ENDORSEMENT OF JUSTICE OSBORNE:

[1] Counsel for the parties attended at this case conference today to settle the terms of the order arising from my earlier Endorsement in this matter, and to request that I correct typographical errors in that Endorsement.

[2] My Endorsement was released to the parties on November 22, 2022. That is the date of the Endorsement and should be the date reflected in the Order.

[3] The parties brought to my attention, for which I am grateful, typographical errors in the Endorsement previously released, as follows:

- a. the Court file number should begin with a "21" prefix, rather than "22";
- b. Mr. Soutter's clients should be defined as "Yonge SL LPs", rather than "Yonge Street LPs"; and
- c. the date on which the matter was heard was September 26, 2022, rather than November 7.

[4] I approve the requested amendments to the Endorsement to reflect these typographical errors. There are no substantive changes to the Endorsement or the disposition of the matter. I have attached to this Endorsement a Revised Endorsement of November 22, 2022 reflecting the above typographical corrections.

[5] Given the above corrections, the parties are agreed on the form of order. Order to go in the form signed by me today, which is effective without the necessity of issuing and entering, although the order may be taken out if any party requires that to be done.

A handwritten signature in black ink that reads "Owen, J." The signature is written in a cursive, slightly slanted style.
