PROPOSAL TRUSTEE'S PRELIMINARY REPORT TO CREDITORS

JULY 10, 2020

1.0 Introduction

1. This report ("Report") has been prepared by KSV Kofman Inc. ("KSV") in its capacity as proposal trustee ("Proposal Trustee") in connection with a Notice of Intention to Make a Proposal ("NOI") filed on December 1, 2019 by 7235712 Canada Inc. (formerly Viafoura Inc. (the "Company")) pursuant to Section 50.4(1) of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended ("BIA").
2. The principal purpose of the proposal proceedings was to create a stabilized environment to allow the Company the opportunity to complete a restructuring and to provide liquidity to the business so that it could continue to operate on a going-concern basis while the restructuring process was conducted.
3. On February 10, 2020, the Ontario Superior Court of Justice ("Court") made an Order ("Sale Process Approval Order") which, among other things, approved:
 - a) a "stalking horse" sale process for the Company's business and assets (the "Sale Process"); and
 - b) a stalking horse offer made by InterCap Equity Inc. ("InterCap"), a preferred shareholder of the Company, pursuant to an agreement of purchase and sale dated January 28, 2020 as the stalking horse bid in the Sale Process (the "Stalking Horse Agreement").

4. Pursuant to Orders of the Court made on March 23, 2020:
 - a) the transaction contemplated by the Stalking Horse Agreement was approved (the “Transaction”); and
 - b) KSV was appointed as receiver of the Company’s remaining assets following completion of the Transaction for the purposes of facilitating the Company’s obligations under the Stalking Horse Agreement, including a transition services agreement dated March 23, 2020 between the Company and Viafoura Technologies Inc. (“VTI”), as assignee of Intericap, in its capacity as the successful bidder (the “TSA”).
5. On May 14, 2020, the Company filed a proposal (the “Proposal”) with the Official Receiver in accordance with Section 62(1) of the BIA and a Certificate of Filing a Proposal (“Certificate”) was issued by the Office of the Superintendent of Bankruptcy (Canada) (“OSB”) on that date. Copies of the Proposal and the Certificate are attached as Appendices “A” and “B”, respectively.

1.1 Meeting to Consider the Proposal

1. The details of the creditors’ meeting to consider and vote on the Proposal to be held pursuant to Section 51(1) of the BIA (the “Meeting”) are as follows:

Date: July 21, 2020

Time: 10:00 a.m. (EST)

Location: to be convened virtually via Zoom:

<https://zoom.us/j/99077860652?pwd=TFFhbTVQYXBpVnJSb2VxYXhXQXR1dz09>

2. As described in greater detail below, to vote on the Proposal, a creditor of the Company must file a proof of claim with the Proposal Trustee prior to the Meeting. Creditors can vote at the Meeting by attending in person or by submitting voting letters to the Proposal Trustee prior to the Meeting. Creditors can also vote by way of proxy and can identify the Proposal Trustee as its proxy. A proof of claim form, proxy, voting letter and instruction letter are provided in Appendix “C”. Creditors should read the instruction letter to understand the voting procedures, including the procedure to register claims with the Proposal Trustee.
3. The Proposal Trustee’s Notice of Proposal to Creditors, a summary of the Company’s Statement of Affairs and a list of creditors are attached as Appendices “D”, “E” and “F”, respectively.

1.2 Purposes of this Report

1. The purposes of this Report are to:
 - a) provide background information about the Company;
 - b) summarize the terms of the Proposal;
 - c) discuss the Company’s ability to fulfill the terms of the Proposal;

- d) provide the Proposal Trustee's opinion as to the reasonableness of the provision in the Proposal that sections 95 to 101 do not apply in respect of the Proposal, as required pursuant to Section 50 (10) (b) of the BIA;
- e) compare the result for creditors under the Proposal to the result if the Proposal is not accepted and the Company is deemed to have made an assignment in bankruptcy; and
- f) provide the Proposal Trustee's recommendation on the Proposal.

1.3 Currency

1. Unless otherwise noted, all currency references in this Report are to Canadian dollars.

1.4 Restrictions

1. In preparing this Report, the Proposal Trustee has relied upon unaudited financial information prepared by the Company's representatives, the books and records of the Company and discussions with representatives of the Company. The Proposal Trustee has not audited, reviewed or otherwise verified the accuracy or completeness of the information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the *Chartered Professional Accountants Canada Handbook*.
2. The Proposal Trustee expresses no opinion or other form of assurance with respect to the financial information presented in this Report or relied upon by the Proposal Trustee in preparing this Report. The Proposal Trustee accepts no reliance to any party based on the information in this Report.

2.0 Background

1. The Company was incorporated under the *Canada Business Corporations Act* on September 2, 2009. The Company was founded by Shahram (Jesse) Moeinifar, the Company's Chief Executive Officer.
2. At the time it filed the NOI, the Company:
 - a) operated as a software developer focussed on helping media, broadcast and entertainment brands better build, manage and monetize their content, audience and data in real time;
 - b) had approximately 57 full-time employees, which was reduced during the proceedings to 32 employees due to terminations and resignations; and
 - c) carried on business from leased premises in downtown Toronto.

3. Upon commencement of the NOI, Intericap agreed to fund the Company pursuant to a Court-approved interim financing revolving credit facility with a maximum limit of up to \$1 million, which was subsequently increased to \$1.7 million.
4. Pursuant to the Sale Process Approval Order, the Proposal Trustee marketed the Company's business and assets for sale. The stalking horse offer by Intericap was the successful bid.
5. On March 23, 2020, the Company completed the Transaction. The Transaction resulted in substantially all of the Company's business and assets being sold to VTI.
6. As part of the Transaction, the Company entered into the TSA which, among other things, provides for the business, including contracts and employees, to be transitioned or terminated on an orderly basis.
7. On May 14, 2020, concurrent with its filing the Proposal, the Company changed its name from Viafoura Inc. to its numbered company name, being 7235712 Canada Inc.
8. Pursuant to a letter dated May 19, 2020, the Proposal Trustee advised the Company's creditors that the time for calling a meeting of creditors had been suspended pursuant to an omnibus Court Order made April 27, 2020 related to the Covid-19 pandemic and that further notice would be provided when such a meeting is scheduled. As the Suspension Period (as defined in that Order) expired on June 30, 2020, the Proposal Trustee has scheduled the Meeting to be convened on July 21, 2020.
9. Additional information regarding the Company and its background is included in the reports to Court filed by the Proposal Trustee which have been posted at <https://www.ksvadvisory.com/insolvency-cases/case/7235712-Canada-Inc>.

3.0 The Proposal¹

1. This section provides an overview of the terms of the Proposal. Review of this section is not a substitute for reading the Proposal. Creditors are strongly encouraged to read the Proposal in its entirety prior to voting on the Proposal. Creditors are encouraged to discuss the terms of the Proposal with their legal counsel. A copy of the Proposal is provided in Appendix "A".

3.1 Purpose and Implications

1. The Proposal is sponsored by VTI and is being made to the holders of Affected Claims against the Company (the "Affected Creditors").

¹ Defined terms in this section of the Report have the meanings provided to them in the Proposal.

2. The overall purpose of the Proposal is to effect a restructuring of the Company's share capital such that Affected Creditors will receive recoveries on their claims of up to \$1.75 million if the Company is profitable and can utilize its accumulated non-capital loss carry-forwards ("Tax Losses")², with the savings resulting from the deduction of the Tax Losses being shared equally between the Affected Creditors and Amalco (as defined below). The Company has advised that the book value of the tax losses is approximately \$10 million. Absent the Proposal, there will be no opportunity for recovery to the Company's unsecured creditors.
3. The Affected Creditors shall comprise the only class of creditors. The Company's secured creditors will be treated as unsecured creditors for purpose of the Proposal in respect of their shortfall claims. Following the closing of the Transaction, the Company has no remaining property charged by the security of its secured creditors.
4. Affected Creditors are parties having a Claim or a Director Claim, generally being amounts owed by the Company which existed or occurred on or before May 14, 2020.
5. The Priority Creditor Cash Amount is a cash amount necessary to pay and satisfy: (i) the Affected Claims of Preferred Creditors, including the Required Employee Amount, if any; and (ii) the Required Crown Amount, if any, to be delivered by VTI to the Proposal Trustee within five (5) Business Days of the Preferred Claim Determination Date.
6. In the event that the statutory majority of Affected Creditors votes to accept the Proposal and it is approved by the Court:
 - a) the Ordinary Creditors will receive an unsecured contingent promissory note issued by VTI (the "Tax Loss Variable Note") in full satisfaction of and in exchange for all of their Affected Claims;
 - b) a Tax Loss Variable Note up to a maximum principal amount of \$1.75 million (the "Maximum Principal Amount") shall be issued within ten (10) Business Days of the Ordinary Claim Determination Date, being the date on which the validity of all Proofs of Claim filed by Ordinary Creditors has been finally determined in accordance with the BIA;
 - c) the Company's Existing Shares will be cancelled;
 - d) new shares will be issued by the Company to VTI pursuant to the Articles of Reorganization; and
 - e) the Priority Creditor Cash Amount will be paid by VTI to the Proposal Trustee in satisfaction of, and for distribution by the Trustee on account of, the Proven Claims of Preferred Creditors (including the Required Employee Amount), if any, and the Required Crown Amount, if any.

² The tax losses would be reduced by the debt forgiven as part of the Proposal.

- f) Upon implementation of the Proposal, VTI and the Company intend to amalgamate into one entity (“Amalco”) in order that the Tax Losses can be utilized by Amalco to reduce the future income taxes payable by Amalco, in which case funds would become available for making the payments due under the Tax Loss Variable Note.

3.2 Dividend Amount

1. As at the date the Proposal was filed, Affected Creditors were owed approximately \$3.4 million. Of that amount, two creditors represent 89% of the total: National Bank of Canada (\$2.2 million) and Espresso Capital (\$864,000). Amounts payable to Affected Creditors under the Proposal may be up to 51¢ on the dollar if the Maximum Principal Amount is achieved.
2. Pursuant to Section 147 of the BIA, payments under the Proposal are subject to the statutory levy of 5% payable to the OSB, up to a maximum of \$62,500.
3. Payments under the Tax Loss Variable Notes will only be made under the Proposal if Amalco is able to utilize the Tax Losses. The structure and formulas giving rise to the dividends are set out in the Tax Loss Variable Note and are summarized below:
 - a) payments are to represent the cash amount equal to 50% of the Tax Savings Cash Proceeds, being the Canadian federal and provincial income tax that would be payable by Amalco for the fiscal years ended 2021 to 2025 absent the deduction of the Tax Losses for each Fiscal Year;
 - b) payments are to be made by Amalco within ten (10) Business Days of receiving a Notice of Assessment from Canada Revenue Agency (“CRA”) for the applicable Fiscal Year allowing the deduction of the Tax Losses;
 - c) if Amalco receives a Notice of Reassessment from CRA for any one or more Fiscal Years which disallows all or part of the Tax Losses, Amalco shall maintain a holdback representing the Annual Aggregate Note Payment Amount(s) that would otherwise have been payable to Holders under the Tax Loss Variable Note;
 - d) after payment of the Annual Aggregate Note Payment Amount in respect of the Fiscal Year ended 2023, Amalco has the right to prepay the Annual Aggregate Note Payment Amounts for Fiscal Years 2024 and 2025 by making a one-time payment to each Holder equal to their Prescribed Interest in the Two Year Prepayment Amount³; and

³ Defined as the lesser of: (i) a dollar amount equal to three times (3x) the average of the Annual Aggregate Note Payment Amounts for Fiscal Years ended 2021, 2022 and 2023; and (ii) the Maximum Principal Amount less all amounts previously paid to Holders under the Tax Loss Variable Note.

- e) after payment of the Annual Aggregate Note Payment Amount in respect of the Fiscal Year ended 2024, Amalco has the right to prepay the Annual Aggregate Note Payment amounts for Fiscal Year 2025 by making a one-time payment to each Holder equal to their Prescribed Interest in the Final Year Prepayment Amount⁴.

An illustration of the prepayment option is provided below:

(\$000)	Annual Aggregate Note Payment Amounts
Fiscal 2021	150
Fiscal 2022	250
Fiscal 2023	350
<hr/>	
Three Year Average Annual Note Payment Amount ("A")	250
<hr/>	
Two Year Prepayment Amount (3 x A)	750
Final Year Prepayment Amount (2 x A)	500

4. There are likely to be variances between amounts owing to creditors per the Company's records and the respective creditors' records. Accordingly, the proof of claim form must be submitted to the Proposal Trustee, complete with supporting documentation, for the creditors to vote on the Proposal and receive any dividends.
5. The Proposal Trustee will attempt to reconcile any differences and resolve disputed claims with creditors that file claims.
6. **Creditors should note that payments under the Proposal and the Tax Loss Variable Note in the event the Proposal is approved are not guaranteed and are subject to, among other things, general business risk, the impact of Covid-19 and other macroeconomic factors. Distributions under the notes are also dependent upon Amalco's ability to generate income and make use of the Company's tax losses.**

3.3 Proposal Conditions

1. The Proposal is conditional upon:
 - a) acceptance of the Proposal by the statutory majority of the Creditors as required under the BIA (described in Section 3.5 below);
 - b) an order of the Court approving the Proposal and the amendments to the Company's constating documents as set out in the Articles of Reorganization;
 - c) execution of the Tax Loss Variable Note by VTI for delivery to the Ordinary Creditors in accordance with Section 4.2(a) of the Proposal; and
 - d) the payment by VTI of the amounts set out in Section 4.6 of the Proposal.

⁴ Defined as the lesser of: (i) a dollar amount equal to two times (2x) the average of the Annual Aggregate Note Payment Amounts for Fiscal Years ended 2021, 2022 and 2023; and (ii) the Maximum Principal Amount less all amounts previously paid to Holders under the Tax Loss Variable Note.

2. Should any of the above conditions not be met or waived by the Company or VTI, the Proposal will not be effective and the payments due under the Proposal will not be made.

3.4 Other Proposal Terms

1. Other Proposal terms are summarized below:
 - a) The Proposal Trustee shall be entitled to apply for its discharge upon completing the distribution of the Priority Creditor Cash Amount as contemplated in Section 4.2(b) of the Proposal and the determination of the Prescribed Interests of Ordinary Creditors in the Tax Loss Variable Note following the Ordinary Claim Determination;
 - b) Sections 95 to 101 of the BIA do not apply to the Proposal or the proceedings related to the Proposal and may not be invoked or relied upon by any Affected Creditor or the Proposal Trustee. Additional details regarding this provision are provided in Section 4 below;
 - c) “Unaffected Claims” under the Proposal mean indemnity claims by the Company’s directors and the fees and expenses of the Proposal Trustee, its counsel and the Company’s counsel associated with the Proposal;
 - d) At the Creditors’ Meeting, the Creditors may appoint up to five (5) Inspectors whose powers will be limited to:
 - i. advising the Trustee concerning any dispute which may arise as to the validity of Claims; and
 - ii. advising the Trustee from time to time with respect to any other matter that the Trustee may refer to them.

3.5 Acceptance and Approval of the Proposal

1. In order for the Proposal to be accepted, two-thirds in dollar value and over 50% in number of the Unsecured Creditors present and voting, in person or by proxy, must vote in favour of the Proposal.
2. Rejection of the Proposal by the creditors would result in the Company being deemed to have made an assignment in bankruptcy.
3. Upon being accepted by creditors, the Proposal must be approved by the Court. If the Court fails to approve the Proposal, the Company is deemed to have made an assignment in bankruptcy.

4.0 Preferences and Transfers at Undervalue

1. As part of its statutory duties under the BIA, the Proposal Trustee conducted a review of the Company's bank statements and cancelled cheques for the twelve-month period (the "Review Period") immediately preceding the commencement of the NOI proceedings to identify transactions that could be considered preferences or transfers at undervalue. The focus of the Review Period was transactions above \$10,000. The Proposal Trustee's review did not identify any transaction that could be considered a preference or transfer at undervalue.
2. As described in Section 3.4 above, Section 8 of the Proposal provides that Sections 95 to 101 of the BIA, being the relevant sections under the BIA dealing with transactions that may be challenged by a Trustee, do not apply to the Proposal and may not be relied upon by the creditors or by the Proposal Trustee. Therefore, by voting in favour the Proposal, creditors will be giving up their right to pursue any of the remedies under these sections of the BIA.
3. As the Proposal Trustee did not identify any transactions that could be considered a preference or transfer at undervalue during the Review Period, the Proposal Trustee is of the view that Section 8 of the Proposal is not unreasonable.

5.0 Estimated Distribution in the Event of a Bankruptcy

1. As all of the Company's assets were sold to VTI pursuant to the Transaction, no recoveries are expected for the Company's creditors if the Proposal is rejected and the Company is deemed to have made an assignment in bankruptcy.
2. While there is no certainty that Amalco will be able to pay the full amounts of the Tax Loss Variable Note, the Proposal provides Affected Creditors with the opportunity to generate material recoveries on their claims.

6.0 Conclusion and Recommendation

1. Affected Creditors will not have any opportunity for recovery should the Proposal not be accepted and approved by the Court. Payments under the Proposal could result in a recovery of up to approximately 50¢ on the dollar for the Affected Claims versus the alternative, which is a nil recovery if the Proposal is rejected and the Company becomes bankrupt. **Accordingly, the Proposal Trustee recommends that the Company's creditors vote in favour of the Proposal.**
2. If the Proposal is accepted by the Affected Creditors at the creditors' meeting, the Proposal Trustee will seek the Court's approval shortly thereafter.
