Section 1.04 Accounting Terms; GAAP. Except as otherwise expressly provided herein, all terms of an accounting or financial nature shall be construed in accordance with GAAP, as in effect from time to time. In the event that any Accounting Change (as defined below) shall occur and such change results in a change in the method of calculation of financial covenants, standards or terms in this Agreement, then Ultimate Parent, the Borrowers and the Administrative Agent shall enter into good faith negotiations in order to amend such provisions of this Agreement so as to equitably reflect such Accounting Change with the desired result that the criteria for evaluating Ultimate Parent's and the Subsidiaries' consolidated financial condition shall be the same after such Accounting Change as if such Accounting Change had not been made. Until such time as such an amendment shall have been executed and delivered by Ultimate Parent, the Borrowers, the Administrative Agent and the Required Lenders, all financial ratios, covenants, standards and terms in this Agreement shall continue to be calculated or construed as if such Accounting Change had not occurred. "Accounting Change" refers to any change in accounting principles required by the promulgation of any rule, regulation, pronouncement or opinion by the Financial Accounting Standards Board of the American Institute of Certified Public Accountants or, if applicable, the SEC.

Notwithstanding any other provision contained herein, unless the Borrower Representative has requested an amendment with respect to the treatment of operating leases and Capital Lease Obligations under GAAP (or IFRS) and until such amendment has become effective, all obligations of any Person that are or would have been treated as operating leases for purposes of GAAP prior to the issuance by the Financial Accounting Standards Board on February 25, 2016 of an Accounting Standards Update (the "ASU") shall continue to be accounted for as operating leases for purposes of all financial definitions and calculations for purpose of this Agreement (whether or not such operating lease obligations were in effect on such date) notwithstanding the fact that such obligations are required in accordance with the ASU (on a prospective or retroactive basis or otherwise) to be treated as Capitalized Lease Obligations in the financial statements to be delivered pursuant to Section 5.01.

Section 1.05 Pro Forma Calculations; Unrestricted Cash.

(a) With respect to any period during which any Specified Transaction occurs, the calculation of the Total Net Leverage Ratio, Consolidated EBITDA and Consolidated Total Assets or for any other purpose hereunder, with respect to such period shall be made on a Pro Forma Basis.

(b) For purposes of calculating the Total Net Leverage Ratio, the proceeds of any Indebtedness permitted by testing any such ratios hereunder shall not be included on the date incurred (or on the date such ratio is tested with respect to such incurrence) as Unrestricted Cash.

(c) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including pro forma compliance with any Total Net Leverage Ratio test) (any such amounts, the "Fixed Amounts")

substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with any such financial ratio or test (any such amounts, the "Incurrence-Based Amounts"), it is understood and agreed that the Fixed Amounts (and any cash proceeds thereof) shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts in connection with such substantially concurrent incurrence and shall be calculated for the most recent twelve consecutive month period ending prior to the date of such determination for which consolidated financial statements of Ultimate Parent have been (or were required to be) delivered.

Section 1.06 Currency Translation.

(a) For purposes of determining compliance as of any date after the Closing Date with Section 5.12, Section 6.01, Section 6.02, Section 6.03, Section 6.04, Section 6.05, Section 6.06 or Section 6.07, or, or for any other specified purpose hereunder, amounts incurred (or first committed, in the case of revolving credit debt), distributed, paid, invested or outstanding in currencies other than Dollars shall be translated into Dollars at the exchange rates in effect on such date, as such exchange rates shall be determined in good faith by the Borrower Representative by reference to customary indices.

(b) For purposes of determining compliance with Section 6.01 and Section 6.02, if Indebtedness is incurred or a Lien is granted to extend, replace, refund, refinance, renew or defease other Indebtedness (secured or otherwise) denominated in a foreign currency, and such extension, replacement, refunding, refinancing, renewal or defeasance would cause the applicable restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such extension, replacement, refunding, refinancing, renewal or defeasance, such restriction, to the extent such extension, replacement, refund, refinancing, renewal or defeasance is in the same foreign currency, shall be deemed not to have been exceeded so long as the principal amount of such refinancing Indebtedness does not exceed the principal amount of such Indebtedness being extended, replaced, refunded, refinanced, renewed or defeased, plus the amount of any premium paid, and fees and expenses incurred, in connection with such extension, replacement, refunding refinancing, renewal or defeasance (including any fees and original issue discount incurred in respect of such resulting Indebtedness).

(c) For purposes of determining compliance with Section 5.12, Section 6.01, Section 6.02, Section 6.03, Section 6.04, Section 6.05, Section 6.06 or Section 6.07, with respect to any amounts incurred, paid, distributed or invested in a currency other than Dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of currency exchange occurring after the time a Holding Company or one of its Restricted Subsidiaries is contractually obligated with respect to such incurrence, payment, distribution or investment (so long as, in the case of a contractual obligation, at the time of entering into the contract with respect to such incurrence, payment, distribution or investment, it was permitted hereunder) and once contractually obligated to be incurred, paid, distributed or invested, such amount shall be always deemed to be at the Dollar amount on such date, regardless of later changes in currency exchange rates.

(d) For purposes of determining compliance with the Total Net Leverage Ratio on any date of determination, amounts denominated in a currency other than Dollars will be

translated into Dollars (i) with respect to income statement items, at the currency exchange rates used in calculating Consolidated Net Income in the latest financial statements delivered pursuant to Section 5.01(a) or (b) and (ii) with respect to balance sheet items, at the currency exchange rates used in calculating balance sheet items in the latest financial statements delivered pursuant to Section 5.01(a) or (b) and will, in the case of Indebtedness, reflect the currency translation effects, determined in accordance with GAAP, of Swap Agreements permitted hereunder for currency exchange risks with respect to the applicable currency in effect on the date of determination of the Dollar Equivalent of such Indebtedness.

(e) [reserved].

(f) The Administrative Agent shall determine the Dollar Equivalent of any Borrowing denominated in an Alternative Currency as of (i) each date (with such date to be reasonably determined by the Administrative Agent) that is on or about the date of a Borrowing Request or Interest Election Request or the beginning of each Interest Period with respect to any Borrowing, (ii) [reserved], (iii) each date of determination of the rates specified under the heading "Facility Fee Rate" in the definition of "Applicable Margin" and (iv) from time to time with notice to the Borrower Representative in its reasonable discretion, and each such amount shall be the Dollar Equivalent of such Borrowing until the next required calculation thereof pursuant to this Section 1.06(f).

(g) [reserved].

(h) The Administrative Agent shall notify the Borrower Representative and the applicable Lenders of each calculation of the Dollar Equivalent of each Borrowing.

Section 1.07 Rounding. Any financial ratios required to be maintained pursuant to this Agreement (or required to be satisfied in order for a specific action to be permitted under this Agreement) shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding-up for five). For example, if the relevant ratio is to be calculated to the hundredth decimal place and the calculation of the ratio is 5.125, the ratio will be rounded up to 5.13.

Section 1.08 Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on (or before) a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

Section 1.09 [Reserved].

Section 1.10 Certifications. All certifications to be made hereunder by an officer or representative of a Loan Party shall be made by such a Person in his or her capacity solely as an officer or a representative of such Loan Party, on such Loan Party's behalf and not in such Person's individual capacity.

Section 1.11 Compliance with Article VI. In the event that any transaction permitted pursuant to Article VI (whether at the time of incurrence or upon application of all or a portion of the proceeds thereof) meets the criteria of one or more than one of the categories of transactions then permitted pursuant to any clause of such Sections in Article VI (within the same negative covenant), the Borrower Representative, in its sole discretion, may classify or (solely in the case of Section 6.01 (other than any amounts incurred pursuant to clauses (a) or (r) thereof), Section 6.02 (other than any amounts incurred pursuant to clauses (a) or (kk) thereof), Section 6.04 and Section 6.06), reclassify (or later divide, classify or reclassify) such transaction and shall only be required to include the amount and type of such transaction in one of such clauses. Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest, premium, fees or expenses, in the form of additional Indebtedness shall not be prohibited by Section 6.01.

Section 1.12 Limited Condition Acquisition. Solely for the purpose of (i) measuring the relevant ratios and baskets (including, for the avoidance of doubt, any basket measured as a percentage of LTM EBITDA or Consolidated Total Assets and, for the avoidance of doubt including with respect to the incurrence of any Indebtedness (including any Incremental Loans), Liens, the making of any Acquisitions or other Investments, Restricted Payments, prepayment of Indebtedness that is by its terms subordinated in right of payment to all or any portion of the Obligations or asset sales, in each case, in connection with a Limited Condition Acquisition) or (ii) determining compliance with the representations and warranties or the occurrence of any Default or Event of Default, in each case, in connection with a Limited Condition Acquisition, if the Borrower Representative makes an LCA Election, the Applicable Date of Determination in determining whether any such Limited Condition Acquisition is permitted shall be deemed to be the LCA Test Date, and if, after giving effect to the Limited Condition Acquisition and the other transactions to be entered into in connection therewith as if they had occurred as of the Applicable Date of Determination, ending prior to the LCA Test Date on a Pro Forma Basis, the Borrowers could have taken such action on the relevant LCA Test Date in compliance with any such ratio or basket (other than for the purposes of calculating actual compliance (and not pro forma compliance or compliance on a Pro Forma Basis) with Section 6.11), such ratio or basket shall be deemed to have been complied with. If the Borrower Representative has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or basket on or following the relevant LCA Test Date and prior to the earlier of (i) the date on which such Limited Condition Acquisition is consummated or (ii) the date that the definitive agreement for such Limited Condition Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated and tested on a Pro Forma Basis assuming such Limited Condition Acquisition and other pro forma events in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Acquisition has actually closed or the definitive agreement with respect thereto has been terminated; provided that the consummation of any Limited Condition Acquisition shall be subject to the absence of any Specified Event of Default. For the avoidance of doubt, if the Borrower Representative has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of LCA Test Date (including with respect to the incurrence of any Indebtedness) are not satisfied as a result of fluctuations in any such ratio or basket (including due to fluctuations in Consolidated EBITDA calculated on a Pro Forma Basis, including the target of any Limited Condition Acquisition) at or

prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been unsatisfied as a result of such fluctuations; however, if any ratios or baskets improve as a result of such fluctuations, such improved baskets or ratios may be utilized.

Section 1.13 Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with an Incremental Credit Facility, Credit Agreement Refinancing Indebtedness or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a "cashless roll" by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made "in Dollars", "in immediately available funds", "in Cash" or any other similar requirement.

Section 1.14 Alternative Currencies.

(a) The Borrowers may from time to time request that Eurocurrency Revolving Loans be made in an Alternative Currency (other than Euros, Sterling, Australian Dollars, Swedish Krona, Yen and Swiss Francs) that is readily available and freely transferable and convertible into Dollars. Such request shall be subject to the approval of the Administrative Agent and each Revolving Lender.

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m., 10 Business Days prior to the date of the desired Credit Event (or such other time or date as may be agreed by the Administrative Agent, in its sole discretion). The Administrative Agent shall promptly notify each Revolving Lender thereof. Each Revolving Lender shall notify the Administrative Agent, not later than 11:00 a.m., five (5) Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Eurocurrency Revolving Loans in such requested Alternative Currency.

(c) Any failure by a Revolving Lender to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such Revolving Lender to permit Eurocurrency Revolving Loans to be made in such requested Alternative Currency. If the Administrative Agent and all the Revolving Lenders consent to making Eurocurrency Revolving Loans in such requested Alternative Currency, the Administrative Agent shall so notify the Borrower Representative and such Alternative Currency shall thereupon be deemed for all purposes to be an approved Alternative Currency hereunder for purposes of any Borrowings of Eurocurrency Revolving Loans. If the Administrative Agent shall fail to obtain consent to any request for an Alternative Currency under this Section 1.14, the Administrative Agent shall promptly so notify the Borrower Representative.

Section 1.15 Divisions of LLCs. Any reference herein to a merger, transfer, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company or other person, or an allocation of assets to a series of a limited liability company or other person (or the unwinding of such a division or allocation) (any such transaction, a "Division"), as if it were a merger, transfer, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, as

applicable, to, of or with a separate Person. Any Division of a limited liability company shall constitute a separate Person hereunder (and each Division of any limited liability company that is a Subsidiary, Restricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

Section 1.16 Rates. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, (a) the continuation of, administration of, submission of, calculation of or any other matter related to ABR, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any benchmark replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any benchmark replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, ABR, the Term SOFR Reference Rate, Adjusted Term SOFR, Term SOFR or any other benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any conforming changes, except in the case of clauses (a) and (b), to the extent of liabilities resulting from the willful misconduct, bad faith or gross negligence of the Administrative Agent as determined by a court of competent jurisdiction in a final and nonappealable judgment. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of ABR, the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR, any alternative, successor or replacement rate (including any benchmark replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain ABR, the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR or any other benchmark, or any component definition thereof or rates referred to in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service, except, in each case, to the extent of liabilities resulting from the willful misconduct, bad faith or gross negligence of the Administrative Agent as determined by a court of competent jurisdiction in a final and nonappealable judgment.

Section 1.17 LIBOR Cessation. Notwithstanding anything in this Agreement to the contrary, all parties hereto acknowledge and agree that the events contemplated in Section 2.14 have occurred. For the avoidance of doubt, there shall be no Eurocurrency Loans in any currency hereunder at any time and no Agent nor any Lender shall have any obligation with respect to Eurocurrency Loans or any related terms or concepts that may be expressed herein

ARTICLE II

Subject to the terms and express conditions set forth herein, (a) each Initial Term Lender severally agrees to make an Initial Term Loan to the Borrowers on the Closing Date in Dollars in an aggregate principal amount equal to its Initial Term Commitment (provided that the pro rata portion of the Commitment Premium owing to each Initial

Term Lender shall be net funded from such Initial Term Lenders' Initial Term Loans), (b) each Exchange Term Lender severally agrees to make a Term Loan on a cash-less basis to the Borrowers on the Closing Date in Dollars in an aggregate principal amount equal to its Exchange Term Commitment in exchange for assigning a portion of the Existing Term Loans to the Borrowers pursuant to the Existing Term Loan Credit Agreement Amendment No. 8, (c) each Revolving Lender with an Initial Revolving Commitment severally agrees to make the Initial Revolving Loans to the Borrowers from time to time during the Revolving Availability Period applicable to the Initial Revolving Commitments in Dollars or in an Alternative Currency in an aggregate principal amount such that its Initial Revolving Exposure will not exceed its Initial Revolving Commitment and (d) each Delayed Draw Term Lender severally agrees to make Term Loans to the Borrowers in Dollars at any time during the period following the Closing Date until the Delayed Draw Termination Date in one or more drawings in an aggregate principal amount for all such Delayed Draw Term Loans made on or after the Closing Date by such Lender not to exceed such Delayed Draw Term Lender's Delayed Draw Term Commitment. Within the foregoing limits and subject to the terms and express conditions set forth herein, the Borrowers may borrow, prepay and reborrow Revolving Loans (without premium or penalty except as set forth in Section 2.16). Amounts repaid or prepaid in respect of Term Loans may not be reborrowed. The Initial Term Commitments will terminate in full upon the making of the Initial Term Loan referred to in clause (a) above and the Exchange Term Commitments will terminate in full upon the deemed making of the Exchange Term Loan referred to in clause (b) above. Once funded, the Initial Term Loans, the Exchange Term Loans and the Delayed Draw Term Loans shall (x) have identical terms and shall be treated as one tranche for all purposes of this Agreement and (y) be fungible with, and have the same Interest Period as the Initial Term Loans, the Exchange Term Loans and Delayed Draw Term Loans outstanding immediately prior to the Borrowing of such Delayed Draw Term Loans; *provided* that the Initial Term Loans, the Exchange Term Loans and the Delayed Draw Term Loans may not be fungible for U.S. federal income tax purposes, in which case separate CUSIPs may be required.

Section 2.02 Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made to the Borrowers by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, (i) each Revolving Loan Borrowing denominated in an Alternative Currency shall be comprised entirely of Eurocurrency Loans, (ii) each Revolving Loan Borrowing denominated in Dollars shall be comprised entirely of ABR Loans or Term SOFR Loans as the Borrowers may request in accordance herewith, (iii) each Term Loan Borrowing (other than a Borrowing of Specified Term Loans) shall be comprised entirely of ABR Loans or Term SOFR Loans as the Borrowers may request in accordance herewith, and (iv) each Borrowing of Specified Term Loans shall be comprised entirely of Term SOFR Loans. Each Lender at its option may make any Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement.

(c) At the time that each Eurocurrency Borrowing or Term SOFR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of $1,000,000 (or, if not an integral multiple, the entire available amount) and not less than $2,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of $500,000 and not less than $1,000,000. At the time each Borrowing of Delayed Draw Term Loans is made, if such Borrowing is for less than the total remaining Delayed Draw Term Commitment, such Borrowing shall be in an aggregate amount that is an integral multiple of $1,000,000 and not less than $5,000,000. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) Eurocurrency Borrowings and ten (10) Term SOFR Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrowers shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the applicable Revolving Termination Date (in the case of such Revolving Loan) or the Term Loan Maturity Date applicable to such Borrowing (in the case of such Term Loan), as the case may be.

(e) The obligations of the Revolving Lenders hereunder to make Revolving Loans and to make payments pursuant to Section 9.03(c) are several and not joint.

Section 2.03 Requests for Borrowings. To request a Borrowing, the Borrowers shall notify the Administrative Agent by hand delivery, electronic communication (including Adobe pdf file) or facsimile of a written Borrowing Request signed by the Borrower Representative (or any Borrower) by (a) in the case of a Term SOFR Borrowing (other than any Delayed Draw Term Loan Borrowing), not later than 11:00 a.m., New York City time, three (3) Business Days before the date of the proposed Borrowing, (b) [reserved], (c) in the case of an ABR Borrowing, a Fixed Rate Borrowing or a Borrowing of Daily SOFR Loans (in each case, other than any Delayed Draw Term Loan Borrowing), not later than 11:00 a.m., New York City time, one (1) Business Day before the date of the proposed Borrowing, (d) in the case of a Eurocurrency Borrowing (other than any Delayed Draw Term Loan Borrowing) denominated in any Alternative Currency, not later than 11:00 a.m., New York City time, four (4) Business Days before the date of the proposed Borrowing (or a shorter notice period to be agreed between the Borrower Representative and the Administrative Agent at any time any Alternative Currency is specified), or (e) in the case of any Borrowing of Delayed Draw Term Loans, not later than 11:00 a.m., New York City time, five (5) Business Days before the date of the proposed Borrowing. Each written Borrowing Request permitted by the immediately preceding sentence shall specify the following information:

(i) the Class of such Borrowing;

(ii) the currency (which shall be Dollars or an Alternative Currency) and the aggregate amount of such Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing, a Eurocurrency Borrowing, or Term SOFR Borrowing;

(v) in the case of a Eurocurrency Borrowing or Term SOFR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period;"

(vi) the location and number of the applicable Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06; and

(vii) in the case of a Borrowing Request made in respect of a Revolving Loan Borrowing, that as of such date the conditions in Section 4.02(a) and (b) are satisfied (or waived).

If no currency is specified with respect to any Term SOFR Borrowing, the Borrowers shall be deemed to have selected Dollars. If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be (A) in the case of a Borrowing denominated in Dollars, an ABR Borrowing, and (B) in the case of a Borrowing denominated in an Alternative Currency, a Eurocurrency Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing or Term SOFR Borrowing, then the Borrowers shall be deemed to have selected an Interest Period of one (1) month's duration. Section 2.04 [Reserved].

Section 2.05 [Reserved].

Section 2.06 Funding of Borrowings.

(a) Each Loan to be made each Lender hereunder shall be made on the proposed date thereof by wire transfer of immediately available funds by (i) 1:00 p.m., New York City time, in the case of a Term SOFR Borrowing, (ii) in the case of any Borrowings denominated in an Alternative Currency, the Applicable Time specified by the Administrative Agent for such currency, (iii) 1:00 p.m., New York City time, in the case of a Eurocurrency Borrowing, or (iv) 1:00 p.m., New York City time, in the case of an ABR Borrowing or a Specified Term Loan Borrowing, in each case to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrowers by wire transfer of the amounts so received, in immediately available funds, to an account of the Borrowers, in each case designated by the Borrower Representative in the applicable Borrowing Request.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender will make such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption and in its sole discretion, make available to the Borrowers a corresponding amount. In such event, after giving effect to the reallocations pursuant to Section 2.22(a)(ii), if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the

Borrowers agrees to pay to the Administrative Agent, within three (3) Business Days of written notice, such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, (A) if such Borrowing is denominated in Dollars, the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (B) if such Borrowing is denominated in an Alternative Currency, the rate reasonably determined in accordance with customary practices by the Administrative Agent to be the cost to it of funding such amount, or (ii) in the case of the Borrowers, the interest rate applicable to ABR Loans of the applicable Type. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

Section 2.07 Interest Elections.

(a) Each Revolving Loan Borrowing and Term Loan Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurocurrency Borrowing or Term SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, other than with respect to Specified Term Loans, the Borrowers may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing or Term SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.07; provided that no Borrower may elect to convert any Borrowing denominated in an Alternative Currency to an ABR Borrowing and may not change the currency of any Borrowing and no Borrower may change the interest rate of the Specified Term Loans. The Borrowers may elect different options with respect to different portions of the affected Borrowing (except as to the Specified Term Loans), in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower Representative shall notify the Administrative Agent of such election by hand delivery, electronic communication (including Adobe pdf file) or facsimile of a written Interest Election Request substantially in the form of Exhibit B and signed by the Borrower Representative (or any Borrower) by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Revolving Loan Borrowing of the Type resulting from such election to be made on the effective date of such election.

(c) Each written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing, a Eurocurrency Borrowing, or Term SOFR Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing or Term SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing or Term SOFR Borrowing but does not specify an Interest Period, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrowers fail to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing or Term SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) if such Borrowing is denominated in Dollars, such Borrowing shall be converted to an ABR Borrowing, and (ii) if such Borrowing is denominated in an Alternative Currency, such Borrowing shall continue as a Eurocurrency Borrowing with an Interest Period of one month. Notwithstanding any contrary provision hereof, if any Specified Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notify the Borrower Representative, then, so long as such Event of Default is continuing, no outstanding Borrowing may be continued for an Interest Period of more than one month's duration and no Borrowing may be requested as, converted to or continued as a Eurocurrency Loan (if denominated in Dollars) and any or all of the then outstanding Eurocurrency Loans denominated in an Alternative Currency shall be prepaid, or redenominated into Dollars in the amount of the Dollar Equivalent thereof and converted to an ABR Borrowing, on the last day of the then current Interest Period with respect thereto.

Section 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated or extended, the applicable Revolving Commitments shall terminate on the applicable Revolving Termination Date. The Delayed Draw Term Commitment of each Delayed Draw Term Lender shall be automatically and permanently reduced by the aggregate amount of Delayed Draw Term Loans funded by such Delayed Draw Term Lender and, in any event, shall be permanently reduced to $0 upon the Delayed Draw Termination Date.

(b) The Borrowers may at any time, without premium or penalty, terminate, or from time to time reduce, the Commitments of any Class, provided that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of $500,000 and not less than $1,000,000 and (ii) the Borrowers shall not terminate or reduce any Class of Revolving Commitments to the extent that, after giving effect to any concurrent prepayment of the Revolving

Loans of such Class in accordance with Section 2.11, the aggregate Revolving Exposure (calculated using the Exchange Rate in effect as of the date of the proposed termination or reduction) of such Class would exceed the aggregate Revolving Commitments of such Class.

(c) The Borrowers shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least one Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrowers pursuant to this Section shall be irrevocable, provided that a notice of termination of the Commitments of any Class delivered by the Borrowers may state that such notice is conditioned upon the consummation of an acquisition or sale transaction or upon the effectiveness of other credit facilities or the receipt of proceeds from the issuance of other Indebtedness or any other specified event, in which case such notice may be revoked by the Borrowers (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

(d) The Borrower Representative, in its sole discretion, shall have the right, but not the obligation, at any time so long as no Event of Default has occurred and is continuing, upon at least one Business Days' notice to a Defaulting Lender (with a copy to the Administrative Agent), to terminate in whole such Defaulting Lender's Commitment; provided that, after giving effect to such termination, the aggregate Revolving Exposure of all Revolving Lenders does not exceed the aggregate Revolving Commitments. Such termination shall be effective with respect to such Defaulting Lender's unused portion of its Commitment on the date set forth in such notice. No termination of the Commitment of a Defaulting Lender shall be deemed a waiver or release of any claim the Borrowers, the Administrative Agent, or any Lender may have against the Defaulting Lender.

Section 2.09 Repayment of Loans; Evidence of Debt; Limitation on Obligations of the Canadian Borrower.

(a) The Borrowers unconditionally promise to pay, jointly and severally, to the Administrative Agent for the account of each Term Lender the then unpaid principal amount of each Term Loan of such Term Lender as provided in Section 2.10. The Borrowers unconditionally promise to pay, jointly and severally, to the Administrative Agent for the account of each Revolving Lender the then unpaid principal amount of each Revolving Loan of such Revolving Lender made to the Borrowers on the applicable Revolving Termination Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender to the Borrowers, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder to the Borrowers, the Class and Type thereof and the

Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrowers for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans and pay interest thereon in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrowers shall promptly prepare, execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns and substantially in the form of the applicable Exhibit F. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to such payee and its registered assigns (and ownership shall at all times be recorded in the Register).

Section 2.10 Amortization of Term Loans.

(a) All Term Loans shall be due and payable on the applicable Term Loan Maturity Date, subject in all respects to Section 2.11(l).

(b) Any prepayment of a Term Loan Borrowing of any Class shall be applied (i) in the case of prepayments made pursuant to Section 2.11(a) or (e), to reduce the subsequent scheduled repayments of the Term Loan Borrowings of such Class to be made pursuant to this Section as directed by the Borrower Representative, or as otherwise provided in any Extension Amendment, any Incremental Credit Facility Amendment or Refinancing Amendment, and (ii) in the case of prepayments made pursuant to Section 2.11(c), to reduce the subsequent scheduled repayments of the Term Loan Borrowings of such Class to be made pursuant to this Section in direct order of maturity, or as otherwise provided in any Extension Amendment, any Incremental Credit Facility Amendment or Refinancing Amendment.

(c) Prior to any repayment of any Term Loan Borrowings of any Class hereunder, the Borrowers shall select the Borrowing or Borrowings of the applicable Class to be repaid and shall notify the Administrative Agent by written notice of such election not later than 11:00 a.m., New York City time, on the third Business Day prior thereto. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Term Loan Borrowings shall be accompanied by accrued interest on the amount repaid.

Section 2.11 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time, without premium or penalty (but subject to Section 2.16 and Section 2.11(l)), to prepay any Borrowing of any Class in whole or in part, as selected and designated by the Borrower Representative, subject to the requirements of this Section. Each voluntary prepayment of the Specified Term Loans pursuant to this Section 2.11(a) or (i) or mandatory prepayment pursuant to

Section 2.11(c) or (e) shall be made without premium or penalty. Any such voluntary prepayment shall be applied as specified in Section 2.10(b) and Section 2.11(k). Such amounts shall be due and payable on the date of such prepayment, repayment or amendment. Notwithstanding anything to the contrary in this Agreement, after any Extension, the Borrowers may prepay any Borrowing of any Class of non-extended Term Loans pursuant to which the related Extension Offer was made without any obligation to prepay the corresponding Extended Term Loans.

(b) [Reserved].

(c) Subject to paragraph (f) and (l) of this Section 2.11, in the event and on each occasion that any Net Proceeds are received by or on behalf of any Holding Company or any Restricted Subsidiary in respect of any Prepayment Event referred to in paragraph (a) or (b) of the definition thereof, the Borrowers shall, within thirty (30) days after such Net Proceeds are received, prepay Term Loans on a pro rata basis (except, as to Term Loans made pursuant to an Incremental Credit Facility Amendment or a Refinancing Amendment, as otherwise set forth in such Incremental Credit Facility Amendment or a Refinancing Amendment or as to Replacement Term Loans), in each case in an aggregate amount equal to 100% of the amount of such Net Proceeds; provided that in the case of any such event described in clause (a) or (b) of the definition of the term "Prepayment Event," if any Holding Company or any Restricted Subsidiary applies (or commits pursuant to a binding contractual arrangement to apply) the Net Proceeds from such event (or a portion thereof) within twelve (12) months after receipt of such Net Proceeds to reinvest such proceeds in the business, including in assets of the general type used or useful in the business of the Borrowers and the Restricted Subsidiaries (including in connection with a Permitted Acquisition or other permitted Investment or Capital Expenditures, but excluding any reinvestment in working capital or maintenance capital expenditures), then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds except to the extent of any such Net Proceeds therefrom that have not been so applied by the end of the eighteen-month (or, if committed to be so applied within twelve (12) months of the receipt of such Net Proceeds, eighteen (18) months) period following receipt of such Net Proceeds, at the end of which period a prepayment shall be required in an amount equal to such Net Proceeds that have not been so applied; provided, further, that with respect to any Prepayment Event referenced in paragraph (a) or (b) of the definition thereof, the Borrowers may use a portion of such Net Proceeds to prepay or repurchase Indebtedness secured by the Collateral on a *pari passu* basis with the Liens securing the Obligations (the "Other Applicable Indebtedness") to the extent required pursuant to the terms of the documentation governing such Other Applicable Indebtedness, in which case, the amount of prepayment required to be made with respect to such Net Proceeds pursuant to this Section 2.11(c) shall be deemed to be the amount equal to the product of (x) the amount of such Net Proceeds multiplied by (y) a fraction, the numerator of which is the outstanding principal amount of Term Loans required to be prepaid pursuant to this paragraph (c) and the denominator of which is the sum of the outstanding principal amount of such Other Applicable Indebtedness required to be prepaid pursuant to the terms of the documents governing such Other Applicable Indebtedness and the outstanding principal amount of Term Loans required to be prepaid pursuant to this paragraph (for the avoidance of doubt, amounts described in this clause (y) in the calculation of such fraction shall be deemed to refer to then outstanding principal amount of such Indebtedness subject to such prepayment requirement, prior to giving effect to any reduction in the amount thereof as the result of such prepayment).

(d) [Reserved].

(e) In the event and on each occasion that any Net Proceeds are received by or on behalf of Ultimate Parent or any Restricted Subsidiary in respect of any Prepayment Event referred to in paragraph (c) of the definition thereof, the Borrowers shall, on the same day as such incurrence or issuance of Indebtedness, prepay the principal amount of the corresponding Credit Agreement Refinanced Debt (in the case of Credit Agreement Refinancing Indebtedness) or each Class of Term Loans on a pro rata basis (in the case of any other Indebtedness giving rise to a Prepayment Event referred to in paragraph (c) of the definition thereof), in each case in accordance with Section 2.11(g) and in an aggregate amount the Dollar Equivalent of which is equal to 100% of the Net Proceeds of such issuance or incurrence (which prepayment of principal shall be accompanied by payment of accrued and unpaid interest, premiums and fees and expenses associated with such principal amount prepaid); provided that such prepayment shall be subject to the second sentence of Section 2.11(a).

(f) Notwithstanding any other provisions of this Section 2.11, to the extent that any prepayment required by Section 2.11(c) (i) would be prohibited or delayed by applicable local law, or (ii) the Borrowers have determined in good faith that making all or a part of such prepayment (including the repatriation) would reasonably be expected to have an Adverse Tax Consequences as a result of moving cash to make such prepayment (which for the avoidance of doubt, includes, but is not limited to, any prepayment where by doing so any Borrower or any Restricted Subsidiary would incur a withholding tax), in each case the Net Proceeds so affected may be retained by the applicable Restricted Subsidiary, the Borrowers shall not be required to make a prepayment at the time provided in Section 2.11(c), and instead, such amounts may be retained and shall be available for working capital purposes of the Borrowers and the Restricted Subsidiaries (the Holding Companies and the Restricted Subsidiaries hereby agreeing to use commercially reasonable efforts to otherwise cause the applicable Restricted Subsidiary, to within one year following the date on which the respective payment would otherwise have been required, to overcome or eliminate such restrictions, minimize any such costs of prepayment, subject to the foregoing, to make the relevant prepayment), and if within one year following the date on which the respective payment would otherwise have been required, such repatriation of any of such affected Net Proceeds is permitted under the applicable local law or applicable organizational or constitutive impediment or other impediment or there are no such Adverse Tax Consequences, such repatriation will be promptly effected and such repatriated Net Proceeds will be promptly (and in any event not later than three Business Days after such repatriation could be made) applied (net of additional taxes, costs and expenses payable or reserved against as a result thereof) (whether or not repatriation actually occurs) to the repayment of the Term Loans pursuant to this Section 2.11 to the extent provided herein; provided, that if such payments are not permitted or there are such Adverse Tax Consequences throughout such one year period such prepayment shall not be required; provided, further that, if at any time within one year of a prepayment being not so required, such restrictions are removed, any relevant proceeds will at the end of the then current Interest Period be applied in prepayment in accordance with the terms of this Section 2.11. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default and such amounts shall be available for working capital purposes of any Holding Company or any Restricted Subsidiary as long as not required to be repaid in accordance with this Section 2.11(f).

(g) In connection with any optional or mandatory prepayment of Borrowings hereunder the Borrowers shall, subject to the provisions of this paragraph and paragraph (k) of this Section 2.11, select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (h) of this Section 2.11. The Administrative Agent will promptly notify each Term Lender holding the applicable Class of Term Loans of the contents of the Borrowers' prepayment notice and of such Lender's pro rata share of the prepayment. Each such Term Lender may reject all (but not less than all) of its pro rata share of any mandatory prepayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to clause (c) of this Section 2.11 by providing notice to the Administrative Agent, no later than 11:00 a.m., New York City time, one Business Day following receipt of such mandatory prepayment notice; provided that for the avoidance of doubt, no Lender may reject any prepayment made with the proceeds of Credit Agreement Refinancing Indebtedness. Any Declined Proceeds may be retained by the Borrowers to the extent they constitute Retained Declined Proceeds.

(h) The Borrowers shall notify the Administrative Agent by hand delivery, electronic communication (including Adobe pdf file) or facsimile of a written notice of any prepayment hereunder (i) in the case of prepayment of a Eurocurrency Borrowing or Term SOFR Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, a Specified Term Loan Borrowing or any Borrowing of Daily SOFR Loans, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment or (iii) [reserved]. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment, provided that a notice of optional prepayment may state that such notice is conditional upon the consummation of an acquisition or sale transaction or upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of any other specified event, in which case such notice of prepayment may be revoked by the Borrowers (by notice to the Administrative Agent on or prior to the specified date) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall either (x) share such notice with the Lenders or (y) advise the Lenders of the contents thereof. Except as otherwise provided herein, each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13 and any prepayment fees required by Section 2.11(a), to the extent applicable.

(i) Notwithstanding anything to the contrary contained in this Agreement, a Borrower or any of the Restricted Subsidiaries (in such case, the foregoing being herein referred to as the "Auction Parties" and each, an "Auction Party") may repurchase outstanding Term Loans on the following basis:

(A) Such Auction Party may repurchase all or any portion of any Class of Term Loans pursuant to a Dutch Auction (or such other modified Dutch auction conducted pursuant to similar procedures as the Borrower Representative and

Administrative Agent may otherwise agree); provided that no proceeds of Revolving Loans shall be used by any Auction Party to repurchase Term Loans pursuant to such Auction;

(B) Following repurchase by any Auction Party pursuant to this Section 2.11(i), the Term Loans so repurchased shall, without further action by any Person, be deemed cancelled for all purposes and no longer outstanding (and may not be resold by any Auction Party) for all purposes of this Agreement. In connection with any Term Loans repurchased and cancelled pursuant to this Section 2.11(i), the Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation. Any payment made by any Auction Party in connection with a repurchase permitted by this Section 2.11(i) shall not be subject to any of the pro rata payment or sharing requirements of this Agreement. Notwithstanding anything in this Agreement or any other Loan Documents to the contrary, failure by an Auction Party to make any payment to a Lender required by an agreement permitted by this Section 2.11(i) shall not constitute a Default or an Event of Default;

(C) Each Lender that sells its Term Loans pursuant to this Section 2.11(i) acknowledges and agrees that (i) the Auction Parties may come into possession of additional information regarding the Loans or the Loan Parties at any time after a repurchase has been consummated pursuant to an Auction hereunder that was not known to such Lender or the Auction Parties at the time such repurchase was consummated and that, when taken together with information that was known to the Auction Parties at the time such repurchase was consummated, may be information that would have been material to such Lender's decision to enter into an assignment of such Term Loans hereunder ("Excluded Information"), (ii) such Lender will independently make its own analysis and determination to enter into an assignment of its Loans and to consummate the transactions contemplated by an Auction notwithstanding such Lender's lack of knowledge of Excluded Information and (iii) none of the Auction Parties, the Investors or any of their respective Affiliates, or any other Person shall have any liability to such Lender with respect to the nondisclosure of the Excluded Information. Each Lender that tenders Loans pursuant to an Auction agrees to the foregoing provisions of this clause (C). The Administrative Agent and the Lenders hereby consent to the Auctions and the other transactions contemplated by this Section 2.11(i) and hereby waive the requirements of any provision of this Agreement (including any pro rata payment requirements) (it being understood and acknowledged that purchases of the Loans by an Auction Party contemplated by this Section 2.11(i) shall not constitute Investments by such Auction Party) or any other Loan Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.11(i).

(j) Notwithstanding any of the other provisions of this Section 2.11, if any prepayment of Eurocurrency Loans or Term SOFR Loan is required to be made under this Section 2.11 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.11 in respect of any such Eurocurrency Loan or Term SOFR loan prior to the last

day of the Interest Period therefor, the Borrowers may, in their sole discretion, deposit with the Administrative Agent in the currency in which such Loan is denominated, the amount of any such prepayment otherwise required to be made hereunder until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from a Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.11. Such deposit shall constitute cash collateral for the Eurocurrency Loans or Term SOFR Loan, as the case may be, to be so prepaid; provided that the Borrower Representative may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 2.11.

(k) Application of Prepayment by Type of Term Loans. In connection with any voluntary prepayments by the Borrowers pursuant to Section 2.11(a), any voluntary prepayment thereof shall be applied first to ABR Loans to the full extent thereof before application to Term SOFR Loans. In connection with any mandatory prepayments by the Borrowers of the Term Loans pursuant to Section 2.11, such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Term SOFR Loans; provided that if no Lenders exercise the right to waive a given mandatory prepayment of the Term Loans pursuant to Section 2.11(g), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are Term SOFR Loans

(l) [Reserved].

Section 2.12 Fees.

(a) [Reserved].

(b) [Reserved].

(c) The Borrowers agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrowers and the Administrative Agent.

(d) All fees payable hereunder shall be paid by the Borrowers on the dates due, in immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances.

(e) [Reserved].

(f) The Borrowers shall pay to the Administrative Agent for the account of each Delayed Draw Term Lender under the applicable Delayed Draw Term Facility in accordance with its Applicable Percentage of the Delayed Draw Term Facility, a commitment fee in Dollars equal to the Delayed Draw Commitment Fee Rate times the actual daily amount by which the aggregate Delayed Draw Term Commitments for the applicable Delayed Draw Term Facility exceeds the sum of the aggregate principal amount outstanding of Delayed Draw Term Loans for such Facility (the "Delayed Draw Commitment Fee"); *provided* that any such commitment accrued with respect

to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrowers so long as such Lender shall be a Defaulting Lender, except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; *provided, further*, that no such commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The Delayed Draw Commitment Fee shall accrue at all times from the Closing Date until the Delayed Draw Termination Date, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date during the first full fiscal quarter to occur after the Closing Date and on the Delayed Draw Termination Date. Such commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.13 Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin. All of the Specified Term Loans shall bear interest in cash at Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Margin; *provided* that if Term SOFR shall be determined pursuant to clause (a)(ii) of the definition thereof, each such Loan shall be deemed to bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to Daily Simple SOFR for each day such Loan remains outstanding plus the Applicable Margin in cash.

(b) The Loans comprising each Term SOFR Borrowing shall bear interest at Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Margin; *provided* that if Term SOFR shall be determined pursuant to clause (a)(ii) of the definition thereof, each such Loan shall be deemed to bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to Daily Simple SOFR for each day such Loan remains outstanding plus the Applicable Margin.

(c) Notwithstanding the foregoing, if (x) any principal of or interest on any Loan or any fee payable by the Borrowers hereunder is not paid when due (after the expiration of any applicable grace period), whether at stated maturity, upon acceleration or otherwise or (y) an Event of Default under Section 7.01(h) or (i) has occurred and is continuing, such overdue amount (which, in the case of an Event of Default under Section 7.01(h) or (i) shall be deemed to include the entire outstanding amount of the Loans) shall bear interest, after as well as before judgment, to the fullest extent permitted by law, at a rate per annum equal to (i) in the case of overdue principal or interest of any Loan, 2.00% plus the rate then borne by (in the case of such principal) such Borrowings or (in the case of interest) the Borrowings to which such overdue amount relates or (ii) in the case of any other amounts, 2.00% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided that no default rate shall accrue on the Loans of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the applicable Revolving Commitments, provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on written demand, (ii) in the event of any repayment or

prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the applicable Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan or Term SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted Eurocurrency Rate or Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) For the purposes of the *Interest Act* (Canada) and disclosure thereunder, whenever any interest or any fee to be paid under any Loan Documents to be calculated on the basis of a 360-day or 365-day year, the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360 or 365, as applicable.

(g) Each of the Canadian Loan Parties confirms that it fully understands and is able to calculate the rate of interest applicable to the Credit Facility under this Agreement based on the methodology for calculating per annum rates provided for in this Agreement. The Administrative Agent agrees that if requested in writing by the Borrower Representative it will calculate the nominal and effective per annum rate of interest on any Borrowing outstanding at the time of such request and provide such information to the Borrowers promptly following such request; provided that any error in any such calculation, or any failure to provide such information on request, shall not relieve the Borrowers or any Canadian Loan Party of any of its obligations under this Agreement or any other Loan Document, nor result in any liability to the Administrative Agent or any Lender. Each Canadian Loan Party hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Loan Documents, that the interest payable under the Loan Documents and the calculation thereof has not been adequately disclosed to the Canadian Loan Parties, whether pursuant to section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

Section 2.14 Alternate Rate of Interest; Discontinuation of Adjusted Eurocurrency Rate.

(a) Subject to the immediately following sentence, if prior to the commencement of any Interest Period for a Eurocurrency Borrowing or Term SOFR Borrowing denominated in any currency:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Eurocurrency Rate or Term SOFR, as applicable, for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted Eurocurrency Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrowers and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing denominated in such currency to, or continuation of any Borrowing denominated in such currency as, a Eurocurrency Borrowing or Term SOFR Borrowing, as applicable, in such currency that is requested to be continued (A) if such currency is the Dollar, shall be converted to a Borrowing of Daily SOFR Loans or, failing that, an ABR Borrowing, in each case on the last day of the Interest Period applicable thereto and (B) if such currency is an Alternative Currency, shall bear interest at such rate as the Administrative Agent shall determine adequately and fairly reflects the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period plus the applicable percentage set forth in the definition of "Applicable Margin"; and (ii) if any Borrowing Request requests a Eurocurrency Borrowing or Term SOFR Borrowing, as applicable, denominated in such currency, (A) if such currency is the Dollar such Borrowing shall be made as a Borrowing of Daily SOFR Loans, or, failing that, an ABR Borrowing, and (B) if such currency is an Alternative Currency, such Borrowing Request shall be ineffective.

(b) Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, if at any time there ceases to exist a Eurocurrency Rate or other interbank rate in the London Market regulated or otherwise overseen or authorized by the ICE Benchmark Administration or U.K. Financial Conduct Authority for interest periods greater than one Business Day or the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.14(a) above have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances above have not arisen but the supervisor for the administrator of the Eurocurrency Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Eurocurrency Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower Representative shall endeavor to establish an alternate rate of interest to the Eurocurrency Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for fixed periods for syndicated loans in the United States at such time (it being agreed that such rate shall not result in a higher cost of funding than ABR borrowings), and shall enter into an amendment to the Loan Documents to reflect such alternate rate of interest and such other related changes as may be applicable which are agreed by the Borrower Representative and the Administrative Agent at such time; provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for purposes of this Agreement. Notwithstanding anything to the contrary in the Loan Documents, such amendment shall become effective without any further action or consent of any other party to Loan Documents so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that they object to such amendment. Until an alternative rate of interest shall be determined in accordance

with this paragraph (but in the case of the circumstances described in clause (iii) of the first sentence of this paragraph, only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), (i) any Interest Election Request that requests the conversion of any Borrowing denominated in such currency to, or continuation of any Borrowing denominated in such currency as, a Eurocurrency Borrowing in such currency that is requested to be continued (A) if such currency is the Dollar, shall be converted to an ABR Borrowing on the last day of the Interest Period applicable thereto and (B) if such currency is an Alternative Currency, shall bear interest at such rate as the Administrative Agent shall determine adequately and fairly reflects the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period plus the applicable Applicable Margin; and (ii) if any Borrowing Request requests a Eurocurrency Borrowing denominated in such currency, (A) if such currency is the Dollar such Borrowing shall be made as an ABR Borrowing, and (B) if such currency is an Alternative Currency, such Borrowing Request shall be ineffective.

Section 2.15 Increased Costs; Illegality.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted Eurocurrency Rate or Adjusted Term SOFR);

(ii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurocurrency Loans or Term SOFR Loan made by such Lender; or

(iii) subject any Lender to any additional Taxes of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except, in each case, for Indemnified Taxes indemnifiable under Section 2.17 and any Excluded Taxes);

and the result of any of the foregoing shall be to materially increase the cost to such Lender of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan) of the Borrowers or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise) from the Borrowers, then the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines in good faith that any Change in Law regarding capital or liquidity requirements has or would have the effect of materially reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to the Borrowers to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital and liquidity adequacy), then from time to time the

applicable Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender, as the case may be, notifies the Borrower Representative of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, and provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof, in each case, first made after the Closing Date, shall make it unlawful for any Lender to make or maintain Eurocurrency Loans or Term SOFR Loans as contemplated by this Agreement, such Lender shall promptly give notice thereof to the Administrative Agent and the Borrower Representative, and (a) the commitment of such Lender hereunder to make Eurocurrency Loans or Term SOFR Loans or continue Eurocurrency Loans or Term SOFR Loans as such and convert ABR Loans to Eurocurrency Loans or Term SOFR Loans shall be suspended during the period of such illegality, (b) such Lender's Loans then outstanding as Eurocurrency Loans denominated in an Alternative Currency, if any, shall be prepaid by the Borrowers, or redenominated into Dollars in the amount of the Dollar Equivalent thereof, on the respective last days of then current Interest Periods with respect to such Loans or within such earlier period as required by law and (c) such Lender's Loans then outstanding as (i) Eurocurrency Loans, if any, shall be converted automatically to ABR Loans and (ii) Term SOFR Loans, if any, shall be converted automatically to Daily SOFR Loans, or, failing that, ABR Loans, in each case, on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Eurocurrency Loan or a Term SOFR Term Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrowers shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.16. For the avoidance of doubt, invalidity of the Term SOFR determined pursuant to clause (a) thereof without giving effect to clause (a)(ii) thereof shall not affect ability of the Borrower to incur Daily SOFR Loans pursuant to clause (a)(ii) of the definition thereof.

Section 2.16 Break Funding Payments. In the event of (a) the payment by the Borrowers of any principal of any Eurocurrency Loan or Term SOFR Term Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion by the Borrowers of any Eurocurrency Loan or Term SOFR Term Loan other than on the last day of the Interest Period applicable thereto, (c) the failure by the Borrowers to

borrow, convert into, continue or prepay any Eurocurrency Loan or Term SOFR Term Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(h) and is revoked in accordance therewith) or (d) the assignment of any Eurocurrency Loan or Term SOFR Term Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrowers pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event (other than loss of profit). In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted Eurocurrency Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the Eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower Representative and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any costs incurred more than 180 days prior to the date of the event giving rise to such costs.

Section 2.17 Taxes.

(a) Each payment by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, unless such deduction or withholding is required by any Requirement of Law. If any Loan Party or the Administrative Agent is so required to deduct or withhold Taxes, then such withholding agent shall so deduct or withhold and shall timely pay the full amount of deducted or withheld Taxes to the relevant Governmental Authority in accordance with any applicable law. To the extent such Taxes are Indemnified Taxes, then the amount payable by the applicable Loan Party shall be increased as necessary so that, net of such deduction or withholding (including such deduction or withholding applicable to additional amounts payable under this Section 2.17), the applicable Recipient receives the amount it would have received had no such deduction or withholding been made.

(b) In addition, each Loan Party shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of Other Taxes.

(c) As promptly as possible after any payment of Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental

Authority evidencing such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) The Loan Parties shall indemnify each Recipient for the full amount of any Indemnified Taxes that are paid or payable by such Recipient in connection with any Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) or for which such Loan Party has failed to remit to the Administrative Agent the required receipts or other required documentary evidence and any expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted; provided, however, that if a Recipient does not notify the Loan Parties of any indemnification claim under this Section 2.17(d) within 180 days after such Recipient has received written notice of the claim of a taxing authority giving rise to such indemnification claim, the Loan Parties shall not be required to indemnify such Recipient for any incremental interest or penalties resulting from such Recipient's failure to notify the Loan Parties within such 180-day period. The indemnity under this paragraph (d) shall be paid within 30 days after the Recipient (or the Administrative Agent, on behalf of such Recipient) delivers to the applicable Loan Party a certificate stating the amount of Indemnified Taxes so payable by such Recipient. Such certificate shall be conclusive of the amount so payable absent manifest error. Such Recipient shall deliver a copy of such certificate to the Administrative Agent.

(e) (i) Any Lender that is entitled to an exemption from, or reduction of, any applicable withholding Tax with respect to any payments under any Loan Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times prescribed by law or reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without, or at a reduced rate of, withholding. In addition, any Lender, if requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to U.S. backup withholding or information reporting requirements, or any other U.S. or non-U.S. withholding requirements. Upon the reasonable request of the Borrowers or the Administrative Agent, any Lender shall update any form or certification previously delivered pursuant to this Section 2.17(e). If any form or certification previously delivered pursuant to this Section 2.17(e) expires or becomes obsolete or inaccurate in any respect with respect to a Lender, such Lender shall promptly (and in any event within 10 days after such expiration, obsolescence or inaccuracy) notify the Borrower Representative and the Administrative Agent in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so. Notwithstanding anything to the contrary, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e) (ii)(A) through (E) and (iii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing and solely with respect to the Obligations, any Lender shall, if it is legally eligible to do so, deliver to the Borrower Representative and the Administrative Agent on or prior to the date on which such Lender

becomes a party hereto, two duly completed and executed copies of whichever of the following is applicable:

(A) in the case of a Lender that is a U.S. Person, IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding;

(B) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, IRS Form W-8BEN or W-8BEN-E (or any successor form);

(C) in the case of a Foreign Lender for whom payments under any Loan Document constitute income that is effectively connected with such Lender's conduct of a trade or business in the United States, IRS Form W-8ECI (or any successor form);

(D) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code both (1) IRS Form W-8BEN or W-8BEN-E (or any successor form) and (2) a certificate substantially in the form of the applicable Exhibit H (a "U.S. Tax Certificate");

(E) in the case of a Foreign Lender that is not the beneficial owner of payments made under any Loan Document (including a partnership or a participating Lender), (1) an IRS Form W-8IMY on behalf of itself and (2) the relevant forms prescribed in clauses (A), (B), (C), and (D) of this paragraph (e)(ii) that would be required of each such beneficial owner or partner of such partnership if such beneficial owner or partner were a Lender; provided, however, that if the Lender is a partnership for U.S. federal income tax purposes (and not a participating Lender) and one or more of its partners are claiming the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, such Lender may provide a U.S. Tax Certificate on behalf of such partners; or

(F) any other form prescribed by law as a basis for claiming exemption from, or a reduction of, U.S. federal withholding Tax together with such supplementary documentation necessary to enable the Borrowers or the Administrative Agent to determine the amount of such Tax (if any) required by law to be withheld.

(iii) Solely with respect to the Obligations, if a payment made to any Lender would be subject to U.S. federal withholding or Canadian Tax imposed under FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Representative and Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such other documentation reasonably requested by the Borrowers and the Administrative Agent as may be necessary for the Administrative Agent and the Borrowers to comply with their obligations under

FATCA, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments after the date of this Agreement.

(iv) Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(f) If any Recipient determines, in its sole discretion (in good faith), that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 2.17 (including additional amounts paid by any Loan Party pursuant to this Section 2.17), it shall promptly pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes) of such Recipient and without interest (other than any net after tax interest paid by the relevant Governmental Authority with respect to such refund), provided that the indemnifying party, upon the request of such Recipient, shall repay to such Recipient the amount paid to such indemnifying party pursuant to the previous sentence (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.17(f) in no event will any Recipient be required to pay any amount to an indemnifying party pursuant to this Section 2.17(f) the payment of which would place the Recipient in a less favorable net after-Tax position than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17(f) shall not be construed to require any Recipient to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(g) [Reserved].

(h) The agreements in this Section 2.17 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Section 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrowers shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees, or of amounts payable under Section 2.15, Section 2.16, Section 2.17 or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 12:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the sole discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. If, for any reason, a Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the Dollar Equivalent of the Alternative

Currency. All such payments shall be made to the Administrative Agent's Office, except that payments pursuant to Section 2.11, Section 2.11(i), Section 2.12(d), Section 2.15, Section 2.16, Section 2.17 and Section 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Unless otherwise provided herein, if any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document of principal or interest in respect of any Loan (or of any breakage indemnity in respect of any Loan) shall be made in the currency of such Loan and, except as otherwise set forth in any Loan Document, all other payments under each Loan Document shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If, other than as provided elsewhere herein, any Lender shall, by exercising any right of setoff or counterclaim, obtain payment in respect of any principal of or interest on any of its Revolving Loans, Term Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans, Term Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans, Term Loans to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans of the applicable Class and Term Loans of the applicable Class, provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to (v) any payment or prepayment made by or on behalf of the Borrowers or any other Loan Party pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (w) [reserved], (x) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant or the termination of any Lender's commitment and non-pro rata repayment of Liens pursuant to Section 2.19(b), (y) transactions in connection with an open market purchase or a Dutch Auction, or (z) in connection with a transaction pursuant to an Extension Offer, Refinancing Amendment or Incremental Credit Facility Amendment or amendment in connection with Refinanced Term Loans. For the avoidance of doubt, this Section shall not limit the ability of the Holding Companies, the Borrowers or any Restricted Subsidiary to (i) purchase and retire Term Loans pursuant to an open market purchase or a Dutch Auction or (ii) pay principal, fees, premiums and interest with respect to Other Revolving Loans, Other Term Loans, Refinanced Term Loans, Incremental Revolving Loans or

Incremental Term Loans following the effectiveness of any Refinancing Amendment, any Extension Offer or Incremental Credit Facility Amendment, as applicable, on a basis different from the Loans of such Class that will continue to be held by Lenders that were not Extending Lenders or Lenders pursuant to such Incremental Credit Facility Amendment, as applicable.

(d) Unless the Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers will make such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) (i) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), Section 2.06(a) or (b), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its sole discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold such amounts in a segregated account over which the Administrative Agent shall have exclusive control as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clause (i) and (ii) above, in any order as determined by the Administrative Agent in its sole discretion.

Section 2.19 Mitigation Obligations; Replacement of Lender.

(a) If any Lender requests compensation under Section 2.15 or Section 2.17, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall, at the request of the Borrower Representative, use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not be inconsistent with its internal policies or otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15 or Section 2.17, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with clause (a) immediately above, or if any Lender becomes a Defaulting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, (1)

terminate the unused Revolving Commitment of such Lender and repay the Loans of such Lender on a non-pro rata basis, or (2) require such Lender (and such Lender shall be obligated) to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that (i) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and, other than in the case of a Defaulting Lender, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), and (ii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments.

(c) Any Lender being replaced pursuant to Section 2.19(b) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans, as applicable (provided that the failure of any such Lender to execute an Assignment and Assumption shall not render such assignment invalid and such assignment shall be recorded in the Register) and (ii) deliver Notes, if any, evidencing such Loans to the Borrowers or the Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitments and outstanding Loans, as applicable, (B) all obligations of the Loan Parties owing to the assigning Lender relating to the Loan Documents and participations so assigned shall be paid in full by the assignee Lender or the Loan Parties (as applicable) to such assigning Lender concurrently with such assignment and assumption, together with any amounts owing to the assigning Lender (other than a Defaulting Lender) under Section 2.16 as a consequence of such assignment and (C) upon such payment and, if so requested by the assignee Lender, the assignor Lender shall deliver to the assignee Lender the appropriate Note or Notes executed by the Borrowers, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

Section 2.20 Incremental Loans.

(a) At any time and from time to time prior to the Latest Maturity Date, subject to the terms and express conditions set forth herein, the Borrowers may by no less than three (3) Business Days' prior notice to the Administrative Agent (or such lesser number of days reasonably acceptable to the Required Lenders), request to add one or more new credit facilities (each, an "Incremental Credit Facility") denominated, in the case of any Incremental Term Facility, in Dollars or any Alternative Currency or, in the case of any Incremental Revolving Facility, at the option of the Borrowers, in Dollars or, solely in the case of any Incremental Revolving Facility that is structured as an additional tranche of revolving commitments (and not, for the avoidance of doubt, an increase in the Initial Revolving Commitments) any Alternative Currency, and consisting of one or more additional tranches of term loans or an increase to an existing Class of Term Loans (each, an "Incremental Term Facility") or one or more additional tranches of revolving commitments or an increase in an existing Class of Revolving Commitments (each, an "Incremental Revolving Facility"), or a combination thereof; provided that (i) immediately before

and after giving effect to each Incremental Credit Facility Amendment and the applicable Incremental Credit Facility, no Event of Default has occurred and is continuing or would result therefrom (except in the case that the proceeds of any Incremental Credit Facility are being used to finance a Limited Condition Acquisition, in which case instead (x) no Event of Default shall exist or would result therefrom on the LCA Test Date and (y) no Specified Event of Default shall have occurred and be continuing or would exist after giving effect thereto at the time such acquisition is consummated), (ii) subject to calculation adjustments set forth in Section 1.12 with respect to any Incremental Credit Facility being incurred in connection with a Limited Condition Acquisition, the aggregate principal amount of each Incremental Credit Facility at the time of issuance or incurrence shall not exceed the Maximum Additional Debt Amount at such time, and (iii) with respect to any secured Incremental Credit Facility, any other Indebtedness ranking *pari passu* in right of payment or security with the Obligations (other than (x) any Incremental Revolving Faclities or (y) broadly syndicated notes issued in a public offering, Rule 144A or other private placement in lieu of the foregoing), in the event that the Yield for any Incremental Term Facility is higher than the Yield for the outstanding Term Loans by more than fifty (50) basis points, then, except in the case of any such Incremental Term Facility having an outside maturity date on or after the first anniversary of the Latest Maturity Date with respect to the Term Loans in effect at the time such Incremental Term Facility is incurred, the Applicable Margin for the outstanding Term Loans shall be increased to the extent necessary so that the Yield for such outstanding Term Loans is equal to the Yield for such Incremental Term Facility minus fifty (50) basis points (any such adjustment under clause (I), the "MFN Adjustment"); provided that, in addition to the foregoing, for purposes of calculating the Yield for any Incremental Credit Facility or Additional Debt that constitutes fixed-rate Indebtedness, the fixed rate coupon of such Indebtedness shall be swapped to a floating rate on a customary matched-maturity basis, and the Yield of such fixed-rate Indebtedness on a floating rate basis shall be reasonably determined in a customary manner by the Administrative Agent based on customary financial methodology in consultation with the Borrower Representative (or, if the Administrative Agent declines (or is unable) to determine such Yield or the appropriate floating rate swap on a matched maturity basis, as reasonably determined in a customary manner based on customary financial methodology by a financial institution reasonably acceptable to the Administrative Agent and the Borrower Representative). Notwithstanding anything to the contrary herein, the Borrowers shall not incur Incremental Facilities consisting of Revolving Facilities in the excess of the greater of $27,000,000 and 75% of LTM EBITDA, calculated on a Pro Forma Basis.

(b) Each Incremental Term Facility (i) if made a part of any existing tranche of Term Loans, shall have terms identical to those applicable to such Term Loans (other than with respect to fees and original issue discount payable at closing of such Incremental Term Facility) or (ii) if consisting of an additional tranche of term loans shall have such terms as determined by the Borrower Representative and the lenders providing such Incremental Term Facility; provided that in the case of this clause (ii), (A) such Incremental Term Facility shall rank pari passu or junior in right of payment and in respect of the Collateral with the Specified Term Loans, (B) no Person is the borrower or a guarantor with respect to such Incremental Term Facility unless such Person is a Loan Party which shall have previously or substantially concurrently guaranteed or borrowed, as applicable, the Obligations, and, if secured, shall only be secured by Collateral, (C) no Incremental Term Facility shall have a final maturity date earlier than the then existing Latest Maturity Date with respect to the Term Loans, and with respect to an Incremental Term Facility ranking junior in respect of the Collateral with the Specified Term Loans or that is unsecured, no

such Incremental Term Facility shall mature on or prior to the date that is ninety-one (91) days after the then existing Latest Maturity Date with respect to the Specified Term Loans, (D) no Incremental Term Facility shall have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the then-remaining Specified Term Loans (without giving effect to nominal amortization for periods where amortization has been eliminated as a result of a prepayment of the applicable Specified Term Loans), and with respect to an Incremental Term Facility that ranks junior in respect of the Collateral with the Specified Term Loans or that is unsecured, no such Incremental Term Facility shall have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the then-remaining Specified Term Loans, plus ninety-one (91) days, (E) for purposes of prepayments, such Incremental Term Facility shall be treated no more favorably than the Specified Term Loans except those that only apply after the then existing Latest Maturity Date with respect to Specified Term Loans, unless the Borrowers and the lenders in respect of such Incremental Term Facility elect lesser payments, (F) except as otherwise provided pursuant to this Section 2.20, any Incremental Term Facility shall be on terms and pursuant to documentation to be determined by the Borrowers and the lenders providing any such Incremental Term Facility; *provided* that the covenants and events of default applicable to such indebtedness, taken as a whole, shall either, at the option of the Borrower Representative, (A) reflect market terms and conditions at the time of incurrence or effectiveness (as determined by the Borrower Representative in good faith) or (B) be no more favorable in any material respect to the lenders providing such indebtedness than those of the Loan Documents (as determined by the Borrower Representative in good faith) (except for covenants or other provisions applicable only to the periods after the Latest Maturity Date at the time such Incremental Term Facility is incurred), unless such covenants and events of default are also added for the benefit of the Lenders under the Loan Documents, and (G) if an Incremental Credit Facility ranks junior in right of security or payment priority to the other Term Loans or is unsecured, such Incremental Credit Facility will be established as a separate facility from the then existing Term Loans and, if secured, shall be subject to a Second Lien Intercreditor Agreement.

(c) Each Incremental Revolving Facility (i) if made a part of an existing tranche of Revolving Commitments shall have terms identical to those applicable to such Class of Revolving Commitments (other than with respect to fees and original issue discount payable at closing of such Incremental Revolving Facility) or (ii) if consisting of an additional tranche of revolving loans and commitments shall be subject to substantially the same terms as the Initial Revolving Commitments (other than pricing, fees, maturity and other immaterial terms which shall be determined by the Borrower Representative and the lenders providing such Incremental Revolving Facility); provided that (A) no Incremental Revolving Facility shall have a final maturity date earlier than, or require scheduled amortization or mandatory commitment reduction prior to, the then existing Latest Maturity Date with respect to the Revolving Commitments, (B) the covenants, events of default and guarantees (other than maturity fees, discounts, interest rate, redemption terms and redemption premiums) of such Incremental Revolving Facility, if not consistent with the terms of the Initial Revolving Commitments, shall be no more favorable (as reasonably determined by the Borrower Representative and the Required Lenders) to the Lenders providing such Incremental Revolving Facility than the terms of the Initial Revolving Commitments are to the Lenders, (C) the Incremental Revolving Facility shall not have the benefit of any financial maintenance covenant more restrictive than the covenant set forth in Section 6.11 unless (x) the Initial Revolving Commitments have the benefit of such financial maintenance covenant on the same terms or (y) such financial maintenance covenant only applies after the

Latest Maturity Date with respect to the Initial Revolving Commitments in effect as of the time such Incremental Revolving Facility is incurred and (D) no Person shall be a Borrower or a guarantor with respect to such Incremental Revolving Facility unless such Person is a Loan Party that has previously or substantially concurrently guaranteed or borrowed, as applicable, the Obligations, and, if secured, shall only be secured by Collateral.

(d) Each notice from the Borrower Representative pursuant to this Section 2.20 shall set forth the requested amount and proposed terms of the relevant Incremental Credit Facility. Any additional bank, financial institution, existing Lender or other Person that elects to provide commitments under an Incremental Credit Facility shall be reasonably satisfactory to the Borrowers and, in the case of any Incremental Revolving Facility and, to the extent such consent would be required for an assignment of such Loans or Commitments pursuant to Section 9.04, the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned) (any such bank, financial institution, existing Lender or other Person being called an "Additional Lender") and, if not already a Lender and such Incremental Credit Facility is documented under this Agreement, shall become a Lender under this Agreement pursuant to an amendment (an "Incremental Credit Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Holding Companies, the Borrowers, such Additional Lender (in the case of this Agreement and, as appropriate, any other Loan Document, as applicable) and the Administrative Agent and/or the Collateral Agent. No Lender shall be obligated to provide any Commitments under an Incremental Credit Facility unless it so agrees. Commitments in respect of any Incremental Credit Facilities which are documented under this Agreement shall become Commitments under this Agreement. An Incremental Credit Facility Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary, advisable or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.20 (including to provide for voting provisions applicable to the Additional Lenders comparable to the provisions of clause (B) of the second proviso of Section 9.02(b)). The effectiveness of any Incremental Credit Facility Amendment shall, unless otherwise agreed to by the Additional Lenders, be subject to the satisfaction (or waiver) on the date thereof (each, an "Incremental Facility Closing Date") of the express conditions in respect of such Incremental Credit Facility Amendment to be mutually agreed upon by the Additional Lenders and the Borrowers customary for transactions of the type in respect of which the applicable Incremental Credit Facility relates. The proceeds of any Loans under an Incremental Credit Facility will be used, directly or indirectly, for working capital and/or general corporate purposes and/or any other purposes not prohibited hereunder (including Restricted Payments, Acquisitions and other Investments). This Section 2.20 shall supersede any provisions in Section 2.11, Section 2.18 and Section 9.02 to the contrary.

(e) Upon each increase in the Revolving Commitments under any Revolving Credit Facility pursuant to this Section 2.20, each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the Incremental Revolving Commitments (each, an "Incremental Revolving Lender") in respect of such increase, such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in such Revolving Credit Facility held by each Revolving Lender (including each such Incremental Revolving Lender), as applicable, will equal the percentage of the aggregate Revolving Commitments of all Revolving Lenders under such Revolving Credit Facility.

Additionally, if any Revolving Loans are outstanding under a Revolving Credit Facility at the time any Incremental Revolving Commitments are established, the applicable Revolving Lenders immediately after effectiveness of such Incremental Revolving Commitments shall purchase and assign at par such amounts of the Revolving Loans outstanding under such Revolving Credit Facility at such time as the Administrative Agent may require such that each Revolving Lender holds its Applicable Facility Percentage of all Revolving Loans outstanding under such Revolving Credit Facility immediately after giving effect to all such assignments. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

Section 2.21 Refinancing Amendments. At any time after the Closing Date, the Borrowers may obtain from any existing Lender or any other Person reasonably satisfactory to the Borrowers (any such existing Lender or other Person being called an "Additional Refinancing Lender") (and, in the case of any Additional Refinancing Lender (other than any existing Lender) that will hold Other Revolving Commitments or Other Term Commitments, such Person shall also be reasonably satisfactory to the Administrative Agent) Credit Agreement Refinancing Indebtedness in respect of (a) all or any portion of the Term Loans then outstanding under this Agreement (which for purposes of this clause (a) will be deemed to include any then outstanding Other Term Loans constituting Term Loans) or (b) all or any portion of the Revolving Commitments (including the corresponding portion of the Revolving Loans) under this Agreement (which for purposes of this clause (b) will be deemed to include any then outstanding Other Revolving Commitments (including the corresponding portion of the Other Revolving Loans)), in the form of Other Term Loans, Other Term Commitments, Other Revolving Loans or Other Revolving Commitments, in each case pursuant to a Refinancing Amendment; provided that (i) such Credit Agreement Refinancing Indebtedness shall rank pari passu or junior in right of payment and of security with the other Loans and Commitments hereunder (provided that if such Credit Agreement Refinancing Indebtedness ranks junior in right of security or payment priority such Credit Agreement Refinancing Indebtedness shall be established as a separate facility and, if secured, shall be subject to customary intercreditor terms reasonably agreed between the Borrowers and the Administrative Agent and the Required Lenders), (ii) such Credit Agreement Refinancing Indebtedness shall have such pricing, interest, fees, premiums and optional prepayment and redemption terms as may be agreed by the Holding Companies, the Borrowers and the Additional Refinancing Lenders thereof, (iii) such Credit Agreement Refinancing Indebtedness shall only be secured by assets consisting of Collateral, and (iv) such Credit Agreement Refinancing Indebtedness shall satisfy the requirements set forth in clauses (u) through (z) of the definition of "Credit Agreement Refinancing Indebtedness". The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary or reasonably advisable to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Loans, Other Revolving Commitments and/or Other Term Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, or reasonably advisable or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.21. This

Section 2.21 shall supersede any provisions in Section 2.18 and Section 9.02 to the contrary. Notwithstanding anything to the contrary in this Section 2.21 or otherwise, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Other Revolving Commitments (and related outstandings), (B) repayments required upon the maturity date of the Other Revolving Commitments and (C) repayment made in connection with a permanent repayment and termination in full of commitments) of Loans with respect to Other Revolving Commitments after the date of obtaining any Other Revolving Commitments shall be made on at least a pro rata basis with all other Revolving Commitments, (2) [reserved], (3) the permanent repayment of Revolving Loans with respect to, and termination of, Other Revolving Commitments after the date of obtaining any Other Revolving Commitments shall be made on at least a pro rata basis with all other Revolving Commitments, except that the Borrowers shall be permitted to permanently repay and terminate commitments of any such Class on a non-rata basis as compared to any other Class with a later maturity date than such Class and (4) assignments and participations of Other Revolving Commitments and Other Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans. The Lenders agree that the Borrowers may require the Lenders holding Credit Agreement Refinanced Indebtedness to assign their Loans and Commitments to the providers of the applicable Credit Agreement Refinancing Indebtedness.

Section 2.22 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Any payment of principal, interest, fees, indemnity payments or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to ARTICLE VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrowers may request, to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement; *third*, if so determined by the Administrative Agent and the Borrowers, to be held in a non-interest-bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *fifth*, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to

that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Section 4.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.22(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. (a) Commitment fees shall continue to accrue on the amount of the Revolving Commitment of such Defaulting Lender pursuant to Section 2.12(a), only to the extent of the Revolving Loans of such Defaulting Lender and (b) a Defaulting Lender shall not be entitled to receive any default rate of interest pursuant to Section 2.13(c), in each case, for any period during which that Lender is a Defaulting Lender.

(b) Defaulting Lender Cure. If the Borrowers and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentage, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 2.23 [Reserved].

Section 2.24 Extensions of Term Loans and Revolving Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by (i) the Borrowers to all Lenders of Term Loans of the applicable Class with a like maturity date or (ii) the Borrowers to all Lenders with Revolving Commitments of the applicable Class with a like maturity date, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Term Loans or Revolving Commitments with a like maturity date, as the case may be) and offered on the same terms to each such Lender, the Borrowers are hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender's Term Loans and/or Revolving Commitments and otherwise modify the terms of such Term Loans and/or Revolving Commitments pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate, premiums or fees payable in respect of such Term Loans and/or Revolving

Commitments (and related outstandings) and/or modifying the amortization schedule, optional prepayment terms, required prepayment dates and participation in prepayments in respect of such Lender's Term Loans) (each, an "Extension", and each group of Term Loans or Revolving Commitments, as applicable, in each case as so extended, as well as the Initial Term Loans, Exchange Term Loans, Delayed Draw Term Loans, and the Initial Revolving Commitments (in each case not so extended), being a separate Class; any Extended Term Loans shall constitute a separate Class of Term Loans from the Class of Term Loans from which they were converted, and any Extended Revolving Commitments shall constitute a separate Class of Revolving Commitments from the Class of Revolving Commitments from which they were converted), so long as the following terms are satisfied (or waived):

(i) except as to interest rates, fees, premiums, amortization, prepayments, AHYDO Catch-Up Payments and final maturity (which shall be determined by the Borrowers and set forth in the relevant Extension Offer and which shall be no earlier than the maturity date of the Class of Revolving Commitments for which such Extension Offer was made), the Revolving Commitment of any Revolving Lender that agrees to an Extension with respect to such Revolving Commitment (an "Extending Revolving Loan Lender") extended pursuant to an Extension (an "Extended Revolving Commitment" and the loans made pursuant thereto, the "Extended Revolving Loans"), and the related outstandings, shall have covenants and events of default, if not consistent with the terms of the Revolving Commitments, not materially more restrictive to the Loan Parties (as determined in good faith by the Borrower Representative), when taken as a whole, than the terms of the Revolving Commitment unless (x) the Revolving Lenders receive the benefit of such more restrictive terms or (y) any such provisions apply only after the applicable Revolving Termination Date (as determined in good faith by the Borrower Representative); provided that (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Extended Revolving Commitments (and related outstandings), (B) repayments required upon the maturity date of the non-extended Revolving Commitments and (C) repayments made in connection with a permanent repayment and termination of commitments) of Loans with respect to Extended Revolving Commitments after the applicable Extension date shall be made on a pro rata basis or less with all other Revolving Commitments, (2) [reserved], (3) the permanent repayment of Revolving Loans with respect to, and termination of, Extended Revolving Commitments after the applicable Extension date shall be made on a pro rata basis with all other Revolving Commitments, except that the Borrowers shall be permitted to permanently repay and terminate commitments of any such Class on a non-pro rata basis as compared to any other Class with a later maturity date than such Class, (4) assignments and participations of Extended Revolving Commitments and Extended Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans and (5) at no time shall there be Revolving Commitments hereunder (including Extended Revolving Commitments and any Initial Revolving Commitments) which have more than four different maturity dates,

(ii) except as to interest rates, fees, premiums, amortization, prepayments, AHYDO Catch-Up Payments and final maturity (which shall, subject to the immediately succeeding clauses (iv) and (v), be determined by the Borrowers and set forth in the relevant Extension Offer), the Term Loans of any Term Lender that agrees to an Extension

with respect to such Term Loans (an "Extending Term Lender", and together with Extending Revolving Loan Lenders, "Extending Lenders") extended pursuant to any Extension ("Extended Term Loans") shall have covenants and events of default, if not consistent with the terms of the Term Loans, not materially more restrictive to the Loan Parties (as determined in good faith by the Borrower Representative), when taken as a whole, than the terms of the Term Loans unless (x) the Lenders of the Term Loans receive the benefit of such more restrictive terms or (y) any such provisions apply only after the Term Loan Maturity Date,

(iii) the final maturity date of any Extended Term Loans shall be no earlier than the Term Loan Maturity Date of the Class of Term Loans for which such Extension Offer was made and at no time shall the Term Loans (including Extended Term Loans) have more than six different maturity dates,

(iv) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans extended thereby (without giving effect to nominal amortization for periods where amortization has been eliminated as a result of a prepayment of the applicable Term Loans),

(v) if the aggregate principal amount of Term Loans (calculated on the face amount thereof) or Revolving Commitments, as the case may be, in respect of which Term Lenders or Revolving Lenders, as the case may be, shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans or Revolving Commitments, as the case may be, offered to be extended by the Borrowers pursuant to such Extension Offer, then the Term Loans or Revolving Loans, as the case may be, of such Term Lenders or Revolving Lenders, as the case may be, shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Term Lenders or Revolving Lenders, as the case may be, have accepted such Extension Offer,

(vi) all documentation in respect of such Extension shall be consistent with the foregoing, and

(vii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrowers.

(b) With respect to all Extensions consummated by the Borrowers pursuant to this Section 2.24, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.11 and (ii) no Extension Offer is required to be in any minimum amount or any minimum increment, provided that the Borrowers may at their election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrowers' sole discretion and may be waived by the Borrowers) of Term Loans or Revolving Commitments (as applicable) of any or all applicable Classes be tendered. The Administrative Agent and the Lenders hereby consent to the consummation of the transactions contemplated by this Section 2.24 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans and/or Extended Revolving Commitments on such terms

as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including any pro rata payment or amendment section) or any other Loan Document that may otherwise prohibit or restrict any such Extension or any other transaction contemplated by this Section 2.24.

(c) No consent of any Lender or any Agent shall be required to effectuate any Extension, other than (i) the consent of each Lender agreeing to such Extension with respect to one or more of its Term Loans and/or Revolving Commitments (or a portion thereof), (ii) [reserved] (iii) to the extent directly adversely amending or modifying the rights or duties of the Administrative Agent beyond those of the type already required to perform under the Loan Documents, the Administrative Agent, which consents shall not be unreasonably withheld or delayed; provided that the Borrowers will promptly notify the Administrative Agent of any such Extensions. All Extended Term Loans, Extended Revolving Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a pari passu basis with all other applicable Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent and, to the extent applicable, the Collateral Agent, to enter into amendments to this Agreement and the other Loan Documents with the Borrowers and other Loan Parties as may be necessary or advisable in order to establish new Classes in respect of Revolving Commitments or Term Loans so extended and such technical amendments as may be necessary, advisable or appropriate in the reasonable opinion of the Administrative Agent and the Borrowers in connection with the establishment of such new Classes, in each case on terms consistent with this Section 2.24. In connection with any Extensions the respective Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the latest termination date of any Extended Term Loans or Extended Revolving Commitments so that such maturity date is extended to the latest termination date of any Extended Term Loans or Extended Revolving Commitments (or such later date as may be advised by local counsel to the Administrative Agent). No Lender shall be required to participate in any Extension.

(d) In connection with any Extension, the Borrowers shall provide the Administrative Agent at least five (5) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.24.

Section 2.25 [Reserved].

Section 2.26 Borrower Representative. Each Borrower hereby designates and appoints Procera or such other Borrower (reasonably acceptable to the Administrative Agent) as the Borrowers may from time to time notify the Administrative Agent of in writing (the "Borrower Representative") as its representative and agent on its behalf for all purposes under the Loan Documents, including requests for Loans, selection of interest rate options, issuing and delivering Borrowing Requests, Interest Election Requests, or Compliance Certificates, delivery or receipt of communications, receipt and payment of Obligations, giving instructions with respect to the disbursement of the proceeds of the Loans, requests for waivers, amendments or other

accommodations, giving and receiving all other notices, certifications and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or the Borrowers under the Loan Documents, and all other dealings with the Administrative Agent or any Lender. The Borrower Representative hereby accepts such appointment. The Administrative Agent, the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication delivered by the Borrower Representative (or any Loan Party that holds itself out as the Borrower Representative) on behalf of any Borrower. Notwithstanding anything to the contrary in Section 9.01, the Administrative Agent and the Lenders may give any notice to or communication with a Borrower or other Loan Party hereunder to the Borrower Representative on behalf of such Borrower or other Loan Party. Each of the Administrative Agent, the Lenders shall have the right, in its discretion, to deal exclusively with the Borrower Representative for any or all purposes under the Loan Documents. Each warranty, covenant, agreement and undertaking made on behalf of a Borrower by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

ARTICLE III
Representations and Warranties

The Borrowers and, solely with respect to the representations and warranties applicable to it, each Holding Company, represents and warrants to the Agent and the Lenders that (it being understood that the following representations and warranties shall be deemed made with respect to any Foreign Subsidiary only to the extent relevant under applicable law), as of the Closing Date and as of each date the representations and warranties are made or deemed made in accordance with the terms of the Loan Documents:

Section 3.01 Organization; Powers. Each of the Holding Companies, the Borrowers and the Restricted Subsidiaries (a) is duly organized, registered, formed or incorporated and validly existing or registered (as applicable), (b) to the extent such concept is applicable in the corresponding jurisdiction, is in good standing under the laws of the jurisdiction of its organization, registration or incorporation and (c) has all requisite organizational, partnership or constitutional power and authority to (i) carry on its business as now conducted and as proposed to be conducted and (ii) execute, deliver and perform its obligations under each Loan Document to which it is a party, except, in the case of clause (b) only, where the failure to do so, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect.

Section 3.02 Authorization; Enforceability. This Agreement (and the lending transactions contemplated hereby to occur on the Closing Date) have been duly authorized by all necessary corporate, shareholder, general partner or other organizational action by the Holding Companies and the Borrowers and constitutes, and each other Loan Document to which any Loan Party is a party has been duly authorized by all necessary corporate, shareholder, general partner or other organizational action by such Loan Party, and each Loan Document constitutes, or when executed and delivered by such Loan Party, will constitute, a legal, valid and binding obligation on such Loan Party (as the case may be), enforceable in accordance with its terms, subject to (i) applicable bankruptcy, insolvency, winding-up, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of

whether considered in a proceeding in equity or at law and (ii) in the case of each Foreign Loan Party and each Foreign Loan Document, (x) the Perfection Requirements and (y) the Legal Reservations.

Section 3.03 Approvals; No Conflicts. Each Lender and the Administrative Agent hereby acknowledges and agrees that the Holding Companies and the Restricted Subsidiaries may be required to restate historical financial statements as the result of the implementation of changes in GAAP, or the respective interpretation thereof, and that such restatements will not in and of themselves result in a Default or an Event of Default under the Loan Documents solely as a result of such restatement.

The Borrower Representative hereby acknowledges that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrower Representative hereunder (collectively, "Borrower Materials") by posting the Borrower Materials on IntraLinks or another similar electronic system (the "Platform") and (b) certain of the Lenders (each, a "Public Lender") may have personnel who do not wish to receive material non-public information with respect to the Holding Companies, the Borrowers or the Subsidiaries, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such Persons' securities. (a) Subject to the terms of the Second Lien Intercreditor Agreement, upon the occurrence and during the continuation of an Event of Default, if requested by Required Lenders, or upon acceleration of all the Obligations pursuant to Section 7.01, all proceeds received by the Administrative Agent or the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral under any Loan Document (collectively, "Application Proceeds") shall be applied by the Administrative Agent as follows:

(i) *First*, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest) payable to each Agent in its capacity as such;

(ii) *Second*, to payment of that portion of the Obligations constituting fees, premiums, indemnities and other amounts (other than principal and interest) payable to the Lenders, ratably among them in proportion to the amounts described in this clause (ii) payable to them;

(iii) *Third*, to payment of that portion of the Obligations constituting accrued and unpaid interest (including, but not limited to, post-petition interest), ratably among the Lenders in proportion to the respective amounts described in this clause (iii) payable to them;

(iv) *Fourth*, the Swap Termination Value under Secured Swap Agreements and Secured Cash Management Obligations;

(v) *Fifth*, to the payment of all other Secured Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Secured Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

Notwithstanding the foregoing, (a) amounts received from any Loan Party that is not an "Eligible Contract Participant" (as defined in the Commodity Exchange Act) shall not be applied to the obligations that are Excluded Swap Obligations and (b) Secured Cash Management Obligations shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative Agent may request, from the applicable Lender Counterparty. Each Lender Counterparty not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of ARTICLE VIII hereof for itself and its Affiliates as if a "Lender" party hereto.

Whether or not a proceeding under any Debtor Relief Laws has commenced, any Application Proceeds received by any Secured Party in violation of (or otherwise not in accordance with) this Agreement shall be segregated and held in trust and promptly paid over to the Administrative Agent, for the benefit of the other Secured Parties, in the same form as received, with any necessary endorsements (which endorsements will be without recourse and without representation or warranty). The Administrative Agent is authorized to make such endorsements as agent for the Secured Parties. This authorization is coupled with an interest and is irrevocable until the Termination Date.

ARTICLE VIII
The Administrative Agent and Collateral Agent

Section 8.01 Appointment of Agents. Each of the Lenders hereby irrevocably appoints (i) Acquiom and Seaport to act on its behalf as Co-Administrative Agents and (ii) Acquiom to act on its behalf as the Collateral Agent hereunder and under the Loan Documents, and authorizes the Administrative Agent and the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Unless otherwise specifically set forth herein, the Collateral Agent shall have all the rights and benefits of the Administrative Agent set forth in this Article.

The Collateral Agent shall act as the "collateral agent" under the Loan Documents, and each of the Lenders (including in its capacities as a Lender Counterparty or potential Lender Counterparty) hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties pursuant to the Security Documents to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent, as "collateral agent" and any co-agents, sub-agents and

attorneys-in-fact appointed by the Administrative Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this ARTICLE VIII and Section 9.03 (as though such co-agents, subagents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto. The Lenders acknowledge and agree (and each Lender Counterparty shall be deemed to hereby acknowledge and agree) that Collateral Agent may also act as the collateral agent for lenders under any second lien loan documents, the Other Term Loans, the Other Revolving Commitments, the Additional Debt, and any Permitted Refinancing of any of the foregoing.

Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and any rights of the Secured Parties with respect thereto as contemplated by and in accordance with the provisions of this Agreement and the other Loan Documents.

The Collateral Agent declares that it shall hold all Liens on Collateral governed by English law on trust for each of the Lenders on the terms contained in this Agreement.

The rights, powers, authorities and discretions given to the Collateral Agent under or in connection with the Loan Documents shall be supplemental to the Trustee Act 1925 (United Kingdom) and the Trustee Act 2000 (United Kingdom) and in addition to any which may be vested in the Collateral Agent by law or regulation or otherwise.

Section 1 of the Trustee Act 2000 (United Kingdom) shall not apply to the duties of the Collateral Agent in relation to the trusts constituted by this Agreement. Where there are any inconsistencies between the Trustee Act 1925 (United Kingdom) or the Trustee Act 2000 (United Kingdom) and the provisions of this Agreement, the provisions of this Agreement shall, to the extent permitted by law and regulation, prevail and, in the case of any inconsistency with the Trustee Act 2000 (United Kingdom), the provisions of this Agreement shall constitute a restriction or exclusion for the purposes of that Act.

Section 8.02 Rights of Lender. Each bank serving as the Administrative Agent or Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent or Collateral Agent, and with respect to any of its Loans or Commitments hereunder, the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent and Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Holding Company or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent or Collateral Agent hereunder and without any duty to account therefor to the Lenders. Should any Lender (other than the Collateral Agent) obtain possession or control of any assets in which, in accordance with the UCC, PPSA or any other applicable law a security interest can be perfected by possession or control, such Lender shall notify the Collateral Agent thereof, and, promptly following the Collateral Agent's request

therefor, shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

Section 8.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. In performing its functions and duties hereunder, each Agent shall act solely as an agent of the Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for any Loan Party or any of their Subsidiaries. Without limiting the generality of the foregoing the Administrative Agent and the Collateral Agent, (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, including with respect to enforcement or collection, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or the Collateral Agent is expressly required to exercise and is directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to do so; provided that the Agent shall not be required to take, or omit to take, any action that, in its opinion or the opinion of its counsel, (i) may or does expose such Agent to liability or (ii) is contrary to any Loan Document or applicable law (including, for the avoidance of doubt, any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a foreclosure, modification or termination of property of a Defaulting Lender under any Debtor Relief Law), and (c) shall not except as expressly set forth herein or in the other Loan Documents, have any duty to disclose, and shall not be liable to the Lenders for the failure to disclose, any information relating to any Holding Company, any Borrower or any Subsidiary that is communicated to or obtained by the bank institution serving as the Administrative Agent, Collateral Agent or any of their respective Affiliates in any capacity. The Administrative Agent and the Collateral Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as the Administrative Agent or Collateral Agent shall believe in good faith shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence, willful misconduct or breach of its material obligations under any Loan Documents (excluding all actions taken by any Agent (I) at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as Agent shall reasonably believe are necessary under the circumstances) or as requested by the Borrowers or the other Loan Parties and (II) in connection with or ancillary to the consummation of the Closing Date Transactions (including, for the avoidance of doubt, entry into the Second Lien Intercreditor Agreement)) in each case as determined by a court of competent jurisdiction by final and non-appealable judgment. The Administrative Agent and the Collateral Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent and Collateral Agent by a Borrower or a Lender and the Administrative Agent and the Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report, statement, agreement or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or express conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument

or document or the creation, perfection or priority of any Lien purported to be created by the Security Documents or that the Liens granted to the Collateral Agent pursuant to any Security Document have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in ARTICLE IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent. The Administrative Agent shall have no obligation to monitor whether any amendment or waiver to any Loan Document has properly become effective or is permitted hereunder or thereunder except to the extent expressly agreed to by the Administrative Agent in such amendment or waiver. Without limiting the foregoing, no Agent:

(i) makes any warranty or representation, or shall be responsible, to any Secured Party for any statement, document, information, representation or warranty made or furnished by or on behalf of any Related Party or any Loan Party in connection with any Loan Document or any transaction contemplated therein or any other document or information with respect to any Loan Party, whether or not transmitted or (except for documents expressly required under any Loan Document to be transmitted to the Lenders) omitted to be transmitted by such Agent, including as to completeness, accuracy, scope or adequacy thereof, or for the scope, nature or results of any due diligence performed by such Agent in connection with the Loan Documents;

(ii) shall have any obligation to calculate or confirm the calculations of any financial covenants or ratios set forth in any Loan Document or in any of the financial statements of the Loan Parties;

(iii) shall be liable to the Lenders for any apportionment or distribution of payments made by it to such Lenders in good faith, and if any such apportionment or distribution is subsequently determined to have been made in error, the sole recourse of any Lender to whom payment was due but not made shall be to recover pro rata from the other Lenders any payment equal to the amount to which they are determined to be entitled (and such other Lenders hereby agree to return to such Lender any such erroneous payments received by them);

(iv) shall have any duty to ascertain or to inquire as to the performance or observance of any provision of any Loan Document, whether any condition set forth in any Loan Document is satisfied or waived, as to the financial condition of any Loan Party or as to the existence or continuation or possible occurrence or continuation of any Default or Event of Default, and no Agent shall be deemed to have notice or knowledge of such occurrence or continuation unless it has received a notice from the Borrower or any Lender describing such Default or Event of Default clearly labeled "notice of default" (in which case such Agent shall promptly give notice of such receipt to all Lenders);

(v) shall be liable for any failure or delay in the performance of its obligations under this Agreement or any other Loan Document because of circumstances beyond such Agent's control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depositary, settlement system or central payment system in any applicable part of the world or acts of God, flood, war, civil or military disturbances,

nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Agreement or the Loan Documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility;

Each Lender, Holdings and each Borrower hereby waives and agrees not to assert (and Holdings and the Borrowers shall cause each other Loan Party to waive and not to assert) any right, claim or cause of action it might have against any Agent in its capacity as such based on any of the actions or inactions described in this Section 8.03.

Section 8.04 Reliance by Administrative Agent and Collateral Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, (i) the Register to the extent set forth in Section 9.04, (ii) any consultation with any of its Related Parties and, whether or not selected by it, any counsel, other advisors, accountants and other experts (including advisors to, and accountants and experts engaged by, any Loan Party), and (iii) any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it in good faith to be genuine and to have been signed or sent or otherwise authenticated by the proper Person, and shall not be liable for any action taken or omitted to be taken in good faith in accordance with the the Register, any advice of any such counsel, other advisors, accountants or other experts or any such notice, request, certificate, consent, statement, instrument, document or other writing. Each of the Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it in good faith to be made by the proper Person, and shall not incur any liability to the Lenders for relying thereon. Each of the Administrative Agent and the Collateral Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan.

Section 8.05 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent. Each of the Administrative Agent and the Collateral Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article (and indemnification provisions of Section 9.03(c)) shall apply to any such sub-agent and to the respective Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent or Collateral Agent. Each party to this Agreement

acknowledges and agrees that the Administrative Agent may from time to time use one or more outside service providers for the tracking of all UCC and PPSA financing statements (and/or other collateral related filings and registrations from time to time) required to be filed or recorded pursuant to the Loan Documents and the notification to the Administrative Agent, of, among other things, the upcoming lapse or expiration thereof, and that each of such service providers will be deemed to be acting at the request and on behalf of the Borrowers and the other Loan Parties. No Agent shall be liable for any action taken or not taken by any such service provider. The Agents shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

Section 8.06 Resignation of Agents; Successor, Administrative Agent and Collateral Agent. The Administrative Agent and the Collateral Agent may at any time resign by giving thirty (30) days' prior written notice of its resignation to the Lenders and the Borrowers. If the Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition of "Defaulting Lender" (for purposes of this Section 8.06, clause (d) of the definition of "Defaulting Lender" shall not include a direct or indirect parent company of the Administrative Agent), either the Required Lenders or the Borrower Representative may upon thirty (30) days' prior notice remove the Administrative Agent or the Collateral Agent, as the case may be. Upon receipt of any such notice of resignation or delivery of such removal notice, the Required Lenders shall have the right, with the consent of the Borrower Representative (provided that such consent shall not be unreasonably withheld or delayed and that such consent shall not be required at any time that any Specified Event of Default shall have occurred and be continuing), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation or the delivery of such removal notice, then (a) in the case of a retirement, the retiring Administrative Agent may on behalf of the Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above (including the consent of the Borrower Representative) or (b) in the case of a removal, the Borrowers may, after consulting with the Required Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; provided that (x) in the case of a retirement, if the Administrative Agent shall notify the Borrower Representative and the Lenders that no qualifying Person has accepted such appointment or (y) in the case of a removal, the Required Lenders notify the Borrower Representative that no qualifying Person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with such notice and (i) the retiring or removed Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or the Collateral Agent, as applicable, on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent or Collateral Agent, as applicable, shall continue to hold such collateral security, as bailee, until such time as a successor Administrative Agent or Collateral Agent, as applicable, is appointed and, with respect to its rights and obligations under the Loan Documents, until such rights and obligations have been assigned to and assumed by the successor Administrative Agent or Collateral Agent), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to

each Lender directly (and each Lender will cooperate with the Borrowers to enable the Borrowers to take such actions), until such time as the Required Lenders or the Borrower Representative, as applicable, appoint a successor Administrative Agent, as provided for above in this Section 8.06 and (iii) the Borrowers and the Lenders agree that in no event shall the retiring Administrative Agent or Collateral Agent or any of their respective Affiliates or any of their respective officers, directors, employees, agents advisors or representatives have any liability to the Loan Parties, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the failure of a successor Administrative Agent or Collateral Agent to be appointed and to accept such appointment. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Article). The fees payable by the Borrowers to a successor Administrative Agent or Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After any retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this ARTICLE VIII and Section 9.03 shall continue in effect for the benefit of such retiring Administrative Agent or Collateral Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent or Collateral Agent was acting as Administrative Agent or Collateral Agent.

Section 8.07 Non-Reliance on Agents and Other Lenders. Each Lender acknowledges and agrees that the extensions of credit made hereunder are commercial loans and letters of credit and not investments in a business enterprise or securities. Each acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, conducted its own independent investigation of the financial condition and affairs of the Loan Parties and their Subsidiaries and made its own credit analysis and decision to enter into this Agreement. Each Lender further represents and warrants that it has reviewed each document made available to it on the Platform in connection with this Agreement and has acknowledged and accepted the terms and conditions applicable to the recipients thereof (including any such terms and conditions set forth, or otherwise maintained, on the Platform with respect thereto). Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished thereunder.

Section 8.08 No Other Duties. Notwithstanding anything herein to the contrary, none of the Agents shall have any powers, duties or responsibilities under any Loan Document, except in its capacity, as applicable, as an Administrative Agent, Collateral Agent, or a Lender hereunder, and their respective duties as an Agent hereunder and under the other applicable Loan Documents shall be administrative in nature.

Section 8.09 Collateral and Guaranty Matters. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. Each of the Lenders, the Lender Counterparties irrevocably authorize each of the Administrative Agent and the Collateral Agent:

(a) to release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent (or any sub-agent thereof) under any Loan Document (or to acknowledge that a Lien does exist on any property): (i) upon the Termination Date, (ii) that is (A) [reserved] or (B) sold or to be sold or transferred as part of or in connection with any sale or other transfer permitted hereunder or under any other Loan Document to a Person other than another Loan Party, in connection with any other sale or disposition resulting in any Collateral becoming Excluded Property, (iii) that constitutes (with respect to Loan Parties organized within the United States (or any state or territory thereof) or Canada) Excluded Property, (with respect to Loan Parties organized outside the United States (or any state or territory thereof)) other Foreign Excluded Assets, or other assets not required to be Collateral pursuant to the applicable Security Document, (iv) if the property subject to such Lien is owned by a Loan Party, upon the release of such Loan Party from the applicable Guaranty otherwise in accordance with the Loan Documents, (v) as to the extent, if any, provided in the Security Documents or (vi) if approved, authorized or ratified in writing in accordance with Section 9.02;

(b) to release any Loan Party from its obligations under the applicable Guaranty if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder;

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted under Section 6.02(d) and Section 6.02(e);

(d) to enter into subordination or intercreditor agreements (including the Second Lien Intercreditor Agreement) with respect to Indebtedness to the extent the Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, including any Pari Passu Intercreditor Agreement or Second Lien Intercreditor Agreement; and

(e) to enter into and sign for and on behalf of the Lenders as Secured Parties the Security Documents for the benefit of the Lenders and the other Secured Parties.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders (or such greater number of Lenders as may be required pursuant to Section 9.02(b)(v) or (vi)) will confirm in writing the Administrative Agent's or the Collateral Agent's, as the case may be, authority to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the applicable Guaranty pursuant to this Section 8.09. In each case as specified in this Section 8.09, the Administrative Agent and the Collateral

Agent will (and each Lender hereby authorizes the Administrative Agent and the Collateral Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Loan Party from its obligations under the applicable Guaranty, in each case in accordance with the express terms of the Loan Documents and this Section 8.09.

Notwithstanding any other provisions in this Agreement to the contrary, the release of any security interest created pursuant to a Swedish Collateral Document or any dealings in any assets which are, or are expressed to be, the subject of any security interest created pursuant to a Swedish Collateral Document (excluding any movable assets which are the subject of security in the form of a floating charge (other than any floating charge certificate (Sw. *Företagsinteckningsbrev*)) that are the subject of the Swedish Floating Charge Pledge Agreement), will in all cases be subject to the terms and conditions set forth in the Swedish Collateral Documents.

Section 8.10 Secured Swap Agents and Secured Cash Management Agents. No Lender Counterparty that obtains the benefits of the Collateral Agreements, the Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this ARTICLE VIII to the contrary, neither the Administrative Agent nor the Collateral Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Swap Obligations or Secured Cash Management Obligations arising under Secured Swap Agreements or Secured Cash Management Agreements with Lender Counterparties unless the Administrative Agent has received written notice of such Secured Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Lender Counterparty.

Section 8.11 Withholding Tax. To the extent required by any applicable law (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. If the IRS or any other Governmental Authority of any jurisdiction asserts a claim that an Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective) or is otherwise required to pay any Indemnified Tax attributable to such Lender, any Excluded Tax attributable to such Lender or any Tax attributable to such Lender's failure to comply with its obligations relating to the maintenance of a Participant Register, such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties and without limiting the obligation of the Loan Parties to do so) fully for, and shall make payable in respect thereof within ten (10) days after demand therefor, all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff

costs and any out of pocket expenses. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 8.11. The agreements in this Section 8.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Section 8.12 Administrative Agent and Collateral Agent May File Proofs of Claim. In case of the pendency of any receivership, examinership, insolvency, liquidation, provisional liquidation, bankruptcy, reorganization, arrangement, adjustment or composition under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent and the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent or the Collateral Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated), by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations, in each case, that are owing and unpaid by such Loan Party and to file such other documents as may be necessary or advisable in order to have such claims of the Lenders, the Administrative Agent and the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Administrative Agent and the Collateral Agent and their respective agents and counsel and all other amounts due the Lenders, the Administrative Agent and the Collateral Agent under Section 2.11(l) and Section 9.03 which are payable by such Loan Party) allowed in such judicial proceeding;

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and

(c) any custodian, receiver, interim receiver, receiver-manager, examiner, assignee, trustee, liquidator, provisional liquidator, sequestrator, examiner or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent, to the making of such payments directly to the Lenders, to pay to the Administrative Agent (and Lenders, as applicable) any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 2.11(l) and Section 9.03 in each case reimbursable or payable by such Loan Party.

Nothing contained herein shall be deemed to authorize the Administrative Agent or the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent or the Collateral Agent to vote in respect of the claim of any Lender or in any such proceeding, in each case subject to Section 14(d) of the U.S. Collateral Agreement. To the extent that the payment of any such compensation, expenses,

disbursements and advances of the Administrative Agent, its agents and counsel, and any other amounts due the Administrative Agent under this Agreement out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Section 8.13 ERISA.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto:

(i) such Lender is not using "plan assets" (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Plans in connection with the Loans or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable, and the conditions of such exemption have been satisfied, with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (ii) such "Qualified Professional Asset Manager" made the investment decision on behalf of such Lender to enter into, participate in, administer and perform with respect to the Loans, the Commitments and this Agreement and (iii) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (a) through (g) of Part I of PTE 84-14.

(b) In addition, unless clause (a)(i) of this Section 8.13 is true with respect to a Lender, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of any Borrower or any other Loan Party, that:

(i) none of the Administrative Agent or any of its respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any other Loan Document or any documents related to hereto or thereto),

(ii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance with respect to the Loans, the Commitments and this Agreement is independent (within the meaning of 29 CFR § 2510.3-21) and is a bank, an insurance carrier, an investment adviser, a broker-dealer or other person that holds, or has under management or control, total assets of at least $50,000,000, in each case as described in 29 CFR § 2510.3-21(c)(1)(i)(A)-(E),

(iii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance with respect to the Loans, the Commitments and this Agreement is capable of evaluating investment risks independently, both in general and with regard to particular transactions and investment strategies (including in respect of the Obligations),

(iv) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance with respect to the Loans, the Commitments and this Agreement is a fiduciary under ERISA or the Code, or both, with respect to the Loans, the Commitments and this Agreement and is responsible for exercising independent judgment in evaluating the transactions hereunder, and

(v) no fee or other compensation is being paid directly to the Administrative Agent or any its respective Affiliates for investment advice (as opposed to other services) in connection with the Loans, the Commitments or this Agreement.

(c) The Administrative Agent hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (x) may receive interest or other payments with respect to the Loans, the Commitments and this Agreement, (y) may recognize a gain if it extended the Loans or the Commitments for an amount less than the amount being paid for an interest in the Loans or the Commitments by such Lender, or (z) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

Section 8.14 Other Matters. Notwithstanding any provision herein, Section 8.13 shall not apply to the extent that the regulations under Section 3(21) of ERISA issued by the U.S. Department of Labor on April 8, 2016 are rescinded or otherwise revoked, repealed or no longer effective.

Section 8.15 Binding Effect. Each Lender agrees that (i) any action taken by the Administrative Agent or the Collateral Agent in accordance with the provisions of the Loan Documents, (ii) any action taken by the Administrative Agent and the Collateral Agent in reliance upon the instructions of the Required Revolving Lenders or the Required Lenders (or, where so

required by the terms of this Agreement or any other Loan Document, such greater or other proportion of the Lenders) and (iii) the exercise by the Administrative Agent or the Collateral Agent of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Secured Parties.

The Administrative Agent or the Borrowers may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

Section 9.02 Waivers; Amendments. (a) No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Collateral Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on any Borrower in any case shall entitle such Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.20 with respect to any Incremental Credit Facility Amendment, in Section 2.21 with respect to any Refinancing Amendment, in Section 2.24 with respect to an Extension Offer, in Section 9.02(d) with respect to any amendment in respect of Replacement Term Loans and in Section 9.02(i) and 9.02(l), in Section 9.16 or as otherwise specifically provided below or otherwise provided herein or in a Loan Document, neither any Loan Document nor any provision thereof may be waived, amended or modified except, in the case of

this Agreement, pursuant to an agreement or agreements in writing entered into by each Borrower and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto (except as otherwise expressly provided therein), in each case with the consent of the Required Lenders (other than with respect to any amendment, modification or waiver contemplated in clauses (i), (ii) (iii), (vii), (viii), (ix) and (x) of this Section 9.02(b), which shall require only the consent of the Lenders expressly set forth therein and not the Required Lenders); provided that (1) no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent in Section 4.01 or Section 4.02 of this Agreement or the waiver of any covenant, Default, Event of Default or mandatory prepayment or reductions shall not constitute an increase of any Commitment of a Lender), (ii) reduce or forgive the principal amount of any Loan owed to a Lender or, subject to Section 2.14 and the proviso in the definition of "Term SOFR", reduce the rate of interest thereon owed to such Lender, or reduce any fees or premiums payable hereunder owed to such Lender, without the written consent of such Lender directly and adversely affected thereby; provided that any waiver of any Default or Event of Default or default interest, waiver of a mandatory prepayment or any modification, waiver or amendment to the financial covenant definitions or financial ratios or any component thereof in this Agreement shall not constitute a reduction or forgiveness in the interest rates or the fees or premiums for purposes of this clause (ii), (iii) except as otherwise provided hereunder, including pursuant to Refinancing Amendments or Section 2.24, postpone the scheduled maturity of any Loan, or the date of any scheduled repayment (but not prepayment) of the principal amount of any Term Loan under Section 2.10 or the applicable Incremental Credit Facility Amendment, or any date for the payment of any interest, fees or premiums payable hereunder, or reduce or forgive the amount of, waive or excuse any such repayment (but not prepayment), or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby (it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, covenant, Default, Event of Default, waiver of default interest, mandatory prepayment or mandatory reduction of the Commitments shall constitute a postponement of any date scheduled for the payment of principal or interest or an extension of the final maturity of any Loan or the scheduled termination date of any Commitment), (iv) change any of the provisions of this Section 9.02(b) or reduce the percentage set forth in the definition of the term "Required Lenders" or reduce the percentage in any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required (including pursuant to clause (z) of the proviso to definition of "Required Lenders") to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender directly and adversely affected thereby (or each Lender of such Class directly and adversely affected thereby, as the case may be) (it being understood that, other than as specifically provided in this Agreement, including pursuant to (w) Section 9.02(d) with respect to Replacement Term Loans, (x) any Incremental Credit Facility Amendment (the consent requirements for which are set forth in Section 2.20), (y) a Refinancing Amendment (the consent requirements for which are set forth in Section 2.21) and (z) an Extension Offer pursuant to Section 2.24, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders or a particular Class of Lenders on substantially the same basis as the Term Loans and Revolving Commitments on the Closing Date), (v) release all or substantially all of the value of the Guarantees under the Guaranties (except as

provided herein or in the applicable Loan Document, including, but not limited to, pursuant to a transaction permitted under Section 6.03 or Section 6.05), without the written consent of each Lender, (vi) release all or substantially all the Collateral from the Liens of the Security Documents (except as provided herein or in the applicable Loan Document, including, but not limited to, pursuant to a transaction permitted under Section 6.03 or Section 6.05), without the written consent of each Lender (it being understood that any subordination of a lien permitted hereunder shall not constitute a release of a lien under this Section and the granting of any pari passu liens in connection with the incurrence of debt or the granting of liens otherwise permitted hereunder from time to time (including pursuant to amendments) shall not constitute a release of liens), (vii) amend, waive or otherwise modify any pro rata payment or sharing requirement of this Agreement (including those set forth in Section 2.18 or the payment waterfall provisions of Section 7.03, in each case, without the written consent of each Lender directly and adversely affected thereby (it being understood that any Lender declining payment or reducing a payment made to them is "directly and adversely affected"), (viii) [reserved], (ix) decrease the amount of any mandatory prepayment to be received by the Specified Term Lenders hereunder in a manner disproportionately adverse to the interests of such Class in relation to the Lenders of any other Class of Term Loans, in each case without the written consent of Lenders holding more than 50% of the sum of (x) the outstanding principal amount of Specified Term Loans and (y) the Unused Delayed Draw Term Commitments or (x) change the definition of "Alternative Currency" except as set forth in Section 1.14, or (2) in connection with an amendment that addresses solely a re-pricing transaction in which any Class of Term Loans is refinanced with a replacement Class of term loans bearing (or is modified in such a manner such that the resulting term loans bear) a lower Yield (a "Permitted Repricing Amendment"), only the consent of the Lenders holding Term Loans subject to such permitted repricing transaction that will continue as Lenders in respect of the repriced tranche of Term Loans or modified Term Loans; provided, further, that no such agreement shall directly adversely amend or modify the rights or duties of the Administrative Agent or the Collateral Agent without the prior written consent of the Administrative Agent or the Collateral Agent, as the case may be. In the event an amendment to this Agreement or any other Loan Document is effected without the consent of the Administrative Agent or the Collateral Agent (to the extent permitted hereunder) and to which the Administrative Agent or the Collateral Agent is not a party, the Borrower Representative shall furnish a copy of such amendment to the Administrative Agent. Notwithstanding the foregoing, no Lender consent is required to effect any amendment, modification or supplement to any intercreditor agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted to be secured by the Collateral, including any Incremental Term Loan or Incremental Revolving Loan, any Additional Debt, any Other Term Loan, Other Revolving Loan or Other Revolving Commitments, Extended Term Loans, Extended Revolving Loans, and Permitted First Priority Replacement Debt or Permitted Second Priority Replacement Debt, for the purpose of adding the holders of such Indebtedness (or their senior representative) as a party thereto and otherwise causing such Indebtedness to be subject thereto, in each case as contemplated by the terms of such intercreditor agreement or arrangement permitted under this Agreement, as applicable, together with any immaterial changes and other modifications, in each case, in form and substance reasonably satisfactory to the Collateral Agent (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior Liens may be secured by Liens that are pari passu with, or junior in priority to, other Liens that are junior to the Liens securing the Obligations).

(c) In connection with any proposed amendment, modification, waiver or termination (a "Proposed Change") requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders (and, to the extent any Proposed Change requires the consent of Lenders holding Loans of any Class pursuant to clause (iv), (ix) or (x) of paragraph (b) of this Section 9.02, the consent of a majority in interest of the outstanding Loans and unused Commitments of such Class) (or, in the case of a consent, waiver or amendment involving directly and adversely affected Lenders, at least 50.1% of such directly and adversely affected Lenders) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section 9.02 being referred to as a "Non-Consenting Lender"), then, the Borrower Representative may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, (i) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (a) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), plus, if the Non-Consenting Lender is a Lender with Term Loans being required to assign Term Loans under this Section 9.02(c) due solely to its failure to waive, postpone or reduce the prepayment premium set forth in Section 2.11(a), the payment by the assignee of such prepayment premium as if such Term Loans subject to such assignment were subject to transaction that would trigger such prepayment premium, (b) the Borrowers or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in clause (b)(ii) of Section 9.04 and (c) such assignee shall have consented to the Proposed Change or (ii) terminate the Commitment of such Lender and repay all Obligations of the Borrowers due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date; provided that in the case of any such termination of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders and terminated Lenders after giving effect hereto) to cause the adoption of the applicable departure, waiver or amendment of the Loan Documents.

(d) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, in connection with Section 2.21, this Agreement may be amended (or amended and restated) solely with the written consent of the Administrative Agent, the Holding Companies, the Borrowers and the Lenders providing the relevant Replacement Term Loans (as such term is defined below) to permit the refinancing of all or any portion of any Class of Term Loans outstanding as of the applicable date of determination (the "Refinanced Term Loans") with a replacement term loan tranche hereunder (the "Replacement Term Loans"), provided that (i) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans plus premiums, accrued interest, fees and expenses in connection therewith, (ii) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, unless the any such higher Applicable Margin applies after the Term Loan Maturity Date, (iii) the Weighted Average Life to Maturity and final maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity and final maturity of such Refinanced Term Loans at

the time of such refinancing (without giving effect to nominal amortization for periods where amortization has been eliminated as a result of a prepayment of the applicable Refinanced Term Loans), (iv) the mandatory prepayment and optional prepayment provisions of the Replacement Term Loans shall not require more than pro rata payments and may permit optional prepayments and mandatory prepayments to be paid in respect of the Term Loans not constituting Refinanced Term Loans, and (v) the covenants, events of default and guarantees shall be not materially more restrictive (taken as a whole) (as determined in good faith by the Borrower Representative) to the Lenders providing such Replacement Term Loans than the covenants, events of default and guarantees applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants, events of default and guarantees applicable to any period after the maturity date in respect of the Refinanced Term Loans in effect immediately prior to such refinancing.

(e) The Lenders and all other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall, at the sole cost and expense of the Borrowers, be automatically released (i) upon the occurrence of the Termination Date of this Agreement, (ii) upon the sale or other disposition of such Collateral (as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Loan Party, in connection with any other sale or disposition resulting in any Collateral becoming Excluded Property or Foreign Excluded Assets, in each case, to the extent such sale or other disposition is made in compliance with the terms of this Agreement, (iii) to the extent such Collateral is comprised of property leased to a Loan Party, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 9.02), (v) to the extent such property constitutes (with respect to Loan Parties organized within the United States (or any state or territory thereof) or Canada) Excluded Property, (with respect to Loan Parties organized outside the United States (or any state or territory thereof) or Canada)) other Foreign Excluded Assets or other assets not required to be Collateral pursuant to the applicable Security Document, (vi) to the extent the property constituting such Collateral is owned by any Loan Party, upon the release of such Loan Party from its obligations under the Guaranty (in accordance with the following sentence) to the extent such release of a Loan Party is made in compliance with the terms of this Agreement and (vii) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Loan Documents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent comprised of (with respect to Loan Parties organized within the United States (or any state or territory thereof) or Canada)) Excluded Property, (with respect to Loan Parties organized outside the United States (or any state or territory thereof) or Canada)) other Foreign Excluded Assets or other assets not required to be Collateral pursuant to the applicable Security Document or otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders, and all other Secured Parties, hereby irrevocably agree that each Loan Party shall be released from the Guaranty upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary. The Lenders, and all other Secured Parties, hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Loan Party's

Guarantee under the Guaranty or its Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender or other Secured Party.

(f) No Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders pursuant to Section 9.02(b)(v) or 9.02(b)(vi) or each directly and adversely affected Lender pursuant to Section 9.02(b)(ii) or 9.02(b)(iii), shall, in each case, require the consent of such Defaulting Lender.

(g) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, in connection with Section 2.24, this Agreement may be amended (or amended and restated) solely with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(h) In connection with the issuance of Replacement Term Loans or any replacement credit facility, then, the Borrower Representative may, at its sole expense and effort, upon notice to any applicable Lender and the Administrative Agent, (i) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations; provided that (a) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (b) the Borrowers or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in clause (b)(ii) of Section 9.04 or (ii) terminate the Commitment of such Lender and repay all Obligations of the Borrowers due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date.

(i) Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended solely with the consent of the Administrative Agent and the Borrowers without the need to obtain the consent of any other Lender if such amendment is delivered in order to correct or cure (x) ambiguities, errors, omissions or defects, (y) to effect administrative changes of a technical or immaterial nature or (z) incorrect cross-references or similar inaccuracies in this Agreement or the applicable Loan Document. Guarantees, collateral documents, security documents, intercreditor agreements, and related documents executed in connection with this Agreement may be in a form reasonably determined by the Administrative Agent or the Collateral Agent, as applicable, and may be amended, modified, terminated or waived, and consent to any departure therefrom may be given by the Administrative Agent or the Collateral Agent, as applicable, without the consent of any Lender. The Borrowers and the Administrative Agent may,

without the consent of any other Lender, effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Borrowers and the Administrative Agent to effect the provisions of Section 2.20, Section 2.21 and Section 2.24.

(j) Subject to the provisos of this paragraph, for purposes of any amendment, modification, waiver or consent (other than pursuant to Sections 9.02(b)(i), (ii), (iii), (iv) or any amendment, modification, waiver or consent that directly and adversely affects any Affiliated Lender in its capacity as a Lender disproportionately in relation to other affected Lenders) under any Loan Document, any Loans held by an Affiliated Lender (other than any Affiliated Institutional Lender) shall be automatically deemed to be voted in the same proportion as all other Lenders who are not Affiliated Lenders; provided that (a) in the event that any proceeding under the Bankruptcy Code shall be instituted by or against any Borrower, each Affiliated Lender (other than any Affiliated Institutional Lender) shall acknowledge and agree that they are each "insiders" under Section 101(31) of the Bankruptcy Code and, as such, the claims associated with the Loans and Commitments owned by it shall not be included in determining whether the applicable class of creditors holding such claims has voted to accept a proposed plan for purposes of Section 1129(a)(10) of the Bankruptcy Code; (b) alternatively, to the extent that the foregoing designation is deemed unenforceable for any reason, each Affiliated Lender (other than any Affiliated Institutional Lender) shall vote in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not Affiliated Lenders, except to the extent that any plan of reorganization proposes to treat the Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliated Lenders and (c) for purposes of this paragraph, for the avoidance of doubt, Affiliated Lenders shall be deemed to not include Affiliated Institutional Lenders (and the foregoing limitations shall not apply in respect of Affiliated Institutional Lenders).

(k) Notwithstanding anything to the contrary herein, in connection with any amendment, modification, waiver or consent hereunder, in no event shall Affiliated Institutional Lenders exclusively constitute Required Lenders in and of themselves.

(l) Notwithstanding anything to the contrary herein, other than in connection with any "debtor-in-possession" financing under any Debtor Relief Laws, subordination of (a) the Liens on the Collateral securing any of the Obligations in respect of the Loans to the Liens securing any other Indebtedness or (b) any of the Obligations in respect of the Loans in right of payment to any other Indebtedness (any such other Indebtedness, to which such Liens securing any of the Obligations or such Obligations, as applicable, are subordinated, "Senior Indebtedness"), in either the case of (a) or (b) or the amendment of this Section 9.02(l), shall require the consent of all Lenders adversely affected thereby, unless such Lenders have been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the amount of such Obligations that are adversely affected thereby held by each Lender and calculated immediately prior to any applicable amendment or incurrence of Senior Indebtedness) of the Senior Indebtedness on the same terms (other than bona fide backstop fees, any arrangement or restructuring fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction (such fees and expenses, "Ancillary Fees") as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other

than Ancillary Fees) of the Senior Indebtedness afforeded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness pursuant to a written offer much to such Lenders describing the material terms of the arrangements pursusnat to which the Senior Indebtedness is to be provided, which offer shall remain open to such Lenders for a period of not less than ten (10) Business Days; *provided*, *however* that any such Lender that does not accept an offer to provide its pro rata share of such Senior Indebtedness within the later of ten (10) Business Days or the time specified for acceptance of such offer being made, such Lender shall be deemed to have declined such offer; *provided, further* that any such Lender may designate one or more of its Affiliates to provide such Senior Indebtedness on its behalf.

(m) Notwithstanding anything to the contrary contained in this Section 9.02, the Administrative Agent and the Borrowers shall be permitted to amend or otherwise modify any provision of this Agreement or any other Loan Documents that may be necessary or advisable, in their reasonable discretion, to ensure that each Specified Term Loan is and remains fungible with all other Specified Term Loans. The Administrative Agent shall notify the Lenders of such amendment and such amendment shall become effective five Business Days after such notification unless the Required Lenders object to such amendment in writing delivered to the Administrative Agent prior to such time.

Section 9.03 Expenses; Indemnity; Damage Waiver. (a) The Borrower Representative shall pay or reimburse, or cause to be paid or reimbursed, within thirty (30) days after receipt of reasonably detailed documentation therefor, all reasonable and documented out-of-pocket expenses incurred by the Agents and the Lenders (and each of their respective Affiliates and controlling persons and other representatives of each of the foregoing and their respective successors) (including the reasonable fees, charges and disbursements of a single lead counsel, a single local counsel in each relevant jurisdiction, and any relevant regulatory or other specialist counsel, in each case, for each of (x) the Administrative Agent and the Collateral Agent (taken as a whole) and (y) the Lenders (taken as a whole) and, in the event an actual or perceived conflict of interest as between any Lenders, a single additional counsel (including local counsel in each relevant jurisdiction) to the similarly affected parties (taken as a whole)) in connection with (i) the enforcement or protection of any rights under this Agreement or any other Loan Documents, including rights under this Section, or in connection with the Loans made and (ii) the syndication, preparation, execution, delivery and administration of the Loan Documents and any amendment, modification, forbearance or waiver with respect thereto; provided that the Borrowers shall not be obligated to pay for any third-party advisor or consultants (in addition to those set forth hereinabove), except following an Event of Default with respect to which Loans have been accelerated or any Agent or the Required Lenders are pursuing remedies (or have entered into a forbearance agreement with respect thereto).

(b) Without duplication of the expense reimbursement obligations pursuant to paragraph (a) above, the Borrowers shall jointly and severally indemnify the Administrative Agent, the Collateral Agent, the other Agents and each Lender (and each of their respective Affiliates and controlling persons and their respective officers, directors, employees, partners, advisors and agents and other representatives of each of the foregoing and their respective successors, each such Person being called an "Indemnitee"), against, and hold each Indemnitee harmless from, any and all actual losses, disputes, claims, damages, investigations, litigation, proceedings, actual liabilities and any and all reasonable and documented out-of-pocket costs and

related expenses, excluding lost profits, but (i) including the reasonable and documented fees, charges and disbursements of counsel (including a single lead counsel, a single local counsel in each relevant jurisdiction and any relevant regulatory or other specialist counsel, in each case, for each of (x) the Administrative Agent and the Collateral Agent (taken as a whole) and (y) the Lenders (taken as a whole) and, in the event an actual or perceived conflict of interest arises as between any Lenders, a single additional counsel (plus local counsel in each relevant jurisdiction) to the similarly affected parties (taken as a whole)), (ii) including those arising from or relating to any actual presence or Release of Hazardous Materials on any property currently or formerly owned or operated by any Borrower or any Subsidiaries or any Environmental Liability related in any way to any Borrower or any Subsidiaries and (iii) excluding any allocated costs of in-house counsel, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of the execution or delivery of any Loan Document or any other agreement or instrument contemplated thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of any transactions contemplated thereby, whether or not any such Indemnitee shall be designated as a party or a potential party thereto and whether or not such matter is initiated by any Holding Company, any Borrower or any of their respective Affiliates or shareholders, and any fees or expenses incurred by Indemnitees in enforcing this indemnity (collectively, the "Indemnified Liabilities"); provided that, no Indemnitee will be indemnified (a) for its (or any of its Related Parties) willful misconduct, bad faith or gross negligence (to the extent determined in a final non-appealable order of a court of competent jurisdiction), (b) for its (or any of its Related Parties) material breach of its obligations under the Loan Documents (excluding all actions taken by any Agent (I) at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as Agent shall reasonably believe are necessary) or as requested by the Borrowers or the other Loan Parties and (II) in connection with or ancillary to the consummation of the Closing Date Transactions (including, for the avoidance of doubt, entry into the Second Lien Intercreditor Agreement)) (to the extent determined in a final non-appealable order of a court of competent jurisdiction), (c) for any dispute among Indemnitees that does not involve an act or omission by any Holding Company, any Borrower or any Restricted Subsidiary (other than any claims against an Agent in their capacity as such and subject to clause (a) above) or (d) any settlement effected without the Borrower Representative's prior written consent, but if settled with the Borrower Representative's prior written consent (not to be unreasonably withheld or delayed) or if there is a final judgment against an Indemnitee in any such proceedings, the Borrowers will indemnify and hold harmless each Indemnitee from and against any and all actual losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with this Section.

(c) To the extent that a Borrower fails to pay any amount required to be paid by it to the Administrative Agent or the Collateral Agent under paragraph (a) or (b) of this Section, and without limiting the Borrowers' obligation to do so, each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Collateral Agent in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon (i) in the case of unpaid amounts owing to the Administrative Agent, its share of the aggregate Revolving Exposures and unused Revolving Commitments at the time and (ii) in the case of unpaid amounts owing to the Administrative Agent,

its share of the outstanding Term Loans and unused Term Commitments at the time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph (c)).

(d) To the extent permitted by applicable law, none of the Holding Companies, the Borrowers, any Agent, any Lender, any other party hereto or any Indemnitee shall assert, and each such Person hereby waives and releases, any claim against any other such Person, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any or any agreement or instrument contemplated hereby or referred to herein, the use or proposed used of the proceeds thereof, the transactions contemplated hereby or thereby, or any act or omission or event occurring in connection therewith, and each such Person further agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that the foregoing shall in no event limit the Borrowers' indemnification obligations under clause (b) above.

(e) In case any proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Borrower Representative of the commencement of any proceeding; provided, however, that the failure to do so will not relieve a Borrower from any liability that it may have to such Indemnitee hereunder, except to the extent that such Borrower is materially prejudiced by such failure.

(f) Notwithstanding anything to the contrary in this Agreement, no party hereto or any Indemnitee shall be liable for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems (including IntraLinks, SyndTrak or LendAmend), in each case, except to the extent any such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of, or material breach of this Agreement or the other Loan Documents by, such Indemnitee (or its officers, directors, employees, Related Parties or Affiliates) (excluding all actions taken by any Agent (I) at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as Agent shall reasonably believe are necessary) or as requested by the Borrowers or the other Loan Parties and (II) in connection with or ancillary to the consummation of the Closing Date Transactions (including, for the avoidance of doubt, entry into the Second Lien Intercreditor Agreement)).

(g) Except to the extent otherwise expressly provided herein, all amounts due under this Section 9.03 shall be payable within thirty (30) days after receipt by the Borrower Representative of reasonably detailed documentation therefor.

(h) This Section 9.03 shall not apply to Taxes, except for Taxes which represent costs, losses, claims, etc. with respect to a non-Tax claim.

Section 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as otherwise permitted herein, no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any such attempted assignment or transfer by a Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04 (and any attempted assignment or transfer by such Lender otherwise shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (solely to the extent provided in paragraph (c) of this Section 9.04) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the express conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably conditioned, withheld or delayed) of the Borrower Representative; provided that no consent of the Borrower Representative shall be required for (x) an assignment of (i) all or any portion of a Revolving Loan or Revolving Commitment to a Revolving Lender or (ii) all of any portion of a Term Loan or Term Commitment to a Lender, an Affiliate of a Lender or an Approved Fund (as defined below), or (y) if any Specified Event of Default has occurred and is continuing, any other assignee, and provided that the Borrower Representative shall be deemed to have consented to any such assignment of Term Loans or Term Commitments unless the Borrower Representative shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after a Responsible Officer of the Borrower Representative receives written notice of such proposed assignment, and (C) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan or Term Commitment to a Lender, an Affiliate of a Lender, any Affiliated Lender or an Approved Fund or pursuant to Section 2.11(i).

(ii) Assignments shall be subject to the following additional express conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or to an Affiliated Lender, or pursuant to Section 2.11(i), an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement) with respect to such assignment is delivered to the Administrative Agent) shall be in an amount of an integral multiple of $1,000,000, in the case of a Term Commitment or Term Loan, or $1,000,000, in the case of a Revolving Loan or Revolving Commitment, unless the Borrower Representative and the Administrative Agent otherwise consent (such consent not to be unreasonably withheld or delayed); provided that no such consent of the Borrower Representative shall be required if any Specified Event of Default has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning

Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement), via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement), together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent and shall be waived in the case of an assignment by a Lender to its Affiliate); provided that assignments made pursuant to Section 2.19, Section 9.02(c) or Section 9.02(h) shall not require the signature of the assigning Lender to become effective and (D) the assignee, if it shall not be a Lender or Affiliated Lender, shall deliver to the Administrative Agent an Administrative Questionnaire (in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws) and any tax forms required by Section 2.17(e).

For purposes of paragraph (b) of this Section, the term "Approved Fund" has the following meaning:

"Approved Fund" means, with respect to any Lender, any Person (other than a natural person) that is engaged in making, purchasing, holding or otherwise investing in commercial loans and similar extensions of credit in the ordinary course of its activities and is administered, advised or managed by (i) such Lender, (ii) an Affiliate of such Lender or (iii) an entity or an Affiliate of an entity that advises or manages such Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement), the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement), have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement), be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement) covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.15, Section 2.16, Section 2.17 and Section 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid).

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and

Assumption (or Affiliated Lender Assignment and Assumption Agreement) delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and related interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Holding Companies, the Borrowers, the Administrative Agent, and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available (electronically or otherwise at the Administrative Agent's discretion) for inspection by the Borrowers and, with respect to its own interests only, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 9.04(b)(iv) shall be construed so that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(v) Upon its receipt of a duly completed Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement) executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(e), as applicable (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section (to the extent required) and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement) and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) The words "execution," "signed," "signature" and words of like import in any Assignment and Assumption or Affiliated Lender Assignment and Assumption Agreement or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(vii) Notwithstanding anything to the contrary contained in this Agreement, but subject in all respects to the last paragraph of this Section 9.04(b), any assignment pursuant to this Section 9.04 by a Lender of its Loans or Commitments to any Affiliated Lender (and, in the case of clause (D)(I) below, to any Affiliated Institutional Lender) (it being understood that with respect to purchases pursuant to Section 2.11(i), this Section shall not be applicable) shall be subject to the following additional conditions:

(A) the assigning Lender and Affiliated Lender purchasing such Lender's Loans and/or Commitments shall execute and deliver to the

Administrative Agent an Affiliated Lender Assignment and Assumption Agreement;

(B) any Loans or Commitments acquired by any Holding Company, any Borrower or any other Subsidiary shall be retired and cancelled immediately upon the acquisition thereof;

(C) each Affiliated Lender hereby agrees that notwithstanding anything to the contrary herein, it may not (A) attend (including by telephone) any meeting or discussions (or portion thereof) among any Agent or any Lender to which representatives of any Borrower are not invited or then present, or (B) have access to the Platform or receive any information or material prepared by any Agent or any Lender or any communication by or among any Agent and/or one or more Lenders, except to the extent such information or materials have been made available to any Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant hereto);

(D) (I) Revolving Commitments and Revolving Loans may not be assigned to any Affiliated Lenders (including, for the avoidance of doubt, any Holding Company, any Borrower and any other Subsidiary) or Affiliated Institutional Lenders or Persons who will become Affiliated Lenders or Affiliated Institutional Lenders upon completion of the relevant assignment, and no Affiliated Lender or Affiliated Institutional Lenders or Person who will become an Affiliated Lender or an Affiliated Institutional Lender upon completion of the relevant assignment shall be permitted to purchase any Revolving Commitments or Revolving Loans, (II) no proceeds of Revolving Commitments or Revolving Loans may be used by any Affiliated Lender or Person who will become an Affiliated Lender upon completion of the relevant assignment to effect any permitted assignments to it or purchase such commitments or loans, (III) the maximum aggregate principal amount of Term Loans and Commitments held by all Affiliated Lenders at the time of the proposed assignment (after giving effect thereto) may not exceed 25% of the aggregate principal amount of Term Loans then outstanding and (IV) without limiting the foregoing, Affiliated Lenders and Persons who will become Affiliated Lenders upon completion of the relevant assignment may (but are not required to) acquire Term Loans through Auctions conducted pursuant to Section 2.11(i) as if it were an Auction Party thereunder (provided that Term Loans acquired by Affiliated Lenders and Persons who will become Affiliated Lenders upon completion of the relevant assignment through an Auction do not need to be canceled in accordance with Section 2.11(i) unless contributed to the Borrowers in accordance with subsection (E) below);

(E) any Affiliated Lender (other than Ultimate Parent or any Subsidiary) may, with the consent of the Borrower Representative and with written notice to the Administrative Agent, contribute any of its Term Loans to Ultimate Parent, the Borrowers or any of their respective Restricted Subsidiaries and, to the extent agreed with the Borrowers, may in return receive (1) loans or Qualified Equity

Interests of Ultimate Parent or any Holding Company (to the extent not constituting a Change in Control) to the extent not prohibited to be issued pursuant to Article VI hereunder or (2) to the extent not prohibited to be incurred herein pursuant to Section 6.01, an unsecured loan from the Borrowers that (v) does not have a cash interest rate in excess of the interest rate applicable to the Loans so contributed by such Affiliated Lender plus 3.0%, (w) is subordinated in right of payment to the Obligations of the Borrowers on terms reasonably satisfactory to the Administrative Agent, (x) is not subject to any scheduled amortization, redemption, sinking fund or similar payment and does not have a final maturity, in each case, on or before the date that is 91 days after the Latest Maturity Date applicable to the Term Loans at the time of the contribution, (y) does not include any financial maintenance covenants and (z) does not include any covenant, default or other agreement that is more restrictive (taken as a whole) on the Loan Parties in any material respect than any comparable covenant in this Agreement. Any Term Loans so contributed pursuant to this subsection shall, without further action by any Person, be deemed cancelled for all purposes and no longer outstanding (and may not be resold by the Borrowers), for all purposes of this Agreement and all other Loan Documents, including, but not limited to (A) the making of, or the application of, any payments to the Lenders under this Agreement or any other Loan Document, (B) the making of any request, demand, authorization, direction, notice, consent or waiver under this Agreement or any other Loan Document or (C) the determination of Required Lenders, or for any similar or related purpose, under this Agreement or any other Loan Document. In connection with any Term Loans so cancelled pursuant to this subsection, the Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation. Any gains from the cancellation of such Term Loans shall not increase the Available Amount or Consolidated EBITDA for any purpose hereunder. The cancellations contemplated by this subsection shall be deemed to be voluntary prepayments by the Borrowers pursuant to Section 2.11(a), and the principal amount of any such Term Loans so cancelled shall be applied to the Term Loans of the Lender from whom they were purchased as directed by the Borrower Representative; and

(F) none of the Borrowers nor any of its Affiliates shall be required to make any representation that it is not in possession of material nonpublic information with respect to Ultimate Parent, any Borrower, any of their respective subsidiaries or their respective securities.

(viii) Notwithstanding the foregoing, (i) in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of Term Loans held by Affiliated Lenders, (ii) in no event shall any Affiliated Institutional Lender be required to comply with (or otherwise be subject to) the terms of this clause (vii) and (iii) no Affiliated Lender shall be required to make a representation that it is not in possession of material nonpublic information with respect to Ultimate Parent, the Borrowers, any of their respective Subsidiaries or their respective securities. Each Affiliated Lender (other than any Affiliated Institutional Lenders) agrees to notify the Administrative Agent promptly (and in any event within 10 Business Days) if it acquires

any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender (other than any Affiliated Institutional Lenders). Such notice shall contain the type of information required and be delivered to the same addressee as set forth in an Affiliated Lender Assignment and Assumption Agreement.

(c) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person, Ultimate Parent and their Subsidiaries, an Affiliated Institutional Lender or any Defaulting Lender(a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) the Borrowers, the Administrative Agent, and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (D) such Person shall not be entitled to exercise any rights of a Lender under the Loan Documents.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (ii), (iii), (iv), (v), (vi) or (vii) of the first proviso to Section 9.02(b) that directly or adversely affects such Participant. Subject to the paragraph below, each Borrower agrees that each Participant shall be entitled to the benefits of Section 2.15, Section 2.16 and Section 2.17 (subject to the limitations and requirements of such Sections, including Section 2.17(e) (it being understood that the documentation required under Section 2.17(e) shall be delivered to the participating Lender) and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that any Loans are in registered form for U.S. federal income tax purposes. The entries in the Participant Register shall be conclusive absent manifest error, and the Borrowers and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. This Section shall be construed so that the Loan Documents are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

A Participant shall not be entitled to receive any greater payment under Section 2.15, Section 2.16 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent the right to a greater payment results

from a Change in Law after the Participant becomes a Participant or the sale of the participation to such Participant is made with the Borrower Representative's prior written consent.

(d) Any Lender may, without the consent of the Borrower Representative or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank and including any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender (including to any trustee for, or any other representative of, such holders) (such holders, each a "Lender Financing Source"), and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle organized and administered by such Granting Lender (an "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers, the option to provide to the Borrowers all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrowers pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof; provided that each Lender designating any SPV hereby agrees to indemnify and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPV during such period of forbearance. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrowers and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower Representative and the Administrative Agent), providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) subject to Section 9.13, disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. The Borrowers agree that each SPV shall be entitled to the benefits of Section 2.15 and Section 2.17 (subject to the limitations and requirements of such Sections, including Section 2.17(e), and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. An SPV shall not be entitled to receive any greater payment under Section

2.15 or Section 2.17 than the applicable Granting Lender would have been entitled to receive with respect to the interest granted to such SPV, except to the extent the right to a greater payment results from a Change in Law after the date of the grant to such SPV, or the grant to such SPV is made with the Borrower Representative's prior written consent. For the avoidance of doubt, to the extent the SPV holds all or any portion of any Loan in accordance with the provisions of this Section 9.04(e), such SPV shall be identified on the Register with respect to such Loan.

(f) No such assignment shall be made (A) to any Defaulting Lender or any of its subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (A), or (B) to a natural person.

(g) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other express conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower Representative and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(h) [reserved].

(i) The Borrowers may require any Lender to assign its Loans and Commitments in accordance with Section 2.21.

Section 9.05 Survival. All representations and warranties made by the Loan Parties herein and in the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder.

Section 9.06 Counterparts; Integration. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings,

oral or written, relating to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Holding Companies, the Borrowers, the Administrative Agent, nor any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or electronic transmission (including Adobe pdf file) shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 9.07, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender (and each of their respective Affiliates) is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent and the Required Lenders, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency, but not any tax accounts, trust accounts, withholding or payroll accounts) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of the Borrowers against any and all of the Obligations of the Borrowers now or hereafter existing under this Agreement held by such Lender, but only to the extent then due and payable; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Each Lender agrees promptly to notify the Borrower Representative and the Administrative Agent of such setoff and application made by such Lender; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section 9.08. None of any Agent or any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to Administrative Agent or Lenders (or to Administrative Agent, on behalf of Lenders), or any Agent or Lender enforces any security interests or exercises any right of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver, interim receiver, receiver-manager or any other party under any Debtor Relief Law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full

force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

Section 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York, without regard to conflict of laws principles thereof to the extent such principles would cause the application of the law of another state.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document (other than with respect to any Security Document to the extent expressly provided otherwise therein), or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such Federal court (other than with respect to any Security Document to the extent expressly provided otherwise therein). Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Notwithstanding the foregoing, nothing in any Loan Document shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against the Holding Companies, the Borrowers or their respective property in the courts of any jurisdiction.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(e) Without limiting the foregoing, each of the Loan Parties (other than any Loan Party organized under the laws of the United States or any State thereof or the District of Columbia) irrevocably designates, appoints and empowers as of the Closing Date, the Borrower Representative (the "Process Agent"), with an office on the Closing Date at 47448 Fremont Blvd., Fremont, CA 94538, as its authorized designee, appointee and agent to receive, accept and acknowledge on its behalf and for its property, service of copies of the summons and complaint and any other process which may be served in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party or for recognition and enforcement of any judgment in respect thereof; such service may be made by mailing or delivering a copy of such process to such Loan Party in care of the Process Agent at the Process Agent's above address,

and each such Loan Party hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf. The Borrower Representative irrevocably accepts such designation and appointment and agrees to act as the Process Agent for each of the Loan Parties as contemplated by this Section 9.09(e). Each of the Loan Parties (other than any Loan Party organized under the laws of the United States or any State thereof or the District of Columbia) further agrees to take any and all such action as may be necessary to maintain the designation and appointment of the Process Agent in full force in effect for a period of three years following the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder (other than contingent amounts not then due and payable); provided, that if the Process Agent shall cease to act as such, each such Loan Party agrees to promptly designate a new authorized designee, appointee and agent in New York City on the terms and for the purposes reasonably satisfactory to the Administrative Agent hereunder.

Section 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

Section 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12 Confidentiality. Each of the Administrative Agent, the other Agents, and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, trustees, officers, employees and agents, including accountants, legal counsel, other advisors, and any numbering, administration or settlement service providers on a "need to know" basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, provided that the relevant Lender shall be responsible for such compliance and non-compliance), (b) to the extent requested by any regulatory authority (including any self-regulatory authority), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, provided that prior notice shall have been given to the Borrower Representative, to the extent practicable and permitted by applicable laws or regulations, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to any Loan Document or the enforcement of rights thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, or (ii) any actual or prospective Lender Counterparty to any Secured Swap

Agreement relating to any Loan Party and its obligations under the Loan Documents, (g) with the written consent of the Borrowers, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any other Agent, or any Lender on a nonconfidential basis from a source other than the Borrowers (provided that the source is not actually known (after due inquiry) by such disclosing party or other confidentiality obligations owed to the Borrowers or its Affiliates, to be bound by an agreement containing provisions substantially the same as those contained in this confidentiality provision), (i) on a confidential basis to (x) any rating agency in connection with rating the Borrowers or the facilities hereunder or (y) the CUSIP Service Bureau, Clearpar or Loanserv or any similar agency in connection with the issuance and monitoring of CUSIP numbers, settlement of assignments or other general administrative functions with respect to the facilities or (j) to any Lender Financing Source (it being understood that such Lender Financing Source to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, provided that the applicable Lender shall be responsible for such compliance and non-compliance). For the purposes of this Section the term "Information" means all information received from or on behalf of the Borrowers relating to Ultimate Parent, the Borrowers or any of their respective Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent, any other Agent, or any Lender on a nonconfidential basis prior to disclosure by the Borrowers. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Lender acknowledges that Information furnished to it pursuant to this Agreement may include material non-public information concerning the Loan Parties and their respective Related Parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and that it will handle such material non-public information in accordance with those procedures and applicable law, including Federal and state securities laws.

All Information, including requests for waivers and amendments, furnished by the Borrowers or the Administrative Agent pursuant to, or in the course of administering, this Agreement will be syndicate-level Information, which may contain material non-public information about the Loan Parties and their respective Related Parties or their respective securities. Accordingly, each Lender represents to the Borrowers and the Administrative Agent that it has identified in its Administrative Questionnaire a credit contact who may receive Information that may contain material non-public information in accordance with its compliance procedures and applicable law.

Section 9.13 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan or participation therein under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan or participation therein in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the

Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or participation therein but were not payable as a result of the operation of this Section 9.13 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or participation therein or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the NYFRB to the date of repayment, shall have been received by such Lender.

Section 9.14 USA Patriot Act; Beneficial Ownership Regulation. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Beneficial Ownership Regulation and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Loan Parties in accordance with the Patriot Act and the Beneficial Ownership Regulation.

Section 9.15 Direct Website Communication. Each Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents, including all notices, requests, financial statements, financial and other reports, certificates and other information materials (all such communications being referred to herein collectively as "Communications"), by (i) posting such documents, or providing a link thereto, on such Borrower's website, (ii) such documents being posted on such Borrower's behalf on an Internet or Intranet website, if any, to which the Administrative Agent has access (whether a commercial third-party website or a website sponsored by the Administrative Agent) or (iii) by transmitting the Communications in an electronic/soft medium to the Administrative Agent at an email address provided by the Administrative Agent from time to time; provided that (i) promptly following written request by the Administrative Agent, the Borrowers shall continue to deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) the Borrower Representative shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 9.15 shall prejudice the right of the Borrowers, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address in Section 9.01 shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address. Unless the Administrative Agent otherwise

prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

Each of the Borrowers and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrowers and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

Section 9.16 Intercreditor Agreement Governs.

(a) Each Lender and Agent (i) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any intercreditor agreement entered into pursuant to the terms hereof, (ii) hereby authorizes and instructs the Collateral Agent to enter into any intercreditor agreement entered into pursuant to the terms hereof and to subject the Liens securing the Secured Obligations to the provisions thereof and (iii) hereby authorizes and instructs the Collateral Agent to enter into any intercreditor agreement that includes, or to amend any then existing intercreditor agreement to provide for, the terms described in the definition of the terms "Additional Debt," "Permitted First Priority Replacement Debt", "Permitted Second Priority Replacement Debt" or "First Lien Senior Secured Note", as applicable, or as otherwise provided for by the terms of this Agreement, including any Pari Passu Intercreditor Agreement or Second Lien Intercreditor Agreement.

(b) Notwithstanding anything to the contrary in this Agreement or in any other Loan Document: (i) the Liens granted to the Collateral Agent in favor of the Secured Parties pursuant to the Loan Documents and the exercise of any right related to any Collateral shall be subject, in each case, to the terms of, if applicable, the Pari Passu Intercreditor Agreement and the Second Lien Intercreditor Agreement, (ii) in the event of any conflict between the express terms and provisions of this Agreement or any other Loan Document, on the one hand, and of the Second Lien Intercreditor Agreement, on the other hand, the terms and, if applicable, provisions of the Pari Passu Intercreditor Agreement and the Second Lien Intercreditor Agreement shall control, and (iii) each Lender and, by its acceptance of the benefit of the Security Documents, each other Loan Party, authorizes the Administrative Agent and/or the Collateral Agent to execute any intercreditor or subordination agreement contemplated by the terms hereof, including the Pari Passu Intercreditor Agreement and Second Lien Intercreditor Agreement on behalf of such Lender, and such Lender agrees to be bound by the terms thereof.

Section 9.17 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or under any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with the normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrowers in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or the relevant Lender of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or the relevant Lender may in accordance with the normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or such Lender from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent, or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or such Lender in such currency, the Administrative Agent or such Lender agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under applicable law).

Section 9.18 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the other Agents and the making of the Loans and Commitments by the Lenders are arm's-length commercial transactions between the Borrowers and its respective Affiliates, on the one hand, and the Administrative Agent, the other Agents and the Lenders, on the other hand, (B) the Borrowers have consulted their own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) the Borrowers are capable of evaluating, and understands and accepts, the terms, risks and express conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each other Agent, and each Lender is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrowers or any of its respective Affiliates, or any other Person and (B) none of the Administrative Agent, any other Agent, or any Lender has any obligation to the Borrowers or any of their Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, the other Agents, the Lenders, and the respective Affiliates of each of the foregoing may be engaged in a broad range of transactions that involve interests that differ from those of the Borrowers and its Affiliates, and none of the Administrative Agent, any other Agent, or any Lender has any obligation to disclose any of such interests to the Borrowers or any of their Affiliates. To the fullest extent permitted by law, the Borrowers hereby agree not to assert any claims that it may have against the Administrative Agent, the other Agents or the Lenders with respect to any alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 9.19 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-in Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

Section 9.20 Swedish Security Limitations. The obligations of any Swedish Guarantor under or pursuant to this Agreement, shall, notwithstanding any provision to the contrary herein or in any other Loan Document, with respect to any Swedish Guarantor, be limited if and to the extent required by the provisions of the Swedish Companies Act (Sw. *Aktiebolagslagen (2005:551)*) regulating unlawful distribution of assets within the meaning of Chapter 17, Sections 1-4 (or its equivalents from time to time) of the Swedish Companies Act and it is understood that any obligation and/or liability of any Swedish Guarantor only applies to the extent permitted by the above mentioned provisions of the Swedish Companies Act.

Agreed Security Principles

The guarantees and security to be provided under the Loan Documents by the Ultimate Parent and the Restricted Subsidiaries of the Ultimate Parent formed outside of the United States (collectively, the "Group") will be given in accordance with the security principles set out in this Schedule (the "Agreed Security Principles"); provided that, notwithstanding anything to the contrary in the Agreed Security Principles, nothing herein shall limit or excuse the required pledge of (and provision of a first-priority perfected security interest in) 100% of the outstanding Equity Interests of Holdings in favor of the Collateral Agent by the Loan Party holding the same pursuant to the applicable Cayman Islands Collateral Document(s). This Schedule identifies the Agreed Security Principles and addresses the manner in which the Agreed Security Principles will impact on and determine the extent of the guarantees and security proposed to be provided by members of the Group in relation to the Credit Facilities.

The Agreed Security Principles embody a recognition by all parties that there may be certain legal and practical difficulties in obtaining effective or commercially reasonable guarantees and/or security from all members of the Group in each jurisdiction in which it has been agreed that guarantees and security will be granted by those members of the Group. In particular:

(i) general legal and statutory limitations (including with respect to the relevant jurisdictions for which guarantee limitation language is set out in the Loan Documents, such limitations as set out therein), regulatory restrictions, financial assistance (to the extent it cannot be "white-washed" (or equivalent)), corporate benefit, fraudulent preference, equitable subordination, "transfer pricing" or "thin capitalization", "earnings stripping", "controlled foreign corporation" (solely with respect to the Secured Obligations of the Borrower Representative) and other non-US adverse tax consequences (other than de minimis adverse tax consequences), "exchange control restrictions", "capital maintenance" rules and "liquidity impairment" rules, retention of title claims, employee consultation or approval requirements and similar principles may limit the ability of a member of the Group to provide a guarantee or security or may require that the guarantee or security be limited as to amount or otherwise and, if so, the guarantee or security will be limited accordingly, provided that, to the extent requested by the Collateral Agent before signing any applicable security document, the relevant member of the Group shall use commercially reasonable efforts (but without incurring material cost and without adverse impact on relationships with third parties (other than de minimis adverse impact)) to overcome any such obstacle or otherwise such security document shall be subject to such limit;

(ii) a key factor in determining whether or not a guarantee or security will be taken (and in respect of the security, the extent of its perfection and/or registration) is the applicable time and cost (including adverse effects on non-US taxes (other than de minimis adverse tax consequences), interest deductibility, stamp duty, registration taxes, notarial costs and all applicable legal fees), which will not be disproportionate to the benefit accruing to the Secured Parties (taking into account, amongst other things, materiality of the proposed security and relevant pledged assets in light of the security already granted) of obtaining such guarantee or security;

(iii) members of the Group will not be required to give guarantees or enter into security documents if it is not within the legal capacity of the relevant members of the Group or if it would conflict with the fiduciary or statutory duties of their directors or contravene any applicable legal, regulatory, contractual prohibition or restriction or have the potential to result in a material risk of personal or criminal liability for any director or officer of or for any member of the Group, provided that, to the extent requested by the Collateral Agent before signing any applicable security document, the relevant member of the Group shall use commercially reasonable efforts (but without incurring material cost and without adverse impact on relationships with third parties (other than de minimis adverse impact)) to overcome any such obstacle or otherwise such guarantee or security document shall be subject to such limit;

(iv) guarantees and security will be limited so that the aggregate of notarial costs and all registration and like taxes and duties relating to the provision of security will not exceed an amount to be disproportionate to the benefit accruing to the Secured Parties of obtaining such guarantee or security;

(v) where a class of assets to be secured includes material and immaterial assets, if the cost of granting security over the immaterial assets is disproportionate to the benefit of such security, security will be granted over the material assets only, with thresholds to be agreed between the Borrower Representative and the Collateral Agent and taking into account these Agreed Security Principles and the benefit to the Secured Parties;

(vi) it is expressly acknowledged that it is legally impossible to create security over certain categories of assets, and such security will not be taken over such assets;

(vii) any assets subject to a legal requirement, contracts, leases, licenses or other third party arrangement which prevent or condition those assets from being charged, secured or being subject to the applicable security document (including requiring a consent of any third party, supervisory board or works council (or equivalent)) (provided such requirement, contract, lease, license or other arrangement existed on the Closing Date or as of the date of acquisition of the applicable asset and, in each case, is not incurred in anticipation thereof (other than in the case of capital leases and purchase money financings), in each case, after giving effect to the applicable anti-assignment provisions of applicable law; and any assets which, if subject to the applicable security document, would give a third party the right to terminate or otherwise amend any rights, benefits and/or obligations with respect to any member of the Group in respect of those assets, in each case after giving effect to the applicable anti-assignment provisions of applicable law; or require the chargor to take any action materially adverse to the interests of the Group or any member thereof, provided that commercially reasonable efforts (exercised for a specified period of time) to obtain consent to charging any such assets (where otherwise prohibited) shall be used by the Group if the Collateral Agent specifies prior to the date of the security document or the date such asset is acquired, if later, that a relevant asset is material and the Borrower Representative is satisfied that such endeavors will not involve placing relationships with third parties in jeopardy, or otherwise, in each case will be excluded from a guarantee or security document;

(viii) the giving of a guarantee, the granting of security or the registration and/or perfection of the security granted will not be required if it would have a material adverse effect on the ability of the relevant member of the Group to conduct its operations and business in the ordinary course as

otherwise permitted by the Loan Documents (including dealing with the secured assets and all contractual counterparties or amending, waiving or terminating (or allowing to lapse) any rights, benefits or obligations, in each case prior to the occurrence of a Declared Default (as defined below), and any requirement under the Agreed Security Principles to seek consent of any person or take or not take any other action shall be subject to this paragraph (viii);

(ix) any security document will only be required to be notarized if required by law in order for the relevant security to become effective or admissible in evidence;

(x) no guarantee from or security will be required to be given by persons or over (and no consent shall be required to be sought with respect to) assets which are required to support acquired indebtedness to the extent such acquired indebtedness is subsisting at the time of such acquisition and not incurred in anticipation thereof and is otherwise permitted by the Loan Documents to be acquired and remain outstanding after an acquisition (and so long as the financing documentation relating to such subsisting acquired indebtedness prohibits the grant of such guarantee or security); provided that each such guarantee or security shall be provided promptly if and when such prohibition ceases to be in effect or such subsisting acquired indebtedness is repaid or becomes unsecured. No member of a target group acquired pursuant to an acquisition not prohibited by the Credit Agreement shall be required to become a Guarantor or grant security with respect to the Credit Facilities if prohibited by the terms of the documentation governing that acquired indebtedness (so long as such terms are subsisting at the time of such acquisition and not entered into in anticipation thereof) so long as the terms of the documentation governing such acquired indebtedness prohibits the grant of such security or the provision of a guarantee; provided that each such member shall, to the extent required by the Credit Agreement, become a Guarantor and grant such security if and when such prohibition ceases to be in effect or such subsisting acquired indebtedness is repaid or becomes unsecured;

(xi) to the extent possible and unless required by applicable law, there should be no action required to be taken in relation to the guarantees or security when any Lender assigns or transfers any of its participation to a new Lender (and, unless explicitly agreed to the contrary in the Credit Agreement, no member of the Group shall bear or otherwise be liable for any taxes, any notarial, registration or perfection fees or any other costs, fees or expenses that result from any assignment or transfer by a Secured Party);

(xii) no title investigations or other diligence on assets will be required and no title insurance will be required;

(xiii) to the extent legally effective, all security will be given in favor of the Collateral Agent and not the secured creditors individually (with the Collateral Agent to hold one set of security documents for all the Secured Parties); “parallel debt” provisions will be used where necessary in order to maintain the priority or perfection status of such security;

(xiv) guarantees and security will not be required from, or over the assets of, any joint venture or similar arrangement, any minority interest or any member of the Group that is not wholly-owned by another member of the Group;

(xv) the security arrangements may be subject to applicable intercreditor agreements and no security may be provided on terms which are inconsistent with the turnover or sharing provisions in the applicable intercreditor agreements;

(xvi) the relevant member of the Group shall use commercially reasonable efforts to assist in demonstrating that adequate corporate benefit accrues to each relevant member of the Group and to overcome any such other limitations to the extent not unduly burdensome;

(xvii) no guarantee or security shall guarantee or secure any "Excluded Swap Obligations" defined in accordance with the LSTA Market Advisory Update dated February 15, 2013 entitled "Swap Regulations' Implications for Loan Documents", and any update thereto by the LSTA, in any case, after giving effect to any "keepwell" provisions referred to therein;

(xviii) other than a general security agreement and related filing, no perfection, filing or other action will be required with respect to assets not owned by members of the Group;

(xviii) the granting or perfection of security, when required, and other legal formalities will be completed as soon as practicable and, in any event, within the time periods specified in the Loan Documents therefor or (if earlier or to the extent no such time periods are specified in the Loan Documents) within the time periods specified by applicable law in order to ensure due perfection;

(xx) security will not be required over any assets subject to security in favor of a third party (but only if such security is not prohibited by the Credit Agreement and only for so long as such third party security prohibits the grant of such security) or any cash constituting regulatory capital or customer cash (and such assets or cash shall be excluded from any relevant security document); and

(xxi) no member of the Group will be required to take any action in relation to any guarantees or security as a result of any assignment or transfer by a Lender.

2. Guarantees

Subject to the guarantee limitations set out in the Loan Documents, each guarantee will be an upstream, cross-stream and downstream guarantee for all liabilities of the Guarantors under the Loan Documents in accordance with, and subject to, the requirements of these Agreed Security Principles in each relevant jurisdiction (references to "security" to be read for this purpose as including guarantees). Security documents will secure the guarantee obligations of the relevant security provider or, if such security is provided on a third party basis, all liabilities of the Guarantors under the Loan Documents, in each case in accordance with, and subject to, the requirements of these Agreed Security Principles in each relevant jurisdiction.

3. Governing law and scope

Unless granted under a global security document governed by the law of the jurisdiction of the applicable member of the Group, all security (other than share security) will be governed by the law of, and, except to the extent no additional actions are required, secure only assets located in, the jurisdiction of incorporation of the applicable grantor of the security; and no action in relation to security (including any perfection step, further assurance step, filing or registration) will be

required in jurisdictions where the grantor of the security is not incorporated. Share security over any subsidiary will be governed by the law of the place of incorporation of that subsidiary.

4. Terms of security documents

The following principles will be reflected in the terms of any security granted by a member of the Group in connection with the Credit Facilities (subject to agreed exceptions when legal advice is to the effect that such principles could impact the validity or effectiveness of the security):

(a) security will not be enforceable until the occurrence of an Event of Default in respect of which a notice of acceleration has been given and not withdrawn (a "Declared Default");

(b) the beneficiaries of the security or the Collateral Agent will only be able to exercise a power of attorney following the occurrence of a Declared Default or any failure to comply with a further assurances or perfection obligation;

(c) subject to paragraph (h) below and as required in the relevant jurisdiction, the security documents should only operate to create security rather than to impose new commercial obligations or a repeat of clauses in other Loan Documents; accordingly (i) they should not contain additional representations, undertakings or indemnities (including, without limitation, in respect of insurance, information, maintenance or protection of assets or the payment of costs) unless these are the same as or consistent with those contained in the Loan Documents or are given in a "third-party" security document or unless such representations are necessary to the validity of the security or are otherwise customary in a relevant jurisdiction; and (ii) nothing in any security document shall (or be construed to) prohibit any transaction, matter or other step (or a chargor taking or entering the same or dealing in any manner whatsoever in relation to any asset (including all rights, claims benefits, proceeds and documentation, and contractual counterparties in relation thereto) the subject of (or expressed to be the subject of) the security agreement) if not prohibited by the terms of the Credit Agreement (and accordingly to such extent, the Collateral Agent shall promptly effect releases, confirmations, consents to deal or similar steps always at the cost of the chargor);

(d) no security will be granted over parts, stock, moveable plant, equipment or receivables if it would require labeling, segregation or period listing or specification of such parts, stock moveable plant, equipment or receivables;

(e) perfection will not be required in respect of (i) vehicles and other assets subject to certificates of title or (ii) letter of credit rights and tort claims (or local law equivalent) if steps other than a general filing are required;

(f) in no event shall control agreements or perfection by control or similar arrangements be required with respect to any assets (including deposit or securities accounts but excluding equity interests);

(g) security will, where possible and practical, automatically create security over assets and future assets of the same type as those already secured. Where local law requires supplemental pledges or notices to be delivered in respect of future acquired assets in order for effective security to be created over that class of asset, such supplemental pledges or notices will be provided only

upon request of the Collateral Agent and at intervals no more frequent than quarterly (unless required more frequently under local law); and

(h) each security document should contain a clause which records that if there is a conflict between the security document and the Credit Agreement then (to the extent permitted by law) the provisions of the Credit Agreement will take priority over the provisions of the security document.

5. Bank accounts

(a) If a member of the Group grants security over its material bank accounts it will be free to deal, operate and transact business in relation to those accounts until the occurrence of a Declared Default. For the avoidance of doubt, there will be no "fixed" security over bank accounts, cash or receivables or any obligation to hold or pay cash or receivables in a particular account until the occurrence of a Declared Default unless such Guarantor is a holding company and then only until the occurrence of an Event of Default.

(b) Other than in circumstances as provided above, if required by local law to perfect the security and if possible without disrupting operation of the account, notice of the security will be served on the account bank in relation to applicable accounts within 5 Business Days of the date of the security document (or accession thereto) and the applicable grantor of the security will use its commercially reasonable efforts to obtain an acknowledgement of that notice within 20 Business Days of service. If the grantor of the security has used its commercially reasonable efforts but has not been able to obtain acknowledgment of its obligation to obtain acknowledgment will cease on the expiry of that 20 Business Day period. Irrespective of whether notice of the security is required for perfection, if the service of notice would prevent any member of the Group from using a bank account in the course of its business no notice of security will be served until the occurrence of a Declared Default.

(c) Any security over bank accounts will be subject to any prior security interests in favor of the account bank which are created either by law or in the standard terms and conditions of the account bank. No grantor of security will be required to change its banking arrangements or standard terms and conditions in connection with the granting of bank account security. For 20 Business Days from service of the notice referred to in the preceding paragraph, the applicable member of the Group shall use its commercially reasonable efforts to procure that the account bank will waive any such prior security interest or to limit such prior security interest to the account bank's costs and fees in connection with the banking arrangements. If the grantor of the security has used its commercially reasonable efforts but has not been able to obtain such waiver its obligation to obtain such waiver will expire on the expiry of that 20 Business Day period.

(d) If required under local law, security over bank accounts will be registered subject to the general principles set out in these Agreed Security Principles.

(e) Security shall be granted over the present and future credit balances of the relevant member of the Group's bank accounts including all interest payable on those accounts together with ancillary rights and claims associated with those accounts.

6. Fixed assets

If a member of the Group grants security over its material fixed assets it will be free to deal with those assets in the course of its business until the occurrence of a Declared Default. No notice, whether to third parties or by attaching a notice to the fixed assets, will be prepared or given until the occurrence of a Declared Default. If required under local law, security over fixed assets will be registered subject to the general principles set out in these Agreed Security Principles.

7. Insurance policies

A member of the Group may grant security over its material insurance policies (excluding any third party liability or public liability insurance and any directors and officers insurance) in respect of which claims thereunder may be mandatorily prepaid, provided that the relevant insurance policy allows security to be so granted. If required by local law to perfect the security, notice of the security will be served on the insurance provider within 5 Business Days of the security being granted and the relevant member of the Group shall use its commercially reasonable efforts to obtain an acknowledgement of that notice within 20 Business Days of service. In any other event, notice of any security interest over insurance policies will only be served on any insurer of the Group assets if a Declared Default has occurred. No loss payee or other endorsement will be made on the insurance policy and no Secured Party or Collateral Agent will be named as co-insured, except for any US policy covering property or liabilities of any Loan Party incorporated in the United States.

8. Intellectual property

(a) No security will be granted over any intellectual property which cannot be secured under the terms of the relevant licensing agreement.

(b) If security is granted over the relevant material intellectual property, the grantor shall be free to deal with, use, license and otherwise commercialize those assets in the course of its business (including allowing its intellectual property to lapse if no longer material to its business) until a Declared Default or as otherwise required by law.

(c) Other than with respect to notices provided to any member of the Group, no notice will be prepared or given to any third party from whom intellectual property is licensed until a Declared Default has occurred. No intellectual property security will be required to be registered under the law of that security document, the law of where the grantor is regulated, or at a relevant supra-national registry (such as the EU), other than the Canadian Intellectual Property Office. Security over intellectual property rights will be taken on an "as is, where is" basis and the Group will not be required to procure any changes to or corrections of filings on external registers.

9. Receivables

If a member of the Group grants security over any of its receivables it will be free to deal with, amend, waive or terminate those receivables in the course of its business until the occurrence of a Declared Default. Other than with respect to notices provided to any member of the Group, no notice of security may be prepared or served until the occurrence of a Declared Default (other than bank accounts in accordance with paragraph 6 above). Any list of receivables will not include details of the underlying contracts (but may include non-sensitive generic information to the extent that would allow for the creation of security) and will not be required to be updated more frequently

than quarterly (unless required more frequently under local law). If required under local law, security over receivables will be registered subject to the general principles set out in these Agreed Security Principles. References to "Receivables" include, but are not limited to, hedging receipts, trade receivables and intercompany receivables.

10. Real estate

No fixed security will be granted over real property with a fair market value less than an amount to be agreed provided that this shall not restrict any real property being secured under a floating charge (or other similar security) under a security document which charges all of the assets of a Loan Party on the basis that such security will not be required to be registered at the relevant Land Registry (or equivalent) under the law of that security document.

11. Shares and Partnership Interests

(a) Subject to clause (d) below, security over shares or partnership interests will be limited to those over shares and partnership interests, as applicable, in a Loan Party.

(b) Until a Declared Default has occurred, the legal title of the shares or partnership interests will remain with the relevant grantor of the security and any grantor of share or partnership interest security will be permitted to retain and to exercise voting rights and powers in relation to any shares or partnership interests and other related rights charged by it and receive, own and retain all assets and proceeds in relation thereto without restriction or condition provided that any exercise of rights does not materially adversely affect the validity or enforceability of the security over the shares or partnership interests or cause a default or an Event of Default to occur.

(c) Where customary and applicable as a matter of law, following a request by the Collateral Agent, on, or as soon as reasonably practicable following execution of the share security, the share certificate (or other documents evidencing title to the relevant shares, including the register of partners of a partnership) and a stock transfer form or deed of assignment and assumption in relation to partnership assets in a Cayman exempted limited partnership executed in blank (or local law equivalent) will be provided to the Collateral Agent upon its request.

(d) Where a member of the Group pledges shares, the security document will be governed by the laws of the country of incorporation of the company whose shares or partnership interests are being pledged and not by the law of the country of the pledgor. Subject to these principles, the shares in each Loan Party shall be secured. The shares of a subsidiary that is not a Loan Party shall not be required to be the subject of a lien, unless that subsidiary is a Material Subsidiary (or unless the shares in such subsidiary can be secured in a global security agreement such as an English law debenture, New York law general security agreement or similar).

12. Release of Security

Unless required by local law the circumstances in which the security shall be released should not be dealt with in individual security documents but, if so required, shall, except to the extent required by local law, be the same as those set out in the Loan Documents.

[FORM OF] SOLVENCY CERTIFICATE

[●], _____

This Solvency Certificate is being executed and delivered pursuant to Section 4.01(f) of that certain Super-Senior Credit Agreement, dated as of October 2, 2024 (as amended, restated, amended and restated, refinanced, replaced, extended, supplemented or otherwise modified from time to time, the "Super-Senior Credit Agreement"), by and among PROCERA NETWORKS, INC., a Delaware corporation ("Procera") and SANDVINE CORPORATION, a corporation amalgamated under the laws of the Province of British Columbia ("Sandvine" or the "Canadian Borrower") and together with Procera, the "Borrowers" and each, a "Borrower"), PROCERA II LP, an exempted limited partnership registered in the Cayman Islands, acting through its general partner, New Procera GP Company, a limited liability company formed and registered in the Cayman Islands ("Ultimate Parent"), the other Guarantors from time to time party thereto, the LENDERS from time to time party thereto, and SEAPORT LOAN PRODUCTS LLC, as Co-Administrative Agent, and ACQUIOM AGENCY SERVICES LLC, as Collateral Agent and Co-Administrative Agent. Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Super-Senior Credit Agreement.

The undersigned, solely in such undersigned's capacity as [Chief Financial Officer] of the Borrower Representative, and not individually, hereby certifies to the Administrative Agent, on behalf of the Borrowers, as follows:

Both before and immediately after giving effect to the consummation of the transactions contemplated to occur on the Closing Date, the following is true with respect to the Holding Companies and their Restricted Subsidiaries taken as a whole, as of the Closing Date:

(A) the present fair salable value of the assets of the Holding Companies and their Restricted Subsidiaries, taken as a whole (determined on a going concern basis), is greater than (i) the total amount of debts and liabilities (including subordinated, contingent and un-liquidated liabilities) of the Holding Companies and their Restricted Subsidiaries, taken as a whole and (ii) the amount that will be required to pay the probable liability, on a consolidated basis, of their debts and other liabilities as such debts and liabilities become absolute and matured;

(B) the Holding Companies and their Restricted Subsidiaries, taken as a whole, are able to pay all debts and liabilities (including subordinated, contingent and un-liquidated liabilities) as such debts and liabilities become absolute and matured; and

(C) the Holding Companies and their Restricted Subsidiaries, taken as a whole, do not have unreasonably small capital with which to conduct the business in which they are engaged as such business is now conducted and is proposed to be conducted following the date hereof.

For purposes of this Solvency Certificate, in computing the amount of contingent or unliquidated liabilities at any time, such liabilities have been computed as the amount that, in light of all of the facts and circumstances existing on the date of this Solvency Certificate, represents the amount that is reasonably expected to become an actual or matured liability.

The undersigned is familiar with the business and financial position of the Holding Companies and their Restricted Subsidiaries (taken as a whole). In reaching the conditions set forth in this Solvency Certificate, the undersigned has made such other investigations and inquiries as the undersigned has deemed appropriate, having taken into account the nature of the particular business anticipated to be conducted by the Holding Companies and their Restricted Subsidiaries (taken as a whole) after consummation of the transactions contemplated by the Super-Senior Credit Agreement.

(h) no such Lease contains any option to purchase, right of first refusal to purchase, right of first refusal to relet, or any other similar provision other than as disclosed to Mortgagee.

2.6 Mortgagee in Possession. Mortgagee's acceptance of this assignment shall not, prior to entry upon and taking possession of the Collateral by Mortgagee, be deemed to constitute Mortgagee a "mortgagee in possession," nor obligate Mortgagee to appear in or defend any proceeding relating to any of the Leases or to the Collateral, take any action hereunder, expend any money, incur any expenses, or perform any obligation or liability under the Leases, or assume any obligation for any deposits delivered to Mortgagor by any lessee and not delivered to Mortgagee. Mortgagee shall not be liable for any injury or damage to person or property in or about the Collateral unless caused by the intentional acts, bad faith, gross negligence or willful misconduct of Mortgagee.

2.7 Intentionally Omitted.

2.8 Records. If reasonably requested by Mortgagee, Mortgagor shall deliver to Mortgagee a copy of the executed originals of all Leases, and at the occurrence of and during the continuance of an Event of Default, executed originals thereof in Mortgagor's possession or control.

3.1 Security Agreement. To the extent the Property consists of items which are or are to become fixtures under applicable law, this Mortgage shall also be construed as a security agreement under

the UCC. Mortgagor, in order to secure the due and punctual payment and performance of the Secured Obligations, hereby grants to Mortgagee for its benefit and for the benefit of the Secured Parties, a security interest in and to such fixtures. Upon and during the continuance of an Event of Default, Mortgagee shall be entitled with respect to the fixtures to exercise all remedies hereunder, under any other Loan Document or available under the UCC with respect thereto and all other remedies available under applicable law. Without limiting the foregoing, the fixtures may, at Mortgagee's option, (i) be sold hereunder together with any sale of any portion of the Property or otherwise, (ii) be sold separately pursuant to the UCC, or (iii) be dealt with by Mortgagee in any other manner permitted under applicable law. Mortgagee may require Mortgagor, upon Mortgagee's reasonable request, to assemble the fixtures and make them available to Mortgagee at a place to be designated by Mortgagee. Mortgagor acknowledges and agrees that a disposition of such collateral in accordance with Mortgagee's rights and remedies in respect to the Property as heretofore provided is a commercially reasonable disposition thereof; provided, however, that Mortgagee shall give Mortgagor not less than ten (10) days' prior notice of the time and place of any intended disposition.

3.2 Fixtures. The Land is specifically described on Exhibit A attached hereto. Some of the items of the Collateral described herein constitute property that are or are to become fixtures related to the Property, and it is intended that, as to those items, this Mortgage shall be effective as a financing statement filed as a fixture filing from the date of its filing for record in the real estate records where this Mortgage is recorded. ARTICLE 4
MORTGAGOR AND AGREEMENTS OF MORTGAGOR

Mortgagor does hereby covenant and agree for the benefit of Mortgagee, and as expressly specified, Mortgagor does hereby warrant and represent to Mortgagee as of the date of recording of this Mortgage as follows:

4.1 Title to Collateral and Lien of this Mortgage. Mortgagor represents and warrants that Mortgagor holds and will maintain, good fee simple title to the Property, and good title to the balance of the Collateral, except for Liens permitted under Section 6.02 of the Super-Senior Credit Agreement and where the failure to have such interest would not reasonably be expected to have a Material Adverse Effect. Mortgagor further represents and warrants that this Mortgage shall constitute a first priority Lien and

security interest on the Collateral in favor of Mortgagee for the benefit of the Secured Parties. Mortgagor will not create or suffer to exist any Lien on its interests in the Collateral other than as permitted under the Super-Senior Credit Agreement. If the first priority Lien and security interest created by this Mortgage shall be endangered or shall be attacked, Mortgagor, at Mortgagor's expense, will use commercially reasonable efforts to take all necessary and proper steps for the defense of such interest, including the employment of counsel reasonably satisfactory to Mortgagee, the prosecution or defense of litigation, and the compromise or discharge of claims made against such interest; provided that nothing herein shall prevent Mortgagor from effecting the transactions otherwise permitted by the terms of the Super-Senior Credit Agreement.

4.2 Taxes on Mortgage. If, at any time, any law shall be enacted imposing or authorizing the imposition of any tax, assessment or other fees upon this Mortgage, or upon any rights, titles, liens or security interests created hereby (not including, however, Excluded Taxes (as defined in the Super-Senior Credit Agreement)), Mortgagor shall pay all such taxes, assessments or other fees before any penalty accrues therein except to the extent any such tax, assessment or fee is being properly contested in good faith by appropriate proceedings and as to which Mortgagor shall have set aside adequate reserves in accordance with GAAP or to the extent required by the terms of the Guaranty, the Super-Senior Credit Agreement or the other Loan Documents. If it is unlawful for Mortgagor to pay such taxes, assessments or other fees, then Mortgagor agrees to promptly reimburse Mortgagee, in accordance with Section 9.03 of the Super-Senior Credit Agreement, for the amounts incurred by Mortgagee to pay such taxes, assessments or other fees.

4.3 Statements by Mortgagor. Upon the request of Mortgagee, Mortgagor shall furnish promptly a written statement or affidavit (but, so long as no Event of Default has occurred and is continuing, no more than twice in any consecutive 12-month period), in such form as Mortgagee shall deem reasonably required, to confirm the unpaid principal balance of each of the Loans and that there are no offsets or defenses against full payment of the alleged Loans and performance of the terms of the Super-Senior Credit Agreement or, if there are any such offsets or defenses, specifying them.

4.4 Repair, Waste, Alterations, etc. Mortgagor shall take all commercially reasonable actions required to keep the Property and FF&E in good operating order, repair and condition, ordinary wear and tear, casualty and condemnation excepted, and shall not commit or permit any waste thereof except, in each case, if the failure to do so would not, individually or in the aggregate, have a Material Adverse Effect. Mortgagor shall not suffer any lien of mechanics or materialmen to be perfected by the filing of any lawsuit therefor respecting any part of the Collateral, except for Permitted Encumbrances and other Liens permitted by Section 6.02 of the Super-Senior Credit Agreement. If Mortgagor shall fail to discharge any such lien that is not permitted by Section 6.02 of the Super-Senior Credit Agreement that has become final by judgment, then, in addition to any other right or remedy of Mortgagee, Mortgagee may, upon the occurrence and during the continuance of an Event of Default and after three Business Days' prior written notice to Mortgagor, but shall not be obligated to, discharge the same, either by paying the amount claimed to be due, or by procuring the discharge of such lien by depositing in court a bond for the amount claimed, or otherwise giving security for such claim, or by taking such action as may be prescribed by law. Mortgagor shall have the right from time to time at its sole cost and expense to make additions, alterations and changes, whether structural or non-structural (hereinafter collectively referred to as "Alterations") in or to the Collateral; provided, however, that in all cases Mortgagor shall comply with the other provisions of this Mortgage, the Super-Senior Credit Agreement, the Loan Documents and with applicable law, except, in each case, if the failure to do so would not, individually or in the aggregate, have a Material Adverse Effect, and all Alterations to any buildings included in the Collateral shall be located wholly within the boundary lines of the Property, except for immaterial encroachments and alterations located on and with respect to which Mortgagor has received an irrevocable easement or similar right permitting the location of said Alteration or encroachment on such part of the Property. Notwithstanding anything herein to the contrary, Mortgagor shall have the right to remove and replace FF&E as Mortgagor may deem appropriate in the

ordinary course of Mortgagor's business and as otherwise permitted under the Super-Senior Credit Agreement.

4.5 Indemnification. Mortgagor hereby indemnifies and holds Mortgagee and all Indemnitees harmless from all Indemnified Liabilities incurred by the Indemnified Parties in accordance with and subject to the limitations set forth in Section 9.03 of the Super-Senior Credit Agreement. The provisions of this Section 4.5 shall survive the payment in full of the secured Obligations and the release of this Mortgage as to events occurring and causes of action arising before such payment and release.

4.6 Further Assurances. Mortgagor shall execute, acknowledge, deliver, and record such further instruments and do such further acts as Mortgagee shall reasonably request in order to carry out the purposes of this Mortgage and to subject to the liens and security interests created thereby, any property intended by the terms thereof to be covered thereby, including specifically but without limitation any renewals, additions, substitutions, replacements, improvements or appurtenances to the Collateral, in each case, to the extent required by the Super-Senior Credit Agreement and the Security Documents.

4.7 Recording and Filing. Mortgagor, at the sole cost and expense of Mortgagor, shall cause this Mortgage and any related financing statements and all amendments, supplements and extensions thereto and substitutions therefor to be recorded, filed, re-recorded and refiled, as necessary to carry out the purpose of this Mortgage, the Guaranty and the Super-Senior Credit Agreement, and shall pay all such recording, filing, re-recording and refiling fees, title insurance premiums and other charges to the extent required by Section 9.03 of the Super-Senior Credit Agreement.

4.8 [Reserved].

4.9 Enforceability. This Mortgage constitutes a legal, valid and binding obligation of Mortgagor, enforceable against Mortgagor in accordance with its terms, except as enforceability may be limited by the effect of applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally or the application of equitable principles.

4.10 Security Interest. The Collateral is owned solely by Mortgagor. As of the date hereof, Mortgagee's security interests in the Collateral are valid first priority Liens in favor of Mortgagee for the benefit of the Secured Parties and, upon the filing of this Mortgage, will be perfected, there are no other liens on the Collateral or any portion thereof except for the Permitted Encumbrances and other Liens permitted by Section 6.02 of the Super-Senior Credit Agreement, and no effective financing statement or similar instrument exists or is on file in any public office with respect to the Collateral, except for financing statements filed in connection with the Super-Senior Credit Agreement, Permitted Encumbrances and other Liens permitted by Section 6.02 of the Super-Senior Credit Agreement.

4.11 Disposition of Collateral. Mortgagor will not sell, transfer, assign, pledge, collaterally assign, exchange or otherwise dispose of the Collateral, except as expressly permitted by the Super-Senior Credit Agreement. If the Collateral, or any part thereof, is sold, transferred, assigned, exchanged, or otherwise disposed of in violation of these provisions, the security interests of Mortgagee shall continue in such Collateral or part thereof notwithstanding such sale, transfer, assignment, exchange or other disposition.

4.12 Insurance. Mortgagor shall obtain and keep in full force and effect the insurance policies (including, without limitation, all flood insurance) required by the Super-Senior Credit Agreement pursuant to the terms thereof. Without limiting the generality of the preceding sentence, if any portion of the Property is at any time located in an area identified by the Federal Emergency Management Agency (or any successor agency) as a Special Flood Hazard Area with respect to which flood insurance has been made available

under the National Flood Insurance Act of 1968 (as now or hereafter in effect or successor act thereto), then Mortgagor shall (i) maintain, or cause to be maintained, with a financially sound and reputable insurer, flood insurance in amounts and otherwise sufficient to comply with all applicable rules and regulations promulgated pursuant to the Flood Insurance Laws and (ii) at the reasonable request of Mortgagee, deliver to Mortgagee evidence of such compliance in form and substance reasonably acceptable to Mortgagee.

4.13 Stamp and Other Taxes. Mortgagor shall pay any documentary stamp taxes, with interest and fines and penalties, and any mortgage recording taxes, with interest and fines and penalties, that may hereafter be levied, imposed or assessed under or upon or by reason hereof or the Secured Obligations or any instrument or transaction in respect thereof.

4.14 Casualty Event or Condemnation. (a) If there shall occur any loss of title or any loss of or damage to or destruction of, or any condemnation or other taking of the Property (including but not limited to any taking of all or any part of the Property in or by condemnation or other eminent domain proceedings pursuant to any law, or by reason of the temporary requisition of the use or occupancy of all or any part of the Property by any Governmental Authority, civil or military, or any settlement in lieu thereof ("Casualty Event") (or, in the case of any condemnation, taking or other proceeding in the nature thereof, upon the occurrence thereof or notice of the commencement of any proceedings therefor), Mortgagor shall promptly send to Mortgagee a written notice setting forth the nature and extent thereof. The proceeds payable in respect of any such Casualty Event are hereby assigned and shall be paid to Mortgagee to the extent required by Section 2.11(c) of the Super-Senior Credit Agreement. The Net Proceeds of each Casualty Event shall be applied, allocated and distributed to the extent required by and in accordance with the provisions of the Super-Senior Credit Agreement.

(b) In the case of any taking, condemnation or other proceeding in the nature thereof, Mortgagee may, at its option, participate in any proceedings or negotiations which might result in any taking or condemnation and Mortgagor shall deliver or cause to be delivered to Mortgagee all instruments reasonably requested by it to permit such participation. Mortgagee may be represented by counsel satisfactory to it at the reasonable expense of Mortgagor in connection with any such participation. Mortgagor shall pay all reasonable fees, costs and expenses incurred by Mortgagee in connection therewith and in seeking and obtaining any award or payment on account thereof. Mortgagor shall take all steps necessary to notify the condemning authority of such participation.

ARTICLE 5
EVENTS OF DEFAULT

The occurrence of an "Event of Default," as such term is defined in the Super-Senior Credit Agreement, shall constitute an "Event of Default" under this Mortgage.

5.1 Performance of Defaulted Acts. From and after the occurrence and during the continuance of an Event of Default, Mortgagee may, but need not, make any payment or perform any act herein required of Mortgagor in any form and manner deemed expedient, including making full or partial payments of principal or interest on prior encumbrances, if any, making rental payments and purchasing, discharging, compromising or settling any tax lien or other prior lien or title or claim thereof, or redeeming from any tax sale or forfeiture affecting the Collateral or contesting any tax or assessment, in each case, other than taxes not required to be discharged pursuant to the Super-Senior Credit Agreement and Liens not permitted pursuant to Section 6.02 of the Super-Senior Credit Agreement. All reasonable and documented out-of-pocket moneys paid for any of the purposes herein authorized and all expenses paid or incurred in connection therewith, including reasonable and documented out-of-pocket attorneys' fees, shall be included among the Secured Obligations and shall be due and payable in accordance with Section 9.03 of the Super-Senior Credit Agreement and with interest thereon from the date due or expense at the rate of interest

payable after an Event of Default under the terms of the Super-Senior Credit Agreement. Inaction of Mortgagee shall never be considered as a waiver of any right accruing to it hereunder on account of any default on the part of Mortgagor. Mortgagee, making any payment hereby authorized relating to taxes or assessments, may do so according to any bill, statement or estimate procured from the appropriate public office without inquiry into the accuracy of such bill, statement or estimate or into the validity of any tax, assessment, sale, forfeiture, tax lien or title or claim thereof.

ARTICLE 6
REMEDIES

6.1 Exercise of Specific Remedies. Upon the occurrence of any Event of Default, and during the continuation thereof, Mortgagee shall be entitled to exercise all rights and remedies of a mortgagee or secured party under the laws of the State of [_____] ("State Law") and the laws of the State of New York ("New York Law"), including, without limitation, the following rights and remedies:

(a) Mortgagee shall have the right to foreclose this Mortgage by judicial procedure as provided by State Law for the foreclosure of mortgages on real property.

(b) Mortgagee shall, to the extent permitted by State Law, have the right and power, but not the obligation, with or without the appointment of a receiver by a court of competent jurisdiction, to enter upon and take immediate possession of the Collateral or any part thereof, to exclude Mortgagor therefrom, to hold, use, operate, manage and control such real property, to make all such repairs, replacements, alterations, additions and improvements to the same as Mortgagee may deem proper, and to demand, collect and retain the Rents as provided in Article 2 hereof.

(c) Mortgagee, with respect to any or all of the Collateral, shall have the right to petition a court of competent jurisdiction for the appointment of a receiver, without bond, pending any foreclosure of this Mortgage. Such receivership shall continue until the first to occur of (i) all Events of Default being cured or waived or (b) full payment of all Indebtedness owed to Mortgagee pursuant to the terms of the Super-Senior Credit Agreement or until title to the Property shall have passed by foreclosure sale under this mortgage or deed in lieu of foreclosure (or other similar transaction).

(d) Mortgagee may exercise the power of sale granted by this Mortgage and, subject to the mandatory requirements of State Law, may sell or have sold the Collateral or interests therein or any part thereof at one or more public sales, as an entirety or in parcels, at such place or places and otherwise in such manner and upon such notice as may be required by State Law, by this Mortgage or, in the absence of any such requirement, as Mortgagee may deem appropriate. Mortgagor shall make a conveyance to the purchaser or purchasers thereof without, to the extent permitted by State Law, any warranties express or implied. Mortgagee may postpone the sale of such Collateral or interests therein or any part thereof by public announcement at the time and place of such sale, and from time to time thereafter may further postpone such sale by public announcement made at the time of sale fixed by the preceding postponement. Sale of a part of the Collateral or interests therein or any defective or irregular sale hereunder will not exhaust the power of sale, and sales may be made from time to time until all such property is sold without defect or irregularity or the Secured Obligations are paid in full in accordance with Section 7.03(a) of the Super-Senior Credit Agreement. Mortgagee shall have the right to appoint one or more attorney(s)-in-fact to act in conducting the foreclosure sale and executing a deed to the purchaser.

(e) Mortgagee (or any successor to Mortgagee) on behalf of any Secured Party or on its own behalf shall have the right to become the purchaser at any sale made pursuant to the provisions of this Article 6 and shall have the right to credit upon the amount of the bid made therefor the amount payable to it out of the net proceeds of such sale. All other sales shall be, to the extent permitted by State Law, paid

on a cash basis. For the avoidance of doubt, Mortgagor and each of the Secured Parties, by their acceptance of the benefits of this Mortgage, agree that Mortgagee shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Property sold at any sale or foreclosure proceeding in respect of the Property, including without limitation, sales occurring pursuant to Section 363 of the Bankruptcy Code or included as part of any plan subject to confirmation under Section 1129(b)(2)(A)(iii) of the Internal Revenue Code, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any portion of the Property payable by Mortgagee at such sale or foreclosure proceeding, as applicable.

(f) Any sale of the Collateral or any part thereof pursuant to the provisions of this Article 6 will operate to divest all right, title, interest, claim and demand of Mortgagor in and to the property sold and will be a perpetual bar against Mortgagor and all persons claiming by or through or under Mortgagor, subject to State Law. Mortgagee is hereby irrevocably appointed the true and lawful attorney-in-fact of Mortgagor, which appointment shall automatically terminate upon the Termination Date or upon the termination or release of Mortgagor's guaranty of the Guaranteed Obligations (as defined in the Guaranty), in Mortgagor's name and stead, for the purpose of effectuating any such sale, upon the occurrence and during the continuance of an Event of Default, to execute and deliver all necessary deeds, conveyances, assignments, bills of sale and other instruments with power to substitute one or more persons with like power. Nevertheless, if requested by Mortgagee so to do, Mortgagor shall join in the execution, acknowledgment and delivery of all proper conveyances, assignments and transfers of the property so sold. Any purchaser at a foreclosure sale will receive possession of the property purchased at the earliest time permitted under State Law, and Mortgagor agrees that if Mortgagor retains possession of the property or any part thereof subsequent to such sale, Mortgagor will be considered a tenant at sufferance of the purchaser, and will, if Mortgagor remains in possession after demand to remove, be guilty of forcible detainer and will be subject to eviction and removal, forcible or otherwise, with or without process of law, and all damages to Mortgagor by reason thereof are hereby expressly waived by Mortgagor, to the extent permitted by State Law.

(g) Mortgagee, at its option and upon the occurrence and during the continuance of an Event of Default, is authorized to cause foreclosure of this Mortgage subject to the rights of any tenants under Leases, and the failure to make any such tenants parties to any such foreclosure proceedings and to foreclose their rights will not be, nor be asserted to be by Mortgagor, a defense at any proceedings instituted by Mortgagee to collect the Secured Obligations.

6.2 Cost and Expenses. All reasonable and documented out-of-pocket costs and expenses (including reasonable attorneys' fees and legal expenses, title premiums, title report and work charges, filing fees, and mortgages, mortgage registration, transfer, stamp and other excise taxes, if any) incurred by Mortgagee or by Mortgagor in perfecting, protecting or enforcing its rights hereunder, shall be paid in accordance with the Super-Senior Credit Agreement.

6.3 Application of Proceeds. The proceeds of any sale of the Collateral or any part thereof made pursuant to this Mortgage shall be applied in accordance with the terms of the Super-Senior Credit Agreement.

6.4 Combination of Remedies. From and after the occurrence and during the continuance of an Event of Default, Mortgagee may, at its option, in such order, and utilizing such combinations of remedies with respect to the Collateral and the other property of Mortgagor encumbered by a Loan Document as Mortgagee shall so elect, but subject in all cases to Section 9.16 of the Super-Senior Credit Agreement, pursue its remedies against (a) the Collateral, individually, or any other property of a Loan Party encumbered by a Loan Document, individually, (b) the Collateral and any combination of the other property of a Loan Party encumbered by a Loan Document, (c) the Collateral and all of the other property

of Mortgagor and any other Loan Party encumbered by a Loan Document, or (d) all or any combination of the other property of Mortgagor and the other Loan Parties encumbered by a Collateral Document, in separate proceedings or in one proceeding in any order which Mortgagee deems appropriate, all to the fullest extent permitted under State Law.

6.5 Advice of Counsel; Waivers. Mortgagor acknowledges that it is aware of and has had the advice of counsel of its choice with respect to its rights, under State Law, with respect to this Mortgage, the Secured Obligations and the Collateral. Except to the extent expressly set forth in the Super-Senior Credit Agreement or any other Loan Document, Mortgagor hereby agrees that Mortgagor shall not at any time hereafter have or assert, and hereby waives to the extent permitted under State Law, any right under any law pertaining to: marshalling, whether of assets or liens, the sale of property in the inverse order of alienation, the exemption of homesteads, the administration of estates of decedents, appraisement, valuation, stay, extension, reinstatement, redemption, subrogation, or abatement, suspension, deferment, diminution or reduction of any of the Secured Obligations (including setoff), now or hereafter in force.

ARTICLE 7
GENERAL PROVISIONS

7.1 Mortgagor. This Mortgage and all provisions hereof shall extend to and be binding upon Mortgagor and all persons claiming under or through Mortgagor. Whenever in this Mortgage there is reference made to any of the parties hereto, such reference shall be deemed to include, wherever applicable, a reference to the heirs, executors and administrators or successors and assigns (as the case may be) of such party. Mortgagor's successors and assigns shall include a receiver, trustee or debtor-in-possession of or for Mortgagor. Mortgagee's assigns and successors shall include any successor Collateral Agent under the Super-Senior Credit Agreement.

7.2 Cumulative Rights Waiver; Modifications. Each and every right, power and remedy hereby granted to Mortgagee shall be cumulative and not exclusive, and each and every right, power and remedy, whether specifically hereby granted or otherwise existing, may be exercised from time to time and as often and in such order as may be deemed expedient by Mortgagee and the exercise of any such right, power or remedy will not be deemed a waiver of the right to exercise, at the same time or thereafter, any other right, power or remedy. No delay or omission by Mortgagee in the exercise of any right, power or remedy will impair any such right, power or remedy or operate as a waiver thereof or of any other right, power or remedy then or thereafter existing. Any and all covenants of Mortgagor in this Mortgage may from time to time, by instrument in writing signed by Mortgagee, be waived to such extent and in such manner as Mortgagee may desire, but no such waiver will ever affect or impair the rights of Mortgagee hereunder, except to the extent specifically stated in such written instrument. All changes to and modifications of this Mortgage must be in writing and signed by Mortgagor and Mortgagee.

7.3 Additional Documents. Mortgagor agrees that upon request of Mortgagee it will from time to time execute, acknowledge and deliver all such additional instruments and will do or cause to be done all such further acts and things as may be reasonably necessary fully to effectuate the intent of this Mortgage.

7.4 Notices. All notices and other communications under this Mortgage shall be in writing, except as otherwise provided in this Mortgage. A notice, if in writing, shall be considered as properly given if given in accordance with the provisions of the Super-Senior Credit Agreement.

7.5 Choice of Law. Without regard to principles of conflicts of law to the extent such principles would cause the application of the law of another state, this Mortgage shall be construed under and governed by the laws of the State of New York applicable to contracts made and to be performed entirely within such

state and the laws of the United States of America. Notwithstanding the foregoing: (i) State Law shall govern with respect to procedural and substantive matters relating to the creation, perfection, priority and enforcement of the liens created by this Mortgage on the Collateral, and (ii) if upon judicial foreclosure and sale in accordance with State Law a deficiency exists, Mortgagor agrees that Mortgagee shall have the right to seek a deficiency judgment against Mortgagor.

7.6 Severability. Any provision hereof or of any of the other documents constituting, evidencing or creating all or any part of the Secured Obligations held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof or of said documents. If any lien, encumbrance or security interest evidenced or created by this Mortgage is invalid or unenforceable, in whole or in part, as to any part of the Secured Obligations, or is invalid, illegal or unenforceable, in whole or in part, as to any part of the Collateral, such portion, if any, of the Secured Obligations as is not secured by all of the Collateral hereunder shall be paid prior to the payment of the portion of the Secured Obligations secured by all of the Collateral, and all payments made on the Secured Obligations (including cash and/or property received in connection with sales of Collateral pursuant to Article 3 hereof) shall, unless prohibited by applicable law or unless Mortgagee, in its sole and absolute discretion, otherwise elects, be deemed and considered to have been first paid on and applied to payment in full of the unsecured or partially secured portion of the Secured Obligations, and the remainder to the secured portion of the Secured Obligations.

7.7 Mortgagee's Powers. Without affecting the liability of any other person liable for the payment of any Obligation herein mentioned, and without affecting the first priority Lien and security interest or charge of this Mortgage upon any portion of the Collateral not then or theretofore released as security for the full amount of all unpaid Secured Obligations, Mortgagee may, from time to time and without notice, (a) release any persons liable, (b) extend the maturity or alter any of the terms of any such obligation, (c) permit the issuance of additional Loans and/or indebtedness under the Super-Senior Credit Agreement, (d) grant other indulgences, (e) release or reconvey, or cause to be released or reconveyed at any time at Mortgagee's option any parcel, portion or all of the Collateral, (f) take or release any other or additional security for any obligation herein mentioned, or (g) make compositions or other arrangements with Mortgagor in relation thereto.

7.8 Enforceability of Mortgage. This Mortgage is deemed to be and may be enforced from time to time as an assignment, chattel mortgage, contract, mortgage, deed to secure debt, fixture filing, real estate mortgage, or security agreement, and from time to time as any one or more thereof, as is appropriate and permitted under applicable law. A carbon, photographic or other reproduction of this Mortgage or any financing statement in connection herewith shall be sufficient as a financing statement for any and all purposes to the fullest extent permitted under applicable law.

7.9 Captions. The captions or headings at the beginning of Articles and Sections hereof are for convenience of reference only, are not part of this Mortgage and shall not affect the construction of, or be taken into consideration in interpreting, this Mortgage.

7.10 Conflict with Super-Senior Credit Agreement. In the event of any conflict or inconsistency between the terms and provisions of this Mortgage and those of the Super-Senior Credit Agreement, the terms and provisions of the Super-Senior Credit Agreement shall govern and control.

7.11 Relationship of Parties. The relationship between Mortgagor and Mortgagee is that of debtor/guarantor and lender only and neither Mortgagor nor Mortgagee is, nor shall it hold itself out to be, the agent, employee, joint venturer or partner of the other.

7.12 Collateral Agent. Mortgagee, in its capacity as the Collateral Agent, will hold all items of Collateral at any time received under this Mortgage in accordance with the terms of the Super-Senior Credit Agreement. It is expressly understood and agreed that the obligations of Mortgagee in its capacity as the Collateral Agent (and holder of the Collateral and interests therein and with respect to the disposition thereof) are only those expressly set forth in the Super-Senior Credit Agreement and the Guaranty.

7.13 Waiver of Jury Trial. MORTGAGOR HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS MORTGAGE OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). MORTGAGOR CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER.

IN WITNESS WHEREOF, Mortgagor has executed this instrument the day and year first above written.

(i) FIRST, to the payment of all amounts owing to each Collateral Agent (in its capacity as such) and each Representative (in its capacity as such) secured by such Shared Collateral or, in the case of Equity Release Proceeds, secured by the Underlying Assets, including all reasonable costs and expenses incurred by each Collateral Agent (in its capacity as such) and each Representative (in its capacity as such) in connection with such collection or sale or otherwise in connection with this Agreement, any other Super-Senior Document or any of the Super-Senior Obligations, including all court costs and the reasonable fees and expenses of its agents and legal counsel, and any other reasonable costs or expenses incurred in connection with the exercise of any right or remedy hereun-

(ii) SECOND, subject to Sections 2.1(b) and 2.11(b), to the extent Proceeds remain after the application pursuant to the preceding clause (i), to each Representative for the payment in full of the other Super-Senior Obligations of each Series secured by such Shared Collateral or, in the case of Equity Release Proceeds, secured by the Underlying Assets, and, if the amount of such Proceeds are insufficient to pay in full the Super-Senior Obligations of each Series so secured then such Proceeds shall be allocated among the Representatives of each Series secured by such Shared Collateral or, in the case of Equity Release Proceeds, secured by the Underlying Assets, pro rata according to the amounts of such Super-Senior Obligations owing to each such respective Representative and the other Super-Senior Claimholders represented by it for distribution by such Representative in accordance with its respective Super-Senior Documents; and

(iii) THIRD, any balance of such Proceeds remaining after the application pursuant to the preceding clauses (i) and (ii), to the Grantors, their successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same, including pursuant to any Second Lien Intercreditor Agreement (as defined in the Credit Agreement).

If, despite the provisions of this Section 2.1(a), any Super-Senior Claimholder shall receive any payment or other recovery in excess of its portion of payments on account of the Super-Senior Obligations to which it is then entitled in accordance with this Section 2.1(a), such Super-Senior Claimholder shall hold such payment or recovery in trust, and promptly pay over to the Applicable Collateral Agent, for the benefit of the applicable Super-Senior Claimholders, in the same form as received, with any necessary endorsements, for distribution in accordance with this Section 2.1(a).

Without limiting the generality of the foregoing, this Section 2.1 is intended to constitute and shall be deemed to constitute a "subordination agreement" within the meaning of Section 510(a) of the Bankruptcy Code and is intended to be and shall be interpreted to be enforceable to the maximum extent permitted pursuant to applicable nonbankruptcy law.

(b) (i) Notwithstanding the foregoing, with respect to any Shared Collateral or Equity Release Proceeds for which a third party (other than a Super-Senior Claimholder) has a Lien that is junior in priority to the Lien of any Series of Super-Senior Obligations but senior (as determined by appropriate legal proceedings in the case of any dispute) to the Lien of any other Series of Super-Senior Obligations (such third party an "Intervening Creditor"), the value of any Shared Collateral, Equity Release Proceeds or Proceeds which are allocated to such Intervening Creditor shall be deducted on a ratable basis solely from the Shared Collateral, Equity Release Proceeds or Proceeds to be distributed in respect of the Series of Super-Senior Obligations with respect to which such Impairment exists.

(ii) In furtherance of the foregoing and without limiting the provisions of Section 2.3, it is the intention of the Super-Senior Claimholders of each Series that the holders of Super-Senior Obligations of such Series (and not the Super-Senior Claimholders of any other Series) (1) bear the risk of any determination by a court of competent jurisdiction that (x) any of the Super-Senior Obligations of such Series are unenforceable under applicable law or are subordinated to any other obligations (other than another Series of Super-Senior Obligations), (y) any of the Super-Senior Obligations of such Series do not have a valid and perfected security interest in any of the Collateral securing any other Series of Super-Senior Obligations and/or (z) any intervening security interest exists securing any other obligations (other than another Series of Super-Senior Obligations) on a basis ranking prior to the security interest of such Series of Super-Senior Obligations but junior to the security interest of any other Series of Super-Senior Obligations and (2) not take into account for purposes of this Agreement the existence of any Collateral (other than Equity Release Proceeds) for any other Series of Super-Senior Obligations that is not Shared Collateral (any such condition referred to in the foregoing clauses (1) or (2) with respect to any Series of Super-Senior Obligations, an "Impairment" of such Series); provided that the existence of a maximum claim with respect to any real property subject to a mortgage which applies to all Super-Senior Obligations shall not be deemed to be an Impairment of any Series of Super-Senior Obligations. In the event of any Impairment with respect to any Series of Super-Senior Obligations, the results of such Impairment shall be borne solely by the holders of such Series of Super-Senior Obligations, and the rights of the holders of such Series of Super-Senior Obligations (including the right to receive distributions in respect of such Series of Super-Senior Obligations pursuant to Section 2.1) set forth herein shall be modified to the extent necessary so that the effects of such Impairment are borne solely by the holders of the Series of such Super-Senior Obligations subject to such Impairment. Additionally, in the event the Super-Senior Obligations of any Series are modified pursuant to applicable law (including pursuant to any applicable Bankruptcy Law or Section 1129 of the Bankruptcy Code), any reference to such Super-Senior Obligations or the Super-Senior Documents governing such Super-Senior Obligations shall refer to such obligations or such documents as so modified.

(c) It is acknowledged that the Super-Senior Obligations of any Series may, subject to the limitations set forth in the then existing Super-Senior Documents and subject to any limitations set forth in this Agreement, be increased, extended, renewed, replaced, restated, supplemented, restructured, repaid, refunded, Refinanced or otherwise amended or modified from time to time, all without affecting the priorities set forth in Section 2.1(a) or the provisions of this Agreement defining the relative rights of the Super-Senior Claimholders of any Series.

(d) Notwithstanding the date, time, method, manner or order of grant, attachment or perfection of any Liens securing any Series of Super-Senior Obligations granted on the Shared Collateral and notwithstanding any provision of the Uniform Commercial Code of any jurisdiction, or any other applicable law or the Super-Senior Documents or any defect or deficiencies in the Liens securing the Super-Senior Obligations of any Series or any other circumstance whatsoever (but, in each case, subject to Section 2.1(b)), each Super-Senior Claimholder hereby agrees that the Liens securing each Series of Super-Senior Obligations on any Shared Collateral shall be of equal priority.

(e) Notwithstanding anything in this Agreement or any other Super-Senior Document to the contrary, prior to the Discharge of the Credit Agreement Obligations, Collateral consisting of cash and cash equivalents pledged to secure Credit Agreement Obligations consisting of reimbursement obligations in respect of letters of credit pursuant to the Credit Agreement shall be applied as specified in the Credit Agreement and will not constitute Shared Collateral.

(b) Without limiting the provisions of Section 4.2, each Representative and Collateral Agent that is not the Applicable Collateral Agent hereby appoints the Applicable Collateral Agent as its agent and authorizes the Applicable Collateral Agent to exercise any and all remedies under each Super-Senior Collateral Document with respect to Shared Collateral and to execute releases in connection therewith.

(c) Notwithstanding the equal priority of the Liens securing each Series of Super-Senior Obligations granted on the Shared Collateral, the Applicable Collateral Agent (acting on the instructions of the Applicable Representative) may deal with the Shared Collateral as if such Applicable Collateral Agent had a senior and exclusive Lien on such Shared Collateral. No Non-Controlling Representative, Non-Controlling Claimholder or Collateral Agent that is not the Applicable Collateral Agent will contest, protest or object to any foreclosure proceeding or action brought by the Applicable Collateral Agent, the Applicable Representative or the Controlling Claimholders or any other exercise by the Applicable Collateral Agent, the Applicable Representative or the Controlling Claimholders of any rights and remedies relating to the Shared Collateral. The foregoing shall not be construed to limit the rights and priorities of

any Super-Senior Claimholder, Collateral Agent or Representative with respect to any Collateral not constituting Shared Collateral.

(e) Each of the Super-Senior Claimholders agrees that it will not (and hereby waives any right to) contest or support any other Person in contesting, in any proceeding (including any Insolvency or Liquidation Proceeding), the perfection, priority, validity or enforceability of a Lien held by or on behalf of any of the Super-Senior Claimholders in all or any part of the Collateral or the provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair (i) the rights of any Collateral Agent or any Representative to enforce this Agreement or (ii) the rights of any Super-Senior Secured Party to contest or support any other Person in contesting the enforceability of any Lien purporting to secure obligations not constituting Super-Senior Obligations.

SECTION 2.3 No Interference; Payment Over; Exculpatory Provisions.

(a) Each Super-Senior Claimholder agrees that (i) it will not challenge or question or support any other Person in challenging or questioning in any proceeding the validity or enforceability of any Super-Senior Obligations of any Series or any Super-Senior Collateral Document or the validity, attachment, perfection or priority of any Lien under any Super-Senior Collateral Document or the validity or enforceability of the priorities, rights or duties established by or other provisions of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any Super-Senior Claimholder from challenging or questioning the validity or enforceability of any Super-Senior Obligations constituting unmatured interest or the validity of any Lien relating thereto pursuant to Section 502(b)(2) of the Bankruptcy Code, (ii) it will not take or cause to be taken any action the purpose or intent of which is, or could be, to interfere, hinder or delay, in any manner, whether by judicial proceedings or otherwise, any sale, transfer or other disposition of the Collateral by the Applicable Collateral Agent, (iii) except as provided in Section 2.2, it shall have no right to and shall not otherwise (A) direct the Applicable Collateral Agent or any other Super-Senior Claimholder to exercise any right, remedy or power with respect to any Shared Collateral (including pursuant to any other intercreditor agreement) or (B) consent to, or object to, the exercise by, or any forbearance from exercising by, the Applicable Collateral Agent or any other Super-Senior Claimholder represented by it of any right, remedy or power with respect to any Collateral, (iv) it will not institute any suit or assert in any suit, bankruptcy, insolvency or other proceeding any claim against the Applicable Collateral Agent or any other Super-Senior Claimholder represented by it seeking damages from or other relief by way of specific performance, instructions or otherwise with respect to any Collateral, (v) it will not (and hereby

waives any right to) seek to have any Shared Collateral or any part thereof marshaled upon any foreclosure or other disposition of such Shared Collateral, and (vi) it will not attempt, directly or indirectly, whether by judicial proceedings or otherwise, to challenge the enforceability of any provision of this Agreement; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any of the Applicable Collateral Agent or any other Super-Senior Claimholder to (i) enforce this Agreement or (ii) contest or support any other Person in contesting the enforceability of any Lien purporting to secure obligations not constituting Super-Senior Obligations.

(b) Each Super-Senior Claimholder hereby agrees that if it shall obtain possession of any Shared Collateral or shall realize any proceeds or payment in respect of any Shared Collateral, pursuant to any Super-Senior Collateral Document or by the exercise of any rights available to it under applicable law or in any Insolvency or Liquidation Proceeding or through any other exercise of remedies (including pursuant to any intercreditor agreement), at any time prior to the Discharge of each of the Super-Senior Obligations, then it shall hold such Shared Collateral, proceeds or payment in trust for the other Super-Senior Claimholders having a security interest in such Shared Collateral and promptly transfer any such Shared Collateral, proceeds or payment, as the case may be, to the Applicable Collateral Agent, to be distributed by such Applicable Collateral Agent in accordance with the provisions of Section 2.1(a) hereof, provided, however, that the foregoing shall not apply to any Shared Collateral purchased by any Super-Senior Claimholder for cash pursuant to any exercise of remedies permitted hereunder.

SECTION 2.4 Automatic Release of Liens.

(a) If, at any time any Shared Collateral is transferred to a third party or otherwise disposed of, in each case, in connection with any enforcement by the Applicable Collateral Agent in accordance with the provisions of this Agreement, then (whether or not any Insolvency or Liquidation Proceeding is pending at the time) the Liens in favor of the other Collateral Agents for the benefit of each Series of Super-Senior Claimholders (or in favor of such other Super-Senior Claimholders if directly secured by such Liens) upon such Shared Collateral will automatically be released and discharged upon final conclusion of such disposition as and when, but only to the extent, such Liens of the Applicable Collateral Agent on such Shared Collateral are released and discharged; provided that any proceeds of any Shared Collateral realized therefrom shall be applied pursuant to Section 2.1 hereof. If in connection with any such foreclosure or other exercise of remedies by the Applicable Collateral Agent, the Applicable Collateral Agent or related Applicable Representative of such Series of Super-Senior Obligations releases any guarantor from its obligation under a guarantee of the Series of Super-Senior Obligations for which it serves as agent prior to a Discharge of such Series of Super-Senior Obligations, such guarantor also shall be released from its guarantee of all other Super-Senior Obligations. If in connection with any such foreclosure or other exercise of remedies by the Applicable Collateral Agent, the equity interests of any Person are foreclosed upon or otherwise disposed of and the Applicable Collateral Agent releases its Lien on the property or

assets of such Person, then the Liens of each other Collateral Agent (or in favor of such other Super-Senior Claimholders if directly secured by such Liens) with respect to any Collateral consisting of the property or assets of such Person will be automatically released to the same extent as the Liens of the Applicable Collateral Agent are released; provided that any Proceeds of any such equity interests foreclosed upon where the Applicable Collateral Agent releases its Lien on the assets of such Person on which another Series of Super-Senior Obligations holds a Lien on any of the assets of such Person (any such assets, the "Underlying Assets") which Lien is released as provided in this sentence (any such Proceeds being referred to herein as "Equity Release Proceeds" regardless of whether or not such other Series of Super-Senior Obligations holds a Lien on such equity interests so disposed of) shall be applied pursuant to Section 2.1 hereof.

(b) Without limiting the rights of the Applicable Collateral Agent under Section 4.2, each Collateral Agent and each Representative agrees to execute and deliver (at the sole cost and expense of the Grantors) all such authorizations and other instruments as shall reasonably be requested by the Applicable Collateral Agent to evidence and confirm any release of Shared Collateral, Underlying Assets or guarantee provided for in this Section.

SECTION 2.5 Certain Agreements with Respect to Bankruptcy or Insolvency Proceedings.

(a) This Agreement shall continue in full force and effect notwithstanding the commencement of any proceeding under the Bankruptcy Code, any other Bankruptcy Law or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law by or against any Grantor or any of its subsidiaries.

(b) If any Grantor shall become subject to a case (a "Bankruptcy Case") under the Bankruptcy Code and shall, as debtor(s)-in-possession, move for approval of financing ("DIP Financing") to be provided by one or more lenders (the "DIP Lenders") under Section 364 of the Bankruptcy Code or the use of cash collateral under Section 363 of the Bankruptcy Code, each Super-Senior Claimholder (other than any Controlling Claimholder or any Representative of any Controlling Claimholder) agrees that it will not raise any objection to any such DIP Financing or to the Liens on the Shared Collateral securing such DIP Financing (and all obligations relating thereto, including any "carve-out" from the Shared Collateral granting administrative priority status or Lien priority to secure the payment of fees and expenses of the United States Trustee or professionals retained by any debtor or creditors' committee agreed to by the Applicable Collateral Agent or the Controlling Claimholders) ("DIP Financing Liens") or to any use of cash collateral that constitutes Shared Collateral, unless a Representative of the Controlling Claimholders shall then oppose or object to such DIP Financing or such DIP Financing Liens or use of cash collateral (and (i) to the extent that such DIP Financing Liens are senior to the Liens on any such Shared Collateral for the benefit of the Controlling Claimholders, each Non-Controlling Claimholder will subordinate its Liens with respect to such Shared Collateral on the same terms as the Liens of the Controlling Claimholders (other than any Liens of any Super-Senior Claimholders constituting DIP Financing Liens) are subordinated thereto, and (ii) to the extent that such DIP Financing Liens rank *pari passu* with the Liens on any such Shared Collateral granted to secure the Super-Senior Obligations of the Controlling Claimholders, each Non-Controlling Claimholder will confirm the priorities with respect to such Shared Collateral as

set forth herein), in each case so long as (A) the Super-Senior Claimholders of each Series retain the benefit of their Liens on all such Shared Collateral pledged to the DIP Lenders, including proceeds thereof arising after the commencement of such proceeding, with the same priority vis-à-vis all the other Super-Senior Claimholders (other than any Liens of the Super-Senior Claimholders constituting DIP Financing Liens) as existed prior to the commencement of the Bankruptcy Case, (B) the Super-Senior Claimholders of each Series are granted Liens on any additional collateral pledged to any Super-Senior Claimholders as adequate protection or otherwise in connection with such DIP Financing or use of cash collateral, with the same priority vis-à-vis the Super-Senior Claimholders as set forth in this Agreement (other than any Liens of any Super-Senior Claimholders constituting DIP Financing Liens), (C) if any amount of such DIP Financing or cash collateral is applied to repay any of the Super-Senior Obligations, such amount is applied pursuant to Section 2.1(a), and (D) if any Super-Senior Claimholders are granted adequate protection with respect to the Super-Senior Obligations subject hereto, including in the form of periodic payments, in connection with such use of cash collateral, the proceeds of such adequate protection are applied pursuant to Section 2.1(a); provided that the Super-Senior Claimholders of each Series shall have a right to object to the grant of a Lien to secure the DIP Financing over any Collateral subject to Liens in favor of the Super-Senior Claimholders of such Series or its Representative that shall not constitute Shared Collateral (unless such Collateral fails to constitute Shared Collateral because the Lien in respect thereof constitutes a Declined Lien with respect to such Super-Senior Claimholders or their Representative or Collateral Agent); provided, further, that the Super-Senior Claimholders receiving adequate protection shall not object to any other Super-Senior Claimholder receiving adequate protection comparable to any adequate protection granted to such Super-Senior Claimholders in connection with a DIP Financing or use of cash collateral.

(c) If any Super-Senior Claimholder is granted adequate protection (A) in the form of Liens on any additional collateral, then each other Super-Senior Claimholder shall be entitled to seek, and each Super-Senior Claimholder will consent and not object to, adequate protection in the form of Liens on such additional collateral with the same priority vis-à-vis the Super-Senior Claimholders as set forth in this Agreement, (B) in the form of a superpriority or other administrative claim, then each other Super-Senior Claimholder shall be entitled to seek, and each Super-Senior Claimholder will consent and not object to, adequate protection in the form of a pari passu superpriority or administrative claim or (C) in the form of periodic or other cash payments, then the proceeds of such adequate protection must be applied to all Super-Senior Obligations pursuant to Section 2.1.

SECTION 2.6 Reinstatement. In the event that any of the Super-Senior Obligations shall be paid in full and such payment or any part thereof shall subsequently, for whatever reason (including an order or judgment for disgorgement of a preference under Title 11 of the Bankruptcy Code, or any other Bankruptcy Law, or the settlement of any claim in respect thereof), be required to be returned or repaid, the terms and conditions of this Agreement shall be fully applicable thereto until all such Super-Senior Obligations shall again have been paid in full in cash. This Section 2.6 shall survive termination of this Agreement.

SECTION 2.7 Insurance and Condemnation Awards. As among the Super-Senior Claimholders, the Applicable Collateral Agent (acting at the direction of the Applicable Representative), shall have the right, but not the obligation, to adjust or settle any insurance policy or

claim covering or constituting Shared Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding affecting the Shared Collateral. To the extent any Collateral Agent or any other Super-Senior Claimholder receives proceeds of such insurance policy and such proceeds are not permitted or required to be returned to any Grantor under the applicable Super-Senior Documents, such proceeds shall be turned over to the Applicable Collateral Agent for application as provided in Section 2.1 hereof.

SECTION 2.8 Refinancings. The Super-Senior Obligations of any Series may, subject to Section 5.14, be Refinanced, in whole or in part, in each case, without notice to, or the consent (except to the extent a consent is otherwise required to permit the Refinancing transaction under any Super-Senior Document) of any Super-Senior Claimholder of any other Series, all without affecting the priorities provided for herein or the other provisions hereof; provided that the Representative and Collateral Agent of the holders of any such Refinancing Indebtedness shall have executed a Joinder Agreement on behalf of the holders of such Refinancing Indebtedness. If such Refinancing Indebtedness is intended to constitute a Replacement Credit Agreement, the Borrower Representative shall so state in its Designation.

SECTION 2.9 Gratuitous Bailee/Agent for Perfection.

(a) The Applicable Collateral Agent shall be entitled to hold any Possessory Collateral constituting Shared Collateral.

(b) Notwithstanding the foregoing, each Collateral Agent agrees to hold any Possessory Collateral constituting Shared Collateral and any other Shared Collateral from time to time in its possession or control (or in the possession or control of its agents or bailees) as gratuitous bailee for the benefit of each other Super-Senior Claimholder (such bailment being intended, among other things, to satisfy the requirements of Sections 8-106(d)(3), 8-301(a)(2) and 9-313(c) of the UCC) and any assignee, solely for the purpose of perfecting the security interest granted in such Shared Collateral, if any, pursuant to the applicable Super-Senior Collateral Documents, in each case, subject to the terms and conditions of this Section 2.9. Solely with respect to any Deposit Accounts constituting Shared Collateral under the control (within the meaning of Section 9-104 of the UCC) of any Collateral Agent, each such Collateral Agent agrees to also hold control over such Deposit Accounts as gratuitous agent for each other Super-Senior Claimholder and any assignee solely for the purpose of perfecting the security interest in such Deposit Accounts, subject to the terms and conditions of this Section 2.9.

(c) No Collateral Agent shall have any obligation whatsoever to any Super-Senior Claimholder to ensure that the Possessory Collateral and Control Collateral is genuine or owned by any of the Grantors or to preserve rights or benefits of any Person except as expressly set forth in this Section 2.9. The duties or responsibilities of each Collateral Agent under this Section 2.9 shall be limited solely to holding any Possessory Collateral constituting Shared Collateral or any other Shared Collateral in its possession or control as gratuitous bailee (and with respect to Deposit Accounts, as gratuitous agent) in accordance with this Section 2.9 and delivering the Possessory Collateral constituting Shared Collateral as provided in Section 2.9(e) below.

(d) None of the Collateral Agents or any of the Super-Senior Claimholders shall have by reason of the Super-Senior Documents, this Agreement or any other document a fiduciary relationship in respect of the other Collateral Agents or any other Super-Senior Claimholder, and each Collateral Agent and each Super-Senior Claimholder hereby waives and releases the other Collateral Agents and Super-Senior Claimholders from all claims and liabilities arising pursuant to any Collateral Agent's role under this Section 2.9 as gratuitous bailee with respect to the Possessory Collateral constituting Shared Collateral or any other Shared Collateral in its possession or control (and with respect to the Deposit Accounts, as gratuitous agent).

(e) At any time the Applicable Collateral Agent is no longer the Applicable Collateral Agent, such outgoing Applicable Collateral Agent shall deliver the remaining Possessory Collateral constituting Shared Collateral in its possession (if any) together with any necessary endorsements (which endorsement shall be without recourse and without any representation or warranty), first, to the then Applicable Collateral Agent to the extent Super-Senior Obligations remain outstanding and second, to the applicable Grantor to the extent no Super-Senior Obligations remain outstanding (in each case, so as to allow such Person to obtain possession or control of such Shared Collateral) or to whomever may be lawfully entitled to receive the same, including pursuant to any Second Lien Intercreditor Agreement (as defined in the Credit Agreement), if applicable. The outgoing Applicable Collateral Agent further agrees to take all other action reasonably requested by the then Applicable Collateral Agent at the expense of the Borrowers in connection with the then Applicable Collateral Agent obtaining a superpriority security interest in the Shared Collateral.

SECTION 2.10 Amendments to Super-Senior Collateral Documents.Without the prior written consent of each other Collateral Agent, each Collateral Agent agrees that no Super-Senior Collateral Document may be amended, restated, amended and restated, supplemented, replaced or Refinanced or otherwise modified from time to time or entered into to the extent such amendment, restatement, supplement, replacement, Refinancing or modification, or the terms of any new Super-Senior Collateral Document, would be prohibited by, or would require any Grantor to act or refrain from acting in a manner that would violate, the express terms of this Agreement.

(b) In determining whether an amendment to any Super-Senior Collateral Document is permitted by this Section 2.10, each Collateral Agent may conclusively rely on an officer's certificate of the Borrower Representative stating that such amendment is permitted by this Section 2.10.

SECTION 2.11 Similar Liens and Agreements.

(a) Subject to Section 2.11(b) below, the parties hereto agree that it is their intention that the Collateral be identical for all Super-Senior Claimholders provided, that this provision will not be violated with respect to any particular Series if the Super-Senior Document for such Series prohibits the Collateral Agent for that Series from accepting a Lien on such asset or property or such Collateral Agent otherwise expressly declines to accept a Lien on such asset or property (any such prohibited or declined Liens with respect to a particular Series, a "Declined

Lien"). In furtherance of, but subject to, the foregoing, the parties hereto agree, subject to the other provisions of this Agreement:

(i) upon request by any Collateral Agent, to cooperate in good faith (and to direct their counsel to cooperate in good faith) from time to time in order to determine the specific items included in the Shared Collateral and the steps taken to perfect their respective Liens thereon and the identity of the respective parties obligated under the Credit Agreement Documents and the Other Super-Senior Documents; and

(ii) that the documents and agreements creating or evidencing the Liens on Shared Collateral securing the Credit Agreement Obligations and the Other Super-Senior Obligations shall, subject to the terms and conditions of Section 5.2, be in all material respects the same forms of documents as one another, except that the documents and agreements creating or evidencing the Liens securing the Other Super-Senior Obligations may contain additional provisions as may be necessary or appropriate to establish the intercreditor arrangements among the various separate classes of creditors holding Other Super-Senior Obligations and to address any Declined Lien.

(b) Notwithstanding anything in this Agreement or any other Super-Senior Documents to the contrary, Collateral consisting of cash and cash equivalents pledged to secure reimbursement obligations in respect of letters of credit shall solely secure and shall be applied as specified in the Credit Agreement or Other Super-Senior Agreement, as applicable, pursuant to which such letters of credit were issued and will not constitute Shared Collateral.

ARTICLE III.

EXISTENCE AND AMOUNTS OF LIENS AND OBLIGATIONS

Whenever any Applicable Collateral Agent or any Applicable Representative shall be required, in connection with the exercise of its rights or the performance of its obligations hereunder, to determine the existence or amount of any Super-Senior Obligations of any Series, or the Shared Collateral subject to any Lien securing the Super-Senior Obligations of any Series, it may request that such information be furnished to it in writing by each other Representative or each other Collateral Agent and shall be entitled to make such determination or not make any determination on the basis of the information so furnished; provided, however, that if a Representative or a Collateral Agent shall fail or refuse reasonably promptly to provide the requested information, the requesting Applicable Collateral Agent or Applicable Representative shall be entitled to make any such determination or not make any determination by such method as it may, in the exercise of its good faith judgment, determine, including by reliance upon a certificate of the Borrower Representative. Each Applicable Collateral Agent and each Applicable Representative may rely conclusively, and shall be fully protected in so relying, on any determination made by it in accordance with the provisions of the preceding sentence (or as otherwise directed by a court of competent jurisdiction) and shall have no liability to any Grantor, any Super-Senior Claimholder or any other person as a result of such determination.

ARTICLE IV.

THE APPLICABLE COLLATERAL AGENT

SECTION 4.1 Authority.

(a) Notwithstanding any other provision of this Agreement, nothing herein shall be construed to impose any fiduciary or other duty on any Applicable Collateral Agent to any Non-Controlling Claimholder or give any Non-Controlling Claimholder the right to direct any Applicable Collateral Agent, except that each Applicable Collateral Agent shall be obligated to distribute proceeds of any Shared Collateral in accordance with Section 2.1 hereof.

(b) In furtherance of the foregoing, each Non-Controlling Claimholder acknowledges and agrees that the Applicable Collateral Agent shall be entitled, for the benefit of the Super-Senior Claimholders, to sell, transfer or otherwise dispose of or deal with any Shared Collateral as provided herein and in the Super-Senior Collateral Documents, as applicable, without regard to any rights to which the Non-Controlling Claimholders would otherwise be entitled as a result of the Super-Senior Obligations held by such Non-Controlling Claimholders. Without limiting the foregoing, each Non-Controlling Claimholder agrees that none of the Applicable Collateral Agent, the Applicable Representative or any other Super-Senior Claimholder shall have any duty or obligation first to marshal or realize upon any type of Shared Collateral (or any other Collateral securing any of the Super-Senior Obligations), or to sell, dispose of or otherwise liquidate all or any portion of such Shared Collateral (or any other Collateral securing any Super-Senior Obligations), in any manner that would maximize the return to the Non-Controlling Claimholders, notwithstanding that the order and timing of any such realization, sale, disposition or liquidation may affect the amount of proceeds actually received by the Non-Controlling Claimholders from such realization, sale, disposition or liquidation. Each of the Super-Senior Claimholders waives any claim it may now or hereafter have against any Collateral Agent or Representative of any other Series of Super-Senior Obligations or any other Super-Senior Claimholder of any other Series arising out of (i) any actions which any such Collateral Agent, Representative or any Super-Senior Claimholder represented by it takes or omits to take (including actions with respect to the creation, perfection or continuation of Liens on any Collateral, actions with respect to the foreclosure upon, sale, release or depreciation of, or failure to realize upon, any of the Collateral and actions with respect to the collection of any claim for all or any part of the Super-Senior Obligations from any account debtor, guarantor or any other party) in accordance with the Super-Senior Collateral Documents or any other agreement related thereto or in connection with the collection of the Super-Senior Obligations or the valuation, use, protection or release of any security for the Super-Senior Obligations; provided that nothing in this clause (i) shall be construed to prevent or impair the rights of any Collateral Agent or Representative to enforce this Agreement, (ii) any election by any Applicable Representative or any holders of Super-Senior Obligations, in any proceeding instituted under the Bankruptcy Code, of the application of Section 1111(b) of the Bankruptcy Code or (iii) subject to Section 2.5, any borrowing, or grant of a security interest or administrative expense priority under Section 364 of the Bankruptcy Code or any equivalent provision of any other Bankruptcy Law, by the Borrowers, Ultimate Parent or any of its other Subsidiaries, as debtor-in-possession. Notwithstanding any other provision of this Agreement, the Applicable Collateral Agent shall not (i) accept any Shared Collateral in full or partial

satisfaction of any Super-Senior Obligations pursuant to Section 9-620 of the Uniform Commercial Code of any jurisdiction, without the consent of each Representative representing holders of Super-Senior Obligations for whom such Collateral constitutes Shared Collateral or (ii) "credit bid" for or purchase (other than for cash) Shared Collateral at any public, private or judicial foreclosure upon such Shared Collateral, without the consent of each Representative representing holders of Super-Senior Obligations for whom such Collateral constitutes Shared Collateral.

SECTION 4.2 Power-of-Attorney.

Each Non-Controlling Representative and Collateral Agent that is not the Applicable Collateral Agent, for itself and on behalf of each other Super-Senior Claimholder of the Series for whom it is acting, hereby irrevocably appoints the Applicable Collateral Agent and any officer or agent of the Applicable Collateral Agent, which appointment is coupled with an interest with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Non-Controlling Representative, Collateral Agent or Super-Senior Claimholder, to take any and all appropriate action and to execute any and all documents and instruments which may be necessary to accomplish the purposes of this Agreement, including the exercise of any and all remedies under each Super-Senior Collateral Document with respect to Shared Collateral and the execution of releases in connection therewith.

ARTICLE V.

MISCELLANEOUS

SECTION 5.1 Integration/Conflicts.

This Agreement, together with the other Super-Senior Documents and the Super-Senior Collateral Documents, represents the entire agreement of each of the Grantors and the Super-Senior Claimholders with respect to the subject matter hereof and thereof and supersedes any and all previous agreements and understandings, oral or written, relating to the subject matter hereof and thereof. There are no promises, undertakings, representations or warranties by any Representative, Collateral Agent or Super-Senior Claimholder relative to the subject matter hereof and thereof not expressly set forth or referred to herein or therein. In the event of any conflict between the provisions of this Agreement and the provisions of the Super-Senior Documents the provisions of this Agreement shall govern and control.

SECTION 5.2 Effectiveness; Continuing Nature of this Agreement; Severability.

This Agreement shall become effective when executed and delivered by the parties hereto. This is a continuing agreement and the Super-Senior Claimholders of any Series may continue, at any time and without notice to any Super-Senior Claimholder of any other Series, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrowers or any Grantor constituting Super-Senior Obligations in reliance hereon. Each Representative and each Collateral Agent, on behalf of itself and each other Super-Senior Claimholder represented by it, hereby waives any right it may have under applicable law to revoke this

Agreement or any of the provisions of this Agreement. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. The parties hereto shall endeavor in good-faith negotiations to replace any invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to those of the invalid, illegal or unenforceable provisions. All references to any Borrower or any other Grantor shall include such Borrower or such Grantor as debtor and debtor in possession and any receiver, trustee or similar person for any Borrower or any other Grantor (as the case may be) in any Insolvency or Liquidation Proceeding. This Agreement shall terminate and be of no further force and effect with respect to any Representative or Collateral Agent and the Super-Senior Claimholders represented by such Representative or Collateral Agent and their Super-Senior Obligations, on the date on which there has been a Discharge of such Series of Super-Senior Obligations, subject to the rights of the Super-Senior Claimholders under Section 2.6; provided, however, that such termination shall not relieve any such party of its obligations incurred hereunder prior to the date of such termination.

SECTION 5.3 Amendments; Waivers.

(a) No amendment, modification or waiver of any of the provisions of this Agreement shall be deemed to be made unless the same shall be in writing signed on behalf of each party hereto or its authorized agent and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time. Notwithstanding the foregoing, the Borrowers and the other Grantors shall not have any right to consent to or approve any amendment, modification or waiver of any provision of this Agreement except to the extent that it could reasonably be expected to adversely affect any of the Borrowers or the other Grantors.

(b) Notwithstanding the foregoing, without the consent of any Super-Senior Claimholder, any Representative and Collateral Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 5.14 of this Agreement and upon such execution and delivery, such Representative and Collateral Agent and the Other Super-Senior Claimholders and Other Super-Senior Obligations of the Series for which such Representative and Collateral Agent is acting shall be subject to the terms hereof.

(c) Notwithstanding the foregoing, without the consent of any other Representative or Super-Senior Claimholder, the Applicable Collateral Agent may effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of any Other Super-Senior Obligations in compliance with the Credit Agreement and the other Super-Senior Documents.

SECTION 5.4 Information Concerning Financial Condition of the Grantors and their Subsidiaries.

The Representative and Collateral Agent and the other Super-Senior Claimholders of each Series shall each be responsible for keeping themselves informed of (a) the financial condition of the Grantors and their Subsidiaries and all endorsers and/or guarantors of the Super-Senior Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the Super-Senior Obligations. The Representative and Collateral Agent and the other Super-Senior Claimholders of each Series shall have no duty to advise the Representative, Collateral Agent or Super-Senior Claimholders of any other Series of information known to it or them regarding such condition or any such circumstances or otherwise. In the event the Representative or Collateral Agent or any of the other Super-Senior Claimholders, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to the Representative, Collateral Agent or Super-Senior Claimholders of any other Series, it or they shall be under no obligation:

(a) to make, and such Representative and Collateral Agent and such other Super-Senior Claimholders shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided;

(b) to provide any additional information or to provide any such information on any subsequent occasion;

(c) to undertake any investigation; or

(d) to disclose any information, which pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

SECTION 5.5 Submission to Jurisdiction; Certain Waivers.

The Borrowers, each other Grantor, each Collateral Agent and each Representative, on behalf of itself and each other Super-Senior Claimholder represented by it, hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the Super-Senior Collateral Documents (whether arising in contract, tort or otherwise) to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the exclusive (subject to Section 5.5(c) below) general jurisdiction of the courts of the State of New York sitting in the Borough of Manhattan, the courts of the United States for the Southern District of New York sitting in the Borough of Manhattan, and appellate courts from any thereof;

(b) agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York state court or, to the fullest extent permitted by applicable law, in such federal court;

(c) agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law and that nothing in this Agreement or any other Super-Senior Document

shall affect any right that any Collateral Agent, Representative or other Super-Senior Claimholder may otherwise have to bring any action or proceeding relating to this Agreement or any other Super-Senior Document against such Grantor or any of its assets in the courts of any jurisdiction;

(d) waives, to the fullest extent permitted by applicable law, any objection that it may now or hereafter have to the laying of venue of any action or proceeding arising out of or relating to this Agreement or any other Super-Senior Collateral Document in any court referred to in Section 5.5(a) (and irrevocably waives to the fullest extent permitted by applicable law the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court);

(e) consents to service of process in any such proceeding in any such court by registered or certified mail, return receipt requested, to the applicable party at its address provided in accordance with Section 5.7 (and agrees that nothing in this Agreement will affect the right of any party hereto to serve process in any other manner permitted by applicable law);

(f) agrees that service as provided in Section 5.5(e) above is sufficient to confer personal jurisdiction over the applicable party in any such proceeding in any such court, and otherwise constitutes effective and binding service in every respect; and

(g) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover any special, exemplary, punitive or consequential damages.

SECTION 5.6 WAIVER OF JURY TRIAL.**EACH PARTY HERETO, THE BORROWERS AND THE OTHER GRANTORS HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER SUPER-SENIOR DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT, BREACH OF DUTY, COMMON LAW, STATUTE OR ANY OTHER THEORY). EACH PARTY HERETO, EACH BORROWER AND EACH OTHER GRANTOR (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PERSON HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PERSON WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT EACH SUCH PARTY HERETO, EACH BORROWER AND EACH OTHER GRANTOR HAVE BEEN INDUCED TO ENTER INTO OR ACKNOWLEDGE THIS AGREEMENT AND THE OTHER SUPER-SENIOR DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION. EACH PARTY HERETO, EACH BORROWER AND EACH OTHER GRANTOR FURTHER REPRESENTS AND WARRANTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.**

SECTION 5.7 Notices.

Unless otherwise specifically provided herein, any notice hereunder shall be in writing and may be personally served or sent by facsimile, electronic mail or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service and signed for against receipt thereof, upon receipt of facsimile or electronic mail, or three Business Days after depositing it in the United States mail with postage prepaid and properly addressed. SECTION 5.8 Further Assurances.

Each Representative and Collateral Agent, on behalf of itself and each other Super-Senior Claimholder represented by it, and the Borrowers and each other Grantor, agree that each of them shall take such further action and shall execute and deliver such additional documents and instruments (in recordable form, if requested) as any Representative and Collateral Agent may reasonably request to effectuate the terms of and the Lien priorities contemplated by this Agreement.

SECTION 5.10 GOVERNING LAW.

THIS AGREEMENT, AND ANY DISPUTE, CLAIM OR CONTROVERSY ARISING OUT OF OR RELATING TO THIS AGREEMENT (WHETHER ARISING IN CONTRACT, TORT OR OTHERWISE) SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW RULES THAT WOULD RESULT IN THE APPLICATION OF A DIFFERENT GOVERNING LAW (OTHER THAN ANY MANDATORY PROVISIONS OF THE UCC RELATING TO THE LAW GOVERNING PERFECTION AND THE EFFECT OF PERFECTION OR PRIORITY OF THE SECURITY INTERESTS).

No provision of this Agreement will inure to the benefit of a trustee, debtor-in-possession, creditor trust or other representative of an estate or creditor of any Grantor, including where any such trustee, debtor-in-possession, creditor trust or other representative of an estate is the beneficiary of a Lien securing Collateral by virtue of the avoidance of such Lien in an Insolvency or Liquidation Proceeding.

SECTION 5.12 Section Headings.

SECTION 5.13 Counterparts.

This Agreement may be executed in one or more counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original for all purposes, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by telecopy or electronic transmission (including Adobe pdf file) shall be as effective as delivery of a manually executed counterpart of this Agreement.

Any such Additional Super-Senior Debt and any Series of Other Super-Senior Obligations or Replacement Credit Agreement Obligations, as applicable, may be secured by a Lien on a ratable basis, in each case under and pursuant to the applicable Super-Senior Collateral Documents of such Series, if, and subject to the condition that, the Additional Super-Senior Collateral Agent and Additional Super-Senior Representative of any such Additional Super-Senior Debt, acting on behalf of the holders of such Additional Super-Senior Debt and the holders of such Other Super-Senior Obligations or Replacement Credit Agreement Obligations, as applicable (such Additional Super-Senior Collateral Agent, Additional Super-Senior Representative, the holders in respect of such Additional Super-Senior Debt and the holders Other Super-Senior Obligations or other Replacement Credit Agreement Obligations, as applicable, being referred to as "Additional Super-Senior Claimholders"), each becomes a party to this Agreement by satisfying the conditions set forth in Section 5.14(b).

Notwithstanding (i) the date, time, manner or order of filing or recordation of any document or instrument or grant, attachment or perfection (including any defect or deficiency or alleged defect or deficiency in any of the foregoing) of any Liens granted to any Second Lien Collateral Agent, any Second Lien Representative or any other Second Lien Secured Parties on the Common Collateral or of any Liens granted to any First Lien Collateral Agent, any First Lien Representative or any other First Lien Secured Parties on the Common Collateral, (ii) any provision of the UCC, PPSA, the Bankruptcy Code, any applicable Bankruptcy Law or other applicable law, the Second Lien Documents or the First Lien Documents, (iii) whether any First Lien Collateral Agent, either directly or through agents, holds possession of, or has control over, all or any part of the Common Collateral, (iv) the fact that any such Liens may be subordinated, voided, avoided, invalidated or lapsed or (v) any other

circumstance of any kind or nature whatsoever, each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, hereby agrees that: (a) any Lien on the Common Collateral securing any First Lien Obligations up to the First Lien Cap now or hereafter held by or on behalf of any First Lien Collateral Agent or any First Lien Secured Parties or any agent or trustee therefor regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall have priority over and be senior and prior to any Lien on the Common Collateral securing any Second Lien Obligations in all respects, and (b) any Lien on the Common Collateral securing any Second Lien Obligations now or hereafter held by or on behalf of any Second Lien Collateral Agent or any Second Lien Secured Parties or any agent or trustee therefor regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Common Collateral securing any First Lien Obligations up to the First Lien Cap. All Liens on the Common Collateral securing any First Lien Obligations up to the First Lien Cap shall be and remain senior in all respects and prior to all Liens on the Common Collateral securing any Second Lien Obligations for all purposes, whether or not such Liens securing any First Lien Obligations up to the First Lien Cap are subordinated to any Lien securing any other obligation of any Borrower, any other Grantor or any other Person. Each Second Lien Collateral Agent, for itself and on behalf of the applicable Second Lien Secured Parties, expressly agrees that any Lien purported to be granted on any Common Collateral as security for the First Lien Obligations up to the First Lien Cap shall be deemed to be, and shall be deemed to remain, senior in all respects and prior to all Liens on the Common Collateral securing any Second Lien Obligations for all purposes regardless of whether the Lien purported to be granted is found to be improperly granted, improperly perfected, preferential, a fraudulent conveyance or legally or otherwise deficient in any manner.

2.2 Prohibition on Contesting Liens. Each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, agrees that (a) it shall not (and hereby waives any right to) take any action to challenge, contest or support any other Person in contesting or challenging, directly or indirectly, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, perfection, priority or enforceability of a Lien securing any First Lien Obligations held (or purported to be held) by or on behalf of any First Lien Collateral Agent or any of the First Lien Secured Parties or any agent or trustee therefor in any Common Collateral and (b) none of them will oppose or otherwise contest (or support any Person contesting) any other request for judicial relief made in any court by any First Lien Collateral Agent, any First Lien Representative or any of the other First Lien Secured Parties relating to the lawful enforcement of any Lien on Common Collateral; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any First Lien Secured Party or Second Lien Secured Party to enforce this Agreement. Each First Lien Collateral Agent, for itself and on behalf of each applicable First Lien Secured Party, agrees that it shall not (and hereby waives any right to) take any action to challenge, contest or support any other Person in contesting or challenging, directly or indirectly, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, perfection, priority or enforceability of a Lien securing any Second Lien Obligations held (or purported to be held) by or on behalf of any Second Lien Collateral Agent or any of the Second Lien Secured Parties or any agent or trustee therefor in any Common Collateral; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any First Lien Secured Party or Second Lien Secured Party to enforce this Agreement.

2.3 No New Liens.

(a) So long as the Discharge of First Lien Obligations has not occurred, the parties hereto agree that, after the date hereof, no Second Lien Collateral Agent, Second Lien Representative or Second Lien Secured Party shall acquire or hold any Lien on any assets of the Borrowers or any other Grantor (and neither the Borrowers nor any Grantor shall grant such Lien) securing any Second Lien Obligations that are not also subject to a First Priority Lien in respect of the First Lien Obligations under the First Lien Documents. If any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party shall (nonetheless and in breach hereof) acquire or hold any Lien on any assets

of the Borrowers or any other Grantor securing any Second Lien Obligations that are not also subject to the First Priority Lien in respect of the First Lien Obligations under the First Lien Documents, then such Second Lien Collateral Agent, such Second Lien Representative or such Second Lien Secured Party shall, without the need for any further consent of any party and notwithstanding anything to the contrary in any other document, (i) notify the Designated First Lien Collateral Agent promptly upon becoming aware thereof and, unless such Grantor shall promptly grant a similar Lien on such assets or property to each First Lien Collateral Agent as security for the First Lien Obligations, shall assign such Lien to the First Lien Collateral Agents as security for all First Lien Obligations for the benefit of the First Lien Secured Parties (but may retain a junior lien on such assets or property subject to the terms hereof) and (ii) until such assignment or such grant of a similar Lien to each First Lien Collateral Agent, shall be deemed to also hold and have held such Lien for the benefit of the First Lien Collateral Agents and the other First Lien Secured Parties as security for the First Lien Obligations. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other right or remedy available to any First Lien Collateral Agent, any First Lien Representative or any other First Lien Secured Party, each Second Lien Collateral Agent, for itself and on behalf of the other applicable Second Lien Secured Parties, that any amounts received by or distributed to any Second Lien Secured Party pursuant to or as a result of any Lien granted in contravention of this Section 2.3(a) shall be subject to Section 4.2.

(b) No First Lien Collateral Agent, First Lien Representative or First Lien Secured Party shall acquire or hold any Lien on any assets of the Borrowers or any other Grantor (and neither the Borrowers nor any Grantor shall grant such Lien) securing any First Lien Obligations that are not also subject to a Second Priority Lien in respect of the Second Lien Obligations under the Second Lien Documents. If any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party shall (nonetheless and in breach hereof) acquire or hold any Lien on any assets of the Borrowers or any other Grantor securing any First Lien Obligations that are not also subject to the Second Priority Lien in respect of the Second Lien Obligations under the Second Lien Documents, then such First Lien Collateral Agent, such First Lien Representative or such First Lien Secured Party shall, without the need for any further consent of any party and notwithstanding anything to the contrary in any other document, (i) notify the Designated Second Lien Collateral Agent promptly upon becoming aware thereof and (ii) until a grant of a similar Lien to each Second Lien Collateral Agent, shall be deemed to also hold and have held such Lien for the benefit of the Second Lien Collateral Agents and the other Second Lien Secured Parties as security for the Second Lien Obligations. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other right or remedy available to any Second Lien Collateral Agent, any Second Lien Representative or any other Second Lien Secured Party, each First Lien Collateral Agent, for itself and on behalf of the other applicable First Lien Secured Parties, that any amounts received by or distributed to any First Lien Secured Party pursuant to or as a result of any Lien granted in contravention of this Section 2.3(b) shall be subject to Section 4.2.

2.4 Perfection of Liens. Except as expressly set forth in Section 5.5 hereof, neither any First Lien Collateral Agent nor any First Lien Secured Party nor any First Lien Representative shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Common Collateral for the benefit of any Second Lien Collateral Agent, any Second Lien Representative or any other Second Lien Secured Parties and neither any Second Lien Collateral Agent, nor any Second Lien Secured Party nor any Second Lien Representative shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Common Collateral for the benefit of any First Lien Collateral Agent, any First Lien Representative or any other First Lien Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the First Lien Secured Parties and the Second Lien Secured Parties and shall not impose on any First Lien Collateral Agent, any Second Lien Collateral Agent, any First Lien Representative, any Second Lien Representative, the Second Lien Secured Parties or the First Lien Secured Parties or any agent or trustee therefor any obligations in respect of the disposition

of proceeds of any Common Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

2.5 Similar Liens. The parties hereto agree that, subject to the other provisions of this Agreement and the provisions of the First Lien Documents, it is the intent of the parties hereto that the Liens securing the First Lien Obligations and the Liens securing the Second Lien Obligations shall be upon the same collateral. The parties hereto further agree, subject to the other provisions of this Agreement, upon request by any First Lien Collateral Agent or any Second Lien Collateral Agent, as the case may be, to advise the other from time to time of the collateral for which such party has taken steps to perfect its Liens and to identify the parties obligated under the First Lien Documents or Second Lien Documents, as the case may be.

2.6 Nature of First Lien Obligations. Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, acknowledges that, (a) a portion of the First Lien Obligations may be revolving in nature or a delayed draw commitment and that the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, (b) the terms of the First Lien Documents and the First Lien Obligations may be amended, supplemented or otherwise modified, and the First Lien Obligations, or a portion thereof, may be Refinanced from time to time (subject to Section 5.3) and (c) the aggregate amount of the First Lien Obligations may be increased, in each case, without notice to or consent by the Second Lien Collateral Agents or the Second Lien Secured Parties and without affecting the provisions hereof (including, without limitation, provisions with respect to the First Lien Cap). The Lien priorities provided for in Section 2.1 shall not be altered or otherwise affected by any amendment, supplement or other modification, or any Refinancing, of either the First Lien Obligations or the Second Lien Obligations, or any portion thereof. As between the Borrowers and the other Grantors and the Second Lien Secured Parties, the foregoing provisions will not limit or otherwise affect the obligations of the Borrowers and the Grantors contained in any Second Lien Document with respect to the incurrence of additional First Lien Obligations.

2.7 No Payment Subordination. The subordination of Liens securing Second Lien Obligations to Liens securing First Lien Obligations set forth in this Section 2 affects only the relative priority of those Liens, and does not subordinate the Second Lien Obligations in right of payment to the First Lien Obligations. Nothing in this Agreement will affect the entitlement of any Second Lien Secured Party to receive and retain required payments of interest, principal, and other amounts in respect of a Second Lien Obligation unless the receipt is expressly prohibited by this Agreement or the First Lien Documents.

2.8 Purchase Right. Without prejudice to the enforcement of the First Lien Collateral Agents', the First Lien Representatives' or the First Lien Secured Parties' remedies, the First Lien Secured Parties agree that at any time following (a) acceleration of any First Lien Obligations in accordance with the terms of the applicable First Lien Documents, (b) the commencement of an Insolvency or Liquidation Proceeding by, against or relating to any Borrower, any other Grantor or any Common Collateral constituting an Event of Default under any of the First Lien Documents, (c) an Event of Default under Section 7.01(a) or (d) of the Initial First Lien Credit Agreement (or any similar payment default in respect of any of the First Lien Documents) that has not been cured or waived pursuant to the applicable First Lien Documents (each, a "Purchase Event"), one or more of the Second Lien Secured Parties may irrevocably request (each, a "Purchase Request"), and the First Lien Secured Parties hereby offer the Second Lien Secured Parties, on a pro rata basis, the option, to purchase all (but not less than all) of the First Lien Obligations at, (A) in the case of First Lien Obligations other than the obligations under the Secured Swap Agreements or in connection with undrawn letters of credit, par plus accrued interest and any applicable premium, fees and expenses and (B) in the case of obligations under the Secured Swap Agreements, an amount equal to the greater of (1) all amounts payable under the Secured Swap Agreements in the event of a termination of such Secured Swap Agreement and (2) the mark-to-market value of such obligations under

the Secured Swap Agreements, as determined by the applicable counterparty with respect to such Secured Swap Agreements in accordance with the terms thereof and in accordance with customary methods for calculating mark-to-market amounts under similar arrangements by such counterparty; provided that, in the case of any First Lien Obligations in respect of undrawn letters of credit, banker's acceptances and similar instruments (including reimbursement obligations in connection therewith), simultaneous with the purchase of the other First Lien Obligations as provided above, the purchasing Second Lien Secured Parties shall provide the First Lien Secured Parties who issued such letters of credit, banker's acceptances and similar instruments cash collateral in Dollars in such amounts (not to exceed an amount equal to (x) 103% of the aggregate undrawn face amount of such letters of credit, banker's acceptances and similar instruments, in each case, denominated in Dollars and (y) 105% of the aggregate undrawn face amount of such letters of credit, banker's acceptances and similar instruments, in each case, denominated in any currency other than Dollars) as such First Lien Secured Parties determine is reasonably necessary to secure such First Lien Secured Parties in connection with such outstanding and undrawn letters of credit, banker's acceptances and similar instruments. Any sale or assignment pursuant to this Section 2.8 shall be made without representation or warranty of any kind (except for customary representations and warranties required to be made by assigning lenders pursuant to an "Assignment and Assumption" (as defined in the Initial First Lien Credit Agreement)) by the First Lien Secured Parties and shall otherwise be without recourse to the First Lien Secured Parties. Any such purchase right shall be exercised by the Second Lien Secured Parties by delivery of a Purchase Request to the First Lien Representatives no later than 15 Business Days following receipt by the Second Lien Collateral Agent of written notice from the First Lien Collateral Agent of the relevant Purchase Event, and the parties shall use commercially reasonable efforts to close promptly thereafter but in any event within 15 Business Days of the date of the applicable Purchase Request. If one or more of the Second Lien Secured Parties exercise such purchase right, it shall be exercised pursuant to documentation mutually acceptable to each of the applicable First Lien Representatives and the applicable Second Lien Representatives. The obligations of the First Lien Secured Parties under this Section 2.8 to offer and sell the First Lien Obligations owing to them are several and not joint and several.

SECTION 3 Enforcement.

3.1 Exercise of Remedies.

(a) So long as the Discharge of First Lien Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by, against or related to any Borrower, any other Grantor or any Common Collateral, (i) except as may otherwise be expressly provided herein, including Section 6 hereof, each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, (x) from the date hereof until the occurrence of the Second Lien Enforcement Date will not exercise or seek to exercise any rights or remedies as a secured creditor or an unsecured creditor (including, but not limited to, setoff, recoupment, and (subject to the proviso in Section 6.1(c)) the right to credit bid debt, if any) against any Common Collateral or any European Group Company subject to a Foreign Insolvency or Liquidation Proceeding in respect of any applicable Second Lien Obligations, or institute any action or proceeding with respect to such rights or remedies (including any action of foreclosure), (y) will not contest, protest or otherwise object to any foreclosure or enforcement proceeding or action that complies with this Agreement brought against the Common Collateral or any European Group Company subject to a Foreign Insolvency or Liquidation Proceeding by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party in respect of the First Lien Obligations, the exercise of any right by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party (or any agent or sub-agent on their behalf in accordance with this Agreement and the First Lien Documents) in respect of the First Lien Obligations under any control agreement, lockbox agreement, landlord waiver or bailee's letter or similar agreement or arrangement to which any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party either is a party or may have rights as a third party beneficiary, or any other exercise by any such party, of any rights and remedies as a secured

party against the Common Collateral, and (z) will not object to any waiver or forbearance by the First Lien Secured Parties from or in respect of bringing or pursuing any foreclosure proceeding or any enforcement action against any Group Company or any other exercise of any rights or remedies against the Common Collateral and (ii) except as otherwise expressly provided herein, the First Lien Collateral Agents, the First Lien Representatives and the First Lien Secured Parties shall have the sole and exclusive right to enforce rights, exercise remedies (including, but not limited to, setoff, recoupment, and any right to credit bid their debt), marshal, process and make determinations regarding the release, disposition or restrictions, or waiver or forbearance of rights or remedies against the Common Collateral without any consultation with or the consent of any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party; provided, however, that (A) in any Insolvency or Liquidation Proceeding commenced by or against any Grantor, any Second Lien Collateral Agent, any Second Lien Representative and any Second Lien Secured Party may file a proof of claim or statement of interest with respect to the Second Lien Obligations, (B) the Second Lien Collateral Agents and the Second Lien Representatives may, so long as any such actions are not adverse to the prior Liens on the Common Collateral securing the First Lien Obligations, or to the rights of the First Lien Collateral Agents, the First Lien Representatives or the First Lien Secured Parties, send such notices of the existence of, or any evidence or confirmation of, the Second Lien Obligations or the Liens of any Second Lien Collateral Agent or any Second Lien Representative in the Common Collateral to any court or governmental agency, or file or record any such notice or evidence, in order to prove, preserve, or protect (but not enforce) its rights in, including the perfection and priority of any Lien on, the Common Collateral, (C) the Second Lien Secured Parties shall be entitled to file any necessary or appropriate responsive or defensive pleadings, or take any action necessary, in opposition to any motion, claim, adversary proceeding or other pleading made by any person objecting to or otherwise seeking the disallowance of the claims or Liens of the Second Lien Secured Parties, including, without limitation, any claims secured by the Common Collateral, if any, or if necessary to prevent the running of any applicable statute of limitations or similar restriction on claims, or to assert a compulsory cross-claim or counterclaim against any Borrower or any Grantor, (D) except with respect to any European Group Company subject to a Foreign Insolvency or Liquidation Proceeding and subject to Section 5.4, the Second Lien Secured Parties shall be entitled to file any pleadings, objections, motions or agreements which assert rights or interests available to unsecured creditors of the Grantors arising under either the applicable Bankruptcy Law or applicable non-bankruptcy law, or as may otherwise be consented to by the First Lien Collateral Agents, (E) subject to Section 6.9(b), any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party shall be entitled to vote on any Plan of Reorganization, (F) the Second Lien Secured Parties shall be entitled to join (but not exercise any control with respect to) any judicial foreclosure proceeding, other judicial lien enforcement proceeding or motion to lift the automatic stay (or court ordered stay) with respect to the Common Collateral initiated by any First Lien Collateral Agent, any First Lien Representative or any other First Lien Secured Party to the extent that any such action could not reasonably be expected (as determined by the applicable First Lien Collateral Agent in its reasonable judgment), in any material respect, to restrain, hinder, limit, delay for any material period or otherwise interfere with the exercise of remedies by any First Lien Collateral Agent, any First Lien Representative or such other First Lien Secured Party (it being understood that neither any Second Lien Collateral Agent, any Second Lien Representative nor any other Second Lien Secured Party shall be entitled to receive any proceeds thereof unless otherwise expressly permitted herein), (G) subject in all respects to the terms and conditions of this Agreement, including, without limitation, Sections 2 and 4 hereof, any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party may exercise any of its rights or remedies against the Common Collateral, solely upon the occurrence and during the effective continuation of the Second Lien Enforcement Date, (H) the Second Lien Secured Parties shall have the right to credit bid provided that any such credit bid shall provide cash sufficient to cause the Discharge of First Lien Obligations and (I) in the case of any European Group Company subject to a Foreign Insolvency or Liquidation Proceeding or as otherwise specifically set forth in this Agreement (including any action permitted or required hereunder that would otherwise constitute any such breach), nothing contained herein shall restrict the Second Lien Secured Parties from bringing legal proceedings against any

Person solely for purposes of (1) obtaining injunctive relief (or any analogous remedy outside England and Wales) to restrain any actual or putative breach of any Second Lien Document to which such European Group Company is party, (2) obtaining specific performance (other than specific performance of an obligation to make a payment) with no claim for damages or (3) requesting judicial interpretation of any provision of any Second Lien Document to which such European Group Company is party with no claim for damages. In exercising rights and remedies against Common Collateral, any First Lien Collateral Agent, any First Lien Representative and the First Lien Secured Parties may enforce the provisions of the First Lien Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their reasonable discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Common Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured lender under the UCC or PPSA of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of First Lien Obligations has not occurred, each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, agrees that it will not take or receive any Common Collateral or any proceeds of Common Collateral in connection with the exercise of any right or remedy or otherwise in an Insolvency or Liquidation Proceeding (including, but not limited to, setoff, recoupment, or (subject to the provision in Section 6.1(c)) the right to credit bid debt against any Common Collateral) except for the temporary receipt thereof in connection with an exercise of remedies permitted under Section 3.1(a) but subject to Section 4.2. Without limiting the generality of the foregoing, unless and until the Discharge of First Lien Obligations has occurred, except as expressly provided in the proviso in Section 3.1(a), the sole right of the Second Lien Collateral Agents, Second Lien Representatives and the Second Lien Secured Parties against the Common Collateral is to hold a Lien on the Common Collateral in respect of the applicable Second Lien Obligations pursuant to the Second Lien Documents, as applicable, for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, in accordance with the terms of this Agreement and applicable law.

(c) Subject to the proviso in Section 3.1(a), and so long as the Discharge of First Lien Obligations has not occurred, (i) each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, agrees that none of any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party, in such capacities, will take any action that would hinder, delay, limit or prohibit any exercise of remedies undertaken by any First Lien Collateral Agent, any First Lien Representative or the First Lien Secured Parties against the Common Collateral, including any collection, sale, lease, exchange, transfer or other disposition of the Common Collateral, whether by foreclosure or otherwise or that would limit, invalidate, avoid or set aside any Lien or Security Document or subordinate the priority of the First Lien Obligations up to the First Lien Cap to the Second Lien Obligations or grant the Liens securing the Second Lien Obligations equal ranking to the First Priority Liens, and (ii) each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, hereby waives any and all rights it or any Second Lien Secured Party may have as a junior lien creditor (whether arising under the UCC, PPSA or under any other applicable law) or otherwise to object to the manner or order in which any First Lien Collateral Agent, any First Lien Representative or the First Lien Secured Parties seek to enforce or collect the First Lien Obligations or the Liens granted in the Common Collateral, regardless of whether any action or failure to act by or on behalf of the First Lien Collateral Agents, the First Lien Representatives or the First Lien Secured Parties in compliance with this Agreement is adverse to the interests of the Second Lien Secured Parties.

(d) So long as the Discharge of First Lien Obligations has not occurred, each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, hereby acknowledges and agrees that no covenant, agreement or restriction contained in any applicable Second Lien Document shall be deemed to restrict in any way the rights and remedies of the First Lien Collateral

Agents, the First Lien Representatives or the First Lien Secured Parties against Common Collateral as set forth in this Agreement and the First Lien Documents.

(e) So long as the Discharge of First Lien Obligations has not occurred, each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshaling or other similar right that may otherwise be available under any applicable law, including, but not limited to, the Bankruptcy Code or other Bankruptcy Law, against the Common Collateral.

3.2 Cooperation. Subject to the proviso in Section 3.1(a), each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, agrees that, unless and until the Discharge of First Lien Obligations has occurred, it will not commence, or join with any Person (other than the First Lien Secured Parties, the First Lien Representatives and the First Lien Collateral Agents upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Common Collateral or any other First Lien Collateral under any of the applicable Second Lien Documents or otherwise in respect of the applicable Second Lien Obligations.

3.3 Actions Upon Breach. If any Second Lien Secured Party, in breach of the express terms of this Agreement, takes, attempts to take or threatens to take any action with respect to any Common Collateral or any European Group Company subject to a Foreign Insolvency or Liquidation Proceeding (including, without limitation, any attempt to realize upon or enforce any remedy with respect to this Agreement) or fails to take any action required by this Agreement, any First Lien Collateral Agent or First Lien Representative may obtain relief against such Second Lien Secured Party, whether by injunction, specific performance, and/or any other equitable or other relief, and this Agreement shall create a conclusive presumption and admission by such Second Lien Secured Party that such action is necessary to prevent irreparable harm to the First Lien Secured Parties, it being understood and agreed by each Second Lien Collateral Agent on behalf of each applicable Second Lien Secured Party that (i) the First Lien Secured Parties' damages from its actions may at that time be difficult to ascertain and may be irreparable and (ii) each Second Lien Secured Party waives any defense that the Grantors and/or the First Lien Secured Parties cannot demonstrate damage and/or can be made whole by the awarding of damages.

SECTION 4 Payments.

4.1 Application of Proceeds. So long as the Discharge of First Lien Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Borrower or any other Grantor, any Common Collateral or any proceeds thereof received in connection with any enforcement action or other exercise of remedies against any Common Collateral by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party shall be applied by the First Lien Collateral Agents or the First Lien Representatives, as applicable, to the First Lien Obligations in such order as specified in the relevant First Lien Documents and, if then in effect, the First Lien Pari Passu Intercreditor Agreement; provided that (x) no such proceeds from a Non-ECP Grantor shall be applied to any First Lien Obligations that constitute Swap Obligations and (y) any non- cash Collateral or non-cash proceeds may be held by the applicable First Lien Collateral Agent as Collateral unless the failure to apply such amounts would be commercially unreasonable. Upon the Discharge of First Lien Obligations, each First Lien Collateral Agent and each First Lien Representative shall, in the following order, (w) unless a Discharge of Second Lien Obligations has already occurred, deliver any remaining Common Collateral or proceeds of Common Collateral held by it to the Designated Second Lien Collateral Agent, to be applied by the Designated Second Lien Collateral Agent and the other Second Lien Collateral Agents or Second Lien Representatives, as applicable, to the applicable Second Lien Obligations in such order as specified in

the applicable Second Lien Security Documents and, if then in effect, the Second Lien Pari Passu Intercreditor Agreement, (x) if a Discharge of Second Lien Obligations has already occurred, apply such Common Collateral or proceeds of Common Collateral to any Excess First Lien Obligations in such order as specified in the relevant First Lien Documents and, if then in effect, the First Lien Pari Passu Intercreditor Agreement, and (y) if at such time there are no Excess First Lien Obligations, deliver such Common Collateral or proceeds of Common Collateral to the Grantors, their successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same. Without limiting the obligations of the Second Lien Secured Parties under Section 4.2, after the Discharge of First Lien Obligations has occurred, upon the Discharge of Second Lien Obligations, each Second Lien Collateral Agent shall deliver any Common Collateral or proceeds of Common Collateral held by it, in the following order, (x) if at such time there are any Excess First Lien Obligations, to the Designated First Lien Collateral Agent, for application by the Designated First Lien Collateral Agent and the other First Lien Collateral Agents or the First Lien Representatives, as applicable, to the Excess First Lien Obligations in such order as specified in the relevant First Lien Documents and, if then in effect, the First Lien Pari Passu Intercreditor Agreement until the payment in full in cash of all Excess First Lien Obligations, and (y) if at such time there are no Excess First Lien Obligations, to the Grantors, their successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same.

4.2 Payments Over. So long as the Discharge of First Lien Obligations has not occurred, any Common Collateral or proceeds thereof received by any Second Lien Representative, any Second Lien Collateral Agent or any Second Lien Secured Party in connection with the exercise of any right or remedy against the Common Collateral (including, but not limited to, setoff, recoupment, or credit bid), in any Insolvency or Liquidation Proceeding relating to the Common Collateral not expressly permitted by this Agreement or otherwise in breach of this Agreement, such Common Collateral or proceeds thereof, shall be held in trust for (or, to the extent the concept of trust is not recognized in the relevant jurisdiction, held on behalf of and for) the benefit of and forthwith paid over to the Designated First Lien Collateral Agent (and/or its designees) for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct and shall be applied by the Designated First Lien Collateral Agent as set forth in Section 4.1 above. The Designated First Lien Collateral Agent is hereby authorized to make any such endorsements as agent for any such Second Lien Representatives, any such Second Lien Collateral Agent or any such Second Lien Secured Party. Such authorization is coupled with an interest and is irrevocable until such time as this Agreement is terminated in accordance with its terms.

SECTION 5 Other Agreements.

5.1 Releases.

(a) (i) If, with respect to any specified Common Collateral (including for such purpose, in the case of the sale or other disposition of all or substantially all of the equity interests in any Grantor or any Subsidiary of a Grantor, any Common Collateral held by such Grantor or any direct or indirect Subsidiary thereof):

(A) such specified Common Collateral has been or is being sold, transferred or otherwise disposed of as permitted under the First Lien Documents; or

(B) the First Priority Liens thereon have been or are being released in connection with a Grantor that has been or is being released from its guarantee under the applicable First Lien Documents; or

(C) the First Priority Liens thereon have been or are being otherwise released as permitted by the First Lien Documents or by the First Lien Collateral Agents on behalf of the First Lien Secured Parties (unless, in the case of clause (B) or (C) of this Section 5.1(a)(i) such release occurs in connection with, and after giving effect to, the Discharge of First Lien Obligations, which Discharge is not in connection with a foreclosure of, or any other exercise of remedies with respect to, Common Collateral (including any sale or disposition in connection with an acceleration of any First Lien Obligations) by the First Lien Secured Parties (such Discharge not in connection with any such foreclosure or exercise of remedies or a sale or other disposition generating sufficient proceeds to cause the Discharge of First Lien Obligations, a "Payment Discharge")),

then the Second Priority Liens upon such Common Collateral will automatically be released and discharged as and when, but only to the extent, such First Priority Liens on such Common Collateral are released and discharged and the net proceeds of such sale or disposition are applied for purposes of a Discharge of First Lien Obligations (and to the extent any such net proceeds exceed the amount necessary for a Discharge of First Lien Obligations, such excess shall be applied to repay the Second Lien Obligations and otherwise in accordance with Section 4.1), and each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, will promptly, at the Borrowers' expense, execute and deliver such instruments, releases, termination statements or other documents confirming such release on customary terms, which instruments, releases and termination statements shall be substantially identical to the comparable instruments, releases and termination statements executed by the First Lien Collateral Agents and the First Lien Representatives in connection with such release. In the case of the release of any Grantor's guarantee under the applicable First Lien Documents (and, in the case of a Grantor that is a borrower under the First Lien Documents, its obligations as a borrower thereunder) in accordance with the Initial First Lien Credit Agreement (and such First Lien Documents) in the context of Section 5.1(a)(A), Section 5.1(a)(B) or Section 5.1(a)(C) above (including a release in connection with the sale of the equity interests of such Grantor or of any Person of which such Grantor is a Subsidiary), the guarantee in favor of the Second Lien Secured Parties, if any, made by such Grantor (and, in the case of a Grantor that is a borrower under the Second Lien Documents, its obligations as a borrower thereunder) will automatically be released and discharged as and when, but only to the extent, the guarantee by (or such borrower obligations of) such Grantor of or under the First Lien Obligations is being released and discharged.

(ii) In the event of a Payment Discharge, the Second Priority Liens on Common Collateral owned by any Grantor immediately after giving effect to such Payment Discharge shall become first-priority security interests (subject to any intercreditor agreements or arrangements among Second Lien Secured Parties pursuant to Section 9.21 and subject to Liens permitted by the Second Lien Documents); provided that if any of the Grantors incur at any time thereafter any new or replacement First Lien Obligations permitted under the Second Lien Credit Agreement, then the provisions of Section 5.6 shall apply as if a Refinancing of First Lien Obligations had occurred.

(b) Unless and until the Discharge of First Lien Obligations has occurred, each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, hereby irrevocably constitutes and appoints each First Lien Collateral Agent and any officer or agent of any such First Lien Collateral Agent, with full power of substitution, as its true and lawful attorney-in- fact with full irrevocable power and authority in the place and stead of such Second Lien Collateral Agent or such Second Lien Secured Party or in such First Lien Collateral Agent's own name, from time to time in such First Lien Collateral Agent's reasonable discretion, for the purpose of carrying out the terms of this Section 5.1, to take any and all reasonably appropriate action and to execute any and all documents and instruments that may be reasonably necessary or desirable to accomplish the purposes of this Section 5.1, including any termination statements, endorsements or other instruments of transfer or release. This authorization is coupled with an interest and is irrevocable until such time as this Agreement is terminated in accordance with its terms.

(c) Unless and until the Discharge of First Lien Obligations has occurred, each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, hereby consents to the application, whether prior to or after a default, of proceeds of Common Collateral to the payment of First Lien Obligations up to the First Lien Cap pursuant to the First Lien Documents. After and once the Discharge of Second Lien Obligations has occurred, each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, hereby consents to the application, whether prior to or after a default, of proceeds of Common Collateral to the payment of any Excess First Lien Obligations pursuant to the First Lien Documents.

5.2 Insurance. Unless and until the Discharge of First Lien Obligations has occurred, the First Lien Collateral Agents, the First Lien Representatives and the First Lien Secured Parties shall have the sole and exclusive right, to the extent permitted by the First Lien Documents and subject to the rights of the Grantors thereunder, to adjust settlement for any insurance policy covering the Common Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Common Collateral. Unless and until the Discharge of First Lien Obligations has occurred, all proceeds of any such policy and any such award (or payment with respect to a deed in lieu of condemnation) if in respect of the Common Collateral shall be paid in accordance with Section 4.1. If any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, such proceeds shall be held in trust for (or, to the extent the concept of trust is not recognized in the relevant jurisdiction, held on behalf of and for) the benefit of the First Lien Collateral Agents for the benefit of the First Lien Secured Parties and it shall forthwith pay such proceeds over to the Designated First Lien Collateral Agent in accordance with the terms of Section 4.2.

5.3 Amendments to Documents.

(a) The First Lien Documents may be amended, restated, waived, supplemented or otherwise modified from time to time in accordance with their terms, and the indebtedness under the First Lien Documents may be Refinanced, in each case, without the consent of any Second Lien Secured Party; provided, however, that, without the prior written consent of the Second Lien Collateral Agents, no such amendment, restatement, waiver, supplement, modification or Refinancing shall (i) contravene any provision of this Agreement or (ii) restrict the amendment of the Second Lien Documents except to the extent set forth in Section 5.3(b) or in the First Lien Documents being amended, restated, waived, supplemented, modified or Refinanced to the extent the applicable restrictions are no broader than as set forth in such First Lien Documents prior to giving effect to any such amendment, restatement, waiver, supplement, modification or Refinancing.

(b) So long as the Discharge of First Lien Obligations has not occurred, without the prior written consent of the First Lien Collateral Agents, no Second Lien Document may be amended, restated, waived, supplemented or otherwise modified or entered into, to the extent such amendment, restatement, waiver, supplement or modification, or the terms of such new Second Lien Document, would (i) contravene the provisions of this Agreement, (ii) change any scheduled dates for payment of principal on Indebtedness under such Second Lien Document to a date earlier than the final maturity date of the Second Lien Obligations as of the date hereof, (iii) reduce the capacity of Ultimate Parent and its Subsidiaries to incur First Lien Obligations in an amount less than the First Lien Cap, or (iv) restrict the amendment of the First Lien Documents except as set forth in Section 5.3(a).

(c) Each Second Lien Collateral Agent agrees that each Second Lien Security Document shall include the following language (or language to similar effect approved by the Designated First Lien Collateral Agent):

> "Notwithstanding anything herein to the contrary, the exercise of any right or remedy by the Second Lien Collateral Agent hereunder are subject to the limitations and provisions of the Intercreditor Agreement, dated as of October 2, 2024 (as amended, restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement") among Acquiom Agency Services LLC, as First Lien Representative and Second Lien Representative, and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement governing the exercise of any right or remedy by the Second Lien Collateral Agent, the terms of the Intercreditor Agreement shall govern and control."

In addition, each Second Lien Collateral Agent, on behalf of the applicable Second Lien Secured Parties, agrees that each mortgage, if applicable, covering any Common Collateral shall contain such other language as the Designated First Lien Collateral Agent may reasonably request to reflect the subordination of such mortgage to the First Lien Document securing any First Lien Obligations up to the First Lien Cap covering such Common Collateral.

(d) In the event that the First Lien Collateral Agents, the First Lien Representatives or the First Lien Secured Parties enter into any amendment, waiver or consent in respect of or replace any of the First Lien Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any First Lien Security Document or changing in any manner the rights of the First Lien Collateral Agents, the First Lien Representatives, the First Lien Secured Parties, the Borrowers or any other Grantor thereunder (including the release of any Liens in Common Collateral in accordance with Section 5.1), then such amendment, waiver or consent shall apply automatically to any comparable provision of each Comparable Second Lien Security Document without the consent of any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party and without any action by any Second Lien Collateral Agent or any Second Lien Representative, the Borrowers or any other Grantor; provided that no such amendment, waiver or consent shall (A) have the effect of removing assets subject to the Lien of any Second Lien Security Document, except to the extent that a release of such Lien is provided for in Section 5.1, (B) impose additional duties on any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party without the prior written consent of such party or (C) permit other Liens on the Common Collateral not permitted under the terms of the Second Lien Documents or this Agreement. The Borrowers shall give written notice of such amendment, waiver or consent (along with a copy thereof) to the Second Lien Collateral Agents no later than the tenth Business Day following the effective date of such amendment, waiver or consent; provided that the failure to give such notice shall not affect the effectiveness of such amendment with respect to the provisions of any Second Lien Security Document as set forth in this Section 5.3(d).

5.4 Rights as Unsecured Creditors. Except with respect to any European Group Company subject to a Foreign Insolvency or Liquidation Proceeding or as otherwise specifically set forth in this Agreement, the Second Lien Collateral Agents, the Second Lien Representatives and the Second Lien Secured Parties may exercise all rights and remedies, if any, of an unsecured creditor against the Borrowers or any Grantor that has guaranteed the Second Lien Obligations in accordance with the terms of the applicable Second Lien Documents and applicable law. Nothing in this Agreement shall prohibit the receipt by any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party of required payments of interest and principal so long as such receipt is not the direct or indirect result of (x) the exercise by any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party of rights or remedies as a secured creditor in respect of Common Collateral or (y) any enforcement in violation of this Agreement of any Lien in respect of Second Lien Obligations held by any of them. In the event any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party becomes a judgment lien creditor or other secured creditor in respect of Common Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Lien

Obligations or otherwise, such judgment lien or any other lien shall be (x) subordinated to the Liens securing First Lien Obligations up to the First Lien Cap on the same basis as the other Liens securing the Second Lien Obligations are so subordinated to the First Priority Liens securing First Lien Obligations up to the First Lien Cap under this Agreement, and (y) otherwise subject to the terms of this Agreement for all purposes to the same extent as all other Liens securing the Second Lien Obligations are subject to this Agreement.

5.5 First Lien Collateral Agent as Gratuitous Bailee for Perfection.

(a) Until the Discharge of the First Lien Obligations, the Designated First Lien Collateral Agent agrees to hold the Control Collateral in its possession or control (within the meaning of the UCC or PPSA, as applicable) (or in the possession or control of its agents or bailees) in accordance with the First Lien Documents, as gratuitous bailee for the benefit and on behalf of the Second Lien Collateral Agents for the benefit of each Second Lien Secured Party and any assignee thereof solely for the purpose of perfecting by possession or control the security interest granted in such Control Collateral pursuant to the Second Lien Security Documents, subject to the terms and conditions of this Section 5.5.

(b) Except as otherwise specifically provided herein (including, but not limited to, Sections 3.1 and 4.1), unless and until the Discharge of First Lien Obligations has occurred, the Designated First Lien Collateral Agent shall be entitled to manage, administer, or otherwise deal with the Control Collateral in accordance with the terms of the First Lien Documents as if the Liens under the Second Lien Documents did not exist. The rights of the Second Lien Collateral Agents and the Second Lien Secured Parties with respect to such Control Collateral shall at all times be subject to the terms of this Agreement.

(c) Unless and until the Discharge of First Lien Obligations has occurred, the First Lien Collateral Agents shall have no obligation whatsoever to any Second Lien Secured Party to assure that the Control Collateral is genuine or owned by the Grantors, that its lien is valid or perfected or to protect or preserve rights or benefits of any Person or any rights pertaining to the Common Collateral except as expressly set forth in this Section 5.5(c). The duties or responsibilities of the First Lien Collateral Agents under this Section 5.5 shall be limited solely to holding the Control Collateral (if any) as gratuitous bailee for the benefit and on behalf of the Second Lien Collateral Agents and each Second Lien Secured Party solely for purposes of perfecting the Liens held by the Second Lien Secured Parties, but only to the extent the First Lien Collateral Agent is holding such Control Collateral for the benefit of the First Lien Secured Parties.

(d) The First Lien Collateral Agents shall not have by reason of the Second Lien Documents or this Agreement or any other document a fiduciary relationship in respect of any Second Lien Collateral Agents or any Second Lien Secured Party, and each of the Second Lien Collateral Agents and the Second Lien Secured Parties hereby waives and releases the First Lien Collateral Agents from all claims and liabilities arising pursuant to any First Lien Collateral Agent's role under this Section 5.5, as agent and gratuitous bailee with respect to the Common Collateral.

(e) Upon the Discharge of First Lien Obligations, the First Lien Collateral Agents shall upon Borrowers' request (x) deliver to the Second Lien Collateral Agents written notice of the occurrence thereof (which notice may state that such Discharge of First Lien Obligations is subject to the provisions of this Agreement, including, without limitation, Sections 5.6 and 6.3 hereof) it being understood that until the delivery of such notice to the Second Lien Collateral Agents, the Second Lien Collateral Agents shall not be charged with knowledge of the Discharge of First Lien Obligations or required to take any actions based on such Discharge of First Lien Obligations, and (y) deliver to the Second Lien Collateral Agents, to the extent that it is legally permitted to do so, the remaining Control Collateral (if any) together with any necessary endorsements (or otherwise allow the Second Lien Collateral Agents to obtain control of such

Control Collateral) or as a court of competent jurisdiction may otherwise direct. No First Lien Collateral Agent has any obligation to follow instructions from the Second Lien Collateral Agents or any Second Lien Secured Party in contravention of this Agreement.

(f) Neither any First Lien Collateral Agent nor any of the First Lien Secured Parties shall be required to marshal any present or future collateral security for the Borrowers' or any Grantor's obligations to any First Lien Collateral Agent or the First Lien Secured Parties under the Initial First Lien Credit Agreement or the First Lien Documents or any assurance of payment in respect thereof or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

5.6 No Release in Event of Reinstatement. If at any time in connection with or after the Discharge of First Lien Obligations the Borrowers either in connection therewith or thereafter enter into any Refinancing of any First Lien Document evidencing a First Lien Obligation, then such Discharge of First Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement, the First Lien Documents and the Second Lien Documents, and the obligations under such Refinancing shall automatically be treated as First Lien Obligations for all purposes of this Agreement (a "Reinstatement"), including for purposes of the Lien priorities and rights in respect of Common Collateral set forth herein, and the related documents shall be treated as First Lien Documents for all purposes of this Agreement and the first lien collateral agent under such Refinanced First Lien Documents shall be a First Lien Collateral Agent for all purposes of this Agreement. Upon receipt of a notice from the Borrowers stating that the Borrowers have entered into a new First Lien Document (which notice shall include the identity of the new collateral agent, such agent, the "New Agent"), the Second Lien Collateral Agents shall promptly (at the expense of the Borrowers) (a) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Borrowers or such New Agent shall reasonably request in order to confirm to the New Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (b) deliver to the New Agent, if then the Designated First Lien Collateral Agent, the Control Collateral together with any necessary endorsements (or otherwise allow the New Agent to obtain possession or control of such Control Collateral). The Second Lien Collateral Agents shall not be charged with knowledge of such Reinstatement until it receives written notice from any First Lien Collateral Agent, New Agent or the Borrowers of the occurrence of such Reinstatement.

5.7 When Discharge of Obligations Deemed to Not Have Occurred.

(a) If, at any time after the Discharge of First Lien Obligations has occurred, the Borrowers enter into any Additional First Lien Document evidencing any Additional First Lien Obligations which Additional First Lien Loan Obligations are permitted by the Second Lien Documents, then such Discharge of First Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken as a result of the occurrence of such first Discharge of First Lien Obligations), and, from and after the date on which the Additional First Lien Representative and Additional First Lien Collateral Agent in respect of such Additional First Lien Obligations each becomes a party to this Agreement in accordance with Section 9.24, the obligations under such Additional First Lien Document shall automatically be treated as First Lien Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the Additional First Lien Representative and the Additional First Lien Collateral Agent under such new First Lien Documents shall be a First Lien Representative and First Lien Collateral Agent, respectively, for all purposes of this Agreement and this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. Upon receipt of a Designation from the Borrowers in accordance with Section 9.24, each Second Lien Representative and Second Lien Collateral

Agent shall promptly (x) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Borrowers or such Additional First Lien Representative and/or such Additional First Lien Collateral Agent shall reasonably request in order to provide to such Additional First Lien Representative and such Additional First Lien Collateral Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (y) deliver to such Additional First Lien Collateral Agent, if then the Designated First Lien Collateral Agent, any Control Collateral held by it together with any necessary endorsements (or otherwise allow such Additional First Lien Collateral Agent to obtain control of such Control Collateral). If the Additional First Lien Obligations under such Additional First Lien Documents are secured by assets of the Grantors constituting collateral that do not also secure the Second Lien Obligations, then the Second Lien Obligations shall be secured at such time by a junior-priority Lien on such assets to the same extent provided in the Second Lien Security Documents and this Agreement. This Section 5.7(a) shall survive termination of this Agreement.

(b) If, at any time after the Discharge of Second Lien Obligations has occurred, the Borrowers enter into any Additional Second Lien Document evidencing any Additional Second Lien Obligations which Additional Second Lien Obligations are permitted by the First Lien Documents, then such Discharge of Second Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken as a result of or in reliance on the occurrence of such first Discharge of Second Lien Obligations or during the continuance of the Discharge of Second Lien Obligations), and, from and after the date on which the Additional Second Lien Representative and Additional Second Lien Collateral Agent in respect of such Additional Second Lien Obligations each becomes a party to this Agreement in accordance with Section 9.24, the obligations under such Additional Second Lien Document shall automatically be treated as Second Lien Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the Additional Second Lien Representative and the Additional Second Lien Collateral Agent under such new Second Lien Documents shall be a Second Lien Representative and Second Lien Collateral Agent, respectively, for all purposes of this Agreement and this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. Upon receipt of a designation from the Borrowers in accordance with Section 9.24, each First Lien Representative and First Lien Collateral Agent shall promptly enter into such documents and agreements (including amendments or supplements to this Agreement) as the Borrowers or such Additional Second Lien Representative and/or such Additional Second Lien Collateral Agent shall reasonably request in order to provide to such Additional Second Lien Representative and such Additional Second Lien Collateral Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement. If the Additional Second Lien Obligations under such Additional Second Lien Documents are secured by assets of the Grantors constituting collateral that do not also secure the First Lien Obligations, then the First Lien Obligations shall be secured at such time by a first-priority Lien on such assets to the same extent provided in the First Lien Security Documents and this Agreement. This Section 5.7(b) shall survive termination of this Agreement.

SECTION 6 Insolvency or Liquidation Proceedings.

6.1 Financing Issues. Each Second Lien Collateral Agent and each other Second Lien Secured Party agrees that if any Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding, then prior to a Discharge of First Lien Obligations:

(a) if any First Lien Collateral Agent or any First Lien Representative shall desire to permit the use of cash collateral or to permit the Group Companies (or any of them or a Court Appointed Official) to obtain financing under Section 363 or Section 364 of the Bankruptcy Code, Section 11.2 of the *Companies' Creditors Arrangement Act* (Canada), Section 50.6 of the *Bankruptcy and Insolvency Act*

(Canada) or any similar provision in any Bankruptcy Law ("DIP Financing") or provide a court-ordered charge to secure professional fees, DIP Financing, director and officer indemnity obligations or supplier or other obligations of the Company or such other Grantor (in each case, a "Court-ordered Charge"), including if such DIP Financing or Court-ordered Charge is secured by Liens senior in priority to the Liens securing the Second Lien Obligations and senior in priority to, or *pari passu* with, the Liens securing the First Lien Obligations, then each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, agrees that it will raise no objection to, will not support any objection to, and will not otherwise contest such use of, cash collateral or DIP Financing or Court-ordered Charge and will not request adequate protection or any other relief in connection therewith (except to the extent permitted by Section 6.2 or as otherwise consented to in writing by the First Lien Collateral Agents) and, to the extent the Liens securing the First Lien Obligations are subordinated or are *pari passu* with such DIP Financing or Court-ordered Charge, will subordinate its Liens in the Common Collateral and any other collateral to (i) the Liens granted in connection with such DIP Financing or Court-ordered Charge (and all obligations relating thereto); (ii) any adequate protection granted to the First Lien Collateral Agents or the First Lien Secured Parties in respect of the First Lien Obligations; and (iii) any "carve-out" for professional, Court Appointed Official or United States Trustee fees agreed to by the First Lien Collateral Agents, in each case, on the same basis as the other Liens securing the Second Lien Obligations are so subordinated to the First Priority Liens securing the First Lien Obligations; provided that, (A) in the case of a DIP Financing, after taking into account the principal amount of such DIP Financing (after giving effect to any Refinancing or "roll-up" of First Lien Obligations) on any date, the sum of the then outstanding principal amount of any First Lien Obligations (excluding any cash collateralized letters of credit or similar instruments) and the then outstanding principal amount of any DIP Financing (including the unfunded commitments under such DIP Financing) shall not exceed the First Lien Cap and (B) the foregoing shall not prevent the Second Lien Secured Parties from (1) objecting to any aspect of a DIP Financing (x) requiring the Grantors to seek approval of or give effect to any provision of a Plan of Reorganization or sub rosa plan or (y) that requires the sale of all or substantially all of the Common Collateral prior to a default under the cash collateral order or DIP Financing documentation, other than with respect to a sale under Section 363 or Section 1129 of the Bankruptcy Code, Section 11 or Section 36 of the *Companies' Creditors Arrangement Act* (Canada) or Section 65.13 of the *Bankruptcy and Insolvency Act* (Canada) (or similar Bankruptcy Laws) to which the Second Lien Agent is otherwise required to consent to, or not object to or oppose, pursuant to Section 3.1, Section 5.1 or Section 7.6, (2) objecting to any DIP Financing if the Second Lien Secured Parties do not receive replacement or additional Liens on the post-petition assets of any Grantors in which any of the First Lien Secured Parties obtain a replacement or additional Lien (to the extent that such assets constitute Common Collateral), in each case with the same priority as existed prior to such Insolvency or Liquidation Proceeding and subordinated to any Lien securing such DIP Financing or (3) proposing any other DIP Financing to any Grantor or to a court of competent jurisdiction, so long as such DIP Financing does not roll up or otherwise refinance or include any pre-petition Second Lien Obligations;

(b) none of them will object to, or otherwise contest (or support any other Person contesting), any motion for relief from the automatic stay (or court ordered stay) or from any injunction against foreclosure, enforcement, or any other exercise of remedies, in respect of First Lien Obligations made by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party;

(c) none of them will object to, or otherwise contest (or support any other Person contesting), any order pursuant to Section 363(f) of the Bankruptcy Code, Section 11 or Section 36 of the *Companies' Creditors Arrangement Act* (Canada), Section 65.13 of the *Bankruptcy and Insolvency Act* (Canada) or other applicable Bankruptcy Law relating to a sale of assets or equity interests of the Borrowers or any Grantor or any Subsidiary of a Grantor for which the First Lien Collateral Agents have consented that provides, to the extent that sale is to be free and clear of any Liens, claims, or encumbrances, that the Liens securing the First Lien Obligations and the Second Lien Obligations will attach to the proceeds of any such sale with the same priority as the existing Liens, in accordance with this Agreement, and if

requested by the First Lien Collateral Agents, each Second Lien Collateral Agent shall consent to the release of all Second Priority Liens in connection with such sale or other disposition; provided, however, that notwithstanding anything to the contrary herein, the Second Lien Secured Parties shall at all times have the right hereunder (and subject to any applicable Bankruptcy Law) to credit bid provided that any such credit bid provides for the Discharge of First Lien Obligations in cash up to the First Lien Cap;

(d) none of them will seek relief from the automatic stay (or court ordered stay) or any other stay in any Insolvency or Liquidation Proceeding in respect of the Common Collateral without the prior written consent of the First Lien Collateral Agents; provided that, without limiting the other provisions of this Agreement, such consent shall be deemed to have been granted if the First Lien Secured Parties have been granted relief from any such automatic stay (or court ordered stay);

(e) none of them will object to, or otherwise contest (or support any other Person contesting), (i) any request by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party for adequate protection or (ii) any objection by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party to any motion, relief, action, or proceeding based on such First Lien Collateral Agent's, such First Lien Representative's or such First Lien Secured Party's claiming a lack of adequate protection;

(f) none of them will assert or attempt to enforce any claim under Section 506(c) of the Bankruptcy Code senior to or on a pari passu basis with the Liens securing the First Lien Obligations for costs or expenses of preserving or disposing of any Common Collateral;

(g) none of them will oppose or otherwise contest (or support any Person contesting) any lawful exercise by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party of the right to credit bid First Lien Obligations up to the First Lien Cap at any sale of Common Collateral or any equity interests in any Grantor or any Subsidiary of a Grantor pursuant to Section 363(k) of the Bankruptcy Code, Section 11 or Section 36 of the *Companies' Creditors Arrangement Act* (Canada), Section 65.13 of the *Bankruptcy and Insolvency Act* (Canada) or otherwise;

(h) none of them will challenge (or support any other Person challenging) the validity, enforceability, perfection or priority of the First Priority Liens on Common Collateral or the amount or allowability of the First Lien Obligations (and the First Lien Collateral Agents and the First Lien Secured Parties agree not to challenge the validity, enforceability, perfection or priority of the Liens in favor of any Second Lien Collateral Agent and each other Second Lien Secured Party on the Common Collateral or the amount or allowability of the Second Lien Obligations in any Insolvency or Liquidation Proceeding); provided that nothing in this Agreement shall be construed to prevent or impair the rights of any First Lien Secured Party to enforce this Agreement;

(i) to the same extent that the First Lien Collateral Agents have also done so on behalf of the First Lien Secured Parties, each of them (x) shall waive their rights to have any administrative claim arising under Sections 503(b) and 507(b) of the Bankruptcy Code attach to the proceeds of causes of action of the Grantors arising or enforceable under Sections 542, 543, 544, 545, 547, 548, 549, 550, 551, 553(b) or 724(a) of the Bankruptcy Code, and (y) agree that any superpriority administrative claim for adequate protection arising under Section 507(b) of the Bankruptcy Code or otherwise may be satisfied by cash or the issuance of a debt or equity security in an amount equal to the value on the effective date of such claim in connection with any Plan of Reorganization; and

(j) none of them shall seek to exercise any rights under Section 1111(b) of the Bankruptcy Code against the Common Collateral and each of them waives any claim it may have against

any First Lien Secured Party arising out of the election of any First Lien Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code against the Common Collateral.

6.2 Adequate Protection. Each Second Lien Collateral Agent, each Second Lien Representative and each other Second Lien Secured Party agrees that, prior to a Discharge of First Lien Obligations, that it will not file or prosecute in any Insolvency or Liquidation Proceeding any motion for adequate protection (or any comparable request for relief) or raise any objection to or otherwise oppose DIP Financing or use of cash collateral supported by any First Lien Collateral Agent based upon their respective security interests, or lack of adequate protection of their interest, in the Common Collateral, except that:

(1) to the extent a First Lien Collateral Agent on behalf of the applicable First Lien Secured Parties has been granted in the Insolvency or Liquidation Proceeding adequate protection in the form of an additional or replacement Lien and/or a superpriority administrative claim arising under Section 507(b) of the Bankruptcy Code or otherwise, any of them may freely seek and obtain relief granting, as applicable, and without objection from the First Lien Secured Parties, a junior additional or replacement Lien co-extensive in all respects with, but subordinated to, all adequate protection and other Liens granted in the Insolvency or Liquidation Proceeding to, or for the benefit of, the First Lien Secured Parties, and/or a junior superpriority administrative claim subordinated to all adequate protection superpriority administrative claims granted in the Insolvency or Liquidation Proceeding to, or for the benefit of, the First Lien Secured Parties;

(2) to the extent that (i) the order of any court of competent jurisdiction provides that the First Lien Secured Parties are entitled to receive adequate protection in the form of payments in the amount of current post-petition interest, incurred fees and expenses or other cash payments, or (ii) the First Lien Collateral Agent otherwise consents, then the Second Lien Collateral Agents and the Second Lien Secured Parties may seek, without objection from the First Lien Secured Parties, adequate protection in the form of such payments in the amount of current post-petition interest, incurred fees and expenses of other cash payments in the applicable Insolvency or Liquidation Proceeding, subject to the right of the First Lien Secured Parties to object thereto; and

(3) any of them may freely seek and obtain any relief upon a motion for adequate protection (or any comparable relief), without any condition or restriction whatsoever, at any time after the Discharge of First Lien Obligations up to the First Lien Cap.

6.3 Preference Issues. If any First Lien Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the bankruptcy estate of the Borrowers or any other Grantor (or any Court Appointed Official, trustee, receiver, or similar person therefor), because the payment of such amount was declared to be actually or constructively fraudulent or preferential in any respect or for any other reason, any amount (a "Recovery"), whether received as proceeds of security, enforcement of any right of setoff, recoupment, or otherwise, then, as among the parties hereto, the First Lien Obligations shall be deemed to be reinstated to the extent of such Recovery and to be outstanding as if such payment had not occurred, and such First Lien Secured Party shall be entitled to a reinstatement of First Lien Obligations with respect to all such recovered amounts and shall have all rights hereunder. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Any Common Collateral or proceeds thereof received by any Second Lien Secured Party prior to the time of such Recovery shall be deemed to have been received prior to the Discharge of First Lien Obligations and subject to the provisions of Section 4.2. The applicable First Lien Representative shall use commercially reasonable efforts to give written notice to the Second Lien Representatives of the occurrence of any such Recovery (provided that the failure to give such notice shall

not affect the First Lien Collateral Agents' rights hereunder, except it being understood that until the delivery of such notice to the Second Lien Representatives, the Second Lien Collateral Agents shall not be charged with knowledge of such Recovery or required to take any actions based on such Recovery).

6.4 Application. This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective and shall be applicable prior to and after the commencement of any Insolvency or Liquidation Proceeding. All references herein to any Grantor shall apply to any trustee for such Person and such Person as debtor and debtor in possession, as such terms are defined in Sections 101 and 1101 of the Bankruptcy Code. The relative rights as to the Common Collateral and proceeds thereof shall continue after the filing thereof on the same basis as prior to the date of the petition, subject to any court order approving the financing of, or use of cash collateral by, any Grantor.

6.5 Reorganization Securities; No Waiver. (a) If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to any Plan of Reorganization or similar dispositive restructuring plan, both on account of First Lien Obligations and on account of Second Lien Obligations, then, to the extent the debt obligations distributed on account of the First Lien Obligations and on account of the Second Lien Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) Subject to Section 2.2, and except as otherwise expressly set forth in herein, nothing contained in this Agreement shall prohibit or in any way limit any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party from objecting on any basis in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party.

6.6 Post-Petition or Post-Filing Interest.

(a) Neither any Second Lien Collateral Agent, any Second Lien Representative, nor any Second Lien Secured Party, solely in its capacity as a junior secured creditor, shall oppose or seek to challenge any claim by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party for allowance in any Insolvency or Liquidation Proceeding of First Lien Obligations up to the First Lien Cap consisting of post-petition or post-filing interest, fees, or expenses, without regard to or otherwise taking into account the existence of the Lien of such Second Lien Collateral Agent on behalf of the applicable Second Lien Secured Parties on the Common Collateral.

(b) Provided that each First Lien Collateral Agent on behalf of the applicable First Lien Secured Parties has been granted an allowed claim in the applicable Insolvency or Liquidation Proceedings for First Lien Obligations up to the First Lien Cap consisting of post-petition or post-filing interest, fees, or expenses, any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party may seek, without objection from the First Lien Secured Parties, a claim for allowance in any Insolvency or Liquidation Proceeding of Second Lien Obligations consisting of post-petition or post-filing interest, fees, or expenses, provided that any claim by any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party is limited to the extent of the value of the Lien in favor of the Second Lien Secured Parties on the Common Collateral (after taking into account the value of the Lien in favor of the First Lien Secured Parties).

6.7 Nature of Obligations; Post-Petition or Post-Filing Interest. Each First Lien Collateral Agent, on behalf of the applicable First Lien Secured Parties, and each Second Lien Collateral

Agent, on behalf of the applicable Second Lien Secured Parties, hereby acknowledges and agrees that (except to the extent expressly provided in Section 7.6 solely in the case of a Canadian Insolvency Proceeding) because of, among other things, their differing rights in the Common Collateral, the Second Lien Obligations are fundamentally different from the First Lien Obligations and the Second Lien Secured Parties' claims against the Borrowers and/or any Grantor in respect of the Common Collateral constitute junior claims separate and apart (and of a different class) from the senior claims of the First Lien Secured Parties against the Borrowers and/or any such Grantor in respect of the Common Collateral, such that the Second Lien Secured Parties' claims against the Borrowers or any Grantor in respect of the Common Collateral should be separately classified in any Plan of Reorganization proposed, confirmed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, other than as expressly provided in Section 7.6 (solely in the case of a Canadian Insolvency Proceeding), if it is held that the claims against the Borrowers or any Grantor in respect of the Common Collateral constitute only one secured claim (rather than separate classes of junior and senior claims), then each Second Lien Collateral Agent, on behalf of the applicable Second Lien Secured Parties, hereby acknowledges and agrees that all distributions pursuant to Section 4.1 or otherwise from the Common Collateral shall be made as if there were separate classes of senior and junior secured claims against the Borrowers and the Grantors in respect of the Common Collateral, with the effect being that, to the extent that the aggregate value of the Common Collateral is sufficient (for this purpose ignoring all claims held by such Second Lien Collateral Agent on behalf of the applicable Second Lien Secured Parties), the First Lien Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition or post-filing interest and other claims, all amounts owing in respect of post-petition or post-filing interest at the relevant contract rate, fees and expenses before any distribution is made from the Common Collateral in respect of the claims held by such Second Lien Collateral Agent, on behalf of the applicable Second Lien Secured Parties, with such Second Lien Collateral Agent, on behalf of the applicable Second Lien Secured Parties, hereby acknowledging and agreeing to turn over to the holders of the First Lien Obligations all amounts otherwise received or receivable by them from the Common Collateral to the extent needed to effectuate the intent of this sentence even if such turnover of amounts has the effect of reducing the amount of the claim or recoveries of the Second Lien Secured Parties.

6.8 Proofs of Claim. Subject to the limitations set forth in this Agreement, or under applicable law, any First Lien Collateral Agent may file proofs of claim and other pleadings and motions with respect to any First Lien Obligations (subject to the following sentence), any Second Lien Obligations, or the Common Collateral in any Insolvency or Liquidation Proceeding. If an appropriate proof of claim in respect of Second Lien Obligations has not been filed in the form required in such Insolvency or Liquidation Proceeding at least ten (10) days prior to the expiration of the time for filing thereof, each First Lien Collateral Agent shall have the right (but not the duty) to file an appropriate claim for and on behalf of the Second Lien Secured Parties with respect to any of the Second Lien Obligations or any of the Common Collateral.

6.9 Plan of Reorganization.

(a) Each of the First Lien Secured Parties and the Second Lien Secured Parties shall be entitled to vote as separate classes with respect to any Plan of Reorganization or arrangement in connection with any Insolvency or Liquidation Proceeding, except to the extent otherwise provided in Section 7.6 (solely in the case of a Canadian Insolvency Proceeding).

(b) In any Insolvency or Liquidation Proceeding, neither any Second Lien Collateral Agent nor any other Second Lien Secured Party shall sponsor, fund or otherwise facilitate, or affirmatively promote, any Plan of Reorganization of any Grantor unless such Plan of Reorganization (i) provides for the Discharge of First Lien Obligations (including all post-petition interest, fees and expenses allowed as

provided in Section 6.6 hereof) on the effective date of such Plan of Reorganization or (ii) is otherwise sponsored, funded or promoted by the First Lien Secured Parties; provided, however, that, notwithstanding any other term or provision hereof, (x) any Second Lien Collateral Agent and any Second Lien Secured Party shall have the right to vote any claim in any Insolvency or Liquidation Proceeding in any manner in its sole discretion so long as not in contravention of the provisions of this Agreement and (y) the Second Lien Secured Parties shall be entitled to retain any distribution made under a Plan of Reorganization satisfying clause (ii) of this Section 6.9(b).

6.10 Waiver of Bankruptcy-Related Rights. Prior to a Discharge of First Lien Obligations up to the First Lien Cap, and except as otherwise expressly consented to in writing by the First Lien Collateral Agents, each Second Lien Collateral Agent and each other Second Lien Secured Party agree to waive any rights they may have in an Insolvency or Liquidation Proceeding (i) to seek to have a case or cases commenced by any Group Company under Chapter 11 of the Bankruptcy Code converted to a case or cases under Chapter 7 of the Bankruptcy Code pursuant to Section 1112 of the Bankruptcy Code or otherwise; (ii) to seek to have a case or cases commenced by any Group Company under the *Companies' Creditors Arrangement Act* (Canada) converted to a case or cases under the *Bankruptcy and Insolvency Act* (Canada); (iii) to seek to have a case or cases commenced by any Group Company under Chapter 11 of the Bankruptcy Code dismissed pursuant to Section 1112 of the Bankruptcy Code or otherwise; (iii) to seek to have a case or cases commenced by any Group Company under the *Companies' Creditors Arrangement Act* (Canada) dismissed; (iv) to seek to have a Chapter 11 trustee or an examiner appointed pursuant to Section 1104 of the Bankruptcy Code or otherwise in any case or cases commenced by any Group Company under Chapter 11 of the Bankruptcy Code; and (v) to seek to have a trustee, monitor, receiver, interim receiver, receiver and manager, liquidator, custodian or other similar official appointed in any case or cases commenced by any Group Company under any Canadian Bankruptcy Law (other than the trustee, monitor, receiver, interim receiver, receiver and manager, liquidator, custodian or other similar official sought to be appointed by the First Lien Collateral Agents or First Lien Secured Parties).

SECTION 7 Additional Provisions Regarding Non-US Insolvency or Liquidation Proceedings.

7.1 Setoff. To the extent that any Grantor's First Lien Obligations or Second Lien Obligations are discharged by way of setoff (mandatory or otherwise) after the occurrence of a Non-US Insolvency or Liquidation Proceeding in such proceeding in relation to that Grantor, any other Grantor or Subsidiary of a Grantor which benefitted from that setoff shall pay (and each Grantor shall ensure that its Subsidiaries shall pay) an amount equal to the amount of the First Lien Obligations or Second Lien Obligations, as applicable, owed to it which are discharged by that setoff to the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) for application in accordance with Section 4.

7.2 Non-cash Distributions.

(a) If after the occurrence of a Non-US Insolvency or Liquidation Proceeding, the First Lien Collateral Agent or any First Lien Secured Party receives a distribution in a form other than in cash in respect of any of the First Lien Obligations in such proceeding, the First Lien Obligations will not be reduced by that distribution until and except to the extent that the realization proceeds are actually applied to the First Lien Obligations.

(b) If after the occurrence of a Non-US Insolvency or Liquidation Proceeding, the Second Lien Collateral Agent or any Second Lien Secured Party receives a distribution in a form other than in cash in respect of any of the Second Lien Obligations in such proceeding, the Second Lien Obligations

will not be reduced by that distribution until and except to the extent that the realization proceeds are actually applied to the Second Lien Obligations (after the Discharge of First Lien Obligations).

7.3 Filing of Claims. After the occurrence of a Non-US Insolvency or Liquidation Proceeding in relation to any Grantor, in such proceeding each Grantor and each First Lien Secured Party (and after Discharge of First Lien Obligations, each Second Lien Secured Party) irrevocably authorizes the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent), on its behalf (and in the case of any Grantor, on behalf of each of its Subsidiaries) to: (i) take any enforcement action (in accordance with the terms of this Agreement) against that Grantor; (ii) demand, sue, prove and give receipt for any or all of that Grantor's First Lien Obligations (or, after the Discharge of First Lien Obligations, the Second Lien Obligations); (iii) collect and receive all distributions on, or on account of, any or all of that Grantor's First Lien Obligations (or, after the Discharge of First Lien Obligations, the Second Lien Obligations); and (iv) file claims, take proceedings and do all other things the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) considers reasonably necessary to recover that Grantor's First Lien Obligations (or, after the Discharge of First Lien Obligations, the Second Lien Obligations).

7.4 Subordinated Party Actions. After the occurrence of a Non-US Insolvency or Liquidation Proceeding, each Grantor, each First Lien Secured Party and each Second Lien Secured Party will (and each Grantor shall procure that each of its Subsidiaries will) do all things that the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) reasonably requests in order to give effect to the provisions of this Section 7 in the event that the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) is not entitled to take any of the actions contemplated by this Section 7 as a result of such Non-US Insolvency or Liquidation Proceeding, including the grant a power of attorney to the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) (on such terms as the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) may reasonably require) to enable the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) to accomplish such action.

7.5 Rights to Vote. Subject to any limitations under applicable Bankruptcy Law or other applicable law, the First Lien Secured Parties and the Second Lien Secured Parties shall retain rights to vote and otherwise act in relation to any proposal put to the vote by or under the supervision of any judicial or supervisory authority in respect of any insolvency, pre-insolvency or rehabilitation or similar proceeding relating to any Grantor in respect of any Non-US Insolvency or Liquidation Proceeding.

7.6 Canadian Insolvency Proceedings. With respect to any Canadian Insolvency Proceeding, the claims of the First Lien Secured Parties and the Second Lien Secured Parties shall not be classified in different classes of senior and junior secured claims in such proceeding but instead shall be classified in the same class of senior secured claims. No Representative, First Lien Secured Party, Second Lien Secured Party or Grantor shall bring, commence or file any action, pleading, application, motion or other process to challenge the classification described in the immediately preceding sentence. In addition, subject to the other provisions of this Section 7.6, the parties hereto agree that regardless of whether any claim is allowed or allowable, and without limiting the generality of the other provisions of this Agreement, this Agreement entitles the Designated First Lien Representative, each First Lien Representative and each other First Lien Secured Party, and is intended to provide the Designated First Lien Representative, each First Lien Representative and each other First Lien Secured Party with the right to receive, in respect of their First Lien Obligations, payment from the Common Collateral of all claims through distributions made therefrom pursuant to the provisions of this Agreement even though any such claims are not allowed or allowable against any Grantor under any Canadian Insolvency Proceeding. Unless and until the Discharge of First Lien Obligations shall have occurred, in any Canadian Insolvency Proceeding, the Second Lien

Representative, for and on behalf of the Second Lien Secured Parties, shall direct any Second Lien Secured Party, Court Appointed Official or similar person subject to Sections 2.1, Section 4.1 and the proviso relating to subclause (y) at the end of this Section 7.6, to pay and distribute over any distributions, payments, Common Collateral or proceeds thereof received by any of them in respect of the claims of the Second Lien Secured Parties to the First Lien Secured Parties, and Section 4.2 shall apply, *mutatis mutandis*. To further effectuate the intent of the parties as provided in the immediately preceding sentences, in any Canadian Insolvency Proceeding, until the Discharge of First Lien Obligations has occurred, the Second Lien Representative, for and on behalf of the Second Lien Secured Parties, agrees that it will vote the claims of the Second Lien Secured Parties in favor of, and will not vote such claims against, a Plan of Reorganization in such Canadian Insolvency Proceeding (x) that provides for the Discharge of First Lien Obligations or (y) with respect to which (i) the Second Lien Representative has received written notice from the Designated First Lien Representative acknowledging the Designated First Lien Representative's support of such Plan of Reorganization and (ii) such Plan of Reorganization shall, to the extent available under applicable law, provide (1) that the Second Lien Secured Parties shall, under such Plan of Reorganization, (i) subject to Section 5.1(a), retain the Liens securing the Second Lien Obligations, whether the Common Collateral subject to such Liens is retained by the Grantor in the Canadian Insolvency Proceeding or transferred to another entity, to the extent of the Second Lien Obligations (after giving effect to subsection (1)(ii) below) and (ii) receive on account of the Second Lien Obligations deferred cash payments totaling at least the lesser of (A) the amount of the Second Lien Obligations or (B) the value, as of the effective date of such plan, of the Second Lien Secured Parties' interest in the Grantor's interest in such Common Collateral, (2) for (A) the sale of Common Collateral, subject to the credit bid rights of the Second Lien Secured Parties, free and clear of such Liens, with such Liens to attach to the proceeds of such sale, and (B) the treatment of such Liens as set forth in subsection (1)(i) above or subsection (3) below, or (3) for the realization by the Second Lien Secured Parties of the indubitable equivalent of their Second Lien Obligations (the outcome of subsections (1), (2) or (3) above, the "Protected Recovery") and, to the extent a Protected Recovery is not available under applicable law, the equivalent value shall be paid to the Second Lien Secured Parties from amounts payable to the First Lien Secured Parties; provided that notwithstanding any provision in this Agreement to the contrary, if the claims of the First Lien Secured Parties and the Second Lien Secured Parties have been classified in the same class under a Plan of Reorganization satisfying clause (y) of this Section 7.6, the Second Lien Representative, for and on behalf of the Second Lien Secured Parties, shall direct each Second Lien Secured Party or Court Appointed Official or similar person, subject to Sections 2.1 and Section 4.1, to pay and distribute over any distributions, payments, Common Collateral or proceeds thereof received by any of them that, in the aggregate, exceed the Protected Recovery of the Second Lien Secured Parties to the holders of the First Lien Obligations, and Section 4.2 shall apply, *mutatis mutandis*.

SECTION 8 Reliance; Waivers; etc.

8.1 Reliance. The execution and delivery of the First Lien Documents by the First Lien Secured Parties and all loans and other extensions of credit made or deemed made on and after the date hereof by the First Lien Secured Parties to the Borrowers, any Grantor or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, acknowledges that it and the Second Lien Secured Parties have, independently and without reliance on any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Parties, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the applicable Second Lien Documents, this Agreement and the transactions contemplated hereby and thereby and they will continue to make their own credit decision in taking or not taking any action under the applicable Second Lien Documents or this Agreement.

8.2 No Warranties or Liability. (a) Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, acknowledges and agrees that neither any First Lien

Collateral Agent, any First Lien Representative, nor any of the First Lien Secured Parties has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the First Lien Documents, the ownership of any Common Collateral or the perfection or priority of any Liens thereon. The First Lien Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the First Lien Documents in accordance with law and as they, in their sole discretion, may otherwise deem appropriate, and the First Lien Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that any Second Lien Collateral Agent, any Second Lien Representative or any of the Second Lien Secured Parties have in the Common Collateral or otherwise, except as otherwise provided in this Agreement. Neither any First Lien Collateral Agent, any First Lien Representative nor any First Lien Secured Parties shall have any duty to any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreements with the Borrowers or any Grantor (including the Second Lien Documents), regardless of any knowledge thereof that they may have or be charged with.

(b) Each First Lien Collateral Agent, on behalf of itself and each applicable First Lien Secured Party, acknowledges and agrees that neither any Second Lien Collateral Agent, any Second Lien Representative nor any of the Second Lien Secured Parties has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Second Lien Documents, the ownership of any Common Collateral or the perfection or priority of any Liens thereon. The Second Lien Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Second Lien Documents in accordance with law and as they, in their sole discretion, may otherwise deem appropriate, and the Second Lien Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that any First Lien Collateral Agent, any First Lien Representative or any of the First Lien Secured Parties have in the Common Collateral or otherwise, except as otherwise provided in this Agreement. Neither any Second Lien Collateral Agent, any Second Lien Representative nor any Second Lien Secured Parties shall have any duty to any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreements with the Borrowers or any Grantor (including the First Lien Documents), regardless of any knowledge thereof that they may have or be charged with.

(c) Except as expressly set forth in this Agreement, the First Lien Collateral Agents, the First Lien Secured Parties, the Second Lien Collateral Agents and the Second Lien Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (i) the enforceability, validity, value or collectability of any of the Second Lien Obligations, the First Lien Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (ii) the Borrowers' or any Grantor's title to or right to transfer any of the Common Collateral or (iii) any other matter except as expressly set forth in this Agreement.

8.3 Obligations Unconditional. All rights, interests, agreements and obligations of the First Lien Collateral Agents and the First Lien Secured Parties, and the Second Lien Collateral Agents and the Second Lien Secured Parties, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any First Lien Documents or any Second Lien Documents;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the First Lien Obligations or Second Lien Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Initial First Lien Credit Agreement or any other First Lien Document or of the terms of the Initial Second Lien Credit Agreement or any other Second Lien Document;

(c) any exchange of any security interest in any Common Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the First Lien Obligations or Second Lien Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of any Borrower or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, the Borrowers or any other Grantor in respect of the First Lien Obligations (other than the Discharge of First Lien Obligations) or the Second Lien Obligations in respect of this Agreement.

SECTION 9 Miscellaneous.

9.1 Conflicts. Subject to Section 9.19, in the event of any conflict between the provisions of this Agreement and the provisions of any First Lien Document or any Second Lien Document, the provisions of this Agreement shall govern; provided that the foregoing shall not be construed to limit the relative rights and obligations as among the First Lien Secured Parties or as among the Second Lien Secured Parties; as among the First Lien Secured Parties, such rights and obligations are governed by, and any provisions herein regarding them are therefore subject to, the provisions of the First Lien Pari Passu Intercreditor Agreement, and as among the Second Lien Secured Parties, such rights and obligations are governed by, and any provisions herein regarding them are therefore subject to, the provisions of the Second Lien Pari Passu Intercreditor Agreement.

9.2 Continuing Nature of This Agreement; Severability. Subject to Section 5.6 and Section 6.3, this Agreement shall continue to be effective until the Discharge of First Lien Obligations shall have occurred or such later time as all Second Lien Obligations shall have been paid in full. This is a continuing agreement of lien subordination, and the First Lien Secured Parties may continue, at any time and without notice to any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrowers or any other Grantor constituting First Lien Obligations in reliance hereon. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9.3 Amendments; Waivers.

(a) No amendment, modification or waiver of any of the provisions of this Agreement by any Second Lien Collateral Agent or any First Lien Collateral Agent shall be deemed to be made unless the same shall be in writing signed by or on behalf of each First Lien Collateral Agent and each Second Lien Collateral Agent or their respective authorized agents and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time; provided that any amendment modification or waiver of any provision of this Agreement that adversely

affects the rights of any Borrower or any Guarantor in any material respect shall also require the written consent of the Borrower Representative or such Guarantor. The First Lien Collateral Agents and the Second Lien Collateral Agents agree that they will at the request of the Borrowers and at the Borrowers' expense enter into such amendments to this Agreement as may be necessary to (i) add other parties holding additional obligations, including any Credit Agreement Refinancing Indebtedness (and any agent or trustee therefor) to the extent such obligations are permitted by the Initial First Lien Credit Agreement, any other First Lien Document, the Initial Second Lien Credit Agreement or any other Second Lien Document incurred and to be secured by a Lien on the First Lien Collateral or Second Lien Collateral, as the case may be and the Borrower Representative delivers an Officer's Certificate to such effect to each of the First Lien Collateral Agents and the Second Lien Collateral Agents (on which certificate the First Lien Collateral Agents and the Second Lien Collateral Agents may conclusively rely without independent investigation), (ii) in the case of additional senior obligations permitted under the preceding clause (i), (a) establish that the Lien on the Common Collateral securing such additional senior obligations shall be senior in all respects to all Liens on the Common Collateral securing any Second Lien Obligations and, to the extent holding a valid and perfected Lien in Common Collateral, shall share in the benefits of the Common Collateral equally and ratably with all Liens on the Common Collateral securing any other First Lien Obligations, and (b) provide to the holders of such additional senior obligations (or any agent or trustee thereof) the comparable rights and benefits (including any improved rights and benefits that have been consented to by the First Lien Collateral Agents) as are provided to First Lien Secured Parties under this Agreement, (iii) in the case of additional junior obligations permitted under the preceding clause (i), (a) establish that the Lien on the Common Collateral securing such additional junior obligations shall be junior and subordinate in all respects to all Liens on the Common Collateral securing any First Lien Obligations and, to the extent holding a valid and perfected Lien in Common Collateral shall share in the benefits of the Common Collateral equally and ratably with all Liens on the Common Collateral securing any Second Lien Obligations, and (b) provide to the holders of such additional junior obligations (or any agent or trustee thereof) the comparable rights and benefits (including any improved rights and benefits that have been consented to by the Second Lien Collateral Agents) as are provided to Second Lien Secured Parties under this Agreement; provided that the holders of such additional obligations permitted by clause (i) above (or the agent or trustee therefor) shall have executed and delivered to the First Lien Collateral Agents and the Second Lien Collateral Agents an amendment or joinder to this Agreement in form and substance reasonably satisfactory to the First Lien Collateral Agents and the Second Lien Collateral Agents.

(b) Notwithstanding the foregoing, without the consent of any First Lien Secured Party or Second Lien Secured Party, any Representative and Collateral Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 9.24 and upon such execution and delivery, such Representative and Collateral Agent and the Additional First Lien Secured Parties and Additional First Lien Obligations or Additional Second Lien Secured Parties and Additional Second Lien Obligations, as the case may be, of the Series for which such Representative and Collateral Agent is acting shall be subject to the terms hereof.

(c) Notwithstanding the foregoing, without the consent of any other Representative, Collateral Agent or Secured Party, the Designated First Lien Representative and the Designated Second Lien Representative may jointly effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of Additional First Lien Obligations or Additional Second Lien Obligations in compliance with this Agreement.

9.4 Information Concerning Financial Condition of the Grantors and their Subsidiaries. The First Lien Collateral Agents, the First Lien Representatives, the First Lien Secured Parties, the Second Lien Collateral Agents, the Second Lien Representatives and the Second Lien Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrowers and the other Grantors and all endorsers and/or guarantors of the First Lien Obligations or the

Second Lien Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the First Lien Obligations or the Second Lien Obligations. The First Lien Collateral Agents, the First Lien Representatives, the First Lien Secured Parties, the Second Lien Collateral Agent, the Second Lien Representatives and the Second Lien Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any First Lien Collateral Agent, any First Lien Representative, any First Lien Secured Party, any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it or they shall be under no obligation (w) to make, and the First Lien Collateral Agents, the First Lien Representatives, the First Lien Secured Parties, the Second Lien Collateral Agents, the Second Lien Representatives and the Second Lien Secured Parties shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (x) to provide any additional information or to provide any such information on any subsequent occasion, (y) to undertake any investigation or (z) to disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

9.5 Subrogation. Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, hereby agrees not to assert its rights of subrogation, if any, it may acquire under applicable law as a result of any payment hereunder until the Discharge of First Lien Obligations has occurred.

9.6 Application of Payments. Except as otherwise provided herein, all payments received by any First Lien Representative, any First Lien Collateral Agent or other First Lien Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the First Lien Obligations by the First Lien Secured Parties in a manner consistent with the terms of the First Lien Documents (subject to any First Lien Pari Passu Intercreditor Agreement, if then in effect).

9.7 Consent to Jurisdiction; Waivers. (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Ontario Superior Court of Justice (Commercial List) and Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (a) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.8. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(d) EACH OF THE PARTIES HERETO WAIVES ANY RIGHT IT MAY HAVE TO TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT OR ACTION OF ANY PARTY HERETO IN CONNECTION WITH THE SUBJECT MATTER HEREOF.

9.8 Notices. All notices to the First Lien Secured Parties and the Second Lien Secured Parties permitted or required under this Agreement may be sent to the applicable First Lien Collateral Agent or the applicable Second Lien Collateral Agent, respectively, as provided in the relevant First Lien Documents or the relevant Second Lien Documents, as applicable. All notices to any Second Lien Secured Parties and any First Lien Secured Parties permitted or required under this Agreement shall also be sent to each Second Lien Collateral Agent and each First Lien Collateral Agent, respectively. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telecopied, electronically mailed or sent by courier service or U.S. mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a telecopy or electronic mail or upon receipt via U.S. mail (registered or certified, with postage prepaid and properly addressed). For the purposes hereof, the addresses of the parties hereto shall be as set forth below each party's name on the signature pages hereto, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties.

9.9 Further Assurances. Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, and each First Lien Collateral Agent, on behalf of itself and each applicable First Lien Secured Party, agree that each of them shall take such further action and shall execute and deliver to the First Lien Collateral Agents and the First Lien Secured Parties such additional documents and instruments (in recordable form, if requested) as the First Lien Collateral Agents or the First Lien Secured Parties may reasonably request to effectuate the terms of and the lien priorities contemplated by this Agreement.

9.10 Governing Law. This Agreement has been delivered and accepted at and shall be deemed to have been made at New York, New York and shall be interpreted, and the rights and liabilities of the parties bound hereby determined, in accordance with the laws of the State of New York.

9.11 Binding on Successors and Assigns. This Agreement shall be binding upon the First Lien Collateral Agents, the First Lien Secured Parties, the Second Lien Collateral Agents, the Second Lien Secured Parties and their respective permitted successors and assigns.

9.12 Specific Performance. Each First Lien Collateral Agent, each First Lien Representative, each Second Lien Collateral Agent and each Second Lien Representative may demand specific performance of this Agreement. Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any First Lien Collateral Agent. Each First Lien Collateral Agent, on behalf of itself and each applicable First Lien Secured Party, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any Second Lien Collateral Agent.

None of the Borrowers, any other Grantor or any of their respective Subsidiaries or any other creditor thereof shall have any rights hereunder. Nothing in this Agreement is intended to or shall impair the obligations of the Borrowers or any other Grantor to pay the First Lien Obligations and the Second Lien Obligations as and when the same shall become due and payable in accordance with their terms.

9.20 References. Notwithstanding anything to the contrary in this Agreement, any references contained herein to any Section, clause, paragraph, definition or other provision of any First Lien Document or Second Lien Document (including any definition contained therein) shall be deemed to be a reference to such Section, clause, paragraph, definition or other provision as in effect on the date of this Agreement; provided that any reference to any such Section, clause, paragraph or other provision shall refer to such Section, clause, paragraph or other provision of the applicable First Lien Document or Second Lien Document, as applicable (including any definition contained therein), as amended or modified from time to time if such amendment or modification has been made in accordance with this Agreement and the applicable First Lien Document or Second Lien Document.

9.21 Intercreditor Agreements. To the extent not prohibited by, and consistent with, this Agreement, each party hereto agrees that the First Lien Secured Parties (as among themselves) may enter into intercreditor agreements (or similar arrangements) governing the rights, benefits and privileges as among the First Lien Secured Parties in respect of the Common Collateral, this Agreement and the other First Lien Documents, including as to application of proceeds of the Common Collateral, voting rights, control of the Common Collateral and waivers with respect to the Common Collateral, in each case so long as the terms thereof do not violate or conflict with the provisions of this Agreement or the First Lien Documents. To the extent not prohibited by, and consistent with, this Agreement, each party hereto agrees that the Second Lien Secured Parties (as among themselves) may enter into intercreditor agreements (or similar arrangements) governing the rights, benefits and privileges as among the Second Lien Secured Parties in respect of the Common Collateral, this Agreement and the other Second Lien Documents, including as to application of proceeds of the Common Collateral, voting rights, control of the Common Collateral and waivers with respect to the Common Collateral, in each case so long as the terms thereof do not violate or conflict with the provisions of this Agreement or the Second Lien Documents. In any event, if a respective intercreditor agreement (or similar arrangement) exists, the provisions thereof shall not be (or be construed to be) an amendment, modification or other change to this Agreement or any other First Lien Security Document or Second Lien Security Document, and the provisions of this Agreement and the other First Lien Security Documents and Second Lien Security Documents shall remain in full force and effect in accordance with the terms hereof and thereof (as such provisions may be amended, modified or otherwise supplemented from time to time in accordance with the terms hereof and thereof, including to give effect to any intercreditor agreement (or similar arrangement)). This Agreement embodies arms' length negotiations and compromises between the parties, was drafted jointly by the parties, and shall not be construed against any party hereto, or such parties' successors and assigns, if any, by reason of its preparation or drafting of this Agreement. Each of the parties agrees that drafts of this Agreement and modifications reflected in such drafts shall not be utilized in any manner, dispute, or proceeding, including as evidence of any of the parties' intent or interpretation of this Agreement.

9.23 Additional Grantors. The Grantors agree that, if any Subsidiary shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument acceptable to the First Lien Collateral Agents and the Second Lien Collateral Agents. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

9.24 Additional Debt Facilities.

(a) To the extent, but only to the extent, permitted by the provisions of the First Lien Documents and the Second Lien Documents and Section 5.3, any Grantor may incur or issue and sell one or more series or classes of Indebtedness that the Borrower Representative designates as Additional First Lien Debt and/or one or more series or classes of Indebtedness that the Borrower Representative designates as Additional Second Lien Debt (each, "Additional Debt").

Any such series or class of Additional First Lien Debt may be secured by a first-priority, senior Lien on the Common Collateral, in each case under and pursuant to the First Lien Security Documents for such Series of Additional First Lien Debt, if and subject to the condition that, unless such Indebtedness is part of an existing Series of Additional First Lien Debt represented by a First Lien Representative and First Lien Collateral Agent already party to this Agreement and the First Lien Pari Passu Intercreditor Agreement, the Additional First Lien Representative and the Additional First Lien Collateral Agent of any such Additional First Lien Debt each becomes a party to this Agreement and the First Lien Pari Passu Intercreditor Agreement by satisfying the conditions set forth in clauses (1) and (2) of Section 9.24(b). Upon any Additional First Lien Representative and Additional First Lien Collateral Agent so becoming a party hereto and becoming a party to the First Lien Pari Passu Intercreditor Agreement in accordance with the terms thereof, all Additional First Lien Obligations of such Series shall also be entitled to be so secured by a senior Lien on the Common Collateral in accordance with the terms hereof and thereof.

Any such series or class of Additional Second Lien Debt may be secured by a junior-priority, subordinated Lien on the Common Collateral, in each case under and pursuant to the relevant Second Lien Security Documents for such Series of Additional Second Lien Debt, if and subject to the condition, unless such Indebtedness is part of an existing Series of Additional Second Lien Debt represented by a Second Lien Representative and Second Lien Collateral Agent already party to this Agreement and the Second Lien Pari Passu Intercreditor Agreement, the Additional Second Lien Representative and Additional Second Lien Collateral Agent of any such Additional Second Lien Debt each becomes a party to this Agreement and the Second Lien Pari Passu Intercreditor Agreement by satisfying the conditions set forth in clauses (1) and (2) of Section 9.24(b). Upon any Additional Second Lien Representative and Additional Second Lien Collateral Agent so becoming a party hereto and becoming a party to the Second Lien Pari Passu Intercreditor Agreement in accordance with the terms thereof, all Additional Second Lien Obligations of such Series shall also be entitled to be so secured by a subordinated Lien on the Common Collateral in accordance with the terms hereof and thereof.

(b) In order for an Additional Representative and an Additional Collateral Agent to become a party to this Agreement:

(1) such Additional Representative and such Additional Collateral Agent shall have executed and delivered to each other then-existing Representative a Joinder Agreement substantially in the form of Exhibit A hereto (if such Representative is an Additional Second Lien Representative and such Collateral Agent is an Additional Second Lien Collateral Agent) (with

such changes as may be reasonably approved by the Designated First Lien Representative, the Designated Second Lien Representative and such Representative and such Collateral Agent) or Exhibit B hereto (if such Representative is an Additional First Lien Representative and such Collateral Agent is an Additional First Lien Collateral Agent) (with such changes as may be reasonably approved by the Designated First Lien Representative and such Representative and such Collateral Agent) pursuant to which such Additional Representative becomes a Representative hereunder, such Additional Collateral Agent becomes a Collateral Agent hereunder and the related First Lien Secured Parties or Second Lien Secured Parties, as applicable, become subject hereto and bound hereby; and

(2) the Borrower Representative shall have delivered a Designation to each other then-existing Collateral Agent substantially in the form of Exhibit C hereto (with such immaterial changes as may be consented to by the parties to whom it is delivered), pursuant to which a Responsible Officer of the Borrower Representative shall (A) identify the Indebtedness to be designated as Additional First Lien Obligations or Additional Second Lien Obligations, as applicable, and the initial aggregate principal amount of such Indebtedness, (B) specify the name and address of the applicable Additional Representative and Additional Collateral Agent, (C) certify that such Additional Debt is permitted to be incurred, secured and guaranteed by each First Lien Document and Second Lien Document and that the conditions set forth in this Section 9.24 are satisfied with respect to such Additional Debt and (D) attach to such Designation true and complete copies of each of the First Lien Documents or Second Lien Documents, as applicable, relating to such Additional First Lien Debt or Additional Second Lien Debt, as applicable, certified as being true and correct by a Responsible Officer of the Borrower Representative.

(c) The Additional Second Lien Documents or Additional First Lien Documents, as applicable, relating to such Additional Obligations shall provide that each of the applicable Secured Parties with respect to such Additional Obligations will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Obligations.

(d) Upon the execution and delivery of a Joinder Agreement by an Additional First Lien Representative and an Additional First Lien Collateral Agent or an Additional Second Lien Representative and an Additional Second Lien Collateral Agent, as the case may be, in each case in accordance with this Section 9.24, each other Representative and Collateral Agent shall acknowledge receipt thereof by countersigning a copy thereof and returning the same to such Additional First Lien Representative and such Additional First Lien Collateral Agent or such Additional Second Lien Representative and such Additional Second Lien Collateral Agent, as the case may be; provided that the failure of any Representative or Collateral Agent to so acknowledge or return the same shall not affect the status of such Additional Obligations as Additional First Lien Obligations or Additional Second Lien Obligations, as the case may be, if the other requirements of this Section 9.24 are complied with.

(e) With respect to any incurrence, issuance or sale of Indebtedness after the date hereof under the Additional First Lien Documents or Additional Second Lien Documents of a Series of Additional First Lien Debt or Series of Additional Second Lien Debt whose Representative and Collateral Agent is already each a party to this Agreement and the First Lien Pari Passu Intercreditor Agreement or Second Lien Pari Passu Intercreditor Agreement, as applicable, the requirements of Section 9.24(b) shall not be applicable and such Indebtedness shall automatically constitute Additional First Lien Debt or Additional Second Lien Debt so long as (i) such Indebtedness is permitted to be incurred, secured and guaranteed by each First Lien Document and Second Lien Document and (ii) the provisions of Section 9.24(b)(2) have been complied with; provided, further, however, that with respect to any such Indebtedness incurred, issued or sold pursuant to the terms of any Additional First Lien Documents or Additional Second Lien Documents of such existing Series of Additional First Lien Debt or Additional Second Lien Debt as

such terms existed on the date the Representative and Collateral Agent for such Series of Additional First Lien Debt or Additional Second Lien Debt executed the Joinder Agreement, the requirements of clause (i) of this Section 9.24(e) shall be tested only as of (x) the date of execution of such Joinder Agreement, if pursuant to a commitment entered into at the time of such Joinder Agreement and (y) with respect to any later commitment or amendment to those terms to permit such Indebtedness, as of the date of such commitment and/or amendment.

circumstance of any kind or nature whatsoever, each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, hereby agrees that: (a) any Lien on the Common Collateral securing any First Lien Obligations up to the First Lien Cap now or hereafter held by or on behalf of any First Lien Collateral Agent or any First Lien Secured Parties or any agent or trustee therefor regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall have priority over and be senior and prior to any Lien on the Common Collateral securing any Second Lien Obligations in all respects, and (b) any Lien on the Common Collateral securing any Second Lien Obligations now or hereafter held by or on behalf of any Second Lien Collateral Agent or any Second Lien Secured Parties or any agent or trustee therefor regardless of how acquired, whether by grant, statute, operation of law, subrogation or otherwise, shall be junior and subordinate in all respects to all Liens on the Common Collateral securing any First Lien Obligations up to the First Lien Cap. All Liens on the Common Collateral securing any First Lien Obligations up to the First Lien Cap shall be and remain senior in all respects and prior to all Liens on the Common Collateral securing any Second Lien Obligations for all purposes, whether or not such Liens securing any First Lien Obligations up to the First Lien Cap are subordinated to any Lien securing any other obligation of any Borrower, any other Grantor or any other Person. Each Second Lien Collateral Agent, for itself and on behalf of the applicable Second Lien Secured Parties, expressly agrees that any Lien purported to be granted on any Common Collateral as security for the First Lien Obligations up to the First Lien Cap shall be deemed to be, and shall be deemed to remain, senior in all respects and prior to all Liens on the Common Collateral securing any Second Lien Obligations for all purposes regardless of whether the Lien purported to be granted is found to be improperly granted, improperly perfected, preferential, a fraudulent conveyance or legally or otherwise deficient in any manner.

2.2 Prohibition on Contesting Liens. Each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, agrees that (a) it shall not (and hereby waives any right to) take any action to challenge, contest or support any other Person in contesting or challenging, directly or indirectly, in any proceeding (including any Insolvency or Liquidation Proceeding), the validity, perfection, priority or enforceability of a Lien securing any First Lien Obligations held (or purported to be held) by or on behalf of any First Lien Collateral Agent or any of the First Lien Secured Parties or any agent or trustee therefor in any Common Collateral and (b) none of them will oppose or otherwise contest (or support any Person contesting) any other request for judicial relief made in any court by any First Lien Collateral Agent, any First Lien Representative or any of the other First Lien Secured Parties relating to the lawful enforcement of any Lien on Common Collateral; provided that nothing in this Agreement shall be construed to prevent or impair the rights of any First Lien Secured Party or Second Lien Secured Party to enforce this Agreement. 2.3 No New Liens.

(a) So long as the Discharge of First Lien Obligations has not occurred, the parties hereto agree that, after the date hereof, no Second Lien Collateral Agent, Second Lien Representative or Second Lien Secured Party shall acquire or hold any Lien on any assets of the Borrowers or any other Grantor (and neither the Borrowers nor any Grantor shall grant such Lien) securing any Second Lien Obligations that are not also subject to a First Priority Lien in respect of the First Lien Obligations under the First Lien Documents. If any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party shall (nonetheless and in breach hereof) acquire or hold any Lien on any assets

of the Borrowers or any other Grantor securing any Second Lien Obligations that are not also subject to the First Priority Lien in respect of the First Lien Obligations under the First Lien Documents, then such Second Lien Collateral Agent, such Second Lien Representative or such Second Lien Secured Party shall, without the need for any further consent of any party and notwithstanding anything to the contrary in any other document, (i) notify the Designated First Lien Collateral Agent promptly upon becoming aware thereof and, unless such Grantor shall promptly grant a similar Lien on such assets or property to each First Lien Collateral Agent as security for the First Lien Obligations, shall assign such Lien to the First Lien Collateral Agents as security for all First Lien Obligations for the benefit of the First Lien Secured Parties (but may retain a junior lien on such assets or property subject to the terms hereof) and (ii) until such assignment or such grant of a similar Lien to each First Lien Collateral Agent, shall be deemed to also hold and have held such Lien for the benefit of the First Lien Collateral Agents and the other First Lien Secured Parties as security for the First Lien Obligations. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other right or remedy available to any First Lien Collateral Agent, any First Lien Representative or any other First Lien Secured Party, each Second Lien Collateral Agent, for itself and on behalf of the other applicable Second Lien Secured Parties, that any amounts received by or distributed to any Second Lien Secured Party pursuant to or as a result of any Lien granted in contravention of this Section 2.3(a) shall be subject to Section 4.2.

(b) No First Lien Collateral Agent, First Lien Representative or First Lien Secured Party shall acquire or hold any Lien on any assets of the Borrowers or any other Grantor (and neither the Borrowers nor any Grantor shall grant such Lien) securing any First Lien Obligations that are not also subject to a Second Priority Lien in respect of the Second Lien Obligations under the Second Lien Documents. If any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party shall (nonetheless and in breach hereof) acquire or hold any Lien on any assets of the Borrowers or any other Grantor securing any First Lien Obligations that are not also subject to the Second Priority Lien in respect of the Second Lien Obligations under the Second Lien Documents, then such First Lien Collateral Agent, such First Lien Representative or such First Lien Secured Party shall, without the need for any further consent of any party and notwithstanding anything to the contrary in any other document, (i) notify the Designated Second Lien Collateral Agent promptly upon becoming aware thereof and (ii) until a grant of a similar Lien to each Second Lien Collateral Agent, shall be deemed to also hold and have held such Lien for the benefit of the Second Lien Collateral Agents and the other Second Lien Secured Parties as security for the Second Lien Obligations. To the extent that the provisions of the immediately preceding sentence are not complied with for any reason, without limiting any other right or remedy available to any Second Lien Collateral Agent, any Second Lien Representative or any other Second Lien Secured Party, each First Lien Collateral Agent, for itself and on behalf of the other applicable First Lien Secured Parties, that any amounts received by or distributed to any First Lien Secured Party pursuant to or as a result of any Lien granted in contravention of this Section 2.3(b) shall be subject to Section 4.2.

2.4 Perfection of Liens. Except as expressly set forth in Section 5.5 hereof, neither any First Lien Collateral Agent nor any First Lien Secured Party nor any First Lien Representative shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Common Collateral for the benefit of any Second Lien Collateral Agent, any Second Lien Representative or any other Second Lien Secured Parties and neither any Second Lien Collateral Agent, nor any Second Lien Secured Party nor any Second Lien Representative shall be responsible for perfecting and maintaining the perfection of Liens with respect to the Common Collateral for the benefit of any First Lien Collateral Agent, any First Lien Representative or any other First Lien Secured Parties. The provisions of this Agreement are intended solely to govern the respective Lien priorities as between the First Lien Secured Parties and the Second Lien Secured Parties and shall not impose on any First Lien Collateral Agent, any Second Lien Collateral Agent, any First Lien Representative, any Second Lien Representative, the Second Lien Secured Parties or the First Lien Secured Parties or any agent or trustee therefor any obligations in respect of the disposition

of proceeds of any Common Collateral which would conflict with prior perfected claims therein in favor of any other Person or any order or decree of any court or governmental authority or any applicable law.

2.5 Similar Liens. The parties hereto agree that, subject to the other provisions of this Agreement and the provisions of the First Lien Documents, it is the intent of the parties hereto that the Liens securing the First Lien Obligations and the Liens securing the Second Lien Obligations shall be upon the same collateral. The parties hereto further agree, subject to the other provisions of this Agreement, upon request by any First Lien Collateral Agent or any Second Lien Collateral Agent, as the case may be, to advise the other from time to time of the collateral for which such party has taken steps to perfect its Liens and to identify the parties obligated under the First Lien Documents or Second Lien Documents, as the case may be.

2.6 Nature of First Lien Obligations. Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, acknowledges that, (a) a portion of the First Lien Obligations may be revolving in nature or a delayed draw commitment and that the amount thereof that may be outstanding at any time or from time to time may be increased or reduced and subsequently reborrowed, (b) the terms of the First Lien Documents and the First Lien Obligations may be amended, supplemented or otherwise modified, and the First Lien Obligations, or a portion thereof, may be Refinanced from time to time (subject to Section 5.3) and (c) the aggregate amount of the First Lien Obligations may be increased, in each case, without notice to or consent by the Second Lien Collateral Agents or the Second Lien Secured Parties and without affecting the provisions hereof (including, without limitation, provisions with respect to the First Lien Cap). The Lien priorities provided for in Section 2.1 shall not be altered or otherwise affected by any amendment, supplement or other modification, or any Refinancing, of either the First Lien Obligations or the Second Lien Obligations, or any portion thereof. As between the Borrowers and the other Grantors and the Second Lien Secured Parties, the foregoing provisions will not limit or otherwise affect the obligations of the Borrowers and the Grantors contained in any Second Lien Document with respect to the incurrence of additional First Lien Obligations.

2.7 No Payment Subordination. The subordination of Liens securing Second Lien Obligations to Liens securing First Lien Obligations set forth in this Section 2 affects only the relative priority of those Liens, and does not subordinate the Second Lien Obligations in right of payment to the First Lien Obligations. Nothing in this Agreement will affect the entitlement of any Second Lien Secured Party to receive and retain required payments of interest, principal, and other amounts in respect of a Second Lien Obligation unless the receipt is expressly prohibited by this Agreement or the First Lien Documents.

2.8 Purchase Right. Without prejudice to the enforcement of the First Lien Collateral Agents', the First Lien Representatives' or the First Lien Secured Parties' remedies, the First Lien Secured Parties agree that at any time following (a) acceleration of any First Lien Obligations in accordance with the terms of the applicable First Lien Documents, (b) the commencement of an Insolvency or Liquidation Proceeding by, against or relating to any Borrower, any other Grantor or any Common Collateral constituting an Event of Default under any of the First Lien Documents, (c) an Event of Default under Section 7.01(a) or (d) of the Initial First Lien Credit Agreement (or any similar payment default in respect of any of the First Lien Documents) that has not been cured or waived pursuant to the applicable First Lien Documents (each, a "Purchase Event"), one or more of the Second Lien Secured Parties may irrevocably request (each, a "Purchase Request"), and the First Lien Secured Parties hereby offer the Second Lien Secured Parties, on a pro rata basis, the option, to purchase all (but not less than all) of the First Lien Obligations at, (A) in the case of First Lien Obligations other than the obligations under the Secured Swap Agreements or in connection with undrawn letters of credit, par plus accrued interest and any applicable premium, fees and expenses and (B) in the case of obligations under the Secured Swap Agreements, an amount equal to the greater of (1) all amounts payable under the Secured Swap Agreements in the event of a termination of such Secured Swap Agreement and (2) the mark-to-market value of such obligations under

the Secured Swap Agreements, as determined by the applicable counterparty with respect to such Secured Swap Agreements in accordance with the terms thereof and in accordance with customary methods for calculating mark-to-market amounts under similar arrangements by such counterparty; provided that, in the case of any First Lien Obligations in respect of undrawn letters of credit, banker's acceptances and similar instruments (including reimbursement obligations in connection therewith), simultaneous with the purchase of the other First Lien Obligations as provided above, the purchasing Second Lien Secured Parties shall provide the First Lien Secured Parties who issued such letters of credit, banker's acceptances and similar instruments cash collateral in Dollars in such amounts (not to exceed an amount equal to (x) 103% of the aggregate undrawn face amount of such letters of credit, banker's acceptances and similar instruments, in each case, denominated in Dollars and (y) 105% of the aggregate undrawn face amount of such letters of credit, banker's acceptances and similar instruments, in each case, denominated in any currency other than Dollars) as such First Lien Secured Parties determine is reasonably necessary to secure such First Lien Secured Parties in connection with such outstanding and undrawn letters of credit, banker's acceptances and similar instruments. Any sale or assignment pursuant to this Section 2.8 shall be made without representation or warranty of any kind (except for customary representations and warranties required to be made by assigning lenders pursuant to an "Assignment and Assumption" (as defined in the Initial First Lien Credit Agreement)) by the First Lien Secured Parties and shall otherwise be without recourse to the First Lien Secured Parties. Any such purchase right shall be exercised by the Second Lien Secured Parties by delivery of a Purchase Request to the First Lien Representatives no later than 15 Business Days following receipt by the Second Lien Collateral Agent of written notice from the First Lien Collateral Agent of the relevant Purchase Event, and the parties shall use commercially reasonable efforts to close promptly thereafter but in any event within 15 Business Days of the date of the applicable Purchase Request. If one or more of the Second Lien Secured Parties exercise such purchase right, it shall be exercised pursuant to documentation mutually acceptable to each of the applicable First Lien Representatives and the applicable Second Lien Representatives. The obligations of the First Lien Secured Parties under this Section 2.8 to offer and sell the First Lien Obligations owing to them are several and not joint and several.

In exercising rights and remedies against Common Collateral, any First Lien Collateral Agent, any First Lien Representative and the First Lien Secured Parties may enforce the provisions of the First Lien Documents and exercise remedies thereunder, all in such order and in such manner as they may determine in the exercise of their reasonable discretion. Such exercise and enforcement shall include the rights of an agent appointed by them to sell or otherwise dispose of Common Collateral upon foreclosure, to incur expenses in connection with such sale or disposition, and to exercise all the rights and remedies of a secured lender under the UCC or PPSA of any applicable jurisdiction and of a secured creditor under Bankruptcy Laws of any applicable jurisdiction.

(b) So long as the Discharge of First Lien Obligations has not occurred, each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, agrees that it will not take or receive any Common Collateral or any proceeds of Common Collateral in connection with the exercise of any right or remedy or otherwise in an Insolvency or Liquidation Proceeding (including, but not limited to, setoff, recoupment, or (subject to the provision in Section 6.1(c)) the right to credit bid debt against any Common Collateral) except for the temporary receipt thereof in connection with an exercise of remedies permitted under Section 3.1(a) but subject to Section 4.2. Without limiting the generality of the foregoing, unless and until the Discharge of First Lien Obligations has occurred, except as expressly provided in the proviso in Section 3.1(a), the sole right of the Second Lien Collateral Agents, Second Lien Representatives and the Second Lien Secured Parties against the Common Collateral is to hold a Lien on the Common Collateral in respect of the applicable Second Lien Obligations pursuant to the Second Lien Documents, as applicable, for the period and to the extent granted therein and to receive a share of the proceeds thereof, if any, in accordance with the terms of this Agreement and applicable law.

(c) Subject to the proviso in Section 3.1(a), and so long as the Discharge of First Lien Obligations has not occurred, (i) each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, agrees that none of any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party, in such capacities, will take any action that would hinder, delay, limit or prohibit any exercise of remedies undertaken by any First Lien Collateral Agent, any First Lien Representative or the First Lien Secured Parties against the Common Collateral, including any collection, sale, lease, exchange, transfer or other disposition of the Common Collateral, whether by foreclosure or otherwise or that would limit, invalidate, avoid or set aside any Lien or Security Document or subordinate the priority of the First Lien Obligations up to the First Lien Cap to the Second Lien Obligations or grant the Liens securing the Second Lien Obligations equal ranking to the First Priority Liens, and (ii) each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, hereby waives any and all rights it or any Second Lien Secured Party may have as a junior lien creditor (whether arising under the UCC, PPSA or under any other applicable law) or otherwise to object to the manner or order in which any First Lien Collateral Agent, any First Lien Representative or the First Lien Secured Parties seek to enforce or collect the First Lien Obligations or the Liens granted in the Common Collateral, regardless of whether any action or failure to act by or on behalf of the First Lien Collateral Agents, the First Lien Representatives or the First Lien Secured Parties in compliance with this Agreement is adverse to the interests of the Second Lien Secured Parties.

(d) So long as the Discharge of First Lien Obligations has not occurred, each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, hereby acknowledges and agrees that no covenant, agreement or restriction contained in any applicable Second Lien Document shall be deemed to restrict in any way the rights and remedies of the First Lien Collateral

Agents, the First Lien Representatives or the First Lien Secured Parties against Common Collateral as set forth in this Agreement and the First Lien Documents.

(e) So long as the Discharge of First Lien Obligations has not occurred, each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, agrees not to assert and hereby waives, to the fullest extent permitted by law, any right to demand, request, plead or otherwise assert or otherwise claim the benefit of, any marshaling or other similar right that may otherwise be available under any applicable law, including, but not limited to, the Bankruptcy Code or other Bankruptcy Law, against the Common Collateral.

3.2 Cooperation. Subject to the proviso in Section 3.1(a), each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, agrees that, unless and until the Discharge of First Lien Obligations has occurred, it will not commence, or join with any Person (other than the First Lien Secured Parties, the First Lien Representatives and the First Lien Collateral Agents upon the request thereof) in commencing, any enforcement, collection, execution, levy or foreclosure action or proceeding with respect to any Lien held by it in the Common Collateral or any other First Lien Collateral under any of the applicable Second Lien Documents or otherwise in respect of the applicable Second Lien Obligations.

3.3 Actions Upon Breach. If any Second Lien Secured Party, in breach of the express terms of this Agreement, takes, attempts to take or threatens to take any action with respect to any Common Collateral or any European Group Company subject to a Foreign Insolvency or Liquidation Proceeding (including, without limitation, any attempt to realize upon or enforce any remedy with respect to this Agreement) or fails to take any action required by this Agreement, any First Lien Collateral Agent or First Lien Representative may obtain relief against such Second Lien Secured Party, whether by injunction, specific performance, and/or any other equitable or other relief, and this Agreement shall create a conclusive presumption and admission by such Second Lien Secured Party that such action is necessary to prevent irreparable harm to the First Lien Secured Parties, it being understood and agreed by each Second Lien Collateral Agent on behalf of each applicable Second Lien Secured Party that (i) the First Lien Secured Parties' damages from its actions may at that time be difficult to ascertain and may be irreparable and (ii) each Second Lien Secured Party waives any defense that the Grantors and/or the First Lien Secured Parties cannot demonstrate damage and/or can be made whole by the awarding of damages.

SECTION 4 Payments.

4.1 Application of Proceeds. So long as the Discharge of First Lien Obligations has not occurred, whether or not any Insolvency or Liquidation Proceeding has been commenced by or against any Borrower or any other Grantor, any Common Collateral or any proceeds thereof received in connection with any enforcement action or other exercise of remedies against any Common Collateral by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party shall be applied by the First Lien Collateral Agents or the First Lien Representatives, as applicable, to the First Lien Obligations in such order as specified in the relevant First Lien Documents and, if then in effect, the First Lien Pari Passu Intercreditor Agreement; provided that (x) no such proceeds from a Non-ECP Grantor shall be applied to any First Lien Obligations that constitute Swap Obligations and (y) any non- cash Collateral or non-cash proceeds may be held by the applicable First Lien Collateral Agent as Collateral unless the failure to apply such amounts would be commercially unreasonable. Upon the Discharge of First Lien Obligations, each First Lien Collateral Agent and each First Lien Representative shall, in the following order, (w) unless a Discharge of Second Lien Obligations has already occurred, deliver any remaining Common Collateral or proceeds of Common Collateral held by it to the Designated Second Lien Collateral Agent, to be applied by the Designated Second Lien Collateral Agent and the other Second Lien Collateral Agents or Second Lien Representatives, as applicable, to the applicable Second Lien Obligations in such order as specified in

the applicable Second Lien Security Documents and, if then in effect, the Second Lien Pari Passu Intercreditor Agreement, (x) if a Discharge of Second Lien Obligations has already occurred, apply such Common Collateral or proceeds of Common Collateral to any Excess First Lien Obligations in such order as specified in the relevant First Lien Documents and, if then in effect, the First Lien Pari Passu Intercreditor Agreement, and (y) if at such time there are no Excess First Lien Obligations, deliver such Common Collateral or proceeds of Common Collateral to the Grantors, their successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same. Without limiting the obligations of the Second Lien Secured Parties under Section 4.2, after the Discharge of First Lien Obligations has occurred, upon the Discharge of Second Lien Obligations, each Second Lien Collateral Agent shall deliver any Common Collateral or proceeds of Common Collateral held by it, in the following order, (x) if at such time there are any Excess First Lien Obligations, to the Designated First Lien Collateral Agent, for application by the Designated First Lien Collateral Agent and the other First Lien Collateral Agents or the First Lien Representatives, as applicable, to the Excess First Lien Obligations in such order as specified in the relevant First Lien Documents and, if then in effect, the First Lien Pari Passu Intercreditor Agreement until the payment in full in cash of all Excess First Lien Obligations, and (y) if at such time there are no Excess First Lien Obligations, to the Grantors, their successors or assigns from time to time, or to whomever may be lawfully entitled to receive the same.

4.2 Payments Over. So long as the Discharge of First Lien Obligations has not occurred, any Common Collateral or proceeds thereof received by any Second Lien Representative, any Second Lien Collateral Agent or any Second Lien Secured Party in connection with the exercise of any right or remedy against the Common Collateral (including, but not limited to, setoff, recoupment, or credit bid), in any Insolvency or Liquidation Proceeding relating to the Common Collateral not expressly permitted by this Agreement or otherwise in breach of this Agreement, such Common Collateral or proceeds thereof, shall be held in trust for (or, to the extent the concept of trust is not recognized in the relevant jurisdiction, held on behalf of and for) the benefit of and forthwith paid over to the Designated First Lien Collateral Agent (and/or its designees) for the benefit of the First Lien Secured Parties in the same form as received, with any necessary endorsements or as a court of competent jurisdiction may otherwise direct and shall be applied by the Designated First Lien Collateral Agent as set forth in Section 4.1 above. The Designated First Lien Collateral Agent is hereby authorized to make any such endorsements as agent for any such Second Lien Representatives, any such Second Lien Collateral Agent or any such Second Lien Secured Party. Such authorization is coupled with an interest and is irrevocable until such time as this Agreement is terminated in accordance with its terms.

SECTION 5 Other Agreements.

5.1 Releases.

(a) (i) If, with respect to any specified Common Collateral (including for such purpose, in the case of the sale or other disposition of all or substantially all of the equity interests in any Grantor or any Subsidiary of a Grantor, any Common Collateral held by such Grantor or any direct or indirect Subsidiary thereof):

(A) such specified Common Collateral has been or is being sold, transferred or otherwise disposed of as permitted under the First Lien Documents; or

(B) the First Priority Liens thereon have been or are being released in connection with a Grantor that has been or is being released from its guarantee under the applicable First Lien Documents; or

(C) the First Priority Liens thereon have been or are being otherwise released as permitted by the First Lien Documents or by the First Lien Collateral Agents on behalf of the First Lien Secured Parties (unless, in the case of clause (B) or (C) of this Section 5.1(a)(i) such release occurs in connection with, and after giving effect to, the Discharge of First Lien Obligations, which Discharge is not in connection with a foreclosure of, or any other exercise of remedies with respect to, Common Collateral (including any sale or disposition in connection with an acceleration of any First Lien Obligations) by the First Lien Secured Parties (such Discharge not in connection with any such foreclosure or exercise of remedies or a sale or other disposition generating sufficient proceeds to cause the Discharge of First Lien Obligations, a "Payment Discharge")),

then the Second Priority Liens upon such Common Collateral will automatically be released and discharged as and when, but only to the extent, such First Priority Liens on such Common Collateral are released and discharged and the net proceeds of such sale or disposition are applied for purposes of a Discharge of First Lien Obligations (and to the extent any such net proceeds exceed the amount necessary for a Discharge of First Lien Obligations, such excess shall be applied to repay the Second Lien Obligations and otherwise in accordance with Section 4.1), and each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, will promptly, at the Borrowers' expense, execute and deliver such instruments, releases, termination statements or other documents confirming such release on customary terms, which instruments, releases and termination statements shall be substantially identical to the comparable instruments, releases and termination statements executed by the First Lien Collateral Agents and the First Lien Representatives in connection with such release. In the case of the release of any Grantor's guarantee under the applicable First Lien Documents (and, in the case of a Grantor that is a borrower under the First Lien Documents, its obligations as a borrower thereunder) in accordance with the Initial First Lien Credit Agreement (and such First Lien Documents) in the context of Section 5.1(a)(A), Section 5.1(a)(B) or Section 5.1(a)(C) above (including a release in connection with the sale of the equity interests of such Grantor or of any Person of which such Grantor is a Subsidiary), the guarantee in favor of the Second Lien Secured Parties, if any, made by such Grantor (and, in the case of a Grantor that is a borrower under the Second Lien Documents, its obligations as a borrower thereunder) will automatically be released and discharged as and when, but only to the extent, the guarantee by (or such borrower obligations of) such Grantor of or under the First Lien Obligations is being released and discharged.

(ii) In the event of a Payment Discharge, the Second Priority Liens on Common Collateral owned by any Grantor immediately after giving effect to such Payment Discharge shall become first-priority security interests (subject to any intercreditor agreements or arrangements among Second Lien Secured Parties pursuant to Section 9.21 and subject to Liens permitted by the Second Lien Documents); provided that if any of the Grantors incur at any time thereafter any new or replacement First Lien Obligations permitted under the Second Lien Credit Agreement, then the provisions of Section 5.6 shall apply as if a Refinancing of First Lien Obligations had occurred.

(b) Unless and until the Discharge of First Lien Obligations has occurred, each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, hereby irrevocably constitutes and appoints each First Lien Collateral Agent and any officer or agent of any such First Lien Collateral Agent, with full power of substitution, as its true and lawful attorney-in- fact with full irrevocable power and authority in the place and stead of such Second Lien Collateral Agent or such Second Lien Secured Party or in such First Lien Collateral Agent's own name, from time to time in such First Lien Collateral Agent's reasonable discretion, for the purpose of carrying out the terms of this Section 5.1, to take any and all reasonably appropriate action and to execute any and all documents and instruments that may be reasonably necessary or desirable to accomplish the purposes of this Section 5.1, including any termination statements, endorsements or other instruments of transfer or release. This authorization is coupled with an interest and is irrevocable until such time as this Agreement is terminated in accordance with its terms.

(c) Unless and until the Discharge of First Lien Obligations has occurred, each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, hereby consents to the application, whether prior to or after a default, of proceeds of Common Collateral to the payment of First Lien Obligations up to the First Lien Cap pursuant to the First Lien Documents. After and once the Discharge of Second Lien Obligations has occurred, each Second Lien Collateral Agent, for itself and on behalf of each applicable Second Lien Secured Party, hereby consents to the application, whether prior to or after a default, of proceeds of Common Collateral to the payment of any Excess First Lien Obligations pursuant to the First Lien Documents.

5.2 Insurance. Unless and until the Discharge of First Lien Obligations has occurred, the First Lien Collateral Agents, the First Lien Representatives and the First Lien Secured Parties shall have the sole and exclusive right, to the extent permitted by the First Lien Documents and subject to the rights of the Grantors thereunder, to adjust settlement for any insurance policy covering the Common Collateral in the event of any loss thereunder and to approve any award granted in any condemnation or similar proceeding (or any deed in lieu of condemnation) affecting the Common Collateral. Unless and until the Discharge of First Lien Obligations has occurred, all proceeds of any such policy and any such award (or payment with respect to a deed in lieu of condemnation) if in respect of the Common Collateral shall be paid in accordance with Section 4.1. If any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party shall, at any time, receive any proceeds of any such insurance policy or any such award in contravention of this Agreement, such proceeds shall be held in trust for (or, to the extent the concept of trust is not recognized in the relevant jurisdiction, held on behalf of and for) the benefit of the First Lien Collateral Agents for the benefit of the First Lien Secured Parties and it shall forthwith pay such proceeds over to the Designated First Lien Collateral Agent in accordance with the terms of Section 4.2.

5.3 Amendments to Documents.

(a) The First Lien Documents may be amended, restated, waived, supplemented or otherwise modified from time to time in accordance with their terms, and the indebtedness under the First Lien Documents may be Refinanced, in each case, without the consent of any Second Lien Secured Party; provided, however, that, without the prior written consent of the Second Lien Collateral Agents, no such amendment, restatement, waiver, supplement, modification or Refinancing shall (i) contravene any provision of this Agreement or (ii) restrict the amendment of the Second Lien Documents except to the extent set forth in Section 5.3(b) or in the First Lien Documents being amended, restated, waived, supplemented, modified or Refinanced to the extent the applicable restrictions are no broader than as set forth in such First Lien Documents prior to giving effect to any such amendment, restatement, waiver, supplement, modification or Refinancing.

(b) So long as the Discharge of First Lien Obligations has not occurred, without the prior written consent of the First Lien Collateral Agents, no Second Lien Document may be amended, restated, waived, supplemented or otherwise modified or entered into, to the extent such amendment, restatement, waiver, supplement or modification, or the terms of such new Second Lien Document, would (i) contravene the provisions of this Agreement, (ii) change any scheduled dates for payment of principal on Indebtedness under such Second Lien Document to a date earlier than the final maturity date of the Second Lien Obligations as of the date hereof, (iii) reduce the capacity of Ultimate Parent and its Subsidiaries to incur First Lien Obligations in an amount less than the First Lien Cap, or (iv) restrict the amendment of the First Lien Documents except as set forth in Section 5.3(a).

(c) Each Second Lien Collateral Agent agrees that each Second Lien Security Document shall include the following language (or language to similar effect approved by the Designated First Lien Collateral Agent):

"Notwithstanding anything herein to the contrary, the exercise of any right or remedy by the Second Lien Collateral Agent hereunder are subject to the limitations and provisions of the Intercreditor Agreement, dated as of October 2, 2024 (as amended, restated, supplemented or otherwise modified from time to time, the "Intercreditor Agreement") among Acquiom Agency Services LLC, as First Lien Representative and Second Lien Representative, and certain other persons party or that may become party thereto from time to time. In the event of any conflict between the terms of the Intercreditor Agreement and the terms of this Agreement governing the exercise of any right or remedy by the Second Lien Collateral Agent, the terms of the Intercreditor Agreement shall govern and control."

In addition, each Second Lien Collateral Agent, on behalf of the applicable Second Lien Secured Parties, agrees that each mortgage, if applicable, covering any Common Collateral shall contain such other language as the Designated First Lien Collateral Agent may reasonably request to reflect the subordination of such mortgage to the First Lien Document securing any First Lien Obligations up to the First Lien Cap covering such Common Collateral.

(d) In the event that the First Lien Collateral Agents, the First Lien Representatives or the First Lien Secured Parties enter into any amendment, waiver or consent in respect of or replace any of the First Lien Security Documents for the purpose of adding to, or deleting from, or waiving or consenting to any departures from any provisions of, any First Lien Security Document or changing in any manner the rights of the First Lien Collateral Agents, the First Lien Representatives, the First Lien Secured Parties, the Borrowers or any other Grantor thereunder (including the release of any Liens in Common Collateral in accordance with Section 5.1), then such amendment, waiver or consent shall apply automatically to any comparable provision of each Comparable Second Lien Security Document without the consent of any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party and without any action by any Second Lien Collateral Agent or any Second Lien Representative, the Borrowers or any other Grantor; provided that no such amendment, waiver or consent shall (A) have the effect of removing assets subject to the Lien of any Second Lien Security Document, except to the extent that a release of such Lien is provided for in Section 5.1, (B) impose additional duties on any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party without the prior written consent of such party or (C) permit other Liens on the Common Collateral not permitted under the terms of the Second Lien Documents or this Agreement. The Borrowers shall give written notice of such amendment, waiver or consent (along with a copy thereof) to the Second Lien Collateral Agents no later than the tenth Business Day following the effective date of such amendment, waiver or consent; provided that the failure to give such notice shall not affect the effectiveness of such amendment with respect to the provisions of any Second Lien Security Document as set forth in this Section 5.3(d).

5.4 Rights as Unsecured Creditors. Except with respect to any European Group Company subject to a Foreign Insolvency or Liquidation Proceeding or as otherwise specifically set forth in this Agreement, the Second Lien Collateral Agents, the Second Lien Representatives and the Second Lien Secured Parties may exercise all rights and remedies, if any, of an unsecured creditor against the Borrowers or any Grantor that has guaranteed the Second Lien Obligations in accordance with the terms of the applicable Second Lien Documents and applicable law. Nothing in this Agreement shall prohibit the receipt by any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party of required payments of interest and principal so long as such receipt is not the direct or indirect result of (x) the exercise by any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party of rights or remedies as a secured creditor in respect of Common Collateral or (y) any enforcement in violation of this Agreement of any Lien in respect of Second Lien Obligations held by any of them. In the event any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party becomes a judgment lien creditor or other secured creditor in respect of Common Collateral as a result of its enforcement of its rights as an unsecured creditor in respect of Second Lien

Obligations or otherwise, such judgment lien or any other lien shall be (x) subordinated to the Liens securing First Lien Obligations up to the First Lien Cap on the same basis as the other Liens securing the Second Lien Obligations are so subordinated to the First Priority Liens securing First Lien Obligations up to the First Lien Cap under this Agreement, and (y) otherwise subject to the terms of this Agreement for all purposes to the same extent as all other Liens securing the Second Lien Obligations are subject to this Agreement.

5.5 First Lien Collateral Agent as Gratuitous Bailee for Perfection.

(a) Until the Discharge of the First Lien Obligations, the Designated First Lien Collateral Agent agrees to hold the Control Collateral in its possession or control (within the meaning of the UCC or PPSA, as applicable) (or in the possession or control of its agents or bailees) in accordance with the First Lien Documents, as gratuitous bailee for the benefit and on behalf of the Second Lien Collateral Agents for the benefit of each Second Lien Secured Party and any assignee thereof solely for the purpose of perfecting by possession or control the security interest granted in such Control Collateral pursuant to the Second Lien Security Documents, subject to the terms and conditions of this Section 5.5.

(b) Except as otherwise specifically provided herein (including, but not limited to, Sections 3.1 and 4.1), unless and until the Discharge of First Lien Obligations has occurred, the Designated First Lien Collateral Agent shall be entitled to manage, administer, or otherwise deal with the Control Collateral in accordance with the terms of the First Lien Documents as if the Liens under the Second Lien Documents did not exist. The rights of the Second Lien Collateral Agents and the Second Lien Secured Parties with respect to such Control Collateral shall at all times be subject to the terms of this Agreement.

(c) Unless and until the Discharge of First Lien Obligations has occurred, the First Lien Collateral Agents shall have no obligation whatsoever to any Second Lien Secured Party to assure that the Control Collateral is genuine or owned by the Grantors, that its lien is valid or perfected or to protect or preserve rights or benefits of any Person or any rights pertaining to the Common Collateral except as expressly set forth in this Section 5.5(c). The duties or responsibilities of the First Lien Collateral Agents under this Section 5.5 shall be limited solely to holding the Control Collateral (if any) as gratuitous bailee for the benefit and on behalf of the Second Lien Collateral Agents and each Second Lien Secured Party solely for purposes of perfecting the Liens held by the Second Lien Secured Parties, but only to the extent the First Lien Collateral Agent is holding such Control Collateral for the benefit of the First Lien Secured Parties.

(d) The First Lien Collateral Agents shall not have by reason of the Second Lien Documents or this Agreement or any other document a fiduciary relationship in respect of any Second Lien Collateral Agents or any Second Lien Secured Party, and each of the Second Lien Collateral Agents and the Second Lien Secured Parties hereby waives and releases the First Lien Collateral Agents from all claims and liabilities arising pursuant to any First Lien Collateral Agent's role under this Section 5.5, as agent and gratuitous bailee with respect to the Common Collateral.

(e) Upon the Discharge of First Lien Obligations, the First Lien Collateral Agents shall upon Borrowers' request (x) deliver to the Second Lien Collateral Agents written notice of the occurrence thereof (which notice may state that such Discharge of First Lien Obligations is subject to the provisions of this Agreement, including, without limitation, Sections 5.6 and 6.3 hereof) it being understood that until the delivery of such notice to the Second Lien Collateral Agents, the Second Lien Collateral Agents shall not be charged with knowledge of the Discharge of First Lien Obligations or required to take any actions based on such Discharge of First Lien Obligations, and (y) deliver to the Second Lien Collateral Agents, to the extent that it is legally permitted to do so, the remaining Control Collateral (if any) together with any necessary endorsements (or otherwise allow the Second Lien Collateral Agents to obtain control of such

Control Collateral) or as a court of competent jurisdiction may otherwise direct. No First Lien Collateral Agent has any obligation to follow instructions from the Second Lien Collateral Agents or any Second Lien Secured Party in contravention of this Agreement.

(f) Neither any First Lien Collateral Agent nor any of the First Lien Secured Parties shall be required to marshal any present or future collateral security for the Borrowers' or any Grantor's obligations to any First Lien Collateral Agent or the First Lien Secured Parties under the Initial First Lien Credit Agreement or the First Lien Documents or any assurance of payment in respect thereof or to resort to such collateral security or other assurances of payment in any particular order, and all of their rights in respect of such collateral security or any assurance of payment in respect thereof shall be cumulative and in addition to all other rights, however existing or arising.

5.6 No Release in Event of Reinstatement. If at any time in connection with or after the Discharge of First Lien Obligations the Borrowers either in connection therewith or thereafter enter into any Refinancing of any First Lien Document evidencing a First Lien Obligation, then such Discharge of First Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement, the First Lien Documents and the Second Lien Documents, and the obligations under such Refinancing shall automatically be treated as First Lien Obligations for all purposes of this Agreement (a "Reinstatement"), including for purposes of the Lien priorities and rights in respect of Common Collateral set forth herein, and the related documents shall be treated as First Lien Documents for all purposes of this Agreement and the first lien collateral agent under such Refinanced First Lien Documents shall be a First Lien Collateral Agent for all purposes of this Agreement. Upon receipt of a notice from the Borrowers stating that the Borrowers have entered into a new First Lien Document (which notice shall include the identity of the new collateral agent, such agent, the "New Agent"), the Second Lien Collateral Agents shall promptly (at the expense of the Borrowers) (a) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Borrowers or such New Agent shall reasonably request in order to confirm to the New Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (b) deliver to the New Agent, if then the Designated First Lien Collateral Agent, the Control Collateral together with any necessary endorsements (or otherwise allow the New Agent to obtain possession or control of such Control Collateral). The Second Lien Collateral Agents shall not be charged with knowledge of such Reinstatement until it receives written notice from any First Lien Collateral Agent, New Agent or the Borrowers of the occurrence of such Reinstatement.

5.7 When Discharge of Obligations Deemed to Not Have Occurred.

(a) If, at any time after the Discharge of First Lien Obligations has occurred, the Borrowers enter into any Additional First Lien Document evidencing any Additional First Lien Obligations which Additional First Lien Loan Obligations are permitted by the Second Lien Documents, then such Discharge of First Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken as a result of the occurrence of such first Discharge of First Lien Obligations), and, from and after the date on which the Additional First Lien Representative and Additional First Lien Collateral Agent in respect of such Additional First Lien Obligations each becomes a party to this Agreement in accordance with Section 9.24, the obligations under such Additional First Lien Document shall automatically be treated as First Lien Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the Additional First Lien Representative and the Additional First Lien Collateral Agent under such new First Lien Documents shall be a First Lien Representative and First Lien Collateral Agent, respectively, for all purposes of this Agreement and this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. Upon receipt of a Designation from the Borrowers in accordance with Section 9.24, each Second Lien Representative and Second Lien Collateral

Agent shall promptly (x) enter into such documents and agreements (including amendments or supplements to this Agreement) as the Borrowers or such Additional First Lien Representative and/or such Additional First Lien Collateral Agent shall reasonably request in order to provide to such Additional First Lien Representative and such Additional First Lien Collateral Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement and (y) deliver to such Additional First Lien Collateral Agent, if then the Designated First Lien Collateral Agent, any Control Collateral held by it together with any necessary endorsements (or otherwise allow such Additional First Lien Collateral Agent to obtain control of such Control Collateral). If the Additional First Lien Obligations under such Additional First Lien Documents are secured by assets of the Grantors constituting collateral that do not also secure the Second Lien Obligations, then the Second Lien Obligations shall be secured at such time by a junior-priority Lien on such assets to the same extent provided in the Second Lien Security Documents and this Agreement. This Section 5.7(a) shall survive termination of this Agreement.

(b) If, at any time after the Discharge of Second Lien Obligations has occurred, the Borrowers enter into any Additional Second Lien Document evidencing any Additional Second Lien Obligations which Additional Second Lien Obligations are permitted by the First Lien Documents, then such Discharge of Second Lien Obligations shall automatically be deemed not to have occurred for all purposes of this Agreement (other than with respect to any actions taken as a result of or in reliance on the occurrence of such first Discharge of Second Lien Obligations or during the continuance of the Discharge of Second Lien Obligations), and, from and after the date on which the Additional Second Lien Representative and Additional Second Lien Collateral Agent in respect of such Additional Second Lien Obligations each becomes a party to this Agreement in accordance with Section 9.24, the obligations under such Additional Second Lien Document shall automatically be treated as Second Lien Obligations for all purposes of this Agreement, including for purposes of the Lien priorities and rights in respect of Collateral set forth herein, and the Additional Second Lien Representative and the Additional Second Lien Collateral Agent under such new Second Lien Documents shall be a Second Lien Representative and Second Lien Collateral Agent, respectively, for all purposes of this Agreement and this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto from such date of reinstatement. Upon receipt of a designation from the Borrowers in accordance with Section 9.24, each First Lien Representative and First Lien Collateral Agent shall promptly enter into such documents and agreements (including amendments or supplements to this Agreement) as the Borrowers or such Additional Second Lien Representative and/or such Additional Second Lien Collateral Agent shall reasonably request in order to provide to such Additional Second Lien Representative and such Additional Second Lien Collateral Agent the rights contemplated hereby, in each case consistent in all material respects with the terms of this Agreement. If the Additional Second Lien Obligations under such Additional Second Lien Documents are secured by assets of the Grantors constituting collateral that do not also secure the First Lien Obligations, then the First Lien Obligations shall be secured at such time by a first-priority Lien on such assets to the same extent provided in the First Lien Security Documents and this Agreement. This Section 5.7(b) shall survive termination of this Agreement.

SECTION 6 Insolvency or Liquidation Proceedings.

6.1 Financing Issues. Each Second Lien Collateral Agent and each other Second Lien Secured Party agrees that if any Borrower or any other Grantor shall be subject to any Insolvency or Liquidation Proceeding, then prior to a Discharge of First Lien Obligations:

(a) if any First Lien Collateral Agent or any First Lien Representative shall desire to permit the use of cash collateral or to permit the Group Companies (or any of them or a Court Appointed Official) to obtain financing under Section 363 or Section 364 of the Bankruptcy Code, Section 11.2 of the *Companies' Creditors Arrangement Act* (Canada), Section 50.6 of the *Bankruptcy and Insolvency Act*

(Canada) or any similar provision in any Bankruptcy Law ("DIP Financing") or provide a court-ordered charge to secure professional fees, DIP Financing, director and officer indemnity obligations or supplier or other obligations of the Company or such other Grantor (in each case, a "Court-ordered Charge"), including if such DIP Financing or Court-ordered Charge is secured by Liens senior in priority to the Liens securing the Second Lien Obligations and senior in priority to, or *pari passu* with, the Liens securing the First Lien Obligations, then each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, agrees that it will raise no objection to, will not support any objection to, and will not otherwise contest such use of, cash collateral or DIP Financing or Court-ordered Charge and will not request adequate protection or any other relief in connection therewith (except to the extent permitted by Section 6.2 or as otherwise consented to in writing by the First Lien Collateral Agents) and, to the extent the Liens securing the First Lien Obligations are subordinated or are *pari passu* with such DIP Financing or Court-ordered Charge, will subordinate its Liens in the Common Collateral and any other collateral to (i) the Liens granted in connection with such DIP Financing or Court-ordered Charge (and all obligations relating thereto); (ii) any adequate protection granted to the First Lien Collateral Agents or the First Lien Secured Parties in respect of the First Lien Obligations; and (iii) any "carve-out" for professional, Court Appointed Official or United States Trustee fees agreed to by the First Lien Collateral Agents, in each case, on the same basis as the other Liens securing the Second Lien Obligations are so subordinated to the First Priority Liens securing the First Lien Obligations; provided that, (A) in the case of a DIP Financing, after taking into account the principal amount of such DIP Financing (after giving effect to any Refinancing or "roll-up" of First Lien Obligations) on any date, the sum of the then outstanding principal amount of any First Lien Obligations (excluding any cash collateralized letters of credit or similar instruments) and the then outstanding principal amount of any DIP Financing (including the unfunded commitments under such DIP Financing) shall not exceed the First Lien Cap and (B) the foregoing shall not prevent the Second Lien Secured Parties from (1) objecting to any aspect of a DIP Financing (x) requiring the Grantors to seek approval of or give effect to any provision of a Plan of Reorganization or sub rosa plan or (y) that requires the sale of all or substantially all of the Common Collateral prior to a default under the cash collateral order or DIP Financing documentation, other than with respect to a sale under Section 363 or Section 1129 of the Bankruptcy Code, Section 11 or Section 36 of the *Companies' Creditors Arrangement Act* (Canada) or Section 65.13 of the *Bankruptcy and Insolvency Act* (Canada) (or similar Bankruptcy Laws) to which the Second Lien Agent is otherwise required to consent to, or not object to or oppose, pursuant to Section 3.1, Section 5.1 or Section 7.6, (2) objecting to any DIP Financing if the Second Lien Secured Parties do not receive replacement or additional Liens on the post-petition assets of any Grantors in which any of the First Lien Secured Parties obtain a replacement or additional Lien (to the extent that such assets constitute Common Collateral), in each case with the same priority as existed prior to such Insolvency or Liquidation Proceeding and subordinated to any Lien securing such DIP Financing or (3) proposing any other DIP Financing to any Grantor or to a court of competent jurisdiction, so long as such DIP Financing does not roll up or otherwise refinance or include any pre-petition Second Lien Obligations;

(b) none of them will object to, or otherwise contest (or support any other Person contesting), any motion for relief from the automatic stay (or court ordered stay) or from any injunction against foreclosure, enforcement, or any other exercise of remedies, in respect of First Lien Obligations made by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party;

(c) none of them will object to, or otherwise contest (or support any other Person contesting), any order pursuant to Section 363(f) of the Bankruptcy Code, Section 11 or Section 36 of the *Companies' Creditors Arrangement Act* (Canada), Section 65.13 of the *Bankruptcy and Insolvency Act* (Canada) or other applicable Bankruptcy Law relating to a sale of assets or equity interests of the Borrowers or any Grantor or any Subsidiary of a Grantor for which the First Lien Collateral Agents have consented that provides, to the extent that sale is to be free and clear of any Liens, claims, or encumbrances, that the Liens securing the First Lien Obligations and the Second Lien Obligations will attach to the proceeds of any such sale with the same priority as the existing Liens, in accordance with this Agreement, and if

requested by the First Lien Collateral Agents, each Second Lien Collateral Agent shall consent to the release of all Second Priority Liens in connection with such sale or other disposition; provided, however, that notwithstanding anything to the contrary herein, the Second Lien Secured Parties shall at all times have the right hereunder (and subject to any applicable Bankruptcy Law) to credit bid provided that any such credit bid provides for the Discharge of First Lien Obligations in cash up to the First Lien Cap;

(d) none of them will seek relief from the automatic stay (or court ordered stay) or any other stay in any Insolvency or Liquidation Proceeding in respect of the Common Collateral without the prior written consent of the First Lien Collateral Agents; provided that, without limiting the other provisions of this Agreement, such consent shall be deemed to have been granted if the First Lien Secured Parties have been granted relief from any such automatic stay (or court ordered stay);

(e) none of them will object to, or otherwise contest (or support any other Person contesting), (i) any request by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party for adequate protection or (ii) any objection by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party to any motion, relief, action, or proceeding based on such First Lien Collateral Agent's, such First Lien Representative's or such First Lien Secured Party's claiming a lack of adequate protection;

(f) none of them will assert or attempt to enforce any claim under Section 506(c) of the Bankruptcy Code senior to or on a pari passu basis with the Liens securing the First Lien Obligations for costs or expenses of preserving or disposing of any Common Collateral;

(g) none of them will oppose or otherwise contest (or support any Person contesting) any lawful exercise by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party of the right to credit bid First Lien Obligations up to the First Lien Cap at any sale of Common Collateral or any equity interests in any Grantor or any Subsidiary of a Grantor pursuant to Section 363(k) of the Bankruptcy Code, Section 11 or Section 36 of the *Companies' Creditors Arrangement Act* (Canada), Section 65.13 of the *Bankruptcy and Insolvency Act* (Canada) or otherwise;

(h) none of them will challenge (or support any other Person challenging) the validity, enforceability, perfection or priority of the First Priority Liens on Common Collateral or the amount or allowability of the First Lien Obligations (and the First Lien Collateral Agents and the First Lien Secured Parties agree not to challenge the validity, enforceability, perfection or priority of the Liens in favor of any Second Lien Collateral Agent and each other Second Lien Secured Party on the Common Collateral or the amount or allowability of the Second Lien Obligations in any Insolvency or Liquidation Proceeding); provided that nothing in this Agreement shall be construed to prevent or impair the rights of any First Lien Secured Party to enforce this Agreement;

(i) to the same extent that the First Lien Collateral Agents have also done so on behalf of the First Lien Secured Parties, each of them (x) shall waive their rights to have any administrative claim arising under Sections 503(b) and 507(b) of the Bankruptcy Code attach to the proceeds of causes of action of the Grantors arising or enforceable under Sections 542, 543, 544, 545, 547, 548, 549, 550, 551, 553(b) or 724(a) of the Bankruptcy Code, and (y) agree that any superpriority administrative claim for adequate protection arising under Section 507(b) of the Bankruptcy Code or otherwise may be satisfied by cash or the issuance of a debt or equity security in an amount equal to the value on the effective date of such claim in connection with any Plan of Reorganization; and

(j) none of them shall seek to exercise any rights under Section 1111(b) of the Bankruptcy Code against the Common Collateral and each of them waives any claim it may have against

any First Lien Secured Party arising out of the election of any First Lien Secured Party of the application of Section 1111(b)(2) of the Bankruptcy Code against the Common Collateral.

6.2 Adequate Protection. Each Second Lien Collateral Agent, each Second Lien Representative and each other Second Lien Secured Party agrees that, prior to a Discharge of First Lien Obligations, that it will not file or prosecute in any Insolvency or Liquidation Proceeding any motion for adequate protection (or any comparable request for relief) or raise any objection to or otherwise oppose DIP Financing or use of cash collateral supported by any First Lien Collateral Agent based upon their respective security interests, or lack of adequate protection of their interest, in the Common Collateral, except that:

(1) to the extent a First Lien Collateral Agent on behalf of the applicable First Lien Secured Parties has been granted in the Insolvency or Liquidation Proceeding adequate protection in the form of an additional or replacement Lien and/or a superpriority administrative claim arising under Section 507(b) of the Bankruptcy Code or otherwise, any of them may freely seek and obtain relief granting, as applicable, and without objection from the First Lien Secured Parties, a junior additional or replacement Lien co-extensive in all respects with, but subordinated to, all adequate protection and other Liens granted in the Insolvency or Liquidation Proceeding to, or for the benefit of, the First Lien Secured Parties, and/or a junior superpriority administrative claim subordinated to all adequate protection superpriority administrative claims granted in the Insolvency or Liquidation Proceeding to, or for the benefit of, the First Lien Secured Parties;

(2) to the extent that (i) the order of any court of competent jurisdiction provides that the First Lien Secured Parties are entitled to receive adequate protection in the form of payments in the amount of current post-petition interest, incurred fees and expenses or other cash payments, or (ii) the First Lien Collateral Agent otherwise consents, then the Second Lien Collateral Agents and the Second Lien Secured Parties may seek, without objection from the First Lien Secured Parties, adequate protection in the form of such payments in the amount of current post-petition interest, incurred fees and expenses of other cash payments in the applicable Insolvency or Liquidation Proceeding, subject to the right of the First Lien Secured Parties to object thereto; and

(3) any of them may freely seek and obtain any relief upon a motion for adequate protection (or any comparable relief), without any condition or restriction whatsoever, at any time after the Discharge of First Lien Obligations up to the First Lien Cap.

6.3 Preference Issues. If any First Lien Secured Party is required in any Insolvency or Liquidation Proceeding or otherwise to turn over or otherwise pay to the bankruptcy estate of the Borrowers or any other Grantor (or any Court Appointed Official, trustee, receiver, or similar person therefor), because the payment of such amount was declared to be actually or constructively fraudulent or preferential in any respect or for any other reason, any amount (a "Recovery"), whether received as proceeds of security, enforcement of any right of setoff, recoupment, or otherwise, then, as among the parties hereto, the First Lien Obligations shall be deemed to be reinstated to the extent of such Recovery and to be outstanding as if such payment had not occurred, and such First Lien Secured Party shall be entitled to a reinstatement of First Lien Obligations with respect to all such recovered amounts and shall have all rights hereunder. If this Agreement shall have been terminated prior to such Recovery, this Agreement shall be reinstated in full force and effect, and such prior termination shall not diminish, release, discharge, impair or otherwise affect the obligations of the parties hereto. Any Common Collateral or proceeds thereof received by any Second Lien Secured Party prior to the time of such Recovery shall be deemed to have been received prior to the Discharge of First Lien Obligations and subject to the provisions of Section 4.2. The applicable First Lien Representative shall use commercially reasonable efforts to give written notice to the Second Lien Representatives of the occurrence of any such Recovery (provided that the failure to give such notice shall

not affect the First Lien Collateral Agents' rights hereunder, except it being understood that until the delivery of such notice to the Second Lien Representatives, the Second Lien Collateral Agents shall not be charged with knowledge of such Recovery or required to take any actions based on such Recovery).

6.4 Application. This Agreement, which the parties hereto expressly acknowledge is a "subordination agreement" under Section 510(a) of the Bankruptcy Code or any similar provision of any other Bankruptcy Law, shall be effective and shall be applicable prior to and after the commencement of any Insolvency or Liquidation Proceeding. All references herein to any Grantor shall apply to any trustee for such Person and such Person as debtor and debtor in possession, as such terms are defined in Sections 101 and 1101 of the Bankruptcy Code. The relative rights as to the Common Collateral and proceeds thereof shall continue after the filing thereof on the same basis as prior to the date of the petition, subject to any court order approving the financing of, or use of cash collateral by, any Grantor.

6.5 Reorganization Securities; No Waiver. (a) If, in any Insolvency or Liquidation Proceeding, debt obligations of the reorganized debtor secured by Liens upon any property of the reorganized debtor are distributed, pursuant to any Plan of Reorganization or similar dispositive restructuring plan, both on account of First Lien Obligations and on account of Second Lien Obligations, then, to the extent the debt obligations distributed on account of the First Lien Obligations and on account of the Second Lien Obligations are secured by Liens upon the same property, the provisions of this Agreement will survive the distribution of such debt obligations pursuant to such plan and will apply with like effect to the Liens securing such debt obligations.

(b) Subject to Section 2.2, and except as otherwise expressly set forth in herein, nothing contained in this Agreement shall prohibit or in any way limit any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party from objecting on any basis in any Insolvency or Liquidation Proceeding or otherwise to any action taken by any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party.

6.6 Post-Petition or Post-Filing Interest.

(a) Neither any Second Lien Collateral Agent, any Second Lien Representative, nor any Second Lien Secured Party, solely in its capacity as a junior secured creditor, shall oppose or seek to challenge any claim by any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party for allowance in any Insolvency or Liquidation Proceeding of First Lien Obligations up to the First Lien Cap consisting of post-petition or post-filing interest, fees, or expenses, without regard to or otherwise taking into account the existence of the Lien of such Second Lien Collateral Agent on behalf of the applicable Second Lien Secured Parties on the Common Collateral.

(b) Provided that each First Lien Collateral Agent on behalf of the applicable First Lien Secured Parties has been granted an allowed claim in the applicable Insolvency or Liquidation Proceedings for First Lien Obligations up to the First Lien Cap consisting of post-petition or post-filing interest, fees, or expenses, any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party may seek, without objection from the First Lien Secured Parties, a claim for allowance in any Insolvency or Liquidation Proceeding of Second Lien Obligations consisting of post-petition or post-filing interest, fees, or expenses, provided that any claim by any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party is limited to the extent of the value of the Lien in favor of the Second Lien Secured Parties on the Common Collateral (after taking into account the value of the Lien in favor of the First Lien Secured Parties).

6.7 Nature of Obligations; Post-Petition or Post-Filing Interest. Each First Lien Collateral Agent, on behalf of the applicable First Lien Secured Parties, and each Second Lien Collateral

Agent, on behalf of the applicable Second Lien Secured Parties, hereby acknowledges and agrees that (except to the extent expressly provided in Section 7.6 solely in the case of a Canadian Insolvency Proceeding) because of, among other things, their differing rights in the Common Collateral, the Second Lien Obligations are fundamentally different from the First Lien Obligations and the Second Lien Secured Parties' claims against the Borrowers and/or any Grantor in respect of the Common Collateral constitute junior claims separate and apart (and of a different class) from the senior claims of the First Lien Secured Parties against the Borrowers and/or any such Grantor in respect of the Common Collateral, such that the Second Lien Secured Parties' claims against the Borrowers or any Grantor in respect of the Common Collateral should be separately classified in any Plan of Reorganization proposed, confirmed or adopted in an Insolvency or Liquidation Proceeding. To further effectuate the intent of the parties as provided in the immediately preceding sentence, other than as expressly provided in Section 7.6 (solely in the case of a Canadian Insolvency Proceeding), if it is held that the claims against the Borrowers or any Grantor in respect of the Common Collateral constitute only one secured claim (rather than separate classes of junior and senior claims), then each Second Lien Collateral Agent, on behalf of the applicable Second Lien Secured Parties, hereby acknowledges and agrees that all distributions pursuant to Section 4.1 or otherwise from the Common Collateral shall be made as if there were separate classes of senior and junior secured claims against the Borrowers and the Grantors in respect of the Common Collateral, with the effect being that, to the extent that the aggregate value of the Common Collateral is sufficient (for this purpose ignoring all claims held by such Second Lien Collateral Agent on behalf of the applicable Second Lien Secured Parties), the First Lien Secured Parties shall be entitled to receive, in addition to amounts distributed to them in respect of principal, pre-petition or post-filing interest and other claims, all amounts owing in respect of post-petition or post-filing interest at the relevant contract rate, fees and expenses before any distribution is made from the Common Collateral in respect of the claims held by such Second Lien Collateral Agent, on behalf of the applicable Second Lien Secured Parties, with such Second Lien Collateral Agent, on behalf of the applicable Second Lien Secured Parties, hereby acknowledging and agreeing to turn over to the holders of the First Lien Obligations all amounts otherwise received or receivable by them from the Common Collateral to the extent needed to effectuate the intent of this sentence even if such turnover of amounts has the effect of reducing the amount of the claim or recoveries of the Second Lien Secured Parties.

6.8 Proofs of Claim. Subject to the limitations set forth in this Agreement, or under applicable law, any First Lien Collateral Agent may file proofs of claim and other pleadings and motions with respect to any First Lien Obligations (subject to the following sentence), any Second Lien Obligations, or the Common Collateral in any Insolvency or Liquidation Proceeding. If an appropriate proof of claim in respect of Second Lien Obligations has not been filed in the form required in such Insolvency or Liquidation Proceeding at least ten (10) days prior to the expiration of the time for filing thereof, each First Lien Collateral Agent shall have the right (but not the duty) to file an appropriate claim for and on behalf of the Second Lien Secured Parties with respect to any of the Second Lien Obligations or any of the Common Collateral.

6.9 Plan of Reorganization.

(a) Each of the First Lien Secured Parties and the Second Lien Secured Parties shall be entitled to vote as separate classes with respect to any Plan of Reorganization or arrangement in connection with any Insolvency or Liquidation Proceeding, except to the extent otherwise provided in Section 7.6 (solely in the case of a Canadian Insolvency Proceeding).

(b) In any Insolvency or Liquidation Proceeding, neither any Second Lien Collateral Agent nor any other Second Lien Secured Party shall sponsor, fund or otherwise facilitate, or affirmatively promote, any Plan of Reorganization of any Grantor unless such Plan of Reorganization (i) provides for the Discharge of First Lien Obligations (including all post-petition interest, fees and expenses allowed as

provided in Section 6.6 hereof) on the effective date of such Plan of Reorganization or (ii) is otherwise sponsored, funded or promoted by the First Lien Secured Parties; provided, however, that, notwithstanding any other term or provision hereof, (x) any Second Lien Collateral Agent and any Second Lien Secured Party shall have the right to vote any claim in any Insolvency or Liquidation Proceeding in any manner in its sole discretion so long as not in contravention of the provisions of this Agreement and (y) the Second Lien Secured Parties shall be entitled to retain any distribution made under a Plan of Reorganization satisfying clause (ii) of this Section 6.9(b).

6.10 Waiver of Bankruptcy-Related Rights. Prior to a Discharge of First Lien Obligations up to the First Lien Cap, and except as otherwise expressly consented to in writing by the First Lien Collateral Agents, each Second Lien Collateral Agent and each other Second Lien Secured Party agree to waive any rights they may have in an Insolvency or Liquidation Proceeding (i) to seek to have a case or cases commenced by any Group Company under Chapter 11 of the Bankruptcy Code converted to a case or cases under Chapter 7 of the Bankruptcy Code pursuant to Section 1112 of the Bankruptcy Code or otherwise; (ii) to seek to have a case or cases commenced by any Group Company under the *Companies' Creditors Arrangement Act* (Canada) converted to a case or cases under the *Bankruptcy and Insolvency Act* (Canada); (iii) to seek to have a case or cases commenced by any Group Company under Chapter 11 of the Bankruptcy Code dismissed pursuant to Section 1112 of the Bankruptcy Code or otherwise; (iii) to seek to have a case or cases commenced by any Group Company under the *Companies' Creditors Arrangement Act* (Canada) dismissed; (iv) to seek to have a Chapter 11 trustee or an examiner appointed pursuant to Section 1104 of the Bankruptcy Code or otherwise in any case or cases commenced by any Group Company under Chapter 11 of the Bankruptcy Code; and (v) to seek to have a trustee, monitor, receiver, interim receiver, receiver and manager, liquidator, custodian or other similar official appointed in any case or cases commenced by any Group Company under any Canadian Bankruptcy Law (other than the trustee, monitor, receiver, interim receiver, receiver and manager, liquidator, custodian or other similar official sought to be appointed by the First Lien Collateral Agents or First Lien Secured Parties).

SECTION 7 Additional Provisions Regarding Non-US Insolvency or Liquidation Proceedings.

7.1 Setoff. To the extent that any Grantor's First Lien Obligations or Second Lien Obligations are discharged by way of setoff (mandatory or otherwise) after the occurrence of a Non-US Insolvency or Liquidation Proceeding in such proceeding in relation to that Grantor, any other Grantor or Subsidiary of a Grantor which benefitted from that setoff shall pay (and each Grantor shall ensure that its Subsidiaries shall pay) an amount equal to the amount of the First Lien Obligations or Second Lien Obligations, as applicable, owed to it which are discharged by that setoff to the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) for application in accordance with Section 4.

7.2 Non-cash Distributions.

(a) If after the occurrence of a Non-US Insolvency or Liquidation Proceeding, the First Lien Collateral Agent or any First Lien Secured Party receives a distribution in a form other than in cash in respect of any of the First Lien Obligations in such proceeding, the First Lien Obligations will not be reduced by that distribution until and except to the extent that the realization proceeds are actually applied to the First Lien Obligations.

(b) If after the occurrence of a Non-US Insolvency or Liquidation Proceeding, the Second Lien Collateral Agent or any Second Lien Secured Party receives a distribution in a form other than in cash in respect of any of the Second Lien Obligations in such proceeding, the Second Lien Obligations

will not be reduced by that distribution until and except to the extent that the realization proceeds are actually applied to the Second Lien Obligations (after the Discharge of First Lien Obligations).

7.3 Filing of Claims. After the occurrence of a Non-US Insolvency or Liquidation Proceeding in relation to any Grantor, in such proceeding each Grantor and each First Lien Secured Party (and after Discharge of First Lien Obligations, each Second Lien Secured Party) irrevocably authorizes the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent), on its behalf (and in the case of any Grantor, on behalf of each of its Subsidiaries) to: (i) take any enforcement action (in accordance with the terms of this Agreement) against that Grantor; (ii) demand, sue, prove and give receipt for any or all of that Grantor's First Lien Obligations (or, after the Discharge of First Lien Obligations, the Second Lien Obligations); (iii) collect and receive all distributions on, or on account of, any or all of that Grantor's First Lien Obligations (or, after the Discharge of First Lien Obligations, the Second Lien Obligations); and (iv) file claims, take proceedings and do all other things the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) considers reasonably necessary to recover that Grantor's First Lien Obligations (or, after the Discharge of First Lien Obligations, the Second Lien Obligations).

7.4 Subordinated Party Actions. After the occurrence of a Non-US Insolvency or Liquidation Proceeding, each Grantor, each First Lien Secured Party and each Second Lien Secured Party will (and each Grantor shall procure that each of its Subsidiaries will) do all things that the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) reasonably requests in order to give effect to the provisions of this Section 7 in the event that the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) is not entitled to take any of the actions contemplated by this Section 7 as a result of such Non-US Insolvency or Liquidation Proceeding, including the grant a power of attorney to the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) (on such terms as the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) may reasonably require) to enable the First Lien Collateral Agent (or, after the Discharge of First Lien Obligations, the Second Lien Collateral Agent) to accomplish such action.

7.5 Rights to Vote. Subject to any limitations under applicable Bankruptcy Law or other applicable law, the First Lien Secured Parties and the Second Lien Secured Parties shall retain rights to vote and otherwise act in relation to any proposal put to the vote by or under the supervision of any judicial or supervisory authority in respect of any insolvency, pre-insolvency or rehabilitation or similar proceeding relating to any Grantor in respect of any Non-US Insolvency or Liquidation Proceeding.

7.6 Canadian Insolvency Proceedings. With respect to any Canadian Insolvency Proceeding, the claims of the First Lien Secured Parties and the Second Lien Secured Parties shall not be classified in different classes of senior and junior secured claims in such proceeding but instead shall be classified in the same class of senior secured claims. No Representative, First Lien Secured Party, Second Lien Secured Party or Grantor shall bring, commence or file any action, pleading, application, motion or other process to challenge the classification described in the immediately preceding sentence. In addition, subject to the other provisions of this Section 7.6, the parties hereto agree that regardless of whether any claim is allowed or allowable, and without limiting the generality of the other provisions of this Agreement, this Agreement entitles the Designated First Lien Representative, each First Lien Representative and each other First Lien Secured Party, and is intended to provide the Designated First Lien Representative, each First Lien Representative and each other First Lien Secured Party with the right to receive, in respect of their First Lien Obligations, payment from the Common Collateral of all claims through distributions made therefrom pursuant to the provisions of this Agreement even though any such claims are not allowed or allowable against any Grantor under any Canadian Insolvency Proceeding. Unless and until the Discharge of First Lien Obligations shall have occurred, in any Canadian Insolvency Proceeding, the Second Lien

Representative, for and on behalf of the Second Lien Secured Parties, shall direct any Second Lien Secured Party, Court Appointed Official or similar person subject to Sections 2.1, Section 4.1 and the proviso relating to subclause (y) at the end of this Section 7.6, to pay and distribute over any distributions, payments, Common Collateral or proceeds thereof received by any of them in respect of the claims of the Second Lien Secured Parties to the First Lien Secured Parties, and Section 4.2 shall apply, *mutatis mutandis*. To further effectuate the intent of the parties as provided in the immediately preceding sentences, in any Canadian Insolvency Proceeding, until the Discharge of First Lien Obligations has occurred, the Second Lien Representative, for and on behalf of the Second Lien Secured Parties, agrees that it will vote the claims of the Second Lien Secured Parties in favor of, and will not vote such claims against, a Plan of Reorganization in such Canadian Insolvency Proceeding (x) that provides for the Discharge of First Lien Obligations or (y) with respect to which (i) the Second Lien Representative has received written notice from the Designated First Lien Representative acknowledging the Designated First Lien Representative's support of such Plan of Reorganization and (ii) such Plan of Reorganization shall, to the extent available under applicable law, provide (1) that the Second Lien Secured Parties shall, under such Plan of Reorganization, (i) subject to Section 5.1(a), retain the Liens securing the Second Lien Obligations, whether the Common Collateral subject to such Liens is retained by the Grantor in the Canadian Insolvency Proceeding or transferred to another entity, to the extent of the Second Lien Obligations (after giving effect to subsection (1)(ii) below) and (ii) receive on account of the Second Lien Obligations deferred cash payments totaling at least the lesser of (A) the amount of the Second Lien Obligations or (B) the value, as of the effective date of such plan, of the Second Lien Secured Parties' interest in the Grantor's interest in such Common Collateral, (2) for (A) the sale of Common Collateral, subject to the credit bid rights of the Second Lien Secured Parties, free and clear of such Liens, with such Liens to attach to the proceeds of such sale, and (B) the treatment of such Liens as set forth in subsection (1)(i) above or subsection (3) below, or (3) for the realization by the Second Lien Secured Parties of the indubitable equivalent of their Second Lien Obligations (the outcome of subsections (1), (2) or (3) above, the "Protected Recovery") and, to the extent a Protected Recovery is not available under applicable law, the equivalent value shall be paid to the Second Lien Secured Parties from amounts payable to the First Lien Secured Parties; provided that notwithstanding any provision in this Agreement to the contrary, if the claims of the First Lien Secured Parties and the Second Lien Secured Parties have been classified in the same class under a Plan of Reorganization satisfying clause (y) of this Section 7.6, the Second Lien Representative, for and on behalf of the Second Lien Secured Parties, shall direct each Second Lien Secured Party or Court Appointed Official or similar person, subject to Sections 2.1 and Section 4.1, to pay and distribute over any distributions, payments, Common Collateral or proceeds thereof received by any of them that, in the aggregate, exceed the Protected Recovery of the Second Lien Secured Parties to the holders of the First Lien Obligations, and Section 4.2 shall apply, *mutatis mutandis*.

SECTION 8 Reliance; Waivers; etc.

8.1 Reliance. The execution and delivery of the First Lien Documents by the First Lien Secured Parties and all loans and other extensions of credit made or deemed made on and after the date hereof by the First Lien Secured Parties to the Borrowers, any Grantor or any Subsidiary shall be deemed to have been given and made in reliance upon this Agreement. Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, acknowledges that it and the Second Lien Secured Parties have, independently and without reliance on any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Parties, and based on documents and information deemed by them appropriate, made their own credit analysis and decision to enter into the applicable Second Lien Documents, this Agreement and the transactions contemplated hereby and thereby and they will continue to make their own credit decision in taking or not taking any action under the applicable Second Lien Documents or this Agreement.

8.2 No Warranties or Liability. (a) Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, acknowledges and agrees that neither any First Lien

Collateral Agent, any First Lien Representative, nor any of the First Lien Secured Parties has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the First Lien Documents, the ownership of any Common Collateral or the perfection or priority of any Liens thereon. The First Lien Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the First Lien Documents in accordance with law and as they, in their sole discretion, may otherwise deem appropriate, and the First Lien Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that any Second Lien Collateral Agent, any Second Lien Representative or any of the Second Lien Secured Parties have in the Common Collateral or otherwise, except as otherwise provided in this Agreement. Neither any First Lien Collateral Agent, any First Lien Representative nor any First Lien Secured Parties shall have any duty to any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreements with the Borrowers or any Grantor (including the Second Lien Documents), regardless of any knowledge thereof that they may have or be charged with.

(b) Each First Lien Collateral Agent, on behalf of itself and each applicable First Lien Secured Party, acknowledges and agrees that neither any Second Lien Collateral Agent, any Second Lien Representative nor any of the Second Lien Secured Parties has made any express or implied representation or warranty, including with respect to the execution, validity, legality, completeness, collectability or enforceability of any of the Second Lien Documents, the ownership of any Common Collateral or the perfection or priority of any Liens thereon. The Second Lien Secured Parties will be entitled to manage and supervise their respective loans and extensions of credit under the Second Lien Documents in accordance with law and as they, in their sole discretion, may otherwise deem appropriate, and the Second Lien Secured Parties may manage their loans and extensions of credit without regard to any rights or interests that any First Lien Collateral Agent, any First Lien Representative or any of the First Lien Secured Parties have in the Common Collateral or otherwise, except as otherwise provided in this Agreement. Neither any Second Lien Collateral Agent, any Second Lien Representative nor any Second Lien Secured Parties shall have any duty to any First Lien Collateral Agent, any First Lien Representative or any First Lien Secured Party to act or refrain from acting in a manner that allows, or results in, the occurrence or continuance of an event of default or default under any agreements with the Borrowers or any Grantor (including the First Lien Documents), regardless of any knowledge thereof that they may have or be charged with.

(c) Except as expressly set forth in this Agreement, the First Lien Collateral Agents, the First Lien Secured Parties, the Second Lien Collateral Agents and the Second Lien Secured Parties have not otherwise made to each other, nor do they hereby make to each other, any warranties, express or implied, nor do they assume any liability to each other with respect to (i) the enforceability, validity, value or collectability of any of the Second Lien Obligations, the First Lien Obligations or any guarantee or security which may have been granted to any of them in connection therewith, (ii) the Borrowers' or any Grantor's title to or right to transfer any of the Common Collateral or (iii) any other matter except as expressly set forth in this Agreement.

8.3 Obligations Unconditional. All rights, interests, agreements and obligations of the First Lien Collateral Agents and the First Lien Secured Parties, and the Second Lien Collateral Agents and the Second Lien Secured Parties, respectively, hereunder shall remain in full force and effect irrespective of:

(a) any lack of validity or enforceability of any First Lien Documents or any Second Lien Documents;

(b) any change in the time, manner or place of payment of, or in any other terms of, all or any of the First Lien Obligations or Second Lien Obligations, or any amendment or waiver or other modification, including any increase in the amount thereof, whether by course of conduct or otherwise, of the terms of the Initial First Lien Credit Agreement or any other First Lien Document or of the terms of the Initial Second Lien Credit Agreement or any other Second Lien Document;

(c) any exchange of any security interest in any Common Collateral or any other collateral, or any amendment, waiver or other modification, whether in writing or by course of conduct or otherwise, of all or any of the First Lien Obligations or Second Lien Obligations or any guarantee thereof;

(d) the commencement of any Insolvency or Liquidation Proceeding in respect of any Borrower or any other Grantor; or

(e) any other circumstances that otherwise might constitute a defense available to, or a discharge of, the Borrowers or any other Grantor in respect of the First Lien Obligations (other than the Discharge of First Lien Obligations) or the Second Lien Obligations in respect of this Agreement.

SECTION 9 Miscellaneous.

9.1 Conflicts. Subject to Section 9.19, in the event of any conflict between the provisions of this Agreement and the provisions of any First Lien Document or any Second Lien Document, the provisions of this Agreement shall govern; provided that the foregoing shall not be construed to limit the relative rights and obligations as among the First Lien Secured Parties or as among the Second Lien Secured Parties; as among the First Lien Secured Parties, such rights and obligations are governed by, and any provisions herein regarding them are therefore subject to, the provisions of the First Lien Pari Passu Intercreditor Agreement, and as among the Second Lien Secured Parties, such rights and obligations are governed by, and any provisions herein regarding them are therefore subject to, the provisions of the Second Lien Pari Passu Intercreditor Agreement.

9.2 Continuing Nature of This Agreement; Severability. Subject to Section 5.6 and Section 6.3, this Agreement shall continue to be effective until the Discharge of First Lien Obligations shall have occurred or such later time as all Second Lien Obligations shall have been paid in full. This is a continuing agreement of lien subordination, and the First Lien Secured Parties may continue, at any time and without notice to any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party, to extend credit and other financial accommodations and lend monies to or for the benefit of the Borrowers or any other Grantor constituting First Lien Obligations in reliance hereon. The terms of this Agreement shall survive, and shall continue in full force and effect, in any Insolvency or Liquidation Proceeding. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9.3 Amendments; Waivers.

(a) No amendment, modification or waiver of any of the provisions of this Agreement by any Second Lien Collateral Agent or any First Lien Collateral Agent shall be deemed to be made unless the same shall be in writing signed by or on behalf of each First Lien Collateral Agent and each Second Lien Collateral Agent or their respective authorized agents and each waiver, if any, shall be a waiver only with respect to the specific instance involved and shall in no way impair the rights of the parties making such waiver or the obligations of the other parties to such party in any other respect or at any other time; provided that any amendment modification or waiver of any provision of this Agreement that adversely

affects the rights of any Borrower or any Guarantor in any material respect shall also require the written consent of the Borrower Representative or such Guarantor. The First Lien Collateral Agents and the Second Lien Collateral Agents agree that they will at the request of the Borrowers and at the Borrowers' expense enter into such amendments to this Agreement as may be necessary to (i) add other parties holding additional obligations, including any Credit Agreement Refinancing Indebtedness (and any agent or trustee therefor) to the extent such obligations are permitted by the Initial First Lien Credit Agreement, any other First Lien Document, the Initial Second Lien Credit Agreement or any other Second Lien Document incurred and to be secured by a Lien on the First Lien Collateral or Second Lien Collateral, as the case may be and the Borrower Representative delivers an Officer's Certificate to such effect to each of the First Lien Collateral Agents and the Second Lien Collateral Agents (on which certificate the First Lien Collateral Agents and the Second Lien Collateral Agents may conclusively rely without independent investigation), (ii) in the case of additional senior obligations permitted under the preceding clause (i), (a) establish that the Lien on the Common Collateral securing such additional senior obligations shall be senior in all respects to all Liens on the Common Collateral securing any Second Lien Obligations and, to the extent holding a valid and perfected Lien in Common Collateral, shall share in the benefits of the Common Collateral equally and ratably with all Liens on the Common Collateral securing any other First Lien Obligations, and (b) provide to the holders of such additional senior obligations (or any agent or trustee thereof) the comparable rights and benefits (including any improved rights and benefits that have been consented to by the First Lien Collateral Agents) as are provided to First Lien Secured Parties under this Agreement, (iii) in the case of additional junior obligations permitted under the preceding clause (i), (a) establish that the Lien on the Common Collateral securing such additional junior obligations shall be junior and subordinate in all respects to all Liens on the Common Collateral securing any First Lien Obligations and, to the extent holding a valid and perfected Lien in Common Collateral shall share in the benefits of the Common Collateral equally and ratably with all Liens on the Common Collateral securing any Second Lien Obligations, and (b) provide to the holders of such additional junior obligations (or any agent or trustee thereof) the comparable rights and benefits (including any improved rights and benefits that have been consented to by the Second Lien Collateral Agents) as are provided to Second Lien Secured Parties under this Agreement; provided that the holders of such additional obligations permitted by clause (i) above (or the agent or trustee therefor) shall have executed and delivered to the First Lien Collateral Agents and the Second Lien Collateral Agents an amendment or joinder to this Agreement in form and substance reasonably satisfactory to the First Lien Collateral Agents and the Second Lien Collateral Agents.

(b) Notwithstanding the foregoing, without the consent of any First Lien Secured Party or Second Lien Secured Party, any Representative and Collateral Agent may become a party hereto by execution and delivery of a Joinder Agreement in accordance with Section 9.24 and upon such execution and delivery, such Representative and Collateral Agent and the Additional First Lien Secured Parties and Additional First Lien Obligations or Additional Second Lien Secured Parties and Additional Second Lien Obligations, as the case may be, of the Series for which such Representative and Collateral Agent is acting shall be subject to the terms hereof.

(c) Notwithstanding the foregoing, without the consent of any other Representative, Collateral Agent or Secured Party, the Designated First Lien Representative and the Designated Second Lien Representative may jointly effect amendments and modifications to this Agreement to the extent necessary to reflect any incurrence of Additional First Lien Obligations or Additional Second Lien Obligations in compliance with this Agreement.

9.4 Information Concerning Financial Condition of the Grantors and their Subsidiaries. The First Lien Collateral Agents, the First Lien Representatives, the First Lien Secured Parties, the Second Lien Collateral Agents, the Second Lien Representatives and the Second Lien Secured Parties shall each be responsible for keeping themselves informed of (a) the financial condition of the Borrowers and the other Grantors and all endorsers and/or guarantors of the First Lien Obligations or the

Second Lien Obligations and (b) all other circumstances bearing upon the risk of nonpayment of the First Lien Obligations or the Second Lien Obligations. The First Lien Collateral Agents, the First Lien Representatives, the First Lien Secured Parties, the Second Lien Collateral Agent, the Second Lien Representatives and the Second Lien Secured Parties shall have no duty to advise any other party hereunder of information known to it or them regarding such condition or any such circumstances or otherwise. In the event that any First Lien Collateral Agent, any First Lien Representative, any First Lien Secured Party, any Second Lien Collateral Agent, any Second Lien Representative or any Second Lien Secured Party, in its or their sole discretion, undertakes at any time or from time to time to provide any such information to any other party, it or they shall be under no obligation (w) to make, and the First Lien Collateral Agents, the First Lien Representatives, the First Lien Secured Parties, the Second Lien Collateral Agents, the Second Lien Representatives and the Second Lien Secured Parties shall not make, any express or implied representation or warranty, including with respect to the accuracy, completeness, truthfulness or validity of any such information so provided, (x) to provide any additional information or to provide any such information on any subsequent occasion, (y) to undertake any investigation or (z) to disclose any information that, pursuant to accepted or reasonable commercial finance practices, such party wishes to maintain confidential or is otherwise required to maintain confidential.

9.5 Subrogation. Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, hereby agrees not to assert its rights of subrogation, if any, it may acquire under applicable law as a result of any payment hereunder until the Discharge of First Lien Obligations has occurred.

9.6 Application of Payments. Except as otherwise provided herein, all payments received by any First Lien Representative, any First Lien Collateral Agent or other First Lien Secured Parties may be applied, reversed and reapplied, in whole or in part, to such part of the First Lien Obligations by the First Lien Secured Parties in a manner consistent with the terms of the First Lien Documents (subject to any First Lien Pari Passu Intercreditor Agreement, if then in effect).

9.7 Consent to Jurisdiction; Waivers. (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Ontario Superior Court of Justice (Commercial List) and Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any court referred to in paragraph (a) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.8. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(d) EACH OF THE PARTIES HERETO WAIVES ANY RIGHT IT MAY HAVE TO TRIAL BY JURY IN RESPECT OF ANY LITIGATION BASED ON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, VERBAL OR WRITTEN STATEMENT OR ACTION OF ANY PARTY HERETO IN CONNECTION WITH THE SUBJECT MATTER HEREOF.

9.8 Notices. All notices to the First Lien Secured Parties and the Second Lien Secured Parties permitted or required under this Agreement may be sent to the applicable First Lien Collateral Agent or the applicable Second Lien Collateral Agent, respectively, as provided in the relevant First Lien Documents or the relevant Second Lien Documents, as applicable. All notices to any Second Lien Secured Parties and any First Lien Secured Parties permitted or required under this Agreement shall also be sent to each Second Lien Collateral Agent and each First Lien Collateral Agent, respectively. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telecopied, electronically mailed or sent by courier service or U.S. mail and shall be deemed to have been given when delivered in person or by courier service, upon receipt of a telecopy or electronic mail or upon receipt via U.S. mail (registered or certified, with postage prepaid and properly addressed). For the purposes hereof, the addresses of the parties hereto shall be as set forth below each party's name on the signature pages hereto, or, as to each party, at such other address as may be designated by such party in a written notice to all of the other parties.

9.9 Further Assurances. Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, and each First Lien Collateral Agent, on behalf of itself and each applicable First Lien Secured Party, agree that each of them shall take such further action and shall execute and deliver to the First Lien Collateral Agents and the First Lien Secured Parties such additional documents and instruments (in recordable form, if requested) as the First Lien Collateral Agents or the First Lien Secured Parties may reasonably request to effectuate the terms of and the lien priorities contemplated by this Agreement.

9.12 Specific Performance. Each First Lien Collateral Agent, each First Lien Representative, each Second Lien Collateral Agent and each Second Lien Representative may demand specific performance of this Agreement. Each Second Lien Collateral Agent, on behalf of itself and each applicable Second Lien Secured Party, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any First Lien Collateral Agent. Each First Lien Collateral Agent, on behalf of itself and each applicable First Lien Secured Party, hereby irrevocably waives any defense based on the adequacy of a remedy at law and any other defense that might be asserted to bar the remedy of specific performance in any action that may be brought by any Second Lien Collateral Agent.

9.13 Section Titles. The section titles contained in this Agreement are and shall be without substantive meaning or content of any kind whatsoever and are not a part of this Agreement.

9.14 Counterparts. This Agreement may be executed in one or more counterparts, including by means of facsimile or "pdf" file thereof, each of which shall be an original and all of which shall together constitute one and the same document.

9.15 Authorization. By its signature, each party hereto represents and warrants to the other parties hereto that the Person executing this Agreement on behalf of such party is duly authorized to execute this Agreement. Each First Lien Collateral Agent represents and warrants that this Agreement is binding upon the First Lien Secured Parties for which it is acting as First Lien Collateral Agent. Each Second Lien Collateral Agent represents and warrants that this Agreement is binding upon the Second Lien Secured Parties for which it is acting as Second Lien Collateral Agent.

9.16 No Third Party Beneficiaries; Successors and Assigns. This Agreement and the rights and benefits hereof shall inure to the benefit of, and be binding upon, each of the First Lien Collateral Agents, the First Lien Secured Parties, the Second Lien Collateral Agents and the Second Lien Secured Parties and their respective successors and assigns and shall inure to the benefit of each of, and be binding upon, the holders of First Lien Obligations and Second Lien Obligations. No other Person shall have or be entitled to assert rights or benefits hereunder. Nothing herein shall be construed to limit the relative rights and obligations as among the First Lien Secured Parties or as among the Second Lien Secured Parties; as among the First Lien Secured Parties, such rights and obligations are governed by, and any provisions herein regarding them are therefore subject to, the provisions of the First Lien Pari Passu Intercreditor Agreement and as among the Second Lien Secured Parties, such rights and obligations are governed by, and any provisions herein regarding them are therefore subject to, the provisions of the Second Lien Pari Passu Intercreditor Agreement.

9.17 Effectiveness. This Agreement shall become effective when executed and delivered by the parties hereto. This Agreement shall be effective both before and after the commencement of any Insolvency or Liquidation Proceeding. All references to the Borrowers or any other Grantor shall include the Borrowers or any other Grantor as debtor and debtor-in possession and any Court Appointed Official or receiver or trustee for any Borrower or any other Grantor (as the case may be) in any Insolvency or Liquidation Proceeding.

9.18 First Lien Collateral Agents and Second Lien Collateral Agent. It is understood and agreed that (a) Acquiom Agency Services LLC, as Initial First Lien Representative, is entering into this Agreement in its capacity as collateral agent under the Initial First Lien Credit Agreement, and the provisions of Article VIII of the Initial First Lien Credit Agreement applicable to the administrative agent and collateral agent thereunder shall also apply to the First Lien Collateral Agent hereunder and (b) Acquiom Agency Services LLC, as Initial Second Lien Representative, is entering in this Agreement in its capacity as collateral agent under the Initial Second Lien Credit Agreement, and the provisions of Article VIII of the Initial Second Lien Credit Agreement applicable to the collateral agent thereunder shall also apply to the Second Lien Collateral Agent hereunder.

9.19 Relative Rights. Notwithstanding anything in this Agreement to the contrary (except to the extent contemplated by Section 5.3(d)), nothing in this Agreement is intended to or will (a) amend, waive or otherwise modify the provisions of the Initial First Lien Credit Agreement or any other First Lien Document, or the Initial Second Lien Credit Agreement or any other Second Lien Document, or permit the Borrowers or any Grantor to take any action, or fail to take any action, to the extent such action or failure would otherwise constitute a breach of, or default under, the Initial First Lien Credit Agreement or any other First Lien Documents or the Initial Second Lien Credit Agreement or any other Second Lien Documents, (b) change the relative priorities of the First Lien Obligations or the Liens granted under the First Lien Documents on the Common Collateral (or any other assets) as among the First Lien Secured Parties, (c) otherwise change the relative rights of the First Lien Secured Parties in respect of the Common

Collateral as among such First Lien Secured Parties or (d) obligate the Borrowers or any other Grantor or their respective Subsidiaries to take any action, or fail to take any action, if taking or failing to take such action, as the case may be, would otherwise constitute a breach of, or default under, the Initial First Lien Credit Agreement or any other First Lien Document or the Initial Second Lien Credit Agreement or any other Second Lien Document. None of the Borrowers, any other Grantor or any of their respective Subsidiaries or any other creditor thereof shall have any rights hereunder. Nothing in this Agreement is intended to or shall impair the obligations of the Borrowers or any other Grantor to pay the First Lien Obligations and the Second Lien Obligations as and when the same shall become due and payable in accordance with their terms.

9.20 References. Notwithstanding anything to the contrary in this Agreement, any references contained herein to any Section, clause, paragraph, definition or other provision of any First Lien Document or Second Lien Document (including any definition contained therein) shall be deemed to be a reference to such Section, clause, paragraph, definition or other provision as in effect on the date of this Agreement; provided that any reference to any such Section, clause, paragraph or other provision shall refer to such Section, clause, paragraph or other provision of the applicable First Lien Document or Second Lien Document, as applicable (including any definition contained therein), as amended or modified from time to time if such amendment or modification has been made in accordance with this Agreement and the applicable First Lien Document or Second Lien Document.

9.21 Intercreditor Agreements. To the extent not prohibited by, and consistent with, this Agreement, each party hereto agrees that the First Lien Secured Parties (as among themselves) may enter into intercreditor agreements (or similar arrangements) governing the rights, benefits and privileges as among the First Lien Secured Parties in respect of the Common Collateral, this Agreement and the other First Lien Documents, including as to application of proceeds of the Common Collateral, voting rights, control of the Common Collateral and waivers with respect to the Common Collateral, in each case so long as the terms thereof do not violate or conflict with the provisions of this Agreement or the First Lien Documents. To the extent not prohibited by, and consistent with, this Agreement, each party hereto agrees that the Second Lien Secured Parties (as among themselves) may enter into intercreditor agreements (or similar arrangements) governing the rights, benefits and privileges as among the Second Lien Secured Parties in respect of the Common Collateral, this Agreement and the other Second Lien Documents, including as to application of proceeds of the Common Collateral, voting rights, control of the Common Collateral and waivers with respect to the Common Collateral, in each case so long as the terms thereof do not violate or conflict with the provisions of this Agreement or the Second Lien Documents. In any event, if a respective intercreditor agreement (or similar arrangement) exists, the provisions thereof shall not be (or be construed to be) an amendment, modification or other change to this Agreement or any other First Lien Security Document or Second Lien Security Document, and the provisions of this Agreement and the other First Lien Security Documents and Second Lien Security Documents shall remain in full force and effect in accordance with the terms hereof and thereof (as such provisions may be amended, modified or otherwise supplemented from time to time in accordance with the terms hereof and thereof, including to give effect to any intercreditor agreement (or similar arrangement)). The provisions of this Agreement are and are intended solely for the purpose of defining the relative rights of the First Lien Secured Parties on the one hand and the Second Lien Secured Parties on the other hand.

9.22 Drafting of Agreement. This Agreement embodies arms' length negotiations and compromises between the parties, was drafted jointly by the parties, and shall not be construed against any party hereto, or such parties' successors and assigns, if any, by reason of its preparation or drafting of this Agreement. Each of the parties agrees that drafts of this Agreement and modifications reflected in such drafts shall not be utilized in any manner, dispute, or proceeding, including as evidence of any of the parties' intent or interpretation of this Agreement.

9.23 Additional Grantors. The Grantors agree that, if any Subsidiary shall become a Grantor after the date hereof, it will promptly cause such Subsidiary to become party hereto by executing and delivering an instrument acceptable to the First Lien Collateral Agents and the Second Lien Collateral Agents. Upon such execution and delivery, such Subsidiary will become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of such instrument shall not require the consent of any other party hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

9.24 Additional Debt Facilities.

(a) To the extent, but only to the extent, permitted by the provisions of the First Lien Documents and the Second Lien Documents and Section 5.3, any Grantor may incur or issue and sell one or more series or classes of Indebtedness that the Borrower Representative designates as Additional First Lien Debt and/or one or more series or classes of Indebtedness that the Borrower Representative designates as Additional Second Lien Debt (each, "Additional Debt").

Any such series or class of Additional First Lien Debt may be secured by a first-priority, senior Lien on the Common Collateral, in each case under and pursuant to the First Lien Security Documents for such Series of Additional First Lien Debt, if and subject to the condition that, unless such Indebtedness is part of an existing Series of Additional First Lien Debt represented by a First Lien Representative and First Lien Collateral Agent already party to this Agreement and the First Lien Pari Passu Intercreditor Agreement, the Additional First Lien Representative and the Additional First Lien Collateral Agent of any such Additional First Lien Debt each becomes a party to this Agreement and the First Lien Pari Passu Intercreditor Agreement by satisfying the conditions set forth in clauses (1) and (2) of Section 9.24(b). Upon any Additional First Lien Representative and Additional First Lien Collateral Agent so becoming a party hereto and becoming a party to the First Lien Pari Passu Intercreditor Agreement in accordance with the terms thereof, all Additional First Lien Obligations of such Series shall also be entitled to be so secured by a senior Lien on the Common Collateral in accordance with the terms hereof and thereof.

Any such series or class of Additional Second Lien Debt may be secured by a junior-priority, subordinated Lien on the Common Collateral, in each case under and pursuant to the relevant Second Lien Security Documents for such Series of Additional Second Lien Debt, if and subject to the condition, unless such Indebtedness is part of an existing Series of Additional Second Lien Debt represented by a Second Lien Representative and Second Lien Collateral Agent already party to this Agreement and the Second Lien Pari Passu Intercreditor Agreement, the Additional Second Lien Representative and Additional Second Lien Collateral Agent of any such Additional Second Lien Debt each becomes a party to this Agreement and the Second Lien Pari Passu Intercreditor Agreement by satisfying the conditions set forth in clauses (1) and (2) of Section 9.24(b). Upon any Additional Second Lien Representative and Additional Second Lien Collateral Agent so becoming a party hereto and becoming a party to the Second Lien Pari Passu Intercreditor Agreement in accordance with the terms thereof, all Additional Second Lien Obligations of such Series shall also be entitled to be so secured by a subordinated Lien on the Common Collateral in accordance with the terms hereof and thereof.

(b) In order for an Additional Representative and an Additional Collateral Agent to become a party to this Agreement:

(1) such Additional Representative and such Additional Collateral Agent shall have executed and delivered to each other then-existing Representative a Joinder Agreement substantially in the form of Exhibit A hereto (if such Representative is an Additional Second Lien Representative and such Collateral Agent is an Additional Second Lien Collateral Agent) (with

such changes as may be reasonably approved by the Designated First Lien Representative, the Designated Second Lien Representative and such Representative and such Collateral Agent) or Exhibit B hereto (if such Representative is an Additional First Lien Representative and such Collateral Agent is an Additional First Lien Collateral Agent) (with such changes as may be reasonably approved by the Designated First Lien Representative and such Representative and such Collateral Agent) pursuant to which such Additional Representative becomes a Representative hereunder, such Additional Collateral Agent becomes a Collateral Agent hereunder and the related First Lien Secured Parties or Second Lien Secured Parties, as applicable, become subject hereto and bound hereby; and

(2) the Borrower Representative shall have delivered a Designation to each other then-existing Collateral Agent substantially in the form of Exhibit C hereto (with such immaterial changes as may be consented to by the parties to whom it is delivered), pursuant to which a Responsible Officer of the Borrower Representative shall (A) identify the Indebtedness to be designated as Additional First Lien Obligations or Additional Second Lien Obligations, as applicable, and the initial aggregate principal amount of such Indebtedness, (B) specify the name and address of the applicable Additional Representative and Additional Collateral Agent, (C) certify that such Additional Debt is permitted to be incurred, secured and guaranteed by each First Lien Document and Second Lien Document and that the conditions set forth in this Section 9.24 are satisfied with respect to such Additional Debt and (D) attach to such Designation true and complete copies of each of the First Lien Documents or Second Lien Documents, as applicable, relating to such Additional First Lien Debt or Additional Second Lien Debt, as applicable, certified as being true and correct by a Responsible Officer of the Borrower Representative.

(c) The Additional Second Lien Documents or Additional First Lien Documents, as applicable, relating to such Additional Obligations shall provide that each of the applicable Secured Parties with respect to such Additional Obligations will be subject to and bound by the provisions of this Agreement in its capacity as a holder of such Additional Obligations.

(d) Upon the execution and delivery of a Joinder Agreement by an Additional First Lien Representative and an Additional First Lien Collateral Agent or an Additional Second Lien Representative and an Additional Second Lien Collateral Agent, as the case may be, in each case in accordance with this Section 9.24, each other Representative and Collateral Agent shall acknowledge receipt thereof by countersigning a copy thereof and returning the same to such Additional First Lien Representative and such Additional First Lien Collateral Agent or such Additional Second Lien Representative and such Additional Second Lien Collateral Agent, as the case may be; provided that the failure of any Representative or Collateral Agent to so acknowledge or return the same shall not affect the status of such Additional Obligations as Additional First Lien Obligations or Additional Second Lien Obligations, as the case may be, if the other requirements of this Section 9.24 are complied with.

(e) With respect to any incurrence, issuance or sale of Indebtedness after the date hereof under the Additional First Lien Documents or Additional Second Lien Documents of a Series of Additional First Lien Debt or Series of Additional Second Lien Debt whose Representative and Collateral Agent is already each a party to this Agreement and the First Lien Pari Passu Intercreditor Agreement or Second Lien Pari Passu Intercreditor Agreement, as applicable, the requirements of Section 9.24(b) shall not be applicable and such Indebtedness shall automatically constitute Additional First Lien Debt or Additional Second Lien Debt so long as (i) such Indebtedness is permitted to be incurred, secured and guaranteed by each First Lien Document and Second Lien Document and (ii) the provisions of Section 9.24(b)(2) have been complied with; provided, further, however, that with respect to any such Indebtedness incurred, issued or sold pursuant to the terms of any Additional First Lien Documents or Additional Second Lien Documents of such existing Series of Additional First Lien Debt or Additional Second Lien Debt as

such terms existed on the date the Representative and Collateral Agent for such Series of Additional First Lien Debt or Additional Second Lien Debt executed the Joinder Agreement, the requirements of clause (i) of this Section 9.24(e) shall be tested only as of (x) the date of execution of such Joinder Agreement, if pursuant to a commitment entered into at the time of such Joinder Agreement and (y) with respect to any later commitment or amendment to those terms to permit such Indebtedness, as of the date of such commitment and/or amendment.

The parties hereto agree that, notwithstanding anything to the contrary in this Amendment No. 8, the Second Lien Intercreditor Agreement, or the Amended Credit Agreement, for all applicable U.S. federal, state and local income tax purposes, the alterations to the Credit Agreement pursuant to Section 2 of this Amendment No. 8 are intended to be treated (alone and together with prior modifications made pursuant to prior amendments to the Credit Agreement) as modifications that are not "significant modifications" within the meaning of Treasury regulations Section 1.1001-3 (other than with respect to any Purchased Term Loans that are assigned to the Borrowers in exchange for Exchange Term Loans pursuant to Section 3 of this Amendment No. 8). The Parties further agree that for applicable U.S. federal, state and local and Canadian income tax purposes, the amount of the Exchange Term Loans that shall be allocable to the U.S. Borrower as primary obligor shall be proportionate to the proportion of the Purchased Term Loans in respect of which the U.S. Borrower is currently the primary obligor, and the amount of the Exchange Term Loans that shall be allocable to the Canadian Borrower as primary obligor shall be proportionate to the proportion of the Purchased Term Loans in respect of which the Canadian Borrower is currently the primary obligor. No party shall take any position (on any tax return, in any tax proceeding or otherwise) inconsistent with the foregoing, unless otherwise required by a final determination within the meaning of Section 1313(a) of the Code.

(b) Amendments. No amendment or waiver of any provision of this Amendment No. 8 shall be effective unless in writing signed by each party hereto and as otherwise required by Section 9.06 of the Amended Credit Agreement.

(c) Ratification. This Amendment No. 8 is limited to the matters specified herein and shall not constitute a modification, acceptance or waiver of any other provision of the Credit Agreement or any other Loan Document. (d) No Novation; Effect of this Amendment No. 8. This Amendment No. 8 does not extinguish the Obligations for the payment of money outstanding under the Credit Agreement or discharge or release the lien or priority of any Loan Document or any other security therefor or any guarantee thereof, and the liens and security interests existing immediately prior to the Amendment No. 8 Effective Date in favor of the Collateral Agent for the benefit of the Secured Parties securing payment of the Obligations are in all respects continuing and in full force and effect with respect to all Obligations. and reborrowing, or a termination, of the Obligations outstanding under the Credit Agreement or instruments guaranteeing or securing the same, which shall remain in full force and effect, except as modified hereby or by instruments executed concurrently herewith. Nothing expressed or implied in this Amendment No. 8 or any other document contemplated hereby shall be construed as a release or other discharge of any Borrower under the Credit Agreement or any Borrower or any other Loan Party under any Loan Document from any of its obligations and liabilities thereunder, and except as expressly provided, such obligations are in all respects continuing with only the terms being modified as provided in this Amendment No. 8. The Credit Agreement and each of the other Loan Documents shall remain in full force and effect, until and except as modified hereby. Except as expressly set forth herein, this Amendment No. 8 shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of the Lenders or the Agents under the Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document in similar or different circumstances. This Amendment No. 8 shall apply and be effective only with respect to the provisions of the Credit Agreement specifically referred to herein. This Amendment No. 8 constitutes a "Loan Document" for all purposes of the Credit Agreement and the other Loan Documents.

(e) GOVERNING LAW; SUBMISSION TO JURISDICTION, ETC.. **SECTIONS 9.09 (*GOVERNING LAW; JURISDICTION; CONSENT TO SERVICE OF PROCESS*) AND 9.10 (*WAIVER OF JURY TRIAL*) OF THE AMENDED CREDIT AGREEMENT ARE INCORPORATED BY REFERENCE HEREIN AS IF SUCH SECTIONS APPEARED HEREIN, *MUTATIS MUTANDIS*.**

(f) Severability. Section 9.07 (*Severability*) of the Amended Credit Agreement is incorporated by reference herein as if such Section appeared herein, *mutatis mutandis*.

(g) Counterparts; Effectiveness. This Amendment No. 8 may be executed in one or more counterparts (and by different parties hereto in different counterparts), each of which shall be deemed an original, but all of which together shall constitute a single contract. The Administrative Agent and the Borrower shall be entitled to enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (and amend this Agreement from time to time to update any such terms to reflect evolving market conventions) and, notwithstanding anything to the contrary in Section 9.02 (*Waivers*, *Amendments*), such amendment shall, in each case, become effective without any further action or consent of any other party to this Agreement; *provided*, *further*, that if a Successor Alternative Benchmark Rate has not been established pursuant to the immediately preceding proviso after the Borrower and the Administrative Agent have reached such a

determination, the Borrower and the Required Lenders with respect to any facility may select a different alternate rate as long as it is reasonably practicable for the Administrative Agent to administer such different rate and, upon not less than fifteen (15) Business Days' prior written notice to the Administrative Agent, the Required Lenders with respect to such facility and the Borrower shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable and, notwithstanding anything to the contrary in Section 9.02 (*Waivers, Amendments*), such amendment shall become effective without any further action or consent of any other party to this Agreement. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or performance required on (or before) a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

Section 1.08 Certifications. Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest, premium, fees or expenses, in the form of additional Indebtedness shall not be prohibited by Section 6.01.

Section 1.10 Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans, to the extent such extension, replacement, renewal or refinancing is effected by means of a "cashless roll" by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made "in Dollars", "in immediately available funds", "in Cash" or any other similar requirement.

The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of ABR, the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR, any alternative, successor or replacement rate (including any benchmark replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain ABR, the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR or any other benchmark, or any component definition thereof or rates referred to in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service, except, in each case, to the extent of liabilities resulting from the willful misconduct, bad faith or gross negligence of the Administrative Agent as determined by a court of competent jurisdiction in a final and nonappealable judgment.

(b) Subject to Section 2.14, each Specified Term Loan Borrowing shall be comprised entirely of Term SOFR Loans, and each Delayed Draw DIP Term Loan Borrowing shall be comprised entirely of Term SOFR Loans.

Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of ten (10) Term SOFR Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrowers shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the applicable Term Loan Maturity Date.

Section 2.03 Requests for Borrowings. To request a Borrowing, the Borrowers shall notify the Administrative Agent by hand delivery, electronic communication (including Adobe pdf file) or facsimile of a written Borrowing Request signed by the Borrower Representative (or any Borrower) by (a) in the case of a Term SOFR Borrowing (other than any Delayed Draw DIP Term Loan Borrowing), not later than 11:00 a.m., New York City time, three (3) Business Days before the date of the proposed Borrowing, (b) in the case of an ABR Borrowing or a Borrowing of Daily SOFR Loans (other than any Delayed Draw DIP Term Loan Borrowing), not later than 11:00 a.m., New York City time, one (1) Business Day before the date of the proposed Borrowing, or (c) in the case of any Borrowing of Delayed Draw DIP Term Loans, not later than 11:00 a.m., New York City time, five (5) Business Days before the date of the proposed Borrowing. The Administrative Agent will make such Loans available to the Borrowers by wire transfer of the amounts so received, in immediately available funds, to an account of the Borrowers, in each case designated by the Borrower Representative in the applicable Borrowing Request.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender will make such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption and in its sole discretion, make available to the Borrowers a corresponding amount. In such event, after giving effect to the reallocations pursuant to Section 2.19(a)(ii), if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers agrees to pay to the Administrative Agent, within three (3) Business Days of written notice, such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, or (ii) in the case of the Borrowers, the interest rate applicable to ABR Loans of the applicable Type. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

Section 2.07 Interest Elections.

(a) Each Specified Term Loan Borrowing and Delayed Draw DIP Term Loan Borrowing initially shall be of the Type specified in the applicable Borrowing Request, shall have an initial Interest Period as specified in such Borrowing Request. (b) To make an election pursuant to this Section, the Borrower Representative shall notify the Administrative Agent of such election by hand delivery, electronic communication (including Adobe pdf file) or facsimile of a written Interest Election Request substantially in the form of Exhibit B and signed by the Borrower Representative (or any Borrower) by the time that a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election.

(c) Each written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a Term SOFR Borrowing; and

(iv) if the resulting Borrowing is a Term SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Term SOFR Borrowing but does not specify an Interest Period, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrowers fail to deliver a timely Interest Election Request with respect to a Term SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period such Borrowing shall be converted to an ABR Borrowing. Notwithstanding any contrary provision hereof, if any Specified Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notify the Borrower Representative, then, so long as such Event of Default is continuing, no outstanding Borrowing may be continued for an Interest Period of more than one month's duration.

Section 2.08 Termination and Reduction of Commitments. The Delayed Draw DIP Term Commitment of each Delayed Draw DIP Term Lender shall be automatically and permanently reduced by the aggregate amount of Delayed Draw DIP Term Loans funded by such Delayed Draw DIP Term Lender and, in any event, shall be permanently reduced to $0 upon the Delayed Draw DIP Termination Date.

(b) The Borrowers may at any time, without premium or penalty, terminate, or from time to time reduce, the Commitments of any Class, provided that each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of $500,000 and not less than $1,000,000.

(c) The Borrowers shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least one Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent

shall advise the Lenders of the contents thereof. Each notice delivered by the Borrowers pursuant to this Section shall be irrevocable. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

(d) The Borrower Representative, in its sole discretion, shall have the right, but not the obligation, at any time so long as no Event of Default has occurred and is continuing, upon at least one Business Days' notice to a Defaulting Lender (with a copy to the Administrative Agent), to terminate in whole such Defaulting Lender's Commitment. No termination of the Commitment of a Defaulting Lender shall be deemed a waiver or release of any claim the Borrowers, the Administrative Agent, or any Lender may have against the Defaulting Lender.

Section 2.09 Repayment of Loans; Evidence of Debt; Limitation on Obligations of the Canadian Borrower.

(a) The Borrowers unconditionally promise to pay, jointly and severally, to the Administrative Agent for the account of each Specified Term Lender or Delayed Draw DIP Term Lender the then unpaid principal amount of each Specified Term Loan or Delayed Draw DIP Term Loan of such Specified Term Lender or Delayed Draw DIP Term Lender, as applicable, as provided in Section 2.10.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender to the Borrowers, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder to the Borrowers, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrowers for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans and pay interest thereon in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrowers shall promptly prepare, execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns and substantially in the form of the applicable Exhibit F. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to such payee and its registered assigns (and ownership shall at all times be recorded in the Register).

Section 2.10 Amortization of Specified Term Loans and Delayed Draw DIP Term Loans.

(a) All Specified Term Loans shall be due and payable on the Specified Term Loan Maturity Date. All Delayed Draw DIP Term Loans shall be due and payable on the Delayed Draw DIP Term Loan Maturity Date.

(b) Any prepayment of the Specified Term Loans or Delayed Draw DIP Term Loans shall be applied to reduce the subsequent scheduled repayments of the Specified Term Loans or Delayed Draw DIP Term Loans, as applicable, to be made pursuant to this Section as directed by the Borrower Representative.

(c) Prior to any repayment of any Specified Term Loan Borrowings or Delayed Draw DIP Term Loan Borrowings, the Borrowers shall notify the Administrative Agent by written notice of such election not later than 11:00 a.m., New York City time, on the third Business Day prior thereto. Each repayment of a Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Specified Term Loan Borrowings or Delayed Draw DIP Term Loan Borrowings shall be accompanied by accrued interest on the amount repaid.

Section 2.11 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time, without premium or penalty (but subject to Section 2.16), to prepay any Borrowing in whole or in part, as selected and designated by the Borrower Representative, subject to the requirements of this Section. Each voluntary prepayment of Specified Term Loans or Delayed Draw DIP Term Loans pursuant to this Section 2.11(a) or mandatory prepayment pursuant to Section 2.11(c) or (e) shall be made without premium or penalty. Any such voluntary prepayment shall be applied as specified in Section 2.10(b) and Section 2.11(k). Such amounts shall be due and payable on the date of such prepayment, repayment or amendment.

(b) [Reserved].

(c) Subject to paragraph (f) of this Section 2.11, in the event and on each occasion that any Net Proceeds are received by or on behalf of any Holding Company or any Restricted Subsidiary in respect of any Prepayment Event referred to in paragraph (a) or (b) of the definition thereof, the Borrowers shall, within thirty (30) days after such Net Proceeds are received, prepay the Specified Term Loans and Delayed Draw DIP Term Loans on a pro rata basis, in each case in an aggregate amount equal to 100% of the amount of such Net Proceeds; provided that in the case of any such event described in clause (a) or (b) of the definition of the term "Prepayment Event," if any Holding Company or any Restricted Subsidiary applies, or commits to apply, the Net Proceeds from such event (or a portion thereof), pursuant to an Approved Budget, then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds except to the extent of any such Net Proceeds therefrom that have not been so applied.

(d) [Reserved].

(e) In the event and on each occasion that any Net Proceeds are received by or on behalf of Ultimate Parent or any Restricted Subsidiary in respect of any Prepayment Event

referred to in paragraph (c) of the definition thereof, the Borrowers shall, on the same day as such incurrence or issuance of Indebtedness, prepay the Specified Term Loans and Delayed Draw DIP Term Loans, in each case in accordance with Section 2.11(g) and in an aggregate amount the Dollar Equivalent of which is equal to 100% of the Net Proceeds of such issuance or incurrence (which prepayment of principal shall be accompanied by payment of accrued and unpaid interest, premiums and fees and expenses associated with such principal amount prepaid); provided that such prepayment shall be subject to the second sentence of Section 2.11(a).

(f) Notwithstanding any other provisions of this Section 2.11, to the extent that any prepayment required by Section 2.11(c) (i) would be prohibited or delayed by applicable local law, or (ii) the Borrowers have determined in good faith that making all or a part of such prepayment (including the repatriation) would reasonably be expected to have an Adverse Tax Consequences as a result of moving cash to make such prepayment (which for the avoidance of doubt, includes, but is not limited to, any prepayment where by doing so any Borrower or any Restricted Subsidiary would incur a withholding tax), in each case the Net Proceeds so affected may be retained by the applicable Restricted Subsidiary, the Borrowers shall not be required to make a prepayment at the time provided in Section 2.11(c), and instead, such amounts may be retained and shall be available for working capital purposes of the Borrowers and the Restricted Subsidiaries (the Holding Companies and the Restricted Subsidiaries hereby agreeing to use commercially reasonable efforts to otherwise cause the applicable Restricted Subsidiary, to within one year following the date on which the respective payment would otherwise have been required, to overcome or eliminate such restrictions, minimize any such costs of prepayment, subject to the foregoing, to make the relevant prepayment), and if within one year following the date on which the respective payment would otherwise have been required, such repatriation of any of such affected Net Proceeds is permitted under the applicable local law or applicable organizational or constitutive impediment or other impediment or there are no such Adverse Tax Consequences, such repatriation will be promptly effected and such repatriated Net Proceeds will be promptly (and in any event not later than three Business Days after such repatriation could be made) applied (net of additional taxes, costs and expenses payable or reserved against as a result thereof) (whether or not repatriation actually occurs) to the repayment of the Specified Term Loans or Delayed Draw DIP Term Loans pursuant to this Section 2.11 to the extent provided herein; provided, that if such payments are not permitted or there are such Adverse Tax Consequences throughout such one year period such prepayment shall not be required; provided, further that, if at any time within one year of a prepayment being not so required, such restrictions are removed, any relevant proceeds will at the end of the then current Interest Period be applied in prepayment in accordance with the terms of this Section 2.11. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default and such amounts shall be available for working capital purposes of any Holding Company or any Restricted Subsidiary as long as not required to be repaid in accordance with this Section 2.11(f).

(g) In connection with any optional or mandatory prepayment of Borrowings hereunder the Borrowers shall, subject to the provisions of this paragraph and paragraph (k) of this Section 2.10, select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (h) of this Section 2.11. The Administrative Agent will promptly notify each Specified Term Lender and each Delayed Draw DIP Term Lender of the contents of the Borrowers' prepayment notice and of such Lender's pro rata share of the

prepayment. Notwithstanding any other provisions of this Section 2.11, the Required Lenders may elect to waive any mandatory prepayment of Specified Term Loans or Delayed Draw DIP Term Loans by providing written notice to the Administrative Agent and the Borrower Representative, no later than 11:00 a.m., New York City time, one Business Day following receipt of such mandatory prepayment notice.

(h) The Borrowers shall notify the Administrative Agent by hand delivery, electronic communication (including Adobe pdf file) or facsimile of a written notice of any prepayment hereunder (i) in the case of a Term SOFR Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing or any Borrowing of Daily SOFR Loans, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment, provided that a notice of optional prepayment may state that such notice is conditional upon the consummation of an acquisition or sale transaction or upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of any other specified event, in which case such notice of prepayment may be revoked by the Borrowers (by notice to the Administrative Agent on or prior to the specified date) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall either (x) share such notice with the Lenders or (y) advise the Lenders of the contents thereof. Except as otherwise provided herein, each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02(c), except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13 and any prepayment fees required by Section 2.11(a), to the extent applicable.

(i) [reserved]

(j) Notwithstanding any of the other provisions of this Section 2.11, if any prepayment of Term SOFR Loan is required to be made under this Section 2.11 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.11 in respect of any such Term SOFR loan prior to the last day of the Interest Period therefor, the Borrowers may, in their sole discretion, deposit with the Administrative Agent the amount of any such prepayment otherwise required to be made hereunder until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from a Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.11. Such deposit shall constitute cash collateral for the Term SOFR Loan, to be so prepaid; provided that the Borrower Representative may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 2.11.

(k) Application of Prepayment by Type of Term Loans. In connection with any voluntary prepayments by the Borrowers pursuant to Section 2.11(a), any voluntary prepayment thereof shall be applied first to ABR Loans to the full extent thereof before application to Term

SOFR Loans. In connection with any mandatory prepayments by the Borrowers of the Specified Term Loans or the Delayed Draw DIP Term Loans pursuant to Section 2.11, such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans, applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are Term SOFR Loans

Section 2.12 Fees.

(a) The Borrowers agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrowers and the Administrative Agent.

(b) All fees payable hereunder shall be paid by the Borrowers on the dates due, in immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances.

(c) The Borrowers shall pay to the Administrative Agent for the account of each Delayed Draw DIP Term Lender under the Delayed Draw DIP Term Facility in accordance with its Applicable Percentage of the Delayed Draw DIP Term Facility, a commitment fee in Dollars equal to the Delayed Draw DIP Commitment Fee Rate times the actual daily amount by which the aggregate Delayed Draw DIP Term Commitments for the Delayed Draw DIP Term Facility exceeds the sum of the aggregate principal amount outstanding of Delayed Draw Term Loans for such Facility (the "Delayed Draw DIP Commitment Fee"); *provided* that any such commitment accrued with respect to any of the Commitments of a Defaulting Lender during the period prior to the time such Lender became a Defaulting Lender and unpaid at such time shall not be payable by the Borrowers so long as such Lender shall be a Defaulting Lender, except to the extent that such commitment fee shall otherwise have been due and payable by the Borrower prior to such time; *provided, further*, that no such commitment fee shall accrue on any of the Commitments of a Defaulting Lender so long as such Lender shall be a Defaulting Lender. The Delayed Draw DIP Commitment Fee shall accrue at all times from the First Amendment Effective Date until the Delayed Draw DIP Termination Date, and shall be due and payable quarterly in arrears on the last Business Day of each March, June, September and December, commencing with the first such date during the first full fiscal quarter to occur after the First Amendment Effective Date and on the Delayed Draw DIP Termination Date. Such commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day).

Section 2.13 Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin.

(b) The Loans comprising each Term SOFR Borrowing shall bear interest at Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Margin; *provided* that if Term SOFR shall be determined pursuant to clause (a)(ii) of the definition thereof, each such Loan shall be deemed to bear interest on the outstanding principal amount

thereof from the applicable borrowing date at a rate per annum equal to Daily Simple SOFR for each day such Loan remains outstanding plus the Applicable Margin.

(c) Notwithstanding the foregoing, if (x) any principal of or interest on any Loan or any fee payable by the Borrowers hereunder is not paid when due (after the expiration of any applicable grace period), whether at stated maturity, upon acceleration or otherwise or (y) an Event of Default under Section 7.01(h) or (i) has occurred and is continuing, such overdue amount (which, in the case of an Event of Default under Section 7.01(h) or (i) shall be deemed to include the entire outstanding amount of the Loans) shall bear interest, after as well as before judgment, to the fullest extent permitted by law, at a rate per annum equal to (i) in the case of overdue principal or interest of any Loan, 2.00% plus the rate then borne by (in the case of such principal) such Borrowings or (in the case of interest) the Borrowings to which such overdue amount relates or (ii) in the case of any other amounts, 2.00% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided that no default rate shall accrue on the Loans of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan, provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on written demand, (ii) in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of a Term SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate or Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) For the purposes of the *Interest Act* (Canada) and disclosure thereunder, whenever any interest or any fee to be paid under any Loan Documents to be calculated on the basis of a 360-day or 365-day year, the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360 or 365, as applicable.

(g) Each of the Canadian Loan Parties confirms that it fully understands and is able to calculate the rate of interest applicable to the Credit Facility under this Agreement based on the methodology for calculating per annum rates provided for in this Agreement. The Administrative Agent agrees that if requested in writing by the Borrower Representative it will calculate the nominal and effective per annum rate of interest on any Borrowing outstanding at the time of such request and provide such information to the Borrowers promptly following such request; provided that any error in any such calculation, or any failure to provide such information on request, shall not relieve the Borrowers or any Canadian Loan Party of any of its obligations under this Agreement or any other Loan Document, nor result in any liability to the Administrative Agent or any Lender. Each Canadian Loan Party hereby irrevocably agrees not to plead or assert,

whether by way of defense or otherwise, in any proceeding relating to the Loan Documents, that the interest payable under the Loan Documents and the calculation thereof has not been adequately disclosed to the Canadian Loan Parties, whether pursuant to section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

Section 2.14 Alternate Rate of Interest; .

(a) Subject to the immediately following sentence, if prior to the commencement of any Interest Period for a Term SOFR Borrowing denominated in any currency the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining Term SOFR, as applicable, for such Interest Period, then the Administrative Agent shall give notice thereof to the Borrowers and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing to a Term SOFR Borrowing shall be converted to a Borrowing of Daily SOFR Loans or, failing that, an ABR Borrowing, in each case on the last day of the Interest Period applicable thereto; and (ii) if any Borrowing Request requests a Term SOFR Borrowing, such Borrowing shall be made as a Borrowing of Daily SOFR Loans, or, failing that, an ABR Borrowing.

Section 2.15 Increased Costs; Illegality.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in Adjusted Term SOFR);

(ii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Term SOFR Loan made by such Lender; or

(iii) subject any Lender to any additional Taxes of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except, in each case, for Indemnified Taxes indemnifiable under Section 2.17 and any Excluded Taxes);

and the result of any of the foregoing shall be to materially increase the cost to such Lender of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan) of the Borrowers or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise) from the Borrowers, then the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines in good faith that any Change in Law regarding capital or liquidity requirements has or would have the effect of materially reducing the rate of

return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to the Borrowers to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital and liquidity adequacy), then from time to time the applicable Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender, as the case may be, notifies the Borrower Representative of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, and provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof, in each case, first made after the Closing Date, shall make it unlawful for any Lender to make or maintain Term SOFR Loans as contemplated by this Agreement, such Lender shall promptly give notice thereof to the Administrative Agent and the Borrower Representative, and (a) the commitment of such Lender hereunder to make Term SOFR Loans or continue Term SOFR Loans as such and convert ABR Loans to Term SOFR Loans shall be suspended during the period of such illegality, (b) such Lender's Loans then outstanding as Term SOFR Loans, if any, shall be converted automatically to Daily SOFR Loans, or, failing that, ABR Loans, in each case, on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Term SOFR Term Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrowers shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.15. For the avoidance of doubt, invalidity of the Term SOFR determined pursuant to clause (a) thereof without giving effect to clause (a)(ii) thereof shall not affect ability of the Borrower to incur Daily SOFR Loans pursuant to clause (a)(ii) of the definition thereof.

Section 2.16 Break Funding Payments. In the event of (a) the payment by the Borrowers of any principal of any Term SOFR Term Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion by the Borrowers of any Term SOFR Term Loan other than on the last day of the Interest Period applicable thereto, (c) the failure by the Borrowers to borrow, convert into, continue or prepay any Term SOFR Term Loan on the date specified in any notice delivered pursuant hereto (regardless

of whether such notice may be revoked under Section 2.10(h) and is revoked in accordance therewith) or (d) the assignment of any Term SOFR Term Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrowers pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event (other than loss of profit). A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower Representative and shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any costs incurred more than 180 days prior to the date of the event giving rise to such costs.

Section 2.17 Taxes.

(a) Each payment by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, unless such deduction or withholding is required by any Requirement of Law. If any Loan Party or the Administrative Agent is so required to deduct or withhold Taxes, then such withholding agent shall so deduct or withhold and shall timely pay the full amount of deducted or withheld Taxes to the relevant Governmental Authority in accordance with any applicable law. To the extent such Taxes are Indemnified Taxes, then the amount payable by the applicable Loan Party shall be increased as necessary so that, net of such deduction or withholding (including such deduction or withholding applicable to additional amounts payable under this Section 2.17), the applicable Recipient receives the amount it would have received had no such deduction or withholding been made.

(b) In addition, each Loan Party shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of Other Taxes.

(c) As promptly as possible after any payment of Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) The Loan Parties shall indemnify each Recipient for the full amount of any Indemnified Taxes that are paid or payable by such Recipient in connection with any Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) or for which such Loan Party has failed to remit to the Administrative Agent the required receipts or other required documentary evidence and any expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted; provided, however, that if a Recipient does not notify the Loan Parties of any indemnification claim under this Section 2.17(d) within 180 days after such Recipient has received

written notice of the claim of a taxing authority giving rise to such indemnification claim, the Loan Parties shall not be required to indemnify such Recipient for any incremental interest or penalties resulting from such Recipient's failure to notify the Loan Parties within such 180-day period. The indemnity under this paragraph (d) shall be paid within 30 days after the Recipient (or the Administrative Agent, on behalf of such Recipient) delivers to the applicable Loan Party a certificate stating the amount of Indemnified Taxes so payable by such Recipient. Such certificate shall be conclusive of the amount so payable absent manifest error. Such Recipient shall deliver a copy of such certificate to the Administrative Agent.

(e) (i) Any Lender that is entitled to an exemption from, or reduction of, any applicable withholding Tax with respect to any payments under any Loan Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times prescribed by law or reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without, or at a reduced rate of, withholding. In addition, any Lender, if requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to U.S. backup withholding or information reporting requirements, or any other U.S. or non-U.S. withholding requirements. Upon the reasonable request of the Borrowers or the Administrative Agent, any Lender shall update any form or certification previously delivered pursuant to this Section 2.17(e). If any form or certification previously delivered pursuant to this Section 2.17(e) expires or becomes obsolete or inaccurate in any respect with respect to a Lender, such Lender shall promptly (and in any event within 10 days after such expiration, obsolescence or inaccuracy) notify the Borrower Representative and the Administrative Agent in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so. Notwithstanding anything to the contrary, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e) (ii)(A) through (E) and (iii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing and solely with respect to the Obligations, any Lender shall, if it is legally eligible to do so, deliver to the Borrower Representative and the Administrative Agent on or prior to the date on which such Lender becomes a party hereto, two duly completed and executed copies of whichever of the following is applicable:

(A) in the case of a Lender that is a U.S. Person, IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding;

(B) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, IRS Form W-8BEN or W-8BEN-E (or any successor form);

(C) in the case of a Foreign Lender for whom payments under any Loan Document constitute income that is effectively connected with such Lender's conduct of a trade or business in the United States, IRS Form W-8ECI (or any successor form);

(D) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code both (1) IRS Form W-8BEN or W-8BEN-E (or any successor form) and (2) a certificate substantially in the form of the applicable Exhibit H (a "U.S. Tax Certificate");

(E) in the case of a Foreign Lender that is not the beneficial owner of payments made under any Loan Document (including a partnership or a participating Lender), (1) an IRS Form W-8IMY on behalf of itself and (2) the relevant forms prescribed in clauses (A), (B), (C), and (D) of this paragraph (e)(ii) that would be required of each such beneficial owner or partner of such partnership if such beneficial owner or partner were a Lender; provided, however, that if the Lender is a partnership for U.S. federal income tax purposes (and not a participating Lender) and one or more of its partners are claiming the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, such Lender may provide a U.S. Tax Certificate on behalf of such partners; or

(F) any other form prescribed by law as a basis for claiming exemption from, or a reduction of, U.S. federal withholding Tax together with such supplementary documentation necessary to enable the Borrowers or the Administrative Agent to determine the amount of such Tax (if any) required by law to be withheld.

(iii) Solely with respect to the Obligations, if a payment made to any Lender would be subject to U.S. federal withholding or Canadian Tax imposed under FATCA or CRS if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable) or CRS, such Lender shall deliver to the Borrower Representative and Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such other documentation reasonably requested by the Borrowers and the Administrative Agent as may be necessary for the Administrative Agent and the Borrowers to comply with their obligations under FATCA or CRS, to determine whether such Lender has or has not complied with such Lender's FATCA or CRS obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (iii), "FATCA" and "CRS" shall include any amendments after the date of this Agreement.

(iv) Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(f) If any Recipient determines, in its sole discretion (in good faith), that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 2.17 (including additional amounts paid by any Loan Party pursuant to this Section 2.17), it shall promptly pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes) of such Recipient and without interest (other than any net after tax interest paid by the relevant Governmental Authority with respect to such refund), provided that the indemnifying party, upon the request of such Recipient, shall repay to such Recipient the amount paid to such indemnifying party pursuant to the previous sentence (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.17(f) in no event will any Recipient be required to pay any amount to an indemnifying party pursuant to this Section 2.17(f) the payment of which would place the Recipient in a less favorable net after-Tax position than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17(f) shall not be construed to require any Recipient to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(g) The agreements in this Section 2.17 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Section 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrowers shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees, or of amounts payable under Section 2.15, Section 2.16, Section 2.17 or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 12:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the sole discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. If, for any reason, a Borrower is prohibited by any Law from making any required payment hereunder in a currency other than Dollars, such Borrower shall make such payment in Dollars in the Dollar Equivalent of such payment. All such payments shall be made to the Administrative Agent's Office, except that payments pursuant to Section 2.11, Section 2.12(b), Section 2.15, Section 2.16, Section 2.17 and Section 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Unless otherwise provided herein, if any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document of principal or interest in respect of any Loan (or of any breakage indemnity

in respect of any Loan) shall be made in the currency of such Loan and, except as otherwise set forth in any Loan Document, all other payments under each Loan Document shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If, other than as provided elsewhere herein, any Lender shall, by exercising any right of setoff or counterclaim, obtain payment in respect of any principal of or interest on any of its Term Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Term Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Term Loans to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Term Loans, provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to (x) any payment or prepayment made by or on behalf of the Borrowers or any other Loan Party pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (y) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant or the termination of any Lender's commitment and non-pro rata repayment of Liens pursuant to Section 2.19(b).

(d) Unless the Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers will make such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) (i) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.03, Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its sole discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold

such amounts in a segregated account over which the Administrative Agent shall have exclusive control as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clause (i) and (ii) above, in any order as determined by the Administrative Agent in its sole discretion.

Section 2.19 Mitigation Obligations; Replacement of Lender.

(a) If any Lender requests compensation under Section 2.15 or Section 2.17, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall, at the request of the Borrower Representative, use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not be inconsistent with its internal policies or otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15 or Section 2.17, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with clause (a) immediately above, or if any Lender becomes a Defaulting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender (and such Lender shall be obligated) to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that (i) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and, other than in the case of a Defaulting Lender, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), and (ii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments.

(c) Any Lender being replaced pursuant to Section 2.19(b) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans, as applicable (provided that the failure of any such Lender to execute an Assignment and Assumption shall not render such assignment invalid and such assignment shall be recorded in the Register) and (ii) deliver Notes, if any, evidencing such Loans to the Borrowers or the Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitments and outstanding Loans, as applicable, (B) all obligations of the Loan Parties owing to the assigning Lender relating to the Loan Documents and participations so assigned shall be paid in full by the assignee Lender or the Loan Parties (as applicable) to such assigning Lender concurrently with

such assignment and assumption, together with any amounts owing to the assigning Lender (other than a Defaulting Lender) under Section 2.16 as a consequence of such assignment and (C) upon such payment and, if so requested by the assignee Lender, the assignor Lender shall deliver to the assignee Lender the appropriate Note or Notes executed by the Borrowers, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

Section 2.20 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Any payment of principal, interest, fees, indemnity payments or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to ARTICLE VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrowers may request, to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement; *third*, if so determined by the Administrative Agent and the Borrowers, to be held in a non-interest-bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *fifth*, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Section 4.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.20(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. A Defaulting Lender shall not be entitled to receive any default rate of interest pursuant to Section 2.13(c), in each case, for any period during which that Lender is a Defaulting Lender.

(b) Defaulting Lender Cure. If the Borrowers and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentage, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 2.21 Borrower Representative. Each Borrower hereby designates and appoints Procera or such other Borrower (reasonably acceptable to the Administrative Agent) as the Borrowers may from time to time notify the Administrative Agent of in writing (the "Borrower Representative") as its representative and agent on its behalf for all purposes under the Loan Documents, including requests for Loans, selection of interest rate options, issuing and delivering Borrowing Requests, Interest Election Requests, or Compliance Certificates, delivery or receipt of communications, receipt and payment of Obligations, giving instructions with respect to the disbursement of the proceeds of the Loans, requests for waivers, amendments or other accommodations, giving and receiving all other notices, certifications and consents hereunder or under any of the other Loan Documents and taking all other actions (including in respect of compliance with covenants) on behalf of any Borrower or the Borrowers under the Loan Documents, and all other dealings with the Administrative Agent or any Lender. The Borrower Representative hereby accepts such appointment. The Administrative Agent, the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication delivered by the Borrower Representative (or any Loan Party that holds itself out as the Borrower Representative) on behalf of any Borrower. Notwithstanding anything to the contrary in Section 9.01, the Administrative Agent and the Lenders may give any notice to or communication with a Borrower or other Loan Party hereunder to the Borrower Representative on behalf of such Borrower or other Loan Party. Each of the Administrative Agent, the Lenders shall have the right, in its discretion, to deal exclusively with the Borrower Representative for any or all purposes under the Loan Documents. Each warranty, covenant, agreement and undertaking made on behalf of a Borrower by the Borrower Representative shall be deemed for all purposes to have been made by such Borrower and shall be binding upon and enforceable against such Borrower to the same extent as if the same had been made directly by such Borrower.

Section 2.22 DIP Charge and Priority. Upon, and subject to, the entry of the Initial CCAA Order, all of the Delayed Draw DIP Term Loan Obligations of each Debtor Loan Party shall be secured by a charge granted by the CCAA Court pursuant to such Initial CCAA Order over the Debtors' Collateral and the Ultimate Parent's Collateral that shall be, subject to the

Financing Orders, *pari passu* with the Liens securing the Specified Term Loans and shall have priority over all other Liens (including the Transaction Fee Charge) in respect of the Debtors' Collateral and the Ultimate Parent's Collateral other than the Superpriority Charges (the "DIP Charge").

Section 2.23 Canadian Interest Considerations. The parties hereto intend to comply with applicable law relating to usury. Notwithstanding any other provision of this Agreement or any other Loan Document, in no event shall any Loan Document require the payment or permit the collection of interest or other amounts in an amount or at a rate in excess of the amount or rate that is permitted by applicable law or in an amount or at a rate that would result in the receipt by the Lender or the Agents of interest at a criminal rate, as the terms "interest" and "criminal rate" are defined under the *Criminal Code* (Canada). Where more than one applicable law applies to the Loan Parties, the Loan Parties shall not be obliged to make payment in an amount or at a rate higher than the lowest permitted amount or rate. If from any circumstance whatever, fulfilment of any provision of any Loan Document would result in exceeding the highest rate or amount permitted by applicable law for the collection or charging of interest, the obligation to be fulfilled shall be reduced to reflect the highest permitted rate or amount. If from any circumstance the Agents or the Lenders shall ever receive anything of value as interest or deemed interest under any Loan Document that would result in exceeding the highest lawful rate or amount of interest permitted by applicable law, the amount that would be excessive interest shall be applied to the reduction of the principal amount of the relevant Term Loan, and not to the payment of interest, or if the excessive interest exceeds the unpaid principal balance of the relevant Term Loan, the amount exceeding the unpaid balance shall be refunded to the Loan Parties. In determining whether or not the interest paid or payable under any specified contingency exceeds the highest lawful rate, the Loan Parties, the Agents and the Lenders shall, to the maximum extent permitted by applicable law, (i) characterize any non-principal payment as an expense, fee or premium rather than as interest, (ii) exclude voluntary prepayments and their effects, (iii) amortize, prorate, allocate and spread the total amount of interest throughout the term of the applicable Delayed Draw DIP Term Loan so that interest does not exceed the maximum amount permitted by applicable law, and/or (iv) allocate interest between portions of the Obligations to the end that no portion shall bear interest at a rate greater than that permitted by applicable law. For the purposes of the *Criminal Code* (Canada), if there is any dispute as to the calculation of the effective annual rate of interest, the determination of a Fellow of the Canadian Institute of Actuaries appointed by the Agents shall be conclusive.

ARTICLE III

(b) Except for the Disclosed Matters and except with respect to any other matters that, individually or in the aggregate, would not reasonably be expected to result in a Material Adverse Effect, no Holding Company, Borrower or Subsidiary (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any Environmental Permit, (ii) has become subject to any Environmental Liability or (iii) has received written notice of any claim with respect to any Environmental Liability.

ARTICLE VIII
The Administrative Agent and Collateral Agent

Section 8.01 Appointment of Agents. Each of the Lenders hereby irrevocably appoints (i) Acquiom and Seaport to act on its behalf as Co-Administrative Agents and (ii) Acquiom to act on its behalf as the Collateral Agent hereunder and under the Loan Documents, and authorizes the Administrative Agent and the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Unless otherwise specifically set forth herein, the Collateral Agent shall have all the rights and benefits of the Administrative Agent set forth in this Article.

The Collateral Agent shall act as the "collateral agent" under the Loan Documents, and each of the Lenders hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties pursuant to the Security Documents to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent, as "collateral agent" and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this ARTICLE VIII and

Section 9.03 (as though such co-agents, subagents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto. The Lenders acknowledge and agree that Collateral Agent may also act as the collateral agent for lenders under other Indebtedness of the Loan Parties permitted hereunder.

Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and any rights of the Secured Parties with respect thereto as contemplated by and in accordance with the provisions of this Agreement and the other Loan Documents.

The Collateral Agent declares that it shall hold all Liens on Collateral governed by English law on trust for each of the Lenders on the terms contained in this Agreement.

The rights, powers, authorities and discretions given to the Collateral Agent under or in connection with the Loan Documents shall be supplemental to the Trustee Act 1925 (United Kingdom) and the Trustee Act 2000 (United Kingdom) and in addition to any which may be vested in the Collateral Agent by law or regulation or otherwise.

Section 1 of the Trustee Act 2000 (United Kingdom) shall not apply to the duties of the Collateral Agent in relation to the trusts constituted by this Agreement. Where there are any inconsistencies between the Trustee Act 1925 (United Kingdom) or the Trustee Act 2000 (United Kingdom) and the provisions of this Agreement, the provisions of this Agreement shall, to the extent permitted by law and regulation, prevail and, in the case of any inconsistency with the Trustee Act 2000 (United Kingdom), the provisions of this Agreement shall constitute a restriction or exclusion for the purposes of that Act.

Section 8.02 Rights of Lender. Each bank serving as the Administrative Agent or Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent or Collateral Agent, and with respect to any of its Loans or Commitments hereunder, the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent and Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Holding Company or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent or Collateral Agent hereunder and without any duty to account therefor to the Lenders. Should any Lender (other than the Collateral Agent) obtain possession or control of any assets in which, in accordance with the UCC, PPSA or any other applicable law a security interest can be perfected by possession or control, such Lender shall notify the Collateral Agent thereof, and, promptly following the Collateral Agent's request therefor, shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

Section 8.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. In performing its functions and duties hereunder, each Agent shall act solely as an agent of the Lenders and does not assume and shall not be deemed to have assumed

any obligation towards or relationship of agency or trust with or for any Loan Party or any of their Subsidiaries. Without limiting the generality of the foregoing the Administrative Agent and the Collateral Agent, (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, including with respect to enforcement or collection, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or the Collateral Agent is expressly required to exercise and is directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to do so; provided that the Agent shall not be required to take, or omit to take, any action that, in its opinion or the opinion of its counsel, (i) may or does expose such Agent to liability or (ii) is contrary to any Loan Document or applicable law (including, for the avoidance of doubt, any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a foreclosure, modification or termination of property of a Defaulting Lender under any Debtor Relief Law), and (c) shall not except as expressly set forth herein or in the other Loan Documents, have any duty to disclose, and shall not be liable to the Lenders for the failure to disclose, any information relating to any Holding Company, any Borrower or any Subsidiary that is communicated to or obtained by the bank institution serving as the Administrative Agent, Collateral Agent or any of their respective Affiliates in any capacity. The Administrative Agent and the Collateral Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as the Administrative Agent or Collateral Agent shall believe in good faith shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence, willful misconduct or breach of its material obligations under any Loan Documents (excluding all actions taken by any Agent (I) at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as Agent shall reasonably believe are necessary under the circumstances or as requested by the Borrowers or the other Loan Parties and (II) in connection with or ancillary to the consummation of the Closing Date Transactions (including, for the avoidance of doubt, entry into the Second Lien Intercreditor Agreement)) in each case as determined by a court of competent jurisdiction by final and non-appealable judgment. The Administrative Agent and the Collateral Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent and Collateral Agent by a Borrower or a Lender and the Administrative Agent and the Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report, statement, agreement or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or express conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument or document or the creation, perfection or priority of any Lien purported to be created by the Security Documents or that the Liens granted to the Collateral Agent pursuant to any Security Document have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in ARTICLE IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent. The

Administrative Agent shall have no obligation to monitor whether any amendment or waiver to any Loan Document has properly become effective or is permitted hereunder or thereunder except to the extent expressly agreed to by the Administrative Agent in such amendment or waiver. Without limiting the foregoing, no Agent:

(i) makes any warranty or representation, or shall be responsible, to any Secured Party for any statement, document, information, representation or warranty made or furnished by or on behalf of any Related Party or any Loan Party in connection with any Loan Document or any transaction contemplated therein or any other document or information with respect to any Loan Party, whether or not transmitted or (except for documents expressly required under any Loan Document to be transmitted to the Lenders) omitted to be transmitted by such Agent, including as to completeness, accuracy, scope or adequacy thereof, or for the scope, nature or results of any due diligence performed by such Agent in connection with the Loan Documents;

(ii) shall have any obligation to calculate or confirm the calculations of any financial covenants or ratios set forth in any Loan Document or in any of the financial statements of the Loan Parties;

(iii) shall be liable to the Lenders for any apportionment or distribution of payments made by it to such Lenders in good faith, and if any such apportionment or distribution is subsequently determined to have been made in error, the sole recourse of any Lender to whom payment was due but not made shall be to recover pro rata from the other Lenders any payment equal to the amount to which they are determined to be entitled (and such other Lenders hereby agree to return to such Lender any such erroneous payments received by them);

(iv) shall have any duty to ascertain or to inquire as to the performance or observance of any provision of any Loan Document, whether any condition set forth in any Loan Document is satisfied or waived, as to the financial condition of any Loan Party or as to the existence or continuation or possible occurrence or continuation of any Default or Event of Default, and no Agent shall be deemed to have notice or knowledge of such occurrence or continuation unless it has received a notice from the Borrower or any Lender describing such Default or Event of Default clearly labeled "notice of default" (in which case such Agent shall promptly give notice of such receipt to all Lenders);

(v) shall be liable for any failure or delay in the performance of its obligations under this Agreement or any other Loan Document because of circumstances beyond such Agent's control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depositary, settlement system or central payment system in any applicable part of the world or acts of God, flood, war, civil or military disturbances, nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Agreement or the Loan Documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or

computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility;

Each Lender, Holdings and each Borrower hereby waives and agrees not to assert (and Holdings and the Borrowers shall cause each other Loan Party to waive and not to assert) any right, claim or cause of action it might have against any Agent in its capacity as such based on any of the actions or inactions described in this Section 8.03.

Section 8.04 Reliance by Administrative Agent and Collateral Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, (i) the Register to the extent set forth in Section 9.04, (ii) any consultation with any of its Related Parties and, whether or not selected by it, any counsel, other advisors, accountants and other experts (including advisors to, and accountants and experts engaged by, any Loan Party), and (iii) any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it in good faith to be genuine and to have been signed or sent or otherwise authenticated by the proper Person, and shall not be liable for any action taken or omitted to be taken in good faith in accordance with the Register, any advice of any such counsel, other advisors, accountants or other experts or any such notice, request, certificate, consent, statement, instrument, document or other writing. Each of the Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it in good faith to be made by the proper Person, and shall not incur any liability to the Lenders for relying thereon. Each of the Administrative Agent and the Collateral Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan.

Section 8.05 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent. Each of the Administrative Agent and the Collateral Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article (and indemnification provisions of Section 9.03(c)) shall apply to any such sub-agent and to the respective Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent or Collateral Agent. Each party to this Agreement acknowledges and agrees that the Administrative Agent may from time to time use one or more outside service providers for the tracking of all UCC and PPSA financing statements (and/or other collateral related filings and registrations from time to time) required to be filed or recorded pursuant to the Loan Documents and the notification to the Administrative Agent, of, among other things, the upcoming lapse or expiration thereof, and that each of such service providers will be deemed to be acting at the request and on behalf of the Borrowers and the other Loan Parties. No

Agent shall be liable for any action taken or not taken by any such service provider. The Agents shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

Section 8.06 Resignation of Agents; Successor, Administrative Agent and Collateral Agent. The Administrative Agent and the Collateral Agent may at any time resign by giving thirty (30) days' prior written notice of its resignation to the Lenders and the Borrowers. If the Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition of "Defaulting Lender" (for purposes of this Section 8.06, clause (d) of the definition of "Defaulting Lender" shall not include a direct or indirect parent company of the Administrative Agent), either the Required Lenders or the Borrower Representative may upon thirty (30) days' prior notice remove the Administrative Agent or the Collateral Agent, as the case may be. Upon receipt of any such notice of resignation or delivery of such removal notice, the Required Lenders shall have the right, with the consent of the Borrower Representative (provided that such consent shall not be unreasonably withheld or delayed and that such consent shall not be required at any time that any Specified Event of Default shall have occurred and be continuing), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation or the delivery of such removal notice, then (a) in the case of a retirement, the retiring Administrative Agent may on behalf of the Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above (including the consent of the Borrower Representative) or (b) in the case of a removal, the Borrowers may, after consulting with the Required Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; provided that (x) in the case of a retirement, if the Administrative Agent shall notify the Borrower Representative and the Lenders that no qualifying Person has accepted such appointment or (y) in the case of a removal, the Required Lenders notify the Borrower Representative that no qualifying Person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with such notice and (i) the retiring or removed Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or the Collateral Agent, as applicable, on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent or Collateral Agent, as applicable, shall continue to hold such collateral security, as bailee, until such time as a successor Administrative Agent or Collateral Agent, as applicable, is appointed and, with respect to its rights and obligations under the Loan Documents, until such rights and obligations have been assigned to and assumed by the successor Administrative Agent or Collateral Agent), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly (and each Lender will cooperate with the Borrowers to enable the Borrowers to take such actions), until such time as the Required Lenders or the Borrower Representative, as applicable, appoint a successor Administrative Agent, as provided for above in this Section 8.06 and (iii) the Borrowers and the Lenders agree that in no event shall the retiring Administrative Agent or Collateral Agent or any of their respective Affiliates or any of their respective officers, directors, employees, agents advisors or representatives have any liability to the Loan Parties, any

Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the failure of a successor Administrative Agent or Collateral Agent to be appointed and to accept such appointment. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Article). The fees payable by the Borrowers to a successor Administrative Agent or Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After any retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this ARTICLE VIII and Section 9.03 shall continue in effect for the benefit of such retiring Administrative Agent or Collateral Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent or Collateral Agent was acting as Administrative Agent or Collateral Agent.

Section 8.07 Non-Reliance on Agents and Other Lenders. Each Lender acknowledges and agrees that the extensions of credit made hereunder are commercial loans and letters of credit and not investments in a business enterprise or securities. Each acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, conducted its own independent investigation of the financial condition and affairs of the Loan Parties and their Subsidiaries and made its own credit analysis and decision to enter into this Agreement. Each Lender further represents and warrants that it has reviewed each document made available to it on the Platform in connection with this Agreement and has acknowledged and accepted the terms and conditions applicable to the recipients thereof (including any such terms and conditions set forth, or otherwise maintained, on the Platform with respect thereto). Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished thereunder.

Section 8.08 No Other Duties. Notwithstanding anything herein to the contrary, none of the Agents shall have any powers, duties or responsibilities under any Loan Document, except in its capacity, as applicable, as an Administrative Agent, Collateral Agent, or a Lender hereunder, and their respective duties as an Agent hereunder and under the other applicable Loan Documents shall be administrative in nature.

Section 8.09 Collateral and Guaranty Matters. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably

incidental thereto, shall be authorized and binding upon all of the Lenders. Each of the Lenders irrevocably authorize each of the Administrative Agent and the Collateral Agent:

(a) to release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent (or any sub-agent thereof) under any Loan Document (or to acknowledge that a Lien does exist on any property): (i) upon the Termination Date, (ii) that is (A) [reserved] or (B) sold or to be sold or transferred as part of or in connection with any sale or other transfer permitted hereunder or under any other Loan Document to a Person other than another Loan Party, in connection with any other sale or disposition resulting in any Collateral becoming Excluded Property, (iii) that constitutes (with respect to Loan Parties organized within the United States (or any state or territory thereof) or Canada) Excluded Property, (with respect to Loan Parties organized outside the United States (or any state or territory thereof)) other Foreign Excluded Assets, or other assets not required to be Collateral pursuant to the applicable Security Document, (iv) if the property subject to such Lien is owned by a Loan Party, upon the release of such Loan Party from the applicable Guaranty otherwise in accordance with the Loan Documents, (v) as to the extent, if any, provided in the Security Documents or (vi) if approved, authorized or ratified in writing in accordance with Section 9.02;

(b) to release any Loan Party from its obligations under the applicable Guaranty if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder;

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted under Section 6.02(d);

(d) to enter into subordination or intercreditor agreements (including the Second Lien Intercreditor Agreement and any Pari Passu Intercreditor Agreement) with respect to Indebtedness to the extent the Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, including any Pari Passu Intercreditor Agreement or Second Lien Intercreditor Agreement; and

(e) to enter into and sign for and on behalf of the Lenders as Secured Parties the Security Documents for the benefit of the Lenders and the other Secured Parties.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders (or such greater number of Lenders as may be required pursuant to Section 9.02(b)(v) or (vi)) will confirm in writing the Administrative Agent's or the Collateral Agent's, as the case may be, authority to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the applicable Guaranty pursuant to this Section 8.09. In each case as specified in this Section 8.09, the Administrative Agent and the Collateral Agent will (and each Lender hereby authorizes the Administrative Agent and the Collateral Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Loan Party from its obligations under the applicable

Guaranty, in each case in accordance with the express terms of the Loan Documents and this Section 8.09.

Notwithstanding any other provisions in this Agreement to the contrary, the release of any security interest created pursuant to a Swedish Collateral Document or any dealings in any assets which are, or are expressed to be, the subject of any security interest created pursuant to a Swedish Collateral Document (excluding any movable assets which are the subject of security in the form of a floating charge (other than any floating charge certificate (Sw. *Företagsinteckningsbrev*)) that are the subject of the Swedish Floating Charge Pledge Agreement), will in all cases be subject to the terms and conditions set forth in the Swedish Collateral Documents.

Section 8.10 [Reserved].

Section 8.11 Withholding Tax. To the extent required by any applicable law (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. If the IRS or any other Governmental Authority of any jurisdiction asserts a claim that an Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective) or is otherwise required to pay any Indemnified Tax attributable to such Lender, any Excluded Tax attributable to such Lender or any Tax attributable to such Lender's failure to comply with its obligations relating to the maintenance of a Participant Register, such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties and without limiting the obligation of the Loan Parties to do so) fully for, and shall make payable in respect thereof within ten (10) days after demand therefor, all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 8.11. The agreements in this Section 8.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Section 8.12 Administrative Agent and Collateral Agent May File Proofs of Claim. In case of the pendency of any receivership, examinership, insolvency, liquidation, provisional liquidation, bankruptcy, reorganization, arrangement, adjustment or composition under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent and the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent or the Collateral Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated), by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations, in each case, that are owing and unpaid by such Loan Party and to file such other documents as may be necessary or advisable in order to have such claims of the Lenders, the Administrative Agent and the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Administrative Agent and the Collateral Agent and their respective agents and counsel and all other amounts due the Lenders, the Administrative Agent and the Collateral Agent under Section 2.12 and Section 9.03 which are payable by such Loan Party) allowed in such judicial proceeding;

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and

(c) any custodian, receiver, interim receiver, receiver-manager, examiner, assignee, trustee, liquidator, provisional liquidator, sequestrator, examiner or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent, to the making of such payments directly to the Lenders, to pay to the Administrative Agent (and Lenders, as applicable) any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 2.12 and Section 9.03 in each case reimbursable or payable by such Loan Party.

Nothing contained herein shall be deemed to authorize the Administrative Agent or the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent or the Collateral Agent to vote in respect of the claim of any Lender or in any such proceeding, in each case subject to Section 14(d) of the U.S. Collateral Agreement. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Administrative Agent, its agents and counsel, and any other amounts due the Administrative Agent under this Agreement out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Section 8.13 ERISA.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto:

(i) such Lender is not using "plan assets" (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Plans in connection with the Loans or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable, and the conditions of such exemption have been satisfied, with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (ii) such "Qualified Professional Asset Manager" made the investment decision on behalf of such Lender to enter into, participate in, administer and perform with respect to the Loans, the Commitments and this Agreement and (iii) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (a) through (g) of Part I of PTE 84-14.

(b) In addition, unless clause (a)(i) of this Section 8.13 is true with respect to a Lender, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of any Borrower or any other Loan Party, that:

(i) none of the Administrative Agent or any of its respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any other Loan Document or any documents related to hereto or thereto),

(ii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance with respect to the Loans, the Commitments and this Agreement is independent (within the meaning of 29 CFR § 2510.3-21) and is a bank, an insurance carrier, an investment adviser, a broker-dealer or other person that holds, or has under management or control, total assets of at least $50,000,000, in each case as described in 29 CFR § 2510.3-21(c)(1)(i)(A)-(E),

(iii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance with respect to the Loans, the Commitments and this Agreement is capable of evaluating investment risks independently, both in general and with regard to particular transactions and investment strategies (including in respect of the Obligations),

(iv) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance with respect to the Loans, the Commitments and this Agreement is a fiduciary under ERISA or the Code, or both, with respect to the Loans, the Commitments and this Agreement and is

responsible for exercising independent judgment in evaluating the transactions hereunder, and

(v) no fee or other compensation is being paid directly to the Administrative Agent or any its respective Affiliates for investment advice (as opposed to other services) in connection with the Loans, the Commitments or this Agreement.

(c) The Administrative Agent hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (x) may receive interest or other payments with respect to the Loans, the Commitments and this Agreement, (y) may recognize a gain if it extended the Loans or the Commitments for an amount less than the amount being paid for an interest in the Loans or the Commitments by such Lender, or (z) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

Section 8.14 Other Matters. Notwithstanding any provision herein, Section 8.13 shall not apply to the extent that the regulations under Section 3(21) of ERISA issued by the U.S. Department of Labor on April 8, 2016 are rescinded or otherwise revoked, repealed or no longer effective.

Section 8.15 Binding Effect. Each Lender agrees that (i) any action taken by the Administrative Agent or the Collateral Agent in accordance with the provisions of the Loan Documents, (ii) any action taken by the Administrative Agent and the Collateral Agent in reliance upon the instructions of the Required Lenders (or, where so required by the terms of this Agreement or any other Loan Document, such greater or other proportion of the Lenders) and (iii) the exercise by the Administrative Agent or the Collateral Agent of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Secured Parties.

(c) if to any other Lender, to it at its address (or facsimile number) set forth in its Administrative Questionnaire.

Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto. Subject to Section 9.15, notices and other communications to the Lenders hereunder may also be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to ARTICLE II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic

communication. The Administrative Agent or the Borrowers may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

Section 9.02 Waivers; Amendments. (a) No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Collateral Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on any Borrower in any case shall entitle such Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 9.02(i) and 9.02(l), in Section 9.16 or as otherwise specifically provided below or otherwise provided herein or in a Loan Document, neither any Loan Document nor any provision thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by each Borrower, the Required Lenders, and the Required Delayed Draw DIP Term Lenders, or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto (except as otherwise expressly provided therein), in each case with the consent of the Required Lenders (other than with respect to any amendment, modification or waiver contemplated in clauses (i) through (viii) of this Section 9.02(b), which shall require only the consent of the Lenders expressly set forth therein and not the Required Lenders); provided that (1) no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent in Section 4.01 or Section 4.02 of this Agreement or the waiver of any covenant, Default, Event of Default or mandatory prepayment or reductions shall not constitute an increase of any Commitment of a Lender), (ii) reduce or forgive the principal amount of any Loan owed to a Lender or, subject to Section 2.14 and the proviso in the definition of "Term SOFR", reduce the rate of interest thereon owed to such Lender, or reduce any fees or premiums payable hereunder owed to such Lender, without the written consent of such Lender directly and adversely affected thereby; provided that any waiver of any Default or Event of Default or default interest, waiver of a mandatory prepayment or any modification, waiver or amendment to the financial covenant definitions or financial ratios or any component thereof in this Agreement shall not constitute a reduction or forgiveness in the interest rates or the fees or premiums for purposes of this clause (ii), (iii) postpone the scheduled maturity of any Loan, or the date of any scheduled repayment (but not prepayment) of the principal amount of any Term Loan

under Section 2.10, or any date for the payment of any interest, fees or premiums payable hereunder, or reduce or forgive the amount of, waive or excuse any such repayment (but not prepayment), or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby (it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, covenant, Default, Event of Default, waiver of default interest, mandatory prepayment or mandatory reduction of the Commitments shall constitute a postponement of any date scheduled for the payment of principal or interest or an extension of the final maturity of any Loan or the scheduled termination date of any Commitment), (iv) change any of the provisions of this Section 9.02(b) or reduce the percentage set forth in the definition of the term "Required Lenders" or reduce the percentage in any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required (including pursuant to clause (z) of the proviso to definition of "Required Lenders") to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender directly and adversely affected thereby (or each Lender of such Class directly and adversely affected thereby, as the case may be), (v) release all or substantially all of the value of the Guarantees under the Guaranties (except as provided herein or in the applicable Loan Document, including, but not limited to, pursuant to a transaction permitted under Section 6.03 or Section 6.05), without the written consent of each Lender, (vi) release all or substantially all the Collateral from the Liens of the Security Documents (except as provided herein or in the applicable Loan Document, including, but not limited to, pursuant to a transaction permitted under Section 6.03 or Section 6.05), without the written consent of each Lender (it being understood that any subordination of a lien permitted hereunder shall not constitute a release of a lien under this Section and the granting of any pari passu liens in connection with the incurrence of debt or the granting of liens otherwise permitted hereunder from time to time (including pursuant to amendments) shall not constitute a release of liens), (vii) amend, waive or otherwise modify any pro rata payment or sharing requirement of this Agreement (including those set forth in Section 2.18 or the payment waterfall provisions of Section 7.03, in each case, without the written consent of each Lender directly and adversely affected thereby (it being understood that any Lender declining payment or reducing a payment made to them is "directly and adversely affected"), (viii) decrease the amount of any mandatory prepayment to be received by the Lenders hereunder in a manner disproportionately adverse to the interests of such Class in relation to the Lenders of any other Class of Term Loans, in each case without the written consent of Lenders holding more than 50% of the sum of (x) the outstanding principal amount of Specified Term Loans and (y) the unused Delayed Draw DIP Term Commitments, and (ix) amend any provision applicable to the Delayed Draw DIP Term Facility without the prior written consent of the Required Delayed Draw DIP Term Lenders; provided, further, that no such agreement shall directly adversely amend or modify the rights or duties of the Administrative Agent or the Collateral Agent without the prior written consent of the Administrative Agent or the Collateral Agent, as the case may be. In the event an amendment to this Agreement or any other Loan Document is effected without the consent of the Administrative Agent or the Collateral Agent (to the extent permitted hereunder) and to which the Administrative Agent or the Collateral Agent is not a party, the Borrower Representative shall furnish a copy of such amendment to the Administrative Agent. Notwithstanding the foregoing, no Lender consent is required to effect any amendment, modification or supplement to any intercreditor agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted

to be secured by the Collateral for the purpose of adding the holders of such Indebtedness (or their senior representative) as a party thereto and otherwise causing such Indebtedness to be subject thereto, in each case as contemplated by the terms of such intercreditor agreement or arrangement permitted under this Agreement, as applicable, together with any immaterial changes and other modifications, in each case, in form and substance reasonably satisfactory to the Collateral Agent (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior Liens may be secured by Liens that are pari passu with, or junior in priority to, other Liens that are junior to the Liens securing the Obligations).

(c) In connection with any proposed amendment, modification, waiver or termination (a "Proposed Change") requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders (and, to the extent any Proposed Change requires the consent of Lenders holding Loans of any Class pursuant to paragraph (b) of this Section 9.02, the consent of a majority in interest of the outstanding Loans and unused Commitments of such Class) (or, in the case of a consent, waiver or amendment involving directly and adversely affected Lenders, at least 50.1% of such directly and adversely affected Lenders) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section 9.02 being referred to as a "Non-Consenting Lender"), then, the Borrower Representative may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, (i) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (a) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), plus, if the Non-Consenting Lender is a Lender with Term Loans being required to assign Term Loans under this Section 9.02(c) due solely to its failure to waive, postpone or reduce the prepayment premium set forth in Section 2.11(a), the payment by the assignee of such prepayment premium as if such Term Loans subject to such assignment were subject to transaction that would trigger such prepayment premium, (b) the Borrowers or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in clause (b)(ii) of Section 9.04 and (c) such assignee shall have consented to the Proposed Change or (ii) terminate the Commitment of such Lender and repay all Obligations of the Borrowers due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date; provided that in the case of any such termination of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders and terminated Lenders after giving effect hereto) to cause the adoption of the applicable departure, waiver or amendment of the Loan Documents.

(d) [Reserved];

(e) The Lenders and all other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall, at the sole cost and expense of the Borrowers, be automatically released (i) upon the occurrence of the

Termination Date of this Agreement, (ii) upon the sale or other disposition of such Collateral (as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Loan Party, in connection with any other sale or disposition resulting in any Collateral becoming Excluded Property or Foreign Excluded Assets, in each case, to the extent such sale or other disposition is made in compliance with the terms of this Agreement, (iii) to the extent such Collateral is comprised of property leased to a Loan Party, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 9.02), (v) to the extent such property constitutes (with respect to Loan Parties organized within the United States (or any state or territory thereof) or Canada) Excluded Property, (with respect to Loan Parties organized outside the United States (or any state or territory thereof) or Canada)) other Foreign Excluded Assets or other assets not required to be Collateral pursuant to the applicable Security Document, (vi) to the extent the property constituting such Collateral is owned by any Loan Party, upon the release of such Loan Party from its obligations under the Guaranty (in accordance with the following sentence) to the extent such release of a Loan Party is made in compliance with the terms of this Agreement and (vii) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Loan Documents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent comprised of (with respect to Loan Parties organized within the United States (or any state or territory thereof) or Canada)) Excluded Property, (with respect to Loan Parties organized outside the United States (or any state or territory thereof) or Canada)) other Foreign Excluded Assets or other assets not required to be Collateral pursuant to the applicable Security Document or otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders, and all other Secured Parties, hereby irrevocably agree that each Loan Party shall be released from the Guaranty upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary. The Lenders, and all other Secured Parties, hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Loan Party's Guarantee under the Guaranty or its Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender or other Secured Party.

(f) No Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders pursuant to Section 9.02(b)(v) or 9.02(b)(vi) or each directly and adversely affected Lender pursuant to Section 9.02(b)(ii) or 9.02(b)(iii), shall, in each case, require the consent of such Defaulting Lender.

(g) [Reserved].

(h) [Reserved].

(i) Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended solely with the consent of the Administrative Agent and the Borrowers without the need to obtain the consent of any other Lender if such amendment is delivered in order to correct or cure (x) ambiguities, errors, omissions or defects, (y) to effect administrative changes of a technical or immaterial nature or (z) incorrect cross-references or similar inaccuracies in this Agreement or the applicable Loan Document. Guarantees, collateral documents, security documents, intercreditor agreements, and related documents executed in connection with this Agreement may be in a form reasonably determined by the Administrative Agent or the Collateral Agent, as applicable, and may be amended, modified, terminated or waived, and consent to any departure therefrom may be given by the Administrative Agent or the Collateral Agent, as applicable, without the consent of any Lender.

Section 9.03 Expenses; Indemnity; Damage Waiver. (a) The Borrower Representative shall pay or reimburse, or cause to be paid or reimbursed, within thirty (30) days after receipt of reasonably detailed documentation therefor, all reasonable and documented out-of-pocket expenses incurred by the Agents and the Lenders (and each of their respective Affiliates and controlling persons and other representatives of each of the foregoing and their respective successors) (including the reasonable fees, charges and disbursements of a single lead counsel, a single local counsel in each relevant jurisdiction, and any relevant regulatory or other specialist counsel, in each case, for each of (x) the Administrative Agent and the Collateral Agent (taken as a whole) and (y) the Lenders (taken as a whole) and, in the event an actual or perceived conflict of interest as between any Lenders, a single additional counsel (including local counsel in each relevant jurisdiction) to the similarly affected parties (taken as a whole)) in connection with (i) the enforcement or protection of any rights under this Agreement or any other Loan Documents, including rights under this Section, or in connection with the Loans made and (ii) the syndication, preparation, execution, delivery and administration of the Loan Documents and any amendment, modification, forbearance or waiver with respect thereto; provided that the Borrowers shall not be obligated to pay for any third-party advisor or consultants (in addition to those set forth hereinabove), except following an Event of Default with respect to which Loans have been accelerated or any Agent or the Required Lenders are pursuing remedies (or have entered into a forbearance agreement with respect thereto).

(b) Without duplication of the expense reimbursement obligations pursuant to paragraph (a) above, the Borrowers shall jointly and severally indemnify the Administrative Agent, the Collateral Agent, the other Agents and each Lender (and each of their respective Affiliates and controlling persons and their respective officers, directors, employees, partners, advisors and agents and other representatives of each of the foregoing and their respective successors, each such Person being called an "Indemnitee"), against, and hold each Indemnitee harmless from, any and all actual losses, disputes, claims, damages, investigations, litigation, proceedings, actual liabilities and any and all reasonable and documented out-of-pocket costs and related expenses, excluding lost profits, but (i) including the reasonable and documented fees, charges and disbursements of counsel (including a single lead counsel, a single local counsel in each relevant jurisdiction and any relevant regulatory or other specialist counsel, in each case, for each of (x) the Administrative Agent and the Collateral Agent (taken as a whole) and (y) the Lenders (taken as a whole) and, in the event an actual or perceived conflict of interest arises as between any Lenders, a single additional counsel (plus local counsel in each relevant jurisdiction) to the similarly affected parties (taken as a whole)), (ii) including those arising from or relating to

any actual presence or Release of Hazardous Materials on any property currently or formerly owned or operated by any Borrower or any Subsidiaries or any Environmental Liability related in any way to any Borrower or any Subsidiaries and (iii) excluding any allocated costs of in-house counsel, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of the execution or delivery of any Loan Document or any other agreement or instrument contemplated thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of any transactions contemplated thereby, whether or not any such Indemnitee shall be designated as a party or a potential party thereto and whether or not such matter is initiated by any Holding Company, any Borrower or any of their respective Affiliates or shareholders, and any fees or expenses incurred by Indemnitees in enforcing this indemnity (collectively, the "Indemnified Liabilities"); provided that, no Indemnitee will be indemnified (a) for its (or any of its Related Parties) willful misconduct, bad faith or gross negligence (to the extent determined in a final non-appealable order of a court of competent jurisdiction), (b) for its (or any of its Related Parties) material breach of its obligations under the Loan Documents (excluding all actions taken by any Agent (I) at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as Agent shall reasonably believe are necessary under the circumstances or as requested by the Borrowers or the other Loan Parties and (II) in connection with or ancillary to the consummation of the Closing Date Transactions (including, for the avoidance of doubt, entry into the Second Lien Intercreditor Agreement)) in each case as determined by a court of competent jurisdiction by final and non-appealable judgment, (c) for any dispute among Indemnitees that does not involve an act or omission by any Holding Company, any Borrower or any Restricted Subsidiary (other than any claims against an Agent in their capacity as such and subject to clause (a) above) or (d) any settlement effected without the Borrower Representative's prior written consent, but if settled with the Borrower Representative's prior written consent (not to be unreasonably withheld or delayed) or if there is a final judgment against an Indemnitee in any such proceedings, the Borrowers will indemnify and hold harmless each Indemnitee from and against any and all actual losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with this Section.

(c) To the extent that a Borrower fails to pay any amount required to be paid by it to the Administrative Agent or the Collateral Agent under paragraph (a) or (b) of this Section, and without limiting the Borrowers' obligation to do so, each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Collateral Agent in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon in the case of unpaid amounts owing to the Administrative Agent, its share of the outstanding Term Loans and unused Delayed Draw DIP Term Commitments at the time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph (c)).

(d) To the extent permitted by applicable law, none of the Holding Companies, the Borrowers, any Agent, any Lender, any other party hereto or any Indemnitee shall assert, and each such Person hereby waives and releases, any claim against any other such Person, on any

theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any or any agreement or instrument contemplated hereby or referred to herein, the use or proposed used of the proceeds thereof, the transactions contemplated hereby or thereby, or any act or omission or event occurring in connection therewith, and each such Person further agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that the foregoing shall in no event limit the Borrowers' indemnification obligations under clause (b) above.

(e) In case any proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Borrower Representative of the commencement of any proceeding; provided, however, that the failure to do so will not relieve a Borrower from any liability that it may have to such Indemnitee hereunder, except to the extent that such Borrower is materially prejudiced by such failure.

(f) Notwithstanding anything to the contrary in this Agreement, no party hereto or any Indemnitee shall be liable for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems (including IntraLinks, SyndTrak or LendAmend), in each case, except to the extent any such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of, or material breach of this Agreement or the other Loan Documents by, such Indemnitee (or its officers, directors, employees, Related Parties or Affiliates) (excluding all actions taken by any Agent (I) at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as Agent shall reasonably believe are necessary under the circumstances or as requested by the Borrowers or the other Loan Parties and (II) in connection with or ancillary to the consummation of the Closing Date Transactions (including, for the avoidance of doubt, entry into the Second Lien Intercreditor Agreement)) in each case as determined by a court of competent jurisdiction by final and non-appealable judgment.

(g) Except to the extent otherwise expressly provided herein, all amounts due under this Section 9.03 shall be payable within thirty (30) days after receipt by the Borrower Representative of reasonably detailed documentation therefor.

(h) This Section 9.03 shall not apply to Taxes, except for Taxes which represent costs, losses, claims, etc. with respect to a non-Tax claim.

Section 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as otherwise permitted herein, no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any such attempted assignment or transfer by a Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in

accordance with this Section 9.04 (and any attempted assignment or transfer by such Lender otherwise shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (solely to the extent provided in paragraph (c) of this Section 9.04) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the express conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably conditioned, withheld or delayed) of the Borrower Representative; provided that no consent of the Borrower Representative shall be required for (x) an assignment of all of any portion of a Term Loan or Delayed Draw DIP Term Commitment to a Lender, an Affiliate of a Lender or an Approved Fund (as defined below), or (y) if any Specified Event of Default has occurred and is continuing, any other assignee, and provided that the Borrower Representative shall be deemed to have consented to any such assignment of Term Loans or Delayed Draw DIP Term Commitments unless the Borrower Representative shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after a Responsible Officer of the Borrower Representative receives written notice of such proposed assignment, and (C) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan or Delayed Draw DIP Term Commitment to a Lender, an Affiliate of a Lender, or an Approved Fund.

(ii) Assignments shall be subject to the following additional express conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender, or an Approved Fund, an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall be in an amount of an integral multiple of $1,000,000, unless the Borrower Representative and the Administrative Agent otherwise consent (such consent not to be unreasonably withheld or delayed); provided that no such consent of the Borrower Representative shall be required if any Specified Event of Default has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Assumption, via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent and shall be waived in the case of an assignment by a Lender to its Affiliate); provided that assignments made pursuant to Section 2.19, Section 9.02(c) or Section 9.02(h) shall not require the signature of the assigning Lender to become effective and (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative

Questionnaire (in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws) and any tax forms required by Section 2.17(e).

For purposes of paragraph (b) of this Section, the term "Approved Fund" has the following meaning:

"Approved Fund" means, with respect to any Lender, any Person (other than a natural person) that is engaged in making, purchasing, holding or otherwise investing in commercial loans and similar extensions of credit in the ordinary course of its activities and is administered, advised or managed by (i) such Lender, (ii) an Affiliate of such Lender or (iii) an entity or an Affiliate of an entity that advises or manages such Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.15, Section 2.16, Section 2.17 and Section 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid).

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and related interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Holding Companies, the Borrowers, the Administrative Agent, and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available (electronically or otherwise at the Administrative Agent's discretion) for inspection by the Borrowers and, with respect to its own interests only, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 9.04(b)(iv) shall be construed so that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(e), as applicable (unless the

assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section (to the extent required) and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) The words "execution," "signed," "signature" and words of like import in any Assignment and Assumption or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person, Ultimate Parent and their Subsidiaries, or any Defaulting Lender (a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) the Borrowers, the Administrative Agent, and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (D) such Person shall not be entitled to exercise any rights of a Lender under the Loan Documents.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (ii), (iii), (iv), (v), (vi) or (vii) of the first proviso to Section 9.02(b) that directly or adversely affects such Participant. Subject to the paragraph below, each Borrower agrees that each Participant shall be entitled to the benefits of Section 2.15, Section 2.16 and Section 2.17 (subject to the limitations and requirements of such Sections, including Section 2.17(e) (it being understood that the documentation required under Section 2.17(e) shall be delivered to the participating Lender) and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that any

Loans are in registered form for U.S. federal income tax purposes. The entries in the Participant Register shall be conclusive absent manifest error, and the Borrowers and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. This Section shall be construed so that the Loan Documents are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

A Participant shall not be entitled to receive any greater payment under Section 2.15, Section 2.16 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent the right to a greater payment results from a Change in Law after the Participant becomes a Participant or the sale of the participation to such Participant is made with the Borrower Representative's prior written consent.

(d) Any Lender may, without the consent of the Borrower Representative or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank and including any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender (including to any trustee for, or any other representative of, such holders) (such holders, each a "Lender Financing Source"), and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle organized and administered by such Granting Lender (an "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers, the option to provide to the Borrowers all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrowers pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof; provided that each Lender designating any SPV hereby agrees to indemnify and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPV during such period of forbearance. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrowers and the Administrative Agent and without paying any processing fee therefor,

assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower Representative and the Administrative Agent), providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) subject to Section 9.13, disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. The Borrowers agree that each SPV shall be entitled to the benefits of Section 2.15 and Section 2.17 (subject to the limitations and requirements of such Sections, including Section 2.17(e), and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. An SPV shall not be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable Granting Lender would have been entitled to receive with respect to the interest granted to such SPV, except to the extent the right to a greater payment results from a Change in Law after the date of the grant to such SPV, or the grant to such SPV is made with the Borrower Representative's prior written consent. For the avoidance of doubt, to the extent the SPV holds all or any portion of any Loan in accordance with the provisions of this Section 9.04(e), such SPV shall be identified on the Register with respect to such Loan.

(f) No such assignment shall be made (A) to any Defaulting Lender or any of its subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (A), or (B) to a natural person.

(g) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other express conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower Representative and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Section 9.05 Survival. All representations and warranties made by the Loan Parties herein and in the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder.

Section 9.06 Counterparts; Integration. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Holding Companies, the Borrowers, the Administrative Agent, nor any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or electronic transmission (including Adobe pdf file) shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 9.07, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, subject to the Financing Orders, each Lender (and each of their respective Affiliates) is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent and the Required Lenders, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency, but not any tax accounts, trust accounts, withholding or payroll accounts) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of the Borrowers against any and all of the Obligations of the Borrowers now or hereafter existing under this Agreement held by such Lender, but only to the extent then due and payable; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.20 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Each Lender agrees promptly to notify the Borrower Representative and the Administrative Agent of such setoff and application made by such Lender; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section 9.08. None of any Agent or any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to Administrative Agent or Lenders (or to Administrative Agent, on behalf of Lenders), or any Agent or Lender enforces any security interests or exercises any right of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently

invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver, interim receiver, receiver-manager or any other party under any Debtor Relief Law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

Section 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York, without regard to conflict of laws principles thereof to the extent such principles would cause the application of the law of another state, and, as may be applicable, the CCAA and/or the Bankruptcy Code.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of (i) the CCAA Court or the Chapter 15 Court, and (ii) to the extent the Chapter 15 Court does not have (or abstains from exercising) jurisdiction, the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document (other than with respect to any Security Document to the extent expressly provided otherwise therein), or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such Federal court (other than with respect to any Security Document to the extent expressly provided otherwise therein). Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Notwithstanding the foregoing, nothing in any Loan Document shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against the Holding Companies, the Borrowers or their respective property in the courts of any jurisdiction.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(e) Without limiting the foregoing, each of the Loan Parties (other than any Loan Party organized under the laws of the United States or any State thereof or the District of Columbia) irrevocably designates, appoints and empowers as of the Closing Date, the Borrower Representative (the "Process Agent"), with an office on the Closing Date at 47448 Fremont Blvd.,

Fremont, CA 94538, as its authorized designee, appointee and agent to receive, accept and acknowledge on its behalf and for its property, service of copies of the summons and complaint and any other process which may be served in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party or for recognition and enforcement of any judgment in respect thereof; such service may be made by mailing or delivering a copy of such process to such Loan Party in care of the Process Agent at the Process Agent's above address, and each such Loan Party hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf. The Borrower Representative irrevocably accepts such designation and appointment and agrees to act as the Process Agent for each of the Loan Parties as contemplated by this Section 9.09(e). Each of the Loan Parties (other than any Loan Party organized under the laws of the United States or any State thereof or the District of Columbia) further agrees to take any and all such action as may be necessary to maintain the designation and appointment of the Process Agent in full force in effect for a period of three years following the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder (other than contingent amounts not then due and payable); provided, that if the Process Agent shall cease to act as such, each such Loan Party agrees to promptly designate a new authorized designee, appointee and agent in New York City on the terms and for the purposes reasonably satisfactory to the Administrative Agent hereunder.

Section 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

Section 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12 Confidentiality. Each of the Administrative Agent, the other Agents, and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, trustees, officers, employees and agents, including accountants, legal counsel, other advisors, and any numbering, administration or settlement service providers on a "need to know" basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, provided that the relevant Lender shall be responsible for such compliance and non-compliance), (b) to the extent requested by any regulatory authority (including any self-regulatory authority), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, provided that prior notice shall have been given to the Borrower Representative, to the extent practicable and

permitted by applicable laws or regulations, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to any Loan Document or the enforcement of rights thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to any assignee of or Participant in, or any prospective assignee of or Participant in, any rights or obligations under this Agreement, (g) with the written consent of the Borrowers, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any other Agent, or any Lender on a nonconfidential basis from a source other than the Borrowers (provided that the source is not actually known (after due inquiry) by such disclosing party or other confidentiality obligations owed to the Borrowers or its Affiliates, to be bound by an agreement containing provisions substantially the same as those contained in this confidentiality provision), (i) on a confidential basis to (x) any rating agency in connection with rating the Borrowers or the facilities hereunder or (y) the CUSIP Service Bureau, Clearpar or Loanserv or any similar agency in connection with the issuance and monitoring of CUSIP numbers, settlement of assignments or other general administrative functions with respect to the facilities or (j) to any Lender Financing Source (it being understood that such Lender Financing Source to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, provided that the applicable Lender shall be responsible for such compliance and non-compliance). For the purposes of this Section the term "Information" means all information received from or on behalf of the Borrowers relating to Ultimate Parent, the Borrowers or any of their respective Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent, any other Agent, or any Lender on a nonconfidential basis prior to disclosure by the Borrowers. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Lender acknowledges that Information furnished to it pursuant to this Agreement may include material non-public information concerning the Loan Parties and their respective Related Parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and that it will handle such material non-public information in accordance with those procedures and applicable law, including Federal and state securities laws.

All Information, including requests for waivers and amendments, furnished by the Borrowers or the Administrative Agent pursuant to, or in the course of administering, this Agreement will be syndicate-level Information, which may contain material non-public information about the Loan Parties and their respective Related Parties or their respective securities. Accordingly, each Lender represents to the Borrowers and the Administrative Agent that it has identified in its Administrative Questionnaire a credit contact who may receive Information that may contain material non-public information in accordance with its compliance procedures and applicable law.

Section 9.13 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan or participation therein under applicable

law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan or participation therein in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or participation therein but were not payable as a result of the operation of this Section 9.13 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or participation therein or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the NYFRB to the date of repayment, shall have been received by such Lender.

Section 9.14 USA Patriot Act; Beneficial Ownership Regulation. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Beneficial Ownership Regulation and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Loan Parties in accordance with the Patriot Act and the Beneficial Ownership Regulation.

Section 9.15 Direct Website Communication. Each Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents, including all notices, requests, financial statements, financial and other reports, certificates and other information materials (all such communications being referred to herein collectively as "Communications"), by (i) posting such documents, or providing a link thereto, on such Borrower's website, (ii) such documents being posted on such Borrower's behalf on an Internet or Intranet website, if any, to which the Administrative Agent has access (whether a commercial third-party website or a website sponsored by the Administrative Agent) or (iii) by transmitting the Communications in an electronic/soft medium to the Administrative Agent at an email address provided by the Administrative Agent from time to time; provided that (i) promptly following written request by the Administrative Agent, the Borrowers shall continue to deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) the Borrower Representative shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 9.15 shall prejudice the right of the Borrowers, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address in Section 9.01 shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such

Lender for purposes of the Loan Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

Each of the Borrowers and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrowers and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

Passu Intercreditor Agreement and Second Lien Intercreditor Agreement on behalf of such Lender, and such Lender agrees to be bound by the terms thereof.

Section 9.17 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or under any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with the normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrowers in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or the relevant Lender of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or the relevant Lender may in accordance with the normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or such Lender from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent, or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or such Lender in such currency, the Administrative Agent or such Lender agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under applicable law).

i) A monthly advisory fee of $150,000 (each, a "***Monthly Advisory Fee***"), payable in advance for the period commencing on the Effective Date, with the first payment due on July 26, 2024 and subsequent payments due on the 26th day of each subsequent month. Each Monthly Advisory Fee is earned in full when due. In addition, a one-time credit of 50% of the Monthly Advisory Fees in excess of $300,000 (two (2) Monthly Advisory Fees) actually paid to GLC under this Agreement will be applied (once) against the Restructuring Fee, the Financing Transaction Fee, or the Sale Transaction Fee (collectively, the "***Transaction Fees***"), as applicable, (in each case earned and payable to GLC) on a dollar for dollar basis up to 100% of the applicable Transaction Fee; provided, that, in the event of a Bankruptcy Case, if less than all of the fees earned by GLC pursuant to this Agreement are, to the extent required by applicable law, approved by the applicable court, in each case, pursuant to a final order not subject to appeal and which order is acceptable in all respect to GLC, then the crediting of fees contemplated by the foregoing shall be reduced on a dollar-for-dollar basis equal to the amount of the unapproved fees earned by GLC.

ii) A deferred fee of $1,000,000 (the "***Deferred GLC Fee***"), payable on the earlier of October 31, 2024 and the closing of any new money financing involving the Company, which fee is earned and payable to GLC upon receipt. Such fee is in addition to, and not creditable against, any other fee set forth herein.

(b) Financing Transaction Fee: A fee payable directly out of the gross proceeds of any and all Financing Transactions (excluding any such financing provided by lenders under the First

Lien Credit Agreement, dated as of November 2, 2018 (as amended, amended and restated, supplemented or otherwise modified)) equal to: (i) 1.50% of the gross amount of any senior secured debt raised, including, without limitation, any debtor-in-possession or similar financing or any exit financing raised; (ii) 3.00% of the gross amount of any junior secured debt or unsecured debt raised; and (iii) 5.00% of the gross amount of any equity or equity-linked securities raised (each, a "***Financing Transaction Fee***"). As used herein, "raised" shall include all committed amounts. Each Financing Transaction Fee shall be payable in cash in full at the closing of each Financing Transaction.

(c) Sale Transaction Fee: A fee equal to 1.50% of the Aggregate Consideration (as defined on ***Schedule II***) (a "***Sale Transaction Fee***"). The Sale Transaction Fee shall be earned and payable promptly upon the consummation of the Sale Transaction, and, to the extent applicable, payable directly out of the gross proceeds of the Sale Transaction. If both a Sale Transaction of all or substantially all of the Company's assets and a Restructuring Transaction are consummated, GLC, in its sole discretion, shall be paid the greater of (i) the Sale Transaction Fee in respect of such Transaction and (ii) the Restructuring Fee, but not both. Notwithstanding anything to the contrary contained herein, the Sale Transaction Fee shall not be earned nor payable with respect to any portion of the Aggregate Consideration paid through any credit bid made by any of the Company's secured creditors; provided, that, for the avoidance of doubt, (x) a Restructuring Fee (as defined below) is payable if there is a Sale Transaction consummated through a credit bid and (y) a Discretionary Fee (as defined below) is payable if otherwise earned and payable in accordance with paragraph 2(e) below.

(d) Restructuring Fee: A fee of $2,250,000 (payable directly out of the gross proceeds of any Restructuring, if available) upon the consummation of any Restructuring (the "***Restructuring Fee***").

Notwithstanding the foregoing, if the Transaction is pursuant to a Plan that is, in whole or in part, (x) prepackaged (a "***Prepackaged Plan***") under any Bankruptcy Law, the Company shall pay GLC the Restructuring Fee as follows: 50% percent on the date on which sufficient acceptances to confirm or otherwise approve the Prepackaged Plan have been received and 50% on the date that the Prepackaged Plan becomes effective or is consummated in accordance with its terms; or (y) prenegotiated and, if there are sufficient indications of support from the Company's applicable creditors and the Company has determined to file for protection under any Bankruptcy Law to implement such plan, then 50% before the filing of the Bankruptcy Case(s) and 50% upon such plan becoming effective or being consummated (as such plan may be amended, modified or supplemented from time to time) by the applicable court.

Notwithstanding anything to the contrary contained herein and for the avoidance of doubt, GLC shall not be entitled to more than one Restructuring Fee.

(e) Discretionary Fee: Prior to the consummation of the earlier of a Restructuring or a Sale Transaction, the Company shall determine whether GLC should be paid a discretionary fee of $750,000 (the "***Discretionary Fee***") to GLC taking into account the services provided by GLC during the term of this Agreement and the benefits of such services to the Company. Any Discretionary Fee awarded by the Company shall be earned and shall be payable in cash by the Company upon consummation of such Transaction. No Monthly Advisory Fees shall be credited against the Discretionary Fee.

(f) Expense Reimbursement: GLC shall be entitled to monthly reimbursement from the Company of reasonable and documented out-of-pocket expenses incurred in connection with the services to be provided under this Agreement (including, without limitation, travel fees, document productions fees, GLC's reasonable and documented out-of-pocket fees and expenses for outside legal counsel incurred in connection with the negotiation and performance of this Agreement and the matters contemplated hereby, and sales, use or similar tax incurred thereon, and including, in connection with any Bankruptcy Case(s), GLC's retention in such case(s) and any fee issues or disputes that may arise, including defending its fee applications), whether or not a Transaction occurs or is consummated. GLC acknowledges receipt by the Company of an advance retainer in the amount of $25,000 (the "***Expense Retainer***"). The Expense Retainer will be maintained throughout the engagement and returned to the Company upon completion of GLC's services. GLC reserves the right to apply the Expense Retainer to outstanding statements if the Company fails to make monthly payments in accordance with this Paragraph 2(f), and the Company shall replenish the Expense Retainer promptly thereafter, provided that GLC shall have provided the Company with an invoice or other similar documentation with reasonable detail of such expenses. In addition, to the extent Counsel and/or the Company requests, and GLC establishes an electronic data room in connection with any potential Transaction, a quarterly fee of $2,000 will be payable by the Company.

(g) Counsel is Not Obligated to Pay: In no event shall Counsel or Canadian Counsel (as defined below) be responsible or liable in any capacity for any of GLC's invoices, fees, expenses, costs, damages, other liabilities, or claims in connection with, or arising under, this Agreement, Schedule I hereto or the engagement of GLC hereunder.

3. Company Information.

(a) The Company will provide GLC with reasonable access to management and other representatives of the Company, as reasonably requested by GLC. The Company will make reasonable efforts to furnish, or cause to be furnished, to GLC such information as GLC believes appropriate to its assignment (all such information so furnished being the *"**Information**"*). The Company recognizes and confirms that GLC: (i) will use and rely on the accuracy and completeness of the Information and on information available from generally recognized public sources without independently verifying the same; (ii) does not assume responsibility for the accuracy, completeness or reasonableness of the

Information and such other information; and (iii) will not make an appraisal of any assets or liabilities (contingent or otherwise) of the Company or a potential transaction party. Furthermore, the Company recognizes that the actual results of its operations and the actual value of it and its assets may differ from GLC's projections and valuation by no fault of GLC. To the best of the Company's knowledge, the Information to be furnished by or on behalf of the Company, when delivered, will be true and correct in all material respects and will not contain any material misstatement of fact or omit to state any material fact necessary to make the statements contained therein not misleading. The Company will use reasonable efforts to promptly notify GLC if it learns of any material inaccuracy or misstatement in, or material omission from, any Information previously delivered to GLC.

(b) In the event that the Company, its controlling equity holders, or its management receives any inquiry regarding a Transaction from any party, the Company shall promptly inform GLC of such inquiry so that GLC can assist the Company in evaluating such party and its interest in a Transaction and in any resulting negotiations.

4. Term of Agreement.

(a) This Agreement may be terminated at any time by GLC or Counsel (at the direction of the Company) on five (5) business days' prior written notice to the other. This Agreement shall be automatically terminated upon consummation of a Restructuring and GLC's receipt of the Restructuring Fee (or Sale Transaction Fee, if applicable) and Discretionary Fee (if any) (the "***Restructuring Consummation Termination***"). Any termination or expiration of this Agreement shall not affect any provisions that survive the termination hereof, including, (i) the indemnification, reimbursement, contribution and other obligations set forth in this Agreement, including ***Schedule I***; and (ii) GLC's right to receive payment of fees earned and expenses incurred by GLC pursuant to Paragraph 2 and any other applicable provisions hereof, and the Company shall immediately pay or cause to be paid in cash all such fees and reasonable and documented expenses due and owing. For the avoidance of doubt, notwithstanding anything contained in this Agreement to the contrary, in the event of any Bankruptcy Case(s), GLC shall be entitled to payment of its expenses, including its reasonable and documented outside counsel fees and expenses, incurred post termination or post effective date of any Plan in connection with its fee application(s) to the applicable court.

(b) Additionally, in the event of any termination of this Agreement by a party hereto (other than a Restructuring Consummation Termination or termination by (i) Counsel (at the direction of the Company) for Cause or (ii) GLC, unless GLC has terminated the Agreement for non-payment of fees and/or reasonable and documented expenses hereunder or for Cause), GLC shall be entitled to payment of the Financing Transaction Fee(s), Sale Transaction Fee(s) and Restructuring Fee, as applicable, if at any time prior to the expiration of twelve (12) months after the termination of GLC's engagement hereunder, (i) a Transaction is consummated or (ii) creditors of the Company agree to a Plan or the Company files a Plan or enters into a letter of intent or any agreement that subsequently results in the consummation of a Transaction at

any time (including after the 12-month period), (all of the foregoing, the "***Tail Period***"). As used herein, "***Cause***" means any action or failure to act by GLC or the Company, as the context requires, that constitutes fraud, bad faith, gross negligence, or wilful misconduct.

5. Court Approval.

(a) In connection with any chapter 11 Bankruptcy Case(s), the Company will use commercially reasonable efforts to obtain an order of the applicable bankruptcy court (the "***Retention Order***") authorizing the Company to retain GLC pursuant to the terms of this Agreement effective as of the bankruptcy petition filing date, as a professional person pursuant to, and subject to the standard of review of, Section 328(a) of the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure and applicable local rules and orders and not subject to any other standard of review under Section 330 of the Bankruptcy Code. The Company shall submit GLC's employment application as soon as reasonably practicable and use its commercially reasonable efforts to cause such application to be considered. The employment application and the proposed Retention Order shall be provided to GLC in advance of filing, and must be acceptable to GLC in its sole discretion. The Company shall use commercially reasonable efforts to include in the Retention Order, among other things, (i) GLC shall be authorized to keep time records in half hour increments for work performed hereunder; and (ii) GLC's time records identify only general categories of work performed and indicate the amount of time expended by GLC's professionals in connection with each such category. With respect to any chapter 11 Bankruptcy Case, GLC shall have no obligation to provide services under this Agreement unless GLC's retention under this Agreement is approved pursuant to Section 328(a) of the Bankruptcy Code by a final, non-appealable order of the applicable bankruptcy court and the Retention Order is acceptable to GLC in its sole discretion. Subject to being so retained in any chapter 11 Bankruptcy Case, GLC agrees that, during the pendency of any such Bankruptcy Case, GLC shall file interim and final applications for allowance of the fees and expenses payable to it under the terms of this Agreement pursuant to the applicable Federal Rules of Bankruptcy Procedure, and the local rules and order of the bankruptcy court. GLC acknowledges that in the event that the applicable bankruptcy court approves its retention on behalf of the Company, pursuant to the application process described in this paragraph, payment of GLC's fees and expenses shall be subject to: (i) the jurisdiction and approval of the bankruptcy court under Section 328(a) of the Bankruptcy Code and any Retention Order; (ii) any applicable fee and expense guidelines and/or orders of the bankruptcy court; and (iii) any requirements governing applications for approval of payment of interim and final fees. The Company agrees to use commercially reasonable efforts to ensure that GLC's fees and expenses hereunder are entitled to the benefits of any "carve-outs" for professional fees and expenses in effect in the Bankruptcy Case(s) pursuant to one or more financing orders entered by the applicable bankruptcy court.

(b) In connection with any Bankruptcy Case(s) commenced under the CCAA or the *Bankruptcy and Insolvency Act* (Canada), the Company will use commercially reasonable efforts to obtain an order of the applicable Canadian court in a form that is satisfactory to GLC in its sole discretion

as to GLC's fees and expenses, (i) approving this Agreement and GLC's retention hereunder, (ii) granting a superpriority charge on the Company's property to secure the Monthly Advisory Fees and any fees and expenses, which charge shall rank *pari passu* with or be included within the administration charge granted in favor of the Company's Canadian counsel, Osler, Hoskin & Harcourt LLP ("***Canadian Counsel***"), the Court-appointed monitor or proposal trustee and its counsel, (iii) granting a superpriority charge on the Company's property to secure (x) the Transaction Fees and any Discretionary Fee and (y) the Company's indemnification obligations hereunder, which charge shall have the priority on such property as agreed between the Company and GLC, each acting reasonably, and (iv) providing that GLC shall incur no liability or obligation as a result of its appointment or the carrying out of the provisions of this Agreement (excluding any gross negligence or wilful misconduct on its part). The materials submitted to the applicable Canadian court by Canadian Counsel or the Company in seeking such approvals and charges, including the form of order sought, shall be delivered to GLC reasonably in advance of being served or filed to enable GLC to review and provide any comments thereto. Counsel and the Company (and the Company shall use commercially reasonable efforts to cause Canadian Counsel to) agree to consider and take GLC's reasonable comments thereto. Prior to commencing any Bankruptcy Case(s), the Company shall pay all invoiced amounts due and owing, whether for fees or expense reimbursements or otherwise, to GLC by wire transfer of immediately available funds.

6. Reasonableness of Fees. The Company acknowledges that it believes that GLC's general restructuring experience and expertise, its knowledge of the capital markets and its merger and acquisition capabilities will inure to the benefit of the Company in pursuing any Transaction, that the value to the Company of GLC's services derives in substantial part from that experience and expertise and that, accordingly, the structure and amount of the advisory fees to be paid to GLC hereunder are reasonable regardless of the number of hours to be expended by GLC's professionals in the performance of the services to be provided hereunder. Each of the parties hereto acknowledges that a substantial professional commitment of time and effort will be required of GLC and its professionals hereunder, and that such commitment may foreclose other opportunities for GLC. Moreover, the actual time and commitment required for the engagement may vary substantially, creating "peak load" issues for GLC. Given the numerous issues which may arise in engagements such as this, GLC's commitment to the variable level of time and effort necessary to address such issues, the expertise and capabilities of GLC that will be required in this engagement, and the market rate for GLC's services of this nature, whether in-court or out-of-court, the parties agree that the fee arrangement provided for herein is reasonable, fairly compensates GLC, and provides the requisite certainty to the Company.

7. Confidential Information. The parties hereto acknowledge and agree that the terms of that certain Non-Disclosure and Confidentiality Agreement, dated March 26, 2024 (the "***Confidentiality Agreement***"), between Sandvine, LP and GLC is hereby incorporated by reference and subject in all respects to the provisions hereof, as if such agreement had been entered into between GLC and the Company. Notwithstanding anything contained in this Agreement to the contrary, the Company acknowledges and agrees that neither GLC nor any of its employees, directors, officers, members,

managing members, affiliates, attorneys, agents, subcontractors and advisors shall be required to inform or notify the Company or any other person or entity of any disclosure made to or requested by a bank examiner, regulatory examiner or self-regulatory examiner in the course of such examiner's examination, inspection or audit, or to a credit bureau as required by law, and any such disclosure shall not be deemed a breach of this Agreement.

8. Nature of Services; Use of Advice.

(a) The parties hereto acknowledge and agree that GLC has been retained to act solely as an advisor to Counsel, on behalf of the Company, and the Company and not as an advisor to any other person, and Counsel's engagement of GLC is not intended to and does not confer rights upon any person or entity (including shareholders, employees or creditors of the Company) not a party hereto as against GLC or its affiliates, or their respective directors, officers, employees or agents, successors or assigns. GLC shall act as an independent contractor under this Agreement, and not in any other capacity including as a fiduciary, and any obligations arising out of its engagement shall be owed solely to Counsel and/or the Company and only in accordance with this Agreement. Any advice rendered pursuant to this Agreement is intended solely for the use of Counsel and/or the Company in considering the matters to which this Agreement relates, and such advice may not be relied upon by any other person or used for any other purpose.

(b) Any advice rendered by or materials prepared by, or any communication from, GLC may not be disclosed, in whole or in part, to any third party, or summarized, quoted from, or otherwise referred to in any manner, without the prior written consent of GLC. In addition, the terms of this Agreement shall not be referred to without GLC's prior written consent.

9. Indemnification. The Company, jointly and severally, shall provide indemnification, contribution and reimbursement to each Indemnified Person (defined in ***Schedule I***) as set forth in ***Schedule I*** hereto. The terms and provisions of ***Schedule I*** are an integral part hereof, are hereby incorporated by reference, are subject in all respects to the provisions hereof and shall survive any termination or expiration of this Agreement. In addition, if an Indemnified Person (as defined in ***Schedule I***) is requested or required to appear as a witness in any Action (as defined in ***Schedule I***) that is brought by or on behalf of or against the Company or that otherwise relates to this Agreement or the services rendered by GLC to Counsel, on behalf of the Company, and the Company hereunder, the Company, jointly and severally, shall reimburse GLC and the Indemnified Person for all reasonable and documented, actual out of pocket expenses incurred by them in connection with such Indemnified Person appearing or preparing to appear as such a witness, including without limitation, the reasonable and documented fees and disbursements of legal counsel.

10. Entire Agreement; Amendments. Except with respect to the Confidentiality Agreement, this Agreement (including ***Schedule I*** and ***Schedule II***) represents the entire agreement between the parties hereto, supersedes all previous agreements relating to the subject matter hereof and may not be modified or amended except in writing signed by all of the parties hereto. This Agreement may

be executed in counterparts (and by facsimile or other electronic means), each of which shall constitute an original and all of which together will be deemed to be one and the same document. The invalidity or unenforceability of any provision of this Agreement (including ***Schedule I*** and ***Schedule II***) shall not affect the validity or enforceability of any other provision. For the avoidance of doubt, nothing herein shall impact (i) the Company's payment and other obligations pursuant to the letter agreement, dated as of March 26, 2024, among Counsel, GLC, Sandvine Corporation and Procera Networks, Inc., including in respect of the discretionary fee earned and payable thereunder, which shall remain enforceable in accordance with its terms or (ii) any letter agreement entered into or any letter agreement that may be entered into between or among any of the Company, Sandvine Corporation, Procera Networks, Inc. or any affiliates in connection with the discretionary fee earned by GLC pursuant to such March 26, 2024 letter agreement.

11. Announcements. Subject to and only upon receipt of the Company's express written consent (which consent may be conveyed via email), GLC may, at its option and sole expense, place customary announcements (including a customary "tombstone" advertisement) in such newspapers and periodicals as it may choose, or make similar announcements describing its services for Counsel and/or the Company in connection with any Transaction contemplated herein. GLC shall be entitled to identify the Company and use the Company's name and logo in connection therewith. In addition, if requested by GLC, the Company agrees that in any press release announcing any Transaction, the Company will include in such press release a mutually acceptable reference to GLC's role as financial advisor (or other role) to Counsel, on behalf of the Company, or the Company with respect to such Transaction.

12. Governing Law; Jury Trial Waiver; Jurisdiction. THIS AGREEMENT WILL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO AGREEMENTS MADE AND TO BE PERFORMED ENTIRELY IN SUCH STATE. EACH OF GLC AND THE COMPANY HEREBY KNOWINGLY, VOLUNTARILY AND IRREVOCABLY WAIVES ANY RIGHT TO TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) RELATED TO OR ARISING OUT OF OR IN CONNECTION WITH THE ENGAGEMENT OF GLC PURSUANT TO, OR THE PERFORMANCE BY GLC OF THE SERVICES CONTEMPLATED BY, THIS AGREEMENT. REGARDLESS OF ANY PRESENT OR FUTURE DOMICILE OR PRINCIPAL PLACE OF BUSINESS OF THE PARTIES HERETO, EACH PARTY HEREBY IRREVOCABLY CONSENTS AND AGREES THAT ANY CLAIMS OR DISPUTES BETWEEN OR AMONG THE PARTIES HERETO ARISING OUT OF OR RELATED TO THIS AGREEMENT SHALL BE BROUGHT AND MAINTAINED IN ANY FEDERAL COURT OR STATE COURT OF COMPETENT JURISDICTION SITTING IN THE COUNTY OF NEW YORK IN THE STATE OF NEW YORK, WHICH COURTS SHALL HAVE EXCLUSIVE JURISDICTION OVER THE ADJUDICATION OF SUCH MATTERS; PROVIDED, HOWEVER, THE PARTIES AGREE THAT IN THE EVENT THE COMPANY FILES FOR BANKRUPTCY PROTECTION, THE APPLICABLE BANKRUPTCY COURT SHALL HAVE EXCLUSIVE JURISDICTION OVER THE ADJUDICATION OF SUCH MATTERS. BY EXECUTION AND DELIVERY OF THIS AGREEMENT, EACH PARTY HERETO FURTHER IRREVOCABLY SUBMITS AND CONSENTS IN ADVANCE TO SUCH JURISDICTION IN ANY ACTION OR SUIT COMMENCED IN ANY SUCH COURT, AND HEREBY WAIVES IN ALL RESPECTS ANY CLAIM OR OBJECTION WHICH IT MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE OR FORUM NON-CONVENIENS. EACH PARTY HERETO

AGREES THAT A FINAL NON-APPEALABLE JUDGMENT IN ANY SUCH ACTION BROUGHT IN ANY SUCH COURT SHALL BE CONCLUSIVE AND BINDING UPON IT AND MAY BE ENFORCED IN ANY OTHER COURTS HAVING JURISDICTION OVER IT BY SUIT UPON SUCH JUDGMENT. EACH PARTY HERETO IRREVOCABLY CONSENTS TO SERVICE OF PROCESS IN ALL SUCH DISPUTES BY THE MAILING OF COPIES OF SUCH PROCESS TO THE NOTICE ADDRESS FOR EACH SUCH PERSON AS SET FORTH IN THE "NOTICES" PARAGRAPH IMMEDIATELY FOLLOWING THIS PARAGRAPH. EACH OF THE PARTIES HERETO HEREBY CERTIFIES THAT NO REPRESENTATIVE OR AGENT OF ANY OTHER PARTY HERETO HAS REPRESENTED EXPRESSLY OR OTHERWISE THAT SUCH PARTY WOULD NOT SEEK TO ENFORCE THE PROVISIONS OF THIS WAIVER. EACH OF THE PARTIES HERETO HEREBY ACKNOWLEDGES THAT IT HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY AND IN RELIANCE UPON, AMONG OTHER THINGS, THE PROVISIONS OF THIS PARAGRAPH.

13. Notices. Notice given pursuant to any of the provisions of this Agreement shall be in writing and shall be sent by overnight courier or personally delivered: (i) if to Counsel, at the address set forth above, (ii) if to the Company, at the address set forth in the Company's signature block below, and (iii) if to GLC, at 600 Lexington Avenue, 9th Floor, New York, NY 10022, to the attention of J. Soren Reynertson.

14. Miscellaneous.

(a) Nothing in this Agreement, express or implied, is intended to confer or does confer on any person or entity, other than the parties hereto, the Indemnified Persons (as such term is defined in ***Schedule I***) and each of their respective successors, heirs and assigns, any rights or remedies under or by reason of this Agreement or as a result of the services to be rendered by GLC hereunder.

(b) The Company agrees that it will be solely responsible for ensuring that any Transaction complies with applicable law.

(c) All fees, expenses and any other amounts payable hereunder are payable in cash in immediately payable funds in US dollars, free and clear of any and all withholding taxes or deductions (including any Canadian withholding taxes or deductions), and shall be payable in New York in an account designated by GLC. In the event that the Company shall be required to make any deduction or withholding relating to taxes (including any Canadian withholding taxes or deductions), the Company shall pay additional amounts such that the net amount received by GLC after all such deductions and/or withholdings is not less than the sum GLC would have received had no such deduction or withholding been required or made.

(d) Global Leveraged Capital Holdings, LLC (*"**GLCH**"*, the parent of GLC) and its subsidiaries and affiliates (collectively with GLCH, the *"**GLCH Group**"*) are involved in a wide range of investment banking and other activities (including investment management, corporate finance, securities and loan trading, commercial banking and financial advisory services,

principal investment, financial planning, benefits counseling, risk management, hedging, financing, brokerage activities, and other financial and non-financial activities and services for various persons and entities) from which conflicting interests, or duties, may arise. Information which is held elsewhere within GLCH or within the GLCH Group but is not publicly available will not for any purpose be taken into account in determining GLC's responsibilities to Counsel and/or the Company under this Agreement. Neither GLCH nor any other part of the GLCH Group will have any duty to disclose to Counsel or the Company or any other party or utilize for the benefit of Counsel or the Company or any other party any such information or the fact that the GLCH Group is in possession of such information, acquired in the course of providing services to any other person, engaging in any transaction (on its own account or otherwise) or otherwise carrying on its business. In addition, in the ordinary course of business, GLC and/or its affiliates may trade or effect transactions in the equity, debt, and other securities and financial instruments of the Company, any potential participant in a transaction, customers, or competitors of the Company, or persons who have other relationships with the Company for its own account and for the accounts of customers, and may at any time hold a long or short position in such securities. GLC and/or its affiliates may provide investment banking, commercial banking, underwriting, and financial advisory services to such other entities and persons unrelated to the Bankruptcy Cases. GLC recognizes its responsibility for compliance with federal securities laws in connection with such activities.

(e) No: (i) direct or indirect holder of any equity interests or securities of GLC whether such holder is a limited or general partner, member, stockholder or otherwise; (ii) affiliate of GLC; or (iii) director, officer, employee, representative, or agent of GLC, or of an affiliate of GLC or of any such direct or indirect holder of any equity interests or securities of GLC (collectively, the *"**Party Affiliates**"*) shall have any liability or obligation of any nature whatsoever in connection with or under this Agreement or the transactions contemplated hereby, and the Company waives and releases all claims against such Party Affiliates related to any such liability or obligation.

(f) In the event that the Company fails to pay any amounts due to GLC under this Agreement, including any fees or reimbursement of expenses (including any indemnification, contribution and reimbursement as set forth in ***Schedule I***) for services performed under this Agreement, the Company shall and hereby agrees to pay GLC its reasonable attorneys' fees and expenses, in connection with any and all efforts on GLC's behalf to collect any amounts due and owing to GLC.

(g) Whenever the words "including," "include" or "includes" are used herein, they shall be deemed to be followed by the phrase "without limitation."

(h) The USA PATRIOT Act requires that GLC obtain, verify and record information pertaining to entities that enter into certain business relationships with GLC as well as certain beneficial owners of such entities. The Company agrees to provide certain identifying information, such as tax identification numbers and charter documents, upon request of

GLC. The effectiveness of this Agreement is conditioned upon the completion, to the reasonable satisfaction of GLC, of such review in accordance with the requirements of applicable law.

(i) Each party hereto represents and warrants that it has all requisite power and authority to enter into this Agreement and to perform its obligations hereunder. Each party hereto further represents and warrants that this Agreement has been duly and validly authorized by all necessary corporate action and has been duly executed and delivered by each such party and constitutes the legal, valid and binding agreement of each such party, enforceable in accordance with its terms.

(j) The terms of this Agreement have been negotiated in good faith by the parties hereto, who have each been represented by counsel. The provisions of this Agreement shall not be construed adverse to any party as "drafter" in the event of a contention of ambiguity in this Agreement, and the parties hereto waive any statute or rule of law to such effect.

(k) This Agreement may not be assigned by any party hereto without the prior written consent of the other parties. Any attempted assignment of this Agreement made without such consent shall be void and of no effect, at the option of the non-assigning parties.

(l) Headings used herein are for convenience of reference only and shall not affect the interpretation or construction of this Agreement.

(m) Upon any termination of this Agreement, Paragraphs 2 (except as explicitly provided therein, excluding any obligations to pay Monthly Advisory Fees or Expenses incurred after termination, but including all amounts owed as of termination), 4, 6-14 and ***Schedule I*** and ***Schedule II*** hereto shall survive such termination and shall remain in effect.

If the foregoing correctly sets forth our understanding, please indicate your acceptance thereof in the space provided below, whereupon, as of the Effective Date, this Agreement and your acceptance shall constitute a binding agreement between us.

Schedule I

This ***Schedule I*** is a part of and is incorporated into that certain letter agreement (the "***Agreement***"), effective as of June 29, 2024 between GLC Advisors & Co., LLC and GLC Securities, LLC (collectively, "***GLC***") and Paul, Weiss, Rifkind, Wharton & Garrison LLP ("***Counsel***"), solely in its capacity as counsel to New Procera GP Company (collectively, with its subsidiaries and affiliates, the "***Company***") and attached herewith. Capitalized terms not defined herein shall have the same meaning assigned in the Agreement.

As a material part of the consideration for the agreement of GLC to furnish its services under the Agreement, the Company, jointly and severally, agrees that it shall defend, indemnify and hold harmless GLC and its affiliates and their respective directors, officers, partners, members, trustees, managers, controlling persons, employees, attorneys and other agents, advisors and representatives of any of the foregoing and each other person, if any, controlling, controlled by or under common control with GLC or any of its affiliates (GLC and each such person and entity being referred to as an "***Indemnified Person***"), from and against any losses, claims, damages, judgments, assessments, costs and other liabilities (collectively, "***Liabilities***"), and will reimburse each Indemnified Person for all reasonable and documented fees and expenses (including the reasonable and documented fees and expenses of counsel) (collectively, "***Expenses***") as they are incurred in investigating, preparing, pursuing or defending any claim, action, proceeding or investigation, whether or not in connection with pending or threatened litigation, whether or not any Indemnified Person is a party, whether or not brought by the Company, the Company's equityholders, the Company's affiliates, creditors or any other third parties (collectively, "***Actions***"), in each case, arising out of, related to or in connection with (a) (i) any oral or written information provided by or at the request of the Company, its affiliates or their respective directors, officers, partners, members, trustees, managers, controlling persons, employees, attorneys, advisors, representatives or agents which information either they provide to GLC or they or GLC provide to any third parties or (ii) any other action or failure to act by the Company, its affiliates or their respective directors, officers, employees or agents, or by any Indemnified Person at the request, direction, or with the consent of the Company or one or more members of its board of directors, or (b) the Agreement, any actual or potential Transaction, any advice or services rendered or to be rendered by an Indemnified Person pursuant to the Agreement or any actual or potential Transaction, the transactions contemplated thereby or any Indemnified Persons' actions or inactions in connection with any such advice, services or transaction (the "***Services***"); provided that the Company will not be responsible for any Liabilities or Expenses of any Indemnified Person that are determined by a judgment of a court of competent jurisdiction, which judgment is no longer subject to appeal or further review, to have resulted primarily from such Indemnified Person's gross negligence, bad faith, fraud, or willful misconduct in connection with any of the advice, actions, inactions or Services referred to above other than an action or failure to act undertaken at the request or with the consent of the Company. The Company shall reimburse each Indemnified Person for all Expenses, including reasonable and documented fees and expenses of counsel, incurred in connection with enforcing such Indemnified Persons' rights under the Agreement, including without limitation, all rights to payment of reasonable and documented fees and expenses and all indemnification, contribution and reimbursement rights under this ***Schedule I***.

Indemnified Persons shall reasonably cooperate, at the Company's sole cost and expense, with the defense of any Actions brought against the Company or GLC by any third party. In such circumstance, the Company shall, if requested by GLC, assume the defense of any such Action including the employment of counsel reasonably satisfactory to GLC. The Company will not, without prior written consent of GLC, settle, compromise or consent to the entry of any judgment in or otherwise seek to terminate any pending or threatened Action in respect of which indemnification or contribution may be sought hereunder (whether or not any Indemnified Person is a party thereto) unless such settlement, compromise, consent or termination (i) includes an unconditional release of such Indemnified Person from all Liabilities arising out of such Action, (ii) does not include any admission or assumption of wrongdoing, failure to act, fault or culpability on the part of any Indemnified Person, and (iii) includes payment of any amounts relating to such settlement, compromise, consent or termination.

In the event that the foregoing indemnity is not available, for any reason, to an Indemnified Person in accordance with the Agreement, the Company shall contribute to the Liabilities and Expenses paid or payable by such Indemnified Person in such proportion as is appropriate to reflect: (i) the relative benefits to the Company, on the one hand, and to GLC, on the other hand, of the matters contemplated by the Agreement; or (ii) if the allocation provided by the immediately preceding clause (i) is not permitted by applicable law, not only such relative benefits but also the relative fault of the Company, on the one hand, and GLC, on the other hand, in connection with the matters as to which such Liabilities or Expenses relate, as well as any other relevant equitable considerations. Relative benefits received by the Company, on the one hand, and GLC, on the other hand, shall be deemed to be in the same proportion as (x) the total value of the aggregate cash consideration, securities or any other property paid or received or contemplated to be paid or received by the Company, and its security holders, creditors or other affiliates, as the case may be, pursuant to the Transaction(s) or proposed Transaction(s) (whether or not consummated) contemplated by the engagement under the Agreement, bears to (y) the fees received or contemplated to be received by GLC under the Agreement. Notwithstanding the foregoing, in no event shall any Indemnified Persons be required to contribute an aggregate amount in excess of the amount of fees actually received by GLC from the Company pursuant to the Agreement.

No Indemnified Person shall have any liability (whether direct or indirect, in contract or tort or otherwise) to the Company or its respective owners, parents, affiliates or security holders for or in connection with advice or Services rendered or to be rendered by any Indemnified Person pursuant to the Agreement, the transactions contemplated thereby or any Indemnified Person's actions or inactions in connection with any such advice, Services or transactions except for Liabilities (and related Expenses) of the Company that are determined by a judgment of a court of competent jurisdiction, which judgment is no longer subject to appeal or further review, to have resulted primarily from such Indemnified Person's gross negligence, bad faith, fraud, or willful misconduct in connection with any such advice, actions, inactions or Services, provided that, in no event shall any Indemnified Person be liable to the Company in an aggregate amount in excess of the amount of fees actually received by GLC pursuant to the Agreement.

The Company shall not enter into any agreement or arrangement with respect to, or effecting, any (i) merger, statutory exchange or other business combination or proposed sale, exchange, dividend or other distribution or liquidation of all or a significant portion of its assets, or (ii) significant recapitalization or reclassification of its outstanding securities that does not, in each case, directly or

indirectly provide for the assumption of the obligations of the Company to GLC as set forth in this Agreement, unless such agreement provides for the assumption of such obligations by another party, insurance, surety bonds, the creation of an escrow, or other arrangements, in each case in an amount and upon terms and conditions reasonably satisfactory to, and approved in writing by, GLC.

These indemnification, contribution and other provisions of this ***Schedule I*** shall: (i) remain operative and in full force and effect regardless of any termination of the Agreement or completion of the engagement by GLC; (ii) inure to the benefit of any successors, permitted assigns, heirs or personal representative of each Indemnified Person; and (iii) be in addition to any other rights that any Indemnified Person may have.

Schedule II

For the purposes hereof, the term "Aggregate Consideration" shall mean the total amount of all cash plus the total value (as determined pursuant hereto) of all securities, contractual arrangements (including, without limitation, any lease arrangements or put or call agreements) and other consideration, including, without limitation, any contingent or earned consideration, paid or payable, directly or indirectly, in connection with a Sale Transaction (including, without limitation, amounts paid (i) pursuant to covenants not to compete, employment contracts, employee benefit plans, management fees or other similar arrangements, and (ii) to holders of any warrants, stock purchase rights or convertible securities of the Company and to holders of any options or stock appreciation rights issued by the Company, whether or not vested). Aggregate Consideration shall also include the amount of any short-term liabilities (including, without limitation, any trade or ordinary course liabilities) and any long-term liabilities of the Company (including without limitation, the principal amount of any indebtedness for borrowed money and capitalized leases and the full amount of any off-balance sheet financings) (x) repaid, defeased or retired, directly or indirectly, in connection with or in anticipation of a Sale Transaction or (y) existing on the Company's balance sheet at the time of a Sale Transaction (if such Sale Transaction takes the form of a merger, consolidation or a sale of stock or partnership interests) or assumed in connection with a Sale Transaction (if such Sale Transaction takes the form of a sale of assets). For purposes of calculating the amount of revolving credit debt in the preceding sentence, the amount of revolving credit debt outstanding on the closing of the Sale Transaction will be used. In the event such Sale Transaction takes the form of a sale of assets, Aggregate Consideration shall include (i) the value of any current assets not purchased, minus (i) the value of any current liabilities not assumed. In the event such Sale Transaction takes the form of a recapitalization, restructuring, spin-off, split-off or similar transaction, Aggregate Consideration shall include the fair market value of (i) the equity securities of the Company retained by the Company's security holders following such Sale Transaction and (ii) any securities received by the Company's security holders in exchange for or in respect of securities of the Company following such Sale Transaction (all securities received by such security holders being deemed to have been paid to such security holders in such Sale Transaction). Any securities (other than a promissory note) will be valued as follows (i) if such securities are traded on a stock exchange, the securities will be valued (as reported in The Wall Street Journal or other reputable source reasonably designated by GLC if The Wall Street Journal does not publish such closing prices) at the average last sale or closing price for the 5 trading days immediately prior to the announcement of the Sale Transaction; (ii) if such securities are traded primarily in over-the-counter transactions, the securities will be valued at the mean of the closing bid and asked quotations similarly averaged over a 5-trading-day period immediately before the announcement of the Sale Transaction; and (iii) if such securities have not been traded before the announcement of the Sale Transaction, the value of such securities shall be as determined in good faith by GLC and the Company (or in the absence of such agreement, by a reputable and qualified international appraiser). Notwithstanding the foregoing (i)-(iii), if such securities are granted and issued as Consideration as part of the Sale Transaction, then in lieu of the foregoing (i)-(iii), the value of such securities will be the value directly ascribed to such securities in the definitive agreements, or if not so ascribed, then this sentence shall not apply. Warrants and options shall be valued using the treasury stock method without giving effect to tax implications; and any other non-cash consideration shall be valued at the fair market value thereof as determined in good faith by GLC and the Company (or in the absence of such agreement, by a reputable and

qualified international appraiser). Notwithstanding anything to the contrary contained herein, debt securities shall be valued at their stated principal amount without applying a discount thereto. If the consideration to be paid is computed in any foreign currency, the value of such foreign currency shall, for purposes hereof, be converted into U.S. dollars at the prevailing exchange rate on the date or dates on which such consideration is payable. Aggregate Consideration shall also include (aa) amounts paid into escrow at the time such escrow is established (without future adjustment); and (bb) in the case of compensation attributable to any part of the Aggregate Consideration which is contingent upon some future event (*e.g.*, the realization of earnings projections), amounts paid to the selling party(ies) (at the time such amounts are paid). For the avoidance of doubt, Aggregate Consideration shall not include the amount of any liabilities tendered as purchase price in connection with any credit bid. As used in this Agreement, the terms "payment," "paid" or "payable" shall be deemed to include, as applicable, the issuance or delivery of securities or other property other than cash.

LEASES

13. **THIS COURT ORDERS** that until a real property lease is disclaimed in accordance with the CCAA, the Sandvine Entities shall pay, without duplication, all amounts constituting rent or payable as rent under real property leases (including, common area maintenance charges, utilities and realty taxes and any other amounts payable to the landlord under the lease, but excluding accelerated rent or penalties, fees or other charges arising as a result of the insolvency of the Sandvine Entities or the making of this Order) or as otherwise may be negotiated between the Sandvine Entities (in consultation with the Monitor) and the landlord from time to time ("**Rent**"), for the period commencing from and including the date of this Order, twice-monthly in equal payments on the first and fifteenth day of each month, in advance (but not in arrears). On the date of the first of such payments, any Rent relating to the period commencing from and including the date of this Order shall also be paid.

14. **THIS COURT ORDERS** that the Sandvine Entities shall provide each of the relevant landlords with notice of the Sandvine Entities' intention to remove any fixtures from any leased premises at least seven (7) days prior to the date of the intended removal. The relevant landlord shall be entitled to have a representative present in the leased premises to observe such removal and, if the landlord disputes the Sandvine Entities' entitlement to remove any such fixture under the provisions of the lease, such fixture shall remain on the premises and shall be dealt with as

agreed between any applicable secured creditors, such landlord and the Sandvine Entities (in consultation with the Monitor), or by further Order of this Court upon application by the Sandvine Entities on at least two (2) days' notice to such landlord and any such secured creditors. If the Sandvine Entities disclaims the lease governing such leased premises in accordance with Section 32 of the CCAA, it shall not be required to pay Rent under such lease pending resolution of any such dispute (other than Rent payable for the notice period provided for in Section 32(5) of the CCAA), and the disclaimer of the lease shall be without prejudice to the Sandvine Entities' claim to the fixtures in dispute.

15. **THIS COURT ORDERS** that if a notice of disclaimer is delivered pursuant to Section 32 of the CCAA, then (a) during the notice period prior to the effective time of the disclaimer, the landlord may show the affected leased premises to prospective tenants during normal business hours, on giving the Sandvine Entities and the Monitor 24 hours' prior written notice, and (b) at the effective time of the disclaimer, the relevant landlord shall be entitled to take possession of any such leased premises without waiver of or prejudice to any claims or rights such landlord may have against the Sandvine Entities in respect of such lease or leased premises, provided that nothing herein shall relieve such landlord of its obligation to mitigate any damages claimed in connection therewith.

For the avoidance of doubt, selected due diligence information may be withheld from parties that have executed an NDA if the Sandvine Entities determine, in their sole discretion, such information represents proprietary or sensitive competitive information.

Phase 1 Bids - LOIs

12. In order to constitute a Phase 1 Qualified Bid, a LOI must comply with the following:

a. Identification of Potential Bidder. It identifies the potential bidder (which, for the avoidance of doubt, may be a purchaser or an investor);

b. Identification of Property/Business. It contains a general description of the Property and/or Business of the Sandvine Entities that would be the subject of the bid;

c. Minimum Transaction Value. 13. Notwithstanding the requirements specified in Section 12 above or anything to the contrary herein, the Stalking Horse Transaction Agreement and the transactions contemplated by the Stalking Horse Transaction Agreement (the "**Stalking Horse Transaction**"), shall be deemed to constitute a Phase 1 Qualified Bid.

14. Following the Phase 1 Bid Deadline, the Sandvine Entities and the Financial Advisor, in consultation with the Monitor, will assess the LOIs received and determine whether such LOIs constitute Phase 1 Qualified Bids.

15. Following the receipt of any LOI, the Sandvine Entities and the Financial Advisor, in consultation with the Monitor, may: (a) seek clarification with respect to any of the terms or conditions of such LOI and/or request and negotiate one or more amendments to such LOI prior to determining if the LOI should be considered a Phase 1 Qualified Bid, (b) waive compliance with any one or more of the requirements specified in Section 12 above and deem a non-compliant LOI to be a Phase 1 Qualified Bid, or (c) reject any LOI (and it shall not be considered a Phase 1 Qualified Bid) if it does not comply with the requirements specified in Section 12 above or if it is otherwise inadequate, insufficient or contrary to the best interests of the Sandvine Entities.

16. If no LOI has been received by the Sandvine Entities and the Financial Advisor by the Phase 1 Bid Deadline, or if the Sandvine Entities and the Financial Advisor, in consultation with the Monitor, determine that no LOI constitutes a Phase 1 Qualified Bid, including but not limited to such LOI not providing for the Minimum Transaction Value, then the SISP shall be deemed to be terminated and the Stalking Horse Transaction shall be the Successful Bid and shall be consummated in accordance with and subject to the terms of the RSA and the Stalking Horse Transaction Agreement, subject to obtaining prior approval from the Court.

17. The Sandvine Entities shall, by no later than the Notification Deadline, notify each party who submitted an LOI as to whether such LOI constitutes a Phase 1 Qualified Bid and whether such party has been determined to be permitted to proceed to "Phase 2".

g. Other Information. It contains such other information reasonably requested by the Sandvine Entities, the Financial Advisor or the Monitor;

h. Irrevocable. It includes a letter stating that the bid is submitted in good faith, is binding and is irrevocable until the selection of the Successful Bid and, if such bid is selected as the Successful Bid or as the next-highest or otherwise best Qualified Bid as compared to the Successful Bid (such bid, the "**Back-Up Bid**", and such bidder, the "**Back-Up Bidder**"), it shall remain irrevocable until the earlier of the closing of the Successful Bid and the Outside Date;

i. Proof of Financial Ability to Perform. j. No Break Fee, Expense Reimbursement. It does not include any request for or entitlement to any break fee, expense reimbursement or similar type of payment;

k. Acknowledgments and Representations. It includes an acknowledgment and representation that, except to the extent set forth in a written agreement as between the bidder and the Sandvine Entities, the bidder (i) has had an opportunity to conduct any and all required due diligence prior to making its bid, (ii) is not relying upon any written or oral statements, representations, promises, warranties, conditions, or guaranties whatsoever, made by any person or party, including the Sandvine Entities, the Financial Advisor or the Monitor, of

any of their respective employees, officers, directors, agents, advisors and other representatives, regarding the transaction that is the subject of the bid, this SISP, or any information provided in connection therewith, (iii) agrees that the transaction that is the subject of the bid shall be on an "as is, where is" basis and without surviving representations, warranties, covenants or indemnities of any kind, nature or description by the Sandvine Entities, the Financial Advisor or the Monitor, or their respective employees, officers, directors, agents, advisors and other representatives, except to the extent set forth in a written agreement as between the bidder and the Sandvine Entities, (iv) agrees to serve as Back-Up Bidder, if its bid is selected as the next-highest or otherwise best Qualified Bid as compared to the Successful Bid, (v) has not engaged in any collusion with respect to the submission of its bid, and (vi) agrees to be bound by the terms of the SISP;

It contains a statement that the bidder will bear its own costs and expenses (including legal and advisor fees) in connection with the proposed transaction, and by submitting its bid is agreeing to refrain from and waive any assertion or request for reimbursement on any basis;

o. Closing. It is reasonably capable of being consummated by no later than the Outside Date; and

p. Deadline. It is received by the Sandvine Entities and the Financial Advisor by the Qualified Bid Deadline.

19. Notwithstanding the requirements specified in Section 18 above or anything to the contrary herein, the Stalking Horse Transaction shall be deemed to constitute a Qualified Bid, provided that, for greater certainty, no Deposit shall be required to be submitted in connection with the Stalking Horse Transaction.

Evaluation of Competing Phase 2 Bids

20. Following the Qualified Bid Deadline, the Sandvine Entities and the Financial Advisor, in consultation with the Monitor, will assess the Phase 2 Bids received and determine whether such Phase 2 Bids constitute Qualified Bids.

21. Following the receipt of any Phase 2 Bid, the Sandvine Entities and the Financial Advisor, in consultation with the Monitor, may: (a) seek clarification with respect to any of the terms or conditions of such Phase 2 Bid and/or request and negotiate one or more amendments to such Phase 2 Bid prior to determining if the Phase 2 Bid should be considered a Qualified Bid, (b) waive compliance with any one or more of the requirements specified in Section 18 above and deem a non-compliant Phase 2 Bid to be a Qualified Bid, or (c) reject any Phase 2 Bid (and it shall not be considered a Qualified Bid) if it does not comply with the requirements specified in Section 18 above or if it is otherwise inadequate, insufficient or contrary to the best interests of the Sandvine Entities.

Selection of Successful Bid

22. Prior to the Successful Bid Selection Deadline, and subject to Sections 23 to 25 below as applicable, (a) the Sandvine Entities, in consultation with the Financial Advisor and the Monitor, shall select one or more successful bid(s) (the "**Successful Bid**", and such bidder, the "**Successful Bidder**"), and (b) the highest Qualified Bid may not necessarily be selected by the Sandvine Entities as the Successful Bid.

23. If one or more Qualified Bids (other than the Stalking Horse Transaction) has been received by the Sandvine Entities and the Financial Advisor on or before the Qualified Bid Deadline, the Sandvine Entities and the Financial Advisor, in consultation with the Monitor, may elect to proceed with an auction process to determine the Successful Bid(s) (the "**Auction**"), which Auction shall be administered in accordance with auction procedures determined by the Sandvine Entities and the Financial Advisor, in consultation with the Monitor, and provided to all Qualified Bidders at least two (2) business days prior to the Auction. Forthwith upon determining to proceed with an Auction, the Sandvine Entities shall provide written notice to each party that submitted a Qualified Bid (including the Stalking Horse Transaction), along with copies of all Qualified Bids and a statement by the Sandvine Entities specifying which Qualified Bid is the leading bid. The Sandvine Entities, in consultation with the Financial Advisor and the Monitor, may select the bid(s) at the Auction as the Successful Bid.

24. If no Qualified Bid (other than the Stalking Horse Transaction) has been received by the Sandvine Entities and the Financial Advisor on or before the Qualified Bid Deadline, then the SISP shall be terminated and the Stalking Horse Transaction shall be the Successful Bid and shall be consummated in accordance with and subject to the terms of the RSA and the Stalking Horse Transaction Agreement, subject to obtaining approval from the Court.

25. The Sandvine Entities, in consultation with the Financial Advisor and the Monitor, reserves the right not to accept any Qualified Bid or to otherwise terminate the SISP. The Sandvine Entities and the Financial Advisor, in consultation with the Monitor, reserve the right to deal with one or more Qualified Bidders to the exclusion of others, to accept a Qualified Bid for different parts of the Sandvine Entities' Business and/or Property or to accept multiple Qualified Bids as a Successful Bid, and enter into definitive agreements in respect of all such bids.

Approval Order Hearing

26. Following selection of a Successful Bid, the Sandvine Entities shall seek to finalize any remaining necessary definitive agreement(s) with respect to the Successful Bid. Once the necessary definitive agreement(s) with respect to a Successful Bid have been finalized, as determined by the Sandvine Entities, in consultation with the Monitor, the Sandvine Entities shall apply to the Court for an order or orders approving such Successful Bid and/or the mechanics to authorize the Sandvine Entities to complete the transactions contemplated thereby, as applicable, and authorizing the Sandvine Entities to (a) enter into any and all necessary agreements and related documentation with respect to the Successful Bid, (b) undertake such other actions as may be necessary to give effect to such Successful Bid, and (c) implement the transaction(s) contemplated in such Successful Bid (each, an "**Approval Order**"). If the Successful Bid is not consummated in accordance with its terms, the Sandvine Entities shall be authorized, but not required, to designate the Back-Up Bid (if any) as the Successful Bid and seek an Approval Order with respect thereto. The Sandvine Entities shall seek recognition of the Approval Order in the Chapter 15 Proceedings.

General

27. All Deposits shall be retained by the Monitor in a non-interest bearing trust account. If a Successful Bid is selected and an Approval Order authorizing the consummation of the transaction contemplated thereunder is granted, any Deposit paid in connection with such Successful Bid will be non-refundable and shall, upon closing of the transaction contemplated by such Successful Bid, be applied to the cash consideration to be paid in connection with such Successful Bid or be dealt with as otherwise set out in the definitive agreement(s) entered into in connection with such Successful Bid. Any Deposit delivered with a Qualified Bid that is not selected as a Successful Bid or Back-Up Bid, will be returned to the applicable bidder as soon as reasonably practicable (but not later than ten (10) business days) after the date upon which the Successful Bid is approved pursuant to an Approval Order or such earlier date as may be determined by the Sandvine Entities in consultation with the Monitor. The Deposit in respect of the Back-Up Bid (if any) shall be returned to the applicable bidder as soon as reasonably practicable (but not later than ten (10) business days) after the closing of the Successful Bid or such earlier date as may be determined by the Sandvine Entities, in consultation with the Monitor. If a Phase 1 Qualified Bidder, Qualified Bidder, Back-Up Bidder or Successful Bidder breaches its obligations under the terms of the SISP, its Deposit (if any) shall be forfeited as liquidated damages and not as a penalty, without limiting any other claims or actions that the Sandvine Entities may have against such Phase 1 Qualified Bidder, Qualified Bidder, Back-Up Bidder, Successful Bidder and/or their respective affiliates, or as otherwise set out in the definitive agreement(s).

28. This SISP does not, and will not be interpreted to create any contractual or other legal relationship between the Sandvine Entities and any Phase 1 Qualified Bidder, Qualified Bidder, Back-Up Bidder or Successful Bidder or any other party, other than as specifically set forth in a definitive agreement that may be signed with the Sandvine Entities.

29. Without limiting Section 28, the Sandvine Entities, the Financial Advisor and the Monitor shall not have any liability whatsoever to any person or entity, including without limitation any potential bidder, Phase 1 Qualified Bidder, Qualified Bidder, Back-Up Bidder, Successful Bidder or any other creditor or stakeholder, as a result of implementation or otherwise in connection with this SISP, except to the extent that any such liabilities result from the gross negligence or wilful misconduct of the Sandvine Entities, the Financial Advisor or the Monitor, as applicable, as determined by a final order of the Court. Further, no person or entity, including without limitation any potential bidder, Phase 1 Qualified Bidder, Qualified Bidder, Back-Up Bidder, Successful Bidder or any other creditor or stakeholder shall have any claim against the Sandvine Entities, the Financial Advisor or the Monitor in respect of the SISP for any reason whatsoever, except to the extent that such claim is the result of gross negligence or wilful misconduct by the Sandvine Entities, the Financial Advisor or the Monitor, as applicable, as determined by a final order of the Court.

30. Participants in the SISP are responsible for all costs, expenses and liabilities incurred by them in connection with the submission of any LOI or bid, due diligence activities, and any other negotiations or other actions whether or not they lead to the consummation of a transaction.

31. The Sandvine Entities may, with the consent of the Monitor, provide information in respect of the SISP to any of the Delayed Draw DIP Term Lenders, the Specified Term Lenders the Agent and the Agent Counsel on a confidential basis, including (a) copies (or, if not provided to the Sandvine Entities in writing, a detailed description) of any LOI and any bid received, including any Qualified Bid, and (b) such other information as reasonably requested by the such Persons, or as the Sandvine Entities determine as reasonably necessary to keep such Persons informed of any material change to the proposed terms of any LOI or any bid received, including any Qualified Bid, and the status

and substance of discussions related thereto.

32. All bidders shall be deemed to have consented to the jurisdiction of the Court (and the Chapter 15 Court, if applicable) in connection with any disputes relating to the SISP, including the qualification of bids, the construction and enforcement of the SISP, and closing, as applicable.

33. For the avoidance of doubt, the approvals required pursuant to the terms hereof are in addition to, and not in substitution for, any other approvals required by the CCAA or any other statute or as otherwise required at law in order to implement a Successful Bid.

34. Nothing in the SISP will require the board of directors, board of managers, or such similar governing body of any Sandvine Entity to take any action, or to refrain from taking any action, with respect to the SISP, to the extent such board of directors, board of managers, or such similar governing body reasonably determines in good faith, in consultation with its advisors, that taking such action, or refraining from taking such action, as applicable, is required to comply with applicable law or its fiduciary obligations under applicable law.
