IN THE MATTER OF THE BANKRUPTCY OF SHAW CANADA L.P.
OF THE CITY OF MISSISSAUGA, IN THE PROVINCE OF ONTARIO

FIRST REPORT OF DUFF & PHELPS CANADA RESTRUCTURING INC.
AS TRUSTEE IN BANKRUPTCY OF
SHAW CANADA L.P.

September 19, 2012

1.0 Introduction

On August 31, 2012, Shaw Canada L.P. (the "Company") made an assignment in bankruptcy and Duff & Phelps Canada Restructuring Inc. ("D&P") was appointed trustee in bankruptcy ("Trustee") of the bankrupt estate, subject to affirmation at the First Meeting of Creditors. The First Meeting of Creditors is scheduled to be convened on September 24, 2012. A copy of the Certificate of Appointment dated August 31, 2012, issued by the Office of the Superintendent of Bankruptcy Canada, is attached as Appendix "A".

1.1 Purposes of this Report

The purposes of this report ("Report") are to:

- a) provide background information about the Company and these proceedings;
- b) summarize the Company's assets and liabilities as at the date of bankruptcy;
- c) provide the rationale for the Trustee's recommendation that the Company's former employees be entitled to vote on the appointment of inspectors at the First Meeting of Creditors, as contemplated by Section 113(3) of *The Bankruptcy and Insolvency Act* ("BIA"); and
- d) Recommend that this Honourable Court issue an order entitling the employees to nominate and vote on the appointment of inspectors.

1.2 Currency

All currency references in this Report are to Canadian dollars, unless otherwise noted.

2.0 Background

The Company is an indirect subsidiary of The Shaw Group Inc. ("Shaw US"). Shaw US is a publicly-traded (SHAW:NYSE) global provider of engineering, construction, technology, fabrication, remediation and support services for clients in the energy, chemicals, environmental, infrastructure and emergency response industries. The Company was a part of Shaw US' Energy and Chemicals segment.

The Company operated from leased premises in Mississauga, Ontario. As at the date of bankruptcy, the Company employed 107 individuals. The Company's workforce was not unionized. The Company maintained a pension plan - the Employee Retirement Plan of Stone & Webster Canada L.P., registration number 0515908 (the "Plan"). The Plan includes defined contribution and defined benefit components.

On August 31, 2012, Shaw US completed a sale in the amount of approximately US\$290 million of substantially all of its Energy and Chemicals segment to Technip, a company based in France. The Company was not acquired by Technip.

3.0 The Bankrupt Estate

3.1 Assets

As at the date of bankruptcy, there was approximately \$1.1 million in the Company's bank accounts. The Trustee transferred those funds to an estate account that it opened immediately following its appointment. The Company's other known assets are: (i) intercompany accounts receivable with an aggregate book value of approximately \$7.2 million reflected as owing from subsidiaries of Shaw US, being Shaw Energy & Chemicals Inc., Stone & Webster International, Inc. and Stone & Webster, Inc. (the "Intercompany Receivables"); and (ii) office and computer equipment, estimated to have a value of several hundred thousand dollars.

The Company's balance sheet as at the date of bankruptcy reflects an obligation to Shaw Overseas (Far East) Ltd. ("Shaw Overseas") in the amount of approximately \$14.9 million, pursuant to a promissory note dated March 1, 2004. The Company is a party to a Services Agreement with Shaw US dated September 1, 2007. As a result of this agreement, collection of the Intercompany Receivables is uncertain as it may be subject to set-off against the payable owing by the Company to Shaw Overseas. This matter is subject to review by the Trustee.

3.2 Creditors

It appears that the only priority claim is in respect of unpaid source deductions in the amount of approximately \$200,000 owing on the Company's final payroll prior to the date of bankruptcy. The Trustee understands that the Company does not have any secured creditors and that all wages and vacation pay have been paid. Rent was paid through to the date of bankruptcy.

Based on the Company's books and records and the Statement of Affairs, a copy of which is attached as Appendix "B", the principal unsecured creditors are:

- the Company's former employees for their severance and termination claims, which are likely among the largest claims against the Company. The Trustee is in the process of compiling the necessary information to quantify these obligations;
- the members of the Plan as a result of a deficit in the defined benefit component of the Plan. On September 18, 2012, the Financial Services Commission of Ontario ("FSCO") appointed PricewaterhouseCoopers Inc. ("PwC") as the Plan administrator. Based on discussions with certain of the Company's former employees, the pension deficit claim is believed to be approximately \$5 million. This is subject to confirmation; and
- Shaw Overseas, as described above.

4.0 Voting on Appointment of Inspectors

On September 11, 2012, the Trustee convened a meeting at its offices with Koskie Minsky LLP ("Koskie") and a representative of each of the employees and retirees of the Company, respectively. The Trustee understands that Koskie is acting as legal counsel to approximately 97 of the Company's former employees and an unknown number of retirees. The Trustee was advised during the meeting that certain former employees are interested in acting as estate inspectors and in nominating and voting for the appointment of inspectors.

Pursuant to Section 113(3)(b) of the BIA, employees are not entitled to vote on the appointment of inspectors except with the permission of the Court and on any condition that the Court may impose.

The Trustee believes that it is appropriate in the circumstances of these proceedings for the Company's former employees to nominate and vote on the appointment of inspectors for the following reasons:

- the Company's former employees collectively constitute the largest stakeholder group in these proceedings;
- as a significant stakeholder group (both in terms of number of individuals and value of their claims), it is fair and equitable that representatives of the employees be involved in the nomination and appointment of inspectors and in having representatives of the former employees potentially appointed as inspectors (subject to the outcome of the vote); and
- there is no harm or prejudice to the Estate by permitting the former employees to vote on the appointment of inspectors, and the objects of the BIA (and Section 113(3)(b), in particular) are not frustrated in so doing.

4.1 Urgency

The Trustee is bringing this motion on an urgent basis given the imminent First Meeting of Creditors, which is scheduled to be convened on September 24, 2012. On September 14, 2012, the Trustee sent a letter advising of this motion to each party it believes has a material interest in these proceedings, including FSCO, PwC, Canada Revenue Agency, Ontario legal counsel for Shaw US (Osler, Hoskin & Harcourt LLP), Koskie, the Company's Officers and the Company's landlord. A copy of that letter is attached as Appendix "C". Should the Trustee receive any response to its September 14th letter or to this motion record, it will advise the Court at the return of this motion.

5.0 Conclusion and Recommendation

Based on the foregoing, the Receiver respectfully recommends that this Honourable Court make an order granting the relief detailed in Section 1.1 of this Report.
