APPLICATION

1. The Applicants make application for an Order substantially in the form attached as Tab 2 of the Application Record (the "**Initial Order**"), among other things:

(a) abridging the time for service of this notice of application and dispensing with service on any person other than those served;

(b) declaring that the Applicants are parties to which the *Companies' Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the "**CCAA**") applies;

(c) appointing KSV Restructuring Inc. ("**KSV**") as an officer of this Court to monitor the assets, businesses and affairs of the Applicants (in such capacity, the "**Monitor**");

(d) staying all proceedings against the Applicants, the Monitor, and their respective employees, advisors and representatives acting in such capacities, staying all proceedings against the Applicants' and Procera II LP's directors, officers and managers, and extending the benefit of the stay of proceedings and the protections and authorizations of the Initial Order to Procera II LP (collectively with the Applicants and certain non-filing entities, "**Sandvine**" or the "**Company**"), for an initial 10-day period (the "**Initial Stay Period**");

(e) extending the stay of proceedings and certain other protections of the Initial Order to the Non-Applicant Stay Parties (defined below);

(f) approving the engagement of GLC Advisors & Co., LLC and GLC Securities, LLC (collectively, "**GLC**") as the independent financial advisor to the Company;

(g) approving (i) Amendment No. 1 to the Super Senior Credit Agreement, dated as of November 6, 2024, by and among Sandvine Corporation ("**Sandvine Canada**") and Procera Networks, Inc. ("**Procera US**"), as borrowers, and the lenders party thereto (the "**First DDTL Amendment**") and (ii) the Super-Senior Debtor-in-Possession Credit Agreement between Sandvine Canada and Procera US, as borrowers, Procera II LP, as ultimate parent, the Specified Term Lenders (as defined in the DIP Credit Agreement), the Delayed Draw DIP Term Lenders (as defined in the DIP Credit Agreement) (the "**DIP Lenders**"), Seaport Loan Products LLC, as co-administrative agent, and Acquiom Agency Services LLC, as co-administrative agent and collateral agent, dated as of October 2, 2024 and amended by the First DDTL Amendment on November 6, 2024 (the "**DIP Credit Agreement**");

(h) granting the following priority charges over the Property (as defined in the Initial Order), listed in order of priority:

(i) a charge as security for the respective fees and disbursements of the proposed Monitor, its Canadian and U.S. counsel, Canadian and U.S. counsel to the Applicants and GLC (in respect of GLC, solely to the extent of the Monthly Advisory Fees, as defined in GLC's engagement letter), in the maximum amount of US $2.5 million (the "**Administration Charge**");

(ii) a charge in favour of the directors, managers and officers of the Applicants and Procera II LP in the amount of US $4.4 million (the "**Directors' Charge**"); and

(iii) a charge in favour of the DIP Lenders as security for the DIP Facility (defined below) in the aggregate amount of the DIP Obligations (as defined in the Initial Order), although the Applicants will not be permitted to draw down on the DIP Facility until after the Comeback Hearing;

(i) authorizing, but not requiring, the Applicants and Procera II LP to pay certain pre-filing amounts, with the consent of the Monitor, to the Applicants' and Procera II LP's critical suppliers;

(j) authorizing Sandvine Canada to act as the foreign representative of the Applicants in respect of the within proceeding for the purpose of having these CCAA proceedings recognized and approved in a jurisdiction outside of Canada and authorizing Sandvine Canada to apply for recognition of these proceedings and related relief, as necessary, in any jurisdiction outside of Canada, including in the United States Bankruptcy Court for the Northern District of Texas (Dallas Division) pursuant to chapter 15 of title 11 of the United States Code (the "**Bankruptcy Code**"), 11 U.S.C. §§ 101-1532; and

(k) such further and other relief as this Honourable Court may deem just.

2. The grounds for the application are:[1]

General

(a) the Applicants are insolvent;

(b) the Applicants are companies to which the CCAA applies;

(c) the claims against the Applicants exceed $5 million;

(d) Sandvine is a Canadian application and network optimization company that provides quality of experience analysis and performance optimization software applications to its customers. Sandvine's software products allow its customers to understand the applications ("**apps**"), app categories and content categories that its customers' end users are engaging with, without decrypting user content. Sandvine's customers use that metadata to classify network traffic, enhance network connectivity, counter threats to network security, and optimize app "quality of experience";

(e) Sandvine's technology facilitates internet access for hundreds of millions of people around the world, and any interruption in Sandvine's services would have serious implications for the continuity and security of services provided by Sandvine's customers, which include many of the largest internet service providers in Canada and around the world;

[1] Capitalized terms not otherwise defined have the meanings given to them in the Initial Affidavit of Jeffrey A. Kupp sworn on November 6, 2024.

(f) Sandvine Canada is a private company incorporated under the laws of the Province of British Columbia and headquartered in Waterloo, Ontario. The other Applicants include corporations located in the UK, the United States and the Cayman Islands;

(g) Sandvine Canada holds the majority of the Company's assets (including its crucial IP assets), employs the majority of the Company's North American employees, generates approximately two thirds of the Company's revenue, contracts with approximately 69% of the Company's customers, issues all customer invoices for the Company, and receives the majority of the Company's customer receipts into its Canadian bank accounts. The majority of the Company's Accounting and A/R team (which team is shared globally) and the Company's general counsel are located in Canada;

(h) Procera II LP, a limited partnership registered in the Cayman Islands, is a guarantor under Sandvine's credit facilities and the ultimate parent company of the Sandvine operating entities;

(i) all of the Applicants are either borrowers or guarantors under Sandvine's credit facilities (or general partners of such guarantors);

(j) on February 27, 2024, Sandvine Canada, certain of the other Applicants and Non-Applicant Stay Parties were designated on the U.S. Department of Commerce's Entity List (the "**Entity List**"), which restricted Sandvine's ability to procure from its vendors and suppliers the hardware, software, and technology critical to its core business operations;

(k) immediately after the Entity List designation, Sandvine applied for, and on March 28, 2024 was granted, emergency authorization by the U.S. Department of Commerce's Bureau of Industry and Security ("**BIS**"), which provided interim relief from certain impacts of the Entity List designation so that Sandvine could receive software and technology that was subject to export restrictions. The emergency authorization was due to expire on September 30, 2024, and was subsequently extended to December 31, 2024;

(l) on May 1, 2024, Sandvine submitted a proposal for removal from the Entity List;

(m) in conjunction with these requests and ongoing discussions with BIS, the Company has reoriented its business model and will cease to operate in non-democratic countries or countries where the threat to digital rights is too high;

(n) Sandvine has exited over 30 countries and is in the process of over 20 more that it has deemed as high-risk jurisdictions, and is making several other significant changes to its governance and business model, in consultation with BIS and other interagency partners of the U.S. government;

(o) on October 23, 2024, Sandvine was removed from the Entity List;

(p) Sandvine's business has been materially impacted by the Entity List designation, as (i) the countries that Sandvine has exited and is in the process of exiting represent approximately 45% of Sandvine's 2023 revenue and (ii) certain customers in jurisdictions with a strong record of internet freedom and rule of law protections have paused new orders as a result of the Entity List designation. Overall Sandvine

projects its top line to be reduced by approximately 50% compared to its 2023 revenue due to the impact of country exits and estimated customer attrition related to the Entity List dynamic;

(q) in light of certain potential defaults in its debt documents stemming from the Entity List designation and related adverse impacts, earlier this year Sandvine negotiated a reorganization with its Lenders pursuant to which the Lenders: (i) became the indirect owners of Sandvine and (ii) agreed to significantly reduce Sandvine's funded debt obligations by approximately US $92 million (the "**June 2024 Reorganization**");

(r) despite the June 2024 Reorganization, the Company remained overleveraged and required additional funding in the short term, as well as a plan to address the significant and necessary operational restructuring of its business. As such, the Company and the Existing Loan Lenders negotiated agreements regarding the further financing and restructuring of the Company which provide for:

(i) US $45 million in new money financing under a DDTL Facility, plus a commitment to provide any undrawn portion of such financing in the event of any court-supervised restructuring proceedings as a debtor-in-possession facility (the "**DIP Facility**");

(ii) a restructuring support agreement ("**RSA**") with approximately 97% of the Existing Loan Lenders (the "**Consenting Stakeholders**");

(iii) such Existing Loan Lenders' agreement to forbear from exercising any rights to enforce default remedies under Sandvine's First Lien Credit Agreement and other debt documents; and

(iv) a proposed transaction, to be tested through a sale process as part of these CCAA Proceedings, that would (i) convert all of the Company's funded debt obligations upon emergence into 50% equity of the restructured company and approximately US $125 million in new first lien financing, and (ii) pay the Existing Loan Lenders that provided new money commitments 50% equity of the restructured company as consideration for such commitments;

(s) on October 2, 2024, the Company drew US $20 million (US $15 million net of commitment fees) under the DDTL Facility;

(t) the RSA requires that the Company commence a restructuring proceeding by November 15, 2024;

(u) if this milestone is not met, the requisite Consenting Stakeholders could terminate the RSA and the forbearance granted by the Consenting Stakeholders thereunder and cause an "Event of Default" under the DDTL Credit Agreement, such that the Consenting Stakeholders, in their capacity as lenders under the DDTL Credit Agreement, could accelerate and take enforcement steps with respect to all outstanding principal and interest amounts under the DDTL Credit Agreement;

(v) such a default would also constitute an Event of Default under the First Lien Credit Agreement and the Existing Loan Lenders could then accelerate and take enforcement steps with respect to all outstanding principal and interest amounts under the First Lien Credit Agreement;

(w) Sandvine would not be able to pay or otherwise satisfy the amounts due under the DDTL Facility or the First Lien Credit Agreement and is therefore insolvent;

(x) in light of their current financial crisis, the Applicants urgently require the protections afforded by the CCAA, including a stay of proceedings and related relief, in order to allow the Applicants to continue as a going concern, provide crucial services to their customers, maintain employment for their approximately 500 employees and independent contractors, and preserve enterprise value for the benefit of all stakeholders;

Stay of Proceedings

(y) the Applicants are insolvent and urgently require a broad stay of proceedings and other protections provided by the CCAA so that they will have the breathing space to complete the last step of their balance sheet restructuring, implement orderly exits from the high-risk jurisdictions, and restructure their operations to account for Sandvine's reduced international footprint;

(z) it is necessary and in the best interests of the Applicants and their stakeholders that the benefits of the stay and the protections and authorizations of the Initial Order

be extended to Procera II LP, as it is the ultimate parent of the operating entities and a guarantor under the credit facilities;

(aa) it is necessary and in the best interests of the Applicants and their stakeholders that the stay of proceedings and certain other protections of the Initial Order be extended to Sandvine Sweden AB, Sandvine Technologies Malaysa SDN BHD, Sandvine Australia Pty Ltd., Sandvine Technologies (India) Private Limited, Sandvine Japan K.K. and Sandvine Singapore Pte. Ltd. (the "**Non-Applicant Stay Parties**") as the functions of these entities are integral to, and deeply intertwined with, the global business of the Applicants;

(bb) the Non-Applicant Stay Parties provide critical research and development, sales, customer success, and marketing services and collectively employ more than half of Sandvine's global workforce;

(cc) it would be detrimental to the Applicants and their stakeholders if proceedings were commenced or rights or remedies executed against the Applicants, Procera II LP or the Non-Applicant Stay Parties;

DIP Financing

(dd) the Applicants require interim financing to provide stability and to restructure their business, through the committed exit transaction or a superior transaction generated from a sale process, as part of these CCAA proceedings;

(ee) the DIP Lenders have agreed to provide the proposed DIP Facility up to the amount of US $30 million, in accordance with their commitments under the RSA;

(ff) Court-approval of the DIP Facility and the DIP Charge would allow Sandvine to provide assurance to its key stakeholders, including their vendors and customers, that it will continue to have access to necessary financing during these proceedings;

(gg) the Applicants do not intend to draw on the DIP Facility before the Comeback Hearing, but are seeking approval of the DIP Charge in conjunction with the approval of the DIP Credit Agreement at the initial hearing to ensure that all of the authorizations required to access the DIP Facility are put in place at commencement of these CCAA proceedings and the Applicants can seek to have the DIP Charge recognized in a timely manner in the concurrent Chapter 15 proceedings;

Chapter 15 Proceedings

(hh) because the Applicants have operations, assets and valuable business in the U.S., the Applicants intend to initiate a case under Chapter 15 of the Bankruptcy Code seeking an order to recognize and enforce these CCAA proceedings in the U.S. and protect against any potential adverse action taken by the Applicants' U.S.-based creditors (the "**Chapter 15 Proceedings**");

(ii) the Applicants run a consolidated business, with operations in Canada, the U.S., and around the world. Those operations are functionally and operationally integrated such that the U.S. business cannot operate independently of the Canadian

business and the key services provided by the Applicants are for the benefit of all the Applicants, including the U.S. entities;

Other Grounds

(a) the granting of the Administration Charge, the Directors' Charge and the DIP Charge is appropriate in the circumstances and will facilitate the active involvement of the beneficiaries of the charges during these CCAA proceedings;

(b) KSV has consented to act as the Monitor;

(c) GLC was instrumental in assisting with the negotiations that led to the execution of the RSA and the preparations for these CCAA proceedings, and its continued involvement will be critical to the successful completion of a going concern restructuring transaction as part of these CCAA proceedings that will maximize value for stakeholders, including running the proposed sale process on behalf of Sandvine;

(d) the provisions of the CCAA and the inherent and equitable jurisdiction of this Honourable Court;

(e) Rules 2.03, 3.02, 14.05(2) and 16 of the *Rules of Civil Procedure*, R.R.O. 1990, Reg. 194, as amended, and sections 106 and 137 of the *Courts of Justice Act*, R.S.O. 1990, c. C.43, as amended; and

(f) such further and other grounds as counsel may advise and this Honourable Court may permit.

3. The following documentary evidence will be used at the hearing of the application:

(a) the Initial Affidavit of Jeffery A. Kupp sworn November 6, 2024 and the exhibits attached thereto;

(b) consent of the proposed Monitor;

(c) the Pre-Filing Report of KSV as proposed monitor, to be filed; and

(d) such further and other evidence as counsel may advise and this Honourable Court may permit.

1. This affidavit is made in support of an application by Sandvine Corporation ("**Sandvine Canada**") and the other applicant companies (collectively, the "**Applicants**" and collectively with the partnership Procera II LP and certain non-filing entities, "**Sandvine**" or the "**Company**") for an Initial Order and related relief under the *Companies' Creditors Arrangement Act*, RSC 1985, c C-36 (the "**CCAA**").

(d) a Transaction Fee Charge of US $7 million;

(e) the ability to draw on the DIP Facility; and

(f) an extension of the stay of proceedings until January 31, 2025.

6. All references to monetary amounts in this affidavit are in US dollars.

7. This affidavit is organized into the following sections:

A. Overview

8. Sandvine is a Canadian application and network optimization company headquartered in Waterloo, Ontario. Sandvine provides quality of experience ("**QoE**") analysis and performance optimization software applications to its customers, the majority of whom consist of telecommunications service providers around the world. Sandvine's technology generates metadata (i.e., information about data) for its customers, including information about the applications ("**apps**"), app categories and content categories that its customers' end users are engaging with, without decrypting user content. Sandvine's customers use that metadata to classify network traffic, enhance network connectivity, counter threats to network security, and optimize App QoE. This technology facilitates internet access for hundreds of millions of people around the world.

9. Sandvine is a market leader as its products allow customers to understand the app traffic flowing in their networks with 95% accuracy – a significantly higher accuracy rate compared to

other products on the market. Sandvine is closely integrated into customer networks and provides services that are integral to its customers' operations for network optimization and planning, security, and revenue generation. Many of Sandvine's products are active network elements used to manage network traffic – meaning that customers optimize their network policies by using these products. Consequently, any interruption in Sandvine's services would have serious implications for the continuity and security of services provided by Sandvine's customers, which include many of the largest internet service providers in Canada and around the world.

10. On February 27, 2024, Sandvine Canada and certain of the other Applicants and Non-Applicant Stay Parties were designated on the U.S. Department of Commerce's Entity List (the "**Entity List**"), which materially impacted the Company's business. Being placed on the Entity List resulted in export restrictions on certain vendors, limiting them from providing U.S. origin goods and technology that are critical to Sandvine's core business operations to certain Sandvine entities without an export license.

11. To mitigate the operational impacts on its business, the Company submitted a Request for Emergency Authorization to the U.S. Department of Commerce's Bureau of Industry and Security ("**BIS**") seeking interim relief from certain impacts of the designation to ensure that Sandvine could receive software and technology that is subject to the Export Administration Regulations. BIS granted the emergency authorization on March 28, 2024, which was due to expire on September 30, 2024 and which was subsequently extended to December 31, 2024.

12. On May 1, 2024, Sandvine submitted a proposal for removal from the Entity List. In conjunction with these requests and ongoing discussions with BIS, the Company, with the assistance of its advisors, has reoriented its business model with the goal of making Sandvine a

technology solution leader for customers in democratic countries. Sandvine is committed to internet freedom and strong rule of law protections and will cease to operate in non-democratic countries or countries where the threat to digital rights is too high. Sandvine has already exited over 30 countries and is in the process of exiting over 20 more countries that it has deemed as high-risk jurisdictions. Sandvine is also making several other significant changes to its governance and business model, in consultation with BIS and other interagency partners of the U.S. government, including the U.S. State Department, as part of a viable business strategy that will position Sandvine to remain a technological leader and provide important services to its customers.

13. On September 27, 2024, Sandvine was informed that the End-User Review Committee had voted to remove Sandvine from the Entity List, with Sandvine having met certain conditions and agreeing to meet certain ongoing operational commitments. On October 23, 2024, Sandvine was removed from the Entity List.

14. Notwithstanding its efforts to mitigate the impacts of the Entity List designation, Sandvine's business has already been materially impacted. The countries that Sandvine has exited and is in the process of exiting represent approximately 45% of Sandvine's 2023 revenue. Additionally, certain customers in jurisdictions with a strong record of internet freedom and rule of law protections have paused new orders as a result of the Entity List designation. Overall Sandvine projects its top line to be reduced by approximately 50% compared to its 2023 revenue due to the impact of country exits and estimated customer attrition related to the Entity List dynamic.

15. In light of certain potential defaults in its debt documents stemming from the Entity List designation and related adverse impacts, earlier this year Sandvine negotiated a reorganization

with its Lenders (defined below) pursuant to which the Lenders: (a) became the indirect owners of Sandvine and (b) agreed to significantly reduce Sandvine's funded debt obligations by approximately US $92 million (the "**June 2024 Reorganization**").

16. Despite these reductions, the Company remained overleveraged and required additional funding in the short term, as well as a plan to address the significant and necessary operational restructuring of its business including the exiting of a number of countries where it already has ceased or will cease to do business. Following the June 2024 Reorganization, the Company and the Existing Loan Lenders (as defined below) negotiated agreements regarding the further financing and restructuring of the Company which provide for:

(a) **Financing**: US $45 million in new money financing under the DDTL Facility (defined below), plus a commitment to provide any undrawn portion of such financing in the event of any court-supervised restructuring proceedings as a debtor-in-possession facility (the "**DIP Facility**", and the loans borrowed thereunder, the "**DIP Loans**");

(b) **Restructuring Support**: a restructuring support agreement ("**RSA**") with approximately 97% of the Existing Loan Lenders;

(c) **Forbearance**: such Existing Loan Lenders' agreement to forbear from exercising any rights to enforce default remedies under the First Lien Credit Agreement (as defined below) and other debt documents;

(d) **Recapitalization**: a proposed transaction, to be tested through a sale process as part of these CCAA Proceedings, that would (i) convert all of the Company's funded

debt obligations upon emergence into 50% equity of the restructured company and approximately US $125 million in new first lien financing and (ii) pay the Existing Loan Lenders that provided new money commitments 50% equity of the restructured company as consideration for such commitments.

17. All of the Existing Loan Lenders were offered the opportunity to participate in the RSA and new financing and 97% agreed to do so. On October 2, 2024, the Company drew US $20 million (US $15 million net of commitment fees) under the DDTL Facility.

18. The RSA requires that the Company commence a restructuring proceeding by November 15, 2024, failing which the Consenting Stakeholders (as defined below) can terminate the RSA. The Company would not be permitted to draw any further on the DDTL Facility in those circumstances. Additionally, the failure to meet this milestone would allow the requisite Consenting Stakeholders to terminate the RSA and the forbearance granted by the Consenting Stakeholders thereunder and cause an "Event of Default" under the DDTL Credit Agreement (as defined below), such that the Consenting Stakeholders, in their capacity as lenders under the DDTL Credit Agreement, could accelerate and take enforcement steps with respect to all outstanding principal and interest amounts under the DDTL Credit Agreement. If such acceleration occurs, this would be an Event of Default under the First Lien Credit Agreement and the Existing Loan Lenders could then accelerate and take enforcement steps with respect to all outstanding principal and interest amounts under the First Lien Credit Agreement. Sandvine would not be able to pay or otherwise satisfy the amounts due under the DDTL Credit Agreement or First Lien Credit Agreement and is therefore insolvent.

19. Additionally, given the projected significant decrease in revenue, the continued cost of servicing its debt, the inevitable costs of a significant operational restructuring, and the potential repercussions arising out of Sandvine's exit from certain high-risk jurisdictions, the Cash Flow Forecast discussed below reflects that within the thirteen week forecast period, Sandvine will require additional financing so that the Company does not fall below its minimum operating threshold.

20. In these circumstances, the stability provided by a stay of proceedings pursuant to the CCAA is critical to allow Sandvine to continue to service its significant Canadian, U.S. and international customer base and avoid serious risks that would threaten the stability and security of communications networks worldwide, affecting hundreds of millions of civilian internet users. Any abrupt cessation of Sandvine's business could quickly result in Sandvine customers experiencing disruptions to essential services, leading to the potential for cascading failures, including widespread network outages, instability, congestion, and increased susceptibility of critical systems to cyber-attacks.

21. The Applicants require immediate CCAA protection, coupled with relief to be sought pursuant to Chapter 15 of the Bankruptcy Code, so that they will have the necessary "breathing space" to complete the last step of their balance sheet restructuring, continue to access needed liquidity, and have the time and resources to implement orderly exits from the high-risk jurisdictions and restructure their operations to account for Sandvine's reduced international footprint. The proposed DIP Facility will help provide immediate certainty and stability to the Company, even though a draw will not be required prior to the Comeback Hearing, particularly in conjunction with the committed exit transaction that will be implemented unless a superior transaction emerges from the proposed sale process. The relief sought will help ensure the

Company can continue as a going concern, maintain employment, and preserve enterprise value for the benefit of all stakeholders.

C. The Applicants' Business

30. Founded in Canada in 2001, Sandvine Canada is a Canadian application and network optimization company headquartered in Waterloo, Ontario that provides QoE analysis and performance optimization software apps to its customers. In 2017, a corporate transaction occurred through which Sandvine Canada came under common control with Procera US.

(a) Sandvine Products

31. Sandvine provides software products and services in approximately 54 countries, with its customers including approximately 130 of the largest global communications service providers, and ultimately servicing hundreds of millions of network users. For the calendar year ending December 31, 2023, 81% of Sandvine's bookings were from telecom operators, 9% of bookings were from enterprises, 9% of bookings were from telecom regulators, and 1% of bookings were from other government agencies.

32. The Company's software products help service providers deliver high quality experiences to their consumer and enterprise customers. Sandvine's products classify internet traffic into different types of data being transmitted over the networks – for example, Sandvine's products can inform telco organizations which traffic relates to streaming apps or games so they can better plan their networks to handle traffic used by these apps, improve the delivery of these apps, support fair usage for end consumers and business users, and appropriately prioritize more latency sensitive

traffic (i.e., where a delay between data delivery and data processing impacts the success of an app's performance).

33. To this end, Sandvine's software products create metadata about the quality and usage of over the top ("**OTT**") apps (i.e., Netflix, Amazon Prime, YouTube), app categories (i.e., video, social media, device gaming), and content categories (i.e., browsing, streaming, messaging) by subscribers, without decrypting user content. Sandvine's customers use its detailed metadata reports (also known as "**App QoE Data**") to analyze OTT application usage and understand subscriber experiences when using these apps. Based on App QoE Data, Sandvine provides off-the-shelf use cases (i.e., non-customized solutions to address common customer needs) for its customers. Examples include Operational Insights, 5G Adoption, Video QoE Analysis, Video Streaming Management, Heavy User Management, and IPTV Fraud Management. These use cases provide customers with insights into applications and subscriber sentiment to help improve their customer care and network operations.

34. Sandvine's software products include, among others: (a) ActiveLogic, which captures network traffic and processes it at scale for use by other software applications; (b) AppLogic, which allows Sandvine to classify and categorize OTT and service providers' own apps so that service providers can know precisely what is happening over their networks in real time, manage capacity and congestion, and proactively identify and address customer sentiment resulting from network and app issues; and (c) App QoE Scoring, which provides a depiction of how an app is performing in near real-time using a score that ranges from 1 to 5 and measures the majority of the classified apps derived from AppLogic.

35. Sandvine's products assist internet service providers and corporate enterprises to: (a) transition from the 4G to 5G network, which requires high app and network performance; (b) offer mobile plans with limited app and service usage; (c) ensure consistency of video streaming experiences; (d) tailor services to subscriber consumption patterns; (e) proactively diagnose WiFi issues; and (f) prevent fraud.

36. Historically, Sandvine sold proprietary computer hardware, and more recently sold commercial off-the-shelf hardware, to customers to support its software products. Sandvine anticipates completing its transition to a software only business at the end of 2024, or early 2025, and is effectively no longer providing hardware services, other than limited ongoing maintenance and support contracts related thereto. As of September 30, 2024, the net value of Sandvine's remaining hardware inventory totaled approximately US $4.0 million and was held by Sandvine Canada. In Q3 2024, Procera US has inventory which was returned to a location in Irving, Texas that is valued at US $563,000. In the ordinary course, in the absence of the Entity List restrictions, any hardware inventory returns would have been sent to Sandvine Canada.

(b) Sale Channels of Sandvine Products

37. Sandvine's sales are typically executed through a Right to Use ("**RTU**") its software in accordance with the terms of an End User License Agreement ("**EULA**"). RTUs are normally sold on a perpetual basis, subject to compliance with the EULA, although they may also be sold on an annual subscription basis. In conjunction with the RTUs, the Company sells software maintenance and support services (software maintenance is imbedded with subscription license sales), which generally need to be renewed on an annual basis. These support services include frequent software signature updates that are critical to ensure that the software continues to accurately identify

network traffic flow. Sandvine has recently launched a new, paid offering for software signature updates, AppLogic, which incorporates new artificial intelligence/machine learning technology.

38. Sandvine also offers customers:

(a) project deployment professional services, which consist of project management and technical work assistance needed to install, configure, integrate and test software solutions;

(b) training services (both instructor led and e-learning) for Sandvine's products; and

(c) Value-Added Services ("**VAS**") which provide customers with specific types of assistance using Sandvine's system on a daily basis. VAS has several variations and includes (i) updating and customizing the signatures which identify consumer applications; (ii) daily operation, change management and customer assistance using Sandvine's products; and (iii) success management through dedicating a single point of contact for all post-sales customer support work.

39. Three primary paths to market exist for Sandvine's products: (a) direct sales to operator or enterprise customers; (b) reseller transactions with third parties who resell Sandvine's product to operator or enterprise customers, sometimes bundled with other products and services; and (c) distribution relationships in which Sandvine contracts with a distributer who contracts with a reseller for the sale of products. Sandvine has developed its reseller and distributor relationships in recent years, which allow for economies of scale and improve cashflows, such that reseller and distributor transactions now comprise a majority of the Company's business.

40. Sandvine Canada and Procera US are the contractual counterparties for substantially all of the customer contracts, depending on the customer's location. Approximately 69% of the Company's end customers contract with Sandvine Canada. In 2023, Sandvine Canada generated approximately two thirds of the Company's revenue and Procera US generated approximately one third.

41. Of Sandvine's total 2023 revenue (approximately US $199M), approximately US $33M (17%) of its products were sold in Japan, approximately US $27M (14%) were sold in the U.S. and approximately US $26M (13%) were sold in Egypt. Canada was Sandvine's fourth largest market in 2023, with approximately US $16M (8%) of sales.

(c) Employees and Employee Benefits

42. As of October 25, 2024, Sandvine employed approximately 475 employees and had 32 independent contractors in 30 countries. None of the employees are unionized and there are no applicable collective agreements. Sandvine employs regional managers in numerous locations throughout the globe, along with sales teams supported by regional sales managers. The Applicants' other employees perform customary functions for a globally integrated corporate group from various locations, including finance, human resources, marketing and strategy and IT. The geographic distribution of the employees and independent contractors is as follows:

43. The Company offers eligible employees medical, prescription drug, dental, and vision care coverage and certain other benefits, including basic life, short-term and long-term disability and AD&D insurance, travel insurance, the employee assistance program, retirement savings programs, and time-off benefits. Benefit offering varies depending on the employee region.

44. In the U.S., the Company offers employees additional options for saving pre-tax dollars to help pay for healthcare expenses under flexible spending accounts or health savings accounts depending on the medical plan chosen. For retirement savings programs, the Company offers a 401(k) defined contribution plan to eligible employees in the U.S., a Registered Retirement Savings Plan (RRSP) in Canada, and other similar defined contribution plans in Sweden and UK.

(d) Intellectual Property

45. Sandvine's principal assets are software products and related intellectual property rights and know-how. Sandvine maintains its App QoE products with a technology patent portfolio that protects its data foundations as well as its solutions and use cases. As of October 23, 2024, Sandvine Canada owns approximately 166 patents and has approximately 148 patent applications pending, covering the following: (a) network optimization; (b) monetization / policy enforcement; (c) classification and QoE; (d) service assurance; and (e) 5G. Sandvine Canada has 157 registered trademarks, with 39 additional trademark applications pending. Procera US has 13 registered trademarks and one patent. Sandvine Canada also has one U.S. copyright registration titled SCORECARD registered November 28, 2018.

(e) Real Property and Leases

46. Sandvine leases all of its office space, including the Waterloo Technology Centre where the Company is headquartered. Sandvine Canada owns a 49% interest in WTC1 Inc. and WTC2 Inc., the owners of the three office buildings comprising the Waterloo Technology Centre. WTC1 Inc. operates the entire complex, although both WTC1 Inc. and WTC2 Inc. own buildings within it. The owners are currently marketing the Waterloo Technology Centre for sale.

47. The Company also leases office space in: Sweden, Japan, UAE, Malaysia, India, and the U.S. The leases expire at various dates through 2031 and provide for renewal options ranging from month-to-month to five-year terms, as set out in Appendix "A" to this affidavit. The Company's current total annual operating lease cost is approximately US $2.0 million. Sandvine does not have any other real property interests and does not own any real property outright.

(f) Suppliers

48. Sandvine relies on several third-party software providers for: (a) products it imbeds into its App QoE software and (b) products used in its internal operations, many of which are critical to Sandvine's business and its ability to serve customers. Imbedded software is essential to the operation of the software products that Sandvine sells to its customers and it generally requires lengthy development and test cycles to change or substitute products. Third-party software for Sandvine's internal needs include, among other things, security solutions for Sandvine's internal IT networks, customer relationship management (CRM) software, software to integrate the Company's IT applications, data storage and business intelligence products, video and messaging software programs for online collaboration, Enterprise Resource Planning (ERP) and finance software, shipping and logistics services, as well as export control and denied party screening essential to complying with export laws. Sandvine also relies on third-party suppliers who provide hardware that is critical for its business.

(g) Management Services and Other Shared Services

49. Sandvine's CEO and CFO are located in the U.S. Its General Counsel is located in Canada. Its CCO is located in Dubai, CDO is located in India, and CTO is located in Sweden.

50. Of the approximately 23 finance staff, 13 are in Canada, four (4) are in India, five (5) are in the U.S. and one (1) is in Sweden. Of the approximately 18 HR staff, six (6) are in Canada, five (5) are in India, three (3) are in the U.S. and the rest in various countries worldwide. There are regional managers spread throughout numerous countries. Of the approximately 27 IT staff, 13 are in Canada, 11 are in India, two (2) are in the U.S. and one (1) is in Sweden. Of the approximately 15 marketing and strategy staff, seven (7) are in the U.S., four (4) are in Canada and the remainder are in foreign jurisdictions. The Company's integrated sales teams reside in numerous countries globally with regional sales managers in each region.

51. Sandvine Canada issues all customer invoices, primarily on behalf of Sandvine Canada and Procera US, regardless of location of the customer. Sandvine Canada also handles various other finance back-office functions, with the exception of accounts payable which is primarily handled by Sandvine India. The Company's subsidiaries outside of North America handle product development, service delivery, customer support and sales support, but do not generate revenue from customers (with the exception of Sandvine Sweden which generates extremely limited revenues). Rather, each of those subsidiaries is funded by Sandvine Canada or Procera US and their costs are billed back to the Company's two primary operating entities through shared services arrangements.

52. The Company operates pursuant to various intercompany shared services agreements:

(a) An intellectual property cost sharing agreement between Sandvine Canada and Procera US dated January 1, 2019, whereby each party contributes to the shared development, production, and acquisition of intellectual property. Each party's

contribution is based on the ratio that each reasonably expects to derive from the agreement (determined annually based on financial results and forecasts).

(b) A software licensing agreement between Procera US and Sandvine UK dated January 1, 2019, whereby Sandvine UK licenses certain software to Procera US for the use and distribution of certain of its products. As consideration for this license, Procera US pays Sandvine UK a fee set at a market rate which is paid on a quarterly basis.

(c) Intercompany research and development agreements between Sandvine Canada and each of Sandvine Sweden and Sandvine India, whereby each counterparty provides research and development services and provides training, support and maintenance services related to its research and development services. As consideration for these services, Sandvine Canada pays these entities their costs plus a mark-up ranging from 6% to 15%, depending on the agreement.

(d) Intercompany international service agreements between Sandvine Canada and each of Sandvine OP (UK) Ltd., Sandvine Sweden, Sandvine India, Sandvine Singapore Pte. Ltd., Sandvine Corporation (Hong Kong Branch), Sandvine Malaysia Sdn. Bhd., Sandvine Australia Pty. Ltd., and Sandvine Japan K.K., whereby each counterparty provides Sandvine Canada with marketing and pre-sales support services for Sandvine Canada's products in the United Kingdom, Sweden, India, Singapore, Hong Kong, Malaysia, Australia, and Japan, respectively. As consideration for these services, Sandvine Canada pays these entities their costs plus a mark-up of 6% to 15%, depending on the agreement.

(h) Banking and Cash Management System

53. The Company has 33 bank accounts across 10 countries, as set out in Appendix "B" to this affidavit. The Company's cash management / treasury team is located in Canada and controls the bank accounts (and cash transactions) with a few exceptions (e.g. Japan where two trust accounts are managed by an outside provider). Treasury, Accounting and A/R teams are located primarily in Canada, with a small team in India, which handles accounting for India as well as global expense report processing and A/P, and these teams are shared globally.

54. Almost all cash from customers and other incoming wire transfers and deposits are received into one of Sandvine Canada's bank accounts in Canada or into the Procera US bank account in the U.S. From October 1, 2023 to June 1, 2024, approximately two thirds of the Company's customer receipts were received by Sandvine Canada and approximately one third of the customer receipts were received by Procera US.

55. Funding for Sandvine's other international offices is made through periodic intercompany cash transfers from either Sandvine Canada or Procera US' bank accounts. Some liabilities of the Company's international locations, including certain entities' payroll, benefits and tax payments, are paid directly by Sandvine Canada or Procera US. If currency conversions are required before disbursements are made by Sandvine's international entities, payments may be transferred from Sandvine Canada or Procera US through more than one Company bank account, and then accounted for through intercompany transactions. Sandvine Canada regularly purchases Swedish Krona hedges which are then transferred to Sandvine Sweden for it to pay for its liabilities, as well as CAD hedges for Sandvine Canada's own payroll and rent. Sandvine India also purchases its

own hedges. To the extent that the Company has excess cash that is not immediately required for its operations, these amounts are transferred to an interest-earning savings account.

D. The Financial Position of the Applicants

56. A copy of Sandvine's consolidated audited financial statements as at December 31, 2023 (the "**2023 Financial Statements**") is attached hereto as **Exhibit "A"**. The 2023 Financial Statements were issued on May 24, 2024, and included a note that the Company's ability to continue as a going concern remained dependent on its removal from the Entity List, restructuring the business to be able to achieve positive cash flows and restructuring existing debt.

57. Sandvine also prepares consolidated, unaudited quarterly balance sheets. A copy of Sandvine's consolidated balance sheets as at September 30, 2024, which remains subject to potential closing adjustments, is attached hereto as **Exhibit "B"**.

As a result of the adverse business impacts of being placed on the Entity List, there was an impairment to the Company's goodwill intangible asset that resulted in a write down from US $253 million as of March 2024 to US $154 million as of June 2024.

(b) Liabilities

61. As at December 31, 2023, Sandvine's consolidated financial statements included total liabilities of approximately US $628 million, comprised of total current liabilities of approximately US $91 million and total non-current liabilities of approximately US $536 million, consisting mainly of amounts then outstanding under its Credit Agreements (defined below).

64. As at September 30, 2024, Sandvine's shareholder's equity totaled approximately negative US $283 million.

(d) Capital Structure[1]

65. Prior to June 2024, the Company's primary debt obligations consisted of two secured credit facilities, which were jointly issued to Sandvine Canada and Procera US, as Borrowers (the "**Borrowers**"), totaling approximately US $504 million in debt, plus accruing interest as follows:

Agreement	Parties	Maturity Date	Amount	Outstanding Principal prior to June 28, 2024
"**First Lien Credit Agreement**" dated November 2, 2018 (as amended), a copy of which conformed up to Amendment No. 8 is attached hereto	Borrowers, "**First Lien Guarantors**",[2] the Lenders party thereto (the "**First Lien Lenders**"), and Jefferies Finance LLC ("**Jefferies**"), as Administrative Agent and Collateral Agent	November 3, 2025 (Term Loan)	Term loans up to US $400 million and revolving loans and letters of credit up to US $23 million	Term Loan: US $394,369,555.07 Revolving Loan: not drawn, but securing approximately US $2.7 million in

[1] All capitalized terms not otherwise defined in this section have the meanings given to them in the First Lien Credit Agreement.

[2] Procera I LP (later known as Sandvine, LP) and Procera Cayman Ltd. (collectively, the "**TopCo Partnership Guarantors**"), Procera Holding, Procera II LP, any other Subsidiary of the TopCo Partnership Guarantors that directly or indirectly owns a Borrower (other than Sandvine UK), and any Restricted Subsidiary that has guaranteed the Obligations pursuant to the Guaranty (First Lien Guaranty). Following the Reorganization, the TopCo Partnership Guarantors are in the process of being dissolved.

"**Second Lien Credit Agreement**" dated November 2, 2018. 66. On June 28, 2024, Sandvine completed the June 2024 Reorganization (discussed in further detail below), pursuant to which the Lenders became the ultimate owners of the Company. As part of the June 2024 Reorganization, the Borrowers, the TopCo Partnership Guarantors, Procera II GP Ltd., Procera II LP, and the Second Lien Lenders, entered into an Exchange Agreement dated as of June 28, 2024 (the "**Exchange Agreement**"), pursuant to which the Obligations under the Second Lien Credit Agreement were settled and extinguished in exchange for (a) the issuance by the Borrowers of US $18 million of Term Loans under the amended First Lien Credit Agreement to the Second Lien Lenders (on a *pro rata* basis), and (b) the issuance of Class C limited partner interests in Procera II LP to the Second Lien Lenders (on a *pro rata* basis). A copy of the Exchange Agreement without schedules or signature pages is attached hereto as **Exhibit "D"**.

[3] The revolving commitment has since been reduced to $0. Therefore, there is no longer a revolving loan and such letter of credit commitments have been cash collateralized.

[4] TopCo Partnership Guarantors, Procera Holding, Procera II LP, any other Subsidiary of the TopCo Partnership Guarantors that directly or indirectly owns a Borrower (other than Sandvine UK), and each Restricted Subsidiary that has Guaranteed the Obligations pursuant to the (Second Lien) Guaranty.

67. Consequently, the Company's debt obligations following the June 2024 Reorganization consisted of term loans in the principal amount of approximately US $412 million under the First Lien Credit Agreement.

68. Additionally, on June 26, 2024, the Borrowers and Jefferies entered into a Cash Collateral Agreement whereby the Borrowers: (a) terminated the revolving credit facility provided by the First Credit Agreement and (b) cash collateralized the 11 outstanding letters of credit totaling approximately US $2.7 million that were previously backstopped by the revolving facility.

69. As of September 30, 2024, only 10 of the outstanding letters of credit remained, totaling approximately US $2.4 million. In addition, the Company had another six (6) outstanding letters of credit issued by TD Bank totaling approximately US $4.5 million that have been cash collateralized. All of the 16 letters of credit were issued to secure future performance obligations by Sandvine for products and services pre-paid by its customers. Fifteen of these letters of credit were issued with respect to a customer located in Egypt and the other letter of credit was issued with respect to a customer based in Algeria.

pursuant to which Seaport Loan Products LLC and Acquiom Agency Services LLC replaced Jefferies as the administrative agents and collateral agent, as applicable, under the First Lien Credit Agreement (collectively, solely in such capacities, the "**First Lien Agents**"). Jefferies also assigned all security interests it was granted in its capacity as agent under the First Lien Credit Agreement to the applicable First Lien Agents pursuant to the Successor Agent Agreement and other related documents.

E. Background to CCAA Proceedings

(a) Entity List Designation

79. On February 27, 2024, BIS added Sandvine Canada and certain of the other Applicants to the Entity List due to matters relating to customers located in certain foreign jurisdictions. As a result, the Company was restricted in its ability to procure from its vendors and suppliers the hardware, software, and technology critical to its core business operations.

80. Immediately following the Entity List designation, Sandvine requested an emergency authorization that would allow it to receive critical updates for certain of its software. On March 28, 2024, BIS granted the emergency authorization which provided Sandvine with interim relief from the effects of the Entity List designation. The emergency authorization was initially set to expire on September 30, 2024, however, on September 23, 2024, BIS extended the emergency authorization through December 31, 2024.

81. While the emergency authorization allowed Sandvine to continue to provide support to its incumbent customers, it did not provide relief that would allow Sandvine access to certain items, including hardware, that are critical to Sandvine's business. In addition to the request for

emergency authorization, Sandvine submitted several additional license applications, some of which were approved and others of which were returned without further action. Despite receiving this provisional, interim relief, the Applicants' bookings were adversely impacted due to incumbent customers pausing purchases from Sandvine, prospective customers ceasing engagement with Sandvine, and Sandvine's inability to procure hardware to fulfill certain orders. In addition, Sandvine initially was not accepting purchase orders from customers in potential exit countries as it analyzed the business changes necessary for removal from the Entity List.

82. In addition to coordinating and communicating with BIS and other U.S. government officials to obtain interim relief from the immediate effects of the Entity List designation, Sandvine undertook steps to address the concerns of BIS which led to its placement on the Entity List, including committing to ceasing its sales and operations in Egypt. Specifically, Sandvine committed to terminating the provision of its services by March 31, 2025 for government of Egypt customers and December 31, 2025 for non-governmental Egyptian communications companies. Sandvine took these proactive steps despite the fact that its 2023 sales and operations in Egypt accounted for 13% of its revenue in 2023. To ensure continuity of internet services, Sandvine is unable to cease its operations in Egypt on a more accelerated timeline. The scheduled termination dates for Egyptian sales and operations reflect Sandvine's commitment to exiting the jurisdiction in a responsible manner.

83. In parallel, Sandvine began a review of all countries in which it conducts business. Based on this review, and in light of the U.S. government's concerns regarding the potential for Sandvine's technologies to be misused, Sandvine determined that it would exit jurisdictions categorized as "non-democratic," as defined in the Economist Intelligence Unit's 2023 Democracy Index. These jurisdictions in which Sandvine operates include: Algeria, Angola, Armenia,

Azerbaijan, Bahrain, Ecuador, El Salvador, Fiji, Haiti, Hong Kong, Iraq, Jordan, Kenya, Mexico, Morocco, Nigeria, Rwanda, Saudi Arabia, Senegal, Turkey, United Arab Emirates, Uzbekistan, and Vietnam (the "**Additional Terminated Jurisdictions**"). Sandvine is currently in the process of exiting these 23 Additional Terminated Jurisdictions (excluding Egypt), with its end-of-service date for these jurisdictions scheduled for December 31, 2025.[8] As with Egypt, Sandvine's scheduled exit date reflects a commitment to exit the Additional Terminated Jurisdictions in a responsible manner to minimize the likelihood of disrupting internet connectivity for tens or hundreds of millions of people.

84. To effect an orderly termination of its services in these exit jurisdictions, Sandvine sent letters to its customers in Egypt and the Additional Terminated Jurisdictions informing them that Sandvine will stop selling products and services and providing support or maintenance services by the scheduled exit date. For the Additional Terminated Jurisdictions, Sandvine will provide products and services necessary to maintain network continuity up until the exit date, subject to the Customer's compliance with the Sandvine EULA.[9]

85. As an additional measure to prevent any future misuse of its products and technologies, Sandvine adopted an updated methodology (which continues to evolve and be further developed) to refine its business review process. This revised process includes integrating into its Business Ethics Committee's review framework and process reputable, third-party indices that will allow the Company to focus on specific risks of misuse associated with its products. Sandvine believes

[8] Sandvine has already ceased operating in Hong Kong as of June 2024.

[9] Where Sandvine's agreement with a reseller or distributor customer includes other countries as well as Additional Terminated Jurisdictions, Sandvine will require a signed amendment to remove the relevant Additional Terminated Jurisdictions from the territories that are included in that agreement, to be effective as of the relevant exit date.

this measure will help ensure it applies more rigorous scrutiny to its commercial relationships going forward.

86. After adopting these and other measures, on May 1, 2024, the Company submitted a delisting petition to BIS to request its permanent removal from the Entity List. On September 19, 2024, following several meetings with BIS and other key members of the U.S. government, the Company announced its commitment to effect the changes to its business model and governance described above. In addition, the Company agreed to make certain additional commitments to solidify its position as a technology solution leader within democracies. These commitments include:

(a) donating 1% of its future profits to organizations dedicated to protecting internet freedom and remediating instances of human rights and digital abuse as of 2025;

(b) retaining and consulting with outside advisors with deep expertise in understanding the global risks to digital rights, including by adding a senior advisor who will report directly to the board of directors to counsel on emerging risks and help prevent future product misuse, as well as help the Company better engage non-governmental organizations and civil society to facilitate the protection of basic freedoms on the internet. This senior advisor will also report to the Company's Human Rights Committee;

(c) instituting a new program that prioritizes human rights due diligence to monitor for reports and signs of product misuse by customers in the countries where Sandvine intends to remain;

(d) scrutinizing relevant business decisions through the Business Ethics Committee, which will seek input from outside policy advisors, as well as outside counsel who have significant prior government experience combatting human rights abuses;

(e) engaging with human rights groups and other stakeholders, including those recommended by the U.S. Department of State, prior to expanding business operations to new jurisdictions;

(f) having better relationships and consultations with civil society and affected stakeholders, both to understand how the Company can support digital rights and to understand the risks of future geopolitical and human rights risks; and

(g) selecting a new CEO with human-rights focused leadership.

87. These commitments were announced in a press release issued by the Company on September 19, 2024 and the Company is in the process of implementing and fulfilling these commitments. A copy of the September 19, 2024 press release is attached hereto as **Exhibit "L"**.

88. On October 21, 2024, after Sandvine met certain conditions and agreed to meet certain ongoing operational commitments, the Department of Commerce announced the removal of Sandvine from the Entity List, which was followed by a formal update to the Federal Register, reflecting Sandvine's removal from the Entity List, effective October 23, 2024. Copies of the announcement of Sandvine's removal from the Entity List and the update to the Federal Register are attached hereto as **Exhibits "M"** and **"N"**.

(b) Efforts to Right-Size Business

89. Over the last two years, Sandvine has been in the process of simplifying its business and focusing its investments on its differentiated software products and its go-to-market capabilities. This simplification led Sandvine to move away from selling hardware platforms within its target markets, providing customers with more flexibility with their hardware platform decisions. By early 2024, Sandvine had substantially progressed its transition away from the sale of hardware products. Sandvine expects that it will have very little hardware sales starting in FY25.

90. Given the significant loss of revenue arising from exiting the Additional Terminated Jurisdictions, Sandvine has taken additional steps over the past six months to streamline its operations in order to right-size its business. Among other things, the Company has:

(a) Reduced its workforce by approximately 40% since early 2024;

(b) Focused product development investments on its traffic classification capabilities, its core differentiation in the marketplace;

(c) Directed go-to-market investments at target countries and customers;

(d) Accelerated its transition to software only products; and

(e) Launched simplified solution bundles for certain small telco operators and certain enterprise segments.

(c) The June 2024 Reorganization

91. Due to the significant negative impact of unexpectedly being placed on the Entity List, the Company faced acute short-term liquidity challenges. By April 2024, the Company became aware

that it would fail to: (a) make a mandatory prepayment of its first lien term loans by May 6, 2024, as required pursuant to the First Lien Credit Agreement; and (b) deliver, by the May 29, 2024 deadline, audited financial statements for fiscal year 2023 without a going-concern qualification, as required under the First Lien Credit Agreement and the Second Lien Credit Agreement. Recognizing that its need to preserve cash amid its impending liquidity crisis (as described in more detail below) would render it unable to meet the obligations set forth in the First Lien Credit Agreement and Second Lien Credit Agreement (collectively, the "**Credit Agreements**"), the Company engaged legal and financial advisors to assist in exploring a range of strategic alternatives. With the assistance of these professionals, the Company entered into negotiations with its then First Lien Lenders and Second Lien Lenders (the "**Lenders**"). The focus of these negotiations was on arriving at a potential consensual out-of-court reorganization of Sandvine.

92. In the course of its June 2024 Reorganization negotiations, the Applicants entered into forbearance agreements with the First Lien Lenders on or about May 6, 2024 (the "**1L Forbearance Agreement**") and with the Second Lien Lenders on or about May 28, 2024 (the "**2L Forbearance Agreement**", and together with the 1L Forbearance Agreement, the "**Forbearance Agreements**") in order to address prospective defaults under the Credit Agreements. The 1L Forbearance Agreement provided that the Lenders would refrain from enforcing their rights under the Credit Agreements until May 20, 2024. The 2L Forbearance Agreements provided that the Lenders would refrain from enforcing their rights under the Credit Agreements until June 17, 2024. The term of each Forbearance Agreement was subsequently extended to June 28, 2024, while the June 2024 Reorganization negotiations remained ongoing.

93. In addition to entering into the Forbearance Agreements, the Applicants entered into Amendment No. 5 to the First Lien Credit Agreement, pursuant to which the First Lien Lenders

agreed that the Company's failure to make the mandatory prepayment under the First Lien Credit Agreement would not be an event of default, and that such mandatory payment would not become due until the 1L Forbearance Agreement was terminated.

94. Ultimately, the Company successfully completed the June 2024 Reorganization on June 28, 2024 and the Lenders acquired the Company through the execution of Amendment No. 6 to the First Lien Credit Agreement. As part of the June 2024 Reorganization:

(a) the First Lien Lenders agreed to certain modifications of their US $394 million (plus interest and fees) first lien debt facility, including (i) a reduction of the interest rate to 2% per annum, payable quarterly in cash and (ii) an extension of the maturity date from November 2025 through June 28, 2027. In exchange, the First Lien Lenders received (i) units representing 100% of the voting rights in Procera II LP and 80% of the economic rights in Procera II LP and (ii) 100% of New Procera GP Company's units; and

(b) the Company extinguished all of its US $110 million outstanding second lien term loans under the Second Lien Credit Agreement (plus accrued and unpaid interest) in exchange for (i) US $18 million (approximately 4.5%) of incremental term loans under the amended First Lien Credit Agreement (all loans under the as-amended First Lien Credit Agreement, collectively, the "**Existing Loans**") and (ii) 20% of Procera II LP's economic, non-voting units.

95. Although the liquidity crisis and prospective default led the Company to pursue the June 2024 Reorganization, the Company and the Lenders recognized early in negotiations that the Company needed to preserve liquidity and minimize restructuring expenses until the outcome of

the delisting process and the future of the Company became clearer, and that, as a result, a change of control transaction that gave the Lenders control of the Company would be value maximizing and the best path forward for Sandvine.

96. The Company's corporate structure following the June 2024 Reorganization mirrored the Company's historic holding structure and includes two relevant entities for current governance purposes: New Procera GP Company, a Cayman Islands limited liability company and Procera II LP, a Cayman Islands exempted limited partnership. As part of the June 2024 Reorganization, 100% of the equity interests in New Procera GP Company were issued to the Company's former First Lien Lenders on a *pro rata* basis, and the equity interests in Procera II LP were issued to the former First Lien Lenders (which lenders received, on a *pro rata* basis, equity interest representing an aggregate of 80% of economic rights and 100% of voting rights) and former Second Lien Lenders (which lenders received, on a *pro rata* basis, equity interest representing an aggregate of 20% of economic rights).

97. As previously discussed, New Procera GP Company is the general partner of Procera II LP. Following the June 2024 Reorganization, a new suite of directors was appointed. This new board of directors sit at New Procera GP Company. This board controls the corporate decisions of both New Procera GP Company and Procera II LP and therefore the Company. New Procera GP Company's general partner interest in Procera II LP is non-economic.

(d) The October 2024 Financing and Restructuring

98. Following the June 2024 Reorganization, the Company continued its efforts to seek removal from the Entity List. In addition, although the June 2024 Reorganization addressed prospective near-term defaults under the Credit Agreements and provided the Lenders with

ownership of the Company, it did not fully address the Company's overleveraged financial position and go-forward liquidity needs. The Lenders and the Company were aware, at the time of the June 2024 Reorganization, that a further "step 2" restructuring would likely be necessary for the Company to address the impact of the Entity List designation and continue operating on a going-concern basis.

99. In August 2024, after a review of its financial position and given the uncertainty attributable to the delisting process, the Company concluded it would be necessary, in order for it to continue operating as a going-concern business, to receive an additional liquidity injection before the end of September 2024. Given the Company's Entity List designation and its challenging financial position, any new money financing provider would likely have demanded that its new money loans be secured on a super-priority basis, senior in lien and payment priority to the Existing Loans.

100. Pursuant to the terms of the First Lien Credit Agreement, such super-priority financing would require the consent of all the Lenders that continued to hold the Existing Loans following the June 2024 Reorganization (in their capacity as such, the "**Existing Loan Lenders**"), unless any non-consenting Existing Loan Lender was offered the opportunity to participate in such financing and declined. Recognizing that the Existing Loan Lenders would not agree to subordinate the Existing Loans to a third party lender, and upon concluding that the most viable source of new money financing was the Existing Loan Lenders and that the support of such Existing Loan Lenders to the eventual restructuring transaction was critically important, the Company, with the assistance of its financial and legal advisors, exercised its reasonable business judgment and determined to engage the Existing Loan Lenders in negotiations to source the new money financing.

101. In early September 2024, the Company invited all interested Existing Loan Lenders to enter into non-disclosure agreements that would allow the Company to share sensitive updates regarding its performance, and the delisting process. All but two Existing Loan Lenders agreed to enter into these non-disclosure agreements. On September 10, 2024, the Company, through its advisors, presented to those restricted Existing Loan Lenders the terms of a proposed restructuring, which terms included the request for an additional US $45 million in new money financing. The proposed restructuring also contemplated that the new money financing would be backstopped by interested Existing Loan Lenders, provided that the Existing Loan Lenders execute a backstop commitment letter on or before September 13, 2024. As discussed in more detail below, the Backstop Parties (as defined below) executed the Commitment Letter (as defined below) on September 13, 2024 to fully backstop the US $45 million of new money financing in exchange for the Backstop Premium (as defined below).

102. Thereafter, the Company engaged in further discussions with the interested Existing Loan Lenders on the terms of a comprehensive restructuring. These negotiations led to the Company and holders of 97% of the Existing Loans (such Existing Loan Lenders, the "**Consenting Stakeholders**") executing the RSA, the DDTL Credit Agreement, and other ancillary documents that document a set of comprehensive financing and restructuring transactions (the "**Restructuring Transactions**") on October 2, 2024. The Restructuring Transactions were intended to be implemented either through a CCAA proceeding and accompanying Chapter 15 proceeding or otherwise through another process mutually agreeable to the Company and the Required Consenting Stakeholders (as defined in the RSA).

(i) The RSA

103. The Restructuring Transactions are set forth in the RSA and the term sheet attached thereto (the "**Restructuring Term Sheet**"). Pursuant to the RSA and subject to the conditions specified therein, the Consenting Stakeholders agreed, among other things, to support the Restructuring Transactions, which contemplate:

(a) **The Financing of a DDTL Facility**. The Restructuring Transactions contemplate the Consenting Stakeholders (i) committing to fund delayed draw term loans for a facility ("**DDTL Facility**") in the aggregate principal amount of US $50 million (inclusive of the US $45 million of new money commitments (the "**DDTL Tranche A Commitments**") and US $5 million of loans net funded on account of the Backstop Premium (as described below)) (the loans issued thereunder, collectively, the "**DDTL Tranche A Loans**"), and (ii) exchanging Existing Loans held by the Existing Loan Lenders that made DDTL Tranche A Commitments (the "**DDTL Tranche A Commitment Parties**") on a dollar-for-dollar basis into loans under the DDTL Facility in an aggregate principal amount of US $75 million (the "**DDTL Tranche B Loans**") (each DDTL Tranche A Commitment Party was allowed to exchange US $5 of its Existing Loans for each US $3 of DDTL Tranche A Commitments it made (the "**Uptier Exchange**")). The DDTL Tranche A Loans rank *pari passu* in lien and payment priority with the DDTL Tranche B Loans, and both tranches are senior in lien and payment priority to the Existing Loans.

(b) **DIP Financing**. By entering into the RSA, the DDTL Tranche A Commitment Parties agreed to fund the financing facility in place following the commencement

of any CCAA proceedings (or such other restructuring process commenced in accordance with the RSA) in an aggregate principal amount equal to their unfunded DDTL Tranche A Commitments as of the commencement date of any such proceedings (such commitments, the "**DIP Financing Commitments**").

(c) **A DDTL Commitment Fee**. In exchange for the DDTL Tranche A Commitments, 50% of the common equity of the top holding entity of the Company (or a successor entity following the Restructuring Transactions, including an entity that directly or indirectly acquires substantially all of the business assets of the Company) ("**NewCo**", and such common equity, "**NewCo Common Equity**") (subject to dilution of any management incentive plan) will be issued to the DDTL Tranche A Commitment Parties on the effective date of the Restructuring Transactions (the "**Transaction Effective Date**").

(d) **Recapitalization**. As set forth in the RSA, the Company contemplated potentially commencing proceedings under the CCAA, with accompanying Chapter 15 recognition proceedings, to effectuate the Restructuring Transactions. In the event that the transaction proposed by the Consenting Stakeholders is the successful bid in the proposed sale process (as described in further detail below), the RSA provides that, on the Transaction Effective Date, (i) all DDTL Tranche A Loans, DDTL Tranche B Loans, and DIP Loans will be exchanged for loans under a new first lien exit financing facility on a dollar-for-dollar and *pari passu* basis, (ii) all remaining Existing Loans will be exchanged for 50% of the NewCo Common Equity (subject to dilution by any management incentive plan) (in the case of (i) and (ii), in full satisfaction thereof), and (iii) all general unsecured claims and

existing equity interests in New Procera GP Company and Procera II LP will be cancelled for no consideration.

(e) **A Forbearance**. Subject to the terms and conditions set forth in the RSA, the Consenting Stakeholders agreed to forbear from exercising any rights to enforce remedies based on any default under the First Lien Credit Agreement and other debt documents.

104. A copy of the RSA is attached hereto as **Exhibit "O"**. The RSA contemplates the following timeline for implementation of the Restructuring Transactions in the event of a CCAA and Chapter 15 restructuring process (which may be extended by the Required Consenting Stakeholders):

Event	Date
CCAA Filing Date	Not later than November 15, 2024
Transaction Approval Order Issued	Not later than 90 days after the CCAA Filing Date
Entry of an Order by the Chapter 15 Court giving effect to the Transaction Approval Order	Not later than 30 days after the Transaction Approval Order is issued
Transaction Effective Date	Not later than 120 days after the CCAA Filing Date

105. The RSA provides that the contemplated Restructuring Transactions may be implemented pursuant to an approval and reverse vesting order in the CCAA proceedings, unless the Company and the Required Consenting Stakeholders otherwise elect to implement the Restructuring Transactions through an approval and vesting order or a plan in the CCAA proceedings (or such other process commenced in accordance with the RSA). In any such case, such Restructuring Transactions will be on substantially the same terms as set forth in the RSA.

106. Importantly, a material default under the RSA would allow the requisite Consenting Stakeholders to terminate the RSA and the forbearance granted by the Consenting Stakeholders thereunder and cause an "Event of Default" under the DDTL Credit Agreement, such that the Consenting Stakeholders, in their capacity as lenders under the DDTL Credit Agreement, could accelerate and take enforcement steps with respect to all outstanding principal and interest amounts under the DDTL Credit Agreement. Such an acceleration would be an Event of Default under the First Lien Credit Agreement and the Existing Loan Lenders could then accelerate and take enforcement steps with respect to all outstanding principal and interest amounts under the First Lien Credit Agreement.

107. Given the substantial benefits of the Restructuring Transactions, I believe that the proposed Restructuring Transactions currently represent the best available path forward to right-size the Company's balance sheet, position the Company to continue as a going-concern, maximize the value of its businesses for the benefit of all stakeholders, and enable the Company to continue serving customers across the world. With the RSA serving as the backbone for its path forward, the Company expects to use the time and tools afforded by the CCAA and Chapter 15 proceedings to further develop and implement its go-forward business plan. Moreover, I understand that the Company's obligations under the RSA are subject to a fiduciary out, and will be subjected to a marketing process, which ensures that the Company is able to continue considering all offers received during the restructuring proceedings.

(ii) DDTL Facility

108. As mentioned above, the Existing Loan Lenders that chose to be restricted were offered the opportunity to commit to backstopping the DDTL Tranche A Commitments. Any Existing

Loan Lender that intended to backstop these DDTL Tranche A Commitments was required to execute a commitment letter (the "**Commitment Letter**") on or prior to September 13, 2024. Eleven of the Existing Loan Lenders (each of which manages or advises one or more of the funds or accounts that are beneficial owners of the Existing Loans), comprising all of the Consenting Stakeholders, became party to the Commitment Letter and fully backstopped the DDTL Tranche A Commitments (in such capacity, the "**Backstop Parties**"). In exchange for their backstop commitment, the Backstop Parties received US $5 million (the "**Backstop Premium**") in cash payable on the closing date of the DDTL Facility (the "**DDTL Closing Date**"), which was net funded from the loans such Backstop Parties would fund on such date.

109. The terms of funding under the DDTL Facility are documented in a Super-Senior Credit Agreement dated as of October 2, 2024 (the "**DDTL Credit Agreement**") by and among Sandvine Canada and Procera US, in their capacity as borrowers thereto, Procera II LP, as the ultimate parent, the lender parties thereto, Seaport Loan Products LLC, as co-administrative agent, and Acquiom Agency Services LLC as co-administrative agent and collateral agent (collectively, solely in such capacities, the "**DDTL Agents**"), a copy of which without schedules or signature pages is attached hereto as **Exhibit "P"**. The security granted pursuant to the DDTL Credit Agreement includes all of the Applicants' collateral, subject to certain customary exceptions. The DDTL Facility has a maturity of one year from the date of issuance and any loans thereunder are subject to an interest rate of SOFR + 9%, paid in cash semi-annually. In order to draw on the DDTL Facility, the Company must not be in default under the RSA.

110. Additionally, the DDTL Agents and First Lien Agents, Sandvine, and Procera US entered into an intercreditor agreement (the "**Intercreditor Agreement**") dated as of October 2, 2024 that sets out the relative priority of the parties' security interests. A copy of the Intercreditor Agreement

is attached hereto as **Exhibit "Q"**. Pursuant to the Intercreditor Agreement, the DDTL Tranche A Loans and the DDTL Tranche B Loans rank senior in lien priority to the Existing Loans.

111. On October 2, 2024, the Existing Loan Lenders constituting "Required Lenders" under the Existing Credit Agreement also executed Amendment No. 8 to the First Lien Credit Agreement ("**Amendment No. 8**") with Sandvine Canada and Procera US, a copy of which is attached hereto without schedules as **Exhibit "R"**. Amendment No. 8 permits the Restructuring Transactions (including the incurrence of the DDTL Facility) and implements the Uptier Exchange.

112. On October 2, 2024, Sandvine Canada and Procera US made an initial draw under the DDTL Facility in the amount of US $20 million, which draw included the US $5 million net funded Backstop Premium. The current outstanding principal amount under the DDTL Facility is US $20 million. The following table summarizes Sandvine's current significant non-trade debt listed by priority of payment:

	Type	**Borrowers**	**Guarantors**	**Maturity Date**	**Outstanding Principal Amount**
DDTL Credit Agreement	Non-revolving, super-senior secured delayed-draw term	Sandvine Canada; Procera US	Procera II LP; Procera Holding; Sandvine UK; Sandvine OP (UK) Ltd.; and Sandine Sweden	October 3, 2025	DDTL Tranche A Loans: US $20 million DDTL Tranche B Loans: US $75 million
First Lien Credit Agreement	Non-revolving, first lien term loan facility	Sandvine Canada; Procera US	Procera II LP; Procera Holding; Sandvine UK; Sandvine OP (UK) Ltd.; and Sandvine Sweden	June 28, 2027	US $336,802,432.45

(iii) Miscellaneous Amendments to the First Lien Credit Agreement

113. In the course of the restructuring negotiations, the Company and the Existing Loan Lenders further amended the First Lien Credit Agreement. On August 28, 2024, certain Existing Loan Lenders constituting the "Required Lenders" under the First Lien Credit Agreement entered into the seventh amendment to the First Lien Credit Agreement ("**Amendment No. 7**") with Sandvine Canada and Procera US, which amendment granted the Borrowers an extension of time to deliver the unaudited balance sheet and unaudited consolidated statements of income and cash flows for the fiscal quarter ending June 30, 2024. A copy of Amendment No. 7 without signature pages is attached hereto as **Exhibit "S"**.

114. On October 4, 2024, 100% of the "Lenders" under the First Lien Credit Agreement executed the ninth amendment to the First Lien Credit Agreement ("**Amendment No. 9**") with Sandvine Canada and Procera US, which amendment extended the interest payment date applicable to the September 30, 2024 scheduled interest payment to December 31, 2024. A copy of Amendment No. 9 without signature pages is attached hereto as **Exhibit "T"**.

(iv) DIP Financing

115. Pursuant to the terms of the RSA, the DDTL Tranche A Commitment Parties committed to provide the DIP Financing Commitments in an aggregate principal amount equal to the then unfunded portion of the DDTL Facility, which is US $30 million. The terms of the DIP Facility set out in the Restructuring Term Sheet have been documented in the Amendment No. 1 to Super Senior Credit Agreement, dated as of November 6, 2024, by and among Sandvine Canada and

Procera US, as borrowers, and the lenders party thereto (the "**First DDTL Amendment**"), which amended the DDTL Credit Agreement and re-titled it as "Super-Senior Debtor-in-Possession Credit Agreement" (as further amended, amended and restated, supplemented, or otherwise modified from time to time, the "**DIP Credit Agreement**"), by and among Sandvine Canada and Procera US, as borrowers, Procera II LP, as ultimate parent, the Specified Term Lenders (as defined in the DIP Credit Agreement), the Delayed Draw DIP Term Lenders (as defined in the DIP Credit Agreement) (the "**DIP Lenders**"), Seaport Loan Products LLC, as co-administrative agent, and Acquiom Agency Services LLC, as co-administrative agent and collateral agent (solely in such capacity, the "**DIP Agents**"). A copy of the First DDTL Amendment without signature pages or schedules is attached to this affidavit as **Exhibit "U"**. A copy of the DIP Credit Agreement without signature pages or schedules is attached to this affidavit as **Exhibit "V"**.

116. As set forth in the DIP Credit Agreement, the DIP Facility will have a maturity of 366 days from the date of effectiveness of the First DDTL Amendment and any loans thereunder will be subject to an interest rate of SOFR + 9%, paid in cash semi-annually. The DIP Facility will also have a commitment fee of 1% per annum on the unused portion of the DIP Facility which will be payable quarterly in arrears.

117. As contemplated in the Restructuring Term Sheet, the DIP Loans will be *pari passu* in lien and payment priority to the DDTL Tranche A Loans and DDTL Tranche B Loans and senior in lien priority to the Existing Loans. This priority waterfall is reflected in the terms of the proposed Initial Order. In order to draw on the DIP Facility, the Company must not be in default under the RSA.

118. The DIP Credit Agreement requires the Applicants to pursue a sale and investment solicitation process as part of these CCAA proceedings in accordance with the following milestones:

Event	Date
Receipt of non-binding letters of intent for potential sale, investment and/or restructuring transactions	Not later than December 18, 2024
Receipt of binding bids for potential sale, investment and/or restructuring transactions	Not later than January 27, 2025
Closing of transaction(s)	Not later than March 21, 2025

119. After taking into account the projected costs of the CCAA and Chapter 15 proceedings and anticipated revenues to be generated by the Company's ordinary course operations as it continues to implement is exit from the Additional Terminated Jurisdictions, I believe the Company will need access to debtor-in-possession financing to continue to operate its business and administer its insolvency proceedings. Although the Company's cash flow projections do not demonstrate a need for a draw on the DIP Facility prior to the Comeback Hearing, the Company is seeking approval of the First DDTL Amendment and the DIP Credit Agreement in the Initial Order to provide necessary certainty and stability for the Company and its stakeholders that there will be funding available to complete the transactions contemplated by the RSA (including any superior transaction received as part of the sale process). As such, the Company is seeking immediate court approval of the DIP Facility provided by the DIP Lenders and approval of a DIP Charge, but will not seek authorization to draw on the DIP Facility until the Comeback Hearing. The Company has no other immediate options or prospects to provide it with the liquidity it requires during its

restructuring proceedings. Without access to the DIP Facility, I believe the Company's ability to continue operating its business on an uninterrupted basis and its ability to utilize the CCAA and Chapter 15 proceedings to pursue a value-maximizing restructuring transaction would be jeopardized.

(v) Proposed Transaction and Exit Financing

120. The RSA and Restructuring Term Sheet provide for Restructuring Transactions with the Consenting Stakeholders that would result in a very significant reduction in the Company's funded debt obligations and a new ownership structure of the Company's business assets. The proposed Restructuring Transactions provide that, on the Transaction Effective Date (as defined in the RSA):

(a) the following loans will be converted into and exchanged for approximately US $125 million in exit facility term loans (the "**Exit Facility Loans**") on dollar-for-dollar and *pari passu* basis: (i) outstanding DDTL Tranche A Loans and outstanding loans under the DIP Facility (up to US $50 million in the aggregate), and (ii) outstanding DDTL Tranche B Loans (US $75 million in the aggregate);

(b) the DDTL Tranche A Commitment Parties (or their designees) shall receive the DDTL Commitment Fee (i.e. 50% of the NewCo Common Equity subject to dilution by the management incentive plan);

(c) the US $337 million in Existing Loans remaining will be exchanged for 50% of the NewCo Common Equity, subject to dilution by the management incentive plan;

(d) Intercompany Claims and Intercompany Interests (both as defined in the Restructuring Term Sheet) will be retained or otherwise addressed in accordance with the Restructuring Term Sheet, without any distribution on account of such claims or interests;

(e) All General Unsecured Claims not assumed or retained will be released and extinguished; and

(f) All existing equity interests in Procera II LP and New Procera GP Company will be canceled with no consideration paid.

121. The RSA provides that the contemplated restructuring transaction may be implemented pursuant to an Approval and Reverse Vesting Order in the CCAA proceedings, unless the Company Parties and the Required Consenting Stakeholders otherwise elect to implement the restructuring transactions through an Approval and Vesting Order or a Plan in the CCAA proceedings (or such other process commenced in accordance with the RSA).

122. As discussed further below, the draft order approving the SISP (defined below) authorizes Sandvine to enter into a transaction agreement with the Consenting Stakeholders (or their designees) on substantially the economic terms set out in the Restructuring Term Sheet (the "**Stalking Horse Transaction Agreement**").

123. Without the proposed restructuring, injection of liquidity and CCAA protections, Sandvine will not be in a position to satisfy its obligations in the ordinary course.

F. Urgent Need for Relief under the CCAA

124. The Company expects to incur significant costs as well as reduced revenues as it restructures its operations. The countries Sandvine is exiting represent 47% of its FY23 bookings and 45% of 2023 revenue. Sandvine's bookings are projected to drop from US $180 million in 2023 to approximately US $80 million in 2024. Additionally, Sandvine expects that exits from certain countries will also impact its ability to collect on certain existing accounts receivable.

125. The RSA requires that Sandvine commence a restructuring process by November 15, 2024, failing which the Consenting Stakeholders can accelerate and take enforcement steps with respect to all outstanding principal and interest amounts under the First Lien Credit Agreement and the DDTL Facility. Sandvine cannot pay or otherwise satisfy such amounts.

126. The Applicants urgently require the protections provided by the CCAA including the stability and access to funding provided by the DIP Facility. The Applicants require the breathing room afforded by the CCAA to engage with their principal stakeholders, implement the process to exit the Additional Terminated Jurisdictions, right-size their business and capital structure to accommodate for the reduction in their customer base, and conduct the proposed sale process with the benefit of the stability created by the committed exit transaction proposed by the Consenting Stakeholders.

127. An abrupt cessation of Sandvine's business could threaten the stability and security of telecommunications and Internet networks worldwide, affecting millions of civilian internet users as well as Sandvine's many significant customers with broad consumer bases that are located and operate in Canada. This could quickly result in Sandvine customers experiencing disruptions to essential services, leading to the potential for cascading failures for Sandvine's customers,

including widespread outages, instability, congestion, and increased susceptibility of critical systems to cyber-attacks. Sandvine's products are tightly integrated into customer networks. It is difficult, and typically takes at least six months, and in many cases twelve to eighteen months, for customers to qualify and switch to alternate vendors' solutions.

128. In addition to the impact on global communications, Sandvine's products perform functions that provide their customers' subscribers with services that are essential to maintaining subscriber connectivity, managing subscriber billing, allowing customers to optimize their networks and manage congestion, identifying or preventing fraud, protecting their networks, filtering illicit content, and managing customer operations.

129. The CCAA proceedings will provide the stability Sandvine requires to reconfigure its business and conduct a sale process to maximize value for its stakeholders, while continuing to provide critical services to its customers.

G. Relief Sought

130. The Applicants will be seeking various forms of relief upon commencing these CCAA proceedings, including the following:

(a) Stay of Proceedings

131. The Applicants urgently require a stay of proceedings and other protections provided by the CCAA to create the "breathing space" necessary for it to implement a restructuring for the benefit of their stakeholders. It would be detrimental to the Applicants if proceedings were commenced or rights or remedies executed against the Applicants at this critical juncture.

132. The Applicants request a stay in favour of, and an extension of the protections and authorizations of the Initial Order to Procera II LP. Procera II LP should be protected given its status as guarantor under the Credit Facilities and the ultimate parent company of the Sandvine operating entities. It is also the vehicle through which certain of the Lenders currently own the Company. The extension of the benefits of the stay and the protections and authorizations of the Initial Order to Procera II LP is necessary to maintain stability and value in the CCAA process.

133. The proposed Initial Order also extends the stay of proceedings and certain other protections of the Initial Order to the Non-Applicant Stay Parties. The Non-Applicant Stay Parties are integral to the Applicants' business, providing critical research and development, sales, customer success, and marketing services. Their functions are deeply intertwined with the global business of the Applicants. For instance, Sandvine India provides global expense report processing and accounts payable services for the whole Company. The Non-Applicant Stay Parties collectively have approximately 294 employees – more than half of Sandvine's global workforce.

(b) DIP Financing

134. Given the Company's current liquidity challenges, and as demonstrated in the Cash Flow Forecast (discussed below), the Applicants require interim financing to provide stability and to restructure their business, through the committed exit transaction or a superior transaction generated from a sale process, as part of these CCAA proceedings.

135. As described above, the DIP Lenders have agreed to provide the proposed DIP Facility up to the amount of US $30 million, in accordance with their commitments under the RSA. The Applicants are seeking approval of the DIP Facility and DIP Charge at the initial hearing to allow

the Company to provide assurance to its key stakeholders, including its vendors and customers, that it will continue to have access to necessary financing during these proceedings.

136. The DIP Facility is proposed to be secured by a Court-ordered charge (the "**DIP Charge**") on the Property (as defined in the proposed Initial Order) of the Applicants and Procera II LP. The DIP Charge will not secure any obligation that exists before the Initial Order is made. The DIP Charge will rank junior to the Administration Charge and the Directors' Charge, and have priority over all other security interests, charges and liens, except that it will rank *pari passu* to any and all amounts owed with respect to the DDTL Tranche A Loans and DDTL Tranche B Loans.

137. The Applicants do not intend to draw on the DIP Facility before the Comeback Hearing. However, the Applicants are seeking approval of the DIP Charge in conjunction with the approval of the First DDTL Amendment and the DIP Credit Agreement at the Initial Hearing to ensure that all of the authorizations required to access the DIP Facility are put in place at the commencement of these CCAA proceedings and the Applicants can seek to have the DIP Charge recognized in a timely manner in the concurrent Chapter 15 proceedings.

138. At the Comeback Hearing, the Applicants intend to request the authority to draw on the DIP Facility.

(c) Proposed Monitor

139. KSV Restructuring Inc. ("**KSV**") is the proposed Monitor (the "**Proposed Monitor**"). I am advised by Noah Goldstein, Managing Director of KSV, that KSV is a "trustee" within the meaning of section 2 of the *Bankruptcy and Insolvency Act*, and is not subject to any of the restrictions on who may be appointed as monitor set out in section 11.7(2) of the CCAA. I

understand that KSV has extensive experience acting as monitor or financial advisor to debtor companies in large insolvencies (including cross-border insolvencies) under the CCAA, including LoyaltyOne, Co., BioSteel Sports Nutrition Inc., Black Press Ltd., and Canadian Overseas Petroleum Limited.

140. The Proposed Monitor has consented to act as the Monitor of the Applicants under the CCAA. A copy of the Proposed Monitor's consent to act as Monitor is attached to my affidavit as **Exhibit "W"**.

141. I understand that the Proposed Monitor will file a pre-filing report with the Court as Proposed Monitor in conjunction with the Applicants' request for relief under the CCAA.

(d) Administration Charge

142. Pursuant to the proposed Initial Order, it is contemplated that the Proposed Monitor, along with its counsel in Canada and the U.S., counsel to the Applicants in Canada and the U.S., and GLC will be granted a Court-ordered charge on the Property of the Applicants, as security for their respective fees and disbursements (in the case of GLC, to the extent of its Monthly Advisory Fees, as defined in the GLC Engagement Letter) relating to services rendered in respect of the Applicants up to a maximum of US $2.5 million (the "**Administration Charge**") for the Initial Stay Period. The Applicants propose that the Administration Charge be increased to US $5.4 million after the Initial Stay Period. The Administration Charge is proposed to have first priority over all other charges and security interests. The quantum of the Administration Charge was developed in consultation with the Proposed Monitor.

(e) Directors' Charge

143. A successful restructuring of the Applicants will only be possible with the continued participation of its directors, officers, management, and employees. These personnel are essential to the viability of the Applicants' continuing business and the preservation of enterprise value.

144. I am advised by Marc Wasserman of Osler, Hoskin & Harcourt LLP, counsel for the Applicants, and believe that, in certain circumstances, directors can be held liable for certain obligations of a company owing to employees and government entities, which may include unpaid accrued wages and unpaid accrued vacation pay, together with unremitted sales, goods and services, and harmonized sales taxes.

145. I am also advised by Paul, Weiss, Rifkind, Wharton & Garrison LLP, U.S. counsel to the Applicants, and believe that, in certain circumstances, directors of U.S. companies may be held liable for certain obligations of a company owing to employees and government entities, which may include sales and use taxes, employee withholding and certain payroll taxes, state income taxes in a few states, 401(k) and other obligations withheld from employees, unpaid wages (including paid vacation), ERISA fiduciary obligations, and nonpayment of contractual obligations owed to certain suppliers.

146. It is my understanding that the past, present and future directors and officers of New Procera GP Company, Procera II LP and their subsidiaries are Insured Persons under the Directors & Officers Liability insurance policies, which have an aggregate limit of US $75 million, which is the combined total of US $50 million side ABC and US $25 million side A. The Company has also issued a local director/officer insurance policy that covers Sandvine Canada and its subsidiaries, which has a US $1 million limit (collectively with the U.S. policies, the "**D&O**

Insurance"). I understand that any amounts paid under the D&O Insurance reduces the amount of the aggregate limit available for any other payment and that the policies have various exceptions, exclusions and carve outs where coverage may not be available. Therefore, I do not believe that the D&O Insurance provides sufficient coverage against the potential liability that the directors and officers of the Applicants could incur in relation to these CCAA proceedings.

147. In light of the potential liabilities and the potential insufficiency of available insurance, the directors and officers of the Applicants have indicated that their continued service and involvement in these CCAA proceedings is conditional upon the granting of an Order under the CCAA which grants a charge in favour of the directors and officers of the Applicants in the amount of US $4.4 million on the Property (the "**Directors' Charge**") for the Initial Stay Period. The Applicants propose that the Directors' Charge be increased to US $5.7 million after the Initial Stay Period. The Directors' Charge would be subordinate to the proposed Administration Charge and in priority to the DIP Charge and all other security interests. The Directors' Charge would act as security for the indemnification obligations for directors' potential liabilities, as set out above. The Directors' Charge is necessary so that the Applicants may benefit from the directors' and officers' experience with the business during these CCAA proceedings. The Directors' Charge would only be relied upon to the extent of the insufficiency of existing insurance. The quantum of the Directors' Charge was developed in consultation with the Proposed Monitor.

(f) Financial Advisor

148. On June 29, 2024, Sandvine engaged GLC to: (a) assist the Company with evaluating its financial alternatives and (b) assist in developing and negotiating, and provide expert advice with respect to, the financial aspects of any potential sale transaction, restructuring, reorganization, or

recapitalization. The engagement letter for GLC is attached to this affidavit as **Exhibit "X"** (the "**GLC Engagement Letter**").

149. GLC has significant experience as a financial advisor in North American restructuring and capital market transactions, including CCAA proceedings such as Tacora Resources Inc., Essar Steel Algoma Inc. and Pengrowth Energy Corporation, and Chapter 11 proceedings such as Alpha Media Holdings LLC, Brookstone Holdings Corp., Caesars Entertainment Operating Co Inc., Guitar Center Inc., iHeartMedia, Inc., Riverbed Technology, Inc., and Toys "R" Us, Inc. The Monthly Advisory Fees (as defined in the GLC Engagement Letter) are proposed to be included in the Administration Charge, as set out in the proposed Initial Order.

150. At the Comeback Hearing, the Applicants will be seeking an additional charge in the amount of US $7 million (the "**Transaction Fee Charge**"), to secure the Transaction Fees and Discretionary Fees (as defined in the GLC Engagement Letter) and the Company's indemnification obligations under the GLC Engagement Letter. The Transaction Fee Charge will have priority over all other security interests, charges and liens, except the Administration Charge, the Directors' Charge, and the DIP Charge.

151. GLC was instrumental in assisting with the negotiations that led to the execution of the RSA and the preparations for these CCAA proceedings. GLC's continued involvement will be critical to the successful completion of a going concern restructuring transaction as part of these CCAA proceedings that will maximize value for stakeholders, including running the proposed sale process on behalf of the Company.

(g) Cash Flow Forecast

152. The Applicants, with the assistance of the Proposed Monitor, have prepared 13-week cash flow projections as required by the CCAA (the "**Cash Flow Forecast**"). A copy of the Cash Flow Forecast is attached as **Exhibit "Y"**. The cash flow projections demonstrate that the Applicants have sufficient liquidity to continue going concern operations during the Initial Stay Period should the Initial Order be granted.

153. The Applicants anticipate that the Monitor will provide oversight and assistance and will report to the Court in respect of the Applicants' actual results relative to cash flow forecast during this proceeding. Existing accounting procedures and the proposed continuation of the Cash Management System will provide the Monitor with the ability to accurately track the flow of funds and assist with any issues that may arise.

(h) Payments During these CCAA Proceedings

154. During the course of these proceedings, the Applicants intend to make payments for goods and services supplied to them post-filing in the ordinary course, as set out in the Cash Flow Forecast and as permitted by the proposed Initial Order.

155. The proposed Initial Order provides that the Applicants be authorized, with the consent of the Monitor, but not required, to make certain payments for goods and services actually supplied to the Applicants prior to the date of the Initial Order, to: (a) vendors providing hardware or software or similar products and services to Sandvine that are essential to the products and services sold and distributed by the Company to its customers; and (b) distributors and resellers of Sandvine's products and services.

156. These categories of suppliers are fundamental to continuing operations of the Applicants. For third-party suppliers other than those listed above, the draft Initial Order also proposes permitting payments in respect of pre-filing amounts up to a maximum aggregate amount of US $250,000 with the consent of the Monitor, if, in the opinion of the Applicants, the supplier is critical to the business and ongoing operations of Sandvine. At the Comeback Hearing, the Applicants will seek to increase such maximum aggregate amount to US $500,000.

(i) Chapter 15 Proceedings

157. Because the Applicants have operations, assets and valuable business in the U.S., the Applicants intend to initiate proceedings under Chapter 15 of the Bankruptcy Code seeking an order to recognize and enforce these CCAA proceedings in the U.S. and protect against any potential adverse action taken by the Applicants' U.S.-based creditors (the "**Chapter 15 Proceedings**").

158. The Applicants intend to file the Chapter 15 Proceedings in the United States Bankruptcy Court for the Northern District of Texas and, *inter alia*, seek provisional relief, including, without limitation, (a) a temporary restraining order to obtain the benefits of a stay of proceedings, and prevent the enforcement of rights and remedies against the Applicants and certain other Sandvine entities, to protect the Applicants and such other Sandvine entities and their Property from any potential action, and (b) other relief pursuant to the Bankruptcy Code.

159. As noted above, the Applicants run a consolidated business, with operations in Canada, the U.S., and around the world. Those operations, however, are functionally and operationally integrated such that the U.S. business cannot operate independently of the Canadian business and

the key services provided by the Applicants are for the benefit of all the Applicants, including the U.S. entities. The Applicants' centre of main interest is in Canada:

(a) The majority of the Company's North American employees are in Canada;

(b) The majority of the Company's assets (and in particular the majority of its IP assets, cash, customer accounts receivable, inventory, fixed assets, and real estate investments) are in Canada;

(c) The Company's general counsel resides in Canada;

(d) The Company's Accounting and A/R teams are primarily located in Canada and these teams are shared globally;

(e) Sandvine Canada issues all customer invoices for the Company;

(f) The majority of the Company's customer receipts are deposited into Sandvine Canada's Canadian bank accounts;

(g) In 2023, Sandvine Canada generated approximately two thirds of the Company's revenue;

(h) Approximately 69% of the Company's end customers contract with Sandvine Canada;

(i) The majority of the Company's patents are held by Sandvine Canada; and

(j) Sandvine Canada is party to the majority of the Company's shared services agreements.

(j) Sale and Investment Solicitation Process

160. The Company is seeking the Court's approval of a proposed sale and investment solicitation process ("**SISP**"), in the form included in the Application Record, to be approved at the Comeback Motion.[10] The proposed SISP was designed by the Company, in consultation with its legal and financial advisors and KSV in its capacity as Proposed Monitor. The SISP is a two-phase process that will be run by the Company and GLC, in consultation with the Monitor, and will solicit bids in connection with potential sale or recapitalization transactions.

161. The SISP Order authorizes Sandvine to enter into the Stalking Horse Transaction Agreement with the Consenting Stakeholders and requires that it be executed by no later than the Phase 1 Bid Deadline. The SISP Order also requires that: (a) a substantially final form draft of the Stalking Horse Transaction Agreement (including the terms of any transition services to be provided) be provided to each SISP Participant no later than seven (7) business days prior to the Phase 1 Bid Deadline; and (b) as soon as reasonably practicable after the execution, a copy of the Stalking Horse Transaction Agreement will be posted on the Monitor's website, served on the service list and provided to each SISP Participant.[11]

(i) Overview of the SISP

162. The key terms of the proposed SISP are summarized below.

[10] Capitalized terms used in this section that are not otherwise defined will have the meaning given to them in the draft SISP Order or Schedule A to the draft SISP Order.

[11] Provided that Sandvine and the Monitor may exclude from the public record any confidential information that Sandvine and the Stalking Horse Bidder, with the consent of the Monitor, agree should be redacted.

Phase 1 Bid Assessment and Notification	a) Sandvine and GLC, in consultation with the Monitor, will determine whether any LOIs received constitute Phase 1 Qualified Bids b) Sandvine and GLC, in consultation with the Monitor, may: i. Seek clarification about, and/or negotiate amendments to, any LOI prior to determining if it is a Phase 1 Qualified Bid; ii. Waive compliance with any of the phase 1 bid requirements and deem a non-compliant LOI to be a Phase 1 Qualified Bid; or iii. Reject any LOI if it does not comply with the phase 1 bid requirements or if it is otherwise inadequate, insufficient or contrary to the best interests of Sandvine c) By the Notification Deadline, parties that have been designated as Phase 1 Qualified Bidders	December 20, 2024 at 5:00pm (prevailing Eastern Time) ("**Notification Deadline**")

	will be notified of such designation and will be invited to participate in Phase 2 d) If no LOI has been received by the Phase 1 Bid Deadline, or if Sandvine and GLC, in consultation with the Monitor, have determined that no LOI constitutes a Phase 1 Qualified Bid, then the SISP will be deemed to be terminated, the Stalking Horse Transaction will be deemed the Successful Bid and be consummated, subject to Court approval	
Phase 2 (if applicable) Qualified Bid Deadline	a) If applicable, Phase 1 Qualified Bidders will be requested to submit a binding offer ("**Phase 2 Bid**") meeting the additional requirements set out in the SISP Order (a "**Qualified Bid**", and such party, a "**Qualified Bidder**") by the Qualified Bid Deadline	January 27, 2025 at 5:00pm (prevailing Eastern Time) ("**Qualified Bid Deadline**")
Phase 2 Selection of Successful Bid	a) Sandvine and GLC, in consultation with the Monitor, will determine whether the Phase 2 Bids received constitute Qualified Bids b) Sandvine and GLC, in consultation with the Monitor, may: a. Seek clarification about, and/or negotiate amendments to, any Phase 2 Bid prior to determining if it is a Qualified Bid; b. Waive compliance with any phase 2 bid requirements and deem a non-compliant Phase 2 Bid to be a Qualified Bid; or c. Reject any Phase 2 Bid if it does not comply with phase 2 bid requirements or if it is otherwise inadequate, insufficient or contrary to the best interests of Sandvine c) Prior to the Successful Bid Selection Deadline, Sandvine, in consultation with GLC and the Monitor, shall select one or more successful bid(s) (the "**Successful Bid**", and such bidder, the "**Successful Bidder**") d) If one or more Qualified Bids has been received on or before the Qualified Bid Deadline, Sandvine and GLC, in consultation with the Monitor, may elect to proceed with an auction process to determine the successful	February 10, 2025 at 5:00 pm (prevailing Eastern Time) ("**Successful Bid Selection Deadline**")

	bid(s), as set out in further detail in Appendix A to the SISP Order, which auction will proceed on January 31, 2025 e) If no Qualified Bid (other than the Stalking Horse Transaction) has been received by the Qualified Bid Deadline, the Stalking Horse Transaction shall be the Successful Bid and shall be consummated, subject to Court approval	
Approval Order Hearing	a) Once the necessary definitive agreement(s) with respect to the Successful Bid are finalized, Sandvine, in consultation with the Monitor, will apply to the Court for an order or orders approving the Successful Bid (each, an "**Approval Order**") b) If the successful bid is not consummated in accordance with its terms, Sandvine is authorized, but not required, to designate a back-up bid as the Successful Bid and seek an Approval Order with respect to such bid	If no Phase 1 Qualified Bids received, approval of the Stalking Horse Transaction will be sought by January 13, 2025 If Phase 1 Qualified Bids received but no Qualified Bids received, approval of the Stalking Horse Transaction will be sought by February 4, 2025 If multiple Qualified Bids received, approval of the Successful Bid will be sought by February 24, 2025
Outside Date	a) The transaction(s) represented by the Successful Bid to be completed by the Outside Date	March 21, 2025 ("**Outside Date**")

163. The SISP provides that the deadlines set out therein may be extended without obtaining an order of the Court, provided that the Monitor, in consultation with Sandvine and GLC, determines that doing so is not material and is useful in order to give effect to the substance of the SISP, the SISP Order and the Initial Order and maximize the value of the Property and/or the Business.

(ii) Phase 1 Process and Evaluation Criteria

164. To constitute a Phase 1 Qualified Bid, a LOI must:

(a) Identify the potential bidder;

(b) Contain a general description of the Property and/or Business of Sandvine that would be the subject of the bid;

(c) Provide for: (i) the payment in full in cash of all amounts outstanding under the DIP Credit Agreement (including, for certainty, the Specified Term Loan Obligations and the Delayed Draw DIP Term Loan Obligations, each as defined in the DIP Credit Agreement), unless otherwise agreed to by the requisite lenders thereunder in their sole discretion; (ii) payment in full in cash of all amounts outstanding under the First Lien Credit Agreement, unless otherwise agreed to by the requisite lenders thereunder in their sole discretion; (iii) the payment in full in cash on closing of any claims ranking in priority to the claims set forth in (i) and (ii), including any claims secured by Court-ordered charges, unless otherwise agreed to by the applicable holder of such claim and the applicable beneficiaries up such charges, each in their sole discretion; (iv) the amount of cash designated by the Sandvine and the Monitor as necessary to fund the professional fees to be incurred in connection with the wind-up of the CCAA Proceedings and any further proceedings or wind-up costs, to be provided by GLC to each SISP Participant no later than seven (7) business days prior to the Phase 1 Deadline; and (v) the agreement to provide transition services on substantially the terms contained in the Stalking Horse Transaction Agreement and acceptable to the Monitor, to be provided by GLC to each SISP Participant no later than seven (7) business days prior to the Phase 1 Bid Deadline (collectively, the "**Minimum Transaction Value**");

(d) Reflect a reasonable prospect of culminating in a Qualified Bid by the Qualified Bid Deadline, as determined by Sandvine, in consultation with GLC and the Monitor; and

(e) Be received by the Phase 1 Bid Deadline.

165. The Stalking Horse Transaction Agreement and the transactions contemplated therein will constitute a Phase 1 Qualified Bid.

166. In the event that no LOI has been received by Sandvine and GLC by the Phase 1 Bid Deadline, or if Sandvine and GLC, in consultation with the Monitor, has determined that no LOI constitutes a Phase 1 Qualified Bid, particularly if such LOI does not provide for the Minimum Transaction Value, then the SISP will be deemed to be terminated. Upon such termination of the SISP, the Stalking Horse Transaction will be deemed the Successful Bid and will be consummated in accordance with the terms of the RSA and the Stalking Horse Transaction Agreement, subject to Court approval.

(iii) Phase 2 Process and Evaluation Criteria

167. To constitute a Qualified Bid, a Phase 2 Bid must:

(a) Provide for the Minimum Transaction Value;

(b) Provide a detailed source and uses schedule that identifies with specificity, the amount of cash consideration (the "**Cash Consideration Value**") and any assumptions that could reduce the net consideration payable;

(c) Contain duly executed binding transaction document(s) and a redline to the Stalking Horse Transaction Agreement, unless the bid is in the form of a plan of arrangement or other investment transaction, in which case copies of the plan of arrangement and/or all documentation that is contemplated to be executed in such a plan of arrangement will be provided;

(d) Contain the identity and contact information of the bidder, including disclosure of the bidder's principals and controlling equityholder(s) and any connections or agreements with Sandvine, and evidence of authorization and approval from the bidder's board of directors or similar governing body;

(e) Not be conditional on obtaining financing or any governing body or equityholder approval or on the outcome or review of due diligence;

(f) Specify any regulatory or third-party approvals that would be required to complete the transaction and related details;

(g) Include a letter stating that the bid is submitted in good faith, is binding and is irrevocable until the selection of the Successful Bid (or if such bid is selected as the Successful Bid or Back-Up Bid, it shall remain irrevocable until the earlier of the closing of the Successful Bid and the Outside Date);

(h) Provide written evidence of a bidder's ability to fully fund and consummate the transaction and satisfy its obligations under the transaction documents;

(i) Not include any request for or entitlement to any break fee, expense reimbursement or similar type of payment;

(j) Include an acknowledgement and representation that the bidder (i) has had the opportunity to conduct all required due diligence prior to making its bid, (ii) is not relying upon any representations made by anyone (including Sandvine, GLC or the Monitor) regarding the transaction that is the subject of the bid, this SISP, or any information provided in connection therewith, (iii) agrees that the transaction that is the subject of the bid shall be on an "as is, where is" basis, (iv) agrees to serve as Back-Up Bidder, if its bid is selected as the next-highest or otherwise best Qualified Bid as compared to the Successful Bid, (v) has not engaged in any collusion with respect to the submission of its bid, and (vi) agrees to be bound by the terms of the SISP;

(k) Include full details of the bidder's intended treatment of Sandvine's employees under the proposed bid;

(l) Be accompanied by a cash deposit (the "**Deposit**") made by wire transfer of immediately available funds equal to 10% of the Cash Consideration Value;

(m) State that the bidder will bear its own costs and expenses in connection with the proposed transaction;

(n) Be reasonably capable of being consummated by no later than the Outside Date; and

(o) Be received by the Qualified Bid Deadline.

168. The Stalking Horse Transaction Agreement and the transactions contemplated therein will be deemed to constitute a Qualified Bid.

169. Following selection of the Successful Bid and finalization of all definitive agreements, Sandvine will apply to the Court for an Approval Order.

170. Sandvine is of the view that the timelines set out in the SISP are appropriate, will allow interested parties to participate in the SISP, and will provide an appropriate test for whether the Stalking Horse Transaction delivers the best possible result for all stakeholders. Sandvine is also of the view that the proposed SISP provides a fair and reasonable process that will adequately canvass the market, while simultaneously protecting against the significant risk of further market decline by providing for automatic termination of the SISP and, if approved by the Court, consummation of the Stalking horse Transaction if no LOIs or Qualified Bids are received.

H. Conclusion

171. The Applicants, with the assistance of their advisors, have reviewed and considered the potential options and alternatives available to them in the circumstances, taking into account, among other things, the reductions in their revenues due to the Entity List designation and their decision to exit all Additional Terminated Jurisdictions. The Applicants have determined that it is in their best interests and those of their stakeholders to commence these CCAA proceedings and the Chapter 15 Proceedings with committed funding through the DIP Facility and a clear path forward provided by the committed exit transaction and sale process. Without the relief requested, the Applicants will face an abrupt cessation of operations that would significantly harm the Applicants' business and create significant security risks for telecommunications and Internet networks worldwide.

Sandvine, LP (operating as Sandvine)

Consolidated Financial Statements
December 31, 2023

Report of independent auditors

To the Board of Directors and Partnership Unitholders of
Sandvine, LP (operating as Sandvine)

We have audited the consolidated financial statements of **Sandvine, LP (operating as Sandvine)** and its subsidiaries [the "Company"], which comprise the consolidated balance sheet as of December 31, 2023, and the related consolidated statements of operations and comprehensive income, consolidated statement of partners' deficiency and consolidated statement of cash flows for the year then ended, and the related notes [collectively referred to as the "financial statements"].

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company at December 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ["GAAS"]. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial statements* section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Substantial doubt about the Company's ability to continue as a going concern

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in note 2 to the consolidated financial statements, the Company has been placed on the Entity List by the United States Department of Commerce significantly impacting its ability to operate and has stated that substantial doubt exists about the Company's ability to continue as a going concern. Management's evaluation of the events and conditions and management's plans regarding these matters are also described in note 2. The financial statements do not include any adjustments that might result from the outcome of this uncertainty. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free of material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Description of Business

Sandvine, LP (operating as "Sandvine" or the "Partnership") is an exempted limited partnership registered in the Cayman Islands on May 25, 2017, managed by its general partner, Procera I G.P. Ltd., on behalf of its owners Francisco Partners IV, L.P. and Francisco Partners IV-A, L.P. ("Francisco Partners"). The Cayman Island exemption limits reporting and taxation obligations for the Partnership. The Partnership acquired all of the issued and outstanding shares of Procera Holdings Inc. as part of a corporate reorganization that included, among other steps, shareholders of Procera Holdings Inc. exchanging the then-current common and preferred stock of Procera Holdings Inc. for partnership units in Procera I, L.P. As both Procera I, L.P. and Procera Holdings Inc. were related through common ownership, the business combination has been recorded using the pooling of interests method, whereby the consolidated financial statements have been prepared on the basis that the Partnership had always been the shareholder of Procera Holdings Inc. and its wholly owned subsidiaries. On July 29, 2019, Procera I, L.P. was renamed Sandvine, LP.

Sandvine is a global provider of Application and Network Intelligence solutions that help service providers to deliver high-quality optimized experiences to consumers and enterprises. The company's customers use Sandvine's cloud-based solutions to analyze, optimize and monetize application experiences using contextual machine learning-based insights and real-time actions. Sandvine sells its application and network intelligence portfolio and pre-packaged use cases to 5G, mobile, fixed, cable, satellite, interconnect and hub service providers, democratic governments and enterprises. Sandvine sells its solutions directly through its sales force and indirectly through its partner program in the Americas, Asia Pacific, and Europe, Middle East, and Africa regions.

2. Significant Accounting Policies

2.1 Basis of Presentation and Going Concern

The consolidated financial statements include the accounts of the Partnership and its wholly owned subsidiaries. All intercompany balances and transactions have been eliminated. The accompanying consolidated financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The consolidated financial statements have been prepared on a going concern basis, which presumes that the Company will be able to realize its assets and discharge its liabilities in the normal course of operations for the foreseeable future.

On February 27, 2024, the U.S. Department of Commerce, Bureau of Industry and Security ("BIS") published a final rule which placed certain Sandvine entities on the Entity List. The Sandvine entities added to the Entity List included its entities in Canada, India, Japan, Malaysia, Sweden, and United Arab Emirates. According to the notice announcing the Entity List additions, Sandvine's designation was "based on information that Sandvine supplies deep packet inspection technology to the Government of Egypt, where it is used in mass web-monitoring and censorship to block news as well as target political actors and human rights activists."

The BIS action means designated Sandvine entities cannot receive any hardware, software, or technology that is "subject to the U.S. Export Administration Regulations (the 'EAR')" without an export license or authorization from BIS. The designation does not impose restrictions on financial transactions with Sandvine and does not restrict Sandvine from providing support to customers, unless doing so would require provision of hardware, software, or technology that is "subject to the EAR" to Sandvine. Sandvine initially determined the impact of the Entity List designation will likely

have a material, negative impact on normal course business operations and its ability to conduct business with and provide support to its customers, as well as to procure hardware, software, and technology from vendors and suppliers.

On March 6, 2024, Sandvine's external legal counsel at Kirkland & Ellis LLP ("Kirkland") submitted a Request for Emergency Authorization to BIS on Sandvine's behalf seeking interim relief from the impacts of the designation, and specifically to ensure that Sandvine could receive software and technology that is "subject to the EAR" in order to preserve its network security and that of its customers as Sandvine works to address BIS' concerns in its effort to be removed from the Entity List. Kirkland met with BIS officials on March 7, 2024 and submitted an amended Request for Emergency Authorization to BIS on March 8, 2024. On March 28, 2024, BIS granted the Emergency Authorization in the form of an authorization by letter to Sandvine to enable Sandvine to receive, and to enable its vendors and suppliers to provide, certain software and technology, subject to certain limitations. This authorization helps to temporarily alleviate many of the negative impacts that resulted from the original BIS action on Sandvine normal course operations and its ability to conduct business with and provide support to its customers. The Emergency Authorization expires on September 30, 2024. Sandvine understands that BIS has stated that it will not renew or extend the Emergency Authorization.

Sandvine is unable to determine when it will be removed from the Entity List, or even if it will be removed from the Entity List at all. Furthermore, Sandvine is unable to predict the degree of change to its business that will be required or advisable for BIS to remove Sandvine from the Entity List; however, it is likely these changes will materially and negatively affect its business, resulting in significant revenue losses and requiring significant restructuring of its operations and capital structure.

Since being placed on the Entity List, Sandvine has experienced and, while on the Entity List, continues to expect, lower levels of sales, materially and adversely affecting revenue and liquidity. In addition, Sandvine is experiencing a material increase in expenses for ongoing professional services and activities relating to its efforts for removal from the Entity List, as well as the restructuring of its business. Sandvine expects material liabilities will result from its restructuring efforts and from potential claims from customers who are negatively impacted by changes to Sandvine's business operations, including customers who Sandvine is terminating in order to address BIS' concerns.

Sandvine is actively engaged with its lenders regarding its go-forward capitalization, the outcome of which, including the Company's ability to service its debt, cannot be predicted. Sandvine's consolidated financial statements for the year 2023 were prepared based on the facts and data available to its management at that time. However, the impacts of the Entity List designation and the related impacts and potential impacts described above are likely to materially impact certain asset values the Company has on its balance sheet at December 31, 2023, and Sandvine is currently unable to estimate those impacts.

As a result, the Company's ability to continue as a going concern remains dependent on being approved to come off of the Entity List, restructuring the business to be able to achieve positive cash flows and restructuring existing debt. As the outcome of these activities cannot be predicted at this time, there is material uncertainty that may cast substantial doubt on the Company's ability to continue as a going concern. These consolidated financial statements do not include any adjustments to the carrying value and classification of assets and liabilities that may be necessary

should the Company be unable to continue as a going concern, and any such adjustments could be material.

2.2 Summary of Significant Accounting Policies

Use of Estimates

The preparation of consolidated financial statements in accordance with GAAP requires management to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosures of contingent assets and liabilities. Actual results could differ from those estimates. The accounting estimates that require management's most significant and subjective judgments include the estimate of stand-alone selling price of products and services in revenue contracts where there are multiple performance obligations; useful lives of property; equipment and identifiable intangible assets acquired; assessment of the recoverability of long-lived assets and goodwill; valuation of inventory; collectability of accounts receivable; valuation and recognition of stock-based compensation including estimating volatility; the fair value of the Partnership's shares and valuation of deferred tax assets; and the incremental borrowing rate and term, including renewal terms, in determining the present value of lease liabilities.

Fair Value of Financial Instruments

The carrying amounts of certain of the Partnership's financial instruments, including cash, accounts receivable, prepaid expenses, accounts payable and accrued liabilities, approximate fair value due to their short maturities. The fair value of the Partnership's term loan approximates carrying value as the loan bears interest at a rate comparable to current market rates with comparable risk profiles.

Derivative Financial Instruments

The Partnership may enter into forward contracts to reduce its exposure to fluctuations in foreign exchange rates. The Partnership does not use any derivative financial instrument for speculative purposes. The Partnership has elected to apply hedge accounting for certain forward foreign exchange contracts used to manage foreign currency exposure on anticipated operational expenditures and has designated these as cash flow hedges.

The effective portion of the change in fair value of the derivative is initially recorded in other comprehensive income (loss) and is reclassified to the consolidated statement of operations and comprehensive income (loss) in the same period that the hedged anticipated transaction affects earnings. Any ineffective portion of the gain or loss on the derivative is recognized in income immediately. Hedge accounting is discontinued prospectively when it is determined that the hedging relationship is no longer effective, the derivative is terminated or sold, or the Partnership terminates its designation of the hedging relationship. When a forecasted transaction is no longer expected to occur, the cumulative gain or loss that was reported in other comprehensive income (loss) is immediately transferred to the consolidated statement of operations and comprehensive income (loss).

The Partnership formally documents all relationships between the hedging instruments and hedged items. This process includes linking all derivatives to forecasted foreign currency cash flows or to a

specific asset or liability. The Partnership also formally documents and assesses, both at the hedge's inception and on an ongoing basis, whether the derivative financial instruments that are used in the hedging transactions are highly effective in offsetting the changes in the fair value or cash flows of the hedged items.

The fair value of these derivatives is included in prepaid expenses and other when in an asset position and in accrued liabilities when in a liability position. Gains or losses arising from hedging activities are reported in the same caption on the consolidated statement of operations and comprehensive income as the hedged item.

Concentration of Risk

The financial instruments utilized by the Partnership that potentially subject the Partnership to a concentration of credit risk consist of cash and accounts receivable. Cash is deposited in demand accounts in major financial institutions in the United States and Canada. Accounts at financial institutions in the United States and Canada are guaranteed by the Federal Deposit Insurance Corporation ("FDIC") and Canadian Deposit Insurance Corporation ("CDIC"), respectively, up to certain limits. At times, the Partnership's deposits or investments may exceed insured limits. As at December 31, 2023 and 2022, the Partnership had approximately $54.2 million and $41.8 million, respectively, at financial institutions in excess of insured limits. The Partnership has not experienced any losses in such accounts (2022 — none).

The Partnership's sales have at times been concentrated with certain large customers. The Partnership also sells to a geographically diverse base of customers. For the year ended December 31, 2023, one customer accounted for more than 10% of revenues. For December 31, 2022, one customer accounted for more than 10% of revenues. As at December 31, 2023, two customers accounted for more than 10% of the accounts receivable balance. As at December 31, 2022, two customers accounted for more than 10% of the accounts receivable balance. As at December 31, 2023 and 2022, accounts receivable due from customers outside of the United States and Canada represented 79% and 85% of the accounts receivable balance, respectively.

The Partnership is dependent on a limited number of third-party suppliers for some of its hardware equipment. The Partnership is dependent on the ability of these suppliers to provide products on a timely basis and on favorable pricing terms. The loss of certain principal suppliers or a significant reduction in product availability from those suppliers could have a material adverse effect on the Partnership.

Cash and Cash Equivalents

The Partnership considers all highly liquid investments with original or remaining maturities of three months or less from the date of purchase to be cash equivalents. The Partnership had no cash equivalents as at December 31, 2023 and 2022.

Investments

Investments comprise term deposits, which represent guaranteed investment certificates ("GICs") that are insured by the CDIC and are federally guaranteed to certain limits. Investments are carried at fair value as at the date of the consolidated balance sheet, and are classified as current or non-current based on their date of maturity. Investments with terms that would restrict them from being

exchanged or used to settle a liability for at least 12 months after the reporting period are classified as non-current.

Accounts Receivable and Allowance for Doubtful Accounts

Accounting Standards Codification 326, Financial Instruments – Credit Losses ("ASC 326")

On January 1, 2023, the Partnership adopted ASC 326 using the modified retrospective method. See Note 3. The trade accounts receivable balance is recorded at the invoiced amount and is presented net of an allowance for credit losses. The Partnership establishes current expected credit losses using the loss rate method by evaluating historical levels of credit losses, current economic conditions that may affect a customer's ability to pay, and creditworthiness of the customers. The Partnership monitors the financial condition of its customers and reviews the credit history of each new customer. When the Partnership becomes aware of a specific customer's inability to meet its financial obligations to the Partnership, a specific credit loss provision is recorded to reduce the customer's related accounts receivable to the estimated net realizable value.

For the periods prior to the adoption of ASC 326, the trade accounts receivable are recorded at the invoiced amount and are presented net of an allowance for doubtful accounts. The Partnership maintained an allowance for doubtful accounts for estimated losses resulting from the inability of its customers to make required payments. The Partnership considered factors such as historical experience, credit quality, age of the accounts receivable balances, geographic or country-specific risks and economic conditions that may affect a customer's ability to pay. The allowance for doubtful accounts was reviewed regularly and adjusted, if necessary, based on management's assessment of a customer's ability to pay. Individual accounts receivable were written off when all collection efforts have been exhausted. During 2023, there were $0.3 million of individual accounts receivable written off as uncollectible against the provision for credit losses

Inventories

Inventories consist of raw materials, work-in-process and finished goods stated at the lower of cost (on a specific identification or weighted average cost basis) or net realizable value. The Partnership records inventory write-down to net realizable value for excess and obsolete inventories based on historical usage and forecasted demand, as well as determining what inventory, if any, is not saleable. Factors that could cause its forecasted demand to prove inaccurate include the variability of its sales cycle and product mix configuration; the potential of announcements of new products or enhancements to replace or shorten the life cycle of current products, or cause customers to defer their purchases; and the potential of new or alternative technologies achieving widespread market acceptance and thereby rendering the Partnership's existing products obsolete. If future demand or market conditions are less favorable than projections, additional inventory write-downs may be required and would be reflected in cost of sales in the period the revision is made.

Inventories also include demonstration units and customer service inventories located at various customer locations. The demonstration units and customer service inventories are stated at the lower of cost (on a specific identification or weighted average cost basis) or net realizable value. The Partnership provides demonstration units to customers who evaluate the Partnership's products, and upon a successful trial, may purchase such products. The Partnership carries customer service inventories because they generally provide product warranty for 12 months and earn revenue by providing enhanced and extended support contracts during and beyond this warranty period.

Customer service inventories are provided for customer use permanently or on a temporary basis while the defective unit is being repaired. The Partnership reduces the carrying value of demonstration units and customer service inventories for differences between cost and estimated net realizable value, taking into consideration expected demand, technological obsolescence and other information including the physical condition of the unit. If actual results vary significantly from expectations, additional write-downs may be required, resulting in additional charges to operations.

Property and Equipment

Property and equipment are stated at cost, less accumulated depreciation and amortization. Depreciation and amortization are calculated using the declining balance and straight-line methods over the estimated useful lives of the assets. Leasehold improvements are amortized using the straight-line method over the estimated useful lives of the improvements or the term of the lease, whichever is shorter. Whenever assets are retired or otherwise disposed of, the cost and related accumulated depreciation are removed from the accounts, and any resulting gain or loss is recognized in income for the year. The cost of maintenance and repairs is expensed as incurred; significant improvements are capitalized.

Depreciation and amortization are provided using the following rates and methods:

Lab equipment	30%—50% declining balance
Machinery and equipment, office furniture and equipment, and computer equipment	2—7 years straight-line
Software	3—5 years straight-line
Leasehold improvements	Lesser of useful life or lease term straight-line

Depreciation and amortization methods, useful lives and residual values are reviewed at least annually and adjusted if appropriate.

Equity Investment

An equity investment that gives an investor significant influence over an investee is considered an equity method investment. The Partnership has significant influence when it has the power to participate in the financial and operating policy decisions of the investee but does not have control or joint control. The Partnership accounts for its equity investment using the equity method. Under the equity method, the investment is initially recognized at cost. Subsequent to initial recognition, the consolidated financial statements include the Partnership's share of the earnings and losses of the associate until the date significant influence ceases. Distributions received from an associate reduce the carrying amount of the investment. The consolidated statement of operations and comprehensive income (loss) includes the Partnership's share of any amounts recognized by associates in net income. Intercompany balances between the Partnership and its associates are not eliminated.

The Partnership also owns a 49% equity interest in WTC1 Inc. and WTC2 Inc., created to purchase the real estate and leases, including the buildings and land, where one of its offices is located, and will account for such using the equity method as it has concluded that its ownership interest and

other facts do not provide power over the investee but rather significant influence.

Business Combinations

The Partnership accounts for business combinations using the purchase method. Accordingly, the assets and liabilities acquired in the combination, including identifiable intangible assets, and any consideration paid are recorded at their fair values on the acquisition date. If, and to the extent that, the purchase price exceeds the fair value of the net assets acquired, the Partnership recognizes goodwill. Subsequent changes to the fair value of such assets acquired and liabilities assumed are recognized in earnings, after the expiration of the measurement period, a period not to exceed 12 months from the acquisition date.

Goodwill

Goodwill has been measured as the excess of the cost of acquisition over the amount assigned to tangible and identifiable intangible assets acquired less liabilities assumed. The Partnership reviews goodwill for impairment annually during the third quarter of the year or more frequently if an event or circumstance indicates that an impairment loss has occurred. The identification and measurement of goodwill impairment involve the estimation of fair value at the Partnership's reporting unit level.

Management conducts a goodwill impairment test as of September 30 of each year, or more frequently if events or changes in circumstances indicate that the asset may be impaired. The impairment test is performed in one step by comparing the fair value of a reporting unit to its carrying value, including goodwill. When the carrying value of a reporting unit exceeds its fair value, goodwill of the reporting unit is considered to be impaired and written down to its fair value. The estimated fair values of reporting units were determined utilizing multiple valuation techniques, which included the income approach using a discounted future cash flow model and market-based approaches. Estimating the fair values of reporting units using discounted future cash flow models requires significant judgment by management, including estimation of future cash flows, which is dependent on estimation of the long-term rates of revenue growth, terminal growth rates, profitability measures, and determination of the discount rates.

Accounting for Long-lived Assets

The Partnership reviews its long-lived assets, including property and equipment and intangible assets, for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment test involves a comparison of undiscounted cash flows from the use of the asset or asset group to the carrying value of the asset or asset group. Measurement of an impairment loss is based on the amount by which the carrying value of the asset or asset group exceeds its fair value. The Partnership has determined that it has one asset group, being the network equipment reporting unit that sells all Sandvine products and services.

Leases

Accounting Standards Codification 842, Leases ("ASC 842")

Operating lease right-of-use ("ROU") assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at the commencement

date. As most of the Partnership's leases do not provide an implicit discount rate, the Partnership primarily uses its incremental borrowing rate based on the information available at the commencement date of the lease, in determining the present value of future payments. The Partnership's incremental borrowing rate requires significant judgment and is determined based on the rate of interest that the Partnership would have to pay to borrow an amount equal to the lease payments on a collateralized basis over a similar term in a similar economic environment.

Operating leases are included in lease ROU assets and lease liabilities on the Partnership's consolidated balance sheet. The operating lease ROU assets include the lease payments made, lease incentives and initial direct costs incurred. The lease terms include options to extend or terminate the lease when it is reasonably certain that the Partnership will exercise that option. Lease expense for minimum lease payments is recognized on a straight-line basis over the lease term. In some cases, the Partnership has Consumer Price Index-based variable lease payments for which an estimated rate at the lease commencement date is applied to the initial lease payment to determine the future lease payment amounts.

The Partnership has lease agreements for corporate offices and other operating facilities with lease and non-lease components. For lease terms of 12 months or less on commencement date, the Partnership does not apply the ASC 842 recognition requirements and recognizes the lease payments as lease cost on a straight-line basis over the lease term.

Stock-based Compensation

The Partnership accounts for all share-based payment transactions using a fair-value-based measurement method. The Partnership calculates stock-based compensation by estimating the fair value of each stock award as of its date of grant using the Black-Scholes pricing model. These amounts are expensed over the requisite service period of each award, which is the vesting period, using the straight-line attribution method. Compensation expense is recognized only for those awards that are expected to vest, and, as such, amounts have been reduced by forfeitures. Forfeitures are recognized as they occur. The Partnership has historically issued stock options, warrants, and restricted stock units ("RSUs") to employees and outside directors whose only condition for vesting has been continued employment or service during the related vesting or restriction period.

Revenue Recognition

Accounting Standards Codification 606, Revenue from Contracts with Customers ("ASC 606")

The Partnership recognizes revenue when control of the promised products or services is transferred to customers, in an amount that reflects the consideration that the Partnership expects to receive in exchange for those products. Revenue is recognized through the application of the following steps: (i) identification of the contract, or contracts, with a customer; (ii) identification of the performance obligations in the contract; (iii) determination of the transaction price; (iv) allocation of the transaction price to the performance obligations in the contract; and (v) recognition of revenue when (or as) the Partnership satisfies a performance obligation.

A contract exists with a customer when both parties have approved the contract, commitments to performance and rights of each party (including payment terms) are identified, the contract has commercial substance and collection of substantially all consideration is probable for goods that are

transferred. The Partnership assesses the ability to collect from its customers based on a number of factors, including creditworthiness of the customer and past transaction history of the customer. Payment terms are typically set between 30 and 90 days from delivery.

Performance obligations promised in a contract are identified based on the goods and services that will be transferred to the customer that are both capable of being distinct, whereby the customer can benefit from the good or service either on its own or together with other available resources, and are distinct in the context of the contract, whereby the transfer of the good or service is separately identifiable from other promises in the contract. If these criteria are not met, the promised goods and services are accounted for as a combined performance obligation.

The transaction price is determined based on the consideration the Partnership expects to be entitled to in exchange for transferring promised goods and services to the customer, excluding amounts collected on behalf of third parties such as sales taxes. Determining the transaction price requires judgment. To the extent the transaction price includes variable consideration, the Partnership estimates the amount of variable consideration that should be included in the transaction price utilizing either the expected value method or the most likely amount method depending on the nature of the variable consideration. Variable consideration is only included in the transaction price if it is probable that a significant future reversal of cumulative revenue recognized under the contract will not occur. Any estimates, including any constraints on variable consideration, are evaluated at each reporting period.

Under the Partnership's revenue recognition guidance, the Partnership allocates revenue to each performance obligation in an arrangement based on a relative standalone selling price ("SSP"). Judgment is required to determine the SSP for each distinct performance obligation. The Partnership's products and services often have observable SSP when the Partnership sells a promised product or service separately to similar customers. A contractually stated price or list price for a good or service may be the SSP of that good or service. However, in instances where SSP is not directly observable, the Partnership determines the SSP by maximizing observable inputs and using an adjusted market assessment approach using information that may include market conditions and other observable inputs from the Partnership's pricing team, including historical SSP.

Sales of the Partnership's network and application intelligence solutions typically involve the integration of perpetual software licenses, hardware appliances and, at times, licenses to additional software, where the hardware and software work together to deliver the essential functionality of the product. Product revenue consists of revenue from sales of appliances and software licenses. Appliance revenues are recognized at the point in time that the customer obtains control of the appliance, which generally occurs when the hardware is delivered to a common carrier as shipping terms are generally F.O.B. shipping point. Perpetual software licenses are recognized at a point in time upon delivery of the software. Revenue from sales of subscription or term licenses is recognized at the point in time software is made available to the customer or the start of the contract term, whichever is latest. Shipping charges billed to customers are included in product revenue and the related shipping costs are included in cost of product revenue. Virtually all sales include post-contract support ("PCS") services (included in service revenue), which consist of software updates and customer support. Software updates provide customers access to a growing library of electronic Internet traffic identifiers (signatures) and rights to non-specific software product upgrades, maintenance releases and patches released during the term of the support period. Support includes Internet access to technical content, telephone and Internet access to technical support personnel and hardware support. PCS services revenue is recognized over the support period.

Customer orders normally contain multiple performance obligations. The initial product delivery consists of the hardware and software elements, and these elements are typically distinct from the other elements of the order. The performance obligations that remain unsatisfied at the time of product delivery are PCS services and occasionally incomplete professional services not essential to the functionality of the product. In cases where functionality of the product is dependent on professional services, revenue is recognized at the point in time that the related professional services are complete.

A portion of service revenue is derived from customization not essential to the functionality of the product, implementation and training services. The Partnership estimates the percentage of completion on contracts with fixed fees using labor costs incurred as a percentage of total estimated labor costs to complete the consulting service. If there is a significant uncertainty about the project completion, receipt of payment or required effort, revenue is only recognized to the extent of contract costs likely to be recovered. Once the uncertainty is resolved, revenue will be recognized using the percentage of completion method described above. If circumstances arise that may change the estimates of revenues, costs or extent of progress toward completion, estimates are revised. These revisions may result in increases or decreases in estimated revenues or remaining costs to complete and are reflected in income in the period in which the circumstances that gave rise to the revision become known to the Partnership. When total cost estimates exceed estimated revenues, the Partnership will accrue for the estimated losses immediately.

Timing of revenue recognition may differ from the timing of invoicing to customers. Contract assets are generated when contractual billing schedules differ from revenue recognition timing. A receivable is recorded in instances when revenue is recognized prior to invoicing, and amounts collected in advance of services being provided are recorded as deferred revenue. In instances where the timing of revenue recognition differs from the timing of invoicing, the Partnership has determined that contracts generally do not include a significant financing component if the period between when the payment is received and when the Partnership transfers the promised goods or services to the customer will be one year or less.

Certain sales commissions are considered incremental and recoverable costs of obtaining a contract with a customer. The Partnership's capitalized commissions are recorded as prepaid expenses and other current assets, are amortized proportionally based on the satisfaction of the related performance obligations, and are included in sales and marketing expenses.

Income Taxes

The Partnership accounts for income taxes under the liability method. This process involves calculating the temporary and permanent differences between the carrying amounts of the assets and liabilities for financial reporting purposes and the amounts used for income tax purposes. The temporary differences result in deferred tax assets and liabilities, which are recorded on the Partnership's consolidated balance sheet. The Partnership must assess the likelihood that its deferred tax assets will be recovered from future taxable income and, to the extent the Partnership believes that recovery is not likely, the Partnership must establish a valuation allowance. Changes in the Partnership's valuation allowance in a period are recorded through the income tax provision on the consolidated statement of operations and comprehensive income (loss). The impact of an uncertain income tax position on the income tax return is recognized at the largest amount that is more likely than not to be sustained upon audit by the relevant taxing authority. An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained.

Investment Tax Credits

The Partnership applies for investment tax credits (“ITCs”) under available incentive programs including the Canadian Scientific Research and Experimental Development ("SR&ED") program. The benefit of ITCs is recognized when the amount and timing of collection are reasonably determinable, and recovery is reasonably assured. The ITCs are non-refundable and are currently recognized as an increase to the deferred tax asset. The Partnership uses the flow-through method to account for ITCs earned on eligible SR&ED. Under this method, the ITCs are recognized as a reduction to income tax expense.

Shipping and Handling Costs

The Partnership includes shipping and handling costs associated with inbound and outbound freight in cost of sales.

Research and Development

Research and development expenses include internal and external costs. Internal costs include salaries and employment-related expenses, prototype materials, initial product certifications, equipment costs and allocated facility costs. External expenses consist of costs associated with outsourced software development activities.

Development costs incurred in the research and development of new products, other than software, and enhancements to existing products are expensed as incurred. Costs for the development of new software products and enhancements to existing products are expensed as incurred until technological feasibility has been established, at which time any additional development costs would be capitalized. To date, the Partnership’s software has been available for general release shortly after being determined to be technologically feasible, which the Partnership defines as a working prototype. Accordingly, those costs have not been material.

Segment Reporting

An operating segment is a component of the Partnership that engages in business activities from which it may earn revenues and incur expenses. Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, who is responsible for allocating resources to and assessing performance of operating segments, has been identified as the chief executive officer.

Comprehensive Income (Loss) and Accumulated Other Comprehensive Income (Loss)

Comprehensive income (loss) consists of net and other income (losses) affecting partners’ equity that, under generally accepted accounting principles (GAAP), are excluded from net income or loss. For cash flow hedges that meet the criteria for hedge accounting, the effective portion of the change in fair value of the derivative is initially recorded in other comprehensive income (loss) and is reclassified to the consolidated statement of operations and comprehensive income (loss) in the same period that the hedged anticipated transaction affects earnings. The ineffective portion of the gain or loss on the hedging instrument is recognized immediately in the consolidated statement of operations and comprehensive income (loss).

Foreign Operations

The accompanying consolidated balance sheet contains certain recorded Partnership assets and liabilities in foreign countries, primarily India, Sweden and the UK. Although these countries are considered economically stable and the Partnership has experienced no notable burden from foreign exchange transactions, export duties or government regulations, it is always possible that unanticipated events in foreign countries could have a material adverse effect on the Partnership's operations.

Foreign Currency Translation

Items included in the consolidated financial statements of each of the Partnership's subsidiaries are measured using the currency of the primary economic environment in which the entity operates (the "functional currency"). The consolidated financial statements have been presented in United States dollars, which is also the Partnership's and its subsidiaries' functional currency.

3. Adoption of Accounting Policies

ASC 326, Credit Losses

In June 2016, the FASB released ASU 2016-13 on the topic of *Financial Instruments — Credit Losses (ASC 326)*. ASU 2016-13 replaces the previous incurred loss impairment methodology in U.S. GAAP with a methodology that reflects expected credit losses, requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates, and requires entities to estimate an expected lifetime credit loss on its financial assets.

The guidance also amends the impairment model for available-for-sale debt securities, requiring entities to determine whether all or a portion of the unrealized loss on such securities is a credit loss, and also eliminating the option for management to consider the length of time a security has been in an unrealized loss position as a factor in concluding whether or not a credit loss exists. The amended model states that an entity recognizes an allowance for credit losses on available-for-sale debt securities, instead of a direct reduction of the amortized cost basis of the investment, as required under previous guidance. As a result, entities recognize improvements to estimated credit losses on available-for-sale debt securities immediately in earnings as opposed to in interest income over time.

The guidance is effective for annual periods beginning after December 15, 2022 and interim periods therein. The Partnership adopted this guidance on January 1, 2023 using the modified retrospective method. There was no impact from the adoption of the new standard on credit losses on the opening retained earnings balance.

4. Short-term Investments

As of December 31, 2023, the Partnership held GICs to secure letters of credit issued to customers, with expiration dates ranging from January 18, 2024 to September 12, 2024. The GICs will be renewed for one-year periods until the letters of credit expire and have been presented as current assets on the Partnership's consolidated balance sheet.

(in thousands of United States dollars, unless otherwise noted)

The following table summarizes the fair value of investments held at December 31, 2023:

	2023	2022
GIC due Sep 12, 2024 5.30% per annum	$ 2,200	$ -
GIC due May 23, 2024 4.90% per annum	1,125	-
GIC due Jan 22, 2024 4.65% per annum	16	-
GIC due Jan 18, 2024 4.95% per annum	1,636	-
GIC due May 23, 2023 1.75% per annum	-	1,150
	$ 4,977	$ 1,150

5. Goodwill and Intangible Assets

The Partnership reviews its goodwill for impairment annually during its third quarter or more frequently if events or circumstances indicate that an impairment loss may have occurred. The identification and measurement of goodwill impairment involves the estimation of fair value at a reporting unit level. The Partnership has determined that it has one reporting unit, being the network equipment reporting unit that sells Active Network Intelligence solutions.

The Partnership reviews its long-lived assets other than goodwill for impairment whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. Determination of recoverability is based on an estimate of undiscounted future cash flows resulting from the use of the asset. Measurement of an impairment loss for long-lived assets is based on the amount by which the carrying value of the asset exceeds its fair value based on the discounted future cash flows.

Intangible assets other than goodwill are amortized on a straight-line basis over their estimated remaining useful lives.

The Partnership concluded its goodwill was not impaired in 2023 or 2022.

The following table is a summary of acquired intangible assets with remaining net book values as at December 31, 2023 and 2022:

	Gross Carrying Value	Accumulated Amortization	Net Carrying Value	Average Remaining Life (in Years)
Developed technology	$ 53,250	$ (53,250)	$ -	0.0
Customer relationships	133,140	(133,140)	-	0.0
Trade names	15,460	(10,591)	4,869	3.5
Balance as at December 31, 2023	$ 201,850	$ (196,981)	$ 4,869	
Developed technology	$ 53,250	$ (49,196)	$ 4,054	0.7

Balance as at December 31, 2022	$ 201,850	$ (178,516)	$ 23,334	

(in thousands of United States dollars, unless otherwise noted)

Amortization expense related to developed technology, customer relationships and trade names was $4.1 million, $12.9 million and $1.5 million, respectively, and $18.5 million in total for the year ended December 31, 2023, and $5.7 million, $18.8 million and $1.5 million, respectively, and $26.0 million in total for the year ended December 31, 2022.

Amortization charges for the years ended December 31, 2023 and 2022 were classified in the Partnership's consolidated statement of operations and comprehensive income (loss) as follows:

	2023	2022

11. Operating Leases

The Partnership leases its office facilities under long-term, non-cancellable operating lease agreements. The leases expire at various dates through 2031 and provide for renewal options ranging from month-to-month to five-year terms. In the normal course of business, it is expected that these leases will be renewed or replaced by leases on other properties. Some leases provide for increases in future minimum annual rental payments based on defined increases that are intended to correlate with the Consumer Price Index, subject to certain minimum increases. Also, the agreements generally require the Partnership to pay executory costs including real estate taxes, insurance and repairs.

The components of lease expense were as follows:

	2023	2022
Operating lease cost	$ 2,165	$ 2,369

12. Term Loan and Revolving Credit Facility

On November 2, 2018, the Partnership entered into two credit agreements with a syndicate of lenders. The new credit agreements include a first lien credit agreement ("First Lien Secured Credit Facility") and a second lien credit agreement ("Second Lien Credit Facility").

The First Lien Secured Credit Facility includes a term loan of $400.0 million and up to an additional $30.0 million in a revolving facility, both with seven-year maturities. During 2023, the First Lien Credit Facility was amended to calculate the interest rate based on Term SOFR, previously calculated based on Eurocurrency. The Partnership concluded that the terms of the amended credit agreement were not substantially different from the terms of the original credit agreement. The interest rate applicable to the First Lien Secured Credit Facility is, at the Partnership's option, either (i) an Alternate Base Rate plus applicable margin equal to 3.50% in respect of the term loan and ranging from 3.00% to 3.50%, depending on the Partnership's leverage ratio, in respect of the revolving facility; or (ii) Term SOFR rate plus the applicable credit spread adjustment, plus applicable margin equal to 4.50% in respect of the term loan and ranging from 4.00% to 4.50%, depending on the Partnership's leverage ratio, in respect of the revolving facility. The Partnership will pay a 0.50% per annum commitment fee related to the revolving facility, in addition to a $0.1 million agency fee in each of the seven years under the agreement. The maturity and interest rate applicable to the Incremental Term Loan Commitment is the same as the First Lien Secured Credit Facility. During 2023, $7.0 million of the revolving facility matured and was not extended. The remaining $23.0 million will be maturing August 2, 2025.

The terms of the First Lien Secured Credit Facility include a financial covenant, which comes into effect when the aggregate principal is greater than 35% of the revolving facility (excluding up to $7.5 million of undrawn letters of credit and letters of credit that have been cash collateralized or backstopped in accordance with the First Lien Secured Credit Facility), relating to the maximum first lien net leverage ratio, which is not permitted to exceed 7.20 to 1.00. In the event the Partnership achieves a first lien net leverage ratio below 4.00, the revolving facility interest rate is reduced by 0.25% and the commitment fee by 0.125%, and below 3.50 the revolving facility interest rate is reduced by 0.25% and the commitment fee by 0.125%. To date, no events of default have occurred.

The First Lien Secured Credit Facility includes certain embedded derivatives such as escalated interest by 2% per annum in the event of default, interest rate options noted above, and a change in control provision that would make the First Lien Secured Credit Facility due immediately. The

various features are clearly and closely related to the host debt instrument and do not require bifurcation.

The Second Lien Secured Credit Facility includes a term loan of $110.0 million with an eight-year maturity. During 2023, the Second Lien Secured Credit Facility was amended to calculate the interest rate based on Term SOFR, previously calculated based on Eurocurrency. The Company concluded that the terms of the amended credit agreement were not substantially different from the terms of the original credit agreement. The interest rate applicable to the Second Lien Secured Credit Facility is, at the Partnership's option, either (i) an Alternate Base Rate plus applicable margin equal to 7.00% in respect of the term loan; or (ii) Term SOFR rate plus the credit spread adjustment, plus applicable margin equal to 8.00% in respect of the term loan. The Partnership will pay a $0.1 million agency fee in each of the eight years under the agreement. There are no financial covenants associated with the Second Lien Secured Credit Facility.
The Second Lien Secured Credit Facility includes certain embedded derivatives such as escalated interest by 2% per annum in the event of default, interest rate options noted above, and a change in control provision that would make the Second Lien Secured Credit Facility due immediately. The various features are clearly and closely related to the host debt instrument and do not require bifurcation.

The First Lien and Second Lien Secured Credit Facilities (together referred to as the "Secured Credit Facilities") are secured by substantially all of the Partnership's assets. Events of default under the terms of the Secured Credit Facilities include, but are not limited to: failure of the Partnership to pay any principal of any loans in full when due and payable; failure of the Partnership to pay any interest on any loan or any fee or other amount payable under the Secured Credit Facilities when due and payable; and failure of the Partnership or any of its subsidiaries to comply with certain covenants and agreements, subject to applicable grace periods and/or notice requirements. Where an event of default arises, the commitments shall automatically and immediately terminate and the principal of, and interest then outstanding on, all of the loans shall become immediately due and payable. Subject to certain notice requirements and other conditions, upon the occurrence of an event of default, commitments may be terminated and the principal of, and interest then outstanding on, all of the loans may become immediately due and payable.

As at December 31, 2023, the Partnership had $504.8 million (2022 — $510.1 million) outstanding under the term loan and nil (2022 — nil) outstanding on the revolving Secured Credit Facilities. As at December 31, 2023, the Partnership had issued $3.8 million in letters of credit (2022 — $3.8 million) on the revolving Secured Credit Facilities.

In connection with the Secured Credit Facilities, the Partnership capitalized approximately $0.1 million in debt issuance costs in 2023 (2022 — $0.3 million). The Partnership amortized $2.2 million and $2.1 million in debt issuance costs using the effective interest rate method for the years ended December 31, 2023 and 2022, respectively. Capitalized debt issuance costs on the Partnership's consolidated balance sheet as at December 31, 2023 were $6.4 million (2022 — $8.6 million).

As of December 31, 2023, future maturities due under the Secured Credit Facilities are as follows:

(in thousands of United States dollars, unless otherwise noted)

2024	$	840
2025		393,939
2026		110,000
Total minimum loan payments	$	504,779

The Partnership has a demand credit facility with a major Canadian chartered bank. Under the terms of the facility, the Partnership has available to it a $7.0 million facility to provide letters of credit. As at December 31, 2023, the Partnership has issued ten letters of credit (2022 — three) with a value of $5.0 million with expiry dates ranging from January 15, 2024 to January 31, 2029 (2022 — $1.2 million), which can be called by the lender upon default of the facility or insolvency of the Partnership, and $5.0 million (2022 — $1.2 million) in term deposits as pledged security against the facility. The facility and the related security will remain in effect until the facility, which has no term, is terminated.

13. Related Party Transactions

For the years ended December 31, 2023 and 2022, payments were made to Francisco Partners Consulting for operational consulting services in the amounts of $1.0 million and $1.0 million, respectively. As at December 31, 2023 and 2022, no amounts were due to/from Francisco Partners Consulting.

14. Commitments and Contingencies

Contingencies

Certain conditions may exist on the date the consolidated financial statements are issued, which may result in a loss to the Partnership but which will only be resolved when one or more future events occur or fail to occur. The Partnership's management and its legal counsel assess such contingent liabilities, and such assessment inherently involves an exercise of judgment. In assessing loss contingencies related to legal proceedings that are pending against the Partnership or unasserted claims that may result in such proceedings, the Partnership and its legal counsel evaluate the perceived merits of any legal proceedings or unasserted claims as well as the perceived merits of the amount of relief sought or expected to be sought therein.

If the assessment of a contingency indicates that it is probable that a material loss has been incurred and the amount of the liability can be estimated, then the estimated liability would be accrued in the Partnership's consolidated financial statements. If the assessment indicates that a potentially material loss contingency is not probable, but is reasonably possible, or is probable but cannot be estimated, then the nature of the contingent liability, together with an estimate of the range of possible loss if determinable and material, would be disclosed.

Loss contingencies considered remote are generally not disclosed unless they involve guarantees, in which case the nature of the guarantee would be disclosed.

Legal

From time to time, the Partnership may be involved in certain claims, litigation and customer

disputes arising out of the ordinary course and conduct of business. Management assesses such claims and, if considered likely to result in a loss and, when the amount of the loss is quantifiable, provisions for loss are made, based on management's assessment of the most likely outcome. The Partnership does not provide for claims for which the outcome is not determinable or claims where the amount of the loss cannot be reasonably estimated. Any settlements or awards under such claims are provided for when reasonably determinable.

On October 11, 2022, a reseller based in Eurasia ("Reseller") submitted to Sandvine Corporation a Request for Arbitration. The dispute relates to a claim that Sandvine Corporation breached an agreement related to the provision of services to an end user resulting in losses incurred by Reseller in its role as reseller. Reseller and Sandvine Corporation have selected an arbitrator and are in the process of establishing a process for that arbitration. A date for the arbitration has not been set yet.

The outcome of all the proceedings and claims against the Partnership, including the matters described above, is subject to future resolution that includes the uncertainties of litigation. It is not possible for the Partnership to predict the result or magnitude of the claims described above due to the various factors and uncertainties involved in the legal process. If it becomes probable that the Partnership will be held liable for claims against the Partnership, the Partnership will recognize a provision during the period in which the change in probability occurs, which could be material to the Partnership's consolidated statement of operations and comprehensive income (loss) or consolidated balance sheet.

Purchase Commitments with Suppliers

The Partnership issues purchase orders to third-party suppliers that may not be cancellable. As at December 31, 2023 and 2022, the Partnership had open non-cancellable purchase orders amounting to approximately $3.6 million and $7.5 million, respectively, primarily with the Partnership's third-party suppliers.

15. Guarantees

Indemnification Agreements

The Partnership enters into standard indemnification provisions in contractual arrangements with certain of its business partners and customers in the ordinary course of business. Pursuant to these arrangements, the Partnership agrees to indemnify, hold harmless and reimburse the indemnified parties for losses suffered or incurred by the indemnified party, generally business partners or customers, in connection with various matters including any patent or any copyright or other intellectual property infringement claim by any third party with respect to the Partnership's products. The term of these indemnification provisions is generally perpetual in length after the execution of the agreement. The maximum potential amount of future payments the Partnership could be required to make under these provisions is unlimited. The Partnership has never lost an infringement claim with respect to its products or settled claims related to these indemnification provisions. As a result, the Partnership believes the estimated fair value of these provisions is not material.

The Partnership has entered into indemnification agreements with its directors and officers that may require the Partnership to indemnify its directors and officers against liabilities that may arise

by reason of their status or service as directors or officers, other than liabilities arising from willful misconduct of a culpable nature; to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified; and to obtain directors' and officers' insurance if available on reasonable terms, which the Partnership currently has in place. The Partnership has not been required to indemnify any directors or officers under these agreements and has not recorded a liability in connection with these agreements.

16. Partners' Deficiency

Preferred Units

The Partnership has outstanding 536,741,320 Series A Preferred units, par value $0.01 per unit. The holders of Series A Preferred units have an option to convert each share of Series A Preferred units at an initial conversion price of $1.00, subject to a conversion ratio that is adjusted based on common unit distributions, splits or subdivisions, combinations or reclassifications, or consolidations or mergers. Holders of Series A Preferred units are entitled to voting rights equal to the number of shares of common units into which the shares of Series A Preferred units could be converted, multiplied by one hundred. Holders of Series A Preferred units are entitled to distributions, when, as and if declared by the Board of Directors on the number of shares of common units into which each Series A Preferred unit is then convertible.

Distributions in liquidation or certain defined events are made first to the holders of Series A Preferred units pro rata in proportion to the number of Series A Preferred units held by each preferred unitholder, then to the holders of common units, pro rata in proportion to the number of common units held by each common unitholder.

Stock Incentive Plans

In June 2015, the Partnership's Board of Directors (the "Board") adopted the Procera Holdings Inc. Stock Incentive Plan (the "Plan"), which was assumed by Sandvine, LP subsequent to the Partnership's restructuring in 2017. On February 2, 2021, the Board approved an increase to the share reserve pool from 625,937,866 common units to 658,881,964 common units. The aggregate number of shares reserved for issuance under the Plan as at December 31, 2023 is 122,140,244 shares. The purpose of the Plan is to enable the Partnership to offer stock-based incentives to employees, directors and consultants with the objective of aligning those individuals' interests with those of stockholders. Under the Plan, the Partnership is authorized to grant a wide variety of incentive awards, including stock options, warrants, restricted stock awards, restricted stock unit awards, performance stock awards and performance cash awards to employees, directors and consultants.

As at December 31, 2023, 17,707,291 shares were available for future grant under the Plan. The stock awards under the Plan vest over varying lengths of time pursuant to various option agreements that the Partnership has entered into with the grantees of such stock awards. The Plan is administered by the Board. Subject to the provisions of the Plan, the Board has authority to determine the employees, directors and consultants who are to be awarded stock and the terms of such awards, including the number of shares subject to such stock awards, the fair market value of the common stock, the exercise price per share and other terms.

Stock options and warrants must have an exercise price equal to at least 100% of the fair market

value of a share on the date of the award and generally cannot have a duration of more than ten years. Options and warrants generally vest and/or become exercisable over a period of four years. Stock option and warrant exercises are settled with newly issued shares of common stock approved by stockholders for inclusion under the Plan. Awards are set forth in written agreements between the Partnership and the respective option and warrant holders. Awards under the Plan may not be made after the tenth anniversary of the date of adoption of each respective stock option plan, but awards granted before that date may extend beyond that date.

Option holders and warrant holders have no rights as stockholders with respect to shares subject to the option prior to the exercise thereof. An option or warrant becomes exercisable at such time and for such amounts as determined by the Board. An option holder or warrant holder may exercise a part of the option from the date that part first becomes exercisable until the option or warrant expires. The purchase price for share units to be issued to a recipient upon his or her exercise of an option or warrant is determined by the Board on the date the option is granted. The Plan provides for adjustment as to the number and kinds of shares covered by the outstanding options and the option price to give effect to any stock dividend, stock split, stock combination or other reorganization.

Restricted stock awards are awards of shares of common stock units that vest in accordance with terms and conditions established by the Board. Each restricted stock award is evidenced by an award agreement that sets forth the terms and conditions of the award. The Board sets the terms of the restricted stock award, including the size of the restricted stock award, the price to be paid by the recipient, if any, the vesting schedule and any performance criteria that may be required for the stock to vest. The award may vest based on continued employment and/or the achievement of performance goals. If a participant's service terminates before the restricted stock is fully vested, all of the unvested shares will be forfeited by the participant unless otherwise provided in the restricted stock award agreement or subsequently modified by the Board.

Restricted Stock

As at December 31, 2023, the Partnership had 1,581,217 vested RSUs that will be settled, upon a change in control event, into an equal number of common share units. The Partnership may, at its discretion, settle the vested RSUs into the then cash equivalent value in lieu of issuing common share units.

On June 28, 2022, the Board approved the Procera Networks, Inc. 2022 Equity Incentive Plan (the "PNI Plan"). Under the PNI Plan, a maximum of 73,209,108 RSUs may be awarded to employees, officers, directors or consultants of the Partnership, subsidiaries or affiliates. The purpose of the PNI Plan is to further the growth and success of the Partnership by awarding RSUs to employees, officers, directors or consultants of the Partnership, subsidiaries or affiliates, thereby increasing their personal interest in such growth and success and to provide a means of rewarding outstanding performance by the recipients of the RSUs. When vested, the RSUs issued under the Plan will be settled by the payment of cash based on the fair market value of the specified number of Common Units of the Partnership.

Each RSU award is divided into two tranches, with 50% of the RSUs constituting Time-Vesting RSUs and 50% of the RSUs constituting Performance-Vesting RSUs.

The Time-Vesting RSUs vest upon the satisfaction of both (a) a time-vesting condition, and (b) a change of condition.

(a) Time-vesting condition — 25% of the awards vest on the first anniversary of the award and the remainder vest in equal monthly installments over the next 36 months.
(b) Change of control condition — the change of control condition will be satisfied if a change of control occurs on or prior to June 27, 2027.

(in thousands of United States dollars, unless otherwise noted)

The Performance-Vesting RSUs shall vest if, upon the occurrence of a change of control on or after the first anniversary of the award and on or prior to June 27, 2027, the enterprise value of the Partnership as of the date of such change of control is equal to or greater than the value defined in the PNI Plan, subject to the RSU holder's continued service through the date of such change of control.

In 2023, the Partnership awarded no new RSUs (2022 - 63,081,324) under the Plan and 4,099,710 RSUs were cancelled (2022 – none). None of the RSUs will vest unless there is a change of control, and as such, the Partnership has determined that it is not probable that any RSUs will vest. No compensation cost has been recorded in the consolidated statement of operations and comprehensive income (loss). If a change of control occurs before the RSUs expire, expense will be recognized for the RSUs that vest, based on the settlement value.

Common Unit Incentive

On January 10, 2023, the Partnership issued 13,700,000 common partnership units to certain members of management at a par value of $0.50 per unit.

Subsequent to year-end, the Board approved the grant of 21,406,250 common partnership units to certain members of management. The grant will result in a $6.9 million non-cash stock compensation charge in the first quarter of 2024.

Performance Stock Options

On February 5, 2021, the Board approved a stock option grant of performance options. These options fully vest upon the consummation of a "Change in Control Event", including a full or partial sale of the Partnership or an initial public offering.

	2023		2022	
	Options	Weighted Average Exercise Price	Options	Weighted Average Exercise Price
Outstanding at the beginning of the year	25,163	$ 0.18	26,623	$ 0.18

Stock-based Compensation

Stock-based employee compensation expense recognized pursuant to the Partnership's stock incentive plans on the accompanying consolidated statement of operations and comprehensive income (loss) is as follows:

(in thousands of United States dollars, unless otherwise noted)

	2023	2022
Cost of sales	$ -	$ 1
Research and development	47	182
Sales and marketing	585	827
General and administrative	7,600	676
Total stock-based compensation expense	$ 8,232	$ 1,686

No income tax benefits were recognized in the years ended December 31, 2023 and 2022. No stock-based compensation has been capitalized in inventory due to the immateriality of such amounts.

As at December 31, 2023, total unrecognized compensation cost related to unvested stock options was $2.5 million (2022 — $3.7 million), which is expected to be recognized over an estimated weighted average amortization period of 2.4 years (2022 — 2.2 years).

Valuation Assumptions

The fair value of each option grant is estimated on the date of grant using the Black-Scholes option valuation model. The fair value of each restricted stock award is determined based upon the fair market value of the stock on the date of the grant. The expense for stock-based awards is recognized over the requisite service period using the straight-line attribution approach.

The following assumptions were used in determining the fair value of stock options granted during the years ended December 31, 2023 and 2022:

	2023	2022
Expected term (in years)	6.089	6.079
Expected volatility	38.275%	36.649%
Risk-free interest rate	4.096%	2.347%
Dividend yield	-	-

The weighted average grant date fair value of options granted during the years ended December 31, 2023 and 2022 was $0.21 and $0.29 per share, respectively.

The Partnership calculated the expected term of options using a simplified method, estimated using the liquidity event scenario to "continue" in which an initial public offering occurs and the expected term extends beyond the liquidity event. Expected volatilities were estimated using a 50/50 blend of historic and implied volatilities of comparable public companies. There is insufficient trading activity to estimate the volatility of the Company’s partnership units. The risk-free interest rate for a period equivalent to the expected term of the option was extrapolated from the US Treasury yield curve in effect at the time of the grant. The Partnership does not have a standard practice of paying cash dividends.

Redemption of Common Units

On January 14, 2023, the Partnership redeemed 13,700,000 common units for $6.9 million from available cash to execute the repurchase.

Significant components of the Partnership's deferred tax assets and liabilities are as follows:

	2023	2022

The Partnership has recognized $4.8 million of deferred taxes on temporary differences related to its investment in certain subsidiaries where the accumulated earnings are not considered to be permanently reinvested. The Partnership has not recognized any deferred taxes on temporary differences related to its investment in certain other foreign subsidiaries where the accumulated earnings are considered to be permanently reinvested. There are temporary differences of $16.8 million associated with investments in the subsidiaries for which no deferred income tax liability has been recognized.

The Partnership regularly assesses the need for a valuation allowance against its deferred tax assets. In making that assessment, the Partnership considers both positive and negative evidence related to the likelihood of realization of the deferred tax assets to determine, based on the weight of available evidence, whether it is more likely than not that some or all of the deferred tax assets will be realized. The valuation allowance increased by $18.0 million for the year ended December 31, 2023, of which $10.5 million was an increase to the valuation allowance in the US.

As at December 31, 2023, the Partnership has US net operating loss carryforwards for federal income tax purposes of approximately $0.05 million, which will begin to expire in 2027. The Partnership also has state net operating loss carryforwards of approximately $6.8 million, which will begin to expire in 2025.

The Partnership has Canadian Scientific Research and Experimental Development ("SR&ED") investment tax credits ("ITCs") of $6.3 million, which will begin to expire in 2035.

The Partnership also has California SR&ED ITCs of $0.1 million. These California ITCs have no expiration date.

Sections 382 and 383 of the US Internal Revenue Code of 1986 ("IRC"), as amended, provide for annual limitations on the utilization of net operating loss and research and experimentation credit carryforwards if the Partnership were to undergo an ownership change. In general, an ownership

(in thousands of United States dollars, unless otherwise noted)

change occurs whenever the percentage of the shares of a corporation owned, directly or indirectly, by 5-percent shareholders, as defined in Section 382, increases by more than 50 percentage points over the lowest percentage of the shares of such corporation owned, directly or indirectly, by such 5-percent shareholders at any time over the preceding three years.

Based on an analysis under Section 382 of the IRC, the Partnership experienced an ownership change in conjunction with the merger on June 5, 2015, which substantially limits the future use of the Partnership's pre-change net operating loss carryforwards and certain other pre-change tax attributes per year. None of the US net operating loss carryforwards and SR&ED ITCs are expected to expire as a result of the annual limitations in the deferred tax assets as at December 31, 2023. To the extent that the Partnership does not utilize its carryforwards within the applicable statutory carryforward periods, either because of Section 382 limitations or the lack of sufficient taxable income, the carryforwards will expire unused.

The US Tax Act has a requirement that certain income earned by controlled foreign corporations ("CFCs") must be included currently in the gross income of the CFC's US shareholder. The income required to be included in gross income is referred to as global intangible low tax income ("GILTI") and is defined under IRC Section 951A as the excess of the shareholder's net CFC tested income over the net deemed tangible income return. The Partnership, which has companies with CFCs, has made a policy decision to record GILTI tax as a current-period expense when incurred, which was not material for the year.

In addition to the GILTI provision, the US Tax Act also enacted the Base Erosion and Anti-Abuse Tax ("BEAT"). The BEAT minimum tax under IRC Section 59A is applicable to the extent that the BEAT amount is greater than the regular corporate tax for a given year. This tax is applicable to companies with prior three-year average annual gross receipts exceeding $500.0 million. The Partnership does not currently meet this threshold since its current average annual gross receipts are less than $500.0 million.

The Tax Cuts and Jobs Act of 2017 ("TCJA") amended Section 174 relating to the federal tax treatment of research or experimentation expenditures paid or incurred during the taxable year. Section 174 is applicable to specified research and experimentation expenditures, including software development, paid or incurred in taxable years beginning after December 31, 2021. Taxpayers are required to capitalize and amortize specified research and experimentation expenditures over a period of five years (attributable to domestic research) or fifteen years (attributable to foreign research). During the year ended December 31, 2023, the Partnership recognized a deferred tax benefit of $6.9 million, which is included as a component of income tax expense from continuing operations.

The following table summarizes the activity related to unrecognized tax benefits:

	2023	2022
Balance at the beginning of the year	$ 2,430	$ 2,430
Increase in uncertain tax provision	690	-
Balance at the end of the year	$ 3,120	$ 2,430

(in thousands of United States dollars, unless otherwise noted)

As at December 31, 2023, the Partnership had a total of $3.2 million of net unrecognized tax benefits, none of which is expected to reverse in the next 12 months. There was an increase of $0.8 million in the year.

The Partnership files income tax returns in the US, including various state jurisdictions, Canada, Sweden, the United Kingdom and other foreign jurisdictions. As at December 31, 2023, the US federal returns for the years ended 2020 through the current period and most state returns for the years ended 2019 through the current period are still open to examination. In addition, all of the net operating losses and research and development credit carryforwards that may be used in future years are still subject to adjustment. The Partnership is also subject to examinations in Canada for the years ended 2019 through the current period. All of the net operating losses and $1.7 million of research and development credit carryforwards that may be used in future years are still subject to adjustment. The Partnership is subject to examination in its other foreign jurisdictions and is still subject to examination for the years ended 2017 through the current period.

18. Supplemental Cash Flow Information

The components of changes in non-cash working capital balances are as follows:

Inventories	11,274	(1,363)
Prepaid expenses and other assets	1,478	(257)
Accounts payable	(8,453)	6,060
Accrued liabilities and other non-current liabilities	(1,301)	(4,218)
Deferred revenue	1,890	(8,580)
Changes in non-cash working capital balances	$ 29,958	$ (15,513)

19. Fair Value Measurements

ASC Topic 820, *Fair Value Measurements and Disclosures* ("Topic 820") defines fair value as the price that would be received upon sale of an asset or paid upon transfer of a liability in an orderly transaction between market participants at the measurement date and in the principal or most advantageous market for that asset or liability. The fair value, in this context, should be calculated based on assumptions that market participants would use in pricing the asset or liability, not on assumptions specific to the entity. In addition, the fair value of liabilities should include consideration of non-performance risk, including the Partnership's own credit risk.

Topic 820 establishes a fair value hierarchy that prioritizes the inputs used in the valuation methodologies in measuring fair value into three levels:

• Level 1—inputs are based upon unadjusted quoted prices for identical instruments traded in active markets.

• Level 2—inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation

techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

• Level 3—inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

The carrying amounts of the Partnership's cash, accounts receivable (net), accounts payable, accrued liabilities and income taxes payable approximate their fair value due to their short maturities.

The carrying amount of the Partnership's derivative financial instruments designated as effective hedges was an asset of $0.4 million as at December 31, 2023 (2022 — liability of $1.0 million).

The Partnership incurs costs, primarily payroll and related expenditures, in CAD, INR, and SEK, which exceed the natural hedge provided by inflows in these currencies. The Partnership utilizes a hedging program to manage certain of these net foreign currencies using forward foreign exchange contracts. The Partnership also incurs rent costs, in CAD and SEK, which are hedged using forward foreign exchange contracts. The timing and amount of these forward foreign exchange contracts are based on expected future cash outflows. The Partnership applies hedge accounting to these forward contracts. As a result, these instruments are measured at fair value with the effective portion of the change in fair value initially recorded in other comprehensive income (loss) and reclassified to the consolidated statement of operations and comprehensive income (loss) in the same period that the hedged anticipated transaction affects earnings.

The fair value of the Partnership's derivative instruments is estimated using a discounted cash flow technique incorporating inputs that are observable in the market or can be derived from observable market data and represent a Level 2 measurement.

As at December 31, 2023, the cash flow hedges were assessed to be fully effective and a net unrealized loss of $0.6 million (2022 — loss of $2.0 million), net of $0.4 million in related income tax expense (2022 – income tax recovery of $0.1 million), was included in other comprehensive income (loss). The amounts retained in other comprehensive income (loss) for the year ended December 31, 2023 will mature and affect the consolidated statement of operations and comprehensive income (loss) in fiscal 2024 and 2025.

The following table summarizes the Partnership's commitments to buy and sell foreign currencies under foreign exchange contracts, all of which have a maturity date of less than fifteen months, as at December 31, 2023:

(in thousands of United States dollars, unless otherwise noted)

Designation	Currency Sold	Currency Bought	Notional Amount Sold	Weighted Average Rate
2023				
Foreign exchange contract — Cash flow hedges, maturing within one year	USD	CAD	11,685	1.342
Foreign exchange contract — Cash flow hedges, maturing between one year and fifteen months	USD	CAD	1,379	1.349
Foreign exchange contract — Cash flow hedges, maturing within one year	USD	SEK	5,003	10.443
Foreign exchange contract — Cash flow hedges, maturing between one year and fifteen months	USD	SEK	549	10.423
Foreign exchange contract — Cash flow hedges, maturing within one year	USD	INR	3,712	83.518
Foreign exchange contract — Cash flow hedges, maturing between one year and fifteen months	USD	INR	415	84.448

The Partnership has assessed the net foreign currency exposure of its foreign-currency-denominated financial instruments relative to the USD. A fluctuation of +/- 5%, provided as an indicative range in a volatile currency environment, would, with all other variables held constant, have an effect on accumulated other comprehensive loss and net income (loss) for the year ended December 31, 2023 of +/- $0.7 million (2022 — $0.5 million).

20. Revenue and Segment Disclosures

Sales for geographic regions were based upon the customer's location. The following table presents net sales by geographic region:

21. Subsequent Events

On February 27, 2024, the U.S. Department of Commerce, Bureau of Industry and Security ("BIS") published a final rule which placed certain Sandvine entities on the BIS Entity List. This matter is described in Note 2. The Company has assessed this matter as a non-recognized subsequent event in accordance with ASC 855 Subsequent Events as the decision to place the Company on the Entity List was a judgement made by the BIS and not due to specific non-compliance by the Company with laws or regulations. ASC 855 requires disclosure of an estimate of the financial impact of the subsequent event. However, the impacts of the Entity List designation and the related impacts and potential impacts described in Note 2 are likely to materially impact the valuation of certain assets including goodwill, long-intangibles, property and equipment, and deferred tax assets, in the consolidated balance sheet as at December 31, 2023. Given the uncertainty as to what actions will be required by the Company by the BIS and uncertainty as to when and if the Company will be approved to come off of the Entity List, the Company is currently unable to estimate the financial impact.

In addition, subsequent to year-end the Company breached certain covenants under the Secured Credit Facilities. In absence of a forbearance, as a result of certain Events of Default, the First Lien Secured Credit Facility lenders ("the Lenders") have the immediate right to exercise (any and all remedies under the First Lien Secured Credit Facility agreements, including, (a) charging interest at the default rate, (b) declaring the loans then outstanding to be due and payable in whole and (c) taking any other action permitted under the First Lien Secured Credit Facility agreements or applicable law. A forbearance agreement was entered into with the Lenders with respect to those specific defaults under the first lien loan agreement with an initial forbearance period expiring on May 20, 2024 with the option for the Lenders to extend such forbearance until June 21, 2024. The forbearance provides that the Lenders will not exercise their rights and remedies under the agreement or otherwise during the forbearance period as they work with the Company on

restructuring the debt. An extension of the forbearance period through June 3, 2024 was obtained. Any further extension of the forbearance agreement is at the discretion of the Lenders.

"Adjusted Term SOFR" means, for purposes of any calculation, the rate per annum equal to Term SOFR for such calculation; *provided* that, if Adjusted Term SOFR as so determined would be less than the Applicable Term SOFR Floor, with respect to any Credit Facility, such rate shall be deemed to be the Applicable Term SOFR Floor with respect to such Credit Facility for the purposes of this Agreement.

(A) Notice Procedures. Each Auction Notice shall contain (i) the Class of Term Loans that will be the subject of the Auction, (ii) the total cash value of the bid (the "Auction Amount"), in a minimum amount of $1,000,000 with minimum increments of $500,000, (iii) the discount to par, which shall be a range (the "Discount Range") of percentages of the par principal amount of the Term Loans (i.e., a 5% to 10% Discount Range would represent $50,000 to $100,000 per $1,000,000 principal amount of Term Loans, with a 10% discount being deemed a "higher" discount than 5% for purposes of an Auction) at issue that represents the discounts applied to calculate the range of purchase prices that could be paid in the Auction; provided that the Discount Range may, at the option of the Auction Party, be a single percentage, (iv) the date on which the Auction will conclude, on which date Return Bids will be due at the time provided in the Auction Notice (such time, the "Auction Expiration Time"), as such date and time may be extended upon notice by the Auction Party to the auction manager before any prior Auction Expiration Time, and (v) the identity of the auction manager, and shall indicate if such auction manager is an Affiliate of Ultimate Parent. Each offer to purchase Term Loans in an Auction shall be offered on a pro rata basis to all the Eligible Auction Lenders.

(B) Reply Procedures. In connection with any Auction, each Eligible Auction Lender may, in its sole discretion, participate in such Auction and, if it elects to do so (any such participating Eligible Auction Lender, a "Participating Lender"), shall provide, prior to the Auction Expiration Time, the auction manager with a notice of participation (the "Return Bid") which shall be in a form and

substance prepared by the Borrower Representative and shall specify (i) a discount to par that must be expressed as a percentage of par principal amount of Term Loans of the relevant Class expressed in percentages (the "Reply Discount"), which must be within the Discount Range, and (ii) a principal amount of Term Loans of the relevant Class, which must be in increments of $500,000, that such Eligible Auction Lender is willing to offer for sale at its Reply Discount (the "Reply Amount"). An Eligible Auction Lender may avoid the minimum increment amount condition solely when submitting a Reply Amount equal to such Eligible Auction Lender's entire remaining amount of such Term Loans. Eligible Auction Lenders may only submit one Return Bid per Auction but each Return Bid may contain up to three bids, only one of which can result in a Qualifying Bid (as defined below). In addition to the Return Bid, each Participating Lender must execute and deliver, to be irrevocable during the pendency of the Auction and held in escrow by the auction manager, an assignment agreement pursuant to which such Participating Lender shall make the representations and agreements substantially consistent with the terms of Section 2.11(i)(C). Any Eligible Auction Lender that fails to submit a Return Bid at or prior to the Auction Expiration Time shall be deemed to have declined to participate in the Auction.

(C) Acceptance Procedures. Based on the Reply Discounts and Reply Amounts received by the auction manager, the auction manager, with the consent of the Auction Party, will, within ten (10) Business Days of the Auction Notice (or such other time agreed by the Borrower Representative), determine the applicable discount (the "Applicable Discount") for the Auction, which will be the highest Reply Discount at which the Auction Party can complete the Auction at the Auction Amount; provided that, in the event that the Reply Amounts are insufficient to allow the Auction Party to complete a purchase of the entire Auction Amount, the Auction Party shall either, at its election, (i) withdraw the Auction or (ii) complete the Auction as set forth below. Unless withdrawn, the Auction Party shall notify the Participating Lenders of the Applicable Discount no later than one Business Day after it is determined (the "Applicable Discount Notice"). The Auction Party shall, within three Business Days of the Applicable Discount Notice, purchase Term Loans from each Participating Lender with a Reply Discount that is equal to or higher than the Applicable Discount ("Qualifying Bids") at a discount to par equal to the Reply Discount of such Participating Lender, with the applicable Term Loans of the Participating Lender(s) with the highest Reply Discount being purchased first and then in descending order from such highest Reply Discount to and including the applicable Term Loans of the Participating Lenders with a Reply Discount equal to the Applicable Discount (the "Applicable Order of Purchase"); provided that if the aggregate proceeds required to purchase all Term Loans of the relevant Class subject to Qualifying Bids would exceed the Auction Amount for such Auction, the Auction Party shall purchase such Term Loans of the Participating Lenders in the Applicable Order of Purchase, but with the Term Loans of Participating Lenders with Reply Discounts equal to the Applicable Discount being purchased pro rata until the Auction Amount has been so expended on such purchases. If a Participating Lender has submitted a Return Bid containing multiple bids at different Reply Discounts, only the bid with the highest Reply Discount that

is equal to or more than the Applicable Discount will be deemed the Qualifying Bid of such Participating Lender. In no event shall any purchase of Term Loans in an Auction be made at a Reply Discount lower than the Applicable Discount for such Auction.

(D) Additional Procedures. Once initiated by an Auction Notice, the Auction Party may withdraw or modify an Auction only prior to the delivery of the Applicable Discount Notice (and if any Auction is withdrawn or modified, notice thereof shall be delivered to the Administrative Agent and the Eligible Auction Lenders no later than the first Business Day after such withdrawal). Furthermore, in connection with any Auction, upon submission by a Participating Lender of the relevant Class of a Qualifying Bid, such Term Lender will be obligated to sell the entirety or its allocable portion of the Reply Amount, as the case may be, at the Reply Discount.

For example, if the relevant ratio is to be calculated to the hundredth decimal place and the calculation of the ratio is 5.125, the ratio will be rounded up to 5.13.

Section 1.08 Timing of Payment or Performance. When the payment of any obligation or the performance of any covenant, duty or obligation is stated to be due or

performance required on (or before) a day which is not a Business Day, the date of such payment (other than as described in the definition of "Interest Period") or performance shall extend to the immediately succeeding Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

Section 1.09 [Reserved].

Section 1.10 Certifications. All certifications to be made hereunder by an officer or representative of a Loan Party shall be made by such a Person in his or her capacity solely as an officer or a representative of such Loan Party, on such Loan Party's behalf and not in such Person's individual capacity.

Section 1.11 Compliance with Article VI. In the event that any transaction permitted pursuant to Article VI (whether at the time of incurrence or upon application of all or a portion of the proceeds thereof) meets the criteria of one or more than one of the categories of transactions then permitted pursuant to any clause of such Sections in Article VI (within the same negative covenant), the Borrower Representative, in its sole discretion, may classify or (solely in the case of Section 6.01 (other than any amounts incurred pursuant to clauses (a) or (r) thereof), Section 6.02 (other than any amounts incurred pursuant to clauses (a) or (kk) thereof), Section 6.04 and Section 6.06), reclassify (or later divide, classify or reclassify) such transaction and shall only be required to include the amount and type of such transaction in one of such clauses. Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest, premium, fees or expenses, in the form of additional Indebtedness shall not be prohibited by Section 6.01.

Section 1.12 Limited Condition Acquisition. Solely for the purpose of (i) measuring the relevant ratios and baskets (including, for the avoidance of doubt, any basket measured as a percentage of LTM EBITDA or Consolidated Total Assets and, for the avoidance of doubt including with respect to the incurrence of any Indebtedness (including any Incremental Loans), Liens, the making of any Acquisitions or other Investments, Restricted Payments, prepayment of Indebtedness that is by its terms subordinated in right of payment to all or any portion of the Obligations or asset sales, in each case, in connection with a Limited Condition Acquisition) or (ii) determining compliance with the representations and warranties or the occurrence of any Default or Event of Default, in each case, in connection with a Limited Condition Acquisition, if the Borrower Representative makes an LCA Election, the Applicable Date of Determination in determining whether any such Limited Condition Acquisition is permitted shall be deemed to be the LCA Test Date, and if, after giving effect to the Limited Condition Acquisition and the other transactions to be entered into in connection therewith as if they had occurred as of the Applicable Date of Determination, ending prior to the LCA Test Date on a Pro Forma Basis, the Borrowers could have taken such action on the relevant LCA Test Date in compliance with any such ratio or basket (other than for the purposes of calculating actual compliance (and not pro forma compliance or compliance on a Pro Forma Basis) with Section 6.11), such ratio or basket shall be deemed to have been complied with. If the Borrower Representative has made an LCA Election for any Limited Condition Acquisition, then in connection with any subsequent calculation of any ratio or basket on or following the relevant LCA Test Date and prior to the earlier of (i) the date on which such Limited Condition Acquisition is consummated or (ii) the date that the definitive agreement for such Limited Condition

Acquisition is terminated or expires without consummation of such Limited Condition Acquisition, any such ratio or basket shall be calculated and tested on a Pro Forma Basis assuming such Limited Condition Acquisition and other pro forma events in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until such time as the applicable Limited Condition Acquisition has actually closed or the definitive agreement with respect thereto has been terminated; provided that the consummation of any Limited Condition Acquisition shall be subject to the absence of any Specified Event of Default. For the avoidance of doubt, if the Borrower Representative has made an LCA Election and any of the ratios or baskets for which compliance was determined or tested as of LCA Test Date (including with respect to the incurrence of any Indebtedness) are not satisfied as a result of fluctuations in any such ratio or basket (including due to fluctuations in Consolidated EBITDA calculated on a Pro Forma Basis, including the target of any Limited Condition Acquisition) at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been unsatisfied as a result of such fluctuations; however, if any ratios or baskets improve as a result of such fluctuations, such improved baskets or ratios may be utilized.

Section 1.13 Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with an Incremental Credit Facility, Credit Agreement Refinancing Indebtedness or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a "cashless roll" by such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made "in Dollars", "in immediately available funds", "in Cash" or any other similar requirement.

Section 1.14 Alternative Currencies.

(a) The Borrowers may from time to time request that Eurocurrency Revolving Loans be made in an Alternative Currency (other than Euros, Sterling, Australian Dollars, Swedish Krona, Yen and Swiss Francs) that is readily available and freely transferable and convertible into Dollars. Such request shall be subject to the approval of the Administrative Agent and each Revolving Lender.

(b) Any such request shall be made to the Administrative Agent not later than 11:00 a.m., 10 Business Days prior to the date of the desired Credit Event (or such other time or date as may be agreed by the Administrative Agent, in its sole discretion). The Administrative Agent shall promptly notify each Revolving Lender thereof. Each Revolving Lender shall notify the Administrative Agent, not later than 11:00 a.m., five (5) Business Days after receipt of such request whether it consents, in its sole discretion, to the making of Eurocurrency Revolving Loans in such requested Alternative Currency.

(c) Any failure by a Revolving Lender to respond to such request within the time period specified in the preceding sentence shall be deemed to be a refusal by such Revolving Lender to permit Eurocurrency Revolving Loans to be made in such requested Alternative Currency. If the Administrative Agent and all the Revolving Lenders consent to making Eurocurrency Revolving Loans in such requested Alternative Currency, the Administrative Agent

shall so notify the Borrower Representative and such Alternative Currency shall thereupon be deemed for all purposes to be an approved Alternative Currency hereunder for purposes of any Borrowings of Eurocurrency Revolving Loans. If the Administrative Agent shall fail to obtain consent to any request for an Alternative Currency under this Section 1.14, the Administrative Agent shall promptly so notify the Borrower Representative.

Section 1.15 Divisions of LLCs. Any reference herein to a merger, transfer, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company or other person, or an allocation of assets to a series of a limited liability company or other person (or the unwinding of such a division or allocation) (any such transaction, a "Division"), as if it were a merger, transfer, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any Division of a limited liability company shall constitute a separate Person hereunder (and each Division of any limited liability company that is a Subsidiary, Restricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

Section 1.16 Rates. The Administrative Agent does not warrant or accept any responsibility for, and shall not have any liability with respect to, (a) the continuation of, administration of, submission of, calculation of or any other matter related to ABR, the Term SOFR Reference Rate, Adjusted Term SOFR or Term SOFR, or any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any benchmark replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any benchmark replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, ABR, the Term SOFR Reference Rate, Adjusted Term SOFR, Term SOFR or any other benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any conforming changes, except in the case of clauses (a) and (b), to the extent of liabilities resulting from the willful misconduct, bad faith or gross negligence of the Administrative Agent as determined by a court of competent jurisdiction in a final and nonappealable judgment. The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of ABR, the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR, any alternative, successor or replacement rate (including any benchmark replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain ABR, the Term SOFR Reference Rate, Term SOFR, Adjusted Term SOFR or any other benchmark, or any component definition thereof or rates referred to in the definition thereof, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service, except, in each case, to the extent of liabilities resulting from the willful misconduct, bad faith or gross negligence of the Administrative Agent as determined by a court of competent jurisdiction in a final and nonappealable judgment.

Section 2.01 Commitments. Subject to the terms and express conditions set forth herein, (a) each Initial Term Lender severally made an Initial Term Loan to the Borrowers on the Closing Date or acquired such Initial Term Loan after the Closing Date, as amended on the Amendment No. 6 Effective Date, in Dollars in an aggregate principal amount equal to its Initial Term Commitment, (b) each 2024 Tranche B Term Lender severally agreed, in exchange for the settlement and extinguishment of indebtedness owing by the Borrowers to such Lender, to accept the issuance of a 2024 Tranche B Term Loan by the Borrowers on the Amendment No. 6 Effective Date, and (c) each Revolving Lender with an Initial Revolving Commitment severally agrees to make the Initial Revolving Loans to the Borrowers from time to time during the Revolving Availability Period applicable to the Initial Revolving Commitments in Dollars or in an Alternative Currency in an aggregate principal amount such that its Initial Revolving Exposure will not exceed its Initial Revolving Commitment. Within the foregoing limits and subject to the terms and express conditions set forth herein, the Borrowers may borrow, prepay and reborrow Revolving Loans (without premium or penalty except as set forth in Section 2.16). Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

Section 2.02 Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made to the Borrowers by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder; provided that the Commitments of the Lenders are several and no Lender shall be responsible for any other Lender's failure to make Loans as required.

(b) Subject to Section 2.14, (i) each Revolving Loan Borrowing denominated in an Alternative Currency shall be comprised entirely of Eurocurrency Loans, (ii) each Revolving Loan Borrowing denominated in Dollars shall be comprised entirely of ABR Loans or Term SOFR Loans as the Borrowers may request in accordance herewith, (iii) each Term Loan Borrowing (other than a Borrowing of Amendment No. 6 Term Loans) shall be comprised entirely of ABR Loans or Term SOFR Loans as the Borrowers may request in accordance herewith, and (iv) each Borrowing of Amendment No. 6 Term Loans shall be comprised entirely of Fixed Rate Loans. Each Lender at its option may make any Eurocurrency Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrowers to repay such Loan in accordance with the terms of this Agreement.

(c) At the time that each Eurocurrency Borrowing or Term SOFR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of $1,000,000 (or, if not an integral multiple, the entire available amount) and not less than $2,000,000. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of $500,000 and not less than $1,000,000. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more

than a total of ten (10) Eurocurrency Borrowings and ten (10) Term SOFR Borrowings outstanding.

(d) Notwithstanding any other provision of this Agreement, the Borrowers shall not be entitled to request, or to elect to convert or continue, any Borrowing if the Interest Period requested with respect thereto would end after the applicable Revolving Termination Date (in the case of such Revolving Loan) or the Term Loan Maturity Date applicable to such Borrowing (in the case of such Term Loan), as the case may be.

(e) The obligations of the Revolving Lenders hereunder to make Revolving Loans and to make payments pursuant to Section 9.03(c) are several and not joint.

Section 2.03 Requests for Borrowings. To request a Borrowing, the Borrowers shall notify the Administrative Agent by hand delivery, electronic communication (including Adobe pdf file) or facsimile of a written Borrowing Request signed by the Borrower Representative (or any Borrower) by (a) in the case of a Term SOFR Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of the proposed Borrowing, (b) [reserved], (c) in the case of an ABR Borrowing, a Fixed Rate Borrowing or a Borrowing of Daily SOFR Loans, not later than 11:00 a.m., New York City time, one (1) Business Day before the date of the proposed Borrowing or (d) in the case of a Eurocurrency Borrowing denominated in any Alternative Currency, not later than 11:00 a.m., New York City time, four (4) Business Days before the date of the proposed Borrowing (or a shorter notice period to be agreed between the Borrower Representative and the Administrative Agent at any time any Alternative Currency is specified); provided that any notice of a Borrowing to be made on the Amendment No. 6 Effective Date (whether a Eurocurrency Borrowing or ABR Borrowing or denominated in Dollars or in an Alternative Currency) may be given not later than 11:00 a.m. New York City time (or such later time as the Administrative Agent may reasonably agree), one (1) Business Day prior to the date of the proposed Borrowing, which notice may be subject to the effectiveness of this Agreement. Each written Borrowing Request permitted by the immediately preceding sentence shall specify the following information:

(i) the Class of such Borrowing;

(ii) the currency (which shall be Dollars or an Alternative Currency) and the aggregate amount of such Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing, a Eurocurrency Borrowing, a Fixed Rate Borrowing or Term SOFR Borrowing;

(v) in the case of a Eurocurrency Borrowing or Term SOFR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period;"

(vi) the location and number of the applicable Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06; and

(vii) in the case of a Borrowing Request made in respect of a Revolving Loan Borrowing, that as of such date the conditions in Section 4.02(a) and (b) are satisfied (or waived).

If no currency is specified with respect to any Term SOFR Borrowing, the Borrowers shall be deemed to have selected Dollars. If no election as to the Type of Borrowing is specified, then the requested Borrowing shall be (A) in the case of a Borrowing denominated in Dollars, an ABR Borrowing, and (B) in the case of a Borrowing denominated in an Alternative Currency, a Eurocurrency Borrowing. If no Interest Period is specified with respect to any requested Eurocurrency Borrowing or Term SOFR Borrowing, then the Borrowers shall be deemed to have selected an Interest Period of one (1) month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

Section 2.04 [Reserved].

Section 2.05 [Reserved].

Section 2.06 Funding of Borrowings.

(a) Subject to the terms and conditions set forth herein and in Amendment No. 6, each Initial Term Loan Lender severally agrees to amend the terms of the Initial Term Loans as reflected herein, on and as of the Amendment No. 6 First-in-Time Effective Time. For the avoidance of doubt, the aggregate principal amount of the 2024 Existing Term Loans outstanding on (and immediately prior to the occurrence of) the Amendment No. 6 First-in-Time Effective Time shall be identical to the aggregate principal amount of the Initial Term Loans outstanding immediately after the occurrence of the Amendment No. 6 First-in-Time Effective Time.

(b) Subject to the terms and conditions set forth herein, Amendment No. 6 and the Second Lien Exchange Agreement, the Borrowers shall issue to each 2024 Tranche B Term Lender, and each 2024 Tranche B Term Lender shall be deemed to have made to the Borrowers, a 2024 Tranche B Term Loan on the Amendment No. 6 Effective Date at the Amendment No. 6 Second-in-Time Effective Time, in dollars in an aggregate principal amount equal to such 2024 Tranche B Term Lender's 2024 Tranche B Term Commitment.

(c) After the Amendment No. 6 Effective Date, other than for Loans made pursuant to Sections 2.06(a) or (b) above, each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds by (i) 1:00 p.m., New York City time, in the case of a Term SOFR Borrowing, (ii) in the case of any Borrowings denominated in an Alternative Currency, the Applicable Time specified by the Administrative Agent for such currency, (iii) 1:00 p.m., New York City time, in the case of a Eurocurrency Borrowing, or (iv) 1:00 p.m., New York City time, in the case of an ABR Borrowing or a Fixed Rate Borrowing for which notice has been provided by 11:00 a.m. New York City time at least one (1) Business Day prior to the date of the proposed Borrowing, in each case to the account of the Administrative Agent most recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrowers by wire

transfer of the amounts so received, in immediately available funds, to an account of the Borrowers, in each case designated by the Borrower Representative in the applicable Borrowing Request.

(d) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender will make such share available on such date in accordance with paragraph (a) of this Section and may, in reliance upon such assumption and in its sole discretion, make available to the Borrowers a corresponding amount. In such event, after giving effect to the reallocations pursuant to Section 2.22(a)(ii), if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender and the Borrowers agrees to pay to the Administrative Agent, within three (3) Business Days of written notice, such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrowers to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, (A) if such Borrowing is denominated in Dollars, the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation and (B) if such Borrowing is denominated in an Alternative Currency, the rate reasonably determined in accordance with customary practices by the Administrative Agent to be the cost to it of funding such amount, or (ii) in the case of the Borrowers, the interest rate applicable to ABR Loans of the applicable Type. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

Section 2.07 Interest Elections.

(a) Each Revolving Loan Borrowing and Term Loan Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a Eurocurrency Borrowing or Term SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03; *provided* that, all Amendment No. 6 Term Loans shall bear interest at the Fixed Rate. Thereafter, other than with respect to Amendment No. 6 Term Loans, the Borrowers may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a Eurocurrency Borrowing or Term SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section 2.07; provided that no Borrower may elect to convert any Borrowing denominated in an Alternative Currency to an ABR Borrowing and may not change the currency of any Borrowing and no Borrower may change the interest rate of the Amendment No. 6 Term Loans. The Borrowers may elect different options with respect to different portions of the affected Borrowing (other than with respect to Fixe Rate Loans), in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. It is agreed that this Section 2.07 shall not apply to any Amendment No. 6 Term Loans.

(b) To make an election pursuant to this Section, the Borrower Representative shall notify the Administrative Agent of such election by hand delivery, electronic communication (including Adobe pdf file) or facsimile of a written Interest Election Request substantially in the form of Exhibit B and signed by the Borrower Representative (or any Borrower) by the time that

a Borrowing Request would be required under Section 2.03 if the Borrowers were requesting a Revolving Loan Borrowing of the Type resulting from such election to be made on the effective date of such election.

(c) Each written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing, a Eurocurrency Borrowing, a Fixed Rate Borrowing or Term SOFR Borrowing; and

(iv) if the resulting Borrowing is a Eurocurrency Borrowing or Term SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

If any such Interest Election Request requests a Eurocurrency Borrowing or Term SOFR Borrowing but does not specify an Interest Period, then the Borrowers shall be deemed to have selected an Interest Period of one month's duration.

(d) Promptly following receipt of an Interest Election Request, the Administrative Agent shall advise each Lender of the details thereof and of such Lender's portion of each resulting Borrowing.

(e) If the Borrowers fail to deliver a timely Interest Election Request with respect to a Eurocurrency Borrowing or Term SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period (i) if such Borrowing is denominated in Dollars, such Borrowing shall be converted to an ABR Borrowing, and (ii) if such Borrowing is denominated in an Alternative Currency, such Borrowing shall continue as a Eurocurrency Borrowing with an Interest Period of one month. Notwithstanding any contrary provision hereof, if any Specified Event of Default has occurred and is continuing and the Administrative Agent, at the request of the Required Lenders, so notify the Borrower Representative, then, so long as such Event of Default is continuing, no outstanding Borrowing may be continued for an Interest Period of more than one month's duration and no Borrowing may be requested as, converted to or continued as a Eurocurrency Loan (if denominated in Dollars) and any or all of the then outstanding Eurocurrency Loans denominated in an Alternative Currency shall be prepaid, or redenominated into Dollars in the amount of the Dollar Equivalent thereof and converted to an ABR Borrowing, on the last day of the then current Interest Period with respect thereto.

Section 2.08 Termination and Reduction of Commitments.

(a) Unless previously terminated or extended, the applicable Revolving Commitments shall terminate on the applicable Revolving Termination Date; it being agreed that all Revolving Commitments outstanding prior to the Amendment No. 6 Effective Date have been terminated on the Amendment No. 6 Effective Date.

(b) The Borrowers may at any time, without premium or penalty, terminate, or from time to time reduce, the Commitments of any Class, provided that (i) each reduction of the Commitments of any Class shall be in an amount that is an integral multiple of $500,000 and not less than $1,000,000 and (ii) the Borrowers shall not terminate or reduce any Class of Revolving Commitments to the extent that, after giving effect to any concurrent prepayment of the Revolving Loans of such Class in accordance with Section 2.11, the aggregate Revolving Exposure (calculated using the Exchange Rate in effect as of the date of the proposed termination or reduction) of such Class would exceed the aggregate Revolving Commitments of such Class.

(c) The Borrowers shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least one Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrowers pursuant to this Section shall be irrevocable, provided that a notice of termination of the Commitments of any Class delivered by the Borrowers may state that such notice is conditioned upon the consummation of an acquisition or sale transaction or upon the effectiveness of other credit facilities or the receipt of proceeds from the issuance of other Indebtedness or any other specified event, in which case such notice may be revoked by the Borrowers (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

(d) The Borrower Representative, in its sole discretion, shall have the right, but not the obligation, at any time so long as no Event of Default has occurred and is continuing, upon at least one Business Days' notice to a Defaulting Lender (with a copy to the Administrative Agent), to terminate in whole such Defaulting Lender's Commitment; provided that, after giving effect to such termination, the aggregate Revolving Exposure of all Revolving Lenders does not exceed the aggregate Revolving Commitments. Such termination shall be effective with respect to such Defaulting Lender's unused portion of its Commitment on the date set forth in such notice. No termination of the Commitment of a Defaulting Lender shall be deemed a waiver or release of any claim the Borrowers, the Administrative Agent, or any Lender may have against the Defaulting Lender.

Section 2.09 Repayment of Loans; Evidence of Debt; Limitation on Obligations of the Canadian Borrower.

(a) The Borrowers unconditionally promise to pay, jointly and severally, to the Administrative Agent for the account of each Term Lender the then unpaid principal amount of each Term Loan of such Term Lender as provided in Section 2.10. The Borrowers unconditionally promise to pay, jointly and severally, to the Administrative Agent for the account of each

Revolving Lender the then unpaid principal amount of each Revolving Loan of such Revolving Lender made to the Borrowers on the applicable Revolving Termination Date.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of the Borrowers to such Lender resulting from each Loan made by such Lender to the Borrowers, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder.

(c) The Administrative Agent shall maintain accounts in which it shall record (i) the amount of each Loan made hereunder to the Borrowers, the Class and Type thereof and the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrowers to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrowers for the account of the Lenders and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans and pay interest thereon in accordance with the terms of this Agreement.

(e) Any Lender may request that Loans of any Class made by it be evidenced by a promissory note. In such event, the Borrowers shall promptly prepare, execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns and substantially in the form of the applicable Exhibit F. Thereafter, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 9.04) be represented by one or more promissory notes in such form payable to such payee and its registered assigns (and ownership shall at all times be recorded in the Register).

Section 2.10 Amortization of Term Loans.

(a) All Term Loans shall be due and payable on the applicable Term Loan Maturity Date, subject in all respects to Section 2.11(l).

(b) Any prepayment of a Term Loan Borrowing of any Class shall be applied (i) in the case of prepayments made pursuant to Section 2.11(a) or (e), to reduce the subsequent scheduled repayments of the Term Loan Borrowings of such Class to be made pursuant to this Section as directed by the Borrower Representative, or as otherwise provided in any Extension Amendment, any Incremental Credit Facility Amendment or Refinancing Amendment, and (ii) in the case of prepayments made pursuant to Section 2.11(c), to reduce the subsequent scheduled repayments of the Term Loan Borrowings of such Class to be made pursuant to this Section in direct order of maturity, or as otherwise provided in any Extension Amendment, any Incremental Credit Facility Amendment or Refinancing Amendment.

(c) Prior to any repayment of any Term Loan Borrowings of any Class hereunder, the Borrowers shall select the Borrowing or Borrowings of the applicable Class to be repaid and shall notify the Administrative Agent by written notice of such election not later than 11:00 a.m., New York City time, on the third Business Day prior thereto. Each repayment of a

Borrowing shall be applied ratably to the Loans included in the repaid Borrowing. Repayments of Term Loan Borrowings shall be accompanied by accrued interest on the amount repaid.

Section 2.11 Prepayment of Loans.

(a) The Borrowers shall have the right at any time and from time to time, without premium or penalty (but subject to Section 2.16 and Section 2.11(l)), to prepay any Borrowing of any Class in whole or in part, as selected and designated by the Borrower Representative, subject to the requirements of this Section. Each voluntary prepayment of the Amendment No. 6 Term Loans pursuant to this Section 2.11(a) or (i) or mandatory prepayment pursuant to Section 2.11(c) or (e) shall be made without premium or penalty (in each case of the foregoing, other than the Retirement Premium that is payable pursuant to Section 2.11(l). Any such voluntary prepayment shall be applied as specified in Section 2.10(b) and Section 2.11(k). Such amounts shall be due and payable on the date of such prepayment, repayment or amendment. Notwithstanding anything to the contrary in this Agreement, after any Extension, the Borrowers may prepay any Borrowing of any Class of non-extended Term Loans pursuant to which the related Extension Offer was made without any obligation to prepay the corresponding Extended Term Loans.

(b) [Reserved].

(c) Subject to paragraph (f) and (l) of this Section 2.11, in the event and on each occasion that any Net Proceeds are received by or on behalf of any Holding Company or any Restricted Subsidiary in respect of any Prepayment Event referred to in paragraph (a) or (b) of the definition thereof, the Borrowers shall, within thirty (30) days after such Net Proceeds are received, prepay Term Loans on a pro rata basis (except, as to Term Loans made pursuant to an Incremental Credit Facility Amendment or a Refinancing Amendment, as otherwise set forth in such Incremental Credit Facility Amendment or a Refinancing Amendment or as to Replacement Term Loans), in each case in an aggregate amount equal to 100% of the amount of such Net Proceeds; provided that in the case of any such event described in clause (a) or (b) of the definition of the term "Prepayment Event," if any Holding Company or any Restricted Subsidiary applies (or commits pursuant to a binding contractual arrangement to apply) the Net Proceeds from such event (or a portion thereof) within twelve (12) months after receipt of such Net Proceeds to reinvest such proceeds in the business, including in assets of the general type used or useful in the business of the Borrowers and the Restricted Subsidiaries (including in connection with a Permitted Acquisition or other permitted Investment or Capital Expenditures, but excluding any reinvestment in working capital or maintenance capital expenditures), then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds except to the extent of any such Net Proceeds therefrom that have not been so applied by the end of the eighteen-month (or, if committed to be so applied within twelve (12) months of the receipt of such Net Proceeds, eighteen (18) months) period following receipt of such Net Proceeds, at the end of which period a prepayment shall be required in an amount equal to such Net Proceeds that have not been so applied; provided, further, that with respect to any Prepayment Event referenced in paragraph (a) or (b) of the definition thereof, the Borrowers may use a portion of such Net Proceeds to prepay or repurchase Indebtedness secured by the Collateral on a *pari passu* basis with the Liens securing the Obligations (the "Other Applicable Indebtedness") to the extent required pursuant to the terms of the documentation governing such Other Applicable Indebtedness, in which case, the amount

of prepayment required to be made with respect to such Net Proceeds pursuant to this Section 2.11(c) shall be deemed to be the amount equal to the product of (x) the amount of such Net Proceeds multiplied by (y) a fraction, the numerator of which is the outstanding principal amount of Term Loans required to be prepaid pursuant to this paragraph (c) and the denominator of which is the sum of the outstanding principal amount of such Other Applicable Indebtedness required to be prepaid pursuant to the terms of the documents governing such Other Applicable Indebtedness and the outstanding principal amount of Term Loans required to be prepaid pursuant to this paragraph (for the avoidance of doubt, amounts described in this clause (y) in the calculation of such fraction shall be deemed to refer to then outstanding principal amount of such Indebtedness subject to such prepayment requirement, prior to giving effect to any reduction in the amount thereof as the result of such prepayment).

(d) [Reserved].

(e) In the event and on each occasion that any Net Proceeds are received by or on behalf of Ultimate Parent or any Restricted Subsidiary in respect of any Prepayment Event referred to in paragraph (c) of the definition thereof, the Borrowers shall, on the same day as such incurrence or issuance of Indebtedness, prepay the principal amount of the corresponding Credit Agreement Refinanced Debt (in the case of Credit Agreement Refinancing Indebtedness) or each Class of Term Loans on a pro rata basis (in the case of any other Indebtedness giving rise to a Prepayment Event referred to in paragraph (c) of the definition thereof), in each case in accordance with Section 2.11(g) and in an aggregate amount the Dollar Equivalent of which is equal to 100% of the Net Proceeds of such issuance or incurrence (which prepayment of principal shall be accompanied by payment of accrued and unpaid interest, premiums and fees and expenses associated with such principal amount prepaid); provided that such prepayment shall be subject to the second sentence of Section 2.11(a).

(f) Notwithstanding any other provisions of this Section 2.11, to the extent that any prepayment required by Section 2.11(c) (i) would be prohibited or delayed by applicable local law, or (ii) the Borrowers have determined in good faith that making all or a part of such prepayment (including the repatriation) would reasonably be expected to have an Adverse Tax Consequences as a result of moving cash to make such prepayment (which for the avoidance of doubt, includes, but is not limited to, any prepayment where by doing so any Borrower or any Restricted Subsidiary would incur a withholding tax), in each case the Net Proceeds so affected may be retained by the applicable Restricted Subsidiary, the Borrowers shall not be required to make a prepayment at the time provided in Section 2.11(c), and instead, such amounts may be retained and shall be available for working capital purposes of the Borrowers and the Restricted Subsidiaries (the Holding Companies and the Restricted Subsidiaries hereby agreeing to use commercially reasonable efforts to otherwise cause the applicable Restricted Subsidiary, to within one year following the date on which the respective payment would otherwise have been required, to overcome or eliminate such restrictions, minimize any such costs of prepayment, subject to the foregoing, to make the relevant prepayment), and if within one year following the date on which the respective payment would otherwise have been required, such repatriation of any of such affected Net Proceeds is permitted under the applicable local law or applicable organizational or constitutive impediment or other impediment or there are no such Adverse Tax Consequences, such repatriation will be promptly effected and such repatriated Net Proceeds will be promptly (and in any event not later than three Business Days after such repatriation could be made) applied

(net of additional taxes, costs and expenses payable or reserved against as a result thereof) (whether or not repatriation actually occurs) to the repayment of the Term Loans pursuant to this Section 2.11 to the extent provided herein; provided, that if such payments are not permitted or there are such Adverse Tax Consequences throughout such one year period such prepayment shall not be required; provided, further that, if at any time within one year of a prepayment being not so required, such restrictions are removed, any relevant proceeds will at the end of the then current Interest Period be applied in prepayment in accordance with the terms of this Section 2.11. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default and such amounts shall be available for working capital purposes of any Holding Company or any Restricted Subsidiary as long as not required to be repaid in accordance with this Section 2.11(f).

(g) In connection with any optional or mandatory prepayment of Borrowings hereunder the Borrowers shall, subject to the provisions of this paragraph and paragraph (k) of this Section 2.11, select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (h) of this Section 2.11. The Administrative Agent will promptly notify each Term Lender holding the applicable Class of Term Loans of the contents of the Borrowers' prepayment notice and of such Lender's pro rata share of the prepayment. Each such Term Lender may reject all (but not less than all) of its pro rata share of any mandatory prepayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to clause (c) of this Section 2.11 by providing notice to the Administrative Agent, no later than 11:00 a.m., New York City time, one Business Day following receipt of such mandatory prepayment notice; provided that for the avoidance of doubt, no Lender may reject any prepayment made with the proceeds of Credit Agreement Refinancing Indebtedness. Any Declined Proceeds may be retained by the Borrowers to the extent they constitute Retained Declined Proceeds.

(h) The Borrowers shall notify the Administrative Agent by hand delivery, electronic communication (including Adobe pdf file) or facsimile of a written notice of any prepayment hereunder (i) in the case of prepayment of a Eurocurrency Borrowing or Term SOFR Borrowing, not later than 11:00 a.m., New York City time, three (3) Business Days before the date of prepayment, (ii) in the case of prepayment of an ABR Borrowing, a Fixed Rate Borrowing or any Borrowing of Daily SOFR Loans, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment or (iii) [reserved]. Each such notice shall be irrevocable and shall specify the prepayment date, the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment, provided that a notice of optional prepayment may state that such notice is conditional upon the consummation of an acquisition or sale transaction or upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of any other specified event, in which case such notice of prepayment may be revoked by the Borrowers (by notice to the Administrative Agent on or prior to the specified date) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall either (x) share such notice with the Lenders or (y) advise the Lenders of the contents thereof. Except as otherwise provided herein, each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied

ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13 and any prepayment fees required by Section 2.11(a), to the extent applicable.

(i) Notwithstanding anything to the contrary contained in this Agreement, a Borrower or any of the Restricted Subsidiaries (in such case, the foregoing being herein referred to as the "Auction Parties" and each, an "Auction Party") may repurchase outstanding Term Loans on the following basis:

(A) Such Auction Party may repurchase all or any portion of any Class of Term Loans pursuant to a Dutch Auction (or such other modified Dutch auction conducted pursuant to similar procedures as the Borrower Representative and Administrative Agent may otherwise agree); provided that no proceeds of Revolving Loans shall be used by any Auction Party to repurchase Term Loans pursuant to such Auction;

(B) Following repurchase by any Auction Party pursuant to this Section 2.11(i), the Term Loans so repurchased shall, without further action by any Person, be deemed cancelled for all purposes and no longer outstanding (and may not be resold by any Auction Party) for all purposes of this Agreement. In connection with any Term Loans repurchased and cancelled pursuant to this Section 2.11(i), the Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation. Any payment made by any Auction Party in connection with a repurchase permitted by this Section 2.11(i) shall not be subject to any of the pro rata payment or sharing requirements of this Agreement. Notwithstanding anything in this Agreement or any other Loan Documents to the contrary, failure by an Auction Party to make any payment to a Lender required by an agreement permitted by this Section 2.11(i) shall not constitute a Default or an Event of Default;

(C) Each Lender that sells its Term Loans pursuant to this Section 2.11(i) acknowledges and agrees that (i) the Auction Parties may come into possession of additional information regarding the Loans or the Loan Parties at any time after a repurchase has been consummated pursuant to an Auction hereunder that was not known to such Lender or the Auction Parties at the time such repurchase was consummated and that, when taken together with information that was known to the Auction Parties at the time such repurchase was consummated, may be information that would have been material to such Lender's decision to enter into an assignment of such Term Loans hereunder ("Excluded Information"), (ii) such Lender will independently make its own analysis and determination to enter into an assignment of its Loans and to consummate the transactions contemplated by an Auction notwithstanding such Lender's lack of knowledge of Excluded Information and (iii) none of the Auction Parties, the Investors or any of their respective Affiliates, or any other Person shall have any liability to such Lender with respect to the nondisclosure of the Excluded Information. Each Lender that tenders Loans pursuant to an Auction agrees to the foregoing provisions of this clause (C). The Administrative Agent and the Lenders hereby consent to the

Auctions and the other transactions contemplated by this Section 2.11(i) and hereby waive the requirements of any provision of this Agreement (including any pro rata payment requirements) (it being understood and acknowledged that purchases of the Loans by an Auction Party contemplated by this Section 2.11(i) shall not constitute Investments by such Auction Party) or any other Loan Document that may otherwise prohibit any Auction or any other transaction contemplated by this Section 2.11(i).

(j) Notwithstanding any of the other provisions of this Section 2.11, if any prepayment of Eurocurrency Loans or Term SOFR Loan is required to be made under this Section 2.11 prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.11 in respect of any such Eurocurrency Loan or Term SOFR loan prior to the last day of the Interest Period therefor, the Borrowers may, in their sole discretion, deposit with the Administrative Agent in the currency in which such Loan is denominated, the amount of any such prepayment otherwise required to be made hereunder until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from a Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.11. Such deposit shall constitute cash collateral for the Eurocurrency Loans or Term SOFR Loan, as the case may be, to be so prepaid; provided that the Borrower Representative may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 2.11.

(k) Application of Prepayment by Type of Term Loans. In connection with any voluntary prepayments by the Borrowers pursuant to Section 2.11(a), any voluntary prepayment thereof shall be applied first to ABR Loans to the full extent thereof before application to Term SOFR Loans. In connection with any mandatory prepayments by the Borrowers of the Term Loans pursuant to Section 2.11, such prepayments shall be applied on a pro rata basis to the then outstanding Term Loans being prepaid irrespective of whether such outstanding Term Loans are ABR Loans or Term SOFR Loans; provided that if no Lenders exercise the right to waive a given mandatory prepayment of the Term Loans pursuant to Section 2.11(g), then, with respect to such mandatory prepayment, the amount of such mandatory prepayment shall be applied first to Term Loans that are ABR Loans to the full extent thereof before application to Term Loans that are Term SOFR Loans

(l) Retirement Premium. Upon any repayment or prepayment (including any voluntary prepayment or mandatory prepayment) of principal of the Amendment No. 6 Term Loans, the Borrowers shall pay each Amendment No. 6 Term Lender a retirement premium in accordance with such Amendment No. 6 Term Lender's pro rata share of the Amendment No. 6 Term Loans (such amounts, the "Retirement Premium") in an amount equal to (x) the principal amount so repaid multiplied by (y) 29.951%.

Notwithstanding anything to the contrary set forth in this Agreement or in any other Loan Document, in the event all or any portion of the Amendment No. 6 Term Loans are accelerated or otherwise become due prior to their stated maturity for any reason following or as a result of the occurrence of any Event of Default (including, without limitation, pursuant to Section 7.01(h) or (i)) or the acceleration of claims by operation of law) (a "Retirement Premium Trigger Event"), any Retirement Premium as of the date of such Retirement Premium Trigger Event will also be

due and payable as if the Borrowers had voluntarily prepaid such Amendment No. 6 Term Loans, and such Retirement Premium shall also be due and payable as of such date and shall constitute part of the Obligations in respect of the Amendment No. 6 Term Loans. Any Retirement Premium payable above shall be presumed to be the liquidated damages sustained by the Lenders as the result of the early termination and acceleration of the Amendment No. 6 Term Loans and the Borrowers agree that it is reasonable under the circumstances currently existing. The Retirement Premium shall also be payable in the event all or any portion of the Amendment No. 6 Term Loans (and/or this Agreement) are satisfied or released by foreclosure (whether by power of judicial proceeding or otherwise), deed in lieu of foreclosure, in connection with any restructuring, reorganization or compromise of the Amendment No. 6 Term Loans by the confirmation of a plan of reorganization or any other plan of compromise, restructuring or arrangement in any insolvency proceeding, or by any other means following the occurrence of an Retirement Premium Trigger Event. EACH OF THE BORROWERS EXPRESSLY WAIVES (TO THE FULLEST EXTENT IT MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING RETIREMENT PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION. Each Borrower expressly agrees (to the fullest extent that it may lawfully do so) that: (A) the Retirement Premium is reasonable and is the product of an arm's length transaction between sophisticated business people, ably represented by counsel; (B) the Retirement Premium shall be payable notwithstanding the then prevailing market rates at the time payment is made; (C) there has been a course of conduct between the Lenders and the Loan Parties giving specific consideration in this transaction for such agreement to pay the Retirement Premium; and (D) the Loan Parties shall be estopped hereafter from claiming differently than as agreed to in this paragraph. Each of the Borrowers expressly acknowledges that its agreement to pay the Retirement Premium to the Lenders as herein described is a material inducement to the Lenders to hold the Amendment No. 6 Term Loans.

Section 2.12 Fees.

(a) [reserved].

(b) [reserved]

(c) The Borrowers agree to pay to the Administrative Agent, for its own account, fees payable in the amounts and at the times separately agreed upon between the Borrowers and the Administrative Agent.

(d) All fees payable hereunder shall be paid by the Borrowers on the dates due, in immediately available funds, to the Administrative Agent for distribution, in the case of commitment fees and participation fees, to the Lenders entitled thereto. Fees paid shall not be refundable under any circumstances.

Section 2.13 Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Margin. All of the Amendment No. 6 Term Loans shall bear interest at the Fixed Rate.

(b) The Loans comprising each Term SOFR Borrowing shall bear interest at Adjusted Term SOFR for the Interest Period in effect for such Borrowing plus the Applicable Margin; *provided* that if Term SOFR shall be determined pursuant to clause (a)(ii) of the definition thereof, each such Loan shall be deemed to bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to Daily Simple SOFR for each day such Loan remains outstanding plus the Applicable Margin.

(c) Notwithstanding the foregoing, if (x) any principal of or interest on any Loan or any fee payable by the Borrowers hereunder is not paid when due (after the expiration of any applicable grace period), whether at stated maturity, upon acceleration or otherwise or (y) an Event of Default under Section 7.01(h) or (i) has occurred and is continuing, such overdue amount (which, in the case of an Event of Default under Section 7.01(h) or (i) shall be deemed to include the entire outstanding amount of the Loans) shall bear interest, after as well as before judgment, to the fullest extent permitted by law, at a rate per annum equal to (i) in the case of overdue principal or interest of any Loan, 2.00% plus the rate then borne by (in the case of such principal) such Borrowings or (in the case of interest) the Borrowings to which such overdue amount relates or (ii) in the case of any other amounts, 2.00% plus the rate applicable to ABR Loans as provided in paragraph (a) of this Section; provided that no default rate shall accrue on the Loans of a Defaulting Lender so long as such Lender shall be a Defaulting Lender.

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the applicable Revolving Commitments, provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on written demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the applicable Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any Eurocurrency Loan or Term SOFR Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion. Notwithstanding anything to the contrary herein, on the Amendment No. 6 Effective Date, the Borrowers shall pay the Accrued Interest Amount (as defined in Amendment No. 6), in accordance with Section 3(b) of Amendment No. 6.

(e) All interest hereunder shall be computed on the basis of a year of 360 days, except that interest computed by reference to the Alternate Base Rate shall be computed on the basis of a year of 365 days (or 366 days in a leap year), and in each case shall be payable for the actual number of days elapsed (including the first day but excluding the last day). The applicable Alternate Base Rate, Adjusted Eurocurrency Rate or Term SOFR shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(f) For the purposes of the *Interest Act* (Canada) and disclosure thereunder, whenever any interest or any fee to be paid under any Loan Documents to be calculated on the basis of a 360-day or 365-day year, the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360 or 365, as applicable.

(g) Each of the Canadian Loan Parties confirms that it fully understands and is able to calculate the rate of interest applicable to the Credit Facility under this Agreement based on the methodology for calculating per annum rates provided for in this Agreement. The Administrative Agent agrees that if requested in writing by the Borrower Representative it will calculate the nominal and effective per annum rate of interest on any Borrowing outstanding at the time of such request and provide such information to the Borrowers promptly following such request; provided that any error in any such calculation, or any failure to provide such information on request, shall not relieve the Borrowers or any Canadian Loan Party of any of its obligations under this Agreement or any other Loan Document, nor result in any liability to the Administrative Agent or any Lender. Each Canadian Loan Party hereby irrevocably agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to the Loan Documents, that the interest payable under the Loan Documents and the calculation thereof has not been adequately disclosed to the Canadian Loan Parties, whether pursuant to section 4 of the *Interest Act* (Canada) or any other applicable law or legal principle.

Section 2.14 Alternate Rate of Interest; Discontinuation of Adjusted Eurocurrency Rate.

(a) Subject to the immediately following sentence, if prior to the commencement of any Interest Period for a Eurocurrency Borrowing or Term SOFR Borrowing denominated in any currency:

(i) the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining the Adjusted Eurocurrency Rate or Term SOFR, as applicable, for such Interest Period; or

(ii) the Administrative Agent is advised by the Required Lenders that the Adjusted Eurocurrency Rate for such Interest Period will not adequately and fairly reflect the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period;

then the Administrative Agent shall give notice thereof to the Borrowers and the Lenders by telephone or telecopy as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower Representative and the Lenders that the circumstances giving rise to such notice no longer exist, (i) any Interest Election Request that requests the conversion of any Borrowing denominated in such currency to, or continuation of any Borrowing denominated in such currency as, a Eurocurrency Borrowing or Term SOFR Borrowing, as applicable, in such currency that is requested to be continued (A) if such currency is the Dollar, shall be converted to a Borrowing of Daily SOFR Loans or, failing that, an ABR Borrowing, in each case on the last day of the Interest Period applicable thereto and (B) if such currency is an Alternative Currency, shall bear interest at such rate as the Administrative Agent shall determine adequately and fairly reflects the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period plus the applicable percentage set forth in the definition of "Applicable Margin"; and (ii) if any Borrowing Request requests a Eurocurrency Borrowing or Term SOFR Borrowing, as applicable, denominated in such currency, (A) if such currency is the Dollar such Borrowing shall be made as a Borrowing of Daily SOFR Loans, or, failing that, an ABR

Borrowing, and (B) if such currency is an Alternative Currency, such Borrowing Request shall be ineffective.

(b) Notwithstanding anything to the contrary contained in this Agreement or the other Loan Documents, if at any time there ceases to exist a Eurocurrency Rate or other interbank rate in the London Market regulated or otherwise overseen or authorized by the ICE Benchmark Administration or U.K. Financial Conduct Authority for interest periods greater than one Business Day or the Administrative Agent determines (which determination shall be conclusive absent manifest error) that (i) the circumstances set forth in Section 2.14(a) above have arisen and such circumstances are unlikely to be temporary or (ii) the circumstances above have not arisen but the supervisor for the administrator of the Eurocurrency Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which the Eurocurrency Rate shall no longer be used for determining interest rates for loans, then the Administrative Agent and the Borrower Representative shall endeavor to establish an alternate rate of interest to the Eurocurrency Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for fixed periods for syndicated loans in the United States at such time (it being agreed that such rate shall not result in a higher cost of funding than ABR borrowings), and shall enter into an amendment to the Loan Documents to reflect such alternate rate of interest and such other related changes as may be applicable which are agreed by the Borrower Representative and the Administrative Agent at such time; provided that, if such alternate rate of interest shall be less than zero, such rate shall be deemed to be zero for purposes of this Agreement. Notwithstanding anything to the contrary in the Loan Documents, such amendment shall become effective without any further action or consent of any other party to Loan Documents so long as the Administrative Agent shall not have received, within five Business Days of the date notice of such alternate rate of interest is provided to the Lenders, a written notice from the Required Lenders stating that they object to such amendment. Until an alternative rate of interest shall be determined in accordance with this paragraph (but in the case of the circumstances described in clause (iii) of the first sentence of this paragraph, only to the extent the LIBO Screen Rate for such Interest Period is not available or published at such time on a current basis), (i) any Interest Election Request that requests the conversion of any Borrowing denominated in such currency to, or continuation of any Borrowing denominated in such currency as, a Eurocurrency Borrowing in such currency that is requested to be continued (A) if such currency is the Dollar, shall be converted to an ABR Borrowing on the last day of the Interest Period applicable thereto and (B) if such currency is an Alternative Currency, shall bear interest at such rate as the Administrative Agent shall determine adequately and fairly reflects the cost to such Lenders of making or maintaining their Loans included in such Borrowing for such Interest Period plus the applicable percentage set forth in the definition of "Applicable Margin" under the applicable row under the column (1) in the case of a Revolving Loan Borrowing, "Revolving Loans" and (2) in the case of a Term Loan Borrowing, "Amendment No. 6 Term Loan"; and (ii) if any Borrowing Request requests a Eurocurrency Borrowing denominated in such currency, (A) if such currency is the Dollar such Borrowing shall be made as an ABR Borrowing, and (B) if such currency is an Alternative Currency, such Borrowing Request shall be ineffective.

Section 2.15 Increased Costs; Illegality.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted Eurocurrency Rate or Adjusted Term SOFR);

(ii) impose on any Lender or the London interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Eurocurrency Loans or Term SOFR Loan made by such Lender; or

(iii) subject any Lender to any additional Taxes of any kind whatsoever with respect to this Agreement or any Loan made by it, or change the basis of taxation of payments to such Lender in respect thereof (except, in each case, for Indemnified Taxes indemnifiable under Section 2.17 and any Excluded Taxes);

and the result of any of the foregoing shall be to materially increase the cost to such Lender of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan) of the Borrowers or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise) from the Borrowers, then the Borrowers will pay to such Lender such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender determines in good faith that any Change in Law regarding capital or liquidity requirements has or would have the effect of materially reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loans made by such Lender to the Borrowers to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital and liquidity adequacy), then from time to time the applicable Borrower will pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as the case may be, as specified in paragraph (a) or (b) of this Section shall be delivered to the Borrowers and shall be conclusive absent manifest error. The Borrowers shall pay such Lender, as the case may be, the amount shown as due on any such certificate within ten days after receipt thereof.

(d) Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any increased costs or reductions incurred more than 180 days prior to the date that such Lender, as the case may be, notifies the Borrower Representative of the Change in Law giving rise to such increased costs or reductions and of such Lender's intention to claim compensation therefor, and provided further that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

(e) Notwithstanding any other provision herein, if the adoption of or any change in any Requirement of Law or in the interpretation or application thereof, in each case, first made after the Amendment No. 6 Effective Date, shall make it unlawful for any Lender to make or maintain Eurocurrency Loans or Term SOFR Loans as contemplated by this Agreement, such Lender shall promptly give notice thereof to the Administrative Agent and the Borrower Representative, and (a) the commitment of such Lender hereunder to make Eurocurrency Loans or Term SOFR Loans or continue Eurocurrency Loans or Term SOFR Loans as such and convert ABR Loans to Eurocurrency Loans or Term SOFR Loans shall be suspended during the period of such illegality, (b) such Lender's Loans then outstanding as Eurocurrency Loans denominated in an Alternative Currency, if any, shall be prepaid by the Borrowers, or redenominated into Dollars in the amount of the Dollar Equivalent thereof, on the respective last days of then current Interest Periods with respect to such Loans or within such earlier period as required by law and (c) such Lender's Loans then outstanding as (i) Eurocurrency Loans, if any, shall be converted automatically to ABR Loans and (ii) Term SOFR Loans, if any, shall be converted automatically to Daily SOFR Loans, or, failing that, ABR Loans, in each case, on the respective last days of the then current Interest Periods with respect to such Loans or within such earlier period as required by law. If any such conversion of a Eurocurrency Loan or a Term SOFR Term Loan occurs on a day which is not the last day of the then current Interest Period with respect thereto, the Borrowers shall pay to such Lender such amounts, if any, as may be required pursuant to Section 2.16. For the avoidance of doubt, invalidity of the Term SOFR determined pursuant to clause (a) thereof without giving effect to clause (a)(ii) thereof shall not affect ability of the Borrower to incur Daily SOFR Loans pursuant to clause (a)(ii) of the definition thereof.

Section 2.16 Break Funding Payments. In the event of (a) the payment by the Borrowers of any principal of any Eurocurrency Loan or Term SOFR Term Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion by the Borrowers of any Eurocurrency Loan or Term SOFR Term Loan other than on the last day of the Interest Period applicable thereto, (c) the failure by the Borrowers to borrow, convert into, continue or prepay any Eurocurrency Loan or Term SOFR Term Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(h) and is revoked in accordance therewith) or (d) the assignment of any Eurocurrency Loan or Term SOFR Term Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrowers pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrowers shall compensate each Lender for the loss, cost and expense attributable to such event (other than loss of profit). In the case of a Eurocurrency Loan, such loss, cost or expense to any Lender shall be deemed to include an amount determined by such Lender to be the excess, if any, of (i) the amount of interest that would have accrued on the principal amount of such Loan had such event not occurred, at the Adjusted Eurocurrency Rate that would have been applicable to such Loan, for the period from the date of such event to the last day of the then current Interest Period therefor (or, in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Loan), over (ii) the amount of interest that would accrue on such principal amount for such period at the interest rate that such Lender would bid were it to bid, at the commencement of such period, for deposits in the applicable currency of a comparable amount and period from other banks in the Eurocurrency market. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section shall be delivered to the Borrower Representative and

shall be conclusive absent manifest error. The Borrowers shall pay such Lender the amount shown as due on any such certificate within thirty (30) days after receipt thereof.

Failure or delay on the part of any Lender to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's right to demand such compensation, provided that the Borrowers shall not be required to compensate a Lender pursuant to this Section for any costs incurred more than 180 days prior to the date of the event giving rise to such costs.

Section 2.17 Taxes.

(a) Each payment by or on account of any obligation of any Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, unless such deduction or withholding is required by any Requirement of Law. If any Loan Party or the Administrative Agent is so required to deduct or withhold Taxes, then such withholding agent shall so deduct or withhold and shall timely pay the full amount of deducted or withheld Taxes to the relevant Governmental Authority in accordance with any applicable law. To the extent such Taxes are Indemnified Taxes, then the amount payable by the applicable Loan Party shall be increased as necessary so that, net of such deduction or withholding (including such deduction or withholding applicable to additional amounts payable under this Section 2.17), the applicable Recipient receives the amount it would have received had no such deduction or withholding been made.

(b) In addition, each Loan Party shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law, or at the option of the Administrative Agent timely reimburse it for the payment of Other Taxes.

(c) As promptly as possible after any payment of Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.17, such Loan Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(d) The Loan Parties shall indemnify each Recipient for the full amount of any Indemnified Taxes that are paid or payable by such Recipient in connection with any Loan Document (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) or for which such Loan Party has failed to remit to the Administrative Agent the required receipts or other required documentary evidence and any expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted; provided, however, that if a Recipient does not notify the Loan Parties of any indemnification claim under this Section 2.17(d) within 180 days after such Recipient has received written notice of the claim of a taxing authority giving rise to such indemnification claim, the Loan Parties shall not be required to indemnify such Recipient for any incremental interest or penalties resulting from such Recipient's failure to notify the Loan Parties within such 180-day period. The indemnity under this paragraph (d) shall be paid within 30 days after the Recipient (or the Administrative Agent, on behalf of such Recipient) delivers to the applicable Loan Party a certificate stating the amount of Indemnified Taxes so payable by such Recipient. Such certificate

shall be conclusive of the amount so payable absent manifest error. Such Recipient shall deliver a copy of such certificate to the Administrative Agent.

(e) (i) Any Lender that is entitled to an exemption from, or reduction of, any applicable withholding Tax with respect to any payments under any Loan Document shall deliver to the Borrower Representative and the Administrative Agent, at the time or times prescribed by law or reasonably requested by the Borrowers or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrowers or the Administrative Agent as will permit such payments to be made without, or at a reduced rate of, withholding. In addition, any Lender, if requested by the Borrowers or the Administrative Agent, shall deliver such other documentation prescribed by law or reasonably requested by the Borrowers or the Administrative Agent as will enable the Borrowers or the Administrative Agent to determine whether or not such Lender is subject to U.S. backup withholding or information reporting requirements, or any other U.S. or non-U.S. withholding requirements. Upon the reasonable request of the Borrowers or the Administrative Agent, any Lender shall update any form or certification previously delivered pursuant to this Section 2.17(e). If any form or certification previously delivered pursuant to this Section 2.17(e) expires or becomes obsolete or inaccurate in any respect with respect to a Lender, such Lender shall promptly (and in any event within 10 days after such expiration, obsolescence or inaccuracy) notify the Borrower Representative and the Administrative Agent in writing of such expiration, obsolescence or inaccuracy and update the form or certification if it is legally eligible to do so. Notwithstanding anything to the contrary, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.17(e) (ii)(A) through (E) and (iii) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing and solely with respect to the Obligations, any Lender shall, if it is legally eligible to do so, deliver to the Borrower Representative and the Administrative Agent on or prior to the date on which such Lender becomes a party hereto, two duly completed and executed copies of whichever of the following is applicable:

(A) in the case of a Lender that is a U.S. Person, IRS Form W-9 certifying that such Lender is exempt from U.S. federal backup withholding;

(B) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party, IRS Form W-8BEN or W-8BEN-E (or any successor form);

(C) in the case of a Foreign Lender for whom payments under any Loan Document constitute income that is effectively connected with such Lender's conduct of a trade or business in the United States, IRS Form W-8ECI (or any successor form);

(D) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code both

(1) IRS Form W-8BEN or W-8BEN-E (or any successor form) and (2) a certificate substantially in the form of the applicable Exhibit H (a "U.S. Tax Certificate");

(E) in the case of a Foreign Lender that is not the beneficial owner of payments made under any Loan Document (including a partnership or a participating Lender), (1) an IRS Form W-8IMY on behalf of itself and (2) the relevant forms prescribed in clauses (A), (B), (C), and (D) of this paragraph (e)(ii) that would be required of each such beneficial owner or partner of such partnership if such beneficial owner or partner were a Lender; provided, however, that if the Lender is a partnership for U.S. federal income tax purposes (and not a participating Lender) and one or more of its partners are claiming the exemption for portfolio interest under Section 871(h) or 881(c) of the Code, such Lender may provide a U.S. Tax Certificate on behalf of such partners; or

(F) any other form prescribed by law as a basis for claiming exemption from, or a reduction of, U.S. federal withholding Tax together with such supplementary documentation necessary to enable the Borrowers or the Administrative Agent to determine the amount of such Tax (if any) required by law to be withheld.

(iii) Solely with respect to the Obligations, if a payment made to any Lender would be subject to U.S. federal withholding or Canadian Tax imposed under FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower Representative and Administrative Agent, at the time or times prescribed by law and at such time or times reasonably requested by the Borrowers or the Administrative Agent, such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such other documentation reasonably requested by the Borrowers and the Administrative Agent as may be necessary for the Administrative Agent and the Borrowers to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (iii), "FATCA" shall include any amendments after the date of this Agreement.

(iv) Notwithstanding any other provision of this clause (e), a Lender shall not be required to deliver any form that such Lender is not legally eligible to deliver.

(f) If any Recipient determines, in its sole discretion (in good faith), that it has received a refund of any Indemnified Taxes as to which it has been indemnified pursuant to this Section 2.17 (including additional amounts paid by any Loan Party pursuant to this Section 2.17), it shall promptly pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section 2.17 with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including any Taxes) of such Recipient and without interest (other than any net after tax interest paid by the relevant Governmental Authority with respect to such refund), provided that the indemnifying party, upon the request of such Recipient, shall repay to such Recipient the amount paid to such indemnifying

party pursuant to the previous sentence (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event such Recipient is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this Section 2.17(f) in no event will any Recipient be required to pay any amount to an indemnifying party pursuant to this Section 2.17(f) the payment of which would place the Recipient in a less favorable net after-Tax position than it would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This Section 2.17(f) shall not be construed to require any Recipient to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Loan Party or any other Person.

(g) [Reserved].

(h) The agreements in this Section 2.17 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Section 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrowers shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees, or of amounts payable under Section 2.15, Section 2.16, Section 2.17 or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 12:00 p.m., New York City time), on the date when due, in immediately available funds, without setoff or counterclaim. Any amounts received after such time on any date may, in the sole discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. If, for any reason, a Borrower is prohibited by any Law from making any required payment hereunder in an Alternative Currency, such Borrower shall make such payment in Dollars in the Dollar Equivalent of the Alternative Currency. All such payments shall be made to the Administrative Agent's Office, except that payments pursuant to Section 2.11, Section 2.11(i), Section 2.12(d), Section 2.15, Section 2.16, Section 2.17 and Section 9.03 shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. Unless otherwise provided herein, if any payment under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day and, in the case of any payment accruing interest, interest thereon shall be payable for the period of such extension. All payments under each Loan Document of principal or interest in respect of any Loan (or of any breakage indemnity in respect of any Loan) shall be made in the currency of such Loan and, except as otherwise set forth in any Loan Document, all other payments under each Loan Document shall be made in Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all amounts of principal, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder,

ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal then due to such parties.

(c) If, other than as provided elsewhere herein, any Lender shall, by exercising any right of setoff or counterclaim, obtain payment in respect of any principal of or interest on any of its Revolving Loans, Term Loans resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Revolving Loans, Term Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Revolving Loans, Term Loans to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Revolving Loans of the applicable Class and Term Loans of the applicable Class, provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to (v) any payment or prepayment made by or on behalf of the Borrowers or any other Loan Party pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (w) [reserved], (x) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant or the termination of any Lender's commitment and non-pro rata repayment of Liens pursuant to Section 2.19(b), (y) transactions in connection with an open market purchase or a Dutch Auction, or (z) in connection with a transaction pursuant to an Extension Offer, Refinancing Amendment or Incremental Credit Facility Amendment or amendment in connection with Refinanced Term Loans. For the avoidance of doubt, this Section shall not limit the ability of the Holding Companies, the Borrowers or any Restricted Subsidiary to (i) purchase and retire Term Loans pursuant to an open market purchase or a Dutch Auction or (ii) pay principal, fees, premiums and interest with respect to Other Revolving Loans, Other Term Loans, Refinanced Term Loans, Incremental Revolving Loans or Incremental Term Loans following the effectiveness of any Refinancing Amendment, any Extension Offer or Incremental Credit Facility Amendment, as applicable, on a basis different from the Loans of such Class that will continue to be held by Lenders that were not Extending Lenders or Lenders pursuant to such Incremental Credit Facility Amendment, as applicable.

(d) Unless the Administrative Agent shall have received notice from the Borrower Representative prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders hereunder that the Borrowers will not make such payment, the Administrative Agent may assume that the Borrowers will make such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders the amount due. In such event, if the Borrowers have not in fact made such payment, then each of the Lenders severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the NYFRB Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) (i) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.04(c), Section 2.06(a) or (b), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its sole discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid and/or (ii) hold such amounts in a segregated account over which the Administrative Agent shall have exclusive control as cash collateral for, and application to, any future funding obligations of such Lender under any such Section, in the case of each of clause (i) and (ii) above, in any order as determined by the Administrative Agent in its sole discretion.

Section 2.19 Mitigation Obligations; Replacement of Lender.

(a) If any Lender requests compensation under Section 2.15 or Section 2.17, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, then such Lender shall, at the request of the Borrower Representative, use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the reasonable judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not be inconsistent with its internal policies or otherwise be disadvantageous to such Lender. The Borrowers hereby agree to pay all reasonable costs and expenses incurred by any Lender in connection with any such designation or assignment.

(b) If any Lender requests compensation under Section 2.15 or Section 2.17, or if the Borrowers are required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17, and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with clause (a) immediately above, or if any Lender becomes a Defaulting Lender, then the Borrowers may, at their sole expense and effort, upon notice to such Lender and the Administrative Agent, (1) terminate the unused Revolving Commitment of such Lender and repay the Loans of such Lender on a non-pro rata basis, or (2) require such Lender (and such Lender shall be obligated) to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment), provided that (i) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and, other than in the case of a Defaulting Lender, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), and (ii) in the case of any such assignment resulting from a claim for compensation under Section 2.15 or payments required to be made pursuant to Section 2.17, such assignment will result in a reduction in such compensation or payments.

(c) Any Lender being replaced pursuant to Section 2.19(b) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans, as applicable (provided that the failure of any such Lender to execute an Assignment and Assumption shall not render such assignment invalid and such assignment shall

be recorded in the Register) and (ii) deliver Notes, if any, evidencing such Loans to the Borrowers or the Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitments and outstanding Loans, as applicable, (B) all obligations of the Loan Parties owing to the assigning Lender relating to the Loan Documents and participations so assigned shall be paid in full by the assignee Lender or the Loan Parties (as applicable) to such assigning Lender concurrently with such assignment and assumption, together with any amounts owing to the assigning Lender (other than a Defaulting Lender) under Section 2.16 as a consequence of such assignment and (C) upon such payment and, if so requested by the assignee Lender, the assignor Lender shall deliver to the assignee Lender the appropriate Note or Notes executed by the Borrowers, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

Section 2.20 Incremental Loans.

(a) At any time and from time to time prior to the Latest Maturity Date, subject to the terms and express conditions set forth herein, the Borrowers may by no less than three (3) Business Days' prior notice to the Administrative Agent (or such lesser number of days reasonably acceptable to the Required Lenders), request to add one or more new credit facilities (each, an "Incremental Credit Facility") denominated, in the case of any Incremental Term Facility, in Dollars or any Alternative Currency or, in the case of any Incremental Revolving Facility, at the option of the Borrowers, in Dollars or, solely in the case of any Incremental Revolving Facility that is structured as an additional tranche of revolving commitments (and not, for the avoidance of doubt, an increase in the Initial Revolving Commitments) any Alternative Currency, and consisting of one or more additional tranches of term loans or an increase to an existing Class of Term Loans (each, an "Incremental Term Facility") or one or more additional tranches of revolving commitments or an increase in an existing Class of Revolving Commitments (each, an "Incremental Revolving Facility"), or a combination thereof; provided that (i) immediately before and after giving effect to each Incremental Credit Facility Amendment and the applicable Incremental Credit Facility, no Event of Default has occurred and is continuing or would result therefrom (except in the case that the proceeds of any Incremental Credit Facility are being used to finance a Limited Condition Acquisition, in which case instead (x) no Event of Default shall exist or would result therefrom on the LCA Test Date and (y) no Specified Event of Default shall have occurred and be continuing or would exist after giving effect thereto at the time such acquisition is consummated), (ii) subject to calculation adjustments set forth in Section 1.12 with respect to any Incremental Credit Facility being incurred in connection with a Limited Condition Acquisition, the aggregate principal amount of each Incremental Credit Facility at the time of issuance or incurrence shall not exceed the Maximum Additional Debt Amount at such time, and (iii) with respect to any secured Incremental Credit Facility, any other Indebtedness ranking *pari passu* in right of payment or security with the Obligations (other than (x) any Incremental Revolving Faclities or (y) broadly syndicated notes issued in a public offering, Rule 144A or other private placement in lieu of the foregoing), in the event that the Yield for any Incremental Term Facility is higher than the Yield for the outstanding Term Loans by more than fifty (50) basis points, then, except in the case of any such Incremental Term Facility having an outside maturity date on or after the first anniversary of the Latest Maturity Date with respect to the Term Loans in

effect at the time such Incremental Term Facility is incurred, the Applicable Margin for the outstanding Term Loans shall be increased to the extent necessary so that the Yield for such outstanding Term Loans is equal to the Yield for such Incremental Term Facility minus fifty (50) basis points (any such adjustment under clause (I), the "MFN Adjustment"); provided that, in addition to the foregoing, for purposes of calculating the Yield for any Incremental Credit Facility or Additional Debt that constitutes fixed-rate Indebtedness, the fixed rate coupon of such Indebtedness shall be swapped to a floating rate on a customary matched-maturity basis, and the Yield of such fixed-rate Indebtedness on a floating rate basis shall be reasonably determined in a customary manner by the Administrative Agent based on customary financial methodology in consultation with the Borrower Representative (or, if the Administrative Agent declines (or is unable) to determine such Yield or the appropriate floating rate swap on a matched maturity basis, as reasonably determined in a customary manner based on customary financial methodology by a financial institution reasonably acceptable to the Administrative Agent and the Borrower Representative). Notwithstanding anything to the contrary herein, the Borrowers shall not incur Incremental Facilities consisting of Revolving Facilities in the excess of the greater of $27,000,000 and 75% of LTM EBITDA, calculated on a Pro Forma Basis.

(b) Each Incremental Term Facility (i) if made a part of any existing tranche of Term Loans, shall have terms identical to those applicable to such Term Loans (other than with respect to fees and original issue discount payable at closing of such Incremental Term Facility) or (ii) if consisting of an additional tranche of term loans shall have such terms as determined by the Borrower Representative and the lenders providing such Incremental Term Facility; provided that in the case of this clause (ii), (A) such Incremental Term Facility shall rank pari passu or junior in right of payment and in respect of the Collateral with the Amendment No. 6 Term Loans, (B) no Person is the borrower or a guarantor with respect to such Incremental Term Facility unless such Person is a Loan Party which shall have previously or substantially concurrently guaranteed or borrowed, as applicable, the Obligations, and, if secured, shall only be secured by Collateral, (C) no Incremental Term Facility shall have a final maturity date earlier than the then existing Latest Maturity Date with respect to the Term Loans, and with respect to an Incremental Term Facility ranking junior in respect of the Collateral with the Amendment No. 6 Term Loans or that is unsecured, no such Incremental Term Facility shall mature on or prior to the date that is ninety-one (91) days after the then existing Latest Maturity Date with respect to the Term Loans, (D) no Incremental Term Facility shall have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the then-remaining Amendment No. 6 Term Loans (without giving effect to nominal amortization for periods where amortization has been eliminated as a result of a prepayment of the applicable Amendment No. 6 Term Loans), and with respect to an Incremental Term Facility that ranks junior in respect of the Collateral with the Amendment No. 6 Term Loans or that is unsecured, no such Incremental Term Facility shall have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the then-remaining Amendment No. 6 Term Loans, plus ninety-one (91) days, (E) for purposes of prepayments, such Incremental Term Facility shall be treated no more favorably than the Amendment No. 6 Term Loans except those that only apply after the then existing Latest Maturity Date with respect to Term Loans, unless the Borrowers and the lenders in respect of such Incremental Term Facility elect lesser payments, (F) except as otherwise provided pursuant to this Section 2.20, any Incremental Term Facility shall be on terms and pursuant to documentation to be determined by the Borrowers and the lenders providing any such Incremental Term Facility; *provided* that the covenants and events of default applicable to such indebtedness, taken as a whole,

shall either, at the option of the Borrower Representative, (A) reflect market terms and conditions at the time of incurrence or effectiveness (as determined by the Borrower Representative in good faith) or (B) be no more favorable in any material respect to the lenders providing such indebtedness than those of the Loan Documents (as determined by the Borrower Representative in good faith) (except for covenants or other provisions applicable only to the periods after the Latest Maturity Date at the time such Incremental Term Facility is incurred), unless such covenants and events of default are also added for the benefit of the Lenders under the Loan Documents, and (G) if an Incremental Credit Facility ranks junior in right of security or payment priority to the other Term Loans or is unsecured, such Incremental Credit Facility will be established as a separate facility from the then existing Term Loans and, if secured, shall be subject to a Second Lien Intercreditor Agreement.

(c) Each Incremental Revolving Facility (i) if made a part of an existing tranche of Revolving Commitments shall have terms identical to those applicable to such Class of Revolving Commitments (other than with respect to fees and original issue discount payable at closing of such Incremental Revolving Facility) or (ii) if consisting of an additional tranche of revolving loans and commitments shall be subject to substantially the same terms as the Initial Revolving Commitments (other than pricing, fees, maturity and other immaterial terms which shall be determined by the Borrower Representative and the lenders providing such Incremental Revolving Facility); provided that (A) no Incremental Revolving Facility shall have a final maturity date earlier than, or require scheduled amortization or mandatory commitment reduction prior to, the then existing Latest Maturity Date with respect to the Revolving Commitments, (B) the covenants, events of default and guarantees (other than maturity fees, discounts, interest rate, redemption terms and redemption premiums) of such Incremental Revolving Facility, if not consistent with the terms of the Initial Revolving Commitments, shall be no more favorable (as reasonably determined by the Borrower Representative and the Required Lenders) to the Lenders providing such Incremental Revolving Facility than the terms of the Initial Revolving Commitments are to the Lenders, (C) the Incremental Revolving Facility shall not have the benefit of any financial maintenance covenant more restrictive than the covenant set forth in Section 6.11 unless (x) the Initial Revolving Commitments have the benefit of such financial maintenance covenant on the same terms or (y) such financial maintenance covenant only applies after the Latest Maturity Date with respect to the Initial Revolving Commitments in effect as of the time such Incremental Revolving Facility is incurred and (D) no Person shall be a Borrower or a guarantor with respect to such Incremental Revolving Facility unless such Person is a Loan Party that has previously or substantially concurrently guaranteed or borrowed, as applicable, the Obligations, and, if secured, shall only be secured by Collateral.

(d) Each notice from the Borrower Representative pursuant to this Section 2.20 shall set forth the requested amount and proposed terms of the relevant Incremental Credit Facility. Any additional bank, financial institution, existing Lender or other Person that elects to provide commitments under an Incremental Credit Facility shall be reasonably satisfactory to the Borrowers and, in the case of any Incremental Revolving Facility and, to the extent such consent would be required for an assignment of such Loans or Commitments pursuant to Section 9.04, the Administrative Agent (such consent not to be unreasonably withheld, delayed or conditioned) (any such bank, financial institution, existing Lender or other Person being called an "Additional Lender") and, if not already a Lender and such Incremental Credit Facility is documented under this Agreement, shall become a Lender under this Agreement pursuant to an amendment (an

"Incremental Credit Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Holding Companies, the Borrowers, such Additional Lender (in the case of this Agreement and, as appropriate, any other Loan Document, as applicable) and the Administrative Agent and/or the Collateral Agent. No Lender shall be obligated to provide any Commitments under an Incremental Credit Facility unless it so agrees. Commitments in respect of any Incremental Credit Facilities which are documented under this Agreement shall become Commitments under this Agreement. An Incremental Credit Facility Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary, advisable or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.20 (including to provide for voting provisions applicable to the Additional Lenders comparable to the provisions of clause (B) of the second proviso of Section 9.02(b)). The effectiveness of any Incremental Credit Facility Amendment shall, unless otherwise agreed to by the Additional Lenders, be subject to the satisfaction (or waiver) on the date thereof (each, an "Incremental Facility Closing Date") of the express conditions in respect of such Incremental Credit Facility Amendment to be mutually agreed upon by the Additional Lenders and the Borrowers customary for transactions of the type in respect of which the applicable Incremental Credit Facility relates. The proceeds of any Loans under an Incremental Credit Facility will be used, directly or indirectly, for working capital and/or general corporate purposes and/or any other purposes not prohibited hereunder (including Restricted Payments, Acquisitions and other Investments). This Section 2.20 shall supersede any provisions in Section 2.11, Section 2.18 and Section 9.02 to the contrary.

(e) Upon each increase in the Revolving Commitments under any Revolving Credit Facility pursuant to this Section 2.20, each Revolving Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the Incremental Revolving Commitments (each, an "Incremental Revolving Lender") in respect of such increase, such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in such Revolving Credit Facility held by each Revolving Lender (including each such Incremental Revolving Lender), as applicable, will equal the percentage of the aggregate Revolving Commitments of all Revolving Lenders under such Revolving Credit Facility. Additionally, if any Revolving Loans are outstanding under a Revolving Credit Facility at the time any Incremental Revolving Commitments are established, the applicable Revolving Lenders immediately after effectiveness of such Incremental Revolving Commitments shall purchase and assign at par such amounts of the Revolving Loans outstanding under such Revolving Credit Facility at such time as the Administrative Agent may require such that each Revolving Lender holds its Applicable Facility Percentage of all Revolving Loans outstanding under such Revolving Credit Facility immediately after giving effect to all such assignments. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

Section 2.21 Refinancing Amendments. At any time after the Amendment No. 6 Effective Date, the Borrowers may obtain from any existing Lender or any other Person reasonably satisfactory to the Borrowers (any such existing Lender or other Person being called an "Additional Refinancing Lender") (and, in the case of any Additional Refinancing Lender (other than any existing Lender) that will hold Other Revolving Commitments or Other Term Commitments, such

Person shall also be reasonably satisfactory to the Administrative Agent) Credit Agreement Refinancing Indebtedness in respect of (a) all or any portion of the Term Loans then outstanding under this Agreement (which for purposes of this clause (a) will be deemed to include any then outstanding Other Term Loans constituting Term Loans) or (b) all or any portion of the Revolving Commitments (including the corresponding portion of the Revolving Loans) under this Agreement (which for purposes of this clause (b) will be deemed to include any then outstanding Other Revolving Commitments (including the corresponding portion of the Other Revolving Loans)), in the form of Other Term Loans, Other Term Commitments, Other Revolving Loans or Other Revolving Commitments, in each case pursuant to a Refinancing Amendment; provided that (i) such Credit Agreement Refinancing Indebtedness shall rank pari passu or junior in right of payment and of security with the other Loans and Commitments hereunder (provided that if such Credit Agreement Refinancing Indebtedness ranks junior in right of security or payment priority such Credit Agreement Refinancing Indebtedness shall be established as a separate facility and, if secured, shall be subject to customary intercreditor terms reasonably agreed between the Borrowers and the Administrative Agent and the Required Lenders), (ii) such Credit Agreement Refinancing Indebtedness shall have such pricing, interest, fees, premiums and optional prepayment and redemption terms as may be agreed by the Holding Companies, the Borrowers and the Additional Refinancing Lenders thereof, (iii) such Credit Agreement Refinancing Indebtedness shall only be secured by assets consisting of Collateral, and (iv) such Credit Agreement Refinancing Indebtedness shall satisfy the requirements set forth in clauses (u) through (z) of the definition of "Credit Agreement Refinancing Indebtedness". The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary or reasonably advisable to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Loans, Other Revolving Commitments and/or Other Term Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, or reasonably advisable or appropriate, in the reasonable opinion of the Administrative Agent and the Borrowers, to effect the provisions of this Section 2.21. This Section 2.21 shall supersede any provisions in Section 2.18 and Section 9.02 to the contrary. Notwithstanding anything to the contrary in this Section 2.21 or otherwise, (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Other Revolving Commitments (and related outstandings), (B) repayments required upon the maturity date of the Other Revolving Commitments and (C) repayment made in connection with a permanent repayment and termination in full of commitments) of Loans with respect to Other Revolving Commitments after the date of obtaining any Other Revolving Commitments shall be made on at least a pro rata basis with all other Revolving Commitments, (2) [reserved], (3) the permanent repayment of Revolving Loans with respect to, and termination of, Other Revolving Commitments after the date of obtaining any Other Revolving Commitments shall be made on at least a pro rata basis with all other Revolving Commitments, except that the Borrowers shall be permitted to permanently repay and terminate commitments of any such Class on a non-rata basis as compared to any other Class with a later maturity date than such Class and (4) assignments and participations of Other Revolving Commitments and Other Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving

Loans. The Lenders agree that the Borrowers may require the Lenders holding Credit Agreement Refinanced Indebtedness to assign their Loans and Commitments to the providers of the applicable Credit Agreement Refinancing Indebtedness.

Section 2.22 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. That Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Any payment of principal, interest, fees, indemnity payments or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to ARTICLE VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; *second*, as the Borrowers may request, to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement; *third*, if so determined by the Administrative Agent and the Borrowers, to be held in a non-interest-bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; *fourth*, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; *fifth*, to the payment of any amounts owing to the Borrowers as a result of any judgment of a court of competent jurisdiction obtained by the Borrowers against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and *sixth*, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans in respect of which that Defaulting Lender has not fully funded its appropriate share and (y) such Loans were made at a time when the conditions set forth in Section 4.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of all non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of that Defaulting Lender. Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender pursuant to this Section 2.22(a)(ii) shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. (a) Commitment fees shall continue to accrue on the amount of the Revolving Commitment of such Defaulting Lender pursuant to Section 2.12(a) only to the extent of the Revolving Loans of such Defaulting Lender and (b) a Defaulting Lender

shall not be entitled to receive any default rate of interest pursuant to Section 2.13(c), in each case, for any period during which that Lender is a Defaulting Lender.

(b) Defaulting Lender Cure. If the Borrowers and the Administrative Agent agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, that Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentage, whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrowers while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 2.23 [Reserved].

Section 2.24 Extensions of Term Loans and Revolving Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by (i) the Borrowers to all Lenders of Term Loans of the applicable Class with a like maturity date or (ii) the Borrowers to all Lenders with Revolving Commitments of the applicable Class with a like maturity date, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Term Loans or Revolving Commitments with a like maturity date, as the case may be) and offered on the same terms to each such Lender, the Borrowers are hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender's Term Loans and/or Revolving Commitments and otherwise modify the terms of such Term Loans and/or Revolving Commitments pursuant to the terms of the relevant Extension Offer (including by increasing the interest rate, premiums or fees payable in respect of such Term Loans and/or Revolving Commitments (and related outstandings) and/or modifying the amortization schedule, optional prepayment terms, required prepayment dates and participation in prepayments in respect of such Lender's Term Loans) (each, an "Extension", and each group of Term Loans or Revolving Commitments, as applicable, in each case as so extended, as well as the Initial Term Loans, 2024 Tranche B Term Loans, and the Initial Revolving Commitments (in each case not so extended), being a separate Class; any Extended Term Loans shall constitute a separate Class of Term Loans from the Class of Term Loans from which they were converted, and any Extended Revolving Commitments shall constitute a separate Class of Revolving Commitments from the Class of Revolving Commitments from which they were converted), so long as the following terms are satisfied (or waived):

(i) except as to interest rates, fees, premiums, amortization, prepayments, AHYDO Catch-Up Payments and final maturity (which shall be determined by the Borrowers and set forth in the relevant Extension Offer and which shall be no earlier than

the maturity date of the Class of Revolving Commitments for which such Extension Offer was made), the Revolving Commitment of any Revolving Lender that agrees to an Extension with respect to such Revolving Commitment (an "Extending Revolving Loan Lender") extended pursuant to an Extension (an "Extended Revolving Commitment" and the loans made pursuant thereto, the "Extended Revolving Loans"), and the related outstandings, shall have covenants and events of default, if not consistent with the terms of the Revolving Commitments, not materially more restrictive to the Loan Parties (as determined in good faith by the Borrower Representative), when taken as a whole, than the terms of the Revolving Commitment unless (x) the Revolving Lenders receive the benefit of such more restrictive terms or (y) any such provisions apply only after the applicable Revolving Termination Date (as determined in good faith by the Borrower Representative); provided that (1) the borrowing and repayment (except for (A) payments of interest and fees at different rates on Extended Revolving Commitments (and related outstandings), (B) repayments required upon the maturity date of the non-extended Revolving Commitments and (C) repayments made in connection with a permanent repayment and termination of commitments) of Loans with respect to Extended Revolving Commitments after the applicable Extension date shall be made on a pro rata basis or less with all other Revolving Commitments, (2) [reserved], (3) the permanent repayment of Revolving Loans with respect to, and termination of, Extended Revolving Commitments after the applicable Extension date shall be made on a pro rata basis with all other Revolving Commitments, except that the Borrowers shall be permitted to permanently repay and terminate commitments of any such Class on a non-pro rata basis as compared to any other Class with a later maturity date than such Class, (4) assignments and participations of Extended Revolving Commitments and Extended Revolving Loans shall be governed by the same assignment and participation provisions applicable to Revolving Commitments and Revolving Loans and (5) at no time shall there be Revolving Commitments hereunder (including Extended Revolving Commitments and any Initial Revolving Commitments) which have more than four different maturity dates,

(ii) except as to interest rates, fees, premiums, amortization, prepayments, AHYDO Catch-Up Payments and final maturity (which shall, subject to the immediately succeeding clauses (iv) and (v), be determined by the Borrowers and set forth in the relevant Extension Offer), the Term Loans of any Term Lender that agrees to an Extension with respect to such Term Loans (an "Extending Term Lender", and together with Extending Revolving Loan Lenders, "Extending Lenders") extended pursuant to any Extension ("Extended Term Loans") shall have covenants and events of default, if not consistent with the terms of the Term Loans, not materially more restrictive to the Loan Parties (as determined in good faith by the Borrower Representative), when taken as a whole, than the terms of the Term Loans unless (x) the Lenders of the Term Loans receive the benefit of such more restrictive terms or (y) any such provisions apply only after the Term Loan Maturity Date,

(iii) the final maturity date of any Extended Term Loans shall be no earlier than the Term Loan Maturity Date of the Class of Term Loans for which such Extension Offer was made and at no time shall the Term Loans (including Extended Term Loans) have more than six different maturity dates,

(iv) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans extended thereby (without giving effect to nominal amortization for periods where amortization has been eliminated as a result of a prepayment of the applicable Term Loans),

(v) if the aggregate principal amount of Term Loans (calculated on the face amount thereof) or Revolving Commitments, as the case may be, in respect of which Term Lenders or Revolving Lenders, as the case may be, shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans or Revolving Commitments, as the case may be, offered to be extended by the Borrowers pursuant to such Extension Offer, then the Term Loans or Revolving Loans, as the case may be, of such Term Lenders or Revolving Lenders, as the case may be, shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Term Lenders or Revolving Lenders, as the case may be, have accepted such Extension Offer,

(vi) all documentation in respect of such Extension shall be consistent with the foregoing, and

(vii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrowers.

(b) With respect to all Extensions consummated by the Borrowers pursuant to this Section 2.24, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.11 and (ii) no Extension Offer is required to be in any minimum amount or any minimum increment, provided that the Borrowers may at their election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrowers' sole discretion and may be waived by the Borrowers) of Term Loans or Revolving Commitments (as applicable) of any or all applicable Classes be tendered. The Administrative Agent and the Lenders hereby consent to the consummation of the transactions contemplated by this Section 2.24 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans and/or Extended Revolving Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including any pro rata payment or amendment section) or any other Loan Document that may otherwise prohibit or restrict any such Extension or any other transaction contemplated by this Section 2.24.

(c) No consent of any Lender or any Agent shall be required to effectuate any Extension, other than (i) the consent of each Lender agreeing to such Extension with respect to one or more of its Term Loans and/or Revolving Commitments (or a portion thereof), (ii) [reserved] (iii) to the extent directly adversely amending or modifying the rights or duties of the Administrative Agent beyond those of the type already required to perform under the Loan Documents, the Administrative Agent, which consents shall not be unreasonably withheld or delayed; provided that the Borrowers will promptly notify the Administrative Agent of any such Extensions. All Extended Term Loans, Extended Revolving Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are

secured by the Collateral on a pari passu basis with all other applicable Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent and, to the extent applicable, the Collateral Agent, to enter into amendments to this Agreement and the other Loan Documents with the Borrowers and other Loan Parties as may be necessary or advisable in order to establish new Classes in respect of Revolving Commitments or Term Loans so extended and such technical amendments as may be necessary, advisable or appropriate in the reasonable opinion of the Administrative Agent and the Borrowers in connection with the establishment of such new Classes, in each case on terms consistent with this Section 2.24. In connection with any Extensions the respective Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the latest termination date of any Extended Term Loans or Extended Revolving Commitments so that such maturity date is extended to the latest termination date of any Extended Term Loans or Extended Revolving Commitments (or such later date as may be advised by local counsel to the Administrative Agent). No Lender shall be required to participate in any Extension.

(d) In connection with any Extension, the Borrowers shall provide the Administrative Agent at least five (5) Business Days (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.24.

Section 2.25 [Reserved].

(o) a Change in Control shall have occurred,

then, and in every such event (I) (other than an event with respect to Ultimate Parent or a Borrower described in paragraph (h) or (i) of this Section 7.01), and at any time thereafter during the continuance of such event, the Administrative Agent with the consent of the Required Lenders may, and at the request of the Required Lenders shall, by notice to the Borrower Representative, take any or all of the following actions, at the same or different times: (i) terminate the Commitments, and thereupon the Commitments; (ii) declare the Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter, during the continuance of such event, be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees, premiums (including the Retirement Premium) and other obligations of a Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers; and (iii) [reserved]; and (II) in the case of any event with respect to Ultimate Parent or

the Borrowers described in paragraph (h) or (i) of this Section 7.01, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees, premiums (including the Retirement Premium) and other obligations of the Borrowers accrued hereunder, shall automatically become due and payable by the Borrowers, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrowers.

Section 7.02 [Reserved].

Section 7.03 Application of Proceeds.

(a) Upon the occurrence and during the continuation of an Event of Default, if requested by Required Lenders, or upon acceleration of all the Obligations pursuant to Section 7.01, all proceeds received by the Administrative Agent or the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral under any Loan Document (collectively, "Application Proceeds") shall be applied by the Administrative Agent as follows:

(i) *First*, to (1) the outstanding Specified PJT Fees and (2) payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest) payable to each Agent in its capacity as such;

(ii) *Second*, to payment of that portion of the Obligations constituting fees, premiums (including the Retirement Premium), indemnities and other amounts (other than principal and interest) payable to the Lenders, ratably among them in proportion to the amounts described in this clause (ii) payable to them;

(iii) *Third*, to payment of that portion of the Obligations constituting accrued and unpaid interest (including, but not limited to, post-petition interest), ratably among the Lenders in proportion to the respective amounts described in this clause (iii) payable to them;

(iv) *Fourth*, the Swap Termination Value under Secured Swap Agreements and Secured Cash Management Obligations;

(v) *Fifth*, to the payment of all other Secured Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Secured Obligations owing to the Administrative Agent and the other Secured Parties on such date; and

(vi) *Last*, the balance, if any, after all of the Secured Obligations have been paid in full, to the Borrowers or as otherwise required by law.

Notwithstanding the foregoing, (a) amounts received from any Loan Party that is not an "Eligible Contract Participant" (as defined in the Commodity Exchange Act) shall not be applied to the obligations that are Excluded Swap Obligations and (b) Secured Cash Management Obligations shall be excluded from the application described above if the Administrative Agent has not received written notice thereof, together with such supporting documentation as the Administrative

Agent may request, from the applicable Lender Counterparty. Each Lender Counterparty not a party to this Agreement that has given the notice contemplated by the preceding sentence shall, by such notice, be deemed to have acknowledged and accepted the appointment of the Administrative Agent pursuant to the terms of ARTICLE VIII hereof for itself and its Affiliates as if a "Lender" party hereto.

Whether or not a proceeding under any Debtor Relief Laws has commenced, any Application Proceeds received by any Secured Party in violation of (or otherwise not in accordance with) this Agreement shall be segregated and held in trust and promptly paid over to the Administrative Agent, for the benefit of the other Secured Parties, in the same form as received, with any necessary endorsements (which endorsements will be without recourse and without representation or warranty). The Administrative Agent is authorized to make such endorsements as agent for the Secured Parties. This authorization is coupled with an interest and is irrevocable until the Termination Date.

ARTICLE VIII
The Administrative Agent and Collateral Agent

Section 8.01 Appointment of Agents. Each of the Lenders hereby irrevocably appoints (i) Seaport and Acquiom to act on its behalf as Co-Administrative Agents and (ii) Acquiom to act on its behalf as the Collateral Agent hereunder and under the Loan Documents, and authorizes the Administrative Agent and the Collateral Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. Unless otherwise specifically set forth herein, the Collateral Agent shall have all the rights and benefits of the Administrative Agent set forth in this Article.

The Collateral Agent shall act as the "collateral agent" under the Loan Documents, and each of the Lenders (including in its capacities as a Lender Counterparty or potential Lender Counterparty) hereby irrevocably appoints and authorizes the Collateral Agent to act as the agent of such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties pursuant to the Security Documents to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Collateral Agent, as "collateral agent" and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 8.05 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Security Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent, shall be entitled to the benefits of all provisions of this ARTICLE VIII and Section 9.03 (as though such co-agents, subagents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto. The Lenders acknowledge and agree (and each Lender Counterparty shall be deemed to hereby acknowledge and agree) that Collateral Agent may also act as the collateral agent for lenders under any second lien loan documents, the Other Term Loans, the Other Revolving Commitments, the Additional Debt, and any Permitted Refinancing of any of the foregoing.

Without limiting the generality of the foregoing, the Agents are hereby expressly authorized to execute any and all documents (including releases) with respect to the Collateral and

any rights of the Secured Parties with respect thereto as contemplated by and in accordance with the provisions of this Agreement and the other Loan Documents.

The Collateral Agent declares that it shall hold all Liens on Collateral governed by English law on trust for each of the Lenders on the terms contained in this Agreement.

The rights, powers, authorities and discretions given to the Collateral Agent under or in connection with the Loan Documents shall be supplemental to the Trustee Act 1925 (United Kingdom) and the Trustee Act 2000 (United Kingdom) and in addition to any which may be vested in the Collateral Agent by law or regulation or otherwise.

Section 1 of the Trustee Act 2000 (United Kingdom) shall not apply to the duties of the Collateral Agent in relation to the trusts constituted by this Agreement. Where there are any inconsistencies between the Trustee Act 1925 (United Kingdom) or the Trustee Act 2000 (United Kingdom) and the provisions of this Agreement, the provisions of this Agreement shall, to the extent permitted by law and regulation, prevail and, in the case of any inconsistency with the Trustee Act 2000 (United Kingdom), the provisions of this Agreement shall constitute a restriction or exclusion for the purposes of that Act.

Section 8.02 Rights of Lender. Each bank serving as the Administrative Agent or Collateral Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Administrative Agent or Collateral Agent, and with respect to any of its Loans or Commitments hereunder, the term "Lender" or "Lenders" shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Administrative Agent and Collateral Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Holding Company or any Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent or Collateral Agent hereunder and without any duty to account therefor to the Lenders. Should any Lender (other than the Collateral Agent) obtain possession or control of any assets in which, in accordance with the UCC, PPSA or any other applicable law a security interest can be perfected by possession or control, such Lender shall notify the Collateral Agent thereof, and, promptly following the Collateral Agent's request therefor, shall deliver such Collateral to the Collateral Agent or otherwise deal with such Collateral in accordance with the Collateral Agent's instructions.

Section 8.03 Exculpatory Provisions. The Administrative Agent and the Collateral Agent shall not have any duties or obligations except those expressly set forth herein and in the other Loan Documents. In performing its functions and duties hereunder, each Agent shall act solely as an agent of the Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for any Loan Party or any of their Subsidiaries. Without limiting the generality of the foregoing the Administrative Agent and the Collateral Agent, (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) shall not have any duty to take any discretionary action or exercise any discretionary powers, including with respect to enforcement or collection, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that the Administrative Agent or the Collateral Agent is expressly required to

exercise and is directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents) to do so; provided that the Agent shall not be required to take, or omit to take, any action that, in its opinion or the opinion of its counsel, (i) may or does expose such Agent to liability or (ii) is contrary to any Loan Document or applicable law (including, for the avoidance of doubt, any action that may be in violation of the automatic stay under any Debtor Relief Law or that may effect a foreclosure, modification or termination of property of a Defaulting Lender under any Debtor Relief Law), and (c) shall not except as expressly set forth herein or in the other Loan Documents, have any duty to disclose, and shall not be liable to the Lenders for the failure to disclose, any information relating to any Holding Company, any Borrower or any Subsidiary that is communicated to or obtained by the bank serving as the Administrative Agent, Collateral Agent or any of their respective Affiliates in any capacity. The Administrative Agent and the Collateral Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as the Administrative Agent shall believe in good faith shall be necessary under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence, willful misconduct or breach of its material obligations under any Loan Documents (excluding all actions taken by any Agent (I) at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as Agent shall reasonably believe are necessary under the circumstances) or as requested by the Borrowers or the other Loan Parties and (II) in connection with or ancillary to the consummation of the Closing Date Transactions (including, for the avoidance of doubt, entry into the Second Lien Intercreditor Agreement)) in each case as determined by a court of competent jurisdiction by final and non-appealable judgment. The Administrative Agent and the Collateral Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by a Borrower or a Lender and the Administrative Agent and the Collateral Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report, statement, agreement or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or express conditions set forth in any Loan Document or the occurrence of any Default, (iv) the sufficiency, validity, enforceability, effectiveness or genuineness of this Agreement or any other Loan Document or any other agreement, instrument or document or the creation, perfection or priority of any Lien purported to be created by the Security Documents or that the Liens granted to the Collateral Agent pursuant to any Security Document have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, (v) the value or the sufficiency of any Collateral or (vi) the satisfaction of any condition set forth in ARTICLE IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent. The Administrative Agent shall have no obligation to monitor whether any amendment or waiver to any Loan Document has properly become effective or is permitted hereunder or thereunder except to the extent expressly agreed to by the Administrative Agent in such amendment or waiver. Without limiting the foregoing, no Agent:

(i) makes any warranty or representation, or shall be responsible, to any Secured Party for any statement, document, information, representation or warranty made or furnished by or on behalf of any Related Party or any Loan Party in connection with any Loan Document or any transaction contemplated therein or any other document or

information with respect to any Loan Party, whether or not transmitted or (except for documents expressly required under any Loan Document to be transmitted to the Lenders) omitted to be transmitted by such Agent, including as to completeness, accuracy, scope or adequacy thereof, or for the scope, nature or results of any due diligence performed by such Agent in connection with the Loan Documents;

(ii) shall have any obligation to calculate or confirm the calculations of any financial covenants or ratios set forth in any Loan Document or in any of the financial statements of the Loan Parties;

(iii) shall be liable to the Lenders for any apportionment or distribution of payments made by it to such Lenders in good faith, and if any such apportionment or distribution is subsequently determined to have been made in error, the sole recourse of any Lender to whom payment was due but not made shall be to recover pro rata from the other Lenders any payment equal to the amount to which they are determined to be entitled (and such other Lenders hereby agree to return to such Lender any such erroneous payments received by them);

(iv) shall have any duty to ascertain or to inquire as to the performance or observance of any provision of any Loan Document, whether any condition set forth in any Loan Document is satisfied or waived, as to the financial condition of any Loan Party or as to the existence or continuation or possible occurrence or continuation of any Default or Event of Default, and no Agent shall be deemed to have notice or knowledge of such occurrence or continuation unless it has received a notice from the Borrower or any Lender describing such Default or Event of Default clearly labeled "notice of default" (in which case such Agent shall promptly give notice of such receipt to all Lenders);

(v) shall be liable for any failure or delay in the performance of its obligations under this Agreement or any other Loan Document because of circumstances beyond such Agent's control, including, but not limited to, a failure, termination, or suspension of a clearing house, securities depositary, settlement system or central payment system in any applicable part of the world or acts of God, flood, war, civil or military disturbances, nuclear or natural catastrophes, political unrest, explosion, severe weather or accident, earthquake, terrorism, fire, riot, embargo, government action, including any laws, ordinances, regulations or the like (whether domestic, federal, state, county or municipal or foreign) which delay, restrict or prohibit the providing of the services contemplated by this Agreement or the Loan Documents, or the unavailability of communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility;

Each Lender, Holdings and each Borrower hereby waives and agrees not to assert (and Holdings and the Borrowers shall cause each other Loan Party to waive and not to assert) any right, claim or cause of action it might have against any Agent in its capacity as such based on any of the actions or inactions described in this Section 8.03.

Section 8.04 Reliance by Administrative Agent and Collateral Agent. Each of the Administrative Agent and the Collateral Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, (i) the Register to the extent set forth in Section 9.04, (ii) any consultation with any of its Related Parties and, whether or not selected by it, any counsel, other advisors, accountants and other experts (including advisors to, and accountants and experts engaged by, any Loan Party), and (iii) any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it in good faith to be genuine and to have been signed or sent or otherwise authenticated by the proper Person, and shall not be liable for any action taken or omitted to be taken in good faith in accordance with the the Register, any advice of any such counsel, other advisors, accountants or other experts or any such notice, request, certificate, consent, statement, instrument, document or other writing. Each of the Administrative Agent and the Collateral Agent also may rely upon any statement made to it orally or by telephone and believed by it in good faith to be made by the proper Person, and shall not incur any liability to the Lenders for relying thereon. Each of the Administrative Agent and the Collateral Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts. In determining compliance with any condition hereunder to the making of a Loan that by its terms must be fulfilled to the satisfaction of a Lender, the Administrative Agent may presume that such condition is satisfactory to such Lender unless the Administrative Agent shall have received notice to the contrary from such Lender prior to the making of such Loan.

Section 8.05 Delegation of Duties. Each of the Administrative Agent and the Collateral Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any other Loan Documents by or through any one or more sub-agents appointed by the Administrative Agent. Each of the Administrative Agent and the Collateral Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article (and indemnification provisions of Section 9.03(c)) shall apply to any such sub-agent and to the respective Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent or Collateral Agent. Each party to this Agreement acknowledges and agrees that the Administrative Agent may from time to time use one or more outside service providers for the tracking of all UCC and PPSA financing statements (and/or other collateral related filings and registrations from time to time) required to be filed or recorded pursuant to the Loan Documents and the notification to the Administrative Agent, of, among other things, the upcoming lapse or expiration thereof, and that each of such service providers will be deemed to be acting at the request and on behalf of the Borrowers and the other Loan Parties. No Agent shall be liable for any action taken or not taken by any such service provider. The Agents shall not be responsible for the negligence or misconduct of any sub-agent except to the extent that a court of competent jurisdiction determines in a final and nonappealable judgment that such Agent acted with gross negligence or willful misconduct in the selection of such sub-agent.

Section 8.06 Resignation of Agents; Successor, Administrative Agent and Collateral Agent. The Administrative Agent and the Collateral Agent may at any time resign by giving thirty (30) days' prior written notice of its resignation to the Lenders and the Borrowers. If

the Administrative Agent is a Defaulting Lender pursuant to clause (d) of the definition of "Defaulting Lender" (for purposes of this Section 8.06, clause (d) of the definition of "Defaulting Lender" shall not include a direct or indirect parent company of the Administrative Agent), either the Required Lenders or the Borrower Representative may upon thirty (30) days' prior notice remove the Administrative Agent or the Collateral Agent, as the case may be. Upon receipt of any such notice of resignation or delivery of such removal notice, the Required Lenders shall have the right, with the consent of the Borrower Representative (provided that such consent shall not be unreasonably withheld or delayed and that such consent shall not be required at any time that any Specified Event of Default shall have occurred and be continuing), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring Administrative Agent or Collateral Agent, as applicable, gives notice of its resignation or the delivery of such removal notice, then (a) in the case of a retirement, the retiring Administrative Agent may on behalf of the Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above (including the consent of the Borrower Representative) or (b) in the case of a removal, the Borrowers may, after consulting with the Required Lenders, appoint a successor Administrative Agent or Collateral Agent, as applicable, meeting the qualifications set forth above; provided that (x) in the case of a retirement, if the Administrative Agent shall notify the Borrower Representative and the Lenders that no qualifying Person has accepted such appointment or (y) in the case of a removal, the Required Lenders notify the Borrower Representative that no qualifying Person has accepted such appointment, then, in each case, such resignation or removal shall nonetheless become effective in accordance with such notice and (i) the retiring or removed Administrative Agent or Collateral Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except that in the case of any collateral security held by the Administrative Agent or the Collateral Agent, as applicable, on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent or Collateral Agent, as applicable, shall continue to hold such collateral security, as bailee, until such time as a successor Administrative Agent or Collateral Agent, as applicable, is appointed and, with respect to its rights and obligations under the Loan Documents, until such rights and obligations have been assigned to and assumed by the successor Administrative Agent or Collateral Agent), (ii) all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly (and each Lender will cooperate with the Borrowers to enable the Borrowers to take such actions), until such time as the Required Lenders or the Borrower Representative, as applicable, appoint a successor Administrative Agent, as provided for above in this Section 8.06 and (iii) the Borrowers and the Lenders agree that in no event shall the retiring Administrative Agent or Collateral Agent or any of their respective Affiliates or any of their respective officers, directors, employees, agents advisors or representatives have any liability to the Loan Parties, any Lender or any other Person or entity for damages of any kind, including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the failure of a successor Administrative Agent or Collateral Agent to be appointed and to accept such appointment. Upon the acceptance of a successor's appointment as Administrative Agent or Collateral Agent, as applicable hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) Administrative Agent or Collateral Agent, as applicable, and the retiring Administrative Agent or

Collateral Agent, as applicable, shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Article). The fees payable by the Borrowers to a successor Administrative Agent or Collateral Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrowers and such successor. After any retiring Administrative Agent's resignation hereunder and under the other Loan Documents, the provisions of this ARTICLE VIII and Section 9.03 shall continue in effect for the benefit of such retiring Administrative Agent or Collateral Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Administrative Agent or Collateral Agent was acting as Administrative Agent or Collateral Agent.

Section 8.07 Non-Reliance on Agents and Other Lenders. Each Lender acknowledges and agrees that the extensions of credit made hereunder are commercial loans and letters of credit and not investments in a business enterprise or securities. Each acknowledges that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, conducted its own independent investigation of the financial condition and affairs of the Loan Parties and their Subsidiaries and made its own credit analysis and decision to enter into this Agreement. Each Lender further represents and warrants that it has reviewed each document made available to it on the Platform in connection with this Agreement and has acknowledged and accepted the terms and conditions applicable to the recipients thereof (including any such terms and conditions set forth, or otherwise maintained, on the Platform with respect thereto). Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished thereunder.

Section 8.08 No Other Duties. Notwithstanding anything herein to the contrary, none of the Agents shall have any powers, duties or responsibilities under any Loan Document, except in its capacity, as applicable, as an Administrative Agent, Collateral Agent, or a Lender hereunder, and their respective duties as an Agent hereunder and under the other applicable Loan Documents shall be administrative in nature.

Section 8.09 Collateral and Guaranty Matters. Each Lender hereby agrees, and each holder of any Note by the acceptance thereof will be deemed to agree, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. Each of the Lenders, the Lender Counterparties irrevocably authorize each of the Administrative Agent and the Collateral Agent:

(a) to release any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent (or any sub-agent thereof) under any Loan Document (or to acknowledge that a Lien does exist on any property): (i) upon the Termination Date, (ii) that is (A) [reserved] or (B) sold or to be sold or transferred as part of or in connection with any sale or

other transfer permitted hereunder or under any other Loan Document to a Person other than another Loan Party, in connection with any other sale or disposition resulting in any Collateral becoming Excluded Property, (iii) that constitutes (with respect to Loan Parties organized within the United States (or any state or territory thereof) or Canada) Excluded Property, (with respect to Loan Parties organized outside the United States (or any state or territory thereof)) other Foreign Excluded Assets, or other assets not required to be Collateral pursuant to the applicable Security Document, (iv) if the property subject to such Lien is owned by a Loan Party, upon the release of such Loan Party from the applicable Guaranty otherwise in accordance with the Loan Documents, (v) as to the extent, if any, provided in the Security Documents or (vi) if approved, authorized or ratified in writing in accordance with Section 9.02;

(b) to release any Loan Party from its obligations under the applicable Guaranty if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder;

(c) to subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted under Section 6.02(d) and Section 6.02(e);

(d) to enter into subordination or intercreditor agreements (including the Second Lien Intercreditor Agreement) with respect to Indebtedness to the extent the Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, including any Pari Passu Intercreditor Agreement or Second Lien Intercreditor Agreement; and

(e) to enter into and sign for and on behalf of the Lenders as Secured Parties the Security Documents for the benefit of the Lenders and the other Secured Parties.

Upon request by the Administrative Agent or the Collateral Agent at any time, the Required Lenders (or such greater number of Lenders as may be required pursuant to Section 9.02(b)(v) or (vi)) will confirm in writing the Administrative Agent's or the Collateral Agent's, as the case may be, authority to release or subordinate its interest in particular types or items of property, or to release any Loan Party from its obligations under the applicable Guaranty pursuant to this Section 8.09. In each case as specified in this Section 8.09, the Administrative Agent and the Collateral Agent will (and each Lender hereby authorizes the Administrative Agent and the Collateral Agent to), at the Borrowers' expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the assignment and security interest granted under the Security Documents or to subordinate its interest in such item, or to release such Loan Party from its obligations under the applicable Guaranty, in each case in accordance with the express terms of the Loan Documents and this Section 8.09.

Notwithstanding any other provisions in this Agreement to the contrary, the release of any security interest created pursuant to a Swedish Collateral Document or any dealings in any assets which are, or are expressed to be, the subject of any security interest created pursuant to a Swedish Collateral Document (excluding any movable assets which are the subject of security in the form of a floating charge (other than any floating charge certificate (Sw. *Företagsinteckningsbrev*)) that

are the subject of the Swedish Floating Charge Pledge Agreement), will in all cases be subject to the terms and conditions set forth in the Swedish Collateral Documents.

Section 8.10 Secured Swap Agents and Secured Cash Management Agents. No Lender Counterparty that obtains the benefits of the Collateral Agreements, the Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or any Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this ARTICLE VIII to the contrary, neither the Administrative Agent nor the Collateral Agent shall be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Secured Swap Obligations or Secured Cash Management Obligations arising under Secured Swap Agreements or Secured Cash Management Agreements with Lender Counterparties unless the Administrative Agent has received written notice of such Secured Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Lender Counterparty.

Section 8.11 Withholding Tax. To the extent required by any applicable law (as determined in good faith by the Administrative Agent), the Administrative Agent may withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. If the IRS or any other Governmental Authority of any jurisdiction asserts a claim that an Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective) or is otherwise required to pay any Indemnified Tax attributable to such Lender, any Excluded Tax attributable to such Lender or any Tax attributable to such Lender's failure to comply with its obligations relating to the maintenance of a Participant Register, such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by the Loan Parties and without limiting the obligation of the Loan Parties to do so) fully for, and shall make payable in respect thereof within ten (10) days after demand therefor, all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 8.11. The agreements in this Section 8.11 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

Section 8.12 Administrative Agent and Collateral Agent May File Proofs of Claim. In case of the pendency of any receivership, examinership, insolvency, liquidation, provisional liquidation, bankruptcy, reorganization, arrangement, adjustment or composition under any Debtor Relief Law or any other judicial proceeding relative to any Loan Party, the Administrative Agent

and the Collateral Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent or the Collateral Agent shall have made any demand on the Borrowers) shall be entitled and empowered (but not obligated), by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the amount of the principal and interest owing and unpaid in respect of the Loans and all other Obligations, in each case, that are owing and unpaid by such Loan Party and to file such other documents as may be necessary or advisable in order to have such claims of the Lenders, the Administrative Agent and the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders, the Administrative Agent and the Collateral Agent and their respective agents and counsel and all other amounts due the Lenders, the Administrative Agent and the Collateral Agent under Section 2.11(l) and Section 9.03 which are payable by such Loan Party) allowed in such judicial proceeding;

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and

(c) any custodian, receiver, interim receiver, receiver-manager, examiner, assignee, trustee, liquidator, provisional liquidator, sequestrator, examiner or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, if the Administrative Agent shall consent, to the making of such payments directly to the Lenders, to pay to the Administrative Agent (and Lenders, as applicable) any amount due for the reasonable compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 2.11(l) and Section 9.03 in each case reimbursable or payable by such Loan Party.

Nothing contained herein shall be deemed to authorize the Administrative Agent or the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender to authorize the Administrative Agent or the Collateral Agent to vote in respect of the claim of any Lender or in any such proceeding, in each case subject to Section 14(d) of the U.S. Collateral Agreement. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Administrative Agent, its agents and counsel, and any other amounts due the Administrative Agent under this Agreement out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Lenders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Section 8.13 ERISA.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto:

(i) such Lender is not using "plan assets" (within the meaning of 29 CFR § 2510.3-101, as modified by Section 3(42) of ERISA) of one or more Plans in connection with the Loans or the Commitments,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable, and the conditions of such exemption have been satisfied, with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (ii) such "Qualified Professional Asset Manager" made the investment decision on behalf of such Lender to enter into, participate in, administer and perform with respect to the Loans, the Commitments and this Agreement and (iii) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (a) through (g) of Part I of PTE 84-14.

(b) In addition, unless clause (a)(i) of this Section 8.13 is true with respect to a Lender, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and its respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of any Borrower or any other Loan Party, that:

(i) none of the Administrative Agent or any of its respective Affiliates is a fiduciary with respect to the assets of such Lender (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any other Loan Document or any documents related to hereto or thereto),

(ii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance with respect to the Loans, the Commitments and this Agreement is independent (within the meaning of 29 CFR § 2510.3-21) and is a bank, an insurance carrier, an investment adviser, a broker-dealer or other person that holds, or has under management or control, total assets of at least $50,000,000, in each case as described in 29 CFR § 2510.3-21(c)(1)(i)(A)-(E),

(iii) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance with respect to the Loans, the Commitments and this Agreement is capable of evaluating investment risks independently, both in general and with regard to particular transactions and investment strategies (including in respect of the Obligations),

(iv) the Person making the investment decision on behalf of such Lender with respect to the entrance into, participation in, administration of and performance with respect to the Loans, the Commitments and this Agreement is a fiduciary under ERISA or the Code, or both, with respect to the Loans, the Commitments and this Agreement and is responsible for exercising independent judgment in evaluating the transactions hereunder, and

(v) no fee or other compensation is being paid directly to the Administrative Agent or any its respective Affiliates for investment advice (as opposed to other services) in connection with the Loans, the Commitments or this Agreement.

(c) The Administrative Agent hereby informs the Lenders that each such Person is not undertaking to provide impartial investment advice, or to give advice in a fiduciary capacity, in connection with the transactions contemplated hereby, and that such Person has a financial interest in the transactions contemplated hereby in that such Person or an Affiliate thereof (x) may receive interest or other payments with respect to the Loans, the Commitments and this Agreement, (y) may recognize a gain if it extended the Loans or the Commitments for an amount less than the amount being paid for an interest in the Loans or the Commitments by such Lender, or (z) may receive fees or other payments in connection with the transactions contemplated hereby, the Loan Documents or otherwise, including structuring fees, commitment fees, arrangement fees, facility fees, upfront fees, underwriting fees, ticking fees, agency fees, administrative agent or collateral agent fees, utilization fees, minimum usage fees, letter of credit fees, fronting fees, deal-away or alternate transaction fees, amendment fees, processing fees, term out premiums, banker's acceptance fees, breakage or other early termination fees or fees similar to the foregoing.

Section 8.14 Other Matters. Notwithstanding any provision herein, Section 8.13 shall not apply to the extent that the regulations under Section 3(21) of ERISA issued by the U.S. Department of Labor on April 8, 2016 are rescinded or otherwise revoked, repealed or no longer effective.

Section 8.15 Binding Effect. Each Lender agrees that (i) any action taken by the Administrative Agent or the Collateral Agent in accordance with the provisions of the Loan Documents, (ii) any action taken by the Administrative Agent and the Collateral Agent in reliance upon the instructions of the Required Revolving Lenders or the Required Lenders (or, where so required by the terms of this Agreement or any other Loan Document, such greater or other proportion of the Lenders) and (iii) the exercise by the Administrative Agent or the Collateral Agent of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Secured Parties.

(c) if to any other Lender, to it at its address (or facsimile number) set forth in its Administrative Questionnaire.

Any party hereto may change its address or facsimile number for notices and other communications hereunder by notice to the other parties hereto. Subject to Section 9.15, notices and other communications to the Lenders hereunder may also be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to

procedures approved by the Administrative Agent; provided that the foregoing shall not apply to notices to any Lender pursuant to ARTICLE II if such Lender, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrowers may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it; provided that approval of such procedures may be limited to particular notices or communications. All notices and other communications given to any party hereto in accordance with the provisions of this Agreement shall be deemed to have been given on the date of receipt.

Section 9.02 Waivers; Amendments. (a) No failure or delay by the Administrative Agent, the Collateral Agent or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Collateral Agent or any Lender may have had notice or knowledge of such Default at the time. No notice or demand on any Borrower in any case shall entitle such Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as provided in Section 2.20 with respect to any Incremental Credit Facility Amendment, in Section 2.21 with respect to any Refinancing Amendment, in Section 2.24 with respect to an Extension Offer, in Section 9.02(d) with respect to any amendment in respect of Replacement Term Loans and in Section 9.02(i) and 9.02(l), in Section 9.16 or as otherwise specifically provided below or otherwise provided herein or in a Loan Document, neither any Loan Document nor any provision thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by each Borrower and the Required Lenders or, in the case of any other Loan Document, pursuant to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto (except as otherwise expressly provided therein), in each case with the consent of the Required Lenders (other than with respect to any amendment, modification or waiver contemplated in clauses (i), (ii) (iii), (vii), (viii), (ix) and (x) of this Section 9.02(b), which shall require only the consent of the Lenders expressly set forth therein and not the Required Lenders); provided that (1) no such agreement shall (i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent in Section 4.01 or Section 4.02 of this Agreement or the waiver of any covenant, Default, Event of Default or mandatory prepayment or reductions shall not constitute an increase of any Commitment of a Lender), (ii) reduce or forgive the principal amount of any Loan owed to a Lender or, subject to Section 2.14 and the proviso in the definition of "Term SOFR", reduce the rate of interest thereon owed to such Lender, or reduce any fees or premiums payable hereunder owed to such Lender, without the written consent of such Lender directly and adversely affected

thereby; provided that any waiver of any Default or Event of Default or default interest, waiver of a mandatory prepayment or any modification, waiver or amendment to the financial covenant definitions or financial ratios or any component thereof in this Agreement shall not constitute a reduction or forgiveness in the interest rates or the fees or premiums for purposes of this clause (ii), (iii) except as otherwise provided hereunder, including pursuant to Refinancing Amendments or Section 2.24, postpone the scheduled maturity of any Loan, or the date of any scheduled repayment (but not prepayment) of the principal amount of any Term Loan under Section 2.10 or the applicable Incremental Credit Facility Amendment, or any date for the payment of any interest, fees or premiums payable hereunder, or reduce or forgive the amount of, waive or excuse any such repayment (but not prepayment), or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby (it being understood that no amendment, modification or waiver of, or consent to departure from, any condition precedent, covenant, Default, Event of Default, waiver of default interest, mandatory prepayment or mandatory reduction of the Commitments shall constitute a postponement of any date scheduled for the payment of principal or interest or an extension of the final maturity of any Loan or the scheduled termination date of any Commitment), (iv) change any of the provisions of this Section 9.02(b) or reduce the percentage set forth in the definition of the term "Required Lenders" or reduce the percentage in any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required (including pursuant to clause (z) of the proviso to definition of "Required Lenders") to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender directly and adversely affected thereby (or each Lender of such Class directly and adversely affected thereby, as the case may be) (it being understood that, other than as specifically provided in this Agreement, including pursuant to (w) Section 9.02(d) with respect to Replacement Term Loans, (x) any Incremental Credit Facility Amendment (the consent requirements for which are set forth in Section 2.20), (y) a Refinancing Amendment (the consent requirements for which are set forth in Section 2.21) and (z) an Extension Offer pursuant to Section 2.24, with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders or a particular Class of Lenders on substantially the same basis as the Term Loans and Revolving Commitments on the Amendment No. 6 Effective Date), (v) release all or substantially all of the value of the Guarantees under the Guaranties (except as provided herein or in the applicable Loan Document, including, but not limited to, pursuant to a transaction permitted under Section 6.03 or Section 6.05), without the written consent of each Lender, (vi) release all or substantially all the Collateral from the Liens of the Security Documents (except as provided herein or in the applicable Loan Document, including, but not limited to, pursuant to a transaction permitted under Section 6.03 or Section 6.05), without the written consent of each Lender (it being understood that any subordination of a lien permitted hereunder shall not constitute a release of a lien under this Section and the granting of any pari passu liens in connection with the incurrence of debt or the granting of liens otherwise permitted hereunder from time to time (including pursuant to amendments) shall not constitute a release of liens), (vii) amend, waive or otherwise modify any pro rata payment or sharing requirement of this Agreement (including those set forth in Section 2.18 or the payment waterfall provisions of Section 7.03, in each case, without the written consent of each Lender directly and adversely affected thereby (it being understood that any Lender declining payment or reducing a payment made to them is "directly and adversely affected"), (viii) amend, waive, or otherwise modify any term or provision herein related to PJT or the Specified PJT Fees (including, without limitation, Section

2.21(e), Section 7.03(a)(i), and Section 9.21) without the written consent of PJT, (ix) decrease the amount of any mandatory prepayment to be received by the Amendment No. 6 Term Lenders hereunder in a manner disproportionately adverse to the interests of such Class in relation to the Lenders of any other Class of Term Loans, in each case without the written consent of Lenders holding more than 50% of the Amendment No. 6 Term Loans or (x) change the definition of "Alternative Currency" except as set forth in Section 1.14, or (2) in connection with an amendment that addresses solely a re-pricing transaction in which any Class of Term Loans is refinanced with a replacement Class of term loans bearing (or is modified in such a manner such that the resulting term loans bear) a lower Yield (a "Permitted Repricing Amendment"), only the consent of the Lenders holding Term Loans subject to such permitted repricing transaction that will continue as Lenders in respect of the repriced tranche of Term Loans or modified Term Loans; provided, further, that no such agreement shall directly adversely amend or modify the rights or duties of the Administrative Agent or the Collateral Agent without the prior written consent of the Administrative Agent or the Collateral Agent, as the case may be. In the event an amendment to this Agreement or any other Loan Document is effected without the consent of the Administrative Agent or the Collateral Agent (to the extent permitted hereunder) and to which the Administrative Agent or the Collateral Agent is not a party, the Borrower Representative shall furnish a copy of such amendment to the Administrative Agent. Notwithstanding the foregoing, no Lender consent is required to effect any amendment, modification or supplement to any intercreditor agreement or arrangement permitted under this Agreement or in any document pertaining to any Indebtedness permitted hereby that is permitted to be secured by the Collateral, including any Incremental Term Loan or Incremental Revolving Loan, any Additional Debt, any Other Term Loan, Other Revolving Loan or Other Revolving Commitments, Extended Term Loans, Extended Revolving Loans, and Permitted First Priority Replacement Debt or Permitted Second Priority Replacement Debt, for the purpose of adding the holders of such Indebtedness (or their senior representative) as a party thereto and otherwise causing such Indebtedness to be subject thereto, in each case as contemplated by the terms of such intercreditor agreement or arrangement permitted under this Agreement, as applicable, together with any immaterial changes and other modifications, in each case, in form and substance reasonably satisfactory to the Collateral Agent (it being understood that junior Liens are not required to be pari passu with other junior Liens, and that Indebtedness secured by junior Liens may be secured by Liens that are pari passu with, or junior in priority to, other Liens that are junior to the Liens securing the Obligations).

(c) In connection with any proposed amendment, modification, waiver or termination (a "Proposed Change") requiring the consent of all Lenders or all directly and adversely affected Lenders, if the consent of the Required Lenders (and, to the extent any Proposed Change requires the consent of Lenders holding Loans of any Class pursuant to clause (iv), (ix) or (x) of paragraph (b) of this Section 9.02, the consent of a majority in interest of the outstanding Loans and unused Commitments of such Class) (or, in the case of a consent, waiver or amendment involving directly and adversely affected Lenders, at least 50.1% of such directly and adversely affected Lenders) to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section 9.02 being referred to as a "Non-Consenting Lender"), then, the Borrower Representative may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, (i) require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an

assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); provided that (a) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts), plus, if the Non-Consenting Lender is a Lender with Term Loans being required to assign Term Loans under this Section 9.02(c) due solely to its failure to waive, postpone or reduce the prepayment premium set forth in Section 2.11(a), the payment by the assignee of such prepayment premium as if such Term Loans subject to such assignment were subject to transaction that would trigger such prepayment premium, (b) the Borrowers or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in clause (b)(ii) of Section 9.04 and (c) such assignee shall have consented to the Proposed Change or (ii) terminate the Commitment of such Lender and repay all Obligations of the Borrowers due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date; provided that in the case of any such termination of a Non-Consenting Lender such termination shall be sufficient (together with all other consenting Lenders and terminated Lenders after giving effect hereto) to cause the adoption of the applicable departure, waiver or amendment of the Loan Documents.

(d) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, in connection with Section 2.21, this Agreement may be amended (or amended and restated) solely with the written consent of the Administrative Agent, the Holding Companies, the Borrowers and the Lenders providing the relevant Replacement Term Loans (as such term is defined below) to permit the refinancing of all or any portion of any Class of Term Loans outstanding as of the applicable date of determination (the "Refinanced Term Loans") with a replacement term loan tranche hereunder (the "Replacement Term Loans"), provided that (i) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans plus premiums, accrued interest, fees and expenses in connection therewith, (ii) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, unless the any such higher Applicable Margin applies after the Term Loan Maturity Date, (iii) the Weighted Average Life to Maturity and final maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity and final maturity of such Refinanced Term Loans at the time of such refinancing (without giving effect to nominal amortization for periods where amortization has been eliminated as a result of a prepayment of the applicable Refinanced Term Loans), (iv) the mandatory prepayment and optional prepayment provisions of the Replacement Term Loans shall not require more than pro rata payments and may permit optional prepayments and mandatory prepayments to be paid in respect of the Term Loans not constituting Refinanced Term Loans, and (v) the covenants, events of default and guarantees shall be not materially more restrictive (taken as a whole) (as determined in good faith by the Borrower Representative) to the Lenders providing such Replacement Term Loans than the covenants, events of default and guarantees applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants, events of default and guarantees applicable to any period after the maturity date in respect of the Refinanced Term Loans in effect immediately prior to such refinancing.

(e) The Lenders and all other Secured Parties hereby irrevocably agree that the Liens granted to the Collateral Agent by the Loan Parties on any Collateral shall, at the sole cost

and expense of the Borrowers, be automatically released (i) upon the occurrence of the Termination Date of this Agreement, (ii) upon the sale or other disposition of such Collateral (as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Loan Party, in connection with any other sale or disposition resulting in any Collateral becoming Excluded Property or Foreign Excluded Assets, in each case, to the extent such sale or other disposition is made in compliance with the terms of this Agreement, (iii) to the extent such Collateral is comprised of property leased to a Loan Party, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 9.02), (v) to the extent such property constitutes (with respect to Loan Parties organized within the United States (or any state or territory thereof) or Canada) Excluded Property, (with respect to Loan Parties organized outside the United States (or any state or territory thereof) or Canada)) other Foreign Excluded Assets or other assets not required to be Collateral pursuant to the applicable Security Document, (vi) to the extent the property constituting such Collateral is owned by any Loan Party, upon the release of such Loan Party from its obligations under the Guaranty (in accordance with the following sentence) to the extent such release of a Loan Party is made in compliance with the terms of this Agreement and (vii) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Loan Documents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent comprised of (with respect to Loan Parties organized within the United States (or any state or territory thereof) or Canada)) Excluded Property, (with respect to Loan Parties organized outside the United States (or any state or territory thereof) or Canada)) other Foreign Excluded Assets or other assets not required to be Collateral pursuant to the applicable Security Document or otherwise released in accordance with the provisions of the Loan Documents. Additionally, the Lenders, and all other Secured Parties, hereby irrevocably agree that each Loan Party shall be released from the Guaranty upon consummation of any transaction permitted hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary. The Lenders, and all other Secured Parties, hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Loan Party's Guarantee under the Guaranty or its Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender or other Secured Party.

(f) No Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder (and any amendment, waiver or consent which by its terms requires the consent of all Lenders or each affected Lender may be effected with the consent of the applicable Lenders other than Defaulting Lenders), except that (x) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Lender and (y) any waiver, amendment or modification requiring the consent of all Lenders pursuant to Section 9.02(b)(v) or 9.02(b)(vi) or each directly and adversely affected Lender pursuant to Section 9.02(b)(ii) or 9.02(b)(iii), shall, in each case, require the consent of such Defaulting Lender.

(g) Notwithstanding anything in this Agreement or any other Loan Document to the contrary, in connection with Section 2.24, this Agreement may be amended (or amended

and restated) solely with the written consent of the Required Lenders, the Administrative Agent and the Borrowers (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans and the Revolving Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders.

(h) In connection with the issuance of Replacement Term Loans or any replacement credit facility, then, the Borrower Representative may, at its sole expense and effort, upon notice to any applicable Lender and the Administrative Agent, (i) require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an assignee that shall assume such obligations; provided that (a) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrowers (in the case of all other amounts) and (b) the Borrowers or such assignee shall have paid to the Administrative Agent the processing and recordation fee specified in clause (b)(ii) of Section 9.04 or (ii) terminate the Commitment of such Lender and repay all Obligations of the Borrowers due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date.

(i) Notwithstanding the foregoing, this Agreement and any other Loan Document may be amended solely with the consent of the Administrative Agent and the Borrowers without the need to obtain the consent of any other Lender if such amendment is delivered in order to correct or cure (x) ambiguities, errors, omissions or defects, (y) to effect administrative changes of a technical or immaterial nature or (z) incorrect cross-references or similar inaccuracies in this Agreement or the applicable Loan Document. Guarantees, collateral documents, security documents, intercreditor agreements, and related documents executed in connection with this Agreement may be in a form reasonably determined by the Administrative Agent or the Collateral Agent, as applicable, and may be amended, modified, terminated or waived, and consent to any departure therefrom may be given by the Administrative Agent or the Collateral Agent, as applicable, without the consent of any Lender. The Borrowers and the Administrative Agent may, without the consent of any other Lender, effect amendments to this Agreement and the other Loan Documents as may be necessary in the reasonable opinion of the Borrowers and the Administrative Agent to effect the provisions of Section 2.20, Section 2.21 and Section 2.24.

(j) Subject to the provisos of this paragraph, for purposes of any amendment, modification, waiver or consent (other than pursuant to Sections 9.02(b)(i), (ii), (iii), (iv) or any amendment, modification, waiver or consent that directly and adversely affects any Affiliated Lender in its capacity as a Lender disproportionately in relation to other affected Lenders) under any Loan Document, any Loans held by an Affiliated Lender (other than any Affiliated Institutional Lender) shall be automatically deemed to be voted in the same proportion as all other Lenders who are not Affiliated Lenders; provided that (a) in the event that any proceeding under the Bankruptcy Code shall be instituted by or against any Borrower, each Affiliated Lender (other than any Affiliated Institutional Lender) shall acknowledge and agree that they are each "insiders" under Section 101(31) of the Bankruptcy Code and, as such, the claims associated with the Loans

and Commitments owned by it shall not be included in determining whether the applicable class of creditors holding such claims has voted to accept a proposed plan for purposes of Section 1129(a)(10) of the Bankruptcy Code; (b) alternatively, to the extent that the foregoing designation is deemed unenforceable for any reason, each Affiliated Lender (other than any Affiliated Institutional Lender) shall vote in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not Affiliated Lenders, except to the extent that any plan of reorganization proposes to treat the Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Obligations held by Lenders that are not Affiliated Lenders and (c) for purposes of this paragraph, for the avoidance of doubt, Affiliated Lenders shall be deemed to not include Affiliated Institutional Lenders (and the foregoing limitations shall not apply in respect of Affiliated Institutional Lenders).

(k) Notwithstanding anything to the contrary herein, in connection with any amendment, modification, waiver or consent hereunder, in no event shall Affiliated Institutional Lenders exclusively constitute Required Lenders in and of themselves.

(l) Notwithstanding anything to the contrary herein, other than in connection with any "debtor-in-possession" financing under any Debtor Relief Laws, subordination of (a) the Liens on the Collateral securing any of the Obligations in respect of the Loans to the Liens securing any other Indebtedness or (b) any of the Obligations in respect of the Loans in right of payment to any other Indebtedness (any such other Indebtedness, to which such Liens securing any of the Obligations or such Obligations, as applicable, are subordinated, "Senior Indebtedness"), in either the case of (a) or (b) or the amendment of this Section 9.02(l), shall require the consent of all Lenders adversely affected thereby, unless such Lenders have been offered a bona fide opportunity to fund or otherwise provide its pro rata share (based on the amount of such Obligations that are adversely affected thereby held by each Lender and calculated immediately prior to any applicable amendment or incurrence of Senior Indebtedness) of the Senior Indebtedness on the same terms (other than bona fide backstop fees, any arrangement or restructuring fees and reimbursement of counsel fees and other expenses in connection with the negotiation of the terms of such transaction (such fees and expenses, "Ancillary Fees") as offered to all other providers (or their Affiliates) of the Senior Indebtedness and to the extent such adversely affected Lender decides to participate in the Senior Indebtedness, receive its pro rata share of the fees and any other similar benefit (other than Ancillary Fees) of the Senior Indebtedness afforded to the providers of the Senior Indebtedness (or any of their Affiliates) in connection with providing the Senior Indebtedness pursuant to a written offer much to such Lenders describing the material terms of the arrangements pursuant to which the Senior Indebtedness is to be provided, which offer shall remain open to such Lenders for a period of not less than ten (10) Business Days; *provided*, *however* that any such Lender that does not accept an offer to provide its pro rata share of such Senior Indebtedness within the later of ten (10) Business Days or the time specified for acceptance of such offer being made, such Lender shall be deemed to have declined such offer; *provided*, *further* that any such Lender may designate one or more of its Affiliates to provide such Senior Indebtedness on its behalf.

Section 9.03 Expenses; Indemnity; Damage Waiver. (a) The Borrower Representative shall pay or reimburse, or cause to be paid or reimbursed, within thirty (30) days after receipt of reasonably detailed documentation therefor, all reasonable and documented out-of-pocket expenses incurred by the Agents and the Lenders (and each of their respective Affiliates

and controlling persons and other representatives of each of the foregoing and their respective successors) (including the reasonable fees, charges and disbursements of a single lead counsel, a single local counsel in each relevant jurisdiction, and any relevant regulatory or other specialist counsel, in each case, for each of (x) the Administrative Agent and the Collateral Agent (taken as a whole) and (y) the Lenders (taken as a whole) and, in the event an actual or perceived conflict of interest as between any Lenders, a single additional counsel (including local counsel in each relevant jurisdiction) to the similarly affected parties (taken as a whole)) in connection with (i) the enforcement or protection of any rights under this Agreement or any other Loan Documents, including rights under this Section, or in connection with the Loans made and (ii) the syndication, preparation, execution, delivery and administration of the Loan Documents and any amendment, modification, forbearance or waiver with respect thereto; provided that the Borrowers shall not be obligated to pay for any third-party advisor or consultants (in addition to those set forth hereinabove), except following an Event of Default with respect to which Loans have been accelerated or any Agent or the Required Lenders are pursuing remedies (or have entered into a forbearance agreement with respect thereto).

(b) Without duplication of the expense reimbursement obligations pursuant to paragraph (a) above, the Borrowers shall jointly and severally indemnify the Administrative Agent, the Collateral Agent, the other Agents and each Lender (and each of their respective Affiliates and controlling persons and their respective officers, directors, employees, partners, advisors and agents and other representatives of each of the foregoing and their respective successors, each such Person being called an "Indemnitee"), against, and hold each Indemnitee harmless from, any and all actual losses, disputes, claims, damages, investigations, litigation, proceedings, actual liabilities and any and all reasonable and documented out-of-pocket costs and related expenses, excluding lost profits, but (i) including the reasonable and documented fees, charges and disbursements of counsel (including a single lead counsel, a single local counsel in each relevant jurisdiction and any relevant regulatory or other specialist counsel, in each case, for each of (x) the Administrative Agent and the Collateral Agent (taken as a whole) and (y) the Lenders (taken as a whole) and, in the event an actual or perceived conflict of interest arises as between any Lenders, a single additional counsel (plus local counsel in each relevant jurisdiction) to the similarly affected parties (taken as a whole)), (ii) including those arising from or relating to any actual presence or Release of Hazardous Materials on any property currently or formerly owned or operated by any Borrower or any Subsidiaries or any Environmental Liability related in any way to any Borrower or any Subsidiaries and (iii) excluding any allocated costs of in-house counsel, incurred by or asserted against any Indemnitee arising out of, in connection with, or as a result of the execution or delivery of any Loan Document or any other agreement or instrument contemplated thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of any transactions contemplated thereby, whether or not any such Indemnitee shall be designated as a party or a potential party thereto and whether or not such matter is initiated by any Holding Company, any Borrower or any of their respective Affiliates or shareholders, and any fees or expenses incurred by Indemnitees in enforcing this indemnity (collectively, the "Indemnified Liabilities"); provided that, no Indemnitee will be indemnified (a) for its (or any of its Related Parties) willful misconduct, bad faith or gross negligence (to the extent determined in a final non-appealable order of a court of competent jurisdiction), (b) for its (or any of its Related Parties) material breach of its obligations under the Loan Documents (excluding all actions taken by any Agent (I) at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as Agent shall

reasonably believe are necessary) or as requested by the Borrowers or the other Loan Parties and (II) in connection with or ancillary to the consummation of the Closing Date Transactions (including, for the avoidance of doubt, entry into the Second Lien Intercreditor Agreement)) (to the extent determined in a final non-appealable order of a court of competent jurisdiction), (c) for any dispute among Indemnitees that does not involve an act or omission by any Holding Company, any Borrower or any Restricted Subsidiary (other than any claims against an Agent in their capacity as such and subject to clause (a) above) or (d) any settlement effected without the Borrower Representative's prior written consent, but if settled with the Borrower Representative's prior written consent (not to be unreasonably withheld or delayed) or if there is a final judgment against an Indemnitee in any such proceedings, the Borrowers will indemnify and hold harmless each Indemnitee from and against any and all actual losses, claims, damages, liabilities and expenses by reason of such settlement or judgment in accordance with this Section.

(c) To the extent that a Borrower fails to pay any amount required to be paid by it to the Administrative Agent or the Collateral Agent under paragraph (a) or (b) of this Section, and without limiting the Borrowers' obligation to do so, each Lender severally agrees to pay to the Administrative Agent or the Collateral Agent as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Collateral Agent in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon (i) in the case of unpaid amounts owing to the Administrative Agent, its share of the aggregate Revolving Exposures and unused Revolving Commitments at the time and (ii) in the case of unpaid amounts owing to the Administrative Agent, its share of the outstanding Term Loans and unused Term Commitments at the time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02(a) (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph (c)).

(d) To the extent permitted by applicable law, none of the Holding Companies, the Borrowers, any Agent, any Lender, any other party hereto or any Indemnitee shall assert, and each such Person hereby waives and releases, any claim against any other such Person, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) (whether or not the claim therefor is based on contract, tort or duty imposed by any applicable legal requirement) arising out of, in connection with, as a result of, or in any way related to, this Agreement or any or any agreement or instrument contemplated hereby or referred to herein, the use or proposed used of the proceeds thereof, the transactions contemplated hereby or thereby, or any act or omission or event occurring in connection therewith, and each such Person further agrees not to sue upon any such claim or any such damages, whether or not accrued and whether or not known or suspected to exist in its favor; provided that the foregoing shall in no event limit the Borrowers' indemnification obligations under clause (b) above.

(e) In case any proceeding is instituted involving any Indemnitee for which indemnification is to be sought hereunder by such Indemnitee, then such Indemnitee will promptly notify the Borrower Representative of the commencement of any proceeding; provided, however, that the failure to do so will not relieve a Borrower from any liability that it may have to such Indemnitee hereunder, except to the extent that such Borrower is materially prejudiced by such failure.

(f) Notwithstanding anything to the contrary in this Agreement, no party hereto or any Indemnitee shall be liable for any damages arising from the use by others of information or other materials obtained through electronic, telecommunications or other information transmission systems (including IntraLinks, SyndTrak or LendAmend), in each case, except to the extent any such damages are found in a final non-appealable judgment of a court of competent jurisdiction to have resulted from the gross negligence, bad faith or willful misconduct of, or material breach of this Agreement or the other Loan Documents by, such Indemnitee (or its officers, directors, employees, Related Parties or Affiliates) (excluding all actions taken by any Agent (I) at the direction of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary or as Agent shall reasonably believe are necessary) or as requested by the Borrowers or the other Loan Parties and (II) in connection with or ancillary to the consummation of the Closing Date Transactions (including, for the avoidance of doubt, entry into the Second Lien Intercreditor Agreement)).

(g) Except to the extent otherwise expressly provided herein, all amounts due under this Section 9.03 shall be payable within thirty (30) days after receipt by the Borrower Representative of reasonably detailed documentation therefor.

(h) This Section 9.03 shall not apply to Taxes, except for Taxes which represent costs, losses, claims, etc. with respect to a non-Tax claim.

Section 9.04 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as otherwise permitted herein, no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any such attempted assignment or transfer by a Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 9.04 (and any attempted assignment or transfer by such Lender otherwise shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (solely to the extent provided in paragraph (c) of this Section 9.04) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the express conditions set forth in paragraph (b)(ii) below, any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably conditioned, withheld or delayed) of the Borrower Representative; provided that no consent of the Borrower Representative shall be required for (x) an assignment of (i) all or any portion of a Revolving Loan or Revolving Commitment to a Revolving Lender or (ii) all of any portion of a Term Loan or Term Commitment to a Lender, an Affiliate of a Lender or an Approved Fund (as defined below), or (y) if any Specified Event of Default has occurred and is continuing, any other assignee, and provided that the Borrower Representative shall be deemed to have consented to any such assignment of

Term Loans or Term Commitments unless the Borrower Representative shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after a Responsible Officer of the Borrower Representative receives written notice of such proposed assignment, and (C) the Administrative Agent; provided that no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan or Term Commitment to a Lender, an Affiliate of a Lender, any Affiliated Lender or an Approved Fund or pursuant to Section 2.11(i).

(ii) Assignments shall be subject to the following additional express conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender, an Approved Fund or to an Affiliated Lender, or pursuant to Section 2.11(i), an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement) with respect to such assignment is delivered to the Administrative Agent) shall be in an amount of an integral multiple of $1,000,000, in the case of a Term Commitment or Term Loan, or $1,000,000, in the case of a Revolving Loan or Revolving Commitment, unless the Borrower Representative and the Administrative Agent otherwise consent (such consent not to be unreasonably withheld or delayed); provided that no such consent of the Borrower Representative shall be required if any Specified Event of Default has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall (1) execute and deliver to the Administrative Agent an Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement), via an electronic settlement system acceptable to the Administrative Agent or (2) if previously agreed with the Administrative Agent, manually execute and deliver to the Administrative Agent an Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement), together with a processing and recordation fee of $3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent and shall be waived in the case of an assignment by a Lender to its Affiliate); provided that assignments made pursuant to Section 2.19, Section 9.02(c) or Section 9.02(h) shall not require the signature of the assigning Lender to become effective and (D) the assignee, if it shall not be a Lender or Affiliated Lender, shall deliver to the Administrative Agent an Administrative Questionnaire (in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws) and any tax forms required by Section 2.17(e).

For purposes of paragraph (b) of this Section, the term "Approved Fund" has the following meaning:

"Approved Fund" means, with respect to any Lender, any Person (other than a natural person) that is engaged in making, purchasing, holding or otherwise investing in

commercial loans and similar extensions of credit in the ordinary course of its activities and is administered, advised or managed by (i) such Lender, (ii) an Affiliate of such Lender or (iii) an entity or an Affiliate of an entity that advises or manages such Lender.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement), the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement), have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement), be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement) covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Section 2.15, Section 2.16, Section 2.17 and Section 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid).

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrowers, shall maintain at one of its offices a copy of each Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement) delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and related interest amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Holding Companies, the Borrowers, the Administrative Agent, and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available (electronically or otherwise at the Administrative Agent's discretion) for inspection by the Borrowers and, with respect to its own interests only, any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 9.04(b)(iv) shall be construed so that the Loans are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

(v) Upon its receipt of a duly completed Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement) executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax forms required by Section 2.17(e), as applicable (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section (to the extent required) and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption (or Affiliated Lender Assignment and Assumption Agreement) and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph.

(vi) The words "execution," "signed," "signature" and words of like import in any Assignment and Assumption or Affiliated Lender Assignment and Assumption Agreement or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(vii) Notwithstanding anything to the contrary contained in this Agreement, but subject in all respects to the last paragraph of this Section 9.04(b), any assignment pursuant to this Section 9.04 by a Lender of its Loans or Commitments to any Affiliated Lender (and, in the case of clause (D)(I) below, to any Affiliated Institutional Lender) (it being understood that with respect to purchases pursuant to Section 2.11(i), this Section shall not be applicable) shall be subject to the following additional conditions:

(A) the assigning Lender and Affiliated Lender purchasing such Lender's Loans and/or Commitments shall execute and deliver to the Administrative Agent an Affiliated Lender Assignment and Assumption Agreement;

(B) any Loans or Commitments acquired by any Holding Company, any Borrower or any other Subsidiary shall be retired and cancelled immediately upon the acquisition thereof;

(C) each Affiliated Lender hereby agrees that notwithstanding anything to the contrary herein, it may not (A) attend (including by telephone) any meeting or discussions (or portion thereof) among any Agent or any Lender to which representatives of any Borrower are not invited or then present, or (B) have access to the Platform or receive any information or material prepared by any Agent or any Lender or any communication by or among any Agent and/or one or more Lenders, except to the extent such information or materials have been made available to any Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant hereto);

(D) (I) Revolving Commitments and Revolving Loans may not be assigned to any Affiliated Lenders (including, for the avoidance of doubt, any Holding Company, any Borrower and any other Subsidiary) or Affiliated Institutional Lenders or Persons who will become Affiliated Lenders or Affiliated Institutional Lenders upon completion of the relevant assignment, and no Affiliated Lender or Affiliated Institutional Lenders or Person who will become an Affiliated Lender or an Affiliated Institutional Lender upon completion of the relevant assignment shall be permitted to purchase any Revolving Commitments or Revolving Loans, (II) no proceeds of Revolving Commitments or Revolving Loans

may be used by any Affiliated Lender or Person who will become an Affiliated Lender upon completion of the relevant assignment to effect any permitted assignments to it or purchase such commitments or loans, (III) the maximum aggregate principal amount of Term Loans and Commitments held by all Affiliated Lenders at the time of the proposed assignment (after giving effect thereto) may not exceed 25% of the aggregate principal amount of Term Loans then outstanding and (IV) without limiting the foregoing, Affiliated Lenders and Persons who will become Affiliated Lenders upon completion of the relevant assignment may (but are not required to) acquire Term Loans through Auctions conducted pursuant to Section 2.11(i) as if it were an Auction Party thereunder (provided that Term Loans acquired by Affiliated Lenders and Persons who will become Affiliated Lenders upon completion of the relevant assignment through an Auction do not need to be canceled in accordance with Section 2.11(i) unless contributed to the Borrowers in accordance with subsection (E) below);

(E) any Affiliated Lender (other than Ultimate Parent or any Subsidiary) may, with the consent of the Borrower Representative and with written notice to the Administrative Agent, contribute any of its Term Loans to Ultimate Parent, the Borrowers or any of their respective Restricted Subsidiaries and, to the extent agreed with the Borrowers, may in return receive (1) loans or Qualified Equity Interests of Ultimate Parent or any Holding Company (to the extent not constituting a Change in Control) to the extent not prohibited to be issued pursuant to Article VI hereunder or (2) to the extent not prohibited to be incurred herein pursuant to Section 6.01, an unsecured loan from the Borrowers that (v) does not have a cash interest rate in excess of the interest rate applicable to the Loans so contributed by such Affiliated Lender plus 3.0%, (w) is subordinated in right of payment to the Obligations of the Borrowers on terms reasonably satisfactory to the Administrative Agent, (x) is not subject to any scheduled amortization, redemption, sinking fund or similar payment and does not have a final maturity, in each case, on or before the date that is 91 days after the Latest Maturity Date applicable to the Term Loans at the time of the contribution, (y) does not include any financial maintenance covenants and (z) does not include any covenant, default or other agreement that is more restrictive (taken as a whole) on the Loan Parties in any material respect than any comparable covenant in this Agreement. Any Term Loans so contributed pursuant to this subsection shall, without further action by any Person, be deemed cancelled for all purposes and no longer outstanding (and may not be resold by the Borrowers), for all purposes of this Agreement and all other Loan Documents, including, but not limited to (A) the making of, or the application of, any payments to the Lenders under this Agreement or any other Loan Document, (B) the making of any request, demand, authorization, direction, notice, consent or waiver under this Agreement or any other Loan Document or (C) the determination of Required Lenders, or for any similar or related purpose, under this Agreement or any other Loan Document. In connection with any Term Loans so cancelled pursuant to this subsection, the Administrative Agent is authorized to make appropriate entries in the Register to reflect any such cancellation. Any gains from the cancellation of such Term Loans shall not increase the Available Amount or Consolidated EBITDA for any purpose hereunder. The cancellations contemplated by this

subsection shall be deemed to be voluntary prepayments by the Borrowers pursuant to Section 2.11(a), and the principal amount of any such Term Loans so cancelled shall be applied to the Term Loans of the Lender from whom they were purchased as directed by the Borrower Representative; and

(F) none of the Borrowers nor any of its Affiliates shall be required to make any representation that it is not in possession of material nonpublic information with respect to Ultimate Parent, any Borrower, any of their respective subsidiaries or their respective securities.

(viii) Notwithstanding the foregoing, (i) in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender is an Affiliated Lender nor shall the Administrative Agent be obligated to monitor the aggregate amount of Term Loans held by Affiliated Lenders, (ii) in no event shall any Affiliated Institutional Lender be required to comply with (or otherwise be subject to) the terms of this clause (vii) and (iii) no Affiliated Lender shall be required to make a representation that it is not in possession of material nonpublic information with respect to Ultimate Parent, the Borrowers, any of their respective Subsidiaries or their respective securities. Each Affiliated Lender (other than any Affiliated Institutional Lenders) agrees to notify the Administrative Agent promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender (other than any Affiliated Institutional Lenders). Such notice shall contain the type of information required and be delivered to the same addressee as set forth in an Affiliated Lender Assignment and Assumption Agreement.

(c) Any Lender may, without the consent of the Borrowers or the Administrative Agent, sell participations to any Person (other than a natural person, Ultimate Parent and their Subsidiaries, an Affiliated Institutional Lender or any Defaulting Lender(a "Participant") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (C) the Borrowers, the Administrative Agent, and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement and (D) such Person shall not be entitled to exercise any rights of a Lender under the Loan Documents.

Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clause (ii), (iii), (iv), (v), (vi) or (vii) of the first proviso to Section 9.02(b) that directly or adversely affects such Participant. Subject to the paragraph below, each Borrower agrees that each Participant shall be entitled to the benefits of Section 2.15, Section 2.16 and Section 2.17 (subject to the limitations and requirements of such Sections, including Section 2.17(e) (it being understood that the documentation required

under Section 2.17(e) shall be delivered to the participating Lender) and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrowers, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have the obligation to disclose all or a portion of the Participant Register (including the identity of the Participant or any information relating to a Participant's interest in any Loans or other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that any Loans are in registered form for U.S. federal income tax purposes. The entries in the Participant Register shall be conclusive absent manifest error, and the Borrowers and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. This Section shall be construed so that the Loan Documents are at all times maintained in "registered form" within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code.

A Participant shall not be entitled to receive any greater payment under Section 2.15, Section 2.16 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, except to the extent the right to a greater payment results from a Change in Law after the Participant becomes a Participant or the sale of the participation to such Participant is made with the Borrower Representative's prior written consent.

(d) Any Lender may, without the consent of the Borrower Representative or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank and including any pledge or assignment to any holders of obligations owed, or securities issued, by such Lender (including to any trustee for, or any other representative of, such holders) (such holders, each a "Lender Financing Source"), and this Section 9.04 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle organized and administered by such Granting Lender (an "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers, the option to provide to the Borrowers all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrowers pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which

agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof; provided that each Lender designating any SPV hereby agrees to indemnify and hold harmless each other party hereto for any loss, cost, damage or expense arising out of its inability to institute such a proceeding against such SPV during such period of forbearance. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrowers and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower Representative and the Administrative Agent), providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) subject to Section 9.13, disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. The Borrowers agree that each SPV shall be entitled to the benefits of Section 2.15 and Section 2.17 (subject to the limitations and requirements of such Sections, including Section 2.17(e), and Section 2.19) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section 9.04. An SPV shall not be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable Granting Lender would have been entitled to receive with respect to the interest granted to such SPV, except to the extent the right to a greater payment results from a Change in Law after the date of the grant to such SPV, or the grant to such SPV is made with the Borrower Representative's prior written consent. For the avoidance of doubt, to the extent the SPV holds all or any portion of any Loan in accordance with the provisions of this Section 9.04(e), such SPV shall be identified on the Register with respect to such Loan.

(f) No such assignment shall be made (A) to any Defaulting Lender or any of its subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (A), or (B) to a natural person.

(g) In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other express conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower Representative and the Administrative Agent, the applicable pro rata share of Loans previously requested but not funded by the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (x) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent or any Lender hereunder (and interest accrued thereon) and (y) acquire (and fund as appropriate) its full pro rata share of all Loans in accordance with its Applicable Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under applicable law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

(h) [reserved].

(i) The Borrowers may require any Lender to assign its Loans and Commitments in accordance with Section 2.21.

Section 9.05 Survival. All representations and warranties made by the Loan Parties herein and in the other Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder.

Section 9.06 Counterparts; Integration. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof, and there are no promises, undertakings, representations or warranties by the Holding Companies, the Borrowers, the Administrative Agent, nor any Lender relative to the subject matter hereof not expressly set forth or referred to herein or in the other Loan Documents. Delivery of an executed counterpart of a signature page of this Agreement by telecopy or electronic transmission (including Adobe pdf file) shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. Without limiting the foregoing provisions of this Section 9.07, if and to the extent that the enforceability of any provisions in this Agreement relating to Defaulting Lenders shall be limited by Debtor Relief Laws, then such provisions shall be deemed to be in effect only to the extent not so limited.

Section 9.08 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender (and each of their respective Affiliates) is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent and the Required Lenders, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency, but not any tax accounts, trust accounts, withholding or payroll accounts) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of the Borrowers against any and all of the Obligations of the Borrowers now or hereafter existing under this Agreement held by such Lender, but only to the extent then due and payable; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (i) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds

and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (ii) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Each Lender agrees promptly to notify the Borrower Representative and the Administrative Agent of such setoff and application made by such Lender; provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section 9.08. None of any Agent or any Lender shall be under any obligation to marshal any assets in favor of any Loan Party or any other Person or against or in payment of any or all of the Obligations. To the extent that any Loan Party makes a payment or payments to Administrative Agent or Lenders (or to Administrative Agent, on behalf of Lenders), or any Agent or Lender enforces any security interests or exercises any right of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver, interim receiver, receiver-manager or any other party under any Debtor Relief Law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

Section 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York, without regard to conflict of laws principles thereof to the extent such principles would cause the application of the law of another state.

(b) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document (other than with respect to any Security Document to the extent expressly provided otherwise therein), or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such Federal court (other than with respect to any Security Document to the extent expressly provided otherwise therein). Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Notwithstanding the foregoing, nothing in any Loan Document shall affect any right that the Administrative Agent, the Collateral Agent or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against the Holding Companies, the Borrowers or their respective property in the courts of any jurisdiction.

(c) Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan

Document in any court referred to in paragraph (b) of this Section 9.09. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

(e) Without limiting the foregoing, each of the Loan Parties (other than any Loan Party organized under the laws of the United States or any State thereof or the District of Columbia) irrevocably designates, appoints and empowers as of the Amendment No. 6 Effective Date, the Borrower Representative (the "Process Agent"), with an office on the Amendment No. 6 Effective Date at 47448 Fremont Blvd., Fremont, CA 94538, as its authorized designee, appointee and agent to receive, accept and acknowledge on its behalf and for its property, service of copies of the summons and complaint and any other process which may be served in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party or for recognition and enforcement of any judgment in respect thereof; such service may be made by mailing or delivering a copy of such process to such Loan Party in care of the Process Agent at the Process Agent's above address, and each such Loan Party hereby irrevocably authorizes and directs the Process Agent to accept such service on its behalf. The Borrower Representative irrevocably accepts such designation and appointment and agrees to act as the Process Agent for each of the Loan Parties as contemplated by this Section 9.09(e). Each of the Loan Parties (other than any Loan Party organized under the laws of the United States or any State thereof or the District of Columbia) further agrees to take any and all such action as may be necessary to maintain the designation and appointment of the Process Agent in full force in effect for a period of three years following the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder (other than contingent amounts not then due and payable); provided, that if the Process Agent shall cease to act as such, each such Loan Party agrees to promptly designate a new authorized designee, appointee and agent in New York City on the terms and for the purposes reasonably satisfactory to the Administrative Agent hereunder.

Section 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.10.

Section 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

Section 9.12 Confidentiality. Each of the Administrative Agent, the other Agents, and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' directors, trustees, officers, employees and agents, including accountants, legal counsel, other advisors, and any numbering, administration or settlement service providers on a "need to know" basis (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, provided that the relevant Lender shall be responsible for such compliance and non-compliance), (b) to the extent requested by any regulatory authority (including any self-regulatory authority), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, provided that prior notice shall have been given to the Borrower Representative, to the extent practicable and permitted by applicable laws or regulations, (d) to any other party to this Agreement, (e) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to any Loan Document or the enforcement of rights thereunder, (f) subject to an agreement containing provisions substantially the same as those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement, or (ii) any actual or prospective Lender Counterparty to any Secured Swap Agreement relating to any Loan Party and its obligations under the Loan Documents, (g) with the written consent of the Borrowers, (h) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, any other Agent, or any Lender on a nonconfidential basis from a source other than the Borrowers (provided that the source is not actually known (after due inquiry) by such disclosing party or other confidentiality obligations owed to the Borrowers or its Affiliates, to be bound by an agreement containing provisions substantially the same as those contained in this confidentiality provision), (i) on a confidential basis to (x) any rating agency in connection with rating the Borrowers or the facilities hereunder or (y) the CUSIP Service Bureau, Clearpar or Loanserv or any similar agency in connection with the issuance and monitoring of CUSIP numbers, settlement of assignments or other general administrative functions with respect to the facilities or (j) to any Lender Financing Source (it being understood that such Lender Financing Source to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential, provided that the applicable Lender shall be responsible for such compliance and non-compliance). For the purposes of this Section the term "Information" means all information received from or on behalf of the Borrowers relating to Ultimate Parent, the Borrowers or any of their respective Subsidiaries or any of their respective businesses, other than any such information that is available to the Administrative Agent, any other Agent, or any Lender on a nonconfidential basis prior to disclosure by the Borrowers. Any Person required to maintain the confidentiality of Information as provided in this Section 9.12 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

Each Lender acknowledges that Information furnished to it pursuant to this Agreement may include material non-public information concerning the Loan Parties and their respective Related Parties or their respective securities, and confirms that it has developed compliance procedures regarding the use of material non-public information and that it will handle such material non-public information in accordance with those procedures and applicable law, including Federal and state securities laws.

All Information, including requests for waivers and amendments, furnished by the Borrowers or the Administrative Agent pursuant to, or in the course of administering, this Agreement will be syndicate-level Information, which may contain material non-public information about the Loan Parties and their respective Related Parties or their respective securities. Accordingly, each Lender represents to the Borrowers and the Administrative Agent that it has identified in its Administrative Questionnaire a credit contact who may receive Information that may contain material non-public information in accordance with its compliance procedures and applicable law.

Section 9.13 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts that are treated as interest on such Loan or participation therein under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") that may be contracted for, charged, taken, received or reserved by the Lender holding such Loan or participation therein in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or participation therein but were not payable as a result of the operation of this Section 9.13 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or participation therein or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the NYFRB to the date of repayment, shall have been received by such Lender.

Section 9.14 USA Patriot Act; Beneficial Ownership Regulation. Each Lender that is subject to the Patriot Act (as hereinafter defined) and the Beneficial Ownership Regulation and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies the Loan Parties that pursuant to the requirements of the Patriot Act and the Beneficial Ownership Regulation, it is required to obtain, verify and record information that identifies the Loan Parties, which information includes the name and address of the Loan Parties and other information that will allow such Lender or the Administrative Agent, as applicable, to identify the Loan Parties in accordance with the Patriot Act and the Beneficial Ownership Regulation.

Section 9.15 Direct Website Communication. Each Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents, including all notices, requests, financial statements, financial and other reports, certificates and other information materials (all such communications being referred to herein collectively as "Communications"), by (i) posting such documents, or providing a link thereto, on such Borrower's website, (ii) such documents being posted on such Borrower's behalf on an Internet or Intranet website, if any, to which the Administrative Agent has access (whether a commercial third-party website or a website sponsored by the Administrative Agent) or (iii) by transmitting the Communications in an electronic/soft medium to the Administrative Agent at an email address provided by the Administrative Agent from time to time; provided that (i) promptly following written request by the Administrative Agent, the Borrowers shall continue to deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) the Borrower Representative shall notify (which may be by facsimile or electronic mail) the

Administrative Agent of the posting of any such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 9.15 shall prejudice the right of the Borrowers, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address in Section 9.01 shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

Each of the Borrowers and the Administrative Agent may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the Borrowers and the Administrative Agent. In addition, each Lender agrees to notify the Administrative Agent from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender.

Section 9.17 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or under any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with the normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrowers in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or the relevant Lender of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or the relevant Lender may in accordance with the normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or such Lender from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent, or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or such Lender in such currency, the Administrative Agent or such Lender agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under applicable law).

Section 9.18 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent, the other Agents and the making of the Loans and Commitments by the Lenders are arm's-length commercial transactions between the Borrowers and its respective Affiliates, on the one hand, and the Administrative Agent, the other Agents and the Lenders, on the other hand, (B) the Borrowers have consulted their own legal, accounting, regulatory and tax advisors to the extent it has deemed

SECTION 2. Security for Secured Obligations.

This Agreement secures, and the Collateral is collateral security for, the prompt payment in full when due and owing, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise, of all Secured Obligations.

SECTION 3. Grantors Remain Liable.

Anything contained herein to the contrary notwithstanding, (a) each Grantor shall remain liable under any contracts and agreements included in the Collateral, to the extent set forth therein, to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by the Collateral Agent of any of its rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral unless the Collateral Agent has expressly in writing assumed such duties and obligations and released the Grantors from such duties and obligations, and (c) the Collateral Agent shall not have any obligation or liability under any contracts, licenses or agreements included in the Collateral by reason of this Agreement, nor shall the Collateral Agent be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder unless the Collateral Agent has expressly in writing assumed such duties and obligations and released the Grantors from such duties and obligations.

SECTION 4. Representations and Warranties.

Each Grantor represents and warrants as follows:

(a) **Ownership of Collateral**. Such Grantor owns its interests in the Collateral free and clear of any Lien, except for Liens permitted by Section 6.02 of the Credit Agreement and except for minor defects in title that do not materially interfere with its ability to conduct its business, to utilize such assets for their intended purposes or to grant the security interests contemplated hereby.

(b) **Perfection**. The security interests in the Collateral granted to the Collateral Agent for the benefit of the Secured Parties hereunder constitute valid security interests in the Collateral, securing the payment of the Secured Obligations of the Grantors. Upon the filing of PPSA financing statements naming such Grantor as "debtor," naming the Collateral Agent as "secured party" and describing the Collateral (including any description indicating that the PPSA financing statement covers "all present and after-acquired property" or "all assets" or "all personal property" of such Grantor, or words of similar effect) in the filing offices with respect to such Grantor set forth on Schedule 1 annexed hereto, the security interests in the Collateral granted to the Collateral Agent for the benefit of the Secured Parties will constitute perfected security interests therein to the extent a security interest in such Collateral can be perfected by the filing of financing statements under the PPSAs as in effect in the provinces or territories of such filing offices, prior to all other Liens (except for Liens permitted by Section 6.02 of the Credit Agreement that have priority as a matter of law or are expressly contemplated by Section 6.02 of the Credit Agreement to have priority). To the extent perfection or priority of the security interest therein is not subject to the PPSA, (i) upon recordation of the security interests granted hereunder in

registered, issued or applied-for Intellectual Property Collateral with CIPO, the security interests granted to the Collateral Agent for the benefit of the Secured Parties hereunder will constitute valid and perfected security interests (to the extent perfection may be achieved by such filings) in such Intellectual Property Collateral, prior to all other Liens (except for Liens permitted by Section 6.02 of the Credit Agreement that have priority as a matter of law or are expressly contemplated by Section 6.02 of the Credit Agreement to have priority) and (ii) subject to applicable local laws in the case of Equity Interests in any Foreign Subsidiary, by virtue of the execution and delivery by the Grantors of this Agreement, when any Securities Collateral is delivered to the Collateral Agent in accordance with this Agreement, the security interests granted to the Collateral Agent for the benefit of the Secured Parties hereunder will constitute valid and perfected security interests in such Securities Collateral, prior to all other Liens (except for Liens permitted by Section 6.02 of the Credit Agreement that have priority as a matter of law or are expressly contemplated under Section 6.02 of the Credit Agreement to have priority). Notwithstanding anything to the contrary in this Agreement, no Grantor shall be required to make any filings or otherwise take any actions to perfect the Collateral Agent's security interest in any Intellectual Property outside of Canada or incur or reimburse any expenses in connection therewith.

(c) **Office Locations; Type and Jurisdiction of Organization.** Schedule 2 annexed hereto sets forth, as of the Closing Date, each Grantor's full and exact legal name as it appears in official filings in the jurisdiction of its organization, type of organization (i.e., corporation, limited partnership, etc.), chief executive office, registered office, jurisdiction of organization and organization number, if any, provided by the applicable Governmental Authority of the jurisdiction of organization of such Grantor and the jurisdictions in which tangible personal property are located. Each Grantor is organized solely under the law of the jurisdiction so specified and has not filed any certificates of domestication, of transfer or continuance in any other jurisdiction. Except as specified on such Schedule 2, it has not changed its name, jurisdiction of organization, chief executive office, registered office or sole place of business (if applicable) or its corporate structure in any way (e.g., by merger, consolidation, amalgamation, change in corporate form or otherwise) within the past five years.

(d) **Authorization, Consent, etc.** As of the Closing Date, no material authorization, approval or other action by, and no material notice to or filing with, any Governmental Authority is required for either (i) the pledge or grant by any Grantor of the Liens purported to be created in favour of the Collateral Agent hereunder pursuant to the PPSA, or the STA, as applicable or (ii) the exercise by the Collateral Agent of any rights or remedies in respect of any Collateral, except (x) for the filings contemplated in Section 4(b) above, (y) in connection with the disposition of any Collateral, as may be required by applicable laws (including laws generally affecting the offering and sale of securities) or (z) for authorizations, consents, approvals, filings, and notices that would not reasonably be expected to result in a Material Adverse Effect.

(e) **Securities Collateral**. Schedule 3 annexed hereto sets forth all of the Pledged Equity owned by each Grantor as of the Closing Date, and the percentage of outstanding equity pledged thereof. All of such Pledged Equity has been validly issued and is fully paid and, to the extent applicable, non-assessable to the extent such concepts are applicable in the jurisdictions of organization of the issuer of such Pledged Equity, and except as otherwise permitted under this Agreement or the Credit Agreement, there are no outstanding warrants, options or other rights to purchase, or other agreements outstanding with respect to, or property

that is now or hereafter convertible into, or that requires the issuance or sale of, any Pledged Equity, in each case as of the Closing Date. Schedule 4 annexed hereto sets forth Indebtedness owing to any Grantor, including all promissory notes and other instruments evidencing such Indebtedness to the extent valued in excess of $10,000,000 in the aggregate (the "Pledged Debt") as of the Closing Date. All of the Pledged Subsidiary Debt set forth on Schedule 4 annexed hereto is the legally valid and binding obligation of the issuers thereof (except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability).

(f) **Intellectual Property Collateral**. As of the Closing Date, the Grantors own, or have the right to use, all Intellectual Property necessary for the conduct of their respective businesses, except where the failure to own or have such right to use, individually or in the aggregate would not reasonably be expected to result in a Material Adverse Effect. As of the Closing Date, a true and correct list of all Intellectual Property Collateral consisting of Trademark Registrations and applications for any Trademark Registrations owned by each Grantor is set forth on Schedule 5 annexed hereto; a list of all Intellectual Property Collateral consisting of Issued Patents and Designs and applications for any Patents and Designs owned by such Grantor is set forth on Schedule 6 annexed hereto; and a list of all Intellectual Property Collateral consisting of Copyright Registrations and applications for any Copyright Registrations owned by such Grantor is set forth on Schedule 7 annexed hereto. As of the Closing Date, to each such Grantor's knowledge, all Intellectual Property listed in Schedules 5, 6, and 7 is valid, subsisting, unexpired and enforceable, and no event has occurred or failed to occur which permits, or after notice or lapse of time or both would permit, the revocation, termination, abandonment, or cancellation of any Material Intellectual Property of such Grantor (except any Issued Patents or Copyright Registrations naturally expiring), and as of the Closing Date, no proceedings are currently pending before any Governmental Authority challenging the validity, enforceability, or scope of the assets themselves or such Grantor's right to own or use any Intellectual Property Collateral of such Grantor. As of the Closing Date, to each such Grantor's knowledge, no holding, decision or judgment has been rendered by any Governmental Authority which would limit, cancel or question the validity or enforceability of such Grantor's rights in any Material Intellectual Property. Except as set forth in Schedule 8 attached hereto, as of the Closing Date, to each such Grantor's knowledge, no claim has been asserted and is pending by any Person challenging or questioning the use of any Material Intellectual Property or the validity or effectiveness of any Material Intellectual Property, nor does Grantor know of any valid basis for such claim. As of the Closing Date, to such Grantor's knowledge, no Person is infringing, misappropriating, diluting or otherwise violating any rights in any Intellectual Property Collateral, and no action is pending in which such Grantor alleges any such infringement, misappropriation, dilution or other violation. Except as set forth in Schedule 8 attached hereto, as of the Closing Date, to the knowledge of each Grantor, the business of the Grantors does not infringe, violate, misuse or misappropriate the rights in Intellectual Property owned or held by any Person in any material respect.

(g) Notwithstanding any other provision of this Agreement, the representations and warranties made by Sandvine Holdings UK Limited shall be limited to such representations and warranties that are relevant to its Equity Interest in Sandvine Corporation.

(h) Notwithstanding any other provision of this Agreement, the representations and warranties made by Procera Vineyard, Inc. shall be limited to such representations and warranties that are relevant to its Equity Interest in Procera Networks Kelowna ULC.

The representations and warranties as to the information set forth in Schedules referred to herein are made as to each Grantor (other than Additional Grantors) on and as of the Closing Date and as to each Additional Grantor as of the date of the applicable Counterpart, except that, in the case of an IP Supplement or notice delivered pursuant to Section 5(c) hereof, such representations and warranties are made by such Grantor delivering such supplement or notice solely in respect of such identified Collateral as of the date of such supplement or notice.

SECTION 5. Further Assurances.

(a) **Generally**. Subject to the limitations contained herein and in the Credit Agreement, each Grantor agrees that from time to time, at the reasonable expense of the Grantors, such Grantor will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary, or that the Collateral Agent may reasonably request, in order to perfect and protect any security interest (including the priority thereof) granted or purported to be granted hereby in the Collateral or to enable the Collateral Agent to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing (except that the Grantors' obligations expressly set forth in this sentence and otherwise herein with respect to particular types of Collateral shall be construed as limiting such Grantors' obligations hereunder), each Grantor will: (i) (A) execute (if necessary), authorize the filing of (if applicable) and file such financing statements or financing change statements, or amendments thereto and (B) deliver such instruments or notices, in each case, as may be necessary or desirable, or as the Collateral Agent may reasonably request, in order to perfect and preserve the security interests granted or purported to be granted hereby and (ii) upon reasonable prior written request by the Collateral Agent, allow inspection in accordance with and subject to the limitations set forth in Section 5.07 of the Credit Agreement. Each Grantor hereby authorizes the Collateral Agent to file one or more financing statements or financing change statements, and amendments thereto relative to all or any part of the Collateral (including any financing statement indicating that it covers "all assets" or "all personal property" or "all assets of the Debtor, whether now existing or hereinafter arising" of such Grantor, or words of similar effect) without the signature of any Grantor. Each Grantor will execute and deliver, and hereby further authorizes the Collateral Agent to file any IP Security Agreements in connection herewith with CIPO. Notwithstanding anything set forth in this Section 5(a), with respect to Intellectual Property Collateral, no Grantor shall have any obligation to make any filings other than the filing of PPSA financing statements and the filings with CIPO as referred to in Section 4(b).

(b) **Securities Collateral**. Subject to the limitations in Section 1(b), without limiting the generality of the foregoing Section 5(a), each Grantor agrees that (A) all certificates or Instruments representing or evidencing any Pledged Equity or Pledged Debt of any Holding Company or Restricted Subsidiary existing on the Closing Date (including, for the avoidance of doubt, all such Pledged Equity and Pledged Debt listed on Schedules 3 and 4 annexed hereto) shall be delivered to the Collateral Agent on the Closing Date (or such later date as the Collateral Agent may agree in its reasonable discretion) and (B) (i) all certificates or Instruments representing or evidencing any Pledged Equity or Pledged Debt of any Holding Company or Restricted Subsidiary

referred to in Section 5.10 of the Credit Agreement shall be delivered promptly (and in any event no later than 45 days after the date it becomes subject to Section 5.10 of the Credit Agreement or such later date as the Collateral Agent may agree in its reasonable discretion) and (ii) all other Pledged Equity and Pledged Debt shall be delivered at the later of (x) 45 days after such Grantor gains possession of such certificates or Instruments (or such later date as may be agreed by the Collateral Agent in its reasonable discretion) or (y) contemporaneously with the next delivery of quarterly financial statements required to be delivered pursuant to Section 5.01(b) of the Credit Agreement, and, with respect to any Pledged Equity or Pledged Debt acquired during the last quarter of the year, audited annual financial statements required to be delivered pursuant to Section 5.01(a) of the Credit Agreement, to and held by or on behalf of the Collateral Agent pursuant hereto and shall be in suitable form for transfer by delivery or, as applicable, shall be accompanied by such Grantor's endorsement, where necessary, or duly executed instruments of transfer or assignments in blank. Any delivery to the Collateral Agent of any such certificates and Instruments shall be accompanied by supplements to Schedules 3 and/or 4 annexed hereto, as applicable; provided that the failure to deliver any such supplements shall not (A) constitute a breach or default hereunder or any other Loan Document or (B) affect the validity of the pledge of the applicable Pledged Equity or Pledged Debt.

(c) **Intellectual Property Collateral**. In connection with the delivery of each Compliance Certificate with respect to the financial statements required to be delivered under Sections 5.01(a) and (b) of the Credit Agreement, the Grantors shall notify the Collateral Agent in writing of any (i) applications for registration of Intellectual Property Collateral filed by such Grantor, (ii) applications or registrations of Intellectual Property Collateral acquired by such Grantor, and (iii) intent-to-use Trademark applications of such Grantor for which such Grantor has filed a statement of use or an amendment to allege use, in each case during the most recent fiscal quarter for which such Compliance Certificate was delivered. In connection with the delivery of such Compliance Certificate, each Grantor shall execute and deliver to the Collateral Agent an IP Supplement covering any such Intellectual Property Collateral, and submit one or more IP Security Agreements for recordation with respect thereto with CIPO; provided that the failure of any Grantor to execute an IP Supplement or submit an IP Security Agreement for recordation with respect to any additional Intellectual Property Collateral shall not impair the security interest of the Collateral Agent therein or otherwise adversely affect the rights and remedies of the Collateral Agent hereunder with respect thereto. Upon delivery to the Collateral Agent of an IP Supplement, Schedules 5, 6 and 7 annexed hereto, as applicable, shall be deemed modified to include a reference to any right, title or interest in any existing Intellectual Property Collateral or any Intellectual Property Collateral set forth on Schedule A to such IP Supplement.

SECTION 6. Certain Covenants of the Grantors.

Each Grantor shall give the Collateral Agent prompt (and in any event within thirty (30) days thereof (or such later date as may be agreed by the Collateral Agent in its reasonable discretion)) written notice of any change to such Grantor's (i) legal name, (ii) type of organization, (iii) jurisdiction of organization (or chief executive office if not a registered organization) or (iv) organization number, if any, provided by the applicable Governmental Authority of the jurisdiction of organization from those set forth in Schedule 2 (or any subsequent notice or joinder) or (v) jurisdiction in which tangible personal property is located, in sufficient time to enable all filings to be made within any applicable statutory period, under the PPSA or otherwise, that are required

in order for the Collateral Agent to continue at all times following such change, subject to the limitations contained herein and in the Credit Agreement to have a valid, legal and perfected first priority security interest in the Collateral, for the benefit of the Secured Parties.

SECTION 7. Special Covenants with respect to Accounts.

Except as otherwise provided in this Section 7, each Grantor may continue to collect, at its own expense, all amounts due or to become due to such Grantor under any Accounts. In connection with such collections, each Grantor may take such action as such Grantor may deem necessary or advisable to enforce collection of amounts due or to become due under any Accounts; provided, however, that the Collateral Agent shall have the right at any time, upon the occurrence and during the continuation of an Event of Default and with the consent of the Required Lenders subject to the terms and exceptions set forth in Section 18(a), and upon one (1) Business Day's prior written notice to the Borrower Representative and such Grantor of its intention to do so, to (i) notify the account debtors or obligors under any Accounts of the assignment of such Accounts to the Collateral Agent and to direct such account debtors or obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to the Collateral Agent, (ii) enforce collection of any such Accounts, and (iii) adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done.

SECTION 8. Special Covenants With Respect to the Securities Collateral.

(a) **Form of Securities Collateral**. Upon the occurrence and during the continuation of an Event of Default and with the consent of the Required Lenders subject to the terms and exceptions set forth in Section 18(a), and upon three (3) Business Days' (or, in the case of an Event of Default pursuant to Sections 7.01(a) or (b) of the Credit Agreement, one (1) Business Day's) prior written notice to the Borrower Representative and the applicable Grantor, the Collateral Agent shall have the right at any time to exchange certificates or instruments representing or evidencing Securities Collateral for certificates or instruments of smaller or larger denominations and to register such certificates or instruments in its own name or the name of its nominee. With respect to any Securities Collateral consisting of Equity Interests that is not a security as defined in the STA, if any Grantor shall take any action that converts such Securities Collateral into a security, such Grantor shall give prompt written notice thereof to the Collateral Agent and cause the issuer thereof to issue to it certificates or instruments evidencing such Securities Collateral, which it shall promptly deliver to the Collateral Agent as provided in Section 5(b).

(b) **Voting and Distributions**. Except as provided in the immediately succeeding paragraph, (i) each Grantor shall be entitled to exercise any and all voting and other consensual rights pertaining to the Securities Collateral or any part thereof for any purpose not prohibited by the terms of this Agreement or the Credit Agreement; and (ii) each Grantor shall be entitled to receive and retain any and all dividends, other distributions, principal and interest paid in respect of the Securities Collateral.

(c) Upon the occurrence and during the continuation of an Event of Default, with the written consent or instruction of the Required Lenders subject to the terms and exceptions set forth in Section 18(a), and upon three (3) Business Days' (or, in the case of an Event of Default

pursuant to Sections 7.01(a) or (b) of the Credit Agreement, one (1) Business Day's) prior written notice from the Collateral Agent to the Borrower Representative or the applicable Grantor, (x) all rights of such Grantor to exercise the voting and other consensual rights which it would otherwise be entitled to exercise pursuant hereto shall cease (other than with respect to dividends, payments and proceeds expressly permitted by the Credit Agreement to be paid to a party other than the Collateral Agent or any Secured Party after the occurrence and during the continuance of an Event of Default), and all such rights shall thereupon become vested in the Collateral Agent who shall thereupon have the sole right to exercise such voting and other consensual rights; and (y) except as otherwise specified in the Credit Agreement or in such notice from the Collateral Agent, all rights of such Grantor to receive the dividends, other distributions, principal and interest payments which it would otherwise be authorized to receive and retain pursuant hereto shall cease, and all such rights shall thereupon become vested in the Collateral Agent who shall thereupon have the sole right to receive such dividends, other distributions, principal and interest payments. All dividends, principal, interest payments and other distributions which are received by such Grantor contrary to the provisions of clause (y) above shall be received for the benefit of the Collateral Agent, and shall be paid over to the Collateral Agent upon written demand in the same form as received (with any necessary endorsements). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this Section shall be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 15 of this Agreement. After all Events of Default have been waived, the Collateral Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (b) above and that remain in such account.

(d) **ULC Shares**. Each Grantor acknowledges that certain of the Collateral of such Grantor may now or in the future consist of ULC Shares, and that it is the intention of Collateral Agent and each Grantor that neither the Collateral Agent nor any other Secured Party should under any circumstances prior to realization thereon be held to be a "member" or a "shareholder", as applicable, of a ULC for the purposes of any ULC Laws. Therefore, notwithstanding any provisions to the contrary contained in this Agreement, the Credit Agreement, or any other Loan Document, where a Grantor is the registered owner of ULC Shares which are Collateral of such Grantor, such Grantor will remain the sole registered owner of such ULC Shares until such time as such ULC Shares are effectively transferred into the name of the Collateral Agent, any other Secured Party, or any other Person on the books and records of the applicable ULC. Accordingly, each Grantor shall be entitled to receive and retain for its own account any dividend on or other distribution, if any, in respect of such ULC Shares and shall have the right to vote such ULC Shares and to control the direction, management and policies of the applicable ULC to the same extent as such Grantor would if such ULC Shares were not pledged to Administrative Agent pursuant hereto. Nothing in this Agreement, the Credit Agreement or any other Loan Document is intended to, and nothing in this Agreement, the Credit Agreement or any other Loan Document shall, constitute the Collateral Agent, any other Secured Party, or any other Person other than the applicable Grantor, a member or shareholder of a ULC for the purposes of any ULC Laws (whether listed or unlisted, registered or beneficial), until such time as notice is given to such Grantor and further steps are taken pursuant hereto or thereto so as to register the Collateral Agent, any other Secured Party, or such other Person, as specified in such notice, as the holder of the ULC Shares. To the extent any provision hereof would have the effect of constituting

the Collateral Agent or any other Secured Party as a member or a shareholder, as applicable, of any ULC prior to such time, such provision shall be severed herefrom and shall be ineffective with respect to ULC Shares which are Collateral of any Grantor without otherwise invalidating or rendering unenforceable this Agreement or invalidating or rendering unenforceable such provision insofar as it relates to Collateral of any Grantor which is not ULC Shares. Except upon the exercise of rights of the Collateral Agent to sell, transfer or otherwise dispose of ULC Shares in accordance with this Agreement, each Grantor shall not cause or permit, or enable the issuer that is a ULC to cause or permit, the Collateral Agent or any other Secured Party to: (a) be registered as a shareholder or member of such issuer; (b) have any notation entered in their favour in the share register of such issuer; (c) be held out as shareholders or members of such issuer; (d) receive, directly or indirectly, any dividends, property or other distributions from such issuer by reason of the Collateral Agent holding a Lien over the ULC Shares; or (e) act as a shareholder of such issuer, or exercise any rights of a shareholder including the right to attend a meeting of shareholders of such issuer or to vote its ULC Shares.

SECTION 9. Special Covenants With Respect to the Intellectual Property Collateral.

(a) With respect to Material Intellectual Property, each Grantor shall, except to the extent permitted under the Credit Agreement:

(i) use commercially reasonable efforts so as not to permit the inclusion in any contract to which it hereafter becomes a party of any provision that would reasonably be expected to impair or prevent the creation of a security interest in, or the assignment of, such Grantor's rights and interests in any such Material Intellectual Property (whether acquired by such Grantor under such contracts or otherwise);

(ii) take commercially reasonable steps to protect the confidentiality of all material Trade Secrets owned by such Grantor relating its business or to the products and services sold or delivered under or in connection with such Material Intellectual Property (other than Trade Secrets that are, in the reasonable good faith judgment of Grantor, no longer economically practicable or commercially desirable to maintain or are not used or useful in the business), including, where appropriate, entering into confidentiality agreements with employees and labeling and restricting access to Trade Secret information and documents;

(iii) take commercially reasonable steps to use proper statutory notice in connection with its use of any of such Material Intellectual Property owned by such Grantor and products and services covered by such Material Intellectual Property owned by such Grantor, in each case to the extent necessary under applicable law to protect such Material Intellectual Property (or, with respect to Patents among such Material Intellectual Property licensed by such Grantor, in all material respects in accordance with the terms of the applicable license agreement); and

(iv) use a commercially appropriate standard of quality (which may be consistent with such Grantor's past practices) in the manufacture, sale and delivery of products and services sold or delivered under or in connection with the Trademarks owned

by such Grantor (or, with respect to Trademarks licensed by such Grantor, in all material respects in accordance with the terms of the applicable license agreement).

(b) Except as otherwise provided in this Section 9, and except as determined in such Grantor's reasonable business judgment, each Grantor shall use commercially reasonable efforts to continue to collect, at its own expense, all amounts due or to become due to such Grantor in respect of the Intellectual Property Collateral or any portion thereof. In connection with such collections, each Grantor may take such action as such Grantor deems reasonably necessary or advisable to enforce collection of such amounts; provided that, the Collateral Agent shall have the right at any time, after the occurrence and during the continuation of an Event of Default, with the prior written consent of the Required Lenders subject to the terms and exceptions set forth in Section 18(a), and upon one (1) Business Day's prior written notice to the Borrower Representative and such Grantor of its intention to do so, to notify the obligors with respect to any such amounts of the existence of the security interest created hereby and to direct such obligors to make payment of all such amounts directly to the Collateral Agent, and, upon such notification and at the expense of such Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done. After receipt by the Borrower Representative and the applicable Grantor of the notice from the Collateral Agent referred to in the proviso to the preceding sentence after the occurrence and during the continuance of any Event of Default and with the prior written consent of the Required Lenders subject to the terms and exceptions set forth in Section 18(a), (i) all amounts and proceeds (including checks and Instruments) received by such Grantor in respect of amounts due to such Grantor in respect of such Intellectual Property Collateral or any portion thereof shall be received for the benefit of the Collateral Agent hereunder, and shall be paid over or delivered to the Collateral Agent upon written demand in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 15 hereof, and (ii) such Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon.

(c) Each Grantor shall use commercially reasonable efforts to prosecute and maintain (including by filing any applicable renewals), unless and until such Grantor, in its reasonable business judgment, decides otherwise, (i) any registration or application for registration relating to any of the Intellectual Property Collateral owned by such Grantor and set forth on Schedule 5, 6 or 7 annexed hereto, as applicable, that is pending as of the date of this Agreement and is material to the conduct of the Grantor's business as conducted or reasonably expected to be conducted, or is otherwise of material value, (ii) any Copyright Registration (except for works of nominal commercial value or with respect to which such Grantor has determined in the exercise of its reasonable business judgment that it shall not seek registration), and (iii) any application pending on any future patentable but unpatented innovation or invention comprising Material Intellectual Property owned by such Grantor. Any expenses incurred in connection therewith shall be borne solely by the Grantors.

(d) Except as provided herein, each Grantor shall have the right to commence and prosecute in its own name, as real party in interest, for its own benefit and at its own expense, such suits, proceedings or other actions for infringement, unfair competition, dilution, misappropriation or other damage, or opposition, cancellation, reexamination or reissue proceedings as are necessary to protect the Intellectual Property Collateral.

(e) In addition to, and not by way of limitation of, the granting of a security interest in the Collateral pursuant hereto, each Grantor, effective upon the occurrence and during the continuance of an Event of Default, hereby grants to the Collateral Agent the nonexclusive right and license to use all Intellectual Property Collateral owned by or licensed to such Grantor, subject, with respect to Trademarks, to reasonable quality control in favour of such Grantor, all to the extent necessary to enable the Collateral Agent to exercise rights and remedies under Sections 13 and 14 (including to realize on the Collateral) in accordance with this Agreement and to enable any transferee or assignee of the Collateral to enjoy the benefits of the Collateral, and such license shall include access to all media in which any of the licensed items may be recorded or stored and to all software and programs used for the compilation or printout thereof; provided, however, that to the extent the conveyance of such license would violate the terms of any agreement to which any Grantor is a party or otherwise bound (other than to Ultimate Parent or any Subsidiary), no such conveyance shall be deemed granted with respect to the Intellectual Property that is subject to such agreement. This right shall inure to the benefit of all permitted successors, assigns and transferees of the Collateral Agent and its permitted successors, assigns and transferees, whether by voluntary conveyance, operation of law, assignment, transfer, foreclosure, deed in lieu of foreclosure or otherwise. Such right and license shall be granted free of charge, without requirement that any monetary payment whatsoever be made to such Grantor. If and to the extent that any Grantor is permitted to license the Intellectual Property Collateral upon the occurrence and during the continuance of an Event of Default, the Collateral Agent shall promptly enter into a non-disturbance agreement or other similar arrangement, at such Grantor's request and expense, with such Grantor and any licensee of any Intellectual Property Collateral permitted hereunder in form and substance reasonably satisfactory to the Collateral Agent pursuant to which (i) the Collateral Agent shall agree not to disturb or interfere with such licensee's rights under its license agreement with such Grantor so long as such licensee is not in default thereunder, and (ii) such licensee shall acknowledge and agree that the Intellectual Property Collateral licensed to it is subject to the security interest created in favour of the Collateral Agent and the other terms of this Agreement. For the avoidance of doubt, at the time of the release of the Liens as set forth in Section 17(b), the license granted to the Collateral Agent pursuant to this Section 9(e) shall automatically and immediately terminate.

SECTION 10. Collateral Agent Appointed Attorney-in-Fact.

Each Grantor hereby irrevocably appoints the Collateral Agent as such Grantor's attorney-in-fact, which appointment is irrevocable and coupled with an interest but shall automatically terminate upon the Termination Date, or, subject to reinstatement as provided in the Guaranty, upon the termination or release of such Grantor's Guarantee of the Guaranteed Obligations (as defined in the Guaranty), with full authority in the place and stead of such Grantor and in the name of such Grantor, the Collateral Agent or otherwise, from time to time in the Collateral Agent's discretion, upon the occurrence and during the continuance of an Event of Default, to take any action and to execute any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation:

(a) to obtain and adjust insurance required to be maintained by such Grantor pursuant to the Credit Agreement;

(b) after notice to the Borrower Representative of the Collateral Agent's intent to do so, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) after notice to the Borrower Representative of the Collateral Agent's intent to do so, to receive, endorse and collect any drafts or other Instruments, Documents, Chattel Paper and other documents in connection with clauses (a) and (b) above;

(d) after notice to the Borrower Representative of the Collateral Agent's intent to do so, to file any claims or take any action or institute any proceedings that the Collateral Agent may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce or protect the rights of the Collateral Agent with respect to any of the Collateral;

(e) upon one (1) Business Day's prior written notice to the Borrower Representative and such Grantor, to pay or discharge taxes or Liens (other than taxes not required to be discharged pursuant to the Credit Agreement and Liens permitted under this Agreement or the Credit Agreement) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by the Collateral Agent in its sole discretion, any such payments made by the Collateral Agent to become obligations of such Grantor to the Collateral Agent, due and payable immediately upon demand;

(f) to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with Accounts and other documents relating to the Collateral; and

(g) upon delivery of notice to the Borrower Representative or the applicable Grantor (after the expiration of any notice periods otherwise required hereunder or under the Credit Agreement), generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Collateral Agent were the absolute owner thereof for all purposes, and to do, at the Collateral Agent's option and the Grantors' expense, at any time or from time to time, all acts and things that the Collateral Agent deems necessary to protect, preserve or realize upon the Collateral and the Collateral Agent's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do, in each case in accordance with applicable law.

SECTION 11. Collateral Agent May Perform.

Subject to any limitations on the Collateral Agent's ability to take actions as set forth in Section 10, if any Grantor fails to materially perform any agreement contained herein within a reasonable period of time after the Collateral Agent has requested that it do so, with regard to the Collateral, the Collateral Agent may itself perform, or cause performance of, such agreement, and the expenses of the Collateral Agent incurred in connection therewith shall be payable pursuant to Section 9.03 of the Credit Agreement.

SECTION 12. Standard of Care.

The powers conferred on the Collateral Agent hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except

for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, the Collateral Agent shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. The Collateral Agent shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which the Collateral Agent accords its own property and will not be liable or responsible for any loss or damage to any Collateral or for any diminution in the value thereof, by reason of any act or omission of any sub-agent or bailee selected by the Collateral Agent in good faith, except to the extent that such liability arises from the Collateral Agent's gross negligence, bad faith or willful misconduct (as determined in a final non-appealable order of a court of competent jurisdiction).

SECTION 13. Remedies.

(a) **Generally**. If any Event of Default shall have occurred and be continuing (and with the written consent of the Required Lenders subject to the terms and exceptions set forth in Section 18(a) and the delivery of any required notices to the Borrower Representative in accordance with Section 9.01 of the Credit Agreement), the Collateral Agent may, subject to Section 18 hereof, exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party upon default under the PPSA or the STA, as applicable (whether or not the PPSA or the STA, as applicable, applies to the affected Collateral), and also may (i) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon reasonable request of the Collateral Agent forthwith, assemble all or any part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place to be designated by the Collateral Agent that is reasonably convenient to both parties, (ii) enter onto the property where any Collateral is located and take possession thereof with or without judicial process, provided that the Collateral Agent shall use commercially reasonable efforts to provide the applicable Grantor with notice thereof prior to or promptly after such entry, (iii) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent the Collateral Agent deems appropriate, provided that the Collateral Agent shall use commercially reasonable efforts to provide the applicable Grantor with notice thereof prior to or promptly after such preparation, (iv) take possession of any Grantor's premises or place custodians in exclusive control thereof, remain on such premises and use the same and any of such Grantor's equipment for the purpose of completing any work in process, taking any actions described in the preceding clause (iii) and collecting any Secured Obligation, provided that the Collateral Agent shall use commercially reasonable efforts to provide the applicable Grantor with notice thereof prior to or promptly after such possession or occupation and (v) without further notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of the Collateral Agent's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as the Collateral Agent may deem commercially reasonable. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees, to the extent permitted by applicable law, that, to the extent notice of sale shall be required by law, at least ten (10) days'

prior written notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. The Collateral Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Collateral Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor hereby waives, to the extent permitted by applicable law, any claims against the Collateral Agent arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if the Collateral Agent accepts the first offer received and does not offer such Collateral to more than one offeree.

(b) **Securities Collateral**. Each Grantor recognizes that, by reason of certain prohibitions contained in the *Securities Act* (Ontario), applicable provincial or territorial securities laws and other applicable laws, the Collateral Agent may be compelled, with respect to any sale of all or any part of the Securities Collateral conducted without prior registration or qualification of such Securities Collateral under the *Securities Act* (Ontario) and/or such provincial or territorial securities laws and other applicable laws, to limit purchasers to those who will agree, among other things, to acquire the Securities Collateral for their own account, for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges that any such private placement may be at prices and on terms less favourable than those obtainable through a sale without such restrictions (including an offering made pursuant to a registration statement under the *Securities Act* (Ontario)) and, notwithstanding such circumstances, each Grantor agrees, to the extent permitted by applicable law, that any such private placement shall not be deemed, in and of itself, to be commercially unreasonable and that the Collateral Agent shall have no obligation to delay the sale of any Securities Collateral for the period of time necessary to permit the issuer thereof to register it for a form of sale requiring registration under the *Securities Act* (Ontario) or under applicable provincial or territorial securities laws, even if such issuer would, or should, agree to so register it.

(c) **Appointment of Receiver**. Upon the occurrence and during the continuance of any Event of Default, the Collateral Agent may appoint or reappoint by instrument in writing, any Person or Persons, whether an officer or officers or an employee or employees of the Collateral Agent or not, to be an interim receiver, receiver or receivers (hereinafter called a "Receiver", which term when used herein shall include a receiver and manager) of Collateral (including any interest, income or profits therefrom) and may remove any Receiver so appointed and appoint another in his/her/its stead. Any such Receiver shall, so far as concerns responsibility for his/her/its acts, be deemed the agent of the applicable Grantor and not the Collateral Agent or any of the Lenders, and neither the Collateral Agent nor any Lender shall be in any way responsible for any misconduct, negligence or non-feasance on the part of any such Receiver or his/her/its servants, agents or employees. Subject to the provisions of the instrument appointing him/her/it and Requirements of Law, any such Receiver shall have power to take possession of Collateral, to preserve Collateral or its value, to carry on or concur in carrying on all or any part of the business of the applicable Grantor and to sell, lease, license or otherwise dispose of or concur in selling, leasing, licensing or otherwise disposing of Collateral. To facilitate the foregoing powers, any such Receiver may, to the exclusion of all others, including the applicable Grantor, enter upon, use and occupy all premises owned or occupied by the applicable Grantor wherein Collateral may be situate, maintain Collateral upon such premises, borrow money on a secured or unsecured basis

and use Collateral directly in carrying on the applicable Grantor's business or as security for loans or advances to enable the Receiver to carry on the applicable Grantor's business or otherwise, as such Receiver shall, in its discretion, determine. Except as may be otherwise directed by the Collateral Agent, all money received from time to time by such Receiver in carrying out his/her/its appointment shall be received in trust for and be paid over to the Collateral Agent. Every such Receiver may, in the discretion of the Collateral Agent, be vested with all or any of the rights and powers of the Collateral Agent. The Collateral Agent may, either directly or through its agents or nominees, exercise any or all of the powers and rights given to a Receiver by virtue of this Section 13(c).

(d) **Additional Rights of the Collateral Agent**. For the avoidance of doubt, each of the Grantors party hereto and each of the Secured Parties, by their acceptance of the benefits of this Agreement, agree, to the fullest extent permitted by applicable law, that the Collateral Agent shall have the right to "credit bid" any or all of the Secured Obligations in connection with any sale or foreclosure proceeding in respect of the Collateral.

SECTION 14. Additional Remedies for Intellectual Property Collateral.

(a) Anything contained herein to the contrary notwithstanding, upon the occurrence and during the continuation of an Event of Default and, subject to Section 18(a) and in accordance with Section 7.01 of the Credit Agreement, with the written consent of the Required Lenders, and the delivery of one (1) Business Day's prior written notice to the Borrower Representative, (i) the Collateral Agent shall have the right (but not the obligation) to bring suit, in the name of any Grantor, the Collateral Agent or otherwise, to enforce any Intellectual Property Collateral, in which event each Grantor shall, at the request of the Collateral Agent, do any and all lawful acts and execute any and all documents required by the Collateral Agent in aid of such enforcement and (ii) upon written demand from the Collateral Agent, each Grantor shall execute and deliver to the Collateral Agent an assignment or assignments of the Intellectual Property Collateral and such other documents as are necessary or appropriate to carry out the intent and purposes of this Agreement.

(b) If (i) an Event of Default shall have occurred and no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment to the Collateral Agent of any rights, title and interests in and to the Intellectual Property Collateral shall have been previously made, and (iv) the Obligations shall not have become immediately due and payable, the Collateral Agent shall promptly execute and deliver to such Grantor such assignments as may be necessary to reassign to such Grantor any such rights, title and interests as may have been assigned to the Collateral Agent as aforesaid, subject to any disposition thereof that may have been made by the Collateral Agent; provided, after giving effect to such reassignment, the Collateral Agent's security interest granted pursuant hereto, as well as all other rights and remedies of the Collateral Agent granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so reassigned shall be free and clear of all Liens other than Liens (if any) encumbering such rights, title and interest at the time of their assignment to the Collateral Agent and Liens permitted under Section 6.02 of the Credit Agreement.

SECTION 15. Application of Proceeds.

Upon the occurrence and during the continuation of an Event of Default, subject to Section 18(a), or upon acceleration of all the Obligations pursuant to Section 7.01 of the Credit Agreement, all proceeds received by the Administrative Agent or the Collateral Agent in respect of any sale of, collection from, or other realization upon all or any part of the Collateral (including any Collateral consisting of cash) under any Loan Document shall be applied by the Administrative Agent in accordance with Section 7.03 of the Credit Agreement.

SECTION 16. Indemnity and Expenses.

(a) The Grantors party hereto jointly and severally agree to indemnify and hold harmless each of the Collateral Agent and the other Indemnitees in accordance with, and subject to the limitations set forth in, Section 9.03 of the Credit Agreement.

(b) The Grantors party hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 9.03 of the Credit Agreement.

SECTION 17. Continuing Security Interest; Transfer of Loans; Termination and Release.

(a) This Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until the Termination Date, (ii) be binding upon the Grantors and their respective successors and assigns, and (iii) inure, together with the rights and remedies of the Collateral Agent hereunder, to the benefit of the Collateral Agent and its permitted successors, transferees and permitted assigns. Without limiting the generality of the foregoing clause (iii), (A) but subject to the provisions of Section 9.04 of the Credit Agreement, any Lender may assign or otherwise transfer any Loans held by it to any other Eligible Assignee, and such other Eligible Assignee shall thereupon become vested with all the benefits in respect thereof granted to Lenders herein or otherwise and (B) any Lender Counterparty may assign or otherwise transfer any (i) Secured Swap Agreement or Secured Cash Management Agreement to which it is a party or (ii) all or any part of its interest in any amount payable to it under a Secured Swap Agreement or Secured Cash Management Agreement to any other Person, in each case in accordance with the terms of such Secured Swap Agreement or Secured Cash Management Agreement, and such other Person shall thereupon become vested with the benefit of the security interests granted to Lender Counterparties herein.

(b) Subject to paragraph (c) below, upon the Termination Date, the security interest granted hereby shall automatically terminate, the Collateral shall be automatically released, this Agreement shall and the Secured Obligations under this Agreement shall terminate, and all rights to the Collateral shall revert to the applicable Grantors, all without delivery of any instrument or performance of any act by any Person. Upon any such termination the Collateral Agent will, at the Grantors' expense, execute and deliver to the Grantors such documents, instruments, notices and releases as the Grantors shall reasonably request to evidence such termination and/or release. In addition, subject to paragraph (c) below, upon the sale or other disposition of any Collateral to any Person (other than another Grantor) permitted under the terms of the Credit Agreement or to which the Required Lenders have otherwise consented, such

Collateral shall be automatically released and, subject to paragraph (c) below, upon a sale or disposition of a Grantor otherwise permitted under the Credit Agreement or the designation of such Grantor as an Unrestricted Subsidiary or such Grantor otherwise becomes or is otherwise deemed to be an Excluded Subsidiary in accordance with the terms of the Credit Agreement, (i) such Collateral or Grantor, as applicable, shall be automatically released from this Agreement and all obligations of such Grantor and all Liens over Equity Interests owned by such Grantor and property of such Grantor will terminate and be automatically released, and (ii) the Collateral Agent, at the Grantor's expense, shall execute and deliver such documents, instruments, notices and releases of its security interest in such Collateral and/or such Grantor as may be reasonably requested by such Grantor, subject to, in the case of this clause (ii), if reasonably requested by the Collateral Agent, delivery of a written certification by the Borrower Representative that such sale or other disposition, designation as an Unrestricted Subsidiary or qualification as an Excluded Subsidiary, as the case may be, is permitted under the Credit Agreement.

(c) Each Grantor agrees that this Agreement and its grant of security interests hereunder shall continue to be effective, or be reinstated, and the Termination Date shall be deemed to not have occurred for all purposes herein, as the case may be, if at any time payment, or any part thereof, of any Obligations is rescinded or must otherwise be restored by the Collateral Agent or any other Secured Party upon the bankruptcy or reorganization of any Loan Party, or otherwise.

SECTION 18. Collateral Agent as Agent.

(a) The Collateral Agent has been appointed to act as agent hereunder by the Lenders and, by their acceptance of the benefits hereof, the other Secured Parties. The Collateral Agent shall have the right hereunder, including at the direction of the Required Lenders, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including the release or substitution of Collateral), solely in accordance with this Agreement and the Credit Agreement; provided that the Collateral Agent shall exercise, or refrain from exercising, any remedies in accordance with the instructions of the Required Lenders. Notwithstanding anything herein or in any other Loan Document to the contrary, (i) no consent or instructions of the Required Lenders shall be required in connection with the exercise by the Collateral Agent of any of its rights under Section 8.12 of the Credit Agreement and (ii) in connection with any action requiring the Required Lenders' consent hereunder or in any other Loan Document, if the Collateral Agent has asked the Required Lenders for instructions and the Required Lenders have not yet responded to such request, or if the Collateral Agent believes in good faith that any delay in such action would be prejudicial to the interests of the Secured Parties, the Collateral Agent will be authorized but not required to take such actions with regard to the existence and continuance of any Event of Default which the Collateral Agent, in good faith, believes to be reasonably required to protect the interests of the Secured Parties in and to preserve the value of, in each case, the Collateral; provided that once instructions from the Required Lenders have been received by the Collateral Agent, the actions of the Collateral Agent will be governed thereby; provided, further, that nothing in clause (ii) shall permit the Collateral Agent to exercise the voting or other consensual rights, proxy or power in respect of any Pledged Equity or become the registered owner of the Pledged Equity without actually receiving the consent of the Required Lenders. In furtherance of the foregoing provisions of this Section 18(a), each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Secured Party that all

rights and remedies hereunder may be exercised solely by the Collateral Agent for the benefit of the Secured Parties in accordance with the terms of this Section 18(a).

(b) The provisions of the Credit Agreement relating to the Collateral Agent, including the provisions relating to resignation of the Collateral Agent and the powers and duties and immunities of the Collateral Agent, are incorporated herein by this reference.

SECTION 19. Additional Grantors.

The initial Grantors hereunder shall be the Canadian Borrower and such of the other Loan Parties as are signatories hereto on the date hereof. From time to time subsequent to the date hereof, additional Subsidiaries may become Additional Grantors by executing a Counterpart. Upon delivery of any such Counterpart to the Collateral Agent, notice of which is hereby waived by the Grantors, each such Additional Grantor shall be a Grantor and shall be as fully a party hereto as if such Additional Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of the Collateral Agent not to cause any Subsidiary to become an Additional Grantor hereunder. This Agreement shall be fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

SECTION 20. Amendments; Etc.

Except as otherwise provided in the Credit Agreement, no amendment, modification, termination or waiver of any provision of this Agreement, and no consent to any departure by any Grantor therefrom, shall in any event be effective unless the same shall be in writing and signed by the Collateral Agent and, in the case of any such amendment or modification, by each of the Borrowers and each of the Grantors affected thereby; provided this Agreement may be modified by the execution of a Counterpart by an Additional Grantor in accordance with Section 19 hereof and the Grantors hereby waive any requirement of notice of or consent to any such amendment. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

SECTION 21. Notices.

All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 9.01 of the Credit Agreement.

SECTION 22. Failure or Indulgence Not Waiver; Remedies Cumulative.

No failure or delay on the part of the Collateral Agent in the exercise of any power, right or privilege hereunder shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude any other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION 23. Severability; Integration; Paramountcy.

(a) Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

(b) Notwithstanding anything else herein to the contrary, in the case of any Collateral "located" outside Canada (including any Pledged Equity of an issuer organized, registered or incorporated (as applicable) under a jurisdiction other than Canada or any province or territory thereof), in the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of any of the U.S. Collateral Agreement, any Cayman Islands Collateral Document, any UK Collateral Document or any Swedish Collateral Document which cannot be resolved by both provisions being complied with, the provisions contained in such other Security Document shall govern to the extent of such conflict with respect to such Collateral.

(c) Notwithstanding anything else herein to the contrary, in the event of any conflict or inconsistency between the provisions of this Agreement and the provisions of the Credit Agreement, the provisions contained in the Credit Agreement shall govern.

CANADIAN SECURITY AGREEMENT

[FORM OF] FIRST LIEN CANADIAN TRADEMARK SECURITY AGREEMENT

This FIRST LIEN CANADIAN TRADEMARK SECURITY AGREEMENT, dated as of [●], (this "Agreement") is made by **[NAME OF GRANTOR]**, a _____ [corporation][limited liability company] ("**Grantor**"), in favour of JEFFERIES FINANCE LLC, as the Collateral Agent for the Secured Parties (in such capacity and together with its successors and assigns, the "**Collateral Agent**").

WHEREAS, the Grantor is party to a First Lien Canadian Security Agreement dated as of [●], 2018 (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "**Canadian Security Agreement**"), by and among the Grantor, the other grantors party thereto and the Collateral Agent, pursuant to which the Grantor granted a security interest to the Collateral Agent (for the benefit of the Secured Parties) in the Trademark Collateral (as defined below) and is required to execute and deliver this Agreement; and

WHEREAS, pursuant to the Canadian Security Agreement, Grantor agreed to execute and deliver this Agreement in order to record such security interest with CIPO.

Unless otherwise defined herein, terms defined in the Canadian Security Agreement and used herein have the meanings given to them (including by reference) in the Canadian Security Agreement.

NOW, THEREFORE, in consideration of the foregoing and for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Canadian Security Agreement, to evidence further the security interest granted by Grantor to the Collateral Agent (for the benefit of the Secured Parties) pursuant to the Canadian Security Agreement, Grantor hereby grants and pledges to the Collateral Agent (for the benefit of the Secured Parties) a security interest in all of Grantor's right, title and interest in and to the following, in each case whether now owned or existing or hereafter acquired, possessed or arising and wherever located (collectively, the "**Trademark Collateral**"), other than Excluded Property:

(iv) all Proceeds and Accessions with respect to any of the foregoing, including all license fees, royalties, income, payments, claims, damages and proceeds of suit, now or hereafter due and/or payable with respect to any of the foregoing.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include or the security interest granted under Section 1(a) of the Canadian Security Agreement attach to any "intent-to-use" trademark or service mark applications for which a statement of use or an amendment to allege use has not been filed with CIPO (but only until such statement or amendment is filed with CIPO), and solely to the extent, if any, that, and solely during the period, if any, in which, the grant of a security interest therein would impair the validity or enforceability of, or void or cause the abandonment or lapse of, such application or any registration that issues from such intent-to-use application under applicable Canadian law.

Grantor authorizes and requests the Registrar of Trademarks of the Canadian Intellectual Property Office to record this Agreement.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Canadian Security Agreement, the terms and conditions of which are hereby incorporated by reference as if fully set forth herein. In the event that any provision of this Agreement is deemed to conflict with the Canadian Security Agreement, the provisions of the Canadian Security Agreement shall control.

RECITALS

A. PROCERA NETWORKS, INC., a Delaware corporation ("**Procera**") and SANDVINE CORPORATION, a corporation amalgamated under the laws of the Province of British Columbia ("**Sandvine**" or the "**Canadian Borrower**") and together with Procera, the "**Borrowers**" and each, a "**Borrower**"), PROCERA I LP, an exempted limited partnership registered in the Cayman Islands, acting through its general partner, Procera I GP Ltd ("**Ultimate Parent**"), PROCERA CAYMAN LTD, an exempted company incorporated with limited liability under the laws of the Cayman Islands ("**TopCo Ltd**" and together with Ultimate Parent, the "**TopCo Partnership Guarantors**") and the other Guarantors from time to time party thereto, have entered into that certain First Lien Credit Agreement dated as of the date hereof (as amended, restated, amended and restated, refinanced, replaced, extended, supplemented or otherwise modified from time to time, the "**Credit Agreement**") with the Lenders from time to time party thereto and the Agent. Capitalized terms used herein and defined in the Credit Agreement and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement.

B. The (i) Holding Companies and the Restricted Subsidiaries may from time to time enter, or may from time to time have entered, into one or more Secured Swap Agreements with one or more Lender Counterparties and (ii) Holding Companies and the Restricted Subsidiaries may from time to time enter, or may from time to time have entered, into one or more Secured Cash Management Agreements with one or more Lender Counterparties (collectively, the "**Counterparty Agreements**"), in each case, in accordance with the terms of the Credit Agreement, and it is desired that the related Secured Swap Obligations and Secured Cash Management Obligations, together with all Obligations of the Loan Parties under the Credit Agreement and the other Loan Documents, be guaranteed hereunder.

C. The Borrowers, the TopCo Partnership Guarantors and each other Loan Party organized or incorporated in any Specified Jurisdiction are sometimes referred to herein as "**Guarantee Parties**" and each, a "**Guarantee Party**".

D. The Guarantors are Affiliates of the Borrowers, will derive substantial benefits from the extension of credit to the Borrowers pursuant to the Credit Agreement and are willing to execute and deliver this Guaranty in order to induce the Lenders and Issuing Banks to extend such credit.

E. It is a condition precedent to the making of the initial Loans under the Credit Agreement that the Secured Obligations be guaranteed by the Guarantors.

F. The Guarantors are willing, irrevocably and unconditionally, to guaranty such Secured Obligations.

NOW, THEREFORE, based upon the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to induce the Lenders and Issuing Banks and the Agent to enter into the Credit Agreement, to induce the Lenders to make Loans and other extensions of credit thereunder, to induce the Issuing Banks to issue Letters of Credit under the Credit Agreement and to induce the Lender Counterparties to enter into the Counterparty Agreements and each other Secured Party to make certain financial accommodations, the Guarantors hereby agree as follows:

1. Guaranty. (a) The Guarantors jointly and severally irrevocably and unconditionally guarantee (in the case of each Guarantor, other than with respect to such Guarantor's own Guaranteed Obligations), as primary obligors and not merely as sureties, the due and punctual payment in full of all Guaranteed Obligations (as hereinafter defined) when the same shall become due, whether at stated maturity, by acceleration, demand or otherwise (including amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code). The term "**Guaranteed Obligations**" is used herein in its most comprehensive sense and includes any and all Secured Obligations of any of the Loan Parties now or hereafter made, incurred or created, whether absolute or contingent, liquidated or unliquidated, whether due or not due, and however arising.

Each Guarantor acknowledges that it is an Affiliate of the Borrowers and will derive substantial benefits from the extension of credit to the Borrowers pursuant to the Credit Agreement.

Any interest on any portion of the Guaranteed Obligations that accrues after the commencement of any proceeding, voluntary or involuntary, involving the bankruptcy, insolvency, receivership, reorganization (by way of voluntary arrangement, scheme of arrangement or otherwise), liquidation, winding-up, examinership, suspension of payments, a moratorium of any indebtedness, dissolution, administration or arrangement of any Guarantee Party (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of said proceeding, such interest as would have accrued on such portion of the Guaranteed Obligations if said proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of each Guarantor and the Agent that the Guaranteed Obligations should be determined without regard to any rule of law or order that may relieve any Guarantee Party of any portion of such Guaranteed Obligations.

In the event that all or any portion of the Guaranteed Obligations is paid by the Guarantee Parties, the obligations of each Guarantor hereunder that is a Guarantee Party immediately prior to any such payment shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) is rescinded or recovered directly or indirectly from the Agent or any other Secured Party as a preference,

fraudulent transfer or otherwise, and any such payments that are so rescinded or recovered shall constitute Guaranteed Obligations.

Subject to the other provisions of this Section 1, upon the failure of any Guarantee Party to pay any of the Guaranteed Obligations when and as the same shall become due in accordance herewith, each Guarantor will promptly pay, or cause to be paid, in cash, to the Agent for the ratable benefit of the Secured Parties, an aggregate amount equal to the aggregate of the unpaid Guaranteed Obligations.

(b) Notwithstanding anything contained in this Guaranty to the contrary, the obligations of each Guarantor under this Guaranty and the other Loan Documents or any Counterparty Agreement shall be limited to a maximum aggregate amount equal to the largest amount that would not render its obligations hereunder subject to avoidance as a fraudulent transfer or conveyance under Section 548 of Title 11 of the United States Code or any applicable provisions of comparable state, provincial or federal law (collectively, the "**Fraudulent Transfer Laws**"), in each case after giving effect to all other liabilities of such Guarantor, contingent or otherwise, that are relevant under the Fraudulent Transfer Laws (specifically excluding, however, any liabilities of such Guarantor (x) in respect of intercompany indebtedness to the Borrowers or other Affiliates of the Borrowers to the extent that such indebtedness would be discharged in an amount equal to the amount paid by such Guarantor hereunder and (y) under any guaranty of Subordinated Indebtedness which guaranty contains a limitation as to maximum amount similar to that set forth in this Section 1(b), pursuant to which the liability of such Guarantor hereunder is included in the liabilities taken into account in determining such maximum amount) and after giving effect as assets to the value (as determined under the applicable provisions of the Fraudulent Transfer Laws) of any rights to subrogation, reimbursement, indemnification or contribution of such Guarantor pursuant to applicable law or pursuant to the terms of any agreement (including this Guaranty).

(c) The Guarantors desire to allocate, as among themselves, in a fair and equitable manner, their obligations arising under this Guaranty. Accordingly, in the event any payment or distribution is made on any date by a Guarantor under this Guaranty, each such Guarantor shall be entitled to a contribution from each of the other Guarantors in the maximum amount permitted by law so as to maximize the aggregate amount of the Guaranteed Obligations paid to Secured Parties.

(d) Each Qualified ECP Guarantor (as defined below) hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Guaranty and any Secured Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this Section 1(d) for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 1(d), or otherwise under this Guaranty, voidable under applicable Fraudulent Transfer Laws, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Section 1(d) shall remain in full force and effect until the termination of this Guaranty in accordance with Section 18. Each Qualified ECP Guarantor intends that this Section 1(d) constitute, and this Section 1(d) shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II)

of the Commodity Exchange Act. As used herein, "**Qualified ECP Guarantor**" means, in respect of any Secured Swap Obligation, each Loan Party that has total assets exceeding $10,000,000 at the time this Guaranty becomes effective with respect to such Secured Swap Obligation or each other Loan Party that constitutes an "eligible contract participant" under the Commodity Exchange Act or any regulations promulgated thereunder and can cause another person to qualify as an "eligible contract participant" with respect to such Secured Swap Obligation at such time by guaranteeing or entering into a keepwell in respect of obligations of such other person under Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

(g) Notwithstanding any provision to the contrary contained herein, in the Credit Agreement or in any other Loan Document, with respect to the UK Guarantors, nothing in this Guaranty shall apply to any liability to the extent it would result in this Guaranty constituting unlawful financial assistance within the meaning of sections 678 or 679 of the Companies Act 2006 or any equivalent and applicable provisions under the laws of England and Wales.

(h) Notwithstanding any provision to the contrary contained herein, in the Credit Agreement or in any other Loan Document, with respect to any Swedish Guarantor, this Guaranty shall be limited if and to the extent required by the provisions of the Swedish Companies Act (Sw: *Aktiebolagslagen (2005:551)*) regulating unlawful distribution of assets within the meaning of Chapter 17, Sections 1-4 (or its equivalent from time to time) of the Swedish Companies Act and it is understood that any obligation and/or liability of any Swedish Guarantor under this Guaranty only applies to the extent permitted by the above mentioned provisions of the Swedish Companies Act.

2. Guaranty Absolute; Continuing Guaranty. The obligations of each Guarantor hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than payment in full of the Guaranteed Obligations or the occurrence of the Termination Date. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees that: (a) this Guaranty is a guaranty of payment when due and not of collectability; (b) the Agent may enforce this Guaranty upon the occurrence and during the continuance of an Event of Default under the Credit Agreement with the consent of the Required Lenders subject to the terms of, and exceptions in, Section 7.01 of the Credit Agreement, Section 19(a) of the U.S. Collateral Agreement and Section 18(a) of the Canadian Security Agreement ; (c) the obligations of each Guarantor hereunder are independent of the obligations of the other Guarantee Parties under the other Loan Documents or the Counterparty Agreements and a separate action or actions may be brought and prosecuted against each Guarantor whether or not any action is brought against any Guarantee Party or any of such other guarantors and whether or not any Guarantee Party is joined in any such action or actions; and (d) a payment of a portion, but not all, of the Guaranteed Obligations by one or more Guarantors shall in no way limit, affect, modify or abridge the liability of such Guarantors or any other Guarantor for any portion of the Guaranteed Obligations that has not been paid. This Guaranty is a continuing guaranty and shall be binding upon each Guarantor and its successors and assigns, and each Guarantor waives, to the extent permitted by applicable law, any right to revoke this Guaranty as to future transactions giving rise to any Guaranteed Obligations.

3. Actions by Secured Parties. Any Secured Party may from time to time, without notice or demand and without affecting the validity or enforceability of this Guaranty or giving rise to any limitation, impairment or discharge of any Guarantor's liability hereunder, (a) renew, extend, accelerate or otherwise change the time, place, manner or terms of payment of any of the Guaranteed Obligations in accordance with the terms of the relevant Loan Document or Counterparty Agreement, as the case may be, (b) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, any of the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations, (c) request and accept other guaranties of the Guaranteed Obligations and take and hold security for the payment of this Guaranty or the Guaranteed Obligations, (d) release, exchange, compromise, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guaranties of the Guaranteed Obligations, or any other obligation of any Person with respect to the Guaranteed Obligations and (e) exercise any other rights available to the Agent or the other Secured Parties, or any of them, under the Loan Documents or the Counterparty Agreements, as applicable.

4. No Discharge. This Guaranty and the obligations of the Guarantors hereunder shall be valid and enforceable, subject to bankruptcy, insolvency, reorganization, receivership, moratorium or similar laws relating to or limiting creditors' rights generally and by general principles of equity (regardless of whether enforcement is sought in equity or law), and shall not be subject to any limitation, impairment or discharge for any reason (other than the occurrence of the Termination Date or as otherwise provided in the Loan Documents or, with respect to any Secured Swap Obligations or Secured Cash Management Obligations, the payment in full of such obligations or as otherwise provided in the applicable Counterparty Agreement), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (a) any failure to assert or enforce or agreement not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guaranty of or security for the payment of the Guaranteed Obligations; (b) any waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions of the Credit Agreement, any of the other Loan Documents, the Counterparty Agreements or any agreement or instrument executed pursuant thereto, or of any other guaranty or security for the Guaranteed Obligations; (c) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (d) the application of payments received from any source to the payment of indebtedness other than the Guaranteed Obligations, even though the Agent or the other Secured Parties, or any of them, might have elected to apply such payment to any part or all of the Guaranteed Obligations; (e) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (f) any defenses (other than defenses of payment or performance in full), set-offs or counterclaims which any Guarantee Party may assert against the Agent or any Secured Party in respect of the Guaranteed Obligations, including but not limited to failure of consideration, breach of warranty, statute of frauds, statute of limitations, accord and satisfaction and usury; and (g) any other act or thing or omission, or delay to do any other act or thing (other than the payment in full of the Guaranteed Obligations), which may or might in any

manner or to any extent vary the risk of a Guarantor as an obligor in respect of the Guaranteed Obligations.

5. Waivers. Each Guarantor waives, to the extent permitted by applicable law, for the benefit of the Secured Parties: (a) any right to require the Agent, as a condition of payment or performance by such Guarantor, to (i) proceed against any Guarantee Party, any other guarantor of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held by any Guarantee Party, any other guarantor of the Guaranteed Obligations or any other Person, (iii) except as provided in any Loan Document or Counterparty Agreement, proceed against or have resort to any balance of any deposit account or credit on the books of any Secured Party in favor of any Guarantee Party or any other Person, or (iv) pursue any other remedy in the power of any Secured Party; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense (other than the defense of payment or performance in full) of any Guarantee Party including any defense based on or arising out of the lack of validity or the unenforceability of any of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of any Guarantee Party from any cause other than the occurrence of the Termination Date; (c) any defense (other than the defense of payment or performance in full) based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense (other than the defense of payment or performance in full) based upon the Agent's errors or omissions in the administration of the Guaranteed Obligations, except for such Agent's willful misconduct, bad faith or gross negligence (to the extent determined in a final non-appealable order of a court of competent jurisdiction); (e) (i) any principles or provisions of law, statutory or otherwise, that are or might be in conflict with the terms of this Guaranty and any legal or equitable discharge of such Guarantor's obligations hereunder (other than payment in full of the Guaranteed Obligations), (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights of set-offs, recoupments and counterclaims and (iv) promptness, diligence and any requirement that any Secured Party protect, secure, perfect or insure any Lien or any property subject thereto; (f) except as required by any other Loan Document or the applicable Counterparty Agreement, notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance of this Guaranty, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to any Loan Party and notices of any of the matters referred to in Sections 3 and 4 and any right to consent to any thereof; and (g) to the fullest extent permitted by law, any defenses (other than the defense of payment or performance in full) or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms of this Guaranty.

6. Guarantors' Rights of Subrogation, Contribution, Etc.; Subordination of Other Obligations. Until the Termination Date, each Guarantor shall, solely with respect to the Guaranteed Obligations, withhold exercise of (a) any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against any other Guarantee Party or any of its assets in connection with this Guaranty or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity under contract, by statute, under common law or otherwise and including (i) any right of

subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against any other Guarantee Party, (ii) any right to enforce, or to participate in, any claim, right or remedy that any Secured Party now has or may hereafter have against any Guarantee Party, and (iii) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Secured Party; and (b) any right of contribution such Guarantor now has or may hereafter have against any other guarantor of any of the Guaranteed Obligations. Each Guarantor further agrees that, to the extent the agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against any other Guarantee Party or against any collateral or security, and any rights of contribution such Guarantor may have against any such other guarantor, shall be junior and subordinate to any rights the Agent or Secured Party may have against any Guarantee Party and to all right, title and interest the Agent or Secured Party may have in any such collateral or security.

7. Indemnity; Expenses. Each Loan Party signatory hereto as a Guarantor agrees that the Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 9.03 of the Credit Agreement. Each Guarantor agrees to indemnify and hold harmless the Agent from and against any and all claims, losses and liabilities in any way arising out of, in connection with, or as a result of the execution or delivery of this Guaranty and the transactions contemplated hereby (including enforcement of this Guaranty) in accordance with, and subject to the limitations set forth in, Section 9.03 of the Credit Agreement.

8. Financial Condition of Guarantee Parties. No Secured Party shall have any obligation, and each Guarantor waives (to the fullest extent permitted by applicable law) any duty on the part of each Secured Party, to disclose or discuss with such Guarantor its assessment, or such Guarantor's assessment, of the financial condition of each Guarantee Party or any matter or fact relating to the business, operations or condition of any Guarantee Party. Each Guarantor has adequate means to obtain information from each other Guarantee Party on a continuing basis concerning the financial condition of each Guarantee Party and its ability to perform its obligations under the Loan Documents and the Counterparty Agreements, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of each Guarantee Party and of all circumstances bearing upon the risk of nonpayment of the Guaranteed Obligations.

9. Representations and Warranties. On the Closing Date and on each other date required pursuant to Article III or Article IV of the Credit Agreement, as applicable, each Guarantor hereby makes each representation and warranty made in the Loan Documents by each Borrower with respect to such Guarantor, as applicable. Each Guarantor hereby represents and warrants that this Guaranty (a) has been duly executed and delivered by such Guarantor and (b) constitutes a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally and by general principles of equity.

10. Set Off. Any rights any Lenders may have with respect to set off shall be solely as set forth in Section 9.08 of the Credit Agreement.

11. Discharge of Guaranty Upon Designation as Unrestricted Subsidiary, Qualification as Excluded Subsidiary or Sale of Guarantor. Upon (a) the designation of any Guarantor as an Unrestricted Subsidiary in accordance with the terms of the Credit Agreement, (b) any Guarantor becoming or being otherwise deemed to be an Excluded Subsidiary in accordance with the terms of the Credit Agreement, or (c) the sale or other disposition of a Guarantor to any Person (other than a Loan Party) that is permitted by the Credit Agreement or to which Required Lenders have otherwise consented, as applicable, such Guarantor shall be automatically released from this Guaranty and the Agent shall execute and deliver such releases and other documents with respect to such Guarantor as may be reasonably requested by a Loan Party.

12. Amendments and Waivers. No amendment, modification, termination or waiver of any provision of this Guaranty (which in any event shall not include execution of counterparts to this Guaranty), and no consent to any departure by any Guarantor therefrom, shall in any event be effective without the written concurrence of the Agent and, in the case of any such amendment or modification, the Guarantors. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

13. Miscellaneous. It is not necessary for the Agent to inquire into the capacity or powers of any Guarantor or any Guarantee Party or the officers, directors or any agents acting or purporting to act on behalf of any of them.

The rights, powers and remedies given to the Agent by this Guaranty are cumulative and shall be in addition to all rights, powers and remedies given to the Agent by virtue of any statute or rule of law or in any of the other Loan Documents. Any forbearance or failure to exercise, and any delay by the Agent in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

Any provision of this Guaranty held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

THIS GUARANTY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAW OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF TO THE EXTENT SUCH PRINCIPLES WOULD CAUSE THE APPLICATION OF THE LAW OF ANOTHER STATE.

This Guaranty shall inure to the benefit of the Secured Parties and their respective successors and permitted assigns.

EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY SUBMITS, FOR ITSELF AND ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THE SUPREME COURT OF THE STATE OF NEW

YORK SITTING IN NEW YORK COUNTY AND OF THE UNITED STATES DISTRICT COURT OF THE SOUTHERN DISTRICT OF NEW YORK, AND ANY APPELLATE COURT FROM ANY THEREOF, IN ANY ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS GUARANTY, OR FOR RECOGNITION OR ENFORCEMENT OF ANY JUDGMENT, AND EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUCH ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN SUCH NEW YORK STATE OR, TO THE EXTENT PERMITTED BY LAW, IN SUCH FEDERAL COURT. EACH OF THE PARTIES HERETO AGREES THAT A FINAL JUDGMENT IN ANY SUCH ACTION OR PROCEEDING SHALL BE CONCLUSIVE AND MAY BE ENFORCED IN OTHER JURISDICTIONS BY SUIT ON THE JUDGMENT OR IN ANY OTHER MANNER PROVIDED BY LAW. NOTWITHSTANDING THE FOREGOING, NOTHING IN THIS GUARANTY SHALL AFFECT ANY RIGHT THAT THE AGENT, ANY LENDER OR ANY OTHER SECURED PARTY MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS GUARANTY AGAINST THE GUARANTORS OR THEIR RESPECTIVE PROPERTIES IN THE COURTS OF ANY JURISDICTION.

Each of the parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Guaranty in any court referred to in the immediately preceding paragraph of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Each party hereto irrevocably consents to service of process in the manner provided for notices in Section 9.01 of the Credit Agreement. Nothing in this Guaranty will affect the right of any party hereto to serve process in any other manner permitted by law.

EACH GUARANTOR AND, BY ITS ACCEPTANCE OF THE BENEFITS HEREOF, EACH SECURED PARTY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS GUARANTY OR THE TRANSACTIONS CONTEMPLATED HEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS GUARANTY BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 13.

14. Additional Guarantors. The initial Guarantors hereunder shall be the Borrowers and such of their Affiliates as are signatories hereto on the date hereof. From time to time subsequent to the date hereof, Restricted Subsidiaries (including any Unrestricted Subsidiary that becomes a Restricted Subsidiary and any Electing Guarantor) may become

parties hereto, as additional Guarantors (each an "**Additional Guarantor**"), by executing a Joinder Agreement to this Guaranty. A form of such a Joinder Agreement is attached hereto as Exhibit A. Upon delivery of any such Joinder Agreement to the Agent, notice of which is hereby waived by the Guarantors, each such Additional Guarantor shall be a Guarantor and shall be as fully a party hereto as if such Additional Guarantor were an original signatory hereof. Each Guarantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Guarantor hereunder. This Guaranty shall be fully effective as to any Guarantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Guarantor hereunder.

15. Counterparts. This Guaranty may be executed in any number of counterparts and by the different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed to be an original for all purposes; but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed counterpart of a signature page of this Guaranty by telecopy or electronic transmission (including Adobe pdf file) shall be effective as delivery of a manually executed counterpart of this Guaranty.

16. Interpretive Provisions. Sections 1.03 and 1.10 of the Credit Agreement are incorporated herein by reference *mutatis mutandis*.

17. The Agent.

(a) Jefferies Finance LLC has been appointed to act as Agent hereunder by the Lenders (and by their acceptance of the benefits hereof, the Lender Counterparties and any other Secured Parties). The Agent shall have the right hereunder to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action, solely in accordance with this Guaranty and the Credit Agreement; provided that the Agent shall exercise, or refrain from exercising, any remedies under or with respect to this Guaranty in accordance with the instructions of Required Lenders and Section 19(a) of the U.S. Collateral Agreement and Section 18(a) of the Canadian Security Agreement, and the terms of, and exceptions in, Section 7.01 of the Credit Agreement. In furtherance of the foregoing provisions of this Section 17(a), each Secured Party, by its acceptance of the benefits hereof, agrees that it shall have no right individually to enforce this Guaranty or to realize upon any of the Collateral, it being understood and agreed by such Secured Party that all rights and remedies hereunder may be exercised solely by the Agent for the benefit of the Secured Parties in accordance with the terms of the Loan Documents.

(b) The provisions of the Credit Agreement relating to the Agent including the provisions relating to resignation of the Agent and the powers and duties and immunities of the Agent are incorporated herein by this reference.

18. Termination. Subject to the fourth paragraph of Section 1(a), upon the Termination Date (or the occurrence of any transaction permitted by the Credit Agreement which would require termination of this Guaranty), this Guaranty and the guarantees made herein shall automatically terminate with respect to all Guaranteed Obligations and each Guarantor shall be automatically released from its Guaranteed Obligations hereunder upon such termination, all

without delivery of any instrument or performance of any act by any Person. In connection with any termination or release pursuant to this Section 18, the Agent shall execute and deliver such documentation and releases at the expense of the Guarantors as may be reasonably requested by any Guarantor to effectuate or evidence such termination or release.

[Remainder of page intentionally left blank.]

IN WITNESS WHEREOF, each Guarantor and the Agent have caused this Guaranty to be duly executed and delivered by their respective officers thereunto duly authorized as of the date first written above.

Sandvine: Our Next Chapter as a Market Leader for Technology Solutions

By **Sandvine**

September 19, 2024

Back to listing

With new owners, a commitment to new leadership, and reoriented business model, today we announce the next chapter of Sandvine as a technology solution leader for democracies.

Read Japanese version

Our technology facilitates internet access for hundreds of millions of people around the globe. We work with the world's largest internet service providers to classify network traffic, enhance network connectivity, and counter threats to network security. Our mission is to help people work, learn, entertain and communicate. In response to concerns regarding the misuse of our technology by foreign governments, we made a commitment to new ownership, leadership, and business strategy. In the last several months, we have committed to significant changes to our governance and business model in consultation with the U.S. Department of Commerce, the U.S. Department of State, and other key members of the U.S. government.

These transformative changes include:

- **Focusing Our Global Operations to Democracies in Support of Internet Freedom and Digital Rights.** We believe that the best way to consistently and reliably prevent, detect, and deter misuse of our technology is to exit jurisdictions that lack a consistent, demonstrable commitment to internet freedom and strong rule of law protections. After conducting a full review of our business in jurisdictions that lack such commitments, we will no longer operate in non-democratic countries or countries where the threat to digital rights is too high.[1]

  Accordingly, we have already exited 32 countries and are in the process of exiting an additional 24 countries, with an end-of-service date of March 31, 2025 (for Government of Egypt customers) and December 31, 2025 (for remaining Egyptian customers and all other identified countries).[2]

  We are not just taking this new approach because it's the right thing to do—we are implementing a viable business strategy that positions us to remain a technological

rights. In addition to our new democracy-only go-to-market plan, starting in 2025 we will donate 1% of future profits to organizations dedicated to protecting internet freedom and remediating instances of human rights and digital abuse. We should all do our part to ensure that all can enjoy an open and democratized internet, and hope our commitment inspires our peers to do the same.

- **Adding Digital Rights Expertise to Our Team.** To guide our new mission and anticipate emerging human rights risks, we will retain and consult with outside advisors with deep expertise in understanding the global risks to digital rights. This initiative includes adding a senior advisor who will report directly to the Board of Directors to counsel on emerging risks and help prevent future product misuse, as well as help us better engage relevant non-governmental organizations and civil society to facilitate the protection of basic freedoms on the internet. This senior advisor will also report to the Board's newly created Human Rights Subcommittee, which will exercise oversight over the company's new governance and compliance controls, including a structure to protect human rights and ensure export control compliance.

- **New Engagement with Civil Society.** We are committed to having better relationships and consultations with civil society and affected stakeholders, both to understand how we can support digital rights and to understand the risks of future geopolitical and human rights risks. We will seek more engagement with human rights groups and other stakeholders, including those recommended by the U.S. Department of State, prior to expanding business operations to new jurisdictions.

- **Adopting New Controls for Ongoing Business Operations.** For countries where we plan to remain, we will monitor for reports and signs of product misuse by customers through a new program that prioritizes human rights due diligence ("HRDD").[3]

  Relevant business decisions will undergo scrutiny through a Business Ethics Committee ("BEC"), which will seek input from outside policy advisors, as well as outside counsel who have significant prior government experience combatting human rights abuses. The BEC will identify and assess countries and territories with a history of blocking or censoring websites or social media platforms or using spyware, data analytics, and other forms of internet restrictions or surveillance to commit human rights abuses and infringe upon the rule of law.

- **New Owners and Leadership**. This summer, a group of institutional investors committed to driving the evolution of our company forward replaced prior ownership. Our new owners have already appointed a new Board that, aided by a human rights advisor and other resources, can oversee the company's new direction. Likewise, with this chapter successfully behind us, our current CEO has announced his intention to step down. The company has initiated a search and selection process for a new CEO with human-rights focused leadership who will continue the company's progress toward our new democratically focused business model.

- **New Name.** Starting in 2025, we will operate under a new name that reflects our leadership in protecting digital rights. While we will not ignore what has happened in the past, we are eager for a new brand that customers and the public will come to know as a leader in the way companies can shape their business and governance to promote a free, reliable, and accessible internet.

The misuse of deep packet inspection technology is an international problem that threatens free and fair elections, basic human rights, and other digital freedoms we believe are inalienable. Over the last several years, there have been instances where we believe our products were misused by foreign governments in order to infringe on civil liberties and other rights. In the past, we responded through different legal and technological methods available to us. Unfortunately, we have concluded that such steps are not enough, and what is required is a more dramatic shift in the markets in which we operate and in the way

We acknowledge past misuse of Sandvine's products, as well as the fact that the company's response to past reports of misuse was insufficient. We also unequivocally condemn any misuse of our products to facilitate repression, limit freedom of expression, restrict freedom of association, monitor journalists and political dissidents, and disrupt democratic elections. In that vein, and with the changes outlined today, we are now well positioned to be an industry leader that forcefully pushes back on authoritarian governmental use of technology to undermine democratic norms and abuse basic human rights.

As we embark on this new chapter as a technology solution leader for democracies, we are especially thankful to our customers and business partners for their continued support and steadfast fidelity to our purpose. We are, and will remain, committed to improve because we believe access to digital communication and its benefits bolsters the values and interests of democracy.

[1] This decision was based on a review of our operations using a variety of government and external references, including the U.S. Department of State Country Reports on Human Rights Practices, the Reporters Without Borders' 2023 World Press Freedom Index, and Freedom House's 2024 Internet Freedom Scores. We made the decision to exit all countries categorized as "non-democratic" in the Economist Intelligence Unit's 2023 Democracy Index, which is available here.

Commerce Removes Sandvine from Entity List Following Significant Corporate Reforms to Protect Human Rights

Washington, D.C. – Today, the U.S. Department of Commerce's Bureau of Industry and Security (BIS), in conjunction with the U.S. Department of State, announced the removal of Canada-based Sandvine Incorporated (Sandvine) from the Entity List in light of changes the company has made to its corporate governance and business practices.

Sandvine was added to the Entity List in February 2024 after its products were used to conduct mass web-monitoring and censorship and target human rights activists and dissidents, including by enabling the misuse of commercial spyware. It has since taken significant steps to address the misuse of its technology that can undermine human rights.

Over the past several months, Sandvine has overhauled its corporate structure, leadership, and business model. The company has pivoted to focus on servicing democracies committed to the protection of human rights. Sandvine's actions include, amongst others: exiting non-democratic countries, with 32 already exited and an additional 24 countries in process; fostering deeper relationships with civil society; dedicating profits to the protection of rights; adding human rights experts to its new leadership team; vetting business decisions through the newly created Business Ethics Committee; and closely monitoring technology misuse in countries in which they plan to remain.

The Departments of Commerce and State will closely monitor Sandvine's implementation of its commitments.

"Recognizing when a company has changed its behavior to protect national security and human rights is just as critical as restricting trade with parties of concern," said **Principal Deputy Assistant Secretary of Commerce for Export Administration Matthew Borman**. "Sandvine's delisting is a clear example of how the Entity List may be used to shape corporate behavior in favor of human rights and digital safety."

"Promoting and protecting human rights is not just critical for U.S. national security and foreign policy, it's good business. The U.S. government won't hesitate to use all available tools – including export controls, sanctions, and others – to promote accountability and advance human rights. As Sandvine's listing and subsequent delisting shows, these tools work in driving reform and strengthening human rights due diligence," said **Deputy Assistant Secretary of State**

Christopher Le Mon. "This action demonstrates clearly that accountability for human rights abuses has a positive impact on addressing past harm and preventing future abuses. We will continue to work with industry and civil society to promote reforms and counter the misuse of technology to violate or abuse human rights worldwide."

This action supports the United States' commitments under the Export Controls and Human Rights Initiative (ECHRI) and comprehensive approach to countering the misuse of surveillance and censorship technologies, including commercial spyware. The United States continues to advance the promotion and protection of human rights globally, including by using export controls to prevent the misuse of items that may enable human rights abuses.

The removal of Sandvine from the Entity List reaffirms the United States' commitment to put human rights at the center of U.S. foreign policy and the effectiveness of the United States' tools to bolster business and human rights reforms.

Additional Background on the Entity List Process

This BIS action was taken under the authority of the Export Control Reform Act of 2018 and its implementing regulations, the Export Administration Regulations (EAR).

The Entity List (supplement no. 4 to part 744 of the EAR) identifies entities and addresses for which there is reasonable cause to believe, based on specific and articulable facts, that the entities – including businesses, research institutions, government and private organizations, individuals, and other types of legal persons – or parties that are operating at an address that presents a high diversion risk, have been involved, are involved, or pose a significant risk of being or becoming involved in activities contrary to the national security or foreign policy interests of the United States. Parties on the Entity List are subject to individual licensing requirements and policies supplemental to those found elsewhere in the EAR.

Entity List additions are determined by the interagency End-User Review Committee (ERC), comprised of the Departments of Commerce (Chair), Defense, State, Energy, and where appropriate, the Treasury. The ERC makes decisions regarding additions to, removals from, or other modifications to the Entity List. The ERC makes all decisions to add an entity to the Entity List by majority vote and makes all decisions to remove or modify an entity by unanimous vote.

Additional information on the Entity List is available on BIS's website at: https://www.bis.gov/entity-list.

(vi) respond as promptly as practicable under the circumstances to any inquiries received from any Governmental Entity, Person, or other authority enforcing applicable antitrust, competition, trade regulation or similar Laws for additional information or documentation in connection with antitrust, compensation, trade regulation or similar matters (collectively, "**Antitrust Laws**") as applicable to the Restructuring Transactions, and use commercially reasonable efforts to address, vacate, modify, reverse, suspend, prevent, eliminate, or remove any inquiry, investigation, or action by any Governmental Entity, Person, or other authority, pursuant to any applicable Antitrust Laws the existence or outcome of which could reasonably result in an adverse impact to the entitlements of the Consenting Stakeholders under this Agreement; and

(vii) give any notice, order, instruction, or direction to the Existing Loan Agents, the DDTL Agents, and the CCAA Financing Agents necessary to give effect to the Restructuring Transactions.

(b) During the Agreement Effective Period, each Consenting Stakeholder, on a several and not joint basis, agrees, including in respect of all of its Company Claims/Interests, that it shall not directly or indirectly:

(i) object to, delay, impede, or take any other action to interfere with acceptance, implementation, or consummation of the Restructuring Transactions in accordance with the terms of this Agreement and the Restructuring Term Sheet;

(v) object to, delay, impede, or take any other action to interfere with the Company Parties' ownership and possession of their assets, wherever located, or interfere with the stay granted by the CCAA Court in the CCAA Proceedings, the automatic stay arising under section 362 of the Bankruptcy Code (if made effective as to any Company Party under the Chapter 15 Proceedings), or any stay imposed pursuant to an order entered by the Chapter 15 Court in accordance with section 1519 of the Bankruptcy Code or otherwise.

7.02. Commitments, Forbearances, and Waivers with Respect to CCAA Proceedings and Chapter 15 Proceedings.

(a) Subject to the provisions of Section 14.05 of this Agreement, during the Agreement Effective Period, each Consenting Stakeholder, on a several and not joint basis, agrees that it shall, (i) in the case of a Plan (x) to the extent such Consenting Stakeholder is entitled to vote to accept or reject the Plan pursuant to its terms, vote each of its Company Claims/Interests to accept the Plan by delivering its duly executed and completed ballot accepting the Plan on a timely basis following the commencement of the solicitation of the Plan, and not change, withdraw, amend, or revoke (or cause or direct to be changed, withdrawn, amended, or revoked) any such vote, and (y) regardless of whether such Consenting Stakeholder is entitled to vote to accept or reject the Plan, agree to provide or opt into, and to not opt out of or object to, releases set forth in any Plan consistent with the terms set forth in this Agreement (including the Restructuring Term Sheet), and not change, withdraw, amend, or revoke (or cause or direct to be changed, withdrawn, amended, or revoked) any such release, and (ii) in the case of an Approval and Reverse Vesting Order or Approval and Vesting Order, consent to or otherwise support the Approval and Reverse Vesting Order or Approval and Vesting Order, as applicable.

(c) The Consenting Stakeholders agree to forbear, solely during the Agreement Effective Period, from the exercise of (and to direct the Existing Loan Agents to so forbear from the exercise of, including by executing any direction reasonably requested by the Existing Loan Agents) any and all rights and remedies in contravention of this Agreement, whether at law, in equity, by agreement, or otherwise, which are or become available to them in respect of the Existing Loan Credit Agreement, the Existing Loans, or any other Claims and Interests, as a result of any defaults or events of default thereunder, whether now existing or arising during the Agreement Effective Period, including as a result of (i) the failure to pay interest due under the Existing Loan Credit Agreement (if any), (ii) the failure to furnish to the Existing Loan Agents audited financial statements or other information by the applicable deadlines specified in Article V of the Existing Loan Credit Agreement (if any), or (iii) any related notice requirements or cross defaults; provided that such forbearance shall not constitute a waiver of any defaults or events of default under the Existing Loan Credit Agreement. Additionally, solely during the Agreement Effective Period, the Consenting Stakeholders agree not to support, join, or otherwise assist any Person in litigation against the Company Parties in connection with the Restructuring Transactions, Existing Loans, or any other Claims and Interests; provided that the foregoing will not limit any of the Consenting Stakeholders' rights to enforce any rights under or consistent with this Agreement.

Section 8. ***Commitments of the DDTL Tranche A Commitment Parties*** .

8.01. Each Consenting Stakeholder that has elected to become a DDTL Tranche A Commitment Party agrees to (a) provide a DDTL Tranche A Commitment pursuant to the DDTL

Section 9. ***Commitments of the Company Parties***.

9.01. Affirmative Commitments. Except as set forth in Section 10, or unless otherwise consented to or waived by the Required Consenting Stakeholders, during the Agreement Effective Period, the Company Parties agree to:

(a) support, act in good faith, and take all reasonable actions necessary to implement and consummate the Restructuring Transactions as contemplated by this Agreement and the Restructuring Term Sheet;

(b) to the extent any legal or structural impediment arises that would prevent, hinder, or delay the consummation of the Restructuring Transactions, take all steps reasonably necessary to address any such impediment and to negotiate in good faith with the Consenting Stakeholders regarding reasonable and appropriate additional or alternative provisions to address any such impediment;

(c) use commercially reasonable efforts to continue working with the relevant United States Governmental Entities to remove all applicable Company Parties from the Entity List;

(provided that if delivery of such document at least two Business Days in advance is impossible or impracticable under the circumstances, such document shall be delivered as soon as reasonably practicable).

9.02. Negative Commitments. Except as set forth in Section 10 or unless otherwise consented to or waived by the Required Consenting Stakeholders, during the Agreement Effective Period, each of the Company Parties agrees that it shall not:

(a) object to, delay, impede, or take any other action to interfere with acceptance, implementation, or consummation of the Restructuring Transactions;

(b) take any action that is inconsistent in any material respect with, or is intended to frustrate or impede the approval, implementation, and consummation of the Restructuring Transactions;

(c) (i) execute, deliver, and/or file with the CCAA Court or the Chapter 15 Court any agreement, instrument, motion, pleading, order, form, or other document that is to be utilized to implement or effectuate, or that otherwise relates to, this Agreement and/or the Restructuring Transactions that, in whole or in part, is not consistent with this Agreement, or if applicable, file any pleading with the CCAA Court or the Chapter 15 Court seeking authorization to accomplish or effect any of the foregoing; or (ii) waive, amend, or modify any of the Definitive Documents, or, if applicable, file with the CCAA Court or the Chapter 15 Court a pleading seeking to waive, amend, or modify any term or condition of any of the Definitive Documents, which waiver, amendment, modification, or filing contains any provision that is not consistent with this Agreement (including the Restructuring Term Sheet); or

(d) (i) seek discovery in connection with, prepare, or commence any proceeding or other action that challenges (A) the amount, validity, allowance, character, enforceability, or priority of any Company Claims/Interests of any of the Consenting Stakeholders, or (B) the validity, enforceability, or perfection of any lien or other encumbrance securing (or purporting to secure) any Company Claims/Interests of any of the Consenting Stakeholders; (ii) otherwise seek to restrict any rights of any of the Consenting Stakeholders; or (iii) support any Person in connection with any of the acts described the foregoing clauses.

Section 10. ***Additional Provisions Regarding Commitments of the Company Parties.***

10.01. Notwithstanding anything to the contrary in this Agreement, nothing in this Agreement shall require a Company Party or the board of directors, board of managers, or similar governing body of a Company Party, after consulting with outside counsel, in its capacity as such, to take any action or to refrain from taking any action with respect to the Restructuring Transactions to the extent that it determines in good faith that taking or failing to take such action would be inconsistent with its fiduciary obligations under applicable Law, and any such action or inaction pursuant to this Section 10.01 shall not be deemed to constitute a breach of this Agreement. If the board of directors, board of managers, or such similar governing body of any Company Party, in compliance with this Section 10.01, determines to take or refrain from taking any action, it shall promptly (but, in any event, within forty-eight hours after such determination) provide written notice to the Consenting Stakeholders (or their advisors) of such determination

(which notice shall include a reasonable description of the action that such Company Party has determined not to take or to not refrain from taking, as well as a reasonably detailed explanation for such determination).

Section 11. ***Transfer of Interests and Securities; Joinder***.

11.01. During the Agreement Effective Period, except pursuant to the consummation of the Restructuring Transactions, no Consenting Stakeholder shall Transfer any ownership (including any beneficial ownership as defined in Rule 13d-3 under the Exchange Act) in any Company Claims/Interests to any affiliated or unaffiliated party, including any party in which it may hold a direct or indirect beneficial interest, unless:

(a) the authorized transferee is either (1) a "qualified institutional buyer" (as defined in Rule 144A of the Securities Act), (2) a non-U.S. person in an "offshore transaction" (as defined under Regulation S under the Securities Act), (3) an "accredited investor" (as defined by Rule 501 of the Securities Act), or (4) a Consenting Stakeholder; and

(b) either (i) the transferee executes and delivers to counsel to the Company Parties, at, before, or within two Business Days of the time of the proposed Transfer, a Transfer Agreement or (ii) the transferee is a Consenting Stakeholder and the transferor provides notice of such Transfer (including the amount and type of Company Claims/Interests Transferred and the identity of the transferor) to counsel to the Company Parties at, before, or within two Business Days of the time of the proposed Transfer.

11.02. Upon compliance with the requirements of Section 11.01, (a) the transferee shall be deemed a "Consenting Stakeholder" and a "Party" under this Agreement, and (b) the transferor shall be deemed to relinquish its rights (and be released from its obligations) under this Agreement to the extent of the rights and obligations in respect of such transferred Company Claims/Interests.

11.03. This Agreement shall in no way be construed to preclude the Consenting Stakeholders from acquiring additional Company Claims/Interests; provided that (a) such additional Company Claims/Interests shall automatically and immediately upon acquisition by a Consenting Stakeholder be deemed subject to the terms of this Agreement (regardless of when or whether notice of such acquisition is given to counsel to the Company Parties), and (b) such Consenting Stakeholder must provide written notice of such acquisition (including the amount and type of Company Claim/Interest acquired) to counsel to the Company Parties within five Business Days of such acquisition, in the manner set forth in Section 16.10 hereof (by electronic mail or otherwise).

11.04. This Section 11 shall not impose any obligation on any Company Party to issue any "cleansing letter" or otherwise publicly disclose information for the purpose of enabling a Consenting Stakeholder to Transfer any of its Company Claims/Interests. Notwithstanding anything to the contrary herein, to the extent a Company Party and another Party have entered into a Confidentiality Agreement, the terms of such Confidentiality Agreement shall continue to apply and remain in full force and effect according to its terms, and this Agreement does not supersede any rights or obligations otherwise arising under such Confidentiality Agreement, including any

obligation thereunder on any Company Party to issue any "cleansing letter" or otherwise publicly disclose information.

11.05. Notwithstanding Section 11.01, a Qualified Marketmaker that acquires any Company Claims/Interests with the purpose and intent of acting as a Qualified Marketmaker for such Company Claims/Interests shall not be required to execute and deliver a Joinder or Transfer Agreement, as applicable, in respect of such Company Claims/Interests if: (a) such Qualified Marketmaker subsequently transfers such Company Claims/Interests (by purchase, sale, assignment, participation, or otherwise) within ten Business Days of its acquisition to a transferee that is an entity that is not an affiliate, affiliated fund, or affiliated entity with a common investment advisor; (b) the transferee otherwise is a Permitted Transferee; and (c) the Transfer otherwise is a permitted Transfer under Section 11.01 hereof. To the extent that a Consenting Stakeholder is acting in its capacity as a Qualified Marketmaker, it may (x) acquire Company Claims/Interests (i) without such Company Claims/Interests being automatically deemed subject to this Agreement, and (ii) without being required to provide notice of such acquisition to counsel to the Company Parties and to counsel to the Consenting Stakeholders, and (y) Transfer (by purchase, sale, assignment, participation, or otherwise) any right, title, or interests in Company Claims/Interests that the Qualified Marketmaker acquires from a holder of the Company Claims/Interests who is not a Consenting Stakeholder without the requirement that the transferee be a Permitted Transferee. For the avoidance of doubt, if a Qualified Marketmaker acquires any Company Claims/Interests from a Consenting Stakeholder and is unable to transfer such Company Claims/Interests within the ten Business Day-period referred to above, the Qualified Marketmaker shall execute and deliver a Transfer Agreement in respect of such Company Claims/Interests.

11.06. Notwithstanding anything to the contrary in this Section 11, the restrictions on Transfer set forth in this Section 11 shall not apply to the grant of any liens or encumbrances on any Company Claims/Interests in favor of a bank or broker-dealer holding custody of such Company Claims/Interests in the ordinary course of business consistent with past practice and which lien or encumbrance is released upon the Transfer of such Company Claims/Interests.

11.07. Any Transfer of Company Claims/Interests in violation of Section 11.01 or Section 11.03, as applicable, shall be void *ab initio*.

11.08. In addition, a Person that owns or controls Existing Loan Claims may become a party hereto as a Consenting Stakeholder by executing and delivering to counsel to the Company Parties and counsel to the Consenting Stakeholders a Joinder, in which event such Person shall be deemed to be a Consenting Stakeholder hereunder to the extent of the Claims against the Company Parties owned and controlled by such Person.

Section 12. ***Representations and Warranties of Consenting Stakeholders***. Each Consenting Stakeholder severally, and not jointly, represents and warrants that the following statements are true and correct as of the date such Consenting Stakeholder executes and delivers this Agreement, a Transfer Agreement, or a Joinder, as applicable, except as expressly set forth on its signature page to this Agreement, a Transfer Agreement, or a Joinder, as applicable:

(a) it is (i) the beneficial or record owner of the face amount of the Company Claims/Interests reflected in (or is the nominee, investment manager, or advisor for beneficial

holders of the Company Claims/Interests reflected in) such Consenting Stakeholder's signature page to this Agreement, a Transfer Agreement, or a Joinder, as applicable, and (ii) not the beneficial or record owner of any Company Claims/Interests other than those reflected in such Consenting Stakeholder's signature page to this Agreement, a Transfer Agreement, or a Joinder, as applicable (in each case as may be updated pursuant to Section 11);

(b) it has the full power and authority to act on behalf of, vote, and consent to matters concerning, such Company Claims/Interests as contemplated by this Agreement;

(c) such Company Claims/Interests are free and clear of any pledge, lien, security interest, charge, claim, option, proxy, voting restriction, right of first refusal, or other limitation on disposition, transfer, or encumbrances of any kind, that would adversely affect in any way such Consenting Stakeholder's ability to perform any of its obligations under this Agreement at the time such obligations are required to be performed; and

(d) (i) it is either (A) a "qualified institutional buyer" (as defined in Rule 144A of the Securities Act), (B) a non-U.S. person in an "offshore transaction" (as defined under Regulation S under the Securities Act), or (C) an "accredited investor" (as defined by Rule 501 of the Securities Act), and (ii) any securities acquired by the Consenting Stakeholder in connection with the Restructuring Transactions will have been acquired for investment and not with a view to distribution or resale in violation of the Securities Act.

Section 13. ***Mutual Representations, Warranties, and Covenants***. Each of the Parties, on a several and not joint basis, represents, warrants, and covenants to each other Party, as of the date such Party executes and delivers this Agreement, a Transfer Agreement, or a Joinder, as applicable:

(a) it is validly existing and in good standing under the Laws of the jurisdiction of its organization, and this Agreement is a legal, valid, and binding obligation of such Party, enforceable against it in accordance with its terms, except as enforcement may be limited by applicable Laws relating to or limiting creditors' rights generally or by equitable principles relating to enforceability;

(b) except as expressly provided in this Agreement, and as may be required in connection with any CCAA Proceedings and Chapter 15 Proceedings, no consent or approval is required by any other Person for it to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement;

(c) the entry into and performance by it of, and the transactions contemplated by, this Agreement do not, and will not, conflict in any material respect with any Law or regulation applicable to it or with any of its Organizational Documents;

(d) except as expressly provided in this Agreement, it has (or will have, at the relevant time) all requisite corporate or other power and authority to enter into, execute, and deliver this Agreement and to effectuate the Restructuring Transactions contemplated by, and perform its respective obligations under, this Agreement; and

(e) except as expressly provided by this Agreement, it is not party to any restructuring or similar agreements or arrangements with any of the other Parties or any other Person that have not been disclosed to all Parties.

Section 14. ***Termination Events***.

14.01. Consenting Stakeholder Termination Events. This Agreement may be terminated as to all Parties by the Required Consenting Stakeholders upon the delivery to counsel to the Company Parties of a written notice in accordance with Section 16.10 upon the occurrence of any of the following events (each, a "**Consenting Stakeholder Termination Event**"):

(a) the breach in any material respect (without giving effect to any "materiality" qualifiers set forth therein) by a Company Party of any of the representations, warranties, covenants, or other obligations or agreements of the Company Parties set forth in this Agreement that remains uncured (if susceptible to cure) for ten Business Days after such terminating Consenting Stakeholder(ies) deliver a written notice in accordance with Section 16.10 detailing any such breach;

(b) any of the Milestones (as may have been extended with the approval of the Required Consenting Stakeholders) is not achieved, except where such Milestone has been waived by the Required Consenting Stakeholders; provided that the right to terminate this Agreement under this Section 14.01(b) shall not be available to the Required Consenting Stakeholders if the failure of such Milestone to be achieved is caused by, or results from, the material breach by any terminating Consenting Stakeholder of its covenants, agreements, or other obligations under this Agreement;

(c) the issuance by any Governmental Entity, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling or order that (i) enjoins the consummation of a material portion of the Restructuring Transactions and (ii) remains in effect for thirty days after such terminating Consenting Stakeholders deliver a written notice in accordance with Section 16.10 hereof detailing any such issuance; provided that this termination right may not be exercised by any Consenting Stakeholder that sought or requested such ruling or order;

(d) any Company Party (i) publicly announces, or announces in writing, to any of the Consenting Stakeholders or other holders of Company Claims/Interests, its intention not to support or pursue the Restructuring Transactions, or (ii) exercises any right pursuant to Section 10.01;

(e) the acceleration of the DDTL Facility following an event of default thereunder that has not been cured or waived by the requisite lenders under the DDTL Facility;

(f) following a CCAA Filing Date:

(i) the CCAA Court grants relief that (i) is inconsistent with this Agreement or the Restructuring Term Sheet in any material respect or (ii) would, or would reasonably be expected to, frustrate the purposes of this Agreement, including by issuing an order denying approving of the Approval and Reverse Vesting Order, Approval and Vesting Order or the Plan Approval Order, as applicable, or disallowing a material provision thereof each in a manner inconsistent with this Agreement and without the consent of the Required Consenting

Stakeholders, unless the order granting such relief has been stayed, modified, or reversed within fourteen days after such terminating Consenting Stakeholder(s) deliver a written notice in accordance with Section 16.10 hereof; or

(ii) an examiner, trustee, administrator, receiver or similar individual (other than the Monitor) shall have been appointed in the CCAA Proceedings, or the CCAA Proceedings shall have been converted to bankruptcy or liquidation proceedings under applicable Law, or the CCAA Proceedings shall have been dismissed by an order of the CCAA Court, in each case, without the consent of the Requisite Consenting Stakeholders.

14.02. Company Party Termination Events. Any Company Party may terminate this Agreement as to all Parties upon the delivery to the Consenting Stakeholders (or their advisors) of a written notice in accordance with Section 16.10 upon the occurrence of any of the following events (unless waived in writing by the Company Parties) (each, a "**Company Party Termination Event**," and together with each Consenting Stakeholder Termination Event, each, a "**Termination Event**"):

(a) the breach in any material respect by the Consenting Stakeholders of any of the representations, warranties, covenants, or other obligations or agreements of the Consenting Stakeholders set forth in this Agreement that remains uncured (if susceptible to cure) for ten Business Days after such Company Party delivers a written notice in accordance with Section 16.10 detailing any such breach; provided that this Agreement may not be terminated pursuant to this Section 14.02(a) if, in the event of a breach of this Agreement by any subset of Consenting Stakeholders, the non-breaching Consenting Stakeholders continue to hold or control at least 66.67% of the aggregate principal amount of each of the Existing Loan Claims, the DDTL Tranche A Loan Claims, the DDTL Tranche B Loan Claims, and the CCAA Financing Loan Claims and a majority in number of all holders of such Claims (such percentage, and number, as applicable, to be determined after giving effect to any *bona fide* unsettled trades as of such date, provided that, and solely to the extent requested by counsel to the Company Parties in writing, such non-breaching Consenting Stakeholders with unsettled trades as of such dates shall provide reasonably satisfactory documentation to counsel to the Company Parties evidencing the validity of such unsettled trades (it being understood and agreed that executed trade confirmations shall be deemed satisfactory documentation));

(b) the board of directors, board of managers, or such similar governing body of any Company Party determines, after consulting with outside counsel, that proceeding with any of the Restructuring Transactions would be inconsistent with the exercise of its fiduciary duties or applicable Law; or

(c) the issuance by any Governmental Entity, including any regulatory authority or court of competent jurisdiction, of any final, non-appealable ruling or order that (i) enjoins the consummation of a material portion of the Restructuring Transactions and (ii) remains in effect for thirty days after such terminating Company Party delivers a written notice in accordance with Section 16.10 detailing any such issuance; provided that this termination right shall not apply to or be exercised by any Company Party that sought or requested such ruling or order.

14.03. Mutual Termination. This Agreement, and the obligations of all Parties hereunder, may be terminated by mutual written agreement between General Partner, on behalf of each Company Party, and the Required Consenting Stakeholders.

14.04. Automatic Termination. This Agreement shall automatically terminate (a) with respect to all Parties without any further required action or notice immediately after the occurrence of the earlier of the Transaction Effective Date and 11:59 p.m. prevailing Eastern Time on the Outside Date or (b) as to any Consenting Stakeholder upon its transfer of all (but not less than all) of its Claims in accordance with Section 11 as of the date that the Company Parties receive a Transfer Agreement or notice required under Section 11.01(b), provided that, for the avoidance of doubt, termination of this Agreement pursuant to this clause (ii) shall only apply with respect to such Consenting Stakeholder and this Agreement shall remain in effect as to all other Consenting Stakeholders; provided further, that if a Consenting Stakeholder transfers all of its Claims and then subsequently purchases Claims (that were not yet subject to this Agreement), such newly-acquired Claims shall also be subject to this Agreement and such creditor shall be deemed a Consenting Stakeholder).

14.05. Effect of Termination. Subject to the provisions of Section 16.13 and Section 16.21 of this Agreement, upon the occurrence of the Termination Date as to any Party, this Agreement shall be of no further force and effect with respect to such Party and such Party shall be released from its commitments, undertakings, obligations, and agreements under or related to this Agreement and shall have the rights and remedies that it would have had, had it not entered into this Agreement, and shall be entitled to take all actions, whether with respect to the Restructuring Transactions or otherwise, that it would have been entitled to take had it not entered into this Agreement, including with respect to any and all Claims or Causes of Action; provided that in no event shall any such termination relieve any Party from (i) liability for its breach or non-performance of its obligations under this Agreement prior to the applicable Termination Date or (ii) obligations under this Agreement which by their terms expressly survive termination of this Agreement. Upon the occurrence of the Termination Date prior to the Transaction Effective Date, any and all consents or ballots tendered by the applicable Parties before such Termination Date shall be deemed, for all purposes, to be null and void from the first instance and shall not be considered or otherwise used in any manner by the Parties in connection with the Restructuring Transactions, this Agreement, or otherwise. Nothing in this Agreement shall be construed as prohibiting a Company Party or any of the Consenting Stakeholders from contesting whether any such termination is in accordance with its terms or to seek enforcement of any rights under this Agreement that arose or existed before a Termination Date. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict (a) any right of any Company Party or the ability of any Company Party to protect and reserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Consenting Stakeholder, and (b) any right of any Consenting Stakeholder, or the ability of any Consenting Stakeholder, to protect and preserve its rights (including rights under this Agreement), remedies, and interests, including its claims against any Company Party or Consenting Stakeholder. No Party may terminate this Agreement on account of a Termination Event if the occurrence of such Termination Event was primarily caused by, or primarily resulted from, such Party's own action (or failure to act) in breach of the terms of this Agreement.

14.06. Stay. The Company Parties acknowledge that the giving of notice of termination by any Party pursuant to this Agreement shall not be a violation of any stay under the CCAA, any automatic stay under section 362 of the Bankruptcy Code (if made effective as to any Company Party under the Chapter 15 Proceedings), or any stay imposed pursuant to an order entered by the Chapter 15 Court in accordance with section 1519 of the Bankruptcy Code or otherwise, and the Company Parties hereby waive, to the fullest extent permitted by Law, the applicability of any stay as it relates to any such notice being provided.

Section 15. ***Amendments and Waivers***.

15.01. Amendments and Waivers.

(a) This Agreement may not be modified, amended, or supplemented, and no condition or requirement of this Agreement may be waived, in any manner except in accordance with this Section 15.

(b) This Agreement may be modified, amended, or supplemented, or a condition or requirement of this Agreement may be waived, in a writing (electronic mail being sufficient) signed: (i) in the case of a waiver, a waiver by the Party against whom the waiver is to be effective (it being understood that the Required Consenting Stakeholders may waive any Milestones in accordance with Section 6.01, any conditions to the obligations of the Consenting Stakeholders under this Agreement, or any rights of the Consenting Stakeholders under this Agreement) (subject to the consent rights set forth in the provisos to clause (ii) of this Section 15.01(b)), and (ii) in the case of a modification, amendment, or supplement, by the Company Parties and the Required Consenting Stakeholders, as applicable; provided that (A) if the proposed modification, amendment, or supplement will result in a material change from the terms provided in this Agreement, including the Restructuring Term Sheet, that has a disproportionate and adverse effect on the economic recoveries or treatment of a Consenting Stakeholder's Claims as compared with the same type of Claims held by the other Consenting Stakeholders, then the consent of such affected Consenting Stakeholder (solely in its affected capacity) shall also be required to effectuate such modification, amendment, or supplement; (B) any modification, amendment, or supplement to this Section 15.01(b) and the definitions for "Required Consenting Stakeholders" and "Outside Date" shall require the consent of all Parties.

(c) In determining whether any consent or approval has been given by an applicable Required Consenting Stakeholder, any Company Claims/Interests held by any then-existing Consenting Stakeholder that (i) is in material breach of its covenants, obligations, or representations under this Agreement, (ii) has been notified in writing of such material breach by the Company Parties at least ten Business Days prior to the earlier of the record date for determining Parties that can provide such consent or approval and the effective date of such consent or approval, and (iii) has not cured such material breach shall be excluded from such determination, and the Company Claims/Interests held by such Consenting Stakeholder shall be treated as if they were not outstanding.

(d) Any proposed modification, amendment, waiver, or supplement that does not comply with this Section 15 shall be ineffective and void *ab initio*.

(e) The waiver by any Party of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any Party to exercise, and no delay in exercising, any right, power, or remedy under this Agreement shall operate as a waiver of any such right, power, or remedy or any provision of this Agreement, nor shall any single or partial exercise of such right, power, or remedy by such Party preclude any other or further exercise of such right, power, or remedy or the exercise of any other right, power, or remedy. All remedies under this Agreement are cumulative and are not exclusive of any other remedies provided by Law.

Consistent with the preceding sentence, the Parties hereby (a) irrevocably submit to the exclusive jurisdiction of the Chosen Courts, (b) waive any objection to laying of venue in any such action or proceeding in the Chosen Courts, and (c) waive any objection that the Chosen Courts are an inconvenient forum or do not have jurisdiction

over any Party; provided that each of the Parties hereby agrees that, for the duration of any CCAA Proceedings and the Chapter 15 Proceedings, the CCAA Court and/or the Chapter 15 Court shall have exclusive jurisdiction of all matters relating to the enforcement of this Agreement. The foregoing shall not limit the rights of any Party to introduce this Agreement in any court in any jurisdiction in order to prosecute or defend against a cause of action that has been brought against it or any of its affiliates or representatives in such court.

Except as expressly provided in this Agreement, each individual executing this Agreement on behalf of a Party has been duly authorized and empowered to execute and deliver this Agreement on behalf of said Party.

16.08. Rules of Construction. This Agreement is the product of negotiations among the Parties, and in the enforcement or interpretation hereof, is to be interpreted in a neutral manner, and any presumption with regard to interpretation for or against any Party by reason of that Party having drafted or caused to be drafted this Agreement, or any portion hereof, shall not be effective in regard to the interpretation hereof. Each of the Parties was represented by counsel during the negotiations and drafting of this Agreement and continue to be represented by counsel.

16.09. Successors and Assigns; Third Parties. This Agreement is intended to bind and inure to the benefit of the Parties and their respective successors and permitted assigns, as applicable. Any notice given by delivery, mail, or courier shall be effective when received, and any notice delivered or given by electronic mail shall be effective when sent.

16.11. Independent Due Diligence and Decision Making. Each Consenting Stakeholder hereby confirms that (a) its decision to execute this Agreement has been based upon its independent investigation of the operations, businesses, and financial and other conditions, and prospects of the Company Parties and (b) it has had a reasonable opportunity to consult with its own counsel in connection such decision.

16.12. Enforceability of Agreement. Each of the Parties, to the extent enforceable, waives any right to assert that the exercise of termination rights under this Agreement is subject to the stay provisions of the CCAA, the automatic stay provisions of the Bankruptcy Code, or any stay imposed pursuant to an order entered by the Chapter 15 Court in accordance with section 1519 of the Bankruptcy Code or otherwise, and expressly stipulates and consents hereunder to the prospective lifting or modification of the stay provisions of the CCAA, the automatic stay provisions of the Bankruptcy Code, or any stay imposed pursuant to an order entered by the Chapter 15 Court in accordance with section 1519 of the Bankruptcy Code or otherwise, for purposes of exercising termination rights under this Agreement, to the extent the CCAA Court or the Chapter 15 Court, as applicable, determines that such relief is required.

16.13. Waiver/Settlement Discussions. If the Restructuring Transactions are not consummated, or if this Agreement is terminated for any reason, the Parties fully reserve any and all of their rights. Except as expressly provided in this Agreement, nothing herein is intended to, or does, in any manner waive, limit, impair, or restrict the ability of each of the Parties to protect and preserve its rights, remedies, and interests, including its claims against any of the other Parties

(or their respective affiliates or subsidiaries) or its full participation in any CCAA Proceedings and/or Chapter 15 Proceedings, or any subsequent case, litigation, or other dispute. This Agreement is part of a proposed settlement of matters that could otherwise be the subject of litigation among the Parties. Pursuant to Federal Rule of Evidence 408, any applicable state rules of evidence, and any other applicable Law, foreign or domestic, this Agreement and all negotiations relating hereto shall not be admissible into evidence in any proceeding other than to prove the existence of this Agreement or in a proceeding to enforce the terms of this Agreement. This Agreement is not, and shall not be construed as or be deemed to be evidence of an admission or concession on the part of any Party of any claim or fault or liability or damages whatsoever. Each of the Parties denies any and all wrongdoing or liability of any kind and does not concede any infirmity in the claims or defenses which it has asserted or could assert.

16.14. Specific Performance. It is understood and agreed by the Parties that money damages would be an insufficient remedy for any breach of this Agreement by any Party, and each non-breaching Party shall be entitled to seek specific performance and injunctive or other equitable relief (without the posting of any bond and without proof of actual damages) as a remedy of any such breach, including an order of the CCAA Court or other court of competent jurisdiction requiring any Party to comply promptly with any of its obligations hereunder.

16.15. Several, Not Joint, Claims. Except where otherwise specified, the agreements, representations, warranties, and obligations of the Parties under this Agreement are, in all respects, several and not joint.

16.16. Severability and Construction. If any provision of this Agreement shall be held by a court of competent jurisdiction to be illegal, invalid, or unenforceable, the remaining provisions shall remain in full force and effect if essential terms and conditions of this Agreement for each Party remain valid, binding, and enforceable.

16.17. Remedies Cumulative. All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise of any right, power, or remedy thereof by any Party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such Party.

16.18. Capacities of Consenting Stakeholders. Each Consenting Stakeholder has entered into this Agreement on account of all Company Claims/Interests that it holds (directly or through discretionary accounts that it manages or advises), except as expressly set forth on its signature page to this Agreement, a Transfer Agreement, or a Joinder, as applicable, and, except where otherwise specified in this Agreement, shall take or refrain from taking all actions that it is obligated to take or refrain from taking under this Agreement with respect to all such Company Claims/Interests.

16.19. Electronic Mail Consents. Where a written consent, acceptance, approval, notice, or waiver is required pursuant to or contemplated by this Agreement, including a written approval by the Company Parties or the Required Consenting Stakeholders, such written consent, acceptance, approval, or waiver shall be deemed to have occurred if such consent, acceptance, approval, or waiver is given or made by the applicable Party(ies) or counsel to the applicable

Party(ies) to the other applicable Party(ies) or counsel to the other applicable Party(ies) by electronic mail.

16.20. Relationship Among Parties. It is understood and agreed that no Consenting Stakeholder owes any duty of trust or confidence of any kind or form to any other Party as a result of entering into this Agreement, and there are no commitments among or between the Consenting Stakeholders, in each case except as expressly set forth in this Agreement. In this regard, it is understood and agreed that any Consenting Stakeholder may trade in Company Claims/Interests without the consent of any other Party, subject to applicable securities laws and the terms of this Agreement, including Section 11; provided that no Consenting Stakeholder shall have any responsibility for any such trading to any other Person by virtue of this Agreement. No prior history, pattern, or practice of sharing confidences among or between the Parties shall in any way affect or negate this understanding and agreement. No Consenting Stakeholder shall, nor shall any action taken by a Consenting Stakeholder pursuant to this Agreement, be deemed to be acting in concert or as any "group" (as that term is used in Section 13(d) of the Securities Exchange Act of 1934, as amended) with any other Consenting Stakeholder with respect to the obligations under this Agreement nor shall this Agreement create a presumption that the Consenting Stakeholders are in any way acting in concert or as such a group. The decision to commit to enter into the transactions contemplated by this Agreement has been made independently by each Party hereto. The Parties acknowledge that all representations, warranties, covenants, and other agreements made by or on behalf of any Consenting Stakeholder that is a separately managed account of an investment manager signatory hereto are being made only with respect to the assets managed by such manager on behalf of such Consenting Stakeholder, and shall not apply to (or be deemed to be made in relation to) any assets or interests that may be beneficially owned by such Consenting Stakeholder that are not held through accounts managed by such manager.

16.21. Survival. Notwithstanding (a) any Transfer of any Company Claims/Interests in accordance with this Agreement or (b) the termination of this Agreement in accordance with its terms, the terms, provisions, agreements and obligations set forth in Section 1.02, Section 8, Section 14.05, Section 15, and Section 16 (other than Section 16.03 in the event of a termination of this Agreement other than pursuant to Section 14.04), and Section 7.02(a)(ii), and any defined terms used in any of the forgoing Sections or proviso (solely to the extent used therein), shall survive such termination and shall continue in full force and effect with respect to all Parties in accordance with the terms hereof.

16.22. Publicity. Except as required by Law, no Party or its advisors shall (a) other than as necessary during live court proceedings and in filings in connection with any CCAA Proceedings and the Chapter 15 Proceedings, use the name of any Consenting Stakeholder in any public manner (including in any press release or (b) disclose to any Person (including, for the avoidance of doubt, any other Consenting Stakeholder), other than advisors to the Company Parties, the principal amount or percentage of any Company Claims/Interests held by any Consenting Stakeholder, or any notice of a Transfer of ownership in any Company Claims/Interests by or to a Consenting Stakeholder pursuant to Section 11 without such Consenting Stakeholder's prior written consent (it being understood and agreed that each Consenting Stakeholder's signature page to this Agreement shall be redacted to remove the name of such Consenting Stakeholder and the amount and/or percentage of Company Claims/Interests held by such Consenting Stakeholder); provided that (i) if any disclosure contemplated by this sentence is

required by Law, the disclosing Party shall afford the relevant Consenting Stakeholder a reasonable opportunity to review and comment in advance of such disclosure, shall incorporate any comments from such Consenting Stakeholder, in good faith, and shall take all reasonable measures to limit such disclosure and (ii) the foregoing shall not prohibit the disclosure of the aggregate percentage or aggregate principal amount of Company Claims/Interests held by the Consenting Stakeholders of the same class, collectively. Notwithstanding the provisions in this Section 16.22, (w) any Party may disclose the identities of the other Parties in any action to enforce this Agreement or in any action for damages as a result of any breaches hereof, (x) any Party may disclose, to the extent expressly consented to in writing by a Consenting Stakeholder such Consenting Stakeholder's identity and individual holdings and (y) to the extent the Company Parties, acting reasonably and in good faith, determine that disclosure of the Consenting Stakeholders' names is necessary to preserve relationships with customers, suppliers, employees, and licensing or regulatory bodies, the Company Parties may disclose the name of any Consenting Stakeholder that was previously disclosed in any of the Company Parties' press releases, other public statements, or other public disclosures or contained in the Company Parties' communications materials as provided to and approved by counsel to the applicable Consenting Stakeholder.

16.23. No Recourse. This Agreement may only be enforced against the named parties hereto (and then only to the extent of the specific obligations undertaken by such parties in this Agreement). All Causes of Action (whether in contract, tort, equity, or any other theory) that may be based upon, arise out of, or relate to this Agreement, or the negotiation, execution, or performance of this Agreement, may be made only against the Persons that are expressly identified as parties hereto (and then only to the extent of the specific obligations undertaken by such parties herein). No past, present, or future direct or indirect director, manager, officer, employee, incorporator, member, partner, stockholder, equity holder, trustee, Affiliate, controlling person, agent, attorney, or other representative of any Party (including any person negotiating or executing this Agreement on behalf of a Party), nor any past, present, or future direct or indirect director, manager, officer, employee, incorporator, member, partner, stockholder, equity holder, trustee, Affiliate, controlling person, agent, attorney, or other representative of any of the foregoing (other than any of the foregoing that is a Party) (any such Person, a "**No Recourse Party**"), shall have any liability with respect to this Agreement or with respect to any Proceeding (whether in contract, tort, equity, or any other theory that seeks to "pierce the corporate veil" or impose liability of an entity against its owners or Affiliates or otherwise) that may arise out of or relate to this Agreement, or the negotiation, execution, or performance of this Agreement.

Participating Lenders in the Applicable Order of Purchase, but with the Term Loans of Participating Lenders with Reply Discounts equal to the Applicable Discount being purchased pro rata until the Auction Amount has been so expended on such purchases. If a Participating Lender has submitted a Return Bid containing multiple bids at different Reply Discounts, only the bid with the highest Reply Discount that is equal to or more than the Applicable Discount will be deemed the Qualifying Bid of such Participating Lender. In no event shall any purchase of Term Loans in an Auction be made at a Reply Discount lower than the Applicable Discount for such Auction.
