## Schedule "C" to Order dated December 20, 2016

### Library Sale Process

---

- a) The Monitor and the Company will prepare a list of prospective purchasers, which will include parties provided by SunTrust Bank ("SunTrust") and its advisors.
- b) The Monitor will distribute to prospective purchasers a brief interest solicitation letter ("Teaser"), which the Company will assist to prepare, detailing this opportunity and the terms of this sale process, including key milestones. Attached to the Teaser will be a confidentiality agreement ("CA"). Should a party be interested in performing due diligence, it would first be required to execute a CA. The Monitor will work with the Company in an effort to have the list of prospective purchasers, Teaser and CA finalized in advance of the Comeback Motion so that there is no delay in commencing the sale process.
- c) Prospective purchasers will have the opportunity to perform diligence, including the opportunity to review information in an online data room to be set up and maintained by the Monitor, with the assistance of the Company. The data room will contain information relevant to an acquisition of the Library, including distribution agreements, historical and projected revenue figures, "avails" for each title and a digital catalogue which the Company is in the process of preparing.
- d) The Monitor is of the view that the information necessary to submit a bid for the Library will either be in the data room or available in the public domain. As such, it does not intend to incur the cost and time to prepare a comprehensive confidential information memorandum. The Company's President, Andrea Gorfolova, and the Monitor will be available to meet with interested parties throughout the sale process, as required.
- e) Due to the complexity of any transaction resulting from the need to preserve tax credits, interested parties will be provided guidance by the Monitor on the structure of a transaction but will not be required to submit bids in a standardized form of asset purchase agreement, as is commonly the case in transactions in an insolvency proceeding. In submitting a bid, interested parties will be required to provide, *inter alia*, the following information: name of the purchaser; purchase price; evidence of financing required to complete a transaction; details concerning the structure of the transaction, including how tax credits will be preserved and collected; timeline to complete the transaction; any material conditions; and any other information relevant to their offer. Bidders will be required to provide a deposit of 15% of the purchase price together with their offer. Offers are to be submitted to the Monitor on a confidential basis.
- f) All offers will be subject to Court approval. Offers cannot be subject to financing or any material condition, unless agreed to by the Monitor and consented to by SunTrust.

- g) The sale process will have the following timeline.

<b>Milestone</b>	<b>Deadline</b>
Court approval of sale process	December 20, 2016
Bid deadline	January 17, 2017
Definitive documentation finalized and sale approval motion materials served	January 24, 2017
Closing of a transaction	January 31, 2017

- h) The Monitor will have the authority to extend timelines provided it has the consent of SunTrust or pursuant to an order of the Court.
- i) The Monitor will not be required to accept the highest offer, or any offer, and prospective purchasers will be advised that any transaction is subject to Court approval.
- j) If no acceptable offers are received, the Company would continue to realize on the Library in a manner to be agreed with SunTrust.

#### **Other**

1. Any transaction resulting from the sale process must be structured in a manner that preserves the tax credits. The Monitor will work with legal counsel, including SunTrust's legal counsel, to structure a transaction accordingly.
2. The Monitor will provide SunTrust and its advisors with weekly updates during the sale process.
