(e) In the exercise or administration of the Trust hereunder, the Trust Indemnified Parties (i) may act directly or through their respective agents or attorneys pursuant to agreements entered into with any of them, and the Trust Indemnified Parties shall not be liable for the default or misconduct of such agents or attorneys if such agents or attorneys have been selected by the Trust Indemnified Parties in good faith and with due care, and (ii) may consult with counsel, accountants and other professionals to be selected by them in good faith and with due care and employed by them, and shall not be liable for anything done, suffered or omitted in good faith by them in accordance with the advice or opinion of any such counsel, accountants or other professionals.

4.6 **Indemnification.**

(a) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall be entitled to indemnification and reimbursement for reasonable fees and expenses (including attorneys' fees and costs but excluding taxes in the nature of income taxes imposed on compensation paid to the Trust Indemnified Parties) in defending any and all

of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the PI Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case, except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the PI Trust.

(b) Reasonable expenses, costs and fees (including attorneys' fees and costs) incurred by or on behalf of the Trust Indemnified Parties in connection with any action, suit or proceeding, whether civil, administrative or arbitrative, from which they are indemnified by the PI Trust shall be paid by the PI Trust in advance of the final disposition thereof upon receipt of an undertaking, by or on behalf of the Trust Indemnified Parties, to repay such amount in the event that it shall be determined ultimately by Final Order that the Trust Indemnified Parties or any other potential indemnitee are not entitled to be indemnified by the PI Trust. The Trustee may, in his or her discretion, authorize an advance of reasonable expenses, costs and fees (including attorneys' fees and costs) to be incurred by or on behalf of the Trust Indemnified Parties, as set forth herein.

(c) The Trustee is authorized, but not required, to purchase and maintain appropriate amounts and types of insurance on behalf of the Trust Indemnified Parties, as determined by the Trustee, which may include insurance with respect to liability asserted against or incurred by such individual in that capacity or arising from his or her status as a Trust

Indemnified Party, and/or as an employee, agent, lawyer, advisor or consultant of any such person.

(d) The indemnification provisions of this Trust Agreement with respect to any Trust Indemnified Party shall survive the termination of such Trust Indemnified Party from the capacity for which such Trust Indemnified Party is indemnified. Modification of this Trust Agreement shall not affect any indemnification rights or obligations in existence at such time. In making a determination with respect to entitlement to indemnification of any Trust Indemnified Party hereunder, the person, persons or entity making such determination shall presume that such Trust Indemnified Party is entitled to indemnification under this Trust Agreement, and any person seeking to overcome such presumption shall have the burden of proof to overcome the presumption.

(e) The rights to indemnification hereunder are not exclusive of other rights which any Trust Indemnified Party may otherwise have at law or in equity, including common law rights to indemnification or contribution.

4.7 **Trustee Independence.** The Trustee shall not, during the term of his or her service, hold a financial interest in, act as attorney or agent for, or serve as an officer or as any other professional for the Reorganized Debtors. The Trustee shall not act as an attorney, agent, or other professional for any person who holds a Talc Claim. For the avoidance of doubt, this Section 4.7 shall not be applicable to the Delaware Trustee.

4.8 **No Bond.** Neither the Trustee nor the Delaware Trustee shall be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

4.9 **Delaware Trustee.**

(a) There shall at all times be a Delaware Trustee to serve in accordance with the requirements of the Act. The Delaware Trustee shall either be (i) a natural person who is at least twenty-one (21) years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law to be eligible to serve as the Delaware Trustee, and shall act through one or more persons authorized to bind such entity. If at any time the Delaware Trustee shall cease to be eligible to serve as Delaware Trustee in accordance with the provisions of this Section 4.9, it shall resign immediately in the manner and with the effect hereinafter specified in Section 4.9(c) below. For the avoidance of doubt, the Delaware Trustee will only have such rights, duties and obligations as expressly provided by reference to the Delaware Trustee hereunder. The Trustee shall have no liability for the acts or omissions of any Delaware Trustee.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities of the Trustee set forth herein. The Delaware Trustee shall be a trustee of the PI Trust for the sole and limited purpose of fulfilling the requirements of Section 3807(a) of the Act and for taking such actions as are required to be taken by a Delaware Trustee under the Act. The duties (including fiduciary duties), liabilities and obligations of the Delaware Trustee shall be limited to accepting legal process served on the PI Trust in the State of Delaware and the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Act. There shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. To the extent that, at law or in equity, the Delaware Trustee has duties (including fiduciary duties) and liabilities relating to the PI Trust or the Beneficial Owners, such duties and liabilities are replaced by the duties and liabilities of the Delaware Trustee expressly set forth in this Trust Agreement. The Delaware Trustee shall have no liability for the acts or omissions of any Trustee. Any permissive rights of the Delaware Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty and, with respect to any such permissive rights, the Delaware Trustee shall not be answerable for other than its willful misconduct, bad faith, gross negligence or fraud. The Delaware Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of the Trustee or any other person pursuant to the provisions of this Trust Agreement unless the Trustee or such other person shall have offered to the Delaware Trustee security or indemnity (satisfactory to the Delaware Trustee in its discretion) against the costs,

expenses and liabilities that may be incurred by it in compliance with such request or direction. The Delaware Trustee shall be entitled to request and receive written instructions from the Trustee and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Delaware Trustee in accordance with the written direction of the Trustee. The Delaware Trustee may, at the expense of the PI Trust, request, rely on and act in accordance with officer's certificates and/or opinions of counsel, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance with such officer's certificates and opinions of counsel.

(c) The Delaware Trustee shall serve until such time as the Trustee removes the Delaware Trustee or the Delaware Trustee resigns and a successor Delaware Trustee is appointed by the Trustee in accordance with the terms of Section 4.9(d) below. The Delaware Trustee may resign at any time upon the giving of at least sixty (60) days' advance written notice to the Trustee; provided that such resignation shall not become effective unless and until a successor Delaware Trustee shall have been appointed by the Trustee in accordance with Section 4.9(d) below; provided further that if any amounts due and owing to the Delaware Trustee hereunder remain unpaid for more than ninety (90) days, the Delaware Trustee shall be entitled to resign immediately by giving written notice to the Trustee. If the Trustee does not act within such sixty (60) day period, the Delaware Trustee, at the expense of the PI Trust, may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction for the appointment of a successor Delaware Trustee.

(d) Upon the resignation or removal of the Delaware Trustee, the Trustee shall appoint a successor Delaware Trustee by delivering a written instrument to the outgoing Delaware Trustee. Any successor Delaware Trustee must satisfy the requirements of Section 3807 of the Act. Any resignation or removal of the Delaware Trustee and appointment of a successor Delaware Trustee shall not become effective until a written acceptance of appointment is delivered by the successor Delaware Trustee to the outgoing Delaware Trustee and the Trustee, and any fees and expenses due to the outgoing Delaware Trustee are paid. Following compliance with the preceding sentence, the successor Delaware Trustee shall become fully vested with all of the rights, powers, duties and obligations of the outgoing Delaware Trustee under this Trust Agreement, with like effect as if originally named as Delaware Trustee, and the outgoing Delaware Trustee shall be discharged of his or her duties and obligations under this Trust Agreement. The successor Delaware Trustee shall make any related filings required under the Act, including filing a Certificate of Amendment to the Certificate of Trust of the PI Trust in accordance with Section 3810 of the Act.

(e) Notwithstanding anything herein to the contrary, any business entity into which the Delaware Trustee may be merged or converted or with which it may be consolidated or any entity resulting from any merger, conversion or consolidation to which the Delaware Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Delaware Trustee, shall be the successor of the Delaware Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

(f) The Delaware Trustee shall be entitled to compensation for its services as agreed pursuant to a separate fee agreement between the PI Trust and the Delaware Trustee, which compensation shall be paid by the PI Trust. Such compensation is intended for the Delaware Trustee's services as contemplated by this Trust Agreement. The terms of this paragraph shall survive termination of this Trust Agreement and/or the earlier resignation or removal of the Delaware Trustee.

(g) The Delaware Trustee shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document, other than this Trust Agreement, whether or not, an original or a copy of such agreement has been provided to the Delaware Trustee. The Delaware Trustee shall have no duty to know or inquire as to the performance or nonperformance of any provision of any other agreement, instrument or document, other than this Trust Agreement. Neither the Delaware Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the PI Trust, the Trustee or any other person, or any of their directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Delaware Trustee may assume performance by all such persons of their respective obligations. The Delaware Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other person. The Delaware Trustee shall have no responsibilities (except as expressly set forth herein) as to the validity, sufficiency, value, genuineness, ownership or transferability of any Trust Asset, written instructions, or any other documents in connection

therewith, and will not be regarded as making, nor be required to make, any representations thereto.

(h) The Delaware Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Trust Agreement arising out of, or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

ARTICLE V

TRUST ADVISORY COMMITTEE

5.1 **Members.** The TAC shall consist of three (3) members. To the extent that a member of the TAC elects to resign from the TAC in accordance with Section 5.3(b) below or is removed pursuant to Section 5.3(c) below, a successor shall be appointed pursuant to Section 5.4(a).

5.2 **Duties.** The members of the TAC shall serve in a fiduciary capacity, representing the interests of all holders of Talc Claims. The TAC shall have no fiduciary obligations or duties to any party other than the holders of Talc Claims. The Trustee must obtain the consent of the TAC on matters identified in Section 2.2(e) above. Where provided in the TDP, certain other actions by the Trustee are also subject to the consent of the TAC. Except for the duties and obligations expressed in this Trust Agreement and the TDP, there shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the TAC. To the extent that, at law or in equity, the TAC has duties (including fiduciary duties) and liabilities relating thereto to the PI Trust, the other Parties hereto or any Beneficial Owner of the PI Trust, it is hereby understood and agreed by the other Parties hereto that such duties and liabilities are replaced by the duties and liabilities of the TAC expressly set forth in the Governing Documents.

5.3 **Term of Office.**

(a) Each member of the TAC shall serve until the earlier of (i) his or her death, (ii) his or her resignation pursuant to Section 5.3(b) below, (iii) his or her removal pursuant to Section 5.3(c) below, or (iv) the termination of the PI Trust pursuant to Section 6.2 below.

(b) A member of the TAC may resign at any time by written notice to the other member of the TAC and the Trustee. Such notice shall specify a date when such resignation shall take effect, which shall not be less than thirty (30) days after the date such notice is given, where practicable.

(c) A member of the TAC may be removed in the event that he or she becomes unable to discharge his or her duties hereunder due to accident, physical deterioration, mental incompetence, or a consistent pattern of neglect and failure to perform or to participate in performing the duties of such member hereunder, such as repeated non-attendance at scheduled meetings, or for other good cause. Such removal may be made by the recommendation of the remaining member of the TAC with the approval of the Trustee.

5.4 **Appointment of Successors.**

(a) If a member of the TAC dies, resigns pursuant to Section 5.3(b) above, or is removed pursuant to Section 5.3(c) above, the vacancy shall be filled with an individual selected by the remaining TAC members with the approval of the Trustee, provided however, that if the remaining TAC members and the Trustee cannot agree on the successor the matter shall be resolved pursuant to Section 6.12 below.

(b) Each successor TAC member shall serve until the earlier of (i) his or her death, (ii) his or her resignation pursuant to Section 5.3(b) above, (iii) his or her removal pursuant to Section 5.3(c) above, or (iv) the termination of the PI Trust pursuant to Section 6.2 below.

(c) No successor TAC member shall be liable personally for any act or omission of his or her predecessor TAC member. No successor TAC member shall have any duty to investigate the acts or omissions of his or her predecessor TAC member.

5.5 **Compensation and Expenses of the TAC.** The members of the TAC shall not receive compensation from the PI Trust for their services as TAC members but shall be reimbursed for all reasonable out-of-pocket costs or expenses incurred in connection with the performance of such member's duties hereunder. A description of the amounts paid under this Section 5.5 shall be included in the Annual Report and shall be included in quarterly reports provided to the Reorganized Debtors.

5.6 **No Bond.** The members of the TAC shall not be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

5.7 **Procedures for Obtaining Consent of the TAC**

(a) Where the Trustee is required to obtain the consent of the TAC pursuant to Section 2.2(e) above, the TDP or otherwise, the Trustee shall provide the TAC with a written notice stating that its consent is being sought pursuant to that provision, describing in detail the nature and scope of the action the Trustee proposes to take, and explaining in detail the reasons

why the Trustee desires to take such action. The Trustee shall provide the TAC as much relevant information concerning the proposed action as is reasonably practicable under the circumstances. The Trustee shall also provide the TAC with reasonable access to the professionals or experts retained by the PI Trust and its staff (if any) as the TAC may reasonably request during the time that the Trustee is considering such action, and shall also provide the TAC the opportunity, at reasonable times and for reasonable periods of time, to discuss and comment on such action with the Trustee. In instances also requiring consent of the Reorganized Debtors, whose consent shall not be unreasonably denied or delayed, such notices and information provided to the TAC shall also be provided to the Reorganized Debtors.

(b) The TAC must consider in good faith and in a timely fashion any request for its consent by the Trustee and must in any event advise the Trustee in writing of its consent or objection to the proposed action within five (5) business days of receiving the original request for consent from the Trustee. The TAC may not withhold its consent unreasonably. If the TAC decides to withhold consent, it must explain in detail its objections to the proposed action. If the TAC does not advise the Trustee in writing of its consent or objections to the proposed action within five (5) days of receiving notice regarding such request, then consent of the TAC to the proposed action shall be deemed to have been affirmatively granted.

(c) If, after following the procedures specified in Section 5.7, the TAC continues to object to the proposed action and to withhold its consent to the proposed action, the Trustee and the TAC shall resolve their dispute pursuant to Section 6.12. The TAC shall bear the burden of proving that it reasonably withheld its consent. If the TAC meets that burden, the PI

Trust shall then bear the burden of showing why it should be permitted to take the proposed action notwithstanding the TAC's reasonable objection.

(d) Action by the TAC shall require the affirmative vote of the majority of the TAC members then in office.

ARTICLE VI

GENERAL PROVISIONS

6.1 **Irrevocability**. To the fullest extent permitted by applicable law, the PI Trust is irrevocable.

6.2 **Term; Termination.**

(a) The term for which the PI Trust is to exist shall commence on the date of the filing of the Certificate of Trust and shall terminate pursuant to the provisions of this Section 6.2.

(b) The PI Trust shall automatically dissolve as soon as practicable but no later than ninety (90) days after the date on which the Bankruptcy Court approves the dissolution upon the satisfaction of the purposes of the PI Trust, wherein (i) all reasonably expected assets have been collected, (ii) all payments with respect to Talc Claims under Section 3.4 above have been made, (iii) necessary arrangements and reserves have been made to discharge all anticipated remaining obligations and operating expenses in a manner consistent with Governing

Documents, and (iv) a final accounting has been filed and approved by the Bankruptcy Court (the "**Dissolution Date**").

(c) On the Dissolution Date or as soon as reasonably practicable thereafter, after the wind-up of the affairs of the PI Trust by the Trustee and payment of all of the PI Trust's liabilities have been provided for as required by applicable law including Section 3808 of the Act, all monies remaining in the PI Trust shall be distributed or disbursed in accordance with Section 3.4.

(d) Following the dissolution and distribution of the assets of the PI Trust, the PI Trust shall terminate, and the Trustee shall execute and cause a Certificate of Cancellation of the Certificate of Trust of the PI Trust to be filed in accordance with the Act. Notwithstanding anything to the contrary contained in this Trust Agreement, the existence of the PI Trust as a separate legal entity shall continue until the filing of such Certificate of Cancellation. A certified copy of the Certificate of Cancellation shall be given to the Delaware Trustee for its records promptly following such filing.

6.3 **Amendments**. Any amendment to or modification of this Trust Agreement may be made in writing and only pursuant to an order of the Bankruptcy Court; provided, however, the Trustee may amend this Trust Agreement with the unanimous consent of the TAC from time to time without the consent, approval or other authorization of, but with notice to, the Bankruptcy Court, to make: (i) minor modifications or clarifying amendments necessary to enable the Trustee to effectuate the provisions of this Trust Agreement; (ii) amendments permitted pursuant to Section 6.1 of the TDP, or (iii) modifications to satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, statute, ruling or regulation of any federal, state or foreign governmental entity. Notwithstanding the foregoing, the TDP may be amended in writing by the Trustee with the consent of the TAC without an order of the Bankruptcy Court, provided, however, the amended TDP shall be filed with the Bankruptcy Court within thirty (30) days following the effective date of such amended TDP. Notwithstanding the foregoing, (i) no amendment or modification of this Trust Agreement shall modify this Trust Agreement in a manner that is inconsistent with the Plan or the Confirmation Order, other than, with the Reorganized Debtors' consent, to make minor modifications or clarifying amendments as necessary to enable the Trustee to effectuate the provisions of this Trust Agreement; (ii) neither this Trust Agreement, the TDP, nor any Exhibit to this Trust Agreement or the TDP shall be modified or amended in any way that could jeopardize, impair, or modify the PI Trust's Qualified Settlement Fund status under the QSF Regulations; and (iii) any amendment or modification of this Trust Agreement, or Exhibit hereto, or the TDP, or Schedule thereto, affecting the rights, duties, immunities or liabilities of the Delaware Trustee shall require the Delaware Trustee's written consent. The Trustee shall provide at least ten (10) business days'

written notice to the Reorganized Debtors prior to making any amendment or modification to the Trust Agreement or any Exhibit thereto, or the TDP or any Schedule thereto, and if the Reorganized Debtors reasonably and in good faith advise the Trustee in writing that the proposed amendment or modification affects, directly or indirectly, any right, duty, immunity, interest or liability of the Reorganized Debtors, then the Reorganized Debtors' consent (which shall not be unreasonably denied or delayed) shall be required for such proposed amendment or modification. Any dispute between the Trustee and the Reorganized Debtors with respect to this Section 6.3 shall be resolved by the Bankruptcy Court.

6.4 **Severability**. Should any provision in this Trust Agreement be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this Trust Agreement.

6.5 **Notices.**

(a) Notices to persons asserting Talc Claims shall be given in accordance with such person's claims form submitted to the PI Trust with respect to his or her Talc Claim.

(b) Any notices or other communications required or permitted hereunder to the following Parties shall be in writing and delivered to the addresses or e-mail addresses designated below, or to such other addresses or e-mail addresses as may hereafter be furnished in writing to each of the other Parties listed below in compliance with the terms hereof.

(c) All such notices and communications if mailed shall be effective when physically delivered at the designated addresses or, if electronically transmitted, when the communication is received at the designated addresses.

6.6 **Successors and Assigns**. The provisions of this Trust Agreement shall be binding upon and inure to the benefit of the Reorganized Debtors (which shall be a third-party beneficiary hereof), the PI Trust, the TAC, the Delaware Trustee, the Trustee, and their respective successors and assigns, except that neither the PI Trust, the TAC, the Delaware Trustee, nor the Trustee, may assign or otherwise transfer any of their rights or obligations, if any, under this Trust Agreement except in the case of the Delaware Trustee in accordance with Section 4.9(d), and in the case of the Trustee in accordance with Section 4.2(d) above, and in the case of the TAC members in accordance with Section 5.4(b) above.

6.7 **Limitation on Talc Claims Interests for Securities Laws Purposes**. Talc Claims, and any interests therein, (a) shall not be assigned, conveyed, hypothecated, pledged, or otherwise transferred, voluntarily or involuntarily, directly or indirectly, except by will, under the laws of descent and distribution or otherwise by operation of law; (b) shall not be evidenced by a certificate or other instrument; (c) shall not possess any voting rights; and (d) shall not be entitled to receive any dividends or interest.

6.8 **Exemption from Registration**. The Parties hereto intend that the interests of the Beneficial Owners under this Trust Agreement shall not be "securities" under applicable laws, but none of the Parties hereto represent or warrant that such rights shall not be securities or shall be entitled to exemption from registration under applicable securities laws. If it should be determined that any such interests constitute "securities," the Parties hereto intend that the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied and the offer and sale under the Plan of the beneficial interests in the PI Trust will be exempt from registration under the Securities Act, all rules and regulations promulgated thereunder, and all applicable state and local securities laws and regulations.

6.9 **Entire Agreement; No Waiver**. The entire agreement of the Parties relating to the subject matter of this Trust Agreement is contained herein (including the TDP), and in the documents referred to herein (including the Plan), and this Trust Agreement and such documents supersede any prior oral or written agreements concerning the subject matter hereof. No failure to exercise or delay in exercising any right, power, or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any further exercise thereof or of any other right, power, or privilege. The rights and remedies herein provided are cumulative and are not exclusive of rights under law or in equity.

6.10 **Headings.** The headings used in this Trust Agreement are inserted for convenience only and do not constitute a portion of this Trust Agreement, nor in any manner affect the construction of the provisions of this Trust Agreement.

6.11 **Governing Law**. The validity and construction of this Trust Agreement and all amendments hereto and thereto shall be governed by the laws of the State of Delaware, and the rights of all Parties hereto and the effect of every provision hereof shall be subject to and construed according to the laws of the State of Delaware without regard to the conflicts of law provisions thereof that would purport to apply the law of any other jurisdiction; provided, however, that the Parties hereto intend that the provisions hereof shall control and there shall not be applicable to the PI Trust, the Trustee, the Delaware Trustee, the TAC, or this Trust Agreement, any provision of the laws (statutory or common) of the State of Delaware pertaining to trusts that relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of Trustee accounts or schedules of Trustee fees and charges; (b) affirmative requirements to post bonds for the Trustee, officers, agents, or employees of a trust; (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding, or disposition of real or personal property; (d) fees or other sums payable to the Trustee, officers, agents, or employees of a trust; (e) the allocation of receipts and expenditures to income or principal; (f) restrictions or limitations on the permissible nature, amount, or concentration of trust investments or requirements relating to the titling, storage, or other manner of holding of trust assets; (g) the existence of rights or interests (beneficial or otherwise) in trust assets; (h) the ability of beneficial owners or other persons to terminate or dissolve a trust; or (i) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of the Trustee or beneficial owners that are inconsistent with the limitations on liability or authorities and powers of the Trustee, the Delaware Trustee, or the TAC, set forth or referenced in this Trust Agreement. Section 3540 of

the Act shall not apply to the PI Trust.

6.12 **Dispute Resolution**.

(a) Unless otherwise expressly provided for herein, the dispute resolution procedures of this Section 6.12 shall be the exclusive mechanism to resolve any dispute arising under or with respect to this Trust Agreement. For the avoidance of doubt, this Section 6.12 shall not apply to the Delaware Trustee or to the Reorganized Debtors in any respect or any dispute with respect to the resolution of Talc Claims which shall be governed exclusively by the TDP. This Section 6.12 shall not apply to any matters as between the GUC Trust or the Trustee, on the one hand, and the PI Trust or the PI Trustee, on the other hand, related to or arising from the GUC Trust/PI Fund Operating Reserve.

(b) **Informal Dispute Resolution**. Any dispute under this Trust Agreement shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when a disputing party sends to the counterparty or counterparties a written notice of dispute ("**Notice of Dispute**"). Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed thirty (30) days from the date the Notice of Dispute is received by the counterparty or counterparties, unless that period is modified by written agreement of the disputing party and counterparty or counterparties. If the disputing party and the counterparty or counterparties cannot resolve the dispute by informal negotiations, then the disputing party may invoke the formal dispute resolution procedures as set forth below.

(c) **Formal Dispute Resolution**. The disputing party shall invoke formal dispute resolution procedures, within the time period provided in the preceding subparagraph, by serving on the counterparty or counterparties a written statement of position regarding the matter in dispute ("**Statement of Position**"). The Statement of Position shall include, but need not be limited to, any factual data, analysis or opinion supporting the disputing party's position and any supporting documentation and legal authorities relied upon by the disputing party. Each counterparty shall serve its Statement of Position within thirty (30) days of receipt of the disputing party's Statement of Position, which shall also include, but need not be limited to, any factual data, analysis or opinion supporting the counterparty's position and any supporting documentation and legal authorities relied upon by the counterparty. If the disputing party and the counterparty or counterparties are unable to consensually resolve the dispute within thirty (30) days after the last of all counterparties have served its Statement of Position on the disputing party, the disputing party may file with the Bankruptcy Court a motion for judicial review of the dispute in accordance with Section 6.12(d).

(d) **Judicial Review**. The disputing party may seek judicial review of the dispute by filing with the Bankruptcy Court (or, if the Bankruptcy Court shall not have jurisdiction over such dispute, such court as has jurisdiction pursuant to Section 1.5 above) and serving on the counterparty or counterparties and the Trustee, a motion requesting judicial resolution of the dispute. The motion must be filed within forty-five (45) days of receipt of the last counterparty's Statement of Position pursuant to the preceding subparagraph. The motion shall contain a written statement of the disputing party's position on the matter in dispute,

including any supporting factual data, analysis, opinion, documentation and legal authorities, and shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly administration of the PI Trust. Each counterparty shall respond to the motion within the time period allowed by the rules of the court, and the disputing party may file a reply memorandum, to the extent permitted by the rules of the court.

6.13 **Effectiveness**. This Trust Agreement shall become effective on the Effective Date.

6.14 **Counterpart Signatures**. This Trust Agreement may be executed in any number of counterparts and by different Parties on separate counterparts (including by PDF transmitted by e-mail), and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument.

IN WITNESS WHEREOF, the Parties have executed this Trust Agreement this ____ day of _____, 2023.

(v) Open-ended mutual funds owning only assets described in subparts (i) through (iv) of this subsection.

The value of bonds of any single company and its affiliates owned by the Trust directly rather than through a mutual fund shall not exceed 10% of the investment portfolio at time of purchase; this restriction does not apply to any of the following: Repurchase Agreements; Money Market Funds; U.S. Treasuries; and U.S. Government Agencies.

Any such investments shall be made consistently with the Uniform Prudent Investor Act. The determination of the rating of any investments shall be made by the Trust's financial advisor on the date of acquisition of any such investment or on the date of re-investment. The Trust's financial advisor shall reconfirm that all investments of Trust Assets still meet the original rating requirement on a quarterly basis. If the Trust's financial advisors determine that any particular investment no longer meets the rating requirement, there shall be a substitution of that investment with an investment that meets the ratings requirement as promptly as practicable, but in no event later than the next reporting period. Previously purchased securities downgraded below AA may be held for a reasonable and prudent period of time if the Trust's financial advisor believes it is in the interest of the Trust to do so.

The borrowing of funds or securities for the purpose of leveraging, shorting, or other investments is prohibited. Investment in non-U.S. dollar denominated bonds is prohibited. NOW, THEREFORE, it is hereby agreed as follows:

ARTICLE I

AGREEMENT OF TRUST

1.1 Creation and Name. There is hereby created a trust known as the "Old Revco GUC Liquidating Trust." The Trustee of the GUC Trust may transact the business and affairs of the GUC Trust in the name of the GUC Trust, and references herein to the GUC Trust shall include the Trustee acting on behalf of the GUC Trust. It is the intention of the Parties that the GUC Trust qualify as a "liquidating trust" within the meaning of Section 301.7701-4(d) of the Treasury Regulations and that this Trust Agreement constitute the governing instrument of the GUC Trust, except with respect to any Disputed Ownership Fund. The Trustee and the Delaware Trustee are hereby authorized and directed to execute and file a Certificate of Trust with the Delaware Secretary of State in the form attached hereto as **Exhibit 1**.

1.2 Purposes. The purposes of the GUC Trust are to:

(a) receive the Settlement Consideration pursuant to the terms of the Plan and the Confirmation Order;

(b) hold, manage, protect and invest the Settlement Consideration, together with any income or gain earned thereon and proceeds derived therefrom (collectively, the "**Trust Assets**"), and monetize any non-liquid Trust Assets, in accordance with the terms of the Plan, the Confirmation Order and this Trust Agreement (the "**Governing Documents**") for the benefit of the GUC Trust Beneficiaries, with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purposes of the GUC Trust;

(c) administer, dispute, object to, compromise, or otherwise resolve all Non-Qualified Pension Claims, and Trade Claims (the "**Beneficiary Claims**"), *provided* that to the extent set forward in the Plan, the Debtors, with the consent (not to be unreasonably withheld, conditioned, or delayed) of the Required Consenting BrandCo Lenders and in consultation with the Creditors' Committee, or the Reorganized Debtors, in consultation with the Trustee, may elect to administer, dispute, object to, compromise, or otherwise resolve any such Beneficiary Claim;

(d) commence and pursue the Retained Preference Actions, and manage and administer any proceeds thereof in accordance with the Plan, including, as required under the Plan, transferring 18.77% of all Retained Preference Action Net Proceeds to the Reorganized Debtors, subject to timely receipt of payment instructions therefrom, not later than fifteen (15) business days after the receipt thereof;

(e) hold and maintain the GUC Trust/PI Fund Operating Reserve to pay the GUC Trust/PI Fund Operating Expenses, which reserve shall be (a) funded (i) by the Debtors or the Reorganized Debtors as expressly set forth in the Plan, and (ii) from proceeds of Retained

Preference Actions recovered by the GUC Trust, (b) held in a segregated account and administered by the Trustee for the GUC Trust and as agent for the PI Trust on and after the Effective Date (subject to any agreement reached by the Trustee and the PI Trustee as to how to administer, or as ordered by the Bankruptcy Court), and (c) allocated as between the GUC Trust and the PI Trust by the Trustee and PI Claims Administrator as determined from time to time (or as ordered by the Bankruptcy Court);

(f) satisfy and pay the GUC Trust/PI Fund Operating Expenses from the GUC Trust/PI Fund Operating Reserve in accordance with the Plan and this Trust Agreement;

(g) qualify at all times as a "liquidating trust" within the meaning of Section 301.7701-4(d) of the Treasury Regulations, except with respect to any Disputed Ownership Fund;

(h) make distributions of Trust Assets to GUC Trust Beneficiaries in accordance with and subject to the terms of this Trust Agreement and the Plan; and

(i) engage in any lawful activity that is appropriate and in furtherance of the purposes of the GUC Trust to the extent consistent with the Plan, the Confirmation Order and this Trust Agreement.

1.3 Transfer of Assets. Pursuant to, and in accordance with Article IV.R of the Plan, the GUC Trust has received the Settlement Consideration to fund the GUC Trust. The Trust Assets and any other assets to be transferred to the GUC Trust under the Plan will be transferred to the GUC Trust free and clear of any liens or other claims by the Debtors, the Reorganized Debtors, any creditor, or other entity. As required under the Plan, the GUC Trust shall

transfer 18.77% of all Retained Preference Action Net Proceeds to the Reorganized Debtors, subject to timely receipt of payment instructions therefrom, within fifteen (15) business days after the receipt thereof.

1.4 Acceptance of Assets and Assumption of Liabilities.

(a) In furtherance of the purposes of the GUC Trust, the GUC Trust hereby expressly accepts the transfer to the GUC Trust of the Settlement Consideration in the time and manner as, and subject to the terms, contemplated in the Plan.

(b) In furtherance of the purposes of the GUC Trust, except as otherwise provided in this Trust Agreement or the Plan, the GUC Trust shall have and retain any and all rights and defenses the Debtors had with respect to any Beneficiary Claims immediately before the Effective Date to the extent necessary to administer such Claims in accordance with this Trust Agreement and the Plan.

(c) Notwithstanding anything to the contrary herein, no provision herein shall be construed or implemented in a manner that would cause the GUC Trust to fail to qualify as a "liquidating trust" within the meaning of Section 301.7701-4(d) of the Treasury Regulations, except with respect to any Disputed Ownership Fund.

(d) In this Trust Agreement, the words "must," "will," and "shall" are intended to have the same mandatory force and effect, while the word "may" is intended to be permissive rather than mandatory.

1.5 Jurisdiction. The Bankruptcy Court shall have continuing jurisdiction over the GUC Trust, provided, however, that the courts of the State of Delaware, including any federal court located therein, shall also have jurisdiction over the GUC Trust.

ARTICLE II

POWERS, TRUST ADMINISTRATION, AND REPORTING

2.1 Powers.

(a) The Trustee is and shall act as a fiduciary to the GUC Trust in accordance with the provisions of this Trust Agreement, the Plan and the Confirmation Order. The Trustee shall, at all times, administer the GUC Trust in accordance with the purposes set forth in Section 1.2 above and the Plan. Subject to the limitations set forth in this Trust Agreement and the Plan, the Trustee shall have the power to take any and all actions that, in the judgment of the Trustee, are necessary or proper to fulfill the purposes of the GUC Trust, including, without limitation, each power expressly granted in this Section 2.1, any power reasonably incidental thereto and not inconsistent with the requirements of Section 2.2 below, and any trust power now or hereafter permitted under the laws of the State of Delaware.

(b) Except as required by applicable law or as otherwise specified herein or in the Plan or the Confirmation Order, the Trustee need not obtain the order or approval of any court in the exercise of any power or discretion conferred hereunder.

(c) Without limiting the generality of Section 2.1(a) above, and except as limited below or by the Plan, the Trustee shall have the power to:

(i) receive and hold the Settlement Consideration and exercise all rights with respect thereto;

(ii) invest the monies held from time to time by the GUC Trust in accordance with the Investment Guidelines pursuant to Section 3.2 below;

(iii) administer the GUC Trust/PI Fund Operating Reserve for the benefit of the GUC Trust, including any Disputed Ownership Fund thereof, and the PI Trust as set forth in the Plan;[3]

(iv) incur expenses and other obligations of the GUC Trust necessary to carry out the purposes of the GUC Trust in accordance with the Plan, and pay or satisfy such obligations from the GUC Trust/PI Fund Operating Reserve as set forth in the Plan;

(v) establish such funds, reserves, and accounts within the GUC Trust, as the Trustee deems useful in carrying out the purposes of the GUC Trust;

(vi) sue and be sued and participate, as a party or otherwise, in any judicial, administrative, arbitrative, or other proceeding, as required to reconcile, administer, or defend against the Beneficiary Claims;

[3] The PI Trust shall periodically provide all invoices or other documentation with respect to its expenses to the Trustee and the Trustee shall timely remit to the PI Trust such amounts solely from the GUC Trust/PI Fund Operating Reserve so as to enable the PI Trust to timely pay its expenses. Nothing in this Trust Agreement shall preclude the Trustee and the PI Trustee from establishing appropriate and efficient cash management/accounting systems which may include the advancement of funds from the GUC Trust/PI Fund Operating Reserve to the PI Trust from time to time.

(vii) establish, supervise, and administer the GUC Trust and make distributions to GUC Trust Beneficiaries pursuant to the terms of this Trust Agreement and the Plan;

(viii) appoint such officers and retain such consultants, advisors, independent contractors, experts and agents and engage in such legal, financial, administrative, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities as the GUC Trust requires, and delegate to such persons such powers and authorities as the fiduciary duties of the Trustee permit and as the Trustee, in his or her discretion, deems advisable or necessary in order to carry out the terms of this Trust Agreement;

(ix) pay reasonable compensation from the GUC Trust/PI Fund Operating Reserve for any of the GUC Trust's consultants, advisors, independent contractors, experts, and agents for legal, financial, administrative, accounting, investment, auditing, forecasting, and alternative dispute resolution services and activities as the GUC Trust requires;

(x) pay reasonable compensation from the GUC Trust/PI Fund Operating Reserve for the Trustee, the Delaware Trustee, and their employees, consultants, advisors, independent contractors, experts and agents, and reimburse the Trustee and the Delaware Trustee for all reasonable out-of-pocket costs and expenses incurred by such persons in connection with the performance of their duties hereunder;

(xi) cooperate with the Reorganized Debtors to the extent set forth in the Plan, with respect to all administrative responsibilities that are provided in the Plan and this

Trust Agreement, including the Reorganized Debtors' filing of the applicable operating report and administering the closure of the Chapter 11 Cases;[4]

(xii) enter into such other arrangements with third parties as the Trustee deems useful in carrying out the purposes of the GUC Trust, provided such arrangements do not conflict with any other provision of this Trust Agreement or the Plan;

(xiii) in accordance with Section 4.4 below, defend, indemnify, and hold harmless (and purchase insurance indemnifying) the Trust Indemnified Parties (as defined in Section 4.4 below), to the fullest extent that a statutory trust organized under the laws of the State of Delaware is from time to time entitled to defend, indemnify, hold harmless, and/or insure its directors, trustees, officers, employees, consultants, advisors, agents, and representatives. No party shall be indemnified in any way for any liability, expense, claim, damage, or loss for which he or she is liable under Section 4.4 below;

(xiv) commence and pursue the Retained Preference Actions, and manage and administer any proceeds thereof in accordance with the Plan; and

(xv) exercise any and all other rights, and take any and all other actions as are permitted, of the Trustee in accordance with the terms of this Trust Agreement and the Plan.

[4] For the avoidance of doubt, the GUC Trust shall not be required to incur any expense arising from the Reorganized Debtors' obligations of filing and/or administering the Chapter 11 Cases; provided that in the event the Reorganized Debtors are prevented from seeking final certification and closing of the Chapter 11 Cases due solely to the activities of and/or by request of the GUC Trust or the PI Trust, any of the Chapter 11 Cases identified by the Trustee and so requested shall remain open, provided further that the GUC Trust and/or the PI Trust, as applicable, shall thereafter be responsible for all statutory fees and any ongoing reporting required (if any) for maintaining the Chapter 11 Cases until such time that the Trustee, by and through appropriate parties and professionals, seeks authority from the Bankruptcy Court to close such Chapter 11 Cases in accordance with the Bankruptcy Code and the Bankruptcy Rules.

(d) The GUC Trust shall not have the power to guarantee any debt of other persons.

(e) The Trustee shall endeavor to make timely distributions and not unduly prolong the duration of the GUC Trust.

2.2 General Administration.

(a) The Trustee shall act in accordance with the Governing Documents. In the event of a conflict between the terms of this Trust Agreement and the Plan, the terms of the Plan shall control. For the avoidance of doubt, this Trust Agreement shall be construed and implemented in accordance with the Plan, regardless of whether any provision herein explicitly references the Plan.

(b) The Trustee shall (i) timely file such tax returns and pay any taxes imposed on the GUC Trust in accordance with Section 5.3, (ii) comply with all applicable reporting and withholding obligations in accordance with Section 5.4, (iii) satisfy all requirements necessary to qualify and maintain qualification of the GUC Trust as a "liquidating trust" within the meaning of Section 301.7701-4(d) of the Treasury Regulations, except with respect to any Disputed Ownership Fund, and (iv) take no action that could cause the GUC Trust to fail to qualify as a "liquidating trust" within the meaning of Section 301.7701-4(d) of the Treasury Regulations, except with respect to any Disputed Ownership Fund.

(c) The Trustee shall be required to obtain the consent of the Reorganized Debtors, which shall not be unreasonably withheld or delayed:

(i) to materially modify the compensation of the Trustee;

(ii) to acquire an interest in and/or merge with and/or contract with another settlement trust; or

(iii) to make any amendment or modification of this Trust Agreement, or Exhibit hereto, that directly or indirectly affects the rights, duties, immunities, interests or liabilities of the Reorganized Debtors, which in each case shall be in accordance with Section 6.3; provided that no such amendment shall be in contravention of the Plan.

(d) Other than the obligations of the Trustee specifically set forth in this Trust Agreement, the Plan, or the Confirmation Order, the Trustee shall have no obligations of any kind or nature with respect to his position as such.

2.3 Reporting.

(a) The Trustee shall timely prepare, file and distribute such statements, reports and submissions to the extent required by applicable law.

(b) The Trustee shall cause to be prepared and filed with the Bankruptcy Court, as soon as available, and in any event no later than one hundred and twenty (120) days following the end of each fiscal year, an annual report (the "**Annual Report**") containing special-purpose financial statements of the GUC Trust (including, without limitation, a special-purpose statement of assets, liabilities and net claimants' equity, a special-purpose statement of changes in net claimants' equity and a special-purpose statement of cash flows). The Trustee shall not be required to obtain an audit of the Annual Report by a firm of independent certified public accountants. The

Annual Report shall be made available to the Reorganized Debtors and the GUC Trust Beneficiaries by means of actual notice, provided, however, the Trustee may post the Annual Report on a website maintained by the GUC Trust in lieu of actual notice to each GUC Trust Beneficiary (unless otherwise required by law).

ARTICLE III

ACCOUNTS, INVESTMENTS, AND PAYMENTS

3.1 Accounts.

(a) The Trustee shall maintain one or more accounts (the "**Trust Accounts**") on behalf of the GUC Trust with one or more financial depository institutions (each a "**Financial Institution**").

(b) Candidates for the positions of Financial Institution shall fully disclose to the Trustee any interest in or relationship with the Reorganized Debtors or their affiliated persons. Any such interest or relationship shall not be an automatic disqualification for the position, but the Trustee shall take any such interest or relationship into account in selecting a Financial Institution.

(c) The Trustee may replace any retained Financial Institution with a successor Financial Institution at any time, and such successor shall be subject to the considerations set forth in Section 3.1(a) above.

(d) The Trustee may, from time to time, create such accounts and reasonable reserves within the Trust Accounts as authorized in this Section 3.1 and as he or she may deem necessary, prudent or useful in order to provide for distributions to the GUC Trust Beneficiaries

and may, with respect to any such account or reserve, restrict the use of money therein for a specified purpose (the "**Trust Subaccounts**"). Any such Trust Subaccounts established by the Trustee shall be held as Trust Assets and, except as specifically designated as such in accordance with the provisions of Section 5.3(c) below, are not intended to be subject to separate entity tax treatment as a "disputed claims reserve" or a "disputed ownership fund" within the meaning of the IRC or Treasury Regulations.

3.2 Investment Guidelines.

(a) The Trustee may invest the Trust Assets in accordance with the Investment Guidelines, attached hereto as **Exhibit 2** (the "**Investment Guidelines**").

(b) In the event the GUC Trust holds any non-liquid assets, the Trustee shall own, protect, oversee, and monetize such non-liquid assets in accordance with the Governing Documents. This Section 3.2(b) is intended to modify the application to the GUC Trust of the "prudent person" rule, "prudent investor" rule and any other rule of law that would require the Trustee to diversify the Trust Assets.

(c) Cash proceeds received by the GUC Trust in connection with its monetization of the non-liquid Trust Assets shall be invested in accordance with the Investment Guidelines until needed for the purposes of the GUC Trust as set forth in Section 1.2 above.

3.3 Payment of Operating Expenses.

All operating expenses of the GUC Trust shall be paid from the GUC Trust/PI Fund Operating Reserve as provided in the Plan. None of the Trustee, Delaware Trustee, the GUC Trust

Beneficiaries, nor any of their officers, agents, advisors, professionals or employees shall be personally liable for the payment of any operating expense or other liability of the GUC Trust. Except as expressly set forth in the Plan, none of the Debtors or Reorganized Debtors, nor any of their officers, agents, advisors, professionals or employees shall be liable for the payment of any operating expense or other liability of the GUC Trust or the Trustee. To the extent that the Trustee determines that GUC Trust/PI Fund Operating Reserve is likely to incur a cash shortfall prior to the termination and winding up of the GUC Trust and/or the PI Trust (after taking into account additional funding of the GUC Trust/PI Fund Operating Reserve as contemplated by the Plan), the Trustee may determine to establish cash reserves from the corpus of the GUC Trust, which cash reserves shall be allocated equitably to the GUC Trust Beneficiaries by the Trustee in his or her judgment.[5]

3.4 Distributions to GUC Trust Beneficiaries.

(a) The Trustee will make distributions to GUC Trust Beneficiaries in a fair, consistent and equitable manner in accordance with this Trust Agreement, the Plan and the Confirmation Order.

(b) Distributions to GUC Trust Beneficiaries shall be made, as determined by the Trustee in his or her discretion subject to the terms of the Plan, provided, however, the GUC Trust must distribute at least annually to the GUC Trust Beneficiaries its net income plus all net

[5] The Trustee's determination of an anticipated cash shortfall shall take into consideration the GUC Trust/PI Fund Operating Reserves applicable to the PI Trust to the extent appropriate (i.e., to the extent the PI Trustee determines it is likely that the PI Trust shall incur a similar cash shortfall); to the extent appropriate, a cash reserve from the corpus of the PI Trust applicable to a cash shortfall at the PI Trust shall also be allocated equitably to the PI Trust Beneficiaries by the PI Trustee in his or her judgment.

proceeds from the sale of assets, except that the GUC Trust may retain an amount of net proceeds or net income reasonably necessary to maintain the value of its assets or to meet claims and contingent liabilities (including disputed claims).

(c) The GUC Trust may withhold or deduct from amounts distributable to any Person any and all amounts, determined in the Trustee's reasonable sole discretion, required by any law, regulation, rule, ruling, directive, or other governmental requirement (including, without limitation, tax withholding in accordance with Section 5.4 below). Any Trust Assets which are undistributable in accordance with this Section 3.4 as of the termination of the GUC Trust shall (i) revert to the GUC Trust (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary); (ii) the Beneficiary Claim with respect to such undistributable amount shall be released, settled, compromised and forever barred, and (iii) the undistributable amount shall be reallocated to the other Beneficiary Claims, in accordance with provisions of the Plan and this Trust Agreement.

(d) The Trustee may retain a distribution agent for the effective administration and distribution of amounts payable to GUC Trust Beneficiaries; provided, however, that such distribution agent shall have no greater authority than, and shall be subject to the same restrictions as, the Trustee under this Trust Agreement.

(e) Subject to Bankruptcy Rule 9010, any distribution to a GUC Trust Beneficiary shall be made: (1) at the addresses set forth on the respective proofs of Claim filed by such holders; (2) at the address set forth in any written notices of address changes delivered to the Trustee after the date of any related proof of Claim; or (3) at the address reflected in the

schedules if no proof of Claim is filed with the Trustee (as to Beneficiary Claims administered by the GUC Trust) and the Trustee has not received a written notice of a change of address. Except as set forth in the Plan, if any GUC Trust Distribution or other communication from the GUC Trust is returned as undeliverable, no further GUC Trust Distribution shall be made to such holder unless the Trustee is notified in writing of such holder's then current address. Undeliverable GUC Trust Distributions shall remain in the possession of the Trustee until the earlier of (i) such time as a GUC Trust Distribution becomes deliverable or (ii) such undeliverable GUC Trust Distribution becomes an Unclaimed Distribution pursuant to the provisions of the Plan and this Trust Agreement. Except as required by law, the Trustee (or its duly authorized agent) shall have no obligation to locate any GUC Trust Beneficiary.

(f) After final GUC Trust Distributions have been made in accordance with the Plan, the Confirmation Order and this Trust Agreement, and adequate provision has been made for all final obligations of the GUC Trust, the Trustee shall have the authority to direct the remaining Trust Assets to a tax-exempt organization as selected by the Trustee in his or her discretion.

(g) Checks issued to GUC Trust Beneficiaries shall be null and void if not negotiated within one hundred eighty (180) calendar days after the date of issuance thereof. Requests for reissuance of any voided check shall be made directly to the Trustee by the GUC Trust Beneficiary to whom such check was originally issued. Any Beneficiary Claim in respect of such a voided check shall be made within one hundred eighty (180) calendar days after the date of issuance of such check. If no request is made as provided in the preceding sentence, the check shall be deemed undistributable and shall be subject to the provisions of Section 3.4(c).

(h) Cash payments to foreign GUC Trust Beneficiaries may be made, at the option of the Trustee, in such funds and by such means as are necessary or customary in the foreign jurisdiction of such foreign holder.

(i) The Trustee shall have the discretion to determine the timing of GUC Trust Distributions in the most efficient and cost-effective manner possible; provided, however, that the Trustee's discretion may not be exercised in a manner inconsistent with any express requirements of the Plan.

(j) Notwithstanding any provision in the Trust Agreement, the Plan or the Confirmation Order to the contrary, the Trustee, in the Trustee's sole discretion, may decline to make any distribution of $100 or less, due to the economic inefficiency of making a distribution of such a *de minimis* amount.

4.4 Standard of Care; Exculpation.

(a) As used herein, the term "**Trust Indemnified Party**" shall mean each of (i) the Trustee, (ii) the Delaware Trustee, and (iii) the officers, employees, consultants, advisors, and agents of each of the GUC Trust and the Trustee.

(b) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall not have or incur any liability for actions taken or omitted in their capacities as Trust Indemnified Parties, or on behalf of the GUC Trust, except those acts found by a final order of a court of competent jurisdiction ("**Final Order**") to be arising out of their willful misconduct, bad faith, gross negligence or fraud, and shall be entitled to indemnification and reimbursement for reasonable fees and expenses in defending any and all of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the GUC Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or this Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the GUC Trust.

(c) To the extent that, at law or in equity, the Trust Indemnified Parties have duties (including fiduciary duties) or liability related thereto, to the GUC Trust or the GUC Trust Beneficiaries, it is hereby understood and agreed by the Parties that such duties and liabilities are eliminated to the fullest extent permitted by applicable law, and replaced by the duties and

liabilities expressly set forth in this Trust Agreement with respect to the Trust Indemnified Parties; provided, however, that with respect to the Trust Indemnified Parties other than the Delaware Trustee the duties of care and loyalty are not eliminated but are limited and subject to the terms of this Trust Agreement, including but not limited to this Section 4.4 and its subparts.

(d) The GUC Trust will maintain appropriate insurance coverage for the protection of the Trust Indemnified Parties, as determined by the Trustee in his or her discretion.

4.5 Protective Provisions.

(a) Every provision of this Trust Agreement relating to the conduct or affecting the liability of or affording protection to Trust Indemnified Parties shall be subject to the provisions of this Section 4.5.

(b) In the event the Trustee retains counsel (including at the expense of the GUC Trust), the Trustee shall be afforded the benefit of the attorney-client privilege with respect to all communications with such counsel, and in no event shall the Trustee be deemed to have waived any right or privilege including, without limitation, the attorney-client privilege even if the communications with counsel had the effect of guiding the Trustee in the performance of duties hereunder. A successor Trustee shall succeed to and hold the same respective rights and benefits of the predecessor for purposes of privilege, including the attorney-client privilege. No Party or other person may raise any exception to the attorney-client privilege described herein as any such exceptions are hereby waived by all Parties.

(c) No Trust Indemnified Party shall be personally liable under any circumstances, except for his or her own willful misconduct, bad faith, gross negligence or fraud as determined by a Final Order.

(d) No provision of this Trust Agreement shall require the Trust Indemnified Parties to expend or risk their own personal funds or otherwise incur financial liability in the performance of their rights, duties and powers hereunder.

(e) In the exercise or administration of the GUC Trust hereunder, the Trust Indemnified Parties (i) may act directly or through their respective agents or attorneys pursuant to agreements entered into with any of them, and the Trust Indemnified Parties shall not be liable for the default or misconduct of such agents or attorneys if such agents or attorneys have been selected by the Trust Indemnified Parties in good faith and with due care, and (ii) may consult with counsel, accountants and other professionals to be selected by them in good faith and with due care and employed by them, and shall not be liable for anything done, suffered or omitted in good faith by them in accordance with the advice or opinion of any such counsel, accountants or other professionals.

4.6 Indemnification.

(a) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall be entitled to indemnification and reimbursement for reasonable fees and expenses (including attorneys' fees and costs but excluding taxes in the nature of income taxes imposed on compensation paid to the Trust Indemnified Parties) in defending any and all of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the GUC Trust, and for any

other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case, except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the Trust Assets.

(b) Reasonable expenses, costs and fees (including attorneys' fees and costs) incurred by or on behalf of the Trust Indemnified Parties in connection with any action, suit or proceeding, whether civil, administrative or arbitrative, from which they are indemnified by the GUC Trust shall be paid by the GUC Trust from the GUC Trust/PI Fund Operating Reserve in advance of the final disposition thereof upon receipt of an undertaking, by or on behalf of the Trust Indemnified Parties, to repay such amount in the event that it shall be determined ultimately by Final Order that the Trust Indemnified Parties or any other potential indemnitee are not entitled to be indemnified by the GUC Trust. The Trustee may, in his or her discretion, authorize an advance of reasonable expenses, costs and fees (including attorneys' fees and costs) to be incurred by or on behalf of the Trust Indemnified Parties, as set forth herein.

(c) The Trustee is authorized, but not required, to purchase and maintain appropriate amounts and types of insurance on behalf of the Trust Indemnified Parties, as determined by the Trustee, which may include insurance with respect to liability asserted against or incurred by such individual in that capacity or arising from his or her status as a Trust Indemnified Party, and/or as an employee, agent, lawyer, advisor or consultant of any such person.

(d) The indemnification provisions of this Trust Agreement with respect to any Trust Indemnified Party shall survive the termination of such Trust Indemnified Party from the capacity for which such Trust Indemnified Party is indemnified. Modification of this Trust Agreement shall not affect any indemnification rights or obligations in existence at such time. In making a determination with respect to entitlement to indemnification of any Trust Indemnified Party hereunder, the person, persons or entity making such determination shall presume that such Trust Indemnified Party is entitled to indemnification under this Trust Agreement, and any person seeking to overcome such presumption shall have the burden of proof to overcome the presumption.

(e) The rights to indemnification hereunder are not exclusive of other rights which any Trust Indemnified Party may otherwise have at law or in equity, including common law rights to indemnification or contribution.

4.7 Trustee Independence. The Trustee shall not, during the term of his or her service, hold a financial interest in, act as attorney or agent for, or serve as an officer or as any other professional for the Reorganized Debtors. The Trustee shall not act as an attorney, agent, or other professional for any GUC Trust Beneficiary or any holder of any Beneficiary Claim. For the avoidance of doubt, this Section 4.7 shall not be applicable to the Delaware Trustee.

4.8 No Bond. Neither the Trustee nor the Delaware Trustee shall be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

4.9 Burden of Proof. In any proceeding brought by any of the Debtors, or any other person who is bound by this Trust Agreement challenging any action, determination or failure to act of the Trustee in discharge of his or her duties under this Trust Agreement on the basis that

such action, determination or failure constitutes gross negligence, willful misconduct or fraud, the person bringing or prosecuting such proceeding shall have the burden of proving that such determination, action or failure to act constituted gross negligence, willful misconduct, or fraud. Notwithstanding anything to the contrary in this Trust Agreement or any duty otherwise existing at law or equity, each determination, action or failure to act of the Trustee in the discharge of his or her duties under this Trust Agreement is, to the extent consistent with this Trust Agreement, hereby deemed to not constitute a breach of this Trust Agreement or any duty hereunder or existing at law, in equity or otherwise.

4.10 Reliance by the Trustee. The Trustee may absolutely rely, and shall be fully protected in acting or refraining from acting if he or she relies upon any resolution, statement, certificate, instrument, opinion, report, notice, request, consent, order or other instrument or document that he or she has no reasonable belief to be other than genuine and to have been signed or presented other than by the proper party or parties or, in the case of facsimile transmissions, to have been sent other than by the proper party or parties, in each case without obligation to satisfy itself that the same was given in good faith and without responsibility for errors in delivery, transmission or receipt. In the absence of gross negligence, willful misconduct, or fraud in respect of the Trustee's duties as found by a final and non-appealable court of competent jurisdiction, or material breach of this Trust Agreement, the Trustee may rely as to the truth of statements and correctness of the facts and opinions expressed therein and shall be fully protected personally in acting (or, if applicable, not acting) thereon. The Trustee shall have the right at any time to seek and rely upon instructions from the Bankruptcy Court concerning this Trust Agreement, the Plan or any other document executed in connection therewith, and the Trustee shall be entitled to rely

upon such instructions in acting or failing to act and shall not be liable for any act taken or not taken in reliance thereon.

4.11 Books and Records. Upon notice to the Reorganized Debtors and the PI Trust, the Trustee shall be free, in his or her discretion to abandon, destroy or otherwise dispose of any books and records in his possession that the Trustee deems not necessary for the continued administration of the Plan and not required to be retained under applicable law, without the need for any order of the Bankruptcy Court, and shall have no liability for same. This notice provision shall not create any right by any third party to access to privileged or confidential information held by the Trust.

4.12 Delaware Trustee.

(a) There shall at all times be a Delaware Trustee to serve in accordance with the requirements of the Act. The Delaware Trustee shall either be (i) a natural person who is at least twenty-one (21) years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law to be eligible to serve as the Delaware Trustee, and shall act through one or more persons authorized to bind such entity. If at any time the Delaware Trustee shall cease to be eligible to serve as Delaware Trustee in accordance with the provisions of this Section 4.12, it shall resign immediately in the manner and with the effect hereinafter specified in Section 4.12(c) below. For the avoidance of doubt, the Delaware Trustee will only have such rights, duties and obligations as expressly provided by reference to the Delaware Trustee hereunder. The Trustee shall have no liability for the acts or omissions of any Delaware Trustee.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities of the Trustee set forth herein.

The Delaware Trustee shall be a trustee of the GUC Trust for the sole and limited purpose of fulfilling the requirements of Section 3807(a) of Chapter 38 of title 12 of the Delaware Code, 12 Del. C. Section 3801 *et seq.* (the "**Act**") and for taking such actions as are required to be taken by a Delaware Trustee under the Act. The duties (including fiduciary duties), liabilities and obligations of the Delaware Trustee shall be limited to accepting legal process served on the GUC Trust in the State of Delaware and the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Act. There shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. To the extent that, at law or in equity, the Delaware Trustee has duties (including fiduciary duties) and liabilities relating to the GUC Trust or the GUC Trust Beneficiaries, such duties and liabilities are replaced by the duties and liabilities of the Delaware Trustee expressly set forth in this Trust Agreement. The Delaware Trustee shall have no liability for the acts or omissions of any Trustee. Any permissive rights of the Delaware Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty and, with respect to any such permissive rights, the Delaware Trustee shall not be answerable for other than its willful misconduct, bad faith, gross negligence or fraud. The Delaware Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of the Trustee or any other person pursuant to the provisions of this Trust Agreement unless the Trustee or such other person shall have offered to the Delaware Trustee security or indemnity (satisfactory to the Delaware Trustee in its discretion) against the costs, expenses and liabilities that may be incurred by it in compliance with such request or direction. The Delaware Trustee shall be entitled to request and receive written instructions from the Trustee and shall have no responsibility or liability for any losses or damages of any nature

that may arise from any action taken or not taken by the Delaware Trustee in accordance with the written direction of the Trustee. The Delaware Trustee may, at the expense of the GUC Trust, request, rely on and act in accordance with officer's certificates and/or opinions of counsel, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance with such officer's certificates and opinions of counsel.

(c) The Delaware Trustee shall serve until such time as the Trustee removes the Delaware Trustee or the Delaware Trustee resigns and a successor Delaware Trustee is appointed by the Trustee in accordance with the terms of Section 4.12(d) below. The Delaware Trustee may resign at any time upon the giving of at least sixty (60) days' advance written notice to the Trustee; provided that such resignation shall not become effective unless and until a successor Delaware Trustee shall have been appointed by the Trustee in accordance with Section 4.12(d) below; provided further that if any amounts due and owing to the Delaware Trustee hereunder remain unpaid for more than ninety (90) days, the Delaware Trustee shall be entitled to resign immediately by giving written notice to the Trustee. If the Trustee does not act within such sixty (60) day period, the Delaware Trustee, at the expense of the GUC Trust, may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction for the appointment of a successor Delaware Trustee.

(d) Upon the resignation or removal of the Delaware Trustee, the Trustee shall appoint a successor Delaware Trustee by delivering a written instrument to the outgoing Delaware Trustee. Any successor Delaware Trustee must satisfy the requirements of Section 3807 of the Act. Any resignation or removal of the Delaware Trustee and appointment of a successor Delaware Trustee shall not become effective until a written acceptance of appointment is delivered by the

successor Delaware Trustee to the outgoing Delaware Trustee and the Trustee, and any fees and expenses due to the outgoing Delaware Trustee are paid. Following compliance with the preceding sentence, the successor Delaware Trustee shall become fully vested with all of the rights, powers, duties and obligations of the outgoing Delaware Trustee under this Trust Agreement, with like effect as if originally named as Delaware Trustee, and the outgoing Delaware Trustee shall be discharged of his or her duties and obligations under this Trust Agreement. The successor Delaware Trustee shall make any related filings required under the Act, including filing a Certificate of Amendment to the Certificate of Trust of the GUC Trust in accordance with Section 3810 of the Act.

(e) Notwithstanding anything herein to the contrary, any business entity into which the Delaware Trustee may be merged or converted or with which it may be consolidated or any entity resulting from any merger, conversion or consolidation to which the Delaware Trustee shall be a party, or any entity succeeding to all or substantially all of the corporate trust business of the Delaware Trustee, shall be the successor of the Delaware Trustee hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto.

(f) The Delaware Trustee shall be entitled to compensation for its services as agreed pursuant to a separate fee agreement between the GUC Trust and the Delaware Trustee, which compensation shall be paid by the GUC Trust. Such compensation is intended for the Delaware Trustee's services as contemplated by this Trust Agreement. The terms of this paragraph shall survive termination of this Trust Agreement and/or the earlier resignation or removal of the Delaware Trustee.

(g) The Delaware Trustee shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document, other than this Trust Agreement, whether or not, an original or a copy of such agreement has been provided to the Delaware Trustee. The Delaware Trustee shall have no duty to know or inquire as to the performance or nonperformance of any provision of any other agreement, instrument or document, other than this Trust Agreement. Neither the Delaware Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the GUC Trust, the Trustee or any other person, or any of their directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Delaware Trustee may assume performance by all such persons of their respective obligations. The Delaware Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other person. The Delaware Trustee shall have no responsibilities (except as expressly set forth herein) as to the validity, sufficiency, value, genuineness, ownership or transferability of any Trust Asset, written instructions, or any other documents in connection therewith, and will not be regarded as making, nor be required to make, any representations thereto.

(h) The Delaware Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Trust Agreement arising out of, or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or

communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

ARTICLE V

TAX MATTERS

5.1 Treatment of Settlement Consideration Transfer. For all United States federal income tax purposes, all Parties shall treat the transfer of the Settlement Consideration to the GUC Trust as (i) a transfer of the Settlement Consideration (subject to any obligations related to those assets) directly to the GUC Trust Beneficiaries, followed by (ii) the transfer by such GUC Trust Beneficiaries of such Settlement Consideration to the GUC Trust in exchange for GUC Trust Interests (other than the Trust Assets allocable to Disputed Claims and held as a "disputed ownership fund" within the meaning of Section 1.468B-9 of the Treasury Regulations ("**Disputed Ownership Fund**")). Accordingly, the GUC Trust Beneficiaries shall be treated for United States federal income tax purposes (and, to the extent permitted, for state and local income tax purposes) as the grantors and owners of their respective shares of the Settlement Consideration (other than the Trust Assets allocable to the Disputed Ownership Fund).

5.2 Income Tax Status.

(a) For United States federal income tax purposes (and for purposes of all state, local and other jurisdictions to the extent applicable) and other than as provided pursuant to Section 5.3(c), this GUC Trust shall be treated as a liquidating trust pursuant to Section 301.7701-4(d) of the Treasury Regulations and as a grantor trust pursuant to Sections 671-679 of the IRC. To the

extent consistent with Revenue Procedure 94-45 and not otherwise inconsistent with this Trust Agreement, this Trust Agreement shall be construed so as to satisfy the requirements for liquidating trust status.

(b) The GUC Trust shall at all times to be administered so as to constitute a domestic trust for United States federal income tax purposes.

5.3 Tax Returns.

(a) In accordance with Section 6012 of the IRC and Section 1.671-4(a) of the Treasury Regulations, the Trustee shall file with the IRS annual tax returns for the GUC Trust on Form 1041 as a grantor trust pursuant to Section 1.671-4(a) of the Treasury Regulations. In addition, the Trustee shall file in a timely manner for the GUC Trust such other tax returns, including any state and local tax returns, as are required by applicable law and pay any taxes shown as due thereon. The GUC Trust's items of taxable income, gain, loss, deduction, and/or credit (other than such items is respect of any assets allocable to, or retained on account of, the Disputed Ownership Fund) will be allocated to the GUC Trust Beneficiaries in accordance with their relative ownership of GUC Trust Interests. Within a reasonable time following the end of the taxable year, the GUC Trust shall send to each GUC Trust Beneficiary a separate statement setting forth such GUC Trust Beneficiary's items of income, gain, loss, deduction or credit and will instruct each such GUC Trust Beneficiary to report such items on his/her applicable income tax return.

(b) The GUC Trust shall be responsible for payment, from the GUC Trust/PI Fund Operating Reserve, of any taxes imposed on the GUC Trust (including any taxes imposed on the Disputed Ownership Fund) or the Trust Assets. In accordance therewith, any taxes imposed

on the Disputed Ownership Fund or its assets will be paid from the GUC Trust/PI Fund Operating Reserve.

(c) The Trustee may timely elect to treat any Trust Assets allocable to Disputed Claims to a Disputed Ownership Fund, and (2) to the extent permitted by applicable law, shall report consistently for state and local income tax purposes. If a Disputed Ownership Fund election is made, all parties (including the Trustee and the holders of GUC Trust Interests) shall report for U.S. federal, state and local income tax purposes consistently with the foregoing. The GUC Trust shall file all income tax returns with respect to any income attributable to the Disputed Ownership Fund and shall pay from the GUC Trust/PI Fund Operating Reserve all U.S. federal, state and local income taxes attributable to such Disputed Ownership Fund based on the items of income, deduction, credit, or loss allocable thereto.

5.4 Withholding of Taxes and Reporting Related to GUC Trust Operations. The GUC Trust shall comply with all withholding, deduction and reporting requirements imposed by any federal, state, local or foreign taxing authority, and all distributions made by the GUC Trust shall be subject to any applicable withholding, deduction and reporting requirements. The Trustee shall be authorized to take any and all actions that may be necessary or appropriate to comply with any such withholding, deduction, payment, and reporting requirements. All amounts properly withheld or deducted from distributions to a GUC Trust Beneficiary as required by applicable law and paid over to the applicable taxing authority for the account of such GUC Trust Beneficiary shall be treated as part of the GUC Trust Distribution to such GUC Trust Beneficiary. To the extent that the operation of the GUC Trust or the liquidation of the Trust Assets creates a tax liability imposed on the GUC Trust, the GUC Trust shall timely pay such tax liability and any such payment

shall be considered a cost and expense of the operation of the GUC Trust payable without Bankruptcy Court order. Any federal, state or local withholding taxes or other amounts required to be withheld under applicable law shall be deducted from distributions hereunder. All GUC Trust Beneficiaries shall be required to provide any information necessary to effect the withholding and reporting of such taxes. The Trustee may require each GUC Beneficiary to furnish to the Trust (or its designee) its social security number or employer or taxpayer identification number as assigned by the IRS and complete any related documentation (including but not limited to a Form W-8BEN, Form W-8BENE-E, or Form W-9) (the "**Tax Documents**"). The Trustee may condition any and all distributions to any GUC Trust Beneficiary upon the timely receipt of properly executed Tax Documents and receipt of such other documents as the Trustee reasonably requests, and in accordance with the Plan. Notwithstanding any of the foregoing provisions of this Section 5.4, Section V.C of the Plan shall apply to distributions to be made from the GUC Trust that constitute "Wage Distributions" (as defined in the Plan) and for the avoidance of doubt, neither the GUC Trust nor the GUC Trust/PI Fund Operating Reserve shall bear any liability for the employer portion of any payroll taxes applicable to Wage Distributions, which shall be borne by the Reorganized Debtor.

5.5 Valuation. Within 180 days after the Effective Date, the Trustee shall make a good faith valuation of the Trust Assets. Such valuation shall be made available from time to time, to the extent relevant, and used consistently by all parties for all United States federal income tax

purposes. The Trustee also shall file (or cause to be filed) any other statements, returns or disclosures relating to the GUC Trust that are required by any governmental unit.

5.6 Expedited Determination of Taxes. The Trustee may request an expedited determination of taxes of the GUC Trust, under Section 505 of the Bankruptcy Code for all returns filed for, or on behalf of, the GUC Trust for all taxable periods through the termination of the GUC Trust.

ARTICLE VI

GENERAL PROVISIONS

6.1 Irrevocability. To the fullest extent permitted by applicable law, the GUC Trust is irrevocable.

6.2 Term; Termination.

(a) The term for which the GUC Trust is to exist shall commence on the date of the filing of the Certificate of Trust and shall terminate pursuant to the provisions of this Section 6.2.

(b) The Trustee shall make continuing efforts to monetize any non-liquid Trust Assets.

(c) The Trustee and the GUC Trust shall be discharged or dissolved, as the case may be, at such time as (a) the Trustee determines that the pursuit of additional Retained Preference Actions is not likely to yield sufficient additional Cash to justify further pursuit of such claims, or (b) all distributions of Cash and other Trust Assets required to be made by the Trustee under the Plan and this Trust Agreement have been made in accordance with provisions of the Plan and this

Trust Agreement, provided, however, that in no event shall the GUC Trust be dissolved later than five (5) years from the Effective Date unless the Bankruptcy Court, upon motion made by a party in interest within the six (6) month period prior to such fifth (5th) anniversary (and, in the event of further extension, at least six (6) months prior to the end of any extension period), determines that a fixed period extension (not to exceed three (3) years, together with any prior extensions, without a favorable letter ruling from the IRS that any further extension would not adversely affect the status of the GUC Trust as a liquidating trust for federal income tax purposes) is necessary to facilitate or complete the recovery on and liquidation of the Trust Assets (the "**Dissolution Date**").

(d) On the Dissolution Date or as soon as reasonably practicable thereafter, after the wind-up of the affairs of the GUC Trust by the Trustee and payment of all of the liabilities have been provided for as required by applicable law including Section 3808 of the Act, all monies remaining in the GUC Trust shall be distributed or disbursed in accordance with Section 3.4 and Section 5.3(c) above.

(e) Following the dissolution and distribution of the assets of the GUC Trust, the GUC Trust shall terminate, and the Trustee shall execute and cause a Certificate of Cancellation of the Certificate of Trust of the GUC Trust to be filed in accordance with the Act. Notwithstanding anything to the contrary contained in this Trust Agreement, the existence of the GUC Trust as a separate legal entity shall continue until the filing of such Certificate of Cancellation. A certified copy of the Certificate of Cancellation shall be given to the Delaware Trustee for its records promptly following such filing.

6.3 Amendments. Any amendment to or modification of this Trust Agreement may be made in writing and only pursuant to an order of the Bankruptcy Court; provided, however, the Trustee may amend this Trust Agreement from time to time without the consent, approval or other authorization of, but with notice to, the Bankruptcy Court, to make: (i) minor modifications or clarifying amendments necessary to enable the Trustee to effectuate the provisions of this Trust Agreement; or (ii) modifications to satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, statute, ruling or regulation of any federal, state or foreign governmental entity. Notwithstanding the foregoing, no amendment or modification of this Trust Agreement shall modify this Trust Agreement in a manner that is inconsistent with the Plan or the Confirmation Order other than, with the Reorganized Debtors' consent, to make minor modifications or clarifying amendments as necessary to enable the Trustee to effectuate the provisions of this Trust Agreement. Notwithstanding the foregoing, neither this Trust Agreement, nor any Exhibit to this Trust Agreement, shall be modified or amended in any way that could jeopardize, impair, or modify the GUC Trust's "liquidating trust" status. Any amendment affecting the rights, duties, immunities or liabilities of the Delaware Trustee shall require the Delaware Trustee's written consent. The Trustee shall provide at least ten (10) business days' written notice to the Reorganized Debtors prior to making any amendment or modification to the Trust Agreement or any Exhibit thereto, and if the Reorganized Debtors reasonably and in good faith advise the Trustee in writing that the proposed amendment or modification affects, directly or indirectly, any right, duty, immunity, interest or liability of the Reorganized Debtors, then the Reorganized Debtors' consent (which shall not be unreasonably denied or delayed) shall be

required for such proposed amendment or modification. Any dispute between the Trustee and the Reorganized Debtors with respect to this Section 6.3 shall be resolved by the Bankruptcy Court.

6.4 Severability. Should any provision in this Trust Agreement be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this Trust Agreement.

6.5 Notices.

(a) Notices to GUC Trust Beneficiaries shall be given in accordance with such person's claims form submitted to the GUC Trust.

(b) Any notices or other communications required or permitted hereunder to the following Parties shall be in writing and delivered to the addresses or e-mail addresses designated below, or to such other addresses or e-mail addresses as may hereafter be furnished in writing to each of the other Parties listed below in compliance with the terms hereof.

6.6 Successors and Assigns. The provisions of this Trust Agreement shall be binding upon and inure to the benefit of the Reorganized Debtors (which shall be a third-party beneficiary hereof), the GUC Trust, the Delaware Trustee, the Trustee, and their respective successors and assigns, except that neither the GUC Trust, the Delaware Trustee, nor the Trustee, may assign or otherwise transfer any of their rights or obligations, if any, under this Trust Agreement except in the case of the Delaware Trustee in accordance with Section 4.12 (d), and in the case of the Trustee in accordance with Section 4.2(d) above.

6.7 Limitation on GUC Trust Interests for Securities Laws Purposes. GUC Trust Interest (a) shall not be assigned, conveyed, hypothecated, pledged, or otherwise transferred, voluntarily or involuntarily, directly or indirectly, except by will, under the laws of descent and distribution or otherwise by operation of law; (b) shall not be evidenced by a certificate or other instrument; (c) shall not possess any voting rights; and (d) shall not be entitled to receive any dividends or interest.

6.8 Exemption from Registration. The Parties hereto intend that the interests of the GUC Trust Beneficiaries under this Trust Agreement shall not be "securities" under applicable laws, but none of the Parties hereto represent or warrant that such rights shall not be securities or shall be entitled to exemption from registration under applicable securities laws. If it should be

determined that any such interests constitute "securities," the Parties hereto intend that the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied and the offer and sale under the Plan of the GUC Trust Interests will be exempt from registration under the Securities Act, all rules and regulations promulgated thereunder, and all applicable state and local securities laws and regulations.

6.9 Entire Agreement; No Waiver. The entire agreement of the Parties relating to the subject matter of this Trust Agreement is contained herein, and in the documents referred to herein (including the Plan), and this Trust Agreement and such documents supersede any prior oral or written agreements concerning the subject matter hereof. No failure to exercise or delay in exercising any right, power, or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any further exercise thereof or of any other right, power, or privilege. The rights and remedies herein provided are cumulative and are not exclusive of rights under law or in equity.

6.10 Headings. The headings used in this Trust Agreement are inserted for convenience only and do not constitute a portion of this Trust Agreement, nor in any manner affect the construction of the provisions of this Trust Agreement.

6.11 Governing Law. The validity and construction of this Trust Agreement and all amendments hereto and thereto shall be governed by the laws of the State of Delaware, and the rights of all Parties hereto and the effect of every provision hereof shall be subject to and construed according to the laws of the State of Delaware without regard to the conflicts of law provisions thereof that would purport to apply the law of any other jurisdiction; provided, however, that the Parties hereto intend that the provisions hereof shall control and there shall not be applicable to the GUC Trust, the Trustee, the Delaware Trustee, or this Trust Agreement, any provision of the

laws (statutory or common) of the State of Delaware pertaining to trusts that relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of Trustee accounts or schedules of Trustee fees and charges; (b) affirmative requirements to post bonds for the Trustee, officers, agents, or employees of a trust; (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding, or disposition of real or personal property; (d) fees or other sums payable to the Trustee, officers, agents, or employees of a trust; (e) the allocation of receipts and expenditures to income or principal; (f) restrictions or limitations on the permissible nature, amount, or concentration of trust investments or requirements relating to the titling, storage, or other manner of holding of trust assets; (g) the existence of rights or interests (beneficial or otherwise) in trust assets; (h) the ability of beneficial owners or other persons to terminate or dissolve a trust; or (i) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of the Trustee or beneficial owners that are inconsistent with the limitations on liability or authorities and powers of the Trustee or the Delaware Trustee set forth or referenced in this Trust Agreement. Section 3540 of the Act shall not apply to the GUC Trust.

6.12 Dispute Resolution.

(a) Unless otherwise expressly provided for herein, the dispute resolution procedures of this Section 6.12 shall be the exclusive mechanism to resolve any dispute arising under or with respect to this Trust Agreement. For the avoidance of doubt, this Section 6.12 shall not apply to the Delaware Trustee or to the Reorganized Debtors in any respect. This Section 6.12 shall not apply to any matters as between the GUC Trust or Trustee, on the one hand, and the PI Trust or PI Trustee, on the other hand, related to or arising from the GUC Trust/PI Fund Operating Reserve.

(b) **Informal Dispute Resolution**. Any dispute under this Trust Agreement shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when a disputing party sends to the counterparty or counterparties a written notice of dispute ("**Notice of Dispute**"). Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed thirty (30) days from the date the Notice of Dispute is received by the counterparty or counterparties, unless that period is modified by written agreement of the disputing party and counterparty or counterparties. If the disputing party and the counterparty or counterparties cannot resolve the dispute by informal negotiations, then the disputing party may invoke the formal dispute resolution procedures as set forth below.

(c) **Formal Dispute Resolution**. The disputing party shall invoke formal dispute resolution procedures, within the time period provided in the preceding subparagraph, by serving on the counterparty or counterparties a written statement of position regarding the matter in dispute ("**Statement of Position**"). The Statement of Position shall include, but need not be limited to, any factual data, analysis or opinion supporting the disputing party's position and any supporting documentation and legal authorities relied upon by the disputing party. Each counterparty shall serve its Statement of Position within thirty (30) days of receipt of the disputing party's Statement of Position, which shall also include, but need not be limited to, any factual data, analysis or opinion supporting the counterparty's position and any supporting documentation and legal authorities relied upon by the counterparty. If the disputing party and the counterparty or counterparties are unable to consensually resolve the dispute within thirty (30) days after the last of all counterparties have served its Statement of Position on the disputing party, the disputing

party may file with the Bankruptcy Court a motion for judicial review of the dispute in accordance with Section 6.12(d) below.

(d) **Judicial Review**. The disputing party may seek judicial review of the dispute by filing with the Bankruptcy Court (or, if the Bankruptcy Court shall not have jurisdiction over such dispute, such court as has jurisdiction pursuant to Section 1.5 above) and serving on the counterparty or counterparties and the Trustee, a motion requesting judicial resolution of the dispute. The motion must be filed within forty-five (45) days of receipt of the last counterparty's Statement of Position pursuant to the preceding subparagraph. The motion shall contain a written statement of the disputing party's position on the matter in dispute, including any supporting factual data, analysis, opinion, documentation and legal authorities, and shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly administration of the GUC Trust. Each counterparty shall respond to the motion within the time period allowed by the rules of the court, and the disputing party may file a reply memorandum, to the extent permitted by the rules of the court.

special-purpose statement of assets, liabilities and net claimants' equity, a special-purpose statement of changes in net claimants' equity and a special-purpose statement of cash flows). The Trustee shall not be required to obtain an audit of the Annual Report by a firm of independent certified public accountants. The Annual Report shall be made available to the Reorganized Debtors and the GUC Trust Beneficiaries by means of actual notice, provided, however, the Trustee may post the Annual Report on a website maintained by the GUC Trust in lieu of actual notice to each GUC Trust Beneficiary (unless otherwise required by law).

ARTICLE III

ACCOUNTS, INVESTMENTS, AND PAYMENTS

3.1 Accounts.

(a) The Trustee shall maintain one or more accounts (the "**Trust Accounts**") on behalf of the GUC Trust with one or more financial depository institutions (each a "**Financial Institution**"). ~~The Trustee shall maintain a segregated account to be administered in accordance with the provisions of **Exhibit 3** hereto for the eligible holders of eligible holders of Hair Straightening Claims.~~

(b) Candidates for the positions of Financial Institution shall fully disclose to the Trustee any interest in or relationship with the Reorganized Debtors or their affiliated persons. Any such interest or relationship shall not be an automatic disqualification for the position, but the Trustee shall take any such interest or relationship into account in selecting a Financial Institution.

(c) The Trustee may replace any retained Financial Institution with a successor Financial Institution at any time, and such successor shall be subject to the considerations set forth in Section 3.1(a) above.

(d) The Trustee may, from time to time, create such accounts and reasonable reserves within the Trust Accounts as authorized in this Section 3.1 and as he or she may deem necessary, prudent or useful in order to provide for distributions to the GUC Trust Beneficiaries and may, with respect to any such account or reserve, restrict the use of money therein for a specified purpose (the "**Trust Subaccounts**"). Any such Trust Subaccounts established by the Trustee shall be held as Trust Assets and, except as specifically designated as such in accordance with the provisions of Section 5.3(c) below, are not intended to be subject to separate entity tax treatment as a "disputed claims reserve" or a "disputed ownership fund" within the meaning of the IRC or Treasury Regulations.

3.2 Investment Guidelines.

(a) The Trustee may invest the Trust Assets in accordance with the Investment Guidelines, attached hereto as **Exhibit 2** (the "**Investment Guidelines**").

(b) In the event the GUC Trust holds any non-liquid assets, the Trustee shall own, protect, oversee, and monetize such non-liquid assets in accordance with the Governing Documents. This Section 3.2(b) is intended to modify the application to the GUC Trust of the "prudent person" rule, "prudent investor" rule and any other rule of law that would require the Trustee to diversify the Trust Assets.

(c) Cash proceeds received by the GUC Trust in connection with its monetization of the non-liquid Trust Assets shall be invested in accordance with the Investment Guidelines until needed for the purposes of the GUC Trust as set forth in Section 1.2 above.

3.3 Payment of Operating Expenses.

All operating expenses of the GUC Trust shall be paid from the GUC Trust/PI Fund Operating Reserve as provided in the Plan. None of the Trustee, Delaware Trustee, the GUC Trust Beneficiaries, nor any of their officers, agents, advisors, professionals or employees shall be personally liable for the payment of any operating expense or other liability of the GUC Trust. Except as expressly set forth in the Plan, none of the Debtors or Reorganized Debtors, nor any of their officers, agents, advisors, professionals or employees shall be liable for the payment of any operating expense or other liability of the GUC Trust or the Trustee. To the extent that the Trustee determines that GUC Trust/PI Fund Operating Reserve is likely to incur a cash shortfall prior to the termination and winding up of the GUC Trust and/or the PI Trust (after taking into account additional funding of the GUC Trust/PI Fund Operating Reserve as contemplated by the Plan), the Trustee may determine to establish cash reserves from the corpus of the GUC Trust, which cash reserves shall be allocated equitably to the GUC Trust Beneficiaries by the Trustee in his or her judgment.[5]

[5] The Trustee's determination of an anticipated cash shortfall shall take into consideration the GUC Trust/PI Fund Operating Reserves applicable to the PI Trust to the extent appropriate (i.e., to the extent the PI Trustee determines it is likely that the PI Trust shall incur a similar cash shortfall); to the extent appropriate, a cash reserve from the corpus of the PI Trust applicable to a cash shortfall at the PI Trust shall also be allocated equitably to the PI Trust Beneficiaries by the PI Trustee in his or her judgment.

3.4 Distributions to GUC Trust Beneficiaries.

(a) The Trustee will make distributions to GUC Trust Beneficiaries in a fair, consistent and equitable manner in accordance with this Trust Agreement, the Plan and the Confirmation Order.

(b) Distributions to GUC Trust Beneficiaries shall be made, as determined by the Trustee in his or her discretion subject to the terms of the Plan, provided, however, the GUC Trust must distribute at least annually to the GUC Trust Beneficiaries its net income plus all net proceeds from the sale of assets, except that the GUC Trust may retain an amount of net proceeds or net income reasonably necessary to maintain the value of its assets or to meet claims and contingent liabilities (including disputed claims).

(c) The GUC Trust may withhold or deduct from amounts distributable to any Person any and all amounts, determined in the Trustee's reasonable sole discretion, required by any law, regulation, rule, ruling, directive, or other governmental requirement (including, without limitation, tax withholding in accordance with Section 5.4 below). Any Trust Assets which are undistributable in accordance with this Section 3.4 as of the termination of the GUC Trust shall (i) revert to the GUC Trust (notwithstanding any applicable federal or state escheat, abandoned, or unclaimed property laws to the contrary); (ii) the Beneficiary Claim with respect to such undistributable amount shall be released, settled, compromised and forever barred, and (iii) the undistributable amount shall be reallocated to the other Beneficiary Claims, in accordance with provisions of the Plan and this Trust Agreement.

(d) The Trustee may retain a distribution agent for the effective administration and distribution of amounts payable to GUC Trust Beneficiaries; provided, however, that such distribution agent shall have no greater authority than, and shall be subject to the same restrictions as, the Trustee under this Trust Agreement.

(e) Subject to Bankruptcy Rule 9010, any distribution to a GUC Trust Beneficiary shall be made: (1) at the addresses set forth on the respective proofs of Claim filed by such holders; (2) at the address set forth in any written notices of address changes delivered to the Trustee after the date of any related proof of Claim; or (3) at the address reflected in the schedules if no proof of Claim is filed with the Trustee (as to Beneficiary Claims administered by the GUC Trust) and the Trustee has not received a written notice of a change of address. Except as set forth in the Plan, if any GUC Trust Distribution or other communication from the GUC Trust is returned as undeliverable, no further GUC Trust Distribution shall be made to such holder unless the Trustee is notified in writing of such holder's then current address. Undeliverable GUC Trust Distributions shall remain in the possession of the Trustee until the earlier of (i) such time as a GUC Trust Distribution becomes deliverable or (ii) such undeliverable GUC Trust Distribution becomes an Unclaimed Distribution pursuant to the provisions of the Plan and this Trust Agreement. Except as required by law, the Trustee (or its duly authorized agent) shall have no obligation to locate any GUC Trust Beneficiary.

(h) Cash payments to foreign GUC Trust Beneficiaries may be made, at the option of the Trustee, in such funds and by such means as are necessary or customary in the foreign jurisdiction of such foreign holder.

(i) The Trustee shall have the discretion to determine the timing of GUC Trust Distributions in the most efficient and cost-effective manner possible; provided, however, that the Trustee's discretion may not be exercised in a manner inconsistent with any express requirements of the Plan.

(j) Notwithstanding any provision in the Trust Agreement, the Plan or the Confirmation Order to the contrary, the Trustee, in the Trustee's sole discretion, may decline to

(a) As used herein, the term "**Trust Indemnified Party**" shall mean each of (i) the Trustee, (ii) the Delaware Trustee, and (iii) the officers, employees, consultants, advisors, and agents of each of the GUC Trust and the Trustee.

(d) The GUC Trust will maintain appropriate insurance coverage for the protection of the Trust Indemnified Parties, as determined by the Trustee in his or her discretion.

(b) In the event the Trustee retains counsel (including at the expense of the GUC Trust), the Trustee shall be afforded the benefit of the attorney-client privilege with respect to all communications with such counsel, and in no event shall the Trustee be deemed to have waived any right or privilege including, without limitation, the attorney-client privilege even if the communications with counsel had the effect of guiding the Trustee in the performance of duties hereunder. A successor Trustee shall succeed to and hold the same respective rights and benefits of the predecessor for purposes of privilege, including the attorney-client privilege. No Party or other person may raise any exception to the attorney-client privilege described herein as any such exceptions are hereby waived by all Parties.

4.6 Indemnification.

(a) To the maximum extent permitted by applicable law, the Trust Indemnified Parties shall be entitled to indemnification and reimbursement for reasonable fees and expenses (including attorneys' fees and costs but excluding taxes in the nature of income taxes imposed on compensation paid to the Trust Indemnified Parties) in defending any and all of their actions or inactions in their capacity as Trust Indemnified Parties, or on behalf of the GUC Trust, and for any other liabilities, losses, damages, claims, costs and expenses arising out of or due to the implementation or administration of the Plan or the Trust Agreement (other than taxes in the nature of income taxes imposed on compensation paid to such persons), in each case, except for any actions or inactions found by Final Order to be arising out of their willful misconduct, bad faith, gross negligence or fraud. Any valid indemnification claim of any of the Trust Indemnified Parties shall be satisfied from the Trust Assets.

(c) The Trustee is authorized, but not required, to purchase and maintain appropriate amounts and types of insurance on behalf of the Trust Indemnified Parties, as determined by the Trustee, which may include insurance with respect to liability asserted against or incurred by such individual in that capacity or arising from his or her status as a Trust Indemnified Party, and/or as an employee, agent, lawyer, advisor or consultant of any such person.

(d) The indemnification provisions of this Trust Agreement with respect to any Trust Indemnified Party shall survive the termination of such Trust Indemnified Party from the capacity for which such Trust Indemnified Party is indemnified. Modification of this Trust Agreement shall not affect any indemnification rights or obligations in existence at such time. In making a determination with respect to entitlement to indemnification of any Trust Indemnified

Party hereunder, the person, persons or entity making such determination shall presume that such Trust Indemnified Party is entitled to indemnification under this Trust Agreement, and any person seeking to overcome such presumption shall have the burden of proof to overcome the presumption.

(e) The rights to indemnification hereunder are not exclusive of other rights which any Trust Indemnified Party may otherwise have at law or in equity, including common law rights to indemnification or contribution.

The Trustee shall not, during the term of his or her service, hold a financial interest in, act as attorney or agent for, or serve as an officer or as any other professional for the Reorganized Debtors. 4.8 No Bond. Neither the Trustee nor the Delaware Trustee shall be required to post any bond or other form of surety or security unless otherwise ordered by the Bankruptcy Court.

4.9 Burden of Proof. In any proceeding brought by any of the Debtors, or any other person who is bound by this Trust Agreement challenging any action, determination or failure to act of the Trustee in discharge of his or her duties under this Trust Agreement on the basis that such action, determination or failure constitutes gross negligence, willful misconduct or fraud, the person bringing or prosecuting such proceeding shall have the burden of proving that such determination, action or failure to act constituted gross negligence, willful misconduct, or fraud. Notwithstanding anything to the contrary in this Trust Agreement or any duty otherwise existing at law or equity, each determination, action or failure to act of the Trustee in the discharge of his or her duties under this Trust Agreement is, to the extent consistent with this Trust Agreement, hereby deemed to not constitute a breach of this Trust Agreement or any duty hereunder or existing at law, in equity or otherwise.

4.10 Reliance by the Trustee. The Trustee may absolutely rely, and shall be fully protected in acting or refraining from acting if he or she relies upon any resolution, statement, certificate, instrument, opinion, report, notice, request, consent, order or other instrument or document that he or she has no reasonable belief to be other than genuine and to have been signed or presented other than by the proper party or parties or, in the case of facsimile transmissions, to have been sent other than by the proper party or parties, in each case without obligation to satisfy itself that the same was given in good faith and without responsibility for errors in delivery, transmission or receipt. In the absence of gross negligence, willful misconduct, or fraud in respect of the Trustee's duties as found by a final and non-appealable court of competent jurisdiction, or material breach of this Trust Agreement, the Trustee may rely as to the truth of statements and correctness of the facts and opinions expressed therein and shall be fully protected personally in acting (or, if applicable, not acting) thereon. The Trustee shall have the right at any time to seek and rely upon instructions from the Bankruptcy Court concerning this Trust Agreement, the Plan or any other document executed in connection therewith, and the Trustee shall be entitled to rely upon such instructions in acting or failing to act and shall not be liable for any act taken or not taken in reliance thereon.

Upon notice to the Reorganized Debtors and the PI Trust, the Trustee shall be free, in his or her discretion to abandon, destroy or otherwise dispose of any books and records in his possession that the Trustee deems not necessary for the continued administration of the Plan and not required to be retained under applicable law, without the need for any order of the Bankruptcy Court, and shall have no liability for same. This notice provision shall not create any right by any third party to access to privileged or confidential information held by the Trust.

(a) There shall at all times be a Delaware Trustee to serve in accordance with the requirements of the Act. The Delaware Trustee shall either be (i) a natural person who is at least twenty-one (21) years of age and a resident of the State of Delaware or (ii) a legal entity that has its principal place of business in the State of Delaware, otherwise meets the requirements of applicable Delaware law to be eligible to serve as the Delaware Trustee, and shall act through one or more persons authorized to bind such entity. If at any time the Delaware Trustee shall cease to be eligible to serve as Delaware Trustee in accordance with the provisions of this Section ~~4.9~~4.12, it shall resign immediately in the manner and with the effect hereinafter specified in Section ~~4.9~~4.12(c) below. For the avoidance of doubt, the Delaware Trustee will only have such rights, duties and obligations as expressly provided by reference to the Delaware Trustee hereunder. The Trustee shall have no liability for the acts or omissions of any Delaware Trustee.

(b) The Delaware Trustee shall not be entitled to exercise any powers, nor shall the Delaware Trustee have any of the duties and responsibilities of the Trustee set forth herein. The Delaware Trustee shall be a trustee of the GUC Trust for the sole and limited purpose of fulfilling the requirements of Section 3807(a) of Chapter 38 of title 12 of the Delaware Code, 12 Del. C. Section 3801 *et seq.* (the "**Act**") and for taking such actions as are required to be taken by a Delaware Trustee under the Act. The duties (including fiduciary duties), liabilities and obligations of the Delaware Trustee shall be limited to accepting legal process served on the GUC Trust in the State of Delaware and the execution of any certificates required to be filed with the Secretary of State of the State of Delaware that the Delaware Trustee is required to execute under Section 3811 of the Act. There shall be no other duties (including fiduciary duties) or obligations, express or implied, at law or in equity, of the Delaware Trustee. To the extent that, at law or in equity, the Delaware Trustee has duties (including fiduciary duties) and liabilities relating to the GUC Trust or the GUC Trust Beneficiaries, such duties and liabilities are replaced by the duties and liabilities of the Delaware Trustee expressly set forth in this Trust Agreement. The Delaware Trustee shall have no liability for the acts or omissions of any Trustee. Any permissive rights of the Delaware Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty and, with respect to any such permissive rights, the Delaware Trustee shall not be answerable for other than its willful misconduct, bad faith, gross negligence or fraud. The Delaware Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Trust Agreement at the request or direction of the Trustee or any other person pursuant to the provisions of this Trust Agreement unless the Trustee or such other person shall have offered to the Delaware Trustee

security or indemnity (satisfactory to the Delaware Trustee in its discretion) against the costs, expenses and liabilities that may be incurred by it in compliance with such request or direction. The Delaware Trustee shall be entitled to request and receive written instructions from the Trustee and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Delaware Trustee in accordance with the written direction of the Trustee. The Delaware Trustee may, at the expense of the GUC Trust, request, rely on and act in accordance with officer's certificates and/or opinions of counsel, and shall incur no liability and shall be fully protected in acting or refraining from acting in accordance with such officer's certificates and opinions of counsel.

(c) The Delaware Trustee shall serve until such time as the Trustee removes the Delaware Trustee or the Delaware Trustee resigns and a successor Delaware Trustee is appointed by the Trustee in accordance with the terms of Section ~~4.9~~4.12(d) below. The Delaware Trustee may resign at any time upon the giving of at least sixty (60) days' advance written notice to the Trustee; provided that such resignation shall not become effective unless and until a successor Delaware Trustee shall have been appointed by the Trustee in accordance with Section ~~4.9~~4.12(d) below; provided further that if any amounts due and owing to the Delaware Trustee hereunder remain unpaid for more than ninety (90) days, the Delaware Trustee shall be entitled to resign immediately by giving written notice to the Trustee. If the Trustee does not act within such sixty (60) day period, the Delaware Trustee, at the expense of the GUC Trust, may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction for the appointment of a successor Delaware Trustee.

(d) Upon the resignation or removal of the Delaware Trustee, the Trustee shall appoint a successor Delaware Trustee by delivering a written instrument to the outgoing Delaware Trustee. Any successor Delaware Trustee must satisfy the requirements of Section 3807 of the Act. Any resignation or removal of the Delaware Trustee and appointment of a successor Delaware Trustee shall not become effective until a written acceptance of appointment is delivered by the successor Delaware Trustee to the outgoing Delaware Trustee and the Trustee, and any fees and expenses due to the outgoing Delaware Trustee are paid. Following compliance with the preceding sentence, the successor Delaware Trustee shall become fully vested with all of the rights, powers, duties and obligations of the outgoing Delaware Trustee under this Trust Agreement, with like effect as if originally named as Delaware Trustee, and the outgoing Delaware Trustee shall be discharged of his or her duties and obligations under this Trust Agreement. (f) The Delaware Trustee shall be entitled to compensation for its services as agreed pursuant to a separate fee agreement between the GUC Trust and the Delaware Trustee, which compensation shall be paid by the GUC Trust. Such compensation is intended for the Delaware Trustee's services as contemplated by this Trust Agreement. The terms of this paragraph shall survive termination of this Trust Agreement and/or the earlier resignation or removal of the Delaware Trustee.

(g) The Delaware Trustee shall neither be responsible for, nor chargeable with, knowledge of the terms and conditions of any other agreement, instrument, or document, other than this Trust Agreement, whether or not, an original or a copy of such agreement has been provided to the Delaware Trustee. The Delaware Trustee shall have no duty to know or inquire as to the performance or nonperformance of any provision of any other agreement, instrument or document, other than this Trust Agreement. Neither the Delaware Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the GUC Trust, the Trustee or any other person, or any of their directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Delaware Trustee may assume performance by all such persons of their respective obligations. The Delaware Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other person. The Delaware Trustee shall have no responsibilities (except as expressly set forth herein) as to the validity, sufficiency, value, genuineness, ownership or transferability of any Trust Asset, written instructions, or any other

Any amendment to or modification of this Trust Agreement may be made in writing and only pursuant to an order of the Bankruptcy Court; provided, however, the Trustee may amend this Trust Agreement from time to time without the consent, approval or other authorization of, but with notice to, the Bankruptcy Court, to make: (i) minor modifications or clarifying amendments necessary to enable the Trustee to effectuate the provisions of this Trust Agreement; or (ii) modifications to satisfy any requirements, conditions or guidelines contained in any opinion, directive, order, statute, ruling or regulation of any federal, state or foreign governmental entity. Notwithstanding the foregoing, no amendment or modification of this Trust Agreement shall modify this Trust Agreement in a manner that is inconsistent with the Plan or the Confirmation Order other than, with the Reorganized Debtors' consent, to make minor modifications or clarifying amendments as necessary to enable the Trustee to effectuate the provisions of this Trust Agreement. Notwithstanding the foregoing, neither this Trust Agreement, nor any Exhibit to this Trust Agreement, shall be modified or amended in any way that could jeopardize, impair, or modify the GUC Trust's "liquidating trust" status. Any amendment affecting the rights, duties, immunities or liabilities of the Delaware Trustee shall require the Delaware Trustee's written consent. The Trustee shall provide at least ten (10) business days' written notice to the Reorganized Debtors prior to making any amendment or modification to the Trust Agreement or any Exhibit thereto, and if the Reorganized Debtors reasonably and in good faith advise the Trustee in writing that the proposed amendment or modification affects, directly or indirectly, any right, duty, immunity, interest or liability of the Reorganized Debtors, then the Reorganized Debtors' consent (which shall not be unreasonably denied or delayed) shall be required for such proposed amendment or modification. Any dispute

between the Trustee and the Reorganized Debtors with respect to this Section 6.3 shall be resolved by the Bankruptcy Court.

6.4 Severability. Should any provision in this Trust Agreement be determined to be unenforceable, such determination shall in no way limit or affect the enforceability and operative effect of any and all other provisions of this Trust Agreement.

If it should be determined that any such interests constitute "securities," the Parties hereto intend that the exemption provisions of Section 1145 of the Bankruptcy Code will be satisfied and the offer and sale under the Plan of the GUC Trust Interests will be exempt from registration under the Securities Act, all rules and regulations promulgated thereunder, and all applicable state and local securities laws and regulations.

6.9 Entire Agreement; No Waiver. The entire agreement of the Parties relating to the subject matter of this Trust Agreement is contained herein, and in the documents referred to herein (including the Plan), and this Trust Agreement and such documents supersede any prior oral or written agreements concerning the subject matter hereof. No failure to exercise or delay in exercising any right, power, or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power, or privilege hereunder preclude any further exercise thereof or of any other right, power, or privilege. 6.10 Headings. The headings used in this Trust Agreement are inserted for convenience only and do not constitute a portion of this Trust Agreement, nor in any manner affect the construction of the provisions of this Trust Agreement.

6.11 **Governing Law**. The validity and construction of this Trust Agreement and all amendments hereto and thereto shall be governed by the laws of the State of Delaware, and the rights of all Parties hereto and the effect of every provision hereof shall be subject to and construed according to the laws of the State of Delaware without regard to the conflicts of law provisions thereof that would purport to apply the law of any other jurisdiction; provided, however, that the Parties hereto intend that the provisions hereof shall control and there shall not be applicable to the GUC Trust, the Trustee, the Delaware Trustee, or this Trust Agreement, any provision of the laws (statutory or common) of the State of Delaware pertaining to trusts that relate to or regulate in a manner inconsistent with the terms hereof: (a) the filing with any court or governmental body or agency of Trustee accounts or schedules of Trustee fees and charges; (b) affirmative requirements to post bonds for the Trustee, officers, agents, or employees of a trust; (c) the necessity for obtaining court or other governmental approval concerning the acquisition, holding, or disposition of real or personal property; (d) fees or other sums payable to the Trustee, officers, agents, or employees of a trust; (e) the allocation of receipts and expenditures to income or principal; (f) restrictions or limitations on the permissible nature, amount, or concentration of trust investments or requirements relating to the titling, storage, or other manner of holding of trust assets; (g) the existence of rights or interests (beneficial or otherwise) in trust assets; (h) the ability of beneficial owners or other persons to terminate or dissolve a trust; or (i) the establishment of fiduciary or other standards or responsibilities or limitations on the acts or powers of the Trustee or beneficial owners that are inconsistent with the limitations on liability or authorities and powers of the Trustee or the Delaware Trustee set forth or referenced in this Trust Agreement. Section 3540 of the Act shall not apply to the GUC

Trust.

6.12 Dispute Resolution.

(a) Unless otherwise expressly provided for herein, the dispute resolution procedures of this Section 6.12 shall be the exclusive mechanism to resolve any dispute arising under or with respect to this Trust Agreement. For the avoidance of doubt, this Section 6.12 shall not apply to the Delaware Trustee or to the Reorganized Debtors ~~or any dispute with respect to the resolution of or any distribution on account of Hair Straightening Claims which shall be governed exclusively by the Plan and the provisions of **Exhibit 3** hereto, as applicable.~~in any respect. This Section 6.12 shall not apply to any matters as between the GUC Trust or Trustee, on the one hand, and the PI Trust or PI Trustee, on the other hand, related to or arising from the GUC Trust/PI Fund Operating Reserve.

(b) **Informal Dispute Resolution**. Any dispute under this Trust Agreement shall first be the subject of informal negotiations. The dispute shall be considered to have arisen when a disputing party sends to the counterparty or counterparties a written notice of dispute ("**Notice of Dispute**"). Such Notice of Dispute shall state clearly the matter in dispute. The period of informal negotiations shall not exceed thirty (30) days from the date the Notice of Dispute is received by the counterparty or counterparties, unless that period is modified by written agreement of the disputing party and counterparty or counterparties. If the disputing party and the counterparty or counterparties cannot resolve the dispute by informal negotiations, then the disputing party may invoke the formal dispute resolution procedures as set forth below.

(c) **Formal Dispute Resolution**. The disputing party shall invoke formal dispute resolution procedures, within the time period provided in the preceding subparagraph, by serving on the counterparty or counterparties a written statement of position regarding the matter in dispute ("**Statement of Position**"). The Statement of Position shall include, but need not be limited to, any factual data, analysis or opinion supporting the disputing party's position and any supporting documentation and legal authorities relied upon by the disputing party. If the disputing party and the counterparty or counterparties are unable to consensually resolve the dispute within thirty (30) days after the last of all counterparties have served its Statement of Position on the disputing party, the disputing party may file with the Bankruptcy Court a motion for judicial review of the dispute in accordance with Section 6.12(d) below.

(d) **Judicial Review**. The disputing party may seek judicial review of the dispute by filing with the Bankruptcy Court (or, if the Bankruptcy Court shall not have jurisdiction over such dispute, such court as has jurisdiction pursuant to Section 1.5 above) and serving on the counterparty or counterparties and the Trustee, a motion requesting judicial resolution of the dispute. The motion must be filed within forty-five (45) days of receipt of the last counterparty's Statement of Position pursuant to the preceding subparagraph. The motion shall contain a written statement of the disputing party's position on the matter in dispute, including any supporting factual data, analysis, opinion, documentation and legal authorities, and

shall set forth the relief requested and any schedule within which the dispute must be resolved for orderly administration of the GUC Trust. Each counterparty shall respond to the motion within the time period allowed by the rules of the court, and the disputing party may file a reply memorandum, to the extent permitted by the rules of the court.

I, James Daloia, declare under the penalty of perjury that the following is true and correct to the best of my knowledge, information, and belief:

1. I am a Senior Director of Restructuring Administration and Issuer Services at Kroll Restructuring Administration LLC ("Kroll"), located at 55 East 52nd Street, 17th Floor, New York, New York 10055. I am over the age of eighteen years and not a party to the above-captioned action.

2. On March 23, 2023, I submitted the Initial Declaration of James Daloia of Kroll Restructuring Administration LLC Regarding the Solicitation of Votes and Tabulation of Ballots Cast on the First Amended Joint Plan of Reorganization of Revlon, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy [Docket No. 1664] (the "Initial Declaration") with respect to the solicitation of votes and initial tabulation of Ballots cast on the First Amended Joint

[1] The last four digits of Debtor Revlon, Inc.'s tax identification number are 2955. Due to the large number of debtor entities in these Chapter 11 Cases, for which the Court has granted joint administration, a complete list of the debtor entities and the last four digits of their federal tax identification numbers is not provided herein. A complete list of such information may be obtained on the website of the Debtors' claims and noticing agent at https://cases.ra.kroll.com/Revlon. The location of the Debtors' service address for purposes of these Chapter 11 Cases is: 55 Water Street, 43rd Floor, New York, NY 10041-0004.

Plan of Reorganization of Revlon, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code, dated February 21, 2023 [Pages 4-114 of Docket No. 1507] (including any exhibits and schedules thereto and as may be amended, supplemented, or modified from time to time, the "Plan")2. Since the filing of the Initial Voting Declaration, Kroll finalized the tabulation of Ballots cast on the Plan, including any Ballots cast on account of Voting Hair Straightening Claims (as defined in the Supplemental Hair Straightening Bar Date Order) which were received after the March 20, 2023 4:00 P.M. (prevailing Eastern Time) Voting Deadline, but before March 23, 2023 at 4:00 P.M. (prevailing Eastern Time). I submit this declaration (the "Declaration") with respect to the solicitation of votes and the final tabulation of Ballots cast on the Plan, and this Declaration replaces and supersedes the Initial Vote Declaration in its entirety.

3. Except as otherwise noted, all facts set forth herein are based on my personal knowledge, knowledge that I acquired from individuals under my supervision, knowledge obtained from the Debtors or their counsel, and my review of relevant documents. I am authorized to submit this Declaration on behalf of Kroll. If I were called to testify, I could and would testify competently as to the facts set forth herein.

4. This Court authorized Kroll's retention as (a) the claims and noticing agent to the above-captioned debtors and debtors in possession (collectively, the "Debtors") pursuant to the *Order (I) Authorizing and Approving the Appointment of Kroll Restructuring Administration LLC as Claims and Noticing Agent to the Debtors and (II) Granting Related Relief*, dated June 17, 2022 [Docket No. 66] and (b) the administrative advisor to the Debtors pursuant to the *Order Authorizing Employment and Retention of Kroll Restructuring Administration LLC as*

[2] All capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Plan or Disclosure Statement Order (as defined below).

Administrative Advisor Nunc Pro Tunc to the Petition Date , dated July 21, 2022 [Docket No. 250] (collectively, the "Retention Orders"). The Retention Orders authorize Kroll to assist the Debtors with, among other things, the service of solicitation materials and tabulation of votes cast to accept or reject the Plan. Kroll and its employees have considerable experience in soliciting and tabulating votes to accept or reject chapter 11 plans.

Service and Transmittal of Solicitation Packages and the Tabulation Process

5. Pursuant to the *Order Approving (I) the Adequacy of the Disclosure Statement, (II) Solicitation and Voting Procedures with Respect to Confirmation of the Plan, (III) the Form of Ballots and Notices in Connection Therewith, and, (IV) the Scheduling of Certain Dates with Respect Thereto*, dated February 21, 2023 [Docket No. 1516] (the "Disclosure Statement Order"), this Court approved procedures to solicit votes from, and tabulate ballots submitted by, holders of Claims entitled to vote on the Plan (as further supplemented by the Supplemental Hair Straightening Bar Date Order, the "Solicitation Procedures"). Kroll adhered to the Solicitation Procedures outlined in the Disclosure Statement Order and the Ballots and distributed (or caused to be distributed) Solicitation Packages to parties entitled to vote on the Plan.[3] I supervised the solicitation and tabulation services performed by Kroll's employees.

6. The Solicitation Procedures established February 21, 2023, as the record date for determining which holders of Claims were entitled to vote on the Plan

[3] Kroll was not required to send Solicitation Packages to Holders that asserted Hair Straightening Claims that had not filed proofs of claims, and thus had not asserted claims, by the Voting Record Date. Rather, procedures for the voting of Hair Straightening Claims for which proofs of claims were filed after the general claims bar date of October 24, 2022, at 5:00 P.M. (prevailing Eastern Time) are set forth in the *Order (I) Establishing Supplemental Deadline for Submitting Hair Straightening Proofs of Claim, (II) Approving the Notice Thereof, and (III) Granting Related Relief* [Docket No. 1574] (the "Supplemental Hair Straightening Bar Date Order").

(the "Voting Record Date").[4] Pursuant to the Plan and the Solicitation Procedures, only Holders of Claims as of the Voting Record Date in the following Classes were entitled to vote to accept or reject the Plan (collectively, the "Voting Classes"):

Plan Class	Class Description
4	OpCo Term Loan Claims
5	2020 Term B-1 Loan Claims
6	2020 Term B-2 Loan Claims
8	Unsecured Notes Claims
9(a)	Talc Personal Injury Claims
9(b)	Non-Qualified Pension Claims
9(c)	Trade Claims
9(d)	Other General Unsecured Claims

No other Classes were entitled to vote on the Plan.

7. In accordance with the Solicitation Procedures, Kroll worked closely with the Debtors' advisors to identify the Holders of Claims entitled to vote in the Voting Classes as of the Voting Record Date and to coordinate the distribution of solicitation materials and/or notice of the solicitation to these Holders of Claims. A detailed description of Kroll's distribution of

[4] For the avoidance of doubt, in accordance with paragraphs 7 and 9 of the Supplemental Hair Straightening Bar Date Order, the Voting Record Date did not apply to Holders of Voting Hair Straightening Claims; rather, Holders of Voting Hair Straightening Claims that filed a Hair Straightening Proof of Claim through Kroll's online portal on or prior to March 23, 2023 at 4:00 p.m., prevailing Eastern Time were entitled to vote.

Solicitation Packages is set forth in Kroll's (a) *Affidavit of Service*, dated March 13, 2023 [Docket No. 1600], (b) *Affidavit of Service of Solicitation Materials*, dated March 17, 2023 [Docket No. 1640], and (c) *Affidavit of Service*, dated March 21, 2023 [Docket No. 1653].

8. Further, in accordance with the Solicitation Procedures, Kroll received, reviewed, determined the validity of, and tabulated the Ballots submitted to vote on the Plan. Each Ballot submitted to Kroll was date-stamped, scanned (if submitted on paper), assigned a ballot number, entered into Kroll's voting database, and processed in accordance with the Solicitation Procedures. To be included in the tabulation results as valid, a Ballot must have been (a) properly completed pursuant to the Solicitation Procedures, (b) executed by the relevant holder entitled to vote on the Plan (or such holder's authorized representative), (c) returned to Kroll via an approved method of delivery set forth in the Solicitation Procedures, and (d) received by Kroll by 4:00 p.m. (prevailing Eastern Time) on March 20, 2023, or with respect to Hair Straightening Claims, by 4:00 p.m. (prevailing Eastern Time) on March 23, 2023 (the "Voting Deadline").

9. All valid Ballots cast by Holders entitled to vote in the Voting Classes and received by Kroll on or before the Voting Deadline were tabulated pursuant to the Solicitation Procedures.[5]

10. The final tabulation of votes cast by timely and properly completed Ballots received by Kroll is attached hereto as **Exhibit A-1**.[6] A chart which aggregates the total amount

[5] Prior to the Voting Deadline, three law firms representing Hair Straightening Claimants (Ashcraft Gerel, Beasley Allen, and Morgan & Morgan) contacted Kroll and requested to withdraw votes to accept the Plan that they previously submitted on behalf of their clients through the online portal. At the direction of the Debtors and pursuant to paragraph 17 of the Disclosure Statement Order, Kroll excluded these votes from the final tabulation and included them on Exhibit B-1 as withdrawn Ballot submissions.

[6] The final voting results for Class 9(a) – Talc Personal Injury Claims include 2,174 votes to accept the Plan in the aggregate amount of $2,174.00 that were submitted via an excel spreadsheet by Weitz & Luxenberg, PC for approximately one-hundred of their clients. Kroll included these votes pursuant to Section C.2. of the Solicitation and Voting Procedures and at the direction of the Debtors.

and number of votes cast by timely and properly completed Ballots received within each Voting Class for all Debtors is attached hereto as **Exhibit A-2**.[7] Reports of all Ballots excluded from the initial tabulation prepared by Kroll, and the reason(s) for the exclusion of such Ballots, are attached hereto as **Exhibit B-1** and **Exhibit B-2**.

[Remainder of Page Intentionally Left Blank]

[7] As an aggregation of all votes cast against all Debtors, the tabulation set forth in **Exhibit A-2** reflects, in certain instances, multiple timely and properly completed Ballots by the same claimant on account of Claims in the same Class against different Debtors.

To the best of my knowledge, information, and belief, I declare under penalty of perjury that the foregoing information concerning the distribution, submission, and tabulation of Ballots in connection with the Plan is true and correct.

NOW, THEREFORE, the Court having found that notice of the Plan and the Confirmation Hearing and the opportunity for any party in interest to object to Confirmation has been adequate and appropriate as to all parties affected or to be affected by the Plan and the transactions contemplated thereby, and that the legal and factual bases set forth in the documents filed in support of Confirmation and all evidence proffered or adduced by counsel at the Confirmation Hearing establish just cause for the relief granted herein; and after due deliberation thereon and good cause appearing therefor, the Court hereby makes and issues the following Findings of Fact and Conclusions of Law and hereby orders as follows:

1. FINDINGS OF FACT AND CONCLUSIONS OF LAW

IT IS HEREBY DETERMINED FOUND, ADJUDGED, DECREED, AND ORDERED THAT:

A. Findings and Conclusions

1. The findings and conclusions set forth herein and on the record of the Confirmation Hearing constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding by Bankruptcy Rule 9014. All findings of fact and conclusions of law announced by this Court at the Confirmation Hearing in relation to confirmation of the Plan are hereby incorporated into this Confirmation Order. To the extent any of the following findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

B. Jurisdiction, Venue, Core Proceeding (28 U.S.C. §§ 157(b)(2) and 1334(a))

2. The Court has jurisdiction over the Chapter 11 Cases pursuant to 28 U.S.C. § 1334. Confirmation of the Plan is a core proceeding pursuant to 28 U.S.C. § 157(b), and the Court has jurisdiction to enter a final order determining that the Plan, including the Restructuring Transactions contemplated in connection therewith, complies with the applicable provisions of the Bankruptcy Code and should be confirmed and approved. Venue is proper before the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

C. Eligibility for Relief

3. The Debtors are entities eligible for relief under section 109 of the Bankruptcy Code.

D. Chapter 11 Petitions

4. On June 15, 2022 or June 16, 2022, each Debtor commenced a voluntary case under chapter 11 of the Bankruptcy Code. Since the Petition Date, the Debtors have operated their businesses and managed their properties as debtors-in-possession pursuant to sections 1107(a) and

1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these Chapter 11 Cases. On June 24, 2022, the United States Trustee for the Southern District of New York (the "U.S. Trustee") appointed an official committee of unsecured creditors pursuant to section 1102 of the Bankruptcy Code (the "Creditors' Committee") [Docket No. 121].

E. Judicial Notice

5. The Court takes judicial notice of (and deems admitted into evidence for Confirmation) the docket of the Chapter 11 Cases maintained by the Clerk of the Court and/or its duly appointed agent, including all pleadings and other documents filed, all orders entered, all hearing transcripts, and all evidence and arguments made, proffered or adduced at, the hearings held before the Court during the pendency of the Chapter 11 Cases, including, without limitation, the hearing to consider the adequacy of the Disclosure Statement and the Confirmation Hearing. Any resolutions of any objections explained on the record at the Confirmation Hearing are incorporated herein by reference.

F. Disclosure Statement Order

6. On February 21, 2023, the Court entered the Disclosure Statement Order, which, among other things, fixed March 20, 2023, at 4:00 p.m. (prevailing Eastern Time) as the deadline for voting to accept or reject the Plan (the "Voting Deadline"), and March 23, 2023, at 4:00 p.m. (prevailing Eastern Time) as the deadline for objecting to the Plan (the "Plan Objection Deadline").

G. Hair Straightening Bar Date Order

7. On March 7, 2023, the Court entered the Hair Straightening Bar Date Order, which, among other things, fixed April 11, 2023 at 5:00 p.m. (prevailing Eastern Time) as the extended deadline for Hair Straightening Claimants to file a Hair Straightening Proof of Claim (as defined in the Hair Straightening Bar Date Order), and fixed March 23, 2023 at 4:00 p.m. (prevailing Eastern Time) as the extended deadline for voting to accept or reject the Plan solely for Hair

Straightening Claimants that filed Hair Straightening Proofs of Claim prior to such deadline in accordance with the relevant provisions of the Hair Straightening Bar Date Order (the "Hair Straightening Voting Deadline").

H. Notice and Transmittal of Solicitation Materials; Adequacy of Solicitation Notices

8. As evidenced by the Solicitation Affidavits, the Hair Straightening Affidavit, the Plan, the Disclosure Statement, the Disclosure Statement Order, the ballots for voting on the Plan (the "Ballots"), the Confirmation Hearing Notice, notices of non-voting status, and the other materials distributed by the Debtors in connection with Confirmation of the Plan (collectively, the "Solicitation Materials"), including notice of the Voting Deadline, the Hair Straightening Voting Deadline, and the Plan Objection Deadline, were transmitted and served in compliance with the Bankruptcy Rules, including Bankruptcy Rules 3017 and 3018, with the Local Bankruptcy Rules for the Southern District of New York (the "Local Rules"), and with the procedures set forth in the Disclosure Statement Order and the Hair Straightening Bar Date Order. Notice of the Confirmation Hearing complied with the terms of the Disclosure Statement Order, was appropriate and satisfactory based on the circumstances of these Chapter 11 Cases, and was in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules. The transmittal and service of the Solicitation Materials complied with the approved Solicitation and Voting Procedures, were appropriate and satisfactory based upon the circumstances of the Chapter 11 Cases, were conducted in good faith, and were in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable rules, laws, and regulations. Because such transmittal and service were adequate and sufficient, no other or further notice is necessary or shall be required.

9. The period during which the Debtors solicited acceptances to the Plan was a reasonable and adequate period of time and the manner of such solicitation was an appropriate

process for creditors and equity holders to have made an informed decision to vote to accept or reject the Plan.

I. Good Faith Solicitation (11 U.S.C. § 1125(e))

10. Based on the record before the Court in the Chapter 11 Cases, the Debtors have solicited votes on the Plan in good faith and in compliance with the Bankruptcy Code and other applicable law, and pursuant to sections 1125 and 1126 of the Bankruptcy Code, and the Debtors, the Consenting BrandCo Lenders, the Consenting 2016 Lenders, the Creditors' Committee, and, as applicable, each of their respective Affiliates, and each of their and their Affiliates' agents, representatives, members, principals, shareholders, officers, directors, employees, advisors, and attorneys, in each case solely in their respective capacities as such, have participated in good faith and in compliance with the Bankruptcy Code in the offer, issuance, sale, solicitation and/or purchase of New Securities offered, issued, sold, solicited, and/or purchased under the Plan (including the Equity Rights Offering) and any previous plan and, therefore, no such parties, individuals, or the Reorganized Debtors will have any liability for the violation of any applicable law, rule, or regulation governing the solicitation of votes on the Plan or the offer, issuance, sale, solicitation, or purchase of the New Securities offered, issued, sold, solicited, and/or purchased under the Plan (including the Equity Rights Offering) or any previous plan.

J. Voting Certification

11. On March 23, 2023 and March 29, 2023, respectively, the Voting and Claims Agent filed the Initial Voting Certification and the Supplemental Voting Certification with the Court, certifying the method and results of the Ballots tabulated for Class 4 (OpCo Term Loan Claims), Class 5 (2020 Term B-1 Loan Claims), Class 6 (2020 Term B-2 Loan Claims), Class 8 (Unsecured Notes Claims), Class 9(a) (Talc Personal Injury Claims), Class 9(b) (Non-Qualified Pension Clams), Class 9(c) (Trade Claims), and Class 9(d) (Other General Unsecured Claims) (the "Voting

Classes"). As evidenced by the Voting Certification, votes to accept or reject the Plan have been solicited and tabulated fairly, in good faith, and in a manner consistent with the Bankruptcy Code, the Bankruptcy Rules, the Solicitation and Voting Procedures, and the Local Rules.

12. As set forth in the Plan and the Disclosure Statement, only Holders of Claims in the Voting Classes were eligible to vote on the Plan. Under section 1126(f) of the Bankruptcy Code, Holders of Claims in Class 1 (Other Secured Claims), Class 2 (Other Priority Claims), and Class 3 (FILO ABL Claims) are Unimpaired and are presumed to have accepted the Plan. Under section 1126(g) of the Bankruptcy Code, Holders of Claims and Interests in Class 7 (BrandCo Third Lien Guaranty Claims), Class 10 (Subordinated Claims), and Class 12 (Interests in Holdings) are receiving no distribution under the Plan and are presumed to have rejected the Plan. Holders of Claims and Interests in Class 11 (Intercompany Claims and Interests) are either Unimpaired or Impaired, and Holders of such Claims and Interests are presumed to accept the Plan or deemed to reject the Plan.

K. Plan Supplement

13. The filing and notice of the Plan Supplement (including any modifications or supplements thereto) were proper and in accordance with the Plan, the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, all other applicable laws, rules, and regulations, and the Disclosure Statement Order, and no other or further notice is or shall be required. All documents included in the Plan Supplement are integral to, part of, and incorporated by reference into the Plan. Subject to the terms of the Plan and the Restructuring Support Agreement, and the consent rights of the Consenting Creditor Parties thereunder, the Debtors are authorized to alter, amend, update, modify, or supplement the Plan Supplement before the Effective Date. All parties were provided due, adequate, and sufficient notice of the Plan Supplement, and the filing of any further supplements thereto will provide due, adequate, and sufficient notice thereof.

L. Modifications to the Plan

14. Pursuant to, and in compliance with, section 1127 of the Bankruptcy Code, the Debtors have proposed certain modifications to the Plan as reflected therein (the "Plan Modifications"). In accordance with Bankruptcy Rule 3019, the Plan Modifications do not (a) constitute material modifications of the Plan under section 1127 of the Bankruptcy Code, (b) cause the Plan to fail to meet the requirements of sections 1122 or 1123 of the Bankruptcy Code, (c) materially or adversely affect or change the treatment of any Claims or Interests, (d) require re-solicitation of any Holders of Claims or Interests, or (e) require that any such Holders be afforded an opportunity to change previously cast acceptances or rejections of the Plan. Under the circumstances, the form and manner of notice of the Plan Modifications were adequate, and no other or further notice of the Plan Modifications is necessary or required. In accordance with section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, all Holders of Claims or Interests that voted to accept the Plan or that are conclusively presumed to have accepted the Plan, as applicable, are deemed to have accepted the Plan as modified by the Plan Modifications. No Holder of a Claim or Interest that has voted to accept the Plan shall be permitted to change its acceptance to a rejection as a consequence of the Plan Modifications.

15. To the extent this Confirmation Order contains modifications to the Plan, such modifications were made to address objections and informal comments received from various parties-in-interest. Modifications to the Plan since the entry of the Disclosure Statement Order are consistent with the provisions of the Bankruptcy Code. The disclosure of any Plan modifications prior to or on the record at the Confirmation Hearing constitutes due and sufficient notice of any and all Plan modifications. The Plan as modified shall constitute the Plan submitted for Confirmation.

M. Objections

16. To the extent that any objections (whether formal or informal), reservations of rights, statements, or joinders to any of the foregoing relating, in each case, to Confirmation have not been resolved, withdrawn, waived, or settled prior to entry of this Confirmation Order, or otherwise resolved herein or as stated on the record of the Confirmation Hearing, they are hereby overruled on the merits based on the record before this Court.

N. Burden of Proof

17. The Debtors, as the proponents of the Plan, have met their burden of proving the elements of sections 1129(a) and (b) of the Bankruptcy Code by a preponderance of the evidence, which is the applicable evidentiary standard for Confirmation of the Plan. In addition, to the extent applicable, the Plan is confirmable under the clear and convincing evidentiary standard. Each witness who testified on behalf of the Debtors or submitted a declaration in support of Confirmation in connection with the Confirmation Hearing was credible, reliable, and qualified to testify as to the topics addressed in his or her testimony.

O. Bankruptcy Rule 3016

18. The Plan is dated and identifies the Debtors as the Plan proponents, thereby satisfying Bankruptcy Rule 3016(a). The filing of the Disclosure Statement satisfied Bankruptcy Rule 3016(b). The discharge, release, injunction, and exculpation provisions of the Plan are set forth in bold therein and in the Disclosure Statement, thereby complying with Bankruptcy Rule 3016(c).

P. Plan Compliance with the Bankruptcy Code (11 U.S.C. § 1129(a)(1))

19. The Plan complies with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1129(a)(1) of the Bankruptcy Code.

(i) Proper Classification (11 U.S.C. §§ 1122, 1123(a)(1))

20. The classification of Claims and Interests under the Plan is proper under the Bankruptcy Code. As required by section 1123(a)(1), in addition to Administrative Claims (including Professional Compensation Claims and statutory U.S. Trustee fees), Priority Tax Claims, ABL DIP Facility Claims, Term DIP Facility Claims, and Intercompany DIP Facility Claims which need not be classified, Article III of the Plan designates fifteen Classes (or subclasses thereof) of Claims and Interests. As required by section 1122(a) of the Bankruptcy Code, the Claims and Interests placed in each Class are substantially similar to other Claims and Interests, as the case may be, in each such Class. Valid business, factual, and legal reasons exist for separately classifying the various Classes of Claims and Interests created under the Plan, the classifications were not implemented for improper purposes, and such Classes do not unfairly discriminate between or among Holders of Claims and Interests. Thus, the Plan satisfies sections 1122 and 1123(a)(1) of the Bankruptcy Code.

(ii) Specified Unimpaired Classes (11 U.S.C. § 1123(a)(2)).

21. Article III of the Plan specifies that Claims in Class 1 (Other Secured Claims), Class 2 (Other Priority Claims), Class 3 (FILO ABL Claims), and, as applicable, Class 11 (Intercompany Claims and Interests) are Unimpaired under the Plan, thereby satisfying section 1123(a)(2) of the Bankruptcy Code.

(iii) Specified Treatment of Impaired Classes (11 U.S.C. § 1123(a)(3)).

22. Article III of the Plan specifies the treatment of each Impaired Class under the Plan, including Class 4 (OpCo Term Loan Claims), Class 5 (2020 Term B-1 Loan Claims), Class 6 (2020 Term B-2 Loan Claims), Class 7 (BrandCo Third Lien Guaranty Claims), Class 8 (Unsecured Notes Claims), Class 9(a) (Talc Personal Injury Claims), Class 9(b) (Non-Qualified Pension Clams), Class 9(c) (Trade Claims), Class 9(d) (Other General Unsecured Claims), Class

10 (Subordinated Claims), Class 12 (Interests in Holdings), and, as applicable, Class 11 (Intercompany Claims and Interests), thereby satisfying section 1123(a)(3) of the Bankruptcy Code.

(iv) No Discrimination (11 U.S.C. § 1123(a)(4))

23. Article III of the Plan provides for the same treatment for each Claim or Interest within a particular Class except to the extent that a Holder of a particular Claim or Interest has agreed to a less favorable treatment of such Claim or Interest. Accordingly, the Plan satisfies section 1123(a)(4) of the Bankruptcy Code.

(v) Adequate Means for Implementation of the Plan (11 U.S.C. § 1123(a)(5)).

24. The Plan and the various documents and agreements included in the Plan Supplement or entered into in connection with the Plan provide adequate and proper means for implementation of the Plan, including, without limitation: (a) the consummation of the Restructuring Transactions (including the Description of Transaction Steps set forth in the Plan Supplement); (b) the execution and delivery of Definitive Documents, as applicable, including those agreements or other documents of merger, amalgamation, consolidation, contribution, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are consistent with the terms of the Plan; (c) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan; (d) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, contribution, conversion, amalgamation, arrangement, continuance, or dissolution pursuant to applicable state or local law, if necessary; (e) the issuance of the New Securities; (f) the cancellation of certain existing agreements, obligations, instruments,

and Interests; (g) the entry into the Exit Facilities; (h) the entry into the New Warrant Agreement; (i) the continued vesting of the assets of the Debtors' Estates in the Reorganized Debtors; and (j) all other actions that the Debtors determine to be necessary, including making filings or recordings that may be required by applicable law in connection with the Plan. Accordingly, the Plan satisfies the requirements of section 1123(a)(5) of the Bankruptcy Code.

(vi) Non-Voting Equity Securities (11 U.S.C. § 1123(a)(6)).

25. To the extent required under section 1123(a)(6) of the Bankruptcy Code, the New Organizational Documents prohibit the issuance of non-voting equity securities and provide for an appropriate distribution of voting power among the classes of equity securities possessing voting power. Accordingly, the Plan satisfies the requirements of section 1123(a)(6) of the Bankruptcy Code.

(vii) Designation of Directors and Officers (11 U.S.C. § 1123(a)(7)).

26. The Reorganized Debtors' initial directors and officers are set forth in the Plan and the Plan Supplement to the extent known, and, to the extent not known, will be determined in accordance with the Article IV.H of the Plan and the New Organizational Documents. From and after the Effective Date, each such director and officer shall serve and shall be appointed pursuant to the terms of their respective charters and bylaws, limited liability company agreements, or other formation and constituent documents, including the New Organizational Documents and applicable laws of the respective Reorganized Debtor's jurisdiction of formation. The employment and manner of selection of such individuals is consistent with the interests of Holders of Claims and Interests and public policy. Accordingly, the Plan satisfies the requirements of section 1123(a)(7) of the Bankruptcy Code.

Q. Discretionary Contents of the Plan (11 U.S.C. § 1123(b))

27. The additional provisions of the Plan are appropriate and consistent with the applicable provisions of the Bankruptcy Code. Thus, the Plan complies with section 1123(b) of the Bankruptcy Code.

(i) Impairment/Unimpairment of Any Class of Claims or Interests (11 U.S.C. § 1123(b)(1))

28. Pursuant to the Plan, Classes 1, 2, and 3 are Unimpaired, Classes 4–10 and 12 are Impaired, and Class 11 is either Impaired or Unimpaired, as contemplated by section 1123(b)(1) of the Bankruptcy Code.

(ii) Assumption and Rejection of Executory Contracts and Unexpired Leases (11 U.S.C. § 1123(b)(2))

29. Article VII.A of the Plan provides that, except as otherwise provided in the Plan, all of the Debtors' Executory Contracts and Unexpired Leases shall be deemed assumed as of the Effective Date except for any Executory Contracts or Unexpired Leases that: (a) previously were assumed or rejected by the Debtors; (b) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; or (c) are the subject of a motion to reject such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such rejection is on or after the Effective Date. The Plan contains additional provisions that provide for the assumption of certain contracts relating to insurance and Employment Obligations.

(iii) Settlement, Releases, Exculpation, and Injunction (11 U.S.C. § 1123(b)(3)(A))

30. In accordance with section 1123(b)(3)(A) of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided pursuant to the Plan, including the releases set forth in Article X thereof, the provisions

of the Plan, including the Plan Settlement, constitute a good faith compromise and settlement of all Claims, Interests, Causes of Action, and controversies released, settled, compromised, discharged, satisfied, or otherwise resolved pursuant to the Plan, including, for the avoidance of doubt, any and all Causes of Action that were or could have been asserted in *AIMCO CLO 10 Ltd et al. v. Revlon, Inc. et al.*, Adv. Pro. Case No. 1:22-ap-1167 (Bankr. S.D.N.Y.) (the "Adversary Proceeding"). Such compromises and settlements are the product of extensive arm's-length, good faith negotiations and are fair, equitable, and reasonable and in the best interests of the Debtors and their Estates.

(iv) Preservation of Causes of Action (11 U.S.C. § 1123(b)(3)(B))

31. Article IV.Q of the Plan provides for the preservation by the Debtors of certain Causes of Action in accordance with section 1123(b) of the Bankruptcy Code. In accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, any and all Retained Causes of Action (except, if the GUC Trust is established in accordance with the Plan, the GUC Trust may enforce all rights to commence and pursue Retained Preference Actions), whether arising before or after the Petition Date, including but not limited to any actions specifically enumerated in the Plan Supplement. Unless any Cause of Action of the Debtors against an Entity is expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or pursuant to a Final Order, including through trade agreements executed pursuant to the Final Vendors Order,[3] the Reorganized Debtors expressly reserve all such Retained Causes of Action for later adjudication or settlement in the Reorganized Debtors' sole discretion. Additionally, in accordance with section 1123(b)(3) of the Bankruptcy

[3] *Final Order (I) Authorizing The Debtors To Pay Prepetition Claims of (A) Lien Claimants, (B) Import Claimant, (C) 503(B)(9) Claimants, (D) Foreign Vendors, and (E) Critical Vendors, (II) Confirming Administrative Expense Priority of Outstanding Orders, and (III) Granting Related Relief* [Docket. No. 263] (the "Final Vendors Order").

Code, any Retained Cause of Action that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor, except as otherwise provided in the Plan. The Plan (including the Plan Supplement) are sufficiently specific with respect to the Causes of Action to be retained by the Debtors, and provide meaningful disclosure with respect to the potential Causes of Action that the Debtors may retain, and all parties-in-interest received adequate notice with respect to such Retained Causes of Action. The provisions regarding the Retained Causes of Action in the Plan are appropriate and in the best interests of the Debtors, their respective Estates, and Holders of Claims and Interests.

(v) Other Appropriate Provisions (11 U.S.C. § 1123(b)(6))

32. The Plan's other provisions (including to the extent modified by this Confirmation Order) are appropriate and consistent with the applicable provisions of the Bankruptcy Code, including, without limitation, provisions for (a) distributions to Holders of Claims and Interests, (b) resolution of Disputed Claims, (c) allowance of certain Claims, (d) the assumption of certain Indemnification Provisions, (e) discharge of certain Claims and termination of certain Interests, (f) releases by the Debtors of certain parties, (g) voluntary releases by certain third parties, (h) exculpations of certain parties, (i) the injunction of certain Claims and Causes of Action in order to implement the discharge, release, and exculpation provisions, and (j) retention of Court jurisdiction, thereby satisfying the requirements of section 1123(b)(6) of the Bankruptcy Code.

R. Cure of Defaults (11 U.S.C. § 1123(d))

33. Article VII.C of the Plan provides for the satisfaction of Cure Claims associated with each Executory Contract and Unexpired Lease to be assumed in accordance with section 365(b)(1) of the Bankruptcy Code. Unless otherwise provided by this Confirmation Order, the cure amount identified in the Cure Notice distributed to the applicable counterparty represents the amount, if any, that the Debtors shall pay in full and complete satisfaction of such Cure Claim.

Any Cure Claims shall be satisfied on the Effective Date or as soon as reasonably practicable thereafter or on such other terms as the party to such Executory Contract or Unexpired Lease may otherwise agree. Any disputes regarding assumption, including the amount of any Cure Claim, will be determined in accordance with the procedures set forth in Article VII.C of the Plan and applicable law. As such, the Plan provides that the Debtors will cure, or provide adequate assurance that the Debtors will promptly cure, defaults with respect to assumed Executory Contracts and Unexpired Leases in compliance with section 365(b)(1) of the Bankruptcy Code. The Debtors provided sufficient notice to the counterparties to the Executory Contracts and Unexpired Leases to be assumed under the Plan. Thus, the Plan complies with section 1123(d) of the Bankruptcy Code.

S. The Debtors' Compliance with the Applicable Provisions of the Bankruptcy Code (11 U.S.C. § 1129(a)(2))

34. The Debtors, as proponents of the Plan, have complied with all applicable provisions of the Bankruptcy Code as required by section 1129(a)(2) of the Bankruptcy Code. Specifically:

a. the Debtors are eligible debtors under section 109 of the Bankruptcy Code and are proper proponents of the Plan under section 1121(a) of the Bankruptcy Code;

b. the Debtors have complied with applicable provisions of the Bankruptcy Code, except as otherwise provided or permitted by orders of the Bankruptcy Court;

c. the Debtors and their agents solicited votes to accept or reject the Plan in compliance with sections 1125 and 1126 of the Bankruptcy Code, and all other applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Disclosure Statement Order, and the Hair Straightening Bar Date Order; and

d. the Debtors have complied with other applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules except as otherwise provided or permitted by orders of the Court.

T. Good Faith Proposal of Plan (11 U.S.C. § 1129(a)(3))

35. The Debtors have proposed the Plan (including the Plan Supplement and all other documents necessary or appropriate to effectuate the Plan) in good faith and not by any means forbidden by law, thereby satisfying section 1129(a)(3) of the Bankruptcy Code. In determining that the Plan has been proposed in good faith, the Court has examined the totality of the circumstances surrounding the filing of the Chapter 11 Cases, the Plan itself, the formulation of the Plan, the process leading to Confirmation, the support of Holders of Claims in the Voting Classes for the Plan, and the transactions to be implemented pursuant thereto. The Debtors' good faith is evident from the facts and record of the Chapter 11 Cases, the Disclosure Statement, the hearing on the Disclosure Statement, and the record of the Confirmation Hearing, and other proceedings held in the Chapter 11 Cases. The Plan was proposed with the legitimate and honest purpose of maximizing the value of the Debtors' Estates and to effectuate a successful reorganization of the Debtors. The Plan and all documents necessary to effectuate the Plan were the product of extensive negotiations conducted at arm's length among the Debtors and their key stakeholders, including the Consenting Creditor Parties, the Hair Straightening Claimants, and their respective professionals. Further, the Plan's classification, indemnification, settlement, discharge, exculpation, release, and injunction provisions have been negotiated in good faith and at arm's length, are consistent with sections 105, 1122, 1123(b)(3)(A), 1123(b)(6), 1129, and 1142 of the Bankruptcy Code, and are each integral to the Plan, supported by valuable consideration, and necessary to the Debtors' successful reorganization. Accordingly, the requirements of section 1129(a)(3) of the Bankruptcy Code are satisfied.

36. The Plan gives effect to many of the Debtors' restructuring initiatives, including implementing value-maximizing restructuring transactions. Accordingly, the Debtors, the Released Parties, and the Exculpated Parties have been, are, and will continue to be acting in good

faith if they proceed to: (a) consummate the Plan, the Restructuring Transactions, and the agreements, settlements, transactions, transfers, and other actions contemplated thereby, regardless of whether such agreements, settlements, transactions, transfers, and other actions are expressly identified by this Confirmation Order; and (b) take the actions authorized, directed, or contemplated by this Confirmation Order. Therefore, the Plan has been proposed in good faith to achieve a result consistent with the objectives and purposes of the Bankruptcy Code and the aforementioned parties have acted in good faith.

U. Payment for Services or Costs and Expenses (11 U.S.C. § 1129(a)(4))

37. Any payment made or to be made by the Debtors, or by any Person issuing securities or acquiring property under the Plan, for services or for costs and expenses in connection with the Chapter 11 Cases, or in connection with the Plan and incident to the Chapter 11 Cases, has been approved by or is subject to the approval of the Court as reasonable, including as set forth in this Confirmation Order, thereby satisfying section 1129(a)(4) of the Bankruptcy Code.

V. Directors, Officers, and Insiders (11 U.S.C. § 1129(a)(5))

38. The Debtors have complied with section 1129(a)(5) of the Bankruptcy Code. The identity and affiliations of any known Person proposed to serve on the New Boards were disclosed in the Plan Supplement, as well as any known Persons that will serve as an officer of Reorganized Holdings or other Reorganized Debtors. The proposed officers and directors for Reorganized Holdings are qualified, and their appointment to, or continuance in, such roles is consistent with the interests of Holders of Claims and Interests and with public policy. To the extent that such directors and officers are insiders, the nature of their compensation has been disclosed to the extent known and reasonably practicable.

W. No Rate Changes (11 U.S.C. § 1129(a)(6))

39. Section 1129(a)(6) of the Bankruptcy Code is not applicable to the Chapter 11 Cases. The Plan proposes no rate change subject to the jurisdiction of any governmental regulatory commission.

X. Best Interests of Holders of Claims and Interests (11 U.S.C. § 1129(a)(7))

40. Each Holder of an Impaired Claim or Interest either has accepted the Plan or will receive or retain under the Plan, on account of such Claim or Interest, property of a value, as of the Effective Date, that is not less than the amount that such Holder would receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code on such date.

41. The liquidation analysis attached as **Exhibit E** to the Disclosure Statement (the "Liquidation Analysis") and the other evidence related thereto in support of the Plan that was presented, proffered, or adduced at or prior to the Confirmation Hearing or in the Confirmation Declarations: (a) are reasonable, persuasive, credible, and accurate as of the dates such analysis or evidence was prepared, presented, or proffered; (b) utilize reasonable and appropriate methodologies and assumptions; (c) have not been controverted by other evidence; and (d) establish that Holders of Allowed Claims or Allowed Interests in every Class will receive or retain under the Plan, on account of such Claim or Interest, property of a value, as of the Effective Date, that is not less than the amount such Holder would receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. Accordingly, the Plan satisfies the "best interests of creditors" test under section 1129(a)(7) of the Bankruptcy Code.

Y. Acceptance by Certain Classes (11 U.S.C. § 1129(a)(8))

42. Class 1 (Other Secured Claims), Class 2 (Other Priority Claims), and Class 3 (FILO ABL Claims) are Unimpaired by the Plan pursuant to section 1124 of the Bankruptcy Code and, accordingly, Holders of Claims in such Classes are conclusively presumed to have accepted the

Plan pursuant to section 1126(f) of the Bankruptcy Code. Class 4 (OpCo Term Loan Claims), Class 5 (2020 Term B-1 Loan Claims), Class 6 (2020 Term B-2 Loan Claims), Class 8 (Unsecured Notes Claims), Class 9(a) (Talc Personal Injury Claims), except Class 9(a) (Talc Personal Injury Claims) against Revlon, Inc., Class 9(b) (Non-Qualified Pension Clams), and Class 9(c) (Trade Claims) are Impaired by the Plan and, as established by the Voting Certification, have voted to accept the Plan by the requisite numbers and amount of Claims. Claims and Interests in Class 7 (BrandCo Third Lien Guaranty Claims), Class 10 (Subordinated Claims), and Class 12 (Interests in Holdings) will not receive or retain any property on account of their Claims or Interests in such Class and, accordingly, such Claims and Interests are Impaired and such Classes are deemed to have rejected the Plan pursuant to section 1126(g) of the Bankruptcy Code. Holders of Claims in Class 9(a) (Talc Personal Injury Claims) against Revlon, Inc. and Class 9(d) (Other General Unsecured Claims) are Impaired by the Plan and, as established by the Voting Certification, have voted to reject the Plan. Claims and Interests in Class 11 (Intercompany Claims and Interests) are either Unimpaired or Impaired, and Holders of such Claims and Interests are presumed to have accepted the Plan or deemed to reject the Plan. Notwithstanding the foregoing, the Plan is confirmable because it satisfies sections 1129(a)(10) and 1129(b) of the Bankruptcy Code.

Z. Treatment of Claims Entitled to Priority Under Section 507(a) of the Bankruptcy Code (11 U.S.C. § 1129(a)(9))

43. The treatment of Administrative Claims (including Professional Compensation Claims and statutory U.S. Trustee fees), Priority Tax Claims, ABL DIP Facility Claims, Term DIP Facility Claims, Intercompany DIP Facility Claims, and Other Priority Claims pursuant to Articles II and III of the Plan satisfies the requirements of section 1129(a)(9) of the Bankruptcy

Code. Accordingly, the Debtors have satisfied the requirements of section 1129(a)(9) of the Bankruptcy Code.

AA. Acceptance By at Least One Impaired Class of Claims (11 U.S.C. § 1129(a)(10)).

44. Class 4 (OpCo Term Loan Claims), Class 5 (2020 Term B-1 Loan Claims), Class 6 (2020 Term B-2 Loan Claims), Class 8 (Unsecured Notes Claims), Class 9(a) (Talc Personal Injury Claims) (except for Talc Personal Injury Claims against Revlon, Inc., which voted to reject the Plan), Class 9(b) (Non-Qualified Pension Clams), and Class 9(c) (Trade Claims) are Impaired by the Plan and, as evidenced by the Voting Certification, have voted to accept the Plan by the requisite number and amount of Claims, as determined without including any acceptance of the Plan by any insider (as that term is defined in section 101(31) of the Bankruptcy Code). Accordingly, the Plan satisfies section 1129(a)(10) of the Bankruptcy Code.

45. Each of Class 9(a) (Talc Personal Injury Claims), Class 9(b) (Non-Qualified Pension Claims), and Class 9(c) (Trade Claims) voted to accept the Plan by the requisite numbers and amount of Claims on an aggregate basis and Class 9(d) (Other General Unsecured Claims) voted to reject the Plan on an aggregate basis. Accordingly, Classes 9(a), 9(b), and 9(c) have voted to accept the Plan under Articles III.C.9, III.C.10, and III.C.11 of the Plan and Class 9(d) has voted reject the Plan under Article III.C.12 of the Plan.

BB. Feasibility (11 U.S.C. § 1129(a)(11)).

46. The financial projections attached as **Exhibit G** to the Disclosure Statement and the evidence that was proffered or adduced at or prior to the Confirmation Hearing, including the Confirmation Declarations: (a) are reasonable, persuasive, credible, and accurate as of the dates such evidence was prepared, presented, and/or proffered, (b) have not been controverted by other evidence, (c) utilize reasonable and appropriate methodologies and assumptions, (d) establish that the Plan is feasible and that there is a reasonable prospect of the Reorganized Debtors being able

to meet their financial obligations under the Plan and in the ordinary course of their business, and that Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the Reorganized Debtors or any successor to the Reorganized Debtors under the Plan; and (e) establish that the Reorganized Debtors will have sufficient funds available to meet their obligations under the Plan. Accordingly, the Plan satisfies the requirements of section 1129(a)(11) of the Bankruptcy Code.

CC. Payment of Statutory Fees (11 U.S.C. § 1129(a)(12))

47. As set forth in Article II.G of the Plan, the Debtors shall pay, in full in cash, any fees due and owing to the U.S. Trustee at the time of Confirmation. Thereafter, subject to Article XIV.M of the Plan, each applicable Reorganized Debtor shall pay all U.S. Trustee fees due and owing under section 1930 of the Judicial Code in the ordinary course until the earlier of (a) the entry of a final decree closing the applicable Reorganized Debtor's Chapter 11 Case, or (b) the Bankruptcy Court enters an order converting or dismissing the applicable Reorganized Debtor's Chapter 11 Case. Accordingly, the Plan satisfies the requirements of section 1129(a)(12) of the Bankruptcy Code.

DD. Retiree Benefits (11 U.S.C. § 1129(a)(13))

48. Pursuant to Article IV.K of the Plan, from and after the Effective Date, the Debtors shall assume and continue to pay all Retiree Benefits Claims in accordance with applicable law. Accordingly, the Plan satisfies the requirements of section 1129(a)(13) of the Bankruptcy Code.

EE. Non-Applicability of Certain Sections (11 U.S.C. §§ 1129(a)(14), (15), and (16))

49. Sections 1129(a)(14), 1129(a)(15), and 1129(a)(16) of the Bankruptcy Code do not apply to the Chapter 11 Cases. The Debtors owe no domestic support obligations, are not individuals, and are moneyed, business, or commercial corporations or trusts.

FF. Confirmation of Plan Over Non-Acceptance of Impaired Classes (11 U.S.C. § 1129(b))

50. The Plan may be confirmed pursuant to section 1129(b) of the Bankruptcy Code notwithstanding that the requirements of section 1129(a)(8) have not been met, because the Debtors have demonstrated by a preponderance of the evidence that the Plan (a) satisfies all of the other requirements of section 1129(a) of the Bankruptcy Code and (b) does not "discriminate unfairly" and is "fair and equitable" with respect to the Rejecting Classes (as defined below).

51. Based upon the evidence proffered, adduced, and presented by the Debtors prior to or at the Confirmation Hearing, the Plan does not "discriminate unfairly" against any Holders of Claims and Interests in Class 9(a) (Talc Personal Injury Claims) against Revlon, Inc., Class 9(d) (Other General Unsecured Claims), Class 10 (Subordinated Claims), Class 11 (Intercompany Claims and Interests), or Class 12 (Interests in Holdings) (collectively, the "Rejecting Classes"), as required by section 1129(b)(1) of the Bankruptcy Code, because all similarly situated Holders of Claims and Interests will receive substantially similar treatment, and to the extent the Plan treats any Classes differently, there are valid business, legal, and factual reasons to do so.

52. The Plan is also "fair and equitable" with respect to the Rejecting Classes. Specifically, no Holder of Claims or Interests junior to any Rejecting Class is receiving a distribution on account of such Claim or Interest under the Plan, and no Class of Claims or Interests is receiving more than a full recovery on account of its Claims or Interests.

53. The Plan, therefore, satisfies the requirements of section 1129(b) of the Bankruptcy Code and may be confirmed despite the fact that not all Impaired Classes have voted to accept the Plan.

GG. Only One Plan (11 U.S.C. § 1129(c))

54. The Plan is the only plan filed in the Chapter 11 Cases, and, accordingly, satisfies section 1129(c) of the Bankruptcy Code.

HH. Principal Purpose of the Plan (11 U.S.C. § 1129(d))

55. The principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act of 1933 and there has been no filing by any Governmental Unit asserting any such attempted avoidance. Thus, the Plan satisfies section 1129(d) of the Bankruptcy Code.

II. Not Small Business Cases (11 U.S.C. § 1129(e))

56. These Chapter 11 Cases are not small business cases, as that term is defined in the Bankruptcy Code, and accordingly, section 1129(e) of the Bankruptcy Code is inapplicable in the Chapter 11 Cases.

JJ. Satisfaction of Confirmation Requirements

57. Based upon the foregoing and all other pleadings and evidence proffered or adduced at or prior to the Confirmation Hearing, the Plan and the Debtors, as applicable, satisfy all the requirements for Confirmation set forth in section 1129 of the Bankruptcy Code.

KK. Valuation

58. The valuation analysis attached as **Exhibit D** to the Disclosure Statement (the "Valuation Analysis"), the evidence adduced at the Confirmation Hearing, including in the Zelin Declaration, and the estimated post-emergence enterprise value of the Reorganized Debtors are reasonable and credible. All parties in interest have been given a fair and reasonable opportunity to challenge the Valuation Analysis. The Valuation Analysis (a) is reasonable, persuasive, and credible as of the date such analysis was prepared, presented, or proffered, and (b) uses reasonable and appropriate methodologies and assumptions.

LL. Plan Implementation

59. The terms of the Plan, including, without limitation, the Plan Supplement and all exhibits and schedules thereto, and all other agreements, instruments, or other documents filed in connection with the Plan and/or executed or to be executed in connection with the transactions contemplated by the Plan and all amendments and modifications of any of the foregoing made pursuant to the provisions of the Plan governing such amendments and modifications (collectively, and as each may be amended, supplemented, or modified, the "Plan Documents") are incorporated by reference, are approved in all respects, and constitute an integral part of this Confirmation Order. The Debtors have exercised reasonable business judgment in determining which agreements to enter into and have provided sufficient and adequate notice of such documents and agreements. The terms and conditions of such documents and agreements have been negotiated in good faith and at arm's length, are fair and reasonable, and are reaffirmed and approved.

MM. Binding and Enforceable

60. The Plan and the Plan Documents have been negotiated in good faith and at arm's length and, subject to the occurrence of the Effective Date, shall bind: (a) any and all Holders of Claims and/or Interests and each such Holder's respective agents, successors, and assigns (whether or not each such Holder's Claim and/or Interest is Impaired under the Plan, whether or not such Holder has accepted or rejected the Plan, and whether or not such Holder is entitled to a distribution under the Plan); (b) all Entities that are parties to or are subject to the settlements, compromises, releases, and injunctions described in the Plan and this Confirmation Order; (c) each Entity acquiring property under the Plan or this Confirmation Order; and (d) any and all non-Debtor parties to Executory Contracts or Unexpired Leases with the Debtors. The Plan and the Plan Documents constitute legal, valid, binding, and authorized obligations of the respective parties thereto and shall be enforceable in accordance with their terms. Pursuant to section 1142(a) of the

Bankruptcy Code, the Plan and the Plan Documents shall apply and be enforceable notwithstanding any otherwise applicable nonbankruptcy law. Subject to the consent and approval rights of applicable parties set forth in the Plan and the Restructuring Support Agreement, the Debtors are authorized to take any action reasonably necessary or appropriate to consummate the Plan and the transactions contemplated thereby.

NN. Vesting of Assets

61. Except as otherwise provided in the Plan or any agreement, instrument, or other document incorporated in the Plan (including the Plan Supplement) or this Confirmation Order, on the Effective Date, pursuant to section 1141 of the Bankruptcy Code, all property (including all interests, rights, and privileges related thereto) in each Debtor's Estate, all Retained Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan, including Interests held by the Debtors in any non-Debtor Affiliates, shall vest in the applicable Reorganized Debtor, free and clear of all Liens, Claims, charges, encumbrances, or other interests, unless expressly provided otherwise by the Plan or this Confirmation Order, subject to and in accordance with the Plan, including the Description of Transaction Steps. On and after the Effective Date, except as otherwise provided in the Plan or this Confirmation Order, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules. Without limiting the foregoing, the Reorganized Debtors may pay the charges that they incur on or after the Confirmation Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court, subject to the Final DIP Order (including the Approved Budget (as defined therein)).

OO. Executory Contracts and Unexpired Leases

62. The Debtors have exercised reasonable business judgment in determining whether to assume, assume and assign, or reject each of their Executory Contracts and Unexpired Leases pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code, the Plan, including Article VII of the Plan, and as set forth in the Plan Supplement. Each assumption of an Executory Contract or Unexpired Lease pursuant to the Plan shall be legal, valid, and binding to the same extent as if such assumption were effectuated pursuant to an order of the Court under section 365 of the Bankruptcy Code entered before entry of this Confirmation Order. Except as set forth herein and/or in separate orders entered by the Court relating to assumption of Executory Contracts or Unexpired Leases, the Debtors have cured or provided adequate assurances that the Debtors will cure defaults (if any) under or relating to each Executory Contract or Unexpired Lease assumed under the Plan and, for each Executory Contract or Unexpired Lease being assumed under the Plan, including pursuant to the Restructuring Transactions, provided adequate assurance of future performance as required under section 365 of the Bankruptcy Code.

PP. Discharge, Compromise, Settlement, Release, Exculpation, and Injunction Provisions

63. The Court has jurisdiction under sections 1334(a) and (b) of title 28 of the United States Code to approve the discharge, compromises, settlements, releases, exculpations, and injunctions set forth in the Plan, including Article X of the Plan. Sections 105(a) and 1123(b) of the Bankruptcy Code permit the issuance of the injunctions and approval of the releases, exculpations, and injunctions set forth the Plan and the Confirmation Order. Based upon the record of the Chapter 11 Cases and the evidence proffered or adduced at the Confirmation Hearing, the Court finds that the discharge, compromises, settlements, releases, exculpations, and injunctions set forth in the Plan and the Confirmation Order are consistent with the Bankruptcy Code and applicable law. Further, the discharge, compromises, settlements, releases, exculpations, and

injunctions contained in the Plan and the Confirmation Order are integral components of the Plan. The discharge, compromises, settlements, releases, exculpations, and injunctions set forth in the Plan and the Confirmation Order are hereby approved and authorized in their entirety.

64. The releases of the Debtors' directors and officers are an integral component of the settlements and compromises embodied in the Plan. The Debtors' directors and officers: (a) made substantial and valuable contributions to the Debtors' Restructuring and the Estates, including through extensive negotiations with various stakeholders, and ensured the uninterrupted operation of the Debtors' business during the Chapter 11 Cases; (b) invested significant time and effort to make the Debtors' Restructuring a success and preserve the value of the Debtors' Estates in a challenging operating environment; (c) attended and, in certain instances, prepared to participate in Court hearings; (d) attended numerous board meetings related to the restructuring and directed the restructuring negotiations that led to the Restructuring Support Agreement, the Backstop Commitment Agreement, the Debt Commitment Letter, and the Plan; (e) are entitled to indemnification from the Debtors under applicable law, organizational documents, and agreements; (f) invested significant time and effort in the preparation of the Plan, the Disclosure Statement, all support analyses, and the numerous other pleadings filed in the Chapter 11 Cases, thereby ensuring the smooth administration of the Chapter 11 Cases; and (g) are entitled to all other benefits under any employment contracts with the Debtors. The releases of the Debtors' directors and officers contained in the Plan have the consent of the Debtors and the Releasing Parties and are in the best interests of the Estates.

65. The releases of the other Released Parties, including, among others, the Consenting BrandCo Lenders, the Consenting 2016 Lenders, and the Creditors' Committee and each of its members, in their capacity as such, are an integral component of the settlements and compromises

embodied in the Plan and are given for good and valuable consideration provided by the Released Parties. The Third-Party Releases (as defined below) facilitated participation by the Released Parties in both the Plan and the chapter 11 process and were critical in reaching consensus to support the Plan. The releases in favor of the Released Parties were a necessary element of consideration that the Consenting BrandCo Lenders, the Consenting 2016 Lenders, and the Creditors' Committee required as a condition to entering into the Restructuring Support Agreement and agreeing to support the Plan, including by, as applicable, providing committed exit financing for the Plan. Among other things, the Released Parties, as applicable, have agreed to equitize a significant portion of their Claims to significantly deleverage the Debtors' prepetition capital structure, provide exit financing commitments through the Backstop Commitment Agreement and Debt Commitment Letter, and otherwise facilitate the implementation of the Restructuring Transactions contemplated by the Plan to position the Debtors for future success post-emergence. The releases of the Released Parties contained in the Plan have the consent of the Debtors and the other Releasing Parties and are in the best interests of the Debtors' Estates.

QQ. The Debtor Release

66. The releases of Causes of Action by the Debtors described in Article X.D of the Plan in accordance with section 1123(b) of the Bankruptcy Code (the "Debtor Release") are: (a) essential to the Confirmation of the Plan; (b) a valid exercise of the Debtors' business judgment under section 363 of the Bankruptcy Code and Bankruptcy Rule 9019; (c) in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (d) a good faith settlement and compromise of the Causes of Action released by the Debtor Release; (e) in the best interests of the Debtors, their Estates, and all Holders of Claims and Interests; (f) fair, equitable, and reasonable; (g) given and made after due notice and opportunity for hearing; and (h) a bar to any of the Debtors, the Reorganized Debtors, the Estates, or any other party acting

derivatively on behalf of any of the foregoing asserting any Cause of Action released pursuant to the Debtor Release.

67. Specifically, the Debtor Release is an integral part of the Plan and is in the best interests of the Debtors' Estates as a component of the comprehensive settlement implemented under the Plan. The probability of success in litigation with respect to the released Causes of Action, when weighed against the costs, supports the Debtor Release. The Plan, including the Debtor Release, was negotiated by sophisticated parties represented by able counsel and advisors, including the Consenting Creditor Parties. The Debtor Release is therefore the result of a hard fought and arm's-length negotiation conducted in good faith.

68. The Debtor Release appropriately offers protection to parties that contributed to the Debtors' restructuring process. Each of the Released Parties made significant concessions in and contributions to these Chapter 11 Cases. The Debtor Release for the Debtors' directors and officers is appropriate because the Debtors' directors and officers share an identity of interest with the Debtors, supported the Plan and these Chapter 11 Cases, actively participated in meetings, hearings, and negotiations during these Chapter 11 Cases, and have provided other valuable consideration to the Debtors to facilitate the Debtors' reorganization. The Debtor Release of the Consenting Creditor Parties party to the Restructuring Support Agreement (which has the broad support of parties across the Debtors' capital structure) is appropriate because the Consenting Creditor Parties have agreed, as applicable, to equitize a significant portion of their Claims, actively support the Plan and the Chapter 11 Cases, waive substantial rights and Claims against the Debtors under the Plan, and provide exit financing commitments through the Backstop Commitment Agreement and Debt Commitment Letter, each in order to significantly deleverage the Debtors' prepetition capital structure and provide additional liquidity.

69. The scope of the Debtor Release is appropriately tailored to the facts and circumstances of the Chapter 11 Cases. The Debtor Release is appropriate in light of, among other things, the value provided by the Released Parties to the Debtors' Estates and the critical importance of the Debtor Release to the Plan.

RR. The Third-Party Releases

70. Article X.E of the Plan describes certain releases granted by the Releasing Parties (the "Third-Party Releases"). The Third-Party Releases are an essential provision of the Plan and are: (a) essential to the Confirmation of the Plan; (b) given in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (c) a good faith settlement and compromise of the Causes of Action released by the Third-Party Release; (d) materially beneficial to, and in the best interests of, the Debtors, their Estates and their stakeholders, and important to the overall objectives of the Plan; (e) fair, equitable, and reasonable; (f) given and made after due notice and opportunity for hearing; (g) consensual under applicable law; (h) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release; and (i) consistent with sections 105, 524, 1123, 1129, and 1141 and other applicable provisions of the Bankruptcy Code.

71. Specifically, like the Debtor Release, the Third-Party Releases facilitated participation of parties-in-interest in both the Plan process and the chapter 11 process generally. The Third-Party Releases were critical to incentivizing parties-in-interest to support the Plan by providing critical concessions and funding, and to preventing costly and time-consuming litigation regarding various parties' respective rights and interests. The Third-Party Releases were a core negotiation point and instrumental in developing a Plan that maximized value for all of the Debtors' stakeholders. The Third-Party Releases are designed to provide finality for the Debtors, the Reorganized Debtors, and the Released Parties. As such, the Third-Party Releases

appropriately offer certain protections to parties who constructively participated in the Debtors' restructuring.

72. The Third-Party Releases are consensual. The Plan, the Disclosure Statement, the Solicitation Materials, and the opt-in and opt-out notices provide appropriate and specific disclosure with respect to the Entities and Causes of Action that are subject to the Third-Party Releases and no additional disclosure is necessary. As evidenced by the Solicitation Affidavits, the Debtors provided actual notice to all known parties-in-interest, including all known Holders of Claims and Interests, as well as published notice in national and international publications for the benefit of unknown parties-in-interest, and no further or other notice is necessary. Additionally, the release provisions of the Plan were conspicuous, emphasized with boldface type in the Plan, the Disclosure Statement, the Ballots, and the applicable notices. All Releasing Parties (except for Holders of Interests in Holdings) were properly informed that unless they checked the "Opt Out" box on the applicable Ballot or opt-out form and returned the same in advance of the Voting Deadline, they would be deemed to have expressly consented to the release of all Claims and Causes of Action against the Released Parties. Holders of Interests in Holdings were properly informed that they would only be found to have consented to the Third-Party Releases if they affirmatively elected to opt in to such releases.

73. The scope of the Third-Party Releases are appropriately tailored to the facts and circumstances of these Chapter 11 Cases.

74. In light of, among other things, the consensual nature of the Third-Party Releases, the critical role of the Third-Party Releases in obtaining the requisite support of the Debtors' stakeholders needed to confirm the Plan, and the significant value provided by the Released Parties to the Debtors' Estates, the Third-Party Releases are appropriate.

SS. Exculpation

75. The exculpation provisions set forth in Article X.F of the Plan are essential to the Plan, appropriate under applicable law, and constitute a proper exercise of the Debtors' business judgment. The exculpation provisions were proposed in good faith, were formulated following extensive arm's-length negotiations with key constituents, and are appropriately limited in scope to achieve the overall purpose of the Plan. Each Exculpated Party made significant contributions to the Chapter 11 Cases, including with respect to the negotiation and implementation of the restructuring embodied in the Plan. Each Exculpated Party participated in good faith and in compliance with applicable law with regard to the solicitation of, and distribution of consideration pursuant to, the Plan and, therefore, is not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. The exculpation provisions do not relieve any party of liability for an act or omission to the extent such act or omission is determined by a Final Order of a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence. The record in the Chapter 11 Cases fully supports the exculpation provisions, which are appropriately tailored to protect the Exculpated Parties from inappropriate litigation arising from their participation in the Chapter 11 Cases and the Debtors' restructuring and are consistent with the Bankruptcy Code and applicable law.

TT. Injunction

76. The injunction provisions set forth in Article X.G of the Plan are essential to the Plan and are necessary to implement, preserve, and enforce the discharge, release, and exculpation provisions of the Plan. The injunction provisions are appropriately tailored to achieve those purposes.

UU. Approval of the Exit Facilities

77. The Exit Facilities are, individually and collectively, an essential element of the Plan, are necessary for Confirmation and the Consummation of the Plan, and are critical to the overall success and feasibility of the Plan and the operations of the Reorganized Debtors. Entry into the Exit Facilities Documents is in the best interests of the Debtors, their Estates, and all Holders of Claims or Interests. The Debtors have exercised reasonable business judgment in determining to enter into the Exit Facilities Documents and have provided sufficient and adequate notice of the material terms of the Exit Facilities, which were filed as part of the Plan Supplement, final forms of which will be filed upon completion. The terms and conditions of the Exit Facilities are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with fiduciary duties, are supported by reasonably equivalent value and fair consideration, and have been negotiated in good faith and at arm's length. Any credit extended and loans made or deemed made to the Reorganized Debtors by the Exit Facilities Lenders, and any liens granted by the Reorganized Debtors, in each case, pursuant to the applicable Exit Facilities Documents, and any fees paid or to be paid thereunder, are deemed to have been extended, issued, granted, and made or deemed made in good faith and for legitimate business purposes, shall not be subject to recharacterization for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances or other avoidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. Each party to the Exit Facilities Documents may rely upon the provisions of this Confirmation Order in closing the Exit Facilities. The Debtors are authorized, without further approval of the Bankruptcy Court or any other party, to execute and deliver all agreements, engagement letters, commitment letters, letters of intent, fee letters (including, for the avoidance of doubt, that certain letter dated March 24, 2023, among RCPC and Blue Torch Capital LP [Docket No. 1706, Ex. O] (the "Blue Torch Letter")), documents, instruments, and certificates

relating to the Exit Facilities and perform their obligations thereunder, including but not limited to payment of any fees or indemnities, in accordance with, and subject to, the terms of those agreements.

VV. New Securities

78. The New Common Stock, the Equity Subscription Rights, and the New Warrants issued under the Plan are an essential element of the Plan, are necessary for Confirmation and Consummation of the Plan, and are critical to the overall success and feasibility of the Plan. Entry into the instruments evidencing or relating to the New Common Stock, the Equity Subscription Rights, and the New Warrants is in the best interests of the Debtors, their Estates, and all Holders of Claims and Interests. The Debtors have exercised reasonable business judgment in determining to enter into the instruments evidencing or relating to the New Common Stock, the Equity Subscription Rights, and the New Warrants, including the LLC Agreement, the other New Organizational Documents and the New Warrant Agreement, and have provided sufficient and adequate notice of the material terms of such instruments, which material terms were filed as part of the Plan Supplement, final forms of which will be filed upon completion. The terms and conditions of the instruments evidencing or relating to the New Common Stock, the Equity Subscription Rights, and the New Warrants, including the LLC Agreement, the other New Organizational Documents and the New Warrant Agreement, are fair and reasonable, and were negotiated in good faith and at arm's length. The Debtors and the Reorganized Debtors are authorized, without further approval of this Court, to execute and deliver all agreements, documents, instruments and certificates relating to the New Common Stock, the Equity Subscription Rights, and the New Warrants and to perform their obligations thereunder in accordance with, and subject to, the terms of those agreements.

WW. PBGC

79. The Reorganized Debtors have agreed to provide the PBGC, upon request, with the quarterly and annual (a) consolidated balance sheet and consolidated statements of income and of cash flows of the Reorganized Holdings and its consolidated subsidiaries and (b) management's discussion and analysis of the material operational and financial developments during such period, that are provided to holders of the New Common Stock and the New Warrants under the LLC Agreement and the New Warrant Agreement.

XX. Disclosure of Facts

80. The Debtors have disclosed all material facts regarding the Plan, the Plan Documents, and the adoption, execution, and implementation of the other matters provided for under the Plan involving corporate action to be taken by or required of the Debtors.

YY. Retention of Jurisdiction

81. Except as otherwise provided in the Plan, any of the Plan Documents, or this Confirmation Order, the Court shall retain jurisdiction over the Chapter 11 Cases and all matters arising out of, or related to, the Chapter 11 Cases and the Plan, including the matters set forth in Article XIII of the Plan.

ORDER

BASED ON THE FOREGOING, IT IS HEREBY ORDERED THAT:

82. Confirmation. The Plan, attached hereto as **Exhibit B**, and each of its provisions are confirmed pursuant to section 1129 of the Bankruptcy Code. The documents contained in or contemplated by the Plan, including the Plan Supplement and other Plan Documents, are hereby authorized and approved. The terms of the Plan, including the Plan Supplement, are incorporated herein by reference and are an integral part of this Confirmation Order. The Debtors are authorized to implement and consummate the Plan and the Plan Documents, including taking all actions

necessary, advisable, or appropriate to finalize the Plan Documents and to effectuate the Plan and the Restructuring Transactions, without any further authorization or action by any person, body or board of directors except as may be expressly required by the Plan or this Confirmation Order. The terms of the Plan (including all consent rights provided therein, the Plan Supplement, and all exhibits thereto) and all other relevant and necessary documents shall be effective and binding as of the Effective Date on all parties-in-interest, including the Reorganized Debtors and all Holders of Claims and Interests. Any amendments or modifications to the Plan described or set forth in this Confirmation Order are hereby approved, without further order of the Bankruptcy Court.

83. Objections. All objections to Confirmation of the Plan and other responses, comments, statements, or reservation of rights, if any, in opposition to the Plan have been overruled in their entirety and on the merits to the extent not otherwise withdrawn, waived, or otherwise resolved by the Debtors prior to entry of this Confirmation Order or on the record at, the Confirmation Hearing, unless otherwise indicated herein. All withdrawn objections, if any, are deemed withdrawn with prejudice.

84. Omission of Reference to Particular Plan Provisions. The failure to specifically describe, include, or refer to any particular article, section, or provision of the Plan or the Plan Documents in this Confirmation Order shall not diminish or impair the effectiveness or enforceability of such article, section, or provision, nor constitute a waiver thereof, and such provision shall have the same validity, binding effect, and enforceability as every other provision, it being the intent of this Court that the Plan is confirmed in its entirety and incorporated herein by reference.

85. Deemed Acceptance of the Plan as Modified. In accordance with section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, all Holders of Claims who voted to accept the

Plan or who are conclusively presumed to have accepted the Plan are deemed to accept the Plan, subject to modifications, if any. No Holder of a Claim shall be permitted to change its vote as a consequence of Plan modifications (including modifications to the Plan Supplement). All modifications to the Plan (including the Plan Supplement) made after the Solicitation Date are hereby approved, pursuant to section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019.

86. Continued Corporate Existence. Except as otherwise provided in the Plan, the Description of Transaction Steps, or any agreement, instrument, or other document incorporated in the Plan or the Plan Supplement, on the Effective Date, each Debtor shall continue to exist after the Effective Date as a Reorganized Debtor and as a separate corporation, limited liability company, partnership, or other form of entity, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form of entity, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificate of incorporation and bylaws (or other analogous formation or governing documents) in effect before the Effective Date, except to the extent such certificate of incorporation and bylaws (or other analogous formation or governing documents) are amended by the Plan or otherwise amended in accordance with applicable law; *provided* that, prior to the Effective Date, the Debtors and the Consenting BrandCo Lenders shall engage in good faith to execute mutually acceptable amendments with respect to the licensing of all intellectual property owned by the Debtors and any additional transactions or considerations related thereto. To the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, federal, or foreign law).

87. Vesting of Assets. Except as otherwise provided in the Plan (including the Plan Supplement), the Plan Documents, or this Confirmation Order, on the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all property (including all interests, rights, and privileges related thereto) in each Debtor's Estate, all Retained Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan, including Interests held by the Debtors in any non-Debtor Affiliates, shall vest in the applicable Reorganized Debtor, free and clear of all Liens, Claims, charges, encumbrances, or other interests, unless expressly provided otherwise by the Plan or this Confirmation Order, subject to and in accordance with the Plan, including the Description of Transaction Steps. On and after the Effective Date, except as otherwise provided in the Plan or this Confirmation Order, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules. Without limiting the foregoing, the Reorganized Debtors may pay the charges that they incur on or after the Confirmation Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court, but subject in all respects to the Final DIP Order and the Plan.

88. Plan Implementation. The transactions described in the Plan, the Plan Documents, and this Confirmation Order, including the Restructuring Transactions, are hereby approved. On or before the Effective Date, and after the Effective Date, as necessary, and without any further order of the Court, other authority, or corporate action, the Debtors or the Reorganized Debtors (or any agent on behalf of parties entitled to receive New Common Stock), as applicable, and their respective directors, managers, officers, employees, members, agents (including stock transfer agents and Disbursing Agents), attorneys, financial advisors, and investment bankers are

authorized and empowered pursuant to section 1142(b) of the Bankruptcy Code and other applicable laws to and shall (a) grant, issue, execute, deliver, file, or record any agreement, document, or security, and the documents contained in the Plan or the Plan Documents or described in the Description of Transaction Steps (as modified, amended, and supplemented pursuant to the provisions of the Plan governing such modifications, amendments, and supplements), or any other documents related thereto and (b) take any action necessary, advisable, or appropriate to implement, effectuate, and consummate the Plan, the Plan Documents, the Restructuring Transactions, or this Confirmation Order (as set forth in the Description of Transaction Steps or otherwise), including, but not limited to, the New Organizational Documents, the Exit Facilities Documents (or documentation relating to any Alternative Exit Financing), the Equity Rights Offering Documents, the New Warrant Agreement, any documentation related to the New Common Stock or the Restructuring Transactions, the Global Bonus Program, the Enhanced Cash Incentive Program, the Amended Revlon Executive Severance Pay Plan, the Amended CEO Employment Agreement, and any actions necessary, advisable, or appropriate to effectuate the issuance and/or distribution of New Common Stock and New Warrants to be issued pursuant to the Plan, including making filings or recordings that may be required by applicable law. All such actions taken or caused to be taken shall be deemed to have been authorized and approved by the Court without further approval, act, or action under any applicable law, order, rule, or regulation, including, among other things, (x) all transfers of assets that are to occur pursuant to the Plan, the Plan Documents, or this Confirmation Order, (y) the incurrence of all obligations contemplated by the Plan, the Restructuring Transactions, the Plan Documents, or this Confirmation Order and the making of all distributions under the Plan, the Plan Documents, or this Confirmation Order, and (z) entering into any and all transactions, contracts, leases, instruments, releases, and other

documents and arrangements permitted by applicable law, order, rule, or regulation; *provided* that such actions shall be subject to the Restructuring Support Agreement. The approvals and authorizations specifically set forth in this Confirmation Order are nonexclusive and are not intended to limit the authority of the Debtors or the Reorganized Debtors (or any agent on behalf of parties entitled to receive New Common Stock), as applicable, and their respective directors, managers, officers, employees, members, agents (including stock transfer agents and Disbursing Agents), attorneys, financial advisors, and investment bankers to take any and all actions necessary, advisable, or appropriate to implement, effectuate, and consummate any and all documents or transactions contemplated by the Plan, the Plan Documents, or this Confirmation Order pursuant to section 1142(b) of the Bankruptcy Code. Pursuant to section 1142 of the Bankruptcy Code, to the extent that, under applicable non-bankruptcy law or the rules of any stock exchange, any of the foregoing actions that would otherwise require approval of the equityholders, directors, or managers (or any equivalent body) of the Debtors or the Reorganized Debtors, as applicable, such approval shall be deemed to have occurred and shall be in effect from and after the Effective Date without any further action by the equityholders, directors, or managers (or any equivalent body) of the Debtors or the Reorganized Debtors. Prior to, on, or as soon as reasonably practicable after the Effective Date, the Debtors or the Reorganized Debtors shall, if required, file any documents required to be filed in such jurisdictions so as to effectuate the provisions of the Plan, the Plan Documents, and the Restructuring Transactions. Any or all documents contemplated herein shall be accepted by each of the respective filing offices and recorded, if required, in accordance with applicable law. All counterparties to any documents described in this paragraph are hereby directed to execute such documents as may be required or provided by such documents, without any further order of the Court. Each of the Plan Documents, once executed,

constitutes a legal, valid, binding, and authorized obligation of the respective parties thereto, enforceable in accordance with its terms, and the terms contained in each such executed Plan Document shall supersede any description of such terms contained in the Plan or the Plan Supplement or otherwise set forth in a term sheet or unexecuted version of such document.

89. No Action. Pursuant to section 1142(b) of the Bankruptcy Code and other applicable law, this Confirmation Order shall constitute authorization for the Debtors or the Reorganized Debtors to enter into, execute, deliver, file, adopt, amend, restate, consummate, or effectuate, as the case may be, the Plan, the Plan Documents, the Restructuring Transactions, this Confirmation Order, and any contract, instrument, or other document to be executed, delivered, adopted, or amended in connection with the implementation of the Plan, the Plan Documents, the Restructuring Transactions, or this Confirmation Order, and the respective directors, stockholders, managers, or members of the Debtors or the Reorganized Debtors shall not be required to take any actions in connection with the implementation of the Plan, the Plan Documents, or this Confirmation Order. The Reorganized Debtors may also, consistent with the Plan and Plan Documents, take any additional steps on, prior to, and after the Effective Date to consolidate and streamline their organization, including, among other things, the merger, liquidation, dissolution, or consolidation of one or more of the Debtors or Reorganized Debtors. The Plan Documents are hereby approved, adopted and effective upon the Effective Date.

90. Immediate Binding Effect. Notwithstanding Bankruptcy Rules 3020(e), 6004(h), 7062 or otherwise, four (4) days after entry of this Confirmation Order and subject to Article XI of the Plan and occurrence of the Effective Date, the Plan, the Plan Documents, and this Confirmation Order shall be immediately effective and enforceable and deemed binding upon the Debtors, the Reorganized Debtors, all Entities that are parties to or are subject to the settlements,

compromises, releases, discharges, and injunctions described in the Plan and this Confirmation Order, each Entity acquiring property under the Plan or this Confirmation Order, any and all non-Debtor parties to Executory Contracts and Unexpired Leases with the Debtors, any Holder of a Claim or Interest, and each of their respective heirs executors, administrators, successors, and assigns, whether or not: (a) the Claim or Interest is Impaired under the Plan; (b) such Holder has accepted or rejected the Plan; (c) such Holder has failed to vote to accept or reject the Plan; (d) such Holder is entitled to a distribution under the Plan; (e) such Holder will receive or retain any property or interests in property under the Plan; or (f) such Holder has filed a Proof of Claim in the Chapter 11 Cases.

91. Equity Rights Offering. On the Effective Date, the Reorganized Debtors shall consummate the Equity Rights Offering in accordance with the Equity Rights Offering Documents, the Plan, and this Confirmation Order. Entry of this Confirmation Order shall constitute an approval of the Equity Rights Offering (including the transactions contemplated thereby, and all actions to be undertaken, undertakings to be made, and obligations to be incurred by Reorganized Holdings in connection therewith). On the Effective Date, as provided in the Description of Transaction Steps, the rights and obligations of the Debtors under the Backstop Commitment Agreement shall vest in the Reorganized Debtors, as applicable.

92. New Common Stock. On the Effective Date, the shares of New Common Stock shall be issued by Reorganized Holdings as provided for in the Description of Transaction Steps pursuant to, and in accordance with, the Plan and the Equity Rights Offering Documents. All Holders of New Common Stock (whether issued and distributed under the Plan, pursuant to the Equity Rights Offering Documents, or otherwise, and in each case, whether such New Common Stock is held directly or indirectly through the facilities of DTC) shall be deemed to be a party to,

and bound by, the LLC Agreement and the other applicable New Organizational Documents, in accordance with their terms, without the requirement to execute a signature page thereto.

93. All of the New Common Stock (including the New Common Stock issued in connection with the Equity Rights Offering (including, for the avoidance of doubt, any New Common Stock issued pursuant to the Backstop Commitment Agreement) and/or upon the exercise of the New Warrants) issued pursuant to the Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance of New Common Stock under the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the New Organizational Documents and other instruments evidencing or relating to such distribution or issuance, including the Equity Rights Offering Documents, as applicable, which terms and conditions shall bind each Entity receiving such distribution or issuance. For the avoidance of doubt, the acceptance of New Common Stock by any Holder of any Claim or Interest or any other Entity shall be deemed as such Holder's or Entity's agreement to the applicable New Organizational Documents, as may be amended or modified from time to time following the Effective Date in accordance with their terms.

94. New Warrants. To the extent all or any portion of the New Warrants are required to be issued pursuant to the Plan, Reorganized Holdings shall issue such New Warrants on the Effective Date in accordance with the New Warrant Agreement and distribute them in accordance with the Plan. All of the New Common Stock issued upon exercise of the New Warrants issued pursuant to the Plan shall, when so issued and upon payment of the exercise price in accordance with the terms of the New Warrants, be duly authorized, validly issued, fully paid, and non-assessable.

95. Section 1145 of the Bankruptcy Code. Pursuant to section 1145 of the Bankruptcy Code, the offer, issuance, and distribution of the New Securities (other than the Reserved Shares or any Unsubscribed Shares, as described in Article VIII.G.2 of the Plan) by Reorganized Holdings as contemplated by the Plan (including the issuance of New Common Stock upon exercise of the Equity Subscription Rights and/or the New Warrants) is exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution or sale of securities. The New Securities issued by Reorganized Holdings pursuant to section 1145 of the Bankruptcy Code (a) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (b) are freely tradable and transferable by any initial recipient thereof that (i) is not an "affiliate" of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (ii) has not been such an "affiliate" within ninety (90) calendar days of such transfer, (iii) has not acquired the New Securities from an "affiliate" within one year of such transfer, and (iv) is not an entity that is an "underwriter" as defined in section 1145(b) of the Bankruptcy Code; *provided* that transfer of the New Securities may be restricted by the LLC Agreement, the other New Organizational Documents, and the New Warrant Agreement.

96. Section 4(a)(2) of the Securities Act. The offer (to the extent applicable), issuance, and distribution of the Reserved Shares and the Unsubscribed Shares shall be exempt (including with respect to an entity that is an "underwriter" as defined in subsection (b) of section 1145 of the Bankruptcy Code) from registration under the Securities Act pursuant to Section 4(a)(2) thereof and/or Regulation D thereunder. The Reserved Shares and the Unsubscribed Shares will be "restricted securities" subject to resale restrictions and may be resold, exchanged, assigned, or otherwise transferred only pursuant to registration or an applicable exemption from registration

under the Securities Act and other applicable law. Each of the Equity Commitment Parties has made customary representations to the Debtors, including that each is an "accredited investor" (within the meaning of Rule 501(a) of the Securities Act) or a qualified institutional buyer (as defined under Rule 144A promulgated under the Securities Act).

97. DTC. Should the Reorganized Debtors elect on or after the Effective Date to reflect any ownership of the New Securities through the facilities of DTC, the Reorganized Debtors need not provide any further evidence other than the Plan or this Confirmation Order with respect to the treatment of transfers, exercise, removal of restrictions, or conversion of New Securities under applicable U.S. federal, state, or local securities laws. DTC is required to accept and conclusively rely upon the Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Securities are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Each Entity that becomes a Holder of New Common Stock indirectly through the facilities of DTC will be deemed bound by the terms and conditions of the LLC Agreement and other applicable New Organizational Documents and shall be deemed to be a beneficial owner of New Common Stock subject to the terms and conditions of the LLC Agreement. Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, DTC) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Common Stock or the New Warrants (or New Common Stock issued upon exercise of the New Warrants) are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services.

98. New Organizational Documents. To the extent required under the Plan or applicable non-bankruptcy law, on or promptly after the Effective Date, the Reorganized Debtors

shall file their applicable New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in accordance with Article IV.G of the Plan. The New Organizational Documents shall, as of the Effective Date, be valid, binding, and enforceable in accordance with their terms, and each Holder of New Common Stock (including, without limitation, any New Common Stock issued upon exercise of the New Warrants) shall be bound thereby, in each case without the need for execution by any party thereto other than the Reorganized Debtors.

99. Management Incentive Plan. The Management Incentive Plan is hereby approved and authorized in all respects. By no later than January 1, 2024, the Reorganized Holdings Board shall implement the Management Incentive Plan that provides for the issuance of options and/or other equity-based compensation to the management and directors of the Reorganized Debtors in accordance with the Plan. The Reorganized Debtors and the New Boards are authorized to implement the Management Incentive Plan in accordance with Article IV.N of the Plan, which shall occur by no later than January 1, 2024. 7.5% of the New Common Stock, on a fully diluted basis, shall be reserved for issuance under the Management Incentive Plan. The participants in the Management Incentive Plan, the allocations and form of the options and other equity-based compensation to such participants (including the amount of the allocations and the timing of the grant of the options and other equity-based compensation), and the terms and conditions of such options and other equity-based compensation (including vesting, exercise prices, base values, hurdles, forfeiture, repurchase rights, and transferability) shall be determined by the Reorganized Holdings Board; *provided* that one-half of the MIP Equity Pool shall be awarded to participants under the Management Incentive Plan upon implementation no later than January 1, 2024.

100. KEIP/KERP. On the Effective Date, the Debtors shall pay, to KEIP and KERP participants, as applicable, (a) all KERP amounts earnable for the quarter in which the Effective Date occurs prorated for the period from the first day of such quarter through and including the Effective Date (or through and including the last day of the month in which the Effective Date occurs, as agreed to between the Debtors and the Required Consenting BrandCo Lenders), (b) all KEIP amounts (including any catch-up amounts) earned by the KEIP participants based on the Debtors' good faith estimates of performance for the quarter in which the Effective Date occurs prorated for the period from the first day of such quarter through and including the Effective Date (or through and including the last day of the month in which the Effective Date occurs, as agreed to between the Debtors and the Required Consenting BrandCo Lenders), and (c) all KEIP amounts (including any catch-up amounts) earned by the KEIP participants for quarters ending prior to the quarter in which the Effective Date occurs but which remain unpaid, based on the Debtors' good faith estimates of performance for such quarters, with such estimates to be subject to the approval of the Required Consenting BrandCo Lenders, with such approval not to be unreasonably withheld, conditioned, or delayed. Except as set forth in in this paragraph, the KEIP and KERP programs shall terminate effective as of the Effective Date (or on the last day of the month in which the Effective Date occurs, as agreed to between the Debtors and the Required Consenting BrandCo Lenders) and any clawback rights provided for under the KEIP or the KERP shall be released except as set forth in the Schedule of Retained Causes of Action.

101. Employment Obligations. Except as otherwise expressly provided in the Plan or the Plan Supplement, the Reorganized Debtors shall honor the Employment Obligations (a) existing and effective as of the Petition Date, (b) that were incurred or entered into in the ordinary course of business prior to the Effective Date, or (c) as otherwise agreed to between the Debtors

and the Required Consenting BrandCo Lenders on or prior to the Effective Date. Additionally, on the Effective Date, the Reorganized Debtors shall assume (a) the Amended CEO Employment Agreement, and (b) the Amended Revlon Executive Severance Pay Plan, in each case, as adopted in accordance with the Restructuring Support Agreement, and such assumed agreements shall supersede and replace any existing executive severance plan for directors and above and the existing employment agreement of the Debtors' chief executive officer.

102. Except as otherwise expressly provided in the Plan or the Plan Supplement, to the extent that any of the Employment Obligations are executory contracts, pursuant to sections 365 and 1123 of the Bankruptcy Code, each of them shall be deemed assumed as of the Effective Date and assigned to the applicable Reorganized Debtor. For the avoidance of doubt, the foregoing shall not (a) limit, diminish, or otherwise alter the Reorganized Debtors' defenses, claims, Causes of Action, or other rights with respect to the Employment Obligations, or (b) impair the rights of the Debtors or Reorganized Debtors, as applicable, to implement the Management Incentive Plan in accordance with its terms and conditions and to determine the Employment Obligations of the Reorganized Debtors in accordance with their applicable terms and conditions on or after the Effective Date, in each case consistent with the Plan.

103. On the Effective Date, the Debtors shall assume all collective bargaining agreements.

104. Enhanced Cash Incentive Program and the Global Bonus Program. The Enhanced Cash Incentive Program and the Global Bonus Program are hereby approved and authorized in all respects. As soon as practicable following the Effective Date (but no later than 21 days after the Effective Date, absent any ordinary course administrative delay that is not caused for purposes of circumventing this requirement by any equity holder or any member of the Reorganized Holdings

Board other than the Debtors' chief executive officer), in connection with the establishment of the Reorganized Holdings Board, the Reorganized Holdings Board shall approve, adopt, and affirm, as applicable, the implementation of (a) the Enhanced Cash Incentive Program, and (b) the Global Bonus Program, in each case, in accordance with the Plan and the Restructuring Support Agreement and effective as of the Effective Date (or, if the Debtors and the Required Consenting BrandCo Lenders agreed to prorate the KERP and KEIP through a date later than the Effective Date under Article IV.L of the Plan, the first day after such date). The Reorganized Holdings Board will be deemed to have granted the Cash Bonus Opportunity (as defined in the Amended CEO Employment Agreement) at such first meeting after the Effective Date absent affirmative action by the Reorganized Holdings Board to either adopt an acceptable Enhanced Cash Incentive Program or revoke such default action prior to the conclusion of such meeting.

105. Plan Classification Controlling. The terms of the Plan shall govern the classification of Claims and Interests for purposes of the distributions to be made thereunder. The classifications set forth on the Ballots tendered to or returned by the Holders of Claims or Interests in connection with voting on the Plan: (a) were set forth on the Ballots solely for purposes of voting to accept or reject the Plan; (b) do not necessarily represent, and in no event shall be deemed to modify or otherwise affect, the actual classification of such Claims and Interests under the Plan for distribution purposes; (c) may not be relied upon by any Holder of a Claim or Interest as representing the actual classification of such Claim or Interest under the Plan for distribution purposes; and (d) shall not be binding on the Debtors except for voting purposes. All rights of the Debtors and the Reorganized Debtors to challenge, object to, or seek to reclassify Claims (other than Claims expressly Allowed under Article III of the Plan) and/or Interests are expressly reserved, and the corresponding rights of Holders of Claims are similarly reserved.

106. Operation as of the Effective Date. Upon occurrence of the Effective Date, the terms of the Plan, the Plan Documents, and this Confirmation Order shall be immediately effective and enforceable and deemed binding upon the Debtors, the Reorganized Debtors, any and all Holders of Claims against or Interests in the Debtors (irrespective of whether such Claims or Interests are presumed to have accepted or deemed to have rejected the Plan), all Entities that are parties to or are subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan and this Confirmation Order, each Entity or Person giving, acquiring, or receiving property under the Plan, and any and all non-Debtor parties to Executory Contracts and Unexpired Leases with any of the Debtors.

107. Restructuring Transactions. The Restructuring Transactions pursuant to the Plan are approved and authorized in all respects. The Debtors and the Reorganized Debtors are authorized to implement and consummate the Restructuring Transactions (as may be modified, amended, and supplemented pursuant to the provisions of the Plan governing such modifications, amendments, and supplements) pursuant to the Plan, the Plan Documents, and this Confirmation Order and to enter into any transactions and to take any actions as many be necessary or appropriate to effectuate the Restructuring Transactions, including but not limited to the actions described in Article IV.B of the Plan. In accordance with section 1142 of the Bankruptcy Code and applicable non-bankruptcy law, such actions may be taken without further action by any stockholders, managers, or directors of any of the Debtors or Reorganized Debtors. For purposes of consummating the Plan and the Restructuring Transactions, neither the occurrence of the Effective Date, any of the transactions contemplated in Article IV.B of the Plan, nor any of the transactions contemplated by the Description of Transactions Steps shall constitute a change of control under any agreement, contract, or document of the Debtors.

108. Distributions. All distributions pursuant to the Plan shall be made in accordance with Article VIII of the Plan, and such methods of distribution are approved. For the avoidance of doubt, except as otherwise provided in the Plan or this Confirmation Order, nothing in the Plan or this Confirmation Order shall affect the Debtors' or the Reorganized Debtors' rights regarding any Claims or Interests, including all rights in respect of legal and equitable defenses to, or setoffs or recoupment against, any such Claims or Interests. The Reorganized Debtors shall have no duty or obligation to make distributions to any holder of an Allowed Claim unless and until such Holder executes and delivers, in a form reasonably acceptable to the Reorganized Debtors, any and all documents applicable to such distributions in accordance with Article VIII of the Plan and/or responds to the Debtors' or Reorganized Debtors' reasonable requests for information necessary to facilitate a particular distribution as set forth in Article VIII of the Plan.

109. Retained Assets. To the extent that the retention by the Debtors or the Reorganized Debtors of assets held immediately prior to emergence in accordance with the Plan is deemed, in any instance, to constitute a "transfer" of property, such transfer of property to the Debtors or the Reorganized Debtors (a) is or shall be a legal, valid, and effective transfer of property; (b) vests or shall vest the Debtors or the Reorganized Debtors with good title to such property, free and clear of all liens, charges, Claims, encumbrances, or interests, except as expressly provided in the Plan or this Confirmation Order; (c) does not and shall not constitute an avoidable transfer under the Bankruptcy Code or under applicable nonbankruptcy law; and (d) does not and shall not subject the Debtors or the Reorganized Debtors to any liability by reason of such transfer under the Bankruptcy Code or under applicable nonbankruptcy law, including by laws affecting successor or transferee liability.

110. Treatment of Executory Contracts and Unexpired Leases. The provisions governing the treatment of Executory Contracts and Unexpired Leases set forth in Article VII of the Plan (including to the extent modified by this Confirmation Order) are hereby approved and authorized in their entirety. For the avoidance of doubt, as of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Claims, all Executory Contracts and Unexpired Leases to which any of the Debtors are a party and which have not expired by their own terms on or prior to the Effective Date, shall be deemed assumed except for any Executory Contracts and Unexpired Leases that (a) previously were assumed or rejected by the Debtors; (b) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; or (c) are the subject of a motion to reject such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such rejection is on or after the Effective Date. Any Executory Contracts and Unexpired Leases listed on the Schedule of Rejected Contracts will be deemed rejected as of the Effective Date.

111. Unless a party to an Executory Contract or Unexpired Lease has timely objected to the amount of the Cure Claim identified in the Cure Notice, the Debtors shall pay such Cure Claims in accordance with the terms of the Plan and the assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Cure Claim, other amount, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. Any Proofs of Claim Filed with respect to any Executory Contracts and Unexpired Leases that have been assumed or assumed and assigned in the Chapter 11 Cases, including pursuant to this Confirmation Order, shall be deemed Disallowed

and expunged without the need for any objection thereto or any further notice to or action, order, or approval of the Court or any other Entity upon the assumption of such Executory Contracts and Unexpired Leases.

112. Any party to an Executory Contract or Unexpired Lease whose contract is not listed on the Schedule of Rejected Executory Contracts and Unexpired Leases and has not received a Cure Notice listing a specific Cure Claim shall be deemed to have a Cure Claim of $0.00.

113. Any Executory Contracts and Unexpired Leases of the Debtors that are identified on the Schedule of Rejected Contracts as being rejected or that are otherwise rejected pursuant to the terms of the Plan or this Confirmation Order (collectively, the "Rejected Contracts") are rejected by the applicable Debtors, and such rejections are hereby approved by this Court pursuant to sections 365(a) and 1123 of the Bankruptcy Code, with such rejections effective as of, and subject to the occurrence of, the Effective Date. Rejection of any Rejected Contract pursuant to the Plan or otherwise will not constitute a termination of any preexisting obligations owed to the Debtors or the Reorganized Debtors, as applicable, under or in relation to such Rejected Contract. **Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be filed with the Bankruptcy Court or the Voting and Claims Agent and served on the Debtors or Reorganized Debtors, as applicable, by the later of (a) the applicable Claims Bar Date, and (b) thirty (30) calendar days after notice of such rejection is served on the applicable claimant.** Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be automatically Disallowed and forever barred from assertion and shall not be enforceable against the Debtors or the Reorganized Debtors, the Estates, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or

action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, including any Claims against any Debtor listed on the Schedules as unliquidated, contingent, or disputed, in accordance with Article VII.B of the Plan. Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as Other General Unsecured Claims and shall be treated in accordance with Article III of the Plan.

114. In accordance with Article VII.A of the Plan, and subject to certain limitations set forth therein, the Debtors or the Reorganized Debtors, as applicable, shall have the right to alter, amend, modify, or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases, including by way of adding or removing a particular Executory Contract or Unexpired Lease from the Schedule of Rejected Executory Contracts and Unexpired Leases, at any time through and including sixty (60) Business Days after the Effective Date.

115. Executory Contracts and Unexpired Leases entered into by the Debtors after the Petition Date shall remain enforceable after the Effective Date by all parties pursuant to their terms.

116. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any "change of control" (whether direct or indirect) or "anti-assignment" provision, or similar provision implicated by a conversion of the form of entity of the Debtors or their Affiliates), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise

any other rights, including default-related rights, due to the conversion of the form of entity of, as applicable, the Debtors or their Affiliates thereto.

117. Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to this Confirmation Order, and for which any cure amount has been fully paid or for which the cure amount is $0 pursuant to Article VII of the Plan, shall be deemed Disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

118. Unless otherwise provided in the Plan, this Confirmation Order, or by separate order of the Court, each Executory Contract or Unexpired Lease that is assumed shall include (a) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affect such Executory Contract or Unexpired Lease, and (b) all Executory Contracts and Unexpired Leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated pursuant to an order of the Bankruptcy Court or under the Plan.

119. Except as otherwise provided by the Plan, this Confirmation Order, or by separate order of the Court, modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases and actions taken in accordance therewith (a) shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims against any Debtor that may arise in connection therewith, (b) are not and

do not create postpetition contracts or leases, (c) do not elevate to administrative expense priority any Claims of the counterparties to such Executory Contracts and Unexpired Leases against any of the Debtors, and (d) do not entitle any Entity to a Claim against any of the Debtors under any section of the Bankruptcy Code on account of the difference between the terms of any prepetition Executory Contracts or Unexpired Leases and subsequent modifications, amendments, supplements, or restatements.

120. Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Schedule of Rejected Executory Contracts and Unexpired Leases or any Cure Notice, nor anything contained in the Plan or the Plan Supplement, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If, prior to the Effective Date, there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors, or Reorganized Debtors, as applicable, shall have forty-five (45) calendar days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, including by rejecting such contract or lease *nunc pro tunc* to the Confirmation Date.

121. In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

122. Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, shall be performed by the applicable Debtor or Reorganized Debtor liable thereunder in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and

Unexpired Leases) that had not been rejected as of the date of Confirmation will survive and remain obligations of the applicable Reorganized Debtor.

123. Notwithstanding anything to the contrary in (a) this Confirmation Order, or (b) the Plan or any Cure Notice, as the Plan or any Cure Notice may be amended, modified, or supplemented from time to time, any amounts owed by the Debtors for postpetition goods or services received pursuant to an Executory Contract that is assumed pursuant to the Plan shall be paid in the ordinary course of business when due in accordance with the applicable contract.

124. The Court has made no ruling at the Confirmation Hearing or in this Confirmation Order regarding any unresolved objections to Cure Claims, including those that are marked as "unresolved" in the "Cure Objections" section of Exhibit A to the Confirmation Brief. The Debtors and the applicable counterparties are permitted to negotiate mutually agreeable resolutions to such objections. As set forth in Article VII.C of the Plan, any such objections shall be heard by the Bankruptcy Court on or before the Effective Date, unless a later date is agreed to between the Debtors or the Reorganized Debtors, on the one hand, and the counterparty to the Executory Contract or Unexpired Lease, on the other hand, or by order of the Bankruptcy Court.

125. SAP America. Notwithstanding anything to the contrary herein, nothing in this Order, the Plan, or any Cure Notice, shall be deemed to establish the cure amount for the Debtors to assume any Executory Contracts with SAP America, Inc., Concur Technologies, Inc., or Ariba, Inc. (the "SAP Parties"). The description, parties, and applicable cure amount of each Executory Contract between any Debtor and any SAP Party shall be subject to further agreement between the Debtors (with the consent of the Required Consenting BrandCo Lenders) and the SAP Parties, or should the parties be unable to reach an agreement, upon further Order of the Court following a request by either party for a scheduling order providing the SAP Parties the opportunity to object

to proposed identity and cure amount of an Executory Contract and the Debtors' the opportunity to reply.

126. Provisions Related to Hair Straightening Settlement. The provisions related to treatment of Hair Straightening Claims and insurance obligations set forth in the Plan, including Articles VII.F, VIII.L.3, and IX.A.6 of the Plan, are hereby incorporated in their entirety, approved in their entirety, and shall be immediately effective as of the Effective Date and binding on all Persons and Entities to the extent set forth therein.

127. All insurers under the Debtors' insurance policies are permanently enjoined, from and after the Effective Date, from taking any of the following actions against the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entity, or any assets of the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entities, or any collateral or security provided by or on behalf of the Debtors, the Reorganized Debtors, any of their respective Affiliates, and/or any other Entities: (a) commencing or continuing in any manner any cause of action, lawsuit, or other proceeding of any kind seeking to recover any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (c) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (d) asserting any right of setoff, subrogation,

contribution, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs.

128. All Hair Straightening Plaintiffs are permanently enjoined, from and after the Effective Date, from taking any of the following actions against the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entity, including the Debtors' insurers, or any assets of the Reorganized Debtors, any of their respective Affiliates, or any other Entities, or any collateral or security provided by or on behalf of the Debtors, the Reorganized Debtors, any of their respective Affiliates, and/or any other Entities: (a) commencing or continuing in any manner any cause of action, lawsuit, or other proceeding of any kind seeking to recover any amounts within any Hair Straightening Deductible or SIR Obligation other than a distribution pursuant to and in accordance with the Plan, if any, based on an Allowed Hair Straightening Claim; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any amounts within any Hair Straightening Deductible or SIR Obligation; (c) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any amounts within any Hair Straightening Deductible or SIR Obligation; (d) asserting any right of setoff, subrogation, contribution, or recoupment of any kind against any obligation due from such Entities or against

the property of such Entities on account of or in connection with or with respect to any amounts within any Hair Straightening Deductible or SIR Obligation; or (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any amounts within any Hair Straightening Deductible or SIR Obligation.

129. Exit Facilities. On the Effective Date, the Reorganized Debtors or their non-Debtor Affiliates, as applicable, shall enter into the applicable Exit Facilities Documents (including any Alternative Exit Financing Documents, as applicable) for (a) the First Lien Exit Facilities, consisting of the Take-Back Facility and the Incremental New Money Facility, (b) the Exit ABL Facility, (c) the Exit FILO Facility, (d) unless otherwise agreed to by the Debtors and the Required Consenting BrandCo Lenders, the New Foreign Facility, and (e) any Alternative Exit Financing, as applicable. All Holders of Class 5 2020 Term B-1 Loan Claims shall be deemed to be a party to, and bound by, the First Lien Exit Facilities Documents, regardless of whether such Holder has executed a signature page thereto.

130. The Exit Facilities and the Exit Facilities Documents (including the Alternative Exit Financing and the Alternative Exit Financing Documents, as applicable), all transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including but not limited to the payment of any fees and indemnities, are hereby approved, and the Reorganized Debtors are authorized to enter into, execute, and deliver the Exit Facilities Documents (including the Alternative Exit Financing Documents, as applicable) and such other documents as may be required to effectuate the treatment afforded by the foregoing, including but not limited to any commitment letters, engagement letters, letters of intent, and fee letters (including but not limited to the Blue Torch Letter). On the Effective Date, all of the Liens and security interests to be

granted by the Reorganized Debtors in accordance with the Exit Facilities Documents (including the Alternative Exit Financing Documents, as applicable) (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Exit Facilities Documents, (c) shall be deemed perfected on the Effective Date without the need for the taking of any further filing, recordation, approval, consent, or other action, and (d) shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Persons and Entities granted such Liens and security interests are authorized to make all filings and recordings, and to obtain all governmental approvals and consents, and to take any other actions necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and this Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of this Confirmation Order and any such filings, recordings, approvals, and consents shall not be required), and the Reorganized Debtors shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

131. Alternative Exit Financing. On the Effective Date, the Reorganized Debtors and their non-Debtor Affiliates, as applicable, are authorized, with the consent of the Required Consenting BrandCo Lenders (or, to the extent the First Lien Exit Facilities are being replaced in full, the Required Consenting 2020 B-2 Lenders), to incur alternative exit financing (the "Alternative Exit Financing") in lieu of all or a portion of the First Lien Exit Facilities, the

Exit ABL Facility, the Exit FILO Facility, and/or the New Foreign Facility in an aggregate principal amount that is less than or approximately equal to the sum of the principal amounts of the First Lien Exit Facilities, the Exit ABL Facility, the Exit FILO Facility, and/or the New Foreign Facility being replaced by such Alternative Exit Financing plus all fees, premiums, discounts, expenses and similar amounts with respect thereto (including amounts required to be paid in kind); *provided* that the Alternative Exit Financing incurred shall be in a form and on terms acceptable to the Required Consenting BrandCo Lenders (or, to the extent the First Lien Exit Facilities are being replaced in full, the Required Consenting 2020 B-2 Lenders) and on terms, taken as a whole, that are advantageous to the Reorganized Debtors, in the reasonable business judgment of the Debtors, as compared to the Exit Facilities or portions thereof that are replaced. The Alternative Exit Financing may be in any form, including senior secured bonds.

132. If the Debtors intend to incur any Alternative Exit Financing on the Effective Date, the Debtors shall file a notice on the docket of the Chapter 11 Cases setting forth the material terms of the Alternative Exit Financing(s) and the corresponding Exit Facility to be replaced by such Alternative Exit Financing at least three days prior to the closing of such Alternative Exit Financing. Such notice shall be deemed to provide all parties with due, adequate, and sufficient notice of the Alternative Exit Financing(s) and is in accordance with the Plan, the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, all other applicable laws, rules, and regulations, and no other or further notice is or shall be required. All provisions of this Confirmation Order and the Plan regarding the Exit Facilities shall apply to such Alternative Exit Financing(s) as if such financing and all documents and parties related thereto were incorporated into the definitions relating to the Exit Facilities, including the definitions of "Exit Facilities," "Exit Facilities Agents." "Exit Facilities Documents," and "Exit Facilities Lenders."

133. The Alternative Exit Financing and all agreements, documents, notes, pledges, collateral agreements, loan and security agreements, mortgages, control agreements, deeds of trust, intercreditor agreements, engagement letters, commitment letters, letters of intent, fee letters, and instruments (including any amendments, restatements, supplements, or modifications of any of the foregoing) delivered or executed in connection with the Alternative Exit Financing (collectively, the "Alternative Exit Financing Documents"), all transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including but not limited to the payment of any fees and indemnities, are hereby approved, and the Reorganized Debtors are authorized to enter into, execute, and deliver the Alternative Exit Financing Documents and such other documents as may be required to effectuate the treatment afforded by the Alternative Exit Financing, including but not limited to any commitment letters, engagement letters, letters of intent, and fee letters. On the Effective Date, all of the Liens and security interests to be granted by the Reorganized Debtors in accordance with the Alternative Exit Financing Documents (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Alternative Exit Financing Documents, (c) shall be deemed perfected on the Effective Date without the need for the taking of any further filing, recordation, approval, consent, or other action, and (d) shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Persons and Entities granted such Liens and security interests are authorized to make all filings and recordings, and to obtain all governmental approvals and

consents, and to take any other actions necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and this Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of this Confirmation Order and any such filings, recordings, approvals, and consents shall not be required), and the Reorganized Debtors shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

134. Exemption from Transfer Taxes and Recording Fees. To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property pursuant to the Plan shall not be subject to any stamp tax, document recording tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, personal property transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment in the United States, or any state or political subdivision thereof. The appropriate federal, state, or local governmental officials or agents are directed to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation instruments or other documents pursuant to such transfers of property without the payment of any such tax or governmental assessment. Such exemption specifically applies, without limitation, to (a) the creation, modification, consolidation, or recording of any mortgage, deed of trust, Lien, or other security interest, or the securing of indebtedness by such means or other means, (b) the making or assignment of any lease or sublease, (c) any Restructuring Transaction authorized by the Plan, and (d) the making or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with the Plan, including: (i) any merger

agreements; (ii) agreements of consolidation, restructuring, disposition, liquidation, or dissolution; (iii) deeds; (iv) bills of sale; (v) assignments executed in connection with any Restructuring Transaction occurring under the Plan; or (vi) any of the other Definitive Documents.

135. Governmental Approvals Not Required. This Confirmation Order shall constitute all approvals and consents required, if any, by the laws, rules, or regulations of any state or any other governmental authority with respect to the implementation or consummation of the Plan and the Plan Documents.

136. Filing and Recording. This Confirmation Order is and shall be binding upon and shall govern the acts of all persons or entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, governmental agencies, secretaries of state, federal, state, and local officials, and all other Persons and Entities who may be required, by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any document or instrument, including, for the avoidance of doubt, the United States Patent and Trademark Office, the United States Copyright Office, and any other governmental intellectual property office. Each and every federal, state, and local government agency, including, for the avoidance of doubt, the United States Patent and Trademark Office, the United States Copyright Office, and any other governmental intellectual property office is hereby directed to accept any and all documents and instruments necessary, useful, or appropriate (including financing statements under the applicable uniform commercial code) to effectuate, implement, and consummate the transactions contemplated by the Plan and this Confirmation Order without payment of any stamp tax or similar tax imposed by state or local law.

137. Tax Withholding. In connection with the Plan, to the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Reorganized Debtors and the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information, documentation, and certifications necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable or appropriate. All Persons holding Claims against any Debtor shall be required to provide any information necessary for the Reorganized Debtors to comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit. The Reorganized Debtors reserve the right to allocate any distributions made under the Plan in compliance with applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

138. Notwithstanding any other provision of the Plan to the contrary, each Holder of an Allowed Claim shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit on account of such distribution.

139. Compromise and Settlement of Claims, Interests, and Controversies. Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for, and as a requirement to receive, the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith global and integrated compromise and settlement of all Claims, Interests, and controversies relating to the contractual, legal, and

subordination rights that any Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest, as well as any and all actual and potential disputes between and among the Company Entities (including, for clarity, between and among the BrandCo Entities, on the one hand, and the Non-BrandCo Entities on the other and including, with respect to each Debtor, such Debtors' Estate), the Creditors' Committee, the Consenting BrandCo Lenders, the Consenting 2016 Lenders, and each other Releasing Party and all other disputes that might impact creditor recoveries, including, without limitation, any and all issues relating to (a) the allocation of the economic burden of repayment of the ABL DIP Facility and Term DIP Facility and/or payment of adequate protection obligations provided pursuant to the Final DIP Order among the Debtors; (b) any and all disputes that might be raised impacting the allocation of value among the Debtors and their respective assets, including any and all disputes related to the Intercompany DIP Facility; and (c) any and all other Settled Claims, including the Financing Transactions Litigation Claims. The entry of this Confirmation Order shall constitute the Bankruptcy Court's approval of the Plan Settlement as well as a finding by the Bankruptcy Court that the Plan Settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. The Plan Settlement is binding upon all creditors and all other parties in interest pursuant to section 1141(a) of the Bankruptcy Code. In accordance with the provisions of the Plan, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against, and Interests in, the Debtors and their Estates and Causes of Action against other Entities.

140. Discharge of Claims and Termination of Interests. Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, this Confirmation Order, or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims, Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (a) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (b) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (c) the Holder of such a Claim or Interest has accepted the Plan. Any default or "event of default" by the Debtors or their Affiliates with respect to any Claim or Interest on account of the Filing of the Chapter 11 Cases or the Canadian Recognition Proceeding shall be deemed cured (and no longer continuing). This Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring.

141. Debtor Release; Third-Party Release. Each of the release provisions as set forth in, among others, Articles X.D and X.E of the Plan, is hereby incorporated in its entirety, approved in its entirety, and shall be immediately effective as of the Effective Date and binding on all Persons and Entities to the extent set forth therein.

142. Release of Liens. Except as otherwise specifically provided in the Plan, or any other Definitive Document, on the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, settled, discharged, and compromised, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall revert to the Reorganized Debtors and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or filing being required to be made by the Debtors. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such mortgages, deeds of trust, Liens, pledges, or other security interests.

143. In addition, the ABL Agents, BrandCo Agent, 2016 Agent, ABL DIP Facility Agent, and Term DIP Facility Agent shall execute and deliver all documents reasonably requested by the Debtors, the Reorganized Debtors, or the Exit Facilities Agents, as applicable, to evidence the release of such mortgages, deeds of trust, Liens, pledges, and other security interests and shall authorize the Debtors or Reorganized Debtors to file UCC-3 termination statements or other jurisdiction equivalents (to the extent applicable) with respect thereto.

144. Exculpation. The exculpation provisions set forth in Article X.F of the Plan are hereby incorporated in their entirety, approved in their entirety, and shall be immediately effective as of the Effective Date and binding on all Persons and Entities to the extent set forth therein.

145. Injunction. Pursuant to Bankruptcy Rule 3020(c)(1), the following injunction provisions set forth in Article X.G of the Plan are approved in their entirety, and shall be immediately effective as of the Effective Date and binding on all Persons and Entities to the extent set forth therein.

> **Article X.G: Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities that have held, hold, or may hold claims or interests that have been released pursuant to Article X.D or Article X.E of the Plan or discharged pursuant to Article X.B of the Plan, or are subject to exculpation pursuant to Article X.F of the Plan, shall be permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests; (2 enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such claims or interests; (3) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such claims or interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such claims or interests unless such Entity has, on or before the Effective Date, asserted such setoff right in a document filed with the Bankruptcy Court explicitly preserving such setoff, and notwithstanding an indication of a claim or interest or otherwise that such Entity asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests released or settled pursuant to the Plan.**

146. Release of Certain Financing Transaction Litigation Claims. All claims and causes of action asserted in the Adversary Proceeding are hereby determined to be Estate Causes of Action and released under the Plan. All Persons shall be barred from pursuing any such claims or causes

of action or any other claims arising out of or related to the facts and circumstances alleged in the Adversary Proceeding. Further, on the Effective Date, the Adversary Proceeding shall be dismissed with prejudice, and such dismissal shall not be subject to challenge on appeal or otherwise by the parties to the Adversary Proceeding, as provided for in the *Stipulation and Order Staying the Adversary Proceeding and Dismissing the Complaint Upon the Plan Effective Date* (Adv. Pro. No. 1:22-ap-1167 [Docket No. 130]). Any party that is not a Released Party is hereby prohibited from asserting any claim for indemnity or contribution against any Released Party arising out of or reasonably flowing from the claims or allegations in any claim that is released as against the Released Parties under the Plan. This paragraph shall become binding only upon occurrence of the Effective Date.

147. Regulatory Activities. Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan, or Confirmation Order, no provision shall (a) preclude the SEC or any other Governmental Unit from enforcing its police or regulatory powers or (b) enjoin, limit, impair, or delay the SEC from commencing or continuing any claims, causes of action, proceedings, or investigations against any non-Debtor person or non-Debtor entity in any forum.

148. Notice of Entry of Confirmation Order and Occurrence of the Effective Date. As soon as practicable after the Effective Date, the Debtors shall file with the Court and serve by first class mail or overnight delivery service a notice of the entry of this Confirmation Order and occurrence of the Effective Date (the "Confirmation and Effective Date Notice"), to all parties served with the Confirmation Hearing Notice. To supplement the notice procedures described in the preceding sentence, no later than fourteen days (14) after the Effective Date, the Reorganized Debtors shall cause the Confirmation and Effective Date Notice, modified for publication, to be published on one occasion in each of the *New York Times* and *USA Today*, and the national edition

of *The Globe and Mail* in Canada. Mailing and publication of the Confirmation and Effective Date Notice in the time and manner set forth in this paragraph shall constitute adequate and sufficient notice pursuant to Bankruptcy Rules 2002 and 3020(c) of Confirmation and occurrence of the Effective Date.

149. The Confirmation and Effective Date Notice will have the effect of an order of the Court, will constitute sufficient notice of the entry of this Confirmation Order and occurrence of the Effective Date to filing and recording officers, including such officers at the United States Patent and Trademark Office, the United States Copyright Office, and any other governmental intellectual property offices, and will be a recordable instrument notwithstanding any contrary provision of applicable non-bankruptcy law.

150. Cancellation of Existing Indebtedness and Securities. Except as otherwise expressly provided in the Plan, this Confirmation Order, or any agreement, instrument, or other document entered into in connection with or pursuant to the Plan or the Restructuring Transactions, on the Effective Date, (a) all notes, bonds, indentures, certificates, securities, shares, equity securities, purchase rights, options, warrants, convertible securities or instruments, credit agreements, collateral agreements, subordination agreements, intercreditor agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any indebtedness or obligations of, or ownership interest in, the Debtors, or giving rise to any Claims against or Interests in the Debtors or to any rights or obligations relating to any Claims against or Interests in the Debtors (except with respect to such agreements, certificates, notes, or other instruments or documents evidencing indebtedness or obligation of, or ownership interest in, the Debtors that is specifically Reinstated, amended and Reinstated, or entered into pursuant to the Plan), including, without limitation, the 2016 Credit Agreement, the ABL Facility Credit

Agreement, the BrandCo Credit Agreement, and the Unsecured Notes Indenture shall be canceled without any need for a Holder or Debtor to take any further action with respect thereto, and the duties and obligations of all parties thereto, including the Debtors or the Reorganized Debtors, as applicable, and any non-Debtor Affiliates, thereunder or in any way related thereto shall be deemed satisfied in full, canceled, released, discharged, and of no further force or effect and (b) the obligations of the Debtors or Reorganized Debtors, as applicable, pursuant, relating, or pertaining to any agreements, certificates of designation, bylaws, or certificate or articles of incorporation or similar documents governing the notes, bonds, indentures, certificates, securities, shares, purchase rights, options, warrants, or other instruments or documents evidencing or creating any indebtedness or obligation of or Interests in the Debtors (except with respect to such agreements, certificates, notes, or other instruments or documents evidencing indebtedness or obligation of or ownership interest in the Debtors that is specifically Reinstated, amended and Reinstated, or entered into pursuant to the Plan), including, without limitation, the 2016 Credit Agreement, the ABL Facility Credit Agreement, the BrandCo Credit Agreement, and the Unsecured Notes Indenture shall be released and discharged in exchange for the consideration provided under the Plan. Notwithstanding the foregoing, Confirmation, or the occurrence of the Effective Date, any such document or instrument that governs the rights, claims, or remedies of the Holder of a Claim or Interest shall continue in effect solely for purposes of (a) enabling Holders of Allowed Claims to receive distributions under the Plan as provided herein and subject to the terms and conditions of the applicable governing document or instrument as set forth therein, and (b) allowing and preserving the rights of each of the applicable agents and indenture trustees to (i) make or direct the distributions in accordance with the Plan as provided herein and (ii) assert or maintain any rights for indemnification (including on account of the 2016 Agent Surviving Indemnity

Obligations) the applicable agent or indenture trustee may have arising under, and due pursuant to the terms of, the applicable governing document or instrument; *provided* that, subject to the treatment provisions of Article III of the Plan, no such indemnification may be sought from the Debtors, the Reorganized Debtors, or any Released Party. For the avoidance of doubt, nothing in this Plan shall, or shall be deemed to, alter, amend, discharge, limit, or otherwise impair the 2016 Agent Surviving Indemnity Obligations on or after the Effective Date, and any such obligation (whenever arising) survives Confirmation, Consummation, and the occurrence of the Effective Date, in each case in accordance with and subject to the terms and conditions of the 2016 Credit Agreement and regardless of the discharge and release of all Claims of the 2016 Agent against the Debtors or the Reorganized Debtors.

151. On the Effective Date, each holder of a certificate or instrument evidencing a Claim that is discharged by the Plan shall be deemed to have surrendered such certificate or instrument in accordance with the applicable indenture or agreement that governs the rights of such holder of such Claim. Such surrendered certificate or instrument shall be deemed canceled as set forth in, and subject to the exceptions set forth in, Article IV.E of the Plan.

152. Notwithstanding anything in Article IV.E of the Plan, the Unsecured Notes Indenture shall remain in effect solely with respect to the right of the Unsecured Notes Indenture Trustee to make Plan distributions in accordance with the Plan and to preserve the rights and protections of the Unsecured Notes Indenture Trustee with respect to the Holders of Unsecured Notes Claims, including the Unsecured Notes Indenture Trustee's charging lien and priority rights. Subject to the distribution of Class 8 Plan consideration delivered to it in accordance with the Unsecured Notes Indenture at the expense of the Reorganized Debtors, the Unsecured Notes

Indenture Trustee shall have no duties to Holders of Unsecured Notes Claims following the Effective Date of the Plan, including no duty to object to claims or treatment of other creditors.

153. Professional Compensation and Reimbursement Claims. All final requests for payment of Professional Compensation Claims shall be Filed no later than the first Business Day that is forty-five (45) calendar days after the Effective Date. Such requests shall be Filed with the Bankruptcy Court and served as required by the Interim Compensation Order and the Case Management Procedures, as applicable. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and any applicable Bankruptcy Court orders, the Allowed amounts of such Professional Compensation Claims shall be determined by the Bankruptcy Court. The Allowed amount of Professional Compensation Claims owing to the Professionals, after taking into account any prior payments to and retainers held by such Professionals, shall be paid in full in Cash to such Professionals from funds held in the Professional Fee Escrow as soon as reasonably practicable following the date when such Claims are Allowed by a Final Order. To the extent that funds held in the Professional Fee Escrow are unable to satisfy the Allowed amount of Professional Compensation Claims owing to the Professionals, each Professional shall have an Allowed Administrative Claim for any such deficiency, which shall be satisfied by the Reorganized Debtors in the ordinary course of business in accordance with Article II.B.2 of the Plan and notwithstanding any obligation to File Proofs of Claim or requests for payment on or before the Administrative Claims Bar Date. After all Professional Compensation Claims have been paid in full, the escrow agent shall promptly return any excess amounts held in the Professional Fee Escrow, if any, to the Reorganized Debtors, without any further action or Order of the Bankruptcy Court.

154. Establishment of the GUC Trust and the PI Settlement Fund. Each of the GUC Trust and the PI Settlement Fund shall be (a) established as of the Effective Date as trusts under applicable state law for the purposes described in the Plan, and (b) funded as and to the extent provided for in the Plan.

155. Approval of the GUC Trust Agreement and the PI Settlement Fund Agreement. The GUC Trust Agreement and the PI Settlement Fund Agreement, forms of which are filed in the Plan Supplement, are hereby approved, effective as of the Effective Date. The GUC Trust and the PI Settlement Fund shall be subject to the continuing jurisdiction of the Court.

156. Appointment of Trustees. The appointments of the initial GUC Administrator and the PI Claims Administrator in accordance with Articles IV.R, V and VI of the Plan are hereby approved, effective as of the Effective Date.

157. Beneficiaries. Beneficiaries of the GUC Trust and the PI Settlement Fund shall have only such rights and interests in and with respect to the applicable trust assets as set forth in the Plan and the GUC Trust Agreement or the PI Settlement Fund Agreement, as the case may be.

158. Indemnification Provisions. On and as of the Effective Date, consistent with applicable law, the Indemnification Provisions in place as of the Effective Date (whether in the bylaws, certificates of incorporation or formation, limited liability company agreements, other organized documents, board resolutions, indemnification agreements, employment contracts, or otherwise) for current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable, shall be assumed by the Reorganized Debtors (and any such Indemnification Provisions in place as to any Debtors that are to be liquidated under the Plan shall be assigned to and assumed by an applicable Reorganized Debtor), deemed irrevocable, and will remain in full force and effect and survive the effectiveness

of the Plan unimpaired and unaffected. Each of the Reorganized Debtors' New Organizational Documents shall provide for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, employees, agents, managers, attorneys, and other professionals, at least to the same extent as such documents of each of the respective Debtors on the Petition Date but in no event greater than as permitted by law, against any Causes of Action. None of the Reorganized Debtors shall amend and/or restate its respective New Organizational Documents, on or after the Effective Date to terminate, reduce, discharge, impair or adversely affect in any way (a) any of the Reorganized Debtors' obligations referred to in the immediately preceding sentence or (b) the rights of such current and former directors, officers, employees, agents, managers, attorneys, and other professionals.

159. The Debtors are authorized to make all payments on account of fees and/or expenses incurred during the Chapter 11 Cases that are reimbursable pursuant to Indemnification Provisions that are assumed in accordance with Article IV.P of the Plan, including, for the avoidance of doubt, payments made on account of Indemnification Provisions contained in agreements between the Debtors and (a) Murray Devine & Co. Inc. and (b) their current and former directors and officers. All such payments are approved pursuant to section 1129(a)(4) of the Bankruptcy Code.

160. Vendor Deposits. Pursuant to section 363(b) of the Bankruptcy Code, and subject to applicable provisions of the Restructuring Support Agreement and the Final DIP Order, the Debtors, in the reasonable exercise of their business judgment, may provide deposits to critical vendors in exchange for enhanced trade terms on or prior to the Effective Date.

161. Texas Comptroller. Notwithstanding anything to the contrary in the Plan or the Confirmation Order the following provisions shall apply to Claims of the Texas Comptroller of Public Accounts (the "Texas Comptroller") and Texas Workforce Commission ("TWC"):

a. Nothing provided in the Plan or Confirmation Order shall affect or impair any valid statutory or common law setoff rights of the Texas Comptroller or TWC in accordance with 11 U.S.C. § 553.

b. Nothing provided in the Plan or Confirmation Order shall affect or impair any rights of the Texas Comptroller or TWC to pursue any non-debtor third parties for tax debts or claims. Neither the Texas Comptroller nor TWC is a Releasing Party as defined in the Plan, and the Texas Comptroller and TWC specifically opt out of all third-party releases, if any. The Texas Comptroller and TWC are not required to return an opt-out form.

c. Nothing provided in the Plan or Confirmation Order shall impact the ability of the Texas Comptroller or TWC to amend their claims at any point.

d. Nothing provided in the Plan or Confirmation Order shall be construed to preclude the payment of any Allowed Administrative Claim or Allowed Priority Tax Claim held by the Texas Comptroller or TWC.

e. Neither the Texas Comptroller nor TWC is required to file a request for the payment of an expense described in 11 U.S.C. § 503(b)(1)(B) or (C) pursuant to 11 U.S.C. § 503(b)(1)(D) as a condition of its being an allowed administrative expense and any post-petition tax claim(s) may instead be paid as and when they arise in the ordinary course of the Debtors' business.

f. For the avoidance of doubt, all Allowed Priority Tax Claims of the Texas Comptroller and TWC shall be treated in accordance with the terms set forth in section 1129(a)(9)(c) of the Bankruptcy Code beginning on the Effective Date. To the extent that interest is payable with respect to any Allowed Administrative Claim or Allowed Priority Tax Claim of the Texas Comptroller or TWC, such interest shall accrue at the statutory rate of interest pursuant to the Texas Tax Code 111.060, if applicable.

g. The Texas Comptroller and TWC preserve all available bankruptcy and state law remedies, if any, in the event of default of payment on claims as laid out herein above.

h. Nothing in this paragraph 161 (i) shall alter, modify, amend, affect, impair, or prejudice the legal, equitable, or contractual rights, obligations, and defenses of the Debtors, the Reorganized Debtors, or any other party under any applicable law or (ii) is an admission by any party that either the Texas Comptroller or TWC has Claims or setoff rights and the rights of the Debtors, the Reorganized

Debtors, and all other parties to contest any such Claims or setoff rights are hereby expressly preserved.

162. Mississippi Department of Revenue. Notwithstanding anything in the Plan or this Confirmation Order to the contrary:

a. The Mississippi Department of Revenue's (the "MDOR") setoff rights under section 553 of the Bankruptcy Code and recoupment rights, if any, are preserved;

b. The MDOR shall not be required to file any proofs of claim or requests for payment in the Chapter 11 Cases for any Administrative Claims for the liabilities described in section 503(b)(1)(B) and (C) of the Bankruptcy Code, and the Debtors or Reorganized Debtors, as applicable, shall timely submit returns and remit payment, including penalties and interest, for all taxes due or coming, as required under applicable Mississippi state law;

c. For the avoidance of doubt, all Allowed Priority Tax Claims of the MDOR shall be treated in accordance with the terms set forth in section 1129(a)(9)(c) of the Bankruptcy Code beginning on the Effective Date. To the extent that interest is payable with respect to any Allowed Priority Tax Claims, such interest shall be paid in accordance with sections 511 and 1129(a)(9)(C) of the Bankruptcy Code and Mississippi state law, as applicable;

d. The MDOR may timely amend any Proof of Claim against any Debtor after the Effective Date with respect to (a) a pending audit, or (b) an audit that may be performed, with respect to any pre or post-petition tax return; and (c) following the filing of a tax return; and

e. Nothing in this paragraph 162 (a) shall alter, modify, amend, affect, impair, or prejudice the legal, equitable, or contractual rights, obligations, and defenses of the Debtors, the Reorganized Debtors, or any other party under any applicable law or (ii) is an admission by any party that the MDOR has Claims or setoff rights and the rights of the Debtors, the Reorganized Debtors, and all other parties to contest any such Claims or setoff rights are hereby expressly preserved.

163. Defensive Rights for Talc Personal Injury Lawsuits**.** Nothing in the Plan or this Confirmation Order shall be construed to prevent or enjoin any non-Debtor named as a defendant in a talc personal injury lawsuit (including but not limited to Bristol-Myers Squibb Company ("BMS")) from seeking or raising allocation or apportionment of fault and judgment reduction, apportionment of damages, any other defenses, affirmative defenses, or judgment reduction

mechanisms or rights similar to the foregoing, and any steps necessary to assert the foregoing (collectively, the "Defensive Rights"), in each case, solely to reduce the liability, judgment, obligation or fault of the applicable non-Debtor party vis a vis talc personal injury claimants that assert any claims or causes of action against such non-Debtor party based in whole or in part on talc related personal injury claims. Such Defensive Rights (a) may be used only to offset, allocate, or apportion fault, liability, or damages, seek judgment reduction, or otherwise defend against any cause of action brought by any person against non-Debtor parties and (b) shall in no event be used to seek or obtain any affirmative monetary recovery from the Debtors or any other party released pursuant to the Plan.

164. Bristol-Myers Squibb Company. Notwithstanding anything to the contrary in the Plan or this Confirmation Order, nothing in the Plan or this Confirmation Order shall modify the rights, if any, of BMS to assert any right of setoff or recoupment that it may have under applicable bankruptcy or non-bankruptcy law, subject to section 553 of the Bankruptcy Code (to the extent applicable) and any other applicable bankruptcy or non-bankruptcy law. Nothing in the foregoing sentence is an admission by any party that BMS has setoff or recoupment rights and the rights of the Debtors, the Reorganized Debtors, and all other parties to contest any such setoff or recoupment rights are hereby expressly preserved.

165. Nothing contained in the Plan or this Confirmation Order, including but not limited to Article VII.H of the Plan, shall be deemed a determination of BMS's or the Debtors' rights or obligations (if any) under any of the agreements referenced in BMS's filed proofs of claims, which are reserved by BMS, the Debtors, the Reorganized Debtors and all other parties in interest; *provided that* the Debtors may reject such contracts (to the extent such contracts are executory) in accordance with the Plan.

166. Certain Government Matters. As to any Governmental Unit (as defined in section 101(27) of the Bankruptcy Code), nothing in the Plan or the Confirmation Order shall limit or expand the scope of discharge, release, or injunction to which the Debtors or the Reorganized Debtors are entitled to under the Bankruptcy Code (if any). The discharge, release, and injunction provisions contained in the Plan and the Confirmation Order are not intended to and shall not be construed to bar any Governmental Unit from, subsequent to entry of the Confirmation Order, pursuing any police or regulatory action (except to the extent the Administrative Claims Bar Date or applicable Claims Bar Date prevents such Governmental Unit from pursuing prepetition Claims against the Debtors or the Reorganized Debtors).

167. Nothing in the Plan or the Confirmation Order shall discharge, release, impair, or otherwise preclude: (a) any liability to any Governmental Unit that is not a "claim" within the meaning of section 101(5) of the Bankruptcy Code; (b) any Claim of any Governmental Unit arising on or after the Effective Date; (c) any valid right of setoff or recoupment of any Governmental Unit against any of the Debtors; or (d) any liability of the Debtors or the Reorganized Debtors under police or regulatory statutes or regulations to any Governmental Unit as the owner, lessor, lessee, or operator of property that such entity owns, operates, or leases after the Effective Date; *provided* that, for the avoidance of doubt, nothing in this paragraph shall modify the effect of the Administrative Claims Bar Date or applicable Claims Bar Date to the extent otherwise applicable. Nothing in the Confirmation Order or the Plan shall: (a) enjoin or otherwise bar any Governmental Unit from asserting or enforcing, outside the Bankruptcy Court, any liability described in the preceding sentence; or (b) divest any court, commission, or tribunal of competent jurisdiction to determine whether any liabilities asserted by any Governmental Unit are discharged or otherwise barred by this Confirmation Order, the Plan, or the Bankruptcy Code.

168. Moreover, nothing in the Confirmation Order or the Plan shall release or exculpate any non-Debtor, including any non-Debtor Released Parties, from any liability to any Governmental Unit, including but not limited to any liabilities arising under the Internal Revenue Code, the environmental laws, or the criminal laws against any non-Debtor Released Parties. Nor shall anything in this Confirmation Order or the Plan enjoin any Governmental Unit from bringing any claim, suit, action, or other proceeding described in the foregoing sentence; *provided* that the foregoing shall not (a) limit the scope of discharge granted to the Debtors under sections 524 and 1141 of the Bankruptcy Code, (b) diminish the scope of any exculpation to which any party is entitled under the Bankruptcy Code or (c) in any way impair or limit the non-bankruptcy rights or defenses of any Entity. For the avoidance of doubt, the rights of Governmental Units are preserved to raise any argument, claim or defense – either in these cases or in any other case or proceeding – related to any exculpation approved by the Bankruptcy Court, including (without limitation) that the Bankruptcy Court did not have statutory or constitutional authority or jurisdiction to approve it, or that exculpation could not legally be applied to a Governmental Unit.

169. Landlord Indemnification. Notwithstanding anything to the contrary in the Plan or this Confirmation Order, with respect to any assumed Unexpired Lease of nonresidential real property, the Debtors, shall remain liable for all obligations arising under the Unexpired Lease of nonresidential real property that were not otherwise required to be asserted as a cure cost, including: (a) for amounts owed or accruing under such Unexpired Lease of nonresidential real property, or in connection with Debtor's use and occupancy of the premises thereunder, that are unbilled or not yet due as of the Effective Date regardless of when such amounts or obligations accrued, on account of common area maintenance, insurance, taxes, utilities, repair and maintenance and similar charges; (b) any regular or periodic adjustment or reconciliation of

charges accrued or accruing under such Unexpired Lease of nonresidential real property that are not yet due or have not been determined or billed as of the Effective Date; (c) any percentage rent that comes due after the Effective Date under such Unexpired Lease of nonresidential real property; (d) post-assumption obligations under such Unexpired Lease of nonresidential real property; and (e) obligations, if any, to indemnify the non-Debtor counterparty under such Unexpired Lease of nonresidential real property arising from the Debtor's use and occupancy of the Premises in accordance with the terms of the Unexpired Lease of nonresidential real property, which are not known by the counterparty or liquidated by the effective date of the assumption (and therefore not payable as a cure cost pursuant to Bankruptcy Code § 365(b)(1)(a)). Other than with respect to Cure Claims fixed in connection with this Confirmation Order, subject to resolution of any related dispute, all rights of the parties to any assumed Unexpired Lease of nonresidential real property to dispute amounts due thereunder are preserved.

170. SIR Roanoke Guaranty. The Guaranty, dated October 1, 2020 (as amended from time to time, the "Roanoke Guaranty"), from Revlon, Inc. to SIR Roanoke LLC (the "Roanoke Landlord"), including the obligations of Revlon, Inc. thereunder with respect to monetary and nonmonetary obligations that become due or payable after the Effective Date under that certain Amended and Restated Deed of Lease, dated as of January 17, 2003, as amended from time to time, between Elizabeth Arden, Inc. and the Roanoke Landlord, shall be assumed in its entirety by Reorganized Holdings on the Effective Date. On the Effective Date, or as soon as reasonably practicable thereafter, Reorganized Holdings shall execute and deliver to Roanoke Landlord a new guaranty instrument in substantially the same form, and on the same terms and conditions, as the Roanoke Guaranty.

171. CNA Surety. CNA Surety and its subsidiaries and affiliates, including, but not limited to, Continental Casualty Company, American Casualty Company of Reading, Pennsylvania, and Western Surety Company, and their successors and assigns, and any person or company joining with any of them in executing any Bond at its request (collectively, "CNA Surety") has issued certain surety bonds on behalf of certain of the Debtors (collectively, the "Existing Surety Bonds" and each individually an "Existing Surety Bond"). These Existing Surety Bonds are issued pursuant to certain existing indemnity agreements and/or related agreements by and between CNA Surety, on the one hand, and certain of the Debtors and their affiliates and certain non-Debtors, as applicable, on the other hand (collectively, the "Existing Indemnity Agreements").

172. Subject to paragraph 174 below, until such time as all Existing Surety Bonds have been replaced, and CNA Surety is released from its obligations under the Existing Surety Bonds and Existing Indemnity Agreements, nothing in the Plan or the Confirmation Order shall impair, release, discharge, preclude, or enjoin any obligations of the Debtors to CNA Surety under the Existing Surety Bonds and the Existing Indemnity Agreements and applicable non-bankruptcy law, and such obligations are unimpaired and are not being released, discharged, precluded, or enjoined by the Plan, including pursuant to Article X of the Plan, or the Confirmation Order. For the avoidance of doubt, CNA Surety is deemed to have opted out of the releases and is not a Releasing Party or Released Party under the Plan.

173. Nothing in the Plan or the Confirmation Order shall be deemed to limit CNA Surety's existing rights or interests under applicable non-bankruptcy law in any collateral or the proceeds of such collateral securing the Existing Surety Bonds and the Existing Indemnity Agreements (the "Surety Collateral"), including, without limitation, the right to draw or use any

Surety Collateral to reimburse any claim of CNA Surety under or in respect of the Existing Surety Bonds and/or the Existing Indemnity Agreements consistent with applicable non-bankruptcy law (the "Right to Draw"). For the avoidance of doubt, CNA Surety shall retain the Right to Draw notwithstanding the replacement of any Existing Surety Bonds prior to, or after Confirmation or the occurrence of the Effective Date.

174. Nothing in the Plan or the Confirmation Order, or any document or other agreements or exhibits to the Plan, shall be interpreted to alter, diminish, or enlarge the rights or obligations of CNA Surety or any obligee under the Existing Surety Bonds, nor shall any provision of the Plan be deemed to enjoin or preclude CNA Surety from asserting any rights or claims of any obligees under such Existing Surety Bonds. Nothing in the Plan or the Confirmation Order shall alter, modify, amend, affect, impair, or prejudice the legal, equitable, or contractual rights, obligations, and defenses of the Debtors or the Reorganized Debtors under the Existing Surety Bonds, the Existing Indemnity Agreements, or any applicable law.

175. No Admission as to Talc Personal Injury Claim. Nothing in the Plan, this Confirmation Order, the PI Claims Distribution Procedures, or any other Definitive Document is intended to be, nor shall it be construed as, an admission by the Debtors or any other Entity as to any Talc Personal Injury Claim, nor shall any Definitive Document, including the Plan, this Confirmation Order, and the PI Claims Distribution Procedures, or any component thereof be admissible as evidence of, or have any *res judicata*, collateral estoppel, or other preclusive or precedential effect regarding, (a) any alleged asbestos contamination in any product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors, the Reorganized Debtors, or any other Entity or for which the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity otherwise have legal responsibility, or (b) any liability of the

Debtors, the Reorganized Debtors, any of their insurers, or any other Entity or the amount of any alleged liability, in respect of any personal injury actually or allegedly caused by any talc-containing allegedly asbestos-contaminated product manufactured, sold, supplied, produced, distributed, released, advertised, or marketed by the Debtors, the Reorganized Debtors, or any other Entity or for which the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity otherwise have legal responsibility. Likewise, no decision of the PI Claims Administrator or the TAC (as defined in the PI Settlement Fund Agreement) to approve or make any distribution upon any Talc Personal Injury Claim shall be admissible as evidence of, or have any *res judicata*, collateral estoppel, or other preclusive or precedential effect regarding, liability to be imposed against the Debtors, the Reorganized Debtors, their Affiliates, or any other Entity, including, without limitation, any insurer, other than the PI Settlement Fund.

176. Unsecured Notes Indenture Trustee Releases. For the avoidance of doubt, all releases to be granted under the Plan and/or the Confirmation Order by and to the Unsecured Notes Indenture Trustee as a Releasing Party and a Released Party shall be deemed to be granted solely by and to it in its capacity as indenture trustee under the Unsecured Notes Indenture and not individually or otherwise.

177. Return of Deposits. All utilities, including any Person who received a deposit or other form of "adequate assurance" of performance pursuant to section 366 of the Bankruptcy Code during the Chapter 11 Cases (collectively, the "Deposits"), whether pursuant to the *Final Order (A) Prohibiting Utility Providers From Altering, Refusing, or Discontinuing Utility Services, (B Determining Adequate Assurance of Payment for Future Utility Services, and (C) Establishing Procedures for Determining Adequate Assurance of Payment, and (D) Granting Related Relief* [Docket No. 265] or otherwise, including, water, gas, electric, telecommunications,

data, cable, trash, and sewer services, or similar services, are directed to return such Deposits to the Reorganized Debtors, either by setoff against postpetition indebtedness or by Cash refund, within thirty (30) days following the Effective Date, and, as of the Effective Date, such Persons are not entitled to make requests for or receive additional Deposits.

("EA Debtor") and Elizabeth Arden International Sarl, as successor-in-interest to Proctor & Gamble International Operations S.A., on the other hand (as amended or supplemented from time to time, the "Three Wishes Agreements") shall be assumed as of the Effective Date pursuant to section 365 of the Bankruptcy Code. The Cure Amount shall be adjusted to include any amounts that come due or payable between the date of the Cure Notice and the Effective Date, to the extent such amounts are not otherwise paid prior to the Effective Date. Notwithstanding payment of the Cure Amount and anything to the contrary in the Plan, (a) the Reorganized Debtors shall remain liable for any unpaid royalties and other amounts payable to Three Wishes under the Three Wishes Agreement that come due for payment after the Effective Date, regardless of whether such royalties or other amounts were earned or based on sales or transactions occurring prior to the Effective Date; and (b) any audit rights and rights to unpaid royalties for any accounting period prior to the Effective Date discovered as a result of such audit rights ("Audit Royalty Obligations") are fully preserved by Three Wishes, and any such Audit Royalty Obligations will be satisfied and/or otherwise resolved pursuant to the terms of the applicable Three Wishes Agreements.

179. Effect of Confirmation Order on Other Orders. Unless expressly provided for herein, nothing in the Plan or this Confirmation Order shall affect any orders entered in the Chapter 11 Cases pursuant to section 365 of the Bankruptcy Code or Bankruptcy Rule 9019.

180. Inconsistency. In the event of any inconsistency between the Plan (including the Plan Supplement) and this Confirmation Order, this Confirmation Order shall govern. In the event of an inconsistency between the Plan (without reference to the Plan Supplement) and the Plan Supplement, the terms of the relevant document in the Plan Supplement shall control (unless stated otherwise in such Plan Supplement document or in the Confirmation Order).

181. Injunctions and Automatic Stay. Unless otherwise provided in the Plan or in this Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Court, and extant on this Confirmation Date (excluding any injunctions or stays contained in the Plan or this Confirmation Order) shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or this Confirmation Order shall remain in full force and effect in accordance with their terms.

182. Authorization to Consummate. The Debtors are authorized to consummate the Plan and the Restructuring Transactions at any time after the entry of this Confirmation Order subject to satisfaction or waiver (by the required parties) of the conditions precedent to Consummation set forth in Article XI of the Plan.

183. Substantial Consummation. On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

184. No Waiver. The failure to specifically include any particular Plan Document or provision of the Plan or Plan Document in this Confirmation Order will not diminish the effectiveness of such document or provision nor constitute a waiver thereof, it being the intent of

this Court that the Plan is confirmed in its entirety, the Plan Documents are approved in their entirety, and all of the Plan Documents are incorporated herein by reference.

185. Severability. Each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be deleted or modified without the Debtors' or Reorganized Debtors' consent (subject to the consent and approval rights of applicable parties to the extent provided in the Plan or the Restructuring Support Agreement), consistent with the terms set forth herein; and (c) non-severable and mutually dependent.

186. Administrative Claims Bar Date. Unless otherwise provided by the Plan, this Confirmation Order, any other applicable order of the Court, or agreed to by the Holder of an Allowed Administrative Claim and the Debtors or the Reorganized Debtors, requests for payment of Administrative Claims that accrued on or before the Effective Date (other than Professional Compensation Claims) must be Filed and served on the Reorganized Debtors pursuant to the procedures specified in this Confirmation Order and the Plan and the notice of entry of this Confirmation Order no later than the Administrative Claims Bar Date. **Holders of Administrative Claims that are required to, but do not, File and serve a request for payment of such Administrative Claims by such date shall be forever barred, estopped, and enjoined from asserting such Administrative Claims against the Debtors or the Reorganized Debtors or their respective property or Estates and such Administrative Claims shall be deemed discharged as of the Effective Date. If for any reason any such Administrative Claim is incapable of being forever barred and discharged, then the Holder of such Claim shall not have recourse to any property of the Reorganized Debtors to be distributed pursuant to the Plan.** Objections to such requests for payment of an Administrative Claim, if any, must be Filed

and served on the Reorganized Debtors and the requesting party no later than the applicable Claims Objection Deadline.

187. Reports. On the Effective Date, all of the Liens and security interests to be granted by the Reorganized Debtors in accordance with the Exit Facilities Documents (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Exit Facilities Documents, (c) shall be deemed perfected on the Effective Date without the need for the taking of any further filing, recordation, approval, consent, or other action, and (d) shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make all filings and recordings, and to obtain all governmental approvals and consents, and to take any other actions necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order and any such filings, recordings, approvals, and consents shall not be required), and the Reorganized Debtors shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

2. Issuance and Distribution of New Common Stock

On the Effective Date, the shares of New Common Stock shall be issued by Reorganized Holdings as provided for in the Description of Transaction Steps pursuant to, and in accordance with, the Plan and the Equity Rights Offering Documents. All Holders of New Common Stock (whether issued and distributed hereunder, pursuant to the Equity Rights Offering Documents, or otherwise, and in each case, whether such New Common Stock is held directly or indirectly through the facilities of DTC) shall be deemed to be a party to, and bound by, the LLC Agreement and the other applicable New Organizational Documents, in accordance with their terms, without the requirement to execute a signature page thereto.

All of the New Common Stock (including the New Common Stock issued in connection with the Equity Rights Offering (including, for the avoidance of doubt, any New Common Stock issued pursuant to the Backstop Commitment Agreement) and/or upon the exercise of the New Warrants) issued pursuant to the Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance of New Common Stock under the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the New Organizational Documents

and other instruments evidencing or relating to such distribution or issuance, including the Equity Rights Offering Documents, as applicable, which terms and conditions shall bind each Entity receiving such distribution or issuance. For the avoidance of doubt, the acceptance of New Common Stock by any Holder of any Claim or Interest or any other Entity shall be deemed as such Holder's or Entity's agreement to the applicable New Organizational Documents, as may be amended or modified from time to time following the Effective Date in accordance with their terms.

To the extent practicable, as determined in good faith by the Debtors and the Required Consenting BrandCo Lenders, the Reorganized Debtors shall: (a) emerge from these Chapter 11 Cases as non-publicly reporting companies on the Effective Date and not be subject to SEC reporting requirements under Sections 12 or 15 of the Exchange Act, or otherwise; (b) not be voluntarily subjected to any reporting requirements promulgated by the SEC; except, in each case, as otherwise may be required pursuant to the New Organizational Documents, the Exit Facilities Documents or applicable law; (c) not be required to list the New Common Stock on a U.S. stock exchange; (d) timely file or otherwise provide all required filings and documentation to allow for the termination and/or suspension of registration with respect to SEC reporting requirements under the Exchange Act prior to the Effective Date; and (e) make good faith efforts to ensure DTC eligibility of securities issued in connection with the Plan (other than any securities required by the terms of any agreement to be held on the books of an agent and not in DTC), including but not limited to the New Warrants.

3. Equity Rights Offering

The Debtors shall distribute the Equity Subscription Rights to the Equity Rights Offering Participants as set forth in the Plan, the Backstop Commitment Agreement, and the Equity Rights Offering Procedures. Pursuant to the Backstop Commitment Agreement and the Equity Rights Offering Procedures, the Equity Rights Offering shall be open to all Equity Rights Offering Participants. Equity Rights Offering Participants shall be entitled to participate in the Equity Rights Offering up to a maximum amount of each Eligible Holder's Pro Rata share of the Aggregate Rights Offering Amount (or, if applicable, the Adjusted Aggregate Rights Offering Amount). Equity Rights Offering Participants shall have the right to purchase their allocated shares of New Common Stock at the ERO Price Per Share.

The Equity Rights Offering will be backstopped, severally and not jointly, by the Equity Commitment Parties pursuant to the Backstop Commitment Agreement. 30% of the New Common Stock to be sold and issued pursuant to the Equity Rights Offering shall be reserved for the Equity Commitment Parties (the "Reserved Shares") pursuant to the Backstop Commitment Agreement, at the ERO Price Per Share.

Equity Subscription Rights that an Equity Rights Offering Participant has validly elected to exercise shall be deemed issued and exercised on or about (but in no event after) the Effective Date. Upon exercise of the Equity Subscription Rights pursuant to the terms of the Backstop Commitment Agreement and the Equity Rights Offering Procedures, Reorganized Holdings shall be authorized to issue the New Common Stock issuable pursuant to such exercise.

Pursuant to the Backstop Commitment Agreement, if after following the procedures set forth in the Equity Rights Offering Procedures, there remain any unexercised Equity Subscription Rights, the Equity Commitment Parties shall purchase, severally and not jointly, their applicable portion of the New Common Stock associated with such unexercised Equity Subscription Rights in accordance with the terms and conditions set forth in the Backstop Commitment Agreement, at the ERO Price Per Share. As consideration for the undertakings of the Equity Commitment Parties in the Backstop Commitment Agreement, the Reorganized Debtors will pay the Backstop Commitment Premium to the Equity Commitment Parties on the Effective Date in accordance with the terms and conditions set forth in the Backstop Commitment Agreement.

All shares of New Common Stock issued upon exercise of the Equity Commitment Parties' own Equity Subscription Rights and in connection with the Backstop Commitment Premium will be issued in reliance upon Section 1145 of the Bankruptcy Code to the extent permitted under applicable law. The Reserved Shares and the shares of New Common Stock that are not subscribed for by holders of Equity Subscription Rights in the Equity Rights Offering and that are purchased by the Equity Commitment Parties in accordance with their backstop obligations under the Backstop Commitment Agreement (the "Unsubscribed Shares") will be issued in a private placement exempt from registration under Section 5 of the Securities Act pursuant to Section 4(a)(2) and/or Regulation D thereunder and will constitute "restricted securities" for purposes of the Securities Act. In the Backstop Commitment Agreement, the Equity Commitment Parties will be required to make representations and warranties as to their sophistication and suitability to participate in the private placement.

Entry of the Confirmation Order shall constitute Bankruptcy Court approval of the Equity Rights Offering (including the transactions contemplated thereby, and all actions to be undertaken, undertakings to be made, and obligations to be incurred by Reorganized Holdings in connection therewith). On the Effective Date, as provided in the Description of Transaction Steps, the rights and obligations of the Debtors under the Backstop Commitment Agreement shall vest in the Reorganized Debtors, as applicable.

At the Aggregate Rights Offering Amount, the shares of New Common Stock offered pursuant to the Equity Rights Offering (for the avoidance of doubt, not including any shares of New Common Stock issued in connection with the Backstop Commitment Premium) will represent approximately 60.6% of the New Common Stock outstanding on the Effective Date (subject to a downward ratable adjustment to account for the difference (if any) between the Aggregate Rights Offering Amount and the Adjusted Aggregate Right Offerings Amount), subject to dilution by the issuance of shares of New Common Stock (a) reserved for the MIP Awards and (b) on account of the exercise of the New Warrants.

On the Effective Date (or earlier in the case of termination of the Backstop Commitment Agreement), the Backstop Commitment Premium (which shall be an administrative expense) shall be distributed or paid to the Equity Commitment Parties under and as set forth in the Backstop Commitment Agreement and the Backstop Order. The shares of New Common Stock issued in satisfaction of the Backstop Commitment Premium will represent approximately 7.6% of the New Common Stock outstanding on the Effective Date, subject to dilution by the

issuance of shares of New Common Stock (a) reserved for the MIP Awards and (b) on account of the exercise of the New Warrants.

Each holder of Equity Subscription Rights that receives New Common Stock as a result of exercising the relevant Equity Subscription Rights shall be subject to the provisions applicable to such holders of New Common Stock as set forth in Article IV.A.2 of the Plan.

The Cash proceeds of the Equity Rights Offering shall be used by the Debtors or Reorganized Debtors, as applicable, to (a) make distributions pursuant to the Plan, (b) fund working capital, and (c) fund general corporate purposes.

4. Issuance and Distribution of New Warrants

To the extent all or any portion of the New Warrants are required to be issued pursuant to the Plan, Reorganized Holdings shall issue such New Warrants on the Effective Date in accordance with the New Warrant Agreement and distribute them in accordance with the Plan. For the avoidance of doubt, (a) if the GUC Trust is established in accordance with the Plan, the GUC Administrator shall have the sole power and authority to pursue the Retained Preference Actions in the capacity as trustee of the GUC Trust and as agent for and on behalf of the PI Settlement Fund and (b) in the event that any, but not all, of Classes 9(a), (b), (c), or (d) votes to reject the Plan, (i) the GUC Administrator shall receive the Retained Preference Action Net Proceeds for the account of each such Class that votes to accept the Plan in the amount allocable to each such Class, and shall make distributions therefrom (and/or, in the case of Class 9(a), shall transfer or cause to be transferred to the PI

Settlement Fund for distribution) ratably to Holders of Claims in each such Class and (ii) the Reorganized Debtors shall receive the Retained Preference Action Net Proceeds in the amount allocable to each such Class that votes to reject the Plan. 6. Cash on Hand

The Debtors or Reorganized Debtors, as applicable, shall use Cash on hand, if any, to fund distributions to certain Holders of Claims. All Excess Liquidity will be applied in accordance with the First Lien Exit Facilities Term Sheet; provided that, in the event the Reorganized Debtors enter into the Third-Party New Money Exit Facility, (a) all Excess Liquidity will be applied to reduce the Aggregate Rights Offering Amount, and (b) for the avoidance of doubt, the Debt Commitment Premium shall be paid in Cash as an Administrative Claim and "Excess Liquidity" will be calculated after giving effect to the payment thereof.

B. Restructuring Transactions

On or, with the consent of the Required Consenting BrandCo Lenders, before the Effective Date, the applicable Debtors or the Reorganized Debtors shall enter into any transactions and shall take any actions as may be necessary or appropriate to effectuate the Restructuring Transactions, including to establish Reorganized Holdings and, if applicable, to transfer assets of the Debtors to Reorganized Holdings or a subsidiary thereof. Pursuant to section 1123(a)(6) of the Bankruptcy Code, the New Organizational Documents will prohibit the issuance of non-voting equity securities of Reorganized Holdings. After the Effective Date, the Reorganized Debtors may amend and restate their respective New Organizational Documents or otherwise restructure their legal Entity forms, without supervision or approval by the Bankruptcy Court and in accordance with applicable non-bankruptcy law.

The New Organizational Documents shall provide for the following minority protections (which shall not be subject to amendment other than with the consent of holders of at least two-thirds of the then-issued and outstanding shares of New Common Stock and as to which the New Organizational Documents will provide equivalent rights to all equivalent sized holders of New Common Stock): (1) annual audited and quarterly financial statements by Reorganized Holdings, as well as a quarterly management call, including a Q&A; (2) no transfer restrictions other than restrictions on transfers to competitors, customary drag-along and tag-along rights (in connection with a transfer of a majority of the then-outstanding New Common Stock), and other customary transfer restrictions (including restrictions on transfers that are not in compliance with applicable law or would require Reorganized Holdings to register securities or to register as an "investment company"), but in any event will not include any right of first refusal or right of first offer; and (3) customary pro rata preemptive rights in connection with equity issuances for cash (subject to customary carve outs) for accredited investor holders of New Common Stock above a specified threshold (which threshold shall be determined to provide such preemptive rights to approximately ten (10) holders as of the Effective Date).

For the avoidance of doubt, the foregoing shall not (1) limit, diminish, or otherwise alter the Reorganized Debtors' defenses, claims, Causes of Action, or other rights with respect to the Employment Obligations, or (2) impair the rights of the Debtors or Reorganized Debtors, as applicable, to implement the Management Incentive Plan in accordance with its terms and conditions and to determine the Employment Obligations of the Reorganized Debtors in accordance with their applicable terms and conditions on or after the Effective Date, in each case consistent with the Plan.

By no later than January 1, 2024, the Reorganized Holdings Board shall implement the Management Incentive Plan that provides for the issuance of options and/or other equity-based compensation to the management and directors of the Reorganized Debtors in accordance with the Plan.

7.5% of the New Common Stock, on a fully diluted basis, shall be reserved for issuance under the Management Incentive Plan. The participants in the Management Incentive Plan, the allocations and form of the options and other equity-based compensation to such participants (including the amount of the allocations and the timing of the grant of the options and other equity-based compensation), and the terms and conditions of such options and other equity-based compensation (including vesting, exercise prices, base values, hurdles, forfeiture, repurchase rights, and transferability) shall be determined by the Reorganized Holdings Board; *provided* that one-half of the MIP Equity Pool shall be awarded to participants under the Management Incentive Plan upon implementation no later than January 1, 2024.

O. Exemption from Certain Taxes and Fees

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property pursuant to the Plan shall not be subject to any stamp tax, document recording tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, personal property transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment in the United States, or any state or political subdivision thereof. The Confirmation Order shall direct and be deemed to direct the appropriate federal, state, or local governmental officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation instruments or other documents pursuant to such transfers of property without the payment of any such tax or governmental assessment. Such exemption specifically applies, without limitation, to (1) the creation, modification, consolidation, or recording of any mortgage, deed of trust, Lien, or other security interest, or the securing of indebtedness by such means or other means, (2) the making or assignment of any lease or sublease, (3) any Restructuring Transaction authorized by the Plan, and (4) the making or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with the Plan, including: (a) any merger agreements; (b) agreements of consolidation, restructuring, disposition, liquidation, or dissolution; (c) deeds;

(d) bills of sale; (e) assignments executed in connection with any Restructuring Transaction occurring under the Plan; or (f) any of the other Definitive Documents.

P. Indemnification Provisions

On and as of the Effective Date, consistent with applicable law, the Indemnification Provisions in place as of the Effective Date (whether in the bylaws, certificates of incorporation or formation, limited liability company agreements, other organized documents, board resolutions, indemnification agreements, employment contracts, or otherwise) for current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable, shall be assumed by the Reorganized Debtors (and any such Indemnification Provisions in place as to any Debtors that are to be liquidated under the Plan shall be assigned to and assumed by an applicable Reorganized Debtor), deemed irrevocable, and will remain in full force and effect and survive the effectiveness of the Plan unimpaired and unaffected, and each of the Reorganized Debtors' New Organizational Documents will provide for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, employees, agents, managers, attorneys, and other professionals, at least to the same extent as such documents of each of the respective Debtors on the Petition Date but in no event greater than as permitted by law, against any Causes of Action. None of the Reorganized Debtors shall amend and/or restate its respective New Organizational Documents, on or after the Effective Date to terminate, reduce, discharge, impair or adversely affect in any way (1) any of the Reorganized Debtors' obligations referred to in the immediately preceding sentence or (2) the rights of such current and former directors, officers, employees, agents, managers, attorneys, and other professionals.

Q. Preservation of Causes of Action

In accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, any and all Retained Causes of Action (except, if the GUC Trust is established in accordance with the Plan, the GUC Trust may enforce all rights to commence and pursue Retained Preference Actions), whether arising before or after the Petition Date, including but not limited to any actions specifically enumerated in the Plan Supplement, and the Reorganized Debtors' rights to commence, prosecute, or settle such Retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. If the GUC Trust is established in accordance with the Plan, the GUC Trust (on its own behalf and, if the PI Settlement Fund is established in accordance with the Plan, as agent for the PI Settlement Fund) shall retain and may enforce all rights to commence and pursue any Retained Preference Actions, and the GUC Trust's rights to commence, prosecute, or settle such Retained Preference Actions shall be preserved notwithstanding the occurrence of the Effective Date. For the avoidance of doubt, the preservation of Retained Causes of Action described in the preceding sentence includes, but is not limited to, the Reorganized Debtors' retention of the Debtors' rights to (1) object to Administrative Claims, (2) object to other Claims, and (3) subordinate Claims, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article X of the Plan, which shall be deemed released and waived by the Debtors and Reorganized Debtors as of the Effective Date.

The Reorganized Debtors may pursue such Retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors, in their respective discretion. The GUC Trust, if established, may pursue Retained Preference Actions and objections to General Unsecured Claims in accordance with the best interests of the GUC Trust and the PI Settlement Fund. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors (or, with respect to Retained Preference Actions, the GUC Trust) will not pursue any and all available Retained Causes of Action. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Retained Causes of Action against any Entity. The GUC Trust expressly reserves all rights to prosecute any and all Retained Preference Actions in accordance with the Plan.** The Reorganized Debtors and, solely with respect to Retained Preference Actions and the allowance or disallowance of General Unsecured Claims, the GUC Trust, as applicable, expressly reserve all and shall retain the applicable Retained Causes of Action, for later adjudication or settlement, and, therefore no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Retained Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The applicable Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all Retained Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Retained Causes of Action except as otherwise expressly provided in the Plan and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

R. GUC Trust and PI Settlement Fund

On the Effective Date, solely in the event that any Class of General Unsecured Claims votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the GUC Trust shall be established in accordance with the GUC Trust Agreement. The GUC Trust Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement.

On the Effective Date, solely in the event that Class 9(a) votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the PI Settlement Fund shall be established in accordance with the terms of the PI Settlement Fund Agreement and the Plan. The PI Settlement Fund Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement.

On the Effective Date, or with respect to the GUC Settlement Top Up Amount and any increase to the GUC Trust/PI Fund Operating Reserve, after the Effective Date, in accordance with the Plan, the GUC Trust Assets shall vest in the GUC Trust and the PI Settlement Fund Assets shall vest in the PI Settlement Fund, as applicable, free and clear of all Claims, Interests, liens, and other encumbrances. For the avoidance of doubt, any portion of the GUC Settlement Total Amount allocable to any Class of General Unsecured Claims that votes to reject the Plan shall be

retained by the Reorganized Debtors. Additional assets may vest in the GUC Trust and the PI Settlement Fund from time to time after the Effective Date in the event that an additional GUC Settlement Top Up Amount becomes due, or in the event that additional assets are added to the GUC Trust/PI Fund Operating Reserve pursuant to the Plan.

The GUC Trust or PI Settlement Fund, as applicable, shall have the sole power and authority to: (1) receive and hold the GUC Trust Assets and the PI Settlement Fund Assets, as the case may be; (2) except with respect to Hair Straightening Claims, administer, dispute, object to, compromise, or otherwise resolve all General Unsecured Claims in any Class of General Unsecured Claims that votes to accept the Plan; *provided* that the Debtors, with the consent (not to be unreasonably withheld, conditioned, or delayed) of the Required Consenting BrandCo Lenders and in consultation with the Creditors' Committee, or the Reorganized Debtors, in consultation with the GUC Administrator or PI Claims Administrator, as applicable, may elect to administer, dispute, object to, compromise, or otherwise resolve any such Claim (other than a Talc Personal Injury Claim administered pursuant to the PI Claims Distribution Procedures); (3) make distributions in accordance with the Plan to Holders of Allowed General Unsecured Claims in any Class that votes to accept the Plan; and (4) in the case of the GUC Trust only, on its own behalf and acting as agent for the PI Settlement Fund, commence and pursue the Retained Preference Actions, and manage and administer any proceeds thereof in accordance with the Plan. The Debtors or the Reorganized Debtors, as applicable, shall have the sole power and authority to administer, dispute, object to, compromise, or otherwise resolve all Hair Straightening Claims; *provided*, *that*, for the avoidance of doubt, the GUC Trust shall pay, pursuant to Article III.C.12 of the Plan, any Allowed Hair Straightening Claims that are liquidated in accordance with Article IX.A.6 of the Plan and the GUC Trust Agreement and the sole recovery from the Estates on account of Hair Straightening Claims shall be from the GUC Trust in accordance with Article III.C.12 of the Plan and the GUC Trust Agreement.

The GUC Administrator, the PI Claims Administrator, and their respective counsel shall be selected by the Creditors' Committee and disclosed in the Plan Supplement prior to commencement of the Confirmation Hearing. The identity of the GUC Administrator, the PI Claims Administrator, and their respective counsel, and the terms of their compensation shall be reasonably acceptable to the Debtors and the Required Consenting BrandCo Lenders. In furtherance of and consistent with the purpose of the GUC Trust or PI Settlement Fund, as applicable, and the Plan, the GUC Administrator and/or PI Claims Administrator, as applicable, shall: (1) have the power and authority to perform all functions on behalf of the GUC Trust or PI Settlement Fund, as applicable; (2) undertake, with the cooperation of the Reorganized Debtors, all administrative responsibilities that are provided in the Plan and the GUC Trust Agreement or PI Settlement Fund Agreement, as applicable, including filing the applicable operating reports and administering the closure of the Chapter 11 Cases, which reports shall be delivered to the Reorganized Debtors; (3) be responsible for all decisions and duties with respect to the GUC Trust or PI Settlement Fund, as applicable, and the GUC Trust Assets and the PI Settlement Fund Assets, as applicable; (4) allocate the GUC Trust/PI Fund Operating Reserve between the GUC Trust and the PI Settlement Fund, and administer such funds in accordance with the terms of the Plan, the GUC Trust Agreement, and the PI Settlement Fund Agreement; and (5) in all circumstances and at all times, act in a fiduciary capacity for the benefit and in the best interests of the beneficiaries of the GUC Trust or PI Settlement Fund Agreement, as applicable, in furtherance of the purpose

of the GUC Trust and PI Settlement Fund Agreement and in accordance with the Plan and the GUC Trust Agreement or PI Settlement Fund Agreement, as applicable.

All expenses (including taxes) of the PI Settlement Fund shall be GUC Trust/PI Fund Operating Expenses and shall be payable solely from the GUC Trust/PI Fund Operating Reserve.

S. Restructuring Expenses

The Restructuring Expenses incurred, or estimated to be incurred, up to and including the Effective Date shall be paid in full in Cash on the Effective Date (to the extent not previously paid during the course of the Chapter 11 Cases on the dates on which such amounts would be required to be paid under the Term DIP Credit Agreement, the DIP Orders, or the Restructuring Support Agreement) without the requirement to file a fee application with the Bankruptcy Court, without the need for time detail, and without any requirement for review or approval by the Bankruptcy Court or any other party. All Restructuring Expenses to be paid on the Effective Date shall be estimated prior to and as of the Effective Date and such estimates shall be delivered to the Debtors at least two (2) Business Days before the anticipated Effective Date; *provided* that such estimates shall not be considered to be admissions or limitations with respect to such Restructuring Expenses. In addition, the Debtors and the Reorganized Debtors (as applicable) shall continue to pay, when due, pre- and post-Effective Date Restructuring Expenses, whether incurred before, on or after the Effective Date. For the avoidance of doubt, the payment of the fees and expenses of the Unsecured Notes Indenture Trustee pursuant to this Article IV.S of the Plan shall be deemed to be part of the treatment of Class 8 and not by reason of the Unsecured Notes Indenture Trustee's membership on the Committee.

ARTICLE V.

THE GUC TRUST

A. Establishment of the GUC Trust

On the Effective Date, solely in the event that any Class of General Unsecured Claims votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the GUC Trust shall be established in accordance with the terms of the GUC Trust Agreement and the Plan. The GUC Trust Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement.

The GUC Trust shall be established to liquidate the GUC Trust Assets and make distributions in accordance with the Plan, Confirmation Order, and GUC Trust Agreement, and in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the GUC Trust. The GUC Trust shall be structured to qualify as a "liquidating trust" within the meaning of Treasury Regulations Section 301.7701-4(d) and in compliance with Revenue Procedure 94-45, and thus, as a "grantor trust" within the meaning of Sections 671 through 679 of the Tax Code. Accordingly, the GUC Trust Beneficiaries shall be treated for U.S. federal income tax purposes (1) as direct recipients of undivided interests in the

GUC Trust Assets (other than to the extent the GUC Trust Assets are allocable to Disputed Claims) and as having immediately contributed such assets to the GUC Trust, and (2) thereafter, as the grantors and deemed owners of the GUC Trust and thus, the direct owners of an undivided interest in the GUC Trust Assets (other than such GUC Trust Assets that are allocable to Disputed Claims).

B. The GUC Administrator

The identity of the GUC Administrator shall be disclosed in the Plan Supplement prior to entry of the Confirmation Order on the docket of the Chapter 11 Cases.

C. Certain Tax Matters

The GUC Administrator shall file tax returns for the GUC Trust as a grantor trust pursuant to Treasury Regulations Section 1.671-4(a) and in accordance with the Plan. The GUC Trust's items of taxable income, gain, loss, deduction, and/or credit (other than such items is respect of any assets allocable to, or retained on account of, Disputed Claims) will be allocated to each holder in accordance with their relative ownership of GUC Trust Interests.

As soon as possible after the Effective Date, the GUC Administrator shall make a good faith valuation of the GUC Trust Assets and such valuation shall be used consistently by all parties for all U.S. federal income tax purposes.

The GUC Administrator may request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the GUC Trust for all taxable periods through the dissolution thereof. Nothing in this Article V.C shall be deemed to determine, expand, or contract the jurisdiction of the Bankruptcy Court under section 505 of the Bankruptcy Code.

The GUC Administrator (1) may timely elect to treat any GUC Trust Assets allocable to Disputed Claims as a "disputed ownership fund" governed by Treasury Regulations Section 1.468B-9, and (2) to the extent permitted by applicable law, shall report consistently for state and local income tax purposes. If a "disputed ownership fund" election is made, all parties (including the GUC Administrator and the holders of GUC Trust Interests) shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing. The GUC Administrator shall file all income tax returns with respect to any income attributable to a "disputed ownership fund" and shall pay the U.S. federal, state, and local income taxes attributable to such disputed ownership fund based on the items of income, deduction, credit, or loss allocable thereto. The Reorganized Debtors and the GUC Administrator shall cooperate to ensure that any distributions made in respect of Claims that are in the nature of compensation for services (including the Non-Qualified Pension Claims) ("Wage Distributions") are processed through appropriate payroll processing systems or arrangements and are subject to appropriate payroll tax withholding and reporting, and that any applicable payroll taxes associated therewith are properly remitted to taxing authorities. The Reorganized Debtors and the GUC Trust shall, if so requested by the GUC Trust, cooperate in good faith to agree to such procedures so as to permit such Wage Distributions to be processed through the Reorganized Debtors' payroll processing systems (which may, for the avoidance of doubt, be administered by a third party). The employer portion of any payroll taxes applicable to Wage Distributions shall be solely borne by the Reorganized Debtors;

neither the GUC Trust nor the GUC Trust/PI Fund Operating Reserve shall bear any liability for the employer portion of any payroll taxes applicable to Wage Distributions.

ARTICLE VI.

PI SETTLEMENT FUND

A. Establishment of the PI Settlement Fund

On the Effective Date, solely in the event that Class 9(a) votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the PI Settlement Fund shall be established in accordance with the terms of the PI Settlement Fund Agreement and the Plan. The PI Settlement Fund Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement. The PI Settlement Fund shall be established to make distributions to Holders of Talc Personal Injury Claims in accordance with the PI Claims Distribution Procedures and the Plan. All expenses (including taxes) incurred by the PI Settlement Fund shall be recorded on the books and records (and reported on all applicable tax returns) as expenses of the PI Settlement Fund; *provided however that*, the PI Settlement Fund shall remit all invoices or other documentation with respect to such expenses for payment to the GUC Administrator and the GUC Administrator shall timely make such payments on behalf of the PI Settlement Fund solely from the GUC Trust/PI Fund Operating Reserve.

The Bankruptcy Court shall have continuing jurisdiction over the PI Settlement Fund.

B. The PI Claims Distribution Procedures

The PI Claims Distribution Procedures shall be established solely to implement the Plan and Plan Settlement. Nothing in the PI Claims Distribution Procedures or any other Definitive Document is intended to be, nor shall it be construed as, an admission by the Debtors or any other Entity as to any Talc Personal Injury Claim, nor shall any Definitive Document, including the PI Claims Distribution Procedures, or any component thereof be admissible as evidence of, or have any *res judicata*, collateral estoppel, or other preclusive or precedential effect regarding, (i) any alleged asbestos contamination in any product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors, the Reorganized Debtors, or any other Entity or for which the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity otherwise have legal responsibility, or (ii) any liability of the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity or the amount of any alleged liability, in respect of any personal injury actually or allegedly caused by any talc-containing allegedly asbestos-contaminated product manufactured, sold, supplied, produced, distributed, released, advertised, or marketed by the Debtors, the Reorganized Debtors, or any other Entity or for which the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity otherwise have legal responsibility. Likewise, no decision of the PI Claims Administrator or the TAC (as defined in the PI Settlement Fund Agreement) to approve or make any distribution upon any Talc Personal Injury Claim shall be admissible as evidence of, or have any *res judicata*, collateral estoppel, or other preclusive or precedential effect regarding, liability to be imposed against the Debtors, the Reorganized Debtors, their Affiliates, or any other Entity, including, without

limitation, any insurer, other than the PI Settlement Fund. The Confirmation Order shall constitute findings and orders with regard to this Article VI.B. For the avoidance of doubt, the PI Claims Distribution Procedures and determination thereunder of the amount of and liability for any Talc Personal Injury Claims shall be for the sole purpose of distributing the recoveries provided by the Debtors to Class 9(a) under the Plan and for no other purpose. The insurers reserve all rights to defend and contest applicable causes of action or demands to the extent that they are brought against the insurers, or to the extent that such causes of action or demands seek recovery from the insurers.

C. The PI Claims Administrator

The identity of the PI Claims Administrator shall be disclosed in the Plan Supplement prior to entry of the Confirmation Order on the docket of the Chapter 11 Cases.

D. Certain Tax Matters

The PI Settlement Fund is intended to be treated, and shall be reported, as a "qualified settlement fund" for U.S. federal income tax purposes and shall be treated consistently for state and local tax purposes to the extent applicable. The PI Claims Administrator shall be the "administrator" of the PI Settlement Fund within the meaning of Treasury Regulations section 1.468B-2(k)(3).

The PI Claims Administrator shall be responsible for filing all tax returns of the PI Settlement Fund and the payment, out of the assets of PI Settlement Fund, of any taxes due by or imposed on the PI Settlement Fund.

The PI Claims Administrator may request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the PI Settlement Fund for all taxable periods through the dissolution thereof. Nothing in this Article VI.D shall be deemed to determine, expand or contract the jurisdiction of the Bankruptcy Court under section 505 of the Bankruptcy Code.

ARTICLE VII.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption and Rejection of Executory Contracts and Unexpired Leases

Except as otherwise provided herein, all Executory Contracts or Unexpired Leases will be deemed assumed as of the Effective Date, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those Executory Contracts or Unexpired Leases that: (1) previously were assumed or rejected by the Debtors; (2) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; or (3) are the subject of a motion to reject such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such rejection is on or after the Effective Date. The assumption or rejection of all executory contracts and unexpired leases in the Chapter 11 Cases or in the Plan shall be determined by the Debtors, with the consent of the Required Consenting BrandCo Lenders. Entry of the Confirmation Order

by the Bankruptcy Court shall constitute approval of such assumptions, assumptions and assignments, and the rejection of the Executory Contracts or Unexpired Leases listed on the Schedule of Rejected Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Any motions to reject Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order. Each Executory Contract and Unexpired Lease assumed pursuant to this Article VII.A or by any order of the Bankruptcy Court, which has not been assigned to a third party prior to the Confirmation Date or such later date as provided in this Article VII.A, shall revest in and be fully enforceable by the Debtors or the Reorganized Debtors, as applicable, in accordance with such Executory Contract and/or Unexpired Lease's terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any "change of control" (whether direct or indirect) or "anti-assignment" provision, or similar provision implicated by a conversion of the form of entity of the Debtors or their Affiliates), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other rights, including default-related rights, due to the conversion of the form of entity of, as applicable, the Debtors or their Affiliates thereto. Notwithstanding anything to the contrary in the Plan, the Debtors or the Reorganized Debtors, as applicable, shall have the right to alter, amend, modify, or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases, including by way of adding or removing a particular Executory Contract or Unexpired Lease from the Schedule of Rejected Executory Contracts and Unexpired Leases, at any time through and including sixty (60) Business Days after the Effective Date; *provided that*, after the Confirmation Date, the Debtors may not subsequently reject any Unexpired Lease of nonresidential real property under which any Debtor is the lessee that was not previously rejected (or subject to a motion to reject) or designated as rejected on the Schedule of Rejected Executory Contracts and Unexpired Leases absent consent of the applicable lessor; *provided further that*, with respect to any Unexpired Lease subject to a dispute regarding (1) the amount of the Cure Claim, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under such Unexpired Lease to be assumed, if required, or (3) any other matter pertaining to assumption, the Debtors may reject such Unexpired Lease within 30 days following entry of a Final Order of the Bankruptcy Court resolving such dispute.

B. Claims Based on Rejection of Executory Contracts or Unexpired Leases

Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be filed with the Bankruptcy Court or the Voting and Claims Agent and served on the Debtors or Reorganized Debtors, as applicable, by the later of (1) the applicable Claims Bar Date, and (2) thirty (30) calendar days after notice of such rejection is served on the applicable claimant. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be automatically Disallowed and

forever barred from assertion and shall not be enforceable against the Debtors or the Reorganized Debtors, the Estates, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, including any Claims against any Debtor listed on the Schedules as unliquidated, contingent, or disputed. Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as Other General Unsecured Claims and shall be treated in accordance with Article III of the Plan.

Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any cure amount has been fully paid or for which the cure amount is $0 pursuant to this Article VII, shall be deemed Disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

C. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

Any Cure Claims shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Claim in Cash on the Effective Date or as soon as reasonably practicable thereafter, with such Cure Claim being $0.00 if no amount is listed in the Cure Notice, subject to the limitations described below, or on such other terms as the party to such Executory Contract or Unexpired Lease may otherwise agree. In the event of a dispute regarding (1) the amount of the Cure Claim, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, if required, or (3) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall only be made following the entry of a Final Order or orders resolving the dispute and approving the assumption or by mutual agreement between the Debtors or the Reorganized Debtors, as applicable, and the applicable counterparty, with the reasonable consent of the Required Consenting BrandCo Lenders.

At least fourteen (14) calendar days before the Confirmation Hearing, the Debtors shall distribute, or cause to be distributed, Cure Notices and proposed amounts of Cure Claims to the applicable Executory Contract or Unexpired Lease counterparties. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or related cure amount must be Filed, served, and actually received by the Debtors at least seven (7) calendar days before the Confirmation Hearing. Any such objection to the assumption of an Executory Contract or Unexpired Lease shall be heard by the Bankruptcy Court on or before the Effective Date, unless a later date is agreed to between the Debtors or the Reorganized Debtors, on the one hand, and the counterparty to the Executory Contract or Unexpired Lease, on the other hand, or by order of the Bankruptcy Court; *provided*, *however*, that any such objection that is timely Filed by Broadstone Rev New Jersey, LLC or 540 Beautyrest Avenue, LLC shall be heard by the Bankruptcy Court on or before the Confirmation Date, unless a later date is agreed to between the Debtors or the Reorganized Debtors, on the one hand, and Broadstone Rev New Jersey, LLC or 540 Beautyrest Avenue, LLC, as applicable, on the other hand, or by order of the Bankruptcy

Court. Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or cure amount shall be deemed to have assented to such assumption and/or cure amount.

The Debtors or Reorganized Debtors, as applicable, reserve the right to reject any Executory Contract or Unexpired Lease in resolution of any cure disputes. Notwithstanding anything to the contrary herein, if at any time the Bankruptcy Court determines that the Allowed Cure Claim with respect to any Executory Contract or Unexpired Lease is greater than the amount set forth in the applicable Cure Notice, the Debtors or Reorganized Debtors, as applicable, will have the right, at such time, to add such Executory Contract or Unexpired Lease to the Schedule of Rejected Executory Contracts and Unexpired Leases, in which case such Executory Contract or Unexpired Lease shall be deemed rejected as the Effective Date.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims against any Debtor or defaults, whether monetary or nonmonetary, including defaults of provisions restricting a change in control or any bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the date that the Debtors or Reorganized Debtors assume such Executory Contract or Unexpired Lease; *provided* that nothing herein shall prevent the Reorganized Debtors from (1) paying any Cure Claim despite the failure of the relevant counterparty to File such request for payment of such Cure Claim or (2) settling any Cure Claim without any further notice to or action, order, or approval of the Bankruptcy Court, in each case in clauses (1) or (2), with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting 2020 B-2 Lenders. Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed and cured shall be deemed Disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

D. Pre-existing Obligations to the Debtors under Executory Contracts and Unexpired Leases

Notwithstanding any non-bankruptcy law to the contrary, the Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased, or services previously received, by the contracting Debtors from counterparties to rejected or repudiated Executory Contracts and Unexpired Leases. For the avoidance of doubt, the rejection of any Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under or in relation to such Executory Contracts and Unexpired Leases.

E. D&O Insurance

All of the Debtors' directors' and officers' liability insurance policies (including any "tail policies"), and any agreements, documents, or instruments relating thereto, are treated as and deemed to be Executory Contracts under the Plan. On the Effective Date, the Debtors shall be deemed to have assumed all such directors' and officers' liability insurance policies and any agreements, documents, and instruments related thereto. In addition, on and after the Effective

Date, none of the Reorganized Debtors shall terminate or otherwise reduce, limit or restrict the coverage under any of the directors' and officers' liability insurance policies with respect to conduct occurring prior thereto, and, subject to and in accordance with the terms and conditions of the directors' and officers' liability insurance policies, all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such directors' and officers' insurance policy (including any "tail policies") for the full term of such policy regardless of whether such directors and/or officers remain in such positions after the Effective Date. Notwithstanding anything to the contrary in Article X.D and Article X.E, all of the Debtors' current and former officers' and directors' rights as beneficiaries of such insurance policies, if any, are preserved to the extent set forth herein.

F. Insurance Obligations

Subject to Article VIII.L.3 of the Plan, and except as otherwise expressly provided in this provision or elsewhere in the Plan, the Reorganized Debtors shall honor all of the Debtors' obligations under the Debtors' insurance policies, including, for the avoidance of doubt, any policies where a Debtor is an insured or counterparty, and any agreements, documents, or instruments relating thereto; *provided* that none of the Debtors, their Estates, the Reorganized Debtors, each of their respective Affiliates, or any other Entity shall have any obligation now or in the future to pay, reimburse, or otherwise satisfy any applicable Hair Straightening Deductible or SIR Obligations that are due or become due (or otherwise would become due) in the future under the terms of any insurance policy; *provided further*, *that* for the avoidance of doubt, the Reorganized Debtors shall honor the Debtors' obligations in respect of any Hair Straightening Claims Defense Costs.

For the avoidance of doubt, except as set forth in Articles VII.F and VIII.L.3 of the Plan, all of the Debtors' insurance policies, including, for the avoidance of doubt, any policies where a Debtor is an insured or counterparty, and all rights and obligations of the Debtors thereunder will automatically become vested, unaltered, in the applicable Reorganized Debtors as of the Effective Date without necessity for further approvals or orders. Subject to Articles VII.F and VIII.L.3 of the Plan, nothing in the Plan shall alter, modify, amend, affect, impair, or prejudice the legal, equitable, or contractual rights, obligations, or defenses of the Debtors, the Reorganized Debtors, Zurich, Chubb, or any other individual or entity, as applicable, under (or affect the coverage, including any coverage for Hair Straightening Claims, under) the Debtors' insurance policies, including, for the avoidance of doubt, any policies where a Debtor is an insured or counterparty.

This Article VII.F shall not apply to any of the Debtors' directors' and officers' insurance policies, which are subject to Article VII.E of the Plan.

G. Special Provisions Regarding Zurich Insurance Contracts and Chubb Insurance Contracts

Notwithstanding anything to the contrary in the Definitive Documents, any Cure Notice, any bar date notice or claim objection, any documents related to any of the foregoing or any other order of the Bankruptcy Court (including, without limitation, any provision that purports

to be preemptory or supervening, grants an injunction, discharge or release, confers Bankruptcy Court jurisdiction or requires a party to opt out of any releases):

1. On the Effective Date, and subject to the compromise set forth in, and as modified by, subsection 6 of this Article VII.G of the Plan, each applicable Reorganized Debtor shall assume all Zurich Insurance Contracts and all Chubb Insurance Contracts which identify the applicable Debtor as an insured or as a counterparty thereto to the full extent of the relationship between the applicable Debtor and Zurich or the applicable Debtor and Chubb, pursuant to sections 105 and 365 of the Bankruptcy Code, and the entry of the Confirmation Order will constitute both approval of such assumption and a finding by the Bankruptcy Court that such assumption is in the best interests of the Estates;

2. Except as expressly set forth in Articles VII.F and VIII.L.3 of the Plan, on and after the Effective Date, the Reorganized Debtors shall become and remain liable in full for all of their and the Debtors' obligations under the Zurich Insurance Contracts and the Chubb Insurance Contracts in accordance with the terms thereof, regardless of when they arise, without the need or requirement for Zurich or Chubb to file or serve any Proof of Claim, Cure Claim, or a request, application, claim, proof or motion for payment or allowance of any Administrative Claim;

3. Except as expressly set forth in Articles VII.F and VIII.L.3 of the Plan, nothing alters, modifies, or otherwise amends the terms and conditions of the Zurich Insurance Contracts or the Chubb Insurance Contracts, any reinsurance agreements related thereto, and any rights and obligations (including, without limitation, any obligations or liabilities of any of the Debtors' Affiliates) and coverage thereunder shall be determined under the Zurich Insurance Contracts and the Chubb Insurance Contracts, as applicable, and applicable non-bankruptcy law as if the Chapter 11 Cases had not occurred;

4. Except as expressly set forth in Articles VII.F and VIII.L.3 of the Plan, nothing alters or modifies the duty, if any, of Zurich or Chubb to pay claims covered by the Zurich Insurance Contracts or the Chubb Insurance Contracts, as applicable, or Zurich's or Chubb's right to seek payment or reimbursement from the Debtors or the Reorganized Debtors or to draw on any collateral or security therefor in accordance with the terms of the Zurich Insurance Contracts or the Chubb Insurance Contracts, as applicable;

5. The automatic stay of Bankruptcy Code section 362(a) and the injunctions set forth in Article X.G of the Plan, if and to the extent applicable, shall be deemed lifted and/or modified without further order of the Bankruptcy Court, solely to permit: (i)(A) Holders of valid Workers' Compensation Claims to proceed with such Workers' Compensation Claims and (B) Holders of direct action claims against Zurich or Chubb under applicable non-bankruptcy law to proceed with such direct action claims; *provided* that the foregoing clause (i)(B) shall be without prejudice to any defenses that the Reorganized Debtors might assert to any claim asserted by Zurich or Chubb against the Reorganized Debtors arising from any payment by Zurich or Chubb on account of any such claim; and *provided, further,* that any recoveries or payments on account of such claims shall be in accordance with and subject to Articles VII.F and VIII.L.3 of the Plan; (ii) Zurich and Chubb to administer, handle, defend, settle, and/or pay, in the ordinary course of

business and without further order of this Bankruptcy Court, subject to Articles VII.F and VIII.L.3 of the Plan and the terms of the applicable Zurich Insurance Contracts or Chubb Insurance Contracts, (A) Workers' Compensation Claims, (B) Claims where the Holder asserts a direct claim against Zurich or Chubb under applicable non-bankruptcy law or an order has been entered by this Bankruptcy Court granting a claimant relief from the automatic stay or the injunctions set forth in Article X.G of the Plan to proceed with its claim, (C) Claims or Causes of Action by Hair Straightening Claimants seeking to recover amounts due under any insurance policy in excess of any applicable Hair Straightening Deductible or SIR Obligation on account of Hair Straightening Claims, and (D) all costs in relation to each of the foregoing; and (iii) Zurich or Chubb to take, in their sole discretion, other actions relating to, as applicable, the Zurich Insurance Contracts or the Chubb Insurance Contracts (including effectuating a setoff), to the extent permissible under applicable non-bankruptcy law, and in accordance with the terms of the Zurich Insurance Contracts or Chubb Insurance Contracts, as applicable, and subject to Articles VII.F and VIII.L.3 of the Plan; and

6. The terms set forth in Articles VII.F and VIII.L.3 of the Plan with respect to Hair Straightening Claims are compromises between (i) the Debtors and Zurich with respect to Zurich's potential objections to the Plan and treatment of Hair Straightening Deductible or SIR Obligations, and (ii) the Debtors and Chubb with respect to Chubb's potential objections to the Plan and treatment of Hair Straightening Deductible or SIR Obligations, and the Hair Straightening Claimants have consented or shall be deemed to consent to such compromises set forth in the foregoing clauses (i) and (ii), and any Zurich Insurance Contracts and Chubb Insurance Contracts that provide coverage for Hair Straightening Claims are modified solely as set forth in Articles VII.F and VIII.L.3 of the Plan; and for the avoidance of doubt, Zurich and Chubb shall not be deemed to release the Debtors, the Reorganized Debtors, and/or any of the Debtors' Affiliates of any obligations under the Zurich Insurance Contracts and the Chubb Insurance Contracts, as applicable, except as specifically set forth in Articles VII.F and VIII.L.3 of the Plan.

H. Indemnification Provisions

Except as otherwise provided in the Plan, on and as of the Effective Date, any of the Debtors' indemnification rights with respect to any contract or agreement that is the subject of or related to any litigation against the Debtors or Reorganized Debtors, as applicable, shall be assumed by the Reorganized Debtors and otherwise remain unaffected by the Chapter 11 Cases.

I. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan or by separate order of the Bankruptcy Court, each Executory Contract or Unexpired Lease that is assumed shall include (1) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affect such Executory Contract or Unexpired Lease, and (2) all Executory Contracts and Unexpired Leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated pursuant to an order of the Bankruptcy Court or under the Plan.

Except as otherwise provided by the Plan or by separate order of the Bankruptcy Court, modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases and actions taken in accordance therewith (1) shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims against any Debtor that may arise in connection therewith, (2) are not and do not create postpetition contracts or leases, (3) do not elevate to administrative expense priority any Claims of the counterparties to such Executory Contracts and Unexpired Leases against any of the Debtors, and (4) do not entitle any Entity to a Claim against any of the Debtors under any section of the Bankruptcy Code on account of the difference between the terms of any prepetition Executory Contracts or Unexpired Leases and subsequent modifications, amendments, supplements, or restatements.

J. Reservation of Rights

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Schedule of Rejected Executory Contracts and Unexpired Leases or any Cure Notice, nor anything contained in the Plan or the Plan Supplement, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If, prior to the Effective Date, there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors, or Reorganized Debtors, as applicable, shall have forty-five (45) calendar days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, including by rejecting such contract or lease *nunc pro tunc* to the Confirmation Date.

K. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

L. Contracts and Leases Entered Into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor or Reorganized Debtor liable thereunder in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) that had not been rejected as of the date of Confirmation will survive and remain obligations of the applicable Reorganized Debtor.

ARTICLE VIII.

PROVISIONS GOVERNING DISTRIBUTIONS

A. Timing and Calculation of Amounts to Be Distributed

Unless otherwise provided in the Plan, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes an Allowed Claim), each Holder of an Allowed Claim shall be entitled to receive the full amount of the distributions that the Plan provides for Allowed Claims in each applicable Class. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims (which will only be made if and when they become Allowed Claims) shall be made pursuant to the provisions set forth in Article IX of the Plan. Except as otherwise expressly provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. The Debtors shall have no obligation to recognize any transfer of Claims against any Debtor or privately held Interests occurring on or after the Distribution Record Date. Distributions to Holders of Claims or Interests related to public securities shall be made to such Holders in exchange for such securities, which shall be deemed canceled as of the Effective Date.

B. Distributions on Account of Obligations of Multiple Debtors

For all purposes associated with distributions under the Plan, each Class 9 General Unsecured Claim that has been asserted against multiple debtors will be treated as a single Claim and shall result in a single distribution under the Plan.

C. Disbursing Agent

Except as otherwise provided in the Plan, all distributions under the Plan shall be made by the Disbursing Agent on the Effective Date or as soon as reasonably practicable thereafter. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

D. Rights and Powers of Disbursing Agent

1. Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and out-of-pocket expenses incurred by the Disbursing Agent on or after the Effective Date

(including taxes other than any income taxes) and any reasonable compensation and out-of-pocket expense reimbursement claims (including reasonable and documented attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors; *provided* that all such expenses, compensation, and reimbursement claims of the GUC Administrator, the PI Claims Administrator, or the Unsecured Notes Indenture Trustee shall be paid from the GUC Trust/PI Fund Operating Reserve.

E. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Delivery of Distributions

(a) Delivery of Distributions to Holders of Allowed Credit Agreement Claims

Except as otherwise provided in the Plan, all distributions under the Plan on account of an Allowed FILO ABL Claim, OpCo Term Loan Claim, 2020 Term B-1 Loan Claim, or 2020 Term B-2 Loan Claim shall be made by the Reorganized Debtors or the Disbursing Agent, as applicable, to the Holder of record of such Allowed Claim as of the Distribution Record Date (as determined and maintained by the ABL Agent, 2016 Agent, or BrandCo Agent, as applicable) or as otherwise reasonably directed by such Holder to the Disbursing Agent. For the avoidance of doubt, to the extent permitted by the 2016 Credit Agreement, all distributions under the Plan on account of an Allowed 2016 Term Loan Claim (other than any Allowed 2016 Term Loan Claim held by a Released Party) shall be subject to, and shall not limit the ability of the 2016 Agent to offset, any 2016 Agent Surviving Indemnity Obligations.

(b) Delivery of Distributions to Unsecured Notes Indenture Trustee

In the event that Class 8 votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, (i) distributions to be made to Holders of Allowed Unsecured Notes Claims shall be made to, or at the reasonable direction of, the Unsecured Notes Indenture Trustee, which shall transmit or direct the transmission of such distributions to Holders of Allowed Unsecured Notes Claims, subject to the priority and charging lien rights of the Unsecured Notes Indenture Trustee, in accordance with the Unsecured Notes Indenture and the Plan, (ii) the Unsecured Notes Indenture Trustee, subject to the payment of its fees and expenses to the extent set forth in the Plan, shall transfer or direct the transfer of such distributions through the facilities of DTC, and (iii) the Unsecured Notes Indenture Trustee shall be entitled to recognize and deal for all purposes under the Plan with Holders of the Unsecured Notes Claims to the extent consistent with the customary practices of DTC, and all distributions to be made to Holders of Unsecured Notes Claims shall be delivered to the Unsecured Notes Indenture Trustee in a form that is eligible to be distributed through the facilities of DTC. If Class 8 votes to reject the Plan or the Creditors' Committee Settlement Conditions are not satisfied, distributions in respect of the Consenting Unsecured Noteholder Recovery shall be made to each Holder of Unsecured Notes Claims that has voted to accept the Plan on account of such Claims and that otherwise qualifies as a Consenting Unsecured Noteholder according to the information provided on such Holder's ballot or the applicable master ballot, as applicable, in respect of such vote, and such distributions shall be made at the expense of the Debtors with the assistance of the Voting and Claims Agent and shall be subject to all charging lien and priority distribution rights of the Unsecured Notes Indenture

Trustee to the extent provided in the Unsecured Notes Indenture with respect to any unpaid fees and expenses as of the Effective Date.

(c) Delivery of Distributions in General

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims (other than Holders specified in Article VIII.E.1(a) or (b)) or Interests shall be made to Holders of record as of the Distribution Record Date by the Reorganized Debtors or the applicable Disbursing Agent: (i) to the signatory set forth on any of the Proofs of Claim Filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim is Filed or if the Debtors have been notified in writing of a change of address); (ii) at the addresses set forth in any written notices of address changes delivered to the Reorganized Debtors after the date of any related Proof of Claim; (iii) at the addresses reflected in the Schedules if no Proof of Claim has been Filed and the Reorganized Debtors have not received a written notice of a change of address; or (iv) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf. The Debtors and the Reorganized Debtors shall not incur any liability whatsoever on account of any distributions under the Plan, except in the event of gross negligence or willful misconduct, as determined by a Final Order of a court of competent jurisdiction. Subject to this Article VIII, distributions under the Plan on account of Allowed Claims shall not be subject to levy, garnishment, attachment, or like legal process, so that each Holder of an Allowed Claim shall have and receive the benefit of the distributions in the manner set forth in the Plan. The Debtors, the Reorganized Debtors, and the Disbursing Agents, as applicable, shall not incur any liability whatsoever on account of any distributions under the Plan, except in the event of actual fraud, gross negligence, or willful misconduct, as determined by a Final Order of a court of competent jurisdiction.

2. Record Date of Distributions

As of the close of business on the Distribution Record Date, the various transfer registers for each Class of Claims as maintained by the Debtors or their respective agents shall be deemed closed, and there shall be no further changes in the record Holders of any Claims. The Disbursing Agent shall have no obligation to recognize any transfer of Claims occurring on or after the Distribution Record Date. In addition, with respect to payment of any cure amounts or disputes over any cure amounts, neither the Debtors nor the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable Executory Contract or Unexpired Lease as of the Effective Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Cure Claim. For the avoidance of doubt, the Distribution Record Date shall not apply to distributions to Holders of Unsecured Notes Claims, the Holders of which shall receive distributions, if applicable, in accordance with Article VIII.E.1(b) of the Plan.

3. Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed to by the Reorganized Debtors, on the one hand, and the Holder of a Disputed Claim, on the other hand, or as set forth in a Final Order, no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all of the Disputed Claim has become an

Allowed Claim or has otherwise been resolved by settlement or Final Order; *provided* that, if the Reorganized Debtors do not dispute a portion of an amount asserted pursuant to an otherwise Disputed Claim, the Disbursing Agent may make a partial distribution on account of that portion of such Claim that is not Disputed at the time and in the manner that the Disbursing Agent makes distributions to similarly situated Holders of Allowed Claims pursuant to the Plan. Any dividends or other distributions arising from property distributed to Holders of Allowed Claims in a Class and paid to such Holders under the Plan shall also be paid, in the applicable amounts, to any Holder of a Disputed Claim in such Class that becomes an Allowed Claim after the date or dates that such dividends or other distributions were earlier paid to Holders of Allowed Claims in such Class.

4. Minimum Distributions

No partial distributions or payments of fractions of New Securities shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim or Interest, as applicable, would otherwise result in the issuance of a number of New Securities that is not a whole number, the actual distribution of New Securities shall be rounded as follows: (a) fractions of greater than one-half (1/2) shall be rounded to the next higher whole number and (b) fractions of one-half (1/2) or less than one-half (1/2) shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized shares of New Securities to be distributed pursuant to the Plan may (at the Debtors' discretion) be adjusted as necessary to account for the foregoing rounding.

Notwithstanding any other provision of the Plan, no Cash payment valued at less than $100.00, in the reasonable discretion of the Disbursing Agent and the Reorganized Debtors, shall be made to a Holder of an Allowed Claim on account of such Allowed Claim. Such Allowed Claims to which this limitation applies shall be discharged and its Holder forever barred from asserting that Claim against the Reorganized Debtors or their property.

5. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any Holder is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided*, *however*, that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six (6) months from the later of (a) the Effective Date and (b) the date of the distribution. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, state, or other jurisdiction escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder to such property or Interest in property shall be discharged and forever barred. The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any Holder of an Allowed Claim other than by reviewing the Debtors' books and records and the Bankruptcy Court's filings.

Checks issued on account of Allowed Claims shall be null and void if not negotiated within one hundred eighty (180) calendar days from and after the date of issuance thereof.

Requests for reissuance of any check must be made directly and in writing to the Disbursing Agent by the Holder of the relevant Allowed Claim within the 180-calendar day period. After such date, the relevant Allowed Claim (and any Claim for reissuance of the original check) shall be automatically discharged and forever barred, and such funds shall revert to the Reorganized Debtors (notwithstanding any applicable federal, provincial, state or other jurisdiction escheat, abandoned, or unclaimed property laws to the contrary).

A distribution shall be deemed unclaimed if a Holder has not: (a) accepted a particular distribution or, in the case of distributions made by check, negotiated such check; (b) given notice to the Reorganized Debtors of an intent to accept a particular distribution; (c) responded to the Debtors' or Reorganized Debtors' requests for information necessary to facilitate a particular distribution; or (d) taken any other action necessary to facilitate such distribution.

F. Manner of Payment

At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check, wire transfer, automated clearing house, or credit card, or as otherwise required or provided in applicable agreements.

G. Registration or Private Placement Exemption

The New Securities are or may be "securities," as defined in Section 2(a)(1) of the Securities Act, section 101 of the Bankruptcy Code, and applicable state securities laws.

1. Section 1145 of the Bankruptcy Code

Pursuant to section 1145 of the Bankruptcy Code, the offer, issuance, and distribution of the New Securities (other than the Reserved Shares or any Unsubscribed Shares, as described in Article VIII.G.2) by Reorganized Holdings as contemplated by the Plan (including the issuance of New Common Stock upon exercise of the Equity Subscription Rights and/or the New Warrants) is exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution or sale of securities. The New Securities issued by Reorganized Holdings pursuant to section 1145 of the Bankruptcy Code (1) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (2) are freely tradable and transferable by any initial recipient thereof that (a) is not an "affiliate" of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (b) has not been such an "affiliate" within ninety (90) calendar days of such transfer, (c) has not acquired the New Securities from an "affiliate" within one year of such transfer and (d) is not an entity that is an "underwriter" as defined in section 1145(b) of the Bankruptcy Code; *provided* that transfer of the New Securities may be restricted by the LLC Agreement, the other New Organizational Documents, the New Shareholders' Agreement, if any, and the New Warrant Agreement.

2. Section 4(a)(2) of the Securities Act

The offer (to the extent applicable), issuance, and distribution of the Reserved Shares and the Unsubscribed Shares shall be exempt (including with respect to an entity that is an "underwriter" as defined in subsection (b) of section 1145 of the Bankruptcy Code) from

registration under the Securities Act pursuant to Section 4(a)(2) thereof and/or Regulation D thereunder. Therefore, the Reserved Shares and the Unsubscribed Shares will be "restricted securities" subject to resale restrictions and may be resold, exchanged, assigned, or otherwise transferred only pursuant to registration or an applicable exemption from registration under the Securities Act and other applicable law. In that regard, each of the Equity Commitment Parties has made customary representations to the Debtors, including that each is an "accredited investor" (within the meaning of Rule 501(a) of the Securities Act) or a qualified institutional buyer (as defined under Rule 144A promulgated under the Securities Act).

3. DTC

Should the Reorganized Debtors elect on or after the Effective Date to reflect any ownership of the New Securities through the facilities of DTC, the Reorganized Debtors need not provide any further evidence other than the Plan or the Confirmation Order with respect to the treatment of transfers, exercise, removal of restrictions, or conversion of New Securities under applicable U.S. federal, state or local securities laws.

DTC shall be required to accept and conclusively rely upon the Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Securities are exempt from registration and/or eligible for DTC book-entry delivery, settlement and depository services. Each Entity that becomes a Holder of New Common Stock indirectly through the facilities of DTC will be deemed bound by the terms and conditions of the LLC Agreement and other applicable New Organizational Documents and shall be deemed to be a beneficial owner of New Common Stock subject to the terms and conditions of the LLC Agreement.

Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, DTC) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Common Stock or the New Warrants (or New Common Stock issued upon exercise of the New Warrants) are exempt from registration and/or eligible for DTC book-entry delivery, settlement and depository services.

H. Compliance with Tax Requirements

In connection with the Plan, to the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Reorganized Debtors and the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information, documentation, and certifications necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable or appropriate. All Persons holding Claims against any Debtor shall be required to provide any information necessary for the Reorganized Debtors to comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit. The Reorganized Debtors reserve the right to allocate any

distributions made under the Plan in compliance with applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

Notwithstanding any other provision of the Plan to the contrary, each Holder of an Allowed Claim shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit on account of such distribution.

I. No Postpetition or Default Interest on Claims

Unless otherwise specifically provided for in an order of the Bankruptcy Court, the Plan, the Final DIP Order, or the Confirmation Order, postpetition interest shall not accrue or be paid on any Claims and no holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any such Claim for purposes of distributions under the Plan.

J. Allocations

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to the remaining portion of such Allowed Claim, if any.

K. Setoffs and Recoupment

The Debtors or the Reorganized Debtors may, but shall not be required to, setoff against or recoup any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim, any claims, rights, and Causes of Action of any nature whatsoever that the Debtors or the Reorganized Debtors, as applicable, may have against the Holder of such Allowed Claim pursuant to the Bankruptcy Code or applicable nonbankruptcy law, to the extent that such claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (pursuant to the Plan or otherwise); *provided*, *however*, that the failure of the Debtors or the Reorganized Debtors, as applicable, to do so shall not constitute a waiver, abandonment or release by the Debtors or the Reorganized Debtors of any such Claim they may have against the Holder of such Claim.

Notwithstanding anything to the contrary in the Plan, nothing in the Plan shall modify the rights, if any, of Broadstone Rev New Jersey, LLC and 540 Beautyrest Avenue, LLC, solely to the extent that either such entity is a counterparty to any Unexpired Lease of nonresidential real property, to assert any right of setoff or recoupment that such party may have under applicable bankruptcy or non-bankruptcy law, subject to section 553 of the Bankruptcy Code and any other applicable bankruptcy law, including, but not limited to: (1) the ability, if any, of such parties to setoff or recoup a security deposit held pursuant to the terms of their Unexpired Lease with the Debtors, or any successors to the Debtors, under the Plan; (2) assertion of rights of setoff or recoupment, if any, in connection with Claims reconciliation; or (3) assertion of setoff or recoupment as a defense, if any, against any claim or action by the Debtors. The Debtors rights with respect thereto are expressly reserved.

L. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

The Debtors or the Reorganized Debtors, as applicable, shall reduce a Claim against any Debtor, and such Claim (or portion thereof) shall be Disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives a payment on account of such Claim from a party that is not a Debtor or a Reorganized Debtor, as applicable. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and also receives payment from a party that is not a Debtor or a Reorganized Debtor, as applicable, on account of such Claim, such Holder shall, within fourteen (14) days of receipt of such payment, repay or return the distribution to the applicable Reorganized Debtor to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy (other than a Talc Personal Injury Claim administered pursuant to the PI Claims Distribution Procedures). For the avoidance of doubt, the PI Claims Distribution Procedures and determination thereunder of the amount of and liability for any Talc Personal Injury Claims shall be for the sole purpose of distributing the recoveries provided by the Debtors to Class 9(a) under the Plan and for no other purpose. The insurers reserve all rights to defend and contest applicable causes of action or demands to the extent that they are brought against the insurers, or to the extent that such causes of action or demands seek recovery from the insurers. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim against any Debtor, then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided in the Plan, including this Article VIII.L.3, (a) payments to Holders of Claims covered by the Debtors' insurance policies shall be in accordance with the provisions of any applicable insurance policy, and (b) nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors, the Reorganized Debtors, or any Person (including any Holder of a Hair Straightening Claim) or Entity may hold against any other Entity, including insurers, under any policies of insurance. Except as expressly set forth in this Article VIII.L.3 or in Articles VII.F, VIII.L.2 or IX.A.6 of the Plan, nothing contained herein shall

constitute or be deemed a waiver by such insurers of any rights or defenses, including coverage defenses, held by such insurers.

Except with respect to the Debtors' directors' and officers' insurance policies, and notwithstanding any provisions to the contrary in any of the Debtors' insurance policies, the applicable insurers shall have no obligation to pay any amounts that are within any applicable and unexhausted deductibles or self-insured retentions on account of any Hair Straightening Claims (a "Hair Straightening Deductible or SIR Obligation") under any applicable insurance policy on account of Hair Straightening Claims that are discharged pursuant to the Plan and applicable law. Holders of Allowed Hair Straightening Claims shall have no right to receive, and shall be deemed to have waived any such right to receive, from any applicable insurer any amounts that are within a Hair Straightening Deductible or SIR Obligation of an insurance policy, and Holders of Allowed Hair Straightening Claims shall be subject to and receive distributions solely pursuant to Article III.C.12 of the Plan, if any, on account of such amounts within a Hair Straightening Deductible or SIR Obligation, which treatment shall satisfy and exhaust, in full, any obligation of the Debtors, their Estates, the Reorganized Debtors, their Affiliates, insurers, or any other obligor under the applicable policy or policies to pay, reimburse, or otherwise satisfy any Hair Straightening Deductible or SIR Obligation, regardless of the amount or availability of the distribution. No insurer shall have a Claim or other Cause of Action against the Debtors, their Estates, the Reorganized Debtors, their Affiliates, or any other Entity for any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs. Nothing herein shall in any way affect an insurance company's obligations under any insurance policy issued or providing coverage to the Debtors, their Estates, or the Reorganized Debtors to pay amounts due under any insurance policy, including amounts in excess of any applicable Hair Straightening Deductible or SIR Obligation; *provided* nothing herein will require any insurer to pay the amount of any judgment or settlement within an unpaid Hair Straightening Deductible or SIR Obligations. For the avoidance of doubt, the automatic stay and the injunctions in Article X.G of the Plan do not apply to Causes of Action by Hair Straightening Claimants seeking to recover amounts due under any insurance policy in excess of any applicable Hair Straightening Deductible or SIR Obligation on account of Hair Straightening Claims once they are fully and finally liquidated in accordance with Article IX.A.6 of the Plan. The applicable insurer will be entitled to reduce the amount payable to a Hair Straightening Claimant on account of any settlement or judgment entered with respect to a Hair Straightening Claim in full dollars for any Hair Straightening Deductible or SIR Obligations applicable to such Claim pursuant to the applicable insurance policy.

All insurers under the Debtors' insurance policies are permanently enjoined, from and after the Effective Date, from taking any of the following actions against the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entity, or any assets of the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entities, or any collateral or security provided by or on behalf of the Debtors, the Reorganized Debtors, any of their respective Affiliates, and/or any other Entities: (a) commencing or continuing in any manner any cause of action, lawsuit, or other proceeding of any kind seeking to recover any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection

with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (c) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (d) asserting any right of setoff, subrogation, contribution, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs.

For clarity, to preserve coverage under any Debtors' insurance policies, Holders of Hair Straightening Claims specifically reserve, and do not release, any claims they may have against the Debtors that implicate coverage under any of the Debtors' insurance policies, but recourse is limited to the proceeds of the Debtors' insurance policies in excess of any applicable Hair Straightening Deductible or SIR Obligations, and all other damages (including extra-contractual damages), awards, judgments in excess of policy limits, penalties, punitive damages, and attorney's fees and costs that may be recoverable from any of the Debtors (solely to the extent of distributions available under and in accordance with Article III.C.12 of the Plan, if any) or any of the Debtors' insurers consistent with the Plan.

For the avoidance of doubt, Holders of Hair Straightening Claims shall have no claims or recourse against the Debtors, the Reorganized Debtors, or any of their respective Affiliates, and the sole recovery on account of Hair Straightening Claims, if any, shall be from the Debtors' insurance policies, if permitted and in accordance with the terms of such policies and the Plan.

To the extent that it is determined by a Final Order that this Article VIII.L.3 does not apply to any insurance policy, the Reorganized Debtors shall not be deemed to have assumed such policy or policies and shall not be obligated to honor any obligations under such policy or policies pursuant to Article VII.F of the Plan. The foregoing sentence shall not apply to the Zurich Insurance Contracts or the Chubb Insurance Contracts, which are assumed pursuant to and in accordance with the terms of Article VII.G of the Plan.

M. Foreign Current Exchange Rate

As of the Effective Date, any Claim asserted in a currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate on the Petition Date, as quoted at 4:00 p.m. (prevailing Eastern time), midrange spot rate of exchange for the applicable currency as published in the Wall Street Journal, National Edition, on the day after the Petition Date.

ARTICLE IX.

PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. Resolution of Disputed Claims

1. Allowance of Claims

After the Effective Date, each of the Reorganized Debtors (and, with respect to the administration of General Unsecured Claims, the GUC Administrator or the PI Claims Administrator, as applicable) shall have and retain any and all rights and defenses such Debtor had with respect to any Claim immediately before the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim against any Debtor shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim. For the avoidance of doubt, all references in this Article IX to (a) the GUC Administrator shall apply only in the event the GUC Trust is created in accordance with the Plan and only with respect to Claims in Classes 9(b), (c), and (d), and (b) the PI Claims Administrator shall apply only in the event the PI Settlement Fund is created in accordance with the Plan and only with respect to Claims in Class 9(a).

2. Claims and Interests Administration Responsibilities

Except as otherwise specifically provided in the Plan and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, after the Effective Date, the Reorganized Debtors (or any authorized agent or assignee thereof), the GUC Administrator, and the PI Claims Administrator, as applicable, shall have the sole authority to: (a) File, withdraw, or litigate to judgment objections to Claims against any of the Debtors; (b) settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (c) administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor (and, solely with respect to the administration of General Unsecured Claims, the GUC Administrator or the PI Claims Administrator, as applicable) shall have and retain any and all rights and defenses that any Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest.

3. Estimation of Claims

Before or after the Effective Date, the Debtors or the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim against

any Debtor that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any Disputed, contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim; *provided*, *however*, that such limitation shall not apply to Claims against any of the Debtors requested by the Debtors to be estimated for voting purposes only.

Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before fourteen (14) calendar days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims against any of the Debtors may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

4. Adjustment to Claims Without Objection

Any duplicate Claim or Interest, any Claim against any Debtor that has been paid or satisfied, or any Claim against any Debtor that has been amended or superseded, canceled, or otherwise expunged (including pursuant to the Plan), may, in accordance with the Bankruptcy Code and Bankruptcy Rules, be adjusted or expunged (including on the Claims Register, to the extent applicable) by the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, without the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court. Additionally, any Claim or Interest that is duplicative or redundant with another Claim or Interest against the same Debtor may be adjusted or expunged on the Claims Register at the direction of the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, without the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

5. Time to File Objections to Claims

Any objections to Claims against any of the Debtors shall be Filed on or before the Claims Objection Deadline.

6. Liquidation of Hair Straightening Claims

Hair Straightening Claims evidenced by a Hair Straightening Proof of Claim shall be liquidated in the Hair Straightening MDL or, in the event that the Hair Straightening MDL has

been terminated, in the United States District Court for the Southern District of New York consistent with the applicable provisions of 28 U.S.C. §§ 157 and 1334.

The Plan shall constitute an objection to each Hair Straightening Claim. On or after the later of (a) the Effective Date and (b) the date of entry of an order in the MDL permitting potential plaintiffs to file complaints directly in the Hair Straightening MDL (the "MDL Direct Filing Order"), each Hair Straightening Claimant that has properly filed a Hair Straightening Proof of Claim shall file a complaint naming the applicable Debtor(s) in the Hair Straightening MDL or, if the Hair Straightening MDL has terminated or is otherwise the inapplicable forum for such action, in the United States District Court for the Southern District of New York consistent with the applicable provisions of 28 U.S.C. §§ 157 and 1334, for the purpose of liquidating such Hair Straightening Claim against the applicable Debtor(s) (any such action, a "Hair Straightening Liquidation Action"). All Hair Straightening Liquidation Actions must be commenced no later than the later of (a) September 14, 2023, (b) 90 days after entry of the MDL Direct Filing Order, and (c) solely with respect to a Hair Straightening Claimant who is diagnosed after the Hair Straightening Bar Date, six (6) months from the date of the applicable diagnosis by a licensed medical doctor. Any Hair Straightening Claim for which a Hair Straightening Liquidation Action is not timely commenced pursuant to the foregoing sentence shall be disallowed.

The injunction set forth in Article X.G of the Plan is modified solely for the purpose of allowing Hair Straightening Claimants that have properly filed a Hair Straightening Proof of Claim to file and pursue Hair Straightening Liquidation Actions against the applicable Debtor(s) in the Hair Straightening MDL or in the United States District Court for the Southern District of New York consistent with the applicable provisions of 28 U.S.C. §§ 157 and 1334, as applicable.

For the avoidance of doubt, a settlement or judgment, if any, in respect of a Hair Straightening Claim, including in respect of any Hair Straightening Liquidation Action, to the extent not paid by insurance, shall be treated as an Other General Unsecured Claim and receive a distribution pursuant to the Plan, including Article III of the Plan, shall constitute and remain a prepetition Claim discharged against the Reorganized Debtors and their assets, and shall not, in any event, be recoverable against the Reorganized Debtors or their assets.

For the avoidance of doubt, this Article IX.A.6 applies solely to Hair Straightening Claims for which a timely and properly filed Hair Straightening Proof of Claim has been filed.

B. Disallowance of Claims

Any Claims against any of the Debtors held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code, or that is a transferee of a transfer avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed Disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Reorganized Debtors. Subject in all respects to Article IV.P, all Proofs of Claims Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective

Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as provided herein or otherwise agreed to by the Debtors or the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, any and all Proofs of Claim filed after the applicable Claims Bar Date shall be deemed Disallowed and expunged as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless on or before the Confirmation Hearing such late Filed Claim has been deemed timely Filed by a Final Order.

C. Amendments to Proofs of Claim

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Proof of Claim or Interest may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, and any such new or amended Proof of Claim Filed shall be deemed Disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court; *provided*, *however*, that the foregoing shall not apply to Administrative Claims or Professional Compensation Claims.

D. No Distributions Pending Allowance

Notwithstanding anything to the contrary herein, if any portion of a Claim against any Debtor is Disputed, or if an objection to a Claim against any Debtor or portion thereof is Filed as set forth in this Article IX, no payment or distribution provided under the Plan shall be made on account of such Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

E. Distributions After Allowance

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Allowed Claim the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, less any previous distribution (if any) that was made on account of the undisputed portion of such Allowed Claim, without any interest, dividends, or accruals to be paid on account of such Allowed Claim unless required under applicable bankruptcy law.

F. No Interest

Unless otherwise expressly provided by section 506(b) of the Bankruptcy Code or as specifically provided for herein or by order of the Bankruptcy Court, postpetition interest shall not accrue or be paid on Claims against any of the Debtors, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim or right. Additionally, and

without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim; *provided*, *however*, that nothing in this Article IX.F shall limit any rights of any Governmental Unit to interest under sections 503, 506(b), 1129(a)(9)(A) or 1129(a)(9)(C) of the Bankruptcy Code or as otherwise provided for under applicable law.

ARTICLE X.

SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Compromise and Settlement of Claims, Interests, and Controversies

Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for, and as a requirement to receive, the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith global and integrated compromise and settlement (the "Plan Settlement") of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that any Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest, as well as any and all actual and potential disputes between and among the Company Entities (including, for clarity, between and among the BrandCo Entities, on the one hand, and the Non-BrandCo Entities on the other and including, with respect to each Debtor, such Debtors' Estate), the Creditors' Committee, the Consenting BrandCo Lenders, the Consenting 2016 Lenders, and each other Releasing Party and all other disputes that might impact creditor recoveries, including, without limitation, any and all issues relating to (1) the allocation of the economic burden of repayment of the ABL DIP Facility and Term DIP Facility and/or payment of adequate protection obligations provided pursuant to the Final DIP Order among the Debtors; (2) any and all disputes that might be raised impacting the allocation of value among the Debtors and their respective assets, including any and all disputes related to the Intercompany DIP Facility; and (3) any and all other Settled Claims, including the Financing Transactions Litigation Claims. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Plan Settlement as well as a finding by the Bankruptcy Court that the Plan Settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. The Plan Settlement is binding upon all creditors and all other parties in interest pursuant to section 1141(a) of the Bankruptcy Code. In accordance with the provisions of the Plan, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against, and Interests in, the Debtors and their Estates and Causes of Action against other Entities.

B. Discharge of Claims and Termination of Interests

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the Confirmation Order, or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims, Interests, and Causes of Action of any nature whatsoever, including

any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Plan. Any default or "event of default" by the Debtors or their Affiliates with respect to any Claim or Interest on account of the Filing of the Chapter 11 Cases or the Canadian Recognition Proceeding shall be deemed cured (and no longer continuing). The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring.

C. Release of Liens

Except as otherwise specifically provided in the Plan, or any other Definitive Document, on the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, settled, discharged, and compromised, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall revert to the Reorganized Debtors and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or filing being required to be made by the Debtors. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such mortgages, deeds of trust, Liens, pledges, or other security interests.

In addition, the ABL Agents, BrandCo Agent, 2016 Agent, ABL DIP Facility Agent, and Term DIP Facility Agent shall execute and deliver all documents reasonably requested by the Debtors, the Reorganized Debtors, or the Exit Facilities Agents, as applicable, to evidence the release of such mortgages, deeds of trust, Liens, pledges, and other security interests and shall authorize the Debtors or Reorganized Debtors to file UCC-3 termination statements or other jurisdiction equivalents (to the extent applicable) with respect thereto.

D. Releases by the Debtors

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, as of the Effective Date, each of the Released Parties is unconditionally, irrevocably, generally, individually, and collectively, released, acquitted, and discharged by the Debtors, the Reorganized Debtors, and each of their Estates from any and all Causes of Action, including any derivative Causes of Action asserted or assertable by or on behalf of a

Debtor, Reorganized Debtor, or any of their Estates, any Causes of Action that any Debtor, Reorganized Debtors, or any of their Estates would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against or Interest in a Debtor or other Entity, whether known or unknown, foreseen or unforeseen, asserted or unasserted, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise that the Debtors, the Reorganized Debtors, or their Estates (whether individually or collectively) ever had, now has, or thereafter can, shall, or may have, based on or relating to, or in any manner arising from, in whole or in part: (1) the Debtors, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Chapter 11 Cases, the Canadian Recognition Proceeding, the purchase, sale, or rescission of any security of the Debtors, the Plan Settlement, the Settled Claims, the formulation, preparation, dissemination, negotiation, or filing of the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (2) any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (3) the business or contractual arrangements between any Debtor and any Released Party, whether before or during the Debtors' restructuring, or the restructuring of Claims and Interests before or during the Chapter 11 Cases; (4) the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is affected by or classified in the Plan; (5) the filing of the Chapter 11 Cases or the Canadian Recognition Proceeding, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; (6) the Settled Claims; or (7) any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date arising from or relating to any of the foregoing, including, without limitation, the Unsecured Notes Indenture, the ABL Facility Credit Agreement, the 2016 Credit Agreement, or the BrandCo Credit Agreement, and all matters relating thereto.

Notwithstanding anything to the contrary in the foregoing, the releases set forth above shall not release (1) to the extent that any Causes of Action against the Debtors are not released or discharged pursuant to the Plan, any rights of the Debtors and the Reorganized Debtors to assert any and all counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims or other Causes of Action in response to such Causes of Action; *provided* that such counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims or other Causes of Action may not be asserted against any Related Party of the Debtors or the Reorganized Debtors to the extent such claims have been released or discharged pursuant to the Plan, (2) any Causes of Action set forth in the Schedule of Retained Causes of Action, including any Retained Preference Action, (3) any Cause of Action against any Excluded Party, (4) any commercial Cause of

Action arising in the ordinary course of business, such as accounts receivable and accounts payable on account of goods and services being performed, (5) any Cause of Action against a Holder of a Disputed Claim, to the extent such Cause of Action is necessary for the administration and resolution of such Claim solely in accordance with the Plan, or (6) any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring Transaction, any Definitive Document (including those set forth in the Plan Supplement), or other document, instrument, or agreement executed to implement the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) essential to the Confirmation of the Plan; (2) an exercise of the Debtors' business judgment; (3) in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (4) a good faith settlement and compromise of the Causes of Action released by the Debtor Release; (5) in the best interests of the Debtors and all Holders of Claims and Interests; (6) fair, equitable, and reasonable; (7) given and made after due notice and opportunity for hearing; and (8) a bar to any of the Debtors, the Reorganized Debtors, and the Estates asserting any Cause of Action released pursuant to the Debtor Release.

E. <u>Releases by the Releasing Parties</u>

As of the Effective Date, each of the Releasing Parties other than the Debtors is deemed to have expressly, absolutely, unconditionally, irrevocably, generally, individually, and collectively, released, acquitted, and discharged each of the Released Parties from any and all Causes of Action, including any derivative Causes of Action asserted or assertable by or on behalf of a Debtor, Reorganized Debtor, or any of their Estates, and any Causes of Action asserted or assertable by or on behalf of the Holder of any Claim or Interest or other Entity, whether known or unknown, foreseen or unforeseen, asserted or unasserted, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise that the Releasing Parties (whether individually or collectively) ever had, now have, or thereafter can, shall, or may have, based on or relating to, or in any manner arising from, in whole or in part: (1) the Debtors, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Chapter 11 Cases, the Canadian Recognition Proceeding, the purchase, sale, or rescission of any security of the Debtors, the BrandCo Entities, the Plan Settlement, the Settled Claims, the formulation, preparation, dissemination, negotiation, or filing of the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (2) any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (3) the

business or contractual arrangements between any Debtor and any Releasing Party, whether before or during the Debtors' restructuring, or the restructuring of Claims and Interests before or during the Chapter 11 Cases; (4) the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is affected by or classified in the Plan; (5) the filing of the Chapter 11 Cases or the Canadian Recognition Proceeding, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; (6) the Settled Claims; or (7) any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date arising from or relating to any of the foregoing, including, without limitation, the Unsecured Notes Indenture, the ABL Facility Credit Agreement, the 2016 Credit Agreement, or the BrandCo Credit Agreement, and all matters relating thereto.

Notwithstanding anything to the contrary in the foregoing, the releases set forth above shall not release, prejudice, limit, impact, or otherwise impair (1) to the extent that any Causes of Action against any Releasing Party are not released or discharged pursuant to the Plan, any rights of such Releasing Party to assert any and all counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims in response to such Causes of Action; *provided* that such counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims may not be asserted against the Debtors, the Reorganized Debtors, or any Related Party of the Debtors or the Reorganized Debtors to the extent such claims have been released or discharged pursuant to the Plan, (2) any Cause of Action against a Released Party (other than any Settled Claim or any Cause of Action against the Debtors, the Reorganized Debtors, or any Related Party of the Debtors or the Reorganized Debtors) unknown to such Releasing Party as of the Effective Date arising out of actual fraud, gross negligence, or willful misconduct of such Released Party, (3) any Cause of Action against any Excluded Party, or (4) any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring Transaction, or any Definitive Document (including those set forth in the Plan Supplement), or other document, instrument, or agreement executed to implement the Plan. For the avoidance of doubt, nothing in the Plan shall, or shall be deemed to, alter, amend, release, discharge, limit, or otherwise impair the 2016 Agent Surviving Indemnity Obligations as between and among the 2016 Agent, on the one hand, and any Holders of the 2016 Term Loan Claims (other than any Released Party) on the other hand. For the avoidance of doubt, any 2016 Agent Surviving Indemnity Obligations against a Released Party are expressly released pursuant to the Plan. As used in this Article X.E, "Related Party" means, in each case in its capacity as such, (a) such Debtor's or Reorganized Debtor's current and former predecessors, successors, subsidiaries, direct and indirect equityholders, funds, portfolio companies, and management companies, and (b) the current and former directors, officers, managers, members, principals, partners, employees, independent contractors, agents, representatives, managed accounts or funds, management companies, fund advisors, investment advisors, advisory board members, financial advisors, partners (including both general and limited partners), consultants, financial advisors, attorneys, accountants, investment bankers, and other professionals of the entities set forth in the foregoing clause (a).

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) essential to the Confirmation of the Plan; (2) given in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (3) a good faith settlement and compromise of the Causes of Action released by the Third-Party Release; (4) in the best interests of the Debtors and their Estates; (5) fair, equitable, and reasonable; (6) given and made after due notice and opportunity for hearing; and (7) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

F. <u>Exculpation</u>

Except as otherwise specifically provided in the Plan or the Confirmation Order, no Exculpated Party shall have or incur any liability to any person or Entity for, and each Exculpated Party is hereby released and exculpated from, any Cause of Action related to any act or omission in connection with, relating to, or arising out of, the Debtors' restructuring efforts, the Chapter 11 Cases, preparation for the Chapter 11 Cases, the filing of the Chapter 11 Cases, the Canadian Recognition Proceeding, the Settled Claims, the formulation, preparation, dissemination, negotiation, filing, or termination of the Restructuring Support Agreement and related transactions, the Disclosure Statement, the Plan (including any term sheets related thereto), the Plan Supplement, the DIP Facilities, the Equity Rights Offering, the Backstop Commitment Agreement, the Exit Facilities, or any Restructuring Transaction, contract, instrument, release, or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with any of the foregoing, the funding of the Plan, the occurrence of the Effective Date, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the Definitive Documents, the issuance of securities pursuant to the Plan, the issuance of the New Common Stock, and the New Warrants pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, gross negligence, or willful misconduct; *provided* that the foregoing shall not be deemed to release, affect, or limit any post-Effective Date rights or obligations of the Exculpated Parties under the Plan, the Exit Facilities, any Restructuring Transaction, or any Definitive Document (including those set forth in the Plan Supplement), or other document, instrument, or agreement executed to implement the Plan.

The Exculpated Parties have, and upon Consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of consideration pursuant to, the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

Nothing in the Plan shall limit the liability of attorneys to their respective clients pursuant to Rule 1.8(h) of the New York Rules of Professional Conduct.

G. Injunction

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities that have held, hold, or may hold claims or interests that have been released pursuant to Article X.D or Article X.E of the Plan or discharged pursuant to Article X.B of the Plan, or are subject to exculpation pursuant to Article X.F of the Plan, shall be permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such claims or interests; (3) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such claims or interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such claims or interests unless such Entity has, on or before the Effective Date, asserted such setoff right in a document filed with the Bankruptcy Court explicitly preserving such setoff, and notwithstanding an indication of a claim or interest or otherwise that such Entity asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests released or settled pursuant to the Plan.

H. Term of Injunctions or Stays

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order), shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

I. Recoupment

In no event shall any Holder of a Claim be entitled to recoup such Claim against any Claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors on or before the Confirmation Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

J. Protection Against Discriminatory Treatment

In accordance with section 525 of the Bankruptcy Code, and consistent with paragraph 2 of Article VI of the United States Constitution, all Entities, including Governmental Units, shall not discriminate against any Reorganized Debtor, or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors, or another Entity with whom the Reorganized Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

K. Direct Action Claims

Subject to Articles VII.F and VIII.L.3 of the Plan, nothing contained in the Plan shall impair or otherwise affect the right, if any, of a Holder of a Claim, under applicable non-bankruptcy law, to assert direct claims solely against the Debtors' insurers. Except as explicitly set forth in Articles VII.G.5, IX.A.6, and VIII.L.3 of the Plan, nothing in the Plan grants the Holder of any Claim relief from the automatic stay of Bankruptcy Code section 362(a) or the injunction set forth in Article X.G of the Plan.

L. Qualified Pension Plans

Nothing in the Chapter 11 Cases, the Disclosure Statement, the Plan, the Confirmation Order, or any other document filed in the Chapter 11 Cases shall be construed to discharge, release, limit, or relieve any individual from any claim by the PBGC or the Qualified Pension Plans for breach of any fiduciary duty under ERISA, including prohibited transactions, with respect to the Qualified Pension Plans, subject to any and all applicable rights and defenses of such parties, which are expressly preserved. PBGC and the Qualified Pension Plans shall not be enjoined or precluded from enforcing such fiduciary duty or related liability by any of the provisions of the Disclosure Statement, Plan, Confirmation Order, Bankruptcy Code, or other document filed in the Chapter 11 Cases. For the avoidance of doubt, the Reorganized Debtors shall not be released from any liability or obligation under ERISA, the IRC, and any other applicable law relating to the Qualified Pension Plans.

M. Regulatory Activities

Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan, or Confirmation Order, no provision shall (1) preclude the SEC or any other Governmental Unit from enforcing its police or regulatory powers or (2) enjoin, limit, impair, or delay the SEC from commencing or continuing any claims, causes of action, proceedings, or investigations against any non-Debtor person or non-Debtor entity in any forum.

ARTICLE XI.

CONDITIONS PRECEDENT TO CONSUMMATION OF THE PLAN

A. Conditions Precedent to the Effective Date

It is a condition to the Effective Date of the Plan that the following conditions shall have been satisfied or waived pursuant to the provisions of Article XI.B:

1. Confirmation and all conditions precedent thereto shall have occurred;

2. The Bankruptcy Court shall have entered the Confirmation Order and the Backstop Order, which shall be Final Orders and in form and substance acceptable to the Debtors and the Required Consenting BrandCo Lenders and, in the case of the Confirmation Order, acceptable to the Creditors' Committee and the Required Consenting 2016 Lenders, solely to the extent required under the Restructuring Support Agreement;

3. The Debtors shall have obtained all authorizations, consents, regulatory approvals, or rulings that are necessary to implement and effectuate the Plan;

4. The final version of the Plan, including all schedules, supplements, and exhibits thereto, including in the Plan Supplement (including all documents contained therein), shall be in form and substance acceptable to the Debtors and the Required Consenting BrandCo Lenders (except to the extent that specific consent rights are set forth in the Restructuring Support Agreement with respect to certain Definitive Documents, which shall be subject instead to such consent rights), and reasonably acceptable to the Creditors' Committee and the Required Consenting 2016 Lenders solely to the extent required under the Restructuring Support Agreement, and consistent with the Restructuring Support Agreement, including any consent rights contained therein;

5. All Definitive Documents shall have been (or shall, contemporaneously with the occurrence of the Effective Date, be) executed and in full force and effect, and shall be in form and substance consistent with the Restructuring Support Agreement, including any consent rights contained therein, and all conditions precedent contained in the Definitive Documents shall have been satisfied or waived in accordance with the terms thereof, except with respect to such conditions that by their terms shall be satisfied substantially contemporaneously with or after Consummation of the Plan;

6. No Termination Notice or Breach Notice as to the Debtors shall have been delivered by the Required Consenting BrandCo Lenders under the Restructuring Support Agreement in accordance with the terms thereof, no substantially similar notices shall have been sent under the Backstop Commitment Agreement, and neither the Restructuring Support Agreement nor the Backstop Commitment Agreement shall have otherwise been terminated;

7. Adversary Case Number 22-01134 shall have been resolved in a form and manner satisfactory to the Debtors and the Required Consenting BrandCo Lenders and Adversary Case Number 22-01167 shall have been (or shall, concurrently with the occurrence of the Effective Date, be) dismissed in its entirety with prejudice;

8. All professional fees and expenses of retained professionals that require the Bankruptcy Court's approval shall have been paid in full or amounts sufficient to pay such fees and expenses after the Effective Date shall have been placed in the Professional Fee Escrow in accordance with Article II.B pending the Bankruptcy Court's approval of such fees and expenses;

9. All Restructuring Expenses incurred and invoiced as of the Effective Date shall have been paid in full in Cash;

10. The Restructuring Transactions shall have been (or shall, contemporaneously with the occurrence of the Effective Date, be) implemented in a manner consistent in all material respects with the Plan and the Restructuring Support Agreement;

11. The Enhanced Cash Incentive Program and the Global Bonus Program shall be in form and substance acceptable to the Debtors and the Required Consenting BrandCo Lenders; and

12. The Debtors or the Reorganized Debtors, as applicable, shall have obtained directors' and officers' insurance policies and entered into indemnification agreements or similar arrangements for the Reorganized Holdings Board, which shall be, in each case, effective on or by the Effective Date.

B. Waiver of Conditions

The conditions to Consummation set forth in Article XI.A may be waived by the Debtors, the Required Consenting BrandCo Lenders, and, to the extent required under the Restructuring Support Agreement, the Creditors' Committee and the Required Consenting 2016 Lenders (except with respect to Article XI.A.12, which may be waived by the Debtors in their sole discretion), and, with respect to conditions related to the Professional Fee Escrow, the beneficiaries of the Professional Fee Escrow, without notice, leave or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan. The failure of the Debtors to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each such right shall be deemed an ongoing right, which may be asserted at any time.

C. Effect of Failure of Conditions

If Consummation of the Plan does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims, Causes of Action, or Interests; (2) prejudice in any manner the rights of such Debtor, any Holder, any Person, or any other Entity; or (3) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor, any Holder, any Person, or any other Entity.

ARTICLE XII.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Modification and Amendments

Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 (as well as those restrictions on modifications set forth in the Plan and the Restructuring Support Agreement), the Debtors reserve the right, with the consent of the Required Consenting BrandCo Lenders, and, solely to the extent required under the Restructuring Support Agreement, the Creditors' Committee and the Required Consenting 2016 Lenders, to modify the Plan (including the Plan Supplement), without additional disclosure pursuant to section 1125 of the Bankruptcy Code prior to the Confirmation Date and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not resolicit votes on such modified Plan. After the Confirmation Date and before substantial consummation of the Plan, the Debtors may initiate proceedings in the Bankruptcy Court pursuant to section 1127(b) of the Bankruptcy Code to remedy any defect or omission or reconcile any inconsistencies in the Plan, the Plan Supplement, the Disclosure Statement, or the Confirmation Order, relating to such matters as may be necessary to carry out the purposes and intent of the Plan; *provided* that each of the foregoing shall not violate the Restructuring Support Agreement.

After the Confirmation Date, but before the Effective Date, the Debtors, with the consent (not to be unreasonably withheld, conditioned, or delayed) of the Required Consenting BrandCo Lenders, and, solely to the extent required under the Restructuring Support Agreement, the Creditors' Committee and the Required Consenting 2016 Lenders, and subject to the applicable provisions of the Restructuring Support Agreement, may make appropriate technical adjustments and modifications to the Plan (including the Plan Supplement) without further order or approval of the Bankruptcy Court; *provided* that such adjustments and modifications do not materially and adversely affect the treatment of Holders of Claims or Interests.

B. Effect of Confirmation on Modifications

Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of Plan

The Debtors reserve the right to revoke or withdraw the Plan before the Confirmation Date and to file subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan, or if Confirmation or Consummation does not occur, then, absent further order of the Bankruptcy Court: (1) the Plan shall be null and void in all respects; (2) any settlement or compromise not previously approved by Final Order of the Bankruptcy Court embodied in the Plan (including the fixing or limiting to an amount certain of the Claims or Interests or Classes of Claims or Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void; and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any

Claims or Interests; (b) prejudice in any manner the rights of such Debtor, any Holder, any Person, or any other Entity; or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor, any Holder, any Person, or any other Entity. For the avoidance of doubt, the foregoing sentence shall not be construed to limit or modify the rights of the Creditors' Committee or the Consenting BrandCo Lenders pursuant to Section 6 of the Restructuring Support Agreement.

ARTICLE XIII.

RETENTION OF JURISDICTION

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, on and after the Effective Date, except as set forth in the Plan, the Bankruptcy Court shall retain exclusive jurisdiction, to the fullest extent permissible under law, over all matters arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, including jurisdiction to:

1. allow, disallow, determine, liquidate, classify, estimate, or establish the priority, Secured or unsecured status, or amount of any Claim or Interest, including the resolution of any request for payment of any Administrative Claim and the resolution of any and all objections to the Secured or unsecured status, priority, amount, or allowance of Claims or Interests, including but not limited to Talc Personal Injury Claims pursuant to the PI Claims Distribution Procedures;

4. grant any consensual request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code;

5. ensure that distributions to Holders of Allowed Claims and Interests are accomplished pursuant to the provisions of the Plan;

11. hear and resolve any cases, controversies, suits, disputes, or Causes of Action with respect to the settlements, compromises, discharges, releases, injunctions, exculpations, and other provisions contained in Article X and enter such orders as may be necessary or appropriate to implement such releases, injunctions, and other provisions;

12. resolve any cases, controversies, suits, disputes, or Causes of Action with respect to the repayment or return of distributions and the recovery of additional amounts owed by the Holder of a Claim for amounts not timely repaid pursuant to Article VIII.L.1;

15. adjudicate any and all disputes arising from or relating to distributions under the Plan or any transactions contemplated therein;

Nothing herein limits the jurisdiction of the Bankruptcy Court to interpret and enforce the Plan and all contracts, instruments, releases, indentures, and other agreements or documents created in connection with the Plan, the Plan Supplement, or the Disclosure Statement, without regard to whether the controversy with respect to which such interpretation or enforcement relates may be pending in any state or other federal court of competent jurisdiction.

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under, or related to the Chapter 11 Cases, including the matters set forth in this Article XIII, the provisions of this Article XIII shall have no effect on and shall not control, limit, or prohibit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

Unless otherwise specifically provided herein or in a prior order of the Bankruptcy Court, the Bankruptcy Court shall have exclusive jurisdiction to hear and determine disputes concerning Claims against the Debtors that arose prior to the Effective Date.

ARTICLE XIV.

MEANS FOR IMPLEMENTATION OF THE PLAN

A. Sources of Consideration for Plan Distributions

The Reorganized Debtors shall fund distributions under the Plan, as applicable with: (1) the Exit Facilities; (2) the issuance and distribution of New Common Stock; (3) the Equity Rights Offering; (4) the issuance and distribution of New Warrants; and (5) Cash on hand.

Each distribution and issuance referred to in Article III of the Plan shall be governed by the terms and conditions set forth herein applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance; *provided* that, to the extent that a term of the Plan conflicts with the term of any such instruments or other documents, the terms of the Plan shall govern.

1. The Exit Facilities

On the Effective Date, the Reorganized Debtors or their non-Debtor Affiliates, as applicable, shall enter into the applicable Exit Facilities Documents for (a) either (i) the First Lien Exit Facilities, consisting of the Take-Back Facility and the Incremental New Money Facility, or (ii) the Third-Party New Money Exit Facility, (b) the Exit ABL Facility, (c) the Exit FILO Facility, and (d) unless otherwise agreed to by the Debtors and the Required Consenting BrandCo Lenders, the New Foreign Facility. All Holders of Class 5 2020 Term B-1 Loan Claims shall be deemed to be a party to, and bound by, the First Lien Exit Facilities Documents, regardless of whether such Holder has executed a signature page thereto. Confirmation of the Plan shall be deemed approval of the Exit Facilities and the Exit Facilities Documents, all transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, and authorization of the Reorganized Debtors to enter into, execute, and deliver the Exit Facilities Documents and such other documents as may be required to effectuate the treatment afforded by the Exit Facilities. On the Effective Date, all of the Liens and security interests to be granted by the Reorganized Debtors in accordance with the Exit

Facilities Documents (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Exit Facilities Documents, (c) shall be deemed perfected on the Effective Date without the need for the taking of any further filing, recordation, approval, consent, or other action, and (d) shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make all filings and recordings, and to obtain all governmental approvals and consents, and to take any other actions necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order and any such filings, recordings, approvals, and consents shall not be required), and the Reorganized Debtors shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

2. Issuance and Distribution of New Common Stock

On the Effective Date, the shares of New Common Stock shall be issued by Reorganized Holdings as provided for in the Description of Transaction Steps pursuant to, and in accordance with, the Plan and the Equity Rights Offering Documents. All Holders of New Common Stock (whether issued and distributed hereunder, pursuant to the Equity Rights Offering Documents, or otherwise, and in each case, whether such New Common Stock is held directly or indirectly through the facilities of DTC) shall be deemed to be a party to, and bound by, the LLC Agreement and the other applicable New Organizational Documents, in accordance with their terms, without the requirement to execute a signature page thereto.

All of the New Common Stock (including the New Common Stock issued in connection with the Equity Rights Offering (including, for the avoidance of doubt, any New Common Stock issued pursuant to the Backstop Commitment Agreement) and/or upon the exercise of the New Warrants) issued pursuant to the Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance of New Common Stock under the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the New Organizational Documents and other instruments evidencing or relating to such distribution or issuance, including the Equity Rights Offering Documents, as applicable, which terms and conditions shall bind each Entity receiving such distribution or issuance. For the avoidance of doubt, the acceptance of New Common Stock by any Holder of any Claim or Interest or any other Entity shall be deemed as such Holder's or Entity's agreement to the applicable New Organizational Documents, as may be amended or modified from time to time following the Effective Date in accordance with their terms.

To the extent practicable, as determined in good faith by the Debtors and the Required Consenting BrandCo Lenders, the Reorganized Debtors shall: (a) emerge from these Chapter 11 Cases as non-publicly reporting companies on the Effective Date and not be subject to

SEC reporting requirements under Sections 12 or 15 of the Exchange Act, or otherwise; (b) not be voluntarily subjected to any reporting requirements promulgated by the SEC; except, in each case, as otherwise may be required pursuant to the New Organizational Documents, the Exit Facilities Documents or applicable law; (c) not be required to list the New Common Stock on a U.S. stock exchange; (d) timely file or otherwise provide all required filings and documentation to allow for the termination and/or suspension of registration with respect to SEC reporting requirements under the Exchange Act prior to the Effective Date; and (e) make good faith efforts to ensure DTC eligibility of securities issued in connection with the Plan (other than any securities required by the terms of any agreement to be held on the books of an agent and not in DTC), including but not limited to the New Warrants.

3. Equity Rights Offering

The Debtors shall distribute the Equity Subscription Rights to the Equity Rights Offering Participants as set forth in the Plan, the Backstop Commitment Agreement, and the Equity Rights Offering Procedures. Pursuant to the Backstop Commitment Agreement and the Equity Rights Offering Procedures, the Equity Rights Offering shall be open to all Equity Rights Offering Participants. Equity Rights Offering Participants shall be entitled to participate in the Equity Rights Offering up to a maximum amount of each Eligible Holder's Pro Rata share of the Aggregate Rights Offering Amount (or, if applicable, the Adjusted Aggregate Rights Offering Amount). Equity Rights Offering Participants shall have the right to purchase their allocated shares of New Common Stock at the ERO Price Per Share.

The Equity Rights Offering will be backstopped, severally and not jointly, by the Equity Commitment Parties pursuant to the Backstop Commitment Agreement. 30% of the New Common Stock to be sold and issued pursuant to the Equity Rights Offering shall be reserved for the Equity Commitment Parties (the "Reserved Shares") pursuant to the Backstop Commitment Agreement, at the ERO Price Per Share.

Equity Subscription Rights that an Equity Rights Offering Participant has validly elected to exercise shall be deemed issued and exercised on or about (but in no event after) the Effective Date. Upon exercise of the Equity Subscription Rights pursuant to the terms of the Backstop Commitment Agreement and the Equity Rights Offering Procedures, Reorganized Holdings shall be authorized to issue the New Common Stock issuable pursuant to such exercise.

Pursuant to the Backstop Commitment Agreement, if after following the procedures set forth in the Equity Rights Offering Procedures, there remain any unexercised Equity Subscription Rights, the Equity Commitment Parties shall purchase, severally and not jointly, their applicable portion of the New Common Stock associated with such unexercised Equity Subscription Rights in accordance with the terms and conditions set forth in the Backstop Commitment Agreement, at the ERO Price Per Share. As consideration for the undertakings of the Equity Commitment Parties in the Backstop Commitment Agreement, the Reorganized Debtors will pay the Backstop Commitment Premium to the Equity Commitment Parties on the Effective Date in accordance with the terms and conditions set forth in the Backstop Commitment Agreement.

All shares of New Common Stock issued upon exercise of the Equity Commitment Parties' own Equity Subscription Rights and in connection with the Backstop Commitment Premium will be issued in reliance upon Section 1145 of the Bankruptcy Code to the extent permitted under applicable law. The Reserved Shares and the shares of New Common Stock that are not subscribed for by holders of Equity Subscription Rights in the Equity Rights Offering and that are purchased by the Equity Commitment Parties in accordance with their backstop obligations under the Backstop Commitment Agreement (the "Unsubscribed Shares") will be issued in a private placement exempt from registration under Section 5 of the Securities Act pursuant to Section 4(a)(2) and/or Regulation D thereunder and will constitute "restricted securities" for purposes of the Securities Act. In the Backstop Commitment Agreement, the Equity Commitment Parties will be required to make representations and warranties as to their sophistication and suitability to participate in the private placement.

Entry of the Confirmation Order shall constitute Bankruptcy Court approval of the Equity Rights Offering (including the transactions contemplated thereby, and all actions to be undertaken, undertakings to be made, and obligations to be incurred by Reorganized Holdings in connection therewith). On the Effective Date, as provided in the Description of Transaction Steps, the rights and obligations of the Debtors under the Backstop Commitment Agreement shall vest in the Reorganized Debtors, as applicable.

At the Aggregate Rights Offering Amount, the shares of New Common Stock offered pursuant to the Equity Rights Offering (for the avoidance of doubt, not including any shares of New Common Stock issued in connection with the Backstop Commitment Premium) will represent approximately 60.6% of the New Common Stock outstanding on the Effective Date (subject to a downward ratable adjustment to account for the difference (if any) between the Aggregate Rights Offering Amount and the Adjusted Aggregate Right Offerings Amount), subject to dilution by the issuance of shares of New Common Stock (a) reserved for the MIP Awards and (b) on account of the exercise of the New Warrants.

On the Effective Date (or earlier in the case of termination of the Backstop Commitment Agreement), the Backstop Commitment Premium (which shall be an administrative expense) shall be distributed or paid to the Equity Commitment Parties under and as set forth in the Backstop Commitment Agreement and the Backstop Order. The shares of New Common Stock issued in satisfaction of the Backstop Commitment Premium will represent approximately 7.6% of the New Common Stock outstanding on the Effective Date, subject to dilution by the issuance of shares of New Common Stock (a) reserved for the MIP Awards and (b) on account of the exercise of the New Warrants.

Each holder of Equity Subscription Rights that receives New Common Stock as a result of exercising the relevant Equity Subscription Rights shall be subject to the provisions applicable to such holders of New Common Stock as set forth in Article IV.A.2 of the Plan.

The Cash proceeds of the Equity Rights Offering shall be used by the Debtors or Reorganized Debtors, as applicable, to (a) make distributions pursuant to the Plan, (b) fund working capital, and (c) fund general corporate purposes.

4. Issuance and Distribution of New Warrants

To the extent all or any portion of the New Warrants are required to be issued pursuant to the Plan, Reorganized Holdings shall issue such New Warrants on the Effective Date in accordance with the New Warrant Agreement and distribute them in accordance with the Plan. The Debtors, the Required Consenting BrandCo Lenders, and the Creditors' Committee shall work in good faith to render such New Warrants DTC eligible. All of the New Common Stock issued upon exercise of the New Warrants issued pursuant to the Plan shall, when so issued and upon payment of the exercise price in accordance with the terms of the New Warrants, be duly authorized, validly issued, fully paid, and non-assessable.

5. General Unsecured Creditor Recovery

For the avoidance of doubt, (a) if the GUC Trust is established in accordance with the Plan, the GUC Administrator shall have the sole power and authority to pursue the Retained Preference Actions in the capacity as trustee of the GUC Trust and as agent for and on behalf of the PI Settlement Fund and (b) in the event that any, but not all, of Classes 9(a), (b), (c), or (d) votes to reject the Plan, (i) the GUC Administrator shall receive the Retained Preference Action Net Proceeds for the account of each such Class that votes to accept the Plan in the amount allocable to each such Class, and shall make distributions therefrom (and/or, in the case of Class 9(a), shall transfer or cause to be transferred to the PI Settlement Fund for distribution) ratably to Holders of Claims in each such Class and (ii) the Reorganized Debtors shall receive the Retained Preference Action Net Proceeds in the amount allocable to each such Class that votes to reject the Plan. 6. Cash on Hand

The Debtors or Reorganized Debtors, as applicable, shall use Cash on hand, if any, to fund distributions to certain Holders of Claims. All Excess Liquidity will be applied in accordance with the First Lien Exit Facilities Term Sheet; provided that, in the event the Reorganized Debtors enter into the Third-Party New Money Exit Facility, (a) all Excess Liquidity will be applied to reduce the Aggregate Rights Offering Amount, and (b) for the avoidance of doubt, the Debt Commitment Premium shall be paid in Cash as an Administrative Claim and "Excess Liquidity" will be calculated after giving effect to the payment thereof.

B. Restructuring Transactions

On or, with the consent of the Required Consenting BrandCo Lenders, before the Effective Date, the applicable Debtors or the Reorganized Debtors shall enter into any transactions and shall take any actions as may be necessary or appropriate to effectuate the Restructuring Transactions, including to establish Reorganized Holdings and, if applicable, to transfer assets of the Debtors to Reorganized Holdings or a subsidiary thereof. For the avoidance of doubt, nothing in this Plan shall, or shall be deemed to, alter, amend, discharge, limit, or otherwise impair the 2016 Agent Surviving Indemnity Obligations on or after the Effective Date, and any such obligation (whenever arising) survives Confirmation, Consummation, and the occurrence of the Effective Date, in each case in accordance with and subject to the terms and conditions of the 2016 Credit Agreement and regardless of the discharge and release of all Claims of the 2016 Agent against the Debtors or the Reorganized Debtors.

Pursuant to section 1123(a)(6) of the Bankruptcy Code, the New Organizational Documents will prohibit the issuance of non-voting equity securities of Reorganized Holdings. After the Effective Date, the Reorganized Debtors may amend and restate their respective New Organizational Documents or otherwise restructure their legal Entity forms, without supervision or approval by the Bankruptcy Court and in accordance with applicable non-bankruptcy law.

The New Organizational Documents shall provide for the following minority protections (which shall not be subject to amendment other than with the consent of holders of at least two-thirds of the then-issued and outstanding shares of New Common Stock and as to which the New Organizational Documents will provide equivalent rights to all equivalent sized holders of New Common Stock): (1) annual audited and quarterly financial statements by Reorganized Holdings, as well as a quarterly management call, including a Q&A; (2) no transfer restrictions other than restrictions on transfers to competitors, customary drag-along and tag-along rights (in connection with a transfer of a majority of the then-outstanding New Common Stock), and other customary transfer restrictions (including restrictions on transfers that are not in compliance with applicable law or would require Reorganized Holdings to register securities or to register as an "investment company"), but in any event will not include any right of first refusal or right of first offer; and (3) customary pro rata preemptive rights in connection with equity issuances for cash (subject to customary carve outs) for accredited investor holders of New Common Stock above a specified threshold (which threshold shall be determined to provide such preemptive rights to approximately ten (10) holders as of the Effective Date).

For the avoidance of doubt, the foregoing shall not (1) limit, diminish, or otherwise alter the Reorganized Debtors' defenses, claims, Causes of Action, or other rights with respect to the Employment Obligations, or (2) impair the rights of the Debtors or Reorganized Debtors, as applicable, to implement the Management Incentive Plan in accordance with its terms and conditions and to determine the Employment Obligations of the Reorganized Debtors in accordance with their applicable terms and conditions on or after the Effective Date, in each case consistent with the Plan.

On the Effective Date, the Debtors shall assume all collective bargaining agreements.

Except as set forth in in this Article IV.L, the KEIP and KERP programs shall terminate effective as of the Effective Date (or such later date as agreed to between the Debtors and the Required Consenting BrandCo Lenders) and any clawback rights provided for under the KEIP or the KERP shall be released except as set forth in the Schedule of Retained Causes of Action.

M. Effectuating Documents; Further Transactions

On, before, or after (as applicable) the Effective Date, the Reorganized Debtors, the officers of the Reorganized Debtors, and members of the New Boards are authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, the Restructuring Transactions, the New Organizational Documents, the Exit Facilities Documents, and the securities issued pursuant to the Plan, including the New Securities, and any and all other agreements, documents, securities, filings, and instruments relating to the foregoing in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorization, or consents except those expressly required pursuant to the Plan. The authorizations and approvals

contemplated by this Article IV shall be effective notwithstanding any requirements under non-bankruptcy law.

N. Management Incentive Plan

By no later than January 1, 2024, the Reorganized Holdings Board shall implement the Management Incentive Plan that provides for the issuance of options and/or other equity-based compensation to the management and directors of the Reorganized Debtors in accordance with the Plan.

7.5% of the New Common Stock, on a fully diluted basis, shall be reserved for issuance under the Management Incentive Plan. The participants in the Management Incentive Plan, the allocations and form of the options and other equity-based compensation to such participants (including the amount of the allocations and the timing of the grant of the options and other equity-based compensation), and the terms and conditions of such options and other equity-based compensation (including vesting, exercise prices, base values, hurdles, forfeiture, repurchase rights, and transferability) shall be determined by the Reorganized Holdings Board; *provided* that one-half of the MIP Equity Pool shall be awarded to participants under the Management Incentive Plan upon implementation no later than January 1, 2024.

O. Exemption from Certain Taxes and Fees

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property pursuant to the Plan shall not be subject to any stamp tax, document recording tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, personal property transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment in the United States, or any state or political subdivision thereof. The Confirmation Order shall direct and be deemed to direct the appropriate federal, state, or local governmental officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation instruments or other documents pursuant to such transfers of property without the payment of any such tax or governmental assessment. Such exemption specifically applies, without limitation, to (1) the creation, modification, consolidation, or recording of any mortgage, deed of trust, Lien, or other security interest, or the securing of indebtedness by such means or other means, (2) the making or assignment of any lease or sublease, (3) any Restructuring Transaction authorized by the Plan, and (4) the making or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with the Plan, including: (a) any merger agreements; (b) agreements of consolidation, restructuring, disposition, liquidation, or dissolution; (c) deeds; (d) bills of sale; (e) assignments executed in connection with any Restructuring Transaction occurring under the Plan; or (f) any of the other Definitive Documents.

P. Indemnification Provisions

On and as of the Effective Date, consistent with applicable law, the Indemnification Provisions in place as of the Effective Date (whether in the bylaws, certificates of incorporation or formation, limited liability company agreements, other organized documents, board resolutions,

indemnification agreements, employment contracts, or otherwise) for current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable, shall be assumed by the Reorganized Debtors (and any such Indemnification Provisions in place as to any Debtors that are to be liquidated under the Plan shall be assigned to and assumed by an applicable Reorganized Debtor), deemed irrevocable, and will remain in full force and effect and survive the effectiveness of the Plan unimpaired and unaffected, and each of the Reorganized Debtors' New Organizational Documents will provide for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, employees, agents, managers, attorneys, and other professionals, at least to the same extent as such documents of each of the respective Debtors on the Petition Date but in no event greater than as permitted by law, against any Causes of Action. None of the Reorganized Debtors shall amend and/or restate its respective New Organizational Documents, on or after the Effective Date to terminate, reduce, discharge, impair or adversely affect in any way (1) any of the Reorganized Debtors' obligations referred to in the immediately preceding sentence or (2) the rights of such current and former directors, officers, employees, agents, managers, attorneys, and other professionals.

Q. Preservation of Causes of Action

In accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, any and all Retained Causes of Action (except, if the GUC Trust is established in accordance with the Plan, the GUC Trust may enforce all rights to commence and pursue Retained Preference Actions), whether arising before or after the Petition Date, including but not limited to any actions specifically enumerated in the Plan Supplement, and the Reorganized Debtors' rights to commence, prosecute, or settle such Retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. If the GUC Trust is established in accordance with the Plan, the GUC Trust (on its own behalf and, if the PI Settlement Fund is established in accordance with the Plan, as agent for the PI Settlement Fund) shall retain and may enforce all rights to commence and pursue any Retained Preference Actions, and the GUC Trust's rights to commence, prosecute, or settle such Retained Preference Actions shall be preserved notwithstanding the occurrence of the Effective Date. For the avoidance of doubt, the preservation of Retained Causes of Action described in the preceding sentence includes, but is not limited to, the Reorganized Debtors' retention of the Debtors' rights to (1) object to Administrative Claims, (2) object to other Claims, and (3) subordinate Claims, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article X of the Plan, which shall be deemed released and waived by the Debtors and Reorganized Debtors as of the Effective Date.

The Reorganized Debtors may pursue such Retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors, in their respective discretion. The GUC Trust, if established, may pursue Retained Preference Actions and objections to General Unsecured Claims in accordance with the best interests of the GUC Trust and the PI Settlement Fund. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors (or, with respect to Retained Preference Actions, the GUC Trust) will not pursue any and all available Retained Causes**

of Action. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Retained Causes of Action against any Entity. The GUC Trust expressly reserves all rights to prosecute any and all Retained Preference Actions in accordance with the Plan. The Reorganized Debtors and, solely with respect to Retained Preference Actions and the allowance or disallowance of General Unsecured Claims, the GUC Trust, as applicable, expressly reserve all and shall retain the applicable Retained Causes of Action, for later adjudication or settlement, and, therefore no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Retained Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The applicable Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all Retained Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Retained Causes of Action except as otherwise expressly provided in the Plan and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

R. GUC Trust and PI Settlement Fund

On the Effective Date, solely in the event that any Class of General Unsecured Claims votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the GUC Trust shall be established in accordance with the GUC Trust Agreement. The GUC Trust Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement.

On the Effective Date, solely in the event that Class 9(a) votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the PI Settlement Fund shall be established in accordance with the terms of the PI Settlement Fund Agreement and the Plan. The PI Settlement Fund Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement.

On the Effective Date, or with respect to the GUC Settlement Top Up Amount and any increase to the GUC Trust/PI Fund Operating Reserve, after the Effective Date, in accordance with the Plan, the GUC Trust Assets shall vest in the GUC Trust and the PI Settlement Fund Assets shall vest in the PI Settlement Fund, as applicable, free and clear of all Claims, Interests, liens, and other encumbrances. For the avoidance of doubt, any portion of the GUC Settlement Total Amount allocable to any Class of General Unsecured Claims that votes to reject the Plan shall be retained by the Reorganized Debtors. Additional assets may vest in the GUC Trust and the PI Settlement Fund from time to time after the Effective Date in the event that an additional GUC Settlement Top Up Amount becomes due, or in the event that additional assets are added to the GUC Trust/PI Fund Operating Reserve pursuant to the Plan.

The GUC Trust or PI Settlement Fund, as applicable, shall have the sole power and authority to: (1) receive and hold the GUC Trust Assets and the PI Settlement Fund Assets, as the case may be; (2) except with respect to Hair Straightening Claims, administer, dispute, object to,

compromise, or otherwise resolve all General Unsecured Claims in any Class of General Unsecured Claims that votes to accept the Plan; *provided* that the Debtors, with the consent (not to be unreasonably withheld, conditioned, or delayed) of the Required Consenting BrandCo Lenders and in consultation with the Creditors' Committee, or the Reorganized Debtors, in consultation with the GUC Administrator or PI Claims Administrator, as applicable, may elect to administer, dispute, object to, compromise, or otherwise resolve any such Claim (other than a Talc Personal Injury Claim administered pursuant to the PI Claims Distribution Procedures); (3) make distributions in accordance with the Plan to Holders of Allowed General Unsecured Claims in any Class that votes to accept the Plan; and (4) in the case of the GUC Trust only, on its own behalf and acting as agent for the PI Settlement Fund, commence and pursue the Retained Preference Actions, and manage and administer any proceeds thereof in accordance with the Plan. The Debtors or the Reorganized Debtors, as applicable, shall have the sole power and authority to administer, dispute, object to, compromise, or otherwise resolve all Hair Straightening Claims; *provided*, *that*, for the avoidance of doubt, the GUC Trust shall pay, pursuant to Article III.C.12 of the Plan, any Allowed Hair Straightening Claims that are liquidated in accordance with Article IX.A.6 of the Plan and the GUC Trust Agreement and the sole recovery from the Estates on account of Hair Straightening Claims shall be from the GUC Trust in accordance with Article III.C.12 of the Plan and the GUC Trust Agreement.

The GUC Administrator, the PI Claims Administrator, and their respective counsel shall be selected by the Creditors' Committee and disclosed in the Plan Supplement prior to commencement of the Confirmation Hearing. The identity of the GUC Administrator, the PI Claims Administrator, and their respective counsel, and the terms of their compensation shall be reasonably acceptable to the Debtors and the Required Consenting BrandCo Lenders. In furtherance of and consistent with the purpose of the GUC Trust or PI Settlement Fund, as applicable, and the Plan, the GUC Administrator and/or PI Claims Administrator, as applicable, shall: (1) have the power and authority to perform all functions on behalf of the GUC Trust or PI Settlement Fund, as applicable; (2) undertake, with the cooperation of the Reorganized Debtors, all administrative responsibilities that are provided in the Plan and the GUC Trust Agreement or PI Settlement Fund Agreement, as applicable, including filing the applicable operating reports and administering the closure of the Chapter 11 Cases, which reports shall be delivered to the Reorganized Debtors; (3) be responsible for all decisions and duties with respect to the GUC Trust or PI Settlement Fund, as applicable, and the GUC Trust Assets and the PI Settlement Fund Assets, as applicable; (4) allocate the GUC Trust/PI Fund Operating Reserve between the GUC Trust and the PI Settlement Fund, and administer such funds in accordance with the terms of the Plan, the GUC Trust Agreement, and the PI Settlement Fund Agreement; and (5) in all circumstances and at all times, act in a fiduciary capacity for the benefit and in the best interests of the beneficiaries of the GUC Trust or PI Settlement Fund Agreement, as applicable, in furtherance of the purpose of the GUC Trust and PI Settlement Fund Agreement and in accordance with the Plan and the GUC Trust Agreement or PI Settlement Fund Agreement, as applicable.

All expenses (including taxes) of the PI Settlement Fund shall be GUC Trust/PI Fund Operating Expenses and shall be payable solely from the GUC Trust/PI Fund Operating Reserve.

S. Restructuring Expenses

The Restructuring Expenses incurred, or estimated to be incurred, up to and including the Effective Date shall be paid in full in Cash on the Effective Date (to the extent not previously paid during the course of the Chapter 11 Cases on the dates on which such amounts would be required to be paid under the Term DIP Credit Agreement, the DIP Orders, or the Restructuring Support Agreement) without the requirement to file a fee application with the Bankruptcy Court, without the need for time detail, and without any requirement for review or approval by the Bankruptcy Court or any other party. All Restructuring Expenses to be paid on the Effective Date shall be estimated prior to and as of the Effective Date and such estimates shall be delivered to the Debtors at least two (2) Business Days before the anticipated Effective Date; *provided* that such estimates shall not be considered to be admissions or limitations with respect to such Restructuring Expenses. In addition, the Debtors and the Reorganized Debtors (as applicable) shall continue to pay, when due, pre- and post-Effective Date Restructuring Expenses, whether incurred before, on or after the Effective Date.

ARTICLE V.

THE GUC TRUST

A. Establishment of the GUC Trust

On the Effective Date, solely in the event that any Class of General Unsecured Claims votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the GUC Trust shall be established in accordance with the terms of the GUC Trust Agreement and the Plan. The GUC Trust Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement.

The GUC Trust shall be established to liquidate the GUC Trust Assets and make distributions in accordance with the Plan, Confirmation Order, and GUC Trust Agreement, and in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the GUC Trust. The GUC Trust shall be structured to qualify as a "liquidating trust" within the meaning of Treasury Regulations Section 301.7701-4(d) and in compliance with Revenue Procedure 94-45, and thus, as a "grantor trust" within the meaning of Sections 671 through 679 of the Tax Code. Accordingly, the GUC Trust Beneficiaries shall be treated for U.S. federal income tax purposes (1) as direct recipients of undivided interests in the GUC Trust Assets (other than to the extent the GUC Trust Assets are allocable to Disputed Claims) and as having immediately contributed such assets to the GUC Trust, and (2) thereafter, as the grantors and deemed owners of the GUC Trust and thus, the direct owners of an undivided interest in the GUC Trust Assets (other than such GUC Trust Assets that are allocable to Disputed Claims).

B. The GUC Administrator

The identity of the GUC Administrator shall be disclosed in the Plan Supplement prior to entry of the Confirmation Order on the docket of the Chapter 11 Cases.

C. Certain Tax Matters

The GUC Administrator shall file tax returns for the GUC Trust as a grantor trust pursuant to Treasury Regulations Section 1.671-4(a) and in accordance with the Plan. The GUC Trust's items of taxable income, gain, loss, deduction, and/or credit (other than such items is respect of any assets allocable to, or retained on account of, Disputed Claims) will be allocated to each holder in accordance with their relative ownership of GUC Trust Interests.

As soon as possible after the Effective Date, the GUC Administrator shall make a good faith valuation of the GUC Trust Assets and such valuation shall be used consistently by all parties for all U.S. federal income tax purposes.

The GUC Administrator may request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the GUC Trust for all taxable periods through the dissolution thereof. Nothing in this Article V.C shall be deemed to determine, expand, or contract the jurisdiction of the Bankruptcy Court under section 505 of the Bankruptcy Code.

The GUC Administrator (1) may timely elect to treat any GUC Trust Assets allocable to Disputed Claims as a "disputed ownership fund" governed by Treasury Regulations Section 1.468B-9, and (2) to the extent permitted by applicable law, shall report consistently for state and local income tax purposes. If a "disputed ownership fund" election is made, all parties (including the GUC Administrator and the holders of GUC Trust Interests) shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing. The GUC Administrator shall file all income tax returns with respect to any income attributable to a "disputed ownership fund" and shall pay the U.S. federal, state, and local income taxes attributable to such disputed ownership fund based on the items of income, deduction, credit, or loss allocable thereto. The Reorganized Debtors and the GUC Administrator shall cooperate to ensure that any distributions made in respect of Claims that are in the nature of compensation for services (including the Non-Qualified Pension Claims) ("Wage Distributions") are processed through appropriate payroll processing systems or arrangements and are subject to appropriate payroll tax withholding and reporting, and that any applicable payroll taxes associated therewith are properly remitted to taxing authorities. The Reorganized Debtors and the GUC Trust shall, if so requested by the GUC Trust, cooperate in good faith to agree to such procedures so as to permit such Wage Distributions to be processed through the Reorganized Debtors' payroll processing systems (which may, for the avoidance of doubt, be administered by a third party). The employer portion of any payroll taxes applicable to Wage Distributions shall be solely borne by the Reorganized Debtors; neither the GUC Trust nor the GUC Trust/PI Fund Operating Reserve shall bear any liability for the employer portion of any payroll taxes applicable to Wage Distributions.

ARTICLE VI.

PI SETTLEMENT FUND

A. Establishment of the PI Settlement Fund

On the Effective Date, solely in the event that Class 9(a) votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the PI Settlement Fund shall be established in accordance with the terms of the PI Settlement Fund Agreement and the Plan. The PI Settlement Fund Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement. The PI Settlement Fund shall be established to make distributions to Holders of Talc Personal Injury Claims in accordance with the PI Claims Distribution Procedures and the Plan. All expenses (including taxes) incurred by the PI Settlement Fund shall be recorded on the books and records (and reported on all applicable tax returns) as expenses of the PI Settlement Fund; *provided however that*, the PI Settlement Fund shall remit all invoices or other documentation with respect to such expenses for payment to the GUC Administrator and the GUC Administrator shall timely make such payments on behalf of the PI Settlement Fund solely from the GUC Trust/PI Fund Operating Reserve.

The Bankruptcy Court shall have continuing jurisdiction over the PI Settlement Fund.

B. The PI Claims Distribution Procedures

The PI Claims Distribution Procedures shall be established solely to implement the Plan and Plan Settlement. Nothing in the PI Claims Distribution Procedures or any other Definitive Document is intended to be, nor shall it be construed as, an admission by the Debtors or any other Entity as to any Talc Personal Injury Claim, nor shall any Definitive Document, including the PI Claims Distribution Procedures, or any component thereof be admissible as evidence of, or have any *res judicata*, collateral estoppel, or other preclusive or precedential effect regarding, (i) any alleged asbestos contamination in any product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors, the Reorganized Debtors, or any other Entity or for which the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity otherwise have legal responsibility, or (ii) any liability of the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity or the amount of any alleged liability, in respect of any personal injury actually or allegedly caused by any talc-containing allegedly asbestos-contaminated product manufactured, sold, supplied, produced, distributed, released, advertised, or marketed by the Debtors, the Reorganized Debtors, or any other Entity or for which the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity otherwise have legal responsibility. Likewise, no decision of the PI Claims Administrator or the TAC (as defined in the PI Settlement Fund Agreement) to approve or make any distribution upon any Talc Personal Injury Claim shall be admissible as evidence of, or have any *res judicata*, collateral estoppel, or other preclusive or precedential effect regarding, liability to be imposed against the Debtors, the Reorganized Debtors, their Affiliates, or any other Entity, including, without limitation, any insurer, other than the PI Settlement Fund. The Confirmation Order shall constitute findings and orders with regard to this Article VI.B. For the avoidance of doubt, the PI Claims Distribution Procedures and determination thereunder of the amount of and liability for any Talc

Personal Injury Claims shall be for the sole purpose of distributing the recoveries provided by the Debtors to Class 9(a) under the Plan and for no other purpose. The insurers reserve all rights to defend and contest applicable causes of action or demands to the extent that they are brought against the insurers, or to the extent that such causes of action or demands seek recovery from the insurers.

C. The PI Claims Administrator

The identity of the PI Claims Administrator shall be disclosed in the Plan Supplement prior to entry of the Confirmation Order on the docket of the Chapter 11 Cases.

D. Certain Tax Matters

The PI Settlement Fund is intended to be treated, and shall be reported, as a "qualified settlement fund" for U.S. federal income tax purposes and shall be treated consistently for state and local tax purposes to the extent applicable. The PI Claims Administrator shall be the "administrator" of the PI Settlement Fund within the meaning of Treasury Regulations section 1.468B-2(k)(3).

The PI Claims Administrator shall be responsible for filing all tax returns of the PI Settlement Fund and the payment, out of the assets of PI Settlement Fund, of any taxes due by or imposed on the PI Settlement Fund.

The PI Claims Administrator may request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the PI Settlement Fund for all taxable periods through the dissolution thereof. Nothing in this Article VI.D shall be deemed to determine, expand or contract the jurisdiction of the Bankruptcy Court under section 505 of the Bankruptcy Code.

ARTICLE VII.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption and Rejection of Executory Contracts and Unexpired Leases

Except as otherwise provided herein, all Executory Contracts or Unexpired Leases will be deemed assumed as of the Effective Date, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those Executory Contracts or Unexpired Leases that: (1) previously were assumed or rejected by the Debtors; (2) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; or (3) are the subject of a motion to reject such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such rejection is on or after the Effective Date. The assumption or rejection of all executory contracts and unexpired leases in the Chapter 11 Cases or in the Plan shall be determined by the Debtors, with the consent of the Required Consenting BrandCo Lenders. Entry of the Confirmation Order by the Bankruptcy Court shall constitute approval of such assumptions, assumptions and assignments, and the rejection of the Executory Contracts or Unexpired Leases listed on the Schedule of Rejected Executory Contracts and Unexpired Leases pursuant to sections 365(a) and

1123 of the Bankruptcy Code. Any motions to reject Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order. Each Executory Contract and Unexpired Lease assumed pursuant to this Article VII.A or by any order of the Bankruptcy Court, which has not been assigned to a third party prior to the Confirmation Date or such later date as provided in this Article VII.A, shall revest in and be fully enforceable by the Debtors or the Reorganized Debtors, as applicable, in accordance with such Executory Contract and/or Unexpired Lease's terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any "change of control" (whether direct or indirect) or "anti-assignment" provision, or similar provision implicated by a conversion of the form of entity of the Debtors or their Affiliates), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other rights, including default-related rights, due to the conversion of the form of entity of, as applicable, the Debtors or their Affiliates thereto. Notwithstanding anything to the contrary in the Plan, the Debtors or the Reorganized Debtors, as applicable, shall have the right to alter, amend, modify, or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases, including by way of adding or removing a particular Executory Contract or Unexpired Lease from the Schedule of Rejected Executory Contracts and Unexpired Leases, at any time through and including sixty (60) Business Days after the Effective Date; *provided that*, after the Confirmation Date, the Debtors may not subsequently reject any Unexpired Lease of nonresidential real property under which any Debtor is the lessee that was not previously rejected (or subject to a motion to reject) or designated as rejected on the Schedule of Rejected Executory Contracts and Unexpired Leases absent consent of the applicable lessor; *provided further that*, with respect to any Unexpired Lease subject to a dispute regarding (1) the amount of the Cure Claim, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under such Unexpired Lease to be assumed, if required, or (3) any other matter pertaining to assumption, the Debtors may reject such Unexpired Lease within 30 days following entry of a Final Order of the Bankruptcy Court resolving such dispute.

B. Claims Based on Rejection of Executory Contracts or Unexpired Leases

Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be filed with the Bankruptcy Court or the Voting and Claims Agent and served on the Debtors or Reorganized Debtors, as applicable, by the later of (1) the applicable Claims Bar Date, and (2) thirty (30) calendar days after notice of such rejection is served on the applicable claimant. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be automatically Disallowed and forever barred from assertion and shall not be enforceable against the Debtors or the Reorganized Debtors, the Estates, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or

approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, including any Claims against any Debtor listed on the Schedules as unliquidated, contingent, or disputed. Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as Other General Unsecured Claims and shall be treated in accordance with Article III of the Plan.

Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any cure amount has been fully paid or for which the cure amount is $0 pursuant to this Article VII, shall be deemed Disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

C. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

Any Cure Claims shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Claim in Cash on the Effective Date or as soon as reasonably practicable thereafter, with such Cure Claim being $0.00 if no amount is listed in the Cure Notice, subject to the limitations described below, or on such other terms as the party to such Executory Contract or Unexpired Lease may otherwise agree. In the event of a dispute regarding (1) the amount of the Cure Claim, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, if required, or (3) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall only be made following the entry of a Final Order or orders resolving the dispute and approving the assumption or by mutual agreement between the Debtors or the Reorganized Debtors, as applicable, and the applicable counterparty, with the reasonable consent of the Required Consenting BrandCo Lenders.

At least fourteen (14) calendar days before the Confirmation Hearing, the Debtors shall distribute, or cause to be distributed, Cure Notices and proposed amounts of Cure Claims to the applicable Executory Contract or Unexpired Lease counterparties. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or related cure amount must be Filed, served, and actually received by the Debtors at least seven (7) calendar days before the Confirmation Hearing. Any such objection to the assumption of an Executory Contract or Unexpired Lease shall be heard by the Bankruptcy Court on or before the Effective Date, unless a later date is agreed to between the Debtors or the Reorganized Debtors, on the one hand, and the counterparty to the Executory Contract or Unexpired Lease, on the other hand, or by order of the Bankruptcy Court; *provided*, *however*, that any such objection that is timely Filed by Broadstone Rev New Jersey, LLC or 540 Beautyrest Avenue, LLC shall be heard by the Bankruptcy Court on or before the Confirmation Date, unless a later date is agreed to between the Debtors or the Reorganized Debtors, on the one hand, and Broadstone Rev New Jersey, LLC or 540 Beautyrest Avenue, LLC, as applicable, on the other hand, or by order of the Bankruptcy Court. Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or cure amount shall be deemed to have assented to such assumption and/or cure amount.

The Debtors or Reorganized Debtors, as applicable, reserve the right to reject any Executory Contract or Unexpired Lease in resolution of any cure disputes. Notwithstanding anything to the contrary herein, if at any time the Bankruptcy Court determines that the Allowed Cure Claim with respect to any Executory Contract or Unexpired Lease is greater than the amount set forth in the applicable Cure Notice, the Debtors or Reorganized Debtors, as applicable, will have the right, at such time, to add such Executory Contract or Unexpired Lease to the Schedule of Rejected Executory Contracts and Unexpired Leases, in which case such Executory Contract or Unexpired Lease shall be deemed rejected as the Effective Date.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims against any Debtor or defaults, whether monetary or nonmonetary, including defaults of provisions restricting a change in control or any bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the date that the Debtors or Reorganized Debtors assume such Executory Contract or Unexpired Lease; *provided* that nothing herein shall prevent the Reorganized Debtors from (1) paying any Cure Claim despite the failure of the relevant counterparty to File such request for payment of such Cure Claim or (2) settling any Cure Claim without any further notice to or action, order, or approval of the Bankruptcy Court, in each case in clauses (1) or (2), with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting 2020 B-2 Lenders. Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed and cured shall be deemed Disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

D. Pre-existing Obligations to the Debtors under Executory Contracts and Unexpired Leases

Notwithstanding any non-bankruptcy law to the contrary, the Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased, or services previously received, by the contracting Debtors from counterparties to rejected or repudiated Executory Contracts and Unexpired Leases. For the avoidance of doubt, the rejection of any Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under or in relation to such Executory Contracts and Unexpired Leases.

E. D&O Insurance

All of the Debtors' directors' and officers' liability insurance policies (including any "tail policies"), and any agreements, documents, or instruments relating thereto, are treated as and deemed to be Executory Contracts under the Plan. On the Effective Date, the Debtors shall be deemed to have assumed all such directors' and officers' liability insurance policies and any agreements, documents, and instruments related thereto. In addition, on and after the Effective Date, none of the Reorganized Debtors shall terminate or otherwise reduce, limit or restrict the coverage under any of the directors' and officers' liability insurance policies with respect to conduct occurring prior thereto, and, subject to and in accordance with the terms and conditions of the directors' and officers' liability insurance policies, all directors and officers of the Debtors

who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such directors' and officers' insurance policy (including any "tail policies") for the full term of such policy regardless of whether such directors and/or officers remain in such positions after the Effective Date. Notwithstanding anything to the contrary in Article X.D and Article X.E, all of the Debtors' current and former officers' and directors' rights as beneficiaries of such insurance policies, if any, are preserved to the extent set forth herein.

F. Insurance Obligations

Subject to Article VIII.L.3 of the Plan, and except as otherwise expressly provided in this provision or elsewhere in the Plan, the Reorganized Debtors shall honor all of the Debtors' obligations under the Debtors' insurance policies, including, for the avoidance of doubt, any policies where a Debtor is an insured or counterparty, and any agreements, documents, or instruments relating thereto; *provided* that none of the Debtors, their Estates, the Reorganized Debtors, each of their respective Affiliates, or any other Entity shall have any obligation now or in the future to pay, reimburse, or otherwise satisfy any applicable Hair Straightening Deductible or SIR Obligations that are due or become due (or otherwise would become due) in the future under the terms of any insurance policy; *provided further*, *that* for the avoidance of doubt, the Reorganized Debtors shall honor the Debtors' obligations in respect of any Hair Straightening Claims Defense Costs.

For the avoidance of doubt, except as set forth in Articles VII.F and VIII.L.3 of the Plan, all of the Debtors' insurance policies, including, for the avoidance of doubt, any policies where a Debtor is an insured or counterparty, and all rights and obligations of the Debtors thereunder will automatically become vested, unaltered, in the applicable Reorganized Debtors as of the Effective Date without necessity for further approvals or orders. Subject to Articles VII.F and VIII.L.3 of the Plan, nothing in the Plan shall alter, modify, amend, affect, impair, or prejudice the legal, equitable, or contractual rights, obligations, or defenses of the Debtors, the Reorganized Debtors, Zurich, Chubb, or any other individual or entity, as applicable, under (or affect the coverage, including any coverage for Hair Straightening Claims, under) the Debtors' insurance policies, including, for the avoidance of doubt, any policies where a Debtor is an insured or counterparty.

This Article VII.F shall not apply to any of the Debtors' directors' and officers' insurance policies, which are subject to Article VII.E of the Plan.

G. Special Provisions Regarding Zurich Insurance Contracts and Chubb Insurance Contracts

Notwithstanding anything to the contrary in the Definitive Documents, any Cure Notice, any bar date notice or claim objection, any documents related to any of the foregoing or any other order of the Bankruptcy Court (including, without limitation, any provision that purports to be preemptory or supervening, grants an injunction, discharge or release, confers Bankruptcy Court jurisdiction or requires a party to opt out of any releases):

1. On the Effective Date, and subject to the compromise set forth in, and as modified by, subsection 6 of this Article VII.G of the Plan, each applicable Reorganized Debtor

shall assume all Zurich Insurance Contracts and all Chubb Insurance Contracts which identify the applicable Debtor as an insured or as a counterparty thereto to the full extent of the relationship between the applicable Debtor and Zurich or the applicable Debtor and Chubb, pursuant to sections 105 and 365 of the Bankruptcy Code, and the entry of the Confirmation Order will constitute both approval of such assumption and a finding by the Bankruptcy Court that such assumption is in the best interests of the Estates;

2. Except as expressly set forth in Articles VII.F and VIII.L.3 of the Plan, on and after the Effective Date, the Reorganized Debtors shall become and remain liable in full for all of their and the Debtors' obligations under the Zurich Insurance Contracts and the Chubb Insurance Contracts in accordance with the terms thereof, regardless of when they arise, without the need or requirement for Zurich or Chubb to file or serve any Proof of Claim, Cure Claim, or a request, application, claim, proof or motion for payment or allowance of any Administrative Claim;

3. Except as expressly set forth in Articles VII.F and VIII.L.3 of the Plan, nothing alters, modifies, or otherwise amends the terms and conditions of the Zurich Insurance Contracts or the Chubb Insurance Contracts, any reinsurance agreements related thereto, and any rights and obligations (including, without limitation, any obligations or liabilities of any of the Debtors' Affiliates) and coverage thereunder shall be determined under the Zurich Insurance Contracts and the Chubb Insurance Contracts, as applicable, and applicable non-bankruptcy law as if the Chapter 11 Cases had not occurred;

4. Except as expressly set forth in Articles VII.F and VIII.L.3 of the Plan, nothing alters or modifies the duty, if any, of Zurich or Chubb to pay claims covered by the Zurich Insurance Contracts or the Chubb Insurance Contracts, as applicable, or Zurich's or Chubb's right to seek payment or reimbursement from the Debtors or the Reorganized Debtors or to draw on any collateral or security therefor in accordance with the terms of the Zurich Insurance Contracts or the Chubb Insurance Contracts, as applicable;

5. The automatic stay of Bankruptcy Code section 362(a) and the injunctions set forth in Article X.G of the Plan, if and to the extent applicable, shall be deemed lifted and/or modified without further order of the Bankruptcy Court, solely to permit: (i)(A) Holders of valid Workers' Compensation Claims to proceed with such Workers' Compensation Claims and (B) Holders of direct action claims against Zurich or Chubb under applicable non-bankruptcy law to proceed with such direct action claims; *provided* that the foregoing clause (i)(B) shall be without prejudice to any defenses that the Reorganized Debtors might assert to any claim asserted by Zurich or Chubb against the Reorganized Debtors arising from any payment by Zurich or Chubb on account of any such claim; and *provided, further*, that any recoveries or payments on account of such claims shall be in accordance with and subject to Articles VII.F and VIII.L.3 of the Plan; (ii) Zurich and Chubb to administer, handle, defend, settle, and/or pay, in the ordinary course of business and without further order of this Bankruptcy Court, subject to Articles VII.F and VIII.L.3 of the Plan and the terms of the applicable Zurich Insurance Contracts or Chubb Insurance Contracts, (A) Workers' Compensation Claims, (B) Claims where the Holder asserts a direct claim against Zurich or Chubb under applicable non-bankruptcy law or an order has been entered by this Bankruptcy Court granting a claimant relief from the automatic stay or the injunctions set forth in

Article X.G of the Plan to proceed with its claim, (C) Claims or Causes of Action by Hair Straightening Claimants seeking to recover amounts due under any insurance policy in excess of any applicable Hair Straightening Deductible or SIR Obligation on account of Hair Straightening Claims, and (D) all costs in relation to each of the foregoing; and (iii) Zurich or Chubb to take, in their sole discretion, other actions relating to, as applicable, the Zurich Insurance Contracts or the Chubb Insurance Contracts (including effectuating a setoff), to the extent permissible under applicable non-bankruptcy law, and in accordance with the terms of the Zurich Insurance Contracts or Chubb Insurance Contracts, as applicable, and subject to Articles VII.F and VIII.L.3 of the Plan; and

6. The terms set forth in Articles VII.F and VIII.L.3 of the Plan with respect to Hair Straightening Claims are compromises between (i) the Debtors and Zurich with respect to Zurich's potential objections to the Plan and treatment of Hair Straightening Deductible or SIR Obligations, and (ii) the Debtors and Chubb with respect to Chubb's potential objections to the Plan and treatment of Hair Straightening Deductible or SIR Obligations, and the Hair Straightening Claimants have consented or shall be deemed to consent to such compromises set forth in the foregoing clauses (i) and (ii), and any Zurich Insurance Contracts and Chubb Insurance Contracts that provide coverage for Hair Straightening Claims are modified solely as set forth in Articles VII.F and VIII.L.3 of the Plan; and for the avoidance of doubt, Zurich and Chubb shall not be deemed to release the Debtors, the Reorganized Debtors, and/or any of the Debtors' Affiliates of any obligations under the Zurich Insurance Contracts and the Chubb Insurance Contracts, as applicable, except as specifically set forth in Articles VII.F and VIII.L.3 of the Plan.

H. Indemnification Provisions

Except as otherwise provided in the Plan, on and as of the Effective Date, any of the Debtors' indemnification rights with respect to any contract or agreement that is the subject of or related to any litigation against the Debtors or Reorganized Debtors, as applicable, shall be assumed by the Reorganized Debtors and otherwise remain unaffected by the Chapter 11 Cases.

I. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan or by separate order of the Bankruptcy Court, each Executory Contract or Unexpired Lease that is assumed shall include (1) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affect such Executory Contract or Unexpired Lease, and (2) all Executory Contracts and Unexpired Leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated pursuant to an order of the Bankruptcy Court or under the Plan.

Except as otherwise provided by the Plan or by separate order of the Bankruptcy Court, modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases and actions taken in accordance therewith (1) shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any

Claims against any Debtor that may arise in connection therewith, (2) are not and do not create postpetition contracts or leases, (3) do not elevate to administrative expense priority any Claims of the counterparties to such Executory Contracts and Unexpired Leases against any of the Debtors, and (4) do not entitle any Entity to a Claim against any of the Debtors under any section of the Bankruptcy Code on account of the difference between the terms of any prepetition Executory Contracts or Unexpired Leases and subsequent modifications, amendments, supplements, or restatements.

J. Reservation of Rights

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Schedule of Rejected Executory Contracts and Unexpired Leases or any Cure Notice, nor anything contained in the Plan or the Plan Supplement, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If, prior to the Effective Date, there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors, or Reorganized Debtors, as applicable, shall have forty-five (45) calendar days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, including by rejecting such contract or lease *nunc pro tunc* to the Confirmation Date.

K. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

L. Contracts and Leases Entered Into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor or Reorganized Debtor liable thereunder in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) that had not been rejected as of the date of Confirmation will survive and remain obligations of the applicable Reorganized Debtor.

ARTICLE VIII.

PROVISIONS GOVERNING DISTRIBUTIONS

A. Timing and Calculation of Amounts to Be Distributed

Unless otherwise provided in the Plan, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes an Allowed Claim), each Holder of an Allowed Claim shall be entitled to receive the full amount of the distributions that the Plan provides for Allowed Claims in each applicable Class. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims (which will only be made if and when they become Allowed Claims) shall be made pursuant to the provisions set forth

in Article IX of the Plan. Except as otherwise expressly provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. The Debtors shall have no obligation to recognize any transfer of Claims against any Debtor or privately held Interests occurring on or after the Distribution Record Date. Distributions to Holders of Claims or Interests related to public securities shall be made to such Holders in exchange for such securities, which shall be deemed canceled as of the Effective Date.

B. Distributions on Account of Obligations of Multiple Debtors

For all purposes associated with distributions under the Plan, each Class 9 General Unsecured Claim that has been asserted against multiple debtors will be treated as a single Claim and shall result in a single distribution under the Plan.

C. Disbursing Agent

Except as otherwise provided in the Plan, all distributions under the Plan shall be made by the Disbursing Agent on the Effective Date or as soon as reasonably practicable thereafter. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

D. Rights and Powers of Disbursing Agent

1. Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and out-of-pocket expenses incurred by the Disbursing Agent on or after the Effective Date (including taxes other than any income taxes) and any reasonable compensation and out-of-pocket expense reimbursement claims (including reasonable and documented attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors; *provided* that all such expenses, compensation, and reimbursement claims of the GUC Administrator, the PI Claims Administrator, or the Unsecured Notes Indenture Trustee shall be paid from the GUC Trust/PI Fund Operating Reserve.

E. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Delivery of Distributions

(a) Delivery of Distributions to Holders of Allowed Credit Agreement Claims

Except as otherwise provided in the Plan, all distributions under the Plan on account of an Allowed FILO ABL Claim, OpCo Term Loan Claim, 2020 Term B-1 Loan Claim, or 2020 Term B-2 Loan Claim shall be made by the Reorganized Debtors or the Disbursing Agent, as applicable, to the Holder of record of such Allowed Claim as of the Distribution Record Date (as determined and maintained by the ABL Agent, 2016 Agent, or BrandCo Agent, as applicable) or as otherwise reasonably directed by such Holder to the Disbursing Agent. For the avoidance of doubt, to the extent permitted by the 2016 Credit Agreement, all distributions under the Plan on account of an Allowed 2016 Term Loan Claim (other than any Allowed 2016 Term Loan Claim held by a Released Party) shall be subject to, and shall not limit the ability of the 2016 Agent to offset, any 2016 Agent Surviving Indemnity Obligations.

(b) Delivery of Distributions to Unsecured Notes Indenture Trustee

In the event that Class 8 votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, (i) distributions to be made to Holders of Allowed Unsecured Notes Claims shall be made to, or at the reasonable direction of, the Unsecured Notes Indenture Trustee, which shall transmit or direct the transmission of such distributions to Holders of Allowed Unsecured Notes Claims, subject to the priority and charging lien rights of the Unsecured Notes Indenture Trustee, in accordance with the Unsecured Notes Indenture and the Plan, (ii) the Unsecured Notes Indenture Trustee, subject to the payment of its fees and expenses to the extent set forth in the Plan, shall transfer or direct the transfer of such distributions through the facilities of DTC, and (iii) the Unsecured Notes Indenture Trustee shall be entitled to recognize and deal for all purposes under the Plan with Holders of the Unsecured Notes Claims to the extent consistent with the customary practices of DTC, and all distributions to be made to Holders of Unsecured Notes Claims shall be delivered to the Unsecured Notes Indenture Trustee in a form that is eligible to be distributed through the facilities of DTC. If Class 8 votes to reject the Plan or the Creditors' Committee Settlement Conditions are not satisfied, distributions in respect of the Consenting Unsecured Noteholder Recovery shall be made to each Holder of Unsecured Notes Claims that has voted to accept the Plan on account of such Claims and that otherwise qualifies as a Consenting Unsecured Noteholder according to the information provided on such Holder's ballot or the applicable master ballot, as applicable, in respect of such vote, and such distributions shall be made at the expense of the Debtors with the assistance of the Voting and Claims Agent and shall be subject to all charging lien and priority distribution rights of the Unsecured Notes Indenture Trustee to the extent provided in the Unsecured Notes Indenture with respect to any unpaid fees and expenses as of the Effective Date.

(c) Delivery of Distributions in General

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims (other than Holders specified in Article VIII.E.1(a) or (b)) or Interests shall be made to Holders of record as of the Distribution Record Date by the Reorganized Debtors or the applicable Disbursing Agent: (i) to the signatory set forth on any of the Proofs of Claim Filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim is Filed or if the Debtors have been notified in writing of a change of address); (ii) at the

addresses set forth in any written notices of address changes delivered to the Reorganized Debtors after the date of any related Proof of Claim; (iii) at the addresses reflected in the Schedules if no Proof of Claim has been Filed and the Reorganized Debtors have not received a written notice of a change of address; or (iv) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf. The Debtors and the Reorganized Debtors shall not incur any liability whatsoever on account of any distributions under the Plan, except in the event of gross negligence or willful misconduct, as determined by a Final Order of a court of competent jurisdiction. Subject to this Article VIII, distributions under the Plan on account of Allowed Claims shall not be subject to levy, garnishment, attachment, or like legal process, so that each Holder of an Allowed Claim shall have and receive the benefit of the distributions in the manner set forth in the Plan. The Debtors, the Reorganized Debtors, and the Disbursing Agents, as applicable, shall not incur any liability whatsoever on account of any distributions under the Plan, except in the event of actual fraud, gross negligence, or willful misconduct, as determined by a Final Order of a court of competent jurisdiction.

2. Record Date of Distributions

As of the close of business on the Distribution Record Date, the various transfer registers for each Class of Claims as maintained by the Debtors or their respective agents shall be deemed closed, and there shall be no further changes in the record Holders of any Claims. The Disbursing Agent shall have no obligation to recognize any transfer of Claims occurring on or after the Distribution Record Date. In addition, with respect to payment of any cure amounts or disputes over any cure amounts, neither the Debtors nor the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable Executory Contract or Unexpired Lease as of the Effective Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Cure Claim. For the avoidance of doubt, the Distribution Record Date shall not apply to distributions to Holders of Unsecured Notes Claims, the Holders of which shall receive distributions, if applicable, in accordance with Article VIII.E.1(b) of the Plan.

3. Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed to by the Reorganized Debtors, on the one hand, and the Holder of a Disputed Claim, on the other hand, or as set forth in a Final Order, no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all of the Disputed Claim has become an Allowed Claim or has otherwise been resolved by settlement or Final Order; *provided* that, if the Reorganized Debtors do not dispute a portion of an amount asserted pursuant to an otherwise Disputed Claim, the Disbursing Agent may make a partial distribution on account of that portion of such Claim that is not Disputed at the time and in the manner that the Disbursing Agent makes distributions to similarly situated Holders of Allowed Claims pursuant to the Plan. Any dividends or other distributions arising from property distributed to Holders of Allowed Claims in a Class and paid to such Holders under the Plan shall also be paid, in the applicable amounts, to any Holder of a Disputed Claim in such Class that becomes an Allowed Claim after the date or dates that such dividends or other distributions were earlier paid to Holders of Allowed Claims in such Class.

4. Minimum Distributions

No partial distributions or payments of fractions of New Securities shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim or Interest, as applicable, would otherwise result in the issuance of a number of New Securities that is not a whole number, the actual distribution of New Securities shall be rounded as follows: (a) fractions of greater than one-half (1/2) shall be rounded to the next higher whole number and (b) fractions of one-half (1/2) or less than one-half (1/2) shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized shares of New Securities to be distributed pursuant to the Plan may (at the Debtors' discretion) be adjusted as necessary to account for the foregoing rounding.

Notwithstanding any other provision of the Plan, no Cash payment valued at less than $100.00, in the reasonable discretion of the Disbursing Agent and the Reorganized Debtors, shall be made to a Holder of an Allowed Claim on account of such Allowed Claim. Such Allowed Claims to which this limitation applies shall be discharged and its Holder forever barred from asserting that Claim against the Reorganized Debtors or their property.

5. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any Holder is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided*, *however*, that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six (6) months from the later of (a) the Effective Date and (b) the date of the distribution. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, state, or other jurisdiction escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder to such property or Interest in property shall be discharged and forever barred. The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any Holder of an Allowed Claim other than by reviewing the Debtors' books and records and the Bankruptcy Court's filings.

Checks issued on account of Allowed Claims shall be null and void if not negotiated within one hundred eighty (180) calendar days from and after the date of issuance thereof. Requests for reissuance of any check must be made directly and in writing to the Disbursing Agent by the Holder of the relevant Allowed Claim within the 180-calendar day period. After such date, the relevant Allowed Claim (and any Claim for reissuance of the original check) shall be automatically discharged and forever barred, and such funds shall revert to the Reorganized Debtors (notwithstanding any applicable federal, provincial, state or other jurisdiction escheat, abandoned, or unclaimed property laws to the contrary).

A distribution shall be deemed unclaimed if a Holder has not: (a) accepted a particular distribution or, in the case of distributions made by check, negotiated such check; (b) given notice to the Reorganized Debtors of an intent to accept a particular distribution; (c) responded to the Debtors' or Reorganized Debtors' requests for information necessary to facilitate a particular distribution; or (d) taken any other action necessary to facilitate such distribution.

F. Manner of Payment

At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check, wire transfer, automated clearing house, or credit card, or as otherwise required or provided in applicable agreements.

G. Registration or Private Placement Exemption

The New Securities are or may be "securities," as defined in Section 2(a)(1) of the Securities Act, section 101 of the Bankruptcy Code, and applicable state securities laws.

1. Section 1145 of the Bankruptcy Code

Pursuant to section 1145 of the Bankruptcy Code, the offer, issuance, and distribution of the New Securities (other than the Reserved Shares or any Unsubscribed Shares, as described in Article VIII.G.2) by Reorganized Holdings as contemplated by the Plan (including the issuance of New Common Stock upon exercise of the Equity Subscription Rights and/or the New Warrants) is exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution or sale of securities. The New Securities issued by Reorganized Holdings pursuant to section 1145 of the Bankruptcy Code (1) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (2) are freely tradable and transferable by any initial recipient thereof that (a) is not an "affiliate" of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (b) has not been such an "affiliate" within ninety (90) calendar days of such transfer, (c) has not acquired the New Securities from an "affiliate" within one year of such transfer and (d) is not an entity that is an "underwriter" as defined in section 1145(b) of the Bankruptcy Code; *provided* that transfer of the New Securities may be restricted by the LLC Agreement, the other New Organizational Documents, the New Shareholders' Agreement, if any, and the New Warrant Agreement.

2. Section 4(a)(2) of the Securities Act

The offer (to the extent applicable), issuance, and distribution of the Reserved Shares and the Unsubscribed Shares shall be exempt (including with respect to an entity that is an "underwriter" as defined in subsection (b) of section 1145 of the Bankruptcy Code) from registration under the Securities Act pursuant to Section 4(a)(2) thereof and/or Regulation D thereunder. Therefore, the Reserved Shares and the Unsubscribed Shares will be "restricted securities" subject to resale restrictions and may be resold, exchanged, assigned, or otherwise transferred only pursuant to registration or an applicable exemption from registration under the Securities Act and other applicable law. In that regard, each of the Equity Commitment Parties has made customary representations to the Debtors, including that each is an "accredited investor" (within the meaning of Rule 501(a) of the Securities Act) or a qualified institutional buyer (as defined under Rule 144A promulgated under the Securities Act).

3. DTC

Should the Reorganized Debtors elect on or after the Effective Date to reflect any ownership of the New Securities through the facilities of DTC, the Reorganized Debtors need not

provide any further evidence other than the Plan or the Confirmation Order with respect to the treatment of transfers, exercise, removal of restrictions, or conversion of New Securities under applicable U.S. federal, state or local securities laws.

DTC shall be required to accept and conclusively rely upon the Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Securities are exempt from registration and/or eligible for DTC book-entry delivery, settlement and depository services. Each Entity that becomes a Holder of New Common Stock indirectly through the facilities of DTC will be deemed bound by the terms and conditions of the LLC Agreement and other applicable New Organizational Documents and shall be deemed to be a beneficial owner of New Common Stock subject to the terms and conditions of the LLC Agreement.

Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, DTC) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Common Stock or the New Warrants (or New Common Stock issued upon exercise of the New Warrants) are exempt from registration and/or eligible for DTC book-entry delivery, settlement and depository services.

H. Compliance with Tax Requirements

In connection with the Plan, to the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Reorganized Debtors and the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information, documentation, and certifications necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable or appropriate. All Persons holding Claims against any Debtor shall be required to provide any information necessary for the Reorganized Debtors to comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit. The Reorganized Debtors reserve the right to allocate any distributions made under the Plan in compliance with applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

Notwithstanding any other provision of the Plan to the contrary, each Holder of an Allowed Claim shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit on account of such distribution.

I. No Postpetition or Default Interest on Claims

Unless otherwise specifically provided for in an order of the Bankruptcy Court, the Plan, the Final DIP Order, or the Confirmation Order, postpetition interest shall not accrue or be paid on any Claims and no holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any such Claim for purposes of distributions under the Plan.

J. Allocations

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to the remaining portion of such Allowed Claim, if any.

K. Setoffs and Recoupment

The Debtors or the Reorganized Debtors may, but shall not be required to, setoff against or recoup any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim, any claims, rights, and Causes of Action of any nature whatsoever that the Debtors or the Reorganized Debtors, as applicable, may have against the Holder of such Allowed Claim pursuant to the Bankruptcy Code or applicable nonbankruptcy law, to the extent that such claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (pursuant to the Plan or otherwise); *provided*, *however*, that the failure of the Debtors or the Reorganized Debtors, as applicable, to do so shall not constitute a waiver, abandonment or release by the Debtors or the Reorganized Debtors of any such Claim they may have against the Holder of such Claim.

Notwithstanding anything to the contrary in the Plan, nothing in the Plan shall modify the rights, if any, of Broadstone Rev New Jersey, LLC and 540 Beautyrest Avenue, LLC, solely to the extent that either such entity is a counterparty to any Unexpired Lease of nonresidential real property, to assert any right of setoff or recoupment that such party may have under applicable bankruptcy or non-bankruptcy law, subject to section 553 of the Bankruptcy Code and any other applicable bankruptcy law, including, but not limited to: (1) the ability, if any, of such parties to setoff or recoup a security deposit held pursuant to the terms of their Unexpired Lease with the Debtors, or any successors to the Debtors, under the Plan; (2) assertion of rights of setoff or recoupment, if any, in connection with Claims reconciliation; or (3) assertion of setoff or recoupment as a defense, if any, against any claim or action by the Debtors. The Debtors rights with respect thereto are expressly reserved.

L. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

The Debtors or the Reorganized Debtors, as applicable, shall reduce a Claim against any Debtor, and such Claim (or portion thereof) shall be Disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives a payment on account of such Claim from a party that is not a Debtor or a Reorganized Debtor, as applicable. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and also receives payment from a party that is not a Debtor or a Reorganized Debtor, as applicable, on account of such Claim, such Holder shall, within fourteen (14) days of receipt of such payment, repay or return the distribution to the applicable Reorganized Debtor to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The

failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy (other than a Talc Personal Injury Claim administered pursuant to the PI Claims Distribution Procedures). For the avoidance of doubt, the PI Claims Distribution Procedures and determination thereunder of the amount of and liability for any Talc Personal Injury Claims shall be for the sole purpose of distributing the recoveries provided by the Debtors to Class 9(a) under the Plan and for no other purpose. The insurers reserve all rights to defend and contest applicable causes of action or demands to the extent that they are brought against the insurers, or to the extent that such causes of action or demands seek recovery from the insurers. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim against any Debtor, then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided in the Plan, including this Article VIII.L.3, (a) payments to Holders of Claims covered by the Debtors' insurance policies shall be in accordance with the provisions of any applicable insurance policy, and (b) nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors, the Reorganized Debtors, or any Person (including any Holder of a Hair Straightening Claim) or Entity may hold against any other Entity, including insurers, under any policies of insurance. Except as expressly set forth in this Article VIII.L.3 or in Articles VII.F, VIII.L.2 or IX.A.6 of the Plan, nothing contained herein shall constitute or be deemed a waiver by such insurers of any rights or defenses, including coverage defenses, held by such insurers.

Except with respect to the Debtors' directors' and officers' insurance policies, and notwithstanding any provisions to the contrary in any of the Debtors' insurance policies, the applicable insurers shall have no obligation to pay any amounts that are within any applicable and unexhausted deductibles or self-insured retentions on account of any Hair Straightening Claims (a "Hair Straightening Deductible or SIR Obligation") under any applicable insurance policy on account of Hair Straightening Claims that are discharged pursuant to the Plan and applicable law. Holders of Allowed Hair Straightening Claims shall have no right to receive, and shall be deemed to have waived any such right to receive, from any applicable insurer any amounts that are within a Hair Straightening Deductible or SIR Obligation of an insurance policy, and Holders of Allowed Hair Straightening Claims shall be subject to and receive distributions solely pursuant to Article III.C.12 of the Plan, if any, on account of such amounts within a Hair Straightening Deductible or SIR Obligation, which treatment shall satisfy and exhaust, in full, any obligation of the Debtors, their Estates, the Reorganized Debtors, their Affiliates, insurers, or any other obligor

under the applicable policy or policies to pay, reimburse, or otherwise satisfy any Hair Straightening Deductible or SIR Obligation, regardless of the amount or availability of the distribution. No insurer shall have a Claim or other Cause of Action against the Debtors, their Estates, the Reorganized Debtors, their Affiliates, or any other Entity for any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs. Nothing herein shall in any way affect an insurance company's obligations under any insurance policy issued or providing coverage to the Debtors, their Estates, or the Reorganized Debtors to pay amounts due under any insurance policy, including amounts in excess of any applicable Hair Straightening Deductible or SIR Obligation; *provided* nothing herein will require any insurer to pay the amount of any judgment or settlement within an unpaid Hair Straightening Deductible or SIR Obligations. For the avoidance of doubt, the automatic stay and the injunctions in Article X.G of the Plan do not apply to Causes of Action by Hair Straightening Claimants seeking to recover amounts due under any insurance policy in excess of any applicable Hair Straightening Deductible or SIR Obligation on account of Hair Straightening Claims once they are fully and finally liquidated in accordance with Article IX.A.6 of the Plan. The applicable insurer will be entitled to reduce the amount payable to a Hair Straightening Claimant on account of any settlement or judgment entered with respect to a Hair Straightening Claim in full dollars for any Hair Straightening Deductible or SIR Obligations applicable to such Claim pursuant to the applicable insurance policy.

All insurers under the Debtors' insurance policies are permanently enjoined, from and after the Effective Date, from taking any of the following actions against the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entity, or any assets of the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entities, or any collateral or security provided by or on behalf of the Debtors, the Reorganized Debtors, any of their respective Affiliates, and/or any other Entities: (a) commencing or continuing in any manner any cause of action, lawsuit, or other proceeding of any kind seeking to recover any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (c) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (d) asserting any right of setoff, subrogation, contribution, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs.

For clarity, to preserve coverage under any Debtors' insurance policies, Holders of Hair Straightening Claims specifically reserve, and do not release, any claims they may have against the Debtors that implicate coverage under any of the Debtors' insurance policies, but recourse is limited to the proceeds of the Debtors' insurance policies in excess of any applicable Hair Straightening Deductible or SIR Obligations, and all other damages (including extra-contractual damages), awards, judgments in excess of policy limits, penalties, punitive damages, and attorney's fees and costs that may be recoverable from any of the Debtors (solely to the extent of distributions available under and in accordance with Article III.C.12 of the Plan, if any) or any of the Debtors' insurers consistent with the Plan.

For the avoidance of doubt, Holders of Hair Straightening Claims shall have no claims or recourse against the Debtors, the Reorganized Debtors, or any of their respective Affiliates, and the sole recovery on account of Hair Straightening Claims, if any, shall be from the Debtors' insurance policies, if permitted and in accordance with the terms of such policies and the Plan.

To the extent that it is determined by a Final Order that this Article VIII.L.3 does not apply to any insurance policy, the Reorganized Debtors shall not be deemed to have assumed such policy or policies and shall not be obligated to honor any obligations under such policy or policies pursuant to Article VII.F of the Plan. The foregoing sentence shall not apply to the Zurich Insurance Contracts or the Chubb Insurance Contracts, which are assumed pursuant to and in accordance with the terms of Article VII.G of the Plan.

M. Foreign Current Exchange Rate

As of the Effective Date, any Claim asserted in a currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate on the Petition Date, as quoted at 4:00 p.m. (prevailing Eastern time), midrange spot rate of exchange for the applicable currency as published in the Wall Street Journal, National Edition, on the day after the Petition Date.

ARTICLE IX.

PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. Resolution of Disputed Claims

1. Allowance of Claims

After the Effective Date, each of the Reorganized Debtors (and, with respect to the administration of General Unsecured Claims, the GUC Administrator or the PI Claims Administrator, as applicable) shall have and retain any and all rights and defenses such Debtor had with respect to any Claim immediately before the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim against any Debtor shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim. For the avoidance of doubt, all references

in this Article IX to (a) the GUC Administrator shall apply only in the event the GUC Trust is created in accordance with the Plan and only with respect to Claims in Classes 9(b), (c), and (d), and (b) the PI Claims Administrator shall apply only in the event the PI Settlement Fund is created in accordance with the Plan and only with respect to Claims in Class 9(a).

2. Claims and Interests Administration Responsibilities

Except as otherwise specifically provided in the Plan and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, after the Effective Date, the Reorganized Debtors (or any authorized agent or assignee thereof), the GUC Administrator, and the PI Claims Administrator, as applicable, shall have the sole authority to: (a) File, withdraw, or litigate to judgment objections to Claims against any of the Debtors; (b) settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (c) administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor (and, solely with respect to the administration of General Unsecured Claims, the GUC Administrator or the PI Claims Administrator, as applicable) shall have and retain any and all rights and defenses that any Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest.

3. Estimation of Claims

Before or after the Effective Date, the Debtors or the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim against any Debtor that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any Disputed, contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim; *provided, however*, that such limitation shall not apply to Claims against any of the Debtors requested by the Debtors to be estimated for voting purposes only.

Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before fourteen (14) calendar days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims

against any of the Debtors may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

4. Adjustment to Claims Without Objection

Any duplicate Claim or Interest, any Claim against any Debtor that has been paid or satisfied, or any Claim against any Debtor that has been amended or superseded, canceled, or otherwise expunged (including pursuant to the Plan), may, in accordance with the Bankruptcy Code and Bankruptcy Rules, be adjusted or expunged (including on the Claims Register, to the extent applicable) by the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, without the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court. Additionally, any Claim or Interest that is duplicative or redundant with another Claim or Interest against the same Debtor may be adjusted or expunged on the Claims Register at the direction of the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, without the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

5. Time to File Objections to Claims

Any objections to Claims against any of the Debtors shall be Filed on or before the Claims Objection Deadline.

6. Liquidation of Hair Straightening Claims

Hair Straightening Claims evidenced by a Hair Straightening Proof of Claim shall be liquidated in the Hair Straightening MDL or, in the event that the Hair Straightening MDL has been terminated, in the United States District Court for the Southern District of New York consistent with the applicable provisions of 28 U.S.C. §§ 157 and 1334.

The Plan shall constitute an objection to each Hair Straightening Claim. On or after the later of (a) the Effective Date and (b) the date of entry of an order in the MDL permitting potential plaintiffs to file complaints directly in the Hair Straightening MDL (the "MDL Direct Filing Order"), each Hair Straightening Claimant that has properly filed a Hair Straightening Proof of Claim shall file a complaint naming the applicable Debtor(s) in the Hair Straightening MDL or, if the Hair Straightening MDL has terminated or is otherwise the inapplicable forum for such action, in the United States District Court for the Southern District of New York consistent with the applicable provisions of 28 U.S.C. §§ 157 and 1334, for the purpose of liquidating such Hair Straightening Claim against the applicable Debtor(s) (any such action, a "Hair Straightening Liquidation Action"). All Hair Straightening Liquidation Actions must be commenced no later than the later of (a) September 14, 2023, (b) 90 days after entry of the MDL Direct Filing Order, and (c) solely with respect to a Hair Straightening Claimant who is diagnosed after the Hair Straightening Bar Date, six (6) months from the date of the applicable diagnosis by a licensed

medical doctor. Any Hair Straightening Claim for which a Hair Straightening Liquidation Action is not timely commenced pursuant to the foregoing sentence shall be disallowed.

The injunction set forth in Article X.G of the Plan is modified solely for the purpose of allowing Hair Straightening Claimants that have properly filed a Hair Straightening Proof of Claim to file and pursue Hair Straightening Liquidation Actions against the applicable Debtor(s) in the Hair Straightening MDL or in the United States District Court for the Southern District of New York consistent with the applicable provisions of 28 U.S.C. §§ 157 and 1334, as applicable.

For the avoidance of doubt, a settlement or judgment, if any, in respect of a Hair Straightening Claim, including in respect of any Hair Straightening Liquidation Action, to the extent not paid by insurance, shall be treated as an Other General Unsecured Claim and receive a distribution pursuant to the Plan, including Article III of the Plan, shall constitute and remain a prepetition Claim discharged against the Reorganized Debtors and their assets, and shall not, in any event, be recoverable against the Reorganized Debtors or their assets.

For the avoidance of doubt, this Article IX.A.6 applies solely to Hair Straightening Claims for which a timely and properly filed Hair Straightening Proof of Claim has been filed.

B. Disallowance of Claims

Any Claims against any of the Debtors held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code, or that is a transferee of a transfer avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed Disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Reorganized Debtors. Subject in all respects to Article IV.P, all Proofs of Claims Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as provided herein or otherwise agreed to by the Debtors or the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, any and all Proofs of Claim filed after the applicable Claims Bar Date shall be deemed Disallowed and expunged as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless on or before the Confirmation Hearing such late Filed Claim has been deemed timely Filed by a Final Order.

C. Amendments to Proofs of Claim

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Proof of Claim or Interest may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors, the GUC Administrator, or the PI Claims

Administrator, as applicable, and any such new or amended Proof of Claim Filed shall be deemed Disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court; *provided*, *however*, that the foregoing shall not apply to Administrative Claims or Professional Compensation Claims.

D. No Distributions Pending Allowance

Notwithstanding anything to the contrary herein, if any portion of a Claim against any Debtor is Disputed, or if an objection to a Claim against any Debtor or portion thereof is Filed as set forth in this Article IX, no payment or distribution provided under the Plan shall be made on account of such Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

E. Distributions After Allowance

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Allowed Claim the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, less any previous distribution (if any) that was made on account of the undisputed portion of such Allowed Claim, without any interest, dividends, or accruals to be paid on account of such Allowed Claim unless required under applicable bankruptcy law.

F. No Interest

Unless otherwise expressly provided by section 506(b) of the Bankruptcy Code or as specifically provided for herein or by order of the Bankruptcy Court, postpetition interest shall not accrue or be paid on Claims against any of the Debtors, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim or right. Additionally, and without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim; *provided*, *however*, that nothing in this Article IX.F shall limit any rights of any Governmental Unit to interest under sections 503, 506(b), 1129(a)(9)(A) or 1129(a)(9)(C) of the Bankruptcy Code or as otherwise provided for under applicable law.

ARTICLE X.

SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Compromise and Settlement of Claims, Interests, and Controversies

Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for, and as a requirement to receive, the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith global and integrated compromise and settlement (the "Plan Settlement") of all Claims, Interests, and controversies

relating to the contractual, legal, and subordination rights that any Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest, as well as any and all actual and potential disputes between and among the Company Entities (including, for clarity, between and among the BrandCo Entities, on the one hand, and the Non-BrandCo Entities on the other and including, with respect to each Debtor, such Debtors' Estate), the Creditors' Committee, the Consenting BrandCo Lenders, the Consenting 2016 Lenders, and each other Releasing Party and all other disputes that might impact creditor recoveries, including, without limitation, any and all issues relating to (1) the allocation of the economic burden of repayment of the ABL DIP Facility and Term DIP Facility and/or payment of adequate protection obligations provided pursuant to the Final DIP Order among the Debtors; (2) any and all disputes that might be raised impacting the allocation of value among the Debtors and their respective assets, including any and all disputes related to the Intercompany DIP Facility; and (3) any and all other Settled Claims, including the Financing Transactions Litigation Claims. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Plan Settlement as well as a finding by the Bankruptcy Court that the Plan Settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. The Plan Settlement is binding upon all creditors and all other parties in interest pursuant to section 1141(a) of the Bankruptcy Code. In accordance with the provisions of the Plan, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against, and Interests in, the Debtors and their Estates and Causes of Action against other Entities.

B. Discharge of Claims and Termination of Interests

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the Confirmation Order, or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims, Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Plan. Any default or "event of default" by the Debtors or their Affiliates with respect to any Claim or Interest on account of the Filing of the Chapter 11 Cases or the Canadian Recognition Proceeding shall be deemed cured (and no longer continuing). The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring.

C. Release of Liens

Except as otherwise specifically provided in the Plan, or any other Definitive Document, on the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, settled, discharged, and compromised, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall revert to the Reorganized Debtors and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or filing being required to be made by the Debtors. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such mortgages, deeds of trust, Liens, pledges, or other security interests.

In addition, the ABL Agents, BrandCo Agent, 2016 Agent, ABL DIP Facility Agent, and Term DIP Facility Agent shall execute and deliver all documents reasonably requested by the Debtors, the Reorganized Debtors, or the Exit Facilities Agents, as applicable, to evidence the release of such mortgages, deeds of trust, Liens, pledges, and other security interests and shall authorize the Debtors or Reorganized Debtors to file UCC-3 termination statements or other jurisdiction equivalents (to the extent applicable) with respect thereto.

D. Releases by the Debtors

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, as of the Effective Date, each of the Released Parties is unconditionally, irrevocably, generally, individually, and collectively, released, acquitted, and discharged by the Debtors, the Reorganized Debtors, and each of their Estates from any and all Causes of Action, including any derivative Causes of Action asserted or assertable by or on behalf of a Debtor, Reorganized Debtor, or any of their Estates, any Causes of Action that any Debtor, Reorganized Debtors, or any of their Estates would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against or Interest in a Debtor or other Entity, whether known or unknown, foreseen or unforeseen, asserted or unasserted, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise that the Debtors, the Reorganized Debtors, or their Estates (whether individually or collectively) ever had, now has, or thereafter can, shall, or may have, based on or relating to, or in any manner arising from, in whole or in part: (1) the Debtors, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Chapter 11 Cases, the Canadian Recognition Proceeding, the purchase, sale, or rescission of any security of the Debtors, the Plan Settlement, the Settled Claims, the formulation, preparation, dissemination, negotiation, or filing of the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (2) any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any

Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (3) the business or contractual arrangements between any Debtor and any Released Party, whether before or during the Debtors' restructuring, or the restructuring of Claims and Interests before or during the Chapter 11 Cases; (4) the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is affected by or classified in the Plan; (5) the filing of the Chapter 11 Cases or the Canadian Recognition Proceeding, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; (6) the Settled Claims; or (7) any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date arising from or relating to any of the foregoing, including, without limitation, the Unsecured Notes Indenture, the ABL Facility Credit Agreement, the 2016 Credit Agreement, or the BrandCo Credit Agreement, and all matters relating thereto.

Notwithstanding anything to the contrary in the foregoing, the releases set forth above shall not release (1) to the extent that any Causes of Action against the Debtors are not released or discharged pursuant to the Plan, any rights of the Debtors and the Reorganized Debtors to assert any and all counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims or other Causes of Action in response to such Causes of Action; *provided* that such counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims or other Causes of Action may not be asserted against any Related Party of the Debtors or the Reorganized Debtors to the extent such claims have been released or discharged pursuant to the Plan, (2) any Causes of Action set forth in the Schedule of Retained Causes of Action, including any Retained Preference Action, (3) any Cause of Action against any Excluded Party, (4) any commercial Cause of Action arising in the ordinary course of business, such as accounts receivable and accounts payable on account of goods and services being performed, (5) any Cause of Action against a Holder of a Disputed Claim, to the extent such Cause of Action is necessary for the administration and resolution of such Claim solely in accordance with the Plan, or (6) any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring Transaction, any Definitive Document (including those set forth in the Plan Supplement), or other document, instrument, or agreement executed to implement the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) essential to the Confirmation of the Plan; (2) an exercise of the Debtors' business judgment; (3) in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (4) a good faith settlement and compromise of the Causes of Action released by the Debtor Release; (5) in the best interests of the Debtors and all Holders of Claims and Interests; (6) fair, equitable, and reasonable; (7) given and made after due notice

and opportunity for hearing; and (8) a bar to any of the Debtors, the Reorganized Debtors, and the Estates asserting any Cause of Action released pursuant to the Debtor Release.

E. Releases by the Releasing Parties

As of the Effective Date, each of the Releasing Parties other than the Debtors is deemed to have expressly, absolutely, unconditionally, irrevocably, generally, individually, and collectively, released, acquitted, and discharged each of the Released Parties from any and all Causes of Action, including any derivative Causes of Action asserted or assertable by or on behalf of a Debtor, Reorganized Debtor, or any of their Estates, and any Causes of Action asserted or assertable by or on behalf of the Holder of any Claim or Interest or other Entity, whether known or unknown, foreseen or unforeseen, asserted or unasserted, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise that the Releasing Parties (whether individually or collectively) ever had, now have, or thereafter can, shall, or may have, based on or relating to, or in any manner arising from, in whole or in part: (1) the Debtors, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Chapter 11 Cases, the Canadian Recognition Proceeding, the purchase, sale, or rescission of any security of the Debtors, the BrandCo Entities, the Plan Settlement, the Settled Claims, the formulation, preparation, dissemination, negotiation, or filing of the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (2) any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (3) the business or contractual arrangements between any Debtor and any Releasing Party, whether before or during the Debtors' restructuring, or the restructuring of Claims and Interests before or during the Chapter 11 Cases; (4) the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is affected by or classified in the Plan; (5) the filing of the Chapter 11 Cases or the Canadian Recognition Proceeding, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; (6) the Settled Claims; or (7) any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date arising from or relating to any of the foregoing, including, without limitation, the Unsecured Notes Indenture, the ABL Facility Credit Agreement, the 2016 Credit Agreement, or the BrandCo Credit Agreement, and all matters relating thereto.

Notwithstanding anything to the contrary in the foregoing, the releases set forth above shall not release, prejudice, limit, impact, or otherwise impair (1) to the extent that any Causes of Action against any Releasing Party are not released or discharged

pursuant to the Plan, any rights of such Releasing Party to assert any and all counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims in response to such Causes of Action; *provided* that such counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims may not be asserted against the Debtors, the Reorganized Debtors, or any Related Party of the Debtors or the Reorganized Debtors to the extent such claims have been released or discharged pursuant to the Plan, (2) any Cause of Action against a Released Party (other than any Settled Claim or any Cause of Action against the Debtors, the Reorganized Debtors, or any Related Party of the Debtors or the Reorganized Debtors) unknown to such Releasing Party as of the Effective Date arising out of actual fraud, gross negligence, or willful misconduct of such Released Party, (3) any Cause of Action against any Excluded Party, or (4) any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring Transaction, or any Definitive Document (including those set forth in the Plan Supplement), or other document, instrument, or agreement executed to implement the Plan. For the avoidance of doubt, nothing in the Plan shall, or shall be deemed to, alter, amend, release, discharge, limit, or otherwise impair the 2016 Agent Surviving Indemnity Obligations as between and among the 2016 Agent, on the one hand, and any Holders of the 2016 Term Loan Claims (other than any Released Party) on the other hand. For the avoidance of doubt, any 2016 Agent Surviving Indemnity Obligations against a Released Party are expressly released pursuant to the Plan. As used in this Article X.E, "Related Party" means, in each case in its capacity as such, (a) such Debtor's or Reorganized Debtor's current and former predecessors, successors, subsidiaries, direct and indirect equityholders, funds, portfolio companies, and management companies, and (b) the current and former directors, officers, managers, members, principals, partners, employees, independent contractors, agents, representatives, managed accounts or funds, management companies, fund advisors, investment advisors, advisory board members, financial advisors, partners (including both general and limited partners), consultants, financial advisors, attorneys, accountants, investment bankers, and other professionals of the entities set forth in the foregoing clause (a).

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) essential to the Confirmation of the Plan; (2) given in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (3) a good faith settlement and compromise of the Causes of Action released by the Third-Party Release; (4) in the best interests of the Debtors and their Estates; (5) fair, equitable, and reasonable; (6) given and made after due notice and opportunity for hearing; and (7) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

F. Exculpation

Except as otherwise specifically provided in the Plan or the Confirmation Order, no Exculpated Party shall have or incur any liability to any person or Entity for, and each Exculpated Party is hereby released and exculpated from, any Cause of Action related to any act or omission in connection with, relating to, or arising out of, the Debtors' restructuring efforts, the Chapter 11 Cases, preparation for the Chapter 11 Cases, the filing

of the Chapter 11 Cases, the Canadian Recognition Proceeding, the Settled Claims, the formulation, preparation, dissemination, negotiation, filing, or termination of the Restructuring Support Agreement and related transactions, the Disclosure Statement, the Plan (including any term sheets related thereto), the Plan Supplement, the DIP Facilities, the Equity Rights Offering, the Backstop Commitment Agreement, the Exit Facilities, or any Restructuring Transaction, contract, instrument, release, or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with any of the foregoing, the funding of the Plan, the occurrence of the Effective Date, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the Definitive Documents, the issuance of securities pursuant to the Plan, the issuance of the New Common Stock, and the New Warrants pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, gross negligence, or willful misconduct; *provided* that the foregoing shall not be deemed to release, affect, or limit any post-Effective Date rights or obligations of the Exculpated Parties under the Plan, the Exit Facilities, any Restructuring Transaction, or any Definitive Document (including those set forth in the Plan Supplement), or other document, instrument, or agreement executed to implement the Plan.

The Exculpated Parties have, and upon Consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of consideration pursuant to, the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

Nothing in the Plan shall limit the liability of attorneys to their respective clients pursuant to Rule 1.8(h) of the New York Rules of Professional Conduct.

G. Injunction

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities that have held, hold, or may hold claims or interests that have been released pursuant to Article X.D or Article X.E of the Plan or discharged pursuant to Article X.B of the Plan, or are subject to exculpation pursuant to Article X.F of the Plan, shall be permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such claims or interests; (3) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such claims or interests; (4) asserting any right of

setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such claims or interests unless such Entity has, on or before the Effective Date, asserted such setoff right in a document filed with the Bankruptcy Court explicitly preserving such setoff, and notwithstanding an indication of a claim or interest or otherwise that such Entity asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests released or settled pursuant to the Plan.

H. Term of Injunctions or Stays

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order), shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

I. Recoupment

In no event shall any Holder of a Claim be entitled to recoup such Claim against any Claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors on or before the Confirmation Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

J. Protection Against Discriminatory Treatment

In accordance with section 525 of the Bankruptcy Code, and consistent with paragraph 2 of Article VI of the United States Constitution, all Entities, including Governmental Units, shall not discriminate against any Reorganized Debtor, or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors, or another Entity with whom the Reorganized Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

K. Direct Action Claims

Subject to Articles VII.F and VIII.L.3 of the Plan, nothing contained in the Plan shall impair or otherwise affect the right, if any, of a Holder of a Claim, under applicable non-bankruptcy law, to assert direct claims solely against the Debtors' insurers. Except as explicitly set forth in Articles VII.G.5, IX.A.6, and VIII.L.3 of the Plan, nothing in the Plan grants the Holder of any Claim relief from the automatic stay of Bankruptcy Code section 362(a) or the injunction set forth in Article X.G of the Plan.

L. Qualified Pension Plans

Nothing in the Chapter 11 Cases, the Disclosure Statement, the Plan, the Confirmation Order, or any other document filed in the Chapter 11 Cases shall be construed to discharge, release, limit, or relieve any individual from any claim by the PBGC or the Qualified Pension Plans for breach of any fiduciary duty under ERISA, including prohibited transactions, with respect to the Qualified Pension Plans, subject to any and all applicable rights and defenses of such parties, which are expressly preserved. PBGC and the Qualified Pension Plans shall not be enjoined or precluded from enforcing such fiduciary duty or related liability by any of the provisions of the Disclosure Statement, Plan, Confirmation Order, Bankruptcy Code, or other document filed in the Chapter 11 Cases. For the avoidance of doubt, the Reorganized Debtors shall not be released from any liability or obligation under ERISA, the IRC, and any other applicable law relating to the Qualified Pension Plans.

M. Regulatory Activities

Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan, or Confirmation Order, no provision shall (1) preclude the SEC or any other Governmental Unit from enforcing its police or regulatory powers or (2) enjoin, limit, impair, or delay the SEC from commencing or continuing any claims, causes of action, proceedings, or investigations against any non-Debtor person or non-Debtor entity in any forum.

ARTICLE XI.

CONDITIONS PRECEDENT TO CONSUMMATION OF THE PLAN

A. Conditions Precedent to the Effective Date

It is a condition to the Effective Date of the Plan that the following conditions shall have been satisfied or waived pursuant to the provisions of Article XI.B:

1. Confirmation and all conditions precedent thereto shall have occurred;

2. The Bankruptcy Court shall have entered the Confirmation Order and the Backstop Order, which shall be Final Orders and in form and substance acceptable to the Debtors and the Required Consenting BrandCo Lenders and, in the case of the Confirmation Order, acceptable to the Creditors' Committee and the Required Consenting 2016 Lenders, solely to the extent required under the Restructuring Support Agreement;

3. The Debtors shall have obtained all authorizations, consents, regulatory approvals, or rulings that are necessary to implement and effectuate the Plan;

4. The final version of the Plan, including all schedules, supplements, and exhibits thereto, including in the Plan Supplement (including all documents contained therein), shall be in form and substance acceptable to the Debtors and the Required Consenting BrandCo Lenders (except to the extent that specific consent rights are set forth in the Restructuring Support Agreement with respect to certain Definitive Documents, which shall be subject instead to such consent rights), and reasonably acceptable to the Creditors' Committee and the Required

Consenting 2016 Lenders solely to the extent required under the Restructuring Support Agreement, and consistent with the Restructuring Support Agreement, including any consent rights contained therein;

5. All Definitive Documents shall have been (or shall, contemporaneously with the occurrence of the Effective Date, be) executed and in full force and effect, and shall be in form and substance consistent with the Restructuring Support Agreement, including any consent rights contained therein, and all conditions precedent contained in the Definitive Documents shall have been satisfied or waived in accordance with the terms thereof, except with respect to such conditions that by their terms shall be satisfied substantially contemporaneously with or after Consummation of the Plan;

6. No Termination Notice or Breach Notice as to the Debtors shall have been delivered by the Required Consenting BrandCo Lenders under the Restructuring Support Agreement in accordance with the terms thereof, no substantially similar notices shall have been sent under the Backstop Commitment Agreement, and neither the Restructuring Support Agreement nor the Backstop Commitment Agreement shall have otherwise been terminated;

7. Adversary Case Number 22-01134 shall have been resolved in a form and manner satisfactory to the Debtors and the Required Consenting BrandCo Lenders and Adversary Case Number 22-01167 shall have been (or shall, concurrently with the occurrence of the Effective Date, be) dismissed in its entirety with prejudice;

8. All professional fees and expenses of retained professionals that require the Bankruptcy Court's approval shall have been paid in full or amounts sufficient to pay such fees and expenses after the Effective Date shall have been placed in the Professional Fee Escrow in accordance with Article II.B pending the Bankruptcy Court's approval of such fees and expenses;

9. All Restructuring Expenses incurred and invoiced as of the Effective Date shall have been paid in full in Cash;

10. The Restructuring Transactions shall have been (or shall, contemporaneously with the occurrence of the Effective Date, be) implemented in a manner consistent in all material respects with the Plan and the Restructuring Support Agreement;

11. The Enhanced Cash Incentive Program and the Global Bonus Program shall be in form and substance acceptable to the Debtors and the Required Consenting BrandCo Lenders; and

12. The Debtors or the Reorganized Debtors, as applicable, shall have obtained directors' and officers' insurance policies and entered into indemnification agreements or similar arrangements for the Reorganized Holdings Board, which shall be, in each case, effective on or by the Effective Date.

B. Waiver of Conditions

The conditions to Consummation set forth in Article XI.A may be waived by the Debtors, the Required Consenting BrandCo Lenders, and, to the extent required under the

Restructuring Support Agreement, the Creditors' Committee and the Required Consenting 2016 Lenders (except with respect to Article XI.A.12, which may be waived by the Debtors in their sole discretion), and, with respect to conditions related to the Professional Fee Escrow, the beneficiaries of the Professional Fee Escrow, without notice, leave or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan. The failure of the Debtors to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each such right shall be deemed an ongoing right, which may be asserted at any time.

C. Effect of Failure of Conditions

If Consummation of the Plan does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims, Causes of Action, or Interests; (2) prejudice in any manner the rights of such Debtor, any Holder, any Person, or any other Entity; or (3) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor, any Holder, any Person, or any other Entity.

ARTICLE XII.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Modification and Amendments

Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 (as well as those restrictions on modifications set forth in the Plan and the Restructuring Support Agreement), the Debtors reserve the right, with the consent of the Required Consenting BrandCo Lenders, and, solely to the extent required under the Restructuring Support Agreement, the Creditors' Committee and the Required Consenting 2016 Lenders, to modify the Plan (including the Plan Supplement), without additional disclosure pursuant to section 1125 of the Bankruptcy Code prior to the Confirmation Date and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not resolicit votes on such modified Plan. After the Confirmation Date and before substantial consummation of the Plan, the Debtors may initiate proceedings in the Bankruptcy Court pursuant to section 1127(b) of the Bankruptcy Code to remedy any defect or omission or reconcile any inconsistencies in the Plan, the Plan Supplement, the Disclosure Statement, or the Confirmation Order, relating to such matters as may be necessary to carry out the purposes and intent of the Plan; *provided* that each of the foregoing shall not violate the Restructuring Support Agreement.

After the Confirmation Date, but before the Effective Date, the Debtors, with the consent (not to be unreasonably withheld, conditioned, or delayed) of the Required Consenting BrandCo Lenders, and, solely to the extent required under the Restructuring Support Agreement, the Creditors' Committee and the Required Consenting 2016 Lenders, and subject to the applicable provisions of the Restructuring Support Agreement, may make appropriate technical adjustments and modifications to the Plan (including the Plan Supplement) without further order or approval of the Bankruptcy Court; *provided* that such adjustments and modifications do not materially and adversely affect the treatment of Holders of Claims or Interests.

B. Effect of Confirmation on Modifications

Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of Plan

The Debtors reserve the right to revoke or withdraw the Plan before the Confirmation Date and to file subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan, or if Confirmation or Consummation does not occur, then, absent further order of the Bankruptcy Court: (1) the Plan shall be null and void in all respects; (2) any settlement or compromise not previously approved by Final Order of the Bankruptcy Court embodied in the Plan (including the fixing or limiting to an amount certain of the Claims or Interests or Classes of Claims or Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void; and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any Claims or Interests; (b) prejudice in any manner the rights of such Debtor, any Holder, any Person, or any other Entity; or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor, any Holder, any Person, or any other Entity. For the avoidance of doubt, the foregoing sentence shall not be construed to limit or modify the rights of the Creditors' Committee or the Consenting BrandCo Lenders pursuant to Section 6 of the Restructuring Support Agreement.

ARTICLE XIII.

RETENTION OF JURISDICTION

Notwithstanding the entry of the Confirmation Order and the occurrence of the Effective Date, on and after the Effective Date, except as set forth in the Plan, the Bankruptcy Court shall retain exclusive jurisdiction, to the fullest extent permissible under law, over all matters arising out of, or related to, the Chapter 11 Cases and the Plan pursuant to sections 105(a) and 1142 of the Bankruptcy Code, including jurisdiction to:

1. allow, disallow, determine, liquidate, classify, estimate, or establish the priority, Secured or unsecured status, or amount of any Claim or Interest, including the resolution of any request for payment of any Administrative Claim and the resolution of any and all objections to the Secured or unsecured status, priority, amount, or allowance of Claims or Interests, including but not limited to Talc Personal Injury Claims pursuant to the PI Claims Distribution Procedures;

or Unexpired Lease that is assumed; (c) the Reorganized Debtors amending, modifying, or supplementing, after the Effective Date, pursuant to Article VII, the Executory Contracts and Unexpired Leases to be assumed or rejected or otherwise; and (d) any dispute regarding whether a contract or lease is or was executory, expired, or terminated;

4. grant any consensual request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code;

5. ensure that distributions to Holders of Allowed Claims and Interests are accomplished pursuant to the provisions of the Plan;

11. hear and resolve any cases, controversies, suits, disputes, or Causes of Action with respect to the settlements, compromises, discharges, releases, injunctions, exculpations, and other provisions contained in Article X and enter such orders as may be necessary or appropriate to implement such releases, injunctions, and other provisions;

12. resolve any cases, controversies, suits, disputes, or Causes of Action with respect to the repayment or return of distributions and the recovery of additional amounts owed by the Holder of a Claim for amounts not timely repaid pursuant to Article VIII.L.1;

13. enter and implement such orders as are necessary or appropriate if the Confirmation Order is for any reason modified, stayed, reversed, revoked, or vacated;

14. determine any other matters that may arise in connection with or relate to the Plan, the Plan Supplement, the New Organizational Documents, the Disclosure Statement, the Confirmation Order, or any contract, instrument, release, indenture, or other agreement or document created in connection with the Plan or the Disclosure Statement; *provided* that the Bankruptcy Court shall not retain jurisdiction over disputes concerning documents contained in the Plan Supplement that have a jurisdictional, forum selection, or dispute resolution clause that refers disputes to a different court;

15. adjudicate any and all disputes arising from or relating to distributions under the Plan or any transactions contemplated therein;

16. consider any modifications of the Plan, to cure any defect or omission or to reconcile any inconsistency in the Plan, the Disclosure Statement, or any Bankruptcy Court order, including the Confirmation Order, in such a manner as may be necessary to carry out the purposes and effects thereof;

Nothing herein limits the jurisdiction of the Bankruptcy Court to interpret and enforce the Plan and all contracts, instruments, releases, indentures, and other agreements or documents created in connection with the Plan, the Plan Supplement, or the Disclosure Statement, without regard to whether the controversy with respect to which such interpretation or enforcement relates may be pending in any state or other federal court of competent jurisdiction.

If the Bankruptcy Court abstains from exercising, or declines to exercise, jurisdiction or is otherwise without jurisdiction over any matter arising in, arising under, or related to the Chapter 11 Cases, including the matters set forth in this Article XIII, the provisions of this Article XIII shall have no effect on and shall not control, limit, or prohibit the exercise of jurisdiction by any other court having competent jurisdiction with respect to such matter.

Unless otherwise specifically provided herein or in a prior order of the Bankruptcy Court, the Bankruptcy Court shall have exclusive jurisdiction to hear and determine disputes concerning Claims against the Debtors that arose prior to the Effective Date.

ARTICLE XIV.

NOW, THEREFORE, the Court having found that notice of the Plan and the Confirmation Hearing and the opportunity for any party in interest to object to Confirmation has been adequate and appropriate as to all parties affected or to be affected by the Plan and the transactions contemplated thereby, and that the legal and factual bases set forth in the documents filed in support of Confirmation and all evidence proffered or adduced by counsel at the Confirmation Hearing establish just cause for the relief granted herein; and after due deliberation thereon and good cause appearing therefor, the Court hereby makes and issues the following Findings of Fact and Conclusions of Law and hereby orders as follows:

1. FINDINGS OF FACT AND CONCLUSIONS OF LAW

IT IS HEREBY DETERMINED FOUND, ADJUDGED, DECREED, AND ORDERED THAT:

A. Findings and Conclusions

1. The findings and conclusions set forth herein and on the record of the Confirmation Hearing constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding by Bankruptcy Rule 9014. 2. The Court has jurisdiction over the Chapter 11 Cases pursuant to 28 U.S.C. § 1334. Confirmation of the Plan is a core proceeding pursuant to 28 U.S.C. § 157(b), and the Court has jurisdiction to enter a final order determining that the Plan, including the Restructuring Transactions contemplated in connection therewith, complies with the applicable provisions of the Bankruptcy Code and should be confirmed and approved. E. Judicial Notice

5. The Court takes judicial notice of (and deems admitted into evidence for Confirmation) the docket of the Chapter 11 Cases maintained by the Clerk of the Court and/or its duly appointed agent, including all pleadings and other documents filed, all orders entered, all hearing transcripts, and all evidence and arguments made, proffered or adduced at, the hearings held before the Court during the pendency of the Chapter 11 Cases, including, without limitation, the hearing to consider the adequacy of the Disclosure Statement and the Confirmation Hearing. Any resolutions of any objections explained on the record at the Confirmation Hearing are incorporated herein by reference.

F. Disclosure Statement Order

6. On February 21, 2023, the Court entered the Disclosure Statement Order, which, among other things, fixed March 20, 2023, at 4:00 p.m. (prevailing Eastern Time) as the deadline for voting to accept or reject the Plan (the "Voting Deadline"), and March 23, 2023, at 4:00 p.m. (prevailing Eastern Time) as the deadline for objecting to the Plan (the "Plan Objection Deadline").

G. Hair Straightening Bar Date Order

7. On March 7, 2023, the Court entered the Hair Straightening Bar Date Order, which, among other things, fixed April 11, 2023 at 5:00 p.m. (prevailing Eastern Time) as the extended deadline for Hair Straightening Claimants to file a Hair Straightening Proof of Claim (as defined in the Hair Straightening Bar Date Order), and fixed March 23, 2023 at 4:00 p.m. (prevailing Eastern Time) as the extended deadline for voting to accept or reject the Plan solely for Hair

Straightening Claimants that filed Hair Straightening Proofs of Claim prior to such deadline in accordance with the relevant provisions of the Hair Straightening Bar Date Order (the "Hair Straightening Voting Deadline").

H. Notice and Transmittal of Solicitation Materials; Adequacy of Solicitation Notices

8. As evidenced by the Solicitation Affidavits, the Hair Straightening Affidavit, the Plan, the Disclosure Statement, the Disclosure Statement Order, the ballots for voting on the Plan (the "Ballots"), the Confirmation Hearing Notice, notices of non-voting status, and the other materials distributed by the Debtors in connection with Confirmation of the Plan (collectively, the "Solicitation Materials"), including notice of the Voting Deadline, the Hair Straightening Voting Deadline, and the Plan Objection Deadline, were transmitted and served in compliance with the Bankruptcy Rules, including Bankruptcy Rules 3017 and 3018, with the Local Bankruptcy Rules for the Southern District of New York (the "Local Rules"), and with the procedures set forth in the Disclosure Statement Order and the Hair Straightening Bar Date Order. Notice of the Confirmation Hearing complied with the terms of the Disclosure Statement Order, was appropriate and satisfactory based on the circumstances of these Chapter 11 Cases, and was in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules. The transmittal and service of the Solicitation Materials complied with the approved Solicitation and Voting Procedures, were appropriate and satisfactory based upon the circumstances of the Chapter 11 Cases, were conducted in good faith, and were in compliance with the provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable rules, laws, and regulations. Because such transmittal and service were adequate and sufficient, no other or further notice is necessary or shall be required.

9. The period during which the Debtors solicited acceptances to the Plan was a reasonable and adequate period of time and the manner of such solicitation was an appropriate

process for creditors and equity holders to have made an informed decision to vote to accept or reject the Plan.

I. Good Faith Solicitation (11 U.S.C. § 1125(e))

10. Based on the record before the Court in the Chapter 11 Cases, the Debtors have solicited votes on the Plan in good faith and in compliance with the Bankruptcy Code and other applicable law, and pursuant to sections 1125 and 1126 of the Bankruptcy Code, and the Debtors, the Consenting BrandCo Lenders, the Consenting 2016 Lenders, the Creditors' Committee, and, as applicable, each of their respective Affiliates, and each of their and their Affiliates' agents, representatives, members, principals, shareholders, officers, directors, employees, advisors, and attorneys, in each case solely in their respective capacities as such, have participated in good faith and in compliance with the Bankruptcy Code in the offer, issuance, sale, solicitation and/or purchase of New Securities offered, issued, sold, solicited, and/or purchased under the Plan (including the Equity Rights Offering) and any previous plan and, therefore, no such parties, individuals, or the Reorganized Debtors will have any liability for the violation of any applicable law, rule, or regulation governing the solicitation of votes on the Plan or the offer, issuance, sale, solicitation, or purchase of the New Securities offered, issued, sold, solicited, and/or purchased under the Plan (including the Equity Rights Offering) or any previous plan.

J. Voting Certification

11. On March 23, 2023 and March 29, 2023, respectively, the Voting and Claims Agent filed the Initial Voting Certification and the Supplemental Voting Certification with the Court, certifying the method and results of the Ballots tabulated for Class 4 (OpCo Term Loan Claims), Class 5 (2020 Term B-1 Loan Claims), Class 6 (2020 Term B-2 Loan Claims), Class 8 (Unsecured Notes Claims), Class 9(a) (Talc Personal Injury Claims), Class 9(b) (Non-Qualified Pension Clams), Class 9(c) (Trade Claims), and Class 9(d) (Other General Unsecured Claims) (the "Voting

Classes"). As evidenced by the Voting Certification, votes to accept or reject the Plan have been solicited and tabulated fairly, in good faith, and in a manner consistent with the Bankruptcy Code, the Bankruptcy Rules, the Solicitation and Voting Procedures, and the Local Rules.

12. As set forth in the Plan and the Disclosure Statement, only Holders of Claims in the Voting Classes were eligible to vote on the Plan. Under section 1126(f) of the Bankruptcy Code, Holders of Claims in Class 1 (Other Secured Claims), Class 2 (Other Priority Claims), and Class 3 (FILO ABL Claims) are Unimpaired and are presumed to have accepted the Plan. Under section 1126(g) of the Bankruptcy Code, Holders of Claims and Interests in Class 7 (BrandCo Third Lien Guaranty Claims), Class 10 (Subordinated Claims), and Class 12 (Interests in Holdings) are receiving no distribution under the Plan and are presumed to have rejected the Plan. Holders of Claims and Interests in Class 11 (Intercompany Claims and Interests) are either Unimpaired or Impaired, and Holders of such Claims and Interests are presumed to accept the Plan or deemed to reject the Plan.

K. Plan Supplement

13. The filing and notice of the Plan Supplement (including any modifications or supplements thereto) were proper and in accordance with the Plan, the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, all other applicable laws, rules, and regulations, and the Disclosure Statement Order, and no other or further notice is or shall be required. All documents included in the Plan Supplement are integral to, part of, and incorporated by reference into the Plan. Subject to the terms of the Plan and the Restructuring Support Agreement, and the consent rights of the Consenting Creditor Parties thereunder, the Debtors are authorized to alter, amend, update, modify, or supplement the Plan Supplement before the Effective Date. All parties were provided due, adequate, and sufficient notice of the Plan Supplement, and the filing of any further supplements thereto will provide due, adequate, and sufficient notice thereof.

L. Modifications to the Plan

14. Pursuant to, and in compliance with, section 1127 of the Bankruptcy Code, the Debtors have proposed certain modifications to the Plan as reflected therein (the "Plan Modifications"). In accordance with Bankruptcy Rule 3019, the Plan Modifications do not (a) constitute material modifications of the Plan under section 1127 of the Bankruptcy Code, (b) cause the Plan to fail to meet the requirements of sections 1122 or 1123 of the Bankruptcy Code, (c) materially or adversely affect or change the treatment of any Claims or Interests, (d) require re-solicitation of any Holders of Claims or Interests, or (e) require that any such Holders be afforded an opportunity to change previously cast acceptances or rejections of the Plan. Under the circumstances, the form and manner of notice of the Plan Modifications were adequate, and no other or further notice of the Plan Modifications is necessary or required. In accordance with section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, all Holders of Claims or Interests that voted to accept the Plan or that are conclusively presumed to have accepted the Plan, as applicable, are deemed to have accepted the Plan as modified by the Plan Modifications. No Holder of a Claim or Interest that has voted to accept the Plan shall be permitted to change its acceptance to a rejection as a consequence of the Plan Modifications.

15. To the extent this Confirmation Order contains modifications to the Plan, such modifications were made to address objections and informal comments received from various parties-in-interest. Modifications to the Plan since the entry of the Disclosure Statement Order are consistent with the provisions of the Bankruptcy Code. The disclosure of any Plan modifications prior to or on the record at the Confirmation Hearing constitutes due and sufficient notice of any and all Plan modifications. The Plan as modified shall constitute the Plan submitted for Confirmation.

M. Objections

16. To the extent that any objections (whether formal or informal), reservations of rights, statements, or joinders to any of the foregoing relating, in each case, to Confirmation have not been resolved, withdrawn, waived, or settled prior to entry of this Confirmation Order, or otherwise resolved herein or as stated on the record of the Confirmation Hearing, they are hereby overruled on the merits based on the record before this Court.

N. Burden of Proof

17. The Debtors, as the proponents of the Plan, have met their burden of proving the elements of sections 1129(a) and (b) of the Bankruptcy Code by a preponderance of the evidence, which is the applicable evidentiary standard for Confirmation of the Plan. In addition, to the extent applicable, the Plan is confirmable under the clear and convincing evidentiary standard. Each witness who testified on behalf of the Debtors or submitted a declaration in support of Confirmation in connection with the Confirmation Hearing was credible, reliable, and qualified to testify as to the topics addressed in his or her testimony.

O. Bankruptcy Rule 3016

18. The Plan is dated and identifies the Debtors as the Plan proponents, thereby satisfying Bankruptcy Rule 3016(a). The filing of the Disclosure Statement satisfied Bankruptcy Rule 3016(b). The discharge, release, injunction, and exculpation provisions of the Plan are set forth in bold therein and in the Disclosure Statement, thereby complying with Bankruptcy Rule 3016(c).

P. Plan Compliance with the Bankruptcy Code (11 U.S.C. § 1129(a)(1))

19. The Plan complies with the applicable provisions of the Bankruptcy Code, thereby satisfying section 1129(a)(1) of the Bankruptcy Code.

(i) Proper Classification (11 U.S.C. §§ 1122, 1123(a)(1))

20. The classification of Claims and Interests under the Plan is proper under the Bankruptcy Code. As required by section 1123(a)(1), in addition to Administrative Claims (including Professional Compensation Claims and statutory U.S. Trustee fees), Priority Tax Claims, ABL DIP Facility Claims, Term DIP Facility Claims, and Intercompany DIP Facility Claims which need not be classified, Article III of the Plan designates fifteen Classes (or subclasses thereof) of Claims and Interests. As required by section 1122(a) of the Bankruptcy Code, the Claims and Interests placed in each Class are substantially similar to other Claims and Interests, as the case may be, in each such Class. Valid business, factual, and legal reasons exist for separately classifying the various Classes of Claims and Interests created under the Plan, the classifications were not implemented for improper purposes, and such Classes do not unfairly discriminate between or among Holders of Claims and Interests. Thus, the Plan satisfies sections 1122 and 1123(a)(1) of the Bankruptcy Code.

(ii) Specified Unimpaired Classes (11 U.S.C. § 1123(a)(2)).

21. Article III of the Plan specifies that Claims in Class 1 (Other Secured Claims), Class 2 (Other Priority Claims), Class 3 (FILO ABL Claims), and, as applicable, Class 11 (Intercompany Claims and Interests) are Unimpaired under the Plan, thereby satisfying section 1123(a)(2) of the Bankruptcy Code.

(iii) Specified Treatment of Impaired Classes (11 U.S.C. § 1123(a)(3)).

22. Article III of the Plan specifies the treatment of each Impaired Class under the Plan, including Class 4 (OpCo Term Loan Claims), Class 5 (2020 Term B-1 Loan Claims), Class 6 (2020 Term B-2 Loan Claims), Class 7 (BrandCo Third Lien Guaranty Claims), Class 8 (Unsecured Notes Claims), Class 9(a) (Talc Personal Injury Claims), Class 9(b) (Non-Qualified Pension Clams), Class 9(c) (Trade Claims), Class 9(d) (Other General Unsecured Claims), Class

10 (Subordinated Claims), Class 12 (Interests in Holdings), and, as applicable, Class 11 (Intercompany Claims and Interests), thereby satisfying section 1123(a)(3) of the Bankruptcy Code.

(iv) No Discrimination (11 U.S.C. § 1123(a)(4))

23. Article III of the Plan provides for the same treatment for each Claim or Interest within a particular Class except to the extent that a Holder of a particular Claim or Interest has agreed to a less favorable treatment of such Claim or Interest. Accordingly, the Plan satisfies section 1123(a)(4) of the Bankruptcy Code.

(v) Adequate Means for Implementation of the Plan (11 U.S.C. § 1123(a)(5)).

24. The Plan and the various documents and agreements included in the Plan Supplement or entered into in connection with the Plan provide adequate and proper means for implementation of the Plan, including, without limitation: (a) the consummation of the Restructuring Transactions (including the Description of Transaction Steps set forth in the Plan Supplement); (b) the execution and delivery of Definitive Documents, as applicable, including those agreements or other documents of merger, amalgamation, consolidation, contribution, restructuring, conversion, disposition, transfer, arrangement, continuance, dissolution, sale, purchase, or liquidation containing terms that are consistent with the terms of the Plan; (c) the execution and delivery of appropriate instruments of transfer, assignment, assumption, or delegation of any asset, property, right, liability, debt, or obligation on terms consistent with the terms of the Plan; (d) the filing of appropriate certificates or articles of incorporation, reincorporation, merger, consolidation, contribution, conversion, amalgamation, arrangement, continuance, or dissolution pursuant to applicable state or local law, if necessary; (e) the issuance of the New Securities; (f) the cancellation of certain existing agreements, obligations, instruments,

and Interests; (g) the entry into the Exit Facilities; (h) the entry into the New Warrant Agreement; (i) the continued vesting of the assets of the Debtors' Estates in the Reorganized Debtors; and (j) all other actions that the Debtors determine to be necessary, including making filings or recordings that may be required by applicable law in connection with the Plan. Accordingly, the Plan satisfies the requirements of section 1123(a)(5) of the Bankruptcy Code.

(vi) Non-Voting Equity Securities (11 U.S.C. § 1123(a)(6)).

25. To the extent required under section 1123(a)(6) of the Bankruptcy Code, the New Organizational Documents prohibit the issuance of non-voting equity securities and provide for an appropriate distribution of voting power among the classes of equity securities possessing voting power. Accordingly, the Plan satisfies the requirements of section 1123(a)(6) of the Bankruptcy Code.

(vii) Designation of Directors and Officers (11 U.S.C. § 1123(a)(7)).

26. The Reorganized Debtors' initial directors and officers are set forth in the Plan and the Plan Supplement to the extent known, and, to the extent not known, will be determined in accordance with the Article IV.H of the Plan and the New Organizational Documents. From and after the Effective Date, each such director and officer shall serve and shall be appointed pursuant to the terms of their respective charters and bylaws, limited liability company agreements, or other formation and constituent documents, including the New Organizational Documents and applicable laws of the respective Reorganized Debtor's jurisdiction of formation. The employment and manner of selection of such individuals is consistent with the interests of Holders of Claims and Interests and public policy. Accordingly, the Plan satisfies the requirements of section 1123(a)(7) of the Bankruptcy Code.

Q. Discretionary Contents of the Plan (11 U.S.C. § 1123(b))

27. The additional provisions of the Plan are appropriate and consistent with the applicable provisions of the Bankruptcy Code. Thus, the Plan complies with section 1123(b) of the Bankruptcy Code.

(i) Impairment/Unimpairment of Any Class of Claims or Interests (11 U.S.C. § 1123(b)(1))

28. Pursuant to the Plan, Classes 1, 2, and 3 are Unimpaired, Classes 4–10 and 12 are Impaired, and Class 11 is either Impaired or Unimpaired, as contemplated by section 1123(b)(1) of the Bankruptcy Code.

(ii) Assumption and Rejection of Executory Contracts and Unexpired Leases (11 U.S.C. § 1123(b)(2))

29. Article VII.A of the Plan provides that, except as otherwise provided in the Plan, all of the Debtors' Executory Contracts and Unexpired Leases shall be deemed assumed as of the Effective Date except for any Executory Contracts or Unexpired Leases that: (a) previously were assumed or rejected by the Debtors; (b) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; or (c) are the subject of a motion to reject such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such rejection is on or after the Effective Date. The Plan contains additional provisions that provide for the assumption of certain contracts relating to insurance and Employment Obligations.

(iii) Settlement, Releases, Exculpation, and Injunction (11 U.S.C. § 1123(b)(3)(A))

30. In accordance with section 1123(b)(3)(A) of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for the classification, distributions, releases, and other benefits provided pursuant to the Plan, including the releases set forth in Article X thereof, the provisions

of the Plan, including the Plan Settlement, constitute a good faith compromise and settlement of all Claims, Interests, Causes of Action, and controversies released, settled, compromised, discharged, satisfied, or otherwise resolved pursuant to the Plan, including, for the avoidance of doubt, any and all Causes of Action that were or could have been asserted in *AIMCO CLO 10 Ltd et al. v. Revlon, Inc. et al.*, Adv. Pro. Case No. 1:22-ap-1167 (Bankr. S.D.N.Y.) (the "Adversary Proceeding"). Such compromises and settlements are the product of extensive arm's-length, good faith negotiations and are fair, equitable, and reasonable and in the best interests of the Debtors and their Estates.

(iv) Preservation of Causes of Action (11 U.S.C. § 1123(b)(3)(B))

31. Article IV.Q of the Plan provides for the preservation by the Debtors of certain Causes of Action in accordance with section 1123(b) of the Bankruptcy Code. In accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, any and all Retained Causes of Action (except, if the GUC Trust is established in accordance with the Plan, the GUC Trust may enforce all rights to commence and pursue Retained Preference Actions), whether arising before or after the Petition Date, including but not limited to any actions specifically enumerated in the Plan Supplement. Unless any Cause of Action of the Debtors against an Entity is expressly waived, relinquished, exculpated, released, compromised, or settled in the Plan or pursuant to a Final Order, including through trade agreements executed pursuant to the Final Vendors Order,[3] the Reorganized Debtors expressly reserve all such Retained Causes of Action for later adjudication or settlement in the Reorganized Debtors' sole discretion. Additionally, in accordance with section 1123(b)(3) of the Bankruptcy

[3] *Final Order (I) Authorizing The Debtors To Pay Prepetition Claims of (A) Lien Claimants, (B) Import Claimant, (C) 503(B)(9) Claimants, (D) Foreign Vendors, and (E) Critical Vendors, (II) Confirming Administrative Expense Priority of Outstanding Orders, and (III) Granting Related Relief* [Docket. No. 263] (the "Final Vendors Order").

Code, any Retained Cause of Action that a Debtor may hold against any Entity shall vest in the applicable Reorganized Debtor, except as otherwise provided in the Plan. The Plan (including the Plan Supplement) are sufficiently specific with respect to the Causes of Action to be retained by the Debtors, and provide meaningful disclosure with respect to the potential Causes of Action that the Debtors may retain, and all parties-in-interest received adequate notice with respect to such Retained Causes of Action. The provisions regarding the Retained Causes of Action in the Plan are appropriate and in the best interests of the Debtors, their respective Estates, and Holders of Claims and Interests.

(v) Other Appropriate Provisions (11 U.S.C. § 1123(b)(6))

32. The Plan's other provisions (including to the extent modified by this Confirmation Order) are appropriate and consistent with the applicable provisions of the Bankruptcy Code, including, without limitation, provisions for (a) distributions to Holders of Claims and Interests, (b) resolution of Disputed Claims, (c) allowance of certain Claims, (d) the assumption of certain Indemnification Provisions, (e) discharge of certain Claims and termination of certain Interests, (f) releases by the Debtors of certain parties, (g) voluntary releases by certain third parties, (h) exculpations of certain parties, (i) the injunction of certain Claims and Causes of Action in order to implement the discharge, release, and exculpation provisions, and (j) retention of Court jurisdiction, thereby satisfying the requirements of section 1123(b)(6) of the Bankruptcy Code.

R. Cure of Defaults (11 U.S.C. § 1123(d))

33. Article VII.C of the Plan provides for the satisfaction of Cure Claims associated with each Executory Contract and Unexpired Lease to be assumed in accordance with section 365(b)(1) of the Bankruptcy Code. Unless otherwise provided by this Confirmation Order, the cure amount identified in the Cure Notice distributed to the applicable counterparty represents the amount, if any, that the Debtors shall pay in full and complete satisfaction of such Cure Claim.

Any Cure Claims shall be satisfied on the Effective Date or as soon as reasonably practicable thereafter or on such other terms as the party to such Executory Contract or Unexpired Lease may otherwise agree. Any disputes regarding assumption, including the amount of any Cure Claim, will be determined in accordance with the procedures set forth in Article VII.C of the Plan and applicable law. As such, the Plan provides that the Debtors will cure, or provide adequate assurance that the Debtors will promptly cure, defaults with respect to assumed Executory Contracts and Unexpired Leases in compliance with section 365(b)(1) of the Bankruptcy Code. The Debtors provided sufficient notice to the counterparties to the Executory Contracts and Unexpired Leases to be assumed under the Plan. Thus, the Plan complies with section 1123(d) of the Bankruptcy Code.

S. The Debtors' Compliance with the Applicable Provisions of the Bankruptcy Code (11 U.S.C. § 1129(a)(2))

34. The Debtors, as proponents of the Plan, have complied with all applicable provisions of the Bankruptcy Code as required by section 1129(a)(2) of the Bankruptcy Code. Specifically:

a. the Debtors are eligible debtors under section 109 of the Bankruptcy Code and are proper proponents of the Plan under section 1121(a) of the Bankruptcy Code;

b. the Debtors have complied with applicable provisions of the Bankruptcy Code, except as otherwise provided or permitted by orders of the Bankruptcy Court;

c. the Debtors and their agents solicited votes to accept or reject the Plan in compliance with sections 1125 and 1126 of the Bankruptcy Code, and all other applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, the Disclosure Statement Order, and the Hair Straightening Bar Date Order; and

d. the Debtors have complied with other applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Local Rules except as otherwise provided or permitted by orders of the Court.

T. Good Faith Proposal of Plan (11 U.S.C. § 1129(a)(3))

35. The Debtors have proposed the Plan (including the Plan Supplement and all other documents necessary or appropriate to effectuate the Plan) in good faith and not by any means forbidden by law, thereby satisfying section 1129(a)(3) of the Bankruptcy Code. In determining that the Plan has been proposed in good faith, the Court has examined the totality of the circumstances surrounding the filing of the Chapter 11 Cases, the Plan itself, the formulation of the Plan, the process leading to Confirmation, the support of Holders of Claims in the Voting Classes for the Plan, and the transactions to be implemented pursuant thereto. The Debtors' good faith is evident from the facts and record of the Chapter 11 Cases, the Disclosure Statement, the hearing on the Disclosure Statement, and the record of the Confirmation Hearing, and other proceedings held in the Chapter 11 Cases. The Plan was proposed with the legitimate and honest purpose of maximizing the value of the Debtors' Estates and to effectuate a successful reorganization of the Debtors. The Plan and all documents necessary to effectuate the Plan were the product of extensive negotiations conducted at arm's length among the Debtors and their key stakeholders, including the Consenting Creditor Parties, the Hair Straightening Claimants, and their respective professionals. Further, the Plan's classification, indemnification, settlement, discharge, exculpation, release, and injunction provisions have been negotiated in good faith and at arm's length, are consistent with sections 105, 1122, 1123(b)(3)(A), 1123(b)(6), 1129, and 1142 of the Bankruptcy Code, and are each integral to the Plan, supported by valuable consideration, and necessary to the Debtors' successful reorganization. Accordingly, the requirements of section 1129(a)(3) of the Bankruptcy Code are satisfied.

36. The Plan gives effect to many of the Debtors' restructuring initiatives, including implementing value-maximizing restructuring transactions. Accordingly, the Debtors, the Released Parties, and the Exculpated Parties have been, are, and will continue to be acting in good

faith if they proceed to: (a) consummate the Plan, the Restructuring Transactions, and the agreements, settlements, transactions, transfers, and other actions contemplated thereby, regardless of whether such agreements, settlements, transactions, transfers, and other actions are expressly identified by this Confirmation Order; and (b) take the actions authorized, directed, or contemplated by this Confirmation Order. Therefore, the Plan has been proposed in good faith to achieve a result consistent with the objectives and purposes of the Bankruptcy Code and the aforementioned parties have acted in good faith.

U. Payment for Services or Costs and Expenses (11 U.S.C. § 1129(a)(4))

37. Any payment made or to be made by the Debtors, or by any Person issuing securities or acquiring property under the Plan, for services or for costs and expenses in connection with the Chapter 11 Cases, or in connection with the Plan and incident to the Chapter 11 Cases, has been approved by or is subject to the approval of the Court as reasonable, including as set forth in this Confirmation Order, thereby satisfying section 1129(a)(4) of the Bankruptcy Code.

V. Directors, Officers, and Insiders (11 U.S.C. § 1129(a)(5))

38. The Debtors have complied with section 1129(a)(5) of the Bankruptcy Code. The identity and affiliations of any known Person proposed to serve on the New Boards were disclosed in the Plan Supplement, as well as any known Persons that will serve as an officer of Reorganized Holdings or other Reorganized Debtors. The proposed officers and directors for Reorganized Holdings are qualified, and their appointment to, or continuance in, such roles is consistent with the interests of Holders of Claims and Interests and with public policy. To the extent that such directors and officers are insiders, the nature of their compensation has been disclosed to the extent known and reasonably practicable.

W. No Rate Changes (11 U.S.C. § 1129(a)(6))

39. Section 1129(a)(6) of the Bankruptcy Code is not applicable to the Chapter 11 Cases. The Plan proposes no rate change subject to the jurisdiction of any governmental regulatory commission.

X. Best Interests of Holders of Claims and Interests (11 U.S.C. § 1129(a)(7))

40. Each Holder of an Impaired Claim or Interest either has accepted the Plan or will receive or retain under the Plan, on account of such Claim or Interest, property of a value, as of the Effective Date, that is not less than the amount that such Holder would receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code on such date.

41. The liquidation analysis attached as **Exhibit E** to the Disclosure Statement (the "Liquidation Analysis") and the other evidence related thereto in support of the Plan that was presented, proffered, or adduced at or prior to the Confirmation Hearing or in the Confirmation Declarations: (a) are reasonable, persuasive, credible, and accurate as of the dates such analysis or evidence was prepared, presented, or proffered; (b) utilize reasonable and appropriate methodologies and assumptions; (c) have not been controverted by other evidence; and (d) establish that Holders of Allowed Claims or Allowed Interests in every Class will receive or retain under the Plan, on account of such Claim or Interest, property of a value, as of the Effective Date, that is not less than the amount such Holder would receive or retain if the Debtors were liquidated under chapter 7 of the Bankruptcy Code. Accordingly, the Plan satisfies the "best interests of creditors" test under section 1129(a)(7) of the Bankruptcy Code.

Y. Acceptance by Certain Classes (11 U.S.C. § 1129(a)(8))

42. Class 1 (Other Secured Claims), Class 2 (Other Priority Claims), and Class 3 (FILO ABL Claims) are Unimpaired by the Plan pursuant to section 1124 of the Bankruptcy Code and, accordingly, Holders of Claims in such Classes are conclusively presumed to have accepted the

Plan pursuant to section 1126(f) of the Bankruptcy Code. Class 4 (OpCo Term Loan Claims), Class 5 (2020 Term B-1 Loan Claims), Class 6 (2020 Term B-2 Loan Claims), Class 8 (Unsecured Notes Claims), Class 9(a) (Talc Personal Injury Claims), except Class 9(a) (Talc Personal Injury Claims) against Revlon, Inc., Class 9(b) (Non-Qualified Pension Clams), and Class 9(c) (Trade Claims) are Impaired by the Plan and, as established by the Voting Certification, have voted to accept the Plan by the requisite numbers and amount of Claims. Claims and Interests in Class 7 (BrandCo Third Lien Guaranty Claims), Class 10 (Subordinated Claims), and Class 12 (Interests in Holdings) will not receive or retain any property on account of their Claims or Interests in such Class and, accordingly, such Claims and Interests are Impaired and such Classes are deemed to have rejected the Plan pursuant to section 1126(g) of the Bankruptcy Code. Holders of Claims in Class 9(a) (Talc Personal Injury Claims) against Revlon, Inc. and Class 9(d) (Other General Unsecured Claims) are Impaired by the Plan and, as established by the Voting Certification, have voted to reject the Plan. Claims and Interests in Class 11 (Intercompany Claims and Interests) are either Unimpaired or Impaired, and Holders of such Claims and Interests are presumed to have accepted the Plan or deemed to reject the Plan. Notwithstanding the foregoing, the Plan is confirmable because it satisfies sections 1129(a)(10) and 1129(b) of the Bankruptcy Code.

Z. Treatment of Claims Entitled to Priority Under Section 507(a) of the Bankruptcy Code (11 U.S.C. § 1129(a)(9))

43. The treatment of Administrative Claims (including Professional Compensation Claims and statutory U.S. Trustee fees), Priority Tax Claims, ABL DIP Facility Claims, Term DIP Facility Claims, Intercompany DIP Facility Claims, and Other Priority Claims pursuant to Articles II and III of the Plan satisfies the requirements of section 1129(a)(9) of the Bankruptcy

Code. Accordingly, the Debtors have satisfied the requirements of section 1129(a)(9) of the Bankruptcy Code.

AA. Acceptance By at Least One Impaired Class of Claims (11 U.S.C. § 1129(a)(10)).

44. Class 4 (OpCo Term Loan Claims), Class 5 (2020 Term B-1 Loan Claims), Class 6 (2020 Term B-2 Loan Claims), Class 8 (Unsecured Notes Claims), Class 9(a) (Talc Personal Injury Claims) (except for Talc Personal Injury Claims against Revlon, Inc., which voted to reject the Plan), Class 9(b) (Non-Qualified Pension Clams), and Class 9(c) (Trade Claims) are Impaired by the Plan and, as evidenced by the Voting Certification, have voted to accept the Plan by the requisite number and amount of Claims, as determined without including any acceptance of the Plan by any insider (as that term is defined in section 101(31) of the Bankruptcy Code). Accordingly, the Plan satisfies section 1129(a)(10) of the Bankruptcy Code.

45. Each of Class 9(a) (Talc Personal Injury Claims), Class 9(b) (Non-Qualified Pension Claims), and Class 9(c) (Trade Claims) voted to accept the Plan by the requisite numbers and amount of Claims on an aggregate basis and Class 9(d) (Other General Unsecured Claims) voted to reject the Plan on an aggregate basis. Accordingly, Classes 9(a), 9(b), and 9(c) have voted to accept the Plan under Articles III.C.9, III.C.10, and III.C.11 of the Plan and Class 9(d) has voted reject the Plan under Article III.C.12 of the Plan.

BB. Feasibility (11 U.S.C. § 1129(a)(11)).

46. The financial projections attached as **Exhibit G** to the Disclosure Statement and the evidence that was proffered or adduced at or prior to the Confirmation Hearing, including the Confirmation Declarations: (a) are reasonable, persuasive, credible, and accurate as of the dates such evidence was prepared, presented, and/or proffered, (b) have not been controverted by other evidence, (c) utilize reasonable and appropriate methodologies and assumptions, (d) establish that the Plan is feasible and that there is a reasonable prospect of the Reorganized Debtors being able

to meet their financial obligations under the Plan and in the ordinary course of their business, and that Confirmation of the Plan is not likely to be followed by the liquidation or the need for further financial reorganization of the Reorganized Debtors or any successor to the Reorganized Debtors under the Plan; and (e) establish that the Reorganized Debtors will have sufficient funds available to meet their obligations under the Plan. Accordingly, the Plan satisfies the requirements of section 1129(a)(11) of the Bankruptcy Code.

CC. Payment of Statutory Fees (11 U.S.C. § 1129(a)(12))

47. As set forth in Article II.G of the Plan, the Debtors shall pay, in full in cash, any fees due and owing to the U.S. Trustee at the time of Confirmation. Thereafter, subject to Article XIV.M of the Plan, each applicable Reorganized Debtor shall pay all U.S. Trustee fees due and owing under section 1930 of the Judicial Code in the ordinary course until the earlier of (a) the entry of a final decree closing the applicable Reorganized Debtor's Chapter 11 Case, or (b) the Bankruptcy Court enters an order converting or dismissing the applicable Reorganized Debtor's Chapter 11 Case. Accordingly, the Plan satisfies the requirements of section 1129(a)(12) of the Bankruptcy Code.

DD. Retiree Benefits (11 U.S.C. § 1129(a)(13))

48. Pursuant to Article IV.K of the Plan, from and after the Effective Date, the Debtors shall assume and continue to pay all Retiree Benefits Claims in accordance with applicable law. Accordingly, the Plan satisfies the requirements of section 1129(a)(13) of the Bankruptcy Code.

EE. Non-Applicability of Certain Sections (11 U.S.C. §§ 1129(a)(14), (15), and (16))

49. Sections 1129(a)(14), 1129(a)(15), and 1129(a)(16) of the Bankruptcy Code do not apply to the Chapter 11 Cases. The Debtors owe no domestic support obligations, are not individuals, and are moneyed, business, or commercial corporations or trusts.

FF. Confirmation of Plan Over Non-Acceptance of Impaired Classes (11 U.S.C. § 1129(b))

50. The Plan may be confirmed pursuant to section 1129(b) of the Bankruptcy Code notwithstanding that the requirements of section 1129(a)(8) have not been met, because the Debtors have demonstrated by a preponderance of the evidence that the Plan (a) satisfies all of the other requirements of section 1129(a) of the Bankruptcy Code and (b) does not "discriminate unfairly" and is "fair and equitable" with respect to the Rejecting Classes (as defined below).

51. Based upon the evidence proffered, adduced, and presented by the Debtors prior to or at the Confirmation Hearing, the Plan does not "discriminate unfairly" against any Holders of Claims and Interests in Class 9(a) (Talc Personal Injury Claims) against Revlon, Inc., Class 9(d) (Other General Unsecured Claims), Class 10 (Subordinated Claims), Class 11 (Intercompany Claims and Interests), or Class 12 (Interests in Holdings) (collectively, the "Rejecting Classes"), as required by section 1129(b)(1) of the Bankruptcy Code, because all similarly situated Holders of Claims and Interests will receive substantially similar treatment, and to the extent the Plan treats any Classes differently, there are valid business, legal, and factual reasons to do so.

52. The Plan is also "fair and equitable" with respect to the Rejecting Classes. Specifically, no Holder of Claims or Interests junior to any Rejecting Class is receiving a distribution on account of such Claim or Interest under the Plan, and no Class of Claims or Interests is receiving more than a full recovery on account of its Claims or Interests.

53. The Plan, therefore, satisfies the requirements of section 1129(b) of the Bankruptcy Code and may be confirmed despite the fact that not all Impaired Classes have voted to accept the Plan.

GG. Only One Plan (11 U.S.C. § 1129(c))

54. The Plan is the only plan filed in the Chapter 11 Cases, and, accordingly, satisfies section 1129(c) of the Bankruptcy Code.

HH. Principal Purpose of the Plan (11 U.S.C. § 1129(d))

55. The principal purpose of the Plan is not the avoidance of taxes or the avoidance of the application of section 5 of the Securities Act of 1933 and there has been no filing by any Governmental Unit asserting any such attempted avoidance. Thus, the Plan satisfies section 1129(d) of the Bankruptcy Code.

II. Not Small Business Cases (11 U.S.C. § 1129(e))

56. These Chapter 11 Cases are not small business cases, as that term is defined in the Bankruptcy Code, and accordingly, section 1129(e) of the Bankruptcy Code is inapplicable in the Chapter 11 Cases.

JJ. Satisfaction of Confirmation Requirements

57. Based upon the foregoing and all other pleadings and evidence proffered or adduced at or prior to the Confirmation Hearing, the Plan and the Debtors, as applicable, satisfy all the requirements for Confirmation set forth in section 1129 of the Bankruptcy Code.

KK. Valuation

58. The valuation analysis attached as **Exhibit D** to the Disclosure Statement (the "Valuation Analysis"), the evidence adduced at the Confirmation Hearing, including in the Zelin Declaration, and the estimated post-emergence enterprise value of the Reorganized Debtors are reasonable and credible. All parties in interest have been given a fair and reasonable opportunity to challenge the Valuation Analysis. The Valuation Analysis (a) is reasonable, persuasive, and credible as of the date such analysis was prepared, presented, or proffered, and (b) uses reasonable and appropriate methodologies and assumptions.

LL. Plan Implementation

59. The terms of the Plan, including, without limitation, the Plan Supplement and all exhibits and schedules thereto, and all other agreements, instruments, or other documents filed in connection with the Plan and/or executed or to be executed in connection with the transactions contemplated by the Plan and all amendments and modifications of any of the foregoing made pursuant to the provisions of the Plan governing such amendments and modifications (collectively, and as each may be amended, supplemented, or modified, the "Plan Documents") are incorporated by reference, are approved in all respects, and constitute an integral part of this Confirmation Order. The Debtors have exercised reasonable business judgment in determining which agreements to enter into and have provided sufficient and adequate notice of such documents and agreements. The terms and conditions of such documents and agreements have been negotiated in good faith and at arm's length, are fair and reasonable, and are reaffirmed and approved.

MM. Binding and Enforceable

60. The Plan and the Plan Documents have been negotiated in good faith and at arm's length and, subject to the occurrence of the Effective Date, shall bind: (a) any and all Holders of Claims and/or Interests and each such Holder's respective agents, successors, and assigns (whether or not each such Holder's Claim and/or Interest is Impaired under the Plan, whether or not such Holder has accepted or rejected the Plan, and whether or not such Holder is entitled to a distribution under the Plan); (b) all Entities that are parties to or are subject to the settlements, compromises, releases, and injunctions described in the Plan and this Confirmation Order; (c) each Entity acquiring property under the Plan or this Confirmation Order; and (d) any and all non-Debtor parties to Executory Contracts or Unexpired Leases with the Debtors. The Plan and the Plan Documents constitute legal, valid, binding, and authorized obligations of the respective parties thereto and shall be enforceable in accordance with their terms. Pursuant to section 1142(a) of the

Bankruptcy Code, the Plan and the Plan Documents shall apply and be enforceable notwithstanding any otherwise applicable nonbankruptcy law. Subject to the consent and approval rights of applicable parties set forth in the Plan and the Restructuring Support Agreement, the Debtors are authorized to take any action reasonably necessary or appropriate to consummate the Plan and the transactions contemplated thereby.

NN. Vesting of Assets

61. Except as otherwise provided in the Plan or any agreement, instrument, or other document incorporated in the Plan (including the Plan Supplement) or this Confirmation Order, on the Effective Date, pursuant to section 1141 of the Bankruptcy Code, all property (including all interests, rights, and privileges related thereto) in each Debtor's Estate, all Retained Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan, including Interests held by the Debtors in any non-Debtor Affiliates, shall vest in the applicable Reorganized Debtor, free and clear of all Liens, Claims, charges, encumbrances, or other interests, unless expressly provided otherwise by the Plan or this Confirmation Order, subject to and in accordance with the Plan, including the Description of Transaction Steps. On and after the Effective Date, except as otherwise provided in the Plan or this Confirmation Order, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules. Without limiting the foregoing, the Reorganized Debtors may pay the charges that they incur on or after the Confirmation Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court, subject to the Final DIP Order (including the Approved Budget (as defined therein)).

OO. Executory Contracts and Unexpired Leases

62. The Debtors have exercised reasonable business judgment in determining whether to assume, assume and assign, or reject each of their Executory Contracts and Unexpired Leases pursuant to sections 365 and 1123(b)(2) of the Bankruptcy Code, the Plan, including Article VII of the Plan, and as set forth in the Plan Supplement. Each assumption of an Executory Contract or Unexpired Lease pursuant to the Plan shall be legal, valid, and binding to the same extent as if such assumption were effectuated pursuant to an order of the Court under section 365 of the Bankruptcy Code entered before entry of this Confirmation Order. Except as set forth herein and/or in separate orders entered by the Court relating to assumption of Executory Contracts or Unexpired Leases, the Debtors have cured or provided adequate assurances that the Debtors will cure defaults (if any) under or relating to each Executory Contract or Unexpired Lease assumed under the Plan and, for each Executory Contract or Unexpired Lease being assumed under the Plan, including pursuant to the Restructuring Transactions, provided adequate assurance of future performance as required under section 365 of the Bankruptcy Code.

PP. Discharge, Compromise, Settlement, Release, Exculpation, and Injunction Provisions

63. The Court has jurisdiction under sections 1334(a) and (b) of title 28 of the United States Code to approve the discharge, compromises, settlements, releases, exculpations, and injunctions set forth in the Plan, including Article X of the Plan. Sections 105(a) and 1123(b) of the Bankruptcy Code permit the issuance of the injunctions and approval of the releases, exculpations, and injunctions set forth the Plan and the Confirmation Order. Based upon the record of the Chapter 11 Cases and the evidence proffered or adduced at the Confirmation Hearing, the Court finds that the discharge, compromises, settlements, releases, exculpations, and injunctions set forth in the Plan and the Confirmation Order are consistent with the Bankruptcy Code and applicable law. Further, the discharge, compromises, settlements, releases, exculpations, and

injunctions contained in the Plan and the Confirmation Order are integral components of the Plan. The discharge, compromises, settlements, releases, exculpations, and injunctions set forth in the Plan and the Confirmation Order are hereby approved and authorized in their entirety.

64. The releases of the Debtors' directors and officers are an integral component of the settlements and compromises embodied in the Plan. The Debtors' directors and officers: (a) made substantial and valuable contributions to the Debtors' Restructuring and the Estates, including through extensive negotiations with various stakeholders, and ensured the uninterrupted operation of the Debtors' business during the Chapter 11 Cases; (b) invested significant time and effort to make the Debtors' Restructuring a success and preserve the value of the Debtors' Estates in a challenging operating environment; (c) attended and, in certain instances, prepared to participate in Court hearings; (d) attended numerous board meetings related to the restructuring and directed the restructuring negotiations that led to the Restructuring Support Agreement, the Backstop Commitment Agreement, the Debt Commitment Letter, and the Plan; (e) are entitled to indemnification from the Debtors under applicable law, organizational documents, and agreements; (f) invested significant time and effort in the preparation of the Plan, the Disclosure Statement, all support analyses, and the numerous other pleadings filed in the Chapter 11 Cases, thereby ensuring the smooth administration of the Chapter 11 Cases; and (g) are entitled to all other benefits under any employment contracts with the Debtors. The releases of the Debtors' directors and officers contained in the Plan have the consent of the Debtors and the Releasing Parties and are in the best interests of the Estates.

65. The releases of the other Released Parties, including, among others, the Consenting BrandCo Lenders, the Consenting 2016 Lenders, and the Creditors' Committee and each of its members, in their capacity as such, are an integral component of the settlements and compromises

embodied in the Plan and are given for good and valuable consideration provided by the Released Parties. The Third-Party Releases (as defined below) facilitated participation by the Released Parties in both the Plan and the chapter 11 process and were critical in reaching consensus to support the Plan. The releases in favor of the Released Parties were a necessary element of consideration that the Consenting BrandCo Lenders, the Consenting 2016 Lenders, and the Creditors' Committee required as a condition to entering into the Restructuring Support Agreement and agreeing to support the Plan, including by, as applicable, providing committed exit financing for the Plan. Among other things, the Released Parties, as applicable, have agreed to equitize a significant portion of their Claims to significantly deleverage the Debtors' prepetition capital structure, provide exit financing commitments through the Backstop Commitment Agreement and Debt Commitment Letter, and otherwise facilitate the implementation of the Restructuring Transactions contemplated by the Plan to position the Debtors for future success post-emergence. The releases of the Released Parties contained in the Plan have the consent of the Debtors and the other Releasing Parties and are in the best interests of the Debtors' Estates.

QQ. The Debtor Release

66. The releases of Causes of Action by the Debtors described in Article X.D of the Plan in accordance with section 1123(b) of the Bankruptcy Code (the "Debtor Release") are: (a) essential to the Confirmation of the Plan; (b) a valid exercise of the Debtors' business judgment under section 363 of the Bankruptcy Code and Bankruptcy Rule 9019; (c) in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (d) a good faith settlement and compromise of the Causes of Action released by the Debtor Release; (e) in the best interests of the Debtors, their Estates, and all Holders of Claims and Interests; (f) fair, equitable, and reasonable; (g) given and made after due notice and opportunity for hearing; and (h) a bar to any of the Debtors, the Reorganized Debtors, the Estates, or any other party acting

derivatively on behalf of any of the foregoing asserting any Cause of Action released pursuant to the Debtor Release.

67. Specifically, the Debtor Release is an integral part of the Plan and is in the best interests of the Debtors' Estates as a component of the comprehensive settlement implemented under the Plan. The probability of success in litigation with respect to the released Causes of Action, when weighed against the costs, supports the Debtor Release. The Plan, including the Debtor Release, was negotiated by sophisticated parties represented by able counsel and advisors, including the Consenting Creditor Parties. The Debtor Release is therefore the result of a hard fought and arm's-length negotiation conducted in good faith.

68. The Debtor Release appropriately offers protection to parties that contributed to the Debtors' restructuring process. Each of the Released Parties made significant concessions in and contributions to these Chapter 11 Cases. The Debtor Release for the Debtors' directors and officers is appropriate because the Debtors' directors and officers share an identity of interest with the Debtors, supported the Plan and these Chapter 11 Cases, actively participated in meetings, hearings, and negotiations during these Chapter 11 Cases, and have provided other valuable consideration to the Debtors to facilitate the Debtors' reorganization. The Debtor Release of the Consenting Creditor Parties party to the Restructuring Support Agreement (which has the broad support of parties across the Debtors' capital structure) is appropriate because the Consenting Creditor Parties have agreed, as applicable, to equitize a significant portion of their Claims, actively support the Plan and the Chapter 11 Cases, waive substantial rights and Claims against the Debtors under the Plan, and provide exit financing commitments through the Backstop Commitment Agreement and Debt Commitment Letter, each in order to significantly deleverage the Debtors' prepetition capital structure and provide additional liquidity.

69. The scope of the Debtor Release is appropriately tailored to the facts and circumstances of the Chapter 11 Cases. The Debtor Release is appropriate in light of, among other things, the value provided by the Released Parties to the Debtors' Estates and the critical importance of the Debtor Release to the Plan.

RR. The Third-Party Releases

70. Article X.E of the Plan describes certain releases granted by the Releasing Parties (the "Third-Party Releases"). The Third-Party Releases are an essential provision of the Plan and are: (a) essential to the Confirmation of the Plan; (b) given in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (c) a good faith settlement and compromise of the Causes of Action released by the Third-Party Release; (d) materially beneficial to, and in the best interests of, the Debtors, their Estates and their stakeholders, and important to the overall objectives of the Plan; (e) fair, equitable, and reasonable; (f) given and made after due notice and opportunity for hearing; (g) consensual under applicable law; (h) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release; and (i) consistent with sections 105, 524, 1123, 1129, and 1141 and other applicable provisions of the Bankruptcy Code.

71. Specifically, like the Debtor Release, the Third-Party Releases facilitated participation of parties-in-interest in both the Plan process and the chapter 11 process generally. The Third-Party Releases were critical to incentivizing parties-in-interest to support the Plan by providing critical concessions and funding, and to preventing costly and time-consuming litigation regarding various parties' respective rights and interests. The Third-Party Releases were a core negotiation point and instrumental in developing a Plan that maximized value for all of the Debtors' stakeholders. The Third-Party Releases are designed to provide finality for the Debtors, the Reorganized Debtors, and the Released Parties. As such, the Third-Party Releases

appropriately offer certain protections to parties who constructively participated in the Debtors' restructuring.

72. The Third-Party Releases are consensual. The Plan, the Disclosure Statement, the Solicitation Materials, and the opt-in and opt-out notices provide appropriate and specific disclosure with respect to the Entities and Causes of Action that are subject to the Third-Party Releases and no additional disclosure is necessary. As evidenced by the Solicitation Affidavits, the Debtors provided actual notice to all known parties-in-interest, including all known Holders of Claims and Interests, as well as published notice in national and international publications for the benefit of unknown parties-in-interest, and no further or other notice is necessary. Additionally, the release provisions of the Plan were conspicuous, emphasized with boldface type in the Plan, the Disclosure Statement, the Ballots, and the applicable notices. All Releasing Parties (except for Holders of Interests in Holdings) were properly informed that unless they checked the "Opt Out" box on the applicable Ballot or opt-out form and returned the same in advance of the Voting Deadline, they would be deemed to have expressly consented to the release of all Claims and Causes of Action against the Released Parties. Holders of Interests in Holdings were properly informed that they would only be found to have consented to the Third-Party Releases if they affirmatively elected to opt in to such releases.

73. The scope of the Third-Party Releases are appropriately tailored to the facts and circumstances of these Chapter 11 Cases.

74. In light of, among other things, the consensual nature of the Third-Party Releases, the critical role of the Third-Party Releases in obtaining the requisite support of the Debtors' stakeholders needed to confirm the Plan, and the significant value provided by the Released Parties to the Debtors' Estates, the Third-Party Releases are appropriate.

SS. Exculpation

75. The exculpation provisions set forth in Article X.F of the Plan are essential to the Plan, appropriate under applicable law, and constitute a proper exercise of the Debtors' business judgment. The exculpation provisions were proposed in good faith, were formulated following extensive arm's-length negotiations with key constituents, and are appropriately limited in scope to achieve the overall purpose of the Plan. Each Exculpated Party made significant contributions to the Chapter 11 Cases, including with respect to the negotiation and implementation of the restructuring embodied in the Plan. Each Exculpated Party participated in good faith and in compliance with applicable law with regard to the solicitation of, and distribution of consideration pursuant to, the Plan and, therefore, is not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan. The exculpation provisions do not relieve any party of liability for an act or omission to the extent such act or omission is determined by a Final Order of a court of competent jurisdiction to have constituted actual fraud, willful misconduct, or gross negligence. The record in the Chapter 11 Cases fully supports the exculpation provisions, which are appropriately tailored to protect the Exculpated Parties from inappropriate litigation arising from their participation in the Chapter 11 Cases and the Debtors' restructuring and are consistent with the Bankruptcy Code and applicable law.

TT. Injunction

76. The injunction provisions set forth in Article X.G of the Plan are essential to the Plan and are necessary to implement, preserve, and enforce the discharge, release, and exculpation provisions of the Plan. The injunction provisions are appropriately tailored to achieve those purposes.

UU. Approval of the Exit Facilities

77. The Exit Facilities are, individually and collectively, an essential element of the Plan, are necessary for Confirmation and the Consummation of the Plan, and are critical to the overall success and feasibility of the Plan and the operations of the Reorganized Debtors. Entry into the Exit Facilities Documents is in the best interests of the Debtors, their Estates, and all Holders of Claims or Interests. The Debtors have exercised reasonable business judgment in determining to enter into the Exit Facilities Documents and have provided sufficient and adequate notice of the material terms of the Exit Facilities, which were filed as part of the Plan Supplement, final forms of which will be filed upon completion. The terms and conditions of the Exit Facilities are fair and reasonable, reflect the Debtors' exercise of prudent business judgment consistent with fiduciary duties, are supported by reasonably equivalent value and fair consideration, and have been negotiated in good faith and at arm's length. Any credit extended and loans made or deemed made to the Reorganized Debtors by the Exit Facilities Lenders, and any liens granted by the Reorganized Debtors, in each case, pursuant to the applicable Exit Facilities Documents, and any fees paid or to be paid thereunder, are deemed to have been extended, issued, granted, and made or deemed made in good faith and for legitimate business purposes, shall not be subject to recharacterization for any purposes whatsoever, and shall not constitute preferential transfers, fraudulent conveyances or other avoidable transfers under the Bankruptcy Code or any other applicable non-bankruptcy law. Each party to the Exit Facilities Documents may rely upon the provisions of this Confirmation Order in closing the Exit Facilities. The Debtors are authorized, without further approval of the Bankruptcy Court or any other party, to execute and deliver all agreements, engagement letters, commitment letters, letters of intent, fee letters (including, for the avoidance of doubt, that certain letter dated March 24, 2023, among RCPC and Blue Torch Capital LP [Docket No. 1706, Ex. O] (the "Blue Torch Letter")), documents, instruments, and certificates

relating to the Exit Facilities and perform their obligations thereunder, including but not limited to payment of any fees or indemnities, in accordance with, and subject to, the terms of those agreements.

VV. New Securities

78. The New Common Stock, the Equity Subscription Rights, and the New Warrants issued under the Plan are an essential element of the Plan, are necessary for Confirmation and Consummation of the Plan, and are critical to the overall success and feasibility of the Plan. Entry into the instruments evidencing or relating to the New Common Stock, the Equity Subscription Rights, and the New Warrants is in the best interests of the Debtors, their Estates, and all Holders of Claims and Interests. The Debtors have exercised reasonable business judgment in determining to enter into the instruments evidencing or relating to the New Common Stock, the Equity Subscription Rights, and the New Warrants, including the LLC Agreement, the other New Organizational Documents and the New Warrant Agreement, and have provided sufficient and adequate notice of the material terms of such instruments, which material terms were filed as part of the Plan Supplement, final forms of which will be filed upon completion. The terms and conditions of the instruments evidencing or relating to the New Common Stock, the Equity Subscription Rights, and the New Warrants, including the LLC Agreement, the other New Organizational Documents and the New Warrant Agreement, are fair and reasonable, and were negotiated in good faith and at arm's length. The Debtors and the Reorganized Debtors are authorized, without further approval of this Court, to execute and deliver all agreements, documents, instruments and certificates relating to the New Common Stock, the Equity Subscription Rights, and the New Warrants and to perform their obligations thereunder in accordance with, and subject to, the terms of those agreements.

WW. PBGC

79. The Reorganized Debtors have agreed to provide the PBGC, upon request, with the quarterly and annual (a) consolidated balance sheet and consolidated statements of income and of cash flows of the Reorganized Holdings and its consolidated subsidiaries and (b) management's discussion and analysis of the material operational and financial developments during such period, that are provided to holders of the New Common Stock and the New Warrants under the LLC Agreement and the New Warrant Agreement.

XX. Disclosure of Facts

80. The Debtors have disclosed all material facts regarding the Plan, the Plan Documents, and the adoption, execution, and implementation of the other matters provided for under the Plan involving corporate action to be taken by or required of the Debtors.

YY. Retention of Jurisdiction

81. Except as otherwise provided in the Plan, any of the Plan Documents, or this Confirmation Order, the Court shall retain jurisdiction over the Chapter 11 Cases and all matters arising out of, or related to, the Chapter 11 Cases and the Plan, including the matters set forth in Article XIII of the Plan.

ORDER

BASED ON THE FOREGOING, IT IS HEREBY ORDERED THAT:

82. Confirmation. The Plan, attached hereto as **Exhibit B**, and each of its provisions are confirmed pursuant to section 1129 of the Bankruptcy Code. The documents contained in or contemplated by the Plan, including the Plan Supplement and other Plan Documents, are hereby authorized and approved. The terms of the Plan, including the Plan Supplement, are incorporated herein by reference and are an integral part of this Confirmation Order. The Debtors are authorized to implement and consummate the Plan and the Plan Documents, including taking all actions

necessary, advisable, or appropriate to finalize the Plan Documents and to effectuate the Plan and the Restructuring Transactions, without any further authorization or action by any person, body or board of directors except as may be expressly required by the Plan or this Confirmation Order. The terms of the Plan (including all consent rights provided therein, the Plan Supplement, and all exhibits thereto) and all other relevant and necessary documents shall be effective and binding as of the Effective Date on all parties-in-interest, including the Reorganized Debtors and all Holders of Claims and Interests. Any amendments or modifications to the Plan described or set forth in this Confirmation Order are hereby approved, without further order of the Bankruptcy Court.

83. Objections. All objections to Confirmation of the Plan and other responses, comments, statements, or reservation of rights, if any, in opposition to the Plan have been overruled in their entirety and on the merits to the extent not otherwise withdrawn, waived, or otherwise resolved by the Debtors prior to entry of this Confirmation Order or on the record at, the Confirmation Hearing, unless otherwise indicated herein. All withdrawn objections, if any, are deemed withdrawn with prejudice.

84. Omission of Reference to Particular Plan Provisions. The failure to specifically describe, include, or refer to any particular article, section, or provision of the Plan or the Plan Documents in this Confirmation Order shall not diminish or impair the effectiveness or enforceability of such article, section, or provision, nor constitute a waiver thereof, and such provision shall have the same validity, binding effect, and enforceability as every other provision, it being the intent of this Court that the Plan is confirmed in its entirety and incorporated herein by reference.

85. Deemed Acceptance of the Plan as Modified. In accordance with section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019, all Holders of Claims who voted to accept the

Plan or who are conclusively presumed to have accepted the Plan are deemed to accept the Plan, subject to modifications, if any. No Holder of a Claim shall be permitted to change its vote as a consequence of Plan modifications (including modifications to the Plan Supplement). All modifications to the Plan (including the Plan Supplement) made after the Solicitation Date are hereby approved, pursuant to section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019.

86. Continued Corporate Existence. Except as otherwise provided in the Plan, the Description of Transaction Steps, or any agreement, instrument, or other document incorporated in the Plan or the Plan Supplement, on the Effective Date, each Debtor shall continue to exist after the Effective Date as a Reorganized Debtor and as a separate corporation, limited liability company, partnership, or other form of entity, as the case may be, with all the powers of a corporation, limited liability company, partnership, or other form of entity, as the case may be, pursuant to the applicable law in the jurisdiction in which each applicable Debtor is incorporated or formed and pursuant to the respective certificate of incorporation and bylaws (or other analogous formation or governing documents) in effect before the Effective Date, except to the extent such certificate of incorporation and bylaws (or other analogous formation or governing documents) are amended by the Plan or otherwise amended in accordance with applicable law; *provided* that, prior to the Effective Date, the Debtors and the Consenting BrandCo Lenders shall engage in good faith to execute mutually acceptable amendments with respect to the licensing of all intellectual property owned by the Debtors and any additional transactions or considerations related thereto. To the extent such documents are amended, such documents are deemed to be amended pursuant to the Plan and require no further action or approval (other than any requisite filings required under applicable state, federal, or foreign law).

87. Vesting of Assets. Except as otherwise provided in the Plan (including the Plan Supplement), the Plan Documents, or this Confirmation Order, on the Effective Date, pursuant to sections 1141(b) and (c) of the Bankruptcy Code, all property (including all interests, rights, and privileges related thereto) in each Debtor's Estate, all Retained Causes of Action, and any property acquired by any of the Debtors pursuant to the Plan, including Interests held by the Debtors in any non-Debtor Affiliates, shall vest in the applicable Reorganized Debtor, free and clear of all Liens, Claims, charges, encumbrances, or other interests, unless expressly provided otherwise by the Plan or this Confirmation Order, subject to and in accordance with the Plan, including the Description of Transaction Steps. On and after the Effective Date, except as otherwise provided in the Plan or this Confirmation Order, each Reorganized Debtor may operate its business and may use, acquire, or dispose of property and compromise or settle any Claims, Interests, or Causes of Action without supervision or approval by the Bankruptcy Court and free of any restrictions of the Bankruptcy Code or the Bankruptcy Rules. Without limiting the foregoing, the Reorganized Debtors may pay the charges that they incur on or after the Confirmation Date for professional fees, disbursements, expenses, or related support services without application to the Bankruptcy Court, but subject in all respects to the Final DIP Order and the Plan.

88. Plan Implementation. The transactions described in the Plan, the Plan Documents, and this Confirmation Order, including the Restructuring Transactions, are hereby approved. On or before the Effective Date, and after the Effective Date, as necessary, and without any further order of the Court, other authority, or corporate action, the Debtors or the Reorganized Debtors (or any agent on behalf of parties entitled to receive New Common Stock), as applicable, and their respective directors, managers, officers, employees, members, agents (including stock transfer agents and Disbursing Agents), attorneys, financial advisors, and investment bankers are

authorized and empowered pursuant to section 1142(b) of the Bankruptcy Code and other applicable laws to and shall (a) grant, issue, execute, deliver, file, or record any agreement, document, or security, and the documents contained in the Plan or the Plan Documents or described in the Description of Transaction Steps (as modified, amended, and supplemented pursuant to the provisions of the Plan governing such modifications, amendments, and supplements), or any other documents related thereto and (b) take any action necessary, advisable, or appropriate to implement, effectuate, and consummate the Plan, the Plan Documents, the Restructuring Transactions, or this Confirmation Order (as set forth in the Description of Transaction Steps or otherwise), including, but not limited to, the New Organizational Documents, the Exit Facilities Documents (or documentation relating to any Alternative Exit Financing), the Equity Rights Offering Documents, the New Warrant Agreement, any documentation related to the New Common Stock or the Restructuring Transactions, the Global Bonus Program, the Enhanced Cash Incentive Program, the Amended Revlon Executive Severance Pay Plan, the Amended CEO Employment Agreement, and any actions necessary, advisable, or appropriate to effectuate the issuance and/or distribution of New Common Stock and New Warrants to be issued pursuant to the Plan, including making filings or recordings that may be required by applicable law. All such actions taken or caused to be taken shall be deemed to have been authorized and approved by the Court without further approval, act, or action under any applicable law, order, rule, or regulation, including, among other things, (x) all transfers of assets that are to occur pursuant to the Plan, the Plan Documents, or this Confirmation Order, (y) the incurrence of all obligations contemplated by the Plan, the Restructuring Transactions, the Plan Documents, or this Confirmation Order and the making of all distributions under the Plan, the Plan Documents, or this Confirmation Order, and (z) entering into any and all transactions, contracts, leases, instruments, releases, and other

documents and arrangements permitted by applicable law, order, rule, or regulation; *provided* that such actions shall be subject to the Restructuring Support Agreement. The approvals and authorizations specifically set forth in this Confirmation Order are nonexclusive and are not intended to limit the authority of the Debtors or the Reorganized Debtors (or any agent on behalf of parties entitled to receive New Common Stock), as applicable, and their respective directors, managers, officers, employees, members, agents (including stock transfer agents and Disbursing Agents), attorneys, financial advisors, and investment bankers to take any and all actions necessary, advisable, or appropriate to implement, effectuate, and consummate any and all documents or transactions contemplated by the Plan, the Plan Documents, or this Confirmation Order pursuant to section 1142(b) of the Bankruptcy Code. Pursuant to section 1142 of the Bankruptcy Code, to the extent that, under applicable non-bankruptcy law or the rules of any stock exchange, any of the foregoing actions that would otherwise require approval of the equityholders, directors, or managers (or any equivalent body) of the Debtors or the Reorganized Debtors, as applicable, such approval shall be deemed to have occurred and shall be in effect from and after the Effective Date without any further action by the equityholders, directors, or managers (or any equivalent body) of the Debtors or the Reorganized Debtors. Prior to, on, or as soon as reasonably practicable after the Effective Date, the Debtors or the Reorganized Debtors shall, if required, file any documents required to be filed in such jurisdictions so as to effectuate the provisions of the Plan, the Plan Documents, and the Restructuring Transactions. Any or all documents contemplated herein shall be accepted by each of the respective filing offices and recorded, if required, in accordance with applicable law. All counterparties to any documents described in this paragraph are hereby directed to execute such documents as may be required or provided by such documents, without any further order of the Court. Each of the Plan Documents, once executed,

constitutes a legal, valid, binding, and authorized obligation of the respective parties thereto, enforceable in accordance with its terms, and the terms contained in each such executed Plan Document shall supersede any description of such terms contained in the Plan or the Plan Supplement or otherwise set forth in a term sheet or unexecuted version of such document.

89. No Action. Pursuant to section 1142(b) of the Bankruptcy Code and other applicable law, this Confirmation Order shall constitute authorization for the Debtors or the Reorganized Debtors to enter into, execute, deliver, file, adopt, amend, restate, consummate, or effectuate, as the case may be, the Plan, the Plan Documents, the Restructuring Transactions, this Confirmation Order, and any contract, instrument, or other document to be executed, delivered, adopted, or amended in connection with the implementation of the Plan, the Plan Documents, the Restructuring Transactions, or this Confirmation Order, and the respective directors, stockholders, managers, or members of the Debtors or the Reorganized Debtors shall not be required to take any actions in connection with the implementation of the Plan, the Plan Documents, or this Confirmation Order. The Reorganized Debtors may also, consistent with the Plan and Plan Documents, take any additional steps on, prior to, and after the Effective Date to consolidate and streamline their organization, including, among other things, the merger, liquidation, dissolution, or consolidation of one or more of the Debtors or Reorganized Debtors. The Plan Documents are hereby approved, adopted and effective upon the Effective Date.

90. Immediate Binding Effect. Notwithstanding Bankruptcy Rules 3020(e), 6004(h), 7062 or otherwise, four (4) days after entry of this Confirmation Order and subject to Article XI of the Plan and occurrence of the Effective Date, the Plan, the Plan Documents, and this Confirmation Order shall be immediately effective and enforceable and deemed binding upon the Debtors, the Reorganized Debtors, all Entities that are parties to or are subject to the settlements,

compromises, releases, discharges, and injunctions described in the Plan and this Confirmation Order, each Entity acquiring property under the Plan or this Confirmation Order, any and all non-Debtor parties to Executory Contracts and Unexpired Leases with the Debtors, any Holder of a Claim or Interest, and each of their respective heirs executors, administrators, successors, and assigns, whether or not: (a) the Claim or Interest is Impaired under the Plan; (b) such Holder has accepted or rejected the Plan; (c) such Holder has failed to vote to accept or reject the Plan; (d) such Holder is entitled to a distribution under the Plan; (e) such Holder will receive or retain any property or interests in property under the Plan; or (f) such Holder has filed a Proof of Claim in the Chapter 11 Cases.

91. Equity Rights Offering. On the Effective Date, the Reorganized Debtors shall consummate the Equity Rights Offering in accordance with the Equity Rights Offering Documents, the Plan, and this Confirmation Order. Entry of this Confirmation Order shall constitute an approval of the Equity Rights Offering (including the transactions contemplated thereby, and all actions to be undertaken, undertakings to be made, and obligations to be incurred by Reorganized Holdings in connection therewith). On the Effective Date, as provided in the Description of Transaction Steps, the rights and obligations of the Debtors under the Backstop Commitment Agreement shall vest in the Reorganized Debtors, as applicable.

92. New Common Stock. On the Effective Date, the shares of New Common Stock shall be issued by Reorganized Holdings as provided for in the Description of Transaction Steps pursuant to, and in accordance with, the Plan and the Equity Rights Offering Documents. All Holders of New Common Stock (whether issued and distributed under the Plan, pursuant to the Equity Rights Offering Documents, or otherwise, and in each case, whether such New Common Stock is held directly or indirectly through the facilities of DTC) shall be deemed to be a party to,

and bound by, the LLC Agreement and the other applicable New Organizational Documents, in accordance with their terms, without the requirement to execute a signature page thereto.

93. All of the New Common Stock (including the New Common Stock issued in connection with the Equity Rights Offering (including, for the avoidance of doubt, any New Common Stock issued pursuant to the Backstop Commitment Agreement) and/or upon the exercise of the New Warrants) issued pursuant to the Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance of New Common Stock under the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the New Organizational Documents and other instruments evidencing or relating to such distribution or issuance, including the Equity Rights Offering Documents, as applicable, which terms and conditions shall bind each Entity receiving such distribution or issuance. For the avoidance of doubt, the acceptance of New Common Stock by any Holder of any Claim or Interest or any other Entity shall be deemed as such Holder's or Entity's agreement to the applicable New Organizational Documents, as may be amended or modified from time to time following the Effective Date in accordance with their terms.

94. New Warrants. To the extent all or any portion of the New Warrants are required to be issued pursuant to the Plan, Reorganized Holdings shall issue such New Warrants on the Effective Date in accordance with the New Warrant Agreement and distribute them in accordance with the Plan. All of the New Common Stock issued upon exercise of the New Warrants issued pursuant to the Plan shall, when so issued and upon payment of the exercise price in accordance with the terms of the New Warrants, be duly authorized, validly issued, fully paid, and non-assessable.

95. Section 1145 of the Bankruptcy Code. Pursuant to section 1145 of the Bankruptcy Code, the offer, issuance, and distribution of the New Securities (other than the Reserved Shares or any Unsubscribed Shares, as described in Article VIII.G.2 of the Plan) by Reorganized Holdings as contemplated by the Plan (including the issuance of New Common Stock upon exercise of the Equity Subscription Rights and/or the New Warrants) is exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution or sale of securities. The New Securities issued by Reorganized Holdings pursuant to section 1145 of the Bankruptcy Code (a) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (b) are freely tradable and transferable by any initial recipient thereof that (i) is not an "affiliate" of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (ii) has not been such an "affiliate" within ninety (90) calendar days of such transfer, (iii) has not acquired the New Securities from an "affiliate" within one year of such transfer, and (iv) is not an entity that is an "underwriter" as defined in section 1145(b) of the Bankruptcy Code; *provided* that transfer of the New Securities may be restricted by the LLC Agreement, the other New Organizational Documents, and the New Warrant Agreement.

96. Section 4(a)(2) of the Securities Act. The offer (to the extent applicable), issuance, and distribution of the Reserved Shares and the Unsubscribed Shares shall be exempt (including with respect to an entity that is an "underwriter" as defined in subsection (b) of section 1145 of the Bankruptcy Code) from registration under the Securities Act pursuant to Section 4(a)(2) thereof and/or Regulation D thereunder. The Reserved Shares and the Unsubscribed Shares will be "restricted securities" subject to resale restrictions and may be resold, exchanged, assigned, or otherwise transferred only pursuant to registration or an applicable exemption from registration

under the Securities Act and other applicable law. Each of the Equity Commitment Parties has made customary representations to the Debtors, including that each is an "accredited investor" (within the meaning of Rule 501(a) of the Securities Act) or a qualified institutional buyer (as defined under Rule 144A promulgated under the Securities Act).

97. DTC. Should the Reorganized Debtors elect on or after the Effective Date to reflect any ownership of the New Securities through the facilities of DTC, the Reorganized Debtors need not provide any further evidence other than the Plan or this Confirmation Order with respect to the treatment of transfers, exercise, removal of restrictions, or conversion of New Securities under applicable U.S. federal, state, or local securities laws. DTC is required to accept and conclusively rely upon the Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Securities are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services. Each Entity that becomes a Holder of New Common Stock indirectly through the facilities of DTC will be deemed bound by the terms and conditions of the LLC Agreement and other applicable New Organizational Documents and shall be deemed to be a beneficial owner of New Common Stock subject to the terms and conditions of the LLC Agreement. Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, DTC) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Common Stock or the New Warrants (or New Common Stock issued upon exercise of the New Warrants) are exempt from registration and/or eligible for DTC book-entry delivery, settlement, and depository services.

98. New Organizational Documents. To the extent required under the Plan or applicable non-bankruptcy law, on or promptly after the Effective Date, the Reorganized Debtors

shall file their applicable New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in accordance with Article IV.G of the Plan. The New Organizational Documents shall, as of the Effective Date, be valid, binding, and enforceable in accordance with their terms, and each Holder of New Common Stock (including, without limitation, any New Common Stock issued upon exercise of the New Warrants) shall be bound thereby, in each case without the need for execution by any party thereto other than the Reorganized Debtors.

99. Management Incentive Plan. The Management Incentive Plan is hereby approved and authorized in all respects. By no later than January 1, 2024, the Reorganized Holdings Board shall implement the Management Incentive Plan that provides for the issuance of options and/or other equity-based compensation to the management and directors of the Reorganized Debtors in accordance with the Plan. The Reorganized Debtors and the New Boards are authorized to implement the Management Incentive Plan in accordance with Article IV.N of the Plan, which shall occur by no later than January 1, 2024. 7.5% of the New Common Stock, on a fully diluted basis, shall be reserved for issuance under the Management Incentive Plan. The participants in the Management Incentive Plan, the allocations and form of the options and other equity-based compensation to such participants (including the amount of the allocations and the timing of the grant of the options and other equity-based compensation), and the terms and conditions of such options and other equity-based compensation (including vesting, exercise prices, base values, hurdles, forfeiture, repurchase rights, and transferability) shall be determined by the Reorganized Holdings Board; *provided* that one-half of the MIP Equity Pool shall be awarded to participants under the Management Incentive Plan upon implementation no later than January 1, 2024.

100. KEIP/KERP. On the Effective Date, the Debtors shall pay, to KEIP and KERP participants, as applicable, (a) all KERP amounts earnable for the quarter in which the Effective Date occurs prorated for the period from the first day of such quarter through and including the Effective Date (or through and including the last day of the month in which the Effective Date occurs, as agreed to between the Debtors and the Required Consenting BrandCo Lenders), (b) all KEIP amounts (including any catch-up amounts) earned by the KEIP participants based on the Debtors' good faith estimates of performance for the quarter in which the Effective Date occurs prorated for the period from the first day of such quarter through and including the Effective Date (or through and including the last day of the month in which the Effective Date occurs, as agreed to between the Debtors and the Required Consenting BrandCo Lenders), and (c) all KEIP amounts (including any catch-up amounts) earned by the KEIP participants for quarters ending prior to the quarter in which the Effective Date occurs but which remain unpaid, based on the Debtors' good faith estimates of performance for such quarters, with such estimates to be subject to the approval of the Required Consenting BrandCo Lenders, with such approval not to be unreasonably withheld, conditioned, or delayed. Except as set forth in in this paragraph, the KEIP and KERP programs shall terminate effective as of the Effective Date (or on the last day of the month in which the Effective Date occurs, as agreed to between the Debtors and the Required Consenting BrandCo Lenders) and any clawback rights provided for under the KEIP or the KERP shall be released except as set forth in the Schedule of Retained Causes of Action.

101. Employment Obligations. Except as otherwise expressly provided in the Plan or the Plan Supplement, the Reorganized Debtors shall honor the Employment Obligations (a) existing and effective as of the Petition Date, (b) that were incurred or entered into in the ordinary course of business prior to the Effective Date, or (c) as otherwise agreed to between the Debtors

and the Required Consenting BrandCo Lenders on or prior to the Effective Date. Additionally, on the Effective Date, the Reorganized Debtors shall assume (a) the Amended CEO Employment Agreement, and (b) the Amended Revlon Executive Severance Pay Plan, in each case, as adopted in accordance with the Restructuring Support Agreement, and such assumed agreements shall supersede and replace any existing executive severance plan for directors and above and the existing employment agreement of the Debtors' chief executive officer.

102. Except as otherwise expressly provided in the Plan or the Plan Supplement, to the extent that any of the Employment Obligations are executory contracts, pursuant to sections 365 and 1123 of the Bankruptcy Code, each of them shall be deemed assumed as of the Effective Date and assigned to the applicable Reorganized Debtor. For the avoidance of doubt, the foregoing shall not (a) limit, diminish, or otherwise alter the Reorganized Debtors' defenses, claims, Causes of Action, or other rights with respect to the Employment Obligations, or (b) impair the rights of the Debtors or Reorganized Debtors, as applicable, to implement the Management Incentive Plan in accordance with its terms and conditions and to determine the Employment Obligations of the Reorganized Debtors in accordance with their applicable terms and conditions on or after the Effective Date, in each case consistent with the Plan.

103. On the Effective Date, the Debtors shall assume all collective bargaining agreements.

104. Enhanced Cash Incentive Program and the Global Bonus Program. The Enhanced Cash Incentive Program and the Global Bonus Program are hereby approved and authorized in all respects. As soon as practicable following the Effective Date (but no later than 21 days after the Effective Date, absent any ordinary course administrative delay that is not caused for purposes of circumventing this requirement by any equity holder or any member of the Reorganized Holdings

Board other than the Debtors' chief executive officer), in connection with the establishment of the Reorganized Holdings Board, the Reorganized Holdings Board shall approve, adopt, and affirm, as applicable, the implementation of (a) the Enhanced Cash Incentive Program, and (b) the Global Bonus Program, in each case, in accordance with the Plan and the Restructuring Support Agreement and effective as of the Effective Date (or, if the Debtors and the Required Consenting BrandCo Lenders agreed to prorate the KERP and KEIP through a date later than the Effective Date under Article IV.L of the Plan, the first day after such date). The Reorganized Holdings Board will be deemed to have granted the Cash Bonus Opportunity (as defined in the Amended CEO Employment Agreement) at such first meeting after the Effective Date absent affirmative action by the Reorganized Holdings Board to either adopt an acceptable Enhanced Cash Incentive Program or revoke such default action prior to the conclusion of such meeting.

105. Plan Classification Controlling. The terms of the Plan shall govern the classification of Claims and Interests for purposes of the distributions to be made thereunder. The classifications set forth on the Ballots tendered to or returned by the Holders of Claims or Interests in connection with voting on the Plan: (a) were set forth on the Ballots solely for purposes of voting to accept or reject the Plan; (b) do not necessarily represent, and in no event shall be deemed to modify or otherwise affect, the actual classification of such Claims and Interests under the Plan for distribution purposes; (c) may not be relied upon by any Holder of a Claim or Interest as representing the actual classification of such Claim or Interest under the Plan for distribution purposes; and (d) shall not be binding on the Debtors except for voting purposes. All rights of the Debtors and the Reorganized Debtors to challenge, object to, or seek to reclassify Claims (other than Claims expressly Allowed under Article III of the Plan) and/or Interests are expressly reserved, and the corresponding rights of Holders of Claims are similarly reserved.

106. Operation as of the Effective Date. Upon occurrence of the Effective Date, the terms of the Plan, the Plan Documents, and this Confirmation Order shall be immediately effective and enforceable and deemed binding upon the Debtors, the Reorganized Debtors, any and all Holders of Claims against or Interests in the Debtors (irrespective of whether such Claims or Interests are presumed to have accepted or deemed to have rejected the Plan), all Entities that are parties to or are subject to the settlements, compromises, releases, discharges, and injunctions described in the Plan and this Confirmation Order, each Entity or Person giving, acquiring, or receiving property under the Plan, and any and all non-Debtor parties to Executory Contracts and Unexpired Leases with any of the Debtors.

107. Restructuring Transactions. The Restructuring Transactions pursuant to the Plan are approved and authorized in all respects. The Debtors and the Reorganized Debtors are authorized to implement and consummate the Restructuring Transactions (as may be modified, amended, and supplemented pursuant to the provisions of the Plan governing such modifications, amendments, and supplements) pursuant to the Plan, the Plan Documents, and this Confirmation Order and to enter into any transactions and to take any actions as many be necessary or appropriate to effectuate the Restructuring Transactions, including but not limited to the actions described in Article IV.B of the Plan. In accordance with section 1142 of the Bankruptcy Code and applicable non-bankruptcy law, such actions may be taken without further action by any stockholders, managers, or directors of any of the Debtors or Reorganized Debtors. For purposes of consummating the Plan and the Restructuring Transactions, neither the occurrence of the Effective Date, any of the transactions contemplated in Article IV.B of the Plan, nor any of the transactions contemplated by the Description of Transactions Steps shall constitute a change of control under any agreement, contract, or document of the Debtors.

108. Distributions. All distributions pursuant to the Plan shall be made in accordance with Article VIII of the Plan, and such methods of distribution are approved. For the avoidance of doubt, except as otherwise provided in the Plan or this Confirmation Order, nothing in the Plan or this Confirmation Order shall affect the Debtors' or the Reorganized Debtors' rights regarding any Claims or Interests, including all rights in respect of legal and equitable defenses to, or setoffs or recoupment against, any such Claims or Interests. The Reorganized Debtors shall have no duty or obligation to make distributions to any holder of an Allowed Claim unless and until such Holder executes and delivers, in a form reasonably acceptable to the Reorganized Debtors, any and all documents applicable to such distributions in accordance with Article VIII of the Plan and/or responds to the Debtors' or Reorganized Debtors' reasonable requests for information necessary to facilitate a particular distribution as set forth in Article VIII of the Plan.

109. Retained Assets. To the extent that the retention by the Debtors or the Reorganized Debtors of assets held immediately prior to emergence in accordance with the Plan is deemed, in any instance, to constitute a "transfer" of property, such transfer of property to the Debtors or the Reorganized Debtors (a) is or shall be a legal, valid, and effective transfer of property; (b) vests or shall vest the Debtors or the Reorganized Debtors with good title to such property, free and clear of all liens, charges, Claims, encumbrances, or interests, except as expressly provided in the Plan or this Confirmation Order; (c) does not and shall not constitute an avoidable transfer under the Bankruptcy Code or under applicable nonbankruptcy law; and (d) does not and shall not subject the Debtors or the Reorganized Debtors to any liability by reason of such transfer under the Bankruptcy Code or under applicable nonbankruptcy law, including by laws affecting successor or transferee liability.

110. Treatment of Executory Contracts and Unexpired Leases. The provisions governing the treatment of Executory Contracts and Unexpired Leases set forth in Article VII of the Plan (including to the extent modified by this Confirmation Order) are hereby approved and authorized in their entirety. For the avoidance of doubt, as of and subject to the occurrence of the Effective Date and the payment of any applicable Cure Claims, all Executory Contracts and Unexpired Leases to which any of the Debtors are a party and which have not expired by their own terms on or prior to the Effective Date, shall be deemed assumed except for any Executory Contracts and Unexpired Leases that (a) previously were assumed or rejected by the Debtors; (b) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; or (c) are the subject of a motion to reject such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such rejection is on or after the Effective Date. Any Executory Contracts and Unexpired Leases listed on the Schedule of Rejected Contracts will be deemed rejected as of the Effective Date.

111. Unless a party to an Executory Contract or Unexpired Lease has timely objected to the amount of the Cure Claim identified in the Cure Notice, the Debtors shall pay such Cure Claims in accordance with the terms of the Plan and the assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Cure Claim, other amount, or defaults, whether monetary or nonmonetary, including defaults of provisions restricting the change in control or ownership interest composition or other bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time prior to the effective date of assumption. Any Proofs of Claim Filed with respect to any Executory Contracts and Unexpired Leases that have been assumed or assumed and assigned in the Chapter 11 Cases, including pursuant to this Confirmation Order, shall be deemed Disallowed

and expunged without the need for any objection thereto or any further notice to or action, order, or approval of the Court or any other Entity upon the assumption of such Executory Contracts and Unexpired Leases.

112. Any party to an Executory Contract or Unexpired Lease whose contract is not listed on the Schedule of Rejected Executory Contracts and Unexpired Leases and has not received a Cure Notice listing a specific Cure Claim shall be deemed to have a Cure Claim of $0.00.

113. Any Executory Contracts and Unexpired Leases of the Debtors that are identified on the Schedule of Rejected Contracts as being rejected or that are otherwise rejected pursuant to the terms of the Plan or this Confirmation Order (collectively, the "Rejected Contracts") are rejected by the applicable Debtors, and such rejections are hereby approved by this Court pursuant to sections 365(a) and 1123 of the Bankruptcy Code, with such rejections effective as of, and subject to the occurrence of, the Effective Date. Rejection of any Rejected Contract pursuant to the Plan or otherwise will not constitute a termination of any preexisting obligations owed to the Debtors or the Reorganized Debtors, as applicable, under or in relation to such Rejected Contract. **Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be filed with the Bankruptcy Court or the Voting and Claims Agent and served on the Debtors or Reorganized Debtors, as applicable, by the later of (a) the applicable Claims Bar Date, and (b) thirty (30) calendar days after notice of such rejection is served on the applicable claimant.** Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be automatically Disallowed and forever barred from assertion and shall not be enforceable against the Debtors or the Reorganized Debtors, the Estates, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or

action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, including any Claims against any Debtor listed on the Schedules as unliquidated, contingent, or disputed, in accordance with Article VII.B of the Plan. Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as Other General Unsecured Claims and shall be treated in accordance with Article III of the Plan.

114. In accordance with Article VII.A of the Plan, and subject to certain limitations set forth therein, the Debtors or the Reorganized Debtors, as applicable, shall have the right to alter, amend, modify, or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases, including by way of adding or removing a particular Executory Contract or Unexpired Lease from the Schedule of Rejected Executory Contracts and Unexpired Leases, at any time through and including sixty (60) Business Days after the Effective Date.

115. Executory Contracts and Unexpired Leases entered into by the Debtors after the Petition Date shall remain enforceable after the Effective Date by all parties pursuant to their terms.

116. To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any "change of control" (whether direct or indirect) or "anti-assignment" provision, or similar provision implicated by a conversion of the form of entity of the Debtors or their Affiliates), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise

any other rights, including default-related rights, due to the conversion of the form of entity of, as applicable, the Debtors or their Affiliates thereto.

117. Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to this Confirmation Order, and for which any cure amount has been fully paid or for which the cure amount is $0 pursuant to Article VII of the Plan, shall be deemed Disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

118. Unless otherwise provided in the Plan, this Confirmation Order, or by separate order of the Court, each Executory Contract or Unexpired Lease that is assumed shall include (a) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affect such Executory Contract or Unexpired Lease, and (b) all Executory Contracts and Unexpired Leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated pursuant to an order of the Bankruptcy Court or under the Plan.

119. Except as otherwise provided by the Plan, this Confirmation Order, or by separate order of the Court, modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases and actions taken in accordance therewith (a) shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims against any Debtor that may arise in connection therewith, (b) are not and

do not create postpetition contracts or leases, (c) do not elevate to administrative expense priority any Claims of the counterparties to such Executory Contracts and Unexpired Leases against any of the Debtors, and (d) do not entitle any Entity to a Claim against any of the Debtors under any section of the Bankruptcy Code on account of the difference between the terms of any prepetition Executory Contracts or Unexpired Leases and subsequent modifications, amendments, supplements, or restatements.

120. Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Schedule of Rejected Executory Contracts and Unexpired Leases or any Cure Notice, nor anything contained in the Plan or the Plan Supplement, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If, prior to the Effective Date, there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors, or Reorganized Debtors, as applicable, shall have forty-five (45) calendar days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, including by rejecting such contract or lease *nunc pro tunc* to the Confirmation Date.

121. In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

122. Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, shall be performed by the applicable Debtor or Reorganized Debtor liable thereunder in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and

Unexpired Leases) that had not been rejected as of the date of Confirmation will survive and remain obligations of the applicable Reorganized Debtor.

123. Notwithstanding anything to the contrary in (a) this Confirmation Order, or (b) the Plan or any Cure Notice, as the Plan or any Cure Notice may be amended, modified, or supplemented from time to time, any amounts owed by the Debtors for postpetition goods or services received pursuant to an Executory Contract that is assumed pursuant to the Plan shall be paid in the ordinary course of business when due in accordance with the applicable contract.

124. The Court has made no ruling at the Confirmation Hearing or in this Confirmation Order regarding any unresolved objections to Cure Claims, including those that are marked as "unresolved" in the "Cure Objections" section of Exhibit A to the Confirmation Brief. The Debtors and the applicable counterparties are permitted to negotiate mutually agreeable resolutions to such objections. As set forth in Article VII.C of the Plan, any such objections shall be heard by the Bankruptcy Court on or before the Effective Date, unless a later date is agreed to between the Debtors or the Reorganized Debtors, on the one hand, and the counterparty to the Executory Contract or Unexpired Lease, on the other hand, or by order of the Bankruptcy Court.

125. SAP America. Notwithstanding anything to the contrary herein, nothing in this Order, the Plan, or any Cure Notice, shall be deemed to establish the cure amount for the Debtors to assume any Executory Contracts with SAP America, Inc., Concur Technologies, Inc., or Ariba, Inc. (the "SAP Parties"). The description, parties, and applicable cure amount of each Executory Contract between any Debtor and any SAP Party shall be subject to further agreement between the Debtors (with the consent of the Required Consenting BrandCo Lenders) and the SAP Parties, or should the parties be unable to reach an agreement, upon further Order of the Court following a request by either party for a scheduling order providing the SAP Parties the opportunity to object

to proposed identity and cure amount of an Executory Contract and the Debtors' the opportunity to reply.

126. Provisions Related to Hair Straightening Settlement. The provisions related to treatment of Hair Straightening Claims and insurance obligations set forth in the Plan, including Articles VII.F, VIII.L.3, and IX.A.6 of the Plan, are hereby incorporated in their entirety, approved in their entirety, and shall be immediately effective as of the Effective Date and binding on all Persons and Entities to the extent set forth therein.

127. All insurers under the Debtors' insurance policies are permanently enjoined, from and after the Effective Date, from taking any of the following actions against the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entity, or any assets of the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entities, or any collateral or security provided by or on behalf of the Debtors, the Reorganized Debtors, any of their respective Affiliates, and/or any other Entities: (a) commencing or continuing in any manner any cause of action, lawsuit, or other proceeding of any kind seeking to recover any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (c) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (d) asserting any right of setoff, subrogation,

contribution, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs.

128. All Hair Straightening Plaintiffs are permanently enjoined, from and after the Effective Date, from taking any of the following actions against the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entity, including the Debtors' insurers, or any assets of the Reorganized Debtors, any of their respective Affiliates, or any other Entities, or any collateral or security provided by or on behalf of the Debtors, the Reorganized Debtors, any of their respective Affiliates, and/or any other Entities: (a) commencing or continuing in any manner any cause of action, lawsuit, or other proceeding of any kind seeking to recover any amounts within any Hair Straightening Deductible or SIR Obligation other than a distribution pursuant to and in accordance with the Plan, if any, based on an Allowed Hair Straightening Claim; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any amounts within any Hair Straightening Deductible or SIR Obligation; (c) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any amounts within any Hair Straightening Deductible or SIR Obligation; (d) asserting any right of setoff, subrogation, contribution, or recoupment of any kind against any obligation due from such Entities or against

the property of such Entities on account of or in connection with or with respect to any amounts within any Hair Straightening Deductible or SIR Obligation; or (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any amounts within any Hair Straightening Deductible or SIR Obligation.

129. Exit Facilities. On the Effective Date, the Reorganized Debtors or their non-Debtor Affiliates, as applicable, shall enter into the applicable Exit Facilities Documents (including any Alternative Exit Financing Documents, as applicable) for (a) the First Lien Exit Facilities, consisting of the Take-Back Facility and the Incremental New Money Facility, (b) the Exit ABL Facility, (c) the Exit FILO Facility, (d) unless otherwise agreed to by the Debtors and the Required Consenting BrandCo Lenders, the New Foreign Facility, and (e) any Alternative Exit Financing, as applicable. All Holders of Class 5 2020 Term B-1 Loan Claims shall be deemed to be a party to, and bound by, the First Lien Exit Facilities Documents, regardless of whether such Holder has executed a signature page thereto.

130. The Exit Facilities and the Exit Facilities Documents (including the Alternative Exit Financing and the Alternative Exit Financing Documents, as applicable), all transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including but not limited to the payment of any fees and indemnities, are hereby approved, and the Reorganized Debtors are authorized to enter into, execute, and deliver the Exit Facilities Documents (including the Alternative Exit Financing Documents, as applicable) and such other documents as may be required to effectuate the treatment afforded by the foregoing, including but not limited to any commitment letters, engagement letters, letters of intent, and fee letters (including but not limited to the Blue Torch Letter). On the Effective Date, all of the Liens and security interests to be

granted by the Reorganized Debtors in accordance with the Exit Facilities Documents (including the Alternative Exit Financing Documents, as applicable) (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Exit Facilities Documents, (c) shall be deemed perfected on the Effective Date without the need for the taking of any further filing, recordation, approval, consent, or other action, and (d) shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Persons and Entities granted such Liens and security interests are authorized to make all filings and recordings, and to obtain all governmental approvals and consents, and to take any other actions necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and this Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of this Confirmation Order and any such filings, recordings, approvals, and consents shall not be required), and the Reorganized Debtors shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

131. Alternative Exit Financing. On the Effective Date, the Reorganized Debtors and their non-Debtor Affiliates, as applicable, are authorized, with the consent of the Required Consenting BrandCo Lenders (or, to the extent the First Lien Exit Facilities are being replaced in full, the Required Consenting 2020 B-2 Lenders), to incur alternative exit financing (the "Alternative Exit Financing") in lieu of all or a portion of the First Lien Exit Facilities, the

Exit ABL Facility, the Exit FILO Facility, and/or the New Foreign Facility in an aggregate principal amount that is less than or approximately equal to the sum of the principal amounts of the First Lien Exit Facilities, the Exit ABL Facility, the Exit FILO Facility, and/or the New Foreign Facility being replaced by such Alternative Exit Financing plus all fees, premiums, discounts, expenses and similar amounts with respect thereto (including amounts required to be paid in kind); *provided* that the Alternative Exit Financing incurred shall be in a form and on terms acceptable to the Required Consenting BrandCo Lenders (or, to the extent the First Lien Exit Facilities are being replaced in full, the Required Consenting 2020 B-2 Lenders) and on terms, taken as a whole, that are advantageous to the Reorganized Debtors, in the reasonable business judgment of the Debtors, as compared to the Exit Facilities or portions thereof that are replaced. The Alternative Exit Financing may be in any form, including senior secured bonds.

132. If the Debtors intend to incur any Alternative Exit Financing on the Effective Date, the Debtors shall file a notice on the docket of the Chapter 11 Cases setting forth the material terms of the Alternative Exit Financing(s) and the corresponding Exit Facility to be replaced by such Alternative Exit Financing at least three days prior to the closing of such Alternative Exit Financing. Such notice shall be deemed to provide all parties with due, adequate, and sufficient notice of the Alternative Exit Financing(s) and is in accordance with the Plan, the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, all other applicable laws, rules, and regulations, and no other or further notice is or shall be required. All provisions of this Confirmation Order and the Plan regarding the Exit Facilities shall apply to such Alternative Exit Financing(s) as if such financing and all documents and parties related thereto were incorporated into the definitions relating to the Exit Facilities, including the definitions of "Exit Facilities," "Exit Facilities Agents." "Exit Facilities Documents," and "Exit Facilities Lenders."

133. The Alternative Exit Financing and all agreements, documents, notes, pledges, collateral agreements, loan and security agreements, mortgages, control agreements, deeds of trust, intercreditor agreements, engagement letters, commitment letters, letters of intent, fee letters, and instruments (including any amendments, restatements, supplements, or modifications of any of the foregoing) delivered or executed in connection with the Alternative Exit Financing (collectively, the "Alternative Exit Financing Documents"), all transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, including but not limited to the payment of any fees and indemnities, are hereby approved, and the Reorganized Debtors are authorized to enter into, execute, and deliver the Alternative Exit Financing Documents and such other documents as may be required to effectuate the treatment afforded by the Alternative Exit Financing, including but not limited to any commitment letters, engagement letters, letters of intent, and fee letters. On the Effective Date, all of the Liens and security interests to be granted by the Reorganized Debtors in accordance with the Alternative Exit Financing Documents (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Alternative Exit Financing Documents, (c) shall be deemed perfected on the Effective Date without the need for the taking of any further filing, recordation, approval, consent, or other action, and (d) shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Persons and Entities granted such Liens and security interests are authorized to make all filings and recordings, and to obtain all governmental approvals and

consents, and to take any other actions necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and this Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of this Confirmation Order and any such filings, recordings, approvals, and consents shall not be required), and the Reorganized Debtors shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

134. Exemption from Transfer Taxes and Recording Fees. To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property pursuant to the Plan shall not be subject to any stamp tax, document recording tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, personal property transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment in the United States, or any state or political subdivision thereof. The appropriate federal, state, or local governmental officials or agents are directed to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation instruments or other documents pursuant to such transfers of property without the payment of any such tax or governmental assessment. Such exemption specifically applies, without limitation, to (a) the creation, modification, consolidation, or recording of any mortgage, deed of trust, Lien, or other security interest, or the securing of indebtedness by such means or other means, (b) the making or assignment of any lease or sublease, (c) any Restructuring Transaction authorized by the Plan, and (d) the making or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with the Plan, including: (i) any merger

135. Governmental Approvals Not Required. This Confirmation Order shall constitute all approvals and consents required, if any, by the laws, rules, or regulations of any state or any other governmental authority with respect to the implementation or consummation of the Plan and the Plan Documents.

136. Filing and Recording. This Confirmation Order is and shall be binding upon and shall govern the acts of all persons or entities including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, governmental agencies, secretaries of state, federal, state, and local officials, and all other Persons and Entities who may be required, by operation of law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any document or instrument, including, for the avoidance of doubt, the United States Patent and Trademark Office, the United States Copyright Office, and any other governmental intellectual property office. Each and every federal, state, and local government agency, including, for the avoidance of doubt, the United States Patent and Trademark Office, the United States Copyright Office, and any other governmental intellectual property office is hereby directed to accept any and all documents and instruments necessary, useful, or appropriate (including financing statements under the applicable uniform commercial code) to effectuate, implement, and consummate the transactions contemplated by the Plan and this Confirmation Order without payment of any stamp tax or similar tax imposed by state or local law.

137. Tax Withholding. In connection with the Plan, to the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Reorganized Debtors and the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information, documentation, and certifications necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable or appropriate. All Persons holding Claims against any Debtor shall be required to provide any information necessary for the Reorganized Debtors to comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit. The Reorganized Debtors reserve the right to allocate any distributions made under the Plan in compliance with applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

138. Notwithstanding any other provision of the Plan to the contrary, each Holder of an Allowed Claim shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit on account of such distribution.

139. Compromise and Settlement of Claims, Interests, and Controversies. Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for, and as a requirement to receive, the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith global and integrated compromise and settlement of all Claims, Interests, and controversies relating to the contractual, legal, and

subordination rights that any Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest, as well as any and all actual and potential disputes between and among the Company Entities (including, for clarity, between and among the BrandCo Entities, on the one hand, and the Non-BrandCo Entities on the other and including, with respect to each Debtor, such Debtors' Estate), the Creditors' Committee, the Consenting BrandCo Lenders, the Consenting 2016 Lenders, and each other Releasing Party and all other disputes that might impact creditor recoveries, including, without limitation, any and all issues relating to (a) the allocation of the economic burden of repayment of the ABL DIP Facility and Term DIP Facility and/or payment of adequate protection obligations provided pursuant to the Final DIP Order among the Debtors; (b) any and all disputes that might be raised impacting the allocation of value among the Debtors and their respective assets, including any and all disputes related to the Intercompany DIP Facility; and (c) any and all other Settled Claims, including the Financing Transactions Litigation Claims. The entry of this Confirmation Order shall constitute the Bankruptcy Court's approval of the Plan Settlement as well as a finding by the Bankruptcy Court that the Plan Settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. The Plan Settlement is binding upon all creditors and all other parties in interest pursuant to section 1141(a) of the Bankruptcy Code. In accordance with the provisions of the Plan, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against, and Interests in, the Debtors and their Estates and Causes of Action against other Entities.

140. Discharge of Claims and Termination of Interests. Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, this Confirmation Order, or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims, Interests, and Causes of Action of any nature whatsoever, including any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (a) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (b) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (c) the Holder of such a Claim or Interest has accepted the Plan. Any default or "event of default" by the Debtors or their Affiliates with respect to any Claim or Interest on account of the Filing of the Chapter 11 Cases or the Canadian Recognition Proceeding shall be deemed cured (and no longer continuing). This Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring.

141. Debtor Release; Third-Party Release. Each of the release provisions as set forth in, among others, Articles X.D and X.E of the Plan, is hereby incorporated in its entirety, approved in its entirety, and shall be immediately effective as of the Effective Date and binding on all Persons and Entities to the extent set forth therein.

142. Release of Liens. Except as otherwise specifically provided in the Plan, or any other Definitive Document, on the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, settled, discharged, and compromised, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall revert to the Reorganized Debtors and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or filing being required to be made by the Debtors. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such mortgages, deeds of trust, Liens, pledges, or other security interests.

143. In addition, the ABL Agents, BrandCo Agent, 2016 Agent, ABL DIP Facility Agent, and Term DIP Facility Agent shall execute and deliver all documents reasonably requested by the Debtors, the Reorganized Debtors, or the Exit Facilities Agents, as applicable, to evidence the release of such mortgages, deeds of trust, Liens, pledges, and other security interests and shall authorize the Debtors or Reorganized Debtors to file UCC-3 termination statements or other jurisdiction equivalents (to the extent applicable) with respect thereto.

144. Exculpation. The exculpation provisions set forth in Article X.F of the Plan are hereby incorporated in their entirety, approved in their entirety, and shall be immediately effective as of the Effective Date and binding on all Persons and Entities to the extent set forth therein.

> **Article X.G: Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities that have held, hold, or may hold claims or interests that have been released pursuant to Article X.D or Article X.E of the Plan or discharged pursuant to Article X.B of the Plan, or are subject to exculpation pursuant to Article X.F of the Plan, shall be permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests; (2 enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such claims or interests; (3) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such claims or interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such claims or interests unless such Entity has, on or before the Effective Date, asserted such setoff right in a document filed with the Bankruptcy Court explicitly preserving such setoff, and notwithstanding an indication of a claim or interest or otherwise that such Entity asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests released or settled pursuant to the Plan.**

146. Release of Certain Financing Transaction Litigation Claims. All claims and causes of action asserted in the Adversary Proceeding are hereby determined to be Estate Causes of Action and released under the Plan. All Persons shall be barred from pursuing any such claims or causes

Pro. No. 1:22-ap-1167 [Docket No. 130]). Any party that is not a Released Party is hereby prohibited from asserting any claim for indemnity or contribution against any Released Party arising out of or reasonably flowing from the claims or allegations in any claim that is released as against the Released Parties under the Plan. This paragraph shall become binding only upon occurrence of the Effective Date.

147. Regulatory Activities. Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan, or Confirmation Order, no provision shall (a) preclude the SEC or any other Governmental Unit from enforcing its police or regulatory powers or (b) enjoin, limit, impair, or delay the SEC from commencing or continuing any claims, causes of action, proceedings, or investigations against any non-Debtor person or non-Debtor entity in any forum.

148. Notice of Entry of Confirmation Order and Occurrence of the Effective Date. As soon as practicable after the Effective Date, the Debtors shall file with the Court and serve by first class mail or overnight delivery service a notice of the entry of this Confirmation Order and occurrence of the Effective Date (the "Confirmation and Effective Date Notice"), to all parties served with the Confirmation Hearing Notice. of *The Globe and Mail* in Canada. Mailing and publication of the Confirmation and Effective Date Notice in the time and manner set forth in this paragraph shall constitute adequate and sufficient notice pursuant to Bankruptcy Rules 2002 and 3020(c) of Confirmation and occurrence of the Effective Date.

149. The Confirmation and Effective Date Notice will have the effect of an order of the Court, will constitute sufficient notice of the entry of this Confirmation Order and occurrence of the Effective Date to filing and recording officers, including such officers at the United States Patent and Trademark Office, the United States Copyright Office, and any other governmental intellectual property offices, and will be a recordable instrument notwithstanding any contrary provision of applicable non-bankruptcy law.

150. Cancellation of Existing Indebtedness and Securities. Except as otherwise expressly provided in the Plan, this Confirmation Order, or any agreement, instrument, or other document entered into in connection with or pursuant to the Plan or the Restructuring Transactions, on the Effective Date, (a) all notes, bonds, indentures, certificates, securities, shares, equity securities, purchase rights, options, warrants, convertible securities or instruments, credit agreements, collateral agreements, subordination agreements, intercreditor agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any indebtedness or obligations of, or ownership interest in, the Debtors, or giving rise to any Claims against or Interests in the Debtors or to any rights or obligations relating to any Claims against or Interests in the Debtors (except with respect to such agreements, certificates, notes, or other instruments or documents evidencing indebtedness or obligation of, or ownership interest in, the Debtors that is specifically Reinstated, amended and Reinstated, or entered into pursuant to the Plan), including, without limitation, the 2016 Credit Agreement, the ABL Facility Credit

Notwithstanding the foregoing, Confirmation, or the occurrence of the Effective Date, any such document or instrument that governs the rights, claims, or remedies of the Holder of a Claim or Interest shall continue in effect solely for purposes of (a) enabling Holders of Allowed Claims to receive distributions under the Plan as provided herein and subject to the terms and conditions of the applicable governing document or instrument as set forth therein, and (b) allowing and preserving the rights of each of the applicable agents and indenture trustees to (i) make or direct the distributions in accordance with the Plan as provided herein and (ii) assert or maintain any rights for indemnification (including on account of the 2016 Agent Surviving Indemnity

Obligations) the applicable agent or indenture trustee may have arising under, and due pursuant to the terms of, the applicable governing document or instrument; *provided* that, subject to the treatment provisions of Article III of the Plan, no such indemnification may be sought from the Debtors, the Reorganized Debtors, or any Released Party. For the avoidance of doubt, nothing in this Plan shall, or shall be deemed to, alter, amend, discharge, limit, or otherwise impair the 2016 Agent Surviving Indemnity Obligations on or after the Effective Date, and any such obligation (whenever arising) survives Confirmation, Consummation, and the occurrence of the Effective Date, in each case in accordance with and subject to the terms and conditions of the 2016 Credit Agreement and regardless of the discharge and release of all Claims of the 2016 Agent against the Debtors or the Reorganized Debtors.

151. On the Effective Date, each holder of a certificate or instrument evidencing a Claim that is discharged by the Plan shall be deemed to have surrendered such certificate or instrument in accordance with the applicable indenture or agreement that governs the rights of such holder of such Claim. Such surrendered certificate or instrument shall be deemed canceled as set forth in, and subject to the exceptions set forth in, Article IV.E of the Plan.

152. Notwithstanding anything in Article IV.E of the Plan, the Unsecured Notes Indenture shall remain in effect solely with respect to the right of the Unsecured Notes Indenture Trustee to make Plan distributions in accordance with the Plan and to preserve the rights and protections of the Unsecured Notes Indenture Trustee with respect to the Holders of Unsecured Notes Claims, including the Unsecured Notes Indenture Trustee's charging lien and priority rights. Subject to the distribution of Class 8 Plan consideration delivered to it in accordance with the Unsecured Notes Indenture at the expense of the Reorganized Debtors, the Unsecured Notes

Indenture Trustee shall have no duties to Holders of Unsecured Notes Claims following the Effective Date of the Plan, including no duty to object to claims or treatment of other creditors.

153. Professional Compensation and Reimbursement Claims. All final requests for payment of Professional Compensation Claims shall be Filed no later than the first Business Day that is forty-five (45) calendar days after the Effective Date. Such requests shall be Filed with the Bankruptcy Court and served as required by the Interim Compensation Order and the Case Management Procedures, as applicable. After notice and a hearing in accordance with the procedures established by the Bankruptcy Code and any applicable Bankruptcy Court orders, the Allowed amounts of such Professional Compensation Claims shall be determined by the Bankruptcy Court. The Allowed amount of Professional Compensation Claims owing to the Professionals, after taking into account any prior payments to and retainers held by such Professionals, shall be paid in full in Cash to such Professionals from funds held in the Professional Fee Escrow as soon as reasonably practicable following the date when such Claims are Allowed by a Final Order. To the extent that funds held in the Professional Fee Escrow are unable to satisfy the Allowed amount of Professional Compensation Claims owing to the Professionals, each Professional shall have an Allowed Administrative Claim for any such deficiency, which shall be satisfied by the Reorganized Debtors in the ordinary course of business in accordance with Article II.B.2 of the Plan and notwithstanding any obligation to File Proofs of Claim or requests for payment on or before the Administrative Claims Bar Date. After all Professional Compensation Claims have been paid in full, the escrow agent shall promptly return any excess amounts held in the Professional Fee Escrow, if any, to the Reorganized Debtors, without any further action or Order of the Bankruptcy Court.

154. Establishment of the GUC Trust and the PI Settlement Fund. Each of the GUC Trust and the PI Settlement Fund shall be (a) established as of the Effective Date as trusts under applicable state law for the purposes described in the Plan, and (b) funded as and to the extent provided for in the Plan.

155. Approval of the GUC Trust Agreement and the PI Settlement Fund Agreement. The GUC Trust Agreement and the PI Settlement Fund Agreement, forms of which are filed in the Plan Supplement, are hereby approved, effective as of the Effective Date. The GUC Trust and the PI Settlement Fund shall be subject to the continuing jurisdiction of the Court.

156. Appointment of Trustees. The appointments of the initial GUC Administrator and the PI Claims Administrator in accordance with Articles IV.R, V and VI of the Plan are hereby approved, effective as of the Effective Date.

of the Plan unimpaired and unaffected. Each of the Reorganized Debtors' New Organizational Documents shall provide for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, employees, agents, managers, attorneys, and other professionals, at least to the same extent as such documents of each of the respective Debtors on the Petition Date but in no event greater than as permitted by law, against any Causes of Action. None of the Reorganized Debtors shall amend and/or restate its respective New Organizational Documents, on or after the Effective Date to terminate, reduce, discharge, impair or adversely affect in any way (a) any of the Reorganized Debtors' obligations referred to in the immediately preceding sentence or (b) the rights of such current and former directors, officers, employees, agents, managers, attorneys, and other professionals.

159. The Debtors are authorized to make all payments on account of fees and/or expenses incurred during the Chapter 11 Cases that are reimbursable pursuant to Indemnification Provisions that are assumed in accordance with Article IV.P of the Plan, including, for the avoidance of doubt, payments made on account of Indemnification Provisions contained in agreements between the Debtors and (a) Murray Devine & Co. Inc. and (b) their current and former directors and officers. All such payments are approved pursuant to section 1129(a)(4) of the Bankruptcy Code.

160. Vendor Deposits. Pursuant to section 363(b) of the Bankruptcy Code, and subject to applicable provisions of the Restructuring Support Agreement and the Final DIP Order, the Debtors, in the reasonable exercise of their business judgment, may provide deposits to critical vendors in exchange for enhanced trade terms on or prior to the Effective Date.

161. Texas Comptroller. Notwithstanding anything to the contrary in the Plan or the Confirmation Order the following provisions shall apply to Claims of the Texas Comptroller of Public Accounts (the "Texas Comptroller") and Texas Workforce Commission ("TWC"):

a. Nothing provided in the Plan or Confirmation Order shall affect or impair any valid statutory or common law setoff rights of the Texas Comptroller or TWC in accordance with 11 U.S.C. § 553.

b. Nothing provided in the Plan or Confirmation Order shall affect or impair any rights of the Texas Comptroller or TWC to pursue any non-debtor third parties for tax debts or claims. Neither the Texas Comptroller nor TWC is a Releasing Party as defined in the Plan, and the Texas Comptroller and TWC specifically opt out of all third-party releases, if any. The Texas Comptroller and TWC are not required to return an opt-out form.

c. Nothing provided in the Plan or Confirmation Order shall impact the ability of the Texas Comptroller or TWC to amend their claims at any point.

d. Nothing provided in the Plan or Confirmation Order shall be construed to preclude the payment of any Allowed Administrative Claim or Allowed Priority Tax Claim held by the Texas Comptroller or TWC.

e. Neither the Texas Comptroller nor TWC is required to file a request for the payment of an expense described in 11 U.S.C. § 503(b)(1)(B) or (C) pursuant to 11 U.S.C. § 503(b)(1)(D) as a condition of its being an allowed administrative expense and any post-petition tax claim(s) may instead be paid as and when they arise in the ordinary course of the Debtors' business.

f. For the avoidance of doubt, all Allowed Priority Tax Claims of the Texas Comptroller and TWC shall be treated in accordance with the terms set forth in section 1129(a)(9)(c) of the Bankruptcy Code beginning on the Effective Date. To the extent that interest is payable with respect to any Allowed Administrative Claim or Allowed Priority Tax Claim of the Texas Comptroller or TWC, such interest shall accrue at the statutory rate of interest pursuant to the Texas Tax Code 111.060, if applicable.

g. The Texas Comptroller and TWC preserve all available bankruptcy and state law remedies, if any, in the event of default of payment on claims as laid out herein above.

h. Nothing in this paragraph 161 (i) shall alter, modify, amend, affect, impair, or prejudice the legal, equitable, or contractual rights, obligations, and defenses of the Debtors, the Reorganized Debtors, or any other party under any applicable law or (ii) is an admission by any party that either the Texas Comptroller or TWC has Claims or setoff rights and the rights of the Debtors, the Reorganized

Debtors, and all other parties to contest any such Claims or setoff rights are hereby expressly preserved.

162. Mississippi Department of Revenue. Notwithstanding anything in the Plan or this Confirmation Order to the contrary:

a. The Mississippi Department of Revenue's (the "MDOR") setoff rights under section 553 of the Bankruptcy Code and recoupment rights, if any, are preserved;

b. The MDOR shall not be required to file any proofs of claim or requests for payment in the Chapter 11 Cases for any Administrative Claims for the liabilities described in section 503(b)(1)(B) and (C) of the Bankruptcy Code, and the Debtors or Reorganized Debtors, as applicable, shall timely submit returns and remit payment, including penalties and interest, for all taxes due or coming, as required under applicable Mississippi state law;

c. For the avoidance of doubt, all Allowed Priority Tax Claims of the MDOR shall be treated in accordance with the terms set forth in section 1129(a)(9)(c) of the Bankruptcy Code beginning on the Effective Date. To the extent that interest is payable with respect to any Allowed Priority Tax Claims, such interest shall be paid in accordance with sections 511 and 1129(a)(9)(C) of the Bankruptcy Code and Mississippi state law, as applicable;

d. The MDOR may timely amend any Proof of Claim against any Debtor after the Effective Date with respect to (a) a pending audit, or (b) an audit that may be performed, with respect to any pre or post-petition tax return; and (c) following the filing of a tax return; and

e. Nothing in this paragraph 162 (a) shall alter, modify, amend, affect, impair, or prejudice the legal, equitable, or contractual rights, obligations, and defenses of the Debtors, the Reorganized Debtors, or any other party under any applicable law or (ii) is an admission by any party that the MDOR has Claims or setoff rights and the rights of the Debtors, the Reorganized Debtors, and all other parties to contest any such Claims or setoff rights are hereby expressly preserved.

163. Defensive Rights for Talc Personal Injury Lawsuits**.** Nothing in the Plan or this Confirmation Order shall be construed to prevent or enjoin any non-Debtor named as a defendant in a talc personal injury lawsuit (including but not limited to Bristol-Myers Squibb Company ("BMS")) from seeking or raising allocation or apportionment of fault and judgment reduction, apportionment of damages, any other defenses, affirmative defenses, or judgment reduction

mechanisms or rights similar to the foregoing, and any steps necessary to assert the foregoing (collectively, the "Defensive Rights"), in each case, solely to reduce the liability, judgment, obligation or fault of the applicable non-Debtor party vis a vis talc personal injury claimants that assert any claims or causes of action against such non-Debtor party based in whole or in part on talc related personal injury claims. Such Defensive Rights (a) may be used only to offset, allocate, or apportion fault, liability, or damages, seek judgment reduction, or otherwise defend against any cause of action brought by any person against non-Debtor parties and (b) shall in no event be used to seek or obtain any affirmative monetary recovery from the Debtors or any other party released pursuant to the Plan.

164. Bristol-Myers Squibb Company. Notwithstanding anything to the contrary in the Plan or this Confirmation Order, nothing in the Plan or this Confirmation Order shall modify the rights, if any, of BMS to assert any right of setoff or recoupment that it may have under applicable bankruptcy or non-bankruptcy law, subject to section 553 of the Bankruptcy Code (to the extent applicable) and any other applicable bankruptcy or non-bankruptcy law. Nothing in the foregoing sentence is an admission by any party that BMS has setoff or recoupment rights and the rights of the Debtors, the Reorganized Debtors, and all other parties to contest any such setoff or recoupment rights are hereby expressly preserved.

165. Nothing contained in the Plan or this Confirmation Order, including but not limited to Article VII.H of the Plan, shall be deemed a determination of BMS's or the Debtors' rights or obligations (if any) under any of the agreements referenced in BMS's filed proofs of claims, which are reserved by BMS, the Debtors, the Reorganized Debtors and all other parties in interest; *provided that* the Debtors may reject such contracts (to the extent such contracts are executory) in accordance with the Plan.

166. Certain Government Matters. As to any Governmental Unit (as defined in section 101(27) of the Bankruptcy Code), nothing in the Plan or the Confirmation Order shall limit or expand the scope of discharge, release, or injunction to which the Debtors or the Reorganized Debtors are entitled to under the Bankruptcy Code (if any). The discharge, release, and injunction provisions contained in the Plan and the Confirmation Order are not intended to and shall not be construed to bar any Governmental Unit from, subsequent to entry of the Confirmation Order, pursuing any police or regulatory action (except to the extent the Administrative Claims Bar Date or applicable Claims Bar Date prevents such Governmental Unit from pursuing prepetition Claims against the Debtors or the Reorganized Debtors).

167. Nothing in the Plan or the Confirmation Order shall discharge, release, impair, or otherwise preclude: (a) any liability to any Governmental Unit that is not a "claim" within the meaning of section 101(5) of the Bankruptcy Code; (b) any Claim of any Governmental Unit arising on or after the Effective Date; (c) any valid right of setoff or recoupment of any Governmental Unit against any of the Debtors; or (d) any liability of the Debtors or the Reorganized Debtors under police or regulatory statutes or regulations to any Governmental Unit as the owner, lessor, lessee, or operator of property that such entity owns, operates, or leases after the Effective Date; *provided* that, for the avoidance of doubt, nothing in this paragraph shall modify the effect of the Administrative Claims Bar Date or applicable Claims Bar Date to the extent otherwise applicable. Nothing in the Confirmation Order or the Plan shall: (a) enjoin or otherwise bar any Governmental Unit from asserting or enforcing, outside the Bankruptcy Court, any liability described in the preceding sentence; or (b) divest any court, commission, or tribunal of competent jurisdiction to determine whether any liabilities asserted by any Governmental Unit are discharged or otherwise barred by this Confirmation Order, the Plan, or the Bankruptcy Code.

168. Moreover, nothing in the Confirmation Order or the Plan shall release or exculpate any non-Debtor, including any non-Debtor Released Parties, from any liability to any Governmental Unit, including but not limited to any liabilities arising under the Internal Revenue Code, the environmental laws, or the criminal laws against any non-Debtor Released Parties. Nor shall anything in this Confirmation Order or the Plan enjoin any Governmental Unit from bringing any claim, suit, action, or other proceeding described in the foregoing sentence; *provided* that the foregoing shall not (a) limit the scope of discharge granted to the Debtors under sections 524 and 1141 of the Bankruptcy Code, (b) diminish the scope of any exculpation to which any party is entitled under the Bankruptcy Code or (c) in any way impair or limit the non-bankruptcy rights or defenses of any Entity. For the avoidance of doubt, the rights of Governmental Units are preserved to raise any argument, claim or defense – either in these cases or in any other case or proceeding – related to any exculpation approved by the Bankruptcy Court, including (without limitation) that the Bankruptcy Court did not have statutory or constitutional authority or jurisdiction to approve it, or that exculpation could not legally be applied to a Governmental Unit.

169. Landlord Indemnification. Notwithstanding anything to the contrary in the Plan or this Confirmation Order, with respect to any assumed Unexpired Lease of nonresidential real property, the Debtors, shall remain liable for all obligations arising under the Unexpired Lease of nonresidential real property that were not otherwise required to be asserted as a cure cost, including: (a) for amounts owed or accruing under such Unexpired Lease of nonresidential real property, or in connection with Debtor's use and occupancy of the premises thereunder, that are unbilled or not yet due as of the Effective Date regardless of when such amounts or obligations accrued, on account of common area maintenance, insurance, taxes, utilities, repair and maintenance and similar charges; (b) any regular or periodic adjustment or reconciliation of

charges accrued or accruing under such Unexpired Lease of nonresidential real property that are not yet due or have not been determined or billed as of the Effective Date; (c) any percentage rent that comes due after the Effective Date under such Unexpired Lease of nonresidential real property; (d) post-assumption obligations under such Unexpired Lease of nonresidential real property; and (e) obligations, if any, to indemnify the non-Debtor counterparty under such Unexpired Lease of nonresidential real property arising from the Debtor's use and occupancy of the Premises in accordance with the terms of the Unexpired Lease of nonresidential real property, which are not known by the counterparty or liquidated by the effective date of the assumption (and therefore not payable as a cure cost pursuant to Bankruptcy Code § 365(b)(1)(a)). Other than with respect to Cure Claims fixed in connection with this Confirmation Order, subject to resolution of any related dispute, all rights of the parties to any assumed Unexpired Lease of nonresidential real property to dispute amounts due thereunder are preserved.

On the Effective Date, or as soon as reasonably practicable thereafter, Reorganized Holdings shall execute and deliver to Roanoke Landlord a new guaranty instrument in substantially the same form, and on the same terms and conditions, as the Roanoke Guaranty.

171. CNA Surety. CNA Surety and its subsidiaries and affiliates, including, but not limited to, Continental Casualty Company, American Casualty Company of Reading, Pennsylvania, and Western Surety Company, and their successors and assigns, and any person or company joining with any of them in executing any Bond at its request (collectively, "CNA Surety") has issued certain surety bonds on behalf of certain of the Debtors (collectively, the "Existing Surety Bonds" and each individually an "Existing Surety Bond"). These Existing Surety Bonds are issued pursuant to certain existing indemnity agreements and/or related agreements by and between CNA Surety, on the one hand, and certain of the Debtors and their affiliates and certain non-Debtors, as applicable, on the other hand (collectively, the "Existing Indemnity Agreements").

172. Subject to paragraph 174 below, until such time as all Existing Surety Bonds have been replaced, and CNA Surety is released from its obligations under the Existing Surety Bonds and Existing Indemnity Agreements, nothing in the Plan or the Confirmation Order shall impair, release, discharge, preclude, or enjoin any obligations of the Debtors to CNA Surety under the Existing Surety Bonds and the Existing Indemnity Agreements and applicable non-bankruptcy law, and such obligations are unimpaired and are not being released, discharged, precluded, or enjoined by the Plan, including pursuant to Article X of the Plan, or the Confirmation Order. For the avoidance of doubt, CNA Surety is deemed to have opted out of the releases and is not a Releasing Party or Released Party under the Plan.

173. Nothing in the Plan or the Confirmation Order shall be deemed to limit CNA Surety's existing rights or interests under applicable non-bankruptcy law in any collateral or the proceeds of such collateral securing the Existing Surety Bonds and the Existing Indemnity Agreements (the "Surety Collateral"), including, without limitation, the right to draw or use any

Surety Collateral to reimburse any claim of CNA Surety under or in respect of the Existing Surety Bonds and/or the Existing Indemnity Agreements consistent with applicable non-bankruptcy law (the "Right to Draw"). For the avoidance of doubt, CNA Surety shall retain the Right to Draw notwithstanding the replacement of any Existing Surety Bonds prior to, or after Confirmation or the occurrence of the Effective Date.

174. Nothing in the Plan or the Confirmation Order, or any document or other agreements or exhibits to the Plan, shall be interpreted to alter, diminish, or enlarge the rights or obligations of CNA Surety or any obligee under the Existing Surety Bonds, nor shall any provision of the Plan be deemed to enjoin or preclude CNA Surety from asserting any rights or claims of any obligees under such Existing Surety Bonds. Nothing in the Plan or the Confirmation Order shall alter, modify, amend, affect, impair, or prejudice the legal, equitable, or contractual rights, obligations, and defenses of the Debtors or the Reorganized Debtors under the Existing Surety Bonds, the Existing Indemnity Agreements, or any applicable law.

175. No Admission as to Talc Personal Injury Claim. Nothing in the Plan, this Confirmation Order, the PI Claims Distribution Procedures, or any other Definitive Document is intended to be, nor shall it be construed as, an admission by the Debtors or any other Entity as to any Talc Personal Injury Claim, nor shall any Definitive Document, including the Plan, this Confirmation Order, and the PI Claims Distribution Procedures, or any component thereof be admissible as evidence of, or have any *res judicata*, collateral estoppel, or other preclusive or precedential effect regarding, (a) any alleged asbestos contamination in any product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors, the Reorganized Debtors, or any other Entity or for which the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity otherwise have legal responsibility, or (b) any liability of the

Debtors, the Reorganized Debtors, any of their insurers, or any other Entity or the amount of any alleged liability, in respect of any personal injury actually or allegedly caused by any talc-containing allegedly asbestos-contaminated product manufactured, sold, supplied, produced, distributed, released, advertised, or marketed by the Debtors, the Reorganized Debtors, or any other Entity or for which the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity otherwise have legal responsibility. Likewise, no decision of the PI Claims Administrator or the TAC (as defined in the PI Settlement Fund Agreement) to approve or make any distribution upon any Talc Personal Injury Claim shall be admissible as evidence of, or have any *res judicata*, collateral estoppel, or other preclusive or precedential effect regarding, liability to be imposed against the Debtors, the Reorganized Debtors, their Affiliates, or any other Entity, including, without limitation, any insurer, other than the PI Settlement Fund.

176. Unsecured Notes Indenture Trustee Releases. The Cure Amount shall be adjusted to include any amounts that come due or payable between the date of the Cure Notice and the Effective Date, to the extent such amounts are not otherwise paid prior to the Effective Date. Notwithstanding payment of the Cure Amount and anything to the contrary in the Plan, (a) the Reorganized Debtors shall remain liable for any unpaid royalties and other amounts payable to Three Wishes under the Three Wishes Agreement that come due for payment after the Effective Date, regardless of whether such royalties or other amounts were earned or based on sales or transactions occurring prior to the Effective Date; and (b) any audit rights and rights to unpaid royalties for any accounting period prior to the Effective Date discovered as a result of such audit rights ("Audit Royalty Obligations") are fully preserved by Three Wishes, and any such Audit Royalty Obligations will be satisfied and/or otherwise resolved pursuant to the terms of the applicable Three Wishes Agreements.

183. Substantial Consummation. On the Effective Date, the Plan shall be deemed to be substantially consummated under sections 1101 and 1127(b) of the Bankruptcy Code.

184. No Waiver. The failure to specifically include any particular Plan Document or provision of the Plan or Plan Document in this Confirmation Order will not diminish the effectiveness of such document or provision nor constitute a waiver thereof, it being the intent of

this Court that the Plan is confirmed in its entirety, the Plan Documents are approved in their entirety, and all of the Plan Documents are incorporated herein by reference.

185. Severability. Each term and provision of the Plan, as it may have been altered or interpreted in accordance with the foregoing, is (a) valid and enforceable pursuant to its terms; (b) integral to the Plan and may not be deleted or modified without the Debtors' or Reorganized Debtors' consent (subject to the consent and approval rights of applicable parties to the extent provided in the Plan or the Restructuring Support Agreement), consistent with the terms set forth herein; and (c) non-severable and mutually dependent.

186. Administrative Claims Bar Date. Without need for further order or authorization of the Court, and subject to the terms of the Restructuring Support Agreement, the Plan (each including the consent and approval rights of applicable parties set forth therein), and this Confirmation Order, the Debtors are authorized to modify and amend the Plan Supplement and the Definitive Documents through and including the Effective Date, and the Debtors or the Reorganized Debtors, as applicable, are authorized to take all actions necessary and appropriate to effect the transactions contemplated therein prior to, on, and following the Effective Date.

No Liens, Claims, or interests shall encumber the Professional Fee Escrow or Cash held on account of the Professional Fee Escrow in any way. Such funds shall not be considered property of the Estates, the Debtors, or the Reorganized Debtors, subject to the release of Cash to the Reorganized Debtors from the Professional Fee Escrow in accordance with Article II.B.2 herein; *provided*, *however*, that the Reorganized Debtors shall have a reversionary interest in the excess, if any, of the amount of the Professional Fee Escrow over the aggregate amount of Allowed Professional Compensation Claims of the Professionals to be paid from the Professional Fee Escrow. The Reorganized Debtors shall fund distributions under the Plan, as applicable with: (1) the Exit Facilities; (2) the issuance and distribution of New Common Stock; (3) the Equity Rights Offering; (4) the issuance and distribution of New Warrants; and (5) Cash on hand.

Each distribution and issuance referred to in Article III of the Plan shall be governed by the terms and conditions set forth herein applicable to such distribution or issuance and by the terms and conditions of the instruments or other documents evidencing or relating to such distribution or issuance, which terms and conditions shall bind each Entity receiving such distribution or issuance; *provided* that, to the extent that a term of the Plan conflicts with the term of any such instruments or other documents, the terms of the Plan shall govern.

1. The Exit Facilities

On the Effective Date, the Reorganized Debtors or their non-Debtor Affiliates, as applicable, shall enter into the applicable Exit Facilities Documents for (a) either (i) the First Lien Exit Facilities, consisting of the Take-Back Facility and the Incremental New Money Facility, or

All Holders of Class 5 2020 Term B-1 Loan Claims shall be deemed to be a party to, and bound by, the First Lien Exit Facilities Documents, regardless of whether such Holder has executed a signature page thereto. Confirmation of the Plan shall be deemed approval of the Exit Facilities and the Exit Facilities Documents, all transactions contemplated thereby, and all actions to be taken, undertakings to be made, and obligations to be incurred by the Reorganized Debtors in connection therewith, and authorization of the Reorganized Debtors to enter into, execute, and deliver the Exit Facilities Documents and such other documents as may be required to effectuate the treatment afforded by the Exit Facilities. On the Effective Date, all of the Liens and security interests to be granted by the Reorganized Debtors in accordance with the Exit Facilities Documents (a) shall be deemed to be granted, (b) shall be legal, binding, and enforceable Liens on, and security interests in, the collateral granted thereunder in accordance with the terms of the Exit Facilities Documents, (c) shall be deemed perfected on the Effective Date without the need for the taking of any further filing, recordation, approval, consent, or other action, and (d) shall not be enjoined or subject to discharge, impairment, release, avoidance, recharacterization, or subordination (including equitable subordination) for any purposes whatsoever and shall not constitute preferential transfers or fraudulent conveyances under the Bankruptcy Code or any applicable non-bankruptcy law. The Reorganized Debtors and the Persons and Entities granted such Liens and security interests shall be authorized to make all filings and recordings, and to obtain all governmental approvals and consents, and to take any other actions necessary to establish and perfect such Liens and security interests under the provisions of the applicable state, federal, or other law that would be applicable in the absence of the Plan and the Confirmation Order (it being understood that perfection shall occur automatically by virtue of the entry of the Confirmation Order and any such filings, recordings, approvals, and consents shall not be required), and the Reorganized Debtors shall thereafter cooperate to make all other filings and recordings that otherwise would be necessary under applicable law to give notice of such Liens and security interests to third parties.

2. Issuance and Distribution of New Common Stock

On the Effective Date, the shares of New Common Stock shall be issued by Reorganized Holdings as provided for in the Description of Transaction Steps pursuant to, and in accordance with, the Plan and the Equity Rights Offering Documents. All Holders of New Common Stock (whether issued and distributed hereunder, pursuant to the Equity Rights Offering Documents, or otherwise, and in each case, whether such New Common Stock is held directly or indirectly through the facilities of DTC) shall be deemed to be a party to, and bound by, the LLC Agreement and the other applicable New Organizational Documents, in accordance with their terms, without the requirement to execute a signature page thereto.

All of the New Common Stock (including the New Common Stock issued in connection with the Equity Rights Offering (including, for the avoidance of doubt, any New Common Stock issued pursuant to the Backstop Commitment Agreement) and/or upon the exercise of the New Warrants) issued pursuant to the Plan shall be duly authorized, validly issued, fully paid, and non-assessable. Each distribution and issuance of New Common Stock under the Plan shall be governed by the terms and conditions set forth in the Plan applicable to such distribution or issuance and by the terms and conditions of the New Organizational Documents

and other instruments evidencing or relating to such distribution or issuance, including the Equity Rights Offering Documents, as applicable, which terms and conditions shall bind each Entity receiving such distribution or issuance. For the avoidance of doubt, the acceptance of New Common Stock by any Holder of any Claim or Interest or any other Entity shall be deemed as such Holder's or Entity's agreement to the applicable New Organizational Documents, as may be amended or modified from time to time following the Effective Date in accordance with their terms.

To the extent practicable, as determined in good faith by the Debtors and the Required Consenting BrandCo Lenders, the Reorganized Debtors shall: (a) emerge from these Chapter 11 Cases as non-publicly reporting companies on the Effective Date and not be subject to SEC reporting requirements under Sections 12 or 15 of the Exchange Act, or otherwise; (b) not be voluntarily subjected to any reporting requirements promulgated by the SEC; except, in each case, as otherwise may be required pursuant to the New Organizational Documents, the Exit Facilities Documents or applicable law; (c) not be required to list the New Common Stock on a U.S. stock exchange; (d) timely file or otherwise provide all required filings and documentation to allow for the termination and/or suspension of registration with respect to SEC reporting requirements under the Exchange Act prior to the Effective Date; and (e) make good faith efforts to ensure DTC eligibility of securities issued in connection with the Plan (other than any securities required by the terms of any agreement to be held on the books of an agent and not in DTC), including but not limited to the New Warrants.

3. Equity Rights Offering

The Debtors shall distribute the Equity Subscription Rights to the Equity Rights Offering Participants as set forth in the Plan, the Backstop Commitment Agreement, and the Equity Rights Offering Procedures. Pursuant to the Backstop Commitment Agreement and the Equity Rights Offering Procedures, the Equity Rights Offering shall be open to all Equity Rights Offering Participants. Equity Rights Offering Participants shall be entitled to participate in the Equity Rights Offering up to a maximum amount of each Eligible Holder's Pro Rata share of the Aggregate Rights Offering Amount (or, if applicable, the Adjusted Aggregate Rights Offering Amount). Equity Rights Offering Participants shall have the right to purchase their allocated shares of New Common Stock at the ERO Price Per Share.

The Equity Rights Offering will be backstopped, severally and not jointly, by the Equity Commitment Parties pursuant to the Backstop Commitment Agreement. 30% of the New Common Stock to be sold and issued pursuant to the Equity Rights Offering shall be reserved for the Equity Commitment Parties (the "Reserved Shares") pursuant to the Backstop Commitment Agreement, at the ERO Price Per Share.

Equity Subscription Rights that an Equity Rights Offering Participant has validly elected to exercise shall be deemed issued and exercised on or about (but in no event after) the Effective Date. Upon exercise of the Equity Subscription Rights pursuant to the terms of the Backstop Commitment Agreement and the Equity Rights Offering Procedures, Reorganized Holdings shall be authorized to issue the New Common Stock issuable pursuant to such exercise.

Pursuant to the Backstop Commitment Agreement, if after following the procedures set forth in the Equity Rights Offering Procedures, there remain any unexercised Equity Subscription Rights, the Equity Commitment Parties shall purchase, severally and not jointly, their applicable portion of the New Common Stock associated with such unexercised Equity Subscription Rights in accordance with the terms and conditions set forth in the Backstop Commitment Agreement, at the ERO Price Per Share. As consideration for the undertakings of the Equity Commitment Parties in the Backstop Commitment Agreement, the Reorganized Debtors will pay the Backstop Commitment Premium to the Equity Commitment Parties on the Effective Date in accordance with the terms and conditions set forth in the Backstop Commitment Agreement.

All shares of New Common Stock issued upon exercise of the Equity Commitment Parties' own Equity Subscription Rights and in connection with the Backstop Commitment Premium will be issued in reliance upon Section 1145 of the Bankruptcy Code to the extent permitted under applicable law. The Reserved Shares and the shares of New Common Stock that are not subscribed for by holders of Equity Subscription Rights in the Equity Rights Offering and that are purchased by the Equity Commitment Parties in accordance with their backstop obligations under the Backstop Commitment Agreement (the "Unsubscribed Shares") will be issued in a private placement exempt from registration under Section 5 of the Securities Act pursuant to Section 4(a)(2) and/or Regulation D thereunder and will constitute "restricted securities" for purposes of the Securities Act. In the Backstop Commitment Agreement, the Equity Commitment Parties will be required to make representations and warranties as to their sophistication and suitability to participate in the private placement.

Entry of the Confirmation Order shall constitute Bankruptcy Court approval of the Equity Rights Offering (including the transactions contemplated thereby, and all actions to be undertaken, undertakings to be made, and obligations to be incurred by Reorganized Holdings in connection therewith). On the Effective Date, as provided in the Description of Transaction Steps, the rights and obligations of the Debtors under the Backstop Commitment Agreement shall vest in the Reorganized Debtors, as applicable.

At the Aggregate Rights Offering Amount, the shares of New Common Stock offered pursuant to the Equity Rights Offering (for the avoidance of doubt, not including any shares of New Common Stock issued in connection with the Backstop Commitment Premium) will represent approximately 60.6% of the New Common Stock outstanding on the Effective Date (subject to a downward ratable adjustment to account for the difference (if any) between the Aggregate Rights Offering Amount and the Adjusted Aggregate Right Offerings Amount), subject to dilution by the issuance of shares of New Common Stock (a) reserved for the MIP Awards and (b) on account of the exercise of the New Warrants.

On the Effective Date (or earlier in the case of termination of the Backstop Commitment Agreement), the Backstop Commitment Premium (which shall be an administrative expense) shall be distributed or paid to the Equity Commitment Parties under and as set forth in the Backstop Commitment Agreement and the Backstop Order. The shares of New Common Stock issued in satisfaction of the Backstop Commitment Premium will represent approximately 7.6% of the New Common Stock outstanding on the Effective Date, subject to dilution by the

issuance of shares of New Common Stock (a) reserved for the MIP Awards and (b) on account of the exercise of the New Warrants.

Each holder of Equity Subscription Rights that receives New Common Stock as a result of exercising the relevant Equity Subscription Rights shall be subject to the provisions applicable to such holders of New Common Stock as set forth in Article IV.A.2 of the Plan.

The Cash proceeds of the Equity Rights Offering shall be used by the Debtors or Reorganized Debtors, as applicable, to (a) make distributions pursuant to the Plan, (b) fund working capital, and (c) fund general corporate purposes.

6. Cash on Hand

The Debtors or Reorganized Debtors, as applicable, shall use Cash on hand, if any, to fund distributions to certain Holders of Claims. All Excess Liquidity will be applied in accordance with the First Lien Exit Facilities Term Sheet; provided that, in the event the Reorganized Debtors enter into the Third-Party New Money Exit Facility, (a) all Excess Liquidity will be applied to reduce the Aggregate Rights Offering Amount, and (b) for the avoidance of doubt, the Debt Commitment Premium shall be paid in Cash as an Administrative Claim and "Excess Liquidity" will be calculated after giving effect to the payment thereof.

E. Cancellation of Existing Indebtedness and Securities

Except as otherwise expressly provided in the Plan, the Confirmation Order, or any agreement, instrument, or other document entered into in connection with or pursuant to the Plan or the Restructuring Transactions, on the Effective Date, (1) all notes, bonds, indentures, certificates, securities, shares, equity securities, purchase rights, options, warrants, convertible securities or instruments, credit agreements, collateral agreements, subordination agreements, intercreditor agreements, or other instruments or documents directly or indirectly evidencing, creating, or relating to any indebtedness or obligations of, or ownership interest in, the Debtors, or giving rise to any Claims against or Interests in the Debtors or to any rights or obligations relating to any Claims against or Interests in the Debtors (except with respect to such agreements, certificates, notes, or other instruments or documents evidencing indebtedness or obligation of, or ownership interest in, the Debtors that is specifically Reinstated, amended and Reinstated, or entered into pursuant to the Plan), including, without limitation, the 2016 Credit Agreement, the ABL Facility Credit Agreement, the BrandCo Credit Agreement, and the Unsecured Notes Indenture shall be canceled without any need for a Holder or Debtor to take any further action with respect thereto, and the duties and obligations of all parties thereto, including the Debtors or the Reorganized Debtors, as applicable, and any non-Debtor Affiliates, thereunder or in any way related thereto shall be deemed satisfied in full, canceled, released, discharged, and of no further force or effect and (2) the obligations of the Debtors or Reorganized Debtors, as applicable, pursuant, relating, or pertaining to any agreements, certificates of designation, bylaws, or certificate or articles of incorporation or similar documents governing the notes, bonds, indentures, certificates, securities, shares, purchase rights, options, warrants, or other instruments or documents evidencing or creating any indebtedness or obligation of or Interests in the Debtors (except with respect to such agreements, certificates, notes, or other instruments or documents evidencing indebtedness or obligation of or ownership interest in the Debtors that is specifically Reinstated, amended and Reinstated, or entered into pursuant to the Plan), including, without limitation, the 2016 Credit Agreement, the ABL Facility Credit Agreement, the BrandCo Credit Agreement, and the Unsecured Notes Indenture shall be released and discharged in exchange for the consideration provided under the Plan. Notwithstanding the foregoing, Confirmation, or the occurrence of the Effective Date, any such document or instrument that governs the rights, claims, or remedies of the Holder of a Claim or Interest shall continue in effect solely for purposes of (1) enabling Holders of Allowed Claims to receive distributions under the Plan as provided herein and subject to the terms and conditions of the applicable governing document or instrument as set forth therein, and (2) allowing and preserving the rights of each of the applicable agents and indenture trustees to (a) make or direct the distributions in accordance with the Plan as provided

herein and (b) assert or maintain any rights for indemnification (including on account of the 2016 Agent Surviving Indemnity Obligations) the applicable agent or indenture trustee may have arising under, and due pursuant to the terms of, the applicable governing document or instrument; *provided that*, subject to the treatment provisions of Article III of the Plan, no such indemnification may be sought from the Debtors, the Reorganized Debtors, or any Released Party. For the avoidance of doubt, nothing in this Plan shall, or shall be deemed to, alter, amend, discharge, limit, or otherwise impair the 2016 Agent Surviving Indemnity Obligations on or after the Effective Date, and any such obligation (whenever arising) survives Confirmation, Consummation, and the occurrence of the Effective Date, in each case in accordance with and subject to the terms and conditions of the 2016 Credit Agreement and regardless of the discharge and release of all Claims of the 2016 Agent against the Debtors or the Reorganized Debtors.

On the Effective Date, each holder of a certificate or instrument evidencing a Claim that is discharged by the Plan shall be deemed to have surrendered such certificate or instrument in accordance with the applicable indenture or agreement that governs the rights of such holder of such Claim. Such surrendered certificate or instrument shall be deemed canceled as set forth in, and subject to the exceptions set forth in, this Article IV.E.

Notwithstanding anything in this Article IV.E, the Unsecured Notes Indenture shall remain in effect solely with respect to the right of the Unsecured Notes Indenture Trustee to make Plan distributions in accordance with the Plan and to preserve the rights and protections of the Unsecured Notes Indenture Trustee with respect to the Holders of Unsecured Notes Claims, including the Unsecured Notes Indenture Trustee's charging lien and priority rights. Subject to the distribution of Class 8 Plan consideration delivered to it in accordance with the Unsecured Notes Indenture at the expense of the Reorganized Debtors, the Unsecured Notes Indenture Trustee shall have no duties to Holders of Unsecured Notes Claims following the Effective Date of the Plan, including no duty to object to claims or treatment of other creditors.

F. Corporate Action

On or, with the consent of the Required Consenting BrandCo Lenders, before the Effective Date, or as soon thereafter as is reasonably practicable, all actions contemplated by the Plan shall be deemed authorized and approved in all respects, including: (1) execution and entry into each of the Exit Facilities; (2) approval of and entry into the New Organizational Documents; (3) issuance and distribution of the New Securities, including pursuant to the Equity Rights Offering; (4) selection of the directors and officers for the Reorganized Debtors; (5) implementation of the Restructuring Transactions contemplated by the Plan; (6) adoption or assumption, if and as applicable, of the Employment Obligations; (7) the formation or dissolution of any Entities pursuant to and the implementation of the Restructuring Transactions and performance of all actions and transactions contemplated by the Plan, including the Description of Transaction Steps; (8) the rejection, assumption, or assumption and assignment, as applicable, of Executory Contracts and Unexpired Leases; and (9) all other actions contemplated by the Plan (whether to occur before, on, or after the Effective Date). All matters provided for herein involving the corporate structure of the Debtors or the Reorganized Debtors, or any corporate, limited liability company, or related action required by the Debtors or the Reorganized Debtors in connection herewith shall be deemed to have occurred and shall be in effect in accordance with the Plan, including the Description of Transaction Steps, without any requirement of further action

by the shareholders, members, directors, or managers of the Debtors or Reorganized Debtors, and with like effect as though such action had been taken unanimously by the shareholders, members, directors, managers, or officers, as applicable, of the Debtors or Reorganized Debtors. Before, on, or after the Effective Date, the appropriate officers of the Debtors or the Reorganized Debtors, as applicable, shall be authorized to issue, execute, and deliver the agreements, documents, securities, and instruments contemplated under the Plan (or necessary or desirable to effect the transactions contemplated under the Plan) in the name of and on behalf of the Reorganized Debtors. The authorizations and approvals contemplated by this Article IV.F shall be effective notwithstanding any requirements under non-bankruptcy law.

G. New Organizational Documents

To the extent required under the Plan or applicable non-bankruptcy law, on or promptly after the Effective Date, the Reorganized Debtors will file their applicable New Organizational Documents with the applicable Secretaries of State and/or other applicable authorities in their respective states or jurisdictions of incorporation or formation in accordance with the corporate laws of such respective states or jurisdictions of incorporation or formation. Pursuant to section 1123(a)(6) of the Bankruptcy Code, the New Organizational Documents will prohibit the issuance of non-voting equity securities of Reorganized Holdings. After the Effective Date, the Reorganized Debtors may amend and restate their respective New Organizational Documents or otherwise restructure their legal Entity forms, without supervision or approval by the Bankruptcy Court and in accordance with applicable non-bankruptcy law.

The New Organizational Documents shall provide for the following minority protections (which shall not be subject to amendment other than with the consent of holders of at least two-thirds of the then-issued and outstanding shares of New Common Stock and as to which the New Organizational Documents will provide equivalent rights to all equivalent sized holders of New Common Stock): (1) annual audited and quarterly financial statements by Reorganized Holdings, as well as a quarterly management call, including a Q&A; (2) no transfer restrictions other than restrictions on transfers to competitors, customary drag-along and tag-along rights (in connection with a transfer of a majority of the then-outstanding New Common Stock), and other customary transfer restrictions (including restrictions on transfers that are not in compliance with applicable law or would require Reorganized Holdings to register securities or to register as an "investment company"), but in any event will not include any right of first refusal or right of first offer; and (3) customary pro rata preemptive rights in connection with equity issuances for cash (subject to customary carve outs) for accredited investor holders of New Common Stock above a specified threshold (which threshold shall be determined to provide such preemptive rights to approximately ten (10) holders as of the Effective Date).

H. Directors and Officers of the Reorganized Debtors

As of the Effective Date, the term of the current members of the boards of directors of each Debtor shall expire, and the New Boards shall be appointed in accordance with the New Organizational Documents of each Reorganized Debtor.

The members of the Reorganized Holdings Board immediately following the Effective Date shall be determined and selected by the Required Consenting 2020 B-2 Lenders.

Except as otherwise provided in the Plan, the Confirmation Order, the Plan Supplement, or the New Organizational Documents, the officers of the Debtors immediately before the Effective Date, as applicable, shall serve as the initial officers of the Reorganized Debtors on the Effective Date.

Pursuant to section 1129(a)(5) of the Bankruptcy Code, the Debtors will disclose in the Plan Supplement the identity and affiliations of any Person proposed to serve on the initial Reorganized Holdings Board and New Subsidiary Boards, to the extent known at the time of filing, as well as those Persons that will serve as an officer of Reorganized Holdings or other Reorganized Debtor. To the extent any such director or officer is an "insider" as such term is defined in section 101(31) of the Bankruptcy Code, the nature of any compensation to be paid to such director or officer will also be disclosed. Each such director and officer shall serve from and after the Effective Date pursuant to the terms of the New Organizational Documents and may be replaced or removed in accordance with such New Organizational Documents.

I. Employment Obligations

Except as otherwise expressly provided in the Plan or the Plan Supplement, the Reorganized Debtors shall honor the Employment Obligations (1) existing and effective as of the Petition Date, (2) that were incurred or entered into in the ordinary course of business prior to the Effective Date, or (3) as otherwise agreed to between the Debtors and the Required Consenting BrandCo Lenders on or prior to the Effective Date. Additionally, on the Effective Date, the Reorganized Debtors shall assume (1) the Amended CEO Employment Agreement, and (2) the Amended Revlon Executive Severance Pay Plan, in each case, as adopted in accordance with the Restructuring Support Agreement, and such assumed agreements shall supersede and replace any existing executive severance plan for directors and above and the existing employment agreement of the Debtors' chief executive officer.

Except as otherwise expressly provided in the Plan or the Plan Supplement, to the extent that any of the Employment Obligations are executory contracts, pursuant to sections 365 and 1123 of the Bankruptcy Code, each of them shall be deemed assumed as of the Effective Date and assigned to the applicable Reorganized Debtor. For the avoidance of doubt, the foregoing shall not (1) limit, diminish, or otherwise alter the Reorganized Debtors' defenses, claims, Causes of Action, or other rights with respect to the Employment Obligations, or (2) impair the rights of the Debtors or Reorganized Debtors, as applicable, to implement the Management Incentive Plan in accordance with its terms and conditions and to determine the Employment Obligations of the Reorganized Debtors in accordance with their applicable terms and conditions on or after the Effective Date, in each case consistent with the Plan.

On the Effective Date, the Debtors shall assume all collective bargaining agreements.

The Confirmation Order shall approve the Enhanced Cash Incentive Program and the Global Bonus Program. As soon as practicable following the Effective Date (but no later than 21 days after the Effective Date, absent any ordinary course administrative delay that is not caused for purposes of circumventing this requirement by any equity holder or any member of the Reorganized Holdings Board other than the Debtors' chief executive officer), in connection with

the establishment of the Reorganized Holdings Board, the Reorganized Holdings Board shall approve, adopt, and affirm, as applicable, the implementation of (a) the Enhanced Cash Incentive Program, and (b) the Global Bonus Program, in each case, in accordance with the Plan and the Restructuring Support Agreement and effective as of the Effective Date (or, if the Debtors and the Required Consenting BrandCo Lenders agreed to prorate the KERP and KEIP through a date later than the Effective Date under Article IV.L, the first day after such date).

J. Qualified Pension Plans

On the Effective Date, the Debtors shall assume the Qualified Pension Plans in accordance with the terms of the Qualified Pension Plans and the relevant provisions of ERISA and the IRC.

All proofs of claim filed by PBGC shall be deemed withdrawn on the Effective Date.

K. Retiree Benefits

From and after the Effective Date, the Debtors shall assume and continue to pay all Retiree Benefit Claims in accordance with applicable law.

L. Key Employee Incentive/Retention Plans

On the Effective Date, the Debtors shall pay, to KEIP and KERP participants, as applicable, (1) all KERP amounts earnable for the quarter in which the Effective Date occurs prorated for the period from the first day of such quarter through and including the Effective Date (or such later date as agreed to between the Debtors and the Required Consenting BrandCo Lenders), (2) all KEIP amounts (including any catch-up amounts) earned by the KEIP participants based on the Debtors' good faith estimates of performance for the quarter in which the Effective Date occurs prorated for the period from the first day of such quarter through and including the Effective Date (or such later date as agreed to between the Debtors and the Required Consenting BrandCo Lenders), and (3) all KEIP amounts (including any catch-up amounts) earned by the KEIP participants for quarters ending prior to the quarter in which the Effective Date occurs but which remain unpaid, based on the Debtors' good faith estimates of performance for such quarters, with such estimates to be subject to the approval of the Required Consenting BrandCo Lenders, with such approval not to be unreasonably withheld, conditioned, or delayed.

Except as set forth in in this Article IV.L, the KEIP and KERP programs shall terminate effective as of the Effective Date (or such later date as agreed to between the Debtors and the Required Consenting BrandCo Lenders) and any clawback rights provided for under the KEIP or the KERP shall be released except as set forth in the Schedule of Retained Causes of Action.

M. Effectuating Documents; Further Transactions

On, before, or after (as applicable) the Effective Date, the Reorganized Debtors, the officers of the Reorganized Debtors, and members of the New Boards are authorized to and may issue, execute, deliver, file, or record such contracts, securities, instruments, releases, and other

agreements or documents and take such actions as may be necessary or appropriate to effectuate, implement, and further evidence the terms and conditions of the Plan, the Restructuring Transactions, the New Organizational Documents, the Exit Facilities Documents, and the securities issued pursuant to the Plan, including the New Securities, and any and all other agreements, documents, securities, filings, and instruments relating to the foregoing in the name of and on behalf of the Reorganized Debtors, without the need for any approvals, authorization, or consents except those expressly required pursuant to the Plan. The authorizations and approvals contemplated by this Article IV shall be effective notwithstanding any requirements under non-bankruptcy law.

N. Management Incentive Plan

By no later than January 1, 2024, the Reorganized Holdings Board shall implement the Management Incentive Plan that provides for the issuance of options and/or other equity-based compensation to the management and directors of the Reorganized Debtors in accordance with the Plan.

7.5% of the New Common Stock, on a fully diluted basis, shall be reserved for issuance under the Management Incentive Plan. The participants in the Management Incentive Plan, the allocations and form of the options and other equity-based compensation to such participants (including the amount of the allocations and the timing of the grant of the options and other equity-based compensation), and the terms and conditions of such options and other equity-based compensation (including vesting, exercise prices, base values, hurdles, forfeiture, repurchase rights, and transferability) shall be determined by the Reorganized Holdings Board; *provided* that one-half of the MIP Equity Pool shall be awarded to participants under the Management Incentive Plan upon implementation no later than January 1, 2024.

O. Exemption from Certain Taxes and Fees

To the fullest extent permitted by section 1146(a) of the Bankruptcy Code, any transfers (whether from a Debtor to a Reorganized Debtor or to any other Person) of property pursuant to the Plan shall not be subject to any stamp tax, document recording tax, conveyance fee, intangibles, or similar tax, mortgage tax, real estate transfer tax, personal property transfer tax, mortgage recording tax, sales or use tax, Uniform Commercial Code filing or recording fee, regulatory filing or recording fee, or other similar tax or governmental assessment in the United States, or any state or political subdivision thereof. The Confirmation Order shall direct and be deemed to direct the appropriate federal, state, or local governmental officials or agents to forgo the collection of any such tax or governmental assessment and to accept for filing and recordation instruments or other documents pursuant to such transfers of property without the payment of any such tax or governmental assessment. Such exemption specifically applies, without limitation, to (1) the creation, modification, consolidation, or recording of any mortgage, deed of trust, Lien, or other security interest, or the securing of indebtedness by such means or other means, (2) the making or assignment of any lease or sublease, (3) any Restructuring Transaction authorized by the Plan, and (4) the making or delivery of any deed or other instrument of transfer under, in furtherance of, or in connection with the Plan, including: (a) any merger agreements; (b) agreements of consolidation, restructuring, disposition, liquidation, or dissolution; (c) deeds;

(d) bills of sale; (e) assignments executed in connection with any Restructuring Transaction occurring under the Plan; or (f) any of the other Definitive Documents.

P. Indemnification Provisions

On and as of the Effective Date, consistent with applicable law, the Indemnification Provisions in place as of the Effective Date (whether in the bylaws, certificates of incorporation or formation, limited liability company agreements, other organized documents, board resolutions, indemnification agreements, employment contracts, or otherwise) for current and former directors, officers, managers, employees, attorneys, accountants, investment bankers, and other professionals of the Debtors, as applicable, shall be assumed by the Reorganized Debtors (and any such Indemnification Provisions in place as to any Debtors that are to be liquidated under the Plan shall be assigned to and assumed by an applicable Reorganized Debtor), deemed irrevocable, and will remain in full force and effect and survive the effectiveness of the Plan unimpaired and unaffected, and each of the Reorganized Debtors' New Organizational Documents will provide for the indemnification, defense, reimbursement, exculpation, and/or limitation of liability of, and advancement of fees and expenses to the Debtors' and the Reorganized Debtors' current and former directors, officers, employees, agents, managers, attorneys, and other professionals, at least to the same extent as such documents of each of the respective Debtors on the Petition Date but in no event greater than as permitted by law, against any Causes of Action. None of the Reorganized Debtors shall amend and/or restate its respective New Organizational Documents, on or after the Effective Date to terminate, reduce, discharge, impair or adversely affect in any way (1) any of the Reorganized Debtors' obligations referred to in the immediately preceding sentence or (2) the rights of such current and former directors, officers, employees, agents, managers, attorneys, and other professionals.

Q. Preservation of Causes of Action

In accordance with section 1123(b) of the Bankruptcy Code, the Reorganized Debtors shall retain and may enforce all rights to commence and pursue, any and all Retained Causes of Action (except, if the GUC Trust is established in accordance with the Plan, the GUC Trust may enforce all rights to commence and pursue Retained Preference Actions), whether arising before or after the Petition Date, including but not limited to any actions specifically enumerated in the Plan Supplement, and the Reorganized Debtors' rights to commence, prosecute, or settle such Retained Causes of Action shall be preserved notwithstanding the occurrence of the Effective Date. If the GUC Trust is established in accordance with the Plan, the GUC Trust (on its own behalf and, if the PI Settlement Fund is established in accordance with the Plan, as agent for the PI Settlement Fund) shall retain and may enforce all rights to commence and pursue any Retained Preference Actions, and the GUC Trust's rights to commence, prosecute, or settle such Retained Preference Actions shall be preserved notwithstanding the occurrence of the Effective Date. For the avoidance of doubt, the preservation of Retained Causes of Action described in the preceding sentence includes, but is not limited to, the Reorganized Debtors' retention of the Debtors' rights to (1) object to Administrative Claims, (2) object to other Claims, and (3) subordinate Claims, other than the Causes of Action released by the Debtors pursuant to the releases and exculpations contained in the Plan, including in Article X of the Plan, which shall be deemed released and waived by the Debtors and Reorganized Debtors as of the Effective Date.

The Reorganized Debtors may pursue such Retained Causes of Action, as appropriate, in accordance with the best interests of the Reorganized Debtors, in their respective discretion. The GUC Trust, if established, may pursue Retained Preference Actions and objections to General Unsecured Claims in accordance with the best interests of the GUC Trust and the PI Settlement Fund. **No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, or the Disclosure Statement to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors (or, with respect to Retained Preference Actions, the GUC Trust) will not pursue any and all available Retained Causes of Action. The Debtors and the Reorganized Debtors expressly reserve all rights to prosecute any and all Retained Causes of Action against any Entity. The GUC Trust expressly reserves all rights to prosecute any and all Retained Preference Actions in accordance with the Plan.** The Reorganized Debtors and, solely with respect to Retained Preference Actions and the allowance or disallowance of General Unsecured Claims, the GUC Trust, as applicable, expressly reserve all and shall retain the applicable Retained Causes of Action, for later adjudication or settlement, and, therefore no preclusion doctrine, including the doctrines of res judicata, collateral estoppel, issue preclusion, claim preclusion, estoppel (judicial, equitable, or otherwise), or laches, shall apply to such Retained Causes of Action upon, after, or as a consequence of the Confirmation or Consummation.

The applicable Reorganized Debtor, through its authorized agents or representatives, shall retain and may exclusively enforce any and all Retained Causes of Action. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Retained Causes of Action except as otherwise expressly provided in the Plan and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

R. GUC Trust and PI Settlement Fund

On the Effective Date, solely in the event that any Class of General Unsecured Claims votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the GUC Trust shall be established in accordance with the GUC Trust Agreement. The GUC Trust Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement.

On the Effective Date, solely in the event that Class 9(a) votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the PI Settlement Fund shall be established in accordance with the terms of the PI Settlement Fund Agreement and the Plan. The PI Settlement Fund Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement.

On the Effective Date, or with respect to the GUC Settlement Top Up Amount and any increase to the GUC Trust/PI Fund Operating Reserve, after the Effective Date, in accordance with the Plan, the GUC Trust Assets shall vest in the GUC Trust and the PI Settlement Fund Assets shall vest in the PI Settlement Fund, as applicable, free and clear of all Claims, Interests, liens, and other encumbrances. For the avoidance of doubt, any portion of the GUC Settlement Total Amount allocable to any Class of General Unsecured Claims that votes to reject the Plan shall be

retained by the Reorganized Debtors. Additional assets may vest in the GUC Trust and the PI Settlement Fund from time to time after the Effective Date in the event that an additional GUC Settlement Top Up Amount becomes due, or in the event that additional assets are added to the GUC Trust/PI Fund Operating Reserve pursuant to the Plan.

The GUC Trust or PI Settlement Fund, as applicable, shall have the sole power and authority to: (1) receive and hold the GUC Trust Assets and the PI Settlement Fund Assets, as the case may be; (2) except with respect to Hair Straightening Claims, administer, dispute, object to, compromise, or otherwise resolve all General Unsecured Claims in any Class of General Unsecured Claims that votes to accept the Plan; *provided* that the Debtors, with the consent (not to be unreasonably withheld, conditioned, or delayed) of the Required Consenting BrandCo Lenders and in consultation with the Creditors' Committee, or the Reorganized Debtors, in consultation with the GUC Administrator or PI Claims Administrator, as applicable, may elect to administer, dispute, object to, compromise, or otherwise resolve any such Claim (other than a Talc Personal Injury Claim administered pursuant to the PI Claims Distribution Procedures); (3) make distributions in accordance with the Plan to Holders of Allowed General Unsecured Claims in any Class that votes to accept the Plan; and (4) in the case of the GUC Trust only, on its own behalf and acting as agent for the PI Settlement Fund, commence and pursue the Retained Preference Actions, and manage and administer any proceeds thereof in accordance with the Plan. The Debtors or the Reorganized Debtors, as applicable, shall have the sole power and authority to administer, dispute, object to, compromise, or otherwise resolve all Hair Straightening Claims; *provided*, *that*, for the avoidance of doubt, the GUC Trust shall pay, pursuant to Article III.C.12 of the Plan, any Allowed Hair Straightening Claims that are liquidated in accordance with Article IX.A.6 of the Plan and the GUC Trust Agreement and the sole recovery from the Estates on account of Hair Straightening Claims shall be from the GUC Trust in accordance with Article III.C.12 of the Plan and the GUC Trust Agreement.

The GUC Administrator, the PI Claims Administrator, and their respective counsel shall be selected by the Creditors' Committee and disclosed in the Plan Supplement prior to commencement of the Confirmation Hearing. The identity of the GUC Administrator, the PI Claims Administrator, and their respective counsel, and the terms of their compensation shall be reasonably acceptable to the Debtors and the Required Consenting BrandCo Lenders. In furtherance of and consistent with the purpose of the GUC Trust or PI Settlement Fund, as applicable, and the Plan, the GUC Administrator and/or PI Claims Administrator, as applicable, shall: (1) have the power and authority to perform all functions on behalf of the GUC Trust or PI Settlement Fund, as applicable; (2) undertake, with the cooperation of the Reorganized Debtors, all administrative responsibilities that are provided in the Plan and the GUC Trust Agreement or PI Settlement Fund Agreement, as applicable, including filing the applicable operating reports and administering the closure of the Chapter 11 Cases, which reports shall be delivered to the Reorganized Debtors; (3) be responsible for all decisions and duties with respect to the GUC Trust or PI Settlement Fund, as applicable, and the GUC Trust Assets and the PI Settlement Fund Assets, as applicable; (4) allocate the GUC Trust/PI Fund Operating Reserve between the GUC Trust and the PI Settlement Fund, and administer such funds in accordance with the terms of the Plan, the GUC Trust Agreement, and the PI Settlement Fund Agreement; and (5) in all circumstances and at all times, act in a fiduciary capacity for the benefit and in the best interests of the beneficiaries of the GUC Trust or PI Settlement Fund Agreement, as applicable, in furtherance of the purpose

of the GUC Trust and PI Settlement Fund Agreement and in accordance with the Plan and the GUC Trust Agreement or PI Settlement Fund Agreement, as applicable.

All expenses (including taxes) of the PI Settlement Fund shall be GUC Trust/PI Fund Operating Expenses and shall be payable solely from the GUC Trust/PI Fund Operating Reserve.

S. Restructuring Expenses

The Restructuring Expenses incurred, or estimated to be incurred, up to and including the Effective Date shall be paid in full in Cash on the Effective Date (to the extent not previously paid during the course of the Chapter 11 Cases on the dates on which such amounts would be required to be paid under the Term DIP Credit Agreement, the DIP Orders, or the Restructuring Support Agreement) without the requirement to file a fee application with the Bankruptcy Court, without the need for time detail, and without any requirement for review or approval by the Bankruptcy Court or any other party. All Restructuring Expenses to be paid on the Effective Date shall be estimated prior to and as of the Effective Date and such estimates shall be delivered to the Debtors at least two (2) Business Days before the anticipated Effective Date; *provided* that such estimates shall not be considered to be admissions or limitations with respect to such Restructuring Expenses. In addition, the Debtors and the Reorganized Debtors (as applicable) shall continue to pay, when due, pre- and post-Effective Date Restructuring Expenses, whether incurred before, on or after the Effective Date. For the avoidance of doubt, the payment of the fees and expenses of the Unsecured Notes Indenture Trustee pursuant to this Article IV.S of the Plan shall be deemed to be part of the treatment of Class 8 and not by reason of the Unsecured Notes Indenture Trustee's membership on the Committee.

ARTICLE V.

THE GUC TRUST

A. Establishment of the GUC Trust

On the Effective Date, solely in the event that any Class of General Unsecured Claims votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the GUC Trust shall be established in accordance with the terms of the GUC Trust Agreement and the Plan. The GUC Trust Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement.

The GUC Trust shall be established to liquidate the GUC Trust Assets and make distributions in accordance with the Plan, Confirmation Order, and GUC Trust Agreement, and in accordance with Treasury Regulation section 301.7701-4(d), with no objective to continue or engage in the conduct of a trade or business, except to the extent reasonably necessary to, and consistent with, the liquidating purpose of the GUC Trust. The GUC Trust shall be structured to qualify as a "liquidating trust" within the meaning of Treasury Regulations Section 301.7701-4(d) and in compliance with Revenue Procedure 94-45, and thus, as a "grantor trust" within the meaning of Sections 671 through 679 of the Tax Code. Accordingly, the GUC Trust Beneficiaries shall be treated for U.S. federal income tax purposes (1) as direct recipients of undivided interests in the

GUC Trust Assets (other than to the extent the GUC Trust Assets are allocable to Disputed Claims) and as having immediately contributed such assets to the GUC Trust, and (2) thereafter, as the grantors and deemed owners of the GUC Trust and thus, the direct owners of an undivided interest in the GUC Trust Assets (other than such GUC Trust Assets that are allocable to Disputed Claims).

B. The GUC Administrator

The identity of the GUC Administrator shall be disclosed in the Plan Supplement prior to entry of the Confirmation Order on the docket of the Chapter 11 Cases.

C. Certain Tax Matters

The GUC Administrator shall file tax returns for the GUC Trust as a grantor trust pursuant to Treasury Regulations Section 1.671-4(a) and in accordance with the Plan. The GUC Trust's items of taxable income, gain, loss, deduction, and/or credit (other than such items is respect of any assets allocable to, or retained on account of, Disputed Claims) will be allocated to each holder in accordance with their relative ownership of GUC Trust Interests.

As soon as possible after the Effective Date, the GUC Administrator shall make a good faith valuation of the GUC Trust Assets and such valuation shall be used consistently by all parties for all U.S. federal income tax purposes.

The GUC Administrator may request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the GUC Trust for all taxable periods through the dissolution thereof. Nothing in this Article V.C shall be deemed to determine, expand, or contract the jurisdiction of the Bankruptcy Court under section 505 of the Bankruptcy Code.

The GUC Administrator (1) may timely elect to treat any GUC Trust Assets allocable to Disputed Claims as a "disputed ownership fund" governed by Treasury Regulations Section 1.468B-9, and (2) to the extent permitted by applicable law, shall report consistently for state and local income tax purposes. If a "disputed ownership fund" election is made, all parties (including the GUC Administrator and the holders of GUC Trust Interests) shall report for U.S. federal, state, and local income tax purposes consistently with the foregoing. The GUC Administrator shall file all income tax returns with respect to any income attributable to a "disputed ownership fund" and shall pay the U.S. federal, state, and local income taxes attributable to such disputed ownership fund based on the items of income, deduction, credit, or loss allocable thereto. The Reorganized Debtors and the GUC Administrator shall cooperate to ensure that any distributions made in respect of Claims that are in the nature of compensation for services (including the Non-Qualified Pension Claims) ("Wage Distributions") are processed through appropriate payroll processing systems or arrangements and are subject to appropriate payroll tax withholding and reporting, and that any applicable payroll taxes associated therewith are properly remitted to taxing authorities. The Reorganized Debtors and the GUC Trust shall, if so requested by the GUC Trust, cooperate in good faith to agree to such procedures so as to permit such Wage Distributions to be processed through the Reorganized Debtors' payroll processing systems (which may, for the avoidance of doubt, be administered by a third party). The employer portion of any payroll taxes applicable to Wage Distributions shall be solely borne by the Reorganized Debtors;

neither the GUC Trust nor the GUC Trust/PI Fund Operating Reserve shall bear any liability for the employer portion of any payroll taxes applicable to Wage Distributions.

ARTICLE VI.

PI SETTLEMENT FUND

A. Establishment of the PI Settlement Fund

On the Effective Date, solely in the event that Class 9(a) votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, the PI Settlement Fund shall be established in accordance with the terms of the PI Settlement Fund Agreement and the Plan. The PI Settlement Fund Agreement shall be (a) drafted by the Creditors' Committee and (b) in substantially the form included in the Plan Supplement. The PI Settlement Fund shall be established to make distributions to Holders of Talc Personal Injury Claims in accordance with the PI Claims Distribution Procedures and the Plan. All expenses (including taxes) incurred by the PI Settlement Fund shall be recorded on the books and records (and reported on all applicable tax returns) as expenses of the PI Settlement Fund; *provided however that*, the PI Settlement Fund shall remit all invoices or other documentation with respect to such expenses for payment to the GUC Administrator and the GUC Administrator shall timely make such payments on behalf of the PI Settlement Fund solely from the GUC Trust/PI Fund Operating Reserve.

The Bankruptcy Court shall have continuing jurisdiction over the PI Settlement Fund.

B. The PI Claims Distribution Procedures

The PI Claims Distribution Procedures shall be established solely to implement the Plan and Plan Settlement. Nothing in the PI Claims Distribution Procedures or any other Definitive Document is intended to be, nor shall it be construed as, an admission by the Debtors or any other Entity as to any Talc Personal Injury Claim, nor shall any Definitive Document, including the PI Claims Distribution Procedures, or any component thereof be admissible as evidence of, or have any *res judicata*, collateral estoppel, or other preclusive or precedential effect regarding, (i) any alleged asbestos contamination in any product manufactured, sold, supplied, produced, distributed, released, advertised or marketed by the Debtors, the Reorganized Debtors, or any other Entity or for which the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity otherwise have legal responsibility, or (ii) any liability of the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity or the amount of any alleged liability, in respect of any personal injury actually or allegedly caused by any talc-containing allegedly asbestos-contaminated product manufactured, sold, supplied, produced, distributed, released, advertised, or marketed by the Debtors, the Reorganized Debtors, or any other Entity or for which the Debtors, the Reorganized Debtors, any of their insurers, or any other Entity otherwise have legal responsibility. Likewise, no decision of the PI Claims Administrator or the TAC (as defined in the PI Settlement Fund Agreement) to approve or make any distribution upon any Talc Personal Injury Claim shall be admissible as evidence of, or have any *res judicata*, collateral estoppel, or other preclusive or precedential effect regarding, liability to be imposed against the Debtors, the Reorganized Debtors, their Affiliates, or any other Entity, including, without

limitation, any insurer, other than the PI Settlement Fund. The Confirmation Order shall constitute findings and orders with regard to this Article VI.B. For the avoidance of doubt, the PI Claims Distribution Procedures and determination thereunder of the amount of and liability for any Talc Personal Injury Claims shall be for the sole purpose of distributing the recoveries provided by the Debtors to Class 9(a) under the Plan and for no other purpose. The insurers reserve all rights to defend and contest applicable causes of action or demands to the extent that they are brought against the insurers, or to the extent that such causes of action or demands seek recovery from the insurers.

C. The PI Claims Administrator

The identity of the PI Claims Administrator shall be disclosed in the Plan Supplement prior to entry of the Confirmation Order on the docket of the Chapter 11 Cases.

D. Certain Tax Matters

The PI Settlement Fund is intended to be treated, and shall be reported, as a "qualified settlement fund" for U.S. federal income tax purposes and shall be treated consistently for state and local tax purposes to the extent applicable. The PI Claims Administrator shall be the "administrator" of the PI Settlement Fund within the meaning of Treasury Regulations section 1.468B-2(k)(3).

The PI Claims Administrator shall be responsible for filing all tax returns of the PI Settlement Fund and the payment, out of the assets of PI Settlement Fund, of any taxes due by or imposed on the PI Settlement Fund.

The PI Claims Administrator may request an expedited determination of taxes under section 505(b) of the Bankruptcy Code for all tax returns filed by or on behalf of the PI Settlement Fund for all taxable periods through the dissolution thereof. Nothing in this Article VI.D shall be deemed to determine, expand or contract the jurisdiction of the Bankruptcy Court under section 505 of the Bankruptcy Code.

ARTICLE VII.

TREATMENT OF EXECUTORY CONTRACTS AND UNEXPIRED LEASES

A. Assumption and Rejection of Executory Contracts and Unexpired Leases

Except as otherwise provided herein, all Executory Contracts or Unexpired Leases will be deemed assumed as of the Effective Date, in accordance with the provisions and requirements of sections 365 and 1123 of the Bankruptcy Code, other than those Executory Contracts or Unexpired Leases that: (1) previously were assumed or rejected by the Debtors; (2) are identified on the Schedule of Rejected Executory Contracts and Unexpired Leases; or (3) are the subject of a motion to reject such Executory Contracts or Unexpired Leases, as applicable, that is pending on the Effective Date, regardless of whether the requested effective date of such rejection is on or after the Effective Date. The assumption or rejection of all executory contracts and unexpired leases in the Chapter 11 Cases or in the Plan shall be determined by the Debtors, with the consent of the Required Consenting BrandCo Lenders. Entry of the Confirmation Order

by the Bankruptcy Court shall constitute approval of such assumptions, assumptions and assignments, and the rejection of the Executory Contracts or Unexpired Leases listed on the Schedule of Rejected Executory Contracts and Unexpired Leases pursuant to sections 365(a) and 1123 of the Bankruptcy Code. Any motions to reject Executory Contracts or Unexpired Leases pending on the Effective Date shall be subject to approval by the Bankruptcy Court on or after the Effective Date by a Final Order. Each Executory Contract and Unexpired Lease assumed pursuant to this Article VII.A or by any order of the Bankruptcy Court, which has not been assigned to a third party prior to the Confirmation Date or such later date as provided in this Article VII.A, shall revest in and be fully enforceable by the Debtors or the Reorganized Debtors, as applicable, in accordance with such Executory Contract and/or Unexpired Lease's terms, except as such terms are modified by the provisions of the Plan or any order of the Bankruptcy Court authorizing and providing for its assumption under applicable federal law.

To the maximum extent permitted by law, to the extent any provision in any Executory Contract or Unexpired Lease assumed pursuant to the Plan restricts or prevents, or purports to restrict or prevent, or is breached or deemed breached by, the assumption of such Executory Contract or Unexpired Lease (including, without limitation, any "change of control" (whether direct or indirect) or "anti-assignment" provision, or similar provision implicated by a conversion of the form of entity of the Debtors or their Affiliates), then such provision shall be deemed modified such that the transactions contemplated by the Plan shall not entitle the non-Debtor party thereto to terminate such Executory Contract or Unexpired Lease or to exercise any other rights, including default-related rights, due to the conversion of the form of entity of, as applicable, the Debtors or their Affiliates thereto. Notwithstanding anything to the contrary in the Plan, the Debtors or the Reorganized Debtors, as applicable, shall have the right to alter, amend, modify, or supplement the Schedule of Rejected Executory Contracts and Unexpired Leases, including by way of adding or removing a particular Executory Contract or Unexpired Lease from the Schedule of Rejected Executory Contracts and Unexpired Leases, at any time through and including sixty (60) Business Days after the Effective Date; *provided that*, after the Confirmation Date, the Debtors may not subsequently reject any Unexpired Lease of nonresidential real property under which any Debtor is the lessee that was not previously rejected (or subject to a motion to reject) or designated as rejected on the Schedule of Rejected Executory Contracts and Unexpired Leases absent consent of the applicable lessor; *provided further that*, with respect to any Unexpired Lease subject to a dispute regarding (1) the amount of the Cure Claim, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under such Unexpired Lease to be assumed, if required, or (3) any other matter pertaining to assumption, the Debtors may reject such Unexpired Lease within 30 days following entry of a Final Order of the Bankruptcy Court resolving such dispute.

B. Claims Based on Rejection of Executory Contracts or Unexpired Leases

Proofs of Claim with respect to Claims arising from the rejection of Executory Contracts or Unexpired Leases, if any, must be filed with the Bankruptcy Court or the Voting and Claims Agent and served on the Debtors or Reorganized Debtors, as applicable, by the later of (1) the applicable Claims Bar Date, and (2) thirty (30) calendar days after notice of such rejection is served on the applicable claimant. Any Claims arising from the rejection of an Executory Contract or Unexpired Lease not Filed within such time shall be automatically Disallowed and

forever barred from assertion and shall not be enforceable against the Debtors or the Reorganized Debtors, the Estates, or property of the foregoing parties, without the need for any objection by the Debtors or the Reorganized Debtors, as applicable, or further notice to, or action, order, or approval of the Bankruptcy Court or any other Entity, and any Claim arising out of the rejection of the Executory Contract or Unexpired Lease shall be deemed fully satisfied, released, and discharged, including any Claims against any Debtor listed on the Schedules as unliquidated, contingent, or disputed. Allowed Claims arising from the rejection of the Debtors' Executory Contracts or Unexpired Leases shall be classified as Other General Unsecured Claims and shall be treated in accordance with Article III of the Plan.

Any and all Proofs of Claim based upon Executory Contracts or Unexpired Leases that have been assumed in the Chapter 11 Cases, including pursuant to the Confirmation Order, and for which any cure amount has been fully paid or for which the cure amount is $0 pursuant to this Article VII, shall be deemed Disallowed and expunged as of the Effective Date without the need for any objection thereto or any further notice to or action, order, or approval of the Bankruptcy Court.

C. Cure of Defaults for Assumed Executory Contracts and Unexpired Leases

Any Cure Claims shall be satisfied, pursuant to section 365(b)(1) of the Bankruptcy Code, by payment of the Cure Claim in Cash on the Effective Date or as soon as reasonably practicable thereafter, with such Cure Claim being $0.00 if no amount is listed in the Cure Notice, subject to the limitations described below, or on such other terms as the party to such Executory Contract or Unexpired Lease may otherwise agree. In the event of a dispute regarding (1) the amount of the Cure Claim, (2) the ability of the Reorganized Debtors or any assignee to provide "adequate assurance of future performance" (within the meaning of section 365 of the Bankruptcy Code) under the Executory Contract or Unexpired Lease to be assumed, if required, or (3) any other matter pertaining to assumption, the cure payments required by section 365(b)(1) of the Bankruptcy Code shall only be made following the entry of a Final Order or orders resolving the dispute and approving the assumption or by mutual agreement between the Debtors or the Reorganized Debtors, as applicable, and the applicable counterparty, with the reasonable consent of the Required Consenting BrandCo Lenders.

At least fourteen (14) calendar days before the Confirmation Hearing, the Debtors shall distribute, or cause to be distributed, Cure Notices and proposed amounts of Cure Claims to the applicable Executory Contract or Unexpired Lease counterparties. Any objection by a counterparty to an Executory Contract or Unexpired Lease to a proposed assumption or related cure amount must be Filed, served, and actually received by the Debtors at least seven (7) calendar days before the Confirmation Hearing. Any such objection to the assumption of an Executory Contract or Unexpired Lease shall be heard by the Bankruptcy Court on or before the Effective Date, unless a later date is agreed to between the Debtors or the Reorganized Debtors, on the one hand, and the counterparty to the Executory Contract or Unexpired Lease, on the other hand, or by order of the Bankruptcy Court; *provided*, *however*, that any such objection that is timely Filed by Broadstone Rev New Jersey, LLC or 540 Beautyrest Avenue, LLC shall be heard by the Bankruptcy Court on or before the Confirmation Date, unless a later date is agreed to between the Debtors or the Reorganized Debtors, on the one hand, and Broadstone Rev New Jersey, LLC or 540 Beautyrest Avenue, LLC, as applicable, on the other hand, or by order of the Bankruptcy

Court. Any counterparty to an Executory Contract or Unexpired Lease that fails to object timely to the proposed assumption or cure amount shall be deemed to have assented to such assumption and/or cure amount.

The Debtors or Reorganized Debtors, as applicable, reserve the right to reject any Executory Contract or Unexpired Lease in resolution of any cure disputes. Notwithstanding anything to the contrary herein, if at any time the Bankruptcy Court determines that the Allowed Cure Claim with respect to any Executory Contract or Unexpired Lease is greater than the amount set forth in the applicable Cure Notice, the Debtors or Reorganized Debtors, as applicable, will have the right, at such time, to add such Executory Contract or Unexpired Lease to the Schedule of Rejected Executory Contracts and Unexpired Leases, in which case such Executory Contract or Unexpired Lease shall be deemed rejected as the Effective Date.

Assumption of any Executory Contract or Unexpired Lease pursuant to the Plan or otherwise shall result in the full release and satisfaction of any Claims against any Debtor or defaults, whether monetary or nonmonetary, including defaults of provisions restricting a change in control or any bankruptcy-related defaults, arising under any assumed Executory Contract or Unexpired Lease at any time before the date that the Debtors or Reorganized Debtors assume such Executory Contract or Unexpired Lease; *provided* that nothing herein shall prevent the Reorganized Debtors from (1) paying any Cure Claim despite the failure of the relevant counterparty to File such request for payment of such Cure Claim or (2) settling any Cure Claim without any further notice to or action, order, or approval of the Bankruptcy Court, in each case in clauses (1) or (2), with the consent (not to be unreasonably withheld, conditioned or delayed) of the Required Consenting 2020 B-2 Lenders. Any Proofs of Claim Filed with respect to an Executory Contract or Unexpired Lease that has been assumed and cured shall be deemed Disallowed and expunged, without further notice to or action, order, or approval of the Bankruptcy Court.

D. Pre-existing Obligations to the Debtors under Executory Contracts and Unexpired Leases

Notwithstanding any non-bankruptcy law to the contrary, the Debtors expressly reserve and do not waive any right to receive, or any continuing obligation of a counterparty to provide, warranties or continued maintenance obligations on goods previously purchased, or services previously received, by the contracting Debtors from counterparties to rejected or repudiated Executory Contracts and Unexpired Leases. For the avoidance of doubt, the rejection of any Executory Contracts and Unexpired Leases pursuant to the Plan or otherwise shall not constitute a termination of pre-existing obligations owed to the Debtors under or in relation to such Executory Contracts and Unexpired Leases.

E. D&O Insurance

All of the Debtors' directors' and officers' liability insurance policies (including any "tail policies"), and any agreements, documents, or instruments relating thereto, are treated as and deemed to be Executory Contracts under the Plan. On the Effective Date, the Debtors shall be deemed to have assumed all such directors' and officers' liability insurance policies and any agreements, documents, and instruments related thereto. In addition, on and after the Effective

Date, none of the Reorganized Debtors shall terminate or otherwise reduce, limit or restrict the coverage under any of the directors' and officers' liability insurance policies with respect to conduct occurring prior thereto, and, subject to and in accordance with the terms and conditions of the directors' and officers' liability insurance policies, all directors and officers of the Debtors who served in such capacity at any time prior to the Effective Date shall be entitled to the full benefits of any such directors' and officers' insurance policy (including any "tail policies") for the full term of such policy regardless of whether such directors and/or officers remain in such positions after the Effective Date. Notwithstanding anything to the contrary in Article X.D and Article X.E, all of the Debtors' current and former officers' and directors' rights as beneficiaries of such insurance policies, if any, are preserved to the extent set forth herein.

F. Insurance Obligations

Subject to Article VIII.L.3 of the Plan, and except as otherwise expressly provided in this provision or elsewhere in the Plan, the Reorganized Debtors shall honor all of the Debtors' obligations under the Debtors' insurance policies, including, for the avoidance of doubt, any policies where a Debtor is an insured or counterparty, and any agreements, documents, or instruments relating thereto; *provided* that none of the Debtors, their Estates, the Reorganized Debtors, each of their respective Affiliates, or any other Entity shall have any obligation now or in the future to pay, reimburse, or otherwise satisfy any applicable Hair Straightening Deductible or SIR Obligations that are due or become due (or otherwise would become due) in the future under the terms of any insurance policy; *provided further*, *that* for the avoidance of doubt, the Reorganized Debtors shall honor the Debtors' obligations in respect of any Hair Straightening Claims Defense Costs.

For the avoidance of doubt, except as set forth in Articles VII.F and VIII.L.3 of the Plan, all of the Debtors' insurance policies, including, for the avoidance of doubt, any policies where a Debtor is an insured or counterparty, and all rights and obligations of the Debtors thereunder will automatically become vested, unaltered, in the applicable Reorganized Debtors as of the Effective Date without necessity for further approvals or orders. Subject to Articles VII.F and VIII.L.3 of the Plan, nothing in the Plan shall alter, modify, amend, affect, impair, or prejudice the legal, equitable, or contractual rights, obligations, or defenses of the Debtors, the Reorganized Debtors, Zurich, Chubb, or any other individual or entity, as applicable, under (or affect the coverage, including any coverage for Hair Straightening Claims, under) the Debtors' insurance policies, including, for the avoidance of doubt, any policies where a Debtor is an insured or counterparty.

This Article VII.F shall not apply to any of the Debtors' directors' and officers' insurance policies, which are subject to Article VII.E of the Plan.

G. Special Provisions Regarding Zurich Insurance Contracts and Chubb Insurance Contracts

Notwithstanding anything to the contrary in the Definitive Documents, any Cure Notice, any bar date notice or claim objection, any documents related to any of the foregoing or any other order of the Bankruptcy Court (including, without limitation, any provision that purports

to be preemptory or supervening, grants an injunction, discharge or release, confers Bankruptcy Court jurisdiction or requires a party to opt out of any releases):

1. On the Effective Date, and subject to the compromise set forth in, and as modified by, subsection 6 of this Article VII.G of the Plan, each applicable Reorganized Debtor shall assume all Zurich Insurance Contracts and all Chubb Insurance Contracts which identify the applicable Debtor as an insured or as a counterparty thereto to the full extent of the relationship between the applicable Debtor and Zurich or the applicable Debtor and Chubb, pursuant to sections 105 and 365 of the Bankruptcy Code, and the entry of the Confirmation Order will constitute both approval of such assumption and a finding by the Bankruptcy Court that such assumption is in the best interests of the Estates;

2. Except as expressly set forth in Articles VII.F and VIII.L.3 of the Plan, on and after the Effective Date, the Reorganized Debtors shall become and remain liable in full for all of their and the Debtors' obligations under the Zurich Insurance Contracts and the Chubb Insurance Contracts in accordance with the terms thereof, regardless of when they arise, without the need or requirement for Zurich or Chubb to file or serve any Proof of Claim, Cure Claim, or a request, application, claim, proof or motion for payment or allowance of any Administrative Claim;

3. Except as expressly set forth in Articles VII.F and VIII.L.3 of the Plan, nothing alters, modifies, or otherwise amends the terms and conditions of the Zurich Insurance Contracts or the Chubb Insurance Contracts, any reinsurance agreements related thereto, and any rights and obligations (including, without limitation, any obligations or liabilities of any of the Debtors' Affiliates) and coverage thereunder shall be determined under the Zurich Insurance Contracts and the Chubb Insurance Contracts, as applicable, and applicable non-bankruptcy law as if the Chapter 11 Cases had not occurred;

4. Except as expressly set forth in Articles VII.F and VIII.L.3 of the Plan, nothing alters or modifies the duty, if any, of Zurich or Chubb to pay claims covered by the Zurich Insurance Contracts or the Chubb Insurance Contracts, as applicable, or Zurich's or Chubb's right to seek payment or reimbursement from the Debtors or the Reorganized Debtors or to draw on any collateral or security therefor in accordance with the terms of the Zurich Insurance Contracts or the Chubb Insurance Contracts, as applicable;

5. The automatic stay of Bankruptcy Code section 362(a) and the injunctions set forth in Article X.G of the Plan, if and to the extent applicable, shall be deemed lifted and/or modified without further order of the Bankruptcy Court, solely to permit: (i)(A) Holders of valid Workers' Compensation Claims to proceed with such Workers' Compensation Claims and (B) Holders of direct action claims against Zurich or Chubb under applicable non-bankruptcy law to proceed with such direct action claims; *provided* that the foregoing clause (i)(B) shall be without prejudice to any defenses that the Reorganized Debtors might assert to any claim asserted by Zurich or Chubb against the Reorganized Debtors arising from any payment by Zurich or Chubb on account of any such claim; and *provided, further*, that any recoveries or payments on account of such claims shall be in accordance with and subject to Articles VII.F and VIII.L.3 of the Plan; (ii) Zurich and Chubb to administer, handle, defend, settle, and/or pay, in the ordinary course of

business and without further order of this Bankruptcy Court, subject to Articles VII.F and VIII.L.3 of the Plan and the terms of the applicable Zurich Insurance Contracts or Chubb Insurance Contracts, (A) Workers' Compensation Claims, (B) Claims where the Holder asserts a direct claim against Zurich or Chubb under applicable non-bankruptcy law or an order has been entered by this Bankruptcy Court granting a claimant relief from the automatic stay or the injunctions set forth in Article X.G of the Plan to proceed with its claim, (C) Claims or Causes of Action by Hair Straightening Claimants seeking to recover amounts due under any insurance policy in excess of any applicable Hair Straightening Deductible or SIR Obligation on account of Hair Straightening Claims, and (D) all costs in relation to each of the foregoing; and (iii) Zurich or Chubb to take, in their sole discretion, other actions relating to, as applicable, the Zurich Insurance Contracts or the Chubb Insurance Contracts (including effectuating a setoff), to the extent permissible under applicable non-bankruptcy law, and in accordance with the terms of the Zurich Insurance Contracts or Chubb Insurance Contracts, as applicable, and subject to Articles VII.F and VIII.L.3 of the Plan; and

6. The terms set forth in Articles VII.F and VIII.L.3 of the Plan with respect to Hair Straightening Claims are compromises between (i) the Debtors and Zurich with respect to Zurich's potential objections to the Plan and treatment of Hair Straightening Deductible or SIR Obligations, and (ii) the Debtors and Chubb with respect to Chubb's potential objections to the Plan and treatment of Hair Straightening Deductible or SIR Obligations, and the Hair Straightening Claimants have consented or shall be deemed to consent to such compromises set forth in the foregoing clauses (i) and (ii), and any Zurich Insurance Contracts and Chubb Insurance Contracts that provide coverage for Hair Straightening Claims are modified solely as set forth in Articles VII.F and VIII.L.3 of the Plan; and for the avoidance of doubt, Zurich and Chubb shall not be deemed to release the Debtors, the Reorganized Debtors, and/or any of the Debtors' Affiliates of any obligations under the Zurich Insurance Contracts and the Chubb Insurance Contracts, as applicable, except as specifically set forth in Articles VII.F and VIII.L.3 of the Plan.

H. Indemnification Provisions

Except as otherwise provided in the Plan, on and as of the Effective Date, any of the Debtors' indemnification rights with respect to any contract or agreement that is the subject of or related to any litigation against the Debtors or Reorganized Debtors, as applicable, shall be assumed by the Reorganized Debtors and otherwise remain unaffected by the Chapter 11 Cases.

I. Modifications, Amendments, Supplements, Restatements, or Other Agreements

Unless otherwise provided in the Plan or by separate order of the Bankruptcy Court, each Executory Contract or Unexpired Lease that is assumed shall include (1) all modifications, amendments, supplements, restatements, or other agreements made directly or indirectly by any agreement, instrument or other document that in any manner affect such Executory Contract or Unexpired Lease, and (2) all Executory Contracts and Unexpired Leases related thereto, if any, including easements, licenses, permits, rights, privileges, immunities, options, rights of first refusal, powers, uses, reciprocal easement agreements and any other interests, unless any of the foregoing agreements has been previously rejected or repudiated or is rejected or repudiated pursuant to an order of the Bankruptcy Court or under the Plan.

Except as otherwise provided by the Plan or by separate order of the Bankruptcy Court, modifications, amendments, supplements, and restatements to prepetition Executory Contracts and Unexpired Leases that have been executed by the Debtors during the Chapter 11 Cases and actions taken in accordance therewith (1) shall not be deemed to alter the prepetition nature of the Executory Contract or Unexpired Lease, or the validity, priority, or amount of any Claims against any Debtor that may arise in connection therewith, (2) are not and do not create postpetition contracts or leases, (3) do not elevate to administrative expense priority any Claims of the counterparties to such Executory Contracts and Unexpired Leases against any of the Debtors, and (4) do not entitle any Entity to a Claim against any of the Debtors under any section of the Bankruptcy Code on account of the difference between the terms of any prepetition Executory Contracts or Unexpired Leases and subsequent modifications, amendments, supplements, or restatements.

J. Reservation of Rights

Neither the exclusion nor inclusion of any Executory Contract or Unexpired Lease on the Schedule of Rejected Executory Contracts and Unexpired Leases or any Cure Notice, nor anything contained in the Plan or the Plan Supplement, shall constitute an admission by the Debtors that any such contract or lease is in fact an Executory Contract or Unexpired Lease or that any Reorganized Debtor has any liability thereunder. If, prior to the Effective Date, there is a dispute regarding whether a contract or lease is or was executory or unexpired at the time of assumption or rejection, the Debtors, or Reorganized Debtors, as applicable, shall have forty-five (45) calendar days following entry of a Final Order resolving such dispute to alter their treatment of such contract or lease, including by rejecting such contract or lease *nunc pro tunc* to the Confirmation Date.

K. Nonoccurrence of Effective Date

In the event that the Effective Date does not occur, the Bankruptcy Court shall retain jurisdiction with respect to any request to extend the deadline for assuming or rejecting Unexpired Leases pursuant to section 365(d)(4) of the Bankruptcy Code.

L. Contracts and Leases Entered Into After the Petition Date

Contracts and leases entered into after the Petition Date by any Debtor, including any Executory Contracts and Unexpired Leases assumed by such Debtor, will be performed by the applicable Debtor or Reorganized Debtor liable thereunder in the ordinary course of its business. Accordingly, such contracts and leases (including any assumed Executory Contracts and Unexpired Leases) that had not been rejected as of the date of Confirmation will survive and remain obligations of the applicable Reorganized Debtor.

ARTICLE VIII.

PROVISIONS GOVERNING DISTRIBUTIONS

A. Timing and Calculation of Amounts to Be Distributed

Unless otherwise provided in the Plan, on the Effective Date (or if a Claim is not an Allowed Claim on the Effective Date, on the date that such Claim becomes an Allowed Claim), each Holder of an Allowed Claim shall be entitled to receive the full amount of the distributions that the Plan provides for Allowed Claims in each applicable Class. If and to the extent that there are Disputed Claims, distributions on account of any such Disputed Claims (which will only be made if and when they become Allowed Claims) shall be made pursuant to the provisions set forth in Article IX of the Plan. Except as otherwise expressly provided in the Plan, Holders of Claims shall not be entitled to interest, dividends, or accruals on the distributions provided for in the Plan, regardless of whether such distributions are delivered on or at any time after the Effective Date. The Debtors shall have no obligation to recognize any transfer of Claims against any Debtor or privately held Interests occurring on or after the Distribution Record Date. Distributions to Holders of Claims or Interests related to public securities shall be made to such Holders in exchange for such securities, which shall be deemed canceled as of the Effective Date.

B. Distributions on Account of Obligations of Multiple Debtors

For all purposes associated with distributions under the Plan, each Class 9 General Unsecured Claim that has been asserted against multiple debtors will be treated as a single Claim and shall result in a single distribution under the Plan.

C. Disbursing Agent

Except as otherwise provided in the Plan, all distributions under the Plan shall be made by the Disbursing Agent on the Effective Date or as soon as reasonably practicable thereafter. The Disbursing Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court.

D. Rights and Powers of Disbursing Agent

1. Powers of the Disbursing Agent

The Disbursing Agent shall be empowered to: (a) effect all actions and execute all agreements, instruments, and other documents necessary to perform its duties under the Plan; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Disbursing Agent by order of the Bankruptcy Court, pursuant to the Plan, or as deemed by the Disbursing Agent to be necessary and proper to implement the provisions hereof.

2. Expenses Incurred On or After the Effective Date

Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable fees and out-of-pocket expenses incurred by the Disbursing Agent on or after the Effective Date

(including taxes other than any income taxes) and any reasonable compensation and out-of-pocket expense reimbursement claims (including reasonable and documented attorney fees and expenses) made by the Disbursing Agent shall be paid in Cash by the Reorganized Debtors; *provided* that all such expenses, compensation, and reimbursement claims of the GUC Administrator, the PI Claims Administrator, or the Unsecured Notes Indenture Trustee shall be paid from the GUC Trust/PI Fund Operating Reserve.

E. Delivery of Distributions and Undeliverable or Unclaimed Distributions

1. Delivery of Distributions

(a) Delivery of Distributions to Holders of Allowed Credit Agreement Claims

Except as otherwise provided in the Plan, all distributions under the Plan on account of an Allowed FILO ABL Claim, OpCo Term Loan Claim, 2020 Term B-1 Loan Claim, or 2020 Term B-2 Loan Claim shall be made by the Reorganized Debtors or the Disbursing Agent, as applicable, to the Holder of record of such Allowed Claim as of the Distribution Record Date (as determined and maintained by the ABL Agent, 2016 Agent, or BrandCo Agent, as applicable) or as otherwise reasonably directed by such Holder to the Disbursing Agent. For the avoidance of doubt, to the extent permitted by the 2016 Credit Agreement, all distributions under the Plan on account of an Allowed 2016 Term Loan Claim (other than any Allowed 2016 Term Loan Claim held by a Released Party) shall be subject to, and shall not limit the ability of the 2016 Agent to offset, any 2016 Agent Surviving Indemnity Obligations.

(b) Delivery of Distributions to Unsecured Notes Indenture Trustee

In the event that Class 8 votes to accept the Plan and the Creditors' Committee Settlement Conditions are satisfied, (i) distributions to be made to Holders of Allowed Unsecured Notes Claims shall be made to, or at the reasonable direction of, the Unsecured Notes Indenture Trustee, which shall transmit or direct the transmission of such distributions to Holders of Allowed Unsecured Notes Claims, subject to the priority and charging lien rights of the Unsecured Notes Indenture Trustee, in accordance with the Unsecured Notes Indenture and the Plan, (ii) the Unsecured Notes Indenture Trustee, subject to the payment of its fees and expenses to the extent set forth in the Plan, shall transfer or direct the transfer of such distributions through the facilities of DTC, and (iii) the Unsecured Notes Indenture Trustee shall be entitled to recognize and deal for all purposes under the Plan with Holders of the Unsecured Notes Claims to the extent consistent with the customary practices of DTC, and all distributions to be made to Holders of Unsecured Notes Claims shall be delivered to the Unsecured Notes Indenture Trustee in a form that is eligible to be distributed through the facilities of DTC. If Class 8 votes to reject the Plan or the Creditors' Committee Settlement Conditions are not satisfied, distributions in respect of the Consenting Unsecured Noteholder Recovery shall be made to each Holder of Unsecured Notes Claims that has voted to accept the Plan on account of such Claims and that otherwise qualifies as a Consenting Unsecured Noteholder according to the information provided on such Holder's ballot or the applicable master ballot, as applicable, in respect of such vote, and such distributions shall be made at the expense of the Debtors with the assistance of the Voting and Claims Agent and shall be subject to all charging lien and priority distribution rights of the Unsecured Notes Indenture

Trustee to the extent provided in the Unsecured Notes Indenture with respect to any unpaid fees and expenses as of the Effective Date.

(c) Delivery of Distributions in General

Except as otherwise provided in the Plan, distributions to Holders of Allowed Claims (other than Holders specified in Article VIII.E.1(a) or (b)) or Interests shall be made to Holders of record as of the Distribution Record Date by the Reorganized Debtors or the applicable Disbursing Agent: (i) to the signatory set forth on any of the Proofs of Claim Filed by such Holder or other representative identified therein (or at the last known addresses of such Holder if no Proof of Claim is Filed or if the Debtors have been notified in writing of a change of address); (ii) at the addresses set forth in any written notices of address changes delivered to the Reorganized Debtors after the date of any related Proof of Claim; (iii) at the addresses reflected in the Schedules if no Proof of Claim has been Filed and the Reorganized Debtors have not received a written notice of a change of address; or (iv) on any counsel that has appeared in the Chapter 11 Cases on the Holder's behalf. The Debtors and the Reorganized Debtors shall not incur any liability whatsoever on account of any distributions under the Plan, except in the event of gross negligence or willful misconduct, as determined by a Final Order of a court of competent jurisdiction. Subject to this Article VIII, distributions under the Plan on account of Allowed Claims shall not be subject to levy, garnishment, attachment, or like legal process, so that each Holder of an Allowed Claim shall have and receive the benefit of the distributions in the manner set forth in the Plan. The Debtors, the Reorganized Debtors, and the Disbursing Agents, as applicable, shall not incur any liability whatsoever on account of any distributions under the Plan, except in the event of actual fraud, gross negligence, or willful misconduct, as determined by a Final Order of a court of competent jurisdiction.

2. Record Date of Distributions

As of the close of business on the Distribution Record Date, the various transfer registers for each Class of Claims as maintained by the Debtors or their respective agents shall be deemed closed, and there shall be no further changes in the record Holders of any Claims. The Disbursing Agent shall have no obligation to recognize any transfer of Claims occurring on or after the Distribution Record Date. In addition, with respect to payment of any cure amounts or disputes over any cure amounts, neither the Debtors nor the Disbursing Agent shall have any obligation to recognize or deal with any party other than the non-Debtor party to the applicable Executory Contract or Unexpired Lease as of the Effective Date, even if such non-Debtor party has sold, assigned, or otherwise transferred its Cure Claim. For the avoidance of doubt, the Distribution Record Date shall not apply to distributions to Holders of Unsecured Notes Claims, the Holders of which shall receive distributions, if applicable, in accordance with Article VIII.E.1(b) of the Plan.

3. Special Rules for Distributions to Holders of Disputed Claims

Notwithstanding any provision otherwise in the Plan and except as otherwise agreed to by the Reorganized Debtors, on the one hand, and the Holder of a Disputed Claim, on the other hand, or as set forth in a Final Order, no partial payments and no partial distributions shall be made with respect to a Disputed Claim until all of the Disputed Claim has become an

Allowed Claim or has otherwise been resolved by settlement or Final Order; *provided* that, if the Reorganized Debtors do not dispute a portion of an amount asserted pursuant to an otherwise Disputed Claim, the Disbursing Agent may make a partial distribution on account of that portion of such Claim that is not Disputed at the time and in the manner that the Disbursing Agent makes distributions to similarly situated Holders of Allowed Claims pursuant to the Plan. Any dividends or other distributions arising from property distributed to Holders of Allowed Claims in a Class and paid to such Holders under the Plan shall also be paid, in the applicable amounts, to any Holder of a Disputed Claim in such Class that becomes an Allowed Claim after the date or dates that such dividends or other distributions were earlier paid to Holders of Allowed Claims in such Class.

4. Minimum Distributions

No partial distributions or payments of fractions of New Securities shall be distributed and no Cash shall be distributed in lieu of such fractional amounts. When any distribution pursuant to the Plan on account of an Allowed Claim or Interest, as applicable, would otherwise result in the issuance of a number of New Securities that is not a whole number, the actual distribution of New Securities shall be rounded as follows: (a) fractions of greater than one-half (1/2) shall be rounded to the next higher whole number and (b) fractions of one-half (1/2) or less than one-half (1/2) shall be rounded to the next lower whole number with no further payment therefor. The total number of authorized shares of New Securities to be distributed pursuant to the Plan may (at the Debtors' discretion) be adjusted as necessary to account for the foregoing rounding.

Notwithstanding any other provision of the Plan, no Cash payment valued at less than $100.00, in the reasonable discretion of the Disbursing Agent and the Reorganized Debtors, shall be made to a Holder of an Allowed Claim on account of such Allowed Claim. Such Allowed Claims to which this limitation applies shall be discharged and its Holder forever barred from asserting that Claim against the Reorganized Debtors or their property.

5. Undeliverable Distributions and Unclaimed Property

In the event that any distribution to any Holder is returned as undeliverable, no distribution to such Holder shall be made unless and until the Disbursing Agent has determined the then-current address of such Holder, at which time such distribution shall be made to such Holder without interest; *provided*, *however*, that such distributions shall be deemed unclaimed property under section 347(b) of the Bankruptcy Code at the expiration of six (6) months from the later of (a) the Effective Date and (b) the date of the distribution. After such date, all unclaimed property or interests in property shall revert to the Reorganized Debtors automatically and without need for a further order by the Bankruptcy Court (notwithstanding any applicable federal, provincial, state, or other jurisdiction escheat, abandoned, or unclaimed property laws to the contrary), and the Claim of any Holder to such property or Interest in property shall be discharged and forever barred. The Reorganized Debtors and the Disbursing Agent shall have no obligation to attempt to locate any Holder of an Allowed Claim other than by reviewing the Debtors' books and records and the Bankruptcy Court's filings.

Checks issued on account of Allowed Claims shall be null and void if not negotiated within one hundred eighty (180) calendar days from and after the date of issuance thereof.

Requests for reissuance of any check must be made directly and in writing to the Disbursing Agent by the Holder of the relevant Allowed Claim within the 180-calendar day period. After such date, the relevant Allowed Claim (and any Claim for reissuance of the original check) shall be automatically discharged and forever barred, and such funds shall revert to the Reorganized Debtors (notwithstanding any applicable federal, provincial, state or other jurisdiction escheat, abandoned, or unclaimed property laws to the contrary).

A distribution shall be deemed unclaimed if a Holder has not: (a) accepted a particular distribution or, in the case of distributions made by check, negotiated such check; (b) given notice to the Reorganized Debtors of an intent to accept a particular distribution; (c) responded to the Debtors' or Reorganized Debtors' requests for information necessary to facilitate a particular distribution; or (d) taken any other action necessary to facilitate such distribution.

F. Manner of Payment

At the option of the Disbursing Agent, any Cash payment to be made hereunder may be made by check, wire transfer, automated clearing house, or credit card, or as otherwise required or provided in applicable agreements.

G. Registration or Private Placement Exemption

The New Securities are or may be "securities," as defined in Section 2(a)(1) of the Securities Act, section 101 of the Bankruptcy Code, and applicable state securities laws.

1. Section 1145 of the Bankruptcy Code

Pursuant to section 1145 of the Bankruptcy Code, the offer, issuance, and distribution of the New Securities (other than the Reserved Shares or any Unsubscribed Shares, as described in Article VIII.G.2) by Reorganized Holdings as contemplated by the Plan (including the issuance of New Common Stock upon exercise of the Equity Subscription Rights and/or the New Warrants) is exempt from, among other things, the registration requirements of Section 5 of the Securities Act and any other applicable U.S. state or local law requiring registration prior to the offering, issuance, distribution or sale of securities. The New Securities issued by Reorganized Holdings pursuant to section 1145 of the Bankruptcy Code (1) are not "restricted securities" as defined in Rule 144(a)(3) under the Securities Act, and (2) are freely tradable and transferable by any initial recipient thereof that (a) is not an "affiliate" of the Reorganized Debtors as defined in Rule 144(a)(1) under the Securities Act, (b) has not been such an "affiliate" within ninety (90) calendar days of such transfer, (c) has not acquired the New Securities from an "affiliate" within one year of such transfer and (d) is not an entity that is an "underwriter" as defined in section 1145(b) of the Bankruptcy Code; *provided* that transfer of the New Securities may be restricted by the LLC Agreement, the other New Organizational Documents, the New Shareholders' Agreement, if any, and the New Warrant Agreement.

2. Section 4(a)(2) of the Securities Act

The offer (to the extent applicable), issuance, and distribution of the Reserved Shares and the Unsubscribed Shares shall be exempt (including with respect to an entity that is an "underwriter" as defined in subsection (b) of section 1145 of the Bankruptcy Code) from

registration under the Securities Act pursuant to Section 4(a)(2) thereof and/or Regulation D thereunder. Therefore, the Reserved Shares and the Unsubscribed Shares will be "restricted securities" subject to resale restrictions and may be resold, exchanged, assigned, or otherwise transferred only pursuant to registration or an applicable exemption from registration under the Securities Act and other applicable law. In that regard, each of the Equity Commitment Parties has made customary representations to the Debtors, including that each is an "accredited investor" (within the meaning of Rule 501(a) of the Securities Act) or a qualified institutional buyer (as defined under Rule 144A promulgated under the Securities Act).

3. DTC

Should the Reorganized Debtors elect on or after the Effective Date to reflect any ownership of the New Securities through the facilities of DTC, the Reorganized Debtors need not provide any further evidence other than the Plan or the Confirmation Order with respect to the treatment of transfers, exercise, removal of restrictions, or conversion of New Securities under applicable U.S. federal, state or local securities laws.

DTC shall be required to accept and conclusively rely upon the Plan and Confirmation Order in lieu of a legal opinion regarding whether the New Securities are exempt from registration and/or eligible for DTC book-entry delivery, settlement and depository services. Each Entity that becomes a Holder of New Common Stock indirectly through the facilities of DTC will be deemed bound by the terms and conditions of the LLC Agreement and other applicable New Organizational Documents and shall be deemed to be a beneficial owner of New Common Stock subject to the terms and conditions of the LLC Agreement.

Notwithstanding anything to the contrary in the Plan, no Entity (including, for the avoidance of doubt, DTC) may require a legal opinion regarding the validity of any transaction contemplated by the Plan, including, for the avoidance of doubt, whether the New Common Stock or the New Warrants (or New Common Stock issued upon exercise of the New Warrants) are exempt from registration and/or eligible for DTC book-entry delivery, settlement and depository services.

H. Compliance with Tax Requirements

In connection with the Plan, to the extent applicable, the Reorganized Debtors shall comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit, and all distributions pursuant to the Plan shall be subject to such withholding and reporting requirements. Notwithstanding any provision in the Plan to the contrary, the Reorganized Debtors and the Disbursing Agent shall be authorized to take all actions necessary or appropriate to comply with such withholding and reporting requirements, including, without limitation, liquidating a portion of the distribution to be made under the Plan to generate sufficient funds to pay applicable withholding taxes, withholding distributions pending receipt of information, documentation, and certifications necessary to facilitate such distributions, or establishing any other mechanisms they believe are reasonable or appropriate. All Persons holding Claims against any Debtor shall be required to provide any information necessary for the Reorganized Debtors to comply with all tax withholding and reporting requirements imposed on them by any Governmental Unit. The Reorganized Debtors reserve the right to allocate any

distributions made under the Plan in compliance with applicable wage garnishments, alimony, child support, and other spousal awards, Liens, and encumbrances.

Notwithstanding any other provision of the Plan to the contrary, each Holder of an Allowed Claim shall have the sole and exclusive responsibility for the satisfaction and payment of any tax obligations imposed by any Governmental Unit on account of such distribution.

I. No Postpetition or Default Interest on Claims

Unless otherwise specifically provided for in an order of the Bankruptcy Court, the Plan, the Final DIP Order, or the Confirmation Order, postpetition interest shall not accrue or be paid on any Claims and no holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any such Claim for purposes of distributions under the Plan.

J. Allocations

Distributions in respect of Allowed Claims shall be allocated first to the principal amount of such Claims (as determined for federal income tax purposes) and then, to the extent the consideration exceeds the principal amount of the Claims, to the remaining portion of such Allowed Claim, if any.

K. Setoffs and Recoupment

The Debtors or the Reorganized Debtors may, but shall not be required to, setoff against or recoup any Allowed Claim and the distributions to be made pursuant to the Plan on account of such Allowed Claim, any claims, rights, and Causes of Action of any nature whatsoever that the Debtors or the Reorganized Debtors, as applicable, may have against the Holder of such Allowed Claim pursuant to the Bankruptcy Code or applicable nonbankruptcy law, to the extent that such claims, rights, or Causes of Action against such Holder have not been otherwise compromised or settled on or prior to the Effective Date (pursuant to the Plan or otherwise); *provided*, *however*, that the failure of the Debtors or the Reorganized Debtors, as applicable, to do so shall not constitute a waiver, abandonment or release by the Debtors or the Reorganized Debtors of any such Claim they may have against the Holder of such Claim.

Notwithstanding anything to the contrary in the Plan, nothing in the Plan shall modify the rights, if any, of Broadstone Rev New Jersey, LLC and 540 Beautyrest Avenue, LLC, solely to the extent that either such entity is a counterparty to any Unexpired Lease of nonresidential real property, to assert any right of setoff or recoupment that such party may have under applicable bankruptcy or non-bankruptcy law, subject to section 553 of the Bankruptcy Code and any other applicable bankruptcy law, including, but not limited to: (1) the ability, if any, of such parties to setoff or recoup a security deposit held pursuant to the terms of their Unexpired Lease with the Debtors, or any successors to the Debtors, under the Plan; (2) assertion of rights of setoff or recoupment, if any, in connection with Claims reconciliation; or (3) assertion of setoff or recoupment as a defense, if any, against any claim or action by the Debtors. The Debtors rights with respect thereto are expressly reserved.

L. Claims Paid or Payable by Third Parties

1. Claims Paid by Third Parties

The Debtors or the Reorganized Debtors, as applicable, shall reduce a Claim against any Debtor, and such Claim (or portion thereof) shall be Disallowed without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court, to the extent that the Holder of such Claim receives a payment on account of such Claim from a party that is not a Debtor or a Reorganized Debtor, as applicable. Subject to the last sentence of this paragraph, to the extent a Holder of a Claim receives a distribution on account of such Claim and also receives payment from a party that is not a Debtor or a Reorganized Debtor, as applicable, on account of such Claim, such Holder shall, within fourteen (14) days of receipt of such payment, repay or return the distribution to the applicable Reorganized Debtor to the extent the Holder's total recovery on account of such Claim from the third party and under the Plan exceeds the amount of such Claim as of the date of any such distribution under the Plan. The failure of such Holder to timely repay or return such distribution shall result in the Holder owing the applicable Reorganized Debtor annualized interest at the Federal Judgment Rate on such amount owed for each Business Day after the fourteen day grace period specified above until the amount is repaid.

2. Claims Payable by Third Parties

No distributions under the Plan shall be made on account of an Allowed Claim that is payable pursuant to one of the Debtors' insurance policies until the Holder of such Allowed Claim has exhausted all remedies with respect to such insurance policy (other than a Talc Personal Injury Claim administered pursuant to the PI Claims Distribution Procedures). For the avoidance of doubt, the PI Claims Distribution Procedures and determination thereunder of the amount of and liability for any Talc Personal Injury Claims shall be for the sole purpose of distributing the recoveries provided by the Debtors to Class 9(a) under the Plan and for no other purpose. The insurers reserve all rights to defend and contest applicable causes of action or demands to the extent that they are brought against the insurers, or to the extent that such causes of action or demands seek recovery from the insurers. To the extent that one or more of the Debtors' insurers agrees to satisfy in full or in part a Claim against any Debtor, then immediately upon such insurers' agreement, the applicable portion of such Claim may be expunged without a Claim objection having to be Filed and without any further notice to or action, order, or approval of the Bankruptcy Court.

3. Applicability of Insurance Policies

Except as otherwise provided in the Plan, including this Article VIII.L.3, (a) payments to Holders of Claims covered by the Debtors' insurance policies shall be in accordance with the provisions of any applicable insurance policy, and (b) nothing contained in the Plan shall constitute or be deemed a waiver of any Cause of Action that the Debtors, the Reorganized Debtors, or any Person (including any Holder of a Hair Straightening Claim) or Entity may hold against any other Entity, including insurers, under any policies of insurance. Except as expressly set forth in this Article VIII.L.3 or in Articles VII.F, VIII.L.2 or IX.A.6 of the Plan, nothing contained herein shall

constitute or be deemed a waiver by such insurers of any rights or defenses, including coverage defenses, held by such insurers.

Except with respect to the Debtors' directors' and officers' insurance policies, and notwithstanding any provisions to the contrary in any of the Debtors' insurance policies, the applicable insurers shall have no obligation to pay any amounts that are within any applicable and unexhausted deductibles or self-insured retentions on account of any Hair Straightening Claims (a "Hair Straightening Deductible or SIR Obligation") under any applicable insurance policy on account of Hair Straightening Claims that are discharged pursuant to the Plan and applicable law. Holders of Allowed Hair Straightening Claims shall have no right to receive, and shall be deemed to have waived any such right to receive, from any applicable insurer any amounts that are within a Hair Straightening Deductible or SIR Obligation of an insurance policy, and Holders of Allowed Hair Straightening Claims shall be subject to and receive distributions solely pursuant to Article III.C.12 of the Plan, if any, on account of such amounts within a Hair Straightening Deductible or SIR Obligation, which treatment shall satisfy and exhaust, in full, any obligation of the Debtors, their Estates, the Reorganized Debtors, their Affiliates, insurers, or any other obligor under the applicable policy or policies to pay, reimburse, or otherwise satisfy any Hair Straightening Deductible or SIR Obligation, regardless of the amount or availability of the distribution. No insurer shall have a Claim or other Cause of Action against the Debtors, their Estates, the Reorganized Debtors, their Affiliates, or any other Entity for any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs. Nothing herein shall in any way affect an insurance company's obligations under any insurance policy issued or providing coverage to the Debtors, their Estates, or the Reorganized Debtors to pay amounts due under any insurance policy, including amounts in excess of any applicable Hair Straightening Deductible or SIR Obligation; *provided* nothing herein will require any insurer to pay the amount of any judgment or settlement within an unpaid Hair Straightening Deductible or SIR Obligations. For the avoidance of doubt, the automatic stay and the injunctions in Article X.G of the Plan do not apply to Causes of Action by Hair Straightening Claimants seeking to recover amounts due under any insurance policy in excess of any applicable Hair Straightening Deductible or SIR Obligation on account of Hair Straightening Claims once they are fully and finally liquidated in accordance with Article IX.A.6 of the Plan. The applicable insurer will be entitled to reduce the amount payable to a Hair Straightening Claimant on account of any settlement or judgment entered with respect to a Hair Straightening Claim in full dollars for any Hair Straightening Deductible or SIR Obligations applicable to such Claim pursuant to the applicable insurance policy.

All insurers under the Debtors' insurance policies are permanently enjoined, from and after the Effective Date, from taking any of the following actions against the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entity, or any assets of the Debtors, the Reorganized Debtors, any of their respective Affiliates, or any other Entities, or any collateral or security provided by or on behalf of the Debtors, the Reorganized Debtors, any of their respective Affiliates, and/or any other Entities: (a) commencing or continuing in any manner any cause of action, lawsuit, or other proceeding of any kind seeking to recover any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (b) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection

with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (c) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; (d) asserting any right of setoff, subrogation, contribution, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs; and (e) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any Hair Straightening Deductible or SIR Obligation, except to the extent such obligation is for any unpaid Hair Straightening Claims Defense Costs.

For clarity, to preserve coverage under any Debtors' insurance policies, Holders of Hair Straightening Claims specifically reserve, and do not release, any claims they may have against the Debtors that implicate coverage under any of the Debtors' insurance policies, but recourse is limited to the proceeds of the Debtors' insurance policies in excess of any applicable Hair Straightening Deductible or SIR Obligations, and all other damages (including extra-contractual damages), awards, judgments in excess of policy limits, penalties, punitive damages, and attorney's fees and costs that may be recoverable from any of the Debtors (solely to the extent of distributions available under and in accordance with Article III.C.12 of the Plan, if any) or any of the Debtors' insurers consistent with the Plan.

For the avoidance of doubt, Holders of Hair Straightening Claims shall have no claims or recourse against the Debtors, the Reorganized Debtors, or any of their respective Affiliates, and the sole recovery on account of Hair Straightening Claims, if any, shall be from the Debtors' insurance policies, if permitted and in accordance with the terms of such policies and the Plan.

To the extent that it is determined by a Final Order that this Article VIII.L.3 does not apply to any insurance policy, the Reorganized Debtors shall not be deemed to have assumed such policy or policies and shall not be obligated to honor any obligations under such policy or policies pursuant to Article VII.F of the Plan. The foregoing sentence shall not apply to the Zurich Insurance Contracts or the Chubb Insurance Contracts, which are assumed pursuant to and in accordance with the terms of Article VII.G of the Plan.

M. Foreign Current Exchange Rate

As of the Effective Date, any Claim asserted in a currency other than U.S. dollars shall be automatically deemed converted to the equivalent U.S. dollar value using the exchange rate on the Petition Date, as quoted at 4:00 p.m. (prevailing Eastern time), midrange spot rate of exchange for the applicable currency as published in the Wall Street Journal, National Edition, on the day after the Petition Date.

ARTICLE IX.

PROCEDURES FOR RESOLVING CONTINGENT, UNLIQUIDATED, AND DISPUTED CLAIMS

A. Resolution of Disputed Claims

1. Allowance of Claims

After the Effective Date, each of the Reorganized Debtors (and, with respect to the administration of General Unsecured Claims, the GUC Administrator or the PI Claims Administrator, as applicable) shall have and retain any and all rights and defenses such Debtor had with respect to any Claim immediately before the Effective Date. Except as expressly provided in the Plan or in any order entered in the Chapter 11 Cases before the Effective Date (including the Confirmation Order), no Claim against any Debtor shall become an Allowed Claim unless and until such Claim is deemed Allowed under the Plan or the Bankruptcy Code, or the Bankruptcy Court has entered a Final Order, including the Confirmation Order (when it becomes a Final Order), in the Chapter 11 Cases allowing such Claim. For the avoidance of doubt, all references in this Article IX to (a) the GUC Administrator shall apply only in the event the GUC Trust is created in accordance with the Plan and only with respect to Claims in Classes 9(b), (c), and (d), and (b) the PI Claims Administrator shall apply only in the event the PI Settlement Fund is created in accordance with the Plan and only with respect to Claims in Class 9(a).

2. Claims and Interests Administration Responsibilities

Except as otherwise specifically provided in the Plan and notwithstanding any requirements that may be imposed pursuant to Bankruptcy Rule 9019, after the Effective Date, the Reorganized Debtors (or any authorized agent or assignee thereof), the GUC Administrator, and the PI Claims Administrator, as applicable, shall have the sole authority to: (a) File, withdraw, or litigate to judgment objections to Claims against any of the Debtors; (b) settle or compromise any Disputed Claim without any further notice to or action, order, or approval by the Bankruptcy Court; and (c) administer and adjust the Claims Register to reflect any such settlements or compromises without any further notice to or action, order, or approval by the Bankruptcy Court. For the avoidance of doubt, except as otherwise provided herein, from and after the Effective Date, each Reorganized Debtor (and, solely with respect to the administration of General Unsecured Claims, the GUC Administrator or the PI Claims Administrator, as applicable) shall have and retain any and all rights and defenses that any Debtor had immediately prior to the Effective Date with respect to any Disputed Claim or Interest.

3. Estimation of Claims

Before or after the Effective Date, the Debtors or the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, may (but are not required to) at any time request that the Bankruptcy Court estimate any Disputed Claim that is contingent or unliquidated pursuant to section 502(c) of the Bankruptcy Code for any reason, regardless of whether any party previously has objected to such Claim or whether the Bankruptcy Court has ruled on any such objection, and the Bankruptcy Court shall retain jurisdiction to estimate any such Claim, including during the litigation of any objection to any Claim or during the appeal relating to such objection. Notwithstanding any provision otherwise in the Plan, a Claim against

any Debtor that has been expunged from the Claims Register, but that either is subject to appeal or has not been the subject of a Final Order, shall be deemed to be estimated at zero dollars, unless otherwise ordered by the Bankruptcy Court. In the event that the Bankruptcy Court estimates any Disputed, contingent or unliquidated Claim, that estimated amount shall constitute a maximum limitation on such Claim for all purposes under the Plan (including for purposes of distributions), and the relevant Reorganized Debtor may elect to pursue any supplemental proceedings to object to any ultimate distribution on such Claim; *provided*, *however*, that such limitation shall not apply to Claims against any of the Debtors requested by the Debtors to be estimated for voting purposes only.

Notwithstanding section 502(j) of the Bankruptcy Code, in no event shall any Holder of a Claim that has been estimated pursuant to section 502(c) of the Bankruptcy Code or otherwise be entitled to seek reconsideration of such estimation unless such Holder has Filed a motion requesting the right to seek such reconsideration on or before fourteen (14) calendar days after the date on which such Claim is estimated. All of the aforementioned Claims and objection, estimation, and resolution procedures are cumulative and not exclusive of one another. Claims against any of the Debtors may be estimated and subsequently compromised, settled, withdrawn, or resolved by any mechanism approved by the Bankruptcy Court.

4. Adjustment to Claims Without Objection

Any duplicate Claim or Interest, any Claim against any Debtor that has been paid or satisfied, or any Claim against any Debtor that has been amended or superseded, canceled, or otherwise expunged (including pursuant to the Plan), may, in accordance with the Bankruptcy Code and Bankruptcy Rules, be adjusted or expunged (including on the Claims Register, to the extent applicable) by the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, without the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court. Additionally, any Claim or Interest that is duplicative or redundant with another Claim or Interest against the same Debtor may be adjusted or expunged on the Claims Register at the direction of the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, without the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator having to File an application, motion, complaint, objection, or any other legal proceeding seeking to object to such Claim or Interest and without any further notice to or action, order, or approval of the Bankruptcy Court.

5. Time to File Objections to Claims

Any objections to Claims against any of the Debtors shall be Filed on or before the Claims Objection Deadline.

6. Liquidation of Hair Straightening Claims

Hair Straightening Claims evidenced by a Hair Straightening Proof of Claim shall be liquidated in the Hair Straightening MDL or, in the event that the Hair Straightening MDL has

been terminated, in the United States District Court for the Southern District of New York consistent with the applicable provisions of 28 U.S.C. §§ 157 and 1334.

The Plan shall constitute an objection to each Hair Straightening Claim. On or after the later of (a) the Effective Date and (b) the date of entry of an order in the MDL permitting potential plaintiffs to file complaints directly in the Hair Straightening MDL (the "MDL Direct Filing Order"), each Hair Straightening Claimant that has properly filed a Hair Straightening Proof of Claim shall file a complaint naming the applicable Debtor(s) in the Hair Straightening MDL or, if the Hair Straightening MDL has terminated or is otherwise the inapplicable forum for such action, in the United States District Court for the Southern District of New York consistent with the applicable provisions of 28 U.S.C. §§ 157 and 1334, for the purpose of liquidating such Hair Straightening Claim against the applicable Debtor(s) (any such action, a "Hair Straightening Liquidation Action"). All Hair Straightening Liquidation Actions must be commenced no later than the later of (a) September 14, 2023, (b) 90 days after entry of the MDL Direct Filing Order, and (c) solely with respect to a Hair Straightening Claimant who is diagnosed after the Hair Straightening Bar Date, six (6) months from the date of the applicable diagnosis by a licensed medical doctor. Any Hair Straightening Claim for which a Hair Straightening Liquidation Action is not timely commenced pursuant to the foregoing sentence shall be disallowed.

The injunction set forth in Article X.G of the Plan is modified solely for the purpose of allowing Hair Straightening Claimants that have properly filed a Hair Straightening Proof of Claim to file and pursue Hair Straightening Liquidation Actions against the applicable Debtor(s) in the Hair Straightening MDL or in the United States District Court for the Southern District of New York consistent with the applicable provisions of 28 U.S.C. §§ 157 and 1334, as applicable.

For the avoidance of doubt, a settlement or judgment, if any, in respect of a Hair Straightening Claim, including in respect of any Hair Straightening Liquidation Action, to the extent not paid by insurance, shall be treated as an Other General Unsecured Claim and receive a distribution pursuant to the Plan, including Article III of the Plan, shall constitute and remain a prepetition Claim discharged against the Reorganized Debtors and their assets, and shall not, in any event, be recoverable against the Reorganized Debtors or their assets.

For the avoidance of doubt, this Article IX.A.6 applies solely to Hair Straightening Claims for which a timely and properly filed Hair Straightening Proof of Claim has been filed.

B. Disallowance of Claims

Any Claims against any of the Debtors held by Entities from which property is recoverable under sections 542, 543, 550, or 553 of the Bankruptcy Code, or that is a transferee of a transfer avoidable under sections 522(f), 522(h), 544, 545, 547, 548, 549, or 724(a) of the Bankruptcy Code, shall be deemed Disallowed pursuant to section 502(d) of the Bankruptcy Code, and Holders of such Claims may not receive any distributions on account of such Claims until such time as such Causes of Action against that Entity have been settled or a Bankruptcy Court order with respect thereto has been entered and all sums due, if any, to the Debtors by that Entity have been turned over or paid to the Reorganized Debtors. Subject in all respects to Article IV.P, all Proofs of Claims Filed on account of an indemnification obligation to a director, officer, or employee shall be deemed satisfied and expunged from the Claims Register as of the Effective

Date to the extent such indemnification obligation is assumed (or honored or reaffirmed, as the case may be) pursuant to the Plan, without any further notice to or action, order, or approval of the Bankruptcy Court.

Except as provided herein or otherwise agreed to by the Debtors or the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, any and all Proofs of Claim filed after the applicable Claims Bar Date shall be deemed Disallowed and expunged as of the Effective Date without any further notice to or action, order, or approval of the Bankruptcy Court, and Holders of such Claims may not receive any distributions on account of such Claims, unless on or before the Confirmation Hearing such late Filed Claim has been deemed timely Filed by a Final Order.

C. Amendments to Proofs of Claim

On or after the Effective Date, except as provided in the Plan or the Confirmation Order, a Proof of Claim or Interest may not be Filed or amended without the prior authorization of the Bankruptcy Court or the Reorganized Debtors, the GUC Administrator, or the PI Claims Administrator, as applicable, and any such new or amended Proof of Claim Filed shall be deemed Disallowed in full and expunged without any further action, order, or approval of the Bankruptcy Court; *provided*, *however*, that the foregoing shall not apply to Administrative Claims or Professional Compensation Claims.

D. No Distributions Pending Allowance

Notwithstanding anything to the contrary herein, if any portion of a Claim against any Debtor is Disputed, or if an objection to a Claim against any Debtor or portion thereof is Filed as set forth in this Article IX, no payment or distribution provided under the Plan shall be made on account of such Claim or portion thereof unless and until such Disputed Claim becomes an Allowed Claim.

E. Distributions After Allowance

To the extent that a Disputed Claim ultimately becomes an Allowed Claim, distributions (if any) shall be made to the Holder of such Allowed Claim in accordance with the provisions of the Plan. As soon as practicable after the date that the order or judgment of the Bankruptcy Court allowing any Disputed Claim becomes a Final Order, the Disbursing Agent shall provide to the Holder of such Allowed Claim the distribution (if any) to which such Holder is entitled under the Plan as of the Effective Date, less any previous distribution (if any) that was made on account of the undisputed portion of such Allowed Claim, without any interest, dividends, or accruals to be paid on account of such Allowed Claim unless required under applicable bankruptcy law.

F. No Interest

Unless otherwise expressly provided by section 506(b) of the Bankruptcy Code or as specifically provided for herein or by order of the Bankruptcy Court, postpetition interest shall not accrue or be paid on Claims against any of the Debtors, and no Holder of a Claim shall be entitled to interest accruing on or after the Petition Date on any Claim or right. Additionally, and

without limiting the foregoing, interest shall not accrue or be paid on any Disputed Claim with respect to the period from the Effective Date to the date a final distribution is made on account of such Disputed Claim, if and when such Disputed Claim becomes an Allowed Claim; *provided*, *however*, that nothing in this Article IX.F shall limit any rights of any Governmental Unit to interest under sections 503, 506(b), 1129(a)(9)(A) or 1129(a)(9)(C) of the Bankruptcy Code or as otherwise provided for under applicable law.

ARTICLE X.

SETTLEMENT, RELEASE, INJUNCTION, AND RELATED PROVISIONS

A. Compromise and Settlement of Claims, Interests, and Controversies

Pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, and in consideration for, and as a requirement to receive, the distributions and other benefits provided pursuant to the Plan, the provisions of the Plan shall constitute a good faith global and integrated compromise and settlement (the "Plan Settlement") of all Claims, Interests, and controversies relating to the contractual, legal, and subordination rights that any Holder of a Claim or Interest may have with respect to any Allowed Claim or Interest, or any distribution to be made on account of such Allowed Claim or Interest, as well as any and all actual and potential disputes between and among the Company Entities (including, for clarity, between and among the BrandCo Entities, on the one hand, and the Non-BrandCo Entities on the other and including, with respect to each Debtor, such Debtors' Estate), the Creditors' Committee, the Consenting BrandCo Lenders, the Consenting 2016 Lenders, and each other Releasing Party and all other disputes that might impact creditor recoveries, including, without limitation, any and all issues relating to (1) the allocation of the economic burden of repayment of the ABL DIP Facility and Term DIP Facility and/or payment of adequate protection obligations provided pursuant to the Final DIP Order among the Debtors; (2) any and all disputes that might be raised impacting the allocation of value among the Debtors and their respective assets, including any and all disputes related to the Intercompany DIP Facility; and (3) any and all other Settled Claims, including the Financing Transactions Litigation Claims. The entry of the Confirmation Order shall constitute the Bankruptcy Court's approval of the Plan Settlement as well as a finding by the Bankruptcy Court that the Plan Settlement is in the best interests of the Debtors, their Estates, and Holders of Claims and Interests and is fair, equitable, and reasonable. The Plan Settlement is binding upon all creditors and all other parties in interest pursuant to section 1141(a) of the Bankruptcy Code. In accordance with the provisions of the Plan, pursuant to section 1123 of the Bankruptcy Code and Bankruptcy Rule 9019, without any further notice to or action, order, or approval of the Bankruptcy Court, after the Effective Date, the Reorganized Debtors may compromise and settle Claims against, and Interests in, the Debtors and their Estates and Causes of Action against other Entities.

B. Discharge of Claims and Termination of Interests

Pursuant to section 1141(d) of the Bankruptcy Code, and except as otherwise specifically provided in the Plan, the Confirmation Order, or in any contract, instrument, or other agreement or document created pursuant to the Plan, the distributions, rights, and treatment that are provided in the Plan shall be in complete satisfaction, discharge, and release, effective as of the Effective Date, of Claims, Interests, and Causes of Action of any nature whatsoever, including

any interest accrued on Claims or Interests from and after the Petition Date, whether known or unknown, against, liabilities of, Liens on, obligations of, rights against, and Interests in, the Debtors or any of their assets or properties, regardless of whether any property shall have been distributed or retained pursuant to the Plan on account of such Claims and Interests, including demands, liabilities, and Causes of Action that arose before the Effective Date, any liability (including withdrawal liability) to the extent such Claims or Interests relate to services performed by employees of the Debtors before the Effective Date and that arise from a termination of employment, any contingent or non-contingent liability on account of representations or warranties issued on or before the Effective Date, and all debts of the kind specified in section 502(g), 502(h), or 502(i) of the Bankruptcy Code, in each case whether or not: (1) a Proof of Claim based upon such debt or right is Filed or deemed Filed pursuant to section 501 of the Bankruptcy Code; (2) a Claim or Interest based upon such debt, right, or Interest is Allowed pursuant to section 502 of the Bankruptcy Code; or (3) the Holder of such a Claim or Interest has accepted the Plan. Any default or "event of default" by the Debtors or their Affiliates with respect to any Claim or Interest on account of the Filing of the Chapter 11 Cases or the Canadian Recognition Proceeding shall be deemed cured (and no longer continuing). The Confirmation Order shall be a judicial determination of the discharge of all Claims and Interests subject to the Effective Date occurring.

C. Release of Liens

Except as otherwise specifically provided in the Plan, or any other Definitive Document, on the Effective Date, all mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall be fully released, settled, discharged, and compromised, and all of the right, title, and interest of any holder of such mortgages, deeds of trust, Liens, pledges, or other security interests against any property of the Estates shall revert to the Reorganized Debtors and their successors and assigns, in each case, without any further approval or order of the Bankruptcy Court and without any action or filing being required to be made by the Debtors. The presentation or filing of the Confirmation Order to or with any federal, state, provincial, or local agency or department shall constitute good and sufficient evidence of, but shall not be required to effect, the termination of such mortgages, deeds of trust, Liens, pledges, or other security interests.

In addition, the ABL Agents, BrandCo Agent, 2016 Agent, ABL DIP Facility Agent, and Term DIP Facility Agent shall execute and deliver all documents reasonably requested by the Debtors, the Reorganized Debtors, or the Exit Facilities Agents, as applicable, to evidence the release of such mortgages, deeds of trust, Liens, pledges, and other security interests and shall authorize the Debtors or Reorganized Debtors to file UCC-3 termination statements or other jurisdiction equivalents (to the extent applicable) with respect thereto.

D. Releases by the Debtors

Pursuant to section 1123(b) of the Bankruptcy Code, for good and valuable consideration, as of the Effective Date, each of the Released Parties is unconditionally, irrevocably, generally, individually, and collectively, released, acquitted, and discharged by the Debtors, the Reorganized Debtors, and each of their Estates from any and all Causes of Action, including any derivative Causes of Action asserted or assertable by or on behalf of a

Debtor, Reorganized Debtor, or any of their Estates, any Causes of Action that any Debtor, Reorganized Debtors, or any of their Estates would have been legally entitled to assert in its own right (whether individually or collectively) or on behalf of the Holder of any Claim against or Interest in a Debtor or other Entity, whether known or unknown, foreseen or unforeseen, asserted or unasserted, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise that the Debtors, the Reorganized Debtors, or their Estates (whether individually or collectively) ever had, now has, or thereafter can, shall, or may have, based on or relating to, or in any manner arising from, in whole or in part: (1) the Debtors, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Chapter 11 Cases, the Canadian Recognition Proceeding, the purchase, sale, or rescission of any security of the Debtors, the Plan Settlement, the Settled Claims, the formulation, preparation, dissemination, negotiation, or filing of the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (2) any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (3) the business or contractual arrangements between any Debtor and any Released Party, whether before or during the Debtors' restructuring, or the restructuring of Claims and Interests before or during the Chapter 11 Cases; (4) the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is affected by or classified in the Plan; (5) the filing of the Chapter 11 Cases or the Canadian Recognition Proceeding, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; (6) the Settled Claims; or (7) any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date arising from or relating to any of the foregoing, including, without limitation, the Unsecured Notes Indenture, the ABL Facility Credit Agreement, the 2016 Credit Agreement, or the BrandCo Credit Agreement, and all matters relating thereto.

Notwithstanding anything to the contrary in the foregoing, the releases set forth above shall not release (1) to the extent that any Causes of Action against the Debtors are not released or discharged pursuant to the Plan, any rights of the Debtors and the Reorganized Debtors to assert any and all counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims or other Causes of Action in response to such Causes of Action; *provided* that such counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims or other Causes of Action may not be asserted against any Related Party of the Debtors or the Reorganized Debtors to the extent such claims have been released or discharged pursuant to the Plan, (2) any Causes of Action set forth in the Schedule of Retained Causes of Action, including any Retained Preference Action, (3) any Cause of Action against any Excluded Party, (4) any commercial Cause of

Action arising in the ordinary course of business, such as accounts receivable and accounts payable on account of goods and services being performed, (5) any Cause of Action against a Holder of a Disputed Claim, to the extent such Cause of Action is necessary for the administration and resolution of such Claim solely in accordance with the Plan, or (6) any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring Transaction, any Definitive Document (including those set forth in the Plan Supplement), or other document, instrument, or agreement executed to implement the Plan.

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Debtor Release, which includes by reference each of the related provisions and definitions contained in the Plan, and further, shall constitute the Bankruptcy Court's finding that the Debtor Release is: (1) essential to the Confirmation of the Plan; (2) an exercise of the Debtors' business judgment; (3) in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (4) a good faith settlement and compromise of the Causes of Action released by the Debtor Release; (5) in the best interests of the Debtors and all Holders of Claims and Interests; (6) fair, equitable, and reasonable; (7) given and made after due notice and opportunity for hearing; and (8) a bar to any of the Debtors, the Reorganized Debtors, and the Estates asserting any Cause of Action released pursuant to the Debtor Release.

E. <u>Releases by the Releasing Parties</u>

As of the Effective Date, each of the Releasing Parties other than the Debtors is deemed to have expressly, absolutely, unconditionally, irrevocably, generally, individually, and collectively, released, acquitted, and discharged each of the Released Parties from any and all Causes of Action, including any derivative Causes of Action asserted or assertable by or on behalf of a Debtor, Reorganized Debtor, or any of their Estates, and any Causes of Action asserted or assertable by or on behalf of the Holder of any Claim or Interest or other Entity, whether known or unknown, foreseen or unforeseen, asserted or unasserted, matured or unmatured, existing or hereafter arising, in law, equity, contract, tort, or otherwise that the Releasing Parties (whether individually or collectively) ever had, now have, or thereafter can, shall, or may have, based on or relating to, or in any manner arising from, in whole or in part: (1) the Debtors, the Debtors' in- or out-of-court restructuring efforts, intercompany transactions, the Chapter 11 Cases, the Canadian Recognition Proceeding, the purchase, sale, or rescission of any security of the Debtors, the BrandCo Entities, the Plan Settlement, the Settled Claims, the formulation, preparation, dissemination, negotiation, or filing of the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (2) any Restructuring Transaction, contract, instrument, release, or other agreement or document (including any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Released Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with the Restructuring Support Agreement, the Definitive Documents, the DIP Facilities, the Equity Rights Offering, the New Common Stock, the New Warrants, the Backstop Commitment Agreement, the Exit Facilities, the Disclosure Statement, or the Plan, including the Plan Supplement; (3) the

business or contractual arrangements between any Debtor and any Releasing Party, whether before or during the Debtors' restructuring, or the restructuring of Claims and Interests before or during the Chapter 11 Cases; (4) the subject matter of, or the transactions or events giving rise to, any Claim or Interest that is affected by or classified in the Plan; (5) the filing of the Chapter 11 Cases or the Canadian Recognition Proceeding, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the issuance or distribution of securities pursuant to the Plan, or the distribution of property under the Plan or any other related agreement; (6) the Settled Claims; or (7) any other act or omission, transaction, agreement, event, or other occurrence taking place on or before the Effective Date arising from or relating to any of the foregoing, including, without limitation, the Unsecured Notes Indenture, the ABL Facility Credit Agreement, the 2016 Credit Agreement, or the BrandCo Credit Agreement, and all matters relating thereto.

Notwithstanding anything to the contrary in the foregoing, the releases set forth above shall not release, prejudice, limit, impact, or otherwise impair (1) to the extent that any Causes of Action against any Releasing Party are not released or discharged pursuant to the Plan, any rights of such Releasing Party to assert any and all counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims in response to such Causes of Action; *provided* that such counterclaims, crossclaims, offsets, indemnities, claims for contribution, defenses, and similar claims may not be asserted against the Debtors, the Reorganized Debtors, or any Related Party of the Debtors or the Reorganized Debtors to the extent such claims have been released or discharged pursuant to the Plan, (2) any Cause of Action against a Released Party (other than any Settled Claim or any Cause of Action against the Debtors, the Reorganized Debtors, or any Related Party of the Debtors or the Reorganized Debtors) unknown to such Releasing Party as of the Effective Date arising out of actual fraud, gross negligence, or willful misconduct of such Released Party, (3) any Cause of Action against any Excluded Party, or (4) any post-Effective Date obligations of any party or Entity under the Plan, any Restructuring Transaction, or any Definitive Document (including those set forth in the Plan Supplement), or other document, instrument, or agreement executed to implement the Plan. For the avoidance of doubt, nothing in the Plan shall, or shall be deemed to, alter, amend, release, discharge, limit, or otherwise impair the 2016 Agent Surviving Indemnity Obligations as between and among the 2016 Agent, on the one hand, and any Holders of the 2016 Term Loan Claims (other than any Released Party) on the other hand. For the avoidance of doubt, any 2016 Agent Surviving Indemnity Obligations against a Released Party are expressly released pursuant to the Plan. As used in this Article X.E, "Related Party" means, in each case in its capacity as such, (a) such Debtor's or Reorganized Debtor's current and former predecessors, successors, subsidiaries, direct and indirect equityholders, funds, portfolio companies, and management companies, and (b) the current and former directors, officers, managers, members, principals, partners, employees, independent contractors, agents, representatives, managed accounts or funds, management companies, fund advisors, investment advisors, advisory board members, financial advisors, partners (including both general and limited partners), consultants, financial advisors, attorneys, accountants, investment bankers, and other professionals of the entities set forth in the foregoing clause (a).

Entry of the Confirmation Order shall constitute the Bankruptcy Court's approval, pursuant to Bankruptcy Rule 9019, of the Third-Party Release, which includes by reference each of the related provisions and definitions contained herein, and, further, shall constitute the Bankruptcy Court's finding that the Third-Party Release is: (1) essential to the Confirmation of the Plan; (2) given in exchange for the good and valuable consideration and substantial contributions provided by the Released Parties; (3) a good faith settlement and compromise of the Causes of Action released by the Third-Party Release; (4) in the best interests of the Debtors and their Estates; (5) fair, equitable, and reasonable; (6) given and made after due notice and opportunity for hearing; and (7) a bar to any of the Releasing Parties asserting any Claim or Cause of Action released pursuant to the Third-Party Release.

F. Exculpation

Except as otherwise specifically provided in the Plan or the Confirmation Order, no Exculpated Party shall have or incur any liability to any person or Entity for, and each Exculpated Party is hereby released and exculpated from, any Cause of Action related to any act or omission in connection with, relating to, or arising out of, the Debtors' restructuring efforts, the Chapter 11 Cases, preparation for the Chapter 11 Cases, the filing of the Chapter 11 Cases, the Canadian Recognition Proceeding, the Settled Claims, the formulation, preparation, dissemination, negotiation, filing, or termination of the Restructuring Support Agreement and related transactions, the Disclosure Statement, the Plan (including any term sheets related thereto), the Plan Supplement, the DIP Facilities, the Equity Rights Offering, the Backstop Commitment Agreement, the Exit Facilities, or any Restructuring Transaction, contract, instrument, release, or other agreement or document (including providing any legal opinion requested by any Entity regarding any transaction, contract, instrument, document, or other agreement contemplated by the Plan or the reliance by any Exculpated Party on the Plan or the Confirmation Order in lieu of such legal opinion) created or entered into in connection with any of the foregoing, the funding of the Plan, the occurrence of the Effective Date, the pursuit of Confirmation, the pursuit of Consummation, the administration and implementation of the Plan, including the Definitive Documents, the issuance of securities pursuant to the Plan, the issuance of the New Common Stock, and the New Warrants pursuant to the Plan, or the distribution of property under the Plan or any other related agreement, except for claims related to any act or omission that is determined in a Final Order to have constituted actual fraud, gross negligence, or willful misconduct; *provided* that the foregoing shall not be deemed to release, affect, or limit any post-Effective Date rights or obligations of the Exculpated Parties under the Plan, the Exit Facilities, any Restructuring Transaction, or any Definitive Document (including those set forth in the Plan Supplement), or other document, instrument, or agreement executed to implement the Plan.

The Exculpated Parties have, and upon Consummation of the Plan shall be deemed to have, participated in good faith and in compliance with the applicable laws with regard to the solicitation of, and distribution of consideration pursuant to, the Plan and, therefore, are not, and on account of such distributions shall not be, liable at any time for the violation of any applicable law, rule, or regulation governing the solicitation of acceptances or rejections of the Plan or such distributions made pursuant to the Plan.

Nothing in the Plan shall limit the liability of attorneys to their respective clients pursuant to Rule 1.8(h) of the New York Rules of Professional Conduct.

G. Injunction

Except as otherwise expressly provided in the Plan or for obligations issued or required to be paid pursuant to the Plan or the Confirmation Order, all Entities that have held, hold, or may hold claims or interests that have been released pursuant to Article X.D or Article X.E of the Plan or discharged pursuant to Article X.B of the Plan, or are subject to exculpation pursuant to Article X.F of the Plan, shall be permanently enjoined, from and after the Effective Date, from taking any of the following actions against, as applicable, the Debtors, the Reorganized Debtors, the Exculpated Parties, or the Released Parties: (1) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests; (2) enforcing, attaching, collecting, or recovering by any manner or means any judgment, award, decree, or order against such Entities on account of or in connection with or with respect to any such claims or interests; (3) creating, perfecting, or enforcing any lien or encumbrance of any kind against such Entities or the property or the estates of such Entities on account of or in connection with or with respect to any such claims or interests; (4) asserting any right of setoff, subrogation, or recoupment of any kind against any obligation due from such Entities or against the property of such Entities on account of or in connection with or with respect to any such claims or interests unless such Entity has, on or before the Effective Date, asserted such setoff right in a document filed with the Bankruptcy Court explicitly preserving such setoff, and notwithstanding an indication of a claim or interest or otherwise that such Entity asserts, has, or intends to preserve any right of setoff pursuant to applicable law or otherwise; and (5) commencing or continuing in any manner any action or other proceeding of any kind on account of or in connection with or with respect to any such claims or interests released or settled pursuant to the Plan.

H. Term of Injunctions or Stays

Unless otherwise provided in the Plan or in the Confirmation Order, all injunctions or stays in effect in the Chapter 11 Cases pursuant to sections 105 or 362 of the Bankruptcy Code or any order of the Bankruptcy Court, and extant on the Confirmation Date (excluding any injunctions or stays contained in the Plan or the Confirmation Order), shall remain in full force and effect until the Effective Date. All injunctions or stays contained in the Plan or the Confirmation Order shall remain in full force and effect in accordance with their terms.

I. Recoupment

In no event shall any Holder of a Claim be entitled to recoup such Claim against any Claim, right, or Cause of Action of the Debtors or the Reorganized Debtors, as applicable, unless such Holder actually has performed such recoupment and provided notice thereof in writing to the Debtors on or before the Confirmation Date, notwithstanding any indication in any Proof of Claim or otherwise that such Holder asserts, has, or intends to preserve any right of recoupment.

J. Protection Against Discriminatory Treatment

In accordance with section 525 of the Bankruptcy Code, and consistent with paragraph 2 of Article VI of the United States Constitution, all Entities, including Governmental Units, shall not discriminate against any Reorganized Debtor, or deny, revoke, suspend, or refuse to renew a license, permit, charter, franchise, or other similar grant to, condition such a grant to, discriminate with respect to such a grant against, the Reorganized Debtors, or another Entity with whom the Reorganized Debtors have been associated, solely because each Debtor has been a debtor under chapter 11 of the Bankruptcy Code, has been insolvent before the commencement of the Chapter 11 Cases (or during the Chapter 11 Cases but before the Debtors are granted or denied a discharge), or has not paid a debt that is dischargeable in the Chapter 11 Cases.

K. Direct Action Claims

Subject to Articles VII.F and VIII.L.3 of the Plan, nothing contained in the Plan shall impair or otherwise affect the right, if any, of a Holder of a Claim, under applicable non-bankruptcy law, to assert direct claims solely against the Debtors' insurers. Except as explicitly set forth in Articles VII.G.5, IX.A.6, and VIII.L.3 of the Plan, nothing in the Plan grants the Holder of any Claim relief from the automatic stay of Bankruptcy Code section 362(a) or the injunction set forth in Article X.G of the Plan.

L. Qualified Pension Plans

Nothing in the Chapter 11 Cases, the Disclosure Statement, the Plan, the Confirmation Order, or any other document filed in the Chapter 11 Cases shall be construed to discharge, release, limit, or relieve any individual from any claim by the PBGC or the Qualified Pension Plans for breach of any fiduciary duty under ERISA, including prohibited transactions, with respect to the Qualified Pension Plans, subject to any and all applicable rights and defenses of such parties, which are expressly preserved. PBGC and the Qualified Pension Plans shall not be enjoined or precluded from enforcing such fiduciary duty or related liability by any of the provisions of the Disclosure Statement, Plan, Confirmation Order, Bankruptcy Code, or other document filed in the Chapter 11 Cases. For the avoidance of doubt, the Reorganized Debtors shall not be released from any liability or obligation under ERISA, the IRC, and any other applicable law relating to the Qualified Pension Plans.

M. Regulatory Activities

Notwithstanding any language to the contrary contained in the Disclosure Statement, Plan, or Confirmation Order, no provision shall (1) preclude the SEC or any other Governmental Unit from enforcing its police or regulatory powers or (2) enjoin, limit, impair, or delay the SEC from commencing or continuing any claims, causes of action, proceedings, or investigations against any non-Debtor person or non-Debtor entity in any forum.

ARTICLE XI.

CONDITIONS PRECEDENT TO CONSUMMATION OF THE PLAN

A. Conditions Precedent to the Effective Date

It is a condition to the Effective Date of the Plan that the following conditions shall have been satisfied or waived pursuant to the provisions of Article XI.B:

1. Confirmation and all conditions precedent thereto shall have occurred;

2. The Bankruptcy Court shall have entered the Confirmation Order and the Backstop Order, which shall be Final Orders and in form and substance acceptable to the Debtors and the Required Consenting BrandCo Lenders and, in the case of the Confirmation Order, acceptable to the Creditors' Committee and the Required Consenting 2016 Lenders, solely to the extent required under the Restructuring Support Agreement;

3. The Debtors shall have obtained all authorizations, consents, regulatory approvals, or rulings that are necessary to implement and effectuate the Plan;

4. The final version of the Plan, including all schedules, supplements, and exhibits thereto, including in the Plan Supplement (including all documents contained therein), shall be in form and substance acceptable to the Debtors and the Required Consenting BrandCo Lenders (except to the extent that specific consent rights are set forth in the Restructuring Support Agreement with respect to certain Definitive Documents, which shall be subject instead to such consent rights), and reasonably acceptable to the Creditors' Committee and the Required Consenting 2016 Lenders solely to the extent required under the Restructuring Support Agreement, and consistent with the Restructuring Support Agreement, including any consent rights contained therein;

5. All Definitive Documents shall have been (or shall, contemporaneously with the occurrence of the Effective Date, be) executed and in full force and effect, and shall be in form and substance consistent with the Restructuring Support Agreement, including any consent rights contained therein, and all conditions precedent contained in the Definitive Documents shall have been satisfied or waived in accordance with the terms thereof, except with respect to such conditions that by their terms shall be satisfied substantially contemporaneously with or after Consummation of the Plan;

6. No Termination Notice or Breach Notice as to the Debtors shall have been delivered by the Required Consenting BrandCo Lenders under the Restructuring Support Agreement in accordance with the terms thereof, no substantially similar notices shall have been sent under the Backstop Commitment Agreement, and neither the Restructuring Support Agreement nor the Backstop Commitment Agreement shall have otherwise been terminated;

8. All professional fees and expenses of retained professionals that require the Bankruptcy Court's approval shall have been paid in full or amounts sufficient to pay such fees and expenses after the Effective Date shall have been placed in the Professional Fee Escrow in accordance with Article II.B pending the Bankruptcy Court's approval of such fees and expenses;

B. Waiver of Conditions

The conditions to Consummation set forth in Article XI.A may be waived by the Debtors, the Required Consenting BrandCo Lenders, and, to the extent required under the Restructuring Support Agreement, the Creditors' Committee and the Required Consenting 2016 Lenders (except with respect to Article XI.A.12, which may be waived by the Debtors in their sole discretion), and, with respect to conditions related to the Professional Fee Escrow, the beneficiaries of the Professional Fee Escrow, without notice, leave or order of the Bankruptcy Court or any formal action other than proceeding to confirm or consummate the Plan. The failure of the Debtors to exercise any of the foregoing rights shall not be deemed a waiver of any other rights, and each such right shall be deemed an ongoing right, which may be asserted at any time.

C. Effect of Failure of Conditions

If Consummation of the Plan does not occur, the Plan shall be null and void in all respects and nothing contained in the Plan or the Disclosure Statement shall: (1) constitute a waiver or release of any Claims, Causes of Action, or Interests; (2) prejudice in any manner the rights of such Debtor, any Holder, any Person, or any other Entity; or (3) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor, any Holder, any Person, or any other Entity.

ARTICLE XII.

MODIFICATION, REVOCATION, OR WITHDRAWAL OF THE PLAN

A. Modification and Amendments

Subject to certain restrictions and requirements set forth in section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 (as well as those restrictions on modifications set forth in the Plan and the Restructuring Support Agreement), the Debtors reserve the right, with the consent of the Required Consenting BrandCo Lenders, and, solely to the extent required under the Restructuring Support Agreement, the Creditors' Committee and the Required Consenting 2016 Lenders, to modify the Plan (including the Plan Supplement), without additional disclosure pursuant to section 1125 of the Bankruptcy Code prior to the Confirmation Date and seek Confirmation consistent with the Bankruptcy Code and, as appropriate, not resolicit votes on such modified Plan. After the Confirmation Date and before substantial consummation of the Plan, the Debtors may initiate proceedings in the Bankruptcy Court pursuant to section 1127(b) of the Bankruptcy Code to remedy any defect or omission or reconcile any inconsistencies in the Plan, the Plan Supplement, the Disclosure Statement, or the Confirmation Order, relating to such matters as may be necessary to carry out the purposes and intent of the Plan; *provided* that each of the foregoing shall not violate the Restructuring Support Agreement.

After the Confirmation Date, but before the Effective Date, the Debtors, with the consent (not to be unreasonably withheld, conditioned, or delayed) of the Required Consenting BrandCo Lenders, and, solely to the extent required under the Restructuring Support Agreement, the Creditors' Committee and the Required Consenting 2016 Lenders, and subject to the applicable provisions of the Restructuring Support Agreement, may make appropriate technical adjustments and modifications to the Plan (including the Plan Supplement) without further order or approval of the Bankruptcy Court; *provided* that such adjustments and modifications do not materially and adversely affect the treatment of Holders of Claims or Interests.

B. Effect of Confirmation on Modifications

Entry of a Confirmation Order shall mean that all modifications or amendments to the Plan since the solicitation thereof are approved pursuant to section 1127(a) of the Bankruptcy Code and do not require additional disclosure or re-solicitation under Bankruptcy Rule 3019.

C. Revocation or Withdrawal of Plan

The Debtors reserve the right to revoke or withdraw the Plan before the Confirmation Date and to file subsequent plans of reorganization. If the Debtors revoke or withdraw the Plan, or if Confirmation or Consummation does not occur, then, absent further order of the Bankruptcy Court: (1) the Plan shall be null and void in all respects; (2) any settlement or compromise not previously approved by Final Order of the Bankruptcy Court embodied in the Plan (including the fixing or limiting to an amount certain of the Claims or Interests or Classes of Claims or Interests), assumption or rejection of Executory Contracts or Unexpired Leases effected by the Plan, and any document or agreement executed pursuant to the Plan shall be deemed null and void; and (3) nothing contained in the Plan shall: (a) constitute a waiver or release of any

Claims or Interests; (b) prejudice in any manner the rights of such Debtor, any Holder, any Person, or any other Entity; or (c) constitute an admission, acknowledgement, offer, or undertaking of any sort by such Debtor, any Holder, any Person, or any other Entity. For the avoidance of doubt, the foregoing sentence shall not be construed to limit or modify the rights of the Creditors' Committee or the Consenting BrandCo Lenders pursuant to Section 6 of the Restructuring Support Agreement.

ARTICLE XIII.
