**ENDORSEMENT OF JUSTICE PENNY:**

- [1] The Receiver moves for approval of a distribution to the secured creditor, assignment of debtors into bankruptcy and approval of certain activities and fees. There is no opposition.
- [2] This receivership is nearing completion. The concrete assets have been realized. A relatively small amount remains outstanding to the secured creditor. Certain claims outstanding are best dealt with by a trustee in the context of a bankruptcy.
- [3] I am satisfied with the Receiver's actions as reflected in its reports. The fees of the Receiver and its counsel are not opposed by any stakeholder and appear reasonable in the context.
- [4] Order to issue in the form signed by me this day.

A handwritten signature in blue ink, appearing to read "Penny J.", with a stylized flourish at the end.

Penny J.
