**NOTICE OF MOTION  
(Returnable May 30, 2018)**

KSV Kofman Inc. (“**KSV**”) in its capacity as receiver and manager (the “**Receiver**”) of the real property (the “**Real Property**”) registered on title as being owned by Memory Care Investments (Kitchener) Ltd. (“**Kitchener**”), and 1703858 Ontario Inc. (“**Burlington**” and, together with Kitchener, the “**Receivership Companies**”, and each a “**Receivership Company**”), and of all of the assets, undertakings and properties of the Receivership Companies acquired for or used in relation to the Real Property (together with the Real Property, the “**Property**”) will make a motion to a judge presiding over the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) on May 30, 2018, at 10:00 a.m., or as soon after that time as the motion can be heard, at 330 University Avenue, Toronto, Ontario.

**PROPOSED METHOD OF HEARING:** The motion is to be heard orally.

**THE MOTION IS FOR:**

1. An order (the “**Order**”) substantially in the form of the draft order attached as Tab “3” of this Motion Record, among other things, approving the Amending Agreements (defined below) and increasing the maximum amount that can be borrowed under the Kitchener MZG Facility (defined below) and the Burlington MZG facility (defined below).
2. Such further and other relief as counsel may advise and this Court may permit.

**THE GROUNDS FOR THE MOTION ARE:****Overview**

3. KSV was appointed as Receiver of the Property on April 28, 2017 pursuant to an order issued on that date by the Ontario Superior Court of Justice (the “**Court**”), as further amended on May 2, 2017 to address certain clerical errors (the “**Amended and Restated Receivership Order**”).
4. On June 30, 2017, the Court made an order approving, *inter alia*, a process to solicit offers for development and/or sale of the Property (the “**Strategic Process**”).
5. Pursuant to the Amended and Restated Receivership Order, the Receiver was permitted to borrow under Receiver’s Certificates from MarshallZehr Group Inc. (“**MZG**”).
6. The MZG facility for Kitchener (the “**Kitchener MZG Facility**”) is in the amount of \$1.475 million, and the MZG facility for Burlington (the “**Burlington MZG Facility**”, and together with the Kitchener MZG Facility, the “**MZG Facilities**”) is in the amount of \$1.775 million.

7. The interest rate on the MZG Facilities is 9.5% per annum.
8. MZG was granted a first-ranking charge against the assets of each of Kitchener and Burlington for the respective loans, subject only the Receiver's Charge and certain priority amounts set out in the *Bankruptcy and Insolvency Act (Canada)*.
9. The Kitchener MZG Facility and the Burlington MZG Facility expire on the earlier of demand by MZG and May 15, 2018, subject to the Receiver's right to extend the facilities for one year, at its option.
10. Pursuant to the terms of the amending agreement for the Kitchener MZG Facility and the amending agreement for the Burlington MZG Facility (collectively, the "**Amending Agreements**"), the Receiver has elected to exercise the option to extend the termination date of the MZG Facilities.
11. MZG requires 1% lender fees on all amounts advanced in connection with providing the extension. The lender fees will not be paid in cash at this time; they will be capitalized and added to the loan balances.
12. MZG has advised the Receiver that it is not prepared to execute the Amending Agreements (defined below) absent the fee, and as discussed below, the Receiver is not in a position to simply extend the term of the loans without entering into the Amending Agreements.
13. The Amending Agreements, which are subject to Court approval, extend the term of the MZG Facilities by one year, and increase the amount of the Receiver's Borrowings Charge for interest that will accrue over the extension period (interest will continue to accrue at 9.5%) and the 1% lender fee.

14. The Property has been widely marketed for sale since early in the receivership proceedings, and there has been and continues to be significant interest in each property; however, the Receiver has been unable to complete a sale due to, *inter alia*, development issues on each site.

15. Court approval of the Amending Agreements will provide the Receiver with additional time to sell the Properties.

16. Entering into the Amending Agreements is necessary for the Receiver (as opposed to just exercising its option to extend the termination date) as it does not have sufficient cash to fund ongoing interest to MZG over the course of the next year; accordingly, the MZG Facilities need to be increased to allow ongoing interest to accrue without triggering a default which the Receiver could not remedy.

17. Absent Court approval, MZG could require that the Receiver enter into a transaction at a lower value than may be realizable through a continuation of the Strategic Process or MZG could seek to terminate these proceedings and commence its own realization process.

TWELFTH REPORT OF  
KSV KOFMAN INC.  
AS RECEIVER AND MANAGER

MAY 17, 2018

## 1.0 Introduction

1. This report ("Report") is filed by KSV Kofman Inc. ("KSV") as receiver and manager (the "Receiver") of the real property registered on title as being owned by Memory Care Investments (Kitchener) Ltd. ("Kitchener") and 1703858 Ontario Inc. ("Burlington"), as well as their assets, undertakings and properties acquired for or used in relation to their real property (the "Property").
2. KSV was appointed as the Receiver of the Property on April 28, 2017 pursuant to an order issued on that date by the Ontario Superior Court of Justice (the "Court"). The order was then further amended on May 2, 2017 to address certain clerical errors (the "Amended and Restated Receivership Order").
3. On June 30, 2017, the Court made an order approving, *inter alia*, a process to solicit offers for the development and/or sale of the Property (the "Strategic Process").<sup>1</sup>
4. Pursuant to the Amended and Restated Receivership Order, the Receiver was permitted to borrow under Receiver's Certificates from MarshallZehr Group Inc. ("MZG"). The MZG facility for Kitchener is in the amount of \$1.475 million and the MZG facility for Burlington is in the amount of \$1.775 million. The interest rate on the MZG facilities is 9.5% per annum.

---

<sup>1</sup> In addition to Kitchener and Burlington, KSV is the receiver of six other affiliated real estate development companies that borrowed monies through syndicated mortgage investments (four others in this proceeding, and two others in separate proceedings). All of the real property owned by the development companies subject to the Strategic Process have been sold, except for Kitchener and Burlington.

5. MZG was granted a first-ranking charge against the assets of each of Kitchener and Burlington for the respective loans, subject only to the Receiver's Charge and certain priority amounts set out in the *Bankruptcy and Insolvency Act (Canada)*.
6. The Kitchener and Burlington MZG facilities expire on the earlier of demand by MZG and May 15, 2018, subject to the Receiver's right to extend the facilities for one year, at its option. Pursuant to the terms of Amending Agreements for each of Kitchener and Burlington (the "Amending Agreements"), the Receiver has elected to exercise the option to extend the termination date of the MZG facilities. MZG has advised that it requires 1% lender fees on all amounts advanced in connection with providing the extension. The lender fees will not be paid in cash at this time; they will be capitalized and added to the loan balances. The lender fees are not contemplated in the MZG commitment letters; however, MZG has advised the Receiver that it is not prepared to execute the Amending Agreements absent the fee, and as discussed below, the Receiver is not in a position to simply extend the term of the loans without entering into the Amending Agreements. The Amending Agreements are subject to Court approval.

### 1.1 Purpose of this Report

1. The purpose of this Report is to recommend the Court issue an order approving the Amending Agreements and increasing the maximum amount that can be borrowed under the Kitchener and Burlington MZG facilities.

### 1.2 Currency

1. All currency references in this Report are in Canadian dollars.

## 2.0 Kitchener and Burlington

1. Kitchener and Burlington intended to develop residences for people suffering from various forms of cognitive impairment.
2. As reflected below, the amounts borrowed from MZG were used to repay first ranking mortgages on the Kitchener and Burlington real property at the commencement of the receivership, fund an interest reserve on the MZG facilities and pay the costs of the Kitchener and Burlington receivership proceedings, including professional fees.

(unaudited; \$)	Kitchener	Burlington
Loan proceeds	1,475,000	1,775,000
One-year interest reserve	(140,125)	(168,625)
MZG fees	(29,500)	(35,500)
MZG's legal fees	(5,075)	(5,075)
	1,300,300	1,565,800
Repayment of first mortgages	(1,127,833)	(1,343,622)
Remainder	172,467	222,178
Receivership Costs		
Professional fees		
Receiver (excluding accruals)	(79,136)	(73,851)
Receiver's legal counsel (excluding accruals)	(64,303)	(64,627)
Other costs	(28,671)	(27,164)
	(172,110)	(165,642)
Balance	357	56,536

3. The table reflects that there is presently a negligible balance in the Kitchener bank account and approximately \$57,000 in the Burlington account.
4. In addition to the expenses noted in the table above, the Receiver and its counsel, Bennett Jones LLP, have the following accrued and unpaid professional fees and disbursements (including HST) as of March 31, 2018:

(unaudited; \$)	Kitchener	Burlington
Receiver	41,527	65,998
Receiver's Counsel	52,462	76,211
Total	93,989	142,209

5. The Property has been widely marketed for sale since early in the receivership proceedings. There has been and continues to be significant interest in each property; however, the Receiver has been unable to complete a sale due to, *inter alia*, development issues on each site. Absent Court approval of the Amending Agreements, MZG could enforce on its security, which could result in lower recoveries for the Property than if the Strategic Process is completed. MZG has not chosen to do so and has worked cooperatively with the Receiver throughout these proceedings, as evidenced by its patience in the Strategic Process.
6. The Amending Agreements extend the term of the Outstanding Facilities by one year; and increase the amount of the Receiver's Borrowings Charge for interest that will accrue over the extension period (interest will continue to accrue at 9.5%) and the 1% lender fee. Copies of the Amending Agreements are attached as Appendix "A".
7. A summary of the proposed increase in the Receiver's Borrowing Charge is reflected in the table below.

(unaudited; \$)	Kitchener	Burlington
Current Receiver's Borrowing Charge	1,475,000	1,775,000
One year of interest at 9.5%	140,125	168,625
Subtotal	1,615,125	1,943,625
Lender Fee (1%)	16,151	19,436
Revised Receiver's Borrowing Charge	1,631,276	1,963,061

8. Entering into the Amending Agreements is necessary for the Receiver (as opposed to just exercising its option to extend the termination date) as it does not have sufficient cash to fund ongoing interest to MZG over the course of the next year. The Receiver also does not have the funds to pay the Lender Fee. Accordingly, the facilities need to be increased to allow these amounts to accrue without triggering a default which the Receiver could not remedy.

### 3.0 Recommendation

1. The Receiver recommends that the Court make an Order approving the Amending Agreements as it will provide the Receiver with additional time to sell the Properties. Absent Court approval, MZG could require that the Receiver enter into a transaction at a lower value than may be realizable through a continuation of the Strategic Process. Alternatively, MZG could seek to terminate these proceedings and commence its own realization process.
