Superior Court of Justice (Commercial List) (the “**Court**”) on Friday, July 31, 2026 at 12:00 p.m., or as soon after that time as the motion can be heard via Zoom videoconference at 330 University Avenue, Toronto, Ontario.

PROPOSED METHOD OF HEARING: The motion is to be heard:

- ☐ In writing under subrule 37.12.1(1);
- ☐ In writing as an opposed motion under subrule 37.12.1(4);
- ☐ In person;
- ☐ By telephone conference;
- ☒ By video conference:

at the following location: Zoom coordinates to be provided by the Commercial List office.

THE MOTION IS FOR:

- (a) an order (the “**Sale Process Approval Order**”), in the form included as Tab 3 of the Receiver’s motion record approving:
 - (i) a sale process (the “**Sale Process**”) soliciting offers superior to the transaction contemplated by the Stalking Horse Agreement (as defined below) in respect of the business and assets of the Debtors, including the real property municipally known as 16783 Thorndale Road, Thorndale, Ontario; and

- (ii) a stalking horse asset purchase agreement (the “**Stalking Horse Agreement**”) between the Receiver as vendor and Terra Nova Components Inc. and Celina Thorndale Inc. as purchaser (in such capacity, the “**Stalking Horse Purchasers**”);
- (b) such further and other relief as to this Honourable Court may seem just.

THE GROUNDS FOR THE MOTION ARE:

Background

- (a) The Debtors are privately-owned corporations which are part of a larger group of entities owned by various investors and Argyle Capital Partners Inc. (“**Argyle**”), a Toronto-based private equity firm;
- (b) TNT is owned by Argyle TRS Holdings Inc. (“**TRS Holdings**”), which in turn is owned by Celina Capital Corporation (“**Celina**”), 1213558 Ontario Inc., Argyle Truss Inc., Argyle Joist Inc., and a consortium of investors led by Argyle;
- (c) Plant 22 is owned by ATRS Real Estate Holdings Inc., which is in turn owned by Celina, Argyle Truss Inc. and Argyle Joist Inc. and minority shareholders;
- (d) TRS manufactures and distributes construction components, including roof trusses, wall panels, floor systems, and lumber packages for residential, commercial, and agricultural applications and operates from a facility leased from Plant 22 in Thorndale, Ontario;

- (e) Plant 22 is the registered owner of the property municipally known as 16783 Thorndale Road, Thorndale, Ontario (“**Real Property**”);
- (f) TNT specializes in designing pre-engineered floor and roof trusses for residential, commercial, and agricultural applications and operates from leased facilities in Brockville and Kingston, Ontario;
- (g) Bank of Montreal (“**BMO**”) is the Debtors’ senior secured creditor;

Sale Process

- (h) Given the Debtors’ insolvency and their financial and operational pressures, the Receiver, in consultation with BMO, Celina, and representatives of Celina as representatives of the Stalking Horse Purchasers, developed the Sale Process;
- (i) The proposed Sale Process is a 30-day process, and bids must be submitted by August 31, 2026;
- (j) The Stalking Horse Agreement will serve as the baseline bid in the Sale Process and encourage interested parties to improve upon the offer contained therein;
- (k) The Sale Process provides that a “Qualified Bid”, among other requirements, must exceed the purchase price of the Stalking Horse Agreement by an initial bid increment of at least \$150,000;

- (l) A stalking horse sale process is appropriate in the circumstances as it will provide stability to the business and help preserve its going-concern value by providing confidence to key stakeholders;
- (m) A stalking horse sale process provides employees, customers, and vendors with assurance at the commencement of the process that there is a going-concern solution for the business;

Stalking Horse Agreement

- (n) The Stalking Horse Agreement will serve as the “stalking horse bid” in the Sale Process and contemplates the continuation of the Debtors’ business and is expected to result in the continued employment of substantially all the employees;
- (o) The terms of the Stalking Horse Agreement, among others, are as follows:
 - (i) The purchase price is \$19.2 million;
 - (ii) The only material condition is that the Approval and Vesting Order has been issued;
 - (iii) Closing will take place five days following the date of the Approval and Vesting Order or such other date the parties may agree;
 - (iv) The Outside Date (as defined in the Stalking Horse Agreement) is 45 days following the date of the issuance of the Sale Process Approval Order;

- (v) The Stalking Horse Purchasers have acknowledged that it is purchasing the assets on an “as is, where is” basis;
- (p) BMO, the senior secured creditor, is supportive of the Sale Process and the Stalking Horse Agreement;

Other Grounds

- (q) Such other grounds as further set out in the Pre-Filing Report of the Receiver dated July 24, 2026 and the appendices thereto;
- (r) The provisions of the *Courts of Justice Act*, R.S.O. 1990, c. C. 43, as amended;
- (s) Rules 1.04, 1.05, 2.03, 3.02, 16 and 37 of the Ontario Rules of Civil Procedure, R.S.O. 1990, Reg. 194, as amended;
- (t) Section 243 of the *Bankruptcy and Insolvency Act* (Canada) and any other provision thereof;
- (u) The inherent and equitable jurisdiction of this Court; and,
- (v) Such further and other grounds as the lawyers may advise.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

- (a) the Pre-Filing Report, including the appendices thereto;
- (b) the affidavit of Craig Khattar sworn July 17, 2026; and

APPLICATION UNDER S. 243(1) OF THE *BANKRUPTCY AND INSOLVENCY ACT*, R.S.C. 1985, c. B-3, AS AMENDED AND SECTION 101 OF THE *COURTS OF JUSTICE ACT*, R.S.O. 1990, c. C. 43

PRE-FILING REPORT OF ALIXPARTNERS RESTRUCTURING, INC.
AS PROPOSED RECEIVER

July 24, 2026

1.0 Introduction

1.1 Overview

1. This report ("**Report**") is filed by AlixPartners Restructuring, Inc. ("**AlixPartners**") as proposed receiver and manager (the "**Proposed Receiver**") of the property, assets and undertaking of TRS Components Ltd. ("**TRS**"), Plant 22 Ltd. ("**Plant 22**"), 976711 Ontario Inc. o/a Terra Nova Truss ("**TNT**", and together with TRS and Plant 22, the "**Companies**").
2. Bank of Montreal ("**BMO**"), the principal secured creditor of the Companies, intends to bring an application before the Ontario Superior Court of Justice (Commercial List) (the "**Court**") for an order (the "**Receivership Order**"), among other things, appointing AlixPartners as receiver and manager of the assets, undertakings and property of the Companies (in such capacity, the "**Receiver**"). AlixPartners has consented to act as Receiver, should the Court grant the Receivership Order.

3. The primary purpose of the receivership proceedings is to pursue a going concern transaction for the Companies' business and assets through a Court-approved "stalking horse" sale process (the "**Sale Process**").
4. If the Court appoints AlixPartners as Receiver, the Receiver intends to bring a motion, immediately following its appointment, seeking approval of the Sale Process and the Stalking Horse Agreement (as defined and outlined below), as a stalking horse bid only, subject to further Court approval if the Stalking Horse Agreement is the successful bid.

1.2 AlixPartners' Prior Mandates

1. AlixPartners was engaged by Aird & Berlis LLP ("**Aird & Berlis**"), as legal counsel to BMO, pursuant to an engagement letter dated April 1, 2026¹ (the "**Engagement Letter**"), to provide financial advisory services in respect of BMO's loans to the Companies (the "**Advisory Mandate**").
2. The Advisory Mandate included, among other things, reviewing the Companies' financial information, considering strategic options for the Companies, and assisting with the preparation of the Sale Process.
3. The Engagement Letter states that the Advisory Mandate will immediately terminate if AlixPartners is appointed as a court officer in an insolvency proceeding involving the Companies. The Engagement Letter also provides that the Advisory Mandate does not preclude AlixPartners from acting as a court officer of the Companies if a court-supervised insolvency proceeding involving the Companies is commenced.
4. As detailed further in this Report, AlixPartners has obtained knowledge of the Companies' business and operations while performing the Advisory Mandate, such that the Proposed Receiver can provide its recommendation that the Sale Process should be commenced on an urgent basis given the Companies' illiquidity and the need for the businesses to be stabilized.

¹ The engagement was with KSV Advisory Inc. ("**KSV**"). On June 1, 2026, KSV was acquired by AlixPartners.

1.3 Contemporaneous Proceeding

1. Contemporaneously with BMO's receivership application, Celina Capital Corporation ("**Celina**"), as secured creditor of 1001281812 Ontario Inc., which carries on business as TNT Panels ("**TNP**"), a company related to the Companies, is seeking the appointment of AlixPartners as receiver for the purpose of recommending the immediate sale of TNP's business and assets to a newly incorporated entity represented and majority owned by Celina. The rationale for recommending the immediate sale of TNP's business and assets is in the proposed receiver's pre-filing report filed in that proceeding.
2. Given the common ownership and management as among TNP and the Companies, as more fully detailed herein, it is the Proposed Receiver's view that it is appropriate that the applications brought by BMO and Celina be heard together, on a coordinated basis.

1.4 Purposes of this Report

1. The purposes of this Report are to:
 - (a) provide background information about the Companies;
 - (b) discuss in respect of each of the Companies, their:
 - (i) financial position;
 - (ii) creditors; and
 - (iii) liquidity;
 - (c) summarize an opinion prepared by Fasken Martineau DuMoulin LLP ("**Fasken**"), which the Proposed Receiver has retained as its legal counsel in the proposed receivership proceedings, on the validity and enforceability of BMO's security;
 - (d) summarize the proposed Sale Process and an agreement of purchase and sale between the Receiver, if appointed, and Terra Nova Components Inc. ("**TNC**") and Celina Thorndale Inc. ("**CTI**", and together with TNC, the "**Stalking Horse Purchasers**"), which would serve as the stalking horse agreement (the "**Stalking Horse Agreement**") in the Sale Process; and

- (e) recommend that the Court:
 - (i) approve the Stalking Horse Agreement as the “stalking horse” bid only, subject to further Court approval if the Stalking Horse Agreement is determined to be the successful bid; and
 - (ii) approve the Sale Process substantially in the form included as Appendix “A” to this Report.

1.5 Restrictions

1. In preparing this Report, the Proposed Receiver has relied upon the Companies’ unaudited financial information, books and records, information available in the public domain, and discussions with:
 - (a) the Companies’ management;
 - (b) representatives of the Companies’ indirect shareholders, Argyle Truss Inc. (“**Argyle Truss**”), Argyle Joist Inc. (“**Argyle Joist**”, and together with Argyle Truss, the “**Argyle Shareholders**”)², and Celina (and together with the Argyle Shareholders, the “**Shareholders**”);
 - (c) BMO’s representatives and its legal counsel, Aird & Berlis LLP; and
 - (d) Celina’s legal counsel, Torkin Manes LLP.
2. The Proposed Receiver has also relied upon the information contained in the Affidavit of Craig Khattar sworn July 17, 2026 and filed in these proceedings (the “**Khattar Affidavit**”).
3. The Khattar Affidavit includes additional background concerning the Companies and the events leading to these proceedings. To avoid repetition, certain matters in the Khattar Affidavit have not been repeated in this Report. The Proposed Receiver encourages readers to refer to the Khattar Affidavit concurrently with a review of this Report.

² The Argyle Shareholders are under common control with Argyle Capital Partners Management Inc. (“**Argyle CP**”), the manager of TRS and Plant 22 pursuant to a management services agreement dated July 25, 2022, as amended. Argyle Truss, Argyle Joist, and Argyle CP are each controlled by Glenn Gatliffe, Mark MacPherson, and Neil Mohammed, who also serve as three of the five directors of TRS Holdco (as defined below).

4. The Proposed Receiver has not audited, reviewed, or otherwise verified the accuracy or completeness of the Companies' financial and other information in a manner that would comply with Canadian Auditing Standards pursuant to the Chartered Professional Accountants of Canada Handbook.
5. The Proposed Receiver expresses no opinion or other form of assurance with respect to the financial and other information presented in this Report or relied upon by the Proposed Receiver in preparing this Report. Other than the Court, any party wishing to place reliance on the Companies' financial information should perform its own due diligence and any reliance placed by any party on the information presented herein shall not be considered sufficient for any purpose whatsoever.

2.0 Background

1. The Companies' corporate chart is presented below:

2.1 TRS

1. As reflected above, TRS is owned by Argyle TRS Holdings Inc. ("**TRS Holdco**"), which is owned by Celina, Mark Fox, through his holding company, 1213558 Ontario Inc.³, Argyle Truss, Argyle Joist and a consortium of investors represented by Argyle Capital Partners.
2. Celina and Argyle Truss each own Class A and Class C shares of TRS Holdco and, pursuant to the terms of TRS Holdco's amended and restated shareholders' agreement dated April 1, 2023 (the "**Shareholders' Agreement**"), Celina holds two of the five board nomination rights. Argyle Joist owns Class B and Class D shares and, pursuant to the Shareholders' Agreement, holds the remaining three board nomination rights. The Proposed Receiver understands that pursuant to the Shareholders' Agreement, major decisions require the approval of Celina and Argyle Joist.
3. In July 2022, following the completion of a share purchase transaction (the "**TRS Acquisition**"), TRS Components Ltd., MED-ON Ltd., and ATRS Acquisition Inc. were amalgamated and continued as TRS. The TRS Acquisition was financed by BMO, together with vendor take-back financing (the "**Vendor VTB**") provided by Whirl 2 Ltd., 2070400 Ontario Ltd., Jeff Young, and Chad Lambourn (collectively, the "**Vendors**").
4. TRS is incorporated under the laws of the Province of Ontario.
5. TRS manufactures and distributes construction components, including roof trusses, wall panels, floor systems, and lumber packages for residential, commercial, and agricultural applications.
6. TRS operates from a facility it leases from Plant 22, which is located at 16783 Thorndale Road, Thorndale, Ontario (the "**Thorndale Property**").
7. TRS has 68 employees. TRS's employees are not offered a registered pension plan and are not unionized.

³ Mark Fox is the sole shareholder of 1213558 Ontario Inc., Fox Investments Inc. (one of the lenders to TNP), and Fox Developments Inc., owner and landlord of various properties used for TRS, TNT, and TNP operations.

2.2 TNT

1. TNT is incorporated under the laws of the Province of Ontario. TRS acquired TNT in 2023 (the "**TNT Acquisition**"). The TNT Acquisition was financed by BMO together with vendor take-back financing provided by Fox Investments Inc. ("**FII**").
2. TNT specializes in designing pre-engineered floor and roof trusses for residential, commercial, and agricultural applications. It operates from leased facilities in Brockville and Kingston, Ontario.
3. TNT has 52 employees. TNT's employees are not offered a registered pension plan and are not unionized.

2.3 Plant 22

1. Plant 22 is owned by ATRS Real Estate Holdings Inc. ("**ATRS Real Estate**"), which is owned by the Shareholders and minority investors.
2. Plant 22 is a corporation incorporated under the laws of the Province of Ontario and is the registered owner of the Thorndale Property.
3. Plant 22 does not have any employees.

3.0 Secured Creditors

3.1 Bank of Montreal

1. BMO is the Companies' principal secured creditor. BMO's credit facilities are provided pursuant to a second amended and restated credit agreement dated June 26, 2025 (as amended, the "**BMO Credit Agreement**"). BMO's security, the events of default under the BMO Credit Agreement, and the circumstances giving rise to BMO's application for the appointment of a Receiver are described in the Khattar Affidavit and are not repeated herein.
2. As set out in the Khattar Affidavit, the Companies' indebtedness owing to BMO, as of April 28, 2026, was approximately \$23.5 million and USD\$20,000 (the "**BMO Indebtedness**"), exclusive of accruing interest, legal fees, and disbursements. The BMO Indebtedness remains outstanding, with interest and costs continuing to accrue.

3. As security for the obligations of the Companies to BMO, BMO was granted the following security (the “**BMO Security**”):
 - (a) all present and future personal property of the Companies pursuant to a general security agreement originally granted by predecessor entities of TRS and Plant 22 dated July 25, 2022 (the “**BMO GSA**”) and an attornment to general security agreement granted by TNT in respect of the BMO GSA dated April 1, 2023;
 - (b) certain security granted by TRS under section 427 of the *Bank Act* (Canada) dated July 25, 2022; and
 - (c) a debenture granted by Plant 22 dated July 25, 2022, registered as a charge/mortgage in the amount of \$10 million on title to the Thorndale Property on July 25, 2022.
4. The obligations owing to BMO under the BMO Credit Agreement are cross-guaranteed by the Companies pursuant to guarantee agreements executed by predecessor entities of TRS and Plant 22 each dated July 25, 2022 and a guarantee agreement executed by TNT dated April 1, 2023. In addition, TRS Holdco and ATRS Real Estate each provided limited recourse guarantees to BMO.
5. BMO is the only creditor with a charge registered on title to the Thorndale Property.

3.1.1 BMO Security Opinion

1. In contemplation of these proceedings, the Proposed Receiver instructed Fasken to provide an opinion on the validity and enforceability of the BMO Security. Fasken’s opinion confirms that, subject to the customary assumptions and qualifications contained therein, the BMO Security is valid and enforceable in accordance with its terms. A copy of the security opinion can be made available to the Court if it wishes to review it.

3.1.2 BMO’s Demand

1. On May 1, 2026, BMO demanded payment in full of the indebtedness owed to it and, pursuant to section 244 of the *Bankruptcy and Insolvency Act*, issued notices of intention to enforce security to TRS, Plant 22, TNT, TRS Holdco, and ATRS Real Estate.

3.2 Other Secured Creditors

1. In addition to BMO, the following parties hold registered security interests against the Companies and their assets:

- (a) the Vendor VTB is secured by all present and after-acquired assets, undertaking, and property of TRS pursuant to a general security agreement dated July 25, 2022, and is subject to a postponement and subordination agreement in favour of BMO dated July 25, 2022. In connection with the TRS Acquisition, the Vendors were also granted certain earnout entitlements (the "**Vendor Earnout**", and together with the Vendor VTB, the "**Vendor Indebtedness**"). A summary of the Vendor Indebtedness as of May 31, 2026 is provided in the table below:⁴

(Unaudited)	(\$000s)
Vendor VTB (including interest)	5,355
Vendor Earnout	4,000
Total Vendor Indebtedness	9,355
Contingent consideration payable	303
Total Owing to Vendors	9,658

- (b) FII holds a vendor take-back note in connection with the TNT Acquisition (the "**Fox VTB**"), which is secured by the property and undertaking then owned or thereafter acquired by TRS pursuant to a general security agreement dated April 1, 2023. FII also granted a postponement, subordination, and standstill agreement in favour of BMO dated April 1, 2023. In connection with the TNT Acquisition, FII was also granted earnout entitlements (the "**Fox Earnout**", and together with the Fox VTB, the "**Fox Indebtedness**"). A summary of the Fox Indebtedness as of May 31, 2026 is provided below:

(Unaudited)	(\$000s)
Fox VTB	4,000
Fox Earnout	1,800
Fox Indebtedness	5,800

⁴ Celina's representatives have advised the Proposed Receiver that the amounts owing pursuant to the Vendor Indebtedness, and the Fox Indebtedness, as reflected on the balance sheet, may not be accurate. Based on Celina's current understanding, the amounts owing to the Vendors and to FII are approximately \$12.8 million and \$4 million, respectively. The Proposed Receiver will undertake a further review of these amounts following the Sale Process if there are proceeds of sale to distribute to either creditor.

 - (f) TRS's and TNT's consolidated accounts payable and accrued liabilities (net of intercompany balances) total approximately \$3.7 million and represent amounts owing to suppliers, service providers, and rent, as well as accruals for payroll and other normal course obligations. These amounts exclude off-balance sheet obligations, including amounts that may be owing to employees for termination and severance pay, real property lessors on termination of leases, and unpaid HST (including amounts that may be owing in respect of two audits presently being conducted by Canada Revenue Agency).
 - (g) TRS and TNT have deferred revenue of approximately \$755,000, representing deposits received from customers for future orders.
 - (h) TRS and TNT have negative consolidated retained earnings of approximately \$7.4 million, reflecting a history of losses, and negative shareholders' equity of approximately \$500,000. These amounts are before any adjustment resulting from the write-down of the TNP receivable and intangible assets and goodwill, which have a combined book value of approximately \$28.3 million. These assets have

negligible, if any, value, given that TRS and TNT are insolvent, as neither is able to meet their liabilities in the ordinary course of business and the book value of their assets is less than their liabilities, even before adjusting for a write-down in intangible assets. Moreover, the book value of TRS's and TNT's tangible assets⁶ is approximately \$12.4 million against secured debt of approximately \$35.3 million (excluding capital leases).

4.2 TRS-TNT Consolidated Income Statement

- The table below summarizes TRS's and TNT's unaudited consolidated operating results for their fiscal years ending June 30, 2024 and 2025 and the eleven months ending May 31, 2026.

Income Tax Expense	600	(42)	1,249
Net Income	(4,879)	(2,672)	(5,717)

- The results in the table reflect, *inter alia*, that, on a consolidated basis, TRS's and TNT's:
 - revenue in the fiscal year ending June 2026 is projected to be approximately 50% of fiscal 2024 revenue;

⁶ Comprised of accounts receivable, inventory, prepaids, and capital assets.

- (b) consolidated gross margins have contracted from approximately 38% in fiscal 2024 to 33.4% in the eleven-month period ending May 31, 2026, reflecting increased direct costs, reduced operational efficiency, and decreased pricing on their products; and
- (c) in the eleven-month period ending May 31, 2026, net losses totaled approximately \$4.9 million and cumulative losses since the beginning of fiscal 2024 totaled approximately \$13.3 million.

4.3 TRS-TNT Cash Flow

1. TRS and TNT have limited, if any, ability to borrow under their operating line and BMO has advised the Proposed Receiver that it is not prepared to allow TRS and TNT to continue to draw on the operating line outside of an insolvency process. In this regard, BMO has agreed to provide funding of up to \$500,000 to support the business during these proceedings, if required. The receivership funding being made available by BMO is intended to address liquidity shortfalls that may arise during the receivership.

4.4 Plant 22

1. Plant 22 owns the Thorndale Property and operates solely as a holding company for that property. BMO has a debenture registered on title to the Thorndale Property as a charge/mortgage in the amount of \$10 million, of which approximately \$3.3 million is presently outstanding.
2. TRS leases the Thorndale Property from Plant 22.

5.0 Sale Process and Bidding Procedures⁷

5.1 Sale Process

1. Given the Companies' underperformance and the financial and operational pressures facing the Companies, the Proposed Receiver has developed the Sale Process to market the Companies' business and assets for sale. The Sale Process was developed in consultation with BMO, Celina, and representatives of Celina as representatives of the Stalking Horse Purchasers. A copy of the Sale Process is provided as Appendix "A".

⁷ Capitalized terms in this section have the meaning provided to them in the Stalking Horse Agreement unless otherwise defined herein.

2. The Proposed Receiver is of the view that a stalking horse process is appropriate in the circumstances as it will provide stability to the business and help preserve its going-concern value by providing confidence to key stakeholders. In this regard, a stalking horse sale process provides employees, customers, and vendors with assurance at the commencement of the process that there is a going-concern solution for the business. Additionally, stalking horse sale processes provide a floor price for the purchased assets and business, while providing an opportunity to obtain a superior price.
3. A summary of the proposed Sale Process milestones is as follows:

Milestone	Key Dates⁸
Delivery of Teasers and Opening of Confidential Virtual Data Room	Immediately following Court approval of the Sale Process (" Sale Process Approval Date ")
Qualified Bid Deadline	5:00 p.m. (Toronto time) on August 31, 2026, being 30 days from the Sale Process Approval Date (" Qualified Bid Deadline ")
Auction (if any), to be held virtually	10:00 a.m. (Toronto time) on September 4, 2026
Approval and Vesting Order hearing	As soon as reasonably possible after the selection of a successful bid, subject to Court availability
Closing of the Successful Bid	If the Stalking Horse Purchasers are the successful bidder (the " Successful Bidder "), 5 days following Court approval, or such other date as may be agreed upon in writing, otherwise no later than the Outside Date (as described below)
Outside Date	If the Stalking Horse Purchasers are the Successful Bidder, September 14, 2026, being 45 days following the date of the issuance of the Sale Process Order (as defined below), otherwise as required by the Successful Bidder

⁸ All dates exclude the date of the triggering event, i.e. the Qualified Bid Deadline is 30 days from the Business Day following the date of the Sale Process Approval Date.

5.2 Solicitation of Interest

1. If the Proposed Receiver is appointed as the Receiver and an order is issued approving the Sale Process and the Stalking Horse Agreement as a “stalking horse bid” in the Sale Process (the “**Sale Process Order**”), the Receiver will:
 - (a) solicit interest from parties interested in pursuing a transaction (each, a “**Potential Bidder**”). Potential Bidders will include strategic and financial purchasers identified by the Receiver and the Shareholders;
 - (b) publish a notice of the Sale Process in an applicable industry publication and/or website, at the Receiver’s discretion;
 - (c) prepare and disseminate marketing materials and a process letter to Potential Bidders, including a form of non-disclosure agreement (an “**NDA**”); and
 - (d) provide Potential Bidders with access to a virtual data room (the “**VDR**”) containing diligence information and a Microsoft Word version of the Stalking Horse Agreement (the “**Template Stalking Horse Agreement**”). Potential Bidders will be required to execute an NDA to obtain access to the VDR.
2. The Receiver will request that interested parties submit a binding offer that satisfies the Qualified Bid requirements (as summarized below) by the Qualified Bid Deadline.
3. Potential Bidders will be required to submit offers substantially in the form of the Template Stalking Horse Agreement, with any changes redlined against it. Each bidder must deliver a written copy of its bid and other materials required by no later than 5:00 p.m. (Eastern time) on the Qualified Bid Deadline.

5.3 Qualified Bids

1. To be a “**Qualified Bid**”, a bid must, at a minimum, meet the following requirements:
 - (a) exceed the Purchase Price of the Stalking Horse Agreement by an initial bid increment of at least \$150,000;

- (b) state that the bidder's offer is irrevocably open for acceptance until the earlier of (i) the date the Purchased Assets have been sold pursuant to a transaction approved by the Court; and (ii) the Outside Date referenced above;
 - (c) be submitted by the Qualified Bid Deadline together with a redline reflecting changes to the Template Stalking Horse Agreement; and
 - (d) include a cash deposit equal to 10% of the amount of cash consideration offered.
2. For greater certainty, the Stalking Horse Agreement is a Qualified Bid.

5.4 Further Bidding

- 1. If no Qualified Bids are submitted by the Qualified Bid Deadline, the Stalking Horse Purchasers will be the Successful Bidder.
- 2. If one or more Qualified Bids are received from Potential Bidder(s) by the Qualified Bid Deadline (each, a "**Qualified Bidder**"):
 - (a) the Receiver will notify each Qualified Bidder that the Qualified Bidders will be provided the opportunity to participate in as many rounds of additional bidding as is required to determine the best offer. The Receiver will determine whether to conduct this process through further submission of offers or through an in-person auction. If the Receiver decides to proceed with an auction, it will provide the Qualified Bidders with the auction procedures, the identity of the leading bidder, and the amount of the lead bid three (3) Business Days prior to the date of the auction; and
 - (b) only Qualified Bidders will be eligible to participate in the additional bidding process.

5.5 Stalking Horse Agreement

- 1. The following is a summary of the key terms of the Stalking Horse Agreement. A copy of the Stalking Horse Agreement is attached as Appendix "**B**" hereto.
 - (a) **Purchasers:** Subject to being the Successful Bidder, TNC will purchase substantially all of the business and assets of TRS and TNT, while CTI will purchase the Thorndale Property.
 - (b) **Vendor:** the Receiver.

- (c) **Purchase Price:** the Purchase Price for the purpose of the Stalking Horse Agreement is \$19.2 million⁹, plus the assumption of substantially all trade payables and certain other unsecured obligations, as more fully detailed in the Stalking Horse Agreement.
- (d) **Deposit:** \$500,000.
- (e) **Excluded Assets:** the cash of the Companies.
- (f) **Representations and Warranties:** consistent with the standard terms of an insolvency transaction, i.e., on an “as is, where is” basis, with limited representations and warranties.
- (g) **Conditions:** the only conditions are that: (i) the Court shall have issued the Receivership Order, the Sale Process Order and the Approval and Vesting Order; (ii) the Stalking Horse Agreement shall be the successful bid; (iii) the representations and warranties of the parties shall be true and correct at closing; (iv) the parties shall have complied with their obligations and covenants under the Stalking Horse Agreement; and (v) no Court order has caused the Vendor to convey the Purchased Assets.
- (h) **Closing:** ten (10) days following the date of the Approval and Vesting Order, or such other date as the Parties may agree.
- (i) **Outside Date:** the date that is 45 days following the date of the issuance of the Sale Process Order.

5.6 Bid Protections

1. As the Stalking Horse Purchasers are related to the Companies, the Stalking Horse Agreement does not include a break fee or expense reimbursement.

⁹ The Purchase Price shall be subject to adjustment, on Closing, upward or downward, on a dollar-for-dollar basis by the amount that the amount outstanding on the operating line of credit provided by BMO as of the Closing Date is more or less than the amount outstanding on such line of credit as of the date of filing.

5.7 Sale Process Recommendation

1. The Proposed Receiver recommends that this Court issue the Sale Process Order for the following reasons:
 - (a) the Proposed Receiver is of the view that a stalking horse sale process is a commercially reasonable process to market a company's business and assets and is commonly used to preserve the value of a distressed business while it is marketed for sale;
 - (b) the Stalking Horse Agreement provides certainty to stakeholders that there will be a going-concern outcome for the business. This allows the Companies to continue to operate while minimizing disruption, as employees, customers, and suppliers have confidence that there will be a going-concern business upon completion of the restructuring proceedings;
 - (c) the Stalking Horse Agreement provides a floor price for the sale of the Companies' business and assets, while allowing a market test that could achieve a superior transaction;
 - (d) the Purchasers are assuming all amounts owing to arm's-length operating vendors and offering employment to substantially all employees on terms consistent with their present terms of employment;
 - (e) the combined book value of the TRS and TNT assets, when combined with the value of the Thorndale Property, based on an appraisal recently obtained by the Proposed Receiver, is materially less than the Companies' indebtedness to BMO.¹⁰ In the context of the sale approval motion, the Proposed Receiver will prepare a liquidation analysis that compares the realizable value of the Companies' assets on a liquidation basis and the value of the recommended offer in the Sale Process. The Proposed Receiver is of the view that the liquidation value of the Companies' assets is significantly less than the book value of their assets, and accordingly, the Proposed Receiver believes that the value of the Stalking Horse Agreement is reasonable in the circumstances;

¹⁰ AlixPartners notes that the combined book value of the "Purchased Assets", as defined in the Stalking Horse Agreement, is materially less than the BMO Indebtedness, even before considering any adjustments required in a liquidation scenario.

- (f) BMO's operating line is substantially fully drawn. The Proposed Receiver understands that BMO is only prepared to provide additional funding to TRS and TNT in the context of the contemplated receivership and, even then, only for a limited period of time;
- (g) in the Proposed Receiver's view, the duration of the Sale Process is sufficient in the circumstances to allow parties to perform diligence and submit offers;
- (h) a longer sale process, or a non-sale stalking horse process, is likely to cause material disruption and risk to the business;
- (i) no bid protections are being paid to the Stalking Horse Purchasers; and
- (j) BMO, the principal secured creditor, is supportive of the Sale Process and the Stalking Horse Agreement, and is of the view that absent this process, it will incur a materially greater shortfall on its loans to the Companies than it will through this process.

6.0 Conclusion and Recommendation

1. Based on the foregoing, the Proposed Receiver respectfully recommends that the Court issue an order approving the Sale Process and the Stalking Horse Agreement as a stalking horse bid.

19. A Qualified Bidder that desires to make a bid for all or substantially all of the Companies' Assets must deliver to the Receiver by the Qualified Bid Deadline a Qualified Bid in the form of a fully executed purchase and sale agreement substantially in the form of the template agreement of purchase and sale located in the Data Room (the "**Template APS**").

 - (ii) an initial minimum bid increment of \$150,000;
 - (c) it provides an allocation of the purchase price under such bid among the Companies' Assets and any other assets to be acquired;
 - (d) it provides detailed sources and uses schedules that identify, with specificity, the amount of cash consideration (the "**Cash Consideration Value**") and any assumptions that could reduce the net consideration payable;

- (i) it provides written evidence of the Qualified Bidder's ability to fully fund and consummate the transaction and satisfy its obligations in cash on closing under the reasonably anticipated transaction documents in keeping with transactions of this nature, including binding equity/debt commitment letters and/or guarantees (i.e., bank guarantees) covering the full value of the Cash Consideration Value;
- (j) it does not include any request for or entitlement to any break fee, expense reimbursement, brokerage fees, finder's fees or commissions, or any similar type of payment;

 - (i) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the assets to be acquired and liabilities to be assumed in making its Qualified Bid;
 - (ii) understands that the transaction will proceed on an "as is, where is" and "with all faults" basis, and did not rely upon any written or oral statements, representations, promises, warranties or guarantees whatsoever, whether express or implied (by operation of law or otherwise), regarding the assets to be acquired

or liabilities to be assumed or the completeness of any information provided in connection therewith, including by the Receiver, or any of its advisors, except as expressly stated in the purchase and sale agreement submitted by it;

23. All Aggregate Bids must comply with each of the Qualified Bid Requirements (as may be modified in accordance with the Sale Process) to be a Qualified Bid.
24. The Receiver may, in its reasonable discretion, waive compliance with any one or more of the Qualified Bid Requirements specified herein, and deem such non-compliant bid to be a Qualified Bid in accordance with the Sale Process. If a bid received is not a Qualified Bid, the Receiver may provide the bidder with an opportunity to remedy any deficiencies and render such bid a Qualified Bid; *provided* that such defects are remedied on or before the Qualified Bid Deadline.
25. The Qualified Bid(s) selected by the Receiver as the best or highest bid shall constitute the “**Successful Bid(s)**”.

Modified SHB and the Excluded Assets Sale

26. The Stalking Horse Purchasers, with the consent of the Receiver, shall be permitted to modify the Stalking Horse Bid, to exclude any asset for which an alternative bid (each, an “**Alternative Bid**”, and the assets subject to such Alternative Bid, the “**Excluded SHB Assets**”) is received if:
- (a) the Stalking Horse Purchasers, in their sole discretion, acting reasonably, consent to modify the Stalking Horse Bid in order to accommodate such proposed Alternative Bid;
 - (b) the Stalking Horse Purchasers, with the consent of the Receiver, agree on the adjustment of the Purchase Price, if any, under the Stalking Horse Bid to account for the removal of the Excluded SHB Assets and the value of the Alternative Bid;
 - (c) the Receiver determines that the aggregate consideration to be offered by (i) the Stalking Horse Bid, as so modified (the “**Modified SHB**”) and (ii) the proposed Alternative Bid for

the Excluded SHB Assets, would exceed the value of the Stalking Horse Bid (the "**Excluded Assets Sale**");

- (d) the Alternative Bid combined with the Modified SHB meets all of the requirements of a Qualified Bid;
- (e) the Receiver determines that the Modified SHB and the Excluded Assets Sale, collectively, are a Qualified Bid; and
- (f) the Stalking Horse Purchasers agree that the original Stalking Horse Bid shall remain open for acceptance notwithstanding the Modified SHB, such that the Stalking Horse Bid can be completed if for any reason the Modified SHB and the Excluded Assets Sale are not completed.

No Qualified Bids Received

27. If the Receiver does not receive any Qualified Bids (other than the Stalking Horse Bid) by the Qualified Bid Deadline, the Stalking Horse Agreement will be deemed to be the Successful Bid and the Receiver shall take reasonable steps to perform Section 28 herein.

Assessment of Qualified Bids

28. The Receiver shall assess all Qualified Bids submitted on or before the Qualified Bid Deadline to determine whether it is likely that the transactions contemplated therein can and will be consummated. Such assessments will be made as promptly as practicable but no later than ten (10) Business Days following the Qualified Bid Deadline.
29. If the Receiver determines that no Qualified Bids other than the Stalking Horse Bid were received by the Qualified Bid Deadline, or that one or more additional Qualified Bids were received but the Receiver determines that it is unlikely that the transactions contemplated in any of such additional Qualified Bids can or will be consummated, the Receiver shall:
- (a) forthwith irrevocably terminate the Sale Process;
 - (b) notify each Qualified Bidder (if any) that the Sale Process has been terminated;
 - (c) notify the Stalking Horse Purchasers that they are the Successful Bidder; and
 - (d) as soon as reasonably practicable after such termination, and in any event, no later than fifteen (15) days following the selection (or deemed selection) of the Successful Bid, file a motion with the Court seeking approval of the Stalking Horse Agreement.

The Sale and Auction Process

30. If one or more Qualified Bids (other than the Stalking Horse Bid) are received by the Qualified Bid Deadline and the Receiver does not determine that it is unlikely that the transaction contemplated in those Bids can or will be consummated:
- (a) the Receiver will notify the Qualified Bidders that Qualified Bidders will be provided the opportunity to participate in as many rounds of additional bidding as is required to determine the best offer. The Receiver will determine whether to conduct this process either through the further submission of offers or through an in-person or virtual auction. If the Receiver determines to proceed with an auction, it will inform the Qualified Bidders of the auction procedures, the identity of the leading bidder and the amount of the lead bid not less than three (3) Business Days in advance of the date of the auction; and

2.4 Excluded Assets

Nothing contained herein or in any agreements, instruments, or other documents to be delivered at the Closing shall sell, transfer, assign, convey or deliver the Excluded Assets to the Purchaser or any Affiliate of the Purchaser, and the Vendor and the Debtors, as applicable, shall retain all right, title, and interest to, in, and under the Excluded Assets, and neither the Purchaser nor any Affiliate of the Purchaser shall have any liability therefor or entitlement thereto.

Following Closing, the Purchaser shall promptly notify the Vendor of any Excluded Assets which may come into the possession or control of the Purchaser, and thereupon shall promptly release or pay such Excluded Assets to the Vendor and, for greater certainty, title shall not be deemed to vest to the Purchaser in respect of any Excluded Assets.

ARTICLE 3 PURCHASE PRICE, CLOSING, ETC.

3.1 Purchase Price

The aggregate purchase price payable by the Purchaser to the Vendor for the Purchased Assets, excluding all applicable Taxes, shall be satisfied by (a) the payment of the sum of \$19,200,000.00 (which amount shall be subject to adjustment, on Closing, upward or downward, on a dollar for dollar basis by the amount that the amount outstanding on the operating line of

credit provided by Bank of Montreal as of the Closing Date is more or less than the amount outstanding on such line of credit as of the date hereof) net of the Deposit, payable in full by wire in immediately available funds on Closing (the “**Cash Payment**”) and (b) the assumption of the Assumed Liabilities by the Purchaser (the “**Purchase Price**”) and shall be subject to any customary adjustments on account of the sale of the Real Property as described herein.

The Purchase Price shall be satisfied in accordance with Section 3.3.

3.2 Allocation of Purchase Price

The allocation of the Purchase Price is: (a) \$19,200,000.00 of the Cash Payment, subject to adjustment pursuant to Section 3.1, and any Assumed Liabilities; and (b) the remainder of the Cash Payment and any Assumed Liabilities in relation to the Business Assets shall be allocated to the Business Assets and Real Estate Assets (collectively the “**Allocation**”).

The Allocation among the assets, property and rights within the Business Assets category and the Real Estate Assets category shall be agreed to by the Parties prior to Closing. The Parties agree to file tax returns and make any tax filings in accordance with this Allocation. This Section 3.2 shall survive the Closing of the Transaction.

3.3 Deposit and Satisfaction of Purchase Price

- (a) The Parties acknowledge that:
 - (i) on or around the date hereof, CTI paid the sum of \$500,000 (the “**Deposit**”) to the Vendor in connection with its original bid;
 - (ii) the Deposit shall be held and applied by the Vendor in accordance with the terms and conditions of this Agreement (including this Section 3.3).

The Purchaser hereby waives any claim or defence that the amount of the Deposit is a penalty or is otherwise not a genuine pre estimate of the Vendor's damages.

3.4 Adjustments

The Purchase Price and related Allocation to Real Estate Assets shall be adjusted as of the Closing Date (with the Closing Date being allocated to the Purchaser) for all items that are adjusted in accordance with usual commercial practice for adjustment between a vendor and purchaser with respect to the purchase and sale of real estate comparable to the Real Estate Assets in Ontario, including, without limitation, rent (including basic rent and additional rent), prepaid rents/security deposits, realty taxes, local improvement rates and utilities.

The Vendor shall be responsible for all expenses and entitled to all revenue accrued from the Purchased Assets ending on the day preceding the Closing Date and thereafter the Purchaser shall be responsible for all expenses and shall be entitled to all revenue accruing from the Purchased Assets.

A draft statement of adjustments (the "**Statement of Adjustments**") shall be delivered to the Purchaser by the Vendor not less than four (4) Business Days prior to the Closing Date, together with the details of the calculations used by the Vendor to arrive at all debits and credits on the Statement of Adjustments calculated up to the Closing Date. The Vendor shall give the Purchaser and its representatives reasonable access during normal business hours to, if available, the Vendor's working papers and supporting documentation in order to confirm the Statement of Adjustments.

If the final cost or amount of any item which is to be adjusted cannot be determined at Closing, then an initial adjustment for such item shall be made at Closing, such amount to be estimated by the Vendor, acting reasonably, as at the Closing Date on the basis of the best evidence available at the Closing as to what the final cost or amount of such item will be. Save as otherwise

provided for in this Agreement, a final adjustment of any estimated amount or any error or omission in the Closing statement of adjustments shall be made no later than thirty (30) days after the Closing Date as the Vendor reasonably determines is necessary to obtain the information required to complete the adjustment (the “**Outside Adjustment Date**”). Save as may otherwise be permitted pursuant to this Agreement, no re-adjustment may be claimed by any party following the Outside Adjustment Date.

3.5 Utilities

The Debtors shall use commercially reasonable efforts to obtain utility meter readings for the Real Property on the day before the Closing Date. The Debtors shall pay the utility bills for the period to the day preceding the Closing Date (or such amount shall be adjusted for on Closing), and the Purchaser shall pay the utility bills for the period subsequent thereto. If a utility company will not issue separate bills, the Purchaser will receive a credit against the Purchase Price for Debtor’s portion and will pay the entire bill prior to delinquency after the Closing Date. If the Vendor has paid any utilities in advance, then the Vendor shall be entitled to adjust on Closing for any prepaid amount as of the Closing Date (if known) or the Purchaser shall be charged its portion of such payment as of the Closing Date.

3.6 Property Taxes

All property taxes imposed on or with respect to the Real Property for the tax year that includes the Closing Date will be prorated between the Vendor and the Purchaser as of the Closing Date. The Vendor will be liable for the portion of such taxes based on the number of days in the year occurring prior to the Closing Date, and the Purchaser will be liable for the portion of such taxes based on the number of days in the year occurring on and after the Closing Date. This includes all municipal realty taxes, assessments, levies and penalties of any nature or kind, and interest and costs thereon, including all levies and special charges set forth in the respective tax bills of any government taxation authority. Notwithstanding the above, Purchaser shall not be responsible for any penalties or interest arising out of any failure to pay such taxes as and when due prior to the Closing Date, which interest and penalties shall remain the responsibility of the Vendor and shall, if necessary, be adjusted for on Closing.

The Vendor shall, at its option, be entitled to continue any realty tax appeals, complaints, applications, or proceedings pending for any calendar year prior to the calendar year in which the Closing Date occurs and shall be entitled to receive from the municipality any payment resulting therefrom. Any refund or rebate of property realty taxes in respect of the period before the Closing Date shall remain the property of the Vendor. To the extent the Purchaser receives payment or credit on account of any such refund or rebate, then the Purchaser shall hold such amount in trust for the Vendor, endorse such amount (without recourse) in favour of the Vendor and immediately deliver such amounts to the Vendor.

3.7 Sales Tax, Land Transfer Tax and Registration Fees on Transfer

The Parties agree that:

- (a) The Purchaser will be liable for, in addition to the Purchase Price, all applicable federal and provincial taxes exigible in connection with the purchase and sale of

the Assets including GST/HST and any other provincial sales, use, value added and similar tax (collectively, “**Sales Taxes**”). If the Vendor is required by law or by administration thereof to collect any Sales Taxes from the Purchaser, the Purchaser shall pay such Sales Taxes to the Vendor concurrent with the payment of the consideration on which such Sales Taxes are calculated, unless the Vendor, acting on a commercially reasonable basis, agrees that the Purchaser qualifies for an exemption or exception from the collection of any such applicable Sales Taxes, in which case the Purchaser shall, in lieu of payment of such applicable Sales Taxes to the Vendor, deliver to the Vendor such certificates, elections, or other documentation required by law or the administration thereof to substantiate and effect the exemption claimed by the Purchaser and Vendor agrees to execute, do all things or take such steps as might be required to complete and give effect to such certificates, elections or other documents. Where the Vendor is not required by law or by administration thereof to collect applicable Sales Taxes, the Purchaser shall pay such Sales Taxes directly to the appropriate taxing authority and shall provide evidence of such payment to the Vendor upon request. As it relates to the sale of Real Property Assets, the applicable Purchaser shall provide a statutory declaration and indemnity in a form acceptable to the Vendor indicating that it is registered for GST/HST purposes and will self-assess and be liable for all GST/HST in respect of the transfer of the Real Property Assets.

- (b) The Purchaser agrees to indemnify and save the Vendor and the Debtors harmless from and against any and all claims, demands for payment, costs, expenses, liabilities, Taxes and damages incurred, assessed against or in any other way suffered by the Vendor or the Debtors as a result of the failure of the Purchaser to report, pay, or pay when due, any Taxes, duties, fees and like charges eligible in connection with this Agreement and the Transaction, including penalties and interest. This Section 3.7(b) will survive Closing.
- (c) If applicable, the Parties will complete and sign on or before the Closing Date, one or more joint elections under subsection 20(24) of the *Income Tax Act* (Canada) in respect of the assumption by the Purchaser of any future obligations of the Debtor to deliver goods or provide services after the Closing and shall file such election with their respective tax returns for their respective taxation years that include the Closing Date.
- (d) CTI is liable for and shall pay all land transfer tax and other similar taxes and duties, fees in respect of the registration of the transfer, and other like charges properly payable by the Purchaser upon and in connection with the sale, assignment and transfer of the Purchased Assets from the Vendor to CTI.

The terms of this Section 3.7 shall survive Closing.

3.8 Assumed Contracts

- (a) No later than ten (10) Business Days prior to the hearing for the Approval and Vesting Order, the Purchaser shall advise the Vendor which Purchaser, whether CTI or TNC, shall assume each Assumed Contract.
- (b) In connection with any Assumed Contract that requires the consent or approval of a Third Party in order to assign or transfer such Assumed Contract to the Purchaser, the Vendor shall use commercially reasonable efforts to obtain the consent of the Third Party in accordance with the provisions of such Assumed Contract (each such consent being a “**Third Party Consent**”) at least five (5) Business Days prior to obtaining the Approval and Vesting Order. The Purchaser shall provide to the Vendor, promptly upon request, such financial and other information about the Purchaser as the Vendor may request in connection with its efforts to obtain any Third Party Consent.
- (c) For the avoidance of doubt, the Vendor shall not be required to expend any funds to obtain a Third Party Consent. If the Vendor has not obtained a Third Party Consent in respect of an Assumed Contract then, at the Purchaser’s option, (i) the Purchaser shall be entitled to seek such consent from the applicable Third Party; and (ii) the Vendor will seek the approval of the Court to the assignment/transfer of such Assumed Contract without consent of the Third Party (any order issued by the Court granting such approval being a “**Contract Assignment Order**”) in or in connection with the Approval and Vesting Order. If any Third Party Consent is not obtained and the Court does not approve the assignment/transfer of the Assumed Contract to which such Third Party Consent relates as part of the Approval and Vesting Order, then this Agreement or any document delivered in connection with this Agreement shall not constitute an assignment of such Assumed Contract, which shall cease to constitute Purchased Assets without any corresponding reduction to the Purchase Price.
- (d) To the extent that any Cure Costs are required to be paid to obtain the assignment of any Assumed Contract, the payment of such Cure Costs by the Purchaser shall be a condition to the assignment of such Assumed Contract and be paid in addition to the Purchase Price.

3.9 Employees

- (a) Any time after the date of this Agreement, but at least three (3) Business Days prior to the Closing Date, the Purchaser shall make offers of employment to substantially all of the Employees on substantially the same terms and conditions of employment or better (in the aggregate) as exist for those Employees upon the execution of this Agreement. In such offers, the Purchaser shall recognize, to the extent previously recognized by the Debtor, the service of the Employees.
- (b) All wages, salaries, remuneration, bonuses, benefits, pension, due to Employees and all workers’ compensation, employment insurance premiums, benefit premiums (if applicable), Canada Pension Plan premiums and employer health tax

and similar charges and source deductions accruing for the period up to the Closing Date with respect to the Employees shall remain the responsibility of Debtors.

- (c) All damages and liabilities for claims for wages, compensation, termination/severance pay, benefits, pension, injury, disability, death, workers' compensation or any other employment-related or benefit/pension-related claims, penalties or assessments arising from the employment in the Business prior to the Closing Date shall remain the sole obligation of the Debtors.
- (d) All termination/severance pay, termination obligations (by way of contract, statute or otherwise) and damages for wrongful dismissal for the Employees who do not accept and/or who are not offered employment with the Purchaser are the sole obligation of the Debtors. The Purchaser agrees to use good faith efforts to encourage substantially all of the Employees to accept employment with the Purchaser, as directed by the Purchaser.
- (e) All wages, salaries, remuneration, commission, bonuses, benefits, pension, vacation pay due to Employees and all workers' compensation, employment insurance premiums, Canada Pension Plan premiums and employer health tax and similar charges and source deductions accruing or for the period following the Closing Date with respect to the Employees who accepted employment with the Purchaser shall be the responsibility of the Purchaser.

The Purchaser further acknowledges that it has entered into this Agreement on the basis that the Vendor does not guarantee title to the Purchased Assets and that the Purchaser has conducted such inspections of the condition of and title to the Purchased Assets as it deemed appropriate and has satisfied itself with regard to these matters. No representation, warranty or condition is expressed or can be implied as to title, encumbrances, description, fitness for purpose, merchantability, condition, quantity or quality or in respect of any other matter or thing whatsoever concerning the Purchased Assets except as expressly represented or warranted herein. Such option will be exercised within 10 days after notification to the Purchaser by the Vendor of the occurrence of damage or destruction, appropriation, expropriation or seizure (or prior to the Closing Date if such occurrence takes place less than 10 days before the Closing Date) in which event this Agreement will be terminated automatically and the Deposit shall be returned to the Purchaser without deduction. If the Purchaser does not exercise such option, it will complete the Transaction contemplated herein, without a reduction of the Purchase Price, and will be entitled to an assignment of the proceeds of insurance, if any, referable to such damage or destruction, appropriation, expropriation or seizure.

ARTICLE 12 TERMINATION

12.1 Grounds for Termination

This Agreement may be terminated at any time prior to Closing:

- (a) by the written agreement of both the Vendor and the Purchaser, provided however that if this Agreement has been approved by the Court, any such termination shall require the approval of the Court;
- (b) by the Purchaser, upon written notice to the Vendor, if there has been a material breach by the Vendor of any material representation, warranty or covenant contained in this Agreement, which breach has not been waived by the Purchaser, and: (i) such breach is not curable and has rendered the satisfaction of any condition in Section 10.2 impossible by the Outside Date; or (ii) if such breach is curable, the Purchaser has provided prior written notice of such breach to the Vendor, and such breach has not been cured within ten (10) days (or, if not curable within 10 days, such longer period as is reasonable under the circumstances, not to exceed forty (40) days) following the date upon which the Vendor received such notice;
- (c) by the Purchaser, upon written notice to the Vendor, any time after the Outside Date, if (i) the Approval and Vesting Order has not been obtained, or (ii) the Closing has not occurred by the Outside Date and such failure to close was not caused by or as a result of the Purchaser’s breach of this Agreement;
- (d) by the Vendor, upon written notice to the Purchaser, if there has been a material breach by the Purchaser of any representation, warranty or covenant contained in this Agreement, which breach has not been waived by the Vendor, and: (i) such breach is not curable; or (ii) if such breach is curable, the Vendor has provided prior written notice of such breach to the Purchaser, and such breach has not been cured within ten (10) days following the date upon which the Purchaser received such notice (or, if not curable within such 10 day period, such longer period as the Vendor may agree, acting reasonably in the circumstances); or
- (e) by the Vendor, upon written notice to the Purchaser, any time after the Outside Date, if (i) the Approval and Vesting Order has not been obtained, or (ii) the Closing has not occurred by the Outside Date and such failure to close was not caused by or as a result of the breach of this Agreement by the Vendor.

12.2 Automatic Termination

This Agreement shall automatically terminate if, at any time prior to the Closing, this Agreement is not selected as the Successful Bid under the Sale Process and another Successful Bid is selected.

12.3 Effect of Termination

Notwithstanding any termination of this Agreement under section 12.2, or as permitted under Section 12.1, or as otherwise provided for in this Agreement:

- (a) the provisions of those Sections which are meant to survive termination, including, but not limited to, Section 3.3 (Deposit and Satisfaction of Purchase Price), Section 13.1 (Fees, Commissions and other Costs and Expenses), Section 13.7 (Governing Law), and Section 13.17 (Third Party Beneficiaries) shall remain in full force and effect following any such permitted termination and the Deposit shall be governed by Section 3.3; and
- (b) in the event of a termination of this Agreement by the Vendor pursuant to Section 12.1(d), the obligations of the Purchaser under this Agreement shall not be at an end and, in addition to the forfeiture of the Deposit contemplated in Section 3.3(c)(ii) the Vendor shall retain and be entitled to exercise all of its rights and remedies against the Purchaser.

ARTICLE 13 GENERAL

13.1 Fees, Commissions and other Costs and Expenses

Each of the Vendor and the Purchaser will pay its respective legal and accounting costs and expenses incurred in connection with the preparation, execution and delivery of this Agreement and all documents and instruments executed pursuant to this Agreement and any other costs and expenses whatsoever and howsoever incurred.

Neither the Vendor nor any Affiliate thereof has engaged any real estate broker in connection with this Transaction and no brokerage, realtor, or other similar success fee will be payable by the Vendor and/or any Affiliate thereof as a result of the Transaction.

13.2 Planning Act

This Agreement is subject to compliance with the *Planning Act* (Ontario), as amended. The parties agree that compliance with the *Planning Act* (Ontario) shall be the responsibility of the Purchaser at its costs.

13.3 Confidentiality

Both prior to the Closing Date and, if the sale and purchase of the Purchased Assets hereunder fails to occur for whatever reason thereafter, the Purchaser will not disclose to anyone or use for its own or for any purpose other than the purpose contemplated by this Agreement any confidential information concerning the Vendor or the operations obtained by the Purchaser

pursuant hereto, and will hold all such information in the strictest confidence and, if the sale and purchase of the Purchased Assets hereunder fails to occur for whatever reason, will return all documents, records and all other information or data relating to the Vendor or to the operations which the Purchaser obtained pursuant to this Agreement or arrange for the destruction of the same.

13.4 Public Announcements

Except as required by Applicable Law and in connection with seeking and carrying out of the Stalking Horse and Sale Process Order and the Approval and Vesting Order or any other Order of the Court, no public disclosure, announcement or press release concerning the sale and purchase of the Purchased Assets may be made by the Vendor or the Purchaser without the prior written consent and joint approval of the Vendor and the Purchaser.

13.5 Dissolution of Debtors

The Purchaser acknowledges and agrees that nothing in this Agreement shall operate to prohibit or diminish in any way the right of the Vendor or any of its Affiliates to cause the dissolution, wind-up or bankruptcy of any of the Debtors subsequent to the Closing Date, or otherwise cause or allow any of the Debtors to cease operations in any manner or at any time subsequent to the Closing Date as the Vendor may determine in its sole discretion, which may be exercised without regard to the impact any such action may have on the Vendor's ability to fulfil its obligations under this Agreement that survive Closing.

13.6 Survival

Upon Closing, the obligations, covenants, representations and warranties of the Parties set out in this Agreement shall expire, be terminated and extinguished and of no further force or effect, unless specifically stated to survive Closing and provided that, notwithstanding the Closing contemplated hereunder or the delivery of documents pursuant to this Agreement, the obligations and covenants of the Parties set out in Section 5.3 (Enforcement of Representations and Warranties), Section 3.7 (Sales Tax, Land Transfer Tax and Registration Fees on Transfer), Article 6 ("As Is, Where Is" and No Additional Representations and Warranties) and Article 13 (General), shall survive Closing, shall remain in full force and effect, shall not merge as a result of Closing and shall be binding on the Parties indefinitely thereafter except as expressly stated to the contrary therein or otherwise in accordance with Applicable Laws.

13.7 Governing Law

- (a) This Agreement shall be governed by and construed in accordance with the laws of the Province of Ontario, and the federal laws of Canada applicable therein (excluding any conflict of law rule or principle of such laws that might refer such interpretation or enforcement to the laws of another jurisdiction). The Parties consent to the jurisdiction and venue of the courts of Ontario for the resolution of any such dispute arising under this Agreement.
- (b) The Parties consent to the jurisdiction and venue of the Court, as applicable, for the resolution of any such disputes, regardless of whether such disputes arose under

this Agreement. Each Party agrees that service of process on such Party as provided in Section 13.15 shall be deemed effective service of process on such Party.

13.8 Further Assurances

Each of the Parties from and after the date hereof shall, from time to time, and at the request and expense of the Party requesting the same, do all such further acts and things and execute and deliver such further instruments, documents, matters, papers and assurances as may be reasonably requested to complete the Transaction and for more effectually carrying out the true intent and meaning of this Agreement.

13.9 Assignment

Neither this Agreement nor any of the rights, interests and obligations hereunder, may be assigned by any Party (by operation of law or otherwise) without the express written consent of the other Parties; provided, that this Agreement and the rights and obligations of the Purchaser hereunder may be assigned by the Purchaser, without the prior written consent of the Vendor, to one or more of the Purchaser's Affiliates, so long as (i) such Affiliate is designated in writing by the Purchaser to the Vendor prior to service of the Vendor's motion materials seeking the Approval and Vesting Order (and references to Purchaser herein shall include its permitted designees where applicable) and (ii) the Purchaser continues to be bound by the terms of the Agreement and remain obligated in full hereunder, including with respect to the Purchaser's obligation to pay the Purchase Price, until Closing.

13.10 Waiver

No failure on the part of any Party in exercising any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or remedy preclude any other or further exercise thereof or the exercise of any right or remedy in law or in equity or by statute or otherwise conferred. No waiver by any Party of any breach (whether actual or anticipated) of any of the terms, conditions, representations or warranties contained herein shall take effect or be binding upon that Party unless the waiver is expressed in writing under the authority of that Party. Any waiver so given shall extend only to the particular breach so waived and shall not limit or affect any rights with respect to any other or future breach.

13.11 Amendment

This Agreement shall not be varied in its terms or amended, whether by oral agreement or by representations or otherwise, other than by an instrument in writing dated subsequent to the date hereof, executed by a duly authorized representative of each Party.

13.12 Time

Time is of the essence in this Agreement. Where anything is required to be done under this Agreement on a date which falls on a day that is not a Business Day, then the date for such thing to be done shall be the next Business Day, and, without limiting the foregoing, if the Closing Date is not a Business Day or a day on which the applicable land registry office for the Real Property is

open for business, then the Closing Date shall be the next following Business Day on which all applicable land registry offices for the Real Property are open for business.

13.13 Entire Agreement

This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and cancels and supersedes all prior agreements, understandings, negotiations and discussions, whether oral or written, between the Parties with respect to the subject matter hereof. There are no conditions, covenants, agreements, representations, warranties or other provisions, whether oral or written, express or implied, collateral, statutory or otherwise, relating to the subject matter hereof other than those contained in this Agreement.

13.14 Tender and Closing Arrangements

Any notice, approval, waiver, agreement, instrument, document or communication permitted, required or contemplated in this Agreement and any tender or delivery of documents or money hereunder may be made upon the Vendor or the Purchaser or the solicitors acting for them.

2. **THIS COURT ORDERS** that capitalized terms used herein that are not otherwise defined shall have the meaning ascribed to them in the First Report or the Sale Agreement, as applicable.

APPROVAL AND VESTING

3. **THIS COURT ORDERS** that the Transaction is hereby approved and the Receiver is hereby authorized and directed to execute the Sale Agreement with such minor amendments as the Receiver may deem necessary.  - (c) it provides an allocation of the purchase price under such bid among the Companies' Assets and any other assets to be acquired;

 - (i) the outcome of unperformed due diligence by the Qualified Bidder; or
 - (ii) financing;

 - (i) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the assets to be acquired and liabilities to be assumed in making its Qualified Bid;
 - (ii) understands that the transaction will proceed on an "as is, where is" and "with all faults" basis, and did not rely upon any written or oral statements, representations, promises, warranties or guarantees whatsoever, whether express or implied (by operation of law or otherwise), regarding the assets to be acquired

or liabilities to be assumed or the completeness of any information provided in connection therewith, including by the Receiver, or any of its advisors, except as expressly stated in the purchase and sale agreement submitted by it;

24. The Receiver may, in its reasonable discretion, waive compliance with any one or more of the Qualified Bid Requirements specified herein, and deem such non-compliant bid to be a Qualified Bid in accordance with the Sale Process. If a bid received is not a Qualified Bid, the Receiver may provide the bidder with an opportunity to remedy any deficiencies and render such bid a Qualified Bid; *provided* that such defects are remedied on or before the Qualified Bid Deadline.
25. The Qualified Bid(s) selected by the Receiver as the best or highest bid shall constitute the “**Successful Bid(s)**”.

Modified SHB and the Excluded Assets Sale

26. The Stalking Horse Purchasers, with the consent of the Receiver, shall be permitted to modify the Stalking Horse Bid, to exclude any asset for which an alternative bid (each, an “**Alternative Bid**”, and the assets subject to such Alternative Bid, the “**Excluded SHB Assets**”) is received if:
- (a) the Stalking Horse Purchasers, in their sole discretion, acting reasonably, consent to modify the Stalking Horse Bid in order to accommodate such proposed Alternative Bid;
 - (b) the Stalking Horse Purchasers, with the consent of the Receiver, agree on the adjustment of the Purchase Price, if any, under the Stalking Horse Bid to account for the removal of the Excluded SHB Assets and the value of the Alternative Bid;
 - (c) the Receiver determines that the aggregate consideration to be offered by (i) the Stalking Horse Bid, as so modified (the “**Modified SHB**”) and (ii) the proposed Alternative Bid for

the Excluded SHB Assets, would exceed the value of the Stalking Horse Bid (the "**Excluded Assets Sale**");

- (d) the Alternative Bid combined with the Modified SHB meets all of the requirements of a Qualified Bid;
- (e) the Receiver determines that the Modified SHB and the Excluded Assets Sale, collectively, are a Qualified Bid; and
- (f) the Stalking Horse Purchasers agree that the original Stalking Horse Bid shall remain open for acceptance notwithstanding the Modified SHB, such that the Stalking Horse Bid can be completed if for any reason the Modified SHB and the Excluded Assets Sale are not completed.

No Qualified Bids Received

27. If the Receiver does not receive any Qualified Bids (other than the Stalking Horse Bid) by the Qualified Bid Deadline, the Stalking Horse Agreement will be deemed to be the Successful Bid and the Receiver shall take reasonable steps to perform Section 28 herein.

Assessment of Qualified Bids

28. The Receiver shall assess all Qualified Bids submitted on or before the Qualified Bid Deadline to determine whether it is likely that the transactions contemplated therein can and will be consummated. Such assessments will be made as promptly as practicable but no later than ten (10) Business Days following the Qualified Bid Deadline.
29. If the Receiver determines that no Qualified Bids other than the Stalking Horse Bid were received by the Qualified Bid Deadline, or that one or more additional Qualified Bids were received but the Receiver determines that it is unlikely that the transactions contemplated in any of such additional Qualified Bids can or will be consummated, the Receiver shall:
- (a) forthwith irrevocably terminate the Sale Process;
 - (b) notify each Qualified Bidder (if any) that the Sale Process has been terminated;
 - (c) notify the Stalking Horse Purchasers that they are the Successful Bidder; and
 - (d) as soon as reasonably practicable after such termination, and in any event, no later than fifteen (15) days following the selection (or deemed selection) of the Successful Bid, file a motion with the Court seeking approval of the Stalking Horse Agreement.

The Sale and Auction Process

30. If one or more Qualified Bids (other than the Stalking Horse Bid) are received by the Qualified Bid Deadline and the Receiver does not determine that it is unlikely that the transaction contemplated in those Bids can or will be consummated:
- (a) the Receiver will notify the Qualified Bidders that Qualified Bidders will be provided the opportunity to participate in as many rounds of additional bidding as is required to determine the best offer. The Receiver will determine whether to conduct this process either through the further submission of offers or through an in-person or virtual auction. If the Receiver determines to proceed with an auction, it will inform the Qualified Bidders of the auction procedures, the identity of the leading bidder and the amount of the lead bid not less than three (3) Business Days in advance of the date of the auction; and
 - (b) only Qualified Bidders are eligible to participate in the additional bidding process.

Miscellaneous

31. Except as otherwise provided in the Sale Process or the Stalking Horse Agreement, the Court shall retain jurisdiction to hear and determine all matters arising from or relating to the implementation of the Stalking Horse Agreement, the Sale Process Order, and the Sale Process.
32. All Deposits shall be retained by the Receiver in a non-interest bearing trust account. If one or more Successful Bids are selected and an Approval Order authorizing the consummation of the transactions contemplated thereunder is granted, the Deposit paid in connection with each such Successful Bid will be non-refundable and shall, upon closing of the transaction contemplated by such Successful Bid, be applied to the cash consideration to be paid in connection with such Successful Bid or be dealt with as otherwise set out in the definitive agreement(s) entered into in connection with such Successful Bid. In the event that the Successful Bid is not completed due to a breach or default of the bidder's obligations thereunder (or for other reasons giving rise to forfeiture of the Deposit under the terms of the relevant definitive agreement(s)), the Deposit shall be forfeited as damages and such Deposit shall be in addition to, and not in lieu of, any other rights in law or equity that the Receiver has in respect of such breach or default. Any Deposit delivered with a Qualified Bid that is not selected as a Successful Bid will be returned to the applicable bidder, without interest, as soon as reasonably practicable (but not later than ten (10) Business Days) after the earliest of (i) completion of a Successful Bid; or (ii) the date of the Receiver's determination that such bid will not be pursued further.

Notice Requirements

33. Any communication, bids and all associated documentation to be given under this Sale Process by any person to the Receiver shall be in writing in substantially the form, if any, provided for in the Sale Process and will be sufficiently given only if delivered by prepaid ordinary mail, registered mail, courier, personal delivery, or email addressed to:

19. A Qualified Bidder that desires to make a bid for all or substantially all of the Companies' Assets must deliver to the Receiver by the Qualified Bid Deadline a Qualified Bid in the form of a fully executed purchase and sale agreement substantially in the form of the template agreement of purchase and sale located in the Data Room (the "**Template APS**").

 - (c) it provides an allocation of the purchase price under such bid among the Companies' Assets and any other assets to be acquired;
 - (d) it provides detailed sources and uses schedules that identify, with specificity, the amount of cash consideration (the "**Cash Consideration Value**") and any assumptions that could reduce the net consideration payable;
 - (e) it provides details of any assumption of the Companies' liabilities;
 - (f) it is reasonably capable of being consummated within ten (10) Business Days after the issuance of an Approval Order, if selected as the Successful Bid;

- (j) it does not include any request for or entitlement to any break fee, expense reimbursement, brokerage fees, finder's fees or commissions, or any similar type of payment;
- (k) it is not conditional upon:
 - (i) the outcome of unperformed due diligence by the Qualified Bidder; or
 - (ii) financing;
- (l) it includes full details of the Qualified Bidder's intended treatment of the Companies' employees;
- (m) it is accompanied by a cash deposit (the "**Deposit**") by wire transfer of immediately available funds equal to 10% of the Cash Consideration Value, which Deposit shall be retained by the Receiver in a non-interest bearing trust account;

- (o) it includes an acknowledgement and representation that the Qualified Bidder:
 - (i) has relied solely upon its own independent review, investigation and/or inspection of any documents and/or the assets to be acquired and liabilities to be assumed in making its Qualified Bid;
 - (ii) understands that the transaction will proceed on an "as is, where is" and "with all faults" basis, and did not rely upon any written or oral statements, representations, promises, warranties or guarantees whatsoever, whether express or implied (by operation of law or otherwise), regarding the assets to be acquired

or liabilities to be assumed or the completeness of any information provided in connection therewith, including by the Receiver, or any of its advisors, except as expressly stated in the purchase and sale agreement submitted by it;

23. All Aggregate Bids must comply with each of the Qualified Bid Requirements (as may be modified in accordance with the Sale Process) to be a Qualified Bid.
24. The Receiver may, in its reasonable discretion, waive compliance with any one or more of the Qualified Bid Requirements specified herein, and deem such non-compliant bid to be a Qualified Bid in accordance with the Sale Process. If a bid received is not a Qualified Bid, the Receiver may provide the bidder with an opportunity to remedy any deficiencies and render such bid a Qualified Bid; *provided* that such defects are remedied on or before the Qualified Bid Deadline.
25. The Qualified Bid(s) selected by the Receiver as the best or highest bid shall constitute the “**Successful Bid(s)**”.

Modified SHB and the Excluded Assets Sale

26. The Stalking Horse Purchasers, with the consent of the Receiver, shall be permitted to modify the Stalking Horse Bid, to exclude any asset for which an alternative bid (each, an “**Alternative Bid**”, and the assets subject to such Alternative Bid, the “**Excluded SHB Assets**”) is received if:
- (a) the Stalking Horse Purchasers, in their sole discretion, acting reasonably, consent to modify the Stalking Horse Bid in order to accommodate such proposed Alternative Bid;
 - (b) the Stalking Horse Purchasers, with the consent of the Receiver, agree on the adjustment of the Purchase Price, if any, under the Stalking Horse Bid to account for the removal of the Excluded SHB Assets and the value of the Alternative Bid;
 - (c) the Receiver determines that the aggregate consideration to be offered by (i) the Stalking Horse Bid, as so modified (the “**Modified SHB**”) and (ii) the proposed Alternative Bid for

the Excluded SHB Assets, would exceed the value of the Stalking Horse Bid (the "**Excluded Assets Sale**");

- (d) the Alternative Bid combined with the Modified SHB meets all of the requirements of a Qualified Bid;
- (e) the Receiver determines that the Modified SHB and the Excluded Assets Sale, collectively, are a Qualified Bid; and
- (f) the Stalking Horse Purchasers agree that the original Stalking Horse Bid shall remain open for acceptance notwithstanding the Modified SHB, such that the Stalking Horse Bid can be completed if for any reason the Modified SHB and the Excluded Assets Sale are not completed.

No Qualified Bids Received

27. If the Receiver does not receive any Qualified Bids (other than the Stalking Horse Bid) by the Qualified Bid Deadline, the Stalking Horse Agreement will be deemed to be the Successful Bid and the Receiver shall take reasonable steps to perform Section 28 herein.

Assessment of Qualified Bids

28. The Receiver shall assess all Qualified Bids submitted on or before the Qualified Bid Deadline to determine whether it is likely that the transactions contemplated therein can and will be consummated. Such assessments will be made as promptly as practicable but no later than ten (10) Business Days following the Qualified Bid Deadline.
29. If the Receiver determines that no Qualified Bids other than the Stalking Horse Bid were received by the Qualified Bid Deadline, or that one or more additional Qualified Bids were received but the Receiver determines that it is unlikely that the transactions contemplated in any of such additional Qualified Bids can or will be consummated, the Receiver shall:
- (a) forthwith irrevocably terminate the Sale Process;
 - (b) notify each Qualified Bidder (if any) that the Sale Process has been terminated;
 - (c) notify the Stalking Horse Purchasers that they are the Successful Bidder; and
 - (d) as soon as reasonably practicable after such termination, and in any event, no later than fifteen (15) days following the selection (or deemed selection) of the Successful Bid, file a motion with the Court seeking approval of the Stalking Horse Agreement.

The Sale and Auction Process

30. If one or more Qualified Bids (other than the Stalking Horse Bid) are received by the Qualified Bid Deadline and the Receiver does not determine that it is unlikely that the transaction contemplated in those Bids can or will be consummated:
- (a) the Receiver will notify the Qualified Bidders that Qualified Bidders will be provided the opportunity to participate in as many rounds of additional bidding as is required to determine the best offer. The Receiver will determine whether to conduct this process either through the further submission of offers or through an in-person or virtual auction. If the Receiver determines to proceed with an auction, it will inform the Qualified Bidders of the auction procedures, the identity of the leading bidder and the amount of the lead bid not less than three (3) Business Days in advance of the date of the auction; and
 - (b) only Qualified Bidders are eligible to participate in the additional bidding process.

Miscellaneous

31. Except as otherwise provided in the Sale Process or the Stalking Horse Agreement, the Court shall retain jurisdiction to hear and determine all matters arising from or relating to the implementation of the Stalking Horse Agreement, the Sale Process Order, and the Sale Process.
32. All Deposits shall be retained by the Receiver in a non-interest bearing trust account. If one or more Successful Bids are selected and an Approval Order authorizing the consummation of the transactions contemplated thereunder is granted, the Deposit paid in connection with each such Successful Bid will be non-refundable and shall, upon closing of the transaction contemplated by such Successful Bid, be applied to the cash consideration to be paid in connection with such Successful Bid or be dealt with as otherwise set out in the definitive agreement(s) entered into in connection with such Successful Bid. In the event that the Successful Bid is not completed due to a breach or default of the bidder's obligations thereunder (or for other reasons giving rise to forfeiture of the Deposit under the terms of the relevant definitive agreement(s)), the Deposit shall be forfeited as damages and such Deposit shall be in addition to, and not in lieu of, any other rights in law or equity that the Receiver has in respect of such breach or default. Any Deposit delivered with a Qualified Bid that is not selected as a Successful Bid will be returned to the applicable bidder, without interest, as soon as reasonably practicable (but not later than ten (10) Business Days) after the earliest of (i) completion of a Successful Bid; or (ii) the date of the Receiver's determination that such bid will not be pursued further.

Notice Requirements

33. Any communication, bids and all associated documentation to be given under this Sale Process by any person to the Receiver shall be in writing in substantially the form, if any, provided for in the Sale Process and will be sufficiently given only if delivered by prepaid ordinary mail, registered mail, courier, personal delivery, or email addressed to:
