common Share in the dissolution, liquidation or winding-up has a Fair Market Value which is less than the Exercise Price for such Warrant then in effect, no such cash, securities or other property shall be delivered to such Warrantholder in respect of such Warrants and such Warrant shall terminate and be of no further force or effect upon the dissolution, liquidation or winding-up.

Section 4.5 Successor upon Consolidation, Merger and Sale of Assets.

(a) Other than with respect to a Liquidity Event, the Company may only consolidate or merge with any other Person (a "**Fundamental Equity Change**"), so long as the Company is the surviving Person, or, in the event that the Company is not the surviving Person:

(i) the successor to the Company assumes all of the Company's obligations under this Warrant Agreement and the Warrants; and

(ii) the successor to the Company provides written notice of such assumption to the Warrant Agent.

(b) In the case of any Fundamental Equity Change other than a Liquidity Event, the successor entity shall succeed to and be substituted for the Company with the same effect as if it had been named herein as the Company; provided, however, such successor entity shall provide the Warrant Agent with any such identifying company information as reasonably required by the Warrant Agent. Such successor entity thereupon may cause to be signed, and may issue any or all of the Warrants issuable pursuant to this Warrant Agreement which theretofore shall not have been signed by the Company; and, upon the order of such successor entity, instead of the Company, and subject to all the terms, conditions and limitations in this Warrant Agreement prescribed, the Warrant Agent shall authenticate and deliver, as applicable, any Warrants that previously shall have been signed and delivered by the officers of the Company to the Warrant Agent for authentication, and any Warrants which such successor entity thereafter shall cause to be signed and delivered to the Warrant Agent for such purpose.

(c) If a Liquidity Event is consummated prior to the Expiration Time, then any Warrants that are unexercised prior to the consummation of such Liquidity Event shall be deemed to have expired worthless and will be cancelled for no further consideration.

Section 4.6 Adjustment upon Reorganization Event.

(a) If there occurs any Fundamental Equity Change or any recapitalization, reorganization, consolidation, reclassification, change in the outstanding Common Shares (other than changes resulting from a subdivision or combination to which Section 4.2 applies), statutory share exchange, statutory unit exchange or other transaction (in each case, other than a Liquidity Event), in each case as a result of which the Common Shares would be converted into, changed

into or exchanged for stock, other securities, other property or assets (including cash or any combination thereof) (each such event a "**Reorganization Event**"), then following the effective time of the Reorganization Event, the right to receive Common Shares upon exercise of a Warrant shall be changed to a right to receive, upon exercise of such Warrant, the kind and amount of shares of stock, units, other securities or other property or assets (including cash or any combination thereof) that a holder of the number of Common Shares for which one Warrant is exercisable immediately prior to such Reorganization Event would have owned or been entitled to receive in connection with such Reorganization Event (the "**Reference Property**", with a "**Unit of Reference Property**" meaning the kind and amount of Reference Property that a holder of one Common Share is entitled to receive). In the event holders of Common Shares have the opportunity to elect the form of consideration to be received in a Reorganization Event, the type and amount of consideration into which the Warrants shall be exercisable from and after the effective time of such Reorganization Event shall be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Shares that have the right to make such election in such Reorganization Event. The Company hereby agrees not to become a party to any Reorganization Event unless its terms are consistent with this Section 4.6.

(b) At any time from, and including, the effective time of a Reorganization Event, the number of Common Shares that the Company would have been required to deliver upon exercise of the Warrants shall instead be deliverable in a corresponding number of Units of Reference Property and, in the case of Cashless Settlement, shall be determined based on the Fair Market Value of a Unit of Reference Property.

(c) On or prior to the effective time of any Reorganization Event, the Company or the successor or purchasing Person, as the case may be, shall execute an amendment to this Warrant Agreement providing that the Warrants shall be exercisable for Units of Reference Property in accordance with the terms of this Section 4.6. If the Reference Property in connection with any Reorganization Event includes shares of stock, units or other securities and assets of a Person other than the successor or purchasing Person, as the case may be, in such Reorganization Event, then the Company shall cause such amendment to this Warrant Agreement to be executed by such other Person and such amendment shall contain such additional provisions to protect the interests of the Warrantholder (for the benefit of the Beneficial Owners under this Warrant Agreement) as the Board shall reasonably consider necessary by reason of the foregoing. Any such amendment to this Warrant Agreement shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided for in this Article 4. In the event the Company shall execute an amendment to this Warrant Agreement pursuant to this Section 4.6, the Company shall promptly file with the Warrant Agent a certificate executed by a duly authorized officer of the Company briefly stating the reasons therefor, the kind or amount of cash, securities or property or assets that will comprise a Unit of Reference Property after the relevant Reorganization Event, any adjustment to be made with respect thereto and that all conditions precedent have been complied with. The Company shall cause notice of the execution of the amendment to be mailed to the Warrantholder, at its address appearing on the Warrant Register, within five Business Days after execution thereof.

(d) The above provisions of this Section 4.6 shall similarly apply to successive Reorganization Events.

(e) If this Section 4.6 applies to any event or occurrence, no other provision of this Article 4 shall apply to such event or occurrence (other than Section 4.5).

Section 4.7 Rounding of Calculations; Minimum Adjustments. All calculations under this Article 4 shall be made to the nearest one-tenth (1/10th) of a cent or to the nearest one-hundredth (1/100th) of a share or unit (as applicable), as the case may be. Any provision of this Article 4 to the contrary notwithstanding, no adjustment in the Exercise Price or the number of Common Shares issuable upon the exercise of a Warrant shall be made if the amount of such adjustment would be less than $0.01 or one-tenth (1/10th) of a Common Share, respectively, but any such amount shall be carried forward and an adjustment with respect thereto shall be made at the time of and together with any subsequent adjustment which, together with such amount and any other amount or amounts so carried forward, shall aggregate $0.01 or 1/10th of a Common Share, respectively, or more, subject in all cases to Section 3.6.

Section 4.8 Timing of Issuance of Additional Common Shares Upon Certain Adjustments. In any case in which the provisions of this Article 4 shall require that an adjustment shall become effective immediately after a Record Date for an event, the Company may defer until the occurrence of such event (i) issuing to each Warrantholder of a Warrant exercised after such Record Date or date of such agreement and before the occurrence of such event, issuance or sale the additional Common Shares issuable upon such exercise by reason of the adjustment required by such Record Date or agreement over and above the Common Shares issuable upon such exercise before giving effect to such adjustment and (ii) paying to such Warrantholder any amount of cash in lieu of a fractional Common Share.

Section 4.9 Statement Regarding Adjustments. Whenever the Exercise Price or the number of Common Shares issuable upon exercise of a Warrant shall be adjusted as provided in this Article 4, the Company shall promptly, and in any event within three Business Days, file, at the principal office of the Company, a statement showing in reasonable detail the facts requiring such adjustment and the Exercise Price that shall be in effect and the number of Common Shares issuable upon exercise of a Warrant after such adjustment. The Company shall also cause a copy of such statement to be delivered to each Warrantholder at the address appearing in the Company's records, and shall be available upon request to any Beneficial Owner.

Section 4.10 Notice of Adjustment Event. In the event that (i) the Company shall propose to take any action of the type described in this Article 4 or (ii) the Company fixes any Record Date for any event, the Company shall give notice to each Warrantholder, in the manner set forth in Section 4.9, which notice shall specify the Record Date, if any, with respect to any such action and the approximate date on which such action is to take place. Such notice shall also set forth the facts with respect thereto (including the material terms with respect to any contemplated transaction) and indicate the effect on the Exercise Price and the number, kind or class of shares, units or other securities or property which shall be deliverable upon exercise or exchange of a Warrant, if any. Such notice shall be given at least 10 Business Days prior to the taking of such proposed action; provided that notice of any Liquidity Event shall be given at least 21 days prior to the taking of such proposed action. Failure to give such notice, or any defect therein, shall not affect the legality or validity of any such action. Nothing herein shall prohibit the Warrantholders from exercising their Warrants during the 10 Business Day period commencing on the date of such notice (21 days in the case of a Liquidity Event).

Section 4.11 Adjustment Rules. Any adjustments pursuant to this Article 4 shall be made successively whenever an event referred to herein shall occur. If an adjustment in the Exercise Price made hereunder would reduce the Exercise Price to an amount below the par value (if any) of the Common Shares, then such adjustment in the Exercise Price made hereunder shall reduce the Exercise Price to the par value (if any) of the Common Shares and then, so long as the Company shall have taken any company action which would, in the opinion of its counsel, be necessary in order that the Company may validly issue Common Shares at the Exercise Price as so adjusted in accordance with its obligations under Section 3.9, to such lower par value (if any) as may then be established.

Section 4.12 Optional Tax Adjustment. The Company may at its option, at any time prior to the Expiration Time, increase the number of Common Shares into which each Warrant is exercisable, or decrease the Exercise Price for such Warrant, in addition to those changes otherwise required by this Article 4, as deemed advisable by the Board, in order that any event treated for Federal income tax purposes as a dividend of stock or stock rights shall not be taxable to the recipients or that such tax shall be diminished.

Section 4.13 Stockholder Rights Plans or Equivalent. If the Company has a stockholder rights plan (or equivalent for entity types other than corporations) in effect with respect to the Common Shares, upon exercise of a Warrant the applicable Exercising Owner shall be entitled to receive, in addition to the Common Shares, the rights under such stockholder rights plan (or equivalent for entity types other than corporations), subject to readjustment in the event of the expiration, termination or redemption of such rights.

ARTICLE 5

OTHER PROVISIONS RELATING TO RIGHTS OF WARRANTHOLDERS

Section 5.1 No Rights as Unitholders. Nothing contained in this Warrant Agreement shall be construed as conferring upon any Person, by virtue in and of itself of holding a Warrant Certificate evidencing any Warrant or having a beneficial interest in a Warrant, the right to vote, receive any dividend or other distribution, receive notice of, or attend, any meeting of unitholders or otherwise exercise any rights whatsoever, in each case, as a unitholder of the Company to the extent such vote, dividend, giving of notice, meeting or other exercise of rights (or, if applicable, the relevant Record Date therefor) precedes the Close of Business on the Exercise Date with respect to the exercise of such Warrant. No Warrantholder shall have any right not expressly conferred hereunder or under, or by applicable Law with respect to, the Warrant Certificate held by such holder.

Section 5.2 Modification/Amendment.

(a) This Warrant Agreement or the Warrants may be modified or amended by the Company and the Warrant Agent, without the consent of any Warrantholder, for the purposes of (i) curing any ambiguity or correcting or supplementing any defective provision contained in this Warrant Agreement or (ii) providing for the assumption of the Company's obligations pursuant to Section 4.5; provided that, in each case, any such modification or amendment does not adversely affect the interests of the Warrantholders in any material respect.

(b) This Warrant Agreement or the Warrants may be modified or amended, or noncompliance with any provision of the Warrant Agreement or the Warrants may be waived, only upon the written consent of the Required Warrantholders and the Company; provided, however, that any modification, amendment or waiver that adversely affects the interests of a Warrantholder disproportionately relative to any other Warrantholder (including any Beneficial Owner) in any material respect shall require the written consent of such Warrantholder so affected; provided, further, no such modification, amendment or waiver may, without the written consent or the affirmative vote of each Warrantholder affected (A) change the Expiration Time to an earlier time or date; or (B) increase the Exercise Price or decrease the number of Common Shares for which a Warrant is exercisable (except as set forth in Article 4) or (C) modify or amend Sections 5.4 or 5.5 hereof. Any consent delivered by electronic means shall be deemed to constitute written consent.

(c) Upon execution and delivery of any amendment pursuant to this Section 5.2, such amendment shall be considered a part of this Warrant Agreement for all purposes and every Warrantholder holding a Warrant Certificate theretofore or thereafter countersigned and delivered hereunder shall be bound thereby.

(d) In determining whether the Required Warrantholders have concurred in any direction, notice, waiver or consent, Warrants beneficially owned by the Company, any Subsidiary of the Company or any Affiliate of the Company or any Subsidiary of the Company, shall be considered as though not outstanding; provided that, for the purposes of determining whether the Warrant Agent will be protected in conclusively relying on any such direction, notice, waiver or consent, only Warrants that a responsible officer of the Warrant Agent knows are so owned will be so disregarded.

Section 5.3 Rights of Action. All rights of action against the Company in respect of this Warrant Agreement are vested in the Warrantholders, and any Warrantholder, without the consent of the Warrant Agent or any other Warrantholder, may, on such Warrantholder's own behalf and for such Warrantholder's own benefit, enforce and may institute and maintain any suit, action or proceeding against the Company suitable to enforce, or otherwise in respect of, such Warrantholder's right to exercise such Warrantholder's Warrants in the manner provided in this Warrant Agreement.

Section 5.4 Issuance Obligation Remedies. Subject to Section 5.6(c), nothing in this Warrant Agreement shall limit the right of any Warrantholder to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance or injunctive relief with respect to the Company's violation of its obligations under this Warrant Agreement, including, without limitation, any failure by the Company to timely issue Common Shares upon exercise of such Warrant as required pursuant to the terms hereof.

Section 5.5 No Impairment.

(a) The Company will not, by amendment to its certificate of formation or LLC Agreement or through reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of the Warrants or this Warrant Agreement, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may

be necessary or appropriate in order to protect the rights of the Warrantholders and the Beneficial Owners under this Warrant Agreement against impairment.

(b) Without limiting the generality of the foregoing, the Company will (i) not increase the par value (if any) of any Common Shares obtainable upon the exercise of the Warrants and (ii) take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Common Shares upon the exercise of the Warrants.

(c) Before taking any action that would cause an adjustment reducing the Exercise Price below the then par value (if any) of the Common Shares, the Company will take any company action that may be necessary in order that the Company may validly and legally issue fully paid and non-assessable Common Shares at such adjusted Exercise Price.

Section 5.6 Information Rights.

(a) Warrantholders and Beneficial Owners (other than Competitors) shall, within a reasonable time after the Company's receipt of a written request given to it (with such information as the Company may require) in accordance with Section 6.14, be granted access to, or be provided, the following; provided that (A) prior to the receipt by any Warrantholder or Beneficial Owner of any of the documents set forth in clauses (i) through (iii) below, or access to the call described in clause (iv) below, such Warrantholder or Beneficial Owner shall have delivered to the Company (x) a customary non-disclosure agreement (which may be on a "click-through" basis) in a form acceptable to the Board and (y) an acknowledgement in writing (which may, at the Company's election, be on a "click-through" basis) that such Warrantholder or Beneficial Owner has received a copy of the LLC Agreement and acknowledges that it shall be bound by the terms and conditions of the LLC Agreement as an LLC Direct Owner or an LLC Beneficial Owner, as applicable, upon issuance of Common Shares upon the exercise of any Warrant directly or indirectly by such Warrantholder or Beneficial Owner, and (B) the documents set forth in clauses (i) through (iii) below may be provided by granting such Warrantholder or Beneficial Owner access to a confidential website or other portal, such as Intralinks or Epiq, and posting such information on such website or other portal. If a Warrantholder or Beneficial Owner does not provide the non-disclosure agreement described in clause (A)(x) of the proviso in the immediately preceding sentence, or the acknowledgment described in clause (A)(y) of the immediately preceding sentence, then the Company's obligation to grant access to such Warrantholder or Beneficial Owner to the documents set forth in clauses (i) through (iii) below, or access to the call described in clause (iv) below, shall be deemed satisfied.

(i) [within 90 days after the end of each fiscal year of the Company, commencing with the fiscal year ending December 31, [2023], (A) a copy of the audited consolidated balance sheet of the Company and its consolidated Subsidiaries as at the end of such year and the related audited consolidated statements of income and of cash flows for such year, in each case, in accordance with GAAP, and (B) a management's discussion and analysis of the important operational and financial developments during such fiscal year;

(ii) within 45 days [(or 75 days, in the case of the fiscal quarter of the Company ending June 30, 2023)] after the end of each of the first three quarterly periods of each fiscal year of the Company, commencing with the fiscal quarter ending [●], [2023], (A) the unaudited consolidated balance sheet of the Company and its consolidated Subsidiaries as at the end of such quarter and the related unaudited consolidated statements of income and of cash flows for such quarter and the portion of the fiscal year through the end of such quarter, in each case in accordance with GAAP (subject to normal year-end audit adjustments and the lack of complete footnotes) and (B) a management's discussion and analysis of the important operational and financial developments during such fiscal quarter];

(iii) a copy of the LLC Agreement; and

(iv) a quarterly "earnings call" which shall take place as promptly as reasonably practicable after the distribution of the financial statements for the applicable quarter.][10]

(b) A Warrantholder or Beneficial Owner may provide the information provided pursuant to clauses (i) through (iii) of Section 5.6(a) to any bona fide prospective transferee (other than Competitors) of the Warrants as follows: such Warrantholder or Beneficial Owner shall give notice to the Company of the proposed transferee (and the proposed transferee's e-mail address(es)) and the Company will then send to the proposed transferee by e-mail or other electronic communication a link to a website or other portal from which the applicable information and a copy of the LLC Agreement may be accessed subject to such proposed transferee having delivered to the Company (x) a customary non-disclosure agreement in favor of the Company in a form acceptable to the Board (which may, at the Company's election, be on a "click-through" basis) and (y) an acknowledgement in writing (which may, at the Company's election, be on a "click-through" basis) from such proposed transferee that such proposed transferee has received a copy of the LLC Agreement and acknowledges that such proposed transferee shall be bound by the terms and conditions of the LLC Agreement as an LLC Direct Owner or an LLC Beneficial Owner, as applicable, upon issuance of Common Shares upon the exercise of any Warrant directly or indirectly by such proposed transferee (if such proposed transferee becomes a Warrantholder or Beneficial Owner). If a proposed transferee does not provide the non-disclosure agreement described in clause (x) of the immediately preceding sentence, or the acknowledgment described in clause (y) of the immediately preceding sentence, then the Company's obligation to grant access to such proposed transferee to the applicable information and a copy of the LLC Agreement shall be deemed satisfied. For the avoidance of doubt, the Company shall be under no obligation to provide, or otherwise make available, any information to any proposed transferee if such proposed transferee is deemed to be a Competitor as determined by the Company in its sole and absolute discretion.

[10] NTD: To be conformed with section 11.1(c) of the LLC Agreement, when finalized.

(c) Notwithstanding anything to the contrary in this Warrant Agreement, including without limitation Section 5.4 and Section 6.17, the sole and exclusive remedy for breach of any obligation of the Company under Section 5.6(a) shall be specific performance, and each Warrantholder and each Beneficial Owner hereby waives all other rights and remedies that may be available to it in respect of any such breach to the fullest extent permitted by applicable Law.

(d) Each Beneficial Owner (other than a Competitor) is hereby expressly made a third-party beneficiary solely for purposes of the rights granted to them pursuant to Section 5.6.

Section 5.7 LLC Agreement Provisions Binding Upon Exercise. Each Person that becomes an LLC Member or an LLC Beneficial Owner of the Common Shares issued upon exercise of the Warrants shall automatically become admitted as an LLC Member or an LLC Beneficial Owner, as applicable, upon such Person's receipt of the Common Shares (whether direct or indirect) issued upon exercise of the Warrants without the need to execute the LLC Agreement or a joinder thereto, and shall have all of the rights, and be subject to all of the obligations, set forth in the LLC Agreement with respect to LLC Members and LLC Beneficial Owners, as applicable, and as provided under the Delaware LLC Act. Each Person that becomes an LLC Direct Owner or an LLC Beneficial Owner upon exercise of the Warrants shall be deemed to represent and warrant to the Company that such Person: (A) has received (or otherwise had made available to it), read and understood the LLC Agreement, (B) acknowledges and understands that such Person shall have all the rights, and be subject to all the obligations, set forth in the LLC Agreement with respect to LLC Direct Owners and LLC Beneficial Owners and as provided under the Delaware LLC Act, as if such Person had directly executed the LLC Agreement as a party and (C) ratifies and confirms each and every Article, Section and provision of the LLC Agreement. Furthermore, each such Person that becomes an LLC Direct Owner or an LLC Beneficial Owner upon exercise of the Warrants shall be deemed to represent and warrant to the Company that the LLC Agreement constitutes the legal, valid and binding obligation of such Person and it is enforceable against it in accordance with its terms, subject to applicable insolvency, bankruptcy or other laws affecting creditors' rights generally or by general principles of equity.

ARTICLE 6

CONCERNING THE WARRANT AGENT AND OTHER MATTERS

Section 6.1 Change of Warrant Agent.

(a) The Warrant Agent, or any successor to it hereafter appointed, may resign its duties and be discharged from all further duties and liabilities hereunder (except for liability arising as a result of the Warrant Agent's own gross negligence, willful misconduct bad faith or material breach of this Warrant Agreement) after giving 60 days' notice in writing to the Company, except that such shorter notice may be given as the Company shall, in writing, accept as sufficient. If the office of the Warrant Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor warrant agent in place of the Warrant Agent. If the Company shall fail to make such appointment within a period of 30 days after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated warrant agent

or by the Required Warrantholders, then the Required Warrantholders may appoint a successor warrant agent.

(b) The Warrant Agent may be removed by the Company at any time upon 30 days' written notice to the Warrant Agent; provided, however, that the Company shall not remove the Warrant Agent until a successor warrant agent meeting the qualifications hereof shall have been appointed; provided, further, that, until such successor warrant agent has been appointed, the Company shall compensate the Warrant Agent in accordance with Section 6.2.

(c) Any successor warrant agent shall be a corporation or banking association organized, in good standing and doing business under the Laws of the United States of America or any state thereof or the District of Columbia, and authorized under such Laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority and having a combined capital and surplus of not less than $50,000,000. The combined capital and surplus of any such successor warrant agent shall be deemed to be the combined capital and surplus as set forth in the most recent report of its condition published prior to its appointment; provided that such reports are published at least annually pursuant to Law or to the requirements of a federal or state supervising or examining authority.

(d) After acceptance in writing of such appointment by the successor warrant agent, such successor warrant agent shall be vested with all the authority, powers, rights, immunities, duties and obligations of its predecessor warrant agent with like effect as if originally named as warrant agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor warrant agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor warrant agent all the authority, powers and rights of such predecessor warrant agent hereunder; and upon request of any successor warrant agent, the Company shall make, execute, acknowledge and deliver any and all instruments in writing to more fully and effectually vest in and conform to such successor warrant agent all such authority, powers, rights, immunities, duties and obligations. Upon assumption by a successor warrant agent of the duties and responsibilities hereunder, the predecessor warrant agent shall deliver and transfer, at the expense of the Company, to the successor warrant agent any property at the time held by it hereunder. As soon as practicable after such appointment, the Company shall give notice thereof to the predecessor warrant agent and each transfer agent for its Common Shares. Failure to give such notice, or any defect therein, shall not affect the validity of the appointment of the successor warrant agent.

(e) Any entity into which the Warrant Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Warrant Agent shall be a party, or any Person succeeding to all or substantially all of the corporate trust or agency business of the Warrant Agent, shall be the successor warrant agent under this Warrant Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto; provided, however, that such entity would be eligible for appointment as a successor warrant agent under Section 6.1(c).

Section 6.2 Compensation; Further Assurances. The Company agrees that it will (a) pay the Warrant Agent reasonable compensation for its services as Warrant Agent in accordance with Exhibit C attached hereto and, except as otherwise expressly provided, will pay

or reimburse the Warrant Agent upon written demand for all reasonable and documented expenses, disbursements and advances incurred or made by the Warrant Agent in accordance with any of the provisions of this Warrant Agreement (including the reasonable and documented compensation, expenses and disbursements of its counsel incurred in connection with the execution and administration of this Warrant Agreement), except any such expense, disbursement or advance as may arise from its or any of their gross negligence, willful misconduct or bad faith, and (b) perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Warrant Agreement. The Warrant Agent agrees to provide the Company with prior written notice of the retention of counsel whose compensation, expenses and disbursements are to be paid or reimbursed by the Company under this Section 6.2.

Section 6.3 Reliance on Counsel. The Warrant Agent may consult with legal counsel (who may be legal counsel for the Company), and the written opinion of such counsel or any advice of legal counsel subsequently confirmed by a written opinion of such counsel shall be full and complete authorization and protection to the Warrant Agent as to any action taken or omitted by it in good faith and in accordance with such written opinion or advice.

Section 6.4 Proof of Actions Taken. Whenever in the performance of its duties under this Warrant Agreement the Warrant Agent shall deem it necessary or desirable that any matter be proved or established by the Company prior to taking or suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the good faith of the Warrant Agent, be deemed to be conclusively proved and established by a certificate executed by a duly authorized officer of the Company delivered to the Warrant Agent, and such certificate shall, in the good faith of the Warrant Agent, be relied upon by the Warrant Agent for any action taken, suffered or omitted in good faith by it under the provisions of this Warrant Agreement; provided that in its discretion, the Warrant Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

Section 6.5 Correctness of Statements. The Warrant Agent shall not be liable for or by reason of any of the statements of fact or recitals contained in this Warrant Agreement (except its countersignature thereof) or be required to verify the same, and all such statements and recitals are and shall be deemed to have been made by the Company only.

Section 6.6 Validity of Agreement. From time to time, the Warrant Agent may apply to any duly authorized officer of the Company for instruction, and the Company shall provide the Warrant Agent with such instructions concerning the services to be provided hereunder. The Warrant Agent shall not be held to have notice of any change of authority of any Person, until receipt of notice thereof from the Company. The Warrant Agent shall not be responsible for any breach by the Company of any covenant or condition contained in this Warrant Agreement, nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any Common Shares to be issued pursuant to this Warrant Agreement or any Warrants or as to whether any Common Shares will, when issued, be validly issued, fully paid and nonassessable. The Warrant Agent and its agents and subcontractors shall not be liable and shall be indemnified by the Company for any action taken or omitted by Warrant

Agent in reliance in good faith upon any Company instructions except to the extent that the Warrant Agent had actual knowledge of facts and circumstances that would render such reliance unreasonable.

Section 6.7 Use of Agents. The Warrant Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, provided that the Warrant Agent shall remain responsible for the activities or omissions of any such agent or attorney and reasonable care has been exercised in the selection and in the continued employment of such attorney or agent.

Section 6.8 Liability of Warrant Agent. The Warrant Agent shall incur no liability or responsibility to the Company or to any Warrantholder for any action taken or not taken (a) in reliance on any notice, resolution, waiver, consent, order, certificate, or other paper, document or instrument reasonably believed by it to be genuine and to have been signed, sent and presented by the proper party or parties or (b) in relation to its services under this Warrant Agreement, unless such liability arises out of or is attributable to the Warrant Agent's gross negligence, material breach of this Warrant Agreement, willful misconduct or bad faith. The Company agrees to indemnify the Warrant Agent and save it harmless against any and all losses, expenses and liabilities, including judgments, costs and reasonable counsel fees, for anything done or omitted in good faith by the Warrant Agent in the execution of this Warrant Agreement or otherwise arising in connection with this Warrant Agreement, except as a result of the Warrant Agent's gross negligence, material breach of this Warrant Agreement, willful misconduct or bad faith (as determined by a court of competent jurisdiction in a final non-appealable judgment). The Warrant Agent shall be liable hereunder only for its gross negligence, material breach of this Warrant Agreement, fraud, willful misconduct or bad faith (as determined by a court of competent jurisdiction in a final non-appealable judgment), for which the Warrant Agent is not entitled to indemnification under this Warrant Agreement. For the avoidance of doubt, this Section 6.8 does not apply to tax matters.

Section 6.9 Legal Proceedings. The Warrant Agent shall be under no obligation to institute any action, suit or legal proceeding or to take any other action likely to involve expense unless the Company or any Warrantholder shall furnish the Warrant Agent with reasonable indemnity for any costs and expenses which may be incurred, but this provision shall not affect the power of the Warrant Agent to take such action as the Warrant Agent may consider proper, whether with or without any such security or indemnity. The Warrant Agent shall promptly notify the Company and each Warrantholder in writing of any claim made or action, suit or proceeding instituted against it arising out of or in connection with this Warrant Agreement.

Section 6.10 Actions as Agent.

(a) The Warrant Agent shall act hereunder solely as agent and not in a ministerial or fiduciary capacity, and its duties shall be determined solely by the provisions hereof. The duties and obligations of the Warrant Agent shall be determined solely by the express provisions of the Warrant Agreement or of the Warrant Certificates, and the Warrant Agent shall not be liable except for the performance of such duties and obligations as are specifically set forth in the Warrant Agreement or in the Warrant Certificates. No implied covenants or obligations shall be read into the Warrant Agreement against the Warrant Agent. The Warrant Agent shall not

be liable for anything that it may do or refrain from doing in good faith in connection with this Warrant Agreement except for its own gross negligence, willful misconduct or bad faith.

(b) The Warrant Agent shall not, by countersigning Warrant Certificates or by any other act hereunder, be deemed to make any representations as to validity or authorization of the Warrants or the Warrant Certificates (except as to its countersignature thereon). The Warrant Agent shall not be responsible for any failure of the Company to make any cash payment or to issue, transfer or deliver any Common Shares or stock certificates or other securities or property upon the surrender of any Warrant Certificate for the purpose of exercise or upon any adjustment pursuant to Article 4 hereof or to comply with any of the covenants of the Company contained in Article 4 hereof.

(c) The Warrant Agent shall not (i) be liable for any recital or statement of fact contained herein or in the Warrant Certificates or for any action taken, suffered or omitted by it in good faith on the belief that any Warrant Certificate or any other documents or any signatures are genuine or properly authorized, (ii) be responsible for any failure on the part of the Company to comply with any of its covenants and obligations contained in this Warrant Agreement or in the Warrant Certificates or (iii) be liable for any act or omission in connection with this Warrant Agreement except for its own gross negligence, bad faith or willful misconduct.

(d) The Warrant Agent is hereby authorized to accept and protected in accepting instructions with respect to the performance of its duties hereunder by Company Order and to apply to any such officer named in such Company Order for instructions (which instructions will be promptly given in writing when requested), and the Warrant Agent shall not be liable for any action taken or suffered to be taken by it in good faith in accordance with the instructions in any Company Order.

Section 6.11 Appointment and Acceptance of Agency. The Company hereby appoints the Warrant Agent to act as agent for the Company in accordance with the instructions set forth in this Warrant Agreement, and the Warrant Agent hereby accepts the agency established by this Warrant Agreement and agrees to perform the same upon the terms and conditions set forth in this Warrant Agreement and in the Warrant Certificates or as the Company and the Warrant Agent may hereafter agree, by all of which the Company and the Warrantholders of Warrant Certificates, by their acceptance thereof, shall be bound; provided, however, that the terms and conditions contained in the Warrant Certificates are subject to and governed by this Warrant Agreement or any other terms and conditions hereafter agreed to by the Company and the Warrant Agent.

Section 6.12 Appointment of Countersigning Agent.

(a) The Warrant Agent may appoint a Countersigning Agent or Agents which shall be authorized to act on behalf of the Warrant Agent to countersign Warrant Certificates issued upon original issue and upon exchange, registration of transfer or pursuant to Section 2.6, and Warrant Certificates so countersigned shall be entitled to the benefits of this Warrant Agreement equally and proportionately with any and all other Warrant Certificates duly executed and delivered hereunder. Wherever reference is made in this Warrant Agreement to the countersignature and delivery of Warrant Certificates by the Warrant Agent or to Warrant Certificates countersigned by the Warrant Agent, such reference shall be deemed to include

countersignature and delivery on behalf of the Warrant Agent by a Countersigning Agent and Warrant Certificates countersigned by a Countersigning Agent. Each Countersigning Agent shall be acceptable to the Company and shall at the time of appointment be a corporation doing business under the Laws of the United States of America or any State thereof in good standing, authorized under such Laws to act as Countersigning Agent, and having a combined capital and surplus of not less than $25,000,000. The combined capital and surplus of any such new Countersigning Agent shall be deemed to be the combined capital and surplus as set forth in the most recent annual report of its condition published by such Countersigning Agent prior to its appointment; provided, however, such reports are published at least annually pursuant to Law or to the requirements of a Federal or state supervising or examining authority.

(b) Any corporation into which a Countersigning Agent may be merged or any corporation resulting from any consolidation to which such Countersigning Agent shall be a party, shall be a successor Countersigning Agent without any further act; provided, that, such corporation would be eligible for appointment as a new Countersigning Agent under the provisions of Section 6.12(a), without the execution or filing of any paper or any further act on the part of the Warrant Agent or the Countersigning Agent. Any such successor Countersigning Agent shall promptly cause notice of its succession as Countersigning Agent to be given in accordance with Section 6.14 to each Warrantholder of a Warrant Certificate at such Warrantholder's last address as shown on the Warrant Register.

(c) A Countersigning Agent may resign at any time by giving 30 days' prior written notice thereof to the Warrant Agent and to the Company. The Warrant Agent may at any time terminate the agency of a Countersigning Agent by giving 30 days' prior written notice thereof to such Countersigning Agent and to the Company.

(d) The Warrant Agent agrees to pay to each Countersigning Agent from time to time reasonable compensation for its services under this Section 6.12 and the Warrant Agent shall be entitled to be reimbursed for such payments, subject to the provisions of Section 6.2.

(e) Any Countersigning Agent shall have the same rights and immunities as those of the Warrant Agent set forth in Section 6.8 and Section 6.10.

Section 6.13 Successors and Assigns. All the covenants and provisions of this Warrant Agreement by or for the benefit of the Company or the Warrant Agent shall bind and inure to the benefit of their respective successors and assigns hereunder. The Warrant Agent may assign this Warrant Agreement or any rights and obligations hereunder, in whole or in part, to an Affiliate thereof with the prior consent of the Company, provided that the Warrant Agent may make such an assignment without consent of the Company to any successor to the Warrant Agent by consolidation, merger or transfer of its assets subject to the terms and conditions of this Warrant Agreement.

Section 6.14 Notices. Section 6.15 Applicable Law; Jurisdiction. The validity, interpretation and performance of this Warrant Agreement and the Warrant Certificates evidencing the Warrants shall be governed in accordance with the Laws of the State of New York, without giving effect to the principles of conflicts of Laws thereof that would result in the application of Law of another jurisdiction. The parties hereto irrevocably consent to the exclusive jurisdiction of the courts of the State of New York and any federal court located in such state in connection with any action, suit or proceeding arising out of or relating to this Warrant Agreement or the Warrant Certificates issued hereunder. Each party agrees to commence any such suit, action or proceeding in such court. Each party hereto hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any suit, action or proceeding with respect to this Warrant Agreement or the Warrant Certificates issued hereunder, any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason other than the failure to serve process in accordance with this Section 6.15, that its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and to the fullest extent permitted by applicable Law, that the suit, action or proceeding in any such court is brought in an inconvenient forum, or that this Warrant Agreement or the Warrant Certificates issued hereunder, or the subject matter hereof, may not be enforced in or by such courts and further irrevocably waives, to the fullest extent permitted by applicable Law, the benefit of any defense that would hinder, fetter or delay the levy, execution or

collection of any amount to which the party is entitled pursuant to the final judgment of any court having jurisdiction. Each party irrevocably consents to the service of process out of any of the aforementioned courts in any such suit, action or proceeding by the mailing of copies thereof by registered mail, postage prepaid, to such party at its mailing address determined in accordance with this Warrant Agreement, such service of process to be effective upon acknowledgment of receipt of such registered mail. Nothing herein shall affect the right of any party to serve process in any other manner permitted by Law.

Section 6.16 Waiver of Jury Trial. EACH OF THE COMPANY AND THE WARRANT AGENT ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS WARRANT AGREEMENT OR A WARRANT CERTIFICATE EVIDENCING A WARRANT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PERSON HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PERSON MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS WARRANT AGREEMENT OR A WARRANT CERTIFICATE EVIDENCING A WARRANT. EACH OF THE COMPANY AND THE WARRANT AGENT CERTIFIES AND ACKNOWLEDGES THAT (a) NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (b) SUCH PERSON UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (c) SUCH PERSON MAKES THIS WAIVER VOLUNTARILY, AND (d) SUCH PERSON HAS BEEN INDUCED TO ENTER INTO THIS WARRANT AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 6.17 Specific Performance. Each of the Company and the Warrant Agent acknowledges that a breach or threatened breach by such party of any of its obligations under this Warrant Agreement would give rise to irreparable harm to the other party hereto for which monetary damages would not be an adequate remedy and hereby agrees that in the event of a breach or a threatened breach by such party of any such obligations, the other party hereto shall, in addition to any and all other rights and remedies that may be available to it in respect of such breach, be entitled to equitable relief, including a restraining order, an injunction, specific performance and any other relief that may be available from a court of competent jurisdiction.

Section 6.18 Benefit of this Warrant Agreement. Nothing in this Warrant Agreement expressed and nothing that may be implied from any of the provisions hereof is intended, or shall be construed, to confer upon, or give to, any Person other than the parties hereto and the Warrantholders any right, remedy or claim under or by reason of this Warrant Agreement or of any covenant, condition, stipulation, promise or agreement hereof, and all covenants, conditions, stipulations, promises and agreements in this Warrant Agreement contained shall be for the sole and exclusive benefit of the parties hereto and their respective successors and permitted assigns and the Warrantholders. Each Warrantholder, by acceptance of a Warrant Certificate, agrees to all of the terms and provisions of this Warrant Agreement applicable thereto.

Section 6.19 Registered Warrantholder. Every Warrantholder, by accepting a Warrant Certificate, consents and agrees with the Company, with the Warrant Agent and with every subsequent holder of such Warrant Certificate that, prior to due presentment for registration of transfer, the Company and the Warrant Agent may deem and treat the Person in whose name any Warrant Certificates are registered in the Warrant Register as the absolute owner thereof and of the Warrants evidenced thereby for all purposes whatsoever (notwithstanding any notation of ownership or other writing thereon made by anyone other than the Company or the Warrant Agent) and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary or be bound to recognize any equitable or other claim to or interest in any Warrant Certificates or any Warrants evidenced thereby on the part of any other Person and shall not be liable for any registration of transfer of Warrant Certificates that are registered or to be registered in the name of a fiduciary or the nominee of a fiduciary unless made with actual knowledge that a fiduciary or nominee is committing a breach of trust in requesting such registration of transfer or with such knowledge of such facts that its participation therein amounts to bad faith.

Section 6.21 Counterparts. This Warrant Agreement may be executed in any number of counterparts on separate counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument. A signed copy of this Warrant Agreement delivered by e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Warrant Agreement.

Section 6.22 Entire Agreement. This Warrant Agreement constitutes the entire agreement of the Company, the Warrant Agent and the Warrantholders with respect to the subject matter hereof and supersede all prior agreements and undertakings, both written and oral, among the Company, the Warrant Agent and the Warrantholders with respect to the subject matter hereof.

Section 6.23 Severability. Wherever possible, each provision of this Warrant Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Warrant Agreement shall be prohibited by or invalid under applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Warrant Agreement.

Section 6.24 Termination. This Warrant Agreement shall terminate at the earlier to occur of (i) the Expiration Time (or, if later, Close of Business on the Settlement Date with respect to all exercises of Warrants as to which the respective Exercise Date is prior to the Expiration Time) and (ii) the date on which all outstanding Warrants have been exercised. All provisions regarding indemnification, warranty, liability and limits thereon shall survive the termination or expiration of this Warrant Agreement.

Section 6.25 Confidentiality. The Warrant Agent and the Company agree that personal, non-public Warrantholder information which is exchanged or received pursuant to the negotiation or the carrying out of this Warrant Agreement shall remain confidential, and shall not be

voluntarily disclosed to any other Person, except disclosures pursuant to bankruptcy proceedings, applicable securities Laws or otherwise as may be required by Law, including, without limitation, pursuant to subpoenas from state or federal government authorities.

Section 6.26 Representations and Warranties of the Company. As of the date hereof, the Company hereby represents and warrants to the Warrantholders that (i) it has the power and authority to execute this Warrant Agreement and consummate the transactions contemplated by this Warrant Agreement, (ii) there are no statutory or contractual unitholders' preemptive rights or rights of refusal with respect to the issuance of any Warrants and (iii) the execution and delivery by the Company of this Warrant Agreement and the issuance of the Common Shares upon exercise of any Warrant do not and shall not (A) conflict with or result in a breach of the terms, conditions or provisions of, (B) constitute a default under, (C) result in the creation of any lien, security interest, charge or encumbrance upon the Company's capital stock or assets pursuant to, (D) result in a violation of or (E) require any authorization, consent, approval, exemption or other action by or notice or declaration to, or filing with, any court or administrative or governmental body or agency pursuant to, the Company's certificate of formation or LLC Agreement or any Law in effect as of the date hereof to which the Company is subject, or any agreement, instrument, order, judgment or decree to which the Company is subject as of the date hereof, except for any such authorization, consent, approval, notice or exemption required under applicable securities Laws, except, in the case of clause (iii), where such occurrences would not reasonably be expected, individually or in the aggregate, to result in the inability of the Company to consummate the transactions contemplated by this Warrant Agreement or perform its obligations hereunder.

Section 2.7 CUSIP Numbers. In issuing the Warrants, the Company will use a "CUSIP" number. The Warrant Agent will use CUSIP numbers in notices to Warrantholders. The Company will promptly notify the Warrant Agent in writing of any change in the CUSIP numbers.

Section 2.8 Loss or Mutilation.

(a) If (i) any mutilated Warrant Certificate is surrendered to the Warrant Agent or (ii) both (A) there shall be delivered to the Company and the Warrant Agent (x) a claim by a Warrantholder as to the destruction, loss or wrongful taking of any Warrant Certificate of such Warrantholder and a request thereby for a new replacement Warrant Certificate, and (y) such indemnity bond as may be required by them to save each of them and any agent of either of them harmless and (B) such other reasonable requirements as may be imposed by the Company as permitted by Section 8-405 of the Uniform Commercial Code have been satisfied, then, in the absence of notice to the Company or the Warrant Agent that such Warrant Certificate has been acquired by a "protected purchaser" within the meaning of Section 8-405 of the Uniform Commercial Code, the Company shall execute and upon its written request the Warrant Agent shall countersign and deliver to the registered Warrantholder of the lost, wrongfully taken, destroyed or mutilated Warrant Certificate, in exchange therefore or in lieu thereof, a new Warrant Certificate of the same tenor and for a like aggregate number of Warrants and of the same class.

(b) Upon the issuance of any new Warrant Certificate under this Section 2.8, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and other reasonable expenses (including the reasonable fees and expenses of the Warrant Agent and of counsel to the Company) in connection therewith.

(c) Every new Warrant Certificate executed and delivered pursuant to this Section 2.8 in lieu of any lost, wrongfully taken or destroyed Warrant Certificate shall constitute an additional contractual obligation of the Company, whether or not the allegedly lost, wrongfully taken or destroyed Warrant Certificate shall be at any time enforceable by anyone,

and shall be entitled to the benefits of this Warrant Agreement equally and proportionately with any and all other Warrant Certificates duly executed and delivered hereunder.

(d) The provisions of this Section 2.8 are exclusive and shall preclude (to the extent lawful) all other rights or remedies with respect to the replacement of mutilated, lost, wrongfully taken~~,~~ or destroyed Warrant Certificates.

ARTICLE 3

EXERCISE AND SETTLEMENT OF WARRANTS

Section 3.1 Right to Acquire Common Shares Upon Exercise. Each Warrant Certificate shall, when countersigned by the Warrant Agent, entitle the Warrantholder thereof, subject to the provisions thereof and of this Warrant Agreement, to acquire from the Company, for each Warrant evidenced thereby, one Common Share at the Exercise Price, subject to adjustment as provided in this Warrant Agreement. The Exercise Price, and the number of Common Shares obtainable upon exercise of each Warrant, shall be adjusted from time to time as required by Article 4.

(b) If fewer than all the Warrants represented by a Warrant Certificate are exercised, (i) in the case of exercise of Warrants evidenced by a Global Warrant Certificate, the Warrant Agent shall endorse the "Schedule of Decreases of Warrants" attached to such Global Warrant Certificate to reflect the Warrants being exercised and (ii) in the case of exercise of Warrants evidenced by a Definitive Warrant Certificate, such Definitive Warrant Certificate shall be surrendered and a new Definitive Warrant Certificate of the same tenor and for the number of Warrants which were not exercised shall be executed by the Company. The Warrant Agent shall countersign the new Definitive Warrant Certificate, registered in such name or names, subject to the provisions of Section 2.5 regarding registration of transfer and Section 3.11 regarding payment of governmental charges in respect thereof, as may be directed in writing by the Warrantholder, and shall deliver the new Definitive Warrant Certificate to the Person or Persons in whose name such new Warrant Certificate is so registered. The Company, whenever required by the Warrant Agent, will supply the Warrant Agent with Definitive Warrant Certificates duly executed on behalf of the Company for such purpose.

(c) Upon due exercise of Warrants evidenced by any Warrant Certificate in conformity with the foregoing provisions of Section 3.2(a), the Warrant Agent shall, when actions specified in Section 3.2(a)(i) have been effected and any payment specified in Section 3.2(a)(ii) is received, deliver to the Company the Exercise Notice received pursuant to Section 3.2(a)(i), deliver or deposit all funds received as instructed in writing by the Company and advise the Company by telephone at the end of such day of the amount of funds so deposited to its account.

(d) The date on which all of the requirements for exercise set forth in this Section 3.2 in respect of a Warrant have been satisfied is the "**Exercise Date**" with respect to such Warrant (subject to Section 3.2(h)).

(e) Subject to Section 3.2(g) and Section 3.2(h), any exercise of a Warrant pursuant to the terms of this Warrant Agreement shall be irrevocable and enforceable in accordance with its terms.

Until paid pursuant to the terms of this Warrant Agreement, the Warrant Agent will hold the Funds through the Funds Account in deposit accounts of commercial banks with Tier 1 capital exceeding $1 billion or with an average rating above investment grade by S&P (LT Local Issuer Credit Rating), Moody's (Long Term Rating) and Fitch Ratings, Inc. (LT Issuer Default Rating), each as reported by Bloomberg Finance L.P. The Warrant Agent shall have no responsibility or liability for any diminution of the Funds that may result from any deposit made by the Warrant

Agent in accordance with this paragraph, including any losses resulting from a default by any bank, financial institution or other third party. The Warrant Agent may from time to time receive interest, dividends or other earnings in connection with such deposits.

(g) Prior to the delivery of any Common Shares upon exercise of a Warrant, the Company shall be obligated to comply with all applicable Laws which require action to be taken by the Company in connection with such delivery.

(h) Notwithstanding any other provision of this Warrant Agreement, if the exercise of any Warrant is to be made in connection with a Liquidity Event, such exercise may, at the election of the Exercising Owner, be conditioned upon consummation of such transaction or event, in which case such exercise shall not be deemed effective until the consummation of such transaction or event.

(i) If a Liquidity Event occurs in which the consideration to be paid to holders of Common Shares consists solely of cash in an amount per Common Share that exceeds the Exercise Price then in effect, the Warrants that are otherwise unexercised immediately prior to the effectiveness of such Liquidity Event shall be deemed to be automatically exercised at such time on a Cashless Settlement basis and the Holders of such Warrants shall be entitled to receive for each such Warrant an amount in cash equal to the cash amount per Common Share to be paid to holders of Common Shares in such Liquidity Event *less* the Exercise Price per Common Share then in effect.

(j) ~~(i)~~ The Warrant Agent shall forward funds deposited in the Funds Account in a given week by the fifth Business Day of the following week by wire transfer to an account designated by the Company.

Section 3.3 Common Shares Issuable. The number of Common Shares "obtainable upon exercise" of Warrants at any time shall be the number of Common Shares into which such Warrants are then exercisable. The number of Common Shares "into which each Warrant is exercisable" shall be one ~~share~~Common Share, subject to adjustment as provided in Article 4.

Section 3.4 Settlement of Warrants.

(a) Warrants may be exercised using Cash Settlement or Cashless Settlement in accordance with this Article 3 at any time prior to the Expiration Time, either in full or from time to time in part.

(b) Cash Settlement shall apply to each Warrant unless the Exercising Owner elects for Cashless Settlement to apply upon exercise of such Warrant. Such election shall be made in the Exercise Notice for such Warrant.

(c) If Cash Settlement applies to the exercise of a Warrant, upon the proper and valid exercise thereof by an Exercising Owner, the Company shall cause to be delivered to the Exercising Owner the Cash Settlement Share Amount, together with cash in lieu of any fractional Common Share as provided in Section 3.6, on the Settlement Date.

(d) If Cashless Settlement applies to the exercise of a Warrant:

(i) The Warrantholder must (A) expressly state in its Exercise Notice its desire to effect a Cashless Settlement and (B) must provide the Exercise Notice to the Warrant Agent at the Corporate Agency Office.

(ii) Upon the proper and valid exercise thereof by an Exercising Owner, the Company shall cause to be delivered to the Exercising Owner the Cashless Settlement Share Amount on the Settlement Date, together with cash in lieu of any fractional Common Share, as provided in Section 3.6.

(iii) Upon written request from any Exercising Owner in connection with a Cashless Settlement for which the Fair Market Value is determined pursuant to clause (iii) of the definition thereof, the Company shall notify such Exercising Owner of the Board's determination of such Fair Market Value and provide a brief explanation of the methodology of such determination (without any obligation to disclose any confidential or proprietary information) reasonably promptly after the later of the receipt of such request by the Company and the Board's determination of such Fair Market Value, but in any event within 30 days of such later date.

Section 3.5 Delivery of Common Shares.

(a) In connection with the exercise of Warrants, the Warrant Agent shall:

(i) examine all Exercise Notices and all other documents delivered to it to ascertain whether, on their face, such Exercise Notices and any such other documents have been executed and completed in accordance with their terms;

(ii) where an Exercise Notice or other document appears on its face to have been improperly completed or executed or some other irregularity in connection with the exercise of the Warrant exists, endeavor to inform the appropriate parties (including the Person submitting such instrument) of the need for fulfillment of all requirements, specifying those requirements which appear to be unfulfilled;

(iii) inform the Company of and cooperate with and assist the Company in resolving any reconciliation problems between the Exercise Notices received and delivery of Warrants to the Warrant Agent's account;

(iv) advise the Company with respect to an exercise, as promptly as practicable following the satisfaction of each of the applicable procedures for exercise set forth in Section 3.2(a) of (v) the receipt of such Exercise Notice and the number of Warrants exercised in accordance with the terms and conditions of this Warrant Agreement, (w) the number of Common Shares to be delivered by the Company, (x) the instructions with respect to issuance of the Common Shares, (y) the number of Persons who will become holders of record of the Company (who were not previously holders of record) as a result of receiving Common Shares upon exercise of the Warrants and (z) such other information as the Company shall reasonably require;

(v) promptly deposit in the Funds Account all Funds received in payment of the applicable Exercise Price in connection with any Cash Settlement of Warrants;

(vi) provide to the Company, upon the Company's request, the number of Warrants previously exercised, the number of Common Shares issued in connection with such exercises and the number of remaining outstanding Warrants; and

(vii) provide to the Company, upon the Company's request, any Exercise Notices delivered pursuant to Section 3.2(a) and any documents delivered pursuant to ~~Section 3.5(b)(i)(B)~~Section 3.5(a)(i).

(b) With respect to each properly exercised Warrant evidenced by any Warrant Certificate in accordance with this Warrant Agreement, (x) in the case of exercise of Warrants evidenced by a Global Warrant Certificate, the Company shall deliver or cause to be delivered to the Recipient in accordance with the Applicable Procedures Common Shares in book-entry form to be so held through the facilities of DTC in an amount equal to, or, if the Common Shares may not then be held in book-entry form through the facilities of DTC, duly executed certificates representing, or (y) in the case of exercise of Warrants evidenced by Definitive Warrant Certificates, deliver or cause to be delivered to the Recipient Common Shares in book-entry form on the Common Share registrar maintained by the Warrant Agent for such purpose, or, at the election of the Warrantholder, duly executed certificates representing, in case of (x) or (y), the aggregate number of Common Shares issuable upon such exercise (based upon the aggregate number of Warrants so exercised) (A) unless clause (B) is applicable, for the benefit and in the name of the Exercising Owner or (B) for the benefit and in the name of such Person (other than the Exercising Owner) designated by the Exercising Owner submitting the applicable Exercise Notice (the "**Recipient**"). The Person on whose behalf and in whose name any Common Shares are registered shall for all purposes be deemed to have become the holder of record of such Common Shares as of the Close of Business on the applicable Exercise Date. The Company covenants that all Common Shares which may be issued upon exercise of Warrants will be, upon payment of the Exercise Price (if applicable) and issuance thereof, fully paid and nonassessable, free of preemptive rights and (except as specified in the proviso to Section 3.11) free from all documentary, stamp or similar issue or transfer taxes in respect of the issuance thereof, and all liens, charges and security interests with respect to the issuance thereof.

(c) Promptly after the Warrant Agent has taken the action required by this Section 3.5 (or at such later time as may be mutually agreeable to the Company and the Warrant Agent), the Warrant Agent shall account to the Company with respect to the consummation of any exercise of any Warrants.

Section 3.6 No Fractional Common Shares to Be Issued.

(a) Notwithstanding anything to the contrary in this Warrant Agreement, the Company shall not be required to issue any fraction of a Common Share upon exercise of any Warrants.

(b) If any fraction of a Common Share would, except for the provisions of this Section 3.6, be issuable on the exercise of any Warrants, the Company shall make a cash

payment in lieu of issuing such fractional Common Share equal to the Fair Market Value of one Common Share, as determined on the date the Warrant is presented for exercise, multiplied by such fraction, rounded to the nearest whole cent. All Warrants exercised by a Warrantholder on the same Exercise Date shall be aggregated for purposes of determining the number of Common Shares to be delivered pursuant to Section 3.5(b).

(c) Each Warrantholder, by its acceptance of an interest in a Warrant, expressly waives its right to any fraction of a Common Share upon its exercise of such Warrant.

Section 3.7 Acquisition of Warrants by Company. The Company shall have the right, except as limited by Law, to purchase or otherwise to acquire one or more Warrants at such times, in such manner and for such consideration as agreed by the Company and the applicable Warrantholder.

Section 3.8 Validity of Exercise. All questions as to the validity, form and sufficiency (including time of receipt) of a Warrant exercise shall be determined by the Company in good faith in accordance with the terms of this Warrant Agreement and the Warrants, which determination, absent manifest error, shall be final and binding with respect to the Warrant Agent. The Warrant Agent shall incur no liability for or in respect of and, except to the extent such liability arises from the Warrant Agent's gross negligence, willful misconduct, bad faith or material breach of this Warrant Agreement (as determined by a court of competent jurisdiction in a final non-appealable judgment) and shall be indemnified and held harmless by the Company for acting or refraining from acting upon, or as a result of, such determination by the Company. The Company reserves the absolute right to waive any of the conditions to the exercise of Warrants or defects in Exercise Notices with regard to any particular exercise of Warrants.

Section 3.9 Certain Calculations.

(a) The Warrant Agent shall be responsible for performing all calculations, except for the case of Cashless Settlements, required in connection with the exercise and settlement of the Warrants as described in this Article 3. In connection therewith, the Warrant Agent shall provide prompt written notice to the Company, in accordance with Section 3.5(a)(iv), of the number of Common Shares deliverable upon exercise and settlement of Warrants. The Company shall be responsible for all calculations and determinations required in connection with any Cashless Settlements and shall provide written notification to the Warrant Agent of the Cashless Settlement Share Amount to be issued on the Settlement Date for any Cashless Settlement. The Warrant Agent shall not be responsible for performing the calculations set forth in Article 4.

(b) The Warrant Agent shall not be accountable with respect to the validity or value of any Common Shares that may at any time be issued or delivered upon the exercise of any Warrant, and it makes no representation with respect thereto. The Warrant Agent shall not be responsible, to the extent not arising from the Warrant Agent's gross negligence, willful misconduct or bad faith (as determined by a court of competent jurisdiction in a final non-appealable judgment), for any failure of the Company to issue, transfer or deliver any

Common Shares, or to comply materially with any of the covenants of the Company contained in this Article 3 of this Warrant Agreement.

Section 3.10 Reservation and Listing of Common Shares. The Company will at all times reserve and keep available, out of its authorized but unissued Common Shares, solely for the purpose of providing for the exercise of the Warrants, the aggregate number of Common Shares then issuable upon exercise of the Warrants at any time. The Company will procure, at its sole expense, the listing of the Common Shares issued upon exercise of the Warrants on all National Securities Exchanges on which the Common Shares are then listed. The Company shall take all action reasonably necessary to ensure that the Common Shares will be issued without violation of any applicable Law or regulation or of any requirement of any securities exchange on which the Common Shares are listed or traded.

Section 3.11 Charges, Taxes and Expenses. Issuance of the Warrant Certificates evidencing Warrants and issuance of Common Shares upon the exercise of the Warrants shall be made without charge for any documentary, stamp or similar issue or transfer tax or other incidental expense in respect of the issuance thereof, all of which taxes and expenses shall be paid by the Company (excluding, for the avoidance of doubt, any income or withholding taxes); provided, however, that the Company shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of Warrant Certificates evidencing such Warrants or Common Shares in book-entry form or any certificates for Common Shares or payment of cash or other property in a name or to any Person other than the Warrantholder of the Warrant Certificate surrendered upon exercise or transfer, and the Company shall not be required to issue or deliver Warrant Certificates or Common Shares in book-entry form or any certificates for Common Shares or payment of cash or other property, as applicable, unless and until the Persons requesting the issuance thereof shall have paid to the Company the amount of such tax or shall have reasonably demonstrated that such tax has been paid.

Section 3.12 Cancellation of Warrant Certificates. Any Definitive Warrant Certificate surrendered for exercise shall, if surrendered to the Company, be delivered to the Warrant Agent. All Warrant Certificates surrendered or delivered to or received by the Warrant Agent for cancellation pursuant to this Section 3.12 or Section 2.4(e) or ~~Section 2.4(k)~~Section 2.4(j) shall be promptly cancelled by the Warrant Agent and shall not be reissued by the Company. The Warrant Agent shall destroy any such cancelled Warrant Certificates and deliver its certificate of destruction to the Company, unless the Company shall otherwise direct.

Section 3.13 Withholding and Reporting Requirements. The Company shall comply with all applicable tax withholding and reporting requirements imposed by any governmental authority with respect to the Warrants and this Warrant Agreement, and all distributions, dividends or other payments requiring withholding under applicable law, including, as applicable, deemed distributions or dividends pursuant to the Warrants and any payment of cash in lieu of Common Shares payable in connection with the exercise of a Warrant, will be subject to applicable withholding and reporting requirements. Notwithstanding any provision hereof to the contrary, each of the Company and the Warrant Agent will be authorized to, at their discretion, (a) take any actions that may be reasonably necessary or appropriate to comply with such withholding and reporting requirements, (b) apply any cash amount otherwise deliverable to a Warrantholder (whether pursuant to this Warrant Agreement or otherwise) to pay (or, in the

case of the Company, reimburse the Company for) withholding taxes attributable to such Warrantholder ~~(or any predecessor in interest thereof)~~, (c) liquidate a portion of any non-cash amount (including Common Shares) otherwise deliverable to a Warrantholder (whether pursuant to this Warrant Agreement or otherwise) to generate sufficient funds to pay (or, in the case of the Company, reimburse the Company for) withholding taxes attributable to such Warrantholder ~~(or any predecessor in interest thereof)~~, (d) require reimbursement from any Warrantholder to the extent any withholding is required in respect of such Warrantholder ~~(or any predecessor in interest thereof) in~~ in the absence of any cash or property described in clauses (b) or (c), or (e) establish any other mechanisms it believes are reasonably necessary and appropriate, including requiring Warrantholders to (x) submit appropriate tax and withholding certifications (such as Internal Revenue Service Forms W-9 and the appropriate Internal Revenue Service Forms W-8, as applicable) or any other documentation reasonably requested to comply with any withholding under applicable law or (y) requiring Warrantholders to promptly pay to the Company in cash any withholding tax amount which is or was required to be paid under applicable law with respect to such Warrantholder ~~(or any predecessor in interest thereof)~~ as a condition of receiving the benefit of any adjustment as provided in this Warrant Agreement.

ARTICLE 4

ADJUSTMENTS

Section 4.1 Adjustments and Other Rights. The Exercise Price and the number of Common Shares for which each Warrant is exercisable pursuant to Article 3 of this Warrant Agreement shall be subject to adjustment from time to time in accordance with this Article 4; provided that (i) no single event shall be subject to adjustment under more than one subsection of this Article 4 so as to result in duplication and (ii) if any single event would otherwise require adjustment of the Exercise Price pursuant to more than one such subsection, the adjustment that provides the highest value relative to the rights and interests of each Warrantholder shall be made.

Section 4.2 ~~Stock~~Common Share Dividends, Distributions, Splits, Subdivisions, Reclassifications or Combinations. If the Company shall (i) declare a dividend or make a distribution on its Common Shares in Common Shares, (ii) split, subdivide, recapitalize, restructure or reclassify the outstanding Common Shares into a greater number of Common Shares or (iii) combine, recapitalize, restructure or reclassify the outstanding Common Shares into a smaller number of Common Shares, in each case other than upon a transaction to which Section 4.5 or Section 4.6 applies, the number of Common Shares issuable upon exercise of a Warrant at the time of the Record Date for such dividend or distribution or the effective date of such split, subdivision, combination, recapitalization, restructuring or reclassification shall be proportionately adjusted so that the Warrantholder, after such date, shall be entitled to purchase the number of Common Shares which such Warrantholder would have owned or been entitled to receive on such date had such Warrant been exercised immediately prior to such date. In such event, the Exercise Price in effect at the time of the Record Date for such dividend or distribution or the effective date of such split, subdivision, combination, recapitalization, restructuring or reclassification shall be adjusted to the number obtained by dividing (x) the product of (i) the number of Common Shares issuable upon the exercise of a Warrant before such adjustment and (ii) the Exercise Price in effect immediately prior to the Record Date or effective date, as the case

may be, for such dividend, distribution, split, subdivision, combination, recapitalization, restructuring or reclassification giving rise to this adjustment by (y) the new number of Common Shares issuable upon exercise of a Warrant determined pursuant to the immediately preceding sentence.

Section 4.3 Other Distributions. In case the Company shall fix a Record Date for the making of a distribution to all holders of its Common Shares of (a) ~~shares~~limited liability company interests of any class other than Common Shares, (b) evidence of indebtedness of the Company or any Subsidiary, (c) other securities, assets or cash (excluding dividends or distributions referred to in Section 4.2) or (d) rights or warrants (other than in connection with the adoption of a stockholder rights plan (or equivalent for entity types other than corporations)), in each such case, the Exercise Price in effect prior thereto shall be reduced immediately thereafter to the price obtained by multiplying the Exercise Price in effect immediately prior thereto by the fraction resulting from dividing (x) an amount equal to the difference resulting from (i) the number of Common Shares outstanding on such Record Date multiplied by the Fair Market Value of the Common Shares on the ~~trading date~~Business Day immediately prior to such Record Date less (ii) the Fair Market Value of said ~~shares~~limited liability company interests, evidences of indebtedness, assets, cash, rights or warrants to be so distributed in the aggregate to all Common Shares outstanding on such Record Date by (y) the number of Common Shares outstanding on such Record Date multiplied by the Fair Market Value of the Common Shares on the trading date immediately prior to such Record Date. Such adjustment shall be made successively whenever such a Record Date is fixed. In such event, the number of Common Shares issuable upon the exercise of a Warrant shall be increased to the number obtained by dividing (x) the product of (i) the number of Common Shares issuable upon the exercise of a Warrant before such adjustment and (ii) the Exercise Price in effect immediately prior to the Record Date for the distribution giving rise to this adjustment by (y) the new Exercise Price determined in accordance with the second preceding sentence. In the event that such distribution is not so made, the Exercise Price and the number of Common Shares issuable upon exercise of a Warrant then in effect shall be readjusted, effective as of the date when the Board determines not to distribute such ~~shares~~limited liability company interests, evidences of indebtedness, assets, cash, rights or warrants, as the case may be, to the Exercise Price that would then be in effect and the number of Common Shares that would then be issuable upon exercise of a Warrant if such Record Date had not been fixed.

Section 4.4 Dissolution, Total Liquidation or Winding Up. If at any time there is a voluntary or involuntary dissolution, total liquidation or winding-up of the Company, then the Company shall provide each Warrantholder with written notice of the date on which such dissolution, liquidation or winding-up shall take place (and, in any event, not less than 30 days before any date set for definitive action). Such notice shall also specify the date as of which the record holders of Common Shares shall be entitled to exchange their Common Shares for securities, money or other property deliverable upon such dissolution, liquidation or winding-up, as the case may be. On such date, each Warrantholder shall be entitled to receive, upon surrender of its Warrant for each Common Share then receivable upon exercise of such Warrant, the cash, securities or other property, less the Exercise Price for such Warrant then in effect, that such Warrantholder would have been entitled to receive in respect of such Common Share had such Warrant been exercised immediately prior to such dissolution, liquidation or winding-up. Upon receipt of such cash, securities or other property, any and all rights of such Warrantholder

to exercise such Warrant shall terminate in their entirety. If the cash, securities or other property distributable in respect of such Common Share in the dissolution, liquidation or winding-up has a Fair Market Value which is less than the Exercise Price for such Warrant then in effect, no such cash, securities or other property shall be delivered to such Warrantholder in respect of such Warrants and such Warrant shall terminate and be of no further force or effect upon the dissolution, liquidation or winding-up.

Section 4.5 Successor upon Consolidation, Merger and Sale of Assets.

(a) Other than with respect to a Liquidity Event, the Company may only consolidate or merge with any other Person (a "**Fundamental Equity Change**"), so long as the Company is the surviving Person, or, in the event that the Company is not the surviving Person:

(i) the successor to the Company assumes all of the Company's obligations under this Warrant Agreement and the Warrants; and

(ii) the successor to the Company provides written notice of such assumption to the Warrant Agent.

(b) In the case of any Fundamental Equity Change other than a Liquidity Event, the successor entity shall succeed to and be substituted for the Company with the same effect as if it had been named herein as the Company; provided, however, such successor entity shall provide the Warrant Agent with any such identifying ~~corporate~~company information as reasonably required by the Warrant Agent. Such successor entity thereupon may cause to be signed, and may issue any or all of the Warrants issuable pursuant to this Warrant Agreement which theretofore shall not have been signed by the Company; and, upon the order of such successor entity, instead of the Company, and subject to all the terms, conditions and limitations in this Warrant Agreement prescribed, the Warrant Agent shall authenticate and deliver, as applicable, any Warrants that previously shall have been signed and delivered by the officers of the Company to the Warrant Agent for authentication, and any Warrants which such successor entity thereafter shall cause to be signed and delivered to the Warrant Agent for such purpose.

(c) If a Liquidity Event is consummated prior to the Expiration Time, then any Warrants that are unexercised prior to the consummation of such Liquidity Event shall be deemed to have expired worthless and will be cancelled for no further consideration.

Section 4.6 Adjustment upon Reorganization Event.

(a) If there occurs any Fundamental Equity Change or any recapitalization, reorganization, consolidation, reclassification, change in the outstanding Common Shares (other than changes resulting from a subdivision or combination to which Section 4.2 applies), statutory share exchange, statutory unit exchange or other transaction (in each case, other than a Liquidity Event), in each case as a result of which the Common Shares would be converted into, changed into or exchanged for stock, other securities, other property or assets (including cash or any combination thereof) (each such event a "**Reorganization Event**"), then following the effective time of the Reorganization Event, the right to receive Common Shares upon exercise of a Warrant shall be changed to a right to receive, upon exercise of such Warrant, the kind and amount of shares of stock, units, other securities or other property or assets (including cash or

any combination thereof) that a holder of the number of Common Shares for which one Warrant is exercisable immediately prior to such Reorganization Event would have owned or been entitled to receive in connection with such Reorganization Event (the "**Reference Property**", with a "**Unit of Reference Property**" meaning the kind and amount of Reference Property that a holder of one Common Share is entitled to receive). In the event holders of Common Shares have the opportunity to elect the form of consideration to be received in a Reorganization Event, the type and amount of consideration into which the Warrants shall be exercisable from and after the effective time of such Reorganization Event shall be deemed to be the weighted average of the types and amounts of consideration received by the holders of Common Shares that have the right to make such election in such Reorganization Event. The Company hereby agrees not to become a party to any Reorganization Event unless its terms are consistent with this Section 4.6.

(b) At any time from, and including, the effective time of a Reorganization Event, the number of Common Shares that the Company would have been required to deliver upon exercise of the Warrants shall instead be deliverable in a corresponding number of Units of Reference Property and, in the case of Cashless Settlement, shall be determined based on the Fair Market Value of a Unit of Reference Property.

(c) On or prior to the effective time of any Reorganization Event, the Company or the successor or purchasing Person, as the case may be, shall execute an amendment to this Warrant Agreement providing that the Warrants shall be exercisable for Units of Reference Property in accordance with the terms of this Section 4.6. If the Reference Property in connection with any Reorganization Event includes shares of stock, units or other securities and assets of a Person other than the successor or purchasing Person, as the case may be, in such Reorganization Event, then the Company shall cause such amendment to this Warrant Agreement to be executed by such other Person and such amendment shall contain such additional provisions to protect the interests of the Warrantholder (for the benefit of the Beneficial Owners under this Warrant Agreement) as the Board shall reasonably consider necessary by reason of the foregoing. Any such amendment to this Warrant Agreement shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided for in this Article 4. In the event the Company shall execute an amendment to this Warrant Agreement pursuant to this Section 4.6, the Company shall promptly file with the Warrant Agent a certificate executed by a duly authorized officer of the Company briefly stating the reasons therefor, the kind or amount of cash, securities or property or assets that will comprise a Unit of Reference Property after the relevant Reorganization Event, any adjustment to be made with respect thereto and that all conditions precedent have been complied with. The Company shall cause notice of the execution of the amendment to be mailed to the Warrantholder, at its address appearing on the Warrant Register, within five Business Days after execution thereof.

(d) The above provisions of this Section 4.6 shall similarly apply to successive Reorganization Events.

(e) If this Section 4.6 applies to any event or occurrence, no other provision of this Article 4 shall apply to such event or occurrence (other than Section 4.5).

Section 4.7 Rounding of Calculations; Minimum Adjustments. All calculations under this Article 4 shall be made to the nearest one-tenth (1/10th) of a cent or to the nearest one-hundredth (1/100th) of a share or unit (as applicable), as the case may be. Any provision of this Article 4 to the contrary notwithstanding, no adjustment in the Exercise Price or the number of Common Shares issuable upon the exercise of a Warrant shall be made if the amount of such adjustment would be less than $0.01 or one-tenth (1/10th) of a Common Share, respectively, but any such amount shall be carried forward and an adjustment with respect thereto shall be made at the time of and together with any subsequent adjustment which, together with such amount and any other amount or amounts so carried forward, shall aggregate $0.01 or 1/10th of a Common Share, respectively, or more, subject in all cases to Section 3.6.

Section 4.8 Timing of Issuance of Additional Common Shares Upon Certain Adjustments. In any case in which the provisions of this Article 4 shall require that an adjustment shall become effective immediately after a Record Date for an event, the Company may defer until the occurrence of such event (i) issuing to each Warrantholder of a Warrant exercised after such Record Date or date of such agreement and before the occurrence of such event, issuance or sale the additional Common Shares issuable upon such exercise by reason of the adjustment required by such Record Date or agreement over and above the Common Shares issuable upon such exercise before giving effect to such adjustment and (ii) paying to such Warrantholder any amount of cash in lieu of a fractional Common Share.

Section 4.9 Statement Regarding Adjustments. Whenever the Exercise Price or the number of Common Shares issuable upon exercise of a Warrant shall be adjusted as provided in this Article 4, the Company shall promptly, and in any event within three Business Days, file, at the principal office of the Company, a statement showing in reasonable detail the facts requiring such adjustment and the Exercise Price that shall be in effect and the number of Common Shares issuable upon exercise of a Warrant after such adjustment. The Company shall also cause a copy of such statement to be delivered to each Warrantholder at the address appearing in the Company's records, and shall be available upon request to any Beneficial Owner.

Section 4.10 Notice of Adjustment Event. In the event that (i) the Company shall propose to take any action of the type described in this Article 4 or (ii) the Company fixes any Record Date for any event, the Company shall give notice to each Warrantholder, in the manner set forth in Section 4.9, which notice shall specify the Record Date, if any, with respect to any such action and the approximate date on which such action is to take place. Such notice shall also set forth the facts with respect thereto (including the material terms with respect to any contemplated transaction) and indicate the effect on the Exercise Price and the number, kind or class of shares, units or other securities or property which shall be deliverable upon exercise or exchange of a Warrant, if any. Such notice shall be given at least 10 ~~days~~Business Days prior to the taking of such proposed action; provided that notice of any Liquidity Event shall be given at least 21 days prior to the taking of such proposed action. Failure to give such notice, or any defect therein, shall not affect the legality or validity of any such action. Nothing herein shall prohibit the Warrantholders from exercising their Warrants during the 10 ~~day~~Business Day period commencing on the date of such notice (21 days in the case of a Liquidity Event).

Section 4.11 Adjustment Rules. Any adjustments pursuant to this Article 4 shall be made successively whenever an event referred to herein shall occur. If an adjustment in the

Exercise Price made hereunder would reduce the Exercise Price to an amount below the par value (if any) of the Common Shares, then such adjustment in the Exercise Price made hereunder shall reduce the Exercise Price to the par value (if any) of the Common Shares and then, so long as the Company shall have taken any ~~corporate~~company action which would, in the opinion of its counsel, be necessary in order that the Company may validly issue Common Shares at the Exercise Price as so adjusted in accordance with its obligations under Section 3.9, to such lower par value (if any) as may then be established.

Section 4.12 Optional Tax Adjustment. The Company may at its option, at any time prior to the Expiration Time, increase the number of Common Shares into which each Warrant is exercisable, or decrease the Exercise Price for such Warrant, in addition to those changes otherwise required by this Article 4, as deemed advisable by the Board, in order that any event treated for Federal income tax purposes as a dividend of stock or stock rights shall not be taxable to the recipients or that such tax shall be diminished.

Section 4.13 Stockholder Rights Plans or Equivalent. If the Company has a stockholder rights plan (or equivalent for entity types other than corporations) in effect with respect to the Common Shares, upon exercise of a Warrant the applicable Exercising Owner shall be entitled to receive, in addition to the Common Shares, the rights under such stockholder rights plan (or equivalent for entity types other than corporations), subject to readjustment in the event of the expiration, termination or redemption of such rights.

ARTICLE 5

OTHER PROVISIONS RELATING TO RIGHTS OF WARRANTHOLDERS

Section 5.1 No Rights as ~~Stockholders~~Unitholders. Nothing contained in this Warrant Agreement shall be construed as conferring upon any Person, by virtue in and of itself of holding a Warrant Certificate evidencing any Warrant or having a beneficial interest in a Warrant, the right to vote, receive any dividend or other distribution, receive notice of, or attend, any meeting of ~~stockholders~~unitholders or otherwise exercise any rights whatsoever, in each case, as a ~~stockholder~~unitholder of the Company to the extent such vote, dividend, giving of notice, meeting or other exercise of rights (or, if applicable, the relevant Record Date therefor) precedes the Close of Business on the Exercise Date with respect to the exercise of such Warrant. No Warrantholder shall have any right not expressly conferred hereunder or under, or by applicable Law with respect to, the Warrant Certificate held by such holder.

Section 5.2 Modification/Amendment.

(a) This Warrant Agreement or the Warrants may be modified or amended by the Company and the Warrant Agent, without the consent of any Warrantholder, for the purposes of (i) curing any ambiguity or correcting or supplementing any defective provision contained in this Warrant Agreement or (ii) providing for the assumption of the Company's obligations pursuant to Section 4.5; provided that, in each case, any such modification or amendment does not adversely affect the interests of the Warrantholders in any material respect.

(b) This Warrant Agreement or the Warrants may be modified or amended, or noncompliance with any provision of the Warrant Agreement or the Warrants may be waived, only upon the written consent of the Required Warrantholders and the Company; provided, however, that any modification, amendment or waiver that adversely affects the interests of a Warrantholder disproportionately relative to any other Warrantholder (including any Beneficial Owner) in any material respect shall require the written consent of such Warrantholder so affected; provided, further, no such modification, amendment or waiver may, without the written consent or the affirmative vote of each Warrantholder affected (A) change the Expiration Time to an earlier time or date; or (B) increase the Exercise Price or decrease the number of Common Shares for which a Warrant is exercisable (except as set forth in Article 4) or (C) modify or amend Sections 5.4 or 5.5 hereof. Any consent delivered by electronic means shall be deemed to constitute written consent.

(c) Upon execution and delivery of any amendment pursuant to this Section 5.2, such amendment shall be considered a part of this Warrant Agreement for all purposes and every Warrantholder holding a Warrant Certificate theretofore or thereafter countersigned and delivered hereunder shall be bound thereby.

(d) In determining whether the Required Warrantholders have concurred in any direction, notice, waiver or consent, Warrants beneficially owned by the Company, any Subsidiary of the Company or any Affiliate of the Company or any Subsidiary of the Company, shall be considered as though not outstanding; provided that, for the purposes of determining whether the Warrant Agent will be protected in conclusively relying on any such direction, notice, waiver or consent, only Warrants that a responsible officer of the Warrant Agent knows are so owned will be so disregarded.

Section 5.3 Rights of Action. All rights of action against the Company in respect of this Warrant Agreement are vested in the Warrantholders, and any Warrantholder, without the consent of the Warrant Agent or any other Warrantholder, may, on such Warrantholder's own behalf and for such Warrantholder's own benefit, enforce and may institute and maintain any suit, action or proceeding against the Company suitable to enforce, or otherwise in respect of, such Warrantholder's right to exercise such Warrantholder's Warrants in the manner provided in this Warrant Agreement.

Section 5.4 Issuance Obligation Remedies. ~~Nothing~~Subject to Section 5.6(c), nothing in this Warrant Agreement shall limit the right of any Warrantholder to pursue any other remedies available to it hereunder, at law or in equity, including, without limitation, a decree of specific performance or injunctive relief with respect to the Company's violation of its obligations under this Warrant Agreement, including, without limitation, any failure by the Company to timely issue Common Shares upon exercise of such Warrant as required pursuant to the terms hereof.

Section 5.5 No Impairment.

(a) The Company will not, by amendment to its ~~Company's~~ certificate of ~~incorporation or bylaws~~formation or LLC Agreement or through reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary

action, avoid or seek to avoid the observance or performance of any of the terms of the Warrants or this Warrant Agreement, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the Warrantholders and the Beneficial Owners under this Warrant Agreement against impairment.

(b) Without limiting the generality of the foregoing, the Company will (i) not increase the par value (if any) of any Common Shares obtainable upon the exercise of the Warrants and (ii) take all such actions as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Common Shares upon the exercise of the Warrants.

(c) Before taking any action that would cause an adjustment reducing the Exercise Price below the then par value (if any) of the Common Shares, the Company will take any ~~corporate~~company action that may be necessary in order that the Company may validly and legally issue fully paid and non-assessable ~~shares of~~ Common Shares at such adjusted Exercise Price.

Section 5.6 Information Rights.

(a) Warrantholders and Beneficial Owners (other than Competitors) shall, within a reasonable time after the Company's receipt of a written request given to it (with such information as the Company may require) in accordance with Section 6.14, be granted access to, or be provided, the following; provided that (A) prior to the receipt by any Warrantholder or Beneficial Owner of any of the documents set forth in clauses (i) through (iii) below, or access to the call described in clause (iv) below, such Warrantholder or Beneficial Owner shall have delivered to the Company (x) a customary non-disclosure agreement (which may be on a "click-through" basis) in a form acceptable to the Board and (y) an acknowledgement in writing (which may, at the Company's election, be on a "click-through" basis) that such Warrantholder or Beneficial Owner has received a copy of the LLC Agreement and acknowledges that it shall be bound by the terms and conditions of the LLC Agreement as an LLC Direct Owner or an LLC Beneficial Owner, as applicable, upon issuance of Common Shares upon the exercise of any Warrant directly or indirectly by such Warrantholder or Beneficial Owner, and (B) the documents set forth in clauses (i) through (iii) below may be provided by granting such Warrantholder or Beneficial Owner access to a confidential website or other portal, such as Intralinks or Epiq, and posting such information on such website or other portal. If a Warrantholder or Beneficial Owner does not provide the non-disclosure agreement described in clause (A)(x) of the proviso in the immediately preceding sentence, or the acknowledgment described in clause (A)(y) of the immediately preceding sentence, then the Company's obligation to grant access to such Warrantholder or Beneficial Owner to the documents set forth in clauses (i) through (iii) below, or access to the call described in clause (iv) below, shall be deemed satisfied.

(i) [within 90 days after the end of each fiscal year of the Company, commencing with the fiscal year ending December 31, [2023], (A) a copy of the audited consolidated balance sheet of the Company and its consolidated

Subsidiaries as at the end of such year and the related audited consolidated statements of income and of cash flows for such year, in each case, in accordance with GAAP, and (B) a management's discussion and analysis of the important operational and financial developments during such fiscal year;

(ii) within 45 days [(or 75 days, in the case of the fiscal quarter of the Company ending June 30, 2023)] after the end of each of the first three quarterly periods of each fiscal year of the Company, commencing with the fiscal quarter ending [●], [2023], (A) the unaudited consolidated balance sheet of the Company and its consolidated Subsidiaries as at the end of such quarter and the related unaudited consolidated statements of income and of cash flows for such quarter and the portion of the fiscal year through the end of such quarter, in each case in accordance with GAAP (subject to normal year-end audit adjustments and the lack of complete footnotes) and (B) a management's discussion and analysis of the important operational and financial developments during such fiscal quarter];

(iii) a copy of the LLC Agreement; and

(iv) a quarterly "earnings call" which shall take place as promptly as reasonably practicable after the distribution of the financial statements for the applicable quarter.][10]

(b) A Warrantholder or Beneficial Owner may provide the information provided pursuant to clauses (i) through (iii) of Section 5.6(a) to any bona fide prospective transferee (other than Competitors) of the Warrants as follows: such Warrantholder or Beneficial Owner shall give notice to the Company of the proposed transferee (and the proposed transferee's e-mail address(es)) and the Company will then send to the proposed transferee by e-mail or other electronic communication a link to a website or other portal from which the applicable information and a copy of the LLC Agreement may be accessed subject to such proposed transferee having delivered to the Company (x) a customary non-disclosure agreement in favor of the Company in a form acceptable to the Board (which may, at the Company's election, be on a "click-through" basis) and (y) an acknowledgement in writing (which may, at the Company's election, be on a "click-through" basis) from such proposed transferee that such proposed transferee has received a copy of the LLC Agreement and acknowledges that such proposed transferee shall be bound by the terms and conditions of the LLC Agreement as an LLC Direct Owner or an LLC Beneficial Owner, as applicable, upon issuance of Common Shares upon the exercise of any Warrant directly or indirectly by such proposed transferee (if such proposed transferee becomes a Warrantholder or Beneficial Owner). If a proposed transferee does not provide the non-disclosure agreement described in clause (x) of the immediately preceding sentence, or the acknowledgment described in clause (y) of the immediately preceding sentence, then the Company's obligation to grant access to such proposed transferee to the applicable information and a copy of the LLC Agreement shall be deemed satisfied. For the avoidance of doubt, the Company shall be under no

[10] NTD: To be conformed with section 11.1(c) of the LLC Agreement, when finalized.

obligation to provide, or otherwise make available, any information to any proposed transferee if such proposed transferee is deemed to be a Competitor as determined by the Company in its sole and absolute discretion.

(c) Notwithstanding anything to the contrary in this Warrant Agreement, including without limitation Section 5.4 and Section 6.17, the sole and exclusive remedy for breach of any obligation of the Company under Section 5.6(a) shall be specific performance, and each Warrantholder and each Beneficial Owner hereby waives all other rights and remedies that may be available to it in respect of any such breach to the fullest extent permitted by applicable Law.

(d) Each Beneficial Owner (other than a Competitor) is hereby expressly made a third-party beneficiary solely for purposes of the rights granted to them pursuant to Section 5.6.

Section 5.7 LLC Agreement Provisions Binding Upon Exercise. Each Person that becomes an LLC Member or an LLC Beneficial Owner of the Common Shares issued upon exercise of the Warrants shall automatically become admitted as an LLC Member or an LLC Beneficial Owner, as applicable, upon such Person's receipt of the Common Shares (whether direct or indirect) issued upon exercise of the Warrants without the need to execute the LLC Agreement or a joinder thereto, and shall have all of the rights, and be subject to all of the obligations, set forth in the LLC Agreement with respect to LLC Members and LLC Beneficial Owners, as applicable, and as provided under the Delaware LLC Act. Each Person that becomes an LLC Direct Owner or an LLC Beneficial Owner upon exercise of the Warrants shall be deemed to represent and warrant to the Company that such Person: (A) has received (or otherwise had made available to it), read and understood the LLC Agreement, (B) acknowledges and understands that such Person shall have all the rights, and be subject to all the obligations, set forth in the LLC Agreement with respect to LLC Direct Owners and LLC Beneficial Owners and as provided under the Delaware LLC Act, as if such Person had directly executed the LLC Agreement as a party and (C) ratifies and confirms each and every Article, Section and provision of the LLC Agreement. Furthermore, each such Person that becomes an LLC Direct Owner or an LLC Beneficial Owner upon exercise of the Warrants shall be deemed to represent and warrant to the Company that the LLC Agreement constitutes the legal, valid and binding obligation of such Person and it is enforceable against it in accordance with its terms, subject to applicable insolvency, bankruptcy or other laws affecting creditors' rights generally or by general principles of equity.

ARTICLE 6

CONCERNING THE WARRANT AGENT AND OTHER MATTERS

Section 6.1 Change of Warrant Agent.

(a) The Warrant Agent, or any successor to it hereafter appointed, may resign its duties and be discharged from all further duties and liabilities hereunder (except for liability arising as a result of the Warrant Agent's own gross negligence, willful misconduct bad faith or material breach of this Warrant Agreement) after giving 60 days' notice in writing to the

Company, except that such shorter notice may be given as the Company shall, in writing, accept as sufficient. If the office of the Warrant Agent becomes vacant by resignation or incapacity to act or otherwise, the Company shall appoint in writing a successor warrant agent in place of the Warrant Agent. If the Company shall fail to make such appointment within a period of 30 days after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated warrant agent or by the Required Warrantholders, then the Required Warrantholders may appoint a successor warrant agent.

(b) The Warrant Agent may be removed by the Company at any time upon 30 days' written notice to the Warrant Agent; provided, however, that the Company shall not remove the Warrant Agent until a successor warrant agent meeting the qualifications hereof shall have been appointed; provided, further, that, until such successor warrant agent has been appointed, the Company shall compensate the Warrant Agent in accordance with Section 6.2.

(c) Any successor warrant agent~~, whether appointed by the Company or by such a court,~~ shall be a corporation or banking association organized, in good standing and doing business under the Laws of the United States of America or any state thereof or the District of Columbia, and authorized under such Laws to exercise corporate trust powers and subject to supervision or examination by federal or state authority and having a combined capital and surplus of not less than $50,000,000. The combined capital and surplus of any such successor warrant agent shall be deemed to be the combined capital and surplus as set forth in the most recent report of its condition published prior to its appointment; provided that such reports are published at least annually pursuant to Law or to the requirements of a federal or state supervising or examining authority.

(d) After acceptance in writing of such appointment by the successor warrant agent, such successor warrant agent shall be vested with all the authority, powers, rights, immunities, duties and obligations of its predecessor warrant agent with like effect as if originally named as warrant agent hereunder, without any further act or deed; but if for any reason it becomes necessary or appropriate, the predecessor warrant agent shall execute and deliver, at the expense of the Company, an instrument transferring to such successor warrant agent all the authority, powers and rights of such predecessor warrant agent hereunder; and upon request of any successor warrant agent, the Company shall make, execute, acknowledge and deliver any and all instruments in writing to more fully and effectually vest in and conform to such successor warrant agent all such authority, powers, rights, immunities, duties and obligations. Upon assumption by a successor warrant agent of the duties and responsibilities hereunder, the predecessor warrant agent shall deliver and transfer, at the expense of the Company, to the successor warrant agent any property at the time held by it hereunder. As soon as practicable after such appointment, the Company shall give notice thereof to the predecessor warrant agent and each transfer agent for its Common Shares. Failure to give such notice, or any defect therein, shall not affect the validity of the appointment of the successor warrant agent.

(e) Any entity into which the Warrant Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Warrant Agent shall be a party, or any Person succeeding to all or substantially all of the corporate trust or agency business of the Warrant Agent, shall be the successor warrant agent under this Warrant Agreement without the execution or filing of any

paper or any further act on the part of any of the parties hereto; provided, however, that such entity would be eligible for appointment as a successor warrant agent under Section 6.1(c).

Section 6.2 Compensation; Further Assurances. The Company agrees that it will (a) pay the Warrant Agent reasonable compensation for its services as Warrant Agent in accordance with Exhibit C attached hereto and, except as otherwise expressly provided, will pay or reimburse the Warrant Agent upon written demand for all reasonable and documented expenses, disbursements and advances incurred or made by the Warrant Agent in accordance with any of the provisions of this Warrant Agreement (including the reasonable and documented compensation, expenses and disbursements of its counsel incurred in connection with the execution and administration of this Warrant Agreement), except any such expense, disbursement or advance as may arise from its or any of their gross negligence, willful misconduct or bad faith, and (b) perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Warrant Agent for the carrying out or performing of the provisions of this Warrant Agreement. The Warrant Agent agrees to provide the Company with prior written notice of the retention of counsel whose compensation, expenses and disbursements are to be paid or reimbursed by the Company under this Section 6.2.

Section 6.3 Reliance on Counsel. The Warrant Agent may consult with legal counsel (who may be legal counsel for the Company), and the written opinion of such counsel or any advice of legal counsel subsequently confirmed by a written opinion of such counsel shall be full and complete authorization and protection to the Warrant Agent as to any action taken or omitted by it in good faith and in accordance with such written opinion or advice.

Section 6.4 Proof of Actions Taken. Whenever in the performance of its duties under this Warrant Agreement the Warrant Agent shall deem it necessary or desirable that any matter be proved or established by the Company prior to taking or suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the good faith of the Warrant Agent, be deemed to be conclusively proved and established by a certificate executed by a duly authorized officer of the Company delivered to the Warrant Agent, and such certificate shall, in the good faith of the Warrant Agent, be relied upon by the Warrant Agent for any action taken, suffered or omitted in good faith by it under the provisions of this Warrant Agreement; provided that in its discretion, the Warrant Agent may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as to it may seem reasonable.

Section 6.5 Correctness of Statements. The Warrant Agent shall not be liable for or by reason of any of the statements of fact or recitals contained in this Warrant Agreement (except its countersignature thereof) or be required to verify the same, and all such statements and recitals are and shall be deemed to have been made by the Company only.

Section 6.6 Validity of Agreement. From time to time, the Warrant Agent may apply to any duly authorized officer of the Company for instruction, and the Company shall provide the Warrant Agent with such instructions concerning the services to be provided hereunder. The Warrant Agent shall not be held to have notice of any change of authority of any Person, until receipt of notice thereof from the Company. The Warrant Agent shall not be responsible for any

breach by the Company of any covenant or condition contained in this Warrant Agreement, nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any Common Shares to be issued pursuant to this Warrant Agreement or any Warrants or as to whether any Common Shares will, when issued, be validly issued, fully paid and nonassessable. The Warrant Agent and its agents and subcontractors shall not be liable and shall be indemnified by the Company for any action taken or omitted by Warrant Agent in reliance in good faith upon any Company instructions except to the extent that the Warrant Agent had actual knowledge of facts and circumstances that would render such reliance unreasonable.

Section 6.7 Use of Agents. The Warrant Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, provided that the Warrant Agent shall remain responsible for the activities or omissions of any such agent or attorney and reasonable care has been exercised in the selection and in the continued employment of such attorney or agent.

Section 6.8 Liability of Warrant Agent. The Warrant Agent shall incur no liability or responsibility to the Company or to any Warrantholder for any action taken or not taken (a) in reliance on any notice, resolution, waiver, consent, order, certificate, or other paper, document or instrument reasonably believed by it to be genuine and to have been signed, sent and presented by the proper party or parties or (b) in relation to its services under this Warrant Agreement, unless such liability arises out of or is attributable to the Warrant Agent's gross negligence, material breach of this Warrant Agreement, willful misconduct or bad faith. The Company agrees to indemnify the Warrant Agent and save it harmless against any and all losses, expenses and liabilities, including judgments, costs and reasonable counsel fees, for anything done or omitted in good faith by the Warrant Agent in the execution of this Warrant Agreement or otherwise arising in connection with this Warrant Agreement, except as a result of the Warrant Agent's gross negligence, material breach of this Warrant Agreement, willful misconduct or bad faith (as determined by a court of competent jurisdiction in a final non-appealable judgment). The Warrant Agent shall be liable hereunder only for its gross negligence, material breach of this Warrant Agreement, fraud, willful misconduct or bad faith (as determined by a court of competent jurisdiction in a final non-appealable judgment), for which the Warrant Agent is not entitled to indemnification under this Warrant Agreement. For the avoidance of doubt, this Section 6.8 does not apply to tax matters.

Section 6.9 Legal Proceedings. The Warrant Agent shall be under no obligation to institute any action, suit or legal proceeding or to take any other action likely to involve expense unless the Company or any Warrantholder shall furnish the Warrant Agent with reasonable indemnity for any costs and expenses which may be incurred, but this provision shall not affect the power of the Warrant Agent to take such action as the Warrant Agent may consider proper, whether with or without any such security or indemnity. The Warrant Agent shall promptly notify the Company and each Warrantholder in writing of any claim made or action, suit or proceeding instituted against it arising out of or in connection with this Warrant Agreement.

Section 6.10 Actions as Agent.

(a) The Warrant Agent shall act hereunder solely as agent and not in a ministerial or fiduciary capacity, and its duties shall be determined solely by the provisions hereof. The duties and obligations of the Warrant Agent shall be determined solely by the express provisions of the Warrant Agreement or of the Warrant Certificates, and the Warrant Agent shall not be liable except for the performance of such duties and obligations as are specifically set forth in the Warrant Agreement or in the Warrant Certificates. No implied covenants or obligations shall be read into the Warrant Agreement against the Warrant Agent. The Warrant Agent shall not be liable for anything that it may do or refrain from doing in good faith in connection with this Warrant Agreement except for its own gross negligence, willful misconduct or bad faith.

(b) The Warrant Agent shall not, by countersigning Warrant Certificates or by any other act hereunder, be deemed to make any representations as to validity or authorization of the Warrants or the Warrant Certificates (except as to its countersignature thereon). The Warrant Agent shall not be responsible for any failure of the Company to make any cash payment or to issue, transfer or deliver any Common Shares or stock certificates or other securities or property upon the surrender of any Warrant Certificate for the purpose of exercise or upon any adjustment pursuant to Article 4 hereof or to comply with any of the covenants of the Company contained in Article 4 hereof.

(c) The Warrant Agent shall not (i) be liable for any recital or statement of fact contained herein or in the Warrant Certificates or for any action taken, suffered or omitted by it in good faith on the belief that any Warrant Certificate or any other documents or any signatures are genuine or properly authorized, (ii) be responsible for any failure on the part of the Company to comply with any of its covenants and obligations contained in this Warrant Agreement or in the Warrant Certificates or (iii) be liable for any act or omission in connection with this Warrant Agreement except for its own gross negligence, bad faith or willful misconduct.

(d) The Warrant Agent is hereby authorized to accept and protected in accepting instructions with respect to the performance of its duties hereunder by Company Order and to apply to any such officer named in such Company Order for instructions (which instructions will be promptly given in writing when requested), and the Warrant Agent shall not be liable for any action taken or suffered to be taken by it in good faith in accordance with the instructions in any Company Order.

Section 6.11 Appointment and Acceptance of Agency. The Company hereby appoints the Warrant Agent to act as agent for the Company in accordance with the instructions set forth in this Warrant Agreement, and the Warrant Agent hereby accepts the agency established by this Warrant Agreement and agrees to perform the same upon the terms and conditions set forth in this Warrant Agreement and in the Warrant Certificates or as the Company and the Warrant Agent may hereafter agree, by all of which the Company and the Warrantholders of Warrant Certificates, by their acceptance thereof, shall be bound; provided, however, that the terms and conditions contained in the Warrant Certificates are subject to and governed by this Warrant Agreement or any other terms and conditions hereafter agreed to by the Company and the Warrant Agent.

Section 6.12 Appointment of Countersigning Agent.

(a) The Warrant Agent may appoint a Countersigning Agent or Agents which shall be authorized to act on behalf of the Warrant Agent to countersign Warrant Certificates issued upon original issue and upon exchange, registration of transfer or pursuant to ~~Section 2.8~~Section 2.5, and Warrant Certificates so countersigned shall be entitled to the benefits of this Warrant Agreement equally and proportionately with any and all other Warrant Certificates duly executed and delivered hereunder. Wherever reference is made in this Warrant Agreement to the countersignature and delivery of Warrant Certificates by the Warrant Agent or to Warrant Certificates countersigned by the Warrant Agent, such reference shall be deemed to include countersignature and delivery on behalf of the Warrant Agent by a Countersigning Agent and Warrant Certificates countersigned by a Countersigning Agent. Each Countersigning Agent shall be acceptable to the Company and shall at the time of appointment be a corporation doing business under the Laws of the United States of America or any State thereof in good standing, authorized under such Laws to act as Countersigning Agent, and having a combined capital and surplus of not less than $25,000,000. The combined capital and surplus of any such new Countersigning Agent shall be deemed to be the combined capital and surplus as set forth in the most recent annual report of its condition published by such Countersigning Agent prior to its appointment; provided, however, such reports are published at least annually pursuant to Law or to the requirements of a Federal or state supervising or examining authority.

(b) Any corporation into which a Countersigning Agent may be merged or any corporation resulting from any consolidation to which such Countersigning Agent shall be a party, shall be a successor Countersigning Agent without any further act; provided, that, such corporation would be eligible for appointment as a new Countersigning Agent under the provisions of Section 6.12(a), without the execution or filing of any paper or any further act on the part of the Warrant Agent or the Countersigning Agent. Any such successor Countersigning Agent shall promptly cause notice of its succession as Countersigning Agent to be given in accordance with Section 6.14 to each Warrantholder of a Warrant Certificate at such Warrantholder's last address as shown on the Warrant Register.

(c) A Countersigning Agent may resign at any time by giving 30 days' prior written notice thereof to the Warrant Agent and to the Company. The Warrant Agent may at any time terminate the agency of a Countersigning Agent by giving 30 days' prior written notice thereof to such Countersigning Agent and to the Company.

(d) The Warrant Agent agrees to pay to each Countersigning Agent from time to time reasonable compensation for its services under this Section 6.12 and the Warrant Agent shall be entitled to be reimbursed for such payments, subject to the provisions of Section 6.2.

(e) Any Countersigning Agent shall have the same rights and immunities as those of the Warrant Agent set forth in Section 6.8 and Section 6 10.

Section 6.13 Successors and Assigns. All the covenants and provisions of this Warrant Agreement by or for the benefit of the Company or the Warrant Agent shall bind and inure to the benefit of their respective successors and assigns hereunder. The Warrant Agent may assign this Warrant Agreement or any rights and obligations hereunder, in whole or in part,

to an Affiliate thereof with the prior consent of the Company, provided that the Warrant Agent may make such an assignment without consent of the Company to any successor to the Warrant Agent by consolidation, merger or transfer of its assets subject to the terms and conditions of this Warrant Agreement.

Section 6.14 Notices. the principles of conflicts of Laws thereof that would result in the application of Law of another jurisdiction. The parties hereto irrevocably consent to the exclusive jurisdiction of the courts of the State of New York and any federal court located in such state in connection with any action, suit or proceeding arising out of or relating to this Warrant Agreement or the Warrant Certificates issued hereunder. Each party agrees to commence any such suit, action or proceeding in such court. Each party hereto hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any suit, action or proceeding with respect to this Warrant Agreement or the Warrant Certificates issued hereunder, any claim that it is not personally subject to the jurisdiction of the above-named courts for any reason other than the failure to serve process in accordance with this Section 6.15, that its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise), and to the fullest extent permitted by applicable Law, that the suit, action or proceeding in any such court is brought in an inconvenient forum, or that this Warrant Agreement or the Warrant Certificates issued hereunder, or the subject matter hereof, may not be enforced in or by such courts and further irrevocably waives, to the fullest extent permitted by applicable Law, the benefit of any defense that would hinder, fetter or delay the levy, execution or collection of any amount to which the party is entitled pursuant to the final judgment of any court having jurisdiction. Each party irrevocably consents to the service of process out of any of the aforementioned courts in any such suit, action or proceeding by the mailing of copies thereof by registered mail, postage prepaid, to such party at its mailing address determined in accordance with this Warrant Agreement, such service of process to be effective upon acknowledgment of receipt of such registered mail. Nothing herein shall affect the right of any party to serve process in any other manner permitted by Law.

Section 6.16 Waiver of Jury Trial. EACH OF THE COMPANY AND THE WARRANT AGENT ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE UNDER THIS WARRANT AGREEMENT OR A WARRANT CERTIFICATE EVIDENCING A WARRANT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PERSON HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT SUCH PERSON MAY HAVE TO A TRIAL BY JURY WITH RESPECT TO ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS WARRANT AGREEMENT OR A WARRANT CERTIFICATE EVIDENCING A WARRANT. EACH OF THE COMPANY AND THE WARRANT AGENT CERTIFIES AND ACKNOWLEDGES THAT (a) NO REPRESENTATIVE, AGENT OR ATTORNEY OF THE OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (b) SUCH PERSON UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (c) SUCH PERSON MAKES THIS WAIVER VOLUNTARILY, AND (d) SUCH PERSON HAS BEEN INDUCED TO ENTER INTO THIS WARRANT AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 6.17 Specific Performance. Each of the Company and the Warrant Agent acknowledges that a breach or threatened breach by such party of any of its obligations under this

Warrant Agreement would give rise to irreparable harm to the other party hereto for which monetary damages would not be an adequate remedy and hereby agrees that in the event of a breach or a threatened breach by such party of any such obligations, the other party hereto shall, in addition to any and all other rights and remedies that may be available to it in respect of such breach, be entitled to equitable relief, including a restraining order, an injunction, specific performance and any other relief that may be available from a court of competent jurisdiction.

Section 6.18 Benefit of this Warrant Agreement. Nothing in this Warrant Agreement expressed and nothing that may be implied from any of the provisions hereof is intended, or shall be construed, to confer upon, or give to, any Person other than the parties hereto and the Warrantholders any right, remedy or claim under or by reason of this Warrant Agreement or of any covenant, condition, stipulation, promise or agreement hereof, and all covenants, conditions, stipulations, promises and agreements in this Warrant Agreement contained shall be for the sole and exclusive benefit of the parties hereto and their respective successors and permitted assigns and the Warrantholders. Each Warrantholder, by acceptance of a Warrant Certificate, agrees to all of the terms and provisions of this Warrant Agreement applicable thereto.

Section 6.19 Registered Warrantholder. Every Warrantholder, by accepting a Warrant Certificate, consents and agrees with the Company, with the Warrant Agent and with every subsequent holder of such Warrant Certificate that, prior to due presentment for registration of transfer, the Company and the Warrant Agent may deem and treat the Person in whose name any Warrant Certificates are registered in the Warrant Register as the absolute owner thereof and of the Warrants evidenced thereby for all purposes whatsoever (notwithstanding any notation of ownership or other writing thereon made by anyone other than the Company or the Warrant Agent) and neither the Company nor the Warrant Agent shall be affected by any notice to the contrary or be bound to recognize any equitable or other claim to or interest in any Warrant Certificates or any Warrants evidenced thereby on the part of any other Person and shall not be liable for any registration of transfer of Warrant Certificates that are registered or to be registered in the name of a fiduciary or the nominee of a fiduciary unless made with actual knowledge that a fiduciary or nominee is committing a breach of trust in requesting such registration of transfer or with such knowledge of such facts that its participation therein amounts to bad faith.

Section 6.20 Headings. The Article and Section headings herein are for convenience only and are not a part of this Warrant Agreement and shall not affect the interpretation thereof.

Section 6.21 Counterparts. This Warrant Agreement may be executed in any number of counterparts on separate counterparts, each of which so executed shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument. A signed copy of this Warrant Agreement delivered by e-mail or other means of electronic transmission shall be deemed to have the same legal effect as delivery of an original signed copy of this Warrant Agreement.

Section 6.22 Entire Agreement. This Warrant Agreement constitutes the entire agreement of the Company, the Warrant Agent and the Warrantholders with respect to the subject matter hereof and supersede all prior agreements and undertakings, both written and oral,

among the Company, the Warrant Agent and the Warrantholders with respect to the subject matter hereof.

Section 6.23 Severability. Wherever possible, each provision of this Warrant Agreement shall be interpreted in such manner as to be effective and valid under applicable Law, but if any provision of this Warrant Agreement shall be prohibited by or invalid under applicable Law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Warrant Agreement.

Section 6.24 Termination. This Warrant Agreement shall terminate at the earlier to occur of (i) the Expiration Time (or, if later, Close of Business on the Settlement Date with respect to all exercises of Warrants as to which the respective Exercise Date is prior to the Expiration Time) and (ii) the date on which all outstanding Warrants have been exercised. All provisions regarding indemnification, warranty, liability and limits thereon shall survive the termination or expiration of this Warrant Agreement.

Section 6.25 Confidentiality. The Warrant Agent and the Company agree that personal, non-public Warrantholder information which is exchanged or received pursuant to the negotiation or the carrying out of this Warrant Agreement shall remain confidential, and shall not be voluntarily disclosed to any other Person, except disclosures pursuant to bankruptcy proceedings, applicable securities Laws or otherwise as may be required by Law, including, without limitation, pursuant to subpoenas from state or federal government authorities.

Section 6.26 Representations and Warranties of the Company. As of the date hereof, the Company hereby represents and warrants to the Warrantholders that (i) it has the ~~corporate~~ power and authority to execute this Warrant Agreement and consummate the transactions contemplated by this Warrant Agreement, (ii) there are no statutory or contractual ~~stockholders~~unitholders' preemptive rights or rights of refusal with respect to the issuance of any Warrants and (iii) the execution and delivery by the Company of this Warrant Agreement and the issuance of the Common Shares upon exercise of any Warrant do not and shall not (A) conflict with or result in a breach of the terms, conditions or provisions of, (B) constitute a default under, (C) result in the creation of any lien, security interest, charge or encumbrance upon the Company's capital stock or assets pursuant to, (D) result in a violation of~~,~~ or (E) require any authorization, consent, approval, exemption or other action by or notice or declaration to, or filing with, any court or administrative or governmental body or agency pursuant to, the Company's certificate of ~~incorporation or bylaws~~formation or LLC Agreement or any Law in effect as of the date hereof to which the Company is subject, or any agreement, instrument, order, judgment or decree to which the Company is subject as of the date hereof, except for any such authorization, consent, approval, notice or exemption required under applicable securities Laws, except, in the case of clause (iii), where such occurrences would not reasonably be expected, individually or in the aggregate, to result in the inability of the Company to consummate the transactions contemplated by this Warrant Agreement or perform its obligations hereunder.

Execution Version

March 24, 2023

Revlon Consumer Products Corporation
55 Water St., 43rd Floor
New York, New York 10041-0004
Attention: Matt Kvarda, Interim Chief Financial Officer

Revlon Consumer Products Corporation (the "Company" or "you") has advised Blue Torch Capital LP (together with its affiliates and funds managed, advised or sub-advised by it, the "Potential Lender" or "us") that it is seeking financing for one or more of its subsidiaries on terms as may be acceptable to the Company and the Potential Lender, and in all cases in form and substance satisfactory to the Company and the Potential Lender (any such financing, a "Financing").

The Company has requested that the Potential Lender commence legal and business analysis, legal, credit and business due diligence, the review of other applicable third-party reports, and the preparation of documentation in connection with the proposed Financing (collectively, the "Work"). Accordingly, the purpose of this letter is to confirm, and you agree, that, regardless of whether the proposed Financing or any portion thereof is consummated, you will promptly upon demand reimburse the Potential Lender for all the reasonable and documented out-of-pocket costs and expenses incurred (whether prior to, on, or following the date of this letter) by or on behalf of the Potential Lender (including, without limitation, reasonable and documented out-of-pocket costs and expenses of legal counsel) in connection with (i) the Work, including, without limitation, reasonable and documented out-of-pocket travel expenses, the reasonable and documented fees and expenses of counsel to the Potential Lender, and the reasonable and documented fees and expenses incurred by the Potential Lender in connection with any due diligence, and (ii) the enforcement of this letter or any other documentation entered into in connection with the proposed Financing (all amounts described in this sentence, the "Expenses"); *provided*, that prior to the consummation of the Financing or the effectiveness of a definitive commitment letter for the proposed Financing, the Expenses reimbursable hereunder shall not exceed $150,000. You agree that, once paid, none of the Expenses shall be refundable under any circumstances, regardless of whether the proposed Financing or any portion thereof is consummated, and shall not be creditable against any other amount payable by you to the Potential Lender in connection with the proposed Financing or otherwise. You shall have the right at any time, with or without cause, to request in writing that the Potential Lender ceases incurring new Expenses and your obligations under this paragraph shall terminate with respect to the Expenses of the Potential Lender incurred one business day after the date of its receipt of such written request.

In consideration of, and as a condition precedent to the Potential Lender commencing the Work, by your signature below, you hereby agree to the indemnification provisions and other matters set forth on Exhibit A attached hereto and incorporated by reference into this letter. Upon the closing of the proposed Financing or entering into a definitive commitment letter for the proposed Financing, the indemnification provisions set forth on Exhibit A and the immediately preceding paragraph providing for the obligations to pay Expenses for the Work shall be superseded by any reimbursement and indemnity provisions in such documentation, and you shall have no further Expense or indemnity obligations under this letter.

At this time, the Potential Lender intends to pursue the proposed Financing on terms and subject to conditions expected to be agreed to by the Potential Lender and the Company. **The provisions of this letter do not constitute a commitment to lend or an offer to extend credit nor do they constitute an undertaking by the Potential Lender to issue or arrange a commitment.** The proposed Financing shall be subject to the legal and business due diligence reviews of the Potential Lender, the approval of the Potential Lender's credit authorities and/or investment committee, the execution and delivery of facility documentation (including, to the extent applicable, intercreditor and inter-lender agreements) in form and substance reasonably satisfactory to the Potential Lender and its counsel, and other customary conditions precedent to be determined. Except to the extent expressly set forth herein, no obligations or liabilities of any kind or nature whatsoever shall arise on the part of the Potential Lender or any of its affiliates as a result of the provisions of, or the issuance of, this letter.

You agree that this letter is for your confidential use only and may not be disclosed by you to any person without the prior written consent of the Potential Lender, except (a) to your affiliates and your and their respective officers, directors, employees, attorneys, accountants and advisors and then only in connection with the proposed Financing and on a need to know, confidential basis, (b) in connection with the Cases (as defined below), and (c) as required by applicable law or compulsory legal process or in connection with any pending legal proceeding or regulatory review. The Potential Lender reserves the right to review, in advance, all press releases, advertisements and public disclosures that you or your affiliates prepare that contain such Potential Lender's or any of its affiliates' name or describe the proposed Financing, in each case to the extent reasonably practicable and permitted by law.

If this letter, or any act, omission or event hereunder or thereunder becomes the subject of a dispute, the parties hereto hereby waive trial by jury. The parties hereto hereby consent and agree that the courts of the state of New York in the County of New York, Borough of Manhattan, or of the United States District Court for the Southern District of New York or the United States Bankruptcy Court for the Southern District of New York, as applicable, shall have exclusive jurisdiction to hear and determine any claims between you (or your affiliates) and us pertaining to this letter or the agreements under this letter, and any investigation, litigation or proceeding with respect to such matters, provided that the parties acknowledge that any appeals from those courts may have to be by a court located outside of such jurisdiction. The parties hereto hereby expressly submit and consent in advance to such jurisdiction in any action or suit commenced in any such court, and hereby waive any objection, which any of them may have based on lack of personal jurisdiction, improper venue or inconvenient forum. This letter shall be governed by and shall be construed in accordance with the laws of the State of New York applicable to contracts made and performed in that state.

This letter sets forth the entire agreement between the parties with respect to the matters addressed herein, supersedes all prior communications, written or oral, with respect hereto, and may not

be amended, supplemented, or modified except in a writing signed by the parties hereto. Exhibit A

You hereby agree to indemnify and hold harmless the Potential Lender, each of its affiliates, subsidiaries and controlling persons, and the respective officers, directors, trustees, advisors, employees, partners, agents, controlling persons, members, attorneys, advisors, auditors, collateral managers, servicers, representatives, successors and assigns of each of the foregoing (each, an "Indemnified Person") from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, claims, costs, expenses and disbursements of any kind or nature whatsoever (or actions or other proceedings commenced in respect thereof) (including the reasonable and documented fees and disbursements of counsel for such Indemnified Person) that arise out of, result from or in any way relate to any claim, litigation, investigation or proceeding relating to this letter, the proposed Financing or any of the transactions contemplated hereby or thereby (any of the foregoing, a "Proceeding"), regardless of whether any such Indemnified Person is a party thereto and whether such Proceeding is brought by you or any other person, and to reimburse each Indemnified Person upon its demand for any reasonable out-of-pocket legal or other expenses incurred in connection with investigating, preparing to defend or defending against, or participating in, or providing evidence in or preparing to serve or serving as a witness with respect to, any Proceeding or any of the foregoing; provided that you shall not be liable to any Indemnified Person with respect to the foregoing to the extent that any such losses, claims, damages, expenses or liabilities (x) are determined by a court of competent jurisdiction to have resulted from the gross negligence, fraud or willful misconduct of such Indemnified Person or (y) arise from any dispute solely among Indemnified Persons, other than (A) any claims against an Indemnified Person acting in its capacity as an agent, arranger, servicer or other similar role or (B) any claims arising out of any act or omission on the part of you or your affiliates. If for any reason the foregoing indemnification is unavailable to the Indemnified Persons or is insufficient to hold the Indemnified Persons harmless, then you shall contribute to the amount paid or payable by the Indemnified Persons as a result of such loss, claim, damage or liability in such proportion as is appropriate to reflect the relative economic interests of you and your stockholders, partners, or other equity holders on the one hand and the Indemnified Persons on the other hand in the matters contemplated herein as well as the relative fault of you and the Indemnified Persons with respect to such loss, claim, damage or liability and any other relevant equitable considerations. You shall not be liable for any settlement of any Proceeding effected without your written consent (which consent shall not be unreasonably withheld, conditioned or delayed), but, if settled with your written consent or if there shall be a final, non-appealable judgment of a court of competent jurisdiction against any Indemnified Person in any such Proceeding, you agree to indemnify and hold harmless each affected Indemnified Person from and against any losses, claims, damages, expenses and liabilities by reason of such settlement or judgment in accordance with the terms of this paragraph. You shall not, without the prior written consent of any Indemnified Person, effect any settlement of any pending Proceeding in respect of which indemnity could have been sought hereunder by such Indemnified Person, unless such settlement (i) includes an unconditional release of such Indemnified Person in form and substance reasonably satisfactory to such Indemnified Person from all liability or claims that are the subject matter of such Proceeding and (ii) does not include any statement as to or any admission of fault, culpability, wrongdoing or a failure to act by or on behalf of any Indemnified Person.

Counsel to the Debtors and Debtors in Possession

Exhibit B-1

Schedule of Rejected Executory Contracts and Unexpired Leases

This **Exhibit B** contains the Schedule of Rejected Executory Contracts and Unexpired Leases. Article VII.A of the Plan provides as follows:

> Except as otherwise provided [in the Plan], all Executory Contracts or Unexpired Leases will be deemed assumed as of the Effective Date, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those Executory Contracts or Unexpired Leases that: (1) previously were assumed or rejected by the Debtors; (2) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; or (3) are the subject of a motion to reject such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such rejection is on or after the Effective Date. The assumption or rejection of all executory contracts and unexpired leases in the Chapter 11 Cases or in the Plan shall be determined by the Debtors, with the consent of the Required Consenting BrandCo Lenders.
>
> Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions, assumptions and assignments, and the rejection of the Executory Contracts or Unexpired Leases listed on the Schedule of Rejected Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Any motions to reject Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order. Each Executory Contract and Unexpired Lease assumed pursuant to this Article VII.A or by any order of the Bankruptcy Court, which has not been assigned to a third party prior to the Confirmation Date or such later date as provided in this Article VII.A, shall revest in and be fully enforceable by the Debtors or the Reorganized Debtors, as applicable, in accordance with such Executory Contract and/or Unexpired Lease's terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law.
>
> To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any "change of control" provision), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other default-related rights with respect thereto. Notwithstanding anything to the contrary in the Plan, the Debtors or the Reorganized Debtors, as applicable, shall have the right to alter, amend, modify, or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases, including by way of adding

> or removing a particular Executory Contract or Unexpired Lease from the Schedule of Rejected Executory Contracts and Unexpired Leases, at any time through and including sixty (60) Business Days after the Effective Date; *provided that*, after the Confirmation Date, the Debtors may not subsequently reject any Unexpired Lease of nonresidential real property under which any Debtor is the lessee that was not previously rejected (or subject to a motion to reject) or designated as rejected on the Schedule of Rejected Executory Contracts and Unexpired Leases absent consent of the applicable lessor; *provided further that*, with respect to any Unexpired Lease subject to a dispute regarding (1) the amount of the Cure Claim, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under such Unexpired Lease to be assumed, if required, or (3) any other matter pertaining to assumption, the Debtors may reject such Unexpired Lease within 30 days following entry of a Final Order of the Bankruptcy Court resolving such dispute.

Article VII.B of the Plan provides as follows:

> Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be filed with the Bankruptcy Court or the Voting and Claims Agent and served on the Debtors or Reorganized Debtors, as applicable, by the later of (1) the applicable Claims Bar Date, and (2) thirty (30) calendar days after notice of such rejection is served on the applicable claimant. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be automatically Disallowed and forever barred from assertion and shall not be enforceable against the Debtors or the Reorganized Debtors, the Estates, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, including any Claims against any Debtor listed on the Schedules as unliquidated, contingent or disputed. Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as Other General Unsecured Claims and shall be treated in accordance with Article III of the Plan.
>
> Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any cure amount has been fully paid or for which the cure amount is $0 pursuant to this Article VII, shall be deemed Disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

Inclusion of any document in the Schedule of Rejected Executory Contracts and Unexpired Leases is not an admission by the Debtors that any such documents constitutes an Executory Contract or Unexpired Lease. Subject to the terms of the Plan and the

Restructuring Support Agreement, the Debtors reserve the right to assert that any of the documents listed in the Schedule of Rejected Executory Contracts and Unexpired Leases are not Executory Contracts or Unexpired Leases. As a matter of administrative convenience, in certain cases the Debtors may have listed the original parties to the Executory Contracts and Unexpired Leases listed in the Schedule of Rejected Executory Contracts and Unexpired Leases without taking into account any succession of trustees or any other transfers or assignments from one party to another. The fact that the current parties to any particular Executory Contract or Unexpired Leases may not be named in the Schedule of Rejected Executory Contracts and Unexpired Leases is not intended to change the treatment of such Executory Contracts or Unexpired Leases. References to any Executory Contracts or Unexpired Leases to be rejected pursuant to the Plan are to the applicable Executory Contract or Unexpired Lease and other operative documents as of the date of the Plan Supplement, as they may have been amended, modified, or supplemented from time to time and as may be further amended, modified, or supplemented by the parties thereto between such date and the Effective Date.

All parties reserve all rights, in accordance with the consent and approval rights provided under the Plan or the Restructuring Support Agreement, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, including this **Exhibit B**, at any time before the Effective Date of the Plan, or any such other date as may be provided for under the Plan or by order of the Bankruptcy Court. Each of the documents contained in the Plan Supplement and its amendments remain subject to certain consent and approval rights to the extent provided in the Plan or the Restructuring Support Agreement.

Exhibit C-1

Schedule of Retained Causes of Action

This **Exhibit C** contains the Schedule of Retained Causes of Action. Article IV.Q of the Plan provides as follows:

> In accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, any and all Retained Causes of Action (except, if the GUC Trust is established in accordance with the Plan, the GUC Trust may enforce all rights to commence and pursue Retained Preference Actions), whether arising before or after the Petition Date, including but not limited to any actions specifically enumerated in the Plan Supplement, and the Reorganized Debtors' rights to commence, prosecute, or settle such Retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. If the GUC Trust is established in accordance with the Plan, the GUC Trust (on its own behalf and, if the PI Settlement Fund is established in accordance with the Plan, as agent for the PI Settlement Fund) shall retain and may enforce all rights to commence and pursue any Retained Preference Actions, and the GUC Trust's rights to commence, prosecute, or settle such Retained Preference Actions shall be preserved notwithstanding the occurrence of the Effective Date. For the avoidance of doubt, the preservation of Retained Causes of Action described in the preceding sentence includes, but is not limited to, the Reorganized Debtors' retention of the Debtors' rights to (1) object to Administrative Claims, (2) object to other Claims, and (3) subordinate Claims, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article **Error! Reference source not found.** of the Plan, which shall be deemed released and waived by the Debtors and Reorganized Debtors as of the Effective Date.
>
> The Reorganized Debtors may pursue such Retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors, in their respective discretion. The GUC Trust, if established, may pursue Retained Preference Actions and objections to General Unsecured Claims in accordance with the best interests of the GUC Trust and the PI Settlement Fund. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors (or, with respect to the Retained Preference Actions, the GUC Trust) will not pursue any and all available Retained Causes of Action. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Retained Causes of Action against any Entity. The GUC Trust expressly reserves all rights to prosecute any and all Retained Preference Actions in accordance with the Plan. The Reorganized Debtors and, solely with respect to Retained Preference Actions and the allowance or disallowance of General Unsecured Claims, the GUC Trust, as applicable, expressly reserve all and shall retain the applicable Retained Causes of Action, for later adjudication, and, therefore no preclusion doctrine, including the doctrines of res judicata, collateral

estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Retained Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The applicable Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all Retained Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Retained Causes of Action except as otherwise expressly provided in the Plan and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

Notwithstanding, and without limiting the generality of Article IV.Q. of the Plan, the following Exhibit C includes certain Causes of Action expressly preserved by the Debtors and the Reorganized Debtors, subject to the terms of the Plan and the information provided in this Exhibit C, including the following types of claims:

1. Claims Related to Insurance Policies

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action based in whole or in part upon any and all insurance contracts and insurance policies to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, regardless of whether such contract or policy is specifically identified in the Plan, this Plan Supplement, or any amendments thereto, including, without limitation, Causes of Action against insurance carriers, reinsurance carriers, insurance brokers, underwriters, occurrence carriers, or surety bond issuers relating to coverage, indemnity, contribution, reimbursement, or any other matters.

2. Claims Related to Tax Obligations

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action based in whole or in part upon any and all tax obligations to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, including, without limitation, against or related to all Entities that owe or that may in the future owe money related to tax refunds to the Debtors or the Reorganized Debtors, regardless of whether such Entity is specifically identified herein. Without limiting the generality of the foregoing, the Debtors' expressly reserve all Causes of Action against the United States of America, Puerto Rico, Canada, the United Kingdom, or any other federal, state, local, province, foreign, or other taxing authorities, including the Entities identified on Schedule 1 attached hereto.

3. Claims Related to Pending and Future Litigation against the Debtors

As provided in Article X of the Plan, to the extent that any Causes of Action against the Debtors are not released or discharged pursuant to the Plan, the Debtors reserve any rights of the Debtors and the Reorganized Debtors to assert any and all counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims or

other Causes of Action in response to such Causes of Action. Without limiting the generality of the foregoing, the Debtors expressly reserve all Causes of Action against the Entities that are the parties to the actions identified on Schedule 2 attached hereto.

4. Claims Related to Deposits, Adequate Assurance Postings, and Other Collateral Postings

The Debtors or Reorganized Debtors, as applicable, expressly reserve all Causes of Action based in whole or in part upon any and all postings of a security deposit, adequate assurance payment, or any other type of deposit, prepayment, or collateral, regardless of whether such posting of security deposit, adequate assurance payment, or any other type of deposit, prepayment or collateral is specifically identified herein.

All parties reserve all rights, in accordance with the consent and approval rights provided under the Plan or the Restructuring Support Agreement, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, including this **Exhibit C**, at any time before the Effective Date of the Plan, or any such other date as may be provided for by order of the Bankruptcy Court. Each of the documents contained in the Plan Supplement and its amendments remain subject to certain consent and approval rights to the extent provided in the Plan or the Restructuring Support Agreement.

5. Claims Related to the KERP

The Debtors or Reorganized Debtors, as applicable, expressly reserve all Causes of Action, including clawback rights under the KERP, against KERP participants whose employment was terminated or who resigned prior to the Effective Date.

Exhibit C

Schedule of Retained Causes of Action

This **Exhibit C** contains the Schedule of Retained Causes of Action. Article IV.Q of the Plan provides as follows:

> In accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, any and all Retained Causes of Action (except, if the GUC Trust is established in accordance with the Plan, the GUC Trust may enforce all rights to commence and pursue Retained Preference Actions), whether arising before or after the Petition Date, including but not limited to any actions specifically enumerated in the Plan Supplement, and the Reorganized Debtors' rights to commence, prosecute, or settle such Retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. If the GUC Trust is established in accordance with the Plan, the GUC Trust (on its own behalf and, if the PI Settlement Fund is established in accordance with the Plan, as agent for the PI Settlement Fund) shall retain and may enforce all rights to commence and pursue any Retained Preference Actions, and the GUC Trust's rights to commence, prosecute, or settle such Retained Preference Actions shall be preserved notwithstanding the occurrence of the Effective Date. For the avoidance of doubt, the preservation of Retained Causes of Action described in the preceding sentence includes, but is not limited to, the Reorganized Debtors' retention of the Debtors' rights to (1) object to Administrative Claims, (2) object to other Claims, and (3) subordinate Claims, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article X of the Plan, which shall be deemed released and waived by the Debtors and Reorganized Debtors as of the Effective Date.
>
> The Reorganized Debtors may pursue such Retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors, in their respective discretion. The GUC Trust, if established, may pursue Retained Preference Actions and objections to General Unsecured Claims in accordance with the best interests of the GUC Trust and the PI Settlement Fund. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors (or, with respect to the Retained Preference Actions, the GUC Trust) will not pursue any and all available Retained Causes of Action. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Retained Causes of Action against any Entity. The GUC Trust expressly reserves all rights to prosecute any and all Retained Preference Actions in accordance with the Plan. The Reorganized Debtors and, solely with respect to Retained Preference Actions and the allowance or disallowance of General Unsecured Claims, the GUC Trust, as applicable,

expressly reserve all and shall retain the applicable Retained Causes of Action, for later adjudication, and, therefore no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Retained Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The applicable Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all Retained Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Retained Causes of Action except as otherwise expressly provided in the Plan and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

Notwithstanding, and without limiting the generality of Article IV.Q. of the Plan, the following Exhibit C includes certain Causes of Action expressly preserved by the Debtors and the Reorganized Debtors, subject to the terms of the Plan and the information provided in this Exhibit C, including the following types of claims:

1. Claims Related to Insurance Policies

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action based in whole or in part upon any and all insurance contracts and insurance policies to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, regardless of whether such contract or policy is specifically identified in the Plan, this Plan Supplement, or any amendments thereto, including, without limitation, Causes of Action against insurance carriers, reinsurance carriers, insurance brokers, underwriters, occurrence carriers, or surety bond issuers relating to coverage, indemnity, contribution, reimbursement, or any other matters.

2. Claims Related to Tax Obligations

Unless otherwise released by the Plan, the Debtors expressly reserve all Causes of Action based in whole or in part upon any and all tax obligations to which any Debtor or Reorganized Debtor is a party or pursuant to which any Debtor or Reorganized Debtor has any rights whatsoever, including, without limitation, against or related to all Entities that owe or that may in the future owe money related to tax refunds to the Debtors or the Reorganized Debtors, regardless of whether such Entity is specifically identified herein. Without limiting the generality of the foregoing, the Debtors' expressly reserve all Causes of Action against the United States of America, Puerto Rico, Canada, the United Kingdom, or any other federal, state, local, province, foreign, or other taxing authorities, including the Entities identified on Schedule 1 attached hereto.

3. Claims Related to Pending and Future Litigation against the Debtors

As provided in Article X of the Plan, to the extent that any Causes of Action against the Debtors are not released or discharged pursuant to the Plan, the Debtors reserve any rights of the Debtors and the Reorganized Debtors to assert any and all counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims or other Causes of Action in response to such Causes of Action. Without limiting the generality of the foregoing, the Debtors expressly reserve all Causes of Action against the Entities that are the parties to the actions identified on Schedule 2 attached hereto.

4. Claims Related to Deposits, Adequate Assurance Postings, and Other Collateral Postings

The Debtors or Reorganized Debtors, as applicable, expressly reserve all Causes of Action based in whole or in part upon any and all postings of a security deposit, adequate assurance payment, or any other type of deposit, prepayment, or collateral, regardless of whether such posting of security deposit, adequate assurance payment, or any other type of deposit, prepayment or collateral is specifically identified herein.

All parties reserve all rights, in accordance with the consent and approval rights provided under the Plan or the Restructuring Support Agreement, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, including this **Exhibit C**, at any time before the Effective Date of the Plan, or any such other date as may be provided for by order of the Bankruptcy Court. Each of the documents contained in the Plan Supplement and its amendments remain subject to certain consent and approval rights to the extent provided in the Plan or the Restructuring Support Agreement.

Exhibit E

Description of Transaction Steps

This **Exhibit E** contains the Description of Transaction Steps. The Description of Transaction Steps shall set forth the material components of the Restructuring Transactions and a description of the steps to be carried out to effectuate the Restructuring Transactions in accordance with the Plan, including the reorganization of the Reorganized Debtors and the issuance of New Common Stock and the New Warrants, the incurrence of the Exit Facilities, and the other distributions under the Plan, through the Chapter 11 Cases, the Plan, or any Definitive Documents, and the intended tax treatment of such steps.

All parties reserve all rights, in accordance with the consent and approval rights provided under the Plan or the Restructuring Support Agreement, to amend, revise, or supplement the Plan Supplement, and any of the documents and designations contained herein, including this **Exhibit E**, at any time before the Effective Date of the Plan, or any such other date as may be provided for by order of the Bankruptcy Court. Each of the documents contained in the Plan Supplement and its amendments remain subject to certain consent and approval rights to the extent provided in the Plan or the Restructuring Support Agreement.

Transaction Steps Memorandum

The Debtors currently anticipate that the Restructuring Transactions will occur pursuant to the following steps ("**Transaction Steps**"), which may be subject to further change. As specifically noted below, whether the Debtors will proceed with certain steps remains to be determined. The Transaction Steps take the form of a NewCo Acquisition and not a Restructuring in Place (each as described in the Disclosure Statement For the First Amended Joint Plan of Reorganization of Revlon, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code (the "**Disclosure Statement**")). However, the Debtors have not yet conclusively determined whether to proceed with a Restructuring in Place or a NewCo Acquisition. Accordingly, the steps that the Debtors expect to take in connection with a Restructuring in Place, should the Debtors determine that a Restructuring in Place, and not a NewCo Acquisition, is to be undertaken, are outlined further below in the alternative (the "**Alternative Transaction Steps**").

Except as otherwise noted herein, all steps are expected to be effective in the order described herein, substantially simultaneously with emergence. The equity percentages noted below are prior to, and subject to dilution by, any New Common Stock issued in connection with the Equity Rights Offering, any MIP Awards, and/or upon the exercise of the New Warrants.

This Transaction Steps Memorandum is intended only as a summary of the Transaction Steps and should be read in conjunction with the Second Amended Joint Plan of Reorganization of Revlon, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of The Bankruptcy Code (the "**Plan**"). To the extent there is any inconsistency between this Description of Transaction Steps and the Plan, the Plan shall govern. This Transaction Steps Memorandum is not necessarily comprehensive and may be subject to further refinement or change. Any capitalized terms not otherwise defined within this Transaction Steps document shall have the meaning ascribed to such term in the Plan.

Transaction Steps:

Step 1: Satisfaction of Intercompany Claims and Interests.

1.1 The Debtors will (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting BrandCo Lenders) capitalize, setoff, write off, contribute or distribute to other Debtors or their subsidiaries, or take any such other actions as the Debtors may consider advisable to eliminate, in whole or in part, certain receivables owing by and between the Debtors or their subsidiaries. *Such actions may, pursuant to the Plan, occur prior to, or in due course after, the Emergence Date*.

1.2 Beautyge Participations, S.L. owns 100,000 preferred shares issued from Revlon Canada, Inc. Revlon Canada Inc. and Beautyge Participations, S.L. enter into a surrender agreement for the cancellation of the Revlon Canada Inc. preferred shares owned by Beautyge Participations, S.L. for no consideration. *The cancellation contemplated by this step is expected to be effective prior to the Emergence Date.*

1.3 All remaining Intercompany Claims held by any BrandCo Entity against any OpCo Debtor or by any OpCo Debtor against any BrandCo Entity are deemed settled pursuant to the Plan Settlement, and are canceled extinguished, and discharged, and are of no further force or effect. In addition, existing BrandCo contribution agreements will (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting BrandCo Lenders) be cancelled, and existing BrandCo licensing agreements will (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting BrandCo Lenders) be revised.

1.4 All other Intercompany Claims and Interests are reinstated unless otherwise determined by the Debtors (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting BrandCo Lenders) pursuant to, and in accordance with, the Plan. *The transactions contemplated by steps 1.3 and 1.4 are expected to be effective as of the Emergence Date.*

Step 2: Conversion of RCPC; Transfer of Holdings Assets and Liabilities to RCP LLC.

2.1 Holdings forms a wholly-owned Delaware limited liability company that elects to be treated as a corporation for U.S. federal income tax purposes ("**Revlon NewCo**") by contributing 100% of the stock of RCPC to Revlon NewCo in exchange for 100% of the Revlon NewCo membership interests. Revlon NewCo agrees to be a guarantor on all Claims against RCPC.

2.2 RCPC converts from a C corporation to a limited liability company treated as a disregarded entity for U.S. federal income tax purposes ("**RCP LLC**"). *Steps 2.1 and 2.2 are collectively intended to be treated as an "F reorganization" for U.S. federal income tax purposes.*

2.3 Revlon NewCo assumes all Claims against RCPC and RCPC is released and discharged from such liabilities.

2.4 Holdings contributes all remaining assets to Revlon NewCo, which subsequently contributes such assets to RCP LLC. *The transactions contemplated by steps 2.1 to 2.3 are expected to be effective 2-3 days prior to the Emergence Date.*

Step 3: Formation of NewCo 1 and Subsidiaries; Transfer of Assets, Burdens and Benefits to NewCo 3.

Following the formation of NewCo 1, NewCo 1 forms a wholly-owned Delaware limited liability company ("**NewCo 2**"). Following the formation of NewCo 2, NewCo 2 forms a wholly-owned Delaware limited liability company ("**NewCo 3**"). Following the formation of NewCo 3, NewCo 3 forms a wholly-owned Delaware limited liability company ("**NewCo 4**"). *NewCo 1 is "Reorganized Holdings" pursuant to the Plan, and is the issuer of New Common Stock, Equity Subscription Rights and New Warrants. The entity formations described in this step are expected to occur prior to the Emergence Date.*

3.2 NewCo 1 issues the New Common Stock, Equity Subscription Rights and New Warrants and contributes such instruments, as well as the right to receive the cash proceeds from the exercise of the Equity Subscription Rights, to NewCo 2.

3.3 NewCo 2 contributes the property received in step 3.2 to NewCo 3.

3.4 NewCo 3 contributes the property received in step 3.3 to NewCo 4.

3.5 NewCo 4 issues the Incremental New Money Facility to one or more third-party lenders, in exchange for Cash.

3.6 NewCo 4 issues (a) additional Incremental New Money Facility for purposes of satisfying RCPC's obligations under the Debt Commitment Letter ("**Debt Backstop Term Loans**") and (b) the Take-Back Facility. Alternatively, all or a portion of the amount due pursuant to the Debt Commitment Letter may be paid in cash, in which case the amount of Debt Backstop Term Loans issued would be reduced.

3.7 Revlon NewCo transfers (a) 100% of the membership interests in RCP LLC and (b) the right to 18.77% of Retained Preference Action Net Proceeds to NewCo 4 in exchange for New Common Stock, Equity Subscription Rights, New Warrants, the right to [x]% of the cash proceeds from the Equity Subscription Rights and Incremental New Money Facility and the Take-Back Facility. *The transactions contemplated by steps 3.2 to 3.9 are expected to be effective on the Emergence Date*. *Following the receipt of the membership interests in RCP LLC, NewCo 4 will assume the obligation of the Reorganized Debtors to fund any additional amounts required to be paid by the Reorganized Debtors to the GUC Trust or GUC/PI Fund Operating Reserve pursuant to the Plan after the Emergence Date (but excluding, for the avoidance of doubt, any amounts funded to the GUC Trust or GUC Trust/PI Fund Operating Reserve on the Emergence Date).*

3.8 NewCo 4 transfers to RCP LLC the Debt Backstop Term Loans, and, to the extent applicable, the amount of Cash due pursuant to the Debt Commitment Letter.

Whether a Holder receives cash or New Common Stock/Equity Subscription Rights will depend on whether such Holder makes or is deemed to make the Class 4 Equity Election. The Holders of Allowed BrandCo Third Lien Guaranty Claims receive no recovery or distribution in respect of such Claims and

such Claims are canceled, released, extinguished, and discharged, and are of no further force or effect. Holders that receive Equity Subscription Rights simultaneously exercise the Equity Subscription Rights in exchange for cash paid [x]% to Revlon NewCo and [100-x]% to NewCo 4.

4.2 Revlon NewCo transfers (A) 82% of the New Common Stock and (B) 82% of the Equity Subscription Rights to Holders of Allowed 2020 Term B-2 Loan Claims in full and final satisfaction, compromise, settlement, release, and discharge of such Claims. 6.2 Revlon NewCo, the applicable Debtor or the applicable Reorganized Debtor, as the case may be, transfers to the Holder of each Allowed Other Priority Claims owing by such entity such recovery as may be permitted under the Plan in full and final satisfaction, compromise, settlement, release, and discharge of such Claims. *Transactions contemplated by this step may occur on or after the Emergence Date, as provided in the Plan.*

Step 7: Satisfaction of FILO ABL Claims.

7.1 Revlon NewCo transfers cash to Holders of Allowed FILO ABL Claims in full and final satisfaction, compromise, settlement, release, and discharge of such Claims. 13.1 NewCo 1 issues New Common Stock to the Equity Commitment Parties in satisfaction of its Obligations to pay the Backstop Commitment Premium under the Backstop Commitment Agreement.

Alternative Transaction Steps:

As noted above, the Debtors expect that the Restructuring Transactions will be structured as a NewCo Acquisition in accordance with the Transaction Steps. However, the Debtors have not yet conclusively determined whether to proceed with a Restructuring in Place or a Newco Acquisition. The following Alternative Transaction Steps set forth the transaction steps that the Debtors expect to take in connection with the Restructuring in Place, should the Restructuring Transactions take such form.

Step 1: Satisfaction of Intercompany Claims and Interests

1.1 The Debtors will (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting BrandCo Lenders) capitalize, setoff, write off, contribute or distribute to the Debtors or their subsidiaries, or take any such other actions as the Debtors may consider advisable to eliminate, in whole or in part, certain receivables owing by and between the Debtors or their subsidiaries. *Such actions may, pursuant to the Plan, occur prior to, or in due course after, the Emergence Date*.

1.2 Beautyge Participations, S.L. owns 100,000 preferred shares issued from Revlon Canada, Inc. Revlon Canada Inc. and Beautyge Participations, S.L. enter into a surrender agreement for the cancellation of the Revlon Canada Inc. preferred shares owned by Beautyge Participations, S.L. for no consideration. *The cancellation contemplated by this step is expected to be effective prior to the Emergence Date.*

1.3 All remaining Intercompany Claims held by any BrandCo Entity against any OpCo Debtor or by any OpCo Debtor against any BrandCo Entity are deemed settled pursuant to the Plan Settlement, and are canceled, extinguished, and discharged, and are of no further force or effect. In addition, existing BrandCo contribution agreements will (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting BrandCo Lenders) be cancelled, and existing BrandCo licensing agreements will (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting BrandCo Lenders) be revised.

1.4 All other Intercompany Claims and Interests are (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting BrandCo Lenders) reinstated unless otherwise determined by the Debtors pursuant to, and in accordance with, the Plan. *The transactions contemplated by steps 1.3 and 1.4 are expected to be effective as of the Emergence Date.*

Step 2: Conversion of Holdings, Formation of NewCo and Transfer of Consideration.

2.1 One day prior to the step in 2.2 below, Holdings converts from a C corporation to a limited liability company that elects to be treated as a corporation for U.S. federal income tax purposes. *The transaction contemplated by this step is expected to be effective 2 days prior to the Emergence Date.*

2.2 Holdings forms a wholly-owned Delaware limited liability company that is treated as disregarded as separate from Holdings for U.S. federal income tax purposes ("**NewCo**") by contributing 100% of the stock of RCPC to NewCo in exchange for membership interests in NewCo. *The transaction contemplated by this step is expected to be effective 1 day prior to the Emergence Date.*

2.3 Holdings transfers New Common Stock, Equity Subscription Rights and New Warrants, as well as the right to receive the cash proceeds from the exercise of the Equity Subscription Rights, to NewCo, which thereafter transfers such property to RCPC as a contribution to capital. *If the Debtors elect to structure the transaction as a debt-for-equity exchange with a "G reorganization," as noted below, the transfer from NewCo to RCPC will be structured as a prepayment for RCPC's operating assets, not a contribution to capital.*

2.4 NewCo issues First Lien Take-Back Term Loans and transfers First Lien Take-Back Term Loans to RCPC as a contribution to capital. *If the Debtors elect to structure the transaction as a debt-for-equity exchange with a "G reorganization," as noted below, the First Lien Take-Back Term Loans may instead be issued directly by RCPC, if the*

Debtors so choose. The transactions contemplated by steps 2.3 and 2.4 are expected to be effective on the Emergence Date.

Step 3: Issuance of Incremental New Money Facility.

3.1 NewCo issues the Incremental New Money Facility to one or more third party lenders in exchange for Cash. *If the Debtors elect to structure the transaction as a debt-for-equity exchange with a "G reorganization," as noted below, the New Money Facility may instead be issued directly by RCPC, if the Debtors so choose (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting BrandCo Lenders). The New Money Facility and First Lien Take-Back Term Loans will have the same issuer.*

3.2 NewCo issues up to $12 million principal amount of Incremental New Money Facility (the "**Debt Backstop Term Loans**") to the Debt Commitment Parties in satisfaction of RCPC's obligations under the Debt Commitment Letter. Alternatively, NewCo may make a payment in Cash to the Debt Commitment Parties, in which case, the amount of Debt Backstop Term Loans issued would be reduced. *The transactions contemplated by steps 3.1 and 3.2 are expected to be effective on the Emergence Date.*

Step 4: Satisfaction of OpCo Term Loan Claims and 2020 Term B-2 Loan Claims.

4.1 RCPC transfers (A) $56 million in cash, (B) 18% of the New Common Stock and (C) 18% of the Equity Subscription Rights to Holders of Allowed OpCo Term Loan Claims in full and final satisfaction, compromise, settlement, release, and discharge of such Claims. Whether a Holder receives cash or New Common Stock/Equity Subscription Rights will depend on whether such Holder makes or is deemed to make the Class 4 Equity Election. The Holders of Allowed BrandCo Third Lien Guaranty Claims receive no recovery or distribution in respect of such Claims and such Claims are canceled, released, extinguished, and discharged, and are of no further force or effect. Holders that receive Equity Subscription Rights simultaneously exercise the Equity Subscription Rights in exchange for cash that is paid to RCPC.

4.2 RCPC transfers (A) 82% of the New Common Stock and (B) 82% of the Equity Subscription Rights to Holders of Allowed 2020 Term B-2 Loan Claims in full and final satisfaction, compromise, settlement, release, and discharge of such Claims. Simultaneously, the Holders of Allowed 2020 B-2 Loan Claims exercise the Equity Subscription Rights in exchange for cash paid to RCPC. *The transactions contemplated by steps 4.1 and 4.2 are expected to be effective on the Emergence Date.*

Step 5: Satisfaction of Unsecured Notes Claims.

5.1 RCPC transfers the New Warrants to Holders of Allowed Unsecured Notes Claims in full and final satisfaction, compromise, settlement, release, and discharge of such Claims. *The transaction contemplated by this steps is expected to be effective on the Emergence Date.*

Step 6: Satisfaction of Other Secured Claims and Other Priority Claims.

6.1 The Debtors transfer to the Holders of Allowed Other Secured Claims such recovery as may be permitted under the Plan in full and final satisfaction, compromise, settlement, release, and discharge of such Claims (or reinstate such Claims in accordance with the Plan). *Transactions contemplated by this step may occur on or after the Emergence Date, as provided in the Plan.*

6.2 The Debtors transfer to the Holders of Allowed Other Priority Claims such recovery as may be permitted under the Plan in full and final satisfaction, compromise, settlement, release, and discharge of such Claims. *Transactions contemplated by this step may occur on or after the Emergence Date, as provided in the Plan.*

Step 7: Satisfaction of FILO ABL Claims.

7.1 RCPC transfers cash to Holders of Allowed FILO ABL Claims in full and final satisfaction, compromise, settlement, release, and discharge of such Claims. Such cash shall be in an amount equating to payment in full. *The transaction contemplated by this step is expected to be effective on the Emergence Date.*

Step 8: Satisfaction of 2020 Term B-1 Loan Claims.

8.1 RCPC transfers First Lien Take-Back Term Loans issued by NewCo to Holders of Allowed 2020 Term B-1 Loan Claims in full and final satisfaction, compromise, settlement, release, and discharge of such Claims. *If the Debtors elect to structure the transaction as debt-for-equity exchange with a "G reorganization," as noted below, the Holders of 2020 Term B-1 Loan Claims may, if the Debtors so determine (with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting BrandCo Lenders), receive First Lien Take-Back Term Loans issued directly by RCPC. The transaction contemplated by this step is expected to be effective on the Emergence Date.*

Step 9: Satisfaction of Talc Personal Injury Claims, Non-Qualified Pension Claims, Trade Claims and Other General Unsecured Claims.

9.1 The Debtors transfer $15.884 million and the right to receive 36.10% of the Retained Preference Action Net Proceeds to the PI Settlement Fund on behalf of such Holders in full and final satisfaction, compromise, settlement, release, and discharge of such Claims.

9.2 The Debtors transfer $8.7384 million and the right to receive 19.86% of any Retained Preference Action Net Proceeds to the GUC Trust on behalf of such Holders in full and final satisfaction, compromise, settlement, release, and discharge of such Claims.

9.3 The Debtors transfer $11.1188 million and the right to receive 25.27% of any Retained Preference Action Net Proceeds to the GUC Trust on behalf of such Holders in full and final satisfaction, compromise, settlement, release, and discharge of such Claims.

9.4 The Other General Unsecured Claims are canceled, released, extinguished, and discharged and are of no further force or effect..

9.5 (i) The Debtors transfer, in cash, the amounts contemplated by the Plan to the GUC Trust/PI Fund Operating Reserve as and when provided in the Plan and (ii) the Debtors transfer to the GUC Trust the Retained Preference Actions. *Transfers in respect of the GUC Trust/PI Fund Operating Reserve may occur after Emergence as and to the extent provided in the Plan. The transactions contemplated by steps 9.1 to 9.5 are expected to be effective on the Emergence Date. Note, 18.77% of any Retained Preference Actions Net Proceeds will be remitted back to RCP LLC.*

Step 10: Satisfaction of Subordinated Claims.

10.1 The Holders of Subordinated Claims receive no recovery or distribution, and such Claims are canceled, released, extinguished, and discharged, and are of no further force or effect. *The transaction contemplated by this step is expected to be effective on the Emergence Date.*

Step 11: Satisfaction of Interests in Holdings.

11.1 The Holders of Interests in Holdings (other than Intercompany Interests) receive no recovery or distribution, and such Claims are canceled, released, extinguished, and discharged, and are of no further force or effect. *The transaction contemplated by this step is expected to be effective on the Emergence Date.*

Step 12: Conversion of RCPC.

12.1 RCPC converts from a C corporation to a limited liability company that is treated as a disregarded entity for U.S. federal income tax purposes. *This step will only be undertaken if the Debtors elect to structure the transaction as a debt-for-equity exchange with a "G reorganization," and is the step that causes the transactions described herein to qualify as a "G reorganization." The transaction contemplated by this step is expected to be effective on the Emergence Date.*

Step 13: Satisfaction of the Backstop Commitment Premium

13.1 Holdings issues New Common Stock to the Equity Commitment Parties in satisfaction of its Obligations to pay the Backstop Commitment Premium under the Backstop Commitment Agreement.

2.1. Claims Liquidation Procedures. The PI Trust shall take all reasonable steps to resolve Talc Claims as efficiently and expeditiously as possible at each stage of claims processing.

2.2. Initial Distribution. The Trustee intends to make only a single distribution to all or substantially all holders of eligible Talc Claims with Final Determinations at the end of the Claims Determination Process for all eligible Talc Claims; provided, however, if the Trustee determines to proceed to a distribution on account of substantially all holders of eligible Talc Claims with Final Determinations, the Trustee shall establish adequate reserves for Talc Claims that have not yet received a Final Determination. Notwithstanding any provision in the Trust Agreement, the Plan or the Confirmation Order to the contrary, the Trustee, in the Trustee's sole discretion, may decline to make any distribution of $100 or less, due to the economic inefficiency of making a distribution of such a *de minimis* amount.

2.3. Application of Payment Percentage. At the end of the Claims Determination Process for all or substantially all holders of eligible Talc Claims with Final Determinations, the Trustee shall set a payment percentage to be applied to all Final Determinations, based on

his or her estimate of the PI Trust's assets and liabilities, if any, as well as the then-estimated value on account of all Final Determinations (the "**Payment Percentage**"). Each Claimant with a Final Determination will receive a distribution from the PI Trust equal to his or her Final Determination multiplied by the Payment Percentage, in each case in accordance with Section 2.4 hereof.

2.4. Requirement of Release. The PI Trust shall make payment of the Payment Percentage on account of a Final Determination to a Claimant (or such Claimant's counsel on account of such Claimant) only after the PI Trust has received a properly executed release from the Claimant in the form attached hereto as Schedule 1, as may be amended in accordance with Section 6.1 hereof or by order of the Bankruptcy Court.

SECTION III

RESOLUTION OF TALC CLAIMS

3.1. Effect of Statutes of Limitation and Repose. All Talc Claims must meet either (i) the applicable federal, state or foreign statute of limitation and repose that was in effect at the time of the filing of the claim in the tort system, in the case of claims first filed in the tort system against the Debtors prior to the Petition Date, or (ii) the applicable federal, state or foreign statute of limitation that was in effect at the time of the filing of a proof of claim in the Debtors' Chapter 11 Cases, in the case of claims not filed against the Debtors in the tort system prior to the Petition Date. Notwithstanding the foregoing, the relevant statute of limitation shall be deemed tolled, with respect to a Claimant, as of the earliest of: (A) the actual filing by such Claimant of the claim against the Debtors prior to the Petition Date, whether in the tort system or by submission of the claim to the Debtors pursuant to an administrative settlement agreement; (B) the date provided by an agreement or otherwise, by the Debtors and such Claimant, prior to the Petition Date for the tolling of the claim against

the Debtors, provided such tolling was still in effect on the Petition Date; or (C) the Petition Date.

If a Talc Claim meets any of the tolling provisions described in the preceding sentence and the claim was not barred by the applicable federal, state or foreign statute of limitation at the time of the tolling event, it shall be treated as a timely filed Talc Claim (i) if it was timely filed in accordance with the Bar Date Order, or (ii) upon entry of an Order of the Bankruptcy Court, following notice to interested parties including but not limited to the Trustee and the Reorganized Debtors, permitting such Talc Claim to be deemed timely filed for the purposes of this TDP.

3.2. Resolution Process. Within three (3) months after the Effective Date, the Trustee shall adopt written procedures for reviewing and liquidating Talc Claims pursuant to this TDP. Such procedures shall require Claimants to file a claim submission in form approved by the Trustee (the "**Claim Submission Form**"), together with the required supporting documentation, in accordance with the provisions of Sections 4.1 and 4.2 below, not later than a date to be determined by the Trustee in consultation with the TAC, which date shall be no less than four (4) months after the Effective Date. It is anticipated that the PI Trust shall provide an initial response to the Claimant within one hundred eighty (180) days of receiving the Claim Submission Form.

The Claim Submission Form shall require the Claimant to elect either Matrix Review in accordance with Section 3.3.1.7 or, if ineligible for Matrix Review, Individual Review in accordance with Section 3.3.3. The Claim Submission Form shall require a Claimant electing Matrix Review to assert his or her Talc Claim for the highest Mesothelioma Compensation Level ("**MCL**") for which the Talc Claim qualifies at the time of filing.

Notwithstanding a Claimant's timely filing of a Talc Claim pursuant to Section 3.1 hereof, if a Claimant does not submit a completed Claim Submission Form prior to the deadline set by the Trustee, the Claimant's claim shall be disallowed (a "**Disallowed Claim**"); provided, however, the Trustee shall have the discretion to waive any deficiency of any Claim Submission Form that the Trustee determines in his or her discretion to be appropriate for an extended Claim Submission Form deadline. For the avoidance of doubt, no more than one Talc Claim may be asserted on behalf of any IP, and the Trustee shall have the discretion to disallow any Talc Claim or portion thereof that is duplicative of another Talc Claim asserted on behalf of any IP.

3.3. Talc Claims Determination Process

3.3.1 Review Process.

3.3.1.1 In General. This TDP will govern the process by which each Talc Claim is reviewed, including determining whether a Talc Claim is eligible or ineligible for payment and, if eligible, the amount approved for payment (the "**Claims Determination Process**"). After the Trust has fully evaluated a Talc Claim, the Trust will issue a notice to the Claimant explaining the review result. If the Talc Claim has been approved and is eligible for payment, then the notice will include the specific amount that the Trust has approved (the "**Approved Claim Amount**"). If the Claimant accepts the Approved Claim Amount, it becomes the final determination of the Talc Claim (the "**Final Determination**"). If the Talc Claim is missing documents or information required for the Trust to fully evaluate the Talc Claim (a "**Deficient Claim**"), the notice will explain what is required and provide a timeline within which the Claimant may resolve the deficiencies. If the Talc Claim is ineligible for

payment from the PI Trust pursuant to this TDP, the notice will explain the reason(s) that the Talc Claim is ineligible and deemed a Disallowed Claim.

3.3.1.2 Pre-Petition Settled Claims. The Claim Submission Form shall permit Claimants to submit a Talc Claim subject to a settlement agreement with the Debtors that was fully executed on or before June 15, 2022 (respectively, a "**Pre-Petition Settled Claim**" and a "**Pre-Petition Settlement Agreement**").

3.3.1.3 A Claimant with a Pre-Petition Settled Claim may elect the Approved Claim Amount to be (i) the unpaid amount agreed to in the Pre-Petition Settlement Agreement (the "**Settlement Value**"), or alternatively, (ii) the "**TDP Matrix Value**". If the Claimant elects the Approved Claim Amount to be the TDP Matrix Value rather than the Settlement Value, the Claimant shall be bound by the MCL either (x) as identified in the Pre-Petition Settlement Agreement or, (y) if not so identified in the Pre-Petition Settlement Agreement, as asserted by the Claimant in writing in litigation or negotiations with the Debtors; provided, however, in the case of either (x) or (y) such Claimant shall be required to satisfy the Medical/Exposure Criteria set forth for Matrix Review in this TDP, including in accordance with Section 3.3.1.7 hereof. For the avoidance of doubt, for Claimants with a Pre-Petition Settled Claim electing a TDP Matrix Value, any applicable Adjustment Factors shall be applied as of the date of the Trustee's review of the Talc Claim.

3.3.1.4 A Claimant with a Pre-Petition Settled Claim that cannot demonstrate assertion of an MCL in accordance with Section 3.3.1.3 shall be bound by such Settlement Value.

3.3.1.5 Notwithstanding the foregoing, a Claimant asserting a Pre-Petition Settled Claim, who is determined by the PI Trust not to have a qualifying Pre-Petition

Settled Claim, may nevertheless proceed with a Talc Claim in accordance the procedures set forth in this TDP for Talc Claims that are not Pre-Petition Settled Claims.

3.3.1.6 Matrix Review: MCLs, Scheduled Values and Medical/Exposure Criteria. Claimants with Talc Claims in connection with malignant mesothelioma diagnosis shall be eligible for Matrix Review. The Matrix Review of this TDP establishes a schedule of two talc-related "**MCLs**" for Claimants in connection with a malignant mesothelioma diagnosis of the Claimant's injured party ("**IP**"); each MCL has "**Medical/Exposure Criteria**" and "**Scheduled Values**." For the avoidance of doubt, a Talc Claim of an IP with more than extremely nominal Non-Talc Asbestos-Containing Product Exposure (as determined by the Trustee in his or her sole discretion) is not eligible for compensation from the PI Trust under this TDP and shall be deemed a Disallowed Claim.

3.3.1.7 "**Matrix Review**" shall mean the review and valuation of Talc Claims in accordance with the schedule set forth in this Section 3.3.1.7; the Scheduled Value, subject to modification for "Adjustment Factors" as set forth in Section 3.3.2, shall be the Approved Claim Amount. The two MCLs covered by this TDP, together with the Medical/Exposure Criteria and the Scheduled Values for each, are set forth below.

MCL	SCHEDULED VALUE	MAXIMUM VALUE	MEDICAL/EXPOSURE CRITERIA
Level 1	$350,000	$700,000	(1) Diagnosis of malignant mesothelioma; (2) At least three years of regular and routine Debtor Cosmetic Talc Exposure; Debtor Cosmetic Talc Exposure comprises 50-100% of Total Talc Exposure.

			(3) Subject to 75% reduction in Matrix Value for extremely nominal Non-Talc Asbestos-Containing Product Exposure.
Level 2	$50,000	$100,000	(1) Diagnosis of malignant mesothelioma; (2) At least three years of regular and routine Debtor Cosmetic Talc Exposure; Debtor Cosmetic Talc Exposure comprises less than 50% of Total Talc Exposure. (3) Subject to 75% reduction in Matrix Value for extremely nominal Non-Talc Asbestos-Containing Product Exposure.

An "**Extraordinary Claim**" shall require regular and routine Debtor Cosmetic Talc Exposure comprising 90% or more of the IP's Total Talc Exposure, and no Non-Talc Asbestos-Containing Product Exposure. Such Extraordinary Claim shall be entitled to up to two times the TDP Matrix Value for MCL 1 (for the avoidance of doubt, the TDP Matrix Value shall include the application of all Adjustment Factors, but shall not exceed the Maximum Value, provided that an Extraordinary Claim may receive a TDP Matrix Value up to two times greater than the Maximum Value for MCL 1). For the avoidance of doubt, a Talc Claim of an IP with more than extremely nominal Non-Talc Asbestos-Containing Product Exposure (as determined by the Trustee in his or her sole discretion) is not eligible for compensation from the PI Trust under this TDP and shall be deemed a Disallowed Claim.

3.3.2 Adjustment Factors to Scheduled Values.

The Trustee shall determine the Approved Claim Amount based on the determination of the Claimant's appropriate Scheduled Value pursuant to section 3.3.1.7 above and additionally Adjustment Factors. Adjustment Factors shall be with respect to the IP. Adjustment Factors shall be (i) Age Factor, (ii) Dependents Factor, and (iii) Economic Loss Factor. Adjustment Factors shall be a multiplier of the Claimant's Scheduled Value; after the multiplier(s), the Approved Claim Amount shall be the lesser of (i) the product of the Scheduled Values and Adjustment Factors and (ii) the Maximum Value.

3.3.2.1 Age Factor

The Trustee will determine the Age Factor based on the earlier of the IP's first diagnosis of talc-related malignancy and the IP's death date (the "**IP Age**"). The Trustee will assign an Age Factor in the following manner:

Age Factor	**Age**
0.5	Over 80 years old
0.75	71-80 years old
1.0	65-70 years old
1.25	46-64 years old
1.5	45 years old or under

3.3.2.2 Dependents Factor

The Trustee will determine a "**Dependents Factor**" based on the IP's dependents (including spouses, minor children, adult disabled dependent children, and dependent minor grandchildren) in the following manner:

Dependents Factor	Dependents
0.5	No dependents
0.75	No spouse, other dependents
1.0	Spouse, no other dependents
1.25	Spouse and other dependents

3.3.2.3 Economic Loss Factor

Claimants may elect (but are not required) to document economic losses related to the IP's loss of earnings, pension, social security, home services, medical expenses, and funerary expenses. Subject to review and substantiation of such documents, the Trust will assign an "**Economic Loss Factor**" in the following manner:

Economic Loss Factor	Documented Economic Loss
1.0	<$200,000
1.0 + .001 for every thousand dollars of economic loss above $200,000, up to $450,000	$200,000 - $450,000
1.25	>$450,000

3.3.3 Individual Review.

In lieu of Matrix Review and Adjustment Factors, a Claimant, either (i) by choice following rejection of the Approved Claim Amount and prior to commencing arbitration pursuant to section 3.5 hereof or (ii) due to ineligibility for Matrix Review, may elect to have an individual review (the "**Individual Review**"). Individual Review shall be mandatory for all Claimants not eligible for Matrix Review due to the absence of a

malignant mesothelioma diagnosis. For the avoidance of doubt, a Talc Claim of an IP with more than extremely nominal Non-Talc Asbestos-Containing Product Exposure (as determined by the Trustee in his or her sole discretion) is not eligible for compensation from the PI Trust under this TDP and shall be deemed a Disallowed Claim.

Prior to the commencement of Individual Review, the Trustee shall require the Claimant to provide (i) such additional medical and other evidence deemed appropriate pursuant to Section 3.4 hereof, including evidence relevant to the Adjustment Factors set forth above, which for the avoidance of doubt shall include (i) a "**Linking Report**" of a qualified expert concerning the causes of the IP's injury, and (ii) a non-refundable commencement fee of $50. In the event an Individual Review results in an Approved Claim Award and a Final Determination, the Trustee shall add $50 to the amount to be disbursed to the Claimant pursuant to Section 2.4 as a rebate of such commencement fee.

3.4. Evidentiary Requirements.

3.4.1 Evidence.

3.4.1.1 In General. All diagnoses of a talc-related malignancy, whether or not relating to asbestos contamination, shall be based upon either (i) a physical examination of the IP by the physician providing the diagnosis of the talc-related or asbestos-related disease, or (ii) a diagnosis of such malignancy by a board-certified pathologist or by a pathology report prepared at or on behalf of a hospital accredited by the Joint Commission on Accreditation of Healthcare Organizations. All diagnoses of a malignancy shall be accompanied by either (i) a statement by the physician providing the diagnosis that at least ten (10) years have elapsed between the date of first exposure to allegedly asbestos-

contaminated talc or talc-containing products and the diagnosis, or (ii) a history of the IP's exposure.[3]

3.4.1.2 Pre-Petition Claimant Submissions. If a Claimant with a Talc Claim arising from a claim that was filed against the Debtors or any other defendant in the tort system prior to the Petition Date has available a report of a diagnosing physician engaged by the Claimant or his or her counsel who conducted a physical examination of the IP as described in Section 3.4.l.1, or if the Claimant has filed such medical evidence and/or a diagnosis of the talc-related disease by a physician not engaged by the Claimant or his or her counsel who conducted a physical examination of the Claimant with another talc-related personal injury settlement trust that requires such evidence, without regard to whether the Claimant or counsel engaged the diagnosing physician, the Claimant shall provide such medical evidence to the PI Trust.

3.4.1.3 Credibility of Medical Evidence. Before making any payment to a Claimant, the PI Trust must have reasonable confidence that the medical evidence provided in support of the Talc Claim is credible and consistent with recognized medical standards. To the extent consistent with recognized medical standards, the PI Trust may (i) require the submission of X-rays, CT scans, detailed results of pulmonary function tests, laboratory tests, tissue samples, results of medical examination or reviews of other medical evidence (for the avoidance of doubt, this clause (i) does not apply to reliable medical evidence of a diagnosis of mesothelioma), and (ii) may require that medical evidence submitted comply with recognized medical standards regarding equipment, testing methods and procedures to assure that such evidence is reliable. Medical evidence that is (i) of a kind

[3] All diagnoses of mesothelioma shall be presumed to be based on findings that the disease involves a malignancy. However, the Trust may rebut such presumptions.

shown to have been received in evidence by a state or federal judge at trial, (ii) consistent with evidence submitted to the Debtors to settle for payment similar disease cases prior to the Debtors' bankruptcy, or (iii) a diagnosis by a physician shown to have previously qualified as a medical expert with respect to the talc-related disease in question before a state or federal judge, is presumptively reliable, although the PI Trust may rebut the presumption. In addition, Claimants who otherwise meet the requirements of this TDP for a Final Determination shall be paid in accordance with this TDP regardless of the results in any litigation at any time between the Claimant and any other defendant in the tort system. However, any relevant evidence submitted in a proceeding in the tort system, other than any findings of fact, a verdict, or a judgment, involving another defendant may be used by either the Claimant or the PI Trust in the Claims Determination Process of any Talc Claims under this TDP.

3.4.2 Exposure Evidence.

3.4.2.1 In General. As set forth in Section 3.3.3 above, to qualify for any MCL or Approved Claim Amount through Individual Review, the Claimant must demonstrate a minimum exposure to talc-containing products, or to conduct that exposed the Claimant to a talc-containing allegedly asbestos-contaminated product, for which the Debtors have liability. Any claim based on conspiracy theories that involve no exposure to a talc-containing allegedly asbestos-contaminated product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors are not compensable under this TDP. To meet the exposure requirements set forth in Section 3.3.1 above, the Claimant must show Debtor Cosmetic Talc Exposure as defined in Section 3.4.2.2 below.

3.4.2.2 Debtor Cosmetic Talc Exposure. The Claimant must demonstrate meaningful and credible evidence of (a) exposure of the IP to a talc-containing cosmetic product manufactured, sold, supplied, produced, distributed, released, advertised or

marketed by the Debtors or for which the Debtors otherwise have legal responsibility, or (b) conduct for which the Debtor has legal responsibility that exposed the IP to such talc-containing cosmetic product (in either case, "**Debtor Cosmetic Talc Exposure**"). That meaningful and credible exposure evidence may be established by an affidavit or sworn statement of the IP, by an affidavit or sworn statement of a family member in the case of a deceased or incapacitated IP (providing the PI Trust finds such evidence reasonably reliable), or by other credible evidence.

3.4.2.3 Non-Debtor Exposure. The Claim Submission Form may require that a Claimant include an estimation of all Non-Debtor Cosmetic Talc Exposure of the IP to talc, asbestos and asbestos-containing products known to cause the malignancy for which the IP has been diagnosed.

3.4.2.4 Non-Talc Asbestos-Containing Product Exposure. The specific exposure information required by the PI Trust to review a Talc Claim shall be set forth on the Claim Submission Form. The PI Trust can also require submission of other or additional evidence of exposure, and may seek and review evidence from additional sources, when it deems such to be necessary to assess the entirety of the IP's exposure to talc, asbestos, and related products in connection with a Talc Claim against the Debtors.

Evidence submitted by a Claimant to establish proof of Debtor Cosmetic Talc Exposure is for the sole benefit of the PI Trust, not third parties or defendants in the tort system. The PI Trust has no need for, and therefore Claimants are not required to furnish the PI Trust with evidence of, exposure to specific allegedly asbestos-contaminated talc or talc-containing products other than those for which the Debtors have legal responsibility, except to the extent such evidence is required elsewhere in this TDP. Similarly, failure to identify Debtors' products in the Claimant's underlying tort action, or to other bankruptcy trusts, does

not preclude the Claimant from having an eligible Talc Claim under this TDP, provided the Claimant satisfies the medical and exposure requirements of this TDP.

3.5. Right to Alternative Dispute Resolution. The Trustee, with the consent of the TAC, shall develop and adopt "**ADR Procedures**," which shall provide for binding arbitration to resolve disputes for which the relevant parties cannot otherwise reach a resolution. ADR Procedures shall apply only with respect to (a) the amount of the Approved Claim Amount, and/or (b) whether the IP's medical condition or exposure history meets the requirements of this TDP for purposes of categorizing a claim; the costs of the ADR Procedures shall be allocated by the arbitrator between the Claimant and the Trust. The ADR Procedures may be modified by the Trust, with the consent of the TAC, and subject to the procedures and requirements for amendment of this TDP set forth in Section 6.1 hereof. Not later than one (1) month following the Trustee's issuance of an Approved Claim Amount for any Talc Claim, the Claimant may request arbitration pursuant to the ADR Procedures. The decision of the arbitrator after arbitration shall be final and any Approved Claim Amount determined by the arbitrator (which may be zero) shall be treated in accordance with Section 3.3.1.1 hereof.

In all arbitrations, the arbitrator shall consider the same medical and exposure evidentiary requirements that are set forth in Section 3.4 above. In an arbitration involving any such claim, the Trustee shall not offer into evidence or describe any model or assert that any information generated by the model has any evidentiary relevance or should be used by the arbitrator in determining the presumed correct liquidated value in the arbitration. The underlying data that was used to create the model may be relevant and may be made available to the arbitrator but only if provided to the Claimant or his or her counsel ten days prior to the arbitration proceeding. The Claimant and his or her counsel may use the data that is provided by the Trust in the arbitration and shall agree to otherwise maintain the confidentiality of such information.

SECTION IV

CLAIMS MATERIALS

4.1. Claims Materials. The Trustee shall prepare suitable and efficient "**Claims Materials**" for all Talc Claims and shall make available such Claims Materials to Talc Claimants.

4.2. Content of Claims Materials. The Claims Materials shall include a copy of this TDP, such instructions as the Trustee shall approve, and a detailed Claim Submission Form. The Claim Submission Form shall require the Claimant to either (i) assert the highest MCL for which the Talc Claim qualifies at the time of filing under Matrix Review or (ii) if ineligible for Matrix Review, request Individual Review. The Claim Submission Form shall also include a certification by the Claimant or his or her attorney sufficient to meet the requirements of Rule l l(b) of the Federal Rules of Civil Procedure, as if the completed Claim Submission Form were a filing subject to that rule.

4.3. Withdrawal of Claims. Except for (a) Talc Claims held by representatives of deceased or incompetent individuals for which court or probate approval of the PI Trust's offer is required and (b) Talc Claims subject to potential or pending dispute or entry of a binding award pursuant to Section 3.5 hereof, a Talc Claim shall be deemed to have been withdrawn and shall be deemed a Disallowed Claim if the Claimant does not accept the PI Trust's Approved Claim Amount.

4.4. Confidentiality of Claimants' Submissions. All submissions to the PI Trust by a Claimant, including the Claim Submission Form and materials related thereto, are intended by the parties to be confidential. The PI Trust will preserve the confidentiality of such Claimant submissions, and shall disclose the contents thereof only with the permission of the Claimant to such other persons as authorized by the Claimant, or in response to a valid subpoena of such materials issued by the Bankruptcy Court or any other court of competent

jurisdiction. Furthermore, the PI Trust shall provide counsel for the Claimant of the applicable Talc Claim a copy of any such subpoena upon being served. The PI Trust shall, on its own initiative, or upon request of the Claimant in question, take all necessary and appropriate steps to preserve any privileges. On the Dissolution Date or as soon as reasonably practicable thereafter, after the wind-up of the affairs of the PI Trust by the Trustee, the Trustee shall arrange for the proper destruction of all documents and records submitted by Claimants.

SECTION V

GENERAL GUIDELINES FOR LIQUIDATING AND PAYING CLAIMS

5.1. Showing Required. To establish an eligible Talc Claim, a Claimant must meet the requirements set forth in this TDP.

5.2. Costs Considered. Notwithstanding any provisions of this TDP to the contrary, the Trustee shall give appropriate consideration to the cost of investigating and uncovering invalid Talc Claims and other transactions costs of the PI Trust so that administration of the PI Trust is not impaired by such processes with respect to issues related to the validity of the medical evidence supporting a Talc Claim. Nothing herein shall prevent the Trustee, in appropriate circumstances, from contesting the validity of any Talc Claim against the PI Trust whatever the costs, or declining to accept medical evidence from sources that the Trustee has determined to be unreliable.

5.3. Third-Party Services. Nothing in this TDP shall preclude the PI Trust from contracting with another talc claims resolution organization to provide services to the PI Trust so long as decisions about the categorization and liquidated value of Talc Claims are based

on the relevant provisions of this TDP, including the MCLs, Scheduled Values and Medical/Exposure Criteria set forth above.

5.4. Punitive Damages. In no circumstance shall the Trustee assign any Talc Claim value for any punitive damages, exemplary damages, statutory enhanced damages, or attorneys' fees or costs (including statutory attorneys' fees and costs) and any Talc Claim for such amounts shall be deemed a Disallowed Claim.

SECTION VI

MISCELLANEOUS

6.1. Amendments. Except as otherwise provided in this TDP or the Trust Agreement, with the consent of the TAC, the Trustee may amend, modify, delete, or add to any provisions of this TDP (including, without limitation, amendments to conform this TDP to advances in scientific or medical knowledge or other changes in circumstances), provided that (i) permission of the Bankruptcy Court shall be required to amend the methodology for valuing Talc Claims in Matrix Review, including but not limited to the Scheduled Values, MCLs, Medical/Exposure Criteria, or Adjustment Factors; (ii) the Trustee must obtain the unanimous consent of the TAC prior to making or seeking Bankruptcy Court authority for any amendment, modification, deletion or addition to this TDP; (iii) the Trustee shall provide at least ten (10) business days' written notice to the Reorganized Debtors prior to making any amendment, modification, deletion or addition to this TDP, and shall obtain the consent of the Reorganized Debtors for any amendment, modification, deletion or addition that the Reorganized Debtors reasonably determine affects, directly or indirectly, any right, duty, immunity, interest or liability of the Reorganized Debtors; and (iv) such amendments, modifications, deletions, or additions shall not contravene the Plan or Confirmation Order.

6.2. Severability. Should any provision contained in this TDP be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this TDP.

6.3. Governing Law. This TDP shall be governed by, and construed in accordance with, the substantive laws of the State of Delaware, without regard to any choice of law rules.

6.4. Extensions of Time. Upon written request, the Trustee may in his or her discretion grant extensions of time for any time deadline or time limit identified herein to any Claimant.

RELEASE AND INDEMNITY AGREEMENT

REVLON TALC PERSONAL INJURY LIQUIDATING TRUST

RELEASE AND INDEMNITY AGREEMENT

NOTICE: THIS IS A BINDING DOCUMENT THAT AFFECTS YOUR LEGAL RIGHTS. PLEASE CONSULT YOUR ATTORNEY IN CONNECTION WITH EXECUTING THIS DOCUMENT. IF YOU DO NOT PRESENTLY HAVE AN ATTORNEY, YOU MAY WISH TO CONSIDER CONSULTING ONE.

All capitalized terms not defined herein shall have the respective meanings ascribed to them in either (i) *First Amended Joint Plan of Reorganization of Revlon, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 1507], as the same may be amended or modified from time to time (the "Plan") filed in Bankruptcy Case No. 22-10760 (DSJ) before the United States Bankruptcy Court for the Southern District of New York, confirmed by order on [•] [Docket No. [•] (the "Confirmation Order") or (ii) the Trust Distribution Procedures of the Revlon Talc Personal Injury Liquidating Trust (the "TDP") filed as a supplement to the Plan.

WHEREAS, the undersigned, who is either the "Injured Party" or the/an "Official Representative"[4] (either being referred to herein as the "Claimant"), has filed a claim (the "Claim") with the Revlon Talc Personal Injury Liquidating Trust (the "PI Trust") pursuant to the TDP filed as part of the Plan, and such Claim asserts a Talc Personal Injury Claim arising out of exposure to talc-containing allegedly asbestos-contaminated products or conduct for which Revlon, Inc., et al (the "Debtors") are alleged to have legal responsibility; and

WHEREAS, the Claimant has agreed to settle and compromise the Injured Party's Claim for and in consideration of the allowance of the Claim by the PI Trust, at a liquidated value of $_____, on account of which the Claimant shall receive distributions pursuant to the Plan and TDP including but not limited to application of the Payment Percentage, and otherwise in accordance with the terms set forth therein and herein.

NOW, THEREFORE, the Claimant hereby agrees as follows:

1. On behalf of the Injured Party, the Injured Party's estate, the Injured Party's heirs, and/or anyone else claiming rights through the Injured Party, now and in the future, the Claimant hereby fully and finally voluntarily, intentionally, knowingly, absolutely, unconditionally, irrevocably, and fully waive, release, remit, acquit, forever discharge, and covenant not to knowingly sue or continue prosecution against the Debtors, the Reorganized Debtors, the PI Trust, the Trust Advisory Committee, and their respective settlors, trustors, trustees, directors, officers, agents, consultants, financial advisors, servants, employees, attorneys, heirs, executors (collectively the "Releasees") from and with respect to any and all

claims, including, but not limited to, all claims as defined in section 101(5) of the Bankruptcy Code, charges, complaints, demands, obligations, causes of action, losses, expenses, suits, awards, promises, agreements, rights to payment, right to any equitable remedy, rights of any contribution, indemnification, reimbursement, subrogation or similar rights, demands, debts, liabilities, express or implied contracts, obligations of payment or performances, rights of offset or recoupment, costs, expenses, attorneys, and other professional fees and expenses, compensation or other relief, and liabilities of any nature whatsoever whether present or future, known or unknown, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, absolute or contingent, direct or derivative and whether based on contract, tort, statutory, or any other legal or equitable theory of recovery (the "Released Claims"), arising from, relating to, resulting from or in any way connected to, in whole or in part, the Claimant's Talc Personal Injury Claim, the Releasees' duties and responsibilities under the Trust Agreement, including any agreement, document, instrument or certification contemplated by the Trust Agreement, the TDP, the Plan, the formulation, preparation, negotiation, execution or consummation of the Trust Agreement, the TDP or the Plan, and any and all other orders of any court of competent jurisdiction relating to the Releasees and/or their duties and responsibilities, from the beginning of time through the execution date of this Release and Indemnity Agreement (this "Release"). The Claimant covenants and agrees that the Claimant will honor the Release as set forth in the preceding sentence and, further, that the Claimant will not (i) knowingly institute or continue prosecution of a lawsuit or other action against any Releasee based upon, arising out of, or relating to any Released Claims released hereby, (ii) knowingly participate, assist, or cooperate in any such action, or (iii) knowingly encourage, assist and/or solicit any third party to institute any such action.

2. Without limiting the foregoing, and notwithstanding anything to the contrary herein, the Release shall not apply in favor of the PI Trust as to the Claimant's right to payment of the Claimant's allowed Talc Personal Injury Claim, solely as provided through the Plan and TDP and as set forth in paragraph 7 below.

3. The Claimant intends this Release and Indemnity Agreement to be as broad and comprehensive as possible so that the Releasees shall never be liable, directly or indirectly, to the Injured Party or the Injured Party's heirs, legal representatives, successors or assigns, or any other person or entity claiming by, through, under, or on behalf of the Injured Party, for or on account of any Released Claim, except as expressly provided herein, whether the same is now known or unknown or may now be latent or may in the future appear to develop, including all spousal claims for the Injured Party's claims. If the Claimant is an Official Representative, the Claimant represents and warrants that the Claimant has all requisite legal authority to act for, bind and accept payment on behalf of the Injured Party and all heirs of the Injured Party on account of any Released Claim and hereby agrees to indemnify and hold harmless, to the extent of payment hereunder, excluding attorney's fees and costs, the Releasees from any loss, cost, damage, or expense arising out of or in connection with the rightful claim of any other Entity to payments with respect to the Injured Party's Released Claim.

4. This Release and Indemnity Agreement is not intended to bar any cause of action, right, lien, or claim that the Claimant may have against any alleged tortfeasor other than the Releasees. It is expressly not intended to bar any cause of action, right, lien or claim

that the Claimant may have against any insurer of the Releasees or any commercial counterparties thereof engaged in the manufacturing, distribution or sale of materials alleged to have caused harm to the Claimant.[5] The Claimant hereby expressly reserves all his or her rights against such persons or entities. This Release and Indemnity Agreement is not intended to release or discharge any Talc Personal Injury Claim or potential Talc Personal Injury Claim that the Injured Party's heirs (if any), spouse (if any), the Official Representative (if any) or the Official Representative's heirs (if any) (other than the Injured Party) may have as a result of their own exposure to allegedly asbestos-contaminated talc or talc-containing products.

5. The Claimant represents and warrants that all Valid Liens,[6] subrogation, conditional payment, and reimbursement claims relating to benefits paid to or on account of the Injured Party in connection with, or relating to, the Claim have been resolved or will be resolved from the net proceeds of the settlement payment to the Claimant under this Release and Indemnity Agreement or from other funds or proceeds to the extent permitted under applicable lien settlement agreements or under applicable law. It is further agreed and understood that no Releasee shall have any liability to the Claimant or any other person or entity in connection with such liens or conditional payment or reimbursement claims and that the Claimant will indemnify and hold the Releasees harmless from any and all such alleged liability as provided in the following sentence. The Claimant will indemnify and hold the Releasees harmless, to the extent of the amount of payment hereunder, excluding attorneys' fees and costs, from any and all liability arising from subrogation, conditional payment, indemnity, or contribution claims related to the Released Claim and from any and all compensation or medical payments due, or claimed to be due, under any applicable law, regulation, or contract related to the Released Claim.

6. It is further agreed and understood that if the Claimant has filed a civil action against the PI Trust, the Claimant shall dismiss such civil action and obtain the entry of an Order of Dismissal with Prejudice with respect to any Released Claim no later than 30 days after the date hereof.

7. The Claimant understands that the Released Claim is being resolved by the PI Trust, and a liquidated value ($_____) has been established for such Claim. The Claimant acknowledges that, pursuant to the TDP, after the liquidated value of the Claim is determined pursuant to the procedures set forth in the TDP, the Claimant ultimately shall receive a pro rata share of that value based on the PI Settlement Fund Assets available for the payment of Claims. The Claimant further acknowledges that the Claimant may receive payment in one or more distributions, subject to determination by the Trustee, as provided in the TDP.

8. The Claimant understands, represents, and warrants that this Release and Indemnity Agreement is a compromise of a disputed claim and not an admission of liability by, or on the part of, the Releasees. Neither this Release and Indemnity Agreement, the compromise and settlement evidenced hereby, nor any evidence relating thereto, will ever be

[5] For the avoidance of doubt, this Release does not include a release with respect to any of the Excluded Parties (as defined in the Plan).

[6] A "Valid Lien" is a lien that is permitted by applicable law and with respect to which the lien holder has taken all steps necessary under the terms of the documents creating the lien and under applicable law to perfect the lien.

admissible as evidence against the PI Trust or other Releasee in any suit, claim, or proceeding of any nature except to enforce this Release and Indemnity Agreement. However, this Release and Indemnity Agreement is and may be asserted by the Releasees as an absolute and final bar to any claim or proceeding now pending or hereafter brought by or on behalf of the Injured Party with respect to the Talc Personal Injury Claim released herein, except as expressly provided in this Release and Indemnity Agreement.

9. The Claimant (a) represents that no judgment debtor has satisfied in full the PI Trust's liability with respect to the Injured Party's Talc Personal Injury Claim as the result of a judgment entered in the tort system, and (b) upon information and belief, represents that the Claimant has not entered into a release (other than this Release and Indemnity Agreement) that discharges or releases the PI Trust's liability to the Claimant with respect to the Injured Party's Talc Personal Injury Claim.

10. The Claimant represents that he or she understands that this Release and Indemnity Agreement constitutes a final and complete release of the Releasees with respect to the Injured Party's Released Claim, except as expressly provided herein. The Claimant has relied solely on his or her own knowledge and information, and the advice of his or her attorneys (if any), as to the nature, extent, and duration of the Injured Party's injuries, damages, and legal rights, as well as the alleged liability of the Releasees and the legal consequences of this Release and Indemnity Agreement, and not on any statement or representation made by or on behalf of the PI Trust or other Releasee.

11. In further consideration of the benefit of a distribution from the PI Trust on account of the Claimant's Talc Personal Injury Claim, as of the date hereof, the Claimant shall indemnify and forever hold harmless, and pay all final judgments, damages, costs, expenses, fines, penalties, interest, multipliers, or liabilities in whatsoever nature, including costs of defense and attorneys' fees of the Releasees arising from the Claimant's failure to comply with the terms of this Release and Indemnity Agreement.

12. This Release and Indemnity Agreement contains the entire agreement between the parties and supersedes all prior or contemporaneous oral or written agreements or understandings relating to the subject matter hereof between or among any of the parties hereto, including, without limitation, any prior agreements or understandings with respect to the liquidation of the Claim.

13. This Release and Indemnity Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of DELAWARE, without giving effect to the principles of conflicts of law thereof, and shall be binding on the Injured Party and his or her heirs, legal representatives, successors and assigns.

14. TO THE EXTENT APPLICABLE, THE CLAIMANT HEREBY WAIVES ALL RIGHTS UNDER SECTION 1542 OF THE CALIFORNIA CIVIL CODE, AND ANY SIMILAR LAWS OF ANY OTHER STATE. CALIFORNIA CIVIL CODE SECTION 1542 STATES:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF

EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTORS.

THE CLAIMANT UNDERSTANDS AND ACKNOWLEDGES THAT BECAUSE OF THE CLAIMANT'S WAIVER OF SECTION 1542 OF THE CALIFORNIA CIVIL CODE, EVEN IF THE INJURED PARTY SHOULD EVENTUALLY SUFFER ADDITIONAL DAMAGES, THE INJURED PARTY WILL NOT BE ABLE TO MAKE ANY CLAIM AGAINST THE RELEASEES FOR THOSE DAMAGES, EXCEPT AS EXPRESSLY PROVIDED HEREIN. THE CLAIMANT ACKNOWLEDGES THAT HE OR SHE INTENDS THESE CONSEQUENCES.

15. The Claimant authorizes payment pursuant to Paragraph 7 to the Claimant or the Claimant's counsel, as agent for the Claimant, if applicable.

16. The Claimant acknowledges that the PI Trust has no obligation to pay the Claimant until the PI Trust receives the executed Release and Indemnity Agreement from the Claimant.

17. The Claimant acknowledges that the PI Trust is not providing any tax advice with respect to the receipt of any distribution on account of the Claimant's Talc Personal Injury Claim or any component thereof, and understands and agrees that the Claimant shall be solely responsible for compliance with all tax laws with respect to such distribution, to the extent applicable. The Claimant additionally hereby represents and certifies to the PI Trust that, in respect of the Claim, the Claimant has paid or will provide for the payment and/or resolution of any obligations owing or potentially owing under 42 U.S.C. § 1395y(b) and/or 42 U.S.C. § 1396a(a)(25), or any related statutes, rules, regulations, or guidance, in connection with, or relating to, the Claim, including all Medicare and/or Medicaid Secondary Payer-related obligations.

TABLE OF CONTENTS

REVLON TALC PERSONAL INJURY LIQUIDATING TRUST DISTRIBUTION PROCEDURES

The Trust Distribution Procedures of the Revlon Talc Personal Injury Liquidating Trust contained herein set forth procedures for resolution of Talc Personal Injury Claims, as defined in and to the extent provided in connection with the *First Amended Joint Plan of Reorganization of Revlon, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code*, filed February 21, 2023 [Docket No. 1507] (as it may be amended or modified), as provided in the Revlon Talc Personal Injury Liquidating Trust Agreement.[1] The Trustee of the PI Trust shall implement and administer this TDP in consultation with the Trust Advisory Committee in accordance with the Trust Agreement.[2]

[1] Capitalized terms used, but not defined herein, shall have the meaning ascribed to them in the Trust Agreement or Plan, as applicable.

[2] This TDP is established solely to implement the Plan and Plan Settlement. Nothing in this TDP or any other Definitive Document is intended to be, nor shall it be construed as, an admission by the Debtors as to any Talc Claim, nor shall any Definitive Document, including this TDP, or any component thereof be admissible as evidence of, or have any *res judicata*, *collateral estoppel*, or other preclusive or precedential effect regarding, (i) any alleged asbestos contamination in any product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors or for which the Debtors otherwise have legal responsibility, or (ii) any liability of the Debtors, or the amount of any alleged liability, in respect of any personal injury actually or allegedly caused by any talc-containing allegedly asbestos-contaminated product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors or for which the Debtors otherwise have legal responsibility. Likewise, no decision of the Trustee or TAC to approve or make any distribution upon any Talc Claim shall be admissible as evidence of, or have any *res judicata*, *collateral estoppel*, or other preclusive or precedential effect regarding, liability to be imposed against Revlon, Inc., its Affiliates, or any other entity other than the PI Trust. The order of the Bankruptcy Court confirming the Plan shall constitute findings and orders with regard to the foregoing paragraph.

SECTION I

INTRODUCTION

1.1. Purpose. This TDP has been adopted pursuant to the Trust Agreement. The purpose of this TDP is to provide fair, equitable and substantially similar treatment for and among each holder of a Talc Claim (a "**Claimant**") in an efficient manner. To achieve maximum fairness and efficiency, this TDP is founded on the following principles:

(a) Objective eligibility criteria;

(b) Clear and reliable proof requirements;

(c) Administrative transparency;

(d) Rigorous review processes that generate consistent outcomes regardless of the asserted amount of the Talc Claim; and

(e) Independence of the Trustee and the Trust's professionals.

SECTION II

PAYMENT OF TALC CLAIMS

2.1. Claims Liquidation Procedures. The PI Trust shall take all reasonable steps to resolve Talc Claims as efficiently and expeditiously as possible at each stage of claims processing.

2.2. Initial Distribution. The Trustee intends to make only a single distribution to all or substantially all holders of eligible Talc Claims with Final Determinations at the end of the Claims Determination Process for all eligible Talc Claims; provided, however, if the Trustee determines to proceed to a distribution on account of substantially all holders of eligible Talc Claims with Final Determinations, the Trustee shall establish adequate reserves for Talc Claims that have not yet received a Final Determination. Notwithstanding any provision in the Trust Agreement, the Plan or the Confirmation Order to the contrary, the Trustee, in the Trustee's sole discretion, may decline to make any distribution of $100 or less, due to the economic inefficiency of making a distribution of such a *de minimis* amount.

2.3. Application of Payment Percentage. At the end of the Claims Determination Process for all or substantially all holders of eligible Talc Claims with Final Determinations, the Trustee shall set a payment percentage to be applied to all Final Determinations, based on his or her estimate of the PI Trust's assets and liabilities, if any, as well as the then-estimated value on account of all Final Determinations (the "**Payment Percentage**"). Each Claimant with a Final Determination will receive a distribution from the PI Trust equal to his or her Final Determination multiplied by the Payment Percentage, in each case in accordance with Section 2.4 hereof.

2.4. Requirement of Release. The PI Trust shall make payment of the Payment Percentage on account of a Final Determination to a Claimant (or such Claimant's counsel on account of such Claimant) only after the PI Trust has received a properly executed release from the Claimant in the form attached hereto as Schedule 1, as may be amended in accordance with Section 6.1 hereof or by order of the Bankruptcy Court.

SECTION III

RESOLUTION OF TALC CLAIMS

3.1. Effect of Statutes of Limitation and Repose. All Talc Claims must meet either (i) the applicable federal, state or foreign statute of limitation and repose that was in effect at the time of the filing of the claim in the tort system, in the case of claims first filed in the tort system against the Debtors prior to the Petition Date, or (ii) the applicable federal, state or foreign statute of limitation that was in effect at the time of the filing of a proof of claim in the Debtors' Chapter 11 Cases, in the case of claims not filed against the Debtors in the tort system prior to the Petition Date. Notwithstanding the foregoing, the relevant statute of limitation shall be deemed tolled, with respect to a Claimant, as of the earliest of: (A) the actual filing by such Claimant of the claim against the Debtors prior to the Petition Date, whether in the tort system or by submission of the claim to the Debtors pursuant to an administrative settlement agreement; (B) the date provided by an agreement or otherwise, by the Debtors and such Claimant, prior to the Petition Date for the tolling of the claim against the Debtors, provided such tolling was still in effect on the Petition Date; or (C) the Petition Date.

If a Talc Claim meets any of the tolling provisions described in the preceding sentence and the claim was not barred by the applicable federal, state or foreign statute of

limitation at the time of the tolling event, it shall be treated as a timely filed Talc Claim (i) if it was timely filed in accordance with the Bar Date Order, or (ii) upon entry of an Order of the Bankruptcy Court, following notice to interested parties including but not limited to the Trustee and the Reorganized Debtors, permitting such Talc Claim to be deemed timely filed for the purposes of this TDP.

3.2. Resolution Process. Within three (3) months after the Effective Date, the Trustee shall adopt written procedures for reviewing and liquidating Talc Claims pursuant to this TDP. Such procedures shall require Claimants to file a claim submission in form approved by the Trustee (the "**Claim Submission Form**"), together with the required supporting documentation, in accordance with the provisions of Sections 4.1 and 4.2 below, not later than a date to be determined by the Trustee in consultation with the TAC, which date shall be no less than four (4) months after the Effective Date. It is anticipated that the PI Trust shall provide an initial response to the Claimant within one hundred eighty (180) days of receiving the Claim Submission Form.

The Claim Submission Form shall require the Claimant to elect either Matrix Review in accordance with Section 3.3.1.7 or, if ineligible for Matrix Review, Individual Review in accordance with Section 3.3.3. The Claim Submission Form shall require a Claimant electing Matrix Review to assert his or her Talc Claim for the highest Mesothelioma Compensation Level ("**MCL**") for which the Talc Claim qualifies at the time of filing.

Notwithstanding a Claimant's timely filing of a Talc Claim pursuant to Section 3.1 hereof, if a Claimant does not submit a completed Claim Submission Form prior to the deadline set by the Trustee, the Claimant's claim shall be disallowed (a "**Disallowed Claim**"); provided, however, the Trustee shall have the discretion to waive any deficiency

of any Claim Submission Form that the Trustee determines in his or her discretion to be appropriate for an extended Claim Submission Form deadline. For the avoidance of doubt, no more than one Talc Claim may be asserted on behalf of any IP, and the Trustee shall have the discretion to disallow any Talc Claim or portion thereof that is duplicative of another Talc Claim asserted on behalf of any IP.

3.3. Talc Claims Determination Process

3.3.1 Review Process.

3.3.1.1 In General. This TDP will govern the process by which each Talc Claim is reviewed, including determining whether a Talc Claim is eligible or ineligible for payment and, if eligible, the amount approved for payment (the "**Claims Determination Process**"). After the Trust has fully evaluated a Talc Claim, the Trust will issue a notice to the Claimant explaining the review result. If the Talc Claim has been approved and is eligible for payment, then the notice will include the specific amount that the Trust has approved (the "**Approved Claim Amount**"). If the Claimant accepts the Approved Claim Amount, it becomes the final determination of the Talc Claim (the "**Final Determination**"). If the Talc Claim is missing documents or information required for the Trust to fully evaluate the Talc Claim (a "**Deficient Claim**"), the notice will explain what is required and provide a timeline within which the Claimant may resolve the deficiencies. If the Talc Claim is ineligible for payment from the PI Trust pursuant to this TDP, the notice will explain the reason(s) that the Talc Claim is ineligible and deemed a Disallowed Claim.

3.3.1.2 Pre-Petition Settled Claims. The Claim Submission Form shall permit Claimants to submit a Talc Claim subject to a settlement agreement with the Debtors that was fully executed on or before June 15, 2022 (respectively, a "**Pre-Petition Settled Claim**" and a "**Pre-Petition Settlement Agreement**").

3.3.1.3 A Claimant with a Pre-Petition Settled Claim may elect the Approved Claim Amount to be (i) the unpaid amount agreed to in the Pre-Petition Settlement Agreement (the "**Settlement Value**"), or alternatively, (ii) the "**TDP Matrix Value**". If the Claimant elects the Approved Claim Amount to be the TDP Matrix Value rather than the Settlement Value, the Claimant shall be bound by the MCL either (x) as identified in the Pre-Petition Settlement Agreement or, (y) if not so identified in the Pre-Petition Settlement Agreement, as asserted by the Claimant in writing in litigation or negotiations with the Debtors; provided, however, in the case of either (x) or (y) such Claimant shall be required to satisfy the Medical/Exposure Criteria set forth for Matrix Review in this TDP, including in accordance with Section 3.3.1.7 hereof. For the avoidance of doubt, for Claimants with a Pre-Petition Settled Claim electing a TDP Matrix Value, any applicable Adjustment Factors shall be applied as of the date of the Trustee's review of the Talc Claim.

3.3.1.4 A Claimant with a Pre-Petition Settled Claim that cannot demonstrate assertion of an MCL in accordance with Section 3.3.1.3 ~~may elect either the~~shall be bound by such Settlement Value~~ or TDP Matrix Value by satisfying the Medical/Exposure Criteria for any MCL set forth in this TDP~~.

3.3.1.5 Notwithstanding the foregoing, a Claimant asserting a Pre-Petition Settled Claim, who is determined by the PI Trust not to have a qualifying Pre-Petition Settled Claim, may nevertheless proceed with a Talc Claim in accordance the procedures set forth in this TDP for Talc Claims that are not Pre-Petition Settled Claims.

3.3.1.6 Matrix Review: MCLs, Scheduled Values and Medical/Exposure Criteria. Claimants with Talc Claims in connection with malignant mesothelioma diagnosis shall be eligible for Matrix Review. The Matrix Review of this TDP establishes a schedule of two talc-related "**MCLs**" for Claimants in connection with a malignant mesothelioma diagnosis of the Claimant's injured party ("**IP**"); each MCL has "**Medical/Exposure Criteria**" and "**Scheduled Values**." For the avoidance of doubt, a Talc Claim of an IP with more than extremely nominal Non-Talc Asbestos-Containing Product Exposure (as determined by the Trustee in his or her sole discretion) is not eligible for compensation from the PI Trust under this TDP and shall be deemed a Disallowed Claim.

3.3.1.7 "**Matrix Review**" shall mean the review and valuation of Talc Claims in accordance with the schedule set forth in this Section 3.3.1.7; the Scheduled Value, subject to modification for "Adjustment Factors" as set forth in Section 3.3.2, shall be the Approved Claim Amount. The two MCLs covered by this TDP, together with the Medical/Exposure Criteria and the Scheduled Values for each, are set forth below.

MCL	SCHEDULED VALUE	MAXIMUM VALUE	MEDICAL/EXPOSURE CRITERIA
Level 1	$350,000	$700,000	(1) Diagnosis of malignant mesothelioma; (2) At least three years of regular and routine Debtor Cosmetic Talc Exposure; Debtor Cosmetic Talc Exposure comprises 50-100% of Total Talc Exposure. (3) Subject to 75% reduction in Matrix Value for extremely nominal Non-Talc Asbestos-Containing Product Exposure.

Level 2	$50,000	$100,000	(1) Diagnosis of malignant mesothelioma; (2) At least three years of regular and routine Debtor Cosmetic Talc Exposure; Debtor Cosmetic Talc Exposure comprises less than 50% of Total Talc Exposure. (3) Subject to 75% reduction in Matrix Value for extremely nominal Non-Talc Asbestos-Containing Product Exposure.

An "**Extraordinary Claim**" shall require regular and routine Debtor Cosmetic Talc Exposure comprising 90% or more of the IP's Total Talc Exposure, and no Non-Talc Asbestos-Containing Product Exposure. Such Extraordinary Claim shall be entitled to up to two times the TDP Matrix Value for MCL 1 (for the avoidance of doubt, the TDP Matrix Value shall include the application of all Adjustment Factors, but shall not exceed the Maximum Value, provided that an Extraordinary Claim may receive a TDP Matrix Value up to two times greater than the Maximum Value for MCL 1). For the avoidance of doubt, a Talc Claim of an IP with more than extremely nominal Non-Talc Asbestos-Containing Product Exposure (as determined by the Trustee in his or her sole discretion) is not eligible for compensation from the PI Trust under this TDP and shall be deemed a Disallowed Claim.

3.3.2 Adjustment Factors to Scheduled Values.

The Trustee shall determine the Approved Claim Amount based on the determination of the Claimant's appropriate Scheduled Value pursuant to section 3.3.1.7 above and additionally Adjustment Factors. Adjustment Factors shall be with respect to the IP.

Adjustment Factors shall be (i) Age Factor, (ii) Dependents Factor, and (iii) Economic Loss Factor. Adjustment Factors shall be a multiplier of the Claimant's Scheduled Value; after the multiplier(s), the Approved Claim Amount shall be the lesser of (i) the product of the Scheduled Values and Adjustment Factors and (ii) the Maximum Value.

3.3.2.1 Age Factor

The Trustee will determine the Age Factor based on the earlier of the IP's first diagnosis of talc-related malignancy and the IP's death date (the "**IP Age**"). The Trustee will assign an Age Factor in the following manner:

Age Factor	**Age**
0.5	Over 80 years old
0.75	71-80 years old
1.0	65-70 years old
1.25	46-64 years old
1.5	45 years old or under

3.3.2.2 Dependents Factor

The Trustee will determine a "**Dependents Factor**" based on the IP's dependents (including spouses, minor children, adult disabled dependent children, and dependent minor grandchildren) in the following manner:

Dependents Factor	**Dependents**
0.5	No dependents
0.75	No spouse, other dependents
1.0	Spouse, no other dependents

1.25	Spouse and other dependents

3.3.2.3 Economic Loss Factor

Claimants may elect (but are not required) to document economic losses related to the IP's loss of earnings, pension, social security, home services, medical expenses, and funerary expenses. Subject to review and substantiation of such documents, the Trust will assign an "**Economic Loss Factor**" in the following manner:

Economic Loss Factor	**Documented Economic Loss**
1.0	<$200,000
1.0 + .001 for every thousand dollars of economic loss above $200,000, up to $450,000	$200,000 - $450,000
1.25	>$450,000

3.3.3 Individual Review.

In lieu of Matrix Review and Adjustment Factors, a Claimant, either (i) by choice following rejection of the Approved Claim Amount and prior to commencing arbitration pursuant to section 3.5 hereof or (ii) due to ineligibility for Matrix Review, may elect to have an individual review (the "**Individual Review**"). Individual Review shall be mandatory for all Claimants not eligible for Matrix Review due to the absence of a malignant mesothelioma diagnosis. For the avoidance of doubt, a Talc Claim of an IP with more than extremely nominal Non-Talc Asbestos-Containing Product Exposure (as determined by the Trustee in his or her sole discretion) is not eligible for compensation from the PI Trust under this TDP and shall be deemed a Disallowed Claim.

Prior to the commencement of Individual Review, the Trustee shall require the Claimant to provide (i) such additional medical and other evidence deemed appropriate pursuant to Section 3.4 hereof, including evidence relevant to the Adjustment Factors set forth above, which for the avoidance of doubt shall include (i) a "**Linking Report**" of a qualified expert concerning the causes of the IP's injury, and (ii) a non-refundable commencement fee of $50. In the event an Individual Review results in an Approved Claim Award and a Final Determination, the Trustee shall add $50 to the amount to be disbursed to the Claimant pursuant to Section 2.4 as a rebate of such commencement fee.

3.4. Evidentiary Requirements.

3.4.1 Evidence.

3.4.1.1 In General. All diagnoses of a talc-related malignancy, whether or not relating to asbestos contamination, shall be based upon either (i) a physical examination of the IP by the physician providing the diagnosis of the talc-related or asbestos-related disease, or (ii) a diagnosis of such malignancy by a board-certified pathologist or by a pathology report prepared at or on behalf of a hospital accredited by the Joint Commission on Accreditation of Healthcare Organizations. All diagnoses of a malignancy shall be accompanied by either (i) a statement by the physician providing the diagnosis that at least ten (10) years have elapsed between the date of first exposure to allegedly asbestos-contaminated talc or talc-containing products and the diagnosis, or (ii) a history of the IP's exposure.[3]

3.4.1.2 Pre-Petition Claimant Submissions. If a Claimant with a Talc Claim arising from a claim that was filed against the Debtors or any other defendant in the tort system prior to the Petition Date has available a report of a diagnosing physician engaged by the Claimant or his or her counsel who conducted a physical examination of the IP as described in Section 3.4.l.1, or if the Claimant has filed such medical evidence and/or a diagnosis of the talc-related disease by a physician not engaged by the Claimant or his or her counsel who conducted a physical examination of the Claimant with another talc-related personal injury settlement trust that requires such evidence, without regard to whether the Claimant or counsel engaged the diagnosing physician, the Claimant shall provide such medical evidence to the PI Trust.

[3] All diagnoses of mesothelioma shall be presumed to be based on findings that the disease involves a malignancy. However, the Trust may rebut such presumptions.

3.4.1.3 Credibility of Medical Evidence. Before making any payment to a Claimant, the PI Trust must have reasonable confidence that the medical evidence provided in support of the Talc Claim is credible and consistent with recognized medical standards. ~~The~~To the extent consistent with recognized medical standards, the PI Trust may (i) require the submission of X-rays, CT scans, detailed results of pulmonary function tests, laboratory tests, tissue samples, results of medical examination or reviews of other medical evidence (for the avoidance of doubt, this clause (i) does not apply to reliable medical evidence of a diagnosis of mesothelioma), and (ii) may require that medical evidence submitted comply with recognized medical standards regarding equipment, testing methods and procedures to assure that such evidence is reliable. Medical evidence that is (i) ~~that is~~ of a kind shown to have been received in evidence by a state or federal judge at trial, (ii) ~~that is~~ consistent with evidence submitted to the Debtors to settle for payment similar disease cases prior to the Debtors' bankruptcy, or (iii) ~~that is~~ a diagnosis by a physician shown to have previously qualified as a medical expert with respect to the talc-related disease in question before a state or federal judge, is presumptively reliable, although the PI Trust may rebut the presumption. In addition, Claimants who otherwise meet the requirements of this TDP for a Final Determination shall be paid in accordance with this TDP regardless of the results in any litigation at any time between the Claimant and any other defendant in the tort system. However, any relevant evidence submitted in a proceeding in the tort system, other than any findings of fact, a verdict, or a judgment, involving another defendant may be used by either the Claimant or the PI Trust in the Claims Determination Process of any Talc Claims under this TDP.

3.4.2 Exposure Evidence.

3.4.2.1 In General. As set forth in Section 3.3.3 above, to qualify for any MCL or Approved Claim Amount through Individual Review, the Claimant must demonstrate a minimum exposure to talc-containing products, or to conduct that exposed the Claimant to a talc-containing allegedly asbestos-contaminated product, for which the Debtors have liability. Any claim based on conspiracy theories that involve no exposure to a talc-containing allegedly asbestos-contaminated product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors are not compensable under this TDP. To meet the exposure requirements set forth in Section 3.3.1 above, the Claimant must show Debtor Cosmetic Talc Exposure as defined in Section 3.4.2.2 below.

3.4.2.2 Debtor Cosmetic Talc Exposure. The Claimant must demonstrate meaningful and credible evidence of (a) exposure of the IP to a talc-containing cosmetic product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors or for which the Debtors otherwise have legal responsibility, or (b) conduct for which the Debtor has legal responsibility that exposed the IP to such talc-containing cosmetic product (in either case, "**Debtor Cosmetic Talc Exposure**"). That meaningful and credible exposure evidence may be established by an affidavit or sworn statement of the IP, by an affidavit or sworn statement of a family member in the case of a deceased or incapacitated IP (providing the PI Trust finds such evidence reasonably reliable), or by other credible evidence.

3.4.2.3 Non-Debtor Exposure. The ~~Claimant's submission of such meaningful and credible exposure evidence shall also include the Claimant's~~Claim Submission Form may require that a Claimant include an estimation of all ~~other exposure~~Non-Debtor Cosmetic Talc Exposure of the IP to talc, asbestos and asbestos-containing products known to cause the malignancy for which the IP has been diagnosed.

3.4.2.4 Non-Talc Asbestos-Containing Product Exposure. The specific exposure information required by the PI Trust to review a Talc Claim shall be set forth on the Claim Submission Form. The PI Trust can also require submission of other or additional evidence of exposure, and may seek and review evidence from additional sources, when it deems such to be necessary to assess the entirety of the IP's exposure to talc, asbestos, and related products in connection with a Talc Claim against the Debtors.

Evidence submitted by a Claimant to establish proof of Debtor Cosmetic Talc Exposure is for the sole benefit of the PI Trust, not third parties or defendants in the tort system. The PI Trust has no need for, and therefore Claimants are not required to furnish the PI Trust with evidence of, exposure to specific allegedly asbestos-contaminated talc or talc-containing products other than those for which the Debtors have legal responsibility, except to the extent such evidence is required elsewhere in this TDP. Similarly, failure to identify Debtors' products in the Claimant's underlying tort action, or to other bankruptcy trusts, does not preclude the Claimant from having an eligible Talc Claim under this TDP, provided the Claimant satisfies the medical and exposure requirements of this TDP.

3.5. Right to ~~Arbitration~~Alternative Dispute Resolution. The Trustee, with the consent of the TAC, shall develop and adopt "**ADR Procedures**," which shall provide for binding arbitration to resolve disputes ~~concerning (a)~~for which the relevant parties cannot otherwise reach a resolution. ADR Procedures shall apply only with respect to (a) the amount of the Approved Claim Amount, and/or (b) whether the IP's medical condition or exposure history meets the requirements of this TDP for purposes of categorizing a claim~~, and shall allocate~~; the costs of ~~such resolution to~~the ADR Procedures shall be allocated by the arbitrator between the Claimant and the Trust. The ADR Procedures may be modified by the Trust, with the consent of the TAC, and subject to the procedures and requirements for amendment of this TDP set forth in Section 6.1 hereof. Not later than one (1) month following the Trustee's issuance of an Approved Claim Amount for any Talc Claim, the Claimant may request arbitration pursuant to the ADR Procedures. The decision of the arbitrator after arbitration shall be final and any Approved Claim Amount determined by the arbitrator (which may be zero) shall be treated in accordance with Section 3.3.1.1 hereof.

In all arbitrations, the arbitrator shall consider the same medical and exposure evidentiary requirements that are set forth in Section 3.4 above. In an arbitration involving any such claim, the Trustee shall not offer into evidence or describe any model or assert that any information generated by the model has any evidentiary relevance or should be used by the arbitrator in determining the presumed correct liquidated value in the arbitration. The underlying data that was used to create the model may be relevant and may be made available to the arbitrator but only if provided to the Claimant or his or her counsel ten days prior to the arbitration proceeding. The Claimant and his or her counsel may use the data that is provided by the Trust in the arbitration and shall agree to otherwise maintain the confidentiality of such information.

SECTION IV

CLAIMS MATERIALS

4.1. Claims Materials. The Trustee shall prepare suitable and efficient "**Claims Materials**" for all Talc Claims and shall make available such Claims Materials to Talc Claimants.

4.2. Content of Claims Materials. The Claims Materials shall include a copy of this TDP, such instructions as the Trustee shall approve, and a detailed Claim Submission Form. The Claim Submission Form shall require the Claimant to either (i) assert the highest MCL for which the Talc Claim qualifies at the time of filing under Matrix Review or (ii) if ineligible for Matrix Review, request Individual Review. The Claim Submission Form shall also include a certification by the Claimant or his or her attorney sufficient to meet the requirements of Rule l l(b) of the Federal Rules of Civil Procedure, as if the completed Claim Submission Form were a filing subject to that rule.

4.3. Withdrawal of Claims. Except for (a) Talc Claims held by representatives of deceased or incompetent individuals for which court or probate approval of the PI Trust's offer is required and (b) Talc Claims subject to potential or pending dispute or entry of a binding award pursuant to Section 3.5 hereof, a Talc Claim shall be deemed to have been withdrawn and shall be deemed a Disallowed Claim if the Claimant does not accept the PI Trust's Approved Claim Amount.

4.4. Confidentiality of Claimants' Submissions. All submissions to the PI Trust by a Claimant, including the Claim Submission Form and materials related thereto, are intended by the parties to be confidential. The PI Trust will preserve the confidentiality of such Claimant submissions, and shall disclose the contents thereof only with the permission

of the Claimant to such other persons as authorized by the Claimant, or in response to a valid subpoena of such materials issued by the Bankruptcy Court or any other court of competent jurisdiction. Furthermore, the PI Trust shall provide counsel for the Claimant of the applicable Talc Claim a copy of any such subpoena upon being served. The PI Trust shall, on its own initiative, or upon request of the Claimant in question, take all necessary and appropriate steps to preserve any privileges. On the Dissolution Date or as soon as reasonably practicable thereafter, after the wind-up of the affairs of the PI Trust by the Trustee, the Trustee shall arrange for the proper destruction of all documents and records submitted by Claimants.

SECTION V

GENERAL GUIDELINES FOR LIQUIDATING AND PAYING CLAIMS

5.1. Showing Required. To establish an eligible Talc Claim, a Claimant must meet the requirements set forth in this TDP.

5.2. Costs Considered. Notwithstanding any provisions of this TDP to the contrary, the Trustee shall give appropriate consideration to the cost of investigating and uncovering invalid Talc Claims and other transactions costs of the PI Trust so that administration of the PI Trust is not impaired by such processes with respect to issues related to the validity of the medical evidence supporting a Talc Claim. Nothing herein shall prevent the Trustee, in appropriate circumstances, from contesting the validity of any Talc Claim against the PI Trust whatever the costs, or declining to accept medical evidence from sources that the Trustee has determined to be unreliable.

5.3. Third-Party Services. Nothing in this TDP shall preclude the PI Trust from contracting with another talc claims resolution organization to provide services to the PI Trust so long as decisions about the categorization and liquidated value of Talc Claims are based on the relevant provisions of this TDP, including the MCLs, Scheduled Values and Medical/Exposure Criteria set forth above.

5.4. Punitive Damages. In no circumstance shall the Trustee assign any Talc Claim value for any punitive damages, exemplary damages, statutory enhanced damages, or attorneys' fees or costs (including statutory attorneys' fees and costs) and any Talc Claim for such amounts shall be deemed a Disallowed Claim.

SECTION VI

MISCELLANEOUS

6.1. Amendments. Except as otherwise provided in this TDP or the Trust Agreement, with the consent of the TAC, the Trustee may amend, modify, delete, or add to any provisions of this TDP (including, without limitation, amendments to conform this TDP to advances in scientific or medical knowledge or other changes in circumstances), provided that (i) permission of the Bankruptcy Court shall be required to amend the methodology for valuing Talc Claims in Matrix Review, including but not limited to the Scheduled Values, MCLs, Medical/Exposure Criteria, or Adjustment Factors; (ii) the Trustee must obtain the unanimous consent of the TAC prior to making or seeking Bankruptcy Court authority for any amendment, modification, deletion or addition to this TDP; (iii) the Trustee shall provide at least ten (10) business days' written notice to the Reorganized Debtors prior to making any amendment, modification, deletion or addition to this TDP, and shall obtain the consent of the Reorganized Debtors for any amendment, modification, deletion or addition

that the Reorganized Debtors reasonably determine affects, directly or indirectly, any right, duty, immunity, interest or liability of the Reorganized Debtors; and (iv) such amendments, modifications, deletions, or additions shall not contravene the Plan or Confirmation Order.

6.2. Severability. Should any provision contained in this TDP be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this TDP.

6.3. Governing Law. This TDP shall be governed by, and construed in accordance with, the substantive laws of the State of Delaware, without regard to any choice of law rules.

6.4. Extensions of Time. Upon written request, the Trustee may in his or her discretion grant extensions of time for any time deadline or time limit identified herein to any Claimant.

All capitalized terms not defined herein shall have the respective meanings ascribed to them in either (i) *First Amended Joint Plan of Reorganization of Revlon, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 1507], as the same may be amended or modified from time to time (the "Plan") filed in Bankruptcy Case No. 22-10760 (DSJ) before the United States Bankruptcy Court for the Southern District of New York, confirmed by order on [•] [Docket No. [•] (the "Confirmation Order") or (ii) the Trust Distribution Procedures of the Revlon Talc Personal Injury Liquidating Trust (the "TDP") filed as a supplement to the Plan.

WHEREAS, the undersigned, who is either the "Injured Party" or the/an "Official Representative"[4] (either being referred to herein as the "Claimant"), has filed a claim (the "Claim") with the Revlon Talc Personal Injury Liquidating Trust (the "PI Trust") pursuant to the TDP filed as part of the Plan, and such Claim asserts a Talc Personal Injury Claim arising out of exposure to talc-containing allegedly asbestos-contaminated products or conduct for which Revlon, Inc., et al (the "Debtors") are alleged to have legal responsibility; and

WHEREAS, the Claimant has agreed to settle and compromise the Injured Party's Claim for and in consideration of the allowance of the Claim by the PI Trust, at a liquidated value of $_____, on account of which the Claimant shall receive distributions pursuant to the Plan and TDP including but not limited to application of the Payment Percentage, and otherwise in accordance with the terms set forth therein and herein.

NOW, THEREFORE, the Claimant hereby agrees as follows:

1. On behalf of the Injured Party, the Injured Party's estate, the Injured Party's heirs, and/or anyone else claiming rights through the Injured Party, now and in the future, the Claimant hereby fully and finally voluntarily, intentionally, knowingly, absolutely, unconditionally, irrevocably, and fully waive, release, remit, acquit, forever discharge, and covenant not to knowingly sue or continue prosecution against the Debtors, the Reorganized Debtors, the PI Trust, the Trust Advisory Committee, and their

respective settlors, trustors, trustees, directors, officers, agents, consultants, financial advisors, servants, employees, attorneys, heirs, executors (collectively the "Releasees") from and with respect to any and all claims, including, but not limited to, all claims as defined in section 101(5) of the Bankruptcy Code, charges, complaints, demands, obligations, causes of action, losses, expenses, suits, awards, promises, agreements, rights to payment, right to any equitable remedy, rights of any contribution, indemnification, reimbursement, subrogation or similar rights, demands, debts, liabilities, express or implied contracts, obligations of payment or performances, rights of offset or recoupment, costs, expenses, attorneys, and other professional fees and expenses, compensation or other relief, and liabilities of any nature whatsoever whether present or future, known or unknown, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, absolute or contingent, direct or derivative and whether based on contract, tort, statutory, or any other legal or equitable theory of recovery (the "Released Claims"), arising from, relating to, resulting from or in any way connected to, in whole or in part, the Claimant's Talc Personal Injury Claim, the Releasees' duties and responsibilities under the Trust Agreement, including any agreement, document, instrument or certification contemplated by the Trust Agreement, the TDP, the Plan, the formulation, preparation, negotiation, execution or consummation of the Trust Agreement, the TDP or the Plan, and any and all other orders of any court of competent jurisdiction relating to the Releasees and/or their duties and responsibilities, from the beginning of time through the execution date of this Release and Indemnity Agreement (this "Release"). The Claimant covenants and agrees that the Claimant will honor the Release as set forth in the preceding sentence and, further, that the Claimant will not (i) knowingly institute or continue prosecution of a lawsuit or other action against any Releasee based upon, arising out of, or relating to any Released Claims released hereby, (ii) knowingly participate, assist, or cooperate in any such action, or (iii) knowingly encourage, assist and/or solicit any third party to institute any such action.

2. Without limiting the foregoing, and notwithstanding anything to the contrary herein, the Release shall not apply in favor of the PI Trust as to the Claimant's right to payment of the Claimant's allowed Talc Personal Injury Claim, solely as provided through the Plan and TDP and as set forth in paragraph 7 below.

3. The Claimant intends this Release and Indemnity Agreement to be as broad and comprehensive as possible so that the Releasees shall never be liable, directly or indirectly, to the Injured Party or the Injured Party's heirs, legal representatives, successors or assigns, or any other person or entity claiming by, through, under, or on behalf of the Injured Party, for or on account of any Released Claim, except as expressly provided herein, whether the same is now known or unknown or may now be latent or may in the future appear to develop, including all spousal claims for the Injured Party's claims. If the Claimant is an Official Representative, the Claimant represents and warrants that the Claimant has all requisite legal authority to act for, bind and accept payment on behalf of the Injured Party and all heirs of the Injured Party on account of any Released Claim and hereby agrees to indemnify and hold harmless, to the extent of payment hereunder, excluding attorney's fees and costs, the Releasees from any loss,

cost, damage, or expense arising out of or in connection with the rightful claim of any other Entity to payments with respect to the Injured Party's Released Claim.

4. This Release and Indemnity Agreement is not intended to bar any cause of action, right, lien, or claim that the Claimant may have against any alleged tortfeasor other than the Releasees. It is expressly not intended to bar any cause of action, right, lien or claim that the Claimant may have against any insurer of the Releasees or any commercial counterparties thereof engaged in the manufacturing, distribution or sale of materials alleged to have caused harm to the Claimant.[5] The Claimant hereby expressly reserves all his or her rights against such persons or entities. This Release and Indemnity Agreement is not intended to release or discharge any Talc Personal Injury Claim or potential Talc Personal Injury Claim that the Injured Party's heirs (if any), spouse (if any), the Official Representative (if any) or the Official Representative's heirs (if any) (other than the Injured Party) may have as a result of their own exposure to allegedly asbestos-contaminated talc or talc-containing products.

5. The Claimant represents and warrants that all Valid Liens,[6] subrogation, conditional payment, and reimbursement claims relating to benefits paid to or on account of the Injured Party in connection with, or relating to, the Claim have been resolved or will be resolved from the net proceeds of the settlement payment to the Claimant under this Release and Indemnity Agreement or from other funds or proceeds to the extent permitted under applicable lien settlement agreements or under applicable law. It is further agreed and understood that no Releasee shall have any liability to the Claimant or any other person or entity in connection with such liens or conditional payment or reimbursement claims and that the Claimant will indemnify and hold the Releasees harmless from any and all such alleged liability as provided in the following sentence. The Claimant will indemnify and hold the Releasees harmless, to the extent of the amount of payment hereunder, excluding attorneys' fees and costs, from any and all liability arising from subrogation, conditional payment, indemnity, or contribution claims related to the Released Claim and from any and all compensation or medical payments due, or claimed to be due, under any applicable law, regulation, or contract related to the Released Claim.

6. It is further agreed and understood that if the Claimant has filed a civil action against the PI Trust, the Claimant shall dismiss such civil action and obtain the entry of an Order of Dismissal with Prejudice with respect to any Released Claim no later than 30 days after the date hereof.

7. The Claimant understands that the Released Claim is being resolved by the PI Trust, and a liquidated value ($_____) has been established for such Claim. The Claimant acknowledges that, pursuant to the TDP, after the liquidated value of the Claim

[5] For the avoidance of doubt, this Release does not include a release with respect to any of the Excluded Parties (as defined in the Plan).

is determined pursuant to the procedures set forth in the TDP, the Claimant ultimately shall receive a pro rata share of that value based on the PI Settlement Fund Assets available for the payment of Claims. The Claimant further acknowledges that the Claimant may receive payment in one or more distributions, subject to determination by the Trustee, as provided in the TDP.

8. The Claimant understands, represents, and warrants that this Release and Indemnity Agreement is a compromise of a disputed claim and not an admission of liability by, or on the part of, the Releasees. Neither this Release and Indemnity Agreement, the compromise and settlement evidenced hereby, nor any evidence relating thereto, will ever be admissible as evidence against the PI Trust or other Releasee in any suit, claim, or proceeding of any nature except to enforce this Release and Indemnity Agreement. However, this Release and Indemnity Agreement is and may be asserted by the Releasees as an absolute and final bar to any claim or proceeding now pending or hereafter brought by or on behalf of the Injured Party with respect to the Talc Personal Injury Claim released herein, except as expressly provided in this Release and Indemnity Agreement.

9. The Claimant (a) represents that no judgment debtor has satisfied in full the PI Trust's liability with respect to the Injured Party's Talc Personal Injury Claim as the result of a judgment entered in the tort system, and (b) upon information and belief, represents that the Claimant has not entered into a release (other than this Release and Indemnity Agreement) that discharges or releases the PI Trust's liability to the Claimant with respect to the Injured Party's Talc Personal Injury Claim.

10. The Claimant represents that he or she understands that this Release and Indemnity Agreement constitutes a final and complete release of the Releasees with respect to the Injured Party's Released Claim, except as expressly provided herein. The Claimant has relied solely on his or her own knowledge and information, and the advice of his or her attorneys (if any), as to the nature, extent, and duration of the Injured Party's injuries, damages, and legal rights, as well as the alleged liability of the Releasees and the legal consequences of this Release and Indemnity Agreement, and not on any statement or representation made by or on behalf of the PI Trust or other Releasee.

11. In further consideration of the benefit of a distribution from the PI Trust on account of the Claimant's Talc Personal Injury Claim, as of the date hereof, the Claimant shall indemnify and forever hold harmless, and pay all final judgments, damages, costs, expenses, fines, penalties, interest, multipliers, or liabilities in whatsoever nature, including costs of defense and attorneys' fees of the Releasees arising from the Claimant's failure to comply with the terms of this Release and Indemnity Agreement.

12. This Release and Indemnity Agreement contains the entire agreement between the parties and supersedes all prior or contemporaneous oral or written agreements or understandings relating to the subject matter hereof between or among any of the parties hereto, including, without limitation, any prior agreements or understandings with respect to the liquidation of the Claim.

13. This Release and Indemnity Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of DELAWARE, without giving effect to the principles of conflicts of law thereof, and shall be binding on the Injured Party and his or her heirs, legal representatives, successors and assigns.

14. TO THE EXTENT APPLICABLE, THE CLAIMANT HEREBY WAIVES ALL RIGHTS UNDER SECTION 1542 OF THE CALIFORNIA CIVIL CODE, AND ANY SIMILAR LAWS OF ANY OTHER STATE. CALIFORNIA CIVIL CODE SECTION 1542 STATES:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTORS.

THE CLAIMANT UNDERSTANDS AND ACKNOWLEDGES THAT BECAUSE OF THE CLAIMANT'S WAIVER OF SECTION 1542 OF THE CALIFORNIA CIVIL CODE, EVEN IF THE INJURED PARTY SHOULD EVENTUALLY SUFFER ADDITIONAL DAMAGES, THE INJURED PARTY WILL NOT BE ABLE TO MAKE ANY CLAIM AGAINST THE RELEASEES FOR THOSE DAMAGES, EXCEPT AS EXPRESSLY PROVIDED HEREIN. THE CLAIMANT ACKNOWLEDGES THAT HE OR SHE INTENDS THESE CONSEQUENCES.

15. The Claimant authorizes payment pursuant to Paragraph 7 to the Claimant or the Claimant's counsel, as agent for the Claimant, if applicable.

16. The Claimant acknowledges that the PI Trust has no obligation to pay the Claimant until the PI Trust receives the executed Release and Indemnity Agreement from the Claimant.

17. The Claimant acknowledges that the PI Trust is not providing any tax advice with respect to the receipt of any distribution on account of the Claimant's Talc Personal Injury Claim or any component thereof, and understands and agrees that the Claimant shall be solely responsible for compliance with all tax laws with respect to such distribution, to the extent applicable. The Claimant additionally hereby represents and certifies to the PI Trust that, in respect of the Claim, the Claimant has paid or will provide for the payment and/or resolution of any obligations owing or potentially owing under 42 U.S.C. § 1395y(b) and/or 42 U.S.C. § 1396a(a)(25), or any related statutes, rules, regulations, or guidance, in connection with, or relating to, the Claim, including all Medicare and/or Medicaid Secondary Payer-related obligations.

For the avoidance of doubt, the PI Trust is not intended to constitute either (i) a "Section 524(g) trust" within the meaning of the Bankruptcy Code, or (ii) a "grantor trust" within the meaning of Section 1.671- 4(a) of the Treasury Regulations.

NOW, THEREFORE, it is hereby agreed as follows:

ARTICLE I

AGREEMENT OF TRUST

1.1 **Creation and Name.** There is hereby created a trust known as the "Old RevCo Talc Personal Injury Liquidating Trust." The Trustee of the PI Trust may transact the business and affairs of the PI Trust in the name of the PI Trust, and references herein to the PI Trust shall include the Trustee acting on behalf of the PI Trust. It is the intention of the Parties that the PI Trust constitutes a statutory trust under Chapter 38 of title 12 of the Delaware Code, 12 Del. C. Section 3801 *et seq.* (the "**Act**") and that this Trust Agreement constitute the governing instrument of the PI Trust. The Trustee and the Delaware Trustee are hereby authorized and directed to execute and

file a Certificate of Trust with the Delaware Secretary of State in the form attached hereto as **Exhibit 2**.

1.2 **Purposes**. The purposes of the PI Trust are to

(a) receive the Talc Personal Injury Settlement Distribution (the "**Settlement Consideration**") pursuant to the terms of the Plan and the Confirmation Order;

(b) hold, manage, protect and invest the Settlement Consideration, together with any income or gain earned thereon and proceeds derived therefrom (collectively, the "**Trust Assets**") in accordance with the terms of the Plan, the Confirmation Order, this Trust Agreement and the TDP (the "**Governing Documents**") for the benefit of the Beneficial Owners (as defined herein);

(c) administer, process and resolve Talc Claims pursuant to the TDP;

(d) qualify at all times as a Qualified Settlement Fund within the meaning of QSF Regulations;

(e) engage in any lawful activity that is appropriate and in furtherance of the purposes of the PI Trust to the extent consistent with the Plan, the Confirmation Order and this Trust Agreement; and

(f) make distributions of Trust Assets to eligible holders of Talc Claims in accordance with and subject to the terms of this Trust Agreement, the Plan and the TDP with the objective of treating all eligible holders of Talc Claims fairly, equitably, and reasonably in light of the Trust Assets available to resolve such Talc Claims.

1.3 **Transfer of Assets.** Pursuant to, and in accordance with Article IV.R of the Plan, the PI Trust has received the Settlement Consideration to fund the PI Trust. The Settlement Consideration and any other assets to be transferred to the PI Trust under the Plan will be transferred to the PI Trust free and clear of any liens or other claims by the Debtors, the Reorganized Debtors, any creditor, or other entity. For the avoidance of doubt, the Settlement Consideration transferred to fund the PI Trust shall not include the Retained Preference Actions, provided, however, that the Settlement Consideration shall include an interest in the Retained Preference Action Net Proceeds, as a result of which the PI Trust shall receive a transfer of assets arising in respect of such Retained Preference Action Net Proceeds, if any, in accordance with the terms of the Plan.

1.4 **Acceptance of Assets and Assumption of Liabilities.**

(a) In furtherance of the purposes of the PI Trust, the PI Trust hereby expressly accepts the transfer to the PI Trust of the Settlement Consideration and any other transfers by the GUC Trust from the GUC Trust/PI Fund Operating Reserve contemplated by the Plan in the time and manner as, and subject to the terms, contemplated in the Plan.

(b) In furtherance of the purposes of the PI Trust, except as otherwise provided in this Trust Agreement and the TDP, the PI Trust shall have and retain any and all rights and defenses the Debtors had with respect to any Talc Claim immediately before the Effective Date to the extent necessary to administer such Claims in accordance with this Trust Agreement, the TDP and the Plan.

(c) Notwithstanding anything to the contrary herein, no provision herein or in the TDP shall be construed or implemented in a manner that would cause the PI Trust to fail to qualify as a Qualified Settlement Fund under the QSF Regulations.

(d) In this Trust Agreement and the TDP, the words "must," "will," and "shall" are intended to have the same mandatory force and effect, while the word "may" is intended to be permissive rather than mandatory.

(e) To the extent required by the Act, the beneficial owners (within the meaning of the Act) of the PI Trust (the "**Beneficial Owners**") shall be deemed to be the holders of Talc Claims; provided that (i) the holders of Talc Claims, as such Beneficial Owners, shall have only such rights with respect to the PI Trust and its assets as are set forth in the TDP and (ii) no greater or other rights, including upon dissolution, liquidation, or winding up of the PI Trust, shall be deemed to apply to the holders of Talc Claims in their capacity as Beneficial Owners.

1.5 **Jurisdiction**. The Bankruptcy Court shall have continuing jurisdiction over the PI Trust, provided, however, that the courts of the State of Delaware, including any federal court located therein, shall also have jurisdiction over the PI Trust.

ARTICLE II

POWERS AND TRUST ADMINISTRATION

2.1 **Powers.**

(a) The Trustee is and shall act as a fiduciary to the PI Trust in accordance with the provisions of this Trust Agreement, the Plan and the Confirmation Order. The Trustee shall, at all times, administer the PI Trust in accordance with the purposes set forth in Section 1.2 above

and the Plan. Subject to the limitations set forth in this Trust Agreement and the Plan, the Trustee shall have the power to take any and all actions that, in the judgment of the Trustee, are necessary or proper to fulfill the purposes of the PI Trust, including, without limitation, each power expressly granted in this Section 2.1, any power reasonably incidental thereto and not inconsistent with the requirements of Section 2.2, and any trust power now or hereafter permitted under the laws of the State of Delaware.

(b) Except as required by applicable law or as otherwise specified herein or in the Plan or the Confirmation Order, the Trustee need not obtain the order or approval of any court in the exercise of any power or discretion conferred hereunder.

(c) Without limiting the generality of Section 2.1(a) above, and except as limited below or by the Plan, the Trustee shall have the power to:

(i) receive and hold the Settlement Consideration and exercise all rights with respect thereto;

(ii) invest the monies held from time to time by the PI Trust in accordance with the Investment Guidelines pursuant to Section 3.2 below;

(iii) obtain payment of expenses and other obligations of the PI Trust, from the GUC Trust/PI Fund Operating Reserve as set forth in the Plan and this Trust Agreement;

(iv) establish such funds, reserves, and accounts within the PI Trust, as the Trustee deems useful in carrying out the purposes of the PI Trust;

(v) participate, as a party or otherwise, in any judicial, administrative, arbitrative, or other proceeding, as required to reconcile, administer, or defend against the Talc Claims;

(vi) establish, supervise, and administer the PI Trust and the TDP, and make distributions to all eligible holders of Talc Claims pursuant to the terms of this Trust Agreement, the Plan and the TDP;

(vii) appoint such officers and retain such employees, consultants, advisors, independent contractors, experts and agents and engage in such legal, financial, administrative, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities as the PI Trust requires, and delegate to such persons such powers and authorities as the fiduciary duties of the Trustee permit and as the Trustee, in his or her discretion, deems advisable or necessary in order to carry out the terms of this Trust Agreement;

(viii) obtain payment from the GUC Trust/PI Fund Operating Reserve for the reasonable compensation to any of the PI Trust's employees, consultants, advisors, independent contractors, experts, and agents for legal, financial, administrative, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities as the PI Trust requires;

(ix) obtain payment from the GUC Trust/PI Fund Operating Reserve to compensate the Trustee, the Delaware Trustee, and their employees, consultants, advisors, independent contractors, experts and agents, and reimburse the Trustee and the Delaware Trustee

for all reasonable out-of-pocket costs and expenses incurred by such persons in connection with the performance of their duties hereunder;

(x) record all expenses (including taxes) incurred by the PI Trust on the books and records (and report on all applicable tax returns) as expenses of the PI Trust; provided however that, the PI Trust shall periodically provide all invoices or other documentation with respect to such expenses to the GUC Administrator and the GUC Administrator shall timely remit to the PI Trust such amounts solely from the GUC Trust/PI Fund Operating Reserve so as to enable the PI Trust to timely pay such expenses;

(xi) enter into such other arrangements with third parties as the Trustee deems useful in carrying out the purposes of the PI Trust, provided such arrangements do not conflict with any other provision of this Trust Agreement or the Plan;

(xii) in accordance with Section 4.4 below, defend, indemnify, and hold harmless (and purchase insurance indemnifying) the Trust Indemnified Parties (as defined in Section 4.4 below), to the fullest extent that a statutory trust organized under the laws of the State of Delaware is from time to time entitled to defend, indemnify, hold harmless, and/or insure its directors, trustees, officers, employees, consultants, advisors, agents, and representatives. No party shall be indemnified in any way for any liability, expense, claim, damage, or loss for which he or she is liable under Section 4.4 below;

(xiii) obtain the consent of the TAC with respect to the matters set forth in Section 2.2(e) below; and

(xiv) exercise any and all other rights, and take any and all other actions as are permitted, of the Trustee in accordance with the terms of this Trust Agreement and the Plan.

(d) The Trustee shall not have the power to guarantee any debt of other persons.

(e) The Trustee shall endeavor to make timely distributions and not unduly prolong the duration of the PI Trust.

2.2 **General Administration.**

(a) The Trustee shall act in accordance with the Governing Documents and shall implement the TDP in accordance with its terms. In the event of a conflict between the terms of this Trust Agreement and the TDP, the terms of this Trust Agreement shall control. In the event of a conflict between the terms or provisions of the (i) Plan, (ii) this Trust Agreement or (iii) the TDP, the terms of the Plan shall have first priority, followed in priority by the Trust Agreement, and lastly by the TDP. For the avoidance of doubt, this Trust Agreement shall be construed and implemented in accordance with the Plan, regardless of whether any provision herein explicitly references the Plan.

(b) The Trustee shall (i) timely file such income tax and other returns and statements required to be filed and shall cause to be paid timely from the GUC Trust/PI Fund Operating Reserve all taxes required to be paid by the PI Trust, (ii) comply with all applicable reporting and withholding obligations, (iii) satisfy all requirements necessary to qualify and maintain qualification of the PI Trust as a Qualified Settlement Fund within the meaning of the QSF Regulations, (iv) take no action that could cause the PI Trust to fail to qualify as a Qualified Settlement Fund within the meaning of the QSF Regulations, and (v) be treated as the

"administrator" of the PI Trust within the meaning under Section 1.468B-2(k)(3) of the Treasury Regulations.

(c) The Trustee shall timely account to the Bankruptcy Court as follows:

(i) The Trustee shall cause to be prepared and filed with the Bankruptcy Court, as soon as available, and in any event no later than one hundred and twenty (120) days following the end of each fiscal year, an annual report (the "**Annual Report"**) containing special-purpose financial statements of the PI Trust (including, without limitation, a special-purpose statement of assets, liabilities and net claimants' equity, a special-purpose statement of changes in net claimants' equity and a special-purpose statement of cash flows). The Trustee shall not be required to obtain an audit of the Annual Report by a firm of independent certified public accountants. The Trustee shall provide a copy of such Annual Report to the Reorganized Debtors and the TAC when such report is filed with the Bankruptcy Court.

(ii) Simultaneously with the filing of the Annual Report, the Trustee shall cause to be prepared and filed with the Bankruptcy Court a report containing a summary regarding the number and type of Talc Claims resolved during the period covered by the Annual Report (the "**Claims Report**"). The Trustee shall provide a copy of such Claims Report to the Reorganized Debtors and the TAC when such report is filed with the Bankruptcy Court.

(d) The Trustee shall consult with the TAC on the matters set forth in the TDP.

(e) The Trustee shall be required to obtain the consent of the TAC, pursuant to the consent process set forth in Section 5.7 below:

(i) to change the form of Acceptance and Release under the TDP;

(ii) to commence and/or participate, as a party or otherwise, in any judicial, administrative, arbitrative, or other proceeding;

(iii) to modify the compensation of the Trustee;

(iv) to acquire an interest in and/or merge with and/or contract with another settlement trust; or

(v) to effectuate any material amendment of this Trust Agreement, or any amendment of the TDP, which in each case shall be in accordance with Section 6.3; provided that no such amendment shall be in contravention of the Plan.

(f) The Trustee shall be required to obtain the consent of the Reorganized Debtors, which shall not be unreasonably withheld or delayed:

(i) absent further order of the Bankruptcy Court, to commence and/or participate, as a party or otherwise, in any judicial, administrative, arbitrative, or other proceeding, with the exception of (i) any proceeding brought against the PI Trust by any entity; (ii) any motion or proceeding in the Chapter 11 Cases relating to or in connection with Talc Claims; or (iii) any

proceeding to enforce the rights of the PI Trust under or relating to the Plan, Definitive Documents, and/or this Trust Agreement;

(ii) to materially modify the compensation of the Trustee;

(iii) to acquire an interest in and/or merge with and/or contract with another settlement trust; or

(iv) to make any amendment or modification of this Trust Agreement, or Exhibit hereto, or TDP, or Schedule thereto, that directly or indirectly affects the rights, duties, immunities, interests or liabilities of the Reorganized Debtors, which in each case shall be in accordance with Section 6.3; provided that no such amendment shall be in contravention of the Plan.

(g) The Trustee shall meet with the TAC no less often than quarterly. The Trustee shall meet in the interim with the TAC when so requested by two or more members of the TAC. Meetings may be held in person, by telephone or video conference, or by a combination of the foregoing.

(h) All Trust Assets shall be part of the PI Trust or otherwise shall be segregated from any assets of Revlon, Inc. (or any persons related to Revlon, Inc. within the meaning of Section 1.468B-1(d)(2) of the Treasury Regulations).

(i) Other than the obligations of the Trustee specifically set forth in this Trust Agreement, the Plan, or the Confirmation Order, the Trustee shall have no obligations of any kind or nature with respect to his or her position as such.

2.3 **Medicare Reporting Obligations.**

(a) The PI Trust shall register as a Responsible Reporting Entity (**"RRE"**) under the reporting provisions of Section 111 of the Medicare, Medicaid, and SCHIP Extension Act of 2007 (Pub. L. 110-173) (**"MMSEA"**).

(b) The PI Trust shall timely submit all reports that are required under MMSEA on account of any claims settled, resolved, paid, or otherwise liquidated by the PI Trust or with respect to contributions to the PI Trust. The PI Trust, in its role as an RRE, shall follow all applicable guidance published by the Centers for Medicare & Medicaid Services of the United States Department of Health and Human Services and/or any other agent or successor entity charged with responsibility for monitoring, assessing, or receiving reports made under MMSEA (collectively, "**CMS**") to determine whether or not, and, if so, how, to report to CMS pursuant to MMSEA.

ARTICLE III

ACCOUNTS, INVESTMENTS, AND PAYMENTS

3.1 **Accounts.**

(a) The Trustee shall maintain one or more accounts (the "**Trust Accounts**") on behalf of the PI Trust with one or more financial depository institutions (each a "**Financial Institution**"). Candidates for the positions of Financial Institution shall fully disclose to the Trustee any interest in or relationship with the Reorganized Debtors or their affiliated persons.

Any such interest or relationship shall not be an automatic disqualification for the position, but the Trustee shall take any such interest or relationship into account in selecting a Financial Institution.

(b) The Trustee may replace any retained Financial Institution with a successor Financial Institution at any time, and such successor shall be subject to the considerations set forth in Section 3.1(a).

(c) The Trustee may, from time to time, create such accounts and reasonable reserves within the Trust Accounts as authorized in this Section 3.1 and as he or she may deem necessary, prudent or useful in order to provide for distributions to the Beneficial Owners and the payment of PI Trust operating expenses and may, with respect to any such account or reserve, restrict the use of money therein for a specified purpose (the "**Trust Subaccounts**"). Any such Trust Subaccounts established by the Trustee shall be held as Trust Assets and are not intended to be subject to separate entity tax treatment as a "disputed claims reserve" or a "disputed ownership fund" within the meaning of the IRC or Treasury Regulations.

3.2 **Investment Guidelines.**

(a) The Trustee may invest the Trust Assets in accordance with the Investment Guidelines, attached hereto as **Exhibit 3** (the "**Investment Guidelines**").

(b) In the event the PI Trust holds any non-liquid assets, the Trustee shall own, protect, oversee, and monetize such non-liquid assets in accordance with the Governing Documents. This Section 3.2(b) is intended to modify the application to the PI Trust of the "prudent person" rule, "prudent investor" rule and any other rule of law that would require the Trustee to diversify the Trust Assets.

(c) Cash proceeds received by the PI Trust in connection with its monetization of the non-liquid Trust Assets shall be invested in accordance with the Investment Guidelines until needed for the purposes of the PI Trust as set forth in Section 1.2 above.

3.3 **Payment of Operating Expenses**

All operating expenses of the PI Trust shall be paid by the PI Trust solely from, and after receipt of funds from, the GUC Trust/PI Fund Operating Reserve as provided in the Plan. The PI Trust shall periodically provide all invoices or other documentation with respect to such expenses to the GUC Administrator and the GUC Administrator shall timely remit to the PI Trust such amounts solely from the GUC Trust/PI Fund Operating Reserve so as to enable the PI Trust to timely pay such expenses.[3] None of the Trustee, Delaware Trustee, the TAC, the Beneficial Owners nor any of their officers, agents, advisors, professionals or employees shall be personally liable for the payment of any operating expense or other liability of the PI Trust. Except as expressly set forth in the Plan, none of the Debtors or Reorganized Debtors, nor any of their officers, agents, advisors, professionals or employees shall be liable for the payment of any operating expense or other liability of the PI Trust, the Trustee or the TAC. To the extent that the Trustee determines that GUC Trust/PI Fund Operating Reserve is likely to incur a cash shortfall prior to the termination and winding up of the GUC Trust and/or the PI Trust (after taking into account additional funding of the GUC Trust/PI Fund Operating Reserve as contemplated by the Plan), the Trustee may determine to establish cash reserves from the corpus of the Trust, which

[3]. Nothing in this Trust Agreement shall preclude the Trustee and the PI Trustee from establishing appropriate and efficient cash management/accounting systems which may include the advancement of funds from the GUC Trust/PI Fund Operating Reserve to the PI Trust from time to time.

cash reserves shall be allocated equitably to the Beneficial Owners by the Trustee in his or her judgment.

3.4 **Payment of Talc Claims.**

The Trustee will make distributions to the Beneficial Owners in a fair, consistent and equitable manner in accordance with this Trust Agreement, the TDP, the Plan and the Confirmation Order. All payments with respect to Talc Claims shall be made by the PI Trust solely out of the Trust Assets. If the Trustee determines immediately prior to the Dissolution Date, in his or her discretion, that all Talc Claims have been paid in full, or that making further payments with respect to Talc Claims is not cost-effective with respect to the final amounts to be paid to Beneficial Owners, and that adequate provision has been made for all final obligations of the PI Trust, the Trustee shall have the authority to direct the remaining Trust Assets to a tax-exempt organization benefiting mesothelioma victims, as selected by the Trustee in his or her discretion.

ARTICLE IV

TRUSTEE; DELAWARE TRUSTEE

4.1 **Number**. In addition to the Delaware Trustee appointed pursuant to Section 4.9, there shall be one (1) Trustee who shall be the person named on the signature pages hereof.

4.2 **Term of Service.**

(a) The Trustee shall serve from the Effective Date until the earliest of (i) his or her death, (ii) his or her resignation pursuant to Section 4.2(b) below, (iii) his or her removal pursuant to Section 4.2(c) below, or (iv) the termination of the PI Trust pursuant to Section 6.2 below.

(b) The Trustee may resign at any time upon written notice to the Reorganized Debtors and the TAC with such notice filed with the Bankruptcy Court. Such notice shall specify a date when such resignation shall take effect, which shall not be less than ninety (90) days after the date such notice is given, where practicable.

(c) The Trustee may be removed by the unanimous consent of the TAC in the event the Trustee becomes unable to discharge his or her duties hereunder due to accident, physical deterioration, mental incompetence or for other good cause, provided the Trustee has received reasonable notice and an opportunity to be heard. Other good cause shall mean fraud, self-dealing, intentional misrepresentation, willful misconduct, indictment for or conviction of a felony in each case whether or not connected to the PI Trust, or a consistent pattern of neglect and failure to perform or participate in performing the duties of Trustee hereunder. For the avoidance of doubt, any removal of a Trustee by the TAC pursuant to this Section 4.2(c) shall require the approval of the Bankruptcy Court and shall take effect at such time as the Bankruptcy Court shall determine.

(d) In the event of any vacancy in the office of the Trustee, including the death, resignation or removal of any Trustee, such vacancy shall be filled by the unanimous consent of the TAC, subject to the approval of the Bankruptcy Court. In the event the TAC cannot agree on a successor Trustee, the provisions of Section 6.12 below shall apply.

(e) Immediately upon the appointment of any successor Trustee pursuant to Section 4.2(d) above, all rights, titles, duties, powers and authority of the predecessor Trustee hereunder shall be vested in and undertaken by the successor Trustee without any further act. No successor Trustee shall be liable personally for any act or omission of his or her predecessor Trustee. No predecessor Trustee shall be liable personally for any act or omission of his or her

successor Trustee. No successor Trustee shall have any duty to investigate the acts or omissions of his or her predecessor Trustee.

(f) Each successor Trustee shall serve until the earliest of (i) his or her death, (ii) his or her resignation pursuant to Section 4.2(b) above, (iii) his or her removal pursuant to Section 4.2(c) above, and (iv) the termination of the PI Trust pursuant to Section 6.2 below.

4.3 **Compensation and Expenses of the Trustee.**

(a) The Trustee shall receive compensation for his or her services as Trustee on matters related to the operation of the Trust in the amount of $600 per hour, plus an annual stipend of $25,000 (pro-rated for partial years), which shall be paid in equal quarterly instalments. The compensation payable to the Trustee hereunder shall be reviewed every year by the TAC and may be appropriately adjusted for changes in the cost of living. The PI Trust will reimburse the Trustee for fees and expenses incurred prior to the Effective Date in connection with this Trust Agreement and effectuating a timely, orderly, and efficient transition of duties and obligations to the Trustee as of the Effective Date, (such amount not to exceed $25,000), which shall be paid promptly after the Effective Date.

(b) The PI Trust will promptly reimburse the Trustee for all reasonable and documented out-of-pocket costs and expenses incurred by the Trustee in connection with the performance of his or her duties hereunder.

(c) The PI Trust shall include in the Annual Report a description of the amounts paid under this Section 4.3. The PI Trust shall provide quarterly reports to the Reorganized Debtors for a description of the amounts paid under this Section 4.3

4.4 **Standard of Care; Exculpation.**

(a) As used herein, the term "**Trust Indemnified Party**" shall mean each of (i) the Trustee, (ii) the Delaware Trustee, (iii) the TAC and its members, and (iv) the officers, employees, consultants, advisors, and agents of each of the PI Trust, the Trustee, and the TAC**.**

(b) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall not have or incur any liability for actions taken or omitted in their capacities as Trust Indemnified Parties, or on behalf of the PI Trust, except those acts found by a final order of a court of competent jurisdiction ("**Final Order**") to be arising out of their willful misconduct, bad faith, gross negligence or fraud, and shall be entitled to indemnification and reimbursement for reasonable fees and expenses in defending any and all of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the PI Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the PI Trust.

(c) To the extent that, at law or in equity, the Trust Indemnified Parties have duties (including fiduciary duties) or liability related thereto, to the PI Trust or the Beneficial Owners, it is hereby understood and agreed by the Parties that such duties and liabilities are eliminated to the fullest extent permitted by applicable law, and replaced by the duties and liabilities expressly set forth in this Trust Agreement with respect to the Trust Indemnified Parties; provided, however, that with respect to the Trust Indemnified Parties other than the Delaware

Trustee the duties of care and loyalty are not eliminated but are limited and subject to the terms of this Trust Agreement, including but not limited to this Section 4.4 and its subparts.

(d) The PI Trust will maintain appropriate insurance coverage for the protection of the Trust Indemnified Parties, as determined by the Trustee in his or her discretion.

4.5 **Protective Provisions.**

(a) Every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to Trust Indemnified Parties shall be subject to the provisions of this Section 4.5.

(b) In the event the Trustee retains counsel (including at the expense of the PI Trust), the Trustee shall be afforded the benefit of the attorney-client privilege with respect to all communications with such counsel, and in no event shall the Trustee be deemed to have waived any right or privilege including, without limitation, the attorney-client privilege even if the communications with counsel had the effect of guiding the Trustee in the performance of duties hereunder. A successor Trustee shall succeed to and hold the same respective rights and benefits of the predecessor for purposes of privilege, including the attorney-client privilege. No Party or other person may raise any exception to the attorney-client privilege described herein as any such exceptions are hereby waived by all Parties.

(c) No Trust Indemnified Party shall be personally liable under any circumstances, except for his or her own willful misconduct, bad faith, gross negligence or fraud as determined by a Final Order.

(d) No provision of this Trust Agreement shall require the Trust Indemnified Parties to expend or risk their own personal funds or otherwise incur financial liability in the performance of their rights, duties and powers hereunder.

(e) In the exercise or administration of the Trust hereunder, the Trust Indemnified Parties (i) may act directly or through their respective agents or attorneys pursuant to agreements entered into with any of them, and the Trust Indemnified Parties shall not be liable for the default or misconduct of such agents or attorneys if such agents or attorneys have been selected by the Trust Indemnified Parties in good faith and with due care, and (ii) may consult with counsel, accountants and other professionals to be selected by them in good faith and with due care and employed by them, and shall not be liable for anything done, suffered or omitted in good faith by them in accordance with the advice or opinion of any such counsel, accountants or other professionals.

4.6 **Indemnification.**

(a) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall be entitled to indemnification and reimbursement for reasonable fees and expenses (including attorneys' fees and costs but excluding taxes in the nature of income taxes imposed on compensation paid to the Trust Indemnified Parties) in defending any and all of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the PI Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case, except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith,

gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the PI Trust.

(b) Reasonable expenses, costs and fees (including attorneys' fees and costs) incurred by or on behalf of the Trust Indemnified Parties in connection with any action, suit or proceeding, whether civil, administrative or arbitrative, from which they are indemnified by the PI Trust shall be paid by the PI Trust in advance of the final disposition thereof upon receipt of an undertaking, by or on behalf of the Trust Indemnified Parties, to repay such amount in the event that it shall be determined ultimately by Final Order that the Trust Indemnified Parties or any other potential indemnitee are not entitled to be indemnified by the PI Trust. The Trustee may, in his or her discretion, authorize an advance of reasonable expenses, costs and fees (including attorneys' fees and costs) to be incurred by or on behalf of the Trust Indemnified Parties, as set forth herein.

(c) The Trustee is authorized, but not required, to purchase and maintain appropriate amounts and types of insurance on behalf of the Trust Indemnified Parties, as determined by the Trustee, which may include insurance with respect to liability asserted against or incurred by such individual in that capacity or arising from his or her status as a Trust Indemnified Party, and/or as an employee, agent, lawyer, advisor or consultant of any such person.

(d) The indemnification provisions of this Trust Agreement with respect to any Trust Indemnified Party shall survive the termination of such Trust Indemnified Party from the capacity for which such Trust Indemnified Party is indemnified. Modification of this Trust Agreement shall not affect any indemnification rights or obligations in existence at such time. In making a determination with respect to entitlement to indemnification of any Trust Indemnified Party hereunder, the person, persons or entity making such determination shall presume that such

Trust Indemnified Party is entitled to indemnification under this Trust Agreement, and any person seeking to overcome such presumption shall have the burden of proof to overcome the presumption.

(e) The rights to indemnification hereunder are not exclusive of other rights which any Trust Indemnified Party may otherwise have at law or in equity, including common law rights to indemnification or contribution.

4.7 **Trustee Independence.** The Trustee shall not, during the term of his or her service, hold a financial interest in, act as attorney or agent for, or serve as an officer or as any other professional for the Reorganized Debtors. The Trustee shall not act as an attorney, agent, or other professional for any person who holds a Talc Claim. For the avoidance of doubt, this Section 4.7 shall not be applicable to the Delaware Trustee.

4.8 **No Bond.** Neither the Trustee nor the Delaware Trustee shall be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

4.9 **Delaware Trustee.**

(a) There shall at all times be a Delaware Trustee to serve in accordance with the requirements of the Act. The Delaware Trustee shall either be (i) a natural person who is at least twenty-one (21) years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law to be eligible to serve as the Delaware Trustee, and shall act through one or more persons authorized to bind such entity. If at any time the Delaware Trustee shall cease to be eligible to serve as Delaware Trustee in accordance with the provisions of this Section 4.9, it shall resign immediately in the manner and with the effect hereinafter specified in Section 4.9(c)

below. For the avoidance of doubt, the Delaware Trustee will only have such rights, duties and obligations as expressly provided by reference to the Delaware Trustee hereunder. The Trustee shall have no liability for the acts or omissions of any Delaware Trustee.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities of the Trustee set forth herein. The Delaware Trustee shall be a trustee of the PI Trust for the sole and limited purpose of fulfilling the requirements of Section 3807(a) of the Act and for taking such actions as are required to be taken by a Delaware Trustee under the Act. The duties (including fiduciary duties), liabilities and obligations of the Delaware Trustee shall be limited to accepting legal process served on the PI Trust in the State of Delaware and the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Act. There shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. To the extent that, at law or in equity, the Delaware Trustee has duties (including fiduciary duties) and liabilities relating to the PI Trust or the Beneficial Owners, such duties and liabilities are replaced by the duties and liabilities of the Delaware Trustee expressly set forth in this Trust Agreement. The Delaware Trustee shall have no liability for the acts or omissions of any Trustee. Any permissive rights of the Delaware Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty and, with respect to any such permissive rights, the Delaware Trustee shall not be answerable for other than its willful misconduct, bad faith, gross negligence or fraud. The Delaware Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of the Trustee or any other person pursuant to the provisions of this Trust Agreement unless the Trustee or such other person shall have offered to the Delaware

Trustee security or indemnity (satisfactory to the Delaware Trustee in its discretion) against the costs, expenses and liabilities that may be incurred by it in compliance with such request or direction. The Delaware Trustee shall be entitled to request and receive written instructions from the Trustee and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Delaware Trustee in accordance with the written direction of the Trustee. The Delaware Trustee may, at the expense of the PI Trust, request, rely on and act in accordance with officer's certificates and/or opinions of counsel, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance with such officer's certificates and opinions of counsel.

(c) The Delaware Trustee shall serve until such time as the Trustee removes the Delaware Trustee or the Delaware Trustee resigns and a successor Delaware Trustee is appointed by the Trustee in accordance with the terms of Section 4.9(d) below. The Delaware Trustee may resign at any time upon the giving of at least sixty (60) days' advance written notice to the Trustee; provided that such resignation shall not become effective unless and until a successor Delaware Trustee shall have been appointed by the Trustee in accordance with Section 4.9(d) below; provided further that if any amounts due and owing to the Delaware Trustee hereunder remain unpaid for more than ninety (90) days, the Delaware Trustee shall be entitled to resign immediately by giving written notice to the Trustee. If the Trustee does not act within such sixty (60) day period, the Delaware Trustee, at the expense of the PI Trust, may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction for the appointment of a successor Delaware Trustee.

(d) Upon the resignation or removal of the Delaware Trustee, the Trustee shall appoint a successor Delaware Trustee by delivering a written instrument to the outgoing Delaware Trustee. Any successor Delaware Trustee must satisfy the requirements of Section 3807 of the Act. Any resignation or removal of the Delaware Trustee and appointment of a successor Delaware Trustee shall not become effective until a written acceptance of appointment is delivered by the successor Delaware Trustee to the outgoing Delaware Trustee and the Trustee, and any fees and expenses due to the outgoing Delaware Trustee are paid. Following compliance with the preceding sentence, the successor Delaware Trustee shall become fully vested with all of the rights, powers, duties and obligations of the outgoing Delaware Trustee under this Trust Agreement, with like effect as if originally named as Delaware Trustee, and the outgoing Delaware Trustee shall be discharged of his or her duties and obligations under this Trust Agreement. The successor Delaware Trustee shall make any related filings required under the Act, including filing a Certificate of Amendment to the Certificate of Trust of the PI Trust in accordance with Section 3810 of the Act.

(e) Notwithstanding anything herein to the contrary, any business entity into which the Delaware Trustee may be merged or converted or with which it may be consolidated or any entity resulting from any merger, conversion or consolidation to which the Delaware Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Delaware Trustee, shall be the successor of the Delaware Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

(f) The Delaware Trustee shall be entitled to compensation for its services as agreed pursuant to a separate fee agreement between the PI Trust and the Delaware Trustee, which

compensation shall be paid by the PI Trust. Such compensation is intended for the Delaware Trustee's services as contemplated by this Trust Agreement. The terms of this paragraph shall survive termination of this Trust Agreement and/or the earlier resignation or removal of the Delaware Trustee.

(g) The Delaware Trustee shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document, other than this Trust Agreement, whether or not, an original or a copy of such agreement has been provided to the Delaware Trustee. The Delaware Trustee shall have no duty to know or inquire as to the performance or nonperformance of any provision of any other agreement, instrument or document, other than this Trust Agreement. Neither the Delaware Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the PI Trust, the Trustee or any other person, or any of their directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Delaware Trustee may assume performance by all such persons of their respective obligations. The Delaware Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other person. The Delaware Trustee shall have no responsibilities (except as expressly set forth herein) as to the validity, sufficiency, value, genuineness, ownership or transferability of any Trust Asset, written instructions, or any other documents in connection therewith, and will not be regarded as making, nor be required to make, any representations thereto.

(h) The Delaware Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Trust Agreement arising out of, or caused,

directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

ARTICLE V

TRUST ADVISORY COMMITTEE

5.1 **Members.** The TAC shall consist of three (3) members. To the extent that a member of the TAC elects to resign from the TAC in accordance with Section 5.3(b) below or is removed pursuant to Section 5.3(c) below, a successor shall be appointed pursuant to Section 5.4(a).

5.2 **Duties.** The members of the TAC shall serve in a fiduciary capacity, representing the interests of all holders of Talc Claims. The TAC shall have no fiduciary obligations or duties to any party other than the holders of Talc Claims. The Trustee must obtain the consent of the TAC on matters identified in Section 2.2(e) above. Where provided in the TDP, certain other actions by the Trustee are also subject to the consent of the TAC. Except for the duties and obligations expressed in this Trust Agreement and the TDP, there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the TAC. To the extent that, at law or in equity, the TAC has duties (including fiduciary duties) and liabilities relating thereto to the PI Trust, the other Parties hereto or any Beneficial Owner of the PI Trust, it is hereby

understood and agreed by the other Parties hereto that such duties and liabilities are replaced by the duties and liabilities of the TAC expressly set forth in the Governing Documents.

5.3 **Term of Office.**

(a) Each member of the TAC shall serve until the earlier of (i) his or her death, (ii) his or her resignation pursuant to Section 5.3(b) below, (iii) his or her removal pursuant to Section 5.3(c) below, or (iv) the termination of the PI Trust pursuant to Section 6.2 below.

(b) A member of the TAC may resign at any time by written notice to the other member of the TAC and the Trustee. Such notice shall specify a date when such resignation shall take effect, which shall not be less than thirty (30) days after the date such notice is given, where practicable.

(c) A member of the TAC may be removed in the event that he or she becomes unable to discharge his or her duties hereunder due to accident, physical deterioration, mental incompetence, or a consistent pattern of neglect and failure to perform or to participate in performing the duties of such member hereunder, such as repeated non-attendance at scheduled meetings, or for other good cause. Such removal may be made by the recommendation of the remaining member of the TAC with the approval of the Trustee.

5.4 **Appointment of Successors.**

(a) If a member of the TAC dies, resigns pursuant to Section 5.3(b) above, or is removed pursuant to Section 5.3(c) above, the vacancy shall be filled with an individual selected by the remaining TAC members with the approval of the Trustee, provided however, that if the remaining TAC members and the Trustee cannot agree on the successor the matter shall be resolved pursuant to Section 6.12 below.

(b) Each successor TAC member shall serve until the earlier of (i) his or her death, (ii) his or her resignation pursuant to Section 5.3(b) above, (iii) his or her removal pursuant to Section 5.3(c) above, or (iv) the termination of the PI Trust pursuant to Section 6.2 below.

(c) No successor TAC member shall be liable personally for any act or omission of his or her predecessor TAC member. No successor TAC member shall have any duty to investigate the acts or omissions of his or her predecessor TAC member.

5.5 **Compensation and Expenses of the TAC.** The members of the TAC shall not receive compensation from the PI Trust for their services as TAC members but shall be reimbursed for all reasonable out-of-pocket costs or expenses incurred in connection with the performance of such member's duties hereunder. A description of the amounts paid under this Section 5.5 shall be included in the Annual Report and shall be included in quarterly reports provided to the Reorganized Debtors.

5.6 **No Bond.** The members of the TAC shall not be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

5.7 **Procedures for Obtaining Consent of the TAC**

(a) Where the Trustee is required to obtain the consent of the TAC pursuant to Section 2.2(e) above, the TDP or otherwise, the Trustee shall provide the TAC with a written notice stating that its consent is being sought pursuant to that provision, describing in detail the nature and scope of the action the Trustee proposes to take, and explaining in detail the reasons why the Trustee desires to take such action. The Trustee shall provide the TAC as much relevant information concerning the proposed action as is reasonably practicable under the circumstances.

The Trustee shall also provide the TAC with reasonable access to the professionals or experts retained by the PI Trust and its staff (if any) as the TAC may reasonably request during the time that the Trustee is considering such action, and shall also provide the TAC the opportunity, at reasonable times and for reasonable periods of time, to discuss and comment on such action with the Trustee. In instances also requiring consent of the Reorganized Debtors, whose consent shall not be unreasonably denied or delayed, such notices and information provided to the TAC shall also be provided to the Reorganized Debtors.

(b) The TAC must consider in good faith and in a timely fashion any request for its consent by the Trustee and must in any event advise the Trustee in writing of its consent or objection to the proposed action within five (5) business days of receiving the original request for consent from the Trustee. The TAC may not withhold its consent unreasonably. If the TAC decides to withhold consent, it must explain in detail its objections to the proposed action. If the TAC does not advise the Trustee in writing of its consent or objections to the proposed action within five (5) days of receiving notice regarding such request, then consent of the TAC to the proposed action shall be deemed to have been affirmatively granted.

(c) If, after following the procedures specified in Section 5.7, the TAC continues to object to the proposed action and to withhold its consent to the proposed action, the Trustee and the TAC shall resolve their dispute pursuant to Section 6.12. The TAC shall bear the burden of proving that it reasonably withheld its consent. If the TAC meets that burden, the PI Trust shall then bear the burden of showing why it should be permitted to take the proposed action notwithstanding the TAC's reasonable objection.

(d) Action by the TAC shall require the affirmative vote of the majority of the TAC members then in office.

ARTICLE VI

GENERAL PROVISIONS

6.1 **Irrevocability**. To the fullest extent permitted by applicable law, the PI Trust is irrevocable.

6.2 **Term; Termination.**

(a) The term for which the PI Trust is to exist shall commence on the date of the filing of the Certificate of Trust and shall terminate pursuant to the provisions of this Section 6.2.

(b) The PI Trust shall automatically dissolve as soon as practicable but no later than ninety (90) days after the date on which the Bankruptcy Court approves the dissolution upon the satisfaction of the purposes of the PI Trust, wherein (i) all reasonably expected assets have been collected, (ii) all payments with respect to Talc Claims under Section 3.4 above have been made, (iii) necessary arrangements and reserves have been made to discharge all anticipated remaining obligations and operating expenses in a manner consistent with Governing Documents, and (iv) a final accounting has been filed and approved by the Bankruptcy Court (the "**Dissolution Date**").

(c) On the Dissolution Date or as soon as reasonably practicable thereafter, after the wind-up of the affairs of the PI Trust by the Trustee and payment of all of the PI Trust's liabilities have been provided for as required by applicable law including Section 3808 of the Act,

all monies remaining in the PI Trust shall be distributed or disbursed in accordance with Section 3.4.

(d) Following the dissolution and distribution of the assets of the PI Trust, the PI Trust shall terminate, and the Trustee shall execute and cause a Certificate of Cancellation of the Certificate of Trust of the PI Trust to be filed in accordance with the Act. Notwithstanding anything to the contrary contained in this Trust Agreement, the existence of the PI Trust as a separate legal entity shall continue until the filing of such Certificate of Cancellation. A certified copy of the Certificate of Cancellation shall be given to the Delaware Trustee for its records promptly following such filing.

6.3 **Amendments**. Any amendment to or modification of this Trust Agreement may be made in writing and only pursuant to an order of the Bankruptcy Court; provided, however, the Trustee may amend this Trust Agreement with the unanimous consent of the TAC from time to time without the consent, approval or other authorization of, but with notice to, the Bankruptcy Court, to make: (i) minor modifications or clarifying amendments necessary to enable the Trustee to effectuate the provisions of this Trust Agreement; (ii) amendments permitted pursuant to Section 6.1 of the TDP, or (iii) modifications to satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, statute, ruling or regulation of any federal, state or foreign governmental entity. Notwithstanding the foregoing, the TDP may be amended in writing by the Trustee with the consent of the TAC without an order of the Bankruptcy Court, provided, however, the amended TDP shall be filed with the Bankruptcy Court within thirty (30) days following the effective date of such amended TDP. Notwithstanding the foregoing, (i) no amendment or modification of this Trust Agreement shall modify this Trust Agreement in a

manner that is inconsistent with the Plan or the Confirmation Order, other than, with the Reorganized Debtors' consent, to make minor modifications or clarifying amendments as necessary to enable the Trustee to effectuate the provisions of this Trust Agreement; (ii) neither this Trust Agreement, the TDP, nor any Exhibit to this Trust Agreement or the TDP shall be modified or amended in any way that could jeopardize, impair, or modify the PI Trust's Qualified Settlement Fund status under the QSF Regulations; and (iii) any amendment or modification of this Trust Agreement, or Exhibit hereto, or the TDP, or Schedule thereto, affecting the rights, duties, immunities or liabilities of the Delaware Trustee shall require the Delaware Trustee's written consent. The Trustee shall provide at least ten (10) business days' written notice to the Reorganized Debtors prior to making any amendment or modification to the Trust Agreement or any Exhibit thereto, or the TDP or any Schedule thereto, and if the Reorganized Debtors reasonably and in good faith advise the Trustee in writing that the proposed amendment or modification affects, directly or indirectly, any right, duty, immunity, interest or liability of the Reorganized Debtors, then the Reorganized Debtors' consent (which shall not be unreasonably denied or delayed) shall be required for such proposed amendment or modification. Any dispute between the Trustee and the Reorganized Debtors with respect to this Section 6.3 shall be resolved by the Bankruptcy Court.

6.4 **Severability**. Should any provision in this Trust Agreement be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this Trust Agreement.

6.5 **Notices.**

(a) Notices to persons asserting Talc Claims shall be given in accordance with such person's claims form submitted to the PI Trust with respect to his or her Talc Claim.

(b) Any notices or other communications required or permitted hereunder to the following Parties shall be in writing and delivered to the addresses or e-mail addresses designated below, or to such other addresses or e-mail addresses as may hereafter be furnished in writing to each of the other Parties listed below in compliance with the terms hereof.

(c) All such notices and communications if mailed shall be effective when physically delivered at the designated addresses or, if electronically transmitted, when the communication is received at the designated addresses.

6.6 **Successors and Assigns**. The provisions of this Trust Agreement shall be binding upon and inure to the benefit of the Reorganized Debtors (which shall be a third-party beneficiary hereof), the PI Trust, the TAC, the Delaware Trustee, the Trustee, and their respective successors and assigns, except that neither the PI Trust, the TAC, the Delaware Trustee, nor the Trustee, may assign or otherwise transfer any of their rights or obligations, if any, under this Trust Agreement except in the case of the Delaware Trustee in accordance with Section 4.9(d), and in the case of the Trustee in accordance with Section 4.2(d) above, and in the case of the TAC members in accordance with Section 5.4(b) above.

6.7 **Limitation on Talc Claims Interests for Securities Laws Purposes**. Talc Claims, and any interests therein, (a) shall not be assigned, conveyed, hypothecated, pledged, or otherwise transferred, voluntarily or involuntarily, directly or indirectly, except by will, under the laws of descent and distribution or otherwise by operation of law; (b) shall not be evidenced by a certificate or other instrument; (c) shall not possess any voting rights; and (d) shall not be entitled to receive any dividends or interest.

6.8 **Exemption from Registration**. The Parties hereto intend that the interests of the Beneficial Owners under this Trust Agreement shall not be "securities" under applicable laws, but none of the Parties hereto represent or warrant that such rights shall not be securities or shall be entitled to exemption from registration under applicable securities laws. If it should be determined that any such interests constitute "securities," the Parties hereto intend that the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied and the offer and sale under the Plan of the beneficial interests in the PI Trust will be exempt from registration under the

Securities Act, all rules and regulations promulgated thereunder, and all applicable state and local securities laws and regulations.

6.9 **Entire Agreement; No Waiver**. The entire agreement of the Parties relating to the subject matter of this Trust Agreement is contained herein (including the TDP), and in the documents referred to herein (including the Plan), and this Trust Agreement and such documents supersede any prior oral or written agreements concerning the subject matter hereof. No failure to exercise or delay in exercising any right, power, or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any further exercise thereof or of any other right, power, or privilege. The rights and remedies herein provided are cumulative and are not exclusive of rights under law or in equity.

6.10 **Headings.** The headings used in this Trust Agreement are inserted for convenience only and do not constitute a portion of this Trust Agreement, nor in any manner affect the construction of the provisions of this Trust Agreement.

6.11 **Governing Law**. The validity and construction of this Trust Agreement and all amendments hereto and thereto shall be governed by the laws of the State of Delaware, and the rights of all Parties hereto and the effect of every provision hereof shall be subject to and construed according to the laws of the State of Delaware without regard to the conflicts of law provisions thereof that would purport to apply the law of any other jurisdiction; provided, however, that the Parties hereto intend that the provisions hereof shall control and there shall not be applicable to the PI Trust, the Trustee, the Delaware Trustee, the TAC, or this Trust Agreement, any provision of the laws (statutory or common) of the State of Delaware pertaining to trusts that relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of Trustee accounts or schedules of Trustee fees and charges; (b)

affirmative requirements to post bonds for the Trustee, officers, agents, or employees of a trust; (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding, or disposition of real or personal property; (d) fees or other sums payable to the Trustee, officers, agents, or employees of a trust; (e) the allocation of receipts and expenditures to income or principal; (f) restrictions or limitations on the permissible nature, amount, or concentration of trust investments or requirements relating to the titling, storage, or other manner of holding of trust assets; (g) the existence of rights or interests (beneficial or otherwise) in trust assets; (h) the ability of beneficial owners or other persons to terminate or dissolve a trust; or (i) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of the Trustee or beneficial owners that are inconsistent with the limitations on liability or authorities and powers of the Trustee, the Delaware Trustee, or the TAC, set forth or referenced in this Trust Agreement. Section 3540 of the Act shall not apply to the PI Trust.

6.12 **Dispute Resolution**.

(a) Unless otherwise expressly provided for herein, the dispute resolution procedures of this Section 6.12 shall be the exclusive mechanism to resolve any dispute arising under or with respect to this Trust Agreement. For the avoidance of doubt, this Section 6.12 shall not apply to the Delaware Trustee or to the Reorganized Debtors in any respect or any dispute with respect to the resolution of Talc Claims which shall be governed exclusively by the TDP. This Section 6.12 shall not apply to any matters as between the GUC Trust or the Trustee, on the one hand, and the PI Trust or the PI Trustee, on the other hand, related to or arising from the GUC Trust/PI Fund Operating Reserve.

(b) **Informal Dispute Resolution**. Any dispute under this Trust Agreement shall first be the subject of informal negotiations. The dispute shall be considered to have arisen

when a disputing party sends to the counterparty or counterparties a written notice of dispute ("**Notice of Dispute**"). Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed thirty (30) days from the date the Notice of Dispute is received by the counterparty or counterparties, unless that period is modified by written agreement of the disputing party and counterparty or counterparties. If the disputing party and the counterparty or counterparties cannot resolve the dispute by informal negotiations, then the disputing party may invoke the formal dispute resolution procedures as set forth below.

(c) **Formal Dispute Resolution**. The disputing party shall invoke formal dispute resolution procedures, within the time period provided in the preceding subparagraph, by serving on the counterparty or counterparties a written statement of position regarding the matter in dispute ("**Statement of Position**"). The Statement of Position shall include, but need not be limited to, any factual data, analysis or opinion supporting the disputing party's position and any supporting documentation and legal authorities relied upon by the disputing party. Each counterparty shall serve its Statement of Position within thirty (30) days of receipt of the disputing party's Statement of Position, which shall also include, but need not be limited to, any factual data, analysis or opinion supporting the counterparty's position and any supporting documentation and legal authorities relied upon by the counterparty. If the disputing party and the counterparty or counterparties are unable to consensually resolve the dispute within thirty (30) days after the last of all counterparties have served its Statement of Position on the disputing party, the disputing party may file with the Bankruptcy Court a motion for judicial review of the dispute in accordance with Section 6.12(d).

(d) **Judicial Review**. The disputing party may seek judicial review of the dispute by filing with the Bankruptcy Court (or, if the Bankruptcy Court shall not have jurisdiction over such dispute, such court as has jurisdiction pursuant to Section 1.5 above) and serving on the counterparty or counterparties and the Trustee, a motion requesting judicial resolution of the dispute. The motion must be filed within forty-five (45) days of receipt of the last counterparty's Statement of Position pursuant to the preceding subparagraph. The motion shall contain a written statement of the disputing party's position on the matter in dispute, including any supporting factual data, analysis, opinion, documentation and legal authorities, and shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly administration of the PI Trust. Each counterparty shall respond to the motion within the time period allowed by the rules of the court, and the disputing party may file a reply memorandum, to the extent permitted by the rules of the court.

6.13 **Effectiveness**. This Trust Agreement shall become effective on the Effective Date.

6.14 **Counterpart Signatures**. This Trust Agreement may be executed in any number of counterparts and by different Parties on separate counterparts (including by PDF transmitted by e-mail), and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties have executed this Trust Agreement this ____ day of _____, 2023.

The value of bonds of any single company and its affiliates owned by the Trust directly rather than through a mutual fund shall not exceed 10% of the investment portfolio at time of purchase; this restriction does not apply to any of the following: Repurchase Agreements; Money Market Funds; U.S. Treasuries; and U.S. Government Agencies.

The Trust's financial advisor shall reconfirm that all investments of Trust Assets still meet the original rating requirement on a quarterly basis. If the Trust's financial advisors determine that any particular investment no longer meets the rating requirement, there shall be a substitution of that investment with an investment that meets the ratings requirement as promptly as practicable, but in no event later than the next reporting period. Previously purchased securities downgraded below AA may be held for a reasonable and prudent period of time if the Trust's financial advisor believes it is in the interest of the Trust to do so.

The borrowing of funds or securities for the purpose of leveraging, shorting, or other investments is prohibited. Investment in non-U.S. dollar denominated bonds is prohibited. WHEREAS, the Trustee shall administer the PI Trust in accordance with the terms of the Plan, this Trust Agreement and the PI Claims Trust Distribution Procedures (the "**TDP**"), attached hereto as **Exhibit 1**; and

WHEREAS, pursuant to the Plan, the PI Trust is intended to qualify as a "qualified settlement fund" (a "**Qualified Settlement Fund**") within the meaning of Section 1.468B-1 *et seq.* of the Treasury Regulations promulgated under Section 468B of the Internal Revenue Code ("**IRC**") (the "**QSF Regulations**"). For the avoidance of doubt, the PI Trust is not intended to constitute either (i) a "Section 524(g) trust" within the meaning of the Bankruptcy Code, or (ii) a "grantor trust" within the meaning of Section 1.671- 4(a) of the Treasury Regulations.

NOW, THEREFORE, it is hereby agreed as follows:

ARTICLE I

AGREEMENT OF TRUST

1.1 **Creation and Name.** There is hereby created a trust known as the "Old RevCo Talc Personal Injury Liquidating Trust." The Trustee of the PI Trust may transact the business and affairs of the PI Trust in the name of the PI Trust, and references herein to the PI Trust shall include the Trustee acting on behalf of the PI Trust. It is the intention of the Parties that the PI Trust constitutes a statutory trust under Chapter 38 of title 12 of the Delaware Code, 12 Del. C. Section 3801 *et seq.* (the "**Act**") and that this Trust Agreement constitute the governing instrument of the PI Trust. The Trustee and the Delaware Trustee are hereby authorized and directed to execute and file a Certificate of Trust with the Delaware Secretary of State in the form attached hereto as **Exhibit 2**.

1.2 **Purposes**. The purposes of the PI Trust are to

(a) receive the Talc Personal Injury Settlement Distribution (the "**Settlement Consideration**") pursuant to the terms of the Plan and the Confirmation Order;

(b) hold, manage, protect and invest the Settlement Consideration, together with any income or gain earned thereon and proceeds derived therefrom (collectively, the "**Trust Assets**") in accordance with the terms of the Plan, the Confirmation Order, this Trust Agreement and the TDP (the "**Governing Documents**") for the benefit of the Beneficial Owners (as defined herein);

(c) administer, process and resolve Talc Claims pursuant to the TDP;

(d) qualify at all times as a Qualified Settlement Fund within the meaning of QSF Regulations;

(e) engage in any lawful activity that is appropriate and in furtherance of the purposes of the PI Trust to the extent consistent with the Plan, the Confirmation Order and this Trust Agreement; and

(f) make distributions of Trust Assets to eligible holders of Talc Claims in accordance with and subject to the terms of this Trust Agreement, the Plan and the TDP with the objective of treating all eligible holders of Talc Claims fairly, equitably, and reasonably in light of the Trust Assets available to resolve such Talc Claims.

1.3 **Transfer of Assets.** Pursuant to, and in accordance with Article IV.R of the Plan, the PI Trust has received the Settlement Consideration to fund the PI Trust. The Settlement Consideration and any other assets to be transferred to the PI Trust under the Plan will be transferred to the PI Trust free and clear of any liens or other claims by the Debtors, the Reorganized Debtors, any creditor, or other entity. For the avoidance of doubt, the Settlement Consideration transferred to fund the PI Trust shall not include the Retained Preference Actions, provided, however, that the Settlement Consideration shall include an interest in the Retained Preference Action Net Proceeds, as a result of which the PI Trust shall receive a transfer of assets arising in respect of such Retained Preference Action Net Proceeds, if any, in accordance with the terms of the Plan.

1.4 **Acceptance of Assets and Assumption of Liabilities.**

(a) In furtherance of the purposes of the PI Trust, the PI Trust hereby expressly accepts the transfer to the PI Trust of the Settlement Consideration and any other transfers by the GUC Trust from the GUC Trust/PI Fund Operating Reserve contemplated by the Plan in the time and manner as, and subject to the terms, contemplated in the Plan.

(b) In furtherance of the purposes of the PI Trust, except as otherwise provided in this Trust Agreement and the TDP, the PI Trust shall have and retain any and all rights and defenses the Debtors had with respect to any Talc Claim ~~[~~immediately before the Effective Date to the extent necessary to administer such Claims in accordance with this Trust Agreement, the TDP and the Plan.~~]~~

(c) Notwithstanding anything to the contrary herein, no provision herein or in the TDP shall be construed or implemented in a manner that would cause the PI Trust to fail to qualify as a Qualified Settlement Fund under the QSF Regulations.

(d) In this Trust Agreement and the TDP, the words "must," "will," and "shall" are intended to have the same mandatory force and effect, while the word "may" is intended to be permissive rather than mandatory.

(e) To the extent required by the Act, the beneficial owners (within the meaning of the Act) of the PI Trust (the "**Beneficial Owners**") shall be deemed to be the holders of Talc Claims; provided that (i) the holders of Talc Claims, as such Beneficial Owners, shall have only such rights with respect to the PI Trust and its assets as are set forth in the TDP and (ii) no greater or other rights, including upon dissolution, liquidation, or winding up of the PI Trust, shall be deemed to apply to the holders of Talc Claims in their capacity as Beneficial Owners.

1.5 **Jurisdiction**. The Bankruptcy Court shall have continuing jurisdiction over the PI Trust, provided, however, that the courts of the State of Delaware, including any federal court located therein, shall also have jurisdiction over the PI Trust.

ARTICLE II

POWERS AND TRUST ADMINISTRATION

2.1 **Powers.**

(a) The Trustee is and shall act as a fiduciary to the PI Trust in accordance with the provisions of this Trust Agreement, the Plan and the Confirmation Order. The Trustee shall, at all times, administer the PI Trust in accordance with the purposes set forth in Section 1.2 above and the Plan. Subject to the limitations set forth in this Trust Agreement and the Plan, the Trustee shall have the power to take any and all actions that, in the judgment of the Trustee, are necessary or proper to fulfill the purposes of the PI Trust, including, without limitation, each power expressly granted in this Section 2.1, any power reasonably incidental thereto and not inconsistent with the requirements of Section 2.2, and any trust power now or hereafter permitted under the laws of the State of Delaware.

(b) Except as required by applicable law or as otherwise specified herein or in the Plan or the Confirmation Order, the Trustee need not obtain the order or approval of any court in the exercise of any power or discretion conferred hereunder.

(c) Without limiting the generality of Section 2.1(a) above, and except as limited below or by the Plan, the Trustee shall have the power to:

(i) receive and hold the Settlement Consideration and exercise all rights with respect thereto;

(ii) invest the monies held from time to time by the PI Trust in accordance with the Investment Guidelines pursuant to Section 3.2 below;

(iii) obtain payment of expenses and other obligations of the PI Trust, from the GUC Trust/PI Fund Operating Reserve as set forth in the Plan and this Trust Agreement;

(iv) establish such funds, reserves, and accounts within the PI Trust, as the Trustee deems useful in carrying out the purposes of the PI Trust;

(v) participate, as a party or otherwise, in any judicial, administrative, arbitrative, or other proceeding, as required to reconcile, administer, or defend against the Talc Claims;

(vi) establish, supervise, and administer the PI Trust and the TDP, and make distributions to all eligible holders of Talc Claims pursuant to the terms of this Trust Agreement, the Plan and the TDP;

(vii) appoint such officers and retain such employees, consultants, advisors, independent contractors, experts and agents and engage in such legal, financial, administrative, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities as the PI Trust requires, and delegate to such persons such powers and authorities as the fiduciary duties of the Trustee permit and as the Trustee, in his or her discretion, deems advisable or necessary in order to carry out the terms of this Trust Agreement;

(viii) obtain payment from the GUC Trust/PI Fund Operating Reserve for the reasonable compensation to any of the PI Trust's employees, consultants, advisors, independent contractors, experts, and agents for legal, financial, administrative, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities as the PI Trust requires;

(ix) obtain payment from the GUC Trust/PI Fund Operating Reserve to compensate the Trustee, the Delaware Trustee, and their employees, consultants, advisors, independent contractors, experts and agents, and reimburse the Trustee and the Delaware Trustee for all reasonable out-of-pocket costs and expenses incurred by such persons in connection with the performance of their duties hereunder;

(x) record all expenses (including taxes) incurred by the PI Trust on the books and records (and report on all applicable tax returns) as expenses of the PI Trust; provided however that, the PI Trust shall periodically provide all invoices or other documentation with respect to such expenses to the GUC Administrator and the GUC Administrator shall timely remit to the PI Trust such amounts solely from the GUC Trust/PI Fund Operating Reserve so as to enable the PI Trust to timely pay such expenses;

(xi) enter into such other arrangements with third parties as the Trustee deems useful in carrying out the purposes of the PI Trust, provided such arrangements do not conflict with any other provision of this Trust Agreement or the Plan;

(xii) in accordance with Section 4.4 below, defend, indemnify, and hold harmless (and purchase insurance indemnifying) the Trust Indemnified Parties (as defined in Section 4.4 below), to the fullest extent that a statutory trust organized under the laws of the State of Delaware is from time to time entitled to defend, indemnify, hold harmless, and/or insure its directors, trustees, officers, employees, consultants, advisors, agents, and representatives. No party shall be indemnified in any way for any liability, expense, claim, damage, or loss for which he or she is liable under Section 4.4 below;

(xiii) obtain the consent of the TAC with respect to the matters set forth in Section 2.2(e) below; and

(xiv) exercise any and all other rights, and take any and all other actions as are permitted, of the Trustee in accordance with the terms of this Trust Agreement and the Plan.

(d) The Trustee shall not have the power to guarantee any debt of other persons.

(e) The Trustee shall endeavor to make timely distributions and not unduly prolong the duration of the PI Trust.

2.2 **General Administration.**

(a) The Trustee shall act in accordance with the Governing Documents and shall implement the TDP in accordance with its terms. In the event of a conflict between the

terms of this Trust Agreement and the TDP, the terms of this Trust Agreement shall control. In the event of a conflict between the terms or provisions of the (i) Plan, (ii) this Trust Agreement or (iii) the TDP, the terms of the Plan shall have first priority, followed in priority by the Trust Agreement, and lastly by the TDP. For the avoidance of doubt, this Trust Agreement shall be construed and implemented in accordance with the Plan, regardless of whether any provision herein explicitly references the Plan.

(b) The Trustee shall (i) timely file such income tax and other returns and statements required to be filed and shall cause to be paid timely from the GUC Trust/PI Fund Operating Reserve all taxes required to be paid by the PI Trust, (ii) comply with all applicable reporting and withholding obligations, (iii) satisfy all requirements necessary to qualify and maintain qualification of the PI Trust as a Qualified Settlement Fund within the meaning of the QSF Regulations, (iv) take no action that could cause the PI Trust to fail to qualify as a Qualified Settlement Fund within the meaning of the QSF Regulations, and (v) be treated as the "administrator" of the PI Trust within the meaning under Section 1.468B-2(k)(3) of the Treasury Regulations.

(c) The Trustee shall timely account to the Bankruptcy Court as follows:

(i) The Trustee shall cause to be prepared and filed with the Bankruptcy Court, as soon as available, and in any event no later than one hundred and twenty (120) days following the end of each fiscal year, an annual report (the "**Annual Report**") containing special-purpose financial statements of the PI Trust (including, without limitation, a

special-purpose statement of assets, liabilities and net claimants' equity, a special-purpose statement of changes in net claimants' equity and a special-purpose statement of cash flows). The Trustee shall not be required to obtain an audit of the Annual Report by a firm of independent certified public accountants. The Trustee shall provide a copy of such Annual Report to the Reorganized Debtors and the TAC when such report is filed with the Bankruptcy Court.

(ii) Simultaneously with the filing of the Annual Report, the Trustee shall cause to be prepared and filed with the Bankruptcy Court a report containing a summary regarding the number and type of Talc Claims resolved during the period covered by the Annual Report (the "**Claims Report**"). The Trustee shall provide a copy of such Claims Report to the Reorganized Debtors and the TAC when such report is filed with the Bankruptcy Court.

(d) The Trustee shall consult with the TAC on the matters set forth in the TDP.

(e) The Trustee shall be required to obtain the consent of the TAC, pursuant to the consent process set forth in Section 5.7 below:

(i) to change the form of Acceptance and Release under the TDP;

(ii) to commence and/or participate, as a party or otherwise, in any judicial, administrative, arbitrative, or other proceeding;

(iii) to modify the compensation of the Trustee;

(iv) to acquire an interest in and/or merge with and/or contract with another settlement trust; or

(v) to effectuate any material amendment of this Trust Agreement, or any amendment of the TDP, which in each case shall be in accordance with Section 6.3; provided that no such amendment shall be in contravention of the Plan.

(f) The Trustee shall be required to obtain the consent of the Reorganized Debtors, which shall not be unreasonably withheld or delayed:

(i) [absent further order of the Bankruptcy Court, to commence and/or participate, as a party or otherwise, in any judicial, administrative, arbitrative, or other proceeding, with the exception of (i) any proceeding brought against the PI Trust by any entity; (ii) any motion or proceeding in the Chapter 11 Cases relating to or in connection with Talc Claims; or (iii) any proceeding to enforce the rights of the PI Trust under or relating to the Plan, Definitive Documents, and/or this Trust Agreement;]

(ii) to materially modify the compensation of the Trustee;

(iii) to acquire an interest in and/or merge with and/or contract with another settlement trust; or

(iv) to make any amendment or modification of this Trust Agreement, or Exhibit hereto, or TDP, or Schedule thereto, that directly or indirectly affects the rights, duties, immunities, interests or liabilities of the Reorganized Debtors, which in each case shall be in accordance with Section 6.3; provided that no such amendment shall be in contravention of the Plan.

(g) The Trustee shall meet with the TAC no less often than quarterly. The Trustee shall meet in the interim with the TAC when so requested by two or more members of the TAC. Meetings may be held in person, by telephone or video conference, or by a combination of the foregoing.

(h) All Trust Assets shall be part of the PI Trust or otherwise shall be segregated from any assets of Revlon, Inc. (or any persons related to Revlon, Inc. within the meaning of Section 1.468B-1(d)(2) of the Treasury Regulations).

(i) Other than the obligations of the Trustee specifically set forth in this Trust Agreement, the Plan, or the Confirmation Order, the Trustee shall have no obligations of any kind or nature with respect to his or her position as such.

2.3 **Medicare Reporting Obligations.**

(a) The PI Trust shall register as a Responsible Reporting Entity (**"RRE"**) under the reporting provisions of Section 111 of the Medicare, Medicaid, and SCHIP Extension Act of 2007 (Pub. L. 110-173) (**"MMSEA"**).

(b) The PI Trust shall timely submit all reports that are required under MMSEA on account of any claims settled, resolved, paid, or otherwise liquidated by the PI Trust or with respect to contributions to the PI Trust. The PI Trust, in its role as an RRE, shall follow all applicable guidance published by the Centers for Medicare & Medicaid Services of the United States Department of Health and Human Services and/or any other agent or successor entity charged with responsibility for monitoring, assessing, or receiving reports made under MMSEA (collectively, "**CMS**") to determine whether or not, and, if so, how, to report to CMS pursuant to MMSEA.

ARTICLE III

ACCOUNTS, INVESTMENTS, AND PAYMENTS

3.1 **Accounts.**

(a) The Trustee shall maintain one or more accounts (the "**Trust Accounts**") on behalf of the PI Trust with one or more financial depository institutions (each a "**Financial Institution**"). Candidates for the positions of Financial Institution shall fully disclose to the Trustee any interest in or relationship with the Reorganized Debtors or their affiliated persons. Any such interest or relationship shall not be an automatic disqualification for the position, but the Trustee shall take any such interest or relationship into account in selecting a Financial Institution.

(b) The Trustee may replace any retained Financial Institution with a successor Financial Institution at any time, and such successor shall be subject to the considerations set forth in Section 3.1(a).

(c) The Trustee may, from time to time, create such accounts and reasonable reserves within the Trust Accounts as authorized in this Section 3.1 and as he or she may deem necessary, prudent or useful in order to provide for distributions to the Beneficial Owners and the payment of PI Trust operating expenses and may, with respect to any such account or reserve, restrict the use of money therein for a specified purpose (the "**Trust Subaccounts**"). Any such Trust Subaccounts established by the Trustee shall be held as Trust Assets and are not intended

to be subject to separate entity tax treatment as a "disputed claims reserve" or a "disputed ownership fund" within the meaning of the IRC or Treasury Regulations.

3.2 **Investment Guidelines.**

(a) The Trustee may invest the Trust Assets in accordance with the Investment Guidelines, attached hereto as **Exhibit 3** (the "**Investment Guidelines**").

(b) In the event the PI Trust holds any non-liquid assets, the Trustee shall own, protect, oversee, and monetize such non-liquid assets in accordance with the Governing Documents. This Section 3.2(b) is intended to modify the application to the PI Trust of the "prudent person" rule, "prudent investor" rule and any other rule of law that would require the Trustee to diversify the Trust Assets.

(c) Cash proceeds received by the PI Trust in connection with its monetization of the non-liquid Trust Assets shall be invested in accordance with the Investment Guidelines until needed for the purposes of the PI Trust as set forth in Section 1.2 above.

3.3 **Payment of Operating Expenses**

All operating expenses of the PI Trust shall be paid by the PI Trust solely from, and after receipt of funds from, the GUC Trust/PI Fund Operating Reserve as provided in the Plan. The PI Trust shall periodically provide all invoices or other documentation with respect to such expenses to the GUC Administrator and the GUC Administrator shall timely remit to the PI Trust such amounts solely from the GUC Trust/PI Fund Operating Reserve so as to enable the PI

Trust to timely pay such expenses.[3] None of the Trustee, Delaware Trustee, the TAC, the Beneficial Owners nor any of their officers, agents, advisors, professionals or employees shall be personally liable for the payment of any operating expense or other liability of the PI Trust. Except as expressly set forth in the Plan, none of the Debtors or Reorganized Debtors, nor any of their officers, agents, advisors, professionals or employees shall be liable for the payment of any operating expense or other liability of the PI Trust, the Trustee or the TAC. To the extent that the Trustee determines that GUC Trust/PI Fund Operating Reserve is likely to incur a cash shortfall prior to the termination and winding up of the GUC Trust and/or the PI Trust (after taking into account additional funding of the GUC Trust/PI Fund Operating Reserve as contemplated by the Plan), the Trustee may determine to establish cash reserves from the corpus of the Trust, which cash reserves shall be allocated equitably to the Beneficial Owners by the Trustee in his or her judgment.

3.4 **Payment of Talc Claims.**

The Trustee will make distributions to the Beneficial Owners in a fair, consistent and equitable manner in accordance with this Trust Agreement, the TDP, the Plan and the Confirmation Order. All payments with respect to Talc Claims shall be made by the PI Trust solely out of the Trust Assets. If the Trustee determines immediately prior to the Dissolution Date, in his or her discretion, that all Talc Claims have been paid in full, or that making further payments with respect to Talc Claims is not cost-effective with respect to the final amounts to be

[3]. Nothing in this Trust Agreement shall preclude the Trustee and the PI Trustee from establishing appropriate and efficient cash management/accounting systems which may include the advancement of funds from the GUC Trust/PI Fund Operating Reserve to the PI Trust from time to time.

paid to Beneficial Owners, and that adequate provision has been made for all final obligations of the PI Trust, the Trustee shall have the authority to direct the remaining Trust Assets to a tax-exempt organization benefiting mesothelioma victims, as selected by the Trustee in his or her discretion.

ARTICLE IV

TRUSTEE; DELAWARE TRUSTEE

4.1 **Number**. In addition to the Delaware Trustee appointed pursuant to Section 4.9, there shall be one (1) Trustee who shall be the person named on the signature pages hereof.

4.2 **Term of Service.**

(a) The Trustee shall serve from the Effective Date until the earliest of (i) his or her death, (ii) his or her resignation pursuant to Section 4.2(b) below, (iii) his or her removal pursuant to Section 4.2(c) below, or (iv) the termination of the PI Trust pursuant to Section 6.2 below.

(b) The Trustee may resign at any time upon written notice to the Reorganized Debtors and the TAC with such notice filed with the Bankruptcy Court. Such notice shall specify a date when such resignation shall take effect, which shall not be less than ninety (90) days after the date such notice is given, where practicable.

(c) The Trustee may be removed by the unanimous consent of the TAC in the event the Trustee becomes unable to discharge his or her duties hereunder due to accident,

physical deterioration, mental incompetence or for other good cause, provided the Trustee has received reasonable notice and an opportunity to be heard. Other good cause shall mean fraud, self-dealing, intentional misrepresentation, willful misconduct, indictment for or conviction of a felony in each case whether or not connected to the PI Trust, or a consistent pattern of neglect and failure to perform or participate in performing the duties of Trustee hereunder. For the avoidance of doubt, any removal of a Trustee by the TAC pursuant to this Section 4.2(c) shall require the approval of the Bankruptcy Court and shall take effect at such time as the Bankruptcy Court shall determine.

(d) In the event of any vacancy in the office of the Trustee, including the death, resignation or removal of any Trustee, such vacancy shall be filled by the unanimous consent of the TAC, subject to the approval of the Bankruptcy Court. In the event the TAC cannot agree on a successor Trustee, the provisions of Section 6.12 below shall apply.

(e) Immediately upon the appointment of any successor Trustee pursuant to Section 4.2(d) above, all rights, titles, duties, powers and authority of the predecessor Trustee hereunder shall be vested in and undertaken by the successor Trustee without any further act. No successor Trustee shall be liable personally for any act or omission of his or her predecessor Trustee. No predecessor Trustee shall be liable personally for any act or omission of his or her successor Trustee. No successor Trustee shall have any duty to investigate the acts or omissions of his or her predecessor Trustee.

(f) Each successor Trustee shall serve until the earliest of (i) his or her death, (ii) his or her resignation pursuant to Section 4.2(b) above, (iii) his or her removal pursuant to Section 4.2(c) above, and (iv) the termination of the PI Trust pursuant to Section 6.2 below.

4.3 **Compensation and Expenses of the Trustee.**

(a) The Trustee shall receive compensation for his or her services as Trustee on matters related to the operation of the Trust in the amount of $600 per hour, plus an annual stipend of $25,000 (pro-rated for partial years), which shall be paid in equal quarterly instalments. The compensation payable to the Trustee hereunder shall be reviewed every year by the TAC and may be appropriately adjusted for changes in the cost of living. The PI Trust will reimburse the Trustee for fees and expenses incurred prior to the Effective Date in connection with this Trust Agreement and effectuating a timely, orderly, and efficient transition of duties and obligations to the Trustee as of the Effective Date, (such amount not to exceed $25,000), which shall be paid promptly after the Effective Date.

(b) The PI Trust will promptly reimburse the Trustee for all reasonable and documented out-of-pocket costs and expenses incurred by the Trustee in connection with the performance of his or her duties hereunder.

(c) The PI Trust shall include in the Annual Report a description of the amounts paid under this Section 4.3. The PI Trust shall provide quarterly reports to the Reorganized Debtors for a description of the amounts paid under this Section 4.3

4.4 **Standard of Care; Exculpation.**

(a) As used herein, the term "**Trust Indemnified Party**" shall mean each of (i) the Trustee, (ii) the Delaware Trustee, (iii) the TAC and its members, and (iv) the officers, employees, consultants, advisors, and agents of each of the PI Trust, the Trustee, and the TAC**.**

(b) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall not have or incur any liability for actions taken or omitted in their capacities as Trust Indemnified Parties, or on behalf of the PI Trust, except those acts found by a final order of a court of competent jurisdiction ("**Final Order**") to be arising out of their willful misconduct, bad faith, gross negligence or fraud, and shall be entitled to indemnification and reimbursement for reasonable fees and expenses in defending any and all of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the PI Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the PI Trust.

(c) To the extent that, at law or in equity, the Trust Indemnified Parties have duties (including fiduciary duties) or liability related thereto, to the PI Trust or the Beneficial Owners, it is hereby understood and agreed by the Parties that such duties and liabilities are

eliminated to the fullest extent permitted by applicable law, and replaced by the duties and liabilities expressly set forth in this Trust Agreement with respect to the Trust Indemnified Parties; provided, however, that with respect to the Trust Indemnified Parties other than the Delaware Trustee the duties of care and loyalty are not eliminated but are limited and subject to the terms of this Trust Agreement, including but not limited to this Section 4.4 and its subparts.

(d) The PI Trust will maintain appropriate insurance coverage for the protection of the Trust Indemnified Parties, as determined by the Trustee in his or her discretion.

4.5 **Protective Provisions.**

(a) Every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to Trust Indemnified Parties shall be subject to the provisions of this Section 4.5.

(b) In the event the Trustee retains counsel (including at the expense of the PI Trust), the Trustee shall be afforded the benefit of the attorney-client privilege with respect to all communications with such counsel, and in no event shall the Trustee be deemed to have waived any right or privilege including, without limitation, the attorney-client privilege even if the communications with counsel had the effect of guiding the Trustee in the performance of duties hereunder. A successor Trustee shall succeed to and hold the same respective rights and benefits of the predecessor for purposes of privilege, including the attorney-client privilege. No Party or other person may raise any exception to the attorney-client privilege described herein as any such exceptions are hereby waived by all Parties.

(c) No Trust Indemnified Party shall be personally liable under any circumstances, except for his or her own willful misconduct, bad faith, gross negligence or fraud as determined by a Final Order.

(d) No provision of this Trust Agreement shall require the Trust Indemnified Parties to expend or risk their own personal funds or otherwise incur financial liability in the performance of their rights, duties and powers hereunder.
