**ENDORSEMENT**

[1] This case conference proceeded today. The Monitor continues to work with the stakeholders with a view to putting forward a proposed SIS the inclusive of a stalking horse bid. The parties require a little more time with the result that they will not be ready to proceed with that motion which had originally been scheduled for tomorrow, September 19. They therefore request an adjournment of that motion.

[2] In the circumstances, and given the consent of all parties attending today, I am satisfied that all parties continue to work in good faith and that an adjournment is appropriate.

[3] The September 19 date is hereby vacated. The parties will reschedule the motion to be returnable before me as soon as possible through the Commercial List office.

A handwritten signature in black ink that reads "Osborne, J." The signature is written in a cursive, slightly slanted style.
